παραπλεύσαντι δὲ τὰ πεδία ταῦτα κόλπος ἐκδέχεται παράδοξον ἔχων τὴν φύσιν. συννεύει μὲν γὰρ εἰς τὸν μυχὸν τῆς χώρας, τῷ μήκει δ' ἐπὶ σταδίους πεντακοσίους παρεκτείνεται, περικλειόμενος δὲ κρημνοῖς θαυμασίοις τὸ μέγεθος σκολιὸν καὶ δυσέξιτον ἔχει τὸ στόμα· ἀλιτενοῦς γὰρ πέτρας τὸν εἰσπλουν διαλαμβανούσης οὗτ' εἰσπλευσαι δυνατόν ἐστιν εἰς τὸν κόλπον οὗτ' ἐκπλευσαι. [2] κατὰ δὲ τὰς τοῦ ῥοῦ προσπτώσεις καὶ τὰς τῶν ἀνέμων μεταβολὰς ὁ κλύδων προσπίπτων τῇ ῥαχίᾳ καυχλάζει καὶ τραχύνεται πάντη περὶ τὴν παρήκουσαν πέτραν. οἱ δὲ τὴν κατὰ τὸν κόλπον χώραν νεμόμενοι, Βανιζομενεῖς ὀνομαζόμενοι, τὰς τροφὰς ἔχουσι κυνηγοῦντες καὶ σαρκοφαγοῦντες τὰ χερσαῖα ζῷα. ἱερὸν δ' ἀγιώτατον ἱδρύται, τιμώμενον ὑπὸ πάντων Ἀράβων περιττότερον. [3] ἐξῆς δὲ τῇ προειρημένῃ παραλίᾳ νῆσοι τρεῖς ἐπείκεινται, λιμένας ποιοῦσαι πλείους. καὶ τούτων τὴν μὲν πρώτην ἱστοροῦσιν ὑπάρχειν ἱερὰν Ἰσιδος, ἔρημον οὖσαν, παλαιῶν δ' οἰκιῶν ἔχειν λιθίνας ὑποστάθμας καὶ στήλας γράμμασι βαρβαρικοῖς κεχαραγμέναις· ὁμοίως δὲ καὶ τὰς ἄλλας ἐρήμους ὑπάρχειν· πάσας δ' ἐλαίαις καταπεφυτεῦσθαι διαφόροις τῶν παρ' ἡμῖν. [4] μετὰ δὲ τὰς νήσους ταύτας αἰγιαλὸς παρήκει κρημνώδης καὶ δυσπαράπλους ἐπὶ σταδίους ὥς χιλίους· οὔτε γὰρ λιμὴν οὔτε σάλος ἐπ' ἀγκύρας ὑπόκειται τοῖς ναυτίλοις, οὐ χηλὴ δυναμένη τοῖς ἀπορομένοισι τῶν πλεόντων τὴν ἀναγκαίαν ὑπόδυσιν παρασχέσθαι. ὅρος δὲ ταύτῃ παράκειται κατὰ μὲν τὴν κορυφὴν πέτρας ἀποτομάδας ἔχον καὶ τοῖς ὕψει καταπληκτικὰς, ὑπὸ δὲ τὰς ρίζας σπιλάδας ὀξείας καὶ πυκνὰς ἐνθαλάττους καὶ κατόπιν αὐτῶν φάραγγας ὑποβεβρωμένας καὶ σκολιάς. [5] συντετρημένων δ' αὐτῶν πρὸς ἀλλήλας, καὶ τῆς θαλάττης βάθος ἐχούσης, ὁ κλύδων ποτὲ μὲν εἰσπίπτων, ποτὲ δὲ παλισσυστῶν βρόμφῳ μεγάλῳ παραπλήσιον ἦχον ἐξίησι. τοῦ δὲ κλύδωνος τὸ μὲν πρὸς μεγάλας πέτρας προσαραττόμενον εἰς ὕψος ἴσταται καὶ τὸν ἀφρὸν θαυμαστὸν τὸ πλῆθος κατασκευάζει, τὸ δὲ καταπνόμενον

κοιλώμασι σπασμὸν καταπληκτικὸν παρέχει, ὥστε τοὺς ἀκουσίως ἐγγίσαντας τοῖς τόποις διὰ τὸ δέος οἰοεὶ προαποθνήσκειν. [6] ταύτην μὲν οὖν τὴν παράλιον ἔχουσιν Ἀραβες οἱ καλούμενοι Θαμουδηνοί: τὴν δ' ἐξῆς ἐπέχει κόλπος εὐμεγέθης, ἐπικειμένων αὐτῷ νήσων σποράδων, τὴν πρόσοψιν ἔχουσῶν ὁμοίαν ταῖς καλούμεναις Ἐχινάσι νήσοις. ἐκδέχονται δὲ ταύτην τὴν παράλιον ἀέριοι θῖνες ἄμμου κατὰ τε τὸ μῆκος καὶ τὸ πλάτος, [7] μέλανεσ τὴν χροάν. μετὰ δὲ τούτους ὁράται χερρόνησος καὶ λιμὴν κάλλιστος τῶν εἰς ἱστορίαν πεπτωκότων, ὀνομαζόμενος Χαρμούθας. ὑπὸ γὰρ χηλὴν ἐξαίσιον κεκλιμένην πρὸς ζέφυρον κόλπος ἐστὶν οὐ μόνον κατὰ τὴν ἰδέαν θαυμαστός, ἀλλὰ καὶ κατὰ τὴν εὐχρηστίαν πολὺ τοὺς ἄλλους ὑπερέχων: παρῆκει γὰρ αὐτὸν ὄρος συνηρεφές, κυκλοῦμενον πανταχόθεν ἐπὶ σταδίους ἑκατὸν, εἰσπλουν δ' ἔχει δίπλεθρον, ναυσι δισχιλίαις ἄκλυστον λιμένα παρεχόμενος. [8] χωρὶς δὲ τούτων εὐνδρος τ' ἐστὶ καθ' ὑπερβολήν, ποταμοῦ μείζονος εἰς αὐτὸν ἐμβάλλοντος, καὶ κατὰ μέσον ἔχει νήσον εὐνδρον καὶ δυναμένην ἔχειν κηπεύματα. καθόλου δ' ἐμφερέστατός ἐστι τῷ κατὰ τὴν Καρχηδόνα λιμένι, προσαγορευομένῳ δὲ Κώθωνι, περὶ οὗ τὰς κατὰ μέρος εὐχρηστίας ἐν τοῖς οἰκείοις χρόνοις πειρασόμεθα διελθεῖν. ἰχθύων δὲ πλῆθος ἐκ τῆς μεγάλης θαλάττης εἰς αὐτὸν ἀθροίζεται διὰ τε τὴν νηνεμίαν καὶ τὴν γλυκύτητα τῶν εἰς αὐτὸν ῥέοντων ὑδάτων.

παραπλεύσαντι δὲ τοὺς τόπους τούτους ὄρη πέντε διεστηκότα ἀλλήλων εἰς ὕψος ἀνατείνει, συναγομένας ἔχοντα τὰς κορυφὰς εἰς πετρώδη μαστόν, παραπλήσιον φαντασίαν ἀποτελοῦντα ταῖς κατ' Αἴγυπτον πυραμίσι. [2] ἐξῆς δ' ἐστὶ κόλπος κυκλοτερὴς μεγάλοις ἀκρωτηρίοις περιεχόμενος, οὗ κατὰ μέσσην τὴν διάμετρον ἀνέστηκε λόφος τραπεζοειδής, ἐφ' οὗ τρεῖς ναοὶ θαυμαστοὶ τοῖς ὕψεσιν ὠκοδόμηνται θεῶν, ἀγνωσμένων μὲν ὑπὸ τῶν Ἑλλήνων, τιμωμένων δ' ὑπὸ τῶν ἐγχωρίων διαφερόντως. [3] μετὰ δὲ ταῦτα αἰγιαλὸς παρῆκει κάθυγρος, ναματιαῖος καὶ γλυκέσι ρεῖθροις διειλημμένος: καθ' ὃν ἐστὶν ὄρος ὀνομαζόμενον μὲν Χαβῖνον, δρυμοῖς δὲ παντοδαποῖς πεπυκνωμένον. τὴν δὲ χέρσον τὴν ἐχομένην τῆς ὀρεινῆς νέμονται τῶν Ἀράβων οἱ καλούμενοι Δέβαι. [4] οὗτοι δὲ καμηλοτροφοῦντες πρὸς ἅπαντα χρῶνται τὰ μέγιστα τῶν κατὰ τὸν βίον τῇ τοῦ ζώου τούτου χρεῖα: πρὸς μὲν γὰρ τοὺς πολεμίους ἀπὸ τούτων μάχονται, τὰς δὲ κομιδὰς τῶν φορτίων ἐπὶ τούτων νωτοφοροῦντες ῥαδίως ἅπαντα συντελοῦσι, τὸ δὲ γάλα πίνοντες ἀπὸ τούτων διατρέφονται, καὶ τὴν ὅλην χώραν περιπολοῦσιν ἐπὶ τῶν δρομάδων καμήλων. [5] κατὰ δὲ μέσσην τὴν χώραν αὐτῶν φέρεται ποταμὸς τοσοῦτο χρυσοῦ καταφέρων πῆγμα φαινόμενον ὥστε κατὰ τὰς ἐκβολὰς τὴν ἰλὺν ἀποφέρεισθαι περιστρίβουσαν. οἱ δ' ἐγχώριοι τῆς μὲν ἐργασίας τῆς τοῦ χρυσοῦ παντελῶς εἰσιν ἄπειροι, φιλόξενοι δ' ὑπάρχουσιν, οὐ πρὸς πάντα τοὺς ἀφικνουμένους, ἀλλὰ πρὸς μόνους τοὺς ἀπὸ Βοιωτίας καὶ Πελοποννήσου διὰ τινα παλαιὰν ἀφ' Ἡρακλέους οἰκειότητα πρὸς [6] τὸ ἔθνος, ἣν μυθικῶς ἑαυτοὺς παρειληφέναι παρὰ τῶν προγόνων ἱστοροῦσιν. ἡ δ' ἐξῆς χώρα κατοικεῖται μὲν ὑπὸ Ἀράβων Ἀλιλαίων καὶ Γασανδῶν, οὐκ ἔμπυρος οὔσα καθάπερ αἱ πλησίον, ἀλλὰ μαλακαῖς καὶ δασείαις νεφέλαις πολλάκις κατεχομένη: ἐκ δὲ τούτων ὑετοὶ γίνονται καὶ χειμῶνες εὐκαιροὶ καὶ ποιοῦντες

τὴν θερινὴν ὥραν εὐκρατον. ἥ τε χώρα πάμπορος ἐστὶ καὶ διάφορος κατὰ τὴν ἀρετὴν, οὐ μέντοι τυγχάνει τῆς ἐνδεχομένης ἐπιμελείας διὰ τὴν τῶν λαῶν ἀπειρίαν. [7] τὸν δὲ χρυσὸν εὐρίσκοντες ἐν τοῖς φυσικοῖς ὑπονόμοις τῆς γῆς συνάγουσι πολὺν, οὐ τὸν ἐκ τοῦ ψήγματος συντηκόμενον, ἀλλὰ τὸν αὐτοφυῆ καὶ καλούμενον ἀπὸ τοῦ συμβεβηκότος ἄπυρον. κατὰ δὲ τὸ μέγεθος ἐλάχιστος μὲν εὐρίσκεται παραπλήσιος πυρῇνι, μέγιστος δὲ οὐ πολὺ λειπόμενος βασιλικοῦ καρύου. [8] φοροῦσι δ' αὐτὸν περὶ τε τοὺς καρποὺς τῶν χειρῶν καὶ περὶ τοὺς τραχήλους, τετρημένον ἐναλλάξ λίθοις διαφανέσι. καὶ τούτου μὲν τοῦ γένους ἐπιπολάζοντος παρ' αὐτοῖς, χαλκοῦ δὲ καὶ σιδήρου σπανίζοντος, ἐπ' ἴσης ἀλλάττονται ταῦτα τὰ φορτία πρὸς τοὺς ἐμπόρους.

μετὰ δὲ τούτους ὑπάρχουσιν οἱ ὀνομαζόμενοι Κάρβαι, καὶ μετὰ τούτους Σαβαῖοι, πολυανθρωπότατοι τῶν Ἀραβικῶν ἐθνῶν ὄντες. νέμονται δὲ τὴν εὐδαίμονα λεγομένην Ἀραβίαν, φέρουσιν τὰ πλεῖστα τῶν παρ' ἡμῖν ἀγαθῶν καὶ θρεμμάτων παντοδαπῶν ἐκτρέφουσιν πλῆθος ἀμύθητον. εὐδία τε αὐτὴν πᾶσαν ἐπέχει φυσικὴ διὰ τὸ πάντα σχεδὸν τὰ ταῖς ὁσμαῖς πρωτεύοντα φύεσθαι κατὰ τὴν χώραν ἀνέκλειπτα. [2] κατὰ μὲν γὰρ τὴν παράλιον φύεται τὸ καλούμενον βάλσαμον καὶ κασία καὶ πόα τις ἄλλη ἰδιάζουσαν φύσιν ἔχουσα: αὕτη δὲ πρόσφατος μὲν οὔσα τοῖς ὄμμασι προσηνεστάτην παρέχεται τέρψιν, ἐγγχρονισθεῖσα δὲ συντόμως γίνεται ἐξίτηλος. [3] κατὰ δὲ τὴν μεσόγειον ὑπάρχουσι δρυμοὶ συνηρεφεῖς, καθ' οὓς ἐστὶ δένδρα μεγάλα λιβανωτοῦ καὶ σμύρνης, πρὸς δὲ τούτοις φοῖνικος καὶ καλάμου καὶ κιναμώμου καὶ τῶν ἄλλων τῶν τούτοις ὁμοίαν ἐχόντων τὴν εὐωδίαν: οὐδὲ γὰρ ἐξαριθμήσασθαι δυνατόν τὰς ἐκάστων ιδιότητάς τε καὶ φύσεις διὰ τὸ πλῆθος καὶ τὴν ὑπερβολὴν τῆς ἐκ πάντων ἀθροιζομένης ὁσμῆς. [4] θεία γάρ τις φαίνεται καὶ λόγου κρείττων ἢ προσπίπτουσα καὶ κινουσα τὰς ἐκάστων αἰσθήσεις εὐωδία. καὶ γὰρ τοὺς παραπλέοντας, καίπερ πολὺ τῆς χέρσου κεχωρισμένους, οὐκ ἀμοίρους ποιεῖ τῆς τοιαύτης ἀπολαύσεως: κατὰ γὰρ τὴν θερινὴν ὥραν, ὅταν ἄνεμος ἀπόγειος γένηται, συμβαίνει τὰς ἀπὸ τῶν σμυρνοφόρων δένδρων καὶ τῶν ἄλλων τῶν τοιούτων ἀποπνεομένας εὐωδίας διικνεῖσθαι πρὸς τὰ πλησίον μέρη τῆς θαλάττης: οὐ γὰρ ὥσπερ παρ' ἡμῖν ἀποκειμένην καὶ παλαιὰν ἔχει τὴν τῶν ἀρωμάτων φύσιν, ἀλλὰ τὴν ἀκμάζουσιν ἐν ἄνθει νεαρὰν δύναμιν καὶ διικνουμένην πρὸς τὰ λεπτομερέστατα τῆς αἰσθήσεως. [5] κομιζούσης γὰρ τῆς αὔρας τὴν ἀπόρροϊαν τῶν εὐωδεστάτων, προσπίπτει τοῖς προσπλέουσι τὴν παράλιον προσηγὲς καὶ πολὺ, πρὸς δὲ τούτοις ὑγιεινὸν καὶ παρηλλαγμένον ἐκ τῶν ἀρίστων μίγμα, οὔτε γὰρ τετμημένου τοῦ καρποῦ καὶ τὴν ἰδίαν ἀκμὴν ἐκπεπνευκότος, οὔτε τὴν ἀπόθεσιν ἔχοντος ἐν ἑτερογενέσιν ἀγγείοις, ἀλλ' ἀπ' αὐτῆς τῆς νεαρωτάτης ὥρας καὶ τὸν βλαστὸν ἀκέραιον παρεχομένης τῆς θείας φύσεως, ὥστε τοὺς μεταλαμβάνοντας τῆς ιδιότητος δοκεῖν ἀπολαύειν τῆς μυθολογουμένης ἀμβροσίας διὰ τὸ τὴν ὑπερβολὴν τῆς εὐωδίας μηδεμίαν ἐτέραν εὐρίσκειν οἰκείαν προσηγορίαν.

οὐ μὴν ὀλόκληρον καὶ χωρὶς φθόνου τὴν εὐδαιμονίαν τοῖς ἀνθρώποις ἡ τύχη περιέθηκεν, ἀλλὰ τοῖς τηλικούτοις δωρήμασι παρέξενξε τὸ βλάπτον καὶ νοθετήσον τοὺς διὰ τὴν συνέχειαν τῶν ἀγαθῶν εἰωθότας καταφρονεῖν τῶν θεῶν. [2] κατὰ γὰρ τοὺς εὐωδεστάτους δρυμοὺς ὄφρων ὑπάρχει πλῆθος, οἱ τὸ

μὲν χρῶμα φοινικοῦν ἔχουσι, μήκος δὲ σπιθαμῆς, δῆγματα δὲ ποιοῦνται παντελῶς ἀνιάτα· δάκνουσι δὲ προσπηδῶντες καὶ ἀλλόμενοι πρὸς ὕψος αἱμάττουσι τὸν χρῶτα. [3] ἴδιον δὲ τι παρὰ τοῖς ἐγχωρίοις συμβαίνει περὶ τοῦς ἡσθηνοτάτας ὑπὸ μακρᾶς νόσου τὰ σώματα. διαπνεομένου γὰρ τοῦ σώματος ὑπ' ἀκράτου καὶ τηλικῆς φύσεως, καὶ τῆς συγκρίσεως τῶν ὄγκων εἰς ἀραίωμα συναγομένης, ἔκλυσις ἐπακολουθεῖ δυσβοήθητος· διόπερ τοῖς τοιούτοις ἄσφαλον παραθυμῶσι καὶ τράγου πάγωνα, ταῖς ἐναντίαις φύσεσι καταμαχόμενοι τὴν ὑπερβολὴν τῆς εὐδίας. τὸ γὰρ καλὸν ποσότητι μὲν καὶ τάξει μετρούμενον ὠφελεῖ καὶ τέρπει τοὺς ἀνθρώπους, ἀναλογίας δὲ καὶ καθήκοντος καιροῦ διαμαρτὸν ἀνόνητον ἔχει τὴν δωρεάν. [4] τοῦ δ' ἔθνους τούτου μητρόπολις ἐστὶν ἥν καλοῦσι Σαβάς, ἐπ' ὄρους ὤκισμένη. βασιλέας δ' ἐκ γένους ἔχει τοὺς διαδεχομένους, οἷς τὰ πλήθη τιμὰς ἀπονέμει μεμιγμένας ἀγαθοῖς καὶ κακοῖς. μακάριον μὲν γὰρ βίον ἔχειν δοκοῦσιν, ὅτι πᾶσιν ἐπιτάττοντες οὐδένα λόγον ὑπέχουσι τῶν πραττομένων· ἀτυχεῖς δὲ νομίζονται καθ' ὅσον οὐκ ἔξεστιν αὐτοῖς οὐδέποτε ἐξελεῖν ἐκ τῶν βασιλείων, εἰ δὲ μή, γίνονται λιθόλευστοι ὑπὸ τῶν ὄχλων κατὰ τινα χρησμὸν ἀρχαῖον. [5] τοῦτο δὲ τὸ ἔθνος οὐ μόνον τῶν πλησιοχώρων Ἀράβων, ἀλλὰ καὶ τῶν ἄλλων ἀνθρώπων διαφέρει πλούτῳ καὶ ταῖς ἄλλαις ταῖς κατὰ μέρος πολυτελείαις. ἐν γὰρ ταῖς τῶν φορτίων ἀλλαγαῖς καὶ πράσεσιν ὄγκοις ἐλαχίστοις πλείστην ἀποφέρονται τιμὴν ἀπάντων ἀνθρώπων τῶν ἀργυρικῆς ἀμείψεως ἕνεκα τὰς ἐμπορίας ποιοιμένων. [6] διόπερ ἐξ αἰῶνος ἀπορθητῶν αὐτῶν γεγεννημένων διὰ τὸν ἐκτοπισμὸν, καὶ χρυσοῦ τε καὶ ἀργύρου πλήθους ἐπικεκλυκτός παρ' αὐτοῖς, καὶ μάλιστ' ἐν Σαβαῖς, ἐν ἣ τὰ βασίλεια κεῖται, τορεύματα μὲν ἀργυρᾶ τε καὶ χρυσᾶ παντοδαπῶν ἐκπωμάτων ἔχουσι, κλίνας δὲ καὶ τρίποδας ἀργυρόποδας, καὶ τὴν ἄλλην κατασκευὴν ἅπiston τῇ πολυτελείᾳ, κιόνων τε ἀδρῶν περίστυλα, τὰ μὲν ἐπίχρυσα, τὰ δ' ἀργυροειδεῖς τύπους ἐπὶ τῶν κιονοκράνων ἔχοντα. [7] τὰς δ' ὀροφὰς καὶ θύρας χρυσαῖς φιάλαις λιθοκολλήτοις καὶ πυκναῖς διειληφότες ἅπασαν τὴν τῶν οἰκῶν κατὰ μέρος οἰκοδομίαν πεποιήνται θαυμαστὴν ταῖς πολυτελείαις· τὰ μὲν γὰρ ἐξ ἀργύρου καὶ χρυσοῦ, τὰ δ' ἐξ ἐλέφαντος καὶ τῶν διαπρεπεστάτων λίθων, ἔτι δὲ τῶν ἄλλων τῶν τιμιωτάτων παρ' ἀνθρώποις, [8] κατεσκευάκασιν. ἀλλὰ γὰρ οὗτοι μὲν ἐκ πολλῶν χρόνων τὴν εὐδαιμονίαν ἀσάλευτον ἔσχον διὰ τὸ παντελῶς ἀπεξενῶσθαι τῶν διὰ τὴν ἰδίαν πλεονεξίαν ἔρμαιον ἡγουμένων τὸν ἀλλότριον πλοῦτον. ἡ δὲ κατὰ τούτους θάλαττα λευκὴ φαίνεται τὴν χροάν, ὥσθ' ἅμα θαυμάζειν τὸ παράδοξον καὶ τὴν αἰτίαν τοῦ συμβαίνοντος ἐπιζητεῖν. [9] νῆσοι δ' εὐδαίμονες πλησίον ὑπάρχουσιν, ἔχουσαι πόλεις ἀτειχίστους, ἐν αἷς τὰ βοσκήματα πάντα λευκὴν ἔχει τὴν χροάν, καὶ τοῖς θήλεσιν αὐτῶν οὐκ ἐπιφύεται τὸ καθόλου κέρας. εἰς ταύτας δ' ἔμποροι πάντοθεν καταπλέουσι, μάλιστα δ' ἐκ Ποτάνας, ἥν Ἀλέξανδρος ὤκισε παρὰ τὸν Ἰνδὸν ποταμόν, ναύσταθμον ἔχειν βουλόμενος τῆς παρὰ τὸν ὠκεανὸν παραλίου. περὶ μὲν οὖν τῆς χώρας καὶ τῶν ἐν αὐτῇ κατοικούντων ἀρκεσθησόμεθα τοῖς εἰρημένοις.

περὶ δὲ τῶν κατὰ τὸν οὐρανὸν ὀρωμένων παραδόξων ἐν τοῖς τόποις οὐ παραλείπτειν. θαυμασιώτατον μὲν ἐστὶ τὸ περὶ τὴν ἄρκτον ἱστορούμενον καὶ πλείστην ἀπορίαν παρεχόμενον τοῖς πλοῖζομένοις· ἀπὸ γὰρ μηνὸς ὃν

καλοῦσιν Ἀθηναῖοι μαιμακτηριῶνα τῶν ἐπὶ τῶν κατὰ τὴν ἄρκτον ἀστέρων οὐδένα φασὶν ὁρᾶσθαι μέχρι τῆς πρώτης φυλακῆς, τῷ δὲ ποσειδεῶνι μέχρι δευτέρας, καὶ κατὰ τοὺς ἐξῆς ἐκ τοῦ κατ' ὀλίγον πλοῖζομένοις ἀθεωρήτους ὑπάρχειν. [2] τῶν δ' ἄλλων τοὺς ὀνομαζομένους πλάνητας τοὺς μὲν μείζονας τῶν παρ' ἡμῖν, ἐτέρους δὲ μηδὲ τὰς ὁμοίας ἀνατολὰς καὶ δύσεις ποιεῖσθαι: τὸν δ' ἥλιον οὐχ ὥσπερ παρ' ἡμῖν βραχὺ πρὸ τῆς ἰδίας ἀνατολῆς προαποστέλλειν τὸ φῶς, ἀλλ' ἔτι νυκτὸς οὔσης σκοταίου παραδόξως ἄφνω φανέντα ἐκλάμπειν. [3] διὸ καὶ μηδέποθ' ἡμέραν μὲν ἐν ἐκείνοις τοῖς τόποις γίνεσθαι πρὶν ὁραθῆναι τὸν ἥλιον, ἐκ μέσου δὲ τοῦ πελάγους φασὶν ἀναφαινόμενον αὐτὸν ὁρᾶσθαι μὲν ἄνθρακι παραπλήσιον τῷ πυρῳδεστάτῳ, σπινθήρας δ' ἅφ' ἑαυτοῦ μεγάλους ἀπορρίπτειν, καὶ τῷ τύπῳ μὴ κωνοειδῇ φαίνεσθαι, καθάπερ ἡμεῖς δοξάζομεν, ἀλλὰ κίονι τὸν τύπον ἔχειν ἐμφερῆ, μικρὸν ἐμβριθεστέραν ἔχοντι τὴν ἀπὸ τῆς κεφαλῆς ἐπιφάνειαν, πρὸς δὲ τούτοις μήτ' αὐγὴν ποιεῖν μήτ' ἀκτῖνας βάλλειν ἄχρι πρώτης ὥρας, φαινομένου πυρὸς ἀλαμποῦς ἐν σκότει: δευτέρας δ' ἀρχομένης ἀσπιδοειδῇ γίνεσθαι καὶ τὸ φῶς βάλλειν ἀπότομον καὶ πυρῳδες καθ' ὑπερβολήν. [4] κατὰ δὲ τὴν δύσιν ἐναντία γίνεσθαι συμπτώματα περὶ αὐτόν: δοκεῖν γὰρ τοῖς ὁρῶσι καιναῖς ἀκτῖσι φωτίζειν τὸν κόσμον οὐκ ἔλαττον ὥρων δυοῖν, ὥς δ' Ἀγαθαρχίδης ὁ Κνίδιος ἀνέγραψε, τριῶν. τοῦτον δὲ τὸν καιρὸν ἥδιστον τοῖς ἐγχωρίοις φαίνεσθαι, ταπεινουμένου τοῦ καύματος διὰ τὴν δύσιν τοῦ ἡλίου. [5] τῶν δ' ἀνέμων ξέφυροι μὲν καὶ λίβες, ἔτι δ' ἀργέσται καὶ εὖροι, πνέουσι καθάπερ καὶ παρὰ τοῖς ἄλλοις: νότοι δὲ κατὰ μὲν Αἰθιοπίαν οὔτε πνέουσιν οὔτε γνωρίζονται τὸ σύνολον, κατὰ δὲ τὴν Τρωγλοδυτικὴν καὶ τὴν Ἀραβίαν θερμοὶ γίνονται καθ' ὑπερβολήν, ὥστε καὶ τὰς ὕλας ἐκπυροῦν καὶ τῶν καταφευγόντων εἰς τὰς ἐν ταῖς καλύβαις σκιὰς ἐκλύειν τὰ σώματα. ὁ δὲ βορέας δικαίως ἂν ἄριστος νομίζοιτο, δικνουόμενος εἰς πάντα τόπον τῆς οἰκουμένης καὶ διαμένων ψυχρός.

τούτων δ' ἡμῖν διευκρινημένων οἰκεῖον ἂν εἴη διελθεῖν περὶ τῶν Λιβύων τῶν πλησίον Αἰγύπτου κατοικούντων καὶ τῆς ὁμόρου χώρας. τὰ γὰρ περὶ Κυρήνην καὶ τὰς Σύρτεις, ἔτι δὲ τὴν μεσόγειον τῆς κατὰ τοὺς τόπους τούτους χέρσου, κατοικεῖ τέτταρα γένη Λιβύων: ὧν οἱ μὲν ὀνομαζόμενοι Νασαμῶνες νέμονται τὰ νεύοντα μέρη πρὸς νότον, οἱ δ' Αὐσχῖσαι τὰ πρὸς τὴν δύσιν, οἱ δὲ Μαρμαρίδαι κατοικοῦσι τὴν μεταξὺ ταινίαν Αἰγύπτου καὶ Κυρήνης, μετέχοντες καὶ τῆς παραλίου, οἱ δὲ Μάκαι πολυανθρωπία τῶν ὁμοεθνῶν προέχοντες νέμονται τοὺς τόπους τοὺς περὶ τὴν Σύρτιν. [2] τῶν δὲ προειρημένων Λιβύων γεωργοὶ μὲν εἰσιν οἷς ὑπάρχει χώρα δυναμένη καρπὸν φέρειν δαψιλῇ, νομάδες δ' ὅσοι τῶν κτηνῶν τὴν ἐπιμέλειαν ποιούμενοι τὰς τροφὰς ἔχουσιν ἀπὸ τούτων: ἀμφοτέρω δὲ τὰ γένη ταῦτα βασιλέας ἔχει καὶ βίον οὐ παντελῶς ἄγριον οὐδ' ἀνθρωπίνης ἡμερότητος ἐξηλλαγμένον. τὸ δὲ τρίτον γένος οὔτε βασιλέως ὑπακοῦον οὔτε τοῦ δικαίου λόγον οὐδ' ἔννοιαν ἔχον ἀεὶ ληστευεῖ, ἀπροσδοκῆτως δὲ τὰς ἐμβολὰς ἐκ τῆς ἐρήμου ποιούμενον ἀρπάζει τὰ παρατυχόντα, καὶ ταχέως ἀνακάμπτει πρὸς τὸν αὐτὸν τόπον. [3] πάντες δ' οἱ Λίβυες οὗτοι θηριώδη βίον ἔχουσιν, ὑπαίθριοι διαμένοντες καὶ τὸ τῶν ἐπιτηδευμάτων ἄγριον ἐξηλωκότες: οὔτε γὰρ ἡμέρου διαίτης οὔτ'

ἐσθῆτος μετέχουσιν, ἀλλὰ δοραῖς αἰγῶν σκεπάζουσιν τὰ σώματα. τοῖς δὲ δυνάσταις αὐτῶν πόλεις μὲν τὸ σύνολον οὐχ ὑπάρχουσι, πύργοι δὲ πλησίον τῶν ὑδάτων, εἰς οὓς ἀποτίθενται τὰ πλεονάζοντα τῆς ὠφελείας. τοὺς δ' ὑποτεταγμένους λαοὺς κατ' ἐνιαυτὸν ἐξορκίζουσι πειθαρχήσιν: καὶ τῶν μὲν ὑπακουσάντων ὡς συμμάχων φροντίζουσι, τῶν δὲ μὴ προσεχόντων θάνατον καταγνόντες ὡς λησταῖς πολεμοῦσιν. [4] ὁ δ' ὀπλισμὸς αὐτῶν ἐστὶν οἰκεῖος τῆς τε χώρας καὶ τῶν ἐπιτηδευμάτων: κοῦφοι γὰρ ὄντες τοῖς σώμασι καὶ χώραν οἰκοῦντες κατὰ τὸ πλεῖστον πεδιάδα, πρὸς τοὺς κινδύνους ὁρμῶσι λόγχας ἔχοντες τρεῖς καὶ λίθους ἐν ἄγγεσι σκυτίνους: ξίφος δ' οὐ φοροῦσιν οὐδὲ κράνος οὐδ' ὄπλον οὐδὲν ἕτερον, στοχαζόμενοι τοῦ προτερεῖν ταῖς εὐκινήσιαις ἐν τοῖς διωγμοῖς καὶ πάλιν ἐν ταῖς ἀποχωρήσεσι. [5] διόπερ εὐθετοὶ πρὸς δρόμον εἰσὶ καὶ λιθοβολίαν, διαπεπονηκότες τῇ μελέτῃ καὶ τῇ συνηθείᾳ τὰ τῆς φύσεως προτερήματα. καθόλου δὲ πρὸς τοὺς ἀλλοφύλους οὔτε τὸ δίκαιον οὔτε τὴν πίστιν κατ' οὐδένα τρόπον διατηροῦσιν.

τῆς δὲ χώρας ἡ μὲν ὁμορος τῇ Κυρήνῃ γεώδης ἐστὶ καὶ πολλοὺς φέρουσα καρπούς: οὐ μόνον γὰρ ὑπάρχει σιτοφόρος, ἀλλὰ καὶ πολλὴν ἄμπελον, ἔτι δ' ἐλαίαν ἔχει καὶ τὴν ἀγρίαν ὕλην καὶ ποταμοὺς εὐχρηστίαν παρεχομένους: ἡ δ' ὑπὲρ τὸ νότιον μέρος ὑπερτείνουσα, καθ' ἣν τὸ νίτρον φύεσθαι συμβέβηκεν, ἄσπορος οὔσα καὶ σπανίζουσα ναματιαίων ὑδάτων, τὴν πρόσοψιν ἔχει πελάγει παρεμφερῆ: οὐδεμίαν δὲ παρεχομένη ποικιλίαν κατὰ τὴν ιδέαν ἐρήμῳ γῇ περιέχεται, τῆς ὑπερκειμένης ἐρήμου δυσέξιτον ἐχούσης τὸ πέρας. [2] διόπερ οὐδ' ὄρνεον ἰδεῖν ἐστίν, οὐ τετράπουν ἐν αὐτῇ ζῶον πλὴν δορκάδος καὶ βοός, οὐ μὴν οὔτε φυτὸν οὔτ' ἄλλο τῶν δυναμένων ψυχαγωγῆσαι τὴν ὄρασιν, ὡς ἂν τῆς εἰς μεσόγειον ἀνηκούσης γῆς ἐχούσης ἐπὶ τὸ μῆκος ἀθρόους θίνας. ἐφ' ὅσον δὲ σπανίζει τῶν πρὸς ἡμέρον βίον ἀνηκόντων, ἐπὶ τοσοῦτο πλήθει παντοίων ταῖς ιδέαις καὶ τοῖς μεγέθεσιν ὄψεων, μάλιστα δὲ τῶν τοιούτων οὓς προσαγορεύουσι κεράστας, οἱ τὰ μὲν δῆγματα θανατηφόρα ποιοῦνται, τὴν δὲ χροάν ἄμμφω παραπλησίαν ἔχουσι: [3] διόπερ ἐξωμοιωμένων αὐτῶν κατὰ τὴν πρόσοψιν τοῖς ὑποκειμένοις ἐδάφεσιν ὀλίγοι μὲν ἐπιγινώσκουσιν, οἱ πολλοὶ δ' ἀγνοοῦντες πατοῦσι καὶ κινδύνους περιπίπτουσιν ἀπροσδοκίτοις. λέγεται δὲ τούτους τὸ παλαιὸν ἐπελθόντας ποτὲ πολλὴν τῆς Αἰγύπτου ποιῆσαι τὴν ὑποκειμένην χώραν ἀοίκητον. [4] γίνεται δὲ τι θαυμάσιον περὶ τε ταύτην τὴν χώραν καὶ τὴν χέρσον καὶ τὴν ἐπέκεινα τῆς Σύρτεως Λιβύην. περὶ γάρ τινες καιροὺς καὶ μάλιστα κατὰ τὰς νηνεμίας συστάσεις ὀρῶνται κατὰ τὸν ἀέρα παντοίων ζῶων ιδέας ἐμφαίνουσαι: τούτων δ' αἱ μὲν ἡρεμοῦσιν, αἱ δὲ κίνησιν λαμβάνουσι, καὶ ποτὲ μὲν ὑποφεύγουσι, ποτὲ δὲ διώκουσι, πᾶσαι δὲ τὸ μέγεθος ἅπλατον ἔχουσαι θαυμαστὴν κατάπληξιν καὶ ταραχὴν παρασκευάζουσι τοῖς ἀπείροις. [5] αἱ γὰρ ἐπιδιώκουσαι τοὺς ἀνθρώπους ἐπειδὴν καταλάβωσι, περιχέονται τοῖς σώμασι ψυχραὶ καὶ παλμῶδεις, ὥστε τοὺς μὲν ξένους ἀσυνήθεις ὄντας διὰ τὸ δέος ἐκπεπλήχθαι, τοὺς δ' ἐγγωρίους πολλάκις συγκεκυρηκότες τοῖς τοιούτοις καταφρονεῖν τοῦ συμβαίνοντος.

παραδόξου δ' εἶναι δοκοῦντος τοῦ πράγματος καὶ μύθῳ πεπλασμένῳ παραπλησίου, πειρῶνται τινες τῶν φυσικῶν αἰτίας ἀποδιδόναι τοῦ γινομένου

τοιαύτας. [2] ἀνέμους φασὶ κατὰ τὴν χώραν τοὺς μὲν τὸ σύνολον μὴ πνεῖν, τοὺς δὲ παντελῶς εἶναι βληχρoὺς καὶ κωφοὺς: ὑπάρχειν δὲ καὶ περὶ τὸν ἀέρα πολλάκις ἡρεμίαν καὶ θαυμαστὴν ἀκινήσιαν διὰ τὸ μήτε νάπας μήτε συσκίους αὐλῶνας παρακεῖσθαι πλησίον μήτε λόφων ὑπάρχειν ἀναστήματα: ποταμῶν τε μεγάλων σπανίζειν τοὺς τόπους, καὶ καθόλου τὴν σύνεγγυς χώραν ἅπασαν ἄκαρπον οὖσαν μηδεμίαν ἔχειν ἀναθυμίασιν: ἐξ ὧν ἀπάντων εἰσθῆναι γεννᾶσθαι τινὰς ἀρχὰς καὶ συστάσεις πνευμάτων. [3] διόπερ συμπτνιοῦς περιστάσεως τὴν χέρσον ἐπεχούσης, ὅπερ ὀρώμεν ἐπὶ τῶν νεφῶν ἐνίοτε συμβαῖνον ἐν ταῖς νοτίαις ἡμέραις, τυπουμένων ἰδεῶν παντοδαπῶν, τοῦτο γίνεσθαι καὶ περὶ τὴν Λιβύην, πολλαχῶς μορφουμένου τοῦ συμπίπτοντος ἀέρος: ὃν ταῖς μὲν ἀσθενέσι καὶ βληχραῖς αὖραις ὀχεῖσθαι μετεωρίζομενον καὶ παλμοὺς ποιοῦντα καὶ συγκρούοντα συστήμασιν ἐτέροις ὁμοίοις, νηνεμίας δ' ἐπιλαμβανούσης καθίστασθαι πρὸς τὴν γῆν, βαρὺν ὄντα καὶ τετυπωμένον ὡς ἔτυχεν: ἔπειτα μηδενὸς ὄντος τοῦ συγχέοντος προσπελάζειν τοῖς αὐτομάτως περιτυγχάνουσι τῶν ζῶων. [4] τὰς δ' ἐφ' ἐκάτερα κινήσεις αὐτῶν φασὶ προαίρεσιν μὲν μηδεμίαν ἐμφαίνειν: ἐν ἀνύχῳ γὰρ ἀδύνατον ὑπάρχειν φυγὴν ἐκούσιον ἢ δίωξιν: τὰ μέντοι ζῷα λεληθότως αἰτία τῆς μεταρσίας κινήσεως γίνεσθαι: προσιόντων μὲν γὰρ αὐτῶν τὸν ὑποκείμενον ἀέρα μετὰ βίας ἀναστέλλειν, καὶ διὰ τοῦθ' ὑποχωρεῖν τὸ συνεστηκὸς εἶδωλον καὶ ποιεῖν τὴν ἔμφασιν ὑποφεύγοντος: τοῖς δ' ἀναχωροῦσι κατὰ τοῦναντίον ἐπακολουθεῖν, ἀντεστραμμένης τῆς αἰτίας, ὡς ἂν τοῦ κενοῦ καὶ τῆς ἀραιώσεως ἐπισπωμένης. [5] διόπερ εἰκέναι διώκοντι τοὺς ὑποχωροῦντας: ἔλκεσθαι γὰρ αὐτὸ καὶ προπίπτειν εἰς τὸ πρόσθεν ἄθρουν ὑπὸ τῆς πάλιν ρύμης: τοὺς δ' ὑποφεύγοντας, ὅταν ἐπιστραφῶσιν ἢ μένωσιν, εὐλόγως ὑπὸ τοῦ συνακολουθοῦντος εἰδώλου ψαύεσθαι τοῖς ὄγκοις: τοῦτο δὲ κατὰ τὴν πρὸς τὸ στερέμνιον πρόσπτωσιν περιθρῦβεσθαι, καὶ πανταχόθεν προσχεόμενον καταψύχειν τὰ σώματα τῶν περιτυγχανόντων.

τούτων δ' ἡμῖν διευκρινημένων οἰκεῖον ἂν εἴη τοῖς προειρημένοις τόποις διελθεῖν τὰ περὶ τὰς Ἀμαζόνας ἱστορούμενα τὰς γενομένας τὸ παλαιὸν κατὰ τὴν Λιβύην. οἱ πολλοὶ μὲν γὰρ ὑπειλήφασιν τὰς περὶ τὸν Θερμῶδοντα ποταμὸν ἐν τῷ Πόντῳ λεγομένας κατωκηκεῖν μόνας ὑπάρξαι: τὸ δ' ἀληθὲς οὐχ οὕτως ἔχει, διὰ τὸ πολὺ προτερεῖν τοῖς χρόνοις τὰς κατὰ Λιβύην καὶ πράξεις ἀξιολόγους ἐπιτελέσασθαι. [2] οὐκ ἄγνοοῦμεν δὲ διότι πολλοῖς τῶν ἀναγινωσκόντων ἀνήκοος φανεῖται καὶ ξένη παντελῶς ἢ περὶ τούτων ἱστορία: ἡφανισμένου γὰρ ὁλοσχερῶς τοῦ γένους τῶν Ἀμαζονίδων τούτων πολλαῖς γενεαῖς πρότερον τῶν Τρωικῶν, τῶν δὲ περὶ τὸν Θερμῶδοντα ποταμὸν γυναικῶν ἡκμακιῶν μικρὸν πρὸ τούτων τῶν χρόνων, οὐκ ἀλόγως αἰ μεταγενέστεραι καὶ μᾶλλον γνωρίζομεναι τὴν δόξαν κεκληρονομήκασιν τὴν τῶν παλαιῶν καὶ παντελῶς ἀγνοουμένων διὰ τὸν χρόνον ὑπὸ τῶν πλείστων. [3] οὐ μὴν ἄλλ' ἡμεῖς εὐρίσκοντες πολλοὺς μὲν τῶν ἀρχαίων ποιητῶν τε καὶ συγγραφέων, οὐκ ὀλίγους δὲ καὶ τῶν μεταγενεστέρων μνήμην πεποιημένους αὐτῶν, ἀναγράφειν τὰς πράξεις πειρασόμεθα ἐν κεφαλαίοις ἀκολουθῶς Διονυσίῳ τῷ συντεταγμένῳ τὰ περὶ τοὺς Ἀργοναύτας καὶ τὸν Διόνυσον καὶ ἕτερα πολλὰ τῶν ἐν τοῖς παλαιοτάτοις χρόνοιςπραχθέντων. [4] γέγονε μὲν οὖν

πλείω γένη γυναικῶν κατὰ τὴν Λιβύην μάχιμα καὶ τεθνασμασμένα μεγάλως ἐπ' ἀνδρεία: τὸ τε γὰρ τῶν Γοργόνων ἔθνος, ἐφ' ὃ λέγεται τὸν Περσέα στρατεῦσαι, παρειλήφामεν ἀλκῇ διαφέρον: τὸ γὰρ τὸν Διὸς μὲν υἱόν, τῶν δὲ καθ' ἑαυτὸν Ἑλλήνων ἄριστον, τελέσαι μέγιστον ἄθλον τὴν ἐπὶ ταύτας στρατείαν τεκμήριον ἂν τις λάβοι τῆς περὶ τὰς προειρημένas γυναικας ὑπεροχῆς τε καὶ δυνάμεως: ἥ τε τῶν νῦν μελλουσῶν ἱστορεῖσθαι ἀνδρεία παράδοξον ἔχει τὴν ὑπεροχὴν πρὸς τὰς καθ' ἡμᾶς φύσεις τῶν γυναικῶν συγκρινομένη.

φασὶ γὰρ ὑπάρχει τῆς Λιβύης ἐν τοῖς πρὸς ἐσπέραν μέρεσιν ἐπὶ τοῖς πέρασι τῆς οἰκουμένης ἔθνος γυναικοκρατούμενον καὶ βίον ἐξηλωκὸς οὐχ ὅμοιον τῷ παρ' ἡμῖν. ταῖς μὲν γὰρ γυναιξὶν ἔθος εἶναι διαπονεῖν τὰ κατὰ πόλεμον, καὶ χρόνους ὠρισμένους ὀφείλειν στρατεῦσθαι, διατηρουμένης τῆς παρθενίας: διελθόντων δὲ τῶν ἐτῶν τῶν τῆς στρατείας προσιέναι μὲν τοῖς ἀνδράσι παιδοποιίας ἔνεκα, τὰς δ' ἀρχὰς καὶ τὰ κοινὰ διοικεῖν ταύτας ἅπαντα. [2] τοὺς δ' ἀνδρας ὁμοίως ταῖς παρ' ἡμῖν γαμεταῖς τὸν κατοικίδιον ἔχειν βίον, ὑπηρετοῦντας τοῖς ὑπὸ τῶν συνοικουσῶν προσταττομένοις: μὴ μετέχειν δ' αὐτοὺς μήτε στρατείας μήτ' ἀρχῆς μήτ' ἄλλης τινὸς ἐν τοῖς κοινοῖς παρρησίας, ἐξ ἧς ἔμελλον φρονηματισθέντες ἐπιθήσεσθαι ταῖς γυναιξί. [3] κατὰ δὲ τὰς γενέσεις τῶν τέκνων τὰ μὲν βρέφη παραδίδοσθαι τοῖς ἀνδράσι, καὶ τούτους διατρέφειν αὐτὰ γάλακτι καὶ ἄλλοις τισὶν ἐψήμασιν οἰκείως ταῖς τῶν νηπίων ἡλικίαις: εἰ δὲ τύχοι θῆλυ γεννηθέν, ἐπικάεσθαι αὐτοῦ τοὺς μαστούς, ἵνα μὴ μετεωρίζωνται κατὰ τοὺς τῆς ἀκμῆς χρόνους: ἐμπόδιον γὰρ οὐ τὸ τυχὸν εἶναι δοκεῖν πρὸς τὰς στρατείας τοὺς ἐξέχοντας τοῦ σώματος μαστούς: διὸ καὶ τούτων αὐτὰς ἀπεστερημένας ὑπὸ τῶν Ἑλλήνων Ἀμαζόνας προσαγορευέσθαι. [4] μυθολογοῦσι δ' αὐτὰς ὥκηκεναι νῆσον τὴν ἀπὸ μὲν τοῦ πρὸς δυσμὰς ὑπάρχειν αὐτὴν Ἑσπέραν προσαγορευθεῖσαν, κειμένην δ' ἐν τῇ Τριτωνίδι λίμνῃ. ταύτην δὲ πλησίον ὑπάρχειν τοῦ περιέχοντος τὴν γῆν ὠκεανοῦ, προσηγορευθῆναι δ' ἀπὸ τινος ἐμβάλλοντος εἰς αὐτὴν ποταμοῦ Τρίτωνος: κεῖσθαι δὲ τὴν λίμνην ταύτην πλησίον Αἰθιοπίας καὶ τοῦ παρὰ τὸν ὠκεανὸν ὄρους, ὃ μέγιστον μὲν ὑπάρχειν τῶν ἐν τοῖς τόποις καὶ προπεπτωκὸς εἰς τὸν ὠκεανόν, ὀνομάζεσθαι δ' ὑπὸ τῶν Ἑλλήνων Ἀτλαντα. [5] τὴν δὲ προειρημένην νῆσον ὑπάρχειν μὲν εὐμεγέθη καὶ πλήρη καρπίμων δένδρων παντοδαπῶν, ἀφ' ὧν πορίζεσθαι τὰς τροφὰς τοὺς ἐγχωρίους. ἔχειν δ' αὐτὴν καὶ κτηνῶν πλῆθος, αἰγῶν καὶ προβάτων, ἐξ ὧν γάλα καὶ κρέα πρὸς διατροφήν ὑπάρχειν τοῖς κεκτημένοις σίτῳ δὲ τὸ σύνολον μὴ χρῆσθαι τὸ ἔθνος διὰ τὸ μήπω τοῦ καρποῦ τούτου τὴν χρεῖαν εὐρεθῆναι παρ' αὐτοῖς. [6] τὰς δ' οὖν Ἀμαζόνας ἀλκῇ διαφερούσας καὶ πρὸς πόλεμον ὥρμημένας τὸ μὲν πρῶτον τὰς ἐν τῇ νήσῳ. πόλεις καταστρέφεσθαι πλὴν τῆς ὀνομαζομένης Μήνης, ἱερᾶς δ' εἶναι νομιζομένης, ἣν κατοικεῖσθαι μὲν ὑπ' Αἰθιόπων Ἰχθυοφάγων, ἔχειν δὲ πυρὸς ἐκφυσήματα μεγάλα καὶ λίθων πολυτελῶν πλῆθος τῶν ὀνομαζομένων παρ' Ἑλλήσιν ἀνθράκων καὶ σαρδίων καὶ σμαράγδων, μετὰ δὲ ταῦτα πολλοὺς τῶν πλησιοχώρων Λιβύων καὶ νομάδων καταπολεμῆσαι, καὶ κτίσαι πόλιν μεγάλην ἐντὸς τῆς Τριτωνίδος λίμνης, ἣν ἀπὸ τοῦ σχήματος ὀνομάσαι Χερρόνησον.

ἐκ δὲ ταύτης ὁρμωμένας ἐγχειρῆσαι μεγάλαις ἐπιβολαῖς, ὁρμῆς αὐταῖς ἐμπεσοῦσης ἐπελθεῖν πολλὰ μέρη τῆς οἰκουμένης. ἐπὶ πρώτους δ' αὐτὰς στρατεῦσαι λέγεται τοὺς Ἀτλαντίους, ἄνδρας ἡμερωτάτους τῶν ἐν τοῖς τόποις ἐκείνοις καὶ χώραν νεμομένους εὐδαίμονα καὶ πόλεις μεγάλας· παρ' οἷς δὴ μυθολογεῖσθαι φασὶ τὴν τῶν θεῶν γένεσιν ὑπάρχει πρὸς τοῖς κατὰ τὸν ὠκεανὸν τόποις, συμφώνως τοῖς παρ' Ἑλλήσι μυθολόγοις, περὶ ὧν τὰ κατὰ μέρος μικρὸν ὕστερον διέξιμεν. [2] τῶν οὖν Ἀμαζόνων λέγεται βασιλεύουσιν Μύριναν συστήσασθαι στρατόπεδον πεζῶν μὲν τρισμυρίων, ἵππέων δὲ τρισχιλίων, ζηλουμένης παρ' αὐταῖς περιττότερον ἐν τοῖς πολέμοις τῆς ἀπὸ τῶν ἱππέων χρείας. [3] ὅπλοις δὲ χρῆσθαι σκεπαστηρίοις ὄψεων μεγάλων δοραῖς, ἐχούσης τῆς Λιβύης ταῦτα τὰ ζῶα τοῖς μεγέθεσιν ἄπιστα, ἀμυντηρίοις δὲ τοῖς ξίφεσι καὶ ταῖς λόγχαις, ἔτι δὲ τόξοις, οἷς μὴ μόνον ἐξ ἐναντίας βάλλειν, ἀλλὰ καὶ κατὰ τὰς φυγὰς τοὺς ἐπιδιώκοντας εἰς τοῦπίσω τοξεύειν εὐστόχως. [4] ἐμβαλούσας δ' αὐτὰς εἰς τὴν τῶν Ἀτλαντίων χώραν τοὺς μὲν τὴν Κέρνην καλουμένην οἰκοῦντας παρατάξει νικῆσαι, καὶ συνεισπεσοῦσας τοῖς φεύγουσιν ἐντὸς τῶν τειχῶν κυριεῦσαι τῆς πόλεως· βουλομένας δὲ τῷ φόβῳ καταπλήξασθαι τοὺς περιοίκους ὡμῶς προσενηχθῆναι τοῖς ἀλοῦσι, καὶ τοὺς μὲν ἄνδρας ἡβηδὸν ἀποσφάζει, τέκνα δὲ καὶ γυναῖκας ἐξανδραποδισαμένας κατασκάπτει τὴν πόλιν. [5] τῆς δὲ περὶ τοὺς Κερναίους συμφορᾶς διαδοθείσης εἰς τοὺς ὁμοεθνεῖς, λέγεται τοὺς μὲν Ἀτλαντίους καταπλαγέντας δι' ὁμολογίας παραδοῦναι τὰς πόλεις καὶ πᾶν τὸ προσταχθὲν ποιῆσαι ἐπαγγεῖλασθαι, τὴν δὲ βασίλισσαν Μύριναν ἐπεικῶς αὐτοῖς προσενηχθεῖσαν φιλίαν τε συνθέσθαι καὶ πόλιν ἀντὶ τῆς κατασκαφείσης ὁμώνυμον ἐαυτῆς κτίσαι· κατοικίσει δ' εἰς αὐτὴν τοὺς τε αἰχμαλώτους καὶ τῶν ἐγχωρίων τὸν βουλόμενον. [6] μετὰ δὲ ταῦτα τῶν Ἀτλαντίων δῶρά τε μεγαλοπρεπῆ δόντων αὐτῇ καὶ τιμὰς ἀξιολόγους κοινῇ ψηφισαμένων, ἀποδέξασθαι τε τὴν φιланθρωπίαν αὐτῶν καὶ προσεπαγγεῖλασθαι τὸ ἔθνος εὐεργετήσκειν. [7] τῶν δ' ἐγχωρίων πεπολεμημένων πολλάκις ὑπὸ τῶν ὀνομαζομένων Γοργόνων, οὐσῶν πλησιοχώρων, καὶ τὸ σύνολον ἔφεδρον ἐχόντων τοῦτο τὸ ἔθνος, φασὶν ἀξιοθεῖσαν τὴν Μύριναν ὑπὸ τῶν Ἀτλαντίων ἐμβαλεῖν εἰς τὴν χώραν τῶν προειρημένων. ἀντιταξαμένων δὲ τῶν Γοργόνων γενέσθαι καρτερὰν μάχην, καὶ τὰς Ἀμαζόνους ἐπὶ τοῦ προτερήματος γενομένας ἀνελεῖν μὲν τῶν ἀντιταχθεῖσῶν παμπληθεῖς, ζωγρῆσαι δ' οὐκ ἐλάττους τρισχιλίων· τῶν δ' ἄλλων εἰς τινα δρυμώδη τόπον συμφυγουσῶν ἐπιβαλέσθαι μὲν τὴν Μύριναν ἐμπρῆσαι τὴν ὕλην, σπεύδουσιν ἄρδην ἀνελεῖν τὸ ἔθνος, οὐ δυνηθεῖσαν δὲ κρατῆσαι τῆς ἐπιβολῆς ἐπανελθεῖν ἐπὶ τοὺς ὄρους τῆς χώρας.

τῶν δ' Ἀμαζόνων νυκτὸς τὰ περὶ τὰς φυλακὰς ῥαθυμουσῶν διὰ τὴν εὐημερίαν, ἐπιθεμένας τὰς αἰχμαλωτίδας, σπασαμένας τὰ ξίφη τῶν δοκουσῶν κεκρατηκέναι πολλὰς ἀνελεῖν· τέλος δὲ τοῦ πλήθους αὐτὰς πανταχόθεν περιχυθέντος εὐγενῶς μαχομένας ἀπάσας κατακοπῆναι. [2] τὴν δὲ Μύριναν θάψασαν τὰς ἀναιρεθείσας τῶν συστρατευουσῶν ἐν τρισὶ πυραῖς χωμάτων μεγάλων ἐπιστῆσαι τάφους τρεῖς, οὓς μέχρι τοῦ νῦν Ἀμαζόνων σωροὺς ὀνομάζεσθαι. [3] τὰς δὲ Γοργόνας ἐν τοῖς ὕστερον χρόνοις αὐξηθείσας πάλιν ὑπὸ Περσέως τοῦ Διὸς καταπολεμηθῆναι, καθ' ὃν καιρὸν ἐβασίλευεν αὐτῶν

Μέδουσα: τὸ δὲ τελευταῖον ὕφ' Ἡρακλέους ἄρδην ἀναιρεθῆναι ταύτας τε καὶ τὸ τῶν Ἀμαζόνων ἔθνος, καθ' ὃν καιρὸν τοὺς πρὸς ἐσπέραν τόπους ἐπελθὼν ἔθετο τὰς ἐπὶ τῆς Λιβύης στήλας, δεινὸν ἡγούμενος, εἰ προελόμενος τὸ γένος κοινῇ τῶν ἀνθρώπων εὐεργετῆν περιόψεται τινα τῶν ἐθνῶν γυναικοκρατούμενα. λέγεται δὲ καὶ τὴν Τριτωνίδα λίμνην σεισμῶν γενομένων ἀφανισθῆναι, ῥαγόντων αὐτῆς τῶν πρὸς τὸν ὠκεανὸν μερῶν κεκλιμένων. [4] τὴν δὲ Μύρινάν φασι τῆς τε Λιβύης τὴν πλείστην ἐπελθεῖν, καὶ παραβαλοῦσαν εἰς Αἴγυπτον πρὸς μὲν Ὡρον τὸν Ἰσιδος βασιλεύοντα τότε τῆς Αἰγύπτου φιλίαν συνθέσθαι, πρὸς δ' Ἄραβας διαπολεμήσασαν καὶ πολλοὺς αὐτῶν ἀνελοῦσαν, τὴν μὲν Συρίαν καταστρέψασθαι, τῶν δὲ Κιλικίων ἀπαντησάντων αὐτῇ μετὰ δῶρων καὶ τὸ κελευόμενον ποιῆσειν ὁμολογούντων, ἐλευθέρους ἀφεῖναι τοὺς ἐκουσίως προσχωρήσαντας, οὓς ἀπὸ ταύτης τῆς αἰτίας μέχρι τοῦ νῦν Ἐλευθεροκίλικας καλεῖσθαι. [5] καταπολεμῆσαι δ' αὐτὴν καὶ τὰ περὶ τὸν Ταῦρον ἔθνη, διάφορα ταῖς ἀλκαῖς ὄντα, καὶ διὰ Φρυγίας τῆς μεγάλης ἐπὶ θάλατταν καταβῆναι: ἐξῆς δὲ τὴν παραθαλάττιον χώραν προσαγαγομένην ὅρους θέσθαι τῆς στρατείας τὸν Κάικον ποταμόν. [6] τῆς δὲ δορικτήτου χώρας ἐκλεξαμένην τοὺς εὐθέτους τόπους εἰς πόλεων κτίσεις οἰκοδομῆσαι πλείους πόλεις, καὶ τούτων ὁμώνυμον μίαν ἐαυτῇ κτίσαι, τὰς δ' ἄλλας ἀπὸ τῶν τὰς ἡγεμονίας τὰς μεγίστας ἔχουσῶν, Κύμην, Πιτάναν, Πριήνην. [7] ταύτας μὲν οὖν οἰκίσαι παρὰ θάλατταν, ἄλλας δὲ πλείους ἐν τοῖς πρὸς μεσόγειον ἀνήκουσι τόποις. κατασχεῖν δ' αὐτὴν καὶ τῶν νήσων τινάς, καὶ μάλιστα τὴν Λέσβον, ἐν ἣ κτίσαι πόλιν Μυτιλήνην ὁμώνυμον τῇ μετεχούσῃ τῆς στρατείας ἀδελφῇ. [8] ἔπειτα καὶ τῶν ἄλλων νήσων τινὰς καταστρεφομένην χειμασθῆναι, καὶ ποιησαμένην τῇ μητρὶ τῶν θεῶν εὐχὰς ὑπὲρ τῆς σωτηρίας προσενεχθῆναι νήσῳ τινὶ τῶν ἐρήμων: ταύτην δὲ κατὰ τινα ἐν τοῖς ὀνείροις φαντασίαν καθιερῶσαι τῇ προειρημένη θεῷ καὶ βωμοὺς ιδρύσασθαι καὶ θυσίας μεγαλοπρεπεῖς ἐπιτελέσαι: ὀνομάσαι δ' αὐτὴν Σαμοθράκην, ὅπερ εἶναι μεθερμηνευόμενον εἰς τὴν Ἑλληνικὴν διάλεκτον ἱερὰν νήσον: ἔνιοι δὲ τῶν ἱστορικῶν λέγουσι τὸ πρὸ τοῦ Σάμον αὐτὴν καλουμένην ὑπὸ τῶν κατοικούντων ἐν αὐτῇ ποτε Θρακῶν Σαμοθράκην ὀνομασθῆναι. [9] οὐ μὴν ἀλλὰ τῶν Ἀμαζόνων ἐπανελθουσῶν εἰς τὴν ἡπειρον μυθολογοῦσι τὴν μητέρα τῶν θεῶν εὐαρεστηθεῖσαν τῇ νήσῳ ἄλλους τέ τινας ἐν αὐτῇ κατοικίσαι καὶ τοὺς ἐαυτῆς υἱοὺς τοὺς ὀνομαζομένους Κορύβαντας: ἐξ οὗ δ' εἰσὶ πατὴρ ἐν ἀπορρήτῳ κατὰ τὴν τελετὴν παραδίδοσθαι: καταδειξάι δὲ καὶ τὰ νῦν ἐν αὐτῇ συντελούμενα μυστήρια καὶ τὸ τέμενος ἄσυλον νομοθετῆσαι. [10] περὶ δὲ τούτους τοὺς χρόνους Μόψον τὸν Θρακᾶ, φυγάδα γενόμενον ὑπὸ Λυκούργου τοῦ βασιλέως τῶν Θρακῶν, ἐμβαλεῖν εἰς τὴν χώραν τῶν Ἀμαζόνων μετὰ στρατιᾶς τῆς συνεκπεσούσης αὐτῷ: συστρατεῦσαι δὲ καὶ Σίπυλον τῷ Μόψῳ τὸν Σκύθην, πεφυγαδευμένον ὁμοίως ἐκ τῆς ὁμόρου τῇ Θράκῃ Σκυθίας. [11] γενομένης δὲ παρατάξεως, καὶ τῶν περὶ τὸν Σίπυλον καὶ Μόψον προτερησάντων, τὴν τε βασιλίσσαν τῶν Ἀμαζόνων Μύριναν ἀναιρεθῆναι καὶ τῶν ἄλλων τὰς πλείους. τοῦ δὲ χρόνου προβαίνοντος, καὶ κατὰ τὰς μάχας αἰετῶν Θρακῶν ἐπικρατούντων, τὸ τελευταῖον τὰς περιλειφθείσας τῶν Ἀμαζόνων ἀνακάμψαι πάλιν εἰς Λιβύην.

καὶ τὴν μὲν στρατείαν τῶν ἀπὸ Λιβύης Ἀμαζόνων μυθολογοῦσι τοιοῦτο λαβεῖν τὸ πέρας.

ἡμεῖς δ' ἐπειδὴ περὶ τῶν Ἀτλαντίων ἐμνήσθημεν, οὐκ ἀνοίκειον ἡγούμεθα διελθεῖν τὰ μυθολογούμενα παρ' αὐτοῖς περὶ τῆς τῶν θεῶν γενέσεως, διὰ τὸ μὴ πολὺ διαλλάττειν αὐτὰ τῶν μυθολογούμενων παρ' Ἑλλήσιν. [2] οἱ τοίνυν Ἀτλάντιοι τοὺς παρὰ τὸν ὠκεανὸν τόπους κατοικοῦντες καὶ χώραν εὐδαίμονα νεμόμενοι πολλῷ μὲν εὐσεβείᾳ καὶ φιλανθρωπίᾳ τῇ πρὸς τοὺς ξένους δοκοῦσι διαφέρειν τῶν πλησιοχώρων, τὴν δὲ γένεσιν τῶν θεῶν παρ' αὐτοῖς γενέσθαι φασί. συμφωνεῖν δὲ τοῖς λεγομένοις ὑπ' αὐτῶν καὶ τὸν ἐπιφανέστατον τῶν παρ' Ἑλλήσι ποιητῶν ἐν οἷς παρεισάγει τὴν Ἥραν λέγουσαν εἰμι γὰρ ὀψομένη πολυφόρβου πείρατα γαίης, Ὤκεανόν τε θεῶν γένεσιν καὶ μητέρα Τηθύν. [3] μυθολογοῦσι δὲ πρῶτον παρ' αὐτοῖς Οὐρανὸν βασιλεῦσαι καὶ τοὺς ἀνθρώπους σποράδην οἰκοῦντας συναγαγεῖν εἰς πόλεως περίβολον, καὶ τῆς μὲν ἀνομίας καὶ τοῦ θηριώδους βίου παῦσαι τοὺς ὑπακούοντας, εὐρόντα τὰς τῶν ἡμέρων καρπῶν χρείας καὶ παραθέσεις καὶ τῶν ἄλλων τῶν χρησίμων οὐκ ὀλίγα: κατακτήσασθαι δ' αὐτὸν καὶ τῆς οἰκουμένης τὴν πλείστην, καὶ μάλιστα τοὺς πρὸς τὴν ἐσπέραν καὶ τὴν ἄρκτον τόπους. [4] τῶν δὲ ἄστρον γενόμενον ἐπιμελῆ παρατηρητὴν πολλὰ προλέγειν τῶν κατὰ τὸν κόσμον μελλόντων γίνεσθαι: εἰσηγήσασθαι δὲ τοῖς ὄχλοις τὸν μὲν ἐνιαυτὸν ἐνιαυτὸν ἀπὸ τῆς τοῦ ἡλίου κινήσεως, τοὺς δὲ μῆνας ἀπὸ τῆς σελήνης, καὶ τὰς κατ' ἔτος ἕκαστον ὥρας διδάξαι. [5] διὸ καὶ τοὺς πολλούς, ἀγνοοῦντας μὲν τὴν τῶν ἄστρον αἰώνιον τάξιν, θαυμάζοντας δὲ τὰ γινόμενα κατὰ τὰς προρρήσεις, ὑπολαβεῖν τὸν τούτων εἰσηγητὴν θείας μετέχειν φύσεως, μετὰ δὲ τὴν ἐξ ἀνθρώπων αὐτοῦ μετάστασιν διὰ τε τὰς εὐεργεσίας καὶ τὴν τῶν ἄστρον ἐπίγνωσιν ἀθανάτους τιμὰς ἀπονεῖμαι: μεταγαγεῖν δ' αὐτοῦ τὴν προσηγορίαν ἐπὶ τὸν κόσμον, ἅμα μὲν τῷ δοκεῖν οἰκειῶς ἐσχηκέναι πρὸς τὰς τῶν ἄστρον ἐπιτολάς τε καὶ δύσεις καὶ τᾶλλα τὰ γινόμενα περὶ τὸν κόσμον, ἅμα δὲ τῷ μεγέθει τῶν τιμῶν ὑπερβάλλειν τὰς εὐεργεσίας, καὶ πρὸς τὸν αἰῶνα βασιλεῖα τῶν ὅλων αὐτὸν ἀναγορεύσαντας.

οὐρανοῦ δὲ μυθολογοῦσι γενέσθαι παῖδας ἐκ πλείονων γυναικῶν πέντε πρὸς τοῖς τετταράκοντα, καὶ τούτων ὀκτωκαίδεκα λέγουσιν ὑπάρχειν ἐκ Τιταίας ὄνομα μὲν ἴδιον ἔχοντας ἐκάστους, κοινῇ δὲ πάντας ἀπὸ τῆς μητρὸς ὀνομαζομένους Τιτᾶνας. [2] τὴν δὲ Τιταίαν, σῶφρονα οὔσαν καὶ πολλῶν ἀγαθῶν αἰτίαν γενομένην τοῖς λαοῖς, ἀποθεωθῆναι μετὰ τὴν τελευτὴν ὑπὸ τῶν εὖ παθόντων Γῆν μετονομασθεῖσαν. γενέσθαι δ' αὐτῇ καὶ θυγατέρας, ὧν εἶναι δύο τὰς πρεσβυτάτας πολὺ τῶν ἄλλων ἐπιφανεστάτας, τὴν τε καλουμένην Βασίλειαν καὶ Ῥέαν τὴν ὑπ' ἐνίων Πανδώραν ὀνομασθεῖσαν. [3] τούτων δὲ τὴν μὲν Βασίλειαν, πρεσβυτάτην οὔσαν καὶ σωφροσύνη τε καὶ συνέσει πολὺ τῶν ἄλλων διαφέρουσαν, ἐκθρέψαι πάντας τοὺς ἀδελφοὺς κοινῇ μητρὸς εὐνοίαν παρεχομένην: διὸ καὶ μεγάλην μητέρα προσαγορευθῆναι: μετὰ δὲ τὴν τοῦ πατρὸς ἐξ ἀνθρώπων εἰς θεοὺς μετάστασιν, συγχωροῦντων τῶν ὄχλων καὶ τῶν ἀδελφῶν, διαδέξασθαι τὴν βασιλείαν παρθένον οὔσαν ἔτι καὶ διὰ τὴν ὑπερβολὴν τῆς σωφροσύνης οὐδενὶ συνοικῆσαι βουλευθεῖσαν. ὕστερον δὲ βουλομένην διαδόχους τῆς βασιλείας ἀπολιπεῖν υἱούς, Ὑπερίονι

συνοικῆσαι τῶν ἀδελφῶν ἐνί, πρὸς ὃν οἰκειότατα διέκειτο. [4] γενομένων δ' αὐτῇ δύο τέκνων, Ἥλιον καὶ Σελήνης, καὶ θαυμαζομένων ἐπὶ τε τῷ κάλλει καὶ τῇ σωφροσύνῃ, φασὶ τοὺς ἀδελφοὺς ταύτη μὲν ἐπ' εὐτεκνία φθονοῦντας, τὸν δ' Ὑπερίονα φοβηθέντας μήποτε τὴν βασιλείαν εἰς αὐτὸν περισπάσῃ, πρᾶξιν ἐπιτελέσασθαι παντελῶς ἀνόσιον: [5] συνωμοσίαν γὰρ ποιησαμένους τὸν μὲν Ὑπερίονα κατασφάζει, τὸν δ' Ἥλιον ὄντα παῖδα τὴν ἡλικίαν ἐμβαλόντας εἰς τὸν Ἡριδανὸν ποταμὸν ἀποπνίξαι: καταφανοὺς δὲ γενομένης τῆς ἀτυχίας, τὴν μὲν Σελήνην φιλάδελφον οὖσαν καθ' ὑπερβολὴν ἀπὸ τοῦ τέγους ἑαυτὴν ῥῖψαι, τὴν δὲ μητέρα ζητοῦσαν τὸ σῶμα παρὰ τὸν ποταμὸν σύγκοπον γενέσθαι, καὶ κατενεχθεῖσαν εἰς ὕπνον ἰδεῖν ὄψιν, καθ' ἣν ἔδοξεν ἐπιστάντα τὸν Ἥλιον παρακαλεῖν αὐτὴν μὴ θρηνεῖν τὸν τῶν τέκνων θάνατον: τοὺς μὲν γὰρ Τιτᾶνας τεύξεσθαι τῆς προσηκούσης τιμωρίας, ἑαυτὸν δὲ καὶ τὴν ἀδελφὴν εἰς ἀθανάτους φύσεις μετασχηματισθήσεσθαι θεία τινὶ προνοία: ὀνομασθήσεσθαι γὰρ ὑπὸ τῶν ἀνθρώπων ἥλιον μὲν τὸ πρότερον ἐν οὐρανῷ πῦρ ἱερὸν καλούμενον, σελήνην δὲ τὴν μῆνην προσαγορευομένην. [6] διεγερθεῖσαν δὲ καὶ τοῖς ὄχλοις τὸν τε ὄνειρον καὶ τὰ περὶ αὐτὴν ἀτυχήματα διελθοῦσαν ἀξιῶσαι τοῖς μὲν τετελευτηκόσιν ἀπονεῖμαι τιμὰς ἰσοθέους, τοῦ δ' αὐτῆς σώματος μηκέτι μηδένα θιγεῖν. [7] μετὰ δὲ ταῦτα ἐμμανῆ γενομένην καὶ τῶν τῆς θυγατρὸς παιγνίων τὰ δυνάμενα ψόφον ἐπιτελεῖν ἀρπάσασαν πλανᾶσθαι κατὰ τὴν χώραν, λελυμένην μὲν τὰς τρίχας, τῷ δὲ διὰ τῶν τυμπάνων καὶ κυμβάλων ψόφῳ ἐνθεάζουσιν, ὥστε καταπλήττεσθαι πλήττεσθαι τοὺς ὀρῶντας. [8] πάντων δὲ τὸ περὶ αὐτὴν πάθος ἐλεούντων, καὶ τινῶν ἀντεχομένων τοῦ σώματος, ἐπιγενέσθαι πλῆθος ὄμβρου καὶ συνεχεῖς κεραυνῶν πτώσεις: ἐνταῦθα δὲ τὴν μὲν Βασιλείαν ἀφανῆ γενέσθαι, τοὺς δ' ὄχλους θαυμάσαντας τὴν περιπέτειαν τὸν μὲν Ἥλιον καὶ τὴν Σελήνην τῇ προσηγορίᾳ καὶ ταῖς τιμαῖς μεταγαγεῖν ἐπὶ τὰ κατ' οὐρανὸν ἄστρα, τὴν δὲ μητέρα τούτων θεὸν τε νομίσαι καὶ βωμοὺς ἰδρύσασθαι, καὶ ταῖς διὰ τῶν τυμπάνων καὶ κυμβάλων ἐνεργείαις καὶ τοῖς ἄλλοις ἅπασιν ἀπομιμουμένους τὰ περὶ αὐτὴν συμβάντα θυσίας καὶ τὰς ἄλλας τιμὰς ἀπονεῖμαι.

παραδέδοται δὲ τῆς θεοῦ ταύτης καὶ κατὰ τὴν Φρυγίαν γένεσις. οἱ γὰρ ἐγχώριοι μυθολογοῦσι τὸ παλαιὸν γενέσθαι βασιλέα Φρυγίας καὶ Λυδίας Μήονα: γήμαντα δὲ Δινδύμην γεννῆσαι μὲν παιδίον θῆλυ, τρέφειν δ' αὐτὸ μὴ βουλούμενον εἰς ὄρος ἐκθεῖναι τὸ προσαγορευόμενον Κύβελον. ἐνταῦθα τῷ παιδίῳ κατὰ τινὰ θεῖαν πρόνοιαν τὰς τε παρδάλεις καὶ τινὰ τῶν ἄλλων τῶν ἀλκῇ διαφερόντων θηρίων παρέχεσθαι τὴν θηλὴν καὶ διατρέφειν, [2] γύναια δὲ τινὰ περὶ τὸν τόπον ποιμαίνοντα κατιδεῖν τὸ γινόμενον, καὶ θαυμάσαντα τὴν περιπέτειαν ἀνελέσθαι τὸ βρέφος, καὶ προσαγορεῦσαι Κυβέλην ἀπὸ τοῦ τόπου. αὐξομένην δὲ τὴν παῖδα τῷ τε κάλλει καὶ σωφροσύνῃ διενεγκεῖν, ἔτι δὲ συνέσει γενέσθαι θαυμαστήν: τὴν τε γὰρ πολυκάλαμον σύριγγα πρώτην ἐπινοῆσαι καὶ πρὸς τὰς παιδιάς καὶ χορείας εὐρεῖν κύμβαλα καὶ τύμπανα, πρὸς δὲ τούτοις καθαρμούς τῶν νοσοῦντων κτηνῶν τε καὶ νηπίων παίδων εἰσηγήσασθαι: [3] διὸ καὶ τῶν βρεφῶν ταῖς ἐπῳδαῖς σωζομένων καὶ τῶν πλείστων ὑπ' αὐτῆς ἐναγκαλιζομένων, διὰ τὴν εἰς ταῦτα σπουδὴν καὶ φιλοστοργίαν ὑπὸ πάντων αὐτὴν ὀρεῖαν μητέρα προσαγορευθῆναι.

συναναστρέφεσθαι δ' αὐτῇ καὶ φιλίαν ἔχειν ἐπὶ πλέον φασὶ Μαρσύαν τὸν Φρύγα, θαυμαζόμενον ἐπὶ συνέσει καὶ σωφροσύνῃ· καὶ τῆς μὲν συνέσεως τεκμήριον λαμβάνουσι τὸ μιμήσασθαι τοὺς φθόγγους τῆς πολυκαλάμου σύριγγος καὶ μετενεγκεῖν ἐπὶ τοὺς αὐλοὺς τὴν ὅλην ἁρμονίαν, τῆς δὲ σωφροσύνης σημεῖον εἶναί φασι τὸ μέχρι τῆς τελευτῆς ἀπείρατον γενέσθαι τῶν ἀφροδισίων. [4] τὴν οὖν Κυβέλην εἰς ἁκμὴν ἡλικίας ἐλθοῦσαν ἀγαπῆσαι τῶν ἐγχωρίων τινὰ νεανίσκον τὸν προσαγορευόμενον μὲν Ἄττιν, ὕστερον δ' ἐπικληθέντα Πάπαν· συνελθοῦσαν δ' εἰς ὁμιλίαν αὐτῷ λάθρα καὶ γενομένην ἔγκυον ἐπιγνωσθῆναι κατὰ τοῦτον τὸν καιρὸν ὑπὸ τῶν γονέων.

διόπερ ἀναχθείσης αὐτῆς εἰς τὰ βασίλεια, καὶ τοῦ πατρὸς τὸ μὲν πρῶτον ὡς παρθένον προσδεξαμένου, μετὰ δὲ ταῦτα γνόντος τὴν φθοράν, καὶ τὰς τε τροφούς καὶ τὸν Ἄττιν ἀνελόντος καὶ τὰ σώματα ἐκρίψαντος ἄταφα, φασὶ τὴν Κυβέλην διὰ τὴν πρὸς τὸ μειράκιον φιλοστοργίαν καὶ τὴν ἐπὶ ταῖς τροφοῖς λύπην ἐμμανῆ γενομένην εἰς τὴν χώραν ἐκηδησάσθαι. καὶ ταύτην μὲν ὀλολύζουσιν καὶ τυμπανίζουσιν μόνην ἐπιέναι πᾶσαν χώραν, λελυμένην τὰς τρίχας, τὸν δὲ Μαρσύαν ἐλεοῦντα τὸ πάθος ἐκουσίως αὐτῇ συνακολουθεῖν καὶ συμπλανᾶσθαι διὰ τὴν προϋπάρχουσαν φιλίαν. [2] παραγενομένους δ' αὐτοὺς πρὸς Διόνυσον εἰς τὴν Νῦσαν καταλαβεῖν τὸν Ἀπόλλω τυγχάνοντα μεγάλης ἀποδοχῆς διὰ τὴν κιθάραν, ἣν Ἑρμῆν εὑρεῖν φασιν, Ἀπόλλωνα δὲ πρῶτον αὐτῇ κατὰ τρόπον χρῆσθαι: ἐρίζοντος δὲ τοῦ Μαρσύου πρὸς τὸν Ἀπόλλω περὶ τῆς τέχνης, καὶ τῶν Νυσαίων ἀποδειχθέντων δικαστῶν, τὸν μὲν Ἀπόλλωνα πρῶτον κιθαρίσαι ψιλήν, τὸν δὲ Μαρσύαν ἐπιβαλόντα τοῖς αὐλοῖς καταπλήξαι τὰς ἀκοὰς τῷ ξενίζοντι, καὶ διὰ τὴν εὐμέλειαν δόξαι πολὺ προέχειν τοῦ προηγωνισμένου. [3] συντεθειμένων δ' αὐτῶν παρ' ἄλληλα τοῖς δικασταῖς ἐπιδείκνυσθαι τὴν τέχνην, τὸν μὲν Ἀπόλλωνά φασιν ἐπιβαλεῖν τὸ δεύτερον ἀρμόττουσαν τῷ μέλει τῆς κιθάρας ᾠδὴν, καθ' ἣν ὑπερβαλέσθαι τὴν προϋπάρξασαν τῶν αὐλῶν ἀποδοχήν: τὸν δὲ πρότερον ἀγανακτήσαντα διδάσκειν τοὺς ἀκροατὰς ὅτι παρὰ πᾶν τὸ δίκαιον αὐτὸς ἐλαττοῦται: δεῖν γὰρ γίνεσθαι τέχνης σύγκρισιν, οὐ φωνῆς, καθ' ἣν προσήκει τὴν ἀρμονίαν καὶ τὸ μέλος ἐξετάζεσθαι τῆς κιθάρας καὶ τῶν αὐλῶν: καὶ πρὸς τούτοις ἄδικον εἶναι δύο τέχνας ἅμα πρὸς μίαν συγκρίνεσθαι. τὸν δὲ Ἀπόλλω μυθολογοῦσιν εἰπεῖν ὡς οὐδὲν αὐτὸν πλεονεκτοῖν: [4] καὶ γὰρ τὸν Μαρσύαν τὸ παραπλήσιον αὐτῷ ποιεῖν, εἰς τοὺς αὐλοὺς ἐμψυσῶντα: δεῖν οὖν ἢ τὴν ἐξουσίαν ταύτην ἴσην ἀμφοτέροις δίδοσθαι τῆς κράσεως, ἢ μηδέτερον τῷ στόματι διαγωνιζόμενον διὰ μόνων τῶν χειρῶν ἐνδείκνυσθαι τὴν ἰδίαν τέχνην. [5] ἐπικρινάντων δὲ τῶν ἀκροατῶν τὸν Ἀπόλλω δικαιότερα λέγειν, συγκριθῆναι ἄλλαν τὰς τέχνας, καὶ τὸν μὲν Μαρσύαν λειψῆναι, τὸν δ' Ἀπόλλω διὰ τὴν ἔριν πικρότερον χρησάμενον ἐκδεῖραι ζῶντα τὸν ἡττηθέντα. ταχὺ δὲ μεταμεληθέντα καὶ βαρέως ἐπὶ τοῖς ὑπ' αὐτοῦ πραχθεῖσιν ἐνέγκαντα τῆς κιθάρας ἐκρῆξαι τὰς χορδὰς καὶ τὴν εὐρημένην ἀρμονίαν ἀφανίσει. [6] ταύτης δ' ὕστερον Μούσας μὲν ἀνευρεῖν τὴν μέσην, Λίνον δὲ τὴν λίχανον, Ὀρφέα δὲ καὶ Θαμύραν ὑπάτην καὶ παρυπάτην. τὸν δ' Ἀπόλλω φασὶν εἰς τὸ ἄντρον τοῦ Διονύσου τὴν τε κιθάραν καὶ τοὺς αὐλοὺς ἀναθέντα, καὶ τῆς Κυβέλης ἐρασθέντα, συμπλανηθῆναι ταύτῃ μέχρι τῶν Ὑπερβορέων. [7] κατὰ δὲ τὴν Φρυγίαν ἐμπεσοῦσης νόσου τοῖς ἀνθρώποις καὶ τῆς γῆς ἀκάρπου γενομένης, ἐπερωτησάντων τῶν ἀτυχούντων τὸν θεὸν περὶ τῆς τῶν κακῶν ἀπαλλαγῆς προστάξαι φασὶν αὐτοῖς θάψαι τὸ Ἄττιδος σῶμα καὶ τιμᾶν τὴν Κυβέλην ὡς θεόν. διόπερ τοὺς Φρύγας ἠφανισμένου τοῦ σώματος διὰ τὸν χρόνον εἰδῶλον κατασκευάσαι τοῦ μειρακίου, πρὸς ᾧ θρηνοῦντας ταῖς οἰκείαις τιμαῖς τοῦ πάθους ἐξιλάσκεσθαι τὴν τοῦ παρανομηθέντος μῆνιν: ὅπερ μέχρι τοῦ καθ' ἡμᾶς βίου ποιοῦντας αὐτοὺς διατελεῖν. [8] τῆς δὲ Κυβέλης τὸ παλαιὸν βωμοῦς ἰδρυσαμένους θυσίας ἐπιτελεῖν κατ' ἔτος: ὕστερον δ' ἐν Πισινούντι τῆς Φρυγίας κατασκευάσαι νεῶν πολυτελεῖ καὶ τιμὰς καὶ θυσίας καταδείξαι

μεγαλοπρεπεστάτας, Μίδου τοῦ βασιλέως εἰς ταῦτα συμφιλοκαλήσαντος· τῷ δ' ἀγάλαμι τῆς θεοῦ παραστῆσαι παρδάλεις καὶ λέοντας διὰ τὸ δοκεῖν ὑπὸ τούτων πρῶτον τραφῆναι. περὶ μὲν οὖν μητρὸς θεῶν τοιαῦτα μυθολογεῖται παρὰ τε τοῖς Φρυξὶ καὶ τοῖς Ἀτλαντίοις τοῖς παρὰ τὸν ὠκεανὸν οἰκοῦσιν.

μετὰ δὲ τὴν Ὑπερίονος τελευτὴν μυθολογοῦσι τοὺς υἱοὺς τοῦ Οὐρανοῦ διελέσθαι τὴν βασιλείαν, ὧν ὑπάρχειν ἐπιφανεστάτους Ἄτλαντα καὶ Κρόνον. τούτων δὲ τὸν μὲν Ἄτλαντα λαχεῖν τοὺς παρὰ τὸν ὠκεανὸν τόπους, καὶ τοὺς τε λαοὺς Ἀτλαντίους ὀνομάσαι καὶ τὸ μέγιστον τῶν κατὰ τὴν χώραν ὁρῶν ὁμοίως Ἄτλαντα προσαγορεῦσαι. [2] φασὶ δ' αὐτὸν τὰ περὶ τὴν ἀστρολογίαν ἐξακριβῶσαι. καὶ τὸν σφαιρικὸν λόγον εἰς ἀνθρώπους πρῶτον ἐξενεγεῖν· ἀφ' ἧς αἰτίας δόξαι τὸν σύμπαντα κόσμον ἐπὶ τῶν Ἄτλαντος ὥμων ὀχεῖσθαι, τοῦ μύθου τὴν τῆς σφαίρας εὗρεσιν καὶ καταγραφὴν αἰνιττομένου. γενέσθαι δ' αὐτῷ πλείους υἱούς, ὧν ἓνα διενεγκεῖν εὐσεβείᾳ καὶ τῇ πρὸς τοὺς ἀρχομένους δικαιοσύνῃ καὶ φιланθρωπία, τὸν προσαγορευόμενον Ἑσπερον. [3] τοῦτον δ' ἐπὶ τὴν κορυφὴν τοῦ Ἄτλαντος ὄρους ἀναβαίνοντα καὶ τὰς τῶν ἀστρῶν παρατηρήσεις ποιούμενον ἐξαίφνης ὑπὸ πνευμάτων συναρπαγέντα μεγάλων ἄφαντον γενέσθαι· διὰ δὲ τὴν ἀρετὴν αὐτοῦ τὸ πάθος τὰ πλήθη ἐλεήσαντα τιμὰς ἀθανάτους ἀπονεῖμαι καὶ τὸν ἐπιφανέστατον τῶν κατὰ τὸν οὐρανὸν ἀστέρων ὁμωνύμως ἐκείνῳ προσαγορεῦσαι. [4] ὑπάρξει δ' Ἄτλαντι καὶ θυγατέρας ἐπτά, τὰς κοινῶς μὲν ἀπὸ τοῦ πατρὸς καλουμένας Ἀτλαντίδας, ἰδίᾳ δ' ἐκάστην ὀνομαζομένην Μαῖαν, Ἥλέκτραν, Ταυγέτην, Στερόπην, Μερόπην, Ἀλκυόνην, καὶ τελευταίαν Κελαινῶ. ταύτας δὲ μιγεῖσας τοῖς ἐπιφανεστάτοις ἥρωσι καὶ θεοῖς ἀρχηγοὺς καταστῆναι τοῦ πλείστου γένους τῶν ἀνθρώπων, τεκούσας τοὺς δι' ἀρετὴν θεοὺς καὶ ἥρωας ὀνομασθέντας, οἷον τὴν πρεσβυτάτην Μαῖαν Διὶ μιγεῖσαν Ἑρμῇ τεκνῶσαι, πολλῶν εὐρετὴν γενόμενον τοῖς ἀνθρώποις· παραπλησίως δὲ καὶ τὰς ἄλλας Ἀτλαντίδας γεννῆσαι παῖδας ἐπιφανεῖς, ὧν τοὺς μὲν ἐθνῶν, τοὺς δὲ πόλεων γενέσθαι κτίστας. [5] διόπερ οὐ μόνον παρ' ἐνίοις τῶν βαρβάρων, ἀλλὰ καὶ παρὰ τοῖς Ἕλλησι τοὺς πλείστους τῶν ἀρχαιοτάτων ἡρώων εἰς ταύτας ἀναφέρειν τὸ γένος. ὑπάρξει δ' αὐτάς καὶ σῶφρονας διαφερόντως, καὶ μετὰ τὴν τελευτὴν τυχεῖν ἀθανάτου τιμῆς παρ' ἀνθρώποις καὶ καθιδρυθείσας ἐν τῷ κόσμῳ καὶ τῇ τῶν Πλειάδων προσηγορίᾳ περιληφθείσας. ἐκλήθησαν δὲ αἱ Ἀτλαντίδες καὶ νύμφαι διὰ τὸ τοὺς ἐγχωρίους κοινῇ τὰς γυναῖκας νύμφας προσαγορεύειν.

Κρόνον δὲ μυθολογοῦσιν, ἀδελφὸν μὲν Ἄτλαντος ὄντα, διαφέροντα δ' ἀσεβείᾳ καὶ πλεονεξίᾳ, γῆμαι τὴν ἀδελφὴν Ῥέαν, ἐξ ἧς γεννῆσαι Δία τὸν Ὀλύμπιον ὕστερον ἐπικληθέντα. γεγονέναι δὲ καὶ ἕτερον Δία, τὸν ἀδελφὸν μὲν Οὐρανοῦ, τῆς δὲ Κρήτης βασιλεύσαντα, τῇ δόξῃ πολὺ λειπόμενον τοῦ μεταγενεστέρου. [2] τοῦτον μὲν οὖν βασιλεῦσαι τοῦ σύμπαντος κόσμου, τὸν δὲ προγενέστερον, δυναστεύοντα τῆς προειρημένης νήσου, δέκα παῖδας γεννῆσαι τοὺς ὀνομασθέντας Κούρητας· προσαγορεῦσαι δὲ καὶ τὴν νῆσον ἀπὸ τῆς γυναικὸς Ἰδαίαν, ἐν ἣ καὶ τελευτήσαντα ταφῆναι, δεικνυμένου τοῦ τὴν ταφὴν δεξαμένου τόπου μέχρι τῶν καθ' ἡμᾶς χρόνων. [3] οὐ μὴν οἱ γε Κρήτες ὁμολογούμενα τούτοις μυθολογοῦσι, περὶ ὧν ἡμεῖς ἐν τοῖς περὶ Κρήτης τὰ κατὰ μέρος ἀναγράψομεν· δυναστεῦσαι δὲ φασὶ τὸν Κρόνον κατὰ

Σικελίαν καὶ Λιβύην, ἔτι δὲ τὴν Ἰταλίαν, καὶ τὸ σύνολον ἐν τοῖς πρὸς ἐσπέραν τόποις συστήσασθαι τὴν βασιλείαν: παρὰ πᾶσι δὲ φρουραῖς διακατέχειν τὰς ἀκροπόλεις καὶ τοὺς ὄχυρους τῶν τόπων τούτων: ἀφ' οὗ δὴ μέχρι τοῦ νῦν χρόνου κατὰ τε τὴν Σικελίαν καὶ τὰ πρὸς ἐσπέραν νεύοντα μέρη πολλοὺς τῶν ὑψηλῶν τόπων ἀπ' ἐκείνου Κρόνια προσαγορεύεσθαι. [4] Κρόνου δὲ γενόμενον υἱὸν Δία τὸν ἐναντίον τῷ πατρὶ βίον ζηλῶσαι, καὶ παρεχόμενον ἑαυτὸν πᾶσιν ἐπιεικῇ καὶ φιλόανθρωπον ὑπὸ τοῦ πλήθους πατέρα προσαγορευθῆναι. διαδέξασθαι δ' αὐτὸν φασὶ τὴν βασιλείαν οἱ μὲν ἔκουσίως τοῦ πατρὸς παραχωρήσαντος, οἱ δ' ὑπὸ τῶν ὄχλων αἰρεθέντα διὰ τὸ μῖσος τὸ πρὸς τὸν πατέρα: ἐπιστρατεύσαντος δ' ἐπ' αὐτὸν τοῦ Κρόνου μετὰ τῶν Τιτάνων κρατῆσαι τῇ μάχῃ τὸν Δία, καὶ κύριον γενόμενον τῶν ὅλων ἐπελθεῖν ἅπασαν τὴν οἰκουμένην, εὐεργετοῦντα τὸ γένος τῶν ἀνθρώπων. [5] διενεγκεῖν δ' αὐτὸν καὶ σώματος ῥώμῃ καὶ ταῖς ἄλλαις ἀπάσαις ἀρεταῖς, καὶ διὰ τοῦτο ταχὺ κύριον γενέσθαι τοῦ σύμπαντος κόσμου. καθόλου δ' αὐτὸν τὴν ἅπασαν σπουδὴν ἔχειν εἰς κόλασιν μὲν τῶν ἀσεβῶν καὶ πονηρῶν, εὐεργεσίαν δὲ τῶν ὄχλων. [6] ἀνθ' ὧν μετὰ τὴν ἐξ ἀνθρώπων μετástασιν ὀνομασθῆναι μὲν Ζῆνα διὰ τὸ δοκεῖν τοῦ καλῶς ζῆν αἴτιον γενέσθαι τοῖς ἀνθρώποις, καθιδρυθῆναι δ' ἐν τῷ κόσμῳ τῇ τῶν εὖ παθόντων τιμῇ, πάντων προθύμως ἀναγορευόντων θεὸν καὶ κύριον εἰς τὸν αἰῶνα τοῦ σύμπαντος κόσμου. τῶν μὲν οὖν παρὰ τοῖς Ἀτλαντίοις θεολογούμενων τὰ κεφάλαια ταῦτ' ἔστιν.

ἡμεῖς δ' ἐπεὶ προειρήκαμεν ἐν τοῖς Αἰγυπτιακοῖς περὶ τῆς τοῦ Διονύσου γενέσεως καὶ τῶν ὑπ' αὐτοῦπραχθέντων ἀκολούθως ταῖς ἐγχωρίοις ἱστορίαις, οἰκεῖον εἶναι διαλαμβάνομεν προσθεῖναι τὰ μυθολογούμενα περὶ τοῦ θεοῦ τούτου παρὰ τοῖς Ἑλλήσι. [2] τῶν δὲ παλαιῶν μυθογράφων καὶ ποιητῶν περὶ Διονύσου γεγραφότων ἀλλήλοις ἀσύμφωνα καὶ πολλοὺς καὶ τερατώδεις λόγους καταβεβλημένων, δυσχερές ἐστιν ὑπὲρ τῆς γενέσεως τοῦ θεοῦ τούτου καὶ τῶν πράξεων καθαρῶς εἰπεῖν. οἱ μὲν γὰρ ἓνα Διόνυσον, οἱ δὲ τρεῖς γεγονέναι παραδεδώκασιν, εἰσὶ δ' οἱ γένεσιν μὲν τούτου ἀνθρωπόμορφον μὴ γεγονέναι τὸ παράπαν ἀποφαινόμενοι, τὴν δὲ τοῦ οἴνου δόσιν Διόνυσον εἶναι νομίζοντες. [3] διόπερ ἡμεῖς τῶν παρ' ἐκάστοις λεγομένων τὰ κεφάλαια πειρασόμεθα συντόμως ἐπιδραμεῖν. οἱ τοίνυν φυσιολογοῦντες περὶ τοῦ θεοῦ τούτου καὶ τὸν ἀπὸ τῆς ἀμπέλου καρπὸν Διόνυσον ὀνομάζοντες φασὶ τὴν γῆν αὐτομάτως μετὰ τῶν ἄλλων φυτῶν ἐνεγκεῖν τὴν ἄμπελον, ἀλλ' οὐκ ἐξ ἀρχῆς ὑπὸ τινος εὐρετοῦ φυτευθῆναι. [4] τεκμήριον δ' εἶναι τούτου τὸ μέχρι τοῦ νῦν ἐν πολλοῖς τόποις ἀγρίας ἀμπέλους φύεσθαι, καὶ καρποφορεῖν αὐτὰς παραπλησίως ταῖς ὑπὸ τῆς ἀνθρωπίνης ἐμπειρίας χειρουργουμέναις. [5] διμήτορα δὲ τὸν Διόνυσον ὑπὸ τῶν παλαιῶν ὀνομάσθαι, μιᾶς μὲν καὶ πρώτης γενέσεως ἀριθμουμένης ὅταν τὸ φυτὸν εἰς τὴν γῆν τεθὲν λαμβάνῃ τὴν αὔξησιν, δευτέρας δ' ὅταν βρίθῃ καὶ τοὺς βότρυς πεπαίνει, ὥστε τὴν μὲν ἐκ γῆς, τὴν δ' ἐκ τῆς ἀμπέλου γένεσιν τοῦ θεοῦ νομίζεσθαι. [6] παραδεδοκότων δὲ τῶν μυθογράφων καὶ τρίτην γένεσιν, καθ' ἣν φασὶ τὸν θεὸν ἐκ Διὸς καὶ Δήμητρος τεκνωθέντα διασπασθῆναι μὲν ὑπὸ τῶν γηγενῶν καὶ καθεψηθῆναι, πάλιν δ' ὑπὸ τῆς Δήμητρος τῶν μελῶν συναρμοσθέντων ἐξ ἀρχῆς νέον γεννηθῆναι, εἰς φυσικὰς τινὰς αἰτίας μετάγουσι τοὺς τοιούτους λόγους. [7]

Διὸς μὲν γὰρ καὶ Δήμητρος αὐτὸν λέγεσθαι διὰ τὸ τὴν ἄμπελον ἐκ τε γῆς καὶ ὄμβρων λαμβάνουσιν τὴν αὔξιν καρποφορεῖν τὸν ἐκ τοῦ βότρυος ἀποθλιβόμενον οἶνον: τὸ δ' ὑπὸ τῶν γηγενῶν νέον ὄντα διασπασθῆναι δηλοῦν τὴν ὑπὸ τῶν γεωργῶν συγκομιδὴν τῶν καρπῶν, διὰ τὸ τοὺς ἀνθρώπους τὴν γῆν Δήμητραν νομίζειν: τὴν δὲ καθέψην τῶν μελῶν μεμυθοποιηθῆναι διὰ τὸ τοὺς πλείστους ἔψην τὸν οἶνον καὶ μίσγοντας εὐωδестέραν αὐτοῦ καὶ βελτίονα τὴν φύσιν κατασκευάζειν: τὸ δὲ τὰ ὑπὸ τῶν γηγενῶν λυμανθέντα τῶν μελῶν ἄρμωσθέντα πάλιν ἐπὶ τὴν προγεγενημένην φύσιν ἀποκαθίστασθαι παρεμφαίνειν ὅτι πάλιν ἡ γῆ τὴν τρυγηθεῖσαν ἄμπελον καὶ τμηθεῖσαν ταῖς κατ' ἔτος ὥραις εἰς τὴν προὑπάρξασαν ἐν τῷ καρποφορεῖν ἀκμὴν ἀποκαθίστησι. καθόλου γὰρ ὑπὸ τῶν ἀρχαίων ποιητῶν καὶ μυθογράφων τὴν Δήμητραν γῆν μητέρα προσαγορεύεσθαι. [8] σύμφωνα δὲ τούτοις εἶναι τὰ τε δηλούμενα διὰ τῶν Ὀρφικῶν ποιημάτων καὶ τὰ παρεισαγόμενα κατὰ τὰς τελετάς, περὶ ὧν οὐ θέμις τοῖς ἀμυήτοις ἱστορεῖν τὰ κατὰ μέρος. [9] ὁμοίως δὲ καὶ τὴν ἐκ Σεμέλης γένεσιν εἰς φυσικὰς ἀρχὰς ἀνάγουσιν, ἀποφαινόμενοι Θυώνην ὑπὸ τῶν ἀρχαίων τὴν γῆν ὠνομάσθαι, καὶ θεεῖσθαι τὴν προσηγορίαν καὶ Σεμέλην μὲν ἀπὸ τοῦ σεμνὴν εἶναι τῆς θεοῦ ταύτης τὴν ἐπιμέλειαν καὶ τιμὴν, Θυώνην δ' ἀπὸ τῶν θυομένων αὐτῇ θυσιῶν καὶ θυηλῶν. [10] δις δ' αὐτοῦ τὴν γένεσιν ἐκ Διὸς παραδεδοσθαι διὰ τὸ δοκεῖν μετὰ τῶν ἄλλων ἐν τῷ κατὰ τὸν Δευκαλίωνα κατακλυσμῷ φθαρῆναι καὶ τούτους τοὺς καρπούς, καὶ μετὰ τὴν ἐπομβρίαν πάλιν ἀναφύντων ὥσπερ δευτέραν ἐπιφάνειαν ταύτην ὑπάρξει τοῦ θεοῦ παρ' ἀνθρώποις, καθ' ἣν ἐκ τοῦ Διὸς μηροῦ γενέσθαι πάλιν τὸν θεὸν τοῦτον μεμυθοποιηθῆναι. οἱ μὲν οὖν τὴν χρεῖαν καὶ δύναμιν τοῦ κατὰ τὸν οἶνον εὐρήματος ἀποφαινόμενοι Διόνυσον ὑπάρχειν τοιαῦτα περὶ αὐτοῦ μυθολογοῦσι.

τῶν δὲ μυθογράφων οἱ σωματοειδῇ τὸν θεὸν παρεισάγοντες τὴν μὲν εὔρεσιν τῆς ἀμπέλου καὶ φυτεῖαν καὶ πᾶσαν τὴν περὶ τὸν οἶνον πραγματεῖαν συμφώνως αὐτῷ προσάπτουσι, περὶ δὲ τοῦ πλείους γεγονέναι Διονύσου ἀμφισβητοῦσιν. [2] ἔνιοι μὲν γὰρ ἓνα καὶ τὸν αὐτὸν ἀποφαίνονται γενέσθαι τὸν τε καταδείξαντα τὰ κατὰ τὰς οἰνοποιίας καὶ συγκομιδὰς τῶν ξυλίνων καλουμένων καρπῶν καὶ τὸν στρατευσάμενον ἐπὶ πᾶσαν τὴν οἰκουμένην, ἔτι δὲ τὸν τὰ μυστήρια καὶ τελετάς καὶ βακχείας εἰσηγησάμενον: ἔνιοι δέ, καθάπερ προεῖπον, τρεῖς ὑποστήσαντες γεγονέναι κατὰ διεστηκότας χρόνους, ἐκάστῳ προσάπτουσιν ἰδίας πράξεις: [3] καὶ φασὶ τὸν μὲν ἀρχαιότατον Ἴνδον γεγονέναι, καὶ τῆς χώρας αὐτομάτως διὰ τὴν εὐκρασίαν φερούσης πολλὴν ἄμπελον πρῶτον τοῦτον ἀποθλῖψαι βότρυας καὶ τὴν χρεῖαν τῆς περὶ τὸν οἶνον φύσεως ἐπινοῆσαι, ὁμοίως δὲ καὶ τῶν σύκων καὶ τῶν ἄλλων ἀκροδρύων τὴν καθήκουσαν ἐπιμέλειαν ποιήσασθαι, καὶ καθόλου τὰ πρὸς τὴν συγκομιδὴν καὶ παράθεσιν τούτων τῶν καρπῶν ἐπινοῆσαι. τὸν αὐτὸν δὲ καὶ καταπώγωνα λέγουσι γενέσθαι διὰ τὸ τοῖς Ἰνδοῖς νόμιμον εἶναι μέχρι τῆς τελευτῆς ἐπιμελῶς ὑποτρέφειν τοὺς πώγωνας. [4] τὸν δ' οὖν Διόνυσον ἐπελθόντα μετὰ στρατοπέδου πᾶσαν τὴν οἰκουμένην διδάξαι τὴν τε φυτεῖαν τῆς ἀμπέλου καὶ τὴν ἐν ταῖς ληνοῖς ἀπόθλιψιν τῶν βοτρύων: ἀφ' οὗ Ληναῖον αὐτὸν ὀνομασθῆναι. ὁμοίως δὲ καὶ τῶν ἄλλων εὐρημάτων

μεταδόντα πᾶσι τυχεῖν αὐτὸν μετὰ τὴν ἐξ ἀνθρώπων μετάστασιν ἀθανάτου τιμῆς παρὰ τοῖς εὖ παθοῦσιν. [5] δέικνυσθαι δὲ παρ' Ἰνδοῖς μέχρι τοῦ νῦν τόν τε τόπον ἐν ᾧ συνέβη γενέσθαι τὸν θεὸν καὶ προσηγορίας πόλεων ἀπ' αὐτοῦ κατὰ τὴν τῶν ἐγχωρίων διάλεκτον· καὶ πολλὰ ἕτερα διαμένειν ἀξιόλογα τεκμήρια τῆς παρ' Ἰνδοῖς γενέσεως, περὶ ὧν μακρὸν ἂν εἶη γράφειν.

δεύτερον δὲ μυθολογοῦσι γενέσθαι Διόνυσον ἐκ Διὸς καὶ Φερσεφόνης, ὡς δὲ τινες, ἐκ Δήμητρος. τοῦτον δὲ παρεισάγουσι πρῶτον βοῦς ὑπ' ἄροτρον ζευῖσαι, τὸ πρὸ τοῦ ταῖς χερσὶ τῶν ἀνθρώπων τὴν γῆν κατεργαζομένων. πολλὰ δὲ καὶ ἄλλα φιλοτέχνως ἐπινοῆσαι τῶν πρὸς τὴν γεωργίαν χρησίμων, δι' ὧν ἀπολυθῆναι τοὺς ὄχλους τῆς πολλῆς κακοπαθείας· [2] ἀνθ' ὧν τοὺς εὖ παθόντας ἀπονεῖμαι τιμὰς ἰσοθέους αὐτῷ καὶ θυσίας, προθύμως ἀπάντων ἀνθρώπων διὰ τὸ μέγεθος τῆς εὐεργεσίας ἀπονειμάντων τὴν ἀθανασίαν. παράσημον δ' αὐτῷ ποιῆσαι κέρατα τοὺς κατασκευάζοντας τὰς γραφὰς ἢ τοὺς ἀνδριάντας, ἅμα μὲν δηλοῦντας ἐτέραν Διονύσου φύσιν, ἅμα δὲ ἀπὸ τῆς περὶ τὸ ἄροτρον εὐρέσεως ἐμφαίνοντας τὸ μέγεθος τῆς ἐπινοηθείσης τοῖς γεωργοῖς εὐχρηστίας. [3] τρίτον δὲ γενέσθαι Διόνυσόν φασιν ἐν Θήβαις ταῖς Βοιωτίαις ἐκ Διὸς καὶ Σεμέλης τῆς Κάδμου. μυθολογοῦσι γὰρ ἐρασθέντα Δία μιγῆναι πλεονάκις αὐτῇ διὰ τὸ κάλλος, τὴν δ' Ἥραν ζηλοτυποῦσαν καὶ βουλομένην τιμωρίᾳ περιβαλεῖν τὴν ἄνθρωπον, ὁμοιωθῆναι μὲν τινι τῶν ἀποδοχῆς τυγχανουσῶν παρ' αὐτῇ γυναικῶν, παρακρούσασθαι δὲ τὴν Σεμέλῃν· [4] εἰπεῖν γὰρ πρὸς αὐτὴν ὅτι καθῆκον ἦν τὸν Δία μετὰ τῆς αὐτῆς ἐπιφανείας τε καὶ τιμῆς ποιεῖσθαι τὴν ὁμιλίαν ἥπερ χρᾶται κατὰ τὴν πρὸς τὴν Ἥραν συμπεριφοράν. διὸ καὶ τὸν μὲν Δία, τῆς Σεμέλης ἀξιούσης τυγχάνειν τῶν ἴσων Ἥρᾳ τιμῶν, παραγενέσθαι μετὰ βροντῶν καὶ κεραυνῶν, τὴν δὲ Σεμέλῃν οὐχ ὑπομείναςαν τὸ μέγεθος τῆς περιστάσεως τελευτῆσαι καὶ τὸ βρέφος ἐκτρῶσαι πρὸ τοῦ καθήκοντος χρόνου. [5] καὶ τοῦτο μὲν τὸν Δία ταχέως εἰς τὸν ἑαυτοῦ μηρὸν ἐγκρύψαι· μετὰ δὲ ταῦτα τοῦ κατὰ φύσιν τῆς γενέσεως χρόνου τὴν λελεῖαν αὖξῃσιν ποιήσαντος ἀπενεγκεῖν τὸ βρέφος εἰς Νῦσαν τῆς Ἀραβίας. [6] ἐνταῦθα δ' ὑπὸ νυμφῶν τραφέντα τὸν παῖδα προσαγορευθῆναι μὲν ἀπὸ τοῦ πατρὸς καὶ τοῦ τόπου Διόνυσον, γενόμενον δὲ τῷ κάλλει διάφορον τὸ μὲν πρῶτον ἐν χορείαις καὶ γυναικῶν θιάσοις καὶ παντοδαπῇ τρυφῇ καὶ παιδιᾷ διατελεῖν· μετὰ δὲ ταῦτα στρατόπεδον ἐκ τῶν γυναικῶν συναγαγόντα καὶ θύρσοις καθοπλίσαντα στρατείαν ἐπὶ πᾶσαν ποιήσασθαι τὴν οἰκουμένην. [7] καταδειῖξαι δὲ καὶ τὰ περὶ τὰς τελετὰς καὶ μεταδοῦναι τῶν μυστηρίων τοῖς εὐσεβέσι τῶν ἀνθρώπων καὶ δίκαιον βίον ἀσκούσι, πρὸς δὲ τούτοις πανταχοῦ πανηγύρεις ἄγειν καὶ μουσικοὺς ἀγῶνας συντελεῖν, καὶ τὸ σύνολον συλλύοντα τὰ νείκη τῶν ἐθνῶν καὶ πόλεων ἀντὶ τῶν στάσεων καὶ τῶν πολέμων ὁμόνοιαν καὶ πολλὴν εἰρήνην κατασκευάζειν.

διαβοηθείσης δὲ κατὰ πάντα τόπον τῆς τοῦ θεοῦ παρουσίας, καὶ διότι πᾶσιν ἐπικεικῶς προσφερόμενος πολλὰ συμβάλλεται πρὸς τὴν ἐξημέρωσιν τοῦ κοινοῦ βίου, πανδημεὶ συναντᾶν αὐτῷ καὶ προσδέχεσθαι μετὰ πολλῆς χαρᾶς. [2] ὀλίγων δ' ὄντων τῶν δι' ὑπερηφανίαν καὶ ἀσέβειαν καταφρονούντων καὶ φασκόντων τὰς μὲν βάκχας δι' ἄκρασίαν αὐτὸν περιάγεσθαι, τὰς δὲ τελετὰς καὶ τὰ μυστήρια φθορᾶς ἕνεκα τῶν ἄλλοτρίων γυναικῶν καταδεικνύειν,

κολάζεσθαι τοὺς τοιοῦτους ὑπ' αὐτοῦ παραχρῆμα. [3] ἐνίστε γὰρ τῇ τῆς θείας φύσεως ὑπεροχῇ χρώμενον τιμωρεῖσθαι τοὺς ἀσεβεῖς, ποτὲ μὲν αὐτοῖς ἐμβάλλοντα μανίαν, ποτὲ δὲ ταῖς τῶν γυναικῶν χερσὶ ζῶντας διαμελίζοντα: ἐνίστε δὲ καὶ διὰ τῆς στρατηγικῆς ἐπινοίας παραδόξως ἀναιρεῖν τοὺς ἐναντιοπραγούντας. ἀναδιδόναι γὰρ ταῖς βάκχαις ἀντὶ τῶν θύρσων λόγχας τῷ κιττῷ κεκαλυμμένας τὴν ἀκμὴν τοῦ σιδήρου: διὸ καὶ τῶν βασιλέων διὰ τὴν ἄγνοιαν καταφρονούντων ὡς ἂν γυναικῶν, καὶ διὰ τοῦτ' ἀπαρασκεύων ὄντων, ἀνελπίστως ἐπιτιθέμενον κατακοντίζειν. [4] τῶν δὲ κολασθέντων ὑπ' αὐτοῦ φασιν ἐπιφανεστάτους εἶναι Πενθέα μὲν παρὰ τοῖς Ἑλλήσι, Μύρρανον δὲ τὸν βασιλέα παρ' Ἰνδοῖς, Λυκοῦργον δὲ παρὰ τοῖς Θραξί. μυθολογοῦσι γὰρ τὸν Διόνυσον ἐκ τῆς Ἀσίας μέλλοντα τὴν δύναμιν διαβιβάζειν εἰς τὴν Εὐρώπην, συνθέσθαι φιλίαν πρὸς Λυκοῦργον τὸν Θράκης βασιλέα τῆς ἐφ' Ἑλλησπόντῳ: διαβιβάσαντος δὲ αὐτοῦ πρώτας τὰς βάκχας ὡς εἰς φιλίαν χώραν, τὸν μὲν Λυκοῦργον παραγγεῖλαι τοῖς στρατιώταις νυκτὸς ἐπιθέσθαι καὶ τὸν τε Διόνυσον καὶ τὰς μαινάδας πάσας ἀνελεῖν, τὸν δὲ Διόνυσον παρά τινος τῶν ἐγχωρίων, ὃς ἐκαλεῖτο Χάροψ, μαθόντα τὴν ἐπιβουλὴν καταπλαγῆναι διὰ τὸ τὴν δύναμιν ἐν τῷ πέραν εἶναι, παντελῶς δ' ὀλίγους αὐτῷ τῶν φίλων συνδιαβεβηκέναι. [5] διόπερ λάθρα τούτου διαπλεύσαντος πρὸς τὸ σφέτερον στρατόπεδον, τὸν μὲν Λυκοῦργόν φασιν ἐπιθέμενον ταῖς μαινάσιν ἐν τῷ καλουμένῳ Νυσίῳ πάσας ἀποκτείνει, τὸν δὲ Διόνυσον περαιώσαντα τὰς δυνάμεις μάχῃ κρατῆσαι τῶν Θρακῶν, καὶ τὸν Λυκοῦργον ζωγρήσαντα τυφλῶσαι τε καὶ πᾶσαν αἰκίαν εἰσενεγκάμενον ἀνασταυρῶσαι. [6] μετὰ δὲ ταῦτα τῷ μὲν Χάροπι χάριν ἀποδιδόντα τῆς εὐεργεσίας παραδοῦναι τὴν τῶν Θρακῶν βασιλείαν καὶ διδάξαι τὰ κατὰ τὰς τελετὰς ὄργια: Χάροπος δ' υἱὸν γενόμενον Οἶαγρον παραλαβεῖν τὴν τε βασιλείαν καὶ τὰς ἐν τοῖς μυστηρίοις παραδεδομένας τελετὰς, ἃς ὕστερον Ὀρφέα τὸν Οἰάγρου μαθόντα παρὰ τοῦ πατρός, καὶ φύσει καὶ παιδείᾳ τῶν ἀπάντων διενεγκόντα, πολλὰ μεταθεῖναι τῶν ἐν τοῖς ὀργίοις: διὸ καὶ τὰς ὑπὸ τοῦ Διονύσου γενομένας τελετὰς Ὀρφικὰς προσαγορευθῆναι. [7] τῶν δὲ ποιητῶν τινες, ὧν ἔστι καὶ Ἀντίμαχος, ἀποφαίνονται τὸν Λυκοῦργον οὐ Θράκης, ἀλλὰ τῆς Ἀραβίας γεγενῆσθαι βασιλέα, καὶ τῷ τε Διονύσῳ καὶ ταῖς βάκχαις τὴν ἐπίθεσιν ἐν τῇ κατὰ τὴν Ἀραβίαν Νύσῃ πεποιθῆσθαι. τὸν δ' οὖν Διόνυσόν φασι κολάσαντα μὲν τοὺς ἀσεβεῖς, ἐπεικῶς δὲ προσενεχθέντα τοῖς ἄλλοις ἀνθρώποις, ἐκ τῆς Ἰνδικῆς ἐπ' ἐλέφαντος τὴν εἰς Θήβας ἐπάνοδον ποιήσασθαι. [8] τριετοὺς δὲ διαγεγεννημένου τοῦ σύμπαντος χρόνου, φασὶ τοὺς Ἑλλήνας ἀπὸ ταύτης τῆς αἰτίας ἄγειν τὰς τριετηρίδας. μυθολογοῦσι δ' αὐτὸν καὶ λαφύρων ἡθροικότα πλῆθος ὡς ἂν ἀπὸ τηλικαύτης στρατείας, πρῶτον τῶν ἀπάντων καταγαγεῖν θρίαμβον εἰς τὴν πατρίδα.

αὗται μὲν οὖν αἱ γενέσεις συμφωνοῦνται μάλιστα παρὰ τοῖς παλαιοῖς: ἀμφισβητοῦσι δὲ καὶ πόλεις οὐκ ὀλίγαι Ἑλληνίδες τῆς τούτου τεκνώσεως: καὶ γὰρ Ἡλεῖοι καὶ Νάξιοι, πρὸς δὲ τούτοις οἱ τὰς Ἐλευθερὰς οἰκοῦντες καὶ Τήιοι καὶ πλείους ἕτεροι παρ' ἑαυτοῖς ἀποφαίνονται τεκνωθῆναι. [2] καὶ Τήιοι μὲν τεκμήριον φέρουσι τῆς παρ' αὐτοῖς γενέσεως τοῦ θεοῦ τὸ μέχρι τοῦ νῦν τεταγμένοις χρόνοις ἐν τῇ πόλει πηγὴν αὐτομάτως ἐκ τῆς γῆς οἴνου ρεῖν

εὐωδία διαφέροντος· τῶν δ' ἄλλων οἱ μὲν ἱερὰν Διονύσου δεικνύουσι τὴν χώραν, οἱ δὲ ναοὺς καὶ τεμένη διαφερόντως ἐκ παλαιῶν χρόνων αὐτῷ καθιδρυμένα. [3] καθόλου δ' ἐν πολλοῖς τόποις τῆς οἰκουμένης ἀπολελοιπότος τοῦ θεοῦ σημεῖα τῆς ἰδίας εὐεργεσίας ἅμα καὶ παρουσίας, οὐδὲν παράδοξον ἐκάστους νομίζειν οἰκειότητά τινα γεγονέναι τῷ Διονύσῳ πρὸς τὴν ἑαυτῶν πόλιν τε καὶ χώραν. μαρτυρεῖ δὲ τοῖς ὑφ' ἡμῶν λεγομένοις καὶ ὁ ποιητὴς ἐν τοῖς ὕμνοις, λέγων περὶ τῶν ἀμφισβητούντων τῆς τούτου γενέσεως καὶ ἅμα τεκνωθῆναι παρεισάγων αὐτὸν ἐν τῇ κατὰ τὴν Ἀραβίαν Νύση,

οἱ μὲν γὰρ Δρακάνῳ δ', οἱ δ' Ἰκάρῳ ἠνεμοέσση
φάσ', οἱ δ' ἐν Νάξῳ, δῖον γένος, εἶραφιῶτα,
οἱ δέ σ' ἐπ' Ἀλφειῷ ποταμῷ βαθυδινηέντι
κυσαμένην Σεμέλῃν τεκέειν Διὶ τερπικεραύνῳ,
ἄλλοι δ' ἐν Θήβῃσιν, ἄναξ, σε λέγουσι γενέσθαι,
ψευδόμενοι· σὲ δ' ἔτικτε πατὴρ ἀνδρῶν τε θεῶν τε
πολλὸν ἅπ' ἀνθρώπων κρύπτων λευκώλενον Ἥρην.
ἔστι δέ τις Νύση, ὕπατον ὄρος, ἀνθέον ὕλη,
τηλοῦ Φοινίκης, σχεδὸν Αἰγύπτῳ ρόαων.

[4] οὐκ ἄγνοῶ δ' ὅτι καὶ τῶν τὴν Λιβύην νεμομένων οἱ παρὰ τὸν ὠκεανὸν οἰκοῦντες ἀμφισβητοῦσι τῆς τοῦ θεοῦ γενέσεως, καὶ τὴν Νῦσαν καὶ τᾶλλα τὰ περὶ αὐτοῦ μυθολογούμενα παρ' ἑαυτοῖς δεικνύουσι γεγεννημένα, καὶ πολλὰ τεκμήρια τούτων μέχρι τοῦ καθ' ἡμᾶς βίου διαμένειν κατὰ τὴν χώραν φασί· πρὸς δὲ τούτοις ὅτι πολλοὶ τῶν παλαιῶν παρ' Ἑλλήσι μυθογράφων καὶ ποιητῶν συμφωνούμενα τούτοις ἱστοροῦσι καὶ τῶν μεταγενεστέρων συγγραφέων οὐκ ὀλίγοι. [5] διόπερ, ἵνα μηδὲν παραλείπωμεν τῶν ἱστορημένων περὶ Διονύσου, διέξιμεν ἐν κεφαλαίοις τὰ παρὰ τοῖς Λίβυσι λεγόμενα καὶ τῶν Ἑλληνικῶν συγγραφέων ὅσοι τούτοις σύμφωνα γεγράφασι καὶ Διονυσίῳ τῷ συνταξαμένῳ τὰς παλαιὰς μυθοποιίας. [6] οὗτος γὰρ τὰ τε περὶ τὸν Δίονυσον καὶ τὰς Ἀμαζόνας, ἔτι δὲ τοὺς Ἀργοναύτας καὶ τὰ κατὰ τὸν Ἰλιακὸν πόλεμον πραχθέντα καὶ πόλλ' ἕτερα συντέτακται, παρατιθεῖς τὰ ποιήματα τῶν ἀρχαίων, τῶν τε μυθολόγων καὶ τῶν ποιητῶν.

φησὶ τοίνυν παρ' Ἑλλήσι πρῶτον εὑρετὴν γενέσθαι Λίνον ῥυθμῶν καὶ μέλους, ἔτι δὲ Κάδμου κομίσαντος ἐκ Φοινίκης τὰ καλούμενα γράμματα πρῶτον εἰς τὴν Ἑλληνικὴν μεταθεῖναι διάλεκτον, καὶ τὰς προσηγορίας ἐκάστῳ τάξει καὶ τοὺς χαρακτῆρας διατυπῶσαι. κοινῇ μὲν οὖν τὰ γράμματα Φοινίκεια κληθῆναι διὰ τὸ παρὰ τοὺς Ἑλλήνας ἐκ Φοινίκων μετενεχθῆναι, ἰδίᾳ δὲ τῶν Πελασγῶν πρώτων χρησαμένων τοῖς μετατεθεῖσι χαρακτῆρσι Πελασγικά προσαγορευθῆναι. [2] τὸν δὲ Λίνον ἐπὶ ποιητικῇ καὶ μελωδίᾳ θαυμασθέντα μαθητὰς σχεῖν πολλοὺς, ἐπιφανεστάτους δὲ τρεῖς, Ἡρακλέα, Θαμύραν, Ὀρφέα. τούτων δὲ τὸν μὲν Ἡρακλέα κιθαρίζειν μανθάνοντα διὰ τὴν τῆς ψυχῆς βραδυτῆτα μὴ δύνασθαι δέξασθαι τὴν μάθησιν, ἔπειθ' ὑπὸ τοῦ Λίνου πληγαῖς ἐπιτιμηθέντα διοργισθῆναι καὶ τῇ κιθάρᾳ τὸν διδάσκαλον πατάξαντα ἀποκτείνειν, [3] Θαμύραν δὲ φύσει διαφόρῳ κεχορηγημένον ἐκπονῆσαι τὰ περὶ τὴν μουσικὴν, καὶ κατὰ τὴν ἐν τῷ μελωδεῖν ὑπεροχὴν φάσκειν ἑαυτὸν τῶν Μουσῶν ἐμμελέστερον ᾄδειν. διὸ καὶ τὰς θεὰς αὐτῷ

χολωθείσας τήν τε μουσικήν ἀφελέσθαι καὶ πηρῶσαι τὸν ἄνδρα, καθάπερ καὶ τὸν Ὅμηρον τούτοις προσμαρτυρεῖν λέγοντα

ἔνθα τε Μοῦσαι

ἀντόμεναι Θάμυριν τὸν Θρήικα παῦσαν ἀοιδῆς,

καὶ ἔτι

αἱ δὲ χολωσάμεναι πηρὸν θέσαν, αὐτὰρ ἀοιδὴν

θεσπεσίην ἀφέλοντο καὶ ἐκλέλαθον κιθαριστύν.

[4] περὶ δὲ Ὀρφῶς τοῦ τρίτου μαθητοῦ τὰ κατὰ μέρος ἀναγράφομεν, ὅταν τὰς πράξεις αὐτοῦ διεξίωμεν. τὸν δ' οὖν Λίνον φασὶ τοῖς Πελασγικοῖς γράμμασι συνταξάμενον τὰς τοῦ πρώτου Διονύσου πράξεις καὶ τὰς ἄλλας μυθολογίας ἀπολιπεῖν ἐν τοῖς ὑπομνήμασιν. [5] ὁμοίως δὲ τούτοις χρήσασθαι τοῖς Πελασγικοῖς γράμμασι τὸν Ὀρφέα καὶ Προναπίδην τὸν Ὀμήρου διδάσκαλον, εὐφυῆ γεγονότα μελοποιόν: πρὸς δὲ τούτοις Θυμοίτην τὸν Θυμοίτου τοῦ Λαομέδοντος, κατὰ τὴν ἡλικίαν γεγονότα τὴν Ὀρφῶς, πλανηθῆναι κατὰ πολλοὺς τόπους τῆς οἰκουμένης, καὶ παραβαλεῖν τῆς Λιβύης εἰς τὴν πρὸς ἐσπέραν χώραν ἕως ὠκεανοῦ: θεάσασθαι δὲ καὶ τὴν Νῦσαν, ἐν ἣ μυθολογοῦσιν οἱ ἐγγχώριοι ἀρχαῖοι τραφῆναι τὸν Διόνυσον, καὶ τὰς κατὰ μέρος τοῦ θεοῦ τούτου πράξεις μαθόντα παρὰ τῶν Νυσαέων συντάξασθαι τὴν Φρυγίαν ὀνομαζομένην ποίησιν, ἀρχαῖκοις τῇ τε διαλέκτῳ καὶ τοῖς γράμμασι χρησάμενον.

φῃσι δ' οὖν Ἄμμωνα βασιλεύοντα τοῦ μέρους τῆς Λιβύης Οὐρανοῦ γῆμαι θυγατέρα τὴν προσαγορευομένην Ῥέαν, ἀδελφὴν οὖσαν Κρόνου τε καὶ τῶν ἄλλων Τιτάνων. ἐπιόντα δὲ τὴν βασιλείαν εὑρεῖν πλησίον τῶν Κεραινίων καλουμένων ὀρῶν παρθένον τῷ κάλλει διαφέρουσαν Ἀμάλθειαν ὄνομα. [2] ἔρασθέντα δ' αὐτῆς καὶ πλησιάσαντα γεννῆσαι παῖδα τῷ τε κάλλει καὶ τῇ ῥώμῃ θαυμαστόν, καὶ τὴν μὲν Ἀμάλθειαν ἀποδειξάι κυρίαν τοῦ συνέγγυς τόπου παντός, ὄντος τῷ σχήματι παραπλησίου κέρατι βοός, ἀφ' ἧς αἰτίας Ἑσπέρου κέρας προσαγορευθῆναι: διὰ δὲ τὴν ἀρετὴν τῆς χώρας εἶναι πλήρη παντοδαπῆς ἀμπέλου καὶ τῶν ἄλλων δένδρων τῶν ἡμέρους φερόντων καρπῶν. [3] τῆς δὲ προειρημένης γυναικὸς τὴν δυναστείαν παραλαβούσης, ἀπὸ ταύτης τὴν χώραν Ἀμαλθείας κέρας ὀνομασθῆναι: διὸ καὶ τοὺς μεταγενεστέρους ἀνθρώπους διὰ τὴν προειρημένην αἰτίαν τὴν κρατίστην γῆν καὶ παντοδαποῖς καρποῖς πλήθουσιν ὥσάυτως Ἀμαλθείας κέρας προσαγορεύειν. [4] τὸν δ' οὖν Ἄμμωνα φοβούμενον τὴν τῆς Ῥέας ζηλοτυπίαν κρύψαι τὸ γεγονός, καὶ τὸν παῖδα λάθρᾳ μετενεγκεῖν εἰς τινὰ πόλιν Νῦσαν, μακρὰν ἀπ' ἐκείνων τῶν τόπων ἀπηρητημένην. [5] κεῖσθαι δὲ ταύτην ἐν τινὶ νήσῳ περιεχομένη μὲν ὑπὸ τοῦ Τρίτωνος ποταμοῦ, περικρήμνῳ δὲ καὶ καθ' ἓνα τόπον ἐχούσῃ στενὰς εἰσβολάς, ἃς ὀνομάσθαι πύλας Νυσίας. εἶναι δ' ἐν αὐτῇ χώραν εὐδαίμονα λειμῶσί τε μαλακοῖς διειλημμένην καὶ πηγαίοις ὕδασιν ἀρδευομένην δαφυλέσι, δένδρα τε καρποφόρα παντοῖα καὶ πολλὴν ἄμπελον αὐτοφυῆ, καὶ ταύτης τὴν πλείστην ἀναδενδράδα. [6] ὑπάρχειν δὲ καὶ πάντα τὸν τόπον εὐπνουν, ἔτι δὲ καθ' ὑπερβολὴν ὑγιεινόν: καὶ διὰ τοῦτο τοὺς ἐν αὐτῷ κατοικοῦντας μακροβιωτάτους ὑπάρχειν τῶν πλησιοχώρων. εἶναι δὲ τῆς νήσου τὴν μὲν πρώτην εἰσβολὴν αὐλώνοειδῇ, σύσκιον ὑψηλοῖς καὶ

πυκνοῖς δένδρεσιν, ὥστε τὸν ἥλιον μὴ παντάπασι διαλάμπειν διὰ τὴν συνάγκειαν, αὐγὴν δὲ μόνην ὀρᾶσθαι φωτός.

πάντη δὲ κατὰ τὰς παρόδους προχεῖσθαι πηγὰς ὑδάτων τῇ γλυκύτητι διαφορῶν, ὥστε τὸν τόπον εἶναι τοῖς βουλομένοις ἐνδιατρίψαι προσηνέστατον. ἐξῆς δ' ὑπάρχειν ἄντρον τῷ μὲν σχήματι κυκλοτερές, τῷ δὲ μεγέθει καὶ τῷ κάλλει θαυμαστόν. ὑπερκεῖσθαι γὰρ αὐτοῦ πανταχῇ κρημνὸν πρὸς ὕψος ἐξαίσιον, πέτρας ἔχοντα τοῖς χρώμασι διαφορούς· ἐναλλάξ γὰρ ἀποστίλβειν τὰς μὲν θαλαττία πορφύρα τὴν χροάν ἐχούσας παραπλήσιον, τὰς δὲ κυανῷ, τινὰς δ' ἄλλαις φύσεσι περιλαμπομέναις, ὥστε μὴδὲν εἶναι χρῶμα τῶν ἑωραμένων παρ' ἀνθρώποις περὶ τὸν τόπον ἀθεώρητον. [2] πρὸ δὲ τῆς εἰσόδου πεφυκέναι δένδρα θαυμαστά, τὰ μὲν κάρπιμα, τὰ δὲ ἀειθαλῆ, πρὸς αὐτὴν μόνον τὴν ἀπὸ τῆς θέας τέρψιν ὑπὸ τῆς φύσεως δεδημιουργημένα· ἐν δὲ τούτοις ἐννεοττεύειν ὄρνεα παντοδαπὰ ταῖς φύσεσιν, ἃ τὴν χροάν ἔχειν ἐπιτερπῆ καὶ τὴν μελωδίαν προσηνεστάτην. διὸ καὶ πάντα τὸν τόπον ὑπάρχειν μὴ μόνον θεοπρεπῆ κατὰ τὴν πρόσοψιν, ἀλλὰ καὶ κατὰ τὸν ἦχον, ὥς ἂν τῆς αὐτοδιδάκτου γλυκυφωνίας νικώσης τὴν ἐναρμόνιον τῆς τέχνης μελωδίαν. [3] διελθόντι δὲ τὴν εἴσοδον θεωρεῖσθαι μὲν ἄντρον ἀναπεπταμένον καὶ τῇ κατὰ τὸν ἥλιον αὐγῇ περιλαμπόμενον, ἄνθη δὲ παντοδαπὰ πεφυκότα, καὶ μάλιστα τὴν τε κασίαν καὶ ἄλλα τὰ δυνάμενα δι' ἐνιαυτῶν διαφυλάττειν τὴν εὐωδίαν· ὀρᾶσθαι δὲ καὶ νυμφῶν εὐνὰς ἐν αὐτῷ πλείους ἐξ ἀνθῶν παντοδαπῶν, οὐ χειροποιήτους, ἀλλ' ὑπ' αὐτῆς τῆς φύσεως ἀνείμενας θεοπρεπῶς. [4] κατὰ πάντα δὲ τὸν τῆς περιφερείας κύκλον οὐτ' ἄνθος οὔτε φύλλον πεπτωκὸς ὀρᾶσθαι. διὸ καὶ τοῖς θεωμένοις οὐ μόνον ἐπιτερπῆ φαίνεσθαι τὴν πρόσοψιν, ἀλλὰ καὶ τὴν εὐωδίαν προσηνεστάτην.

εἰς τοῦτο οὖν τὸ ἄντρον τὸν Ἄμμωνα παραγενόμενον παραθέσθαι τὸν παῖδα καὶ παραδοῦναι τρέφειν Νύση, μιᾷ τῶν Ἀρισταίου θυγατέρων· ἐπιστάτην δ' αὐτοῦ τάξει τὸν Ἀρισταῖον, ἄνδρα συνέσει καὶ σωφροσύνη καὶ πάσῃ παιδείᾳ διαφέροντα. [2] πρὸς δὲ τὰς ἀπὸ τῆς μητρυῖας Ῥέας ἐπιβουλάς φύλακα τοῦ παιδὸς καταστήσαι τὴν Ἀθηνᾶν, μικρὸν πρὸ τούτων τῶν χρόνων γηγενῇ φανεῖσαν ἐπὶ τοῦ Τρίτωνος ποταμοῦ, δι' ὃν Τριτωνίδα προσηγορεῦσθαι. [3] μυθολογοῦσι δὲ τὴν θεὸν ταύτην ἐλομένην τὸν πάντα χρόνον τὴν παρθενίαν σωφροσύνη τε διενεγκεῖν καὶ τὰς πλείστας τῶν τεχνῶν ἐξευρεῖν, ἀγχίνου οὔσαν καθ' ὑπερβολήν· ζηλῶσαι δὲ καὶ τὰ κατὰ τὸν πόλεμον, ἀλκῇ δὲ καὶ ῥώμῃ διαφέρουσαν ἄλλα τε πολλὰ πρᾶξαι μνήμης ἄξια καὶ τὴν Αἰγίδα προσαγορευομένην ἀνελεῖν, θηρίον τι καταπληκτικὸν καὶ παντελῶς δυσκαταγώνιστον· [4] γηγενὲς γὰρ ὑπάρχον καὶ φυσικῶς ἐκ τοῦ στόματος ἄπλατον ἐκβάλλον φλόγα τὸ μὲν πρῶτον φανῆναι περὶ τὴν Φρυγίαν, καὶ κατακαῦσαι τὴν χώραν, ἣν μέχρι τοῦ νῦν κατακεκαυμένην Φρυγίαν ὀνομάζεσθαι· ἔπειτ' ἐπελθεῖν τὰ περὶ τὸν Ταῦρον ὄρη συνεχῶς, καὶ κατακαῦσαι τοὺς ἐξῆς δρυμοὺς μέχρι τῆς Ἰνδικῆς. μετὰ δὲ ταῦτα πάλιν ἐπὶ θάλατταν τὴν ἐπάνοδον ποιησάμενον περὶ μὲν τὴν Φοινίκην ἐμπρῆσαι τοὺς κατὰ τὸν Λίβανον δρυμοὺς, καὶ δι' Αἰγύπτου πορευθὲν ἐπὶ τῆς Λιβύης διελθεῖν τοὺς περὶ τὴν ἐσπέραν τόπους, καὶ τὸ τελευταῖον εἰς τοὺς περὶ τὰ Κεραύνια δρυμοὺς ἐγκατασκῆσαι. [5] ἐπιφλεγομένης δὲ τῆς χώρας πάντη, καὶ

τῶν ἀνθρώπων τῶν μὲν ἀπολλυμένων, τῶν δὲ διὰ τὸν φόβον ἐκλείποντων τὰς πατρίδας καὶ μακρὰν ἐκτοπιζομένων, τὴν Ἀθηνᾶν φασὶ τὰ μὲν συνέσει τὰ δ' ἀλκῇ καὶ ῥώμῃ περιγενομένην ἀνελεῖν τὸ θηρίον, καὶ τὴν δορὰν αὐτοῦ περιπαμένην φορεῖν τῷ στήθει, ἅμα μὲν σκέπης ἔνεκα καὶ τῆς φυλακῆς τοῦ σώματος πρὸς τοὺς ὕστερον κινδύνους, ἅμα δ' ἀρετῆς ὑπόμνημα καὶ δικαίας δόξης. [6] τὴν δὲ μητέρα τοῦ θηρίου γῆν ὀργισθεῖσαν ἀνεῖναι τοὺς ὀνομαζομένους γίγαντας ἀντιπάλους τοῖς θεοῖς, οὓς ὕστερον ὑπὸ Διὸς ἀναιρεθῆναι, συναγωνιζομένης Ἀθηνᾶς καὶ Διονύσου μετὰ τῶν ἄλλων θεῶν. [7] οὐ μὴν ἀλλὰ τὸν Διόνυσον ἐν τῇ Νύσῃ τρεφόμενον καὶ μετέχοντα τῶν καλλίστων ἐπιτηδευμάτων μὴ μόνον γενέσθαι τῷ κάλλει καὶ τῇ ῥώμῃ διάφορον, ἀλλὰ καὶ φιλότεχνον καὶ πρὸς πᾶν τὸ χρήσιμον εὐρετικόν. [8] ἐπινοῆσαι γὰρ αὐτὸν ἔτι παῖδα τὴν ἡλικίαν ὄντα τοῦ μὲν οἴνου τὴν φύσιν τε καὶ χρεῖαν, ἀποθλίψαντα βότρυς τῆς αὐτοφουδῆς ἀμπέλου, τῶν δ' ὥραίων τὰ δυνάμενα μὲν ξηραίνεσθαι καὶ πρὸς ἀποθησαυρισμὸν ὄντα χρήσιμα, μετὰ δὲ ταῦτα καὶ τὰς ἐκάστων κατὰ τρόπον φυτείας εὐρεῖν, καὶ βουληθῆναι τῷ γένει τῶν ἀνθρώπων μεταδοῦναι τῶν ἰδίων εὐρημάτων, ἐλπίσαντα διὰ τὸ μέγεθος τῆς εὐεργεσίας ἀθανάτων τεύξεσθαι τιμῶν.

τῆς δὲ περὶ αὐτὸν ἀρετῆς τε καὶ δόξης διαδιδομένης, λέγεται τὴν Ῥέαν ὀργισθεῖσαν Ἄμμωνι φιλοτιμηθῆναι λαβεῖν ὑποχείριον τὸν Διόνυσον: οὐ δυναμένην δὲ κρατῆσαι τῆς ἐπιβολῆς τὸν μὲν Ἄμμωνα καταλιπεῖν, ἀπαλλαγείσαν δὲ πρὸς τοὺς ἀδελφούς Τιτᾶνας συνοικῆσαι Κρόνῳ τῷ ἀδελφῷ: [2] τοῦτον δ' ὑπὸ τῆς Ῥέας πεισθέντα στρατεῦσαι μετὰ τῶν Τιτάνων ἐπ' Ἄμμωνα, καὶ γενομένης παρατάξεως τὸν μὲν Κρόνον ἐπὶ τοῦ προτερήματος ὑπάρξει, τὸν δ' Ἄμμωνα σιτοδείᾳ πιεζόμενον φυγεῖν εἰς Κρήτην, καὶ γήμαντα τῶν τότε βασιλευόντων Κουρήτων ἐνὸς θυγατέρα Κρήτην δυναστεύσαι τε τῶν τόπων καὶ τὸ πρὸ τοῦ τὴν νῆσον Ἰδαίαν καλουμένην ἀπὸ τῆς γυναικὸς ὀνομάσαι Κρήτην. [3] τὸν δὲ Κρόνον μυθολογοῦσι κρατήσαντα τῶν Ἀμμωνίων τόπων τούτων μὲν ἄρχειν πικρῶς, ἐπὶ δὲ τὴν Νῦσαν καὶ τὸν Διόνυσον στρατεῦσαι μετὰ πολλῇ δυνάμει. τὸν δὲ Διόνυσον πυθόμενον τὰ τε τοῦ πατρὸς ἐλαττώματα καὶ τὴν τῶν Τιτάνων ἐπ' αὐτὸν συνδρομήν, ἀθροῖσαι στρατιώτας ἐκ τῆς Νύσης, ὧν εἶναι συντρόφους διακοσίους, διαφόρους τῇ τε ἀλκῇ καὶ τῇ πρὸς αὐτὸν εὐνοίᾳ: προσλαβέσθαι δὲ καὶ τῶν πλησιοχώρων τοὺς τε Λίβυας καὶ τὰς Ἀμαζόννας, περὶ ὧν προειρήκαμεν ὅτι δοκοῦσιν ἀλκῇ διενεγκεῖν, καὶ πρῶτον μὲν στρατείαν ὑπερόριον στείλασθαι, πολλὴν δὲ τῆς οἰκουμένης τοῖς ὅπλοις καταστρέψασθαι. [4] μάλιστα δ' αὐτάς φασὶ παρορμῆσαι πρὸς τὴν συμμαχίαν Ἀθηνᾶν διὰ τὸν ὅμοιον τῆς προαιρέσεως ζῆλον, ὥς ἂν τῶν Ἀμαζόνων ἀντεχομένων ἐπὶ πολὺ τῆς ἀνδρείας καὶ παρθενίας. διηρημένης δὲ τῆς δυνάμεως, καὶ τῶν μὲν ἀνδρῶν στρατηγούντος Διονύσου, τῶν δὲ γυναικῶν τὴν ἡγεμονίαν ἐχούσης Ἀθηνᾶς, προσπεσόντας μετὰ τῆς στρατιᾶς τοῖς Τιτᾶσι συνάψαι μάχην. γενομένης δὲ παρατάξεως ἰσχυρᾶς, καὶ πολλῶν παρ' ἀμφοτέροις πεσόντων, τρωθῆναι μὲν τὸν Κρόνον, ἐπικρατῆσαι δὲ τὸν Διόνυσον ἀριστεύσαντα κατὰ τὴν μάχην. [5] μετὰ δὲ ταῦτα τοὺς μὲν Τιτᾶνας φυγεῖν εἰς τοὺς κατακτηθέντας ὑπὸ τῶν περὶ τὸν Ἄμμωνα τόπους, τὸν δὲ Διόνυσον ἀθροίσαντα πλῆθος αἰχμαλώτων ἐπανελθεῖν εἰς τὴν

Νύσαν. ἐνταῦθα δὲ τὴν δύναμιν περιστήσαντα καθωπλισμένην τοῖς ἀλοῦσι κατηγορίαν ποιήσασθαι τῶν Τιτάνων, καὶ πᾶσαν ὑπόνοιαν καταλιπεῖν ὡς μέλλοντα κατακόπτειν τοὺς αἰχμαλώτους. ἀπολύσαντος δ' αὐτοῦς τῶν ἐγκλημάτων καὶ τὴν ἐξουσίαν δόντος εἴτε συστρατεύειν εἴτε ἀπιέναι βούλονται, πάντας ἐλέσθαι συστρατεύειν: διὰ δὲ τὸ παράδοξον τῆς σωτηρίας προσκυνεῖν αὐτοὺς ὡς θεόν. [6] τὸν δὲ Διόνυσον παράγοντα καθ' ἓνα τῶν αἰχμαλώτων καὶ διδόντα σπονδὴν οἴνου πάντας ἐξορκῶσαι συστρατεύσειν ἀδόλως καὶ μέχρι τελευτῆς βεβαίως διαγωνιεῖσθαι: διὸ καὶ τούτων πρώτων ὑποσπόνδων ὀνομασθέντων τοὺς μεταγενεστέρους ἀπομιμουμένους τὰ τότε πραχθέντα τὰς ἐν τοῖς πολέμοις διαλύσεις σπονδὰς προσαγορεύειν.

τοῦ δ' οὖν Διονύσου μέλλοντος στρατεύειν ἐπὶ τὸν Κρόνον καὶ τῆς δυνάμεως ἐκ τῆς Νύσης ἐξιούσης, μυθολογοῦσιν Ἀρισταῖον τὸν ἐπιστάτην αὐτοῦ θυσίαν τε παραστήσαι καὶ πρῶτον ἀνθρώπων ὡς θεῷ θῆσαι. συστρατεῦσαι δὲ φασὶ καὶ τῶν Νυσαίων τοὺς εὐγενεστάτους, οὓς ὀνομάζεσθαι Σειληνοὺς. [2] πρῶτον γὰρ τῶν ἀπάντων βασιλεῦσαί φασὶ τῆς Νύσης Σειληνόν, οὗ τὸ γένος ὅθεν ἦν ὑπὸ πάντων ἀγνοεῖσθαι διὰ τὴν ἀρχαιότητα. ἔχοντος δ' αὐτοῦ κατὰ τὴν ὁσφὺν οὐράν, διατελέσαι καὶ τοὺς ἐκγόνους τὸ παράσημον τοῦτο φοροῦντας διὰ τὴν τῆς φύσεως κοινωνίαν. τὸν δ' οὖν Διόνυσον ἀναζεύξαντα μετὰ τῆς δυνάμεως, καὶ διελθόντα πολλὴν μὲν ἄνυδρον χώραν, οὐκ ὀλίγην δ' ἔρημον καὶ θηριώδη, καταστρατοπεδεῦσαι περὶ πόλιν Λιβυκὴν τὴν ὀνομαζομένην Ζάβινναν. [3] πρὸς δὲ ταύτῃ γηγενὲς ὑπάρχον θηρίον καὶ πολλοὺς ἀναλίσκον τῶν ἐγχωρίων, τὴν ὀνομαζομένην Κάμπην, ἀνελεῖν καὶ μεγάλης τυχεῖν δόξης ἐπ' ἀνδρεία παρὰ τοῖς ἐγχωρίοις. ποιῆσαι δ' αὐτὸν καὶ χῶμα παμμέγεθες ἐπὶ τῷ φονευθέντι θηρίῳ, βουλόμενον ἀθάνατον ἀπολιπεῖν ὑπόμνημα τῆς ἰδίας ἀρετῆς, τὸ καὶ διαμεῖναν μέχρι τῶν νεωτέρων χρόνων. [4] ἔπειτα τὸν μὲν Διόνυσον προάγειν πρὸς τοὺς Τιτᾶνας, εὐτάκτως ποιούμενον τὰς ὁδοιπορίας καὶ πᾶσι τοῖς ἐγχωρίοις φιλανθρώπως προσφερόμενον καὶ τὸ σύνολον ἑαυτὸν ἀποφαίνόμενον στρατεύειν ἐπὶ κολάσει μὲν τῶν ἀσεβῶν, εὐεργεσίᾳ δὲ τοῦ κοινοῦ γένους τῶν ἀνθρώπων. τοὺς δὲ Λίβυας θαυμάζοντας τὴν εὐταξίαν καὶ τὸ τῆς ψυχῆς μεγαλοπρεπές, τροφάς τε παρέχεσθαι τοῖς ἀνθρώποις δαψιλεῖς καὶ συστρατεύειν προθυμότερα. [5] συνεγγιζούσης δὲ τῆς δυνάμεως τῇ πόλει τῶν Ἀμμωνίων, τὸν Κρόνον πρὸ τοῦ τείχους παρατάξει λειφθέντα τὴν μὲν πόλιν νυκτὸς ἐμπρῆσαι, σπεύδοντα εἰς τέλος καταφθεῖραι τοῦ Διονύσου τὰ πατρῷα βασίλεια, αὐτὸν δ' ἀναλαβόντα τὴν γυναικᾶ Ῥέαν καὶ τινες τῶν συνηγωνισμένων φίλων λαθεῖν ἐκ τῆς πόλεως διαδράντα. οὐ μὴν τὸν γε Διόνυσον ὁμοίαν ἔχειν τούτῳ προαίρεσιν: λαβόντα γὰρ τὸν τε Κρόνον καὶ τὴν Ῥέαν αἰχμαλώτους οὐ μόνον ἀφεῖναι τῶν ἐγκλημάτων διὰ τὴν συγγένειαν, ἀλλὰ καὶ παρακαλέσαι τὸν λοιπὸν χρόνον γονέων ἔχειν πρὸς αὐτὸν εὐνοίαν τε καὶ τάξιν καὶ συζῆν τιμωμένους ὑπ' αὐτοῦ μάλιστα πάντων. [6] τὴν μὲν οὖν Ῥέαν διατελέσαι πάντα τὸν βίον ὡς υἱὸν ἀγαπῶσαν, τὸν δὲ Κρόνον ὑπουργὸν ἔχειν τὴν εὐνοίαν. γενέσθαι δ' αὐτοῖς περὶ τούτους τοὺς χρόνους υἱόν, ὃν προσαγορευθῆναι Δία, τιμηθῆναι δὲ μεγάλως ὑπὸ τοῦ Διονύσου, καὶ δι' ἀρετὴν ἐν τοῖς ὕστερον χρόνοις γενέσθαι πάντων βασιλέα.

τῶν δὲ Λιβύων εἰρηκότων αὐτῷ πρὸς τῆς μάχης ὅτι καθ' ὃν καιρὸν ἐξέπεσεν ἐκ τῆς βασιλείας Ἄμμων, τοῖς ἐγχωρίοις προειρηκῶς εἴη τεταγμένοις χρόνοις ἥξιν υἱὸν αὐτοῦ Διόνυσον, καὶ τὴν τε πατρίαν ἀνακτήσεσθαι βασιλείαν καὶ πάσης τῆς οἰκουμένης κυριεύσαντα θεὸν νομισθήσεσθαι, ὑπολαβὼν ἀληθῆ γεγονέναι μάντιν τό τε χρηστήριον ἰδρύσατο τοῦ πατρὸς καὶ τὴν πόλιν οἰκοδομήσας τιμὰς ὥρισεν ὡς θεῷ καὶ τοὺς ἐπιμελησομένους τοῦ μαντείου κατέστησε. παραδεδοῖσθαι δὲ τὸν Ἄμμωνα ἔχειν κριοῦ κεφαλὴν τετυπωμένην, παράσημον ἐσχηκότος αὐτοῦ τὸ κράνος κατὰ τὰς στρατείας. [2] εἰσι δ' οἱ μυθολογοῦντες αὐτῷ πρὸς ἀλήθειαν γενέσθαι καθ' ἑκάτερον μέρος τῶν κροτάφων κεράτια: διὸ καὶ τὸν Διόνυσον, υἱὸν αὐτοῦ γεγονότα, τὴν ὁμοίαν ἔχειν πρόσωπον, καὶ τοῖς ἐπιγινόμενοις τῶν ἀνθρώπων παραδεδοῖσθαι τὸν θεὸν τοῦτον γεγονότα κερατίαν. [3] μετὰ δ' οὖν τὴν τῆς πόλεως οἰκοδομίαν καὶ τὴν περὶ τὸ χρηστήριον κατάστασιν πρῶτόν φασι τὸν Διόνυσον χρήσασθαι τῷ θεῷ περὶ τῆς στρατείας, καὶ λαβεῖν παρὰ τοῦ πατρὸς χρησμὸν ὅτι τοὺς ἀνθρώπους εὐεργετῶν τεύξεται τῆς ἀθανασίας. [4] διὸ καὶ μετεωρισθέντα τῇ ψυχῇ τὸ μὲν πρῶτον ἐπὶ τὴν Αἴγυπτον στρατεῦσαι, καὶ τῆς χώρας καταστήσαι βασιλέα Δία τὸν Κρόνου καὶ Ῥέας, παῖδα τὴν ἡλικίαν ὄντα. παρακαταστήσαι δ' αὐτῷ καὶ ἐπιστάτην Ὀλυμπον, ἅφ' οὗ τὸν Δία παιδευθέντα καὶ πρωτεύσαντα κατ' ἀρετὴν Ὀλύμπιον προσαγορευθῆναι. [5] τὸν δ' οὖν Διόνυσον λέγεται διδάξαι τοὺς Αἰγυπτίους τὴν τε τῆς ἀμπέλου φυτεῖαν καὶ τὴν χρῆσιν καὶ τὴν παράθεσιν τοῦ τε οἴνου καὶ τῶν ἀκροδρόνων καὶ τῶν ἄλλων καρπῶν. πάντα δὲ διαδιδομένης περὶ αὐτοῦ φήμης ἀγαθῆς μηδένα καθάπερ πρὸς πολέμιον ἀντιτάττεσθαι, πάντα δὲ προθύμως ὑπακούοντας ἐπαίνους καὶ θυσίαις ὡς θεὸν τιμᾶν. [6] τῷ δ' αὐτῷ τρόπῳ φασὶν ἐπελθεῖν τὴν οἰκουμένην, ἐξημεροῦντα μὲν τὴν χώραν ταῖς φυτεῖαις, εὐεργετοῦντα δὲ τοὺς λαοὺς μεγάλας τιμαῖς καὶ χάρισι πρὸς τὸν αἰῶνα. διὸ καὶ πάντας τοὺς ἀνθρώπους ἐν ταῖς πρὸς τοὺς ἄλλους θεοὺς τιμαῖς οὐχ ὁμοίαν ἔχοντας προαίρεσιν ἀλλήλοις σχεδὸν ἐπὶ μόνου τοῦ Διονύσου συμφωνουμένην ἀποδεικνύειν μαρτυρίαν τῆς ἀθανασίας: οὐδένα γὰρ οὐθ' Ἑλλήνων οὐτε βαρβάρων ἅμοιον εἶναι τῆς τούτου δωρεᾶς καὶ χάριτος, ἀλλὰ καὶ τοὺς ἀπηγριωμένην ἔχοντας χώραν ἢ πρὸς φυτεῖαν ἀμπέλου παντελῶς ἀπηλλοτριωμένην μαθεῖν τὸ κατασκευαζόμενον ἐκ τῶν κριθῶν πόμα βραχὺ λειπόμενον τῆς περὶ τὸν οἶνον εὐωδίας. [7] τὸν δ' οὖν Διόνυσόν φασι τὴν κατάβασιν ἐκ τῆς Ἰνδικῆς ἐπὶ τὴν θάλατταν ποιησάμενον καταλαβεῖν ἅπαντας τοὺς Τιτᾶνας ἡθροικότας δυνάμεις καὶ διαβεβηκότας εἰς Κρήτην ἐπ' Ἄμμωνα. προσβεβηθηκότος δὲ καὶ τοῦ Διὸς ἐκ τῆς Αἰγύπτου τοῖς περὶ τὸν Ἄμμωνα, καὶ πολέμου μεγάλου συνεστῶτος ἐν τῇ νήσῳ, ταχέως καὶ τοὺς περὶ τὸν Διόνυσον καὶ τὴν Ἀθηναῖν καὶ τινὰς τῶν ἄλλων θεῶν νομισθέντων συνδραμεῖν εἰς Κρήτην. [8] γενομένης δὲ παρατάξεως μεγάλης ἐπικρατῆσαι τοὺς περὶ τὸν Διόνυσον καὶ πάντας ἀνελεῖν τοὺς Τιτᾶνας. μετὰ δὲ ταῦτα Ἄμμωνος καὶ Διονύσου μεταστάντων ἐκ τῆς ἀνθρωπίνης φύσεως εἰς τὴν ἀθανασίαν, τὸν Δία φασὶ βασιλεῦσαι τοῦ σύμπαντος κόσμου, κεκολασμένων τῶν Τιτάνων, καὶ μηδενὸς ὄντος τοῦ τολμήσοντος δι' ἀσέβειαν ἀμφισβητῆσαι τῆς ἀρχῆς.

τὸν μὲν οὖν πρῶτον Διόνυσον ἐξ Ἄμμωνος καὶ Ἀμαλθείας γεγόμενον

τοιαύτας οἱ Λίβυες ἱστοροῦσιν ἐπιτελέσασθαι πράξεις· τὸν δὲ δευτέρον φασιν ἐξ Ἰοῦς τῆς Ἰνάχου Διὶ γενόμενον βασιλεῦσαι μὲν τῆς Αἰγύπτου, καταδειῖναι δὲ τὰς τελετάς· τελευταῖον δὲ τὸν ἐκ Διὸς καὶ Σεμέλης τεκνωθέντα παρὰ τοῖς Ἑλλήσι ζηλωτὴν γενέσθαι τῶν προτέρων. [2] τὰς δ' ἄμφοτέρων προαιρέσεις μιμησάμενον στρατεῦσαι μὲν ἐπὶ πᾶσαν τὴν οἰκουμένην, στήλας δ' οὐκ ὀλίγας ἀπολιπεῖν τῶν ὄρων τῆς στρατείας· καὶ τὴν μὲν χώραν ἐξημεροῦν ταῖς φυτεαῖς, στρατιώτιδας δ' ἐπιλέξασθαι γυναῖκας, καθάπερ καὶ ὁ παλαιὸς τὰς Ἀμαζόνας, ἐνεργῆσαι δ' ἐπὶ πλέον καὶ τὰ περὶ τοὺς ὀργιασμούς, καὶ τελετὰς ἃς μὲν μεταθεῖναι πρὸς τὸ κρεῖττον, ἃς δ' ἐπινοῆσαι. [3] διὰ δὲ τὸ πλῆθος τοῦ χρόνου τῶν προτέρων εὐρετῶν ἀγνοηθέντων ὑπὸ τῶν πολλῶν, τοῦτον κληρονομῆσαι τὴν τῶν προγενεστέρων προαίρεσιν τε καὶ δόξαν. οὐκ ἐπὶ τούτου δὲ μόνου συμβῆναι τὸ προειρημένον, ἀλλὰ καὶ μετὰ ταῦτ' ἐφ' Ἡρακλέους. [4] δυοῖν γὰρ ὄντων τῶν προγενεστέρων τῶν τὴν αὐτὴν ἐσχηκότων προσηγορίαν, τὸν μὲν ἀρχαιότατον Ἡρακλέα μυθολογεῖσθαι γεγονέναι παρ' Αἰγυπτίοις, καὶ πολλὴν τῆς οἰκουμένης τοῖς ὅπλοις καταστρεψάμενον θέσθαι τὴν ἐπὶ τῆς Λιβύης στήλην, τὸν δὲ δεύτερον ἐκ Κρήτης ἓνα τῶν Ἰδαίων ὄντα Δακτύλων καὶ γενόμενον γόητα καὶ στρατηγικὸν συστήσασθαι τὸν Ὀλυμπικὸν ἀγῶνα· τὸν δὲ τελευταῖον μικρὸν πρὸ τῶν Τρωικῶν ἐξ Ἀλκμήνης καὶ Διὸς τεκνωθέντα πολλὴν ἐπελθεῖν τῆς οἰκουμένης, ὑπηρετοῦντα τοῖς Εὐρυσθέως προστάγμασιν. [5] ἐπιτυχόντα δὲ πᾶσι τοῖς ἄθλοις θέσθαι μὲν καὶ στήλην τὴν ἐπὶ τῆς Εὐρώπης, διὰ δὲ τὴν ὁμωνυμίαν καὶ τὴν τῆς προαιρέσεως ὁμοιότητα χρόνων ἐπιγενομένων τελευτήσαντα κληρονομῆσαι τὰς τῶν ἀρχαιοτέρων πράξεις, ὥς ἐνὸς Ἡρακλέους γεγονότος ἐν παντὶ τῷ πρότερον αἰῶνι. [6] ὑπὲρ δὲ τοῦ πλείους Διονύσου γεγονέναι σὺν ἄλλαις ἀποδείξεσι πειρῶνται φέρειν τὴν ἐκ τῆς Τιτανομαχίας· συμφωνουμένου γὰρ παρὰ πᾶσιν ὅτι Διόνυσος τῷ Διὶ συνηγωνίσατο τὸν πρὸς τοὺς Τιτᾶνας πόλεμον, οὐδαμῶς πρέπειν φασὶ τὴν τῶν Τιτάνων γενεὰν τιθέναι κατὰ τοὺς τῆς Σεμέλης χρόνους οὐδὲ Κάδμον τὸν Ἀγήνορος ἀποφαίνεσθαι πρεσβύτερον εἶναι τῶν Ὀλυμπίων θεῶν. οἱ μὲν οὖν Λίβυες περὶ Διονύσου τοιαῦτα μυθολογοῦσιν· ἡμεῖς δὲ τὴν ἐν ἀρχῇ πρόθεσιν τετελεκότες αὐτοῦ περιγράψομεν τὴν τρίτην βίβλον.

BOOK IV

τάδε ἔνεστιν ἐν τῇ τετάρτῃ τῶν Διοδώρου βίβλων.
προοίμιον περὶ τῶν μυθολογουμένων παρὰ τοῖς ἱστοριογράφοις.
περὶ Διονύσου καὶ Πριάπου καὶ Ἑρμαφροδίτου καὶ Μουσῶν.
περὶ Ἡρακλέους καὶ τῶν δώδεκα ἄθλων καὶ τῶν ἄλλων τῶν πραχθέντων
ὑπ' αὐτοῦ μέχρι τῆς ἀποθεώσεως.
περὶ τῶν Ἀργοναυτῶν καὶ Μηδείας καὶ τῶν Πελίου θυγατέρων.
περὶ τῶν ἀπογόνων τοῦ Ἡρακλέους.
περὶ Θησέως καὶ τῶν ἄθλων αὐτοῦ.
περὶ τῶν ἐπτὰ ἐπὶ Θήβας.
περὶ τῶν ἐπιγόνων τῶν ἐπτὰ ἐπὶ Θήβας.
περὶ Νηλέως καὶ τῶν ἀπογόνων αὐτοῦ.
περὶ Λαπιθῶν καὶ Κενταύρων.
περὶ Ἀσκληπιοῦ καὶ τῶν ἀπογόνων αὐτοῦ.
περὶ τῶν Ἀσωποῦ θυγατέρων καὶ τῶν Αἰακῶ γενομένων υἱῶν.
περὶ Πέλοπος καὶ Ταντάλου καὶ Οἰνομάου καὶ Νιόβης.
περὶ Δαρδάνου καὶ τῶν ἀπογόνων αὐτοῦ μέχρι Πριάμου.
περὶ Δαιδάλου καὶ Μινωταύρου καὶ τῆς Μίνω στρατείας ἐπὶ Κώκαλον τὸν βασιλέα.

περὶ Ἀρισταίου καὶ Δάφνιδος καὶ Ἑρυκος, ἔτι δὲ Ὠρίωνος.
οὐκ ἄγνωθ' μὲν ὅτι τοῖς τὰς παλαιὰς μυθολογίας συνταττομένοις συμβαίνει κατὰ τὴν γραφὴν ἐν πολλοῖς ἐλαττοῦσθαι. ἡ μὲν γὰρ τῶν ἀναγεγραμμένων ἀρχαιότης δυσεὔρετος οὕσα πολλὴν ἀπορίαν παρέχεται τοῖς γράφουσιν, ἡ δὲ τῶν χρόνων ἀπαγγελία τὸν ἀκριβέστατον ἔλεγχον οὐ προσδεχομένη καταφρονεῖν ποιεῖ τῆς ἱστορίας τοὺς ἀναγινώσκοντας· πρὸς δὲ τούτοις ἡ ποικιλία καὶ τὸ πλῆθος τῶν γενεαλογουμένων ἡρώων τε καὶ ἡμιθέων καὶ τῶν ἄλλων ἀνδρῶν δυσέφικτον ἔχει τὴν ἀπαγγελίαν· τὸ δὲ μέγιστον καὶ πάντων ἀτοπώτατον, ὅτι συμβαίνει τοὺς ἀναγεγραφότας τὰς ἀρχαιοτάτας πράξεις τε καὶ μυθολογίας ἀσυμφώνους εἶναι πρὸς ἀλλήλους. [2] διόπερ τῶν μεταγενεστέρων ἱστοριογράφων οἱ πρωτεύοντες τῇ δόξῃ τῆς μὲν ἀρχαίας μυθολογίας ἀπέστησαν διὰ τὴν δυσχέρειαν, τὰς δὲ νεωτέρας πράξεις ἀναγράφειν ἐπεχείρησαν. [3] Ἐφορος μὲν γὰρ ὁ Κυμαῖος, Ἰσοκράτους ὦν μαθητής, ὑποστησάμενος γράφειν τὰς κοινὰς πράξεις, τὰς μὲν παλαιὰς μυθολογίας ὑπερέβη, τὰ δ' ἀπὸ τῆς Ἡρακλειδῶν καθόδου πραχθέντα συνταξάμενος ταύτην ἀρχὴν ἐποίησατο τῆς ἱστορίας. ὁμοίως δὲ τούτῳ Καλλισθένης καὶ Θεόπομπος, κατὰ τὴν αὐτὴν ἡλικίαν γεγονότες, ἀπέστησαν τῶν παλαιῶν μύθων. [4] ἡμεῖς δὲ τὴν ἐναντίαν τούτοις κρίσιν ἔχοντες, καὶ τὸν ἐκ τῆς ἀναγραφῆς πόνον ὑποστάντες, τὴν πᾶσαν ἐπιμέλειαν ἐποιήσαμεθα τῆς ἀρχαιολογίας. μέγισται γὰρ καὶ πλεῖσται συνετελέσθησαν πράξεις ὑπὸ τῶν ἡρώων τε καὶ ἡμιθέων καὶ πολλῶν ἄλλων ἀνδρῶν ἀγαθῶν· ὧν διὰ τὰς κοινὰς εὐεργεσίας οἱ μεταγενέστεροι τοὺς μὲν ἰσοθέοις, τοὺς δ' ἥρωικαῖς θυσίαις ἐτίμησαν, πάντα δ' ὁ τῆς ἱστορίας λόγος τοῖς καθήκουσιν ἐπαίνοις εἰς τὸν

αἰῶνα καθύμνησεν. [5] ἐν μὲν οὖν ταῖς πρὸ ταύτης βίβλοις τρισὶν ἀνεγράψαμεν τὰς παρὰ τοῖς ἄλλοις ἔθνεσι μυθολογουμένας πράξεις καὶ τὰ περὶ θεῶν παρ' αὐτοῖς ἱστορούμενα, πρὸς δὲ τούτοις τὰς τοποθεσίας τῆς παρ' ἐκάστοις χώρας καὶ τὰ φυόμενα παρ' αὐτοῖς θηρία καὶ τᾶλλα ζῷα καὶ καθόλου πάντα τὰ μνήμης %5ᾶξια καὶ παραδοξολογούμενα διεξιόντες, ἐν ταύτῃ δὲ τὰ παρὰ τοῖς Ἑλλήσιν ἱστορούμενα κατὰ τοὺς ἀρχαίους χρόνους περὶ τῶν ἐπιφανεστάτων ἡρώων τε καὶ ἡμιθέων καὶ καθόλου τῶν κατὰ πόλεμον ἀξιολόγόν τι κατειργασμένων, ὁμοίως δὲ καὶ τῶν ἐν εἰρήνῃ τι χρήσιμον πρὸς τὸν κοινὸν βίον εὐρόντων ἢ νομοθετησάντων. [6] ποιησόμεθα δὲ τὴν ἀρχὴν ἀπὸ Διονύσου διὰ τὸ καὶ παλαιὸν εἶναι σφόδρα τοῦτον καὶ μεγίστας εὐεργεσίας κατατεθεῖσθαι τῷ γένει τῶν ἀνθρώπων. εἴρηται μὲν οὖν ἡμῖν ἐν ταῖς προειρημέναις βίβλοις ὅτι τινὲς τῶν βαρβάρων ἀντιποιοῦνται τῆς γενέσεως τοῦ θεοῦ τούτου. Αἰγύπτιοι μὲν γὰρ τὸν παρ' αὐτοῖς θεὸν Ὅσιριν ὀνομαζόμενον φασιν εἶναι τὸν παρ' Ἑλλήσι Διόνυσον καλούμενον. [7] τοῦτον δὲ μυθολογοῦσιν ἐπελθεῖν ἅπασαν τὴν οἰκουμένην, εὐρετὴν γενόμενον τοῦ οἴνου, καὶ τὴν φυτείαν διδάξαι τῆς ἀμπέλου τοὺς ἀνθρώπους, καὶ διὰ ταύτην τὴν εὐεργεσίαν τυχεῖν συμφωνουμένης ἀθανασίας. ὁμοίως δὲ τοὺς Ἰνδοὺς τὸν θεὸν τοῦτον παρ' ἑαυτοῖς ἀποφαίνεσθαι γεγονέναι, καὶ τὰ περὶ τὴν φυτείαν τῆς ἀμπέλου φιλοτεχνήσαντα μεταδοῦναι τῆς τοῦ οἴνου χρήσεως τοῖς %5κατὰ τὴν οἰκουμένην ἀνθρώποις. ἡμεῖς δὲ τὰ κατὰ μέρος περὶ τούτων εἰρηκότες νῦν τὰ παρὰ τοῖς Ἑλλήσι λεγόμενα περὶ τοῦ θεοῦ τούτου διέξιμεν.

Κάδμον μὲν γὰρ φασὶ τὸν Ἀγήνορος ἐκ Φοινίκης ὑπὸ τοῦ βασιλέως ἀποσταλῆναι πρὸς ζήτησιν τῆς Εὐρώπης, ἐντολὰς λαβόντα ἢ τὴν παρθένον ἀγαγεῖν ἢ μὴ ἀνακάμπτειν εἰς τὴν Φοινίκην. ἐπελθόντα δὲ πολλὴν χώραν, καὶ μὴ δυνάμενον ἀνευρεῖν, ἀπογῶναι τὴν εἰς οἶκον ἀνακομιδὴν: καταντήσαντα δ' εἰς τὴν Βοιωτίαν κατὰ τὸν παραδεδομένον χρησμὸν κτίσαι τὰς Θήβας. ἐνταῦθα δὲ κατοικήσαντα γῆμαι μὲν Ἀρμονίαν τὴν Ἀφροδίτης, γεννησάσθαι δ' ἐξ αὐτῆς Σεμέλην %5καὶ Ἰνὼ καὶ Αὐτονόην καὶ Ἀγαθήν, ἔτι [2] δὲ Πολύδωρον. τῇ δὲ Σεμέλῃ διὰ τὸ κάλλος Δία μίγντα καὶ μεθ' ἡσυχίας ποιούμενον τὰς ὁμιλίας δόξαι καταφρονεῖν αὐτῆς: διόπερ ὑπ' αὐτῆς παρακληθῆναι τὰς ἐπιπλοκάς ὁμοίας ποιεῖσθαι ταῖς πρὸς τὴν Ἥραν συμπεριφοραῖς. [3] τὸν μὲν οὖν Δία παραγενόμενον θεοπρεπῶς μετὰ βροντῶν καὶ ἀστραπῶν ἐπιφανῶς ποιεῖσθαι τὴν συνουσίαν: τὴν δὲ Σεμέλην ἔγκυον οὔσαν καὶ τὸ μέγεθος τῆς περιστάσεως οὐκ ἐνέγκασαν τὸ μὲν βρέφος ἐκτρῶσαι, ὑπὸ δὲ τοῦ πυρὸς αὐτὴν τελευτῆσαι. ἔπειτα τὸ παιδίον ἀναλαβόντα τὸν Δία παραδοῦναι τῷ Ἑρμῇ, καὶ προστάξαι τοῦτο μὲν ἀποκομίσαι πρὸς τὸ ἄντρον τὸ ἐν τῇ Νύσῃ, κείμενον μεταξὺ Φοινίκης καὶ Νείλου, ταῖς δὲ νύμφαις παραδοῦναι τρέφειν καὶ μετὰ πολλῆς σπουδῆς ἐπιμέλειαν αὐτοῦ ποιεῖσθαι τὴν ἀρίστην. [4] διὸ καὶ τραφέντα τὸν Διόνυσον ἐν τῇ Νύσῃ τυχεῖν τῆς προσηγορίας ταύτης ἀπὸ Διὸς καὶ Νύσης. καὶ τὸν Ὅμηρον δὲ τούτοις μαρτυρῆσαι ἐν τοῖς ὕμνοις ἐν οἷς λέγει ἔστι δέ τις Νύση, ὕπατον ὄρος, ἀνθέον ὕλη, τηλοῦ Φοινίκης, σχεδὸν Αἰγύπτιοιο ρόαων.

[5] τραφέντα δ' αὐτὸν ὑπὸ τῶν νυμφῶν ἐν τῇ Νύσῃ φασὶν εὐρετὴν τε τοῦ οἴνου γενέσθαι καὶ τὴν φυτείαν διδάξαι τῆς ἀμπέλου τοὺς ἀνθρώπους. ἐπιόντα

δὲ σχεδὸν ὅλην τὴν οἰκουμένην πολλὴν χώραν ἐξημερῶσαι, καὶ διὰ τοῦτο τυχεῖν παρὰ πᾶσι μεγίστων τιμῶν. εὐρεῖν δ' αὐτὸν καὶ τὸ ἐκ τῆς κριθῆς κατασκευαζόμενον πόμα, τὸ προσαγορευόμενον μὲν ὑπ' ἐνίων ζῦθος, οὐ πολὺ δὲ λειπόμενον τῆς περὶ τὸν οἶνον εὐωδίας. τοῦτο δὲ διδάξαι τοὺς χώραν ἔχοντας μὴ δυναμένην ἐπιδέχεσθαι τὴν τῆς ἀμπέλου φυτεῖαν. [6] περιάγεσθαι δ' αὐτὸν καὶ στρατόπεδον οὐ μόνον ἀνδρῶν, ἀλλὰ καὶ γυναικῶν, καὶ τοὺς ἀδίκους καὶ ἀσεβεῖς τῶν ἀνθρώπων κολάζειν. καὶ κατὰ μὲν τὴν Βοιωτίαν ἀποδιδόντα τῇ πατρίδι χάριτας ἐλευθερῶσαι πάσας τὰς πόλεις, καὶ κτίσαι πόλιν ἐπώνυμον τῆς αὐτονομίας, ἣν Ἐλευθεράς προσαγορεῦσαι.

στρατεύσαντα δ' εἰς τὴν Ἰνδικὴν τριετὴ χρόνῳ τὴν ἐπάνοδον εἰς τὴν Βοιωτίαν ποιήσασθαι, κομίζοντα μὲν λαφύρων ἀξίολογον πλῆθος, καταγαγεῖν δὲ πρῶτον τῶν ἀπάντων θρίαμβον ἐπ' ἐλέφαντος Ἰνδικοῦ. [2] καὶ τοὺς μὲν Βοιωτοὺς καὶ τοὺς ἄλλους Ἑλλήνας καὶ Θρᾷκας ἀπομνημονεύοντας τῆς κατὰ τὴν Ἰνδικὴν στρατείας καταδειῖναι τὰς τριετηρίδας θυσίας Διονύσῳ, καὶ τὸν θεὸν νομίζειν κατὰ τὸν χρόνον τοῦτον ποιεῖσθαι τὰς παρὰ τοῖς ἀνθρώποις ἐπιφανείας. [3] διὸ καὶ παρὰ πολλαῖς τῶν Ἑλληνίδων πόλεων διὰ τριῶν ἐτῶν βακχεῖά τε γυναικῶν ἀθροίζεσθαι, καὶ ταῖς παρθένοις νόμιμον εἶναι θυρσοφορεῖν καὶ συνενθουσιάζειν εὐαζούσαις καὶ τιμώσαις τὸν θεόν: τὰς δὲ γυναῖκας κατὰ συστήματα θυσιάζειν τῷ θεῷ καὶ βακχεύειν καὶ καθόλου τὴν παρουσίαν ὑμνεῖν τοῦ Διονύσου, μιμουμένας τὰς ἱστορουμένας τὸ παλαιὸν παρεδρεῦειν τῷ θεῷ μαινάδας. [4] κολάσαι δ' αὐτὸν πολλοὺς μὲν καὶ ἄλλους κατὰ πᾶσαν τὴν οἰκουμένην τοὺς δοκοῦντας ἀσεβεῖν, ἐπιφανεστάτους δὲ Πενθέα καὶ Λυκοῦργον. τῆς δὲ κατὰ τὸν οἶνον εὐρέσεως καὶ δωρεᾶς κεχαρισμένης τοῖς ἀνθρώποις καθ' ὑπερβολὴν διὰ τε τὴν ἡδονὴν τὴν ἐκ τοῦ ποτοῦ καὶ διὰ τὸ τοῖς σώμασιν εὐτονωτέρους γίνεσθαι τοὺς τὸν οἶνον πίνοντας, φασὶν ἐπὶ τὸ δεῖπνον, ὅταν ἄκρατος οἶνος ἐπιδιδῶται, προσεπιλέγειν ἀγαθοῦ δαίμονος: ὅταν δὲ μετὰ τὸ δεῖπνον διδῶται κεκραμένος ὕδατι, Διὸς σωτήρος ἐπιφωνεῖν. τὸν γὰρ οἶνον ἄκρατον μὲν πινόμενον μανιώδεις διαθέσεις ἀποτελεῖν, τοῦ δ' ἀπὸ Διὸς ὄμβρου μιγέντος τὴν μὲν τέρψιν καὶ τὴν ἡδονὴν μένειν, τὸ δὲ τῆς μανίας καὶ παραλύσεως βλάπτον διορθοῦσθαι. [5] καθόλου δὲ μυθολογοῦσι τῶν θεῶν μεγίστης ἀποδοχῆς τυγχάνειν παρ' ἀνθρώποις τοὺς ταῖς εὐεργεσίαις ὑπερβαλομένους κατὰ τὴν εὔρεσιν τῶν ἀγαθῶν Διόνυσόν τε καὶ Δήμητραν, τὸν μὲν τοῦ προσηγεστάτου ποτοῦ γενόμενον εὐρετὴν, τὴν δὲ τῆς ξηρᾶς τροφῆς τὴν κρατίστην παραδοῦσαν τῷ γένει τῶν ἀνθρώπων.

μυθολογοῦσι δὲ τινες καὶ ἕτερον Διόνυσον γεγονέναι πολὺ τοῖς χρόνοις προτεροῦντα τούτου. φασὶ γὰρ ἐκ Διὸς καὶ Φερσεφόνης Διόνυσον γενέσθαι τὸν ὑπὸ τινων Σαβάζιον ὀνομαζόμενον, οὗ τὴν τε γένεσιν καὶ τὰς θυσίας καὶ τιμὰς νυκτερινὰς καὶ κρυφίους παρεισάγουσι διὰ τὴν αἰσχύνην τὴν ἐκ τῆς συνουσίας ἐπακολουθοῦσαν. [2] λέγουσι δ' αὐτὸν ἀγχινόϊα διενεγκεῖν, καὶ πρῶτον ἐπιχειρήσαι βοῦς ζευγνύειν καὶ διὰ τούτων τὸν σπόρον τῶν καρπῶν ἐπιτελεῖν: ἂφ' οὗ δὴ καὶ κερατίαν αὐτὸν παρεισάγουσι. καὶ τὸν μὲν ἐκ Σεμέλης γενόμενον ἐν τοῖς νεωτέροις χρόνοις φασὶ τῷ σώματι γενέσθαι τρυφερὸν καὶ παντελῶς ἀπαλόν, εὐπρεπεῖα δὲ πολὺ τῶν ἄλλων διενεγκεῖν καὶ

πρὸς τὰς ἀφροδισιακὰς ἡδονὰς εὐκατάφορον γεγενῆναι, κατὰ δὲ τὰς στρατείας γυναικῶν πλῆθος περιάγεσθαι καθωπλισμένων λόγχοις τεθυρωμέναις. [3] φασὶ δὲ καὶ τὰς Μούσας αὐτῷ συναποδημεῖν, παρθένους οὔσας καὶ πεπαιδευμένας διαφερόντως: ταύτας δὲ διὰ τε τῆς μελωδίας καὶ τῶν ὀρχήσεων, ἔτι δὲ τῶν ἄλλων τῶν ἐν παιδείᾳ καλῶν ψυχαγωγεῖν τὸν θεόν. φασὶ δὲ καὶ παιδαγωγὸν καὶ τροφέα συνέπεσθαι κατὰ τὰς στρατείας αὐτῷ Σειληνόν, εἰσηγητὴν καὶ διδάσκαλον γινόμενον τῶν καλλίστων ἐπιτηδευμάτων, καὶ μεγάλα συμβάλλεσθαι τῷ Διονύσῳ πρὸς ἀρετὴν τε καὶ δόξαν. [4] καὶ κατὰ μὲν τὰς ἐν τοῖς πολέμοις μάχας ὅπλοις αὐτὸν πολεμικοῖς κεκοσμηθῆναι καὶ δοραῖς παρδάλεων, κατὰ δὲ τὰς ἐν εἰρήνῃ πανηγύρεις καὶ ἑορτὰς ἐσθῆσιν ἀνθειναῖς καὶ κατὰ τὴν μαλακότητα τρυφεραῖς χρῆσθαι. πρὸς δὲ τὰς ἐκ τοῦ πλεονάζοντος οἴνου κεφαλαλγίας τοῖς πίνουσι γινομένας διαδεδέσθαι λέγουσιν αὐτὸν μίτρα τὴν κεφαλὴν, ἀφ' ἧς αἰτίας καὶ μιτρηφόρον ὀναμάζεσθαι: ἀπὸ δὲ ταύτης τῆς μίτρας ὕστερον παρὰ τοῖς βασιλεῦσι καταδειχθῆναι τὸ διάδημά φασι. [5] διμήτορα δ' αὐτὸν προσαγορευθῆναι λέγουσι διὰ τὸ πατρὸς μὲν ἑνὸς ὑπάρχει τοὺς δύο Διονύσους, μητέρων δὲ δυοῖν. κεκληρονομηκέναι δὲ τὸν νεώτερον καὶ τὰς τοῦ προγενεστέρου πράξεις: διόπερ τοὺς μεταγενεστέρους ἀνθρώπους, ἀγνοοῦντας μὲν τάληθές, πλανηθέντας δὲ διὰ τὴν ὁμωνυμίαν, ἕνα γεγενῆναι νομίσαι Διόνυσον. [6] τὸν δὲ νάρθηκα προσάπτουσιν αὐτῷ διὰ τινος τοιαύτας αἰτίας. κατὰ τὴν ἐξ ἀρχῆς εὑρεσιν τοῦ οἴνου μήπω τῆς τοῦ ὕδατος κράσεως εὐρημένης ἄκρατον πίνειν τὸν οἶνον: κατὰ δὲ τὰς τῶν φίλων συναναστροφὰς καὶ εὐωχίας τοὺς συνεορτάζοντας δαψιλῇ τὸν ἄκρατον ἐμφορησαμένους μανιώδεις γίνεσθαι, καὶ ταῖς βακτηρίαις ξυλίναις χρωμένους ταύταις ἀλλήλους τύπτειν. [7] διὸ καὶ τινῶν μὲν τραυματιζομένων, τινῶν δὲ καὶ τελευτώντων ἐκ τῶν καιρίων τραυμάτων, προσκόψαντα τὸν Διόνυσον ταῖς τοιαύταις περιστάσεσι τὸ μὲν ἀποστῆσαι τοῦ πίνειν δαψιλῇ τὸν ἄκρατον ἀποδοκιμάσαι διὰ τὴν ἡδονὴν τοῦ ποτοῦ, καταδειξάμενος δὲ νάρθηξιν χρῆσθαι καὶ μὴ ξυλίναις βακτηρίαις.

ἐπωνυμίας δ' αὐτῷ τοὺς ἀνθρώπους πολλὰς προσάψαι, τὰς ἀφορμὰς ἀπὸ τῶν περὶ αὐτὸν ἐπιτηδευμάτων λαβόντας. βακχεῖον μὲν γὰρ ἀπὸ τῶν συνεπομένων βακχῶν ὀνομάσαι, Ληναῖον δὲ ἀπὸ τοῦ πατῆσαι τὰς σταφυλὰς ἐν ληνῷ, Βρόμιον δ' ἀπὸ τοῦ κατὰ τὴν γένεσιν αὐτοῦ γενομένου βρόμου: ὁμοίως δὲ καὶ πυριγενῇ διὰ τὴν ὁμοίαν αἰτίαν ὀνομάσθαι. [2] θρίαμβον δ' αὐτὸν ὀνομασθῆναί φασιν ἀπὸ τοῦ πρῶτον τῶν μνημονευομένων καταγαγεῖν ἀπὸ τῆς στρατείας θρίαμβον εἰς τὴν πατρίδα, τὴν ἐξ Ἰνδῶν ποιησάμενον ἐπάνοδον μετὰ πολλῶν λαφύρων. παραπλησίως δὲ καὶ τὰς λοιπὰς προσηγορίας ἐπιθετικὰς αὐτῷ γεγενῆσθαι, περὶ ὧν μακρὸν ἂν εἶη λέγειν καὶ τῆς ὑποκειμένης ἱστορίας ἀνοίκειον. δίμορφον δ' αὐτὸν δοκεῖν ὑπάρχειν διὰ τὸ δύο Διονύσους γεγενῆναι, τὸν μὲν παλαιὸν καταπώγωνα διὰ τὸ τοὺς ἀρχαίους πάντας πωγωνοτροφεῖν, τὸν δὲ νεώτερον ὠραῖον καὶ τρυφερόν καὶ νέον, καθότι προεῖρηται. [3] ἔνιοι δὲ λέγουσιν ὅτι τῶν μεθυόντων διττὰς διαθέσεις ἔχοντων, καὶ τῶν μὲν ἱλαρῶν, τῶν δὲ ὀργίλων γινομένων, δίμορφον ὀνομάσθαι τὸν θεόν. καὶ Σατύρους δὲ φασιν αὐτὸν περιάγεσθαι, καὶ τούτους

ἐν ταῖς ὀρχήσεσι καὶ ταῖς τραγωδίαις τέρψιν καὶ πολλὴν ἡδονὴν παρέχεσθαι τῷ θεῷ. [4] καθόλου δὲ τὰς μὲν Μούσας τοῖς ἐκ τῆς παιδείας ἀγαθοῖς ὠφελοῦσας τε καὶ τερπούσας, τοὺς δὲ Σατύρους τοῖς πρὸς γέλωτα συνεργοῦσιν ἐπιτηδεύμασι χρωμένους, παρασκευάζειν τῷ Διονύσῳ τὸν εὐδαίμονα καὶ κεχαρισμένον βίον. καθόλου δὲ τοῦτον τῶν θυμελικῶν ἀγώνων φασὶν εὐρετὴν γενέσθαι, καὶ θέατρα καταδείξαι, καὶ μουσικῶν ἀκροαμάτων σύστημα ποιήσασθαι: πρὸς δὲ τούτοις ἀλειτουργήτους ποιῆσαι καὶ τοὺς ἐν ταῖς στρατείαις μεταχειριζομένους τι τῆς μουσικῆς ἐπιστήμης: ἀφ' ὧν τοὺς μεταγενεστέρους μουσικὰς συνόδους συστήσασθαι τῶν περὶ τὸν Διόνυσον τεχνιτῶν, καὶ ἀτελεῖς ποιῆσαι τοὺς τὰ τοιαῦτα ἐπιτηδεύοντας. καὶ περὶ μὲν Διονύσου καὶ τῶν περὶ αὐτοῦ μυθολογουμένων ἀρκεσθησόμεθα τοῖς ῥηθεῖσι στοχαζόμενοι τῆς συμμετρίας.

περὶ δὲ Πριάπου καὶ τῶν μυθολογουμένων περὶ αὐτοῦ νῦν διέξιμεν, οἰκεῖον ὀρῶντες τὸν περὶ τούτου λόγον ταῖς Διονυσιακαῖς ἱστορίαις. μυθολογοῦσιν οὖν οἱ παλαιοὶ τὸν Πριάπον υἱὸν μὲν εἶναι Διονύσου καὶ Ἀφροδίτης, πιθανῶς τὴν γένεσιν αὐτὴν ἐξηγοῦμενοι: τοὺς γὰρ οἰνωθέντας φυσικῶς ἐντετάσθαι πρὸς τὰς ἀφροδισιακὰς ἡδονάς. [2] τινὲς δὲ φασὶ τὸ αἰδοῖον τῶν ἀνθρώπων τοὺς παλαίους μυθωδῶς ὀνομάζειν βουλομένους Πριάπον προσαγορεῦσαι. ἔνιοι δὲ λέγουσι τὸ γεννητικὸν μόριον, αἴτιον ὑπάρχον τῆς γενέσεως τῶν ἀνθρώπων καὶ διαμονῆς εἰς ἅπαντα τὸν αἰῶνα, τυχεῖν τῆς ἀθανάτου τιμῆς. [3] οἱ δ' Αἰγύπτιοι περὶ τοῦ Πριάπου μυθολογούντες φασὶ τὸ παλαιὸν τοὺς Τιτᾶνας ἐπιβουλεύσαντας Ὀσίριδι τοῦτον μὲν ἀνελεῖν, τὸ δὲ σῶμα αὐτοῦ διελόντας εἰς ἴσας μερίδας ἑαυτοῖς καὶ λαβόντας ἀπενεγκεῖν ἐκ τῆς οἰκείας λαθραίως, μόνον δὲ τὸ αἰδοῖον εἰς τὸν ποταμὸν ῥῖψαι διὰ τὸ μηδὲνα βούλεσθαι τοῦτο ἀνελέσθαι. τὴν δὲ Ἴσιν τὸν φόνον τοῦ ἀνδρὸς ἀναζητοῦσαν, καὶ τοὺς μὲν Τιτᾶνας ἀνελοῦσαν, τὰ δὲ τοῦ σώματος μέρη περιπλάσασαν εἰς ἀνθρώπου τύπον, ταῦτα μὲν δοῦναι θάψαι τοῖς ἱερεῦσι καὶ τιμᾶν προστάξαι ὡς θεὸν τὸν Ὀσίριν, τὸ δὲ αἰδοῖον μόνον οὐ δυναμένην ἀνευρεῖν καταδείξαι τιμᾶν ὡς θεὸν καὶ ἀναθεῖναι κατὰ τὸ ἱερὸν ἐντεταμένον. περὶ μὲν οὖν τῆς γενέσεως τοῦ Πριάπου καὶ τῆς τιμῆς τοιαῦτα μυθολογεῖται παρὰ τοῖς παλαιοῖς τῶν Αἰγυπτίων. [4] τοῦτον δὲ τὸν θεὸν τινὲς μὲν Ἰθύφαλλον ὀνομάζουσι, τινὲς δὲ Τύχωνα. τὰς δὲ τιμὰς οὐ μόνον κατὰ πόλιν ἀπονέμουσιν αὐτῷ ἐν τοῖς ἱεροῖς, ἀλλὰ καὶ κατὰ τὰς ἀγροικίας ὀπωροφύλακα τῶν ἀμπελώνων ἀποδεικνύντες καὶ τῶν κήπων, ἔτι δὲ πρὸς τοὺς βασκαίνοντάς τι τῶν καλῶν τοῦτον κολαστὴν παραιοῖς. ἐν τε ταῖς τελεταῖς οὐ μόνον ταῖς Διονυσιακαῖς, ἀλλὰ καὶ ταῖς ἄλλαις σχεδὸν ἀπάσαις οὗτος ὁ θεὸς τυγχάνει τιμῆς, μετὰ γέλωτος καὶ παιδιᾶς παραιοῖς. [5] παραπλησίως δὲ τῷ Πριάπῳ τινὲς μυθολογοῦσι γεγενῆσθαι τὸν ὀνομαζόμενον Ἑρμαφρόδιτον, ὃν ἐξ Ἑρμοῦ καὶ Ἀφροδίτης γεννηθέντα τυχεῖν τῆς ἐξ ἀμφοτέρων τῶν γονέων συντεθείσης προσηγορίας. τοῦτον δ' οἱ μὲν φασὶν εἶναι θεὸν καὶ κατὰ τινὰς χρόνους φαίνεσθαι παρ' ἀνθρώποις, καὶ γεννᾶσθαι τὴν τοῦ σώματος φύσιν ἔχοντα μεμιγμένην ἐξ ἀνδρὸς καὶ γυναικός: καὶ τὴν μὲν εὐπρέπειαν καὶ μαλακότητα τοῦ σώματος ἔχειν γυναικὶ παρεμφερῆ, τὸ δ' ἄρρενωπὸν καὶ δραστικὸν ἀνδρὸς ἔχειν τὰ δὲ φυσικὰ μόρια

συγγενῆσθαι τούτῳ καὶ γυναικὸς καὶ ἀνδρός· ἔνιοι δὲ τὰ τοιαῦτα γένη ταῖς φύσεσιν ἀποφαίνονται τέρατα ὑπάρχειν, καὶ γεννώμενα σπανίως προσημαντικά γίνεσθαι ποτὲ μὲν κακῶν ποτὲ δ' ἀγαθῶν. καὶ περὶ μὲν τῶν τοιούτων ἄλλις ἡμῖν ἔχεται.

περὶ δὲ τῶν Μουσῶν, ἐπειδὴ περ ἐμνήσθημεν ἐν ταῖς τοῦ Διονύσου πράξεσιν, οἰκεῖον ἂν εἴη διελθεῖν ἐν κεφαλαίοις. ταύτας γὰρ οἱ πλεῖστοι τῶν μυθογράφων καὶ μάλιστα δεδοκιμασμένοι φασὶ θυγατέρας εἶναι Διὸς καὶ Μνημοσύνης· ὀλίγοι δὲ τῶν ποιητῶν, ἐν οἷς ἐστι καὶ Ἀλκμάν, θυγατέρας ἀποφαίνονται Οὐρανοῦ καὶ Γῆς. [2] ὁμοίως δὲ καὶ κατὰ τὸν ἀριθμὸν διαφωνοῦσιν· οἱ μὲν γὰρ τρεῖς λέγουσιν, οἱ δ' ἐννέα, καὶ κεκράτηκεν ὁ τῶν ἐννέα ἀριθμὸς ὑπὸ τῶν ἐπιφανεστάτων ἀνδρῶν βεβαιούμενος, λέγω δὲ Ὀμήρου τε καὶ Ἡσιόδου καὶ τῶν ἄλλων τῶν τοιούτων. Ὀμηρος μὲν γὰρ λέγει

Μοῦσαι δ' ἐννέα πᾶσαι ἀμειβόμεναι ὅπῃ καλῇ·

Ἡσιόδος δὲ καὶ τὰ ὀνόματα αὐτῶν ἀποφαίνεται λέγων

Κλειὼ τ' Εὐτέρπη τε Θάλεια τε Μελπομένη τε

Τερψιχόρη τ' Ἑρατὴ τε Πολύμνια τ' Οὐρανίη τε

Καλλιόπη θ', ἥ σφεων προφερεστάτη ἐστὶν ἀπάσεων.

[3] τούτων δ' ἐκάστη προσάπτουσι τὰς οἰκείας διαθέσεις τῶν περὶ μουσικὴν ἐπιτηδευμάτων, οἷον ποιητικὴν, μελωδίαν, ὀρχήσεις καὶ χορείας, ἀστρολογίαν τε καὶ τὰ λοιπὰ τῶν ἐπιτηδευμάτων. παρθένους δ' αὐτὰς οἱ πλεῖστοι γεγονέναι μυθολογοῦσι διὰ τὸ τὰς κατὰ τὴν παιδείαν ἀρετὰς ἀφθόρους δοκεῖν εἶναι. [4] Μούσας δ' αὐτὰς ὀνομάσθαι ἀπὸ τοῦ μυεῖν τοὺς ἀνθρώπους, τοῦτο δ' ἐστὶν ἀπὸ τοῦ διδάσκειν τὰ καλὰ καὶ συμφέροντα καὶ ὑπὸ τῶν ἀπαιδευτῶν ἀγνοούμενα. ἐκάστη δὲ προσηγορία τὸν οἰκεῖον λόγον ἀπονέμοντες φασιν ὀνομάσθαι τὴν μὲν Κλειὼ διὰ τὸ τὸν ἐκ τῆς ποιήσεως τῶν ἐγκωμιαζομένων ἔπαινον μέγα κλέος περιποιεῖν τοῖς ἐπαινουμένοις, Εὐτέρπην δ' ἀπὸ τοῦ τέρπειν τοὺς ἀκροωμένους τοῖς ἀπὸ τῆς παιδείας ἀγαθοῖς, Θάλειαν δ' ἀπὸ τοῦ θάλλειν ἐπὶ πολλοὺς χρόνους τοὺς διὰ τῶν ποιημάτων ἐγκωμιαζομένους, Μελπομένην δ' ἀπὸ τῆς μελωδίας, δι' ἧς τοὺς ἀκούοντας ψυχαγωγεῖσθαι, Τερψιχόρην δ' ἀπὸ τοῦ τέρπειν τοὺς ἀκροατὰς τοῖς ἐκ παιδείας περιγινομένοις ἀγαθοῖς, Ἑρατὴ δ' ἀπὸ τοῦ τοὺς παιδευθέντας ποθεινοὺς καὶ ἐπεράστους ἀποτελεῖν, Πολύμνιαν δ' ἀπὸ τοῦ διὰ πολλῆς ὑμνήσεως ἐπιφανεῖς κατασκευάζειν τοὺς διὰ τῶν ποιημάτων ἀπαθανατιζομένους τῇ δόξῃ, Οὐρανίαν δ' ἀπὸ τοῦ τοὺς παιδευθέντας ὑπ' αὐτῆς ἐξαιρέσθαι πρὸς οὐρανόν· τῇ γὰρ δόξῃ καὶ τοῖς φρονήμασι μετεωρίζεσθαι τὰς ψυχὰς εἰς ὕψος οὐράνιον· Καλλιόπην δ' ἀπὸ τοῦ καλὴν ὅπα προῖεσθαι, τοῦτο δ' ἐστὶ τῇ εὐεπείᾳ διάφορον οὖσαν ἀποδοχῆς τυγχάνειν ὑπο τῶν ἀκουόντων. τούτων δ' ἡμῖν ἀρκούντως εἰρημένων μεταβιβάζομεν τὸν λόγον ἐπὶ τὰς Ἡρακλέους πράξεις.

οὐκ ἀγνοῶ δ' ὅτι πολλὰ δύσχηρστα συμβαίνει τοῖς ἱστοροῦσι τὰς παλαιὰς μυθολογίας, καὶ μάλιστα τὰς περὶ Ἡρακλέους. τῷ μὲν γὰρ μεγέθει τῶν κατεργασθέντων ὁμολογουμένως οὗτος παραδέδοται πάντας τοὺς ἐξ αἰῶνος ὑπερᾶραι τῇ μνήμῃ παραδοθέντας· δυσέφικτον οὖν ἐστὶ τὸ κατὰ τὴν ἀξίαν ἕκαστον τῶν πραχθέντων ἀπαγγεῖλαι καὶ τὸν λόγον ἐξισῶσαι τοῖς τηλικούτοις ἔργοις, οἷς διὰ τὸ μέγεθος ἑπαθλον ἦν ἡ ἀθανασία. [2] διὰ δὲ τὴν παλαιότητα

καὶ τὸ παράδοξον τῶν ἱστορουμένων παρὰ πολλοῖς ἀπιστουμένων τῶν μύθων, ἀναγκαῖον ἢ παραλιπόντας τὰ μέγιστα τῶν πραχθέντων καθαιρεῖν τι τῆς τοῦ θεοῦ δόξης ἢ πάντα διεξιόντας τὴν ἱστορίαν ποιεῖν ἀπιστουμένην. [3] ἔνιοι γὰρ τῶν ἀναγινωσκόντων οὐ δικαίᾳ χρώμενοι κρίσει τὰκριβὲς ἐπιζητοῦσιν ἐν ταῖς ἀρχαίαις μυθολογίαις ἐπ' ἴσης τοῖς πραττομένοις ἐν τοῖς καθ' ἡμᾶς χρόνοις, καὶ τὰ δισταζόμενα τῶν ἔργων διὰ τὸ μέγεθος ἐκ τοῦ καθ' αὐτοὺς βίου τεκμαιρόμενοι, τὴν Ἡρακλέους δύναμιν ἐκ τῆς ἀσθενείας τῶν νῦν ἀνθρώπων θεωροῦσιν, ὥστε διὰ τὴν ὑπερβολὴν τοῦ μεγέθους τῶν ἔργων ἀπιστεῖσθαι τὴν γραφήν. [4] καθόλου μὲν γὰρ ἐν ταῖς μυθολογουμέναις ἱστορίαις οὐκ ἐκ παντὸς τρόπου πικρῶς τὴν ἀλήθειαν ἐξεταστέον. καὶ γὰρ ἐν τοῖς θεάτροις, πεπεισμένοι μήτε Κενταύρους διφυεῖς ἐξ ἑτερογενῶν σωμάτων ὑπάρξαι μήτε Γηρυόνην τρισώματον, ὅμως προσδεχόμεθα τὰς τοιαύτας μυθολογίας, καὶ ταῖς ἐπισημασίαις συναύξομεν τὴν τοῦ θεοῦ τιμὴν. [5] καὶ γὰρ ἄτοπον Ἡρακλέα μὲν ἔτι κατ' ἀνθρώπους ὄντα τοῖς ἰδίοις πόνοις ἐξημερῶσαι τὴν οἰκουμένην, τοὺς δ' ἀνθρώπους ἐπιλαθομένους τῆς κοινῆς εὐεργεσίας συκοφαντεῖν τὸν ἐπὶ τοῖς καλλίστοις ἔργοις ἔπαινον, καὶ τοὺς μὲν προγόνους διὰ τὴν ὑπερβολὴν τῆς ἀρετῆς ὁμολογουμένην αὐτῷ συγχωρῆσαι τὴν ἀθανασίαν, ἡμᾶς δὲ πρὸς τὸν θεὸν μηδὲ τὴν πατροπαράδοτον εὐσέβειαν διαφυλάττειν. ἀλλὰ γὰρ τῶν τοιούτων λόγων ἀφέμενοι διέξιμεν αὐτοῦ τὰς πράξεις ἀπ' ἀρχῆς ἀκολούθως τοῖς παλαιοτάτοις τῶν ποιητῶν τε καὶ μυθολόγων.

τῆς Ἀκρισίου τοίνυν Δανάης καὶ Διὸς φασὶ γενέσθαι Περσέα: τούτῳ δὲ μιγῆσαν τὴν Κηφέως Ἀνδρομέδαν Ἡλεκτρύωνα γεννῆσαι, ἔπειτα τούτῳ τὴν Πέλοπος Εὐρυδίκην συνοικήσασαν Ἀλκμήνην τεκνῶσαι, καὶ ταύτῃ Δία μιγέντα δι' ἀπάτης Ἡρακλέα γεννῆσαι. [2] τὴν μὲν οὖν ὅλην τοῦ γένους ρίζαν ἀπ' ἀμφοτέρων τῶν γονέων εἰς τὸν μέγιστον τῶν θεῶν ἀναφέρειν λέγεται τὸν εἰρημένον τρόπον. τὴν δὲ γεγεννημένην περὶ αὐτὸν ἀρετὴν οὐκ ἐν ταῖς πράξεσι θεωρηθῆναι μόνον, ἀλλὰ καὶ πρὸ τῆς γενέσεως γινώσκεσθαι. τὸν γὰρ Δία μισγόμενον Ἀλκμήνῃ τριπλασίαν τὴν νύκτα ποιῆσαι, καὶ τῷ πλήθει τοῦ πρὸς τὴν παιδοποιίαν ἀναλωθέντος χρόνου προσημῆναι τὴν ὑπερβολὴν τῆς τοῦ γεννηθησομένου ῥώμης. [3] καθόλου δὲ τὴν ὁμιλίαν ταύτην οὐκ ἐρωτικῆς ἐπιθυμίας ἔνεκα ποιήσασθαι, καθάπερ ἐπὶ τῶν ἄλλων γυναικῶν, ἀλλὰ τὸ πλεόν τῆς παιδοποιίας χάριν. διὸ καὶ βουλούμενον τὴν ἐπιπλοκὴν νόμιμον ποιήσασθαι βιάσασθαι μὲν μὴ βουληθῆναι, πείσαι δ' οὐδαμῶς ἐλπίζειν διὰ τὴν σωφροσύνην: τὴν ἀπάτην οὖν προκρίναντα διὰ ταύτης παρακρούσασθαι τὴν Ἀλκμήνην, Ἀμφιτῤῥῶνι κατὰ πᾶν ὁμοιωθέντα. [4] διελθόντος δὲ τοῦ κατὰ φύσιν χρόνου ταῖς ἐγκύοις, τὸν μὲν Δία πρὸς τὴν Ἡρακλέους γένεσιν ἐνεχθέντα τῇ διανοίᾳ προειπεῖν παρόντων ἀπάντων τῶν θεῶν ὅτι τὸν κατ' ἐκείνην τὴν ἡμέραν Περσειδῶν γεννώμενον ποιήσει βασιλέα, τὴν δ' Ἥραν ζηλοτυποῦσαν καὶ συνεργὸν ἔχουσαν Εἰλείθυιαν τὴν θυγατέρα, τῆς μὲν Ἀλκμήνης παρακατασχεῖν τὰς ὠδῖνας, τὸν δ' Εὐρυσθέα πρὸ τοῦ καθήκοντος χρόνου πρὸς τὸ φῶς ἀγαγεῖν. [5] τὸν δὲ Δία καταστρατηγηθέντα βουληθῆναι τὴν τε ὑπόσχεσιν βεβαιῶσαι καὶ τῆς Ἡρακλέους ἐπιφανείας προνοηθῆναι: διό φασιν αὐτὸν τὴν μὲν Ἥραν πείσαι συγχωρῆσαι βασιλέα μὲν ὑπάρξαι κατὰ τὴν

ἰδίαν ὑπόσχεσιν Εὐρυσθέα, τὸν δ' Ἡρακλέα τεταγμένον ὑπὸ τὸν Εὐρυσθέα τελέσαι δώδεκα ἄθλους οὓς ἂν ὁ Εὐρυσθεὺς προστάξῃ, καὶ τοῦτο πράξαντα τυχεῖν τῆς ἀθανασίας. [6] Ἀλκμήνη δὲ τεκοῦσα καὶ φοβηθεῖσα τὴν τῆς Ἥρας ζηλοτυπίαν, ἐξέθηκε τὸ βρέφος εἰς τὸν τόπον ὃς νῦν ἀπ' ἐκείνου καλεῖται πεδῖον Ἡράκλειον. καθ' ὃν δὴ χρόνον Ἀθηνᾶ μετὰ τῆς Ἥρας προσιοῦσα, καὶ θαυμάσασα τοῦ παιδίου τὴν φύσιν, συνέπεισε τὴν Ἥραν ὑποσχεῖν τὴν θηλὴν. τοῦ δὲ παιδὸς ὑπὲρ τὴν ἡλικίαν βιαίτερον ἐπισπασαμένου τὴν θηλὴν, ἡ μὲν Ἥρα διαλγῆσασα τὸ βρέφος ἔρριπεν, Ἀθηνᾶ δὲ κομίσασα αὐτὸ πρὸς τὴν μητέρα τρέφειν παρεκελεύσατο. [7] θαυμάσαι δ' ἂν τις εἰκότως τὸ τῆς περιπετείας παράδοξον: ἡ μὲν γὰρ στέργειν ὀφείλουσα μήτηρ τὸ ἴδιον τέκνον ἀπώλλυεν, ἡ δὲ μητρὶαῖς ἔχουσα μῖσος δι' ἄγνοιαν ἔσωζε τὸ τῇ φύσει πολέμιον.

μετὰ δὲ ταῦτα ἡ μὲν Ἥρα δύο δράκοντας ἀπέστειλε τοὺς ἀναλώσοντας τὸ βρέφος, ὁ δὲ παῖς οὐ καταπλαγεὶς ἐκατέρᾳ τῶν χειρῶν τὸν αὐχένα σφίγγας ἀπέπνιξε τοὺς δράκοντας. διόπερ Ἀργεῖοι πυθόμενοι τὸ γεγονός Ἡρακλέα προσηγόρευσαν, ὅτι δι' Ἥραν ἔσχε κλέος, Ἀλκαῖον πρότερον καλούμενον. τοῖς μὲν οὖν ἄλλοις οἱ γονεῖς τοῦνομα περιτιθέασι, τούτῳ δὲ μόνῳ ἡ ἀρετὴ τὴν προσηγορίαν ἔθετο. [2] μετὰ δὲ ταῦτα ὁ μὲν Ἀμφιτρύων φυγαδευθεὶς ἐκ Τίρυνθος μετόκησεν εἰς Θήβας: ὁ δ' Ἡρακλῆς τραφεὶς καὶ παιδευθεὶς καὶ μάλιστα ἐν τοῖς γυμνασίοις διαπονηθεὶς ἐγένετο ῥώμῃ τε σώματος πολὺ προέχων τῶν ἄλλων ἀπάντων καὶ ψυχῆς λαμπρότητι περιβόητος, ὃς γε τὴν ἡλικίαν ἔφηβος ὢν πρῶτον μὲν ἡλευθέρωσε τὰς Θήβας, ἀποδιδούς ὡς πατρίδι τὰς προσηκούσας χάριτας. [3] ὑποτεταγμένων γὰρ τῶν Θηβαίων Ἐργίνῳ τῷ βασιλεῖ τῶν Μινυῶν, καὶ κατ' ἐνιαυτὸν ὠρισμένους φόρους τελούντων, οὐ καταπλαγεὶς τὴν τῶν δεδουλωμένων ὑπεροχὴν ἐτόλμησε πρᾶξιν ἐπιτελέσαι περιβόητον: τοὺς γὰρ παραγενομένους τῶν Μινυῶν ἐπὶ τὴν ἀπαίτησιν τῶν δασμῶν καὶ μεθ' ὕβρεως εἰσπραττομένους ἀκρωτηριάσας ἐξέβαλεν ἐκ τῆς πόλεως. [4] Ἐργίνου δ' ἐξαιτοῦντος τὸν αἴτιον, Κρέων βασιλεύων τῶν Θηβαίων, καταπλαγεὶς τὸ βάρος τῆς ἐξουσίας, ἔτοιμος ἦν ἐκδιδόναι τὸν αἴτιον τῶν ἐγκλημάτων. ὁ δ' Ἡρακλῆς πείσας τοὺς ἡλικιώτας ἐλευθεροῦν τὴν πατρίδα, κατέσπασεν ἐκ τῶν ναῶν τὰς προσηλωμένας πανοπλίας, ἃς οἱ πρόγονοι σκῦλα τοῖς θεοῖς ἦσαν ἀνατεθεικότες: οὐ γὰρ ἦν εὐρεῖν κατὰ τὴν πόλιν ἰδιωτικὸν ὄπλον διὰ τὸ τοὺς Μινύας παρωπλικέναι τὴν πόλιν, ἵνα μηδεμίαν λαμβάνωσιν οἱ κατὰ τὰς Θήβας ἀποστάσεως ἔννοιαν. [5] ὁ δ' Ἡρακλῆς πυθόμενος Ἐργῖνον τὸν βασιλεῖα τῶν Μινυῶν προσάγειν τῇ πόλει μετὰ στρατιωτῶν, ἀπαντήσας αὐτῷ κατὰ τινα στενοχωρίαν, καὶ τὸ μέγεθος τῆς τῶν πολεμίων δυνάμεως ἄχρηστον ποιήσας, αὐτόν τε τὸν Ἐργῖνον ἀνείλε καὶ τοὺς μετ' αὐτοῦ σχεδὸν ἅπαντας ἀπέκτεινεν. ἄφνω δὲ προσπεσὼν τῇ πόλει τῶν Ὀρχομενίων καὶ παρεισπεσὼν ἐντὸς τῶν πυλῶν τὰ τε βασιλεία τῶν Μινυῶν ἐνέπρησε καὶ τὴν πόλιν κατέσκαψε. [6] περιβοήτου δὲ τῆς πράξεως γενομένης καθ' ὅλην τὴν Ἑλλάδα καὶ πάντων θαυμαζόντων τὸ παράδοξον, ὁ μὲν βασιλεὺς Κρέων θαυμάσας τὴν ἀρετὴν τοῦ νεανίσκου τὴν τε θυγατέρα Μεγάραν συνώκισεν αὐτῷ καὶ καθάπερ νύμφῃ γνησίῳ τὰ κατὰ τὴν πόλιν ἐπέτρεψεν, Εὐρυσθεὺς δ' ὁ τὴν βασιλείαν ἔχων τῆς Ἀργείας ὑποπεύσας τὴν

Ἡρακλέους αὐξήσιν μετεπέμπετό τε αὐτὸν καὶ προσέταττε τελεῖν ἄθλους. [7] οὐχ ὑπακούοντος δὲ τοῦ Ἡρακλέους, Ζεὺς μὲν ἀπέστειλε διακελευόμενος ὑπουργεῖν Εὐρυσθεῖ, Ἡρακλῆς δὲ παρελθὼν εἰς Δελφοὺς καὶ περὶ τούτων ἐπερωτήσας τὸν θεόν, ἔλαβε χρησμὸν τὸν δηλοῦντα διότι τοῖς θεοῖς δέδοκται δώδεκα ἄθλους τελέσαι προστάττοντος Εὐρυσθέως, καὶ τοῦτο πράξαντα τεύξεσθαι τῆς ἀθανασίας.

τούτων δὲπραχθέντων ὁ μὲν Ἡρακλῆς ἐνέπεσεν εἰς ἀθυμίαν οὐ τὴν τυχοῦσαν: τὸ τε γὰρ τῷ ταπειντέρῳ δουλεύειν οὐδαμῶς ἄξιον ἔκρινε τῆς ἰδίας ἀρετῆς, τὸ τε τῷ Διὶ καὶ πατρὶ μὴ πείθεσθαι καὶ ἀσύμφορον ἐφαίνετο καὶ ἀδύνατον. εἰς πολλὴν οὖν ἀμηχανίαν ἐμπίπτοντος αὐτοῦ, Ἥρα μὲν ἔπεμψεν αὐτῷ λύτταν: ὁ δὲ τῇ ψυχῇ δυσφορῶν εἰς μανίαν ἐνέπεσε. τοῦ πάθους δ' αὐξομένου τῶν φρενῶν ἐκτὸς γενόμενος τὸν μὲν Ἰόλαον ἐπεβάλετο κτείνειν, ἐκείνου δὲ φυγόντος καὶ τῶν παίδων τῶν ἐκ Μεγάρας πλησίον διατριβόντων, τούτους ὡς πολεμίους κατετόξευσε. [2] μόγις δὲ τῆς μανίας ἀπολυθείς, καὶ ἐπιγνοὺς τὴν ἰδίαν ἄγνοιαν, περιαλγῆς ἦν ἐπὶ τῷ μεγέθει τῆς συμφορᾶς. πάντων δ' αὐτῷ συλλυπούμενων καὶ συμπενοθύντων, ἐπὶ πολὺν χρόνον κατὰ τὴν οἰκίαν ἡσύχαζεν, ἐκκλίνων τὰς τῶν ἀνθρώπων ὁμιλίας τε καὶ ἀπαντήσεις: τέλος δὲ τοῦ χρόνου τὸ πάθος πραῦναντος κρίνας ὑπομένειν τοὺς κινδύνους παρεγένετο πρὸς Εὐρυσθέα. [3] καὶ πρῶτον μὲν ἔλαβεν ἄθλον ἀποκτείνειν τὸν ἐν Νεμέᾳ λέοντα. οὗτος δὲ μεγέθει μὲν ὑπερφυῆς ἦν, ἄτρωτος δὲ ὢν σιδήρῳ καὶ χαλκῷ καὶ λίθῳ τῆς κατὰ χεῖρα βιαζομένης προσεδεῖτο ἀνάγκης. διέτριβε δὲ μάλιστα μεταξὺ Μυκηνῶν καὶ Νεμέας περὶ ὄρος τὸ καλούμενον ἀπὸ τοῦ συμβεβηκότος Τρητόν: εἶχε γὰρ περὶ τὴν ρίζαν διώρυχα διηνεκῇ, καθ' ἣν εἰώθει φωλεῦειν τὸ θηρίον. [4] ὁ δ' Ἡρακλῆς καταντήσας ἐπὶ τὸν τόπον προσέβαλεν αὐτῷ, καὶ τοῦ θηρίου συμφυγόντος εἰς τὴν διώρυχα συνακολουθῶν αὐτῷ καὶ τὸ ἕτερον τῶν στομίων ἐμφράξας συνεπλάκη, καὶ τὸν αὐχένα σφίξας τοῖς βραχίουσιν ἀπέπνιξε. τὴν δὲ δορὰν αὐτοῦ περιθέμενος, καὶ διὰ τὸ μέγεθος ἅπαν τὸ ἴδιον σῶμα περιλαβὼν, εἶχε σκεπαστήριον τῶν μετὰ ταῦτα κινδύνων. [5] δεῦτερον δ' ἔλαβεν ἄθλον ἀποκτείνειν τὴν Λερναίαν ὕδραν, ἥς ἐξ ἐνὸς σώματος ἑκατὸν αὐχένες ἔχοντες κεφαλὰς ὄφεων διετετύπωντο. τούτων δ' εἰ μία διαφθαρεῖη, διπλασίας ὁ τμηθεὶς ἀνίει τόπος: διὸ ἦν αἰτίαν ἀήττητος ὑπάρχειν διεΐληπτο, καὶ κατὰ λόγον: τὸ γὰρ χειρωθὲν αὐτῆς μέρος διπλάσιον ἀπεδίδου βοήθημα. [6] πρὸς δὲ τὴν δυστραπέλειαν ταύτην ἐπινοήσας τι φιλοτέχνημα προσέταξεν Ἰολάῳ λαμπάδι καομένη τὸ ἀποτμηθὲν μέρος ἐπικάειν, ἵνα τὴν ῥύσιν ἐπίσχη τοῦ αἵματος. οὕτως οὖν χειρωσάμενος τὸ ζῶον εἰς τὴν χολὴν ἀέβαπτε τὰς ἀκίδας, ἵνα τὸ βληθὲν βέλος ἔχη τὴν ἐκ τῆς ἀκίδος πληγὴν ἀνίατον.

τρίτον δὲ πρόσταγμα ἔλαβεν ἐνεγκεῖν τὸν Ἑρυμάνθιον κάπρον ζῶντα, ὃς διέτριβεν ἐν τῇ Λαμπεΐᾳ τῆς Ἀρκαδίας. ἐδόκει δὲ τὸ πρόσταγμα τοῦτο πολλὴν ἔχειν δυσχέριαν: ἔδει γὰρ τὸν ἀγωνιζόμενον τοιοῦτῳ θηρίῳ τοσαύτην ἔχειν περιουσίαν ὥστε ἐπ' αὐτῆς τῆς μάχης ἀκριβῶς στοχάσασθαι τοῦ καιροῦ. ἔτι μὲν γὰρ ἰσχύοντα ἀφείς αὐτὸν ἀπὸ τῶν ὀδόντων ἂν ἐκινδύνευσε, πλέον δὲ τοῦ δέοντος καταπολεμήσας ἀπέκτεινεν, ὥστε τὸν ἄθλον ὑπάρχειν ἀσυντέλεστον. [2] ὁμῶς δὲ κατὰ τὴν μάχην ταμιευσάμενος ἀκριβῶς τὴν συμμετρίαν ἀπήνεγκε

τὸν κάπρον ζῶντα πρὸς Εὐρυσθέα: ὃν ἰδὼν ὁ βασιλεὺς ἐπὶ τῶν ὤμων φέροντα, καὶ φοβηθεὶς, ἔκρυπεν ἑαυτὸν εἰς χαλκοῦν πίθον. [3] ἅμα δὲ τούτοις πρᾶττομένοις Ἡρακλῆς κατηγωνίσαστο τοὺς ὀνομαζομένους Κενταύρους διὰ τοιαύτας αἰτίας. Φόλος ἦν Κένταυρος, ἀφ' οὗ συνέβη τὸ πλησίον ὅρος Φολόην ὀνομασθῆναι: οὗτος ξενίοις δεχόμενος Ἡρακλέα τὸν κατακεχωσμένον οἴνου πίθον ἀνέφωξε. τοῦτον γὰρ μυθολογοῦσι τὸ παλαιὸν Διόνυσον παρατεθεῖσθαι τινι Κενταύρῳ, καὶ προστάξει τότε ἀνοῖξαι ὅταν Ἡρακλῆς παραγένηται. διόπερ ὕστερον τέτταρσι γενεαῖς ἐπιξενωθέντος αὐτοῦ μνησθῆναι τὸν Φόλον τῆς Διονύσου παραγγελίας. [4] ἀνοιχθέντος οὖν τοῦ πίθου, καὶ τῆς εὐωδίας διὰ τὴν παλαιότητα καὶ δύναμιν τοῦ οἴνου προσπεσοῦσης τοῖς πλησίον οἰκοῦσι Κενταύροις, συνέβη διοιστρηθῆναι τούτους: διὸ καὶ προσπεσόντες ἀθρόοι τῇ οἰκῇ τοῦ Φόλου καταπληκτικῶς ὥρμησαν πρὸς ἀρπαγὴν. [5] ὁ μὲν οὖν Φόλος φοβηθεὶς ἔκρυπεν ἑαυτόν, ὁ δ' Ἡρακλῆς παραδόξως συνεπλάκη τοῖς βιαζομένοις: ἔδει γὰρ διαγωνίζεσθαι πρὸς τοὺς ἀπὸ μὲν μητρὸς ὄντας θεοὺς, τὸ δὲ τάχος ἔχοντας ἵππων, ῥώμῃ δὲ δισωμάτων θήρας, ἐμπειρίαν δὲ καὶ σύνεσιν ἔχοντας ἀνδρῶν. τῶν δὲ Κενταύρων οἱ μὲν πεύκας αὐτορρίζους ἔχοντες ἐπῆσαν, οἱ δὲ πέτρας μεγάλας, τινὲς δὲ λαμπάδας ἡμμένας, ἕτεροι δὲ βουφόνους πελέκεις. [6] ὁ δ' ἀκαταπλήκτως ὑποστὰς ἀξίαν τῶν προκατειργασμένων συνεστήσαστο μάχην. συνηγωνίζετο δ' αὐτοῖς ἡ μήτηρ Νεφέλη πολὺν ὄμβρον ἐκχέουσα, δι' οὗ τοὺς μὲν τετρασκελεῖς οὐκ ἔβλαπτε, τῷ δὲ δυσὶν ἡρεισμένῳ σκέλεσι τὴν βάσιν ὀλισθηρὰν κατεσκεύαζεν. ἀλλ' ὅμως τοὺς τοιούτοις προτερήμασι πλεονεκτοῦντας Ἡρακλῆς παραδόξως κατηγωνίσαστο, καὶ τοὺς μὲν πλείστους ἀπέκτεινε, τοὺς δ' ὑπολειφθέντας φυγεῖν ἠνάγκασε. [7] τῶν δ' ἀναιρεθέντων Κενταύρων ὑπῆρχον ἐπιφανέστατοι Δάφνις καὶ Ἀργεῖος καὶ Ἀμφίων, ἔτι δὲ Ἴπποτίων καὶ Ὀρειος καὶ Ἰσοπλῆς καὶ Μελαγχαίτης, πρὸς δὲ τούτοις Θηρεὺς καὶ Δούπων καὶ Φρίξος. τῶν δὲ διαφυγόντων τὸν κίνδυνον ὕστερον ἕκαστος τιμωρίας ἠξιώθη: ὅμαδος μὲν γὰρ ἐν Ἀρκαδίᾳ τὴν Εὐρυσθέως ἀδελφὸν Ἀλκυόνην βιαζόμενος ἀνῆρέθη. ἐφ' ᾧ συνέβη θαυμασθῆναι τὸν Ἡρακλέα διαφερόντως: τὸν μὲν γὰρ ἐχθρόν κατ' ἰδίαν ἐμίσησε, τὴν δ' ὕβριζομένην ἐλεῶν ἐπιεικῆ διαφέρειν ὑπελάμβανεν. [8] ἴδιον δὲ τι συνέβη καὶ περὶ τὸν Ἡρακλέους φίλον τὸν ὀνομαζόμενον Φόλον. οὗτος γὰρ διὰ τὴν συγγένειαν θάπτων τοὺς πεπτωκότας Κενταύρους, καὶ βέλος ἕκ τινος ἐξαιρῶν, ὑπὸ τῆς ἀκίδος ἐπλήγη, καὶ τὸ τραῦμα ἔχων ἀνίατον ἐτελεύτησεν. ὃν Ἡρακλῆς μεγαλοπρεπῶς θάψας ὑπὸ τὸ ὄρος ἔθηκεν, ὃ στήλης ἐνδόξου γέγονε κρεῖττον: Φολὴ γὰρ ὀνομαζόμενον διὰ τῆς ἐπωνυμίας μνηύει τὸν ταφέντα καὶ οὐ δι' ἐπιγραφῆς. ὁμοίως δὲ καὶ Χεῖρωνά τὸν ἐπὶ τῇ ἱατρικῇ θαυμαζόμενον ἀκουσίως τόξῳ βολῇ διέφθειρε. καὶ περὶ μὲν τῶν Κενταύρων ἱκανῶς ἡμῖν εἰρήσθω.

μετὰ δὲ ταῦτ' ἔλαβε πρόσταγμα τὴν χρυσόκερων μὲν οὖσαν ἔλαφον, τάχει δὲ διαφέρονσαν, ἀγαγεῖν. τοῦτον δὲ τὸν ἄθλον συντελῶν τὴν ἐπίνοιαν ἔσχεν οὐκ ἀχρηστοτέραν τῆς κατὰ τὸ σῶμα ῥώμης. οἱ μὲν γὰρ φασιν αὐτὴν ἄρκυσιν ἐλεῖν, οἱ δὲ διὰ τῆς στιβείας χειρώσασθαι καθεύδουσαν, τινὲς δὲ συνεχεῖ διωγμῷ καταπονῆσαι: πλὴν ἄνευ βίας καὶ κινδύνων διὰ τῆς κατὰ τὴν ψυχὴν

ἀγχινοίας τὸν ἄθλον τοῦτον κατειργάσατο. [2] ὁ δ' Ἡρακλῆς πρόσταγμα λαβὼν τὰς ἐκ τῆς Στυμφαλίδος λίμνης ὄρνιθας ἐξελάσαι, τέχνη καὶ ἐπινοία ῥαδίως συνετέλεσε τὸν ἄθλον. ἐπεπόλασε γάρ, ὡς ἔοικεν, ὄρνιθων πλῆθος ἀμύθητον, καὶ τοὺς ἐν τῇ πλησίον χώρα καρποὺς ἐλυμαίνετο. βία μὲν οὖν ἀδύνατον ἦν χειρώσασθαι τὰ ζῷα διὰ τὴν ὑπερβολὴν τοῦ πλήθους, φιλοτέχνου δ' ἐπινοίας ἡ πρᾶξις προσεδεῖτο. διόπερ κατασκευάσας χαλκὴν πλαταγὴν, καὶ διὰ ταύτης ἐξαίσιον κατασκευάζων ψόφον, ἐξεφόβει τὰ ζῷα, καὶ πέρας τῇ συνεχείᾳ τοῦ κρότου ῥαδίως ἐκπολιορκήσας καθαρὰν ἐποίησε τὴν λίμνην. [3] τελέσας δὲ καὶ τοῦτον τὸν ἄθλον ἔλαβε παρ' Εὐρυσθέως πρόσταγμα τὴν αὐλὴν τὴν Αὐγέου καθᾶραι μηδενὸς βοηθοῦντος· αὕτη δ' ἐκ πολλῶν χρόνων ἡθροισμένην κόπρον εἶχεν ἄπλατον, ἣν ὕβρεως ἕνεκεν Εὐρυσθεὺς προσέταξε καθᾶραι. ὁ δ' Ἡρακλῆς τὸ μὲν τοῖς ὤμοις ἐξενεγκεῖν ταύτην ἀπεδοκίμασεν, ἐκκλίνων τὴν ἐκ τῆς ὕβρεως αἰσχύνῃν· ἐπαγαγὼν δὲ τὸν Ἀλφειὸν καλούμενον ποταμὸν ἐπὶ τὴν αὐλήν, καὶ διὰ τοῦ ρεύματος ἐκκαθάρας αὐτήν, χωρὶς ὕβρεως συνετέλεσε τὸν ἄθλον ἐν ἡμέρᾳ μιᾷ. διὸ καὶ θαυμάσαι τις ἂν τὴν ἐπίνοιαν· τὸ γὰρ ὑπερήφανον τοῦ προστάγματος χωρὶς αἰσχύνῃς ἐπετέλεσεν, οὐδὲν ὑπομείνας ἀνάξιον τῆς ἀθανασίας. [4] μετὰ δὲ ταῦτα λαβὼν ἄθλον τὸν ἐκ Κρήτης ταῦρον ἀγαγεῖν, οὗ Πασιφάνην ἐρασθῆναι φασί, πλεύσας εἰς τὴν νῆσον, καὶ Μίνω τὸν βασιλέα συνεργὸν λαβών, ἤγαγεν αὐτὸν εἰς Πελοπόννησον, τὸ τηλικούτον πέλαγος ἐπ' αὐτῷ ναυστοληθεῖς.

τελέσας δὲ τοῦτον τὸν ἄθλον τὸν Ὀλυμπικὸν ἀγῶνα συνεστήσατο, κάλλιστον τῶν τόπων πρὸς τηλικαύτην πανηγυρίν προκρίνας τὸ παρὰ τὸν Ἀλφειὸν ποταμὸν πεδίον, ἐν ᾧ τὸν ἀγῶνα τοῦτον τῷ Διὶ τῷ πατρίῳ καθιέρωσε. στεφανίτην δ' αὐτὸν ἐποίησεν, ὅτι καὶ αὐτὸς εὐηργέτησε τὸ γένος τῶν ἀνθρώπων οὐδένα λαβὼν μισθόν. [2] τὰ δ' ἀθλήματα πάντα αὐτὸς ἀδηρίτως ἐνίκησε, μηδενὸς τολμήσαντος αὐτῷ συγκριθῆναι διὰ τὴν ὑπερβολὴν τῆς ἀρετῆς, καίπερ τῶν ἀθλημάτων ἐναντίων ἀλλήλοις ὄντων· τὸν γὰρ πύκτην ἢ παγκρατιαστήν τοῦ σταδιέως δύσκολον περιγενέσθαι, καὶ πάλιν τὸν ἐν τοῖς κούφοις ἀθλήμασι πρωτεύοντα καταγωνίσασθαι τοὺς ἐν τοῖς βαρέσιν ὑπερέχοντας δυσχερὲς κατανοῆσαι. διόπερ εἰκότως ἐγένετο τιμώτατος ἀπάντων τῶν ἀγώνων οὗτος, τὴν ἀρχὴν ἀπ' ἀγαθοῦ λαβών. [3] οὐκ ἄξιον δὲ παραλιπεῖν οὐδὲ τὰς ὑπὸ τῶν θεῶν αὐτῷ δοθείσας δωρεὰς διὰ τὴν ἀρετήν. ἀπὸ γὰρ τῶν πολέμων τραπέντος αὐτοῦ πρὸς ἀνέσεις τε καὶ πανηγύρεις, ἔτι δ' εορτὰς καὶ ἀγῶνας, ἐτίμησαν αὐτὸν δωρεαῖς οἰκεῖαις ἕκαστος τῶν θεῶν, Ἀθηνᾶ μὲν πέπλῳ, Ἥφαιστος δὲ ῥοπάλῳ καὶ θώρακι· καὶ πρὸς ἀλλήλους ἐφιλοτιμήθησαν οἱ προειρημένοι θεοὶ κατὰ τὰς τέχνας, τῆς μὲν πρὸς εἰρηνικὴν ἀπόλαυσιν καὶ τέρψιν, τοῦ δὲ πρὸς τὴν τῶν πολεμικῶν κινδύνων ἀσφάλειαν. τῶν δ' ἄλλων Ποσειδῶν μὲν ἵππους ἐδωρήσατο, Ἑρμῆς δὲ ξίφος, Ἀπόλλων δὲ τόξον τε ἔδωκε καὶ τοξεύειν ἐδίδαξε, Δημήτηρ δὲ πρὸς τὸν καθαρμὸν τοῦ Κενταύρων φόνου τὰ μικρὰ μυστήρια συνεστήσατο, τὸν Ἡρακλέα τιμῶσα. [4] ἴδιον δὲ τι συνέβη καὶ κατὰ τὴν γένεσιν τοῦ θεοῦ τούτου συντελεσθῆναι. Ζεὺς γὰρ πρώτη μὲν ἐμίγη γυναικὶ θνητῇ Νιόβῃ τῇ Φορωνέῳ, ἐσχάτῃ δ' Ἀλκμήνῃ· ταύτην δ' ἀπὸ Νιόβης ἐκκαιδεκάτην οἱ μυθογράφοι γενεαλογοῦσιν· ὥστε τοῦ γεννᾶν ἀνθρώπους ἐκ μὲν τῶν ταύτης

ταύτης προγόνων ἦρξατο, εἰς αὐτὴν δὲ ταύτην κατέληξεν: ἐν ταύτῃ γὰρ τὰς πρὸς θνητὴν ὁμιλίας κατέλυσε, καὶ κατὰ τοὺς ὕστερον χρόνους οὐδένα τούτων γεννήσκειν ἄξιον ἐλπίζων οὐκ ἐβουλήθη τοῖς κρείττοσιν ἐπεισάγειν τὰ χεῖρω.

μετὰ δὲ ταῦτα τῶν περὶ τὴν Παλλήνην γιγάντων ἐλομένων τὸν πρὸς τοὺς ἀθανάτους πόλεμον, Ἡρακλῆς τοῖς θεοῖς συναγωνισάμενος καὶ πολλοὺς ἀνελὼν τῶν γηγενῶν ἀποδοχῆς ἔτυχε τῆς μεγίστης. Ζεὺς γὰρ τοὺς μὲν συναγωνισαμένους τῶν θεῶν μόνους ὠνόμασεν Ὀλυμπίους, ἵνα τῇ ταύτης τιμῇ ὁ ἀγαθὸς κοσμηθεῖς ἐπωνυμία διαφέρῃ τοῦ χείρονος: ἡξίωσε δὲ ταύτης τῆς προσηγορίας τῶν ἐκ θνητῶν γυναικῶν γενομένων Διόνυσον καὶ Ἡρακλέα, οὐ μόνον ὅτι πατὴρ ἦσαν Διὸς, ἀλλὰ διότι καὶ τὴν προαίρεσιν ὁμοίαν ἔσχον, εὐεργετήσαντες μεγάλα τὸν βίον τῶν ἀνθρώπων. [2] Ζεὺς δέ, Προμηθέως παραδόντος τὸ πῦρ τοῖς ἀνθρώποις, δεσμοῖς κατελάβετο καὶ παρέστησεν ἀετὸν τὸν ἐσθίοντα τὸ ἥπαρ αὐτοῦ. Ἡρακλῆς δ' ὀρῶν τῆς τιμωρίας αὐτὸν τυγχάνοντα διὰ τὴν τῶν ἀνθρώπων εὐεργεσίαν, τὸν μὲν ἀετὸν κατετόξευσε, τὸν δὲ Δία πείσας λῆξαι τῆς ὀργῆς ἔσωσε τὸν κοινὸν εὐεργέτην. [3] μετὰ δὲ ταῦτα ἔλαβεν ἄθλον ἀγαγεῖν τὰς Διομήδους τοῦ Θρακὸς ἵππους. αὗται δὲ χαλκᾶς μὲν φάτνας εἶχον διὰ τὴν ἀγριότητα, ἀλύσεσι δὲ σιδηραῖς διὰ τὴν ἰσχὺν ἐδεσμεύοντο, τροφὴν δ' ἐλάμβανον οὐ τὴν ἐκ γῆς φυομένην, ἀλλὰ τὰ τῶν ξένων μέλη διαιρούμεναι τροφὴν εἶχον τὴν συμφορὰν τῶν ἀκληρούντων. ταύτας ὁ Ἡρακλῆς βουλόμενος χειρώσασθαι τὸν κύριον Διομήδην παρέβαλε, καὶ ταῖς τοῦ παρανομεῖν διδάξαντος σαρκὶν ἐκπληρώσας τὴν ἔνδειαν τῶν ζώων εὐπειθεῖς ἔσχεν. [4] Εὐρύσθευς δ' ἀχθειςὼν πρὸς αὐτὸν τῶν ἵππων ταύτας μὲν ἱερὰς ἐποίησεν Ἥρας, ὧν τὴν ἐπιγονὴν συνέβη διαμεῖναι μέχρι τῆς Ἀλεξάνδρου τοῦ Μακεδόνοιο βασιλείας. τοῦτον δὲ τὸν ἄθλον ἐπιτελέσας μετ' Ἰάσονος συνεξέπλευσε συστρατεύσων ἐπὶ τὸ χρυσόμαλλον δέρος εἰς Κόλχους. ἀλλὰ περὶ μὲν τούτων ἐν τῇ τῶν Ἀργοναυτῶν στρατείᾳ τὰ κατὰ μέρος διέξιμεν.

Ἡρακλῆς δὲ λαβὼν πρόσταγμα τὸν Ἱππολύτης τῆς Ἀμαζόνος ἐνεγκεῖν ζωστήρα, τὴν ἐπὶ τὰς Ἀμαζόνας στρατείαν ἐποίησατο. πλεύσας οὖν εἰς τὸν Εὐξείνιον ἀπ' ἐκείνου κληθέντα Πόντον, καὶ καταπλεύσας ἐπὶ τὰς ἐκβολὰς τοῦ Θερμώδοντος ποταμοῦ, πλησίον Θεμισκύρας πόλεως κατεστρατοπέδευσε, ἐν ᾗ τὰ βασίλεια τῶν Ἀμαζόνων ὑπῆρχε. [2] καὶ τὸ μὲν πρῶτον ἦται παρ' αὐτῶν τὸν προστεταγμένον ζωστήρα: ὥς δ' οὐχ ὑπήκουον, συνῆψε μάχην αὐταῖς. τὸ μὲν οὖν ἄλλο πλῆθος αὐτῶν ἀντετάχθη τοῖς πολλοῖς, αἱ δὲ τιμιώταται κατ' αὐτὸν ταχθεῖσαι τὸν Ἡρακλέα μάχην καρτερὰν συνεστήσαντο. πρώτη μὲν γὰρ αὐτῶν συνάψασα μάχην Ἀελλα, καὶ διὰ τὸ τάχος ταύτης τετευχυῖα τῆς προσηγορίας, ὀξύτερον εὗρεν αὐτῆς τὸν ἀντιταχθέντα. δευτέρα δὲ Φυλιππίς εὐθὺς ἐκ τῆς πρώτης συστάσεως καιρίῳ πληγῇ περιπεσοῦσα διεφθάρη. μετὰ δὲ ταῦτα Προθόη συνῆψε μάχην, ἣν ἐκ προκλήσεως ἔφασαν ἐπτάκις νενικηκέναι τὸν ἀντιταξάμενον. πεσοῦσης δὲ καὶ ταύτης, τετάρτην χειρώσατο τὴν ὀνομαζομένην Ἐρίβοιαν. αὕτη δὲ διὰ τὴν ἐν τοῖς πολεμικοῖς ἀγῶσιν ἀνδραγαθίαν καυχωμένην μηδενὸς χρεῖαν ἔχειν βοηθοῦ, ψευδῇ τὴν ἐπαγγελίαν ἔσχε κρείττονι περιπεσοῦσα. [3] μετὰ δὲ ταύτας

Κελαινῶ καὶ Εὐρυβία καὶ Φοίβῃ, τῆς Ἀρτέμιδος οὔσαι συγκυνηγοὶ καὶ διὰ παντὸς εὐστόχως ἀκοντίζουσαι, τὸν ἕνα στόχον οὐκ ἔτρωσαν, ἀλλ' ἑαυταῖς συνασπίζουσαι τότε πᾶσαι κατεκόπησαν. μετὰ δὲ ταύτας Δηιάνειραν καὶ Ἀστερίαν καὶ Μάρπην, ἔτι δὲ Τέκμησσαν καὶ Ἀλκίππην ἐχειρώσατο. αὕτη δ' ὁμόσασα παρθένος διαμενεῖν τὸν μὲν ὄρκον ἐφύλαξε, τὸ δὲ ζῆν οὐ διετήρησεν. ἡ δὲ τὴν στρατηγίαν ἔχουσα τῶν Ἀμαζόνων Μελανίππη καὶ θαυμαζομένη μάλιστα δι' ἀνδρείαν ἀπέβαλε τὴν ἡγεμονίαν. [4] Ἡρακλῆς δὲ τὰς ἐπιφανεστάτας τῶν Ἀμαζονίδων ἀνελὼν καὶ τὸ λοιπὸν πλῆθος φυγεῖν συναναγκάσας, κατέκοψε τὰς πλείστας, ὥστε παντελῶς τὸ ἔθνος αὐτῶν συντριβῆναι. τῶν δ' αἰχμαλωτίδων Ἀντιόπην μὲν ἐδωρήσατο Θησεῖ, Μελανίππην δ' ἀπελύτρωσεν ἀντιλαβὼν τὸν ζωστήρα.

Εὐρυσθέως δὲ προστάξαντος ἄθλον δέκατον τὰς Γηρυνόου βοῦς ἀγαγεῖν, ἃς νέμεσθαι συνέβαινε τῆς Ἰβηρίας ἐν τοῖς πρὸς τὸν ὠκεανὸν κεκλιμένοις μέρεσιν, Ἡρακλῆς θεωρῶν τὸν πόνον τοῦτον μεγάλης προσδεόμενον παρασκευῆς καὶ κακοπαθείας, συνεστήσατο στόλον ἀξιόλογον καὶ πλῆθος στρατιωτῶν ἀξιόχρεων ἐπὶ ταύτην τὴν στρατείαν. [2] διεβεβόητο γὰρ κατὰ πᾶσαν τὴν οἰκουμένην ὅτι Χρυσάωρ ὁ λαβὼν ἀπὸ τοῦ πλούτου τὴν προσηγορίαν βασιλεύει μὲν ἀπάσης Ἰβηρίας, τρεῖς δ' ἔχει συναγωνιστὰς υἱούς, διαφέροντας ταῖς τε ρώμαις τῶν σώματων καὶ ταῖς ἐν τοῖς πολεμικοῖς ἀγῶσιν ἀνδραγαθίαις, πρὸς δὲ τούτοις ὅτι τῶν υἱῶν ἕκαστος μεγάλας ἔχει δυνάμεις συνεστῶσας ἐξ ἐθνῶν μαχίμων· ὧν δὴ χάριν ὁ μὲν Εὐρυσθεὺς νομίζων δυσέφικτον εἶναι τὴν ἐπὶ τούτους στρατείαν, προσετετάχει τὸν προειρημένον ἄθλον. [3] ὁ δ' Ἡρακλῆς ἀκολούθως ταῖς προκατειργασμέναις πράξεσι τεθαρρηκότως ὑπέστη τοὺς κινδύνους. καὶ τὰς μὲν δυνάμεις ἤθροισεν εἰς Κρήτην, κεκρικῶς ἐκ ταύτης ποιεῖσθαι τὴν ὁρμὴν· σφόδρα γὰρ εὐφυῶς ἡ νῆσος αὕτη κεῖται πρὸς τὰς ἐφ' ὅλην τὴν οἰκουμένην στρατείας. πρὸ δὲ τῆς ἀναγωγῆς τιμηθεὶς ὑπὸ τῶν ἐγχωρίων μεγαλοπρεπῶς, καὶ βουλόμενος τοῖς Κρησὶ χαρίσασθαι, καθαρὰν ἐποίησε τὴν νῆσον τῶν θηρίων. διόπερ ἐν τοῖς ὕστερον χρόνοις οὐδὲν ἔτι τῶν ἀγρίων ζῶων ὑπῆρχεν ἐν τῇ νήσῳ, οἷον ἄρκτων, λύκων, ὄφεων ἢ τῶν ἄλλων τῶν τοιούτων. ταῦτα δ' ἔπραξεν ἀποσεμνύνων τὴν νῆσον, ἐν ᾗ μυθολογοῦσι καὶ γενέσθαι καὶ τραφῆναι τὸν Δία. [4] ποιησάμενος οὖν τὸν ἐκ ταύτης πλοῦν κατήρην εἰς τὴν Λιβύην, καὶ πρῶτον μὲν Ἀνταῖον τὸν ρώμῃ σώματος καὶ παλαιίστρας ἐμπειρία διαβεβοημένον καὶ τοὺς ὑπ' αὐτοῦ καταπαλαιισθέντας ξένους ἀποκτείναντα προκαλεσάμενος εἰς μάχην καὶ συμπλακεῖς διέφθειρεν. ἀκολούθως δὲ τούτοις τὴν μὲν Λιβύην πλήθουσιν ἀγρίων ζῶων, πολλὰ τῶν κατὰ τὴν ἔρημον χώραν χειρωσάμενος, ἐξημέρωσεν, ὥστε καὶ γεωργίαις καὶ ταῖς ἄλλαις φυτεῖαις ταῖς τοὺς καρποὺς παρασκευαζούσαις πληρωθῆναι πολλὴν μὲν ἀμπελόφυτον χώραν, πολλὴν δ' ἐλαιοφόρον· καθόλου δὲ τὴν Λιβύην διὰ τὸ πλῆθος τῶν κατὰ τὴν χώραν θηρίων ἀοίκητον πρότερον οὔσαν ἐξημερώσας ἐποίησε μηδεμιᾶς χώρας εὐδαιμονία λείπεσθαι. [5] ὁμοίως δὲ καὶ τοὺς παρανομοῦντας ἀνθρώπους ἢ δυνάστας ὑπερηφάνους ἀποκτείνας τὰς πόλεις ἐποίησεν εὐδαίμονας. μυθολογοῦσι δ' αὐτὸν διὰ τοῦτο μισῆσαι καὶ πολεμῆσαι τὸ γένος τῶν ἀγρίων θηρίων καὶ παρανόμων ἀνδρῶν, ὅτι παιδὶ μὲν

ὄντι νηπίῳ συνέβη τοὺς ὄφεις ἐπιβούλους αὐτῷ γενέσθαι, ἀνδρωθέντι δὲ πεσεῖν ὑπ' ἐξουσίαν ὑπερηφάνου καὶ ἀδίκου μονάρχου τοῦ τοὺς ἄλλους προστάττοντος.

μετὰ δὲ τὸν Ἀνταίου θάνατον παρελθὼν εἰς Αἴγυπτον ἀνεῖλε Βούσιριν τὸν βασιλέα ξενοκτονοῦντα τοὺς παρεπιδημοῦντας. διεξίῳν δὲ τὴν ἄνυδρον τῆς Λιβύης, καὶ περιτυχὼν χώρα καταρρύτῳ καὶ καρποφόρῳ, πόλιν ἔκτισε θαυμαστὴν τῷ μεγέθει, τὴν ὀνομαζομένην Ἑκατόμυλον, ἣ ἔθετο τὴν προσηγορίαν ἀπὸ τοῦ πλήθους τῶν κατ' αὐτὴν πυλῶν. διαμεμένηκε δὲ ἡ ταύτης τῆς πόλεως εὐδαιμονία μέχρι τῶν νεωτέρων καιρῶν, ἐν οἷς Καρχηδόνιοι δυνάμεσιν ἀξιολόγοις καὶ στρατηγοῖς ἀγαθοῖς στρατεύσαντες [2] ἐπ' αὐτὴν κύριοι κατέστησαν. ὁ δ' Ἡρακλῆς πολλὴν τῆς Λιβύης ἐπελθὼν παρῆλθεν ἐπὶ τὸν πρὸς Γαδεῖροις ὠκεανόν, καὶ στήλας ἔθετο καθ' ἑκατέραν τῶν ἡπείρων. συμπαραπλέοντος δὲ τοῦ στόλου διαβάς εἰς τὴν Ἰβηρίαν, καὶ καταλαβὼν τοὺς Χρυσάορος υἱοὺς τρισὶ δυνάμεσι μεγάλαις κατεστρατοπεδευκότας ἐκ διαστήματος, πάντας τοὺς ἡγεμόνας ἐκ προκλήσεως ἀνελὼν καὶ τὴν Ἰβηρίαν χειρῳσάμενος ἀπῆλασε τὰς διωνομασμένας τῶν βοῶν ἀγέλας. [3] διεξίῳν δὲ τὴν τῶν Ἰβήρων χώραν, καὶ τιμηθεὶς ὑπὸ τινος τῶν ἐγχωρίων βασιλέως, ἀνδρὸς εὐσεβεῖα καὶ δικαιοσύνη διαφέροντος, κατέλιπε μέρος τῶν βοῶν ἐν δωρεαῖς τῷ βασιλεῖ. ὁ δὲ λαβὼν ἀπάσας καθιέρωσεν Ἡρακλεῖ, καὶ κατ' ἐνιαυτὸν ἐκ τούτων ἔθυσεν αὐτῷ τὸν καλλιστεύοντα τῶν ταύρων: τὰς δὲ βοῦς τηρουμένας συνέβη ἱεράς διαμεῖναι κατὰ τὴν Ἰβηρίαν μέχρι τῶν καθ' ἡμᾶς καιρῶν. [4] ἡμεῖς δ' ἐπεὶ περὶ τῶν Ἡρακλέους στηλῶν ἐμνήσθημεν, οἰκεῖον εἶναι νομίζομεν περὶ αὐτῶν διελθεῖν. Ἡρακλῆς γὰρ παραβαλὼν εἰς τὰς ἄκρας τῶν ἡπείρων τὰς παρὰ τὸν ὠκεανὸν κειμένας τῆς τε Λιβύης καὶ τῆς Εὐρώπης ἔγνω τῆς στρατείας θέσθαι στήλας ταύτας. βουλόμενος δ' ἀείμνηστον ἔργον ἐπ' αὐτῷ συντελέσαι, [5] φασὶ τὰς ἄκρας ἀμφοτέρως ἐπὶ πολὺ προχωῶσαι: διὸ καὶ πρότερον διεστηκυίας ἀπ' ἀλλήλων πολὺ διάστημα, συναγαγεῖν τὸν πόρον εἰς στενόν, ὅπως ἀλιτενοῦς καὶ στενοῦ γενομένου καλύπῃται τὰ μεγάλα κήτη διεκπίπτειν ἐκ τοῦ ὠκεανοῦ πρὸς τὴν ἐντὸς θάλατταν, ἅμα δὲ καὶ διὰ τὸ μέγεθος τῶν ἔργων μένη ἀείμνηστος ἡ δόξα τοῦ κατασκευάσαντος: ὥς δὲ τινὲς φασι, τοῦναντίον τῶν ἡπείρων ἀμφοτέρων συνεzeugμένων διασκάψαι ταύτας, καὶ τὸν πόρον ἀνοίξαντα ποιῆσαι τὸν ὠκεανὸν μίσγεσθαι τῇ καθ' ἡμᾶς θαλάττῃ. ἀλλὰ περὶ μὲν τούτων ἐξέσται σκοπεῖν ὥς ἂν ἕκαστος ἑαυτὸν πείθῃ. [6] τὸ παραπλήσιον δὲ τούτοις ἔπραξε πρότερον κατὰ τὴν Ἑλλάδα. περὶ μὲν γὰρ τὰ καλούμενα Τέμπη τῆς πεδιάδος χώρας ἐπὶ πολὺν τόπον λιμναζούσης διέσκαψε τὸν συνεχῇ τόπον, καὶ κατὰ τῆς διώρυχος δεξάμενος ἅπαν τὸ κατὰ τὴν λίμνην ὕδωρ ἐποίησε τὰ πεδία φανῆναι τὰ κατὰ τὴν Θετταλίαν παρὰ τὸν Πηνειὸν ποταμόν: [7] ἐν δὲ τῇ Βοιωτίᾳ τοῦναντίον ἐμφράξας τὸ περὶ τὸν Μινύειον Ὀρχομενὸν ρεῖθρον ἐποίησε λιμνάζειν: τὴν χώραν καὶ φθαρῆναι τὰ κατ' αὐτὴν ἅπαντα. ἀλλὰ τὰ μὲν κατὰ τὴν Θετταλίαν ἔπραξεν εὐεργετῶν τοὺς Ἕλληνας, τὰ δὲ κατὰ τὴν Βοιωτίαν τιμωρίαν λαμβάνων παρὰ τῶν τὴν Μινυάδα κατοικούντων διὰ τὴν τῶν Θεβαίων καταδούλωσιν.

ὁ δ' Ἡρακλῆς τῶν μὲν Ἰβήρων παρέδωκε τὴν βασιλείαν τοῖς ἀρίστοις τῶν

ἐγχωρίων, αὐτὸς δ' ἀναλαβὼν τὴν δύναμιν καὶ καταντήσας εἰς τὴν Κελτικήν καὶ πᾶσαν ἐπελθὼν κατέλυσε μὲν τὰς συνήθεις παρανομίας καὶ ξενοκτονίας, πολλοῦ δὲ πλήθους ἀνθρώπων ἐξ ἅπαντος ἔθνους ἔκουσίως συστρατεύοντος ἔκτισε πόλιν εὐμεγέθη τὴν ὀνομασθεῖσαν ἀπὸ τῆς κατὰ τὴν στρατείαν ἄλλης Ἀλησίαν. [2] πολλοὺς δὲ καὶ τῶν ἐγχωρίων ἀνέμιξεν εἰς τὴν πόλιν: ὧν ἐπικρατησάντων τῷ πλήθει πάντας τοὺς ἐνοικοῦντας ἐκβαρβαρωθῆναι συνέβη. οἱ δὲ Κελτοὶ μέχρι τῶνδε τῶν καιρῶν τιμῶσι ταύτην τὴν πόλιν, ὡς ἀπάσης τῆς Κελτικῆς οὖσαν ἐστὶν καὶ μητρόπολιν. διέμεινε δ' αὕτη πάντα τὸν ἄφ' Ἡρακλέους χρόνον ἐλευθέρα καὶ ἀπόρθητος μέχρι τοῦ καθ' ἡμᾶς χρόνου: τὸ δὲ τελευταῖον ὑπὸ Γαίου Καίσαρος τοῦ διὰ τὸ μέγεθος τῶν πράξεων θεοῦ προσαγορευθέντος ἐκ βίας ἀλοῦσα συνηναγκάσθη μετὰ πάντων τῶν ἄλλων Κελτῶν ὑποταγῆναι Ῥωμαίοις. [3] ὁ δ' Ἡρακλῆς τὴν ἐκ τῆς Κελτικῆς πορείαν ἐπὶ τὴν Ἰταλίαν ποιούμενος, καὶ διεξιὼν τὴν ὀρεινὴν τὴν κατὰ τὰς Ἀλπεῖς, ὠδοποίησε τὴν τραχύτητα τῆς ὁδοῦ καὶ τὸ δύσβατον, ὥστε δύνασθαι στρατοπέδοις καὶ ταῖς τῶν ὑποζυγίων ἀποσκευαῖς βάσιμον εἶναι. [4] τῶν δὲ τὴν ὀρεινὴν ταύτην κατοικούντων βαρβάρων εἰωθότων τὰ διεξιόντα τῶν στρατοπέδων περικόπτειν καὶ ληστεύειν ἐν ταῖς δυσχωρίαις, χειρωσάμενος ἅπαντας καὶ τοὺς ἡγεμόνας τῆς παρανομίας ἀνελὼν ἐποίησεν ἀσφαλῆ τοῖς μεταγενεστέροις τὴν ὁδοιπορίαν. διελθὼν δὲ τὰς Ἀλπεῖς καὶ τῆς νῦν καλουμένης Γαλατίας τὴν πεδιάδα διεξιὼν ἐποίησατο τὴν πορείαν διὰ τῆς Λιγυστικῆς.

οἱ δὲ ταύτην τὴν χώραν οἰκοῦντες Λίγυες νέμονται γῆν τραχεῖαν καὶ παντελῶς λυπρὰν: τῶν δ' ἐγχωρίων ταῖς ἐργασίαις καὶ ταῖς τῆς κακοπαθείας ὑπερβολαῖς φέρει καρποὺς πρὸς βίαν ὀλίγους. διὸ καὶ τοῖς ὄγκοις εἰσὶ συνεσταλμένοι καὶ διὰ τὴν συνεχῆ γυμνασίαν εὐτονοὶ: τῆς γὰρ κατὰ τὴν τρυφὴν ῥαστώνης πολὺ κεχωρισμένοι ἐλαφροὶ μὲν ταῖς εὐκινήσιαις εἰσὶν, ἐν δὲ τοῖς πολεμικοῖς ἀγῶσι ταῖς ἀλκαῖς διάφοροι. [2] καθόλου δὲ τῶν πλησιοχώρων τὸ πονεῖν συνεχῶς ἡσκηκότων, καὶ τῆς χώρας πολλῆς ἐργασίας προσδεομένης, εἰθίκασι τὰς γυναῖκας τῶν κακοπαθειῶν τῶν ἐν ταῖς ἐργασίαις κοινωνοὺς ποιεῖσθαι. μισθοῦ δὲ παρ' ἀλλήλοις ἐργαζομένων τῶν τε ἀνδρῶν καὶ τῶν γυναικῶν, ἴδιόν τι καὶ παράδοξον καθ' ἡμᾶς συνέβη περὶ μίαν γυναῖκα γενέσθαι. [3] ἔγκυος γὰρ οὖσα καὶ μετὰ τῶν ἀνδρῶν ἐργαζομένη μισθοῦ, μεταξὺ συνεχομένη ταῖς ὥδισιν ἀπῆλθεν εἰς τινὰς θάμνους ἀθορύβως: ἐν οἷς τεκοῦσα, καὶ τὸ παιδίον φύλλοις ἐνειλήσασα, τοῦτο μὲν ἀπέκρυπεν, αὐτὴ δὲ συμμίζασα τοῖς ἐργαζομένοις τὴν αὐτὴν ἐκείνοις ὑπέμεινε κακοπάθειαν, οὐδὲν δηλώσασα περὶ τοῦ συμβεβηκότος. τοῦ βρέφους δὲ κλαυθυμιζομένου, καὶ τῆς πράξεως φανερᾶς γενομένης, ὁ μὲν ἐφεστηκὼς οὐδαμῶς ἠδύνατο πείσαι παύσασθαι τῶν ἔργων: ἡ δ' οὐ πρότερον ἀπέστη τῆς κακοπαθείας, ἕως ὃ μισθωσάμενος ἐλεήσας καὶ τὸν μισθὸν ἀποδοὺς ἀπέλυσε τῶν ἔργων.

Ἡρακλῆς δὲ διελθὼν τὴν τε τῶν Λιγύων καὶ τὴν τῶν Τυρρηνῶν χώραν, καταντήσας πρὸς τὸν Τίβεριν ποταμὸν κατεστρατοπέδευσε οὗ νῦν ἡ Ῥώμη ἐστίν. ἀλλ' αὕτη μὲν πολλὰς γενεαῖς ὕστερον ὑπὸ Ῥωμύλου τοῦ Ἀρεὸς ἐκτίσθη, τότε δὲ τινες τῶν ἐγχωρίων κατῴκουν ἐν τῷ νῦν καλουμένῳ

Παλατίῳ, μικρὰν παντελῶς πόλιν οἰκοῦντες. [2] ἐν ταύτῃ δὲ τῶν ἐπιφανῶν ὄντες ἀνδρῶν Κάκιος καὶ Πινάριος ἐδέξαντο τὸν Ἡρακλέα ξενίοις ἀξιολόγοις καὶ δωρεαῖς κεχαρισμέναις ἐτίμησαν· καὶ τούτων τῶν ἀνδρῶν ὑπομνήματα μέχρι τῶνδε τῶν καιρῶν διαμένει κατὰ τὴν Ῥώμην. τῶν γὰρ νῦν εὐγενῶν ἀνδρῶν τὸ τῶν Πιναρίων ὀνομαζομένων γένος διαμένει παρὰ τοῖς Ῥωμαίοις, ὡς ὑπάρχον ἀρχαιότατον, τοῦ δὲ Κακίου ἐν τῷ Παλατίῳ κατὰβάσις ἐστὶν ἔχουσα λιθίνην κλίμακα τὴν ὀνομαζομένην ἀπ' ἐκείνου Κακίαν, οὕσαν πλησίον τῆς τότε γενομένης οἰκίας τοῦ Κακίου. [3] ὁ δ' οὖν Ἡρακλῆς ἀποδεξάμενος τὴν εὐνοίαν τῶν τὸ Παλάτιον οἰκούντων, προεῖπεν αὐτοῖς ὅτι μετὰ τὴν ἑαυτοῦ μετάστασιν εἰς θεοὺς τοῖς εὐξαμένοις ἐκδεκατεύσειν Ἡρακλεῖ τὴν οὐσίαν συμβήσεται τὸν βίον εὐδαιμονέστερον ἔχειν. ὁ καὶ συνέβη κατὰ τοὺς ὕστερον χρόνους διαμεῖναι μέχρι τῶν καθ' ἡμᾶς χρόνων· [4] πολλοὺς γὰρ τῶν Ῥωμαίων οὐ μόνον τῶν συμμέτρους οὐσίας κεκτημένων, ἀλλὰ καὶ τῶν μεγαλοπλούτων τινὰς εὐξαμένους ἐκδεκατεύσειν Ἡρακλεῖ, καὶ μετὰ ταῦτα γενομένους εὐδαίμονας, ἐκδεκατεῦσαι τὰς οὐσίας οὕσας ταλάντων τετρακισχιλίων. Λεύκολλος γὰρ ὁ τῶν καθ' αὐτὸν Ῥωμαίων σχεδόν τι πλουσιώτατος ὢν διατιμησάμενος τὴν ἰδίαν οὐσίαν κατέθευσε τῷ θεῷ πᾶσαν τὴν δεκάτην, εὐωχίας ποιῶν συνεχεῖς καὶ πολυδαπάνους. κατεσκεύασαν δὲ καὶ Ῥωμαῖοι τούτῳ τῷ θεῷ παρὰ τὸν Τίβεριν ἱερὸν ἀξιόλογον, ἐν ᾧ νομίζουσι συντελεῖν τὰς ἐκ τῆς δεκάτης θυσίας. [5] ὁ δ' οὖν Ἡρακλῆς ἀπὸ τοῦ Τιβέρεως ἀναζεῦξας, καὶ διεξιὼν τὴν παράλιον τῆς νῦν Ἰταλίας ὀνομαζομένης, κατήνησεν εἰς τὸ Κυμαῖον πεδῖον, ἐν ᾧ μυθολογοῦσιν ἄνδρας γενέσθαι ταῖς τε Ῥώμαις προέχοντας καὶ ἐπὶ παρανομίᾳ διωνομασμένους, οὓς ὀνομάζεσθαι γίγαντας. ὀνομάσθαι δὲ καὶ τὸ πεδῖον τοῦτο Φλεγραῖον ἀπὸ τοῦ λόφου τοῦ τὸ παλαιὸν ἐκφυσῶντος ἄπλατον πῦρ παραπλησίως τῇ κατὰ τὴν Σικελίαν Αἴτνῃ· καλεῖται δὲ νῦν ὁ λόφος Οὐεσουούιος, ἔχων πολλὰ σημεῖα τοῦ κεκαῦσθαι κατὰ τοὺς ἀρχαίους χρόνους. [6] τοὺς δ' οὖν γίγαντας πυθομένους τὴν Ἡρακλέους παρουσίαν ἀθροισθῆναι πάντας καὶ παρατάξασθαι τῷ προειρημένῳ. θαυμαστῆς δὲ γενομένης μάχης κατὰ τε τὴν Ῥώμην καὶ τὴν ἀλκὴν τῶν γιγάντων, φασὶ τὸν Ἡρακλέα, συμμαχοῦντων αὐτῷ τῶν θεῶν, κρατῆσαι τῇ μάχῃ, καὶ τοὺς πλείστους ἀνελόντα τὴν χώραν ἐξημερῶσαι. [7] μυθολογοῦνται δ' οἱ γίγαντες γηγενεῖς γεγονέναι διὰ τὴν ὑπερβολὴν τοῦ κατὰ τὸ σῶμα μεγέθους. καὶ περὶ μὲν τῶν ἐν Φλέγγρα φονευθέντων γιγάντων τοιαῦτα μυθολογοῦσιν τινες, οἷς καὶ Τίμαιος ὁ συγγραφεὺς ἠκολούθησεν.

ὁ δ' Ἡρακλῆς ἐκ τοῦ Φλεγραίου πεδίου κατελθὼν ἐπὶ τὴν θάλατταν κατεσκεύασεν ἔργα περὶ τὴν Ἀορνον ὀνομαζομένην λίμνην, ἱερὰν δὲ Φερσεφόνης νομιζομένην. κεῖται μὲν οὖν ἡ λίμνη μεταξὺ Μισσηνοῦ καὶ Δικαιαρχείων, πλησίον τῶν θερμῶν ὑδάτων, ἔχει δὲ τὴν μὲν περίμετρον ὡς πέντε σταδίων, τὸ δὲ βάθος ἄπιστον· ἔχουσα γὰρ ὕδωρ καθαρώτατον φαίνεται τῇ χροῇ κυανοῦν διὰ τὴν ὑπερβολὴν τοῦ βάθους. [2] μυθολογοῦσιν δὲ τὸ μὲν παλαιὸν γεγενῆσθαι νεκυομαντεῖον πρὸς αὐτῇ, ὃ τοῖς ὕστερον χρόνοις καταλελίσθαι φασίν. ἀναπεπταμένης δὲ τῆς λίμνης εἰς τὴν θάλατταν, τὸν Ἡρακλέα λέγεται τὸν μὲν ἔκρουν ἐγγῶσαι, τὴν δ' ὁδὸν τὴν νῦν οὕσαν παρὰ θάλατταν κατασκεύασαι, τὴν ἀπ' ἐκείνου καλουμένην Ἡρακλείαν. [3] ταῦτα

μὲν οὖν ἔπραξε περὶ ἐκείνους τοὺς τόπους. ἐντεῦθεν δ' ἀναξέυξας κατήντησε τῆς Ποσειδωνιατῶν χώρας πρὸς τινα πέτραν, πρὸς ἣ μυθολογοῦσιν ἴδιόν τι γενέσθαι καὶ παράδοξον. τῶν γὰρ ἐγχωρίων τινὰ κυνηγὸν ἐν τοῖς κατὰ τὴν θήραν ἀνδραγαθήμασι διωνομασμένον ἐν μὲν τοῖς ἔμπροσθεν χρόνοις εἰσθέναι τῶν ληφθέντων θηρίων τὰς κεφαλὰς καὶ τοὺς πόδας ἀνατιθέναι τῇ Ἀρτέμιδι καὶ προσηλοῦν τοῖς δένδρεσι, τότε δ' οὖν ὑπερφυῖ κάπρον χειρῳσάμενον καὶ τῆς θεοῦ καταφρονήσαντα εἰπεῖν ὅτι τὴν κεφαλὴν τοῦ θηρίου ἑαυτῷ ἀνατίθῃσι, καὶ τοῖς λόγοις ἀκολούθως ἕκ τινος δένδρου κρεμάσαι ταύτην, αὐτὸν δέ, καυματώδους περιστάσεως οὔσης, κατὰ μεσημβρίαν εἰς ὕπνον τραπῆναι: καθ' ὃν δὴ χρόνον τοῦ δεσμοῦ λυθέντος αὐτομάτως πεσεῖν τὴν κεφαλὴν ἐπὶ τὸν κοιμώμενον καὶ διαφθεῖραι. [4] ἀλλὰ γὰρ οὐκ ἂν τις θαυμάσειε τὸ γεγονός, ὅτι τῆς θεᾶς ταύτης πολλὰι περιστάσεις μνημονεύονται περιέχουσαι τὴν κατὰ τῶν ἀσεβῶν τιμωρίαν. τῷ δ' Ἡρακλεῖ διὰ τὴν εὐσέβειαν τοῦναντίον συνέβη γενέσθαι. [5] καταντήσαντος γὰρ αὐτοῦ πρὸς τὰ μεθόρια τῆς Ῥηγίνης καὶ Λοκρίδος, καὶ διὰ τὸν ἐκ τῆς ὁδοιορίας κόπον ἀναπαυομένου, φασὶν ὑπὸ τῶν τεττίγων αὐτὸν ἐνοχλούμενον εὐξασθαι τοῖς θεοῖς ἀφανεῖς γενέσθαι τοὺς ἐνοχλοῦντας αὐτόν: καὶ διὰ τοῦτο, τῶν θεῶν βεβαιωσάντων τὴν εὐχήν, μὴ μόνον κατὰ τὸ παρὸν ἀφανεῖς γενέσθαι τούτους, ἀλλὰ καὶ κατὰ τὸν ὕστερον χρόνον ἅπαντα μηδένα τέττιγα φαίνεσθαι κατὰ τὴν χώραν. [6] ὁ δ' Ἡρακλῆς καταντήσας ἐπὶ τὸν πορθμὸν κατὰ τὸ στενώτατον τῆς θαλάττης τὰς μὲν βοῦς ἐπεραιώσεν εἰς τὴν Σικελίαν, αὐτὸς δὲ ταύρου κέρως λαβόμενος διενήξατο τὸν πόρον, ὄντος τοῦ διαστήματος σταδίων τριῶν καὶ δέκα, ὥς Τίμαιός φησι.

μετὰ δὲ ταῦτα βουλόμενος ἐγκυκλωθῆναι πᾶσαν Σικελίαν, ἐποιεῖτο τὴν πορείαν ἀπὸ τῆς Πελωριάδος ἐπὶ τὸν Ἑρῦκα. διεξιόντος δ' αὐτοῦ τὴν παράλιον τῆς νήσου, μυθολογοῦσι τὰς Νύμφας ἀνεῖναι θερμὰ λουτρά πρὸς τὴν ἀνάπausιν τῆς κατὰ τὴν ὁδοιορίαν αὐτῷ γενομένης κακοπαθείας. τούτων δ' ὄντων διττῶν, τὰ μὲν Ἱμεραῖα, τὰ δ' Ἑγεσταῖα προσαγορεύεται, τὴν ὀνομασίαν ἔχοντα ταύτην ἀπὸ τῶν τόπων. [2] τοῦ δ' Ἡρακλέους πλησιάσαντος τοῖς κατὰ τὸν Ἑρῦκα τόποις, προεκάλεσατο αὐτὸν Ἑρυξ εἰς ἀλήν, υἱὸς μὲν ὢν Ἀφροδίτης καὶ Βούτα τοῦ τότε βασιλεύοντος τῶν τόπων. γενομένης δὲ τῆς φιλοτιμίας μετὰ προστίμου, καὶ τοῦ μὲν Ἑρῦκος διδόντος τὴν χώραν, τοῦ δ' Ἡρακλέους τὰς βοῦς, τὸ μὲν πρῶτον ἀγανακτεῖν τὸν Ἑρῦκα, διότι πολὺ λείπονται τῆς ἀξίας αἱ βόες, συγκρινομένης τῆς χώρας πρὸς αὐτάς: πρὸς ταῦτα δὲ τοῦ Ἡρακλέους ἀποφαινομένου διότι, ταύτας ἂν ἀποβάλῃ, στερήσεται τῆς ἀθανασίας, εὐδοκήσας ὁ Ἑρυξ τῇ συνθήκῃ καὶ παλαίσας ἐλείφθη καὶ τὴν χώραν ἀπέβαλεν. [3] ὁ δ' Ἡρακλῆς τὴν μὲν χώραν παρέθετο τοῖς ἐγχωρίοις, συγχωρήσας αὐτοῖς λαμβάνειν τοὺς καρπούς, μέχρι ἂν τις τῶν ἐκγόνων αὐτοῦ παραγενόμενος ἀπαιτήσῃ: ὅπερ καὶ συνέβη γενέσθαι. πολλὰς γὰρ ὕστερον γενεαῖς Δωριεὺς ὁ Λακεδαιμόνιος καταντήσας εἰς τὴν Σικελίαν καὶ τὴν χώραν ἀπολαβὼν ἔκτισε πόλιν Ἡράκλειαν. ταχὺ δ' αὐτῆς αὐξομένης, οἱ Καρχηδόνιοι φθονήσαντες ἅμα καὶ φοβηθέντες μήποτε πλέον ἰσχύσασα τῆς Καρχηδόνας ἀφέλῃται τῶν Φοινίκων τὴν ἡγεμονίαν, στρατεύσαντες ἐπ' αὐτὴν μεγάλας δυνάμεις καὶ κατὰ κράτος ἐλόντες κατέσκαψαν. ἀλλὰ περὶ

μὲν τούτων τὰ κατὰ μέρος ἐν τοῖς οἰκείοις χρόνοις ἀναγράφωμεν. [4] τότε δ' ὁ Ἡρακλῆς ἐγκυκλούμενος τὴν Σικελίαν, καταντήσας εἰς τὴν νῦν οὔσαν τῶν Συρακοσίων πόλιν καὶ πυθόμενος τὰ μυθολογούμενα κατὰ τὴν τῆς Κόρης ἀρπαγὴν, ἔθυσέ τε ταῖς θεαῖς μεγαλοπρεπῶς καὶ εἰς τὴν Κυάνην τὸν καλλιστεύοντα τῶν ταύρων καθαγίσας κατέδειξε θύειν τοὺς ἐγχωρίους κατ' ἐνιαυτὸν τῇ Κόρῃ καὶ πρὸς τῇ Κυάνῃ λαμπρῶς ἄγειν πανηγυρίν τε καὶ θυσίαν. [5] αὐτὸς δὲ μετὰ τῶν βοῶν διὰ τῆς μεσογείου διεξιὼν, καὶ τῶν ἐγχωρίων Σικανῶν μεγάλαις δυνάμεσιν ἀντιταξαμένων, ἐνίκησεν ἐπιφανεῖ παρατάξει καὶ πολλοὺς ἀπέκτεινεν, ἐν οἷς μυθολογοῦσί τινες καὶ στρατηγούς ἐπιφανεῖς γεγενῆσθαι τοὺς μέχρι τοῦ νῦν ἥρωικῆς τιμῆς τυγχάνοντας, Λεύκασπιν καὶ Πεδιακράτην καὶ Βουφόναν καὶ Γλυχάταν, ἔτι δὲ Βυταίαν καὶ Κρυτίδαν.

μετὰ δὲ ταῦτα διελθὼν τὸ Λεοντῖνον πεδῖον, τὸ μὲν κάλλος τῆς χώρας ἐθαύμασε, πρὸς δὲ τοὺς τιμῶντας αὐτὸν οἰκείως διατιθέμενος ἀπέλιπε παρ' αὐτοῖς ἀθάνατα μνημεῖα τῆς ἑαυτοῦ παρουσίας. ἴδιον δὲ τι συνέβη γενέσθαι περὶ τὴν πόλιν τῶν Ἀγυριναίων. ἐν ταύτῃ γὰρ τιμηθεὶς ἐπ' ἴσης τοῖς Ὀλυμπίοις θεοῖς πανηγύρεσι καὶ θυσίαις λαμπραῖς, καίπερ κατὰ τοὺς ἔμπροσθεν χρόνους οὐδεμίαν θυσίαν προσδεχόμενος, τότε πρῶτως συνευδόκησε, τοῦ δαιμονίου τὴν ἀθανασίαν αὐτῷ προσημαίνοντος. [2] ὁδοῦ γὰρ οὔσης οὐκ ἄπωθεν τῆς πόλεως πετρώδους, αἱ βόες τὰ ἵχνη καθάπερ ἐπὶ κηροῦ τινος ἀπετυποῦντο. ὁμοίως δὲ καὶ αὐτῷ τῷ Ἡρακλεῖ τούτου συμβαίνοντος, καὶ τοῦ ἄθλου δεκάτου τελουμένου, νομίσας ἤδη τι λαμβάνειν τῆς ἀθανασίας, προσεδέχετο τὰς τελουμένας ὑπὸ τῶν ἐγχωρίων κατ' ἐνιαυτὸν θυσίας. [3] διόπερ τοῖς εὐδοκουμένοις τὰς χάριτας ἀποδιδούς, πρὸ μὲν τῆς πόλεως κατεσκεύασε λίμνην, ἔχουσιν τὸν περίβολον σταδίων τεττάρων, ἣν ἐπώνυμον αὐτῷ καλεῖσθαι προσέταξεν: ὥσαύτως δὲ καὶ τῶν βοῶν τοῖς ἀποτυπωθεῖσιν ἵχνεσι τὴν ἐφ' ἑαυτοῦ προσηγορίαν ἐπιθείς, τέμενος κατεσκεύασεν ἥρωι Γηρυόνη, ὃ μέχρι τοῦ νῦν τιμᾶται παρὰ τοῖς ἐγχωρίοις. [4] Ἰολάου τε τοῦ ἀδελφίδου συστρατεύοντος τέμενος ἀξιόλογον ἐποίησε, καὶ τιμὰς καὶ θυσίας κατέδειξεν αὐτῷ γίνεσθαι κατ' ἐνιαυτὸν τὰς μέχρι τοῦ νῦν τηρουμένας: πάντες γὰρ οἱ κατὰ ταύτην τὴν πόλιν οἰκοῦντες ἐκ γενετῆς τὰς κόμας ἱερὰς Ἰολάφ τρέφουσι, μέχρι ἂν ὅτου θυσίαις μεγαλοπρεπέσι καλλιερήσαντες τὸν θεὸν ἵλεων κατασκευάσωσι. [5] τοσαύτη δ' ἐστὶν ἀγνεία καὶ σεμνότης περὶ τὸ τέμενος ὥστε τοὺς μὴ τελοῦντας τὰς εἰθισμένας θυσίας παῖδας ἀφώνους γίνεσθαι καὶ τοῖς τετελευτηκόσιν ὁμοίους. ἀλλ' οὔτοι μὲν, ὅταν εὗξηται τις ἀποδώσειν τὴν θυσίαν καὶ ἐνέχυρον τῆς θυσίας ἀναδείξῃ τῷ θεῷ, παραχρῆμα ἀποκαθίστασθαι φασὶ τοὺς τῇ προειρημένῃ νόσῳ κατεχομένους. [6] οἱ δ' οὖν ἐγχώριοι τούτοις ἀκολούθως τὴν μὲν πύλην, πρὸς ἣν τὰς ἀπαντήσεις καὶ θυσίας τῷ θεῷ παρέστησαν, Ἡρακλείαν προσηγόρευσαν, ἀγῶνα δὲ γυμνικὸν καὶ ἵππικὸν καθ' ἕκαστον ἔτος μετὰ πάσης προθυμίας ποιοῦσι. πανδήμου δὲ τῆς ἀποδοχῆς ἐλευθέρων τε καὶ δούλων γινομένης, κατέδειξαν καὶ τοὺς οἰκέτας ἰδίᾳ τιμῶντας τὸν θεὸν θιάσους τε συνάγειν καὶ συνιόντας εὐωχίας τε καὶ θυσίας τῷ θεῷ συντελεῖν. [7] ὁ δ' Ἡρακλῆς μετὰ τῶν βοῶν περαιωθεὶς εἰς τὴν Ἰταλίαν προῆγε διὰ τῆς παραλίας, καὶ Λακίνιον μὲν

κλέπτοντα τῶν βοῶν ἀνεῖλε, Κρότωνα δὲ ἀκουσίως ἀποκτείνας ἔθαψε μεγαλοπρεπῶς καὶ τάφον αὐτοῦ κατεσκεύασε· προεῖπε δὲ καὶ τοῖς ἐγχωρίοις ὅτι καὶ κατὰ τοὺς ὕστερον χρόνους ἔσται πόλις ἐπίσημος ὁμώνυμος τῷ τετελευτηκότι.

αὐτὸς δ' ἐγκυκλωθεὶς τὸν Ἀδρίαν καὶ πεζῇ περιελθὼν τὸν προειρημένον κόλπον κατήντησεν εἰς τὴν Ἥπειρον, ἐξ ἧς πορευθεὶς εἰς τὴν Πελοπόννησον, καὶ τετελεκὼς τὸν δέκατον ἄθλον, ἔλαβε πρόσταγμα παρ' Εὐρυσθέως τὸν ἐξ ἄδου Κέρβερον πρὸς τὸ φῶς ἀγαγεῖν. πρὸς δὲ τοῦτον τὸν ἄθλον ὑπολαβὼν συνοίσειν αὐτῷ, παρήλθεν εἰς τὰς Ἀθήνας καὶ μετέσχε τῶν ἐν Ἐλευσίνι μυστηρίων, Μουσαίου τοῦ Ὀρφέως υἱοῦ τότε προεσθηκότος τῆς τελετῆς. [2] ἐπεὶ δ' Ὀρφέως ἐμνήσθημεν, οὐκ ἀνοικεῖόν ἐστι παρεκβάντας βραχέα περὶ αὐτοῦ διελθεῖν. οὗτος γὰρ ἦν υἱὸς μὲν Οἰάγρου, Θραξ δὲ τὸ γένος, παιδεία δὲ καὶ μελωδία καὶ ποιήσει πολὺ προέχων τῶν μνημονευομένων· καὶ γὰρ ποίημα συνετάξατο θαυμαζόμενον καὶ τῇ κατὰ τὴν ᾠδὴν εὐμελείᾳ διαφέρον. ἐπὶ τοσοῦτο δὲ προέβη τῇ δόξῃ ὥστε δοκεῖν τῇ μελωδίᾳ θέλγειν τὰ τε θηρία καὶ τὰ δένδρα. [3] περὶ δὲ παιδείαν ἀσχοληθεὶς καὶ τὰ περὶ τῆς θεολογίας μυθολογούμενα μαθὼν, ἀπεδήμησε μὲν εἰς Αἴγυπτον, κάκεῖ πολλὰ προσεπιμαθὼν μέγιστος ἐγένετο τῶν Ἑλλήνων ἐν τε ταῖς θεολογίαις καὶ ταῖς τελεταῖς καὶ ποιήμασι καὶ μελωδίαις. [4] συνεστρατεύσατο δὲ καὶ τοῖς Ἀργοναύταις, καὶ διὰ τὸν ἔρωτα τὸν πρὸς τὴν γυναικα καταβῆναι μὲν εἰς ἄδου παραδόξως ἐτόλμησε, τὴν δὲ Φερσεφόνην διὰ τῆς εὐμελείας ψυχαγωγήσας ἔπεισε συνεργῆσαι ταῖς ἐπιθυμίαις καὶ συγχωρῆσαι τὴν γυναικα αὐτοῦ τετελευτηκυῖαν ἀναγαγεῖν ἐξ ἄδου παραπλησίως τῷ Διονύσῳ· καὶ γὰρ ἐκεῖνον μυθολογοῦσιν ἀναγαγεῖν τὴν μητέρα Σεμέλην ἐξ ἄδου, καὶ μεταδόντα τῆς ἀθανασίας Θυώνην μετονομάσαι. ἡμεῖς δ' ἐπεὶ περὶ Ὀρφέως διεληλύθαμεν, μεταβησόμεθα πάλιν ἐπὶ τὸν Ἡρακλέα.

οὗτος γὰρ κατὰ τοὺς παραδεδομένους μύθους καταβάς εἰς τοὺς καθ' ἄδου τόπους, καὶ προσδεχθεὶς ὑπὸ τῆς Φερσεφόνης ὡς ἂν ἀδελφός, Θησέα μὲν ἀνήγαγεν ἐκ δεσμῶν μετὰ Πειρίθου, χαρισαμένης τῆς Κόρης, τὸν δὲ κύνα παραλαβὼν δεδεμένον παραδόξως ἀπήγαγε καὶ φανερὸν κατέστησεν ἀνθρώποις. [2] τελευταῖον δ' ἄθλον λαβὼν ἐνεγκεῖν τὰ τῶν Ἑσπερίδων χρυσᾶ μῆλα, πάλιν ἐπλευσεν εἰς τὴν Λιβύην. περὶ δὲ τῶν μῆλων τούτων διαπεφωνήκασιν οἱ μυθογράφοι, καὶ τινὲς μὲν φασιν ἐν τισὶ κήποις τῶν Ἑσπερίδων ὑπάρχειν κατὰ τὴν Λιβύην μῆλα χρυσᾶ, τηρούμενα συνεχῶς ὑπὸ τινος δράκοντος φοβερωτάτου, τινὲς δὲ λέγουσι ποιμένας προβάτων κάλλει διαφερούσας κεκτῆσθαι τὰς Ἑσπερίδας, χρυσᾶ δὲ μῆλα ἀπὸ τοῦ κάλλους ὀνομάσθαι ποιητικῶς, ὥσπερ καὶ τὴν Ἀφροδίτην χρυσὴν καλεῖσθαι διὰ τὴν εὐπρέπειαν. [3] ἐνιοὶ δὲ λέγουσιν ὅτι τὰ πρόβατα τὴν χροάν ἰδιαζούσαν ἔχοντα καὶ παρόμοιον χρυσῷ τετευχέναι ταύτης τῆς προσηγορίας, Δράκοντα δὲ τῶν ποιμνῶν ἐπιμελητὴν καθεσταμένον, καὶ ῥώμῃ σώματος καὶ ἀλκῇ διαφέροντα, τηρεῖν τὰ πρόβατα καὶ τοὺς ληστεύειν αὐτὰ τολμῶντας ἀποκτείνειν. ἀλλὰ περὶ μὲν τούτων ἐξέσται διαλαμβάνειν ὡς ἂν ἕκαστος ἐαυτὸν πείθῃ. [4] ὁ δ' Ἡρακλῆς τὸν φύλακα τῶν μῆλων ἀνελών, καὶ ταῦτα ἀποκομίσας πρὸς Εὐρυσθέα, καὶ τοὺς ἄθλους ἀποτετελεκώς, προσεδέχετο τῆς ἀθανασίας

τεύξεσθαι, καθάπερ ὁ Ἀπόλλων ἔχρησεν.

ἡμῖν δ' οὐ παραλείπτεον τὰ περὶ Ἀτλαντος μυθολογούμενα καὶ τὰ περὶ τοῦ γένους τῶν Ἑσπερίδων. κατὰ γὰρ τὴν Ἑσπερίτιν ὀνομαζομένην χώραν φασὶν ἀδελφοὺς δύο γενέσθαι δόξη διωνομασμένους, Ἑσπερον καὶ Ἀτλαντα. τούτους δὲ κεκτῆσθαι πρόβατα τῷ μὲν κάλλει διάφορα, τῇ δὲ χρῶα ξανθὰ καὶ χρυσοειδῆ: ἅφ' ἧς αἰτίας τοὺς ποιητὰς τὰ πρόβατα μῆλα καλοῦντας ὀνομάσαι χρυσᾶ μῆλα. [2] τὸν μὲν οὖν Ἑσπερον θυγατέρα γεννήσαντα τὴν ὀνομαζομένην Ἑσπερίδα συνοικίσαι τὰδελφῶ, ἅφ' ἧς τὴν χώραν Ἑσπερίτιν ὀνομασθῆναι: τὸν δ' Ἀτλαντα ἐκ ταύτης ἐπτὰ γεννήσαι θυγατέρας, ἃς ἀπὸ μὲν τοῦ πατρὸς Ἀτλαντίδας, ἀπὸ δὲ τῆς μητρὸς Ἑσπερίδας ὀνομασθῆναι. τούτων δὲ τῶν Ἀτλαντίδων κάλλει καὶ σωφροσύνῃ διαφερουσῶν, λέγουσι Βούσιριν τὸν βασιλέα τῶν Αἰγυπτίων ἐπιθυμῆσαι τῶν παρθένων ἐγκρατῇ γενέσθαι: διὸ καὶ ληστὰς ἐπ' αὐτὰς κατὰ θάλατταν ἀποστείλαντα διακελεύσασθαι τὰς κόρας ἀρπάσαι καὶ διακομίσαι πρὸς ἑαυτόν. [3] κατὰ δὲ τοῦτον τὸν καιρὸν τὸν Ἡρακλέα τελοῦντα τὸν ὕστατον ἄθλον Ἀνταῖον μὲν ἀνελεῖν ἐν τῇ Λιβύῃ τὸν συναναγκάζοντα τοὺς ξένους διαπαλαίειν, Βούσιριν δὲ κατὰ τὴν Αἴγυπτον τῷ Διὶ καλλιερεῖν σφαγιάζοντα τοὺς παρεπιδημοῦντας ξένους τῆς προσηκούσης τιμωρίας καταξιώσαι. μετὰ δὲ ταῦτα ἀνὰ τὸν Νεῖλον πλεύσαντα εἰς τὴν Αἰθιοπίαν τὸν βασιλεύοντα τῶν Αἰθιόπων Ἡμαθίωνα κατάρχοντα μάχης ἀποκτείνει, τὸ δ' ὕστατον ἐπ' ἀνελθεῖν πάλιν ἐπὶ τὸν ἄθλον. [4] τοὺς δὲ ληστὰς ἐν κήπῳ τινὶ παιζούσας τὰς κόρας συναρπάσαι, καὶ ταχὺ φυγόντας εἰς τὰς ναῦς ἀποπλεῖν. τούτοις δ' ἐπὶ νινος ἀκτῆς δειπνοποιοιούμενοις ἐπιστάντα τὸν Ἡρακλέα, καὶ παρὰ τῶν παρθένων μαθόντα τὸ συμβεβηκός, τοὺς μὲν ληστὰς ἅπαντας ἀποκτείνει, τὰς δὲ κόρας ἀποκομίσαι πρὸς Ἀτλαντα τὸν πατέρα: ἀνθ' ὧν τὸν Ἀτλαντα χάριν τῆς εὐεργεσίας ἀποδιδόντα μὴ μόνον δοῦναι τὰ πρὸς τὸν ἄθλον καθήκοντα προθύμως, ἀλλὰ καὶ τὰ κατὰ τὴν ἀστρολογίαν ἀφθόνως διδάξαι. [5] περιττότερον γὰρ αὐτὸν τὰ κατὰ τὴν ἀστρολογίαν ἐκπεπονηκότα καὶ τὴν τῶν ἄστρον σφαῖραν φιλοτέχνης εὐρόντα ἔχειν ὑπόληψιν ὥς τὸν κόσμον ὅλον ἐπὶ τῶν ὤμων φοροῦντα. παραπλησίως δὲ καὶ τοῦ Ἡρακλέους ἐξενέγκαντος εἰς τοὺς Ἑλληνας τὸν σφαιρικὸν λόγον, δόξης μεγάλης τυχεῖν, ὥς διαδεδεγμένον τὸν Ἀτλαντικὸν κόσμον, αἰνιττομένων τῶν ἀνθρώπων τὸ γεγονός.

τοῦ δ' Ἡρακλέους περὶ ταῦτ' ὄντος φασὶ τὰς ὑπολειφθείσας Ἀμαζόννας περὶ τὸν Θερμῶδοντα ποταμὸν ἀθροισθείσας πανδημεὶ σπεῦσαι τοὺς Ἑλληνας ἀμύνασθαι περὶ ὧν Ἡρακλῆς στρατεύσας διειργάσατο. διαφορώτατα δὲ τοὺς Ἀθηναίους ἐφιλοτιμοῦντο διὰ τὸ τὸν Θησέα καταδεδουλῶσθαι τὴν ἡγεμόνα τῶν Ἀμαζόνων Ἀντιόπην, ὥς δ' ἔνιοι γράφουσιν, Ἰππολύτην. [2] συστρατευσάντων δὲ τῶν Σκυθῶν θῶν ταῖς Ἀμαζόσι συνέβη δύναμιν ἀξιόλογον ἀθροισθῆναι, μεθ' ἧς αἱ προηγούμεναι τῶν Ἀμαζονίδων περαιωθεῖσαι τὸν Κιμμέριον Βόσπορον προῆγον διὰ τῆς Θράκης. τέλος δὲ πολλὴν τῆς Εὐρώπης ἐπελθοῦσαι κατήντησαν εἰς τὴν Ἀττικὴν, καὶ κατεστρατοπέδευσαν ὅπου νῦν ἐστὶ τὸ καλούμενον ἅπ' ἐκείνων Ἀμαζονεῖον. [3] Θησεὺς δὲ πυθόμενος τὴν τῶν Ἀμαζόνων ἔφοδον ἐβόηθει ταῖς πολιτικαῖς δυνάμεσιν, ἔχων μεθ' ἑαυτοῦ τὴν Ἀμαζονίδα Ἀντιόπην, ἐξ ἧς ἦν

πεπαιδοποιημένος υἱὸν Ἰππόλυτον. συνάψας δὲ μάχην ταῖς Ἀμαζόσι, καὶ τῶν Ἀθηναίων ὑπερεχόντων ταῖς ἀνδραγαθίαις, ἐνίκησαν οἱ περὶ τὸν Θησέα, καὶ τῶν ἀντιταχθεισῶν Ἀμαζονίδων ἃς μὲν κατέκοψαν, ἃς δ' ἐκ τῆς Ἀττικῆς ἐξέβαλον. [4] συνέβη δὲ καὶ τὴν Ἀντιόπην συναγωνισαμένην τάνδρῃ Θησεῖ, καὶ κατὰ τὴν μάχην ἀριστεύουσαν, ἥρωικῶς καταστρέψαι τὸν βίον. αἱ δ' ὑπολειφθεῖσαι τῶν Ἀμαζόνων ἀπογνοῦσαι τὴν πατρίαν γῆν, ἐπανήλθον μετὰ τῶν Σκυθῶν εἰς τὴν Σκυθίαν καὶ μετ' ἐκείνων κατόκησαν. ἡμεῖς δ' ἀρκούντως περὶ τούτων διεληλυθότες ἐπάνομεν πάλιν ἐπὶ τὰς Ἡρακλέους πράξεις.

Τετελεκότος γὰρ αὐτοῦ τοὺς ἄθλους, καὶ τοῦ θεοῦ χρήσαντος συμφέρειν πρὸ τῆς εἰς θεοὺς μεταλλαγῆς ἀποικίαν εἰς Σαρδῶ πέμψαι καὶ τοὺς ἐκ τῶν Θεσπιάδων αὐτῷ γενομένους υἱοὺς ἡγεμόνας ποιῆσαι ταύτης, ἔκρινε τὸν ἀδελφιδοῦν Ἰόλαον ἐκπέμψαι μετὰ τῶν παίδων διὰ τὸ παντελῶς νέους εἶναι. [2] ἀναγκαῖον δ' ἡμῖν φαίνεται προδιελθεῖν περὶ τῆς γενέσεως τῶν παίδων, ἵνα τὸν περὶ τῆς ἀποικίας λόγον καθαρώτερον ἐκθέσθαι δυνηθῶμεν. Θέσπιος ἦν ἀνὴρ τὸ γένος ἐπιφανὴς ἐκ τῶν Ἀθηνῶν, υἱὸς Ἐρεχθέως, βασιλεύων δὲ τῆς ὁμωνύμου χώρας ἐγέννησεν ἐκ πλειόνων γυναικῶν θυγατέρας πεντήκοντα. [3] Ἡρακλέους δ' ἔτι παιδὸς ὄντος τὴν ἡλικίαν, καὶ ῥώμῃ σώματος ὑπερφυοῦς ὄντος, ἐφιλοτιμήθη τὰς θυγατέρας ἐκ τούτου τεκνοποιήσασθαι. διὸ καλέσας αὐτὸν ἐπὶ τινα θυσίαν καὶ λαμπρῶς ἐστιάσας, ἀπέστειλε κατὰ μίαν τῶν θυγατέρων· αἷς ἀπάσαις μιγεῖς καὶ ποιήσας ἐγκύους ἐγένετο πατὴρ υἱῶν πεντήκοντα. ὧν λαβόντων τὴν κοινὴν προσηγορίαν ἀπὸ τῶν Θεσπιάδων, καὶ γενομένων ἐνηλίκων, ἔκρινεν ἐκπέμπειν τούτους εἰς τὴν ἀποικίαν τὴν εἰς Σαρδῶνα κατὰ τὸν χρησμόν. [4] ἡγουμένου δὲ τοῦ στόλου παντὸς Ἰολάου, καὶ συνεστρατευμένου σχεδὸν ἀπάσας τὰς στρατείας, ἐπέτρεψεν αὐτῷ τὰ περὶ τοὺς Θεσπιάδας καὶ τὴν ἀποικίαν τῶν δὲ πεντήκοντα παίδων δύο μὲν κατέμειναν ἐν ταῖς Θήβαις, ὧν τοὺς ἀπογόνους φασὶ μέχρι τοῦ νῦν τιμᾶσθαι, ἑπτὰ δ' ἐν Θεσπιαῖς, οὓς ὀνομάζουσι δημούχους, ὧν καὶ τοὺς ἀπογόνους ἡγήσασθαι φασὶ τῆς πόλεως μέχρι τῶν νεωτέρων καιρῶν. [5] τοὺς δὲ λοιποὺς ἅπαντας Ἰόλαος ἀναλαβὼν καὶ πολλοὺς ἄλλους τοὺς βουλομένους κοινωνεῖν τῆς ἀποικίας, ἔπλευσεν εἰς τὴν Σαρδῶνα. κρατήσας δὲ μάχῃ τῶν ἐγχωρίων, κατεκληρούχησε τὸ κάλλιστον τῆς νήσου, καὶ μάλιστα τὴν πεδιάδα χώραν, ἣν μέχρι τοῦ νῦν καλεῖσθαι Ἰολαεῖον. [6] ἐξημερώσας δὲ τὴν χώραν καὶ καταφυτεύσας δένδρεσι καρπίμοις κατεσκεύασε περιμάχῃτον ἐπὶ τοσοῦτο γὰρ ἡ νῆσος διωνομάσθη τῇ τῶν καρπῶν ἀφθονίᾳ ὥστε Καρχηδονίους ὕστερον αὐξηθέντας ἐπιθυμῆσαι τῆς νήσου, καὶ πολλοὺς ἀγῶνας καὶ κινδύνους ὑπὲρ αὐτῆς ἀναδέξασθαι. ἀλλὰ περὶ μὲν τούτων ἐν τοῖς οἰκείοις χρόνοις ἀναγράψομεν.

τότε δ' ὁ Ἰόλαος καταστήσας τὰ περὶ τὴν ἀποικίαν, καὶ τὸν Δαίδαλον ἐκ τῆς Σικελίας μεταπεμψάμενος, κατεσκεύασεν ἔργα πολλὰ καὶ μεγάλα μέχρι τῶν νῦν καιρῶν διαμένοντα καὶ ἀπὸ τοῦ κατασκευάσαντος Δαιδάλεια καλούμενα. ὠκοδόμησε δὲ καὶ γυμνάσια μεγάλα τε καὶ πολυτελῆ, καὶ δικαστήρια κατέστησε καὶ τᾶλλα τὰ πρὸς τὴν εὐδαιμονίαν συντείνοντα. [2] ὠνόμασε δὲ καὶ τοὺς λαοὺς Ἰολαεῖους, ἀφ' ἑαυτοῦ θέμενος τὴν προσηγορίαν,

συγχωρησάντων τῶν Θεσπιαδῶν, καὶ δόντων αὐτῷ τοῦτο τὸ γέρας καθαπερεῖ
τινι πατρί. διὰ γὰρ τὴν πρὸς αὐτοὺς σπουδὴν ἐπὶ τοσοῦτ' εὐνοίας προήχθησαν
ὥστ' ἐπώνυμον αὐτῷ περιθεῖναι τὴν τοῦ γονέως προσηγορίαν: διόπερ ἐν τοῖς
ὑστερον χρόνοις οἱ τὰς θυσίας τελοῦντες τούτῳ τῷ θεῷ προσαγορεύουσιν
αὐτὸν Ἰόλαον πατέρα, καθάπερ οἱ Πέρσαι τὸν Κῦρον. [3] μετὰ δὲ ταῦτα ὁ μὲν
Ἰόλαος ἐπανίων εἰς τὴν Ἑλλάδα, καὶ προσπλεύσας τῇ Σικελίᾳ, οὐκ ὀλίγον
χρόνον διέτριπεν ἐν τῇ νήσῳ. καθ' ὃν δὴ χρόνον καὶ τινες τῶν
συναποδημούντων αὐτῷ διὰ τὸ κάλλος τῆς χώρας κατέμειναν ἐν τῇ Σικελίᾳ,
καὶ τοῖς Σικανοῖς καταμιγνέτες ἐν ταύτῃ κατώκησαν, τιμώμενοι διαφερόντως
ὑπὸ τῶν ἐγχωρίων. ὁ δ' Ἰόλαος μεγάλης ἀποδοχῆς τυγχάνων καὶ πολλοὺς
εὐεργετῶν ἐν πολλαῖς τῶν πόλεων ἐτιμήθη τεμένεσι καὶ τιμαῖς ἥρωικαῖς. [4]
ἴδιον δέ τι καὶ παράδοξον συνέβη γενέσθαι κατὰ τὴν ἀποικίαν ταύτην: ὁ μὲν
γὰρ θεὸς ἔχρησεν αὐτοῖς ὅτι πάντες οἱ τῆς ἀποικίας ταύτης μετασχόντες καὶ οἱ
τούτων ἔκγονοι διατελέσουσιν ἅπαντα τὸν αἰῶνα διαμένοντες ἐλεύθεροι, τὸ
δ' ἀποτέλεσμα τούτων ἀκολούθως τῷ χρησμῷ διέμεινε μέχρι τῶν καθ' ἡμᾶς
καιρῶν. [5] οἱ μὲν γὰρ λαοὶ διὰ τὸ πλῆθος τοῦ χρόνου, πλειόνων τῶν
βαρβάρων ὄντων τῶν μετεσχηκότων τῆς ἀποικίας, ἐξεβαρβαρώθησαν, καὶ
μεταστάντες εἰς τὴν ὀρεινὴν ἐν ταῖς δυσχωρίαις κατώκησαν, ἐθίσαντες δ'
ἑαυτοὺς τρέφεσθαι γάλακτι καὶ κρέασι καὶ πολλὰς ἀγέλας κτηνῶν τρέφοντες
οὐκ ἐπεδέοντο σίτου: κατασκευάσαντες δ' οἰκῆσεις ἑαυτοῖς καταγείους καὶ
τὴν τοῦ βίου διεξαγωγὴν ἐν τοῖς ὀρύγμασι ποιοῦμενοι τοὺς ἐκ τῶν πολέμων
κινδύνους ἐξέφυγον. [6] διὸ καὶ πρότερον μὲν Καρχηδόνιοι, μετὰ δὲ ταῦτα
Ῥωμαῖοι πολλάκις πολεμήσαντες τούτοις τῆς προθέσεως διήμαρτον. καὶ περὶ
μὲν Ἰολάου καὶ Θεσπιαδῶν, ἔτι δὲ τῆς ἀποικίας τῆς εἰς Σαρδόνα γενομένης
ἀρκεσθῆσόμεθα τοῖς ῥηθεῖσι, περὶ δ' Ἡρακλέους τὰ συνεχῇ τοῖς
προειρημένους προσθήσομεν.

τελέσας γὰρ τοὺς ἄθλους τὴν μὲν ἑαυτοῦ γυναῖκα Μεγάραν συνώκισεν
Ἰολάῳ, διὰ τὴν περὶ τὰ τέκνα συμφορὰν ὑποπτευσάμενος τὴν ἐξ ἐκείνης
παιδοποιίαν, ἐτέραν δ' ἐζήτει πρὸς τέκνων γενέσιν ἀνύποπτον. διόπερ
ἐμνήστευσεν Ἰόλῃν τὴν Εὐρύτου τοῦ δυναστεύσαντος Οἰχαλίας. [2] ὁ δ'
Εὐρυτος διὰ τὴν ἐκ τῆς Μεγάρας γενομένην ἀτυχίαν εὐλαβηθεὶς, ἀπεκρίθη
βουλεύσεσθαι περὶ τοῦ γάμου. ὁ δ' ἀποτυχὼν τῆς μνηστείας διὰ τὴν ἀτιμίαν
ἐξήλασε τὰς ἵππους τοῦ Εὐρύτου. [3] Ἰφίτου δὲ τοῦ Εὐρύτου τὸ γεγονὸς
ὑποπτεύσαντος καὶ παραγενομένου κατὰ ζήτησιν τῶν ἵππων εἰς Τίρυνθα,
τοῦτον μὲν ἀναβιβάσας ὁ Ἡρακλῆς ἐπὶ τινα πύργον ὑψηλὸν ἐκέλευσεν
ἀφορᾶν μή που νεμόμεναι τυγχάνουσιν: οὐ δυναμένου δὲ κατανοῆσαι τοῦ
Ἰφίτου, φήσας αὐτὸν ψευδῶς κατητιᾶσθαι τὴν κλοπὴν κατεκρήμνισεν ἀπὸ
τοῦ πύργου. [4] διὰ δὲ τὸν τούτου θάνατον Ἡρακλῆς νοσήσας παρήλθεν εἰς
Πύλον πρὸς Νηλέα, καὶ παρεκάλεσεν αὐτὸν καθᾶραι τὸν φόνον. ὁ μὲν οὖν
Νηλεὺς βουλευσάμενος μετὰ τῶν υἱῶν ἔλαβε πάντα πλὴν Νέστορος τοῦ
νεωτάτου συγκαταίνοντος μὴ προσδέξασθαι τὸν καθαρόν: [5] ὁ δ' Ἡρακλῆς
τότε μὲν παρελθὼν πρὸς Δηίφοβον τὸν Ἱππολύτου καὶ πείσας αὐτὸν
ἐκαθάρθη, οὐ δυνάμενος δ' ἀπολυθῆναι τῆς νόσου ἐπηρώτησε τὸν Ἀπόλλω
περὶ τῆς θεραπείας. τούτου δὲ χρήσαντος ὅτι ῥᾶον οὕτως ἀπολυθήσεται τῆς

νόσου, εἰ πραθεῖς δικαίως τὴν ἑαυτοῦ τιμὴν ἀποδοίῃ τοῖς Ἰφίτου παισίν, ἀναγκαζόμενος πείθεσθαι ὑπὸ τῆς νόσου τῷ χρησμῷ μετὰ τινων φίλων ἔπλευσεν εἰς τὴν Ἀσίαν. ἐκεῖ δ' ὑπομείνας ἑκουσίως ὑπὸ τινος τῶν φίλων ἐπράθη, καὶ παρθένου δοῦλος ἐγένετο Ὀμφάλῃς τῆς Ἰαρδάνου, βασιλευούσης τῶν τότε Μαιόνων, νῦν δὲ Λυδῶν ὀνομαζομένων. [6] καὶ τὴν μὲν τιμὴν ὁ ἀποδόμενος τὸν Ἡρακλέα τοῖς Ἰφίτου παισίν ἀπέδωκε κατὰ τὸν χρησμόν, ὁ δ' Ἡρακλῆς ὑγιασθεὶς καὶ δουλεύων τῇ Ὀμφάλῃ τοὺς κατὰ τὴν χώραν ληστεύοντας ἐκόλασε. [7] τοὺς μὲν γὰρ ὀνομαζομένους Κέρκωπας, ληστεύοντας καὶ πολλὰ κακὰ διεργαζομένους, οὓς μὲν ἀπέκτεινεν, οὓς δὲ ζωγρήσας δεδεμένους παρέδωκε τῇ Ὀμφάλῃ: Συλέα δὲ τοὺς παριόντας ξένους συναρπάζοντα καὶ τοὺς ἀμπελῶνας σκάπτειν ἀναγκάζοντα τῷ σκαφεῖω πατάξας ἀπέκτεινεν: Ἰτώνων δὲ λεηλατούντων πολλὴν τῆς ὑπὸ Ὀμφάλῃ χώρας, τὴν τε λείαν ἀφείλετο καὶ τὴν πόλιν, ἐξ ἧς ἐποιοῦντο τὴν ὁρμήν, ἐκπορθήσας ἐξηνδραποδίσατο καὶ κατέσκαψεν. [8] ἡ δ' Ὀμφάλῃ ἀποδεχομένη τὴν ἀνδρείαν τὴν Ἡρακλέους, καὶ πυθομένη τίς ἐστί καὶ τίνων, ἐθαύμασε τὴν ἀρετὴν, ἐλεύθερον δ' ἀφείσα καὶ συνοικήσασα αὐτῷ Λάμον ἐγέννησε. προὔπηρχε δὲ τῷ Ἡρακλεῖ κατὰ τὸν τῆς δουλείας καιρὸν ἐκ δούλης υἱὸς Κλεόδοις.

μετὰ δὲ ταῦτα ἐπανελθὼν εἰς Πελοπόννησον ἐστράτευσεν εἰς Ἴλιον, ἐγκαλὼν Λαομέδοντι τῷ βασιλεῖ. οὗτος γὰρ Ἡρακλέους στρατεύοντος μετὰ Ἰάσονος ἐπὶ τὸ χρυσόμαλλον δέρος, καὶ τὸ κῆτος ἀνελόντος, ἀπεστέρησε τῶν ὁμολογημένων ἵππων, περὶ ὧν ἐν τοῖς Ἀργοναύτοις τὰ κατὰ μέρος μικρὸν ὕστερον διέξιμεν. [2] καὶ τότε μὲν διὰ τὴν μετ' Ἰάσονος στρατείαν ἀσχοληθεὶς, ὕστερον δὲ λαβὼν καιρὸν ἐπὶ τὴν Τροίαν ἐστράτευσεν, ὥς μὲν τινὲς φασι, ναυσὶ μακραῖς ὀκτωκαίδεκα, ὥς δὲ Ὅμηρος γέγραphen, ἐξ ταῖς ἀπάσαις, ἐν οἷς παρeisάγει τὸν υἱὸν αὐτοῦ Τληπόλεμον λέγοντα

ἀλλ' οἷόν τινά φασι βίην Ἡρακληεῖν
εἶναι, ἐμὸν πατέρα θρασυμέμοννα, θυμολέοντα,
ὅς ποτε δεῦρ' ἐλθὼν ἔνεχ' ἵππων Λαομέδοντος
ἐξ οἷς σὺν νηυσὶ καὶ ἀνδράσι παυροτέροισιν
Ἰλίου ἐξαλάπαξε πόλιν, χήρωσε δ' ἀγυιάς.

[3] ὁ δ' οὖν Ἡρακλῆς καταπλεύσας εἰς τὴν Τρωάδα αὐτὸς μὲν μετὰ τῶν ἀρίστων προῆγεν ἐπὶ τὴν πόλιν, ἐπὶ δὲ τῶν νεῶν ἀπέλιπεν ἡγεμόνα τὸν Ἀμφιαράου υἱὸν Οἰκλέα. Λαομέδων δ' ἀπροσδοκῆτου τῆς παρουσίας τῶν πολεμίων γενομένης δύναμιν ἀξιόλογον συναγαγεῖν ἐξεκλείσθη διὰ τὴν ὀξύτητα τῶν καιρῶν, ἀθροίσας δ' ὅσους ἐδύνατο, μετὰ τούτων ἦλθεν ἐπὶ τὰς ναῦς, ἐλπίζων, εἰ ταύτας ἐμπρήσειε, τέλος ἐπιθήσειν τῷ πολέμῳ. τοῦ δὲ Οἰκλέους ἀπαντήσαντος, ὁ μὲν στρατηγὸς Οἰκλῆς ἔπεσεν, οἱ δὲ λοιποὶ συνδιωχθέντες εἰς τὰς ναῦς ἔφθασαν ἀναπλεύσαντες ἀπὸ τῆς γῆς. [4] Λαομέδων δ' ἐπανελθὼν καὶ πρὸς τῇ πόλει τοῖς μεθ' Ἡρακλέους συμβαλὼν αὐτὸς τε ἔπεσε καὶ τῶν συναγωνιζομένων οἱ πλείους: Ἡρακλῆς δὲ τὴν πόλιν ἐλὼν κατὰ κράτος καὶ πολλοὺς ἐν χειρῶν νόμῳ κατασφάζας, Πριάμῳ τὴν βασιλείαν ἀπέδωκε τῶν Ἰλιαδῶν διὰ τὴν δικαιοσύνην: [5] οὗτος γὰρ μόνος τῶν υἱῶν τοῦ Λαομέδοντος ἐναντιούμενος τῷ πατρὶ τὰς ἵππους ἀποδοῦναι

συνεβούλευσεν τῷ Ἡρακλεῖ κατὰ τὰς ἐπαγγελίας. ὁ δ' Ἡρακλῆς ἐστεφάνωσε Τελαμῶνα ἀριστείοις, δούς αὐτῷ τὴν Λαομέδοντος θυγατέρα Ἡσιόνην· οὗτος γὰρ κατὰ τὴν πολιορκίαν πρῶτος βιασάμενος εἰσέπεσεν εἰς τὴν πόλιν, Ἡρακλέους προσβαλόντος κατὰ τὸ καρτερώτατον μέρος τοῦ τείχους τῆς ἀκροπόλεως.

μετὰ δὲ ταῦτα Ἡρακλῆς μὲν ἐπανελθὼν εἰς Πελοπόννησον ἐστράτευσεν ἐπ' Αὐγέαν διὰ τὴν ἀποστέρησιν τοῦ μισθοῦ· γενομένης δὲ μάχης πρὸς τοὺς Ἡλείους, τότε μὲν ἄπρακτος ἐπανῆλθεν εἰς Ὠλεον πρὸς Δεξαμενόν· τῆς δὲ τούτου θυγατρὸς Ἰπολύτης συνοικιζομένης Ἀζᾶνι, συνδειπνῶν Ἡρακλῆς καὶ θεασάμενος ἐν τοῖς γάμοις ὑβρίζοντα τὸν Κένταυρον Εὐρυτίωνα καὶ τὴν Ἰπολύτην βιαζόμενον, ἀπέκτεινεν. [2] εἰς Τίρυνθα δὲ Ἡρακλέους ἐπανελθόντος, Εὐρυσθεὺς αἰτιασάμενος αὐτὸν ἐπιβουλεύειν τῇ βασιλείᾳ προσέταξεν ἀπελθεῖν ἐκ Τίρυνθος αὐτόν τε καὶ τὴν Ἀλκμήνην καὶ Ἰφικλέα καὶ Ἰόλαον. διόπερ ἀναγκασθεὶς ἔφυγε μετὰ τούτων καὶ κατόκησε [3] τῆς Ἀρκαδίας ἐν Φενεῷ. ἐντεῦθεν δὲ ὁρμώμενος, καὶ πυθόμενος ἐξ Ἥλιδος πομπὴν ἀποστέλλεσθαι Ποσειδῶνι εἰς Ἴσθμόν, καὶ ταύτης ἀφηγεῖσθαι Εὐρυτον τὸν Αὐγέου, προσπεσὼν ἄφνω τὸν Εὐρυτον ἀπέκτεινε περὶ Κλεωνάς, ἔνθα νῦν ἐστὶν ἱερὸν Ἡρακλέους. [4] μετὰ δὲ ταῦτα στρατεύσας ἐπὶ τὴν Ἥλιν τὸν τε βασιλέα ἐφόνευσεν Αὐγέαν, καὶ τὴν πόλιν ἐλὼν κατὰ κράτος Φυλέα τὸν Αὐγέου μετεπέμψατο, καὶ τούτῳ τὴν βασιλείαν παρέδωκεν· ἦν γὰρ ὑπὸ τοῦ πατρὸς πεφυγαδευμένος καθ' ὃν καιρὸν δικαστὴς γενόμενος τῷ πατρὶ πρὸς Ἡρακλέα περὶ τοῦ μισθοῦ τὸ νίκημα ἀπέδωκεν Ἡρακλεῖ. [5] μετὰ δὲ ταῦτα Ἰπποκόων μὲν ἐφυγάδευσεν ἐκ τῆς Σπάρτης τὸν ἀδελφὸν Τυνδάρεω, Οἰωνὸν δὲ τὸν Λικυμνίου φίλον ὄντα Ἡρακλέους οἱ υἱοὶ τοῦ Ἰπποκόωντος εἴκοσι τὸν ἀριθμὸν ὄντες ἀπέκτειναν· ἐφ' οἷς ἀγανακτήσας Ἡρακλῆς ἐστράτευσεν ἐπ' αὐτούς· μεγάλη δὲ μάχη νικήσας παμπληθεὶς ἀπέκτεινε. τὴν δὲ Σπάρτην ἐλὼν κατὰ κράτος, κατήγαγεν ἐπὶ τὴν βασιλείαν Τυνδάρεω τὸν πατέρα τῶν Διοσκόρων, καὶ τὴν βασιλείαν ὡς δορίκτητον Τυνδάρεω παρέθετο, προστάξας τοῖς ἀφ' ἑαυτοῦ γενομένοις φυλάττειν. [6] ἔπεσον δ' ἐν τῇ μάχῃ τῶν μὲν μεθ' Ἡρακλέους ὀλίγοι παντελῶς, ἐν οἷς ἦσαν ἐπιφανεῖς ἄνδρες Ἰφικλος καὶ Κηφεὺς καὶ Κηφέως υἱοὶ τὸν ἀριθμὸν ὄντες ἑπτακαίδεκα· τρεῖς γὰρ ἀπὸ τῶν εἴκοσι μόνον διεσώθησαν· τῶν δ' ἐναντίων αὐτός τε ὁ Ἰπποκόων καὶ μετ' αὐτοῦ δέκα μὲν υἱοί, τῶν δ' ἄλλων Σπαρτιατῶν παμπληθεῖς. [7] ἀπὸ δὲ ταύτης τῆς στρατείας ἐπανιών εἰς τὴν Ἀρκαδίαν, καὶ καταλύσας παρὰ Ἄλεω τῷ βασιλεῖ, τῇ θυγατρὶ τούτου λάθρᾳ μιγεὶς Αὐγῇ καὶ ταύτην ποιήσας ἔγκυον εἰς Στύμφαλον ἐπανῆλθεν. [8] Ἄλεως δ' ἄγνωὸν τὸ πεπραγμένον, ὡς ὁ τῆς γαστρὸς ὄγκος ἐμήνυσεν τὴν φθοράν, ἐζήτει τὸν φθειράντα. τῆς δ' Αὐγῆς ἀποφαινομένης ὅτι βιάσαιτο αὐτὴν Ἡρακλῆς, ἀπιστήσας τοῖς ὑπὸ ταύτης λεγομένοις ταύτην μὲν παρέδωκε Ναυπλίῳ φίλῳ καθεστῶτι, καὶ προσέταξε καταποντίσαι. [9] Αὐγῇ δ' ἀπαγομένη εἰς Ναυπλίαν, καὶ γενομένη κατὰ τὸ Παρθένιον ὄρος, ὑπὸ τῶν ὠδίνων καταβαρουμένη παρῆλθεν εἰς τὴν πλησίον ὕλην ὡς ἐπὶ τινα χρειάν ἀναγκαίαν· τεκοῦσα δὲ παιδίον ἄρρεν ἀπέλιπε τὸ βρέφος εἰς τινας θάμνους κρύψασα. μετὰ δὲ ταῦτα Αὐγῇ μὲν ἀπηλλάγη πρὸς τὸν Ναύπλιον, καὶ καταντήσασα τῆς Ἀργείας εἰς

τὸν ἐν Ναυπλίᾳ λιμένα παραδόξου σωτηρίας ἔτυχε· [10] ὁ γὰρ Ναύπλιος καταποντίσαι μὲν αὐτὴν κατὰ τὰς ἐντολὰς οὐκ ἔκρινε, ξένοις δέ τισι Καρσὶν ἀναγομένοις εἰς τὴν Ἀσίαν δωρήσασθαι· οὗτοι δ' ἀπαγαγόντες εἰς τὴν Ἀσίαν ἀπέδοντο τὴν Αὐγὴν τῷ βασιλεῖ τῆς Μυσίας Τεύθραντι. [11] τὸ δ' ἀπολειφθὲν ἐν τῷ Παρθενίῳ βρέφος ὑπὸ τῆς Αὐγῆς βουκόλοι τινὲς Κορύθου τοῦ βασιλέως εὐρόντες ὑπὸ τινος ἐλάφου τῷ μαστῷ τρεφόμενον, ἐδωρήσαντο τῷ δεσπότη. ὁ δὲ Κόρυθος παραλαβὼν τὸ παιδίον ἀσμένως ὥς ἴδιον υἱὸν ἔτρεφε, προσαγορεύσας Τήλεφον ἀπὸ τῆς τρεφούσης ἐλάφου. Τήλεφος δ' ἀνδρωθεὶς καὶ τὴν μητέρα μαθεῖν σπεύδων, παρήλθεν εἰς Δελφούς, καὶ χρησμὸν ἔλαβε πλεῖν εἰς τὴν Μυσίαν πρὸς Τεύθραντα τὸν βασιλέα. [12] ἀνευρὼν δὲ τὴν μητέρα, καὶ γνωσθεὶς τίνος ἦν πατρός, ἀποδοχῆς ἐτύγχανε τῆς μεγίστης. ὁ δὲ Τεύθρας ἅπαις ὧν ἀρρένων παίδων τὴν θυγατέρα Ἀργιόπην συνώκισε τῷ Τηλέφῳ, καὶ διάδοχον ἀπέδειξε τῆς βασιλείας.

Ἡρακλῆς δὲ μετὰ τὴν ἐν Φενεῷ κατοίκησιν ἔτει πέμπτῳ, δυσφορῶν ἐπὶ τῷ τετελευτηκέναι Οἰωνὸν τὸν Λικυμνίου καὶ Ἴφικλον τὸν ἀδελφόν, ἀπῆλθεν ἐκουσίως ἐξ Ἀρκαδίας καὶ πάσης Πελοποννήσου. συναπελθόντων δ' αὐτῷ πολλῶν ἐκ τῆς Ἀρκαδίας, ἀπῆλθε τῆς Αἰτωλίας εἰς Καλυδῶνα κάκεῖ κατώκησεν. οὐκ ὄντων δ' αὐτῷ παίδων γνησίων οὐδὲ γαμετῆς γυναικός, ἔγχευε Δηιάνειραν τὴν Οἰνέως, τετελευτηκότος ἤδη Μελεάγρου. οὐκ ἀνοίκειον δ' εἶναι νομίζομεν βραχὺ παρεκβάντας ἡμᾶς ἀπαγγεῖλαι τὴν περὶ τὸν Μελεάγρον περιπέτειαν. [2] Οἰνεὺς γάρ, γενομένης εὐκαρπίας αὐτῷ τοῦ σίτου, τοῖς μὲν ἄλλοις θεοῖς ἐτέλεσε θυσίας, μόνῃ δὲ τῇ Ἀρτέμιδος ὀλιγόρησεν· διὴ ἦν αἰτίαν ἢ θεὸς αὐτῷ μηνίσασα τὸν διαβεβοημένον Καλυδώνιον ὣν ἀνῆκεν, ὑπερφυῇ τὸ μέγεθος. [3] οὗτος δὲ τὴν σύνεγγυς χώραν καταφθείρων τὰς κτήσεις ἐλυμαίνετο· διόπερ Μελεάγρος ὁ Οἰνέως, τὴν μὲν ἡλικίαν μάλιστα ἀκμάζων, ῥώμῃ δὲ καὶ ἀνδρείαᾳ διαφέρων, παρέλαβε πολλοὺς τῶν ἀρίστων ἐπὶ τὴν τοῦτου κυνηγίαν. πρώτου δὲ Μελεάγρου τὸ θηρίον ἀκοντίσαντος, ὁμολογούμενον αὐτῷ τὸ πρωτεῖον συνεχωρήθη· τοῦτο δ' ἦν ἡ δорὰ τοῦ ζώου. [4] μετεχούσης δὲ τῆς κυνηγίας Ἀταλάντης τῆς Σχοινέως, ἐρασθεὶς αὐτῆς ὁ Μελεάγρος παρεχώρησε τῆς δорᾶς καὶ τοῦ κατὰ τὴν ἀριστείαν ἐπαίνου. ἐπὶ δὲ τοῖς πραχθεῖσιν οἱ Θεστίου παῖδες συγκυνηγούντες ἠγανάκτησαν, ὅτι ξένην γυναῖκα προετίμησεν αὐτῶν, παραπέμψας τὴν οἰκειότητα. διόπερ ἀκυροῦντες τοῦ Μελεάγρου τὴν δωρεὰν ἐνῆδρευσαν Ἀταλάντη, καὶ κατὰ τὴν εἰς Ἀρκαδίαν ἐπάνοδον ἐπιθέμενοι τὴν δорὰν ἀφείλοντο. [5] Μελεάγρος δὲ διὰ τε τὸν πρὸς τὴν Ἀταλάντην ἔρωτα καὶ διὰ τὴν ἀτιμίαν παροξυνθεὶς, ἐβοήθησε τῇ Ἀταλάντῃ. καὶ τὸ μὲν πρῶτον παρεκάλει τοὺς ἡρπακότας ἀποδοῦναι τῇ γυναικὶ τὸ δοθὲν ἀριστεῖον· ὥς δ' οὐ προσεῖχον, ἀπέκτεινεν αὐτούς, ὄντας τῆς Ἀλθαίας ἀδελφούς. διόπερ ἢ μὲν Ἀλθαία γενομένη περιαλγῆς ἐπὶ τῇ τῶν ὁμαίων ἀναιρέσει ἀρὰς ἔθετο, καθ' ἃς ἠξίωσεν ἀποθανεῖν Μελεάγρον· καὶ τοὺς ἀθανάτους ὑπακούσαντας ἐπενεγκεῖν αὐτῷ τὴν τοῦ βίου καταστροφὴν. [6] ἔνιοι δὲ μυθολογοῦσιν ὅτι κατὰ τὴν Μελεάγρου γένεσιν τῇ Ἀλθαίᾳ τὰς Μοίρας καθ' ὕπνον ἐπιστάσας εἰπεῖν ὅτι τότε τελευτήσει Μελεάγρος ὁ υἱὸς αὐτῆς, ὅταν ὁ δαλὸς κατακαυθῇ. διόπερ τεκοῦσαν, καὶ νομίσασαν ἐν τῇ τοῦ δαλοῦ φυλακῇ τὴν σωτηρίαν τοῦ

τέκνου κείσθαι, τὸν δαλὸν ἐπιμελῶς τηρεῖν. [7] ὕστερον δ' ἐπὶ τῷ φόνῳ τῶν ἀδελφῶν παροξυνθεῖσαν κατακαῦσαι τὸν δαλὸν καὶ τῷ Μελεάγρῳ τῆς τελευτῆς αἰτίαν καταστήναι: αἱ δὲ μᾶλλον ἐπὶ τοῖς πεπραγμένοις λυπουμένην τὸ τέλος ἀγχῶνῃ τὸν βίον καταστρέψαι.

ἄμα δὲ τούτοις πραττομένοις Ἰππὸνουν ἐν Ὀλλένῳ πρὸς τὴν θυγατέρα Περίβοιαν, φάσκουσιν αὐτὴν ἐξ Ἄρεος ὑπάρχειν ἔγκυον, διενεχθέντα πέμψαι ταύτην εἰς Αἰτωλίαν πρὸς Οἰνέα καὶ παρακελεύσασθαι ταύτην ἀφανίσει τὴν ταχίστην. [2] ὁ δ' Οἰνεὺς ἀπολωλεκῶς προσφάτως υἱὸν καὶ γυναῖκα, τὸ μὲν ἀποκτείνει τὴν Περίβοιαν ἀπέγνω, γήμας δ' αὐτὴν ἐγέννησεν υἱὸν Τυδέα. τὰ μὲν οὖν περὶ Μελέαγρον καὶ Ἀλθαίαν, ἔτι δ' Οἰνέα τοιαύτης ἔτυχε διεξόδου. [3] Ἡρακλῆς δὲ τοῖς Καλυδωνίοις βουλόμενος χαρίσασθαι τὸν Ἀχελῶν ποταμὸν ἀπέστρεψε, καὶ ῥύσιν ἄλλην κατασκευάσας ἀπέλαβε χώραν πολλὴν καὶ πάμπορον, ἀρδευομένην ὑπὸ τοῦ προειρημένου ῥείθρου. [4] διὸ καὶ τῶν ποιητῶν τινες μυθοποιῆσαι τὸ πραχθέν: παρεισήγαγον γὰρ τὸν Ἡρακλέα πρὸς τὸν Ἀχελῶν συνάψαι μάχην, ὁμοιωμένου τοῦ ποταμοῦ ταύρῳ, κατὰ δὲ τὴν συμπλοκὴν θάτερον τῶν κεράτων κλάσαντα δωρήσασθαι τοῖς Αἰτωλοῖς, ὃ προσαγορεῦσαι κέρας Ἀμαλθείας. ἐν ᾧ πλάττουσι πλῆθος ὑπάρχειν πάσης ὀπωρινῆς ὥρας, βοτρυῶν τε καὶ μήλων καὶ τῶν ἄλλων τῶν τοιούτων, αἰνιττομένων τῶν ποιητῶν κέρας μὲν τοῦ Ἀχελῶου τὸ διὰ τῆς διώρυχος φερόμενον ῥεῖθρον, τὰ δὲ μῆλα καὶ τὰς ρόας καὶ τοὺς βότρυες δηλοῦν τὴν καρποφόρον χώραν τὴν ὑπὸ τοῦ ποταμοῦ ἀρδευομένην καὶ τὸ πλῆθος τῶν καρποφορούντων φυτῶν: Ἀμαλθείας δ' εἶναι κέρας οἶονεῖ τινος ἀμαλακιστίας, δι' ἧς τὴν εὐτονίαν τοῦ κατασκευάσαντος δηλοῦσθαι.

Ἡρακλῆς δὲ τοῖς Καλυδωνίοις συστρατεύσας ἐπὶ Θεσπρωτοὺς πόλιν τε Ἐφύραν κατὰ κράτος εἴλε καὶ Φυλέα τὸν βασιλέα τῶν Θεσπρωτῶν ἀπέκτεινε. λαβὼν δὲ αἰχμάλωτον τὴν θυγατέρα τοῦ Φυλέως ἐπεμίγη ταύτῃ καὶ ἐτέκνωσε Τληπόλεμον. [2] μετὰ δὲ τὸν Δηιανείρας γάμον τρισὶν ὕστερον ἔτεσι δειπνῶν παρ' Οἰνεῖ, διακονοῦντος Εὐρυνόμου τοῦ Ἀρχιτέλους υἱοῦ, παιδὸς τὴν ἡλικίαν, ἀμαρτάνοντος δ' ἐν τῷ διακονεῖν, πατάξας κονδύλῳ, καὶ βαρυτέρας τῆς πληγῆς γενομένης, ἀπέκτεινεν ἀκουσίως τὸν παῖδα. [3] περιαλγῆς δὲ γενόμενος ἐπὶ τῷ πάθει πάλιν ἐκ τῆς Καλυδῶνος ἐκουσίως ἔφυγε μετὰ τῆς γυναικὸς Δηιανείρας καὶ Ὑλλου τοῦ ἐκ ταύτης, παιδὸς ὄντος τὴν ἡλικίαν. ἐπεὶ δὲ πορευόμενος ἦλθε πρὸς τὸν Εὐνὴν ποταμὸν, κατέλαβε Νέσσον τὸν Κένταυρον μισθοῦ διαβιβάζοντα τὸν ποταμόν. [4] οὗτος δὲ πρῶτην διαβιβάσας τὴν Δηιανείραν, καὶ διὰ τὸ κάλλος ἐρασθεῖς, ἐπεχείρησε βιάσασθαι ταύτην. ἐπιβοωμένης δ' αὐτῆς τὸν ἄνδρα, ὁ μὲν Ἡρακλῆς ἐτόξευσεν τὸν Κένταυρον, ὁ δὲ Νέσσος μεταξὺ μισγόμενος, καὶ διὰ τὴν ὀξύτητα τῆς πληγῆς εὐθὺς ἀποθνήσκων, ἔφησε τῇ Δηιανείρᾳ δώσειν φίλτρον, ὅπως μηδεμιᾶ τῶν ἄλλων γυναικῶν Ἡρακλῆς θελήσῃ πλησιάσαι. [5] παρεκελεύσατο οὖν λαβοῦσαν τὸν ἐξ αὐτοῦ πεσόντα γόνον, καὶ τούτῳ προσμίξασαν ἔλαιον καὶ τὸ ἀπὸ τῆς ἀκίδος ἀποστάζον αἷμα, χρῖσαι τὸν χιτῶνα τοῦ Ἡρακλέους. οὗτος μὲν οὖν ταύτην τὴν ὑποθήκην δοὺς τῇ Δηιανείρᾳ παραχρῆμα ἐξέπνευσεν. ἡ δὲ κατὰ τὴν γενομένην ὑπὸ τοῦ Νέσσου παραγγελίαν εἰς ἄγγος ἀναλαβοῦσα τὸν γόνον, καὶ τὴν ἀκίδα βάψασα, λάθρᾳ τοῦ Ἡρακλέους ἐφύλαττεν. ὁ δὲ διαβάς

τὸν ποταμὸν κατήντησε πρὸς Κήυκα τὸν τῆς Τραχίνος βασιλέα, καὶ μετὰ τούτου κατώκησεν, ἔχων τοὺς αἰεὶ συστρατεύοντας τῶν Ἀρκάδων.

μετὰ δὲ ταῦτα Φύλαντος τοῦ Δρυόπων βασιλέως δόξαντος εἰς τὸ ἐν Δελφοῖς ἱερὸν παρανενομηκεῖναι, στρατεύσας μετὰ Μηλιέων τὸν τε βασιλέα τῶν Δρυόπων ἀνέειλε καὶ τοὺς ἄλλους ἐκ τῆς χώρας ἐξαναστήσας Μηλιεῦσι παρέδωκε τὴν χώραν: τὴν δὲ Φύλαντος θυγατέρα λαβὼν αἰχμάλωτον καὶ μιγεῖς αὐτῇ υἱὸν Ἀντίοχον ἐγέννησεν. ἐτέκνωσε δὲ καὶ ἐκ τῆς Δηιανείρας νεωτέρους τοῦ Ὑλλου υἱοὺς δύο, [2] Γληνέα καὶ Ὀδίτην. τῶν δ' ἐκπεσόντων Δρυόπων οἱ μὲν εἰς τὴν Εὐβοίαν καταντήσαντες ἔκτισαν πόλιν Κάρυστον, οἱ δ' εἰς Κύπρον τὴν νῆσον πλεύσαντες καὶ τοῖς ἐγχωρίοις ἀναμιχθέντες ἐνταῦθα κατώκησαν, οἱ δὲ λοιποὶ τῶν Δρυόπων καταφυγόντες ἐπὶ τὸν Εὐρυσθέα βοηθείας ἔτυχον διὰ τὴν ἔχθραν τὴν πρὸς Ἡρακλέα: τούτου γὰρ αὐτοῖς συνεργούντος τρεῖς πόλεις ᾤκισαν ἐν Πελοποννήσῳ, Ἀσίνην καὶ Ἑρμιόνην, ἔτι δ' Ἡϊόνα. [3] μετὰ δὲ τὴν Δρυόπων ἀνάστασιν, πολέμου συνεστῶτος τοῖς Δωριεῦσι τοῖς τὴν Ἑστιαϊωτὴν καλουμένην οἰκοῦσιν, ὧν ἐβασίλευεν Αἰγίμιος, καὶ τοῖς Λαπίθαις τοῖς περὶ τὸν Ὀλυμπον ἰδρυμένοις, ὧν ἐδυνάστευε Κόρωνος ὁ Καινέως, ὑπερεχόντων δὲ τῶν Λαπιθῶν πολὺ ταῖς δυνάμεσιν, οἱ Δωριεῖς κατέφυγον ἐπὶ τὸν Ἡρακλέα, καὶ σύμμαχον αὐτὸν ἐκάλεσαν ἐπὶ τρίτῳ μέρει τῆς Δωρίδος χώρας καὶ τῆς βασιλείας: πείσαντες δὲ κοινῇ τὴν ἐπὶ τοὺς Λαπίθας στρατείαν ἐποιήσαντο. ὁ δ' Ἡρακλῆς ἔχων αἰεὶ τοὺς μεθ' ἑαυτοῦ στρατεύσαντας Ἀρκάδας, καὶ μετὰ τούτων χειρωσάμενος τοὺς Λαπίθας, αὐτὸν τε τὸν βασιλέα Κόρωνον ἀνέειλε καὶ τῶν ἄλλων τοὺς πλείστους κατακόψας ἠνάγκασεν ἐκχωρῆσαι τῆς ἀμφισβητησίμου χώρας. [4] τούτων δὲ πραχθέντων, Αἰγίμῳ μὲν τὸ ἐπιβάλλον τῆς χώρας τρίτον μέρος παρέθετο καὶ παρεκελεύσατο φυλάττειν τοῖς ἀπ' αὐτοῦ: ἐπανίων δ' εἰς Τραχῖνα, καὶ προκληθεὶς ὑπὸ Κύκνου τοῦ Ἄρεος, τοῦτον μὲν ἀπέκτεινεν, ἐκ δὲ τῆς Ἰτῶνου πορευόμενος καὶ διὰ τῆς Πελασγιώτιδος γῆς βαδίζων Ὀρμένιῳ τῷ βασιλεῖ συνέμιξεν, οὗ τὴν θυγατέρα ἐμνήστευεν Ἀστυδάμειαν: οὐ προσέχοντος δ' αὐτοῦ διὰ τὸ ἔχειν αὐτὸν γαμετὴν Δηιάνειραν τὴν Οἰνέως, στρατεύσας ἐπ' αὐτὸν τὴν τε πόλιν εἴλε καὶ τὸν ἀπειθοῦντα βασιλέα ἀπέκτεινε, τὴν δ' Ἀστυδάμειαν αἰχμάλωτον λαβὼν, [5] καὶ μιγεῖς αὐτῇ, Κτήσιππον υἱὸν ἐγέννησε. ταῦτα δὲ διαπραξάμενος ἐστράτευσεν εἰς τὴν Οἰχαλίαν ἐπὶ τοὺς Εὐρύτου παῖδας, ὅτι τὴν Ἰόλην μνηστεύσας ἀπέτυχε: συναγωνιζομένων δ' αὐτῷ τῶν Ἀρκάδων, τὴν τε πόλιν εἴλε καὶ τοὺς Εὐρύτου παῖδας ἀπέκτεινε, Τοξέα καὶ Μολίονα καὶ Κλυτίον. λαβὼν δὲ καὶ τὴν Ἰόλην αἰχμάλωτον ἀπῆλθε τῆς Εὐβοίας ἐπὶ τὸ ἀκρωτήριον τὸ καλούμενον Κηναῖον.

ἐνταῦθα δὲ θυσίαν ἐπιτελὼν ἀπέστειλε Λίχαν τὸν ὑπηρέτην εἰς Τραχῖνα πρὸς τὴν γυναῖκα Δηιάνειραν: τούτῳ δὲ προστεταγμένον ἦν αἰτῆσαι χιτῶνα καὶ ἱμάτιον, οἷς εἰώθει χρῆσθαι πρὸς τὰς θυσίας. ἡ δὲ Δηιάνειρα πυθομένη τοῦ Λίχα τὴν πρὸς Ἰόλην φιλοστοργίαν καὶ βουλομένη πλέον ἑαυτὴν ἀγαπᾶσθαι, τὸν χιτῶνα ἔχρισε τῷ παρὰ τοῦ Κενταύρου δεδομένῳ πρὸς ἀπώλειαν φίλτρῳ. [2] ὁ μὲν οὖν Λίχας ἀγνοῶν περὶ τούτων ἀπήνεγκε τὴν ἐσθῆτα πρὸς τὴν θυσίαν: ὁ δ' Ἡρακλῆς ἐνδὺς τὸν κεχριμένον χιτῶνα, καὶ κατ' ὀλίγον τῆς τοῦ σηπτικοῦ φαρμάκου δυνάμειος ἐνεργούσης, περιέπεσε

συμφορᾷ τῇ μεγίστῃ. τῆς γὰρ ἀκίδος τὸν ἐκ τῆς ἐχίδνης ἰὸν ἀνελιηφυίας, καὶ διὰ τοῦτο τοῦ χιτῶνος διὰ τὴν θερμασίαν τὴν σάρκα τοῦ σώματος λυμαινομένου, περιαλγῆς γενόμενος ὁ Ἡρακλῆς τὸν μὲν διακονήσαντα Λίχαν ἀπέκτεινε, τὸ δὲ στρατόπεδον ἀπολύσας ἐπανήλθεν εἰς τὴν Τραχῖνα. [3] αἰεὶ δὲ μᾶλλον τῇ νόσφ βαρυνόμενος αὐτὸς μὲν ἀπέστειλεν εἰς Δελφοὺς Λικύμνιον καὶ Ἰόλαον ἐπερωτήσοντας τὸν Απόλλωνα τί χρὴ περὶ τῆς νόσου πράττειν, Διάνειρα δὲ τὸ μέγεθος τῆς Ἡρακλέους συμφορᾶς καταπεπληγμένη, καὶ συνειδυῖα ἑαυτῇ τὴν ἁμαρτίαν, ἀγχόνη τὸν βίον κατέστρεψεν. ὁ δὲ θεὸς ἔχρησε κομισθῆναι τὸν Ἡρακλέα μετὰ τῆς πολεμικῆς διασκευῆς εἰς τὴν Οἶτην, κατασκευάσαι δὲ πλησίον αὐτοῦ πυρὰν εὐμεγέθη: [4] περὶ δὲ τῶν λοιπῶν ἔφησε Διὶ μελήσειν. τῶν δὲ περὶ τὸν Ἰόλαον ποιησάντων τὰ προστεταγμένα καὶ ἐκ διαστήματος ἀποθεωρούντων τὸ ἀποβησόμενον, ὁ μὲν Ἡρακλῆς ἀπογνοὺς τὰ καθ' ἑαυτόν, καὶ παρελθὼν εἰς τὴν πυρὰν, παρεκάλει τὸν αἰεὶ προσίοντα ὑφάσαι τὴν πυρὰν. οὐδενὸς δὲ τολμῶντος ὑπακοῦσαι μόνος Φιλοκτῆτης ἐπέισθη: λαβὼν δὲ τῆς ὑπουργίας χάριν τὴν τῶν τόξων δωρεὰν ἦψε τὴν πυρὰν. εὐθὺς δὲ καὶ κεραυνῶν ἐκ τοῦ περιέχοντος πεσόντων, ἡ πυρὰ πᾶσα κατεφλέχθη. [5] μετὰ δὲ ταῦτα οἱ μὲν περὶ τὸν Ἰόλαον ἐλθόντες ἐπὶ τὴν ὀστολογίαν, καὶ μηδὲν ὅλως ὀστοῦν εὐρόντες, ὑπέλαβον τὸν Ἡρακλέα τοῖς χρησιμοῖς ἀκολούθως ἐξ ἀνθρώπων εἰς θεοὺς μεθεστάθαι:

διόπερ ὥς ἥρωι ποιήσαντες ἀγισμοὺς καὶ χρώματα κατασκευάσαντες ἀπηλλάγησαν εἰς Τραχῖνα. μετὰ δὲ τούτους Μενoitιος ὁ Ἄκτορος υἱός, φίλος ὢν Ἡρακλεῖ, κάπρον καὶ ταῦρον καὶ κριὸν θύσας ὥς ἥρωι κατέδειξε κατ' ἐνιαυτὸν ἐν Ὀποῦντι θύειν καὶ τιμᾶν ὥς ἥρωα τὸν Ἡρακλέα. τὸ παραπλήσιον δὲ καὶ τῶν Θηβαίων ποιησάντων, Ἀθηναῖοι πρῶτοι τῶν ἄλλων ὥς θεὸν ἐτίμησαν θυσίαις τὸν Ἡρακλέα, καὶ τοῖς ἄλλοις ἀνθρώποις παράδειγμα τὴν ἑαυτῶν εἰς τὸν θεὸν εὐσέβειαν ἀποδείξαντες προετρέψαντο τὸ μὲν πρῶτον ἅπαντας Ἑλλήνας, μετὰ δὲ ταῦτα καὶ τοὺς κατὰ τὴν οἰκουμένην ἀνθρώπους ἅπαντας ὥς θεὸν τιμᾶν τὸν Ἡρακλέα. [2] προσθετέον δ' ἡμῖν τοῖς εἰρημένοις ὅτι μετὰ τὴν ἀποθέωσιν αὐτοῦ Ζεὺς Ἦραν μὲν ἔπεισεν υἱοποιήσασθαι τὸν Ἡρακλέα καὶ τὸ λοιπὸν εἰς τὸν ἅπαντα χρόνον μητρὸς εὐνοίαν παρέχεσθαι, τὴν δὲ τέκνωσιν γενέσθαι φασὶ τοιαύτην: τὴν Ἦραν ἀναβᾶσαν ἐπὶ κλίνην καὶ τὸν Ἡρακλέα προσλαβομένην πρὸς τὸ σῶμα διὰ τῶν ἐνδυμάτων ἀφεῖναι πρὸς τὴν γῆν, μιμουμένην τὴν ἀληθινὴν γένεσιν: ὅπερ μέχρι τοῦ νῦν ποιεῖν τοὺς βαρβάρους ὅταν θετὸν υἱὸν ποιεῖσθαι βούλωνται. [3] τὴν δ' Ἦραν μετὰ τὴν τέκνωσιν μυθολογοῦσι συνοικίσαι τὴν Ἥβην τῷ Ἡρακλεῖ, περὶ ἧς καὶ τὸν ποιητὴν τεθεικέναι κατὰ τὴν Νεκυίαν εἰδωλον, αὐτὸς δὲ μετ' ἀθανάτοισι θεοῖσι τέρπεται ἐν θαλίαις καὶ ἔχει καλλίσφυρον Ἥβην. [4] τὸν δ' οὖν Ἡρακλέα λέγουσι καταλεγόμενον ὑπὸ τοῦ Διὸς εἰς τοὺς δώδεκα θεοὺς μὴ προσδέξασθαι τὴν τιμὴν ταύτην: ἀδύνατον γὰρ ἦν τοῦτον καταλεχθῆναι μὴ πρότερον ἐνὸς τῶν δώδεκα θεῶν ἐκβληθέντος: ἄτοπον οὖν εἶναι προσδέξασθαι τιμὴν ἐτέρῳ θεῷ φέρουσαν ἀτιμίαν. περὶ μὲν οὖν Ἡρακλέους εἰ καὶ πεπλεονάκαμεν, ἀλλ' οὖν οὐδὲν τῶν μυθολογουμένων περὶ αὐτοῦ

παραλειπίταμεν. περὶ δὲ τῶν Ἀργοναυτῶν, ἐπειδὴ τούτοις Ἡρακλῆς συνεστράτευσεν, οἰκεῖον ἂν εἴη διελθεῖν περὶ αὐτῶν. Ἰάσονα γενέσθαι

λέγουσιν υἱὸν μὲν Αἴσωνος, ἀδελφιδοῦν δὲ Πελίου τοῦ Θετταλῶν βασιλέως, ῥώμη δὲ σώματος καὶ ψυχῆς λαμπρότητι διενέγκαντα τῶν ἡλικιωτῶν ἐπιθυμῆσαι τι πρᾶξι μνήμης ἄξιον. [2] ὄρῳντα δὲ τῶν πρὸ αὐτοῦ Περσέα καὶ τινας ἄλλους διὰ τὰς ὑπερορίους στρατείας καὶ τὸ παράβολον τῶν ἄθλων δόξης ἀειμνήστου τετευχότας, ζηλῶσαι τὰς προαιρέσεις αὐτῶν. διὸ καὶ τὴν ἐπιβολὴν ἀνακοινωσάμενον τῷ βασιλεῖ ταχέως λαβεῖν αὐτὸν συγκαταίνον, οὐχ οὕτω τοῦ Πελίου σπεύδοντος προαγαγεῖν εἰς ἐπιφάνειαν τὸν νεανίσκον ὥς ἐλπίζοντος ἐν ταῖς παραβόλοις στρατείαις διαφθαρῆσεσθαι: [3] αὐτὸν μὲν γὰρ ἐκ φύσεως ἐστερεῖσθαι παίδων ἄρρένων, τὸν δ' ἀδελφὸν εὐλαβεῖσθαι μήποτε συνεργὸν ἔχων τὸν υἱὸν ἐπίθῃται τῇ βασιλείᾳ. κρύπτοντα δὲ τὴν ὑποψίαν ταύτην, καὶ τὰ πρὸς τὴν στρατείαν χρήσιμα χορηγήσειν ἐπαγγειλάμενον, παρακαλεῖν ἄθλον τελέσαι στείλάμενον τὸν πλοῦν εἰς Κόλχους ἐπὶ τὸ διαβεβοημένον τοῦ κριοῦ δέρος χρυσόμαλλον. [4] τὸν δὲ Πόντον κατ' ἐκείνους τοὺς χρόνους περιουκούμενον ὑπὸ ἐθνῶν βαρβάρων καὶ παντελῶς ἀγρίων ἄξενον προσαγορεύεσθαι, ξενοκτονούντων τῶν ἐγχωρίων τοὺς καταπλέοντας. [5] Ἰάσωνα δὲ δόξης ὀρεγόμενον καὶ τὸν ἄθλον δυσέφικτον μὲν, οὐ κατὰ πᾶν δ' ἀδύνατον κρίνοντα, καὶ διὰ τοῦτο μᾶλλον αὐτὸν ἐπιφανέστερον ἔσεσθαι διαλαμβάνοντα, παρασκευάσασθαι τὰ πρὸς τὴν ἐπιβολήν.

καὶ πρῶτον μὲν περὶ τὸ Πήλιον ναυπηγήσασθαι σκάφος, πολὺ τῷ μεγέθει καὶ τῇ λοιπῇ κατασκευῇ τὴν τότε συνήθειαν ὑπερβάλλον, διὰ τὸ σχεδίασις πλεῖν τοὺς τότε ἀνθρώπους καὶ μικροῖς παντελῶς ἀκατίοις. διὸ καὶ τῶν ἰδόντων αὐτὸ τότε καταπληττομένων, καὶ τῆς φήμης διαδοθείσης κατὰ τὴν Ἑλλάδα περὶ τε τοῦ ἄθλου καὶ τῆς κατὰ τὴν ναυπηγίαν ἐπιβολῆς, οὐκ ὀλίγους τῶν ἐν ὑπεροχαῖς νεανίσκων ἐπιθυμῆσαι μετασχεῖν τῆς στρατείας. [2] Ἰάσωνα δὲ καθελκύσαντα τὸ σκάφος καὶ κοσμήσαντα πᾶσι τοῖς ἀνήκουσι πρὸς ἑκπληξιν λαμπρῶς, ἐκλέξει τῶν ὀρεγομένων τῆς αὐτῆς προαιρέσεως τοὺς ἐπιφανεστάτους ἀριστεῖς, ὥστε σὺν αὐτῷ τοὺς ἅπαντας εἶναι πενήκοντα καὶ τέτταρας. τούτων δ' ὑπάρχειν ἐνδοξοτάτους Κάστορα καὶ Πολυδεύκην, ἔτι δ' Ἡρακλέα καὶ Τελαμῶνα, πρὸς δὲ τούτοις Ὀρφέα καὶ τὴν Σχοινέως Ἀταλάντην, ἔτι δὲ τοὺς Θεσπίου παῖδας καὶ αὐτὸν τὸν στελλόμενον τὸν πλοῦν ἐπὶ τὴν Κολχίδα. [3] τὴν δὲ ναῦν Ἀργῷ προσαγορευθῆναι κατὰ μὲν τινὰς τῶν μυθογράφων ἀπὸ τοῦ τὸ σκάφος ἀρχιτεκτονήσαντος Ἀργου καὶ συμπλεύσαντος ἔνεκα τοῦ θεραπεύειν αἰεὶ τὰ πονοῦντα μέρη τῆς νεῶς, ὥς δ' ἔνιοι λέγουσιν ἀπὸ τῆς περὶ τὸ τάχος ὑπερβολῆς, ὥς ἂν τῶν ἀρχαίων ἀργὸν τὸ ταχὺ προσαγορευόντων. τοὺς δ' οὖν ἀριστεῖς συνελθόντας ἐλέσθαι σφῶν αὐτῶν στρατηγὸν Ἡρακλέα,

προκρίναντας κατ' ἀνδρείαν. ἔπειτ' ἐκ τῆς Ἰωλκοῦ τὸν ἑκπλοῦν ποιησαμένους, καὶ παραλλάξαντας τὸν τε Ἄθω καὶ Σαμοθράκην, χειμῶνι περιπεσεῖν, καὶ προσενεχθῆναι τῆς Τρωάδος πρὸς Σίγειον. ἐνταῦθα δ' αὐτῶν τὴν ἀπόβασιν ποιησαμένων, εὐρεθῆναι φασὶ παρθένον δεδεμένην παρὰ τὸν αἰγιαλὸν διὰ τοιαύτας αἰτίας. [2] λέγεται τὸν Ποσειδῶνα διὰ τὴν μυθολογουμένην τῶν Τρωικῶν τειχῶν κατασκευὴν μηνίσαντα Λαομέδοντι τῷ βασιλεῖ κῆτος ἀνεῖναι ἐκ τοῦ πελάγους πρὸς τὴν χώραν: ὑπὸ δὲ τούτου τοῦς

τε παρὰ τὸν αἰγιαλὸν διατρίβοντας καὶ τοὺς γεωργοῦντας τὴν παραθαλάττιον παραδόξως συναρπάζεσθαι: πρὸς δὲ τούτοις λοιμὸν ἐμπεσεῖν εἰς τὰ πλήθη καὶ καρπῶν παντελῇ φθοράν, ὥστε πάντας ἐκπλήττεσθαι τὸ μέγεθος τῆς περιστάσεως. [3] διὸ καὶ συντρεχόντων τῶν ὄχλων εἰς ἐκκλησίαν καὶ ζητούντων ἀπαλλαγὴν τῶν ἀτυχημάτων, λέγεται τὸν βασιλέα πέμψαι πρὸς τὸν Ἀπόλλω τοὺς ἐπερωτήσοντας περὶ τῶν συμβεβηκότων. ἐκπεσόντος οὖν χρησιμοῦ μῆνιν ὑπάρχειν Ποσειδῶνος, καὶ τότε ταύτην λήξειν ὅταν οἱ Τρῶες τὸ λαχὸν τῶν τέκνων ἐκουσίως παραδῶσι βορὰν τῷ κῆτει, φασὶν ἀπάντων εἰς τὸν κλῆρον ἐμβαινόντων ἐπανελθεῖν εἰς Ἡσιόνην τὴν τοῦ βασιλέως θυγατέρα: [4] διόπερ τὸν Λαομέδοντα συναναγκασθέντα παραδοῦναι τὴν παρθένον καὶ δεσμοῖς καταλαβόμενον ἀπολιπεῖν παρὰ τὸν αἰγιαλόν. [5] ἐνταῦθα δὲ τὸν μὲν Ἡρακλέα μετὰ τῶν Ἀργοναυτῶν τὴν ἀπόβασιν ποιησάμενον, καὶ μαθόντα παρὰ τῆς κόρης τὴν περιπέτειαν, ἀναρρήξαι μὲν τοὺς περὶ τὸ σῶμα δεσμούς, ἀναβάντα δ' εἰς τὴν πόλιν ἐπαγγεῖλασθαι τῷ βασιλεῖ διαφθερεῖν τὸ κῆτος. [6] τοῦ δὲ Λαομέδοντος ἀποδεξαμένου τὸν λόγον καὶ δωρεὰν δώσειν ἐπαγγεῖλαμένου τὰς ἀνικήτους ἵππους, φασὶ τὸ μὲν κῆτος ὑφ' Ἡρακλέους ἀναιρεθῆναι, τῇ δ' Ἡσιόνη δοθῆναι τὴν ἐξουσίαν εἴτε βούλοιο μετὰ τοῦ σώσαντος ἀπελθεῖν εἴτε μετὰ τῶν γονέων καταμένειν ἐν τῇ πατρίδι. τὴν μὲν οὖν κόρην ἐλέσθαι τὸν μετὰ τοῦ ξένου βίον, οὐ μόνον τὴν εὐεργεσίαν τῆς συγγενείας προκρίνασαν, ἀλλὰ καὶ φοβουμένην μὴ πάλιν φανέντος κήτους πρὸς τὴν ὁμοίαν ὑπὸ τῶν πολιτῶν ἐκτετῇ τιμωρίαν. [7] τὸν δ' Ἡρακλέα δόροις καὶ τοῖς προσήκουσι ξενίοις λαμπρῶς τιμηθέντα τὴν Ἡσιόνην καὶ τὰς ἵππους παραθέσθαι τῷ Λαομέδοντι, συνταξάμενον μετὰ τὴν ἐκ Κόλχων ἐπάνοδον ἀπολήψεσθαι, αὐτὸν δ' ἀναχθῆναι μετὰ τῶν Ἀργοναυτῶν κατὰ σπουδὴν ἐπὶ τὸν προκείμενον ἄθλον.

ἐπιγενομένου δὲ μεγάλου χειμῶνος, καὶ τῶν ἀριστεῶν ἀπογινωσκόντων τὴν σωτηρίαν, φασὶν Ὀρφέα, τῆς τελετῆς μόνον τῶν συμπλεόντων μετεσχηκότα, ποιήσασθαι τοῖς Σαμόθραξι τὰς ὑπὲρ τῆς σωτηρίας εὐχάς. [2] εὐθὺς δὲ τοῦ πνεύματος ἐνδόντος, καὶ δυοῖν ἀστέρων ἐπὶ τὰς τῶν Διοσκόρων κεφαλὰς ἐπιτεσόντων, ἅπαντας μὲν ἐκπλαγῆναι τὸ παράδοξον, ὑπολαβεῖν δὲ θεῶν προνοίᾳ τῶν κινδύνων ἑαυτοὺς ἀπηλλάχθαι. διὸ καὶ τοῖς ἐπιγινομένοις παραδοσίμου γεγεννημένης τῆς περιπετείας, αἰεὶ τοὺς χειμαζομένους τῶν πλεόντων εὐχὰς μὲν τίθεσθαι τοῖς Σαμόθραξι, τὰς δὲ τῶν ἀστέρων παρουσίας ἀναπέμπειν εἰς τὴν τῶν Διοσκόρων ἐπιφάνειαν. [3] οὐ μὴν ἀλλὰ τότε λήξαντος τοῦ χειμῶνος ἀποβῆναι μὲν τοὺς ἀριστεῖς τῆς Θράκης εἰς τὴν ὑπὸ Φινέως βασιλευομένην χώραν, περιπεσεῖν δὲ δυσὶ νεανίσκοις ἐπὶ τιμωρίᾳ διωρυγμένοις καὶ μάστιγι πληγὰς συνεχεῖς λαμβάνουσι: τούτους δ' ὑπάρχειν Φινέως υἱοὺς καὶ Κλεοπάτρας, ἣν φασιν ἐξ Ὠρειθυίας τῆς Ἐρεχθέως γεννηθῆναι καὶ Βορέου, διὰ δὲ μητρυῖας τόλμαν καὶ διαβολὰς ψευδεῖς τυγχάνοντας ὑπὸ τοῦ πατρὸς ἀδίκως τῆς προειρημένης τιμωρίας: [4] τὸν γὰρ Φινέα γεγαμηκότα Ἰδαίαν τὴν Δαρδάνου τοῦ Σκυθῶν βασιλέως θυγατέρα, καὶ διὰ τὸν πρὸς αὐτὴν ἔρωτα πάντα χαρίζομενον, πιστεῦσαι διότι τῇ μητρυῖᾳ βίαν ἐφ' ὕβρει προσήγαγον οἱ πρόγονοι, βουλόμενοι τῇ μητρὶ χαρίζεσθαι. [5] τῶν δὲ περὶ τὸν Ἡρακλέα παραδόξως ἐπιφανέντων, φασὶ τοὺς μὲν ἐν ταῖς

ἀνάγκαις ὄντας ἐπικαλέσασθαι καθάπερ θεοὺς τοὺς ἀριστεῖς, καὶ τὰς αἰτίαις δηλώσαντας τῆς τοῦ πατρὸς παρανομίας δεῖσθαι τῶν ἀτυχημάτων αὐτοὺς ἐξελέσθαι.

τὸν δὲ Φινέα πικρῶς ἀπαντήσαντα τοῖς ξένοις παραγγεῖλαι μηδὲν τῶν καθ' ἑαυτὸν πολυπραγμονεῖν: μηδένα γὰρ πατέρα λαβεῖν παρ' υἱῶν ἐκουσίως τιμωρίαν, εἰ μὴ τῷ μεγέθει τῶν ἀδικημάτων ὑπέρθοιντο τὴν φυσικὴν [2] τῶν γονέων εἰς τέκνα φιλοστοργίαν. ἐνταῦθα συμπλέοντας τοῖς περὶ τὸν Ἡρακλέα τοὺς ἐπικαλουμένους μὲν Βορέαδας, ἀδελφοὺς δ' ὄντας Κλεοπάτρας, λέγεται διὰ τὴν συγγένειαν πρώτους ὀρμήσαι πρὸς τὴν βοήθειαν, καὶ τοὺς μὲν περικειμένους τοῖς νεανίσκοις δεσμοὺς περιρρηξαι, τοὺς δ' ἐναντιουμένους τῶν βαρβάρων ἀποκτείνει. [3] ὀρμήσαντος δὲ τοῦ Φινέως πρὸς μάχην, καὶ τοῦ πλήθους τῶν Θρακῶν συνδραμόντος, φασὶ τὸν Ἡρακλέα πάντων ἄριστα διαγωνισάμενον αὐτόν τε τὸν Φινέα καὶ τῶν ἄλλων οὐκ ὀλίγους ἀνελεῖν, τὸ δὲ τελευταῖν, τὸ δὲ τελευταῖον κρατήσαντα τῶν βασιλείων τὴν μὲν Κλεοπάτραν ἐκ τῆς φυλακῆς προαγαγεῖν, τοῖς δὲ Φινεΐδαις ἀποκαταστήσαι τὴν πατρῶαν ἀρχήν: βουλομένων δ' αὐτῶν τὴν μητρὶν μετ' αἰκίας ἀποκτείνει, πεῖσαι τῆς μὲν τιμωρίας ταύτης ἀποστήναι, πρὸς δὲ τὸν πατέρα πέμψαντας εἰς τὴν Σκυθίαν ἐκεῖνον παρακαλέσαι τῶν εἰς αὐτοὺς ἀνομημάτων λαβεῖν κόλασιν. [4] οὗ γνηθέντος τὸν μὲν Σκύθην τῆς θυγατρὸς καταγνῶναι θάνατον, τοὺς δ' ἐκ τῆς Κλεοπάτρας υἱοὺς ἀπενέγκασθαι παρὰ τοῖς Θραξὶ δόξαν ἐπιεικειάς. οὐκ ἄγνωσθαι δὲ διότι τινὲς τῶν μυθογράφων τυφλωθῆναι φασὶ τοὺς Φινεΐδας ὑπὸ τοῦ πατρὸς, καὶ τὸν Φινέα τῆς ὁμοίας τυχεῖν συμφορᾶς ὑπὸ Βορέου. [5] ὁμοίως δὲ καὶ τὸν Ἡρακλέα τινὲς παραδεδώκασι πρὸς ὕδρεϊαν ἐξελθόντα κατὰ τὴν Ἀσίαν ὑπὸ τῶν Ἀργοναυτῶν ἐπὶ τῆς χώρας ἀπολειφθῆναι. καθόλου δὲ τοὺς παλαιοὺς μύθους οὐχ ἀπλὴν οὐδὲ συμπεφωνημένην ἱστορίαν ἔχειν συμβέβηκε: [6] διόπερ οὐ χρὴ θαυμάζειν, ἐάν τινα τῶν ἀρχαιολογουμένων μὴ συμφώνως ἅπασιν τοῖς ποιηταῖς καὶ συγγραφεῦσι συγκρίνωμεν. οὐ μὴν ἀλλὰ καὶ τοὺς Φινεΐδας λέγεται τὴν βασιλείαν παραδόντας τῇ μητρὶ Κλεοπάτρᾳ συστρατεῦσαι τοῖς ἀριστεύουσιν. [7] ἀναχθέντας δ' αὐτοὺς ἐκ τῆς Θράκης καὶ κομισθέντας εἰς τὸν Πόντον προσχεῖν τῇ Ταυρικῇ, τὴν ἀγριότητα τῶν ἐγχωρίων ἀγνοοῦντας: νόμιμον γὰρ εἶναι τοῖς τὴν χώραν ταύτην οἰκοῦσι βαρβάροις θύειν Ἀρτέμιδι Ταυροπόλῳ τοὺς καταπλέοντας ξένους: παρ' οἷς φασὶ τὴν Ἰφιγένειαν ἐν τοῖς ὕστερον χρόνοις ἰέρειαν τῆς εἰρημένης θεοῦ κατασταθεῖσαν θύειν τοὺς ἀλίσκομένους.

ἐπιζητούσης δὲ τῆς ἱστορίας τὰς τῆς ξενοκτονίας αἰτίαις, ἀναγκαῖον βραχέα διελθεῖν, ἄλλως τε καὶ τῆς παρεκβάσεως οἰκείας ἐσομένης ταῖς τῶν Ἀργοναυτῶν πράξεσι. φασὶ γὰρ Ἠλίου δύο γενέσθαι παῖδας, Αἰήτην τε καὶ Πέρσην: τούτων δὲ τὸν μὲν Αἰήτην βασιλεῦσαι τῆς Κολχίδος, τὸν δ' ἕτερον τῆς Ταυρικῆς, ἀμφοτέρους δὲ διενεγκεῖν ὠμότητι. [2] καὶ Πέρσου μὲν Ἑκάτην γενέσθαι θυγατέρα, τόλμη καὶ παρανομία προέχουσιν τοῦ πατρὸς: φιλοκύνηγον δ' οὖσαν ἐν ταῖς ἀποτυχίαις ἀνθρώπους ἀντὶ τῶν θηρίων κατατοξεύειν. φιλότεχνον δ' εἰς φαρμάκων θανασίμων συνθέσεις γενομένην τὸ καλούμενον ἀκόνιτον ἐξευρεῖν, καὶ τῆς ἐκάστου δυνάμεως πείραν λαμβάνειν μίσγουςαν ταῖς διδομέναις τοῖς ξένοις τροφαῖς. ἐμπειρίαν δὲ

μεγάλην ἐν τούτοις ἔχουσιν πρῶτον μὲν τὸν πατέρα φαρμάκῳ διαφθεῖραι καὶ διαδέξασθαι τὴν βασιλείαν, ἔπειτ' Ἀρτέμιδος ἱερὸν ἰδρυσαμένην καὶ τοὺς καταπλέοντας ξένους θύεσθαι τῇ θεῷ καταδείξασαν ἐπ' ὁμότητι διονομασθῆναι. [3] μετὰ δὲ ταῦτα συνοικήσασαν Αἰήτη γεννῆσαι δύο θυγατέρας, Κίρκην τε καὶ Μήδειαν, ἔτι δ' υἱὸν Αἰγιάλεα. καὶ τὴν μὲν Κίρκην εἰς φαρμάκων παντοδαπῶν ἐπίνοιαν ἐκτραπείσαν ἐξευρεῖν ῥιζῶν παντοίας φύσεις καὶ δυνάμεις ἀπιστουμένας· οὐκ ὀλίγα μὲν γὰρ ὑπὸ τῆς μητρὸς Ἑκάτης διδαχθῆναι, πολὺ δὲ πλείω διὰ τῆς ἰδίας ἐπιμελείας ἐξευροῦσαν μηδεμίαν ὑπερβολὴν ἀπολιπεῖν ἑτέρα πρὸς ἐπίνοιαν φαρμακείας. [4] δοθῆναι δ' αὐτὴν εἰς γάμον τῷ βασιλεῖ τῶν Σαρματῶν, οὗς ἔνιοι Σκύθας προσαγορεύουσι. καὶ τὸ μὲν πρῶτον τὸν ἄνδρα φαρμάκοις ἀνελεῖν, μετὰ δὲ ταῦτα τὴν βασιλείαν διαδεξαμένην πολλὰ κατὰ τῶν ἀρχομένων ὦμα πράξαι καὶ βίαια. [5] διόπερ ἐκπεσοῦσαν τῆς βασιλείας κατὰ μὲν τινὰς τῶν μυθογράφων φυγεῖν ἐπὶ τὸν ὠκεανόν, καὶ νῆσον ἔρημον καταλαβομένην ἐνταῦθα μετὰ τῶν συμφυγούσων γυναικῶν καθιδρυθῆναι, κατὰ δέ τινες τῶν ἱστορικῶν ἐκλιποῦσαν τὸν Πόντον κατοικῆσαι τῆς Ἰταλίας ἀκρωτήριον τὸ μέχρι τοῦ νῦν ἀπ' ἐκείνης Κίρκαιον ὀνομαζόμενον.

τὴν δὲ Μήδειαν ἱστοροῦσι μαθεῖν παρὰ τε τῆς μητρὸς καὶ τῆς ἀδελφῆς ἀπάσας τὰς τῶν φαρμάκων δυνάμεις, προαιρέσει δ' ἐναντιωτάτῃ χρῆσθαι· διατελεῖν γὰρ τοὺς καταπλέοντας τῶν ξένων ἐξαιρουμένην ἐκ τῶν κινδύνων, καὶ ποτὲ μὲν παρὰ τοῦ πατρὸς αἰτεῖσθαι δεήσει καὶ χάριτι τὴν τῶν μελλόντων ἀπόλλυσθαι σωτηρίαν, ποτὲ δ' αὐτὴν ἐκ τῆς φυλακῆς ἀφιεῖσαν προνοεῖσθαι τῆς τῶν ἀτυχούντων ἀσφαλείας· τὸν γὰρ Αἰήτην τὰ μὲν διὰ τὴν ἰδίαν ὁμότητα, τὰ δ' ὑπὸ τῆς γυναικὸς Ἑκάτης πεισθέντα, προσδέξασθαι τὸ τῆς ξενοκτονίας νόμιμον. [2] ἀντιπραττούσης δὲ τῆς Μηδείας αἰεὶ μᾶλλον τῇ προαιρέσει τῶν γονέων, φασὶ τὸν Αἰήτην ὑποπτεύσαντα τὴν ἐκ τῆς θυγατρὸς ἐπιβουλήν εἰς ἐλευθέραν αὐτὴν ἀποθέσθαι φυλακὴν· τὴν δὲ Μήδειαν διαδράσαν καταφυγεῖν εἰς τι τέμενος Ἥλιου κείμενον παρὰ θάλατταν. [3] καθ' ὃν δὴ χρόνον τοὺς Ἀργοναύτας ἀπὸ τῆς Ταυρικῆς κομισθέντας νυκτὸς καταπλεῦσαι τῆς Κολχίδος εἰς τὸ προειρημένον τέμενος. ἐνθα δὴ περιτυχόντας τῇ Μηδεῖα πλανωμένη παρὰ τὸν αἰγιάλον, καὶ μαθόντας παρ' αὐτῆς τὸ τῆς ξενοκτονίας νόμιμον, ἀποδέξασθαι μὲν τὴν ἡμερότητα τῆς παρθένου, δηλώσαντας δ' αὐτῇ τὴν ἐαυτῶν ἐπιβολὴν πάλιν παρ' ἐκείνης μαθεῖν τὸν ὑπάρχοντα αὐτῇ κίνδυνον ἀπὸ τοῦ πατρὸς διὰ τὴν πρὸς τοὺς ξένους εὐσέβειαν. [4] κοινοῦ δὲ τοῦ συμφέροντος φανέντος, τὴν μὲν Μήδειαν ἐπαγγείλασθαι συνεργήσιν αὐτοῖς μέχρι ἂν συντελέσωσι τὸν προκείμενον ἄθλον, τὸν δ' Ἰάσονα διὰ τῶν ὄρκων δοῦναι πίστει ὅτι γήμας αὐτὴν ἔξει σύμβιον ἅπαντα [5] τὸν τοῦ ζῆν χρόνον. μετὰ δὲ ταῦτα τοὺς Ἀργοναύτας ἀπολιπόντας φυλακὰς τῆς νεώς, νυκτὸς ὀρμῆσαι μετὰ τῆς Μηδείας ἐπὶ τὸ χρυσόμαλλον δέρος· περὶ οὗ τὰ κατὰ μέρος οἰκεῖον ἂν εἶη διελθεῖν, ἵνα μηδὲν τῶν ἀνηκόντων εἰς τὴν ὑποκειμένην ἱστορίαν ἀγνοῇται.

Φρίξον τὸν Ἀθάμαντος μυθολογοῦσι διὰ τὰς ἀπὸ τῆς μητρὸς ἐπιβουλάς ἀναλαβόντα τὴν ἀδελφὴν Ἑλλήν φυγεῖν ἐκ τῆς Ἑλλάδος. περαιουμένων δ' αὐτῶν κατὰ τινὰ θεῶν πρόνοιαν ἐκ τῆς Εὐρώπης εἰς τὴν Ἀσίαν ἐπὶ κριοῦ

χρυσομάλλου, τὴν μὲν παρθένον ἀποπεσεῖν εἰς τὴν θάλατταν, ἣν ἀπ' ἐκείνης Ἑλλήσποντον ὀνομασθῆναι, τὸν δὲ Φρίξον εἰς τὸν Πόντον πορευθέντα καταχθῆναι μὲν πρὸς τὴν Κολχίδα, κατὰ δὲ τι λόγιον θύσαντα τὸν κριὸν ἀναθεῖναι τὸ δέρος εἰς τὸ τοῦ Ἄρεος ἱερόν. [2] μετὰ δὲ ταῦτα βασιλεύοντος τῆς Κολχίδος Αἰήτου χρησμὸν ἐκπεσεῖν ὅτι τότε καταστρέψει τὸν βίον ὅταν ξένοι καταπλεύσαντες τὸ χρυσόμαλλον δέρος ἀπενέγκωσι. διὰ δὲ ταύτας τὰς αἰτίας καὶ διὰ τὴν ἰδίαν ὠμότητα καταδείξει θύειν τοὺς ξένους, ἵνα διαδοθείσης τῆς φήμης εἰς ἅπαντα τόπον περὶ τῆς Κόλχων ἀγριότητος μηδεὶς τῶν ξένων ἐπιβῆναι τολμήσῃ τῆς χώρας. περιβαλεῖν δὲ καὶ τῷ τεμένει τεῖχος καὶ φύλακας πολλοὺς ἐπιστήσαι τῶν ἐκ τῆς Ταυρικῆς· ἀφ' ὧν καὶ τερατώδεις παρὰ τοῖς Ἑλλήσι πλασθῆναι μύθους. [3] διαβεβοῆσθαι γὰρ ὅτι πυρίπνοοι ταῦροι περὶ τὸ τέμενος ὑπῆρχον, δράκων δ' ἄυπνος ἐτήρει τὸ δέρος, ἀπὸ μὲν τῶν Ταύρων μετενεχθείσης τῆς ὁμωνυμίας ἐπὶ τὴν τῶν βοῶν ἰσχύν, ἀπὸ δὲ τῆς κατὰ τὴν ξενοκτονίαν ὠμότητος πυρπνεῖν τοὺς ταύρους μυθολογηθέντος· παραπλησίως δὲ τοῦ τηροῦντος τὸ τέμενος Δράκοντος ὀνομαζομένου, μετενηνοχέαι τοὺς ποιητὰς ἐπὶ τὸ τερατώδες καὶ καταπληκτικὸν τοῦ ζώου. [4] τῆς ὁμοίας δὲ μυθολογίας ἔχεσθαι καὶ τὰ περὶ τοῦ Φρίξου λεγόμενα. διαπλεῦσαι γὰρ αὐτόν φασιν οἱ μὲν ἐπὶ νεῶς προτομὴν ἐπὶ τῆς πρῶρας ἐχούσης κριοῦ, καὶ τὴν Ἑλλήν δυσφοροῦσαν ἐπὶ τῇ ναυτίᾳ, καὶ διὰ τοῦτ' ἐπὶ τοῦ τοίχου τῆς νεῶς ἐκκύπτουσιν, εἰς τὴν θάλατταν προπεσεῖν. [5] ἔνιοι δὲ φασὶ τὸν βασιλέα τῶν Σκυθῶν, ὄντα γαμβρὸν Αἰήτου, παρὰ τοῖς Κόλχοις ἐπιδημῆσαι καθ' ὃν καιρὸν ἀλῶναι συνέβη τὸν Φρίξον μετὰ τοῦ παιδαγωγοῦ, ἐρωτικῶς δὲ σχόντα τοῦ παιδὸς λαβεῖν αὐτὸν ἐν δωρεᾷ παρ' Αἰήτου, καὶ καθάπερ υἱὸν γνήσιον ἀγαπήσαντα καταλιπεῖν αὐτῷ τὴν βασιλείαν. τὸν δὲ παιδαγωγὸν ὀνομαζόμενον Κριὸν τυθῆναι τοῖς θεοῖς, καὶ τοῦ σώματος ἐκδαρέντος προσηλωθῆναι τῷ νεῷ τὸ δέρμα κατὰ τι νόμιμον. [6] μετὰ δὲ ταῦτα Αἰήτη γενομένου χρησμοῦ, καθ' ὃν ἐσημαίνετο τότε τελευτήσῃν αὐτὸν ὅταν ξένοι καταπλεύσαντες τὸ τοῦ Κριοῦ δέρος ἀπενέγκωσι, τὸν βασιλέα φασὶ τειχίσαι τὸ τέμενος καὶ φρουρὰν ἐγκαταστήσαι, πρὸς δὲ τούτοις χρυσῶσαι τὸ δέρος, ἵνα διὰ τὴν ἐπιφάνειαν ὑπὸ τῶν στρατιωτῶν ἐπιμελεστάτης ἀξιοθῇ φυλακῆς. ταῦτα μὲν οὖν ἐξέσται τοὺς ἀναγινώσκοντας κρίνειν πρὸς τὰς ἰδίας ἐκάστου προαιρέσεις.

τὴν δὲ Μήδειαν ἱστοροῦσι καθηγῆσασθαι τοῖς Ἀργοναύταις πρὸς τὸ τοῦ Ἄρεος τέμενος, ἀπέχον ἐβδομήκοντα σταδίους ἀπὸ τῆς πόλεως, ἣν καλεῖσθαι μὲν Σύβαριν, ἔχειν δὲ τὰ βασίλεια τῶν Κόλχων. προσελθοῦσαν δὲ ταῖς πύλαις κεκλειμέναις νυκτὸς τῇ Ταυρικῇ διαλέκτῳ προσφωνῆσαι τοὺς φρουροὺς. [2] τῶν δὲ στρατιωτῶν ἀνοιξάντων προθύμως ὥς ἂν βασιλέως θυγατρί, φασὶ τοὺς Ἀργοναύτας εἰσπεσόντας ἐσπασμένοις τοῖς ξίφεσι πολλοὺς μὲν φονεῦσαι τῶν βαρβάρων, τοὺς δ' ἄλλους διὰ τὸ παράδοξον καταπληξαμένους ἐκβαλεῖν ἐκ τοῦ τεμένους, καὶ τὸ δέρος ἀναλαβόντας πρὸς τὴν ναῦν ἐπείγεσθαι κατὰ σπουδὴν. [3] παραπλησίως δὲ τούτοις καὶ τὴν Μήδειαν ἐν τῷ τεμένει τὸν μυθολογούμενον ἄυπνον δράκοντα περιεσπειραμένον τὸ δέρος τοῖς φαρμάκοις ἀποκτείνει, καὶ μετὰ Ἰάσονος τὴν ἐπὶ θάλατταν καταβάσιν ποιήσασθαι. [4] τῶν δὲ διαφυγόντων Ταύρων ἀπαγγειλάντων τῷ βασιλεῖ τὴν

γενομένην ἐπίθεσιν, φασὶ τὸν Αἰήτην μετὰ τῶν περὶ αὐτὸν στρατιωτῶν διώξαντα τοὺς Ἑλλήνας καταλαβεῖν πλησίον τῆς θαλάττης· ἐξ ἐφόδου δὲ συνάψαντα μάχην ἀνελεῖν ἓνα τῶν Ἀργοναυτῶν Ἴφιτον τὸν Εὐρυσθέως ἀδελφὸν τοῦ τοὺς ἄθλους Ἡρακλεῖ προστάξαντος, ἔπειτα τοῖς ἄλλοις τῷ πλήθει τῶν συναγωνιζομένων περιχυθέντα καὶ βιαίτερον ἐγκείμενον ὑπὸ Μελεάγρου φονευθῆναι. [5] ἔνθα δὴ πεσόντος τοῦ βασιλέως καὶ τῶν Ἑλλήνων ἐπαρθέντων, τραπήναι πρὸς φυγὴν τοὺς Κόλχους, καὶ κατὰ τὸν διωγμὸν τοὺς πλείστους αὐτῶν ἀναιρεθῆναι. γενέσθαι δὲ καὶ τῶν ἀριστεῶν τραυματίαν Ἰάσονα καὶ Λαέρτην, ἔτι δ' Ἀταλάντην καὶ τοὺς Θεσπιάδας προσαγορευομένους. τοὺτους μὲν οὖν φασιν ὑπὸ τῆς Μηδείας ἐν ὀλίγαις ἡμέραις ῥίζαις καὶ βοτάναις τισὶ θεραπευθῆναι, τοὺς δ' Ἀργοναύτας ἐπισιτισαμένους ἐκπλεῦσαι, καὶ μέσον ἤδη τὸ Ποντικὸν πέλαγος ἔχοντας περιπεσεῖν χειμῶνι παντελῶς ἐπικινδύνῳ. [6] τοῦ δ' Ὀρφέως, καθάπερ καὶ πρότερον, εὐχὰς ποιησαμένου τοῖς Σαμόθραξι, λήξαι μὲν τοὺς ἀνέμους, φανῆναι δὲ πλησίον τῆς νεῶς τὸν προσαγορευόμενον θαλάττιον Γλαῦκον. τοῦτον δ' ἐπὶ δύο νύκτας καὶ δύο ἡμέρας συνεχῶς τῇ νηὶ συμπλεύσαντα προειπεῖν μὲν Ἡρακλεῖ περὶ τῶν ἄθλων καὶ τῆς ἀθανασίας, τοῖς δὲ Τυνδαρίδαις, ὅτι προσαγορευθήσονται μὲν Διόσκοροι, τιμῆς δ' ἰσοθέου τεύζονται παρὰ πᾶσιν ἀνθρώποις. [7] καθόλου δ' ἐξ ὀνόματος προσφωνήσαντα πάντας τοὺς Ἀργοναύτας εἰπεῖν ὥς διὰ τὰς Ὀρφέως εὐχὰς θεῶν προνοία φανεῖς αὐτοῖς σημαίνει τὰ μέλλοντα γενήσεσθαι· συμβουλεύειν οὖν αὐτοῖς, ὅταν τῆς γῆς ἄψωνται, τὰς εὐχὰς ἀποδοῦναι τοῖς θεοῖς, δι' οὓς τετεύχασι δις ἤδη τῆς σωτηρίας.

ἔπειτα τὸν μὲν Γλαῦκον δῦναι πάλιν εἰς τὸ πέλαγος, τοὺς δ' Ἀργοναύτας κατὰ στόμα τοῦ Πόντου γενομένους προσπλεῦσαι τῇ γῇ, βασιλεύοντος τότε τῆς χώρας Βύζαντος, ἀφ' οὗ καὶ τὴν πόλιν τῶν Βυζαντίων ὠνομάσθαι. [2] ἐνταῦθα δὲ βωμοὺς ἰδρυσαμένους καὶ τοῖς θεοῖς τὰς εὐχὰς ἀποδόντας καθιεῶσαι τὸν τόπον τὸν ἔτι καὶ νῦν τιμώμενον ὑπὸ τῶν παραπλεόντων. [3] μετὰ δὲ ταῦτα ἀναχθέντας, καὶ διαπλεύσαντας τὴν τε Προποντίδα καὶ τὸν Ἑλλήσποντον, προσενεχθῆναι τῇ Τρῳάδι. ἐνταῦθα δ' Ἡρακλέους πέμψαντος εἰς τὴν πόλιν Ἴφικλόν τε τὸν ἀδελφὸν καὶ Τελαμῶνα τὰς τε ἵππους καὶ τὴν Ἡσιόνην ἀπαιτήσοντας, λέγεται τὸν Λαομέδοντα τοὺς μὲν πρεσβευτὰς εἰς φυλακὴν ἀποθέσθαι, τοῖς δ' ἄλλοις Ἀργοναύταις δι' ἐνέδρας βουλεύσαι θάνατον· καὶ τοὺς μὲν ἄλλους υἱοὺς ἔχειν τῇ πράξει συνεργούς, Πρίαμον δὲ μόνον ἐναντιοπραγῶντα· τοῦτον γὰρ ἀποφῆνασθαι δεῖν τὰ πρὸς τοὺς ξένους δίκαια τηρεῖν, καὶ τὴν τε ἀδελφὴν καὶ τὰς ὁμολογημένας ἵππους ἀποδιδόναι. [4] οὐδενὸς δ' αὐτῷ προσέχοντος, φασὶν εἰς τὴν φυλακὴν δύο ξίφη παρενέγκαντα λάθρα δοῦναι τοῖς περὶ τὸν Τελαμῶνα, καὶ τὴν τοῦ πατρὸς προαίρεσιν ἐξηγησάμενον αἴτιον γενέσθαι τῆς σωτηρίας αὐτοῖς. [5] εὐθὺς γὰρ τοὺς περὶ τὸν Τελαμῶνα φονεῦσαι μὲν τῶν φυλάκων τοὺς ἀντεχομένους, φυγόντας δ' ἐπὶ θάλατταν ἀπαγγεῖλαι τὰ κατὰ μέρος τοῖς Ἀργοναύταις. διόπερ τοὺτους μὲν ἐτοίμους γενομένους πρὸς μάχην ἀπαντῆσαι τοῖς ἐκ τῆς πόλεως ἐκχεομένοις μετὰ τοῦ βασιλέως· [6] γενομένης δὲ μάχης ἰσχυρᾶς, καὶ τῶν ἀριστεῶν διὰ τὰς ἀρετὰς ἐπικρατούντων, μυθολογοῦσι τὸν Ἡρακλέα πάντων

ἄριστα διαγωνίσασθαι: τόν τε γάρ Λαομέδοντα φονεῦσαι, καί τῃς πόλεως ἐξ ἐφόδου κρατήσαντα κολάσαι μὲν τοὺς μετασχόντας τῷ βασιλεῖ τῃς ἐπιβουλῆς, Πριάμῳ δὲ διὰ τὴν δικαιοσύνην παραδοῦναι τὴν βασιλείαν, καὶ φιλίαν συνθένεον ἐκπλεῦσαι μετὰ τῶν Ἀργοναυτῶν. [7] ἔνιοι δὲ τῶν ἀρχαίων ποιητῶν παραδεδώκασιν οὐ μετὰ τῶν Ἀργοναυτῶν, ἀλλ' ἰδίᾳ στρατεύσαντα τὸν Ἡρακλέα ναυσὶν ἐξ ἔνεκα τῶν ἵππων ἐλεῖν τὴν Τροίαν: προσμαρτυρεῖν δὲ τούτοις καὶ Ὅμηρον ἐν τοῖσδε τοῖς ἔπεσιν,

ἀλλ' οἷόν τινά φασι βίην Ἡρακληεῖν
εἶναι, ἐμὸν πατέρα θρασυμένονα, θυμολέοντα,
ὅς ποτε δεῦρ' ἐλθὼν ἔνεχ' ἵππων Λαομέδοντος
ἐξ οἷς σὺν νηυσὶ καὶ ἀνδράσι παυροτέροισιν
Ἰλίου ἐξαλάπαξε πόλιν, χήρωσε δ' ἀγνιάς.

[8] τοὺς δ' Ἀργοναύτας φασὶν ἐκ τῆς Τρωάδος ἀναχθέντας εἰς Σαμοθράκην κομισθῆναι, καὶ τοῖς μεγάλοις θεοῖς τὰς εὐχὰς ἀποδόντας πάλιν ἀναθεῖναι τὰς φιάλας εἰς τὸ τέμενος τὰς ἔτι καὶ νῦν διαμενούσας.

τῆς δὲ τῶν ἀριστεῶν ἀνακομιδῆς ἀγνοουμένης ἔτι κατὰ τὴν Θετταλίαν, φασὶ προσπεσεῖν φήμην ὅτι πάντες οἱ μετὰ Ἰάσονος στρατεύσαντες ἐν τοῖς κατὰ τὸν Πόντον τόποις ἀπολώλασι. διόπερ τὸν Πελίαν καιρὸν ἔχειν ὑπολαμβάνοντα τοὺς ἐφέδρους τῆς βασιλείας πάντας ἄρδην ἀνελεῖν, τὸν μὲν πατέρα τὸν Ἰάσονος ἀναγκάσαι πιεῖν αἷμα ταύρου, τὸν δ' ἀδελφὸν Πρόμαχον, παῖδα τὴν ἡλικίαν ὄντα, [2] φονεῦσαι. Ἀμφινόμην δὲ τὴν μητέρα μέλλουσιν ἀναιρεῖσθαι φασιν ἔπανδρον καὶ μνήμης ἀξίαν ἐπιτελέσασθαι πρᾶξιν: καταφυγοῦσαν γὰρ ἐπὶ τὴν ἐστίαν τοῦ βασιλέως καὶ καταρασαμένην παθεῖν αὐτὸν ἄξια τῶν ἀσεβημάτων, ξίφει πατάξασαν ἑαυτῆς τὸ στήθος ἥρωικῶς καταστρέψαι τὸν βίον. [3] τὸν δὲ Πελίαν τούτῳ τῷ τρόπῳ πᾶσαν τὴν Ἰάσονος συγγένειαν. ἄρδην ἀνελόντα ταχὺ τὴν προσήκουσαν τοῖς ἀσεβήμασι κομίσασθαι τιμωρίαν. τὸν γάρ Ἰάσωνα καταπλεύσαντα νυκτὸς τῆς Θετταλίας εἰς ὄρμον οὐ μακρὰν μὲν τῆς Ἰωλκοῦ κείμενον, ἀθεώρητον δὲ τοῖς ἐκ τῆς πόλεως, μαθεῖν παρά τινος τῶν κατὰ τὴν χώραν τὰ γενόμενα περὶ τοὺς συγγενεῖς ἀτυχήματα. [4] πάντων δὲ τῶν ἀριστεῶν ἐτοίμων ὄντων βοηθεῖν τῷ Ἰάσωνι καὶ πάντα κίνδυνον ἀναδέχεσθαι, περὶ τῆς ἐπιθέσεως ἐμπεσεῖν αὐτοῖς ἀμφισβήτησιν: τοὺς μὲν γὰρ συμβουλεύειν παραχρήμα βιασαμένους εἰς τὴν πόλιν ἀπροσδοκῆτως ἐπιθέσθαι τῷ βασιλεῖ, τινὰς δ' ἀποφαίνεσθαι δεῖν στρατιώτας ἀπὸ τῆς ἰδίας πατρίδος ἕκαστον συλλέξαντα κοινὸν ἄρασθαι πόλεμον: ἀδύνατον γὰρ εἶναι πεντήκοντα καὶ τρισὶν ἀνδράσι περιγενέσθαι βασιλέως δύναμιν ἔχοντος καὶ πόλεις ἀξιολόγους. [5] τοιαύτης δ' οὔσης ἐν αὐτοῖς ἀπορίας, λέγεται τὴν Μήδειαν ἐπαγγεῖλασθαι δι' ἑαυτῆς τόν τε Πελίαν ἀποκτενεῖν δόλῳ καὶ τὰ βασιλεία παραδώσειν τοῖς ἀριστεύσιν ἀκινδύνως. [6] ἐνταῦθα πάντων θαυμασάντων τὸν λόγον καὶ τὸν τρόπον τῆς ἐπιβουλῆς μαθεῖν ζητούντων, εἶπεῖν ὅτι κομίζει μεθ' ἑαυτῆς πολλὰς καὶ παραδόξους δυνάμεις φαρμάκων εὐρημένας ὑπὸ τε τῆς μητρὸς Ἑκάτης καὶ τῆς ἀδελφῆς Κίρκης: καὶ ταύταις μὲν μηδέποτε χρῆσθαι πρότερον πρὸς ἀπώλειαν ἀνθρώπων, νυνὶ δὲ δι' αὐτῶν ἀμυνεῖσθαι ῥαδίως τοὺς ἀξίους τιμωρίας. [7] προειποῦσαν δὲ τοῖς ἀριστεύσιν τὰ κατὰ μέρος τῆς ἐπιθέσεως, ἐκ τῶν

βασιλείων αὐτοῖς ἐπαγγείλασθαι σημαίνει τῆς μὲν ἡμέρας καπνῶ, τῆς δὲ νυκτὸς πυρί, πρὸς τὴν ὑπερκειμένην τῆς θαλάττης σκοπὴν.

αὐτὴν δὲ κατασκευάσασαν Ἀρτέμιδος εἶδωλον κοῖλον, εἰς μὲν τοῦτο παντοδαπὰς φύσεις φαρμάκων κατακρύψαι, ἑαυτῆς δὲ τὰς μὲν τρίχας δυνάμεσι τισι χρίσασαν ποιῆσαι πολιὰς, τὸ δὲ πρόσωπον καὶ τὸ σῶμα ρυτίδων πλήρες, ὥστε τοὺς ἰδόντας δοκεῖν εἶναι τινα παντελῶς πρεσβῦτιν· τὸ δὲ τελευταῖον ἀναλαβοῦσαν τὴν θεὸν διεσκευασμένην καταπληκτικῶς εἰς ὄχλων δεισδαίμονίαν, εἰς τὴν πόλιν εἰσβαλεῖν ἅμ' ἡμέρᾳ. [2] ἐνθεαζούσης δ' αὐτῆς, καὶ τοῦ πλήθους κατὰ τὰς ὁδοὺς συντρέχοντος, παραγγέλλειν πᾶσι δέχεσθαι τὴν θεὸν εὐσεβῶς· παρεῖναι γὰρ αὐτὴν ἐξ Ὑπερβορέων ἐπ' ἀγαθῷ δαίμονι τῇ τε πόλει πάσῃ καὶ τῷ βασιλεῖ. [3] πάντων δὲ προσκυνούντων καὶ τιμώντων τὴν θεὸν θυσίαις, καὶ τὸ σύνολον τῆς πόλεως ἀπάσης συνενθεαζούσης, εἰσβαλεῖν τὴν Μήδειαν εἰς τὰ βασίλεια, καὶ τὸν τε Πελίαν εἰς δεισδαίμονα διάθεσιν ἐμβαλεῖν καὶ τὰς θυγατέρας αὐτοῦ διὰ τῆς τερατείας εἰς τοιαύτην κατάπληξιν ἀγαγεῖν ὥστε πιστεῦσαι διότι ἄρεστιν ἢ θεὸς εὐδαίμονα ποιήσουσα τὸν οἶκον τοῦ βασιλέως· [4] ἀπεφαίνετο γὰρ ἐπὶ δρακόντων ὄχουμένην τὴν Ἄρτεμιν δι' ἄερος ὑπερπετασθῆναι πολλὰ μέρη τῆς οἰκουμένης, καὶ πρὸς καθίδρυσιν ἑαυτῆς καὶ τιμὰς αἰωνίους ἐκλελέχθαι τὸν εὐσεβέστατον ἀπάντων τῶν βασιλέων· προστεταχέναι δ' αὐτῇ καὶ τὸ γῆρας ἀφελοῦσαν τὸ Πελίου διὰ τινων δυνάμεων νέον παντελῶς ποιῆσαι τὸ σῶμα καὶ πολλὰ ἕτερα πρὸς μακάριον καὶ θεοφιλῆ βίον δωρήσασθαι. [5] ἐκπληττομένου δὲ τοῦ βασιλέως τὸ παράδοξον τῶν λόγων, ἐπαγγείλασθαι τὴν Μήδειαν παραχρῆμα ἐπὶ τοῦ σώματος ἑαυτῆς τὰς τούτων πίστει παρεξέσθαι. εἰποῦσαν γὰρ μὲν τῶν Πελίου θυγατέρων καθαρὸν ἐνεγκεῖν ὕδωρ, καὶ τῆς παρθένου τὸ ῥηθὲν εὐθὺς ἐπὶ τέλος ἀγαγούσης, φασὶν εἰς οἰκίσκον τινὰ συγκλείσασαν ἑαυτὴν καὶ περινιψαμένην τὸ σῶμα πᾶν ἀποκλύσασθαι τὰς τῶν φαρμάκων δυνάμεις· ἀποκατασταθεῖσαν δ' εἰς τὴν προϋπάρχουσαν διάθεσιν καὶ φανεῖσαν τῷ βασιλεῖ καταπλήξασθαι τοὺς ὀρώντας, καὶ δόξαι τινὶ θεῶν προνοίᾳ μετηλλαχέναι τὸ γῆρας εἰς παρθένου νεότητα καὶ κάλλος περιβλεπτον. [6] ποιῆσαι δ' αὐτὴν καὶ διὰ τινων φαρμάκων εἶδωλα φαντασθῆναι τῶν δρακόντων, ἐφ' ὧν ἀποφαίνεσθαι τὴν θεὸν κομισθεῖσαν δι' ἄερος ἐξ Ὑπερβορέων ἐπιξενωθῆναι τῷ Πελίᾳ. τῶν δ' ἐνεργημάτων ὑπὲρ τὴν ἀνθρωπίνην φύσιν φανέντων, καὶ τοῦ βασιλέως μεγάλης ἀποδοχῆς ἀξιούντος τὴν Μήδειαν καὶ τὸ σύνολον πιστεύσαντος ἀληθῇ λέγειν, φασὶν αὐτὴν κατὰ μόνας ἐντυχοῦσαν τῷ Πελίᾳ παρακαλέσαι ταῖς θυγατράσι διακελεύεσθαι συνεργεῖν καὶ πράττειν ἅπερ ἂν αὐταῖς προστάτῃ· προσήκειν γὰρ τῷ τοῦ βασιλέως σώματι μὴ δουρικαῖς χερσίν, ἀλλὰ ταῖς τῶν τέκνων θεραπευθέντα τυχεῖν τῆς παρὰ θεῶν εὐεργεσίας. [7] διόπερ τοῦ Πελίου ταῖς θυγατράσι διαρρήδην εἰπόντος πάντα πράττειν ὅσα ἂν ἡ Μήδεια προστάτῃ περὶ τὸ σῶμα τοῦ πατρός, τὰς μὲν παρθένους ἐτοίμους οὖσας τὸ κελευόμενον ἐπιτελεῖν,

τὴν δὲ Μήδειαν νυκτὸς ἐπιγενομένης καὶ τοῦ Πελίου πρὸς ὕπνον τραπέντος λέγειν ὡς ἀναγκαῖον ἐν λέβητι καθεψῆσαι τὸ σῶμα τοῦ Πελίου. προσάντως δὲ τῶν παρθένων δεξαμένων τὸν λόγον, ἐτέραν αὐτὴν ἐπινοῆσαι

πίστιν τῶν ὑπ' αὐτῆς λεγομένων: τρεφομένου γὰρ κριοῦ πολυετοῦς κατὰ τὴν οἰκίαν, ἐπαγγεῖλασθαι ταῖς κόραις τοῦτον πρότερον καθεψήσιν [2] καὶ ποιήσιν ἀπ' ἀρχῆς ἄρνα. συγκαταθεμένων δ' αὐτῶν, μυθολογοῦσι τὴν Μήδειαν κατὰ μέλη διελοῦσαν τὸ σῶμα τοῦ κριοῦ καθεψῆσαι, καὶ διὰ τινων φαρμάκων παρακρουσαμένην ἐξελεῖν ἐκ τοῦ λέβητος ἄρνός εἶδωλον. ἐνταῦθα τῶν παρθένων καταπλαγεῖσθαι, καὶ πίστεις τῆς ἐπαγγελίας ἡγησαμένων ἐνδεχομένας ἔχειν, ὑπουργῆσαι τοῖς προστάγμασι. καὶ τὰς μὲν ἄλλας ἀπάσας τὸν πατέρα τυπτούσας ἀποκτεῖναι, μόνην δ' Ἄλκηστιν δι' εὐσεβείας ὑπερβολὴν ἀποσχέσθαι τοῦ γεννήσαντος. [3] μετὰ δὲ ταῦτα τὴν Μήδειάν φασι τοῦ μὲν τὸ σῶμα κατακόπτειν ἢ καθεψεῖν ἀποστῆναι, προσποιησαμένην δὲ δεῖν πρότερον εὐχὰς ποιήσασθαι τῇ σελήνῃ, τὰς μὲν παρθένους ἀναβιβάσαι μετὰ λαμπάδων ἐπὶ τὸ μετεωρότατον τέγος τῶν βασιλείων, αὐτὴν δὲ τῇ Κολχίδι διαλέκτῳ κατευχὴν τινα μακρὰν διερχομένην ἐγγχρονίζειν, ἀναστροφὴν διδοῦσαν τοῖς μέλλουσι ποιεῖσθαι τὴν ἐπιθέσιν. [4] διὸ καὶ τοὺς Ἀργοναύτας ἀπὸ τῆς σκοπῆς καταμαθόντας τὸ πῦρ, καὶ νομίσαντας συντετελέσθαι τὴν ἀναίρεσιν τοῦ βασιλέως, ὁρμῆσαι δρόμῳ πρὸς τὴν πόλιν, παρεισελθόντας δ' ἐντὸς τοῦ τείχους ἐσπασμένοις τοῖς ξίφεσιν εἰς τὰ βασίλεια καταντῆσαι καὶ τοὺς ἐναντιουμένους τῶν φυλάκων ἀνελεῖν. τὰς δὲ τοῦ Πελίου θυγατέρας ἄρτι καταβεβηκυῖας ἀπὸ τοῦ τέγους πρὸς τὴν καθεψῆσιν, καὶ παραδόξως ἐν τοῖς βασιλείοις ἰδοῦσας τὸν τε Ἴασονα καὶ τοὺς ἀριστεῖς, περιαλγείς ἐπὶ τῇ συμφορᾷ γενέσθαι: οὔτε γὰρ ἀμύνασθαι τὴν Μήδειαν εἶχον ἐξουσίαν οὔτε τὸ πραχθὲν αὐταῖς μύσος δι' ἀπάτην διορθώσασθαι. [5] διόπερ ταύτας μὲν ὁρμῆσαι λέγεται στερίσκειν αὐτάς τοῦ ζῆν, τὸν δ' Ἴασονα κατελεήσαντα τὰ πάθη παρακατασχεῖν αὐτάς, καὶ θαρρεῖν παρακαλέσαντα δεικνύειν ὥς ἐκ κακίας μὲν οὐδὲν ἥμαρτον, ἀκουσίως δὲ δι' ἀπάτην ἡτύχησαν.

καθόλου δὲ πᾶσι τοῖς συγγενέσιν ἐπαγγεῖλάμενον ἐπιεικῶς καὶ μεγαλοψύχως προσενηχθήσεσθαι, συναγαγεῖν εἰς ἐκκλησίαν τὰ πλήθη. ἀπολογησάμενον δὲ περὶ τῶν πεπραγμένων, καὶ διδάξαντα διότι τοὺς προαδικήσαντας ἡμύνατο, τιμωρίαν ἐλάττονα λαβὼν ὧν αὐτὸς πέπονθεν, Ἀκάσῳ μὲν τῷ Πελίου τὴν πατρίαν βασιλείαν παραδοῦναι, τῶν δὲ τοῦ βασιλέως θυγατέρων ἀξιῶσαι αὐτὸν φροντίδα ποιήσασθαι. [2] καὶ πέρας συντελέσαι τὴν ὑπόσχεσιν αὐτόν φασι μετὰ τινα χρόνον συνοικίσαντα πάσας τοῖς ἐπιφανεστάτοις. Ἄλκηστιν μὲν γὰρ τὴν πρεσβυτάτην ἐκδοῦναι πρὸς γάμον Ἀδμήτῳ τῷ Φέρητος Θετταλῷ, Ἀμφινόμην δὲ Ἀνδραίμονι Λεοντέως ἀδελφῷ, Εὐάδην δὲ Κάνῃ τῷ Κεφάλου, Φωκῶν τότε βασιλεύοντι. ταῦτα μὲν αὐτὸν ὕστερον πράξαι, τότε δὲ μετὰ τῶν ἀριστεῶν εἰς Ἴσθμὸν τὸν ἐν Πελοποννήσῳ πλεύσαντα θυσίαν ἐπιτελέσαι τῷ Ποσειδῶνι καὶ καθιερῶσαι τὴν Ἀργὴν τῷ θεῷ. [3] ἀποδοχῆς δὲ μεγάλης τυγχάνοντα παρὰ τῷ βασιλεῖ τῶν Κορινθίων Κρέοντι μετασχεῖν τῆς πολιτείας καὶ τὸν λοιπὸν χρόνον ἐν τῇ Κορίνθῳ κατοικῆσαι. [4] μελλόντων δὲ τῶν Ἀργοναυτῶν εἰς τὰς πατρίδας διαχωρίζεσθαι, φασὶ τὸν Ἡρακλέα συμβουλευῖν τοῖς ἀριστεύει πρὸς τὰ παράδοξα τῆς τύχης ἀλλήλοις ὅρκους δοῦναι συμμαχήσιν, ἐάν τις βοηθείας προσδεθῇ: ἐκλέξασθαι δὲ καὶ τῆς Ἑλλάδος τὸν ἐπιφανέστατον τόπον εἰς

ἀγώνων θέσιν καὶ πανήγυριν κοινήν, καὶ καθιερῶσαι τὸν ἀγῶνα τῷ μεγίστῳ τῶν θεῶν Διὶ Ὀλυμπίῳ. [5] συνομοσάντων δὲ τῶν ἀριστέων περὶ τῆς συμμαχίας, καὶ τὴν διάταξιν τῶν ἀγώνων ἐπιτρεψάντων Ἡρακλεῖ, φασὶ τοῦτον τὸν τόπον προκρίναι πρὸς τὴν πανήγυριν τῆς τῶν Ἡλείων χώρας τὸν παρὰ τὸν Ἀλφειόν. διὸ καὶ τὴν παραποταμίαν καθιερώσαντα τῷ μεγίστῳ τῶν θεῶν, Ὀλυμπίαν ἀπ' ἐκείνου προσαγορεύσαι. ὑποστησάμενον δ' ἱππικὸν ἀγῶνα καὶ γυμνικόν, τά τε περὶ τῶν ἄθλων διατάξαι καὶ θεωροὺς ἀποστεῖλαι τοὺς ταῖς πόλεσι προεροῦντας τὴν θέαν τῶν ἀγώνων. [6] διὰ δὲ τὴν παρὰ τοῖς Ἀργοναύταις γενομένην ἀποδοχὴν αὐτοῦ κατὰ τὴν στρατείαν οὐ μετρίως δοξασθέντος, προσγενέσθαι τὴν ἐκ τῆς Ὀλυμπικῆς πανηγύρεως δόξαν, ὥστε πάντων τῶν Ἑλλήνων ἐπιφανέστατον ὑπάρχειν καὶ παρὰ ταῖς πλείσταις πόλεσι γνωσθέντα πολλοὺς ἔχειν ἐπιθυμητὰς τῆς φιλίας, οὓς προθύμους εἶναι μετασχεῖν παντὸς κινδύνου. [7] ταχὺ δ' ἐπ' ἀνδρεία καὶ στρατηγία θαυμασθέντα στρατόπεδόν τε κράτιστον συστήσασθαι καὶ πᾶσαν ἐπελθεῖν τὴν οἰκουμένην εὐεργετοῦντα τὸ γένος τῶν ἀνθρώπων: ἀνθ' ὧν τυχεῖν αὐτὸν συμφωνουμένης ἀθανασίας. τοὺς δὲ ποιητὰς διὰ τὴν συνήθη τερατολογίαν μυθολογῆσαι μόνον τὸν Ἡρακλέα καὶ γυμνὸν ὅπλων τελέσαι τοὺς τεθρυλημένους ἄθλους.

ἀλλὰ περὶ μὲν τοῦ θεοῦ τούτου τὰ μυθολογούμενα πάντα διήλθομεν, νυνὶ δὲ προσθετέον ἡμῖν καὶ ὑπὲρ Ἰάσονος τὸν ὑπολειπόμενον λόγον. φασὶ γὰρ αὐτὸν ἐν Κορίνθῳ κατοικοῦντα καὶ συμβιώσαντα δεκαετὴ χρόνον Μηδεῖα γεννησάαι παῖδας ἐξ αὐτῆς, τοὺς μὲν πρεσβυτάτους δύο διδύμους Θετταλόν τε καὶ Ἀλκιμένην, τὸν δὲ τρίτον πολὺ νεώτερον τούτων Τίσανδρον. [2] τοῦτον μὲν οὖν τὸν χρόνον ἰστοροῦσιν ἀποδοχῆς ἀξιοθῆναι τὴν Μήδειαν ὑπὸ τοῦ ἀνδρὸς διὰ τὸ μὴ μόνον κάλλει διαφέρειν αὐτὴν, ἀλλὰ καὶ σωφροσύνῃ καὶ ταῖς ἄλλαις ἀρεταῖς κεκοσμησθαι: μετὰ δὲ ταῦτα αἰεὶ μᾶλλον τοῦ χρόνου τὴν φυσικὴν εὐπρέπειαν ἀφαιρουμένου, λέγεται τὸν Ἰάσονα Γλαύκης ἐρασθέντα τῆς Κρέοντος θυγατρὸς μνηστεύσαι τὴν παρθένον. [3] συγκαταθεμένου δὲ τοῦ πατρὸς καὶ τάξαντος ἡμέραν τοῖς γάμοις, τὸ μὲν πρῶτον ἐπιβαλέσθαι φασὶν αὐτὸν πείθειν τὴν Μήδειαν ἐκουσίως παραχωρῆσαι τῆς συμβιώσεως: βούλεσθαι γὰρ αὐτὸν γαμεῖν οὐκ ἀποδοκιμάσαντα τὴν πρὸς αὐτὴν ὁμιλίαν, ἀλλὰ τοῖς τέκνοις σπεύδοντα [4] συγγενὴ τὸν τοῦ βασιλέως οἶκον ποιῆσαι. ἀγανακτούσης δὲ τῆς γυναικὸς καὶ θεοὺς μαρτυρομένης τοὺς ἐπόπτας γενομένους τῶν ὄρκων, φασὶ τὸν Ἰάσονα καταφρονήσαντα τῶν ὄρκων γῆμαι τὴν τοῦ βασιλέως θυγατέρα. [5] τὴν δὲ Μήδειαν ἐξελαυνομένην ἐκ τῆς πόλεως, καὶ μίαν ἡμέραν παρὰ τοῦ Κρέοντος λαβοῦσαν εἰς τὴν τῆς φυγῆς παρασκευήν, εἰς μὲν τὰ βασίλεια νυκτὸς εἰσελθεῖν ἀλλοιώσασαν τοῖς φαρμάκοις τὴν αὐτῆς ὄψιν, καὶ τὴν οἰκίαν ὑφάψαι, ῥίζιόν τι προσθεῖσαν, εὐρημένον μὲν ὑπὸ Κίρκης τῆς ἀδελφῆς, δύναμιν δ' ἔχον, ἐπὰν ἐξαφθῇ, δυσκατάσβεστον. ἄφνω δὲ φλεγομένων τῶν βασιλείων, τὸν μὲν Ἰάσονα ταχέως ἐκπηδήσαι, τὴν δὲ Γλαύκην καὶ τὸν Κρέοντα τοῦ πυρὸς περικαταλαβόντος διαφθαρῆναι. [6] τινὲς δὲ τῶν συγγραφέων φασὶ τοὺς μὲν υἱοὺς τῆς Μηδεῖας δῶρα κομίσαι τῇ νύμφῃ φαρμάκοις κεχριμένα, τὴν δὲ Γλαύκην δεξαμένην καὶ τῷ σώματι περιθεμένην αὐτὴν τε συμφορᾷ

περιπεσεῖν καὶ τὸν πατέρα βοηθοῦντα καὶ τοῦ σώματος ἀψάμενον τελευτῆσαι. [7] τὴν δὲ Μήδειαν ἐπιτυχοῦσαν τοῖς πρώτοις ἐγχειρήμασιν οὐκ ἀποστῆναι τῆς Ἰάσονος τιμωρίας. ἐπὶ τοσοῦτο γὰρ προελθεῖν αὐτὴν ὀργῆς ἅμα καὶ ζηλοτυπίας, ἔτι δ' ὠμότητος, ὥστ' ἐπεὶ διέφυγε τὸν μετὰ τῆς νύμφης κίνδυνον, τῇ σφαγῇ τῶν κοινῶν τέκνων ἐμβαλεῖν αὐτὸν εἰς τὰς μεγίστας συμφοράς: πλὴν γὰρ ἐνὸς τοῦ διαφυγόντος τοὺς ἄλλους υἱοὺς ἀποσφάζει καὶ τὰ σώματα τούτων ἐν τῷ τῆς Ἥρας τεμένει θάψει καὶ μετὰ τῶν πιστοτάτων θεραπαινίδων ἔτι νυκτὸς μέσης φυγεῖν ἐκ τῆς Κορίνθου, καὶ διεκπεσεῖν εἰς Θήβας πρὸς Ἡρακλέα: τοῦτον γὰρ μεσίτην γεγονότα τῶν ὁμολογιῶν ἐν Κόλχοις ἐπηγγέλλαι βοηθήσειν αὐτῇ παρασπονδουμένην.

ἐν τοσοῦτῳ δὲ τὸν μὲν Ἰάσονα στερηθέντα τέκνων καὶ γυναικὸς δόξαι πᾶσι δίκαια πεπονθέναι: διὸ καὶ μὴ δυνάμενον ἐνεγκεῖν τὸ μέγεθος τῆς συμφορᾶς ἐκ τοῦ ζῆν ἑαυτὸν μεταστῆσαι. τοὺς δὲ Κορινθίους ἐκπεπλήχθαι μὲν τὴν δεινότητα τῆς περιπετείας, μάλιστα δ' ἀπορεῖν περὶ τῆς ταφῆς τῶν παίδων. διόπερ ἀποστειλάντων αὐτῶν Πυθῶδε τοὺς ἐπερωτήσοντας τὸν θεὸν ὅπως χρηστὸν ἐστὶ τοῖς σώμασι τῶν παίδων, προστάξει τὴν Πυθίαν ἐν τῷ τεμένει τῆς Ἥρας αὐτοὺς θάψει καὶ τιμῶν ἡρωικῶν αὐτοὺς ἀξιοῦν. [2] ποιησάντων δὲ τῶν Κορινθίων τὸ προσταχθέν, φασὶ Θετταλὸν μὲν τὸν διαφυγόντα τὸν ἀπὸ τῆς μητρὸς φόνον ἐν Κορίνθῳ τραφέντα μετὰ ταῦτα ἐπανελθεῖν εἰς Ἰωλκόν, οὗσαν Ἰάσονος πατρίδα: ἐν ἧ καταλαβόντα προσφάτως Ἀκαστον τὸν Πελίου τετελευτηκότα παραλαβεῖν κατὰ γένος προσήκουσαν τὴν βασιλείαν, καὶ τοὺς ὑφ' ἑαυτὸν τεταγμένους ἅφ' ἑαυτοῦ προσαγορευῆσαι Θετταλοῦς. [3] οὐκ ἄγνωθόν δὲ διότι περὶ τῆς τῶν Θετταλῶν προσηγορίας οὐ ταύτην μόνην τὴν ἱστορίαν, ἀλλὰ καὶ διαφώνους ἐτέρας παραδεδόσθαι συμβέβηκε, περὶ ὧν ἐν οἰκειοτέροις μνησθησόμεθα καιροῖς. [4] τὴν δ' οὖν Μήδειαν ἐν Θήβαις φασὶ καταλαβοῦσαν Ἡρακλέα μανικῶ πάθει συνεχόμενον καὶ τοὺς υἱοὺς ἀπεκταγκότα, φαρμάκοις αὐτὸν ἰάσασθαι. τοῦ δ' Εὐρύσθεως ἐπικειμένου τοῖς προσταγμασιν, ἀπογνοῦσαν τὴν κατὰ τὸ παρὸν ἐκ τούτου βοήθειαν καταφυγεῖν εἰς Ἀθήνας πρὸς Αἰγέα τὸν Πανδίωνος. [5] ἐνταῦθα δ' οἱ μὲν φασιν αὐτὴν Αἰγεῖ συνοικήσασαν γεννῆσαι Μῆδον τὸν ὕστερον Μηδίας βασιλεῦσαντα, τινὲς δ' ἰστοροῦσιν ὑφ' Ἰπλότου τοῦ Κρέοντος ἐξαιτουμένην τυχεῖν κρίσεως καὶ τῶν ἐγκλημάτων ἀπολυθῆναι. [6] μετὰ δὲ ταῦτα Θησέως ἐπανελθόντος ἐκ Τροιζῆνος εἰς τὰς Ἀθήνας, ἐγκληθεῖσαν ἐπὶ φαρμακείᾳ φυγεῖν ἐκ τῆς πόλεως: δόντος δ' Αἰγέως τοὺς παραπέμψοντας εἰς ἣν βούλοιτο χώραν, εἰς τὴν Φοινίκην κομισθῆναι. [7] ἐντεῦθεν δ' εἰς τοὺς ἄνω τόπους τῆς Ἀσίας ἀναβάσαν συνοικήσαι τινι τῶν ἐπιφανῶν βασιλέων, ἐξ οὗ γεννῆσαι παῖδα Μῆδον: καὶ τὸν παῖδα μετὰ τὴν τοῦ πατρὸς τελευτὴν διαδεξάμενον τὴν βασιλείαν θαυμασθῆναι τε κατὰ τὴν ἀνδρείαν καὶ τοὺς λαοὺς ἅφ' ἑαυτοῦ Μῆδους ὀνομάσαι.

καθόλου δὲ διὰ τὴν τῶν τραγωδῶν τερατείαν ποικίλη τις διάθεσις καὶ διάφορος ἱστορία περὶ Μηδείας ἐξηγήνεται, καὶ τινες χαρίζεσθαι βουλόμενοι τοῖς Ἀθηναίοις φασιν αὐτὴν ἀναλαβοῦσαν τὸν ἐξ Αἰγέως Μῆδον εἰς Κόλχους διασωθῆναι: κατὰ δὲ τοῦτον τὸν χρόνον Αἰήτην ἐκ τῆς βασιλείας ὑπὸ τὰδελφοῦ Πέρσου βιαίως ἐκπεπτωκότα τὴν ἀρχὴν ἀνακτήσασθαι, Μῆδου τοῦ

Μηδείας ἀνελόντος τὸν Πέρσῃν: μετὰ δὲ ταῦτα δυνάμει ἐγκρατὴ γενόμενον τὸν Μῆδον πολλὴν ἐπελθεῖν τῆς ὑπὲρ τὸν Πόντον Ἀσίας, καὶ κατασχεῖν τὴν ἀπ' ἐκείνου Μηδίαν προσαγορευθεῖσαν. [2] ἀλλὰ γὰρ τὸ πάσας τὰς ἀποφάσεις τῶν περὶ τῆς Μηδείας μυθολογησάντων ἀναγράφειν οὐκ ἀναγκαῖον ἅμα καὶ μακρὸν εἶναι κρίνοντας τὰ καταλειπόμενα τῆς περὶ τῶν Ἀργοναυτῶν ἱστορίας προσθήσομεν. [3] οὐκ ὀλίγοι γὰρ τῶν τε ἀρχαίων συγγραφέων καὶ τῶν μεταγενεστέρων, ὧν ἐστὶ καὶ Τίμαιος, φασὶ τοὺς Ἀργοναύτας μετὰ τὴν τοῦ δέρου ἀρπαγὴν πυθόμενους ὑπ' Αἰήτου προκατελιῆφθαι ναυσὶ τὸ στόμα τοῦ Πόντου, πρᾶξι ἐπιτελέσασθαι παράδοξον καὶ μνήμης ἀξίαν. ἀναπλεύσαντας γὰρ αὐτοὺς διὰ τοῦ Τανάιδος ποταμοῦ ἐπὶ τὰς πηγάς, καὶ κατὰ τόπον τινὰ τὴν ναῦν διελκύσαντας, καθ' ἑτέρου ἄλιν ποταμοῦ τὴν ῥύσιν ἔχοντος εἰς τὸν ὠκεανὸν καταπλεῦσαι πρὸς τὴν θάλατταν, ἀπὸ δὲ τῶν ἄρκτων ἐπὶ τὴν δύσιν κομισθῆναι τὴν γῆν ἔχοντας ἐξ εὐωνύμων, καὶ πλησίον γινομένους Γαδεύρων εἰς τὴν καθ' ἡμᾶς θάλατταν εἰσπλεῦσαι. [4] ἀποδείξεις δὲ τούτων φέρουσι, δεικνύντες τοὺς παρὰ τὸν ὠκεανὸν κατοικοῦντας Κελτοὺς σεβομένους μάλιστα τῶν θεῶν τοὺς Διοσκόρους: παραδόσιμον γὰρ αὐτοὺς ἔχειν ἐκ παλαιῶν χρόνων τὴν τούτων τῶν θεῶν παρουσίαν ἐκ τοῦ ὠκεανοῦ γεγενημένην. εἶναι δὲ καὶ τὴν παρὰ τὸν ὠκεανὸν χώραν οὐκ ὀλίγας ἔχουσιν προσηγορίας ἀπὸ τε τῶν Ἀργοναυτῶν καὶ τῶν Διοσκόρων. [5] παραπλησίως δὲ καὶ τὴν ἐντὸς Γαδεύρων ἥπειρον ἔχειν ἐμφανῆ σημεῖα τῆς τούτων ἀνακομιδῆς. περὶ μὲν γὰρ τὴν Τυρρηνίαν καταπλεύσαντας αὐτοὺς εἰς νῆσον τὴν ὀνομαζομένην Αἰθάλειαν τὸν ἐν αὐτῇ λιμένα, κάλλιστον ὄντα τῶν ἐν ἐκείνοις τοῖς τόποις, Ἀργῶν ἀπὸ τῆς νεῶς προσαγορευθῆναι, καὶ μέχρι τῶνδε τῶν χρόνων διαμένειν αὐτοῦ τὴν προσηγορίαν. [6] παραπλησίως δὲ τοῖς εἰρημένοις κατὰ μὲν τὴν Τυρρηνίαν ἀπὸ σταδίων ὀκτακοσίων τῆς Ῥώμης ὀνομάσαι λιμένα Τελαμῶνα, κατὰ δὲ Φορμίας τῆς Ἰταλίας Αἰήτην τὸν νῦν Καιήτην προσαγορευόμενον. πρὸς δὲ τούτοις ὑπ' ἀνέμων αὐτοὺς ἐκριφέντας εἰς τὰς Σύρτις, καὶ μαθόντας παρὰ Τρίτωνος τοῦ τότε βασιλεύοντος τῆς Λιβύης τὴν ιδιότητα τῆς θαλάττης, καὶ τὸν κίνδυνον ἐκφυγόντας, δωρήσασθαι χαλκοῦν τρίποδα τὸν ἀρχαίοις μὲν κεχαραγμένον γράμμασι, μέχρι δὲ τῶν νεωτέρων χρόνων διαμείναντα παρὰ τοῖς Εὐεσπερίταις. [7] οὐ παραλειπτέον δ' ἡμῖν ἀνεξέλεγκτον τὴν ἱστορίαν τῶν ἀποφνημαμένων τοὺς Ἀργοναύτας ἀνὰ τὸν Ἰστρον πλεύσαντας μέχρι τῶν πηγῶν κατενεχθῆναι διὰ τῆς ἀντιπροσώπου ῥύσεως πρὸς τὸν Ἀδριατικὸν κόλπον. [8] τούτους γὰρ ὁ χρόνος ἤλεγξεν ὑπολαβοντας τὸν ἐν τῷ Πόντῳ πλείοσι στόμασιν ἐξερευγόμενον Ἰστρον καὶ τὸν εἰς τὸν Ἀδρίαν ἐκβάλλοντα τὴν ῥύσιν ἔχειν ἀπὸ τῶν αὐτῶν τόπων. Ῥωμαίων γὰρ καταπολεμησάντων τὸ τῶν Ἰστρον ἔθνος, εὐρέθη τὰς πηγὰς ἔχων ὁ ποταμὸς ἀπὸ τετταράκοντα σταδίων τῆς θαλάττης. ἀλλὰ γὰρ τοῖς συγγραφεῦσιν αἰτίαν τῆς πλάνης φασὶ γενέσθαι τὴν ὁμωνυμίαν τῶν ποταμῶν.

ἡμῖν δ' ἀρκούντως ἐξεργασμένοις τὴν περὶ τῶν Ἀργοναυτῶν ἱστορίαν καὶ τὰ ὑφ' Ἡρακλέους πραχθέντα οἰκεῖον ἂν εἴη κατὰ τὴν γενομένην ἐπαγγελίαν ἀναγράψαι τὰς τῶν υἱῶν αὐτοῦ πράξεις. μετὰ τὴν Ἡρακλέους τοίνυν ἀποθέωσιν οἱ παῖδες αὐτοῦ κατόικουν ἐν Τραχῖνι παρὰ Κήυκι τῷ βασιλεῖ. [2] μετὰ δὲ ταῦτα Ὑλλου καὶ τινων ἑτέρων ἀνδρωθέντων, Εὐρυσθεὺς φοβηθεῖς

μὴ πάντων ἐνηλίκων γενομένων ἐκπέσῃ τῆς ἐν Μυκῆναις βασιλείας, ἔγνω τοὺς Ἡρακλείδας ἐξ ὅλης τῆς Ἑλλάδος φυγαδεῦσαι. διὸ Κῆρυκι μὲν τῷ βασιλεῖ προηγόρευσε τοὺς τε Ἡρακλείδας καὶ τοὺς Λικυμνίου παῖδας ἐκβαλεῖν, [3] ἔτι δὲ Ἰόλαον καὶ τὸ σύστημα τῶν Ἀρκάδων τῶν Ἡρακλεῖ συνεστρατευκότων, ἢ ταῦτα μὴ ποιοῦντα πόλεμον ἀναδέξασθαι. [4] οἱ δ' Ἡρακλεῖδαι καὶ οἱ μετ' αὐτῶν θεωροῦντες αὐτοὺς οὐκ ἀξιωμαχοὺς ὄντας Εὐρυσθεῖ πολεμεῖν, ἔγνωσαν ἐκουσίως φεύγειν ἐκ τῆς Τραχῖνος· ἐπιόντες δὲ τῶν ἄλλων πόλεων τὰς ἀξιολογωτάτας ἐδέοντο δέξασθαι σφᾶς αὐτοὺς συνοίκους. μηδεμιᾶς δὲ τολμώσης ὑποδέξασθαι, μόνοι τῶν ἄλλων Ἀθηναῖοι διὰ τὴν ἔμφυτον παρ' αὐτοῖς ἐπιείκειαν προσεδέξαντο τοὺς Ἡρακλείδας· κατώκισαν δὲ αὐτοὺς μετὰ τῶν συμφυγόντων εἰς Τρικόρυθον πόλιν, ἣτις ἐστὶ μία τῆς ὀνομαζομένης τετραπόλεως. [5] μετὰ δέ τινα χρόνον ἀπάντων τῶν Ἡρακλέους παίδων ἡνδρωμένων, καὶ φρονήματος ἐμφυομένου τοῖς νεανίσκοις διὰ τὴν ἀφ' Ἡρακλέους δόξαν, ὑφορώμενος αὐτῶν τὴν αὔξησιν Εὐρυσθεὺς ἐστράτευσεν ἐπ' αὐτοὺς μετὰ πολλῆς δυνάμεως. [6] οἱ δ' Ἡρακλεῖδαι, βοηθούντων αὐτοῖς τῶν Ἀθηναίων, προστησάμενοι τὸν Ἡρακλέους ἀδελφιδοῦν Ἰόλαον, καὶ τούτῳ τε καὶ Θησεῖ καὶ Ὑλλῳ τὴν στρατηγίαν παραδόντες, ἐνίκησαν παρατάξει τὸν Εὐρυσθέα. κατὰ δὲ τὴν μάχην πλεῖστοι μὲν τῶν μετ' Εὐρυσθέως κατεκόπησαν, αὐτὸς δ' ὁ Εὐρυσθεὺς, τοῦ ἄρματος κατὰ τὴν φυγὴν συντριβέντος, ὑπὸ Ὑλλου τοῦ Ἡρακλέους ἀνιρέθη· ὁμοίως δὲ καὶ οἱ υἱοὶ τοῦ Εὐρυσθέως πάντες κατὰ τὴν μάχην ἐτελεύτησαν.

μετὰ δὲ ταῦτα οἱ μὲν Ἡρακλείδαι πάντες περιβοήτῳ μάχῃ νενικηκότες τὸν Εὐρυσθέα, καὶ διὰ τὴν εὐημερίαν συμμάχων εὐπορήσαντες, ἐστράτευσαν ἐπὶ τὴν Πελοπόννησον Ὑλλου στρατηγοῦντος. [2] Ἀτρεὺς δὲ μετὰ τὴν Εὐρυσθέως τελευτὴν καταλαβόμενος τὴν ἐν Μυκῆναις βασιλείαν, καὶ προσλαβόμενος συμμάχους Τεγεάτας καὶ τινας ἄλλους, ἀπήντησε τοῖς Ἡρακλείδαις. [3] κατὰ δὲ τὸν Ἴσθμὸν τῶν στρατοπέδων ἀθροισθέντων, Ὑλλος μὲν ὁ Ἡρακλέους εἰς μονομαχίαν προεκάλεσατο τῶν πολεμίων τὸν βουλόμενον, ὁμολογίας θέμενος τοιαύτας, εἰ μὲν Ὑλλος νικήσαι τὸν ἀντιταχθέντα, παραλαβεῖν Ἡρακλείδας τὴν Εὐρυσθέως βασιλείαν, εἰ δ' Ὑλλος λειφθεῖ, μὴ κατιέναι τοὺς Ἡρακλείδας εἰς Πελοπόννησον ἐντὸς ἐτῶν πεντήκοντα. [4] καταβάντος δ' εἰς τὴν πρόκλησιν Ἐχέμου τοῦ βασιλέως τῶν Τεγεατῶν, καὶ τῆς μονομαχίας γενομένης, ὁ μὲν Ὑλλος ἀνῆρέθη, οἱ δ' Ἡρακλείδαι κατὰ τὰς ὁμολογίας ἀπέστησαν τῆς καθόδου καὶ τὴν εἰς Τρικώρυθον ἐπάνοδον ἐποίησαντο. [5] μετὰ δὲ τινας χρόνους Λικύμνιος μὲν μετὰ τῶν παίδων καὶ Τληπολέμου τοῦ Ἡρακλέους, ἐκουσίως τῶν Ἀργείων αὐτοὺς προσδεξαμένων, ἐν Ἀργεὶ κατώκησαν, οἱ δ' ἄλλοι πάντες ἐν Τρικωρύθῳ κατώκησαν: ὥς δ' ὁ πεντηκονταετής χρόνος διήλθε, κατήλθον εἰς Πελοπόννησον: ὧν τὰς πράξεις ἀναγράφομεν, ὅταν εἰς ἐκείνους τοὺς χρόνους παραγεννηθῶμεν. [6] Ἀλκμήνῃ δ' εἰς Θήβας καταντήσασα, καὶ μετὰ ταῦτ' ἄφαντος γενομένη, τιμῶν ἰσοθέων ἔτυχε παρὰ τοῖς Θηβαίοις. τοὺς δ' ἄλλους Ἡρακλείδας φασὶν ἐλθόντας παρ' Αἰγίμιον τὸν Δώρου τὴν πατρίαν τῆς χώρας παρακαταθήκην ἀπαιτήσαντας μετὰ Δωριέων κατοικῆσαι. [7] Τληπόλεμον δὲ τὸν Ἡρακλέους ἐν Ἀργεὶ κατοικοῦντα λέγουσιν ἀνελεῖν Λικύμνιον τὸν Ἡλεκτρώωνος ἐρίσαντα περὶ τινῶν, διὰ δὲ τὸν φόνον τοῦτον ἐξ Ἀργους φυγόντα εἰς Ῥόδον μετοικῆσαι: τὴν δὲ νῆσον ταύτην τότε κατώκουν Ἕλληνες οἱ ὑπὸ Τριόπα τοῦ Φόρβαντος κατοικισθέντες. [8] τὸν δ' οὖν Τληπόλεμον κοινῇ μετὰ τῶν ἐγχωρίων τριμερῇ ποιῆσαι τὴν Ῥόδον, καὶ τρεῖς ἐν αὐτῇ καταστήσαι πόλεις, Λίνδον, Ἰήλυσον, Κάμειρον: βασιλεῦσαι δ' αὐτὸν πάντων τῶν Ῥοδίων διὰ τὴν τοῦ πατρὸς Ἡρακλέους δόξαν, καὶ κατὰ τοὺς ὕστερον χρόνους μετ' Ἀγαμέμνονος ἐπὶ τὴν Τροίαν στρατεῦσαι.

ἐπεὶ δὲ περὶ Ἡρακλέους καὶ τῶν ἀπογόνων αὐτοῦ διήλθομεν, οἰκεῖον ἂν εἶη περὶ Θησέως εἰπεῖν διὰ τὸ τοῦτον ζηλωτὴν γενέσθαι τῶν Ἡρακλέους ἄθλων. Θησεὺς τοίνυν γεγωνὼς Αἴθρας τῆς Πιθῆως καὶ Ποσειδῶνος, τραφεὶς ἐν Τροιζίνι παρὰ Πιθῇ τῷ μητροπάτορι, καὶ τὰ μυθολογούμενα σύμβολα ἀνῆρημένος τὰ ὑπὸ Αἰγέως ὑπὸ τινι πέτρᾳ τεθειμένα, κατήντησεν εἰς τὰς Ἀθήνας. διεξιὼν δ', ὥς φασι, τὴν παραθαλάττιον, καὶ ζηλωτῆς ὧν τῆς Ἡρακλέους ἀρετῆς, ἐπεβάλετο τελεῖν ἄθλους περιέχοντας ἀποδοχὴν τε καὶ δόξαν. [2] πρῶτον μὲν οὖν ἀνέιλε τὸν ὀνομαζόμενον Κορυνήτην, χρώμενον τῇ προσαγορευομένῃ κορύνῃ, ὅπερ ἦν ὄπλον ἀμυντήριον, καὶ τοὺς παρίοντας ἀποκτείνοντα, δεῦτερον δὲ τὸν ἐν Ἴσθμῳ κατοικοῦντα Σίνιν. [3] οὗτος γὰρ δύο πίτυς κάμπτων, καὶ πρὸς ἑκατέραν τὸν ἕνα βραχίονα προσδεσμεύων, ἄφνω τὰς πίτυς ἠφίει: διόπερ τῶν σωματῶν διὰ τὴν βίαν ἀποσπώμενων συνέβαινε τοὺς ἀτυχοῦντας μετὰ μεγάλης τιμωρίας τελευτᾶν. [4] τρίτον δὲ τὴν ἐν Κρομμυῶνι ὑπάρχουσαν ὕν ἀγρίαν, διαφέρουσαν ἀλκῇ τε καὶ μεγέθει καὶ

πολλοὺς ἀνθρώπους ἀναιροῦσαν, ἀπέκτεινεν. ἐκόλασε δὲ καὶ Σκεῖρωνα τὸν οἰκοῦντα τῆς Μεγαρίδος τὰς ὀνομαζομένας ἀπ' ἐκείνου Σκειρωνίδας πέτρας: οὗτος γὰρ εἰώθει τοὺς παριόντας ἀναγκάζειν ἀπονίπτειν ἑαυτὸν ἐπὶ τινος ἀποκρήμνου τόπου, λακτίσματι δ' ἄφνω τύπτων περιεκύλιε κατὰ τῶν κρημνῶν εἰς θάλατταν κατὰ τὴν ὀνομαζομένην Χελώνην. [5] ἀνείλε δὲ καὶ περὶ τὴν Ἑλευσίνα Κερκυόνα τὸν διαπαλαίοντα τοῖς παριοῦσι καὶ τὸν ἡττηθέντα διαφθείροντα. μετὰ δὲ ταῦτα τὸν ὀνομαζόμενον Προκρούστην ἀπέκτεινε, τὸν οἰκοῦντα ἐν τῷ λεγομένῳ Κορυδαλλῷ τῆς Ἀττικῆς: οὗτος δὲ τοὺς παριόντας ὁδοιπόρους ἠνάγκαζεν ἐπὶ τινος κλίνης ἀναπίπτειν, καὶ τῶν μὲν μακροτέρων τὰ ὑπερέχοντα μέρη τοῦ σώματος ἀπέκοπτε, τῶν δ' ἐλαττόνων τοὺς πόδας προέκρουεν, ἀφ' οὗπερ Προκρούστης ὠνομάσθη. [6] κατορθώσας δὲ τὰ προειρημένα κατήντησεν εἰς τὰς Ἀθήνας, καὶ τὸν Αἰγέα διὰ τῶν συμβόλων ἀνεγνώρισε. μετὰ δὲ ταῦτα τὸν ἐν Μαραθῶνι ταῦρον, ὃν Ἡρακλῆς τελῶν ἄθλον ἐκ Κρήτης ἀπήγαγεν εἰς Πελοπόννησον, συμπλακεῖς καὶ κρατήσας τοῦ ζώου ἀπήγαγεν εἰς τὰς Ἀθήνας: τοῦτον δ' Αἰγεὺς παραλαβὼν ἔθυσεν Ἀπόλλωνι.

λείπεται δ' ἡμῖν εἰπεῖν περὶ Μινωταύρου τοῦ ἀναιρεθέντος ὑπὸ Θησέως, ἵνα συντελέσωμεν τὰς τοῦ Θησέως πράξεις. ἀναγκαῖον δ' ἐστὶ προσαναδραμόντας τοῖς χρόνοις τὰ συμπεπλεγμένα τούτοις διελθεῖν, ἵνα σαφὴς ἡ σύμπασα γένηται διήγησις. [2] Τέκταμος ὁ Δώρου τοῦ Ἑλλήνος τοῦ Δευκαλίωνος εἰς Κρήτην πλεύσας μετὰ Αἰολέων καὶ Πελασγῶν ἐβασίλευσε τῆς νήσου, γήμας δὲ τὴν Κρηθέως θυγατέρα ἐγέννησεν Ἀστέριον. οὗ βασιλεύοντος ἐν Κρήτῃ Ζεὺς, ὥς φασιν, Εὐρώπην ἀρπάσας ἐκ Φοινίκης καὶ διακομίσας εἰς Κρήτην ἐπὶ ταύρου, μιγεῖς τρεῖς υἱοὺς ἐγέννησε, Μίνω καὶ Ῥαδάμανθυν καὶ Σαρπηδόνα. [3] μετὰ δὲ ταῦτα τὴν Εὐρώπην Ἀστέριος ὁ βασιλεὺς τῆς Κρήτης ἐγημεν: ἅπαις δ' ὦν τοὺς τοῦ Διὸς παῖδας υἰοποιησάμενος διαδόχους τῆς βασιλείας ἀπέλιπε. τούτων δὲ Ῥαδάμανθος μὲν τοῖς Κρησὶν ἐνομοθέτησε, Μίνως δὲ διαδεξάμενος τὴν βασιλείαν καὶ γήμας Ἰτώνην τὴν Λυκτίου Λύκαστον ἐγέννησεν, ὃς διαδεξάμενος τὴν ἀρχὴν καὶ γήμας Ἰδὴν τὴν Κορύβαντος ἐγέννησε Μίνωα τὸν δεῦτερον, ὃν τινες Διὸς υἱὸν ἀναγράφουσιν. οὗτος πρῶτος Ἑλλήνων ναυτικὴν δύναμιν ἀξιόλογον συστησάμενος ἐθαλαττοκράτησε. [4] γήμας δὲ Πασιφάν τὴν Ἥλιου καὶ Κρήτης ἐγέννησε Δευκαλίωνα καὶ Κατρέα καὶ Ἀνδρόγεω καὶ Ἀριάδην, καὶ ἕτερα τέκνα ἔσχε πλείονα νόθα. τῶν δὲ Μίνωος υἱῶν Ἀνδρόγεω μὲν εἰς τὰς Ἀθήνας κατήντησε Παναθηναίων συντελουμένων, Αἰγέως βασιλεύοντος, ἐν δὲ τοῖς ἀγῶσι νικήσας τοὺς ἀθλητὰς ἅπαντας συνήθης ἐγένετο τοῖς Πάλλαντος παισίν. [5] ἐνταῦθ' ὁ μὲν Αἰγεὺς ὑποπτεύσας τὴν Ἀνδρόγεω φιλίαν, μήποθ' ὁ Μίνως βοηθήσας τοῖς υἱοῖς τοῦ Πάλλαντος ἀφέλῃται τὴν ἀρχήν, ἐπεβούλευσε τῷ Ἀνδρόγεω. βαδίζοντος οὖν αὐτοῦ εἰς τὰς Θήβας ἐπὶ τινα θεωρίαν, ἐδολοφόνησεν αὐτὸν διὰ τινων ἐγχωρίων περὶ Οἰνόην τῆς Ἀττικῆς.

Μίνως δὲ πυθόμενος τὴν κατὰ τὸν υἱὸν συμφορὰν, ἦκεν εἰς τὰς Ἀθήνας δίκας αἰτῶν τοῦ Ἀνδρόγεω φόνου. οὐδενὸς δ' αὐτῷ προσέχοντος, πρὸς μὲν Ἀθηναίους πόλεμον συνεστήσατο, ἀρὰς δὲ ἐποιήσατο τῷ Διὶ γενέσθαι κατὰ

τὴν πόλιν τῶν Ἀθηναίων αὐχμὸν καὶ λιμὸν. ταχὺ δὲ περὶ τὴν Ἀττικὴν καὶ τὴν Ἑλλάδα γενομένων αὐχμῶν καὶ φθαρέντων τῶν καρπῶν, συνελθόντες οἱ τῶν πόλεων ἡγεμόνες ἐπηρώτησαν τὸν θεὸν πῶς ἂν δύναιντο τῶν κακῶν ἀπαλλαγῆναι. ὁ δ' ἔχρησεν ἐλθεῖν αὐτοὺς πρὸς Αἰακὸν τὸν Διὸς καὶ Αἰγίνης τῆς Ἀσωποῦ θυγατρὸς, καὶ κελεύειν ὑπὲρ αὐτῶν εὐχὰς ποιήσασθαι. [2] ὢν πραξάντων τὸ προσταχθέν, ὁ μὲν Αἰακὸς ἐπετέλεσε τὰς εὐχὰς, καὶ ὁ αὐχμὸς παρὰ μὲν τοῖς ἄλλοις Ἑλλήσιν ἐπαύσατο, παρὰ δὲ τοῖς Ἀθηναίοις μόνοις διέμεινεν: οὗ δὴ χάριν ἠναγκάσθησαν οἱ Ἀθηναῖοι τὸν θεὸν ἐπερωτῆσαι περὶ τῆς τῶν κακῶν ἀπαλλαγῆς. εἴθ' ὁ μὲν θεὸς ἔχρησεν, ἐὰν τοῦ Ἀνδρόγεω φόνου τῷ Μίνῳ δίκας δῶσιν ὅς ἂν ἐκεῖνος δικάσῃ: [3] ὑπακουσάντων δὲ τῷ θεῷ τῶν Ἀθηναίων, προσέταξεν αὐτοῖς ὁ Μίνως δίδοναι κόρους ἑπτὰ καὶ τὰς ἴσας κόρας δι' ἐτῶν ἑννέα βορὰν τῷ Μινωταύρῳ ὅσον ἂν χρόνον ζῇ τὸ τέρας. δόντων δ' αὐτῶν, ἀπὸ πλῆθους τῶν κακῶν οἱ κατὰ τὴν Ἀττικὴν, καὶ ὁ Μίνως πολεμῶν ἐπαύσατο τὰς Ἀθήνας. διελθόντων δὲ ἐτῶν ἑννέα πάλιν ὁ Μίνως ἦλθεν εἰς τὴν Ἀττικὴν μετὰ μεγάλου στόλου, καὶ τοὺς δις ἑπτὰ κόρους ἀπαιτήσας ἔλαβε. [4] μελλόντων δ' ἐκπλεῖν τῶν περὶ τὸν Θησέα, ὁ Αἰγεὺς συνέθετο πρὸς τὸν κυβερνήτην καὶ προσέταξεν αὐτῷ, ἐὰν μὲν ὁ Θησεὺς νικήσῃ τὸν Μινώταυρον, καταπλεῖν αὐτοὺς λευκοῖς ἱστίοις, ἐὰν δὲ ἀπόληται, μέλασι, καθάπερ καὶ πρότερον ποιεῖν εἰώθεσαν. καταπλευσάντων δ' αὐτῶν εἰς Κρήτην Ἀριάδνη μὲν ἡ θυγάτηρ τοῦ Μίνωος ἠράσθη τοῦ Θησέως εὐπρεπεῖα διαφέροντος, Θησεὺς δ' εἰς λόγους ἐλθὼν αὐτῇ καὶ ταύτην συνεργὸν λαβὼν, τὸν τε Μινώταυρον ἀπέκτεινε καὶ τὴν ἑξοδὸν τὴν τοῦ λαβυρίνθου παρ' αὐτῆς μαθὼν διεσώθη. [5] ἀνακομιζόμενος δ' εἰς τὴν πατρίδα καὶ κλέψας τὴν Ἀριάδνην ἔλαθεν ἐκπλεύσας νυκτός, καὶ κατήρην εἰς νῆσον τὴν τότε μὲν Δίαν, νῦν δὲ Νάξον προσαγορευομένην. καθ' ὃν δὴ χρόνον μυθολογοῦσι Διόνυσον ἐπιφανέντα, καὶ διὰ τὸ κάλλος τῆς Ἀριάδνης ἀφελόμενον τοῦ Θησέως τὴν παρθένον, ἔχειν αὐτὴν ὡς γυναῖκα γαμετὴν ἀγαπωμένην διαφερόντως. μετὰ γοῦν τὴν τελευταίαν αὐτῆς διὰ τὴν φιλοστοργίαν ἀθανάτων καταξιώσαι τιμῶν, καταστερίσαντα τὸν ἐν οὐρανῷ στέφανον Ἀριάδνης. [6] τοὺς δὲ περὶ τὸν Θησέα φασὶ διὰ τὴν ἀρπαγὴν τῆς κόρης δυσφοροῦντας ἰσχυρῶς, καὶ διὰ τὴν λύπην ἐπιλαθομένους τῆς Αἰγέως παραγγελίας, τοῖς μέλασιν ἱστίοις καταπλεῖν εἰς τὴν Ἀττικὴν. [7] Αἰγέα δὲ θεασάμενον τὸν κατάπλου, καὶ δόξαντα τεθνηκέναι τὸν υἱόν, ἥρωικὴν ἄμα πρᾶξιν καὶ συμφορὰν ἐπιτετέλεσσαι: ἀναβάντα γὰρ εἰς τὴν ἀκρόπολιν, καὶ διὰ τὴν ὑπερβολὴν τῆς λύπης προσκόψαντα τῷ ζῆν, ἑαυτὸν κατακρημνίσαι. [8] μετὰ δὲ τὴν Αἰγέως τελευταίαν Θησεὺς διαδεξάμενος τὴν βασιλείαν ἤρχε τοῦ πλήθους νομίμως καὶ πολλὰ πρὸς αὐξήσιν τῆς πατρίδος ἔπραξεν. ἐπιφανέστατον δὲ συνετελέσθη τὸ τοὺς δήμους, ὄντας μικροὺς μὲν τοῖς μεγέθεσι, πολλοὺς δὲ τὸν ἀριθμὸν, μεταγαγεῖν εἰς τὰς Ἀθήνας: [9] ἀπὸ γὰρ τούτων τῶν χρόνων Ἀθηναῖοι διὰ τὸ βάρος τῆς πόλεως φρονήματος ἐνεπιμπλάντο καὶ τῆς τῶν Ἑλλήνων ἡγεμονίας ὠρέχθησαν. ἡμεῖς δὲ περὶ τούτων ἀρκούντως διεληλυθότες τὰ λειπόμενα τῶν περὶ Θησέα γενομένων ἀναγράφομεν.

Δευκαλίων ὁ πρεσβύτατος τῶν Μίνωος παίδων, δυναστεύων τῆς Κρήτης

καὶ ποιησάμενος πρὸς Ἀθηναίους συμμαχίαν, συνῴκισε τὴν ἰδίαν ἀδελφὴν Φαίδραν Θησεῖ. μετὰ δὲ τὸν γάμον Ἴππόλυτον μὲν τὸν ἐκ τῆς Ἀμαζονίδος γενόμενον υἱὸν ἔπεμψεν εἰς Τροιζῆνα τρέφεσθαι παρὰ τοῖς Αἰθρας ἀδελφοῖς, ἐκ δὲ Φαίδρας Ἀκάμαντα καὶ Δημοφῶντα ἐγέννησε. [2] μικρὸν δ' ὕστερον Ἴππολύτου ἐπανελθόντος εἰς τὰς Ἀθήνας πρὸς τὰ μυστήρια, Φαίδρα διὰ τὸ κάλλος ἐρασθεῖσα αὐτοῦ τότε μὲν ἀπελθόντος εἰς Τροιζῆνα ἰδρύσατο ἱερὸν Ἀφροδίτης παρὰ τὴν ἀκρόπολιν, ὅθεν ἦν καθορᾶν τὴν Τροιζῆνα, ὕστερον δὲ παρὰ τῷ Πιτθεῖ μετὰ τοῦ Θησέως καταλύσασα ἤξιον τὸν Ἴππόλυτον μιγῆναι αὐτῇ. ἀντειπόντος δ' ἐκείνου φασὶ τὴν Φαίδραν ἀγανακτῆσαι, καὶ ἐπανελθοῦσαν εἰς τὰς Ἀθήνας εἰπεῖν τῷ Θησεῖ διότι ἐπεβάλετο Ἴππόλυτος αὐτῇ μιγῆναι. [3] Θησέως δὲ διστάζοντος περὶ τῆς διαβολῆς, καὶ τὸν Ἴππόλυτον μεταπεμπομένου πρὸς τὸν ἔλεγχον, Φαίδρα μὲν φοβηθεῖσα τὸν ἐξετασμὸν ἀνεκρέμασεν ἑαυτήν, Ἴππόλυτος δ' ἄρματιλατῶν, ὥς ἤκουσε τὰ περὶ τῆς διαβολῆς, συνεχύθη τὴν ψυχὴν, καὶ διὰ τοῦτο τῶν ἵπων ταραχθέντων καὶ ἐπισπασαμένων αὐτὸν ταῖς ἡνίαις, συνέβη τὸν μὲν δίφρον συντριβῆναι, τὸ δὲ μειράκιον ἐμπλακέν τοῖς ἰμάσιν ἐλकुσθῆναι καὶ τελευτῆσαι. [4] Ἴππόλυτος μὲν οὖν διὰ σωφροσύνην τὸν βίον καταστρέψας παρὰ Τροιζηνίοις ἔτυχεν ἰσοθέων τιμῶν, Θησεὺς δὲ μετὰ ταῦτα καταστασιασθεὶς καὶ φυγῶν ἐκ τῆς πατρίδος ἐπὶ τῆς ξένης ἐτελεύτησεν. οἱ δ' Ἀθηναῖοι μεταμεληθέντες τὰ τε ὅστ' αὐτὸν μετήνεγκαν καὶ τιμαῖς ἰσοθέοις ἐτίμησαν αὐτόν, καὶ τέμενος ἄσυλον ἐποίησαν ἐν ταῖς Ἀθήναις τὸ προσαγορευόμενον ἀπ' ἐκείνου Θησεῖον.

ἡμεῖς δ' ἐπεὶ τὸν περὶ Θησέως λόγον ἀποδεδώκαμεν, ἐν μέρει διέξιμεν περὶ τε τῆς κατὰ τὴν Ἑλένην ἀρπαγῆς καὶ τῆς μνηστείας Φερσεφόνης ὑπὸ Πειρίθου· αὗται γὰρ αἱ πράξεις συμπεπλεγμέναι ταῖς Θησέως εἰσί. Πειρίθους γὰρ ὁ Ἴξιος, ἀποθανούσης αὐτοῦ τῆς γυναικὸς Ἴπποδαμείας καὶ καταλιπούσης υἱὸν Πολυποίτην, παρῆλθεν εἰς τὰς Ἀθήνας πρὸς Θησέα. [2] καταλαβὼν δὲ τετελευτηκυῖαν τὴν γυναῖκα τοῦ Θησέως Φαίδραν ἔπεισεν αὐτὸν ἀρπάσαι τὴν Λήδας καὶ Διὸς Ἑλένην, δεκαετὴ μὲν τὴν ἡλικίαν οὔσαν, εὐπρεπεῖα δὲ πασῶν διαφέρουσαν. παραγενόμενοι δ' εἰς Λακεδαίμονα μετὰ πλειόνων, καὶ καιρὸν εὐθετον λαβόντες, ἥρπασαν τὴν Ἑλένην κοινῇ καὶ ἀπήγαγον εἰς τὰς Ἀθήνας. [3] ἔπειτα πρὸς ἀλλήλους ὁμολογίας ἔθεντο διακληρώσασθαι, καὶ τὸν μὲν λαχόντα γῆμαι τὴν Ἑλένην, τῷ δ' ἑτέρῳ συμπρᾶξαι περὶ ἑτέρας γυναικός, ὑπομένοντα πάντα κίνδυνον. περὶ δὲ τούτων δόντες ἀλλήλοις ὅρκους ἔλαχον, καὶ συνέβη τῷ κλήρῳ λαχεῖν Θησέα. οὗτος μὲν οὖν κύριος κατέστη τῆς παρθένου τὸν τρόπον τοῦτον· τῶν δ' Ἀθηναίων ἀγανακτούντων ἐπὶ τῷ γεγονότι, φοβηθεὶς ὁ Θησεὺς ὑπεξέθετο τὴν Ἑλένην εἰς Ἀφιδναν, μίαν τῶν Ἀττικῶν πόλεων. παρακατέστησε δ' αὐτῇ τὴν μητέρα Αἰθραν καὶ τῶν ἄλλων φίλων τοὺς ἀρίστους, φύλακας τῆς παρθένου. [4] Πειρίθου δὲ κρίναντος μνηστεῦσαι Φερσεφόνην καὶ παρακαλοῦντος συναποδημῆσαι, τὸ μὲν πρῶτον ὁ Θησεὺς μετέπειθεν ἀποτρέπων τῆς πράξεως αὐτὸν διὰ τὴν ἀσέβειαν· τοῦ δὲ Πειρίθου βιαζομένου συνηναγκάσθη διὰ τοὺς ὅρκους ὁ Θησεὺς μετασχεῖν τῆς πράξεως. καὶ πέρας καταβάντων αὐτῶν εἰς τοὺς καθ' ἄδου τόπους, συνέβη διὰ τὴν ἀσέβειαν ἀμφοτέρους δεθῆναι, καὶ Θησέα μὲν ὕστερον διὰ τὴν Ἡρακλέους χάριν ἀπολυθῆναι, Πειρίθου δὲ διὰ

τὴν ἀσέβειαν ἐν ἄδου διατελεῖν τιμωρίας αἰωνίου τυγχάνοντα: ἔνιοι δὲ τῶν μυθογράφων φασὶν ἀμφοτέρους μὴ τυχεῖν τοῦ νόστου. [5] καθ' ὃν δὴ χρόνον λέγουσι τοὺς ἀδελφοὺς τῆς Ἑλένης Διοσκόρους στρατεύσαντας ἐπὶ τὴν Ἄφιδναν καὶ τὴν πόλιν ἐλόντας ταύτην μὲν κατασκάψαι, τὴν δ' Ἑλένην ἀπαγαγεῖν εἰς Λακεδαίμονα παρθένον οὖσαν, καὶ μετ' αὐτῆς δούλην τὴν μητέρα Θησέως Αἴθραν.

ἡμεῖς δὲ περὶ τούτων ἀρκούντως εἰρηκότες τὰ περὶ τῶν ἐπτά ἐπὶ Θήβας ἱστορήσομεν, ἀναλαβόντες τὰς ἐξ ἀρχῆς αἰτίας τοῦ πολέμου. Λάιος ὁ Θηβῶν βασιλεὺς γήμας Ἰοκάστην τὴν Κρέοντος, καὶ χρόνον ἱκανὸν ἅπαις ὢν, ἐπηρώτησε τὸν θεὸν περὶ τέκνων γενέσεως. τῆς δὲ Πυθίας δούσης χρησμὸν αὐτῷ μὴ συμφέρειν γενέσθαι τέκνα ἵτον γὰρ ἐξ αὐτοῦ τεκνωθέντα παῖδα πατροκτόνον ἔσεσθαι καὶ πᾶσαν τὴν οἰκίαν πληρώσειν μεγάλων ἀτυχημάτων, ἐπιλαθόμενος τοῦ χρησμοῦ καὶ γεννήσας υἱόν, ἐξέθηκε τὸ βρέφος διαπερονήσας αὐτοῦ τὰ σφυρὰ σιδήρη: [2] δι' ἣν αἰτίαν Οἰδίπους ὕστερον ὠνομάσθη. οἱ δ' οἰκέται λαβόντες τὸ παιδίον ἐκθεῖναι μὲν οὐκ ἠθέλησαν, ἐδώρήσαντο δὲ τῇ Πολύβου γυναικί, οὐ δυναμένη γεννησθαι παῖδας. μετὰ δὲ ταῦτα ἀνδρωθέντος τοῦ παιδός, ὁ μὲν Λάιος ἔκρινεν ἐπερωτῆσαι τὸν θεὸν περὶ τοῦ βρέφους τοῦ ἐκτεθέντος, ὁ δὲ Οἰδίπους μαθὼν παρά τινος τὴν καθ' ἑαυτὸν ὑποβολήν, ἐπεχείρησεν ἐπερωτῆσαι τὴν Πυθίαν περὶ τῶν κατ' ἀλήθειαν γονέων. κατὰ δὲ τὴν Φωκίδα τούτων ἀλλήλοις ἀπαντησάντων, ὁ μὲν Λάιος ὑπερηφάνως ἐκχωρεῖν τῆς ὁδοῦ προσέταττεν, ὁ δ' Οἰδίπους ὀργισθεὶς ἀπέκτεινε τὸν Λάιον, ἀγνοῶν ὅτι πατὴρ ἦν αὐτοῦ. [3] καθ' ὃν δὴ χρόνον μυθολογοῦσι σφίγγα, δίμορφον θηρίον, παραγενομένην εἰς τὰς Θήβας αἰνίγμα προτιθεῖναι τῷ δυναμένῳ λῦσαι, καὶ πολλοὺς ὑπ' αὐτῆς δι' ἀπορίαν ἀναιρεῖσθαι. προτιθεμένου δὲ ἐπάθλου φιλανθρώπου τῷ λύσαντι γαμεῖν τὴν Ἰοκάστην καὶ βασιλεύειν τῶν Θηβῶν, ἄλλον μὲν μηδένα δύνασθαι γινῶναι τὸ προτεθειμένον, μόνον δὲ Οἰδίπουν λῦσαι τὸ αἶνιγμα. ἦν δὲ τὸ προτεθεὲν ὑπὸ τῆς σφιγγός, τί ἐστι τὸ αὐτὸ δίπουν, τρίπουν, τετράπουν. [4] ἀπορουμένων δὲ τῶν ἄλλων ὁ Οἰδίπους ἀπεφάνετο ἄνθρωπον εἶναι τὸ προβληθέν: νήπιον μὲν γὰρ αὐτὸν ὑπάρχοντα τετράπουν εἶναι, αὐξήσαντα δὲ δίπουν, γηράσαντα δὲ τρίπουν, βακτηρίᾳ χρώμενον διὰ τὴν ἀσθένειαν. ἐνταῦθα τὴν μὲν σφίγγα κατὰ τὸν μυθολογούμενον χρησμὸν ἑαυτὴν κατακρημνίσαι, τὸν δ' Οἰδίπουν γήμαντα τὴν ἀγνοουμένην ὑφ' ἑαυτοῦ μητέρα γεννησθαι δύο μὲν υἱοὺς Ἑτεοκλέα καὶ Πολυνείκην, δύο δὲ θυγατέρας Ἀντιγόνην καὶ Ἰσμήνην.

τῶν δ' υἱῶν ἀνδρωθέντων, καὶ τῶν περὶ τὴν οἰκίαν ἀσεβημάτων γνωσθέντων, τὸν μὲν Οἰδίπουν ὑπὸ τῶν υἱῶν ἔνδον μένειν ἀναγκασθῆναι διὰ τὴν αἰσχύνην, τοὺς δὲ νεανίσκους παραλαβόντας τὴν ἀρχὴν ὁμολογίας θέσθαι πρὸς ἀλλήλους παρ' ἐνιαυτὸν ἄρχειν. πρεσβυτέρου δ' ὄντος Ἑτεοκλέους, τοῦτον πρῶτον ἄρξει, καὶ διελθόντος τοῦ χρόνου μὴ βούλεσθαι παραδιδόναι τὴν βασιλείαν. [2] τὸν δὲ Πολυνείκην κατὰ τὰς ὁμολογίας ἀπαιτεῖν τὴν ἀρχήν: τοῦ δ' ἀδελφοῦ μὴ ὑπακούοντος φυγεῖν εἰς Ἄργος πρὸς Ἄδραστον τὸν βασιλέα. καθ' ὃν δὴ χρόνον φασὶ Τυδέα τὸν Οἰνέως ἐν Καλυδῶνι τοὺς ἀνεψιούς ἀνελόντα Ἀλκάθουν καὶ Λυκωπέα φυγεῖν ἐκ τῆς

Αἰτωλίας εἰς Ἄργος. [3] Ἄδραστον δ' ἀμφοτέρους ὑποδεξάμενον φιλοφρόνως κατὰ τι λόγιον συνοικίσει τὰς θυγατέρας αὐτοῖς, Ἀργεῖαν μὲν Πολυνείκει, Δηϊπύλην δὲ Τυδεΐ. εὐδοκιοῦντων δὲ τῶν νεανίσκων καὶ μεγάλης ἀποδοχῆς ὑπὸ τοῦ βασιλέως τυγχανόντων, φασὶ τὸν Ἀδραστον χαριζόμενον αὐτοῖς ἐπαγγείλασθαι κατὰξιν ἀμφοτέρους εἰς τὰς πατρίδας. [4] κρίναντος δ' αὐτοῦ πρῶτον καταγαγεῖν τὸν Πολυνείκην, ἄγγελον εἰς τὰς Θήβας ἀποστεῖλαι Τυδέα πρὸς Ἐτεοκλέα περὶ τῆς καθόδου. ἐνταῦθ' αὖ φασὶ τὸν μὲν Τυδέα ἐνεδρευθέντα κατὰ τὴν ὁδὸν ὑπὸ Ἐτεοκλέους πεντήκοντα ἀνδράσιν ἅπαντας ἀνελεῖν καὶ παραδόξως εἰς τὸ Ἄργος διασωθῆναι, τὸν δ' Ἄδραστον πυθόμενον τὰ συμβάντα παρασκευάσασθαι τὰ πρὸς τὴν στρατείαν, πείσαντα μετασχεῖν τοῦ πολέμου Καпанέα τε καὶ Ἴππομέδοντα καὶ Παρθενοπαῖον τὸν Ἀταλάντης τῆς Σχοινέως. [5] τοὺς δὲ περὶ τὸν Πολυνείκην ἐπιβαλέσθαι πείθειν Ἀμφιάραον τὸν μάντιν συστρατεύειν αὐτοῖς ἐπὶ τὰς Θήβας· τοῦ δὲ προγινώσκοντος ὡς ἀπολείται συστρατεύσας αὐτοῖς, καὶ διὰ τοῦτο μὴ συγχωροῦντος, Πολυνείκην φασὶ τὸν χρυσοῦν ὄρμον, ὃν Ἀφροδίτην μυθολογοῦσιν Ἀρμονίᾳ δωρήσασθαι, δοῦναι τῇ γυναικὶ τῇ Ἀμφιαράου, ὅπως τὸν ἄνδρα πείσῃ συμμαχήσαι. [6] καθ' ὃν δὴ χρόνον Ἀμφιαράου πρὸς Ἄδραστον στασιάζοντος περὶ τῆς βασιλείας, ὁμολογίας θέσθαι πρὸς ἀλλήλους, καθ' ἧς ἐπέτρεπον κρίναι περὶ τῶν ἀμφισβητουμένων Ἐριφύλην, γυναῖκα μὲν οὖσαν Ἀμφιαράου, ἀδελφὴν δ' Ἀδράστου. τῆς δὲ τὸ νίκημα περιθείσης Ἀδράστῳ καὶ περὶ τῆς ἐπὶ Θήβας στρατείας ἀποφηναμένης δεῖν στρατεύειν, ὁ μὲν Ἀμφιάραος δόξας ὑπὸ τῆς γυναικὸς προδεδόσθαι συστρατεύσειν μὲν ὡμολόγησεν, ἐντολὰς δὲ ἔδωκεν Ἀλκμαίῳ τῷ υἱῷ μετὰ τὴν ἑαυτοῦ τελευτὴν ἀνελεῖν τὴν Ἐριφύλην. [7] οὗτος μὲν οὖν ὕστερον κατὰ τὰς τοῦ πατρὸς ἐντολὰς ἀνείλε τὴν μητέρα, καὶ διὰ τὴν συνείδησιν τοῦ μύσου εἰς μανίαν περιέστη· οἱ δὲ περὶ τὸν Ἄδραστον καὶ Πολυνείκην καὶ Τυδέα προσλαβόμενοι τέτταρας ἡγεμόνας, Ἀμφιαράον τε καὶ Καпанέα καὶ Ἴππομέδοντα, ἔτι δὲ Παρθενοπαῖον τὸν Ἀταλάντης τῆς Σχοινέως, ἐστράτευσαν ἐπὶ τὰς Θήβας, ἔχοντες δύναμιν ἀξιόλογον. [8] μετὰ δὲ ταῦτα Ἐτεοκλῆς μὲν καὶ Πολυνείκης ἀλλήλους ἀνείλον, Καпанεὺς δὲ βιαζόμενος καὶ διὰ κλίμακος ἀναβαίνων ἐπὶ τὸ τεῖχος ἐτελεύτησεν, Ἀμφιάραος δὲ χανούσης τῆς γῆς ἐμπροσθεν εἰς τὸ χάσμα μετὰ τοῦ ἄρματος ἄφαντος ἐγένετο. [9] ὁμοίως δὲ καὶ τῶν ἄλλων ἡγεμόνων ἀπολομένων πλὴν Ἀδράστου, καὶ πολλῶν στρατιωτῶν πεσόντων, οἱ μὲν Θηβαῖοι τὴν ἀναίρεσιν τῶν νεκρῶν οὐ συνεχώρησαν, ὁ δ' Ἄδραστος καταλιπὼν ἀτάφους τοὺς τετελευτηκότας ἐπανῆλθεν εἰς Ἄργος. ἀτάφων δὲ μενόντων τῶν ὑπὸ τὴν Καδμείαν πεπτωκότων σωμάτων, καὶ μηδενὸς τολμῶντος θάπτειν, Ἀθηναῖοι διαφέροντες τῶν ἄλλων χρηστότητι πάντας τοὺς ὑπὸ τὴν Καδμείαν πεπτωκότας ἔθαψαν.

οἱ μὲν οὖν ἐπτά ἐπὶ Θήβας τοιοῦτον τὸ πέρας ἔσχον. οἱ δὲ τούτων παῖδες, ἐπίγονοι δ' ὀνομασθέντες, τὸν τῶν πατέρων θάνατον ἐπεξιόντες ἔγνωσαν στρατεύειν κοινῇ ἐπὶ τὰς Θήβας, λαβόντες χρησμόν παρ' Ἀπόλλωνος πολεμεῖν τὴν προειρημένην πόλιν στρατηγὸν ἔχοντας Ἀλκμαίωνα τὸν Ἀμφιαράου. [2] οἱ δ' Ἀλκμαίων αἰρεθεὶς ὑπ' αὐτῶν στρατηγὸς ἐπηρώτησε τὸν θεὸν περὶ τῆς ἐπὶ τὰς Θήβας στρατείας καὶ περὶ τῆς Ἐριφύλης τῆς μητρὸς

κολάσσεως. [3] τοῦ δ' Ἀπόλλωνος χρήσαντος ἀμφοτέρα τὰ προειρημένα πράξει διὰ τὸ μὴ μόνον τὸν χρυσοῦν ὄρμον δέξασθαι κατὰ τῆς ἀπωλείας τοῦ πατρός, ἀλλὰ καὶ πέπλον λαβεῖν αὐτὴν κατὰ τῆς τοῦ υἱοῦ τελευτῆς· Ἀφροδίτης γάρ, ὥς φασι, τὸ παλαιὸν δωρησαμένης Ἀρμονία τῇ Κάδμου τὸν τε ὄρμον καὶ πέπλον, ἀμφοτέρα ταῦτα προσδέξασθαι τὴν Ἐριφύλην, τὸν μὲν ὄρμον παρὰ Πολυνεῖκους λαβοῦσαν, τὸν δὲ πέπλον παρὰ τοῦ υἱοῦ τοῦ Πολυνεῖκου Θερανόδρου, ὅπως πείσῃ τὸν υἱὸν στρατεύειν ἐπὶ τὰς Θήβας· ὁ δ' οὖν Ἀλκμαίων οὐ μόνον ἀθροίσας ἕξ Ἄργους στρατιώτας, ἀλλὰ καὶ ἐκ τῶν πλησίον πόλεων, ἀξιολόγῳ δυνάμει ἐστράτευσεν ἐπὶ τὰς Θήβας. [4] ἀντιταχθέντων δὲ τῶν Θηβαίων ἐγένετο μάχη καρτερά, καθ' ἣν ἐνίκησαν οἱ περὶ τὸν Ἀλκμαίωνα· οἱ δὲ Θηβαῖοι λειφθέντες τῇ μάχῃ καὶ πολλοὺς τῶν πολιτῶν ἀποβαλόντες συνετριβήσαν ταῖς ἐλπίσιν. οὐκ ὄντες δ' ἀξιόμαχοι σύμβουλον ἔλαβον Τειρεσίαν τὸν μάντιν, ὃς ἐκέλευσε φυγεῖν ἐκ τῆς πόλεως· [5] μόνως γὰρ οὕτω σωθήσεσθαι. οἱ μὲν οὖν Καδμεῖοι κατὰ τὴν τοῦ μάντεως ὑποθήκην ἐξέλιπον τὴν πόλιν, καὶ νυκτὸς συνέφυγον εἰς τι χωρίον τῆς Βοιωτίας ὀνομαζόμενον Τιλφωσσαῖον. ἔπειθ' οἱ μὲν ἐπίγονοι τὴν πόλιν ἐλόντες διήρπασαν, καὶ τῆς Τειρεσίου θυγατρὸς Δάφνης ἐγκρατεῖς γενόμενοι ταύτην ἀνέθεσαν εἰς Δελφοὺς κατὰ τινα εὐχὴν ἀκροθίνιον τῷ θεῷ. [6] αὕτη δὲ τὴν μαντικὴν οὐχ ἥττον τοῦ πατρὸς εἰδυῖα, πολλὸ μᾶλλον ἐν τοῖς Δελφοῖς διατρίψασα τὴν τέχνην ἐπηύξησε· φύσει δὲ θαυμαστῇ κεχορηγημένη χρησμούς ἔγραψε παντοδαπούς, διαφόρους ταῖς κατασκευαῖς· παρ' ἧς φασι καὶ τὸν ποιητὴν Ὅμηρον πολλὰ τῶν ἐπῶν σφετερισάμενον κοσμήσαι τὴν ἰδίαν ποίησιν. ἐνθεαζούσης δ' αὐτῆς πολλάκις καὶ χρησμούς ἀποφαινομένης, φασὶν ἐπικληθῆναι Σίβυλλαν· τὸ γὰρ ἐνθεάζειν κατὰ γλῶττανῦπάρχειν σιβυλλαίνειν.

οἱ δ' ἐπίγονοι τὴν στρατείαν ἐπιφανῆ πεπονημένοι μετὰ πολλῶν λαφύρων ἀνέκαμψαν εἰς τὰς πατρίδας. τῶν δὲ Καδμείων τῶν συμφυγόντων εἰς τὸ Τιλφωσσαῖον Τειρεσίας μὲν ἐτελεύτησεν, ὃν θάψαντες λαμπρῶς οἱ Καδμεῖοι τιμαῖς ἰσοθέοις ἐτίμησαν· αὐτοὶ δὲ μεταναστάντες ἐκ τῆς πόλεως ἐπὶ Δωριεῖς ἐστράτευσαν, καὶ μάχῃ νικήσαντες τοὺς ἐγχωρίους ἐκείνους μὲν ἐξέβαλον ἐκ τῶν πατρίδων, αὐτοὶ δ' ἐπὶ τινὰς χρόνους κατοικήσαντες, οἱ μὲν ἐν αὐτῇ κατέμειναν, οἱ δ' ἐπανήλθον εἰς τὰς Θήβας, Κρέοντος τοῦ Μενοικέως βασιλεύοντος. οἱ δ' ἐκ τῶν πατρίδων ἐξελαθέντες ὕστερόν τισι χρόνοις κατήλθον εἰς τὴν Δωρίδα καὶ κατόκησαν ἐν Ἐρινεῷ καὶ Κυτινίῳ καὶ Βοιῷ. [2] πρὸ δὲ τούτων τῶν χρόνων Βοιωτὸς ὁ Ἄρνης καὶ Ποσειδῶνος καταντήσας εἰς τὴν τότε μὲν Αἰολίδα, νῦν δὲ Θετταλίαν καλουμένην, τοὺς μεθ' ἑαυτοῦ Βοιωτοὺς ὠνόμασε. περὶ δὲ τῶν Αἰολέων τούτων ἀναγκαῖον προσαναδραμόντας τοῖς χρόνοις τὰ κατὰ μέρος ἐκθέσθαι. [3] ἐν τοῖς ἔμπροσθεν χρόνοις τῶν Αἰόλου τοῦ Ἑλλήνος τοῦ Δευκαλίωνος υἱῶν οἱ μὲν ἄλλοι κατόκησαν ἐν τοῖς προειρημένοις τόποις, Μίμας δὲ μείνας ἐβασίλευσε τῆς Αἰολίδος. Μίμαντος δὲ Ἰππότης γενόμενος ἐκ Μελανίπτης ἐτέκνωσεν Αἴολον· τούτου δ' Ἄρνη γενομένη θυγάτηρ Βοιωτὸν ἐκ Ποσειδῶνος ἐγέννησεν. [4] αἰόλος δ' ἀπιστῶν εἰ Ποσειδῶνι ἐμίγη καὶ τῇ φθορᾷ μεμφόμενος, παρέδωκε τὴν Ἄρνην Μεταποντίῳ ξένῳ κατὰ τύχην

παρεπιδημοῦντι, προστάξας ἀπάγειν εἰς Μεταπόντιον. τούτου δὲ πράξαντος τὸ προσταχθέν, ἡ Ἄρνη τρεφομένη ἐν Μεταποντίῳ ἐγέννησεν Αἰόλον καὶ Βοιωτόν, οὓς ὁ Μεταπόντιος, ἅπαις ὢν, κατὰ τινα χρησμὸν υἱοποιήσατο. [5] οὗτοι δ' ἀνδρωθέντες, στάσεως γενομένης ἐν τῷ Μεταποντίῳ, βία κατέσχον τὴν βασιλείαν. ὕστερον δὲ τῆς Ἄρνης διενεχθείσης πρὸς Αὐτολύτην τὴν γυναῖκα τοῦ Μεταποντίου, βοηθοῦντες τῇ μητρὶ τὴν Αὐτολύτην ἀνείλυν. δεινῶς δὲ φέροντος τοῦ Μεταποντίου τὸ συμβεβηκός, πλοῖα παρασκευασάμενοι καὶ τὴν Ἄρνην ἀναλαβόντες ἐξέπλευσαν μετὰ πολλῶν φίλων. [6] αἰόλος μὲν οὖν τὰς ἐν τῷ Τυρρηνικῷ πελάγει καλουμένας ἀπ' αὐτοῦ νήσους Αἰολίδας κατέσχε, καὶ πόλιν ἔκτισε τὴν ὀνομαζομένην ἀπ' αὐτοῦ Λιπάραν· Βοιωτὸς δὲ πλεύσας πρὸς Αἰόλον τὸν τῆς Ἄρνης πατέρα, καὶ τεκνωθεὶς ὑπ' αὐτοῦ, παρέλαβε τῆς Αἰολίδος τὴν βασιλείαν· καὶ τὴν μὲν χώραν ἀπὸ τῆς μητρὸς Ἄρνην, τοὺς δὲ λαοὺς ἀφ' ἑαυτοῦ Βοιωτοὺς ὠνόμασε. [7] Βοιωτοῦ δὲ Ἴτωνος γενόμενος ἐτέκνωσεν υἱοὺς τέτταρας, Ἰππάλκιμον καὶ Ἥλεκτρύωνα, ἔτι δ' Ἀρχίλυκον καὶ Ἀλεγῆνορα. τούτων δ' Ἰππάλκιμος μὲν ἐγέννησε Πηνέλεων, Ἥλεκτρῶν δὲ Λήιτον, Ἀλεγῆνωρ δὲ Κλονίον, Ἀρχίλυκος δὲ Προθοήνορα καὶ Ἀρκεσίλαον τοὺς ἐπὶ Τροίαν στρατευσαμένους ἡγεμόνας τῶν ἀπάντων Βοιωτῶν.

τούτων δ' ἡμῖν διευκρινημένων, πειρασόμεθα διελθεῖν περὶ Σαλμωνέως καὶ Τυροῦς καὶ τῶν ἀπογόνων ἕως Νέστορος τοῦ στρατεύσαντος ἐπὶ Τροίαν. Σαλμωνεὺς γὰρ ἦν υἱὸς Αἰόλου τοῦ Ἑλλήνος τοῦ Δευκαλίωνος· οὗτος δ' ἐκ τῆς Αἰολίδος ὀρμηθεὶς μετὰ πλειόνων Αἰολέων ᾤκισε τῆς Ἥλειας παρὰ τὸν Ἀλφειὸν ποταμὸν πόλιν καὶ ἐκάλεσεν ἀφ' ἑαυτοῦ Σαλμωνίαν. γήμας δ' Ἀλκιδίκην τὴν Ἀλέου ἐγέννησε θυγατέρα τὴν προσαγορευθεῖσαν Τυρώ, κάλλει διαφέρουσαν. [2] τῆς δὲ γυναικὸς Ἀλκιδίκης ἀποθανούσης ἐπέγημε τὴν ὀνομαζομένην Σιδηρώ· αὕτη δὲ χαλεπῶς διετέθη πρὸς τὴν Τυρώ, ὡς ἂν μητριά. μετὰ δὲ ταῦτα Σαλμωνεὺς, ὕβριστῆς ὢν καὶ ἀσεβής, ὑπὸ μὲν τῶν ὑποτεταγμένων ἐμισήθη, ὑπὸ δὲ Διὸς διὰ τὴν ἀσέβειαν ἐκεραυνώθη. [3] τῇ δὲ Τυροῖ, παρθένῳ κατ' ἐκείνους τοὺς χρόνους οὔσῃ, Ποσειδῶν μίγεις παῖδας ἐγέννησε Πελίαν καὶ Νηλέα. ἡ δὲ Τυρὼ συνοικήσασα Κρηθεῖ ἐτέκνωσεν Ἀμυθάονα καὶ Φέρητα καὶ Αἴσονα. Κρηθέως δὲ τελευτήσαντος ἐστασίασαν περὶ τῆς βασιλείας Πελίας τε καὶ Νηλεὺς· τούτων δὲ Πελίας μὲν Ἰωλκοῦ καὶ τῶν πλησίον χωρίων ἐβασίλευσε, Νηλεὺς δὲ παραλαβὼν Μελάμποδα καὶ Βίαντα τοὺς Ἀμυθάονος καὶ Ἀγλαΐας υἱοὺς καὶ τινὰς ἄλλους τῶν Ἀχαιῶν καὶ Φθιωτῶν καὶ τῶν Αἰολέων ἐστράτευσεν εἰς Πελοπόννησον. [4] καὶ Μελάμπους μὲν μάντις ὢν τὰς Ἀργείας γυναῖκας μανείσας διὰ τὴν Διονύσου μῆνιν ἐθεράπευσεν, ἀντὶ δὲ ταύτης τῆς εὐεργεσίας χάριν ἔλαβε παρὰ τοῦ βασιλέως τῶν Ἀργείων Ἀναξαγόρου τοῦ Μεγαπένθους τὰ δύο μέρη τῆς βασιλείας· κατοικήσας δ' ἐν Ἀργεὶ κοινὴν ἐποιήσατο τὴν βασιλείαν Βίαντι τῷ ἀδελφῷ. [5] γήμας δὲ Ἰφιάνειραν τὴν Μεγαπένθους ἐτέκνωσεν Ἀντιφάτην καὶ Μαντώ, ἔτι δὲ Βίαντα καὶ Προνόην· Ἀντιφάτου δὲ καὶ Ζευξίπτης τῆς Ἰπποκόωντος Οἰκλῆς καὶ Ἀμφάλκης ὑπῆρξαν, Οἰκλέους δὲ καὶ Ὑπερμνήστρας τῆς Θεσπίου Ἰφιάνειρα καὶ Πολύβοια καὶ Ἀμφιάραιος ἐγένοντο. [6] Μελάμπους μὲν οὖν καὶ Βίας καὶ οἱ ἀπ' ἐκείνων οὕτω τῆς ἐν Ἀργεὶ βασιλείας μετέσχον, Νηλεὺς δὲ

μετὰ τῶν συνακολουθησάντων παραγενόμενος εἰς Μεσσήνην πόλιν ἔκτισε Πύλον, δόντων αὐτῷ τῶν ἐγχωρίων. ταύτης δὲ βασιλεύων καὶ γήμας Χλῶριν τὴν Ἀμφίονος τοῦ Θηβαίου, παῖδας ἐγέννησε δώδεκα, ὧν ἦν πρεσβύτατος μὲν Περικλύμενος, νεώτατος δὲ Νέστωρ ὁ ἐπὶ Τροίαν στρατεύσας. περὶ μὲν οὖν τῶν Νέστορος προγόνων ἀρκεσθῆσόμεθα τοῖς ῥηθεῖσι, στοχαζόμενοι τῆς συμμετρίας,

περὶ δὲ τῶν Λαπιθῶν καὶ Κενταύρων ἐν μέρει διέξιμεν. Ὡκεανοῦ καὶ Τηθύος κατὰ τοὺς μύθους παῖδες ἐγένοντο πλείους ποταμῶν ἐπώνυμοι, ἐν οἷς καὶ Πηνειός, ἀφ' οὗ συνέβη τὸν ἐν Θετταλία Πηνειὸν ὀνομασθῆναι. οὗτος δὲ μιγείς νύμφῃ τῇ προσαγορευομένῃ Κρεοῦσῃ παῖδας ἐγέννησεν Ὑψέα καὶ Στίλβην, ἣ μιγείς Ἀπόλλων Λαπίθην καὶ Κένταυρον ἐγέννησε. [2] καὶ τούτων Λαπίθης μὲν κατοικῶν περὶ τὸν Πηνειὸν ποταμὸν ἐβασίλευσε τῶν τόπων τούτων, γήμας δὲ Ὀρσινόμην τὴν Εὐρυνόμου ἐγέννησεν υἱοὺς δύο, Φόρβαντα καὶ Περίφαντα. οὗτοι μὲν οὖν ἐνταῦθα ἐβασίλευσαν, οἱ δὲ σύμπαντες λαοὶ ἀπὸ Λαπίθου Λαπίθαι προσηγορεύθησαν. τῶν δ' υἱῶν τῶν Λαπίθου Φόρβας μὲν εἰς Ὀλλενον παρῆλθεν, ἐξ ἧς μεταπεμψάμενος αὐτὸν Ἀλέκτωρ ὁ τῆς Ἥλειας βασιλεὺς βοηθόν, φοβούμενος τὴν Πέλοπος δυναστείαν, τῆς ἐν Ἥλιδι βασιλείας μετέδωκεν. [3] ἐκ δὲ Φόρβαντος ὑπῆρξαν υἱοὶ δύο, Αἰγεὺς καὶ Ἄκτωρ, οἱ τὴν Ἥλειαν βασιλείαν παραλαβόντες. ὁ δ' ἕτερος τῶν Λαπίθου παίδων Περίφας γήμας Ἀστυάγυιαν τὴν Ὑψέως ἐγέννησεν ὀκτὼ παῖδας, ὧν ἦν πρεσβύτατος Ἀντίων, ὃς μιγείς Περιμήλῃ τῇ Ἀμυθάονος ἐγέννησεν Ἰξίονα. οὗτος δ', ὥς φασιν, ὑποσχόμενος ἔδνα πολλὰ δώσειν Ἡϊονεῖ ἔγχε τὴν Ἡϊονέως θυγατέρα Δίαν, ἐξ ἧς ἐγέννησε Πειρίθουν. [4] ἔπειθ' ὁ μὲν Ἰξίων οὐκ ἀπέδωκε τὰ ἔδνα τῇ γυναικί, ὁ δ' Ἡϊονεὺς τὰς ἵππους ἀντὶ τούτων ἠνεχύρασεν. ὁ δ' Ἰξίων τὸν Ἡϊονέα μετεπέμψατο ἐπαγγελλόμενος πάντα ὑπακούσεσθαι, καὶ τὸν Ἡϊονέα παραγενόμενον ἔβαλεν εἰς βόθρον πυρὸς μεστόν. διὰ δὲ τὸ μέγεθος τῆς παρανομίας μηδένα βούλεσθαι καθάραι τὸν φόνον. τέλος δ' ὑπὸ τοῦ Διὸς κατὰ τοὺς μύθους ἀγνισθεῖς, ἡράσθη μὲν τῆς Ἥρας καὶ κατετόλμησεν ὑπὲρ συνουσίας λόγους ποιεῖσθαι. [5] ἔπειτα τὸν μὲν Δία εἰδῶλον ποιήσαντα τῆς Ἥρας νεφέλῃν ἐξαποστεῖλαι, τὸν δὲ Ἰξίονα τῇ νεφέλῃ μιγέντα γεννῆσαι τοὺς ὀνομαζομένους Κενταύρους ἀνθρωποφυεῖς. τέλος δὲ μυθολογοῦσι τὸν Ἰξίονα διὰ τὸ μέγεθος τῶν ἡμαρτημένων ὑπὸ Διὸς εἰς τροχὸν ἐνδεθῆναι,

καὶ τελευτήσαντα τὴν τιμωρίαν ἔχειν αἰώνιον. τοὺς δὲ Κενταύρους τινὲς μὲν φασιν ἐν τῷ Πηλίῳ τραφῆναι ὑπὸ Νυμφῶν, ἀνδρωθέντας δὲ καὶ μιγέντας ἵπποις θηλείαις γεννῆσαι τοὺς ὀνομαζομένους διφυεῖς Ἴποκενταύρους· τινὲς δὲ λέγουσι τοὺς ἐκ Νεφέλης καὶ Ἰξίονος γεννηθέντας Κενταύρους πρῶτους ἱπεύειν ἐπιχειρήσαντας Ἴποκενταύρους ὀνομάσθαι καὶ εἰς πλάσμα μύθου καταταχθῆναι ὥς διφυεῖς ὄντας. [2] φασὶ δὲ τούτους ὥς συγγενεῖς ὑπάρχοντας ἀπαιτῆσαι τὸν Πειρίθουν τὸ μέρος τῆς πατρῴας ἀρχῆς· οὐκ ἀποδιδόντος δὲ τοῦ Πειρίθου πόλεμον ἐξενεγκεῖν πρὸς αὐτόν τε καὶ τοὺς Λαπίθας. [3] ὕστερον δὲ διαλυθέντων αὐτῶν Πειρίθους μὲν γήμας Ἴποδάμειαν τὴν Βούτου, καὶ καλέσαντος εἰς τοὺς γάμους τὸν τε Θησέα καὶ τοὺς Κενταύρους, φασὶ μεθυσθέντας ἐπιβαλέσθαι ταῖς κεκλημέναις γυναιξὶ καὶ βίᾳ μίσγεσθαι, διὰ δὲ

τὴν παρανομίαν τὸν τε Θησέα καὶ τοὺς Λαπίθας παροξυνθέντας οὐκ ὀλίγους μὲν ἀνελεῖν, τοὺς δὲ λοιποὺς ἐκβαλεῖν ἐκ τῆς πόλεως. [4] διὰ δὲ ταύτην τὴν αἰτίαν τῶν Κενταύρων πανδημεὶ στρατευσάντων ἐπὶ τοὺς Λαπίθας καὶ πολλοὺς ἀνελόντων, τοὺς ὑπολειφθέντας φυγεῖν εἰς Φολόην τῆς Ἀρκαδίας, τέλος δ' εἰς Μαλέαν ἐκπесόντας ἐνταῦθα κατοικήσαι. τοὺς δὲ Κενταύρους μετεωρισθέντας τοῖς προτερήμασι, καὶ ὀρμωμένους ἐκ τῆς Φολόης, λήζεσθαι τοὺς παριόντας τῶν Ἑλλήνων καὶ πολλοὺς τῶν περιοίκων ἀναιρεῖν.

τούτων δ' ἡμῖν διευκρινημένων πειρασόμεθα διελθεῖν περὶ Ἀσκληπιοῦ καὶ τῶν ἀπογόνων αὐτοῦ. μυθολογοῦσι τοῖνυν Ἀσκληπιὸν Ἀπόλλωνος υἱὸν ὑπάρχειν καὶ Κορωνίδος, φύσει δὲ καὶ ἀγχινοῖα διενεγκόντα ζηλῶσαι τὴν ἱατρικὴν ἐπιστήμην, καὶ πολλὰ τῶν συντεινόντων πρὸς ὑγίειαν ἀνθρώπων ἐξευρεῖν. ἐπὶ τοσοῦτο δὲ προβῆναι τῇ δόξῃ ὥστε πολλοὺς τῶν ἀπεγνωσμένων ἀρρώστων παραδόξως θεραπεύειν, καὶ διὰ τοῦτο πολλοὺς δοκεῖν τῶν τετελευτηκότων ποιεῖν ἄλιν ζῶντας. [2] διὸ καὶ τὸν μὲν Ἄϊδην μυθολογοῦσιν ἐγκαλοῦντα τῷ Ἀσκληπιῷ κατηγορίαν αὐτοῦ ποιήσασθαι πρὸς τὸν Δία ὡς τῆς ἐπαρχίας αὐτοῦ ταπεινουμένης: ἐλάττους γὰρ αἰεὶ γίνεσθαι τοὺς τετελευτηκότας, θεραπευομένους ὑπὸ τοῦ Ἀσκληπιοῦ. [3] καὶ τὸν μὲν Δία παροξυνθέντα καὶ κεραυνώσαντα τὸν Ἀσκληπιὸν διαφθεῖραι, τὸν δ' Ἀπόλλωνα διὰ τὴν ἀναίρεσιν τούτου παροξυνθέντα φονεῦσαι τοὺς τὸν κεραυνὸν τῷ Διὶ κατασκευάσαντας Κύκλωπας: ἐπὶ δὲ τῇ τούτων τελευτῇ παροξυνθέντα τὸν Δία προστάξει τῷ Ἀπόλλωνι θητεῦσαι παρ' ἀνθρώπῳ, καὶ ταύτην τιμωρίαν λαβεῖν παρ' αὐτοῦ τῶν ἐγκλημάτων. [4] Ἀσκληπιοῦ δὲ φασὶ γενομένους υἱοὺς Μαχάονα καὶ Ποδαλείριον, καὶ τὴν τέχνην ἐκπονήσαντας, ἐπὶ Τροίαν συστρατεῦσαι τοῖς περὶ τὸν Ἀγαμέμνονα: κατὰ δὲ τὸν πόλεμον μεγάλας χρείας αὐτοὺς παρασχέσθαι τοῖς Ἑλλήσι, θεραπεύοντας ἐμπειρότατα τοὺς τιτρωσκομένους, καὶ διὰ τὰς εὐεργεσίας ταύτας ὑπὸ τῶν Ἑλλήνων μεγάλης τυχεῖν δόξης: ἀτελεῖς δ' αὐτοὺς ἀφεῖναι τῶν κατὰ τὰς μάχας κινδύνων καὶ τῶν ἄλλων λειτουργιῶν διὰ τὴν ὑπερβολὴν τῆς ἐν τῷ θεραπεύειν εὐχρηστίας.

περὶ μὲν οὖν Ἀσκληπιοῦ καὶ τῶν υἱῶν αὐτοῦ τοῖς ῥηθεῖσιν ἀρκεσθισόμεθα, περὶ δὲ τῶν Ἀσωποῦ θυγατέρων καὶ τῶν Αἰακῷ γενομένων υἱῶν νῦν διέξιμεν. Ὠκεανοῦ καὶ Τηθύος κατὰ τοὺς μύθους ἐγένοντο παῖδες ἄλλοι τε πλείους ἐπώνυμοι ποταμῶν, ἐν οἷς ὑπάρξει Πηνειὸν καὶ Ἀσωπὸν. Πηνειὸς μὲν οὖν κατοικήσας περὶ τὴν νῦν οὖσαν Θετταλίαν ἐπώνυμον ἑαυτοῦ τὸν προειρημένον ποταμὸν ἐποίησεν: Ἀσωπὸς δ' ἐν Φλιοῦντι κατοικήσας ἔγνη Μετώπην τὴν Λάδωνος, ἐξ ἧς ἐγένοντο δύο μὲν υἱοί, Πελασγὸς καὶ Ἰσμηνός, θυγατέρες δὲ δώδεκα, Κόρκυρα καὶ Σαλαμῖς, ἔτι δ' Αἴγινα καὶ Πειρήνη καὶ Κλεώνη, πρὸς δὲ ταύταις Θήβη τε καὶ Τάναγρα καὶ Θέσπεια καὶ Ἀσωπῖς, ἔτι δὲ Σινώπη, πρὸς δὲ ταύταις Ὀρνία καὶ Χαλκίς. [2] τούτων δ' Ἰσμηνὸς μὲν εἰς Βοιωτίαν ἐλθὼν κατέκρησε περὶ τὸν ποταμὸν τὸν ἂπ' ἐκείνου τὴν ὁμωνυμίαν λαβόντα, τῶν δὲ θυγατέρων Σινώπη μὲν ὑπὸ Ἀπόλλωνος ἀρπαγεῖσα ἀπηνέχθη πρὸς τοῦτον τὸν τόπον οὗ νῦν ἐστὶν ἡ ἂπ' ἐκείνης ὀνομασθεῖσα πόλις Σινώπη: ἐκ δὲ ταύτης καὶ Ἀπόλλωνος γενόμενος υἱὸς Σύρος ἐβασίλευσε τῶν ἂπ' ἐκείνου Σύρων ὀνομασθέντων. [3] Κόρκυρα δ' ὑπὸ Ποσειδῶνος ἀπηνέχθη εἰς

νήσον την ἀπ' ἐκείνης Κόρκυραν ὀνομαζομένην: ἐκ ταύτης δὲ καὶ Ποσειδῶνος ἐγένετο Φαίαξ, ἀφ' οὗ τοὺς Φαίακας συνέβη τυχεῖν ταύτης τῆς προσηγορίας. [4] Φαίακος δ' ἐγένετο Ἀλκίνοος ὁ τὸν Ὀδυσσεά καταγαγὼν εἰς τὴν Ἰθάκην. Σαλαμίς δ' ὑπὸ Ποσειδῶνος ἀρπαγείσα ἐκομίσθη εἰς τὴν ἀπ' αὐτῆς νήσον Σαλαμίνα προσαγορευθεῖσαν: αὕτη δὲ μιγεῖσα Ποσειδῶνι Κυχρέα ἐγέννησεν, ὃς βασιλεύσας τῆς νήσου ταύτης καὶ γενόμενος ἐπιφανὴς ἀπέκτεινεν ὄφιν ὑπερφυῆ τὸ μέγεθος καὶ λυμαινόμενον τοὺς ἐγχωρίους. [5] Αἶγινα δ' ἐκ Φλιοῦντος ὑπὸ Διὸς ἀρπαγείσα εἰς νήσον ἀπεκομίσθη τὴν ἀπ' ἐκείνης Αἶγιναν ὀνομασθεῖσαν, ἐν ταύτῃ δὲ Διὶ μιγεῖσα ἐτέκνωσεν Αἰακόν, ὃς ἐβασίλευσε τῆς νήσου. [6] τούτου δ' ἐγένοντο υἱοὶ Πηλεὺς καὶ Τελαμών. τούτων δὲ Πηλεὺς δίσκῳ βαλὼν ἀπέκτεινεν ἀκουσίως Φῶκον ὁμοπάτριον ἀδελφόν, ἐξ ἄλλης δὲ μητρὸς γεγεννημένον. διὰ δὲ τὸν φόνον Πηλεὺς ὑπὸ τοῦ πατρὸς φυγαδευθεὶς ἔφυγε τῆς νῦν Θετταλίας καλουμένης εἰς Φθίαν, καὶ καθαρθεὶς ὑπὸ Ἄκτορος τοῦ βασιλέως διεδέξατο τὴν βασιλείαν, ἅπαιδος ὄντος τοῦ Ἄκτορος. ἐκ δὲ Πηλέως καὶ Θέτιδος γενόμενος Ἀχιλλεὺς ἐστράτευσεν μετ' Ἀγαμέμνονος εἰς Τροίαν. [7] Τελαμών δὲ φυγὼν ἐξ Αἰγίνης κατήνησεν εἰς Σαλαμίνα, καὶ γήμας Κυχρέως τοῦ βασιλέως τῶν Σαλαμινίων θυγατέρα Γλαύκην ἐβασίλευσε τῆς νήσου. τῆς δὲ γυναικὸς Γλαύκης ἀποθανούσης ἔγημεν ἐξ Ἀθηνῶν Ἑρίβοιαν τὴν Ἀλκάθου, ἐξ ἧς ἐγέννησεν Αἴαντα τὸν ἐπὶ Τροίαν στρατεύσαντα.

τούτων δ' ἡμῖν διευκρινημένων πειρασόμεθα διελθεῖν περὶ Πέλοπος καὶ Ταντάλου καὶ Οἰνομάου: ἀναγκαῖον δὲ τοῖς χρόνοις προσαναδραμόντας ἡμᾶς ἀπ' ἀρχῆς ἐν κεφαλαίοις ἅπαντα διελθεῖν. κατὰ γὰρ τὴν Πελοπόννησον ἐν πόλει Πίσῃ Ἄρης Ἀρπίνη τῇ Ἀσωποῦ θυγατρὶ μιγεὶς ἐγέννησεν Οἰνόμαον. [2] οὗτος δὲ θυγατέρα μονογενῇ γεννήσας ὠνόμασεν Ἴπποδάμειαν. χρηστηριαζομένῳ δ' αὐτῷ περὶ τῆς τελευτῆς ἔχρησεν ὁ θεὸς τότε τελευτήσειν αὐτὸν ὅταν ἡ θυγάτηρ Ἴπποδάμεια συνοικήσῃ. εὐλαβούμενον οὖν αὐτὸν περὶ τοῦ γάμου τῆς θυγατρὸς κρῖναι ταύτην παρθένον διαφυλάττειν, ὑπολαμβάνοντα μόνως οὕτως ἐκφεύξεσθαι τὸν κίνδυνον. [3] διόπερ πολλῶν μνηστευομένων τὴν κόρην, ἄλλον προετίθει τοῖς βουλομένοις αὐτὴν γῆμαι τοιοῦτον: ἔδει τὸν μὲν ἡττηθέντα τελευτῆσαι, τὸν δ' ἐπιτυχόντα γαμεῖν τὴν κόρην. ὑπεστήσατο δ' ἵπποδρομίαν ἀπὸ τῆς Πίσσης μέχρι τοῦ κατὰ Κόρινθον Ἰσθμοῦ πρὸς τὸν βωμὸν τοῦ Ποσειδῶνος, τὴν δ' ἄφεςιν τῶν ἵππων ἐποίησε τοιαύτην. [4] ὁ μὲν Οἰνόμαος ἔθυε κριὸν τῷ Δίῃ, ὁ δὲ μνηστευόμενος ἐξώρμα τέθριππον ἐλαύνων ἄρμα: ἀγισθέντων δὲ τῶν ἱερῶν, τότε ἄρχεσθαι τοῦ δρόμου τὸν Οἰνόμαον καὶ διώκειν τὸν μνηστῆρα, ἔχοντα δόρυ καὶ ἡνίοχον τὸν Μυρτίλον: εἰ δ' ἐφίκοιτο καταλαβεῖν τὸ διωκόμενον ἄρμα, τύπτειν τῷ δόρατι καὶ διαφθεῖρειν τὸν μνηστῆρα. τούτῳ δὲ τῷ τρόπῳ τοὺς αἰὶ μνηστευομένους καταλαμβάνων διὰ τὴν ὀξύτητα τῶν ἵππων πολλοὺς ἀνῆρει. [5] Πέλωψ δ' ὁ Ταντάλου καταντήσας εἰς Πίσαν, καὶ θεασάμενος τὴν Ἴπποδάμειαν, ἐπεθύμησε τοῦ γάμου: φθείρας δὲ τὸν ἡνίοχον τοῦ Οἰνομάου Μυρτίλον, καὶ λαβὼν συνεργὸν πρὸς τὴν νίκην, ἔφθασε παραγενόμενος ἐπὶ τὸν Ἰσθμὸν πρὸς τὸν τοῦ Ποσειδῶνος βωμόν. [6] ὁ δ' Οἰνόμαος τὸ λόγιον τετελέσθαι νομίζων, καὶ διὰ τὴν λύπην ἀθυμήσας, αὐτὸν ἐκ τοῦ ζῆν μετέστησε. τούτῳ δὲ τῷ τρόπῳ

Πέλοψ γήμας τὴν Ἰποδάμειαν παρέλαβε τὴν ἐν Πίσῃ βασιλείαν, καὶ διὰ τὴν ἀνδρείαν καὶ σύνεσιν αἰεὶ μᾶλλον αὐξόμενος τοὺς πλείστους τῶν κατὰ τὴν Πελοπόννησον οἰκούντων προσηγάγετο, καὶ τὴν χώραν ἀφ' ἑαυτοῦ Πελοπόννησον προσηγόρευσεν.

ἐπεὶ δὲ Πέλοπος ἐμνήσθημεν, ἀναγκαῖόν ἐστι καὶ περὶ τοῦ πατρὸς αὐτοῦ Ταντάλου διελθεῖν, ἵνα μὴδὲν τῶν ἀκοῆς ἀξίων παραλίπωμεν. Τάνταλος Διὸς μὲν ἦν υἱός, πλούτῳ δὲ καὶ δόξῃ διαφέρων κατ'ὅκει τῆς Ἀσίας περὶ τὴν νῦν ὀνομαζομένην Παφλαγονίαν. διὰ δὲ τὴν ἀπὸ τοῦ πατρὸς Διὸς εὐγένειαν, ὥς φασι, φίλος ἐγένετο τῶν θεῶν ἐπὶ πλέον. [2] ὕστερον δὲ τὴν εὐτυχίαν οὐ φέρων ἀνθρωπίνως, καὶ μετασχὼν κοινῆς τραπέζης καὶ πάσης παρρησίας, ἀπήγγελλε τοῖς ἀνθρώποις τὰ παρὰ τοῖς ἀθανάτοις ἀπόρρητα. δι' ἣν αἰτίαν καὶ ζῶν ἐκολάσθη καὶ τελευτήσας αἰώνιου κατὰ τοὺς μύθους τιμωρίας ἡξιώθη, καταταχθεὶς εἰς τοὺς ἀσεβεῖς. [3] τούτου δ' ἐγένετο Πέλοψ υἱὸς καὶ Νιόβη θυγάτηρ· αὕτη δ' ἐγέννησεν υἱοὺς ἑπτὰ καὶ θυγατέρας τὰς ἴσας εὐπρεπεῖα διαφερούσας. ἐπὶ δὲ τῷ πλήθει τῶν τέκνων μέγα φρυαττομένη πλεονάκις ἐκαυχᾶτο καὶ τῆς Λητοῦς ἑαυτὴν εὐτεκνοτέραν ἀπεφαίνετο. εἶθ' ἡ μὲν Λητὼ κατὰ τοὺς μύθους χολωσαμένη προσέταξε τῷ μὲν Ἀπόλλωνι κατατοξεῦσαι τοὺς υἱοὺς τῆς Νιόβης, τῇ δ' Ἀρτέμιδι τὰς θυγατέρας. τούτων δ' ὑπακουσάντων τῇ μητρὶ καὶ κατὰ τὸν αὐτὸν καιρὸν κατατοξευσάντων τὰ τέκνα τῆς Νιόβης, συνέβη τὴν προειρημένην ὑφ' ἑνα καιρὸν ὀξέως ἅμα εὐτεκνον καὶ ἄτεκνον γενέσθαι. [4] ἐπεὶ δὲ ὁ Τάνταλος μισηθεὶς ὑπὸ τῶν θεῶν ἐξέπεσεν ἐκ τῆς Παφλαγονίας ὑπὸ Ἴλου τοῦ Τρώος, ἀναγκαῖόν ἐστι καὶ τὰ περὶ τὸν Ἴλον καὶ τοὺς προγόνους αὐτοῦ διελθεῖν.

τῆς Τρωάδος χώρας πρῶτος ἐβασίλευσε Τεῦκρος, υἱὸς ὦν Σκαμάνδρου τοῦ ποταμοῦ καὶ Ἰδαίας νύμφης, ἀνὴρ ἐπιφανής, καὶ τοὺς λαοὺς ἀφ' ἑαυτοῦ Τεῦκρους προσηγόρευσε. Τεῦκρου δ' ἐγένετο θυγάτηρ Βάτεια· ταύτην δὲ Δάρδανος ὁ Διὸς γήμας, καὶ τὴν βασιλείαν διαδεξάμενος, τοὺς μὲν λαοὺς ἀφ' ἑαυτοῦ ὠνόμασε Δαρδάνους, πόλιν δ' οἰκίσας ἐπὶ θαλάττης ὠνόμασεν ἀφ' ἑαυτοῦ Δάρδανον. [2] τούτου δ' Ἐριχθόνιος υἱὸς γενόμενος εὐδαιμονία καὶ πλούτῳ πολὺ διήνεγκε· περὶ οὗ καὶ ὁ ποιητὴς Ὅμηρός φησι,

ὃς δὴ ἀφνειότατος γένητο θνητῶν ἀνθρώπων·

τοῦ τρισχίλιναι ἵπποι ἔλος κάτα βουκολέοντο.

[3] Ἐριχθονίου δ' υἱὸς γενόμενος Τρῶς τοὺς λαοὺς ὠνόμασεν ἀφ' ἑαυτοῦ Τρῶας. τούτου δ' ἐγένοντο τρεῖς υἱοί, Ἴλος, Ἀσσάρακος, Γανυμήδης. Ἴλος μὲν οὖν ᾧκισεν ἐν πεδίῳ πόλιν ἐπιφανεστάτην τῶν ἐν τῇ Τρωάδι, Ἴλιον ἀφ' ἑαυτοῦ θέμενος τὴν προσηγορίαν. [4] Ἴλου δὲ γενόμενος υἱὸς Λαιομέδων Τιθωνὸν καὶ Πριάμον ἐγέννησεν· ὦν Τιθωνὸς μὲν στρατεύσας εἰς τὰ πρὸς ἔω μέρη τῆς Ἀσίας καὶ διατείνας ἕως Αἰθιοπίας ἐμυθολογήθη ἐξ Ἡοῦς τεκνωῶσαι Μέμνονα τὸν τοῖς Τρωσὶ βοηθήσαντα καὶ ὑπ' Ἀχιλλέως ἀναιρεθέντα, Πριάμος δ' Ἐκάβην γήμας σὺν ἄλλοις πλείοσιν υἱοῖς ἐγέννησεν Ἐκτορα τὸν ἐπισημόντατον γενόμενον ἐν τῷ Τρωικῷ πολέμῳ. [5] Ἀσσάρακος δὲ Δαρδάνων βασιλεύσας Κάπυν ἐγέννησεν, ἐξ οὗ τεκνωθεὶς Ἀγχίσης ἐξ Ἀφροδίτης Αἰνείαν ἐγέννησε τὸν ἐπιφανέστατον τῶν Τρώων. Γανυμήδης δὲ τῶν ἀπάντων εὐπρεπεῖα διαφέρων ὑπὸ τῶν θεῶν ἀνηρπάγη τῷ Διὶ οἰνοχοεῖν. [6] τούτων δ'

ἡμῖν διευκρινημένων πειρασόμεθα διεξιέναι περὶ Δαιδάλου καὶ Μινωταύρου καὶ τῆς Μίνως στρατείας εἰς Σικελίαν ἐπὶ Κώκαλον τὸν βασιλέα.

Δαίδαλος ἦν τὸ μὲν γένος Ἀθηναῖος, εἷς τῶν Ἑρεχθιδῶν ὀνομαζόμενος· ἦν γὰρ υἱὸς Μητίονος τοῦ Εὐπαλάμου τοῦ Ἑρεχθέως· φύσει δὲ πολὺ τοὺς ἄλλους ἅπαντας ὑπεραίρων ἐξήλωσε τὰ τε περὶ τὴν τεκτονικὴν τέχνην καὶ τὴν τῶν ἀγαλμάτων κατασκευὴν καὶ λιθουργίαν. εὐρετὴς δὲ γενόμενος πολλῶν τῶν συνεργούντων εἰς τὴν τέχνην, κατασκεύασεν ἔργα θαυμαζόμενα κατὰ πολλοὺς τόπους τῆς οἰκουμένης. [2] κατὰ δὲ τὴν τῶν ἀγαλμάτων κατασκευὴν τοσοῦτο τῶν ἀπάντων ἀνθρώπων διήνεγκεν ὥστε τοὺς μεταγενεστέρους μυθολογῆσαι περὶ αὐτοῦ διότι τὰ κατασκευαζόμενα τῶν ἀγαλμάτων ὁμοιώτατα τοῖς ἐμψύχοις ὑπάρχει· βλέπειν τε γὰρ αὐτὰ καὶ περιπατεῖν, καὶ καθόλου τηρεῖν τὴν τοῦ ὅλου σώματος διάθεσιν, ὥστε δοκεῖν εἶναι τὸ κατασκευασθὲν ἔμψυχον ζῶον. [3] πρῶτος δ' ὁμματοῦσας καὶ διαβεβηκότα τὰ σκέλη ποιήσας, ἔτι δὲ τὰς χεῖρας διατεταμένας ποιῶν, εἰκότως ἐθανμάζετο παρὰ τοῖς ἀνθρώποις· οἱ γὰρ πρὸ τούτου τεχνῖται κατεσκεύαζον τὰ ἀγάλματα τοῖς μὲν ὅμμασι μεμυκότα, τὰς δὲ χεῖρας ἔχοντα καθειμένας καὶ ταῖς πλευραῖς κεκολλημένας. [4] ὁ δ' οὖν Δαίδαλος κατὰ τὴν φιλοτεχνίαν θαυμαζόμενος ἔφυγεν ἐκ τῆς πατρίδος, καταδικασθεὶς ἐπὶ φόνῳ διὰ τοιαύτας αἰτίας. τῆς ἀδελφῆς τῆς Δαιδάλου γενόμενος υἱὸς Τάλως ἐπαιδεύετο παρὰ Δαιδάλῳ, παῖς ὢν τὴν ἡλικίαν· [5] εὐφυνέστερος δ' ὢν τοῦ διδασκάλου τὸν τε κεραμευτικὸν τροχὸν εὗρε καὶ σιαγόνι περιτυχὼν ὄφεως, καὶ ταύτῃ ξυλήφιον μικρὸν διαπρίσας, ἐμιμήσατο τὴν τραχύτητα τῶν ὀδόντων· διόπερ κατασκευασάμενος ἐκ σιδήρου πρίονα, καὶ διὰ τούτου πρίζων τὴν ἐν τοῖς ἔργοις ξυλίνην ὕλην, ἔδοξεν εὐχρηστον εὐρηκέναι μέγα πρὸς τὴν τεκτονικὴν τέχνην. ὁμοίως δὲ καὶ τὸν τὸρνον εὐρὼν καὶ ἑτέρα τινα φιλοτεχνήματα, [6] δόξαν ἀπηνέγκατο μεγάλῃν. ὁ δὲ Δαίδαλος φθονήσας τῷ παιδί, καὶ νομίζων αὐτὸν πολὺ τῇ δόξῃ προέξειν τοῦ διδασκάλου, τὸν παῖδα ἐδολοφόνησε. θάπτων δ' αὐτὸν καὶ περικατάληπτος γενόμενος, ἐπηρεωτήθη τίνα θάπτει, καὶ ἔφησεν ὄφιν καταχωννύνειν. θαυμάσαι δ' ἂν τις τὸ παράδοξον, ὅτι διὰ τὸ ζῶον ἐξ οὗ τοῦ πρίονος ἐνεθυμήθη τὴν κατασκευὴν, διὰ τούτου καὶ τοῦ φόνου τὴν ἐπίγνωσιν συνέβη γενέσθαι. [7] κατηγορηθεὶς δὲ καὶ καταδικασθεὶς ὑπὸ τῶν Ἀρεοπαγιτῶν φόνου, τὸ μὲν πρῶτον ἔφυγεν εἰς ἓνα τῶν κατὰ τὴν Ἀττικὴν δήμων, ἐν ᾧ τοὺς κατοικοῦντας ἀπ' ἐκείνου Δαιδαλίδας ὀνομασθήναι.

μετὰ δὲ ταῦτα διαδρὰς εἰς Κρήτην, καὶ διὰ τὴν ἐν τῇ τέχνῃ δόξαν θαυμαζόμενος, φίλος ἐγένετο Μίνως τοῦ βασιλέως. κατὰ δὲ τὸν παραδεδομένον μῦθον Πασιφάης τῆς Μίνως γυναικὸς ἐρασθείσης τοῦ ταύρου, μηχανήμα ποιήσας ὁμοιωμένον βοῖ συνήργησε τῇ Πασιφάῃ πρὸς τὴν ἐπιθυμίαν. [2] μυθολογοῦσι γὰρ πρὸ τούτων τῶν χρόνων Μίνωα κατ' ἐνιαυτὸν συνήθως καθιεροῦν τὸν κάλλιστον τῶν γινομένων ταύρων τῷ Ποσειδῶνι καὶ θύειν τοῦτον τῷ θεῷ· γενομένου δὲ τότε ταύρου κάλλει διαφέροντος ἑτερον τῶν ἡττόνων ταύρων θῆσαι· τὸν δὲ Ποσειδῶνα μηνίσαντα τῷ Μίνῳ ποιῆσαι τὴν γυναικα αὐτοῦ Πασιφάην ἐρασθῆναι τοῦ ταύρου. [3] διὰ δὲ τῆς τούτου φιλοτεχνίας τὴν Πασιφάην μιγεῖσαν τῷ ταύρῳ γεννῆσαι τὸν μυθολογούμενον Μινώταυρον. τοῦτον δὲ φασὶ διφυῇ γεγονέναι, καὶ τὰ μὲν ἀνώτερα μέρη τοῦ

σώματος ἄχρι τῶν ὤμων ἔχειν ταύρου, τὰ δὲ λοιπὰ ἀνθρώπου. [4] τῷ δὲ τέρατι τούτῳ πρὸς διατροφήν λέγεται κατασκευάσαι Δαίδαλον λαβύρινθον, τὰς διεξόδους σκολιάς ἔχοντα καὶ τοῖς ἀπείροις δυσσευρέτους, ἐν ᾧ τρεφόμενον τὸν Μινώταυρον τοὺς ἐξ Ἀθηνῶν ἀποστελλομένους ἐπὶ κόρους καὶ κόρας ἐπὶ κατεσθίειν, περὶ ὧν προειρήκαμεν. [5] τὸν οὖν Δαίδαλον πυθόμενον τὴν ἀπειλὴν τοῦ Μίνωος διὰ τὴν κατασκευὴν τῆς βοός φασι φοβηθέντα τὴν ὀργὴν τοῦ βασιλέως ἐκ τῆς Κρήτης ἐκπλεῦσαι, συνεργούσης τῆς Πασιφάης καὶ πλοῖον δούσης πρὸς τὸν ἐκπλεῖν. [6] μετὰ δὲ τούτου τὸν υἱὸν Ἴκαρον φυγόντα κατενεχθῆναι πρὸς τινα νῆσον πελαγίαν, πρὸς ἣν τὸν Ἴκαρον παραβόλως ἀποβαίνοντα πεσεῖν εἰς θάλατταν καὶ τελευτῆσαι, ἅφ' οὗ καὶ τὸ πέλαγος Ἰκάριον ὀνομασθῆναι καὶ τὴν νῆσον Ἰκαρίαν κληθῆναι. τὸν δὲ Δαίδαλον ἐκ τῆς νήσου ταύτης ἐκπλεύσαντα κατενεχθῆναι τῆς Σικελίας πρὸς χώραν ἧς βασιλεύοντα Κώκαλον ἀναλαβεῖν τὸν Δαίδαλον, καὶ διὰ τὴν εὐφυΐαν καὶ δόξαν ποιήσασθαι φίλον ἐπὶ πλέον. [7] τινὲς δὲ μυθολογοῦσι, κατὰ τὴν Κρήτην ἔτι Δαιδάλου διατρίβοντος καὶ ὑπὸ τῆς Πασιφάης κρυπτομένου, Μίνωα μὲν τὸν βασιλέα βουλόμενον τιμωρίας ἀξιῶσαι τὸν Δαίδαλον, καὶ μὴ δυνάμενον εὔρεῖν, τὰ τε πλοῖα πάντα τὰ κατὰ τὴν νῆσον ἐρευνᾶν καὶ χρημάτων πλῆθος ἐπαγγέλλεσθαι δώσειν τῷ τὸν Δαίδαλον ἀνευρόντι. [8] ἐνταῦθα τὸν Δαίδαλον ἀπογνόντα τὸν διὰ τῶν πλοίων δρασμόν, κατασκευάσαι παραδόξως πτέρυγας πεφιλοτεχνημένας καὶ διὰ κηροῦ θαυμαστῶς ἡσκημένας· ἐπιθέντα δὲ ταύτας τῷ τε τοῦ υἱοῦ σώματι καὶ τῷ ἑαυτοῦ παραδόξως ἐκπετασθῆναι καὶ διαδρᾶναι τὸ πλησίον τῆς Κρήτης νήσου πέλαγος. [9] καὶ τὸν μὲν Ἴκαρον διὰ τὴν νεότητά μετέωρον τὴν πτῆσιν ποιοῦμενον πεσεῖν εἰς τὸ πέλαγος, τακέντος διὰ τὸν ἥλιον τοῦ συνέχοντος τὰς πτέρυγας κηροῦ, αὐτὸν δὲ παρὰ τὴν θάλατταν πετόμενον καὶ παρ' ἑκαστον τέγγοντα τὰς πτέρυγας διασωθῆναι παραδόξως εἰς τὴν Σικελίαν. ἀλλὰ περὶ μὲν τούτων εἰ καὶ παράδοξός ἐστιν ὁ μῦθος, ὅμως ἐκρίναμεν μὴ παραλιπεῖν αὐτόν.

Δαίδαλος δὲ παρὰ τε τῷ Κωκάλῳ καὶ τοῖς Σικανοῖς διέτριψε πλείω χρόνον, θαυμαζόμενος ἐν τῇ κατὰ τὴν τέχνην ὑπερβολῇ. κατεσκεύασε δ' ἐν τῇ νήσῳ ταύτῃ τινὰ τῶν ἔργων ἃ μέχρι τοῦ νῦν διαμένει. πλησίον μὲν γὰρ τῆς Μεγαρίδος φιλοτέχνως ἐποίησε τὴν ὀνομαζομένην κολυμβήθραν, ἐξ ἧς μέγας ποταμὸς εἰς τὴν πλησίον θάλατταν ἐξερεύγεται καλούμενος Ἀλαβών. [2] κατὰ δὲ τὴν νῦν Ἀκραγαντίνην ἐν τῷ Καμικῷ καλουμένῳ πόλιν ἐπὶ πέτρας οὔσαν πασῶν ὀχυρωτάτην κατεσκεύασε καὶ παντελῶς ἐκ βίας ἀνάλωτον· στενὴν γὰρ καὶ σκολίαν τὴν ἀνάβασιν αὐτῆς φιλοτεχνήσας ἐποίησε δύνασθαι διὰ τριῶν ἢ τεττάρων ἀνθρώπων φυλάττεσθαι. διόπερ ὁ Κώκαλος ἐν ταύτῃ ποιήσας τὰ βασίλεια καὶ τὰ χρήματα κατατιθέμενος ἀνάλωτον ἔσχεν αὐτὴν διὰ τῆς ἐπινοίας τοῦ τεχνίτου. [3] τρίτον δὲ σπήλαιον κατὰ τὴν Σελινουντίαν χώραν κατεσκεύασεν, ἐν ᾧ τὴν ἀτμίδα τοῦ κατ' αὐτὴν πυρὸς οὕτως εὐστόχως ἐξέλαβεν ὥστε διὰ τὴν μαλακότητα τῆς θερμασίας ἐξιδροῦν λεληθότως καὶ κατὰ μικρὸν τοὺς ἐνδιατρίβοντας καὶ μετὰ τέρψεως θεραπεύειν τὰ σώματα μηδὲν παρενοχλούμενους ὑπὸ τῆς θερμότητος. [4] κατὰ δὲ τὸν Ἑρκα πέτρας οὔσης ἀποτομάδος εἰς ὕψος ἐξαισίον, καὶ τῆς κατὰ τὸ ἱερὸν τῆς Ἀφροδίτης στενοχωρίας ἀναγκαζούσης ἐπὶ τὸ τῆς πέτρας ἀπόκριμνον ποιήσασθαι τὴν

οικοδομίαν, κατεσκεύασεν ἐπ' αὐτοῦ τοῦ κρημνοῦ τοῖχον, προβιβάσας παραδόξως τὸ ὑπερκείμενον τοῦ κρημνοῦ. [5] χρυσοῦν τε κριὸν τῇ Ἀφροδίτῃ τῇ Ἑρικήνῃ φασὶν αὐτὸν φιλοτεχνῆσαι περιττῶς εἰργασμένον καὶ τῷ κατ' ἀλήθειαν κριῷ ἀπαρεγχειρήτως ὁμοιωμένον. ἄλλα τε πολλὰ φασιν αὐτὸν φιλοτεχνῆσαι κατὰ τὴν Σικελίαν, ἃ διὰ τὸ πλῆθος τοῦ χρόνου διέφθαρται.

Μίνως δ' ὁ τῶν Κρητῶν βασιλεὺς θαλαττοκρατῶν κατ' ἐκείνους τοὺς χρόνους, καὶ πυθόμενος τὴν Δαιδάλου φυγὴν εἰς Σικελίαν, ἔγνω στρατεύειν ἐπ' αὐτήν. παρασκευασάμενος δὲ δύναμιν ναυτικὴν ἀξιόλογον ἐξέπλευσεν ἐκ τῆς Κρήτης, καὶ κατῆρε τῆς Ἀκραγαντίνης εἰς τὴν ἀπ' ἐκείνου Μινῶαν καλουμένην. ἀποβιβάσας δὲ τὴν δύναμιν καὶ πέμψας ἀγγέλους πρὸς Κώκαλον τὸν βασιλέα ἐξῆτει τὸν Δαίδαλον εἰς τιμωρίαν. [2] ὁ δὲ Κώκαλος εἰς σύλλογον προκαλεσάμενος καὶ πάντα ποιήσῃν ἐπαγγειλάμενος ἐπὶ τὰ ξένια παρέλαβε τὸν Μίνω. λουμένου δ' αὐτοῦ, Κώκαλος μὲν παρακατασχὼν πλείονα χρόνον ἐν τῷ θερμῷ τὸν Μίνωα διέφθειρε, καὶ τὸ σῶμα ἀπέδωκε τοῖς Κρησί, πρόφασιν ἐνεγκὼν τοῦ θανάτου διότι κατὰ τὸν λουτρῶνα ὠλίσθηκε καὶ πεσὼν εἰς τὸ θερμὸν ὕδωρ ἐτελεύτησε. [3] μετὰ δὲ ταῦθ' οἱ μὲν συνεστρατευμένοι τὸ σῶμα τοῦ βασιλέως ἔθαψαν μεγαλοπρεπῶς, καὶ διπλοῦν τάφον οἰκοδομήσαντες κατὰ μὲν τὸν κεκρυμμένον τόπον ἔθεσαν τὰ ὀστέα, κατὰ δὲ τὸν ἀνεωγμένον ἐποίησαν Ἀφροδίτης νεῶν. οὗτος δ' ἐπὶ γενεὰς πλείους ἐτιμᾶτο, θυόντων τῶν ἐγχωρίων ὥς Ἀφροδίτης ὄντος τοῦ νεῶ: [4] κατὰ δὲ τοὺς νεωτέρους καιροὺς κτισθείσης μὲν τῆς τῶν Ἀκραγαντίνων πόλεως, γνωσθείσης δὲ τῆς τῶν ὀστέων θέσεως, συνέβη %5τὸν μὲν τάφον καθαιρεθῆναι, τὰ δ' ὀστέα τοῖς Κρησὶν ἀποδοθῆναι, Θήρωνος δυναστεύοντος τῶν Ἀκραγαντίνων. [5] οὐ μὴν ἀλλ' οἱ κατὰ τὴν Σικελίαν Κρήτες μετὰ τὴν Μίνωος τελευτὴν ἐστασίασαν διὰ τὴν ἀναρχίαν, τῶν δὲ νεῶν ὑπὸ τῶν περὶ τὸν Κώκαλον Σικανῶν ἐμπυρισθεισῶν τὴν μὲν εἰς τὰς πατρίδας ἐπάνοδον ἀπέγνωσαν, κρίναντες δ' ἐν τῇ Σικελίᾳ κατοικεῖν, οἱ μὲν ἐνταῦθα πόλιν ὤκισαν ἣν ἀπὸ τοῦ βασιλέως αὐτῶν Μινῶαν ὠνόμασαν, οἱ δὲ διὰ τῆς μεσογείου πλανηθέντες καὶ καταλαβόμενοι χωρίον ὀχυρὸν ἔκτισαν πόλιν ἣν ἀπὸ τῆς ἐν τῇ πόλει ρεύσεως πηγῆς ὠνόμασαν Ἑγγυον. [6] ὕστερον δὲ μετὰ τὴν τῆς Τροίας ἄλωσιν Μηριόνου τοῦ Κρητὸς προσενεχθέντος τῇ Σικελίᾳ, προσεδέξαντο τοὺς καταπλεύσαντας Κρήτας διὰ τὴν συγγένειαν καὶ τῆς πολιτείας μετέδωκαν, ὁρμώμενοι δ' ἐξ ὀχυρᾶς πόλεως καὶ καταπολεμήσαντες τινὰς τῶν περιοίκων ἱκανὴν κατεκτήσαντο χώραν. [7] αἰεὶ δὲ μᾶλλον αὐξόμενοι, καὶ κατασκεύασαντες ἱερὸν τῶν Μητέρων, διαφόρως ἐτίμων τὰς θεάς, ἀναθήμασι πολλοῖς κοσμοῦντες τὸ ἱερὸν αὐτῶν. ταύτας δ' ἀφιδρυθῆναι φασιν ἐκ τῆς Κρήτης διὰ τὸ καὶ παρὰ τοῖς Κρησί τιμᾶσθαι τὰς θεάς ταύτας διαφερόντως.

μυθολογοῦσι δ' αὐτὰς τὸ παλαιὸν θρέψαι τὸν Δία λάθρα τοῦ πατρὸς Κρόνου, ἀνθ' ὧν αὐτὰς εἰς τὸν οὐρανὸν ἀναβιβασθῆναι καὶ καταστερισθεῖσας ἄρκτους προσαγορευθῆναι: [2] περὶ ὧν καὶ τὸν Ἄρατον συμφωνοῦντα τούτοις τεθεικέναι κατὰ τὴν τῶν ἄστρων ποίησιν,

ἔμπαλιν εἰς ὧμους τετραμμένοι: εἰ ἐτεὸν γε

Κρήτηθεν κεῖναι γε Διὸς μεγάλου ἰότητι

οὐρανὸν εἰσανέβησαν, ὃ μιν τότε κουρίζοντα
Δίctw ἐν εὐώδει ὄρεος σχεδὸν Ἰδαίοιο
ἄντρω ἐγκατέθεντο καὶ ἔτρεφον εἰς ἐνιαυτόν,
Δικταῖοι Κούρητες ὅτε Κρόνον ἐψεύσαντο.

[3] οὐκ ἄξιον δὲ παραλιπεῖν τὴν περὶ τὰς θεὰς ἀγνείαν τε καὶ τὴν κατ' ἀνθρώπους ἐπιφάνειαν. τιμῶσι δ' αὐτὰς οὐ μόνον οἱ ταύτην τὴν πόλιν οἰκοῦντες, ἀλλὰ καὶ τινες τῶν ἄλλων περιοίκων θυσίαις τε μεγαλοπρεπέσι καὶ ταῖς ἄλλαις τιμαῖς ἀποσεμνύνουσι τὰς θεάς. [4] ἐνίαις δὲ πόλεσι καὶ πυθόχρηστοι χρησιμοὶ προσέταξαν τιμᾶν τὰς θεάς: ἔσεσθαι γὰρ τοῖς τοιούτοις τοὺς τε τῶν ἰδιωτῶν βίους εὐδαίμονας καὶ τὰς πόλεις εὐθηνήσειν. τέλος δὲ προβαινούσης ἐπὶ πολὺ τῆς κατὰ τὰς θεὰς ἐπιφανείας, οἱ μὲν ἐγχώριοι πολλοῖς ἀναθήμασιν ἀργυροῖς καὶ χρυσοῖς διετέλεσαν τιμῶντες ἄχρι τῶνδε τῶν ἱστοριῶν γραφομένων. [5] νεῶν μὲν γὰρ αὐταῖς κατεσκεύασαν οὐ μόνον τῷ μεγέθει διάφορον, ἀλλὰ καὶ τῇ πολυτελείᾳ τῇ κατὰ τὴν οἰκοδομίαν θαυμαζόμενον: οὐκ ἔχοντες γὰρ κατὰ τὴν ἰδίαν χώραν λίθον ἀξιόλογον παρὰ τῶν ἀστυγαιτόνων Ἀγυριναίων ἡγαγον, τῶν μὲν πόλεων διεστηκυῶν ὡς ἑκατὸν σταδίους, τῆς δ' ὁδοῦ δι' ἧς ἀνάγκη κομίζεσθαι τοὺς λίθους ὑπαρχούσης τραχείας καὶ παντελῶς δυσπορεύτου: δι' ἣν αἰτίαν κατασκεύασαντες ἀμάξας τετρακύκλους ἑκατὸν ζεύγεσι βοῶν ἐκόμισαν τὸν λίθον. [6] διὰ γὰρ τὸ πλῆθος τῶν ἱερῶν χρημάτων εὐπορούμενοι, τῇ δαυιλείᾳ τῆς εὐπορίας ὑπερεῖδον τῶν ἀναλωμάτων: βραχὺ γὰρ πρὸ ἡμῶν εἶχον αἱ θεαὶ βοῦς μὲν ἱερὰς τρισχιλίας, χώρας δὲ πλῆθος ὥστε λαμβάνειν μεγάλας προσόδους.

ἡμεῖς δὲ περὶ τούτων ἀρκούντως διεληλυθότες περὶ Ἀρισταίου γράφειν ἐγχειρήσομεν. Ἀρισταῖος γὰρ ἦν υἱὸς μὲν Ἀπόλλωνος καὶ Κυρήνης τῆς Ὑψέως θυγατρὸς τοῦ Πηνειοῦ: περὶ δὲ τῆς γενέσεως αὐτοῦ μυθολογοῦσιν τινες οὕτως. Ἀπόλλωνα, περὶ τὸ Πήλιον τρεφομένης κόρης ὄνομα Κυρήνης κάλλει διαφερούσης, ἐρασθῆναι τῆς παρθένου, καὶ μετενεγκεῖν αὐτὴν τῆς Λιβύης εἰς ταύτην τὴν χώραν, ἐν ἧ κατὰ τοὺς ὕστερον χρόνους τινὰ κτίσαντα πόλιν ἀπ' ἐκείνης ὀνομάσαι Κυρήνην. [2] τὸν δ' οὖν Ἀπόλλω κατὰ ταύτην τὴν χώραν ἐκ Κυρήνης γεννήσαντα υἱὸν Ἀρισταῖον τοῦτον μὲν νήπιον ὄντα παραδοῦναι ταῖς Νύμφαις τρέφειν: ταύτας δὲ τῷ παιδί τρεῖς ὀνομασίαις προσάσαι: καλεῖν γὰρ αὐτὸν Νόμιον, Ἀρισταῖον, Ἀγρέα. τοῦτον δὲ παρὰ τῶν Νυμφῶν μαθόντα τὴν τε τοῦ γάλακτος πῆξιν καὶ τὴν κατασκευὴν τῶν σμῆνων, ἔτι δὲ τῶν ἐλαιῶν τὴν κατεργασίαν, [3] διδάξαι πρῶτον τοὺς ἀνθρώπους. διὰ δὲ τὴν εὐχρηστίαν τὴν ἐκ τούτων τῶν εὐρημάτων τοὺς εὐεργετηθέντας ἀνθρώπους τιμῆσαι τὸν Ἀρισταῖον ἰσοθέοις τιμαῖς, καθὰ καὶ τὸν Διόνυσον. μετὰ δὲ ταῦτά φασιν αὐτὸν εἰς Βοιωτίαν καταντήσαντα γῆμαι τῶν Κάδμου θυγατέρων Αὐτόνοήν, ἐξ ἧς φασιν Ἀκτέωνα γενέσθαι τὸν κατὰ τοὺς μύθους ὑπὸ τῶν ἰδίων κυνῶν διασπασθέντα. [4] τὴν δ' αἰτίαν ἀποδιδόασιν τῆς ἀτυχίας οἱ μὲν ὅτι κατὰ τὸ τῆς Ἀρτέμιδος ἱερὸν διὰ τῶν ἀνατιθεμένων ἀκροθινίων ἐκ τῶν κυνηγίων προηρεῖτο τὸν γάμον κατεργάσασθαι τῆς Ἀρτέμιδος, οἱ δ' ὅτι τῆς Ἀρτέμιδος αὐτὸν πρωτεύειν ταῖς κυνηγίαις ἀπεφάνετο. [5] οὐκ ἀπίθανον δὲ ἐπ' ἀμφοτέροις τούτοις μνηῖσαι τὴν θεόν: εἴτε

γὰρ τοῖς ἀλικομένοις πρὸς τὴν ἀκοινώνητον τοῖς γάμοις κατεχρήτο πρὸς τὸ συντελέσαι τὴν ἰδίαν ἐπιθυμίαν, εἴτε καὶ ταύτης ἐτόλμησεν εἰπεῖν αἰρετώτερον αὐτὸν εἶναι κυνηγόν ἢ καὶ θεοὶ παρακεχωρήκασιν τῆς ἐν τούτοις ἀμίλλης, ὁμολογουμένην καὶ δικαίαν ὀργὴν ἔσχε πρὸς αὐτὸν ἢ θεός. καθόλου δὲ πιθανῶς εἰς τὴν τῶν ἀλικομένων θηρίων μεταμορφωθεὶς ἰδέαν ὑπὸ τῶν καὶ τᾶλλα θηρία χειρουμένων κυνῶν διεφθάρη.

τὸν δ' Ἀρισταῖον φασιμετὰ τὴν Ἀκτέωνος τελευτὴν ἔλθειν εἰς τὸ χρηστήριον τοῦ πατρός, καὶ τὸν Ἀπόλλω προεῖπεῖν αὐτῷ τὴν εἰς Κέων νῆσον μετάβασιν ἐσομένην αὐτοῦ καὶ τὰς ἐσομένας παρὰ τοῖς Κείοις τιμάς. [2] τὸν δὲ πλεῦσαι μὲν εἰς τὴν νῆσον ταύτην, λοιμοῦ δὲ τὴν Ἑλλάδα κατασχόντος ποιήσασθαι τὴν θυσίαν ὑπὲρ πάντων τῶν Ἑλλήνων. γενομένης δὲ τῆς θυσίας κατὰ τὴν τοῦ σειρίου ἄστρου ἐπιτολήν, καθ' ἣν συνέβαινε πνεῖν τοὺς ἐτησίας, λῆξαι τὰς λοιμικὰς νόσους. [3] τοῦτο δ' ἂν τις συλλογιζόμενος εἰκότως θαυμάσαι τὸ τῆς περιπετείας ἴδιον: ὁ γὰρ ὑπὸ τῶν κυνῶν ἰδὼν τὸν υἱὸν τετελευτηκότα, οὗτος τῶν κατὰ τὸν οὐρανὸν ἄστρον τὸ τὴν αὐτὴν ἔχον προσηγορίαν καὶ φθείρειν νομιζόμενον τοὺς ἀνθρώπους ἔπαυσε, καὶ τοῖς ἄλλοις αἴτιος ἐγένετο τῆς σωτηρίας. [4] λέγουσι δὲ τὸν Ἀρισταῖον ἐκγόνους ἐν τῇ Κέῳ καταλιπόντα, καὶ μετὰ ταῦτα εἰς τὴν Λιβύην ἐπανελθόντα, ἀπὸ τῆς μητρὸς Νύμφης τὴν ἀναγωγὴν ποιησάμενον εἰς τὴν Σαρδὼ νῆσον καταπλεῦσαι. ἐν δὲ ταύτῃ κατοικήσαντα, καὶ τὴν νῆσον διὰ τὸ κάλλος στέρξαντα, φυτεῦσαι τε αὐτὴν καὶ τὸ πρότερον ἐξηγριωμένην ἡμερῶσαι. γεννησάμενος δ' ἐν αὐτῇ δύο παῖδας, Χάρμον καὶ Καλλίκαρπον. [5] μετὰ δὲ ταῦτα ἄλλας τε νήσους ἐπελθεῖν καὶ κατὰ τὴν Σικελίαν διατρίψαι τινα χρόνον, διὰ δὲ τὴν ἀφθονίαν τῶν ἐν τῇ νήσῳ καρπῶν καὶ τὸ πλῆθος τῶν ἐν αὐτῇ βοσκομένων κτηνῶν φιλοτιμηθῆναι τοῖς ἐγχωρίοις ἐνδείξασθαι τὰς ἰδίας εὐεργεσίας. διὸ καὶ παρὰ τοῖς κατὰ τὴν Σικελίαν οἰκοῦσι διαφερόντως φασὶ τιμηθῆναι τὸν Ἀρισταῖον ὡς θεόν, καὶ μάλιστα ὑπὸ τῶν συγκομιζόντων τὸν τῆς ἐλαίας καρπὸν. [6] τὸ δὲ τελευταῖον μυθολογοῦσιν αὐτὸν εἰς Θράκην παραβαλόντα πρὸς Διόνυσον μετασχεῖν τῶν ὀργίων, καὶ συνδιατρίψαντα τῷ θεῷ πολλὰ μαθεῖν παρ' αὐτοῦ τῶν χρησίμων: περὶ δὲ τὸ ὅρος τὸ καλούμενον Αἴμον οἰκίσαντά τινα χρόνον ἄφαντον γενέσθαι, καὶ τυχεῖν ἀθανάτων τιμῶν οὐ μόνον ἐνταῦθα παρὰ τοῖς βαρβάροις, ἀλλὰ καὶ παρὰ τοῖς Ἕλλησι.

καὶ περὶ μὲν Ἀρισταίου τοῖς ῥηθεῖσιν ἄρκεσθαι σόμεθα, περὶ δὲ Δάφνιδος καὶ Ἑρικοῦς πειρασόμεθα διεθεῖν. Ἑρικόφασιν υἱὸν μὲν γενέσθαι Ἀφροδίτης καὶ Βούτα, βασιλέως τινὸς ἐγχωρίου δόξῃ διαφέροντος: τοῦτον δὲ διὰ τὴν ἀπὸ τῆς μητρὸς εὐγένειαν θαυμασθῆναι τε ὑπὸ τῶν ἐγχωρίων καὶ βασιλεῦσαι μέρους τῆς νήσου. κτίσαι δὲ καὶ πόλιν ἀξιόλογον ὁμώνυμον αὐτῷ, κειμένην ἐπὶ τινος ὑψηλοῦ τόπου: κατὰ δὲ τὴν ἄκραν τὴν ἐν τῇ πόλει τῆς μητρὸς ἱερὸν ἰδρύσασθαι, καὶ κοσμεῖσθαι τῇ τε κατασκευῇ τοῦ νεῷ καὶ τῷ πλήθει τῶν ἀναθημάτων. [2] τὴν δὲ θεὸν διὰ τε τὴν ἀπὸ τῶν ἐγχωρίων εὐσέβειαν καὶ διὰ τὴν ἀπὸ τοῦ τεκνωθέντος υἱοῦ τιμὴν ἀγαπῆσαι περιττότερον τὴν πόλιν: διόπερ αὐτὴν Ἀφροδίτην Ἑρικήν ὀνομασθῆναι. θαυμάσαι δ' ἂν τις εἰκότως ἀναλογισάμενος τὴν περὶ τὸ ἱερὸν τοῦτο γενομένην δόξαν: [3] τὰ μὲν γὰρ ἄλλα τεμένη ἀνθήσαντα ταῖς δόξαις πολλάκις διὰ περιστάσεις τινὰς τεταπείνονται,

μόνον δὲ τοῦτο τῶν ἐξ αἰῶνος ἀρχὴν λαβὼν οὐδέποτε διέλιπε τιμώμενον, ἀλλὰ καὶ τοῦναντίον ἀεὶ διετέλεσε πολλῆς τυγχάνον αὐξήσεως. [4] μετὰ γὰρ τὰς προειρημένας ὑπ' Ἑρκος τιμὰς ὕστερον Αἰνείας ὁ Ἀφροδίτης πλέων εἰς Ἰταλίαν καὶ προσορμισθεὶς τῇ νήσῳ πολλοῖς ἀναθήμασι τὸ ἱερόν, ὥς ἂν ἰδίας μητρὸς ὑπάρχον, ἐκόσμησε: μετὰ δὲ τοῦτον ἐπὶ πολλὰς γενεὰς τιμῶντες οἱ Σικανοὶ τὴν θεὸν θυσίαις τε μεγαλοπρεπέσι συνεχῶς καὶ ἀναθήμασιν ἐκόσμου: μετὰ δὲ ταῦτα Καρχηδόνιοι, μέρους τῆς Σικελίας κυριεύσαντες, οὐ διέλιπον τιμῶντες τὴν θεὸν διαφερόντως. τὸ δὲ τελευταῖον Ῥωμαῖοι, πάσης Σικελίας κρατήσαντες, ὑπερεβάλλοντο πάντας τοὺς πρὸ αὐτῶν ταῖς εἰς ταύτην τιμαῖς. [5] καὶ τοῦτο εἰκότως ἐποιοῦν: τὸ γὰρ γένος εἰς ταύτην ἀναπέμποντες, καὶ διὰ τοῦτο ἐν ταῖς πράξεσιν ἐπιτυχεῖς ὄντες, τὴν αἰτίαν τῆς αὐξήσεως ἡμείβοντο ταῖς προσηκούσαις χάρισι καὶ τιμαῖς. [6] οἱ μὲν γὰρ καταντῶντες εἰς τὴν νῆσον ὕπατοι καὶ στρατηγοὶ καὶ πάντες οἱ μετὰ τινος ἐξουσίας ἐπιδημοῦντες, ἐπειδὴν εἰς τὸν Ἑρκα παραβάλωσι, μεγαλοπρεπέσι θυσίαις καὶ τιμαῖς κοσμοῦσι τὸ τέμενος, καὶ τὸ σκυθρωπὸν τῆς ἐξουσίας ἀποθέμενοι μεταβάλλουσιν εἰς παιδιὰς καὶ γυναικῶν ὁμιλίας μετὰ πολλῆς ἰλαρότητος, μόνως οὕτω νομίζοντες κεχαρισμένην τῇ θεῷ ποιήσειν τὴν ἑαυτῶν παρουσίαν: [7] ἢ τε σύγκλητος τῶν Ῥωμαίων εἰς τὰς τῆς θεοῦ τιμὰς φιλοτιμηθεῖσα τὰς μὲν πιστοτάτας τῶν κατὰ τὴν Σικελίαν πόλεων οὔσας ἑπτακαίδεκα χρυσοφορεῖν ἐδογμάτισε τῇ Ἀφροδίτῃ καὶ στρατιώτας διακοσίους τηρεῖν τὸ ἱερόν. καὶ περὶ μὲν Ἑρκος εἰ καὶ πεπλεονάκαμεν, ἀλλ' οὖν οἰκειὰν πεποιήμεθα τὴν περὶ τῆς θεᾶς

ἀπαγγελίαν: νυνὶ δὲ περὶ Δάφνιδος πειρασόμεθα διελθεῖν τὰ μυθολογούμενα. Ἡραῖα γὰρ ὄρη κατὰ τὴν Σικελίαν ἐστίν, ἃ φασὶ κάλλει τε καὶ φύσει καὶ τόπων ιδιότησι πρὸς θερινὴν ἄνεσιν καὶ ἀπόλαυσιν εὖ πεφυκέναι. πολλὰς τε γὰρ πηγὰς ἔχειν τῇ γλυκύτητι τῶν ὑδάτων διαφόρους καὶ δένδροις παντοίοις πεπληρωσθαι. εἶναι δὲ καὶ δρυὼν μεγάλων πλῆθος, φερουσῶν καρπὸν τῷ μεγέθει διαλλάττοντα, διπλασιάζοντα τῶν ἐν ταῖς ἄλλαις χώραις φυομένων. ἔχειν δὲ καὶ τῶν ἡμέρων καρπῶν αὐτομάτων, ἀμπέλου τε πολλῆς φυομένης καὶ μήλων ἀμυθήτου πλῆθους. [2] διὸ καὶ στρατόπεδόν ποτε Καρχηδονίων ὑπὸ λιμοῦ πιεζόμενον διαθρῆναι, παρεχομένων τῶν ὀρῶν πολλαῖς μυριάσι χορηγίας εἰς τροφήν ἀνέκλειπτον. ἐν ταύτῃ δὲ τῇ χώρᾳ συναγκείας δένδρων οὔσης θεοπρεποῦς καὶ Νύμφαις. ἄλσους ἀνεμμένου μυθολογοῦσι γεννηθῆναι τὸν ὀνομαζόμενον Δάφνιν, Ἑρμοῦ μὲν καὶ Νύμφης υἱόν, ἀπὸ δὲ τοῦ πλῆθους καὶ τῆς πυκνότητος τῆς φυομένης δάφνης ὀνομάσθαι Δάφνιν. [3] τοῦτον δ' ὑπὸ Νυμφῶν τραφέντα, καὶ βοῶν ἀγέλας παμπληθεὶς κεκτημένον, τούτων ποιεῖσθαι πολλὴν ἐπιμέλειαν: ἀφ' ἧς αἰτίας βουκόλον αὐτὸν ὀνομασθῆναι. φύσει δὲ διαφόρῳ πρὸς εὐμέλειαν κεχορηγημένον ἐξευρεῖν τὸ βουκολικὸν ποίημα καὶ μέλος, ὃ μέχρι τοῦ νῦν κατὰ τὴν Σικελίαν τυγχάνει διαμένον ἐν ἀποδοχῇ. [4] μυθολογοῦσι δὲ τὸν Δάφνιν μετὰ τῆς Ἀρτέμιδος κυνηγεῖν ὑπηρετοῦντα τῇ θεῷ κεχαρισμένως, καὶ διὰ τῆς σύριγγος καὶ βουκολικῆς μελωδίας τέρπειν αὐτὴν διαφερόντως. λέγουσι δ' αὐτοῦ μίαν τῶν Νυμφῶν ἐρασθεῖσαν προειπεῖν, ἐὰν ἄλλη τινὶ πλησιάσῃ, στερήσεσθαι τῆς ὀράσεως: κἀκεῖνον ὑπὸ

τινος θυγατρὸς βασιλέως καταμεθυσθέντα, καὶ πλησιάσαντα αὐτῇ, στερηθῆναι τῆς ὁράσεως κατὰ τὴν γεγεννημένην ὑπὸ τῆς Νύμφης πρόρρησιν. καὶ περὶ μὲν Δάφνιδος ἱκανῶς ἡμῖν πάλιν

εἰρήσθω, περὶ δὲ Ὠρίωνος τὰ μυθολογούμενα νῦν διέξιμεν. λέγεται γὰρ τοῦτον σώματος μεγέθει καὶ ῥώμῃ πολὺ τῶν μνημονευομένων ἡρώων ὑπεράγοντα φιλοκύνηγον γενέσθαι καὶ κατασκευάσαι μεγάλα ἔργα διὰ τὴν ἰσχὺν καὶ φιλοδοξίαν. κατὰ μὲν γὰρ τὴν Σικελίαν κατασκευάσαι Ζάγκλῳ τῷ τότε βασιλεύοντι τῆς τότε μὲν ἀπ' αὐτοῦ Ζάγκλης, νῦν δὲ Μεσσήνης ὀνομαζομένης, ἄλλα τε καὶ τὸν λιμένα προσχώσαντα τὴν ὀνομαζομένην Ἀκτὴν ποιῆσαι. [2] ἐπεὶ δὲ τῆς Μεσσήνης ἐμνήσθημεν, οὐκ ἀνοίκειον προσθεῖναι νομίζομεν τοῖς προκειμένοις τὰς περὶ τὸν πορθμὸν διηγῆδεις. [3] φασὶ γὰρ οἱ παλαιοὶ μυθογράφοι τὴν Σικελίαν τὸ πρὸ τοῦ χερρόνησον οὖσαν ὕστερον γενέσθαι νῆσον διὰ τοιαύτας αἰτίας. τὸν ἰσθμὸν κατὰ τὸ στενώτατον ὑπὸ δυοῖν πλευρῶν θαλάττῃ προσκλυζόμενον ἀναρραγῆναι, καὶ τὸν τόπον ἀπὸ τούτου Ῥήγιον ὀνομασθῆναι, καὶ τὴν ὕστερον πολλοῖς ἔτεσι κτισθεῖσαν πόλιν τυχεῖν τῆς ὁμωνύμου προσηγορίας. [4] ἔνιοι δὲ λέγουσι σεισμῶν μεγάλων γενομένων διαρραγῆναι τὸν αὐχένα τῆς ἡπείρου, καὶ γενέσθαι τὸν πορθμὸν διειργούσης τῆς θαλάττης τὴν ἡπειρον ἀπὸ τῆς νήσου. [5] Ἡσίοδος δ' ὁ ποιητὴς φησι τοῦναντίον ἀναπεπταμένου τοῦ πελάγους Ὠρίωνα προσχῶσαι τὸ κατὰ τὴν Πελωρίδα κείμενον ἄκρωτήριον, καὶ τὸ τέμενος τοῦ Ποσειδῶνος κατασκευάσαι, τιμώμενον ὑπὸ τῶν ἐγχωρίων διαφερόντως· ταῦτα δὲ διαπραζάμενον εἰς Εὐβοίαν μεταναστῆναι κάκεϊ κατοικῆσαι· διὰ δὲ τὴν δόξαν ἐν τοῖς κατ' οὐρανὸν ἄστροις καταριθμηθέντα τυχεῖν ἀθανάτου μνήμης. [6] περὶ οὗ καὶ ὁ ποιητὴς Ὅμηρος ἐν τῇ Νεκυίᾳ μνηνησκόμενός φησι

τὸν δὲ μέτ' Ὠρίωνα πελώριον εἰσένοησα
θῆρας ὁμοῦ εἰλεῦντα κατ' ἀσφοδελὸν λειμῶνα,
οὓς αὐτὸς κατέπεφνεν ἐν οἰοπόλοισιν ὄρεσσι,
χερσὶν ἔχων ῥόπαλον παγχάλκεον, αἰὲν ἀαγές.

[7] ὁμοίως δὲ καὶ περὶ τοῦ μεγέθους ἐμφανίζων, καὶ προεκθέμενος τὰ περὶ τοὺς Ἀλφάδας, ὅτι ἐνναετεῖς ἦσαν τὸ μὲν εὖρος πηγῶν ἐννέα, τὸ δὲ μῆκος τῶν ἴσων ὀργυιῶν, ἐπιφέρει

τοὺς δὴ μηκίστους θρέψε ζεῖδωρος ἄρουρα
καὶ πολὺ καλλίστους μετὰ γε κλυτὸν Ὠρίωνα.

ἡμεῖς δὲ κατὰ τὴν ἐν ἀρχῇ πρόθεσιν περὶ τῶν ἡρώων καὶ ἡμιθέων ἀρκούντως εἰρηκότες αὐτοῦ περιγράψομεν τήνδε τὴν βίβλον.

BOOK V

τάδε ἔνεστιν ἐν τῇ πέμπτῃ τῶν Διοδώρου βίβλων.

περὶ τῶν μυθολογουμένων κατὰ τὴν Σικελίαν καὶ τοῦ σχήματος καὶ μεγέθους τῆς νήσου.

περὶ Δήμητρος καὶ Κόρης καὶ τῆς εὐρέσεως τοῦ πυρίνου καρποῦ. περὶ Λιπάρας καὶ τῶν ἄλλων τῶν Αἰολίδων καλουμένων νήσων.

περὶ Μελίτης καὶ Γαύλου καὶ Κερκίνης.

περὶ τῆς Αἰθαλίας καὶ Κύρνου καὶ Σαρδόνοος.

περὶ Πιτυούσσης καὶ τῶν νήσων τῶν Γυμνησίων, ἃς τινες Βαλιαρίδας ὀνομάζουσι.

περὶ τῶν ἐν ὠκεανῷ νήσων τῶν πρὸς ἐσπέραν κειμένων.

περὶ τῆς Πρεττανικῆς νήσου καὶ τῆς ὀνομαζομένης Βασιλείας καθ' ἣν τὸ ἤλεκτρον γίνεται.

περὶ Γαλατίας καὶ Κελτιβηρίας, ἔτι δ' Ἰβηρίας καὶ Λιγυστικῆς καὶ Τυρρηνίας, καὶ τῶν ἐν ταύταις κατοικούντων, τίσι χρῶνται νομίμοις.

περὶ τῶν κατὰ τὴν μεσημβρίαν ἐν ὠκεανῷ νήσων, τῆς τε Ἰερᾶς ὀνομαζομένης καὶ τῆς Παγχαίας, καὶ τῶν ἐν αὐταῖς ἱστορουμένων. περὶ Σαμοθράκης καὶ τῶν ἐν αὐτῇ μυστηρίων.

περὶ Νάξου καὶ Σύμης καὶ Καλύδνης.

περὶ Ῥόδου καὶ τῶν κατ' αὐτὴν μυθολογουμένων.

περὶ Χερρονήσου τῆς ἀντιπέραν τῆς Ῥοδίας κειμένης.

περὶ Κρήτης καὶ τῶν ἐν αὐτῇ μυθολογουμένων μέχρι τῶν νεωτέρων καιρῶν.

περὶ Λέσβου καὶ τῶν εἰς Χίον καὶ Σάμον καὶ Κῶν καὶ

Ῥόδον ἀποικίων ὑπὸ Μακαρέως.

περὶ Τενέδου καὶ τοῦ κατ' αὐτὴν οἰκισμοῦ καὶ τῶν ὑπὸ

Τενεδίων περὶ Τέννου μυθευομένων.

περὶ τῶν Κυκλάδων νήσων τῶν ἐλαττόνων καὶ τυχουσῶν οἰκισμοῦ ὑπὸ Μίνωος.

πάντων μὲν τῶν ἐν ταῖς ἀναγραφαῖς χρησίμων προνοητέον τοὺς ἱστορίαν συνταπτομένους, μάλιστα δὲ τῆς κατὰ μέρος οἰκονομίας. αὕτη γὰρ οὐ μόνον ἐν τοῖς ἰδιωτικοῖς βίοις πολλὰ συμβάλλεται πρὸς διαμονὴν καὶ αὔξησιν τῆς οὐσίας, ἀλλὰ καὶ κατὰ τὰς ἱστορίας οὐκ ὀλίγα ποιεῖ προτερήματα τοῖς συγγραφεῦσιν. [2] ἔνιοι δὲ καὶ κατὰ τὴν λέξιν καὶ κατὰ τὴν πολυπειρίαν τῶν ἀναγραφομένων πράξεων ἐπαινούμενοι δικαίως, ἐν τῷ κατὰ τὴν οἰκονομίαν χειρισμῷ διήμαρτον, ὥστε τοὺς μὲν πόνους καὶ τὴν ἐπιμέλειαν αὐτῶν ἀποδοχῆς τυγχάνειν παρὰ τοῖς ἀναγινώσκουσι, τὴν δὲ τάξιν τῶν ἀναγεγραμμένων δικαίως τυγχάνειν ἐπιτιμήσεως. [3] Τίμαιος μὲν οὖν μεγίστην πρόνοιαν πεποιημένος τῆς τῶν χρόνων ἀκριβείας καὶ τῆς πολυπειρίας πεφροντικῶς, διὰ τὰς ἀκαίρους καὶ μακρὰς ἐπιτιμήσεις εὐλόγως διαβάλλεται, καὶ διὰ τὴν ὑπερβολὴν τῆς ἐπιτιμήσεως Ἐπιτίμαιος ὑπὸ τινων ὀνομάσθη. [4] Ἐφορος δὲ τὰς κοινὰς πράξεις ἀναγράφων οὐ μόνον κατὰ τὴν λέξιν, ἀλλὰ καὶ

κατὰ τὴν οἰκονομίαν ἐπιτέτευχε: τῶν γὰρ βίβλων ἐκάστην πεποίηκε περιέχειν κατὰ γένος τὰς πράξεις. διόπερ καὶ ἡμεῖς τοῦτο τὸ γένος τοῦ χειρισμοῦ προκρίναντες, κατὰ τὸ δυνατόν ἀντεχόμεθα ταύτης τῆς προαιρέσεως.

καὶ ταύτην τὴν βίβλον ἐπιγράφοντες νησιωτικὴν ἀκολούθως τῇ γραφῇ περὶ πρώτης τῆς Σικελίας ἐροῦμεν, ἐπεὶ καὶ κρατίστη τῶν νήσων ἐστὶ καὶ τῇ παλαιότητι τῶν μύθολογουμένων πεπρώτευσεν. ἡ γὰρ νῆσος τὸ παλαιὸν ἀπὸ μὲν τοῦ σχήματος Τρινακρία κληθεῖσα, ἀπὸ δὲ τῶν κατοικησάντων αὐτὴν Σικανῶν Σικανία προσαγορευθεῖσα, τὸ τελευταῖον ἀπὸ Σικελῶν τῶν ἐκ τῆς Ἰταλίας πανδημεὶ περαιωθέντων ὀνόμοσται Σικελία. [2] ἔστι δ' αὐτῆς ἡ περίμετρος σταδίων ὥς τετρακισχιλίων τριακοσίων ἐξήκοντα: τῶν γὰρ τριῶν πλευρῶν ἡ μὲν ἀπὸ τῆς Πελωριάδος ἐπὶ τὸ Λιλύβαιον ὑπάρχει σταδίων χιλίων ἑπτακοσίων, ἡ δ' ἀπὸ Λιλυβαίου μέχρι Παχύνου τῆς Συρακοσίας χώρας σταδίων χιλίων καὶ πεντακοσίων, ἡ δ' ἀπολειπομένη σταδίων χιλίων ἑκατὸν τεσσαράκοντα. [3] οἱ αὐτὴν οὖν κατοικοῦντες Σικελιώται παρειλήφασιν παρὰ τῶν προγόνων, αἱ τῆς φήμης ἐξ αἰῶνος παραδεδομένης τοῖς ἐκγόνοις, ἱερὰν ὑπάρχειν τὴν νῆσον Δήμητρος καὶ Κόρης: ἔνιοι δὲ τῶν ποιητῶν μυθολογοῦσι κατὰ τὸν τοῦ Πλούτωνος καὶ Φερσεφόνης γάμον ὑπὸ Διὸς ἀνακάλυπτρα τῇ νύμφῃ δεδόσθαι ταύτην τὴν νῆσον. [4] τοὺς δὲ κατοικοῦντας αὐτὴν τὸ παλαιὸν Σικανοὺς αὐτόχθονας εἶναι φασιν οἱ νομιμώτατοι τῶν συγγραφέων, καὶ τὰς τε προειρημένας θεὰς ἐν ταύτῃ τῇ νήσῳ πρώτως φανῆναι καὶ τὸν τοῦ σίτου καρπὸν ταύτην πρώτην ἀνεῖναι διὰ τὴν ἀρετὴν τῆς χώρας, περὶ ὧν καὶ τὸν ἐπιφανέστατον τῶν ποιητῶν μαρτυρεῖν λέγοντα

ἀλλὰ τὰ γ' ἄσπαρτα καὶ ἀνήροτα πάντα φύονται

πυροὶ καὶ κριθαί, ἡδ' ἄμπελοι, αἶτε φέρουσιν

οἶνον ἐριστάφυλον, καὶ σφιν Διὸς ὄμβρος ἀέξει.

ἐν τε γὰρ τῷ Λεοντίνῳ πεδίῳ καὶ κατὰ πολλοὺς ἄλλους τόπους τῆς Σικελίας μέχρι τοῦ νῦν φύεσθαι τοὺς ἀγρίους ὀνομαζομένους πυρούς. [5] καθόλου δὲ πρὸ τῆς εὐρέσεως τοῦ σίτου ζητουμένου κατὰ ποίαν τῆς οἰκουμένης γῆν πρῶτον ἐφάνησαν οἱ προειρημένοι καρποί, εἰκὸς ἐστὶν ἀποδίδοσθαι τὸ πρωτεῖον τῇ κρατίστῃ χώρᾳ: καὶ τὰς θεὰς δὲ τὰς εὐρούσας ἀκολούθως τοῖς εἰρημένοις ὁρᾶν ἐστὶ μάλιστα τιμωμένας παρὰ τοῖς Σικελιώταις.

καὶ τῆς ἀρπαγῆς τῆς κατὰ τὴν Κόρην ἐν ταύτῃ γενομένης ἀπόδειξιν εἶναι λέγουσι φανερωτάτην ὅτι τὰς διατριβὰς αἱ θεαὶ κατὰ ταύτην τὴν νῆσον ἐποιοῦντο διὰ τὸ στέργεσθαι μάλιστα παρ' αὐταῖς ταύτην. [2] γενέσθαι δὲ μυθολογοῦσι τὴν ἀρπαγὴν τῆς Κόρης ἐν τοῖς λειμῶσι τοῖς κατὰ τὴν Ἑνναν. ἔστι δ' ὁ τόπος οὗτος πλησίον μὲν τῆς πόλεως, ἴοις δὲ καὶ τοῖς ἄλλοις ἄνθεσι παντοδαποῖς ἐκπρεπῆς καὶ τῆς θεᾶς ἅξιος. διὰ δὲ τὴν ἀπὸ τῶν φυομένων ἀνθῶν εὐωδίαν λέγεται τοὺς κυνηγεῖν εἰωθότας κύνας μὴ δύνασθαι στιβεῦν, ἐμποδιζομένους τὴν φυσικὴν αἰσθησιν. ἔστι δ' ὁ προειρημένος λειμὼν ἄνωθεν μὲν ὁμαλὸς καὶ παντελῶς εὐυδρος, κύκλῳ δ' ὑψηλὸς καὶ πανταχόθεν κρημνοῖς ἀπότομος. δοκεῖ δ' ἐν μέσῳ κεῖσθαι τῆς ὅλης νήσου, διὸ καὶ Σικελίας ὁμφαλὸς ὑπὸ τινων προσαγορεύεται. [3] ἔχει δὲ καὶ πλησίον ἄλσιν καὶ λειμῶνας καὶ περὶ ταῦτα ἔλη, καὶ σπήλαιον εὐμέγεθες, ἔχον χάσμα κατάγειον

πρὸς τὴν ἄρκτον νενευκός, δι' οὗ μυθολογοῦσι τὸν Πλούτωνα μεθ' ἄρματος ἐπελθόντα ποιήσασθαι τὴν ἄρπαγὴν τῆς Κόρης. τὰ δὲ ἴα καὶ τῶν ἄλλων ἀνθῶν τὰ παρεχόμενα τὴν εὐωδίαν παραδόξως δι' ὅλου τοῦ ἐνιαυτοῦ παραμένειν θάλλοντα καὶ τὴν ὅλην πρόσοψιν [4] ἀνθηρὰν καὶ ἐπιτερπῆ παρεχόμενα. %5 μυθολογοῦσι δὲ μετὰ τῆς Κόρης τὰς τῆς ὁμοίας παρθενίας ἡξιωμένας Ἀθηνᾶν τε καὶ Ἄρτεμιν συντρεφομένας συνάγειν μετ' αὐτῆς τὰ ἄνθη καὶ κατασκευάζειν κοινῇ τῷ πατρὶ Διὶ τὸν πέπλον. διὰ δὲ τὰς μετ' ἀλλήλων διατριβάς τε καὶ ὁμιλίας ἀπάσας στέρξει τὴν νῆσον ταύτην μάλιστα, καὶ λαχεῖν ἐκάστην αὐτῶν χώραν, τὴν μὲν Ἀθηνᾶν ἐν τοῖς περὶ τὸν Ἰμέραν μέρεσιν, ἐν οἷς τὰς μὲν Νύμφας χαριζόμενας Ἀθηνᾶ τὰς τῶν θερμῶν ὑδάτων ἀνεῖναι πηγὰς κατὰ τὴν Ἡρακλέους παρουσίαν, τοὺς δ' ἐγχωρίους πόλιν αὐτῇ καθιεῶσαι καὶ χώραν τὴν ὀνομαζομένην μέχρι τοῦ νῦν Ἀθήναιον· [5] τὴν δ' Ἄρτεμιν τὴν ἐν ταῖς Συρακούσαις νῆσον λαβεῖν παρὰ τῶν θεῶν τὴν ἀπ' ἐκείνης Ὀρτυγίαν ὑπὸ τε τῶν χρησμῶν καὶ τῶν ἀνθρώπων ὀνομασθεῖσαν. ὁμοίως δὲ καὶ κατὰ τὴν νῆσον ταύτην ἀνεῖναι τὰς Νύμφας ταύτας χαριζόμενας τῇ Ἀρτέμιδι μεγίστην πηγὴν τὴν ὀνομαζομένην Ἀρέθουσαν. [6] ταύτην δ' οὐ μόνον κατὰ τοὺς ἀρχαίους χρόνους ἔχειν μεγάλους καὶ πολλοὺς ἰχθῦς, ἀλλὰ καὶ κατὰ τὴν ἡμετέραν ἡλικίαν διαμένειν συμβαίνει τούτους, ἱεροὺς ὄντας καὶ ἀθίκτους ἀνθρώποις· ἐξ ὧν πολλάκις τινῶν κατὰ τὰς πολεμικὰς περιστάσεις φαγόντων, παραδόξως ἐπεσήμηνε τὸ θεῖον καὶ μεγάλας συμφοραῖς περιέβαλε τοὺς τολμήσαντας προσενέγκασθαι· περὶ ὧν ἀκριβῶς ἀναγράφομεν ἐν τοῖς οἰκείοις χρόνοις.

ὁμοίως δὲ ταῖς προειρημέναις δυσὶ θεαῖς καὶ τὴν Κόρην λαχεῖν τοὺς περὶ τὴν Ἐνναν λειμῶνας· πηγὴν δὲ μεγάλην αὐτῇ καθιερωθῆναι ἐν τῇ Συρακοσίᾳ τὴν ὀνομαζομένην Κυάνην. [2] τὸν γὰρ Πλούτωνα μυθολογοῦσι τὴν ἄρπαγὴν ποιησάμενον ἀποκομίσαι τὴν Κόρην ἐφ' ἄρματος πλησίον τῶν Συρακουσῶν, καὶ τὴν γῆν ἀναρρήξαντα αὐτὸν μὲν μετὰ τῆς ἀρπαγείσης δῶναι καθ' ἄδου, πηγὴν δ' ἀνεῖναι τὴν ὀνομαζομένην Κυάνην, πρὸς ἣ κατ' ἐνιαυτὸν οἱ Συρακόσιοι πανήγυριν ἐπιφανῆ συντελοῦσι, καὶ θύουσιν οἱ μὲν ἰδιῶται τὰ ἐλάττω τῶν ἱερῶν, δημοσίᾳ δὲ ταύρους βυθίζουσιν ἐν τῇ λίμνῃ, ταύτην τὴν θυσίαν καταδείξαντος Ἡρακλέους καθ' ὃν καιρὸν τὰς Γηρυόνου βοῦς ἐλαύνων περιήλθε πᾶσαν τὴν Σικελίαν. [3] μετὰ δὲ τὴν τῆς Κόρης ἀρπαγὴν μυθολογοῦσι τὴν Δήμητραν μὴ δυναμένην ἀνευρεῖν τὴν θυγατέρα λαμπάδας ἐκ τῶν κατὰ τὴν Αἴττην κρατήρων ἀναψαμένην ἐπελθεῖν ἐπὶ πολλὰ μέρη τῆς οἰκουμένης, τῶν δ' ἀνθρώπων τοὺς μάλιστ' αὐτὴν προσδεξαμένους εὐεργετῆσαι τὸν τῶν πυρῶν καρπὸν ἀντιδωρησαμένην. [4] φιланθρωπότατα δὲ τῶν Ἀθηναίων ὑποδεξαμένων τὴν θεόν, πρῶτοις τούτοις μετὰ τοὺς Σικελιώτας δωρήσασθαι τὸν τῶν πυρῶν καρπόν· ἀνθ' ὧν ὁ δῆμος οὗτος περιττότερον τῶν ἄλλων ἐτίμησαν τὴν θεὸν θυσίαις τ' ἐπιφανεστάταις καὶ τοῖς ἐν Ἐλευσίνι μυστηρίοις, ἃ διὰ τὴν ὑπερβολὴν τῆς ἀρχαιότητος καὶ ἀγνείας ἐγένετο πᾶσιν ἀνθρώποις περιβόητα. παρὰ δὲ τῶν Ἀθηναίων πολλοὶ μεταλαμβάνοντες τῆς ἐκ τοῦ σίτου φιλανθρωπίας, καὶ τοῖς πλησιοχώροις μεταδιδόντες τοῦ σπέρματος, ἐπλήρωσαν πᾶσαν τὴν οἰκουμένην. [5] οἱ δὲ κατὰ τὴν Σικελίαν, διὰ τὴν τῆς Δήμητρος καὶ Κόρης πρὸς αὐτοὺς οἰκειότητα

πρῶτοι τῆς εὐρέσεως τοῦ σίτου μεταλαμβάνοντες, ἑκατέρᾳ τῶν θεῶν κατέδειξαν
θυσίας καὶ πανηγύρεις, ἐπώνυμους αὐταῖς ποιήσαντες καὶ τῷ χρόνῳ
διασημήναντες τὰς δοθείσας δωρεάς. [6] τῆς μὲν γὰρ Κόρης τὴν καταγωγὴν
ἐποίησαντο περὶ τὸν καιρὸν ἐν ᾧ τὸν τοῦ σίτου καρπὸν τελεσιουργεῖσθαι
συνέβαινε, καὶ αὐτὴν τὴν θυσίαν καὶ πανήγυριν μετὰ τοσαύτης ἀγνείας καὶ
σπουδῆς ἐπιτελοῦσιν ὅσης εἰκὸς ἐστὶ τοὺς τῇ κρατίστῃ δωρεᾷ προκριθέντας
τῶν ἄλλων ἀνθρώπων ἀποδιδόναι τὰς χάριτας· [7] τῆς δὲ Δήμητρος τὸν καιρὸν
τῆς θυσίας προέκριναν ἐν ᾧ τὴν ἀρχὴν ὁ σπóρος τοῦ σίτου λαμβάνει, ἐπὶ δ'
ἡμέρας δέκα πανήγυριν ἄγουσιν ἐπώνυμον τῆς θεοῦ αὐτῆς, τῇ τε λαμπρότητι
τῆς παρασκευῆς μεγαλοπρεπεστάτην καὶ τῇ διασκευῇ μιμούμενοι τὸν ἀρχαῖον
βίον. ἔθος δ' ἐστὶν αὐτοῖς ἐν ταύταις ταῖς ἡμέραις αἰσχρολογεῖν κατὰ τὰς πρὸς
ἀλλήλους ὁμιλίας διὰ τὸ τὴν θεὸν ἐπὶ τῇ τῆς Κόρης ἀρπαγῇ λυπομένην
γέλασαι διὰ τὴν αἰσχρολογίαν.

περὶ δὲ τῆς κατὰ τὴν Κόρην ἀρπαγῆς, ὅτι γέγονεν ὡς προειρήκαμεν,
πολλοὶ τῶν ἀρχαίων συγγραφέων καὶ ποιητῶν μεμαρτυρήκασι. καρκίνος μὲν
γὰρ ὁ τῶν τραγωδιῶν ποιητῆς, πλεονάκις ἐν ταῖς Συρακούσαις
παρεπιδεδημηκῶς καὶ τὴν τῶν ἐγχωρίων τεθεαμένος σπουδὴν περὶ τὰς θυσίας
καὶ πανηγύρεις τῆς τε Δήμητρος καὶ Κόρης, κατεχώρισεν ἐν τοῖς ποιήμασι
τούτῳδε τοὺς στίχους:

λέγουσι Δήμητρός ποτ' ἄρρητον κόρην
Πλούτωνα κρυφίοις ἀρπάσαι βουλεύμασι,
δῦναί τε γαίης εἰς μελαμπαεῖς μυχοῦς,
πόθῳ δὲ μητέρ' ἠφανισμένης κόρης
μαστῆρ' ἐπελθεῖν πᾶσαν ἐν κύκλῳ χθόνα.
καὶ τὴν μὲν Αἰτναίοισι Σικελίαν πάγοις
πυρὸς γέμουσαν ρεύμασιν δυσεμβόλοις
πᾶσαν στενάζει, πένθεσιν δὲ παρθένου
σίτων ἄμοιρον διοτρεφὲς φθίνειν γένος.
ὅθεν θεὰς τιμῶσιν εἰς τὰ νῦν ἔτι.

[2] οὐκ ἄξιον δὲ παραλιπεῖν τῆς θεοῦ αὐτῆς τὴν ὑπερβολὴν τῆς εἰς τοὺς
ἀνθρώπους εὐεργεσίας· χωρὶς γὰρ τῆς εὐρέσεως τοῦ σίτου τὴν τε
κατεργασίαν αὐτοῦ τοὺς ἀνθρώπους ἐδίδαξε καὶ νόμους εἰσηγήσατο καθ' οὓς
δικαιοπραγεῖν εἰθίσθησαν, δι' ἣν αἰτίαν φασὶν αὐτὴν θεσμοφόρον
ἐπονομασθῆναι. [3] τούτων δὲ τῶν εὐρημάτων οὐκ ἂν τις ἐτέραν εὐεργεσίαν
εὔροι μείζονα· καὶ γὰρ τὸ ζῆν καὶ τὸ καλῶς ζῆν περιέχουσι. περὶ μὲν οὖν τῶν
μυθολογουμένων παρὰ τοῖς Σικελιώταις ἀρκεσθισόμεθα τοῖς ῥηθεῖσιν.

περὶ δὲ τῶν κατοικησάντων ἐν αὐτῇ πρώτων Σικανῶν, ἐπειδὴ τινες τῶν
συγγραφέων διαφωνοῦσιν, ἀναγκαῖόν ἐστι συντόμως εἰπεῖν. Φίλιστος μὲν γὰρ
φησὶν ἐξ Ἰβηρίας αὐτοὺς ἀποικισθέντας κατοικῆσαι τὴν νῆσον, ἀπὸ τινος
Σικανοῦ ποταμοῦ κατ' Ἰβηρίαν ὄντος τετευχότας αὐτῆς τῆς προσηγορίας,
Τίμαιος δὲ τὴν ἄγνοιαν τούτου τοῦ συγγραφέως ἐλέγξας ἀκριβῶς ἀποφαίνεται
τούτους αὐτόχθονας εἶναι· πολλὰς δ' αὐτοῦ φέροντος ἀποδείξεις τῆς τούτων
ἀρχαιότητος, οὐκ ἀναγκαῖον ἡγούμεθα περὶ τούτων διεξέναι. [2] οἱ δ' οὖν
Σικανοὶ τὸ παλαιὸν κωμηδὸν ᾄκουν, ἐπὶ τῶν ὀχυρωτάτων λόφων τὰς πόλεις

κατασκευάζοντες διὰ τοὺς ληστάς: οὐ γὰρ ἦσαν ὑπὸ μίαν ἡγεμονίαν βασιλέως τεταγμένοι, κατὰ πόλιν δὲ ἐκάστην εἷς ἦν ὁ δυναστεύων. [3] καὶ τὸ μὲν πρῶτον ἅπασαν τὴν νῆσον κατῴκουν, καὶ τὴν χώραν ἐργαζόμενοι τὰς τροφὰς εἶχον: ὕστερον δὲ τῆς Αἵτνης ἐν πλείοσι τόποις ἀναφυσήματα πυρὸς ἀνείσης, καὶ πολλοῦ κατὰ τὴν χώραν ῥύακος ἐκχυθέντος, συνέβη φθαρῆναι τῆς γῆς ἐπὶ πολλὸν τόπον. ἐπ' ἔτη δὲ πλείω τοῦ πυρὸς ἐπινεμομένου πολλὴν χώραν, φοβηθέντες τὰ μὲν πρὸς ἑω κεκλιμένα τῆς Σικελίας ἐξέλιπον, εἰς δὲ τὰ πρὸς δυσμὰς νεύοντα μετώκησαν. τὸ δὲ τελευταῖον πολλαῖς γενεαῖς ὕστερον ἐκ τῆς Ἰταλίας τὸ τῶν Σικελῶν ἔθνος πανδημεὶ περαιωθὲν εἰς τὴν Σικελίαν, τὴν ὑπὸ τῶν Σικανῶν ἐκλειφθεῖσαν χώραν κατῴκησαν. [4] αἰεὶ δὲ τῇ πλεονεξίᾳ προβαινόντων τῶν Σικελῶν, καὶ τὴν ὁμορον πορθούντων, ἐγένοντο πόλεμοι πλεονάκις αὐτοῖς πρὸς τοὺς Σικανούς, ἕως συνθήκας ποιησάμενοι συμφώνους ὅρους ἔθεντο τῆς χώρας: περὶ ὧν τὰ κατὰ μέρος ἐν τοῖς οἰκείοις χρόνοις ἀναγράψομεν. [5] ὕσταται δ' ἀποικίαι τῶν Ἑλλήνων ἐγένοντο κατὰ τὴν Σικελίαν ἀξιόλογοι καὶ πόλεις παρὰ θάλατταν ἐκτίσθησαν. ἀναμιγνύμενοι δ' ἀλλήλοις καὶ διὰ τὸ πλῆθος τῶν καταπλεόντων Ἑλλήνων τὴν τε διάλεκτον αὐτῶν ἔμαθον καὶ ταῖς ἀγωγαῖς συντραφέντες τὸ τελευταῖον τὴν βάρβαρον διάλεκτον ἅμα καὶ τὴν προσηγορίαν ἠλλάξαντο, Σικελιώται προσαγορευθέντες.

ἡμεῖς δὲ περὶ τούτων ἀρκούντως εἰρηκότες μεταβιβάσομεν τὸν λόγον ἐπὶ τὰς νήσους τὰς ὀνομαζόμενας Αἰολίδας. αὗται δ' εἰσὶ τὸν μὲν ἀριθμὸν ἑπτὰ, προσηγορίας δ' ἔχουσι ταύτας, Στρογγύλη καὶ Εὐώνυμος, ἔτι δὲ Διδύμη καὶ Φοινικώδης καὶ Ἐρικώδης, πρὸς δὲ τούτοις Ἰερὰ Ἥφαιστου καὶ Λιπάρρα, [2] καθ' ἣν ὁμώνυμος πόλις καθιδρύται. κεῖνται δ' αὗται μετὰ τὴν Σικελίαν καὶ Ἰταλίαν ἐπ' εὐθείας ἀπὸ πορθμοῦ καὶ τῆς πρὸς ἑω πρὸς δύσιν. ἀπέχουσι δὲ τῆς Σικελίας ὥς ἑκατὸν πεντήκοντα σταδίους, καὶ τὸ μέγεθος εἰσὶν ἀλλήλαις παραπλήσιαι: ἡ δὲ μεγίστη αὐτῶν ἐστὶ τὴν περίμετρον σταδίων ὥς ἑκατὸν πεντήκοντα. [3] αὗται δὲ πᾶσαι πυρὸς ἐσχήκασιν ἀναφυσήματα μεγάλα, ὧν κρατῆρες οἱ γεγενημένοι καὶ τὰ στόμια μέχρι τοῦ νῦν εἰσὶ φανερά. ἐν δὲ τῇ Στρογγύλῃ καὶ τῇ Ἰερᾷ μέχρι τοῦ νῦν ἐκ τῶν χασμάτων ἐκπύπτει πνεύματος μέγεθος καὶ βρόμος ἐξαίσιος: ἐκφυσᾶται δὲ καὶ ἄμμος καὶ λίθων διαπύρων πλῆθος, καθάπερ ἔστιν ὁρᾶν καὶ περὶ τὴν Αἵτνην γινόμενον. [4] λέγουσι γάρ τινες ἐκ τούτων τῶν νήσων ὑπονόμους εἶναι κατὰ γῆς μέχρι τῆς Αἵτνης καὶ τοῖς ἐπ' ἀμφοτέρα στομίοις συνημμένους: διὸ καὶ κατὰ τὸ πλεῖστον ἐναλλάξ κάεσθαι τοὺς ἐν ταύταις ταῖς νήσοις κρατῆρας τῶν κατὰ τὴν Αἵτνην. [5] φασὶ δὲ τὰς Αἰόλου νήσους τὸ μὲν παλαιὸν ἐρήμους γεγονέναι, μετὰ δὲ ταῦτα τὸν ὀνομαζόμενον Λίπαρον, Αὔσονος ὄντα τοῦ βασιλέως υἱόν, ὑπὸ τῶν ἀδελφῶν καταστασιασθῆναι, κυριεύσαντα δὲ νεῶν μακρῶν καὶ στρατιωτῶν ἐκ τῆς Ἰταλίας φυγεῖν εἰς τὴν ἀπὸ τούτου Λιπάραν ὀνομασθεῖσαν: ἐν ταύτῃ δὲ τὴν ἐπώνυμον αὐτοῦ πόλιν κτίσαι, καὶ τὰς ἄλλας νήσους τὰς προειρημένας γεωργῆσαι. [6] τούτου δὲ γεγηρακότος Αἰόλον τὸν Ἰππότου μετὰ τινων παραβιβάσαντα εἰς τὴν Λιπάραν τὴν τοῦ Λιπάρου θυγατέρα γῆμαι Κυάνην: καὶ τοὺς λαοὺς κοινῇ μετὰ τῶν ἐγγχωρίων πολιτεύεσθαι ποιήσας ἐβασίλευσε τῆς νήσου. τῷ δὲ Λιπάρῳ τῆς Ἰταλίας ἐπιθυμοῦντι συγκατεσκεύασεν αὐτῷ τοὺς

περὶ τὸ Σύρρεντον τόπους, ὅπου βασιλεύσας καὶ μεγάλης ἀποδοχῆς τυχὼν ἐτελεύτησε· ταφείς δὲ μεγαλοπρεπῶς τιμῶν ἔτυχεν ἡρωικῶν παρὰ τοῖς ἐγχωρίοις. [7] ὁ δ' Αἰόλος οὗτός ἐστι πρὸς ὃν μυθολογοῦσι τὸν Ὀδυσσεά κατὰ τὴν πλάνην ἀφικέσθαι. γενέσθαι δ' αὐτὸν φασιν εὐσεβῆ καὶ δίκαιον, ἔτι δὲ καὶ πρὸς τοὺς ξένους φιλόφρονον· πρὸς δὲ τούτοις τὴν τῶν ἰστίων χρεῖαν τοῖς ναυτικοῖς ἐπεισηγήσασθαι, καὶ ἀπὸ τῆς τοῦ πυρὸς προσημασίας παρατηρηκότες προλέγειν τοὺς ἐγχωρίους ἀνέμους εὐστόχως, ἐξ οὗ ταμίαν αὐτὸν εἶναι τῶν ἀνέμων ὁ μῦθος ἀνέδειξε· διὰ δὲ τὴν ὑπερβολὴν τῆς εὐσεβείας φίλον τῶν θεῶν ὀνομασθῆναι.

τοῦ δ' Αἰόλου υἱοὺς γενέσθαι τὸν ἀριθμὸν ἕξ, Ἀστύοχον καὶ Ξοῦθον καὶ Ἀνδροκλέα, πρὸς δὲ τούτοις Φεραίμονα καὶ Ἰόκαστον καὶ Ἀγάθυρνον· πάντας δὲ τούτους διὰ τε τὴν τοῦ πατρὸς δόξαν καὶ διὰ τὰς ἀρετὰς ἀποδοχῆς μεγάλης τυχεῖν· τούτων δ' Ἰόκαστος μὲν τῆς Ἰταλίας ἀντεχόμενος ἐβασίλευσε τῆς παραλίας μέχρι τῶν κατὰ τὸ Ῥήγιον τόπων, Φεραίμων δὲ καὶ Ἀνδροκλῆς ἐδυνάστευσαν τῆς Σικελίας ἀπὸ τοῦ πορθμοῦ μέχρι τῶν κατὰ τὸ Λιλύβαιον τόπων. ταύτης δὲ τῆς χώρας τὰ μὲν πρὸς ἕω κεκλιμένα μέρη κατῴκουν Σικελοί, τὰ δὲ πρὸς δυσμὰς Σικανοί. [2] ταῦτα δὲ τὰ ἔθνη πρὸς ἀλλήλα διεφέροντο, τοῖς δ' Αἰόλου παισὶ τοῖς προειρημένοις ἐκουσίως ὑπήκουον διὰ τε τὴν τοῦ πατρὸς Αἰόλου διαβεβοημένην εὐσέβειαν καὶ διὰ τὴν αὐτῶν ἐκείνων ἐπιείκειαν. ἐβασίλευσε δὲ καὶ Ξοῦθος τῆς περὶ τοὺς Λεοντίνους χώρας, ἣτις ἀπ' ἐκείνου μέχρι τοῦ νῦν χρόνου Ξουθία προσαγορεύεται. Ἀγάθυρνος δὲ βασιλεύσας τῆς νῦν ὀνομαζομένης Ἀγαθυρνίτιδος χώρας ἔκτισε πόλιν τὴν ἀπ' αὐτοῦ κληθεῖσαν Ἀγάθυρνον. Ἀστύοχος δὲ τῆς Λιπάρας ἔσχε τὴν ἡγεμονίαν. [3] πάντες δ' οὗτοι μιμησάμενοι τὴν τοῦ πατρὸς εὐσέβειάν τε καὶ δικαιοσύνην μεγάλης ἐτύγχανον ἀποδοχῆς. ἐπὶ πολλὰς δὲ γενεὰς τῶν ἐκγόνων διαδεχομένων τὰς δυναστείας, τὸ τελευταῖον οἱ ἀπ' Αἰόλου γεγονότες βασιλεῖς κατὰ τὴν Σικελίαν διελύθησαν.

μετὰ δὲ ταῦτα οἱ μὲν Σικελοὶ τοῖς ἀρίστοις τῶν ἀνδρῶν τὰς ἡγεμονίας ἐνεχειρίζον, οἱ δὲ Σικανοὶ περὶ τῆς δυναστείας διαφερόμενοι πρὸς ἀλλήλους ἐπολέμουν ἐπὶ πολλοὺς χρόνους. μετὰ δὲ ταῦτα πολλοῖς ἔτεσιν ὕστερον, πάλιν τῶν νήσων ἐξερημουμένων αἰεὶ καὶ μᾶλλον, Κνίδιοί τινες καὶ Ῥόδιοι δυσαρεστήσαντες τῇ βαρύτητι τῶν κατὰ τὴν Ἀσίαν βασιλέων ἔγνωσαν ἀποικίαν ἐκπέμπειν. [2] διόπερ προστησάμενοι σφῶν αὐτῶν ἡγεμόνα Πένταθλον τὸν Κνίδιον, ὃς ἦν ἀναφέρων τὸ γένος εἰς Ἰππότην τὸν ἀπ' Ἡρακλέους γεγονότα, κατὰ τὴν Ὀλυμπιάδα τὴν πεντηκοστήν, ἣν ἐνίκα στάδιον Ἐπιτελίδας Λάκων, οἱ δ' οὖν περὶ τὸν Πένταθλον πλεύσαντες τῆς Σικελίας εἰς τοὺς κατὰ τὸ Λιλύβαιον τόπους κατέλαβον Ἑγεσταίους καὶ Σελινουντίους διαπολεμοῦντας πρὸς ἀλλήλους. [3] πεισθέντες δὲ τοῖς Σελινουντίοις συμμαχεῖν πολλοὺς ἀπέβαλον κατὰ τὴν μάχην, ἐν οἷς ἦν καὶ αὐτὸς ὁ Πένταθλος. διόπερ οἱ περιλειφθέντες, ἐπειδὴ κατεπολεμήθησαν οἱ Σελινούντιοι, διέγνωσαν ἀπιέναι πάλιν ἐπ' οἶκον· ἐλόμενοι δ' ἡγεμόνας τοὺς οἰκείους τοῦ Πεντάθλου Γόργον καὶ Θέστορα καὶ Ἐπιθερσίδην, ἀπέπλεον διὰ τοῦ Τυρρηνικοῦ πελάγους. [4] προσπλευσάντων δ' αὐτῶν τῇ Λιπάρᾳ καὶ φιλόφρονος ἀποδοχῆς τυχόντων, ἐπέστησαν κοινῇ μετὰ τῶν ἐγχωρίων

κατοικήσαι τὴν Λιπάραν, ὄντων τῶν ἀπ' Αἰόλου περιλειμμένων ὡς πεντακοσίων. ὕστερον δὲ τῶν Τυρρηγῶν ληστευόντων τὰ κατὰ θάλατταν πολεμοῦμενοι κατεσκευάσαντο ναυτικόν, καὶ διελόμενοι σφᾶς αὐτοὺς οἱ μὲν ἐγεώργουν τὰς νήσους κοινὰς ποιήσαντες, οἱ δὲ πρὸς τοὺς ληστὰς ἀντετάττοντο· καὶ τὰς οὐσίας δὲ κοινὰς ποιησάμενοι καὶ ζῶντες κατὰ συσσίτια, διετέλεσαν ἐπὶ τινας χρόνους κοινωνικῶς βιοῦντες. [5] ὕστερον δὲ τὴν μὲν Λιπάραν, καθ' ἣν καὶ ἡ πόλις ἦν, διενείμαντο, τὰς δ' ἄλλας ἐγεώργουν κοινῇ. τὸ δὲ τελευταῖον πάσας τὰς νήσους εἰς εἴκοσι ἔτη διελόμενοι πάλιν κληρουχοῦσιν, ὅταν ὁ χρόνος οὗτος διέλθῃ. μετὰ δὲ ταῦτα πολλαῖς ναυμαχίαις ἐνίκησαν τοὺς Τυρρηνοὺς, καὶ ἀπὸ τῶν λαφύρων πλεονάκις ἀξιολόγους δεκάτας ἀνέθεσαν εἰς Δελφοῦς.

λείπεται δ' ἡμῖν περὶ τῆς τῶν Λιπαραίων πόλεως τὰς αἰτίας ἀποδοῦναι, δι' ἧς ἐν τοῖς ὕστερον χρόνοις ἔλαβεν αὐξήσιν οὐ μόνον πρὸς εὐδαιμονίαν, ἀλλὰ καὶ πρὸς δόξαν. αὕτη γὰρ λιμέσι τε καλοῖς ὑπὸ τῆς φύσεως κεκόσμηται καὶ θερμοῖς ὕδασι τοῖς διαβεβοημένοις· οὐ μόνον γὰρ πρὸς ὑγίειαν τῶν νοσοῦντων τὰ κατ' αὐτὴν λουτρὰ πολλὰ συμβάλλεται, ἀλλὰ καὶ κατὰ τὴν τῶν θερμῶν ὑδάτων ιδιότητα παρέχεται τέρψιν καὶ ἀπόλαυσιν οὐ τὴν τυχοῦσαν. διόπερ πολλοὶ τῶν κατὰ τὴν Σικελίαν ὑπὸ νόσων ιδιοτρόπων ἐνοχλούμενοι καταντῶσιν εἰς αὐτήν, καὶ τοῖς λουτροῖς χρώμενοι παραδόξως ὑγιεῖς καθίστανται. [2] ἔχει δ' ἡ νῆσος αὕτη τὰ διαβεβοημένα μέταλλα τῆς στυπτηρίας, ἐξ ἧς λαμβάνουσιν οἱ Λιπαραῖοι καὶ Ῥωμαῖοι μεγάλας προσόδους. οὐδαμοῦ γὰρ τῆς οἰκουμένης τῆς στυπτηρίας γινομένης καὶ πολλὴν χρεῖαν παρεχομένης, εἰκότως μονοπώλιον ἔχοντες καὶ τὰς τιμὰς ἀναβιβάζοντες πλῆθος χρημάτων λαμβάνουσιν ἄπιστον· ἐν μόνῃ γὰρ τῇ νήσῳ Μήλῳ φύεται μικρά τις στυπτηρία, μὴ δυναμένη διαρκεῖν πολλαῖς πόλεσιν. [3] ἔστι δὲ καὶ ἡ νῆσος τῶν Λιπαραίων μικρὰ μὲν τὸ μέγεθος, καρποφόρος δὲ ἱκανῶς καὶ τὰ πρὸς ἀνθρώπων τρυφὴν ἔχουσα διαφερόντως· καὶ γὰρ ἰχθύων παντοδαπῶν παρέχεται πλῆθος τοῖς κατοικοῦσι καὶ τῶν ἀκροδρῶν τὰ μάλιστα δυνάμενα παρέχεσθαι τὴν ἐκ τῆς ἀπολαύσεως ἡδονήν. καὶ περὶ μὲν Λιπάρας καὶ τῶν ἄλλων τῶν Αἰόλου νήσων καλουμένων ἀρκεσθησόμεθα τοῖς ῥηθεῖσιν.

μετὰ δὲ τὴν Λιπάραν εἰς τὸ πρὸς δυσμὰς μέρος νήσός ἐστι πελαγία, μικρὰ μὲν τὸ μέγεθος, ἔρημος δὲ καὶ διὰ τινα περιπέτειαν Ὀστεώδης ὀνομαζομένη. καθ' ὃν γὰρ καιρὸν Καρχηδόνιοι πρὸς Συρακοσίους διαπολεμοῦντες πολλοὺς καὶ μεγάλους πολέμους δυνάμεις εἶχον ἀξιολόγους πεζὰς τε καὶ ναυτικάς, περὶ δὲ τούτους τοὺς καιροὺς μισθοφόρων ὄντων παρ' αὐτοῖς πολλῶν καὶ παντοδαπῶν τοῖς ἔθνεσιν, οὗτοι δὲ ταραχώδεις ὄντες καὶ πολλὰς καὶ μεγάλας στάσεις εἰωθότες ποιεῖσθαι, καὶ μάλιστα ὅταν τοὺς μισθοὺς εὐκαίρως μὴ λαμβάνωσιν, ἐχρήσαντο καὶ τότε τῇ συνήθει ῥαδιουργίᾳ τε καὶ τόλμῃ. ὄντες γὰρ τὸν ἀριθμὸν ὡς ἑξακισχίλιοι, [2] καὶ τοὺς μισθοὺς οὐκ ἀπολαμβάνοντες, τὸ μὲν πρῶτον συντρέχοντες κατεβόων τῶν στρατηγῶν, ἐκείνων δ' ἀπορουμένων χρημάτων καὶ πολλακίς ἀναβαλλομένων τὰς ἀποδόσεις, ἠπειλοῦν τοῖς ὅπλοις ἀμυνεῖσθαι τοὺς Καρχηδονίους, καὶ τὰς χεῖρας προσέφερον τοῖς ἡγεμόσι. [3] τῆς δὲ γερουσίας ἐγκαλούσης καὶ τῆς διαφορᾶς

ἀεὶ μᾶλλον ἐκκαομένης, ἢ μὲν γερουσία τοῖς στρατηγοῖς ἐν ἀπορρήτοις προσέταξεν ἀφανίσαι πάντας τοὺς ἐγκαλουμένους: οἱ δὲ λαβόντες τὰς ἐντολάς, καὶ τοὺς μισθοφόρους ἐμβιβάσαντες εἰς τὰς ναῦς, ἐξέπλευσαν ὡς ἐπὶ τινα πολεμικὴν χρεῖαν. προσπλεύσαντες δὲ τῇ προειρημένῃ νήσῳ, καὶ πάντας τοὺς μισθοφόρους ἀποβιβάσαντες εἰς αὐτήν, ἀπέπλευσαν καταλιπόντες ἐν αὐτῇ τοὺς ἐγκαλουμένους. [4] οἱ δὲ μισθοφόροι περιαλγεῖς ὄντες τῇ περιστάσει καὶ μὴ δυνάμενοι τοὺς Καρχηδονίους ἀμύνασθαι, λιμῶ διεφθάρησαν. ἐν νήσῳ δὲ μικρᾷ τοσοῦτων αἰχμαλώτων τελευτησάντων συνέβη τὸν τόπον ὀλίγον ὄντα πληρωθῆναι τῶν ὀστέων: ἀφ' ἧς αἰτίας ἡ νῆσος ἔτυχε τῆς προσηγορίας. οἱ μὲν οὖν μισθοφόροι τοῦτον τὸν τρόπον παρανομηθέντες τῆς μεγίστης συμφορᾶς ἔτυχον, ἐνδεία τροφῆς διαφθαρέντες.

ἡμεῖς δ' ἐπεὶ τὰ περὶ τὰς Αἰολίδας νήσους διήλθομεν, ἐν μέρει τὰς ἐκ θατέρου μέρους νήσους κειμένας ἀναγραφῆς ἀξιώσομεν. τῆς γὰρ Σικελίας ἐκ τοῦ κατὰ μεσημβρίαν μέρους νῆσοι τρεῖς πρόκεινται πελάγαι, καὶ τούτων ἑκάστη πόλιν ἔχει καὶ λιμένας δυναμένους τοῖς χειμαζομένοις σκάφεσι παρέχεσθαι τὴν ἀσφάλειαν. [2] καὶ πρώτη μὲν ἐστὶν ἡ προσαγορευομένη Μελίτη, τῶν Συρακουσῶν ἀπέχουσα σταδίου ὡς ὀκτακοσίους, καὶ λιμένας μὲν ἔχει πολλοὺς καὶ διαφόρους ταῖς εὐχρηστίαις, τοὺς δὲ κατοικοῦντας ταῖς οὐσίαις εὐδαίμονας: τεχνίτας τε γὰρ ἔχει παντοδαποὺς ταῖς ἐργασίαις, κρατίστους δὲ τοὺς ὀθόνια ποιοῦντας τῇ τε λεπτότητι καὶ τῇ μαλακότητι διαπρεπῇ, τὰς τε οἰκῆσεις ἀξιολόγους καὶ κατεσκευασμένας φιλοτίμως γείστοις καὶ κονιάμασι περιττώτερον. [3] ἔστι δ' ἡ νῆσος αὕτη Φοινίκων ἄποικος, οἱ ταῖς ἐμπορίαις διατείνοντες μέχρι τοῦ κατὰ τὴν δύσιν ὠκεανοῦ καταφυγὴν εἶχον ταύτην, εὐλίμενον οὖσαν καὶ κειμένην πελαγίαν: δι' ἣν αἰτίαν οἱ κατοικοῦντες αὐτὴν εὐχρηστούμενοι κατὰ πολλὰ διὰ τοὺς ἐμπόρους ταχὺ τοῖς τε βίοις ἀνέδραμον καὶ ταῖς δόξαις ἠϋξήθησαν. [4] μετὰ δὲ ταύτην τὴν νήσόν ἐστιν ἑτέρα τὴν μὲν προσηγορίαν ἔχουσα Γαῦλος, πελαγία δὲ καὶ λιμέσιν εὐκαίροις κεκοσμημένη, Φοινίκων ἄποικος. ἐξῆς δ' ἐστὶ Κέρκινα, πρὸς τὴν Λιβύην νενευκυῖα, πόλιν ἔχουσα σύμμετρον καὶ λιμένας εὐχρηστοτάτους, οὐ μόνον ταῖς ἐμπόροις, ἀλλὰ καὶ ταῖς μακραῖς ναυσὶν εὐθετοῦντας. ἐπεὶ δὲ περὶ τῶν κατὰ τὴν μεσημβρίαν νήσων εἰρήκαμεν, ἐπάνιμεν ἄλλιν ἐπὶ τὰς ἐξῆς τῇ Λιπάρᾳ νήσους τὰς κειμένας κατὰ τὸ Τυρρηνικὸν καλούμενον πέλαγος.

τῆς γὰρ Τυρρηνίας κατὰ τὴν ὀνομαζομένην πόλιν Ποπλῶνιον νήσός ἐστιν, ἣν ὀνομάζουσιν Αἰθάλειαν. αὕτη δὲ τῆς παραλίας ἀπέχουσα σταδίου ὡς ἑκατὸν τὴν μὲν προσηγορίαν εἵληφεν ἀπὸ τοῦ πλήθους τοῦ κατ' αὐτὴν αἰθάλου. πέτραν γὰρ ἔχει πολλὴν σιδηρῆτιν, ἣν τέμνουσιν ἐπὶ τὴν χωνεῖαν καὶ κατασκευὴν τοῦ σιδήρου, πολλὴν ἔχοντες τοῦ μετάλλου δαψίλειαν. οἱ γὰρ ταῖς ἐργασίαις προσεδρεύοντες κόπτουσι τὴν πέτραν καὶ τοὺς τμηθέντας λίθους κάουσιν ἐν τισὶ φιλοτέχνους καμίνους: ἐν δὲ ταύταις τῷ πλήθει τοῦ πυρὸς τήκοντες τοὺς λίθους καταμερίζουσιν εἰς μεγέθη σύμμετρα, παραπλήσια ταῖς ἰδέαις μεγάλοις σπόγγις. [2] ταῦτα συναγοράζοντες ἔμποροι καὶ μεταβαλλόμενοι κομίζουσιν εἰς τε Δικαιάρχειαν καὶ εἰς τᾶλλα ἔμπορια. ταῦτα δὲ τὰ φορτία τινὲς ὠνούμενοι καὶ τεχνιτῶν χαλκῶν πλήθος

ἄθροίζοντες κατεργάζονται, καὶ ποιοῦσι σιδήρου πλάσματα παντοδαπά. τούτων δὲ τὰ μὲν εἰς ὅπλων τύπους χαλκεύουσι, τὰ δὲ πρὸς δικελλῶν καὶ δρεπάνων καὶ τῶν ἄλλων ἐργαλείων εὐθέτους τύπους φιλοτεχνοῦσιν: ὧν κομιζομένων ὑπὸ τῶν ἐμπόρων εἰς πάντα τόπον πολλὰ μέρη τῆς οἰκουμένης μεταλαμβάνει τῆς ἐκ τούτων εὐχρηστίας. [3] μετὰ δὲ τὴν Αἰθάλειαν νῆσός ἐστιν ἀπέχουσα μὲν ταύτης ὡς τριακοσίους σταδίους, ὀνομάζεται δὲ ὑπὸ μὲν τῶν Ἑλλήνων Κύρνος, ὑπὸ δὲ τῶν Ῥωμαίων καὶ τῶν ἐγχωρίων Κόρσικα. αὕτη δ' ἡ νῆσος εὐπροσόρμιστος οὔσα κάλλιστον ἔχει λιμένα τὸν ὀνομαζόμενον Συρακόσιον. ὑπάρχουσι δ' ἐν αὐτῇ καὶ πόλεις ἀξιόλογοι δύο, καὶ τούτων ἡ μὲν Κάλαις, ἡ δὲ Νίκαια προσαγορεύεται. [4] τούτων δὲ τὴν μὲν Κάλαιν Φωκαεῖς ἔκτισαν, καὶ χρόνον τινὰ κατοικήσαντες ὑπὸ Τυρρηγῶν ἐξεβλήθησαν ἐκ τῆς νήσου. τὴν δὲ Νίκαιαν ἔκτισαν Τυρρηνοὶ θαλαττοκρατοῦντες καὶ τὰς κατὰ τὴν Τυρρηνίαν κειμένας νήσους ἰδιοποιούμενοι. ἐπὶ δὲ τινὰς χρόνους τῶν ἐν τῇ Κύρῳ πόλεων κυριεύοντες ἐλάμβανον παρὰ τῶν ἐγχωρίων φόρους ῥητίνην καὶ κηρὸν καὶ μέλι, φυομένων τούτων δαψιλῶν ἐν τῇ νήσῳ. [5] τὰ δ' ἀνδράποδα τὰ Κύρνια διαφέρειν δοκεῖ τῶν ἄλλων δούλων εἰς τὰς κατὰ τὸν βίον χρείας, φυσικῆς ταύτης τῆς ιδιότητος παρακολουθούσης. ἡ δ' ὅλη νῆσος εὐμεγέθης οὔσα πολλὴν τῆς χώρας ὀρεινὴν ἔχει, πεπυκασμένην δρυμοῖς συνεχέσι καὶ ποταμοῖς διαρρεομένην μικροῖς.

οἱ δ' ἐγχώριοι τροφαῖς μὲν χρῶνται γάλακτι καὶ μέλιτι καὶ κρέασι, δαψιλῶς πάντα ταῦτα παρεχομένης τῆς χώρας, τὰ δὲ πρὸς ἀλλήλους βιοῦσιν ἐπιεικῶς καὶ δικαίως παρὰ πάντας σχεδὸν τοὺς ἄλλους βαρβάρους: τὰ τε γὰρ κατὰ τὴν ὀρεινὴν ἐν τοῖς δένδροσιν εὕρισκόμενα κηρία τῶν πρώτων εὕρισκόντων ἐστί, μηδενὸς ἀμφισβητοῦντος, τὰ τε πρόβατα σημείοις διειλημμένα, κἂν μηδεὶς φυλάττῃ, σώζεται τοῖς κεκτημένοις, ἔν τε ταῖς ἄλλαις ταῖς ἐν τῷ βίῳ κατὰ μέρος οἰκονομίαις θαυμαστῶς προτιμῶσι τὸ δικαιοπραγεῖν. [2] παραδοξότατον δ' ἐστί τὸ παρ' αὐτοῖς γινόμενον κατὰ τὰς τῶν τέκνων γενέσεις: ὅταν γὰρ ἡ γυνὴ τέκῃ, ταύτης μὲν οὐδεμία γίνεται περὶ τὴν λοχείαν ἐπιμέλεια, ὁ δ' ἀνὴρ αὐτῆς ἀναπεσὼν ὡς νοσῶν λοχεύεται τακτὰς ἡμέρας, ὡς τοῦ σώματος αὐτῷ κακοπαθοῦντος: [3] φύεται δὲ κατὰ τὴν νῆσον ταύτην καὶ πύξος πλείστη καὶ διάφορος, δι' ἣν καὶ τὸ μέλι τὸ γινόμενον ἐν ταύτῃ παντελῶς γίνεται πικρόν. κατοικοῦσι δ' αὐτὴν βάρβαροι, τὴν διάλεκτον ἔχοντες ἐξηλλαγμένην καὶ δυσκατανόητον: τὸν δ' ἀριθμὸν ὑπάρχουσιν ὑπὲρ τοὺς τρισμυρίους.

ἐχομένη δὲ ταύτης ἐστὶ νῆσος ἡ προσαγορευομένη Σαρδῶ, τῷ μὲν μεγέθει παραπλήσιος τῇ Σικελίᾳ, κατοικουμένη δ' ὑπὸ βαρβάρων τῶν ὀνομαζομένων Ἰολαείων, οὓς νομίζουσιν ἀπογόνους εἶναι τῶν μετὰ Ἰολάου καὶ τῶν Θεσπιδῶν κατοικησάντων. κατὰ γὰρ τοὺς χρόνους ἐν οἷς Ἡρακλῆς τοὺς διαβεβοημένους ἄθλους ἐτέλει, παίδων ὄντων αὐτῷ πολλῶν ἐκ τῶν Θεσπίου θυγατέρων, τούτους Ἡρακλῆς κατὰ τινα χρησμὸν ἐξαπέστειλεν εἰς Σαρδῶ καὶ μετ' αὐτῶν δύναμιν ἀξιόλογον Ἑλλήνων τε καὶ βαρβάρων ἐπὶ τὴν ἀποικίαν. [2] ταύτης δὲ προεσθηκὼς Ἰόλαος ὁ ἀδελφιδοῦς Ἡρακλέους καταλαβόμενος ὥκισεν ἐν αὐτῇ πόλεις ἀξιολόγους, καὶ τὴν χώραν κατακληρουχήσας τοὺς μὲν λαοὺς προσηγόρευσε ἀφ' ἐαυτοῦ Ἰολαεῖους, κατεσκεύασε δὲ καὶ γυμνάσια

καὶ θεῶν ναοὺς καὶ τᾶλλα πάντα τὰ πρὸς βίον ἀνθρώπων εὐδαίμονα, ὧν ὑπομνήματα μέχρι τῶνδε τῶν καιρῶν διαμένει: τὰ μὲν γὰρ κάλλιστα πεδία τὴν προσηγορίαν ἀπ' ἐκείνου λαβόντα Ἰολαίεια καλεῖται, τὸ δὲ πλῆθος μέχρι τοῦ νῦν φυλάττει τὴν ἀπὸ Ἰολάου προσηγορίαν. [3] τοῦ δὲ περὶ τῆς ἀποικίας χρησιμοῦ περιέχοντος ὅτι τοῖς τῆς ἀποικίας ταύτης κοινωνήσασι διαμενεῖ τὰ τῆς ἐλευθερίας ἅπαντα τὸν αἰῶνα, συνέβη τὸν χρησμὸν παραδόξως μέχρι τοῦ νῦν αὐτονομίαν τοῖς ἐγχωρίοις ἀσάλευτον φυλάξαι. [4] καρχηδόνιοί τε γὰρ ἐπὶ πλεόν ἰσχύσαντες καὶ τῆς νήσου κρατήσαντες οὐκ ἠδυνήθησαν τοὺς προκατασχόντας τὴν νῆσον καταδουλώσασθαι, ἀλλ' οἱ μὲν Ἰολαεῖοι καταφυγόντες εἰς τὴν ὀρεινὴν καὶ καταγείους οἰκήσεις κατασκευάσαντες ἔτρεφον πολλὰς ἀγέλας βοσκημάτων, ὧν παρεχομένων δαψιλεῖς τροφὰς ἤρκοῦντο προσφερόμενοι γάλα καὶ τυρὸν καὶ κρέα, καὶ τῆς μὲν πεδιάδος γῆς ἐκχωρήσαντες τὴν ἐκ τῆς ἐργασίας κακοπάθειαν ἐξέκλιναν, τὴν δ' ὀρεινὴν νεμόμενοι καὶ βίον ἔχοντες ἄμοιρον κακοπαθείας ταῖς προειρημέναις τροφαῖς διετέλεσαν χρώμενοι. [5] τῶν δὲ Καρχηδονίων πολλάκις ἀξιολόγοις δυνάμεσι στρατευσάντων ἐπ' αὐτούς, διὰ τὰς δυσχωρίας καὶ τὴν ἐν τοῖς καταγείοις δυστραπέλειαν διέμειναν ἀδούλωτοι. τὸ δὲ τελευταῖον Ῥωμαίων ἐπικρατούντων καὶ πολλάκις ἐπ' αὐτούς στρατευσάντων, διὰ ταύτας τὰς αἰτίας ἀχείρωτοι πολεμίᾳ δυνάμει διέμειναν. [6] οὐ μὴν ἀλλὰ κατὰ τοὺς ἀρχαίους χρόνους Ἰόλαος μὲν συγκατασκευάσας τὰ κατὰ τὴν ἀποικίαν ἐπανῆλθεν εἰς τὴν Ἑλλάδα, οἱ δὲ Θεσπιάδαι τῆς νήσου προεστῶτες ἐπὶ πολλὰς γενεὰς τὸ τελευταῖον ἐξέπεσον εἰς τὴν Ἰταλίαν, καὶ κατόκησαν ἐν τοῖς κατὰ Κύμην τόποις, τὸ δ' ἄλλο πλῆθος ἐκβαρβαρωθὲν καὶ προστησάμενον ἐκ τῶν ἐγχωρίων τοὺς ἀρίστους ἡγεμόνας διεφύλαξε τὴν ἐλευθερίαν μέχρι τῶν καθ' ἡμᾶς χρόνων.

ἡμεῖς δ' ἀρκούντως εἰρηκότες περὶ τῆς Σαρδόνης διεξίμεν περὶ τῶν ἐξῆς κειμένων νήσων. μετὰ γὰρ τὰς προειρημένας νήσός ἐστιν ὀνομαζομένη μὲν Πιτυοῦσσα, τὴν δὲ προσηγορίαν ἔχουσα ἀπὸ τοῦ πλήθους τῶν κατ' αὐτὴν φυομένων πιτύων. πελαγία δ' οὕσα διέστηκεν ἀπὸ μὲν Ἡρακλέους στηλῶν πλοῦν ἡμερῶν τριῶν καὶ τῶν ἴσων νυκτῶν, ἀπὸ δὲ Λιβύης ἡμέρας καὶ νυκτός, ἀπὸ δ' Ἰβηρίας μιᾶς ἡμέρας: κατὰ δὲ τὸ μέγεθος παραπλήσιός ἐστι Κορκύρα. [2] κατὰ δὲ τὴν ἀρετὴν οὕσα μετρία τὴν μὲν ἀμπελόφυτον χώραν ὀλίγην ἔχει, τὰς δ' ἐλαίας ἐμπεφυτευμένας ἐν τοῖς κοτίνιοις. τῶν δὲ φυομένων ἐν αὐτῇ καλλιστεύειν φασὶ τὴν μαλακότητα τῶν ἐρίων. διειλημμένη δὲ πεδίοις ἀξιολόγοις καὶ γεωλόφοις πόλιν ἔχει τὴν ὀνομαζομένην Ἑρεσον, ἄποικον Καρχηδονίων. [3] ἔχει δὲ καὶ λιμένας ἀξιολόγους καὶ τειχῶν κατασκευὰς εὐμεγέθεις καὶ οἰκῶν πλῆθος εὖ κατασκευασμένων. κατοικοῦσι δ' αὐτὴν βάρβαροι παντοδαποί, πλεῖστοι δὲ Φοίνικες. ὁ δ' ἀποικισμὸς αὐτῆς γέγονεν ὕστερον ἔτεσιν ἑκατὸν ἐξήκοντα τῆς κατὰ τὴν Καρχηδόνα κτίσεως.

ἄλλαι δ' ὑπάρχουσι νῆσοι κατ' ἀντικρὺ τῆς Ἰβηρίας, ὑπὸ μὲν τῶν Ἑλλήνων ὀνομαζόμεναι Γυμνήσαι διὰ τὸ τοὺς ἐνοικοῦντας γυμνοὺς τῆς ἐσθῆτος βιοῦν κατὰ τὴν τοῦ θέρους ὥραν, ὑπὸ δὲ τῶν ἐγχωρίων καὶ τῶν Ῥωμαίων προσαγορεύονται Βαλιαρίδες ἀπὸ τοῦ βάλλειν ταῖς σφενδόναῖς λίθους μεγάλους κάλλιστα τῶν ἀπάντων ἀνθρώπων. τούτων δ' ἡ μείζων μεγίστη

πασῶν ἐστὶ μετὰ τὰς ἑπτὰ νήσους, Σικελίαν, Σαρδῶ, Κύπρον, Κρήτην, Εὐβοίαν, Κύρνον, Λέσβον, ἀπέχει δὲ τῆς Ἰβηρίας πλοῦν ἡμερήσιον· ἡ δ' ἐλάττων κέκλιται μὲν πρὸς τὴν ἕω, τρέφει δὲ κτήνη πολλὰ καὶ παντοδαπά, μάλιστα δ' ἡμιόνους, μεγάλους μὲν τοῖς ἀναστήμασιν, [2] ὑπεράγοντας δὲ ταῖς ῥώμας. ἀμφοτέραι δ' αἱ νῆσοι χώραν ἔχουσιν ἀγαθὴν καρποφόρον καὶ πλῆθος τῶν κατοικούντων ὑπὲρ τοὺς τρισμυρίους, τῶν δὲ πρὸς τὴν τροφὴν γεννημάτων οἶνον μὲν ὀλοσχερῶς οὐ φέρουσι· διὸ καὶ πάντες εἰσὶν ὑπερβολῇ πρὸς τὸν οἶνον εὐκατάφοροι, διὰ τὸ σπανίζειν παρ' αὐτοῖς· ἐλαίου δὲ παντελῶς σπανίζοντες κατασκευάζουσιν ἐκ τῆς σχίνου, καὶ μιγνύντες ὑεῖω στέατι τὰ σώματα αὐτῶν ἀλείφουσι τούτῳ. [3] μάλιστα δὲ τῶν ἀπάντων ὄντες φιλογύναι προτιμῶσιν αὐτάς ἐπὶ τοσοῦτον, ὥστε ὅταν τινὲς γυναῖκες ὑπὸ τῶν προσπλεόντων ληστῶν ἀλῶσιν, ἀντὶ μιᾶς γυναικὸς τρεῖς ἢ τέτταρας ἄνδρας διδόντες λυτροῦνται. οἰκοῦσι δ' ὑπὸ ταῖς κοιλάσι πέτραις, καὶ παρὰ τοὺς κρημνοὺς ὀρύγματα κατασκευάζοντες καὶ καθόλου πολλοὺς τόπους ὑπονόμους ποιοῦντες ἐν τούτοις βιοῦσιν, ἅμα τὴν ἐξ αὐτῶν σκέπην καὶ ἀσφάλειαν θηρώμενοι. [4] ἄργυρῳ δὲ καὶ χρυσῳ νομίσματι τὸ παράπαν οὐ χρῶνται, καὶ καθόλου ταῦτα εἰσάγειν εἰς τὴν νῆσον κωλύουσιν· αἰτίαν δὲ ταύτην ἐπιφέρουσιν, ὅτι τὸ παλαιὸν Ἡρακλεῖς ἐστράτευσεν ἐπὶ Γηρυνόην, ὄντα Χρυσάορος μὲν υἱόν, πλεῖστον δὲ κεκτημένον ἄργυρόν τε καὶ χρυσόν. ἴν' οὖν ἀνεπιβούλευτον ἔχουσι τὴν κτῆσιν, ἀνεπίμικτον ἑαυτοῖς ἐποίησαν τὸν ἐξ ἄργύρου τε καὶ χρυσοῦ πλοῦτον. διόπερ ἀκολούθως ταύτῃ τῇ κρίσει κατὰ τὰς γεγενημένας πάλαι ποτὲ στρατείας παρὰ Καρχηδονίοις τοὺς μισθοὺς οὐκ ἀπεκόμιζον εἰς τὰς πατρίδας, ἀλλ' ὠνούμενοι γυναῖκας καὶ οἶνον ἅπαντα τὸν μισθὸν εἰς ταῦτα κατεχόρηγον.

παράδοξον δὲ τι καὶ κατὰ τοὺς γάμους νόμιμον παρ' αὐτοῖς ἐστίν· ἐν γὰρ ταῖς κατὰ τοὺς γάμους εὐωχίαις οἰκείων τε καὶ φίλων κατὰ τὴν ἡλικίαν ὁ πρῶτος ἀεὶ καὶ ὁ δεῦτερος καὶ οἱ λοιποὶ κατὰ τὸ ἐξῆς μίσγονται ταῖς νύμφαις ἀνὰ μέρος, ἐσχάτου τοῦ νυμφίου τυγχάνοντος ταύτης τῆς τιμῆς. [2] ἴδιον δὲ τι ποιοῦσι καὶ παντελῶς ἐξηλλαγμένον περὶ τὰς τῶν τετελευτηκότων ταφάς· συγκόψαντες γὰρ ξύλοις τὰ μέλη τοῦ σώματος εἰς ἀγγεῖον ἐμβάλλουσι καὶ λίθους δαφυλεῖς ἐπιτιθέασιν. [3] ὀπλισμὸς δ' ἐστὶν αὐτοῖς τρεῖς σφενδόνας, καὶ τούτων μίαν μὲν περὶ τὴν κεφαλὴν ἔχουσιν, ἄλλην δὲ περὶ τὴν γαστέρα, τρίτην δ' ἐν ταῖς χερσὶ. κατὰ δὲ τὰς πολεμικὰς χρείας βάλλουσι λίθους πολὺ μείζους τῶν ἄλλων οὕτως εὐτόνως, ὥστε δοκεῖν τὸ βληθὲν ἀπὸ τινος καταπέλτου φέρεσθαι· διὸ καὶ κατὰ τὰς τειχομαχίας ἐν ταῖς προσβολαῖς τύπτοντες τοὺς ἐπὶ τῶν ἐπάλξεων ἐφεστῶτας κατατραυματίζουσιν, ἐν δὲ ταῖς παρατάξεσι τοὺς τε θυρεοὺς καὶ τὰ κράνη καὶ πᾶν σκεπαστήριον ὄπλον συντρίβουσι. [4] κατὰ δὲ τὴν εὐστοχίαν οὕτως ἀκριβεῖς εἰσιν, ὥστε κατὰ τὸ πλεῖστον μὴ ἀμαρτάνειν τοῦ προκειμένου σκοποῦ. αἰτίαι δὲ τούτων αἱ συνεχεῖς ἐκ παίδων μελέται, καθ' ἃς ὑπὸ τῶν μητέρων ἀναγκάζονται παῖδες ὄντες συνεχῶς σφενδονᾶν· προκειμένου γὰρ σκοποῦ κατὰ τι ξύλον ἡρτημένου ἄρτου, οὐ πρότερον δίδοται τῷ μελετῶντι φαγεῖν, ἕως ἂν τυχὼν τοῦ ἄρτου συγχωρούμενον λάβῃ παρὰ τῆς μητρὸς καταφαγεῖν τοῦτον.

ἐπεὶ δὲ περὶ τῶν ἐντὸς Ἡρακλείων στηλῶν κειμένων νήσων διεληλύθαμεν,

περὶ τῶν κατὰ τὸν ὠκεανὸν οὐσῶν διέξιμεν. κατὰ γὰρ τὴν Λιβύην κεῖται μὲν πελαγία νῆσος ἀξιόλογος μὲν τῷ μεγέθει, κειμένη δὲ κατὰ τὸν ὠκεανὸν ἀπέχει πλοῦν ἀπὸ τῆς Λιβύης ἡμερῶν πλειόνων, κεκλιμένη πρὸς τὴν δύσιν. ἔχει δὲ χώραν καρποφόρον, πολλὴν μὲν ὀρεινὴν, οὐκ ὀλίγην δὲ πεδιάδα κάλλει διαφέρουσιν. [2] διαρρεομένη γὰρ ποταμοῖς πλωτοῖς ἐκ τούτων ἀρδεύεται, καὶ πολλοὺς μὲν ἔχει παραδείσους καταφύτους παντοίοις δένδροις, παμπληθεῖς δὲ κηπεῖας διειλημμένας ὕδασι γλυκέσιν: ἐπαύλεις τε πολυτελεῖς ταῖς κατασκευαῖς ὑπάρχουσιν ἐν αὐτῇ καὶ κατὰ τὰς κηπεῖας κατεσκευασμένα καθωνιστήρια τὴν διάθεσιν ἀνθηρὰν ἔχοντα, ἐν οἷς οἱ κατοικοῦντες κατὰ τὴν θερινὴν ὥραν ἐνδιατρίβουσι, δαψιλῶς τῆς χώρας χορηγούσης τὰ πρὸς τὴν ἀπόλαυσιν καὶ τρυφὴν. [3] ἡ τε ὀρεινὴ δρυμοὺς ἔχει πυκνοὺς καὶ μεγάλους καὶ δένδρα παντοδαπὰ καρποφόρα καὶ πρὸς τὰς ἐν τοῖς ὄρεσι διαίτας ἔχοντα συναγκείας καὶ πηγὰς πολλὰς. καθόλου δ' ἡ νῆσος αὕτη κατάρρυτος ἐστὶ ναματιαίοις καὶ γλυκέσιν ὕδασι, δι' ὧν οὐ μόνον ἀπόλαυσις ἐπιτερπὴς γίνεται τοῖς ἐμβιοῦσιν ἐν αὐτῇ, ἀλλὰ καὶ πρὸς ὑγίειαν σωμάτων καὶ ῥώμην συμβάλλεται. [4] κυνήγια τε δαψιλῇ παντοίων ζώων καὶ θηρίων ὑπάρχει, καὶ τούτων ἐν ταῖς εὐωχίαις εὐποροῦντες οὐδὲν ἐλλιπεῖς ἔχουσι τῶν πρὸς τρυφὴν καὶ πολυτέλειαν ἀνηκόντων: καὶ γὰρ ἰχθύων ἔχει πλῆθος ἡ προσκλύζουσα τῇ νήσῳ θάλαττα διὰ τὸ φύσει τὸν ὠκεανὸν πανταχῇ πλήθειν παντοδαπῶν ἰχθύων. [5] καθόλου δ' ἡ νῆσος αὕτη τὸν περικείμενον ἀέρα παντελῶς εὐκρατον ἔχουσα τὸ πλεόν μέρος τοῦ ἐνιαυτοῦ φέρει πλῆθος ἀκροδρῶν καὶ τῶν ἄλλων τῶν ὠραίων, ὥστε δοκεῖν αὐτὴν ὥσει θεῶν τινων, οὐκ ἀνθρώπων ὑπάρχειν ἐμβιωτήριον διὰ τὴν ὑπερβολὴν τῆς εὐδαιμονίας.

κατὰ μὲν οὖν τοὺς παλαιοὺς χρόνους ἀνεύρετος ἦν διὰ τὸν ἀπὸ τῆς ὅλης οἰκουμένης ἐκτοπισμόν, ὕστερον δ' εὐρέθη διὰ τοιαύτας αἰτίας. Φοίνικες ἐκ παλαιῶν χρόνων συνεχῶς πλέοντες κατ' ἐμπορίαν πολλὰς μὲν κατὰ τὴν Λιβύην ἀποικίας ἐποιήσαντο, οὐκ ὀλίγας δὲ καὶ τῆς Εὐρώπης ἐν τοῖς πρὸς δύσιν κεκλιμένοις μέρεσι. τῶν δ' ἐπιβολῶν αὐτοῖς κατὰ νοὺν προχωρουσῶν, πλούτους μεγάλους ἤθροισαν, καὶ τὴν ἐκτὸς Ἑρακλείων στηλῶν ἐπεβάλοντο πλεῖν, ἣν ὠκεανὸν ὀνομάζουσι. [2] καὶ πρῶτον μὲν ἐπ' αὐτοῦ τοῦ κατὰ τὰς στήλας πόρου πόλιν ἔκτισαν ἐπὶ τῆς Εὐρώπης, ἣν οὖσαν χερρόνησον προσηγόρευσαν Γάδειρα, ἐν ἣ τὰ τε ἄλλα κατεσκεύασαν οἰκειῶς τοῖς τόποις καὶ ναὸν Ἑρακλέους πολυτελῆ, καὶ θυσίας κατέδειξαν μεγαλοπρεπεῖς τοῖς τῶν Φοινίκων ἔθεσι διοικουμένας. τὸ δ' ἱερὸν συνέβη τοῦτο καὶ τότε καὶ κατὰ τοὺς νεωτέρους χρόνους τιμᾶσθαι περιττότερον μέχρι τῆς καθ' ἡμᾶς ἡλικίας. πολλοὶ δὲ καὶ τῶν Ῥωμαίων ἐπιφανεῖς ἄνδρες καὶ μεγάλας πράξεις κατειργασμένοι ἐποίησαντο μὲν τούτῳ τῷ θεῷ εὐχάς, συνετέλεσαν δ' αὐτὰς μετὰ τὴν συντέλειαν τῶν κατορθωμάτων. [3] οἱ δ' οὖν Φοίνικες διὰ τὰς προειρημένας αἰτίας ἐρευνῶντες τὴν ἐκτὸς τῶν στηλῶν παραλίαν καὶ παρὰ τὴν Λιβύην πλέοντες, ὑπ' ἀνέμων μεγάλων ἀπηνέχθησαν ἐπὶ πολὺν πλοῦν δι' ὠκεανοῦ. χειμασθέντες δ' ἐπὶ πολλὰς ἡμέρας προσηνέχθησαν τῇ προειρημένῃ νήσῳ, καὶ τὴν εὐδαιμονίαν αὐτῆς καὶ φύσιν κατοπτρεύσαντες ἅπασι γνώριμον ἐποίησαν. [4] διὸ καὶ Τυρρηγῶν θαλαττοκρατούντων καὶ ἐμπειν εἰς αὐτὴν ἀποικίαν ἐπιβαλλομένων, διεκώλυσαν αὐτοὺς Καρχηδόνιοι, ἅμα μὲν

εὐλαβοῦμενοι μὴ διὰ τὴν ἀρετὴν τῆς νήσου πολλοὶ τῶν ἐκ τῆς Καρχηδόνας εἰς ἐκείνην μεταστῶσιν, ἅμα δὲ πρὸς τὰ παράλογα τῆς τύχης κατασκευαζόμενοι καταφυγὴν, εἴ τι περὶ τὴν Καρχηδόνα ὀλοσχερὲς παῖσμα συμβαίνει: δυνήσεσθαι γὰρ αὐτοὺς θαλαττοκρατοῦντας ἀπᾶραι πανοικίους εἰς ἀγνοουμένην ὑπὸ τῶν ὑπερεχόντων νῆσον.

ἐπεὶ δὲ περὶ τοῦ κατὰ τὴν Λιβύην ὠκεανοῦ καὶ τῶν ἐν αὐτῷ νήσων διήλθομεν, μεταβιβάσομεν τὸν λόγον ἐπὶ τὴν Εὐρώπην. κατὰ γὰρ τὴν Γαλατίαν τὴν παρωκεανίτιν κατ' ἀντικρὺ τῶν Ἑρκυνίων ὀνομαζομένων δρυμῶν μέγιστους γὰρ ὑπάρχειν παρειλήφαμεν τῶν κατὰ τὴν Εὐρώπην νῆσοι πολλαὶ κατὰ τὸν ὠκεανὸν ὑπάρχουσιν, ὧν ἐστὶ μέγιστη ἡ Πρεττανικὴ καλουμένη. [2] αὕτη δὲ τὸ μὲν παλαιὸν ἀνεπίμικτος ἐγένετο ξενικαῖς δυνάμεσιν: οὔτε γὰρ Διόνυσον οὔθ' Ἡρακλέα παρειλήφαμεν οὔτε τῶν ἄλλων ἡρώων ἢ δυναστῶν ἐστρατευμένον ἐπ' αὐτήν: καθ' ἡμᾶς δὲ Γάιος Καῖσαρ ὁ διὰ τὰς πράξεις ἐπονομασθεὶς θεὸς πρῶτος τῶν μνημονευομένων ἐχειρώσατο τὴν νῆσον, καὶ τοὺς Πρεττανοὺς καταπολεμήσας ἠνάγκασε τελεῖν ὠρισμένους φόρους. ἀλλὰ περὶ μὲν τούτων τὰς κατὰ μέρος πράξεις ἐν τοῖς οἰκείοις χρόνοις ἀναγράψομεν, περὶ δὲ τῆς νήσου καὶ τοῦ φυομένου κατ' αὐτὴν καττιτέρου νῦν διέξιμεν. [3] αὕτη γὰρ τῷ σχήματι τρίγωνος οὔσα παραπλησίως τῇ Σικελίᾳ τὰς πλευρὰς οὐκ ἰσοκώλους ἔχει. παρεκτεινούσης δ' αὐτῆς παρὰ τὴν Εὐρώπην λοξῆς, τὸ μὲν ἐλάχιστον ἀπὸ τῆς ἡπείρου διεστηκὸς ἀκρωτήριον, ὃ καλοῦσι Κάντιον, φασὶν ἀπέχειν ἀπὸ τῆς γῆς σταδίου ὡς ἑκατόν, καθ' ὃν τόπον ἡ θάλαττα ποιεῖται τὸν ἔκρουν, τὸ δ' ἕτερον ἀκρωτήριον τὸ καλούμενον Βελέριον ἀπέχειν λέγεται τῆς ἡπείρου πλοῦν ἡμερῶν τεττάρων, τὸ δ' ὑπολειπόμενον ἀνήκειν μὲν ἱστοροῦσιν εἰς τὸ πέλαγος, [4] ὀνομάζεσθαι δ' Ὅρκαν. τῶν δὲ πλευρῶν τὴν μὲν ἐλάχιστην εἶναι σταδίων ἑπτακισχιλίων πεντακοσίων, παρήκουσαν παρὰ τὴν Εὐρώπην, τὴν δὲ δευτέραν τὴν ἀπὸ τοῦ πορθμοῦ πρὸς τὴν κορυφὴν ἀνήκουσαν σταδίων μυρίων πεντακισχιλίων, τὴν δὲ λοιπὴν σταδίων δισμυρίων, ὥστε τὴν πᾶσαν εἶναι τῆς νήσου περιφορὰν σταδίων τετρακισμυρίων δισχιλίων πεντακοσίων. [5] κατοικεῖν δὲ φασὶ τὴν Πρεττανικὴν αὐτόχθονα γένη καὶ τὸν παλαιὸν βίον ταῖς ἀγωγαῖς διατηροῦντα. ἄρμασι μὲν γὰρ κατὰ τοὺς πολέμους χρῶνται, καθάπερ οἱ παλαιοὶ τῶν Ἑλλήνων ἥρωες ἐν τῷ Τρωικῷ πολέμῳ κεκρῆσθαι παραδέδονται, καὶ τὰς οἰκίσεις εὐτελεῖς ἔχουσιν, ἐκ τῶν καλάμων ἢ ξύλων κατὰ τὸ πλεῖστον συγκεϊμένας: τὴν τε συναγωγὴν τῶν σιτικῶν καρπῶν ποιοῦνται τοὺς στάχους αὐτοὺς ἀποτέμνοντες καὶ θησαυρίζοντες εἰς τὰς καταστέγους οἰκίσεις: ἐκ δὲ τούτων τοὺς παλαίους στάχους καθ' ἡμέραν τίλλειν, [6] καὶ κατεργαζομένους ἔχειν τὴν τροφήν. τοῖς δ' ἡθεσιν ἀπλοῦς εἶναι καὶ πολὺ κεχωρισμένους τῆς τῶν νῦν ἀνθρώπων ἀγχινοίας καὶ πονηρίας. τὰς τε διαίτας εὐτελεῖς ἔχειν, καὶ τῆς ἐκ τοῦ πλούτου γεννωμένης τρυφῆς πολὺ διαλλάττοντας. εἶναι δὲ καὶ πολυάνθρωπον τὴν νῆσον, καὶ τὴν τοῦ ἀέρος ἔχειν διάθεσιν παντελῶς κατεψυγμένην, ὡς ἂν ὑπ' αὐτὴν τὴν ἄρκτον κεϊμένην. βασιλεῖς δὲ καὶ δυνάστας πολλοὺς ἔχειν, καὶ πρὸς ἀλλήλους κατὰ τὸ

πλεῖστον εἰρηνικῶς διακεῖσθαι. ἀλλὰ περὶ μὲν τῶν κατ' αὐτὴν νομίμων καὶ

τῶν ἄλλων ιδιωμάτων τὰ κατὰ μέρος ἀναγράψομεν ὅταν ἐπὶ τὴν Καίσαρος γενομένην στρατείαν εἰς Πρεττανίαν παραγενηθῶμεν, νῦν δὲ περὶ τοῦ κατ' αὐτὴν φυομένου καττίτερου διέξιμεν. τῆς γὰρ Πρεττανικῆς κατὰ τὸ ἀκρωτήριον τὸ καλούμενον Βελέριον οἱ κατοικοῦντες φιλόξενοί τε διαφερόντως εἰσὶ καὶ διὰ τὴν τῶν ξένων ἐμπόρων ἐπιμιζίαν ἐξημερωμένοι τὰς ἀγωγάς. οὗτοι τὸν καττίτερον κατασκευάζουσι φιλοτέχνως ἐργαζόμενοι τὴν φέρουσιν αὐτὸν γῆν. [2] αὕτη δὲ πετρώδης οὔσα διαφυὰς ἔχει γεώδεις, ἐν αἷς τὸν πόρον κατεργαζόμενοι καὶ τήξαντες καθαίρουσιν. ἀποτυπῶντες δ' εἰς ἀστραγάλων ῥυθμοὺς κομίζουσιν εἰς τινα νῆσον προκειμένην μὲν τῆς Πρεττανικῆς, ὀνομαζομένην δὲ Ἴκτιν· κατὰ γὰρ τὰς ἀμπώτεις ἀναξηραίνομένου τοῦ μεταξὺ τόπου ταῖς ἀμάξαις εἰς ταύτην κομίζουσι δαψιλῇ τὸν καττίτερον. [3] ἴδιον δέ τι συμβαίνει περὶ τὰς πλησίον νήσους τὰς μεταξὺ κειμένας τῆς τε Εὐρώπης καὶ τῆς Πρεττανικῆς· κατὰ μὲν γὰρ τὰς πλημυρίδας τοῦ μεταξὺ πόρου πληρουμένου νῆσοι φαίνονται, κατὰ δὲ τὰς ἀμπώτεις ἀπορρεούσης τῆς θαλάττης καὶ πολὺν τόπον ἀναξηραίνουσης θεωροῦνται χερρόνησοι. [4] ἐντεῦθεν δ' οἱ ἔμποροι παρὰ τῶν ἐγχωρίων ὄνουνται καὶ διακομίζουσιν εἰς τὴν Γαλατίαν· τὸ δὲ τελευταῖον πεζῇ διὰ τῆς Γαλατίας πορευθέντες ἡμέρας ὥς τριάκοντα κατὰγουσιν ἐπὶ τῶν ἵππων τὰ φορτία πρὸς τὴν ἐκβολὴν τοῦ Ῥοδανοῦ ποταμοῦ. περὶ μὲν οὖν τοῦ καττίτερου τοῖς ῥηθεῖσιν ἀρκεσθῆσόμεθα,

περὶ δὲ τοῦ καλουμένου ἡλέκτρον νῦν διέξιμεν. τῆς Σκυθίας τῆς ὑπὲρ τὴν Γαλατίαν κατ' ἀντικρὺ νήσός ἐστι πελαγία κατὰ τὸν ὠκεανὸν ἢ προσαγορευομένη Βασίλεια. εἰς ταύτην ὁ κλύδων ἐκβάλλει δαψιλῆς τὸ καλούμενον ἡλεκτρον, οὐδαμοῦ δὲ τῆς οἰκουμένης φαινόμενον. περὶ δὲ τούτου πολλοὶ τῶν παλαιῶν ἀνέγραψαν μύθους παντελῶς ἀπιστουμένους καὶ διὰ τῶν ἀποτελεσμάτων ἐλεγχομένους. [2] πολλοὶ γὰρ τῶν τε ποιητῶν καὶ τῶν συγγραφέων φασὶ Φαέθοντα τὸν Ἥλιου μὲν υἱόν, παῖδα δὲ τὴν ἡλικίαν ὄντα, πείσαι τὸν πατέρα μίαν ἡμέραν παραχωρῆσαι τοῦ τεθρίππου· συγχωρηθέντος δ' αὐτῷ τούτου, τὸν μὲν Φαέθοντα ἐλαύνοντα τὸ τέθριππον μὴ δύνασθαι κρατεῖν τῶν ἡνίων, τοὺς δ' ἵππους καταφρονήσαντας τοῦ παιδὸς ἐξενεχθῆναι τοῦ συνήθους δρόμου, καὶ τὸ μὲν πρῶτον κατὰ τὸν οὐρανὸν πλανωμένους ἐκπυρῶσαι τοῦτον καὶ ποιῆσαι τὸν νῦν γαλαξίαν καλούμενον κύκλον, μετὰ δὲ ταῦτα πολλὴν τῆς οἰκουμένης ἐπιφλέξαντας οὐκ ὀλίγην κατακάειν χώραν. [3] διὸ καὶ τοῦ Διὸς ἀγανακτήσαντος ἐπὶ τοῖς γεγεννημένοις, κεραυνῶσαι μὲν τὸν Φαέθοντα, ἀποκαταστήσαι δὲ τὸν ἥλιον ἐπὶ τὴν συνήθη πορείαν. τοῦ δὲ Φαέθοντος πεσόντος πρὸς τὰς ἐκβολὰς τοῦ νῦν καλουμένου Πάδου ποταμοῦ, τὸ δὲ παλαιὸν Ἡριδανοῦ προσαγορευομένου, θρηνῆσαι μὲν τὰς ἀδελφὰς αὐτοῦ τὴν τελευταίην φιλοτιμώτατα, διὰ δὲ τὴν ὑπερβολὴν τῆς λύπης ὑπὸ τῆς φύσεως μετασχηματισθῆναι τὴν φύσιν, γενομένης αἰγείρους. [4] ταύτας δὲ κατ' ἐνιαυτὸν κατὰ τὴν αὐτὴν ὥραν δάκρυον ἀφιέναι, καὶ τοῦτο πηγνύμενον ἀποτελεῖν τὸ καλούμενον ἡλεκτρον, λαμπρότητι μὲν τῶν ὁμοφυῶν διαφέρον, ἐπιχωριάζον δ' ἐν ταῖς τῶν νέων τελευταῖς κατὰ τὸ τούτων πένθος. [5] διημαρτηκόντων δὲ πάντων τῶν τὸν μῦθον τοῦτον πεπλακόντων καὶ διὰ τῶν ἀποτελεσμάτων ἐν τοῖς ὕστερον χρόνοις ἐλεγχομένων, προσεκτέον ταῖς

ἀληθιναῖς ἱστορίαις· τὸ γὰρ ἤλεκτρον συνάγεται μὲν ἐν τῇ προειρημένη νήσῳ, κομίζεται δ' ὑπὸ τῶν ἐγχωρίων πρὸς τὴν ἀντιπέραν ἡπειρον, δι' ἧς φέρεται πρὸς τοὺς καθ' ἡμᾶς τόπους, καθότι προεῖρηται.

διελθλυθότες δὲ περὶ τῶν νήσων τῶν κειμένων ἐν τοῖς πρὸς δυσμὰς μέρεσιν, οὐκ ἀνοίκειον εἶναι νομίζομεν περὶ τῶν πλησίον τῆς Εὐρώπης ἐθνῶν βραχέα διελθεῖν, ἃ παραλελοίπαμεν ἐν ταῖς πρότερον βίβλοις. τῆς Κελτικῆς τοίνυν τὸ παλαιόν, ὥς φασιν, ἐδυνάστευσεν ἐπιφανῆς ἀνὴρ, ᾧ θυγάτηρ ἐγένετο τῷ μεγέθει τοῦ σώματος ὑπερφυῆς, τῇ δ' εὐπρεπεῖα πολὺ διέχουσα τῶν ἄλλων. αὕτη δὲ διὰ τε τὴν τοῦ σώματος ρώμην· καὶ τὴν θαυμαζομένην εὐπρέπειαν πεφρονηματισμένη παντὸς τοῦ μνηστεύοντος τὸν γάμον ἀπηρεῖτο, νομίζουσα μηδένα [2] τούτων ἄξιον ἑαυτῆς εἶναι. κατὰ δὲ τὴν Ἡρακλέους ἐπὶ Γηρυόνην στρατείαν, καταντήσαντος εἰς τὴν Κελτικὴν αὐτοῦ καὶ πόλιν Ἀλησίαν ἐν ταύτῃ κτίσαντος, θεασαμένη τὸν Ἡρακλέα καὶ θαυμάσασα τὴν τε ἀρετὴν αὐτοῦ καὶ τὴν τοῦ σώματος ὑπεροχὴν, προσεδέξατο τὴν ἐπιπλοκὴν μετὰ πάσης προθυμίας, [3] συγκατανευσάντων καὶ τῶν γονέων. μιγεῖσα δὲ τῷ Ἡρακλεῖ ἐγέννησεν υἱὸν ὀνόματι Γαλάτην, πολὺ προέχοντα τῶν ὁμοεθνῶν ἀρετῇ τε ψυχῆς καὶ ρώμῃ σώματος. ἀνδρωθεὶς δὲ τὴν ἡλικίαν καὶ διαδεξάμενος τὴν πατρώαν βασιλείαν, πολλὴν μὲν τῆς προσοριζούσης χώρας κατεκτήσατο, μεγάλας δὲ πράξεις πολεμικὰς συνετέλεσε. περιβόητος δὲ γενόμενος ἐπ' ἀνδρεία τοὺς ὑφ' αὐτὸν τεταγμένους ὀνόμασεν ἀφ' ἑαυτοῦ Γαλάτας· ἀφ' ὧν ἡ σύμπασα Γαλατία προσηγορεύθη.

ἐπεὶ δὲ περὶ τῆς τῶν Γαλατῶν προσηγορίας διήλθομεν, καὶ περὶ τῆς χώρας αὐτῶν δέον εἰπεῖν. ἡ τοίνυν Γαλατία κατοικεῖται μὲν ὑπὸ πολλῶν ἐθνῶν διαφόρων τοῖς μεγέθεσι· τὰ μέγιστα γὰρ αὐτῶν σχεδὸν εἴκοσι μυριάδας ἀνδρῶν ἔχει, τὰ δ' ἐλάχιστα πέντε μυριάδας, ὧν ἐν ἐστὶ πρὸς Ῥωμαίους ἔχον συγγένειαν παλαιὰν καὶ φιλίαν τὴν μέχρι τῶν καθ' ἡμᾶς χρόνων διαμένουσαν. [2] κειμένη δὲ κατὰ τὸ πλεῖστον ὑπὸ τὰς ἄρκτους χειμέριός ἐστι καὶ ψυχρὰ διαφερόντως. κατὰ γὰρ τὴν χειμερινὴν ὥραν ἐν ταῖς συννεφέσιν ἡμέραις ἀντὶ μὲν τῶν ὄμβρων χιόνι πολλῇ νίφεται, κατὰ δὲ τὰς αἰθρίας κρυστάλλῳ καὶ πάγοις ἐξαισιόις πλήθει, δι' ὧν οἱ ποταμοὶ πηγνύμενοι διὰ τῆς ἰδίας φύσεως γεφυροῦνται· οὐ μόνον γὰρ οἱ τυχόντες ὁδῖται κατ' ὀλίγους κατὰ τοῦ κρυστάλλου πορευόμενοι διαβαίνουσιν, ἀλλὰ καὶ στρατοπέδων μυριάδες μετὰ σκευοφόρων καὶ ἁμαξῶν γεμουσῶν ἀσφαλῶς περαιοῦνται. [3] πολλῶν δὲ καὶ μεγάλων ποταμῶν ρεόντων διὰ τῆς Γαλατίας καὶ τοῖς ρέιθροις ποικίλως τὴν πεδιάδα γῆν τεμνόντων, οἱ μὲν ἐκ λιμνῶν ἀβύσσων ρέουσιν, οἱ δ' ἐκ τῶν ὀρῶν ἔχουσι τὰς πηγὰς καὶ τὰς ἐπιρροίας· τὴν δ' ἐκβολὴν οἱ μὲν εἰς τὸν ὠκεανὸν ποιοῦνται, οἱ δ' εἰς τὴν καθ' ἡμᾶς θάλατταν. [4] μέγιστος δ' ἐστὶ τῶν εἰς τὸ καθ' ἡμᾶς πέλαγος ρεόντων ὁ Ῥοδανός, τὰς μὲν πηγὰς ἔχων ἐν τοῖς Ἀλπεῖσις ὄρεσι, πέντε δὲ στόμασιν ἐξερευγόμενος εἰς τὴν θάλατταν. τῶν δ' εἰς τὸν ὠκεανὸν ρεόντων μέγιστοι δοκοῦσιν ὑπάρχειν ὁ τε Δανούβιος καὶ ὁ Ῥῆνος, ὃν ἐν τοῖς καθ' ἡμᾶς χρόνοις Καῖσαρ ὁ κληθεὶς θεὸς ἔξευξε παραδόξως, καὶ περαιώσας περὶ τὴν δύναμιν ἐχειρώσατο τοὺς πέραν κατοικοῦντας αὐτοῦ Γαλάτας. [5] πολλοὶ δὲ καὶ ἄλλοι πλωτοὶ ποταμοὶ κατὰ

τὴν Κελτικὴν εἰσι, περὶ ὧν μακρὸν ἂν εἴη γράφειν. πάντες δὲ σχεδὸν ὑπὸ τοῦ πάγου πηγνύμενοι γεφυροῦσι τὰ ρεῖθρα, καὶ τοῦ κρυστάλλου διὰ τὴν φυσικὴν λειότητα ποιοῦντος τοὺς διαβαίνοντας ὀλισθάνειν, ἀχύρων ἐπιβαλλομένων ἐπ' αὐτοὺς ἀσφαλὴ τὴν διάβασιν ἔχουσιν.

ἴδιον δέ τι καὶ παράδοξον συμβαίνει κατὰ τὴν πλείστην τῆς Γαλατίας, περὶ οὗ παραλιπεῖν οὐκ ἄξιον ἡγοῦμεθα. ἀπὸ γὰρ θερινῆς δύσεως καὶ ἄρκτου πνεῖν εἰώθασιν ἄνεμοι τηλικαύτην ἔχοντες σφοδρότητα καὶ δύναμιν, ὥστε ἀναρπάζειν ἀπὸ τῆς γῆς λίθους χειροπληθιαίους τοῖς μεγέθεσι καὶ τῶν ψηφίδων ἀδρομερῇ κονιορτόν· καθόλου δὲ καταιγίζοντες λάβρως ἀρπάζουσιν ἀπὸ μὲν τῶν ἀνδρῶν τὰ ὅπλα καὶ τὰς ἐσθῆτας, ἀπὸ δὲ τῶν ἵππων τοὺς ἀναβάτας. [2] διὰ δὲ τὴν ὑπερβολὴν τοῦ ψύχους διαφθειρομένης τῆς κατὰ τὸν ἀέρα κράσεως οὗτ' οἶνον οὗτ' ἔλαιον φέρει· διόπερ τῶν Γαλατῶν οἱ τούτων τῶν καρπῶν στερισκόμενοι πόμα κατασκευάζουσιν ἐκ τῆς κριθῆς τὸ προσαγορευόμενον ζῦθος, καὶ τὰ κηρία πλύνοντες τῷ τούτων ἀποπλύματι χρῶνται. [3] κάτοινοι δ' ὄντες καθ' ὑπερβολὴν τὸν εἰσαγόμενον ὑπὸ τῶν ἐμπόρων οἶνον ἄκρατον ἐμφοροῦνται, καὶ διὰ τὴν ἐπιθυμίαν λάβρῳ χρώμενοι τῷ ποτῷ καὶ μεθυσθέντες εἰς ὕπνον ἢ μανιώδεις διαθέσεις τρέπονται. διὸ καὶ πολλοὶ τῶν Ἰταλικῶν ἐμπόρων διὰ τὴν συνήθη φιλαργυρίαν ἔρμαιον ἡγοῦνται τὴν τῶν Γαλατῶν φιλοινίαν. οὗτοι γὰρ διὰ μὲν τῶν πλωτῶν ποταμῶν πλοίοις, διὰ δὲ τῆς πεδιάδος χώρας ἀμάξαις κομίζοντες τὸν οἶνον, ἀντιλαμβάνουσι τιμῆς πληθὺς ἅπιστον· διδόντες γὰρ οἶνου κεράμιον ἀντιλαμβάνουσι παῖδα, τοῦ πόματος διάκονον ἀμειβόμενοι.

κατὰ γοῦν τὴν Γαλατίαν ἄργυρος μὲν οὐ γίνεται τὸ σύνολον, χρυσὸς δὲ πολὺς, ὃν τοῖς ἐγχωρίοις ἢ φύσις ἄνευ μεταλλείας καὶ κακοπαθείας ὑπουργεῖ. ἢ γὰρ τῶν ποταμῶν ῥύσις σκολιούς τοὺς ἀγκῶνας ἔχουσα, καὶ τοῖς τῶν παρακειμένων ὀρῶν ὄχθοις προσαράπτουσα καὶ μεγάλους ἀπορρηγνύουσα κολωνούς, πληροὶ χρυσοῦ ψήγματος. [2] τοῦτο δ' οἱ περὶ τὰς ἐργασίας ἀσχολούμενοι συνάγοντες ἀλήθουσιν ἢ συγκόπτουσι τὰς ἐχούσας τὸ ψήγμα βάλους, διὰ δὲ τῶν ὑδάτων τῆς φύσεως τὸ γεῶδες πλύναντες παραδιδόασιν ἐν ταῖς καμίνιοις εἰς τὴν χωνεῖαν. [3] τούτῳ δὲ τῷ τρόπῳ σωρεῦντες χρυσοῦ πληθὺς καταχρῶνται πρὸς κόσμον οὐ μόνον αἱ γυναῖκες, ἀλλὰ καὶ οἱ ἄνδρες. περὶ μὲν γὰρ τοὺς καρποὺς καὶ τοὺς βραχίονας ψέλια φοροῦσι, περὶ δὲ τοὺς αὐχένας κρίκους παχεῖς ὀλοχρύσους καὶ δακτυλίους ἀξιολόγους, ἔτι δὲ χρυσοὺς θώρακας. [4] ἴδιον δέ τι καὶ παράδοξον παρὰ τοῖς ἄνω Κελτοῖς ἐστὶ περὶ τὰ τεμένη τῶν θεῶν γινόμενον· ἐν γὰρ τοῖς ἱεροῖς καὶ τεμένεσιν ἐπὶ τῆς χώρας ἀνεμμένοις ἔρριπται πολὺς χρυσὸς ἀνατεθειμένος τοῖς θεοῖς, καὶ τῶν ἐγχωρίων οὐδεὶς ἅπτεται τούτου διὰ τὴν δεισιδαιμονίαν, καίπερ ὄντων τῶν Κελτῶν φιλαργύρων καθ' ὑπερβολήν.

οἱ δὲ Γαλάται τοῖς μὲν σώμασιν εἰσιν εὐμήκεις, ταῖς δὲ σαρκὶ κάθυγροι καὶ λευκοί, ταῖς δὲ κόμαις οὐ μόνον ἐκ φύσεως ξανθοί, ἀλλὰ καὶ διὰ τῆς κατασκευῆς ἐπιτηδεύουσιν αὖξιν τὴν φυσικὴν τῆς χροᾶς ιδιότητα. [2] τιτάνου γὰρ ἀποπλύματι σμῶντες τὰς τρίχας συνεχῶς καὶ ἀπὸ τῶν μετώπων ἐπὶ τὴν κορυφὴν καὶ τοὺς τένοντας ἀνασπῶσιν, ὥστε τὴν πρόσοψιν αὐτῶν φαίνεσθαι Σατύροις καὶ Πᾶσιν εὐοικῶν· παχύνονται γὰρ αἱ τρίχες ἀπὸ τῆς κατεργασίας,

ὥστε μηδὲν τῆς τῶν ἵππων χαίτης διαφέρειν. [3] τὰ δὲ γένεια τινὲς μὲν ξυρῶνται, τινὲς δὲ μετρίως ὑποτρέφουσιν: οἱ δ' εὐγενεῖς τὰς μὲν παρειὰς ἀπολειπνοῦσι, τὰς δ' ὑπῆνας ἀναιμένας ἑῶσιν, ὥστε τὰ στόματα αὐτῶν ἐπικαλύπτεσθαι. διόπερ ἐσθιόντων μὲν αὐτῶν ἐμπλέκονται ταῖς τροφαῖς, πινόντων δὲ καθαπερεὶ διὰ τινος ἡθμοῦ φέρεται τὸ πόμα. [4] δεῖπνοῦσι δὲ καθήμενοι πάντες οὐκ ἐπὶ θρόνων, ἀλλ' ἐπὶ τῆς γῆς, ὑποστρώμασι χρώμενοι λύκων ἢ κυνῶν δέρμασι. διακονοῦνται δ' ὑπὸ τῶν νεωτάτων παίδων ἐχόντων ἡλικίαν, ἄρρένων τε καὶ θηλειῶν. πλησίον δ' αὐτῶν ἐσχάροι κεῖνται γέμουσαι πυρὸς καὶ λέβητας ἔχουσαι καὶ ὀβελοὺς πλήρεις κρεῶν ὀλομερῶν. τοὺς δ' ἀγαθοὺς ἄνδρας ταῖς καλλίσταις τῶν κρεῶν μοίραις γεραίρουσι, καθάπερ καὶ ὁ ποιητὴς τὸν Αἴαντα παρεισάγει τιμώμενον ὑπὸ τῶν ἀριστέων, ὅτε πρὸς Ἑκτορα μονομαχήσας ἐνίκησε,

νώτοισιν δ' Αἴαντα διηνεκέεσσι γέραιρε.

[5] καλοῦσι δὲ καὶ τοὺς ξένους ἐπὶ τὰς εὐωχίας, καὶ μετὰ τὸ δεῖπνον ἐπερωτῶσι, τίνες εἰσὶ καὶ τίνων χρεῖαν ἔχουσιν. εἰώθασι δὲ καὶ παρὰ τὸ δεῖπνον ἐκ τῶν τυχόντων πρὸς τὴν διὰ τῶν λόγων ἄμιλλαν καταστάντες, ἐκ προκλήσεως μονομαχεῖν πρὸς ἀλλήλους, παρ' οὐδὲν τιθέμενοι τὴν τοῦ βίου τελευτὴν: ἐνισχύει γὰρ παρ' αὐτοῖς ὁ Πυθαγόρου λόγος, [6] ὅτι τὰς ψυχὰς τῶν ἀνθρώπων ἀθανάτους εἶναι συμβέβηκε καὶ δι' ἐτῶν ὀρισμένων πάλιν βιοῦν, εἰς ἕτερον σῶμα τῆς ψυχῆς εἰσδυομένης. διὸ καὶ κατὰ τὰς ταφὰς τῶν τετελευτηκότων ἐνίους ἐπιστολὰς γεγραμμένας τοῖς οἰκείοις τετελευτηκόσιν ἐμβάλλειν εἰς τὴν πυράν, ὥς τῶν τετελευτηκότων ἀναγνωσομένων ταῦτας.

ἐν δὲ ταῖς ὁδοιπορίαις καὶ ταῖς μάχαις χρῶνται συνωρίσιν, ἔχοντος τοῦ ἄρματος ἡνίοχον καὶ παραβάτην. ἀπαντῶντες δὲ τοῖς ἐφιππεύουσιν ἐν τοῖς πολέμοις σαυνιάζουσι τοὺς ἐναντίους, καὶ καταβάντες τὴν ἀπὸ τοῦ ξίφους συνίστανται μάχην. [2] ἐνιοὶ δ' αὐτῶν ἐπὶ τοσοῦτο τοῦ θανάτου καταφρονοῦσιν, ὥστε γυμνοὺς καὶ περιεζωσμένους καταβαίνειν εἰς τὸν κίνδυνον. ἐπάγονται δὲ καὶ θεράποντας ἐλευθέρους ἐκ τῶν πενήτων καταλέγοντες, οἷς ἡνιόχοις καὶ παρασπισταῖς χρῶνται κατὰ τὰς μάχας. κατὰ δὲ τὰς παρατάξεις εἰώθασι προάγειν τῆς παρατάξεως καὶ προκαλεῖσθαι τῶν ἀντιτεταγμένων τοὺς ἀρίστους εἰς μονομαχίαν, προανασειόντες τὰ ὅπλα καὶ καταπληττόμενοι τοὺς ἐναντίους. [3] ὅταν δὲ τις ὑπακούσῃ πρὸς τὴν μάχην, τὰς τε τῶν προγόνων ἀνδραγαθίας ἐξυμνοῦσι καὶ τὰς ἑαυτῶν ἀρετὰς προφέρονται, καὶ τὸν ἀντιταττόμενον ἐξονειδίζουσι καὶ ταπεινοῦσι καὶ τὸ σύνολον τὸ θάρσος τῆς ψυχῆς τοῖς λόγοις προαφαιροῦνται. [4] τῶν δὲ πεσόντων πολεμίων τὰς κεφαλὰς ἀφαιροῦντες περιάπτουσι τοῖς αὐχέσι τῶν ἵππων: τὰ δὲ σκῦλα τοῖς θεράποισι παραδόντες ἡμαχμένα λαφυραγωγοῦσιν, ἐπιπαιανίζοντες καὶ ἄδοντες ὕμνον ἐπινίκιον, καὶ τὰ ἀκροθίνια ταῦτα ταῖς οἰκίαις προσηλοῦσιν ὥσπερ οἱ ἐν κυνηγίοις τισὶ κεχειρωμένοι τὰ θηρία. [5] τῶν δ' ἐπιφανεστάτων πολεμίων κεδρώσαντες τὰς κεφαλὰς ἐπιμελῶς τηροῦσιν ἐν λάρνακι, καὶ τοῖς ξένοις ἐπιδεικνύουσι σεμνυνόμενοι διότι τῆσδε τῆς κεφαλῆς τῶν προγόνων τις ἢ πατὴρ ἢ καὶ αὐτὸς πολλὰ χρήματα διδόμενα οὐκ ἔλαβε. φασὶ δὲ τινὰς αὐτῶν καυχᾶσθαι διότι χρυσὸν ἀντίσταθμον τῆς κεφαλῆς οὐκ ἐδέξαντο, βάρβαρόν τινα μεγαλοψυχίαν ἐπιδεικνύμενοι: οὐ γὰρ τὸ μὴ πωλεῖν

τὰ σύσσημα τῆς ἀρετῆς εὐγενές, ἀλλὰ τὸ πολεμεῖν τὸ ὁμόφυλον τετελευτηκὸς θηριῶδες.

ἐσθῆσι δὲ χρῶνται καταπληκτικάϊς, χιτῶσι μὲν βαπτοῖς χρώμασι παντοδαποῖς διηνησιμένοις καὶ ἀναξυρίσιν, ἃς ἐκεῖνοι βράκας προσαγορεύουσιν: ἐπιπορποῦνται δὲ σάγους ῥάβδωτους ἐν μὲν τοῖς χειμῶσι δασεῖς, κατὰ δὲ τὸ θέρος ψιλούς, πλινθίοις πυκνοῖς καὶ πολυανθέσι διειλημμένους. [2] ὅπλοις δὲ χρῶνται θυρεοῖς μὲν ἀνδρομήκεσι, πεποικιλμένοις ἰδιοτρόπως: τινὲς δὲ καὶ ζῶων χαλκῶν ἐξοχὰς ἔχουσιν, οὐ μόνον πρὸς κόσμον, ἀλλὰ καὶ πρὸς ἀσφάλειαν εὖ δεδημιουργημένας. κράνη δὲ χαλκᾷ περιτίθενται μεγάλας ἐξοχὰς ἐξ ἑαυτῶν ἔχοντα καὶ παμμεγέθη φαντασίαν ἐπιφέροντα τοῖς χρωμένοις, ὧν τοῖς μὲν πρόσκειται συμφυῇ κέρατα, τοῖς δὲ ὀρνέων ἢ τετραπόδων ζῶων ἐκτετυπωμένοι προτομαί. [3] σάλπιγγας δ' ἔχουσιν ἰδιοφυεῖς καὶ βαρβαρικάς: ἐμφυσῶσι γὰρ ταύταις καὶ προβάλλουσιν ἥχον τραχὺν καὶ πολεμικῆς ταραχῆς οἰκεῖον. θώρακας δ' ἔχουσιν οἱ μὲν σιδηροῦς ἄλυσιδωτούς, οἱ δὲ τοῖς ὑπὸ τῆς φύσεως δεδομένοις ἀρκοῦνται, γυμνοὶ μαχόμενοι. ἀντὶ δὲ τοῦ ξίφους σπάθας ἔχουσι μακρὰς σιδηραῖς ἢ χαλκαῖς ἄλυσεσιν ἐξηρητημένας, παρὰ τὴν δεξιὰν λαγόνα παρατεταμένας. τινὲς δὲ τοὺς χιτῶνας ἐπιχρύσοις ἢ καταργύροις ζωστήρσι συνέζωνται. [4] προβάλλονται δὲ λόγχας, ἃς ἐκεῖνοι λαγκίας καλοῦσι, πηχυαῖα τῷ μήκει τοῦ σιδήρου καὶ ἔτι μείζω τὰ ἐπιθήματα ἐχούσας, πλάτει δὲ βραχὺ λείποντα διπαλαίστων: τὰ μὲν γὰρ ξίφη τῶν παρ' ἑτέροις σαννίων εἰσὶν οὐκ ἐλάττω, τὰ δὲ σαννία τὰς ἀκμὰς ἔχει τῶν ξιφῶν μείζους. τούτων δὲ τὰ μὲν ἐπ' εὐθείας κεχάλκευται, τὰ δ' ἑλικοειδῆ δι' ὅλων ἀνάκλασιν ἔχει πρὸς τὸ καὶ κατὰ τὴν πληγὴν μὴ μόνον τέμνειν, ἀλλὰ καὶ θραύειν τὰς σάρκας καὶ κατὰ τὴν ἀνακομιδὴν τοῦ δόρατος σπαράττειν τὸ τραῦμα.

αὐτοὶ δ' εἰσὶ τὴν πρόσοψιν καταπληκτικοὶ καὶ ταῖς φωναῖς βαρυηχεῖς καὶ παντελῶς τραχύφωνοι, κατὰ δὲ τὰς ὁμιλίας βραχυλόγοι καὶ αἰνιγματῖαι καὶ τὰ πολλὰ αἰνιττόμενοι συνεκδοχικῶς: πολλὰ δὲ λέγοντες ἐν ὑπερβολαῖς ἐπ' αὐξήσει μὲν ἑαυτῶν, μειώσκει δὲ τῶν ἄλλων, ἀπειλῆται τε καὶ ἀνατατικοὶ καὶ τετραγωδημένοι ὑπάρχουσι, ταῖς δὲ διανοίαις ὀξεῖς καὶ πρὸς μάθησιν οὐκ ἄφυεῖς. [2] εἰσὶ δὲ παρ' αὐτοῖς καὶ ποιηταὶ μελῶν, οὓς βάρδους ὀνομάζουσιν. οὗτοι δὲ μετ' ὀργάνων ταῖς λύραις ὁμοίων ᾄδοντες οὓς μὲν ὕμνοῦσιν, οὓς δὲ βλασφημοῦσι. φιλόσοφοί τέ τινές εἰσι καὶ θεολόγοι περιττῶς τιμώμενοι, οὓς δρουνίδας ὀνομάζουσι. [3] χρῶνται δὲ καὶ μάντεσιν, ἀποδοχῆς μεγάλης ἀξιοῦντες αὐτούς: οὗτοι δὲ διὰ τε τῆς οἰωνοσκοπίας καὶ διὰ τῆς τῶν ἱερείων θυσίας τὰ μέλλοντα προλέγουσι, καὶ πᾶν τὸ πλῆθος ἔχουσιν ὑπήκοον. μάλιστα δ' ὅταν περὶ τινων μεγάλων ἐπισκέπτωνται, παράδοξον καὶ ἄπιστον ἔχουσι νόμιμον: ἄνθρωπον γὰρ κατασπείσαντες τύπτουσι μαχαίρα κατὰ τὸν ὑπὲρ τὸ διάφραγμα τόπον, καὶ πεσόντος τοῦ πληγέντος ἐκ τῆς πτώσεως καὶ τοῦ σπαραγμοῦ τῶν μελῶν, ἔτι δὲ τῆς τοῦ αἵματος ῥύσεως τὸ μέλλον νοοῦσι, παλαιᾷ τινι καὶ πολυχρονίῳ παρατηρήσει περὶ τούτων πεπιστευκότες. [4] ἔθος δ' αὐτοῖς ἐστὶ μηδένα θυσίαν ποιεῖν ἄνευ φιλοσόφου: διὰ γὰρ τῶν ἐμπεύρων τῆς θείας φύσεως ὥσπερ εἰ τινων ὁμοφώνων τὰ χαριστήρια τοῖς θεοῖς φασὶ δεῖν προσφέρειν, καὶ διὰ τούτων οἶονται δεῖν ἀγαθὰ αἰτεῖσθαι. [5] οὐ μόνον δ'

ἐν ταῖς εἰρηνικαῖς χρεαίαις, ἀλλὰ καὶ κατὰ τοὺς πολέμους τούτοις μάλιστα πείθονται καὶ τοῖς μελωδοῦσι ποιηταῖς, οὐ μόνον οἱ φίλοι, ἀλλὰ καὶ οἱ πολέμιοι: πολλὰκις δ' ἐν ταῖς παρατάξεσι πλησιαζόντων ἀλλήλοις τῶν στρατοπέδων καὶ τοῖς ξίφεσιν ἀνατεταμένοις καὶ ταῖς λόγχαις προβεβλημέναις, εἰς τὸ μέσον οὗτοι προελθόντες παύουσιν αὐτούς, ὥσπερ τινὰ θηρία κατεπάσαντες. οὕτω καὶ παρὰ τοῖς ἀγριωτάτοις βαρβάροις ὁ θυμὸς εἴκει τῇ σοφίᾳ καὶ ὁ Ἄρης αἰδεῖται τὰς Μούσας.

χρήσιμον δ' ἐστὶ διορίσαι τὸ παρὰ πολλοῖς ἀγνοούμενον. τοὺς γὰρ ὑπὲρ Μασσαλίας κατοικοῦντας ἐν τῷ μεσογείῳ καὶ τοὺς παρὰ τὰς Ἀλπεῖς, ἔτι δὲ τοὺς ἐπὶ τάδε τῶν Πυρηναίων ὄρων Κελτοὺς ὀνομάζουσι, τοὺς δ' ὑπὲρ ταύτης τῆς Κελτικῆς εἰς τὰ πρὸς ἄρκτον νεύοντα μέρη παρὰ τε τὸν ὠκεανὸν καὶ τὸ Ἑρκύνιον ὄρος καθιδρυμένους καὶ πάντας τοὺς ἐξῆς μέχρι τῆς Σκυθίας Γαλάτας προσαγορεύουσιν: οἱ δὲ Ῥωμαῖοι πάλιν πάντα ταῦτα τὰ ἔθνη συλλήβδην μιᾷ προσηγορίᾳ περιλαμβάνουσιν, ὀνομάζοντες Γαλάτας ἅπαντας. [2] αἱ δὲ γυναῖκες τῶν Γαλατῶν οὐ μόνον τοῖς μεγέθεσι παραπλήσιοι τοῖς ἀνδράσιν εἰσίν, ἀλλὰ καὶ ταῖς ἀλκαῖς ἐνάμιλλοι. τὰ δὲ παιδία παρ' αὐτοῖς ἐκ γενετῆς ὑπάρχει πολὺὰ κατὰ τὸ πλεῖστον: προβαίνοντα δὲ ταῖς ἡλικίαις εἰς τὸ τῶν πατέρων χρῶμα ταῖς χροαῖς μετασχηματίζεται. [3] ἀγριωτάτων δ' ὄντων τῶν ὑπὸ τὰς ἄρκτους κατοικούντων καὶ τῶν τῇ Σκυθίᾳ πλησιοχώρων, φασὶ τινὰς ἀνθρώπους ἐσθίειν, ὥσπερ καὶ τῶν Πρεττανῶν τοὺς κατοικοῦντας τὴν ὀνομαζομένην Ἴριν. [4] διαβεβοημένης δὲ τῆς τούτων ἀλκῆς καὶ ἀγριότητος, φασὶ τινες ἐν τοῖς παλαιοῖς χρόνοις τοὺς τὴν Ἀσίαν ἅπασαν καταδραμόντας, ὀνομαζομένους δὲ Κιμμερίους, τούτους εἶναι, βραχὺ τοῦ χρόνου τὴν λέξιν φθείραντος ἐν τῇ τῶν καλουμένων Κίμβρων προσηγορίᾳ. ζηλοῦσι γὰρ ἐκ παλαιοῦ ληστεύειν ἐπὶ τὰς ἀλλοτρίας χώρας ἐπερχόμενοι καὶ καταφρονεῖν ἀπάντων. [5] οὗτοι γάρ εἰσιν οἱ τὴν μὲν Ῥώμην ἐλόντες, τὸ δὲ ἱερὸν τὸ ἐν Δελφοῖς συλήσαντες, καὶ πολλὴν μὲν τῆς Εὐρώπης, οὐκ ὀλίγην δὲ καὶ τῆς Ἀσίας φορολογήσαντες, καὶ τῶν καταπολεμηθέντων τὴν χώραν κατοικήσαντες, οἱ διὰ τὴν πρὸς τοὺς Ἑλλήνας ἐπιπλοκὴν Ἑλληνογαλάται κληθέντες, τὸ δὲ τελευταῖον πολλὰ καὶ μεγάλα στρατόπεδα Ῥωμαίων συντρίψαντες. [6] ἀκολούθως δὲ τῇ κατ' αὐτοὺς ἀγριότητι καὶ περὶ τὰς θυσίας ἐκτόπως ἀσεβοῦσι: τοὺς γὰρ κακούργους κατὰ πενταετηρίδα φυλάξαντες ἀνασκολοπίζουσι τοῖς θεοῖς καὶ μετ' ἄλλων πολλῶν ἀπαρχῶν καθαγίζουσι, πυρὰς παμμεγέθεις κατασκευάζοντες. χρῶνται δὲ καὶ τοῖς αἰχμαλώτοις ὡς ἱερείοις πρὸς τὰς τῶν θεῶν τιμὰς. τινὲς δ' αὐτῶν καὶ τὰ κατὰ πόλεμον ληφθέντα ζῶα μετὰ τῶν ἀνθρώπων ἀποκτείνουσιν ἢ κατακάουσιν ἢ τισιν ἄλλαις τιμωρίαις ἀφανίζουσι. [7] γυναῖκας δ' ἔχοντες εὐειδεῖς ἥκιστα ταύταις προσέχουσιν, ἀλλὰ πρὸς τὰς τῶν ἀρρένων ἐπιπλοκὰς ἐκτόπως λυττῶσιν. εἰώθασι δ' ἐπὶ δοραῖς θηρίων χαμαὶ καθεύδοντες ἐξ ἀμφοτέρων τῶν μερῶν παρακοίτοις συγκυλίεσθαι. τὸ δὲ πάντων παραδοξότατον, τῆς ἰδίας εὐσχημοσύνης ἀφροντιστοῦντες τὴν τοῦ σώματος ὥραν ἐτέροις εὐκόλως προΐενται, καὶ τοῦτο αἰσχρὸν οὐχ ἡγοῦνται, ἀλλὰ μᾶλλον ὅταν τις αὐτῶν χαριζομένων μὴ προσδέξῃται τὴν διδομένην χάριν, ἄτιμον ἡγοῦνται.

ἡμεῖς δ' ἄρκούντως περὶ Κελτῶν εἰρηκότες μεταβιβάσομεν τὴν ἱστορίαν

ἐπὶ τοὺς πλησιοχώρους τούτοις Κελτίβηρας. οὗτοι γὰρ τὸ παλαιὸν περὶ τῆς χώρας ἀλλήλοις διαπολεμήσαντες, οἱ τε Ἰβηρες καὶ οἱ Κελτοί, καὶ μετὰ ταῦτα διαλυθέντες καὶ τὴν χώραν κοινῇ κατοικήσαντες, ἔτι δ' ἐπιγαμίας πρὸς ἀλλήλους συνθέμενοι, διὰ τὴν ἐπιμιξίαν ταύτης ἔτυχον τῆς προσηγορίας. δυεῖν δ' ἔθνων ἀλκίμων μιχθέντων καὶ χώρας ὑποκειμένης ἀγαθῆς, συνέβη τοὺς Κελτίβηρας ἐπὶ πολὺ τῇ δόξῃ προελθεῖν, καὶ Ῥωμαίοις πολλοὺς χρόνους ἀνταξαμένους μόγις καταπολεμηθῆναι. [2] δοκοῦσι δ' οὗτοι κατὰ τοὺς πολέμους οὐ μόνον ἵππεῖς ἀγαθοῦς, ἀλλὰ καὶ πεζοὺς παρέχεσθαι διαφόρους ταῖς ἀλκαῖς καὶ ταῖς καρτερίαις. φοροῦσι δ' οὗτοι σάγους μέλανας τραχεῖς καὶ παραπλήσιον ἔχοντας τὸ ἔριον ταῖς αἰγείαις θριξίν. [3] ὀπλίζονται δέ τινες τῶν Κελτιβήρων Γαλατικοῖς θυρεοῖς κούφοις, τινὲς δὲ κυρτίαις κυκλοτερέσιν ἀσπίδων ἐχούσαις τὰ μεγέθη, καὶ περὶ τὰς κνήμας τριχίνας εἰλοῦσι κνημίδας, περὶ δὲ τὰς κεφαλὰς κράνη χαλκᾷ περιτίθενται φοινικοῖς ἡσκημένα λόφοις. ξίφη δ' ἀμφίστομα καὶ σιδήρῳ διαφόρῳ κεχαλκευμένα φοροῦσιν, ἔχοντες σπιθαμιαίας παραξιφίδας, αἷς χρῶνται κατὰ τὰς ἐν ταῖς μάχαις συμπλοκάς. [4] ἴδιον δέ τι παρ' αὐτοῖς ἐστὶ περὶ τὴν τῶν ὅπλων καὶ ἀμυντηρίων κατασκευήν: ἐλάσματα γὰρ σιδήρου κατακρύπτουσιν εἰς τὴν γῆν, καὶ ταῦτα ἐῶσι μέχρι ἂν ὅτου διὰ τὸν χρόνον τοῦ ἰοῦ περιφαγόντος τὸ ἀσθενὲς τοῦ σιδήρου καταλειφθῇ τὸ στερεώτατον, ἐξ οὗ κατασκευάζουσι διάφορα ξίφη καὶ τᾶλλα τὰ πρὸς πόλεμον ἀνήκοντα. τὸ δ' οὕτω κατασκευασθὲν ὅπλον πᾶν τὸ ὑποπεσὸν διαιρεῖ, ἅφ' οὔπερ οὔτε θυρεὸς οὔτε κράνος οὔτε ὅστον ὑπομένει τὴν πληγὴν διὰ τὴν ὑπερβολὴν τῆς ἀρετῆς τοῦ σιδήρου. [5] διμάχαι δ' ὄντες, ἐπειδὴν ἀπὸ τῶν ἵππων ἀγωνισάμενοι νικήσωσι, καταπηδῶντες καὶ τὴν τῶν πεζῶν τάξιν μεταλαμβάνοντες θαυμαστὰς ποιοῦνται μάχας. ἴδιον δέ τι καὶ παράδοξον νόμιμον παρ' αὐτοῖς ἐστίν: ἐπιμελεῖς γὰρ ὄντες καὶ καθάρειοι ταῖς διαίταις ἐν ἔργον ἐπιτηδεύουσι βάνausson καὶ πολλῆς ἀκαθαρσίας κεκοινωνηκός: παρ' ἕκαστα γὰρ τὸ σῶμα λοῦσιν οὖρῳ, καὶ τοὺς ὀδόντας παρὰτριβόντες ταύτην ἡγοῦνται θεραπείαν εἶναι τοῦ σώματος.

τοῖς δ' ἤθεσι πρὸς μὲν τοὺς κακούργους καὶ πολεμίους ὑπάρχουσιν ὁμοί, πρὸς δὲ τοὺς ξένους ἐπιεικεῖς καὶ φιλόανθρωποι. τοὺς γὰρ ἐπιδημήσαντας ξένους ἅπαντες ἀξιοῦσι παρ' αὐτοῖς ποιεῖσθαι τὰς καταλύσεις καὶ πρὸς ἀλλήλους ἀμίλλωνται περὶ τῆς φιλοξενίας: οἷς δ' ἂν οἱ ξένοι συνακολουθήσωσι, τούτους ἐπαινοῦσι καὶ θεοφιλεῖς ἡγοῦνται. [2] τροφαῖς δὲ χρῶνται κρέασι παντοδαποῖς καὶ δαψιλέσι καὶ οἰνομέλιτος πόματι, χορηγούσης τῆς χώρας τὸ μὲν μέλι παμπληθές, τὸν δ' οἶνον παρὰ τῶν ἐπιπλεόντων ἐμπόρων ὠνούμενοι. [3] χαριέστατον δὲ τῶν πλησιοχώρων ἔθνων αὐτοῖς ἐστὶ τὸ τῶν Οὐακκαίων ὀνομαζομένων σύστημα: οὗτοι γὰρ καθ' ἕκαστον ἔτος διαιρούμενοι τὴν χώραν γεωργοῦσι, καὶ τοὺς καρποὺς κοινοποιοῦμενοι μεταδιδόασιν ἑκάστῳ τὸ μέρος, καὶ τοῖς νοσφισαμένοις τι γεωργοῖς θάνατον τὸ πρόστιμον τεθεῖκασι. [4] τῶν δ' Ἰβήρων ἀλκιμώτατοι μὲν εἰσιν οἱ καλούμενοι Λυσιτανοί, φοροῦσι δ' ἐν τοῖς πολέμοις πέλτας μικρὰς παντελῶς, διαπεπλεγμένας νεύροις καὶ δυναμένας σκέπειν τὸ σῶμα περιττότερον διὰ τὴν στερεότητα: ταύτην δ' ἐν ταῖς μάχαις μεταφέροντες εὐλύτως ἄλλοτε ἄλλως ἀπὸ τοῦ σώματος διακροῦνται φιλοτέχνως πᾶν τὸ

φερόμενον ἐπ' αὐτοὺς βέλος. [5] χρῶνται δὲ καὶ σαυνίοις ὀλοσιδήροις ἀγκιστρῶδεσι, φοροῦσι δὲ κράνη καὶ ξίφη παραπλήσια Κελτίβηρσιν. ἀκοντίζουσι δ' εὐστόχως καὶ μακράν, καὶ καθόλου καρτεροπληγεῖς ὑπάρχουσιν. εὐκίνητοι δ' ὄντες καὶ κοῦφοι ῥαδίως καὶ φεύγουσι καὶ διώκουσι, κατὰ δὲ τὰς ἐν ταῖς συστάσεσι τῶν δεινῶν ὑπομονὰς πολὺ λείπονται τῶν Κελτιβήρων. ἐπιτηδεύουσι δὲ κατὰ μὲν τὴν εἰρήνην ὄρχησίν τινα κούφην καὶ περιέχουσαν πολλὴν εὐτονίαν σκελῶν, ἐν δὲ τοῖς πολέμοις, πρὸς ῥυθμὸν ἐμβαίνουσι καὶ παιᾶνας ᾄδουσιν, ὅταν ἐπίωσι τοῖς ἀντιτεταγμένοις. [6] ἴδιον δέ τι παρὰ τοῖς Ἴβηρσι καὶ μάλιστα παρὰ τοῖς Λυσιτανοῖς ἐπιτηδεύεται: τῶν γὰρ ἀκμαζόντων ταῖς ἡλικίαις οἱ μάλιστα ἀπορώτατοι ταῖς οὐσίαις, ῥώμῃ δὲ σώματος καὶ θράσει διαφέροντες, ἐφοδιάσαντες αὐτοὺς ἀλκῇ καὶ τοῖς ὅπλοις εἰς τὰς ὀρεινὰς δυσχωρίας ἀθροίζονται, συστήματα δὲ ποιήσαντες ἀξίολογα κατατρέχουσι τὴν Ἰβηρίαν καὶ ληστεύοντες πλούτους ἀθροίζουσι: καὶ τοῦτο διατελοῦσι πράττοντες μετὰ πάσης καταφρονήσεως: κούφοις γὰρ χρώμενοι καθοπλισμοῖς καὶ παντελῶς ὄντες εὐκίνητοι καὶ ὀξεῖς δυσχειρότατοι τοῖς ἄλλοις εἰσὶ. [7] καθόλου δὲ τὰς ἐν τοῖς ὄρεσι δυσχωρίας καὶ τραχύτητας ἡγούμενοι πατρίδας εἶναι, εἰς ταύτας καταφεύγουσι, δυσδιεξόδους οὐσας μεγάλους καὶ βαρέσι στρατοπέδοις. διὸ καὶ Ῥωμαῖοι πολλάκις ἐπ' αὐτοὺς στρατεύσαντες τῆς μὲν πολλῆς καταφρονήσεως ἀπέστησαν αὐτούς, εἰς τέλος δὲ τὰ ληστήρια καταλῦσαι πολλάκις φιλοτιμηθέντες οὐκ ἠδυνήθησαν.

ἐπεὶ δὲ τὰ περὶ τῶν Ἰβήρων διήλθομεν, οὐκ ἀνοίκειον εἶναι διαλαμβάνομεν περὶ τῶν ἐν αὐτῇ μετάλλων ἀργυρείων διελθεῖν: αὕτη γὰρ ἡ χώρα σχεδόν τι πλεῖστον καὶ κάλλιστον ἔχει μεταλλευόμενον ἄργυρον καὶ πολλὰς τοῖς ἐργαζομένοις παρέχεται προσόδους. [2] εἰρηται μὲν οὖν ἡμῖν καὶ ἐν ταῖς πρὸ ταύτης βίβλοις ἐν ταῖς περὶ Ἡρακλέους πράξεσι τὰ κατὰ τὴν Ἰβηρίαν ὄρη τὰ καλούμενα Πυρρηναῖα: ταῦτα δὲ καὶ κατὰ τὸ ὕψος καὶ κατὰ τὸ μέγεθος ὑπάρχει διάφορα τῶν ἄλλων: παρήκει γὰρ ἀπὸ τῆς κατὰ τὴν μεσημβρίαν θαλάττης σχεδὸν ἄχρι πρὸς τὸν ὑπὸ τὰς ἄρκτους ὠκεανόν, διείργοντα δὲ τὴν Γαλατίαν καὶ τὴν Ἰβηρίαν, ἔτι δὲ τὴν Κελτιβηρίαν, παρεκτείνει σταδίους ὡς τρισχιλίους. [3] πολλῶν δ' ὄντων ἐν αὐτοῖς ὄρυμῶν καὶ πυκνῶν τοῖς δένδροις, φασὶν ἐν τοῖς παλαιοῖς χρόνοις ὑπὸ τινων νομέων ἀφέντων πῦρ κατακαῆναι παντελῶς ἅπασαν τὴν ὀρεινὴν χώραν: διὸ καὶ συχνὰς ἡμέρας συνεχῶς πυρὸς ἐπιφλέγοντος καῆναι τὴν ἐπιφάνειαν τῆς γῆς, καὶ τὰ μὲν ὄρη διὰ τὸ συμβεβηκὸς κληθῆναι Πυρρηναῖα, τὴν δ' ἐπιφάνειαν τῆς κατακεκαυμένης χώρας ἀργύρῳ ῥύηναι πολλῶ, καὶ χωνευθείσης τῆς φύσεως, ἐξ ἧς ὁ ἀργυρος κατασκευάζεται, ῥύακας γενέσθαι πολλοὺς ἀργύρου καθαροῦ. [4] τῆς δὲ τούτου χρείας ἀγνοουμένης παρὰ τοῖς ἐγχωρίοις, τοὺς Φοίνικας ἐμπορίαις χρωμένους καὶ τὸ γεγονὸς μαθόντας ἀγοράζειν τὸν ἄργυρον μικρὰς τινας ἀντιδόσεως ἄλλων φορτίων. διὸ δὴ τοὺς Φοίνικας μετακομίζοντας εἰς τε τὴν Ἑλλάδα καὶ τὴν Ἀσίαν καὶ τὰλλα πάντα ἔθνη μεγάλους περιποιήσασθαι πλούτους. ἐπὶ τοσοῦτο δὲ τοὺς ἐμπόρους διατείνει τῆς φιλοκερδίας, ὥστε ἐπειδὰν καταγόμεν ὄντων τῶν πλοίων περιτεύῃ πολὺς ἄργυρος, ἐκκόπτειν τὸν ἐν ταῖς ἀγκύραις μόλιβδον, καὶ ἐκ τοῦ ἀργύρου τὴν ἐκ τοῦ μόλιβδου χρεῖαν ἀλλάττεσθαι. [5] διόπερ ἐπὶ πολλοὺς χρόνους οἱ Φοίνικες διὰ τῆς

τοιαύτης ἐμπορίας ἐπὶ πολὺ λαβόντες αὐξήσιν ἀποικίας πολλὰς ἀπέστειλαν, τὰς μὲν εἰς Σικελίαν καὶ τὰς σύνεγγυς ταύτης νήσους, τὰς δ' εἰς τὴν Λιβύην καὶ Σαρδόνα καὶ τὴν Ἰβηρίαν.

ὕστερον δὲ πολλοῖς χρόνοις οἱ μὲν Ἰβηρες μαθόντες τὰ περὶ τὸν ἄργυρον ιδιώματα κατεσκεύασαν ἀξιόλογα μέταλλα: διόπερ ἄργυρον κάλλιστον καὶ σχεδόν τι πλεῖστον κατασκευάζοντες μεγάλας ἐλάμβανον προσόδους. ὁ δὲ τρόπος τῆς μεταλλείας καὶ τῶν ἔργων τοιοῦτός τις ἐστὶ παρὰ τοῖς Ἰβηρσιν. [2] ὄντων χαλκοῦ καὶ χρυσοῦ καὶ ἀργύρου μετάλλων θαυμαστῶν, οἱ μὲν ἐργαζόμενοι τὰ χαλκουργεῖα τὸ τέταρτον μέρος χαλκοῦ καθαροῦ ἐκ τῆς ὀρυττομένης γῆς λαμβάνουσι, τῶν δ' ἄργυρεύοντων τινὲς ιδιωτῶν ἐν τρισὶν ἡμέραις Εὐβοϊκὸν ἐξαίρουσι τάλαντον: πᾶσα γὰρ ἡ βῶλός ἐστι ψήγματος συμπεπηγότος καὶ ἀπολάμποντος μεστή. διὸ καὶ θαυμάσαι τις ἂν τὴν τε τῆς χώρας φύσιν καὶ τὴν φιλοπονίαν τῶν ἐργαζομένων αὐτὴν ἀνθρώπων. [3] τὸ μὲν οὖν πρῶτον οἱ τυχόντες τῶν ιδιωτῶν προσεκαρτέρουν τοῖς μέταλλοις, καὶ μεγάλους ἀπεφέροντο πλούτους διὰ τὴν ἐτοιμότητα καὶ δαψύλειαν τῆς ἀργυρίτιδος γῆς: ὕστερον δὲ τῶν Ῥωμαίων κρατησάντων τῆς Ἰβηρίας, πλῆθος Ἰταλῶν ἐπεπόλασε τοῖς μέταλλοις, καὶ μεγάλους ἀπεφέροντο πλούτους διὰ τὴν φιλοκερδίαν. [4] ὠνούμενοι γὰρ πλῆθος ἀνδραπόδων παραδιδόασιν τοῖς ἐφεστηκόσι ταῖς μεταλλικαῖς ἐργασίαις: οὗτοι δὲ κατὰ πλείονας τόπους ἀνοίξαντες στόμια καὶ κατὰ βάθους ὀρύττοντες τὴν γῆν ἐρευνῶσι τὰς πολυαργύρους καὶ πολυχρύσους πλάκας τῆς γῆς: καταβαίνοντές τε οὐ μόνον εἰς μῆκος, ἀλλὰ καὶ εἰς βάθος παρεκτείνοντες ἐπὶ πολλοὺς σταδίους τὰ ὀρύγματα, καὶ πλαγίας καὶ σκολιάς διαδύσεις ποικίλως μεταλλουργοῦντες, ἀνάγουσιν ἐκ βυθῶν τὴν τὸ κέρδος αὐτοῖς παρεχομένην βῶλον.

μεγάλην δ' ἔχει παραλλαγὴν τὰ μέταλλα ταῦτα συγκρινόμενα τοῖς κατὰ τὴν Ἀττικὴν. ἐκεῖνα μὲν γὰρ οἱ μεταλλεύοντες καὶ πρὸς ταῖς ἐργασίαις μεγάλας προΐεμενοι δαπάνας ἃ μὲν ἤλπισαν ἐνίστε λαβεῖν οὐκ ἔλαβον, ἃ δ' εἶχον ἀπέβαλον, ὥστε δοκεῖν αὐτοὺς ὥσπερ αἰνίγματος τρόπον ἀτυχεῖν: [2] οἱ δὲ κατὰ τὴν Σπανίαν μεταλλουργοὶ ταῖς ἐλπίσι μεγάλους σωρεύουσι πλούτους ἐκ τούτων τῶν ἐργασιῶν. τῶν γὰρ πρώτων ἔργων ἐπιτυγχανομένων διὰ τὴν τῆς γῆς εἰς τοῦτο τὸ γένος ἀρετὴν αἰεὶ μᾶλλον εὐρίσκουσι λαμπροτέρας φλέβας, γεμούσας ἀργύρου τε καὶ χρυσοῦ: πᾶσα γὰρ ἡ σύνεγγυς γῆ διαπέπλεκται πολυμερῶς τοῖς ἐλιγμοῖς τῶν ῥάβδων. [3] ἐνίστε δὲ καὶ κατὰ βάθους ἐμπίπτουσι ποταμοῖς ῥέουσιν ὑπὸ τὴν γῆν, ὧν τῆς βίας περιγίνονται διακόπτοντες τὰς ῥύσεις αὐτῶν τὰς ἐμπιπτούσας τοῖς ὀρύγμασι πλαγίως. ταῖς γὰρ ἀδιαψεύστοις τοῦ κέρδους προσδοκίας πιεζόμενοι πρὸς τὸ τέλος ἄγουσι τὰς ιδίας ἐπιβολάς, καὶ τὸ πάντων παραδοξότατον, ἀπαρύτουσι τὰς ῥύσεις τῶν ὑδάτων τοῖς Αἰγυπτιακοῖς λεγομένοις κοχλίαις, οὓς Ἀρχιμήδης ὁ Συρακόσιος εὗρεν, ὅτε παρέβαλεν εἰς Αἴγυπτον: διὰ δὲ τούτων συνεχῶς ἐκ διαδοχῆς παραδιδόντες μέχρι τοῦ στομίου, τὸν τῶν μετάλλων τόπον ἀναξηραίνουσι καὶ κατασκευάζουσιν εὐθετον πρὸς τὴν τῆς ἐργασίας πραγματείαν. [4] φιλοτέχνου δ' ὄντος τοῦ ὀργάνου καθ' ὑπερβολὴν, διὰ τῆς τυχούσης ἐργασίας ἅπλαντον ὕδωρ ἀναρριπτεῖται παραδόξως, καὶ πᾶν τὸ ποτάμιον ρεῦμα ῥαδίως ἐκ βυθοῦ πρὸς τὴν ἐπιφάνειαν ἐκχεῖται. θαυμάσαι δ'

ἄν τις εἰκότως τοῦ τεχνίτου τὴν ἐπίνοιαν οὐ μόνον ἐν τούτοις, ἀλλὰ καὶ ἐν ἄλλοις πολλοῖς καὶ μείζοσι, διαβεβοημένοις κατὰ πᾶσαν τὴν οἰκουμένην, περὶ ὧν τὰ κατὰ μέρος ὅταν ἐπὶ τὴν Ἀρχιμήδους ἡλικίαν ἔλθωμεν ἀκριβῶς διέξιμεν.

οἱ δ' οὖν ταῖς ἐργασίαις τῶν μετάλλων ἐνδιατρίβοντες τοῖς μὲν κυρίοις ἀπίστους τοῖς πλήθεσι προσόδους περιποιοῦσιν, αὐτοὶ δὲ κατὰ γῆς ἐν τοῖς ὀρύγμασι καὶ καθ' ἡμέραν καὶ νύκτα καταξαινόμενοι τὰ σώματα, πολλοὶ μὲν ἀποθνήσκουσι διὰ τὴν ὑπερβολὴν τῆς κακοπαθείας: ἄνεσις γὰρ ἢ παῦλα τῶν ἔργων οὐκ ἔστιν αὐτοῖς, ἀλλὰ ταῖς τῶν ἐπιστατῶν πληγαῖς ἀναγκάζοντων ὑπομένειν τὴν δεινότητα τῶν κακῶν ἀτυχῶς προΐενται τὸ ζῆν, τινὲς δὲ ταῖς δυνάμεσι τῶν σωμάτων καὶ ταῖς τῶν ψυχῶν καρτερίαις ὑπομένοντες πολυχρόνιον ἔχουσι τὴν ταλαιπωρίαν: αἰρετώτερος γὰρ αὐτοῖς ὁ θάνατός ἐστι τοῦ ζῆν διὰ τὸ μέγεθος τῆς ταλαιπωρίας. [2] πολλῶν δ' ὄντων περὶ τὰς προειρημένας μεταλλείας παραδόξων, οὐχ ἥκιστ' ἂν τις θαυμάσειε διότι τῶν μεταλλουργιῶν οὐδὲν πρόσφατον ἔχει τὴν ἀρχήν, πάντα δ' ὑπὸ τῆς Καρχηδονίων φιλαργυρίας ἀνέωχθη καθ' ὃν καιρὸν καὶ τῆς Ἰβηρίας ἐπεκράτουν. ἐκ τούτων γὰρ ἔσχον τὴν ἐπὶ πλέον αὐξήσιν, μισθούμενοι τοὺς κρατίστους στρατιώτας καὶ διὰ τούτων πολλοὺς καὶ μεγάλους πολέμους διαπολεμήσαντες. [3] καθόλου γὰρ αἰεὶ Καρχηδόνιοι διεπολέμουν οὔτε πολιτικοῖς στρατιώταις οὔτε τοῖς ἀπὸ τῶν συμμάχων ἀθροιζόμενοις πεποιθότες, ἀλλὰ καὶ Ῥωμαίους καὶ Σικελιώτας καὶ τοὺς κατὰ τὴν Λιβύην οἰκοῦντας εἰς τοὺς μεγίστους ἦγον κινδύνους καταπλουτομαχοῦντες ἅπαντας διὰ τὴν ἐκ τῶν μετάλλων γινομένην εὐπορίαν. δεινοὶ γάρ, ὡς ἔοικεν, ὑπῆρξαν οἱ Φοίνικες ἐκ παλαιῶν χρόνων εἰς τὸ κέρδος εὐρεῖν, οἱ δ' ἀπὸ τῆς Ἰταλίας εἰς τὸ μηδὲν μηδενὶ τῶν ἄλλων καταλιπεῖν. [4] γίνεται δὲ καὶ καττίτερος ἐν πολλοῖς τόποις τῆς Ἰβηρίας, οὐκ ἐξ ἐπιτολῆς εὐρισκόμενος, ὡς ἐν ταῖς ἱστορίαις τινὲς τεθρυλήκασιν, ἀλλ' ὀρυττόμενος καὶ χωνευόμενος ὁμοίως ἀργύρῳ τε καὶ χρυσῷ. ὑπεράνω γὰρ τῆς τῶν Λυσιτανῶν χώρας ἔστι μέταλλα πολλὰ τοῦ καττιτέρου, κατὰ τὰς προκειμένας τῆς Ἰβηρίας ἐν τῷ ὠκεανῷ νησιῶδες τὰς ἀπὸ τοῦ συμβεβηκότος Καττιτερίδας ὀνομασμένας. [5] πολὺς δὲ καὶ ἐκ τῆς Πρεττανικῆς νήσου διακομίζεται πρὸς τὴν κατ' ἀντικρὺ κειμένην Γαλατίαν, καὶ διὰ τῆς μεσογείου Κελτικῆς ἐφ' ἵππων ὑπὸ τῶν ἐμπόρων ἄγεται παρά τε τοὺς Μασσαλιώτας καὶ εἰς τὴν ὀνομαζομένην πόλιν Ναρθῶνα: αὕτη δ' ἐστὶν ἄποικος μὲν Ῥωμαίων, διὰ δὲ τὴν εὐκαιρίαν καὶ τὴν εὐπορίαν μέγιστον ἐμπόριον ἔχουσα τῶν ἐν ἐκείνοις τοῖς τόποις.

ἡμεῖς δ' εἴπει τὰ κατὰ τοὺς Γαλάτας καὶ τοὺς Κελτίβηρας, ἔτι δ' Ἰβηρας διήλθομεν, ἐπὶ τοὺς Λίγυας μεταβησόμεθα. οὗτοι γὰρ νέμονται μὲν χώραν τραχεῖαν καὶ παντελῶς λυπρὰν, τοῖς δὲ πόνοις καὶ ταῖς κατὰ τὴν λειτουργίαν συνεχέσι κακοπαθείαις ἐπίπονόν τινα βίον καὶ ἀτυχῇ ζῶσι. [2] καταδένδρου γὰρ τῆς χώρας οὔσης, οἱ μὲν αὐτῶν ὕλοτομοῦσι δι' ὅλης τῆς ἡμέρας σιδηροφοροῦντες ἐνεργοὺς πελέκεις καὶ βαρεῖς, οἱ δὲ τὴν γῆν ἐργαζόμενοι τὸ πλέον πέτρας λατομοῦσι διὰ τὴν ὑπερβολὴν τῆς τραχύτητος: οὐδεμίαν γὰρ βῶλον τοῖς ἐργαλείοις ἀνασπῶσιν ἄνευ λίθου. καὶ τοιαύτην ἔχοντες ἐν τοῖς ἔργοις κακοπάθειαν τῇ συνεχείᾳ περιγίνονται τῆς φύσεως, καὶ πολλὰ

μοχθήσαντες ὀλίγους καρπούς καὶ μόγις λαμβάνουσι. διὰ δὲ τὴν συνέχειαν τῶν γυμνασιῶν καὶ τὸ τῆς τροφῆς ἔλλιπές τοῖς σώμασιν ὑπάρχουσιν ἰσχυοὶ καὶ εὐτονοὶ. πρὸς δὲ τὴν κακοπάθειαν ταύτην συνεργοὺς ἔχουσι τὰς γυναῖκας, εἰθισμένας ἐπ' ἴσης τοῖς ἀνδράσιν ἐργάζεσθαι. [3] κυνηγίας δὲ ποιοῦνται συνεχεῖς, ἐν αἷς πολλὰ τῶν θηρίων χειροῦμενοι τὴν ἐκ τῶν καρπῶν σπάνιν διορθοῦνται. διόπερ ἐμβιοῦντες ὄρεσι χιονοβολουμένοις καὶ τραχύτητας ἀπίστους ὀρειβατεῖν εἰωθότες, εὐτονοὶ καὶ μυῶδεις γίνονται τοῖς σώμασιν. [4] ἔνιοι δὲ διὰ τὴν παρ' αὐτοῖς σπανοκαρπίαν πίνουσι μὲν ὕδωρ, σαρκοφαγοῦσι δὲ τὰς τῶν ἡμέρων τε καὶ ἀγρίων ζώων σάρκας καὶ τῶν ἀπὸ τῆς χώρας λαχάνων ἐμπίμπλονται, τὴν χώραν ἔχοντες ἄβατον τοῖς προσφιλεστάτοις τῶν θεῶν Δῆμητρι καὶ Διονύσῳ. [5] νυκτερεύουσι δ' ἐπὶ τῆς χώρας σπανίως μὲν ἔντισιν εὐτελέσιν ἐπαύλεσιν ἢ καλιαῖς, τὰ δὲ πολλὰ ἐν ταῖς κοίλαις πέτραις καὶ σπηλαίοις αὐτοφύεσι καὶ δυναμένοις σκέπην ἱκανὴν παρέχεσθαι. [6] ἀκολούθως δὲ τούτοις καὶ τᾶλλα ποιοῦσι, διαφυλάττοντες τὸν ἀρχαῖον καὶ ἀκατάσκευον βίον. καθόλου δ' ἐν τοῖς τόποις αἱ μὲν γυναῖκες ἀνδρῶν, οἱ δ' ἄνδρες θηρίων ἔχουσιν εὐτονίαν καὶ ἀλκὴν. πολλάκις γοῦν φασιν ἐν ταῖς στρατείαις τὸν μέγιστον τῶν Γαλατῶν ὑπὸ Λίγυος ἰσχυοῦ παντελῶς ἐκ προκλήσεως μονομαχήσαντα ἀνηρῆσθαι. [7] ὀπλισμὸν δ' ἔχουσιν οἱ Λίγυες ἐλαφρότερον τῶν Ῥωμαίων τῇ κατασκευῇ: σκεπάζει γὰρ αὐτοὺς παραμήκης θυρεὸς εἰς τὸν Γαλατικὸν ῥυθμὸν δεδημιουργημένος καὶ χιτῶν συνειλημμένος ζωστήρι, καὶ περιτίθενται θηρίων δοράς καὶ ξίφος σύμμετρον: τινὲς δ' αὐτῶν διὰ τὴν ἐπιμιξίαν τῆς Ῥωμαίων πολιτείας μετεσχημάτισαν τὸν ὀπλισμόν, ἐξομοιοῦντες ἑαυτοὺς τοῖς ἡγουμένοις. [8] θρασεῖς δ' εἰσὶ καὶ γενναῖοι οὐ μόνον εἰς πόλεμον, ἀλλὰ καὶ πρὸς τὰς ἐν τῷ βίῳ περιστάσεις τὰς ἐχούσας δεινότητος. ἐμπορευόμενοι γὰρ πλέουσι τὸ Σαρδόνιον καὶ τὸ Λιβυκὸν πέλαγος, ἐτοίμως ἑαυτοὺς ῥιπτοῦντες εἰς ἀβοηθήτους κινδύνους: σκάφεσι γὰρ χρώμενοι τῶν σχεδίων εὐτελεστέροις καὶ τοῖς ἄλλοις τοῖς κατὰ ναῦν χρησίμοις ἥκιστα κατεσκευασμένοις ὑπομένουσι τὰς ἐκ τῶν χειμῶνων φοβερωτάτας περιστάσεις καταπληκτικῶς.

λείπεται δ' ἡμῖν εἰπεῖν περὶ τῶν Τυρρηνῶν. οὗτοι γὰρ τὸ μὲν παλαιὸν ἀνδρεῖά διενεγκόντες χώραν πολλὴν κατεκτήσαντο καὶ πόλεις ἀξιολόγους καὶ πολλὰς ἔκτισαν. ὁμοίως δὲ καὶ ναυτικαῖς δυνάμεσιν ἰσχύσαντες καὶ πολλοὺς χρόνους θαλαττοκρατήσαντες τὸ μὲν παρὰ τὴν Ἰταλίαν πέλαγος ἀφ' ἑαυτῶν ἐποίησαν Τυρρηνικὸν προσαγορευθῆναι, τὰ δὲ κατὰ τὰς πεζὰς δυνάμεις ἐκπονήσαντες τὴν τε σάλπιγγα λεγομένην ἐξεῦρον, εὐχρηστοτάτην μὲν εἰς τοὺς πολέμους, ἀπ' ἐκείνων δ' ὀνομασθεῖσαν Τυρρηνήν, τό τε περὶ τοὺς ἡγουμένους στρατηγοὺς ἀξίωμα κατεσκεύασαν, περιθέντες τοῖς ἡγουμένοις ῥαβδούχους καὶ δίφρον ἐλεφάντινον καὶ περιτόρφυρον τήβενναν, ἔν τε ταῖς οἰκίαις τὰ περίστωα πρὸς τὰς τῶν θεραπευόντων ὄχλων ταραχὰς ἐξεῦρον εὐχρηστίαν: ὧν τὰ πλεῖστα Ῥωμαῖοι μιμησάμενοι καὶ πρὸς τὸ κάλλιον αὐξήσαντες μετήνεγκαν ἐπὶ τὴν ἰδίαν πολιτείαν. [2] γράμματα δὲ καὶ φυσιολογίαν καὶ θεολογίαν ἐξεπόνησαν ἐπὶ πλεόν, καὶ τὰ περὶ τὴν κεραυνοσκοπίαν μάλιστα πάντων ἀνθρώπων ἐξειργάσαντο: διὸ καὶ μέχρι τῶν νῦν χρόνων οἱ τῆς οἰκουμένης σχεδὸν ὅλης ἡγούμενοι θαυμάζουσί τε τοὺς

ἄνδρας καὶ κατὰ τὰς ἐν τοῖς κεραυνοῖς διοσημείας τούτοις ἐξηγηταῖς χρῶνται. [3] χώραν δὲ νεμόμενοι πάμπορον, καὶ ταύτην ἐξεργαζόμενοι, καρπῶν ἀφθονίαν ἔχουσιν οὐ μόνον πρὸς τὴν ἄρκοῦσαν διατροφήν, ἀλλὰ καὶ πρὸς ἀπόλαυσιν δαψιλῇ καὶ τρυφῇ ἀνήκουσαν. παρατίθενται γὰρ δις τῆς ἡμέρας τραπέζας πολυτελεῖς καὶ τᾶλλα τὰ πρὸς τὴν ὑπερβάλλουσαν τρυφὴν οἰκεῖα, στρωμνὰς μὲν ἀνθεινὰς κατασκευάζοντες, ἐκπωμάτων δ' ἀργυρῶν παντοδαπῶν πλῆθος καὶ τῶν διακονούντων οἰκετῶν οὐκ ὀλίγον ἀριθμὸν ἡτοιμακότες· καὶ τούτων οἱ μὲν εὐπρεπεῖα διαφέροντές εἰσιν, οἱ δ' ἐσθῆσι πολυτελεστέραις ἢ κατὰ δουλικὴν ἀξίαν κεκόσμηνται. [4] οἰκῆσεις τε παντοδαπὰς ἰδιαζούσας ἔχουσι παρ' αὐτοῖς οὐ μόνον οἱ θεράποντες, ἀλλὰ καὶ τῶν ἐλευθέρων οἱ πλείους. καθόλου δὲ τὴν μὲν ἐκ παλαιῶν χρόνων παρ' αὐτοῖς ζηλουμένην ἀλκὴν ἀποβεβλήκασιν, ἐν πότοις δὲ καὶ ῥαθυμίαις ἀνάνδροις βιοῦντες οὐκ ἀλόγως τὴν τῶν πατέρων δόξαν ἐν τοῖς πολέμοις ἀποβεβλήκασιν. [5] συνεβάλετο δ' αὐτοῖς πρὸς τὴν τρυφὴν οὐκ ἐλάχιστον καὶ ἡ τῆς χώρας ἀρετὴ· πάμπορον γὰρ καὶ παντελῶς εὐγείον νεμόμενοι παντὸς καρποῦ πλῆθος ἀποθησαυρίζουσιν. καθόλου γὰρ ἡ Τυρρηνία παντελῶς εὐγείας οὐσα πεδίοις ἀναπεπταμένοις ἐγκάθεται καὶ βουνοειδέσιν ἀναστήμασι τόπων διείληπται γεωργησίμοις· ὕγρα δὲ μετρίως ἐστὶν οὐ μόνον κατὰ τὴν χειμερινὴν ὥραν, ἀλλὰ καὶ κατὰ τὸν τοῦ θέρους καιρὸν.

ἐπεὶ δὲ περὶ τῆς πρὸς ἐσπέραν κεκλιμένης χώρας καὶ τῆς πρὸς τὰς ἄρκτους νενευκυίας, ἔτι δὲ τῶν κατὰ τὸν ὠκεανὸν νήσων διεξήλθομεν, ἐν μέρει διέξιμεν περὶ τῶν κατὰ τὴν μεσημβρίαν νήσων τῶν ἐν ὠκεανῷ τῆς Ἀραβίας τῆς πρὸς ἀνατολὴν κεκλιμένης καὶ προσοριζούσης τῇ καλουμένῃ Κεδρωσίᾳ. [2] ἡ μὲν γὰρ χώρα πολλαῖς κόμαις καὶ πόλεσιν ἀξιολόγοις κατοικεῖται, καὶ τούτων αἱ μὲν ἐπὶ χωμάτων ἀξιολόγων κεῖνται, αἱ δ' ἐπὶ γεωλόφων ἢ πεδίων καθίδρυνται· ἔχουσι δ' αὐτῶν αἱ μέγισται βασιλεία κατεσκευασμένα πολυτελῶς, πλῆθος οἰκητόρων ἔχοντα καὶ κτήσεις ἱκανάς. [3] πᾶσα δ' αὐτῶν ἡ χώρα γέμει θρεμμάτων παντοδαπῶν, καρποφοροῦσα καὶ νομὰς ἀφθόνους παρεχομένη τοῖς βοσκήμασι· ποταμοὶ τε πολλοὶ διαρρέοντες ἐν αὐτῇ πολλὴν ἀρδεύουσι χώραν, συνεργοῦντες πρὸς τελείαν αὐξήσιν τῶν καρπῶν. διὸ καὶ τῆς Ἀραβίας ἡ πρωτεύουσα τῇ ἀρετῇ προσηγορίαν ἔλαβεν οἰκεῖαν, εὐδαίμων ὀνομασθεῖσα. [4] ταύτης δὲ κατὰ τὰς ἐσχατίας τῆς παρωκεανίτιδος χώρας κατ' ἀντικρὺ νῆσοι κεῖνται πλείους, ὧν τρεῖς εἰσιν ἄξιοι τῆς ἱστορικῆς ἀναγραφῆς, μία μὲν ἡ προσαγορευομένη Ἰερά, καθ' ἣν οὐκ ἔξεστι τοὺς τετελευτηκότας θάπτειν, ἑτέρα δὲ πλησίον ταύτης, ἀπέχουσα σταδίους ἐπτὰ, εἰς ἣν κομίζουσι τὰ σώματα τῶν ἀποθανόντων ταφῆς ἀξιοῦντες. ἡ δ' οὖν Ἰερά τῶν μὲν ἄλλων καρπῶν ἁμοιρὸς ἐστὶ, φέρει δὲ λιβανωτοῦ τοσοῦτο πλῆθος, ὥστε διαρκεῖν καθ' ὅλην τὴν οἰκουμένην πρὸς τὰς τῶν θεῶν τιμὰς· ἔχει δὲ καὶ σμύρνης πλῆθος διάφορον καὶ τῶν ἄλλων θυμιαμάτων παντοδαπὰς φύσεις, παρεχομένης πολλὴν εὐωδίαν. [5] ἡ δὲ φύσις ἐστὶ τοῦ λιβανωτοῦ καὶ ἡ κατασκευὴ τοιάδε· δένδρον ἐστὶ τῷ μὲν μεγέθει μικρόν, τῇ δὲ προσόψει τῇ ἀκάνθῃ τῇ Αἰγυπτίᾳ τῇ λευκῇ παρεμφερές, τὰ δὲ φύλλα τοῦ δένδρου ὅμοια τῇ ὀνομαζομένῃ ἰτέα, καὶ τὸ ἄνθος ἐπ' αὐτῷ φύεται χρυσοειδές, ὃ δὲ λιβανωτὸς γινόμενος ἐξ αὐτοῦ ὀπίζεται ὡς ἂν δάκρυον. [6] τὸ δὲ τῆς σμύρνης δένδρον

ὁμοίον ἐστί τῇ σχίνῳ, τὸ δὲ φύλλον ἔχει λεπτότερον καὶ πυκνότερον. ὀπίζεται δὲ περισκαφείσης τῆς γῆς ἀπὸ τῶν ῥιζῶν, καὶ ὅσα μὲν αὐτῶν ἐν ἀγαθῇ γῇ πέφυκεν, ἐκ τούτων γίνεται δις τοῦ ἐνιαυτοῦ, ἔαρος καὶ θερούς· καὶ ὁ μὲν πυρρὸς ἑαρινὸς ὑπάρχει διὰ τὰς δρόσους, ὁ δὲ λευκὸς θερινὸς ἐστί. τοῦ δὲ παλιούρου συλλέγουσι τὸν καρπὸν, καὶ χρῶνται βρωτοῖς καὶ ποτοῖς καὶ πρὸς τὰς κοιλίας τὰς ρεούσας φαρμάκῳ.

διήρηται δὲ τοῖς ἐγχωρίοις ἡ χώρα, καὶ ταύτης ὁ βασιλεὺς λαμβάνει τὴν κρατίστην, καὶ τῶν καρπῶν τῶν γινομένων ἐν τῇ νήσῳ δεκάτην λαμβάνει. τὸ δὲ πλάτος τῆς νήσου φασὶν εἶναι σταδίων ὡς διακοσίων. [2] κατοικοῦσι δὲ τὴν νήσον οἱ καλούμενοι Παγχαῖοι, καὶ τὸν τε λιβανωτὸν καὶ τὴν σμύρναν κομίζουσιν εἰς τὸ πέραν καὶ πωλοῦσι τοῖς τῶν Ἀράβων ἐμπόροις, παρ' ὧν ἄλλοι τὰ τοιαῦτα φορτία ὠνούμενοι διακομίζουσιν εἰς τὴν Φοινίκην καὶ Κοίλην Συρίαν, ἔτι δ' Αἴγυπτον, τὸ δὲ τελευταῖον ἐκ τούτων τῶν τόπων ἔμποροι διακομίζουσιν εἰς πᾶσαν τὴν οἰκουμένην. [3] ἔστι δὲ καὶ ἄλλη νῆσος μεγάλη, τῆς προειρημένης ἀπέχουσα σταδίους τριάκοντα, εἰς τὸ πρὸς ἕω μέρος τοῦ ὠκεανοῦ κειμένη, τῷ μήκει πολλῶν τινῶν σταδίων· ἀπὸ γὰρ τοῦ πρὸς ἀνατολὰς ἀνήκοντος ἀκρωτηρίου φασὶ θεωρεῖσθαι τὴν Ἰνδικὴν ἄεριον διὰ τὸ μέγεθος τοῦ [4] διαστήματος. ἔχει δ' ἡ Παγχαία κατ' αὐτὴν πολλὰ τῆς ἱστορικῆς ἀναγραφῆς ἄξια. κατοικοῦσι δ' αὐτὴν αὐτόχθονες μὲν οἱ Παγχαῖοι λεγόμενοι, ἐπὶ ἡλύδες δ' Ὠκεανῖται καὶ Ἴνδοι καὶ Σκύθαι καὶ Κρήτες. [5] πόλις δ' ἔστιν ἀξίολογος ἐν αὐτῇ, προσαγορευομένη μὲν Πανάρα, εὐδαιμονία δὲ διαφέρουσα. οἱ δὲ ταύτην οἰκοῦντες καλοῦνται μὲν ἰκέται τοῦ Διὸς τοῦ Τριφυλίου, μόνοι δ' εἰσὶ τῶν τὴν Παγχαίαν χώραν οἰκούντων αὐτόνομοι καὶ ἀβασίλευτοι. ἄρχοντας δὲ καθιστᾶσι κατ' ἐνιαυτὸν τρεῖς· οὗτοι δὲ θανάτου μὲν οὐκ εἰσὶ κύριοι, τὰ δὲ λοιπὰ πάντα διακρίνουσι· καὶ αὐτοὶ δὲ οὗτοι τὰ μέγιστα ἐπὶ τοὺς ἱερεῖς ἀναφέρουσιν. [6] ἀπὸ δὲ ταύτης τῆς πόλεως ἀπέχει σταδίους ὡς ἐξήκοντα ἱερὸν Διὸς Τριφυλίου, κείμενον μὲν ἐν χώρᾳ πεδιάδι, θαυμαζόμενον δὲ μάλιστα διὰ τε τὴν ἀρχαιότητα καὶ τὴν πολυτέλειαν τῆς κατασκευῆς καὶ τὴν τῶν τόπων εὐφυΐαν.

τὸ μὲν οὖν περὶ τὸ ἱερὸν πεδῖον συνηρεφές ἐστί παντοίοις δένδρεσιν, οὐ μόνον καρποφόροις, ἀλλὰ καὶ τοῖς ἄλλοις τοῖς δυναμένοις τέρπειν τὴν ὄρασιν· κυπαρίττων τε γὰρ ἐξαισίων τοῖς μεγέθεσι καὶ πλατάνων καὶ δάφνης καὶ μυρσίνης καταγέμει, πλήθοντος τοῦ τόπου ναματιαίων ὑδάτων. [2] πλησίον γὰρ τοῦ τεμένους ἐκ τῆς γῆς ἐκπίπτει τηλικαύτη τὸ μέγεθος πηγὴ γλυκέος ὕδατος, ὥστε ποταμὸν ἐξ αὐτῆς γίνεσθαι πλωτόν· ἐκ τούτου δ' εἰς πολλὰ μέρη τοῦ ὕδατος διαιρουμένου, καὶ τούτων ἀρδευομένων, κατὰ πάντα τὸν τοῦ πεδίου τόπον συνάγκειαι δένδρων ὑψηλῶν πεφύκασιν συνεχεῖς, ἐν αἷς πλῆθος ἀνδρῶν ἐν τοῖς τοῦ θερούς καιροῖς ἐνδιατρίβει, ὀρνέων τε πλῆθος παντοδαπῶν ἐννεοττεύεται, ταῖς χρόαις διάφορα καὶ ταῖς μελωδίαις μεγάλην παρεχόμενα τέρψιν, κηπεῖαί τε παντοδαπαὶ καὶ λειμῶνες πολλοὶ καὶ διάφοροι ταῖς χλόαις καὶ τοῖς ἄνθεσιν, ὥστε τῇ θεοπρεπείᾳ τῆς προσόψεως ἄξιον τῶν ἐγχωρίων θεῶν φαίνεσθαι. [3] ἦν δὲ καὶ τῶν φοινίκων στελέχη μεγάλα καὶ καρποφόρα διαφερόντως καὶ καρύαι πολλαὶ ἀκροδρῶν δαφυλεστάτην τοῖς ἐγχωρίοις ἀπόλαυσιν παρεχόμεναι. χωρὶς δὲ τούτων ὑπῆρχον ἄμπελοί τε

πολλαὶ καὶ παντοδαπαί, αἱ πρὸς ὕψος ἀνηγγμέναι καὶ διαπεπλεγμέναι ποικίλως τὴν πρόσοψιν ἡδεῖαν ἐποιοῦν καὶ τὴν ἀπόλαυσιν τῆς ὥρας ἐτοιμοτάτην παρεῖχοντο.

ὁ δὲ ναὸς ὑπῆρχεν ἀξιόλογος ἐκ λίθου λευκοῦ, τὸ μήκος ἔχων δυεῖν πλέθρων, τὸ δὲ πλάτος ἀνάλογον τῷ μήκει: κίοσι δὲ μεγάλοις καὶ παχέσιν ὑπῆρειστο καὶ γλυφαῖς φιλοτέχνους διελημμένος: ἀγάλματά τε τῶν θεῶν ἀξιολογώτατα, τῇ τέχνῃ διάφορα καὶ τοῖς βάρεσι θαυμαζόμενα. [2] κύκλῳ δὲ τοῦ ναοῦ τὰς οἰκίας εἶχον οἱ θεραπεύοντες τοὺς θεοὺς ἱερεῖς, δι' ὧν ἅπαντα τὰ περὶ τὸ τέμενος διωκεῖτο. ἀπὸ δὲ τοῦ ναοῦ δρόμος κατεσκεύαστο, τὸ μὲν μήκος σταδίων τεττάρων, [3] τὸ δὲ πλάτος πλέθρου. παρὰ δὲ τὴν πλευρὰν ἐκατέραν τοῦ δρόμου χαλκεῖα μεγάλα κεῖται, τὰς βάσεις ἔχοντα τετραγώνους: ἐπ' ἐσχάτῳ δὲ τοῦ δρόμου τὰς πηγὰς ἔχει λάβρως ἐκχεομένας ὁ προειρημένος ποταμός. ἔστι δὲ τὸ φερόμενον ῥεῦμα τῇ λευκότητι καὶ γλυκύτητι διαφέρον, πρὸς τε τὴν τοῦ σώματος ὑγίειαν πολλὰ συμβαλλόμενον τοῖς χρωμένοις: ὀνομάζεται δ' ὁ ποταμός οὗτος ἡλίου ὕδωρ. [4] περιέχει δὲ τὴν πηγὴν ὅλην κρητὶς λιθίνη πολυτελής, διατείνουσα παρ' ἐκατέραν πλευρὰν σταδίους τέτταρας: ἄχρι δὲ τῆς ἐσχάτης κρητῖδος ὁ τόπος οὐκ ἔστι βάσιμος ἀνθρώπῳ πλὴν τῶν ἱερέων. [5] τὸ δ' ὑποκείμενον πεδῖον ἐπὶ σταδίους διακοσίους καθιερωμένον ἐστὶ τοῖς θεοῖς, καὶ τὰς ἐξ αὐτοῦ προσόδους εἰς τὰς θυσίας ἀναλίσκουσι. μετὰ δὲ τὸ προειρημένον πεδῖον ὄρος ἐστὶν ὑψηλόν, καθιερωμένον μὲν θεοῖς, ὀνομαζόμενον δὲ Οὐρανοῦ δίφρος καὶ Τριφύλιος Ὀλυμπος. [6] μυθολογοῦσι γὰρ τὸ παλαιὸν Οὐρανὸν βασιλεύοντα τῆς οἰκουμένης προσηνῶς ἐνδιατρίβειν ἐν τῷδε τῷ τόπῳ, καὶ ἀπὸ τοῦ ὕψους ἐφορᾶν τὸν τε οὐρανὸν καὶ τὰ κατ' αὐτὸν ἄστρα, ὕστερον δὲ Τριφύλιον Ὀλυμπον κληθῆναι διὰ τὸ τοὺς κατοικοῦντας ὑπάρχειν ἐκ τριῶν ἐθνῶν: ὀνομάζεσθαι δὲ τοὺς μὲν Παγχαίους, τοὺς δ' Ὀκεανίτας, τοὺς δὲ Δῶρους: οὗς ὕστερον ὑπὸ Ἀμμωνος ἐκβληθῆναι. [7] τὸν γὰρ Ἀμμωνά φασι μὴ μόνον φυγαδεῦσαι τοῦτο τὸ ἔθνος, ἀλλὰ καὶ τὰς πόλεις αὐτῶν ἄρδην ἀνελεῖν, καὶ κατασκάψαι τὴν τε Δῶραν καὶ Ἀστερουσίαν. θυσίαν τε κατ' ἐνιαυτὸν ἐν τούτῳ τῷ ὄρει ποιεῖν τοὺς ἱερεῖς μετὰ πολλῆς τῆς ἀγνείας.

μετὰ δὲ τὸ ὄρος τοῦτο καὶ κατὰ τὴν ἄλλην Παγχαῖτιν χώραν ὑπάρχειν φασι ζῶων παντοδαπῶν πλῆθος: ἔχειν γὰρ αὐτὴν ἐλέφαντάς τε πολλοὺς καὶ λέοντας καὶ παρδάλεις καὶ δορκάδας καὶ ἄλλα θηρία πλείω διάφορα ταῖς τε προσόψεσι καὶ ταῖς ἀλκαῖς θαυμαστά. [2] ἔχει δὲ ἡ νῆσος αὕτη καὶ πόλεις τρεῖς ἀξιολόγους, Ὑρακίαν καὶ Δαλίδαν καὶ Ὀκεανίδα. τὴν δὲ χώραν ὅλην εἶναι καρποφόρον, καὶ μάλιστα οἶνων παντοδαπῶν ἔχειν πλῆθος. [3] εἶναι δὲ τοὺς ἄνδρας πολεμικοὺς καὶ ἄρμασι χρῆσθαι κατὰ τὰς μάχας ἀρχαϊκῶς. τὴν δ' ὅλην πολιτείαν ἔχουσι τριμερῇ, καὶ πρῶτον ὑπάρχει μέρος παρ' αὐτοῖς τὸ τῶν ἱερέων, προσκειμένων αὐτοῖς τῶν τεχνιτῶν, δευτέρα δὲ μερὶς ὑπάρχει τῶν γεωργῶν, τρίτη δὲ τῶν στρατιωτῶν, προστιθεμένων τῶν νομέων. [4] οἱ μὲν οὖν ἱερεῖς τῶν ἀπάντων ἦσαν ἡγεμόνες, τὰς τε τῶν ἀμφισβητήσεων κρίσεις ποιοῦμενοι καὶ τῶν ἄλλων τῶν δημοσίων πραττομένων κύριοι: οἱ δὲ γεωργοὶ τὴν γῆν ἐργαζόμενοι τοὺς καρποὺς ἀναφέρουσιν εἰς τὸ κοινόν, καὶ ὅστις ἂν αὐτῶν δοκῇ μάλιστα γεγεωργηκέναί, λαμβάνει γέρας ἐξαίρετον ἐν τῇ

διαίρεσει τῶν καρπῶν, κριθεῖς ὑπὸ τῶν ἱερέων ὁ πρῶτος καὶ ὁ δευτέρος καὶ οἱ λοιποὶ μέχρι δέκα, [5] προτροπῆς ἕνεκα τῶν ἄλλων. παραπλησίως δὲ τούτοις καὶ οἱ νομεῖς τὰ τε ἱερεῖα καὶ τᾶλλα παραδιδόασιν εἰς τὸ δημόσιον, τὰ μὲν ἀριθμῶ, τὰ δὲ σταθμῶ, μετὰ πάσης ἀκριβείας. καθόλου γὰρ οὐδὲν ἔστιν ἰδίᾳ κτήσασθαι πλὴν οἰκίας καὶ κήπου, πάντα δὲ τὰ γεννήματα καὶ τὰς προσόδους οἱ ἱερεῖς παραλαμβάνοντες τὸ ἐπιβάλλον ἐκάστῳ δικαίως ἀπονέμουσι, τοῖς δ' ἱερεῦσι μόνοις δίδονται διπλάσιον. [6] χρῶνται δ' ἐσθῇσι μὲν μαλακαῖς διὰ τὸ παρ' αὐτοῖς πρόβατα ὑπάρχειν διαφέροντα τῶν ἄλλων διὰ τὴν μαλακότητα: φοροῦσι δὲ καὶ κόσμον χρυσοῦν οὐ μόνον αἱ γυναῖκες, ἀλλὰ καὶ οἱ ἄνδρες, περὶ μὲν τοὺς τραχήλους ἔχοντες στρεπτοὺς κύκλους, περὶ δὲ τὰς χεῖρας ψέλια, ἐκ δὲ τῶν ὧτων παραπλησίως τοῖς Πέρσαις ἐξηρητημένους κρίκους. ὑποδέσσει δὲ κοίλαις χρῶνται καὶ τοῖς χρώμασι πεποικιλμέναις περιττότερον.

οἱ δὲ στρατιῶται λαμβάνοντες τὰς μεμερισμένας συντάξεις φυλάττουσι τὴν χώραν, διειληφότες ὀχυρώμασι καὶ παρεμβολαῖς: ἔστι γάρ τι μέρος τῆς χώρας ἔχον ληστήρια θρασέων καὶ παρανόμων ἀνθρώπων, οἱ τοὺς γεωργοὺς ἐνεδρεύοντες πολεμοῦσι τούτους. [2] αὐτοὶ δ' οἱ ἱερεῖς πολὺ τῶν ἄλλων ὑπερέχουσι τρυφῇ καὶ ταῖς ἄλλαις ταῖς ἐν τῷ βίῳ καθαριότησι καὶ πολυτελείαις: στολὰς μὲν γὰρ ἔχουσι λινᾶς, τῇ λεπτότητι καὶ μαλακότητι διαφόρους, ποτὲ δὲ καὶ τὰς ἐκ τῶν μαλακωτάτων ἐρίων κατεσκευασμένας ἐσθῆτας φοροῦσι: πρὸς δὲ τούτοις μίτρας ἔχουσι χρυσοῦφεῖς: τὴν δ' ὑπόδεσιν ἔχουσι σανδάλια ποικίλα φιλοτέχνως εἰργασμένα: χρυσοφοροῦσι δ' ὁμοίως ταῖς γυναιξὶ πλὴν τῶν ἐνωτίων. προσεδρεύουσι δὲ μάλιστα ταῖς τῶν θεῶν θεραπείαις καὶ τοῖς περὶ τούτων ὕμνοις τε καὶ ἐγκωμίοις, μετ' ὧδης τὰς πράξεις αὐτῶν καὶ τὰς εἰς ἀνθρώπους εὐεργεσίας διαπορευόμενοι. [3] μυθολογοῦσι δ' οἱ ἱερεῖς τὸ γένος αὐτοῖς ἐκ Κρήτης ὑπάρχειν, ὑπὸ Διὸς ἡγμένους εἰς τὴν Παγχαίαν, ὅτε κατ' ἀνθρώπους ὦν ἐβασίλευε τῆς οἰκουμένης: καὶ τούτων σημεῖα φέρουσι τῆς διαλέκτου, δεικνύντες τὰ πολλὰ διαμένειν παρ' αὐτοῖς Κρητικῶς ὀνομαζόμενα: τὴν τε πρὸς αὐτοὺς οἰκειότητα καὶ φιλανθρωπίαν ἐκ προγόνων παρειληφέναι, τῆς φήμης ταύτης τοῖς ἐκγόνοις παραδιδομένης ἀεί. ἐδείκνυν δὲ καὶ ἀναγραφὰς τούτων, ἃς ἔφασαν τὸν Δία πεποιῆσθαι καθ' ὃν καιρὸν ἔτι κατ' ἀνθρώπους ὦν ἰδρύσατο τὸ ἱερόν. [4] ἔχει δ' ἡ χώρα μέταλλα δαψιλῇ χρυσοῦ τε καὶ ἀργύρου καὶ χαλκοῦ καὶ καττιτέρου καὶ σιδήρου: καὶ τούτων οὐδὲν ἔστιν ἐξενεγκεῖν ἐκ τῆς νήσου, τοῖς δ' ἱερεῦσιν οὐδ' ἐξελθεῖν τὸ παράπαν ἐκ τῆς καθιερωμένης χώρας: τὸν δ' ἐξελθόντα ἐξουσίαν ἔχει ὁ περιτυχὼν ἀποκτείνει. [5] ἀναθήματα δὲ χρυσᾶ καὶ ἀργυρᾶ πολλὰ καὶ μεγάλα τοῖς θεοῖς ἀνάκειται, σεσφρευκότος τοῦ χρόνου τὸ πλῆθος τῶν καθιερωμένων ἀναθημάτων. [6] τὰ τε θυρώματα τοῦ ναοῦ θαυμαστὰς ἔχει τὰς κατασκευὰς ἐξ ἀργύρου καὶ χρυσοῦ καὶ ἐλέφαντος, ἔτι δὲ θύας δεδημιουργημένας. ἡ δὲ κλίνη τοῦ θεοῦ τὸ μὲν μῆκος ὑπάρχει πηχῶν ἑξ, τὸ δὲ πλάτος τεττάρων, χρυσῇ δ' ὅλη καὶ τῇ κατὰ μέρος ἐργασία φιλοτέχνως κατεσκευασμένη. [7] παραπλήσιος δὲ καὶ ἡ τράπεζα τοῦ θεοῦ καὶ τῷ μεγέθει καὶ τῇ λοιπῇ πολυτελείᾳ παράκειται πλησίον τῆς κλίνης. κατὰ μέσην δὲ τὴν κλίνην ἔστηκε στήλη χρυσῇ μεγάλῃ, γράμματα ἔχουσα τὰ παρ' Αἰγυπτίους ἱερὰ καλούμενα, δι' ὧν ἦσαν αἱ πράξεις Οὐρανοῦ τε καὶ Διὸς ἀναγεγραμμένα,

καὶ μετὰ ταύτας αἱ Ἀρτέμιδος καὶ Ἀπόλλωνος ὑφ' Ἑρμοῦ προσαναγεγραμμέναι. περὶ μὲν οὖν τῶν κατ' ἀντικρὺ τῆς Ἀραβίας ἐν ὠκεανῷ νήσων ἀρκεσθισόμεθα τοῖς ῥηθεῖσι.

περὶ δὲ τῶν κατὰ τὴν Ἑλλάδα καὶ τὸ Αἰγαῖον πέλαγος κειμένων νῦν διέξιμεν, τὴν ἀρχὴν ἀπὸ τῆς Σαμοθράκης ποιησάμενοι. ταύτην γὰρ τὴν νῆσον ἔνιοι μὲν φασὶ τὸ παλαιὸν Σάμιον ὀνομασθῆναι, τῆς δὲ νῦν Σάμου κτισθεῖσης διὰ τὴν ὁμωνυμίαν ἀπὸ τῆς παρακειμένης τῇ παλαιᾷ Σάμῳ Θράκης Σαμοθράκην ὀνομασθῆναι. [2] ὥκησαν δ' αὐτὴν αὐτόχθονες ἄνθρωποι: διὸ καὶ περὶ τῶν πρώτων γενομένων παρ' αὐτοῖς ἀνθρώπων καὶ ἡγεμόνων οὐδεὶς παραδέδοται λόγος. ἔνιοι δὲ φασὶ τὸ παλαιὸν Σαόννησον καλουμένην διὰ τοὺς ἀποικισθέντας ἐκ τε Σάμου καὶ Θράκης Σαμοθράκην ὀνομασθῆναι. [3] ἐσχήκασιν δὲ παλαιὰν ἰδίαν διάλεκτον οἱ αὐτόχθονες, ἥς πολλὰ ἐν ταῖς θυσίαις μέχρι τοῦ νῦν τηρεῖται. οἱ δὲ Σαμόθρακες ἱστοροῦσι πρὸ τῶν παρὰ τοῖς ἄλλοις γενομένων κατακλισμῶν ἕτερον ἐκεῖ μέγαν γενέσθαι, τὸ μὲν πρῶτον τοῦ περὶ τὰς Κυανέας στόματος ῥαγέντος, μετὰ δὲ ταῦτα τοῦ Ἑλλησπόντου. [4] τὸ γὰρ ἐν τῷ Πόντῳ πέλαγος λίμνης ἔχον τάξιν μέχρι τοσοῦτου πεπληρῶσθαι διὰ τῶν εἰσρεόντων ποταμῶν, μέχρι ὅτου διὰ τὸ πλῆθος παρεκχυθὲν τὸ ῥεῦμα λάβρως ἐξέπεσεν εἰς τὸν Ἑλλησποντον καὶ πολλὴν μὲν τῆς Ἀσίας τῆς παρὰ θάλατταν ἐπέκλυσεν, οὐκ ὀλίγην δὲ καὶ τῆς ἐπιπέδου γῆς ἐν τῇ Σαμοθράκῃ θάλατταν ἐποίησε: καὶ διὰ τοῦτ' ἐν τοῖς μεταγενεστέροις καιροῖς ἐνίους τῶν ἀλιέων ἀνεσπακέναι τοῖς δικτύοις λίθινα κιονόκρανα, [5] ὥς καὶ πόλεων κατακεκλυσμένων. τοὺς δὲ περιληφθέντας προσαναδραμεῖν εἰς τοὺς ὑψηλοτέρους τῆς νήσου τόπους: τῆς δὲ θαλάττης ἀναβαινούσης αἰεὶ μᾶλλον, εὖξασθαι τοῖς θεοῖς τοὺς ἐγχωρίους, καὶ διασωθέντας κύκλῳ περὶ ὅλην τὴν νῆσον ὄρους θέσθαι τῆς σωτηρίας, καὶ βωμοὺς ἰδρύσασθαι, ἐφ' ὧν μέχρι τοῦ νῦν θύειν: ὥστ' εἶναι φανερόν ὅτι πρὸ τοῦ κατακλισμοῦ κατόικουν τὴν Σαμοθράκην.

μετὰ δὲ ταῦτα τῶν κατὰ τὴν νῆσον Σάωνα, γενόμενον, ὥς μὲν τινὲς φασιν, ἐκ Διὸς καὶ Νύμφης, ὥς δέ τινες, ἐξ Ἑρμοῦ καὶ Ῥήνης, συναγαγεῖν τοὺς λαοὺς σποράδην οἰκοῦντας, καὶ νόμους θέμενον αὐτὸν μὲν ἀπὸ τῆς νήσου Σάωνα κληθῆναι, τὸ δὲ πλῆθος εἰς πέντε φυλὰς διανείμαντα τῶν ἰδίων υἱῶν ἐπωνύμους αὐτὰς ποιῆσαι. [2] οὕτω δ' αὐτῶν πολιτευομένων λέγουσι παρ' αὐτοῖς τοὺς ἐκ Διὸς καὶ μᾶς τῶν Ἀτλαντίδων Ἥλεκτρας γενέσθαι Δάρδανόν τε καὶ Ἰασίωνα καὶ Ἀρμονίαν. [3] ὧν τὸν μὲν Δάρδανον μεγαλεπίβολον γενόμενον, καὶ πρῶτον εἰς τὴν Ἀσίαν ἐπὶ σχεδίας διαπεραιωθέντα, τὸ μὲν πρῶτον κτίσαι Δάρδανον πόλιν καὶ τὸ βασιλείον τὸ περὶ τὴν ὕστερον κληθεῖσαν Τροίαν συστήσασθαι καὶ τοὺς λαοὺς ἀφ' ἑαυτοῦ Δαρδάνους ὀνομάσαι. ἐπάρξαι δ' αὐτόν φασὶ καὶ πολλῶν ἐθνῶν κατὰ τὴν Ἀσίαν, καὶ τοὺς ὑπὲρ Θράκης Δαρδάνους κατοικίσαι. [4] τὸν δὲ Δία βουληθέντα καὶ τὸν ἕτερον τῶν υἱῶν τιμῆς τυχεῖν, παραδείξαι αὐτῷ τὴν τῶν μυστηρίων τελετὴν, πάλαι μὲν οὖσαν ἐν τῷ νήσῳ, τότε δὲ πῶς παραδοθεῖσαν, ὧν οὐ θέμις ἀκοῦσαι πλὴν τῶν μεμνημένων. δοκεῖ δ' οὗτος πρῶτος ξένους μυῆσαι καὶ τὴν τελετὴν διὰ τοῦτο ἔνδοξον ποιῆσαι. [5] μετὰ δὲ ταῦτα Κάδμιον τὸν Ἀγήνορος κατὰ ζήτησιν τῆς Εὐρώπης ἀφικέσθαι πρὸς αὐτούς, καὶ τῆς τελετῆς μετασχόντα γῆμαι τὴν

ἀδελφὴν τοῦ Ἰασίωνος Ἀρμονίαν, οὐ καθάπερ Ἑλληνες μυθολογοῦσι, τὴν Ἄρεος.

τὸν δὲ γάμον τοῦτον πρῶτον δαΐσαι θεοὺς, καὶ Δήμητραν μὲν Ἰασίωνος ἔρασθεισαν τὸν καρπὸν τοῦ σίτου δωρήσασθαι, Ἑρμῆν δὲ λύραν, Ἀθηναῖν δὲ τὸν διαβεβοημένον ὄρμον καὶ πέπλον καὶ αὐλοὺς, Ἥλέκτραν δὲ τὰ τῆς μεγάλης καλουμένης μητρὸς τῶν θεῶν ἱερὰ μετὰ κυμβάλων καὶ τυμπάνων καὶ τῶν ὀργιαζόντων· καὶ Ἀπόλλωνα μὲν κιθαρίσαι, τὰς δὲ Μούσας αὐλῆσαι, τοὺς δ' ἄλλους θεοὺς εὐφημοῦντας συναυξῆσαι τὸν γάμον. [2] μετὰ δὲ ταῦτα τὸν μὲν Κάδμον κατὰ τὸν παραδεδομένον χρησμόν κτίσαι Θήβας τὰς ἐν Βοιωτίᾳ φασί, τὸν δ' Ἰασίωνα γήμαντα Κυβέλην γεννῆσαι Κορύβαντα. Ἰασίωνος δὲ εἰς θεοὺς μεταστάντος, Ἀρδανον καὶ Κυβέλην καὶ Κορύβαντα μετακομίσαι εἰς τὴν Ἀσίαν τὰ τῆς μητρὸς τῶν θεῶν ἱερὰ καὶ συναπαῖραι εἰς Φρυγίαν. [3] καὶ τὴν μὲν Κυβέλην Ὀλύμπῳ τῷ πρώτῳ συνοικήσασαν γεννῆσαι Ἀλκὴν, καὶ τὴν θεὰν Κυβέλην ἀφ' ἑαυτῆς ὀνομάσαι· τὸν δὲ Κορύβαντα τοὺς ἐπὶ τοῖς τῆς μητρὸς ἱεροῖς ἐνθουσιάσαντας ἀφ' ἑαυτοῦ Κορύβαντας προσαγορεύσαι, [4] γῆμαι δὲ Θήβην τὴν Κίλικος θυγατέρα. ὁμοίως δὲ τοὺς αὐλοὺς εἰς Φρυγίαν ἐντεῦθεν μετενεχθῆναι, καὶ τὴν λύραν τὴν Ἑρμοῦ εἰς Λυρνησσόν, ἣν Ἀχιλλέα ὕστερον ἐκπορθήσαντα λαβεῖν. ἐξ Ἰασίωνος δὲ καὶ Δήμητρος Πλοῦτον γενέσθαι φασὶν οἱ μῦθοι, τὸ δ' ἀληθές, τὸν τοῦ σίτου πλοῦτον, δωρηθέντα ἐν τῷ τῆς Ἀρμονίας γάμῳ διὰ τὴν συνουσίαν τοῦ Ἰασίωνος. [5] καὶ τὰ μὲν κατὰ μέρος τῆς τελετῆς ἐν ἀπορρήτοις τηρούμενα μόνοις παραδίδονται τοῖς μυθεῖσι· διαβεβόηται δ' ἡ τούτων τῶν θεῶν ἐπιφάνεια καὶ παράδοξος ἐν τοῖς κινδύνοις βοήθεια τοῖς ἐπικαλεσαμένοις τῶν μυθεόντων. [6] γίνεσθαι δὲ φασὶ καὶ εὐσεβεστέρους καὶ δικαιωτέρους καὶ κατὰ πᾶν βελτίονας ἑαυτῶν τοὺς τῶν μυστηρίων κοινωνήσαντας. διὸ καὶ τῶν ἀρχαίων ἡρώων τε καὶ ἡμιθέων τοὺς ἐπιφανεστάτους πεφίλοτιμῆσθαι μεταλαβεῖν τῆς τελετῆς· καὶ γὰρ Ἰάσωνα καὶ Διοσκόρους, ἔτι δ' Ἑρακλέα καὶ Ὀρφέα, μυθεόντας ἐπιτυχεῖν ἐν ἀπάσαις ταῖς στρατείαις διὰ τὴν τῶν θεῶν τούτων ἐπιφάνειαν.

ἐπεὶ δὲ περὶ τῆς Σαμοθράκης διήλθομεν, ἀκολουθῶς καὶ περὶ τῆς Νάξου διέξιμεν. αὕτη γὰρ ἡ νῆσος τὸ μὲν πρῶτον προσηγορεύετο Στρογγύλη, ὥκησαν δ' αὐτὴν πρῶτοι Θρᾷκες διὰ τινος τοιαύτας αἰτίας. [2] μυθολογοῦνται Βορέου γενέσθαι παῖδες Βούτης καὶ Λυκούργος οὐχ ὁμομήτριοι· τὸν δὲ Βούτην ὄντα νεώτερον ἐπιβουλευσαι τὰδελφῷ, καὶ καταφανῆ γενόμενον ἕτερον μὲν μηδὲν παθεῖν ὑπὸ τοῦ Λυκούργου, πρόσταγμα δὲ λαβεῖν ὅπως μετὰ τῶν συνεπιβουλευσάντων λαβὼν πλοῖα ζητῇ χώραν ἑτέραν εἰς κατοίκησιν. [3] διόπερ τὸν Βούτην μετὰ τῶν συνεγκαλουμένων Θρακῶν ἐκπλεύσαντα καὶ διὰ τῶν Κυκλάδων νήσων κομιζόμενον κατασχεῖν τὴν Στρογγύλην νήσον, καὶ ἐν ταύτῃ κατοικοῦντα λήζεσθαι πολλοὺς τῶν παραπλεόντων. σπανίζοντας δὲ γυναικῶν περιπλέοντας ἀρπάζειν ἀπὸ τῆς χώρας γυναῖκας. [4] τῶν μὲν οὖν Κυκλάδων νήσων αἱ μὲν ὀλοσχερῶς ἔρημοι ὑπῆρχον, αἱ δ' ὀλίγοις οἰκούμεναι· διόπερ πορρωτέρῳ πλευσάντων αὐτῶν, καὶ ἀπὸ μὲν τῆς Εὐβοίας ἀποκρουσθέντων, τῇ δὲ Θετταλίᾳ προσενεχθέντων, οἱ περὶ τὸν Βούτην ἀποβάντες ἐπὶ τὴν χώραν περιέτυχον ταῖς Διονύσου τροφοῖς

περὶ τὸ καλούμενον Δρίος τῷ θεῷ ὀργιζούσαις ἐν τῇ Φθιώτιδι Ἀχαΐα. [5] ὀρμησάντων δὲ τῶν περὶ τὸν Βούτην, αἱ μὲν ἄλλαι ῥίψασαι τὰ ἱερὰ εἰς θάλατταν ἔφυγον, αἱ δ' εἰς ὄρος τὸ καλούμενον Δρίος· κορωνίδα δ' ἄρπαγεῖσαν συναναγκασθῆναι τῷ Βούτῃ συνοικῆσαι. ἐπὶ δὲ τῇ ἄρπαγῇ καὶ τῇ ὕβρει χαλεπῶς φέρουσαν ἐπικαλέσασθαι τὸν Δίονυσον βοηθῆσαι αὐτῇ. τὸν δὲ μανίαν ἐμβαλεῖν τῷ Βούτῃ, καὶ διὰ τοῦτο παρακόψαντα ῥῖψαι ἑαυτὸν εἰς τι φρέαρ καὶ τελευτῆσαι. [6] οἱ δ' ἄλλοι Θρᾶκες ἐτέρας τινὰς γυναῖκας ἥρπασαν, ἐπιφανεστάτας δὲ τὴν τε Ἀλωέως γυναῖκα Ἰφιμέδειαν καὶ τὴν θυγατέρα αὐτῆς Παγκράτιν· λαβόντες δ' αὐτὰς ἀπέπλευσαν εἰς τὴν Στρογγύλην. οἱ δὲ Θρᾶκες ἀντὶ τοῦ Βούτου κατέστησαν βασιλέα τῆς νήσου Ἀγασσαμενόν, καὶ τὴν Ἀλωέως θυγατέρα Παγκράτιν κάλλει διαφέρουσαν συνώκισαν αὐτῷ· [7] πρὸ γὰρ τῆς τούτου αἰρέσεως οἱ ἐπιφανέστατοι τῶν ἡγεμόνων Σικελὸς καὶ Ἐκήτορος ὑπὲρ τῆς Παγκράτιδος ἐρίσαντες ἀλλήλους ἀνεῖλον. ὁ δὲ Ἀγασσαμενὸς ὑπαρχὸν ἓνα τῶν φίλων καταστήσας συνώκισεν αὐτῷ τὴν Ἰφιμέδειαν.

ὁ δ' Ἀλωεύς ἐπὶ ζήτησιν τῆς τε γυναικὸς καὶ τῆς θυγατρὸς ἐξέπεμψε τοὺς υἱοὺς Ὠτον καὶ Ἐφιάλτην· οἱ πλεύσαντες εἰς τὴν Στρογγύλην μάχῃ τε ἐνίκησαν τοὺς Θρᾶκας καὶ τὴν πόλιν ἐξεπολιόρκησαν. [2] εἴτα ἡ μὲν Παγκράτις ἐτελεύτησεν, οἱ δὲ περὶ τὸν Ὠτον καὶ Ἐφιάλτην ἐπεβάλοντο κατοικεῖν ἐν τῇ νήσῳ καὶ ἄρχειν τῶν Θρακῶν· μετωνόμασαν δὲ καὶ τὴν νῆσον Δίαν. ὕστερον δὲ στασιάσαντες πρὸς ἀλλήλους καὶ μάχην συνάψαντες τῶν τε ἄλλων πολλοὺς ἀπέκτειναν καὶ ἀλλήλους ἀνεῖλον, ὑπὸ δὲ τῶν ἐγχωρίων εἰς τὸν λοιπὸν χρόνον ὥς ἡρώες ἐτιμήθησαν. [3] οἱ μὲν οὖν Θρᾶκες ἐνταῦθα κατοικήσαντες ἔτη πλείω τῶν διακοσίων ἐξέπεσον αὐχμῶν γενομένων ἐκ τῆς νήσου. μετὰ δὲ ταῦτα Κᾶρες ἐκ τῆς νῦν καλουμένης Λατμίας μεταναστάντες ὥκησαν τὴν νῆσον· ὧν βασιλεύσας Νάξος ὁ Πολέμωνος ἀντὶ Δίας Νάξον ἀφ' ἑαυτοῦ προσηγόρευσεν. ἐγένετο δ' ἀνὴρ ἀγαθὸς καὶ ἐπιφανὴς ὁ Νάξος, καὶ ἀπέλιπεν υἱὸν Λεύκιππον· οὗ γενόμενος υἱὸς Σμέρδιος ἐβασίλευσε τῆς νήσου. [4] ἐπὶ δὲ τούτου Θησεὺς ἐκ Κρήτης ἀναπλέων μετὰ τῆς Ἀριάδνης ἐπεξενώθη τοῖς ἐν τῇ νήσῳ· καὶ κατὰ τὸν ὕπνον ἰδὼν τὸν Δίονυσον ἀπειλοῦντα αὐτῷ, εἰ μὴ ἀπολείψει τὴν Ἀριάδνην αὐτῷ, φοβηθεὶς κατέλιπε καὶ ἐξέπλευσε. Δίονυσος δὲ νυκτὸς ἀπήγαγε τὴν Ἀριάδνην εἰς τὸ ὄρος τὸ καλούμενον Δρίος· καὶ ἐν ἀρχῇ μὲν ἠφανίσθη ὁ θεός, μετὰ δὲ ταῦτα καὶ ἡ Ἀριάδνη ἄφαντος ἐγενήθη.

μυθολογοῦσι δὲ Νάξιοι περὶ τοῦ θεοῦ τούτου, φάσκοντες παρ' αὐτοῖς τραφῆναι τὸν θεόν, καὶ διὰ τοῦτο τὴν νῆσον αὐτῷ γεγονέναι προσφιλεστάτην καὶ ὑπὸ τινων Διονυσιάδα καλεῖσθαι. [2] τὸν γὰρ Δία κατὰ τὸν παραδεδομένον μῦθον, τότε κεραυνωθείσης Σεμέλης πρὸ τοῦ τεκεῖν, τὸ βρέφος λαβόντα καὶ ἐρράψαντα εἰς τὸν μηρόν, ὥς ὁ τέλειος τῆς γενέσεως χρόνος ἦλθε, βουλόμενον λαθεῖν τὴν Ἥραν, ἐξελεῖν τὸ βρέφος ἐν τῇ νῦν Νάξῳ, καὶ δοῦναι τρέφειν ταῖς ἐγχωρίοις Νύμφαις Φιλία καὶ Κορωνίδι καὶ Κλειδίῃ· κεραυνῶσαι δὲ τὴν Σεμέλην πρὸ τοῦ τεκεῖν, ὅπως μὴ ἐκ θνητῆς, ἀλλ' ἐκ δυεῖν ἀθανάτων ὑπάρξας εὐθὺς ἐκ γενετῆς ἀθάνατος ᾗ. [3] διὰ δὲ τὴν εἰς τὸν Δίονυσον εὐεργεσίαν ἐν τῇ τροφῇ τὰς χάριτας ἀπολαβεῖν τοὺς ἐγχωρίους· ἐπιδοῦναι γὰρ

τὴν νῆσον εἰς εὐδαιμονίαν, καὶ ναυτικάς τε δυνάμεις ἀξιολόγους συστήσασθαι καὶ ἀπὸ Ξέρξου πρώτους ἀποστάντας ἀπὸ τοῦ ναυτικοῦ συγκαταναυμαχῆσαι τὸν βάρβαρον, καὶ τῆς ἐν Πλαταιαῖς παρατάξεως οὐκ ἀσήμως μετασχεῖν. εἶναι δὲ καὶ περὶ τὴν τοῦ οἴνου ιδιότητα διάφορόν τι παρ' αὐτοῖς καὶ μηνῦον τὴν τοῦ θεοῦ πρὸς τὴν νῆσον οἰκειότητα.

τὴν δὲ νῆσον τὴν Σύμην ὀνομαζομένην, τὸ παλαιὸν ἔρημον οὖσαν, πρῶτοι κατώκησαν οἱ μετὰ Τρίοπος ἀφικόμενοι, ὧν ἡγεῖτο Χθόνιος ὁ Ποσειδῶνος καὶ Σύμης, ἀφ' ἧς ἡ νῆσος ἔτυχε ταύτης τῆς προσηγορίας. [2] ὕστερον δ' αὐτῆς ἐβασίλευσε Νιρεὺς ὁ Χαρόπου καὶ Ἀγλαΐας, κάλλει διαφέρων, ὃς καὶ ἐπὶ Τροίαν μετ' Ἀγαμέμνονος ἐστράτευσε, τῆς τε νήσου δυναστεύων καὶ τῆς Κνιδίας μέρους κυριεύων. μετὰ δὲ τοὺς Τρωικοὺς χρόνους κατέσχον τὴν νῆσον Κἄρες, καθ' ὃν καιρὸν ἐθαλαττοκράτουν. ὕστερον δ' αὐχμῶν γενομένων ἔφυγον ἐκ τῆς νήσου, καὶ κατώκησαν τὸ καλούμενον Οὐράνιον. [3] ἡ δὲ Σύμη διέμεινεν ἔρημος, ἕως ὁ στόλος ὁ Λακεδαιμονίων καὶ Ἀργείων παρέβαλεν εἰς τούτους τοὺς τόπους· ἔπειτα κατῳκίσθη πάλιν τόνδε τὸν τρόπον. [4] τῶν μετὰ Ἰππότου τις μετασχὼν τῆς ἀποικίας, ὄνομα Ναῦσος, ἀναλαβὼν τοὺς καθυστερήσαντας τῆς κληροδοσίας, ἔρημον οὖσαν τὴν Σύμην κατώκησε καὶ τισιν ἐτέροις ὕστερον καταπλεύσασιν, ὧν ἦν Ξοῦθος ἡγεμῶν, μεταδὼς τῆς πολιτείας καὶ χώρας κοινῇ τὴν νῆσον κατώκησε. φασὶ δὲ τῆς ἀποικίας ταύτης μετασχεῖν τοὺς τε Κνιδίους καὶ Ῥοδίους.

Κάλυδναν δὲ καὶ Νίσυρον τὸ μὲν ἀρχαῖον Κἄρες κατώκησαν, μετὰ δὲ ταῦτα Θετταλὸς ὁ Ἡρακλέους ἀμφοτέρας τὰς νήσους κατεκτήσατο. διόπερ Ἄντιφός τε καὶ Φείδιππος οἱ Κῶων βασιλεῖς στρατεύοντες εἰς Ἰλιον ἦρχον τῶν πλεόντων ἐκ τῶν προειρημένων νήσων. [2] κατὰ δὲ τὸν ἐκ Τροίας ἀπόπλουν τέτταρες τῶν Ἀγαμέμνονος νεῶν ἐξέπεσον περὶ Κάλυδναν, καὶ τοῖς ἐγχωρίοις καταμιγέντες κατώκησαν. [3] οἱ δὲ τὴν Νίσυρον τὸ παλαιὸν οἰκήσαντες ὑπὸ σεισμῶν διεφθάρησαν· ὕστερον δὲ Κῶοι, καθάπερ τὴν Κάλυδναν, ταύτην κατώκησαν· μετὰ δὲ ταῦτα φθορᾶς ἀνθρώπων ἐν τῇ νήσῳ γενομένης οἱ Ῥόδιοι ἐποίκους εἰς αὐτὴν ἀπέστειλαν. [4] τὴν δὲ Κάρπαθον πρῶτοι μὲν ὥκησαν τῶν μετὰ Μίνῳ τινὲς συστρατευσαμένων, καθ' ὃν χρόνον ἐθαλαττοκράτησε πρῶτος τῶν Ἑλλήνων· ὕστερον δὲ πολλαῖς γενεαῖς Ἰοκλος ὁ Δημολέοντος, Ἀργεῖος ὢν τὸ γένος, κατὰ τι λόγιον ἀποικίαν ἀπέστειλεν εἰς τὴν Κάρπαθον.

τὴν δὲ νῆσον τὴν ὀνομαζομένην Ῥόδον πρῶτοι κατώκησαν οἱ προσαγορευόμενοι Τελχῖνες· οὗτοι δ' ἦσαν υἱοὶ μὲν Θαλάττης, ὥς ὁ μῦθος παραδέδωκε, μυθολογοῦνται δὲ μετὰ Καφείρας τῆς Ὠκεανοῦ θυγατρὸς ἐκθρέψαι Ποσειδῶνα, Ῥέας αὐτοῖς παρακαταθεμένης τὸ βρέφος. [2] γενέσθαι δ' αὐτοὺς καὶ τεχνῶν τινων εὐρετὰς καὶ ἄλλων τῶν χρησίμων εἰς τὸν βίον τῶν ἀνθρώπων εἰσηγητάς. ἀγάλματά τε θεῶν πρῶτοι κατασκευάσαι λέγονται, καὶ τινὰ τῶν ἀρχαίων ἀφιδρυμάτων ἀπ' ἐκείνων ἐπωνομάσθαι· παρὰ μὲν γὰρ Λινδίους Ἀπόλλωνα Τελχίνιον προσαγορευθῆναι, παρὰ δὲ Ἰαλυσίοις Ἦραν καὶ Νύμφας Τελχινίας, παρὰ δὲ Καμειρεῦσιν Ἦραν Τελχινίαν. [3] λέγονται δ' οὗτοι καὶ γόητες γεγονέναι καὶ παράγειν ὅτε βούλονται νέφη τε καὶ ὄμβρους καὶ χαλάζας, ὁμοίως δὲ καὶ χιόνα ἐφέλκεσθαι· ταῦτα δὲ καθάπερ καὶ τοὺς

μάγους ποιεῖν ἱστοροῦσιν. ἀλλάττεσθαι δὲ καὶ τὰς ἰδίας μορφάς, καὶ εἶναι φθονεροὺς ἐν τῇ διδασκαλίᾳ τῶν τεχνῶν. [4] Ποσειδῶνα δὲ ἀνδρωθέντα ἐρασθῆναι Ἀλίας τῆς τῶν Τελχίνων ἀδελφῆς, καὶ μιχθέντα ταύτῃ γεννῆσαι παῖδας ἕξ μὲν ἄρρενας, μίαν δὲ θυγατέρα Ῥόδον, ἀπ' ἧς τὴν νῆσον ὀνομασθῆναι. [5] γενέσθαι δὲ κατὰ τὸν καιρὸν τοῦτον ἐν τοῖς πρὸς ἑω μέρεσι τῆς νήσου τοὺς κληθέντας γίγαντας· ὅτε δὴ καὶ Ζεὺς λέγεται καταπεπολεμηκῶς Τιτᾶνας ἐρασθῆναι μιᾶς τῶν νυμφῶν Ἰμαλίας ὀνομαζομένης, καὶ τρεῖς ἕξ αὐτῆς τεκνῶσαι παῖδας, Σπαρταῖον, Κρόνιον, Κύτον. [6] κατὰ δὲ τὴν τούτων ἡλικίαν φασὶν Ἀφροδίτην ἐκ Κυθήρων κομιζομένην εἰς Κύπρον καὶ προσορμιζομένην τῇ νήσῳ κωλυθῆναι ὑπὸ τῶν Ποσειδῶνος υἱῶν, ὄντων ὑπερηφάνων καὶ ὕβριστῶν· τῆς δὲ θεοῦ διὰ τὴν ὀργὴν ἐμβαλούσης αὐτοῖς μανίαν, μιγῆναι αὐτοὺς βίᾳ τῇ μητρὶ καὶ πολλὰ κακὰ δρᾶν τοὺς ἐγχωρίους. [7] Ποσειδῶνα δὲ τὸ γεγονὸς αἰσθόμενον τοὺς υἱοὺς κρύψαι κατὰ γῆς διὰ τὴν πεπραγμένην αἰσχύνην, οὓς κληθῆναι προσηφούς δαίμονας· ἁλίαν δὲ ῥίψασαν ἑαυτὴν εἰς τὴν θάλατταν Λευκοθέαν ὀνομασθῆναι καὶ τιμῆς ἀθανάτου τυχεῖν παρὰ τοῖς ἐγχωρίοις.

χρόνῳ δ' ὕστερον προαισθομένους τοὺς Τελχίνας τὸν μέλλοντα γίνεσθαι κατακλυσμὸν ἐκλιπεῖν τὴν νῆσον καὶ διασπαρῆναι. λύκον δ' ἐκ τούτων παραγενόμενον εἰς τὴν Λυκίαν Ἀπόλλωνος Λυκίου ἱερὸν ιδρύσασθαι παρὰ τὸν Ξάνθον ποταμόν. [2] τοῦ δὲ κατακλυσμοῦ γενομένου τοὺς μὲν ἄλλους διαφθαρῆναι, τῆς δὲ νήσου διὰ τὴν ἐπομβρίαν ἐπιπολασάντων τῶν ὕγρῶν λιμνάσαι τοὺς ἐπιπέδους τόπους, ὀλίγους δ' εἰς τὰ μετέωρα τῆς νήσου συμφυγόντας διασωθῆναι· ἐν οἷς ὑπάρχειν καὶ τοὺς Διὸς παῖδας. [3] ἥλιον δὲ κατὰ μὲν τὸν μῦθον ἐρασθέντα τῆς Ῥόδου τὴν τε νῆσον ἀπ' αὐτῆς ὀνομάσαι Ῥόδον καὶ τὸ ἐπιπολάζον ὕδωρ ἀφανίσαι· ὁ δ' ἀληθὴς λόγος ὅτι κατὰ τὴν ἐξ ἀρχῆς σύστασιν τῆς νήσου πηλώδους οὐσῆς ἔτι καὶ μαλακῆς, τὸν ἥλιον ἀναξηράναντα τὴν πολλὴν ὑγρότητα ζωογονῆσαι τὴν γῆν, καὶ γενέσθαι τοὺς κληθέντας ἀπ' αὐτοῦ Ἠλιάδας, ἑπτὰ τὸν ἀριθμόν, καὶ τοὺς ἄλλους ὁμοίως λαοὺς αὐτόχθονας. [4] ἀκολούθως δὲ τούτοις νομισθῆναι τὴν νῆσον ἱερὰν Ἠλίου καὶ τοὺς μετὰ ταῦτα γενομένους Ῥοδίους διατελέσαι περιττότερον τῶν ἄλλων θεῶν τιμῶντας τὸν ἥλιον ὡς ἀρχηγὸν τοῦ γένους αὐτῶν. [5] εἶναι δὲ τοὺς ἑπτὰ υἱοὺς Ὅχιμον, Κέρκαφον, Μάκαρα, Ἀκτίνα, Τενάγην, Τριόπαν, Κάνδαλον, θυγατέρα δὲ μίαν, Ἠλεκτρυνώην, ἣν ἔτι παρθένον οὔσαν μεταλλάξαι τὸν βίον καὶ τιμῶν τυχεῖν παρὰ Ῥοδίους ἥρωικῶν. ἀνδρωθεῖσι δὲ τοῖς Ἠλιάδαις εἰπεῖν τὸν ἥλιον, ὅτι οἵτινες ἂν Ἀθηνᾶ θύσωσι πρῶτοι, παρ' ἑαυτοῖς ἔξουσιν τὴν θεόν· τὸ δ' αὐτὸ λέγεται διασαφῆσαι τοῖς τὴν Ἀττικὴν κατοικοῦσι. [6] διὸ καὶ φασὶ τοὺς μὲν Ἠλιάδας διὰ τὴν σπουδὴν ἐπιλαθομένους ἐνεγκεῖν πῦρ ἐπιθεῖναι τὰ θύματα, τὸν δὲ τότε βασιλεύοντα τῶν Ἀθηναίων Κέκροπα ἐπὶ τοῦ πυρὸς θῦσαι ὕστερον. [7] διόπερ φασὶ διαμένειν μέχρι τοῦ νῦν τὸ κατὰ τὴν θυσίαν ἴδιον ἐν τῇ Ῥόδῳ, καὶ τὴν θεὸν ἐν αὐτῇ καθιδρῦσθαι. περὶ μὲν οὖν τῶν ἀρχαιολογουμένων παρὰ Ῥοδίους οὕτω τινὲς μυθολογοῦσιν· ἐν οἷς ἐστὶ καὶ Ζήνων ὁ τὰ περὶ ταύτης συνταξάμενος.

οἱ δ' Ἠλιάδαι διάφοροι γενηθέντες τῶν ἄλλων ἐν παιδείᾳ διήνεγκαν καὶ μάλιστ' ἐν ἀστρολογίᾳ. εἰσηγήσαντο δὲ καὶ περὶ τῆς ναυτιλίας πολλὰ καὶ τὰ

περὶ τὰς ὥρας διέταξαν. [2] εὐφυέστατος δὲ γενόμενος Τενάγης ὑπὸ τῶν ἀδελφῶν διὰ φθόνον ἀνηρέθη· γνωσθείσης δὲ τῆς ἐπιβουλῆς οἱ μετασχόντες τοῦ φόνου πάντες ἔφυγον. τούτων δὲ Μάκαρ μὲν εἰς Λέσβον ἀφίκετο, Κάνδαλος δὲ εἰς τὴν Κῶ· ἀκτίς δ' εἰς Αἴγυπτον ἀπάρας ἔκτισε τὴν Ἥλιούπολιν ὀνομαζομένην, ἀπὸ τοῦ πατρὸς θέμενος τὴν προσηγορίαν· οἱ δ' Αἰγύπτιοι ἔμαθον παρ' αὐτοῦ τὰ περὶ τὴν ἀστρολογίαν θεωρήματα. [3] ὕστερον δὲ παρὰ τοῖς Ἑλλήσι γενομένου κατακλυσμοῦ, καὶ διὰ τὴν ἐπομβρίαν τῶν πλείστων ἀνθρώπων ἀπολομένων, ὁμοίως τούτοις καὶ τὰ διὰ τῶν γραμμάτων ὑπομνήματα συνέβη φθαρῆναι· [4] δι' ἣν αἰτίαν οἱ Αἰγύπτιοι καιρὸν εὐθετον λαβόντες ἐξειδιοποίησαντο τὰ περὶ τῆς ἀστρολογίας, καὶ τῶν Ἑλλήνων διὰ τὴν ἄγνοιαν μηκέτι τῶν γραμμάτων ἀντιποιοιμένων ἐνίσχυσεν, ὥς αὐτοὶ πρῶτοι τὴν τῶν ἄστρον εὔρεσιν ἐποίησαντο. [5] ὁμοίως δὲ καὶ Ἀθηναῖοι κτίσαντες ἐν Αἰγύπτῳ πόλιν τὴν ὀνομαζομένην Σάιν, τῆς ὁμοίας ἔτυχον ἀγνοίας διὰ τὸν κατακλυσμόν. δι' ἧς αἰτίας πολλαῖς ὕστερον γενεαῖς Κάδμος ὁ Ἀγήνορος ἐκ τῆς Φοινίκης πρῶτος ὑπελήφθη κομίσαι γράμματα εἰς τὴν Ἑλλάδα· καὶ ἀπ' ἐκείνου τὸ λοιπὸν οἱ Ἕλληνες ἔδοξαν ἀεὶ τι προσευρίσκειν περὶ τῶν γραμμάτων, κοινῆς τινος ἀγνοίας κατεχούσης τοὺς Ἕλληνας. [6] Τριόπας δὲ πλεύσας εἰς τὴν Καρίαν κατέσχευεν ἀκρωτήριον τὸ ἀπ' ἐκείνου Τριόπιον κληθέν. οἱ δὲ λοιποὶ τοῦ Ἠλίου παῖδες διὰ τὸ μὴ μετασχεῖν τοῦ φόνου κατέμειναν ἐν τῇ Ῥόδῳ, καὶ κατόκησαν ἐν τῇ Ἰαλυσίᾳ κτίσαντες πόλιν Ἀχαΐαν. [7] ὧν ὁ πρεσβύτερος Ὀχμος βασιλεύων ἔγημε μίαν τῶν ἐγχωρίων Νυμφῶν Ἥγητορίαν, ἐξ ἧς ἐγέννησε θυγατέρα Κυδίππην τὴν μετὰ ταῦτα Κυρβίαν μετονομασθεῖσαν· ἦν γήμας Κέρκαφος ἀδελφὸς διεδέξατο τὴν βασιλείαν. [8] μετὰ δὲ τὴν τούτου τελευταίην διεδέξαντο τὴν ἀρχὴν υἱοὶ τρεῖς, Λίνδος, Ἰάλυσος, Κάμειρος· ἐπὶ δὲ τούτων γενομένης μεγάλης πλημυρίδος, ἐπικλυσθεῖσα ἡ Κύρβη ἔρημος ἐγένετο, αὐτοὶ δὲ διείλοντο τὴν χώραν, καὶ ἕκαστος ἐαυτοῦ πόλιν ὁμώνυμον ἔκτισε.

κατὰ δὲ τούτους τοὺς χρόνους Δαναὸς ἔφυγεν ἐξ Αἰγύπτου μετὰ τῶν θυγατέρων· καταπλεύσας δὲ τῆς Ῥοδίας εἰς Λίνδον καὶ προσδεχθεὶς ὑπὸ τῶν ἐγχωρίων, ἰδρύσατο τῆς Ἀθηνᾶς ἱερὸν καὶ τὸ ἄγαλμα τῆς θεοῦ καθιέρωσε. τῶν δὲ τοῦ Δαναοῦ θυγατέρων τρεῖς ἐτελεύτησαν κατὰ τὴν ἐπιδημίαν τὴν ἐν τῇ Λίνδῳ, αἱ δ' ἄλλαι μετὰ τοῦ πατρὸς Δαναοῦ εἰς Ἄργος ἐξέπλευσαν. [2] μικρὸν δ' ὕστερον τούτων τῶν χρόνων Κάδμος ὁ Ἀγήνορος, ἀπεσταλμένος ὑπὸ τοῦ βασιλέως κατὰ ζήτησιν τῆς Εὐρώπης, κατέπλευσεν εἰς τὴν Ῥοδίαν· κεχειμασμένος δ' ἰσχυρῶς κατὰ τὸν πλοῦν καὶ πεπονημένος εὐχὰς ἰδρύσασθαι Ποσειδῶνος ἱερὸν, διασωθεὶς ἰδρύσατο κατὰ τὴν νῆσον τοῦ θεοῦ τούτου τέμενος καὶ τῶν Φοινίκων ἀπέλιπέ τινας τοὺς ἐπιμελησομένους. οὗτοι δὲ καταμιγνέτες Ἰαλυσίοις διετέλεσαν συμπολιτευόμενοι τούτοις· ἐξ ὧν φασὶ τοὺς ἱερεῖς κατὰ γένος διαδέχεσθαι τὰς ἱερωσύνας. [3] ὁ δ' οὖν Κάδμος καὶ τὴν Λινδίαν Ἀθηνᾶν ἐτίμησεν ἀναθήμασιν, ἐν οἷς ἦν χαλκοὺς λέβης ἀξιόλογος κατεσκευασμένος εἰς τὸν ἀρχαῖον ρυθμόν· οὗτος δ' εἶχεν ἐπιγραφὴν Φοινικικοῖς γράμμασιν, ἧς φασὶ πρῶτον ἐκ Φοινίκης εἰς τὴν Ἑλλάδα κομισθῆναι. [4] μετὰ δὲ ταῦτα τῆς Ῥοδίας γῆς ἀνείσης ὄφεις ὑπερμεγέθεις συνέβη πολλοὺς τῶν ἐγχωρίων ὑπὸ τῶν ὄφεων διαφθαρῆναι· διόπερ οἱ

περιλειφθέντες ἐπεμψαν εἰς Δῆλον τοὺς ἐπερωτήσοντας τὸν θεὸν περὶ τῆς τῶν κακῶν ἀπαλλαγῆς. [5] τοῦ δ' Ἀπόλλωνος προστάξαντος αὐτοῖς παραλαβεῖν Φόρβαντα μετὰ τῶν συνακολουθοῦντων αὐτῷ, καὶ μετὰ τούτων κατοικεῖν τὴν Ῥόδον· οὗτος δ' ἦν υἱὸς μὲν Λατίθου, διέτριβε δὲ περὶ Θετταλίαν μετὰ πλειόνων, ζητῶν χώραν εἰς κατοίκησιν· τῶν δὲ Ῥοδίων μεταπεμψαμένων αὐτὸν κατὰ τὴν μαντείαν καὶ μεταδόντων τῆς χώρας, ὁ μὲν Φόρβας ἀνεῖλε τοὺς ὄφεις, καὶ τὴν νῆσον ἐλευθερώσας τοῦ φόβου, κατῴκησεν ἐν τῇ Ῥοδίᾳ, γενόμενος δὲ καὶ τᾶλλα ἀνὴρ ἀγαθὸς ἔσχε τιμὰς ἥρωικὰς μετὰ τὴν τελευταίην.

ὑστερον δὲ τούτων Ἀλθαιμένης ὁ Κατρέως υἱὸς τοῦ Κρητῶν βασιλέως περὶ τινων χρηστηριαζόμενος ἔλαβε χρησμόν, ὅτι πεπρωμένον ἐστὶν αὐτῷ τοῦ πατρὸς αὐτόχειρα γενέσθαι. [2] βουλόμενος οὖν τοῦτο τὸ μῦσος ἐκφυγεῖν ἐκουσίως ἔφυγεν ἐκ τῆς Κρήτης μετὰ τῶν βουλομένων συναπᾶραι, πλειόνων ὄντων. οὗτος μὲν οὖν κατέπλευσε τῆς Ῥοδίας εἰς Κάμειρον καὶ ἐπὶ μὲν ὄρους Ἀταβύρου Διὸς ἱερὸν ἰδρύσατο τοῦ προσαγορευομένου Ἀταβυρίου· διόπερ ἔτι καὶ νῦν τιμᾶται διαφερόντως, κείμενον ἐπὶ τινος ὑψηλῆς ἄκρας, ἀφ' ἧς ἐστὶν ἀφορᾶν τὴν Κρήτην. [3] ὁ μὲν οὖν Ἀλθαιμένης μετὰ τῶν συνακολουθησάντων κατῴκησεν ἐν τῇ Καμείρῳ, τιμώμενος ὑπὸ τῶν ἐγχωρίων· ὁ δὲ πατὴρ αὐτοῦ Κατρέυς, ἔρημος ὢν ἀρρένων παίδων καὶ διαφερόντως ἀγαπῶν τὸν Ἀλθαιμένην, ἔπλευσεν εἰς Ῥόδον, φιλοτιμούμενος εὐρεῖν τὸν υἱὸν καὶ ἀπαγαγεῖν εἰς Κρήτην. τῆς δὲ κατὰ τὸ πεπρωμένον ἀνάγκης ἐπισχυούσης, ὁ μὲν Κατρέυς ἀπέβη μετὰ τινων ἐπὶ τὴν Ῥοδίαν νυκτός, καὶ γενομένης συμπλοκῆς καὶ μάχης πρὸς τοὺς ἐγχωρίους ὁ Ἀλθαιμένης ἐκβοηθῶν ἠκόντισε λόγχῃ καὶ δι' ἄγνοιαν παίσας ἀπέκτεινε τὸν πατέρα. [4] γνωσθείσης δὲ τῆς πράξεως, ὁ μὲν Ἀλθαιμένης οὐ δυνάμενος φέρειν τὸ μέγεθος τῆς συμφορᾶς τὰς μὲν ἀπαντήσεις καὶ ὁμιλίας τῶν ἀνθρώπων περιέκαμπε, διδοὺς δ' ἑαυτὸν εἰς τὰς ἐρημίας ἡλᾶτο μόνος καὶ διὰ τὴν λύπην ἐτελεύτησεν· ὑστερον δὲ κατὰ τινα χρησμόν τιμὰς ἔσχε παρὰ Ῥοδίοις ἥρωικὰς. [5] βραχὺ δὲ πρὸ τῶν Τρωικῶν Τληπόλεμος ὁ Ἡρακλέους φεύγων διὰ τὸν Λικυμνίου θάνατον, ὃν ἀκουσίως ἦν ἀνηρεκώς, ἔφυγεν ἐκουσίως ἐξ Ἄργους· χρησμόν δὲ λαβὼν ὑπὲρ ἀποικίας μετὰ τινων λαῶν κατέπλευσεν εἰς τὴν Ῥόδον, καὶ προσδεχθεὶς ὑπὸ τῶν ἐγχωρίων αὐτοῦ κατῴκησε. [6] γενόμενος δὲ βασιλεὺς πάσης τῆς νήσου τὴν τε χώραν ἐπ' ἴσης κατεκληρούχησε καὶ τᾶλλα διετέλεσεν ἄρχων ἐπικεικώς, τὸ δὲ τελευταῖον μετ' Ἀγαμέμνονος στρατεύων εἰς Ἴλιον τῆς μὲν Ῥόδου τὴν ἡγεμονίαν παρέδωκε Βούτῃ τῷ ἐξ Ἄργους αὐτῷ μετασχόντι τῆς φυγῆς, αὐτὸς δ' ἐπιφανῆς ἐν τῷ πολέμῳ γενόμενος ἐτελεύτησεν ἐν τῇ Τρωάδι.

ἐπεὶ δὲ ταῖς Ῥοδίων πράξεσι τῆς κατ' ἀντιπέρας Χερρονήσου ἔνια συμπεπλέχθαι συμβέβηκεν, οὐκ ἀνοίκειον ἡγοῦμαι περὶ αὐτῶν διελθεῖν. ἡ Χερρόνησος τοίνυν τὸ παλαιόν, ὥς μὲν τινὲς φασιν, ἀπὸ τοῦ τόπου τῆς φύσεως ὄντος ἰσθμώδους ταύτης ἔτυχε τῆς προσηγορίας· ὥς δέ τινες ἀναγεγράφασιν, ἀπὸ τοῦ δυναστεύσαντος τῶν τόπων ὄνομα Χερρονήσου προσηγόρευται. [2] οὐ πολλῷ δ' ὑστερον τῆς τούτου δυναστείας λέγεται πέντε Κούρητας ἐκ Κρήτης εἰς αὐτὴν περαιωθῆναι· τούτους δ' ἀπογόνους γεγονέναι τῶν ὑποδεξαμένων Δία παρὰ τῆς μητρὸς Ῥέας καὶ θρεψάντων ἐν τοῖς κατὰ

τὴν Κρήτην Ἰδαίοις ὄρεσι. [3] στόλῳ δ' ἀξιολόγῳ πλεύσαντας εἰς τὴν Χερρόνησον τοὺς μὲν κατοικοῦντας αὐτὴν Κᾶρας ἐκβαλεῖν, αὐτοὺς δὲ κατοικήσαντας τὴν μὲν χώραν εἰς πέντε μέρη διελεῖν, καὶ πόλιν ἕκαστον κτίσαι θέμενον ἀφ' ἑαυτοῦ τὴν προσηγορίαν. [4] οὐ πολὺ δὲ τούτων κατόπιν Ἴναχον τὸν Ἀργείων βασιλέα, ἀφανισθείσης τῆς θυγατρὸς Ἰοῦς, ἐξαποστεῖλαι Κύρνον, ἓνα τῶν ἡγεμονικῶν ἀνδρῶν, δόντα αὐτῷ στόλον ἀξιόλογον, καὶ προστάξει ζητεῖν ἐν παντὶ τόπῳ τὴν Ἰώ, καὶ μὴ ἐπανελθεῖν, ἐὰν μὴ ταύτης ἐγκρατὴς γένηται. [5] ὁ δὲ Κύρνος ἐπὶ πολλὰ μέρη τῆς οἰκουμένης πλανηθεὶς καὶ μὴ δυνάμενος εὐρεῖν ταύτην, κατέπλευσε τῆς Καρίας εἰς τὴν προειρημένην Χερρόνησον: ἀπογνοὺς δὲ τὴν εἰς οἶκον ἀνακομιδὴν κατώκησεν ἐν τῇ Χερρονήσῳ, καὶ τὰ μὲν πείσας, τὰ δ' ἀναγκάσας ἐβασίλευσε μέρους τῆς χώρας καὶ πόλιν ἔκτισεν ὁμώνυμον ἑαυτῷ Κύρνον: πολιτευόμενος δὲ δημοτικῶς μεγάλης ἀποδοχῆς ἐτύγχανε παρὰ τοῖς συμπολιτευομένοις.

μετὰ δὲ ταῦτα Τριόπαν, ἓνα τῶν Ἠλίου καὶ Ρόδου παίδων, φεύγοντα διὰ τὸν Τενάγῳ τοῦ ἀδελφοῦ φόνον εἰς τὴν Χερρόνησον ἀφικέσθαι. ἐνταῦθα δὲ καθαρθέντα τὸν φόνον ὑπὸ Μελισσέως τοῦ βασιλέως εἰς τὴν Θετταλίαν πλεῦσαι ἐπὶ συμμαχίαν τοῖς Δευκαλίωνος παισὶ, καὶ συνεκβαλεῖν ἐκ τῆς Θετταλίας τοὺς Πελασγούς, [2] καὶ μερίσασθαι τὸ καλούμενον Δώτιον πεδῖον. ἐνταῦθα δὲ τὸ τέμενος τῆς Δήμητρος ἐκκόψαντα τῇ μὲν ὕλῃ καταχρῆσθαι πρὸς βασιλείων κατασκευὴν: δι' ἣν αἰτίαν ὑπὸ τῶν ἐγχωρίων μισηθέντα φυγεῖν ἐκ Θετταλίας, καὶ καταπλεῦσαι μετὰ τῶν συμπλευσάντων λαῶν εἰς τὴν Κνιδίαν, ἐν ἣ κτίσαι τὸ καλούμενον ἀπ' αὐτοῦ Τριόπιον. [3] ἐντεῦθεν δ' ὁρμώμενον τὴν τε Χερρόνησον κατακτήσασθαι καὶ τῆς ὁμόρου Καρίας πολλήν. περὶ δὲ τοῦ γένους τοῦ Τριόπα πολλοὶ τῶν συγγραφέων καὶ ποιητῶν διαπεφωνήκασιν: οἱ μὲν γὰρ ἀναγράφουσιν αὐτὸν υἱὸν εἶναι Κανάχης τῆς Αἰόλου καὶ Ποσειδῶνος, οἱ δὲ Λαπίθου τοῦ Ἀπόλλωνος καὶ Στίλβης τῆς Πηνειοῦ.

ἔστι δ' ἐν Καστάβῳ τῆς Χερρονήσου ἱερὸν ἅγιον Ἡμιθέας, ἧς τὴν περιπέτειαν οὐκ ἄξιον παραλιπεῖν. πολλοὶ μὲν οὖν καὶ ποικίλοι λόγοι περὶ ταύτης παραδέδονται: τὸν δ' ἐπικρατοῦντα καὶ συμφωνούμενον παρὰ τοῖς ἐγχωρίοις διέξιμεν. Σταφύλου γὰρ καὶ Χρυσοθέμιδός φασι γενέσθαι τρεῖς θυγατέρας, Μολπαδίαν καὶ Ροιῶ καὶ Παρθένον ὄνομα. καὶ τῇ μὲν Ροιοῖ τὸν Ἀπόλλωνα μίγνεντα ἔγκυν ποιῆσαι: τὸν δὲ πατέρα αὐτῆς ὡς ὑπ' ἀνθρώπου τῆς φθορᾶς γεγεννημένης ὀργισθῆναι, καὶ διὰ τοῦτο τὴν θυγατέρα εἰς λάρνακα συγκλείσαντα βαλεῖν εἰς τὴν θάλατταν. [2] προσενεχθείσης δὲ τῆς λάρνακος τῇ Δήλῳ τεκεῖν ἄρρενα, καὶ προσαγορευσαί τὸ παιδίον Ἄνιον. τὴν δὲ Ροιῶν παραδόξως σωθεῖσαν ἀναθεῖναι τὸ βρέφος ἐπὶ τὸν βωμὸν τοῦ Ἀπόλλωνος, καὶ ἐπεύξασθαι τῷ θεῷ, εἰ ἔστιν ἐξ ἐκείνου, σώζειν αὐτό. τὸν δ' Ἀπόλλωνα μυθολογοῦσι τότε μὲν κρύψαι τὸ παιδίον, ὕστερον δὲ φροντίσαντα τῆς τροφῆς διδάξαι τὴν μαντικὴν, καὶ τινὰς αὐτῷ περιτιθέναι μεγάλας τιμὰς. [3] τὰς δὲ τῆς φθαρείσης ἀδελφᾶς Μολπαδίαν καὶ Παρθένον φυλαττούσας τὸν τοῦ πατρὸς οἶνον, προσφάτως κατ' ἀνθρώπους εὐρημένον, εἰς ὕπνον κατενεχθῆναι: καθ' ὃν δὴ καιρὸν τὰς τρεφομένας παρ' αὐτοῖς ὅς εἰσελθεῖν, καὶ τὸν τε ἔχοντα τὸν οἶνον κέραμον συντρίψαι καὶ τὸν οἶνον διαφθεῖραι. τὰς

δὲ παρθένους μαθούσας τὸ γεγονός, καὶ φοβηθείσας τὸ ἀπότομον τοῦ πατρός, φυγεῖν ἐπὶ τὸν αἰγιαλὸν καὶ ἀπὸ τινων πετρῶν ὑψηλῶν ἑαυτὰς ῥῖναι. [4] Ἀπόλλωνα δὲ διὰ τὴν οἰκειότητα τὴν πρὸς τὴν ἀδελφὴν ὑπολαβόντα τὰς κόρας εἰς τὰς ἐν Χερρονήσῳ πόλεις καταστήσαι. καὶ τὴν μὲν ὀνομαζομένην Παρθένον ἐποίησεν ἐν Βουβαστῷ τῆς Χερρονήσου τιμὰς ἔχειν καὶ τέμενος, Μολπαδίαν δὲ εἰς Κάσταβον ἐλθοῦσαν διὰ τὴν ἀπὸ τοῦ θεοῦ γενομένην ἐπιφάνειαν Ἥμιθέαν ὀνομάσθαι καὶ τιμᾶσθαι παρὰ πᾶσι τοῖς ἐν Χερρονήσῳ. [5] ἐν δὲ ταῖς θυσίαις αὐτῆς διὰ τὸ συμβᾶν περὶ τὸν οἶνον πάθος τὰς μὲν σπονδὰς μελικράτῳ ποιοῦσι, τὸν δ' ἀγάμενον ἢ φαγόντα ὑὸς οὐ νόμιμον προσελθεῖν πρὸς τὸ τέμενος.

ἐν δὲ τοῖς ὕστερον χρόνοις ἐπὶ τοσοῦτον ἔλαβε τὸ ἱερὸν αὔξησιν τῆς Ἥμιθέας, ὥστε μὴ μόνον παρὰ τοῖς ἐγχωρίοις καὶ τοῖς περιοίκις τιμᾶσθαι διαφερόντως, ἀλλὰ καὶ τοὺς μακρὰν οἰκοῦντας εἰς αὐτὸ φιλοτίμως φοιτᾶν, καὶ θυσίαις τε μεγαλοπρεπέσι καὶ ἀναθήμασιν ἀξιολόγοις τιμᾶν, τὸ δὲ μέγιστον, Πέρσας ἡγουμένους τῆς Ἀσίας καὶ πάντα τὰ τῶν Ἑλλήνων ἱερὰ συλῶντας μόνου τοῦ τῆς Ἥμιθέας τεμένους ἀποσχέσθαι, τοὺς τε ληστὰς τοὺς πάντα διαρπάζοντας μόνον τοῦτο ἀφεῖναι παντελῶς ἄσυλον, καίπερ ἀτειχίστον ὑπάρχον καὶ ἀκίνδυνον ἔχον τὴν ἀρπαγὴν. [2] αἰτίαν δὲ τῆς ἐπὶ πλεον αὐξήσεως φέρουσι τὴν κοινὴν εἰς ἀνθρώπους εὐεργεσίαν: τοῖς τε γὰρ κάμνουσι κατὰ τοὺς ὕπνους ἐφισταμένην φανερώς διδόναι τὴν θεραπείαν καὶ πολλοὺς τοῖς ἀπεγνωσμένοις πάθεσι συνεχομένους περιτυχόντας ὑγιασθῆναι: πρὸς δὲ τούτοις τὸ περὶ τὰς δυστοκούσας τῶν γυναικῶν τῆς ἐν ταῖς ὥδισι τλαιπωρίας καὶ κινδύνων ἀπαλλάττειν τὴν θεόν. [3] διὸ καὶ πολλῶν ἐκ παλαιῶν χρόνων σεσωσμένων πεπλήρωται τὸ τέμενος ἀναθημάτων, καὶ ταῦτα οὐθ' ὑπὸ φυλάκων οὐθ' ὑπὸ τείχους ὄχυροῦ φυλαττόμενα, ἀλλ' ὑπὸ τῆς συνήθους δεισιδαιμονίας.

περὶ μὲν οὖν Ῥόδου καὶ Χερρονήσου ἀρκεσθησόμεθα τοῖς ῥηθεῖσι, περὶ δὲ Κρήτης νῦν διέξιμεν. οἱ μὲν γὰρ τὴν Κρήτην κατοικοῦντές φασιν ἀρχαιότατους γενέσθαι παρ' αὐτοῖς τοὺς ὀνομαζομένους Ἐτεόκρητας αὐτόχθονας, ὧν τὸν μὲν βασιλέα Κρήτα καλούμενον πλείστα καὶ μέγιστα κατὰ τὴν νῆσον εὐρεῖν τὰ δυνάμενα τὸν κοινὸν τῶν ἀνθρώπων βίον ὠφελῆσαι. [2] καὶ τῶν θεῶν δὲ τοὺς πλείστους μυθολογοῦσι παρ' ἑαυτοῖς γενέσθαι τοὺς διὰ τὰς κοινὰς εὐεργεσίας τυχόντας ἀθανάτων τιμῶν: περὶ ὧν ἡμεῖς ἐν κεφαλαίοις τὰ παραδεδομένα διέξιμεν ἀκολούθως τοῖς ἐνδοξοτάτοις τῶν τὰς Κρητικὰς πράξεις συνταξαμένων. [3] πρῶτοι τοίνυν τῶν εἰς μνήμην παραδεδομένων ᾤκησαν τῆς Κρήτης περὶ τὴν Ἰδὴν οἱ προσαγορευθέντες Ἰδαῖοι Δάκτυλοι. τούτους δ' οἱ μὲν ἑκατὸν τὸν ἀριθμὸν γεγονέναι παραδεδώκασιν, οἱ δὲ δέκα φασὶν ὑπάρχοντας τυχεῖν ταύτης τῆς προσηγορίας, τοῖς ἐν ταῖς χερσὶ δακτύλοις ὄντας ἰσαρίθμους. [4] ἔνιοι δ' ἰστοροῦσιν, ὧν ἔστι καὶ Ἐφορος, τοὺς Ἰδαίους Δακτύλους γενέσθαι μὲν κατὰ τὴν Ἰδὴν τὴν ἐν Φρυγίᾳ, διαβῆναι δὲ μετὰ Μυγδόνοιο εἰς τὴν Εὐρώπην: ὑπάρξαντας δὲ γόητας ἐπιτηδεῦσαι τὰς τε ἐπὶ ὥδᾳ καὶ τελετὰς καὶ μυστήρια, καὶ περὶ Σαμοθράκην διατρίψαντας οὐ μετρίως ἐν τούτοις ἐκπλήττειν τοὺς ἐγχωρίους: καθ' ὃν δὴ χρόνον καὶ τὸν Ὀρφέα, φύσει διαφόρῳ κεχορηγημένον

πρὸς ποίησιν καὶ μελωδίαν, μαθητὴν γενέσθαι τούτων, καὶ πρῶτον εἰς τοὺς Ἑλληνας ἐξενεγκεῖν τελετὰς καὶ μυστήρια. [5] οἱ δ' οὖν κατὰ τὴν Κρήτην Ἰδαῖοι Δάκτυλοι παραδέδονται τὴν τε τοῦ πυρὸς χρῆσιν καὶ τὴν τοῦ χαλκοῦ καὶ σιδήρου φύσιν ἐξευρεῖν τῆς Ἀπτεραίων χώρας περὶ τὸν καλούμενον Βερέκυνθον, καὶ τὴν ἐργασίαν δι' ἣς κατασκευάζεται: δόξαντας δὲ μεγάλων ἀγαθῶν ἀρχηγοὺς γεγενῆσθαι [6] τῷ γένει τῶν ἀνθρώπων τιμῶν τυχεῖν ἀθανάτων. ἱστοροῦσι δ' αὐτῶν ἓνα μὲν προσαγορευθῆναι Ἡρακλέα, δόξη δὲ διενεγκόντα θεῖναι τὸν ἀγῶνα τὸν τῶν Ὀλυμπίων: τοὺς δὲ μεταγενεστέρους ἀνθρώπους διὰ τὴν ὁμωνυμίαν δοκεῖν τὸν ἐξ Ἀλκμήνης συστήσασθαι τὴν τῶν Ὀλυμπίων θέσιν. [7] σημεῖα δὲ τούτων φασὶ διαμένειν τὸ πολλὰς τῶν γυναικῶν ἔτι καὶ νῦν λαμβάνειν ἐπ' αὐτῶν ἀπὸ τούτου τοῦ θεοῦ καὶ περιάμματα ποιεῖν, ὡς γεγονότος αὐτοῦ γόητος καὶ τὰ περὶ τὰς τελετὰς ἐπιτετηδευκότος: ἃ δὴ πλεῖστον κεχωρίσθαι τῆς Ἡρακλέους συνηθείας τοῦ γεγονότος ἐξ Ἀλκμήνης.

μετὰ δὲ τοὺς Ἰδαίους Δακτύλους ἱστοροῦσι γενέσθαι Κούρητας ἑννέα. τούτους δ' οἱ μὲν μυθολογοῦσι γεγονέναι γηγενεῖς, οἱ δ' ἀπογόνους τῶν Ἰδαίων Δακτύλων. κατοικεῖν δ' αὐτοὺς τῶν ὄρων τοὺς συνδένδρους καὶ φαραγγώδεις τόπους καὶ τὸ σύνολον τοὺς ἔχοντας σκέπη καὶ ὑπόδυσιν φυσικὴν, διὰ τὸ μήπω κατασκευὰς οἰκῶν εὐρῆσθαι. [2] διενεγκόντας δ' αὐτοὺς συνέσει πολλὰ τῶν κοινῇ χρησίμων καταδείξει: τὰς τε γὰρ ποιμένας τῶν προβάτων τούτους ἀθροΐσαι πρῶτους καὶ τὰ γένη τῶν ἄλλων βοσκημάτων ἐξημερῶσαι καὶ τὰ περὶ τὰς μελιττουργίας καταδείξει. [3] ὁμοίως δὲ καὶ τὰ περὶ τὴν τοξικὴν καὶ τὰς κυνηγίας εἰσηγήσασθαι, καὶ τῆς πρὸς ἀλλήλους κοινῆς ὁμιλίας καὶ συμβιώσεως, ἔτι δ' ὁμονοίας καὶ τινος εὐταξίας ἀρχηγοὺς γενέσθαι. [4] εὐρεῖν δὲ καὶ ξίφη καὶ κράνη καὶ τὰς ἐνοπλίους ὀρχήσεις, δι' ὧν ποιοῦντας μεγάλους ψόφους ἀπατᾶν τὸν Κρόνον. φασὶ δ' αὐτοὺς τὸν Δία, λάθρα τοῦ πατρὸς Κρόνου παραδόσης Ῥέας τῆς μητρὸς, ὑποδέξασθαι καὶ θρέψαι: περὶ οὗ τὰ κατὰ μέρος μέλλοντας ἡμᾶς δηλοῦν ἀναγκαῖον ἀναλαβεῖν μικρὸν ἀνωτέρω τὴν διήγησιν.

μυθολογοῦσι γὰρ οἱ Κρήτες γενέσθαι κατὰ τὴν τῶν Κουρήτων ἡλικίαν τοὺς καλουμένους Τιτᾶνας. τούτους δὲ τῆς Κνωσίας χώρας ἔχειν τὴν οἴκησιν, ὅπου περ ἔτι καὶ νῦν δείκνυται θεμέλια Ῥέας οἰκόπεδα καὶ κυπαρίττων ἄλσος ἐκ παλαιοῦ χρόνου ἀνειμένον. [2] ὑπάρξει δὲ τὸν ἀριθμὸν ἐξ μὲν ἄνδρας, πέντε δὲ γυναῖκας, ὡς μὲν τινες μυθολογοῦσιν, Οὐρανοῦ καὶ Γῆς ὄντας, ὡς δὲ τινὲς φασιν, ἐκ τινος τῶν Κουρήτων καὶ μητρὸς Τιταίας, ἀφ' ἧς αὐτοὺς ταύτης τετευχέναι τῆς προσηγορίας. [3] ἄρρενας μὲν οὖν γενέσθαι τὸν τε Κρόνον καὶ Ὑπερίωνα καὶ Κοῖον, ἔτι δὲ Ἰαπετὸν καὶ Κριτὸν καὶ τὸ τελευταῖον Ὠκεανόν, ἀδελφὰς δὲ τούτων τὴν τε Ῥέαν καὶ Θέμιν καὶ Μνημοσύνην, ἔτι δὲ Φοίβην καὶ Τηθύ. ὧν ἕκαστόν τινων εὐρετὴν γενέσθαι τοῖς ἀνθρώποις, καὶ διὰ τὴν εἰς ἅπαντας εὐεργεσίαν τυχεῖν τιμῶν καὶ μνήμης ἀεναίου. [4] τὸν μὲν οὖν Κρόνον ὄντα πρεσβύτατον βασιλέα γενέσθαι, καὶ τοὺς καθ' ἑαυτὸν ἀνθρώπους ἐξ ἀγρίου διαίτης εἰς βίον ἡμερον μεταστῆσαι, καὶ διὰ τοῦτο ἀποδοχῆς μεγάλης τυχόντα πολλοὺς ἐπελθεῖν τόπους τῆς οἰκουμένης. εἰσηγήσασθαι δ' αὐτὸν ἅπασιν τὴν τε δικαιοσύνην καὶ τὴν ἀπλότητα τῆς ψυχῆς: διὸ καὶ τοὺς ἐπὶ Κρόνου γενομένους ἀνθρώπους παραδεδόσθαι τοῖς

μεταγενεστέροις εὐήθεις καὶ ἀκάκους παντελῶς, ἔτι δ' εὐδαίμονας γεγονότας. [5] δυναστεῦσαι δ' αὐτὸν μάλιστα τῶν πρὸς ἐσπέραν τόπων καὶ μεγίστης ἀξιοῦσθαι τιμῆς· διὸ καὶ μέχρι τῶν νεωτέρων χρόνων παρὰ Ῥωμαίοις καὶ Καρχηδονίοις, ὅτ' ἦν ἡ πόλις αὕτη, ἔτι δὲ καὶ τοῖς ἄλλοις τοῖς πλησιοχώροις ἔθνεσιν ἐπιφανεῖς ἐορτὰς καὶ θυσίας γενέσθαι τούτῳ τῷ θεῷ καὶ πολλοὺς τόπους ἐπωνύμους αὐτοῦ γενέσθαι. [6] διὰ δὲ τὴν ὑπερβολὴν τῆς εὐνομίας ἀδίκημα μὲν μηδὲν ὅλως ὑπὸ μηδενὸς συντελεῖσθαι, πάντας δὲ τοὺς ὑπὸ τὴν ἡγεμονίαν τούτου τεταγμένους μακάριον βίον ἐζηκέναι, πάσης ἡδονῆς ἀνεμποδίστως ἀπολαύοντας. περὶ δὲ τούτων καὶ τὸν ποιητὴν Ἡσίοδον ἐπιμαρτυρεῖν ἐν τοῖσδε τοῖς ἔπεσιν:

οἱ μὲν ἐπὶ Κρόνου ἦσαν, ὅτ' οὐρανῷ ἐμβασίλευεν,
ὥστε θεοὶ δ' ἔζων, ἀκηδέα θυμὸν ἔχοντες,
νόσφιν ἄτερ τε κακῶν καὶ ἄτερ χαλεποῖο πόνοιο
νούσων τ' ἀργαλέων καὶ ἀπήμονες, οὐδὲ μέλεσσι
γῆρας ἐπῆν, αἰεὶ δὲ πόδας καὶ χεῖρας ὁμοῖοι
τέρποντ' ἐν θαλίῃσι κακῶν ἔκτοσθεν ἐόντες·
θνησκον δ' ὡς ὕπνῳ δεδμημένοι. ἄλλα τε πολλὰ
τοῖσιν ἔην· καρπὸν δ' ἔφερε ζεῖδωρος ἄρουρα
αὐτομάτῃ πολλόν τε καὶ ἄφθονον· οἱ δ' ἐπὶ γαίῃ
εὐφρονες ἔργ' ἐνέμοντο σὺν ἐσθλοῖσιν πολέεσσιν,
ἄφνειοι μήλοισι, φίλοι μακάρεσσι θεοῖσι.

περὶ μὲν οὖν Κρόνου τοιαῦτα μυθολογοῦσιν.

Ὑπερίονα δὲ φασὶ τοῦ τε ἡλίου τὴν κίνησιν καὶ σελήνης καὶ τῶν ἄλλων ἄστρον, ἔτι δὲ τὰς ὥρας τὰς συντελουμένας ὑπὸ τούτων, πρῶτον ἐξ ἐπιμελείας καὶ παρατηρήσεως κατανοήσαντα τοῖς ἄλλοις εἰς γνῶσιν παραδοῦναι, καὶ διὰ τοῦτο αὐτὸν πατέρα τούτων ὀνομασθῆναι, καθαπερεὶ γεγεννηκότα τὴν τούτων θεωρίαν καὶ φύσιν. [2] καὶ Κοίου μὲν καὶ Φοίβης Λητῶ γενέσθαι, Ἰαπετοῦ δὲ Προμηθέα τὸν παραδεδομένον μὲν ὑπὸ τινων μυθογράφων ὅτι τὸ πῦρ κλέψας παρὰ τῶν θεῶν ἔδωκε τοῖς ἀνθρώποις, πρὸς δ' ἀλήθειαν εὐρετὴν γενόμενον τῶν πυρείων, [3] ἐξ ὧν ἐκκάεται τὸ πῦρ. τῶν δὲ Τιτανίδων φασὶ Μνημοσύνην λογισμοὺς εὐρεῖν καὶ τὰς τῶν ὀνομάτων θέσεις ἐκάστῳ τῶν ὄντων τάξει, δι' ὧν καὶ δηλοῦμεν ἕκαστα καὶ πρὸς ἀλλήλους ὁμιλοῦμεν· ἃ τινες τὸν Ἑρμῆν φασιν εἰσηγήσασθαι. προσάπτουσι δὲ τῇ θεᾷ ταύτῃ καὶ τὰ πρὸς ἀνανέωσιν καὶ μνήμην γινόμενα παρὰ τοῖς ἀνθρώποις, ἀφ' ὧν δὴ καὶ τῆς προσηγορίας τυχεῖν αὐτὴν ταύτης. [4] Θέμιν δὲ μυθολογοῦσι μαντείας καὶ θυσίας καὶ θεσμοὺς τοὺς περὶ τῶν θεῶν πρώτην εἰσηγήσασθαι καὶ τὰ περὶ τὴν εὐνομίαν καὶ εἰρήνην καταδειῖναι. διὸ καὶ θεσμοφύλακας καὶ θεσμοθέτας ὀνομάζεσθαι τοὺς τὰ περὶ τοὺς θεοὺς ὅσια καὶ τοὺς τῶν ἀνθρώπων νόμους διαφυλάττοντας· καὶ τὸν Ἀπόλλω, καθ' ὃν δὴ χρόνον τοὺς χρησμοὺς διδόναι μέλλει, θεμιστευεῖν λέγομεν ἀπὸ τοῦ τὴν Θέμιν εὐρέτριαν γεγενέσθαι τῶν χρησμῶν. [5] οὗτοι μὲν οὖν οἱ θεοὶ πολλὰ τὸν ἀνθρώπινον βίον εὐεργετήσαντες οὐ μόνον ἀθανάτων τιμῶν ἡξιώθησαν, ἀλλὰ καὶ πρῶτοι τὸν Ὀλυμπον ἐνομίσθησαν οἰκεῖν μετὰ τὴν ἐξ ἀνθρώπων μετάστασιν.

Κρόνου δὲ καὶ Ῥέας λέγεται γενέσθαι τὴν τε Ἑστίαν καὶ Δήμητραν καὶ

Ἦραν, ἔτι δὲ Δία καὶ Ποσειδῶνα καὶ Ἄϊδην. τούτων δὲ λέγεται τὴν μὲν Ἑστίαν τὴν τῶν οἰκιῶν κατασκευὴν εὐρεῖν, καὶ διὰ τὴν εὐεργεσίαν ταύτην παρὰ πᾶσι σχεδὸν ἀνθρώποις ἐν πάσαις οἰκίαις καθιδρυθῆναι, τιμῶν καὶ θυσιῶν τυγχάνουσιν: Δήμητραν δέ, τοῦ σίτου φυομένου μὲν ὥς ἔτυχε μετὰ τῆς ἄλλης βοτάνης, ἀγνοουμένου δὲ παρ' ἀνθρώποις, πρώτην συγκομίσαι καὶ τὴν κατεργασίαν αὐτοῦ καὶ φυλακὴν ἐπινοῆσαι καὶ σπεῖρειν καταδείξει. [2] εὐρεῖν μὲν οὖν αὐτὴν τὸν σῖτον πρὸ τοῦ γεννῆσαι τὴν θυγατέρα Φερσεφόνην, μετὰ δὲ τὴν ταύτης γένεσιν καὶ τὴν ὑπὸ Πλούτωνος ἀρπαγὴν ἐμπρῆσαι πάντα τὸν καρπὸν διὰ τε τὴν ἔχθραν τὴν πρὸς τὸν Δία καὶ τὴν ἐπὶ τῇ θυγατρὶ λύπην. μετὰ δὲ τὴν εὕρεσιν τῆς Φερσεφόνης διαλλαγῆναί τε τῷ Διὶ καὶ τῷ Τριπτολέμῳ ἀποδοῦναι τὸν τοῦ σίτου σπόρον, ᾧ συντάξαι πᾶσιν ἀνθρώποις μεταδοῦναι τῆς τε δωρεᾶς καὶ τὰ περὶ τὴν ἐργασίαν τοῦ σπόρου διδάξει. [3] λέγουσι δὲ τινες ὅτι καὶ νόμους εἰσηγήσατο, καθ' οὓς ἀλλήλοις τὸ δίκαιον διδόναι συνειθίσθησαν ἄνθρωποι, καὶ τὴν παραδοῦσαν αὐτοῖς θεὰν θεσμοφόρον ἀπὸ τούτων προσηγόρευσαν. μεγίστων γὰρ ἀγαθῶν ἀνθρώποις αἰτίαν γενομένην ἐπιφανεστάτων τυχεῖν τιμῶν καὶ θυσιῶν, ἔτι δ' ἐορτῶν καὶ πανηγύρεων μεγαλοπρεπῶν, οὐ παρ' Ἑλλήσι μόνον, ἀλλὰ καὶ παρὰ πᾶσι σχεδὸν τοῖς βαρβάροις, ὅσοι τῆς τροφῆς ταύτης ἐκοινώνησαν.

ἀμφισβητοῦσι δὲ περὶ τῆς εὐρέσεως τοῦ καρποῦ τούτου πολλοί, τὴν θεὸν φάμενοι παρ' αὐτοῖς πρώτοις ὀφθῆναι καὶ τὴν τούτου φύσιν τε καὶ χρῆσιν καταδείξει. Αἰγύπτιοι μὲν γὰρ λέγουσι τὴν τε Δήμητραν καὶ τὴν Ἴσιν τὴν αὐτὴν εἶναι, καὶ εἰς Αἴγυπτον ἐνεγκεῖν τὸ σπέρμα πρώτην, ἀρδεύοντος μὲν εὐκαίρως τὰ πεδία τοῦ Νείλου ποταμοῦ, ταῖς δ' ὥραις ἄριστα τῆς χώρας ταύτης κεκραμένης. [2] τοὺς δ' Ἀθηναίους, καίπερ ἀποφαινομένους τὴν εὕρεσιν τοῦ καρποῦ τούτου γεγεννημένην παρ' αὐτοῖς, ὅμως μαρτυρεῖν αὐτὸν ἐτέρωθεν κεκομισμένον εἰς τὴν Ἀττικὴν: τὸν γὰρ τόπον τὸν ἐξ ἀρχῆς δεξάμενον τὴν δωρεὰν ταύτην Ἑλευσίνα προσαγορεύειν ἀπὸ τοῦ παρ' ἐτέρων ἔλθεῖν τὸ σπέρμα τοῦ σίτου κομισθέν. [3] οἱ δὲ Σικελιώται, νῆσον ἱερὰν Δήμητρος καὶ Κόρης οἰκοῦντες, εἰκὸς εἶναι φασὶ τὴν δωρεὰν ταύτην πρώτοις τοῖς τὴν προσφιλεστάτην χώραν νεμομένοις δοθῆναι: ἄτοπον μὲν γὰρ ὑπάρχειν εὐκαρποτάτην αὐτὴν ὥς ἰδίαν ποιῆσαι, τῆς δ' εὐεργεσίας ὥς μηδὲν προσηκούση μηδ' ἐσχάτη μεταδοῦναι, καὶ ταῦτ' ἐν αὐτῇ τὴν οἰκισιν ἔχουσιν, εἴπερ καὶ τῆς Κόρης τὴν ἀρπαγὴν ἐν τῇ νήσῳ ταύτῃ γεγονέναι συμπεφώνηται. εἶναι δὲ καὶ τὴν χώραν οἰκειοτάτην τούτοις τοῖς καρποῖς, ἐν ᾗ καὶ τὸν ποιητὴν λέγειν

ἀλλὰ τά γ' ἄσπαρτα καὶ ἀνήροτα πάντα φύονται,
πυροὶ καὶ κριθαί.

[4] περὶ μὲν οὖν Δήμητρος τοιαῦτα μυθολογοῦσι. τῶν δ' ἄλλων θεῶν τῶν ἐκ Κρόνου καὶ Ῥέας γενομένων φασὶν οἱ Κρήτες Ποσειδῶνα μὲν πρῶτον χρήσασθαι ταῖς κατὰ θάλατταν ἐργασίαις καὶ στόλους συστήσασθαι, παραδόντος αὐτῷ τὴν ἡγεμονίαν ταύτην τοῦ Κρόνου: διὸ καὶ παραδίδοσθαι τοῖς ἐπιγινομένοις τοῦτον κύριον ὑπάρχειν τῶν κατὰ θάλατταν πραττομένων καὶ θυσίαις ὑπὸ τῶν ναυτιλλομένων τιμᾶσθαι. προσάπτουσι δ' αὐτῷ καὶ τὸ τοὺς ἵππους δαμάσαι πρῶτον καὶ τὴν ἐπιστήμην καταδείξει τὴν περὶ τὴν

ἵππικὴν, ἀφ' ἧς ἵππιον αὐτὸν ὠνομάσθαι. [5] τὸν δ' Ἄιδην λέγεται τὰ περὶ τὰς ταφὰς καὶ τὰς ἐκφορὰς καὶ τιμὰς τῶν τεθνεώτων καταδείξαι, τὸν πρὸ τοῦ χρόνον μηδεμιᾶς οὔσης ἐπιμελείας περὶ αὐτούς: διὸ καὶ τῶν τετελευτηκότων ὁ θεὸς οὗτος παρείληπται κυριεύειν, ἀπονεμηθείσης τὸ παλαιὸν αὐτῷ τῆς τούτων ἀρχῆς καὶ φροντίδος.

περὶ δὲ τῆς τοῦ Διὸς γενέσεώς τε καὶ βασιλείας διαφωνεῖται: καὶ τινες μὲν φασιν αὐτὸν μετὰ τὴν ἐξ ἀνθρώπων τοῦ Κρόνου μετάστασιν εἰς θεοὺς διαδέξασθαι τὴν βασιλείαν, οὐ βία κατισχύσαντα τὸν πατέρα, νομίμως δὲ καὶ δικαίως ἀξιοθέντα ταύτης τῆς τιμῆς: τινὲς δὲ μυθολογοῦσι τῷ Κρόνῳ γενέσθαι λόγιον περὶ τῆς τοῦ Διὸς γενέσεως, ὅτι παραιρήσεται τὴν βασιλείαν αὐτοῦ βιαίως ὁ γεννηθεὶς παῖς. [2] διόπερ τὸν μὲν Κρόνον τὰ γεννώμενα παιδιά πλεονάκις ἀφανίζουσιν, τὴν δὲ Ῥέαν ἀγανακτήσασαν, καὶ μὴ δυναμένην μεταθεῖναι τὴν προαίρεσιν τάνδρός, τὸν Δία τεκοῦσαν ἐν τῇ προσαγορευομένῃ Ἰδῇ κλέψαι καὶ δοῦναι λάθρα τοῖς Κούρησιν ἐκθρέψαι τοῖς κατοικοῦσι πλησίον ὄρους τῆς Ἰδῆς. τούτους δ' ἀπενέγκαντας εἰς τι ἄντρον παραδοῦναι ταῖς Νύμφαις, παρακελευσαμένους τὴν πᾶσαν ἐπιμέλειαν αὐτοῦ ποιεῖσθαι. [3] αὗται δὲ μέλι καὶ γάλα μίσγουσιν τὸ παιδίον ἔθρεψαν καὶ τῆς αἰγὸς τῆς ὀνομαζομένης Ἀμαλθείας τὸν μαστὸν εἰς διατροφήν παρείχοντο. σημεῖα δὲ πολλὰ μέχρι τοῦ νῦν διαμένειν τῆς γενέσεως καὶ διατροφῆς τοῦ θεοῦ τούτου κατὰ τὴν νῆσον. [4] φερομένου μὲν γὰρ ὑπὸ τῶν Κουρήτων αὐτοῦ νηπίου φασὶν ἀποπεσεῖν τὸν ὀμφαλὸν περὶ τὸν ποταμὸν τὸν καλούμενον Τρίτωνα, καὶ τὸ χωρίον τε τοῦτο καθιερωθὲν ἀπὸ τοῦ τότε συμβάντος Ὀμφαλὸν προσαγορευθῆναι καὶ τὸ περικείμενον πεδίον ὁμοίως Ὀμφάλειον. κατὰ δὲ τὴν Ἰδὴν, ἐν ἣ συνέβη τραφῆναι τὸν θεόν, τό τε ἄντρον ἐν ᾧ τὴν δίαιταν εἶχε καθιέρωται καὶ οἱ περὶ αὐτὸ λειμῶνες ὁμοίως ἀνείνται περὶ τὴν ἀκρόρειαν ὄντες. [5] τὸ δὲ πάντων παραδοξότατον καὶ μυθολογούμενον περὶ τῶν μελιττῶν οὐκ ἄξιον παραλιπεῖν: τὸν γὰρ θεόν φασιν ἀθάνατον μνήμην τῆς πρὸς αὐτὰς οἰκειότητος διαφυλάξαι βουλούμενον ἀλλάξαι μὲν τὴν χροάν αὐτῶν καὶ ποιῆσαι χαλκῷ χρυσοειδεῖ παραπλησίαν, τοῦ τόπου δ' ὄντος ὑψηλοῦ καθ' ὑπερβολήν, καὶ πνευμάτων τε μεγάλων ἐν αὐτῷ γινομένων καὶ χιόνος πολλῆς πιπτούσης, ἀνepαισθήτους αὐτὰς καὶ ἀπαθεῖς ποιῆσαι, δυσχειμερωτάτους τόπους νεμομένας. [6] τῇ θρεψάσῃ δ' αἰγὶ τιμὰς τέ τινας ἄλλας ἀπονεῖμαι καὶ τὴν ἐπωνυμίαν ἀπ' αὐτῆς λαβεῖν, αἰγίοχον ἐπονομασθέντα. ἀνδρωθέντα δ' αὐτόν φασι πρῶτον πόλιν κτίσαι περὶ τὴν Δίκταν, ὅπου καὶ τὴν γένεσιν αὐτοῦ γενέσθαι μυθολογοῦσιν: ἥς ἐκλειφθείσης ἐν τοῖς ὕστερον χρόνοις διαμένειν ἔτι καὶ νῦν ἔρματα τῶν θεμελίων.

διενέγκαι δὲ τὸν θεὸν τοῦτον ἀπάντων ἀνδρεία καὶ συνέσει καὶ δικαιοσύνῃ καὶ ταῖς ἄλλαις ἀπάσαις ἀρεταῖς: διὸ καὶ παραλαβόντα τὴν βασιλείαν παρὰ τοῦ Κρόνου πλεῖστα καὶ μέγιστα τὸν ἀνθρώπινον βίον εὐεργετῆσαι. πρῶτον μὲν γὰρ ἀπάντων καταδείξαι περὶ τῶν ἀδικημάτων τὸ δίκαιον ἀλλήλοις διδόναι τοὺς ἀνθρώπους καὶ τοῦ βίᾳ τι πράττειν ἀποστήσαι, κρίσει δὲ καὶ δικαστηρίῳ τὰς ἀμφισβητήσεις διαλύειν. καθόλου δὲ τὰ περὶ τῆς εὐνομίας καὶ τῆς εἰρήνης προσαναπληρῶσαι, τοὺς μὲν ἀγαθοὺς πείθοντα, τοὺς δὲ φαύλους τῇ τιμωρίᾳ καὶ τῷ φόβῳ καταπληττόμενον. [2] ἐπελθεῖν δ' αὐτόν καὶ τὴν οἰκουμένην σχεδὸν πᾶσαν τοὺς μὲν ληστὰς καὶ ἀσεβεῖς ἀναιροῦντα, τὴν δ' ἰσότητά καὶ τὴν δημοκρατίαν εἰσηγούμενον: ὅτε δὴ φασιν αὐτόν καὶ τοὺς γίγαντας ἀνελεῖν, ἐν μὲν Κρήτῃ τοὺς περὶ Μύλινον, κατὰ δὲ τὴν Φρυγίαν τοὺς περὶ Τυφῶνα. [3] πρὸ δὲ τῆς μάχης τῆς πρὸς τοὺς ἐν Κρήτῃ γίγαντας λέγεται τὸν Δία θῆσαι βοῦν Ἥλιῳ καὶ Οὐρανῷ καὶ Γῇ: ἐπὶ δὲ τῶν

ιερώων ἀπάντων φανῆναι τὰ περὶ τούτων ἐπικριθέντα ἐπισημαίνεται κράτος καὶ ἀπόστασις ἀπὸ τῶν πολεμίων πρὸς αὐτούς. ἀκόλουθον δὲ τούτοις γενέσθαι τοῦ πολέμου τὸ τέλος· αὐτομολῆσαι μὲν γὰρ ἐκ τῶν πολεμίων Μουσαῖον, καὶ τυχεῖν ὀρισμένων τιμῶν, κατακοπῆναι δ' ὑπὸ τῶν θεῶν ἅπαντας τοὺς ἀντιταξαμένους. [4] συστῆναι δὲ καὶ ἄλλους πολέμους αὐτῷ πρὸς γίγαντας, τῆς μὲν Μακεδονίας περὶ τὴν Παλλήνην, τῆς δ' Ἰταλίας κατὰ τὸ πεδῖον, ὃ τὸ μὲν παλαιὸν ἀπὸ τοῦ κατακεκαυμένου τόπου Φλεγραῖον ὠνομάζετο, κατὰ δὲ τοὺς ὕστερον χρόνους Κυμαῖον προσηγόρευον. [5] κολασθῆναι δὲ τοὺς γίγαντας ὑπὸ Διὸς διὰ τὴν εἰς τοὺς ἄλλους ἀνθρώπους παρανομίαν καὶ διὰ τὸ ταῖς τοῦ σώματος ὑπεροχαῖς καὶ ῥώμῃς πεποιθότας καταδουλοῦσθαι μὲν τοὺς πλησιοχώρους, ἀπειθεῖν δὲ τοῖς περὶ τοῦ δικαίου τιθεμένοις νόμοις, πόλεμον δ' ἐκφέρειν πρὸς τοὺς διὰ τὰς κοινὰς εὐεργεσίας ὑπὸ πάντων θεοῦς νομιζομένους. [6] τὸν δ' οὖν Δία λέγουσι μὴ μόνον ἄρδην ἐξ ἀνθρώπων ἀφανίσαι τοὺς ἀσεβεῖς καὶ πονηροὺς, ἀλλὰ καὶ τοῖς ἀρίστοις τῶν θεῶν καὶ ἡρώων, ἔτι δ' ἀνδρῶν τὰς ἀξίας ἀπονεῖμαι τιμὰς. διὰ δὲ τὸ μέγεθος τῶν εὐεργεσιῶν καὶ τὴν ὑπεροχὴν τῆς δυνάμεως συμφώνως αὐτῷ παρὰ πάντων συγκεχωρησθαι τὴν τε βασιλείαν εἰς τὸν αἰεὶ χρόνον καὶ τὴν οἴκησιν τὴν ἐν Ὀλύμπῳ.

καταδειχθῆναι δὲ καὶ θυσίας αὐτῷ συντελεῖν ὑπὲρ τοὺς ἄλλους ἅπαντας, καὶ μετὰ τὴν ἐκ γῆς μετάστασιν εἰς τὸν οὐρανὸν ἐγγενέσθαι δόξας δικαίους ἐν ταῖς τῶν εὖ πεπονθότων ψυχαῖς, ὡς ἀπάντων τῶν γινομένων κατ' οὐρανὸν οὗτος εἴη κύριος, λέγω δ' ὄμβρων τε καὶ βροντῶν καὶ κεραυνῶν καὶ τῶν ἄλλων τῶν τοιούτων. [2] διόπερ αὐτὸν προσαγορευθῆναι Ζῆνα μὲν ἀπὸ τοῦ δοκεῖν τοῖς ἀνθρώποις αἴτιον εἶναι τοῦ ζῆν, ταῖς ἐκ τοῦ περιέχοντος εὐκρασίαις τοὺς καρποὺς ἀνάγοντα πρὸς τέλος, πατέρα δὲ διὰ τὴν φροντίδα καὶ τὴν εὐνοίαν τὴν εἰς ἅπαντας, ἔτι δὲ καὶ τὸ δοκεῖν ὥσπερ ἀρχηγὸν εἶναι τοῦ γένους τῶν ἀνθρώπων, ὕπατον δὲ καὶ βασιλέα διὰ τὴν τῆς ἀρχῆς ὑπεροχὴν, εὐβουλέα δὲ καὶ μητιέτην διὰ τὴν ἐν τῷ βουλευέσθαι καλῶς σύνεσιν. [3] μυθολογοῦσι δὲ καὶ τὴν Ἀθηνᾶν κατὰ τὴν Κρήτην ἐκ Διὸς ἐν ταῖς πηγαῖς τοῦ Τρίτωνος ποταμοῦ γεννηθῆναι· διὸ καὶ Τριτογένειαν ὀνομασθῆναι. ἔστι δὲ καὶ νῦν ἔτι περὶ τὰς πηγὰς ταύτας ἱερὸν ἅγιον τῆς θεοῦ ταύτης, ἐν ᾧ τόπῳ τὴν γένεσιν αὐτῆς ὑπάρχει μυθολογοῦσι. [4] λέγουσι δὲ καὶ τοὺς γάμους τοῦ τε Διὸς καὶ τῆς Ἥρας ἐν τῇ Κνωσίῳ χώρᾳ γενέσθαι κατὰ τινα τόπον πλησίον τοῦ Θήρηνος ποταμοῦ, καθ' ὃν νῦν ἱερὸν ἔστιν, ἐν ᾧ θυσίας κατ' ἐνιαυτὸν ἀγίους ὑπὸ τῶν ἐγχωρίων συντελεῖσθαι, καὶ τοὺς γάμους ἀπομυμῆσθαι, καθάπερ ἐξ ἀρχῆς γενέσθαι παρεδόθησαν. [5] τοῦ δὲ Διὸς ἐκγόνους φασὶ γενέσθαι θεὰς μὲν Ἀφροδίτην καὶ Χάριτας, πρὸς δὲ ταύταις Εἰλειθυίαν καὶ τὴν ταύτης συνεργὸν Ἄρτεμιν, καὶ τὰς προσαγορευομένας Ὠρας, Εὐνομίαν τε καὶ Δίκην, ἔτι δ' Εἰρήνην καὶ Ἀθηνᾶν καὶ Μοῦσας, θεοὺς δὲ Ἥφαιστον καὶ Ἄρην καὶ Ἀπόλλωνα, πρὸς δὲ τούτοις Ἑρμῆν καὶ Διόνυσον καὶ Ἡρακλέα.

τούτων δ' ἐκάστῳ μυθολογοῦσι τὸν Δία τῶν εὐρεθέντων ὑπ' αὐτοῦ καὶ συντελουμένων ἔργων τὰς ἐπιστήμας καὶ τὰς τιμὰς τῆς εὐρέσεως ἀπονεῖμαι, βουλούμενον αἰώνιον αὐτοῖς περιποιῆσαι μνήμην παρὰ πᾶσιν ἀνθρώποις. [2] παραδοθῆναι δὲ τῇ μὲν Ἀφροδίτῃ τὴν τε τῶν παρθένων ἡλικίαν, ἐν οἷς

χρόνοις δεῖ γαμεῖν αὐτάς, καὶ τὴν ἄλλην ἐπιμέλειαν τὴν ἔτι καὶ νῦν ἐν τοῖς γάμοις γινομένην μετὰ θυσιῶν καὶ σπονδῶν, ἃς ποιοῦσιν ἄνθρωποι τῇ θεῷ ταύτῃ. προθύουσι δὲ πρότερον ἅπαντες τῷ Διὶ τῷ τελείῳ καὶ Ἡρᾷ τελείᾳ διὰ τὸ τούτους ἀρχηγούς γεγενῆσθαι καὶ πάντων εὐρετάς, καθότι προεῖρηται. [3] ταῖς δὲ Χάρισι δοθῆναι τὴν τῆς ὄψεως κόσμησιν καὶ τὸ σχηματίζειν ἕκαστον μέρος τοῦ σώματος πρὸς τὸ βέλτιον καὶ προσηγῆς τοῖς θεωροῦσι, πρὸς δὲ τούτοις τὸ κατάρχειν εὐεργεσίας καὶ πάλιν ἀμείβεσθαι ταῖς προσηκούσαις χάρισι τοὺς εὖ ποιήσαντας. [4] Εἰλείθυιαν δὲ λαβεῖν τὴν περὶ τὰς τικτούσας ἐπιμέλειαν καὶ θεραπείαν τῶν ἐν τῷ τίκτειν κακοπαθουσῶν. διὸ καὶ τὰς ἐν τοῖς τοιούτοις κινδυνευούσας γυναῖκας ἐπικαλεῖσθαι μάλιστα τὴν θεὸν ταύτην. [5] Ἄρτεμιν δὲ φασιν εὐρεῖν τὴν τῶν νηπίων παιδίων θεραπείαν καὶ τροφάς τινας ἀρμοζούσας τῇ φύσει τῶν βρεφῶν. [6] ἀφ' ἧς αἰτίας καὶ κουροτρόφον αὐτὴν ὀνομάζεσθαι. τῶν δ' ὀνομαζομένων Ὠρῶν ἕκαστη δοθῆναι τὴν ἐπώνυμον τάξιν τε καὶ τοῦ βίου διακόσμησιν ἐπὶ τῇ μεγίστῃ τῶν ἀνθρώπων ὠφελείᾳ: μὴδὲν γὰρ εἶναι μᾶλλον δυνάμενον εὐδαίμονα βίον παρασκευάσαι τῆς εὐνομίας καὶ δίκης καὶ εἰρήνης. [7] Ἀθηνᾶ δὲ προσάπτουσι τὴν τε τῶν ἐλαιῶν ἡμέρωσιν καὶ φυτείαν παραδοῦναι τοῖς ἀνθρώποις καὶ τὴν τοῦ καρποῦ τούτου κατεργασίαν: πρὸ γὰρ τοῦ γενέσθαι τὴν θεὸν ταύτην ὑπάρξει μὲν τὸ γένος τοῦτο τῶν δένδρων μετὰ τῆς ἄλλης ἀγρίας ὕλης, τὴν μέντοι γ' ἐπιμέλειαν ταύτης οὐκ εἶναι καὶ τὴν ἐμπειρίαν τὴν ἔτι καὶ νῦν γινομένην περὶ τούτων. [8] πρὸς δὲ τούτοις τὴν τῆς ἐσθῆτος κατασκευὴν καὶ τὴν τεκτονικὴν τέχνην, ἔτι δὲ πολλὰ τῶν ἐν ταῖς ἄλλαις ἐπιστήμαις εἰσηγήσασθαι τοῖς ἀνθρώποις: εὐρεῖν δὲ καὶ τὴν τῶν αὐλῶν κατασκευὴν καὶ τὴν διὰ τούτων συντελουμένην μουσικὴν καὶ τὸ σύνολον πολλὰ τῶν φιλοτέχνων ἔργων, ἀφ' ὧν ἐργάνην αὐτὴν προσαγορεύεσθαι.

ταῖς δὲ Μούσαις δοθῆναι παρὰ τοῦ πατρὸς τὴν τῶν γραμμάτων εὐρεσιν καὶ τὴν τῶν ἐπῶν σύνθεσιν τὴν προσαγορευομένην ποιητικὴν. πρὸς δὲ τοὺς λέγοντας, ὅτι Σύροι μὲν εὐρεταὶ τῶν γραμμάτων εἰσὶ, παρὰ δὲ τούτων Φοῖνικες μαθόντες τοῖς Ἑλλήσι παραδεδώκασιν, οὗτοι δ' εἰσὶν οἱ μετὰ Κάδμου πλεύσαντες εἰς τὴν Εὐρώπην, καὶ διὰ τοῦτο τοὺς Ἑλλήνας τὰ γράμματα Φοινίκεια προσαγορεύειν, φασὶ τοὺς Φοῖνικας οὐκ ἐξ ἀρχῆς εὐρεῖν, ἀλλὰ τοὺς τύπους τῶν γραμμάτων μεταθεῖναι μόνον, καὶ τῇ τε γραφῇ ταύτῃ τοὺς πλείστους τῶν ἀνθρώπων χρῆσασθαι καὶ διὰ τοῦτο τυχεῖν τῆς προειρημένης προσηγορίας. [2] Ἥφαιστον δὲ λέγουσιν εὐρετὴν γενέσθαι τῆς περὶ τὸν σίδηρον ἐργασίας ἀπάσης καὶ τῆς περὶ τὸν χαλκὸν καὶ χρυσὸν καὶ ἄργυρον καὶ τῶν ἄλλων ὅσα τὴν ἐκ τοῦ πυρὸς ἐργασίαν ἐπιδέχεται, καὶ τὰς ἄλλας δὲ χρεῖας τὰς τοῦ πυρὸς ἀπάσας προσεξευρεῖν καὶ παραδοῦναι τοῖς τε τὰς τέχνας ἐργαζομένοις καὶ τοῖς ἄλλοις ἅπασιν ἀνθρώποις: [3] διόπερ οἱ τῶν τεχνῶν τούτων δημιουργοὶ τὰς εὐχὰς καὶ θυσίας τούτῳ τῷ θεῷ μάλιστα ποιοῦσι, καὶ τὸ πῦρ οὗτοί τε καὶ πάντες ἄνθρωποι προσαγορεύουσιν Ἥφαιστον, εἰς μνήμην καὶ τιμὴν ἀθάνατον τιθέμενοι τὴν ἐξ ἀρχῆς τῷ κοινῷ βίῳ δεδομένην εὐεργεσίαν. [4] τὸν Ἄρην δὲ μυθολογοῦσι πρῶτον κατασκευάσαι πανοπλίαν καὶ στρατιωτάς καθοπλίσαι καὶ τὴν ἐν ταῖς μάχαις ἐναγώνιον ἐνέργειαν εἰσηγήσασθαι, φονεύοντα τοὺς ἀπειθοῦντας τοῖς θεοῖς.

[5] Απόλλωνα δὲ τῆς κιθάρας εὐρετὴν ἀναγορεύουσι καὶ τῆς κατ' αὐτὴν μουσικῆς· ἔτι δὲ τὴν ἰατρικὴν ἐπιστήμην ἐξενεγκεῖν διὰ τῆς μαντικῆς τέχνης γινομένην, δι' ἧς τὸ παλαιὸν συνέβαινε θεραπείας τυγχάνειν τοὺς ἀρρωστοῦντας· εὐρετὴν δὲ καὶ τοῦ τόξου γενόμενον διδάξαι τοὺς ἐγχωρίους τὰ περὶ τὴν τοξείαν, ἀφ' ἧς αἰτίας μάλιστα παρὰ τοῖς Κρησὶν ἐξηλῶσθαι τὴν τοξικὴν καὶ τὸ τόξον Κρητικὸν ὀνομασθῆναι. [6] Απόλλωνος δὲ καὶ Κορωνίδος Ἀσκληπιὸν γενηθέντα, καὶ πολλὰ παρὰ τοῦ πατρὸς τῶν εἰς ἰατρικὴν μαθόντα, προσεξευρεῖν τὴν τε χειρουργίαν καὶ τὰς τῶν φαρμάκων σκευασίας καὶ ῥιζῶν δυνάμεις, καὶ καθόλου προβιβᾶσαι τὴν τέχνην ἐπὶ τοσοῦτον, ὥστε ὡς ἀρχηγὸν αὐτῆς καὶ κτίστην τιμᾶσθαι.

τῷ δ' Ἑρμῇ προσάπτουσι τὰς ἐν τοῖς πολέμοις γινομένας ἐπικηρυκείας καὶ διαλλαγὰς καὶ σπονδὰς καὶ τὸ τούτων σύσσημον κηρύκειον, ὃ φορεῖν εἰώθασιν οἱ περὶ τῶν τοιούτων τοὺς λόγους ποιοῦμενοι καὶ διὰ τούτου τυγχάνοντες παρὰ τοῖς πολεμίοις ἀσφαλείας· ὅθεν δὴ καὶ κοινὸν Ἑρμῇν ὀνομάσθαι, διὰ τὸ τὴν ὠφέλειαν ἀμφοτέροις εἶναι κοινὴν τοῖς ἐν τῷ πολέμῳ τὴν εἰρήνην μεταλαμβάνουσι. [2] φασὶ δ' αὐτὸν καὶ μέτρα καὶ σταθμὰ καὶ τὰ διὰ τῆς ἐμπορίας κέρδη πρῶτον ἐπινοῆσαι καὶ τὸ λάθρα τὰ τῶν ἄλλων σφετερίζεσθαι. παραδεδόσθαι δ' αὐτὸν καὶ κήρυκα τῶν θεῶν, ἔτι δ' ἄγγελον ἄριστον διὰ τὸ σαφῶς αὐτὸν ἕκαστα τῶν εἰς ἐντολὴν δοθέντων ἐρμηνεύειν· ἀφ' οὗ καὶ τετευχέναι τῆς προσηγορίας αὐτὸν ταύτης, οὐχ εὐρετὴν τῶν ὀνομάτων καὶ λέξεων γενόμενον, ὥς τινές φασιν, ἀλλὰ τὸ τῆς ἀπαγγελίας ἄρτιον καὶ σαφὲς ἐκπεπονηκότα περιττότερον τῶν ἄλλων. [3] εἰσηγητὴν δ' αὐτὸν καὶ παλαιίστρας γενέσθαι, καὶ τὴν ἀπὸ τῆς χελώνης λύραν ἐπινοῆσαι μετὰ τὴν Απόλλωνος πρὸς Μαρσύαν σύγκρισιν, καθ' ἣν λέγεται τὸν Απόλλωνα νικήσαντα καὶ τιμωρίαν ὑπὲρ τὴν ἀξίαν λαβόντα παρὰ τοῦ λειφθέντος μεταμεληθῆναι, καὶ τὰς ἐκ τῆς κιθάρας χορδὰς ἐκρήξαντα μέχρι τινὸς χρόνου τῆς ἐν αὐτῇ μουσικῆς ἀποσιῆναι. [4] Διόνυσον δὲ μυθολογοῦσιν εὐρετὴν γενέσθαι τῆς τ' ἀμπέλου καὶ τῆς περὶ ταύτην ἐργασίας, ἔτι δ' οἰνοποιίας καὶ τοῦ πολλοῦς τῶν ἐκ τῆς ὀπώρας καρπῶν ἀποθησαυρίζεσθαι καὶ τὰς χρείας καὶ τὰς τροφὰς παρέχεσθαι τοῖς ἀνθρώποις ἐπὶ πολὺν χρόνον. τοῦτον δὲ τὸν θεὸν γεγονέναι φασὶν ἐκ Διὸς καὶ Φερσεφόνης κατὰ τὴν Κρήτην, ὃν Ὀρφεὺς κατὰ τὰς τελετὰς παρέδωκε διασπώμενον ὑπὸ τῶν Τιτάνων· πλείονας γὰρ Διονύσους συμβαίνει γεγονέναι, περὶ ὧν ἡμεῖς σαφέστερον τὰ κατὰ μέρος ἐν οἰκειότεροις καιροῖς ἀναγεγράφαμεν. [5] οἱ δ' οὖν Κρηῖτες τῆς παρ' αὐτοῖς γενέσεως τοῦ θεοῦ πειρῶνται σημεῖα φέρειν, λέγοντες ὅτι περὶ τὴν Κρήτην δύο νήσους κτίσας ἐπὶ τῶν καλουμένων διδύμων κόλπων Διονυσιάδας ἀφ' ἑαυτοῦ προσηγόρευσεν, ὅπερ μηδαμοῦ τῆς οἰκουμένης αὐτὸν ἐτέρωθι πεποιηκέναι.

Ἡρακλέα δὲ μυθολογοῦσιν ἐκ Διὸς γενέσθαι παμπόλλοις ἔτεσι πρότερον τοῦ γεννηθέντος περὶ τὴν Ἀργεῖαν ἐξ Ἀλκμήνης. τοῦτον δὲ μητρὸς μὲν μὴ παρειληφέναι τίνος ἦν, αὐτὸ δὲ μόνον ὅτι ῥώμη σώματος πολὺ τῶν ἀπάντων διενεγκὼν ἐπῆλθε τὴν οἰκουμένην, κολάζων μὲν τοὺς ἀδίκους, ἀναιρῶν δὲ τὰ τὴν χώραν ἀοίκητον ποιοῦντα θηρία· πᾶσι δ' ἀνθρώποις τὴν ἐλευθερίαν περιποιήσας ἀήττητος μὲν ἐγένετο καὶ ἄτρωτος, διὰ δὲ τὰς εὐεργασίας

ἀθανάτου τιμῆς ἔτυχε παρ' ἀνθρώποις. [2] τὸν δ' ἐξ Ἀλκμήνης Ἡρακλέα παντελῶς νεώτερον ὄντα, καὶ ζηλωτὴν γενόμενον τῆς τοῦ παλαιοῦ προαιρέσεως, διὰ τὰς αὐτὰς αἰτίας τυχεῖν τε τῆς ἀθανασίας καὶ χρόνων ἐγγενομένων διὰ τὴν ὁμωνυμίαν δόξαι τὸν αὐτὸν εἶναι, καὶ τὰς τοῦ προτέρου πράξεις εἰς τοῦτον μεταπεσεῖν, ἀγνοούντων τῶν πολλῶν τάληθές. ὁμολογοῦσι δὲ τοῦ παλαιότερου θεοῦ κατὰ τὴν Αἴγυπτον πράξεις τε καὶ τιμὰς ἐπιφανεστάτας διαμένειν καὶ πόλιν ὑπ' ἐκείνου κτισθεῖσαν. [3] Βριτόμαρτιν δὲ τὴν προσαγορευομένην Δίκτυνναν μυθολογοῦσι γενέσθαι μὲν ἐν Καινοῖ τῆς Κρήτης ἐκ Διὸς καὶ Κάρμης τῆς Εὐβούλου τοῦ γεννηθέντος ἐκ Δήμητρος: ταύτην δ' εὐρέτιν γενομένην δικτύων τῶν εἰς κυνηγίαν προσαγορευθῆναι Δίκτυνναν, καὶ τὰς μὲν διατριβὰς ποιήσασθαι μετὰ τῆς Ἀρτέμιδος, ἀφ' ἧς αἰτίας ἐνίους δοκεῖν τὴν αὐτὴν εἶναι Δίκτυννάν τε καὶ Ἄρτεμιν, θυσίαις δὲ καὶ ναῶν κατασκευαῖς τετιμῆσθαι παρὰ τοῖς Κρησὶ τὴν θεὸν ταύτην. [4] τοὺς δ' ἱστοροῦντας αὐτὴν ὀνομάσθαι Δίκτυνναν ἀπὸ τοῦ συμφυγεῖν εἰς ἀλειυτικά δίκτυα, διωκομένην ὑπὸ Μίνω συνουσίας ἔνεκα, διημαρτηκέναι τῆς ἀληθείας: οὔτε γὰρ τὴν θεὸν εἰς τοιαύτην ἀσθένειαν ἐλθεῖν πιθανὸν ὑπάρχειν ὥστε προσδεθῆναι τῆς παρ' ἀνθρώπων βοηθείας, τοῦ μεγίστου τῶν θεῶν οὖσαν θυγατέρα, οὔτε τῷ Μίνῳ δίκαιον προσάπτειν τοιαύτην ἀσέβειαν, παραδεδομένῳ συμφώνως δικαίαν προαίρεσιν καὶ βίον ἐπαινούμενον ἐξηλωκέναι.

πλοῦτον δὲ γενέσθαι φασὶν ἐν Τριπόλῳ τῆς Κρήτης ἐκ Δήμητρος καὶ Ἰασίωνος, διττῶς ἱστορουμένης αὐτοῦ τῆς γενέσεως. οἱ μὲν γὰρ φασὶ τὴν γῆν σπαρεῖσαν ὑπὸ Ἰασίωνος καὶ τυγχάνουσαν ἐπιμελείας τῆς προσηκούσης ἀνεῖναι τοσοῦτο πλῆθος καρπῶν, ὥστε τοὺς ἰδόντας ἴδιον ὄνομα θέσθαι τῷ πλήθει τῶν γενομένων καρπῶν καὶ προσαγορεῦσαι πλοῦτον: διὸ καὶ τοῖς ἐπιγινομένοις παραδόσιμον γενέσθαι τὸ τοὺς πλείω τῶν ἱκανῶν κτησαμένους ἔχειν πλοῦτον. [2] ἐνιοὶ δὲ μυθολογοῦσιν ἐκ Δήμητρος καὶ Ἰασίωνος γενέσθαι παῖδα Πλοῦτον ὀνομαζόμενον, ὃν πρῶτον ἐπιμέλειαν βίου καὶ χρημάτων ἀθροισμὸν καὶ φυλακὴν εἰσηγήσασθαι, τῶν πρὸ τοῦ πάντων ὀλιγώρως ἐχόντων περὶ τὸ σωρεύειν καὶ τηρεῖν ἐπιμελῶς χρημάτων πλῆθος. [3] περὶ μὲν οὖν τῶν θεῶν οἱ Κρήτες τῶν παρ' αὐτοῖς λεγομένων γεννηθῆναι τοιαῦτα μυθολογοῦσι: τὰς δὲ τιμὰς καὶ θυσίας καὶ τὰς περὶ τὰ μυστήρια τελετὰς ἐκ Κρήτης εἰς τοὺς ἄλλους ἀνθρώπους παραδεδόσθαι λέγοντες τοῦτο φέρουσιν, ὡς οἴονται, μέγιστον τεκμήριον: τὴν τε γὰρ παρ' Ἀθηναίοις ἐν Ἐλευσίνι γινομένην τελετὴν, ἐπιφανεστάτην σχεδὸν οὖσαν ἀπασῶν, καὶ τὴν ἐν Σαμοθράκῃ καὶ τὴν ἐν Θράκῃ ἐν τοῖς Κίκοσιν, ὅθεν ὁ καταδείξας Ὀρφεὺς ἦν, μυστικῶς παραδίδοσθαι, κατὰ δὲ τὴν Κρήτην ἐν Κνωσῷ νόμιμον ἐξ ἀρχαίων εἶναι φανερῶς τὰς τελετὰς ταύτας πᾶσι παραδίδοσθαι, καὶ τὰ παρὰ τοῖς ἄλλοις ἐν ἀπορρήτῳ παραδιδόμενα παρ' αὐτοῖς μηδένα κρύπτειν τῶν βουλομένων τὰ τοιαῦτα γινώσκειν. [4] τῶν γὰρ θεῶν φασὶ τοὺς πλείστους ἐκ τῆς Κρήτης ὀρμηθέντας ἐπιέναι πολλὰ μέρη τῆς οἰκουμένης, εὐεργετοῦντας τὰ γένη τῶν ἀνθρώπων καὶ μεταδιδόντας ἐκάστοις τῆς ἐκ τῶν ἰδίων εὐρημάτων ὠφελείας. Δήμητραν μὲν γὰρ περαιωθεῖσαν εἰς τὴν Ἀττικὴν ἐκεῖθεν εἰς Σικελίαν ἀπᾶραι, καὶ μετὰ ταῦτ' εἰς Αἴγυπτον: ἐν δὲ τούτοις τοῖς

τόποις μάλιστα τὸν τοῦ σίτου καρπὸν παραδοῦσαν καὶ τὰ περὶ τὸν σπὸρον διδάξασαν μεγάλων τιμῶν τυχεῖν παρὰ τοῖς εὖ παθοῦσιν. [5] ὁμοίως δ' Ἀφροδίτην ἐνδιατρίψαι τῆς μὲν Σικελίας περὶ τὸν Ἑρκα, τῶν δὲ νήσων περὶ Κύθηρα καὶ Πάφον τῆς Κύπρου, τῆς δὲ Ἀσίας περὶ τὴν Συρίαν· διὰ δὲ τὴν ἐπιφάνειαν καὶ τὴν ἐπὶ πλέον ἐπιδημίαν αὐτῆς τοὺς ἐγχωρίους ἐξειδιάζεσθαι τὴν θεόν, καλοῦντας Ἀφροδίτην Ἑρκίνην καὶ Κυθέρειαν καὶ Παφίαν, ἔτι δὲ καὶ Συρίαν. [6] ὡσαύτως δὲ τὸν μὲν Απόλλωνα πλεῖστον χρόνον φανῆναι περὶ Δῆλον καὶ Λυκίαν καὶ Δελφούς, τὴν δ' Ἄρτεμιν περὶ τὴν Ἐφεσον καὶ τὸν Πόντον, ἔτι δὲ τὴν Περσίδα καὶ τὴν Κρήτην· διόπερ [7] ἀπὸ τῶν τόπων ἢ πράξεων τῶν παρ' ἐκάστοις συντελεσθεισῶν τὸν μὲν Δῆλιον καὶ Λύκιον καὶ Πύθιον ὀνομάζεσθαι, τὴν δ' Ἐφεσίαν καὶ Κρησίαν, ἔτι δὲ Ταυροπόλον καὶ Περσίαν, ἀμφοτέρων ἐν Κρήτῃ γεγεννημένων. [8] τιμᾶται δὲ καὶ παρὰ τοῖς Πέρσαις ἡ θεὸς αὕτη διαφερόντως, καὶ μυστήρια ποιοῦσιν οἱ βάρβαροι, συντελούμενα παρ' ἑτέροις μέχρι τῶν νῦν χρόνων Ἀρτέμιδι Περσίᾳ. παραπλήσια δὲ μυθολογοῦσι καὶ περὶ τῶν ἄλλων θεῶν, περὶ ὧν ἡμῖν ἀναγράφειν μακρὸν ἂν εἴη, τοῖς δ' ἀναγινώσκουσι παντελῶς ἀσύνοπτον.

μετὰ δὲ τὰς τῶν θεῶν γενέσεις ὕστερον πολλαῖς γενεαῖς φασὶ γενέσθαι κατὰ τὴν Κρήτην ἦρωας οὐκ ὀλίγους, ὧν ὑπάρχειν ἐπιφανεστάτους τοὺς περὶ Μίνω καὶ Ῥαδάμανθυν καὶ Σαρπηδόνα. τούτους γὰρ μυθολογοῦσιν ἐκ Διὸς γεγεννησθαι καὶ τῆς Ἀγήνορος Εὐρώπης, ἣν φασὶν ἐπὶ ταύρου διακομισθῆναι προνοία θεῶν εἰς τὴν Κρήτην. [2] Μίνω μὲν οὖν πρεσβύτατον ὄντα βασιλεῦσαι τῆς νήσου, καὶ κτίσαι πόλεις οὐκ ὀλίγας ἐν αὐτῇ, τούτων δ' ἐπιφανεστάτας τρεῖς, Κνωσὸν μὲν ἐν τοῖς πρὸς τὴν Ἀσίαν νεύουσι μέρεσι τῆς νήσου, Φαιστόν δ' ἐπὶ θαλάττης ἐστραμμένην ἐπὶ μεσημβρίαν, Κυδωνίαν δ' ἐν τοῖς πρὸς ἐσπέραν κεκλιμένοις τόποις κατ' ἀντικρὺ τῆς Πελοποννήσου. [3] θεῖναι δὲ καὶ νόμους τοῖς Κρησὶν οὐκ ὀλίγους, προσποιούμενον παρὰ Διὸς τοῦ πατρὸς λαμβάνειν, συνερχόμενον εἰς λόγους αὐτῷ κατὰ τι σπῆλαιον. κτήσασθαι δὲ καὶ δύναμιν ναυτικὴν μεγάλην, καὶ τῶν τε νήσων τὰς πλείστας καταστρέψασθαι καὶ πρῶτον τῶν Ἑλλήνων θαλαττοκρατῆσαι. [4] μεγάλην δὲ δόξαν περιποιησάμενον ἐπ' ἀνδρείαᾳ καὶ δικαιοσύνῃ, καταστρέψαι τὸν βίον ἐν Σικελίᾳ κατὰ τὴν ἐπὶ Κώκαλον στρατείαν, περὶ ἧς τὰ κατὰ μέρος ἀνεγράψαμεν ὅτε τὰ περὶ Δαίδαλον ἀνεγράφομεν, δι' ὃν καὶ τὴν στρατείαν συνέβη γενέσθαι.

Ῥαδάμανθυν δὲ λέγουσι τὰς τε κρίσεις πάντων δικαιοτάτας πεποιῆσθαι καὶ τοῖς λησταῖς καὶ ἀσεβέσι καὶ τοῖς ἄλλοις κακούργοις ἀπαραίτητον ἐπενηγοχέναι τιμωρίαν. κατακτῆσασθαι δὲ καὶ νήσους οὐκ ὀλίγας καὶ τῆς Ἀσίας πολλὴν τῆς παραθαλαττίου χώρας, ἀπάντων ἐκουσίως παραδιδόντων ἑαυτοὺς διὰ τὴν δικαιοσύνην. τὸν δὲ Ῥαδάμανθυν Ἐρύθρῳ μὲν ἐνὶ τῶν αὐτοῦ παίδων παραδοῦναι τὴν βασιλείαν τῶν δι' ἐκεῖνον Ἐρυθρῶν ὀνομασθεισῶν, Οἰνοπίωνι δὲ τῷ Ἀριάδνης τῆς Μίνω Χίον ἐγχειρίσαι φασίν, ὃν ἔνιοι μυθολογοῦσι Διονύσου γενόμενον μαθεῖν παρὰ τοῦ πατρὸς τὰ περὶ τὴν οἰνοποιίαν. [2] τῶν δ' ἄλλων τῶν περὶ αὐτὸν ἡγεμόνων ἐκάστῳ νῆσον ἢ πόλιν δωρήσασθαι λέγουσι τὸν Ῥαδάμανθυν, Θόαντι μὲν Λῆμνον, Ἐννεῖ δὲ Κύρνον, Σταφύλῳ δὲ Πεπάρηθον, Εὐάνθει δὲ Μαρώνειαν, Ἀλκαίῳ δὲ Πάρον,

Ἀνίωνι δὲ Δῆλον, Ἀνδρεῖ δὲ τὴν ἀπ' ἐκείνου κληθεῖσαν Ἄνδρον. διὰ δὲ τὴν ὑπερβολὴν τῆς περὶ αὐτὸν δικαιοσύνης μεμυθολογήσθαι δικαστὴν αὐτὸν ἀποδεδείχθαι καθ' ἄδου καὶ διακρίνειν τοὺς εὖσεβεῖς καὶ τοὺς πονηροὺς. τετευχέναι δὲ τῆς αὐτῆς τιμῆς καὶ τὸν Μίνω, βασιλευκτότα νομιμώτατα καὶ μάλιστα δικαιοσύνης πεφροντικότα. [3] τὸν δὲ τρίτον ἀδελφὸν Σαρπηδόνα φασὶ μετὰ δυνάμεως εἰς τὴν Ἀσίαν διαβάнта κατακτήσασθαι τοὺς περὶ Λυκίαν τόπους. Εὐάνδρον δὲ γενόμενον υἱὸν αὐτοῦ διαδέξασθαι τὴν ἐν Λυκίᾳ βασιλείαν, καὶ γήμαντα Δηιδάμειαν τὴν Βελλεροφόντου τεκνῶσαι Σαρπηδόνα τὸν ἐπὶ Τροίαν μὲν στρατεύσαντα μετ' Ἀγαμέμνονος, ὑπὸ τινων δὲ Διὸς υἱὸν ὀνομαζόμενον. [4] Μίνω δὲ φασιν υἱοὺς γενέσθαι Δευκαλίωνα τε καὶ Μόλον· καὶ Δευκαλίωνος μὲν Ἰδομενέα, Μόλου δὲ Μηριόνην ὑπάρξαι. τούτους δὲ ναυσὶν ἐνενήκοντα στρατεῦσαι μετ' Ἀγαμέμνονος εἰς Ἴλιον, καὶ διασωθέντας εἰς τὴν πατρίδα τελευτῆσαι καὶ ταφῆς ἐπιφανοὺς ἀξιοθῆναι καὶ τιμῶν ἀθανάτων. καὶ τὸν τάφον αὐτῶν ἐν τῇ Κνωσῷ δεικνύουσιν, ἐπιγραφὴν ἔχοντα τοιάνδε,

Κνωσίου Ἰδομενῆος ὄρα τάφον. αὐτὰρ ἐγὼ τοι
πλησίον ἵδρυμαι Μηριόνης ὁ Μόλου.

τούτους μὲν οὖν ὥς ἥρωας ἐπιφανεῖς τιμῶσιν οἱ Κρήτες διαφερόντως, θύοντες καὶ κατὰ τοὺς ἐν τοῖς πολέμοις κινδύνους ἐπικαλούμενοι βοηθοὺς.

τούτων δ' ἡμῖν διευκρινημένων λείπεται περὶ τῶν ἐπιμιχθέντων ἐθνῶν τοῖς Κρησὶ διελθεῖν. ὅτι μὲν οὖν πρῶτοι κατῴκησαν τὴν νῆσον οἱ προσαγορευθέντες μὲν Ἐτεόκρητες, δοκοῦντες δ' ὑπάρχειν αὐτόχθονες, προειρήκαμεν· μετὰ δὲ τούτους πολλαῖς γενεαῖς ὕστερον Πελασγοὶ πλανώμενοι διὰ τὰς συνεχεῖς στρατείας καὶ μεταναστάσεις καταντήσαντες εἰς τὴν Κρήτην μέρος τῆς νήσου κατῴκησαν. [2] τρίτον δὲ γένος φασὶ τῶν Δωριέων παραβαλεῖν εἰς τὴν νῆσον ἡγουμένου Τεκτάμου τοῦ Δώρου· τούτου δὲ τοῦ λαοῦ μέρος τὸ μὲν πλέον ἀθροισθῆναι λέγουσιν ἐκ τῶν περὶ τὸν Ὀλυμπον τόπων, τὸ δὲ τι μέρος ἐκ τῶν κατὰ τὴν Λακωνικὴν Ἀχαιῶν διὰ τὸ τὴν ἀφορμὴν τὸν Δῶρον ἐκ τῶν περὶ Μαλέαν τόπων ποιῆσαι. τέταρτον δὲ γένος συμμιγῆναί φασιν εἰς τὴν Κρήτην μιγάδων βαρβάρων τῶν διὰ τὸν χρόνον ἐξομοιωθέντων τῇ διαλέκτῳ τοῖς ἑγχωρίοις Ἑλλήσι. [3] μετὰ δὲ ταῦτα τοὺς περὶ Μίνω καὶ Ραδάμανθυν ἰσχύσαντας ὑπὸ μίαν ἀγαγεῖν συντέλειαν τὰ ἔθνη τὰ κατὰ τὴν νῆσον. τὸ δὲ τελευταῖον μετὰ τὴν κάθοδον τῶν Ἡρακλειδῶν Ἀργεῖοι καὶ Λακεδαιμόνιοι πέμποντες ἀποικίας ἄλλας τέ τινες νήσους ἔκτισαν καὶ ταύτης τῆς νήσου κατακτησάμενοι πόλεις τινὰς ὥκησαν ἐν αὐταῖς· περὶ ὧν τὰ κατὰ μέρος ἐν τοῖς ἰδίοις χρόνοις ἀναγράψομεν. [4] ἐπεὶ δὲ τῶν τὰ Κρητικὰ γεγραφότων οἱ πλεῖστοι διαφωνοῦσι πρὸς ἀλλήλους, οὐ χρὴ θαυμάζειν ἐὰν μὴ πᾶσιν ὁμολογούμενα λέγωμεν· τοῖς γὰρ τὰ πιθανώτερα λέγουσι καὶ μάλιστα πιστευομένοις ἐπηκολουθήσαμεν, ἃ μὲν Ἐπιμενίδῃ τῷ θεολόγῳ προσσχόντες, ἃ δὲ Δωσιάδῃ καὶ Σωσικράτει καὶ Λαοσθενίδᾳ.

ἐπεὶ δὲ περὶ Κρήτης ἱκανῶς διήλθομεν, περὶ τῆς Λέσβου νῦν λέγειν ἐπιχειρήσομεν. ταύτην γὰρ τὴν νῆσον τὸ παλαιὸν ὥκησε πλείω γένη, πολλῶν μεταναστάσεων ἐν αὐτῇ γενομένων. ἐρήμου γὰρ οὔσης αὐτῆς πρώτους Πελασγοὺς κατασχεῖν αὐτὴν τοιῷδὲ τινι τρόπῳ. [2] Ξάνθος ὁ Τριόπου τῶν ἐξ

Ἄργους Πελασγῶν βασιλεύων, καὶ κατασχὼν μέρος τι τῆς Λυκίας χώρας, τὸ μὲν πρῶτον ἐν αὐτῇ κατοικῶν ἐβασίλευε τῶν συνακολουθησάντων Πελασγῶν, ὕστερον δὲ περαιωθεὶς εἰς τὴν Λέσβον οὖσαν ἔρημον τὴν μὲν χώραν τοῖς λαοῖς ἐμέρισε, τὴν δὲ νῆσον ἀπὸ τῶν κατοικοῦντων αὐτὴν Πελασγίαν ὠνόμασε, τὸ πρὸ τοῦ καλουμένην Ἴσσαν. [3] ὕστερον δὲ γενεαῖς ἑπτὰ γενομένου τοῦ κατὰ Δευκαλίωνα κατακλυσμοῦ καὶ πολλῶν ἀνθρώπων ἀπολομένων, συνέβη καὶ τὴν Λέσβον διὰ τὴν ἐπομβρίαν ἐρημωθῆναι. μετὰ δὲ ταῦτα Μακαρεὺς εἰς αὐτὴν ἀφικόμενος, καὶ τὸ κάλλος τῆς χώρας κατανοήσας, κατόκησεν αὐτήν. [4] ἦν δ' ὁ Μακαρεὺς υἱὸς μὲν Κρινάκου τοῦ Διός, ὡς φησιν Ἡσίοδος καὶ ἄλλοι τινὲς τῶν ποιητῶν, κατοικῶν δ' ἐν Ὠλένῳ τῆς τότε μὲν Ἰάδος, νῦν δ' Ἀχαΐας καλουμένης. εἶχε δὲ λαοὺς ἡθροισμένους, τοὺς μὲν Ἴωνας, τοὺς δ' ἐξ ἄλλων ἐθνῶν παντοδαπῶν συνερρυηκότας. [5] καὶ τὸ μὲν πρῶτον τὴν Λέσβον κατόκησε, μετὰ δὲ ταῦτα ἀεὶ μᾶλλον αὐξόμενος διὰ τε τὴν ἀρετὴν τῆς νήσου καὶ τὴν ἰδίαν ἐπιείκειάν τε καὶ δικαιοσύνην τὰς συνέγγυς νήσους κατεκτᾶτο, καὶ διεμέριζε τὴν χώραν ἔρημον οὖσαν. [6] κατὰ δὲ τούτους τοὺς χρόνους Λέσβος ὁ Λαπίθου τοῦ Αἰόλου τοῦ Ἰππότου κατὰ τι πυθόχρηστον μετ' οἰκητῶρων πλεύσας εἰς τὴν προειρημένην νῆσον, καὶ γήμας τὴν θυγατέρα τοῦ Μακαρέως Μήθυμναν, κοινῇ κατόκησε, γενόμενος δ' ἐπιφανὴς ἀνὴρ τὴν τε νῆσον Λέσβον ὠνόμασεν ἀφ' ἑαυτοῦ καὶ τοὺς λαοὺς Λεσβίους προσηγόρευσε. [7] Μακαρεῖ δὲ θυγατέρες ἐγένοντο σὺν ἄλλαις Μυτιλήνῃ καὶ Μήθυμνα, ἀφ' ὧν αἱ πόλεις ἔσχον τὴν προσηγορίαν. ὁ δὲ Μακαρεὺς ἐπιβαλλόμενος τὰς συνέγγυς νήσους ἰδίας κατασκευάζειν ἐξέπεμψε ἀποικίαν εἰς πρώτην τὴν Χίον, ἐνὶ τῶν ἑαυτοῦ παίδων παραδούς τὴν ἡγεμονίαν. [8] μετὰ δὲ ταῦτα εἰς τὴν Σάμον ἕτερον ἐξέπεμψε τὸν ὀνομαζόμενον Κυδρόλαον, ὃς ἐν ταύτῃ κατοικήσας καὶ τὴν νῆσον κατακληρουγήσας ἐβασίλευεν αὐτῆς· τρίτην δὲ τὴν Κῶ κατοικίσας ἀπέδειξεν αὐτῆς βασιλέα Νέανδρον· ἐξῆς δ' εἰς τὴν Ῥόδον Λεύκιππον ἐξέπεμψε μετὰ συχνῶν οἰκητῶρων, οὓς οἱ τὴν Ῥόδον κατοικοῦντες διὰ τὴν σπάνιν τῶν ἀνδρῶν ἄσμενοι προσεδέξαντο καὶ κοινῇ τὴν νῆσον ὥκησαν.

τὴν δ' ἀντιπέρας τῶν νήσων κατ' ἐκείνους τοὺς καιροὺς συνέβη διὰ τὸν κατακλυσμὸν μεγάλας καὶ δεινὰς κατασχεῖν ἀτυχίας· διὰ μὲν γὰρ τὰς ἐπομβρίας ἐπὶ πολλοὺς χρόνους ἐφθαρμένων τῶν καρπῶν σπάνις τε τῶν ἐπιτηδεῶν ὑπῆρχε καὶ λοιμικὴ κατάστασις ἐπεῖχε τὰς πόλεις διὰ τὴν τοῦ ἀέρος φθοράν. [2] αἱ δὲ νῆσοι διαπνεόμεναι καὶ τὸν ἀέρα παρεχόμεναι τοῖς ἐνοικοῦσιν ὑγιεινόν, ἔτι δὲ τοῖς καρποῖς ἐπιτυχάνουσαι, ἀεὶ μᾶλλον εὐπορίας ἔγεμον, καὶ ταχὺ τοὺς κατοικοῦντας αὐτὰς μακαρίους ἐποίησαν. διὸ καὶ μακάρων ὀνομάσθησαν νῆσοι, τῆς εὐπορίας τῶν ἀγαθῶν αἰτίας γενομένης τῆς προσηγορίας. [3] ἔνιοι δὲ φασιν αὐτὰς μακάρων νήσους ὀνομάσθαι ἀπὸ Μακαρέως καὶ Ἴωνος ὑπὸ τῶν παίδων τούτων δυναστευσάντων αὐτῶν. καθόλου δ' αἱ προειρημέναι νῆσοι διήνεγκαν εὐδαιμονία μάλιστα τῶν συνέγγυς κειμένων οὐ μόνον κατὰ τοὺς ἀρχαίους χρόνους, ἀλλὰ καὶ κατὰ τὴν ἡμετέραν ἡλικίαν· [4] ἀρετῇ γὰρ χώρας καὶ τόπων εὐκαιρίας, ἔτι δ' ἀέρων κράσει, καλλιστεύουσai κατὰ λόγον καλοῦνται καὶ πρὸς ἀλήθειαν εἰσὶν εὐδαίμονες. αὐτὸς δ' ὁ Μακαρεὺς ἐν τῇ Λέσβῳ βασιλεύων πρῶτον μὲν νόμον

ἔγραψε πολλὰ τῶν κοινῇ συμφερόντων περιέχοντα, ὠνόμασε δ' αὐτὸν λέοντα, ἀπὸ τῆς τοῦ ζώου δυνάμεως καὶ ἀλκῆς θέμενος τὴν προσηγορίαν.

ὕστερον δὲ τῆς κατὰ τὴν Λέσβον ἀποικίας ἱκανοῖς τισι χρόνοις συνέβη τὴν νῆσον τὴν ὀνομαζομένην Τένεδον κατοικισθῆναι τοῖς τινὶ τρόπῳ. Τέννης ἦν υἱὸς μὲν Κύκνου τοῦ βασιλεύσαντος Κολώνης τῆς ἐν τῇ Τρωάδι, ἀνὴρ δ' ἐπίσημος δι' ἀρετὴν. [2] οὗτος οἰκῆτορας ἀθροίσας καὶ τὴν ὁρμὴν ἐκ τῆς ἀντιπέρας ἡπείρου ποιησάμενος, κατελάβετο νῆσον ἔρημον οὖσαν τὴν ὀνομαζομένην Λεύκοφρυν· κατακληρουχήσας δ' αὐτὴν τοῖς ὑπ' αὐτὸν ταπτομένοις, καὶ κτίσας ἐν αὐτῇ πόλιν, ὠνόμασεν ἅψ' ἑαυτοῦ Τένεδον. [3] πολιτευόμενος δὲ καλῶς καὶ πολλὰ τοὺς ἐγχωρίους εὐεργετήσας ζῶν μὲν μεγάλης ἀποδοχῆς ἐτύγχανε, τελευτήσας δ' ἀθανάτων τιμῶν ἡξιώθη· καὶ γὰρ τέμενος αὐτοῦ κατεσκεύασαν καὶ θυσίαις ὡς θεὸν ἐτίμων, ὥς διετέλουν θύοντες μέχρι τῶν νεωτέρων καιρῶν. [4] οὐ παραλείπτον δ' ἡμῖν περὶ τῶν παρὰ τοῖς Τενεδίοις μυθολογουμένων περὶ τοῦ κτίσαντος τὴν πόλιν Τέννου· Κύκνον γὰρ φασὶ τὸν πατέρα πιστεῦσαντα γυναικὸς διαβολαῖς ἀδίκους τὸν υἱὸν Τέννην εἰς λάρνακα θέντα καταποντίσαι· ταύτην δ' ὑπὸ τοῦ κλύδωνος φερομένην προσενεχθῆναι τῇ Τενέδῳ, καὶ τὸν Τέννην παραδόξως σωθέντα θεῶν τινος προνοίᾳ τῆς νήσου βασιλεῦσαι, καὶ γενόμενον ἐπιφανῆ διὰ τὴν δικαιοσύνην καὶ τὰς ἄλλας ἀρετὰς τυχεῖν ἀθανάτων τιμῶν. κατὰ δὲ τὰς τῆς μητρυῖας διαβολὰς αὐλητοῦ τινος ψευδῶς καταμαρτυρήσαντος, νόμιμον ἔθεντο μηδένα αὐλητὴν εἰς τὸ τέμενος εἰσιέναι. [5] κατὰ δὲ τοὺς Τρωικοὺς χρόνους Ἀχιλλέως τὸν Τέννην ἀνελόντος καθ' ὃν καιρὸν ἐπόρθησαν οἱ Ἕλληνες τὴν Τένεδον, νόμον ἔθεσαν οἱ Τενεδιοὶ μηδένα ἐξεῖναι ἐν τῷ τέμένει τοῦ κτίστου ὀνομάσαι Ἀχιλλέα. περὶ μὲν οὖν τῆς Τενέδου καὶ τῶν ἐν αὐτῇ τὸ παλαιὸν οἰκησάντων τοιαῦτα μυθολογοῦσιν.

ἐπεὶ δὲ περὶ τῶν ἀξιολογωτάτων νήσων διήλθομεν, περὶ τῶν ἐλαττόνων ἀναγράψομεν. τῶν γὰρ Κυκλάδων νήσων τὸ παλαιὸν ἐρήμων οὐσῶν Μίνως ὁ Διὸς καὶ Εὐρώπης, βασιλεύων τῆς Κρήτης καὶ μεγάλας δυνάμεις ἔχων πεζὰς τε καὶ ναυτικάς, ἐθαλαττοκράτει καὶ πολλὰς ἀποικίας ἐξαπέστειλεν ἐκ τῆς Κρήτης, τῶν δὲ Κυκλάδων νήσων τὰς πλείους κατέκτισε καὶ τοῖς λαοῖς κατεκληρουχῆσεν, οὐκ ὀλίγην δὲ καὶ τῆς Ἀσίας τῆς παραθαλαττίου κατέσχε. [2] διόπερ ἐν ταῖς νήσοις ἅμα καὶ κατὰ τὴν Ἀσίαν τὰς ἐπωνυμίας ἔχουσι Κρητῶν λιμένες καὶ Μινῶαι καλοῦμεναι. ὁ δὲ Μίνως ἐπὶ πολὺ τῇ δυναστείᾳ προκόπτων, καὶ τὸν ἀδελφὸν Ῥαδάμανθυν ἔχων πάρεδρον τῇ βασιλείᾳ, τοῦτο μὲν ἐφθόνησεν ἐπὶ δικαιοσύνῃ θαυμαζόμενῳ, βουλόμενος δ' αὐτὸν ἐκποδῶν ποιήσασθαι εἰς τὰς ἐσχατίας τῆς ὑπ' αὐτὸν τεταγμένης χώρας ἐξέπεμψε. [3] ὁ δὲ Ῥαδάμανθος διατρίβων εἰς τὰς νήσους τὰς κατ' ἀντικρὺ τῆς Ἰωνίας καὶ Καρίας κειμένας Ἐρυθρον μὲν κτίστην ἐποίησε τῆς ἐπωνύμου πόλεως κατὰ τὴν Ἀσίαν, Οἰνοπίωνα δὲ τὸν Ἀριάδνης τῆς Μίνω υἱὸν κύριον τῆς Χίου κατέστησε. [4] ταῦτα μὲν οὖν ἐπράχθη πρὸ τῶν Τρωικῶν· μετὰ δὲ τὴν Τροίαν ἄλωσιν Κἄρες αὐξηθέντες ἐπὶ πλέον ἐθαλαττοκράτησαν, καὶ τῶν Κυκλάδων νήσων κρατήσαντες τινὰς μὲν ἰδίᾳ κατέσχον καὶ τοὺς ἐν αὐταῖς κατοικοῦντας Κρητὰς ἐξέβαλον, τινὰς δὲ κοινῇ μετὰ τῶν προενοικούντων Κρητῶν κατέκτισαν. ὕστερον δὲ τῶν Ἑλλήνων αὐξηθέντων συνέβη τὰς πλείους τῶν

Κυκλάδων νήσων οἰκισθῆναι καὶ τοὺς βαρβάρους Κᾶρας ἐξ αὐτῶν ἐκπεσεῖν:
περὶ ὧν τὰ κατὰ μέρος ἐν τοῖς οἰκείοις χρόνοις ἀναγράφομεν.

FRAGMENTS OF BOOK VI

Τῶν βιβλῶν ἡμῖν ἕξ μὲν αἱ πρῶται περιέχουσι τὰς πρὸ τῶν Τρωικῶν πράξεις καὶ μυθολογίας, καὶ τούτων αἱ μὲν προηγούμεναι τρεῖς τὰς βαρβαρικός, αἱ δ' ἑξῆς σχεδὸν τὰς τῶν Ἑλλήνων ἀρχαιολογίας.

Ὅτι κατὰ μὲν τὰς προηγούμενας ἕξ βίβλους ἀνεγράψαμεν τὰς ἀπὸ τῶν Τρωικῶν πράξεις ἕως εἰς τὸν ὑπὸ τῶν Ἀθηναίων ψηφισθέντα πόλεμον ἐπὶ Συρακοσίους·

Ἐν μὲν γὰρ ταῖς πρὸ ταύτης βίβλοις ἀνεγράψαμεν τὰς ἀπὸ Τροίας ἀλώσεως πράξεις ἕως ἐπὶ τὴν κατάλυσιν τοῦ τε Πελοποννησιακοῦ πολέμου καὶ τῆς Ἀθηναίων ἡγεμονίας, διελθόντες ἔτι ἑπτακόσια ἑβδομήκοντα ἑννέα·

Ταῦτα ὁ Διόδωρος ἐν τῇ τρίτῃ τῶν ἱστοριῶν .

Ὁ δ' αὐτὸς καὶ ἐν τῇ ἕκτῃ ἀπὸ τῆς Εὐήμερου τοῦ Μεσσηνίου γραφῆς ἐπικυροῖ τὴν αὐτὴν θεολογίαν, ὧδε κατὰ λέξιν φάσκων

Περὶ θεῶν τοίνυν διττὰς οἱ παλαιοὶ τῶν ἀνθρώπων τοῖς μεταγενεστέροις παραδεδώκασιν ἐννοίας τοὺς μὲν γὰρ αἰδίους καὶ ἀφθάρτους εἶναί φασιν, οἷον ἥλιόν τε καὶ σελήνην καὶ τὰ ἄλλα ἄστρα τὰ κατ' οὐρανόν, πρὸς δὲ τούτοις ἀνέμους καὶ τοὺς ἄλλους τοὺς τῆς ὁμοίας φύσεως τούτοις τετευχότας τούτων γὰρ ἕκαστον αἶδιον ἔχειν τὴν γένεσιν καὶ τὴν διαμονὴν ἑτέρους δὲ λέγουσιν ἐπιγείους γενέσθαι θεοὺς, διὰ δὲ τὰς εἰς ἀνθρώπους εὐεργεσίας ἀθανάτου τετευχότας τιμῆς τε καὶ δόξης, οἷον Ἡρακλέα, Διόνυσον, Ἀρισταῖον, καὶ τοὺς ἄλλους τοὺς τούτοις ὁμοίους. Περὶ δὲ τῶν ἐπιγείων θεῶν πολλοὶ καὶ ποικίλοι παραδέδονται λόγοι παρὰ τοῖς ἱστορικοῖς τε καὶ μυθογράφοις καὶ τῶν μὲν ἱστορικῶν Εὐήμερος ὁ τὴν ἱερὰν ἀναγραφὴν ποιησάμενος ἰδίως ἀναγέγραφεν, τῶν δὲ μυθολόγων Ὅμηρος καὶ Ἡσίοδος καὶ Ὀρφεὺς καὶ ἕτεροι τοιοῦτοι τερατωδεστέρους μύθους περὶ θεῶν πεπλάκασιν ἡμεῖς δὲ τὰ παρ' ἀμφοτέροις ἀναγεγραμμένα πειρασόμεθα συντόμως ἐπιδραμεῖν, στοχαζόμενοι τῆς συμμετρίας. Εὐήμερος μὲν οὖν, φίλος γεγωνῶς Κασσιάνδρου τοῦ βασιλέως καὶ διὰ τοῦτον ἠναγκασμένος τελεῖν βασιλικὰς τινας χρείας καὶ μεγάλας ἀποδημίας, φησὶν ἐκτοπισθῆναι κατὰ τὴν μεσημβρίαν εἰς τὸν ὠκεανόν. Ἐκπλεύσαντα δὲ αὐτὸν ἐκ τῆς εὐδαίμονος Ἀραβίας ποιήσασθαι τὸν πλοῦν δι' ὠκεανοῦ πλείους ἡμέρας, καὶ προσενεχθῆναι νήσοις πελαγίαις, ὧν μίαν ὑπάρχειν τὴν ὀνομαζομένην Παγχαίαν, ἐν ἣ τηθεᾶσθαι τοὺς ἐνοικοῦντας Παγχαίους εὐσεβεῖα διαφέροντας καὶ τοὺς θεοὺς τιμῶντας μεγαλοπρεπεστάταις θυσίαις καὶ ἀναθήμασιν ἀξιολόγοις ἀργυροῖς τε καὶ χρυσοῖς. Εἶναι δὲ καὶ τὴν νῆσον ἱερὰν θεῶν, καὶ ἕτερα πλείω θαυμαζόμενα κατὰ τὴν ἀρχαιότητα καὶ τὴν τῆς κατασκευῆς πολυτεχνίαν, περὶ ὧν τὰ κατὰ μέρος ἐν ταῖς πρὸ ταύτης βίβλοις ἀναγεγράφαμεν. Εἶναι δ' ἐν αὐτῇ κατὰ τινα λόφον ὑψηλὸν καθ' ὑπερβολὴν ἱερὸν Διὸς Τριφυλίου, καθιδρυμένον ὑπ' αὐτοῦ καθ' ὃν καιρὸν ἐβασίλευσε τῆς οἰκουμένης ἀπάσης ἔτι κατὰ ἀνθρώπους ὧν. Ἐν τούτῳ τῷ ἱερῷ στήλην εἶναι χρυσοῦν, ἐν ἣ τοῖς Παγχαίοις γράμμασιν ὑπάρχειν γεγραμμένας τὰς τε Οὐρανοῦ καὶ Κρόνου καὶ Διὸς πράξεις κεφαλαιωδῶς. Μετὰ ταῦτά φησι πρῶτον Οὐρανὸν βασιλέα γεγονέναι,

ἐπιεικὴ τίνα ἄνδρα καὶ εὐεργετικὸν καὶ τῆς τῶν ἄστρον κινήσεως ἐπιστήμονα, ὃν καὶ πρῶτον θυσίαις τιμῆσαι τοὺς οὐρανίους θεοὺς διὸ καὶ Οὐρανὸν προσαγορευθῆναι. Υἱοὺς δὲ αὐτῷ γενέσθαι ἀπὸ γυναικὸς Ἑστίας Τιτᾶνα καὶ Κρόνον, θυγατέρας δὲ Ῥέαν καὶ Δήμητρα. Κρόνον δὲ βασιλεῦσαι μετὰ Οὐρανόν, καὶ γῆμαντα Ῥέαν γεννῆσαι Δία καὶ Ἥραν καὶ Ποσειδῶνα. Τὸν δὲ Δία διαδεξάμενον τὴν βασιλείαν τοῦ Κρόνου γῆμαι Ἥραν καὶ Δήμητρα καὶ Θέμιν, ἐξ ὧν παῖδας ποιήσασθαι Κούρητας μὲν ἀπὸ τῆς πρώτης, Φερσεφόνην δὲ ἐκ τῆς δευτέρας, Ἀθηνᾶν δὲ ἀπὸ τῆς τρίτης. Ἐλθόντα δὲ εἰς Βαβυλῶνα ἐπιξενωθῆναι Βήλω, καὶ μετὰ ταῦτα εἰς τὴν Παγχαίαν νῆσον πρὸς τῷ ὠκεανῷ κειμένην παραγενόμενον Οὐρανοῦ τοῦ ἰδίου προπάτορος βωμὸν ἰδρύσασθαι. Κάκειθεν διὰ Συρίας ἐλθεῖν πρὸς τὸν τότε δυνάστην Κάσιον, ἐξ οὗ τὸ Κάσιον ὄρος. Ἐλθόντα δὲ εἰς Κιλικίαν πολέμῳ νικῆσαι Κίλικα τοπάρχην, καὶ ἄλλα δὲ πλεῖστα ἔθνη ἐπελθόντα παρ' ἅπασι τιμηθῆναι καὶ θεὸν ἀναγορευθῆναι.

Ταῦτα καὶ τὰ τούτοις παραπλήσια ὡς περὶ θνητῶν ἀνδρῶν περὶ τῶν θεῶν διελθὼν ἐπιφέρει λέγων.

Καὶ περὶ μὲν Εὐημέρου τοῦ συνταξαμένου τὴν ἱερὰν ἀναγραφὴν ἀρκεσθησόμεθα τοῖς ῥηθεῖσι, τὰ δὲ παρὰ τοῖς Ἑλλήσι μυθολογούμενα περὶ θεῶν ἀκολούθως Ἡσιόδῳ καὶ Ὀμήρῳ καὶ Ὀρφεῖ πειρασόμεθα συντόμως ἐπιδραμεῖν. Εἴθ' ἐξῆς ἐπισυνάπτει τὰς τῶν ποιητῶν μυθολογίας.

Περὶ ὧν θεῶν ἐν ταῖς συγγραφαῖς αὐτοῦ λέγει καὶ ὁ Διόδωρος ὁ σοφώτατος ταῦτα, ὅτι ἄνθρωποι γεγόνασιν οἱ θεοί, οὗστινας οἱ ἄνθρωποι ὡς νομίζοντες δι' εὐεργεσίαν ἀθανάτους προσηγόρευον. Τινὰς δὲ καὶ ὀνομάτων προσηγορίας ἐσχηκέναι καὶ κρατήσαντας χώρας.

Διόδωρος δὲ λέγει κατὰ μυθικὴν ἱστορίαν Ξάνθον καὶ Βαλίον Τιτᾶνας εἶναι πρότερον, βοηθῆσαι δὲ τῷ Δίῳ, Ξάνθον μὲν Ποσειδῶνος ἐταῖρον ὄντα, Βαλίον δὲ Διός, καὶ ἐν τῇ μάχῃ ἀξιῶσαι μεταθέσθαι τὴν μορφήν, οἷα αἰδουμένους ὀρᾶσθαι ὑπὸ τῶν ὁμογενῶν Τιτάνων, καὶ γενέσθαι τὴν αὐτῶν ἀξίωσιν, καὶ εἶναι τούτους τοὺς τῷ Πηλεΐ δοθέντας. Διό, φησί, καὶ Ξάνθος μαντεύεται τῷ Ἀχιλλεΐ τὸν θάνατον.

Ὁ δὲ ἀδελφὸς Νίνου Πίκος ὁ καὶ Ζεὺς ἐβασίλευσε τῆς Ἰταλίας, ἔτη ρκκ κρατῶν τῆς δύσεως. Ἔσχε δὲ υἱοὺς καὶ θυγατέρας πολλὰς ἀπὸ τῶν εὐπρεπεστάτων γυναικῶν καὶ γὰρ καὶ μυστικὰς φαντασίας ποιῶν τινὰς καὶ ὑπονοθεύων αὐτάς. Αἵτινες γυναῖκες καὶ ὡς θεὸν αὐτὸν εἶχον, φθειρόμεναι ὑπ' αὐτοῦ. Ἔσχε δὲ ὁ αὐτὸς Πίκος ὁ καὶ Ζεὺς υἱὸν ὀνόματι Φαῦνον, ὃν καὶ Ἑρμῆν ἐκάλεσεν εἰς ὄνομα τοῦ πλανήτου ἀστέρος. Μέλλων δὲ τελευτᾶν ὁ Ζεὺς ἐκέλευσε τὸ λείψανον αὐτοῦ τεθῆναι ἐν τῇ Κρήτῃ νήσῳ καὶ κτίσαντες αὐτῷ ναὸν οἱ αὐτοῦ παῖδες ἔθηκαν αὐτὸν ἐκεῖ ὅπερ μνημῆα ἐστὶ μέχρι τῆς σήμερον, ᾧ καὶ ἐπιγέγραπται, Ἐνθάδε κατάκειται Πίκος ὁ καὶ Ζεὺς, ὃν καὶ Δία καλοῦσι περὶ οὗ συνεγράψατο Διόδωρος ὁ σοφώτατος χρονογράφος. Εἰς ἑξῆς πρὸς ἰωαννίς ξηρονιξίς ἀπὸ ξηραμερ.

Ὅτι παραδέδονται Κάστωρ καὶ Πολυδεύκης, οἱ καὶ Διόσκοροι, πολὺ τῶν ἄλλων ἀρετῇ διενεγκεῖν καὶ συστρατεῦσαι τοῖς Ἀργοναύταις ἐπιφανέστατα πολλοῖς δὲ δεομένοις ἐπικουρίας βεβοηθηκέναι. Καθόλου δὲ ἐπ' ἀνδρεία καὶ

στρατηγία, πρὸς δὲ τούτοις δικαιοσύνη καὶ εὐσεβεία, παρὰ πᾶσι σχεδὸν ἀνθρώποις ἔσχον δόξαν, ἐπιφανεῖς βοηθοὶ τοῖς παρὰ λόγον κινδυνεύουσι γινόμενοι. Διὰ δὲ τὴν ὑπερβολὴν τῆς ἀρετῆς Διὸς υἱοὺς νενομίσθαι, καὶ ἐξ ἀνθρώπων μεταστάντας τιμῶν τυχεῖν ἀθανάτων.

Ὅτι Ἐπωπεὺς βασιλεὺς Σικυῶνος τοὺς θεοὺς εἰς μάχην προκαλούμενος τὰ τεμένη καὶ τοὺς βωμοὺς αὐτῶν ἐλυμαίνετο.

Ὅτι φασι τὸν Σίσυφον πανουργία καὶ φιλοτεχνία διενεγκεῖν τῶν ἄλλων, καὶ διὰ τῆς ἱεροσκοπίας ἅπαντα εὐρίσκειν καὶ προλέγειν τοῖς ἀνθρώποις.

Ὅτι ὁ Σαλμωνεὺς ἀσεβὴς καὶ ὑπερήφανος ἦν καὶ τὸ θεῖον διέσυρε, τὰς δὲ αὐτοῦ πράξεις ὑπερέχειν τῶν τοῦ Διὸς ἀπεφαίνετο διὸ καὶ κατασκευάζων διὰ τινος μηχανῆς ψόφον ἐξαΐσιον καὶ μιμούμενον τὰς βροντὰς ἐβρόντα, καὶ οὔτε θυσίας οὔτε πανηγύρεις ἐτέλει.

Ὅτι ὁ αὐτὸς Σαλμωνεὺς ἔσχε θυγατέρα Τυρώ, ἣτις διὰ τὴν λευκότητα καὶ τὴν τοῦ σώματος μαλακότητα ταύτης τῆς προσηγορίας ἔτυχε.

Οὗτος γὰρ ἀσεβὴς ὢν καὶ ὑπερήφανος ὁ Σαλμωνεὺς τὸ μὲν θεῖον διέσυρεν, τὰς δὲ αὐτοῦ πράξεις ὑπερέχειν τῶν τοῦ Διὸς ἀπεφαίνετο διὸ καὶ κατασκευάζων διὰ τινος μηχανῆς ψόφον ἐξαΐσιον καὶ μιμούμενον τὰς βροντὰς ἑαυτὸν ἀπεφαίνετο μεῖζον βροντῆσαι τοῦ Διός. Καθόλου δὲ καταγελῶν τῶν θεῶν οὔτε θυσίας οὔτε πανηγύρεις τούτοις συνετέλει καθάπερ οἱ λοιποὶ δυνάσται ποιεῖν εἰώθασι. Ἐγένετο δὲ αὐτοῦ μονογενὴς θυγάτηρ Τυρώ, ἣν διὰ τὴν τοῦ σώματος μαλακότητα καὶ τὴν τοῦ χρώματος λευκότητα ταύτης τῆς προσηγορίας ἡξίωσεν. Ταύτης δὲ διὰ τὸ κάλλος ἐρασθεὶς Ποσειδῶν Εἴη ὁ ταύτης τὴν παρθενίαν λύσας, κακουχῶν διετέλει τὴν Τυρώ, τέλος δὲ διὰ τὴν ἀσέβειαν δίκας τίνων τῷ δαίμονι κεραυνωθείς ὑπὸ τοῦ Διὸς κατέστρεψε τὸν βίον. Τῶν δὲ ἐκ Ποσειδῶνος καὶ Τυροῦς γεννωμένων παίδων Πελίας μὲν νέος ὢν παντελῶς ὑπὸ Μίμαντος ἐξέπεσεν ἐκ τῆς πατρίδος καὶ φυγὼν μετὰ τῶν φίλων μετὰ τούτων ββ νήσους κατεκτήσατο, Σκίαθον καὶ Πεπάρηθον ὕστερον δὲ Χεῖρωνος αὐτὸν εὐεργετήσαντος καὶ τῆς ἰδίας χώρας μεταδόντος ἀπῆρεν ἐκ τῶν προειρημένων νήσων καὶ τῆς Ἰολκῶν πόλεως ἐβασίλευσε. Τούτῳ δὲ ἐγένοντο πλείους, αἱ καὶ τὴν ἐπωνυμίαν ἔσχον ἀπὸ τοῦ πατρὸς Πελιάδες ὀνομασθεῖσαι. Καὶ περὶ τούτων ἀρκεσθισόμεθα. ΜΜυς. ΡΡην. ΧΧχχι υπ. .

Ὅτι Ἀδμητος ἐπὶ δικαιοσύνη καὶ εὐσεβείᾳ διενέγκας προσφιλῆς θεοὺς ἐγένετο. Ἐπὶ τοσοῦτο δὲ δι' ἀρετὴν τιμηθῆναι, ὥστε τὸν Ἀπόλλωνα προσκόψαντα Διὶ δοθῆναι θητεύειν παρὰ τὸν Ἀδμητον. Φασι δὲ Ἀλκησιν τὴν Πελίου θυγατέρα, μόνην τῆς κατὰ τὸν πατέρα ἀσεβείας οὐ μετασχούσαν, δοθῆναι γυναῖκα δι' εὐσέβειαν Ἀδμήτῳ.

Ὅτι Μελάμπους εὐσεβείᾳ διενεγκὼν φίλος ἐγένετο Ἀπόλλωνος.

FRAGMENTS OF BOOK VII

Καὶ ὁ Ὀρφεὺς ἰσόχρονος τῷ Ἡρακλεῖ ὑπῆρχε, πρὸ χρόνων ὄντες ἑκατὸν τοῦ Τρωικοῦ πολέμου, ὡς δὲ Ὀρφεὺς ἐν Λιθικοῖς περὶ αὐτοῦ μοι λέγει, Ἑλένου τι βραχύτερον ὕστερον εἶναι λέγει, τούτου μᾶ δὲ γενεᾷ Ὀμηρος ὑστερίζει, ὁ κατὰ Διονύσιον ἄνδρα τὸν κυκλογράφον ἐπὶ τῶν δύο στρατειῶν λεγόμενος ὑπάρχειν, Θηβαϊκῆς Ἑλλήνων τε τῆς διὰ τὴν Ἑλένην. Διόδωρός τε συντροχα λέγει Διονυσίῳ, καὶ ἕτεροι μυριοὶ δέ.

Ὅτι τῆς Τροίας ἀλούσης Αἰνείας μετὰ τινων καταλαβόμενος μέρος τῆς πόλεως τοὺς ἐπιόντας ἡμύνετο. Τῶν δὲ Ἑλλήνων ὑποσπόνδους τούτους ἀφέντων, καὶ συγχωρησάντων ἑκάστῳ λαβεῖν ὅσα δύ ναιτο τῶν ἰδίων, οἱ μὲν ἄλλοι πάντες ἄργυρον ἢ χρυσὸν ἢ τινα τῆς ἄλλης πολυτελείας ἔλαβον, Αἰνείας δὲ τὸν πατέρα γεγηρακότα τελέως ἀράμενος ἐπὶ τοὺς ὤμους ἐξήνεγκεν. Ἐφ' ᾧ θαυμασθεὶς ὑπὸ τῶν Ἑλλήνων ἔλαβεν ἐξουσίαν πάλιν ὁ βούλοιο τῶν οἰκοθεν ἐκλέξασθαι. Ἀνελομένου δὲ αὐτοῦ τὰ ἱερὰ τὰ πατρῷα, πολὺ μᾶλλον ἐπαινεθῆναι συνέβη τὴν ἀρετὴν, καὶ παρὰ πολεμίων ἐπισημασίας τυγχάνουσιν. Ἐφαίνετο γὰρ ὁ ἀνὴρ ἐν τοῖς μεγίστοις κινδύνοις πλείστην φροντίδα πεπονημένος τῆς τε πρὸς γονεῖς ὁσιότητος καὶ τῆς πρὸς θεοὺς εὐσεβείας. Διόπερ φασὶν αὐτῷ συγχωρηθῆναι μετὰ τῶν ὑπολειφθέντων Τρώων ἐκχωρῆσαι τῆς Τρωάδας μετὰ πάσης ἀσφαλείας καὶ ὅποι βούλεται.

Τούτων ἡμῖν διευκρινημένων λείπεται περὶ τῆς Κορινθίας καὶ Σικωνίας εἰπεῖν ὃν τρόπον ὑπὸ Δωριέων κατωκίσθησαν. Τὰ γὰρ κατὰ τὴν Πελοπόννησον ἔθνη σχεδὸν πάντα πλὴν Ἀρκάδων ἀνάστατα συνέβη γενέσθαι κατὰ τὴν κάθοδον τῶν Ἡρακλειδῶν. Οἱ τοίνυν Ἡρακλεῖδαι κατὰ τὴν διαίρεσιν ἐξαίρετον ποιησάμενοι τὴν Κορινθίαν καὶ τὴν ταύτης πλησιόχωρον, διεπέμψαντο πρὸς τὸν Ἀλήτην, παραδιδόντες αὐτῷ τὴν προειρημένην χώραν. Ἐπιφανῆς δὲ ἀνὴρ γενόμενος καὶ τὴν Κόρινθον αὐξήσας ἐβασίλευσεν ἔτη ληη. Μετὰ δὲ τὴν τοῦτου τελευτὴν ὁ πρεσβύτατος ἀεὶ τῶν ἐγγόνων ἐβασίλευσε μέχρι τῆς Κυψέλου τυραννίδος, ἥτις τῆς καθόδου τῶν Ἡρακλειδῶν ὕστερεϊ ἔτεσι υμζζ. Καὶ πρῶτος μὲν παρ' αὐτοῖς διεδέξατο τὴν βασιλείαν Ἰζίων ἔτη ληη μεθ' ὃν ἥρξεν Ἀγέλας ἔτη λζζ, μετὰ δὲ τούτους Πρύμνις ἔτη λее, καὶ Βάκχις ὁμοίως τὸν ἴσον χρόνον, γενόμενος ἐπιφανέστατος τῶν πρὸ αὐτοῦ διὸ καὶ συνέβη τοὺς μετὰ ταῦτα βασιλεύσαντας οὐκέτι Ἡρακλείδας, ἀλλὰ Βακχίδας προσαγορεύεσθαι. Μετὰ τοῦτον Ἀγέλας μὲν ἔτη λλ, Εὐδημος δὲ ἔτη κее, Ἀριστομήδης εε καὶ λλ. Οὗτος δὲ τελευτήσας ἀπέλιπεν υἱὸν Τελέστην παῖδα τὴν ἡλικίαν, οὗ τὴν κατὰ γένος βασιλείαν ἀφείλατο θεῖος ὢν καὶ ἐπίτροπος Ἀγῆμων, ὃς ἥρξεν ἔτη ιι. Μετὰ τοῦτον κατέσχευεν Ἀλέξανδρος ἔτη κее. Τοῦτον ἀνελὼν Τελέστης ὁ στερηθεὶς τῆς πατρῷας ἀρχῆς ἥρξεν ἔτη ιββ. Τούτου δ' ὑπὸ τῶν συγγενῶν ἀναιρεθέντος Αὐτομένης μὲν ἥρξεν ἐνιαυτόν, οἱ δ' ἀπὸ Ἡρακλέους Βακχίδαι πλείους ὄντες διακοσίων κατέσχεον τὴν ἀρχήν, καὶ κοινῇ μὲν προειστήκεσαν τῆς πόλεως ἅπαντες, ἐξ αὐτῶν δὲ ἓνα κατ' ἐνιαυτὸν ἡγήρουντο πρύτανιν, ὃς τὴν τοῦ βασιλέως εἶχε τάξιν, ἐπὶ ἔτη ηη μέχρι τῆς Κυψέλου τυραννίδος, ὅφ' ἥς

κατελύθησαν.

Ὅτι Ῥωμύλος Σιλοῦιος παρ' ὅλον τὸν βίον ὑπερήφανος γενόμενος ἡμιλλᾷτο πρὸς τὸν θεὸν βροντῶντος γὰρ αὐτοῦ κελεύειν τοὺς στρατιώτας ταῖς σπάθαις τύπειν τὰς ἀσπίδας ἀφ' ἑνὸς συνθήματος, καὶ λέγειν ὡς ὁ παρ' ἑαυτῶν γινόμενος ψόφος εἶη μείζων. Διὸ κεραυνωθῆναι.

Ὅτι ἐγένετο τύραννος κατὰ τὴν Κύμην τὴν πόλιν ὄνομα Μάλακος, ὃς εὐδοκιμῶν παρὰ τοῖς πλήθεσι καὶ τοὺς δυνατωτάτους ἀεὶ διαβάλλων περιποιήσατο τὴν δυναστείαν, καὶ τοὺς μὲν εὐπορωτάτους τῶν πολιτῶν ἀπέσφαξε, τὰς δὲ οὐσίας ἀναλαβὼν μισθοφόρους ἔτρεφε καὶ φοβερὸς ἦν τοῖς Κυμαίοις.

Ὅτι τηλικούτον περὶ τὸν Λυκοῦργον ἦν τῆς ἀρετῆς τὸ μέγεθος, ὥστε παραγενθέντος εἰς Δελφούς αὐτοῦ τὴν Πυθίαν ἀποφθέγξασθαι ἔπη τάδε

ἦκεις, ὦ Λυκόοργε, ἐμὸν ποτὶ πίονα νηόν,
Ζηνὶ φίλος καὶ πᾶσιν Ὀλύμπια δώματ' ἔχουσι.
Δίζω ἢ σε θεὸν μαντεύσομαι ἢ ἄνθρωπον
ἀλλ' ἔτι καὶ μᾶλλον θεὸν ἔλπομαι, ὦ Λυκόοργε.
"Ηκεῖς δ' εὐνομίαν αἰτεύμενος αὐτὰρ ἔγωγε
δώσω τὴν οὐκ ἄλλη ἐπιχθονίῃ πόλιν ἔξει.

Ὅτι ὁ αὐτὸς ἠρώτησε τὴν Πυθίαν, ποῖα νόμιμα καταστήσας μάλιστα' ἂν ὠφελῆσαι τοὺς Σπαρτιάτας. Τῆς δὲ εἰπούσης ἐὰν τοὺς μὲν καλῶς ἡγεῖσθαι, τοὺς δὲ πειθαρχεῖν νομοθετήσῃ, πάλιν ἠρώτησε τί ποιοῦντες καλῶς ἡγήσονται καὶ τί πειθαρχήσουσιν. Ἡ δὲ ἀνέειλε τοῦτον τὸν χρησμόν

εἰσὶν ὁδοὶ δύο πλεῖστον ἀπ' ἀλλήλων ἀπέχουσαι,
ἢ μὲν ἐλευθερίας ἐς τίμιον οἶκον ἄγουσα,
ἢ δ' ἐπὶ δουλείας φευκτὸν δόμον ἡμερίοισι.
Καὶ τὴν μὲν διὰ τ' ἀνδροσύνης ἐρατῆς θ' ὁμονοίας
ἔστι περᾶν, ἣν δὴ λαοῖς ἡγεῖσθε κέλευθον
τὴν δὲ διὰ στυγερῆς ἔριδος καὶ ἀνάλκιδος ἄτης
εἰσαφικάνουσιν, τὴν δὲ πεφύλαξο μάλιστα.

Τὸ δὲ κεφάλαιον ἦν ὅτι μεγίστην πρόνοιαν ποιῇ τέον ἐστὶν ὁμονοίας καὶ ἀνδρείας, ὡς διὰ μόνων τούτων τῆς ἐλευθερίας φυλάττεσθαι δυναμένης, ἥς χωρὶς οὐδὲν ὄφελος οὐδ' ἄλλο τι τῶν παρὰ τοῖς πολλοῖς ὑπειλημμένων ἀγαθῶν ἔχειν ἐτέροις ὑπήκοον ὄντα πάντα γὰρ τὰ τοιαῦτα τῶν ἡγουμένων, οὐ τῶν ὑποτεταγμένων ἐστὶν ὥστ' εἴπερ τις ἑαυτῷ βούλεται καὶ μὴ τοῖς ἄλλοις κτήσασθαι τὰ ἀγαθὰ, πρῶτόν ἐστι κατασκευαστέον τὴν ἐλευθερίαν. Ἀμφοτέρων δὲ ἐκέλευσε ποιεῖσθαι πρόνοιαν, ὅτι θάτερον αὐτῶν κατ' ἰδίαν οὐ δύναται τὸν περιποιησάμενον ὠφελῆσαι οὐδὲν γὰρ ὄφελος ἀνδρείους ὄντας στασιάζειν ἢ ὁμονοεῖν βεβαίως δειλοὺς ὄντας.

Ὅτι ὁ αὐτὸς Λυκοῦργος ἤνεγκε χρησμόν ἐκ Δελφῶν περὶ τῆς φιλαργυρίας τὸν ἐν παροιμίας μέρει μνημονευόμενον, ἃ φιλοχρηματία Σπάρταν ὀλεῖ, ἄλλο δὲ οὐδέν. Ἡ Πυθία ἔχρησε τῷ Λυκούργῳ περὶ τῶν πολιτικῶν οὕτως

Δὴ γὰρ ἀργυρότοξος ἄναξ ἐκάεργος Ἀπόλλων
χρυσοκόμης ἔχρη πίνος ἐξ ἀδύτου,
ἄρχειν μὲν βουλῆς θεοτιμήτους βασιλῆας,

οἷσι μέλει Σπάρτης ἡμερόεσσα πόλις,
πρεσβυγενεῖς δὲ γέροντας, ἔπειτα δὲ δημότας ἄνδρας,
εὐθείαις ῥήτραις ἀνταπαμειβομένους
μυθεῖσθαι τε τὰ καλὰ καὶ ἔρδειν πάντα δίκαια,
μηδὲ τι βουλευεῖν τῇδε πόλει σκολίων,
δήμου τε πλήθει νίκην καὶ κάρτος ἔπεσθαι
Φοῖβος γὰρ περὶ τῶν ᾧδ' ἀνέφηνε πόλει.

Ὅτι τοὺς μὴ διαφυλάττοντας τὴν πρὸς τὸ θεῖον εὐσέβειαν πολὺ μᾶλλον μὴ
τηρεῖν τὰ πρὸς τοὺς ἀνθρώπους δίκαια.

Ὅτι οἱ Λακεδαιμόνιοι χρησάμενοι τοῖς τοῦ Λυκούργου νόμοις ἐκ ταπεινῶν
δυνατώτατοι ἐγένοντο τῶν Ἑλλήνων, τὴν δὲ ἡγεμονίαν διεφύλαξαν ἐπὶ ἔτη
πλείω τῶν νῦ. Μετὰ δὲ ταῦτα ἐκ τοῦ κατ' ὀλίγον καταλύοντες ἕκαστον τῶν
νομίμων, καὶ πρὸς τρυφὴν καὶ ῥαθυμίαν ἀποκλίνοντες, ἔτι δὲ διαφθαρέντες
νομίσματι χρῆσθαι καὶ πλούτους ἀθροίζειν, ἀπέβαλον τὴν ἡγεμονίαν.

Ὅτι τῶν Ἠλείων πολυανδρουμένων καὶ νομίμως πολιτευομένων
ὑφορᾶσθαι τοὺς Λακεδαιμονίους τὴν τούτων αὐξήσιν, συγκατασκευάσαι τὸν
κοινὸν βίον, ἵν' εἰρήνης ἀπολαύοντες μηδεμίαν ἔχωσιν ἐμπειρίαν τῶν κατὰ
πόλεμον ἔργων. Καὶ καθιέρωσαν αὐτοὺς τῷ θεῷ, συγχωρησάντων σχεδὸν
ἀπάντων τῶν Ἑλλήνων. Καὶ οὔτε ἐπὶ τῆς Ξέρξου στρατείας συνεστράτευσαν,
ἀλλὰ ἀφείθησαν διὰ τὸ ἐπιμελεῖσθαι τῆς τοῦ θεοῦ τιμῆς, ἔτι δὲ καὶ κατ' ἰδίαν
ἐν τοῖς τῶν Ἑλλήνων ἐμφυλίοις πολέμοις οὐδεὶς αὐτοὺς παρηγόλκει διὰ τὸ
πάντας τὴν χώραν καὶ τὴν πόλιν σπεύδειν ἱερὰν καὶ ἄσυλον φυλάττειν.
Ὑστερον δὲ πολλαῖς γενεαῖς καὶ συστρατεῦσαι τούτους καὶ ἰδίᾳ πολέμους
ἐπανελέσθαι.

Γενεαλογοῦσι δ' αὐτὸν οὕτως, ὥς φησιν ὁ Διόδωρος, οἱ πολλοὶ τῶν
συγγραφέων, ὧν εἷς καὶ Θεόπομπος. Κάρανος Φείδωνος τοῦ Ἀριστοδαμίδα
τοῦ Μέροπος τοῦ Θεστίου τοῦ Κίσσου τοῦ Τημένου τοῦ Ἀριστομάχου τοῦ
Κλεοδαίου τοῦ Ὑλλου τοῦ Ἡρακλέους. Ἐνιοὶ δὲ ἄλλως, φησί, γενεαλογοῦσι,
φάσκοντες εἶναι Κάρανον Ποίαντος τοῦ Κροίσου τοῦ Κλεοδαίου τοῦ
Εὐρυβιάδα τοῦ Δεβάλλου τοῦ Λαχάρους τοῦ Τημένου, ὃς καὶ κατῆλθεν εἰς
Πελοπόννησον.

Ὅτι Περδίκκας τὴν ἰδίαν βασιλείαν αὐξήσαι βουλόμενος ἠρώτησεν εἰς
Δελφούς. Ἡ δὲ ἔφη,

ἔστι κράτος βασίλειον ἀγανοῖς Τημενίδαισι
γαίης πλουτοφόροιο δίδωσι γὰρ αἰγίοχος Ζεὺς.
Ἀλλ' ἴθ' ἐπειγόμενος Βοττηίδα πρὸς πολύμηλον
ἔνθα δ' ἂν ἀργικέρωτας ἴδῃς χιονώδεας αἶγας
εὐνηθέντας ὕπνω, κείνης χθονὸς ἐν δαπέδοισι
θῆε θεοῖς μακάρεσσι καὶ ἄστὶ κτίζει πόληος.

FRAGMENTS OF BOOK VIII

“Οτι οἱ Ἡλεῖοι τῶν κοινῶν πολέμων οὐ μετείχον καὶ γὰρ ὅτε Ξέρξης ταῖς τοσαύταις μυριάσιν ἐστράτευσεν ἐπὶ τοὺς Ἑλλήνας, ἀφείθησαν ὑπὸ τῶν συμμάχων τῆς στρατείας, προσταζάντων τῶν ἡγεμόνων. Πλέον αὐτοὺς ποιήσιν, ἐὰν ἐπιμέλονται τῆς τῶν θεῶν τιμῆς.

Καὶ μὴ συγχωρηθείσης μηδὲ λαθραίας συμπλοκῆς πρὸς ἄνδρα μηδένα γὰρ οὕτω παραφρονήσιν ὥστε ἐφημέρου χάριν ἡδονῆς τὰ μακαριζόμενα τοῦ βίου παντὸς ἀντικαταλλάξασθαι.

“Οτι Νεμέτωρ ὑπὸ τοῦ ἰδίου ἀδελφοῦ στερηθεὶς τῆς βασιλείας, ὃς Ἀμόλιος ἐκαλεῖτο, ἐβασίλευσε δὲ Ἀλβανῶν, τοὺς ἰδίους υἰόνους παρ’ ἐλπίδας ἀναγνωρίσας Ῥέμον καὶ Ῥωμύλον, ἐπεβούλευσε κατὰ τοῦ ἰδίου ἀδελφοῦ περὶ ἀναιρέσεως. Ὁ καὶ γέγονε μεταπεμψάμενοι γὰρ τοὺς νομεῖς ὥρμησαν ἐπὶ τὰ βασίλεια, καὶ ἐντὸς τῶν θυρῶν εἰσεβιάσαντο καὶ τοὺς ὑφισταμένους ἀνήρουν, ὕστερον δὲ καὶ αὐτὸν τὸν Ἀμόλιον.

“Οτι τούτων ἐκτεθέντων, ἐπειδὴ τοῦ χρόνου προϊόντος ἡδρώθησαν, πολὺ διέφερον τῶν ἄλλων κάλλει καὶ ῥώμῃ. Διὸ καὶ πᾶσι τοῖς ποιμνίοις ἀσφάλειαν παρείχοντο, ῥαδίως τοὺς ληστεύειν εἰωθότας ἀποκρουόμενοι, καὶ πολλοὺς μὲν ἀναιροῦντες τῶν ἐπιτιθεμένων, ἐνίους δὲ καὶ ζῶντας συλλαμβάνοντες. Χωρὶς δὲ τῆς ἐν τούτῳ φιλοτιμίας ὑπῆρχον ἅπασι τοῖς πλησίον νομεῦσι προσφιλεῖς, ταῖς τε ὁμιλίαις συνόντες καὶ τὸν ἑαυτῶν τρόπον μέτριον καὶ κοινὸν τοῖς δεομένοις ἀναδεικνύντες. Διὸ καὶ τῆς πάντων ἀσφαλείας ἐν τούτοις κειμένης, οἱ πλεῖστοι τούτοις ὑπετάττοντο καὶ τὸ παραγγελλόμενον ἐποίουν συντρέχοντες εἰς οὓς προστάζαιεν τόπους.

“Οτι ὀρνιθευομένων Ῥέμου καὶ Ῥωμύλου περὶ οἰκισμοῦ πόλεως, καὶ ἐκ τῶν δεξιῶν μερῶν διοσημεῖαν γενέσθαι, φασὶ καταπλαγέντα τὸν Ῥέμον ἐπιφθεγξάμενον εἰπεῖν τῷ ἀδελφῷ, ὅτι ἐν ταύτῃ τῇ πόλει πολλάκις ἐπαριστέροις βουλευμασιν ἐπιδόξιος ἀκολουθήσει τύχῃ προπετῶς γὰρ αὐτοῦ τὸν ἄγγελον ἀποστείλαντος καὶ τὸ καθ’ αὐτὸν μέρος ὅλως ἡμαρτηκότος ὑπὸ ταυτομάτου διωρθῶσθαι τὴν ἄγνοιαν.

“Οτι ὁ Ῥωμύλος κτίζων τὴν Ῥώμην τάφρον περιέβαλε τῷ Παλατίῳ κατὰ σπουδὴν, μή τινες τῶν περιοίκων ἐπιβάλονται κωλύειν αὐτοῦ τὴν προαίρεσιν. Ὁ δὲ Ῥέμος βαρέως φέρων ἐπὶ τῷ διεσφάλλθαι τῶν πρωτείων, φθονῶν δὲ τῆς εὐτυχίας τῷ ἀδελφῷ, προσίων τοῖς ἐργαζομένοις ἐβλασφήμει ἀπεφνήματο γὰρ στενὴν εἶναι τὴν τάφρον, καὶ ἐπισφαλεῖ ἔσσεσθαι τὴν πόλιν, τῶν πολεμίων ῥαδίως αὐτὴν ὑπερβαινόντων. Ὁ δὲ Ῥωμύλος ὠργισμένος ἔφη, Παραγγελῶ πᾶσι τοῖς πολίταις ἀμύνασθαι τὸν ὑπερβαίνειν ἐπιχειροῦντα. Καὶ πάλιν ὁ Ῥέμος τοῖς ἐργαζομένοις ὀνειδίζων ἔφη στενὴν κατασκευάζειν τὴν τάφρον εὐχερῶς γὰρ ὑπερβήσεσθαι τοὺς πολεμίους καὶ γὰρ αὐτὸς ῥαδίως τοῦτο πράττειν καὶ ἅμα ταῦτα λέγων ὑπερήλατο. Ἦν δέ τις Κέλερος, εἷς τῶν ἐργαζομένων, ὃς ὑπολαβὼν, Ἐγὼ δέ, φησὶν, ἀμυνοῦμαι τὸν ὑπερπηδῶντα κατὰ τὸ πρόσταγμα τοῦ βασιλέως, καὶ ἅμα ταῦτα λέγων ἀνέτεινε τὸ σκαφεῖον καὶ πατάξας τὴν κεφαλὴν ἀπέκτεινε τὸν Ῥέμον.

Ἐνιοι μὲν οὖν τῶν συγγραφέων πλανηθέντες ὑπέλαβον τοὺς περὶ τὸν Ῥωμύλον ἐκ τῆς Αἰνείου θυγατρὸς γεννηθέντας ἐκτικέναι τὴν Ῥώμην τὸ δ' ἀληθὲς οὐχ οὕτως ἔχει, πολλῶν μὲν ἐν τῷ μεταξύ χρόνῳ τοῦ τ' Αἰνείου καὶ Ῥωμύλου γεγονότων βασιλέων, ἐκτισμένης δὲ τῆς Ῥώμης κατὰ τὸ δεύτερον ἔτος τῆς ἐβδόμης ὀλυμπιάδος αὕτη γὰρ ἡ κτίσις ὑστερεῖ τῶν Τρωικῶν ἔτεσι τρισὶ πλείοσι τῶν τετρακοσίων καὶ τριάκοντα. Αἰνείας γὰρ μετὰ τὴν ἄλωσιν τῆς Τροίας ἐτῶν τριῶν παρελθόντων παρέλαβε τὴν τῶν Λατίνων βασιλείαν, καὶ κατασχὼν τριετὴ χρόνον ἐξ ἀνθρώπων ἠφανίσθη καὶ τιμῶν ἔτυχεν ἀθανάτων. Τὴν δ' ἀρχὴν διαδεξάμενος Ἀσκάnios υἱὸς ἔκτισεν Ἄλβαν τὴν νῦν καλουμένην Λόγγαν, ἣν ὠνόμασεν ἀπὸ τοῦ ποταμοῦ τοῦ τότε μὲν Ἄλβα καλουμένου, νῦν δὲ Τιβέρεως ὀνομαζομένου. Περὶ δὲ τῆς προσηγορίας ταύτης Φάβιος ὁ τὰς Ῥωμαίων πράξεις ἀναγράφας ἄλλως μεμνηθολόγηκε. Φησὶ γὰρ Αἰνεΐα γενέσθαι λόγιον, τετράπουν αὐτῷ καθηγήσεσθαι πρὸς κτίσιν πόλεως μέλλοντος δ' αὐτοῦ θύειν ὅν ἔγκυν τῷ χρώματι λευκὴν, ἐκφυγεῖν ἐκ τῶν χειρῶν, καὶ διωχθῆναι πρὸς τινα λόφον, πρὸς ᾧ κοιμισθεῖσαν τεκεῖν τριάκοντα χοῖρους. Τὸν δὲ Αἰνεΐαν τό τε παράδοξον θαυμάσαντα καὶ τὸ λόγιον ἀνανεούμενον ἐπιχειρῆσαι μὲν οἰκίσαι τὸν τόπον, ἰδόντα δὲ κατὰ τὸν ὕπνον ὅψιν ἐναργῶς διακωλύουσαν καὶ συμβουλευούσαν μετὰ τριάκοντα ἔτη κτίζειν, ὅσοσπερ ὁ τῶν τεχθέντων ἀριθμὸς ἦν, ἀποστῆναι τῆς προθέσεως

Ὅτι Πολυχάρη Μεσσήνιον πλούτῳ καὶ γένει διαφέροντα συνθέσθαι ἀγγελῶν κοινωνίαν πρὸς Εὐαίφνον Σπαρτιάτην. Ὅν εἰς ἐπιμέλειαν καὶ φυλακὴν παραλαμβάντα τάς τε ἀγέλας καὶ τοὺς νομεῖς ἐπιχειρῆσαι μὲν πλεονεκτεῖν, καταφανῆ δὲ γενέσθαι. Πωλήσαντα γὰρ ἐμπόροις τῶν τε βοῶν καὶ τῶν νομέων τινὰς ἐπ' ἐξαγωγήῃ προσποιηθῆναι τὴν ἀπώλειαν αὐτῶν ὑπὸ ληστῶν γεγονέναι βιαίως. Τοὺς δὲ ἐμπόρους εἰς Σικελίαν πλέοντας κομίζεσθαι παρὰ τὴν Πελοπόννησον γενομένου δὲ χειμῶνος προσορμισθῆναι τῇ γῇ, καὶ τοὺς νομεῖς νυκτὸς ἀποβάντας διαδρᾶναι τῇ τῶν τόπων ἐμπειρία πιστεύσαντας. Παραγεννηθέντων δὲ αὐτῶν εἰς Μεσσήνην, καὶ τῷ κυρίῳ πᾶσαν τὴν ἀλήθειαν εἰπόντων, τὸν Πολυχάρη τούτους μὲν κρύψαι, τὸν δὲ κοινωνὸν ἐκ τῆς Σπάρτης μεταπέμψασθαι. Διαβεβαιουμένου δὲ αὐτοῦ καὶ λέγοντος τῶν νομέων τοὺς μὲν ὑπὸ ληστῶν ἀφηρπάσθαι, τοὺς δὲ τετελευτηκέναι, τὸν Πολυχάρη προάγειν τοὺς ἄνδρας. Οὓς ἰδόντα τὸν Εὐαίφνον καταπλαγῆναι, καὶ φανερώς ἐλεγχόμενον τραπῆναι πρὸς δέησιν, καὶ τάς τε βοῦς ἀποκαταστήσειν ἐπαγγελέσθαι καὶ πᾶσαν προέσθαι φωνὴν εἰς τὸ σωθῆναι. Τὸν δὲ Πολυχάρη ἐντραπέντα τὴν ξενίαν κρύψαι τὴν πρᾶξιν, καὶ τὸν υἱὸν συναποστεῖλαι τῷ Σπαρτιάτῃ πρὸς τὸ τυχεῖν τῶν δικαίων. Εὐαίφνον δὲ καὶ τῶν ἐπαγγελιῶν ἐπιλαθέσθαι τὸν τε εἰς Σπάρτην συνεκπεμφθέντα νεανίσκον ἀνελεῖν. Οὗ συντελεσθέντος τὸν Πολυχάρη ὥς ἐπὶ τηλικούτοις ἀνομήμασιν ἀγανακτεῖν καὶ τὸν αἴτιον ἐξαιτεῖν. Τοὺς δὲ Λακεδαιμονίους τούτῳ μὴ προσέχειν, τὸν δὲ υἱὸν Εὐαίφνου μετ' ἐπιστολῆς εἰς Μεσσήνην ἀποστεῖλαι δηλοῦντα, διότι Πολυχάρης εἰς Σπάρτην κατηγορεῖτο περὶ ὧν ἔπαθεν ἐπὶ τε τῶν ἐφόρων καὶ τῶν βασιλέων. Τὸν δὲ Πολυχάρη τυχόντα τῶν ἴσων τὸν τε νεανίσκον ἀνελεῖν καὶ τὴν πόλιν ῥυσιάζειν.

Ὅτι τῶν κυνῶν ὠρουμένων καὶ τῶν Μεσσηνίων ἀπελπιζόντων προσελθόν

τις τῶν πρεσβυτέρων παρεκάλει τὰ πλήθη μὴ προσέχειν τοῖς μάντεσι σχεδιάζουσι καὶ γὰρ καὶ ἐπὶ τῶν ἰδίων βίων αὐτοὺς πλείστοις ἁμαρτήμασι περιπίπτειν, ὥς μὴ δυναμένους προῖδέσθαι τὸ μέλλον, καὶ νῦν ὑπὲρ ὧν εἰκὸς μόνους τοὺς θεοὺς γινώσκειν ἀδυνατεῖν ἀνθρώπους ὄντας ἐπίστασθαι. Παρεκελεύετο οὖν πέμπειν εἰς Δελφοὺς. Ἡ δὲ Πυθία ἀνεῖλεν οὕτως. Ἐκ τοῦ Αἰπυτιδῶν γένους θῦσαι κόρην τὴν τυχοῦσαν ἐὰν δὲ ἡ λαχοῦσα ἀδυνατῇ καθοσιωθῆναι, θῦσαι τότε παρθένον τὴν τοῦ διδόντος ἐκουσίως ἐκ τοῦ αὐτοῦ γένους. Καὶ ταῦτα πράξαντες ἔξετε νίκην τοῦ πο λέμου καὶ κράτος. Οὐδεμιᾶς γὰρ τιμῆς μέγεθος ἰσόρροπον ἐφαίνετο τοῖς γονεῦσι πρὸς τὴν τῶν τέκνων σωτηρίαν, ἀλλ' ἅμα μὲν ὁ τῆς συγγενείας ἔλεος ἐκάστω ὑπεδύετο πρὸ ὀφθαλμῶν λαμβάνοντι τὴν σφαγὴν, ἅμα δὲ ἐνετρέπετο προδότης γενέσθαι τέκνου πρὸς ὁμολογούμενον ὄλεθρον.

Προέπιπτεν εἰς ἀνάξια τῆς περὶ αὐτὸν δόξης ἁμαρτήματα δεινὸς γὰρ ὁ ἔρως σφῆλαι τοὺς νέους, καὶ μάλιστα τοὺς μεγαλοφρονοῦντας ἐπὶ τῇ τοῦ σώματος ῥώμῃ. Διὸ καὶ παρεισῆγαγον οἱ παλαιοὶ τῶν μυθογράφων τὸν ὑπὸ τῶν ἄλλων ἀνίκητον Ἡρακλέα ὑπὸ τῆς τούτου δυνάμεως νικώμενον.

Ὅτι Ἀρχίας ὁ Κορίνθιος ἐραστής ὢν Ἀκταίωνος τὸ μὲν πρῶτον προσέπεμπε τινα τῷ παιδί, θαυμαστάς ἐπαγγελίας ποιούμενος οὐ δυνάμενος δὲ αὐτὸν ἀναλαβεῖν παρὰ τὴν τοῦ πατρὸς καλοκάγαθίαν καὶ τὴν αὐτοῦ τοῦ παιδὸς σωφροσύνην, ἤθροισε τῶν συνήθων τοὺς πλείστους, ὥς βιασόμενος τὸν ἐν χάριτι καὶ δεῖξει μὴ ὑπακούοντα. Τέλος δὲ μεθυσθεὶς μετὰ τῶν συμπαρακληθέντων ἐπὶ τοσοῦτον ἀνοίας προέπεσεν ὑπὸ τοῦ πάθους, ὥστε εἰς τὴν οἰκίαν ἐμπεσὼν τοῦ Μελίσσου τὸν παῖδα βιαίως ἀπήγαγεν. Ἀντεχομένου δὲ τοῦ πατρὸς καὶ τῶν ἄλλων τῶν κατὰ τὴν οἰκίαν, παρ' ἀμφοτέροις φιλοτιμίας βιαιότερας γενομένης ἔλαθεν ὁ παῖς ἐν ταῖς χερσὶ τῶν ἀντεχομένων ἀφείς τὴν ψυχὴν, ὥστε τὸ παράδοξον τῆς πράξεως ἀναλογιζομένους ἐλεεῖν ἅμα τὴν τοῦ παθόντος συμφορὰν καὶ θαυμάζειν τὴν τῆς τύχης περιπέτειαν ᾧ γὰρ ὁ παῖς τῆς αὐτῆς ἐκείνης ἔτυχε προσηγορίας, τούτῳ τὴν ὁμοίαν τοῦ βίου καταστροφὴν ἔσχεν, ἐκατέρων ὑπὸ τῶν μάλιστα ἂν βοηθησάντων τοῦ ζῆν παραπλησίῳ τρόπῳ στερηθέντων.

Ὅτι Ἀγαθοκλῆς ἐπιστάτης αἰρεθείς τῆς περὶ τὸν νεὼν τῆς Ἀθηνᾶς οἰκοδομίας, τοὺς καλλίστους τῶν τεμνομένων λίθων ἐπιλεγόμενος τὴν μὲν δαπάνην ἐκ τῆς ἰδίας οὐσίας ἐποιεῖτο, τοῖς δὲ λίθοις καταχρησάμενος οἰκίαν ὠκόδομήσε πολυτελεῖ. Ἐφ' οἷς φασιν ἐπισημῆναι τὸ δαιμόνιον κεραυνωθέντα γὰρ τὸν Ἀγαθοκλέα μετὰ τῆς οἰκίας καταφλεχθῆναι. Οἱ δὲ γεωμόροι ἔκριναν τὴν οὐσίαν αὐτοῦ δημοσίαν εἶναι, καίπερ τῶν κληρονόμων δεικνύοντων μηδὲν εἰληφότα τῶν ἱερῶν ἢ δημοσίων χρημάτων. Τὴν δὲ οἰκίαν καθιερώσαντες ἄβατον τοῖς εἰσιούσιν ἐποίησαν, ὥς ἔτι καὶ νῦν ὀνομάζεται Ἐμβρονταῖον.

Περὶ δύο ἀνδρῶν ἀριστευσάντων ἐν πολέμῳ καὶ ἀγωνιζομένων περὶ πρωτείων. Μετὰ ταῦθ' ὁ μὲν βασιλεὺς ἀναλαβὼν ἑαυτὸν ἐκ τῶν τραυμάτων προέθηκε κρίσιν ἀριστείου. Κατέβησαν μὲν οὖν ἐπὶ τὸν ἀγῶνα δύο, Κλέωνις τε καὶ Ἀριστομένης, ὧν ἑκάτερος εἶχεν ἴδιόν τι πρὸς δόξαν. Ὁ γὰρ Κλέωνις ὑπερασπίσας τὸν βασιλέα πεπτωκότα τῶν ἐπὶ φερομένων Σπαρτιατῶν ὀκτῶ

νεκρούς ἐπεποιήκει καὶ τούτων ἦσαν δύο ἡγεμόνες ἐπιφανεῖς πάντων δὲ τῶν ἀναιρεθέντων ὑπ' αὐτοῦ τὰς πανοπλίας ἐσκυλευκῶς ἐδεδώκει τοῖς ὑπασπισταῖς, ἵνα ἔχη σημεῖα τῆς ἰδίας ἀρετῆς πρὸς τὴν κρίσιν. Πολλοῖς δὲ περιπεσὼν τραύμασιν ἅπαντ' ἔσχεν ἐναντία, μέγιστον παρεχόμενος τεκμήριον τοῦ μηδενὶ τῶν πολεμίων εἶσαι. Ὁ δ' Ἀριστομένης ἐν τῷ περὶ τοῦ βασιλέως ἀγῶνι πέντε μὲν ἀνηρήκει τῶν Λακεδαιμονίων, καὶ τὰς πανοπλίας ἐσκυλεύκει τῶν πολεμίων ἐπικειμένων. Καὶ τὸ μὲν ἑαυτοῦ σῶμα διεφύλαξεν ἄτρωτον, ἐκ δὲ τῆς μάχης ἀπερχόμενος εἰς τὴν πόλιν ἔργον ἐπαινούμενον ἔπραξεν. Ὁ μὲν γὰρ Κλέωννις ἀσθενῶς ἐκ τῶν τραυμάτων διακείμενος οὔτε βαδίζειν καθ' αὐτὸν οὔτε χειραγωγεῖσθαι δυνατὸς ἦν ὁ δ' Ἀριστομένης ἀράμενος αὐτὸν ἐπὶ τοὺς ὦμους ἀπήνεγκεν εἰς τὴν πόλιν, οὐδὲν δὲ ἤττον κομίζων τὴν ἰδίαν πανοπλίαν, καὶ ταῦτα τοῦ Κλεόννιδος προέχοντος τῶν ἄλλων μεγέθει τε καὶ ῥώμῃ σώματος. Τοιαύτας δ' ἐχόντων ἀφορμὰς εἰς τὴν ὑπὲρ τῶν ἀριστείων κρίσιν, ὁ βασιλεὺς ἐκάθισε μετὰ τῶν ταξιαρχῶν κατὰ τὸν νόμον. Προλαβὼν οὖν τὸν λόγον ὁ Κλέωννις τοιοῦτοις ἐχρήσατο λόγοις.

Βραχὺς μὲν ἐστὶν ὁ περὶ τῶν ἀριστείων λόγος κριταὶ γὰρ εἰσιν οἱ τεθεαμένοι τὰς ἐκάστων ἀρετὰς ὑπομνήσαι δὲ δεῖ με, διότι πρὸς τοὺς αὐτοὺς ἄνδρας ἐκατέρων διαγωνισαμένων ὑφ' ἑνα καιρὸν καὶ τόπον ἐγὼ πλείους ἀπέκτεινα. Δῆλον οὖν ὡς κατὰ τὴν αὐτὴν περίστασιν ὁ πρότερος ἐν ἀριθμῷ τῶν ἀναιρεθέντων προτερεῖ καὶ τοῖς εἰς τὸ πρωτεῖον δικαίαις. Ἀλλὰ μὴν καὶ τὰ σώματα ἐκατέρων ἐμφανεστάτας ἀποδείξεις ἔχει τῆς ὑπεροχῆς ὁ μὲν γὰρ πλήρης ὢν τραυμάτων ἐναντίων ἀπελύετο τῆς μάχης, ὁ δ' ὥσπερ ἐκ πανηγύρεως, ἀλλ' οὐ τηλικαύτης παρατάξεως ἐξίων οὐκ ἐπειράθη, τί δύναται πολεμίων σίδηρος. Εὐτυχέστερος μὲν οὖν ἴσως Ἀρι στομένης, ἀγαθώτερος δ' ἡμῶν οὐκ ἂν δικαίως κριθεῖη. Πρόδηλος γὰρ ὁ ὑπομείνας τοσαύτας διαιρέσεις τοῦ σώματος ὡς ἀφειδῶς ἑαυτὸν ἐπέδωκεν ὑπὲρ τῆς πατρίδος ὁ δ' ἐν πολεμίων συμπλοκῇ καὶ τοιούτων κινδύνων τηρήσας ἑαυτὸν ἄτρωτον εὐλαβεῖα τοῦ παθεῖν τι τοῦτ' ἐνήργησεν. Ἄτοπον οὖν εἰ παρὰ τοῖς ἑωρακόσι τὴν μάχην ὁ τῶν πολεμίων μὲν ἐλάττους ἀνελών, τῷ δ' ἰδίῳ σώματι κινδυνεύσας ἤττον, προκριθῆσεται τοῦ πρωτεύοντος ἐν ἀμφοτέροις. Ἀλλὰ μὴν καὶ τὸ μηδενὸς ἔτι κινδύνου ὑπάρχοντος βαστάσαι τὸ σῶμα καταπεπονημένον ὑπὸ τῶν τραυμάτων ἀνδρείαν μὲν οὐδεμίαν ἔχει, σώματος δ' ἴσως ἰσχὺν ἐπιδείκνυται. Ἰκανά μοι ταῦτα εἶρηται πρὸς ὑμᾶς πρόκειται γὰρ ἀγὼν οὐ λόγων, ἀλλ' ἔργων. Παραλαβὼν δ' ἐν μέρει τὸν λόγον Ἀριστομένης,

Θαυμάζω, φησὶν, εἰ μέλλει περὶ ἀριστείων ἀμφισβητεῖν ὁ σωθεὶς τῷ σώσαντι ἀναγκαῖον γὰρ ἢ τῶν δικαζόντων αὐτὸν ἄνοιαν καταγινώσκειν ἢ τὴν κρίσιν δοκεῖν ἐκ τῶν νῦν λεγομένων, ἀλλ' οὐκ ἐκ τῶν τότε πεπραγμένων ἔσεσθαι. Οὐ μόνον δὲ Κλέωννις δειχθήσεται κατ' ἀρετὴν λειπόμενος, ἀλλὰ καὶ τελῶς ἀχάριστος. Ἀφείς γὰρ τὸ τὰ συντελεσθέντα ὑπ' αὐτοῦ καλῶς διαπορεύεσθαι, διέσυρε τὰς ἐμὰς πράξεις, φιλοτιμότερος ὢν ἢ δίκαιον ᾧ γὰρ καὶ ἰδίας σωτηρίας τὰς μεγίστας ὀφείλει χάριτας, τούτου τὸν ἐπὶ τοῖς καλῶς πραχθεῖσιν ἔπαινον διὰ φθόνον ἀφήρηται. Ἐγὼ δὲ ὁμολογῶ μὲν ἐν τοῖς τότε γεγενημένοις κινδύνοις εὐτυχῆς ὑπάρξαι, φημὶ δὲ πρότερον ἀγαθὸς γενέσθαι. Εἰ μὲν γὰρ ἐκκλίνας τὴν τῶν πολεμίων ἐπιφορὰν ἄτρωτος ἐγενόμην, οὐκ

εὐτυχῇ με προσήκεν ὀνομάζειν, ἀλλὰ δειλόν, οὐδ' ὑπὲρ ἀριστείων λέγειν κρίσιν, ἀλλὰ ταῖς ἐκ τῶν νόμων τιμωρίαις περιπεπτωκέναι ἐπεὶ δ' ἐν πρώτοις μαχόμενος καὶ τοὺς ὑφισταμένους ἀναιρῶν οὐκ ἔπαθον ἅπερ ἔπραξα, ῥητέον οὐκ εὐτυχῇ με μόνον, ἀλλὰ καὶ ἀγαθόν. Εἴτε γὰρ οἱ πολέμιοι καταπλαγέντες τὴν ἀρετὴν οὐκ ἐτόλμησαν ἀμύνασθαι, μεγάλων ἐπαίνων ἄξιος ὢν ἐφοβήθησαν, εἴτ' ἐκείνων ἀγωνιζομένων εὐθύμως ἐγὼ φονεύων τοὺς ἀνθεστηκότας καὶ τοῦ σώματος ἐποιούμην πρόνοιαν, ἀνδρεῖος ἅμα καὶ συνετός. Ὁ γὰρ ἐν αὐτῷ τῷ θυμομαχεῖν ἐμφρόνως ὑπομένων τὸ δεινὸν ἐκατέρας ἔχει τὰς ἀρετάς, σώματός τε καὶ ψυχῆς. Καίτοι γε ταῦτα τὰ δίκαια πρὸς ἐτέρους ἦν μοι ῥητέον ἀμείνους τούτου. Ὅτε γὰρ Κλέοννιν παραλελυμένον ἐκ τῆς μάχης εἰς τὴν πόλιν ἀπήνεγκα τὰμαντοῦ σώζων ὄπλα, καὶ ὑπ' αὐτοῦ κεκρίσθαι νομίζω τὸ δίκαιον. Καίτοι γε παροραθεὶς τόθ' ὑφ' ἡμῶν ἴσως οὐκ ἂν ἤριζε νῦν ὑπὲρ ἀριστείων, οὐδὲ διασύρων τηλικούτον μέγεθος εὐεργεσίας ἔλεγε μηθὲν εἶναι μέγα τὸ πραχθὲν διὰ τὸ κατ' ἐκείνον τὸν καιρὸν ἀποχωρεῖν ἐκ τῆς μάχης τοὺς πολεμίους. Τίς γὰρ οὐκ οἶδεν, ὅτι πολλάκις οἱ διαλυθέντες ἐκ τῆς μάχης ἐξ ὑποστροφῆς εἰώθασιν ἐπιτίθεσθαι καὶ στρατηγία ταύτῃ χρησάμενοι τυγχάνειν τῆς νίκης; Ἰκανά μοι τὰ ῥηθέντα λόγων γὰρ πλειόνων οὐκ οἶμαι ὑμᾶς προσδεῖσθαι.

Τούτων ῥηθέντων οἱ δικάζοντες ὁμογνώμονες γενόμενοι προέκριναν τὸν Ἀριστομένην.

Καὶ ταῖς προθυμίαις ἐπερρώσθησαν τοὺς γὰρ ἐκ παίδων ἀνδρείαν καὶ καρτερίαν ἀσκοῦντας, κἂν ἡ τύχη που ταπεινώσῃ, βραχὺς λόγος ἐφ' ὃ δεῖ παρίστησιν. Οὐ μὴν οὐδὲ οἱ Μεσσηνιοὶ τούτων ἀπελείποντο ταῖς προθυμίαις, ἀλλὰ ταῖς σφῶν ἀρεταῖς πιστεύσαντες.

Ὅτι οἱ Λακεδαιμόνιοι καταπονούμενοι ὑπὸ Μεσσηνίων ἐπεμψαν εἰς Δελφούς. Ἡ δὲ ἔχρησεν, οὐ σε μάχης μόνον ἔργ' ἐρέπειν χερὶ Φοῖβος ἀνάγει, ἀλλ' ἀπάτῃ μὲν ἔχει γαῖαν Μεσσηνίδα λαός, ταῖς δ' αὐταῖς τέχναισιν ἀλώσεται αἵσπερ ὑπῆρξεν. Ἔστι δὲ τὸ νοούμενον μὴ μόνον τοῖς ἐκ τῆς βίας ἔργοις, ἀλλὰ καὶ τοῖς ἐκ δόλου

Ὅτι Πομπύλιος ὁ Ῥωμαίων βασιλεὺς πάντα τὸν τοῦ ζῆν χρόνον ἐν εἰρήνῃ διετέλεσε. Λέγουσι δέ τινες ἀκουστὴν γενόμενον Πυθαγόρου παρ' ἐκείνου λαβεῖν τά τε περὶ θεῶν νομοθετήματα, καὶ πολλὰ διδασχθῆναι, δι' ὧν ἐπιφανὲς ἀνὴρ ἐγένετο καὶ βασιλεὺς ἡγήρεθι μετάπεμπτος.

Ὅτι κατὰ τὴν ἀξίαν οὐδὲ θελήσαντες δυνάμεθα τιμῆσαι τὸ δαιμόνιον ὥστε εἰ μὴ κατὰ δύναμιν βουληθείμην εὐχαριστεῖν, τίνας ἂν ἐλπίδας τοῦ μέλλοντος βίου λαμβάνοιμεν, εἰς τούτους ἐξαμαρτάνοντες οὓς ἀδικοῦντας οὐκ ἂν εἴῃ δυνατόν οὔτε λαθεῖν οὔτε διαφυγεῖν; Τὸ μὲν γὰρ ὅλον, παρ' οἷς ἀθάνατον εἶναι συμβαίνει καὶ τὴν εὐεργεσίαν καὶ τὴν κόλασιν, φανερόν ὥς ἐν τούτοις παρασκευάζειν προσήκει τὴν μὲν ὀργὴν ἀγένητον, τὴν δὲ εὐνοίαν αἰώνιον.

Τηλικαύτην γὰρ ἔχει παραλλαγὴν ὁ τῶν ἀσεβῶν βίος πρὸς τὸν τῶν εὐσεβῶν, ὥστε προσδοκᾷ ἐκατέρους αὐτοῖς βεβαιώσειν τὸ θεῖον τοῖς μὲν τὰς ιδίας εὐχάς, τοῖς δὲ τὰς παρὰ τῶν ἐχθρῶν εὐχάς

Τὸ δὲ ὅλον, εἰ τοῖς μὲν ἐχθροῖς ὅταν πρὸς τοὺς βωμοὺς καταφύγωσι

βοηθοῦμεν, τοῖς δὲ πολεμίοις διὰ τῶν ὄρκων πίστεις δίδομεν μηδὲν ἀδικήσειν, ποῖαν χρὴ πρὸς αὐτοὺς ποιεῖσθαι τοὺς θεοὺς σπουδῇ, οἳ οὐ μόνον τοὺς εὐσεβεῖς ἐν τῷ ζῆν εὖ ποιοῦσιν, ἀλλὰ καὶ μετὰ τὸν θάνατον ν εἰ δὲ καὶ ταῖς τελεταῖς δεῖ ἀγωγὴν μετ' εὐφημίας ἡδεῖας εἰς ἅπαντα τὸν αἰῶνα παρασκευάζουσιν; Διὸ καὶ πρὸς ἡκεῖν μηδὲν οὕτω τῶν ἐν τῷ βίῳ σπουδάζειν ὥς περὶ τὴν τῶν θεῶν τιμὴν.

Ὅτι ἀνδρείαν καὶ δικαιοσύνην καὶ τὰς ἄλλας ἀρετὰς ἀνθρώπων καὶ τὰ λοιπὰ τῶν ζώων εὐρῆσθαι συμβέβηκε, τὴν δὲ εὐσέβειαν τοσούτῳ τῶν ἄλλων ἀρετῶν προέχειν ὅσον καὶ τοὺς θεοὺς τῶν θνητῶν ἐν πᾶσι πρωτεύειν.

Ὅτι ζηλωτῆς οὐσης τοῖς ιδιώταις, πολὺ μᾶλλον οἰκείαν εἶναι ταῖς πόλεσι τῆς τε γὰρ ἀθανασίας ἐγγύτερον οὔσαι προσωκειωμένην τοῖς θεοῖς τὴν φύσιν ἔχουσι καὶ πολὺν χρόνον διαμένουσαι προσδοκῶσι τὴν ὀφειλομένην ἀμοιβήν, τῆς μὲν εὐσεβείας τὴν ἡγεμονίαν, τῆς δὲ εἰς τὸ θεῖον ὀλιγορίας τὴν τιμωρίαν.

Ὅτι Δηϊόκης ὁ Μήδων βασιλεὺς πολλῶν ἀνομημάτων γενομένων ἤσκει δικαιοσύνην καὶ ἄλλας ἀρετάς.

Ὅτι Μύσκελλός τις Ἀχαιοὺς ὦν τὸ γένος ἐκ Ῥύπης κατήντησεν εἰς Δελφοὺς καὶ τὸν θεὸν ἐπηρώτησε περὶ τέκνων γενέσεως ἡ δὲ Πυθία ἀνεῖλεν οὕτως

Μύσκελλε βραχύνωτε, φιλεῖ σ' ἐκάεργος Ἀπόλλων,

καὶ γενεὰν δώσει τόδε δὲ πρότερόν σε κελεύει,

οἰκῆσαι σε Κρότωνα μέγαν καλαῖς ἐν ἀρούραις.

Τοῦ δὲ Κρότωνα ἀγνοοῦντος εἶπεῖν ἄλιν τὴν Πυθίαν,

αὐτός σοι φράζει ἐκατηβόλος ἀλλὰ συνίει.

Οὗτος μὲν Τάφιος τοι ἀνήροτος, ἦδε δὲ Χαλκίς,

ἦδε δὲ Κουρήτων * ἡ ἱερὰ χθών,

αἶδε δ' Ἐχινάδες εἰσὶ πολὺς δ' ἐπ' ἀριστερὰ πόντος.

Οὕτω σ' οὐκ ἂν φημι Λακινίου ἄκρου ἁμαρτεῖν

οὐδ' ἱερᾶς Κριμίσσης οὐδ' Αἰσάρου ποταμοῖο.

Ὅτι τοῦ χρησιμοῦ προστάττοντος Κρότωνα κτίζειν ὁ Μύσκελλος τὴν περὶ τὴν Σύβαριν χώραν θαυμάσας ἐβούλετο κτίσαι, καὶ ἐξέπεσε χρησμὸς αὐτῷ οὕτως,

Μύσκελλε βραχύνωτε, παρὲκ θεοῦ ἄλλα ματεύων

κλαύματα μαστεύεις δῶρον δ' ὃ διδῶ θεὸς αἶνει.

Ὅτι οἱ Συβαρίται γαστρίδουλοὶ εἰσι καὶ τρυφηταί. Τοσοῦτος δὲ ἦν ζῆλος παρ' αὐτοῖς τρυφῆς ὥστε καὶ τῶν ἔξωθεν ἐθνῶν μάλιστα ἡγάπων Ἴωνας καὶ Τυρρηνοὺς, ὅτι συνέβαινε αὐτοὺς τοὺς μὲν τῶν Ἑλλήνων, τοὺς δὲ τῶν βαρβάρων προέχειν τῇ κατὰ τὸ ζῆν πολυτελείᾳ.

Ὅτι φασὶ τίνα τῶν εὐπόρων Συβαριτῶν, ἀκούσαντα παρὰ τινων ὅτι θεασάμενος τοὺς ἐργάτας εἰληφὼς εἶη ρήγματα, παρακαλέσαι τὸν εἰπόντα μὴ θαυμάσαι καὶ γὰρ ἀκούσαντα τὸ γεγονὸς πεπονηκέναι τὴν πλευράν. Ἔτερον δὲ λέγεται παραβαλόντα εἰς Σπάρτην εἶπεῖν ὅτι πρότερον μὲν θαυμάζοι τὴν τῶν Σπαρτιατῶν ἀνδρείαν, τότε δὲ θεασάμενον εὐτελῶς καὶ μετὰ πολλῆς κακοπαθείας βιοῦντας εἶπεῖν ὅτι τῶν ἐσχάτων οὐδὲν διαφέρουσι καὶ γὰρ ἐν Συβαρίταις τὸν ἀνανδρότατον μᾶλλον ἐλέσθαι ἂν τρις ἀποθανεῖν ἢ τοιοῦτον βίον ζῶντα καρτερεῖν. Μάλιστα δὲ παρ' αὐτοῖς περιουσιάσαι λέγεται τρυφῇ

τὸν ὀνομαζόμενον Μινδυρίδην.

Ὅτι Μινδυρίδης λέγεται περιουσιάζει τρυφῇ παρὰ Συβαρίταις. Τοῦτον γάρ, Κλεισθένους τοῦ Σικυωνίων τυράννου νικήσαντος ἄρματι καὶ κηρύξαντος παραγενέσθαι τοὺς προαιρουμένους γαμεῖν τὴν αὐτοῦ θυγατέρα, δοκοῦσαν κάλλει διαφέρειν, ἀναχθῆναί φασιν ἐκ Συβάρεως ἐν πεντηκοντόρῳ τοὺς ἐρέτας ἔχοντα ἰδίους οἰκέτας, ὧν εἶναι τοὺς μὲν ἄλεις, τοὺς δὲ ὀρνιθοθήρας. Παραγενόμενον δὲ εἰς Σικυῶνα ταῖς κατὰ τὴν οὐσίαν παρασκευαῖς οὐ μόνον τοὺς ἀντιμνηστεύσαντας, ἀλλὰ καὶ τὸν τύραννον αὐτὸν ὑπερᾶραι, καίπερ τῆς πόλεως αὐτῷ πάσης συμφιλοτιμουμένης. Ἐν δὲ τῷ μετὰ τὴν ἄφιξιν δείπνῳ προσιόντος τινός, ὅπως κατακλιθῇ πρὸς αὐτόν, εἶπεν ὅτι κατὰ τὸ κήρυγμα πάρεστιν ἢ μετὰ τῆς γυναικὸς ἢ μόνος κατακλιθσόμενος.

Ὅτι Μιλησίων τρυφόντων φασὶ πρὸς αὐτοὺς ἀπο δημήσαντά τινα τῶν Συβαριτῶν, ἐπειδὴ πάλιν πρὸς τὴν πατρίδα παρεγενήθη, τά τε ἄλλα τοῖς πολίταις ἐξηγεῖσθαι καὶ δὴ καὶ φάσκειν κατὰ τὴν ἀποδημίαν μίαν πόλιν ἐλευθέραν ἑωρακεῖναι τὴν τῶν Μιλησίων.

Ὅτι συνταξαμένων τῶν ἐπεισευακτῶν τῷ Φαλάνθῳ τότε ἦκειν πρὸς τὴν στάσιν κατὰ τὴν ἀγοράν, ὅταν αὐτὸς ἐπὶ τὸ μέτωπον ἐφελκύσῃ τὴν κυνὴν, μετὰ τῶν ὄπλων ἐμήνυσεν δὲ τις τὸ μέλλον γίνεσθαι τοῖς ἐφόροις. Τῶν δὲ πλείστων οἰομένων δεῖν ἀποκτεῖναι τὸν Φάλανθον, Ἀγαθιάδας ἐραστὴς αὐτοῦ γεγωνὼς εἶπεν, ὥς τοῦτο πράξαντες εἰς μεγίστην στάσιν ἐμβαλοῦσι τὴν Σπάρτην, ἐν ᾗ κρατήσαντες ἀλυσιτελῇ ποιήσονται νίκην, καὶ σφαλόντες ἄρδην ἀπολέσουσι τὴν πατρίδα. Συνεβούλευσεν οὖν τὸν κήρυκα ἀναγορεῦσαι τὴν κυνὴν ἑᾶν ὥς ἔχει Φάλανθον. Οὗ γενομένου τοὺς μὲν παρθενίας ἀποστήσασθαι τῆς ἐπιβολῆς καὶ πρὸς διάλυσιν ὀρμῆσαι. Οἱ δὲ ἐπεισευακταὶ θεωροὺς πέμπσαντες εἰς Δελφοὺς ἐπηρώτων, εἰ δίδωσιν αὐτοῖς τὴν Σικυωνίαν. Ἡ δ' ἔφη

καλὸν τοι τὸ μεταξὺ Κορίνθου καὶ Σικυῶνος
ἀλλ' οὐκ οἰκήσεις οὐδ' εἰ παγχάλκεος εἴης.
Σατύριον φράζου σὺ Τάραντός τ' ἀγλαὸν ὕδωρ
καὶ λιμένα σκαιὸν καὶ ὅπου τράγος ἄλμυρὸν οἶδμα
ἀμφαγαπᾷ τέγγων ἄκρον πολιοῖο γενείου
ἐνθα Τάραντα ποιοῦ ἐπὶ Σατυρίῳ βεβαῶτα.
Ἀκούσαντες δὲ ἡγνόουν ἢ δὲ φανερώτερον ἔφη,
Σατύριόν τοι ἔδωκα Τάραντά τε πῖονα δῆμον
οἰκῆσαι καὶ πῆματ' Ἰαπύγεσσι γενέσθαι.

Ὅτι Ἰππομένης ὁ τῶν Ἀθηναίων ἄρχων, τῆς θυγατρὸς αὐτοῦ φθαρείσης ὑπὸ τινος, τιμωρίαν ἔλαβε παρ' αὐτῆς ἀνήμεστον καὶ παρηλλαγμένην μεθ' ἵππου γὰρ αὐτὴν εἰς οἰκίσκον τινὰ συγκλείσας, καὶ τὴν τροφὴν παρελόμενος ἐπὶ τινας ἡμέρας, ἠνάγκασε τὸ ζῶον διὰ τὴν ἔνδειαν ἀναλῶσαι τὸ σῶμα τῆς παραβληθείσης.

Ὅτι ἐπὶ Ὀστιλίου Τύλλου τοῦ Ῥωμαίων βασιλέως Ἀλβανοὶ τὴν αὔξησιν τῶν Ῥωμαίων ὑφορώμενοι καὶ ταπεινῶσαι τούτους βουλόμενοι, προσεποιήσαντο ἐπὶ τῆς ἑαυτῶν χώρας γεγονέναι ληστὰς Ῥωμαίους, καὶ

ἔπεμψαν εἰς Ῥώμην πρεσβευτὰς τοὺς τὸ δίκαιον αἰτήσαντας, εἰ δὲ μὴ προσέχωσι, πόλεμον καταγγελοῦντας. Ὅστιλιος δὲ ὁ τῶν Ῥωμαίων βασιλεὺς πυθόμενος ὡς ζητοῦσι πρόφασιν πολέμου, τοῖς μὲν φίλοις παρήγγειλε τοὺς πρέσβεις ἐκδέξασθαι καὶ παρακαλεῖν ἐπὶ ξένια αὐτὸς δὲ ἐκκλίνας τὴν πρὸς τούτους ἔντευξιν ἔπεμψεν εἰς Ἀλβανούς τοὺς τὸ παραπλήσιον τοῖς ἐκείνων ποιήσαντας. Τοῦτο δὲ συνετέλεσεν ἀρχαϊκῶ τινι προαχθεὶς ἔθει, διὰ τὸ τοὺς παλαιοὺς μηδὲν οὕτω σπουδάζειν ὡς τὸ δικαίους ἐνίστασθαι πολέμους εὐλαβεῖτο γάρ, μὴ τοὺς αἰτίους τῆς ληστείας οὐθ' εὐρεῖν δυνάμενος οὔτε παραδιδούς τοῖς ἐξαιτοῦσι δόξῃ πόλεμον ἄδικον ἐπαναιρεῖσθαι. Εὐτυχούντων δὲ πρότερον τῶν εἰς Ἀλβαν πεμφθέντων τὸ μὴ λαμβάνειν τὸ δίκαιον, εἰς ἡμέραν τριακοστὴν πόλεμον κατήγγειλαν. Οἱ μὲν οὖν τῶν Ἀλβανῶν πρεσβεύται κατὰ τὴν ἐξαίτησιν ἀπόκρισιν ἔλαβον, ὅτι πρότερον ἐκείνων οὐ διδόντων τὸ δίκαιον οἱ Ῥωμαῖοι πόλεμον αὐτοῖς κατηγγελκότες εἶψαν. Οἱ δὲ δῆμοι πρὸς ἀλλήλους ἐπιγαμίας ἔχοντες καὶ φιλίαν, ἀπὸ ταύτης τῆς αἰτίας εἰς διαφορὰν κατέστησαν.

Τὸ πρότερον τὸ γένος τῶν Ῥωμαίων τῶν Λατίνων οὐχὶ συνῆπτε πόλεμον ἀκηρυκτεῖ πρὸς ἔθνος, ἀλλὰ τῇ χώρᾳ πρότερον ἔθνους τοῦ πολεμίου δόρυ σημεῖον ἔρριπτεν, ἔχθρας ἀρχὴν σημαῖνον. Ἐπειτα δὲ κατήρχετο πολέμου πρὸς τὸ ἔθνος. Τοῦτό φησι Διόδωρος, πᾶς τε Λατῖνα γράφων.

Ὅτι Ἀντίφημος καὶ Ἐντιμος οἱ Γέλαν κτίσαντες ἠρώτησαν τὴν Πυθίαν, καὶ ἔχρησε ταῦτα,

Ἐντιμ' ἡδὲ Κράτωνος ἀγακλέος νιὲ δαΐφρον,
ἐλθόντες Σικελὴν καλὴν χθόνα ναίετον ἄμφω,
δειμάμενοι πτολίεθρον ὁμοῦ Κρητῶν Ῥοδίων τε
πᾶρ προχοᾶς ποταμοῖο Γέλα συνομώνυμον ἀγνοῦ.

Ὅτι οἱ ἐκ τῆς δεκάτης ἀνατιθέντες Χαλκιδεῖς ἦλθον χρησόμενοι περὶ ἀποικίας, καὶ ἀνεῖλε

Ἀψία ἧ ποταμῶν ιερώτατος εἰς ἅλα πίπτει,
ἐνθ' εἴσω βάλλοντι τὸν ἄρσενα θῆλος ὀπιύει,
ἐνθα πόλιν οἰκίξε, διδοῖ δέ σοι Αὔσονα χώραν.

Οἱ δὲ κατὰ τὸν Ἀψίαν ποταμὸν εὐρόντες ἄμπελον περιτεπλεγμένην ἔρινεῶ τὸ λεγόμενον ἀρσενόθηλυν ἔκτισαν πόλιν.

Παραπορευόμενον μεγάλῃ τῇ φωνῇ λέγειν, ἀντὶ θνητοῦ βίου δόξαν ἀθάνατον περιποιήσασθαι βούλεται τίς; Τίς ἐρεῖ πρῶτος, ἐπιδίδωμι τὸν ἑμαυτοῦ βίον εἰς τὴν κοινὴν ἀσφάλειαν.

Ὅτι τῶν εἰς ἄγρὸν πορευομένων τις ἐρωτήσας ἀπαντῆσαι ἠρώτησε μὴ τι νεώτερον εἴη κατὰ τὴν πόλιν. Καὶ ἐξημῶσαν αὐτὸν οἱ τὴν ἀρχὴν παρὰ Λοκροῖς ἔχοντες τοσοῦτον ἦσαν περὶ τὸ δίκαιον ἡσυχοληκότες.

Ὅτι Σικωνίοις ἔχρησεν ἡ Πυθία ἑκατὸν ἔτη μαστιγονομηθήσεσθαι αὐτούς. Ἐπερωτησάντων δὲ αὐτῶν τίς ὁ ταῦτα ποιήσων, πάλιν ἀπεκρίθη, ὃ ἂν καταπλεύσαντες πρῶτῳ γεγεννημένον υἱὸν ἀκούσωσιν. Ἐτύγχανε δὲ τοῖς θεωροῖς ἡκολουθηκῶς τῆς θυσίας ἔνεκα μάγειρος, ὃς ἐκαλεῖτο Ἀνδρέας. Μισθοῦ τοῖς ἄρχουσι μαστιγοφορῶν ὑπηρετεῖ.

Ὅτι οἱ Σπαρτιάται ὑπὸ Μεσσηνίων ἡττηθέντες εἰς Δελφοὺς πέμψαντες

ἡρώτων περὶ πολέμου. Ἐχρησε δὲ αὐτοῖς παρὰ Ἀθηναίων λαβεῖν ἡγεμόνα.

Ὅτι οἱ Λακεδαιμόνιοι προτραπέντες ὑπὸ Τυρταίου οὕτω προθύμως εἶχον πρὸς παράταξιν, ὥστε μέλλοντες παρατάττεσθαι τὰ ὀνόματα σφῶν αὐτῶν ἐγράψαντο εἰς σκυταλίδα καὶ ἐξῆψαν ἐκ τῆς χειρός, ἵνα τελευτῶντες μὴ ἀγνοῶνται ὑπὸ τῶν οἰκείων. Οὕτω παρέστησαν ταῖς ψυχαῖς ἑτοίμοι πρὸς τὸ τῆς νίκης ἀποτυγχάνοντες ἐτοίμως ἐπιδέχεσθαι τὸν ἔντιμον θάνατον.

Κιθαρωδὸς ὁ Τέρπανδρος τῷ γένει Μηθυμναῖος. Στασιασάντων δέ ποτε τῶν Λακεδαιμονίων, χρησμὸς αὐτοῖς ἐξέπεσε πάλιν φιλιωθῆναι, ἂν ἐκ Μηθύμνης Τέρπανδρος ἐκείνοις κιθαρίσῃ. ...καὶ δὴ τι μέλος Τέρπανδρος ἐντέχνως κιθαρίσας αὐτοὺς πάλιν συνήρμοσε, Διόδωρος ὡς γράφει, τῆς ἁρμονίας τῇ ὠδῇ. Καὶ γὰρ μετατραπέντες ἀλλήλους περιέβαλλον, ἡσπάζοντο δακρυοῖς.

Ὅτι Ἀριστοτέλης ὁ καὶ Βάττος κτίσαι βουλόμενος Κυρήνην ἔλαβε χρησμὸν οὕτως,

Βάττ', ἐπὶ φωνὴν ἦλθες ἄναξ δέ σε Φοῖβος Ἀπόλλων
εἰς Λιβύην πέμπει καλλιστέφανον Κυρήνης
εὐρείης ἄρχειν καὶ ἔχειν βασιληίδα τιμὴν.

Ἔνθα σε βάρβαροι ἄνδρες, ἐπὰν Λιβύης ἐπιβήης,
βαитоφόροι ἐπίαςι σὺ δ' εὐχόμενος Κρονίωνι
Παλλάδι τ' ἐγρεμάχῃ γλαυκώπιδι καὶ Διὸς υἱῷ
Φοίβῳ ἀκερσεκόμῃ νίκην ὑποχείριον ἔξεις,
καὶ μάκαρος Λιβύης καλλιστεφάνου βασιλεύσεις
αὐτὸς καὶ γένος ὑμόν ἄγει δέ σε Φοῖβος Ἀπόλλων.

Ταῖς γὰρ εὐημερίαις φυσικῶς ἀντικαθήμενος ὁ φθόνος καθαιρεῖ τοὺς ταῖς δόξαις πρωτεύοντας.

Ὅτι Ἀρκεσίλαος ὁ τῶν Κυρηναίων βασιλεὺς δεινοπαθήσας ἐπὶ ταῖς συμφοραῖς ἐπηρώτα εἰς Δελφούς. Ἐχρησε δὲ ὁ θεὸς ὅτι θεῶν ἐστὶ μῆνις τοὺς γὰρ ὕστερον βασιλεῖς οὐχ ὁμοίως ἄρχειν τῷ πρώτῳ Βάττῳ. Ἐκεῖνον μὲν γὰρ αὐτῇ τῇ προσηγορίᾳ τοῦ βασιλέως ἀρκούμενον ἐπιεικῶς ἄρξαι καὶ δημοτικῶς, καὶ τὸ μέγιστον, τηροῦντα τὰς πρὸς τοὺς θεοὺς τιμὰς τοὺς δὲ ὕστερον αἰεὶ τυραννικώτερον δυναστεύοντας ἐξειδιοποιήσασθαι μὲν τὰς δημοσίας προσόδους, ὀλιγωρῆσαι δὲ τῆς πρὸς τὸ θεῖον εὐσεβείας.

Ὅτι τῆς τῶν Κυρηναίων στάσεως διαιτητὴς ἐγένετο Δημῶναξ Μαντινεὺς, συνέσει καὶ δικαιοσύνη δοκῶν διαφέρειν. Οὗτος οὖν πλεύσας εἰς Κυρήνην καὶ παρὰ πάντων λαβὼν τὴν ἐπιτροπὴν, διέλυσε τὰς πόλεις ἐπὶ τούτοις.

Ὅτι Λεύκιος Ταρκύνιος ὁ τῶν Ῥωμαίων βασιλεὺς σπουδαίας ἔτυχεν ἀγωγῆς, καὶ γενόμενος ζηλωτὴς παιδείας οὐ μετρίως δι' ἀρετὴν ἐθαυμάζετο. Ἀνδρωθεὶς γὰρ συνεστάθη τῷ βασιλεῖ τῶν Ῥωμαίων Ἄγκῳ Μαρκίῳ, καὶ φίλος αὐτοῦ μέγιστος ἐγένετο, καὶ πολλὰ τῶν κατὰ τὴν βασιλείαν συνδιώκει τῷ βασιλεῖ. Καὶ μεγάλοπλουτος ὢν πολλοῖς τῶν ἀπόρων ἐβοήθει χρήματα διδούς, καὶ πᾶσι προσφιλῶς ὁμιλῶν ἁμεμπτος ἦν καὶ ἑνδοξος ἐπὶ σοφίᾳ.

Ὅτι οἱ Λοκροὶ ἔπεμψαν εἰς Σπάρτην περὶ συμμαχίας δεόμενοι. Οἱ δὲ Λακεδαιμόνιοι τὸ μέγεθος τῆς Κροτωνιατῶν δυνάμεως ἀκούοντες, ὥσπερ ἀφοσιούμενοι καὶ μόνως ἂν οὕτω σωθέντων Λοκρῶν, ἀπεκρίθησαν αὐτοῖς

συμμάχους διδόναι τοὺς Τυνδαρίδας. Οἱ δὲ πρέσβεις εἴτε προνοία θεοῦ εἴτε τὸ ῥηθὲν οἰωνισάμενοι προσεδέξαντο τὴν βοήθειαν παρ' αὐτῶν καὶ καλλιερήσαντες ἔστρωσαν τοῖς Διοσκόροις κλίνην ἐπὶ τῆς νηὸς καὶ ἀπέπλευσαν ἐπὶ τὴν πατρίδα.

Ποταπὰς δὲ ψυχὰς ἔξιν τοὺς συνηκολουθηκότας πατέρας, ὅταν ὁρῶντες τοὺς ἑαυτῶν υἱοὺς ὑπὸ τῶν βαρβάρων ἀρρήτῳ συμφορᾷ περιπίπτοντας μὴ δύνωνται βοηθεῖν, ἀλλὰ τὰς ἑαυτῶν πολιὰς σπαράσσοντες πρὸς κωφὴν ὀδύρωνται τύχην;

FRAGMENTS OF BOOK IX

Ἦν δὲ καὶ Σόλων πατὴρ μὲν Ἐξηκεστίδου, τὸ γένος ἐκ Σαλαμῖνος τῆς Ἀττικῆς, σοφία δὲ καὶ παιδεία πάντας τοὺς καθ' ἑαυτὸν ὑπερβεβληκώς. Φύσει δὲ πρὸς ἀρετὴν τῶν ἄλλων πολὺ διαφέρων ἐξήλωσεν ἀρετὴν ἐπαινουμένην πᾶσι γὰρ τοῖς μαθήμασι πολὺν χρόνον ἐνδιατρίψας ἀθλητῆς ἐγένετο πάσης ἀρετῆς. Κατὰ μὲν γὰρ τὴν τοῦ παιδὸς ἡλικίαν παιδευταῖς ἐχρήσατο τοῖς ἀρίστοις, ἀνδρωθεὶς δὲ συνδιέτριψε τοῖς μεγίστην ἔχουσι δόξαν ἐπὶ φιλοσοφίᾳ. Διὸ καὶ τούτοις ὁμιλῶν καὶ συνδιατρίβων ὠνομάσθη μὲν εἰς τῶν ἑπτὰ σοφῶν καὶ τὸ πρωτεῖον τῆς συνέσεως οὐ μόνον παρὰ τούτοις τοῖς ἀνδράσιν, ἀλλὰ καὶ παρὰ πᾶσι τοῖς θαυμαζομένοις ἀπηνέγκατο.

Ὅτι ὁ αὐτὸς Σόλων, ἐν τῇ νομοθεσίᾳ μεγάλην δόξαν περιποιησάμενος, ἐν ταῖς ιδιωτικαῖς ὁμιλίαις καὶ ἀποκρίσεσιν, ἔτι δὲ συμβουλίαις, θαυμαστὸς ἐτύγχανε διὰ τὴν ἐν παιδείᾳ προκοπὴν.

Ὅτι ὁ αὐτὸς Σόλων, τὴν ὅλην ἀγωγὴν τῆς πόλεως ἐχούσης Ἰωνικὴν, καὶ διὰ τὴν τρυφὴν καὶ τὴν ῥαστώνην ἐκτεθλυμμένων τῶν ἀνθρώπων, μετέθηκε τῇ συνηθείᾳ πρὸς ἀρετὴν καὶ ζῆλον τῶν ἀνδρείων πράξεων. Διὸ τῇ τούτου νομοθεσίᾳ καθοπλισθέντες τὰς ψυχὰς Ἀρμόδιος καὶ Ἀριστογείτων καταλύειν ἐπεχείρησαν τὴν τῶν Πεισιστρατιδῶν ἀρχήν.

Ὅτι Κροῖσος ὁ Λυδῶν βασιλεὺς μεγάλας κεκτημένος δυνάμεις καὶ πολὺν ἐκ παρασκευῆς σεσωρευκὼς ἄργυρόν τε καὶ χρυσόν, μετεπέμπετο τῶν Ἑλλήνων τοὺς σοφωτάτους, καὶ συνδιατρίβων αὐτοῖς μετὰ πολλῶν δώρων ἐξέπεμψε καὶ αὐτὸς πρὸς ἀρετὴν ὠφελεῖτο πολλά. Ποτὲ δὲ τοῦτον νι. Ε. Σόλωνα μεταπεμψάμενος καὶ τὰς δυνάμεις καὶ τὸν πλοῦτον ἐπιδειξάμενος, ἠρώτησεν εἴ τις ἕτερος αὐτῷ δοκεῖ μακαριώτερος εἶναι. Ὁ δὲ Σόλων τῇ συνήθει τοῖς φιλοσόφοις χρησάμενος παρρησίᾳ ἔφη μηδὲνα τῶν ζώντων εἶναι μακάριον τὸν γὰρ ἐπ' εὐδαιμονίᾳ πεφρονηματισμένον καὶ δοκοῦντα τὴν τύχην ἔχειν συνεργὸν μὴ γινώσκειν εἰ διαμενεῖ μετ' αὐτοῦ μέχρι τῆς ἐσχάτης. Σκοπεῖν οὖν ἔφησε δεῖν τὴν τοῦ βίου τελευτὴν καὶ τὸν διευτυχήσαντα τότε προσηκόντως λέγειν μακάριον. Ὁ δὲ Κροῖσος ὕστερον γενόμενος αἰχμάλωτος ὑπὸ Κύρου καὶ μέλλων ἐπὶ μεγάλῃ πυρᾷ κατακαίεσθαι, τῆς Σόλωνος ἀποφάσεως ἐμνημόνευσεν. Διὸ καὶ τοῦ πυρὸς ἤδη περιφλέγοντος ἀνεβόα συνεχῶς τὸ τοῦ Σόλωνος ὄνομα. Ὁ δὲ Κῦρος πρὸς πέμψας τοὺς πεισομένους, τίς ἢ συνεχῆς ἐστὶ τοῦ Σόλωνος ὀνομασία, μαθὼν τάληθές μετέπεσε τοῖς λογισμοῖς καὶ νομίσας τὴν ἀπόκρισιν τοῦ Σόλωνος ἀληθινὴν εἶναι τῆς μὲν ὑπερηφανείας ἀπανίστατο, τὴν δὲ πυρὰν κατασβέσας ἔσωσε τὸν Κροῖσον καὶ τὸ λοιπὸν ἓνα τῶν φίλων κατηρίθμηνεν.

Ὅτι ὁ Σόλων ἠγεῖτο τοὺς μὲν πύκτας καὶ σταδιεῖς καὶ τοὺς ἄλλους ἀθλητὰς μηδὲν ἀξίολογον συμβάλλεσθαι ταῖς πόλεσι πρὸς σωτηρίαν, τοὺς δὲ φρονήσει καὶ ἀρετῇ διαφέροντας μόνους δύνασθαι τὰς πατρίδας ἐν τοῖς κινδύνους διαφυλάττειν.

Ὅτι περὶ τοῦ χρυσοῦ τρίποδος ἀμφισβητήσεως οὔσης ἡ Πυθία ἔχρησεν οὕτως

ἐκγονε Μιλήτου, τρίποδος πέρι Φοῖβον ἐρωτᾷς;
Τίς σοφία πρῶτος πάντων, τούτου τρίποδ' αὐδᾷ.

Οἱ δέ φασιν ἄλλως ὅτι πολέμου γενομένου τοῖς Ἴωσι πρὸς ἀλλήλους, καὶ τοῦ τρίποδος παρὰ σαγηνέων ἀνενεχθέντος, ἐπερωτῆσαι τὸν θεὸν περὶ τῆς καταλύσεως τοῦ πολέμου. Ἡ δὲ ἔφη,

οὐποτε μὴ λήξῃ πόλεμος Μερόπων καὶ Ἰώνων,
πρὶν τρίποδα χρύσειον, ὃν Ἥφαιστος κάμε τεύχων,
ἐκ μέσσου πέμψητε, καὶ ἐς δόμον ἀνδρὸς ἵκηται
ὃς σοφία τὰ τ' ἐόντα τὰ τ' ἐσσόμενα προδέδορκεν.

Ὅτι οἱ Μιλήσιοι ἀκολουθῆσαι βουλόμενοι τῷ χρησμῷ Θάλῃτι τῷ Μιλησίῳ τῶν ἐπτὰ σοφῶν τὸ ἀριστεῖον ἐβούλοντο δοῦναι τὸν δ' εἰπεῖν ὡς οὐκ ἔστι πάντων σοφώτατος, συμβουλευεῖν δὲ πρὸς ἕτερον πέμπειν σοφώτερον. Τούτῳ δὲ τῷ τρόπῳ καὶ τῶν ἄλλων τῶν ἐπτὰ σοφῶν ἀποποιησαμένων τὸν τρίποδα Σόλωνι δίδοσθαι δοκοῦντι πάντας ἀνθρώπους ὑπερβεβλήσθαι σοφία τε καὶ συνέσει. Τὸν δὲ συμβουλευῆσαι τοῦτον ἀναθεῖναι Ἀπόλλωνι τοῦτον γὰρ εἶναι σοφώτερον πάντων.

Ὅτι ὁ αὐτὸς πρὸς τῇ τοῦ βίου καταστροφῇ ὁρῶν Πεισίστρατον πρὸς χάριν λόγοις τὰ πλήθη δημαγωγοῦντα καὶ πρὸς τυραννίδα παρορμῶντα, τὸ μὲν πρῶτον λόγοις ἐπεχείρησεν ἀποτρέπειν ταύτης τῆς ἐπιβολῆς οὐ προσέχοντος δὲ αὐτοῦ προῆλθεν εἰς τὴν ἀγορὰν μετὰ τῆς πανοπλίας παντελῶς ἤδη γεγηρακώς. Συνδραμόντος δὲ τοῦ πλήθους πρὸς αὐτὸν διὰ τὸ παράδοξον, παρεκάλει τοὺς πολίτας ἀναλαβεῖν τὰ ὄπλα καὶ παραχρῆμα καταλύειν τὸν τύραννον οὐδενὸς δὲ αὐτῷ προσέχοντος, καὶ πάντων αὐτοῦ μανίαν καταγινωσκόντων, τινῶν δὲ παραγερᾶν αὐτὸν ἀποφαινομένων, ὁ μὲν Πεισίστρατος ἤδη τινὰς δορυφόρους περιηγόμενος προσῆλθε τῷ Σόλωνι καὶ ἐπύθετο τίνι θαρρῶν τὴν τυραννίδα καταλύειν αὐτοῦ βούλεται, τοῦ δὲ εἰπόντος ὅτι τῷ γήρα, θαυμάσας τὴν φρόνησιν αὐτοῦ οὐδὲν αὐτὸν ἠδίκησεν.

Ὅτι τὸν παρανόμοις καὶ ἀδίκους πράξεις ἐπιβαλόμενον οὐκ ἂν προσηκόντως σοφὸν νομίζεσθαι.

Ὅτι φασὶν Ἀνάχαρσιν τὸν Σκύθην φρονοῦντα ἐπὶ σοφία μέγα παραγενέσθαι Πυθῶδε καὶ ἐπερωτῆσαι τίς ἐστὶν αὐτοῦ τῶν Ἑλλήνων σοφώτερος. Καὶ εἰπεῖν, Οἰταῖόν τινά φασι Μύσωνα σοῦ μᾶλλον πραπίδεςσιν ἀρηρότα πευκαλίμησιν, ὅστις ἦν Μαλιεύς καὶ ᾧκει τὴν Οἶτην εἰς κόμην Χηνᾶς καλουμένην.

Ὅτι Μύσων τις ἦν Μαλιεύς, ὃς ᾧκει ἐν κόμῃ Χηνᾶς καλουμένῃ, τὸν ἅπαντα χρόνον ἐν ἀγρῷ διατρίβων καὶ ὑπὸ τῶν πολλῶν ἀγνοούμενος ὃν ἀντεισῆξαν εἰς τοὺς ἐπτὰ σοφούς, ἐκκρίναντες τὸν Περίανδρον τὸν Κορίνθιον διὰ τὸ τύραννον γεγονέναι πικρόν.

Ὅτι ὁ Σόλων πολυπραγμονήσας τὸν τόπον ἐν ᾧ διέτριβε Μύσων, κατέλαβεν αὐτὸν ἐπὶ τῆς ἄλλω πρὸς ἄροτρον προσβαλόντα ἐχέτλην, καὶ πειραθεὶς τοῦ ἀνδρὸς ἔφη, Οὐχ ὥρα νῦν ἄρότρου, ᾧ Μύσων, καὶ οὗτος, Οὐ χρῆσθαι, εἶπεν, ἀλλ' ἐπισκευάζειν.

Ὅτι Χίλων τῷ λόγῳ σύμφωνον ἔσχε τὸν βίον, ὅπερ σπανίως εὔροι τις ἂν γινόμενον. Τῶν γὰρ καθ' ἡμᾶς φιλοσόφων τοὺς πλείστους ἰδεῖν ἔστι λέγοντας

μὲν τὰ κάλλιστα, πράττοντας δὲ τὰ χεῖριστα, καὶ τὴν ἐν ταῖς ἀπαγγελίαις αὐτῶν σεμνότητα καὶ σύνεσιν διὰ τῆς πείρας ἐλεγχομένην. Ὁ δὲ Χίλων χωρὶς τῆς κατὰ τὸν βίον ἐν ἅπασιν τοῖς πραττομένοις ἀρετῆς πολλὰ διενοήθη καὶ ἀπεφθέγγετο μνήμης ἄξια.

Ὅτι Χίλων ἀφικόμενος εἰς Δελφοὺς καὶ καθάπερ ἀπαρχὰς ποιοῦμενος τῷ θεῷ τῆς ἰδίας συνέ σεως ἐπέγραψεν ἐπὶ τινὰ κίονα τρία ταῦτα, Γνῶθι σεαυτὸν, καὶ Μηδὲν ἄγαν, καὶ τρίτον Ἐγγύα, πάρα δ' ἄτα. Τούτων ἕκαστον ὑπάρχον βραχὺ καὶ Λακωνικὸν μεγάλην ἔχει τὴν ἀναθεώρησιν. Τὸ γὰρ Γνῶθι σαυτὸν παραγγέλλει παιδευθῆναι καὶ φρόνιμον γενέσθαι οὕτω γὰρ ἂν τις ἑαυτὸν γνοίῃ ἢ ὅτι οἱ ἄμειροι παιδεῖας καὶ ἀλόγιστοι κατὰ τὸ πλεῖστον ἑαυτοὺς συνετωτάτους ὑπελήφασιν, ἥπερ ἐστὶ τῶν ἀμαθιῶν ἀμαθεστάτη κατὰ τὸν Πλάτωνα, ἢ ὅτι τοὺς πονηροὺς ἐπιεικεῖς ἡγοῦνται, τοὺς δὲ χρηστοὺς ἀνάπαλιν φαύλους μόνως γὰρ ἂν τις οὕτως ἑαυτὸν γνοίῃ καὶ ἕτερον, τυχὼν παιδεῖας καὶ συνέσεως περιττοτέρας. Τὸ δὲ Μηδὲν ἄγαν μετριάζειν ἐν πᾶσι καὶ μηδὲ περὶ ἐνὸς τῶν ἀνθρωπίνων τελείως διορίζεσθαι, ὥς Ἐπιδάμνιοι. Οὗτοι γὰρ παρὰ τὸν Ἀδρίαν οἰκοῦντες καὶ πρὸς ἀλλήλους διαφερόμενοι, μύδρους διαπύρους καταποντίσαντες ἐν μέσῳ τῷ πελάγει διωμόσαντο μὴ σπείσεσθαι τὴν πρὸς ἀλλήλους ἔχθραν πρότερον ἢ ὅς ἂν οὗτοι θερμοὶ ἀνενεχθῶσιν. Οὕτω δὲ σκληρῶς ὁμόσαντες καὶ τὸ Μηδὲν ἄγαν οὐκ ἐπινοήσαντες ὕστερον ὑπὸ τῶν πραγμάτων ἀναγκαζόμενοι διελύσαντο τὴν ἔχθραν, ἐάσαντες τοὺς μύδρους ψυχροὺς ἐν τῷ βυθῷ. Τὸ δὲ Ἐγγύα, πάρα δ' ἄτα, τινὲς ὑπέλαβον γάμον ἀπαγορεύειν τὴν γὰρ τοῦ γάμου σύνθεσιν παρὰ τοῖς πλείστοις τῶν Ἑλλήνων ἐγγύην ὀνομάζεσθαι, καὶ βεβαιωτὴς ὁ κοινὸς βίος, ἐν ᾧ πλείσται καὶ μέγισται γίνονται συμφοραὶ διὰ τὰς γυναῖκας. Ἐνιοὶ δὲ φασιν ἀνάξιον εἶναι Χίλωνος διὰ τὸ μὴ δύνασθαι ἀναιρουμένου τοῦ γάμου διαμένειν τὸν βίον, τὴν δὲ ἄτην ἀποφαίνονται ἐγγύαις ταῖς ἐπὶ τῶν συμβολαίων καὶ ταῖς ὑπὲρ τῶν ἄλλων διομολογήσεσι περὶ χρημάτων. Καὶ Εὐριπίδης

οὐκ ἐγγυᾶμαι ζημία φιλέγγυον

σκοπεῖν τὰ Πυθοῖ δ' οὐκ ἐὰ με γράμματα.

Ἐνιοὶ δὲ φασὶ μὴ Χίλωνος εἶναι μηδὲ πολιτικὸν τὸ μηδενὶ τῶν φίλων ἐν ταῖς τοιαύταις χρεαῖαις ἐπαρκεῖν, ἀλλὰ μᾶλλον τὰς καταβεβαιώσεις ἀπαγορεύειν καὶ τὸ κατατεταμένως ἐγγυᾶσθαι τε καὶ διορίζεσθαι τῶν ἀνθρωπίνων, ὥς ποιῆσαι τοὺς Ἑλληνας ὅτε κατηγωνίσαντο τὸν Ξέρξην. Ὡμοσαν γὰρ ἐν Πλαταιαῖς παραδώσειν παίδων παισὶ τὴν πρὸς τοὺς Πέρσας ἔχθραν, ἕως ἂν οἱ ποταμοὶ ῥέωσιν εἰς τὴν θάλατταν καὶ γένος ἀνθρώπων ἢ καὶ γῆ καρποὺς φέρῃ τὸ δὲ τῆς τύχης εὐμετάπτωτον βεβαίως ἐγγυώμενοι μετὰ τινὰ χρόνον ἐπρεσβεύοντο πρὸς Ἀρταξέρξην τὸν υἱὸν Ξέρξου περὶ φιλίας καὶ συμμαχίας.

Ὅτι ὁ Χίλωνος λόγος βραχὺς ὢν ὅλην περιεῖλφε τὴν πρὸς τὸν ἄριστον βίον ὑποθήκην, ὥς καὶ τῶν ἐν Δελφοῖς ἀναθημάτων βελτίω ταῦτα τὰ ἀποφθέγματα. Αἱ μὲν γὰρ χρυσαῖ Κροίσου πλίνθοι καὶ τὰ ἄλλα κατασκευάσματα ἠφανίσθη καὶ μεγάλας ἀφορμὰς παρέσχε τοῖς ἀσεβεῖν εἰς τὸ ἱερὸν ἐλομένοις, αἱ δὲ γινῶμαι τὸν ἅπαντα χρόνον σώζονται ἐν ταῖς τῶν πεπαιδευμένων ψυχαῖς τεθησαυρισμέναι καὶ κάλλιστον ἔχουσαι θησαυρόν,

πρὸς ὃν ἂν οὔτε Φωκεῖς οὔτε Γαλάται προσενεγκεῖν τὰς χεῖρας σπουδάσειαν.

Ὅτι Πιττακὸς ὁ Μιτυληναῖος οὐ μόνον ἐν σοφίᾳ θαυμαστὸς ἦν, ἀλλὰ καὶ πολίτης ἐγένετο τοιοῦτος οἷον ἕτερον οὐκ ἦνεγκεν ἢ νῆσος, δοκῶ δ' οὐδ' ἂν ὕστερον ἐνέγκαι, μέχρι ἂν τὸν οἶνον φέρῃ πλείω τε καὶ ἡδίω. Νομοθέτης τε γὰρ ἀγαθὸς ὑπῆρχε κὰν τοῖς κατὰ μέρος πρὸς τοὺς πολίτας κοινὸς καὶ φιλάνθρωπος, καὶ τὴν πατρίδα τριῶν τῶν μεγίστων συμφορῶν ἀπέλυσε, τυραννίδος, στάσεως, πολέμου.

Ὅτι Πιττακὸς βαθὺς ἦν καὶ ἡμερος καὶ τὴν παραίτησιν ἔχων αὐτὸς ἐν αὐτῷ. Διὸ δὴ πᾶσιν ἐδόκει τέλειος ἀνὴρ εἶναι πρὸς πᾶσαν ἀρετὴν ὁμολογουμένως κατὰ μὲν γὰρ τὴν νομοθεσίαν ἐφαίνετο πολιτικὸς καὶ φρόνιμος, κατὰ δὲ τὴν πίστιν δίκαιος, κατὰ δὲ τὴν ἐν τοῖς ὅπλοις ὑπεροχὴν ἀνδρείος, κατὰ δὲ τὴν πρὸς τὸ κέρδος μεγαλοψυχίαν ἀφιλάργυρος.

Ὅτι τῶν Μιτυληναίων διδόντων τῷ Πιττακῷ τῆς χώρας ὑπὲρ ἧς ἐμονομάχησε τὴν ἡμίσειαν οὐκ ἐδέξατο, συνέταξε δὲ ἐκάστῳ κληρῶσαι τὸ ἴσον, ἐπιφθεγξάμενος ὥς τὸ ἴσον ἐστὶ τοῦ πλείονος πλεῖον. Μετρῶν γὰρ ἐπιεικείᾳ τὸ πλεῖον, οὐ κέρδει, σοφῶς ἐγίνωσκεν τῇ μὲν γὰρ ἰσότητι δόξαν καὶ ἀσφάλειαν ἀκολουθήσειν, τῇ δὲ πλεονεξίᾳ βλασφημίαν καὶ φόβον, δι' ὧν ταχέως ἂν αὐτοῦ τὴν δωρεὰν ἀφείλαντο. Ὅτι σύμφωνα τούτοις ἔπραξε καὶ πρὸς Κροῖσον διδόντα τῶν ἐκ τοῦ γαζοφυλακείου χρημάτων λαβεῖν ὅποσα βούλοιο. Καὶ γὰρ τότε τὴν δωρεὰν οὐ προσδεξάμενόν φασιν εἰπεῖν, καὶ νῦν ἔχειν ὧν ἤθελε διπλάσια. Θαυμάσαντος δὲ τοῦ Κροίσου τὴν ἀφιλαργυρίαν καὶ περὶ τῆς ἀποκρίσεως ἐπερωτήσαντος, εἰπεῖν ὥς τελευτήσαντος ἄ παιδος τάδε λφοῦ κεκληρονομηκῶς οὐσίαν εἶη τὴν ἴσῃν ἥπερ εἶχεν, ἣν οὐχ ἡδέως προσεληφέναι.

Ὅτι καὶ τὸν ποιητὴν Ἀλκαῖον, ἐχθρότατον αὐτοῦ γεγεννημένον καὶ διὰ τῶν ποιημάτων πικρότατα λελοιδορηκῶτα, λαβὼν ὑποχείριον ἀφῆκεν, ἐπιφθεγξάμενος ὥς συγγνώμη τιμωρίας αἰρετωτέρα.

Ὅτι φασὶν οἱ Πριηνεῖς ὥς Μεσσηνίας τὸ γένος ἐπισήμους παρθένους λυτρωσάμενος ὁ Βίας παρὰ ληστῶν ἦγεν ὥς ἰδίας θυγατέρας ἐντίμως. Μετὰ δὲ τινας χρόνους παραγενομένων τῶν συγγενῶν κατὰ ζήτησιν, ἀπέδωκεν αὐτὰς οὔτε τροφεῖα πραξάμενος οὔτε λύτρα, τοῦναντίον δὲ τῶν ἰδίων πολλὰ δωρησάμενος. Εἶχον οὖν πρὸς αὐτὸν αἱ κόραι πατρικὴν εὐνοίαν διὰ τε τὴν συντροφίαν καὶ τὸ μέγεθος τῆς εὐεργεσίας, ὥστε καὶ χωρισθεῖσαι μετὰ τῶν ἰδίων εἰς τὴν πατρίδα τῆς ὑπερορίου χάριτος οὐκ ἐπελάθοντο.

Ὅτι σαγηνεῖς Μεσσηνιοὶ κατὰ τὸν βόλον ἕτερον μὲν οὐδὲν ἀνείλκυσαν, χαλκοῦν δὲ τρίποδα μόνον ἐπιγραφὴν ἔχοντα Τῷ σοφωτάτῳ. Αναχθέντος δὲ τοῦ κατασκευάσματος δοθῆναι τῷ Βίαντι.

Ὅτι Βίας ἦν δεινότατος καὶ τῷ λόγῳ πρωτεύων τῶν καθ' ἐαυτόν. Κατεχρήσατο δὲ τῇ τοῦ λέγειν δυνάμει πολλοῖς ἀνάπαλιν οὐ γὰρ εἰς μισθαρνίαν οὐδὲ εἰς προσόδους, ἀλλ' εἰς τὴν τῶν ἀδικουμένων κατετίθετο βοήθειαν. Ὅπερ σπανιώτατ' ἂν τις εὔροι.

Ὅτι μέγα ἐστὶν οὐ τὸ δύναμιν ὅτου δήποτε σχεῖν, ἀλλὰ τὸ ταύτῃ δεόντως χρῆσθαι. Ἐπεὶ τί ὄφελος Μίλωνι τῷ Κροτωνιάτῃ τὸ μέγεθος τῆς περὶ τὸ σῶμα ῥώμης;

Ὅτι Πολυδάμας ὁ Θετταλὸς ὑπὸ τῆς πέτρας διαρραγείς πᾶσιν ἐποίησε φανερόν ὡς ἐπισφαλές ἐστὶν ἰσχὺν μὲν μεγάλην ἔχειν, νοῦν δὲ μικρόν.

Ὁ Πολυδάμας οὗτος ἦν ἐκ πόλεως Σκοτούσης, γυμναῖς χερσὶ μὲν λέοντας ὡς ἄρνας διαφθείρων, πτεροῖς ποσὶ δ' ὑπερνικῶν ἄρματα ταχυδρόμα, τῇ δὲ χειρὶ τι σπήλαιον ἀντήρεισε συμπίπτον. Ὁ Σικελὸς Διόδωρος γράφει τὴν ἱστορίαν.

Ὅτι τῶν Κιρραίων πολιορκουμένων πολὺν ἤδη χρόνον διὰ τὸ τὸ χρηστήριον ἐπιχειρεῖν συλᾶν, τινὲς μὲν τῶν Ἑλλήνων εἰς τὰς πατρίδας ἐπανῆλθον, οἱ δὲ ἐπερωτήσαντες τὴν Πυθίαν ἔλαβον χρησμὸν οὕτως,

οὐ πρὶν τῆσδε πόλεως ἐρείψετε πύργον ἐλόντες,

πρὶν κεν ἐμῷ τεμένει κυανώπιδος Ἀμφιτρίτης

κῦμα ποτικλύζη κελαδοῦν ἱερῇσιν ἐπ' ἅκταις.

Ἰστέον ὅτι ὁ μὲν Σόλων ἐγένετο ἐπὶ τῶν χρόνων τῶν τυράννων ἐν ταῖς Ἀθήναις πρὸ τῶν Περσικῶν χρόνων, ὁ δὲ Δράκων πρὸ αὐτοῦ ἑπτὰ καὶ τεσσαράκοντα ἔτεσιν, ὡς φησὶν ὁ Διόδωρος.

Ὅτι Περίλαος ὁ ἀνδριαντοποιὸς Φαλάριδι τῷ τυράννῳ κατασκευάσας βοῦς χαλκοῦς πρὸς τιμωρίαν τῶν ὁμοφύλων αὐτὸς πρῶτος ἐπειράθη τοῦ μεγέθους τῆς τιμωρίας οἱ γὰρ κατὰ τῶν ἄλλων βουλευόμενοι τι φαῦλον ὡς ἐπίπαν ταῖς ἰδίαις ἐπιθυμίαις εἰώθασιν ἀλίσκεσθαι.

Ὅτι Σόλων ὁ νομοθέτης παρελθὼν εἰς τὴν ἐκκλησίαν παρεκάλει τοὺς Ἀθηναίους καταλύειν τὸν τύραννον πρὶν τελέως ἰσχυρόν γενέσθαι. Οὐδενὸς δὲ αὐτῷ προσέχοντος ἀναλαβὼν τὴν πανοπλίαν προῆλθεν εἰς τὴν ἀγορὰν γεγηρακώς, καὶ τοὺς θεοὺς ἐπιμαρτυρόμενος ἔφησε καὶ λόγῳ καὶ ἔργῳ τῇ πατρίδι κινδυνευοῦσῃ βεβοηθηκέναι τὸ κατ' αὐτὸν μέρος τῶν δὲ ὄχλων ἀγνοοῦντων τὴν ἐπιβολὴν Πεισιστράτου συνέβη τὸν Σόλωνα ἀλθῆθαι λέγοντα παραπέμπεσθαι. Λέγεται δὲ Σόλων καὶ προειπεῖν τοῖς Ἀθηναίοις τὴν ἐσομένην τυραννίδα δι' ἐλεγείων, ἐκ νεφέλης πέλεται χιόνος μένος ἡδὲ χαλάξης, βροντὴ δ' ἐκ λαμπρᾶς γίνεται ἀστεροπῆς. Ἀνδρῶν δ' ἐκ μεγάλων πόλεις ὄλλυται, εἰς δὲ μονάρχου δῆμος αἰδρεῖται δουλοσύνην ἔπεσεν. Λίην δ' ἐξαρθέντ' οὐ ῥάδιόν ἐστι κατασχεῖν ὕστερον, ἀλλ' ἤδη χρὴ περὶ πάντα νοεῖν. Καὶ μετὰ ταῦτα τυραννοῦντος ἔφη, εἰ δὲ πεπόνθατε λυγρὰ δι' ὑμετέραν κακότητα, μὴ θεοῖσιν ταύτην μοῖραν ἐπαμφέρετε αὐτοὶ γὰρ τούτους νηῦξήσατε ῥύματα δόντες, καὶ διὰ τοῦτο κακὴν ἔσχετε δουλοσύνην. Ὑμῶν δ' εἷς μὲν ἕκαστος ἀλώπεκος ἔχνεσι βαίνει, σύμπασι δ' ὑμῖν κοῦφος ἔνεστι νόος. Εἰς γὰρ γλῶσσαν ὁρᾶτε καὶ εἰς ἔπος αἰόλον ἀνδρός, εἰς ἔργον δ' οὐδὲν γινόμενον βλέπετε.

Ὅτι ὁ Πεισίστρατος παρεκάλει τὸν Σόλωνα τὰς ἡσυχίας ἔχειν καὶ τῶν τῆς τυραννίδος ἀγαθῶν συναπολαύειν οὐδενὶ δὲ τρόπῳ δυνάμενος αὐτοῦ μεταθεῖναι τὴν προαίρεσιν, ἀλλ' ὁρῶν μᾶλλον αἰεὶ ἐξεγειρόμενον καὶ μετὰ ἀνατάσεως ἀπειλοῦντα τιμωρίαν ἐπιθήσειν, ἠρώτησεν αὐτὸν τίνοι πεποιθώς ἀντιπράττει ταῖς ἐπιβολαῖς αὐτοῦ. Τὸν δὲ φασὶν εἰπεῖν τῷ γήρῳ.

Κῦρος Περσῶν ἐβασίλευσεν ᾧ ἔτει ὀλυμπιάς ἦχθη νε', ὡς ἐκ τῶν Βιβλιοθηκῶν Διοδώρου καὶ τῶν Θαλλοῦ καὶ Κάστορος ἱστοριῶν, ἔτι δὲ

Πολυβίου καὶ Φλέγοντος ἔστιν εὐρεῖν

Ὅτι Κῦρος, ὁ Καμβύσου μὲν υἱὸς καὶ Μανδάνης τῆς θυγατρὸς Ἀστυάγου τοῦ Μήδων βασιλέως, ἀνδρεία καὶ συνέσει καὶ ταῖς ἄλλαις ἀρεταῖς ἐπρώτευσεν τῶν καθ' αὐτὸν βασιλικῶς γὰρ αὐτὸν ὁ πατὴρ ἤγε παιδεύων, ζῆλον ἐμποιῶν τῶν κρατίστων. Καὶ ἔκδηλος ἦν ἀδρῶν ἀψόμενος πραγμάτων διὰ τὸ τὴν ἀρετὴν προφαίνειν ὑπὲρ τὴν ἡλικίαν.

Ὅτι Ἀστυάγης ὁ τῶν Μήδων βασιλεὺς ἡττηθεὶς καὶ φυγὼν αἰσχροῶς δι' ὀργῆς εἶχε τοὺς στρατιώτας καὶ τοὺς μὲν ἐφ' ἡγεμονιῶν τεταγμένους ἅπαντας ἀπαλλάξας, ἐτέρους ἂντ' ἐκείνων κατέστησε, τοὺς δὲ τῆς φυγῆς αἰτίους ἅπαντας ἐπiléξας ἀπέσφαξε, νομίζων τῇ τούτων τιμωρίᾳ τοὺς ἄλλους ἀναγκάσειν ἄνδρας ἀγαθοὺς ἐν τοῖς κινδύνοις γενέσθαι ὥμους γὰρ ἦν καὶ φύσει ἀπηνής. Οὐ μὴν τὰ πλήθη κατεπλάγη αὐτοῦ τὴν βαρύτητα, ἀλλ' ἕκαστος μισήσας τὸ βίαιον καὶ παράνομον τῆς πράξεως μεταβολῆς ὠρέγετο. Διὸ καὶ κατὰ λόχους ἐγίνοντο συνδρομαὶ καὶ λόγοι ταραχώδεις, παρακαλούντων ἀλλήλους τῶν πλείστων πρὸς τὴν κατὰ τούτου τιμωρίαν.

Ὅτι Κῦρος, ὥς φασιν, οὐ μόνον ἦν κατὰ τὸν πόλεμον ἀνδρείος, ἀλλὰ καὶ πρὸς τοὺς ὑποτεταγμένους εὐγνώμων καὶ φιλόανθρωπος. Διόπερ αὐτὸν οἱ Πέρσαι προσηγόρευσαν πατέρα.

Ὅτι Κροῖσος ναυπηγῶν πλοῖα μακρά, φασίν, ἔμελλε στρατεῦειν ἐπὶ τὰς νήσους. Παρεπιδημοῦντα δὲ Βίαντα παρὰ τὰς νήσους καὶ θεωροῦντα τὴν ναυπηγίαν, ὑπὸ τοῦ βασιλέως ἐρωτηθῆναι μή τι νεώτερον ἀκηκοὼς εἴη παρὰ τοῖς Ἕλλησι γινόμενον. Τοῦ δὲ εἰπόντος ὅτι πάντες οἱ νησιῶται συνάγουσιν ἵππους, διανοοῦμενοι στρατεῦειν ἐπὶ Λυδούς, λέγεται τὸν Κροῖσον εἰπεῖν, Εἴθε γάρ τις πείσειε νησιώτας σὺν ἵπποις παρατάξασθαι Λυδοῖς. Ὁ δὲ Πιττακὸς ἢ Βίας ὑπολαβὼν φησιν, Εἴτα Λυδοὺς μὲν ἡπειρον οἰκοῦντας σπεύδειν ἀποφαίνῃ λαβεῖν ἐπὶ γῆς νησιώτας ἄνδρας, τοὺς δὲ νῆσον οἰκοῦντας οὐκ οἶε θεοῖς εὐξασθαι λαβεῖν ἐν θαλάττῃ Λυδοὺς, ἴν' ὑπὲρ τῶν κατὰ τὴν ἡπειρον τοῖς Ἕλλησι συμβάντων κακῶν κατὰ ἐλάγος ἀμύνωνται τὸν τοὺς συγγενεῖς καταδεδουλωμένον; Ὁ δὲ Κροῖσος θαυμάσας τὸν λόγον παραχρῆμα μετενόησε καὶ τῆς ναυπηγίας ἀπέστη τῶν γὰρ Λυδῶν ἱππεύειν εἰδότεων ἐνόμιζε προτερεῖν αὐτοὺς πεζῇ.

Ὅτι ὁ Κροῖσος μετεπέμπετο ἐκ τῆς Ἑλλάδος τοὺς ἐπὶ σοφίᾳ πρωτεύοντας, ἐπιδεικνύμενος τὸ μέγεθος τῆς εὐδαιμονίας, καὶ τοὺς ἐξυμνοῦντας τὴν εὐτυχίαν αὐτοῦ ἐτίμα μεγάλας δωρεαῖς. Μετεπέμψατο δὲ καὶ Σόλωνα, ὁμοίως δὲ καὶ τῶν ἄλλων τῶν ἐπὶ φιλοσοφίᾳ μεγίστην δόξαν ἔχόντων, τὴν ἰδίαν εὐδαιμονίαν διὰ τῆς τούτων τῶν ἀνδρῶν μαρτυρίας ἐπισφραγίζεσθαι βουλόμενος. Παρεγενήθη δὲ πρὸς αὐτὸν Ἀνάχαρσις ὁ Σκύθης καὶ Βίας καὶ Σόλων καὶ Πιττακός, οὓς ἐπὶ τὰς ἐστιάσεις καὶ τὸ συνέδριον εἶχεν ἐν μεγίστῃ τιμῇ, τὸν τε πλουτοῦντα αὐτοῖς ἐπιδεικνύμενος καὶ τὸ μέγεθος τῆς τούτου δυναστείας. Παρὰ δὲ τοῖς πεπαιδευμένοις τῆς βραχυλογίας τότε ζηλουμένης, ὁ δὲ Κροῖσος ἐπιδειξάμενος τὴν τῆς βασιλείας εὐδαιμονίαν τοῖς ἀνδράσι καὶ τὸ πλῆθος τῶν κεχειρωμένων ἐθνῶν, ἠρώτησεν Ἀνάχαρσιν, ὄντα πρεσβύτερον τῶν σοφιστῶν, τίνα νομίζει τῶν ὄντων ἀνδρεϊότατον. Ὁ δὲ τὰ ἀγριώτατα τῶν ζώων ἔφησε μόνον γὰρ προθύμως ἀποθνήσκειν ὑπὲρ τῆς

ἐλευθερίας. Ὁ δὲ Κροῖσος νομίσας ἡμαρτηκέναι αὐτόν, ἐν τῷ δευτέρῳ πρὸς χάριν αὐτῷ ποιήσεσθαι τὴν ἀπόκρισιν ὑπολαβὼν ἠρώτησε, τίνα δικαιοτάτον κρίνει τῶν ὄντων. Ὁ δὲ πάλιν ἀπεφαίνετο τὰ ἀγριώτατα τῶν θηρίων μόνα γὰρ κατὰ φύσιν ζῆν, οὐ κατὰ νόμους εἶναι γὰρ τὴν μὲν φύσιν θεοῦ ποίησιν, τὸν δὲ νόμον ἀνθρώπου θέσιν, καὶ δικαιοτέρον εἶναι χρῆσθαι τοῖς τοῦ θεοῦ ἢ τοῖς τῶν ἀνθρώπων εὐρήμασιν. Ὁ δὲ διασῦραι βουλόμενος Ἀνάχαρσιν ἠρώτησεν εἰ καὶ σοφώτατα τὰ θηρία. Ὁ δὲ συγκαταθέμενος ἐδίδασκεν, ὅτι τὴν τῆς φύσεως ἀλήθειαν τῆς τοῦ νόμου θέσεως προτιμᾷν ιδιώτατον ὑπάρχειν σοφίας. Ὁ δὲ τούτου κατεγέλασεν ὡς ἐκ τῆς Σκυθίας καὶ θηριώδους διαγωγῆς πεπονημένου τὰς ἀποκρίσεις.

Ἡρώτησε δὲ τὸν Σόλωνα τίνα τῶν ὄντων εὐδαιμονέστατον ἐώρακεν, ὡς τοῦτο γε πάντως ἀποδοθησόμενον ἑαυτῷ. Τοῦ δὲ εἰπόντος ὡς οὐδένα δικαίως ἂν εἰπεῖν ἔχοι διὰ τὸ μηδενὸς τῶν ὄντων ἐώρακεναι τὸ τέλος τοῦ βίου, οὐ χωρὶς οὐδεὶς ἂν προσηκόντως μακάριος νομίζοιτο πολλάκις γὰρ οἱ τὸν ἔμπροσθεν πάντα βίον εὐδαίμονες δόξαντες εἶναι πρὸς αὐτῇ τῇ τοῦ βίου καταστροφῇ μεγίσταις περιέπεσον συμφοραῖς. Ὁ δὲ βασιλεὺς, Οὐδὲ πλουσιώτατον ἄρα με κρίνεις; Ἔφη. Καὶ ὁ Σόλων τὴν αὐτὴν ἀπόκρισιν ποιησάμενος ἐδίδασκεν ὡς οὐ τοὺς πλεῖστα κεκτημένους, ἀλλὰ τοὺς πλείστου ἀξίαν τὴν φρόνησιν ἡγουμένους νομιστέον πλουσιωτάτους ἢ δὲ φρόνησις οὐδενὶ τῶν ἄλλων ἀντίρροπος οὔσα μόνους ποιεῖ τοὺς αὐτὴν περὶ πολλοῦ ποιουμένους μέγιστον καὶ βεβαιοτάτον ἔχειν πλοῦτον. Ἡρώτησε καὶ τὸν Βίαντα, πότερον ὀρθῶς ἐποίησατο τὴν ἀπόκρισιν ὁ Σόλων ἢ διήμαρτεν. Ὁ δὲ ὑπειπὼν, Ὁρθῶς, ἔφη τὰ γὰρ ἔν σοι βούλεται θεωρήσας ἀγαθὰ διαγνῶναι, νυνὶ δὲ τὰ παρά σοι μόνον ἐώρακεν εἶναι δὲ δι' ἐκεῖνα μᾶλλον ἢ ταῦτα τοὺς ἀνθρώπους εὐδαίμονας. Ὁ δὲ βασιλεὺς, Ἀλλ' εἰ τὸν τῶν χρημάτων, ἔφησε, πλοῦτον μὴ προτιμᾷς, τό γε πλῆθος τῶν φίλων ὁρᾷς τοσοῦτον ὑπάρχον ὅσον οὐδενὶ τῶν ἄλλων. Ὁ δὲ καὶ τοῦτον ἀπεφάνετο τὸν ἀριθμὸν ἄδηλον εἶναι διὰ τὴν εὐτυχίαν. Πρὸς δὲ Πιττακὸν εἰπεῖν φασι, Ποίαν ἐώρακας ἀρχὴν κρατίστην; Τὸν δὲ ἀποκριθῆναι, Τὴν τοῦ ποικίλου ξύλου, διασημαίνοντα τοὺς νόμους.

Ὅτι Αἰσώπος κατὰ τοὺς αὐτοὺς χρόνους συνήκμαζε τοῖς ἐπτὰ σοφοῖς καὶ εἶπεν ὡς οὐκ οἶδασιν οὗτοι ὁμιλεῖν δυνάστη καὶ γὰρ ὡς ἥκιστα δεῖν ἢ ὡς ἥδιστα συμβοῦν τοῖς τοιούτοις.

Ὅτι Ἀδραστός τις Φρυγὸν τὸν τοῦ βασιλέως Κροίσου τοῦ Λυδοῦ υἱὸν ἄτυν καλούμενον πρὸς κυνηγίαν ἀκουσίως, ἐξακοντίσας κατὰ σύος, πλῆξας ἀπέκτεινε. Καὶ ὁ μὲν καὶ ἀκουσίως ἀνηρηκῶς οὐκ ἔφησεν ἑαυτὸν ἔτι ζῆν ἄξιον εἶναι διὸ καὶ παρεκάλει τὸν βασιλέα μὴ φείσασθαι, τὴν ταχίστην δὲ ἐπικατασφάζαι τῷ τοῦ τετελευτηκότος τάφῳ. Ὁ δὲ Κροῖσος τὴν μὲν ἀρχὴν ὡς ἂν ἐπὶ φόνῳ τέκνου δι' ὀργῆς εἶχε τὸν Ἀδραστον, ἀπειλῶν ζῶντα κατακαύσειν ἐπεὶ δὲ αὐτόν ἐώρα προθυμούμενον καὶ εἰς τὴν τοῦ τετελευτηκότος τιμὴν τὸ ζῆν ἐπιδιδόντα, τὸ τηνικαῦτα λήξας τῆς ὀργῆς ἀπέλυσε τῆς τιμωρίας τὸν ἀνελόντα, τὴν ἰδίαν τύχην, ἀλλ' οὐ τὴν ἐκείνου προαίρεσιν αἰτιώμενος. Ὁ δὲ Ἀδραστος οὐδὲν ἤττον κατ' ἰδίαν ἐπὶ τὸν ἄτυος τάφον πορευθεὶς ἑαυτὸν κατέσφαξεν.

Ὅτι ὁ Φάλαρις ἰδὼν περιστερῶν πλῆθος ὑφ' ἐνὸς ἱέρακος διωκόμενον ἔφη, Ὅρατε, ὦ ἄνδρες, τοσοῦτο πλῆθος ὑφ' ἐνὸς διωκόμενον διὰ δειλίαν; Ἐπείτοι γε εἰ τολμήσειαν ἐπιστρέψαι, ῥαδίως τοῦ διώκοντος ἂν περιγένοιτο. Αὐτὸς δὲ πεπλασμένως ἔλεγεν τὴν μὲν γὰρ νίκην ἀρετῇ καὶ οὐ πολυπληθία χειρῶν περιγίνεσθαι. Καὶ ἐκ τούτου τοῦ λόγου ἀπέβαλε τὴν δυναστείαν, ὡς γέγραπται ἐν τῷ περὶ διαδοχῆς βασιλέων.

Ὅτι Κροῖσος ἐπὶ Κῦρον τὸν Πέρσῃν ἐκστρατεύων ἐπύθετο τοῦ μαντείου. Ὁ δὲ χρησμός,

Κροῖσος Ἄλυν διαβὰς μεγάλην ἀρχὴν καταλύσει.

Ὁ δὲ τὸ ἀμφίβολον τοῦ χρησμοῦ κατὰ τὴν ἑαυτοῦ προαίρεσιν ἐκδεξάμενος ἐδυστύχησεν.

Ὅτι πάλιν ἐπηρώτησεν, εἰ πολὺν χρόνον ἔξει τὴν δυναστείαν. Εἶπε δὲ τὰ ἔπη ταῦτα,

ἀλλ' ὅταν ἡμίονος βασιλεὺς Μῆδοισι γένηται,
καὶ τότε, Λυδὲ ποδαβρέ, πολυψήφίδα παρ' Ἑρμον
φεύγειν μηδὲ μένειν μηδ' αἰδεῖσθαι κακὸς εἶναι.

Ὅτι ἡμίονον τὸν Κῦρον ἔφη διὰ τὸ τὴν μητέρα αὐτοῦ Μηδικὴν εἶναι, τὸν δὲ πατέρα αὐτοῦ Πέρσῃν.

Ὅτι Κῦρος ὁ τῶν Περσῶν βασιλεὺς παραγεννηθεὶς μετὰ πάσης δυνάμεως εἰς τὰ τῆς Καππαδοκίας στενά, ἀπέστειλε κήρυκας πρὸς τὸν Κροῖσον τὴν τε δυναστείαν αὐτοῦ κατασκευομένους καὶ δηλώσοντας ...ὅτι Κῦρος αὐτὸν ἀφίησι τῶν πρότερον ἀμαρτημάτων καὶ Λυδίας καθίστησι σατράπην, ἂν ἐπὶ θύρας γενόμενος ὁμοίως τοῖς ἄλλοις ὁμολογῇ δοῦλος εἶναι. Πρὸς οὓς ὁ Κροῖσος ἀπεκρίθη, διότι προσηκόντως ἂν Κῦρος καὶ Πέρσαι Κροῖσῳ δουλεύειν ὑπομένοιν ἐκείνους μὲν γὰρ τὸν ἔμπροσθεν χρόνον διατετελεκέναι Μῆδοις δουλεύοντας, αὐτὸν δὲ οὐδέποτε πεποιηκέναι τὸ προσταττόμενον ὑφ' ἑτέρου.

Ὅτι Κροῖσος ὁ τῶν Λυδῶν βασιλεὺς προσποιησάμενος εἰς Δελφοὺς πέμπειν, ἔπεμπεν εἰς Πελοπόννησον Εὐρύβατον τὸν Ἐφέσιον, δοὺς αὐτῷ χρυσίον, ὅπως ὡς πλείστους ξενολογήσῃ τῶν Ἑλλήνων. Ὁ δὲ πεμφθεὶς πρὸς Κῦρον τὸν Πέρσῃν ἀποχωρήσας τὰ κατὰ μέρος ἐδήλωσε. Διὸ καὶ παρὰ τοῖς Ἑλλήσιν ἐπισήμου γενομένης τῆς περὶ τὸν Εὐρύβατον πονηρίας, μέχρι τοῦ νῦν, ὅταν τις ὀνειδίσαι τινὶ βούληται μοχθηρίαν, Εὐρύβατον ἀποκαλεῖ.

Ὅτι οἱ πονηροὶ καὶ αὐτίκα παρὰ τῶν ἀδικηθέντων τὴν τιμωρίαν ἐκκλίνωσιν, ἥ γε βλασφημία δι' αἰῶνος τηρουμένη καὶ τελευτήσαντας αὐτοὺς κατὰ τὸ δυνατόν μετέρχεται.

Ὅτι φασὶ τὸν Κροῖσον πρὸ τοῦ πρὸς Κῦρον πολέμου πέμψαι θεωροὺς εἰς Δελφοὺς ἐπερωτήσοντας, πῶς ἂν ὁ υἱὸς αὐτοῦ δύναιτο φωνὴν προέσθαι. Τὴν δὲ Πυθίαν εἶπεῖν,

Λυδὲ γένος, πολλῶν βασιλεῦ, μέγα νήπιε Κροῖσε,
μὴ βούλου πολύευκτον ἰὰν κατὰ δώματ' ἀκούειν
παιδὸς φθεγγομένου τὸ δέ σοι πολὺ λώιον ἀμφὶς
ἔμμεναι αὐδήσει γὰρ ἐν ἡματι πρῶτον ἀνόλβῳ.

Ὅτι δεῖ τὴν εὐτυχίαν μετρίως φέρειν καὶ μὴ πεποιθέναι ταῖς ἀνθρωπίναις

εὐπραξίαις ἐν μικρᾷ ῥοπῇ μεγάλας μεταβολὰς λαμβανούσαις.

Ὅτι μετὰ τὸ γενέσθαι αἰχμάλωτον Κροῖσον καὶ τὴν πυρὰν σβεσθῆναι, ἰδὼν τὴν πόλιν διαρπαζομένην καὶ πρὸς τοῖς ἄλλοις πολὺν ἄργυρόν τε καὶ χρυσὸν διαφορούμενον, ἐπηρώτησε τὸν Κῦρον, τί ποιοῦσιν οἱ στρατιῶται. Τοῦ δὲ μετὰ γέλωτος ἀποκριθέντος ὡς Τὰ σὰ χρήματα διαρπάζουσι, Μὰ Δία μὲν οὖν, εἶπεν, ἀλλὰ τὰ σὰ Κροῖσου γὰρ ἴδιον οὐκέτι οὐθὲν ὑπάρχει. Ὁ δὲ Κῦρος θαυμάσας τὸν λόγον εὐθὺς μετενόησε καὶ τοὺς στρατιώτας ἀνείρξας τῆς διαρπαγῆς εἰς τὸ βασιλικὸν ἀνέλαβε τὰς τῶν Σαρδιανῶν κτήσεις.

Ὅτι Κῦρος εὐσεβῇ νομίσας εἶναι τὸν Κροῖσον διὰ τὸ καταρραγῆναι ὄμβρον καὶ σβέσαι τὴν φλόγα, καὶ διὰ μνήμης ἔχων τὴν Σόλωνος ἀπόκρισιν, μεθ' ἑαυτοῦ περιήγετο τὸν Κροῖσον ἐντίμως. Μετέδωκε δὲ αὐτῷ καὶ τοῦ συνεδρίου, διαλαμβάνων ὑπάρχειν συνετόν, ὡς ἂν πολλοῖς καὶ πεπαιδευμένοις καὶ σοφοῖς ἀνδράσι συμβεβιωκότα.

Ὅτι Ἀρπαγος κατασταθεὶς ὑπὸ Κύρου τοῦ Πέρσου ἐπὶ τῆς θαλάττης στρατηγός, καὶ τῶν κατὰ τὴν Ἀσίαν Ἑλλήνων πρὸς Κῦρον διαπρεσβευομένων συνθέσθαι φιλίαν, εἶπε πρὸς αὐτοὺς ὅτι παραπλήσιόν τι ποιοῦσι τῶν πρότερον ἑαυτῷ συμβάντων. Καὶ γὰρ ποτε γῆμαι βουλόμενον αἰτεῖσθαι παρὰ τοῦ πατρὸς τὴν κόρην τὸν δὲ τὸ μὲν πρῶτον οὐκ ἄξιον κρίναντα τοῦ γάμου δυνατωτέρῳ κατεγγυῆσαι, μετὰ δὲ ταῦθ' ὀρῶντα αὐτὸν ὑπὸ τοῦ βασιλέως τιμώμενον διδόναι τὴν θυγατέρα αὐτὸν δὲ ἀποκριθῆναι, διότι γυναῖκα μὲν οὐκέτι ἂν ἔχοι αὐτήν, παλλακίδα δὲ συγχωρήσαι λαβεῖν. Διὰ δὲ τῶν τοιούτων λόγων ἐδήλου τοῖς Ἑλλήσιν, ὅτι Κύρου πρότερον ἀξιούντος γενέσθαι Περσῶν φίλους οὐκ ἐβουλήθησαν, νῦν δὲ ἐκ μεταβολῆς ἐκείνων σπευδόντων συνάψαι φιλίαν ὡς μὲν πρὸς συμμάχους οὐ ποιήσεται τὰς ὁμολογίας, ὡς δὲ δούλους εἰς τὴν τῶν Περσῶν πίστιν ἑαυτοὺς παραδιδόντας προσδέξεται.

Ὅτι Λακεδαιμόνιοι πυνθανόμενοι τοὺς κατὰ τὴν Ἀσίαν Ἑλληνας κινδυνεύειν, ἔπεμψαν πρὸς Κῦρον, ὅτι Λακεδαιμόνιοι συγγενεῖς ὄντες τῶν κατὰ τὴν Ἀσίαν Ἑλλήνων ἀπαγορεύουσιν αὐτῷ καταδουλοῦσθαι τὰς Ἑλληνίδας πόλεις. Ὁ δὲ θαυμάσας τὸν λόγον ἔφη γνῶσεσθαι τὴν ἀρετὴν αὐτῶν, ὅταν ἓνα τῶν ἑαυτοῦ δούλων πέμψῃ καταστρεφόμενον τὴν Ἑλλάδα.

Ὅτι Λακεδαιμόνιοι τὴν Ἀρκαδίαν μέλλοντες καταστρέφειν ἔλαβον χρησμόν,

Ἀρκαδίαν μ' αἰτεῖς; Μέγα μ' αἰτεῖς οὗ τοι δώσω.

Πολλοὶ ἐν Ἀρκαδίᾳ βαλανηφάγοι ἄνδρες ἔασιν,

οἳ σ' ἀποκωλύσουσιν ἐγὼ δέ τοι οὔτι μεγαίρω.

Δώσω σοι Τεγέαν ποσσίκροτον ὀρχήσασθαι

καὶ καλὸν πεδίον σχοίνῳ διαμετρήσασθαι.

Ὅτι οἱ Λακεδαιμόνιοι ἔπεμψαν εἰς Δελφοὺς περὶ τῶν ὁστέων Ὁρέστου τοῦ Ἀγαμέμνονος, ἐν ποίῳ τινὶ τόπῳ κεῖνται. Καὶ ἔχρησεν οὕτως,

ἔστι τις Ἀρκαδίας Τεγέῃ λευρῷ ἐνὶ χώρῳ,

ἐνθ' ἄνεμοι πνείουσι δύω κρατερῆς ὑπ' ἀνάγκης

καὶ τύπος ἀντίτυπος καὶ πῆμ' ἐπὶ πῆματι κεῖται.

Ἐνθ' Ἀγαμέμνονίδην κατέχει φυσίζοος αἶα

τὸν σὺ κοιμισάμενος Τεγέης ἐπιτάρροθος ἔσση.

Ἦν δὲ χαλκεῖον, καὶ δηλοῖ τὰς φύσας, τύπον δὲ τὸν ἄκμονά φησι καὶ τὰς σφύρας, πῆμα δὲ ἐπὶ πῆματι τὸν σίδηρον ἐπὶ σιδήρῳ πῆμα γὰρ εἴρηται διὰ τὸ ἐπὶ κακῷ τῶν ἀνθρώπων εὐρῆσθαι.

Κρεῖττον γὰρ εἶναι τελευτᾶν ἢ ζῶντας ἑαυτοὺς μετὰ τῶν συγγενῶν ἐφορᾶν ἄξια θανάτου πράττοντας.

Ὅτι κληρονομία ποτὲ τῆς θυγατρὸς Πεισιστράτου, καὶ δοκούσης τῷ κάλλει διαφέρειν, προσελθὼν τις τῶν νεανίσκων καταπεφρονηκῶς ἐφύλησε τὴν παρθένον. Ἀκούσαντες δὲ οἱ τῆς κόρης ἀδελφοὶ βαρέως ἤνεγκαν τὴν ὕβριν, καὶ τὸν νεανίσκον ἀγαγόντες πρὸς τὸν πατέρα δίκην ἠξίου διδόναι ὁ δὲ Πεισίστρατος γέλασας, Καὶ τί τοὺς μισοῦντας ἡμᾶς, ἔφη, ποιήσωμεν, ἐὰν τοὺς φιλοῦντας τιμωρίας περιβάλωμεν;

Ὅτι ὁ αὐτὸς διαπορευόμενός ποτε διὰ τῆς χώρας κατενόησεν ἄνθρωπον κατὰ τὸν Ὑμηττον ἐργαζόμενον ἐν χωρίοις λεπτοῖς καθ' ὑπερβολὴν καὶ τραχέσι. Θαυμάσας δὲ τὴν φιλεργίαν ἔπεμψε τοὺς ἐρωτήσοντας, τί λαμβάνοι τοιαύτην χώραν ἐργαζόμενος. Ὡς ποιησάντων τὸ προσταχθέν, ὁ ἐργάτης ἔφησε λαμβάνειν ἐκ τοῦ χωρίου κακὰς ὁδύνας, ἀλλ' οὐθὲν αὐτῷ μέλειν τούτων γὰρ τὸ μέρος Πεισιστράτῳ διδόναι. Ὁ δὲ δυνάστης ἀκούσας τὸν λόγον καὶ γέλασας ἐποίησε τὸ χωρίον ἀτελές, καὶ ἐντεῦθεν ἡ παροιμία, Καὶ σφάκελοι ποιοῦσιν ἀτέλειαν.

FRAGMENTS OF BOOK X

Ὅτι Σερούιος Τύλλιος ὁ Ῥωμαίων βασιλεὺς ἐβασίλευσεν ἔτη τετταράκοντα τέτταρα, διὰ τῆς ἰδίας ἀρετῆς κατωρθωκῶς οὐκ ὀλίγα τῶν κοινῶν.

Ὅτι ἐπ' ἄρχοντος Ἀθήνησι Θηρικλέους κατὰ τὴν ἐξηκοστὴν πρώτην Ὀλυμπιάδα Πυθαγόρας ὁ φιλόσοφος ἐγνωρίζετο, προκεκοφῶς ἤδη ἐν παιδείᾳ γέγονε γὰρ ἱστορίας ἄξιος, εἰ καὶ τις ἕτερος τῶν περὶ παιδείαν διατριψάντων. Γέγονε δὲ Σάμιος τὸ γένος οἱ δὲ φασιν ὅτι Τυρρηνός. Τοσαύτη δ' ἦν ἐν τοῖς αὐτοῦ λόγοις πειθὼ καὶ χάρις, ὥς καὶ τῆς πόλεως σχεδὸν ὅλης ἐπ' αὐτὸν ἐπιστρεφούσης καθ' ἡμέραν ὥσπερ ἐπὶ πρὸς τινος θεοῦ παρουσίαν ἅπαντας συντρέχειν ἐπὶ τὴν ἀκρόασιν. Οὐ μόνον δὲ περὶ τὴν ἐν τῷ λέγειν δύναμιν ἐφαίνετο μέγας, ἀλλὰ καὶ ψυχῆς ἐνέφαινε ἦθος κατεσταλμένον καὶ πρὸς μίμησιν βίου σώφρονος τοῖς νέοις θαυμαστὸν ἀρχέτυπον, καὶ τοὺς ἐντυγχάνοντας ἀπέτρεπεν ἀπὸ τῆς πολυτελείας καὶ τρυφῆς, ἀπάντων διὰ τὴν εὐπορίαν ἀνέδην ἐκκεχυμένων εἰς ἄνεσιν καὶ διαφθορὰν ἀγεννῆ τοῦ σώματος καὶ τῆς ψυχῆς.

Ὅτι Σερούιος Τύλλιος Ταρκυνίου ἐπιθεμένου παραγεννηθεὶς εἰς τὸ βουλευτήριον, καὶ θεασάμενος τὴν καθ' ἑαυτοῦ παρασκευήν, τοσοῦτον μόνον εἶπε, Τίς ἢ τόλμα, Ταρκύνιε; Ὁ δὲ ὑπολαβὼν, Ἡ μὲν οὖν σὴ, φησί, τίς, ὃς δουλέκδουλος ὢν Ῥωμαίων βασιλεύειν ἐτόλμησας καὶ τῆς τοῦ πατρὸς ἡγεμονίας ἡμῖν προσηκούσης παρὰ νόμους ἀφείλου τὴν οὐδὲ καθ' ἓνα σοι τρόπον ἐπιβάλλουσαν ἀρχήν; Ταῦτα λέγων ἅμα προσέδραμε καὶ δραξάμενος τῆς τοῦ Τυλλίου χειρὸς ἔρριπεν αὐτὸν κατὰ τῆς κρηπίδος. Καὶ διαναστὰς καὶ χωλεύων διὰ τὸ πτώμα ἐπεχείρησε φυγεῖν, ἀπεκτάνθη δέ.

Ὅτι Πυθαγόρας πυθόμενος Φερεκύδην τὸν ἐπιστάτην αὐτοῦ γεγεννημένον ἐν Δήλῳ νοσεῖν καὶ τελῶς ἐσχάτως ἔχειν, ἔπλευσεν ἐκ τῆς Ἰταλίας εἰς τὴν Δῆλον. Ἐκεῖ δὲ χρόνον ἱκανὸν τὸν ἄνδρα γηροτροφήσας, πᾶσαν εἰσηνέγκато σπουδὴν ὥστε τὸν πρεσβύτερον ἐκ τῆς νόσου διασῶσαι. Κατισχυθέντος δὲ τοῦ Φερεκύδου διὰ τὸ γῆρας καὶ διὰ τὸ μέγεθος τῆς νόσου, περιέστειλεν αὐτὸν κηδεμονικῶς, καὶ τῶν νομιζομένων ἀξιώσας ὥσανεὶ τις υἱὸς πατέρα πάλιν ἐπανῆλθεν εἰς τὴν Ἰταλίαν.

Ὅτι ἐπειδὴν τινες τῶν συνήθων ἐκ τῆς οὐσίας ἐκπέσοιεν, διηροῦντο τὰ χρήματα αὐτῶν ὥς πρὸς ἀδελφοὺς. Οὐ μόνον δὲ πρὸς τοὺς καθ' ἡμέραν συμβιοῦντας τῶν γνωρίμων τοιαύτην εἶχον τὴν διάθεσιν, ἀλλὰ καθόλου πρὸς πάντας τοὺς τῶν πραγμάτων τούτων μετασχόντας.

Ὅτι Κλεινίας, Ταραντῖνος τὸ γένος, εἷς δὲ τῶν ἐκ τοῦ προειρημένου συστήματος ὢν, πυθόμενος Πρῶρον τὸν Κυρηνάιον διὰ τινὰ πολιτικὴν περίστασιν ἀπολωλεκότα τὴν οὐσίαν καὶ τελῶς ἀπορούμενον, ἐξεδήμησεν ἐκ τῆς Ἰταλίας εἰς Κυρήνην μετὰ χρημάτων ἱκανῶν, καὶ τὴν οὐσίαν ἀποκατέστησε τῷ προειρημένῳ, οὐδέποτε τοῦτον ἐωρακῶς, ἀκούων δὲ μόνον ὅτι Πυθαγόρειος ἦν. Καὶ ἄλλοι δὲ πολλοὶ τὸ παραπλήσιον πεποικότες διαμνηγονεύονται. Οὐ μόνον δὲ ἐν τῇ τῶν χρημάτων ἐπιδόσει τοιοῦτους

αὐτοὺς παρείχοντο τοῖς γνωρίμοις, ἀλλὰ καὶ κατὰ τοὺς ἐπισφαλεστάτους καιροὺς συνεκινδύνουν. Καὶ γὰρ Διονυσίου τυραννοῦντος Φιντίας τις Πυθαγόρειος ἐπιβεβουλευκῶς τῷ τυράννῳ, μέλλων δὲ τῆς τιμωρίας τυγχάνειν, ἠτήσατο παρὰ τοῦ Διονυσίου χρόνον εἰς τὸ περὶ τῶν ἰδίων πρότερον ἂ βούλεται διοικῆσαι δώσειν δ' ἔφησεν ἐγγυητὴν τοῦ θανάτου τῶν φίλων ἓνα. Τοῦ δὲ δυνάστου θαυμάσαντος, εἰ τοιοῦτός ἐστι φίλος ὃς ἑαυτὸν εἰς τὴν εἰρκτὴν ἀντ' ἐκείνου παραδώσει, προεκαλέσατό τινα τῶν γνωρίμων ὁ Φιντίας, Δάμωνα ὄνομα, Πυθαγόρειον φιλόσοφον, ὃς οὐδὲ διστάσας ἔγγυος εὐθὺς ἐγενήθη τοῦ θανάτου. Τινὲς μὲν οὖν ἐπὶ τὴν ὑπερβολὴν τῆς πρὸς τοὺς φίλους εὐνοίας, τινὲς δὲ τοῦ ἐγγύου προπέτειαν καὶ μανίαν κατεγίνωσκον. Πρὸς δὲ τὴν τεταγμένην ὥραν ἅπας ὁ δῆμος συνέδραμεν, καρδοκῶν εἰ φυλάξει τὴν πίστιν ὁ καταστήσας. Ἦδη δὲ τῆς ὥρας συγκλειούσης πάντες μὲν ἀπεγίνωσκον, ὁ δὲ Φιντίας ἀνελπίστως ἐπὶ τῆς ἐσχάτης τοῦ χρόνου ροπῆς δρομαῖος ἦλθε, τοῦ Δάμωνος ἀπαγομένου πρὸς τὴν ἀνάγκην. Θαυμαστῆς δὲ τῆς φιλίας φανείσης ἅπασιν, ἀπέλυσεν ὁ Διονύσιος τῆς τιμωρίας τὸν ἐγκαλούμενον, καὶ παρεκάλεσε τοὺς ἄνδρας τρίτον ἑαυτὸν εἰς τὴν φιλίαν προσλαβέσθαι.

Ὅτι οἱ Πυθαγόρειοι καὶ τῆς μνήμης μεγίστην γυμνασίαν ἐποιοῦντο, τοιοῦτόν τινα τρόπον τῆς μελέτης ὑποστησάμενοι. Οὐ πρότερον ἐκ τῆς εὐνῆς ἠγείροντο, πρὶν ἂν πρὸς ἑαυτοὺς ἀνθρωμολογήσαντο τὰ κατὰ τὴν προτέραν ἡμέραν αὐτοῖς πραχθέντα, τὴν ἀρχὴν ἀπὸ τῆς πρωίας, τὴν δὲ τελευτὴν ἕως ἐσπέρας ποιοῦμενοι. Εἰ δ' ἀναστροφὴν ἔχοιεν καὶ πλείονα σχολὴν ἄγοιεν, καὶ τὰ τρίτῃ καὶ τετάρτῃ καὶ ταῖς ἑτὶ πρότερον ἡμέραις πραχθέντα προσανελάμβανον. Τοῦτο πρὸς ἐπιστήμην καὶ φρόνησιν, ἑτὶ δὲ τῶν πάντων ἐμπειρίαν τε τοῦ δύνασθαι πολλὰ μνημονεύειν

Ὅτι ἐποιοῦντο καὶ τῆς ἐγκρατείας γυμνασίαν τόνδε τὸν τρόπον. Παρασκευασάμενοι πάντα τὰ κατὰ τὰς λαμπροτάτας ἐστιάσεις παρατιθέμενα πολὺν αὐτοῖς ἐνέβλεπον χρόνον εἴτα διὰ τῆς θέας τὰς τῆς φύσεως ἐπιθυμίας πρὸς τὴν ἀπόλαυσιν ἐκκαλεσάμενοι τὰς τραπέζας ἐκέλευον αἶρειν τοὺς παῖδας, καὶ παραχρῆμα ἄγευστοι τῶν παρατεθέντων ἐχωρίζοντο.

Ὅτι ὁ Πυθαγόρας μετεμψύχωσιν ἐδόξαζε καὶ κρε οφαγίαν ὡς ἀποτρόπαιον ἠγείτο, πάντων τῶν ζώων τὰς ψυχὰς μετὰ θάνατον εἰς ἕτερα ζῷα λέγων εἰσέρχεσθαι. Καὶ αὐτὸς δὲ ἑαυτὸν ἔφασκεν ἐπὶ τῶν Τρωικῶν χρόνων μεμνησθαι γεγεννημένον Εὐφορβον τὸν Πάνθου μὲν υἱόν, ἀναιρεθέντα δὲ ὑπὸ Μενελάου.

Ὅτι φασὶν αὐτὸν ἐν Ἀργεὶ ποτὲ παρεπιδημήσαντα καὶ θεασάμενον τῶν Τρωικῶν σκύλων ἀσπίδα προσηλωμένην δακρύειν. Ἐρωτηθέντα δὲ ὑπὸ τῶν Ἀργείων τὴν τοῦ πάθους αἰτίαν εἰπεῖν, ὅτι τὴν ἀσπίδα ταύτην εἶχεν αὐτὸς ἐν Τροίᾳ γεγωνὺς Εὐφορβος. Ἀπίστως δὲ διακειμένων καὶ μανίαν αὐτοῦ καταγινωσκόντων, σημεῖον ἔρεῖν ἔφησεν ἀληθὲς τοῦ ταῦθ' οὕτως ἔχειν ἐκ τοῦ γὰρ ἐντὸς μέρους ἐπιγεγράφθαι τὴν ἀσπίδα γράμμασιν ἀρχαίοις ΕΥΦΟΡΒΟΥ. Πάντων δὲ διὰ τὸ παράδοξον εἰπόντων καθελεῖν τὴν εἰκόνα, συνέβη τὴν ἐπιγραφὴν εὑρεθῆναι.

Ὅτι Καλλιμάχος εἶπε περὶ Πυθαγόρου, διότι τῶν ἐν γεωμετρίᾳ

προβλημάτων τὰ μὲν εὖρε, τὰ δὲ ἐκ τῆς Αἰγύπτου πρῶτος εἰς τοὺς Ἑλληνας ἤνεγκεν, ἐν οἷς λέγει ὅτι ἐξεῦρε Φρυξὺς Εὐφορβος, ὅστις ἀνθρώποις τρίγωνά τε σκαληνὰ καὶ κύκλων ἑπτὰ μήκη Δίδαξε νηστεῖν τῶν ἐμπνεόντων οἱ δ' ἄρ' οὐχ ὑπήκουσαν πάντες.

Ὅτι παρεκάλει τὴν λιτότητα ζηλοῦν τὴν γὰρ πολυτέλειαν ἅμα τὰς τε οὐσίας τῶν ἀνθρώπων διαφθεῖρειν καὶ τὰ σώματα. Τῶν γὰρ νόσων τῶν πλείστων ἐξ ὁμότητος γινομένων, αὐτὴν ταύτην ἐκ τῆς πολυτελείας γίνεσθαι. Πολλοὺς δὲ ἔπειθεν ἀπύροις σιτίοις χρῆσθαι καὶ ὑδροποσίαις πάντα τὸν βίον ἔνεκεν τοῦ τάγαθὰ θηρᾶσθαι τὰ κατὰ ἀλήθειαν. Τῶν δὲ καθ' ἡμᾶς εἴ τις ὑπαγορεύσειεν ἢ ἐνὸς ἢ δυεῖν ἀπέχεσθαι τῶν ἡδέων εἶναι δοκούντων ἐπ' ὀλίγας ἡμέρας, ἀπείπαιнт' ἂν τὴν φιλοσοφίαν, φήσαντες εὐηθες ὑπάρχειν τάφανές ἀγαθὸν ζητεῖν ἀφέντα τὸ φανερόν. Κἂν μὲν δέῃ δημοκοπεῖν ἢ πολυπραγμονεῖν περὶ τῶν ἀλλοτρίων, σχολάζουσι καὶ ὑπ' οὐδενὸς ἐμποδιζόμενοι ἐὰν δὲ γίνεσθαι δέῃ περὶ παιδείαν καὶ τὴν τῶν ἡθῶν ἐπισκευήν, ἀκαιρεῖν φασιν, ὥστε ἀσχολεῖσθαι μὲν εὐσκολοῦντας, σχολὴν δ' ἄγειν οὐ σχολάζοντας.

Ὅτι φασὶ τὸν Ταραντῖνον Ἀρχύταν τὸν ὄντα Πυθαγόρειον ἐπὶ μεγάλους ἀδικήμασιν οἰκέταις ὀργισθῆναι, καὶ κατεξαναστάντα τοῦ πάθους εἰπεῖν, ὥς οὐκ ἂν ἐγενήθησαν ἄθῳοι τηλικαῦτα ἀμαρτήσαντες, εἰ μὴ ἔτυχεν ὀργιζόμενος.

Ὅτι οἱ Πυθαγόρειοι μεγίστην ἐποιοῦντο πρόνοιαν τῆς πρὸς τοὺς φίλους βεβαιότητος, τὴν τῶν φίλων εὐνοίαν ἀξιολογώτατον ἀγαθὸν εἶναι τῶν ἐν τῷ βίῳ διεληφότες.

Ὅτι μέγιστον ἂν τις ἡγήσαιτο καὶ μάλιστα θαυμάσαι τὸ αἷτιον τῆς πρὸς τοὺς φίλους εὐνοίας. Τίνες γάρ ποτε ἦσαν ἐθισμοὶ ἢ τίς τρόπος ἐπιτηδεύματων ἢ τίς λόγος δεινότης, δι' ἧς ἐνεργάζοντο τὴν τοιαύτην διάθεσιν τοῖς ἀφικνουμένοις εἰς τὴν τοῦ βίου κοινωνίαν; Ταῦτα γὰρ πολλοὶ μὲν ἐπιθυμήσαντες γνῶναι τῶν ἔξωθεν ἐπεβάλοντο πολυπραγμονεῖν, οὐδέποτε δὲ οὐδεὶς μαθεῖν ἠδυνήθη. Αἷτιον δὲ τοῦ διατηρεῖσθαι τὰς ὑπὲρ τούτων ὑποθήκας τὸ τοὺς Πυθαγορείους ὑπόστασιν ἔχειν μηδὲν τοιοῦτο ποιεῖν ἔγγραφον, ἀλλὰ διὰ μνήμης ἔχειν τὰ παραγγελλόμενα.

Ὅτι ὁ Πυθαγόρας πρὸς τοῖς ἄλλοις παρήγγελλε τοῖς μανθάνουσι σπανίως μὲν ὁμνύναι, χρησαμένους δὲ τοῖς ὅρκοις πάντως ἐμμένειν καὶ πρὸς τέλος ἄγειν ὑπὲρ ὧν ἂν τις ὁμόση πραγμάτων, οὐχ ὁμοίαν ἀπόφασιν ποιούμενος Λυσάνδρῳ τε τῷ Λά κωνι καὶ Δημάδῃ τῷ Αθηναίῳ, ὧν ὁ μὲν ἀπεφαίνετο τοὺς μὲν παῖδας δεῖν ἐξαπατᾶν τοῖς ἀστραγάλοις, τοὺς δὲ ἄνδρας τοῖς ὅρκοις, ὁ δὲ διαβεβαιούμενος ὅτι δεῖ τὸ λυσιτελέστατον ὥσπερ ἐπὶ τῶν ἄλλων, οὕτω καὶ ἐπὶ τῶν ὅρκων αἰρεῖσθαι ὁρᾶν δὲ τὸν ἐπιορκήσαντα παραχρῆμα ταῦτ' ἔχοντα περὶ ὧν ὥμοσε, τὸν δ' εὐορκήσαντα φανερώς τὸ ἴδιον ἀπολλύντα. Τούτων γὰρ ἐκάτερος οὐ καθάπερ Πυθαγόρας ὑπεστήσατο τὸν ὅρκον εἶναι πίστεως ἐνέχυρον βέβαιον, ἀλλ' αἰσχροκερδείας καὶ ἀπάτης δέλεαρ.

Ὅτι Πυθαγόρας παρήγγελλε τοῖς μανθάνουσι σπανίως μὲν ὁμνύναι, χρησαμένους δὲ τοῖς ὅρκοις πάντως ἐμμένειν.

Ὅτι ὁ αὐτὸς Πυθαγόρας καὶ περὶ τῶν ἀφροδισίων ἐκλογιζόμενος τὸ

συμφέρον παρήγγελλε κατὰ μὲν τὸ θέρος μὴ πλησιάζειν γυναιξί, κατὰ δὲ τὸν χειμῶνα προσίεναι τεταμιευμένως. Καθόλου γὰρ τὸ γένος τῶν ἀφροδισίων ὑπελάμβανεν εἶναι βλαβερόν, τὴν δὲ συνέχειαν αὐτῶν τελῶς ἀσθενείας καὶ ὀλέθρου ποιητικὴν ἐνόμιζε.

Ὅτι Πυθαγόραν φασὶν ὑπὸ τινος ἐρωτηθέντα πότε χρηστέον ἀφροδισίοις εἰπεῖν, Ὅταν ἑαυτοῦ θέλης ἤττων γενέσθαι.

Ὅτι οἱ Πυθαγόρειοι διήρουν καὶ τὰς ἡλικίας τῶν ἀνθρώπων εἰς τέσσαρα μέρη, παιδός, νέου, νεανίσκου, γέροντος, καὶ τούτων ἐκάστην ἔφασαν ὁμοίαν εἶναι ταῖς κατὰ τὸν ἐνιαυτὸν τῶν ὥρων μεταβολαῖς, τὸ μὲν ἔαρ τῷ παιδί διδόντες, τὸ δὲ φθινόπωρον τῷ ἀνδρί, τὸν δὲ χειμῶνα τῷ γέροντι, τὸ δὲ θέρος τῷ νέῳ.

Ὅτι ὁ αὐτὸς Πυθαγόρας παρήγγελλε πρὸς τοὺς θεοὺς προσίεναι τοὺς θύοντας μὴ πολυτελεῖς, ἀλλὰ λαμπρὰς καὶ καθαρὰς ἔχοντας ἐσθῆτας, ὁμοίως δὲ μὴ μόνον τὸ σῶμα καθαρὸν παρεχομένους πάσης ἀδίκου πράξεως, ἀλλὰ καὶ τὴν ψυχὴν ἀγνεύουσαν.

Ὅτι ὁ αὐτὸς ἀπεφαίνετο τοῖς θεοῖς εὐχεσθαι δεῖν τὰ ἀγαθὰ τοὺς φρονίμους ὑπὲρ τῶν ἀφρόνων τοὺς γὰρ ἀσυνέτους ἀγνοεῖν, τί ποτέ ἐστιν ἐν τῷ βίῳ κατὰ ἀλήθειαν ἀγαθόν.

Ὅτι ὁ αὐτὸς ἔφασκε δεῖν ἐν ταῖς εὐχαῖς ἀπλῶς εὐχεσθαι τὰγαθὰ, καὶ μὴ κατὰ μέρος ὀνομάζειν, οἷον ἐξουσίαν, κάλλος, πλοῦτον, τᾶλλα τὰ τούτοις ὅμοια πολλάκις γὰρ τούτων ἕκαστον τοὺς κατ' ἐπιθυμίαν αὐτῶν τυχόντας τοῖς ὅλοις ἀνατρέπειν. Καὶ τοῦτο γνοίῃ ἂν τις ἐπιστήσας τοῖς ἐν ταῖς Εὐριπίδου Φοινίσσαις στίχοις, ἐν οἷς οἱ περὶ τὸν Πολυνείκην εὐχονται τοῖς θεοῖς, ὧν ἡ ἀρχὴ βλέψας ἐς Ἄργος, ἕως εἰς στέρν' ἀδελφοῦ τῆσδ' ἀπ' ὠλένης βαλεῖν. Οὗτοι γὰρ δοκοῦντες ἑαυτοῖς εὐχεσθαι τὰ κάλλιστα ταῖς ἀληθείαις καταρῶνται.

Ὅτι ὁ αὐτὸς πολλὰ καὶ ἄλλα διαλεγόμενος πρὸς βίου σῶφρονος ζῆλον καὶ πρὸς ἀνδρείαν τε καὶ καρτερίαν, ἔτι δὲ τὰς ἄλλας ἀρετάς, ἴσα θεοῖς παρὰ τοῖς Κροτωνιάταις ἐτιμᾶτο.

Ὅτι Πυθαγόρας φιλοσοφίαν, ἀλλ' οὐ σοφίαν ἐκάλει τὴν ἰδίαν αἴρεσιν. Καταμεμφόμενος γὰρ τοὺς πρὸ αὐτοῦ κεκλημένους ἐπὶ σοφοὺς ἔλεγεν, ὡς σοφὸς μὲν οὐδεὶς ἐστὶν ἄνθρωπος ὦν καὶ πολλάκις διὰ τὴν ἀσθένειαν τῆς φύσεως οὐκ ἰσχύων πάντα κατορθοῦν, ὁ δὲ ζηλῶν τὸν τοῦ σοφοῦ τρόπον τε καὶ βίον προσηκόντως ἂν φιλόσοφος ὀνομάζοιτο.

Ἀλλ' ὁμως τηλικαύτης προκοπῆς γενομένης περὶ τε Πυθαγόραν αὐτὸν καὶ τοὺς μετ' ἐκεῖνον Πυθαγορείους, καὶ τοσούτων ἀγαθῶν αἵτιοι γενόμενοι ταῖς πόλεσιν οὗτοι τὸν πάντα τὰ καλὰ λυμαινόμενον χρόνον οὐ διέφυγον οὐδὲν γάρ, οἶμαι, τῶν παρ' ἀνθρώποις καλῶν οὕτω συνέστηκεν ὥστε μηδεμίαν αὐτῷ φθοράν τε καὶ διάλυσιν γεννῆσαι τὸν πολυετῆ χρόνον.

Ὅτι Κροτωνιάτης τις Κύλων ὄνομα, τῇ οὐσίᾳ καὶ δόξῃ πρῶτος τῶν πολιτῶν, ἐπεθύμησε Πυθαγόρειος γενέσθαι. Ὡν δὲ χαλεπὸς καὶ βίαιος τὸν τρόπον, ἔτι δὲ στασιαστὴς καὶ τυραννικός, ἀπεδοκιμάσθη. Παροξυνθεὶς οὖν τῷ συστήματι τῶν Πυθαγορείων, ἐταιρείαν μεγάλην συνεστήσατο, καὶ διετέλει πάντα καὶ λέγων καὶ πράττων κατ' αὐτῶν.

Ὅτι Λῦσις ὁ Πυθαγόρειος εἰς Θήβας τῆς Βοιωτίας γενόμενος διδάσκαλος Ἐπαμινώνδου, τοῦτον μὲν τέλειον ἄνδρα πρὸς ἀρετὴν κατέστησε, καὶ πατὴρ αὐτοῦ θετὸς ἐγένετο δι' εὐνοίαν. Ὁ δὲ Ἐπαμινώνδης τῆς τε καρτερίας καὶ λιτότητος καὶ τῶν ἄλλων ἀρετῶν ἐκ τῆς Πυθαγορείου φιλοσοφίας ἐναύσματα λαβὼν, οὐ μόνον Θηβαίων, ἀλλὰ καὶ πάντων τῶν κατ' αὐτὸν ἐπρώτευν.

Ὅτι δὲ τῶν προγεγονότων ἀνδρῶν ἢ τῶν βίων ἀναγραφὴ δυσκολίαν μὲν παρέχεται τοῖς γράφουσιν, ὠφελεῖ δ' οὐ μετρίως τὸν κοινὸν βίον. Μετὰ παρρησίας γὰρ δηλοῦσα τὰ καλῶς ἡ πραχθέντα τοὺς μὲν ἀγαθοὺς κοσμεῖ, τοὺς δὲ πονηροὺς ταπεινοῖ, διὰ τῶν οἰκείων ἐκάστοις ἐγκωμίων τε καὶ ψόγων. Ἔστι δ' ὁ μὲν ἔπαινος, ὡς ἂν τις εἴποι, ἔπαθλον ἀρετῆς ἀδάπανον, ὁ δὲ ψόγος τιμωρία φανυλότητος ἄνευ πληγῆς. Καλὸν δὲ τοῖς μεταγενεστέροις ὑποκεῖσθαι, διότι βίον οἷον ἂν τις ἔληται ζῶν, τοιαύτης ἀξιοθήσεται μετὰ τὸν θάνατον μνήμης, ἵνα μὴ περὶ τὰς τῶν λιθίνων μνημείων κατασκευὰς σπουδάζωσιν, ἃ καὶ τόπον ἕνα κατέχει καὶ φθορᾶς ὀξείας τυγχάνει, ἀλλὰ περὶ λόγον καὶ τὰς ἄλλας ἀρετάς, αἱ πάντα φοιτῶσι διὰ τῆς φήμης. Ὁ δὲ χρόνος ὁ πάντα μαραίνων τᾶλλα ταύτας ἀθανάτους φυλάττει, καὶ πρεσβύτερος γενόμενος αὐτὸς ταύτας ποιεῖ νεωτέρας. Δῆλον δὲ ἐπὶ τῶν ἀνδρῶν ἐγένετο τὸ προειρημένον πάλαι γὰρ γεγονότες ὥσπερ νῦν ὄντες ὑπὸ πάντων μνημονεύονται.

Ὅτι Κύρος ὁ τῶν Περσῶν ἐπειδὴ τῶν Βαβυλωνίων καὶ τῶν Μήδων τὴν χώραν κατεπολέμησε, ταῖς ἐλπίσι πᾶσαν περιελάμβανε τὴν οἰκουμένην. Τῶν γὰρ δυνατῶν καὶ μεγάλων ἐθνῶν καταπεπολεμημένων ἐνόμιζε μηδένα μήτε βασιλέα μήτε δῆμον ὑποστήσεσθαι τὴν ἰδίαν δύναμιν τῶν γὰρ ἐν ἐξουσίαις ἀνυπευθύνους ὄντων εἰώθασιν ἔνιοι τὴν εὐτυχίαν μὴ φέρειν κατ' ἄνθρωπον.

Ὅτι ὁ Καμβύσης ἦν μὲν φύσει μανικὸς καὶ παρακεκινηκὸς τοῖς λογισμοῖς, πολὺ δὲ μᾶλλον αὐτὸν ὤμὸν καὶ ὑπερήφανον ἐποίει τὸ τῆς βασιλείας μέγεθος.

Ὅτι Καμβύσης ὁ Πέρσης μετὰ τὴν ἄλωσιν Μέμφεως καὶ Πηλουσίου τὴν εὐτυχίαν οὐ φέρων ἀνθρωπίνως, τὸν Ἀμάσιος τοῦ πρότερον βεβασιλευκότος τάφον ἀνέσκαψεν. Εὐρὼν δὲ ἐν τῇ θήκῃ τὸν νεκρὸν τεταριχευμένον, τό τε σῶμα τοῦ τετελευτηκότος ἠκίσατο καὶ πᾶσαν ὕβριν εἰς τὸν οὐκ αἰσθανόμενον εἰσενεγκάμενος τὸ τελευταῖον προσέταξε κατακαῦσαι τὸν νεκρὸν. Οὐκ εἰωθότων γὰρ πυρὶ παραδιδόναι τῶν ἐγχωρίων τὰ σώματα τῶν τετελευτηκότων, ὑπελάμβανε καὶ διὰ τούτου τοῦ τρόπου πλημμελήσειν τὸν πάλαι προτετελευτηκότα.

Ὅτι Καμβύσης μέλλων στρατεύειν ἐπ' Αἰθιοπίαν ἔπεμψε μέρος τῆς δυνάμεως ἐπ' Ἀμμωνίους, προστάξας τοῖς ἡγεμόσι τὸ μαντεῖον συλῆσαντας ἐμπρῆσαι, τοὺς τε περιοικοῦντας τὸ ἱερὸν ἅπαντας ἐξανδραποδίσασθαι.

Ὅτι Καμβύσου τοῦ Περσῶν βασιλέως κυριεύσαντος πάσης Αἰγύπτου, πρὸς τοῦτον οἱ Λίβυες καὶ Κυρηναῖοι, συνεστρατευκότες τοῖς Αἰγυπτίοις, ἀπέστειλαν δῶρα, καὶ τὸ προσταττόμενον ποιήσειν ἐπηγγείλαντο.

Ὅτι ὁ Πολυκράτης ὁ τῶν Σαμίων τύραννος εἰς τοὺς ἐπικαιροτάτους τόπους ἀποστέλλων τριήρεις ἐλήστευεν ἅπαντας τοὺς πλείοντας, ἀπεδίδου δὲ μόνοις τοῖς συμμάχοις τὰ ληφθέντα. Πρὸς δὲ τοὺς μεμφομένους τῶν συνήθων ἔλεγεν, ὡς πάντες οἱ φίλοι πλείονα χάριν ἐξουσιν ἀπολαβόντες ἅπερ ἀπὲ

βαλον ἥπερ ἀρχὴν μηδὲν ἀποβαλόντες.

Ὅτι ταῖς ἀδίκους πράξεσιν ὥς ἐπίπαν ἀκολουθεῖ τις νέμεσις οἰκείους τιμωρίας τοῖς ἀμαρτάνουσιν ἐπιφέρειν.

Ὅτι πᾶσα χάρις ἀμεταμέλητος οὕσα καλὸν ἔχει καρπὸν τὸν παρὰ τῶν εὐεργετουμένων ἔπαινον καὶ γὰρ ἂν μὴ πάντες, εἷς γε τῶν εὖ πεπονθότων ἐνίοτε τὴν ὑπὲρ ἀπάντων ἀπέδωκε χάριν.

Ὅτι Λυδοὶ τινες φεύγοντες τὴν Ὀροίτου τοῦ σατράπου δυναστείαν κατέπλευσαν εἰς Σάμιον μετὰ πολλῶν χρημάτων καὶ τοῦ Πολυκράτους ἰκέται ἐγίνοντο. Ὁ δὲ τὸ μὲν πρῶτον αὐτοὺς φιλοφρόνως ὑπεδέξατο, μετ' ὀλίγον δὲ πάντας ἀποσφάξας τῶν χρημάτων ἐγκρατὴς ἐγένετο.

Ὅτι Θετταλὸς ὁ Πεισιστράτου υἱὸς σοφὸς ὑπάρχων ἀπέπατο τὴν τυραννίδα, καὶ τὴν ἰσότητά ζηλώσας μεγάλης ἀποδοχῆς ἠξιοῦτο παρὰ τοῖς πολίταις οἱ δὲ ἄλλοι, Ἰππαρχος καὶ Ἰππίας, βίαιοι καὶ χαλεποὶ καθεστῶτες ἐτυράννου τῆς πόλεως. Πολλὰ δὲ παρανομοῦντες εἰς τοὺς Ἀθηναίους, καὶ τινος μειρακίου διαφόρου τὴν ὄψιν Ἰππαρχος ἐρασθεῖς, διὰ τοῦτο ἐκινδύνευσεν Ἡ μὲν οὖν ἐπὶ τοὺς τυράννους ἐπίθεσις καὶ ἡ πρὸς τὴν τῆς πατρίδος ἐλευθερίαν σπουδὴ κοινὴ τῶν προειρημένων ὑπῆρξεν ἀνδρῶν ἡ δὲ ἐν ταῖς βασάνοις παράστασις τῆς ψυχῆς καὶ τὸ καρτερικὸν τῆς τῶν δεινῶν ὑπομονῆς περὶ μόνον ἐγενήθη τὸν Ἀριστογείτονα, ὃς ἐν τοῖς φοβερωτάτοις καιροῖς δύο μέγιστα διετήρησε, τὴν τε πρὸς τοὺς φίλους πίστιν καὶ τὴν πρὸς τοὺς ἐχθροὺς τιμωρίαν.

Ὅτι ὁ Ἀριστογείτων πᾶσιν ἐποίησε φανερὸν ὥς ἡ τῆς ψυχῆς εὐγένεια κατισχύει τὰς μεγίστας τοῦ σώματος ἀλγηδόνας. Ὅτι Ζήνωνος τοῦ φιλοσόφου διὰ τὴν ἐπιβουλὴν τὴν κατὰ τοῦ Νεάρχου τοῦ τυράννου κατὰ τὰς ἐν ταῖς βασάνοις ἀνάγκας ἐρωτώμενου ὑπὸ Νεάρχου τίνες ἦσαν οἱ συνειδότες, Ὁφελον γάρ, ἔφη, ὥσπερ τῆς γλώττης εἰμὶ κύριος, οὕτω καὶ τοῦ σώματος.

Ὅτι τυραννουμένης τῆς πατρίδος ὑπὸ Νεάρχου σκληρῶς, ἐπιβουλὴν κατὰ τοῦ τυράννου συνεστήσατο. Καταφανὴς δὲ γενόμενος, καὶ κατὰ τὰς ἐν ταῖς βασάνοις ἀνάγκας διερωτώμενος ὑπὸ τοῦ Νεάρχου τίνες ἦσαν οἱ συνειδότες, Ὁφελον γάρ, ἔφησεν, ὥσπερ τῆς γλώττης εἰμὶ κύριος, οὕτως ὑπῆρχον καὶ τοῦ σώματος. Τοῦ δὲ τυράννου πολὺ μᾶλλον ταῖς βασάνοις προσεπιτείναντος, ὁ Ζήνων μέχρι μὲν τινος διεκαρτέρει μετὰ δὲ ταῦτα σπεύδων ἀπολυθῆναι ποτε τῆς ἀνάγκης καὶ ἅμα τιμωρήσασθαι τὸν Νεάρχον, ἐπενοήσατό τι τοιοῦτον. Κατὰ τὴν ἐπιτονωτάτην ἐπίτασιν τῆς βασάνου προσποιηθεὶς ἐνδιδόναι τὴν ψυχὴν ταῖς ἀλγηδόσιν ἀνέκραγεν, Ἄνετε, ἐρῶ γὰρ πᾶσαν ἀλήθειαν. Ὡς δ' ἀνῆκαν, ἠξίωσεν αὐτὸν ἀκοῦσαι κατ' ἰδίαν προσελθόντα πολλὰ γὰρ εἶναι τῶν λέγεσθαι μελλόντων ἃ συνοίσει τηρεῖν ἐν ἀπορρήτῳ. Τοῦ δὲ τυράννου προσελθόντος ἀσμένως καὶ τὴν ἀκοὴν τῷ στόματι παραβαλόντος, ὁ Ζήνων τοῦ δυνάστου περιχανὼν τὸ οὖς ἐνέπρισε τοῖς ὁδοῦσι. Τῶν δὲ ὑπηρετῶν ταχὺ προσδραμόντων, καὶ πᾶσαν τῷ βασανιζομένῳ προσφερόντων τιμωρίαν εἰς τὸ χαλάσαι τὸ δῆγμα, πολὺ μᾶλλον προσεenefύετο. Τέλος δ' οὐ δυνάμενοι τάνδρὸς νικῆσαι τὴν εὐψυχίαν, παρεκέντησαν αὐτὸν ἵνα διή τούς ὁδόντας. Καὶ τοιούτῳ τεχνήματι τῶν ἀλγηδόνων ἀπελύθη καὶ παρὰ τοῦ τυράννου τὴν

ἐνδεχομένην ἔλαβε τιμωρίαν.

Ὅτι τοῖς ἐπὶ τινων πραγμάτων διοριζομένοις ὥς οὐκ ἂν ποτεπραχθισομένων ἔοικεν ἐπακολουθεῖν ὡσανεὶ τις νέμεσις ἐλέγχουσα τὴν ἀνθρωπίνην ἀσθένειαν.

Ὅτι Μεγαβύζου τοῦ καὶ Ζωπύρου, φίλου ὄντος Δαρείου τοῦ βασιλέως, μαστιγώσαντος δ' ἑαυτὸν καὶ τὰ περὶ τὸ πρόσωπον ἀκρωτήρια ἀποκόψαντος διὰ τὸ αὐτόμολον γενέσθαι καὶ Βαβυλῶνα προδοῦναι Πέρσais, φασὶ βαρέως φέρειν τὸν Δαρεῖον καὶ εἰπεῖν βούλεσθαι τὸν Μεγάβυζον, εἰ δυνατόν ἦν, ἄρτιον γενόμενον ἢ δέκα Βαβυλῶνας λαβεῖν ὑπὸ τὴν ἐξουσίαν, καίπερ ἀπράκτου τῆς ἐπιθυμίας οὕσης.

Ὅτι οἱ Βαβυλώνιοι στρατηγὸν εἴλαντο Μεγάβυζον, ἀγνοοῦντες ὅτι τὴν εὐεργεσίαν τῆς μελλούσης ἀκολουθεῖν ἀπωλείας οἰοῖται δέλεαρ αὐτοῖς προθήσει.

Ὅτι τὸ ἀποτέλεσμα τῶν ἐπιτευγμάτων ἱκανόν ἐστι μαρτύριον τῶν προρηθέντων.

Ὅτι Δαρεῖος τῆς Ἀσίας σχεδὸν ὅλης κυριεύσας τὴν Εὐρώπην ἐπεθύμει καταστρέψασθαι. Τὰς γὰρ τοῦ πλείονος ἐπιθυμίας ἀπλήστους ἔχων καὶ τῷ μεγέθει τῆς Περσικῆς δυνάμεως πεποιθώς, περιελάμβανε τὴν οἰκουμένην, αἰσχυρὸν εἶναι νομίζων τοὺς πρὸ αὐτοῦ βεβασιλευκότας καταδεεστέρας ἀφορμὰς κτησαμένους τὰ μέγιστα τῶν ἐθνῶν καταπεπολεμηκέναι, αὐτὸν δὲ τηλικαύτας ἔχοντα δυνάμεις ἡλικας οὐδεὶς τῶν πρὸ αὐτοῦ ἔσχε μηδεμίαν ἀξιόλογον πρᾶξιν κατειργάσθαι.

Ὅτι οἱ Τυρρηνοὶ διὰ τὸν τῶν Περσῶν φόβον ἐκλιπόντες τὴν Λῆμνον ἔφασκον ὥς διὰ τινας χρησμούς τοῦτο ποιεῖν, καὶ ταύτην τῷ Μιλτιάδῃ παρέδωκαν. Ταῦτα δὲ πράξαντος Ἑρμῶνος τοῦ προεσθηκότος τῶν Τυρρηνῶν, συνέβη τὰς τοιαύτας χάριτας ἀπ' ἐκείνων τῶν χρόνων Ἑρμῶνιους προσαγορευθῆναι.

Ὅτι Λευκίου Ταρκυνίου τοῦ Ῥωμαίων βασιλέως ὁ υἱὸς Σέξτος ἐξεδήμησεν εἰς πόλιν Κολλατίαν καλουμένην, καὶ κατέλυσε πρὸς Λεύκιον Ταρκυνίον ἀνεψιὸν τοῦ βασιλέως, ἔχοντα γυναῖκα Λουκρητίαν, ἣτις ἦν εὐπρεπὴς μὲν τὴν ὄψιν, σώφρων δὲ τὸν τρόπον. Ἐπὶ στρατοπέδου γὰρ ὄντος τάνδρός, ὁ ξένος νυκτὸς ἐγερθεὶς ἐκ τοῦ κοιτῶνος ὥρμησεν ἐπὶ τὴν γυναῖκα κοιμωμένην ἐν τῷ θαλάμῳ. Ἐπιστὰς δὲ ταῖς θύραις ἄφνω καὶ σπασάμενος τὸ ξίφος, παρασκευάσασθαι μὲν ἔφησεν οἰκέτην ἐπιτήδειον εἰς ἀναίρεσιν, συγκατασφάζειν δὲ κάκειν, ὥς ἐπὶ μοιχείᾳ κατελιγμένην καὶ τετευχυῖαν τῆς προσηκούσης τιμωρίας ὑπὸ τοῦ συγγενεστάτου τῷ συνοικοῦντι. Διόπερ αἰρετώτερον ὑπάρχειν ὑπουργῆσαι ταῖς ἐπιθυμίαις αὐτοῦ σιωπῶσαν λήψεσθαι δὲ ἔπαθλον τῆς χάριτος δωρεάς τε μεγάλας καὶ τὴν μετ' αὐτοῦ συμβίωσιν καὶ γενήσεσθαι βασίλισσαν, ἰδιωτικῆς ἐστίας ἐξηλλαγμένην ἡγεμονίαν. Ἡ δὲ Λουκρητία διὰ τὸ παράδοξον ἐκπλαγῆς γενομένη, καὶ φοβηθεῖσα μήποτε ταῖς ἀληθείαις δόξῃ διὰ τὴν μοιχείαν ἀνηρῆσθαι, τότε μὲν ἡσυχίαν ἔσχεν ἡμέρας δὲ γενομένης ὁ Σέξτος ἐχωρίσθη ἢ δὲ ἐκάλεσε τοὺς οἰκείους, καὶ ἡξίου μὴ περιδεῖν ἀτιμώρητον τὸν ἀσεβήσαντα εἰς ξενίαν ἅμα καὶ συγγένειαν. Ἐαυτῇ δὲ φήσασα μὴ προσήκειν ἐφορᾶν τὸν ἥλιον τηλικαύτης ὕβρεως πεπειραμένην,

ξιφιδίῳ πατάξασα τὸ στήθος ἑαυτῆς ἐτελεύτησεν.

Ὅτι τῆς Λουκρητίας μοιχευθείσης παρὰ Σέξτου καὶ ἑαυτὴν ἀνελούσης διὰ τὸ ἁμάρτημα, οὐκ ἄξιον ἡγούμεθα τὸ γενναῖον τῆς προαιρέσεως παραλιπεῖν ἀνεπισήμαντον. Τὴν γὰρ ἐπιδουσαν ἔκουσίως τὸ ζῆν τοῖς μεταγενεστέροις εἰς καλὸν ζῆλον προσηκόντως ἂν εὐφημίας ἀξιοῖμεν ἀθανάτου, ὅπως αἱ τὴν τοῦ σώματος ἀγνείαν κατὰ πᾶν ἀνεπίληπτον παρέχεσθαι προαιρούμεναι πρὸς ἐπιτετευγμένον ἀρχέτυπον παραβάλονται. Αἱ μὲν οὖν ἄλλαι γυναῖ ‘κες κἂν φανερῶς τι τῶν τοιούτων πράξωσι, κατακρύπτουσι τὸ συντελεσθέν, εὐλαβούμεναι τὴν ὑπὲρ τῶν ἁμαρτημάτων τιμωρίαν ἢ δὲ τὸ λάθρα πραχθὲν ποιήσασα περιβόητον ἀπέσφαξεν ἑαυτήν, καὶ τὴν τοῦ βίου τελευτὴν καλλίστην ὑπὲρ αὐτῆς ἀπολογίαν ἀπέλιπε. Καὶ τῶν ἄλλων ἐπὶ τῶν ἀκουσίων τὴν συγγνώμην προβαλλομένων, αὕτη τὴν μετὰ βίας ὕβριν ἐτιμήσατο θανάτου, ἵνα μὴδ’ εἴ τις ἐπιθυμοίη βλασφημεῖν, τὴν ἐξουσίαν ἔχοι κατηγορεῖν τῆς προαιρέσεως ὡς ἔκουσίου γεγενημένης. Τῶν γὰρ ἀνθρώπων φύσει τὰς λοιδορίας ἐπαίνων προτιμών των, τὴν τῶν φιλαιτίων ἀπέκοψε κατηγορίαν, αἰσχρὸν εἶναι νομίζουσα τῶν ἄλλων εἰπεῖν τινα διότι ζῶντος τοῦ κατὰ νόμους συμβιοῦντος ἀνδρὸς ἐτέρου παρανόμως ἐπειράθη, καὶ καθ’ ὃν οἱ νόμοι τοῖς πράξωσι θάνατον τιθέασι τὸ πρόστιμον, τοιοῦτο παθοῦσα τὸν πλείω χρόνον φιλοψυχεῖν, ἵνα τὸν πάντως ὀφειλόμενον παρὰ τῆς φύσεως θάνατον βραχὺ προλαβοῦσα τῆς αἰσχύνης ἀλλάξῃται τοὺς μεγίστους ἐπαίνους. Τοιγαροῦν οὐ μόνον θνητοῦ βίου δόξαν ἀθάνατον ἀντικατηλλάξατο διὰ τῆς ἰδίας ἀρετῆς, ἀλλὰ καὶ τοὺς συγγενεῖς καὶ πάντας τοὺς πολίτας προετρέψατο λαβεῖν ἀπαραίτητον τιμωρίαν παρὰ τῶν εἰς αὐτὴν παρανομησάντων.

Ὅτι Λεύκιος Ταρκύνιος ὁ βασιλεὺς τυραννικῶς καὶ βιαίως ἄρχων τῶν πολιτῶν τοὺς εὐπόρους τῶν Ῥωμαίων ἀνῆρει, ψευδεῖς ἐπιφέρων αἰτίας ἔνεκεν τοῦ νοσφίσασθαι τὰς οὐσίας αὐτῶν. Διόπερ Λεύκιος Ἰούνιος, ὄρφανός ὢν καὶ πάντων Ῥωμαίων πλουσιώτατος, δι’ ἀμφοτέρα τὴν τοῦ Ταρκυνίου πλεονεξίαν ὑπώπτευσεν ἀδελφιδουὺς δ’ ὢν αὐτοῦ καὶ παρ’ ἑκάστα τῷ βασιλεῖ σύνθοινος, προσεποιήθη μωρὸς εἶναι, ἅμα μὲν βουλόμενος τὸν ὑπὲρ τοῦ δύνασθαι τι φθόνον ἐκκλίνειν, ἅμα δ’ ἀνυπονοήτως παρατηρεῖν τὸ πραττόμενον καὶ τοῖς τῆς βασιλείας ἐφεδρεῦειν καιροῖς.

Ὅτι οἱ Συβαρῖται μετὰ τριάκοντα μυριάδων ἐκστρατεύσαντες ἐπὶ τοὺς Κροτωνιάτας καὶ πόλεμον ἄδικον ἐπανελόμενοι τοῖς ὅλοις ἔπταισαν, καὶ τὴν εὐδαιμονίαν οὐκ ἐνεγκόντες ἐπιδεξίως ἱκανὸν παράδειγμα τὴν ἰδίαν ἀπώλειαν κατέλιπον τοῦ πολὺ μᾶλλον δεῖν προσέχειν ἐν ταῖς ἰδίαις εὐτυχίαις ἢ περ ἐν ταῖς ταλαιπωρίαις.

Ὅτι περὶ Ἡροδότου φησὶν ὁ Διόδωρος καὶ ταῦτα παρεξέβημεν οὐχ οὕτως Ἡροδότου κατηγορεῖσαι βουλευθέντες ὡς ὑποδείξειαι ὅτι τῶν λόγων οἱ θαυμάσιοι τοὺς ἀληθεῖς κατισχύειν εἰώθασιν”.

Ὅτι προσήκόν ἐστι τιμᾶσθαι τὴν ἀρετὴν, κἂν ἢ παρὰ γυναῖξιν.

Ὅτι Ἀθηναῖοι δεξιῶς τῇ νίκῃ χρησάμενοι καὶ νικήσαντες Βοιωτοὺς τε καὶ Χαλκιδεῖς, εὐθὺς ἀπὸ τῆς μάχης Χαλκίδος ἐκυρίευσαν. Ἐκ τῆς ὠφελείας τῆς τῶν Βοιωτῶν δεκάτην ἄρμα χαλκοῦν εἰς τὴν ἀκρόπολιν ἀνέθεσαν τότε τὸ ἐλεγεῖον ἐπιγράψαντες, ἔθνεα Βοιωτῶν καὶ Χαλκιδέων δαμάσαντες παῖδες

Ἀθηναίων ἔργμασιν ἐν πολέμου δεσμῷ ἐν ἀχλύοντι σιδηρέῳ ἔσβησαν ὕβριν ὧν ἵππους δεκάτην Παλλάδι τάσδ' ἔθεσαν. Ὅτι τὸ κατακαίειν τὰ ἱερὰ παρὰ Ἑλλήνων ἔμαθον Πέρσαι, τὴν αὐτὴν τοῖς προαδικήσασιν ἀποδιδόντες ὕβριν.

Ὅτι Κἄρες ὑπὸ Περσῶν καταπονούμενοι ἐπηρώτησαν περὶ συμμαχίας εἰ προσλάβοιντο Μιλησίους συμμάχους. Ὁ δὲ ἀνεῖλεν, πάλαι ποτ' ἦσαν ἄλκιμοι Μιλήσιοι. Οὐ μὴν ἄλλ' ὁ φόβος ἐγγὺς κείμενος ἐποίησεν αὐτοὺς ἐπιλαθέσθαι τῆς πρὸς ἀλλήλους φιλοτιμίας, πρὸς δὲ τὸ πληροῦν τὰς τριήρεις κατὰ τάχος συνηνάγκαζεν.

Ὅτι Ἐκαταῖος ὁ Μιλήσιος πρεσβευτὴς ἀπεσταλμένος ὑπὸ τῶν Ἴωνων, ἠρώτησε δι' ἣν αἰτίαν ἀπιστεῖ αὐτοῖς ὁ Ἀρταφέρνης. Τοῦ δὲ εἰπόντος, μήποτε ὑπὲρ ὧν καταπολεμηθέντες κακῶς ἔπαθον μνησικακήσωσιν, Οὐκοῦν, ἔφησεν, εἰ τὸ πεπονθέναι κακῶς τὴν ἀπιστίαν περιποιεῖ, τὸ παθεῖν ἄρα εὖ ποιήσει τὰς πόλεις Πέρσαις εὖνοοῦσας. Ἀποδεξάμενος δὲ τὸ ῥηθὲν ὁ Ἀρταφέρνης ἀπέδωκε τοὺς νόμους ταῖς πόλεσι καὶ τακτοὺς φόρους κατὰ δύναμιν ἐπέταξεν.

Ὁ γὰρ τοῖς πολλοῖς κατὰ τῶν πολιτῶν φθόνος τὸν ἔμπροσθεν χρόνον ἐγκρουπτόμενος, ἐπειδὴ καιρὸν ἔλαβεν, ἄθρους ἐξερράγη. Διὰ δὲ τὴν φιλοτιμίαν τοὺς δούλους ἡλευθέρωσαν, μᾶλλον βουλόμενοι τοῖς οἰκέταις μεταδοῦναι τῆς ἐλευθερίας ἢ τοῖς ἐλευθέροις τῆς πολιτείας.

Ὅτι Δᾶτις ὁ τῶν Περσῶν στρατηγός, Μῆδος ὧν τὸ γένος καὶ παρὰ τῶν προγόνων παρειληφὸς ὅτι Μῆδου τοῦ συστησαμένου τὴν Μηδίαν Ἀθηναῖοι κατέστησαν ἀπόγονοι, ἀπέστειλε πρὸς τοὺς Ἀθηναίους εἰπεῖν ὥς ἀρεστί μετὰ δυνάμεως ἀπαιτήσων τὴν ἀρχὴν τὴν προγονικὴν Μῆδον γὰρ τῶν ἑαυτοῦ προγόνων πρεσβύτερον Δᾶτιν γενόμενον ἀφαιρεθῆναι τὴν βασιλείαν ὑπὸ τῶν Ἀθηναίων καὶ παραγενόμενον εἰς τὴν Ἀσίαν κτίσαι τὴν Μηδίαν. Ἄν μὲν οὖν αὐτῷ τὴν ἀρχὴν ἀποδῶσιν, ἀφεθήσεται τῆς πρώτης αἰτίας καὶ τῆς ἐπὶ Σάρδεϊς στρατείας ἃν δὲ ἐναντιωθῶσι, πολὺ δεινότερα πείσεσθαι τῶν Ἑρετριέων. Ὁ δὲ Μιλιτιάδης ἀπεκρίθη ἀπὸ τῆς τῶν δέκα στρατηγῶν γνώμης, διότι κατὰ τὸν τῶν πρεσβευτῶν λόγον μᾶλλον προσήκει τῆς Μῆδων ἀρχῆς κυριεῦναι Ἀθηναίους ἢ Δᾶτιν τῆς Ἀθηναίων πόλεως τὴν μὲν γὰρ τῶν Μῆδων βασιλείαν Ἀθηναῖον ἄνδρα συστήσασθαι, τὰς δὲ Αθήνας μηδέποτε Μῆδον τὸ γένος ἄνδρα κατεσχηκέναι. Ὁ δὲ πρὸς μάχην ἀκούσας ταῦτα παρεσκευάζετο.

Ὅτι Ἴπποκράτης ὁ Γελῶς τύραννος τοὺς Συρακουσίους νενικηκὼς κατεστρατοπέδευσεν εἰς τὸ τοῦ Διὸς ἱερόν. Κατέλαβε δὲ αὐτὸν τὸν ἱερέα καὶ τῶν Συρακουσίων τινὰς καθαιροῦντας ἀναθήματα χρυσᾶ, καὶ μάλιστα ἱμάτιον τοῦ Διὸς περιαιρουμένους ἐκ πολλοῦ κατεσκευασμένον χρυσοῦ. Καὶ τούτοις μὲν ἐπιπλήξας ὥς ἱεροσύλοις ἐκέλευσεν ἀπελθεῖν εἰς τὴν πόλιν, αὐτὸς δὲ τῶν ἀναθημάτων ἀπέσχετο, φιλοδοξῆσαι θέλων καὶ νομίζων δεῖν τὸν τηλικούτον ἐπαναιρούμενον πόλεμον μὴθὲν ἐξαμαρτάνειν εἰς τὸ θεῖον, ἅμα δὲ νομίζων διαβάλλειν τοὺς προεστῶτας τῶν ἐν Συρακούσαις πραγμάτων πρὸς τὰ πλήθη διὰ τὸ δοκεῖν αὐτοὺς πλεονεκτικῶς, ἄλλ' οὐ δημοτικῶς οὐδ' ἴσως ἄρχειν.

Ὅτι Θήρων ὁ Ἀκραγαντίνος γένει καὶ πλούτῳ καὶ τῇ πρὸς τὸ πλῆθος φιланθρωπία πολὺ προεῖχεν οὐ μόνον τῶν πολιτῶν, ἀλλὰ καὶ πάντων τῶν Σικελιωτῶν.

Ὅτι τοῦ Μιλιτιάδου υἱὸς ὁ Κίμων, τελευτήσαντος τοῦ πατρὸς αὐτοῦ ἐν τῇ

δημοσία φυλακῇ διὰ τὸ μὴ ἰσχύσαι ἐκτῖσαι τὸ ὄφλημα, ἵνα λάβῃ τὸ σῶμα τοῦ πατρὸς εἰς ταφὴν, ἑαυτὸν εἰς τὴν φυλακὴν παρέδωκε καὶ διεδέξατο τὸ ὄφλημα.

Ὅτι ὁ Κίμων φιλότιμος ὢν εἰς τὴν τῶν κοινῶν διοίκησιν, ἐξ ὑστέρου ἀγαθὸς στρατηγὸς ἐγενήθη, καὶ διὰ τῆς ἰδίας ἀρετῆς ἐνδόξους πράξεις κατειργάσατο.

Ὅτι Θεμιστοκλῆς ὁ τοῦ Νεοκλέους, προσελθόντος τινὸς αὐτῷ πλουσίου καὶ ζητοῦντος κηδεστὴν εὐρεῖν πλούσιον, παρεκελεύσατο αὐτῷ ζητεῖν μὴ χρήματα ἀνδρὸς δεόμενα, πολὺ δὲ μᾶλλον ἄνδρα χρημάτων ἐνδεᾶ. Αποδεξαμένου δὲ τάνθρώπου τὸ ῥηθὲν συνεβούλευσεν αὐτῷ συνοικίσαι τὴν θυγατέρα τῷ Κίμωνι. Διόπερ ἐκ ταύτης τῆς αἰτίας ὁ Κίμων εὐπορήσας χρημάτων ἀπελύθη τῆς φυλακῆς, καὶ τοὺς κατακλείσαντας ἄρχοντας εὐθύνας καταδίκους ἔλαβεν.

Ὅτι τῶν Ἑλλήνων πάντων διαπρεσβευσαμένων πρὸς Γέλωνα περὶ συμμαχίας, ὅτε Ξέρξης διέβαινε πρὸς τὴν Εὐρώπην, τοῦ δὲ ἐπαγγειλαμένου συμμαχεῖν καὶ σιταρκῆσαι, εἴ γε τὴν ἡγεμονίαν εἴτε τὴν κατὰ γῆν εἴτε τὴν κατὰ θάλατταν παρέξουσιν, ἡ μὲν ὑπὲρ τῆς ἡγεμονίας φιλοδοξία τὴν συμμαχίαν παρεκρούετο, τὸ δὲ μέγεθος τῆς βοηθείας καὶ ὁ τῶν πολεμίων φόβος προέτρπε μεταδοῦναι τῆς δόξης τῷ Γέλωνι.

Ἡ μὲν γάρ τῶν Περσῶν ὑπεροχὴ πρὸς τὸ κρατῆσαι τῆς ἐπιθυμίας ἔχει τὰς δωρεάς, ἡ δὲ τυραννικὴ πλεονεξία καὶ τὰ μικρὰ τῶν λημμάτων οὐ παρίησιν.

Βεβαιωτάτη γάρ τῆς σωτηρίας φύλαξ ἡ ἀπιστία.

Παῖδες μὲν οὖν ἀδικούμενοι πρὸς πατέρας καταφεύγουσι, πόλεις δὲ πρὸς τοὺς ἀποικίσαντας δήμους.

Ὅτι τυράννου πλεονεξία τοῖς μὲν ὑπάρχουσιν οὐκ ἀρκεῖται, τῶν δὲ ἄλλοτρίων ἐπιθυμεῖ, πληροῦται δὲ οὐδέποτε.

Τοὺς δὲ κατὰ τῆς δυναστείας αὐτοῦ πεφυκότας ἔχων καιρὸν οὐκ ἐάσει δύναμιν λαβεῖν.

Ἐκείνων γάρ τῶν ἀνδρῶν ἐστε ἀπόγονοι οἱ τὰς αὐτῶν ἀρετὰς μετὰ τὸν θάνατον ἀθανάτους τῇ δόξῃ καταλελοίπασιν. Τὸ γὰρ ἔπαθλον τῆς συμμαχίας οὐκ ἀργύριον αἰτεῖ, οὗ παλλάκις ἰδεῖν ἔστι καταφρονοῦντα καὶ τὸν φανυλότατον ἰδιώτην πεπλουτηκότα, ἀλλ' ἐπαινον καὶ δόξαν, περὶ ἧς οἱ ἀγαθοὶ τῶν ἀνθρώπων οὐκ ὀκνοῦσιν ἀποθνήσκειν μισθὸς γάρ ἐστίν ἡ δόξα μείζων ἀργυρίου. Παραλαμβάνουσι γάρ οἱ Σπαρτιάται παρὰ τῶν πατέρων οὐχ ὥσπερ οἱ λοιποὶ πλοῦτον, ἀλλὰ προθύμως τελευτᾶν περὶ τῆς ἐλευθερίας, ὥστε πάντα τὰ κατὰ τὸν βίον ἀγαθὰ δευτέρα τίθεσθαι τῆς δόξης.

Μὴ τῶν ξενικῶν δυνάμεων ἐπιθυμοῦντες τὰς πολιτικὰς ἀποβάλλωμεν καὶ τῶν ἀδύλων ὀρεγόμενοι τῶν φανερῶν μὴ κυριεύωμεν. Οὗ φημι καταπεπληγῆσθαι τὸ μέγεθος τῆς τῶν Περσῶν στρατιᾶς ἀρετῇ γὰρ ὁ πόλεμος, οὐ πλήθει βραβεύεται. Παρειλήφασιν γάρ ὑπὸ τῶν πατέρων ζῆν μὲν ἑαυτοῖς, τελευτᾶν δ' ὅταν χρειᾶ ταῖς πατρίσιν ἐπῇ. Τί φοβηθῶμεν τὸν χρυσὸν ὃ κεκοσμημένοι βαδίζουσιν εἰς τὰς μάχας ὡς γυναῖκες εἰς τοὺς γάμους, ὥστε τὴν νίκην μὴ μόνον ἔπαθλον ἔχειν δόξαν, ἀλλὰ καὶ πλοῦτον; Οὐ φοβεῖται γὰρ ἡ ἀρετὴ χρυσόν, ὃν ὁ σίδηρος εἴωθεν ἄγειν αἰχμάλωτον, ἀλλὰ τὴν στρατηγίαν

τῶν ἡγουμένων. Πᾶσα γὰρ δύναμις ὑπεραίρουσα τὴν συμμετρίαν ὑφ' ἑαυτῆς
βλάπτεται τὰ πλεῖστα. Πρὶν ἢ γὰρ ἀκοῦσαι τὴν φάλαγγα, φθάσομεν ἡμεῖς
πράξαντες ἃ βουλόμεθα.

BOOK XI

ζοντεντζ.

τάδε ἔνεστιν ἐν τῇ ἐνδεκάτῃ τῶν Διοδώρου βίβλων.

περὶ τῆς Ξέρξου διαβάσεως εἰς τὴν Εὐρώπην.

περὶ τῆς μάχης τῆς ἐν Θερμοπύλαις.

περὶ τῆς Ξέρξου ναυμαχίας πρὸς τοὺς Ἕλληνας.

ὡς Θεμιστοκλέους καταστρατηγήσαντος τὸν Ξέρξην κατεναυμάχησαν οἱ Ἕλληνες τοὺς βαρβάρους περὶ Σαλαμῖνα.

ὡς Ξέρξης Μαρδόνιον στρατηγὸν ἀπολιπὼν μετὰ μέρους τῆς δυνάμεως ἀπῆρεν εἰς τὴν Ἀσίαν.

ὡς Καρχηδόνιοι μεγάλαις δυνάμεσιν ἐστράτευσαν εἰς τὴν Σικελίαν.

ὡς Γέλων καταστρατηγήσας τοὺς βαρβάρους τοὺς μὲν αὐτῶν κατέκοψε, τοὺς δ' ἐζώγησεν.

ὡς Γέλων δεηθέντων Καρχηδονίων χρήματα πραξάμενος συνεχώρησεν αὐτοῖς τὴν εἰρήνην.

κρίσις τῶν ἀριστευσάντων Ἑλλήνων ἐν τῷ πολέμῳ.

μάχη τῶν Ἑλλήνων πρὸς Μαρδόνιον καὶ Πέρσας περὶ Πλαταιᾶς καὶ νίκη τῶν Ἑλλήνων.

πόλεμος Ῥωμαίοις πρὸς Αἰκολανοὺς καὶ τοὺς τὸ Τοῦσκλον κατοικοῦντας.

περὶ τῆς κατασκευῆς τοῦ Πειραιέως ὑπὸ Θεμιστοκλέους.

περὶ τῆς ἀποσταλείσης βοηθείας Κυμαίοις ὑφ' Ἰέρωνος τοῦ βασιλέως.

περὶ τοῦ γενομένου πολέμου Ταραντίνοις πρὸς Ἰάπυγας.

ὡς Θρασυδαῖος ὁ Θήρωνος μὲν υἱός, τύραννος δὲ Ἀκραγαντίνων, ἡττηθεὶς ὑπὸ Συρακουσίων ἀπέβαλε τὴν δυναστείαν.

ὡς Θεμιστοκλῆς φυγὼν πρὸς Ξέρξην καὶ κατηγορηθεὶς θανάτου ἠλευθερώθη.

ὡς Ἀθηναῖοι τὰς κατὰ τὴν Ἀσίαν Ἑλληνίδας πόλεις ἠλευθέρωσαν.

περὶ τοῦ γενομένου σεισμοῦ περὶ τὴν Λακωνικὴν.

περὶ τῆς ἀποστάσεως τῶν Μεσσηνίων καὶ τῶν Εἰλώτων ἀπὸ Λακεδαιμονίων.

ὡς Ἀργεῖοι Μυκῆνας κατασκάψαντες ἀοίκητον ἐποίησαν τὴν πόλιν.

ὡς τὴν ἀπὸ Γέλωνος βασιλείαν κατέλυσαν οἱ Συρακούσιοι.

ὡς Ξέρξου δολοφονηθέντος Ἀρταξέρξης ἐβασίλευσεν.

περὶ τῆς ἀποστάσεως τῶν Αἰγυπτίων ἀπὸ Περσῶν.

περὶ στάσεων τῶν γενομένων ἐν ταῖς Συρακούσαις.

ὡς Ἀθηναῖοι Αἰγινήτας καὶ Κορινθίους κατεπολέμησαν.

ὡς Φωκεῖς πρὸς Δωριεῖς ἐπολέμησαν.

ὡς Μυρωνίδης ὁ Αθηναῖος ὀλίγοις στρατιώταις Βοιωτοὺς πολλαπλασίους ὄντας ἐνίκησεν.

περὶ τῆς Τολμίδου στρατείας εἰς Κεφαλληνίαν.

περὶ τοῦ γενομένου πολέμου κατὰ τὴν Σικελίαν Ἐγεσταίοις καὶ Λιλυθαίοις.

περὶ τοῦ νομοθετηθέντος ἐν Συρακούσαις πεταλισμοῦ.
στρατεία Περικλέους εἰς Πελοπόννησον.
στρατεία Συρακουσίων εἰς Τυρρηνίαν.
περὶ τῶν ἐν Σικελίᾳ Παλικῶν ὀνομαζομένων.
περὶ τῆς Δουκετίου ἥττης καὶ τῆς περὶ αὐτὸν παραδόξου σωτηρίας.
1.

ἡ μὲν οὖν πρὸ ταύτης βίβλος, τῆς ὅλης συντάξεως οὕσα δεκάτη, τὸ τέλος ἔσχε τῶν πράξεων εἰς τὸν προηγούμενον ἐνιαυτὸν τῆς Ξέρξου διαβάσεως εἰς τὴν Εὐρώπην καὶ εἰς τὰς γενομένας δημηγορίας ἐν τῇ κοινῇ συνόδῳ τῶν Ἑλλήνων ἐν Κορίνθῳ περὶ τῆς Γέλωνος συμμαχίας τοῖς Ἑλλήσιν: ἐν ταύτῃ δὲ τὸ συνεχὲς τῆς ἱστορίας ἀναπληροῦντες ἀρξόμεθα μὲν ἀπὸ τῆς Ξέρξου στρατείας ἐπὶ τοὺς Ἑλληνας, καταλήξομεν δὲ ἐπὶ τὸν προηγούμενον ἐνιαυτὸν τῆς Ἀθηναίων στρατείας ἐπὶ Κύπρον ἡγουμένου Κίμωνος. [2]

ἐπ' ἄρχοντος γὰρ Ἀθήνησι Καλλιάρχου Ῥωμαῖοι κατέστησαν ὑπάτους Σπόριον Κάσσιον καὶ Πρόκλον Οὐεργίνιον Τρίκοστον, ἥχθη δὲ καὶ παρ' Ἡλείοις Ὀλυμπιάς πέμπτη πρὸς ταῖς ἐβδομήκοντα, καθ' ἣν ἐνίκα στάδιον Ἀστύλος Συρακόσιος. ἐπὶ δὲ τούτων Ξέρξης ὁ βασιλεὺς ἐστράτευσεν ἐπὶ τὴν Ἑλλάδα διὰ ταύτην τὴν αἰτίαν. [3] Μαρδόνιος ὁ Πέρσης ἀνεψιὸς μὲν καὶ κηδεστὴς ἦν Ξέρξου, διὰ δὲ σύνεσιν καὶ ἀνδρείαν μάλιστα θαυμαζόμενος παρὰ τοῖς Πέρσαις. οὗτος μετέωρος ὢν τῷ φρονήματι καὶ τὴν ἡλικίαν ἀκμάζων, ἐπεθύμει μεγάλων δυνάμεων ἀφηγήσασθαι: διόπερ ἔπεισε τὸν Ξέρξην καταδουλώσασθαι τοὺς Ἑλληνας, αἱ πολεμικῶς ἔχοντας πρὸς τοὺς Πέρσας. [4] ὁ δὲ Ξέρξης πεισθεὶς αὐτῷ καὶ βουλούμενος πάντας τοὺς Ἑλληνας ἀναστάτους ποιῆσαι, διεπρεσβεύσατο πρὸς Καρχηδονίους περὶ κοινοπραγίας καὶ συνέθετο πρὸς αὐτούς, ὥστε αὐτὸν μὲν ἐπὶ τοὺς τὴν Ἑλλάδα κατοικοῦντας Ἑλληνας στρατεῦειν, Καρχηδονίους δὲ τοῖς αὐτοῖς χρόνοις μεγάλας παρασκευάσασθαι δυνάμεις καὶ καταπολεμῆσαι τῶν Ἑλλήνων τοὺς περὶ Σικελίαν καὶ Ἰταλίαν οἰκοῦντας. [5] ἀκολουθῶς οὖν ταῖς συνθήκαις Καρχηδόνιοι μὲν χρημάτων πλῆθος ἀθροίσαντες μισθοφόρους συνῆγον ἕκ τε τῆς Ἰταλίας καὶ Λιγυστικῆς, ἔτι δὲ Γαλατίας καὶ Ἰβηρίας, πρὸς δὲ τούτοις ἕκ τῆς Λιβύης ἀπάσης καὶ τῆς Καρχηδόνης κατέγραφον πολιτικὰς δυνάμεις: τέλος δὲ τριετὴ χρόνον περὶ τὰς παρασκευὰς ἀσχοληθέντες ἠθροισαν πεζῶν μὲν ὑπὲρ τὰς τριάκοντα μυριάδας, ναῦς δὲ διακοσίας. 2. ὁ δὲ Ξέρξης ἀμιλλώμενος πρὸς τὴν τῶν Καρχηδονίων σπουδὴν, ὑπερεβάλετο πάσαις ταῖς παρασκευαῖς τοσοῦτον ὅσον καὶ τῷ πλήθει τῶν ἐθνῶν ὑπερεῖχε Καρχηδονίων. ἤρξατο δὲ ναυπηγεῖσθαι κατὰ πᾶσαν τὴν παραθαλάττιον τὴν ὑπ' αὐτὸν ταττομένην, Αἴγυπτον τε καὶ Φοινίκην καὶ Κύπρον, πρὸς δὲ τούτοις Κιλικίαν καὶ Παμφυλίαν καὶ Πισιδικὴν, ἔτι δὲ Λυκίαν καὶ Καρίαν καὶ Μυσίαν καὶ Τρωάδα καὶ τὰς ἐφ' Ἑλλησπόντῳ πόλεις καὶ τὴν Βιθυνίαν καὶ τὸν Πόντον. ὁμοίως δὲ τοῖς Καρχηδονίοις τριετὴ χρόνον παρασκευασάμενος κατεσκεύασε ναῦς μακρὰς πλείους τῶν χιλίων καὶ διακοσίων. [2] συνεβάλετο δὲ αὐτῷ καὶ ὁ πατήρ Δαρεῖος, πρὸ τῆς τελευτῆς παρασκευὰς πεποιημένος μεγάλων δυνάμεων: καὶ γὰρ ἐκεῖνος ἡττημένος ὑπὸ Ἀθηναίων ἐν Μαραθῶνι Δάτιδος ἡγουμένου, χαλεπῶς διέκειτο πρὸς τοὺς νενικηκότας Ἀθηναίους. ἀλλὰ

Δαρειὸς μὲν μέλλων ἤδη διαβαίνειν ἐπὶ τοὺς Ἑλληνας ἐμεσολαβήθη τελευτήσας, ὁ δὲ Ξέρξης διὰ τε τὴν τοῦ πατρὸς ἐπιβολὴν καὶ τὴν τοῦ Μαρδονίου συμβουλίαν, καθότι προεῖρηται, διέγνω πολεμεῖν τοῖς Ἑλλησιν. [3] ὥς δ' αὐτῷ πάντα τὰ πρὸς τὴν στρατείαν ἡτοίμαστο, τοῖς μὲν ναύαρχοις παρήγγειλεν ἀθροίζειν τὰς ναῦς εἰς Κύμην καὶ Φώκαιαν, αὐτὸς δ' ἐξ ἀπασῶν τῶν σατραπειῶν συναγαγὼν τὰς πεζὰς καὶ ἱππικὰς δυνάμεις, προῆγεν ἐκ τῶν Σούσων. ὥς δ' ἦκεν εἰς Σάρδεις, κήρυκας ἐξέπεμψεν εἰς τὴν Ἑλλάδα, προστάξας εἰς πάσας τὰς πόλεις ἰέναι καὶ τοὺς Ἑλληνας αἰτεῖν ὕδωρ καὶ γῆν. [4] τὴν δὲ στρατιὰν διελόμενος ἐξαπέστειλε τοὺς ἱκανοὺς ζευξαί μὲν τὸν Ἑλλήσποντον, διασκάψαι δὲ τὸν Ἄθω κατὰ τὸν αὐχένα τῆς Χερρονήσου, ἅμα μὲν ταῖς δυνάμεσιν ἀσφαλῆ καὶ σύντομον τὴν διέξοδον ποιοῦμενος, ἅμα δὲ τῷ μεγέθει τῶν ἔργων ἐλπίζων προκαταπλήξεσθαι τοὺς Ἑλληνας. οἱ μὲν οὖν πεμφθέντες ἐπὶ τὴν κατασκευὴν τῶν ἔργων ταχέως ἦνουν διὰ τὴν πολυχειρίαν τῶν ἐργαζομένων. [5] οἱ δ' Ἑλληνες πυθόμενοι τὸ μέγεθος τῆς τῶν Περσῶν δυνάμεως, ἐξέπεμψαν εἰς Θετταλίαν μυρίους ὀπλίτας τοὺς καταληψομένους τὰς περὶ τὰ Τέμπη παρόδους· ἡγεῖτο δὲ τῶν μὲν Λακεδαιμονίων Συνετός, τῶν δὲ Ἀθηναίων Θεμιστοκλῆς. οὗτοι δὲ πρὸς τὰς πόλεις πρεσβευτὰς ἀποστείλαντες ἤξιον ἀποστέλλειν στρατιώτας τοὺς κοινῇ φυλάζοντας τὰς παρόδους· ἔσπευδον γὰρ ἀπάσας τὰς Ἑλληνίδας πόλεις διαλαβεῖν ταῖς προφυλακαῖς καὶ κοινοποιήσασθαι τὸν πρὸς τοὺς Πέρσας πόλεμον. [6] ἐπεὶ δὲ τῶν Θετταλῶν καὶ τῶν ἄλλων Ἑλλήνων τῶν πλησιοχώρων ταῖς παρόδοις ἔδωκαν οἱ πλείους ὕδωρ τε καὶ γῆν τοῖς ἀφιγμένοις ἀγγέλοις ἀπὸ Ξέρξου, ἀπογνόντες τὴν περὶ τὰ Τέμπη φυλακὴν ἐπανήλθον εἰς τὴν οἰκίαν. 3.

χρήσιμον δὲ διορίσαι τῶν Ἑλλήνων τοὺς τὰ τῶν βαρβάρων ἐλομένους, ἵνα τυγχάνοντες ὀνειδούς ἀποτρέπωσι ταῖς βλασφημίαις τοὺς προδότας ἂν γενομένους τῆς κοινῆς ἐλευθερίας. [2] Αἰνιᾶνες μὲν οὖν καὶ Δόλοπες καὶ Μηλιεῖς καὶ Περραιβοὶ καὶ Μάγνητες μετὰ τῶν βαρβάρων ἐτάχθησαν, ἔτι παρούσης τῆς ἐν τοῖς Τέμπεσι φυλακῆς, Ἀχαιοὶ δὲ Φθιώται καὶ Λοκροὶ καὶ Θετταλοὶ καὶ Βοιωτοὶ οἱ πλείους τούτων ἀπελθόντων ἀπέκλιναν πρὸς τοὺς βαρβάρους. [3] οἱ δ' ἐν Ἰσθμῷ συνεδρεύοντες τῶν Ἑλλήνων ἐψηφίσαντο τοὺς μὲν ἐθελοντὶ τῶν Ἑλλήνων ἐλομένους τὰ Περσῶν δεκατεῦσαι τοῖς θεοῖς, ἐπὰν τῷ πολέμῳ κρατήσωσι, πρὸς δὲ τοὺς τὴν ἡσυχίαν ἔχοντας ἐκτέμψαι πρέσβεις τοὺς παρακαλέσοντες συναγωνίζεσθαι περὶ τῆς κοινῆς ἐλευθερίας. [4] ὧν οἱ μὲν εἵλοντο γνησίως τὴν συμμαχίαν, οἱ δὲ παρήγον ἐφ' ἱκανὸν χρόνον, ἀντεχόμενοι τῆς ἰδίας μόνον ἀσφαλείας καὶ καταδοκοῦντες τὸ τοῦ πολέμου τέλος· Ἀργεῖοι δὲ πρέσβεις ἀποστείλαντες εἰς τὸ κοινὸν συνέδριον ἐπηγγέλλοντο συμμαχήσειν, ἐὰν αὐτοῖς μέρος τι τῆς ἡγεμονίας συγχωρήσωσιν. [5] οἷς οἱ σύνεδροι διεσάφησαν, εἰ μὲν δεινότερον ἡγούνται τὸ στρατηγὸν ἔχειν Ἑλληνα ἢ δεσπότην βάρβαρον, ὁρθῶς αὐτοὺς ἔχειν ἡσυχίαν, εἰ δὲ φιλοτιμοῦνται λαβεῖν τὴν τῶν Ἑλλήνων ἡγεμονίαν, ἄξια ταύτης δεῖν ἔφασαν αὐτοὺς πεπραχότας ἐπιζητεῖν τὴν τηλικαύτην δόξαν. μετὰ δὲ ταῦτα τῶν παρὰ Ξέρξου πρέσβεων ἐπιόντων τὴν Ἑλλάδα καὶ γῆν καὶ ὕδωρ αἰτούντων, αἱ πόλεις ἅπασαι διὰ τῶν ἀποκρίσεων ἀπεδείκνυντο τὴν περὶ τῆς κοινῆς ἐλευθερίας σπουδήν. [6]

Ξέρξης δὲ ὡς ἐπύθετο τὸν Ἑλλησποντον ἐξευχθαι καὶ τὸν Ἄθω διεσκάφθαι, προῆγεν ἐκ τῶν Σάρδεων ἐφ' Ἑλλησπόντου τὴν πορείαν ποιοῦμενος· ὡς δὲ ἦκεν εἰς Ἄβυδον, διὰ τοῦ ζεύγματος τὴν δύναμιν διήγαγεν εἰς τὴν Εὐρώπην. πορευόμενος δὲ διὰ τῆς Θράκης πολλοὺς προσελαμβάνετο στρατιώτας καὶ τῶν Θρακῶν καὶ τῶν ὁμόρων τούτοις Ἑλλήνων. [7] ὡς δ' ἦκεν εἰς τὸν ὀνομαζόμενον Δορίσκον, ἐνταῦθα μετεπέμψατο τὸ ναυτικόν, ὥστε ἀμφοτέρας τὰς δυνάμεις εἰς ἓνα τόπον ἀθροισθῆναι. ἐποιήσατο δὲ καὶ τὸν ἐξετασμὸν τῆς στρατιᾶς ἀπάσης· ἡριθμήθησαν δὲ τῆς πεζῆς δυνάμεως μυριάδες πλείους τῶν ὀγδοήκοντα, νῆες δὲ αἱ σύμπασαι μακραὶ πλείους τῶν χιλίων καὶ διακοσίων, καὶ τούτων Ἑλληνίδες τριακόσiai καὶ εἴκοσι, τὰ μὲν πληρώματα τῶν ἀνδρῶν παρεχομένων τῶν Ἑλλήνων, τὰ δὲ σκάφη τοῦ βασιλέως χορηγοῦντος· αἱ δὲ λοιπαὶ πᾶσαι βαρβαρικαὶ κατηριθμοῦντο· καὶ τούτων Αἰγύπτιοι μὲν διακοσίας παρέσχοντο, Φοίνικες δὲ τριακοσίας, Κίλικες δὲ ὀγδοήκοντα, Πάμφυλοι δὲ τετταράκοντα, καὶ Λύκιοι τὰς ἴσας, πρὸς δὲ τούτοις Κᾶρες μὲν ὀγδοήκοντα, Κύπριοι δὲ ἑκατὸν καὶ πεντήκοντα. [8] τῶν δὲ Ἑλλήνων ἐπεμψαν Δωριεῖς μὲν οἱ πρὸς τῇ Καρίᾳ κατοικοῦντες μετὰ Ῥοδίων καὶ Κῶν τετταράκοντα, Ἴωνες δὲ μετὰ Χίων καὶ Σαμίων ἑκατὸν, Αἰολεῖς δὲ μετὰ Λεσβίων καὶ Τενεδίων τετταράκοντα, Ἑλλησπόντιοι δὲ ὀγδοήκοντα σὺν τοῖς περὶ τὸν Πόντον κατοικοῦσι, νησιῶται δὲ πεντήκοντα· τὰς γὰρ νήσους τὰς ἐντὸς Κυανέων καὶ Τριοπίου καὶ Σουνίου προσηγμένους ἦν ὁ βασιλεὺς. [9] τριῆρεις μὲν οὖν τοσαῦται τὸ πλῆθος ὑπῆρχον, ἱππαγωγοὶ δὲ ὀκτακόσiai πεντήκοντα, αἱ δὲ τριηκόντοροι τρισχίλια. ὁ μὲν οὖν Ξέρξης περὶ τὸν ἐξετασμὸν τῶν δυνάμεων διέτριβε περὶ τὸν Δορίσκον. 4.

τοῖς δὲ συνέδροις τῶν Ἑλλήνων, ἐπειδὴ πλησίον εἶναι προσαπηγγέλθησαν αἱ τῶν Περσῶν δυνάμεις, ἔδοξε ταχέως ἀποστέλλειν τὴν μὲν ναυτικὴν δύναμιν ἐπ' Ἀρτεμίσιον τῆς Εὐβοίας, εὐθετον ὁρῶσι τὸν τόπον τοῦτον πρὸς τὴν ἀπάντησιν τῶν πολεμίων, εἰς δὲ τὰς Θερμοπύλας τοὺς ἱκανοὺς ὀπλίτας, προκαταληψομένους τὰς ἐν τοῖς στενοῖς παρόδους καὶ κωλύοντας προάγειν ἐπὶ τὴν Ἑλλάδα τοὺς βαρβάρους· ἔσπευδον γὰρ τοὺς τὰ τῶν Ἑλλήνων προελομένους ἐντὸς περιλαβεῖν καὶ σώζειν εἰς τὸ δυνατόν τοὺς συμμάχους. [2] ἡγεῖτο δὲ τοῦ μὲν στόλου παντὸς Εὐρυβιάδης ὁ Λακεδαιμόνιος, τῶν δὲ εἰς Θερμοπύλας ἐκπεμφθέντων Λεωνίδης ὁ τῶν Σπαρτιατῶν βασιλεὺς, μέγα φρονῶν ἐπ' ἀνδρεία καὶ στρατηγίᾳ. οὗτος δὲ λαβὼν τὴν ἐξουσίαν ἐπήγγειλε χιλίους μόνον ἐπὶ τὴν στρατείαν ἀκολουθεῖν αὐτῷ. [3] τῶν δὲ ἐφόρων λεγόντων ὡς ὀλίγους παντελῶς ἄγει πρὸς μεγάλην δύναμιν, καὶ προσταττόντων πλείονας παραλαμβάνειν, εἶπε πρὸς αὐτοὺς ἐν ἀπορρήτοις ὅτι πρὸς μὲν τὸ κωλύσαι τοὺς βαρβάρους διελθεῖν τὰς παρόδους ὀλίγοι, πρὸς μέντοι γε τὴν πρᾶξιν ἐφ' ἣν πορεύονται νῦν πολλοί. [4] αἰνιγματώδους δὲ καὶ ἀσαφοῦς τῆς ἀποκρίσεως γενομένης, ἐπηρώτησαν αὐτὸν εἰ πρὸς εὐτελεῖ τινα πρᾶξιν αὐτοὺς ἄγειν διανοεῖται. ἀπεκρίθη δὲ ὅτι τῷ λόγῳ μὲν ἐπὶ τὴν φυλακὴν ἄγει τῶν παρόδων, τῷ δ' ἔργῳ περὶ τῆς κοινῆς ἐλευθερίας ἀποθανομένους· ὥστε ἐὰν μὲν οἱ χίλιοι πορευθῶσιν, ἐπιφανεστέραν ἔσεσθαι τὴν Σπάρτην τούτων τελευτηκότων, ἐὰν δὲ πανδημεὶ στρατεύσωσι Λακεδαιμόνιοι, παντελῶς ἀπολεῖσθαι τὴν Λακεδαιμόνα· οὐδένα γὰρ αὐτῶν τολμήσειν

φεύγειν, ἵνα τύχη σωτηρίας. [5] τῶν μὲν οὖν Λακεδαιμονίων ἦσαν χίλιοι, καὶ σὺν αὐτοῖς Σπαρτιάται τριακόσιοι, τῶν δ' ἄλλων Ἑλλήνων τῶν ἅμ' αὐτοῖς συνεκπεμφθέντων ἐπὶ τὰς Θερμοπύλας τρισχίλιοι. [6] ὁ μὲν οὖν Λεωνίδης μετὰ τετρακισχιλίων προῆγεν ἐπὶ τὰς Θερμοπύλας, Λοκροὶ δὲ οἱ πλησίον τῶν παρόδων κατοικοῦντες ἐδεδώκεσαν μὲν γῆν καὶ ὕδωρ τοῖς Πέρσαις, κατεπηγγελμένοι δ' ἦσαν προκαταλήψεσθαι τὰς παρόδους· ὥς δ' ἐπύθοντο τὸν Λεωνίδην ἦκειν εἰς Θερμοπύλας, μετενόησαν καὶ μετέθεντο πρὸς τοὺς Ἑλληνας. [7] ἦκον δὲ εἰς τὰς Θερμοπύλας καὶ Λοκροὶ χίλιοι καὶ Μηλιάων τοσοῦτοι καὶ Φωκέων οὐ πολὺ λειπόμενοι τῶν χιλίων, ὁμοίως δὲ καὶ Θηβαίων ἀπὸ τῆς ἐτέρας μερίδος ὥς τετρακόσιοι· διεφέροντο γὰρ οἱ τὰς Θήβας κατοικοῦντες πρὸς ἀλλήλους περὶ τῆς πρὸς τοὺς Πέρσας συμμαχίας. οἱ μὲν οὖν μετὰ Λεωνίδου συνταχθέντες Ἕλληνες τοσοῦτοι τὸν ἀριθμὸν ὄντες διέτριβον περὶ τὰς Θερμοπύλας, ἀναμένοντες τὴν τῶν Περσῶν παρουσίαν. 5.

Ξέρξης δὲ μετὰ τὸν ἐξετασμὸν τῶν δυνάμεων προῆγε μετὰ παντὸς τοῦ στρατεύματος, καὶ μέχρι μὲν Ἀκάνθου πόλεως τῇ πεζῇ στρατιᾷ πορευομένῳ συμπαρέπλει πᾶς ὁ στόλος, ἐκεῖθεν δὲ κατὰ τὸν διορυχθέντα τόπον διεκομίσθησαν εἰς τὴν ἐτέραν θάλατταν συντόμως καὶ ἀσφαλῶς. [2] ὥς δ' ἦκεν ἐπὶ τὸν Μηλιακὸν κόλπον, ἐπύθετο τοὺς πολεμίους προκατελιφέναι τὰς παρόδους, διόπερ ἐνταῦθα προσαναλαβὼν τὴν δύναμιν μετεπέμψατο τοὺς ἀπὸ τῆς Εὐρώπης συμμάχους, οὐ πολὺ λείποντας τῶν εἴκοσι μυριάδων, ὥστ' ἔχειν αὐτὸν τοὺς σύμπαντας οὐκ ἐλάττους τῶν ἑκατὸν μυριάδων χωρὶς τῆς ναυτικῆς δυνάμεως. [3] ὁ δὲ σύμπας ὄχλος τῶν τε ἐν ταῖς μακραῖς ναυσὶν ὄντων καὶ τῶν τὴν ἀγορὰν καὶ τὴν ἄλλην παρασκευὴν κομιζόντων οὐκ ἐλάττων ἦν τῶν προειρημένων, ὥστε μηδὲν θαυμαστὸν εἶναι τὸ λεγόμενον ὑπὲρ τοῦ πλήθους τῶν ὑπὸ Ξέρξου συναχθέντων· φασὶ γὰρ τοὺς ἀενάους ποταμοὺς διὰ τὴν τοῦ πλήθους συνέχειαν ἐπιλιπεῖν, τὰ δὲ πελάγη τοῖς τῶν νεῶν ἰστίοις κατακαλυφθῆναι. μέγισται μὲν οὖν δυνάμεις τῶν εἰς ἱστορικὴν μνήμην παραδεδομένων αἱ μετὰ Ξέρξου γινόμεναι παραδέδονται. [4] τῶν δὲ Περσῶν κατεστρατοπεδευκότων παρὰ τὸν Σπερχεῖον ποταμόν, ὁ μὲν Ξέρξης ἀπέστειλεν ἀγγέλους εἰς τὰς Θερμοπύλας, τοὺς ἅμα μὲν κατασκεψομένους τίνα διάνοιαν ἔχουσι περὶ τοῦ πρὸς αὐτὸν πολέμου· προσέταξε δ' αὐτοῖς παραγγέλλειν, ὅτι βασιλεὺς Ξέρξης κελεύει τὰ μὲν ὅπλα πάντας ἀποθέσθαι, αὐτοὺς δὲ ἀκινδύνους εἰς τὰς πατρίδας ἀπιέναι καὶ συμμάχους εἶναι Περσῶν· καὶ ταῦτα πράξασιν αὐτοῖς ἐπηγγέιλαιτο δώσειν χώραν τοῖς Ἑλλήσι πλείω καὶ βελτίω τῆς νῦν ὑπ' αὐτῶν κατεχομένης. [5] οἱ δὲ περὶ τὸν Λεωνίδην ἀκούσαντες τῶν ἀγγέλων ἀπεκρίναντο, ὅτι καὶ συμμαχοῦντες τῷ βασιλεῖ χρησιμώτεροι μετὰ τῶν ὅπλων ἔσονται καὶ πολεμεῖν ἀναγκαζόμενοι μετὰ τούτων γενναιότερον ὑπὲρ τῆς ἐλευθερίας ἀγωνιοῦνται· περὶ δὲ τῆς χώρας ἦν ὑπισχεῖται δώσειν, ὅτι πάτριόν ἐστι τοῖς Ἑλλήσι μὴ διὰ κακίαν, ἀλλὰ δι' ἀρετὴν κτᾶσθαι χώραν. 6.

ὁ δὲ βασιλεὺς ἀκούσας παρὰ τῶν ἀγγέλων τὰς τῶν Ἑλλήνων ἀποκρίσεις προσεκαλέσατο Δημάρατον Σπαρτιάτην, ἐκ τῆς πατρίδος πεφευγότα πρὸς αὐτόν, καταγελάσας δὲ τῶν ἀποκρίσεων ἐπηρώτησε τὸν Λάκωνα, πότερον οἱ Ἕλληνες ὀξύτερον τῶν ἐμῶν ἵππων φεύζονται ἢ πρὸς τηλικαύτας δυνάμεις

παρτάξασθαι τολμήσουσι; [2] τὸν δὲ Δημάρατον εἶπειν φασιν ὥς οὐδ' αὐτοὺς σὺ τὴν ἀνδρείαν τῶν Ἑλλήνων ἀγνοεῖς: τοὺς γὰρ ἀφισταμένους τῶν βαρβάρων Ἑλληνικαῖς δυνάμεσι καταπολεμεῖς: ὥστε μὴ νόμιζε τοὺς ὑπὲρ τῆς σῆς ἀρχῆς ἄμεινον τῶν Περσῶν ἀγωνιζομένους ὑπὲρ τῆς ἰδίας ἐλευθερίας ἦττον κινδυνεύσειν πρὸς τοὺς Πέρσας. ὁ δὲ Ξέρξης καταγελάσας αὐτοῦ προσέταξεν ἀκολουθεῖν, ὅπως ἴδῃ φεύγοντας τοὺς Λακεδαιμονίους. [3] τὴν δὲ δύναμιν ἀναλαβὼν ἦκεν ἐπὶ τοὺς ἐν Θερμοπύλαις Ἑλληνας, προτάξας ἀπάντων τῶν ἐθνῶν Μήδους, εἴτε δι' ἀνδρείαν προκρίνας αὐτοὺς εἴτε καὶ βουλόμενος ἅπαντας ἀπολέσαι: ἐνὴν γὰρ ἔτι φρόνημα τοῖς Μήδοις, τῆς τῶν προγόνων ἡγεμονίας οὐ πάλαι καταπεπονημένης. [4] συνυπέδειξε δὲ τοῖς Μήδοις καὶ τῶν ἐν Μαραθῶνι τετελευτηκότων ἀδελφούς καὶ υἱούς, νομίζων τούτους ἐκθυμότατα τιμωρήσεσθαι τοὺς Ἑλληνας. οἱ μὲν οὖν Μῆδοι τοῦτον τὸν τρόπον συνταχθέντες προσέπεσον τοῖς φυλάττουσι τὰς Θερμοπύλας: ὁ δὲ Λεωνίδης εὖ παρεσκευασμένος συνήγαγε τοὺς Ἑλληνας ἐπὶ τὸ στενώτατον τῆς παρόδου. 7. γενομένης δὲ μάχης καρτερᾶς, καὶ τῶν μὲν βαρβάρων θεατὴν ἐχόντων τῆς ἀρετῆς τὸν βασιλέα, τῶν δὲ Ἑλλήνων μιμησκομένων τῆς ἐλευθερίας καὶ παρακαλουμένων ὑπὸ τοῦ Λεωνίδου πρὸς τὸν ἀγῶνα, θαυμαστὸν συνέβαινε γίνεσθαι τὸν κίνδυνον. [2] συστάδην γὰρ οὔσης τῆς μάχης καὶ τῶν πληγῶν ἐκ χειρὸς γινομένων, ἔτι δὲ τῆς συστάσεως πεπυκνωμένης, ἐπὶ πολὺν χρόνον ἰσόρροπος ἦν ἡ μάχη. τῶν δ' Ἑλλήνων ὑπερεχόντων ταῖς ἀρεταῖς καὶ τῷ μεγέθει τῶν ἀσπίδων, μόγις ἐνέδωκαν οἱ Μῆδοι: πολλοὶ μὲν γὰρ αὐτῶν ἔπεσον, οὐκ ὀλίγοι δὲ κατετραυματίσθησαν. τοῖς δὲ Μήδοις ἐπιτεταγμένοι Κίσιοι καὶ Σάκαι κατ' ἀρετὴν ἐπιλέκτοι διεδέξαντο τὴν μάχην, καὶ νεοχμοὶ πρὸς διαπεπονημένους συμβαλόντες ὀλίγον μὲν χρόνον ὑπέμενον τὸν κίνδυνον, κτεινόμενοι δ' ὑπὸ τῶν περὶ τὸν Λεωνίδην καὶ βιασθέντες ὑπεχώρησαν: [3] ἀσπίσι γὰρ καὶ πέλταις μικραῖς οἱ βάρβαροι χρώμενοι κατὰ μὲν τὰς εὐρυχωρίας ἐπλεονέκτουν, εὐκίνητοι γινόμενοι, κατὰ δὲ τὰς στενοχωρίας τοὺς μὲν πολεμίους οὐκ εὐχερῶς ἐτίτρωσκον, συμπεφραγμένους καὶ μεγάλαις ἀσπίσι σκεπαζομένους ὅλον τὸ σῶμα, αὐτοὶ δὲ διὰ τὰς κουφότητας τῶν σκεπαστηρίων ὅπλων ἐλαττούμενοι πυκνοῖς τραύμασι περιέπιπτον. [4] τέλος δὲ ὁ Ξέρξης ὁρῶν πάντα μὲν τὸν περὶ τὰς παρόδους τόπον νεκρῶν ἐστρωμένον, τοὺς δὲ βαρβάρους οὐχ ὑπομένοντας τὰς τῶν Ἑλλήνων ἀρετάς, προσέπεμψε τοὺς τῶν Περσῶν ἐπιλέκτους, ὀνομαζομένους ἀθανάτους καὶ δοκοῦντας ταῖς ἀνδραγαθίαις πρωτεύειν τῶν συστρατευομένων. ὥς δὲ καὶ οὗτοι βραχὺν ἀντιστάντες χρόνον ἔφυγον, τότε μὲν τῆς νυκτὸς ἐπιλαβούσης διελύθησαν, παρὰ μὲν τοῖς βαρβάροις πολλῶν ἀνηρημένων, παρὰ δὲ τοῖς Ἑλλήσιν ὀλίγων πεπτωκότων. 8. τῇ δ' ὑστεραῖα Ξέρξης μὲν, παρὰ προσδοκίαν αὐτῷ τῆς μάχης λαβούσης τὸ τέλος, ἐξ ἀπάντων τῶν ἐθνῶν ἐπέλεξε τοὺς δοκοῦντας ἀνδρεῖα καὶ θράσει διαφέρειν, καὶ πολλὰ δεηθεὶς αὐτῶν προεῖπεν, ὅτι βιασαμένοις μὲν αὐτοῖς τὴν εἴσοδον δωρεὰς ἀξιολόγους δώσει, φεύγουσι δὲ θάνατος ἔσται τὸ πρόστιμον. [2] τούτων δὲ μετὰ μεγάλης συστροφῆς καὶ βίας ἐπιρραξάντων τοῖς Ἑλλήσιν, οἱ περὶ Λεωνίδην τότε συμφράξαντες καὶ τείχει παραπλησίαν ποιησάμενοι τὴν σύστασιν ἐκθύμως ἠγωνίζοντο. ἐπὶ τοσοῦτο δὲ προέβησαν ταῖς προθυμίαις,

ὥστε τοὺς εἰσθότας ἐκ διαδοχῆς μεταλαμβάνειν τῆς μάχης οὐ συνεχώρησαν, ἀλλὰ τῇ συνεχείᾳ τῆς κακοπαθείας περιγενόμενοι πολλοὺς ἀνῆρουν τῶν ἐπιλέκτων βαρβάρων. [3] ἐνημερεῦντες δὲ τοῖς κινδύνοις ἡμιλλῶντο πρὸς ἀλλήλους· οἱ μὲν γὰρ πρεσβύτεροι πρὸς τὰς τῶν νέων ἀκμὰς παρεβάλλοντο, οἱ δὲ νεώτεροι πρὸς τὰς τῶν πρεσβυτέρων ἐμπειρίας τε καὶ δόξας ἡμιλλῶντο. τέλος δὲ φευγόντων καὶ τῶν ἐπιλέκτων, οἱ τὴν ἐπιτεταγμένην στάσιν ἔχοντες τῶν βαρβάρων συμφράξαντες οὐκ εἶων φεύγειν τοὺς ἐπιλέκτους· διόπερ ἠναγκάζοντο πάλιν ἀναστρέφειν καὶ μάχεσθαι. [4] ἀπορουμένου δὲ τοῦ βασιλέως καὶ νομίζοντος μηδένα τολμήσειν ἔτι μάχεσθαι, ἦκε πρὸς αὐτὸν Τραχίνιός τις τῶν ἐγχωρίων, ἔμπειρος ὢν τῆς ὀρεινῆς χώρας. οὗτος τῷ Ξέρξῃ προσελθὼν ἐπηγγείλατο διὰ τινος ἀτραποῦ στενῆς καὶ παρακρήμνου τοὺς Πέρσας ὁδηγήσειν, ὥστε γενέσθαι τοὺς συνελθόντας αὐτῷ κατόπιν τῶν περὶ τὸν Λεωνίδην, καὶ τούτῳ τῷ τρόπῳ περιληφθέντας αὐτοὺς εἰς τὸ μέσον ῥαδίως ἀναιρεθήσεσθαι. [5] ὁ δὲ βασιλεὺς περιχαρὴς ἐγένετο, καὶ τιμήσας δωραῖς τὸν Τραχίνιον συνεξέπεμψεν αὐτῷ στρατιώτας δισμυρίους νυκτός. τῶν δὲ παρὰ τοῖς Πέρσαις τις ὄνομα Τυρραστιάδας, τὸ γένος ὢν Κυμαῖος, φιλόκαλος δὲ καὶ τὸν τρόπον ὢν ἀγαθός, διαδράς ἐκ τῆς τῶν Περσῶν παρεμβολῆς νυκτός ἦκε πρὸς τοὺς περὶ τὸν Λεωνίδην, καὶ τὰ περὶ τὸν Τραχίνιον ἀγνοοῦσιν ἐδήλωσεν. 9.

ἀκούσαντες δ' οἱ Ἕλληνες συνήδρευσαν περὶ μέσας νύκτας καὶ ἐβουλεύοντο περὶ τῶν ἐπιφερομένων κινδύνων. ἔνιοι μὲν οὖν ἔφασαν δεῖν παρακρήμα καταλιπόντας τὰς παρόδους διασώζεσθαι πρὸς τοὺς συμμάχους· ἀδύνατον γὰρ εἶναι τοῖς μείνασι τυχεῖν σωτηρίας· Λεωνίδης δὲ ὁ βασιλεὺς τῶν Λακεδαιμονίων φιλοτιμούμενος αὐτῷ τε δόξαν περιθεῖναι μεγάλην καὶ τοῖς Σπαρτιάταις, προσέταξε τοὺς μὲν ἄλλους Ἕλληνας ἅπαντας ἀπιέναι καὶ σῶζειν ἑαυτοὺς, ἵνα κατὰ τὰς ἄλλας μάχας συναγωνίζωνται τοῖς Ἕλλησιν, αὐτοὺς δὲ τοὺς Λακεδαιμονίους ἔφησε δεῖν μένειν καὶ τὴν φυλακὴν τῶν παρόδων μὴ λιπεῖν· πρέπειν γὰρ τοὺς ἡγουμένους τῆς Ἑλλάδος ὑπὲρ τῶν πρωτείων ἀγωνιζομένους ἀποθνήσκειν ἐτοιμῶς. [2] εὐθὺς οὖν οἱ μὲν ἄλλοι πάντες ἀπηλλάγησαν, ὁ δὲ Λεωνίδης μετὰ τῶν πολιτῶν ἥρωικὰς πράξεις καὶ παραδόξους ἐπετελέσατο. ὀλίγων δ' ὄντων Λακεδαιμονίων, Θεσπιεῖς γὰρ μόνους παρακατέσχε, καὶ τοὺς σύμπαντας ἔχων οὐ πλείους τῶν πεντακοσίων, ἔτοιμος ἦν ὑποδεξάσθαι τὸν ὑπὲρ τῆς Ἑλλάδος θάνατον. [3] μετὰ δὲ ταῦτα οἱ μὲν μετὰ τοῦ Τραχίνιου Πέρσαις περιελθόντες τὰς δυσχωρίας ἄφνω τοὺς περὶ τὸν Λεωνίδην ἀπέλαβον εἰς τὸ μέσον, οἱ δ' Ἕλληνες τὴν μὲν σωτηρίαν ἀπογνόντες, τὴν δ' εὐδοξίαν ἐλόμενοι, μᾶ φωνῇ τὸν ἡγούμενον ἡξίουσαν ἄγειν ἐπὶ τοὺς πολεμίους, πρὶν ἢ γνῶναι τοὺς Πέρσας τὴν τῶν ιδίων περίοδον. [4] Λεωνίδης δὲ τὴν ἐτοιμότητα τῶν στρατιωτῶν ἀποδεξάμενος, τούτοις παρήγγειλε ταχέως ἀριστοποιεῖσθαι, ὥς ἐν ἄδου δειπνησομένους· αὐτὸς δ' ἀκολούθως τῇ παραγγελίᾳ τροφὴν προσηνέγκατο, νομίζων οὕτω δυνήσεσθαι πολὺν χρόνον ἰσχύειν καὶ φέρειν τὴν ἐν τοῖς κινδύνοις ὑπομονήν. ἐπεὶ δὲ συντόμως ἀναλαβόντες αὐτοὺς ἔτοιμοι πάντες ὑπῆρξαν, παρήγγειλε τοῖς στρατιώταις εἰσπεσόντας εἰς τὴν παρεμβολὴν φονεύειν τοὺς ἐντυγχάνοντας καὶ ἐπ' αὐτὴν ὀρμῆσαι τὴν τοῦ βασιλέως σκηνήν. 10. οὗτοι μὲν οὖν

ἀκολούθως ταῖς παραγγελίαις συμφράξαντες νυκτὸς εἰσέπεσον εἰς τὴν τῶν Περσῶν στρατοπεδείαν, προκαθηγουμένου τοῦ Λεωνίδου: οἱ δὲ βάρβαροι διὰ τε τὸ παράδοξον καὶ τὴν ἄγνοιαν μετὰ πολλοῦ θορύβου συνέτρεχον ἐκ τῶν σκηνῶν ἀτάκτως, καὶ νομίσαντες τοὺς μετὰ τοῦ Τραχινίου πορευομένους ἀπολωλέναι καὶ τὴν δύναμιν ἅπασαν τῶν Ἑλλήνων παρεῖναι, κατεπλάγησαν. [2] διὸ καὶ πολλοὶ μὲν ὑπὸ τῶν περὶ τὸν Λεωνίδην ἀνηροῦντο, πλείους δὲ ὑπὸ τῶν ιδίων ὥς ὑπὸ πολέμιων διὰ τὴν ἄγνοιαν ἀπώλοντο. ἥ τε γὰρ νῦν ἀφηρεῖτο τὴν ἀληθινὴν ἐπίγνωσιν, ἥ τε ταραχὴ καθ' ὅλην οὕσα τὴν στρατοπεδείαν εὐλόγως πολὺν ἐποίει φόνον: ἔκτεινον γὰρ ἀλλήλους, οὐ διδούσης τῆς περιστάσεως τὸν ἐξετασμὸν ἀκριβῆ διὰ τὸ μήτε ἡγεμόνος παραγγελίαν μήτε συνθήματος ἐρώτησιν μήτε ὅλως διανοίας κατάστασιν ὑπάρχειν. [3] εἰ μὲν οὖν ὁ βασιλεὺς ἔμεινεν ἐπὶ τῆς βασιλικῆς σκηνῆς, ῥαδίως ἂν καὶ αὐτὸς ὑπὸ τῶν Ἑλλήνων ἀνῆρητο καὶ ὁ πόλεμος ἅπας ταχείας ἂν ἐτετεύχει καταλύσεως: νῦν δ' ὁ μὲν Ξέρξης ἦν ἐκπεπηδηκὼς πρὸς τὴν ταραχήν, οἱ δ' Ἕλληνες εἰσπεσόντες εἰς τὴν σκηνὴν τοὺς ἐγκαταληφθέντας ἐν αὐτῇ σχεδὸν ἅπαντας ἐφόνευσαν. [4] τῆς δὲ νυκτὸς καθεστῶσης ἐπλανῶντο καθ' ὅλην τὴν παρεμβολὴν ζητοῦντες τὸν Ξέρξην εὐλόγως: ἡμέρας δὲ γενομένης καὶ τῆς ὅλης περιστάσεως δηλωθείσης, οἱ μὲν Πέρσαι θεωροῦντες ὀλίγους ὄντας τοὺς Ἕλληνας, κατεφρόνησαν αὐτῶν, καὶ κατὰ στόμα μὲν οὐ συνεπλέκοντο, φοβούμενοι τὰς ἀρετὰς αὐτῶν, ἐκ δὲ τῶν πλαγίων καὶ ἐξόπισθεν περιστάμενοι καὶ πανταχόθεν τοξεύοντες καὶ ἀκοντίζοντες ἅπαντας ἀπέκτειναν. οἱ μὲν οὖν μετὰ Λεωνίδου τὰς ἐν Θερμοπύλαις παρόδους τηροῦντες τοιοῦτον ἔσχον τοῦ βίου τὸ τέλος. 11.

ὦν τὰς ἀρετὰς τίς οὐκ ἂν θαυμάσειεν; οἵτινες μιᾷ γνώμῃ χρησάμενοι τὴν μὲν ἀφωρισμένην τάξιν ὑπὸ τῆς Ἑλλάδος οὐκ ἔλιπον, τὸν ἑαυτῶν δὲ βίον προθύμως ἐπέδωκαν εἰς τὴν κοινὴν τῶν Ἑλλήνων σωτηρίαν, καὶ μᾶλλον εἶλοντο τελευτᾶν καλῶς ἢ ζῆν αἰσchrῶς. καὶ τὴν τῶν Περσῶν δὲ κατάπληξιν οὐκ ἂν τις ἀπιστήσαι γενέσθαι. [2] τίς γὰρ ἂν τῶν βαρβάρων ὑπέλαβε τὸ γεγενημένον; τίς δ' ἂν προσεδόκησεν ὅτι πεντακόσιοι τὸν ἀριθμὸν ὄντες ἐτόλμησαν ἐπιθέσθαι ταῖς ἑκατὸν μυριάσι; διὸ καὶ τίς οὐκ ἂν τῶν μεταγενεστέρων ζηλώσει τὴν ἀρετὴν τῶν ἀνδρῶν, οἵτινες τῷ μεγέθει τῆς περιστάσεως κατεσχημένοι τοῖς μὲν σώμασι κατεπονθήθησαν, ταῖς δὲ ψυχαῖς οὐχ ἡττήθησαν; τοιγαροῦν οὗτοι μόνοι τῶν μνημονευομένων κρατηθέντες ἐνδοξότεροι γεγόνανσι τῶν ἄλλων τῶν τὰς καλλίστας νίκας ἀπενηνεγμένων. χρὴ γὰρ οὐκ ἐκ τῶν ἀποτελεσμάτων κρίνειν τοὺς ἀγαθοὺς ἄνδρας, ἀλλ' ἐκ τῆς προαιρέσεως: τοῦ μὲν γὰρ ἡ τύχη κυρία, τοῦ δ' ἡ προαίρεσις δοκιμάζεται. [3] τίς γὰρ ἂν ἐκείνων ἀμείνους ἄνδρας κρίνειεν, οἵτινες οὐδὲ τῷ χιλιοστῷ μέρει τῶν πολέμιων ἴσοι τὸν ἀριθμὸν ὄντες ἐτόλμησαν τοῖς ἀπιστουμένοις πλήθεσι παρατάξαι τὴν ἑαυτῶν ἀρετὴν; οὐ κρατήσιν τῶν τοσοῦτων μυριάδων ἐλπίζοντες, ἀλλ' ἀνδραγαθία τοὺς πρὸ αὐτῶν ἅπαντας ὑπερβαλεῖν νομίζοντες, καὶ τὴν μὲν μάχην αὐτοῖς εἶναι κρίνοντες πρὸς τοὺς βαρβάρους, τὸν ἀγῶνα δὲ καὶ τὴν ὑπὲρ τῶν ἀριστείων κρίσιν πρὸς ἅπαντας τοὺς ἐπ' ἀρετῇ θαυμαζομένους ὑπάρχειν. [4] μόνοι γὰρ τῶν ἐξ αἰῶνος μνημονευομένων εἶλοντο μᾶλλον τηρεῖν τοὺς τῆς πόλεως νόμους ἢ τὰς ἰδίας ψυχάς, οὐ

δυσφοροῦντες ἐπὶ τῷ μεγίστους ἑαυτοῖς ἐφεστάναι κινδύνους, ἀλλὰ κρίνοντας εὐκταϊότατον εἶναι τοῖς ἀρετὴν ἀσκούσι τοιούτων ἀγώνων τυγχάνειν. [5] δικαίως δ' ἂν τις τούτους καὶ τῆς κοινῆς τῶν Ἑλλήνων ἐλευθερίας αἰτίους ἡγήσαιο ἢ τοὺς ὕστερον ἐν ταῖς πρὸς Ξέρξην μάχαις νικήσαντας: τούτων γὰρ τῶν πράξεων μνημονεύοντες οἱ μὲν βάρβαροι κατεπλάγησαν, οἱ δὲ Ἕλληνες παρωξύνθησαν πρὸς τὴν ὁμοίαν ἀνδραγαθίαν. [6] καθόλου δὲ μόνοι τῶν πρὸ ἑαυτῶν διὰ τὴν ὑπερβολὴν τῆς ἀρετῆς εἰς ἀθανασίαν μετήλλαξαν. διόπερ οὐχ οἱ τῶν ἱστοριῶν συγγραφεῖς μόνον, ἀλλὰ πολλοὶ καὶ τῶν ποιητῶν καθύμνησαν αὐτῶν τὰς ἀνδραγαθίας: ὧν γέγονε καὶ Σιμωνίδης, ὁ μελοποιός, ἄξιον τῆς ἀρετῆς αὐτῶν ποιήσας ἐγκώμιον, ἐν ᾧ λέγει” τῶν ἐν Θερμοπύλαις θανόντων

εὐκλεῆς μὲν ἂ τύχα, καλὸς δ' ὁ πότμος,
βωμὸς δ' ὁ τάφος, πρὸ γόνων δὲ μνάστις, ὁ δ' οἶτος ἔπαινος.
ἐντάφιον δὲ τοιοῦτον οὐτ' εὐρὼς
οὔθ' ὁ πανδαμάτωρ ἀμαυρώσει χρόνος.
ἀνδρῶν ἀγαθῶν ὅδε σηκὸς οἰκέταν εὐδοξίαν
Ἑλλάδος εἴλετο. μαρτυρεῖ δὲ καὶ Λεωνίδας
ὁ Σπάρτας βασιλεὺς, ἀρετᾶς μέγαν λελοιπῶς
κόσμον ἀέναόν τε κλέος.

“Simonides fr. 1 (Bergk) 12.

ἡμεῖς δὲ ἀρκούντως περὶ τῆς τούτων τῶν ἀνδρῶν ἀρετῆς εἰρηκότες ἐπάνιμεν ἐπὶ τὰ συνεχῇ τοῖς εἰρημένοις. Ξέρξης γὰρ τῶν παρόδων τὸν εἰρημένον τρόπον κρατήσας καὶ κατὰ τὴν παροιμίαν τὴν Καδμεῖαν νίκην νενικηκώς, ὀλίγους μὲν τῶν πολεμίων ἀνέϊλε, πολλαπλασίους δὲ τῶν ἰδίων ἀπώλεσεν. ἐπεὶ δὲ πεζῇ τῶν παρόδων ἐκυρίευσεν, τῶν κατὰ τὴν θάλατταν ἀγώνων ἔκρινε λαμβάνειν πείραν. [2] εὐθὺς οὖν τὸν ἀφηγοῦμενον τοῦ στόλου Μεγαβάτην προσκαλεσάμενος διεκελεύσατο πλεῖν ἐπὶ τὸ τῶν Ἑλλήνων ναυτικὸν καὶ πειρᾶσθαι παντὶ τῷ στόλῳ ναυμαχεῖν πρὸς τοὺς Ἕλληνας. [3] ὁ δὲ ταῖς τοῦ βασιλέως παραγγελίαις ἀκολουθῶν ἐκ Πύδνης τῆς Μακεδονικῆς ἀνήχθη παντὶ τῷ στόλῳ, καὶ κατέπλευσε τῆς Μαγνησίας πρὸς ἄκραν τὴν ὀνομαζομένην Σηπιάδα. ἐνταῦθα δὲ μεγάλου πνεύματος ἐπιγενομένου ἀπέβαλε ναὺς μακρὰς μὲν ὑπὲρ τὰς τριακοσίας, ἵππαγωγούς δὲ καὶ τῶν ἄλλων παμπληθεῖς. λήξαντος δὲ τοῦ πνεύματος ἀναχθεῖς κατέπλευσεν εἰς Ἀφέτας τῆς Μαγνησίας. ἐκεῖθεν δὲ διακοσίας τριήρεις ἐξέπεμψε, προστάζας τοῖς ἡγεμόσι περιπλεῦσαι καὶ τὴν Εὐβοίαν δεξιὰν λαβόντας κυκλώσασθαι τοὺς πολεμίους. [4] οἱ δ' Ἕλληνες ὥρμουν μὲν ἐπ' Ἀρτεμισίῳ τῆς Εὐβοίας, εἶχον δὲ τὰς πάσας τριήρεις διακοσίας καὶ ὀγδοήκοντα: καὶ τούτων ἦσαν τῶν μὲν Ἀθηναίων ἑκατὸν καὶ τετταράκοντα, αἱ δὲ λοιπαὶ τῶν ἄλλων Ἑλλήνων. τούτων δὲ ναύαρχος μὲν ἦν Εὐρυβιάδης ὁ Σπαρτιάτης, διώκει δὲ τὰ περὶ τὸν στόλον Θεμιστοκλῆς ὁ Ἀθηναῖος: οὗτος γὰρ διὰ σύνεσιν καὶ στρατηγίαν μεγάλης ἀποδοχῆς ἐτύγγανεν οὐ μόνον ἐν τοῖς κατὰ τὸ ναυτικὸν Ἕλλησιν, ἀλλὰ καὶ παρ' αὐτῷ τῷ Εὐρυβιάδῃ, καὶ πάντες τούτῳ προσέχοντες προθύμως ὑπήκουον. [5] προτεθείσης δὲ βουλῆς ἐν τοῖς τῶν νεῶν ἡγεμόσι περὶ τῆς ναυμαχίας, οἱ μὲν ἄλλοι πάντες τὴν ἡσυχίαν ἔκριναν ἔχειν καὶ τὸν ἐπίπλουν

τῶν πολέμιων ἀναδέχσθαι, μόνος δὲ Θεμιστοκλῆς τὴν ἐναντίαν ἀπεφώνητο γνώμην, διδάσκων ὅτι συμφέρει παντὶ τῷ στόλῳ συντεταγμένῳ πλεῖν ἐπὶ τοὺς πολεμίους: οὕτω γὰρ αὐτοὺς πλεονεκτήσιν ἄθροαίς ταῖς ναυσὶν ἐπιπλέοντας τοῖς διὰ τὴν ταραχὴν διεσπασμένην ἔχουσι τὴν τάξιν, ὥς ἂν ἐκ πολλῶν καὶ διεστηκότων λιμένων ἐκπλεύουσι. τέλος δὲ κατὰ τὴν Θεμιστοκλέους κρίσιν οἱ Ἕλληνες παντὶ τῷ στόλῳ τοῖς πολεμίοις ἐπέπλευσαν. [6] τῶν δὲ βαρβάρων ἐκ πολλῶν λιμένων ἀναγομένων, τὸ μὲν πρῶτον οἱ περὶ τὸν Θεμιστοκλέα διεσπαρμένοι τοῖς Πέρσαις συμπλεκόμενοι πολλὰς μὲν ναῦς κατέδυσαν, οὐκ ὀλίγας δὲ φυγεῖν ἀναγκάσαντες μέχρι τῆς γῆς κατεδίωξαν: μετὰ δὲ ταῦτα παντὸς τοῦ στόλου συναχθέντος καὶ γενομένης ναυμαχίας ἰσχυρᾶς, μέρει μὲν τῶν νεῶν ἑκάτεροι ἐπρωτέρησαν, οὐδέτεροι δὲ ὀλοσχερεῖ νίκη πλεονεκτήσαντες νυκτὸς ἐπιλαβούσης διελύθησαν. 13.

μετὰ δὲ τὴν ναυμαχίαν χειμῶν ἐπιγενόμενος μέγας πολλὰς ἐκτὸς τοῦ λιμένος ὁρμούσας τῶν νεῶν διέφθειρεν, ὥστε δοκεῖν τὸ θεῖον ἀντιλαμβάνεσθαι τῶν Ἑλλήνων, ἵνα τοῦ πλήθους τῶν βαρβαρικῶν νεῶν ταπεινωθέντος ἀντίπαλος ἢ τῶν Ἑλλήνων δύναμις γένηται καὶ πρὸς τὰς ναυμαχίας ἀξιοχρεῶς διόπερ οἱ μὲν Ἕλληνες ἀεὶ μᾶλλον ἐθάρρουν, οἱ δὲ βάρβαροι ἀεὶ πρὸς τοὺς κινδύνους ἐγίνοντο δειλότεροι. οὐ μὴν ἀλλ' ἀναλαβόντες ἑαυτοὺς ἐκ τῆς ναυαγίας ἀπάσαις ταῖς ναυσὶν ἀνήχθησαν ἐπὶ τοὺς πολεμίους. [2] οἱ δ' Ἕλληνες, προσγενομένων αὐτοῖς τριήρων πεντήκοντα Ἀττικῶν, ἀντιπαρετάχθησαν τοῖς βαρβάροις. ἦν δ' αὐτῶν ἡ ναυμαχία παραπλήσιος ταῖς περὶ τὰς Θερμοπύλας μάχαις: οἱ μὲν γὰρ Πέρσαις διεγνώκεσαν βιάσασθαι τοὺς Ἕλληνας καὶ τὸν Εὐριπτον διεκπλεῦσαι, οἱ δ' Ἕλληνες ἐμφράξαντες τὰ στενὰ προεμάχοντο τῶν ἐντὸς τῆς Εὐβοίας συμμαχοῦντων. γενομένης δὲ ναυμαχίας ἰσχυρᾶς πολλαὶ νῆες παρ' ἀμφοτέρων διεφθάρησαν, καὶ νυκτὸς ἐπιγενομένης ἠναγκάσθησαν ἀνακάμπειν ἐπὶ τοὺς οἰκείους λιμένας. ἀριστεῦσαι δὲ ἐν ἀμφοτέραις ταῖς ναυμαχίαις φασὶ παρὰ μὲν τοῖς Ἕλλησιν Ἀθηναίους, παρὰ δὲ τοῖς βαρβάροις Σιδωνίους. [3] μετὰ δὲ ταῦτα οἱ Ἕλληνες ἀκούσαντες τὰ περὶ Θερμοπύλας γενόμενα, πυθόμενοι δὲ καὶ τοὺς Πέρσας πεζῇ προάγειν ἐπὶ τὰς Ἀθήνας, ἠθύμησαν: διόπερ ἀποπλεύσαντες εἰς Σαλαμῖνα διέτριβον ἐνταῦθα. [4] οἱ δ' Ἀθηναῖοι θεωροῦντες πανδημεὶ κινδυνεύοντας τοὺς ἐν ταῖς Ἀθήναις, τέκνα καὶ γυναῖκας καὶ τῶν ἄλλων χρησίμων ὅσα δυνατόν ἦν εἰς τὰς ναῦς ἐνθέντες διεκόμισαν εἰς Σαλαμῖνα. [5] ὁ δὲ τῶν Περσῶν ναύαρχος πυθόμενος τὸν τῶν πολέμιων ἀπόπλουν, κατῆρεν εἰς τὴν Εὐβοίαν μετὰ παντὸς τοῦ στόλου, καὶ τὴν τῶν Ἰστιαίων πόλιν βίᾳ χειρωσάμενος καὶ διαρπάσας τὴν χώραν αὐτῶν ἐδήλωσεν. 14.

ἄμα δὲ τούτοις πραττομένοις Ξερξῆς ἀπὸ τῶν Θερμοπυλῶν ἀναζεύξας προῆγε διὰ τῆς Φωκέων χώρας, πορθῶν μὲν τὰς πόλεις, καταφθείρων δὲ τὰς ἐπὶ τῆς χώρας κτήσεις. οἱ δὲ Φωκεῖς τὰ τῶν Ἑλλήνων ἥρημένοι, καὶ θεωροῦντες αὐτοὺς οὐκ ἀξιωμαχοὺς ὄντας, τὰς μὲν πόλεις ἀπάσας ἐξέλιπον πανδημεῖ, πρὸς δὲ τὰς δυσχωρίας τὰς ἐν τῇ Παρνασσῷ κατέφυγον. [2] μετὰ δὲ ταῦτα ὁ βασιλεὺς τὴν μὲν τῶν Δωριέων χώραν διεξιὼν οὐδὲν ἠδίκηι: συνεμάχον γὰρ Πέρσαις: αὐτοῦ δὲ μέρος μὲν τῆς δυνάμεως ἀπέλιπε, καὶ

προσέταξεν εἰς Δελφοὺς ἰέναι καὶ τὸ μὲν τέμενος τοῦ Ἀπόλλωνος ἐμπρῆσαι, τὰ δὲ ἀναθήματα συλῆσαι, αὐτὸς δὲ μετὰ τῶν ἄλλων βαρβάρων προελθὼν εἰς τὴν Βοιωτίαν κατεστρατοπέδευσεν. [3] οἱ δ' ἐπὶ τὴν σύλησιν τοῦ μαντείου πεμφθέντες προῆλθον μὲν μέχρι τοῦ ναοῦ τῆς Προναίας Ἀθηνᾶς, ἐνταῦθα δὲ παραδόξως ὄμβρων μεγάλων καὶ κεραυνῶν πολλῶν ἐκ τοῦ περιέχοντος πεσόντων, πρὸς δὲ τούτοις τῶν χειμῶνων πέτρας μεγάλας ἀπορρηξάντων εἰς τὸ στρατόπεδον τῶν βαρβάρων, συνέβη διαφθαρῆναι συχοῦς τῶν Περσῶν, πάντας δὲ καταπλαγέντας τὴν τῶν θεῶν ἐνέργειαν φυγεῖν ἐκ τῶν τόπων. [4] τὸ μὲν οὖν ἐν Δελφοῖς μαντεῖον δαιμονία τινὶ προνοία τὴν σύλησιν διέφυγεν: οἱ δὲ Δελφοὶ τῆς τῶν θεῶν ἐπιφανείας ἀθάνατον ὑπόμνημα καταλιπεῖν τοῖς μεταγενεστέροις βουλόμενοι, τρόπαιον ἔστησαν παρὰ τὸ τῆς Προναίας Ἀθηνᾶς ἱερόν, ἐν ᾧ τόδε τὸ ἔΛΕΓΕΙΟΝ ἐνέγραψαν,» μνᾱμά τ' ἄλεξάνδρου πολέμου καὶ μάρτυρα νίκας

Δελφοὶ με στᾶσαν, Ζανὶ χαριζόμενοι

σὺν Φοίβῳ, πτολίπορθον ἀπωσαμένοις στίχα Μήδων

καὶ χαλκοστέφανον ῥυσαμένοις τέμενος.

“ [5] Ξέρξης δὲ διὰ τῆς Βοιωτίας διεξιὼν τὴν μὲν τῶν Θεσπιδῶν χώραν κατέφθειρε, τὰς δὲ Πλαταιὰς ἐρήμους οὔσας ἐνέπρησεν: οἱ γὰρ ἐν ταῖς πόλεσι ταύταις κατοικοῦντες ἐπεφεύγσαν εἰς Πελοπόννησον πανδημεῖ. μετὰ δὲ ταῦτα εἰς τὴν Ἀττικὴν ἐμβαλόντες τὴν μὲν χώραν ἐδήωσαν, τὰς δὲ Ἀθήνας κατέσκαψαν καὶ τοὺς τῶν θεῶν ναοὺς ἐνέπρησαν. τοῦ δὲ βασιλέως περὶ ταῦτα διατρίβοντος, κατέπλευσεν ὁ στόλος ἐκ τῆς Εὐβοίας εἰς τὴν Ἀττικὴν, πεπορθηκῶς τὴν τε Εὐβοίαν καὶ τὴν παράλιον τῆς Ἀττικῆς. 15.

κατὰ δὲ τοῦτον τὸν καιρὸν Κερκυραῖοι μὲν πληρώσαντες ἐξήκοντα τριῆρεις διέτριβον περὶ τὴν Πελοπόννησον, ὥς μὲν αὐτοὶ φασιν, οὐ δυνάμενοι κάμψαι τὸ περὶ τὸν Μαλέαν ἀκρωτήριον, ὥς δὲ τινες τῶν συγγραφέων ἱστοροῦσι, караδοκοῦντες τὰς τοῦ πολέμου ῥοπάς, ὅπως Περσῶν μὲν κρατησάντων ἐκείνοις δῶσιν ὕδωρ καὶ γῆν, τῶν δ' Ἑλλήνων νικόντων δόξωσιν αὐτοῖς βεβοηθηκέναι. [2] οἱ δὲ περὶ τὴν Σαλαμίνα διατρίβοντες Ἀθηναῖοι, θεωροῦντες τὴν Ἀττικὴν πυρπολουμένην καὶ τὸ τέμενος τῆς Ἀθηνᾶς ἀκούοντες κατεσκάφθαι, δεινῶς ἠθύμουν. ὁμοίως δὲ καὶ τοὺς ἄλλους Ἕλληνας πολὺς κατεῖχε φόβος πανταχόθεν συνεληλαμένους εἰς αὐτὴν τὴν Πελοπόννησον. ἔδοξεν οὖν αὐτοῖς πάντας τοὺς ἐφ' ἡγεμονίας τεταγμένους συνεδρεῦσαι καὶ βουλευσασθαι, κατὰ ποίους τόπους συμφέρει ποιεῖσθαι τὴν ναυμαχίαν. [3] πολλῶν δὲ καὶ ποικίλων λόγων ῥηθέντων, οἱ μὲν Πελοποννήσιοι, τῆς ἰδίας μόνον ἀσφαλείας φροντίζοντες, ἔφασαν δεῖν περὶ τὸν Ἴσθμὸν συστήσασθαι τὸν ἀγῶνα: τετειχισμένου γὰρ αὐτοῦ καλῶς, ἐάν τι περὶ τὴν ναυμαχίαν γένηται πταῖσμα, δυνήσεσθαι τοὺς ἡττηκότες εἰς ἐτοιμοτάτην ἀσφάλειαν καταφυγεῖν τὴν Πελοπόννησον: ἐὰν δὲ συγκλείσωσιν ἑαυτοὺς εἰς μικρὰν νῆσον τὴν Σαλαμίνα, δυσβοηθήτοις κακοῖς περιπεσεῖσθαι. [4] Θεμιστοκλῆς δὲ συνεβούλευσε περὶ τὴν Σαλαμίνα ποιεῖσθαι τὸν ἀγῶνα τῶν νεῶν: πολλὰ γὰρ πλεονεκτῆσειν ἐν ταῖς στενοχωρίαις τοὺς ὀλίγοις σκάφεσι διαγωνιζομένους πρὸς πολλαπλασίας ναῦς. καθόλου δὲ τὸν περὶ τὸν Ἴσθμὸν τόπον ἀπεφαίνετο παντελῶς ἄθετον ἔσσεσθαι πρὸς τὴν ναυμαχίαν: ἔσσεσθαι γὰρ

πελάγιον τὸν ἀγῶνα, καὶ τοὺς Πέρσας διὰ τὴν εὐρυχωρίαν ῥαδίως καταπονήσονται τὰς ὀλίγας ναῦς ταῖς πολλαπλασίαις. ὁμοίως δὲ καὶ ἄλλα πολλὰ διαλεχθεὶς οἰκεῖα τῆς περιστάσεως, ἅπαντας ἐπεισεν αὐτῷ συμψήφους γενέσθαι τοῦτον τὸν τρόπον. 16.

τέλος δὲ κοινοῦ δόγματος γενομένου περὶ Σαλαμίνα ναυμαχεῖν, οἱ μὲν Ἕλληνες παρεσκευάζοντο τὰ πρὸς τοὺς Πέρσας καὶ πρὸς τὸν κίνδυνον. ὁ δ' οὖν Εὐρυβιάδης παραλαβὼν τὸν Θεμιστοκλέα παρακαλεῖν ἐπεχειρεῖ τὰ πλήθη καὶ προτρέπειεσθαι πρὸς τὸν ἐπιφερόμενον κίνδυνον. οὐ μὴν τὸ πλῆθος ὑπήκουεν, ἀλλὰ πάντων καταπεπληγμένων τὸ μέγεθος τῶν Περσικῶν δυνάμεων οὐδεὶς προσεῖχε τοῖς ἡγεμόσιν, ἀλλ' ἕκαστος ἐκ τῆς Σαλαμίνος ἐκπλεῖν ἔσπευδεν εἰς τὴν Πελοπόννησον. [2] οὐδὲν δ' ἦττον καὶ τὸ πεζὸν στρατόπεδον τῶν Ἑλλήνων ἐδεδείκε τὰς τῶν πολεμίων δυνάμεις, ἥ τε τῶν περὶ Θερμοπύλας ἀπώλεια τῶν ἀξιολογωτάτων ἀνδρῶν παρείχετο κατάπληξιν, καὶ τὰ περὶ τὴν Ἀττικὴν συμπτώματα πρὸ ὀφθαλμῶν ὄντα πολλὴν ἀθυμίαν ἐνεποίει τοῖς Ἕλλησιν. [3] οἱ δὲ σύνεδροι τῶν Ἑλλήνων ὀρῶντες τὴν τῶν ὄχλων ταραχὴν καὶ τὴν ὅλην ἐκπληξιν, ἐψηφίσαντο διατειχίζειν τὸν Ἰσθμόν. καὶ ταχὺ τῶν ἔργων συντελεσθέντων διὰ τὴν προθυμίαν καὶ τὸ πλῆθος τῶν ἐργαζομένων, οἱ μὲν Πελοποννήσιοι ὠχύρουν τὸ τεῖχος, διατεῖνον ἐπὶ σταδίους τετταράκοντα ἀπὸ Λεχαιῶν μέχρι Κεγχρεῶν, οἱ δ' ἐν τῇ Σαλαμῖνι διατρίβοντες μετὰ παντὸς τοῦ στόλου κατεπλάγησαν ἐπὶ τοσοῦτον, ὥστε μηκέτι πειθαρχεῖν τοῖς ἡγεμόσιν. 17. ὁ δὲ Θεμιστοκλῆς ὀρῶν τὸν μὲν ναύαρχον Εὐρυβιάδην μὴ δυνάμενον περιγενέσθαι τῆς τοῦ πλήθους ὀρμῆς, τὰς δὲ περὶ Σαλαμίνα δυσχωρίας δύνασθαι πολλὰ συμβαλέσθαι πρὸς τὴν νίκην, ἐμηχανήσατό τι τοιοῦτον: ἐπεισέ τινα πρὸς τὸν Ξέρξην αὐτομολῆσαι καὶ διαβεβαιώσασθαι, διότι μέλλουσιν αἱ κατὰ Σαλαμίνα νῆες ἀποδιδράσκειν ἐκ τῶν τόπων καὶ πρὸς τὸν Ἰσθμόν ἀθροίζεσθαι. [2] διόπερ ὁ βασιλεὺς διὰ τὴν πιθανότητα τῶν προσαγγελθέντων πιστεύσας, ἔσπευδε κωλύσαι τὰς ναυτικὰς δυνάμεις τῶν Ἑλλήνων τοῖς πεζοῖς στρατοπέδοις πλησιάζειν. εὐθὺς οὖν τὸ τῶν Αἰγυπτίων ναυτικὸν ἐξέπεμψε, προστάζας ἐμφράττειν τὸν μεταξὺ πόρον τῆς τε Σαλαμίνος καὶ τῆς Μεγαρίδος χώρας. τὸ δὲ ἄλλο πλῆθος τῶν νεῶν ἐξέπεμψεν ἐπὶ τὴν Σαλαμίνα, προστάζας ἐξάπτεσθαι τῶν πολεμίων καὶ ναυμαχίᾳ κρίνειν τὸν ἀγῶνα. ἦσαν δὲ αἱ τριῆρεις διατεταγμέναι κατὰ ἔθνος ἐξῆς, ἵνα διὰ τὴν ὁμοφωνίαν καὶ γνῶσιν προθύμως ἀλλήλοις βοηθῶσιν. [3] οὕτω δὲ ταχθέντος τοῦ ναυτικοῦ στόλου, τὸ μὲν δεξιὸν κέρας ἐπεῖχον Φοίνικες, τὸ δ' εὐώνυμον οἱ μετὰ τῶν Περσῶν ὄντες Ἕλληνες. οἱ δὲ τῶν Ἰώνων ἡγεμόνες ἀπέστειλαν ἄνδρα Σάμιον πρὸς τοὺς Ἕλληνας τὸν διασαφίσοντα περὶ τῶν δεδογμένων τῷ βασιλεῖ καὶ περὶ τῆς ὅλης ἐκτάξεως, καὶ διότι κατὰ τὴν μάχην ἀποστήσονται τῶν βαρβάρων. [4] τοῦ δὲ Σαμίου λάθρα διανηξαμένου καὶ περὶ τούτου διασαφίσαντος τοῖς περὶ τὸν Εὐρυβιάδην, ὁ μὲν Θεμιστοκλῆς, κατὰ νοῦν αὐτῷ προκεχωρηκότος τοῦ στρατηγήματος, περιχαρὴς ἦν καὶ τὰ πλήθη παρεκάλεσεν εἰς τὸν κίνδυνον, οἱ δ' Ἕλληνες ἐπὶ τῇ τῶν Ἰώνων ἐπαγγελίᾳ θαρρήσαντες, καὶ τῆς περιστάσεως βιαζομένης αὐτοὺς παρὰ τὴν ἰδίαν προαίρεσιν ναυμαχεῖν, ἀπὸ τῆς Σαλαμίνος προθύμως συγκατέβαινον εἰς τὴν ναυμαχίαν. 18. τέλος δὲ τῶν περὶ τὸν

Εὐρυβιάδην καὶ Θεμιστοκλέα διαταξάντων τὰς δυνάμεις, τὸ μὲν εὐώνυμον μέρος ἐπέχον Ἀθηναῖοι καὶ Λακεδαιμόνιοι, πρὸς τὸ τῶν Φοινίκων ναυτικὸν ἀντιταχθισόμενοι: μεγάλην γὰρ οἱ Φοίνικες ὑπεροχὴν εἶχον διὰ τε τὸ πλῆθος καὶ διὰ τὴν ἐκ προγόνων ἐν τοῖς ναυτικοῖς ἔργοις ἐμπειρίαν: [2] Αἰγινῆται δὲ καὶ Μεγαρεῖς τὸ δεξιὸν κέρας ἀνεπλήρουν: οὗτοι γὰρ ἐδόκουν εἶναι ναυτικώτατοι μετὰ τοὺς Ἀθηναίους καὶ μάλιστα φιλοτιμήσεσθαι διὰ τὸ μόνους τῶν Ἑλλήνων μηδεμίαν ἔχειν καταφυγὴν, εἴ τι συμβαίῃ πταῖσμα κατὰ τὴν ναυμαχίαν: τὴν δὲ μέσσην τάξιν ἐπέιχε τὸ λοιπὸν τῶν Ἑλλήνων πλῆθος. οὗτοι μὲν οὖν τοῦτον τὸν τρόπον συνταχθέντες ἐξέπλευσαν, καὶ τὸν πόρον μετὰ Σαλαμῖνος καὶ Ἡρακλείου κατεῖχον: [3] ὁ δὲ βασιλεὺς τῷ μὲν ναυάρχῳ προσέταξεν ἐπιπλεῖν τοῖς πολεμίοις, αὐτὸς δ' εἰς τὸν ἐναντίον τόπον τῆς Σαλαμῖνος παρήλθεν, ἐξ οὗ θεωρεῖν ἦν τὴν ναυμαχίαν γινομένην. [4] οἱ δὲ Πέρσαι τὸ μὲν πρῶτον πλέοντες διετήρουν τὴν τάξιν, ἔχοντες πολλὴν εὐρυχωρίαν: ὥς δ' εἰς τὸ στενὸν ἦλθον, ἡναγκάζοντο τῶν νεῶν τινὰς ἀπὸ τῆς τάξεως ἀποσπᾶν, καὶ πολὺν ἐποίουν θόρυβον. [5] ὁ δὲ ναύαρχος προηγούμενος τῆς τάξεως καὶ πρῶτος συνάψας μάχην διεφθάρη λαμπρῶς ἀγωνισάμενος. τῆς δὲ νεῶς βυθισθείσης, ταραχὴ κατέσχε τὸ ναυτικὸν τῶν βαρβάρων: πολλοὶ μὲν γὰρ ἦσαν οἱ προστάττοντες, οὐ ταῦτά δ' ἕκαστος παρήγγελλε. διὸ καὶ τοῦ πλεῖν εἰς τοῦμπροσθεν ἐπέσχον, ἀνακωχεύοντες δ' ἀνεχώρουν εἰς τὴν εὐρυχωρίαν. [6] οἱ δὲ Ἀθηναῖοι θεωροῦντες τὴν ταραχὴν τῶν βαρβάρων ἐπέπλεον τοῖς πολεμίοις, καὶ τὰς μὲν τοῖς ἐμβόλοις ἔτυπτον, ὧν δὲ τοὺς ταρσοὺς παρέσυρον: τῆς δ' εἰρεσίας οὐχ ὑπηρετούσης, πολλὰ τῶν Περσῶν τριήρεις πλάγαι γινόμεναι ταῖς ἐμβολαῖς πυκνῶς κατετιτρώσκοντο. διὸ καὶ πρύμναν μὲν ἀνακρούεσθαι κατέπαυσαν, εἰς τοῦπίσω δὲ πλέουσai προτροπάδην ἔφευγον. 19. τῶν δὲ Φοινισσῶν καὶ Κυπρίων νεῶν ὑπὸ τῶν Ἀθηναίων χειρουμένων, αἱ τῶν Κιλίκων καὶ Παμφύλων, ἔτι δὲ καὶ Λυκίων νῆες, ἐχόμεναι τούτων οὔσαι, τὸ μὲν πρῶτον εὐρώστως ἀντείχοντο, ὥς δ' εἶδον τὰς κρατίστας ναῦς πρὸς φυγὴν ὥρμημένας, καὶ αὐταὶ τὸν κίνδυνον ἐξέλιπον. [2] ἐπὶ δὲ θατέρου κέρατος γενομένης καρτερᾶς ναυμαχίας μέχρι μὲν τινος ἰσόρροπος ἦν ὁ κίνδυνος: ὥς δὲ οἱ Ἀθηναῖοι πρὸς τὴν γῆν καταδιώξαντες τοὺς Φοίνικας καὶ Κυπρίους ἐπέστρεψαν, ἐκβιασθέντες ὑπὸ τούτων ἐτράπησαν οἱ βάρβαροι καὶ πολλὰς ναῦς ἀπέβαλον. [3] οἱ μὲν οὖν Ἕλληνες τοῦτον τὸν τρόπον προτερήσαντες ἐπιφανεστάτη ναυμαχίᾳ τοὺς βαρβάρους ἐνίκησαν: κατὰ δὲ τὸν κίνδυνον διεφθάρησαν νῆες τῶν μὲν Ἑλλήνων τετταράκοντα, τῶν δὲ Περσῶν ὑπὲρ τὰς διακοσίας χωρὶς τῶν σὺν αὐτοῖς ἀνδράσι ληφθεῖσῶν. [4] ὁ δὲ βασιλεὺς παρ' ἐλπίδας ἡττημένος τῶν μὲν Φοινίκων τῶν ἀρξάντων τῆς φυγῆς τοὺς αἰτιωτάτους ἀπέκτεινε, τοῖς δ' ἄλλοις ἡπέλιψεν ἐπιθήσειν τὴν προσήκουσαν τιμωρίαν. οἱ δὲ Φοίνικες φοβηθέντες τὰς ἀπειλὰς τὸ μὲν πρῶτον εἰς τὴν Ἀττικὴν κατέπλευσαν, τῆς δὲ νυκτὸς ἐπιγενομένης ἀπῆραν εἰς τὴν Ἀσίαν. [5] Θεμιστοκλῆς δὲ δόξας αἴτιος γενέσθαι τῆς νίκης, ἕτερον οὐκ ἔλαττον τούτου στρατήγημα ἐπενόησε. φοβουμένων γὰρ τῶν Ἑλλήνων περὶ διαγωνίζεσθαι πρὸς τοσαύτας μυριάδας, ἐταπεινώσε πολὺ τὰς δυνάμεις τῶν περὶ στρατοπέδων τοιῷδὲ τινὶ τρόπῳ. τὸν παιδαγωγὸν τῶν ἰδίων υἱῶν ἀπέστειλε πρὸς τὸν Ξέρξην δηλώσοντα, διότι

μέλλουσιν οἱ Ἕλληνες πλεύσαντες ἐπὶ τὸ ζεῦγμα λύειν τὴν γέφυραν. [6] διόπερ ὁ βασιλεὺς πιστεύσας τοῖς λόγοις διὰ τὴν πιθανότητα, περίφοβος ἐγένετο μὴ τῆς εἰς τὴν Ἀσίαν ἐπανόδου στερηθῇ, τῶν Ἑλλήνων θαλαττοκρατούντων, ἔγνω δὲ τὴν ταχίστην διαβαίνειν ἐκ τῆς Εὐρώπης εἰς τὴν Ἀσίαν, καταλιπὼν Μαρδόνιον ἐπὶ τῆς Ἑλλάδος μετὰ τῶν ἀρίστων ἱππέων τε καὶ πεζῶν, ὧν ὁ σύμπας ἀριθμὸς ὑπῆρχεν οὐκ ἐλάττων τῶν τετταράκοντα μυριάδων. Θεμιστοκλῆς μὲν οὖν δυοὶ στρατηγήμασι χρησάμενος μεγάλων προτερημάτων αἴτιος ἐγένετο τοῖς Ἕλλησι. καὶ τὰ μὲν κατὰ τὴν Ἑλλάδα πραχθέντα ἐν τούτοις ἦν. 20.

ἡμεῖς δὲ ἀρκούντως διεληλυθότες περὶ τῶν κατὰ τὴν Εὐρώπην πραχθέντων, μεταβιβάσομεν τὴν διήγησιν ἐπὶ τὰς ἑτερογενεῖς πράξεις. Καρχηδόνιοι γὰρ συντεθειμένοι πρὸς Πέρσας τοῖς αὐτοῖς καιροῖς καταπολεμῆσαι τοὺς κατὰ τὴν Σικελίαν Ἕλληνας, μεγάλας παρασκευὰς ἐποίησαντο τῶν πρὸς τὸν πόλεμον χρησίμων. ὥς δ' εὐτρεπῇ πάντα αὐτοῖς ὑπῆρχε, στρατηγὸν εἵλοντο Ἀμίλκωνα, τὸν μάλιστα παρ' αὐτοῖς θαυμαζόμενον προκρίναντες. [2] οὗτος δὲ παραλαβὼν πεζὰς τε καὶ ναυτικὰς δυνάμεις μεγάλας ἐξέπλευσεν ἐκ τῆς Καρχηδόνης, ἔχων πεζὴν μὲν δύναμιν οὐκ ἐλάττω τῶν τριάκοντα μυριάδων, ναῦς δὲ μακρὰς πλείους τῶν διακοσίων, καὶ χωρὶς πολλὰς ναῦς φορτίδας τὰς κομιζούσας τὴν ἀγοράν, ὑπὲρ τὰς τρισχιλίας. οὗτος μὲν οὖν διανύσας τὸ Λιβυκὸν πέλαγος καὶ χειμασθεῖς ἀπέβαλε τῶν σκαφῶν τὰ κομίζοντα τοὺς ἱππεῖς καὶ τὰ ἄρματα. καταπλεύσας δὲ τῆς Σικελίας εἰς τὸν ἐν τῷ Πανόρμῳ λιμένα διαπεπολεμηκέναι τὸν πόλεμον ἔφησε: πεφοβῆσθαι γὰρ μήποτε ἡ θάλαττα τοὺς Σικελιώτας ἐξέληται τῶν κινδύνων. [3] ἐπὶ δὲ τρεῖς ἡμέρας ἀναλαβὼν τοὺς στρατιώτας καὶ διορθωσάμενος τὴν ἐν τῷ χειμῶνι γενομένην ναυαγίαν, προῆγε μετὰ τῆς δυνάμεως ἐπὶ τὴν Ἥμεραν, συμπαραπλέοντος τοῦ ναυτικοῦ. ὥς δ' ἦλθε πλησίον τῆς προειρημένης πόλεως, δύο παρεμβολὰς ἔθετο, τὴν μὲν τῷ πεζῷ στρατεύματι, τὴν δὲ τῇ ναυτικῇ δυνάμει. καὶ τὰς μὲν μακρὰς ναῦς ἀπάσας ἐνεώλκησε καὶ τάφρῳ βαθεῖα καὶ τείχει ξυλίνῳ περιέλαβε, τὴν δὲ τῶν πεζῶν παρεμβολὴν ὠχύρωσεν ἀντιπρόσωπον ποιήσας τῇ πόλει καὶ παρεκτείνας ἀπὸ τοῦ ναυτικοῦ παρατειχίσματος μέχρι τῶν ὑπερκειμένων λόφων. [4] καθόλου δὲ πᾶν τὸ πρὸς δυσμὰς μέρος καταλαβόμενος, τὴν μὲν ἀγορὰν ἅπασαν ἐκ τῶν φορτίδων νεῶν ἐξεΐλετο, τὰ δὲ πλοῖα ἅπαντα ταχέως ἐξαπέστειλε, προστάξας ἕκ τε τῆς Λιβύης καὶ Σαρδοῦς σῖτον καὶ τὴν ἄλλην ἀγορὰν κομίζειν. [5] αὐτὸς δὲ τοὺς ἀρίστους τῶν στρατιωτῶν ἀναλαβὼν ἦκεν ἐπὶ τὴν πόλιν, καὶ τῶν Ἱμεραίων τοὺς ἐπεξιόντας τρεψάμενος καὶ πολλοὺς ἀνελὼν κατεπλήξατο τοὺς ἐν τῇ πόλει. διὸ καὶ Θήρων ὁ Ἀκραγαντίνων δυνάστης, ἔχων δύναμιν ἱκανὴν καὶ παραφυλάττων τὴν Ἥμεραν, φοβηθεὶς εὐθὺς ἀπέστειλεν εἰς τὰς Συρακούσας, ἀξίων τὸν Γέλωνα βοηθεῖν τὴν ταχίστην. 21. ὁ δὲ Γέλων καὶ αὐτὸς ἡτοιμακῶς ἦν τὴν δύναμιν, πυθόμενος δὲ τὴν τῶν Ἱμεραίων ἀθυμίαν ἀνέξεν ἐκ τῶν Συρακουσῶν κατὰ σπουδὴν, ἔχων πεζοὺς μὲν οὐκ ἐλάττους τῶν πεντακισμυρίων, ἱππεῖς δὲ ὑπὲρ τοὺς πεντακισχιλίους. διανύσας δὲ ταχέως τὴν ὁδὸν καὶ πλησιάσας τῇ πόλει τῶν Ἱμεραίων, ἐποίησε θαρρεῖν τοὺς πρότερον καταπεπληγμένους τὰς τῶν Καρχηδονίων δυνάμεις. [2] αὐτὸς μὲν

γὰρ στρατοπεδεῖαν οἰκείαν βαλλόμενος τῶν περὶ τὴν πόλιν τόπων, ταύτην μὲν ὠχύρωσε τάφρῳ βαθείᾳ καὶ χαρακώματι περιλαβὼν, τοὺς δ' ἰππεῖς ἅπαντας ἐξαπέστειλεν ἐπὶ τοὺς κατὰ τὴν χώραν πλανωμένους τῶν πολεμίων καὶ περὶ τὰς ὠφελείας διατρίβοντας. οὗτοι δὲ παραδόξως ἐπιφανέντες διεσπαρμένοις ἀτάκτως κατὰ τὴν χώραν, τοσοῦτους ἀνήγον αἰχμαλώτους ὅσους ἕκαστος ἄγειν ἠδύνατο. εἰσαχθέντων δὲ αἰχμαλώτων εἰς τὴν πόλιν πλειόνων ἢ μυρίων, ὁ μὲν Γέλων μεγάλης ἀποδοχῆς ἐτύγχανεν, οἱ δὲ κατὰ τὴν Ἱμέραν κατεφρόνησαν τῶν πολεμίων. [3] ἀκόλουθα δὲ τούτοις πράττων ὁ μὲν Γέλων ἀπάσας τὰς πύλας, ἃς διὰ φόβον πρότερον ἐνφοκοδόμησαν οἱ περὶ Θήρωνα, ταύτας τοῦναντίον διὰ τὴν καταφρόνησιν ἐξφοκοδόμησε, καὶ ἄλλας προσκατεσκεύασε, δι' ὧν ἦν εὐχρηστεῖσθαι πρὸς τὰς κατεπειγούσας χρεῖας. καθόλου δὲ Γέλων στρατηγία καὶ συνέσει διαφέρων εὐθὺς ἐξήτει, δι' οὗ τρόπου καταστρατηγήσας τοὺς βαρβάρους ἀκινδύνως αὐτῶν ἄρδην ἀνελεῖ τὴν δύναμιν. συνεβάλετο δὲ αὐτῷ καὶ τὸ αὐτόματον πρὸς τὴν ἐπίνοιαν μεγάλα, τοιαύτης γενομένης περιστάσεως. [4] κρίναντος αὐτοῦ τὰς τῶν πολεμίων ναῦς ἐμπρῆσαι, καὶ τοῦ Ἀμίλκα διατρίβοντος μὲν κατὰ τὴν ναυτικὴν στρατοπεδεῖαν, παρασκευαζομένου δὲ θύειν τῷ Ποσειδῶνι μεγαλοπρεπῶς, ἦκον ἀπὸ τῆς χώρας ἰππεῖς ἄγοντες πρὸς τὸν Γέλωνα βιβλιαφόρον ἐπιστολὰς κομίζοντα παρὰ Σελινουντίων, ἐν αἷς ἦν γεγραμμένον, ὅτι πρὸς ἦν ἔγραψεν ἡμέραν Ἀμίλκας ἀποστεῖλαι τοὺς ἰππεῖς, πρὸς αὐτὴν ἐκπέμψουσιν. [5] οὗσης δὲ τῆς ἡμέρας ταύτης καθ' ἣν ἔμελλε συντελεῖν τὴν θυσίαν Ἀμίλκας, κατὰ ταύτην Γέλων ἀπέστειλεν ἰδίους ἰππεῖς, οἷς ἦν προστεταγμένον περιελθεῖν τοὺς πλησίον τόπους καὶ προσελαύνειν ἅμ' ἡμέρα πρὸς τὴν ναυτικὴν στρατοπεδεῖαν, ὡς ὄντας Σελινουντίων συμμάχους, γενομένους δ' ἐντὸς τοῦ ξυλίνου τείχους τὸν μὲν Ἀμίλκαν ἀποκτεῖναι, τὰς δὲ ναῦς ἐμπρῆσαι. ἐξέπεμψε δὲ καὶ σκοποὺς εἰς τοὺς ὑπερκειμένους λόφους, οἷς προσέταξεν, ὅταν ἴδωσι τοὺς ἰππεῖς γενομένους ἐντὸς τοῦ τείχους, ἄραι τὸ σύσσημον. αὐτὸς δ' ἅμ' ἡμέρα τὴν δύναμιν διατεταχῶς ἀνέμενε τὴν ἀπὸ τῶν σκοπῶν ἐσομένην δήλωσιν. 22. τῶν δ' ἰππέων ἅμα τῇ κατὰ τὸν ἥλιον ἀνατολῇ προσιππευσάντων τῇ ναυτικῇ τῶν Καρχηδονίων στρατοπεδεῖα, καὶ προσδεχθέντων ὑπὸ τῶν φυλάκων ὡς συμμάχων, οὗτοι μὲν εὐθὺς προσδραμόντες τῷ Ἀμίλκᾳ περὶ τὴν θυσίαν γινόμενῳ, τοῦτον μὲν ἀνέϊλον, τὰς δὲ ναῦς ἐνέπρησαν: ἔπειτα τῶν σκοπῶν ἀράντων τὸ σύσσημον, ὁ Γέλων πάσῃ τῇ δυνάμει συντεταγμένη προῆγεν ἐπὶ τὴν παρεμβολὴν τῶν Καρχηδονίων. [2] οἱ δὲ ἐν τῇ στρατοπεδεῖᾳ τῶν Φοινίκων ἡγεμόνες τὸ μὲν πρῶτον ἐξαγαγόντες τὴν δύναμιν ἀπήντων τοῖς Σικελιώταις καὶ συνάψαντες μάχην εὐρώστως ἡγωνίζοντο: ὁμοῦ δὲ ταῖς σάλπιγξιν ἐν ἀμφοτέροις τοῖς στρατοπέδοις ἐσήμαινον τὸ πολεμικόν, καὶ κραυγὴ τῶν δυνάμεων ἐναλλάξ ἐγίνετο, φιλοτιμουμένων ἀμφοτέρων τῷ μεγέθει τῆς βοῆς ὑπερᾶραι τοὺς ἀντιτεταγμένους. [3] πολλοῦ δὲ γενομένου φόνου, καὶ τῆς μάχης δεῦρο κἀκεῖσε ταλαντευομένης, ἄφνω τῆς κατὰ τὰς ναῦς φλογὸς ἀρθείσης εἰς ὕψος, καὶ τινῶν ἀπαγγελιάντων τὸν τοῦ στρατηγοῦ φόνον, οἱ μὲν Ἕλληνες ἐθάρρησαν, καὶ ταῖς φωναῖς καὶ ταῖς ἐλπίσι τῆς νίκης ἐπαρθέντες τοῖς φρονήμασιν ἐπέκειντο θρασύτερον τοῖς βαρβάροις, οἱ δὲ Καρχηδόνιοι καταπλαγέντες καὶ

τὴν νίκην ἀπογόντες πρὸς φυγὴν ἐτράπησαν. [4] τοῦ δὲ Γέλωνος παραγγείλαντος μηδένα ζωγρεῖν, πολλὸς ἐγένετο φόνος τῶν φευγόντων, καὶ πέρας κατεκόπησαν αὐτῶν οὐκ ἐλάττους τῶν πεντεκαίδεκα μυριάδων. οἱ δὲ λοιποὶ φυγόντες ἐπὶ τινα τόπον ἐρμυνὸν τὸ μὲν πρῶτον ἡμύνοντο τοὺς βιαζομένους, ἀνδρὸν δὲ κατειληφότες τόπον καὶ τῷ δίψει πιεζόμενοι ἠναγκάσθησαν ἑαυτοὺς παραδοῦναι τοῖς κρατοῦσι. [5] Γέλων δὲ ἐπιφανεστάτη μάχῃ νικήσας, καὶ ταύτην κατωρθώκως μάλιστα διὰ τῆς ἰδίας στρατηγίας, περιβόητον ἔσχε τὴν δόξαν οὐ μόνον παρὰ τοῖς Σικελιώταις, ἀλλὰ καὶ παρὰ τοῖς ἄλλοις ἄπασιν: [6] οὐδεὶς γὰρ τῶν πρὸ αὐτοῦ μνημονεύεται τοιοῦτω στρατηγήματι κεχηρμένος, οὐδὲ πλείονας ἐν μιᾷ παρατάξει κατακόψας τῶν βαρβάρων οὐδὲ πλῆθος αἰχμαλώτων τοσοῦτον χειρωσάμενος. 23. διὸ καὶ πολλοὶ τῶν συγγραφέων παραβάλλουσι ταύτην τὴν μάχην τῇ περὶ Πλαταιᾶς γενομένη τοῖς Ἕλλησι καὶ στρατήγημα τὸ Γέλωνος τοῖς ἐπινοήμασι τοῖς Θεμιστοκλέους, καὶ τὸ πρωτεῖον διὰ τὰς ἀμφοτέρων ὑπερβολὰς τῆς ἀρετῆς οἱ μὲν τούτοις, οἱ δὲ τοῖς ἐτέροις ἀπονέμουσι. [2] καὶ γὰρ τῶν κατὰ τὴν Ἑλλάδα καὶ τῶν κατὰ τὴν Σικελίαν πρὸ τῆς μάχης καταπεπληγμένων τὸ πλῆθος τῶν βαρβαρικῶν δυνάμεων, οἱ κατὰ Σικελίαν πρότερον νικήσαντες ἐποίησαν τοὺς κατὰ τὴν Ἑλλάδα θαρρηῖσαι, πυθομένους τὴν τοῦ Γέλωνος νίκην: καὶ τῶν τὴν ὅλην ἡγεμονίαν παρ' ἀμφοτέροις ἐσχηκότων παρὰ μὲν τοῖς Πέρσαις συνέβη διαπεφευγένοι τὸν βασιλέα καὶ πολλὰς μυριάδας μετ' αὐτοῦ, παρὰ δὲ τοῖς Καρχηδονίοις μὴ μόνον ἀπολέσθαι τὸν στρατηγόν, ἀλλὰ καὶ τοὺς μετασχόντας τοῦ πολέμου κατακοπῆναι, καὶ τὸ δὴ λεγόμενον μηδὲ ἄγγελον εἰς τὴν Καρχηδόνα διασωθῆναι. [3] πρὸς δὲ τούτοις τοὺς ἐπιφανεστάτους τῶν ἡγεμόνων παρὰ μὲν τοῖς Ἕλλησι Πausanίαν καὶ Θεμιστοκλέα, τὸν μὲν ὑπὸ τῶν ἰδίων πολιτῶν θανατωθῆναι διὰ πλεονεξίαν καὶ προδοσίαν, τὸν δ' ἐξ ἀπάσης τῆς Ἑλλάδος ἐξελαθέντα καταφυγεῖν πρὸς τὸν ἐχθρότατον Ξέρξην καὶ παρ' ἐκείνῳ βιώσαι μέχρι τῆς τελευτῆς, Γέλωνα δὲ μετὰ τὴν μάχην ἀεὶ καὶ μᾶλλον ἀποδοχῆς τυγχάνοντα παρὰ τοῖς Συρακοσίοις ἐγγηρᾶσαι τῇ βασιλείᾳ καὶ τελευτῆσαι θαυμαζόμενον, καὶ τοσοῦτον ἰσχύσαι τὴν πρὸς αὐτὸν εὐνοίαν παρὰ τοῖς πολίταις, ὥστε καὶ τρισὶν ἐκ τῆς οἰκίας τῆς ἐκείνου τὴν ἀρχὴν διαφυλαχθῆναι.

ἀλλὰ γὰρ τούτων οἱ δικαίαν δόξαν κεκτημένοι τοὺς προσήκοντας ἐπαίνους καὶ παρ' ἡμῶν ἔχουσιν, ἐπὶ δὲ τὸ συνεχὲς τοῖς προειρημένοις μεταβησόμεθα. 24. συνέβη γὰρ τῇ αὐτῇ ἡμέρᾳ τὸν Γέλωνα νικήσαι καὶ τοὺς περὶ Θερμοπύλας μετὰ Λεωνίδου διαγωνίσασθαι πρὸς Ξέρξην, ὥσπερ ἐπίτηδες τοῦ δαιμονίου περὶ τὸν αὐτὸν καιρὸν ποιήσαντος γενέσθαι τὴν τε καλλίστην νίκην καὶ τὴν ἐνδοξοτάτην ἦτταν. [2] μετὰ δὲ τὴν γενομένην μάχην πρὸς τῇ πόλει τῶν Ἱμεραίων εἴκοσι νῆες μακραὶ διέφυγον τὸν κίνδυνον, ἃς Ἀμίλκας οὐκ ἐνέώλκησε πρὸς τὰς ἀναγκαίας χρείας. διὸ καὶ τῶν ἀνδρῶν σχεδὸν ἀπάντων τῶν μὲν ἀνηρημένων, τῶν δὲ ἐξωγρημένων, ἔφθασαν αὐταὶ τὸν ἀπόπλου ποιησάμεναι. πολλοὺς δὲ τῶν φευγόντων ἀναλαβοῦσαι, καὶ διὰ τοῦτο κατάγομοι γενόμεναι, περιέπεσον χειμῶνι καὶ πᾶσαι διεφθάρησαν: ὀλίγοι δὲ τινες ἐν μικρῷ σκάφει διασωθέντες εἰς Καρχηδόνα διεσάφησαν τοῖς πολίταις, σύντομον ποιησάμενοι τὴν ἀπόφασιν, ὅτι πάντες οἱ διαβάντες εἰς τὴν

Σικελίαν ἀπολώλασιν. [3] οἱ δὲ Καρχηδόνιοι παρ' ἐλπίδας μεγάλη συμφορὰ περιπεσόντες ἐπὶ τοσοῦτο κατεπλάγησαν, ὥστε τὰς νύκτας ἅπαντας διαγρυπνεῖν φυλάττοντας τὴν πόλιν, ὡς τοῦ Γέλωνος πάσῃ τῇ δυνάμει παραχρῆμα διεγνωκότος πλεῖν ἐπὶ τὴν Καρχηδόνα. [4] διὰ δὲ τὸ πλῆθος τῶν ἀπολωλότων ἢ τε πόλις ἐπένθησε κοινῇ καὶ κατ' ἰδίαν αἱ τῶν ιδιωτῶν οἰκίαι κλαυθμοῦ καὶ πένθους ἐπληροῦντο. οἱ μὲν γὰρ υἱούς, οἱ δὲ ἀδελφοὺς ἐπεζήτουν, πλείστοι δὲ παῖδες ὀρφανοὶ πατέρων γεγονότες ἔρημοι ὠδύροντο τὸν τε τῶν γεγεννηκότων θάνατον καὶ τὴν ἰδίαν ἐρημίαν τῶν βοηθούντων. οἱ δὲ Καρχηδόνιοι φοβούμενοι μὴ φθάσῃ διαβὰς εἰς Λιβύην Γέλων, εὐθὺς ἐξέπεμψαν πρὸς αὐτὸν πρεσβευτὰς αὐτοκράτορας τοὺς δυνατωτάτους εἰπεῖν τε καὶ βουλευσασθαι. 25.

ὁ δὲ Γέλων μετὰ τὴν νίκην τοὺς τε ἱππεῖς τοὺς ἀνελόντας τὸν Ἀμίλκαν δωρεαῖς ἐτίμησε καὶ τῶν ἄλλων τοὺς ἠνδραγαθηκότας ἀριστείοις ἐκόσμησε. τῶν δὲ λαφύρων τὰ καλλιστεύοντα παρεφύλαξε, βουλόμενος τοὺς ἐν ταῖς Συρακούσαις νεὼς κοσμήσαι τοῖς σκύλοις· τῶν δ' ἄλλων πολλὰ μὲν ἐν Ἰμέρᾳ προσήλωσε τοῖς ἐπιφανεστάτοις τῶν ἱερῶν, τὰ δὲ λοιπὰ μετὰ τῶν αἰχμαλώτων διεμέρισε τοῖς συμμάχοις, κατὰ τὸν ἀριθμὸν τῶν συστρατευσάντων τὴν ἀναλογίαν ποιησάμενος. [2] αἱ δὲ πόλεις εἰς πέδας κατέστησαν τοὺς διαιρεθέντας αἰχμαλώτους, καὶ τὰ δημόσια τῶν ἔργων διὰ τούτων ἐπεσκεύαζον. πλείστους δὲ λαβόντες Ἀκραγαντῖνοι τὴν τε πόλιν αὐτῶν καὶ τὴν χώραν ἐκόσμησαν· τοσοῦτον γὰρ παρ' αὐτοῖς τῶν ἡλωκότων ἦν τὸ πλῆθος, ὥστε πολλοὺς τῶν ιδιωτῶν παρ' αὐτοῖς ἔχειν δεσμώτας πεντακοσίους. συνεβάλετο γὰρ αὐτοῖς πρὸς τὸ πλῆθος τῶν αἰχμαλώτων οὐ μόνον ὅτι πολλοὺς στρατιώτας ἀπεσταλκότες ἦσαν ἐπὶ τὴν μάχην, ἀλλὰ καὶ διότι γενομένης τῆς τροπῆς πολλοὶ τῶν φευγόντων εἰς τὴν μεσόγειον ἀνεχώρησαν, μάλιστα δὲ εἰς τὴν Ἀκραγαντίνων, ὧν ἀπάντων ὑπὸ τῶν Ἀκραγαντίνων ζωγηθέντων ἔγεμεν ἡ πόλις τῶν ἐαλωκότων. [3] πλείστων δὲ εἰς τὸ δημόσιον ἀνενεχθέντων, οὗτοι μὲν τοὺς λίθους ἔτεμον, ἐξ ὧν οὐ μόνον οἱ μέγιστοι τῶν θεῶν ναοὶ κατεσκευάσθησαν, ἀλλὰ καὶ πρὸς τὰς τῶν ὑδάτων ἐκ τῆς πόλεως ἐκροὰς ὑπόνομοι κατεσκευάσθησαν τηλικούτοι τὸ μέγεθος, ὥστε ἀξιοθέατον εἶναι τὸ κατασκευάσμα, καίπερ διὰ τὴν εὐτέλειαν καταφρονούμενον. ἐπιστάτης δὲ γενόμενος τούτων τῶν ἔργων ὁ προσαγορευόμενος Φαίαξ διὰ τὴν δόξαν τοῦ κατασκευάσματος ἐποίησεν ἅφ' ἑαυτοῦ κληθῆναι τοὺς ὑπονόμους φαίακας. [4] κατεσκευάσαν δὲ οἱ Ἀκραγαντῖνοι καὶ κολυμβήθραν πολυτελῆ, τὴν περίμετρον ἔχουσαν σταδίων ἑπτὰ, τὸ δὲ βάθος πηχῶν εἴκοσι. εἰς δὲ ταύτην ἐπαγομένων ποταμίων καὶ κρηναίων ὑδάτων ἰχθυοτροφεῖον ἐγένετο, πολλοὺς παρεχόμενον ἰχθὺς εἰς τροφήν καὶ ἀπόλαυσιν· κύκνων τε πλείστων εἰς αὐτὴν καταπαταμένων συνέβη τὴν πρόσοψιν αὐτῆς ἐπιτερπῆ γενέσθαι. ἀλλ' αὕτη μὲν ἐν τοῖς ὕστερον χρόνοις ἀμεληθεῖσα συνεχώσθη καὶ διὰ τὸ πλῆθος τοῦ χρόνου κατεφθάρη, [5] τὴν δὲ χώραν ἅπασαν ἀγαθὴν οὖσαν ἀμπελόφυτον ἐποίησαν καὶ δένδρεσι παντοίοις πεπυκνωμένην, ὥστε λαμβάνειν ἐξ αὐτῆς μεγάλας προσόδους.

Γέλων δὲ τοὺς συμμάχους ἀπολύσας τοὺς πολίτας ἀπήγαγεν εἰς τὰς Συρακούσας, καὶ διὰ τὸ μέγεθος τῆς εὐημερίας ἀποδοχῆς ἐτύγχανεν οὐ μόνον

παρὰ τοῖς πολίταις, ἀλλὰ καὶ καθ' ὅλην τὴν Σικελίαν: ἐπήγετο γὰρ αἰχμαλώτων τοσοῦτο πλῆθος, ὥστε δοκεῖν ὑπὸ τῆς νήσου γεγόνεναι τὴν Λιβύην ὅλην αἰχμάλωτον. 26. εὐθὺς δὲ καὶ τῶν πρότερον ἐναντιουμένων πόλεων τε καὶ δυναστῶν παρεγένοντο πρὸς αὐτὸν πρέσβεις, ἐπὶ μὲν τοῖς ἡγνοημένοις αἰτοῦμενοι συγγνώμην, εἰς δὲ τὸ λοιπὸν ἐπαγγελλόμενοι πᾶν ποιῆσιν τὸ προσταττόμενον. ὁ δὲ πᾶσιν ἐπιεικῶς χρησάμενος συμμαχίαν συνετίθετο, καὶ τὴν εὐτυχίαν ἀνθρωπίνως ἔφερεν οὐκ ἐπὶ τούτων μόνον, ἀλλὰ καὶ ἐπὶ τῶν πολεμιωτάτων Καρχηδονίων. [2] παραγενομένων γὰρ πρὸς αὐτὸν ἐκ τῆς Καρχηδόνας τῶν ἀπεσταλμένων πρέσβων καὶ μετὰ δακρύων δεομένων ἀνθρωπίνως αὐτοῖς χρήσασθαι, συνεχώρησε τὴν εἰρήνην, ἐπράξατο δὲ παρ' αὐτῶν τὰς εἰς τὸν πόλεμον γεγενημένας δαπάνας, ἀργυρίου δισχίλια τάλαντα, καὶ δύο ναοὺς προσέταξεν οἰκοδομῆσαι, καθ' οὓς ἔδει τὰς συνθήκας ἀνατεθῆναι. [3] οἱ δὲ Καρχηδόνιοι παραδόξως τῆς σωτηρίας τετευχότες ταῦτά τε δώσιν προσεδέξαντο καὶ στέφανον χρυσοῦν τῇ γυναικὶ τοῦ Γέλωνος Δαμαρέτῃ προσωμολόγησαν. αὕτη γὰρ ὑπ' αὐτῶν ἀξιοθεῖσα συνήργησε πλεῖστον εἰς τὴν σύνθεσιν τῆς εἰρήνης, καὶ στεφανωθείσα ὑπ' αὐτῶν ἑκατὸν ταλάντοις χρυσοῦ, νόμισμα ἐξέκοψε τὸ κληθὲν ἀπ' ἐκείνης Δαμαρέτειον: τοῦτο δ' εἶχε μὲν Ἀττικὰς δραχμὰς δέκα, ἐκλήθη δὲ παρὰ τοῖς Σικελιώταις ἀπὸ τοῦ σταθμοῦ πεντηκοντάλιτρον. [4] ὁ δὲ Γέλων ἐχρήτο πᾶσιν ἐπιεικῶς, μάλιστα μὲν εἰς τὸν ἴδιον τρόπον, οὐχ ἥκιστα δὲ καὶ σπεύδων ἅπαντας ἔχειν ταῖς εὐνοίαις ἰδίους: παρεσκευάζετο γὰρ πολλῇ δυνάμει πλεῖν ἐπὶ τὴν Ἑλλάδα καὶ συμμαχεῖν τοῖς Ἕλλησι κατὰ τῶν Περσῶν. [5] ἤδη δ' αὐτοῦ μέλλοντος ποιῆσθαι τὴν ἀναγωγὴν, κατέπλευσάν τινες ἐκ Κορίνθου διασαφούντες νενικηκέναι τὴ ναυμαχίᾳ τοὺς Ἕλληνας περὶ Σαλαμίνα, καὶ τὸν Ξέρξην μετὰ μέρους τῆς δυνάμεως ἐκ τῆς Εὐρώπης ἀπηλλάχθαι. διὸ καὶ τῆς ὀρμῆς ἐπισχών, τὴν προθυμίαν τῶν στρατιωτῶν ἀποδεξάμενος, συνήγαγεν ἐκκλησίαν, προστάξας ἅπαντας ἀπαντᾶν μετὰ τῶν ὅπλων: αὐτὸς δὲ οὐ μόνον τῶν ὅπλων γυμνὸς εἰς τὴν ἐκκλησίαν ἦλθεν, ἀλλὰ καὶ ἀχίτων ἐν ἱματίῳ προσελθὼν ἀπελογίσατο μὲν περὶ παντὸς τοῦ βίου καὶ τῶν πεπραγμένων αὐτῷ πρὸς τοὺς Συρακοσίους: [6] ἐφ' ἐκάστῳ δὲ τῶν λεγομένων ἐπισημαινομένων τῶν ὄχλων, καὶ θαυμαζόντων μάλιστα ὅτι γυμνὸν ἑαυτὸν παρεδεδώκει τοῖς βουλομένοις αὐτὸν ἀνελεῖν, τοσοῦτον ἀπείχε τοῦ μὴ τυχεῖν τιμωρίας ὡς τύραννος, ὥστε μᾶ φωνῇ πάντα ἀποκαλεῖν εὐεργέτην καὶ σωτῆρα καὶ βασιλέα. [7] ἀπὸ δὲ τούτων γενόμενος ὁ Γέλων ἐκ μὲν τῶν λαφύρων κατεσκεύασε ναοὺς ἀξιολόγους Διμήτρος καὶ Κόρης, χρυσοῦν δὲ τρίποδα ποιήσας ἀπὸ ταλάντων ἑκαταίδεκα ἀνέθηκεν εἰς τὸ τέμενος τὸ ἐν Δελφοῖς Ἀπόλλωνι χαριστήριον. ἐπεβάλετο δὲ ὕστερον καὶ κατὰ τὴν Αἴτην κατασκευάζειν νεῶν Διμήτρος νεῶς ἐνδεούσης: τοῦτον μὲν οὐ συνετέλεσε, μεσολαβηθεὶς τὸν βίον ὑπὸ τῆς πεπρωμένης. [8] τῶν δὲ μελοποιῶν Πίνδαρος ἦν ἀκμάζων κατὰ τούτους τοὺς χρόνους. τὰ μὲν οὖν ἀξιολογώτατα τῶν πραχθέντων κατὰ τοῦτον τὸν ἐνιαυτὸν σχεδὸν ταῦτ' ἐστίν. 27.

ἐπ' ἄρχοντος δ' Ἀθήνησι Ξανθίππου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Κόιντον Φάβιον Σιλουανὸν καὶ Σερούιον Κορνήλιον Τρίκοστον. ἐπὶ δὲ τούτων ὁ μὲν τῶν Περσῶν στόλος πλὴν Φοινίκων μετὰ τὴν ἐν Σαλαμίनि

γενομένην ναυμαχίαν ἡττημένος διέτριβε περὶ τὴν Κύμην. ἐνταῦθα δὲ παραχειμάσας, ὥς τὸ θέρος ἐνίστατο, παρέπλευσεν εἰς Σάμον, παραφυλάζων τὴν Ἰωνίαν· ἦσαν δ' αἱ πᾶσαι νῆες ἐν Σάμῳ πλείους τῶν τετρακοσίων. αὗται μὲν οὖν ὥς ἀλλότρια φρονούντων τῶν Ἰόνων παρεφύλαττον τὰς πόλεις. [2] κατὰ δὲ τὴν Ἑλλάδα μετὰ τὴν ἐν Σαλαμῖνι ναυμαχίαν, τῶν Ἀθηναίων δοκούντων αἰτίων γεγονέναι τῆς νίκης, καὶ διὰ τοῦτο αὐτῶν φρονηματιζομένων, πᾶσιν ἐγίνοντο καταφανεῖς ὥς τοῖς Λακεδαιμονίοις ἀμφισβητήσοντες τῆς κατὰ θάλατταν ἡγεμονίας· διόπερ οἱ Λακεδαιμόνιοι προορώμενοι τὸ μέλλον ἐφιλοτιμοῦντο ταπεινοῦν τὸ φρόνημα τῶν Ἀθηναίων. διὸ καὶ κρίσεως προτεθείσης περὶ τῶν ἀριστείων, χάριτι κατισχύσαντες ἐποίησαν κριθῆναι πόλιν μὲν ἀριστεῦσαι τὴν Αἰγινήτων, ἄνδρα δὲ Ἀμεινίαν Ἀθηναῖον, τὸν ἀδελφὸν Αἰσχύλου τοῦ ποιητοῦ· οὗτος γὰρ τριηραρχῶν πρῶτος ἐμβολὴν ἔδωκε τῇ ναυαρχίδι τῶν Περσῶν, καὶ ταύτην κατέδυσσε καὶ τὸν ναύαρχον διέφθειρε. [3] τῶν δ' Ἀθηναίων βαρέως φερόντων τὴν ἄδικον ἦτταν, οἱ Λακεδαιμόνιοι φοβηθέντες μήποτε Θεμιστοκλῆς ἀγανακτήσας ἐπὶ τῷ συμβεβηκότι κακὸν μέγα βουλευσῆται κατ' αὐτῶν καὶ τῶν Ἑλλήνων, ἐτίμησαν αὐτὸν διπλασίῳσι δωρεαῖς τῶν τὰ ἀριστεῖα εἰληφότων. δεξαμένου δὲ τοῦ Θεμιστοκλέους τὰς δωρεάς, ὁ δῆμος τῶν Ἀθηναίων ἀπέστησεν αὐτὸν ἀπὸ τῆς στρατηγίας, καὶ παρέδωκε τὴν ἀρχὴν Ξανθίππῳ τῷ Ἀρίφρονος. 28. διαβοηθείσης δὲ τῆς τῶν Ἀθηναίων πρὸς τοὺς Ἑλληνας ἀλλοτριότητος, ἦκον εἰς τὰς Ἀθήνας πρέσβεις παρὰ Περσῶν καὶ παρὰ τῶν Ἑλλήνων. οἱ μὲν οὖν ὑπὸ τῶν Περσῶν ἀποσταλέντες ἔφασαν τὸν στρατηγὸν Μαρδόνιον ἐπαγγέλλεσθαι τοῖς Ἀθηναίοις, ἐὰν τὰ Περσῶν προέλωνται, δώσειν χώραν ἣν ἂν βούλωνται τῆς Ἑλλάδος, καὶ τὰ τεῖχη καὶ τοὺς ναοὺς πάλιν ἀνοικοδομήσειν, καὶ τὴν πόλιν ἑάσειν αὐτόνομον· οἱ δὲ παρὰ τῶν Λακεδαιμονίων πεμφθέντες ἠξίουσαν μὴ πεισθῆναι τοῖς βαρβάροις, ἀλλὰ τηρεῖν τὴν πρὸς τοὺς Ἑλληνας καὶ συγγενεῖς καὶ ὁμοφώνους εὐνοίαν. [2] οἱ δὲ Ἀθηναῖοι τοῖς βαρβάροις ἀπεκρίθησαν, ὥς οὔτε χώρα τοῖς Πέρσαις ἐστὶ τοιαύτη οὔτε χρυσὸς τοσοῦτος ὃν Ἀθηναῖοι δεξάμενοι τοὺς Ἑλληνας ἐγκαταλείψουσι· τοῖς δὲ Λακεδαιμονίοις εἶπον, ὥς αὐτοὶ μὲν ἦν πρότερον ἐποιοῦντο φροντίδα τῆς Ἑλλάδος καὶ μετὰ ταῦτα πειράσσονται τὴν αὐτὴν διαφυλάττειν, ἐκείνους δ' ἠξίουσαν τὴν ταχίστην ἐλθεῖν εἰς τὴν Ἀττικὴν μετὰ πάντων τῶν συμμάχων· πρόδηλον γὰρ εἶναι, διότι Μαρδόνιος, ἡναντιωμένων τῶν Ἀθηναίων αὐτῷ, μετὰ δυνάμεως ἤξει ἐπὶ τὰς Ἀθήνας. ὁ καὶ συνέβη γενέσθαι· [3] ὁ γὰρ Μαρδόνιος ἐν τῇ Βοιωτίᾳ διατρίβων μετὰ τῶν δυνάμεων τὸ μὲν πρῶτον τῶν ἐν Πελοποννήσῳ πόλεων ἐπειράτῳ τινὰς ἀφιστάνειν, χρήματα διαπεμπόμενος τοῖς προεστηκόσι τῶν πόλεων, μετὰ δὲ ταῦτα πυνθανόμενος τὴν τῶν Ἀθηναίων ἀπόκρισιν καὶ παροξυνθεῖς, ἅπασαν ἦγεν ἐπὶ τὴν Ἀττικὴν τὴν δύναμιν· [4] χωρὶς γὰρ τῆς δεδομένης ὑπὸ Ξέρξου στρατιᾶς πολλοὺς ἄλλους αὐτὸς Μαρδόνιος ἐκ τῆς Θράκης καὶ Μακεδονίας καὶ τῶν ἄλλων τῶν συμμαχίδων πόλεων ἠθροίκει, πλείους τῶν εἴκοσι μυριάδων. [5] τηλικαύτης δὲ δυνάμεως προαγούσης εἰς τὴν Ἀττικὴν, οἱ μὲν Ἀθηναῖοι βιβλιαφόρους ἀπέστειλαν πρὸς τοὺς Λακεδαιμονίους δεόμενοι βοηθεῖν· βραδυνόντων δὲ αὐτῶν καὶ τῶν βαρβάρων ἐμβαλόντων εἰς τὴν Ἀττικὴν, κατεπλάγησαν, καὶ

πάλιν ἀναλαβόντες τέκνα καὶ γυναῖκας καὶ τῶν ἄλλων ὅσα δυνατόν ἦν ταχέως ἀποκομίζειν, ἐξέλιπον τὴν πατρίδα καὶ συνέφυγον πάλιν εἰς τὴν Σαλαμίνα. [6] ὁ δὲ Μαρδόνιος χαλεπῶς ἔχων πρὸς αὐτοὺς, τὴν χώραν ἅπασαν κατέφθειρε καὶ τὴν πόλιν κατέσκαψε καὶ τὰ ἱερὰ τὰ καταλειμμένα παντελῶς ἐλυμήνατο. 29.

ἐπανελθόντος δὲ εἰς τὰς Θήβας τοῦ Μαρδονίου μετὰ τῆς δυνάμεως, ἔδοξε τοῖς συνέδροις τῶν Ἑλλήνων παραλαβεῖν τοὺς Ἀθηναίους, καὶ πανδημεὶ προσελθόντας εἰς τὰς Πλαταιὰς διαγωνίσασθαι περὶ τῆς ἐλευθερίας, εὖξασθαι δὲ καὶ τοῖς θεοῖς, ἐὰν νικήσωσιν, ἄγειν κατὰ ταύτην τὴν ἡμέραν τοὺς Ἕλληνας ἐλευθέρια κοινῇ, καὶ τὸν ἐλευθέριον ἀγῶνα συντελεῖν ἐν ταῖς Πλαταιαῖς. [2] συναχθέντων δὲ τῶν Ἑλλήνων εἰς τὸν Ἰσθμόν, ἐδόκει τοῖς πᾶσιν ὅρκον ὁμόσαι περὶ τοῦ πολέμου, τὸν στέζοντα μὲν τὴν ὁμόνοιαν αὐτῶν, ἀναγκάσσοντα δὲ γενναίως τοὺς κινδύνους ὑπομένειν. [3] ὁ δὲ ὅρκος ἦν τοιοῦτος: οὐ ποιήσομαι περὶ πλείονος τὸ ζῆν τῆς ἐλευθερίας, οὐδὲ καταλείψω τοὺς ἡγεμόνας οὔτε ζῶντας οὔτε ἀποθανόντας, ἀλλὰ τοὺς ἐν τῇ μάχῃ τελευτήσαντας τῶν συμμάχων πάντας θάψω, καὶ κρατήσας τῷ πολέμῳ τῶν βαρβάρων οὐδεμίαν τῶν ἀγωνισαμένων πόλεων ἀνάστατον ποιήσω, καὶ τῶν ἱερῶν τῶν ἐμπρησθέντων καὶ καταβληθέντων οὐδὲν ἀνοικοδομήσω, ἀλλ' ὑπόμνημα τοῖς ἐπιγινόμενοις ἔασω καὶ καταλείψω τῆς τῶν βαρβάρων ἀσεβείας. [4] τὸν δὲ ὅρκον ὁμόσαντες ἐπορεύθησαν ἐπὶ τὴν Βοιωτίαν διὰ τοῦ Κιθαιρῶνος, καὶ πρὸς τὰς ὑπωρείας καταντήσαντες πλησίον τῶν Ἐρυθρῶν, αὐτοῦ κατεστρατοπέδευσαν. ἡγεῖτο δὲ τῶν μὲν Ἀθηναίων Ἀριστείδης, τῶν δὲ συμπάντων Πανσανίας, ἐπίτροπος ὢν τοῦ Λεωνίδου παιδός. 30. Μαρδόνιος δὲ πυθόμενος τὴν τῶν πολεμίων δύναμιν προάγειν ἐπὶ Βοιωτίας, προῆλθεν ἐκ τῶν Θηβῶν: καὶ παραγενόμενος ἐπὶ τὸν Ἀσωπὸν ποταμὸν ἔθετο παρεμβολήν, ἣν ὠχύρωσε τάφρῳ βαθεῖα καὶ τείχει ξυλίνῳ περιέλαβεν. ἦν δὲ ὁ σύμπαρ ἀριθμὸς τῶν μὲν Ἑλλήνων εἰς δέκα μυριάδας, τῶν δὲ βαρβάρων εἰς πεντήκοντα. [2] πρῶτοι δὲ κατήρξαντο μάχης οἱ βάρβαροι νυκτὸς ἐκχυθέντες ἐπ' αὐτοὺς καὶ πᾶσι τοῖς ἱππεῦσι πρὸς τὴν στρατοπεδείαν ἐπελάσαντες. τῶν δὲ Ἀθηναίων προαισθημένων καὶ συντεταγμένη τῇ στρατιᾷ τεθαρρηκότως ἀπαντῶντων, συνέβη καρτερὰν γενέσθαι μάχην. [3] τέλος δὲ τῶν Ἑλλήνων οἱ μὲν ἄλλοι πάντες τοὺς καθ' αὐτοὺς ταχθέντας τῶν βαρβάρων ἐτρέψαντο, μόνοι δὲ Μεγαρεῖς πρὸς τε τὸν ἵππαρχον καὶ τοὺς ἀρίστους τῶν Περσῶν ἱππεῖς ἀνθεστώτες, καὶ πιεζόμενοι τῇ μάχῃ, τὴν μὲν τάξιν οὐ κατέλιπον, πρὸς δὲ τοὺς Ἀθηναίους καὶ Λακεδαιμονίους πέμψαντές τινας ἐξ αὐτῶν ἦτουν κατὰ τάχος βοηθήσαι. [4] Ἀριστείδου δὲ τοὺς περὶ αὐτὸν τῶν Ἀθηναίων ταχέως ἀποστείλαντος τοὺς ἐπιλέκτους, συστραφέντες οὗτοι καὶ προσπεσόντες τοῖς βαρβάροις τοὺς μὲν Μεγαρεῖς ἐξείλοντο τῶν κινδύνων τῶν ἐπικειμένων, τῶν δὲ Περσῶν αὐτόν τε τὸν ἵππαρχον καὶ πολλοὺς ἄλλους ἀποκτείναντες τοὺς λοιποὺς ἐτρέψαντο. οἱ μὲν οὖν Ἕλληνες, ὥσπερ εἰ τι νίκησι προαγῶνι λαμπρῶς προτερήσαντες, εὐέλπιδες ἐγένοντο περὶ τῆς ὀλοσχεροῦς νίκης: μετὰ δὲ ταῦτα ἐκ τῆς ὑπωρείας μετεστρατοπέδευσαν εἰς ἕτερον τόπον εὐθετώτερον πρὸς τὴν ὀλοσχερῇ νίκην. [5] ἦν γὰρ ἐκ μὲν τῶν δεξιῶν γεώλοφος ὑψηλός, ἐκ δὲ τῶν εὐωνύμων ὁ Ἀσωπὸς ποταμός: τὸν δ' ἀνὰ μέσον τόπον

ἐπεῖχεν ἡ στρατοπεδεῖα, πεφραγμένη τῇ φύσει καὶ ταῖς τῶν τόπων ἀσφαλείαις. [6] τοῖς μὲν οὖν Ἑλλήσιν ἐμφρόνως βουλευσαμένοις πολλὰ συνεβάλετο πρὸς τὴν νίκην ἡ τῶν τόπων στενοχωρία: οὐ γὰρ ἦν ἐπὶ πολὺ μῆκος παρεκτείνειν τὴν φάλαγγα τῶν Περσῶν, ὥστε ἀχρήστους εἶναι συνέβαινε τὰς πολλὰς μυριάδας τῶν βαρβάρων. διόπερ οἱ περὶ τὸν Πανσανίαν καὶ Ἀριστείδην θαρρήσαντες τοῖς τόποις προήγον τὴν δύναμιν εἰς τὴν μάχην, καὶ συντάξαντες ἑαυτοὺς οἰκείως τῆς περιστάσεως ἤγον ἐπὶ τοὺς πολεμίους. 31. Μαρδόνιος δὲ συναναγκαζόμενος βαθεῖαν ποιῆσαι τὴν φάλαγγα, διέταξε τὴν δύναμιν ὅπως ποτ' ἔδοξεν αὐτῷ συμφέρειν, καὶ μετὰ βοῆς ἀπήντησε τοῖς Ἑλλήσιν. ἔχων δὲ περὶ αὐτὸν τοὺς ἀρίστους πρῶτος ἐνέβαλεν εἰς τοὺς ἀντιτεταγμένους Λακεδαιμονίους, καὶ γενναίως ἀγωνισάμενος πολλοὺς ἀνείλε τῶν Ἑλλήνων: ἀντιταχθέντων δὲ τῶν Λακεδαιμονίων εὐρώστως, καὶ πάντα κίνδυνον ὑπομενόντων προθύμως, πολὺς ἐγένετο φόνος τῶν βαρβάρων. [2] ἕως μὲν οὖν συνέβαινε τὸν Μαρδόνιον μετὰ τῶν ἐπιλέκτων προκινδυνεύειν, εὐψύχως ὑπέμενον τὸ δεινὸν οἱ βάρβαροι: ἐπεὶ δ' ὁ τε Μαρδόνιος ἀγωνιζόμενος ἐκθύμως ἔπεσε καὶ τῶν ἐπιλέκτων οἱ μὲν ἀπέθανον, οἱ δὲ κατετρώθησαν, ἀνατραπέντες ταῖς ψυχαῖς πρὸς φυγὴν ὥρμησαν. [3] ἐπικειμένων δὲ τῶν Ἑλλήνων, οἱ μὲν πλείους τῶν βαρβάρων εἰς τὸ ξύλινον τεῖχος συνέφυγον, τῶν δ' ἄλλων οἱ μὲν μετὰ Μαρδονίου ταχθέντες Ἕλληνες εἰς τὰς Θήβας ἀνεχώρησαν, τοὺς δὲ λοιποὺς ὄντας πλείους τῶν τετρακισμυρίων ἀναλαβὼν Ἀρτάβαζος, ἀνὴρ παρὰ Πέρσαις ἐπαινούμενος, εἰς θάτερον μέρος ἔφυγε, καὶ σύντονον τὴν ἀναχώρησιν ποιησάμενος προῆγεν ἐπὶ τῆς Φωκίδος. 32.

τοῦτον δὲ τὸν τρόπον ἐν τῇ φυγῇ τῶν βαρβάρων σχισθέντων, ὁμοίως καὶ τὸ τῶν Ἑλλήνων πλῆθος διεμερίσθη: Ἀθηναῖοι μὲν γὰρ καὶ Πλαταιεῖς καὶ Θεσπιεῖς τοὺς ἐπὶ Θηβῶν ὀρμήσαντας ἐδίωξαν, Κορίνθιοι δὲ καὶ Σικυώνιοι καὶ Φλιάσιοι καὶ τινες ἕτεροι τοῖς μετὰ Ἀρταβάζου φεύγουσιν ἐπηκολούθησαν, Λακεδαιμόνιοι δὲ μετὰ τῶν λοιπῶν τοὺς εἰς τὸ ξύλινον τεῖχος καταφυγόντας διώξαντες ἐπόρθησαν προθύμως. [2] οἱ δὲ Θηβαῖοι δεξάμενοι τοὺς φεύγοντας καὶ προσαναλαβόντες ἐπέθεντο τοῖς διώκουσιν Ἀθηναίοις: γενομένης δὲ πρὸ τῶν τειχῶν καρτερᾶς μάχης, καὶ τῶν Θηβαίων λαμπρῶς ἀγωνισαμένων, ἔπεσον μὲν οὐκ ὀλίγοι παρ' ἀμφοτέροις, τὸ δὲ τελευταῖον βιασθέντες ὑπὸ τῶν Ἀθηναίων, συνέφυγον πάλιν εἰς τὰς Θήβας. [3] μετὰ δὲ ταῦτα οἱ μὲν Ἀθηναῖοι πρὸς τοὺς Λακεδαιμονίους ἀποχωρήσαντες, μετὰ τούτων ἐτειχομάχουν πρὸς τοὺς καταφυγόντας εἰς τὴν παρεμβολὴν τῶν Περσῶν: μεγάλου δὲ ἀγῶνος ἐξ ἀμφοτέρων γενομένου, καὶ τῶν μὲν βαρβάρων ἐκ τόπων ὠχυρωμένων καλῶς ἀγωνισαμένων, τῶν δ' Ἑλλήνων βίαν προσαγόντων τοῖς ξυλίνοις τεῖχεσι, πολλοὶ μὲν παραβόλως ἀγωνιζόμενοι κατετιτρώσκοντο, οὐκ ὀλίγοι δὲ καὶ τῷ πλήθει τῶν βελῶν διαφθειρόμενοι τὸν θάνατον εὐψύχως ὑπέμενον. [4] οὐ μὴν γε τὴν ὁρμὴν καὶ βίαν τῶν Ἑλλήνων ἔστεγεν οὔτε τὸ κατεσκευασμένον τεῖχος οὔτε τὸ πλῆθος τῶν βαρβάρων, ἀλλ' ἅπαν τὸ ἀντιτεταγμένον ὑπέικειν ἠναγκάζετο: ἡμιλλῶντο γὰρ πρὸς ἀλλήλους οἱ τῆς Ἑλλάδος ἡγούμενοι Λακεδαιμόνιοι καὶ Ἀθηναῖοι, μεμετεωρισμένοι μὲν ταῖς προγεγενημέναις νίκαις, πεποιθότες δὲ ταῖς ἑαυτῶν ἀρεταῖς. [5] τέλος δὲ

κατὰ κράτος ἀλόντες οἱ βάρβαροι, δεόμενοι ζωγεῖν οὐδενὸς ἐτύγχανον ἐλέου. ὁ γὰρ στρατηγὸς τῶν Ἑλλήνων Πausanίας ὀρῶν τοῖς πλήθεσιν ὑπερέχοντας τοὺς βαρβάρους, εὐλαβεῖτο μὴ τι παράλογον γένηται, πολλαπλασίων ὄντων τῶν βαρβάρων: διὸ καὶ παραγγείλαντος αὐτοῦ μηδένα ζωγεῖν, ταχὺ πλῆθος ἄπιστον νεκρῶν ἐγένετο. τέλος δὲ οἱ Ἕλληνες ὑπὲρ τὰς δέκα μυριάδας τῶν βαρβάρων κατακόψαντες μόγις ἐπαύσαντο τοῦ κτείνειν τοὺς πολεμίους. 33.

Τοιοῦτον δὲ πέρας τῆς μάχης λαβούσης, οἱ μὲν Ἕλληνες τοὺς πεσόντας ἔθαψαν, ὄντας πλείους τῶν μυρίων. διελόμενοι δὲ τὰ λάφυρα κατὰ τὸν τῶν στρατιωτῶν ἀριθμὸν τὴν περὶ τῶν ἀριστείων κρίσιν ἐποιήσαντο, καὶ Ἀριστείδου κελεύσαντος ἔκριναν ἀριστεῦσαι πόλιν μὲν Σπάρτην, ἄνδρα δὲ Πausanίαν τὸν Λακεδαιμόνιον. Ἀρτάβαζος δ' ἔχων τῶν φευγόντων Περσῶν εἰς τετρακισμυρίους, καὶ διὰ τῆς Φωκίδος εἰς Μακεδονίαν πορευθεὶς, ὀξυτάταις πορείαις ἐχρήτο, καὶ ἐσώθη μετὰ τῶν στρατιωτῶν εἰς τὴν Ἀσίαν. [2] οἱ δ' Ἕλληνες ἐκ τῶν λαφύρων δεκάτην ἐξελόμενοι κατεσκεύασαν χρυσοῦν τρίποδα, καὶ ἀνέθηκαν εἰς Δελφοὺς χαριστήριον τῷ θεῷ, ἐπιγράψαντες ἔλεγειν τόδε,” Ἑλλάδος εὐρυχόρου σωτῆρες τόνδ' ἀνέθηκαν,

δουλοσύνης στυγερᾶς ῥυσάμενοι πόλιας.

“Simonides fr. 102 (Diehl) ἐπέγραψαν δὲ καὶ τοῖς ἐν Θερμοπύλαις ἀποθανοῦσι Λακεδαιμονίοις κοινῇ μὲν ἅπασι τόδε,” μυριάσιν ποτὲ τῇδε διηκοσίαις ἐμάχοντο

ἐκ Πελοποννήσου χιλιάδες τέτορες,

“Simonides fr. 91 (Diehl) ἰδίᾳ δὲ αὐτοῖς τόδε,” ὃ ξεῖν', ἄγγελιον Λακεδαιμονίοις ὅτι τῇδε

κείμεθα τοῖς κείνων πειθόμενοι νομίμοις.

“Simonides fr. 92 (Diehl) [3] ὁμοίως δὲ καὶ ὁ τῶν Ἀθηναίων δῆμος ἐκόσμησε τοὺς τάφους τῶν ἐν τῷ Περσικῷ πολέμῳ τελευτησάντων, καὶ τὸν ἀγῶνα τὸν ἐπιτάφιον τότε πρῶτον ἐποίησε, καὶ νόμον ἔθηκε λέγειν ἐγκώμια τοῖς δημοσίᾳ θάπτομένοις τοὺς προαιρεθέντας τῶν ρητόρων. [4] μετὰ δὲ ταῦτα Πausanίας μὲν ὁ στρατηγὸς ἀναλαβὼν τὴν δύναμιν ἐστράτευσεν ἐπὶ τὰς Θήβας, καὶ τοὺς αἰτίους τῆς πρὸς Πέρσας συμμαχίας ἐξήτει πρὸς τὴν τιμωρίαν: τῶν δὲ Θηβαίων καταπεπληγμένων τό τε πλῆθος τῶν πολεμίων καὶ τὰς ἀρετάς, οἱ μὲν αἰτιώτατοι τῆς ἀπὸ τῶν Ἑλλήνων ἀποστάσεως ἐκουσίως ὑπομείναντες τὴν παράδοσιν ἐκολάσθησαν ὑπὸ τοῦ Πausaniou καὶ πάντες ἀνῆρθησαν. 34.

ἐγένετο δὲ καὶ κατὰ τὴν Ἰωνίαν τοῖς Ἑλλήσι μεγάλη μάχη πρὸς Πέρσας κατὰ τὴν αὐτὴν ἡμέραν τῇ περὶ τὰς Πλαταιὰς συντελεσθεῖση, περὶ ἧς μέλλοντες γράφειν ἀναληφόμεθα τὴν ἀπ' ἀρχῆς διήγησιν. [2] Λεωτυχίδης γὰρ ὁ Λακεδαιμόνιος καὶ Ξάνθιππος ὁ Ἀθηναῖος ἡγούμενοι τῆς ναυτικῆς δυνάμεως, καὶ τὸν στόλον ἐκ τῆς περὶ Σαλαμίνα ναυμαχίας ἀθροίσαντες εἰς Αἴγιναν, ἐν ταύτῃ διατρίψαντες ἡμέρας τινὰς ἔπλευσαν εἰς Δῆλον, ἔχοντες τριῆρεις διακοσίας καὶ πεντήκοντα. ἐνταῦθα δ' αὐτῶν ὁρμούντων ἦκον ἐκ Σάμου πρέσβεις ἀξιούντες ἐλευθερῶσαι τοὺς κατὰ τὴν Ἀσίαν Ἕλληνας. [3] οἱ δὲ περὶ τὸν Λεωτυχίδην συνεδρεύσαντες μετὰ τῶν ἡγεμόνων καὶ

διακούσαντες τῶν Σαμίων ἔκριναν ἐλευθεροῦν τὰς πόλεις, καὶ κατὰ τάχος ἐξέπλευσαν ἐκ Δήλου. οἱ δὲ τῶν Περσῶν ναύαρχοι διατρίβοντες ἐν τῇ Σάμῳ, πυθόμενοι τὸν τῶν Ἑλλήνων ἐπίπλουν, ἀνήχθησαν ἐκ τῆς Σάμου πάσαις ταῖς ναυσί, καὶ κατάραντες εἰς Μυκάλην τῆς Ἰωνίας τὰς μὲν ναῦς ἐνεώλκησαν, ὀρῶντες οὐκ ἀξιοχρέους οὔσας ναυμαχεῖν, καὶ ξυλίνῳ τείχει καὶ τάφρῳ βαθεῖα περιέλαβον αὐτάς· οὐδὲν δὲ ἤττον καὶ δυνάμεις πεζὰς μετεπέμποντο ἐκ τῶν Σάρδεων καὶ τῶν σύνεγγυς πόλεων, καὶ συνήγαγον τοὺς ἅπαντας εἰς δέκα μυριάδας· ἐποιοῦντο δὲ καὶ τῶν ἄλλων ἀπάντων τῶν εἰς πόλεμον χρησίμων παρασκευάς, νομίζοντες καὶ τοὺς Ἴωνας ἀποστήσεσθαι πρὸς τοὺς πολεμίους. [4] οἱ δὲ περὶ τὸν Λεωτυχίδην παντὶ τῷ στόλῳ κεκοσμημένῳ προσπλεύσαντες τοῖς ἐν τῇ Μυκάλῃ βαρβάροις, ναῦν προαπέστειλαν ἔχουσαν κήρυκα τὸν μεγαλοφωνότατον τῶν ἐν τῷ στρατοπέδῳ. τῷ δὲ προσετέτακτο προσπλεῦσαι τοῖς πολεμίοις, καὶ μεγάλη τῇ φωνῇ κηρύξαι, διότι οἱ Ἕλληνες νενικηκότες τοὺς Πέρσας πάρεισι νῦν ἐλευθερώσοντες τὰς κατὰ τὴν Ἀσίαν Ἑλληνίδας πόλεις. [5] τοῦτο δ' ἐποίησαν οἱ περὶ τὸν Λεωτυχίδην νομίζοντες τοὺς συστρατεύοντας τοῖς βαρβάροις Ἕλληνας ἀποστήσειν Περσῶν καὶ ταραχὴν ἔσεσθαι πολλὴν ἐν τῇ τῶν βαρβάρων στρατοπεδείᾳ· ὅπερ καὶ συνέβη γενέσθαι. τοῦ γὰρ κήρυκος προσπλεύσαντος ταῖς νενεωλκημέναις ναυσὶ καὶ κηρύξαντος τὰ προστεταγμένα, συνέβη τοὺς μὲν Πέρσας ἀπιστήσαι τοῖς Ἕλλησι, τοὺς δ' Ἕλληνας ἀλλήλοις συντίθεσθαι περὶ ἀποστάσεως. 35. οἱ δ' Ἕλληνες κατασκευάμενοι τὰ κατ' αὐτοὺς ἀπεβίβασαν τὴν δύναμιν. τῇ δ' ὑστεραίᾳ παρασκευαζομένων αὐτῶν τὰ πρὸς τὴν παράταξιν, προσέπεσε φήμη ὅτι νενικήκασιν οἱ Ἕλληνες τοὺς Πέρσας κατὰ τὰς Πλαταιάς. [2] διόπερ οἱ μὲν περὶ Λεωτυχίδην ἀθροίσαντες ἐκκλησίαν, τὰ πλήθη παρεκάλεσαν εἰς τὴν μάχην, τὰ τε ἄλλα προφερόμενοι καὶ τὴν ἐν Πλαταιαῖς νίκην τραγοῦδούντες, δι' ἣν ὑπελάμβανον θρασυτέρους ποιήσειν τοὺς μέλλοντας ἀγωνίζεσθαι. θαυμαστὸν δὲ ἐγένετο τὸ ἀποτέλεσμα· κατὰ γὰρ τὴν αὐτὴν ἡμέραν ἐφάνησαν αἱ παρατάξεις γεγενημέναι, ἥ τε πρὸς τῇ Μυκάλῃ συντελεσθεῖσα καὶ ἡ κατὰ τὰς Πλαταιάς γενομένη. [3] διόπερ ἔδοξαν οἱ περὶ τὸν Λεωτυχίδην οὐπω μὲν πεπυσμένοι περὶ τῆς νίκης, ἀφ' ἑαυτῶν δὲ πλάττοντες τὴν εὐημερίαν, στρατηγήματος ἕνεκεν τοῦτο πεποιηκέναι· τὸ γὰρ μέγεθος τοῦ διαστήματος ἤλεγχεν ἀδύνατον οὔσαν τὴν προσαγγελίαν. [4] οἱ δὲ τῶν Περσῶν ἡγεμόνες, ἀπίστως ἔχοντες τοῖς Ἕλλησι, τούτους μὲν ἀφώπλισαν, τὰ δὲ ὅπλα τοῖς ἑαυτῶν φίλοις παρέδωκαν· παρακαλέσαντες δὲ τὰ πλήθη, καὶ τὸν Ξέρξην αὐτὸν μετὰ πολλῆς δυνάμεως εἰπόντες ἥξειν βοηθόν, ἐποίησαν ἅπαντας εὐθαρσεῖς πρὸς τὸν κίνδυνον. 36. ἀμφοτέρων δὲ αὐτῶν ἐκταζάντων τὴν στρατιὰν καὶ προσαγόντων ἐπ' ἀλλήλους, οἱ μὲν Πέρσαι τοὺς πολεμίους ὀρῶντες ὀλίγους ὄντας κατεφρόνησαν αὐτῶν καὶ μετὰ πολλῆς κραυγῆς ἐπεφέροντο· [2] τῶν δὲ Σαμίων καὶ Μιλησίων πανδημεὶ προελομένων βοηθῆσαι τοῖς Ἕλλησι καὶ μετ' ἀλλήλων κοινῇ προσαγόντων κατὰ σπουδὴν, ὥς προϊόντες εἰς ὅψιν ἦλθον τοῖς Ἕλλησιν, οἱ μὲν Ἴωνες ἐνόμιζον εὐθαρσεστέρους ἔσεσθαι τοὺς Ἕλληνας, ἀπέβη δὲ τοῦναντίον. [3] δόξαντες γὰρ οἱ περὶ τὸν Λεωτυχίδην τὸν Ξέρξην ἐκ τῶν Σάρδεων ἐπιέναι μετὰ τῆς δυνάμεως, ἐφοβήθησαν, καὶ ταραχῆς γενομένης ἐν τῷ στρατοπέδῳ

διεφέροντο πρὸς ἀλλήλους: οἱ μὲν γὰρ ἔφασαν τὴν ταχίστην δεῖν εἰς τὰς ναῦς ἀπιέναι, οἱ δὲ μένειν καὶ τεθαρρηκότως παρατάξασθαι. ἔτι δ' αὐτοῖς τεθορυβημένοις ἐπεφάνησαν οἱ Πέρσαι διεσκευασμένοι καταπληκτικῶς καὶ μετὰ βοῆς ἐπιφερόμενοι. [4] οἱ δ' Ἕλληνες οὐδεμίαν ἀνοχὴν ἔχοντες τοῦ βουλεύσασθαι, συνηναγκάσθησαν ὑπομείναι τὴν ἔφοδον τῶν βαρβάρων. καὶ τὸ μὲν πρῶτον ἀμφοτέρων ἀγωνιζομένων εὐρώστως ισόρροπος ἦν ἡ μάχη καὶ συχνοὶ παρ' ἀμφοτέροις ἐπιπτον: τῶν δὲ Σαμίων καὶ τῶν Μιλησίων ἐπιφανέντων οἱ μὲν Ἕλληνες ἐπερρώσθησαν, οἱ βάρβαροι δὲ καταπλαγέντες πρὸς φυγὴν ὥρμησαν. [5] πολλοῦ δὲ γενομένου φόνου, οἱ μὲν περὶ τὸν Λεωτυχίδην καὶ Ξάνθιππον ἐπικείμενοι τοῖς ἡττημένοις κατεδίωξαν τοὺς βαρβάρους μέχρι τῆς παρεμβολῆς, συνεπελάβοντο δὲ τῆς μάχης ἤδη κεκριμένης Αἰολεῖς καὶ τῶν ἄλλων πολλοὶ τῶν κατὰ τὴν Ἀσίαν: δεινὴ γάρ τις ἐνέπεσεν ἐπιθυμία ταῖς κατὰ τὴν Ἀσίαν πόλεσι τῆς ἐλευθερίας. [6] διόπερ σχεδὸν ἅπαντες οὐθ' ὁμήρων οὔτε ὄρκων ἐποιήσαντο φροντίδα, ἀλλὰ μετὰ τῶν ἄλλων Ἑλλήνων ἀπέκτειναν ἐν τῇ φυγῇ τοὺς βαρβάρους. τοῦτον δὲ τὸν τρόπον ἡττηθέντων τῶν Περσῶν, ἀνῆρέθησαν αὐτῶν πλείους τῶν τετρακισμυρίων: τῶν δὲ διασωθέντων οἱ μὲν εἰς τὴν στρατοπεδεῖαν διέφυγον, οἱ δὲ εἰς Σάρδεις ἀπεχώρησαν. [7] Ξέρξης δὲ πυθόμενος τὴν τε περὶ τὰς Πλαταιὰς ἦτταν καὶ τὴν ἐν τῇ Μυκάλῃ τροπὴν τῶν ἰδίων, μέρος μὲν τῆς δυνάμεως ἀπέλιπεν ἐν Σάρδεσιν, ὅπως διαπολεμῇ πρὸς τοὺς Ἕλληνας, αὐτὸς δὲ τεθορυβημένος μετὰ τῆς λοιπῆς στρατιᾶς προῆγεν, ἐπ' Ἐκβατάνων ποιοῦμενος τὴν πορείαν. 37.

οἱ δὲ περὶ Λεωτυχίδην καὶ Ξάνθιππον ἀποπλεύσαντες εἰς Σάμον τοὺς μὲν Ἴωνας καὶ τοὺς Αἰολεῖς συμμάχους ἐποιήσαντο, μετὰ δὲ ταῦτα ἔπειθον αὐτοὺς ἐκλιπόντας τὴν Ἀσίαν εἰς τὴν Εὐρώπην μετοικισθῆναι. ἐπηγγέλλοντο δὲ τὰ μηδίσαντα τῶν ἐθνῶν ἀναστήσαντες δώσειν ἐκείνοις τὴν χώραν: [2] καθόλου γὰρ μένοντας αὐτοὺς ἐπὶ τῆς Ἀσίας τοὺς μὲν πολεμίους ὁμόρους ἔξειν, πολὺ ταῖς δυνάμεσιν ὑπερέχοντας, τοὺς δὲ συμμάχους ὄντας διαποντίους μὴ δυνήσεσθαι τὰς βοηθείας εὐκαίρους αὐτοῖς ποιήσασθαι. οἱ δὲ Αἰολεῖς καὶ οἱ Ἴωνες ἀκούσαντες τῶν ἐπαγγελιῶν ἔγνωσαν πείθεσθαι τοῖς Ἕλλησι, καὶ παρεσκευάζοντο πλεῖν μετ' αὐτῶν εἰς τὴν Εὐρώπην. [3] οἱ δ' Ἀθηναῖοι μετανοήσαντες εἰς τοῦναντίον πάλιν μένειν συνεβούλευον, λέγοντες ὅτι κὰν μηδεὶς αὐτοῖς τῶν ἄλλων Ἑλλήνων βοηθῇ, μόνοι Ἀθηναῖοι συγγενεῖς ὄντες βοηθήσουσιν: ὑπελάμβανον δὲ ὅτι κοινῇ κατοικισθέντες ὑπὸ τῶν Ἑλλήνων οἱ Ἴωνες οὐκέτι μητρόπολιν ἡγήσονται τὰς Ἀθήνας. διόπερ συνέβη μετανοῆσαι τοὺς Ἴωνας καὶ κρῖναι μένειν ἐπὶ τῆς Ἀσίας. [4] τούτων δὲ πραχθέντων συνέβη τὴν δύναμιν τῶν Ἑλλήνων σχισθῆναι, καὶ τοὺς μὲν Λακεδαιμονίους εἰς τὴν Λακωνικὴν ἀποπλεῦσαι, τοὺς δὲ Ἀθηναίους μετὰ τῶν Ἰώνων καὶ τῶν νησιωτῶν ἐπὶ Σηστὸν ἀπᾶραι. [5] Ξάνθιππος δὲ ὁ στρατηγὸς εὐθὺς ἐκ κατάπλου προσβολὰς τῇ πόλει ποιησάμενος εἴλε Σηστὸν, καὶ φρουρὰν ἐγκαταστήσας τοὺς μὲν συμμάχους ἀπέλυσεν, αὐτὸς δὲ μετὰ τῶν πολιτῶν ἀνέκαμψεν εἰς τὰς Ἀθήνας. [6]

ὁ μὲν οὖν Μηδικὸς ὀνομασθεὶς πόλεμος γενόμενος διετὴς τοῦτο ἔσχε τὸ πέρας. τῶν δὲ συγγραφῶν Ἡρόδοτος ἀρξάμενος πρὸ τῶν Τρωικῶν χρόνων

γέγραφε κοινὰς σχεδὸν τι τὰς τῆς οἰκουμένης πράξεις ἐν βίβλοις ἑννέα, καταστρέφει δὲ τὴν σύνταξιν εἰς τὴν περὶ Μυκάλῃν μάχην τοῖς Ἑλλήσι πρὸς τοὺς Πέρσας καὶ Σηστοῦ πολιορκίαν. [7]

κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι πρὸς τοὺς Οὐολούσκους πολεμήσαντες καὶ μάχῃ νικήσαντες πολλοὺς ἀνέϊλον. Σπόριος δὲ Κάσσιος, ὁ κατὰ τὸν προηγούμενον ἐνιαυτὸν ὑπατεύσας, δόξας ἐπιθέσθαι τυραννίδι καὶ καταγνωσθεῖς, ἀνῆρέθη. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 38.

ἐπ' ἄρχοντος δ' Ἀθήνησι Τιμοσθένους ἐν Ῥώμῃ τὴν ὑπατικὴν ἀρχὴν διεδέξαντο Καίσιων Φάβιος καὶ Λεύκιος Αἰμίλιος Μάμερκος. ἐπὶ δὲ τούτων κατὰ τὴν Σικελίαν πολλή τις εἰρήνη κατεῖχε τὴν νῆσον, τῶν μὲν Καρχηδονίων εἰς τέλος τεταπεινωμένων, τοῦ δὲ Γέλωνος ἐπεικῶς προεστηκότος τῶν Σικελιωτῶν καὶ πολλὴν εὐνομίαν τε καὶ πάντων τῶν ἐπιτηδείων εὐπορίαν παρεχομένου ταῖς πόλεσι. [2] τῶν δὲ Συρακοσίων τὰς μὲν πολυτελεῖς ἐκφορὰς νόμῳ καταλελυκότων καὶ τὰς εἰωθυῖας δαπάνας εἰς τοὺς τελευτῶντας γίνεσθαι περιηρηκότων, ἐγγεγραμμένων δὲ ἐν τῷ νόμῳ καὶ τῶν παντελῶς λιτῶν ἐνταφίων, ὁ βασιλεὺς Γέλων βουλόμενος τὴν τοῦ δήμου σπουδὴν ἐν ἅπασι διαφυλάττειν, τὸν περὶ τῆς ταφῆς νόμον ἐφ' ἑαυτοῦ βέβαιον ἐτήρησεν: [3] ὑπὸ γὰρ ἄρρωστίας συνεχόμενος καὶ τὸ ζῆν ἀπελπίσας, τὴν μὲν βασιλείαν παρέδωκεν Ἰέρωνι τῷ πρεσβυτάτῳ τῶν ἀδελφῶν, περὶ δὲ τῆς ἑαυτοῦ ταφῆς ἐντεῖλατο διαστελλόμενος ἀκριβῶς τηρῆσαι τὸ νόμιμον. διὸ καὶ τελευτήσαντος αὐτοῦ τὴν ἐκφορὰν κατὰ τὴν ἐπαγγελίαν αὐτοῦ συνετέλεσεν ὁ διαδεξάμενος τὴν βασιλείαν. [4] ἐτάφη δ' αὐτοῦ τὸ σῶμα κατὰ τὸν ἀγρὸν τῆς γυναικὸς ἐν ταῖς καλουμέναις Ἑννέα τύρσεσιν, οὗσαις τῷ βάρει τῶν ἔργων θαυμασταῖς. ὁ δὲ ὄχλος ἐκ τῆς πόλεως ἅπας συνηκολούθησεν, ἀέχοντος τοῦ τόπου σταδίους διακοσίους. [5] ἐνταῦθα δ' αὐτοῦ ταφέντος ὁ μὲν δῆμος τάφον ἀξιόλογον ἐπιστήσας ἡρωικαῖς τιμαῖς ἐτίμησε τὸν Γέλωνα, ὕστερον δὲ τὸ μὲν μνήμα ἀνέϊλον Καρχηδόνιοι στρατεύσαντες ἐπὶ Συρακούσας, τὰς δὲ τύρσεις Ἀγαθοκλῆς κατέβαλε διὰ τὸν φθόνον. ἀλλ' ὅμως οὔτε Καρχηδόνιοι διὰ τὴν ἔχθραν οὔτε Ἀγαθοκλῆς διὰ τὴν ἰδίαν κακίαν οὔτε ἄλλος οὐδεὶς ἠδυνήθη τοῦ Γέλωνος ἀφελέσθαι τὴν δόξαν: [6] ἡ γὰρ τῆς ἱστορίας δικαία μαρτυρία τετήρηκε τὴν περὶ αὐτοῦ φήμην, κηρύττουσα διαπρυσίως εἰς ἅπαντα τὸν αἰῶνα. δίκαιον γὰρ ἅμα καὶ συμφέρον ἐστὶ τῷ κοινῷ βίῳ διὰ τὴν ἱστορίαν τοὺς μὲν πονηροὺς τῶν ἐν ταῖς ἐξουσίαις γεγεννημένων βλασφημεῖσθαι, τοὺς δὲ εὐεργετικοὺς τυγχάνειν ἀθανάτου μνήμης: οὕτω γὰρ μάλιστα συμβήσεται πολλοὺς ἐπὶ τὴν κοινὴν εὐεργεσίαν προτρέπεσθαι τῶν μεταγενεστέρων. [7]

Γέλων μὲν οὖν ἑπταετὴ χρόνον ἐβασίλευσεν, Ἰέρων δ' ὁ ἀδελφὸς αὐτοῦ διαδεξάμενος τὴν ἀρχὴν ἐβασίλευσε τῶν Συρακοσίων ἔτη ἑνδεκα καὶ μῆνας ὀκτώ. 39.

κατὰ δὲ τὴν Ἑλλάδα Ἀθηναῖοι μὲν μετὰ τὴν ἐν Πλαταιαῖς νίκην μετεκόμισαν ἐκ Τροιζῆνος καὶ Σαλαμῖνος τέκνα καὶ γυναικας εἰς τὰς Ἀθήνας, εὐθὺς δὲ καὶ τὴν πόλιν ἐπεχείρησαν τειχίζειν καὶ τῶν ἄλλων τῶν πρὸς ἀσφάλειαν ἀνηκόντων ἐπιμέλειαν ἐποιοῦντο. [2] Λακεδαιμόνιοι δ' ὁρῶντες τοὺς Ἀθηναίους ἐν ταῖς ναυτικαῖς δυνάμεσι περιπεποιημένους δόξαν μεγάλην,

ὕπώπτευσαν αὐτῶν τὴν αὐξῆσιν, καὶ διέγνωσαν κωλύειν τοὺς Ἀθηναίους ἀνοικοδομεῖν τὰ τεῖχη. [3] εὐθὺς οὖν πρέσβεις ἐξέπεμψαν εἰς τὰς Ἀθήνας τοὺς λόγῳ μὲν συμβουλευέσοντας κατὰ τὸ παρὸν μὴ τειχίζειν τὴν πόλιν διὰ τὸ μὴ συμφέρειν κοινῇ τοῖς Ἕλλησι: τὸν γὰρ Ξέρξην, εἰ πάλιν παραγεννηθεῖ μετὰ μειζόνων δυνάμεων, ἕξειν ἐτοιμοὺς πόλεις τετειχισμένας ἐκτὸς Πελοποννήσου, ἐξ ὧν ὁρμώμενον ῥαδίως καταπολεμήσειν τοὺς Ἕλληνας. οὐ πειθομένων δ' αὐτῶν, οἱ πρέσβεις προσιόντες τοῖς οἰκοδομοῦσι προσέταπτον ἀφίστασθαι τῶν ἔργων τὴν ταχίστην. [4] ἀπορουμένων δὲ τῶν Ἀθηναίων ὅτι χρή πρᾶττειν, Θεμιστοκλῆς, ἀποδοχῆς τότε παρ' αὐτοῖς τυγχάνων τῆς μεγίστης, συνεβούλευεν ἔχειν ἡσυχίαν: ἐὰν γὰρ βιάζωνται, ῥαδίως τοὺς Λακεδαιμονίους μετὰ τῶν Πελοποννησίων στρατεύσαντας κωλύσειν αὐτοὺς τειχίζειν τὴν πόλιν. [5] ἐν ἀπορρήτοις δὲ τῇ βουλῇ προεῖπεν, ὥς αὐτὸς μὲν μετὰ τινων ἄλλων πορεύσεται πρεσβευτῆς εἰς Λακεδαίμονα, διδάξων τοὺς Λακεδαιμονίους περὶ τοῦ τειχισμοῦ, τοῖς δὲ ἄρχουσι παρήγγειλεν, ὅταν ἐκ Λακεδαίμονος ἔλθωσι πρέσβεις εἰς τὰς Ἀθήνας, παρακατέχειν αὐτούς, ἕως ἂν αὐτὸς ἐκ τῆς Λακεδαίμονος ἀνακάμῃ, ἐν τοσούτῳ δὲ πανδημεῖ τειχίζειν τὴν πόλιν, καὶ τούτῳ τῷ τρόπῳ κρατήσιν αὐτοὺς ἀπεφαίνετο τῆς προθέσεως. 40. ὑπακουσάντων δὲ τῶν Ἀθηναίων, οἱ μὲν περὶ τὸν Θεμιστοκλέα πρέσβεις προῆγον εἰς τὴν Σπάρτην, οἱ δὲ Ἀθηναῖοι μετὰ μεγάλης σπουδῆς ὥκοδόμουν τὰ τεῖχη, οὐτ' οἰκίας οὔτε τάφου φειδόμενοι. συναλαμβάνοντο δὲ τῶν ἔργων οἱ τε παῖδες καὶ αἱ γυναῖκες καὶ καθόλου πᾶς ξένος καὶ δοῦλος, οὐδενὸς ἀπολειπομένου τῆς προθυμίας. [2] παραδόξως δὲ τῶν ἔργων ἀνυομένων διὰ τε τὰς πολυχειρίας καὶ τὰς τῶν ἀπάντων προθυμίας, ὁ μὲν Θεμιστοκλῆς ἀνακληθεὶς ὑπὸ τῶν ἀρχόντων καὶ ἐπιτιμηθεὶς περὶ τῆς τειχοποιίας ἡρνήσατο τὴν οἰκοδομίαν, καὶ παρεκάλει τοὺς ἄρχοντας μὴ πιστεύειν κεναῖς φήμαις, ἀλλ' ἀποστέλλειν πρέσβεις ἀξιοπίστους εἰς τὰς Ἀθήνας: διὰ γὰρ τούτων εἴσεσθαι τάληθές: καὶ τούτων ἐγγυητὴν ἑαυτὸν παρεδίδου καὶ τοὺς μεθ' ἑαυτοῦ συμπρεσβεύοντας. [3] πεισθέντες δὲ οἱ Λακεδαιμόνιοι τοὺς μὲν περὶ τὸν Θεμιστοκλέα παρεφύλαττον, εἰς δὲ τὰς Ἀθήνας ἀπέστειλαν τοὺς ἐπιφανεστάτους κατασκευομένους, περὶ ὧν ἦν χρεῖα πολυπραγμονῆσαι. τοῦ δὲ χρόνου διεξελθόντος, οἱ μὲν Ἀθηναῖοι τὸ τεῖχος ἐφθασαν ἐφ' ἱκανὸν κατεσκευακότες, τοὺς δὲ τῶν Λακεδαιμονίων πρέσβεις ἐλθόντας εἰς τὰς Ἀθήνας καὶ μετ' ἀνατάσεων καὶ ἀπειλῶν ἐπιτιμῶντας παρέδωκαν εἰς φυλακὴν, φήσαντες τότε ἀφήσειν, ὅταν κάκεῖνοι τοὺς περὶ Θεμιστοκλέα πρέσβεις ἀπολύσωσι. [4] τούτῳ δὲ τῷ τρόπῳ καταστρατηγηθέντες οἱ Λάκωνες ἠναγκάσθησαν ἀπολῦσαι τοὺς Ἀθηναίων πρέσβεις, ἵνα τοὺς ἰδίους ἀπολάβωσιν. ὁ δὲ Θεμιστοκλῆς τοιούτῳ στρατηγήματι τειχίσας τὴν πατρίδα συντόμως καὶ ἀκινδύνως, μεγάλης ἀποδοχῆς ἔτυχε παρὰ τοῖς πολίταις. [5]

ἅμα δὲ τούτοις πραττομένοις Ῥωμαίοις πρὸς Αἰκολανοὺς καὶ τοὺς τὸ Τοῦσκλον κατοικοῦντας συνέστη πόλεμος, καὶ πρὸς μὲν Αἰκολανοὺς μάχην συνάψαντες ἐνίκησαν καὶ πολλοὺς τῶν πολεμίων ἀνείλον, μετὰ δὲ ταῦτα τὸ Τοῦσκλον ἐξεπολιόρκησαν καὶ τὴν τῶν Αἰκολανῶν πόλιν ἐχειρώσαντο. 41.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθὸς Ἀθήνησι μὲν ἦν ἄρχων Ἀδεΐμαντος, ἐν Ῥώμῃ δὲ κατεστάθησαν ὑπατοὶ Μάρκος Φάβιος Οὐίβλανος καὶ Λεύκιος

Οὐαλέριος Πόπλιος. ἐπὶ δὲ τούτων Θεμιστοκλῆς διὰ τὴν στρατηγίαν καὶ ἀγχνίνοιαν ἀποδοχῆς ἔτυχεν οὐ μόνον παρὰ τοῖς πολίταις, ἀλλὰ καὶ παρὰ πᾶσι τοῖς Ἕλλησι. [2] διὸ καὶ μετεωριζόμενος ἐπὶ τῇ δόξῃ πολὺ μείζουσιν ἄλλαις ἐπιβολαῖς ἐχρήσατο πρὸς αὖξιν ἡγεμονίας ἀνηκούσαις τῇ πατρίδι. τοῦ γὰρ καλουμένου Πειραιῶς οὐκ ὄντος λιμένος κατ' ἐκείνους τοὺς χρόνους, ἀλλ' ἐπινεῖφ χρωμένων τῶν Ἀθηναίων τῷ προσαγορευομένῳ Φαληρικῷ, μικρῷ παντελῶς ὄντι, ἐπενόησε τὸν Πειραιᾶ κατασκευάζειν λιμένα, μικρᾶς μὲν προσδεόμενον κατασκευῆς, δυνάμενον δὲ γενέσθαι λιμένα κάλλιστον καὶ μέγιστον τῶν κατὰ τὴν Ἑλλάδα. [3] ἤλπιζεν οὖν τούτου προσγενομένου τοῖς Ἀθηναίοις δυνήσεσθαι τὴν πόλιν ἀντιποιήσασθαι τῆς κατὰ θάλατταν ἡγεμονίας: τριῆρεις γὰρ τότε πλείστας ἐκέκτηντο, καὶ διὰ τὴν συνέχειαν τῶν ναυμαχιῶν ἐμπειρίαν καὶ δόξαν μεγάλην τῶν ναυτικῶν ἀγώνων περιεπεποίητο. [4] πρὸς δὲ τούτοις τοὺς μὲν Ἴωνας ὑπελάμβανε διὰ τὴν συγγένειαν ἰδίους ἔξειν, τοὺς δὲ ἄλλους τοὺς κατὰ τὴν Ἀσίαν Ἕλληνας δι' ἐκείνους ἐλευθερώσειν, ἀποκλινεῖν τε ταῖς εὐνοίαις πρὸς τοὺς Ἀθηναίους διὰ τὴν εὐεργεσίαν, τοὺς δὲ νησιώτας ἅπαντας καταπεπληγμένους τὸ μέγεθος τῆς ναυτικῆς δυνάμεως ἐτοιμῶς ταχθήσεσθαι μετὰ τῶν δυναμένων καὶ βλάπτειν καὶ ὠφελεῖν τὰ μέγιστα. [5] τοὺς γὰρ Λακεδαιμονίους ἐώρα περὶ μὲν τὰς πεζὰς δυνάμεις εὖ κατεσκευασμένους, πρὸς δὲ τοὺς ἐν ταῖς ναυσὶν ἀγῶνας ἀφυστάτους. 42. ταῦτ' οὖν διαλογισάμενος ἔκρινε φανερῶς μὲν τὴν ἐπιβολὴν μὴ λέγειν, ἀκριβῶς γινώσκων τοὺς Λακεδαιμονίους κωλύσοντας, ἐν ἐκκλησίᾳ δὲ διελέχθη τοῖς πολίταις ὅτι μεγάλων πραγμάτων καὶ συμφερόντων τῇ πόλει βούλεται γενέσθαι σύμβουλός τε καὶ εἰσηγητής, ταῦτα δὲ φανερῶς μὲν λέγειν μὴ συμφέρειν, δι' ὀλίγων δὲ ἀνδρῶν ἐπιτελεῖν προσήκειν: διόπερ ἡξίου τὸν δῆμον δύο ἄνδρας προχειρισάμενον οἷς ἂν μάλιστα πιστεύῃ, τούτοις ἐπιτρέπειν περὶ τοῦ πράγματος. [2] πεισθέντος δὲ τοῦ πλήθους, ὁ δῆμος εἵλετο δύο ἄνδρας, Ἀριστείδην καὶ Ξάνθιππον, οὐ μόνον κατ' ἀρετὴν προκρίνας αὐτούς, ἀλλὰ καὶ πρὸς τὸν Θεμιστοκλέα τούτους ὁρῶν ἀμιλλωμένους περὶ δόξης καὶ πρωτείων, καὶ διὰ τοῦτο ἄλλοτρίως ἔχοντας πρὸς αὐτόν. [3] οὗτοι δὲ κατ' ἰδίαν ἀκούσαντες τοῦ Θεμιστοκλέους τὴν ἐπιβολήν, ἐδήλωσαν τῷ δήμῳ διότι καὶ μεγάλα καὶ συμφέροντα τῇ πόλει καὶ δυνατὰ καθέστηκεν τὰ λεγόμενα ὑπὸ τοῦ Θεμιστοκλέους. [4] τοῦδὲ δήμου θαυμάσαντος ἅμα τὸν ἄνδρα καὶ ὑποπτεύσαντος μήποτε τυραννίδα τινὰ κατασκευασόμενος ἑαυτῷ τηλικαύταις καὶ τοιαύταις ἐπιβολαῖς ἐγχειρῇ, φανερῶς αὐτὸν ἐκέλευον ἀποφαίνεσθαι τὰ δεδογμένα. ὁ δὲ πάλιν ἔφησε μὴ συμφέρειν τῷ δήμῳ φανερῶς δηλοῦσθαι περὶ τῶν ἐπινοηθέντων. [5] πολλῷ δὲ μᾶλλον θαυμάσαντος τοῦ δήμου τὴν δεινότητα καὶ μεγαλοφροσύνην τάνδρός, ἐκέλευον ἐν ἀπορρήτοις εἰπεῖν τῇ βουλῇ τὰ δεδογμένα: κἂν αὕτη κρίνη τὰ δυνατὰ λέγειν καὶ συμφέροντα, τότε ὥς ἂν συμβουλευσῇ πρὸς τὸ τέλος ἄξειν αὐτοῦ τὴν ἐπιβολήν. [6] διόπερ τῆς βουλῆς πυθομένης τὰ κατὰ μέρος, καὶ κρινάσης λέγειν αὐτὸν τὰ συμφέροντα τῇ πόλει καὶ δυνατὰ, τὸ λοιπὸν ἦδη συγχωρήσαντος τοῦ δήμου μετὰ τῆς βουλῆς ἔλαβε τὴν ἐξουσίαν πράττειν ὅ,τι βούλεται. ἕκαστος δ' ἐκ τῆς ἐκκλησίας ἐχωρίζετο θαυμάζων μὲν τὴν ἀρετὴν τάνδρός, μετέωρος δ' ὢν καὶ καραδοκῶν τὸ τέλος τῆς ἐπιβολῆς. 43. ὁ δὲ

Θεμιστοκλῆς λαβὼν τὴν ἐξουσίαν τοῦ πράττειν, καὶ πᾶσαν ὑπουργίαν ἔχων ἐτοίμην τοῖς ἐγχειρουμένοις, πάλιν ἐπενόησε καταστρατηγῆσαι τοὺς Λακεδαιμονίους· ἦδει γὰρ ἀκριβῶς ὅτι καθάπερ ἐπὶ τοῦ τῆς πόλεως τειχισμοῦ διεκώλυσαν οἱ Λακεδαιμόνιοι, τὸν αὐτὸν τρόπον ἐπὶ τῆς κατασκευῆς τοῦ λιμένος ἐγχειρήσουσι διακόπτειν τῶν Ἀθηναίων τὰς ἐπιβολάς. [2] ἔδοξεν οὖν αὐτῷ πρὸς μὲν τοὺς Λακεδαιμονίους πρέσβεις ἀποστείλαι τοὺς διδάζοντας συμφέρειν τοῖς κοινοῖς τῆς Ἑλλάδος πράγμασιν ἔχειν ἀξιόχρεων λιμένα πρὸς τὴν ἀπὸ τῶν Περσῶν ἐσομένην στρατείαν. διὰ δὲ τούτου τοῦ τρόπου τοὺς Σπαρτιάτας ἀμβλυτέρους ποιήσας πρὸς τὸ κωλύειν, αὐτὸς εἶχετο τῶν ἔργων, καὶ τῶν πάντων συμφιλοτιμουμένων ταχέως συνέβη γενέσθαι καὶ παραδόξως κατασκευασθῆναι τὸν λιμένα. [3] ἔπεισε δὲ τὸν δῆμον καθ' ἕκαστον ἐνιαυτὸν πρὸς ταῖς ὑπαρχούσαις ναυσὶν εἴκοσι τριήρεις προσκατασκευάζειν, καὶ τοὺς μετοίκους καὶ τοὺς τεχνίτας ἀτελεῖς ποιῆσαι, ὅπως ὄχλος πολὺς πανταχόθεν εἰς τὴν πόλιν κατέλθῃ καὶ πλείους τέχνας κατασκευάσωσιν εὐχερῶς· ἀμφοτέρω γὰρ ταῦτα χρησιμώτατα πρὸς τὰς τῶν ναυτικῶν δυνάμεων κατασκευὰς ὑπάρχειν ἔκρινεν. οἱ μὲν οὖν Ἀθηναῖοι περὶ ταῦτα ἡσυχολοῦντο. 44.

Λακεδαιμόνιοι δὲ Πausανίαν τὸν ἐν Πλαταιαῖς στρατηγῆσαντα καταστήσαντες ναύαρχον προσέταζαν ἐλευθεροῦν τὰς Ἑλληνίδας πόλεις, ὅσαι βαρβαρικαῖς φυλακαῖς διέμενον ἔτι φρουρούμεναι. [2] οὗτος δὲ πεντήκοντα μὲν τριήρεις ἐκ Πελοποννήσου λαβὼν, τριάκοντα δὲ παρ' Ἀθηναίων μεταπεψάμενος, ὧν Ἀριστείδης ἡγεῖτο, πρῶτον μὲν εἰς τὴν Κύπρον ἔπλευσε καὶ τῶν πόλεων τὰς ἔτι φρουράς ἐχούσας Περσικὰς ἡλευθέρωσε, [3] μετὰ δὲ ταῦτα πλεύσας ἐπὶ τὸν Ἑλλήσποντον Βυζάντιον μὲν ὑπὸ Περσῶν κρατούμενον ἐχειρώσατο, καὶ τῶν ἄλλων βαρβάρων οὓς μὲν ἀνελών, οὓς δ' ἐκβαλὼν ἡλευθέρωσε τὴν πόλιν, πολλοὺς δ' ἐν αὐτῇ Περσῶν ἀξιολόγους ζωγρήσας ἄνδρας παρέδωκεν εἰς φυλακὴν Γογγύλῳ τῷ Ἐρετριεῖ, τῷ μὲν λόγῳ πρὸς τιμωρίαν τηρήσονται, τῷ δ' ἔργῳ διασώσονται πρὸς Ξέρξην· συνετέθειτο γὰρ δι' ἀπορρήτων φιλίαν πρὸς τὸν βασιλέα, καὶ τὴν θυγατέρα τοῦ Ξέρξου γαμεῖν ἔμελλεν, ἵνα προδῷ τοὺς Ἕλληνας. [4] ἦν δ' ὁ ταῦτα πραττόμενος Ἀρτάβαζος στρατηγός, καὶ χρημάτων πλῆθος ἐχορήγει λάθρα τῷ Πausανίᾳ πρὸς τὸ διὰ τούτων φθεῖρειν τοὺς εὐθέτους τῶν Ἑλλήνων. ἐγένετο δὲ καταφανὴς καὶ τιμωρίας ἔτυχε τοιῷδέ τινι τρόπῳ. [5] ζηλώσαντος γὰρ αὐτοῦ τὴν Περσικὴν τρυφὴν καὶ τυραννικῶς προσφερομένου τοῖς ὑποτεταγμένοις, χαλεπῶς ἔφερον ἅπαντες, μάλιστα δὲ οἱ τεταγμένοι τῶν Ἑλλήνων ἐπὶ τινος ἡγεμονίας. [6] διόπερ τῶν κατὰ τὴν στρατιὰν καὶ κατὰ ἔθνη καὶ κατὰ πόλεις ἀλλήλοις ὀμιλοῦντων καὶ τοῦ Πausανίου τῆς βαρύτητος καταλαλούντων, Πελοποννήσιοί τινες μὲν καταλιπόντες αὐτὸν εἰς Πελοπόννησον ἀπέπλευσαν, καὶ πρέσβεις ἀποστείλαντες κατηγοροῦν τοῦ Πausανίου, Ἀριστείδης δὲ ὁ Ἀθηναῖος τῷ καιρῷ χρώμενος ἐμφρόνως ἐν ταῖς κοινολογίαις ἀνέλαμβανε τὰς πόλεις καὶ διὰ τῆς ὀμιλίας προσαγόμενος ἰδίας ἐποίησε τοῖς Ἀθηναίοις. ἔτι δὲ μᾶλλον συνήργησε καὶ τὸ αὐτόματον τοῖς Ἀθηναίοις διὰ ταύτας τὰς αἰτίας. 45. Πausανίας ἦν συντεθειμένος ὥστε τοὺς τὰς ἐπιστολὰς παρ' αὐτοῦ κομίζοντας πρὸς τὸν βασιλέα μὴ ἀνακάμπτειν μηδὲ

γίνεσθαι μηνυτὰς τῶν ἀπορρήτων: δι' ἣν αἰτίαν ἀναιρουμένων αὐτῶν ὑπὸ τῶν ἀπολαμβανόντων τὰς ἐπιστολάς συνέβαινε μηδὲνα διασώζεσθαι. [2] ἃ δὴ συλλογισάμενός τις τῶν βιβλιαφόρων ἀνέφξε τὰς ἐπιστολάς, καὶ γνοὺς ἀληθὲς ὄν τὸ περὶ τὴν ἀναίρεσιν τῶν κομιζόντων τὰ γράμματα, ἀνέδωκε τοῖς ἐφόροις τὰς ἐπιστολάς. [3] τούτων δὲ ἀπιστούντων διὰ τὸ ἀνεωγμένας αὐτοῖς τὰς ἐπιστολάς ἀναδεδόσθαι, καὶ πίστιν ἐτέραν βεβαιότεραν ζητούντων, ἐπηγγείλατο παραδώσειν αὐτὸν ὁμολογοῦντα. [4] πορευθεὶς οὖν ἐπὶ Ταίναρον καὶ καθεζόμενος ἐπὶ τῷ τοῦ Ποσειδῶνος ἱερῷ διπλὴν σκιηὴν περιβάλετο, καὶ τοὺς μὲν ἐφόρους καὶ τῶν ἄλλων Σπαρτιατῶν τινὰς κατέκρυψε, τοῦ δὲ Πausανίου παραγενομένου πρὸς αὐτὸν καὶ πυνθανομένου τὴν αἰτίαν τῆς ἱκετείας, ἐμέμψατο αὐτῷ καθ' ὅσον εἰς τὴν ἐπιστολὴν ἐνέγραψε τὸν κατ' αὐτοῦ θάνατον. [5] τοῦ δὲ Πausανίου φήσαντος μεταμελεῖσθαι καὶ συγγνώμην αἰτουμένου τοῖς ἀγνοηθεῖσιν, ἔτι δὲ δεηθέντος ὅπως συγκρύψει, καὶ δωρεὰς μεγάλας ὑπισχνουμένου, αὐτοὶ μὲν διελύθησαν, οἱ δ' ἔφοροι καὶ οἱ μετ' αὐτῶν ἀκριβῶς μαθόντες τάληθες τότε μὲν ἡσυχίαν ἔσχον, ὕστερον δὲ τῶν Λακεδαιμονίων τοῖς ἐφόροις συλλαμβανόντων, προαισθόμενος ἔφθασε καὶ κατέφυγεν εἰς ἱερὸν τὸ τῆς Ἀθηνᾶς τῆς Χαλκιοίκου. [6] ἀπορουμένων δὲ τῶν Λακεδαιμονίων εἰ τιμωρήσονται τὸν ἱκέτην, λέγεται τὴν μητέρα τοῦ Πausανίου καταντήσασαν εἰς τὸ ἱερὸν ἄλλο μὲν μηδὲν μῆτ' εἰπεῖν μῆτε πρᾶξαι, πλίνθον δὲ βαστάσασαν ἀναθεῖναι κατὰ τὴν εἰς τὸ ἱερὸν εἴσοδον, καὶ τοῦτο πράξασαν ἐπανελθεῖν εἰς τὴν ἰδίαν οἰκίαν. [7] τοὺς δὲ Λακεδαιμονίους τῇ τῆς μητρὸς κρίσει συνακολουθήσαντας ἐνοικοδομῆσαι τὴν εἴσοδον, καὶ τούτῳ τῷ τρόπῳ συναναγκάσαι τὸν Πausανίαν λιμῷ καταστρέψαι τὸν βίον. τὸ μὲν οὖν σῶμα τοῦ τελευτήσαντος συνεχωρήθη τοῖς προσήκουσι καταχῶσαι, τὸ δὲ δαιμόνιον τῆς τῶν ἱκετῶν σωτηρίας καταλυθείσης ἐπεσήμηνε: [8] τῶν γὰρ Λακεδαιμονίων περὶ τινων ἄλλων ἐν Δελφοῖς χρηστηριαζομένων, ὁ θεὸς ἔδωκε χρησμὸν κελεύων ἀποκαταστήσαι τῇ θεῷ τὸν ἱκέτην. [9] διόπερ οἱ Σπαρτιάται τὴν μαντείαν ἀδύνατον νομίζοντες εἶναι, ἠπόρουν ἐφ' ἱκανὸν χρόνον, οὐ δυνάμενοι ποιῆσαι τὸ προσταττόμενον ὑπὸ τοῦ θεοῦ: ὅμως δ' ἐκ τῶν ἐνδεχομένων βουλευσάμενοι κατεσκεύασαν εἰκόνας δύο τοῦ Πausανίου χαλκᾶς, καὶ ἀνέθηκαν εἰς τὸ ἱερὸν τῆς Ἀθηνᾶς. 46.

ἡμεῖς δὲ παρ' ὅλην τὴν ἱστορίαν εἰωθότες τῶν ἀγαθῶν ἀνδρῶν διὰ τῶν ἐπιλεγόμενων ἐπαινῶν αὖξιν τὴν δόξαν, τοῖς δὲ φαύλοις ἐπὶ τῆς τελευτῆς ἐπιφθέγγεσθαι τὰς ἀρμοζούσας βλασφημίας, οὐκ ἐάσομεν τὴν Πausανίου κακίαν καὶ προδοσίαν ἀκατηγόρητον. [2] τίς γὰρ οὐκ ἂν θαυμάσαι τούτου τὴν ἄνοιαν, ὃς εὐεργέτης γενόμενος τῆς Ἑλλάδος καὶ νικήσας τὴν ἐν Πλαταιαῖς μάχην καὶ πολλὰς ἄλλας ἐπαινουμένας πράξεις ἐπιτελεσάμενος, οὐχ ὅπως τὸ παρὸν ἀξίωμα διεφύλαξεν, ἀλλ' ἀγαπήσας τῶν Περσῶν τὸν πλοῦτον καὶ τὴν τρυφήν, ἅπασαν τὴν προϋπάρχουσαν εὐδοξίαν κατήσχυνεν; [3] ἐπαρθεὶς γὰρ ταῖς εὐτυχίαις τὴν μὲν Λακωνικὴν ἀγωγὴν ἐστύγῃσε, τὴν δὲ τῶν Περσῶν ἀκολασίαν καὶ τρυφήν ἐμμήσατο, ὃν ἥκιστα ἐχρῆν ζηλῶσαι τὰ τῶν βαρβάρων ἐπιτηδεύματα: οὐ γὰρ ἐτέρων πεπυσμένος, ἀλλ' αὐτὸς ἔργῳ πείραν εἰληφώς ἐγίνωσκε πόσῳ τῆς τῶν Περσῶν τρυφῆς ἢ πάτριος δίαίτα πρὸς ἀρετὴν διέφερεν. [4]

ἀλλὰ γὰρ αὐτὸς μὲν διὰ τὴν ἰδίαν κακίαν οὐ μόνον τῆς ἀξίας ἔτυχε τιμωρίας, ἀλλὰ καὶ τοῖς πολίταις αἴτιος κατέστη τοῦ τὴν κατὰ θάλατταν ἡγεμονίαν ἀποβαλεῖν: ἐκ παραθέσεως γὰρ ἡ Ἀριστείδου στρατηγία παρὰ τοῖς συμμάχοις θεωρουμένη, καὶ διὰ τὴν εἰς τοὺς ὑποτεταγμένους ὁμιλίαν καὶ τὰς ἄλλας ἀρετάς, ἐποίησε πάντα ὥσπερ ἀπὸ μιᾶς ὀρμῆς ἀποκλίνει πρὸς τοὺς Ἀθηναίους. [5] διὸ καὶ τοῖς μὲν ἐκ τῆς Σπάρτης πεμπομένοις ἡγεμόσιν οὐκέτι προσεῖχον, Ἀριστείδην δὲ θαυμάζοντες καὶ πάντα προθύμως ὑπακούοντες ἐποίησαν χωρὶς κινδύνου παραλαβεῖν τὴν κατὰ θάλατταν ἀρχήν. 47. εὐθύς οὖν ὁ μὲν Ἀριστείδης συνεβούλευε τοῖς συμμάχοις ἅπασιν κοινὴν ἄγουσι σύνοδον ἀποδείξαι τὴν Δῆλον κοινὸν ταμεῖον, καὶ τὰ χρήματα πάντα τὰ συναγόμενα εἰς ταύτην κατατίθεσθαι, πρὸς δὲ τὸν ἀπὸ τῶν Περσῶν ὑποπευόμενον πόλεμον τάξαι φόρον ταῖς πόλεσι πάσαις κατὰ δύναμιν, ὥστε γίνεσθαι τὸ πᾶν ἄθροισμα ταλάντων πεντακοσίων καὶ ἐξήκοντα. [2] ταχθεὶς δὲ ἐπὶ τὴν διάταξιν τῶν φόρων, οὕτως ἀκριβῶς καὶ δικαίως τὸν διαμερισμὸν ἐποίησεν ὥστε πάσας τὰς πόλεις εὐδοκῆσαι. διὸ καὶ δοκῶν ἐν τι τῶν ἀδυνάτων ἔργων συντετελεκέναι, μεγίστην ἐπὶ δικαιοσύνην δόξαν ἐκτήσατο καὶ διὰ τὴν ὑπερβολὴν τῆς δικαιοσύνης δίκαιος ἐπωνομάσθη. [3] ὑφ' ἑνα δὲ καὶ τὸν αὐτὸν καιρὸν ἡ μὲν τοῦ Πausανίου κακία τῆς κατὰ θάλατταν ἡγεμονίας ἐστέρησε τοὺς πολίτας, ἡ Ἀριστείδου δὲ κατὰ πᾶν ἀρετὴ τὰς Ἀθήνας τὴν οὐκ οὖσαν στρατηγίαν ἐποίησε κτήσασθαι. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 48.

ἐπ' ἄρχοντος δ' Ἀθήνησι Φαίδωνος Ὀλυμπιάς μὲν ἦχθη ἕκτη πρὸς ταῖς ἑβδομήκοντα, καθ' ἣν ἐνίκα στάδιον Σκαμάνδριος Μυτιληναῖος, ἐν Ῥώμῃ δ' ὑπῆρχον ὕπατοι Καίσιων Φάβιος καὶ Σπόριος Φούριος Μενέλλαιος. [2] ἐπὶ δὲ τούτων Λεωτυχίδας ὁ τῶν Λακεδαιμονίων βασιλεὺς ἐτελεύτησεν ἄρξας ἔτη εἴκοσι καὶ δύο, τὴν δὲ ἀρχὴν διαδεξάμενος Αρχίδαμος ἐβασίλευσεν ἔτη τετταράκοντα καὶ δύο. ἐτελεύτησε δὲ καὶ Ἀναξίλας ὁ Ῥηγίου καὶ Ζάγκλης τύραννος, δυναστεύσας ἔτη δέκα ὀκτώ, τὴν δὲ τυραννίδα διεδέξατο Μίκυθος, πιστευθεὶς ὥστε ἀποδοῦναι τοῖς τέκνοις τοῦ τελευτήσαντος οὗσι νέοις τὴν ἡλικίαν. [3] Ἰέρων δὲ ὁ βασιλεὺς τῶν Συρακοσίων μετὰ τὴν τοῦ Γέλωνος τελευτὴν τὸν μὲν ἀδελφὸν Πολύζηλον ὀρῶν εὐδοκιμοῦντα παρὰ τοῖς Συρακοσίοις, καὶ νομίζων αὐτὸν ἔφεδρον ὑπάρχειν τῆς βασιλείας, ἔσπευδεν ἐκποδὼν ποιήσασθαι, αὐτὸς δὲ ξενολογῶν καὶ περὶ αὐτὸν σύστημα ξένων παρασκευάζων ὑπελάμβανεν ἀσφαλῶς καθέξειν τὴν βασιλείαν. [4] διὸ καὶ Συβαριτῶν πολιορκουμένων ὑπὸ Κροτωνιατῶν καὶ δεομένων βοηθῆσαι, στρατιώτας πολλοὺς κατέγραψεν εἰς τὴν στρατιάν, ἣν παρεδίδου Πολυζήλω τὰδελφῷ νομίζων αὐτὸν ὑπὸ τῶν Κροτωνιατῶν ἀναιρεθῆσεσθαι. [5] τοῦ δὲ Πολυζήλου πρὸς τὴν στρατείαν οὐχ ὑπακούσαντος διὰ τὴν ῥηθεῖσαν ὑποψίαν, δι' ὀργῆς εἶχε τὸν ἀδελφόν, καὶ φυγόντος πρὸς Θήρωνα τὸν Ἀκραγαντίνων τύραννον, καταπολεμῆσαι τοῦτον παρεσκευάζετο. [6] μετὰ δὲ ταῦτα Θρασυδαίου τοῦ Θήρωνος ἐπιστατούντος τῆς τῶν Ἱμεραίων πόλεως βαρύτερον τοῦ καθήκοντος, συνέβη τοὺς Ἱμεραίους ἀπαλλοτριωθῆναι παντελῶς ἀπ' αὐτοῦ. [7] πρὸς μὲν οὖν τὸν πατέρα πορεύεσθαι τε καὶ κατηγορεῖν ἀπεδοκίμαζον, νομίζοντες οὐχ ἔξειν ἴσον ἀκουστήν: πρὸς δὲ τὸν

Ἰέρωνα πρέσβεις ἀπέστειλαν κατηγοροῦντες τοῦ Θρασυδαίου καὶ ἐπαγγελλόμενοι τὴν τε πόλιν ἐκείνῳ παραδῶσιν καὶ συνεπιθήσεσθαι τοῖς περὶ τὸν Θῆρωνα. [8] ὁ δὲ Ἰέρων κρίνας εἰρηνικῶς διαλύσασθαι πρὸς τὸν Θῆρωνα, προὔδωκε τοὺς Ἱμεραίους καὶ τὰ βεβουλευμένα λαθραίως ἐμήνυσεν. διόπερ Θῆρων ἐξετάσας τὰ κατὰ τὴν βουλὴν, καὶ τὴν μήνυσιν ἀληθινὴν εὐρίσκων, πρὸς μὲν τὸν Ἰέρωνα διελύσατο καὶ τὸν Πολύζηλον εἰς τὴν προϋπάρχουσαν εὐνοίαν ἀποκατέστησε, τῶν δὲ Ἱμεραίων τοὺς ἐναντίους πολλοὺς ὄντας συλλαβὼν ἀπέσφαζεν. 49.

Ἰέρων δὲ τοὺς τε Ναξίους καὶ τοὺς Καταναίους ἐκ τῶν πόλεων ἀναστήσας, ἰδίους οἰκήτορας ἀπέστειλεν, ἐκ μὲν Πελοποννήσου πεντακισχιλίους ἀθροίσας, ἐκ δὲ Συρακουσῶν ἄλλους τοσοῦτους προσθείς· καὶ τὴν μὲν Κατάνην μετωνόμασεν Αἴτην, τὴν δὲ χώραν οὐ μόνον τὴν Καταναίαν, ἀλλὰ καὶ πολλὴν τῆς ὁμόρου προσθείς κατεκληρούχησε, μυρίους πληρώσας οἰκήτορας. [2] τοῦτο δ' ἔπραξε σπεύδων ἅμα μὲν ἔχειν βοήθειαν ἐτοίμην ἀξιόλογον πρὸς τὰς ἐπιούσας χρεῖας, ἅμα δὲ καὶ ἐκ τῆς γενομένης μυριάνδρου πόλεως τιμὰς ἔχειν ἥρωικὰς. τοὺς δὲ Ναξίους καὶ τοὺς Καταναίους ἐκ τῶν πατρίδων ἀνασταθέντας μετῴκισεν εἰς τοὺς Λεοντίους, καὶ μετὰ τῶν ἐγχωρίων προσέταξε κατοικεῖν τὴν πόλιν. [3] Θῆρων δὲ μετὰ τὴν Ἱμεραίων σφαγὴν ὁρῶν τὴν πόλιν οἰκητόρων δεομένην, συνώκισεν εἰς ταύτην τοὺς τε Δωριεῖς καὶ τῶν ἄλλων τοὺς βουλομένους ἐπολιτογράφησεν. [4] οὗτοι μὲν οὖν μετ' ἀλλήλων καλῶς πολιτευόμενοι διετέλεσαν ἔτη πεντήκοντα καὶ ὀκτώ· τότε δὲ τῆς πόλεως ὑπὸ Καρχηδονίων χειρωθείσης καὶ κατασκαφείσης, διέμεινεν ἀόικητος μέχρι τῶν καθ' ἡμᾶς καιρῶν. 50.

ἐπ' ἄρχοντος δ' Ἀθήνησι Δρομοκλείδου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Μάρκον Φάβιον καὶ Γναῖον Μάλλιον. ἐπὶ δὲ τούτων Λακεδαιμόνιοι τὴν τῆς θαλάττης ἡγεμονίαν ἀποβεβληκότες ἀλόγως, βαρέως ἔφερον· διὸ καὶ τοῖς ἀφεστηκόσιν ἀπ' αὐτῶν Ἑλλήσι χαλεπῶς ἔχοντες, ἠπειλοῦν ἐπιθήσειν αὐτοῖς τὴν προσήκουσαν τιμωρίαν. [2] συναχθείσης δὲ τῆς γερουσίας ἐβουλεύοντο περὶ τοῦ πολέμου τοῦ πρὸς τοὺς Ἀθηναίους ὑπὲρ τῆς κατὰ θάλατταν ἡγεμονίας. [3] ὁμοίως δὲ καὶ τῆς κοινῆς ἐκκλησίας συναχθείσης, οἱ μὲν νεώτεροι καὶ τῶν ἄλλων οἱ πολλοὶ φιλοτίμως εἶχον ἀνακτήσασθαι τὴν ἡγεμονίαν, νομίζοντες, ἐὰν αὐτὴν περιποιήσωνται, χρημάτων τε πολλῶν εὐπορήσειν καὶ καθόλου τὴν Σπάρτην μείζονα ποιήσεσθαι καὶ δυνατωτέραν, τοὺς τε τῶν ἰδιωτῶν οἴκους πολλὴν ἐπίδοσιν λήψεσθαι πρὸς εὐδαιμονίαν. [4] ἀνεμιμνήσκοντο δὲ καὶ τῆς ἀρχαίας μαντείας, ἐν ᾗ προσέταξεν αὐτοῖς ὁ θεὸς σκοπεῖν, ὅπως μὴ χωλὴν ἔχωσι τὴν ἡγεμονίαν, καὶ τὸν χρησμὸν ἔφασαν εἰς οὐδὲν ἕτερον ἢ τὸ παρὸν λέγειν· χωλὴν γὰρ αὐτοῖς ὑπάρξειν τὴν ἀρχήν, ἐὰν οὐσῶν δυεῖν ἡγεμονιῶν τὴν ἑτέραν ἀποβάλωσι. [5] πάντων δὲ σχεδὸν τῶν πολιτῶν πρὸς ταύτην τὴν ὑπόθεσιν ὠρμημένων, καὶ τῆς γερουσίας συνεδρευούσης περὶ τούτων, οὐδεὶς ἥλπισεν οὐδένα τολμήσειν συμβουλευσαι ἕτερόν τι. [6] τῶν δὲ ἐκ τῆς γερουσίας τις, ὄνομα μὲν Ἐτοιμαρίδας, τὸ δὲ γένος ἀπ' Ἡρακλέους ὦν καὶ δι' ἀρετὴν ἀποδοχῆς τυγχάνων παρὰ τοῖς πολίταις, ἐπεχείρησε συμβουλεύειν ἑὼν τοὺς Ἀθηναίους ἐπὶ τῆς ἡγεμονίας· μὴ συμφέρειν γὰρ τῇ Σπάρτῃ τῆς θαλάττης ἀμφισβητεῖν· πρὸς παράδοξον δὲ

ὑπόθεσιν εἰπεῖν εὐπορήσας λόγους ἀρμόζοντας, παρὰ τὴν προσδοκίαν ἔπεισε τὴν γερουσίαν καὶ τὸν δῆμον. [7] τέλος δὲ οἱ Λακεδαιμόνιοι κρίναντες τὸν Ἑτοιμαρίδαν συμφέροντα λέγειν ἀπέστησαν τῆς περὶ τὸν πόλεμον πρὸς τοὺς Ἀθηναίους ὁρμῆς. [8] Ἀθηναῖοι δὲ τὸ μὲν πρῶτον προσεδόκων μέγαν πόλεμον ἔξιν πρὸς τοὺς Λακεδαιμονίους περὶ τῆς κατὰ θάλατταν ἡγεμονίας, καὶ διὰ τοῦτο τριήρεις κατεσκευάζον πλείους καὶ χρημάτων πλῆθος ἐπορίζοντο καὶ τοῖς συμμάχοις ἐπικεικῶς προσεφέροντο· ὥς δὲ τὰ δοχθέντα τοῖς Λακεδαιμονίοις ἐπύθοντο, τοῦ μὲν φόβου τοῦ κατὰ τὸν πόλεμον ἀπελύθησαν, περὶ δὲ τὴν αὐξήσιν τῆς ἰδίας πόλεως ἡσχολοῦντο. 51.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀκεστορίδου ἐν Ῥώμῃ τὴν ὑπατον ἀρχὴν διεδέξαντο Καίσιων Φάβιος καὶ Τίτος Οὐεργίνιος. ἐπὶ δὲ τούτων Ἰέρων μὲν ὁ βασιλεὺς τῶν Συρακοσίων, παραγενομένων πρὸς αὐτὸν πρέσβεων ἐκ Κύμης τῆς Ἰταλίας καὶ δεομένων βοηθῆσαι πολεμουμένοις ὑπὸ Τυρρηγῶν θαλαττοκρατούντων, ἐξέπεμψεν αὐτοῖς συμμαχίαν τριήρεις ἱκανάς. [2] οἱ δὲ τῶν νεῶν τούτων ἡγεμόνες ἐπειδὴ κατέπλευσαν εἰς τὴν Κύμην, μετὰ τῶν ἐγχωρίων μὲν ἐναυμάχησαν πρὸς τοὺς Τυρρηνοὺς, πολλὰς δὲ ναῦς αὐτῶν διαφθείραντες καὶ μεγάλη ναυμαχία νικήσαντες, τοὺς μὲν Τυρρηνοὺς ἐταπείνωσαν, τοὺς δὲ Κυμαίους ἡλευθέρωσαν τῶν φόβων, καὶ ἀπέπλευσαν ἐπὶ Συρακούσας. 52.

ἐπ' ἄρχοντος δ' Ἀθήνησι Μένωνος Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Λεύκιον Αἰμίλιον Μάμερκον καὶ Γάιον Κορνήλιον Λέντουλον, κατὰ δὲ τὴν Ἰταλίαν πόλεμος ἐνέστη Ταραντίνοις πρὸς τοὺς Ἰάπυγας· [2] περὶ γὰρ ὁμόρου χώρας ἀμφισβητούντων πρὸς ἀλλήλους, ἐπὶ μὲν τινας χρόνους διετέλουν ἀνψιμαχοῦντες καὶ λεηλατοῦντες τὰς ἀλλήλων χώρας, αἰεὶ δὲ μᾶλλον τῆς διαφορᾶς συναυξομένης καὶ πολλὰκις φόνων γινομένων, τὸ τελευταῖον εἰς ὀλοσχερῇ φιλοτιμίαν ὥρμησαν. [3] οἱ μὲν οὖν Ἰάπυγες τὴν τε παρ' αὐτῶν δύναμιν παρεσκευάζοντο καὶ τὴν παρὰ τῶν ὁμόρων συμμαχίαν συνέλαβον, καὶ τοὺς σύμπαντας ἤθροισαν ὑπὲρ τοὺς δισμυρίους· οἱ δὲ Ταραντῖνοι πυθόμενοι τὸ μέγεθος τῆς ἐπ' αὐτοὺς ἡθροισμένης δυνάμεως, τοὺς τε πολιτικοὺς στρατιώτας ἤθροισαν καὶ Ῥηγίωνων συμμάχων ὄντων πολλοὺς προσελάβοντο. [4] γενομένης δὲ μάχης ἰσχυρᾶς καὶ πολλῶν παρ' ἀμφοτέροις πεσόντων, τὸ τελευταῖον οἱ Ἰάπυγες ἐνίκησαν. τῶν δὲ ἡττηθέντων εἰς δύο μέρη σχισθέντων κατὰ τὴν φυγὴν, καὶ τῶν μὲν εἰς Τάραντα τὴν ἀναχώρησιν ποιουμένων, τῶν δὲ εἰς τὸ Ῥήγιον φευγόντων, παραπλησίως τούτοις καὶ οἱ Ἰάπυγες ἐμερίσθησαν. [5] οἱ μὲν οὖν τοὺς Ταραντίνους διώξαντες ὀλίγου διαστήματος ὄντος πολλοὺς τῶν ἐναντίων ἀνεῖλον, οἱ δὲ τοὺς Ῥηγίνους διώκοντες ἐπὶ τοσοῦτον ἐφιλοτιμήθησαν ὥστε συνεισπεσεῖν τοῖς φεύγουσιν εἰς τὸ Ῥήγιον καὶ τῆς πόλεως κυριεῦσαι. 53.

μετὰ δὲ ταῦτα Ἀθήνησι μὲν ἦρχε Χάρης, ἐν Ῥώμῃ δὲ ὑπατοὶ καθειστήκεσαν Τίτος Μινούνιος καὶ Γάιος Ὁράτιος Πολύειδος, ἥχθη δὲ παρ' Ἡλείοις Ὀλυμπιάς ἐβδομηκοστὴ καὶ ἐβδόμη, καθ' ἣν ἐνίκα στάδιον Δάνδης Ἀργεῖος. ἐπὶ δὲ τούτων κατὰ μὲν τὴν Σικελίαν Θήρων ὁ Ἀκραγαντίνων δυνάστης ἐτελεύτησεν ἄρξας ἔτη δέκα καὶ ἕξ, τὴν δὲ ἀρχὴν διεδέξατο Θρασυδαῖος ὁ υἱός. [2] ὁ μὲν οὖν Θήρων τὴν ἀρχὴν ἐπικεικῶς διφκηκῶς, καὶ

ζῶν μεγάλης ἀποδοχῆς ἐτύγγανε παρὰ τοῖς πολίταις καὶ τελευτήσας ἥρωικῶν ἔτυχε τιμῶν, ὁ δὲ υἱὸς αὐτοῦ καὶ ζῶντος ἔτι τοῦ πατρὸς βίαιος ἦν καὶ φονικὸς καὶ τελευτήσαντος ἤρχε τῆς πατρίδος παρανόμως καὶ τυραννικῶς. [3] διὸ καὶ ταχέως ἀπιστηθεὶς ὑπὸ τῶν ὑποτεταγμένων διετέλεσεν ἐπιβουλευόμενος καὶ βίον ἔχων μισούμενον: ὅθεν ταχέως τῆς ἰδίας παρανομίας οἰκείαν ἔσχε τὴν τοῦ βίου καταστροφὴν. μετὰ γὰρ τὴν τοῦ πατρὸς Θήρωνος τελευτὴν πολλοὺς μισθοφόρους ἄθροίσας καὶ τῶν Ἀκραγαντίνων καὶ Ἱμεραίων προσκαταλέξας, τοὺς ἅπαντας ἤθροισεν ὑπὲρ τοὺς δισμυρίους ἱππεῖς καὶ πεζοὺς. [4] μετὰ δὲ τούτων μέλλοντος αὐτοῦ πολεμεῖν τοῖς Συρακοσίοις, Ἰέρων ὁ βασιλεὺς παρασκευασάμενος δύναμιν ἀξιόλογον ἐστράτευσεν ἐπὶ τὸν Ἀκράγαντα. γενομένης δὲ μάχης ἰσχυρᾶς πλείστοι παραταξαμένων Ἑλλήνων πρὸς Ἑλληνας ἔπεσον. [5] τῇ μὲν οὖν μάχῃ ἐπροτέρησαν οἱ Συρακόσιοι, κατεκόπησαν δὲ τῶν μὲν Συρακοσίων εἰς δισχιλίους, τῶν δὲ ἄλλων ὑπὲρ τοὺς τετρακισχιλίους. μετὰ δὲ ταῦτα Θρασυδαῖος μὲν ταπεινωθεὶς ἐξέπεσεν ἐκ τῆς ἀρχῆς, καὶ φυγὼν εἰς Μεγαρεῖς τοὺς Νισαίους καλουμένους, ἐκεῖ θανάτου καταγνωσθεὶς ἐτελεύτησεν: οἱ δ' Ἀκραγαντῖνοι κομισάμενοι τὴν δημοκρατίαν, διαπρεσβευσάμενοι πρὸς Ἰέρωνα τῆς εἰρήνης ἔτυχον. [6] κατὰ δὲ τὴν Ἰταλίαν Ῥωμαίοις πρὸς Οὐγιεντανοὺς ἐνστάντος πολέμου μεγάλη μάχη συνέστη περὶ τὴν ὀνομαζομένην Κρεμέραν. τῶν δὲ Ῥωμαίων ἡττηθέντων συνέβη πολλοὺς αὐτῶν πεσεῖν, ὧν φασὶ τινες τῶν συγγραφέων καὶ τοὺς Φαβίους τοὺς τριακοσίους, συγγενεὶς ἀλλήλων ὄντας καὶ διὰ τοῦτο μιᾷ περιειλημμένους προσηγορίᾳ. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 54.

ἐπ' ἄρχοντος δ' Ἀθήνησι Πραξιέργου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Αὐλὸν Οὐεργίνιον Τρίκοστον καὶ Γάιον Σερουίλιον Στροῦκτον. ἐπὶ δὲ τούτων Ἥλειοι μὲν πλείους καὶ μικρὰς πόλεις οἰκοῦντες εἰς μίαν συνῳκίσθησαν τὴν ὀνομαζομένην Ἥλιν. [2] Λακεδαιμόνιοι δὲ ὀρῶντες τὴν μὲν Σπάρτην διὰ τὴν Πανσανίου τοῦ στρατηγοῦ προδοσίαν ταπεινῶς πράττουσαν, τοὺς δὲ Ἀθηναίους εὐδοκιμοῦντας διὰ τὸ μηδένα παρ' αὐτοῖς πολίτην ἐπὶ προδοσίᾳ κατεγνώσθαι, ἔσπευδον τὰς Ἀθήνας ταῖς ὁμοίαις περιβαλεῖν διαβολαῖς. [3] διόπερ εὐδοκιμοῦντος παρ' αὐτοῖς Θεμιστοκλέους καὶ μεγάλην δόξαν ἔχοντος ἐπ' ἀρετῇ, κατηγορήσαν προδοσίαν αὐτοῦ, φάσκοντες φίλον γενέσθαι τοῦ Πανσανίου μέγιστον, καὶ μετὰ τούτου συντεθεῖσθαι κοινῇ προδοῦναι τὴν Ἑλλάδα τῷ Ξέρξῃ. [4] διελέγοντο δὲ καὶ τοῖς ἐχθροῖς τοῦ Θεμιστοκλέους, παροξύνοντες αὐτοὺς πρὸς τὴν κατηγορίαν, καὶ χρήματα ἔδοσαν, διδάσκοντες ὅτι Πανσανίας μὲν κρίνας προδιδόναι τοὺς Ἑλληνας ἐδήλωσε τὴν ἰδίαν ἐπιβολὴν Θεμιστοκλεῖ καὶ παρεκάλεσε κοινωνεῖν τῆς προθέσεως, ὁ δὲ Θεμιστοκλῆς οὔτε προσεδέξατο τὴν ἔντευξιν οὔτε διαβάλλειν ἔκρινε δεῖν ἄνδρα φίλον. [5] οὐ μὴν ἀλλὰ κατηγορηθεὶς ὁ Θεμιστοκλῆς τότε μὲν ἀπέφυγε τὴν τῆς προδοσίας κρίσιν. διὸ καὶ τὸ μὲν πρῶτον μετὰ τὴν ἀπόλυσιν μέγας ἦν παρὰ τοῖς Ἀθηναίοις: ἡγάπων γὰρ αὐτὸν ἐπὶ τοῖς πεπραγμένοις διαφερόντως οἱ πολῖται: μετὰ δὲ ταῦτα οἱ μὲν φοβηθέντες αὐτοῦ τὴν ὑπεροχὴν, οἱ δὲ φθονήσαντες τῇ δόξῃ, τῶν μὲν εὐεργεσιῶν ἐπελάθοντο, τὴν δ' ἰσχὺν αὐτοῦ καὶ τὸ φρόνημα ταπεινοῦν ἔσπευδον. 55. πρῶτον μὲν οὖν αὐτὸν ἐκ τῆς

πόλῳ μετέστησαν, τοῦτον τὸν ὀνομαζόμενον ὀστρακισμόν ἐπαγαγόντες αὐτῷ, ὃς ἐνομοθετήθη μὲν ἐν ταῖς Ἀθήναις μετὰ τὴν κατάλυσιν τῶν τυράννων τῶν περὶ Πεισίστρατον, ὁ δὲ νόμος ἐγένετο τοιοῦτος. [2] ἕκαστος τῶν πολιτῶν εἰς ὀστρακὸν ἔγραφε τοῦνομα τοῦ δοκοῦντος μάλιστα δύνασθαι καταλῦσαι τὴν δημοκρατίαν· ᾧ δ' ἂν ὀστρακὰ πλείω γένηται, φεύγειν ἐκ τῆς πατρίδος ἐτέτακτο πενταετὴ χρόνον. [3] νομοθετησάτω δὲ ταῦτα δοκοῦσιν οἱ Ἀθηναῖοι, οὐχ ἵνα τὴν κακίαν κολάζωσιν, ἀλλ' ἵνα τὰ φρονήματα τῶν ὑπερεχόντων ταπεινότερα γένηται διὰ τὴν φυγὴν. ὁ μὲν οὖν Θεμιστοκλῆς τὸν προειρημένον τρόπον ἐξοστρακισθεὶς ἔφυγεν ἐκ τῆς πατρίδος εἰς Ἄργος· [4] οἱ δὲ Λακεδαιμόνιοι πυθόμενοι περὶ τούτων, καὶ νομίσαντες παρὰ τῆς τύχης εἰληφέναι καιρὸν ἐπιθέσθαι τῷ Θεμιστοκλεῖ, πάλιν εἰς τὰς Ἀθήνας ἐξαπέστειλαν πρέσβεις κατηγοροῦντες τοῦ Θεμιστοκλέους ὅτι τῷ Πausanias κεκοινώνηκε τῆς προδοσίας, καὶ δεῖν ἔφασαν τῶν κοινῶν τῆς Ἑλλάδος ἀδικημάτων εἶναι τὴν κρίσιν οὐκ ἰδίᾳ παρὰ τοῖς Ἀθηναίοις, ἀλλ' ἐπὶ τοῦ κοινοῦ συνεδρίου τῶν Ἑλλήνων, ὅπερ εἰώθει συνεδρεῦειν κατ' ἐκείνον τὸν χρόνον. [5] ὁ δὲ Θεμιστοκλῆς ὁρῶν τοὺς Λακεδαιμονίους σπεύδοντας διαβαλεῖν τὴν πόλιν τῶν Ἀθηναίων καὶ ταπεινῶσαι, τοὺς δ' Ἀθηναίους βουλομένους ἀπολογήσασθαι περὶ τῆς ἐπιφερομένης αἰτίας, ὑπέλαβεν ἑαυτὸν παραδοθήσεσθαι τῷ κοινῷ συνεδρίῳ. [6] τοῦτο δ' ἤδει τὰς κρίσεις οὐ δικαίας, ἀλλὰ πρὸς χάριν ποιούμενον τοῖς Λακεδαιμονίοις, τεκμαιρόμενος ἕκ τε τῶν ἄλλων καὶ ἐξ ὧν ἐποιήσατο περὶ τῶν ἀριστείων· οὕτω γὰρ οἱ κύριοι τῆς ψήφου φθονερῶς διετέθησαν πρὸς τοὺς Ἀθηναίους, ὥστε πλείους τριῆρεις αὐτῶν παρεσχημένων ἢ σύμπαντες οἱ ναυμαχήσαντες παρέσχοντο, οὐδὲν κρείττους αὐτοὺς ἐποίησαν τῶν ἄλλων Ἑλλήνων. [7] διὰ ταῦτα δὴ συνέβη τὸν Θεμιστοκλέα τοῖς συνέδροις ἀπιστήσαι. καὶ γὰρ ἐκ τῆς προγεγενημένης ἀπολογίας ἐν ταῖς Ἀθήναις ὑπὸ τοῦ Θεμιστοκλέους ἀφορμὰς εἶχον οἱ Λακεδαιμόνιοι πρὸς τὴν ὕστερον γενομένην κατηγορίαν. [8] ὁ γὰρ Θεμιστοκλῆς ἀπολογούμενος ὡμολόγει μὲν τὸν Pausanias πρὸς αὐτὸν ἐπιστολὰς ἀπεσταλκέναι παρακαλοῦντα μετασχεῖν τῆς προδοσίας, καὶ τούτῳ μεγίστῳ χρησάμενος τεκμηρίῳ συνίστανεν, ὅτι οὐκ ἂν παρεκάλει Pausanias αὐτόν, εἰ μὴ πρὸς τὴν ἀξίωσιν ἀντέλεγε. 56. διὰ δὲ ταῦτα, καθάπερ προειρήκαμεν, ἔφυγεν ἐξ Ἀργεὺς πρὸς Ἀδμητον τὸν Μολοττῶν βασιλέα· καταφυγὼν δὲ πρὸς τὴν ἐστίαν ἰκέτης ἐγένετο. ὁ δὲ βασιλεὺς τὸ μὲν πρῶτον προσεδέξατο αὐτὸν φιλοφρόνως καὶ παρεκάλει θαρρεῖν καὶ τὸ σύνολον ἐπηγγέλλετο φροντιεῖν αὐτοῦ τῆς ἀσφαλείας· [2] ἐπεὶ δὲ οἱ Λακεδαιμόνιοι τοὺς ἐπιφανεστάτους Σπαρτιατῶν πρέσβεις ἀποστείλαντες πρὸς τὸν Ἀδμητον ἐξήτουν αὐτὸν πρὸς τιμωρίαν, ἀποκαλοῦντες προδότην καὶ λυμεῶνα τῆς ὅλης Ἑλλάδος, πρὸς δὲ τούτοις μὴ παραδιδόντος αὐτὸν πολεμήσειν ἔφασαν μετὰ πάντων τῶν Ἑλλήνων, τὸ τηνικαῦθ' ὁ βασιλεὺς φοβηθεὶς μὲν τὰς ἀπειλάς, ἐλεῶν δὲ τὸν ἰκέτην καὶ τὴν ἐκ τῆς παραδόσεως αἰσχύνην ἐκκλίνων, ἔπειθε τὸν Θεμιστοκλέα τὴν ταχίστην ἀπιέναι λάθρα τῶν Λακεδαιμονίων, καὶ χρυσοῦ πλῆθος ἐδωρήσατο αὐτῷ ἐφόδιον τῆς φυγῆς. [3] ὁ δὲ Θεμιστοκλῆς πάντοθεν ἐλαυνόμενος καὶ τὸ χρυσίον δεξάμενος ἔφυγε νυκτὸς ἐκ τῶν Μολοττῶν χώρας, συμπράττοντος αὐτῷ πάντα τὰ πρὸς φυγὴν τοῦ βασιλέως:

εὐρὼν δὲ δύο νεανίσκους Λυγκηστὰς τὸ γένος, ἐμπορικαῖς δὲ ἐργασίαις
χρωμένους, καὶ διὰ τοῦτο τῶν ὁδῶν ἐμπείρως ἔχοντας, μετὰ τούτων ἔφυγε. [4]
χρῶμενος δὲ νυκτεριναῖς ὁδοιπορίαις ἔλαθε τοὺς Λακεδαιμονίους, καὶ διὰ τῆς
τῶν νεανίσκων εὐνοίας τε καὶ κακοπαθείας κατήντησεν εἰς τὴν Ἀσίαν:
ἐνταῦθα δ' ἔχων ιδιόξενον, ὄνομα μὲν Λυσιθείδην, δόξη δὲ καὶ πλούτῳ
θαυμαζόμενον, πρὸς τοῦτον κατέφυγεν. [5] ὁ δὲ Λυσιθείδης ἐτύγγανε φίλος ὢν
Ξέρξου τοῦ βασιλέως καὶ κατὰ τὴν διάβασιν τοῦ Ξέρξου τὴν δύναμιν τῶν
Περσῶν ἅπασαν εἰστιακῶς. διόπερ συνήθειαν μὲν ἔχων πρὸς τὸν βασιλέα, τὸν
δὲ Θεμιστοκλέα διὰ τὸν ἔλεον σῶσαι βουλόμενος, ἐπηγγείλατο αὐτῷ πάντα
συμπράξειν. [6] ἀξιοῦντος δὲ τοῦ Θεμιστοκλέους ἀγαγεῖν αὐτὸν πρὸς τὸν
Ξέρξην, τὸ μὲν πρῶτον ἀντεῖπεν, ἀποφαινόμενος ὅτι κολασθήσεται διὰ τὰς
κατὰ τῶν Περσῶν αὐτῷ γεγενημένας πράξεις, μετὰ δὲ ταῦτα μαθὼν τὸ
συμφέρον ὑπήκουσε, καὶ παραδόξως καὶ ἀσφαλῶς αὐτὸν διέσωσεν εἰς τὴν
Περσίδα. [7] ἔθους γὰρ ὄντος παρὰ τοῖς Πέρσαις τὸν ἄγοντα παλλακὴν τῷ
βασιλεῖ κομίζειν ταύτην ἐπὶ ἀπήνης κεκρυμμένης, καὶ τῶν ἀπαντῶντων
μηδένα πολυπραγμονεῖν μηδὲ κατ' ὄψιν ἀπαντῆσαι τῇ ἀγομένῃ, ἀφορμὴ
ταύτῃ συνέβη χρήσασθαι πρὸς τὴν ἐπιβολὴν τὸν Λυσιθείδην. [8]
παρασκευασάμενος γὰρ τὴν ἀπήνην πολυτελέσι παραπετάσμασι
κεκοσμημένην, εἰς ταύτην ἐνέθηκε τὸν Θεμιστοκλέα, καὶ μετὰ πάσης
ἀσφαλείας διασώσας ἐνέτυχε τῷ βασιλεῖ, καὶ πεφυλαγμένως ὁμιλήσας ἔλαβε
παρ' αὐτοῦ πίστεις μηδὲν ἀδικήσιν τὸν ἄνδρα. εἰσαγαγὼν δὲ αὐτὸν πρὸς τὸν
βασιλέα, κάκεινου δόντος τῷ Θεμιστοκλεῖ λόγον καὶ μαθόντος ὥς οὐδὲν
ἠδίκησεν, ἀπελύθη τῆς τιμωρίας. 57. δόξας δὲ παραδόξως ὑπ' ἐχθροῦ
διασεσῶσθαι, πάλιν εἰς μείζονας κινδύνους ἐνέπεσε διὰ τοιαύτας αἰτίας:
Μανδάνη Δαρείου μὲν ἦν θυγάτηρ τοῦ φονεύσαντος τοὺς μάγους, ἀδελφὴ δὲ
γνησίᾳ τοῦ Ξέρξου, μεγίστης δ' ἀποδοχῆς τυγχάνουσα παρὰ τοῖς Πέρσαις. [2]
αὕτη τῶν υἱῶν ἐστερημένη καθ' ὃν καιρὸν Θεμιστοκλῆς περὶ Σαλαμῖνα
κατεναυμάχησε τὸν στόλον τῶν Περσῶν, χαλεπῶς ἔφερε τὴν ἀναίρεσιν τῶν
τέκνων, καὶ διὰ τὸ μέγεθος τῆς συμφορᾶς ἡλεῖτο παρὰ τοῖς πλήθεσιν. [3] αὕτη
πυθομένη τὴν παρουσίαν τοῦ Θεμιστοκλέους, ἦλθεν εἰς τὰ βασίλεια πενθίμην
ἐσθῆτα λαβοῦσα, καὶ μετὰ δακρύων ἰκέτευε τὸν ἀδελφὸν ἐπιθεῖναι τιμωρίαν
τῷ Θεμιστοκλεῖ. ὥς δ' οὐ προσεῖχεν αὐτῇ, περιήει τοὺς ἀρίστους τῶν Περσῶν
ἀξιοῦσα καὶ καθόλου τὰ πλήθη παροξύνουσα πρὸς τὴν τοῦ Θεμιστοκλέους
τιμωρίαν. [4] τοῦ δ' ὄχλου συνδραμόντος ἐπὶ τὰ βασίλεια καὶ μετὰ κραυγῆς
ἐξαιτοῦντος ἐπὶ τιμωρίαν τὸν Θεμιστοκλέα, ὁ μὲν βασιλεὺς ἀπεκρίνατο
δικαστήριον καταστήσειν ἐκ τῶν ἀρίστων Περσῶν, καὶ τὸ κριθὲν τεύξεσθαι
συντελείας: [5] πάντων δὲ συνευδοκησάντων, καὶ δοθέντος ἱκανοῦ χρόνου εἰς
τὴν παρασκευὴν τῆς κρίσεως, ὁ μὲν Θεμιστοκλῆς μαθὼν τὴν Περσίδα
διάλεκτον, καὶ ταύτῃ χρησάμενος κατὰ τὴν ἀπολογία, ἀπελύθη τῶν
ἐγκλημάτων. [6] ὁ δὲ βασιλεὺς περιχαρὴς γενόμενος ἐπὶ τῇ σωτηρίᾳ τάνδρως
μεγάλαις αὐτὸν δωρεαῖς ἐτίμησε: γυναῖκα γὰρ αὐτῷ πρὸς γάμου κοινωνίαν
ἔξευξε Περσίδα, εὐγενεῖα τε καὶ κάλλει διαφέρουσαν, ἔτι δὲ κατ' ἀρετὴν
ἐπαινουμένην, οἰκετῶν τε πλῆθος ... πρὸς διακονίαν καὶ παντοδαπῶν
ἐκπωμάτων καὶ τὴν ἄλλην χορηγίαν πρὸς ἀπόλαυσιν καὶ τρυφήν ἀρμόζουσαν.

[7] ἐδωρήσατο δ' αὐτῷ καὶ πόλεις τρεῖς πρὸς διατροφήν καὶ ἀπόλαυσιν εὐθέτους, Μαγνησίαν μὲν τὴν ἐπὶ τῷ Μαιιάνδρῳ, πλείστον τῶν κατὰ τὴν Ἀσίαν πόλεων ἔχουσαν σῖτον, εἰς ἄρτους, Μυοῦντα δὲ εἰς ὄψον, ἔχουσαν θάλατταν εὐίχθυν, Λάμψακον δέ, ἀμπελόφυτον ἔχουσαν χώραν πολλήν, εἰς οἶνον. 58. Θεμιστοκλῆς μὲν οὖν ἀπολυθεὶς τοῦ παρ' Ἑλλήσι φόβου, καὶ παραδόξως ὑπὸ μὲν τῶν τὰ μέγιστα εὐεργετηθέντων φυγαδευθεὶς, ὑπὸ δὲ τῶν τὰ δεινότατα παθόντων εὐεργετηθεὶς, ἐν ταύταις ταῖς πόλεσι κατεβίωσε πάντων τῶν πρὸς ἀπόλαυσιν ἀγαθῶν εὐπορούμενος, καὶ τελευτήσας ἐν τῇ Μαγνησίᾳ ταφῆς ἔτυχεν ἀξιολόγου καὶ μνημείου τοῦ ἔτι νῦν διαμένοντος. [2] ἔνιοι δὲ τῶν συγγραφέων φασὶ τὸν Ξέρξην ἐπιθυμήσαντα πάλιν στρατεῦειν ἐπὶ τὴν Ἑλλάδα παρακαλεῖν τὸν Θεμιστοκλέα στρατηγεῖν ἐπὶ τοῦ πολέμου, τὸν δὲ συγχωρήσαντα περὶ τούτων πίστεις λαβεῖν ἐνόρκους μὴ στρατεύσειν ἐπὶ τοὺς Ἕλληνας ἄνευ Θεμιστοκλέους. [3] σφαγιασθέντος δὲ ταύρου καὶ τῶν ὄρκων γενομένων, τὸν Θεμιστοκλέα κύλικα τοῦ αἵματος πληρώσαντα ἐκπιεῖν καὶ παραχρῆμα τελευτήσαι. καὶ τὸν μὲν Ξέρξην ἀποστήναι τῆς ἐπιβολῆς ταύτης, τὸν δὲ Θεμιστοκλέα διὰ τῆς ἰδίας τελευτῆς ἀπολογία ἀπολιπεῖν καλλίστην ὅτι καλῶς ἐπολιτεύθη τὰ πρὸς τοὺς Ἕλληνας. [4]

ἡμεῖς δὲ πάρεσμεν ἐπὶ τὴν τελευτὴν ἀνδρὸς μεγίστου τῶν Ἑλλήνων, περὶ οὗ πολλοὶ διαμφισβητοῦσι, πότερον οὗτος ἀδικήσας τὴν πατρίδα καὶ τοὺς ἄλλους Ἕλληνας ἔφυγεν εἰς Πέρσας, ἢ τοῦναντίον ἢ τε πόλις καὶ πάντες οἱ Ἕλληνες εὐεργετηθέντες μεγάλα τῆς μὲν χάριτος ἐπελάθοντο, τὸν δ' εὐεργέτην ἡγαγον αὐτὸν ἀδίκως εἰς τοὺς ἐσχάτους κινδύνους. [5] εἰ δέ τις χωρὶς φθόνου τὴν τε φύσιν τάνδρως καὶ τὰς πράξεις ἐξετάζοι μετ' ἀκριβείας, εὐρήσει πάντων ὧν μνημονεύομεν ἀμφοτέροις τοῖς εἰρημένοις πεπρωτευκότα. διὸ καὶ θαυμάσειεν ἂν τις εἰκότως, εἰ στερῆσαι σφᾶς αὐτοὺς ἀνδρὸς τοιούτου τὴν φύσιν ἠθέλησαν. 59. τίς γὰρ ἕτερος, τῆς Σπάρτης πλέον ἰσχυούσης καὶ τοῦ ναυτικοῦ τὴν ἡγεμονίαν ἔχοντος Εὐρυβιάδου τοῦ Σπαρτιάτου, ταῖς ἰδίαις πράξεσιν ἀφείλετ' ἂν τῆς Σπάρτης ταύτην τὴν δόξαν; τίνα δ' ἄλλον ἱστορήκαμεν μιᾷ πράξει ποιήσαντα διενεγκεῖν αὐτὸν μὲν τῶν ἡγεμόνων, τὴν δὲ πόλιν τῶν Ἑλληνίδων πόλεων, τοὺς δ' Ἕλληνας τῶν βαρβάρων; ἐπὶ τίνος δὲ στρατηγοῦντος ἐλάττονας ἀφορμὰς ἢ μείζονας κινδύνους συνέβη γενέσθαι; [2] τίς δὲ πρὸς ἅπασαν τὴν ἐκ τῆς Ἀσίας δύναμιν ἀναστάτῳ τῇ πόλει παραταχθεὶς ἐνίκησε; τίς δὲ τοῖς ἔργοις ἐν εἰρήνῃ τὴν πατρίδα δυνατὴν κατεσκεύασε τοιούτοις; τίς δὲ πολέμου μεγίστου κατασχόντος αὐτὴν διέσωσε, μιᾷ δ' ἐπινοίᾳ τῇ περὶ τοῦ ζεύγματος γενομένη τὴν περὶ τῶν πολεμίων δύναμιν ἐξ ἡμίσιος μέρους ἐταπείνωσεν, ὥστ' εὐχείρωτον γενέσθαι τοῖς Ἑλλήσι; [3] διόπερ ὅταν τὸ μέγεθος τῶν ἔργων αὐτοῦ θεωρήσωμεν, καὶ σκοποῦντες τὰ κατὰ μέρος εὐρωμεν ἐκεῖνον μὲν ὑπὸ τῆς πόλεως ἡττησμένον, τὴν δὲ πόλιν διὰ τὰς ἐκείνου πράξεις ἐπαιρομένην, εἰκότως τὴν δοκοῦσαν εἶναι τῶν ἀπασῶν πόλεων σοφωτάτην καὶ ἐπιεικεστάτην χαλεπωτάτην πρὸς ἐκεῖνον εὐρίσκομεν γεγεννημένην. [4]

περὶ μὲν οὖν τῆς Θεμιστοκλέους ἀρετῆς εἰ καὶ πεπλεονάκαμεν παρεκβάντες, ἀλλ' οὖν οὐκ ἄξιον ἐκρίναμεν τὴν ἀρετὴν αὐτοῦ παραλιπεῖν ἀνεπισήμαντον: ἅμα δὲ τούτοις πραττομένοις κατὰ τὴν Ἰταλίαν Μίκυθος μὲν

ὁ τὴν δυναστείαν ἔχων Ῥηγίου καὶ Ζάγκλης πόλιν ἔκτισε Πυξοῦντα. 60.

ἐπ' ἄρχοντος δ' Ἀθήνησι Δημοσίωνος Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Πούπλιον Οὐαλέριον Ποπλικόλαν καὶ Γάιον Ναύτιον Ῥούφον. ἐπὶ δὲ τούτων Ἀθηναῖοι στρατηγὸν ἐλόμενοι Κίμωνα τὸν Μιλτιάδου καὶ δύναμιν ἀξιόλογον παραδόντες, ἐξέπεμψαν ἐπὶ τὴν παράλιον τῆς Ἀσίας βοηθήσοντα μὲν ταῖς συμμαχοῦσαις πόλεσιν, ἐλευθερώσοντα δὲ τὰς Περσικαῖς ἔτι φρουραῖς κατεχομένας. [2] οὗτος δὲ παραλαβὼν τὸν στόλον ἐν Βυζαντίῳ, καὶ καταπλεύσας ἐπὶ πόλιν τὴν ὀνομαζομένην Ἡίονα, ταύτην μὲν Περσῶν κατεχόντων ἐχειρώσατο, Σκῦρον δὲ Πελασγῶν ἐνοικούντων καὶ Δολόπων ἐξεπολιόρκησε, καὶ κτίστην Ἀθηναῖον καταστήσας κατεκληρούχησε τὴν χώραν. [3] μετὰ δὲ ταῦτα μειζόνων πράξεων ἄρξασθαι διανοούμενος, κατέπλευσεν εἰς τὸν Πειραιᾶ, καὶ προσλαβόμενος πλείους τριήρεις καὶ τὴν ἄλλην χορηγίαν ἀξιόλογον παρασκευασάμενος, τότε μὲν ἐξέπλευσεν ἔχων τριήρεις διακοσίας, ὕστερον δὲ μεταπεμψάμενος παρὰ τῶν Ἰώνων καὶ τῶν ἄλλων ἀπάντων τὰς ἀπάσας εἶχε τριακοσίας. [4] πλεύσας οὖν μετὰ παντὸς τοῦ στόλου πρὸς τὴν Καρίαν, τῶν παραθαλαττίων πόλεων ὅσαι μὲν ἦσαν ἐκ τῆς Ἑλλάδος ἀπωκισμέναι, ταύτας παραχρῆμα συνέπεισεν ἀποστῆναι τῶν Περσῶν, ὅσαι δ' ὑπῆρχον δίγλωττοι καὶ φρουρὰς ἔχουσαι Περσικάς, βίαν προσάγων ἐπολιόρκει. προσαγαγόμενος δὲ τὰς κατὰ τὴν Καρίαν πόλεις, ὁμοίως καὶ τὰς ἐν τῇ Λυκίᾳ πείσας προσελάβετο. [5] παρὰ δὲ τῶν ἀεὶ προστιθεμένων συμμάχων προσλαβόμενος ναῦς ἐπὶ πλεόν ἠῤῃξε τὸν στόλον. οἱ δὲ Πέρσαι τὸ μὲν πεζὸν στράτευμα δι' ἑαυτῶν κατεσκεύασαν, τὸ δὲ ναυτικὸν ἤθροισαν ἔκ τε Φοινίκης καὶ Κύπρου καὶ Κιλικίας· ἐστρατήγει δὲ τῶν Περσικῶν δυνάμεων Τιθραύστης, υἱὸς ὧν Ξέρξου νόθος. [6] Κίμων δὲ πυνθανόμενος τὸν στόλον τῶν Περσῶν διατρίβειν περὶ τὴν Κύπρον, καὶ πλεύσας ἐπὶ τοὺς βαρβάρους, ἐναυμάχησε διακοσίαις καὶ πεντήκοντα ναυσὶ πρὸς τριακοσίας καὶ τετταράκοντα. γενομένου δ' ἀγῶνος ἰσχυροῦ καὶ τῶν στόλων ἀμφοτέρων λαμπρῶς ἀγωνιζομένων, τὸ τελευταῖον ἐνίκων οἱ Ἀθηναῖοι, καὶ πολλὰς μὲν τῶν ἐναντίων ναῦς διέφθειραν, πλείους δὲ τῶν ἑκατὸν σὺν αὐτοῖς τοῖς ἀνδράσιν εἶλον. [7] τῶν δὲ λοιπῶν νεῶν καταφυγουσῶν εἰς τὴν Κύπρον, οἱ μὲν ἐν αὐταῖς ἄνδρες εἰς τὴν γῆν ἀπεχώρησαν, αἱ δὲ νῆες κεναὶ τῶν βοηθούντων οὔσαι τοῖς πολεμίοις ἐγενήθησαν ὑποχείριοι. 61.

μετὰ δὲ ταῦτα ὁ μὲν Κίμων οὐκ ἄρκεσθεις τηλικαύτῃ νίκῃ παραχρῆμα παντὶ τῷ στόλῳ προσκατήρεν ἐπὶ τὸ πεζὸν τῶν Περσῶν στρατόπεδον, οὔσης τῆς παρεμβολῆς παρὰ τὸν Εὐρυμέδοντα ποταμὸν. βουλόμενος δὲ καταστρατηγήσαι τοὺς βαρβάρους, ἐνεβίβασεν εἰς τὰς αἰχμαλωτίδας ναῦς τῶν ιδίων τοὺς ἀρίστους, δοὺς τιάρας καὶ τὴν ἄλλην κατασκευὴν περιθεῖς Περσικὴν. [2] οἱ δὲ βάρβαροι προσπλέοντος ἄρτι τοῦ στόλου ταῖς Περσικαῖς ναυσὶ καὶ παρασκευαῖς ψευσθέντες ὑπέλαβον τὰς ιδίας τριήρεις εἶναι. διόπερ οὗτοι μὲν προσεδέξαντο τοὺς Ἀθηναίους ὥς φίλους ὄντας, ὁ δὲ Κίμων ἤδη νυκτὸς ἐπιγενομένης ἐκβιβάσας τοὺς στρατιώτας, καὶ προσδεχθεὶς ὥς φίλος ὑπ' αὐτῶν, εἰσέπεσεν εἰς τὴν στρατοπεδείαν τῶν βαρβάρων. [3] παραχρῆς δὲ μεγάλης γενομένης παρὰ τοῖς Πέρσαις, οἱ μὲν περὶ τὸν Κίμωνα πάντας τοὺς ἐντυγχάνοντας ἔκτειναν, καὶ τὸν μὲν στρατηγὸν τῶν βαρβάρων τὸν ἕτερον

Φερενδάτην, ἀδελφίδουν τοῦ βασιλέως, ἐν τῇ σκηνῇ καταλαβόντες ἐφόνευσαν, τῶν δ' ἄλλων οὓς μὲν ἔκτεινον, οὓς δὲ κατετραυματίζον, πάντα δὲ διὰ τὸ παράδοξον τῆς ἐπιθέσεως φεύγειν ἠνάγκασαν, καθόλου δ' ἔκπληξις ἅμα καὶ ἄγνοια τοιαύτη κατεῖχε τοὺς Πέρσας, ὥσθ' οἱ πλείους τοὺς ἐπιτιθεμένους αὐτοῖς οἵτινες ἦσαν οὐκ ἐγίνωσκον. [4] τοὺς μὲν γὰρ Ἑλληνας οὐχ ὑπελάμβανον ἥκειν πρὸς αὐτοὺς μετὰ δυνάμεως, τὸ σύνολον μὴδ' ἔχειν αὐτοὺς πεζὴν στρατιὰν **ΠΕΠΕΙΣΜΕΝΟΙ**: τοὺς δὲ Πισίδας, ὄντας ὁμόρους καὶ τὰ πρὸς αὐτοὺς ἀλλοτρίως ἔχοντας, ὑπελάμβανον ἥκειν μετὰ δυνάμεως. διὸ καὶ νομίσαντες ἀπὸ τῆς ἡπείρου τὴν ἐπιφορὰν εἶναι τῶν πολεμίων, πρὸς τὰς ναῦς ὡς πρὸς φιλίας ἔφευγον. [5] τῆς δὲ νυκτὸς οὕσης ἀσελήνου καὶ **ΣΚΟΤΕΙΝῆς** συνέβαινε τὴν ἄγνοιαν πολὺ μᾶλλον αὐξεσθαι καὶ μηδένα τάληθές δύνασθαι ἰδεῖν. [6] διὸ καὶ πολλοῦ φόνου γενομένου διὰ τὴν ἀταξίαν τῶν βαρβάρων, ὁ μὲν Κίμων προειρηκῶς τοῖς στρατιώταις πρὸς τὸν ἀρθησόμενον πυρσὸν συντρέχειν, ἦρε πρὸς ταῖς ναυσὶ σύσσημον, εὐλαβούμενος μὴ διεσπαρμένων τῶν στρατιωτῶν καὶ πρὸς ἀρπαγὴν ὀρμησάντων γένηται τι παράλογον. [7] πάντων δὲ πρὸς τὸν πυρσὸν ἀθροισθέντων καὶ παυσασμένων τῆς ἀρπαγῆς, τότε μὲν εἰς τὰς ναῦς ἀπεχώρησαν, τῇ δ' ὑστεραίᾳ τρόπαιον στήσαντες ἀπέπλευσαν εἰς τὴν Κύπρον, νενικηκότες δύο καλλίστας νίκας, τὴν μὲν κατὰ γῆν, τὴν δὲ κατὰ θάλατταν: οὐδέπω γὰρ μνημονεύονται τοιαῦται καὶ τηλικαῦται πράξεις γενέσθαι κατὰ τὴν αὐτὴν ἡμέραν καὶ ναυτικῶ καὶ πεζῶ στρατοπέδῳ. 62. Κίμων δὲ διὰ τῆς ἰδίας στρατηγίας καὶ ἀρετῆς **ΜΕΓΑΛΑ** κατωρθωκῶς, περιβόητον ἔσχε τὴν δόξαν οὐ μόνον παρὰ τοῖς πολίταις, ἀλλὰ καὶ παρὰ τοῖς ἄλλοις Ἑλλησιν. αἰχμαλώτους γὰρ εἰλήφει τριακοσίας καὶ τετταράκοντα ναῦς, ἄνδρας δὲ ὑπὲρ τοὺς δισμυρίους, χρημάτων δὲ πλῆθος ἀξιόλογον. [2] οἱ δὲ Πέρσαι τηλικούτοις ἐλαττώμασι περιπεπωκότες ἄλλας τριῆρεις πλείους κατεσκεύασαν, φοβούμενοι τὴν τῶν Ἀθηναίων αὐξησιν. ἀπὸ γὰρ τούτων τῶν χρόνων ἡ πόλις τῶν Ἀθηναίων πολλὴν ἐπίδοσιν ἐλάμβανε, χρημάτων τε πλήθει κατασκευασθεῖσα καὶ δόξης μεγάλης ἐν ἀνδρείᾳ καὶ στρατηγίᾳ **ΤΥΧΟΥΣΑ**. [3] ὁ δὲ δῆμος τῶν Ἀθηναίων δεκάτην ἐξελόμενος ἐκ τῶν λαφύρων ἀνέθηκε τῷ θεῷ, καὶ τὴν ἐπιγραφὴν ἐπὶ τὸ κατασκευασθὲν ἀνάθημα ἐνέγραψε τήνδε, ” ἐξ οὗ γ' Εὐρώπην Ἀσίας δίχα πόντος ἔνειμε

καὶ πόλιας θνητῶν θοῦρος Ἄρης ἐπέχει,
οὐδέν πω τοιοῦτον ἐπιχθονίων γένετ' ἀνδρῶν
ἔργον ἐν ἡπείρῳ καὶ κατὰ πόντον ἅμα.
οἶδε γὰρ ἐν Κύπρῳ Μήδους πολλοὺς ὀλέσαντες
ΦΟΙΝΙΚΩΝ ἑκατὸν ναῦς ἔλον ἐν πελάγει
ἀνδρῶν πληθούσας, μέγα δ' ἔστενεν Ἀσίς ὑπ' αὐτῶν
ΠΛΗΓΕῖΣ ἀμφοτέραις χερσὶ κράτει πολέμου.

“Simonides fr. 103 (Diehl) 63.

ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. ἐπ' ἄρχοντος δ' Ἀθήνησι Φαίωνος ἐν Ῥώμῃ τὴν ὑπατον ἀρχὴν διεδέξαντο Λεύκιος Φούριος Μεδιολανὸς καὶ Μάρκος Μανίλιος Οὐάσων. ἐπὶ δὲ τούτων μεγάλη τις καὶ παράδοξος ἐγένετο συμφορὰ τοῖς Λακεδαιμονίοις: ἐν γὰρ τῇ Σπάρτῃ γενομένων σεισμῶν μεγάλων συνέβη πεσεῖν τὰς οἰκίας ἐκ θεμελίων καὶ τῶν

Λακεδαιμονίων πλείους τῶν διςμυρίων φθαρῆναι. [2] ἐπὶ πολὺν δὲ χρόνον συνεχῶς τῆς πόλεως καταφερομένης καὶ τῶν οἰκιῶν πιπτουσῶν πολλὰ σώματα τοῖς πτώμασι τῶν τοίχων ἀπολαμβανόμενα διεφθάρη, οὐκ ὀλίγον δὲ τῶν κατὰ τὰς οἰκίας χρημάτων ὁ σεισμός ἐλυμήνατο. [3] καὶ τοῦτο μὲν τὸ κακὸν ὥσπερ δαιμονίου τινὸς νεμεσήσαντος αὐτοῖς ἔπαθον, ἄλλους δὲ κινδύνους ὑπ' ἀνθρώπων αὐτοῖς συνέβη γενέσθαι διὰ τοιαύτας αἰτίας. [4] Εἵλωτες καὶ Μεσσήνιοι πρὸς Λακεδαιμονίους ἄλλοτρίως ἔχοντες τὸ μὲν πρὸ τοῦ ἡσυχίαν εἶχον, φοβούμενοι τὴν τῆς Σπάρτης ὑπεροχὴν τε καὶ δύναμιν: ἐπεὶ δὲ διὰ τὸν σεισμὸν ἐώρων τοὺς πλείους αὐτῶν ἀπολωλότας, κατεφρόνησαν τῶν ἀπολελειμμένων, ὀλίγων ὄντων. διόπερ πρὸς ἀλλήλους συνθέμενοι κοινῇ τὸν πόλεμον ἐξήνεγκαν τὸν πρὸς τοὺς Λακεδαιμονίους. [5] ὁ δὲ βασιλεὺς τῶν Λακεδαιμονίων Ἀρχίδαμος διὰ τῆς ἰδίας προνοίας καὶ κατὰ τὸν σεισμὸν ἔσωξε τοὺς πολίτας καὶ κατὰ τὸν πόλεμον γενναίως τοῖς ἐπιτιθεμένοις ἀντετάξατο. [6] τῆς μὲν γὰρ πόλεως συνεχομένης ὑπὸ τῆς τοῦ σεισμοῦ δεινότητος, πρῶτος Σπαρτιατῶν ἐκ τῆς πόλεως ἀρπάσας τὴν πανοπλίαν ἐπὶ τὴν χώραν ἐξεπήδησε, καὶ τοῖς ἄλλοις πολίταις τὸ αὐτὸ πράττειν παρήγγειλεν. [7] ὑπακουσάντων δὲ τῶν Σπαρτιατῶν, τοῦτον τὸν τρόπον οἱ περιλειφθέντες ἐσώθησαν, οὓς συντάξας ὁ βασιλεὺς Ἀρχίδαμος παρεσκευάζετο πολεμεῖν τοῖς ἀφεστηκόσιν. 64. οἱ δὲ Μεσσήνιοι μετὰ τῶν Εἰλώτων συνταχθέντες τὸ μὲν πρῶτον ὥρμησαν ἐπὶ τὴν Σπάρτην, ὑπολαμβάνοντες αὐτὴν αἰρήσειν διὰ τὴν ἐρημίαν τῶν βοηθησόντων: ὥς δ' ἤκουσαν τοὺς ὑπολελειμμένους μετ' Ἀρχιδάμου τοῦ βασιλέως συντεταγμένους ἐτοίμους εἶναι πρὸς τὸν ὑπὲρ τῆς πατρίδος ἀγῶνα, ταύτης μὲν τῆς ἐπιβολῆς ἀπέστησαν, καταλαβόμενοι δὲ τῆς Μεσσηνίας χωρίον ὀχυρόν, ἐκ τούτου τὴν ὁρμὴν ποιοῦμενοι κατέτρεχον τὴν Λακωνικὴν. [2] οἱ δὲ Σπαρτιάται καταφυγόντες ἐπὶ τὴν παρὰ τῶν Ἀθηναίων βοήθειαν προσελάβοντο παρ' αὐτῶν δύναμιν: οὐδὲν δ' ἤττον καὶ παρὰ τῶν ἄλλων συμμάχων ἀθροίσαντες δυνάμεις ἀξιώμαχοι τοῖς πολεμίοις ἐγενήθησαν. καὶ τὸ μὲν πρῶτον πολὺ προεῖχον τῶν πολεμίων, ὕστερον δὲ ὑποψίας γενομένης ὡς τῶν Ἀθηναίων μελλόντων ἀποκλίνειν πρὸς τοὺς Μεσσηνίους, ἀπέλυσαν αὐτῶν τὴν συμμαχίαν, φήσαντες ἱκανοὺς ἔχειν πρὸς τὸν ἐφεστῶτα κίνδυνον τοὺς ἄλλους συμμάχους. [3] οἱ δὲ Ἀθηναῖοι δόξαντες ἑαυτοὺς ἡτιμάσθαι, τότε μὲν ἀπηλλάγησαν: μετὰ δὲ ταῦτα ἄλλοτρίως ἔχοντες τὰ πρὸς τοὺς Λακεδαιμονίους αἰεὶ μᾶλλον τὴν ἔχθραν ἐξεπύρσευον. διὸ καὶ ταύτην μὲν ἀρχὴν ἔλαβον τῆς ἄλλοτριότητος, ὕστερον δὲ αἱ πόλεις διηνέχθησαν, καὶ μεγάλους ἐπανελόμενοι πολέμους ἔπλησαν ἅπασαν τὴν Ἑλλάδα μεγάλων ἀτυχημάτων. ἀλλὰ γὰρ περὶ τούτων τὰ κατὰ μέρος ἐν τοῖς οἰκείοις χρόνοις ἀναγράψομεν. [4] τότε δὲ οἱ Λακεδαιμόνιοι στρατεύσαντες ἐπὶ τὴν Ἰθώμην μετὰ τῶν συμμάχων ἐπολιόρκουν αὐτήν. οἱ δ' Εἵλωτες πανδημεὶ τῶν Λακεδαιμονίων ἀφεστῶτες συνεμάχουν τοῖς Μεσσηνίοις, καὶ ποτὲ μὲν ἐνίκων, ποτὲ δὲ ἡττῶντο. ἐπὶ δὲ ἔτη δέκα τοῦ πολέμου μὴ δυναμένους διακριθῆναι, διετέλουν τοῦτον τὸν χρόνον ἀλλήλους κακοποιοῦντες. 65.

μετὰ δὲ ταῦτα Ἀθήνησι μὲν ἦν ἄρχων Θεαγενηίδης, ἐν Ῥώμῃ δ' ὕπατοι καθειστήκεσαν Λεύκιος Αἰμίλιος Μάμερκος καὶ Λεύκιος Ἰούλιος Ἰούλος,

Ὀλυμπιάς δ' ἤχθη ἑβδομηκοστὴ καὶ ὀγδόη, καθ' ἣν ἐνίκα στάδιον Παρμενίδης Ποσειδωνιάτης. ἐπὶ δὲ τούτων Ἀργείοις καὶ Μυκηναίοις ἐνέστη πόλεμος διὰ τοιαύτας αἰτίας. [2] Μυκηναῖοι διὰ τὸ παλαιὸν ἀξίωμα τῆς ἰδίας πατρίδος οὐχ ὑπήκουον τοῖς Ἀργείοις, ὥσπερ αἱ λοιπαὶ πόλεις αἱ κατὰ τὴν Ἀργεῖαν, ἀλλὰ κατ' ἰδίαν ταττόμενοι τοῖς Ἀργείοις οὐ προσεῖχον· ἡμφισβήτουν δὲ καὶ περὶ τῶν ἱερῶν τῆς Ἥρας, καὶ τὸν ἀγῶνα τῶν Νεμέων ἡξίουσαν αὐτοὶ διοικεῖν· πρὸς δὲ τούτοις τῶν Ἀργείων ψηφισαμένων μὴ συμμαχεῖν εἰς Θερμοπύλας τοῖς Λακεδαιμονίοις, ἐὰν μὴ μέρος τῆς ἡγεμονίας αὐτοῖς παραδῶσι, μόνοι τῶν τὴν Ἀργεῖαν κατοικούντων συνεμάχισαν οἱ Μυκηναῖοι τοῖς Λακεδαιμονίοις. [3] τὸ δὲ σύνολον ὑπώπτευν αὐτούς, μήποτε ἰσχύσαντες ἐπὶ πλέον τῆς ἡγεμονίας ἀμφισβητήσωσι τοῖς Ἀργείοις διὰ τὸ παλαιὸν φρόνημα τῆς πόλεως. διὰ δὲ ταύτας τὰς αἰτίας ἄλλοτρίως διακείμενοι, πάλαι μὲν ἔσπευδον ἄραι τὴν πόλιν, τότε δὲ καιρὸν εὖθετον ἔχειν ἐνόμιζον, ὁρῶντες τοὺς Λακεδαιμονίους τεταπεινωμένους καὶ μὴ δυναμένους τοῖς Μυκηναίοις βοηθεῖν. ἀθροίσαντες οὖν ἀξιόλογον δύναμιν ἕκ τε Ἀργεῶν καὶ ἐκ τῶν συμμαχίδων πόλεων ἐστράτευσαν ἐπ' αὐτούς, νικήσαντες δὲ μάχῃ τοὺς Μυκηναίους καὶ συγκλείσαντες ἐντὸς τειχῶν ἐπολιόρκουν τὴν πόλιν. [4] οἱ δὲ Μυκηναῖοι χρόνον μὲν τινα τοὺς πολιορκούντας εὐτόνως ἡμύνοντο, μετὰ δὲ ταῦτα λειπόμενοι τῷ πολέμῳ, καὶ τῶν Λακεδαιμονίων μὴ δυναμένων βοηθῆσαι διὰ τοὺς ἰδίους πολέμους καὶ τὴν ἐκ τῶν σεισμῶν γενομένην αὐτοῖς συμφορὰν, ἄλλων δ' οὐκ ὄντων συμμάχων, ἐρημία τῶν ἐπικουρούντων κατὰ κράτος ἤλωσαν. [5] οἱ δὲ Ἀργεῖοι τοὺς Μυκηναίους ἀνδραποδισάμενοι καὶ δεκάτην ἐξ αὐτῶν τῷ θεῷ καθιερώσαντες, τὰς Μυκήνας κατέσκαψαν. αὕτη μὲν οὖν ἡ πόλις, εὐδαίμων ἐν τοῖς ἀρχαίοις χρόνοις γενομένη καὶ μεγάλους ἄνδρας ἔχουσα καὶ πράξεις ἀξιολόγους ἐπιτελεσαμένη, τοιαύτην ἔσχε τὴν καταστροφὴν, καὶ διέμεινεν ἀοίκητος μέχρι τῶν καθ' ἡμᾶς χρόνων. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 66.

ἐπ' ἄρχοντος δ' Ἀθήνησι Λυσιστράτου Ῥωμαῖοι κατέστησαν ὑπάτους Λεύκιον Πινάριον Μαμερτῖνον καὶ Πούπλιον Φούριον Φίφρωνα. ἐπὶ δὲ τούτων Ἰέρων ὁ τῶν Συρακοσίων βασιλεὺς τοὺς Ἀναξίλα παῖδας τοῦ γενομένου τυράννου Ζάγκλης εἰς Συρακούσας μεταπεμψάμενος μεγάλας δωρεαῖς ἀνεμίμησκε τῆς Γέλωνος γενομένης πρὸς τὸν πατέρα αὐτῶν εὐεργεσίας, καὶ συνεβούλευεν αὐτοῖς ἤδη τὴν ἡλικίαν ἡνδρωμένοις ἀπαιτῆσαι λόγον παρὰ Μικύθου τοῦ ἐπιτροπεύοντος, καὶ τὴν δυναστείαν αὐτοὺς παραλαβεῖν. [2] τούτων δ' ἐπανελθόντων εἰς τὸ Ῥήγιον, καὶ τὸν ἐπίτροπον λόγον ἀπαιτούντων τῶν διωκημένων, ὁ Μίκυθος, ἀνὴρ ὢν ἀγαθός, συνήγαγε τοὺς πατρικοὺς φίλους τῶν παίδων καὶ τὸν λόγον οὕτω καθαρῶς ἀπέδωκεν, ὥστε ἅπαντας τοὺς παρόντας θαυμάζειν τὴν τε δικαιοσύνην καὶ τὴν πίστιν, τοὺς δὲ παῖδας μεταμεληθέντας ἐπὶ τοῖς πραχθεῖσιν ἀξιοῦν τὸν Μίκυθον πάλιν τὴν ἀρχὴν παραλαβεῖν, καὶ πατρὸς ἐξουσίαν ἔχοντα καὶ τάξιν διοικεῖν τὰ κατὰ τὴν δυναστείαν. [3] οὐ μὴν ὁ Μίκυθος γε συνεχώρησεν, ἀλλὰ πάντα παραδούς ἀκριβῶς καὶ τὴν ἰδίαν οὐσίαν ἐνθήμενος εἰς πλοῖον ἐξέπλευσεν ἐκ τοῦ Ῥηγίου, προπεμπόμενος ὑπὸ τῆς τῶν ὄχλων εὐνοίας. οὗτος μὲν οὖν εἰς τὴν Ἑλλάδα κατάρας ἐν Τεγείαι τῆς Ἀρκαδίας κατεβίωσεν ἐπαινούμενος. [4]

Τέρων δ' ὁ τῶν Συρακοσίων βασιλεὺς ἐτελεύτησεν ἐν τῇ Κατάνῃ, καὶ τιμῶν ἡρωικῶν ἔτυχεν, ὥς ἂν κτίστης γεγονῶς τῆς πόλεως. οὗτος μὲν οὖν ἄρξας ἔτη ἔνδεκα κατέλιπε τὴν βασιλείαν Θρασυβούλῳ τῷ ἀδελφῷ, ὃς ἤρξε Συρακοσίων ἐνιαυτὸν ἓνα. 67.

ἐπ' ἄρχοντος δ' Ἀθήνησι Λυσανίου Ῥωμαῖοι κατέστησαν ὑπάτους Ἄππιον Κλαύδιον καὶ Τίτον Κοϊντίον Καπιτώλιον. ἐπὶ δὲ τούτων Θρασύβουλος ὁ τῶν Συρακοσίων βασιλεὺς ἐξέπεσεν ἐκ τῆς ἀρχῆς, περὶ οὗ τὰ κατὰ μέρος ἀναγράφοντας ἡμᾶς ἀναγκαῖόν ἐστι βραχὺ τοῖς χρόνοις ἀναδραμόντας ἀπ' ἀρχῆς ἅπαντα καθαρῶς ἐκθεῖναι. [2] Γέλων ὁ Δεινομένους ἀρετῇ καὶ στρατηγίᾳ πολὺ τοὺς ἄλλους διενέγκας καὶ Καρχηδονίους καταστρατηγησας ἐνίκησε παρατάξει μεγάλη τοὺς βαρβάρους, καθότι προεῖρηται: χρησάμενος δὲ ἐπιεικῶς τοῖς καταπολεμηθεῖσι καὶ καθόλου τοῖς πλησιοχώροις πᾶσι προσενεχθεὶς φιланθρωπῶς, μεγάλης ἔτυχεν ἀποδοχῆς παρὰ τοῖς Σικελιώταις. [3] οὗτος μὲν οὖν ὑπὸ πάντων ἀγαπώμενος διὰ τὴν πραότητα, διετέλεσε τὸν βίον εἰρηνικῶς μέχρι τῆς τελευτῆς. τὴν δὲ βασιλείαν διαδεξάμενος Ἰέρων ὁ πρεσβύτατος τῶν ἀδελφῶν οὐχ ὁμοίως ἤρχε τῶν ὑποτεταγμένων: [4] ἦν γὰρ καὶ φιλάργυρος καὶ βίαιος καὶ καθόλου τῆς ἀπλότητος καὶ καλοκάγαθίας ἁλλοτριώτατος. διὸ καὶ πλείονές τινες ἀφίστασθαι βουλόμενοι παρακατέσχον τὰς ἰδίας ὁρμὰς διὰ τὴν Γέλωνος δόξαν καὶ τὴν εἰς τοὺς ἅπαντας Σικελιώτας εὖνοιαν. [5] μετὰ δὲ τὴν Ἰέρωνος τελευτὴν παραλαβὼν τὴν ἀρχὴν Θρασύβουλος ὁ ἀδελφὸς ὑπερέβαλε τῇ κακίᾳ τὸν πρὸ αὐτοῦ βασιλεύσαντα. βίαιος γὰρ ὢν καὶ φονικὸς πολλοὺς μὲν τῶν πολιτῶν ἀνήρει παρὰ τὸ δίκαιον, οὐκ ὀλίγους δὲ φυγαδεύων ἐπὶ ψευδέσι διαβολαῖς τὰς οὐσίας εἰς τὸ βασιλικὸν ἀνελάμβανε: καθόλου δὲ μισῶν καὶ μισούμενος ὑπὸ τῶν ἀδικουμένων, μισθοφόρων πλῆθος ἐξενολόγησεν, ἀντίταγμα κατασκευάζων ταῖς πολιτικαῖς δυνάμεσιν. [6] αἰεὶ δὲ μᾶλλον τοῖς πολίταις ἀπεχθόμενος, καὶ πολλοὺς μὲν ὑβρίζων, τοὺς δὲ ἀναιρῶν, ἠνάγκασε τοὺς ἀδικουμένους ἀποστῆναι. διόπερ οἱ Συρακόσιοι προστησάμενοι τοὺς ἡγησομένους ὥρμησαν ἐπὶ τὴν κατάλυσιν τῆς τυραννίδος πανδημεῖ, καὶ συνταχθέντες ὑπὸ τῶν ἡγεμόνων ἀντείχοντο τῆς ἐλευθερίας. [7] Θρασύβουλος δὲ ὁρῶν τὴν πόλιν ὅλην ἐπ' αὐτὸν στρατευομένην, τὸ μὲν πρῶτον ἐπεχειρεῖ λόγῳ καταπαύειν τὴν στάσιν: ὥς δ' ἑώρα τὴν ὁρμὴν τῶν Συρακοσίων ἀκατάπαυστον οὔσαν, συνήγαγεν ἕκ τε τῆς Κατάνης τοὺς κατοικισθέντας ὑφ' Ἰέρωνος καὶ τοὺς ἄλλους συμμάχους, ἔτι δὲ καὶ μισθοφόρων πλῆθος, ὥστε τοὺς ἅπαντας γενέσθαι σχεδὸν περὶ τοὺς μυρίους πεντακισχιλίους. [8] οὗτος μὲν οὖν τῆς πόλεως κατεिल्φῶς τὴν ὀνομαζομένην Ἀχραδινὴν καὶ τὴν Νῆσον ὀχυρὰν οὔσαν, καὶ ἐκ τούτων ὁρμώμενος, διεπολέμει πρὸς τοὺς ἀφεστῶτας. 68. οἱ δὲ Συρακόσιοι τὸ μὲν πρῶτον μέρος τῆς πόλεως κατελάβοντο τὴν ὀνομαζομένην Τύχην, ἐκ ταύτης δὲ ὁρμώμενοι πρεσβευτὰς ἀπέστειλαν εἰς Γέλαν καὶ Ἀκράγαντα καὶ Σελιοῦντα, πρὸς δὲ τούτοις εἰς Ἰμέραν καὶ πρὸς τὰς τῶν Σικελῶν πόλεις τὰς ἐν τῇ μεσογείῳ κειμένας, ἀξιοῦντες κατὰ τάχος συνελθεῖν καὶ συνελυθεῖν τὰς Συρακούσας. [2] πάντων δὲ προθύμως ὑπακουόντων, καὶ συντόμως ἀποστειλάντων τῶν μὲν πεζοὺς καὶ ἱππεῖς στρατιώτας, τῶν δὲ ναῦς μακρὰς κεκοσμημένας εἰς ναυμαχίαν, ταχὺ συνήχθη δύναμις ἀξιοχρεῶς τοῖς Συρακοσίοις. διὸ καὶ τὰς ναῦς καταρτίσαντες οἱ Συρακόσιοι καὶ τὴν πεζὴν δύναμιν ἐκτάξαντες, ἐτοίμους ἑαυτοὺς ἀπέδειξαν καὶ πεζῇ καὶ κατὰ θάλατταν διαγωνίζεσθαι. [3] ὁ δὲ Θρασύβουλος ἐγκαταλειπόμενος ὑπὸ τῶν συμμάχων καὶ τὰς ἐλπίδας ἐν αὐτοῖς ἔχων τοῖς μισθοφόροις, τῆς μὲν Ἀχραδινῆς καὶ τῆς

Νήσου κύριος ἦν, τὸ δὲ λοιπὸν μέρος τῆς πόλεως κατεῖχον οἱ Συρακόσιοι. μετὰ δὲ ταῦτα ὁ μὲν Θρασύβουλος ταῖς ναυσὶν ἐπιπλεύσας ἐπὶ τοὺς πολεμίους, καὶ λειψθεὶς τῇ ναυμαχίᾳ, συχνὰς μὲν τριήρεις ἀπέβαλε, ταῖς δ' ἄλλαις κατέφυγεν εἰς τὴν Νῆσον. [4] ὁμοίως δὲ καὶ τὴν πεζὴν δύναμιν προαγαγὼν ἐκ τῆς Ἀχραδινῆς καὶ παραταξάμενος ἐν τοῖς προαστείοις ἡτήθη, καὶ πολλοὺς ἀποβαλὼν ἠναγκάσθη πάλιν εἰς τὴν Ἀχραδινὴν ἀποχωρῆσαι. τέλος δὲ ἀπογνοὺς τὴν τυραννίδα διεπρεσβεύσατο πρὸς τοὺς Συρακοσίους, καὶ συνθέμενος τὰ πρὸς αὐτοὺς ὑπόσπονδος ἀπῆλθεν εἰς Λοκρούς. [5] οἱ δὲ Συρακόσιοι τοῦτον τὸν τρόπον ἐλευθερώσαντες τὴν πατρίδα τοῖς μὲν μισθοφόροις συνεχώρησαν ἀπελθεῖν ἐκ τῶν Συρακουσῶν, τὰς δὲ ἄλλας πόλεις τὰς τυραννουμένας ἢ φρουρὰς ἐχούσας ἐλευθερώσαντες ἀποκατέστησαν ταῖς πόλεσι τὰς δημοκρατίας. [6] ἀπὸ δὲ τούτων τῶν χρόνων εἰρήνην ἔχουσα πολλὴν ἐπίδοσιν ἔλαβε πρὸς εὐδαιμονίαν, καὶ διεφύλαξε τὴν δημοκρατίαν ἔτη σχεδὸν ἐξήκοντα μέχρι τῆς Διονυσίου τυραννίδος. [7] Θρασύβουλος δὲ καλῶς θεμελιωθεὶς βασιλείαν παραλαβὼν, διὰ τὴν ἰδίαν κακίαν αἰσχυρῶς ἀπέβαλε τὴν ἀρχήν, καὶ φυγὼν εἰς Λοκροὺς ἐνταῦθα τὸν λοιπὸν χρόνον ιδιωτεύων κατεβίωσεν. [8]

ἅμα δὲ τούτοις πραττομένοις ἐν τῇ Ῥώμῃ τότε πρώτως κατεστάθησαν δῆμαρχοι τέτταρες, Γάιος Σικίνιος καὶ Λεύκιος Νεμετώριος, πρὸς δὲ τούτοις Μάρκος Δουίλλιος καὶ Σπόριος Ἀκίλιος. 69.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχε Λυσίθεος, ἐν Ῥώμῃ δ' ὕπατοι καθειστήκεσαν Λεύκιος Οὐαλέριος Ποπλικόλας καὶ Τίτος Αἰμίλιος Μάμερκος. ἐπὶ δὲ τούτων κατὰ τὴν Ἀσίαν Ἀρτάβανος, τὸ μὲν γένος Ὑρκάνιος, δυνάμενος δὲ πλεῖστον παρὰ τῷ βασιλεῖ Ξέρξῃ καὶ τῶν δορυφόρων ἀφηγούμενος, ἔκρινεν ἀνελεῖν τὸν Ξέρξην καὶ τὴν βασιλείαν εἰς ἑαυτὸν μεταστῆσαι. ἀνακοινωσάμενος δὲ τὴν ἐπιβουλὴν πρὸς Μιθριδάτην τὸν εὐνοῦχον, ὃς ἦν κατακοιμιστὴς τοῦ βασιλέως καὶ τὴν κυριωτάτην ἔχων πίστιν, ἅμα δὲ καὶ συγγενὴς ὢν Ἀρταβάνου καὶ φίλος ὑπήκουσε πρὸς τὴν ἐπιβουλὴν. [2] ὑπὸ τούτου δὲ νυκτὸς εἰσαχθεὶς ὁ Ἀρτάβανος εἰς τὸν κοιτῶνα, καὶ τὸν Ξέρξην ἀνελών, ὥρμησεν ἐπὶ τοὺς υἱοὺς τοῦ βασιλέως. ἦσαν δὲ οὗτοι τρεῖς τὸν ἀριθμόν, Δαρεῖος μὲν ὁ πρεσβύτατος καὶ Ἀρταξέρξης, ἐν τοῖς βασιλείοις διατρίβοντες, ὁ δὲ τρίτος Ὑστάσπης ἀπόδημος ὢν κατ' ἐκεῖνον τὸν καιρὸν: εἶχε γὰρ τὴν ἐν Βάκτροις σατραπείαν. [3] ὁ δ' οὖν Ἀρτάβανος παραγενόμενος ἔτι νυκτὸς οὔσης πρὸς τὸν Ἀρταξέρξην ἔφησε Δαρεῖον τὸν ἀδελφὸν αὐτοῦ φονέα γεγονέναι τοῦ πατρὸς καὶ τὴν βασιλείαν εἰς ἑαυτὸν περισπᾶν. [4] συνεβούλευσεν οὖν αὐτῷ πρὸ τοῦ κατασχεῖν ἐκεῖνον τὴν ἀρχὴν σκοπεῖν ὅπως μὴ δουλεύσῃ διὰ ῥαθυμίαν, ἀλλὰ βασιλεύσῃ τὸν φονέα τοῦ πατρὸς τιμωρησάμενος: ἐπηγγείλατο δ' αὐτῷ συνεργοὺς παρέξεσθαι τοὺς δορυφόρους τοῦ βασιλέως. [5] πεισθέντος δὲ τοῦ Ἀρταξέρξου καὶ παραχρῆμα μετὰ τῶν δορυφόρων ἀνελόντος τὸν ἀδελφὸν Δαρεῖον, ὁρῶν αὐτῷ τὴν ἐπιβολὴν εὐροοῦσαν, καὶ παραλαβὼν τοὺς ἰδίους υἱοὺς καὶ φήσας καιρὸν ἔχειν τὴν βασιλείαν κατακτήσασθαι, παίει τῷ ξίφει τὸν Ἀρταξέρξην. [6] ὁ δὲ τρωθεὶς καὶ οὐδὲν παθὼν ὑπὸ τῆς πληγῆς ἡμύνατο τὸν Ἀρτάβανον καὶ κατενέγκας αὐτοῦ πληγὴν καιρίαν ἀπέκτεινε. παραδόξως δὲ σωθεὶς ὁ

Ἀρταξέρξης καὶ τὸν φονέα τοῦ πατρὸς τετιμωρημένος παρέλαβε τὴν τῶν Περσῶν βασιλείαν. Ξέρξης μὲν οὖν τὸν εἰρημένον τρόπον ἐτελεύτησε, βασιλεύσας τῶν Περσῶν ἔτη πλείω τῶν εἴκοσι, τὴν δὲ ἀρχὴν διαδεξάμενος ὁ Ἀρταξέρξης ἐβασίλευσεν ἔτη τετταράκοντα. 70.

ἐπ' ἄρχοντας δ' Ἀθηνησιν Ἀρχεδημίδου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Αὔλον Οὐεργίνιον καὶ Τίτον Μινούκιον, Ὀλυμπιάς δ' ἤχθη ἐβδομηκοστὴ καὶ ἐνάτη, καθ' ἣν ἐνίκα στάδιον Ξενοφῶν Κορίνθιος. ἐπὶ δὲ τούτων ἀποστάntες Θάσιοι ἀπὸ Ἀθηναίων, μετὰλλων ἀμφισβητοῦντες, ἐκπολιορκηθέντες ὑπὸ τῶν Ἀθηναίων ἠναγκάσθησαν πάλιν ὑπ' ἐκείνους τάττεσθαι. [2] ὁμοίως δὲ καὶ Αἰγινήτας ἀποστάntας Ἀθηναῖοι χειρωσόμενοι τὴν Αἰγίναν πολιορκεῖν ἐπεχείρησαν· αὕτη γὰρ ἡ πόλις τοῖς κατὰ θάλατταν ἀγῶσι πολλάκις εὐημεροῦσα φρονήματός τε πλήρης ἦν καὶ χρημάτων καὶ τριήρων εὐπορεῖτο, καὶ τὸ σύνολον ἀλλοτρίως αἰεὶ διέκειτο πρὸς Ἀθηναίους. [3] διόπερ στρατεύσαντες ἐπ' αὐτὴν τὴν χώραν ἐδήλωσαν, καὶ τὴν Αἰγίναν πολιορκοῦντες ἔσπευδον ἐλεῖν κατὰ κράτος. καθόλου γὰρ ἐπὶ πολὺ τῇ δυνάμει προκόπτοντες οὐκέτι τοῖς συμμάχοις ὥσπερ πρότερον ἐπιεικῶς ἐχρῶντο, ἀλλὰ βιαίως καὶ ὑπερῃφάνως ἤρχον. [4] διόπερ οἱ πολλοὶ τῶν συμμάχων τὴν βαρὺτητα φέρειν ἀδυνατοῦντες ἀλλήλοις διελέγοντο περὶ ἀποστάσεως, καὶ τινες τοῦ κοινοῦ συνεδρίου καταφρονήσαντες κατ' ἰδίαν ἐτάττοντο. [5] ἅμα δὲ τούτοις πραττομένοις Ἀθηναῖοι θαλαττοκρατοῦντες εἰς Ἀμφίπολιν ἐξέπεμψαν οἰκήτορας μυρίου, οὓς μὲν ἐκ τῶν πολιτῶν, οὓς δ' ἐκ τῶν συμμάχων καταλέξαντες, καὶ τὴν χώραν κατακληρουχήσαντες μέχρι μὲν τινος ἐκράτουν τῶν Θρακῶν, ὕστερον δὲ αὐτῶν ἀναβάντων εἰς Θράκην συνέβη πάντας τοὺς εἰσβαλόντας εἰς τὴν χώραν τῶν Θρακῶν ὑπὸ τῶν Ἡδωνῶν καλουμένων διαφθαρῆναι. 71.

ἐπ' ἄρχοντας δ' Ἀθηνησι Τληπολέμου Ῥωμαῖοι κατέστησαν ὑπάτους Τίτον Κοῖντιον καὶ Κόιντον Σερουίλιον Στροῦκτον. ἐπὶ δὲ τούτων Ἀρταξέρξης ὁ βασιλεὺς τῶν Περσῶν ἄρτι τὴν βασιλείαν ἀνακτησάμενος, τὸ μὲν πρῶτον κολάσας τοὺς μετεσχηκότας τῆς τοῦ πατρὸς ἀναιρέσεως διέταξε τὰ κατὰ τὴν βασιλείαν συμφερόντως αὐτῷ. [2] τῶν μὲν γὰρ ὑπαρχόντων σατραπῶν τοὺς ἀλλοτρίως ἔχοντας πρὸς αὐτὸν ἀπέστησε, τῶν δὲ αὐτοῦ φίλων ἐπιλέξας τοὺς εὐθέτους παρέδωκε τὰς σατραπείας. ἐπεμελήθη δὲ καὶ τῶν προσόδων καὶ τῆς δυνάμεων κατασκευῆς, καὶ καθόλου τὴν βασιλείαν ὅλην ἐπιεικῶς διοικῶν μεγάλης ἀποδοχῆς ἐτύγχανε παρὰ τοῖς Πέρσαις. [3] οἱ δὲ τὴν Αἴγυπτον κατοικοῦντες πυθόμενοι τὴν Ξέρξου τελευτὴν καὶ τὴν ὅλην ἐπίθεσιν καὶ ταραχὴν ἐν τῇ βασιλείᾳ τῶν Περσῶν, ἔκριναν ἀντέχεσθαι τῆς ἐλευθερίας. εὐθὺς οὖν ἀθροίσαντες δύναμιν ἀπέστησαν τῶν Περσῶν, καὶ τοὺς φορολογοῦντας τὴν Αἴγυπτον τῶν Περσῶν ἐκβαλόντες κατέστησαν βασιλεῖα τὸν ὀνομαζόμενον Ἰναρώ. [4] οὗτος δὲ τὸ μὲν πρῶτον ἐκ τῶν ἐγχωρίων κατέλεγε στρατιώτας, μετὰ δὲ ταῦτα καὶ μισθοφόρους ἐκ τῶν ἀλλοεθνῶν ἀθροίζων κατεσκευάζε δύναμιν ἀξίόχρεων. ἐπεμψε δὲ καὶ πρὸς Ἀθηναίους πρέσβεις περὶ συμμαχίας, ὑπισχνόμενος αὐτοῖς, ἐὰν ἐλευθερώσωσι τοὺς Αἰγυπτίους, κοινὴν αὐτοῖς παρέξεσθαι τὴν βασιλείαν καὶ πολλαπλασίους τῆς εὐεργεσίας ἀποδώσειν χάριτας. [5] οἱ δὲ Ἀθηναῖοι κρίναντες συμφέρειν αὐτοῖς

τοὺς μὲν Πέρσας εἰς τὸ δυνατόν ταπεινοῦν, τοὺς δὲ Αἰγυπτίους ἰδίους ἑαυτοῖς παρασκευάσαι πρὸς τὰ παράλογα τῆς τύχης, ἐψηφίσαντο τριακοσίαις τριήρεσι βοηθεῖν τοῖς Αἰγυπτίοις. [6] οἱ μὲν οὖν Ἀθηναῖοι μετὰ πολλῆς προθυμίας περὶ τὴν τοῦ στόλου παρασκευὴν ἐγίνοντο. Ἀρταξέρξης δὲ πυθόμενος τὴν ἀπόστασιν τῶν Αἰγυπτίων καὶ τὰς εἰς τὸν πόλεμον παρασκευάς, ἔκρινε δεῖν τῷ μεγέθει τῶν δυνάμεων ὑπερᾶραι τοὺς Αἰγυπτίους. εὐθὺς οὖν ἐξ ἀπασῶν τῶν σατραπειῶν κατέλεγε στρατιώτας καὶ ναῦς κατεσκευάζε, καὶ τῆς ἄλλης ἀπάσης παρασκευῆς ἐπιμέλειαν ἐποιεῖτο. καὶ τὰ μὲν κατὰ τὴν Ἀσίαν καὶ τὴν Αἴγυπτον ἐν τούτοις ἦν. 72.

κατὰ δὲ τὴν Σικελίαν ἄρτι καταλελυμένης τῆς ἐν ταῖς Συρακούσαις τυραννίδος καὶ πασῶν τῶν κατὰ τὴν νῆσον πόλεων ἡλευθερωμένων, πολλὴν ἐπίδοσιν ἐλάμβανεν ἡ σύμπασα Σικελία πρὸς εὐδαιμονίαν: εἰρήνην γὰρ ἔχοντες οἱ Σικελιῶται καὶ χώραν ἀγαθὴν νεμόμενοι, διὰ τὸ πλῆθος τῶν καρπῶν ταχὺ ταῖς οὐσίαις ἀνέτρεχον καὶ τὴν χώραν ἐπλήρωσαν οἰκετῶν καὶ κτηνῶν καὶ τῆς ἄλλης εὐδαιμονίας, μεγάλας μὲν λαμβάνοντες προσόδους, οὐδὲν δὲ εἰς τοὺς εἰωθότας πολέμους ἀναλίσκοντες. [2] μετὰ δὲ ταῦτα πάλιν εἰς πολέμους καὶ στάσεις ἐνέπεσον διὰ τοιαύτας τινὰς αἰτίας. καταλύσαντες τὴν Θρασυβούλου τυραννίδα συνήγαγον ἐκκλησίαν, καὶ περὶ τῆς ἰδίας δημοκρατίας βουλευσάμενοι πάντες ὁμογνημόνως ἐψηφίσαντο Διὸς μὲν ἐλευθερίου κολοττιαῖον ἀνδριάντα κατασκευάσαι, κατ' ἐνιαυτὸν δὲ θύειν ἐλευθέρια καὶ ἀγῶνας ἐπιφανεῖς ποιεῖν κατὰ τὴν αὐτὴν ἡμέραν, ἐν ᾗ τὸν τύραννον καταλύσαντες ἡλευθέρωσαν τὴν πατρίδα: θύειν δ' ἐν τοῖς ἀγῶσι τοῖς θεοῖς ταύρους τετρακοσίους καὶ πεντήκοντα, καὶ τούτους δαπανᾶν εἰς τὴν τῶν πολιτῶν εὐωχίαν. [3] τὰς δὲ ἀρχὰς ἀπάσας τοῖς ἀρχαίοις πολίταις ἀπένεμον: τοὺς δὲ ξένους τοὺς ἐπὶ τοῦ Γέλωνος πολιτευθέντας οὐκ ἤξιουν μετέχειν ταύτης τῆς τιμῆς, εἴτε οὐκ ἀξίους κρίναντες, εἴτε καὶ ἀπιστοῦντες μήποτε συντεθραμμένοι τυραννίδι καὶ μονάρχῳ συνεστρατευμένοι νεωτερίζειν ἐπιχειρήσωσιν: ὅπερ καὶ συνέβη γενέσθαι. τοῦ γὰρ Γέλωνος πλείονας τῶν μυρίων πολιτογραφήσαντος ξένους μισθοφόρους, ἐκ τούτων περιελείποντο πλείους τῶν ἑπτακισχιλίων κατὰ τοὺς ὑποκειμένους καιροὺς. 73. οὗτοι τῆς ἐκ τῶν ἀρχαιρεσιῶν τιμῆς ἀπελαυνόμενοι χαλεπῶς ἔφερον, καὶ συμφρονήσαντες ἀπέστησαν τῶν Συρακοσίων, καὶ τῆς πόλεως κατελάβοντο τὴν τε Ἀχραδινὴν καὶ τὴν Νῆσον, ἀμφοτέρων τῶν τόπων τούτων ἐχόντων ἴδιον τεῖχος καλῶς κατεσκευασμένον. [2] οἱ δὲ Συρακόσιοι πάλιν ἐμπεσόντες εἰς ταραχὴν τὸ λοιπὸν τῆς πόλεως κατεῖχον, καὶ τὸ πρὸς τὰς Ἐπιπολάς τετραμμένον αὐτῆς ἀπετείχισαν καὶ πολλὴν ἀσφάλειαν ἑαυτοῖς κατεσκεύασαν: εὐθὺς γὰρ τῆς ἐπὶ τὴν χώραν ἐξόδου τοὺς ἀφεστηκότας εὐχερῶς εἴργον καὶ ταχὺ τῶν ἐπιτηδείων ἐποίησαν ἀπορεῖν. [3] οἱ δὲ ξένοι τοῖς μὲν πλῆθεσιν ἐλείποντο τῶν Συρακοσίων, ταῖς δὲ ἐμπειρίαις ταῖς κατὰ πόλεμον πολὺ προεῖχον: διὸ καὶ γινομένων κατὰ τὴν πόλιν ἐπιθέσεων καὶ κατὰ μέρος συμπλοκῶν, ταῖς μὲν μάχαις οἱ ξένοι ἐπροτέρουν, εἰργόμενοι δὲ τῆς χώρας ἐλείποντο ταῖς παρασκευαῖς καὶ τροφῆς ἐσπάνιζον. καὶ τὰ μὲν κατὰ τὴν Σικελίαν ἐν τούτοις ἦν. 74.

ἐπ' ἄρχοντος δ' Ἀθήνησι Κόνωνος ἐν Ῥώμῃ, τὴν ὕπατον ἀρχὴν εἶχον

Κόιντος Φάβιος Ούβουλανός και Τιβέριος Αἰμίλιος Μάμερκος. ἐπὶ δὲ τούτων Ἀρταξέρξης μὲν ὁ βασιλεὺς τῶν Περσῶν κατέστησε στρατηγὸν ἐπὶ τὸν πρὸς Αἰγυπτίους πόλεμον Ἀχαιμένην τὸν Δαρείου μὲν υἱόν, ἑαυτοῦ δὲ θεῖον· τούτω δὲ παραδοὺς στρατιωτῶν ἱππέων τε καὶ πεζῶν ὑπὲρ τὰς τριάκοντα μυριάδας προσέταξε καταπολεμῆσαι τοὺς Αἰγυπτίους. [2] οὗτος μὲν οὖν ἐπειδὴ κατήντησεν εἰς Αἴγυπτον, κατεστρατοπέδευσε πλησίον τοῦ Νείλου, καὶ τὴν δύναμιν ἐκ τῆς ὁδοιορίας ἀναλαβὼν παρεσκευάζετο τὰ πρὸς τὴν μάχην· οἱ δ' Αἰγύπτιοι συνηθροικότες ἐκ τῆς Λιβύης καὶ τῆς Αἰγύπτου τὴν δύναμιν, ἀνέμενον τὴν παρὰ τῶν Ἀθηναίων συμμαχίαν. [3] καταπλευσάντων δὲ τῶν Ἀθηναίων εἰς τὴν Αἴγυπτον μετὰ διακοσίων νεῶν, καὶ μετὰ τῶν Αἰγυπτίων παραταξαμένων πρὸς τοὺς Πέρσας, ἐγένετο μάχη καρτερά. καὶ μέχρι μὲν τινος οἱ Πέρσαι τοῖς πλῆθεσι προέχοντες ἐπλεονέκτουν, μετὰ δὲ ταῦτα τῶν Ἀθηναίων βιασαμένων καὶ τοὺς καθ' ἑαυτοὺς τεταγμένους τρεψαμένων καὶ πολλοὺς ἀναιρούντων, τὸ λοιπὸν πλῆθος τῶν βαρβάρων πρὸς φυγὴν ὥρμησε. [4] πολλοῦ δὲ κατὰ τὴν φυγὴν γενομένου φόνου, τὸ τελευταῖον οἱ μὲν Πέρσαι τὸ πλεόν μέρος τῆς δυνάμεως ἀποβαλόντες κατέφυγον ἐπὶ τὸ καλούμενον Λευκὸν τεῖχος, οἱ δ' Ἀθηναῖοι ταῖς ἰδίαις ἀνδραγαθίαις νίκημα περιπεποιημένοι συνεδίωξαν τοὺς βαρβάρους εἰς τὸ προκείμενον χωρίον, καὶ οὐκ ἀφίσταντο τῆς πολιορκίας. [5] Ἀρταξέρξης δὲ πυθόμενος τὴν τῶν ἰδίων ἦτταν, τὸ μὲν πρῶτον ἀπέστείλε τινας τῶν φίλων μετὰ πολλῶν χρημάτων εἰς τὴν Λακεδαίμονα, καὶ τοὺς Λακεδαιμονίους ἡξίου πόλεμον ἐξενεγκεῖν τοῖς Ἀθηναίοις, νομίζων οὕτω τοὺς ἐν Αἰγύπτῳ νικῶντας Ἀθηναίους ἀποπλεύσειν εἰς τὰς Ἀθήνας βοηθήσοντας τῇ πατρίδι· [6] τῶν δὲ Λακεδαιμονίων οὔτε χρήματα δεξαμένων οὔτε ἄλλως προσεχόντων τοῖς ὑπὸ Περσῶν ἀξιουμένοις ἀπογνοὺς τὴν ἀπὸ τῶν Λακεδαιμονίων βοήθειαν ὁ Ἀρταξέρξης ἄλλας δυνάμεις παρεσκευάζετο· ἐπιστήσας δὲ αὐτοῖς ἡγεμόνας Ἀρτάβαζον καὶ Μεγάβυζον, ἄνδρας ἀρετῇ διαφέροντας, ἐξέπεμψε πολεμήσοντας τοῖς Αἰγυπτίοις. 75.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Εὐθύππου Ῥωμαῖοι κατέστησαν ὑπάτους Κόιντον Σερουίλιον καὶ Σπόριον Ποστούμιον Ἀλβίνον. ἐπὶ δὲ τούτων κατὰ τὴν Ἀσίαν Ἀρτάβαζος καὶ Μεγάβυζος ἐκπεμφθέντες ἐπὶ τὸν πρὸς Αἰγυπτίους πόλεμον ἀνέξευξαν ἐκ τῆς Περσίδος, ἔχοντες στρατιώτας ἱππεῖς τε καὶ πεζοὺς πλείους τῶν τριάκοντα μυριάδων. [2] ὥς δ' ἦλθον εἰς Κιλικίαν καὶ Φοινίκην, τὰς μὲν πεζὰς δυνάμεις ἀνελάμβανον ἐκ τῆς ὁδοιορίας, ναῦς δὲ προσέταζαν κατασκευάζειν τοῖς τε Κυπρίοις καὶ Φοῖνιξι καὶ τοῖς τὴν Κιλικίαν οἰκοῦσι. καταρτισθεῖσθαι δὲ τριήρων τριακοσίων, ταύτας ἐκόσμησαν ἐπιβάταις τε τοῖς κρατίστοις καὶ ὅπλοις καὶ βέλεσι καὶ τοῖς ἄλλοις τοῖς πρὸς ναυμαχίαν χρησίμοις. [3] οὗτοι μὲν οὖν περὶ τὰς παρασκευὰς ἐγίνοντο καὶ γυμνασίας τῶν στρατιωτῶν ἐποιοῦντο καὶ συνείθιζον ἅπαντας ταῖς πολεμικαῖς ἐμπειρίαις, καὶ περὶ ταῦτα διέτριψαν σχεδόν τι τὸν ὑποκείμενον ἐνιαυτόν· [4] οἱ δὲ κατὰ τὴν Αἴγυπτον Ἀθηναῖοι τοὺς περὶ τὴν Μέμφιν καταφυγόντας εἰς τὸ Λευκὸν τεῖχος ἐπολιόρκουν· ἀμυνομένων δὲ τῶν Περσῶν εὐρώστως οὐ δυνάμενοι τὸ χωρίον ἐλεῖν, ἔμειναν ἐπὶ τῆς πολιορκίας τὸν ἐνιαυτόν. 76.

κατὰ δὲ τὴν Σικελίαν Συρακόσιοι μὲν πολεμοῦντες τοῖς ἀφεστηκόσι ξένοις

συνεχεῖς προσβολὰς ἐποιοῦντο τῇ τε Ἀχραδινῇ καὶ τῇ Νήσῳ, καὶ ναυμαχία μὲν ἐνίκησαν τοὺς ἀποστάντας, περὶ δ' οὐκ ἴσχυον ἐκβαλεῖν ἐκ τῆς πόλεως διὰ τὴν ὀχυρότητα τῶν τόπων. [2] μετὰ δὲ ταῦτα παρατάξεως γενομένης ἐπὶ τῆς χώρας, καὶ τῶν ἀγωνιζομένων παρ' ἀμφοτέροις ἐκθύμως κινδυνευόντων, πεσεῖν συνέβη οὐκ ὀλίγους παρ' ἀμφοτέροις, νικῆσαι δὲ τοὺς Συρακοσίους. μετὰ δὲ τὴν μάχην οἱ Συρακόσιοι τοὺς μὲν ἐπιλέκτους, ὄντας ἐξακοσίους, αἰτίους γενομένους τῆς νίκης, ἐστεφάνωσαν ἀριστεῖα δόντες ἀργυρίου μὲν ἑκάστω. [3] ἅμα δὲ τούτοις πραττομένοις Δουκέτιος μὲν ὁ τῶν Σικελῶν ἡγεμὼν, χαλεπῶς ἔχων τοῖς τὴν Κατάνην οἰκοῦσι διὰ τὴν ἀφαίρεσιν τῆς τῶν Σικελῶν χώρας, ἐστράτευσεν ἐπ' αὐτούς. ὁμοίως δὲ καὶ τῶν Συρακοσίων στρατευσάντων ἐπὶ τὴν Κατάνην, οὗτοι μὲν κοινῇ κατεκληρούχησαν τὴν χώραν καὶ τοὺς κατοικισθέντας ὑφ' Ἰέρωνος τοῦ δυνάστου ἐπολέμουν: ἀντιταχθέντων δὲ τῶν ἐν τῇ Κατάνη καὶ λειφθέντων πλείοσι μάχαις, οὗτοι μὲν ἐξέπεσον ἐκ τῆς Κατάνης, καὶ τὴν νῦν Οὔσαν Αἵτην ἐκτήσαντο, πρὸ τούτου καλουμένην Ἴνησαν, οἱ δ' ἐξ ἀρχῆς ἐκ τῆς Κατάνης ὄντες ἐκομίσαντο πολλῷ χρόνῳ τὴν πατρίδα. [4] τούτων δὲ πραχθέντων οἱ κατὰ τὴν Ἰέρωνος δυναστείαν ἐκπεπτωκότες ἐκ τῶν ἰδίων πόλεων ἔχοντες τοὺς συναγωνιζομένους κατῆλθον εἰς τὰς πατρίδας, καὶ τοὺς ἀδίκως τὰς ἀλλοτρίας πόλεις ἀφηρεμένους ἐξέβαλον ἐκ τῶν πόλεων: τούτων δ' ἦσαν Γελῶι καὶ Ἀκραγαντίνοι καὶ Ἱμεραῖοι. [5] παραπλησίως δὲ τούτοις καὶ Ῥηγῖνοι μετὰ Ζαγκλαίων τοὺς Ἀναξίλου παῖδας δυναστεύοντας ἐκβαλόντες ἡλευθέρωσαν τὰς πατρίδας. μετὰ δὲ ταῦτα Καμάριναν μὲν Γελῶι κατοικίσαντες ἐξ ἀρχῆς κατεκληρούχησαν: αἱ δὲ πόλεις σχεδὸν ἅπασαι πρὸς τὴν κατάλυσιν τῶν πολέμων ὀρμήσασαι, καὶ κοινὸν δόγμα ποιησάμεναι, πρὸς τοὺς κατοικοῦντας ξένους διελύθησαν, καὶ τοὺς φυγάδας καταδεξάμεναι τοῖς ἀρχαίοις πολίταις τὰς πόλεις ἀπέδοσαν, τοῖς δὲ ξένοις τοῖς διὰ τὰς δυναστείας ἀλλοτρίας τὰς πόλεις ἔχουσι συνεχώρησαν τὰ ἐαυτῶν ἀποκομίζειν καὶ κατοικεῖν ἅπαντας ἐν τῇ Μεσσηνίᾳ. [6] αἱ μὲν οὖν κατὰ Σικελίαν ἐν ταῖς πόλεσι στάσεις καὶ ταραχαὶ τοῦτον τὸν τρόπον κατελύθησαν, αἱ δὲ πόλεις τὰς ἀπαλλοτρίους πολιτείας ἀποβαλοῦσαι σχεδὸν ἅπασαι τὰς ἰδίας χώρας κατεκληρούχησαν τοῖς πολίταις πᾶσιν. 77.

ἐπ' ἄρχοντος δ' Ἀθήνησι Φρασικλείδου Ὀλυμπιάς μὲν ἦχθη ὀγδοηκοστή, καθ' ἣν ἐνίκα στάδιον Τορύλλας Θετταλός, Ῥωμαῖοι δ' ὑπάτους κατέστησαν Κόιντον Φάβιον καὶ Τίτον Κοίντιον Καπιτωλῖνον. ἐπὶ δὲ τούτων κατὰ μὲν τὴν Ἀσίαν οἱ τῶν Περσῶν στρατηγοὶ διαβάντες ἐπὶ τὴν Κιλικίαν ναῦς μὲν κατεσκεύασαν τριακοσίας κεκοσμημένας καλῶς πρὸς τὴν πολεμικὴν χρεῖαν, τὸ δὲ πεζὸν στρατόπεδον λαβόντες προῆγον περὶ διὰ Συρίας καὶ Φοινίκης: συμπαραπλέοντος δὲ καὶ τοῦ στόλου τῇ περὶ στρατιᾷ κατήντησαν εἰς Μέμφιν τῆς Αἰγύπτου. [2] καὶ τὸ μὲν πρῶτον τὴν πολιορκίαν τοῦ Λευκοῦ τείχους ἔλυσαν, καταπληξάμενοι τοὺς Αἰγυπτίους καὶ τοὺς Ἀθηναίους: μετὰ δὲ ταῦτα ἐμφρόνως βουλευσάμενοι κατὰ στόμα μὲν παρατάττεσθαι διέκλινον, στρατηγίμασι δὲ ἐφιλοτιμοῦντο καταλῦσαι τὸν πόλεμον. διόπερ καὶ τῶν Ἀττικῶν νεῶν ὀρμουσῶν ἐν τῇ Προσωπίτιδι λεγομένη νήσῳ, τὸν περιρρέοντα ποταμὸν διώρυξιν διαλαβόντες ἡπειρον ἐποίησαν τὴν νήσον. [3] τῶν δὲ νεῶν

ἄφνω καθίζουσῶν ἐπὶ ξηρὰν τὴν γῆν, οἱ μὲν Αἰγύπτιοι καταπλαγέντες ἐγκατέλιπον τοὺς Ἀθηναίους καὶ πρὸς τοὺς Πέρσας διελύσαντο· οἱ δὲ Ἀθηναῖοι συμμαχῶν ὄντες ἔρημοι καὶ τὰς ναῦς ὀρῶντες ἀχρήστους γεγενημένας, ταύτας μὲν ἐνέπρησαν, ὅπως μὴ τοῖς πολεμίοις ὑποχεῖριοι γενηθῶσιν, αὐτοὶ δὲ οὐ καταπλαγέντες τὴν δεινότητα τῆς περιστάσεως παρεκάλουν ἀλλήλους μηδὲν ἀνάξιον πράξει τῶν προκατειργασμένων ἀγώνων. [4] διόπερ ταῖς ἀρεταῖς ὑπερβαλλόμενοι τοὺς ἐν Θερμοπύλαις ὑπὲρ τῆς Ἑλλάδος ἀποθανόντας, ἐτοίμως εἶχον διαγωνίζεσθαι πρὸς τοὺς πολεμίους. οἱ δὲ στρατηγοὶ τῶν Περσῶν Ἀρτάβαζος καὶ Μεγάβυζος, ὀρῶντες τὴν ὑπερβολὴν τῆς εὐτολμίας τῶν πολεμίων καὶ λογισάμενοι, διότι τούτους οὐ δυνατόν ἀνελεῖν ἄνευ τοῦ πολλὰς μυριάδας ἀποβαλεῖν τῶν ἰδίων, σπονδὰς ἔθεντο πρὸς τοὺς Ἀθηναίους, καθ' ἃς ἔδει χωρὶς κινδύνων ἀπελθεῖν αὐτοὺς ἐκ τῆς Αἰγύπτου. [5] οἱ μὲν οὖν Ἀθηναῖοι διὰ τὴν ἰδίαν ἀρετὴν τυχόντες τῆς σωτηρίας ἀπῆλθον ἐκ τῆς Αἰγύπτου, καὶ διὰ τῆς Λιβύης εἰς Κυρήνην ἀπελθόντες ἐσώθησαν παραδόξως εἰς τὴν πατρίδα. [6] ἅμα δὲ τούτοις πραττομένοις ἐν μὲν ταῖς Ἀθήναις Ἐφιάλτης ὁ Σοφωνίδου, δημαγωγὸς ὢν καὶ τὸ πλῆθος παροξύνας κατὰ τῶν Ἀρεοπαγιτῶν, ἔπεισε τὸν δῆμον ψηφίσματι μειῶσαι τὴν ἐξ Ἀρείου πάγου βουλήν, καὶ τὰ πάτρια καὶ περιβόητα νόμιμα καταλῦσαι. οὐ μὴν ἀθῶός γε διέφυγε τηλικούτοις ἀνομήμασιν ἐπιβαλόμενος, ἀλλὰ τῆς νυκτὸς ἀναιρεθεὶς ἄδηλον ἔσχε τὴν τοῦ βίου τελευτήν. 78.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦν ἄρχων Φιλοκλῆς, ἐν Ῥώμῃ δὲ τὴν ὑπατον ἀρχὴν διεδέξαντο Αὐλὸς Ποστούμιος Ῥηγοῦλος καὶ Σπόριος Φούριος Μεδιολανός. ἐπὶ δὲ τούτων Κορινθίους καὶ Ἐπιδαυρίους πρὸς Ἀθηναίους ἐνστάντος πολέμου, ἐστράτευσαν ἐπ' αὐτοὺς Ἀθηναῖοι, καὶ γενομένης μάχης ἰσχυρὰς ἐνίκησαν Ἀθηναῖοι. [2] μεγάλῳ δὲ στόλῳ καταπλεύσαντες πρὸς τοὺς ὀνομαζομένους Ἀλιεῖς, ἀνέβησαν εἰς τὴν Πελοπόννησον, καὶ τῶν πολεμίων ἀνέϊλον οὐκ ὀλίγους. συστραφέντων δὲ τῶν Πελοποννησίων καὶ δυνάμιν ἀξιόλογον ἀθροισάντων, συνέστη μάχη πρὸς τοὺς Ἀθηναίους περὶ τὴν ὀνομαζομένην Κεκρυφάλειαν, καθ' ἣν πάλιν ἐνίκησαν Ἀθηναῖοι. [3] τοιούτων δὲ εὐημερημάτων αὐτοῖς γενομένων, τοὺς Αἰγινήτας ὀρῶντες πεφρονηματισμένους μὲν ταῖς προγεγενημέναις πράξεσιν, ἀλλοτρίως δὲ ἔχοντας πρὸς αὐτοὺς, ἔγνωσαν καταπολεμῆσαι. [4] διὸ καὶ στόλον ἐπ' αὐτοὺς ἀξιόλογον ἀποστειλάντων τῶν Ἀθηναίων, οἱ τὴν Αἴγιναν κατοικοῦντες, μεγάλην ἐμπειρίαν ἔχοντες καὶ δόξαν τῶν κατὰ θάλατταν ἀγώνων, οὐ κατεπλάγησαν τὴν ὑπεροχὴν τῶν Ἀθηναίων, ἔχοντες δὲ τριήρεις ἱκανὰς καὶ προσκατασκευάσαντες ἐτέρας, ἐναυμάχησαν, καὶ λειφθέντες ἀπέβαλον τριήρεις ἐβδομήκοντα· συντριβέντες δὲ τοῖς φρονήμασι διὰ τὸ μέγεθος τῆς συμφορᾶς, ἠναγκάσθησαν εἰς τὴν Ἀθηναίων συντέλειαν καταταχθῆναι. ταῦτα μὲν οὖν Λεωκράτης ὁ στρατηγὸς κατεπράξατο τοῖς Ἀθηναίοις, τοὺς πάντας διαπολεμήσας μῆνας ἐννέα πρὸς τοὺς Αἰγινήτας. [5]

ἅμα δὲ τούτοις πραττομένοις κατὰ τὴν Σικελίαν Δουκέτιος ὁ τῶν Σικελῶν βασιλεὺς, ὀνομασμένος τὸ γένος, ἰσχύων δὲ κατ' ἐκείνους τοὺς χρόνους, Μέναινον μὲν πόλιν ἔκτισε καὶ τὴν σύνεγγυς χώραν τοῖς κατοικισθεῖσι διμερίσειε, στρατευσάμενος δ' ἐπὶ πόλιν ἀξιόλογον Μοργαντῖναν, καὶ

χειρωσάμενος αὐτήν, δόξαν ἀπηνέγκατο παρὰ τοῖς ὁμοεθnéσι. 79.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχε Βίων, ἐν Ῥώμῃ δὲ τὴν ὑπατον ἀρχὴν διεδέξαντο Πούπλιος Σερουίλιος Στρούκτος καὶ Λεύκιος Αἰβούτιος Ἄλβας. ἐπὶ δὲ τούτων Κορινθίοις καὶ Μεγαρεῦσι περὶ χώρας ὁμόρου γενομένης ἀμφισβητήσεως, εἰς πόλεμον αἱ πόλεις ἐνέπεσον. [2] τὸ μὲν οὖν πρῶτον τὴν χώραν ἀλλήλων διετέλουν λεηλατοῦντες καὶ κατ' ὀλίγους συμπλοκάς ποιοῦμενοι: αὐξομένης δὲ τῆς διαφορᾶς οἱ Μεγαρεῖς αἰεὶ μᾶλλον ἐλαττούμενοι καὶ τοὺς Κορινθίους φοβούμενοι, συμμάχους ἐποίησαντο τοὺς Ἀθηναίους. [3] διὸ καὶ πάλιν τῶν πόλεων ἐφαμίλλων ταῖς δυνάμεσι γενομένων, καὶ τῶν Κορινθίων μετὰ Πελοποννησίων ἀξιολόγῳ δυνάμει στρατευσάντων εἰς τὴν Μεγαρικὴν, Ἀθηναῖοι συμμαχίαν ἔπεμψαν τοῖς Μεγαρεῦσιν, ἧς ἡγεῖτο Μυρωνίδης, ἀνὴρ ἐπ' ἀρετῇ θαυμαζόμενος: γενομένης δὲ παρατάξεως ἰσχυρᾶς ἐπὶ πολὺν χρόνον, καὶ ταῖς ἀνδραγαθίαις ἑκατέρων ἐξισουμένων, τὸ τελευταῖον ἐνίκησαν Ἀθηναῖοι καὶ πολλοὺς ἀνείλυν τῶν πολεμίων. [4] οἱ Φωκεῖς ἐνεστήσαντο πόλεμον πρὸς Δωριεῖς, τοὺς προγόνους μὲν Λακεδαιμονίων, οἰκοῦντας δὲ πόλεις τρεῖς, Κυτίνιον καὶ Βοιὸν καὶ Ἐρινεόν, κειμένας ὑπὸ τὸν λόφον τὸν ὀνομαζόμενον Παρνασσόν. [5] τὸ μὲν οὖν πρῶτον βία χειρωσάμενοι τοὺς Δωριεῖς, κατέσχον αὐτῶν τὰς πόλεις: μετὰ δὲ ταῦτα Λακεδαιμόνιοι μὲν Νικομήδην τὸν Κλεομένους ἐξέπεμψαν βοηθήσοντα τοῖς Δωριεῦσι διὰ τὴν συγγένειαν: εἶχε δ' οὗτος Λακεδαιμονίους μὲν χιλίους πεντακοσίους, παρὰ δὲ τῶν ἄλλων Πελοποννησίων μυρίους. [6] οὗτος μὲν οὖν ἐπίτροπος ὢν Πλειστοῦνακτος τοῦ βασιλέως παῖδός ὄντος, μετὰ τοσαύτης δυνάμεως ἐβόηθησε τοῖς Δωριεῦσι, νικήσας δὲ τοὺς Φωκεῖς καὶ τὰς πόλεις ἀνακτησάμενος τοὺς τε Φωκεῖς καὶ Δωριεῖς διήλλαξεν. 80. Ἀθηναῖοι δὲ πυθόμενοι τοὺς Λακεδαιμονίους τὸν μὲν πρὸς Φωκεῖς πόλεμον καταλελυκέναι, αὐτοὺς δὲ μέλλειν τὴν εἰς οἶκον ἐπάνοδον ποιεῖσθαι, ἔγνωσαν ἐπιθέσθαι κατὰ τὴν ὁδοιπορίαν τοῖς Λακεδαιμονίοις. ἐστράτευσαν οὖν ἐπ' αὐτούς, παραλαβόντες τοὺς Ἀργεῖους καὶ Θετταλοὺς: καὶ πεντήκοντα μὲν ναυσί, στρατιώταις δὲ μυρίοις καὶ τετρακισχιλίους ἐπιβαλοῦντες αὐτοῖς κατελάβοντο τὰς περὶ τὴν Γεράνειαν παρόδους. [2] Λακεδαιμόνιοι δὲ πυνθανόμενοι τὰ κατὰ τοὺς Ἀθηναίους παρήλθον τῆς Βοιωτίας εἰς Τάναγραν. τῶν δὲ Ἀθηναίων παραγενομένων εἰς τὴν Βοιωτίαν καὶ παρατάξεως γενομένης, ἰσχυρὰ συνέστη μάχη: καὶ τῶν μὲν Θετταλῶν μεταβαλομένων ἐν τῇ μάχῃ πρὸς τοὺς Λακεδαιμονίους, τῶν δὲ Ἀθηναίων καὶ τῶν Ἀργείων οὐδὲν ἦττον διαγωνιζομένων, ἔπεσον μὲν οὐκ ὀλίγοι παρ' ἀμφοτέροις, νυκτὸς δ' ἐπιλαβούσης διελύθησαν. [3] μετὰ δὲ ταῦτα τοῖς Ἀθηναίοις κομιζομένης ἀγορᾶς πολλῆς ἐκ τῆς Ἀττικῆς, οἱ Θετταλοὶ κρίναντες ἐπιθέσθαι ταύτῃ καὶ αὐτῆς ὥρας δειπνοποιησάμενοι νυκτὸς ἀπῆντων τοῖς κομίζουσι τὰς ἀγοράς. [4] τῶν δὲ παραφυλαττόντων Ἀθηναίων ἀγνοούντων καὶ προσδεξαμένων τοὺς Θετταλοὺς ὡς φίλους, συνέβη πολλοὺς καὶ ποικίλους ἀγῶνας γενέσθαι περὶ τῆς ἀγορᾶς. τὸ μὲν γὰρ πρῶτον οἱ Θετταλοὶ, προσδεχθέντες ὑπὸ τῶν πολεμίων διὰ τὴν ἄγνοιαν, ἔκτεινον τοὺς ἐντυγχάνοντας, καὶ συντεταγμένοι τοῖς τεθορυβημένοις συμπλεκόμενοι πολλοὺς ἀνῆρουν. [5] οἱ δὲ κατὰ τὴν στρατοπεδείαν ὄντες Ἀθηναῖοι πυθόμενοι τὴν τῶν Θετταλῶν ἐπίθεσιν, ἤκον

κατὰ σπουδὴν, καὶ τοὺς Θετταλοὺς ἐξ ἐφόδου τρεψάμενοι πολλὴν ἐποίουν φόνον. [6] ἐπιβοηθησάντων δὲ τῶν Λακεδαιμονίων τοῖς Θετταλοῖς συντεταγμένη τῇ δυνάμει, καὶ τοῖς στρατοπέδοις ὅλοις γενομένης παρατάξεως, συνέβη διὰ τὴν γενομένην φιλοτιμίαν πολλοὺς παρ' ἀμφοτέροις ἀναιρεθῆναι. τέλος δὲ τῆς μάχης ἀμφίδοξον λαβούσης τὸ τέλος, συνέβη τοὺς τε Λακεδαιμονίους ἀμφισβητῆσαι περὶ τῆς νίκης καὶ τοὺς Ἀθηναίους. τότε μὲν οὖν ἐπιλαβούσης νυκτὸς καὶ τῆς νίκης ἀμφιδόξου γενομένης, διεπρεσβεύοντο πρὸς ἀλλήλους καὶ τετραμηνιαίους σπονδὰς ἐποιήσαντο. 81.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχε Μνησιθειδης, ἐν Ῥώμῃ δ' ὑπατοὶ κατεστάθησαν Λούκιος Λουκράτιος καὶ Τίτος Οὐετούριος Κιχωρίνος. ἐπὶ δὲ τούτων Θηβαῖοι μὲν τεταπεινωμένοι διὰ τὴν πρὸς Ξέρξην αὐτοῖς γενομένην συμμαχίαν, ἐζήτουν δι' οὗ τρόπου δύναιντ' ἂν ἀναλαβεῖν τὴν πάτριον ἰσχύν τε καὶ δόξαν. [2] διὸ καὶ τῶν Βοιωτῶν ἀπάντων καταφρονούντων καὶ μηκέτι προσεχόντων τοῖς Θηβαίοις, ἤξιουν τοὺς Λακεδαιμονίους τῇ πόλει συμπεριποιῆσαι τὴν ὅλην ἡγεμονίαν τῆς Βοιωτίας: ἐπηγγέλλοντο δ' αὐτοῖς ἀντὶ ταύτης τῆς χάριτος ἰδίᾳ πολεμήσειν τοῖς Ἀθηναίοις, ὥστε μηδεμίαν ἀνάγκην εἶναι τοῖς Σπαρτιάταις ἐκτὸς τῆς Πελοποννήσου δύναμιν ἐξαγαγεῖν πεζήν. [3] οἱ δὲ Λακεδαιμόνιοι ... κρίναντες συμφέροντα λέγειν αὐτοῦς, καὶ νομίζοντες τὰς Θήβας, ἐὰν αὐξήσωσιν, ἔσεσθαι τῆς τῶν Ἀθηναίων ὥσπερ ἀντίπαλόν τινα: διόπερ ἔχοντες τότε περὶ Τάναγραν ἔτοιμον καὶ μέγα στρατόπεδον, τῆς μὲν τῶν Θηβαίων πόλεως μείζονα τὸν περίβολον κατεσκεύασαν, τὰς δ' ἐν Βοιωτίᾳ πόλεις ἠνάγκασαν ὑποτάττεσθαι τοῖς Θηβαίοις. [4] οἱ δὲ Ἀθηναῖοι τὴν ἐπιβολὴν τῶν Λακεδαιμονίων διακόψαι σπεύδοντες, δύναμιν ἀξιόλογον συνεστήσαντο, καὶ στρατηγὸν εἵλοντο Μυρωνίδην τὸν Καλλίου. οὗτος δὲ καταλέξας τῶν πολιτῶν τοὺς ἱκανοὺς παρήγγειλεν αὐτοῖς, ἐκθέμενος ἡμέραν ἐν ἣ τὴν ἐκ τῆς πόλεως ἀνάξενον ἡμέλλε ποιεῖσθαι. [5] ἐπεὶ δ' ὁ συντεταγμένος καιρὸς ἦκε, καὶ τῶν στρατιωτῶν τινες οὐ κατήντησαν πρὸς τὴν ὀρισμένην ἀφορμήν, ἀναλαβὼν τοὺς προσεληλυθότας προῆγεν εἰς τὴν Βοιωτίαν. τῶν δὲ ἡγεμόνων τινὲς καὶ τῶν φίλων ἔφασαν δεῖν ἀναμένειν τοὺς καθυστεροῦντας, ὁ δὲ Μυρωνίδης, συνετὸς ὢν ἅμα καὶ δραστικὸς στρατηγός, οὐκ ἔφησεν ἀναμενεῖν: ἀπεφαίνετο γὰρ τοὺς μὲν ἐκουσίως καθυστεροῦντας τῆς ἐξόδου καὶ κατὰ τὴν μάχην ἀγεννῶς καὶ δειλῶς ἔξειν, καὶ διὰ τοῦτο οὐδὲ τοὺς ὑπὲρ τῆς πατρίδος κινδύνους ὑποστήσεσθαι, τοὺς δ' ἐτοιμοὺς κατὰ τὴν συντεταγμένην ἡμέραν παραγενθέντας φανεροὺς εἶναι διότι καὶ τὴν ἐν τῷ πολέμῳ τάξιν οὐ καταλείψουσιν: ὅπερ καὶ συνέβη γενέσθαι. [6] ὀλίγους γὰρ προάγων στρατιώτας, καὶ τούτους ἀρίστους ταῖς ἀνδραγαθίαις, παρετάξατο κατὰ τὴν Βοιωτίαν πρὸς πολλαπλασίους, καὶ κατὰ κράτος περιεγένετο τῶν ἀνταχθέντων. 82.

δοκεῖ δ' ἡ πρᾶξις αὕτη μηδεμιᾶς ἀπολείπεσθαι τῶν ἐν τοῖς ἔμπροσθεν χρόνοις γεγενημένων παρατάξεων τοῖς Ἀθηναίοις: ἢ τε γὰρ ἐν Μαραθῶνι γενομένη νίκη καὶ τὸ περὶ Πλαταιᾶς κατὰ Περσῶν προτέρημα καὶ τᾶλλα τὰ περιβόητα τῶν Ἀθηναίων ἔργα δοκεῖ μηδὲν προέχειν τῆς μάχης ἥς ἐνίκησε Μυρωνίδης τοὺς Βοιωτοὺς. [2] ἐκείνων γὰρ αἱ μὲν ἐγένοντο πρὸς βαρβάρους,

αἱ δὲ συνετελέσθησαν μετ' ἄλλων συμμάχων, ταύτην δὲ τὴν παράταξιν Ἀθηναῖοι μόνοι διακινδυνεύσαντες ἐνίκησαν καὶ πρὸς Ἑλλήνων τοὺς ἀρίστου διηγωνίσαντο. [3] δοκοῦσι γὰρ οἱ Βοιωτοὶ κατὰ τὰς τῶν δεινῶν ὑπομονὰς καὶ τοὺς πολεμικοὺς ἀγῶνας μηδενὸς λείπεσθαι τῶν ἄλλων: ὕστερον γοῦν αὐτοὶ Θηβαῖοι περὶ Λεῦκτρα καὶ Μαντίνειαν μόνοι πρὸς Λακεδαιμονίους ἅπαντας καὶ τοὺς συμμάχους παραταξάμενοι μεγίστην μὲν δόξαν ἐπ' ἀνδρείαα κατεκτήσαντο, τῆς δ' Ἑλλάδος ἀπάσης ἡγεμόνες ἀνελπίστως ἐγενήθησαν. [4] τῶν δὲ συγγραφέων, καίπερ τῆς μάχης ταύτης ἐπιφανοὺς γεγεννημένης, οὐδεὶς οὔτε τὸν τρόπον αὐτῆς οὔτε τὴν διάταξιν ἀνέγραψε. Μυρωνίδης μὲν οὖν ἐπιφανεῖ μάχῃ νικήσας τοὺς Βοιωτοὺς ἐνάμιλλος ἐγενήθη τοῖς πρὸ αὐτοῦ γενομένοις ἡγεμόσιν ἐπιφανεστάτοις, Θεμιστοκλεῖ καὶ Μιλτιάδῃ καὶ Κίμωνι. [5] ὁ δὲ Μυρωνίδης μετὰ τὴν γενομένην νίκην Τάναγραν μὲν ἐκπολιορκήσας, περιεῖλεν αὐτῆς τὰ τεῖχη, τὴν δὲ Βοιωτίαν ἅπασαν ἐπιὼν ἔτεμνε καὶ κατέφθειρε καὶ τοῖς στρατιώταις διελὼν τὰ λάφυρα πάντας ὠφελείας ἀδραῖς ἐκόσμησεν. 83. οἱ δὲ Βοιωτοὶ παροξυνθέντες ἐπὶ τῇ διαφθορᾷ τῆς χώρας, συνεστράφησαν πανδημεῖ, καὶ στρατεύσαντες ἤθροισαν μεγάλην δύναμιν. γενομένης δὲ μάχης ἐν Οἰνοφύτοις τῆς Βοιωτίας, καὶ τὸ δεινὸν ἀμφοτέρων ταῖς ψυχαῖς ἔρρωμένως ὑπομενόντων, διημέρευσαν ἐν τῇ μάχῃ: μόγις δὲ τῶν Ἀθηναίων τρεψαμένων τοὺς Βοιωτούς, ὁ Μυρωνίδης πασῶν τῶν κατὰ τὴν Βοιωτίαν πόλεων ἐγκρατὴς ἐγένετο πλὴν Θηβῶν. [2] μετὰ δὲ ταῦτα ἐκ τῆς Βοιωτίας ἀναζεύξας ἐστράτευσεν ἐπὶ Λοκροὺς τοὺς ὀνομαζομένους Ὀπουντίους. τούτους δὲ ἐξ ἐφόδου χειρωσάμενος, καὶ λαβὼν ὁμήρους, ἐνέβαλεν εἰς τὴν Παρνασίαν. [3] παραπλησίως δὲ τοῖς Λοκροῖς καὶ τοὺς Φωκεῖς καταπολεμήσας, καὶ λαβὼν ὁμήρους, ἀνέξευξεν εἰς τὴν Θετταλίαν, ἐγκαλὼν μὲν περὶ τῆς γενομένης προδοσίας, προστάττων δὲ καταδέχεσθαι τοὺς φυγάδας: τῶν δὲ Φαρσαλίων οὐ προσδεχομένων, ἐπολιόρκει τὴν πόλιν. [4] ἐπεὶ δὲ τὴν μὲν πόλιν οὐκ ἠδύνατο βία χειρώσασθαι, τὴν δὲ πολιορκίαν πολὺν χρόνον ὑπέμενον οἱ Φαρσάλιοι, τὸ τηνικαῦτα ἀπογνοὺς τὰ κατὰ τὴν Θετταλίαν ἐπανῆλθεν εἰς τὰς Ἀθήνας. Μυρωνίδης μὲν οὖν ἐν ὀλίγῳ χρόνῳ μεγάλας πράξεις ἐπιτελεσάμενος περιβόητον ἔσχε τὴν δόξαν παρὰ τοῖς πολίταις. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 84.

ἐπ' ἄρχοντος δ' Ἀθήνησι Καλλίου παρὰ μὲν Ἥλαιοις Ὀλυμπιάς ἤχθη μία πρὸς ταῖς ὀγδοήκοντα, καθ' ἣν ἐνίκα στάδιον Πολύμναστος Κυρηναῖος, ἐν Ῥώμῃ δ' ὑπῆρχον ὕπατοι Σερούιος Σουλπίκιος καὶ Πούπλιος Οὐολούμνιος Ἀμεντῖνος. [2] ἐπὶ δὲ τούτων Τολμίδης ὁ τεταγμένος ἐπὶ τῆς ναυτικῆς δυνάμεως, ἀμιλλώμενος πρὸς τὴν Μυρωνίδου ἀρετὴν τε καὶ δόξαν, ἔσπευδεν ἀξιόλογόν τι κατεργάσασθαι. [3] διὸ καὶ κατ' ἐκείνους τοὺς καιροὺς μηδενὸς πρότερον πεπορθηκότος τὴν Λακωνικὴν, παρεκάλεσε τὸν δῆμον δηῶσαι τὴν τῶν Σπαρτιατῶν χώραν, ἐπηγγέλλετο δὲ χιλίους ὀπλίτας παραλαβὼν εἰς τὰς τριῆρεις μετὰ τούτων πορθήσῃν μὲν τὴν Λακωνικὴν, ταπεινώσῃν δὲ τὴν τῶν Σπαρτιατῶν δόξαν. [4] συγχωρησάντων δὲ τῶν Ἀθηναίων, βουλόμενος λαθραίως πλείονας ὀπλίτας ἐξαγαγεῖν, τεχνάζεται τι τοιοῦτον. οἱ μὲν πολῖται διελάμβανον αὐτὸν καταλέξῃν εἰς τὴν στρατιὰν τῶν νέων τοὺς ἀκμάζοντας ταῖς ἡλικίαις καὶ τοῖς σώμασιν εὐρωστοτάτους: ὁ δὲ Τολμίδης σπεύδων μὴ

μόνον τοὺς τεταγμένους χιλίους ἐξαγαγεῖν εἰς τὴν στρατείαν, προσίων ἐκάστω τῶν νέων καὶ τῇ ῥώμῃ διαφερόντων ἔλεγεν ὥς μέλλει καταλέγειν αὐτόν: κρεῖττον οὖν ἔφησεν ἐθελοντὴν στρατεῦειν μᾶλλον ἢ διὰ τῶν καταλόγων ἀναγκασθῆναι δοκεῖν. [5] ἐπεὶ δὲ πλείους τῶν τρισχιλίων τούτῳ τῷ λόγῳ συνέπεισεν ἐθελοντὴν ἀπογράφεσθαι, τοὺς δὲ λοιποὺς οὐκέτι σπεύδοντας ἑώρα, τότε τοὺς ὁμολογημένους χιλίους κατέλεξεν ἐκ τῶν ἄλλων. [6] ὥς δ' αὐτῷ καὶ τᾶλλα τὰ πρὸς τὴν στρατείαν ἡτοίμαστο, πεντήκοντα μὲν τριήρεσιν ἀνήχθη καὶ τετρακισχιλίοις ὀπλίταις, καταπλεύσας δὲ τῆς Λακωνικῆς εἰς Μεθώνην, τοῦτο μὲν τὸ χωρίον εἴλε, τῶν δὲ Λακεδαιμονίων βοηθησάντων ἀνέξευξε, καὶ παραπλεύσας εἰς τὸ Γύθειον, ἐπίνειον τῶν Λακεδαιμονίων, χειρωσάμενος δὲ καὶ ταύτην τὴν πόλιν καὶ τὰ νεώρια τῶν Λακεδαιμονίων ἐμπρήσας, τὴν χώραν ἐδήλωσεν. [7] ἐκεῖθεν δὲ ἀναχθεὶς ἔπλευσε τῆς Κεφαλληνίας εἰς Ζάκυνθον: ταύτην δὲ χειρωσάμενος καὶ πάσας τὰς ἐν τῇ Κεφαλληνίᾳ πόλεις προσαγαγόμενος, εἰς τὸ πέραν διέπλευσε καὶ κατήρην εἰς Ναύπακτον. ὁμοίως δὲ καὶ ταύτην ἐξ ἐφόδου λαβὼν, κατόκισεν εἰς ταύτην Μεσσηνίων τοὺς ἐπισήμους, ὑποσπόνδους ὑπὸ Λακεδαιμονίων ἀφεθέντας: [8] κατὰ γὰρ τὸν αὐτὸν χρόνον οἱ Λακεδαιμόνιοι πρὸς τοὺς Εἰλωτας καὶ Μεσσηνίους πεπολεμηκότες ἐπὶ πλεόν, τότε κρατήσαντες ἀμφοτέρων τοὺς μὲν ἐξ Ἰθώμης ὑποσπόνδους ἀφήκαν, καθότι προεῖρηται, τῶν δ' Εἰλωτῶν τοὺς αἰτίους τῆς ἀποστάσεως κολάσαντες τοὺς ἄλλους κατεδουλώσαντο. 85.

ἐπ' ἄρχοντος δ' Ἀθήνησι Σωσιστράτου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Πούπλιον Οὐαλέριον Ποπλικόλαν καὶ Γάιον Κλώδιον Ῥήγγιλλον. ἐπὶ δὲ τούτων Τολμίδης μὲν περὶ τὴν Βοιωτίαν διέτριβεν, Ἀθηναῖοι δὲ Περικλέα τὸν Ξανθίππου, τῶν ἀγαθῶν ἀνδρῶν, στρατηγὸν κατέστησαν, καὶ δόντες αὐτῷ τριήρεις πεντήκοντα καὶ χιλίους ὀπλίτας ἐξέπεμψαν ἐπὶ τὴν Πελοπόννησον. [2] οὗτος δὲ τῆς Πελοποννήσου πολλὴν ἐπόρθησεν, εἰς δὲ τὴν Ἀκαρνανίαν διαβὰς πλὴν Οἰνιαδῶν ἀπάσας τὰς πόλεις προσηγάγετο. οἱ μὲν οὖν Ἀθηναῖοι κατὰ τοῦτον τὸν ἐνιαυτὸν πλείστων πόλεων ἥρξαν, ἐπ' ἀνδρείαā δὲ καὶ στρατηγία μεγάλην δόξαν κατεκτήσαντο. 86.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀρίστωνος Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Κόιντον Φάβιον Οὐβουλανὸν καὶ Λεύκιον Κορνήλιον Κουριτῖνον. ἐπὶ δὲ τούτων Ἀθηναῖοις καὶ Πελοποννησίοις πενταετεῖς ἐγένοντο σπονδαί, Κίμωνος τοῦ Ἀθηναίου συνθεμένου ταῦτας. [2] κατὰ δὲ τὴν Σικελίαν Ἑγεσταίοις καὶ Λιλυβαίταις ἐνέστη πόλεμος περὶ χώρας τῆς πρὸς τῷ Μαζάρῳ ποταμῷ: γενομένης δὲ μάχης ἰσχυρᾶς συνέβη πολλοὺς παρ' ἀμφοτέροις ἀναιρεθῆναι καὶ τῆς φιλοτιμίας μὴ λῆξαι τὰς πόλεις. [3] μετὰ δὲ τὴν πολιτογραφίαν τὴν ἐν ταῖς πόλεσι γενομένην καὶ τὸν ἀναδασμὸν τῆς χώρας, πολλῶν εἰκῇ καὶ ὥς ἔτυχε πεπολιτογραφημένων, ἐνόσουν αἱ πόλεις καὶ πάλιν εἰς πολιτικὰς στάσεις καὶ ταραχὰς ἐνέπιπτον: μάλιστα δὲ τὸ κακὸν ἐπεπόλασεν ἐν ταῖς Συρακούσαις. [4] Τυνδαρίδης γάρ τις τοῦνομα, θράσους καὶ τόλμης γέμων ἄνθρωπος, τὸ μὲν πρῶτον πολλοὺς τῶν πενήτων ἀνελάμβανε, καὶ σωματοποιῶν τούτους ἑαυτῷ πρὸς τυραννίδα ἐτοίμους ἐποίει δορυφόρους. μετὰ δὲ ταῦτα ἤδη φανερὸς ὢν ὅτι δυναστείας ὀρέγεται, θανάτου κρίσιν ὑποσχὼν κατεδικάσθη. [5] ἀπαγομένου δὲ εἰς τὸ δεσμοτῆριον

οἱ πολυωρηθέντες ὑπ' αὐτοῦ συνεστράφησαν καὶ τοῖς ἀπάγουσι τὰς χεῖρας ἐπέφερον. ταραχῆς δὲ γενομένης κατὰ τὴν πόλιν, συνεστράφησαν οἱ χαριέστατοι τῶν πολιτῶν, καὶ τοὺς νεωτερίσαντας συναρπάσαντες ἅμα τῷ Τυνδαρίδῃ ἀνέϊλον. πλεονάκις δὲ τούτου γινομένου, καὶ τῶν ἀνδρῶν τυραννίδος ἐπιθυμούντων, ὁ δῆμος ἐπηνέχθη μιμήσασθαι τοὺς Ἀθηναίους, καὶ νόμον θεῖναι παραπλήσιον τῷ παρ' ἐκείνοις γεγραμμένῳ περὶ ὄστρακισμοῦ. 87. παρὰ γὰρ Ἀθηναίους ἕκαστον τῶν πολιτῶν ἔδει γράφειν εἰς ὄστρακον τοῦνομα τοῦ δοκοῦντος μάλιστα **δύνασθαι** τυραννεῖν τῶν πολιτῶν, παρὰ δὲ τοῖς Συρακοσίοις εἰς πέταλον ἐλαίας γράφεσθαι τὸν δυνατότατον τῶν πολιτῶν, διαριθμηθέντων δὲ τῶν πετάλων τὸν πλεῖστα πέταλα λαβόντα φεύγειν πενταετὴ χρόνον. [2] τούτῳ γὰρ τῷ τρόπῳ διελάμβανον ταπεινώσειν τὰ φρονήματα τῶν πλεῖστον ἰσχυόντων ἐν ταῖς πατρίσι: καθόλου γὰρ οὐ πονηρίας κολάσεις ἐλάμβανον παρὰ τῶν παρανομούντων, ἀλλὰ δυνάμεως καὶ αὐξήσεως τῶν ἀνδρῶν ἐποίουν ταπεινῶσιν. οἱ μὲν οὖν Ἀθηναῖοι τοῦτο τὸ γένος τῆς νομοθεσίας ὠνόμασαν ἀπὸ τοῦ συμβεβηκότος ὄστρακισμὸν, οἱ δὲ Συρακόσιοι πεταλισμὸν. [3] οὗτος δὲ ὁ νόμος διέμεινε παρὰ μὲν τοῖς Ἀθηναίοις ἐπὶ πολὺν χρόνον, παρὰ δὲ τοῖς Συρακοσίοις κατελύθη ταχὺ διὰ τοιαύτας τινὰς αἰτίας. [4] τῶν μεγίστων ἀνδρῶν φυγαδευομένων οἱ χαριέστατοι τῶν πολιτῶν καὶ δυνάμενοι διὰ τῆς ἰδίας ἀρετῆς πολλὰ τῶν κοινῶν ἐπανορθοῦν ἀφίσταντο τῶν δημοσίων πράξεων, καὶ διὰ τὸν ἀπὸ τοῦ νόμου φόβον ἰδιωτεύοντες διετέλουν, ἐπιμελόμενοι δὲ τῆς ἰδίας οὐσίας εἰς τρυφὴν ἀπέκλινον, οἱ δὲ πονηρότατοι τῶν πολιτῶν καὶ τόλμῃ διαφέροντες ἐφρόντιζον τῶν δημοσίων καὶ τὰ πλήθη πρὸς ταραχὴν καὶ νεωτερισμὸν προετρέποντο. [5] διόπερ στάσεων γινομένων πάλιν, καὶ τῶν πολλῶν εἰς διαφορὰς ἐκτρεπομένων, πάλιν ἡ πόλις εἰς συνεχεῖς καὶ μεγάλας ἐνέπιπτε ταραχάς: ἐπεπόλαξε γὰρ δημαγωγῶν πλῆθος καὶ συκοφαντῶν, καὶ λόγου δεινότης ὑπὸ τῶν νεωτέρων ἡσκεῖτο, καὶ καθόλου πολλοὶ τὰ φαῦλα τῶν ἐπιτηδευμάτων ἀντὶ τῆς παλαιᾶς καὶ σπουδαίας ἀγωγῆς ἡλλάττοντο, καὶ ταῖς μὲν οὐσίαις διὰ τὴν εἰρήνην προέκοπτον, τῆς δ' ὁμονοίας καὶ τοῦ δικαιοπραγεῖν ὀλίγη τις ἐγίνετο φροντίς. [6] διόπερ οἱ **Συρακόσιοι** μεταγνόντες τὸν περὶ τοῦ πεταλισμοῦ νόμον κατέλυσαν, ὀλίγον χρόνον αὐτῷ χρησάμενοι. καὶ τὰ μὲν κατὰ τὴν Σικελίαν ἐν τούτοις ἦν. 88.

ἐπ' ἄρχοντος δ' Ἀθήνησι Λυσικράτους ἐν Ῥώμῃ κατεστάθησαν ὕπατοι Γάιος Ναύτιος Ρούτιλος καὶ Λεύκιος Μινούκιος Καρουτιανός. ἐπὶ δὲ τούτων Περικλῆς ὁ τῶν Ἀθηναίων στρατηγὸς ἀποβάς εἰς Πελοπόννησον ἐδήλωσε τὴν τῶν Σικυωνίων χώραν. [2] ἐπεξελθόντων δ' ἐπ' αὐτὸν τῶν Σικυωνίων πανδημεὶ καὶ μάχης γενομένης, ὁ Περικλῆς νικήσας καὶ πολλοὺς κατὰ τὴν φυγὴν ἀνελὼν κατέκλεισεν αὐτοὺς εἰς πολιορκίαν. προσβολὰς δὲ ποιούμενος τοῖς τείχεσι, καὶ μὴ δυνάμενος ἐλεῖν τὴν πόλιν, ἔτι δὲ καὶ τῶν Λακεδαιμονίων ἀποστειλάντων βοήθειαν τοῖς πολιορκουμένοις, ἀνέξευξεν ἐκ τῆς Σικυῶνος: εἰς δὲ τὴν Ἀκαρνανίαν πλεύσας καὶ τὴν τῶν Οἰνιαδῶν χώραν καταδραμῶν καὶ λαφύρων πλῆθος ἀθροίσας, ἀπέπλευσεν ἐκ τῆς Ἀκαρνανίας. [3] μετὰ δὲ ταῦτα ἐλθὼν εἰς Χερρόνησον χιλίους τῶν πολιτῶν κατεκληρούησε τὴν χώραν. ἅμα δὲ τούτοις πραττομένοις Τολμίδης ὁ ἕτερος στρατηγὸς εἰς τὴν Εὐβοίαν

παρελθὼν ἄλλοις χιλίοις πολίταις ταύτην καὶ τὴν τῶν Ναξίων γῆν διένειμε. [4] κατὰ δὲ τὴν Σικελίαν Τυρρηνῶν ληζομένων τὴν θάλατταν, οἱ Συρακόσιοι ναύαρχον ἐλόμενοι Φάϋλλον ἔπεμψαν εἰς τὴν Τυρρηνίαν. οὗτος δ' ἐκπλεύσας τὸ μὲν πρῶτον νῆσον τὴν ὀνομαζομένην Αἰθάλειαν ἐπόρθησε, παρὰ δὲ τῶν Τυρρηνῶν λάθρα χρήματα λαβὼν, ἀπέπλευσεν εἰς τὴν Σικελίαν οὐδὲν ἄξιον μνήμης διαπραξάμενος. [5] οἱ δὲ Συρακόσιοι τοῦτον μὲν ὥς προδότην καταδικάσαντες ἐφυγάδευσαν, ἕτερον δὲ στρατηγὸν καταστήσαντες Ἀπελλὴν ἐξαπέστειλαν ἐπὶ Τυρρηνοὺς ἔχοντα τριῆρεις ἐξήκοντα. οὗτος δὲ τὴν παραθαλάττιον Τυρρηνίαν καταδραμών, ἀπῆρεν εἰς Κύρνον κατεχομένην ὑπὸ Τυρρηνῶν κατ' ἐκείνους τοὺς χρόνους: πορθήσας δὲ πλεῖστα τῆς νήσου καὶ τὴν Αἰθάλειαν χειρωσάμενος, ἐπανήλθεν εἰς τὰς Συρακούσας αἰχμαλώτων τε πλῆθος κομίζων καὶ τὴν ἄλλην ὠφέλειαν ἄγων οὐκ ὀλίγην. [6] μετὰ δὲ ταῦτα Δουκέτιος ὁ τῶν Σικελῶν ἀφηγούμενος τὰς πόλεις ἀπάσας τὰς ὁμοεθνεῖς πλὴν τῆς Ὑβλας εἰς μίαν καὶ κοινὴν ἤγαγε συντέλειαν, δραστικὸς δ' ὢν νεωτέρων ὠρέγετο πραγμάτων, καὶ παρὰ τοῦ κοινοῦ τῶν Σικελῶν ἀθροίσας δύναμιν ἀξιόλογον τὰς Μένας, ἣτις ἦν αὐτοῦ πατρίς, μετώκισεν εἰς τὸ πεδῖον, καὶ πλησίον τοῦ τεμένους τῶν ὀνομαζομένων Παλικῶν ἔκτισε πόλιν ἀξιόλογον, ἣν ἀπὸ τῶν προειρημένων θεῶν ὠνόμαζε Παλικήν. 89.

ἐπεὶ δὲ περὶ τῶν θεῶν τούτων ἐμνήσθημεν, οὐκ ἄξιόν ἐστι παραλιπεῖν τὴν περὶ τὸ ἱερὸν ἀρχαιότητά τε καὶ τὴν ἀπιστίαν καὶ τὸ σύνολον τὸ περὶ τοὺς ὀνομαζομένους κρατῆρας ιδίωμα. μυθολογοῦσι γὰρ τὸ τέμενος τοῦτο διαφέρειν τῶν ἄλλων ἀρχαιότητι καὶ σεβασμῷ, πολλῶν ἐν αὐτῷ παραδόξων παραδεδομένων. [2] πρῶτον μὲν γὰρ κρατῆρές εἰσι τῷ μεγέθει μὲν οὐ κατὰ πᾶν μεγάλοι, πηγὰς δ' ἐξαισίους ἀναβάλλοντες ἐξ ἀμυθήτου τε βυθοῦ καὶ παραπλήσιον ἔχοντες τὴν φύσιν τοῖς λέβησι τοῖς ὑπὸ πυρὸς πολλοῦ καομένοις καὶ τὸ ὕδωρ διάπυρον ἀναβάλλουσιν. [3] ἔμφασιν μὲν οὖν ἔχει τὸ ἀναβαλλόμενον ὕδωρ ὡς ὑπάρχει διάπυρον, οὐ μὴν ἀκριβῆ τὴν ἐπίγνωσιν ἔχει διὰ τὸ μηδένα τολμᾶν ἄψασθαι τούτου: τηλικαύτην γὰρ ἔχει κατάπληξιν ἡ τῶν ὕγρων ἀναβολὴ ὥστε δοκεῖν ὑπὸ θείας τινὸς ἀνάγκης γίνεσθαι τὸ συμβαῖνον. [4] τὸ μὲν γὰρ ὕδωρ θείου κατακόρου τὴν ὄσφρησιν ἔχει, τὸ δὲ χάσμα βρόμον πολὺν καὶ φοβερὸν ἐξίησι: τὸ δὲ τούτων παραδοξότερον, οὔτε ὑπερεκχεῖται τὸ ὕγρον οὔτε ἀπολείπει, κίνησιν δὲ καὶ βίαν ρεύματος εἰς ὕψος ἐξαιρομένην ἔχει θαυμάσιον. [5] τοιαύτης δὲ θεοπρεπείας οὔσης περὶ τὸ τέμενος, οἱ μέγιστοι τῶν ὄρκων ἐνταῦθα συντελοῦνται, καὶ τοῖς ἐπιορκήσασιν συντόμως ἡ τοῦ δαιμονίου κόλασις ἀκολουθεῖ: τινὲς γὰρ τῆς ὀράσεως στερηθέντες τὴν ἐκ τοῦ τεμένους ἄφοδον ποιοῦνται. [6] μεγάλης δ' οὔσης δεισδαιμονίας, οἱ τὰς ἀμφισβητήσεις ἔχοντες, ὅταν ὑπὸ τινος ὑπεροχῆς κατισχύωνται, τῇ διὰ τῶν ὄρκων τούτων ἀνακρίσει κρίνονται. ἔστι δὲ τοῦτο τὸ τέμενος ἔκ τινων χρόνων ἄσυλον τετηρημένον, καὶ τοῖς ἀτυχοῦσιν οἰκέταις καὶ κυρίοις ἀγνώμοσι περικεπτοκόσι πολλὴν παρέχεται βοήθειαν: [7] τοὺς γὰρ εἰς τοῦτο καταφυγόντας οὐκ ἔχουσιν ἐξουσίαν οἱ δεσπότες βιαίως ἀπάγειν, καὶ μέχρι τούτου διαμένουσιν ἀσινεῖς, μέχρι ἂν ἐπὶ διωρισμένοις φιλανθρώποις πείσαντες οἱ κύριοι καὶ δόντες διὰ τῶν ὄρκων τὰς περὶ τῶν ὁμολογιῶν πίστεις ἀπαγάγωσι. [8] καὶ οὐδεὶς ἰστορεῖται τῶν δεδωκότων τοῖς

οἰκέταις πίστιν ταύτην παραβάς· οὕτω γὰρ ἡ τῶν θεῶν δεισιδαιμονία τοὺς ὁμόσαντας πρὸς τοὺς δούλους πιστοὺς ποιεῖ. ἔστι δὲ καὶ τὸ τέμενος ἐν πεδίῳ θεοπρεπεῖ κείμενον καὶ στοαῖς καὶ ταῖς ἄλλαις καταλύσεσιν ἱκανῶς κεκοσμημένον. περὶ μὲν οὖν τούτων ἱκανῶς ἡμῖν εἰρήσθω, πρὸς δὲ τὴν συνεχῇ τοῖς προϊστορημένοις διήγησιν ἐπάνειμεν. 90.

ὁ γὰρ Δουκέτιος τὴν Παλικὴν κτίσας καὶ περιλαβὼν αὐτὴν ἀξιολόγῳ τείχει, κατεκληρούχησε τὴν ὅμορον χώραν. συνέβη δὲ τὴν πόλιν ταύτην διὰ τὴν τῆς χώρας ἀρετὴν καὶ διὰ τὸ πλῆθος τῶν οἰκητόρων ταχεῖαν λαβεῖν αὐξήσιν. [2] οὐ πολὺν δὲ χρόνον εὐδαιμονήσασα κατεσκάφη, καὶ διέμεινεν ἀοίκητος μέχρι τῶν καθ' ἡμᾶς χρόνων· περὶ ὧν τὰ κατὰ μέρος ἀναγράψομεν ἐν τοῖς οἰκείοις χρόνοις. [3]

καὶ τὰ μὲν κατὰ τὴν Σικελίαν ἐν τούτοις ἦν. κατὰ δὲ τὴν Ἰταλίαν μετὰ τὴν κατασκαφὴν τῆς Συβάρεως ὑπὸ τῶν Κροτωνιατῶν ὕστερον ἔτεσιν ὀκτὼ πρὸς τοῖς πενήκοντα Θετταλὸς συναγαγὼν τοὺς ὑπολοίπους τῶν Συβαριτῶν ἐξ ἀρχῆς ὤκισε τὴν Σύβαριν, κειμένην ἀνὰ μέσον ποταμῶν δυοῖν, τοῦ τε Συβάριος καὶ Κράθιος. [4] ἀγαθὴν δ' ἔχοντες χώραν ταχὺ ταῖς οὐσίαις προσανέβησαν. κατασχόντες δὲ τὴν πόλιν ἔτη ὀλίγα πάλιν ἐξέπεσον ἐκ τῆς Συβάρεως· περὶ ὧν τὰ κατὰ μέρος ἀναγράψαι πειρασόμεθα κατὰ τὴν ἐχομένην βίβλον. 1 91.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀντιδότου Ῥωμαῖοι κατέστησαν ὑπάτους Λεύκιον Ποστούμιον καὶ Μάρκον Ὀράτιον. ἐπὶ δὲ τούτων Δουκέτιος μὲν ὁ τῶν Σικελῶν ἔχων τὴν ἡγεμονίαν Αἴτην μὲν κατελάβετο, τὸν ἡγούμενον αὐτῆς δολοφονήσας, εἰς δὲ τὴν Ἀκραγαντίνων χώραν ἀναζεύξας μετὰ δυνάμεως Μότιον φρουρούμενον ὑπὸ τῶν Ἀκραγαντίνων ἐπολιόρκησε· τῶν δὲ Ἀκραγαντίνων καὶ Συρακοσίων ἐπιβοθησάντων, συνάψας μάχην καὶ προτερήσας ἐξήλασεν ἀμφοτέρους ἐκ τῶν στρατοπέδων. [2] καὶ τότε μὲν τοῦ χειμῶνος ἐνισταμένου διεχωρίσθησαν εἰς τὴν οἰκίαν, οἱ δὲ Συρακόσιοι τὸν στρατηγὸν Βόλκωνα, τῆς ἥττης αἴτιον ὄντα καὶ δόξαντα λάθρα συμπράττειν τῷ Δουκετίῳ, καταδικάσαντες ὥς προδότην ἀπέκτειναν. τοῦ θέρους δὲ ἀρχομένου στρατηγὸν ἕτερον κατέστησαν, ὃ δὴ δυνάμιν ἀξιόλογον δόντες προσέταξαν καταπολεμῆσαι Δουκέτιον. [3] οὗτος δὲ πορευθεὶς μετὰ τῆς δυνάμεως κατέλαβε τὸν Δουκέτιον στρατοπεδεύοντα περὶ τὰς Νομάς· γενομένης δὲ παρατάξεως μεγάλης, καὶ πολλῶν παρ' ἀμφοτέροις πιπτόντων, μόγις Συρακόσιοι βιασάμενοι τοὺς Σικελοὺς ἐτρέψαντο, καὶ κατὰ τὴν φυγὴν πολλοὺς ἀνέϊλον. τῶν δὲ διαφυγόντων οἱ πλείους μὲν εἰς τὰ φρούρια τῶν Σικελῶν διεσώθησαν, ὀλίγοι δὲ μετὰ Δουκετίου τῶν αὐτῶν ἐλπίδων μετέχουν προεῖλοντο. [4] ἅμα δὲ τούτοις πραττομένοις Ἀκραγαντῖνοι τὸ Μότιον φρούριον κατεχόμενον ὑπὸ τῶν μετὰ Δουκετίου Σικελῶν ἐξεπολιόρκησαν, καὶ τὴν δυνάμιν ἀπαγαγόντες πρὸς τοὺς Συρακοσίους νενικηκότας ἤδη κοινῇ κατεστρατοπέδευσαν. Δουκέτιος δὲ διὰ τὴν ἥτταν τοῖς ὅλοις συντριβεῖς, καὶ τῶν στρατιωτῶν αὐτὸν τῶν μὲν καταλειπόντων, τῶν δ' ἐπιβουλευόντων, εἰς τὴν ἐσχάτην ἤλθεν ἀπόγνωσιν. 92.

τέλος δὲ θεωρῶν τοὺς ὑπολοίπους φίλους μέλλοντας αὐτῷ τὰς χεῖρας προσφέρειν, φθάσας αὐτοὺς καὶ νυκτὸς διαδρὰς ἀφίππευσεν εἰς τὰς

Συρακούσας. ἔτι δὲ νυκτὸς οὔσης παρήλθεν εἰς τὴν ἀγορὰν τῶν Συρακοσίων, καὶ καθίσας ἐπὶ τῶν βωμῶν ἰκέτης ἐγένετο τῆς πόλεως, καὶ ἑαυτὸν τε καὶ τὴν χώραν ἧς ἦν κύριος παρέδωκε τοῖς Συρακοσίοις. [2] τοῦ δὲ πλήθους διὰ τὸ παράδοξον συρρέοντος εἰς τὴν ἀγοράν, οἱ μὲν ἄρχοντες συνήγαγον ἐκκλησίαν καὶ προέθηκαν βουλὴν περὶ τοῦ Δουκέτιου τί χρὴ πράττειν. [3] ἔνιοι μὲν οὖν τῶν δημηγορεῖν εἰωθότων συνεβούλευον κολάζειν ὡς πολέμιον καὶ περὶ τῶν ἡμαρτημένων τὴν προσήκουσαν ἐπιθεῖναι τιμωρίαν: οἱ δὲ χαριέστατοι τῶν πρεσβυτέρων παριόντες ἀπεφαίνοντο σώζειν τὸν ἰκέτην, καὶ τὴν τύχην καὶ τὴν νέμεσιν τῶν θεῶν ἐντρέπεσθαι: δεῖν γὰρ σκοπεῖν οὐ τί παθεῖν ἄξιός ἐστι Δουκέτιος, ἀλλὰ τί πρέπει πράξαι Συρακοσίοις: ἀποκτείνει γὰρ τὸν πεπτωκότα τῇ τύχῃ μὴ προσήκον, σώζειν δ' ἅμα τὴν πρὸς τοὺς θεοὺς εὐσέβειαν καὶ τὸν ἰκέτην ἄξιον εἶναι τῆς τοῦ δήμου μεγαλοψυχίας. [4] ὁ δὲ δῆμος ὥσπερ τινὶ μιᾷ φωνῇ σώζειν πάντοθεν ἐβόα τὸν ἰκέτην. Συρακόσιοι μὲν οὖν ἀπολύσαντες τῆς τιμωρίας τὸν Δουκέτιον ἐξέπεμψαν εἰς τὴν Κόρινθον, καὶ ἐνταῦθα προστάξαντες καταβιοῦν τὴν ἱκανὴν αὐτῷ χορηγίαν συναπέστειλαν. [5]

ἡμεῖς δὲ παρόντες ἐπὶ τὸν προηγούμενον ἐνιαυτὸν τῆς Ἀθηναίων στρατείας ἐπὶ Κύπρον Κίμωνος ἡγουμένου, κατὰ τὴν ἐν ἀρχῇ πρόθεσιν αὐτοῦ περιγράφομεν τήνδε τὴν βίβλον.

BOOK XII

ζοντεντζ.

τάδε ἔνεστιν ἐν τῇ δωδεκάτῃ τῶν Διοδώρου βιβλίων.

περὶ τῆς Ἀθηναίων στρατείας ἐπὶ Κύπρον.

περὶ τῆς ἀποστάσεως τῶν Μεγαρέων ἀπὸ Ἀθηναίων.

περὶ τῆς γενομένης μάχης περὶ Κορώνειαν Ἀθηναίους καὶ Βοιωτοῖς.

περὶ τῆς Ἀθηναίων στρατείας ἐπὶ τὴν Εὐβοίαν.

πόλεμος κατὰ τὴν Σικελίαν Συρακοσίοις πρὸς Ἀκραγαντίους.

κτίσις κατὰ τὴν Ἰταλίαν Θουρίων καὶ στάσις πρὸς ἀλλήλους.

ὡς Χαρώνδας ὁ Θουρῖνος νομοθέτης αἵρεθεὶς πολλῶν ἀγαθῶν αἴτιος ἐγένετο τῇ πατρίδι.

ὡς Ζάλευκος νομοθετήσας ἐν Λοκροῖς μεγάλην δόξαν περιποιήσατο.

ὡς Ἀθηναῖοι τοὺς Ἑστιαεῖς ἐκβαλόντες ἰδίους οἰκήτορας ἐξέπεμψαν.

περὶ τοῦ γενομένου πολέμου Θουρίοις πρὸς Ταραντίνους.

περὶ τῆς γενομένης στάσεως ἐν τῇ Ῥώμῃ.

περὶ τοῦ γενομένου πολέμου Σαμίοις πρὸς Μιλησίους.

ὡς Συρακοσίοι στρατεύσαντες ἐπὶ Πικηνοὺς τὴν πόλιν κατέσκαψαν.

ὡς κατὰ τὴν Ἑλλάδα συνέστη πόλεμος ὁ κληθεὶς Κορινθιακός.

ὡς κατὰ τὴν Ἰταλίαν τὸ τῶν Καμπανῶν ἔθνος συνέστη.

ναυμαχία Κορινθίων πρὸς Κερκυραίους.

ἀπόστασις Ποτιδαίας καὶ Χαλκιδέων ἀπὸ Ἀθηναίων.

περὶ τῆς γενομένης στρατείας Ἀθηναίων ἐπὶ τοὺς Ποτιδαιάτας.

περὶ τῆς γενομένης στάσεως ἐν τοῖς Θουρίοις.

ὡς Μέτων ὁ Ἀθηναῖος πρῶτος ἐξέθηκε τὴν ἑννεακαίδεκαετηρίδα.

ὡς τὴν ἐν Ἰταλίᾳ Ἡράκλειαν Ταραντῖνοι ἔκτισαν.

ὡς ἐπὶ τῆς Ῥώμης Σπόριος Μαῖλιος ἐπιθέμενος τυραννίδι ἀνηρέθη.

περὶ τοῦ Πελοποννησιακοῦ κληθέντος πολέμου.

περὶ τῆς γενομένης μάχης Βοιωτοῖς πρὸς Πλαταιεῖς.

ὡς τῆς Μεθώνης πολιορκουμένης ὑπὸ Ἀθηναίων Βρασίδας ὁ Σπαρτιάτης ἀριστεύσας ἐδοξάσθη.

ὡς Ἀθηναῖοι στρατεύσαντες ἐπὶ Λοκροὺς πόλιν Θρόνιον ἐξεπόρθησαν.

ὡς Αἰγινῆται ὑπὸ Ἀθηναίων ἀνασταθέντες τὰς καλουμένας Θυρέας κατώκησαν.

ὡς Λακεδαιμόνιοι στρατεύσαντες εἰς τὴν Ἀττικὴν τὰς κτήσεις κατέφθειραν.

στρατεία Ἀθηναίων δευτέρα ἐπὶ τοὺς Ποτιδαιάτας.

στρατεία Λακεδαιμονίων εἰς Ἀκαρνανίαν καὶ ναυμαχία πρὸς Ἀθηναίους.

στρατεία Σιτάλκου μὲν εἰς Μακεδονίαν, Λακεδαιμονίων δὲ εἰς τὴν Ἀττικὴν.

περὶ τῆς Λεοντίνων πρεσβείας εἰς τὰς Ἀθήνας καὶ τῆς Γοργίου τοῦ πρεσβεύσαντος δεινότητος ἐν τοῖς λόγοις.

περὶ τοῦ γενομένου πολέμου Λεοντίνους πρὸς Συρακουσίους.

ἀπόστασις Λεσβίων ἀπὸ Ἀθηναίων καὶ Πλαταιῶν ἄλωσις καὶ κατασκαφὴ
ὑπὸ Λακεδαιμονίων.

στάσις Κερκυραίων πρὸς ἀλλήλους.

ὡς Ἀθηναῖοι λοιμικῇ νόσῳ περιπεσόντες πολλοὺς ἀπέβαλον τῶν πολιτῶν.

ὡς Λακεδαιμόνιοι Ἡράκλειαν ἐν τῇ Τραχίνι πόλιν ἔκτισαν.

ὡς Ἀθηναῖοι πολλοὺς τῶν Ἀμβρακιωτῶν ἀνελόντες ἠρήμωσαν τὴν πόλιν.

περὶ τῶν Λακεδαιμονίων τῶν ἐν τῇ Σφακτηρίᾳ νήσῳ αἰχμαλώτων
γενομένων.

περὶ τῆς Ποστουμίου εἰς τὸν υἱὸν γενομένης ἐπιτιμήσεως ἔνεκα τῆς
λειποταξίας.

περὶ τοῦ γενομένου πολέμου Λακεδαιμονίοις καὶ Ἀθηναίοις ὑπὲρ τῶν
Μεγαρέων.

πόλεμος Λακεδαιμονίοις καὶ Ἀθηναίοις ὑπὲρ Χαλκιδέων.

μάχη κατὰ τὴν Βοιωτίαν Ἀθηναίοις πρὸς Βοιωτοῦς.

στρατεία Ἀθηναίων πρὸς τοὺς ἐν τῇ Λέσβῳ φυγάδας.

ἐκπτώσις Δηλίων ὑπὸ Ἀθηναίων.

ἄλωσις Τωρόνης καὶ κατασκαφὴ ὑπὸ Ἀθηναίων.

ὡς Ἀθηναίων καὶ Λακεδαιμονίων ἰδίᾳ συνθεμένων συμμαχίαν
ἀπηλλοτριώθησαν αἱ λοιπαὶ πόλεις ἀπ' αὐτῶν.

ὡς Δῆλιοι κατήχθησαν ὑπὸ Ἀθηναίων εἰς τὴν πατρίδα.

ὡς Λακεδαιμόνιοι πρὸς Μαντινεῖς καὶ Ἀργεῖους ἐπολέμησαν.

βυζαντίων καὶ Καλχηδονίων στρατεία εἰς τὴν Βιθυνίαν.

περὶ τῶν αἰτιῶν δι' ἃς ἐπὶ Συρακούσας ἐστράτευσαν Ἀθηναῖοι.

1.

δικαίως ἂν τις ἀπορήσειε τὸν νοῦν ἐπιστήσας τῇ κατὰ τὸν ἀνθρώπινον βίον
ἀνωμαλίᾳ: οὔτε γὰρ τῶν νομιζομένων ἀγαθῶν οὐδὲν ὀλόκληρον εὐρίσκεται
δεδομένον τοῖς ἀνθρώποις οὔτε τῶν κακῶν αὐτοτελεὲς ἄνευ τινὸς εὐχρηστίας.
τούτου δὲ τὰς ἀποδείξεις ἐξέσται λαμβάνειν ἐπιστήσαντας τὴν διάνοιαν ταῖς
προγεγενημέναις πράξεσι, καὶ μάλιστα ταῖς μεγίσταις. [2] ἡ γὰρ Ξέρξου τοῦ
Περσῶν βασιλέως ἐπὶ τὴν Ἑλλάδα στρατεία διὰ τὸ μέγεθος τῶν δυνάμεων τὸν
μέγιστον ἐπέστησε φόβον τοῖς Ἕλλησιν, ὡς ἂν ὑπὲρ ἀνδραποδισμοῦ
μελλόντων πολεμεῖν, καὶ προκαταδεδουλωμένων τῶν κατὰ τὴν Ἀσίαν
Ἑλληνίδων πόλεων πάντες ὑπέλαβον καὶ τὰς κατὰ τὴν Ἑλλάδα τῆς ὁμοίας
τύχης πειράσσεσθαι. [3] τοῦ δὲ πολέμου παρὰ τὴν προσδοκίαν τὸ τέλος
λαβόντος παράδοξον, οὐ μόνον τῶν κινδύνων ἀπελύθησαν οἱ τὴν Ἑλλάδα
κατοικοῦντες, ἀλλὰ καὶ δόξαν μεγάλην κατεκτήσαντο, καὶ τοσαύτης εὐπορίας
ἐπληρώθη πᾶσα πόλις Ἑλληνίς, ὥστε πάντας θαυμάσαι τὴν εἰς τοῦναντίον
μεταβολήν. [4] ἀπὸ τούτων γὰρ τῶν χρόνων ἐπὶ ἔτη πεντήκοντα πολλὴν
ἐπίδοσιν ἔλαβεν ἡ Ἑλλὰς πρὸς τὴν εὐδαιμονίαν. ἐν τούτοις γὰρ τοῖς χρόνοις
αἱ τε τέχναι διὰ τὴν εὐπορίαν ηὔξηθησαν, καὶ τότε μέγιστοι μνημονεύονται
τεχνῖται γεγονέναι, ὧν ἐστὶ Φειδίας ὁ ἀγαλματοποιός: ὁμοίως δὲ καὶ τὰ κατὰ
τὴν παιδείαν ἐπὶ πολὺν προέβη, καὶ φιλοσοφία προετιμήθη καὶ ῥητορικὴ παρὰ
πᾶσι μὲν Ἕλλησι, μάλιστα δὲ Ἀθηναίοις. [5] φιλόσοφοι μὲν γὰρ οἱ περὶ τὸν
Σωκράτη καὶ Πλάτωνα καὶ Ἀριστοτέλην, ῥήτορες δὲ Περικλῆς καὶ Ἰσοκράτης

καὶ οἱ τούτου μαθηταί: ὁμοίως δὲ καὶ ἄνδρες ἐπὶ στρατηγία διαβεβοημένοι, Μιλτιάδης, Θεμιστοκλῆς, Ἀριστείδης, Κίμων, Μυρωνίδης καὶ ἕτεροι πλείονες, περὶ ὧν μακρὸν ἂν εἴη γράφειν. 2. μάλιστα δὲ Ἀθηναῖοι τῇ τε δόξῃ καὶ ἀνδρείᾳ προκόψαντες διωνομάσθησαν καθ' ὅλην σχεδὸν τὴν οἰκουμένην: ἐπὶ τοσοῦτο γὰρ τὴν ἡγεμονίαν ἠῤῥησαν, ὥστε ἄνευ Λακεδαιμονίων καὶ Πελοποννησίων ἰδίᾳ μεγάλας δυνάμεις Περσικὰς καὶ κατὰ γῆν καὶ κατὰ θάλατταν κατηγωνίσαντο, καὶ τὴν περιβόητον Περσῶν ἡγεμονίαν ἐπὶ τοσοῦτον ἐταπείνωσαν, ὥστε ἀναγκάσαι πάσας τὰς κατὰ τὴν Ἀσίαν πόλεις ἐλευθερῶσαι κατὰ συνθήκας. [2] ἀλλὰ περὶ μὲν τούτων ἀκριβέστερον τὰ κατὰ μέρος ἀνεγράψαμεν ἐν δυσὶ βίβλοις, ταύτῃ τε καὶ τῇ πρὸ ταύτης: νυνὶ δὲ ἐπὶ τὰς προκειμένας πράξεις τρεψόμεθα, προδιορίσαντες τοὺς οἰκείους τῇ γραφῇ χρόνους. [3] ἐν μὲν οὖν τῇ πρὸ ταύτης βίβλῳ τὴν ἀρχὴν ἀπὸ τῆς Ξέρξου στρατείας ποιησάμενοι διήλθομεν τὰς κοινὰς πράξεις ἐπὶ τὸν προηγούμενον ἑνιαυτὸν τῆς Ἀθηναίων στρατείας ἐπὶ Κύπρον Κίμωνος ἡγουμένου: ἐν ταύτῃ δὲ ἀπὸ τῆς Ἀθηναίων στρατείας ἐπὶ Κύπρον ποιησάμενοι διέξιμεν ἕως ἐπὶ τὸν ψηφισθέντα πόλεμον ὑπὸ Ἀθηναίων πρὸς Συρακοσίους. 3.

ἐπ' ἄρχοντος γὰρ Ἀθήνησιν Εὐθυδήμου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Λεύκιον Κοῖντιον Κικιννᾶτον καὶ Μάρκον Φάβιον Οὐβουλανόν. ἐπὶ δὲ τούτων Ἀθηναῖοι διαπεπολεμηκότες ὑπὲρ Αἰγυπτίων πρὸς Πέρσας, καὶ τὰς ναῦς ἀπάσας ἀπολωλεκότες ἐν τῇ λεγομένῃ Προσωπίτιδι νήσῳ, βραχὺν χρόνον διαλιπόντες ἔγνωσαν πάλιν πολεμεῖν τοῖς Πέρσαις ὑπὲρ τῶν κατὰ τὴν Ἀσίαν Ἑλλήνων. καταρτίσαντες δὲ στόλον τριήρων διακοσίων, καὶ στρατηγὸν ἐλόμενοι Κίμωνα τὸν Μιλτιάδου, προσέταξαν πλεῖν ἐπὶ Κύπρον καὶ διαπολεμεῖν τοῖς Πέρσαις. [2] ὁ δὲ Κίμων ἀναλαβὼν τὸν στόλον κεκοσμημένον ἀνδρῶν τε ἀρεταῖς καὶ χορηγίαις δαψιλέσιν ἔπλευσεν εἰς τὴν Κύπρον. κατ' ἐκείνους δὲ τοὺς καιροὺς τῶν Περσικῶν δυνάμεων ἐστρατήγουν Ἀρτάβαζος καὶ Μεγάβυζος. Ἀρτάβαζος μὲν τὴν ἡγεμονίαν ἔχων ἐν τῇ Κύπρῳ διέτριβεν, ἔχων τριήρεις τριακοσίας, Μεγάβυζος δὲ περὶ τὴν Κιλικίαν ἐστρατοπέδευε, πεζὰς ἔχων δυνάμεις, ὧν ὁ ἀριθμὸς ἦν τριάκοντα μυριάδων. [3] ὁ δὲ Κίμων καταπλεύσας εἰς τὴν Κύπρον καὶ θαλαττοκρατῶν Κίτιον μὲν καὶ Μάριον ἐξεπολιόρησε, καὶ τοῖς κρατηθεῖσι φιλανθρώπως προσηνέχθη. μετὰ δὲ ταῦτα ἐκ Κιλικίας καὶ Φοινίκης προσφερομένων τριήρων τῇ νήσῳ, Κίμων ἐπαναχθεὶς καὶ πόλεμον συγκρούσας πολλὰς μὲν τῶν νεῶν κατέδυσεν, ἑκατὸν δὲ σὺν αὐτοῖς τοῖς ἀνδράσιν εἴλε, τὰς δὲ λοιπὰς μέχρι τῆς Φοινίκης κατεδίωξεν. [4] οἱ μὲν οὖν Πέρσαι ταῖς ὑπολειφθεῖσαις ναυσὶ κατέφυγον εἰς τὴν γῆν, καθ' ὃν τόπον ἦν Μεγάβυζος ἐστρατοπεδευκῶς μετὰ τῆς πεζῆς δυνάμεως: οἱ δὲ Ἀθηναῖοι προσπλεύσαντες καὶ τοὺς στρατιώτας ἐκβιβάσαντες συνῆψαν μάχην, καθ' ἣν Ἀναξικράτης μὲν ὁ ἕτερος τῶν στρατηγῶν λαμπρῶς ἀγωνισάμενος ἥρωικῶς κατέστρεψε τὸν βίον, οἱ δὲ ἄλλοι κρατήσαντες τῇ μάχῃ καὶ πολλοὺς ἀνελόντες ἐπανῆλθον εἰς τὰς ναῦς. μετὰ δὲ ταῦτα Ἀθηναῖοι πάλιν ἀπέπλευσαν εἰς τὴν Κύπρον. ταῦτα μὲν οὖν ἐπράχθη κατὰ τὸ πρῶτον ἔτος τοῦ πολέμου. 4.

ἐπ' ἄρχοντος δ' Ἀθήνησι Πεδιέως Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Μάρκον Οὐαλέριον Λακτοῦκαν καὶ Σπόριον Οὐεργίνιον Τρίκοστον. ἐπὶ δὲ

τούτων Κίμων ὁ τῶν Ἀθηναίων στρατηγὸς θαλαττοκρατῶν ἐχειροῦτο τὰς κατὰ τὴν Κύπρον πόλεις. ἐν δὲ τῇ Σαλαμῖνι Περσικῆς φρουρᾶς οὔσης ἀξιολόγου, καὶ βελῶν καὶ ὄπλων παντοδαπῶν, ἔτι δὲ σίτου καὶ τῆς ἄλλης παρασκευῆς γεμούσης τῆς πόλεως, ἔκρινε συμφέρειν ταύτην ἐκπολιορκῆσαι. [2] οὕτω γὰρ ὑπελάμβανε μάλιστα τῆς τε Κύπρου πάσης ῥαδίως κυριεύσειν καὶ τοὺς Πέρσας καταπλήξεσθαι, βοηθεῖν μὲν τοῖς Σαλαμινίοις μὴ δυναμένους διὰ τὸ θαλαττοκρατεῖν τοὺς Ἀθηναίους, ἐγκαταλιπόντας δὲ τοὺς συμμάχους καταφρονηθῆσεσθαι, καθόλου δὲ τὸν ὅλον πόλεμον κριθῆσεσθαι τῆς Κύπρου πάσης βίᾳ χειρωθείσης: ὅπερ καὶ συνέβη γενέσθαι. [3] οἱ μὲν γὰρ Ἀθηναῖοι συστησάμενοι πολιορκίαν πρὸς τῇ Σαλαμῖνι καθ' ἡμέραν προσβολὰς ἐποιοῦντο, οἱ δ' ἐν τῇ πόλει στρατιῶται, ἔχοντες βέλη καὶ παρασκευήν, ῥαδίως ἀπὸ τῶν τειχῶν ἡμύνοντο τοὺς πολιορκοῦντας. [4] Ἀρταξέρξης δὲ ὁ βασιλεὺς πυθόμενος τὰ περὶ τὴν Κύπρον ἐλαττώματα, καὶ βουλευσάμενος μετὰ τῶν φίλων περὶ τοῦ πολέμου, ἔκρινε συμφέρειν εἰρήνην συνθέσθαι πρὸς τοὺς Ἕλληνας. ἔγραψε τοίνυν τοῖς περὶ Κύπρον ἡγεμόσι καὶ σατράπαις, ἐφ' οἷς ἂν δύνωνται συλλύσασθαι πρὸς τοὺς Ἕλληνας. [5] διόπερ οἱ περὶ τὸν Ἀρτάβαζον καὶ Μεγάβυζον ἔπεμψαν εἰς τὰς Ἀθήνας πρεσβευτὰς τοὺς διαλεξομένους περὶ συλλύσεως. ὑπακουσάντων δὲ τῶν Ἀθηναίων καὶ πεμψάντων πρέσβεις αὐτοκράτορας, ὧν ἡγεῖτο Καλλίας ὁ Ἰππονίκου, ἐγένοντο συνθήκαι περὶ τῆς εἰρήνης τοῖς Ἀθηναίοις καὶ τοῖς συμμάχοις πρὸς τοὺς Πέρσας, ὧν ἐστὶ τὰ κεφάλαια ταῦτα: αὐτονόμους εἶναι τὰς κατὰ τὴν Ἀσίαν Ἑλληνίδας πόλεις ἀπάσας, τοὺς δὲ τῶν Περσῶν σατράπας μὴ καταβαίνειν ἐπὶ θάλατταν κατωτέρω τριῶν ἡμερῶν ὁδόν, μηδὲ ναὺν μακρὰν πλεῖν ἐντὸς Φασήλιδος καὶ Κυανέων: ταῦτα δὲ τοῦ βασιλέως καὶ τῶν στρατηγῶν ἐπιτελοῦντων, μὴ στρατεύειν Ἀθηναίους εἰς τὴν χώραν, ἧς βασιλεὺς ἄρχει. [6] συντελεσθεισῶν δὲ τῶν σπονδῶν Ἀθηναῖοι τὰς δυνάμεις ἀπήγαγον ἐκ τῆς Κύπρου, λαμπρὰν μὲν νίκην νενικηκότες, ἐπιφανεστάτας δὲ συνθήκας πεποιημένοι. συνέβη δὲ καὶ τὸν Κίμωνα περὶ τὴν Κύπρον διατρίβοντα νόσω τελευτῆσαι. 5.

ἐπ' ἄρχοντος δὲ Ἀθήνησι Φιλίσκου Ῥωμαῖοι κατέστησαν ὑπάτους Τίτον Ῥωμίλιον Οὐατικανὸν καὶ Γάιον Οὐετούριον Κιχώριον, ἧλεῖοι δὲ ἤγαγον Ὀλυμπιάδα τρίτην πρὸς ταῖς ὀγδοήκοντα, καθ' ἣν ἐνίκα στάδιον Κρίσων Ἰμεραῖος. [2] ἐπὶ δὲ τούτων Μεγαρεῖς μὲν ἀπέστησαν ἀπὸ Ἀθηναίων, καὶ πρὸς Λακεδαιμονίους διαπρεσβευσάμενοι συμμαχίαν ἐποίησαν: οἱ δὲ Ἀθηναῖοι παροξυνθέντες ἐξέπεμψαν στρατιώτας εἰς τὴν τῶν Μεγαρέων χώραν, καὶ τὰς κτήσεις διαρπάσαντες πολλῆς ὠφελείας κύριοι κατέστησαν. τῶν δ' ἐκ τῆς πόλεως βοηθούντων τῇ χώρᾳ συνέστη μάχη, καθ' ἣν οἱ Ἀθηναῖοι νικῆσαντες συνεδίωξαν τοὺς Μεγαρεῖς ἐντὸς τῶν τειχῶν. 6.

ἐπ' ἄρχοντος δ' Ἀθήνησι Τιμαρχίδου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Σπόριον Ταρπίιον καὶ Αὔλον Ἀστέριον Φοντίνιον. ἐπὶ δὲ τούτων Λακεδαιμόνιοι μὲν εἰς τὴν Ἀττικὴν ἐμβαλόντες ἐπόρθησαν πολλὴν χώραν, καὶ τῶν φρουρίων τινὰ πολιορκήσαντες ἐπανῆλθον εἰς τὴν Πελοπόννησον, Τολμίδης δὲ ὁ τῶν Ἀθηναίων στρατηγὸς εἴλε Χαιρώνειαν. [2] τῶν δὲ Βοιωτῶν συστραφέντων καὶ τοῖς περὶ τὸν Τολμίδην ἐνεδρευσάντων, ἐγένετο μάχη

καρτερά περί την Κορώνειαν, καθ' ἣν Τολμίδης μὲν μαχόμενος ἀνῆρέθη, τῶν δὲ ἄλλων Ἀθηναίων οἱ μὲν κατεκόπησαν, οἱ δὲ ζῶντες ἐλήφθησαν. τηλικαύτης δὲ συμφορᾶς γενομένης τοῖς Ἀθηναίοις, ἠναγκάσθησαν ἀφεῖναι τὰς πόλεις ἀπάσας τὰς κατὰ τὴν Βοιωτίαν αὐτονόμους, ἵνα τοὺς αἰχμαλώτους ἀπολάβωσιν. 7.

ἐπ' ἄρχοντος δ' Ἀθήνησι Καλλιμάχου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Σέξτον Κοῖντιον ... Τριγέμινον. ἐπὶ δὲ τούτων κατὰ τὴν Ἑλλάδα τεταπεινωμένων τῶν Ἀθηναίων διὰ τὴν ἐν Βοιωτία περὶ Κορώνειαν ἦτταν, ἀφίσταντο πολλαὶ τῶν πόλεων ἀπὸ τῶν Ἀθηναίων. μάλιστα δὲ τῶν κατοικούντων τὴν Εὐβοίαν νεωτερίζοντων, Περικλῆς αἰρεθεὶς στρατηγὸς ἐστράτευσεν ἐπὶ τὴν Εὐβοίαν μετὰ δυνάμεως ἀξιολόγου, καὶ τὴν μὲν πόλιν τῶν Ἑστιάων ἐλὼν κατὰ κράτος ἐξώκισε τοὺς Ἑστιαεῖς ἐκ τῆς πατρίδος, τὰς δ' ἄλλας καταπληξάμενος ἠνάγκασε πάλιν πειθαρχεῖν Ἀθηναίοις. σπονδὰς δ' ἐποίησαν τριακονταετεῖς, Καλλίου καὶ Χάρητος συνθεμένων καὶ τὴν εἰρήνην βεβαιωσάντων. 8.

κατὰ δὲ τὴν Σικελίαν Συρακοσίοις πρὸς Ἀκραγαντίνους συνέστη πόλεμος διὰ τοιαύτας αἰτίας. Συρακόσιοι καταπολεμήσαντες Δουκέτιον δυνάστην τῶν Σικελῶν, καὶ γενόμενον ἰκέτην ἀπολύσαντες τῶν ἐγκλημάτων, ἀπέδειξαν αὐτῷ τὴν τῶν Κορινθίων πόλιν οἰκητήριον. [2] οὗτος δὲ ὀλίγον χρόνον μείνας ἐν τῇ Κορίνθῳ τὰς ὁμολογίας ἔλυσε, καὶ προσποιησάμενος χρησμὸν ὑπὸ θεῶν αὐτῷ δεδόσθαι κτίσαι τὴν Καλὴν Ἀκτὴν ἐν τῇ Σικελίᾳ, κατέπλευσεν εἰς τὴν νῆσον μετὰ τινων οἰκητόρων: συνεπελάβοντο δὲ καὶ τῶν Σικελῶν τινες, ἐν οἷς ἦν καὶ Ἀρχωνίδης ὁ τῶν Ἑρβιταίων δυναστεύων. οὗτος μὲν οὖν περὶ τὸν οἰκισμὸν τῆς Καλῆς Ἀκτῆς ἐγίνετο. [3] Ἀκραγαντῖνοι δὲ ἅμα μὲν φθονοῦντες τοῖς Συρακοσίοις, ἅμα δ' ἐγκαλοῦντες αὐτοῖς ὅτι Δουκέτιον ὄντα κοινὸν πολέμιον διέσωσαν ἄνευ τῆς Ἀκραγαντίνων γνώμης, πόλεμον ἐξήνεγκαν τοῖς Συρακοσίοις. [4] σχιζομένων δὲ τῶν Σικελικῶν πόλεων, καὶ τῶν μὲν τοῖς Ἀκραγαντίνοις, τῶν δὲ τοῖς Συρακοσίοις συστρατευόντων, ἡθροίσθησαν παρ' ἀμφοτέροις δυνάμεις ἀξιόλογοι. φιλοτιμίας δὲ μεγάλης γενομένης ταῖς πόλεσιν, ἀντεστρατοπέδευσαν ἀλλήλοις περὶ τὸν Ἰμέραν ποταμόν, καὶ γενομένης παρατάξεως ἐνίκησαν οἱ Συρακόσιοι, καὶ τῶν Ἀκραγαντίνων ἀνείλον ὑπὲρ τοὺς χιλίους. μετὰ δὲ τὴν μάχην διαπρεσβευσαμένων περὶ συνθέσεως τῶν Ἀκραγαντίνων, οἱ Συρακόσιοι συνέθεντο τὴν εἰρήνην. 9.

καὶ τὰ μὲν κατὰ τὴν Σικελίαν ἐν τούτοις ἦν. κατὰ δὲ τὴν Ἰταλίαν συνέβη κτισθῆναι τὴν τῶν Θουρίων πόλιν δι' αἰτίας τοιαύτας. ἐν τοῖς ἔμπροσθεν χρόνοις Ἑλλήνων κτισάντων κατὰ τὴν Ἰταλίαν πόλιν Σύβαριν, συνέβη ταύτην λαβεῖν ταχεῖαν αὐξησιν διὰ τὴν ἀρετὴν τῆς χώρας. [2] κειμένης γὰρ ἀνὰ μέσον δυεῖν ποταμῶν, τοῦ τε Κράθιος καὶ τοῦ Συβάριος, ἀφ' οὗ ταύτης ἔτυχε τῆς προσηγορίας, οἱ κατοικισθέντες νεμόμενοι πολλὴν καὶ καρποφόρον χώραν μεγάλους ἐκτήσαντο πλούτους. πολλοῖς δὲ μεταδιδόντες τῆς πολιτείας ἐπὶ τοσοῦτο προέβησαν, ὥστε δόξαι πολὺ πρόεχειν τῶν κατὰ τὴν Ἰταλίαν οἰκούντων, πολυανθρωπία τε τοσοῦτο διήνεγκαν, ὥστε τὴν πόλιν ἔχειν πολιτῶν τριάκοντα μυριάδας. γενόμενος δὲ παρ' αὐτοῖς δημαγωγὸς Τῆλυσ, καὶ κατηγορῶν τῶν μεγίστων ἀνδρῶν, ἔπεισε τοὺς Συβαρίτας φυγαδεῦσαι

τοὺς εὐπορωτάτους τῶν πολιτῶν πεντακοσίους καὶ τὰς οὐσίας αὐτῶν
δημεῦσαι. [3] τῶν δὲ φυγάδων παρελθόντων εἰς Κρότωνα καὶ καταφυγόντων
ἐπὶ τοὺς εἰς τὴν ἀγορὰν βωμούς, ὁ μὲν Τῆλυς ἐξέπεμψε πρεσβευτὰς πρὸς τοὺς
Κροτωνιάτας, οἷς ἦν προστεταγμένον ἢ τοὺς φυγάδας ἐκδοῦναι ἢ πόλεμον
προσδέχεσθαι. [4] συναχθείσης δὲ ἐκκλησίας καὶ προτεθείσης βουλῆς, πότερον
χρὴ τοὺς ἰκέτας ἐκδοῦναι τοῖς Συβαρίταις ἢ πόλεμον ὑπομεῖναι πρὸς
δυνατωτέρους, ἀπορουμένης τε τῆς συγκλήτου καὶ τοῦ δήμου, τὸ μὲν πρῶτον
ἔρρεπε ταῖς γνώμαις τὸ πλῆθος πρὸς τὴν ἀπόδοσιν τῶν ἰκετῶν διὰ τὸν
πόλεμον: μετὰ δὲ ταῦτα Πυθαγόρου τοῦ φιλοσόφου συμβουλευσάντος σώζειν
τοὺς ἰκέτας, μετέπεσον ταῖς γνώμαις καὶ τὸν πόλεμον ὑπὲρ τῆς τῶν ἰκετῶν
σωτηρίας ἀνείλοντο. [5] στρατευσάντων δ' ἐπ' αὐτοὺς τῶν Συβαριτῶν
τριάκοντα μυριάσιν ἀντετάχθησαν οἱ Κροτωνιάται δέκα μυριάσι, Μίλωνος
τοῦ ἀθλητοῦ ἡγουμένου καὶ διὰ τὴν ὑπερβολὴν τῆς τοῦ σώματος ῥώμης
πρώτου τρεψαμένου τοὺς καθ' αὐτὸν τεταγμένους. [6] ὁ γὰρ ἀνὴρ οὗτος,
ἐξάκις Ὀλύμπια νενικηκὼς καὶ τὴν ἀλκὴν ἀκόλουθον ἔχων τῇ κατὰ τὸ σῶμα
φύσει, λέγεται πρὸς τὴν μάχην ἀπαντῆσαι κατεστεφανωμένος μὲν τοῖς
Ὀλυμπικοῖς στεφάνοις, διεσκευασμένος δὲ εἰς Ἡρακλέους σκευὴν λεοντῇ καὶ
ρόπαλῳ: αἴτιον δὲ γενόμενον τῆς νίκης θαυμασθῆναι παρὰ τοῖς πολίταις. 10.
τῶν δὲ Κροτωνιατῶν διὰ τὴν ὀργὴν ζωγρεῖν μὲν μηδένα βουληθέντων, πάντας
δὲ κατὰ τὴν φυγὴν τοὺς ὑποπεσόντας ἀποκτείνοντων, οἱ πλείους
κατεκόπησαν: τὴν δὲ πόλιν διήρπασαν καὶ παντελῶς ἔρημον ἐποίησαν. [2]
ὕστερον δὲ ἔτεσιν ὀκτὼ πρὸς τοῖς πεντήκοντα Θετταλοὶ συνώκισαν, καὶ μετ'
ὀλίγον ὑπὸ Κροτωνιατῶν ἐξέπεσον κατὰ τοὺς ὑποκειμένους καιροὺς. [3] καὶ
μετὰ βραχὺ μετασταθεῖσα εἰς ἕτερον τόπον προσηγορίας ἐτέρας ἔτυχε,
κτιστῶν γενομένων Λάμπωνος καὶ Ξενοκρίτου τοῦτον τὸν τρόπον. οἱ γὰρ τὸ
δεύτερον ἐκπεσόντες ἐκ τῆς πατρίδος Συβαρίταις πρέσβεις ἔπεμψαν εἰς τὴν
Ἑλλάδα πρὸς Λακεδαιμονίους καὶ Ἀθηναίους, ἀξιοῦντες συνεπιλαβέσθαι τῆς
καθόδου καὶ κοινωνῆσαι τῆς ἀποικίας. [4] Λακεδαιμόνιοι μὲν οὖν οὐ
προσέσχον αὐτοῖς, Ἀθηναῖοι δὲ συμπράξιν ἐπαγγελλάμενοι, δέκα ναῦς
πληρώσαντες ἀπέστειλαν τοῖς Συβαρίταις, ὧν ἡγεῖτο Λάμπων τε καὶ
Ξενοκρίτος: ἐκήρυξαν δὲ κατὰ τὰς ἐν Πελοποννήσῳ πόλεις κοινοποιούμενοι
τὴν ἀποικίαν τῷ βουλομένῳ μετέχειν τῆς ἀποικίας. [5] ὑπακουσάντων δὲ
πολλῶν καὶ λαβόντων χρησμὸν παρὰ τοῦ Ἀπόλλωνος, ὅτι δεῖ κτίσαι πόλιν
αὐτοὺς ἐν τούτῳ τῷ τόπῳ, ὅπου μέλλουσιν οἰκεῖν” μέτρῳ ὕδωρ πίνοντες,
ἀμετρὶ δὲ μᾶζαν ἔδοντες,

“κατέπλευσαν εἰς τὴν Ἰταλίαν, καὶ καταντήσαντες εἰς τὴν Σύβαριν ἐζήτουν
τὸν τόπον, ὃν ὁ θεὸς ἦν προστεταχὼς κατοικεῖν. [6] εὐρόντες δὲ οὐκ ἄπωθεν
τῆς Συβάρεως κρήνην ὀνομαζομένην Θουρίαν, ἔχουσαν αὐλὸν χάλκεον, ὃν
ἐκάλουν οἱ ἐγχώριοι μέδιμνον, νομίσαντες εἶναι τοῦτον τὸν τόπον τὸν
δηλούμενον ὑπὸ τοῦ θεοῦ περιέβαλον τεῖχος, καὶ κτίσαντες πόλιν ὠνόμασαν
ἀπὸ τῆς κρήνης Θούριον. [7] τὴν δὲ πόλιν διελόμενοι κατὰ μὲν μῆκος εἰς
τέτταρας πλατείας, ὧν καλοῦσι τὴν μὲν μίαν Ἡράκλειαν, τὴν δὲ Ἀφροdisίαν,
τὴν δὲ Ὀλυμπιάδα, τὴν δὲ Διονυσιάδα, κατὰ δὲ τὸ πλάτος διεῖλον εἰς τρεῖς
πλατείας, ὧν ἡ μὲν ὠνομάσθη Ἡρῶα, ἡ δὲ Θουρία, ἡ δὲ Θουρίνα. τούτων δὲ

τῶν στενωπῶν πεπληρωμένων ταῖς οἰκίαις ἢ πόλιν ἐφαίνετο καλῶς κατεσκευάσθαι. 11. ὀλίγον δὲ χρόνον ὁμονοήσαντες οἱ Θούριοι στάσει μεγάλη περιέπεσον οὐκ ἀλόγως, οἱ γὰρ προϋπάρχοντες Συβαρίται τὰς μὲν ἀξιολογωτάτας ἀρχὰς ἑαυτοῖς προσένεμον, τὰς δ' εὐτελεῖς τοῖς ὕστερον προσγεγραμμένοις πολίταις· καὶ τὰς γυναῖκας ἐπιθύειν τοῖς θεοῖς ᾤοντο δεῖν πρῶτας μὲν τὰς πολίτιδας, ὑτέρας δὲ τὰς μεταγενεστέρας· πρὸς δὲ τούτοις τὴν μὲν σύνεγγυς τῇ πόλει χώραν κατεκληρούχουν ἑαυτοῖς, τὴν δὲ πόρρω κειμένην τοῖς ἐπὶ λυσι. [2] γενομένης δὲ διαφορᾶς διὰ τὰς εἰρημένας αἰτίας, οἱ προσγραφέντες ὕστερον πολῖται πλείους καὶ κρείττονες ὄντες ἀπέκτειναν σχεδὸν ἅπαντας τοὺς προϋπάρχοντας Συβαρίτας, καὶ τὴν πόλιν αὐτοὶ κατώκησαν. πολλῆς δὲ οὔσης καὶ καλῆς χώρας, οἰκήτορας ἐκ τῆς Ἑλλάδος μεταπεμψάμενοι συγχούς, διενείμαντο τὴν πόλιν καὶ τὴν χώραν ἐπ' ἴσης ἔνεμον. [3] οἱ δὲ διαμένοντες ταχὺ πλούτους μεγάλους ἐκτήσαντο, καὶ πρὸς τοὺς Κροτωνιάτας φιλίαν συνθέμενοι καλῶς ἐπολιτεύοντο. συστησάμενοι δὲ πολίτευμα δημοκρατικὸν διεῖλον τοὺς πολίτας εἰς δέκα φυλάς, καὶ τὰς προσηγορίας ἀπάσαις περιέθηκαν ἐκ τῶν ἐθνῶν, τρεῖς μὲν ἀπὸ τῶν ἐκ Πελοποννήσου συναχθέντων ὀνομάσαντες Ἀρκάδα καὶ Ἀχαΐδα καὶ Ἥλειαν, τὰς ἴσας δὲ ἀπὸ τῶν ἐξωθεν ὁμοεθνῶν, Βοιωτίαν, Ἀμφικτυονίδα, Δωρίδα, τὰς δὲ λοιπὰς τέτταρας ἀπὸ τῶν ἄλλων γενῶν, Ἰάδα, Ἀθηναΐδα, Εὐβοΐδα, Νησιώτιν. εἵλοντο δὲ καὶ νομοθέτην τὸν ἄριστον τῶν ἐν παιδείᾳ θαυμαζομένων πολιτῶν Χαράνδαν. [4] οὗτος δὲ ἐπισκεψάμενος τὰς ἀπάντων νομοθεσίας ἐξελέξατο τὰ κράτιστα καὶ κατέταξεν εἰς τοὺς νόμους· πολλὰ δὲ καὶ ἴδια ἐπινοησάμενος ἐξεῦρε, περὶ ὧν οὐκ ἀνοικεῖόν ἐστιν ἐπιμνησθῆναι πρὸς διόρθωσιν τῶν ἀναγινωσκόντων. 12.

πρῶτον μὲν γὰρ τοῖς μητρυιᾶν ἐπαγομένοις κατὰ τῶν ἰδίων τέκνων ἔθηκε πρόστιμον τὸ μὴ γίνεσθαι συμβούλους τούτους τῇ πατρίδι, νομίζων τοὺς κακῶς περὶ τῶν ἰδίων τέκνων βουλευσαμένους καὶ συμβούλους κακοὺς ἔσεσθαι τῇ πατρίδι. ἔφη γὰρ τοὺς μὲν πρῶτον γήμαντας καὶ ἐπιτυχόντας δεῖν εὐημεροῦντας καταπαύειν, τοὺς δὲ ἀποτυχόντας τῷ γάμῳ καὶ πάλιν ἐν τοῖς αὐτοῖς ἁμαρτάνοντας ἄφρονας δεῖν ὑπολαμβάνεσθαι. [2] τοὺς δ' ἐπὶ συκοφαντίᾳ καταγνωσθέντας προσέταξε περιπατεῖν ἐστεφανωμένους μυρική, ὅπως ἐν πᾶσι τοῖς πολίταις φαίνονται τὸ πρωτεῖον τῆς πονηρίας περιπεποιημένοι. διὸ καὶ τινὰς ἐπὶ τούτῳ τῷ ἐγκλήματι καταδικασθέντας τὸ μέγεθος τῆς ὕβρεως οὐκ ἐνεγκόντας ἐκουσίως ἑαυτοὺς ἐκ τοῦ ζῆν μεταστῆσαι. οὗ συντελεσθέντος ἐφυγαδεύθη πᾶς ἐκ τῆς πόλεως ὁ συκοφαντεῖν εἰθώως, καὶ τὸ πολίτευμα μακάριον εἶχε βίον τῆς τοιαύτης κακίας ἀπηλλαγμένον. [3] ἔγραψε δὲ ὁ Χαράνδας καὶ περὶ τῆς κακομιλίας νόμον ἐξηλλαγμένον καὶ τοῖς ἄλλοις νομοθέταις παρεωραμένον. ὑπολαβὼν γὰρ τοὺς ἀγαθοὺς ἄνδρας ἐνίοτε διὰ τὴν πρὸς τοὺς πονηροὺς φιλίαν καὶ συνήθειαν διαστρέφεσθαι τὰ ἥθη πρὸς κακίαν, καὶ τὴν φανulότητα καθάπερ λοιμικὴν νόσον ἐπινέμεσθαι τὸν βίον τῶν ἀνθρώπων καὶ νοσοποιεῖν τὰς ψυχὰς τῶν ἀρίστων· κατάντης γὰρ ἢ πρὸς τὸ χεῖρον ὁδός, ῥαδίαν ἔχουσα τὴν ὁδοιπορίαν· διὸ καὶ τῶν μετρίων πολλοὶ τοῖς ἡθεσιν, ὑπούλοις ἡδοναῖς δელεασθέντες, εἰς ἐπιτηδεύσεις χειρίστας περιώκειλαν· ταύτην οὖν τὴν

διαφορὰν ἀναστεῖλαι βουλόμενος ὁ νομοθέτης ἀπηγόρευσε τῇ τῶν πονηρῶν φιλία τε καὶ συνηθείᾳ χρῆσασθαι, καὶ δίκας ἐποίησε κακομιλίας, καὶ προστίμοις μεγάλους ἀπέτρεψε τοὺς ἁμαρτάνειν μέλλοντας. [4] ἔγραψε δὲ καὶ ἕτερον νόμον πολὺ τούτου κρείττονα καὶ τοῖς παλαιότεροις αὐτοῦ νομοθεταῖς ἡμελημένον: ἐνομοθέτησε γὰρ τῶν πολιτῶν τοὺς υἱεῖς ἅπαντας μανθάνειν γράμματα, χορηγούσης τῆς πόλεως τοὺς μισθοὺς τοῖς διδασκάλοις. ὑπέλαβε γὰρ τοὺς ἀπόρους τοῖς βίοις, ἰδίᾳ μὴ δυναμένους διδόναι μισθοῦς, ἀποστερήσεσθαι τῶν καλλίστων ἐπιτηδευμάτων. 13. τὴν γὰρ γραμματικὴν παρὰ τὰς ἄλλας μαθήσεις προέκρινεν ὁ νομοθέτης, καὶ μάλα προσηκόντως: διὰ γὰρ ταύτης τὰ πλεῖστα καὶ χρησιμώτατα τῶν πρὸς τὸν βίον ἐπιτελεῖσθαι, ψήφους, ἐπιστολάς, διαθήκας, νόμους, τᾶλλα τὰ τὸν βίον μάλιστα ἐπανορθοῦντα. [2] τίς γὰρ ἂν ἄξιον ἐγκώμιον διάθοιτο τῆς τῶν γραμμάτων μαθήσεως; διὰ γὰρ τούτων μόνων οἱ μὲν τετελευτηκότες τοῖς ζῶσι διαμνημονεύονται, οἱ δὲ μακρὰν τοῖς τόποις διεσπῶντες τοῖς πλεῖστον ἀπέχουσιν ὡς πλησίον παρεστῶσι διὰ τῶν γεγραμμένων ὁμιλοῦσι: ταῖς τε κατὰ πόλεμον συνθήκαις ἐν ἔθνεσιν ἢ βασιλεῦσι πρὸς διαμονὴν τῶν ὁμολογῶν ἢ διὰ τῶν γραμμάτων ἀσφάλεια βεβαιωτάτην ἔχει πίστιν: καθόλου δὲ τὰς χαριστάτας τῶν φρονίμων ἀνδρῶν ἀποφάσεις καὶ θεῶν χρησμούς, ἔτι δὲ φιλοσοφίαν καὶ πᾶσαν παιδείαν μόνῃ τηρεῖ καὶ τοῖς ἐπιγινομένοις ἀεὶ παραδίδωσιν εἰς ἅπαντα τὸν αἰῶνα. [3] διὸ καὶ τοῦ μὲν ζῆν τὴν φύσιν αἰτίαν ὑποληπτέον, τοῦ δὲ καλῶς ζῆν τὴν ἐκ τῶν γραμμάτων συγκειμένην παιδείαν. ὅθεν ὡς μεγάλων τινῶν ἀγαθῶν ἀποστερουμένους τοὺς ἀγραμμάτους διωρθώσατο τῇ νομοθεσίᾳ αὐτῇ καὶ δημοσίας ἐπιμελείας τε καὶ δαπάνης ἡξίωσε, [4] καὶ τοσοῦτον ὑπερεβάλετο τοὺς πρότερον νομοθετήσαντας δημοσίῳ μισθῷ τοὺς νοσοῦντας τῶν ἰδιωτῶν ὑπὸ ἰατρῶν θεραπεύεσθαι, ὥσθ' οἱ μὲν τὰ σώματα θεραπείας ἡξίωσαν, ὁ δὲ τὰς ψυχὰς τὰς ὑπ' ἀπαιδευσίας ἐνοχλουμένας ἐθεράπευσε, κάκειων μὲν τῶν ἰατρῶν εὐχόμεθα μηδέποτε χρεῖαν ἔχειν, τοῖς δὲ τῆς παιδείας διδασκάλοις ἐπιθυμοῦμεν ἅπαντα τὸν χρόνον συνδιατρίβειν. 14. ἀμφοτέρω δὲ τὰ προειρημένα πολλοὶ τῶν ποιητῶν δι' ἐμμέτρου ποιήματος μεμαρτυρήκασιν: τὴν μὲν κακομιλίαν ἐν τοῖσδε," ὅστις δ' ὁμιλῶν ἦδεται κακοῖς ἀνὴρ,

οὐπόποτ' ἠρώτησα, γινώσκων ὅτι

τοιοῦτός ἐστιν οἷσπερ ἦδεται ξυνών:

“Eur. fr. 812 (Nauck) τὸν δὲ περὶ τῆς μητρὸς τεθέντα νόμον ἐν τούτοις,” τὸν νομοθέτην φασὶν Χαράνδαν ἐν τινι

νομοθεσίᾳ τὰ τ' ἄλλα καὶ ταυτὶ λέγειν:

ὁ παισὶν αὐτοῦ μητρίαν ἐπεισάγων

μήτ' εὐδοκιμείτω μήτε μετεχέτω λόγου

παρὰ τοῖς πολίταις, ὡς ἐπέσακτον κακὸν

κατὰ τῶν ἑαυτοῦ πραγμάτων πεπορισμένος.

εἴτ' ἐπέτυχες γάρ, φησί, γήμας τὸ πρότερον,

εὐήμερων κατάπαισον, εἴτ' οὐκ ἐπέτυχες,

μανικὸν τὸ πείραν δευτέρας λαβεῖν πάλιν.

“anon. fr. 110 (Kock) ταῖς γὰρ ἀληθείαις ὁ δις ἐν τοῖς αὐτοῖς πράγμασιν

ἀμαρτάνων ἄφρων ἂν δικαίως νομισθεῖη. [2] καὶ Φιλήμονος τοῦ κωμωδιογράφου γράφοντος τοὺς πολλάκις ναυτιλλομένους καὶ συνειπόντος τῷ νόμῳ” τεθαύμακ’ οὐκέτ’ εἰ πέπλευκέ τις,

ἀλλ’ εἰ πέπλευκε δῖς,

“Philemon fr. 183 (Kock) τὸ παραπλήσιον ἂν τις ἀποφαίνοιτο μὴ θαυμάζειν εἴ τις γεγάμηκεν, ἀλλ’ εἰ δῖς γεγάμηκε: κρεῖττον γὰρ εἶναι δῖς ἑαυτὸν θαλάττῃ παραβαλεῖν ἢ γυναικί. [3] μέγισται γὰρ καὶ χαλεπώταται στάσεις ἐν ταῖς οἰκίαις γίνονται διὰ μητρυῖας τέκνοις πρὸς πατέρας, καὶ διὰ ταῦτα πολλοὶ καὶ παράνομοι πράξεις ἐν τοῖς θεάτροις τραγωδοῦνται. 15.

ὁ δ’ οὖν Χαρώνδας καὶ ἕτερόν τινα νόμον ἀποδοχῆς ἀξιούμενον ἔγραψε, τὸν περὶ τῆς τῶν ὀρφανῶν φυλακῆς. οὗτος δ’ ἐξ ἐπιτολῆς μὲν θεωρούμενος οὐδὲν φαίνεται περιττὸν ἔχει οὐδὲ ἀποδοχῆς ἄξιον, ἀναθεωρούμενος δὲ καὶ μετ’ ἀκριβείας ἐξεταζόμενος μεγάλην ἔχει σπουδὴν τε καὶ δόξαν. [2] ἔγραψε γὰρ τῶν μὲν ὀρφανικῶν χρημάτων ἐπιτροπεύειν τοὺς ἀγχιστεῖς τοὺς ἀπὸ πατρός, τρέφεσθαι δὲ τοὺς ὀρφανούς παρὰ τοῖς συγγενέσι τοῖς ἀπὸ μητρός. αὐτόθεν μὲν οὖν ὁ νόμος οὗτος οὐδὲν ὀραῖται περιέχων σοφὸν ἢ περιττόν, ἐξεταζόμενος δὲ κατὰ βάθους εὐρίσκεται δικαίως ὢν ἄξιος ἐπαίνων. ζητουμένης γὰρ τῆς αἰτίας δι’ ἣν ἄλλοις μὲν τὴν οὐσίαν, ἑτέροις δὲ τὴν τῶν ὀρφανῶν τροφήν ἐπίστευσεν, ἐκφαίνεται τις ἐπίνοια τοῦ νομοθέτου περιττή: [3] οἱ μὲν γὰρ ἀπὸ μητρὸς συγγενεῖς οὐ προσήκοντες τῇ κληρονομίᾳ τῶν ὀρφανῶν οὐκ ἐπιβουλεύσουσιν, οἱ δ’ ἀπὸ τοῦ πατρὸς οἰκεῖοι ἐπιβουλεύσαι μὲν οὐ δύνανται διὰ τὸ μὴ πιστεῦσθαι τοῦ σώματος, τῆς δ’ οὐσίας εἰς ἐκείνους καθηκούσης, ἐὰν οἱ ὀρφανοὶ τελευτήσωσιν ἢ διὰ νόσον ἢ τινα ἄλλην περίστασιν, ἀκριβέστερον οἰκονομήσουσι τὰ χρήματα, ὥς ἰδίας τὰς ἐκ τῆς τύχης ἐλπίδας ἔχοντες. 16. ἕτερον δὲ ἔθηκε νόμον κατὰ τῶν λιπόντων τὴν ἐν πολέμῳ τάξιν ἢ τὸ σύνολον μὴ ἀναλαμβάνοντων τὰ ὄπλα ὑπὲρ τῆς πατρίδος. τῶν γὰρ ἄλλων νομοθετῶν κατὰ τῶν τοιούτων θεδικότων θάνατον τὸ πρόστιμον, οὗτος προσέταξε τοὺς τοιούτους ἐν τῇ ἀγορᾷ ἐφ’ ἡμέρας τρεῖς καθῆσθαι ἐν ἐσθῇσι γυναικείαις. [2] ὁ δὲ νόμος οὗτος ἅμα μὲν φιланθρωπότερός ἐστι τῶν παρὰ τοῖς ἄλλοις, ἅμα δὲ λεληθότως τῷ μεγέθει τῆς ἀτιμίας ἀποτρέπει τοὺς ὁμοίους τούτοις τῆς ἀνανδρίας: κρεῖττον γὰρ ἐστὶν ἀποθανεῖν ἢ τοιαύτης ὕβρεως ἐν τῇ πατρίδι πειραθῆναι: ἅμα δὲ καὶ τοὺς ἀμαρτάνοντας οὐκ ἠφάνισεν, ἀλλὰ τῇ πόλει πρὸς τὰς πολεμικὰς χρεῖας ἐτήρησ’ ὥς διορθωσομένους τῇ διὰ τῆς ὕβρεως κολάσει καὶ σπεύσοντας ἑτέροις ἀνδραγαθήμασιν ἐξαλεῖψαι τὴν προγεγενημένην αἰσχύνην. [3]

Διὰ δὲ τῆς ἀποτομίας τῶν νόμων διέσωσε τοὺς νόμους ὁ νομοθέτης. προσέταξε γὰρ ἐκ παντὸς τρόπου πείθεσθαι τῷ νόμῳ, κἂν ἢ παντελῶς κακῶς γεγραμμένος: διορθοῦν δὲ συνεχώρησε τὸν χρεῖαν ἔχοντα διορθώσεως. [4] τὸ μὲν γὰρ ἡτᾶσθαι ὑπὸ νομοθέτου καλὸν εἶναι ὑπελάμβανε, τὸ δὲ ὑπὸ ἰδιώτου παντελῶς ἄτοπον, καὶ εἰ ἐπὶ τῷ συμφέροντι γίνεται. καὶ μάλιστα διὰ τοῦ τοιούτου τρόπου τοὺς ἐν τοῖς δικαστηρίοις τῶν παρανενομηκότων προφάσεις καὶ διανοίας ἀντὶ τῶν ῥητῶν εἰσάγοντας ἐκώλυσεν ταῖς ἰδίαις εὐρησιλογίαις καταλύειν τὴν τῶν νόμων ὑπεροχὴν: [5] διὸ καὶ τινες τῶν τοιαύτας κατηγορίας πεποιημένων πρὸς τοὺς δικαστὰς τοὺς δικάζοντας περὶ τῆς τῶν

παρ'ανανομηκότων τιμωρίας εἶπεν ὅτι σώζειν ἀναγκαῖον ἢ τὸν νόμον ἢ τὸν ἄνδρα. 17. τὸν δ' οὖν Χαράνδαν φασὶ παραδοξότατον νενομοθετηκέναι περὶ τῆς διορθώσεως τῶν νόμων. ὀρῶντα γὰρ αὐτὸν ἐν ταῖς πλείεσταις πόλεσι διὰ τὸ πλῆθος τῶν ἐπιχειρούντων ἐπανορθοῦν τοὺς νόμους λυμαιομένους μὲν τὰς προϋπαρχούσας νομοθεσίας, εἰς στάσεις δὲ τὰ πλήθη προαγομένους, ἴδιόν τι καὶ παντελῶς ἐξηλλαγμένον νομοθετῆσαι. [2] προσέταξε γὰρ τὸν βουλούμενον διορθῶσαι τινα νόμον, ὅταν ποιῆται τὴν περὶ τῆς διορθώσεως συμβουλίαν, τὸν ἑαυτοῦ τράχηλον εἰς βρόχον ἐντιθέναι, καὶ μένειν ἄχρι ἂν ὅτου τὴν κρίσιν ὁ δῆμος περὶ τοῦ διορθουμένου νόμου ποιήσεται, κἂν μὲν ἢ ἐκκλησία **προσδέξεται** τὸν ὕστερον γραφόμενον, ἀπολύεσθαι τὸν εἰσηγησάμενον, ἐὰν δὲ ἄκυρον ποιήσεται τὴν διόρθωσιν, παραχρήμα θνήσκειν ὑπὸ τοῦ βρόχου σφιγγόμενον. [3] τοιαύτης δὲ κατὰ τὴν διόρθωσιν τῆς νομοθεσίας οὔσης, καὶ τοῦ φόβου τοὺς νεωτέρους νομοθέτας κολάζοντος, οὐδεὶς ἐτόλμα περὶ νόμων διορθώσεως φωνὴν προΐεσθαι: ἐν παντί δὲ τῷ μετὰ ταῦτα χρόνῳ παρὰ τοῖς Θουρίοις τρεῖς οἱ πάντες ἱστοροῦνται διορθῶνται διὰ τό τινας ἀναγκαίαις περιστάσεις ἐπὶ τὴν ὑπὲρ τῆς διορθώσεως συμβουλίαν παραγενέσθαι. [4] νόμου γὰρ ὄντος, ἐὰν τίς τινος ὀφθαλμὸν ἐκκόπη, ἀντεκκεκόπτεσθαι τὸν ἐκείνου, ἐτερόφθαλμός τις ἐκκοπῆς τὸν ὀφθαλμὸν καὶ στερηθεὶς ὅλης τῆς ὀράσεως τῷ τὸν ἕνα ἀντεκκεκόφθαι τὸν δρᾶσαντα ἔλαττον ὑπέλαβε πρόστιμον ἐκτίσαι: τυφλώσαντα γὰρ ἕνα τῶν πολιτῶν, εἰ τὸ κατὰ νόμον πρόστιμον ὁ πράξας ὑπομένει, μὴ τετευχέναι τῆς ἴσης συμφορᾶς: δίκαιον οὖν εἶναι τὸν ἐτερόφθαλμον τὴν ὄρασιν ἀφελόμενον ἀμφοτέρους ἐκκόπτεσθαι τοὺς ὀφθαλμούς, εἰ μέλλει τὴν ἴσιν ἀναδέχεσθαι τιμωρίαν. [5] διὸ καὶ περιαλγῇ γενόμενον τὸν ἐτερόφθαλμον ἀποτολμῆσαι λόγον ἐν ἐκκλησίᾳ διαθέσθαι περὶ τῆς ἰδίας συμφορᾶς, ἅμα μὲν τοῖς πολίταις ἀποδουρόμενον τὴν ἰδίαν ἀτυχίαν, ἅμα δὲ συμβουλευόντα τοῖς πλήθεσι διορθώσασθαι τὸν νόμον: τέλος δὲ δόντα τὸν τράχηλον εἰς βρόχον καὶ ἐπιτυχόντα τῇ συμβουλίᾳ, ἀκυρῶσαι μὲν τὸν ὑπάρχοντα νόμον, βεβαιῶσαι δὲ τὸν διορθωθέντα, καὶ διαφυγεῖν τὸν τοῦ βρόχου θάνατον. 18. δεύτερος δὲ διωρθώθη νόμος ὁ διδοὺς ἐξουσίαν τῇ γυναικὶ ἀπολύειν τὸν ἄνδρα καὶ συνοικεῖν ὃ ἂν βούληται. τῶν γὰρ προβεβηκότων τῇ ἡλικίᾳ τις, ἔχων γυναῖκα νεωτέραν καὶ καταλειφθεὶς, συνεβούλευε τοῖς Θουρίοις διορθῶσαι τὸν νόμον καὶ προσγράψαι τὴν καταλιποῦσαν ἄνδρα συνοικεῖν ὃ ἂν βούληται μὴ νεωτέρῳ τοῦ προτέρου: ὁμοίως δὲ κἂν ἀνὴρ ἐκβάλλῃ γυναῖκα, μὴ γαμεῖν ἄλλην νεωτέραν ταύτης τῆς ἐκβληθείσης. [2] εὐστοχῆσας δ' ἐν τῇ συμβουλίᾳ καὶ ἀκυρώσας τὸν πρότερον νόμον διέφυγε μὲν τὸν ἐκ τοῦ βρόχου κίνδυνον: τῆς δὲ γυναικὸς κωλυθείσης νεωτέρῳ συνοικῆσαι, πάλιν ἔγημε τὸν ἀπολυθέντα. [3] τρίτος δὲ νόμος διωρθώθη ὁ περὶ τῶν ἐπικλήρων, ὁ καὶ παρὰ Σόλωνι κείμενος. ἐκέλευε γὰρ τῇ ἐπικλήρῳ ἐπιδικάζεσθαι τὸν ἔγγιστον γένους, ὡσαύτως δὲ καὶ τὴν ἐπὶ κληρον ἐπιδικάζεσθαι τῷ ἀγγιστεῖ, ὃ ἦν ἀνάγκη συνοικεῖν ἢ πεντακοσίας ἐκτίσαι δραχμὰς εἰς προικὸς λόγον τῇ πενιχρᾷ ἐπικλήρῳ. [4] ὀρφανὴ γὰρ τις εὐγενὴς ἐπὶ κληρος, ἀπορουμένη παντελῶς τῶν κατὰ τὸν βίον καὶ διὰ τὴν πενίαν οὐ δυναμένη συνοικῆσαι, κατέφυγεν ἐπὶ τὸν δῆμον, καὶ μετὰ δακρύων ἐκθεμένη τὴν ἑαυτῆς ἐρημίαν τε καὶ καταφρόνησιν, πρὸς δὲ τούτοις ὑπογραψαμένη τὴν

διόρθωσιν τοῦ νόμου, ὥστε ἀντὶ τῆς ἐκτίσεως τῶν πεντακοσίων δραμῶν γράψαι συνοικεῖν κατ' ἀνάγκην τὸν ἄγχιστα γένους τῇ ἐπιδικασθείῃ ἐπικλήρῳ: τοῦ δὲ δήμου διὰ τὸν ἔλεον ψηφισαμένου διορθῶσαι τὸν νόμον, ἢ μὲν ὀρφανὴ τὸν ἐκ τοῦ βρόχου κίνδυνον ἐξέφυγεν, ὁ δ' ἄγχιστεὺς πλούσιος ὢν ἠναγκάσθη γῆμαι γυναῖκα πενιχρὰν ἐπὶ κληρὸν ἄνευ προικός. 19.

ΛΕΙΠΕΤΑΙ δ' ἡμῖν εἰπεῖν ὑπὲρ τῆς τοῦ Χαρώνδου τελευτῆς, καθ' ἣν ἰδίον τι καὶ παράδοξον αὐτῷ συνέβη. ἐπὶ γὰρ τὴν χώραν ἐξίων μετὰ ξιφιδίου διὰ τοὺς ληστὰς, καὶ κατὰ τὴν ἐπάνοδον ἐκκλησίας συνεστώσης καὶ ταραχῆς ἐν τοῖς πλήθεσι, προσέστη πολυπραγμονῶν τὰ κατὰ τὴν στάσιν. [2] νενομοθετηκὼς δ' ἦν μηδένα μεθ' ὅπλου ἐκκλησιάζειν, καὶ ἐπιλαθόμενος ὅτι τὸ ξίφος παρέζωσται, παρέδωκεν ἐχθροῖς τισιν ἀφορμὴν κατηγορίας. ὢν ἐνὸς εἰπόντος καταλέλυκας τὸν ἴδιον νόμον, μὰ Δι', εἶπεν, ἀλλὰ κύριον ποιήσω: καὶ σπασάμενος τὸ ξιφίδιον ἑαυτὸν ἀπέσφαξεν. ἔνιοι δὲ τῶν συγγραφέων τὴν πρᾶξιν ταύτην περιτιθέασιν Διοκλεῖ τῷ Συρακοσίων νομοθέτῃ. [3]

ἡμεῖς δὲ ἀρκούντως τὰ περὶ Χαρώνδαν τὸν νομοθέτην διεληλυθότες βραχέα βουλόμεθα καὶ περὶ Ζαλεύκου τοῦ νομοθέτου διελθεῖν διὰ τε τὴν ὁμοίαν προαίρεσιν τοῦ βίου καὶ τὸ γεγονέναι τοὺς ἄνδρας ἐν πόλεσιν ἀστυγείτοσιν. 20. Ζάλευκος τοίνυν ἦν τὸ γένος ἐκ τῆς Ἰταλίας Λοκρός, ἀνὴρ εὐγενὴς καὶ κατὰ παιδείαν τεθναμασμένος, μαθητὴς δὲ Πυθαγόρου τοῦ φιλοσόφου. οὗτος πολλῆς ἀποδοχῆς τυγχάνων ἐν τῇ πατρίδι νομοθέτης ἦρέθη, καὶ καταβαλόμενος ἐξ ἀρχῆς καινὴν νομοθεσίαν ἥρξατο πρῶτον περὶ τῶν ἐπουρανίων θεῶν. [2] εὐθὺς γὰρ ἐν τῷ προοιμίῳ τῆς ὅλης νομοθεσίας ἔφη δεῖν τοὺς κατοικοῦντας ἐν τῇ πόλει πάντων πρῶτον ὑπολαβεῖν καὶ πεπεισθαι θεοὺς εἶναι, καὶ ταῖς διανοίαις ἐπισκοποῦντας τὸν οὐρανὸν καὶ τὴν διακόσμησιν καὶ τάξιν κρίνειν οὐ τύχης οὐδ' ἀνθρώπων εἶναι ταῦτα κατασκευάσματα, σέβεσθαι τε τοὺς θεοὺς, ὡς πάντων τῶν ἐν τῷ βίῳ καλῶν καὶ ἀγαθῶν αἰτίους ὄντας τοῖς ἀνθρώποις, ἔχειν δὲ καὶ τὴν ψυχὴν καθαρὰν πάσης κακίας, ὡς τῶν θεῶν οὐ χαίρόντων ταῖς τῶν πονηρῶν θυσίαις τε καὶ δαπάναις, ἀλλὰ ταῖς τῶν ἀγαθῶν ἀνδρῶν δικαίαις τε καὶ καλαῖς ἐπιτηδεύσεσι.

[3] διὰ δὲ τοῦ προοιμίου προκαλεσάμενος τοὺς πολίτας εἰς εὐσέβειαν καὶ δικαιοσύνην, ἐπέξευξε προστάτων μηδένα τῶν πολιτῶν ἐχθρὸν ἀκατάλλακτον ἔχειν, ἀλλ' οὕτω τὴν ἐχθραν ἀναλαμβάνειν ὡς ἥξοντα πάλιν εἰς σύλλυσιν καὶ φιλίαν: τὸν δὲ παρὰ ταῦτα ποιοῦντα διαλαμβάνεσθαι παρὰ τοῖς πολίταις ἀνήμερον καὶ ἄγριον τὴν ψυχὴν. τοὺς δὲ ἄρχοντας παρεκελεύετο μὴ εἶναι αὐθάδεις μηδὲ ὑπερηφάνους, μηδὲ κρίνειν πρὸς ἐχθραν ἢ φιλίαν. ἐν δὲ τοῖς κατὰ μέρος νομοθετήμασι πολλὰ παρ' ἑαυτοῦ προσεξεῦρε μάλα σοφῶς καὶ περιττῶς. 21. τῶν γὰρ ἄλλων ἀπάντων ἀμαρτανουσῶν γυναικῶν ἀργυρικὰς ζημίας τεταχότων οὗτος φιλοτέχνῳ προστίμῳ τὰς ἀκολασίας αὐτῶν διωρθώσατο. ἔγραψε γὰρ οὕτω: γυναικὶ ἐλευθέρῃ μὴ πλείω ἀκολουθεῖν μιᾶς θεραπαινίδος, ἐὰν μὴ μεθύῃ, μηδὲ ἐξιέναι νυκτὸς ἐκ τῆς πόλεως εἰ μὴ μοιχευομένην, μηδὲ περιτίθεσθαι χρυσία μηδὲ ἐσθῆτα παρυφασμένην, ἐὰν μὴ ἐταῖρα ᾗ, μηδὲ τὸν ἄνδρα φορεῖν δακτύλιον ὑπόχρυσον μηδὲ ἱμάτιον ἰσομιλήσιον, ἐὰν μὴ ἐταيرهύηται ἢ μοιχεύηται. [2] διὸ καὶ ῥαδίως ταῖς τῶν προστίμων αἰσχυραῖς ὑπεξαίρεσεσιν ἀπέτρεψε τῆς

βλαβεράς τρυφῆς καὶ ἀκολασίας τῶν ἐπιτηδευμάτων: οὐδεὶς γὰρ ἐβούλετο τὴν αἰσχρὰν ἀκολασίαν ὁμολογήσας καταγέλαστος ἐν τοῖς πολίταις εἶναι. [3] πολλὰ δὲ καὶ ἄλλα τῶν συμβολαίων καὶ τῶν ἄλλων τῶν κατὰ τὸν βίον ἀμφισβητούμενων καλῶς ἐνομοθέτησε, περὶ ὧν ἡμῖν μακρὸν ἂν εἴη γράφειν καὶ τῆς ὑποκειμένης ἱστορίας ἀνοίκειον: διόπερ ἐπὶ τὰ συνεχῇ τοῖς προειρημένοις ἀναβιβάσομεν τὸν λόγον. 22.

ἐπ' ἄρχοντος γὰρ Ἀθήνησι Λυσιμαχίδου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Τίτον Μενήνιον καὶ Πόπλιον Σήστιον Καπετωλῖνον. ἐπὶ δὲ τούτων διαφεύγοντες τὸν ἐν τῇ στάσει κίνδυνον Συβαρίται περὶ τὸν Τράεντα ποταμὸν κατώκησαν. καὶ χρόνον μὲν τινα διέμειναν, ἔπειθ' ὑπὸ Βρεττίων ἐκβληθέντες ἀνῆρέθησαν. [2] κατὰ δὲ τὴν Ἑλλάδα Ἀθηναῖοι τὴν Εὐβοίαν ἀνακτησάμενοι καὶ τοὺς Ἑστιαεῖς ἐκ τῆς πόλεως ἐκβαλόντες ἰδίαν ἀποικίαν εἰς αὐτὴν ἐξέπεμψαν Περικλέους στρατηγούντος, χιλίους δὲ οἰκήτορας ἐκπέμψαντες τὴν τε πόλιν καὶ τὴν χώραν κατεκληρούχησαν. 23.

ἐπ' ἄρχοντος δ' Ἀθήνησι Πραξιτέλους Ὀλυμπιάς μὲν ἦχθη τετάρτη πρὸς ταῖς ὀγδοήκοντα, καθ' ἣν ἐνίκα στάδιον Κρίσων Ἱμεραῖος, ἐν δὲ τῇ Ῥώμῃ δέκα ἄνδρες κατεστάθησαν νομογράφοι, Πόπλιος Κλώδιος Ῥηγύλλανός, Τίτος Μινύκιος, Σπόριος Οὐετούριος, Γάιος Ἰούλιος, Γάιος Σουλπίκιος, Πόπλιος Σήστιος, Ῥωμύλος, Σπόριος Ποστούμιος Καλβίνιος. [2] οὗτοι τοὺς νόμους συνετέλεσαν. ἐπὶ δὲ τούτων Θούριοι μὲν διαπολεμοῦντες πρὸς Ταραντίνους τὰς ἀλλήλων χώρας ἐπόρθουν καὶ κατὰ γῆν καὶ κατὰ θάλατταν, καὶ πολλὰς μὲν μικρὰς μάχας καὶ ἀκροβολισμοὺς ἐποιήσαντο, ἀξιόλογον δὲ πρᾶξιν οὐδεμίαν συνετέλεσαν. 24.

ἐπ' ἄρχοντος δ' Ἀθήνησι Λυσανίου Ῥωμαῖοι πάλιν δέκα ἄνδρας νομοθέτας εἵλοντο, Ἀππιον Κλώδιον, Μάρκον Κορνήλιον, Λεύκιον Μινύκιον, Γάιον Σέργιον, Κόιντον Πόπλιον, Μάνιον Ῥαβολήιον, Σπόριον Οὐετούριον. [2] οὗτοι δὲ τοὺς νόμους οὐκ ἡδυνήθησαν συντελέσαι. εἰς δ' ἐξ αὐτῶν ἐρασθεῖς εὐγενοὺς παρθένου πενιχρᾶς, τὸ μὲν πρῶτον χρήμασι διαφθεῖραι τὴν κόρην ἐπεβάλετο, ὥς δ' οὐ προσεῖχεν αὐτῷ, ἐπαπέστειλε συκοφάντην ἐπ' αὐτήν, προστάξας ἄγειν εἰς δουλείαν. [3] τοῦ δὲ συκοφάντου φήσαντος ἰδίαν αὐτοῦ εἶναι δούλην καὶ πρὸς τὸν ἄρχοντα καταστήσαντος δουλαγωγουμένην, προσαγαγὼν κατηγορήσεν ὡς δούλης. τοῦ δὲ διακούσαντος τῆς κατηγορίας καὶ τὴν κόρην ἐγχειρίσαντος, ἐπιλαβόμενος ὁ συκοφάντης ἀπῆγεν ὡς ἰδίαν δούλην. [4] ὁ δὲ πατήρ τῆς παρθένου παρὼν καὶ δεινοπαθὼν, ὥς οὐδεὶς αὐτῷ προσεῖχε, παραπορευόμενος κατὰ τύχην παρὰ κρεοπώλιον, ἄρπάσας τὴν παρακειμένην ἐπὶ τῆς σανίδος κοπίδα, ταύτη πατάξας τὴν θυγατέρα ἀπέκτεινεν, ἵνα μὴ τῆς ὕβρεως λάβῃ πείραν, αὐτὸς δ' ἐκ τῆς πόλεως ἐκπηδήσας ἀπῆλθε πρὸς τὸ στρατόπεδον τὸ ἐν τῷ Ἀλγίδῳ καλουμένῳ τότε ὑπάρχον. [5] καταφυγὼν δὲ ἐπὶ τὸ πλῆθος καὶ μετὰ δακρύων τὴν καθ' αὐτὸν συμφορὰν ἀπαγγέλλας, ἅπαντας ἤγαγεν εἰς ἔλεον καὶ πολλὴν συμπάθειαν. πάντων δ' ἐπιβοηθεῖν τοῖς ἡτυχηκόσιν ὀρμησάντων, μετὰ τῶν ὅπλων νυκτὸς εἰς τὴν Ῥώμην εἰσέπεσον. οὗτοι μὲν οὖν κατελάβοντο λόφον τὸν ὀνομαζόμενον Λουεντίνον. 25. ἅμα δ' ἡμέρα γνωσθείσης τῆς τῶν στρατιωτῶν μισοπονηρίας οἱ μὲν δέκα νομογράφοι βοηθοῦντες τῷ συνάρχοντι συνῆγον

πολλοὺς τῶν νέων, ὥς διὰ τῶν ὅλων κριθησόμενοι: μεγάλης δ' ἐμπεσοῦσης φιλοτιμίας οἱ **χαριέστατοι** τῶν πολιτῶν, προορώμενοι τὸ μέγεθος τοῦ κινδύνου, διεπερσεβέυσαντο πρὸς ἀμφοτέρους περὶ συλλύσεως, καὶ μετὰ πολλῆς σπουδῆς ἐδέοντο λῆξαι τῆς στάσεως καὶ μὴ περιβαλεῖν τὴν πατρίδα μεγάλαις συμφοραῖς. [2] τέλος δὲ πεισθέντων ἀπάντων ὁμολογίας ἔθεντο πρὸς ἀλλήλους, ὥστε δέκα αἰρεῖσθαι δημάρχους μεγίστας ἔχοντας ἐξουσίας τῶν κατὰ τὴν πόλιν ἀρχόντων, καὶ τούτους ὑπάρχειν οἰονεὶ φύλακας τῆς τῶν πολιτῶν ἐλευθερίας: τῶν δὲ κατ' ἐνιαυτὸν γινομένων ὑπάτων τὸν μὲν ἓνα ἐκ τῶν πατρικίων αἰρεῖσθαι, καὶ τὸν ἓνα πάντως ἀπὸ τοῦ πλήθους καθίστασθαι, ἐξουσίας οὔσης τῷ δήμῳ καὶ ἀμφοτέρους τοὺς ὑπάτους ἐκ τοῦ πλήθους αἰρεῖσθαι. [3] τοῦτο δ' ἔπραξαν ταπεινῶσαι σπεύδοντες τὴν τῶν πατρικίων ὑπεροχὴν: οἱ γὰρ ἄνδρες οὗτοι διὰ τε τὴν εὐγένειαν καὶ τὸ μέγεθος τῆς ἐκ τῶν προγόνων αὐτοῖς παρακολουθούσης δόξης ὡσεὶ τινες κύριοι τῆς πόλεως ὑπῆρχον. ἐν δὲ ταῖς ὁμολογίαις προσέκειτο τοῖς ἄρξασι δημάρχους τὸν ἐνιαυτόν, ἀντικαθιστάναι πάλιν δημάρχους τοὺς ἴσους ἢ τοῦτο μὴ πράξαντας ζῶντας κατακαυθῆναι: ἐὰν δὲ οἱ δήμαρχοι μὴ συμφωνῶσι πρὸς ἀλλήλους, κύριοι εἶναι τὸν ἀνὰ μέσον κείμενον μὴ κωλύεσθαι. τὴν μὲν οὖν ἐν Ῥώμῃ στάσιν τοιαύτης συλλύσεως τυχεῖν συνέβη. 26.

ἐπ' ἄρχοντος δ' Ἀθήνησι Διφίλου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Ὀράτιον καὶ Λεύκιον Οὐαλέριον Τούρπινον. ἐπὶ δὲ τούτων, ἐν τῇ Ῥώμῃ τῆς νομοθεσίας διὰ τὴν στάσιν ἀσυντελέστου γενομένης, οἱ ὑπατοὶ συνετέλεσαν αὐτήν: τῶν γὰρ καλουμένων δώδεκα πινάκων οἱ μὲν δέκα συνετελέσθησαν, τοὺς δ' ὑπολειπομένους δύο ἀνέγραψαν οἱ ὑπατοὶ. καὶ τελεσθείσης τῆς ὑποκειμένης νομοθεσίας, ταύτην εἰς δώδεκα χαλκοὺς πίνακας χαράξαντες οἱ ὑπατοὶ προσήλωσαν τοῖς πρὸ τοῦ βουλευτηρίου τότε κειμένοις ἐμβόλοις. ἡ δὲ γραφεῖσα νομοθεσία, **βραχέως** καὶ ἀπερίττως συγκειμένη, διέμεινε θαυματομένη μέχρι τῶν καθ' ἡμᾶς καιρῶν. [2]

τούτων δὲ πραττομένων τὰ πλεῖστα τῶν κατὰ τὴν οἰκουμένην ἐθνῶν ἐν ἡσυχίᾳ ὑπῆρχε, πάντων σχεδὸν εἰρήνην ἀγόντων. οἱ μὲν γὰρ Πέρσαι διττὰς συνθήκας εἶχον πρὸς τοὺς Ἕλληνας, τὰς μὲν πρὸς Ἀθηναίους καὶ τοὺς συμμάχους αὐτῶν, ἐν αἷς ἦσαν αἱ κατὰ τὴν Ἀσίαν Ἑλληνίδες πόλεις αὐτόνομοι, πρὸς δὲ τοὺς Λακεδαιμονίους ὕστερον ἐγράφησαν, ἐν αἷς τοὺναντίον ἦν γεγραμμένον ὑπηκόους εἶναι τοῖς Πέρσαις τὰς κατὰ τὴν Ἀσίαν Ἑλληνίδας πόλεις. ὁμοίως δὲ καὶ τοῖς Ἕλλησι πρὸς ἀλλήλους ὑπῆρχεν εἰρήνη, συντεθειμένων τῶν Ἀθηναίων καὶ τῶν Λακεδαιμονίων σπονδὰς τριακονταετεῖς. [3] ὁμοίως δὲ καὶ τὰ κατὰ τὴν Σικελίαν εἰρηνικὴν εἶχε κατάστασιν, Καρχηδονίων μὲν πεποιημένων συνθήκας πρὸς Γέλωνα, αὐτῶν δὲ τῶν κατὰ τὴν Σικελίαν πόλεων Ἑλληνίδων τὴν ἡγεμονίαν Συρακοσίοις συγκεχωρηκυῶν, καὶ τῶν Ἀκραγαντίνων μετὰ τὴν ἦτταν τὴν γενομένην περὶ τὸν Ἰμέραν ποταμὸν συλλελυμένων πρὸς τοὺς Συρακοσίους. [4] ἡσύχαζε δὲ καὶ τὰ κατὰ τὴν Ἰταλίαν ἔθνη καὶ Κελτικὴν, ἔτι δ' Ἰβηρίαν καὶ τὴν ἄλλην σχεδὸν ἅπασαν οἰκουμένην. διόπερ πολεμικὴ μὲν καὶ ἀξία μνήμης πρᾶξις οὐδεμία συνετελέσθη κατὰ τούτους τοὺς χρόνους, εἰρήνην δὲ μία συνετελέσθη, καὶ πανηγύρεις καὶ ἀγῶνες καὶ θεῶν θυσίαι καὶ ἄλλα τὰ πρὸς εὐδαιμονίαν

ἀνήκοντα παρὰ πᾶσιν ἐπεπόλαζεν. 27.

ἐπ' ἄρχοντος δ' Ἀθήνησι Τιμοκλέους Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Λαρίνον Ἑρμίνιον καὶ Τίτον Στερτίνιον Στρούκτορα. ἐπὶ δὲ τούτων Σάμιοι μὲν πρὸς Μιλησίους περὶ Πριήνης ἀμφισβητήσαντες εἰς πόλεμον κατέστησαν, ὀρῶντες δὲ τοὺς Ἀθηναίους ταῖς εὐνοίαις διαφέροντας πρὸς Μιλησίους, ἀπέστησαν ἀπ' αὐτῶν. οἱ δὲ Περικλέα προχειρισάμενοι στρατηγὸν ἐξέπεμψαν ἐπὶ τοὺς Σαμίους ἔχοντα τριήρεις τετταράκοντα. [2] οὗτος δὲ πλεύσας ἐπὶ τὴν Σάμον παρεισελθὼν δὲ καὶ τῆς πόλεως ἐγκρατὴς γενόμενος κατέστησε δημοκρατίαν ἐν αὐτῇ. πρᾶξάμενος δὲ παρὰ τῶν Σαμίων ὀγδοήκοντα τάλαντα, καὶ τοὺς ἴσους ὁμήρους παῖδας λαβὼν, τούτους μὲν παρέδωκε τοῖς Λημνίοις, αὐτὸς δ' ἐν ὀλίγαις ἡμέραις ἅπαντα συντετελεκῶς ἐπανῆλθεν εἰς τὰς Ἀθήνας. [3] ἐν δὲ τῇ Σάμῳ στάσεως γενομένης, καὶ τῶν μὲν αἰρουμένων τὴν δημοκρατίαν, τῶν δὲ βουλομένων τὴν ἀριστοκρατίαν εἶναι, ταραχὴ πολλὴ τὴν πόλιν ἐπέιχε. τῶν δ' ἐναντιουμένων τῇ δημοκρατίᾳ διαβάντων εἰς τὴν Ἀσίαν καὶ πορευθέντων εἰς Σάρδεις πρὸς Πισσοῦθνην τὸν τῶν Περσῶν σατράπην περὶ βοηθείας, ὁ μὲν Πισσοῦθνης ἔδωκεν αὐτοῖς στρατιώτας ἑπτακοσίους, ἐλπίζων τῆς Σάμου διὰ τούτου κυριεύσειν, οἱ δὲ Σάμιοι μετὰ τῶν δοθέντων αὐτοῖς στρατιωτῶν νυκτὸς πλεύσαντες εἰς τὴν Σάμον ἔλαθόν τε τὴν πόλιν παρεισελθόντες, τῶν πολιτῶν συνεργούντων, ῥαδίως τ' ἐκράτησαν τῆς Σάμου, καὶ τοὺς ἀντιπράττοντας αὐτοῖς ἐξέβαλον ἐκ τῆς πόλεως: τοὺς δ' ὁμήρους ἐκκλέψαντες ἐκ τῆς Λήμνου καὶ τὰ κατὰ τὴν Σάμον ἀσφαλισάμενοι, φανερῶς ἑαυτοὺς ἀπέδειξαν πολεμίους τοῖς Ἀθηναίοις. [4] οἱ δὲ πάλιν Περικλέα προχειρισάμενοι στρατηγὸν ἐξέπεμψαν ἐπὶ τοὺς Σαμίους μετὰ νεῶν ἐξήκοντα. μετὰ δὲ ταῦθ' ὁ μὲν Περικλῆς ναυμαχήσας πρὸς ἐβδομήκοντα τριήρεις ἐνίκησε τοὺς Σαμίους, μεταπεμψάμενος δὲ παρὰ Χίων καὶ Μυτιληναίων ναῦς εἴκοσι πέντε μετὰ τούτων ἐπολιόρκησε τὴν Σάμον. [5] μετὰ δέ τινας ἡμέρας Περικλῆς μὲν καταλιπὼν μέρος τῆς δυνάμεως ἐπὶ τῆς πολιορκίας ἀνέξευξεν, ἀπαντήσων ταῖς Φοινίσσαις ναυσίν, ἃς οἱ Πέρσαι τοῖς Σαμίοις ἦσαν ἀπεσταλκότες. 28. οἱ δὲ Σάμιοι διὰ τὴν ἀνάξευξιν τοῦ Περικλέους νομίζοντες ἔχειν καιρὸν ἐπιτήδειον εἰς ἐπίθεσιν ταῖς ἀπολελειμμέναις ναυσίν, ἐπέπλευσαν ἐπ' αὐτάς, καὶ νικήσαντες τῇ ναυμαχίᾳ φρονήματος ἐπληροῦντο. [2] ὁ δὲ Περικλῆς ἀκούσας τὴν τῶν ιδίων ἦτταν, εὐθὺς ὑπέστρεψε καὶ στόλον ἀξιόλογον ἤθροισε, βουλόμενος εἰς τέλος συντρίψαι τὸν τῶν ἐναντίων στόλον. ταχὺ δ' ἀποστειλάντων Ἀθηναίων μὲν ἐξήκοντα τριήρεις, Χίων δὲ καὶ Μυτιληναίων τριάκοντα, μεγάλῃν ἔχων δύναμιν συνεστήσατο τὴν πολιορκίαν καὶ κατὰ γῆν καὶ κατὰ θάλατταν, συνεχεῖς ποιούμενος προσβολάς. [3] κατεσκεύασε δὲ καὶ μηχανὰς πρῶτος τῶν πρὸ αὐτοῦ τούς τε ὀνομαζομένους κριοὺς καὶ χελώνας, Ἀρτέμωνος τοῦ Κλαζομενίου κατασκευάσαντος. ἐνεργῶς δὲ πολιορκήσας τὴν πόλιν καὶ ταῖς μηχαναῖς καταβαλὼν τὰ τεῖχη κύριος ἐγένετο τῆς Σάμου. κολάσας δὲ τοὺς αἰτίους ἐπράξατο τοὺς Σαμίους τὰς εἰς τὴν πολιορκίαν γεγενημένας δαπάνας, τιμησάμενος αὐτὰς ταλάντων διακοσίων. [4] παρείλετο δὲ καὶ τὰς ναῦς αὐτῶν καὶ τὰ τεῖχη κατέσκαψε, καὶ τὴν δημοκρατίαν καταστήσας ἐπανῆλθεν εἰς τὴν πατρίδα. Ἀθηναῖοις δὲ καὶ Λακεδαιμονίοις μέχρι τούτων τῶν χρόνων αἱ

τριακονταετείς σπονδαὶ διέμειναν ἀσάλευτοι. καὶ ταῦτα μὲν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 29.

ἐπ' ἄρχοντος δ' Ἀθήνησι Μυριχίδου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Λεύκιον Ἰούλιον καὶ Μάρκον Γεγάνιον, Ἡλεῖοι δ' ἤγαγον Ὀλυμπιάδα πέμπτην πρὸς ταῖς ὀγδοήκοντα, καθ' ἣν ἐνίκα Κρίσων Ἰμεραῖος τὸ δεύτερον. ἐπὶ δὲ τούτων κατὰ τὴν Σικελίαν Δουκέτιος μὲν ὁ γεγινὼς τῶν Σικελικῶν πόλεων ἡγεμὼν τὴν τῶν Καλακτίνων πατρίδα κατέστησε, καὶ πολλοὺς εἰς αὐτὴν οἰκίζων οἰκήτορας ἀντεποιήσατο μὲν τῆς τῶν Σικελῶν ἡγεμονίας, μεσολαβηθεὶς δὲ νόσῳ τὸν βίον κατέστρεψε. [2] Συρακόσιοι δὲ πάσας τὰς τῶν Σικελῶν πόλεις ὑπηκόους ποιησάμενοι πλὴν τῆς ὀνομαζομένης Τρινακίης, ἔγνωσαν ἐπὶ ταύτην στρατεῦειν: σφόδρα γὰρ ὑπόπτειον τοὺς Τρινακίους ἀντιλήψεσθαι τῆς τῶν ὁμοεθνῶν Σικελῶν ἡγεμονίας. ἡ δὲ πόλις αὕτη πολλοὺς καὶ μεγάλους ἄνδρας εἶχεν, αἰεὶ τὸ πρωτεῖον ἐσχηκυῖα τῶν Σικελικῶν πόλεων: ἦν γὰρ ἡγεμόνων ἢ πόλις αὕτη πλήρης μέγα φρονούντων ἐπ' ἀνδρεία. [3] διὸ καὶ πάσας τὰς δυνάμεις ἀθροίσαντες ἐκ τῶν Συρακουσῶν καὶ τῶν συμμάχων πόλεων ἐστράτευσαν ἐπ' αὐτήν. οἱ δὲ Τρινακιοὶ συμμάχων μὲν ἦσαν ἔρημοι διὰ τὸ τὰς ἄλλας πόλεις ὑπακούειν Συρακοσίοις, μέγαν δ' ἀγῶνα συνεστήσαντο. ἐκθύμως γὰρ ἐγκαρτεροῦντες τοῖς δεινοῖς καὶ πολλοὺς ἀνελόντες, ἥρωικῶς μαχόμενοι πάντες κατέστρεψαν τὸν βίον. [4] ὁμοίως δὲ καὶ τῶν πρεσβυτέρων οἱ πλείους ἑαυτοὺς ἐκ τοῦ ζῆν μετέστησαν, οὐχ ὑπομείναντες τὰς ἐκ τῆς ἀλώσεως ὕβρεις. οἱ δὲ Συρακόσιοι τοὺς πρότερον ἀηττήτους γεγονότας νικήσαντες ἐπιφανῶς, τὴν μὲν πόλιν ἐξανδραποδισάμενοι κατέσκαψαν, τῶν δὲ λαφύρων τὰ κράτιστα ἀπέστειλαν εἰς Δελφοὺς χαριστήρια τῷ θεῷ. 30.

ἐπ' ἄρχοντος δ' Ἀθήνησι Γλαυκίδου Ῥωμαῖοι κατέστησαν ὑπάτους Τίτον Κοϊντίον καὶ Ἀγρίππαν Φούριον. ἐπὶ δὲ τούτων Συρακόσιοι διὰ τὰς προειρημένας εὐημερίας ἑκατὸν μὲν τριήρεις ἐναυπηγήσαντο, τὸν δὲ τῶν ἱππέων ἀριθμὸν ἐποίησαν διπλάσιον: ἐπεμελήθησαν δὲ καὶ τῆς πεζῆς δυνάμεως, καὶ χρημάτων παρασκευὰς ἐποιοῦντο, φόρους ἀδροτέρους τοῖς ὑποτεταγμένοις Σικελοῖς ἐπιτιθέντες. ταῦτα δ' ἔπραττον διανοοῦμενοι πᾶσαν Σικελίαν ἐκ τοῦ κατ' ὀλίγον κατακτήσασθαι. [2] ἅμα δὲ τούτοις πραττομένοις κατὰ τὴν Ἑλλάδα συνέβη τὸν Κορινθιακὸν κληθέντα πόλεμον ἀρχὴν λαβεῖν διὰ τοιαύτας τινὰς αἰτίας. Ἐπιδάμνιοι κατοικοῦντες περὶ τὸν Ἀδρίαν, ἄποικοι δ' ὑπάρχοντες Κερκυραίων καὶ Κορινθίων, ἐστασίασαν πρὸς ἀλλήλους. τῆς δ' ἐπικρατούσης μερίδος φυγαδεύουσας πολλοὺς τῶν ἀντιπραττόντων, οἱ φυγάδες ἀθροισθέντες καὶ παραλαβόντες τοὺς Ἰλλυριοὺς ἔπλευσαν κοινῇ μετ' αὐτῶν ἐπὶ τὴν Ἐπίδαμνον. [3] στρατευσάντων δὲ τῶν βαρβάρων πολλῇ δυνάμει, καὶ τὴν μὲν χώραν κατασχόντων, τὴν δὲ πόλιν πολιορκούντων, οἱ μὲν Ἐπιδάμνιοι, καθ' ἑαυτοὺς οὐκ ὄντες ἀξιόμαχοι, πρέσβεις ἔπεμψαν εἰς Κέρκυραν, ἀξιοῦντες τοὺς Κερκυραίους συγγενεῖς ὄντας βοηθῆσαι. οὐ προσεχόντων δ' αὐτῶν, ἐπρεσβεύσαντο πρὸς Κορινθίους περὶ συμμαχίας, καὶ μόνην ἐκείνην ἐποίησαντο μητρόπολιν: ἅμα δὲ καὶ συνοίκους ἡτοῦντο. [4] οἱ δὲ Κορίνθιοι τοὺς μὲν Ἐπιδαμνίους ἐλεοῦντες, τοὺς δὲ Κερκυραίους μισοῦντες διὰ τὸ μόνους τῶν ἀποίκων μὴ πέμπειν τὰ κατειθισμένα ἱερεῖα τῇ

μητροπόλει, ἔκριναν βοηθεῖν τοῖς Ἐπιδαμνίοις. διόπερ ἀποίκους τε ἐξέπεμψαν εἰς τὴν Ἐπίδαμνον καὶ στρατιώτας ἱκανοὺς φρουρῆσαι τὴν πόλιν. [5] ἐπὶ δὲ τούτοις οἱ Κερκυραῖοι παροξυνθέντες ἀπέστειλαν πενήτηνκοντα τριήρεις καὶ στρατηγὸν ἐπ' αὐτῶν. οὗτος δὲ προσπλεύσας τῇ πόλει προσέταττε τοὺς μὲν φυγάδας καταδέχεσθαι· ἐπὶ δὲ τοὺς φρουροὺς Κορινθίους πρέσβεις ἀπέστειλαν ἀξιοῦντες δικαστηρίῳ κριθῆναι περὶ τῆς ἀποικίας, μὴ πολέμῳ. τῶν δὲ Κορινθίων οὐ προσεχόντων αὐτοῖς, συγκατέβησαν εἰς πόλεμον ἀμφοτέρω, καὶ ναυτικὰς δυνάμεις ἀξιολόγους κατεσκεύαζον καὶ συμμάχους προσελαμβάνοντο. ὁ μὲν οὖν Κορινθιακὸς ὀνομασθεὶς πόλεμος συνέστη διὰ τὰς προειρημένας αἰτίας. [6] Ῥωμαῖοι δὲ πρὸς Οὐολούσκους διαπολεμοῦντες τὸ μὲν πρῶτον ἀκροβολισμοὺς καὶ μικρὰς μάχας συνετέλουν, μετὰ δὲ ταῦτα παρατάξει μεγάλη νικήσαντες τοὺς πλείους τῶν πολέμιων κατέκοψαν. 31.

ἐπ' ἄρχοντος δ' Ἀθήνησι Θεοδώρου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Μάρκον Γενύκιον καὶ Ἀγρίππαν Κούρτιον Χίλωνα. ἐπὶ δὲ τούτων κατὰ μὲν τὴν Ἰταλίαν τὸ ἔθνος τῶν Καμπανῶν συνέστη, καὶ ταύτης ἔτυχε τῆς προσηγορίας ἀπὸ τῆς ἀρετῆς τοῦ πλησίον κειμένου πεδίου. κατὰ δὲ τὴν Ἀσίαν οἱ τοῦ Κιμμερίου Βοσπόρου βασιλεύσαντες, ὀνομασθέντες δὲ Ἀρχαιανακτίδαι, ἤρξαν ἔτη δύο πρὸς τοῖς τετταράκοντα· διεδέξατο δὲ τὴν ἀρχὴν Σπάρτακος, καὶ ἤρξεν ἔτη ἐπτά. [2] κατὰ δὲ τὴν Ἑλλάδα Κορίνθιοι πρὸς Κερκυραίους διαπολεμοῦντες καὶ παρασκευασάμενοι ναυτικὰς δυνάμεις, συνεστήσαντο ναυμαχίαν. οἱ μὲν οὖν Κορίνθιοι ἔχοντες ναῦς ἐβδομήκοντα καλῶς ἐξηρτυμένας, ἐπέπλευσαν τοῖς πολέμοις· οἱ δὲ Κερκυραῖοι τριήρεσιν ὀγδοήκοντα ἀντιταχθέντες ἐνίκησαν τῇ ναυμαχίᾳ, καὶ τὴν Ἐπίδαμνον ἐκπολιορκήσαντες τοὺς μὲν ἄλλους αἰχμαλώτους ἀπέκτειναν, τοὺς δὲ Κορινθίους δῆσαντες εἰς φυλακὴν παρέδοσαν. [3] μετὰ δὲ τὴν ναυμαχίαν οἱ μὲν Κορίνθιοι καταπλαγέντες κατέπλευσαν εἰς Πελοπόννησον, οἱ δὲ Κερκυραῖοι θαλαττοκρατοῦντες τῆς κατ' ἐκείνους τοὺς τόπους θαλάττης ἐπέπλεον τοῖς Κορινθίων συμμάχοις καὶ τὴν χώραν αὐτῶν ἐπόρθουν. 32.

τοῦ δ' ἐνιαυσίου χρόνου διελθόντος Ἀθήνησι μὲν ἤρχεν Εὐθυμένης, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων χιλίαρχοι κατεστάθησαν τρεῖς, Αὖλος Σεμπρώνιος, Λεύκιος Ἀτίλιος, Τίτος Κόιντος. ἐπὶ δὲ τούτων Κορίνθιοι μὲν ἡττημένοι τῇ ναυμαχίᾳ ναυπηγήσασθαι στόλον ἀξιολογώτερον ἔκριναν. [2] διόπερ ὕλην πολλὴν παρασκευασάμενοι καὶ ναυπηγοὺς ἐκ τῶν πόλεων μισθούμενοι μετὰ πολλῆς φιλοτιμίας κατεσκεύαζον τριήρεις καὶ ὅπλα καὶ βέλη παντοδαπά, καὶ καθόλου πάσας τὰς εἰς τὸν πόλεμον παρασκευὰς ἡτοίμαζον, καὶ τὰς μὲν ἐκ καταβολῆς τριήρεις ἐναυπηγοῦντο, τὰς δὲ πεποννηκυίας ἐθεράπευον, ἄλλας δὲ παρὰ τῶν συμμάχων μετεπέμποντο. [3] τὸ δὲ παραπλήσιον καὶ τῶν Κερκυραίων ποιοούντων, καὶ ταῖς φιλοτιμίαις οὐκ ἀπολιμπανομένων, φανερὸς ἦν ὁ πόλεμος αὐξησιν μεγάλῃν ληψόμενος. ἅμα δὲ τούτοις πραττομένοις Ἀθηναῖοι συνώκισαν Ἀμφίπολιν, καὶ τῶν οἰκητόρων οὓς μὲν ἐκ τῶν πολιτῶν κατέλεξαν, οὓς δ' ἐκ τῶν σύνεγγυς φρουρίων. 33.

ἐπ' ἄρχοντος δ' Ἀθήνησι Λυσιμάχου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Τίτον Κοῖντιον καὶ Μάρκον Γεγάνιον Μακερίνον, Ἡλεῖοι δ' ἤγαγον Ὀλυμπιάδα ἕκτην πρὸς ταῖς ὀγδοήκοντα, καθ' ἣν ἐνίκα στάδιον Θεόπομπος

Θετταλός. ἐπὶ δὲ τούτων Κερκυραῖοι μὲν πυνθανόμενοι τῶν παρασκευαζομένων ἐπ' αὐτοὺς δυνάμεων τὸ πλῆθος, ἀπέστειλαν πρὸς Ἀθηναίους πρέσβεις ἀξιοῦντες αὐτοῖς βοηθῆσαι. [2] τὸ δ' αὐτὸ καὶ Κορινθίων ποιησάντων, καὶ συναχθείσης ἐκκλησίας, διήκουσε τῶν πρέσβεων ὁ δῆμος, καὶ ἐψηφίσατο συμμαχεῖν Κερκυραίοις. διὸ καὶ παραχρῆμα μὲν ἐξέπεμψαν τριῆρεις κατηρτισμένας δέκα, μετὰ δὲ ταῦτα πλείους ἐπηγγείλαντο πέμψειν, ἂν ἦ χρεία. [3] οἱ δὲ Κορίνθιοι τῆς τῶν Ἀθηναίων συμμαχίας ἀποτυχόντες, ἐνενήκοντα μὲν αὐτοὶ τριῆρεις ἐπλήρωσαν, παρὰ δὲ τῶν συμμάχων ἐξήκοντα προσελάβοντο. ἔχοντες οὖν ναῦς κατηρτισμένας ἑκατὸν πεντήκοντα, καὶ στρατηγούς ἐλόμενοι τοὺς χαριεστάτους, ἀνήχθησαν ἐπὶ τὴν Κέρκυραν, κεκρικότες διὰ τάχους ναυμαχῆσαι. [4] οἱ δὲ Κερκυραῖοι πυνθανόμενοι τὸν τῶν πολεμίων στόλον μὴ μακρὰν ἀπέχειν, ἀντανήχθησαν τριήρεσιν ἑκατὸν εἴκοσι σὺν ταῖς τῶν Ἀθηναίων. γενομένης δὲ ναυμαχίας ἰσχυρᾶς, τὸ μὲν πρῶτον ἐπεκράτουν οἱ Κορίνθιοι, μετὰ δὲ ταῦτα τῶν Ἀθηναίων ἐπιφανέντων ἄλλαις εἴκοσι ναυσίν, ἃς ἀπεστάλκεσαν ἐν τῇ δευτέρᾳ συμμαχίᾳ, συνέβη νικῆσαι τοὺς Κερκυραίους. τῇ δ' ὕστεραία πάντων τῶν Κερκυραίων ἐπιπλευσάντων οὐκ ἀνήχθησαν οἱ Κορίνθιοι. 34.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀντιοχίδου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Φάβιον καὶ Πόστουμον Αἰβούτιον Οὐλεκον. ἐπὶ δὲ τούτων, Ἀθηναίων μὲν συνηγωνισμένων τοῖς Κερκυραίοις καὶ τῆς κατὰ τὴν ναυμαχίαν νίκης αἰτίων γενομένων, χαλεπῶς εἶχον πρὸς αὐτοὺς οἱ Κορίνθιοι. [2] διόπερ ἀμύνεσθαι σπεύδοντες τοὺς Ἀθηναίους, ἀπέστησαν ἀπ' αὐτῶν πόλιν Ποτιδαίαν, οὗσαν ἑαυτῶν ἄποικον. ὁμοίως δὲ τούτοις καὶ Περδίκκας ὁ τῶν Μακεδόνων βασιλεύς, ἄλλοτρίως διακείμενος πρὸς Ἀθηναίους, ἔπεισε τοὺς Χαλκιδεῖς ἀποστάντας Ἀθηναίων τὰς μὲν ἐπὶ θαλάττῃ πόλεις ἐκλιπεῖν, εἰς μίαν δὲ συνοικισθῆναι τὴν ὀνομαζομένην Ὀλυνθον. [3] οἱ δ' Ἀθηναῖοι τὴν ἀπόστασιν τῶν Ποτιδαιατῶν ἀκούσαντες ἐξέπεμψαν τριάκοντα ναῦς καὶ προσέταζαν τὴν τε χώραν τῶν ἀφεστηκότων λεηλατῆσαι καὶ τὴν πόλιν πορθῆσαι. οἱ δὲ πεμφθέντες καταπλεύσαντες εἰς τὴν Μακεδονίαν κατὰ τὰς ἐντολὰς τοῦ δήμου, συνεστήσαντο πολιορκίαν τῆς Ποτιδαίας. [4] ἔνθα δὲ τῶν Κορινθίων βοηθησάντων τοῖς πολιορκουμένοις δισχιλίους στρατιώταις, δισχιλίους καὶ ὁ δῆμος τῶν Ἀθηναίων ἐξέπεμψε. γενομένης δὲ μάχης περὶ τὸν ἰσθμὸν τὸν πλησίον τῆς Παλληνίων, καὶ τῶν Ἀθηναίων νικησάντων καὶ πλείους τῶν τριακοσίων ἀνελόντων, οἱ Ποτιδαῖαι συνεκλείσθησαν εἰς πολιορκίαν. [5] ἅμα δὲ τούτοις πραττομένοις ἔκτισαν οἱ Ἀθηναῖοι πόλιν ἐν τῇ Προποντίδι τὴν ὀνομαζομένην Ἀστακόν. κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι πέμψαντες ἀποίκους εἰς Ἄρδεα τὴν χώραν κατεκληρούχησαν. 35.

ἐπ' ἄρχοντος δ' Ἀθήνησι Κράτητος Ῥωμαῖοι κατέστησαν ὑπάτους Κόιντον Φούριον Φοῦσον καὶ Μάνιον Παπίριον Κράσσον. ἐπὶ δὲ τούτων κατὰ τὴν Ἰταλίαν οἱ τοὺς Θουρίους οἰκοῦντες, ἐκ πολλῶν πόλεων συνεστηκότες, ἐστασίαζον πρὸς ἀλλήλους, ποίας πόλεως ἀποίκους δεῖ καλεῖσθαι τοὺς Θουρίους καὶ τίνα κτίστην δίκαιον ὀνομάζεσθαι. [2] οἱ τε γὰρ Ἀθηναῖοι τῆς ἀποικίας ταύτης ἡμφισβήτουν, ἀποφαινόμενοι πλείστους οἰκήτορας ἐξ Ἀθηνῶν ἐηλυθέναι, οἱ τε Πελοποννήσιοι, πόλεις οὐκ ὀλίγας παρεσχημένοι

παρ' αὐτῶν εἰς τὴν κτίσιν τῶν Θουρίων, τὴν ἐπιγραφὴν τῆς ἀποικίας ἑαυτοῖς ἔφησαν δεῖν προσάπτεσθαι. [3] ὁμοίως δὲ καὶ πολλῶν ἀγαθῶν ἀνδρῶν κεκοινωνηκότων τῆς ἀποικίας καὶ πολλὰς χρείας παρεσχημένων, πολὺς ἦν ὁ λόγος, ἐκάστου τῆς τιμῆς ταύτης σπεύδοντος τυχεῖν. τέλος δὲ τῶν Θουρίων πεμψάντων εἰς Δελφοὺς τοὺς ἐπερωτήσοντας τίνα χρὴ τῆς πόλεως οἰκιστὴν ἀγορεύειν, ὁ θεὸς ἔχρησεν αὐτὸν δεῖν κτίστην νομίζεσθαι. τούτῳ τῷ τρόπῳ λυθείσης τῆς ἀμφισβητήσεως τὸν Ἀπόλλω κτίστην τῶν Θουρίων ἀπέδειξαν, καὶ τὸ πλῆθος τῆς στάσεως ἀπολυθὲν εἰς τὴν προϋπάρχουσαν ὁμόνοιαν ἀποκατέστη. [4] κατὰ δὲ τὴν Ἑλλάδα Ἀρχίδαμος ὁ τῶν Λακεδαιμονίων βασιλεὺς ἐτελεύτησεν ἄρξας ἔτη τετταράκοντα δύο, τὴν δὲ ἀρχὴν διαδεξάμενος Ἄγις ἐβασίλευσεν ἔτη εἴκοσι ἐπτὰ. 36.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀψεύδους Ῥωμαῖοι κατέστησαν ὑπάτους Τίτον Μενήνιον καὶ Πρόκλον Γεγάνιον Μακερῖνον. ἐπὶ δὲ τούτων Σπάρτακος μὲν ὁ Βοσπόρου βασιλεὺς ἐτελεύτησεν ἄρξας ἔτη ἐπτὰ, διεδέξατο δὲ τὴν ἀρχὴν Σέλευκος καὶ ἐβασίλευσεν ἔτη τετταράκοντα. [2] ἐν δὲ ταῖς Ἀθήναις Μέτων ὁ Πausανίου μὲν υἱός, δεδοξασμένος δὲ ἐν ἀστρολογίᾳ, ἐξέθηκε τὴν ὀνομαζομένην ἐννεακαιδεκαετηρίδα, τὴν ἀρχὴν ποιησάμενος ἀπὸ μηνὸς ἐν Ἀθήναις σκιροφοριῶνος τρισκαιδεκάτης. ἐν δὲ τοῖς εἰρημένοις ἔτεσι τὰ ἄστρο τὴν ἀποκατάστασιν ποιεῖται καὶ καθάπερ ἐνιαυτοῦ τινος μεγάλου τὸν ἀνακυκλισμὸν λαμβάνει· διὸ καὶ τινες αὐτὸν Μέτωνος ἐνιαυτὸν ὀνομάζουσι. [3] δοκεῖ δὲ ὁ ἀνὴρ οὗτος ἐν τῇ προρρήσει καὶ προγραφῇ ταύτῃ θαυμαστῶς ἐπιτετευχέναι· τὰ γὰρ ἄστρο τὴν τε κίνησιν καὶ τὰς ἐπισημασίας ποιεῖται συμφώνως τῇ γραφῇ· διὸ μέχρι τῶν καθ' ἡμᾶς χρόνων οἱ πλεῖστοι τῶν Ἑλλήνων χρώμενοι τῇ ἐννεακαιδεκαετηρίδι οὐ διαψεύδονται τῆς ἀληθείας. [4] κατὰ δὲ τὴν Ἰταλίαν Ταραντῖνοι τοὺς τὴν Σῆριν καλουμένην οἰκοῦντας μετοικίσαντες ἐκ τῆς πατρίδος καὶ ἰδίου προσθέντες οἰκῆτορας, ἔκτισαν πόλιν τὴν ὀνομαζομένην Ἡράκλειαν. 37.

ἐπ' ἄρχοντος δ' Ἀθήνησι Πυθοδώρου Ῥωμαῖοι μὲν ὑπάτους κατέστησεν Τίτον Κοῖντιον καὶ Νίττον Μενήνιον, Ἡλεῖοι δ' ἡγαγον Ὀλυμπιάδα ἐβδόμην πρὸς ταῖς ὀγδοήκοντα, καθ' ἣν ἐνίκα στάδιον Σώφρων Ἀμπρακιώτης. ἐπὶ δὲ τούτων ἐν τῇ Ῥώμῃ Σπόριος Μαῖλιος ἐπιθέμενος τυραννίδι ἀνῆρέθη. Ἀθηναῖοι δὲ περὶ Ποτιδαιαν νενικηκότες ἐπιφανεῖ μάχῃ, Καλλίου τοῦ στρατηγοῦ πεσόντος ἐν τῇ παρατάξει, στρατηγὸν ἕτερον ἐξέπεμψαν Φορμίωνα. οὗτος δὲ παραλαβὼν τὸ στρατόπεδον καὶ προσκαθήμενος τῇ πόλει τῶν Ποτιδαιατῶν συνεχεῖς προσβολὰς ἐποιεῖτο· ἀμυνομένων δὲ τῶν ἔνδον εὐρώστως ἐγένετο πολυχρόνιος πολιορκία. [2] Θουκυδίδης δὲ ὁ Ἀθηναῖος τὴν ἱστορίαν ἐντεῦθεν ἀρξάμενος ἔγραψε τὸν γενόμενον πόλεμον Ἀθηναίοις πρὸς Λακεδαιμονίους τὸν ὀνομασθέντα Πελοποννησιακόν. οὗτος μὲν οὖν ὁ πόλεμος διέμεινεν ἐπὶ ἔτη εἴκοσι ἐπτὰ, ὁ δὲ Θουκυδίδης ἔτη δύο πρὸς τοῖς εἴκοσι γέγραφεν ἐν βίβλοις ὀκτώ, ὥς δὲ τινες διαιροῦσιν, ἐννέα. 38.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Εὐθυδήμου Ῥωμαῖοι μὲν ἀντὶ τῶν ὑπάτων τρεῖς χιλιάρχους κατέστησαν, Μάνιον Αἰμιλιανὸν Μάμερκον, Γάιον Ἰούλιον, Λεύκιον Κοῖντιον. ἐπὶ δὲ τούτων Ἀθηναίοις καὶ Λακεδαιμονίοις ἐνέστη πόλεμος ὁ κληθεὶς Πελοποννησιακός, μακρότατος τῶν ἱστορημένων

πολέμων. ἀναγκαῖον δ' ἐστὶ καὶ τῆς ὑποκειμένης ἱστορίας οἰκεῖον προεκθέσθαι τὰς αἰτίας αὐτοῦ. [2] Ἀθηναῖοι τῆς κατὰ θάλατταν ἡγεμονίας ἀντεχόμενοι τὰ ἐν Δήλῳ κοινῇ συνηγμένα χρήματα, τάλαντα σχεδὸν ὀκτακισχίλια, μετήνεγκαν εἰς τὰς Ἀθήνας καὶ παρέδωκαν φυλάττειν Περικλεῖ. οὗτος δ' ἦν εὐγενεῖα καὶ δόξῃ καὶ λόγου δεινότητι πολὺ προέχων τῶν πολιτῶν. μετὰ δέ τινα χρόνον ἀνηλωκῶς ἀπ' αὐτῶν ἰδίᾳ πλῆθος ἱκανὸν χρημάτων καὶ λόγον ἀπαιτούμενος εἰς ἄρρωστίαν ἐνέπεσεν, οὐ δυνάμενος τῶν πεπιστευμένων ἀποδοῦναι τὸν ἀπολογισμὸν. [3] ἀδημονοῦντος δ' αὐτοῦ περὶ τούτων, Ἀλκιβιάδης ὁ ἀδελφιδοῦς, ὀρφανὸς ὢν, τρεφόμενος παρ' αὐτῷ, παῖς ὢν τὴν ἡλικίαν, ἀφορμὴν αὐτῷ παρέσχετο τῆς περὶ τῶν χρημάτων ἀπολογίας. θεωρῶν γὰρ τὸν θεῖον λυπούμενον ἐπηρώτησε τὴν αἰτίαν τῆς λύπης. τοῦ δὲ Περικλέους εἰπόντος, ὅτι τὴν περὶ τῶν χρημάτων ἀπολογία ἀιτούμενος ζητῶ πῶς ἂν δυνάμην ἀποδοῦναι τὸν περὶ τούτων λόγον τοῖς πολίταις, ὁ Ἀλκιβιάδης ἔφησε δεῖν αὐτὸν ζητεῖν μὴ πῶς ἀποδῶ τὸν λόγον, ἀλλὰ πῶς μὴ ἀποδῶ. [4] διόπερ Περικλῆς ἀποδεξάμενος τὴν τοῦ παιδὸς ἀπόφασιν ἐξήτει, δι' οὗ τρόπου τοὺς Ἀθηναίους δύναται ἂν ἐμβαλεῖν εἰς μέγαν πόλεμον: οὕτω γὰρ μάλιστα ὑπελάμβανε διὰ τὴν ταραχὴν καὶ τοὺς τῆς πόλεως περισπασμοὺς καὶ φόβους ἐκφεύξεσθαι τὸν ἀκριβῆ λόγον τῶν χρημάτων. πρὸς δὲ ταύτην τὴν ἀφορμὴν συνέβαιεν αὐτῷ καὶ ταυτόματον διὰ τοιαύτας αἰτίας. 39. τὸ τῆς Ἀθηνᾶς ἄγαλμα Φειδίας μὲν κατεσκεύαζε, Περικλῆς δὲ ὁ Ξανθίππου καθεσταμένος ἦν ἐπιμελητής. τῶν δὲ συνεργασαμένων τῷ Φειδίᾳ τινὲς διενεχθέντες ὑπὸ τῶν ἐχθρῶν τοῦ Περικλέους ἐκάθισαν ἐπὶ τῶν τῶν θεῶν βωμῶν: διὰ δὲ τὸ παράδοξον προσκαλούμενοι ἔφασαν πολλὰ τῶν ἱερῶν χρημάτων ἔχοντα Φειδίαν δεῖξιν, ἐπισταμένου καὶ συνεργοῦντος τοῦ ἐπιμελητοῦ Περικλέους. [2] διόπερ ἐκκλησίας συνελθούσης περὶ τούτων, οἱ μὲν ἐχθροὶ τοῦ Περικλέους ἔπεισαν τὸν δῆμον συλλαβεῖν τὸν Φειδίαν, καὶ αὐτοῦ τοῦ Περικλέους κατηγοροῦν ἱεροσυλίαν. πρὸς δὲ τούτοις Ἀναξαγόραν τὸν σοφιστὴν, διδάσκαλον ὄντα Περικλέους, ὥς ἀσεβοῦντα εἰς τοὺς θεοὺς ἐσυκοφάντουν: συνέπλεκον δ' ἐν ταῖς κατηγορίαις καὶ διαβολαῖς τὸν Περικλέα, διὰ τὸν φθόνον σπεύδοντες διαβαλεῖν τὴν τάνδρὸς ὑπεροχὴν τε καὶ δόξαν. [3] ὁ δὲ Περικλῆς, εἰδὼς τὸν δῆμον ἐν μὲν τοῖς πολεμικοῖς ἔργοις θαυμάζοντα τοὺς ἀγαθοὺς ἄνδρας διὰ τὰς κατεπειγούσας χρείας, κατὰ δὲ τὴν εἰρήνην τοὺς αὐτοὺς συκοφαντοῦντα διὰ τὴν σχολὴν καὶ φθόνον, ἔκρινε συμφέρειν αὐτῷ τὴν πόλιν ἐμβαλεῖν εἰς μέγαν πόλεμον, ὅπως χρεῖαν ἔχουσα τῆς Περικλέους ἀρετῆς καὶ στρατηγίας μὴ προσδέχεται τὰς κατ' αὐτοῦ διαβολάς, μηδ' ἔχη σχολὴν καὶ χρόνον ἐξετάζειν ἀκριβῶς τὸν περὶ τῶν χρημάτων λόγον. [4] ὄντος δὲ ψηφίσματος παρὰ τοῖς Ἀθηναίοις Μεγαρέας εἵργεσθαι τῆς τε ἀγορᾶς καὶ τῶν λιμένων, οἱ Μεγαρεῖς κατέφυγον ἐπὶ τοὺς Σπαρτιάτας. οἱ δὲ Λακεδαιμόνιοι πεισθέντες τοῖς Μεγαρεῦσιν ἀπέστειλαν πρέσβεις ἐκ τοῦ προφανεστάτου ἀπὸ τῆς τοῦ κοινοῦ συνεδρίου γνώμης προστάττοντες τοῖς Ἀθηναίοις ἀνελεῖν τὸ κατὰ τῶν Μεγαρέων ψήφισμα, μὴ πειθομένων δὲ αὐτῶν ἀπειλοῦντες πολεμήσειν αὐτοῖς μετὰ τῶν συμμάχων. [5] συναχθείσης οὖν περὶ τούτων ἐκκλησίας, ὁ Περικλῆς, δεινότητι λόγου πολὺ διαφέρων ἀπάντων τῶν πολιτῶν, ἔπεισε τοὺς

Ἀθηναίους μὴ ἀναιρεῖν τὸ ψήφισμα, λέγων ἀρχὴν δουλείας εἶναι τὸ πείθεσθαι παρὰ τὸ συμφέρον τοῖς Λακεδαιμονίων προστάγμασι. συνεβούλευεν οὖν τὰ ἀπὸ τῆς χώρας κατακομίζειν εἰς τὴν πόλιν καὶ θαλαττοκρατοῦντας διαπολεμεῖν τοῖς Σπαρτιάταις. 40. περὶ δὲ τοῦ πολέμου πεφροντισμένως ἀπολογισάμενος ἐξηριθμήσατο μὲν τὸ πλῆθος τῶν συμμάχων τῇ πόλει καὶ τὴν ὑπεροχὴν τῆς ναυτικῆς δυνάμεως, πρὸς δὲ τούτοις τὸ πλῆθος τῶν μετακεκομισμένων ἐκ Δήλου χρημάτων εἰς τὰς Ἀθήνας, ἃ συνέβαιναν ἐκ τῶν φόρων ταῖς πόλεσι κοινῇ συνηθοῖσθαι: [2] κοινῶν δ' ὄντων τῶν μυρίων ταλάντων ἀπανήλωτο πρὸς τὴν κατασκευὴν τῶν προπυλαίων καὶ τὴν Ποτιδαίας πολιορκίαν τετρακισχίλια τάλαντα: καὶ καθ' ἕκαστον ἐνιαυτὸν ἐκ τοῦ φόρου τῶν συμμάχων ἀνεφέρετο τάλαντα τετρακόσια ἐξήκοντα. χωρὶς δὲ τούτων τὰ τε πομπεῖα καὶ τὰ Μηδικὰ σκῦλα πεντακοσίων ἄξια ταλάντων ἀπεφνήατο, [3] ἔν τε τοῖς ἱεροῖς ἀπεδείκνυν ἀναθημάτων τε πλῆθος καὶ τὸ τῆς Ἀθηνᾶς ἄγαλμα ἔχειν χρυσοῦ πεντήκοντα τάλαντα, ὡς περιαιρετῆς οὔσης τῆς περὶ τὸν κόσμον κατασκευῆς: καὶ ταῦτα, ἀναγκαῖα εἰ καταλάβοι χρεῖα, χρησαμένους παρὰ τῶν θεῶν πάλιν ἀποκαταστήσειν ἐν εἰρήνῃ: τοὺς τε τῶν πολιτῶν βίους διὰ τὴν πολυχρόνιον εἰρήνην πολλὴν ἐπίδοσιν εἰληφέναι πρὸς εὐδαιμονίαν. [4] χωρὶς δὲ τῶν χρημάτων τούτων στρατιώτας ἀπεδείκνυν ἐπάρχειν τῇ πόλει χωρὶς συμμάχων καὶ τῶν ἐν τοῖς φρουρίοις ὄντων ὀπλίτας μὲν μυρίους καὶ δισχιλίους, τοὺς δ' ἐν τοῖς φρουρίοις ὄντας καὶ τοὺς μετοίκους ἐπάρχειν πλείους τῶν μυρίων ἑπτακισχιλίων, τριῆρεις τε τὰς παρούσας τριακοσίας. [5] τοὺς δὲ Λακεδαιμονίους χρημάτων τε σπανίζειν ἀπεδείκνυε καὶ ταῖς ναυτικαῖς δυνάμεσι πολὺ λείπεσθαι τῶν Ἀθηναίων. ταῦτα διελθὼν καὶ παρορμήσας τοὺς πολίτας εἰς τὸν πόλεμον, ἔπεισε τὸν δῆμον μὴ προσέχειν τοῖς Λακεδαιμονίοις. ταῦτα δὲ ῥαδίως συνετέλεσε διὰ τὴν δεινότητα τοῦ λόγου, δι' ἣν αἰτίαν ὠνομάσθη Ὀλύμπιος. [6] μέμνηται δὲ τούτων καὶ Ἀριστοφάνης ὁ τῆς ἀρχαίας κωμωδίας ποιητής, γεγωνὸς κατὰ τὴν τοῦ Περικλέους ἡλικίαν, ἐν τοῖσδε τοῖς τετραμέτροις,” ὃ λιπερνῆτες γεωργοί, τὰμά τις ξυνιέτω

ῥήματ', εἰ βούλεσθ' ἀκοῦσαι τήνδ' ὅπως ἀπώλετο.

πρῶτα μὲν γὰρ αὐτῆς ἦρχε Φειδίας πράξας κακῶς,

εἶτα Περικλῆς φοβηθεὶς μὴ μετάσχη τῆς τύχης,

ἐμβαλὼν σπινθῆρα μικρὸν Μεγαρικοῦ ψηφίσματος

“Eupolis fr. 94, 11.5-7 (Kock) 41.

αἰτίαι μὲν οὖν τοῦ Πελοποννησιακοῦ πολέμου τοιαυταί τινες ὑπῆρξαν, ὡς Ἐφορος ἀνέγραψε. τῶν δ' ἡγουμένων πόλεων τοῦτον τὸν τρόπον εἰς πόλεμον

ἐμπεσουσῶν, Λακεδαιμόνιοι μὲν μετὰ τῶν Πελοποννησίων συνεδρεύσαντες ἐψηφίσαντο πολεμεῖν τοῖς Ἀθηναίοις, καὶ πρὸς τὸν Περσῶν βασιλέα πρεσβεύσαντες παρεκάλουν συμμαχεῖν αὐτοῖς, καὶ τοὺς κατὰ τὴν Σικελίαν καὶ Ἰταλίαν συμμάχους διαπρεσβευσάμενοι διακοσίαις τριήρεσιν ἔπεισαν βοηθεῖν, [2] αὐτοὶ δὲ μετὰ τῶν Πελοποννησίων τὰς πεζὰς δυνάμεις διατάζαντες καὶ ἄλλα τὰ πρὸς τὸν πόλεμον ἡτοιμασμένοι πρῶτοι τοῦ πολέμου κατήρξαντο. κατὰ γὰρ τὴν Βοιωτίαν ἢ τῶν Πλαταιέων πόλις αὐτόνομος ἦν καὶ συμμαχίαν εἶχε πρὸς Ἀθηναίους. [3] ἐν ταύτῃ τῶν πολιτῶν τινες καταλῦσαι τὴν αὐτονομίαν βουλόμενοι διελέχθησαν τοῖς Βοιωτοῖς, ἐπαγγελλόμενοι τὴν πόλιν ὑπὸ τὴν τῶν Θηβαίων τάξιν συντέλειαν καὶ παραδῶσειν αὐτοῖς τὰς Πλαταιάς, ἐὰν αὐτοὶ στρατιώτας πέμψωσι τοὺς βοηθοῦντας. [4] διὸ καὶ τῶν Βοιωτῶν ἀποστειλάντων στρατιώτας ἐπiléκτους τριακοσίους νυκτός, οἱ προδόται τούτους παρειαγαγόντες ἐντὸς τῶν τειχῶν κυρίους τῆς πόλεως ἐποίησαν. [5] οἱ δὲ Πλαταιεῖς βουλόμενοι τὴν πρὸς Ἀθηναίους συμμαχίαν διαφυλάττειν, τὸ μὲν πρῶτον ὑπολαβόντες πανδημεὶ τοὺς Θηβαίους παρεῖναι, διεπρεσβεύσαντο πρὸς τοὺς κατειληφότας τὴν πόλιν καὶ παρεκάλουν συνθέσθαι σπονδὰς: ὥς δ' ἡ νύξ παρήλθε, κατανοήσαντες ὀλίγους ὄντας, συνεστράφησαν καὶ περὶ τῆς ἐλευθερίας ἐκθύμως ἠγωνίζοντο. [6] γενομένης δὲ τῆς μάχης ἐν ταῖς ὁδοῖς, τὸ μὲν πρῶτον οἱ Θηβαῖοι διὰ τὰς ἀρετὰς προεῖχον καὶ πολλοὺς τῶν ἀνθισταμένων ἀνήρουν: τῶν δ' οἰκετῶν καὶ τῶν παιδῶν ἀπὸ τῶν οἰκιῶν βαλλόντων τὰς κεραμῖδας καὶ κατατιτρωσκόντων τοὺς Θηβαίους ἐτράπησαν: καὶ τινὲς μὲν αὐτῶν ἐκπεσόντες ἐκ τῆς πόλεως διεσώθησαν, τινὲς δὲ εἰς οἰκίαν τινὰ καταφυγόντες ἠναγκάσθησαν παραδοῦναι σφᾶς αὐτούς. [7] οἱ δὲ Θηβαῖοι παρὰ τῶν ἐκ τῆς μάχης διασωθέντων πυθόμενοι τὰ συμβεβηκότα, παραχρῆμα πανδημεὶ κατὰ σπουδὴν ὥρμησαν. διὰ δὲ τὸ παράδοξον ἀνετοίμων ὄντων τῶν κατὰ τὴν χώραν, πολλοὶ μὲν ἀνῆρέθησαν, οὐκ ὀλίγοι δὲ ζῶντες συνελήφθησαν, ἅπαντα δ' ἡ χώρα ταραχῆς καὶ διαρπαγῆς ἔγεμεν. 42.

οἱ δὲ Πλαταιεῖς διαπρεσβευσάμενοι πρὸς τοὺς Θηβαίους ἠξίουσαν ἀπελθεῖν ἐκ τῆς χώρας αὐτῶν καὶ ἀπολαβεῖν τοὺς αἰχμαλώτους. διὸ καὶ τῆς συνθέσεως ταύτης γεγεννημένης οἱ μὲν Θηβαῖοι τοὺς αἰχμαλώτους ἀπολαβόντες καὶ τὴν λείαν ἀποδόντες εἰς τὰς Θήβας ἀπηλλάγησαν, οἱ δὲ Πλαταιεῖς πρὸς μὲν Ἀθηναίους ἔπεμψαν πρέσβεις περὶ βοηθείας, αὐτοὶ δὲ τὰ πλεῖστα ἐκόμισαν εἰς τὴν πόλιν. [2] οἱ δὲ Ἀθηναῖοι πυθόμενοι τὰ περὶ τὰς Πλαταιάς, παραχρῆμα ἐξέπεμψαν τοὺς ἱκανοὺς στρατιώτας: οὗτοι δὲ κατὰ σπουδὴν παραγενόμενοι, καὶ μὴ φθάσαντες τοὺς Θηβαίους, τὰ λοιπὰ τῶν ἀπὸ τῆς χώρας κατεκόμισαν εἰς τὴν πόλιν, καὶ τέκνα καὶ γυναῖκας καὶ τὸν ὄχλον ἀθροίσαντες ἐξαπέστειλαν εἰς τὰς Ἀθήνας. [3] οἱ δὲ Λακεδαιμόνιοι κρίναντες καταλελῦσθαι τὰς σπονδὰς ὑπὸ τῶν Ἀθηναίων, δύναμιν ἀξιόλογον ἤθροισαν ἐκ τε τῆς Λακεδαιμόνου καὶ παρὰ τῶν ἄλλων Πελοποννησίων. [4] συνεμάχουν δὲ τότε Λακεδαιμονίοις Πελοποννήσιοι μὲν πάντες πλὴν Ἀργεῖων: οὗτοι δ' ἡσυχίαν εἶχον: τῶν δ' ἐκτὸς τῆς Πελοποννήσου Μεγαρεῖς, Ἀμβρακιῶται, Λευκάδιοι, Φωκεῖς, Βοιωτοί, Λοκροὶ τῶν μὲν πρὸς Εὐβοίαν ἐστραμμένων οἱ πλείους, τῶν δ' ἄλλων Ἀμφισσεῖς. [5] τοῖς δ' Ἀθηναίοις συνεμάχουν οἱ τὴν παράλιον

τῆς Ἀσίας οἰκοῦντες Κᾶρες καὶ Ὠωριεῖς καὶ Ἰῶνες καὶ Ἑλλησπόντιοι καὶ νησιῶται πάντες πλὴν τῶν ἐν Μήλῳ καὶ Θήρᾳ κατοικοῦντων, ὁμοίως δὲ καὶ οἱ ἐπὶ Θράκης πλὴν Χαλκιδέων καὶ Ποτιδαιατῶν: πρὸς δὲ τούτοις Μεσσήνιοι μὲν οἱ τὴν Ναύπακτον οἰκοῦντες καὶ Κερκυραῖοι. τούτων ναυτικὸν παρείχοντο Χῖοι, Λέσβιοι, Κερκυραῖοι, αἱ δ' ἄλλαι πᾶσαι πεζοὺς στρατιώτας ἐξέπεμπον. σύμμαχοι μὲν οὖν ἀμφοτέροις ὑπῆρχον οἱ προειρημένοι. [6] Λακεδαιμόνιοι δὲ δύναμιν ἀξιόλογον προχειρισάμενοι τὴν ἡγεμονίαν ἔδωκαν Ἀρχιδάμῳ τῷ βασιλεῖ. οὗτος δὲ μετὰ τῆς δυνάμεως ἐνέβαλεν εἰς τὴν Ἀττικὴν, τοῖς δὲ φρουρίοις προσβολὰς ἐποιεῖτο καὶ τῆς χώρας πολλὴν ἐδήλωσε. τῶν δ' Ἀθηναίων παροξυνομένων διὰ τὴν τῆς χώρας καταδρομὴν, καὶ βουλομένων παρατάξασθαι τοῖς πολεμίοις, Περικλῆς στρατηγὸς ὢν καὶ τὴν ὅλην ἡγεμονίαν ἔχων παρεκάλει τοὺς νέους ἡσυχίαν ἔχειν, ἐπαγγελλόμενος ἄνευ κινδύνων ἐκβαλεῖν τοὺς Λακεδαιμονίους ἐκ τῆς Ἀττικῆς. [7] πληρώσας οὖν ἑκατὸν τριήρεις καὶ δύναμιν ἀξιόλογον εἰς τὰς ναῦς ἐνθέμενος, καὶ στρατηγὸν ἐπιστήσας Καρκίνον καὶ ἐτέρους τινάς, ἐξέπεμψεν εἰς τὴν Πελοπόννησον. οὗτοι δὲ πολλὴν τῆς παραθαλαττίου χώρας πορθήσαντες καὶ τινα τῶν φρουρίων ἐλόντες κατεπλήξαντο τοὺς Λακεδαιμονίους: διὸ καὶ τὴν ἐκ τῆς Ἀττικῆς δύναμιν ταχέως μεταπεμψάμενοι πολλὴν ἀσφάλειαν τοῖς Πελοποννησίοις παρείχοντο. [8] τούτῳ δὲ τῷ τρόπῳ τῆς Ἀττικῆς ἐλευθερωθείσης, ὁ μὲν Περικλῆς ἀποδοχῆς ἐτύγχανε παρὰ τοῖς πολίταις, ὡς δυνάμενος στρατηγεῖν καὶ τοῖς Λακεδαιμονίοις διαπολεμεῖν. 43.

ἐπ' ἄρχοντος δ' Ἀθηνῆσιν Ἀπολλοδώρου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Γεγάνιον καὶ Λούκιον Σέργιον. ἐπὶ δὲ τούτων ὁ τῶν Ἀθηναίων στρατηγὸς οὐ διέλιπε τὴν μὲν χώραν τῶν Πελοποννησίων λεηλατῶν καὶ καταφθείρων, τὰ δὲ φρούρια πολιορκῶν: προσγενομένων δὲ αὐτῷ πεντήκοντα τριήρων ἐκ τῆς Κερκύρας, πολὺ μᾶλλον ἐπόρθει τὴν Πελοποννησίων χώραν, καὶ μάλιστα τῆς παραθαλαττίου τὴν καλουμένην Ἀκτὴν ἐδήλου καὶ τὰς ἐπαύλεις ἐνεπύριζε. [2] μετὰ δὲ ταῦτα πλεύσας ἐπὶ Μεθώνην τῆς Λακωνικῆς, τὴν τε χώραν κατέσυρε καὶ τῇ πόλει προσβολὰς ἐποιεῖτο. ἔνθα δὴ Βρασιδᾶς ὁ Σπαρτιάτης, νέος μὲν ὢν τὴν ἡλικίαν, ἀλκῇ δὲ καὶ ἀνδρεία διαφέρων, ὁρῶν τὴν Μεθώνην κινδυνεύουσαν ἐκ βίας ἁλῶναι, παραλαβὼν τινας τῶν Σπαρτιατῶν διὰ μέσου τῶν πολεμίων ἐσκεδασμένων ἐτόλμησε διεκπερᾶσαι, καὶ πολλοὺς ἀνελὼν παρeisέπεσεν εἰς τὸ χωρίον. [3] γενομένης δὲ πολιορκίας, καὶ τοῦ Βρασιδίου λαμπρότατα κινδυνεύσαντος, Ἀθηναῖοι μὲν οὐ δυνάμενοι τὸ χωρίον ελεῖν ἀπεχώρησαν πρὸς τὰς ναῦς, Βρασιδᾶς δὲ διασεσωκὼς τὴν Μεθώνην διὰ τῆς ἰδίας ἀρετῆς καὶ ἀνδρείας ἀποδοχῆς ἔτυχε παρὰ τοῖς Σπαρτιάταις. διὰ δὲ τὴν ἀνδραγαθίαν ταύτην φρονηματισθεὶς, πολλάκις ἐν τοῖς ὕστερον χρόνοις παραβόλως ἀγωνιζόμενος μεγάλην δόξαν ἀνδρείας ἀπηνέγκατο. [4] Ἀθηναῖοι δὲ περιπλεύσαντες εἰς τὴν Ἥλειαν τὴν τε χώραν ἐπόρθουν καὶ Φειᾶν χωρίον Ἥλειων ἐπολιόρκουν. ἐκβοηθησάντων δὲ τῶν Ἥλειων, μάχῃ τε ἐνίκησαν καὶ πολλοὺς ἀποκτείναντες τῶν πολεμίων εἵλον τὰς Φειᾶς κατὰ κράτος. [5] μετὰ δὲ ταῦτα τῶν Ἥλειων πανδημεὶ παραταξαμένων ἀπεκρούσθησαν εἰς τὰς ναῦς: εἴτ' ἀποπλεύσαντες εἰς τὴν Κεφαλληνίαν, καὶ τοὺς ταύτην κατοικοῦντας εἰς τὴν

συμμαχίαν προσαγαγόμενοι, τὸν εἰς τὰς Ἀθήνας πλοῦν ἐποιήσαντο. 44. μετὰ δὲ ταῦτα Ἀθηναῖοι στρατηγὸν προχειρισάμενοι Κλεόπομπον ἐξαπέστειλαν μετὰ νεῶν τριάκοντα, προστάξαντες τήν τε Εὐβοίαν παραφυλάττειν καὶ Λοκροῖς πολεμεῖν. ὁ δ' ἐκπλεύσας τήν τε παραθαλάττιον τῆς Λοκρίδος ἐδήλωσε καὶ πόλιν Θρόνιον ἐξεπολιόρκησε, τοῖς δ' ἀντιταξαμένοις τῶν Λοκρῶν συνάψας μάχην ἐνίκησε περὶ πόλιν Ἀλόπην. ἔπειτα τὴν προκειμένην τῆς Λοκρίδος νῆσον, ὀνομαζομένην Ἀταλάντην, ἐπιτείχισμα τῆς Λοκρίδος κατεσκεύασε, πολεμῶν πρὸς τοὺς ἐγγχωρίους. [2] Ἀθηναῖοι δ' ἐγκαλοῦντες Αἰγινήταις ὥς συνηρηγῶσι Λακεδαιμονίοις ἀνέστησαν αὐτοὺς ἐκ τῆς πόλεως, ἐκ δὲ τῶν πολιτῶν οἰκήτορας ἐκπέμψαντες κατεκληρούχησαν τήν τε Αἴγιναν καὶ τὴν χώραν. [3] Λακεδαιμόνιοι δὲ τοῖς ἐκπεπωκόσιν Αἰγινήταις ἔδωκαν οἰκεῖν τὰς καλουμένας Θυρέας διὰ τὸ καὶ τοὺς Ἀθηναίους δεδωκέναι τοῖς ἐκ Μεσσήνης ἐκβληθεῖσι κατοικεῖν Ναύπακτον. Ἀθηναῖοι δὲ Περικλέα μετὰ δυνάμεως ἐξέπεμψαν πολεμήσοντα τοῖς Μεγαρεῦσιν. οὗτος δὲ πορθήσας τὴν χώραν καὶ τὰς κτήσεις αὐτῶν λυμηνάμενος μετὰ πολλῆς ὠφελείας ἐπανῆλθεν εἰς τὰς Ἀθήνας. 45. Λακεδαιμόνιοι δὲ μετὰ Πελοποννησίων καὶ τῶν ἄλλων συμμάχων ἐνέβαλον εἰς τὴν Ἀττικὴν τὸ δεῦτερον. ἐπιτορευόμενοι δὲ τὴν χώραν ἐδενδροτόμουν καὶ τὰς ἐπαύλεις ἐνεπύριζον, καὶ πᾶσαν σχεδὸν τὴν γῆν ἐλυμήναντο πλὴν τῆς καλουμένης Τετραπόλεως· ταύτης δ' ἀπέσχοντο διὰ τὸ τοὺς προγόνους αὐτῶν ἐνταῦθα κατῴκηκεναι καὶ τὸν Εὐρυσθέα νενικηκέναι τὴν ὁρμὴν ἐκ ταύτης ποιησαμένους· δίκαιον γὰρ ἡγοῦντο τοῖς εὐηργετηκόσι τοὺς προγόνους, παρὰ τῶν ἐκγόνων τὰς προσηκούσας εὐεργεσίας ἀπολαμβάνειν. [2] οἱ δ' Ἀθηναῖοι παρατάξασθαι μὲν οὐκ ἐτόλμων, συνεχόμενοι δ' ἐντὸς τῶν τειχῶν ἐνέπεσον εἰς λοιμικὴν περίστασιν· πολλοῦ γὰρ πλήθους καὶ παντοδαποῦ συνερρηκότος εἰς τὴν πόλιν διὰ τὴν στενοχωρίαν εὐλόγως εἰς νόσους ἐνέπιπτον, ἔλκοντες ἀέρα διεφθαρμένον. [3] διόπερ οὐ δυνάμενοι τοὺς πολεμίους ἐκβαλεῖν ἐκ τῆς χώρας, πάλιν ναῦς πολλὰς ἐξέπεμπον εἰς Πελοπόννησον στρατηγὸν ἐπιστήσαντες Περικλέα. οὗτος δὲ πολλὴν χώραν τῆς παραθαλαττίου δηώσας καὶ τινὰς πόλεις πορθήσας, ἐποίησεν ἀπελθεῖν ἐκ τῆς Ἀττικῆς τοὺς Λακεδαιμονίους. [4] μετὰ δὲ ταῦθ' οἱ Ἀθηναῖοι, τῆς μὲν χώρας δεδενδροκοπημένης, τῆς δὲ νόσου πολλοὺς διαφθειρούσης, ἐν ἀθυμίᾳ καθειστήκεσαν, καὶ τὸν Περικλέα νομίζοντες αἴτιον αὐτοῖς γεγονέναι τοῦ πολέμου δι' ὀργῆς εἶχον. διόπερ ἀποστήσαντες αὐτὸν τῆς στρατηγίας, καὶ μικράς τινὰς ἀφορμὰς ἐγκλημάτων λαβόντες, ἐξημίωσαν αὐτὸν ὀγδοήκοντα ταλάντοις. [5] μετὰ δὲ ταῦτα πρεσβείας ἀποστειλαντες Λακεδαιμονίοις ἡξίουσαν καταλύσασθαι τὸν πόλεμον· ὥς δὲ οὐδείς αὐτοῖς προσεῖχεν, ἠναγκάζοντο πάλιν τὸν Περικλέα στρατηγὸν αἰρεῖσθαι. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 46.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἑπαμείνωνος Ῥωμαῖοι κατέστησαν ὑπάτους Λεύκιον Παπίριον καὶ Αὔλον Κορνήλιον Μακερίνον. ἐπὶ δὲ τούτων ἐν μὲν ταῖς Ἀθήναις Περικλῆς ὁ στρατηγὸς ἐτελεύτησεν, ἀνὴρ γένει καὶ πλούτῳ, πρὸς δὲ τούτοις δεινότητι λόγου καὶ στρατηγία πολὺν προέχων τῶν πολιτῶν. [2] ὁ δὲ δῆμος φιλοτιμούμενος κατὰ κράτος ἐλεῖν τὴν Ποτίδιαν, ἐξαπέστειλεν

Ἄγωννα στρατηγὸν ἔχοντα τὴν δύναμιν ἦν πρότερον εἶχε Περικλῆς. οὗτος δὲ μετὰ παντὸς τοῦ στόλου καταπλεύσας εἰς τὴν Ποτίδαιαν παρεσκευάσατο τὰ πρὸς τὴν πολιορκίαν: μηχανὰς τε γὰρ παντοδαπὰς παρεσκεύασε πολιορκητικὰς καὶ ὄπλων καὶ βελῶν πλῆθος, ἔτι δὲ σίτου δαψίλειαν ἱκανὴν πάσῃ τῇ δυνάμει. προσβολὰς δὲ ποιούμενος συνεχεῖς καθ' ἑκάστην ἡμέραν διέτριβε πολὺν χρόνον, οὐ δυνάμενος ἐλεῖν τὴν πόλιν. [3] οἱ μὲν γὰρ πολιορκούμενοι διὰ τὸν ἐκ τῆς ἀλώσεως φόβον ἐρρωμένως ἡμύνοντο καὶ ταῖς ὑπεροχαῖς τῶν τειχῶν πεποιθότες ἐπλεονέκτουσαν τοὺς ἐκ τοῦ λιμένος: ἡ δὲ νόσος τοὺς πολιορκοῦντας συνέχουσα πολλοὺς ἀνήρει, καὶ τὸ στρατόπεδον ἄθυμία κατεῖχεν. [4] ὁ δ' Ἄγων εἰδὼς τοὺς Ἀθηναίους δεδαπανηκότας εἰς τὴν πολιορκίαν πλείω τῶν χιλίων ταλάντων καὶ χαλεπῶς διακειμένους πρὸς τοὺς Ποτιδαιάτας διὰ τὸ πρῶτους ἀποστῆναι πρὸς τοὺς Λακεδαιμονίους, ἐφοβεῖτο λῦσαι τὴν πολιορκίαν: διόπερ ἠναγκάζετο διακαρτερεῖν καὶ τοὺς στρατιώτας ἀναγκάζειν παρὰ δύναμιν βίαν προσάγειν τῇ πόλει. [5] ἐπεὶ δὲ τῶν πολιτῶν πολλοὶ διεφθείροντο κατὰ τὰς προσβολὰς καὶ κατὰ τὴν ἐκ τοῦ λοιμοῦ νόσον, ἀπολιπὼν μέρος τῆς δυνάμεως ἐπὶ τῆς πολιορκίας ἀπέπλευσεν εἰς τὰς Ἀθήνας, ἀποβεβληκὼς τῶν στρατιωτῶν πλείους τῶν χιλίων. [6] ἀπελθόντων δὲ τούτων οἱ Ποτιδαιᾶται, τοῦ τε σίτου παντελῶς ἐκλιπόντος καὶ τῶν κατὰ τὴν πόλιν ἄθυμούντων, ἐπεκηρυκέυσαντο πρὸς τοὺς πολιορκοῦντας περὶ διαλύσεως. ἀσμένως δὲ κἀκείνων προσδεξαμένων διαλύσεις ἐποιήσαντο τοιαύτας, ἀπελθεῖν ἐκ τῆς πόλεως ἅπαντας τοὺς Ποτιδαιάτας, ἄλλο μὲν μὴθὲν λαβόντας, ἔχοντας δὲ τοὺς μὲν ἄνδρας ἱμάτιον ἓν, τὰς δὲ γυναῖκας δύο. [7] γενομένων δὲ τούτων τῶν σπονδῶν οἱ μὲν Ποτιδαιᾶται πάντες μετὰ γυναικῶν καὶ τέκνων ἐξέλιπον τὴν πατρίδα κατὰ τὰς συνθήκας, καὶ παρελθόντες εἰς τοὺς ἐπὶ Θράκης Χαλκιδεῖς παρ' αὐτοῖς κατώκησαν: οἱ δ' Ἀθηναῖοι τῶν πολιτῶν εἰς χιλίους οἰκῆτορας ἐξέπεμψαν εἰς τὴν Ποτίδαιαν, καὶ τὴν τε πόλιν καὶ τὴν χώραν κατεκληρούχησαν. 47.

Ἀθηναῖοι δὲ Φορμίωνα στρατηγὸν προχειρισάμενοι μετὰ εἴκοσι τριήρων ἐξαπέστειλαν. οὗτος δὲ περιπλεύσας τὴν Πελοπόννησον εἰς Ναύπακτον κατῆρε, καὶ θαλαττοκρατῶν τοῦ Κρισαίου κόλπου διεκώλυσε ταύτῃ πλεῖν τοὺς Λακεδαιμονίους. Λακεδαιμόνιοι δὲ δύναμιν ἀξιόλογον ἐξέπεμψαν μετ' Ἀρχιδάμου τοῦ βασιλέως: οὗτος δὲ παρελθὼν τῆς Βοιωτίας εἰς Πλαταιὰς ἐστρατοπέδευσε. μελλόντων δ' αὐτῶν δηοῦν τὴν χώραν, καὶ παρακαλούντων τοὺς Πλαταιεῖς ἀποστῆναι τῶν Ἀθηναίων, ὥς οὐ προσεῖχον αὐτοῖς, ἐπόρθησε τὴν χώραν καὶ τὰς κατ' αὐτὴν κτήσεις ἐλυμήνατο. [2] μετὰ δὲ ταῦτα τὴν πόλιν περιτειχίσας ἤλιπζε τῇ σπάνει τῶν ἀναγκαίων καταπονήσειν τοὺς Πλαταιεῖς: οὐδὲν δ' ἤττον καὶ μηχανὰς προσάγοντες καὶ διὰ τούτων σαλεύοντες τὰ τεῖχη καὶ προσβολὰς ἀδιαλείπτως ποιούμενοι διετέλουν. ἐπεὶ δὲ οὐδὲ διὰ τῶν προσβολῶν ἡδύναντο χειρώσασθαι τὴν πόλιν, ἀπολιπόντες τὴν ἱκανὴν φυλακὴν ἐπανῆλθον εἰς Πελοπόννησον. [3] Ἀθηναῖοι δὲ στρατηγοὺς καταστήσαντες Ξενοφῶντα καὶ Φανόμαχον ἀπέστειλαν ἐπὶ Θράκην μετὰ στρατιωτῶν χιλίων. οὗτοι δὲ παραγενηθέντες εἰς Σπάρτωλον τῆς Βοττικῆς ἔτεμον τὴν χώραν, καὶ τὸν σῖτον ἐν χλῳῇ διέφθειραν. προσβοηθησάντων δὲ τοῖς Βοττιαίοις Ὀλυνθίων, ἠττήθησαν ὑπὸ τούτων μάχη: ἀνῆρέθησαν δὲ τῶν

Ἀθηναίων οἱ τε στρατηγοὶ καὶ τῶν στρατιωτῶν οἱ πλείους. [4] ἅμα δὲ τούτοις πραπτομένοις Λακεδαιμόνιοι πεισθέντες ὑπὸ Ἀμβρακιωτῶν ἐστράτευσαν εἰς Ἀκαρνανίαν. ἡγούμενος δὲ τούτων Κνήμος εἶχε στρατιώτας πεζοὺς χιλιούς καὶ ναῦς ὀλίγας· προσλαβόμενος δὲ καὶ παρὰ τῶν συμμάχων στρατιώτας τοὺς ἱκανοὺς ἤκεν εἰς τὴν Ἀκαρνανίαν καὶ κατεστρατοπέδευσε πλησίον πόλεως τῆς ὀνομαζομένης Στράτου. [5] οἱ δὲ Ἀκαρνανεὺς συστραφέντες καὶ τοῖς πολεμίοις ἐνεδρεύσαντες πολλοὺς ἀπέκτειναν, καὶ συνηνάγκασαν τὸν Κνήμον ἀπαγαγεῖν τὴν δύναμιν εἰς τοὺς ὀνομαζομένους Οἰνιάδας. 48.

Περὶ δὲ τοὺς αὐτοὺς χρόνους Φορμίων ὁ τῶν Ἀθηναίων στρατηγὸς ἔχων εἴκοσι τριήρεις περιέτυχε ναυσὶ Λακεδαιμονίων ἐπτὰ πρὸς ταῖς τετταράκοντα. ναυμαχίᾳς δὲ πρὸς ταύτας τὴν τε στρατηγίδα ναὺν τῶν πολεμίων κατέδυσσε καὶ τῶν ἄλλων πολλὰς ἄπλους ἐποίησε, δώδεκα δὲ αὐτάνδρους εἴλε, τὰς δὲ λοιπὰς μέχρι τῆς γῆς κατεδίωξεν. οἱ δὲ Λακεδαιμόνιοι παρ' ἐλπίδας ἡττηθέντες ταῖς ὑπολειφθείσαις ναυσὶν ἔφυγον εἰς Πάτρας τῆς Ἀχαΐας. αὕτη μὲν οὖν ἡ ναυμαχία συνέστη περὶ τὸ Ῥίον καλούμενον. οἱ δ' Ἀθηναῖοι τρόπαιον στήσαντες καὶ τῷ Ποσειδῶνι περὶ τὸν πορθμὸν ναὺν καθιερώσαντες ἀπέπλευσαν εἰς πόλιν συμμαχίδα Ναύπακτον. [2] Λακεδαιμόνιοι δ' ἑτέρας ναῦς ἐξέπεμψαν εἰς τὰς Πάτρας. αὗται δὲ προσλαβόμεναι τὰς ἐκ τῆς ναυμαχίας περιλειμμένας τριήρεις ἡθροίσθησαν εἰς τὸ Ῥίον· εἰς τὸν αὐτὸν δὲ τόπον καὶ τὸ πεζὸν στρατόπεδον τῶν Πελοποννησίων κατήντησε καὶ πλησίον τοῦ στόλου κατεστρατοπέδευσε. [3] Φορμίων δὲ τῇ προγεγενημένῃ νίκῃ φρονηματισθεὶς ἐτόλμησεν ἐπιθέσθαι ταῖς πολεμίαις ναυσὶν οὖσαις πολλαπλασίαις· καὶ τινὰς αὐτῶν καταδύσας καὶ τῶν ἰδίων ἀποβαλὼν ἀμφίδοξον ἔσχε τὴν νίκην. μετὰ δὲ ταῦτα Ἀθηναίων ἀποστειλάντων εἴκοσι τριήρεις, οἱ Λακεδαιμόνιοι φοβηθέντες ἀπέπλευσαν εἰς τὴν Κόρινθον, οὐ τολμῶντες ναυμαχεῖν. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 49.

ἐπ' ἄρχοντος δ' Ἀθήνησι Διοτίμου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Γάιον Ἰούλιον καὶ Πρόκλον Οὐεργίνιον Τρίκοστον, Ἡλεῖοι δ' ἤγαγον Ὀλυμπιάδα ὀγδόην πρὸς ταῖς ὀγδοήκοντα, καθ' ἣν ἐνίκα στάδιον Σύμμαχος Μεσσήνιος ἀπὸ Σικελίας. [2] ἐπὶ δὲ τούτων Κνήμος ὁ τῶν Λακεδαιμονίων ναύαρχος ἐν τῇ Κορίνθῳ διατρίβων ἔκρινε τὸν Πειραιᾶ καταλαβέσθαι. ἐπυνθάνετο γὰρ μήτε ναῦς ἐν αὐτῷ καθειλκυσμένας ὑπάρχειν μήτε στρατιώτας εἶναι τεταγμένους ἐπὶ τῆς φυλακῆς· τοὺς γὰρ Ἀθηναίους ἀμελῶς ἔχειν περὶ τῆς τούτου φυλακῆς διὰ τὸ μηδαμῶς ἐλπίζειν τολμῆσαι τινὰς καταλαβέσθαι τὸν τόπον. [3] διόπερ ἐν τοῖς Μεγάροις καθελκύσας τὰς νενεωκημένας τετταράκοντα τριήρεις νυκτὸς ἔπλευσεν εἰς τὴν Σαλαμῖνα· προσπεσὼν δ' ἀπροσδοκῆτως εἰς τὸ φρούριον τῆς Σαλαμῖνος τὸ καλούμενον Βουδόριον, τρεῖς ναῦς ἀπέσπασε καὶ τὴν ὅλην Σαλαμῖνα κατέδραμε. [4] τῶν δὲ Σαλαμινίων πυρσευσάντων τοῖς κατὰ τὴν Ἀττικὴν, οἱ μὲν Ἀθηναῖοι δόξαντες τὸν Πειραιᾶ κατειληφθαι ταχέως ἐξεβοήθουν μετὰ πολλῆς ταραχῆς· γνόντες δὲ τὸ γεγονός, ταχέως πληρώσαντες ναῦς ἱκανὰς ἔπλεον εἰς τὴν Σαλαμῖνα. [5] οἱ δὲ Πελοποννήσιοι τῆς ἐπιβολῆς διαγυεσθέντες ἀπέπλευσαν ἐκ τῆς Σαλαμῖνος εἰς τὴν οἰκίαν. οἱ δ' Ἀθηναῖοι, τῶν πολεμίων ἀποπεπλευκότων, τῆς μὲν Σαλαμῖνος ἐπιμελεστέραν φυλακὴν ἐποίησαντο καὶ

κατέλιπον φρουρούς τοὺς ἱκανοὺς, τὸν δὲ Πειραιᾷ κλείθροισι καὶ φυλακαῖς ἱκαναῖς διαλαβόντες ὠχύρωσαν. 50.

περὶ δὲ τοὺς αὐτοὺς χρόνους Σιτάλκης ὁ τῶν Θρακῶν βασιλεὺς παρελήφει μὲν βασιλείαν ὀλίγην χώραν, διὰ δὲ τὴν ἰδίαν ἀνδρείαν καὶ σύνεσιν ἐπὶ πολὺ τὴν δυναστείαν ἠὔξησεν, ἐπιεικῶς μὲν ἄρχων τῶν ὑποτεταγμένων, ἀνδρεῖος δ' ὢν ἐν ταῖς μάχαις καὶ στρατηγικός, ἔτι δὲ τῶν προσόδων μεγάλην ποιούμενος ἐπιμέλειαν. τὸ δὲ τέλος ἐπὶ τοσοῦτον δυνάμεως προήλθεν, ὥστε χώρας ἄρξαι πλείστης τῶν πρὸ αὐτοῦ βασιλευσάντων κατὰ τὴν Θράκην. [2] ἡ μὲν γὰρ παραθαλάττιος αὐτῆς ἀπὸ τῆς Ἀβδηριτῶν χώρας τὴν ἀρχὴν ἔχουσα διέτεινε μέχρι τοῦ Ἰστρου ποταμοῦ, ἀπὸ δὲ θαλάττης εἰς τὸ μεσόγειον πορευομένῳ τοσοῦτον εἶχε διάστημα, ὥστε πεζὸν εὗζωνον ὁδοιπορῆσαι ἡμέρας δέκα τρεῖς. τηλικαύτης δὲ χώρας βασιλεύων ἐλάμβανε προσόδους καθ' ἕκαστον ἑνιαυτὸν πλείω χιλίων ταλάντων. [3] κατὰ δὲ τοὺς ὑποκειμένους καιροὺς ἔχων πόλεμον ἤθροισεν ἐκ τῆς Θράκης στρατιώτας πεζοὺς μὲν πλείους τῶν δώδεκα μυριάδων, ἵππεις δὲ πεντακισμυρίους. ἀναγκαῖον δ' ἐστὶ τοῦ πολέμου τούτου προεκθέσθαι τὰς αἰτίας, ἵνα σαφὴς ὁ περὶ αὐτοῦ λόγος ὑπάρξῃ τοῖς ἀναγινώσκουσι. Σιτάλκης τοίνυν πρὸς Ἀθηναίους φιλίαν συνθέμενος ὠμολόγησεν αὐτοῖς συμμαχῆσαι τὸν ἐπὶ Θράκης πόλεμον: διόπερ βουλόμενος τοὺς Χαλκιδεῖς σὺν τοῖς Ἀθηναίοις καταπολεμῆσαι, παρεσκευάζετο δύναμιν ἀξιόλογον. [4] ἅμα δὲ καὶ πρὸς Περδίκκαν τὸν βασιλέα τῶν Μακεδόνων ἀλλοτρίως διακείμενος, ἔκρινε κατάγειν ἐπὶ τὴν Μακεδονικὴν βασιλείαν Ἀμύνταν τὸν Φιλίππου. δι' ἀμφοτέρας οὖν τὰς προειρημένας αἰτίας ἦν ἀναγκαῖον αὐτῷ συστήσασθαι δύναμιν ἀξιόλογον. ὥς δ' αὐτῷ τὰ πρὸς τὴν στρατείαν εὐτρεπῆ κατεσκεύαστο, προήγαγε τὴν δύναμιν ἅπασαν, καὶ διελθὼν τὴν Θράκην ἐνέβαλεν εἰς τὴν Μακεδονίαν. [5] οἱ δὲ Μακεδόνες τὸ μέγεθος τῆς δυνάμεως καταπλαγέντες παρατάξασθαι μὲν οὐκ ἐτόλμησαν, ἐκκομίσαντες δὲ τὸν τε σῆτον καὶ τῶν χρημάτων ὅσα δυνατόν ἦν εἰς τὰ καρτερώτατα φρούρια, μένοντες ἐν τούτοις ἡσυχίαν εἶχον. [6] οἱ δὲ Θρᾶκες καταγαγόντες τὸν Ἀμύνταν ἐπὶ τὴν βασιλείαν τὸ μὲν πρῶτον διὰ λόγων καὶ πρεσβειῶν ἐπειρῶντο προσάγεσθαι τὰς πόλεις, ὥς δ' οὐδεὶς αὐτοῖς προσεῖχεν, εὐθύς τῷ πρῶτῳ φρουρίῳ προσβαλόντες κατὰ κράτος εἶλον. [7] μετὰ δὲ ταῦτά τινες τῶν πόλεων καὶ τῶν φρουρίων διὰ τὸν φόβον ἐκουσίως ὑπετάγησαν. πορθήσαντες δὲ πᾶσαν τὴν Μακεδονίαν καὶ πολλῆς ὠφελείας κύριοι γενόμενοι μετέβησαν ἐπὶ τὰς Ἑλληνίδας πόλεις τὰς τῶν Χαλκιδέων. 51.

τοῦ δὲ Σιτάλκου περὶ ταῦτα διατρίβοντος Θετταλοὶ καὶ Ἀχαιοὶ καὶ Μάγνητες καὶ οἱ ἄλλοι πάντες Ἑλλήνες ὅσοι κατὰ κράτος μεταξὺ Μακεδονίας καὶ Θερμοπυλῶν, συνεφρόνησαν καὶ δύναμιν ἀξιόλογον κοινῇ συνεστήσαντο: εὐλαβοῦντο γὰρ μήποτε τοσαύταις μυριάσιν οἱ Θρᾶκες ἐμβάλωσιν αὐτῶν εἰς τὴν χώραν, καὶ κινδυνεύσωσι ταῖς πατρίσι. [2] τὸ δ' αὐτὸ καὶ τῶν Χαλκιδέων ποιησάντων, Σιτάλκης πυθόμενος τοὺς Ἑλλήνας ἀδρὰς δυνάμεις συνηθροικῆναι καὶ τοὺς στρατιώτας ὑπὸ τοῦ χειμῶνος ἐνοχλουμένους ἐννοοῦμενος, πρὸς μὲν τὸν Περδίκκαν διαλυσάμενος ἐπιγαμίας ἐποιήσατο, τὰς δὲ δυνάμεις ἀπήγαγεν εἰς τὴν Θράκην. 52.

ἅμα δὲ τούτοις πραττομένοις Λακεδαιμόνιοι μὲν παραλαβόντες τοὺς ἐκ Πελοποννήσου συμμάχους εἰσέβαλον εἰς τὴν Ἀττικὴν, ἔχοντες τὴν ἡγεμονίαν Ἀρχιδάμου τοῦ βασιλέως, τὸν δὲ σῖτον ἐν τῇ γλῶῃ διέφθειραν, καὶ τὴν χώραν δηώσαντες ἐπανήλθον εἰς τὰς πατρίδας. [2] οἱ δ' Ἀθηναῖοι παρατάξασθαι μὲν οὐ τολμῶντες, ὑπὸ δὲ τῆς νόσου καὶ τῆς σιτοδείας πιεζόμενοι, κακὰς περὶ τοῦ μέλλοντος ἐλάμβανον ἐλπίδας. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 53.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Εὐκλείδου Ῥωμαῖοι κατέστησαν ἀντὶ τῶν ὑπάτων χιλιάρχους τρεῖς, Μάρκον Μάνιον, Κόιντον Σουλπίκιον Πραιτέξτατον, Σερούιον Κορνήλιον Κόσσον. ἐπὶ δὲ τούτων κατὰ τὴν Σικελίαν Λεοντῖνοι, Χαλκιδέων μὲν ὄντες ἄποικοι, συγγενεῖς δὲ Ἀθηναίων, ἔτυχον ὑπὸ Συρακοσίων πολεμούμενοι. πιεζόμενοι δὲ τῷ πολέμῳ, καὶ διὰ τὴν ὑπεροχὴν τῶν Συρακοσίων κινδυνεύοντες ἀλῶναι κατὰ κράτος, ἐξέπεμψαν πρέσβεις εἰς τὰς Ἀθήνας, ἀξιοῦντες τὸν δῆμον βοηθῆσαι τὴν ταχίστην καὶ τὴν πόλιν ἑαυτῶν ἐκ τῶν κινδύνων ῥύσασθαι. [2] ἦν δὲ τῶν ἀπεσταλμένων ἀρχιπρεσβευτῆς Γοργίας ὁ ῥήτωρ, δεινότητι λόγου πολὺ προέχων πάντων τῶν καθ' ἑαυτόν. οὗτος καὶ τέχνας ῥητορικὰς πρῶτος ἐξεῦρε καὶ κατὰ τὴν σοφιστείαν τοσοῦτο τοὺς ἄλλους ὑπερέβαλεν, ὥστε μισθὸν λαμβάνειν παρὰ τῶν μαθητῶν μνᾶς ἑκατόν. [3] οὗτος οὖν καταντήσας εἰς τὰς Ἀθήνας καὶ παραχθεὶς εἰς τὸν δῆμον διελέχθη τοῖς Ἀθηναίοις περὶ τῆς συμμαχίας, καὶ τῷ ξενίζοντι τῆς λέξεως ἐξέπληξε τοὺς Ἀθηναίους ὄντας εὐφυεῖς καὶ φιλολόγους. [4] πρῶτος γὰρ ἐχρήσατο τοῖς τῆς λέξεως σχηματισμοῖς περιπτοτέροις καὶ τῇ φιλοτεχνίᾳ διαφέρουσιν, ἀντιθέτοις καὶ ἰσοκάλους καὶ παρίσοις καὶ ὁμοιοτελεῦτοις καὶ τισιν ἐτέροις τοιούτοις, ἃ τότε μὲν διὰ τὸ ξένον τῆς κατασκευῆς ἀποδοχῆς ἤξιοῦτο, νῦν δὲ περιεργίαν ἔχειν δοκεῖ καὶ φαίνεται καταγέλαστα πλεονάκις καὶ κατακόρως τιθέμενα. [5] τέλος δὲ πείσας τοὺς Ἀθηναίους συμμαχεῖν τοῖς Λεοντίνιοις, οὗτος μὲν θαυμασθεὶς ἐν ταῖς Ἀθήναις ἐπὶ τέχνῃ ῥητορικῇ τὴν εἰς Λεοντίνους ἐπάνοδον ἐποιήσατο. 54.

Ἀθηναῖοι δὲ καὶ πάλαι μὲν ἦσαν ἐπιθυμηταὶ τῆς Σικελίας διὰ τὴν ἀρετὴν τῆς χώρας, καὶ τότε δ' ἀσμένως προσδεξάμενοι τοὺς τοῦ Γοργίου λόγους ἐψηφίσαντο συμμαχίαν ἐκπέμπειν τοῖς Λεοντίνιοις, πρόφασιν μὲν φέροντες τὴν τῶν συγγενῶν χρεῖαν καὶ δέησιν, τῇ δ' ἀληθείᾳ τὴν νῆσον σπεύδοντες κατακτήσασθαι. [2] καὶ γὰρ οὐ πολλοῖς ἔτεσι πρότερον τῶν τε Κορινθίων καὶ τῶν Κερκυραίων διαπολεμούντων μὲν πρὸς ἀλλήλους, φιλοτιμηθέντων δ' ἀμφοτέρων συμμάχους λαβεῖν τοὺς Ἀθηναίους, προέκρινεν ὁ δῆμος συμμαχεῖν τοῖς Κερκυραίοις διὰ τὸ τὴν Κέρκυραν εὐφυῶς κεῖσθαι πρὸς τὸν εἰς Σικελίαν πλοῦν. [3] καθόλου γὰρ οἱ Ἀθηναῖοι κατακτησάμενοι τὴν τῆς θαλάττης ἡγεμονίαν καὶ μεγάλας πράξεις ἐπιτελεσάμενοι συμμάχων τε πολλῶν εὐπόρουν καὶ δυνάμεις μεγίστας ἐκέκτηντο καὶ χρημάτων τε πλῆθος ἔτοιμον παρέλαβον, μετακομίσαντες ἐκ Δήλου τὰ κοινὰ χρήματα τῶν Ἑλλήνων, ὄντα πλείω τῶν μυρίων ταλάντων, ἡγεμόσι τε μεγάλοις καὶ διὰ στρατηγίαν δεδοκιμασμένοις ἐχρήσαντο, καὶ διὰ τούτων ἀπάντων ἡλιζον καταπολεμήσειν μὲν τοὺς Λακεδαιμονίους, πάσης δὲ τῆς Ἑλλάδος τὴν ἡγεμονίαν περιπεποιημένοι ἀνθέξασθαι τῆς Σικελίας. [4] διὰ ταύτας οὖν τὰς

αἰτίας ψηφισάμενοι βοηθεῖν τοῖς Λεοντίνοις ἐξέπεμψαν εἰς τὴν Σικελίαν ναῦς εἴκοσι καὶ στρατηγούς Λάχητα καὶ Χαροιάδην. οὗτοι δὲ πλεύσαντες εἰς τὸ Ῥήγιον προσελάβοντο ναῦς εἴκοσι παρὰ τῶν Ῥηγίνων καὶ τῶν ἄλλων Χαλκιδέων ἀποίκων. ἐντεῦθεν δ' ὁρμώμενοι τὸ μὲν πρῶτον τὰς Λιπαραίων νήσους κατέδραμον διὰ τὸ συμμαχεῖν τοὺς Λιπαραίους τοῖς Συρακοσίοις, μετὰ δὲ ταῦτα ἐπὶ Λοκροὺς πλεύσαντες καὶ πέντε νεῶν Λοκρίδων κυριεύσαντες, Μύλας φρούριον ἐπολιόρκησαν. [5] ἐπιβοηθησάντων δὲ τῶν πλησιοχώρων Σικελιωτῶν τοῖς Μυλαίοις ἐγένετο μάχη, καθ' ἣν Ἀθηναῖοι νικήσαντες ἀπέκτειναν μὲν πλείους τῶν χιλίων, ἐζώγρησαν δὲ οὐκ ἐλάττους τῶν ἑξακοσίων· εὐθὺς δὲ καὶ τὸ φρούριον ἐκπολιορκήσαντες κατέσχον. [6] τούτων δὲ πραττομένων κατέπλευσαν νῆες τετταράκοντα, ἃς ἀπέστειλεν ὁ δῆμος, κρίνων γενναιότερον ἅπτεσθαι τοῦ πολέμου· ἡγεῖτο δ' αὐτῶν Εὐρυμέδων καὶ Σοφοκλῆς. ἄθροισθεῖσιν δὲ τῶν τριήρων εἰς ἓνα τόπον ἀξιόλογος ἤδη στόλος κατεσκεύαστο, συγκεῖμενος ἐκ τριήρων ὀγδοήκοντα. [7] τοῦ δὲ πολέμου χρονίζοντος οἱ Λεοντίνοι διαπρεσβευσάμενοι πρὸς τοὺς Συρακοσίους διελύθησαν. διόπερ αἱ μὲν τῶν Ἀθηναίων τριήρεις ἀπέπλευσαν εἰς τὴν οἰκείαν, οἱ δὲ Συρακοῖοι τοῖς Λεοντίνοις μεταδόντες τῆς πολιτείας ἅπαντας Συρακοσίους ἐποίησαν, καὶ τὴν πόλιν φρούριον ἀπέδειξαν τῶν Συρακοσίων. καὶ τὰ μὲν κατὰ τὴν Σικελίαν ἐν τούτοις ἦν. 55.

κατὰ δὲ τὴν Ἑλλάδα Λέσβιοι μὲν ἀπέστησαν ἀπὸ τῶν Ἀθηναίων· ἐνεκάλουν γὰρ αὐτοῖς, ὅτι βουλομένων συνοικίζειν πάσας τὰς κατὰ τὴν Λέσβον πόλεις εἰς τὴν Μυτιληναίων πόλιν διεκώλυσαν. [2] διὸ καὶ πρὸς Λακεδαιμονίους ἀποστείλαντες πρεσβευτὰς καὶ συμμαχίαν συνθέμενοι συνεβούλευον τοῖς Σπαρτιάταις ἀντέχεσθαι τῆς κατὰ θάλατταν ἡγεμονίας· πρὸς ταύτην δὲ τὴν ἐπιβολὴν ἐπηγγείλαντο πολλὰς τριήρεις εἰς τὸν πόλεμον παρέξεσθαι. [3] ἀσμένως δὲ τῶν Λακεδαιμονίων ὑπακουσάντων καὶ περὶ τὴν κατασκευὴν τῶν τριήρων γινομένων, Ἀθηναῖοι φθάσαντες αὐτῶν τὴν παρασκευὴν παραχρῆμα δύναμιν ἐξέπεμψαν εἰς τὴν Λέσβον, πληρώσαντες ναῦς τετταράκοντα καὶ στρατηγὸν προχειρισάμενοι Κλεινιπτίδην. οὗτος δὲ προσλαβόμενος βοήθειαν παρὰ τῶν συμμάχων κατέπλευσεν εἰς Μυτιλήνην. [4] γενομένης δὲ ναυμαχίας οἱ μὲν Μυτιληναῖοι λειφθέντες συνεκλείσθησαν εἰς πολιορκίαν, τῶν δὲ Λακεδαιμονίων ψηφισαμένων βοηθεῖν τοῖς Μυτιληναίοις καὶ παρασκευαζομένων στόλον ἀξιόλογον, ἔφθασαν Ἀθηναῖοι ναῦς ἄλλας σὺν ὀπλίταις χιλίοις ἀποστείλαντες εἰς Λέσβον. [5] τούτων δ' ἡγούμενος Πάχης ὁ Ἐπικλήρου καταντήσας εἰς τὴν Μυτιλήνην, καὶ τὴν προϋπάρχουσαν δύναμιν παραλαβὼν, περιετείχισε τὴν πόλιν καὶ συνεχεῖς προσβολὰς ἐποιεῖτο οὐ μόνον κατὰ γῆν, ἀλλὰ καὶ κατὰ θάλατταν. [6] Λακεδαιμόνιοι δὲ ἐξαπέστειλαν εἰς τὴν Μυτιλήνην τριήρεις μὲν τετταράκοντα πέντε καὶ στρατηγὸν Ἀλκίδα, εἰς δὲ τὴν Ἀττικὴν εἰσέβαλον μετὰ τῶν συμμάχων· ἐπελθόντες δὲ καὶ τοὺς παραλελειμμένους τόπους τῆς Ἀττικῆς καὶ δηώσαντες τὴν χώραν ἐπανῆλθον εἰς τὴν οἰκείαν. [7] Μυτιληναῖοι δὲ τῇ σιτοδείᾳ καὶ τῷ πολέμῳ πιεζόμενοι καὶ στασιάζοντες πρὸς ἀλλήλους, καθ' ὁμολογίαν παρέδωκαν τὴν πόλιν τοῖς πολιορκουσίν. [8] ἐν δὲ ταῖς Ἀθήναις τοῦ δήμου βουλευομένου πῶς χρὴ προσενέγκασθαι τοῖς Μυτιληναίοις, Κλέων ὁ

δημαγωγός, ὥμος ὢν τὸν τρόπον καὶ βίαιος, παρώξυνε τὸν δῆμον, ἀποφαινόμενος δεῖν τοὺς Μυτιληναίους αὐτοὺς μὲν ἡβηδὸν ἅπαντας ἀποκτείνειν, τέκνα δὲ καὶ γυναῖκας ἐξανδραποδίσασθαι. [9] τέλος δὲ πεισθέντων τῶν Ἀθηναίων κατὰ τὴν γνώμην τε τοῦ Κλέωνος ψηφισαμένων, ἀπεστάλησαν εἰς τὴν Μυτιλήνην οἱ τὰ δοχθέντα τῷ δήμῳ δηλώσοντες τῷ στρατηγῷ. [10] τοῦ δὲ Πάχτος ἀναγνόντος τὸ ψήφισμα ἦλθεν ἐναντίον τῷ προτέρῳ ἕτερον. ὁ δὲ Πάχης γνοὺς τὴν μετάνοιαν τῶν Ἀθηναίων ἐχάρη, καὶ τοὺς Μυτιληναίους συναγαγὼν εἰς ἐκκλησίαν ἀπέλυσε τῶν ἐγκλημάτων, ἅμα δὲ καὶ τῶν μεγίστων φόβων. Ἀθηναῖοι δὲ τῆς Μυτιλήνης τὰ τεῖχη περιελόντες τὴν Λέσβον ὅλην πλὴν τῆς Μηθυμναίων χώρας κατεκληρούχησαν. ἡ μὲν οὖν Λεσβίον ἀπόστασις ἀπ' Ἀθηναίων τοιοῦτον ἔσχε τὸ τέλος. 56.

περὶ δὲ τοὺς αὐτοὺς χρόνους Λακεδαιμόνιοι τὰς Πλαταιὰς πολιορκοῦντες περιτειχίσαν τὴν πόλιν καὶ στρατιώταις πολλοῖς παρεφύλαττον. χρονίζούσης δὲ τῆς πολιορκίας καὶ τῶν Ἀθηναίων μηδεμίαν ἐξαποστελλόντων βοήθειαν, οἱ πολιορκούμενοι σιτοδεία τε συνείχοντο καὶ τῶν πολιτῶν ἐν ταῖς προσβολαῖς πολλοὺς ἀπεβέβληκεσαν. [2] ἀπορουμένων δ' αὐτῶν καὶ βουλευομένων περὶ τῆς σωτηρίας, τοῖς μὲν πολλοῖς ἐδόκει τὴν ἡσυχίαν ἄγειν, τοῖς δ' ἄλλοις ὡς διακοσίοις οὖσιν ἔδοξε νυκτὸς βιάσασθαι τοὺς φύλακας καὶ διεκπεσεῖν εἰς τὰς Ἀθήνας. [3] τηρήσαντες οὖν ἀσέληνον νύκτα τοὺς μὲν ἄλλους ἔπεισαν εἰς θάτερα μέρη προσβάλλειν τῷ περιτειχίσματι, αὐτοὶ δ' ἐτοιμασάμενοι κλίμακας, καὶ τῶν πολεμίων παραβοηθούντων ἐν τοῖς ἀπεστραμμένοις μέρεσι τῶν τειχῶν, αὐτοὶ διὰ τῶν κλιμάκων ἔτυχον ἀναβάντες ἐπὶ τὸ τεῖχος, καὶ τοὺς φύλακας ἀποκτείναντες διέφυγον εἰς τὰς Ἀθήνας. [4] τῇ δ' ὑστεραία Λακεδαιμόνιοι μὲν παροξυνθέντες ἐπὶ τῷ δρασμῷ τῶν ἀπεληλυθότων ἐκ τῆς πόλεως, προσέβαλον τῇ πόλει τῶν Πλαταίων καὶ πᾶσαν εἰσεφέροντο σπουδὴν βίᾳ χειρώσασθαι τοὺς πολιορκουμένους: οἱ δὲ Πλαταιεῖς καταπλαγέντες καὶ διαπρεσβευσάμενοι παρέδωκαν ἑαυτοὺς τε καὶ τὴν πόλιν τοῖς πολεμίοις. [5] οἱ δ' ἡγεμόνες τῶν Λακεδαιμονίων καθ' ἓνα τῶν Πλαταίων προσκαλούμενοι ἐπαιρῶν τι ἀγαθὸν πεποίηκε τοῖς Λακεδαιμονίοις, ἐκάστου δὲ ὁμολογοῦντος μηδὲν εὐηργετηκέναι, πάλιν ἐπαιρῶν εἴ τι κακὸν ἔδρασαν τοὺς Σπαρτιάτας: οὐδενὸς δ' ἀντιλέγοντος, πάντων κατέγνωσαν θάνατον. [6] διὸ καὶ τοὺς ἐγκαταλειφθέντας ἅπαντας ἀνείλον καὶ κατασκάψαντες ἐμίσθωσαν τὴν χώραν αὐτῶν. Πλαταιεῖς μὲν οὖν τὴν πρὸς Ἀθηναίους συμμαχίαν βεβαιωτάτην τηρήσαντες ἀδίκως ταῖς μεγίσταις συμφοραῖς περιέπεσον. 57.

ἅμα δὲ τούτοις πραττομένοις ἐν τῇ Κερκύρᾳ μεγάλη συνέστη στάσις καὶ φιλοτιμία διὰ τοιαύτας αἰτίας. ἐν τῷ περὶ Ἐπίδαμνον πολέμῳ πολλοὶ Κερκυραίων αἰχμάλωτοι γενόμενοι καὶ καταβληθέντες εἰς τὴν δημοσίαν φυλακὴν ἐπηγγείλαντο τοῖς Κορινθίοις παραδώσειν τὴν Κέρκυραν, ἐὰν αὐτοὺς ἀπολύσωσιν. [2] ἀσμένως δὲ τῶν Κορινθίων προσδεξαμένων τοὺς λόγους, οἱ Κερκυραῖοι προσποιεθέντες λύτρα διδόναι διηγγυήθησαν ὑπὸ τῶν προξένων ἱκανῶν τινῶν ταλάντων ἀφεθέντες. [3] καὶ τηροῦντες τὴν τῶν ὁμολογημένων πίστιν, ὡς κατήντησαν εἰς τὴν πατρίδα, τοὺς δημαγωγεῖν εἰωθότας καὶ μάλιστα τοῦ πλήθους προΐστασθαι συλλαβόντες ἀπέσφαξαν.

καταλύσαντες δὲ τὴν δημοκρατίαν, μετ' ὀλίγον χρόνον Ἀθηναῖον βοηθησάντων τῷ δήμῳ, οἱ μὲν Κερκυραῖοι τὴν ἐλευθερίαν ἀνακτησάμενοι κολάζειν ἐπεβάλοντο τοὺς τὴν ἐπανάστασιν πεπονημένους· οὗτοι δὲ φοβηθέντες τὴν τιμωρίαν κατέφυγον ἐπὶ τοὺς τῶν θεῶν βωμοὺς καὶ ἰκέται τοῦ δήμου καὶ τῶν θεῶν ἐγένοντο. [4] οἱ δὲ Κερκυραῖοι διὰ τὴν πρὸς θεοὺς εὐσέβειαν τῆς μὲν τιμωρίας αὐτοὺς ἀπέλυσαν, ἐκ τῆς πόλεως δὲ ἐξέπεμψαν. οὗτοι δὲ πάλιν νεωτερίζειν ἐπιβαλόμενοι καὶ τειχίσαντες ἐν τῇ νήσῳ χωρίον ὄχυρόν ἐκακοποιοῦν τοὺς Κερκυραίους. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἑνιαυτόν. 58.

ἐπ' ἄρχοντας δ' Ἀθήνησιν Εὐθύνου Ῥωμαῖοι κατέστησαν ἀντὶ τῶν ὑπάτων χιλιάρχους τρεῖς, Μάρκον Φάβιον, Μάρκον Φαλίνιον, Λεύκιον Σερούλιον. ἐπὶ δὲ τούτων Ἀθηναῖοι χρόνον τινὰ τῆς νόσου τῆς λοιμικῆς ἀνείμεινοι πάλιν εἰς τὰς αὐτὰς συμφορὰς ἐνέπεσον· [2] οὕτω γὰρ ὑπὸ τῆς νόσου διετέθησαν, ὥστε τῶν στρατιωτῶν ἀποβαλεῖν πεζοὺς μὲν ὑπὲρ τοὺς τετρακισχιλίους, ἵππεῖς δὲ τετρακοσίους, τῶν δ' ἄλλων ἐλευθέρων τε καὶ δούλων ὑπὲρ τοὺς μυρίους. ἐπιζητούσης δὲ τῆς ἱστορίας τὴν τῆς περὶ τὴν νόσον δεινότητος αἰτίαν, ἀναγκαῖόν ἐστιν ἐκθέσθαι ταῦτα. [3] προγεγενημένων ἐν τῷ χειμῶνι μεγάλων ὄμβρων συνέβη τὴν γῆν ἔνυδρον γενέσθαι, πολλοὺς δὲ καὶ τῶν κοίλων τόπων δεξαμένους πληθὸς ὕδατος λιμνάσαι καὶ σχεῖν στατὸν ὕδωρ παραπλησίως τοῖς ἐλώδεσι τῶν τόπων, θερμαινομένων δ' ἐν τῷ θέρει τούτων καὶ σηπομένων συνίστασθαι παχείας καὶ δυσώδεις ἀτμίδας, ταύτας δ' ἀναθυμιωμένας διαφθερίζειν τὸν πλησίον ἀέρα· ὅπερ δὴ καὶ ἐπὶ τῶν ἐλῶν τῶν νοσώδη διάθεσιν ἐχόντων ὁράται γινόμενον. [4] συνεβάλετο δὲ πρὸς τὴν νόσον καὶ ἡ τῆς προσφερομένης τροφῆς κακία· ἐγένοντο γὰρ οἱ καρποὶ κατὰ τοῦτον τὸν ἑνιαυτὸν ἔνυγροι παντελῶς καὶ διεφθαρμένην ἔχοντες τὴν φύσιν. τρίτην δὲ αἰτίαν συνέβη γενέσθαι τῆς νόσου τὸ μὴ πνεῦσαι τοὺς ἐτησίαις, δι' ὧν αἰεὶ κατὰ τὸ θέρος ψύχεται τὸ πολὺ τοῦ καύματος· τῆς δὲ θερμασίας ἐπίτασιν λαβούσης καὶ τοῦ ἀέρος ἐμπύρου γενομένου, τὰ σώματα τῶν ἀνθρώπων μηδεμιᾶς ψύξεως γενομένης λυμαίνεσθαι συνέβαινε. [5] διὸ καὶ τὰ νοσήματα τότε πάντα καυματώδη συνέβαιναν εἶναι διὰ τὴν ὑπερβολὴν τῆς θερμασίας. διὰ δὲ ταύτην τὴν αἰτίαν οἱ πλείστοι τῶν νοσοῦντων ἔρριπτον ἑαυτοὺς εἰς τὰ φρέατα καὶ τὰς κρήνας, ἐπιθυμοῦντες αὐτῶν καταψύξαι τὰ σώματα. [6] οἱ δ' Ἀθηναῖοι διὰ τὴν ὑπερβολὴν τῆς νόσου τὰς αἰτίας τῆς συμφορᾶς ἐπὶ τὸ θεῖον ἀνέπεμπον. διὸ καὶ κατὰ τινα χρησμὸν ἐκάθηραν τὴν νῆσον Δῆλον, Ἀπόλλωνος μὲν οὖσαν ἱεράν, δοκοῦσαν δὲ μεμιάσθαι διὰ τὸ τοὺς τετελευτηκότας ἐν αὐτῇ τεθάφθαι. [7] ἀνασκάψαντες οὖν ἀπάσας τὰς ἐν τῇ Δῆλῳ θήκας μετήνεγκαν εἰς τὴν Ῥήνειαν καλουμένην νῆσον, πλησίον ὑπάρχουσαν τῆς Δήλου. ἔταξαν δὲ καὶ νόμον μήτε τίκεται ἐν τῇ Δῆλῳ μήτε θάπτειν. ἐποίησαν δὲ καὶ πανήγυριν τὴν τῶν Δηλίων, γεγεννημένην μὲν πρότερον, διαλιποῦσαν δὲ πολὺν χρόνον. 59.

τῶν δ' Ἀθηναίων περὶ ταῦτ' ἀσχολουμένων Λακεδαιμόνιοι τοὺς Πελοποννησίους παραλαβόντες κατεστρατοπέδευσαν περὶ τὸν ἰσθμόν, διανοούμενοι πάλιν εἰς τὴν Ἀττικὴν εἰσβαλεῖν· σεισμῶν δὲ μεγάλων γινομένων δεισδιαιμονήσαντες ἀνέκαμψαν εἰς τὰς πατρίδας. [2] τηλικούτους

δὲ τοὺς σεισμοὺς συνέβη γενέσθαι κατὰ πολλὰ μέρη τῆς Ἑλλάδος, ὥστε καὶ πόλεις τινὰς ἐπιθαλαττίους ἐπικλύσασαν τὴν θάλατταν διαφθεῖραι, καὶ κατὰ τὴν Λοκρίδα χερρονήσου καθεστώσης ῥῆξαι μὲν τὸν ἰσθμόν, ποιῆσαι δὲ νῆσον τὴν ὀνομαζομένην Ἀταλάντην. [3] ἅμα δὲ τούτοις πραττομένοις Λακεδαιμόνιοι τὴν Τραχίνα καλουμένην ὤκισαν καὶ μετωνόμασαν Ἡράκλειαν διὰ τοιαύτας τινὰς αἰτίας. [4] Τραχίνιοι πρὸς Οἰταίους ὁμόρους ὄντας ἔτη πολλὰ διεπολέμουν καὶ τοὺς πλείους τῶν πολιτῶν ἀπέβαλον. ἐρήμου δ' οὐσῆς τῆς πόλεως ἤξισαν Λακεδαιμονίους ὄντας ἀποίκους ἐπιμεληθῆναι τῆς πόλεως. οἱ δὲ καὶ διὰ τὴν συγγένειαν καὶ διὰ τὸ τὸν Ἡρακλέα, πρόγονον ἑαυτῶν ὄντα, ἐγκατοικηκέναι κατὰ τοὺς ἀρχαίους χρόνους ἐν τῇ Τραχίνι, ἔγνωσαν μεγάλην αὐτὴν ποιῆσαι πόλιν. [5] διὸ καὶ Λακεδαιμονίων μὲν καὶ τῶν Πελοποννησίων τετρακισχιλίους οἰκήτορας ἐκπεμψάντων, καὶ παρὰ τῶν ἄλλων Ἑλλήνων τοὺς βουλομένους μετέχειν τῆς ἀποικίας προσεδέξαντο: οὗτοι δ' ἦσαν οὐκ ἐλάττους τῶν ἑξακισχιλίων. διὸ καὶ τὴν Τραχίνα μυριάνδρον ποιήσαντες, καὶ τὴν χώραν κατακληρουχήσαντες, ὠνόμασαν τὴν πόλιν Ἡράκλειαν. 60.

ἐπ' ἄρχοντος δ' Ἀθήνησι Στρατοκλέους ἐν Ῥώμῃ ἀντὶ τῶν ὑπάντων χιλιάρχοι τρεῖς κατεστάθησαν, Λεύκιος Φούριος, Σπόριος Πινάριος καὶ Γάιος Μέτελλος. ἐπὶ δὲ τούτων Ἀθηναῖοι μὲν Δημοσθένη προχειρισάμενοι στρατηγὸν μετὰ νεῶν τριάκοντα καὶ στρατιωτῶν ἱκανῶν ἐξαπέστειλαν. οὗτος δὲ προσλαβόμενος παρὰ τῶν Κερκυραίων τριῆρεις πεντεκαίδεκα καὶ παρὰ τῶν Κεφαλλήνων καὶ Ἀκαρνάνων καὶ Μεσσηνίων τῶν ἐν Ναυπάκτῳ στρατιώτας ἔπλευσεν ἐπὶ τὴν Λευκάδα. δηώσας δὲ τὴν χώραν τῶν Λευκαδίων ἀπέπλευσεν ἐπὶ τὴν Αἰτωλίαν καὶ πολλὰς αὐτῶν κόμας ἐπόρθησε. τῶν δὲ Αἰτωλῶν συστραφέντων ἐπ' αὐτὸν ἐγένετο μάχη, καθ' ἣν Ἀθηναῖοι λειφθέντες εἰς Ναύπακτον ἀπεχώρησαν. [2] οἱ δὲ Αἰτωλοὶ διὰ τὴν νίκην ἐπαρθέντες, καὶ προσλαβόμενοι Λακεδαιμονίων τρισχιλίους στρατιώτας, στρατεύσαντες ἐπὶ Ναύπακτον, κατοικοῦντων ἐν αὐτῇ τότε Μεσσηνίων, ἀπεκρούσθησαν. [3] μετὰ δὲ ταῦτα στρατεύσαντες ἐπὶ τὴν ὀνομαζομένην Μολυκρίαν εἵλον τὴν πόλιν. ὁ δὲ τῶν Ἀθηναίων στρατηγὸς Δημοσθένης εὐλαβούμενος μὴ καὶ τὴν Ναύπακτον ἐκπολιορκήσῃσι, χιλίους ὀπλίτας ἐξ Ἀκαρνανίας μεταπεμψάμενος ἀπέστειλεν εἰς τὴν Ναύπακτον. [4] Δημοσθένης δὲ περὶ τὴν Ἀκαρνανίαν διατρίβων περιέτυχεν Ἀμπρακιώταις χιλίοις στρατοπεδεύουσι, πρὸς οὓς συνάψας μάχην σχεδὸν πάντας ἀνεΐλε. τῶν δ' ἐκ τῆς Ἀμπρακίας ἐπεξεληθόντων πανδημεῖ, πάλιν ὁ Δημοσθένης τοὺς πλείους αὐτῶν ἀπέκτεινεν, ὥστε τὴν πόλιν σχεδὸν ἔρημον γενέσθαι. [5] ὁ μὲν οὖν Δημοσθένης ᾤετο δεῖν ἐκπολιορκῆσαι τὴν Ἀμπρακίαν, ἐλπίζων διὰ τὴν ἔρημίαν τῶν ἀμυνομένων ῥαδίως αὐτὴν αἰρήσειν. οἱ δ' Ἀκαρνᾶνες φοβούμενοι μὴ τῆς πόλεως Ἀθηναῖοι κυριεύσαντες βαρύτεροι πάροικοι γένωνται τῶν Ἀμπρακιωτῶν, οὐκ ἔφασαν ἀκολουθεῖν. [6] στασιαζόντων δ' αὐτῶν, οἱ μὲν Ἀκαρνᾶνες διαλυσάμενοι τοῖς Ἀμπρακιώταις συνέθεντο τὴν εἰρήνην εἰς ἔτη ἑκατόν, Δημοσθένης δ' ἐγκαταλειφθεὶς ὑπὸ τῶν Ἀκαρνάνων ἀπέπλευσε σὺν ταῖς εἴκοσι ναυσὶν εἰς Ἀθήνας. Ἀμπρακῖοι δὲ μεγάλη συμφορᾷ περιπεπωκότες παρὰ τῶν Λακεδαιμονίων φρουρὰν μετεπέμψαντο,

φοβούμενοι τοὺς Ἀθηναίους. 61.

Δημοσθένης δὲ στρατεύσας ἐπὶ Πύλον ἐπεβάλετο τοῦτο τὸ χωρίον τείχισαι κατὰ τῆς Πελοποννήσου: ἔστι γὰρ ὄχυρόν τε διαφερόντως καὶ κείμενον ἐν τῇ Μεσσηνίᾳ, τῆς δὲ Σπάρτης ἀπέχον σταδίους τετρακοσίους. ἔχων δὲ τότε καὶ ναῦς πολλὰς καὶ στρατιώτας ἱκανούς, ἐν εἴκοσιν ἡμέραις ἐτείχισε τὴν Πύλον. Λακεδαιμόνιοι δὲ πυθόμενοι τὸν τειχισμόν τῆς Πύλου συνήγαγον δύναμιν ἀξιόλογον οὐ μόνον πεζὴν, ἀλλὰ καὶ ναυτικὴν. [2] διὸ καὶ τριήρεσι μὲν ἐπὶ τὴν Πύλον ἔπλευσαν τετταράκοντα πέντε καλῶς κατεσκευασμέναις, πεζοῖς δὲ ἐστράτευσαν μυρίοις καὶ δισχιλίοις, αἰσχρὸν ἡγούμενοι τοὺς τῇ Ἀττικῇ δηουμένη μὴ τολμήσαντας βοηθεῖν ἐν Πελοποννήσῳ χωρίον τειχίζειν καὶ καταλαμβάνεσθαι. [3] οὗτοι μὲν οὖν ἡγουμένου Θρασυμήδους πλησίον τῆς Πύλου κατεστρατοπέδευσαν. ἐμπεσοῦσης δὲ ὁρμῆς τῷ πλήθει πάντα κίνδυνον ὑπομένειν καὶ βία χειρώσασθαι τὴν Πύλον, τὰς μὲν ναῦς ἀντιπύρους ἔστησαν τῷ στόματι τοῦ λιμένος, ὅπως διὰ τούτων ἐμφράξωσι τὸν εἰσπλουν τῶν πολεμίων, πεζῇ δ' ἐκ διαδοχῆς προσβάλλοντες τῷ τείχει καὶ φιλοτιμίαν τὴν μεγίστην εἰσφερόμενοι θαυμασίους ἀγῶνας συνεστήσαντο. [4] εἰς δὲ τὴν νῆσον τὴν καλουμένην Σφακτηρίαν, παρατεταμένην δ' ἐπὶ μῆκος καὶ ποιοῦσαν εὐδιον τὸν λιμένα, διεβίβασαν τοὺς ἀρίστους τῶν Λακεδαιμονίων καὶ τῶν συμμάχων. τοῦτο δ' ἐπραξαν φθάσαι βουλόμενοι τοὺς Ἀθηναίους προκαταλαβέσθαι τὴν νῆσον, εὐφυῶς σφόδρα κειμένην πρὸς τὴν πολιορκίαν. [5] διημερεύοντες δ' ἐν ταῖς τειχομαχίαις καὶ κατατιτρωσκόμενοι διὰ τὴν ἀπὸ τοῦ τείχους ὑπεροχὴν οὐκ ἔληγον τῆς βίας: διὸ πολλοὶ μὲν αὐτῶν ἀπέθνησκον, οὐκ ὀλίγοι δὲ κατετραυματίζοντο πρὸς τόπον ὠχυρωμένον βιαζόμενοι. [6] οἱ δὲ Ἀθηναῖοι προκατεilhμένοι χωρίον καὶ φύσει καρτερόν, καὶ βελῶν τε πλήθι καὶ τῶν ἄλλων τῶν χρησίμων πολλὴν ἔχοντες ἀφθονίαν, ἐκθύμως ἡμύοντο: ἥλιζον γὰρ κρατήσαντες τῆς ἐπιβολῆς πάντα τὸν πόλεμον περιαγαγεῖν εἰς τὴν Πελοπόννησον καὶ δηώσειν ἀνὰ μέρος τὴν χώραν τῶν πολεμίων. 62. τῆς δὲ πολιορκίας ἀνυπέρβλητον τὴν σπουδὴν ἐχούσης παρ' ἀμφοτέροις, καὶ τῶν Σπαρτιατῶν βίαν προσαγόντων τοῖς τείχεσι, πολλοὶ μὲν ἄλλοι κατὰ τὰς ἀνδραγαθίας ἐθαυμάσθησαν, μεγίστης δὲ ἀποδοχῆς ἔτυχε Βρασίδης. [2] τῶν γὰρ τριηράρχων οὐ τολμώντων προσαγαγεῖν τῇ γῇ τὰς τριήρεις διὰ τὴν χαλεπότητα τῶν τόπων, τριηραρχὸς ὢν ἐβόα καὶ παρεκελεύετο τῷ κυβερνήτῃ μὴ φεῖδεσθαι τοῦ σκάφους, ἀλλὰ καὶ βία προσάγειν τῇ γῇ τὴν τριήρη: αἰσχρὸν γὰρ εἶναι τοῖς Σπαρτιάταις τῆς μὲν ψυχῆς ἀφειδεῖν ἕνεκα τῆς νίκης, τῶν δὲ σκαφῶν φεῖδεσθαι καὶ περιορᾶν Ἀθηναίους κρατοῦντας τῆς Λακωνικῆς. [3] τέλος δὲ συναναγκάσαντος τὸν κυβερνήτην προσαγαγεῖν τὴν ναῦν, ἡ μὲν τριήρης ἐπώκειλεν, ὁ δὲ Βρασίδης ἐπιβάς ἐπὶ τὴν τῆς νεῶς ἐπιβάθραν ἐκ ταύτης ἡμύνατο τὸ πλῆθος τῶν ἐπ' αὐτὸν συνδραμόντων Ἀθηναίων. καὶ τὸ μὲν πρῶτον τοὺς προσιόντας πολλοὺς ἀπέκτεινε, μετὰ δὲ ταῦτα πολλῶν ἐπ' αὐτὸν ἐπιφερομένων βελῶν πολλοῖς περιέπιπτεν ἐναντίοις τραύμασι. [4] τέλος δὲ διὰ τῶν τραυμάτων αἵματος ἐκχυθέντος πολλοῦ, καὶ διὰ τοῦτο λιποψυχήσαντος αὐτοῦ, ὁ μὲν βραχίων προέπεσεν ἐκ τῆς νεῶς, ἡ δ' ἀσπίς περιρρυῖσα καὶ πεσοῦσα εἰς τὴν θάλατταν ὑποχείριος ἐγένετο τοῖς πολεμίοις.

[5] μετὰ δὲ ταῦτα οὗτος μὲν πολλοὺς τῶν πολεμίων νεκροὺς σωρεύσας αὐτοὺς ἡμίθανης ἐκ τῆς νεῶς ὑπὸ τῶν ιδίων ἀπηνέχθη, τοσοῦτον τοὺς ἄλλους ὑπερβαλόμενος ἀνδρεία, ὥστε τῶν ἄλλων τοὺς ἀποβαλόντας τὴν ἀσπίδα θανάτῳ κολάζεσθαι, τοῦτον δ' ἐπὶ τῇ αὐτῇ αἰτία ἀπενέγκασθαι δόξαν. [6] οἱ μὲν οὖν Λακεδαιμόνιοι συνεχεῖς προσβολὰς ποιούμενοι τῇ Πύλῳ, καὶ πολλοὺς ἀποβαλόντες στρατιώτας, ἔμενον καρτερῶς ἐν τοῖς δεινοῖς. θαυμάσαι δ' ἂν τις τῆς τύχης τὸ παράδοξον καὶ τὴν ιδιότητα τῆς τῶν περὶ τὴν Πύλον διαθέσεως. [7] Ἀθηναῖοι μὲν γὰρ ἐκ τῆς Λακωνικῆς ἀμυνόμενοι τοὺς Σπαρτιάτας ἐκράτουν, Λακεδαιμόνιοι δὲ τὴν ἰδίαν χώραν πολεμίαν ἔχοντες ἐκ τῆς θαλάττης προσέβαλλον τοῖς πολεμίοις, καὶ τοῖς μὲν πεζῇ κρατοῦσι θαλαττοκρατεῖν συνέβαινε, τοῖς δὲ κατὰ θάλατταν πρωτεύουσι τῆς γῆς ἀπείργειν τοὺς πολεμίους. 63. χρονιζούσης δὲ τῆς πολιορκίας, καὶ τῶν Ἀθηναίων ταῖς ναυσὶν ἐπικρατησάντων καὶ σῖτον εἰς τὴν γῆν εἰσκομίζειν κωλόντων, ἐκινδύνευον οἱ κατελιγμένοι ἐν τῇ νήσῳ τῷ λιμῷ διαφθαρήναι. [2] διόπερ οἱ Λακεδαιμόνιοι φοβηθέντες περὶ τῶν ἀπειλημμένων ἐν τῇ νήσῳ, πρεσβείας ἀπέστειλαν εἰς τὰς Ἀθήνας περὶ τῆς καταλύσεως τοῦ πολέμου: Οὐ συγκατατιθεμένων δ' αὐτῶν ἤξιουν ἀλλαγὴν ποιήσασθαι τῶν ἀνδρῶν καὶ λαβεῖν τοὺς ἴσους τῶν Ἀθηναίων τῶν ἐαλωκότων: ἀλλ' οὐδὲ τοῦτο συνεχώρησαν οἱ Ἀθηναῖοι. διόπερ οἱ πρέσβεις παρρησίαν ἤγαγον ἐν ταῖς Ἀθήναις ὡς ὁμολογοῦσι Λακεδαιμονίους κρεῖττους εἶναι, μὴ βουλόμενοι τὴν ἀντίδοσιν τῶν αἰχμαλώτων ποιήσασθαι. [3] οἱ δ' Ἀθηναῖοι τῇ σπάνει τῶν ἀναγκαίων καταπονῆσαντες τοὺς ἐν τῇ Σφακτηρίᾳ παρέλαβον αὐτοὺς καθ' ὁμολογίαν. ἦσαν δ' οἱ παραδόντες αὐτοὺς Σπαρτιάται μὲν ἑκατὸν εἴκοσι, τῶν δὲ συμμάχων ἑκατὸν ὀγδοήκοντα. [4] οὗτοι μὲν οὖν ὑπὸ Κλέωνος τοῦ δημαγωγοῦ στρατηγούντος τότε δεθέντες ἤχθησαν εἰς τὰς Ἀθήνας: ὁ δὲ δῆμος ἐψηφίσατο αὐτοὺς φυλάττειν, ἐὰν βούλωνται Λακεδαιμόνιοι λῦσαι τὸν πόλεμον, ἐὰν δὲ προκρίνωσι τὸ πολεμεῖν, τότε πάντας τοὺς αἰχμαλώτους ἀποκτείνειν. [5] μετὰ δὲ ταῦτα τῶν ἐν Ναυπάκτῳ κατῳκισμένων Μεσσηνίων μεταπεμψάμενοι τοὺς ἀρίστους καὶ τῶν ἄλλων συμμάχων τοὺς ἱκανοὺς προσθέντες, τούτοις παρέδωκαν τὴν Πύλον φρουρεῖν: ἐνόμιζον γὰρ τοὺς Μεσσηνίους διὰ τὸ πρὸς τοὺς Σπαρτιάτας μῖσος ἐκθυμότατα κακοποιήσειν τὴν Λακωνικὴν, ὀρμωμένους ἐξ ὀχυροῦ χωρίου. καὶ τὰ μὲν κατὰ τὴν Πύλον ἐν τούτοις ἦν. 64.

Ἀρταξέρξης δ' ὁ τῶν Περσῶν βασιλεὺς ἐτελεύτησεν ἄρξας ἔτη τετταράκοντα, τὴν δ' ἀρχὴν διαδεξάμενος Ξέρξης ἐβασίλευσεν ἐνιαυτόν. κατὰ δὲ τὴν Ἰταλίαν Αἰκλῶν ἀποστάντων ἀπὸ Ῥωμαίων κατὰ τὸν πόλεμον αὐτοκράτορα μὲν Αὖλον Ποστούμιον, ἵππαρχον δὲ Λεύκιον Ἰούλιον ἐποίησαν. [2] οὗτοι δὲ μετὰ πολλῆς δυνάμεως ἀξιολόγου στρατεύσαντες εἰς τὴν τῶν ἀφεστηκότων χώραν τὸ μὲν πρῶτον τὰς κτήσεις ἐπόρθησαν, μετὰ δὲ ταῦτα Αἰκλῶν ἀντιταχθέντων ἐγένετο μάχη, καθ' ἣν ἐνίκησαν οἱ Ῥωμαῖοι, καὶ πολλοὺς μὲν τῶν πολεμίων ἀνείλυν, οὐκ ὀλίγους δ' ἐζώγησαν, λαφύρων δὲ πολλῶν ἐκυρίευσαν. [3] μετὰ δὲ τὴν μάχην οἱ μὲν ἀφεστηκότες διὰ τὴν ἡτταν καταπεληγμένοι τοῖς Ῥωμαίοις ὑπετάγησαν, ὁ δὲ Ποστούμιος δόξας καλῶς διωκτικῆναι τὰ κατὰ τὸν πόλεμον, κατήγαγε τὸν εἰωθότα θρίαμβον. ἴδιον δέ τι

καὶ παντελῶς ἄπιστόν φασι πρᾶξι τὸν Ποστούμιον· κατὰ γὰρ τὴν μάχην τὸν υἱὸν αὐτοῦ διὰ τὴν προθυμίαν προεκπηδῆσαι τῆς ὑπὸ τοῦ πατρὸς δεδομένης τάξεως· τὸν δὲ πατέρα τηροῦντα τὸ πάτριον ἔθος τὸν υἱὸν ὡς λελοιπότα τὴν τάξιν ἀποκτεῖναι. 65.

τούτου δὲ τοῦ ἔτους διελθόντος Ἀθήνησι μὲν ἦν ἄρχων Ἰσαρχος, ἐν δὲ τῇ Πρώμῃ καθειστήκεσαν ὑπατοὶ Τίτος Κοῖντιος καὶ Γάιος Ἰούλιος, παρὰ δὲ Ἥλειοις Ὀλυμπιάς ἤχθη ἐνάτη καὶ ὀγδοηκοστή, καθ' ἣν ἐνίκα στάδιον Σύμμαχος τὸ δεύτερον. ἐπὶ δὲ τούτων Ἀθηναῖοι στρατηγὸν καταστήσαντες Νικίαν τὸν Νικηράτου, καὶ παραδόντες αὐτῷ τριῆρεις μὲν ἐξήκοντα, ὀπλίτας δὲ τρισχιλίους, προσέταξαν πορθῆσαι τοὺς Λακεδαιμονίων συμμαχούς. [2] οὗτος δ' ἐπὶ πρώτην τὴν Μῆλον πλεύσας τὴν τε χώραν ἐδήλωσε καὶ τὴν πόλιν ἐφ' ἱκανὰς ἡμέρας ἐπολιόρκησεν· αὕτη γὰρ μόνη τῶν Κυκλάδων νήσων διεφύλαττε τὴν πρὸς Λακεδαιμονίους συμμαχίαν, ἅποικος οὖσα τῆς Σπάρτης. [3] ὁ δὲ Νικίας, γενναῖος ἀμνομένων τῶν Μηλίων οὐ δυνάμενος ἐλεῖν τὴν πόλιν, ἀπέπλευσεν εἰς Ὠρωπὸν τῆς Βοιωτίας. ἐνταῦθα δὲ τὰς ναῦς ἀπολιπὼν παρήλθεν εἰς τὴν τῶν Ταναγραίων χώραν μετὰ τῶν ὀπλιτῶν, καὶ κατέλαβεν ἐνταῦθα δύναμιν ἐτέραν Ἀθηναίων, ἥς ἐστρατιῇ Ἰππόνικος ὁ Καλλίου. [4] συνελθόντων δὲ εἰς ταῦτο τῶν στρατοπέδων ἀμφοτέρων, οὗτοι μὲν ἐπεπορεύοντο τὴν χώραν πορθοῦντες, τῶν δὲ Θηβαίων ἐκβοηθούντων συνάψαντες αὐτοῖς μάχην οἱ Ἀθηναῖοι καὶ πολλοὺς ἀνελόντες ἐνίκησαν. [5] μετὰ δὲ τὴν μάχην οἱ μετ' Ἰππονίκου στρατιῶται τὴν εἰς Ἀθήνας ἐπάνοδον ἐποίησαντο, Νικίας δὲ παρελθὼν ἐπὶ τὰς ναῦς παρέπλευσεν ἐπὶ τὴν Λοκρίδα, καὶ τὴν παραθαλάττιον χώραν πορθήσας προσελάβετο παρὰ τῶν συμμαχῶν τριῆρεις τετταράκοντα, ὥστε τὰς πάσας ἔχειν αὐτὸν ναῦς ἑκατόν· καταλέξας δὲ καὶ πεζοὺς στρατιώτας οὐκ ὀλίγους, καὶ δύναμιν ἀξιόλογον συστησάμενος, ἔπλευσεν ἐπὶ τὴν Κόρινθον. [6] ἀποβιβάσαντος δ' αὐτοῦ τοὺς στρατιώτας, καὶ τῶν Κορινθίων ἀντιταχθέντων, οἱ Ἀθηναῖοι δυοὶ μάχαις ἐνίκησαν καὶ πολλοὺς τῶν πολεμίων ἀνελόντες τρόπαιον ἔστησαν. ἐτελεύτησαν δ' ἐν τῇ μάχῃ τῶν Ἀθηναίων εἰς ὀκτώ, τῶν δὲ Κορινθίων πλείους τῶν τριακοσίων. [7] ὁ δὲ Νικίας πλεύσας εἰς Κρομμυῶνα τὴν τε χώραν ἐδήλωσε καὶ τὸ φρούριον ἐχειρώσατο. εὐθὺς δ' ἐπαναζευξας καὶ τειχίσας φρούριον ἐν τῇ Μεθώνῃ, φυλακὴν κατέλιπε τὴν τὸ χωρίον ἅμα φυλάξουσιν καὶ τὴν ἐγγὺς χώραν δηρώσουσαν· αὐτὸς δὲ τὴν παραθαλάττιον πορθήσας ἐπανήλθεν εἰς τὰς Ἀθήνας. [8] μετὰ δὲ ταῦτα ἐπὶ Κύθηρα ναῦς ἀπέστειλαν ἐξήκοντα καὶ δισχιλίους ὀπλίτας, ὧν εἶχε τὴν στρατηγίαν Νικίας μετ' ἄλλων τινῶν. οὗτος δὲ στρατεύσας ἐπὶ τὴν νήσον καὶ προσβολὰς ποιησάμενος παρέλαβε τὴν πόλιν καθ' ὁμολογίαν. ἐν δὲ τῇ νήσῳ καταλιπὼν φρουρὰν ἐξέπλευσεν εἰς τὴν Πελοπόννησον καὶ τὴν παραθαλάττιον χώραν ἐδήλωσε. [9] καὶ Θυρέας μὲν κειμένας ἐν τοῖς μεθορίοις τῆς Λακωνικῆς καὶ τῆς Ἀργείας ἐκπολιορκήσας ἐξηνδραποδίσατο καὶ κατέσκαψε, τοὺς δ' ἐν αὐτῇ κατοικοῦντας Αἰγινήτας καὶ τὸν φρούραρχον Τάνταλον Σπαρτιάτην ζωγρήσας ἀπήγαγεν εἰς τὰς Ἀθήνας. οἱ δὲ Ἀθηναῖοι τὸν μὲν Τάνταλον δήσαντες ἐφύλαττον μετὰ τῶν ἄλλων αἰχμαλώτων καὶ τοὺς Αἰγινήτας. 66.

ἅμα δὲ τούτοις πραττομένοις Μεγαρεῖς θλιβόμενοι τῷ πολέμῳ τῷ πρὸς

τοὺς Ἀθηναίους καὶ τῷ πρὸς τοὺς φυγάδας: διαπρεσβευομένων δὲ πρὸς ἀλλήλους περὶ τούτων, τῶν πολιτῶν τινες ἀλλοτρίως ἔχοντες πρὸς τοὺς φυγάδας ἐπηγγείλαντο πρὸς τοὺς Ἀθηναίων στρατηγούς προδώσειν τὴν πόλιν. [2] οἱ δὲ στρατηγοί, Ἴπποκράτης τε καὶ Δημοσθένης, συνθέμενοι περὶ τῆς προδοσίας, ἐξέπεμψαν νυκτὸς στρατιώτας ἑξακοσίους εἰς τὴν πόλιν, καὶ οἱ συνθέμενοι παρεδέξαντο τοὺς Ἀθηναίους ἐντὸς τειχῶν. καταφανοὺς δὲ τῆς προδοσίας γενομένης κατὰ τὴν πόλιν, καὶ τοῦ πλήθους σχιζομένου κατὰ τὴν αἵρεσιν, καὶ τῶν μὲν συμμαχοῦντων τοῖς Ἀθηναίοις, τῶν δὲ βοηθούντων τοῖς Λακεδαιμονίοις, ἐκήρυξέ τις ἀφ' ἑαυτοῦ τοὺς βουλομένους τίθεσθαι τὰ ὅπλα μετὰ Ἀθηναίων καὶ Μεγαρέων. [3] διόπερ τῶν Λακεδαιμονίων ἐγκαταλείπεσθαι μελλόντων ὑπὸ τῶν Μεγαρέων, συνέβη τοὺς φρουροῦντας τὰ μακρὰ τεῖχη καταλιπεῖν, εἰς δὲ τὴν καλουμένην Νίσαιαν, ἥπερ ἐστὶν ἐπίνειον τῶν Μεγαρέων, καταφυγεῖν. [4] περιταφρεύσαντες δὲ αὐτὴν οἱ Ἀθηναῖοι ἐπολιόρκουν: μετὰ δὲ ταῦτα ἐκ τῶν Ἀθηνῶν τεχνίτας προσλαβόμενοι περιετείχισαν τὴν Νίσαιαν. οἱ δὲ Πελοποννήσιοι φοβούμενοι μὴ κατὰ κράτος ἀλόντες ἀναιρεθῶσι, παρέδοσαν τὴν Νίσαιαν τοῖς Ἀθηναίοις καθ' ὁμολογίαν. καὶ τὰ μὲν κατὰ τοὺς Μεγαρέας ἐν τούτοις ἦν. 67.

Βρασίδης δὲ δύναμιν ἱκανὴν ἀναλαβὼν ἔκ τε Λακεδαιμόνος καὶ παρὰ τῶν ἄλλων Πελοποννησίων ἀνέξευξεν ἐπὶ Μέγαρα. καταπληξάμενος δὲ τοὺς Ἀθηναίους, τούτους μὲν ἐξέβαλεν ἐκ τῆς Νισαίας, τὴν δὲ πόλιν τῶν Μεγαρέων ἐλευθερώσας ἀποκατέστησεν εἰς τὴν τῶν Λακεδαιμονίων συμμαχίαν: αὐτὸς δὲ μετὰ τῆς δυνάμεως διὰ Θετταλίας τὴν πορείαν ποιησάμενος ἦκεν εἰς Δῖον τῆς Μακεδονίας. [2] ἐκεῖθεν δὲ παρελθὼν εἰς Ἄκανθον συνεμάχησε τοῖς Χαλκιδεῦσι. καὶ πρώτην μὲν τὴν Ἀκανθίων πόλιν τὰ μὲν καταπληξάμενος, τὰ δὲ καὶ λόγοις φιλανθρώποις πείσας ἐποίησεν ἀποστῆναι τῶν Ἀθηναίων: ἔπειτα πολλοὺς καὶ τῶν ἄλλων τῶν ἐπὶ Θράκης κατοικούντων προετρέψατο κοινωνεῖν τῆς τῶν Λακεδαιμονίων συμμαχίας. [3] μετὰ δὲ ταῦτα Βρασίδης βουλόμενος ἐνεργότερον ἄψασθαι τοῦ πολέμου, μετεπέμπετο στρατιώτας ἐκ τῆς Λακεδαιμόνος, σπεύδων ἀξιόλογον συστήσασθαι δύναμιν: οἱ δὲ Σπαρτιᾶται βουλόμενοι τῶν Εἰλώτων τοὺς κρατίστους ἀπολέσθαι, πέμπουσιν ἐξ αὐτῶν τοὺς μάλιστα πεφρονηματισμένους χιλίους, νομίζοντες ἐν ταῖς μάχαις τοὺς πλείστους αὐτῶν κατακοπήσεσθαι. [4] ἔπραξαν δὲ τι καὶ ἄλλο βίαιον καὶ ὤμόν, δι' οὗ ταπεινώσειν ὑπελάμβανον τοὺς Εἰλωτας: ἐκήρυξαν γὰρ ἀπογράφεσθαι τῶν Εἰλώτων τοὺς ἀγαθόν τι πεποιηκότας τῇ Σπάρτῃ, καὶ τούτους κρίναντες ἐλευθερώσειν ἐπηγγείλαντο: ἀπογραψαμένων δὲ δισχιλίων, τούτους μὲν προσέταζαν τοῖς κρατίστοις ἀποκεῖναι κατ' οἶκον ἐκάστου. [5] σφόδρα γὰρ εὐλαβοῦντο μήποτε καιροῦ δραξάμενοι καὶ μετὰ τῶν πολεμίων ταχθέντες εἰς κίνδυνον ἀγάγωσι τὴν Σπάρτην. οὐ μὴν ἀλλὰ τῷ Βρασίδῃ παραγενομένων χιλίων Εἰλώτων, ἔκ τε συμμάχων στρατολογηθέντων συνέστη δύναμις ἀξιόχρεως. 68. διὸ καὶ θαρρήσας τῷ πλήθει τῶν στρατιωτῶν ἐστράτευσεν ἐπὶ τὴν καλουμένην Ἀμφίπολιν. ταύτην δὲ τὴν πόλιν πρότερον μὲν ἐπεχείρησεν οἰκίζειν Ἀρισταγόρας ὁ Μιλήσιος, φεύγων Δαρεῖον τὸν βασιλέα τῶν Περσῶν:

[2] ἐκείνου δὲ τελευτήσαντος, καὶ τῶν οἰκητόρων ἐκπεσόντων ὑπὸ Θρακῶν τῶν ὀνομαζομένων Ἰδωνῶν, μετὰ ταῦτα ἔτεσι δυοῖς πρὸς τοῖς τριάκοντα Ἀθηναῖοι μυρίους οἰκήτορας εἰς αὐτὴν ἐξέπεμψαν. ὁμοίως δὲ καὶ τούτων ὑπὸ Θρακῶν διαφθαρέντων περὶ Δράβησκον, διαλιπόντες ἔτη δύο πάλιν ἀνεκτήσαντο τὴν πόλιν Ἄγωνος ἡγουμένου. [3] περιμαχήτου δ' αὐτῆς πολλάκις γεγενημένης, ἔσπευδεν ὁ Βρασίδας κύριος γενέσθαι τῆς πόλεως. διὸ καὶ στρατεύσας ἐπ' αὐτὴν ἀξιολόγῳ δυνάμει, καὶ στρατοπεδεύσας πλησίον τῆς γεφύρας, τὸ μὲν πρῶτον εἶλε τὸ προάστειον τῆς πόλεως, τῇ δ' ὑστεραία καταπληξάμενος τοὺς Ἀμφιπολίτας παρέλαβε τὴν πόλιν καθ' ὁμολογίαν, ὥστ' ἐξεῖναι τῷ βουλομένῳ τὰ ἑαυτοῦ λαβόντα ἀπελθεῖν ἐκ τῆς πόλεως. [4] εὐθύς δὲ καὶ τῶν πλησιοχώρων πόλεων πλείονας προσηγάγετο, ἐν αἷς ἦσαν ἀξιολογώταται Οἰσύμη καὶ Γαληψός, ἀμφοτέραι Θασίων ἄποικοι, καὶ Μύρκινον, Ἰδωνικὸν πολισμάτιον. ἐπεβάλετο δὲ καὶ ναυπηγεῖσθαι τριήρεις πλείους ἐπὶ τῷ Στρυμόνι ποταμῷ, καὶ στρατιώτας ἕκ τε Λακεδαίμονος καὶ παρὰ τῶν ἄλλων συμμάχων μετεπέμπετο. [5] κατεσκεύαζε δὲ καὶ πανοπλίας πολλὰς, καὶ τοῖς ἀόπλοις τῶν νέων ἀνεδίδου ταύτας, καὶ βελῶν καὶ σίτου καὶ τῶν ἄλλων ἀπάντων παρασκευὰς ἐποιεῖτο. ὥς δ' αὐτῷ πάντα παρεσκεύαστο, ἀνέξευξεν ἐκ τῆς Ἀμφιπόλεως μετὰ τῆς δυνάμεως, καὶ παραγενόμενος εἰς τὴν καλουμένην Ἀκτὴν κατεστρατοπέδευσεν. ἐν ταύτῃ δ' ὑπῆρχον πέντε πόλεις, ὧν αἱ μὲν Ἑλληνίδες ἦσαν, Ἀνδρίων ἄποικοι, αἱ δὲ εἶχον ὄχλον βαρβάρων διγλώττων Βισαλτικόν. [6] ταύτας δὲ χειρωσάμενος ἐστράτευσεν ἐπὶ πόλιν Τορώνην, ἄποικον μὲν Χαλκιδέων, κατεχομένην δὲ ὑπ' Ἀθηναίων. προδιδόντων δὲ τινῶν τὴν πόλιν, ὑπὸ τούτων εἰσαχθεὶς νυκτὸς ἐκράτησε τῆς Τορώνης ἄνευ κινδύνων. τὰ μὲν οὖν κατὰ τὸν Βρασίδα μὲχρι τούτου προέβη κατὰ τοῦτον τὸν ἐνιαυτόν. 69.

ἄμα δὲ τούτοις πραττομένοις περὶ τὸ Δῆλιον ἐγένετο παράταξις κατὰ τὴν Βοιωτίαν Ἀθηναίων πρὸς Βοιωτοὺς διὰ τοιαύτας τινὰς αἰτίας. τῶν Βοιωτῶν τινες δυσαραεστούμενοι τῇ τότε πολιτείᾳ καὶ σπεύδοντες δημοκρατίας ἐν ταῖς πόλεσι καταστήσαι, διελέχθησαν περὶ τῆς ἰδίας προαιρέσεως τοῖς Ἀθηναίων στρατηγοῖς Ἰπποκράτει καὶ Δημοσθένει, καὶ κατεπηγγέλλοντο παραδῶσειν τὰς ἐν τῇ Βοιωτίᾳ πόλεις. [2] ἀσμένως δὲ τῶν Ἀθηναίων προσδεξαμένων, περὶ τε τῶν κατὰ τὴν ἐπίθεσιν διοικήσεων διελομένων τῶν στρατηγῶν τὴν δύναμιν, Δημοσθένης μὲν τὸ πλεῖστον τοῦ στρατεύματος ἀναλαβὼν ἐνέβαλεν εἰς τὴν Βοιωτίαν, καὶ καταλαβὼν τοὺς Βοιωτοὺς προνοσημένους τὴν προδοσίαν, ἄπρακτος ἀπῆλθεν, Ἰπποκράτης δὲ πανδημεὶ τοὺς Ἀθηναίους ἀγαγὼν ἐπὶ τὸ Δῆλιον κατελάβετο τὸ χωρίον, καὶ φθάσας τὴν ἑφοδὸν τῶν Βοιωτῶν ἐτείχισε τὸ Δῆλιον. τοῦτο δὲ τὸ χωρίον κεῖται μὲν πλησίον τῆς Ὠρωπίας καὶ τῶν ὄρων τῆς Βοιωτίας, [3] Παγώνδας δ' ὁ τῶν Βοιωτῶν ἔχων τὴν στρατηγίαν ἐξ ἀπασῶν τῶν κατὰ τὴν Βοιωτίαν πόλεων μεταπεμψάμενος στρατιώτας ἤκε πρὸς τὸ Δῆλιον μετὰ πολλῆς δυνάμεως· εἶχε γὰρ στρατιώτας πεζοὺς μὲν οὐ πολὺ λείποντας τῶν δισμυρίων, ἵππεῖς δὲ περὶ χιλίους. [4] οἱ δ' Ἀθηναῖοι τῷ πλήθει μὲν ὑπερεῖχον τῶν Βοιωτῶν, ὥπλισμένοι δὲ οὐχ ὁμοίως τοῖς πολεμίοις· ἄφνω γὰρ καὶ συντόμως ἐξεληλύθεσαν ἐκ τῆς πόλεως, καὶ διὰ τὴν σπουδὴν ὑπῆρχον ἀπαρασκειοί. 70. ἀμφοτέρων δὲ προθύμως ὥρμημένων

παρετάχθησαν αἱ δυνάμεις τόνδε τὸν τρόπον. παρὰ τοῖς Βοιωτοῖς ἐτάχθησαν ἐπὶ τὸ δεξιὸν κέρας Θηβαῖοι, ἐπὶ δὲ τὸ εὐώνυμον Ὀρχομένιοι, τὴν δὲ μέσην ἀνεπλήρουν φάλαγγα Βοιωτοί: προεμάχοντο δὲ πάντων οἱ παρ' ἐκείνοις ἡνίοχοι καὶ παραβάται καλούμενοι, ἄνδρες ἐπίλεκτοι τριακόσιοι. Ἀθηναῖοι δὲ διατάττοντες ἔτι τὴν δύναμιν ἠναγκάσθησαν συνάψαι μάχην. [2] γενομένης δὲ τῆς παρατάξεως ἰσχυρᾶς, τὸ μὲν πρῶτον οἱ τῶν Ἀθηναίων ἱππεῖς ἀγωνιζόμενοι λαμπρῶς ἠνάγκασαν φυγεῖν τοὺς ἀντιστάντας ἱππεῖς: μετὰ δὲ ταῦτα τῶν πεζῶν διαγωνισαμένων οἱ ταχθέντες κατὰ τοὺς Θηβαίους Ἀθηναῖοι βιασθέντες ἐτράπησαν, οἱ δὲ λοιποὶ τοὺς ἄλλους Βοιωτοὺς τρεψάμενοι καὶ συχνοὺς ἀνελόντες ἐφ' ἱκανὸν τόπον ἐδίωξαν. [3] οἱ δὲ Θηβαῖοι, διαφέροντες ταῖς τῶν σωμάτων ῥώμαις, ἐπέστρεψαν ἀπὸ τοῦ διωγμοῦ, καὶ τοῖς διώκουσι τῶν Ἀθηναίων ἐπιπεσόντες φυγεῖν ἠνάγκασαν: ἐπιφανεῖ δὲ μάχῃ νικήσαντες μεγάλην ἀπηνέγκαντο δόξαν πρὸς ἀνδρείαν. [4] τῶν δ' Ἀθηναίων οἱ μὲν εἰς Ὠρωπὸν, οἱ δὲ εἰς τὸ Δῆλιον κατέφυγον, τινὲς δὲ πρὸς τὴν θάλατταν διέτειναν πρὸς τὰς ἰδίας ναῦς, ἄλλοι δὲ κατ' ἄλλους ὡς ἔτυχε τόπους διεσπάρησαν. ἐπιγενομένης δὲ τῆς νυκτὸς ἔπεσον τῶν μὲν Βοιωτῶν οὐ πλείους τῶν πεντακοσίων, τῶν δ' Ἀθηναίων πολλαπλάσιοι τούτων. εἰ μὲν οὖν ἡ νύξ μὴ προκατέλαβεν, οἱ πλείστοι τῶν Ἀθηναίων ἂν ἐτελεύτησαν: αὕτη γὰρ μεσολαβήσασα τὰς τῶν διωκόντων ὁρμὰς διέσωσε τοὺς φεύγοντας. [5] ὁμως δὲ τοσοῦτο πλῆθος τῶν ἀναιρεθέντων ἦν, ὥστε τοὺς Θηβαίους ἐκ τῆς τῶν λαφύρων τιμῆς τὴν τε στοὰν τὴν μεγάλην ἐν ἀγορᾷ κατασκευάσαι καὶ χαλκοῖς ἀνδριᾶσι κοσμήσαι, τοὺς δὲ ναοὺς καὶ τὰς κατὰ τὴν ἀγορὰν στοὰς τοῖς ὅπλοις τοῖς ἐκ τῶν σκύλων προσηλωθεῖσι καταχαλκῶσαι: τὴν τε τῶν Δηλίων πανήγυριν ἀπὸ τούτων τῶν χρημάτων ἐνεστήσαντο ποιεῖν. [6] μετὰ δὲ τὴν μάχην οἱ μὲν Βοιωτοὶ τῷ Δηλίῳ προσβολὰς ποιησάμενοι κατὰ κράτος εἶλον τὸ χωρίον: τῶν δὲ φρουρούντων τὸ Δῆλιον οἱ πλείους μὲν μαχόμενοι γενναίως ἀπέθανον, διακόσιοι δὲ ἤλωσαν: οἱ δὲ λοιποὶ κατέφυγον εἰς τὰς ναῦς, καὶ διεκομίσθησαν μετὰ τῶν ἄλλων εἰς τὴν Ἀττικὴν. Ἀθηναῖοι μὲν οὖν ἐπιβουλεύσαντες τοῖς Βοιωτοῖς τοιαύτη συμφορὰ περιέπεσον. 71. κατὰ δὲ τὴν Ἀσίαν Ξέρξης ὁ βασιλεὺς ἐτελεύτησεν ἄρξας ἐνιαυτόν, ὡς δ' ἔνιοι γράφουσι, μῆνας δύο: τὴν δὲ βασιλείαν διαδεξάμενος ὁ ἀδελφὸς Σογδιανὸς ἤρξε μῆνας ἑπτὰ. τοῦτον δ' ἀνελὼν Δαρεῖος ἐβασίλευσεν ἔτη δεκαεννέα. [2] τῶν δὲ συγγραφέων Ἀντίοχος ὁ Συρακόσιος τὴν τῶν Σικελικῶν ἱστορίαν εἰς τοῦτον τὸν ἐνιαυτὸν κατέστρεψεν, ἄρξάμενος ἀπὸ Κωκάλου τοῦ Σικανῶν βασιλέως, ἐν βίβλοις ἐννέα. 72.

ἐπ' ἄρχοντος δ' Αῠθήνησιν Ἀμεινίου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Γάιον Παπίριον καὶ Λεύκιον Ἰούνιον. ἐπὶ δὲ τούτων Σκιωναῖοι μὲν καταφρονήσαντες τῶν Ἀθηναίων διὰ τὴν περὶ τὸ Δῆλιον ἥτταν, ἀπέστησαν πρὸς τοὺς Λακεδαιμονίους καὶ τὴν πόλιν παρέδωκαν Βρασίδα τῷ στρατηγούντι τῶν ἐπὶ Θράκης Λακεδαιμονίων. [2] ἐν δὲ τῇ Λέσβῳ μετὰ τὴν ἄλωσιν τῆς Μυτιλήνης ὑπ' Ἀθηναίων οἱ πεφευγότες ἐκ τῆς ἀλώσεως πολλοὶ τὸν ἀριθμὸν ὄντες καὶ πάλαι μὲν ἐπεχείρουν κατελθεῖν εἰς τὴν Λέσβον, τότε δὲ συστραφέντες Ἀντανδρον κατέλαβον, κάκειθεν ὁρμώμενοι διεπολέμουν τοῖς κατέχουσι τὴν Μυτιλήνην Ἀθηναίοις. [3] ἐφ' οἷς παροξυνθεὶς ὁ δῆμος τῶν

Ἀθηναίων ἐξέπεμψε στρατηγούς μετὰ δυνάμεως ἐπ' αὐτοὺς Ἀριστείδην καὶ Σύμμαχον. οὗτοι δὲ καταπλεύσαντες εἰς τὴν Λέσβον καὶ προσβολὰς ποιησάμενοι συνεχεῖς εἶλον τὴν Ἄνανδρον, καὶ τῶν φυγάδων τοὺς μὲν ἀπέκτειναν, τοὺς δ' ἐκ τῆς πόλεως ἐξέβαλον, αὐτοὶ δὲ φρουρὰν ἀπολιπόντες τὴν φυλάζουσιν τὸ χωρίον ἀπέπλευσαν ἐκ τῆς Λέσβου. [4] μετὰ δὲ ταῦτα Λάμαχος ὁ στρατηγὸς ἔχων δέκα τριήρεις ἔπλευσεν εἰς τὸν Πόντον, καὶ καθορμισθεὶς εἰς Ἡράκλειαν περὶ τὸν ποταμὸν τὸν ὀνομαζόμενον Κάλητα πάσας τὰς ναῦς ἀπέβαλε: μεγάλων γὰρ ὄμβρων καταρραγέντων, καὶ τοῦ ποταμοῦ βίαιον τὴν καταφορὰν τοῦ ρεύματος ποιησαμένου, τὰ σκάφη κατὰ τινὰς τραχεῖς τόπους προσπεσόντα τῇ γῇ διεφθάρη. [5]

Ἀθηναῖοι δὲ πρὸς Λακεδαιμονίους σπονδὰς ἐνιαυσίους ἐποίησαντο κατὰ ταύτας τὰς ὁμολογίας, ὥστ' ἔχειν ἑκατέρους ὧν τότε κύριοι καθειστήκεσαν. συνιόντες δὲ πολλάκις εἰς λόγους ᾤοντο δεῖν καταλῦσαι τὸν πόλεμον καὶ εἰς τέλος παύσασθαι τῆς πρὸς ἀλλήλους φιλοτιμίας: Λακεδαιμόνιοι δὲ ἔσπευδον ἀπολαβεῖν τοὺς ἐν τῇ Σφακτηρίᾳ γενομένους αἰχμαλώτους. [6] τῶν δὲ σπονδῶν τὸν εἰρημένον τρόπον συντελεσθεισῶν, περὶ μὲν τῶν ἄλλων αὐτοῖς ὁμολογούμενα πάντα ὑπῆρξε, περὶ δὲ τῆς Σκιώνης ἡμφισβήτητον ἀμφοτέροι. γενομένης δὲ μεγάλης φιλοτιμίας τὰς σπονδὰς κατελύσαντο, περὶ δὲ τῆς Σκιώνης διεπολέμουν πρὸς ἀλλήλους. [7] κατὰ δὲ τοῦτον τὸν χρόνον καὶ Μένδη πόλις πρὸς τοὺς Λακεδαιμονίους ἀπέστη καὶ τὴν φιλοτιμίαν τὴν ὑπὲρ τῆς Σκιώνης ἰσχυροτέραν ἐποίησε. διὸ καὶ Βρασίδας μὲν ἐκ τῆς Μένδης καὶ τῆς Σκιώνης ἀποκομίσας τέκνα καὶ γυναῖκας καὶ ἄλλα τὰ χρησιμώτατα φρουραῖς ἀξιολόγοις ἡσφαλίσατο τὰς πόλεις, [8] Ἀθηναῖοι δὲ παροξυνθέντες ἐπὶ τοῖς γεγονόσιν ἐψηφίσαντο πάντας τοὺς Σκιωναίους, ὅταν ἁλώσιν, ἡβηδὸν ἀποσφάζειν, καὶ δύνανται ἐξέπεμψαν ἐπ' αὐτοὺς ναυτικὴν τριήρων πεντήκοντα: τούτων δὲ τὴν στρατηγίαν εἶχε Νικίας καὶ Νικόστρατος. [9] οὗτοι δὲ πλεύσαντες ἐπὶ πρώτην τὴν Μένδην ἐκράτησαν τῆς πόλεως προδόντων τινῶν αὐτήν: τὴν δὲ Σκιώνην περιετείχισαν, καὶ προσκαθήμενοι τῇ πολιορκίᾳ συνεχεῖς προσβολὰς ἐποιοῦντο. [10] οἱ δ' ἐν τῇ Σκιώνῃ φρουροί, πολλοὶ μὲν τὸν ἀριθμὸν ὄντες, εὐπορίαν δ' ἔχοντες βελῶν καὶ σίτου καὶ τῆς ἄλλης παρασκευῆς, ῥαδίως ἡμύνοντο τοὺς Ἀθηναίους, καὶ στάσιν ὑπερδέξιον ἔχοντες πολλοὺς κατετίτρωσκον. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 73.

μετὰ δὲ ταῦτα Ἀθήνησι μὲν ἦρχεν Ἀλκαῖος, ἐν Ῥώμῃ δὲ ὑπῆρχον ὕπατοι Ὀπίτερος Λουκρήτιος καὶ Λεύκιος Σέργιος Φιδηνιάτης. ἐπὶ δὲ τούτων Ἀθηναῖοι τοῖς Δηλίοις ἐγκαλοῦντες ὅτι λάθρα πρὸς Λακεδαιμονίους συντίθενται συμμαχίαν, ἐξέβαλον αὐτοὺς ἐκ τῆς νήσου καὶ τὴν πόλιν αὐτοὶ κατέσχον. τοῖς δ' ἐκπεσοῦσι Δηλίοις Φαρνιάκης ὁ σατράπης ἔδωκεν οἰκεῖν πόλιν Ἀδραμύτιον. [2] οἱ δ' Ἀθηναῖοι προχειρισάμενοι στρατηγὸν Κλέωνα τὸν δημαγωγόν, καὶ δόντες ἀξιόλογον δύνανται πεζήν, ἐξέπεμψαν εἰς τοὺς ἐπὶ Θράκης τόπους. οὗτος δὲ πλεύσας εἰς Σκιώνην, κάκειθεν προσλαβόμενος στρατιώτας ἐκ τῶν πολιορκούντων τὴν πόλιν, ἀπέπλευσε καὶ κατήρην εἰς Τορώνην: ἐγίνωσκε γὰρ τὸν μὲν Βρασίδα ἐκ τούτων τῶν τόπων ἀπεληλυθότα, πρὸς δὲ τῇ Τορώνῃ τοὺς ἀπολελειμμένους στρατιώτας οὐκ

ὄντας ἀξιωμαχοῦς. [3] πλησίον δὲ τῆς Τορώνης καταστρατοπεδεύσας καὶ πολιορκήσας ἅμα κατὰ γῆν καὶ κατὰ θάλατταν, εἴλε κατὰ κράτος τὴν πόλιν, καὶ τοὺς μὲν παῖδας καὶ τὰς γυναῖκας ἡνδραποδίσατο, αὐτοὺς δὲ καὶ τοὺς τὴν πόλιν φρουροῦντας αἰχμαλώτους λαβών, σήσας ἀπέστειλεν εἰς τὰς Ἀθήνας: τῆς δὲ πόλεως ἀπολιπὼν τὴν ἱκανὴν φρουρὰν ἐξέπλευσε μετὰ τῆς δυνάμεως, καὶ κατῆρε τῆς Θράκης ἐπὶ Στρυμόνα ποταμόν. καταστρατοπεδεύσας δὲ πλησίον πόλεως Ἱόνοιο, ἀπεχούσης ἀπὸ τῆς Ἀμφιπόλεως σταδίου ὡς τριάκοντα, προσβολὰς ἐποιεῖτο τῷ πολίσματι. 74. πυθόμενος δὲ τὸν Βρασίδαν μετὰ δυνάμεως διατρίβειν περὶ πόλιν Ἀμφίπολιν, ἀνέξευξεν ἐπ' αὐτόν. ὁ δὲ Βρασίδης ὡς ἤκουσε προσιόντας τοὺς πολεμίους, ἐκτάξας τὴν δύναμιν ἀπῆντα τοῖς Ἀθηναίοις: γενομένης δὲ παρατάξεως μεγάλης, καὶ τῶν στρατοπέδων ἀγωνισαμένων ἀμφοτέρων λαμπρῶς, τὸ μὲν πρῶτον ἰσόρροπος ἦν ἡ μάχη, μετὰ δὲ ταῦτα παρ' ἑκατέροις τῶν ἡγεμόνων φιλοτιμουμένων δι' ἑαυτῶν κρῖναι τὴν μάχην, συνέβη πολλοὺς τῶν ἀξιολόγων ἀνδρῶν ἀναιρεθῆναι, τῶν στρατηγῶν αὐτοὺς καταστησάντων εἰς τὴν μάχην καὶ ὑπὲρ τῆς νίκης ἀνυπερβλήτον φιλοτιμίαν εἰσενεγκαμένων. [2] ὁ μὲν οὖν Βρασίδης ἀριστεύσας καὶ πλείστους ἀνελὼν ἡρωικῶς κατέστρεψε τὸν βίον: ὁμοίως δὲ καὶ τοῦ Κλέωνος ἐν τῇ μάχῃ πεσόντος, ἀμφοτέραι μὲν αἱ δυνάμεις διὰ τὴν ἀναρχίαν ἐταράχθησαν, τὸ τέλος δ' ἐνίκησαν οἱ Λακεδαιμόνιοι καὶ τρόπαιον ἔστησαν. οἱ δ' Ἀθηναῖοι τοὺς νεκροὺς ὑποσπόνδους, ἀνελόμενοι καὶ θάψαντες ἀπέπλευσαν εἰς τὰς Ἀθήνας. [3] εἰς δὲ τὴν Λακεδαίμονα παραγενομένων τινῶν ἐκ τῆς μάχης καὶ τὴν Βρασίδου νίκην ἅμα καὶ τελευτὴν ἀπαγγειλάντων, ἡ μήτηρ τοῦ Βρασίδου πυνθανομένη περὶ τῶν πραχθέντων κατὰ τὴν μάχην ἐπηρώτησε, ποῖός τις γέγονεν ἐν τῇ παρατάξει Βρασίδης: τῶν δ' ἀποκριναμένων ὅτι πάντων Λακεδαιμονίων ἄριστος, εἶπεν ἡ μήτηρ τοῦ τετελευτηκότος ὅτι Βρασίδης ὁ υἱὸς αὐτῆς ἦν ἀγαθὸς ἀνὴρ, πολλῶν μέντοι γε ἐτέρων καταδεέστερος. [4] τῶν δὲ λόγων τούτων διαδοθέντων κατὰ τὴν πόλιν οἱ ἔφοροι δημοσίᾳ τὴν γυναῖκα ἐτίμησαν, ὅτι προέκρινε τὸν τῆς πατρίδος ἔπαινον τῆς τοῦ τέκνου δόξης. [5] μετὰ δὲ τὴν εἰρημένην μάχην ἔδοξαν οἱ Ἀθηναῖοι τοῖς Λακεδαιμονίοις συνθέσθαι σπονδὰς πεντηκονταετείς ἐπὶ τοῖσδε: τοὺς μὲν αἰχμαλώτους παρ' ἀμφοτέροις ἀπολυθῆναι, τὰς δὲ πόλεις ἀποδοῦναι τὰς κατὰ πόλεμον ληφθείσας. [6] ὁ μὲν οὖν Πελοποννησιακὸς πόλεμος, διαμείνας μέχρι τῶν ὑποκειμένων καιρῶν ἔτη δέκα, τὸν εἰρημένον τρόπον κατελύθη. 75.

ἐπ' ἄρχοντας δ' Ἀθηνησιν Ἀριστίωνος Ῥωμαῖοι κατέστησαν ὑπάτους Τίτον Κοϊντίον καὶ Αὔλον Κορνῆλιον Κόσσον. ἐπὶ δὲ τούτων ἄρτι τοῦ πολέμου τοῦ Πελοποννησιακοῦ καταλελυμένου πάλιν ταραχαὶ καὶ κινήσεις πολεμικαὶ συνέβησαν κατὰ τὴν Ἑλλάδα διὰ τοιαύτας τινὰς αἰτίας. [2] Ἀθηναῖοι καὶ Λακεδαιμόνιοι κοινῇ μετὰ τῶν συμμάχων πεπονημένοι σπονδὰς καὶ διαλύσεις, χωρὶς τῶν συμμαχίδων πόλεων συνέθεντο συμμαχίαν. τοῦτο δὲ πράξαντες εἰς ὑπόνοιαν ἦλθον ὡς ἐπὶ καταδουλώσει τῶν ἄλλων Ἑλλήνων ἰδίᾳ πεπονημένοι συμμαχίαν. [3] διόπερ αἱ μέγιστα τῶν πόλεων διεπρεσβεύοντο πρὸς ἀλλήλας καὶ συνδιελέγοντο περὶ ὁμονοίας καὶ συμμαχίας κατὰ τῶν Ἀθηναίων καὶ Λακεδαιμονίων. ἦσαν δὲ προεστῶσαι πόλεις ταύτης αἱ δυνατώταται τέτταρες,

Ἄργος, Θῆβαι, Κόρινθος, Ἥλις. [4] εὐλόγως δ' ὑποπτεύθησαν αἱ πόλεις συμφρονεῖν κατὰ τῆς Ἑλλάδος διὰ τὸ προσγεγράφαι ταῖς κοιναῖς συνθήκαις: ἐξεῖναι Ἀθηναίοις καὶ Λακεδαιμονίοις, ὅπερ ἂν δοκῇ ταύταις ταῖς πόλεσι, προσγράφειν ταῖς συνθήκαις καὶ ἀφαιρεῖν ἀπὸ τῶν συνθηκῶν. χωρὶς δὲ τούτων Ἀθηναῖοι μὲν διὰ ψηφίσματος ἔδωκαν δέκα ἀνδράσιν ἐξουσίαν ἔχειν βουλευέσθαι περὶ τῶν τῇ πόλει συμφερόντων: τὸ παραπλήσιον δὲ καὶ τῶν Λακεδαιμονίων πεποιηκῶτων φανερὰν συνέβη γενέσθαι τῶν δύο πόλεων τὴν πλεονεξίαν. [5] πολλῶν δὲ πόλεων ὑπακουουσῶν πρὸς τὴν κοινὴν ἐλευθερίαν, καὶ τῶν μὲν Ἀθηναίων καταφρονουμένων διὰ τὴν περὶ τὸ Δῆλιον συμφοράν, τῶν δὲ Λακεδαιμονίων τεταπεινωμένων τῇ δόξῃ διὰ τὴν ἄλωσιν τῶν ἐν τῇ Σφακτηρίᾳ νήσῳ, πολλαὶ πόλεις συνίσταντο, καὶ προῆγον τὴν τῶν Ἀργείων πόλιν ἐπὶ τὴν ἡγεμονίαν. [6] εἴχε γὰρ ἡ πόλις αὕτη μέγα ἀξίωμα διὰ τὰς παλαιὰς πράξεις: πρὸ γὰρ τῆς Ἡρακλειδῶν κατηλύσεως ἐκ τῆς Ἀργείας ὑπῆρξαν σχεδὸν ἅπαντες οἱ μέγιστοι τῶν βασιλέων: πρὸς δὲ τούτοις πολὺν χρόνον εἰρήνην ἔχουσα προσόδους μεγίστας ἐλάμβανε, καὶ πλῆθος οὐ μόνον χρημάτων εἶχεν, ἀλλὰ καὶ ἀνδρῶν. [7] οἱ δ' Ἀργεῖοι νομίζοντες αὐτοῖς συγχωρηθῆσθαι τὴν ὅλην ἡγεμονίαν, ἐπέλεξαν τῶν πολιτῶν χιλίους τοὺς νεωτέρους καὶ μάλιστα τοῖς τε σώμασιν ἰσχύοντας καὶ ταῖς οὐσίαις: ἀπολύσαντες δὲ αὐτοὺς καὶ τῆς ἄλλης λειτουργίας καὶ τροφᾶς δημοσίας χορηγοῦντες προσέταξαν γυμνάζεσθαι συνεχεῖς μελέτας. οὗτοι μὲν οὖν διὰ τὴν χορηγίαν καὶ τὴν συνεχῇ μελέτην ταχὺ τῶν πολεμικῶν ἔργων ἀθληταὶ κατεστάθησαν. 76. Λακεδαιμόνιοι δὲ ὀρῶντες ἐπ' αὐτοὺς συνισταμένην τὴν Πελοπόννησον καὶ προορώμενοι τὸ μέγεθος τοῦ πολέμου, τὰ κατὰ τὴν ἡγεμονίαν ὥς ἦν δυνατόν ἡσφαλίζοντο. καὶ πρῶτον μὲν τοὺς μετὰ Βρασίδα κατὰ τὴν Θράκην ἐστρατευμένους Εἰλωτας ὄντας χιλίους ἡλευθέρωσαν, μετὰ δὲ ταῦτα τοὺς ἐν τῇ Σφακτηρίᾳ νήσῳ ληφθέντας αἰχμαλώτους Σπαρτιάτας ἀτιμία περιβεβληκότες, ὥς τὴν Σπάρτην ἀδοξοτέραν πεποιηκότας, ἀπέλυσαν τῆς ἀτιμίας. [2] ἀκολούθως δὲ τούτοις τοῖς κατὰ τὸν πόλεμον ἐπαίνους καὶ τιμαῖς προετρέποντο τὰς προγεγενημένας ἀνδραγαθίας ἐν τοῖς μέλλουσιν ἀγῶσιν ὑπερβάλλεσθαι: τοῖς τε συμμάχοις ἐπιεικέστερον προσεφέροντο, καὶ ταῖς φιλανθρωπίαις τοὺς ἄλλοτριωτάτους αὐτῶν ἐθεράπευον. [3] Ἀθηναῖοι δὲ τοῦναντίον τῷ φόβῳ βουλόμενοι καταπλήξασθαι τοὺς ἐν ὑποψίᾳ ἀποστάσεως ὄντας, παράδειγμα πᾶσιν ἀνέδειξαν τὴν ἐκ τῶν Σκιωναίων τιμωρίαν: ἐκπολιορκήσαντες γὰρ αὐτοὺς καὶ πάντας ἡβηδὸν κατασφάζαντες, παῖδας μὲν καὶ γυναῖκας ἐξηνδραποδίσαντο, τὴν δὲ νῆσον οἰκεῖν παρέδωκαν τοῖς Πλαταιεῦσιν, ἐκπεπτωκόσι δι' ἐκείνους ἐκ τῆς πατρίδος. [4]

περὶ δὲ τοὺς αὐτοὺς χρόνους κατὰ τὴν Ἰταλίαν Καμπανοὶ μεγάλῃ δυνάμει στρατεύσαντες ἐπὶ Κύμην ἐνίκησαν μάχῃ τοὺς Κυμαίους καὶ τοὺς πλείους τῶν ἀντιταχέντων κατέκοψαν. προσκαθεζόμενοι δὲ τῇ πολιορκίᾳ καὶ πλείους προσβολὰς ποιησάμενοι κατὰ κράτος εἶλον τὴν πόλιν. διαρπάσαντες δ' αὐτὴν καὶ τοὺς καταληφθέντας ἐξανδραποδισάμενοι τοὺς ἱκανοὺς οἰκῆτορας ἐξ αὐτῶν ἀπέδειξαν. 77.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀστυφίλου Ῥωμαῖοι κατέστησαν ὑπάτους Λεύκιον Κοῖντιον καὶ Αὔλον Σεμπρόνιον, Ἡλεῖοι δ' ἥγαγον Ὀλυμπιάδα

ἐννεηκοστήν, καθ' ἣν ἐνίκα στάδιον Ὑπέρβιος Συρακόσιος. ἐπὶ δὲ τούτων Ἀθηναῖοι μὲν κατὰ τινα χρησμὸν Δηλίοις ἀπέδωσαν τὴν νῆσον, καὶ κατῆλθον εἰς τὴν πατρίδα οἱ τὸ Ἀδραμύτιον οἰκοῦντες Δῆλιοι. [2] τῶν δὲ Ἀθηναίων οὐκ ἀποδόντων Λακεδαιμονίοις τὴν Πύλον, πάλιν αἱ πόλεις αὗται πρὸς ἀλλήλας διεφέροντο καὶ πολεμικῶς εἶχον. ἃ δὴ πυθόμενος ὁ δῆμος τῶν Ἀργείων ἔπεισε τοὺς Ἀθηναίους φιλίαν **συνθέσθαι** πρὸς τοὺς Ἀργείους. [3] αὐξομένης δὲ τῆς διαφορᾶς, οἱ μὲν Λακεδαιμόνιοι τοὺς Κορινθίους ἔπεισαν ἐγκαταλιπεῖν τὴν κοινὴν σύνοδον καὶ συμμαχεῖν τοῖς Λακεδαιμονίοις. τοιαύτης δὲ ταραχῆς γενομένης καὶ ἀναρχίας οὔσης, τὰ κατὰ τὴν Πελοπόννησον ἐν τούτοις ἦν. [4] ἐν δὲ τοῖς ἐκτὸς τόποις Αἰνιᾶνες καὶ Δόλοπες καὶ Μηλιεῖς συμφρονήσαντες δυνάμεσιν ἀξιολόγοις ἐστράτευσαν ἐπὶ τὴν Ἡράκλειαν τὴν ἐν Τραχῖνι. ἀντιταχθέντων δὲ τῶν Ἡρακλεωτῶν, καὶ μάχης γενομένης ἰσχυρᾶς, ἡττήθησαν οἱ τὴν Ἡράκλειαν κατοικοῦντες. πολλοὺς δ' ἀποβαλόντες στρατιώτας, καὶ συμφυγόντες ἐντὸς τῶν τειχῶν, μετεπέμψαντο βοήθειαν παρὰ τῶν Βοιωτῶν. ἀποστειλάντων δ' αὐτοῖς τῶν Θηβαίων χιλίους ὀπλίτας ἐπιλέκτους, μετ' αὐτῶν ἡμύνοντο τοὺς ἐπεστρατευκότας. [5] ἅμα δὲ τούτοις πραττομένοις Ὀλύνθιοι μὲν στρατεύσαντες ἐπὶ πόλιν Μηκύβερναν, φρουρουμένην ὑπ' Ἀθηναίων, τὴν μὲν φρουρὰν ἐξέβαλον, αὐτοὶ δὲ τὴν πόλιν κατέσχον. 78.

ἐπ' ἄρχοντος δ' Ἀθηνησιν Ἀρχίου Ῥωμαῖοι κατέστησαν ὑπάτους Λεύκιον Παπίριον Μουγιλανὸν καὶ Γάιον Σερουίλιον Στρούκτον. ἐπὶ δὲ τούτων Ἀργεῖοι μὲν ἐγκαλέσαντες τοῖς Λακεδαιμονίοις ὅτι τὰ θύματα οὐκ ἀπέδосαν τῷ Ἀπόλλωνι τῷ Πυθαεῖ, πόλεμον αὐτοῖς κατήγγειλαν: καθ' ὃν δὴ χρόνον Ἀλκιβιάδης ὁ στρατηγὸς τῶν Ἀθηναίων ἐνέβαλεν εἰς τὴν Ἀργεῖαν ἔχων δύναμιν. [2] τούτους δὲ οἱ Ἀργεῖοι παραλαβόντες ἐστράτευσαν ἐπὶ Τροιζήνᾳ, πόλιν σύμμαχον Λακεδαιμονίων, καὶ τὴν μὲν χώραν λεηλατήσαντες, τὰς δὲ ἐπαύλεις ἐμπρήσαντες, ἀπὴνλλάγησαν εἰς τὴν οἰκείαν. οἱ δὲ Λακεδαιμόνιοι παροξυνθέντες ἐπὶ τοῖς εἰς τοὺς Τροιζηνίους παρανομήμασιν ἔγνωσαν διαπολεμεῖν πρὸς Ἀργεῖους: διὸ καὶ δύναμιν ἀθροίσαντες ἐπέστησαν ἡγεμόνα Ἅγιν τὸν βασιλέα. [3] οὗτος δὲ μετὰ τῆς δυνάμεως ἐστράτευσεν ἐπὶ τοὺς Ἀργεῖους, καὶ τὴν μὲν χώραν ἐδήλωσε, πλησίον δὲ τῆς πόλεως ἀγαγὼν τὴν δύναμιν προεκαλεῖτο τοὺς πολέμιους εἰς μάχην. [4] οἱ δ' Ἀργεῖοι προσλαβόμενοι στρατιώτας παρὰ μὲν Ἡλείων τρισχιλίους, παρὰ δὲ Μαντινέων οὐ πολλὸν λειπομένους τούτων, προῆγον ἐκ τῆς πόλεως τὸ στρατόπεδον. μελλούσης δὲ παρατάξεως γίνεσθαι, οἱ στρατηγοὶ παρ' ἀμφοτέροις διαπρεσβευσάμενοι τετραμηνιαίους ἀνοχὰς συνέθεντο. [5] ἐπανελθόντων δὲ τῶν στρατοπέδων ἀπράκτων εἰς τὴν οἰκείαν, δι' ὀργῆς εἶχον αἱ πόλεις ἀμφοτέραι τοὺς συνθεμένους τὰς σπονδὰς στρατηγούς. διόπερ οἱ μὲν Ἀργεῖοι τοῖς λίθοις βάλλοντες τοὺς ἡγεμόνας ἀποκτείνειν ἐπεχείρησαν, καὶ μόγις μετὰ πολλῆς δεήσεως τὸ ζῆν συνεχώρησαν, τὴν δ' οὐσίαν αὐτῶν δημεύσαντες κατέσκαψαν τὰς οἰκίας. [6] οἱ δὲ Λακεδαιμόνιοι τὸν Ἅγιν ἐπεβάλοντο μὲν κολάζειν, ἐπαγγελαμένου δ' αὐτοῦ διὰ τῶν καλῶν ἔργων διορθώσασθαι τὴν ἀμαρτίαν, μόγις συνεχώρησαν, εἰς δὲ τὸν λοιπὸν χρόνον ἐλόμενοι δέκα ἄνδρας τοὺς συνετωτάτους, παρακατέστησαν συμβούλους καὶ προσέταξαν μηδὲν ἄνευ τῆς τούτων γνώμης πράττειν. 79. μετὰ δὲ ταῦτα Ἀθηναίων ἀποστειλάντων κατὰ θάλατταν εἰς Ἄργος ὀπλίτας μὲν χιλίους ἐπιλέκτους, ἵππεῖς δὲ διακοσίους, ὧν ἐστρατήγουν Λάχης καὶ Νικόστρατος: συνῆν δὲ τούτοις καὶ Ἀλκιβιάδης ιδιώτης ὧν διὰ τὴν φιλίαν τὴν πρὸς Ἡλείους καὶ Μαντινεῖς: συνεδρευσάντων δὲ πάντων, ἔδοξε τὰς μὲν σπονδὰς εἶαν χαίρειν, πρὸς δὲ τὸν πόλεμον ὀρμῆσαι. [2] διὸ καὶ τοὺς ἰδίους ἕκαστος στρατηγὸς παρώρμησε πρὸς τὸν ἀγῶνα, καὶ πάντων προθύμως ὑπακουσάντων, ἐκτὸς τῆς πόλεως κατεστρατοπέδευσαν. ἔδοξεν οὖν αὐτοῖς πάντων πρῶτον στρατεῦειν ἐπ' Ὀρχομενὸν τῆς Ἀρκαδίας. διὸ καὶ παρελθόντες εἰς Ἀρκαδίαν, προσκαθεζόμενοι τῇ πόλει καθ' ἡμέραν ἐποιοῦντο προσβολὰς τοῖς τείχεσι. [3] χειρωσάμενοι δὲ τὴν πόλιν κατεστρατοπέδευσαν πλησίον Τεγέας, κεκρικότες καὶ ταύτην πολιορκῆσαι. τῶν δὲ Τεγεατῶν ἀξιούντων τοὺς Λακεδαιμονίους βοηθῆσαι κατὰ τάχος, οἱ Σπαρτιάται παραλαβόντες τοὺς ἰδίους πάντας καὶ τοὺς συμμάχους ἦκον ἐπὶ τὴν Μαντίνειαν, νομίζοντες ταύτης πολεμουμένης ἀρθήσεσθαι τὴν τῆς Τεγέας πολιορκίαν. [4] οἱ δὲ Μαντινεῖς τοὺς συμμάχους παραλαβόντες, καὶ αὐτοὶ πανδημεὶ στρατεύσαντες, ἀντετάχθησαν τοῖς Λακεδαιμονίοις. γενομένης δὲ μάχης ἰσχυρᾶς, οἱ μὲν ἐπιλεκτοὶ τῶν Ἀργείων, χίλιοι τὸν ἀριθμὸν ὄντες, γεγυμνασμένοι δὲ καλῶς τὰ κατὰ τὸν πόλεμον, ἐτρέψαντο τοὺς

ἀντιτεταγμένους πρῶτοι, καὶ διώκοντες πολὺν ἐποίουν φόνον. [5] οἱ δὲ Λακεδαιμόνιοι τᾶλλα μέρη τοῦ στρατεύματος τρεψάμενοι καὶ πολλοὺς ἀνελόντες ὑπέστρεψαν ἐπ' αὐτοὺς ἐκείνους, καὶ τῷ πλήθει κυκλώσαντες ἤλπιζον κατακόψειν ἅπαντας. [6] τῶν δὲ λογάδων τῷ μὲν πλήθει πολὺ λειπομένων, ταῖς δ' ἀνδραγαθίαις προεχόντων, ὁ μὲν βασιλεὺς τῶν Λακεδαιμονίων προαγωνιζόμενος ἐνεκαρτέρησε τοῖς δεινοῖς, καὶ πάντας ἂν ἀνέϊλεν: ἔσπευδε γὰρ τοῖς πολίταις ἀποδοῦναι τὰς ἐπαγγελίας, καὶ μέγα τι κατεργασάμενος διορθώσασθαι τὴν γεγεννημένην ἀδοξίαν: οὐ μὴν εἰάθη γε τὴν προαίρεσιν ἐπιτελέσαι. Φάραξ γὰρ ὁ Σπαρτιάτης, εἷς ὢν τῶν συμβούλων, ἀξίωμα δὲ μέγιστον ἔχων ἐν τῇ Σπάρτῃ, διεκελεύετο τοῖς λογάσι δοῦναι δίοδον, καὶ μὴ πρὸς ἀπεγνωκότας τὸ ζῆν διακινδυνεύοντας πείραν λαβεῖν ἀτυχούσης ἀρετῆς. [7] ὅθεν ἠναγκάσθη κατὰ τὴν ἀρτίως ῥηθεῖσαν ἐπιταγὴν δοῦναι διέξοδον κατὰ τὴν τοῦ Φάρακος γνώμην. οἱ μὲν οὖν χίλιοι τὸν εἰρημένον τρόπον ἀφεθέντες διελθεῖν διεσώθησαν, οἱ δὲ Λακεδαιμόνιοι μεγάλη μάχῃ νικήσαντες καὶ τρόπαιον στήσαντες ἀπῆλθον εἰς τὴν οἰκίαν. 80.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχεν Ἀντιφῶν, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων χιλιάρχοι τέτταρες κατεστάθησαν, Γάιος Φούριος καὶ Τίτος Κοῖντιος, ἔτι δὲ Μάρκος Ποστούμιος καὶ Αὐλὸς Κορνήλιος. ἐπὶ δὲ τούτων Ἀργεῖοι καὶ Λακεδαιμόνιοι διαπρεσβευσάμενοι πρὸς ἀλλήλους εἰρήνην ἐποιήσαντο καὶ συμμαχίαν συνέθεντο. [2] διόπερ οἱ Μαντινεῖς ἀποβαλόντες τὴν ἀπὸ τῶν Ἀργείων βοήθειαν ἠναγκάσθησαν ὑποταγῆναι τοῖς Λακεδαιμονίοις. περὶ δὲ τοὺς αὐτοὺς χρόνους ἐν τῇ πόλει τῶν Ἀργείων οἱ κατ' ἐκλογὴν κεκριμένοι τῶν πολιτῶν χίλιοι συνεφώνησαν, καὶ τὴν μὲν δημοκρατίαν ἔγνωσαν καταλύειν, ἀριστοκρατίαν δ' ἐξ αὐτῶν καθιστάναι. [3] ἔχοντες δὲ πολλοὺς συνεργοὺς διὰ τὸ προέχειν τῶν πολιτῶν ταῖς οὐσίαις καὶ ταῖς ἀνδραγαθίαις, τὸ μὲν πρῶτον συλλαβόντες τοὺς δημαγωγεῖν εἰωθότας ἀπέκτειναν, τοὺς δ' ἄλλους καταπληξάμενοι κατέλυσαν τοὺς νόμους καὶ δι' ἑαυτῶν τὰ δημόσια διώκουν. διακατασχόντες δὲ ταύτην τὴν πολιτείαν μῆνας ὀκτὼ κατελύθησαν, τοῦ δήμου συστάντος ἐπ' αὐτούς: διὸ καὶ τούτων ἀναιρεθέντων ὁ δῆμος ἐκομίσατο τὴν δημοκρατίαν. [4] ἐγένετο δὲ καὶ ἑτέρα κίνησις κατὰ τὴν Ἑλλάδα: καὶ Φωκεῖς γὰρ πρὸς Λοκροὺς διενεχθέντες παρατάξει ἐκρίθησαν διὰ τὴν οἰκίαν ἀνδρείαν: ἐνίκησαν γὰρ Φωκεῖς ἀνελόντες Λοκρῶν πλείους χιλίων. [5] Ἀθηναῖοι δὲ Νικίου στρατηγούντος εἶλον δύο πόλεις, Κύθηρα καὶ Νίσαιαν: τὴν τε Μῆλον ἐκπολιορκήσαντες πάντας ἡβηδὸν ἀπέσφαξαν, παῖδας δὲ καὶ γυναῖκας ἐξηνδραποδίσαντο. [6]

καὶ τὰ μὲν κατὰ τοὺς Ἑλληνας ἐν τούτοις ἦν. κατὰ δὲ τὴν Ἰταλίαν Φιδιηῇται μὲν, παραγενομένων εἰς τὴν πόλιν αὐτῶν πρέσβων ἐκ τῆς Ῥώμης, ἐπὶ μικραῖς αἰτίαις ἀνέϊλον τούτους. [7] ἐφ' οἷς οἱ Ῥωμαῖοι παροξυνθέντες ἐνηφίσαντο πολεμεῖν, καὶ προχειρισάμενοι δύναμιν ἀξιόλογον εἶλοντο δικτάτωρα Ἄνιον Αἰμίλιον καὶ μετὰ τούτου κατὰ τὸ ἔθος Αὐλὸν Κορνήλιον ἵππαρχον. [8] ὁ δ' Αἰμίλιος παρασκευασάμενος τὰ πρὸς τὸν πόλεμον, ἀνέζευξε μετὰ τῆς δυνάμεως ἐπὶ τοὺς Φιδιηῇτας. ἀντιταξαμένων δὲ τῶν Φιδιηατῶν ἐγένετο μάχῃ ἐπὶ πολὺν χρόνον ἰσχυρά, καὶ πολλῶν παρ' ἀμφοτέροις πεσόντων ἰσόρροπος ὁ ἀγὼν ἐγένετο. 81.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Εὐφύμου ἐν Ῥώμῃ κατεστάθησαν ἀντὶ τῶν ὑπάτων χιλιάρχοι Λεύκιος Φούριος, Λεύκιος Κοϊντίος, Αὐλὸς Σεμπρώνιος. ἐπὶ δὲ τούτων Λακεδαιμόνιοι μετὰ τῶν συμμάχων στρατεύσαντες εἰς τὴν Ἀργεῖαν Ὑσιὰς χωρίον εἶλον, καὶ τοὺς ἐνοικοῦντας ἀποκτείναντες τὸ μὲν φρούριον κατέσκαψαν, αὐτοὶ δὲ πυθόμενοι τοὺς Ἀργεῖους ὥκοδομηκέναι τὰ μακρὰ τεῖχη μέχρι τῆς θαλάττης, ἐπελθόντες τὰ κατεσκευασμένα τεῖχη κατέσκαψαν, καὶ τὴν εἰς τὴν οἰκεῖαν ἐπάνοδον ἐποιήσαντο. [2] Ἀθηναῖοι δ' ἐλόμενοι στρατηγὸν Ἀλκιβιάδην, καὶ δόντες αὐτῷ ναῦς εἴκοσι, προσέταξαν συγκατασκευάσαι τοῖς Ἀργεῖοις τὰ κατὰ τὴν πολιτείαν: ἔτι γὰρ ἦσαν ἐν ταραχαῖς διὰ τὸ πολλοὺς ὑπολελειφθαι τῶν τὴν ἀριστοκρατίαν αἰρουμένων. [3] ὁ δ' οὖν Ἀλκιβιάδης καταντήσας εἰς τὴν τῶν Ἀργείων πόλιν, καὶ συνεδρεύσας μετὰ τῶν τὴν δημοκρατίαν προκρινόντων, ἐπέλεξε τῶν Ἀργείων τοὺς μάλιστα δοκοῦντας τὰ τῶν Λακεδαιμονίων αἰρεῖσθαι: μεταστησάμενος δὲ τούτους ἐκ τῆς πόλεως, καὶ συγκατασκευάσας βεβαίως τὴν δημοκρατίαν, ἀπέπλευσεν εἰς τὰς Ἀθήνας. [4] τούτου δὲ τοῦ ἔτους λήγοντος Λακεδαιμόνιοι μετὰ πολλῆς δυνάμεως ἐμβαλόντες εἰς τὴν Ἀργεῖαν, καὶ πολλὴν τῆς χώρας δηώσαντες, τοὺς φυγάδας τῶν Ἀργείων κατόκισαν εἰς Ὀρνεάς: ἐπιτείχισαντες δὲ τοῦτο τὸ χωρίον ἐπὶ τῆς Ἀργείας, καὶ φρουροὺς τοὺς ἱκανοὺς ἀπολιπόντες, προσέταξαν κακοποιεῖν τοὺς Ἀργεῖους. [5] ἀπελθόντων δὲ τῶν Λακεδαιμονίων ἐκ τῆς Ἀργείας, Ἀθηναῖοι μὲν συμμαχίαν ἐξέπεμψαν τοῖς Ἀργείοις τριῆρεις τετταράκοντα, ὀπλίτας δὲ χιλίους καὶ διακοσίους: οἱ δ' Ἀργεῖοι μετὰ τῶν Ἀθηναίων στρατεύσαντες ἐπὶ τὰς Ὀρνεὰς τὴν τε πόλιν κατὰ κράτος εἶλον καὶ τῶν φρουρῶν καὶ φυγάδων οὓς μὲν ἀπέκτειναν, οὓς δ' ἐξέβαλον ἐκ τῶν Ὀρνεῶν. ταῦτα μὲν οὖν ἐπράχθη κατὰ τὸ πεντεκαίδέκατον ἔτος τοῦ Πελοποννησιακοῦ πολέμου. 82.

τῷ δ' ἑκκαίδεκάτῳ παρὰ μὲν Ἀθηναίοις ἦν ἄρχων Ἀρίμνηστος, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων χιλιάρχοι κατεστάθησαν τέτταρες, Τίτος Κλαύδιος καὶ Σπόριος Ναύτιος, ἔτι δὲ Λούκιος Σέντιος καὶ Σέξτος Ἰούλιος. ἐπὶ δὲ τούτων παρὰ μὲν Ἠλείοις ἦχθη Ὀλυμπιάς πρώτη πρὸς ταῖς ἐνεήκοντα, καθ' ἣν ἐνίκα στάδιον Ἐξαίνετος Ἀκραγαντίνος. [2] Βυζάντιοι δὲ καὶ Καλχηδόνιοι παραλαβόντες Θρᾶκας ἐστράτευσαν εἰς τὴν Βιθυνίαν πολλοῖς πλήθεσι, καὶ τὴν τε χώραν ἐπόρθησαν καὶ πολλὰ τῶν μικρῶν πολισματίων ἐκπολιορκήσαντες ἐπετελέσαντο πράξεις ὁμότητι διαφερούσας: πολλῶν γὰρ αἰχμαλώτων κρατήσαντες ἀνδρῶν τε καὶ γυναικῶν καὶ παίδων ἅπαντας ἀπέσφαξαν. [3]

περὶ δὲ τοὺς αὐτοὺς χρόνους κατὰ τὴν Σικελίαν Ἑγεσταῖοι πρὸς Σελινουντίους ἐπολέμησαν περὶ χώρας ἀμφισβητησίμου, ποταμοῦ τὴν χώραν τῶν διαφερομένων πόλεων ὀρίζοντος. [4] Σελινούντιοι δὲ διαβάντες τὸ ρέϊθρον τὸ μὲν πρῶτον τῆς παραποταμίας βία κατέσχον, μετὰ δὲ ταῦτα καὶ τῆς προσκειμένης χώρας πολλὴν ἀποτεμόμενοι κατεφρόνησαν τῶν ἡδικημένων. [5] οἱ δ' Ἑγεσταῖοι παροξυνθέντες τὸ μὲν πρῶτον διὰ τῶν λόγων πείθειν ἐπεβάλοντο μὴ ἐπιβαίνειν τῆς ἄλλοτριάς γῆς: ὥς δὲ οὐδεὶς αὐτοῖς προσεῖχεν, ἐστράτευσαν ἐπὶ τοὺς κατέχοντας τὴν χώραν, καὶ πάντας ἐκβαλόντες ἐκ τῶν ἀγρῶν αὐτοὶ τὴν χώραν κατέσχον. [6] γενομένης δὲ διαφορᾶς μεγάλης

ἀμφοτέραις ταῖς πόλεσι, στρατιώτας ἀθροίσαντες διὰ τῶν ὅπλων ἐποιοῦντο τὴν κρίσιν. διόπερ ἀμφοτέρων παραταξαμένων ἐγένετο μάχη καρτερά, καθ' ἣν Σελινούντιοι νικήσαντες ἀπέκτειναν τῶν Ἑγεσταίων οὐκ ὀλίγους. [7] οἱ δ' Ἑγεσταῖοι ταπεινωθέντες καὶ καθ' ἑαυτοὺς οὐκ ὄντες ἀξιόμαχοι, τὸ μὲν πρῶτον Ἀκραγαντίνους καὶ Συρακοσίους ἐπειθον συμμαχήσαι: ἀποτυχόντες δὲ τούτων ἐξέπεμψαν πρεσβευτὰς εἰς τὴν Καρχηδόνα, δεόμενοι βοηθῆσαι: οὐ προσεχόντων δ' αὐτῶν, ἐζήτουν τινὰ διαπόντιον συμμαχίαν: οἷς συνήργησε ταυτόματον. 83. Λεοντίνων γὰρ ὑπὸ Συρακοσίων ἐκ τῆς πόλεως μετωκισμένων καὶ τὴν πόλιν καὶ τὴν χώραν ἀποβεβληκότων, οἱ φυγάδες αὐτῶν συστραφέντες ἔκριναν πάλιν τοὺς Ἀθηναίους προσλαβέσθαι συμμάχους, ὄντας συγγενεῖς. [2] περὶ δὲ τούτων κοινολογησάμενοι τοῖς Ἑγεσταίοις συνεφρόνησαν καὶ κοινῇ πρέσβεις ἐξέπεμψαν πρὸς Ἀθηναίους, ἀξιούντες μὲν βοηθῆσαι ταῖς πόλεσιν αὐτῶν ἀδικουμέναις, ἐπαγγειλάμενοι δὲ συγκατασκευάσειν αὐτοῖς τὰ κατὰ τὴν Σικελίαν πράγματα. [3] παραγενομένων οὖν εἰς τὰς Ἀθήνας τῶν πρέσβεων, καὶ τῶν μὲν Λεοντίνων τὴν συγγένειαν προφερομένων καὶ τὴν προϋπάρχουσαν συμμαχίαν, τῶν δ' Ἑγεσταίων ἐπαγγελλομένων χρημάτων τε πλῆθος δώσειν εἰς τὸν πόλεμον καὶ συμμαχήσειν κατὰ τῶν Συρακοσίων, ἔδοξε τοῖς Ἀθηναίοις ἐκπέμψαι τινὰς τῶν ἀρίστων ἀνδρῶν καὶ διασκέψασθαι τὰ κατὰ τὴν νῆσον καὶ τοὺς Ἑγεσταίους. [4] παραγενομένων οὖν τούτων εἰς τὴν Ἑγεσταν, οἱ μὲν Ἑγεσταῖοι χρημάτων πλῆθος ἐπέδειξαν, τὰ μὲν οἰκοθεν, τὰ δὲ παρὰ τῶν ἀστυγειτόνων χρησάμενοι φαντασίας ἔνεκεν. [5] ἀνελθόντων δὲ τῶν πρέσβεων καὶ τὴν εὐπορίαν τῶν Ἑγεσταίων ἀπαγγειλάντων, συνῆλθεν ὁ δῆμος περὶ τούτων. προτεθείσης δὲ τῆς βουλῆς περὶ τοῦ στρατεύειν ἐπὶ Σικελίαν, Νικίας μὲν ὁ Νικηράτου, θαυμαζόμενος ἐπ' ἀρετῇ παρὰ τοῖς πολίταις, συνεβούλευε μὴ στρατεύειν ἐπὶ Σικελίαν: [6] μὴ γὰρ δυνατόν ὑπάρχειν ἅμα τε Λακεδαιμονίοις διαπολεμεῖν καὶ δυνάμεις μεγάλας ἐκπέμπειν διαποντίους, καὶ τῶν Ἑλλήνων μὴ δυναμένους κτήσασθαι τὴν ἡγεμονίαν ἐλπίζειν τὴν μεγίστην τῶν κατὰ τὴν οἰκουμένην νήσων περιποιήσασθαι, καὶ Καρχηδονίους μὲν, ἔχοντας μεγίστην ἡγεμονίαν καὶ πολλάκις ὑπὲρ τῆς Σικελίας πεπολεμηκότας, μὴ δεδυνῆσθαι κρατῆσαι τῆς νήσου, τοὺς δὲ Ἀθηναίους, πολὺ λειπομένους τῇ δυνάμει τῶν Καρχηδονίων, δορίκτητον ποιήσασθαι τὴν κρατίστην τῶν νήσων. 84. πολλὰ δὲ καὶ ἄλλα διαλεχθέντος αὐτοῦ τῆς προκειμένης ὑποθέσεως οἰκεῖα, τῆς ἐναντίας γνώμης προεστηκὼς Ἀλκιβιάδης, ἐπιφανέστατος Ἀθηναίων, ἔπεισε τὸν δῆμον ἐπανελῆσθαι τὸν πόλεμον: ἦν γὰρ ὁ ἀνὴρ οὗτος δεινότατος μὲν εἰπεῖν τῶν πολιτῶν, εὐγενεῖα δὲ καὶ πλούτῳ καὶ στρατηγίᾳ διωνομασμένος. [2] εὐθὺς οὖν ὁ δῆμος στόλον ἀξιόχρεων κατεσκεύασε, τριάκοντα μὲν τριήρεις παρὰ τῶν συμμάχων λαβών, ἰδίας δ' ἑκατὸν καταρτίσας. [3] ταύτας δὲ κοσμήσας πᾶσι τοῖς εἰς πόλεμον χρησίμοις κατέλεξεν ὀπλίτας εἰς πεντακισχιλίους, στρατηγούς δὲ τρεῖς ἐχειροτόνησεν ἐπὶ ταύτῃ τὴν στρατηγίαν, Ἀλκιβιάδην καὶ Νικίαν καὶ Λάμαχον. [4]

Ἀθηναῖοι μὲν οὖν περὶ ταῦτα ἦσαν. ἡμεῖς δὲ παρόντες ἐπὶ τὴν ἀρχὴν τοῦ πολέμου τοῦ συστάντος Ἀθηναίοις καὶ Συρακοσίοις, κατὰ τὴν ἐν ἀρχῇ

πρόθεσιν τὰς ἐπομένας πράξεις εἰς τὴν ἐχομένην βίβλον κατατάξομεν.

BOOK XIII

ζοντεντζ.

τάδ' ἔνεστιν ἐν τῇ τρισκαιδεκάτῃ τῶν Διοδώρου βύβλων.

στρατεία Ἀθηναίων ἐπὶ Συρακοσίους μεγάλαις δυνάμεσι πεζικαῖς τε καὶ ναυτικαῖς.

κατάπλους Ἀθηναίων εἰς Σικελίαν.

κατάκλησις Ἀλκιβιάδου τοῦ στρατηγοῦ καὶ φυγὴ εἰς Λακεδαίμονα.

ὥς Ἀθηναῖοι διαπλεύσαντες εἰς τὸν μέγαν λιμένα τῶν Συρακοσίων κατελάβοντο τοὺς περὶ τὸ Ὀλύμπιον τόπους.

ὥς Ἀθηναῖοι τὰς Ἐπιπολὰς καταλαβόμενοι καὶ μάχῃ νικήσαντες ἐξ ἀμφοτέρων τῶν μερῶν ἐπολιόρκησαν τὰς Συρακούσας.

ὥς Λακεδαιμονίων καὶ Κορινθίων πεμψάντων βοήθειαν ἐθάρρησαν οἱ Συρακόσιοι.

μάχῃ Συρακοσίων καὶ Ἀθηναίων καὶ νίκη Ἀθηναίων μεγάλη.

μάχῃ τοῖς αὐτοῖς καὶ νίκη Συρακοσίων.

ὥς Συρακόσιοι τῶν Ἐπιπολῶν κρατήσαντες ἠνάγκασαν τοὺς Ἀθηναίους εἰς μίαν ἐλθεῖν παρεμβολὴν τὴν πρὸς τῷ Ὀλυμπίῳ.

ὥς ναυτικὴν δύναμιν οἱ Συρακόσιοι κατασκευάσαντες ναυμαχεῖν διέγνωσαν.

ὥς Ἀθηναῖοι Λαμάχου τοῦ στρατηγοῦ τελευτήσαντος καὶ Ἀλκιβιάδου μετακληθέντος, ἀντὶ τούτων στρατηγοὺς ἔπεμψαν Εὐρυμέδοντα καὶ Δημοσθένην ἔχοντας δύναμιν καὶ χρήματα.

διάλυσις σπονδῶν ὑπὸ Λακεδαιμονίων καὶ πόλεμος πρὸς Ἀθηναίους ὁ Πελοποννησιακὸς λεγόμενος.

ναυμαχία Συρακοσίων καὶ Ἀθηναίων καὶ νίκη Ἀθηναίων, καὶ ἄλωσις φρουρίων ὑπὸ Συρακοσίων καὶ κατὰ γῆν νίκη.

ναυμαχία πάσαις ταῖς ναυσὶν ἐν τῷ μεγάλῳ λιμένι καὶ νίκη Συρακοσίων.

κατάπλους ἐξ Ἀθηνῶν Δημοσθένους καὶ Εὐρυμέδοντος μετὰ δυνάμεως ἀξιολόγου.

μάχῃ μεγάλη περὶ τὰς Ἐπιπολὰς καὶ νίκη Συρακοσίων.

δρασμὸς τῶν Ἀθηναίων καὶ ἄλωσις τῆς πάσης δυνάμεως.

ὥς Συρακόσιοι συνελθόντες εἰς ἐκκλησίαν προέθηκαν βουλήν, πῶς χρηστὸν τοῖς αἰχμαλώτοις.

οἱ ῥηθέντες λόγοι πρὸς ἑκάτερον μέρος τῆς ὑποθέσεως.

τὰ ψηφισθέντα τοῖς Συρακοσίοις περὶ τῶν αἰχμαλώτων.

ὥς Ἀθηναίων πταισάντων περὶ Σικελίαν πολλοὶ τῶν συμμάχων ἀπέστησαν.

ὥς ὁ δῆμος τῶν Ἀθηναίων ἀθυμήσας παρεχώρησε τῆς δημοκρατίας καὶ τετρακοσίοις ἀνδράσι τὴν πολιτείαν ἐπέτρεψαν.

ὥς Λακεδαιμόνιοι ταῖς ναυμαχίαις τοὺς Ἀθηναίους ἐνίκησαν.

ὥς Συρακόσιοι τοὺς ἀνδραγαθήσαντας κατὰ τὸν πόλεμον ἀξιολόγοις δωρεαῖς ἐτίμησαν.

ὥς Διοκλῆς νομοθέτης αἰρεθεὶς ἔγραψε τοὺς νόμους Συρακοσίοις.

ὡς Συρακόσιοι τοῖς Λακεδαιμονίοις δύναμιν ἀξιόλογον ἔπεμψαν.

ὡς Ἀθηναῖοι τὸν τῶν Λακεδαιμονίων ναύαρχον καταναυμαχήσαντες Κύζικον ἐξεπολιόρκησαν.

ὡς Λακεδαιμονίων ἐξ Εὐβοίας πεντήκοντα ναῦς ἀποστειλάντων ἐπὶ βοήθειαν τοῖς ἡττημένοις, ἅπασαι περὶ τὸν Ἄθω μετὰ τῶν ἀνδρῶν διεφθάρησαν ὑπὸ τοῦ χειμῶνος.

Ἀλκιβιάδου κάθοδος καὶ στρατηγία.

πόλεμος Αἰγесταίοις καὶ Σελινουντίοις περὶ τῆς ἀμφισβητουμένης χώρας.

ὡς Λακεδαιμόνιοι τὸν Εὐριπον χώσαντες τὴν Εὐβοίαν ἡπειρον ἐποίησαν.

περὶ τῆς ἐν Κορκύρα γενομένης στάσεως καὶ σφαγῆς.

ναυμαχία Ἀθηναίων καὶ Λακεδαιμονίων περὶ τὸ Σίγειον καὶ νίκη Ἀθηναίων.

ὡς Ἀλκιβιάδης καὶ Θηραμένης ἐνίκησαν Λακεδαιμονίους ἅμα πεζῇ καὶ κατὰ θάλατταν ἐπιφανέστατα.

ὡς Καρχηδόνιοι μεγάλας δυνάμεις διαβιάσαντες ἐν Σικελίᾳ Σελινούντα καὶ Ἰμέραν κατὰ κράτος εἶλον.

ὡς εἰς τὸν Πειραιέα καταπλεύσας μετὰ πολλῶν λαφύρων μεγάλης ἔτυχεν ἀποδοχῆς Ἀλκιβιάδης.

ὡς Ἅγις ὁ βασιλεὺς μεγάλῃ δυνάμει τὰς Ἀθήνας πολιορκεῖν ἐπιβαλόμενος ἐξέπεσεν.

Ἀλκιβιάδου φυγῇ, καὶ κτίσις Θέρμων ἐν Σικελίᾳ.

ναυμαχία Συρακοσίων πρὸς Καρχηδονίους καὶ νίκη Συρακοσίων.

περὶ τῆς ἐν Ἀκράγαντι εὐδαιμονίας καὶ τῶν ἐν αὐτῇ κατασκευασμάτων.

ὡς Καρχηδόνιοι τριάκοντα μυριάσι στρατεύσαντες εἰς Σικελίαν ἐπολιόρκησαν Ἀκράγαντα.

ὡς Συρακόσιοι παραλαβόντες τοὺς συμμάχους μυρίοις στρατιώταις ἐβοήθουν τοῖς Ἀκραγαντίοις.

ὡς τετρακισμυρίων Καρχηδονίων ἀπαντησάντων ἐνίκησαν οἱ Συρακόσιοι καὶ πλείους τῶν ἐξακισχιλίων κατέκοψαν.

ὡς Καρχηδονίων τὰς ἀγορὰς παραιρουμένων οἱ Ἀκραγαντῖνοι διὰ τὴν σπάνιν τῆς τροφῆς ἠναγκάσθησαν ἐκλιπεῖν τὴν πατρίδα.

ὡς Διονύσιος στρατηγὸς αἰρεθεὶς ἐτυράννησε τῶν Συρακοσίων.

ὡς Ἀθηναῖοι ἐν Ἀργινούσαις ἐπιφανεστάτῃ ναυμαχίᾳ νικήσαντες τοὺς στρατηγούς ἀδίκως ἐθανάτωσαν.

ὡς Ἀθηναῖοι μεγάλῃ ναυμαχίᾳ λειφθέντες ἠναγκάσθησαν ἐφ' οἷς δυνατόν ἦν συνθέσθαι τὴν εἰρήνην, καὶ οὕτως ὁ Πελοποννησιακὸς πόλεμος κατελύθη.

ὡς Καρχηδόνιοι λοιμικῇ νόσφ περιπεσόντες ἠναγκάσθησαν συνθέσθαι τὴν εἰρήνην πρὸς Διονύσιον τὸν τύραννον.

1.

εἰ μὲν ὅμοια τοῖς ἄλλοις ἱστορίαν ἐπραγματευόμεθα, σχεδὸν ἦν ἐν τῷ προοιμίῳ περὶ τινων διαλεχθέντας ἐφ' ὅσον ἦν εὐκαιρον, οὕτως ἐπὶ τὰς συνεχεῖς πράξεις μεταβιβάζειν τὸν λόγον: ὀλίγον γὰρ χρόνον ἀπολαβόντες τῇ γραφῇ, τὴν ἀναστροφὴν ἂν εἶχομεν τὸν ἀπὸ τῶν προοιμίων καρπὸν προσλαμβάνεσθαι: [2] ἐπεὶ δὲ ἐν ὀλίγαις βίβλοις ἐπηγγειλάμεθα μὴ μόνον τὰς

πράξεις ἐφ' ὅσον ἂν δυνώμεθα γράψειν, ἀλλὰ καὶ περιλήψεσθαι χρόνον πλείονα τῶν χιλίων καὶ ἑκατὸν ἐτῶν, ἀναγκαῖόν ἐστι τὸν πολὺν λόγον τῶν προσιμίων παραπέμψαντας ἐπ' αὐτὰς ἔρχεσθαι τὰς πράξεις, τοῦτο μόνον προειπόντας, ὅτι κατὰ μὲν τὰς προηγουμένας ἐξ βίβλους ἀνεγράψαμεν τὰς ἀπὸ τῶν Τρωικῶν πράξεις ἕως εἰς τὸν ὑπὸ τῶν Ἀθηναίων ψηφισθέντα πόλεμον ἐπὶ Συρακοσίους, εἰς ὃν ἀπὸ Τροίας ἀλώσεως ἐστὶν ἔτη ἑπτακόσια ἐξήκοντα ὀκτώ· [3] ἐν ταύτῃ δὲ προσαναπληροῦντες τὸν συνεχῆ χρόνον, ἀρξόμεθα μὲν ἀπὸ τῆς ἐπὶ Συρακοσίους στρατείας, καταλήξομεν δ' ἐπὶ τὴν ἀρχὴν τοῦ δευτέρου πολέμου Καρχηδονίους πρὸς Διονύσιον τὸν Συρακοσίῳν τύραννον. 2.

ἐπ' ἄρχοντος γὰρ Ἀθήνησι Χαβρίου Ῥωμαῖοι μὲν ἀντὶ τῶν ὑπάτων κατέστησαν χιλιάρχους τρεῖς, Λεύκιον Σέργιον, Μάρκον Παπίριον, Μάρκον Σερουίλιον. ἐπὶ δὲ τούτων Ἀθηναῖοι ψηφισάμενοι τὸν πρὸς Συρακοσίους πόλεμον τὰς τε ναῦς ἐπεσκεύασαν καὶ χρήματα συναγαγόντες μετὰ πολλῆς σπουδῆς ἅπαντα τὰ πρὸς τὴν στρατείαν παρεσκευάζοντο. ἥρημένοι δὲ τρεῖς στρατηγούς, Ἀλκιβιάδην, Νικίαν, Λάμαχον, αὐτοκράτορας αὐτοὺς κατέστησαν ἀπάντων τῶν κατὰ τὸν πόλεμον. [2] τῶν δὲ ιδιωτῶν οἱ ταῖς οὐσίαις εὐποροῦντες τῇ προθυμίᾳ τοῦ δήμου χαρίζεσθαι βουλόμενοι τινὲς μὲν ἰδίας τριήρεις κατεσκεύασαν, τινὲς δὲ χρήματα δώσειν εἰς τὰς τροφὰς τῆς δυνάμεως ἐπηγγέλλοντο· πολλοὶ δὲ καὶ τῶν δημοτικῶν πολιτῶν καὶ ξένων, ἔτι δὲ συμμάχων, ἐκουσίως προσιόντες τοῖς στρατηγοῖς διεκελεύοντο καταγράφειν ἑαυτοὺς εἰς τοὺς στρατιώτας. οὕτως ἅπαντες μεμετεworισμένοι ταῖς ἐλπίσιν ἐξ ἐτοίμου κατακληρουχεῖν ἡλπίζον τὴν Σικελίαν. [3] ἤδη δὲ τοῦ στόλου παρεσκευασμένου, τοὺς ἑρμᾶς τοὺς κατὰ τὴν πόλιν παμπληθεῖς ὄντας συνέβη ἐν μιᾷ νυκτὶ περικοπῆναι. ὁ μὲν οὖν δῆμος, οὐχ ὑπὸ τῶν τυχόντων νομίσας γεγενῆσθαι τὴν πρᾶξιν, ἀλλ' ὑπὸ τῶν προεχόντων ταῖς δόξαις ἐπὶ τῇ καταλύσει τῆς δημοκρατίας, ἐμισοπονήρει καὶ τοὺς πράξαντας ἐξήτει μεγάλας δωρεὰς προθεὶς τῷ μηνύσαντι. [4] προσελθὼν δέ τις τῇ βουλῇ τῶν ιδιωτῶν ἔφησεν εἰς οἰκίαν μετοίκου τινὰς ἑωρακέναι τῇ νουμηνίᾳ περὶ μέσας νύκτας εἰσιόντας, ἐν οἷς καὶ τὸν Ἀλκιβιάδην. ἀνακρινόμενος δ' ὑπὸ τῆς βουλῆς, πῶς νυκτὸς οὕσης ἐπεγίνωσκε τὰς ὄψεις, ἔφησε πρὸς τὸ τῆς σελήνης φῶς ἑωρακέναι. οὗτος μὲν οὖν αὐτὸν ἐξελέγξας κατεψευσμένος ἠπιστήθη, τῶν δ' ἄλλων οὐδ' ἵχνος οὐδεὶς τῆς πράξεως εὐρεῖν ἠδυνήθη. [5]

τριήρων μὲν ἑκατὸν τεσσαράκοντα ἐτοιμασμένων, ὀλκάδων δὲ καὶ τῶν ἱππαγωγῶν, ἔτι δὲ τῶν τὸν σῆτον καὶ τὴν ἄλλην παρασκευὴν κομιζόντων πολὺς τις ἀριθμὸς ἦν· ὀπλῖται δὲ καὶ σφενδονῆται, πρὸς δὲ τούτοις ἱππεῖς καὶ τῶν συμμάχων πλείους τῶν ἑπτακισχιλίων ἐκτὸς τῶν ἐν τοῖς πληρώμασι. [6] τότε μὲν οὖν οἱ στρατηγοὶ μετὰ τῆς βουλῆς ἐν ἀπορρήτῳ συνεδρεύοντες ἐβουλευόντο, πῶς χρὴ διοικῆσαι τὰ κατὰ τὴν Σικελίαν, ἐὰν τῆς νήσου κρατήσωσιν. ἔδοξεν οὖν αὐτοῖς Σελινουντίους μὲν καὶ Συρακοσίους ἀνδραποδίσασθαι, τοῖς δ' ἄλλοις ἀπλῶς τάξαι φόρους, οὓς κατ' ἐνιαυτὸν οἴσουσιν Ἀθηναῖοις. 3. τῇ δ' ὑστεραίᾳ κατέβαινον οἱ στρατηγοὶ μετὰ τῶν στρατιωτῶν εἰς τὸν Πειραιέα, καὶ συνηκολούθει πᾶς ὁ κατὰ τὴν πόλιν ὄχλος ἀναμιξ ἄστων τε καὶ ξένων, ἐκάστου τοὺς ἰδίους συγγενεῖς τε καὶ φίλους

προπέμποντος. [2] αἱ μὲν οὖν τριήρεις παρ' ὅλον τὸν λιμένα παρῳρμουν κεκοσμημέναι τοῖς ἐπὶ ταῖς πρῶραις ἐπισήμασι καὶ τῇ λαμπρότητι τῶν ὄπλων: ὁ δὲ κύκλος ἅπας τοῦ λιμένος ἔγεμε θυμιατηρίων καὶ κρατήρων ἀργυρῶν, ἐξ ὧν ἐκπώμασι χρυσοῖς ἔσπενδον οἱ τιμῶντες τὸ θεῖον καὶ προσευχόμενοι κατατυχεῖν τῆς στρατείας. [3] ἀναχθέντες οὖν ἐκ τοῦ Πειραιεύς περιέπλευσαν τὴν Πελοπόννησον καὶ κατηνέχθησαν εἰς Κόρκυραν: ἐνταῦθα γὰρ παραμένειν παρήγγελλτο καὶ προσαναλαμβάνειν τοὺς παροίκους τῶν συμμάχων. ἐπεὶ δ' ἅπαντες ἡθροίσθησαν, διαπλεύσαντες τὸν Ἴόνιον πόρον πρὸς ἄκραν Ἰαπυγίαν κατηνέχθησαν, κάκειθεν ἤδη παρελέγοντο τὴν Ἰταλίαν. [4] ὑπὸ μὲν οὖν Ταραντίνων οὐ προσεδέχθησαν, Μεταποντίνους δὲ καὶ Ἡρακλειώτας παρέπλευσαν: εἰς δὲ Θουρίους κατενεχθέντες πάντων ἔτυχον τῶν φιλανθρώπων. ἐκεῖθεν δὲ καταπλεύσαντες εἰς Κρότωνα, καὶ λαβόντες ἀγορὰν παρὰ τῶν Κροτωνιατῶν, τῆς τε Λακινίας Ἥρας τὸ ἱερὸν παρέπλευσαν καὶ τὴν Διοσκουριάδα καλουμένην ἄκραν ὑπερέθεντο. [5] μετὰ δὲ ταῦτα τὸ καλούμενόν τε Σκυλλήτιον καὶ Λοκροὺς παρήλλαξαν, καὶ τοῦ Ῥηγίου καθορμισθέντες ἐγγὺς ἔπειθον τοὺς Ῥηγίους συμμαχεῖν: οἱ δὲ ἀπεκρίναντο βουλεύσεσθαι μετὰ τῶν ἄλλων Ἰταλιωτῶν. 4.

Συρακόσιοι δ' ἀκούσαντες ἐπὶ τοῦ πορθμοῦ τὰς δυνάμεις εἶναι τῶν Ἀθηναίων, στρατηγοὺς κατέστησαν αὐτοκράτορας τρεῖς, Ἑρμοκράτην, Σικανόν, Ἡρακλείδην, οἱ τοὺς στρατιώτας κατέγραφον καὶ πρέσβεις ἐπὶ τὰς κατὰ Σικελίαν πόλεις ἀπέστελλον, δεόμενοι τῆς κοινῆς σωτηρίας ἀντιλαμβάνεσθαι: τοὺς γὰρ Ἀθηναίους τῷ μὲν λόγῳ πρὸς Συρακοσίους ἐνίστασθαι τὸν πόλεμον, τῇ δ' ἀληθείᾳ καταστρέψασθαι βουλομένους ὅλην τὴν νῆσον. [2] Ἀκραγαντῖνοι μὲν οὖν καὶ Νάξιοι συμμαχήσειν ἔφησαν Ἀθηναίοις, Καμαριναῖοι δὲ καὶ Μεσσήνιοι τὴν μὲν εἰρήνην ἄξιν ὁμολόγησαν, τὰς δ' ὑπὲρ τῆς συμμαχίας ἀποκρίσεις ἀνεβάλλοντο: Ἱμεραῖοι δὲ καὶ Σελινούντιοι, πρὸς δὲ τούτοις Γελῶοι καὶ Καταναῖοι, συναγωνιεῖσθαι τοῖς Συρακοσίοις ἐπηγγείλαντο. αἱ δὲ τῶν Σικελῶν πόλεις τῇ μὲν εὐνοίᾳ πρὸς Συρακοσίους ἔρρεπον, ὅμως δ' ἐν ἡσυχίᾳ μένουσαι τὸ συμβησόμενον ἐκαραδόκουν. [3] τῶν δ' Αἰγεσταίων οὐχ ὁμολογούντων δώσειν πλέον τῶν τριάκοντα ταλάντων, οἱ στρατηγοὶ τῶν Ἀθηναίων ἐγκαλέσαντες αὐτοῖς ἀνέχθησαν ἐκ Ῥηγίου μετὰ τῆς δυνάμεως, καὶ κατέπλευσαν τῆς Σικελίας εἰς Νάξον. δεξαμένων δ' αὐτοὺς τῶν ἐν τῇ πόλει φιλοφρόνως, παρέπλευσαν ἐκεῖθεν εἰς Κατάνην. [4] τῶν δὲ Καταναίων εἰς μὲν τὴν πόλιν οὐ δεχομένων τοὺς στρατιώτας, τοὺς δὲ στρατηγοὺς ἐασάντων εἰσελθεῖν καὶ παρασχομένων ἐκκλησίαν, οἱ στρατηγοὶ τῶν Ἀθηναίων περὶ συμμαχίας διελέγοντο. [5] δημηγοροῦντος δὲ τοῦ Ἀλκιβιάδου τῶν στρατιωτῶν τινες διελόντες πυλῖδα παρεισέπεσον εἰς τὴν πόλιν: δι' ἣν αἰτίαν ἠναγκάσθησαν οἱ Καταναῖοι κοινωεῖν τοῦ κατὰ τῶν Συρακοσίων πολέμου. 5.

τούτων δὲ πραττομένων οἱ κατὰ τὴν ἰδίαν ἔχθραν μισοῦντες τὸν Ἀλκιβιάδην ἐν Ἀθήναις, πρόφασιν ἔχοντες τὴν τῶν ἀγαλμάτων περικοπὴν, διέβαλον αὐτὸν ἐν ταῖς δημηγορίαις ὡς συνωμοσίαν κατὰ τοῦ δήμου πεποιημένον. συνελάβετο δ' αὐτῶν ταῖς διαβολαῖς τὸ πραχθὲν παρὰ τοῖς Ἀργείοις: οἱ γὰρ ιδιόξενοι συνθέμενοι καταλῦσαι τὴν ἐν Ἀργεὶ δημοκρατίαν

πάντες ὑπὸ τῶν πολιτῶν ἀνηρέθησαν. [2] πιστεύσας οὖν ὁ δῆμος ταῖς κατηγορίαις, καὶ δεινῶς ὑπὸ τῶν δημαγωγῶν παροξυνθεὶς, ἀπέστειλε τὴν Σαλαμινίαν ναῦν εἰς Σικελίαν, κελεύων τὴν ταχίστην ἦκειν Ἀλκιβιάδην ἐπὶ τὴν κρίσιν. παραγενομένης οὖν τῆς νεῶς εἰς τὴν Κατάνην, Ἀλκιβιάδης, ἀκούσας τῶν πρέσβειων τὰ δόξαντα τῷ δήμῳ, τοὺς συνδιαβεβλημένους ἀναλαβὼν εἰς τὴν ἰδίαν τριήρη μετὰ τῆς Σαλαμινίας ἐξέπλευσεν. [3] ἐπεὶ δ' εἰς Θουρίους κατέπλευσεν, εἴτε καὶ συνειδὼς αὐτῷ τὴν ἀσέβειαν ὁ Ἀλκιβιάδης εἴτε καὶ φοβηθεὶς τὸ μέγεθος τοῦ κινδύνου, μετὰ τῶν συνδιαβεβλημένων διαδράς ἐκποδὼν ἐχωρίσθη. οἱ δ' ἐν τῇ Σαλαμινίᾳ νηὶ παραγενόμενοι τὸ μὲν πρῶτον ἐζήτουν τοὺς περὶ τὸν Ἀλκιβιάδην: ὥς δ' οὐχ εὔρισκον, ἀποπλεύσαντες εἰς Ἀθήνας ἀπήγγειλαν τῷ δήμῳ τὰ πεπραγμένα. [4] οἱ μὲν οὖν Ἀθηναῖοι παραδόντες δικαστηρίῳ τοῦ τε Ἀλκιβιάδου καὶ τῶν ἄλλων τῶν συμφυγόντων τὰ ὀνόματα δίκην ἐρήμην κατεδίκασαν θανάτου. ὁ δ' Ἀλκιβιάδης ἐκ τῆς Ἰταλίας διαπλεύσας ἐπὶ Πελοπόννησον ἔφυγεν εἰς Σπάρτην, καὶ τοὺς Λακεδαιμονίους παρώξυνεν ἐπιθέσθαι τοῖς Ἀθηναίοις. 6.

οἱ δ' ἐν Σικελίᾳ στρατηγοὶ μετὰ τῆς τῶν Ἀθηναίων δυνάμεως παραπλεύσαντες εἰς Αἴγεσταν, Ὑκκαρά μὲν Σικελικὸν πολισμάτιον ἐλόντες ἐκ τῶν λαφύρων συνήγαγον ἑκατὸν τάλαντα: κομισάμενοι δὲ καὶ τριάκοντα τάλαντα παρὰ τῶν Αἰγεσταίων κατέπλευσαν εἰς Κατάνην. [2] βουλόμενοι δὲ τὸν πρὸς τῷ μεγάλῳ λιμένι τόπον Συρακοσίων ἀκινδύνως καταλαβέσθαι, πέμπουσιν ἄνδρα Καταναῖον, ἑαυτοῖς μὲν πιστόν, τοῖς δὲ Συρακοσίων στρατηγοῖς πιθανόν, διακελευσάμενοι λέγειν τοῖς ἡγεμόσι τῶν Συρακοσίων, ὅτι τινὲς Καταναίων συστάντες βούλονται συχνοὺς τῶν Ἀθηναίων αὐλιζομένους ἀπὸ τῶν ὅπλων ἐν τῇ πόλει νυκτὸς ἄφνω συλλαβόντες τὰς ἐν τῷ λιμένι ναῦς ἐμπρῆσαι: πρὸς δὲ τὴν τούτων συντέλειαν ἀξιοῦν τοὺς στρατηγοὺς ἐπιφανῆναι μετὰ δυνάμεως, μήποτε τῆς ἐπιβολῆς ἀποτύχωσιν. [3] ἐλθόντος δὲ τοῦ Καταναίου πρὸς τοὺς ἡγεμόνας τῶν Συρακοσίων καὶ δηλώσαντος τὰ προειρημένα, πιστεύσαντες περὶ τούτων οἱ στρατηγοὶ συνετάξαντο νύκτα καθ' ἣν ἐξάξουσιν τὴν δύναμιν, καὶ τὸν ἄνθρωπον ἐξαπέστειλαν εἰς τὴν Κατάνην. [4] οἱ μὲν οὖν Συρακοσῖοι κατὰ τὴν τεταγμένην νύκτα ἦγον τὸ στρατόπεδον ἐπὶ τὴν Κατάνην, οἱ δὲ Ἀθηναῖοι παραπλεύσαντες εἰς τὸν μέγαν λιμένα τῶν Συρακοσίων μετὰ πολλῆς ἡσυχίας τοῦ τε Ὀλυμπίου κύριοι κατέστησαν καὶ πάντα τὸν περικείμενον τόπον καταλαβόμενοι παρεμβολὴν ἐποιήσαντο. [5] οἱ δὲ στρατηγοὶ τῶν Συρακοσίων ὥς ἦσθοντο τὴν ἀπάτην, ταχέως ἀναστρέψαντες προσέβαλον τῇ παρεμβολῇ τῶν Ἀθηναίων. ἐπεξελθόντων οὖν τῶν πολεμίων συνέστη μάχη, καθ' ἣν οἱ Ἀθηναῖοι τετρακοσίους τῶν ἐναντίων ἀνελόντες φυγεῖν ἠνάγκασαν τοὺς Συρακοσίους. [6] οἱ δὲ τῶν Ἀθηναίων στρατηγοὶ θεωροῦντες τοὺς πολεμίους ἱποκρατοῦντας, καὶ βουλόμενοι βέλτιον τὰ πρὸς τὴν πολιορκίαν κατασκευάσασθαι, πάλιν ἀπέπλευσαν εἰς τὴν Κατάνην. πέμψαντες δ' εἰς Ἀθήνας τινὰς ἔγραψαν πρὸς τὸν δῆμον ἐπιστολάς, ἐν αἷς ἠξίουσαν ἱπεῖς ἀποστεῖλαι καὶ χρήματα: πολυχρόνιον γὰρ ἔσσεσθαι τὴν πολιορκίαν ὑπελάμβανον. οἱ δ' Ἀθηναῖοι τριακόσια τάλαντα καὶ τῶν ἱπέων τινὰς ἐψηφίσαντο πέμπειν εἰς τὴν Σικελίαν. [7] τούτων δὲ πραττομένων Διαγόρας ὁ

κληθεὶς ἄθεος, διαβολῆς τυχὼν ἐπ' ἄσεβείᾳ καὶ φοβηθεὶς τὸν δῆμον, ἔφυγεν ἐκ τῆς Ἀττικῆς: οἱ δ' Ἀθηναῖοι τῷ ἀνελόντι Διαγόραν ἀργυρίου τάλαντον ἐπεκέρυξαν. [8]

κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι πρὸς Αἴκους πόλεμον ἔχοντες Λαβικοὺς ἐξεπολιόρκησαν. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 7.

ἐπ' ἄρχοντος δ' Ἀθήνησι Τισάνδρου Ῥωμαῖοι μὲν ἀντὶ τῶν ὑπάτων χιλιάρχους κατέστησαν τέτταρας, Πόπλιον Λουκρήτιον, Γάιον Σερουίλιον, Ἀγρίππαν Μενήνιον, Σπούριον Οὐετούριον. ἐπὶ δὲ τούτων Συρακοῖοι πρέσβεις ἀποστεύλαντες εἰς τε Κόρινθον καὶ Λακεδαίμονα παρεκάλουν βοηθῆσαι καὶ μὴ περιορᾶν αὐτοὺς περὶ τῶν ὅλων κινδυνεύοντας. [2] συνηγορήσαντος δ' αὐτοῖς Ἀλκιβιάδου Λακεδαιμόνιοι μὲν ψηφισάμενοι βοηθεῖν τοῖς Συρακοσίοις στρατηγὸν εἵλοντο Γύλιππον, Κορίνθιοι δὲ πλείονας μὲν τριήρεις παρεσκευάζοντο πέμπειν, τότε δὲ μετὰ Γυλίππου Πύθην μετὰ δύο τριήρων προαπέστειλαν εἰς Σικελίαν. [3] ἐν δὲ τῇ Κατάνη Νικίας καὶ Λάμαχος οἱ τῶν Ἀθηναίων στρατηγοί, παραγενομένων αὐτοῖς ἐξ Ἀθηνῶν ἱππέων μὲν διακοσίων πεντήκοντα, ἀργυρίου δὲ τάλαντων τριακοσίων, ἀναλαβόντες τὴν δύναμιν ἔπλευσαν εἰς Συρακούσας. καὶ προσενεχθέντες τῇ πόλει νυκτὸς ἔλαθον τοὺς Συρακοσίους καταλαβόμενοι τὰς Ἐπιπολάς. αἰσθόμενοι δ' οἱ Συρακοῖοι κατὰ τάχος ἐβοήθουν, καὶ ἀποβαλόντες τῶν στρατιωτῶν τριακοσίους εἰς τὴν πόλιν συνεδιώχθησαν. [4] μετὰ δὲ ταῦτα παραγενομένων τοῖς Ἀθηναίοις ἐξ Αἰγέστης τριακοσίων μὲν ἱππέων, παρὰ δὲ τῶν Σικελῶν ἱππέων διακοσίων πεντήκοντα, συνήγαγον ἱππεῖς τοὺς πάντας ὀκτακοσίους. κατασκευάσαντες δὲ περὶ τὸ Λάβδαλον ὀχύρωμα, τὴν πόλιν τῶν Συρακοσίων ἀπετείχιζον καὶ πολὺν φόβον τοῖς Συρακοσίοις ἐπέστησαν. [5] διόπερ ἐπεξελθόντες ἐκ τῆς πόλεως ἐπεχείρησαν διακωλύειν τοὺς οἰκοδομοῦντας τὸ τεῖχος: γενομένης δ' ἵππομαχίας συχνοὺς ἀποβαλόντες ἐτράπησαν. οἱ δ' Ἀθηναῖοι τῷ μέρει τῆς δυνάμεως τὸν ὑπερκείμενον τοῦ λιμένος τόπον κατελάβοντο, καὶ τὴν καλουμένην Πολίχνην τειχίσαντες τὸ τε τοῦ Διὸς ἱερὸν περιεβάλοντο καὶ ἐξ ἀμφοτέρων τῶν μερῶν τὰς Συρακούσας ἐπολιόρκουν. [6] τοιούτων δὲ ἐλαττωμάτων περὶ τοὺς Συρακοσίους γενομένων ἡθύμουν οἱ κατὰ τὴν πόλιν: ὥς δ' ἤκουσαν Γύλιππον εἰς Ἱμέραν καταπεπλευκέναι καὶ στρατιώτας ἀθροίζειν, πάλιν ἐθάρρησαν. [7] ὁ γὰρ Γύλιππος μετὰ τεττάρων τριήρων καταπλεύσας εἰς Ἱμέραν τὰς μὲν ναὺς ἐνεώλκησε, τοὺς δ' Ἱμεραίους πείσας συμμαχεῖν τοῖς Συρακοσίοις, παρὰ τε τούτων καὶ Γελῶν, ἔτι δὲ Σελινουντίων καὶ Σικανῶν ἤθροισε στρατιώτας. συναγαγὼν δὲ τοὺς ἅπαντας τρισχιλίους μὲν πεζοὺς, διακοσίους δ' ἱππεῖς, διὰ τῆς μεσογείου παρήγεν εἰς Συρακούσας. 8. καὶ μετ' ὀλίγας ἡμέρας μετὰ τῶν Συρακοσίων ἐξήγαγε τὴν δύναμιν ἐπὶ τοὺς Ἀθηναίους. γενομένης δὲ μάχης ἰσχυρᾶς Λάμαχος ὁ τῶν Ἀθηναίων στρατηγὸς μαχόμενος ἐτελεύτησε: πολλῶν δὲ παρ' ἀμφοτέρων ἀναιρεθέντων ἐνίκησαν Ἀθηναῖοι. [2] μετὰ δὲ τὴν μάχην παραγενομένων τρισκαίδεκα τριήρων ἐκ Κορίνθου, τοὺς ἐκ τῶν πληρωμάτων ἀναλαβὼν ὁ Γύλιππος μετὰ τῶν Συρακοσίων προσέβαλε τῇ παρεμβολῇ τῶν πολεμίων, καὶ τὰς Ἐπιπολάς ἐπολιόρκει. ἐξελθόντων δὲ τῶν Ἀθηναίων συνῆψαν μάχην οἱ Συρακοῖοι, καὶ πολλοὺς τῶν Ἀθηναίων ἀποκτείναντες

ἐνίκησαν, καὶ δι' ὅλης τῆς Ἐπιπολῆς τὸ τεῖχος κατέσκαψαν: οἱ δ' Ἀθηναῖοι καταλιπόντες τὸν πρὸς ταῖς Ἐπιπολαῖς τόπον πᾶσαν τὴν δύναμιν εἰς τὴν ἄλλην παρεμβολὴν μετήγαγον. [3] τούτων δὲ πραχθέντων οἱ Συρακόσιοι μὲν πρέσβεις ἀπέστειλαν εἰς Κόρινθον καὶ Λακεδαιμόνα περὶ βοηθείας: οἷς ἀπέστειλαν Κορίνθιοι μετὰ Βοιωτῶν μὲν καὶ Σικυωνίων χιλίους, Σπαρτιάται δ' ἑξακοσίους: [4] Γύλιππος δὲ περιπορευόμενος τὰς κατὰ Σικελίαν πόλεις πολλοὺς προετρέπετο συμμαχεῖν, καὶ λαβὼν στρατιώτας παρὰ τε τῶν Ἱμεραίων καὶ Σικανῶν τρισχιλίους ἤγε διὰ τῆς μεσογείου. πυθόμενοι δὲ οἱ Ἀθηναῖοι τὴν παρουσίαν αὐτῶν, ἐπιθέμενοι τοὺς ἡμίσεις ἀνεΐλον: οἱ δὲ περιλειφθέντες διεσώθησαν εἰς Συρακούσας. [5] ἐλθόντων δὲ τῶν συμμάχων οἱ Συρακόσιοι βουλόμενοι καὶ τῶν κατὰ θάλατταν ἀγώνων ἀντιποιεῖσθαι, τὰς τε προὔπαρχούσας ναῦς καθεΐλκυσαν καὶ ἄλλας προσκατασκευάσαντες. ἐν τῇ μικρῇ λιμένι τὰς ἀναπείρας ἐποιοῦντο. [6] Νικίας δὲ ὁ τῶν Ἀθηναίων στρατηγὸς ἀπέστειλεν εἰς Ἀθήνας ἐπιστολάς, ἐν αἷς ἐδήλου ὅτι πολλοὶ πάρεισι σύμμαχοι τοῖς Συρακοσίοις, καὶ διότι ναῦς οὐκ ὀλίγας πληρώσαντες ναυμαχεῖν διέγνωσαν: κατὰ τάχος οὖν ἡξίου τριήρεις τε πέμπειν καὶ χρήματα καὶ στρατηγοὺς τοὺς συνδιοικήσοντας τὸν πόλεμον: Ἀλκιβιάδου μὲν γὰρ πεφευγότος, Λαμάχου δὲ τετελευτηκότος αὐτὸν μόνον ἀπολελεῖσθαι, καὶ ταῦτ' ἀσθενῶς διακεῖμενον. [7] οἱ δ' Ἀθηναῖοι μετ' Εὐρυμέδοντος μὲν τοῦ στρατηγοῦ δέκα ναῦς ἀπέστειλαν εἰς Σικελίαν καὶ ἄργυρίου τάλαντα ἑκατὸν τεσσαράκοντα περὶ τὰς χειμερινὰς τροπὰς: περὶ δὲ τὴν ἑαρινὴν ὥραν παρεσκευάζοντο μέγαν στόλον ἀποστέλλειν. διόπερ στρατιώτας τε πανταχόθεν παρὰ τῶν συμμάχων κατέγραφον καὶ χρήματα συνήθροίζον. [8] κατὰ δὲ τὴν Πελοπόννησον οἱ Λακεδαιμόνιοι παροξυνθέντες ὑπὸ Ἀλκιβιάδου τὰς σπονδὰς ἔλυσαν τὰς πρὸς Ἀθηναίους, καὶ ὁ πόλεμος οὗτος διέμεινεν ἔτη δώδεκα. 9.

τοῦ δὲ ἔτους τούτου διελθόντος Κλεόκριτος μὲν ἄρχων Ἀθηναίων ἦν, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων χιλίαρχοι τέτταρες ὑπῆρχον, Αὐλὸς Σεμπρόνιος καὶ Μάρκος Παπίριος, Κόιντος Φάβιος, Σπώριος Ναύτιος. [2] ἐπὶ δὲ τούτων Λακεδαιμόνιοι μετὰ τῶν συμμάχων ἐνέβαλον εἰς τὴν Ἀττικὴν, Ἄγιδός ἡγουμένου καὶ Ἀλκιβιάδου τοῦ Ἀθηναίου. καταλαβόμενοι δὲ χωρίον ὄχυρὸν Δεκέλειαν φρούριον ἐποίησαν κατὰ τῆς Ἀττικῆς: διὸ καὶ συνέβη τὸν πόλεμον τοῦτον Δεκελεικὸν προσαγορευθῆναι. Ἀθηναῖοι δὲ περὶ μὲν τὴν Λακωνικὴν τριάκοντα τριήρεις ἀπέστειλαν καὶ Χαρικλέα στρατηγόν, εἰς δὲ τὴν Σικελίαν ἐψηφίσαντο πέμπειν ὀγδοήκοντα μὲν τριήρεις, ὀπλίτας δὲ πεντακισχιλίους. [3] οἱ δὲ Συρακόσιοι κρίναντες ναυμαχεῖν, καὶ πληρώσαντες ὀγδοήκοντα τριήρεις, ἐπέπλεον τοῖς πολεμίοις. τῶν δὲ Ἀθηναίων ἐξήκοντα ναυσὶν ἀνταναγκθέντων, καὶ τῆς ναυμαχίας ἐνεργοῦ γενομένης ἤδη, πάντες οἱ ἀπὸ τῶν φρουρίων Ἀθηναῖοι κατέβησαν ἐπὶ τὴν θάλατταν: οἱ μὲν γὰρ θεάσασθαι τὴν μάχην ἐπεθύμουν, οἱ δ', εἴ τι πταίσειαν ἐν τῇ ναυμαχίᾳ, βοηθήσειν τοῖς φεύγουσιν ἠλπίζον. [4] οἱ δὲ τῶν Συρακοσίων στρατηγοὶ προϊδόμενοι τὸ γινόμενον ἀπεστάλκεισαν τοὺς κατὰ τὴν πόλιν ἐπὶ τὰ τῶν Ἀθηναίων ὄχυράματα, χρημάτων καὶ ναυτικῶν σκευῶν, ἔτι δὲ τῆς ἄλλης παρασκευῆς ὑπάρχοντα πλήρη: ἃ δὴ καταλαβόντες οἱ Συρακόσιοι παντελῶς ὑπ' ὀλίγων

τηρούμενα κατέσχον καὶ τῶν ἀπὸ τῆς θαλάττης προσβοηθούντων πολλοὺς ἀπέκτειναν. [5] κραυγῆς δὲ πολλῆς γενομένης περὶ τὰ φρούρια καὶ τὴν παρεμβολήν, οἱ ναυμαχοῦντες Ἀθηναῖοι καταπλαγέντες ἐτράπησαν καὶ πρὸς τὸ λειπόμενον τῶν φρουρίων ἔφυγον. τῶν δὲ Συρακοσίων ἀτάκτως διωκόντων οἱ Ἀθηναῖοι πρὸς τὴν γῆν καταφεύγειν οὐ δυνάμενοι διὰ τὸ τοὺς Συρακοσίους дуεῖν φρουρίων κυριεῦειν, ἠναγκάσθησαν ἐξ ὑποστροφῆς πάλιν ναυμαχῆσαι. [6] τῶν δὲ Συρακοσίων λελυκότων τὰς τάξεις καὶ κατὰ τὸν διωγμὸν διερριμμένων, ἀθρόαις ταῖς ναυσὶν ἐπιπλεύσαντες ἑνδεκα μὲν κατέδυσαν, τὰς δὲ λοιπὰς ἕως τῆς Νήσου κατεδίωξαν. διαλυθείσης δὲ τῆς μάχης ἑκάτεροι τρόπαιον ἔστησαν, οἱ μὲν Ἀθηναῖοι τῆς ναυμαχίας, οἱ δὲ Συρακόσιοι τῶν ἐπὶ τῆς γῆς κατωρθωμένων. 10.

τῆς δὲ ναυμαχίας τοιοῦτο τέλος λαβούσης, οἱ μὲν Ἀθηναῖοι πυνθανόμενοι τὸν μετὰ Δημοσθένους στόλον ἐν ὀλίγαις ἡμέραις ἤξειν, ἔκριναν μηκέτι διακινδυνεύειν, ἕως ἂν ἡ δύναμις ἐκείνη παραγένηται, οἱ δὲ Συρακόσιοι τοῦναντίον βουλόμενοι πρὶν ἔλθειν τὴν μετὰ Δημοσθένους στρατιὰν περὶ τῶν ὅλων διακριθῆναι, καθ' ἡμέραν ἐπιπλέοντες ταῖς τῶν Ἀθηναίων ναυσὶν ἐξήπτοντο τῆς μάχης. [2] συμβουλευσάντος δ' αὐτοῖς Ἀρίστωνος τοῦ Κορινθίου κυβερνήτου τὰς πρῶρας τῶν νεῶν ποιῆσαι βραχυτέρας καὶ ταπεινότερας, πεισθέντες οἱ Συρακόσιοι πολλὰ διὰ ταύτην τὴν αἰτίαν ἐν τοῖς μετὰ ταῦτα κινδύνοις ἐπλεονέκτησαν. [3] αἱ μὲν γὰρ Ἀττικαὶ τριήρεις ἦσαν ἀσθενεστέρας ἔχουσαι τὰς πρῶρας καὶ μετεώρους· διὸ συνέβαινεν αὐτῶν τὰς ἐμβολὰς τιτρώσκειν τοὺς ὑπερέχοντας τῆς θαλάττης τόπους, ὥστε τοὺς πολεμίους μὴ μεγάλους ἐλαττώμασι περιπίπτειν· αἱ δὲ τῶν Συρακοσίων τὸν περὶ τὴν πρῶραν τόπον ἰσχυρὸν ἔχουσαι καὶ ταπεινόν, κατὰ τὰς τῶν ἐμβολῶν δόσεις μᾶ πολλὰκις πληγῇ κατέδουν τὰς τῶν Ἀθηναίων τριήρεις. [4] ἐπὶ μὲν οὖν συχνὰς ἡμέρας οἱ Συρακόσιοι τῇ παρεμβολῇ τῶν πολεμίων καὶ κατὰ γῆν καὶ κατὰ θάλατταν προσβάλλοντες οὐδὲν ἤνουν, τῶν Ἀθηναίων ἀγόντων ἡσυχίαν· ἐπειδὴ δὲ τινες τῶν τριηράρχων οὐκέτι δυνάμενοι καρτερεῖν τὴν τῶν Συρακοσίων καταφρόνησιν ἀντανήχθησαν τοῖς πολεμίους ἐν τῷ μεγάλῳ λιμένι, συνέστη πασῶν τῶν τριήρων ναυμαχία. [5] οἱ μὲν οὖν Ἀθηναῖοι ταχυναντούσας ἔχοντες τριήρεις, καὶ ταῖς κατὰ θάλατταν ἐμπειρίαις, ἔτι δὲ ταῖς τῶν κυβερνητῶν τέχναις προτεροῦντες, ἄπρακτον εἶχον τὴν ἐν τούτοις ὑπεροχὴν, τῆς ναυμαχίας ἐν στενῷ τόπῳ γινομένης· οἱ δὲ Συρακόσιοι συμπλεκόμενοι καὶ τοῖς πολεμίους οὐδεμίαν διδόντες ἀναστροφὴν, τοὺς τε ἐπὶ τῶν καταστρωμάτων ἠκόντιζον καὶ λιθοβολοῦντες λιπεῖν ἠνάγκαζον τὰς πρῶρας, ἀπλῶς δὲ πολλὰς τῶν ἐμπιπτουσῶν νεῶν ἐμβολὰς διδόντες καὶ εἰς τὰς τῶν ἐναντίων ναῦς εἰσαλλόμενοι πεζομαχίαν ἐν ταῖς ναυσὶ συνίσταντο. [6] θλιβόμενοι δὲ πανταχόθεν οἱ Ἀθηναῖοι πρὸς φυγὴν ὥρμησαν· οἱ δὲ Συρακόσιοι διώξαντες ἑπτὰ μὲν τριήρεις κατέδυσαν, πολλὰς δὲ ἀχρήστους ἐποίησαν. 11.

τῶν δὲ Συρακοσίων ἐπηρμένων ταῖς ἐλπίσι διὰ τὸ καὶ κατὰ γῆν καὶ κατὰ θάλατταν τοὺς πολεμίους νενικηκέναι, παρῆν Εὐρυμέδων καὶ Δημοσθένης, καταπεπλευκότες μὲν ἐξ Ἀθηνῶν μετὰ δυνάμεως πολλῆς, ἐν δὲ τῷ παράπλῳ παρὰ Θουρίων καὶ Μεσσαπίων προσειληφότες συμμαχίαν. [2] ἦγον δὲ τριήρεις

πλείους τῶν ὀγδοήκοντα, στρατιωτῶν δὲ χωρὶς τῶν ἐν τοῖς πληρώμασι πεντακισχιλίουσ· ὅπλα δὲ καὶ χρήματα, πρὸς δὲ τούτοις τὰ πρὸς πολιορκίαν ὄργανα καὶ τὴν ἄλλην παρασκευὴν ἐν στρογγύλοις πλοίοις ἐκόμιζον. δι' ἣν αἰτίαν οἱ Συρακόσιοι πάλιν ἐταπεινοῦντο ταῖς ἐλπίσι, νομίζοντες μηκέτι ῥαδίως ἐξισωθῆναι τοῖς πολεμίοις δυνήσεσθαι. [3] Δημοσθένης δὲ πείσας τοὺς συνάρχοντας ἐπιθέσθαι ταῖς Ἐπιπολαῖς — ἄλλως γὰρ οὐ δυνατόν ἦν ἀποτείχισαι τὴν πόλιν — , ἀναλαβὼν μυρίους μὲν ὀπλίτας, ἄλλους δὲ τοσοῦτους ψιλοὺς, νυκτὸς ἐπέθετο τοῖς Συρακοσίοις. ἀπροσδοκῆτου δὲ γενομένης τῆς ἐφόδου φρουρίων τέ τινων ἐκράτησαν καὶ παρεισπεσόντες ἐντὸς τοῦ τειχίσματος τῆς Ἐπιπολῆς μέρος τι τοῦ τείχους κατέβαλον. [4] τῶν δὲ Συρακοσίων πανταχόθεν συνδραμόντων ἐπὶ τὸν τόπον, ἔτι δὲ Ἑρμοκράτους μετὰ τῶν ἐπιλέκτων ἐπιβοηθήσαντος, ἐξεώσθησαν οἱ Ἀθηναῖοι καὶ νυκτὸς οὔσης διὰ τὴν ἀπειρίαν τῶν τόπων ἄλλοι κατ' ἄλλους τόπους ἐσκεδάσθησαν. [5] οἱ δὲ Συρακόσιοι μετὰ τῶν συμμάχων καταδιώξαντες, δισχιλίους μὲν καὶ πεντακοσίους τῶν πολεμίων ἀποκτείναντες, οὐκ ὀλίγους δὲ τραυματίας ποιήσαντες, πολλῶν ὅπλων ἐκυρίευσαν. [6] μετὰ δὲ τὴν μάχην Συρακόσιοι μὲν Σικανὸν ἓνα τῶν στρατηγῶν μετὰ δώδεκα τριήρων ἀπέστειλαν εἰς τὰς ἄλλας πόλεις, τὴν τε νίκην ἀπαγγελοῦντα τοῖς συμμάχοις καὶ βοηθεῖν ἀξιοῦντα. 12. Ἀθηναῖοι δέ, τῶν πραγμάτων αὐτοῖς ἐπὶ τὸ χεῖρον ἐκβάντων καὶ διὰ τὸ τὸν περικείμενον τόπον ὑπάρχειν ἐλώδη λοιμικῆς καταστάσεως εἰς τὸ στρατόπεδον ἐμπεσοῦσης, ἐβουλεύοντο, πῶς δεῖ χρῆσθαι τοῖς πράγμασιν. [2] Δημοσθένης μὲν οὖν ᾤετο δεῖν ἀποπλεῖν τὴν ταχίστην εἰς Ἀθήνας φάσκων αἰρετώτερον εἶναι πρὸς Λακεδαιμονίους ὑπὲρ τῆς πατρίδος κινδυνεύειν ἢ καθημένους εἰς Σικελίαν μηδὲν τῶν χρησίων ἐπιτελεῖν· ὁ δὲ Νικίας οὐκ ἔφη δεῖν αἰσχροῦς οὕτως ἐγκαταλιπεῖν τὴν πολιορκίαν, καὶ τριήρων καὶ στρατιωτῶν, ἔτι δὲ χρημάτων εὐποροῦντας· πρὸς δὲ τούτοις, ἐὰν ἄνευ τῆς τοῦ δήμου γνώμης εἰρήνην ποιησάμενοι πρὸς τοὺς Συρακοσίους ἀποπλεύσωσιν εἰς τὴν πατρίδα, κίνδυνον αὐτοῖς ἐπακολουθήσειν ἀπὸ τῶν εἰωθότων τοὺς στρατηγούς συκοφαντεῖν. [3] τῶν δὲ εἰς τὸ συμβούλιον παρειλημμένων οἱ μὲν τῷ Δημοσθένει συγκατέθεντο περὶ τῆς ἀναγωγῆς, οἱ δὲ τῷ Νικίᾳ τὴν αὐτὴν γνώμην ἀπεφαίνοντο· διόπερ οὐδὲν σαφὲς ἐπικρίναντες ἐφ' ἡσυχίας ἔμενον. [4] τοῖς δὲ Συρακοσίοις παραγενομένης συμμαχίας παρὰ τε Σικελῶν καὶ Σελινουντίων, ἔτι δὲ Γελφῶν, πρὸς δὲ τούτοις Ἱμεραίων καὶ Καμαριναίων, οἱ μὲν Συρακόσιοι μᾶλλον ἐθάρρουν, οἱ δ' Ἀθηναῖοι περιδεεῖς ἐγίνοντο. τῆς δὲ νόσου μεγάλην ἐπίτασιν λαμβανούσης πολλοὶ τῶν στρατιωτῶν ἀπέθνησκον, καὶ πάντες μετεμέλοντο διὰ τὸ μὴ πάλαι τὸν ἀπόπλουν πεποιῆσθαι. [5] διὸ καὶ τοῦ πλήθους θορυβοῦντος, καὶ τῶν ἄλλων πάντων ἐπὶ τὰς ναῦς ὁρμώντων, ὁ Νικίας ἠναγκάσθη συγχωρῆσαι περὶ τῆς εἰς οἶκον ἀναγωγῆς. ὁμογνωμόνων δὲ ὄντων τῶν στρατηγῶν, οἱ στρατιῶται τὰ σκευὴ ἐνετίθεντο καὶ τὰς τριήρεις πληρώσαντες ἤρουν τὰς κεραίας· καὶ παρήγγειλαν οἱ στρατηγοὶ τοῖς πλήθεσιν, ὅταν σημῆνῃ, μηδένα τῶν κατὰ τὸ στρατόπεδον ὑστερεῖν, ὡς ἀπολειφθισόμενον τὸν βραδύνοντα. [6] μελλόντων δ' αὐτῶν τῇ ὑστεραίᾳ πλεῖν, ἐξέλιπεν ἡ σελήνη τῆς ἐπιούσης νυκτός, διόπερ ὁ Νικίας, καὶ φύσει δεισιδαίμων ὑπάρχων καὶ διὰ τὴν ἐν τῷ στρατοπέδῳ νόσον εὐλαβῶς

διακείμενος, συνεκάλεσε τοὺς μάντις. τούτων δ' ἀποφνημαμένων ἀναγκαῖον εἶναι τὰς εἰθισμένας τρεῖς ἡμέρας ἀναβαλέσθαι τὸν ἔκπλουν, ἡναγκάσθησαν καὶ οἱ περὶ τὸν Δημοσθένην συγκαταθέσθαι διὰ τὴν πρὸς τὸ θεῖον εὐλάβειαν. 13.

οἱ δὲ Συρακόσιοι παρὰ τινων αὐτομόλων πυθόμενοι τὴν αἰτίαν τοῦ ὑπερτεθεῖσθαι τὸν ἀπόπλουν, τὰς τε τριήρεις πάσας ἐπλήρωσαν, οὐσας ἑβδομήκοντα καὶ τέσσαρας, καὶ τὰς πεζὰς δυνάμεις ἐξαγαγόντες προσέβαλον τοῖς πολεμίοις καὶ κατὰ γῆν καὶ κατὰ θάλατταν. [2] οἱ δ' Ἀθηναῖοι τριήρεις πληρώσαντες ἕξ πρὸς ταῖς ὀγδοήκοντα, τὸ μὲν δεξιὸν κέρας παρέδωκαν Εὐρυμέδοντι τῷ στρατηγῷ, καθ' ὃ ἐτάχθη ὁ τῶν Συρακοσίων στρατηγὸς Ἀγάθαρχος· ἐπὶ δὲ θατέρου μέρους Εὐθύδημος ἐτέτακτο, καθ' ὃν ἀντετάξατο Σικανὸς τῶν Συρακοσίων ἡγούμενος· τῆς δὲ μέσης τάξεως εἶχε τὴν ἡγεμονίαν παρὰ μὲν τοῖς Ἀθηναίοις Μένανδρος, παρὰ δὲ τοῖς Συρακοσίοις Πύθης ὁ Κορίνθιος. [3] ὑπερτεινούσης δὲ τῆς τῶν Ἀθηναίων φάλαγγος διὰ τὸ πλείοσιν αὐτοὺς ἀγωνίζεσθαι τριήρεσιν, οὐχ ἥκιστα καθ' ὃ πλεονεκτεῖν ἐδόκουν κατὰ τοῦτο ἡλαττώθησαν. ὁ γὰρ Εὐρυμέδων ἐπιχειρήσας περιπλεῖν τὸ κέρας τῶν ἐναντίων, ὥς ἀπεσπάσθη τῆς τάξεως, ἐπιστρεψάντων ἐπ' αὐτὸν τῶν Συρακοσίων ἀπελήφθη πρὸς τὸν κόλπον τὸν Δάσκωνα μὲν καλούμενον, ὑπὸ δὲ τῶν Συρακοσίων κατεχόμενον. [4] κατακλεισθεὶς δ' εἰς στενὸν τόπον καὶ βιασθεὶς εἰς τὴν γῆν ἐκπεσεῖν, αὐτὸς μὲν ὑπὸ τινος τρωθεὶς καιρία πληγῇ τὸν βίον μετήλλαξεν, ἐπτα δὲ ναῦς ἐν τούτῳ τῷ τόπῳ διεφθάρησαν. [5] τῆς δὲ ναυμαχίας ἤδη γινομένης ὅλοις τοῖς στόλοις, ὥς διεδόθη λόγος τὸν τε στρατηγὸν ἀνηρῆσθαι καὶ τινας ναῦς ἀπολωλέναι, τὸ μὲν πρῶτον αἱ μάλιστα συνεγγίζουσαι ταῖς διεφθαρμέναις ναυσὶν ἐνέκλιναν, μετὰ δὲ ταῦτα τῶν Συρακοσίων ἐπικειμένων καὶ διὰ τὸ γεγονὸς εὐημέρημα θρασέως ἀγωνιζομένων, βιασθέντες οἱ Ἀθηναῖοι πάντες φυγεῖν ἡναγκάσθησαν. [6] γενομένου δὲ τοῦ διωγμοῦ πρὸς τὸ τεναγῶδες μέρος τοῦ λιμένος, οὐκ ὀλίγαι τῶν τριήρων ἐν τοῖς βράχεσιν ἐπώκειλαν. ὧν συμβαινόντων Σικανὸς ὁ τῶν Συρακοσίων στρατηγὸς ταχέως ὀλκάδα κληματίδων καὶ δάδων, ἔτι δὲ πίττης πληρώσας, ἐνέπρησε τὰς ἐν τοῖς βράχεσι ναῦς κυλινδουμένας. [7] ὧν ἀναφθεισῶν οἱ μὲν Ἀθηναῖοι ταχέως τὴν τε φλόγα κατέσβεσαν καὶ ἀπὸ τῶν νεῶν ἔρρωμένως ἡμύναντο τοὺς ἐπιφερομένους, ἄλλην οὐδεμίαν εὐρίσκοντες σωτηρίαν· τὰ δὲ πεζὰ στρατόπεδα παρεβοήθει παρὰ τὸν αἰγιαλόν, ἐφ' ὃν αἱ ναῦς ἐξεπεπτώκεισαν. [8] ἀπάντων δὲ καρτερῶς ὑπομενόντων τὸν κίνδυνον, ἐπὶ μὲν τῆς γῆς ἐτράπησαν οἱ Συρακόσιοι, κατὰ θάλατταν δὲ προτερήσαντες ἀπέπλευσαν εἰς τὴν πόλιν. ἀπώλοντο δὲ τῶν μὲν Συρακοσίων ὀλίγοι, τῶν δ' Ἀθηναίων ἄνδρες μὲν οὐκ ἐλάττους δισχιλίων, τριήρεις δ' ὀκτωκαίδεκα. 14.

οἱ δὲ Συρακόσιοι νομίζοντες μηκέτι τὸν κίνδυνον εἶναι περὶ τῆς πόλεως, ἀλλὰ πολὺ μᾶλλον ἐνεστηκέναι τὸν ἀγῶνα περὶ τοῦ λαβεῖν τὸ στρατόπεδον μετὰ τῶν πολεμίων αἰχμάλωτον, ἀπέφραττον τὸ στόμα τοῦ λιμένος ζευγμα κατασκευάζοντες. [2] ἀκάτους τε γὰρ καὶ τριήρεις, ἔτι δὲ στοργγύλας ναῦς ἐπ' ἀγκυρῶν ὀρμίσαντες, καὶ σιδηραῖς ἀλύσεσι διαλαμβάνοντες, ἐπὶ τὰ σκάφη γεφύρας ἐκ σανίδων κατεσκεύασαν καὶ πέρας ἐν ἡμέραις τρισὶ τοῖς ἔργοις ἐπέθηκαν. [3] οἱ δ' Ἀθηναῖοι θεωροῦντες αὐτοῖς πάντοθεν τὴν σωτηρίαν

ἀποκεκλεισμένην, ἔκριναν ἀπάσας τὰς τριήρεις πληροῦν καὶ τῶν πεζῶν τοὺς κρατίστους ἐμβιβάσαι, τῷ τε πλήθει τῶν νεῶν καὶ τῇ τῶν ἀγωνιζομένων ὑπὲρ τῆς σωτηρίας ἀπονοία καταπλήξειν τοὺς Συρακοσίους. [4] διόπερ τοὺς ἐπὶ ταῖς ἡγεμονίαις τεταγμένους καὶ τοὺς ἀρίστους ἐξ ὅλου τοῦ στρατεύματος ἐμβιβάσαντες τριήρεις μὲν ἐπλήρωσαν πέντε λειπούσας τῶν ἑκατὸν εἴκοσι, τοὺς δὲ λοιποὺς ἐπὶ τῆς γῆς ἔταξαν παρὰ τὸν αἰγιαλόν. οἱ δὲ Συρακόσιοι τὸ μὲν πεζὸν στράτευμα πρὸ τῆς πόλεως ἔστησαν, τριήρεις δὲ συνεπλήρωσαν ἑβδομήκοντα τέσσαρας· συμπαρείποντό τε τὰς ὑπηρετικὰς ἔχοντες ναῦς παῖδες ἐλεύθεροι, τοῖς τε ἔτεσιν ὄντες ὑπὸ τὴν τῶν νεανίσκων ἡλικίαν καὶ συναγωνιζόμενοι μετὰ τῶν πατέρων. [5] τὰ δὲ περὶ τὸν λιμένα τείχη καὶ πᾶς ὁ τῆς πόλεως ὑπερκείμενος τόπος ἔγεμε σωμάτων· γυναικὲς τε γὰρ καὶ παρθένοι καὶ οἱ ταῖς ἡλικίαις τὴν ἐν τῷ πολέμῳ χρείαν παρέχεσθαι μὴ δυνάμενοι, τοῦ παντὸς πολέμου τὴν κρίσιν λαμβάνοντος, μετὰ πολλῆς ἀγωνίας ἐπεθεώρουν τὴν μάχην. 15. καθ' ὃν δὴ χρόνον Νικίας ὁ τῶν Ἀθηναίων στρατηγὸς ἐπιβλέψας τὰς ναῦς καὶ τὸ μέγεθος τοῦ κινδύνου λογισάμενος, οὐκ ἐπέμεινεν ἐπὶ τῆς ἐν τῇ γῇ τάξεως, ἀλλὰ καταλιπὼν τοὺς πεζοὺς ἐπὶ τινα ναῦν ἀνέβη καὶ παρέπλει τὰς τριήρεις τῶν Ἀθηναίων. ἕκαστον δὲ τῶν τριηράρχων ἐξ ὀνόματος προσφωνῶν καὶ τὰς χεῖρας ἐκτείνων ἐδεῖτο πάντων, εἰ καὶ πρότερον, τὸ νῦν ἀντιλαβέσθαι τῆς μόνης καταλελειμμένης ἐλπίδος· ἐν γὰρ ταῖς τῶν ναυμαχεῖν μελλόντων ἀρεταῖς καὶ ἑαυτῶν ἀπάντων καὶ τῆς πατρίδος κεῖσθαι τὴν σωτηρίαν. [2] καὶ τοὺς μὲν τέκνων ὄντας πατέρας τῶν υἱῶν ὑπομιμήσκων, τοὺς δ' ἐνδόξων γεγονότας πατέρων παρακαλῶν τὰς τῶν προγόνων ἀρετὰς μὴ καταισχῦναι, τοὺς δ' ὑπὸ τοῦ δήμου τετιμημένους προτρεπόμενος ἀξίους φανῆναι τῶν στεφάνων, ἅπαντας δ' ἀναμνησθέντας τῶν ἐν Σαλαμῖνι τροπαίων ἡξίου μὴ καταρρίψαι τῆς πατρίδος τὴν περιβόητον δόξαν, μηδὲ αὐτοὺς ἀνδραπόδων τρόπον παραδοῦναι τοῖς Συρακοσίοις. [3] ὁ μὲν οὖν Νικίας τοιοῦτοις χρησάμενος λόγοις πάλιν ἐπὶ τὴν ἰδίαν τάξιν ἐπανῆλθεν· οἱ δ' ἐν ταῖς ναυσὶ παιανίσαντες ἔπλεον, καὶ φθάσαντες τοὺς πολεμίους διέλυον τὸ ζεῦγμα. οἱ δὲ Συρακόσιοι ταχέως ἐπαναχθέντες συνετάττοντο ταῖς τριήρεσι, καὶ συμπλεκόμενοι τοῖς ἐναντίοις ἠνάγκασαν αὐτοὺς ἐπιστρέφειν ἀπὸ τοῦ ζεύγματος καὶ διαμάχεσθαι. [4] ποιουμένων δὲ τὰς ἀνακρούσεις τῶν μὲν ἐπὶ τὸν αἰγιαλόν, τῶν δ' εἰς μέσον τὸν λιμένα, τινῶν δὲ πρὸς τὰ τείχη, ταχέως ἀπ' ἀλλήλων διεσπάσθησαν αἱ τριήρεις ἅπασαι, καὶ χωρισθέντων ἀπὸ τῶν κλειθρῶν πλήρης ἦν ὁ λιμὴν τῶν κατ' ὀλίγους ναυμαχούντων. [5] ἔνθα δὴ παραβόλως ἀμφοτέρων περὶ τῆς νίκης ἀγωνιζομένων, οἱ μὲν Ἀθηναῖοι τῷ τε πλήθει τῶν νεῶν θαρροῦντες καὶ σωτηρίαν ἄλλην οὐχ ὀρῶντες θρασέως ἐκινδύνευον καὶ τὸν ἐν τῇ μάχῃ θάνατον εὐγενῶς ὑπέμενον· οἱ δὲ Συρακόσιοι θεατὰς τῶν ἀγώνων ἔχοντες γονεῖς καὶ παῖδας ἐφιλοτιμοῦντο πρὸς ἀλλήλους, ἐκάστου βουλομένου δι' ἑαυτοῦ τὴν νίκην περιγενέσθαι τῇ πατρίδι. 16. διὸ καὶ πολλοὶ ταῖς τῶν ἐναντίων πύρραις ἐπιβάντες, τῆς οἰκείας νεῶς ὑφ' ἑτέρας τρωθείσης, ἐν μέσοις τοῖς πολεμίοις ἀπελαμβάνοντο. ἔνιοι δὲ σιδηρᾶς χεῖρας ἐπιβάλλοντες ἠνάγκαζον τοὺς ἀντιταττομένους ἐπὶ τῶν νεῶν πεζομαχεῖν. [2] πολλάκις δὲ τὰς ἰδίας ἔχοντες ναῦς συντετριμμένας, εἰς τὰς τῶν ἐναντίων μεθαλλόμενοι, καὶ

τοὺς μὲν ἀποκτείνοντες, τοὺς δ' εἰς τὴν θάλατταν προωθοῦντες, ἐκυρίευνον τῶν τριήρων. ἀπλῶς δὲ καθ' ὅλον τὸν λιμένα τῶν τ' ἐμβολῶν ψόφος ἐγένετο καὶ βοή τῶν ἀγωνιζομένων ἐναλλάξ ἀπολλυμένων. [3] ὅτε γὰρ ἀποληφθεῖη ναὺς ὑπὸ πλείωνων τριήρων, πανταχόθεν τυπτομένη τοῖς χαλκώμασι, τοῦ ῥεύματος εἰσπίπτοντος αὐτάνδρος ὑπὸ τῆς θαλάττης κατεπίνετο. ἔνιοι δὲ καταδυομένων τῶν νεῶν ἀποκολυμβῶντες τοῖς τε τόξοις κατετιτρώσκοντο καὶ τοῖς δόρασι τυπτόμενοι διεφθείροντο. [4] οἱ δὲ κυβερνῆται θεωροῦντες τεταραγμένην τὴν μάχην, καὶ πάντα τόπον ὄντα πλήρη θορύβου, καὶ πολλάκις ἐπὶ μίαν ναῦν πλείους ἐπιφερομένας, οὐθ' ὅ,τι σημαίνουσιν εἶχον, μὴ τῶν αὐτῶν πρὸς ἅπαντα συμφερόντων, οὔτε πρὸς τοὺς κελεύοντας τοὺς ἐνεδέχετο βλέπειν διὰ τὸ πλῆθος τῶν βελῶν. [5] ἀπλῶς δὲ τῶν παραγγελλομένων οὐδεὶς οὐδὲν ἤκουε, τῶν σκαφῶν θραυομένων καὶ παρασυρομένων τῶν ταρσῶν, ἅμα δὲ καὶ τῇ κραυγῇ τῶν ναυμαχούντων καὶ τῶν ἀπὸ τῆς γῆς συμφιλοτιμουμένων. [6] τοῦ γὰρ αἰγιαλοῦ παντὸς τὸ μὲν ὑπὸ τῶν πεζῶν τῶν Ἀθηναίων κατείχετο, τὸ δ' ὑπὸ τῶν Συρακοσίων, ὥστ' ἐνίστε τοὺς παρὰ τὴν γῆν ναυμαχοῦντας συμμάχους ἔχειν τοὺς ἐπὶ τῆς χέρσου στρατοπεδεύοντας. [7] οἱ δ' ἐπὶ τῶν τειχῶν ὅτε μὲν ἴδοιεν τοὺς ἰδίους εὐημεροῦντας, ἐπαϊνίζον, ὅτε δ' ἐλαττουμένους, ἔστενον καὶ μετὰ δακρύων τοῖς θεοῖς προσηύχοντο. ἐνίστε γάρ, εἰ τύχοι, τῶν Συρακοσίων τριήρων παρὰ τὰ τεῖχη διαφθεῖρεσθαί τινας συνέβαινε, καὶ τοὺς ἰδίους ἐν ὀφθαλμοῖς τῶν συγγενῶν ἀναιρεῖσθαι, καὶ θεωρεῖν γονεῖς μὲν τέκνων ἀπώλειαν, ἀδελφὰς δὲ καὶ γυναῖκας ἀνδρῶν καὶ ἀδελφῶν οἰκτρὰν καταστροφὴν. 17. ἐπὶ πολὺν δὲ χρόνον πολλῶν ἀπολλυμένων ἡ μάχη τέλος οὐκ ἐλάμβανεν: οὐδὲ γὰρ οἱ θλιβόμενοι πρὸς τὴν γῆν φεύγειν ἐτόλμων. οἱ μὲν γὰρ Ἀθηναῖοι τοὺς ἀφισταμένους τῆς μάχης καὶ τῇ γῇ προσπλέοντας ἡρώτων, εἰ διὰ τῆς γῆς εἰς Ἀθήνας πλεῦσαι νομίζουσιν, οἱ δὲ πεζοὶ τῶν Συρακοσίων τοὺς προσπλέοντας ἀνέκρινον, διὰ τί βουλομένων αὐτῶν εἰς τὰς τριήρεις ἐμβαίνειν κωλύσαντες αὐτοὺς μάχεσθαι νῦν προδιδόασιν τὴν πατρίδα, καὶ εἰ διὰ τοῦτο ἔφραξαν τὸ στόμα τοῦ λιμένος, ὅπως κωλύσαντες τοὺς πολεμίους αὐτοὶ φεύγωσιν ἐπὶ τὸν αἰγιαλόν, καὶ τοῦ τελευτᾶν ὀφειλομένου πᾶσιν ἀνθρώποις ποῖον ζητοῦσι καλλίω θάνατον ἢ τὸν ὑπὲρ τῆς πατρίδος, ἣν ἔχοντες μάρτυρα τῶν ἀγώνων αἰσχροῶς ἐγκαταλείπουσιν. [2] τοιαῦτα δὲ τῶν ἀπὸ τῆς γῆς στρατιωτῶν ὀνειδιζόντων τοῖς προσπλεύουσιν, οἱ πρὸς τοὺς αἰγιαλοὺς ἀποφεύγοντες πάλιν ἀνέστρεφον, καίπερ συντετριμμένας ἔχοντες τὰς ναὺς καὶ ὑπὸ τῶν τραυμάτων καταβαρούμενοι. [3] τῶν δὲ παρὰ τὴν πόλιν κινδυνευόντων Ἀθηναίων ἐκβιασθέντων καὶ πρὸς φυγὴν ὀρμησάντων, οἱ προσεχεῖς αἰεὶ τῶν Ἀθηναίων ἐνέκλινον, καὶ κατ' ὀλίγον ἅπαντες ἐτράπησαν. [4] οἱ μὲν οὖν Συρακοῖσιοι μετὰ πολλῆς κραυγῆς κατεδίωκον τὰς ναὺς ἐπὶ τὴν γῆν: τῶν δὲ Ἀθηναίων ὅσοι μὴ μετέωροι διεφθάρησαν, ἐπεὶ πρὸς τὰ βράχια προσηνέχθησαν, ἐκπηδῶντες ἐκ τῶν νεῶν εἰς τὸ πεζὸν στρατόπεδον ἔφευγον. [5] ὁ δὲ λιμὴν πλήρης ἦν ὅπλων τε καὶ ναυαγίων, ὥς ἂν Ἀττικῶν μὲν νεῶν ἀπολομένων ἐξήκοντα, παρὰ δὲ τῶν Συρακοσίων ὀκτῶ μὲν τελέως διεφθαρμένων, ἐκκαίδεκα δὲ συντετριμμένων. οἱ δὲ Συρακοῖσιοι τῶν τε τριήρων ὅσας δυνατόν ἦν εἶλκον ἐπὶ τὴν γῆν, καὶ τοὺς τετελευτηκότας πολίτας τε καὶ συμμάχους ἀνελόμενοι

δημοσίας ταφῆς ἤξιώσαν. 18.

οἱ δ' Ἀθηναῖοι συνδραμόντες ἐπὶ τὰς τῶν ἡγεμόνων σκηναὺς ἐδέοντο τῶν στρατηγῶν, μὴ τῶν νεῶν, ἀλλὰ τῆς ἑαυτῶν φροντίζειν σωτηρίας. Δημοσθένης μὲν οὖν ἔφη δεῖν, λελυμένου τοῦ ζεύγματος, κατὰ τάχος πληροῦν τὰς τριήρεις, καὶ ἀπροσδοκῆτως ἐπιθεμένους ἐπηγγέλλετο ῥαδίως κρατήσειν τῆς ἐπιβολῆς: [2] Νικίας δὲ συνεβούλευε καταλιπόντας τὰς ναῦς διὰ τῆς μεσογείου πρὸς τὰς συμμαχίδας πόλεις ἀναχωρεῖν. ᾧ πάντες ὁμογνώμονες γενόμενοι τῶν νεῶν τινὰς ἐνέπρησαν καὶ τὰ πρὸς τὴν ἀπαλλαγὴν παρεσκευάζοντο. [3] φανεροῦ δ' ὄντος ὅτι τῆς νυκτὸς ἀναζεύξουσιν, Ἑρμοκράτης συνεβούλευε τοῖς Συρακοσίοις ἐξάγειν τῆς νυκτὸς ἅπαν τὸ στρατόπεδον καὶ τὰς ὁδοὺς ἀπάσας προκαταλαβέσθαι. [4] οὐ πειθομένων δὲ τῶν στρατηγῶν διὰ τὸ πολλοὺς μὲν τραυματίας εἶναι τῶν στρατιωτῶν, πάντας δ' ὑπὸ τῆς μάχης κατακόπους ὑπάρχειν τοῖς σώμασιν, ἀπέστειλέ τινὰς τῶν ἱππέων ἐπὶ τὴν παρεμβολὴν τῶν Ἀθηναίων τοὺς ἐροῦντας, ὅτι προαπεστάλκασιν οἱ Συρακόσιοι τοὺς τὰς ὁδοὺς καὶ τοὺς ἐπικαιροτάτους τόπους προκαταληψομένους. [5] ποιησάντων δὲ τῶν ἱππέων τὸ προσταχθὲν ἤδη νυκτὸς οὔσης, οἱ μὲν Ἀθηναῖοι νομίσαντες τῶν Λεοντίνων τινὰς εἶναι τοὺς δι' εὐνοίαν ἀπηγγελκότας, διατεράχθησαν οὐ μικρῶς καὶ τὴν ἀπαλλαγὴν ὑπερέθεντο: ᾧπερ εἰ μὴ παρεκρούσθησαν, ἀσφαλῶς ἂν ἐχωρίσθησαν. [6] οἱ μὲν οὖν Συρακόσιοι τῆς ἡμέρας ὑποφωσκούσης ἀπέστειλαν τοὺς προκαταληψομένους τὰ στενόπορα τῶν ὁδῶν: οἱ δὲ τῶν Ἀθηναίων στρατηγοὶ διελόμενοι τοὺς στρατιώτας εἰς δύο μέρη, καὶ τὰ μὲν σκευοφόρα καὶ τοὺς ἄρρώστους εἰς μέσον λαβόντες, τοὺς δὲ δυναμένους μάχεσθαι προηγεῖσθαι καὶ οὐραγεῖν τάξαντες, προῆσαν ἐπὶ Κατάνης, ὣν μὲν Δημοσθένους, ὣν δὲ Νικίου καθηγουμένων. 19. οἱ δὲ Συρακόσιοι πεντήκοντα μὲν τὰς καταλειφθείσας ναῦς ἀναψάμενοι κατήγαγον εἰς τὴν πόλιν, ἐκβιβάσαντες δ' ἐκ τῶν τριήρων ἅπαντας καὶ καθοπλίσαντες, μετὰ πάσης τῆς δυνάμεως ἠκολούθουν τοῖς Ἀθηναίοις, ἐξαπτόμενοι καὶ βαδίζειν εἰς τοῦμπροσθεν διακωλύοντες. [2] ἐπὶ τρεῖς δ' ἡμέρας ἐπακολουθοῦντες καὶ πανταχόθεν περιλαμβάνοντες ἀπειργον εὐθυπορεῖν πρὸς τὴν σύμμαχον Κατάνην, παλινوديὰν δὲ καταναγκάσαντες ποιήσασθαι διὰ τοῦ Ἐλωρίου πεδίου, πρὸς τῷ Ἀσινάρῳ ποταμῷ περικυκλώσαντες ἀπέκτειναν μὲν μυρίους ὀκτακισχιλίους, ἐξώγρησαν δὲ ἑπτακισχιλίους, ἐν οἷς καὶ τοὺς στρατηγούς Δημοσθένην καὶ Νικίαν: οἱ δὲ λοιποὶ διηρπάσθησαν ὑπὸ τῶν στρατιωτῶν. [3] οἱ γὰρ Ἀθηναῖοι πάντοθεν ἀποκλειομένης τῆς σωτηρίας ἠναγκάσθησαν τὰ ὄπλα καὶ ἑαυτοὺς παραδοῦναι τοῖς πολεμίοις. τούτων δὲ πραχθέντων οἱ Συρακόσιοι στήσαντες δύο τρόπαια, καὶ τὰ τῶν στρατηγῶν ὄπλα πρὸς ἑκάτερον προσηλώσαντες, ἀνέστρεψαν εἰς τὴν πόλιν. [4]

τότε μὲν οὖν τοῖς θεοῖς ἔθυσαν πανδημεῖ, τῇ δ' ὑστεραία συναχθείσης ἐκκλησίας ἐβουλεύοντο, πῶς χρήσονται τοῖς αἰχμαλώτοις. Διοκλῆς δέ τις, τῶν δημαγωγῶν ἐνδοξότατος ὢν, ἀπεφῆνατο γνώμην ὥς δέοι τοὺς μὲν στρατηγούς τῶν Ἀθηναίων μετ' αἰκίας ἀνελεῖν, τοὺς δ' ἄλλους αἰχμαλώτους ἐν μὲν τῷ παρόντι τεθῆναι πάντας εἰς τὰς λατομίας, μετὰ δὲ ταῦτα τοὺς μὲν συμμαχήσαντας τοῖς Ἀθηναίοις λαφυροπωλῆσαι, τοὺς δ' Ἀθηναίους

ἐργαζομένους ἐν τῷ δεσμοτηρίῳ λαμβάνειν ἀλφίτων δύο κοτύλας. [5] ἀναγνωσθέντος δὲ τοῦ ψηφίσματος Ἑρμοκράτης παρελθὼν εἰς τὴν ἐκκλησίαν ἐνεχείρει λέγειν, ὡς κάλλιον ἐστὶ τοῦ νικᾶν τὸ τὴν νίκην ἐνεγκεῖν ἀνθρωπίνως. [6] θορυβοῦντος δὲ τοῦ δήμου καὶ τὴν δημηγορίαν οὐχ ὑπομένοντος, Νικόλαός τις, ἐστερημένος ἐν τῷ πολέμῳ δυεῖν υἱῶν, ἀνέβαινεν ἐπὶ τὸ βῆμα κατεχόμενος ὑπὸ τῶν οἰκετῶν διὰ τὸ γῆρας· ὃν ὡς εἶδεν ὁ δῆμος, ἔλξε τοῦ θορύβου, νομίζων κατηγορήσειν τῶν αἰχμαλώτων. γενομένης οὖν σιωπῆς ὁ πρεσβύτερος ἐντεῦθεν ἤρξατο τῶν λόγων. 20.

τῶν κατὰ τὸν πόλεμον ἀτυχημάτων, ἄνδρες Συρακόσιοι, μέρος οὐκ ἐλάχιστον ἐγὼ μετέσχηκα· δυεῖν γὰρ υἱῶν γενόμενος πατὴρ ἐξέπεμψα μὲν αὐτοὺς εἰς τὸν ὑπὲρ τῆς πατρίδος κίνδυνον, ὑπεδεξάμην δ' ἅντ' αὐτῶν ἀγγελίαν, ἥ τὸν ἐκείνων θάνατον ἐμήνυνεν. [2] διὸ καὶ καθ' ἡμέραν ἐπιζητῶν τὴν συμβίωσιν, καὶ τὴν τελευτὴν ἀναλογιζόμενος, ἐκείνους μὲν μακαρίζω, τὸν ἑαυτοῦ δὲ βίον ἐλεῶ, πάντων ἡγούμενος εἶναι δυστυχέστατος. [3] ἐκείνοι μὲν γὰρ τὸν ὀφειλόμενον τῇ φύσει θάνατον εἰς πατρίδος σωτηρίαν ἀναλώσαντες ἀθάνατον ἑαυτῶν δόξαν καταλελοίπασιν, ἐγὼ δ' ἐπὶ τῆς ἐσχάτης ἡλικίας ἔρημος ὢν τῶν θεραπευσόντων τὸ γῆρας διπλοῦν ἔχω τὸ πένθος, τὴν συγγένειαν ἅμα καὶ ἀρετὴν ἐπιζητῶν· [4] ὅσῳ γὰρ εὐγενέστερον ἐτελεύτησαν, τοσοῦτ' αὖ ποθεινότεραν τὴν ὑπὲρ αὐτῶν μνήμην καταλελοίπασιν. εἰκότως οὖν μισῶ τοὺς Ἀθηναίους, δι' ἐκείνους οὐχ ὑπὸ τῶν τέκνων, ἀλλ' ὑπὸ οἰκετῶν, ὡς ὁρᾶτε, χειραγωγούμενος. [5] εἰ μὲν οὖν ἐώρων, ὧ ἄνδρες Συρακόσιοι, τὴν παροῦσαν ἐνεστηκέναι βουλὴν ὑπὲρ Ἀθηναίων, εἰκότως ἂν καὶ διὰ τὰς κοινὰς τῆς πατρίδος συμφορὰς καὶ διὰ τὰς ἰδίας ἀτυχίας πικρῶς ἂν αὐτοῖς προσηνέχθην· ἐπεὶ δ' ἅμα τῷ πρὸς τοὺς ἡτυχηκότας ἑλέφ κρίνεται τό τε κοινὴ συμφέρον καὶ ἡ πρὸς ἅπαντας ἀνθρώπους ὑπὲρ τοῦ δήμου τῶν Συρακοσίων ἐξενεχθησομένη δόξα, ἀκέραιον ποιήσομαι τὴν τοῦ συμφέροντος συμβουλίαν. 21. ὁ μὲν οὖν δῆμος τῶν Ἀθηναίων τῆς ἰδίας ἀνοίας ἀξίαν κεκόμισται τιμωρίαν, πρῶτον μὲν παρὰ θεῶν, μετὰ δὲ ταῦτα παρ' ἡμῶν τῶν ἀδικηθέντων. [2] ἀγαθὸν γὰρ ἐστὶ τὸ θεῖον τοὺς ἀδίκου πολέμου καταρχομένους καὶ τὴν αὐτῶν ὑπεροχὴν οὐκ ἐνεγκόντας ἀνθρωπίνως ἀνελπίστοις περιβαλεῖν συμφοραῖς. [3] τίς γὰρ ἂν ἥλιπσεν Ἀθηναίους, μύρια μὲν εἰληφότας ἐκ Δήλου τάλαντα, τριῆρεις δὲ διακοσίας εἰς Σικελίαν ἀπεσταλκότας καὶ τοὺς ἀγωνισομένους ἄνδρας πλείους τῶν τετρακισμυρίων, οὕτως μεγάλαις συμφοραῖς περιπεσεῖσθαι; ἀπὸ γὰρ τῆς τηλικαύτης παρασκευῆς οὔτε ναὺς οὔτ' ἀνὴρ οὐθείς ἐπανήλθεν, ὥστε μηδὲ τὸν ἀγγελοῦντα αὐτοῖς τὴν συμφορὰν περιλειφθῆναι. [4] εἰδότες οὖν, ἄνδρες Συρακόσιοι, τοὺς ὑπερηφανοῦντας παρὰ θεοῖς καὶ παρ' ἀνθρώποις μισουμένους, προσκυνοῦντες τὴν τύχην μηθὲν ὑπὲρ ἀνθρώπων πράξαιτε. τί γὰρ σεμνὸν φονεῦσαι τὸν ὑποπεπτωκότα; τί δ' ἔνδοξον τιμωρίαν περιβαλεῖν; ὁ γὰρ ἀμετάθετον ἔχων τὴν περὶ τῶν ἀτυχημάτων ὁμότητα συναδικεῖ τὴν κοινὴν ἀνθρώπων ἀσθένειαν. [5] οὐθείς γὰρ ἐστὶν οὕτω φρόνιμος, ὥστε μείζον ἰσχύσαι τῆς τύχης, ἢ φύσει ταῖς ἀνθρωπίναις ἡδομένη συμφοραῖς ὀξείας τῆς εὐδαιμονίας ποιεῖ τὰς μεταβολάς. ἐροῦσί τινες ἴσως, ἡδίκησαν, καὶ τῆς κατ' αὐτῶν τιμωρίας ἔχομεν τὴν ἐξουσίαν. [6] οὐκοῦν παρὰ μὲν τοῦ δήμου

πολλαπλασίαν ειλίφατε τιμωρίαν, παρὰ δὲ τῶν αἰχμαλώτων ἱκανὴν ἔχετε κόλασιν; παρέδωκαν γὰρ ἑαυτοὺς μετὰ τῶν ὅπλων πιστεύσαντες τῇ τῶν κρατούντων εὐγνωμοσύνῃ: διόπερ οὐκ ἄξιον αὐτοὺς τῆς ἡμετέρας ψευσθῆναι φιланθρωπίας. [7] οἱ μὲν οὖν ἀμετάθετον τὴν ἔχθραν φυλάττοντες μαχόμενοι τετελευτήκασιν, οἱ δ' ἑαυτοὺς ἡμῖν ἐγχειρίσαντες ἀντὶ πολεμίων γεγόνασιν ἱκέται. οἱ γὰρ ἐν ταῖς μάχαις τοῖς ἐναντίοις τὰ σώματα ἐγχειρίζοντες, ἐπ' ἐλπίδι σωτηρίας τοῦτο πράττουσιν: εἰ δὲ πιστεύσαντες τιμωρίας τεύζονται τηλικαύτης, οἱ μὲν παθόντες ἀναδέξονται τὴν συμφορὰν, οἱ δὲ πράξαντες ἀγνώμονες ἂν κληθεῖεν. [8] δεῖ δὲ τοὺς τῆς ἡγεμονίας ἀντιποιουμένους, ὧς ἄνδρες Συρακόσιοι, μὴ οὕτως τοῖς ὅπλοις ἑαυτοὺς ἰσχυροὺς κατασκευάζειν, ὥς τοῖς τρόποις ἐπιεικεῖς παρέχεσθαι. 22. οἱ γὰρ ὑποτεταγμένοι τοὺς μὲν φόβῳ κατισχύοντας καιροτηρήσαντες ἀμύνονται διὰ τὸ μῖσος, τοὺς δὲ φιανθρώπως ἀφηγουμένους βεβαίως ἀγαπῶντες ἀεὶ συναΐζουσι τὴν ἡγεμονίαν. τί καθεῖλε τὴν Μήδων ἀρχήν; ἢ πρὸς τοὺς ταπεινότερους ὠμότης. [2] ἀποστάντων γὰρ Περσῶν καὶ τὰ πλεῖστα τῶν ἐθνῶν συνεπέθετο. πῶς γὰρ Κῦρος ἐξ ἰδιώτου τῆς Ἀσίας ὅλης ἐβασίλευσε; τῇ πρὸς τοὺς κρατηθέντας εὐγνωμοσύνῃ. Κροῖσον γὰρ τὸν βασιλέα λαβὼν αἰχμάλωτον οὐχ ὅπως ἠδίκησεν, ἀλλὰ καὶ προσευηργέτησεν: παραπλησίως δὲ καὶ τοῖς ἄλλοις βασιλεῦσί τε καὶ δήμοις προσηνέχθη. [3] τοιγαροῦν διαδοθείσης εἰς πάντα τόπον τῆς ἡμερότητος ἅπαντες οἱ κατὰ τὴν Ἀσίαν ἀλλήλους φθάνοντες εἰς τὴν τοῦ βασιλέως συμμαχίαν παρεγίνοντο. [4] τί λέγω τὰ μακρὰν καὶ τόποις καὶ χρόνοις ἀφεστηκότα; κατὰ γὰρ τὴν ἡμετέραν πόλιν οὐ πάλαι Γέλων ἐξ ἰδιώτου τῆς Σικελίας ὅλης ἡγεμὼν ἐγένετο, τῶν πόλεων ἐκουσίως εἰς τὴν ἐξουσίαν ἐκείνου παραγενομένων: προσεκαλεῖτο γὰρ ἢ τάνδρὸς ἐπιείκεια πάντας ἀνθρώπους, τὴν εἰς τοὺς ἡτυχηκότας συγγνώμην προσλαβοῦσα. [5] ἀπ' ἐκείνων οὖν τῶν χρόνων τῆς κατὰ Σικελίαν ἡγεμονίας ἀντιποιουμένης τῆς πόλεως, μὴ καταρρίψωμεν τὸν ὑπὲρ τῶν προγόνων ἔπαινον, μηδ' ἑαυτοὺς θηριώδεις καὶ ἀπαραιτήτους πρὸς ἀνθρωπίνην ἀτυχίαν παράσχωμεν. οὐ γὰρ προσήκει δοῦναι τῷ φθόνῳ καθ' ἡμῶν ἀφορμὴν εἰπεῖν, ὥς ἀναξίως εὐτυχοῦμεν: καλὸν γὰρ καὶ τὸ τῆς τύχης ἀντιπραττούσης ἔχειν τοὺς συναλγίσοντας καὶ πάλιν ἐν τοῖς κατορθώμασι τοὺς ἡδομένους. [6] τὰ μὲν οὖν ἐν τοῖς ὅπλοις πλεονεκτήματα τύχῃ καὶ καιρῷ κρίνεται πολλάκις, ἢ δ' ἐν ταῖς εὐπραξίαις ἡμερότης ἰδίον ἐστὶ σημεῖον τῆς τῶν εὐτυχούντων ἀρετῆς. διὸ μὴ φθονήσητε τῇ πατρίδι περιβόητον γενέσθαι παρὰ πᾶσιν ἀνθρώποις, ὅτι τοὺς Ἀθηναίους ἐνίκησεν οὐ μόνον τοῖς ὅπλοις, ἀλλὰ καὶ τῇ φιανθρωπίᾳ. [7] φανήσονται γὰρ οἱ τῶν ἄλλων ὑπερέχειν ἡμερότητι σεμνυνόμενοι τῇ παρ' ἡμῶν εὐγνωμοσύνῃ πολυωρούμενοι, καὶ οἱ πρῶτοι βωμὸν ἐλέου καθιδρυσάμενοι τοῦτον ἐν τῇ πόλει τῶν Συρακοσίων εὐρήσουσιν. [8] ἐξ ὧν πᾶσιν ἔσται φανερόν, ὥς ἐκεῖνοι μὲν δικαίως ἐσφάλησαν, ἡμεῖς δ' ἀξίως ἡτύχησαμεν, εἴπερ οἱ μὲν τοιοῦτους ἀδικεῖν ἐπεχείρησαν οἱ καὶ πρὸς τοὺς ἐχθροὺς εὐγνωμόνησαν, ἡμεῖς δὲ τοιοῦτους ἐνίκησαμεν οἱ καὶ τοῖς πολεμιοτάτοις μερίζουσι τὸν ἔλεον ἐτόλμησαν ἐπιβουλευσαι: ὥστε μὴ μόνον ὑπὸ τῶν ἄλλων κατηγορίας τυγχάνειν τοὺς Ἀθηναίους, ἀλλὰ καὶ αὐτοὺς ἑαυτῶν καταγινώσκειν, εἰ τοιοῦτους ἄνδρας ἀδικεῖν ἐνεχείρησαν. 23. καλόν,

ὁ ἄνδρες Συρακόσιοι, κατάρξασθαι φιλίας, καὶ τῷ τῶν ἡττηκόντων ἐλέω σπεύσασθαι τὴν διαφορὰν. δεῖ γὰρ τὴν μὲν πρὸς τοὺς φίλους εὖνοιαν ἀθάνατον φυλάττειν, τὴν δὲ πρὸς τοὺς ἐναντίους ἔχθραν θνητὴν: οὕτω γὰρ συμβήσεται τοὺς μὲν συμμάχους γίνεσθαι πλείους, τοὺς δὲ πολεμίους ἐλάττους. [2] τὴν δὲ διαφορὰν αἰώνιον διαφυλάττοντας παραδιδόναι παισὶ παίδων οὐτ' εὐγνωμον οὔτε ἀσφαλές: ἐνίστε γὰρ οἱ δοκοῦντες ὑπερέχειν ἐν ῥοπῇ καιροῦ τῶν πρότερον ὑποπεπτωκότων ἀσθενέστεροι γίνονται. [3] μαρτυρεῖ δ' ὁ νῦν γενόμενος πόλεμος: οἱ γὰρ ἐπὶ πολιορκίᾳ παραγενόμενοι καὶ διὰ τὴν ὑπεροχὴν ἀποτειχίσαντες τὴν πόλιν ἐκ μεταβολῆς αἰχμάλωτοι γεγόνασιν, ὥς ὁρᾶτε. καλὸν οὖν ἐν ταῖς τῶν ἄλλων ἀτυχίαις ἡμέρους φανέντας ἔτοιμον ἔχειν τὸν παρὰ πάντων ἔλεον, ἐάν τι συμβαίνει τῶν ἀνθρωπίνων. πολλὰ γὰρ ὁ βίος ἔχει παράδοξα, στάσεις πολιτικάς, ληστείας, πολέμους, ἐν οἷς οὐ ῥᾶδιον διαφεύγειν τὸν κίνδυνον ἀνθρώπου ὄντα. [4] διόπερ εἰ τὸν πρὸς τοὺς ὑποπεπτωκότας ἔλεον ἀποκόψομεν, πικρὸν καθ' ἑαυτῶν νόμον θήσομεν εἰς ἅπαντα τὸν αἰῶνα. οὐ γὰρ δυνατόν τοὺς ἄλλοις ἀνημέρως χρησαμένους αὐτοὺς παρ' ἐτέρων τυχεῖν ποτε φιланθρωπίας, ἄλλους τε πράξαντας δεῖν παθεῖν εὐγνώμονα, καὶ παρὰ τοὺς τῶν Ἑλλήνων ἐθισμοὺς τοσοῦτους ἄνδρας φονεύσαντας ἐν ταῖς τοῦ βίου μεταβολαῖς ἐπιβοᾶσθαι τὰ κοινὰ πάντων νόμιμα. [5] τίς γὰρ Ἑλλήνων τοὺς παραδόντας ἑαυτοὺς καὶ τῇ τῶν κρατούντων εὐγνωμοσύνῃ πιστεύσαντας ἀπαραιτήτου τιμωρίας ἡξίωκεν, ἢ τίς ἦττον τοῦ μὲν ὤμοῦ τὸν ἔλεον, τῆς δὲ προπετείας τὴν εὐλάβειαν ἔσχηκεν; 24. πάντες δὲ ἀνατείνονται μὲν πρὸς τοὺς ἀντιταττομένους, εἴκουσι δὲ τοῖς ὑποπεπτωκόσιν, ὧν μὲν τὴν τόλμαν καταπονοῦντες, ὧν δὲ τὴν ἀτυχίαν οἰκτεῖροντες. θραύεται γὰρ ἡμῶν ὁ θυμός, ὅταν ὁ πρότερον ἐχθρὸς ὢν ἐκ μεταβολῆς ἱκέτης γενόμενος ὑπομένη παθεῖν ὅ,τι ἂν δοκῇ τοῖς κρατοῦσιν. [2] ἀλίσκονται δ', οἶμαι, τῶν ἡμέρων ἀνδρῶν αἱ ψυχαὶ μάλιστα πῶς ἐλέω διὰ τὴν κοινὴν τῆς φύσεως ὁμοπάθειαν. Ἀθηναῖοι γὰρ κατὰ τὸν Πελοποννησιακὸν πόλεμον εἰς τὴν Σφακτηρίαν νῆσον πολλοὺς τῶν Λακεδαιμονίων κατακλείσαντες καὶ λαβόντες αἰχμαλώτους ἀπελύτρωσαν τοῖς Σπαρτιάταις. [3] πάλιν Λακεδαιμόνιοι πολλοὺς τῶν Ἀθηναίων καὶ τῶν συμμάχων αἰχμαλωτισάμενοι παραπλησίως ἐχρήσαντο. καὶ καλῶς ἀμφοτέρωι ταῦτ' ἔπραξαν. δεῖ γὰρ τοῖς Ἑλλήσι τὴν ἔχθραν εἶναι μέχρι τῆς νίκης, καὶ κολάζειν μέχρι τοῦ κρατῆσαι τῶν ἐναντίων. [4] ὁ δὲ περαιτέρω τὸν ὑποπεσόντα καὶ πρὸς τὴν τοῦ κρατοῦντος εὐγνωμοσύνην προσφεύγοντα τιμωρούμενος οὐκέτι τὸν ἐχθρὸν κολάζει, πολὺ δὲ μᾶλλον ἀδικεῖ τὴν ἀνθρωπίνην ἀσθένειαν. [5] εἴποι γὰρ ἂν τις πρὸς τὴν τοῦ τοιοῦτου σκληρότητα τὰς τῶν πάλαι σοφῶν ἀποφάσεις, ἄνθρωπε, μὴ μέγα φρόνει, γνῶθι σαυτόν, ἰδὲ τὴν τύχην ἀπάντων οὕσαν κυρίαν. τίνος γὰρ χάριν οἱ πρόγονοι πάντων τῶν Ἑλλήνων ἐν ταῖς κατὰ πόλεμον νίκαις κατέδειξαν οὐ διὰ λίθων, διὰ δὲ τῶν τυχόντων ξύλων ιστάναι τὰ τρόπαια; [6] ἄρ' οὐχ ὅπως ὀλίγον χρόνον διαμένοντα ταχέως ἀφανίζεται τὰ τῆς ἔχθρας ὑπομνήματα; καθόλου δ' εἰ μὲν αἰώνιον ἴστασθαι τὴν διαφορὰν βούλεσθε, μάθετε τὴν ἀνθρωπίνην ἀσθένειαν ὑπερφρονοῦντες: εἷς γὰρ καιρὸς καὶ βραχεῖα ῥοπή τύχης ταπεινοὶ πολλάκις τοὺς ὑπερηφάνους. 25. εἰ δ', ὅπερ εἰκὸς ἐστὶ, παύσεσθε πολεμοῦντες, τίνα καλλίω καιρὸν εὐρήσετε τοῦ νῦν

υπάρχοντος, ἐν ᾧ τὴν πρὸς τοὺς ἑπτακότας φιланθρωπίαν ἀφορμὴν τῆς
φιλίας ποιήσεσθε; μὴ γὰρ οἴεσθε τὸν τῶν Ἀθηναίων δῆμον τελέως
ἐξησθενηκέναι διὰ τὴν ἐν Σικελίᾳ συμφορὰν, ὃς κρατεῖ σχεδὸν τῶν τε κατὰ
τὴν Ἑλλάδα νήσων ἀπασῶν, καὶ τῆς παραλίου τῆς τε κατὰ τὴν Εὐρώπην καὶ
τὴν Ἀσίαν ἔχει τὴν ἡγεμονίαν. [2] καὶ γὰρ πρότερον περὶ τὴν Αἴγυπτον
τριακοσίας τριῆρεις αὐτάνδρους ἀπολέσας τὸν δοκοῦντα κρατεῖν βασιλέα
συνθήκας ἀσχήμονας ποιεῖν ἠνάγκασε, καὶ πάλιν ὑπὸ Ξέρξου τῆς πόλεως
κατασκαφείσης μετ' ὀλίγον κἀκεῖνον ἐνίκησε καὶ τῆς Ἑλλάδος τὴν ἡγεμονίαν
ἐκτήσατο. [3] ἀγαθὴ γὰρ ἡ πόλις ἐν τοῖς μεγίστοις ἀτυχήμασι μεγίστην
ἐπίδοσιν λαβεῖν καὶ μηδέποτε ταπεινὸν μηδὲν βουλεύεσθαι. καλὸν οὖν ἀντὶ
τοῦ τὴν ἔχθραν ἐπαύξειν συμμάχους αὐτοὺς ἔχειν φεισισμένους τῶν
αἰχμαλώτων. [4] ἀνελόντες μὲν γὰρ αὐτοὺς τῷ θυμῷ μόνον χαριούμεθα, τὴν
ἄκαρπον ἐπιθυμίαν ἐκπληροῦντες, φυλάξαντες δὲ παρὰ μὲν τῶν εὖ παθόντων
τὴν χάριν ἔχομεν, παρὰ δὲ τῶν ἄλλων ἀπάντων τὴν εὐδοξίαν. 26. ναί, ἀλλὰ
τινες τῶν Ἑλλήνων ἀπέσφαξαν τοὺς αἰχμαλώτους. τί οὖν; εἰ μὲν αὐτοῖς ἐκ
ταύτης τῆς πράξεως ἔπαινοι τυγχάνουσι, μιμησώμεθα τοὺς τῆς δόξης
πεφροντικότες: εἰ δὲ παρὰ πρώτων ἡμῶν τυγχάνουσι κατηγορίας, μηδὲ αὐτοὶ
πράξωμεν τὰ αὐτὰ τοῖς ὁμολογουμένως ἡμαρτηκόσι. [2] μέχρι μὲν γὰρ τοῦ
μηδὲν ἀνήκεστον πεπονθέναι τοὺς εἰς τὴν ἡμετέραν πίστιν ἑαυτοὺς
παραδόντας, ἅπαντες καταμέμψονται δικαίως τὸν Ἀθηναίων δῆμον: ἐὰν δὲ
ἀκούσωσι παρὰ τὰ κοινὰ νόμιμα τοὺς αἰχμαλώτους παρεσπονδημένους, ἐφ'
ἡμᾶς μετοίσουσιν τὴν κατηγορίαν. καὶ γὰρ εἴ τινων ἄλλων, Ἀθηναίων ἄξιόν
ἐστὶν ἐντραπῆναι μὲν τὸ τῆς πόλεως ἄξιωμα, χάριν δ' αὐτοῖς ἀπομερίσαι τῶν
εἰς ἄνθρωπον εὐεργετημάτων. [3] οὗτοι γάρ εἰσιν οἱ πρῶτοι τροφῆς ἡμέρου
τοῖς Ἑλλήσι μεταδόντες, ἦν ἰδίᾳ παρὰ θεῶν λαβόντες τῇ χρεῖᾳ κοινὴν
ἐποίησαν: οὗτοι νόμους εὖρον, δι' οὓς ὁ κοινὸς βίος ἐκ τῆς ἀγρίας καὶ ἀδίκου
ζωῆς εἰς ἡμέρον καὶ δικαίαν ἐλήλυθε συμβίωσιν: οὗτοι πρῶτοι τοὺς
καταφυγόντας διασώσαντες τοὺς περὶ τῶν ἱκετῶν νόμους παρὰ πᾶσιν
ἀνθρώποις ἰσχύσαι παρεσκεύασαν: ὧν ἀρχηγούς γενομένους οὐκ ἄξιον
αὐτοὺς ἀποστερεῖσαι. καὶ ταῦτα μὲν πρὸς ἅπαντας: ἰδίᾳ δ' ἐνίους ὑπομνήσω
τῶν φιλανθρώπων. 27. ὅσοι μὲν γὰρ λόγου καὶ παιδείας ἐν τῇ πόλει
μετεσχίκατε, δότε τὸν ἔλεον τοῖς τὴν πατρίδα κοινὸν παιδευτήριον
παρεχομένοις πᾶσιν ἀνθρώποις: ὅσοι δὲ τῶν ἀγνωστάτων μυστηρίων
μετελήφατε, σώσατε τοὺς μύησαντας, οἱ μὲν ἤδη μετεσχηκότες τῶν
φιλανθρωπιῶν τὴν χάριν διδόντες τῆς εὐεργεσίας, οἱ δὲ μέλλοντες
μεταλήψεσθαι μὴ παραιρούμενοι τῷ θυμῷ τὴν ἐλπίδα. [2] ποῖος γὰρ τόπος τοῖς
ξένοις βάσιμος εἰς παιδείαν ἐλευθέριον τῆς Ἀθηναίων πόλεως ἀνηρημένης;
βραχὺ τὸ διὰ τὴν ἁμαρτίαν μῖσος, μέγала δὲ καὶ πολλὰ τὰ πρὸς εὐνοίαν
αὐτοῖς εἰργασμένα. χωρὶς δὲ τῆς περὶ τὴν πόλιν ἐντροπῆς καὶ κατ' ἰδίαν ἂν τις
τοὺς αἰχμαλώτους ἐξετάζων εὖροι δικαίως ἐλέου τυγχάνοντας. οἱ μὲν γὰρ
σύμμαχοι τῇ τῶν κρατούντων ὑπεροχῇ βιασθέντες ἠναγκάσθησαν
συστρατεῦειν. [3] διόπερ εἰ τοὺς ἐξ ἐπιβολῆς ἀδικήσαντας δίκαιόν ἐστι
τιμωρεῖσθαι, τοὺς ἀκουσίως ἐξαμαρτάνοντας προσῆκον ἂν εἴη συγγνώμης
ἄξιον. τί λέγω Νικίαν, ὃς ἀπ' ἀρχῆς τὴν πολιτείαν ὑπὲρ Συρακοσίων

ἐνστησάμενος μόνος ἀντεῖπεν ὑπὲρ τῆς εἰς Σικελίαν στρατείας, αἰεὶ δὲ τῶν παρεπιδημούντων Συρακοσίων φροντίζων καὶ πρόξενος ὧν διατετέλεκεν; [4] ἄτοπον οὖν Νικίαν κολάζεσθαι τὸν ὑπὲρ ἡμῶν Ἀθήνησι πεπολιτευμένον, καὶ διὰ μὲν τὴν εἰς ἡμᾶς εὖνοϊαν μὴ τυχεῖν φιλανθρωπίας, διὰ δὲ τὴν ἐν τοῖς κοινοῖς ὑπηρεσίαν ἀπαραιτήτῳ περιπεσεῖν τιμωρίᾳ, καὶ τὸν μὲν ἐπαγαγόντα τὸν πόλεμον ἐπὶ Συρακοσίους Ἀλκιβιάδην ἅμα καὶ παρ' ἡμῶν καὶ παρ' Ἀθηναίων ἐκφυγεῖν τὴν τιμωρίαν, τὸν δ' ὁμολογουμένως φιλανθρωπότατον Ἀθηναίων γεγεννημένον μηδὲ τοῦ κοινοῦ τυχεῖν ἐλέου. [5] διόπερ ἔγωγε τὴν τοῦ βίου μεταβολὴν θεωρῶν ἐλεῶ τὴν τύχην. πρότερον μὲν γὰρ ἐν τοῖς ἐπισημοτάτοις τῶν Ἑλλήνων ὑπάρχων καὶ διὰ τὴν καλοκάγαθίαν ἐπαινούμενος μακαριστὸς ἦν καὶ περιβλεπτος κατὰ πᾶσαν πόλιν: [6] νυνὶ δ' ἐξηγκωνισμένος καὶ ἐν ἀσχήμονι χιτῶνι προσόνει τῶν τῆς αἰχμαλωσίας οἰκτρῶν πεπειράται, καθάπερ εἰ τῆς τύχης ἐν τῷ τούτου βίῳ τὴν ἑαυτῆς δύναμιν ἐπιδείξασθαι βουλομένης. ἥς τὴν εὐημερίαν ἀνθρωπίνως ἡμᾶς ὑπενεγκεῖν προσήκει καὶ μὴ βάρβαρον ὠμότητα πρὸς ὁμοεθνεῖς ἀνθρώπους ἐνδείξασθαι. 28.

Νικόλαος μὲν οὖν πρὸς τοὺς Συρακοσίους τοιοῦτοις χρησάμενος λόγοις κατέπαυσε τὴν δημηγορίαν, συμπαθεῖς ποιήσας τοὺς ἀκούοντας. Γύλιππος δ' ὁ Λάκων ἀπαραίτητον τὸ πρὸς Ἀθηναίους μῖσος διαφυλάττων, ἀναβὰς ἐπὶ τὸ βῆμα τῶν λόγων τὴν ἀρχὴν ἐντεῦθεν ἐποιήσατο. [2] θαυμάζω μεγάλως, ἄνδρες Συρακόσιοι, θεωρῶν ὑμᾶς οὕτως ταχέως, περὶ ὧν ἔργῳ κακῶς πεπόνθατε, περὶ τούτων τῷ λόγῳ μεταδιδασκομένους. εἰ γὰρ ὑμεῖς ὑπὲρ ἀναστάσεως κινδυνεύσαντες πρὸς τοὺς ἐπὶ κατασκαφῇ τῆς πατρίδος ὑμῶν παραγεγεννημένους ἀνείσθε τοῖς θυμοῖς, τί χρὴ νῦν ἡμᾶς διατείνεσθαι τοὺς μηδὲν ἡδικομένους; [3] δότε δέ μοι πρὸς θεῶν, ἄνδρες Συρακόσιοι, συγγνώμην τὴν συμβουλίαν ἐκτιθεμένων μετὰ παρρησίας: Σπαρτιάτης γὰρ ὧν καὶ τὸν λόγον ἔχω Σπαρτιάτην. καὶ πρῶτον ἂν τις ἐπιζητήσῃ, πῶς Νικόλαος ἐλεῆσαι φησι τοὺς Ἀθηναίους, οἳ τὸ γῆρας αὐτοῦ διὰ τὴν ἀπαιδίαν ἐλεεινὸν πεποιήκασι, καὶ παριῶν εἰς ἐκκλησίαν ἐν ἐσθῆτι πενθίμῃ δακρύει καὶ λέγει δεῖν οἰκτεῖρειν τοὺς φονεῖς τῶν ἰδίων τέκνων. [4] οὐκέτι γὰρ ἐπιεικὴς ἐστὶν ὁ τῶν συγγενεστάτων μετὰ τὴν τελευτὴν ἀμνημονῶν, τοὺς δὲ πολεμιοτάτους σῶσαι προαιρούμενος. ἐπεὶ πόσοι τῶν ἐκκλησιαζόντων υἱοὺς ἀνῆρημένους κατὰ τὸν πόλεμον ἐπενθήσατε; πολλοὶ γοῦν τῶν καθημένων ἐθορύβησαν. [5] ὁ δ' ἐπιβαλὼν, Ὁρᾶς, φησί, τοὺς τῷ θορύβῳ τὴν συμφορὰν ἐμφανίζοντας; πόσοι δὲ ἀδελφοὺς ἢ συγγενεῖς ἢ φίλους ἀπολωλεκότες ἐπιζητεῖτε; καὶ πολλῶν πλείους ἐπεσημήναντο. [6] καὶ ὁ Γύλιππος, θεωρεῖς, ἔφη, τὸ πλῆθος τῶν δι' Ἀθηναίους δυστυχούντων; οὗτοι πάντες οὐδὲν εἰς ἐκείνους ἀμαρτάνοντες τῶν ἀναγκαιοτάτων σωμάτων ἐστερηθήσαν, καὶ τοσοῦτο μισεῖν τοὺς Ἀθηναίους ὀφείλουσιν, ὅσον τοὺς ἰδίους ἠγαπήκασι. 29. πῶς οὖν οὐκ ἄτοπον, ἄνδρες Συρακόσιοι, τοὺς μὲν τετελευτηκότας ἐκούσιον ὑπὲρ ὑμῶν ἐλέσθαι θάνατον, ὑμᾶς δὲ ὑπὲρ ἐκείνων μηδὲ παρὰ τῶν πολεμιοτάτων λαβεῖν τιμωρίαν, καὶ ἐπαινεῖν μὲν τοὺς ὑπὲρ τῆς κοινῆς ἐλευθερίας τοὺς ἰδίους ἀναλώσαντας βίους, περὶ πλείονος δὲ τὴν τῶν φονέων ποιεῖσθαι σωτηρίαν τῆς ἐκείνων τιμῆς; [2] κοσμεῖν ἐψηφίσασθε δημοσίᾳ τοὺς τάφους τῶν μετηλλαχόντων: καὶ τίνα

καλλίονα κόσμον εὐρήσετε τοῦ κολάσαι τοὺς ἐκείνων αὐτόχειρας; εἰ μὴ νῆ Δία πολιτογραφήσαντες αὐτοὺς βούλεσθε καταλιπεῖν ἔμψυχα τρόπαια τῶν μετῆλλαχόντων. [3] ἀλλὰ μεταβαλόντες τὴν τῶν πολεμίων προσηγορίαν γεγόνασιν ἰκέται: πόθεν αὐτοῖς ταύτης τῆς φιλανθρωπίας συγκεχωρημένης; οἱ γὰρ ἀπ' ἀρχῆς τὰ περὶ τούτων νόμιμα διατάξαντες τοῖς μὲν δυστυχοῦσι τὸν ἔλεον, τοῖς δὲ διὰ πονηρίαν ἀδικοῦσιν ἔταξαν τιμωρίαν. [4] ἐν ποτέρᾳ δὴ τάξει θῶμεν τοὺς αἰχμαλώτους; ἐν τῇ τῶν ἡτυχηκότων; καὶ τίς αὐτοὺς τύχη μὴ προαδικηθέντας ἐβιάσατο πολεμεῖν Συρακοσίοις καὶ τὴν παρὰ πᾶσιν ἐπαινουμένην εἰρήνην ἀφέντας ἐπὶ κατασκαφῇ παρεῖναι τῆς ὑμετέρας πόλεως; [5] διόπερ ἐκουσίως ἐλόμενοι πόλεμον ἄδικον εὐψύχως ὑπομενόντων τὰ τούτου δεινά, καὶ μὴ, κρατοῦντες μὲν, ἀπαραίτητον ἐχόντων τὴν καθ' ὑμῶν ὠμότητα, σφαλέντες δέ, τοῖς τῆς ἱκεσίας φιλανθρώποις παραιτείσθων τὴν τιμωρίαν. [6] εἰ δ' ἐλέγχονται διὰ πονηρίαν καὶ πλεονεξίαν τοιοῦτοις ἐλαττώμασι περιπεπωκότες, μὴ καταμεμφέσθων τὴν τύχην, μηδ' ἐπικαλίσθων τὸ τῆς ἱκεσίας ὄνομα. τοῦτο γὰρ παρ' ἀνθρώποις φυλάττεται τοῖς καθαρὰν μὲν τὴν ψυχὴν, ἀγνώμονα δὲ τὴν τύχην ἐσχηκόσιν. [7] οὗτοι δ' ἀπάντων τῶν ἀδικημάτων πλήρη τὸν βίον ἔχοντες οὐδένα τόπον αὐτοῖς βάσιμον εἰς ἔλεον καὶ καταφυγὴν ἀπολελοίपाσι. 30. τί γὰρ τῶν αἰσχίστων οὐκ ἐβουλεύσαντο, τί δὲ τῶν δεινοτάτων οὐκ ἔπραξαν; πλεονεξίας ἰδίον ἐστὶ τὸ ταῖς ἰδίαις εὐτυχίαις οὐκ ἀρκούμενον τῶν πόρρω κειμένων καὶ μηδὲν προσηκόντων ἐπιθυμεῖν: οὗτοι ταῦτ' ἔπραξαν. εὐδαιμονέστατοι γὰρ ὄντες τῶν Ἑλλήνων, τὴν εὐτυχίαν ὥσπερ βαρὺ φορτίον οὐ φέροντες, τὴν πελάγει τηλικούτῳ διειργομένην Σικελίαν ἐπεθύμησαν κατακληρουχῆσαι, τοὺς ἐνοικοῦντας ἐξανδραποδισάμενοι. [2] δεινὸν ἐστὶ μὴ προαδικηθέντας πόλεμον ἐπιφέρειν: καὶ τοῦτ' ἐνήργησαν. φίλοι γὰρ ὄντες τὸν ἔμπροσθεν χρόνον, ἐξαίφνης ἀνελπίστως τηλικαύτῃ δυνάμει Συρακοσίους ἐπολιόρκησαν. [3] ὑπερηφάνων ἐστὶ τὸ τῶν μήπω κρατηθέντων προλαμβάνοντας τὴν τύχην καταψηφίζεσθαι τιμωρίαν: οὐδὲ τοῦτο παραλελοίπασι. πρὸ τοῦ γὰρ ἐπιβῆναι τῆς Σικελίας γνώμην ἐκύρωσαν Συρακοσίους μὲν καὶ Σελινουντίους ἐξανδραποδίσασθαι, τοὺς δὲ λοιποὺς διδόναι φόρους ἀναγκάζειν. ὅταν οὖν περὶ τοὺς αὐτοὺς ἀνθρώπους ὑπάρχῃ πλεονεξία, ἐπιβουλὴ, ὑπερηφανία, τίς ἂν νοῦν ἔχων αὐτοὺς ἐλεήσειεν; [4] ἐπεὶ τοί γε Ἀθηναῖοι πῶς ἐχρήσαντο Μιτυληναίοις; κρατήσαντες γὰρ αὐτῶν, ἀδικῆσαι μὲν οὐδὲν βουλομένων, ἐπιθυμούντων δὲ τῆς ἐλευθερίας, ἐψηφίσαντο τοὺς ἐν τῇ πόλει κατασφάζαι. [5] ὡμόν τε καὶ βάρβαρον τὸ πεπραγμένον. καὶ ταῦτα ἐξήμαρτον εἰς Ἑλλήνας, εἰς συμμαχοὺς, εἰς εὐεργέτας πολλάκις γεγεννημένους. μὴ δὴ νῦν ἀγανακτούντων, εἰ τοιαῦτα πρὸς τοὺς ἄλλους πράξαντες αὐτοὶ παραπλησίας τεύζονται τιμωρίας; δικαιοτάτον γὰρ ἐστίν, ὃν καθ' ἑτέρων νόμον τις ἔθηκε, τούτῳ χρώμενον μὴ ἀγανακτεῖν. [6] καὶ τί λέγω Μηλίους, οὓς ἐκπολιορκήσαντες ἡβηδὸν ἀπέκτειναν, καὶ Σκιωναίους, οἱ συγγενεῖς ὄντες τῆς αὐτῆς Μηλίοις τύχης ἐκοινώνησαν; ὥστε δύο δήμους πρὸς Ἀττικὴν ὁργὴν ἐπταικότας οὐδὲ τοὺς κηδεύοντας ἔχειν τὰ τῶν τετελευτηκότων σώματα. [7] οὐ Σκύθαι τοῦτ' ἔπραξαν, ἀλλ' ὁ προσποιοῦμενος φιλανθρωπία διαφέρειν δῆμος ψηφίσμασι τὰς πόλεις ἄρδην ἀνήρηκεν. ἤδη λογίζεσθε, τί ἂν ἔπραξαν,

εἰ τὴν τῶν Συρακοσίων πόλιν ἐξεπόρθησαν· οἱ γὰρ τοῖς οἰκείοις οὕτως ὥμῳ χρησάμενοι τοῖς μηδὲν προσήκουσι βαρυτέραν ἂν ἐξεῦρον τιμωρίαν. 31. οὐκ ἔστιν οὖν τούτοις δίκαιος ἀποκείμενος ἔλεος· αὐτοὶ γὰρ αὐτὸν ἐπὶ τῶν ἰδίων ἀκληρημάτων ἀνηρήκασιν. ποῦ γὰρ ἄξιον τούτοις καταφυγεῖν; πρὸς θεοῦς, ὧν τὰς πατρίους τιμὰς ἀφελέσθαι προεῖλοντο; πρὸς ἀνθρώπους, οὓς δουλωσόμενοι παρεγένοντο; Δήμητρα καὶ Κόρη καὶ τὰ τούτων ἐπικαλοῦνται μυστήρια, τὴν ἱερὰν αὐτῶν νῆσον πεπορθηκότας; [2] ναί, ἀλλ' οὐκ αἴτιον τὸ πλῆθος τῶν Ἀθηναίων, ἀλλ' Ἀλκιβιάδης ὁ ταῦτα συμβουλευσας. ἀλλ' εὐρήσομεν τοὺς συμβούλους κατὰ τὸ πλεῖστον στοχαζομένους τῆς τῶν ἀκουόντων βουλήσεως, ὥσθ' ὁ χειροτονῶν τῷ ῥήτορι λόγον οἰκεῖον ὑποβάλλει τῆς ἑαυτοῦ προαιρέσεως. οὐ γὰρ ὁ λέγων κύριος τοῦ πλήθους, ἀλλ' ὁ δῆμος ἐθίζει τὸν ῥήτορα τὰ βέλτιστα λέγειν χρηστὰ βουλευόμενος. [3] εἰ δὲ τοῖς ἀδικοῦσιν ἀνήκεστα συγγνώμην δώσομεν, ἐὰν εἰς τοὺς συμβούλους τὴν αἰτίαν ἀναφέρωσιν, εὐχερῇ τοῖς πονηροῖς τὴν ἀπολογίαν παρεξόμεθα. ἀπλῶς δὲ πάντων ἐστὶν ἀδικώτατον τῶν μὲν εὐεργεσιῶν μὴ τοὺς συμβούλους, ἀλλὰ τὸν δῆμον ἀπολαμβάνειν τὰς χάριτας παρὰ τῶν εὖ παθόντων, τῶν δ' ἀδικημάτων ἐπὶ τοὺς ῥήτορας μεταφέρειν τὴν τιμωρίαν. [4] καὶ ἐπὶ τοσοῦτόν τινες ἐξεστήκασιν τῶν λογισμῶν, ὥστ' Ἀλκιβιάδην, εἰς ὃν τὴν ἐξουσίαν οὐκ ἔχομεν, φασὶ δεῖν τιμωρεῖσθαι, τοὺς δ' αἰχμαλώτους ἀγομένους ἐπὶ τὴν προσήκουσαν τιμωρίαν ἀφεῖναι, καὶ πᾶσιν ἐνδείξασθαι, διότι τὴν δικαίαν μισοπονηρίαν οὐκ ἔσχηκεν ὁ δῆμος τῶν Συρακοσίων. [5] εἰ δὲ καὶ κατ' ἀλήθειαν αἴτιοι γεγόνασιν οἱ σύμβουλοι τοῦ πολέμου, μεμφέσθω τὸ μὲν πλῆθος τοῖς ῥήτορσιν ὑπὲρ ὧν ἐξηπάτησαν, ὑμεῖς δὲ δικαίως μετελεύσεσθε τὸ πλῆθος ὑπὲρ ὧν ἡδίκησθε. καθόλου δ' εἰ μὲν ἐπιστάμενοι σαφῶς ἡδίκησαν, δι' αὐτὴν τὴν προαίρεσιν ἄξιοι τιμωρίας, εἰ δ' εἰκὴ βουλευσάμενοι τὸν πόλεμον ἐξήνεγκαν, οὐδ' ὥς αὐτοὺς ἀφετέον, ἵνα μὴ σχεδιάξιν ἐν τοῖς τῶν ἄλλων βίοις ἐθισθῶσιν. οὐ γὰρ δίκαιόν ἐστι τὴν Ἀθηναίων ἄνοιαν Συρακοσίοις φέρειν ἀπώλειαν, οὐδ' ἐν οἷς τὸπραχθὲν ἀνῆκεστόν ἐστιν, ἐν τούτοις ἀπολογίαν ὑπολείπεσθαι τοῖς ἀμαρτάνουσι. 32. νῆ Δία, ἀλλὰ Νικίας ὑπὲρ Συρακοσίων ἐπολιτεύσατο καὶ μόνος συνεβούλευσε μὴ πολεμεῖν. τὸν μὲν ἐκεῖ γεγεννημένον λόγον ἀκούομεν, τὰ δ' ἐνταῦθα πεπραγμένα τεθεωρήκαμεν. [2] ὁ γὰρ ἀντειπὼν ἐκεῖ περὶ τῆς στρατείας, ἐνταῦθα στρατηγὸς ἦν τῆς δυνάμεως· καὶ ὁ πολιτευόμενος ὑπὲρ Συρακοσίων, ἀπετείχισεν ὑμῶν τὴν πόλιν· καὶ ὁ φιланθρώπως διακείμενος πρὸς ὑμᾶς, Δημοσθένους καὶ τῶν ἄλλων ἀπάντων βουλομένων λῦσαι τὴν πολιορκίαν, μόνος ἐβιάσατο μένειν καὶ πολεμεῖν. διόπερ ἔγωγε νομίζω μὴ δεῖν παρ' ὑμῖν πλέον ἰσχυῖσαι τὸν μὲν λόγον τῶν ἔργων, τὴν δ' ἀπαγγελίαν τῆς πείρας, τὰ δ' ἀφανῆ τῶν ὑπὸ πάντων ἑωραμένων. [3] νῆ Δί', ἀλλὰ καλὸν μὴ ποιεῖν τὴν ἔχθραν αἰώνιον. οὐκοῦν μετὰ τὴν τῶν ἡδικηκότων κόλασιν, ἐὰν ὑμῖν δοκῇ, προσηκόντως διαλύσεσθε τὴν ἔχθραν. οὐ γὰρ δίκαιον, ὅταν μὲν κρατῶσιν, ὥς δούλοις χρῆσθαι τοῖς ἡλωκόσιν, ὅταν δὲ κρατηθῶσιν, ὥς οὐδὲν ἡδικηκότας συγγνώμης τυγχάνειν. καὶ τοῦ μὲν δοῦναι δίκην ὧν ἔπραξαν ἀφεθῇσονται, λόγῳ δ' εὐσχήμονι καθ' ὃν ἂν χρόνον αὐτοῖς συμφέρῃ τῆς φιλίας μνημονεύσουσιν. [4] ἐὼ γὰρ ὅτι τοῦτο πράξαντες σὺν πολλοῖς ἄλλοις καὶ τοῖς Λακεδαιμονίοις ἀδικήσετε, ὑμῶν

χάριν κάκει τὸν πόλεμον ἐπανηρημένους καὶ ἐνταῦθα συμμαχίαν ἀποστειλάντας· ἐξῆν γὰρ αὐτοῖς ἀγαπητῶς ἄγειν εἰρήνην καὶ περιορᾶν τὴν Σικελίαν πορθουμένην. [5] διόπερ ἐὰν τοὺς αἰχμαλώτους ἀφέντες φιλίαν συνάπτησθε, προδόται φανήσεσθε τῶν συμμαχησάντων, καὶ τοὺς κοινούς ἐχθροὺς δυνάμενοι ταπεινῶσαι, τοσούτους στρατιώτας ἀποδόντες πάλιν ἰσχυροὺς κατασκευάσετε. οὐ γὰρ ἂν ποτ' ἔγωγε πιστεύσαιμι, ὥς Ἀθηναῖοι τηλικαύτην ἔχθραν ἐπανηρημένοι βεβαίαν φυλάξουσιν τὴν φιλίαν, ἀλλ' ἀσθενεῖς μὲν ὄντες ὑποκριθῆσονται τὴν εὐνοίαν, ἀναλαβόντες δ' αὐτοὺς τὴν ἀρχαίαν προαίρεσιν εἰς τέλος ἄξουσιν. [6] ἐγὼ μὲν οὖν, ὃ Ζεῦ καὶ πάντες θεοί, μαρτύρομαι πάντας ὑμᾶς μὴ σώζειν τοὺς πολεμίους, μὴ ἐγκαταλιπεῖν τοὺς συμμάχους, μὴ πάλιν ἕτερον ἐπάγειν τῇ πατρίδι κίνδυνον. ὑμεῖς δέ, ὃ ἄνδρες Συρακόσιοι, τούτους ἀφέντες, ἐὰν ἀποβῇ τι δυσχερές, οὐδ' ἀπολογία ἐαυτοῖς εὐσχήμονα καταλείψετε. 33.

τοιαῦτα διαλεχθέντος τοῦ Λάκωνος μετέπεσε τὸ πλῆθος καὶ τὴν Διοκλέους γνώμην ἐκύρωσεν. διόπερ οἱ μὲν στρατηγοὶ παραχρῆμα ἀνηρέθησαν καὶ οἱ σύμμαχοι, οἱ δ' Ἀθηναῖοι παρεδόθησαν εἰς τὰς λατομίας, ὧν ὕστερον οἱ μὲν ἐπὶ πλεῖον παιδείας μετεσχηκότες ὑπὸ τῶν νεωτέρων ἐξαρπαγέντες διεσώθησαν, οἱ δέ λοιποὶ σχεδὸν ἅπαντες ἐν τῷ δεσποτηρίῳ κακούμενοι τὸν βίον οἰκτρῶς κατέστρεψαν. [2]

μετὰ δὲ τὴν κατάλυσιν τοῦ πολέμου Διοκλῆς τοὺς νόμους ἀνέγραψε τοῖς Συρακοσίοις, καὶ συνέβη παράδοξον περὶ τὸν ἄνδρα τοῦτον γενέσθαι περιπέτειαν. ἀπαραίτητος γὰρ ἐν τοῖς ἐπιτιμίαις γενόμενος καὶ σκληρῶς κολάζων τοὺς ἐξαμαρτάνοντας, ἔγραψεν ἐν τοῖς νόμοις, ἐὰν τις ὄπλον ἔχων εἰς τὴν ἀγορὰν παραγένηται, θάνατον εἶναι πρόστιμον, οὔτε ἀγνοία δούς οὔτε ἄλλη τινὶ περιστάσει συγγνώμην. [3] προσαγγελθέντων δὲ πολεμίων ἐπὶ τῆς χώρας ἐξεπορεύετο ξίφος ἔχων· αἰφνιδίου δὲ στάσεως καὶ ταραχῆς κατὰ τὴν ἀγορὰν γενομένης, ἀγνοήσας μετὰ τοῦ ξίφους παρῆν εἰς τὴν ἀγορὰν. τῶν δὲ ιδιωτῶν τινος κατανοήσαντος καὶ εἰπόντος, ὅτι τοὺς ἰδίους αὐτὸς καταλύει νόμους, ἀνεβόησε, Μὰ Δία οὐ μὲν οὖν, ἀλλὰ καὶ κυρίους ποιήσω. καὶ σπασάμενος τὸ ξίφος ἐαυτὸν ἀπέκτεινεν. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 34.

ἐπ' ἄρχοντος δ' Ἀθήνησι Καλλίου Ῥωμαῖοι μὲν ἀντὶ τῶν ὑπάτων χιλιάρχους κατέστησαν τέτταρας, Πόπλιον Κορνήλιον Γάιον Φάβιον, Ὀλυμπιάς δ' ἦχθη παρ' Ἠλείοις δευτέρα πρὸς ταῖς ἐνενήκοντα, καθ' ἣν ἐνίκα στάδιον Ἐξαίνετος Ἀκραγαντίνος. ἐπὶ δὲ τούτων Ἀθηναίων περὶ Σικελίαν ἐπταικότων συνέβη τὴν ἡγεμονίαν αὐτῶν καταφρονηθῆναι· [2] εὐθὺς γὰρ Χῖοι καὶ Σάμιοι καὶ Βυζάντιοι καὶ πολλοὶ τῶν συμμάχων ἀπέστησαν πρὸς τοὺς Λακεδαιμονίους. διόπερ ὁ δῆμος ἀθυμήσας ἐξεχώρησεν ἐκουσίως τῆς δημοκρατίας, ἐλόμενος δὲ ἄνδρας τετρακοσίους, τούτοις τὴν διοίκησιν ἐπέτρεψε τῶν κοινῶν. οἱ δὲ τῆς ὀλιγαρχίας προεστῶτες ναυπηγησάμενοι πλείους τριήρεις ἀπέστειλαν τεσσαράκοντα καὶ στρατηγούς. [3] οὗτοι δὲ στασιάζοντες πρὸς ἀλλήλους εἰς Ὠρωπὸν ἐξέπλευσαν· ἐκεῖ γὰρ ὥρμουν αἱ τῶν πολεμίων τριήρεις. γενομένης οὖν ναυμαχίας ἐνίκων οἱ Λακεδαιμόνιοι, καὶ σκαφῶν εἴκοσι καὶ δυεῖν ἐκυρίευσαν. [4]

Συρακόσιοι δὲ καταλελυκότες τὸν πρὸς Ἀθηναίους πόλεμον, τοὺς μὲν Λακεδαιμονίους συμμαχήσαντας, ὧν ἦρχε Γύλιππος, ἐτίμησαν τοῖς ἐκ τοῦ πολέμου λαφύροις, συναπέστειλαν δ' αὐτοῖς εἰς Λακεδαίμονα συμμαχίαν εἰς τὸν πρὸς Ἀθηναίους πόλεμον τριάκοντα καὶ πέντε τριήρεις, ὧν ἦρχεν Ἑρμοκράτης ὁ πρωτεύων τῶν πολιτῶν. [5] αὐτοὶ δὲ τὰς ἐκ τοῦ πολέμου γενομένας ὠφελείας ἀθροίσαντες τοὺς μὲν ναοὺς ἀναθήμασι καὶ σκύλοις ἐκόσμησαν, τῶν δὲ στρατιωτῶν τοὺς ἀριστεύσαντας ταῖς προσηκούσαις δωρεαῖς ἐτίμησαν. [6] μετὰ δὲ ταῦτα τῶν δημαγωγῶν ὁ πλεῖστον παρ' αὐτοῖς ἰσχύσας Διοκλῆς ἔπεισε τὸν δῆμον μεταστήσαι τὴν πολιτείαν εἰς τὸ κλήρω τὰς ἀρχὰς διοικεῖσθαι, ἐλέσθαι δὲ καὶ νομοθέτας εἰς τὸ τὴν πολιτείαν διατάξαι καὶ νόμους καινοὺς ἰδίᾳ συγγράψαι. 35. διόπερ οἱ Συρακόσιοι τοὺς φρονήσει διαφέροντας τῶν πολιτῶν εἵλοντο νομοθέτας, ὧν ἦν ἐπιφανέστατος Διοκλῆς. τοσοῦτο γὰρ τῶν ἄλλων διήνεγκε συνέσει καὶ δόξῃ, ὥστε τῆς νομοθεσίας ὑπὸ πάντων κοινῇ γραφείσης ὀνομασθῆναι τοὺς νόμους Διοκλέους. [2] οὐ μόνον δὲ τὸν ἄνδρα τοῦτον ζῶντα ἐθαύμασαν οἱ Συρακόσιοι, ἀλλὰ καὶ τελευτήσαντα τιμαῖς ἡρωικαῖς ἐτίμησαν καὶ νεῶν ὠκοδόμησαν δημοσίᾳ τὸν ὕστερον ὑπὸ Διονυσίου κατὰ τὴν τειχοποιίαν καθαιρεθέντα. ἐθαυμάσθη δὲ ὁ ἀνὴρ οὗτος καὶ παρὰ τοῖς ἄλλοις Σικελιώταις; [3] πολλαὶ γοῦν τῶν κατὰ τὴν νῆσον πόλεων χρώμεναι διετέλεσαν τοῖς τούτου νόμοις, μέχρι ὅτου πάντες οἱ Σικελιώται τῆς Ῥωμαίων πολιτείας ἠξιώθησαν. οἱ δ' οὖν Συρακόσιοι κατὰ τοὺς νεωτέρους χρόνους κατὰ μὲν Τιμολέοντα νομοθετήσαντος αὐτοῖς Κεφάλου, κατὰ δὲ τὸν Ἰέρωνα τὸν βασιλέα Πολυδώρου, οὐδέτερον αὐτῶν ὠνόμασαν νομοθέτην, ἀλλ' ἢ ἐξηγητὴν τοῦ νομοθέτου, διὰ τὸ τοὺς νόμους γεγραμμένους ἀρχαία διαλέκτῳ δοκεῖν εἶναι δυσκατανοήτους. [4] μεγάλης δὲ οὔσης κατὰ τὴν νομοθεσίαν ἀναθεωρήσεως, μισοπόνηρος μὲν φαίνεται διὰ τὸ πάντων τῶν νομοθετῶν πικρότατα πρόστιμα θεῖναι κατὰ πάντων τῶν ἀδικούντων, δίκαιος δ' ἐκ τοῦ περιττότερον τῶν πρὸ αὐτοῦ κατ' ἀξίαν ἐκάστω τὸ ἐπιτίμιον ὑπάρξαι, πραγματικὸς δὲ καὶ πολὺπειρος ἐκ τοῦ πᾶν ἔγκλημα καὶ πρᾶγμα δημόσιόν τε καὶ ἰδιωτικὸν ἀμφισβητούμενον ὀρισμένης ἀξιώσαι τιμωρίας: ἔστι δὲ καὶ κατὰ τὴν λέξιν σύντομος καὶ πολλὴν τοῖς ἀναγινώσκουσιν ἀπολείπων ἀναθεώρησιν. [5] ἐμαρτύρησε δ' αὐτοῦ τὴν ἀρετὴν καὶ τὴν σκληρότητα τῆς ψυχῆς ἡ περὶ τὴν τελευτὴν περιπέτεια. ταῦτα μὲν οὖν ἀκριβέστερον εἰπεῖν προήχθη διὰ τὸ τοὺς πλείους τῶν συγγραφέων ὀλιγορότερον περὶ αὐτοῦ διειλέχθαι. 36.

οἱ δ' Ἀθηναῖοι πυθόμενοι τὴν ἐν Σικελίᾳ δύναμιν ἄρδην ἀνηρημένην, βαρέως ἔφερον τὸ πλῆθος τῆς συμφορᾶς. οὐ μὴν ἔληγόν γε διὰ τοῦτο τῆς φιλοτιμίας περὶ τῆς ἡγεμονίας, ἀλλὰ ναῦς τε κατεσκεύαζον πλείους καὶ χρήματα ἐπορίζοντο, ὅπως φιλονικῶσι μέχρι τῆς ἐσχάτης ἐλπίδος ὑπὲρ τῶν πρωτείων. [2] ἐλόμενοι δὲ τετρακοσίους ἄνδρας, τούτοις ἔδωκαν τὴν ἐξουσίαν αὐτοκράτορα διοικεῖν τὰ κατὰ τὸν πόλεμον: ὑπελάμβανον γὰρ τὴν ὀλιγαρχίαν εὐθετωτέραν εἶναι τῆς δημοκρατίας ἐν ταῖς τοιαύταις περιστάσεσιν. [3] οὐ μὴν τὰ πράγματά γε κατὰ τὴν ἐκείνων ἡκολούθησε κρίσιν, ἀλλὰ πολὺ χεῖρον τὸν πόλεμον διώκησαν. ἀποστείλαντες γὰρ τεσσαράκοντα ναῦς συνεξέπεμψαν τοὺς ἀφηγησομένους δύο στρατηγοὺς ἀλλοτρίως ἔχοντας πρὸς ἀλλήλους. τῶν

δὲ περὶ τοὺς Ἀθηναίους πραγμάτων τεταπεινωμένων ὁ μὲν καιρὸς προσεδεῖτο πολλῆς ὁμονοίας, οἱ δὲ στρατηγοὶ πρὸς ἀλλήλους ἐστασίαζον. [4] καὶ τέλος ἐκπλεύσαντες εἰς Ὠρωπὸν ἀπαράσκευοι πρὸς τοὺς Πελοποννησίους ἐναυμάχησαν· κακῶς δὲ καὶ τὴν μάχην ἐνστησάμενοι καὶ τὸν κίνδυνον ἀγεννῶς ὑπομείναντες, ἀπέβαλον ναῦς δύο πρὸς ταῖς εἴκοσι, τὰς δὲ λοιπὰς μόγις διέσωσαν εἰς Ἑρέτριαν. [5] τούτων δὲπραχθέντων οἱ σύμμαχοι τῶν Ἀθηναίων διὰ τε τὰς περὶ Σικελίαν ἀτυχίας καὶ διὰ τὰς τῶν ἡγεμόνων καχεξίας μεθίσταντο πρὸς Λακεδαιμονίους. συμμάχου δ' ὄντος τοῖς Λακεδαιμονίοις Δαρείου τοῦ Περσῶν βασιλέως, Φαρνάβαζος ὁ τῶν ἐπὶ θαλάττης τόπων ἔχων τὴν στρατηγίαν ἐχορήγει χρήματα τοῖς Λακεδαιμονίοις· μετεπέμψατο δὲ καὶ τὰς ἐκ Φοινίκης τριήρεις τριακοσίας, διαλογιζόμενος ἀποστεῖλαι τοῖς Λακεδαιμονίοις ἐπὶ τὴν βοήθειαν. 37.

τοιούτων δ' ἐλαττωμάτων τοῖς Ἀθηναίοις εἰς ἓνα καιρὸν συνδραμόντων ἅπαντες καταλελύσθαι τὸν πόλεμον διειλήφεισαν· οὐκέτι γὰρ τοὺς Ἀθηναίους οὐδὲ τὸν ἐλάχιστον χρόνον οὐδεὶς ἤλπιζε τοιαῦτα ὑποστήσεσθαι. οὐ μὴν τὰ πράγματά γε τῇ τῶν πολλῶν ὑπολήψει τέλος ἔσχεν ἀκόλουθον, ἀλλ' εἰς τοῦναντίον πάντα διὰ τὰς τῶν διαπολεμούντων ὑπεροχὰς μεταπεσεῖν συνέβη διὰ τοιαύτας αἰτίας. [2] Ἀλκιβιάδης φυγὰς ὦν ἐξ Ἀθηνῶν συνεπολέμησε χρόνον τινὰ τοῖς Λακεδαιμονίοις, καὶ μεγάλας ἐν τῷ πολέμῳ χρείας παρέσχετο· ἦν γὰρ καὶ λόγῳ δυνατότατος καὶ τόλμῃ πολὺ προέχων τῶν πολιτῶν, ἔτι δ' εὐγενεῖα καὶ πλούτῳ πρῶτος Ἀθηναίων. [3] οὗτος οὖν ἐπιθυμῶν τῆς εἰς τὴν πατρίδα τυχεῖν καθόδου, πάντα ἐμηχανάτο πρὸς τὸ τοῖς Ἀθηναίοις πρᾶξαι τι τῶν χρησίμων, καὶ μάλιστ' ἐν οἷς καιροῖς ἐδόκουν τοῖς ὅλοις ἐλαττωθῆναι. [4] ἔχων οὖν φιλίαν πρὸς Φαρνάβαζον τὸν Δαρείου σατράπην, καὶ θεωρῶν αὐτὸν μέλλοντα τριακοσίας ναῦς ἀποστέλλειν τοῖς Λακεδαιμονίοις εἰς συμμαχίαν, ἐπεισεν ἀποστῆναι τῆς πράξεως· ἐδίδασκε γὰρ ὡς οὐ συμφέρει τῷ βασιλεῖ τοὺς Λακεδαιμονίους ποιεῖν ἄγαν ἰσχυροῦς· οὐ γὰρ συνοίσειν Πέρσαις· κρεῖττον οὖν εἶναι περιορᾶν τοὺς διαπολεμούντας ἴσους ὄντας, ὅπως πρὸς ἀλλήλους ὡς πλεῖστον χρόνον διαφέρωνται. [5] ὅθεν ὁ Φαρνάβαζος διαλαβὼν εὖ λέγειν τὸν Ἀλκιβιάδην, πάλιν τὸν στόλον ἀπέστειλεν εἰς Φοινίκην. τότε μὲν οὖν τηλικαύτην τῶν Λακεδαιμονίων συμμαχίαν παρείλατο· μετὰ δὲ τινα χρόνον τυχὼν τῆς καθόδου, καὶ δυνάμεως ἡγησάμενος, πολλαῖς μὲν μάχαις ἐνίκησε Λακεδαιμονίους, καὶ τελέως τὰ τῶν Ἀθηναίων πράγματα πεσόντα πάλιν ἡγειρεν. [6] ἀλλὰ περὶ μὲν τούτων ἐν τοῖς οἰκείοις χρόνοις ἀκριβέστερον ἐροῦμεν, ἵνα μὴ παρὰ φύσιν προλαμβάνωμεν τῇ γραφῇ τοὺς καιροῦς. 38.

τοῦ γὰρ ἐνιαυσιαίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχε Θεόπομπος, Ῥωμαῖοι δ' ἀντὶ τῶν ὑπάτων τέτταρας χιλιάρχους κατέστησαν, Τιβέριον Ποστούμιον καὶ Γάιον Κορνήλιον, πρὸς δὲ τούτοις Γάιον Οὐαλέριον καὶ Καίσωνα Φάβιον. περὶ δὲ τούτους τοὺς χρόνους Ἀθηναῖοι τὴν ἐκ τῶν τετρακοσίων ὀλιγαρχίαν κατέλυσαν καὶ τὸ σύστημα τῆς πολιτείας ἐκ τῶν πολιτῶν συνεστήσαντο. [2] τούτων δὲ πάντων ἦν εἰσηγητὴς Θηραμένης, ἀνὴρ καὶ τῷ βίῳ κόσμιος καὶ φρονήσει δοκῶν διαφέρειν τῶν ἄλλων· καὶ γὰρ τὸν Ἀλκιβιάδην οὗτος μόνος συνεβούλευσε κατάγειν, δι' ὃν πάλιν ἑαυτοὺς

ἀνέλαβον, καὶ πολλῶν ἄλλων εἰσηγητῆς γενόμενος ἐπ' ἀγαθῷ τῆς πατρίδος οὐ μετρίας ἀποδοχῆς ἐτύγχανεν. [3] ἀλλὰ ταῦτα μὲν μικρὸν ὕστερον ἐγενήθη, εἰς δὲ τὸν πόλεμον Ἀθηναῖοι μὲν στρατηγούς κατέστησαν Θράσυλλον καὶ Θρασύβουλον, οἱ τὸν στόλον εἰς Σάμον ἀθροίσαντες ἐγύμναζον τοὺς στρατιώτας εἰς ναυμαχίαν καθ' ἡμέραν ἀναπείρας ποιοῦμενοι. [4] Μίνδαρος δ' ὁ τῶν Λακεδαιμονίων ναύαρχος χρόνον μὲν τινα περὶ τὴν Μίλητον διέτριβε, προσδοκῶν τὴν παρὰ Φαρναβάζου βοήθειαν: τριακοσίας γὰρ τριήρεις ἀκούων ἐκ Φοινίκης καταπεπλευκέναι μετέωρος ἦν ταῖς ἐλπίσι, νομίζων τηλικούτῳ στόλῳ καταλύσειν τὴν Ἀθηναίων ἡγεμονίαν: [5] μετ' ὀλίγον δὲ πυθόμενός τινων, ὅτι πεισθεῖς Ἀλκιβιάδῃ πάλιν ἀπέστειλε τὸν στόλον εἰς Φοινίκην, τὰς μὲν παρὰ Φαρναβάζου ἐλπίδας ἀπέγνω, αὐτὸς δὲ καταρτίσας τὰς τ' ἐκ Πελοποννήσου ναῦς καὶ τὰς παρὰ τῶν ἑξωθεν συμμάχων, Δωριέα μὲν μετὰ τριῶν καὶ δέκα νεῶν ἀπέστειλεν εἰς Ῥόδον, πυνθανόμενος ἐπὶ νεωτερισμῷ τινας συνίστασθαι τῶν Ῥοδίων: [6] προσφάτως γὰρ τοῖς Λακεδαιμονίοις τινὲς τῶν ἀπὸ τῆς Ἰταλίας Ἑλλήνων ἀπεστάλκεισαν εἰς συμμαχίαν τὰς προειρημένas ναῦς: αὐτὸς δὲ τὰς ἄλλas πάσas ἀναλαβὼν, οὕσas ὀγδοήκοντα καὶ τρεῖς, ἀπῆρεν εἰς Ἑλλήσποντον διὰ τὸ πυνθάνεσθαι τὸν τῶν Ἀθηναίων στόλον ἐν Σάμῳ διατρίβειν. [7] καθ' ὃν δὴ χρόνον οἱ τῶν Ἀθηναίων στρατηγοὶ θεωροῦντες παραπλέοντας, ἀνήχθησαν ἐπ' αὐτοὺς μετὰ νεῶν ἐξήκοντα. τῶν δὲ Λακεδαιμονίων κατενεχθέντων εἰς Χίον ἔδοξε τοῖς τῶν Ἀθηναίων στρατηγοῖς προσπλευσαι τῇ Λέσβῳ, κάκει παρὰ τῶν συμμάχων ἀθροῖσαι τριήρεις, ὅπως μὴ συμβαίνει τοὺς πολεμίους ὑπερέχειν τῷ πλήθει τῶν νεῶν. 39.

οὗτοι μὲν οὖν περὶ ταῦτα διέτριβον. Μίνδαρος δ' ὁ τῶν Λακεδαιμονίων ναύαρχος νυκτὸς μετὰ τοῦ στόλου παντὸς ἐκπλεύσας εἰς Ἑλλήσποντον ἐκομίζετο κατὰ σπουδὴν, καὶ δευτεραῖος εἰς Σίγειον κατέπλευσεν. οἱ δ' Ἀθηναῖοι πυθόμενοι τὸν παράπλουν, οὐκ ἀνέμειναν ἀπάσας τὰς παρὰ τῶν συμμάχων τριήρεις, τριῶν δὲ μόνον προσγενομένων αὐτοῖς, ἐδίωκον τοὺς Λακεδαιμονίους. [2] ἐπεὶ δ' ἦλθον εἰς Σίγειον, εὗρον τὸν μὲν στόλον ἐκπεπλευκότα, τρεῖς δὲ ναῦς ὑπολελειμμένας, ὧν εὐθέως ἐκυρίευσαν: καὶ μετὰ ταῦτ' εἰς Ἐλεοῦντα καταπλεύσαντες τὰ περὶ τὴν ναυμαχίαν παρεσκευάζοντο. [3] Λακεδαιμόνιοι δὲ θεωροῦντες τοὺς πολεμίους τὰ πρὸς τὴν μάχην ἐτοιμαζομένους, καὶ αὐτοὶ πένθ' ἡμέρας ἀναπείρας ποιοῦμενοι καὶ γυμνάσαντες τοὺς ἐρέτας, ἐξέταξαν τὸν στόλον εἰς ναυμαχίαν, ὄντα νεῶν δυεῖν ἐλάττω τῶν ἐπενήκοντα. οὗτοι μὲν οὖν ἐκ τοῦ πρὸς τὴν Ἀσίαν μέρους ἔστησαν τὰς ναῦς, οἱ δ' Ἀθηναῖοι τὸ πρὸς τὴν Εὐρώπην ἔχοντες ἀντανήγοντο, τῷ μὲν πλήθει λειπόμενοι, ταῖς δ' ἐμπειρίαις ὑπερέχοντες. [4] Λακεδαιμόνιοι μὲν οὖν ἐπὶ τοῦ δεξιοῦ κέρατος ἔταξαν τοὺς Συρακοσίους, ὧν Ἑρμοκράτης ἀφηγεῖτο, τὸ δ' εὐώνυμον αὐτοὶ συνεπλήρουν Πελοποννήσιοι, Μινδάρου τὴν ἡγεμονίαν ἔχοντος. τῶν δ' Ἀθηναίων ἐπὶ μὲν τὸ δεξιὸν ἐτάχθη Θράσυλλος, ἐπὶ δὲ τὸ εὐώνυμον Θρασύβουλος. καὶ τὸ μὲν πρῶτον ἔσπευδον ἀμφοτέροι φιλοτιμούμενοι περὶ τοῦ τόπου, ὅπως μὴ τὸν ροῦν ἔχωσιν ἐναντίον. [5] διὸ καὶ πολὺν χρόνον ἀλλήλους περιέπλεον, διακλείοντες τὰ στενὰ καὶ περὶ τῆς στάσεως τοπομαχοῦντες: μεταξὺ γὰρ Ἀβύδου καὶ Σηστοῦ τῆς ναυμαχίας

γινομένης συνέβαινε τὸν ῥοῦν οὐ μετρίως ἐμποδίζεин ἐν στενοῖς τόποις. οὐ μὴν ἀλλ' οἱ τῶν Ἀθηναίων κυβερνήται πολὺ ταῖς ἐμπειρίαις προέχοντες πολλὰ πρὸς τὴν νίκην συνεβάλοντο. 40. τῶν γὰρ Πελοποννησίων ὑπερεχόντων τῷ πλήθει τῶν νεῶν καὶ ταῖς τῶν ἐπιβατῶν ἀρεταῖς, ἡ τέχνη τῶν κυβερνητῶν ἄχρηστον τὴν ὑπεροχὴν τῶν ἐναντίων ἐποίει. ὁπότε γὰρ οἱ Πελοποννησιοὶ κατὰ σπουδὴν ἀθρόαις ταῖς ναυσὶν εἰς ἐμβολὴν ἐπιφέροντο, τὰς ἑαυτῶν οὕτως φιλοτέχως καθίστανον, ὥστε τοῦ μὲν ἄλλου μέρους αὐτὰς μὴ δύνασθαι θιγεῖν, τοῖς δὲ στόμασι τῶν ἐμβόλων μόνοις ἀναγκάζεσθαι συμβάλλειν. [2] διόπερ ὁ Μίνδαρος ὁρῶν ἄπρακτον οὖσαν τὴν ἐκ τῶν ἐμβολῶν βίαν, κατ' ὀλίγας καὶ κατὰ μίαν ἐκέλευσε συμπλέκεσθαι. οὐ μὴν οὐδ' ἐνταῦθα τὴν τῶν κυβερνητῶν τέχνην ἄπρακτον εἶναι συνέβαινε, ἀλλ' εὐφυῶς ἐκκλίνοντες τὰς τῶν νεῶν ἐπιφερομένας ἐμβολὰς πλαγίαις ἐνέσειον καὶ πολλὰς κατετίτρωσκον. [3] φιλοτιμίας δ' ἐμπεσοῦσης εἰς ἀμφοτέρους, οὐ μόνον ταῖς ἐμβολαῖς διεκινδύνεον, ἀλλὰ συμπλεκόμενοι τοῖς ἐπιβάταις διηγωνίζοντο. πολλὰ δ' ὑπὸ τῆς τοῦ ῥοῦ βίας διακωλυόμενοι πράττειν ἐφ' ἱκανὸν χρόνον διεκινδύνεον, οὐδετέρων δυναμένων τυχεῖν τῆς νίκης. [4] ἰσορρόπου δὲ τῆς μάχης οὔσης, ἐπεφάνησαν ὑπὲρ τινος ἄκρας ναῦς εἴκοσι πέντε παρὰ τῶν συμμάχων ἀπεσταλμέναί τοις Ἀθηναίοις. φοβηθέντες δὲ οἱ Πελοποννησιοὶ πρὸς τὴν Ἄβυδον ἔφυγον, ἐξαπτομένων τῶν Ἀθηναίων καὶ φιλοτιμότερον διωξάντων. [5] τῆς δὲ ναυμαχίας τοιοῦτον τέλος λαβούσης, Ἀθηναῖοι ναῦς ἔλαβον ὀκτὼ μὲν Χίων, πέντε δὲ Κορινθίων, Ἀμβρακιωτῶν δὲ δύο, Συρακοσίων δὲ καὶ Πελληνέων καὶ Λευκαδίων μίαν ἐξ ἐκάστων· αὐτοὶ δὲ πέντε ναῦς ἀπέβαλον, ἃς πάσας βυθισθῆναι συνέβη. [6] μετὰ δὲ ταῦθ' οἱ περὶ τὸν Θρασύβουλον ἔστησαν τρόπαιον ἐπὶ τῆς ἄκρας, οὗ τὸ τῆς Ἐκάβης ἐστὶ μνημεῖον, καὶ τοὺς ἀπαγγελοῦντας τὴν νίκην εἰς Ἀθήνας ἔπεμψαν, αὐτοὶ δὲ μετὰ παντὸς τοῦ στόλου τὸν πλοῦν ἐπὶ Κύζικον ἐποίησαντο· αὕτη γὰρ πρὸ τῆς ναυμαχίας ἦν ἀφεστηκυῖα πρὸς Φαρνάβαζον τὸν Δαρείου στρατηγὸν καὶ Κλέαρχον τὸν Λακεδαιμονίων ἡγεμόνα. εὐρόντες δ' αὐτὴν ἀτείχιστον ῥαδίως τῆς ἐπιβολῆς ἐκράτησαν, καὶ χρήματα πραξάμενοι τοὺς Κυζικηνοὺς ἀπέπλευσαν εἰς Σηστόν. 41.

Μίνδαρος δ' ὁ τῶν Λακεδαιμονίων ναύαρχος ἀπὸ τῆς ἥττης φυγῶν εἰς Ἄβυδον τάς τε πεπονηκυίας ναῦς ἐπεσκεύασε καὶ πρὸς τὰς ἐν Εὐβοίᾳ τριήρεις ἀπέστειλεν Ἐπικλέα τὸν Σπαρτιάτην, προστάζας ἄγειν τὴν ταχίστην. [2] ὃς ἐπεὶ κατέπλευσεν εἰς Εὐβοίαν, ἀθροίσας τὰς ναῦς οὖσας πεντήκοντα κατὰ σπουδὴν ἀνήχθη· καὶ κατὰ τὸν Ἄθω γενομένων τῶν τριήρων ἐπεγενήθη χειμὼν τηλικούτος ὥστε τὰς μὲν ναῦς ἀπάσας ἀπολέσθαι, τῶν δὲ ἀνδρῶν δώδεκα μόνον διασωθῆναι. [3] δηλοῖ δὲ τὰ περὶ τούτων ἀνάθημα κείμενον ἐν τῷ περὶ Κορώνειαν νεῷ, καθάπερ φησὶν Ἐφορος, τὴν ἐπιγραφὴν ἔχον ταύτην·” οἷδ' ἀπὸ πεντήκοντα νεῶν θάνατον προφυγόντες

πρὸς σκοπέλοιςιν Ἄθω σώματα γῇ πέλασαν
δώδεκα, τοὺς δ' ἄλλους ὄλεσεν μέγα λαῖτμα θαλάσσης,
νῆάς τε στυγεροῖς πνεύμασι χρησαμένας.

“ [4]

περὶ δὲ τὸν αὐτὸν καιρὸν Ἀλκιβιάδης ἔχων τρισκαίδεκα τριήρεις

κατέπλευσε πρὸς τοὺς ἐν Σάμῳ διατρίβοντας, οἱ πάλαι προακηκοότες ἦσαν, ὅτι πεπεικῶς εἶη τὸν Φαρνάβαζον μηκέτι ταῖς τριακοσίαις ναυσὶ βοηθεῖν τοῖς Λακεδαιμονίοις. [5] φιλοφρόνως δ' αὐτὸν ἀποδεξαμένον τῶν ἐν τῇ Σάμῳ, διελέγετο πρὸς αὐτοὺς περὶ τῆς καθόδου, πολλὰ κατεπαγγελλόμενος χρήσιμος ἔσεσθαι τῇ πατρίδι, ὁμοίως καὶ τὰ καθ' ἑαυτὸν ἀπολογησάμενος, καὶ πολλὰ τὴν ἑαυτοῦ δακρύσας τύχην, ὅτι τὴν ἰδίαν ἀρετὴν ὑπὸ τῶν ἐχθρῶν ἠνάγκασται κατὰ τῆς πατρίδος ἐνδείξασθαι. 42. τῶν δὲ στρατιωτῶν ἀσμένως τοὺς λόγους προσδεξαμένων, καὶ περὶ τούτων διαπεμψαμένων εἰς Ἀθήνας, ἔδοξε τῷ δήμῳ τὸν ἄνδρα τῶν ἐγκλημάτων ἀπολῦσαι καὶ μεταδοῦναι τῆς στρατηγίας· θεωροῦντες γὰρ αὐτοῦ τὸ πρακτικὸν τῆς τόλμης καὶ τὴν παρὰ τοῖς Ἑλλήσι δόξαν, ὑπελάμβανον, ὅπερ ἦν εἰκός, οὐ μικρὰν ῥοπὴν ἔσεσθαι τοῖς σφετέροις πράγμασι τούτου προσγενομένου. [2] καὶ γὰρ ὁ τῆς πολιτείας ἀφηγούμενος τότε Θηραμένης, ἀνὴρ εἰ καὶ τις ἄλλος εἶναι δόξας συνेतός, τῷ δήμῳ συνεβούλευσε κατάγειν τὸν Ἀλκιβιάδην. τούτων δ' ἀπαγγελθέντων εἰς Σάμον, Ἀλκιβιάδης πρὸς αἷς εἶχεν ἰδίαις ναυσὶ τρισκαίδεκα ἐννέα προσέλαβε, καὶ μετὰ τούτων ἐκπλεύσας εἰς Ἀλικαρνασσὸν παρὰ τῆς πόλεως εἰσεπράξατο χρήματα. [3] μετὰ δὲ ταῦτα τὴν Μεροπίδα πορθήσας μετὰ πολλῆς λείας ἀνέπλευσεν εἰς Σάμον. πολλῶν δὲ συναχθέντων λαφύρων, τοῖς τ' ἐν Σάμῳ στρατιώταις καὶ τοῖς μεθ' ἑαυτοῦ διελόμενος τὰς ὠφελείας ταχὺ τοὺς εὖ παθόντας εὖνους ἑαυτῷ κατεσκεύασεν. [4] περὶ δὲ τὸν αὐτὸν χρόνον Ἀντάνδριοι, φρουρὰν ἔχοντες, μετεπέμψαντο παρὰ Λακεδαιμονίων στρατιώτας, μεθ' ὧν ἐκβαλόντες τὴν φυλακὴν ἐλευθέραν ᾤκουν τὴν πατρίδα· οἱ γὰρ Λακεδαιμόνιοι περὶ τῆς εἰς Φοινίκην ἀποστολῆς τῶν τριακοσίων νεῶν ἐγκαλοῦντες τῷ Φαρναβάζῳ τοῖς Ἀντανδρον οἰκοῦσι συνεμάχησαν. [5]

τῶν δὲ συγγραφέων Θουκυδίδης μὲν τὴν ἱστορίαν κατέστροφε, περιλαβὼν χρόνον ἐτῶν εἴκοσι καὶ δυοῖν ἐν βύβλοις ὀκτώ· τινὲς δὲ διαιροῦσιν εἰς ἐννέα· Ξενοφῶν δὲ καὶ Θεόπομπος ἀφ' ὧν ἀπέλιπε Θουκυδίδης τὴν ἀρχὴν πεποιήνται, καὶ Ξενοφῶν μὲν περιέλαβε χρόνον ἐτῶν τεσσαράκοντα καὶ ὀκτώ, Θεόπομπος δὲ τὰς Ἑλληνικὰς πράξεις διελθὼν ἐπ' ἔτη ἑπτακαίδεκα καταλήγει τὴν ἱστορίαν εἰς τὴν περὶ Κνίδον ναυμαχίαν ἐν βύβλοις δώδεκα. [6]

τὰ μὲν οὖν κατὰ τὴν Ἑλλάδα καὶ τὴν Ἀσίαν ἐν τούτοις ἦν. Ῥωμαῖοι δὲ πρὸς Αἴκους διαπολεμοῦντες ἐνέβαλον αὐτῶν εἰς τὴν χώραν μετὰ πολλῆς δυνάμεως· περιστρατοπεδεύσαντες δὲ πόλιν Βώλας ὀνομαζομένην ἐξεπολιόρκησαν. 43.

τῶν δὲ κατὰ τὸν ἐνιαυτὸν τοῦτον πράξεων τέλος ἔχουσῶν Ἀθήνησι μὲν ἤρχε Γλαύκιππος, ἐν δὲ τῇ Ῥώμῃ κατεστάθησαν ὑπατοὶ Μάρκος Κορνήλιος καὶ Λεύκιος Φούριος. περὶ δὲ τούτους τοὺς χρόνους Αἰγεσταῖοι κατὰ τὴν Σικελίαν σύμμαχοι γεγεννημένοι τοῖς Ἀθηναίοις κατὰ Συρακοσίῳν, καταλυθέντος τοῦ πολέμου περιδεεῖς καθειστήκεισαν· ἥλιπζον γάρ, ὅπερ ἦν εἰκός, τιμωρίαν δώσειν τοῖς Σικελιώταις, ὑπὲρ ὧν εἰς αὐτοὺς ἐξήμαρτον. [2] τῶν δὲ Σελινουντίων περὶ τῆς ἀμφισβητησίμου χώρας πολεμούντων αὐτοὺς, ἐκουσίως ἐξεχώρουν, εὐλαβούμενοι, μὴ διὰ ταύτην τὴν πρόφασιν οἱ Συρακόσιοι συνεπιλάβωνται τοῦ πολέμου τοῖς Σελινουντίοις, καὶ κινδυνεύσωσιν ἄρδην ἀπολέσαι τὴν πατρίδα. [3] ἐπεὶ δ' οἱ Σελινούντιοι χωρὶς

τῆς ἀμφισβητησίμου πολλὴν τῆς παρακειμένης ἀπετέμοντο, τῆνικαὺθ' οἱ τὴν Αἴγεσταν οἰκοῦντες πρέσβεις ἀπέστειλαν εἰς Καρχηδόνα, δεόμενοι βοηθήσαι καὶ τὴν πόλιν αὐτοῖς ἐγχειρίζοντες. [4] καταπλευσάντων δὲ τῶν πεμφθέντων, καὶ τῇ γερουσίᾳ τὰς παρὰ τοῦ δήμου δεδομένας ἐντολὰς εἰπόντων, οὐ μετρίως διηπόρησαν οἱ Καρχηδόνιοι: ἅμα μὲν γὰρ ἐπεθύμουν παραλαβεῖν πόλιν εὐκαιρον, ἅμα δ' ἐφοβοῦντο τοὺς Συρακοσίους, ἑωρακότες προσφάτως καταπεπολεμημένας τὰς τῶν Ἀθηναίων δυνάμεις. [5] οὐ μὴν ἀλλὰ καὶ τοῦ παρ' αὐτοῖς πρωτεύοντος Ἀννίβου συμβουλευόντος παραλαβεῖν τὴν πόλιν, τοῖς μὲν πρεσβευταῖς ἀπεκρίθησαν βοηθήσειν, εἰς δὲ τὴν τούτων διοίκησιν, ἃν ἦ χρεῖα πολεμεῖν, στρατηγὸν κατέστησαν τὸν Ἀννίβαν, κατὰ νόμους τότε βασιλεύοντα. οὗτος δὲ ἦν υἱὸνός μὲν τοῦ πρὸς Γέλωνα πολεμήσαντος Ἀμίλκου καὶ πρὸς Ἰμέρα τελευτήσαντος, υἱὸς δὲ Γέσκωνος, ὃς διὰ τὴν τοῦ πατρὸς ἦτταν ἐφυγαδεύθη καὶ κατεβίωσεν ἐν τῇ Σελινούντι. [6] ὁ δ' οὖν Ἀννίβας, ὢν μὲν καὶ φύσει μισέλλην, ὁμοῦ δὲ τὰς τῶν προγόνων ἀτιμίας διορθώσασθαι βουλόμενος, ἔσπευδε δι' ἑαυτοῦ τι κατασκευάσαι χρήσιμον τῇ πατρίδι. θεωρῶν οὖν τοὺς Σελινουντίους οὐκ ἄρκουμένους τῇ παραχωρήσει τῆς ἀμφισβητησίμου χώρας, πρέσβεις ἀπέστειλε μετὰ τῶν Αἰγεσταίων πρὸς Συρακοσίους, ἐπιτρέπων αὐτοῖς τὴν κρίσιν τούτων, τῷ μὲν λόγῳ προσποιούμενος δικαιοπραγεῖν, τῇ δ' ἀληθείᾳ νομίζων ἐκ τοῦ μὴ βούλεσθαι τοὺς Σελινουντίους διακριθῆναι μὴ συμμαχήσειν αὐτοῖς τοὺς Συρακοσίους. [7] ἀποστείλάντων δὲ καὶ Σελινουντίων πρέσβεις, διακριθῆναι μὲν μὴ βουλομένων, πολλὰ δὲ πρὸς τοὺς παρὰ Καρχηδονίων καὶ τῶν Αἰγεσταίων πρέσβεις ἀντειπόντων, τέλος ἔδοξε τοῖς Συρακοσίοις νηφίσασθαι τηρεῖν πρὸς μὲν Σελινουντίους τὴν συμμαχίαν, πρὸς δὲ Καρχηδονίους τὴν εἰρήνην. 44. μετὰ δὲ τὴν ἐπάνοδον τῶν πρεσβευτῶν Καρχηδόνιοι μὲν τοῖς Αἰγεσταίοις ἀπέστειλαν Λιβυὰς τε πεντακισχιλίους καὶ τῶν Καμπανῶν ὀκτακοσίους. [2] οὗτοι δ' ἦσαν ὑπὸ τῶν Χαλκιδέων τοῖς Ἀθηναίοις εἰς τὸν πρὸς Συρακοσίους πόλεμον μεμισθωμένοι, καὶ μετὰ τὴν ἦτταν καταπεπλευκότες οὐκ εἶχον τοὺς μισθοδοτήσαντας: οἱ δὲ Καρχηδόνιοι πᾶσιν ἵππους ἀγοράσαντες καὶ μισθοὺς ἀξιολόγους δόντες εἰς τὴν Αἴγεσταν κατέστησαν. [3] οἱ δὲ Σελινούντιοι κατ' ἐκείνους τοὺς χρόνους εὐδαιμονοῦντες, καὶ τῆς πόλεως αὐτοῖς πολυανδρούσης, κατεφρόνουν τῶν Αἰγεσταίων. καὶ τὸ μὲν πρῶτον ἐν τάξει τὴν ὁμορον χώραν ἐπόρθουν, πολλὸν προέχοντες ταῖς δυνάμεσι, μετὰ δὲ ταῦτα καταφρονήσαντες κατὰ πᾶσαν τὴν χώραν ἐσκεδάσθησαν. [4] οἱ δὲ τῶν Αἰγεσταίων στρατηγοὶ παρατηρήσαντες αὐτοὺς ἐπέθεντο μετὰ τῶν Καρχηδονίων καὶ τῶν Καμπανῶν. ἀπροσδοκῆτου δὲ τῆς ἐφόδου γενομένης ῥαδίως ἐτρέψαντο τοὺς Σελινουντίους, καὶ τῶν μὲν στρατιωτῶν ἀνείλον περὶ χιλίους, τῆς δὲ λείας πάσης ἐκυρίευσαν. μετὰ δὲ τὴν μάχην εὐθέως ἀπέστειλαν πρέσβεις, οἱ μὲν Σελινούντιοι πρὸς Συρακοσίους, οἱ δ' Αἰγεσταῖοι πρὸς Καρχηδονίους, περὶ βοηθείας. [5] ἐκατέρων δ' ἐπαγγελαμένων συμμαχήσειν, ὁ μὲν Καρχηδονιακὸς πόλεμος ταύτην ἔλαβεν ἀρχήν: οἱ δὲ Καρχηδόνιοι προορώμενοι τὸ μέγεθος τοῦ πολέμου, τὴν ἐπιτροπὴν ἔδωκαν Ἀννίβᾳ τῷ στρατηγῷ περὶ τοῦ μεγέθους τῆς δυνάμεως, καὶ πάντα προθύμως ὑπηρετοῦν. [6] ὁ δὲ Ἀννίβας τό τε θέρος ἐκείνο καὶ τὸν συνάπτοντα χειμῶνα

πολλοὺς μὲν ἐξ Ἰβηρίας ἐξενολόγησεν, οὐκ ὀλίγους δὲ καὶ τῶν πολιτῶν κατέγραφεν: ἐπῆει δὲ καὶ τὴν Λιβύην ἐπιλεγόμενος ἐξ ἀπάσης πόλεως τοὺς κρατίστους, καὶ ναῦς παρεσκευάζετο, διανοούμενος τῆς ἑαρινῆς ὥρας ἐνισταμένης διαβιβάζειν τὰς δυνάμεις. τὰ μὲν οὖν κατὰ τὴν Σικελίαν ἐν τούτοις ἦν. 45.

κατὰ δὲ τὴν Ἑλλάδα Δωριεὺς ὁ Ῥόδιος, ναύαρχος ὢν τῶν ἐξ Ἰταλίας τριήρων, ἐπειδὴ κατέστησε τὴν ἐν Ῥόδῳ ταραχήν, ἐξέπλευσεν ἐφ' Ἑλλήσποντον, σπεύδων συμμῖξαι τῷ Μινδάρῳ: οὗτος γὰρ ἐν Ἀβύδῳ διατρίβων συνῆγε πανταχόθεν τὰς συμμαχούσας ναῦς τοῖς Πελοποννησίοις. [2] ἤδη δὲ τοῦ Δωριέως ὄντος περὶ τὸ Σίγειον τῆς Τρωάδος, οἱ περὶ Σηστὸν ὄντες Ἀθηναῖοι πυθόμενοι τὸν παράπλου ἀνήχθησαν ἐπ' αὐτοὺς πάσαις ταῖς ναυσίν, οὔσαις ἑβδομήκοντα καὶ τέσσαρσιν. [3] ὁ δὲ Δωριεὺς μέχρι μὲν τινοὺς ἀγνοήσας τὸ γινόμενον ἔπλει μετέωρος: κατανοήσας δὲ τὸ μέγεθος τοῦ στόλου κατεπλάγη, καὶ σωτηρίαν ἄλλην οὐδεμίαν ὁρῶν κατέφυγεν εἰς Δάρδανον. [4] ἐκβιβάσας δὲ τοὺς στρατιώτας καὶ τοὺς φρουροῦντας τὴν πόλιν προσλαβόμενος, βέλη τε παμπληθῆ ταχέως παρεκόμισε καὶ τῶν στρατιωτῶν οὓς μὲν ἐπὶ τὰς πρῶρας ἐπέστησεν, οὓς δ' ἐπὶ τῆς γῆς εὐκαίρως ἔταξεν. [5] οἱ δ' Ἀθηναῖοι κατὰ πολλὴν σπουδὴν καταπλεύσαντες ἐνεχείρισαν ἀποσπᾶν τὰς ναῦς, καὶ πανταχόθεν τῷ πλήθει περιχυθέντες κατεπόνουν τοὺς ἐναντίους. [6] ἃ δὴ πυθόμενος Μίνδαρος ὁ τῶν Πελοποννησίων ναύαρχος, εὐθέως ἐξ Ἀβύδου μετὰ παντὸς ἀνήχθη τοῦ στόλου, καὶ κατέπλει πρὸς τὸ Δαρδάνειον μετὰ νεῶν τεσσάρων πρὸς ταῖς ὀγδοήκοντα, βοηθήσων τοῖς μετὰ τοῦ Δωριέως: συμπαρῆν δὲ καὶ τὸ πεζὸν στράτευμα τοῦ Φαρναβάζου, βοηθοὺν τοῖς Λακεδαιμονίοις. [7] ὥς δ' ἐγγὺς ἀλλήλων ἐγενήθησαν οἱ στόλοι, διέταξαν ἀμφοτέρωι τὰς τριήρεις εἰς ναυμαχίαν: καὶ Μίνδαρος μὲν ἔχων ἑπτὰ πρὸς ταῖς ἐνενήκοντα ναυσὶν ἐπὶ μὲν τὸ λαϊὸν κέρας ἔταξε Συρακοσίους, τοῦ δεξιοῦ δ' αὐτὸς εἶχε τὴν ἡγεμονίαν: τῶν δ' Ἀθηναίων τοῦ μὲν δεξιοῦ μέρους Θρασύβουλος ἡγεῖτο, τοῦ δ' ἐτέρου Θράσυλλος. [8] τοῦτον δὲ τὸν τρόπον αὐτῶν ἐξηρτυμένων, οἱ μὲν ἡγεμόνες αὐτῶν ἦσαν τὸ σύσσημον τῆς μάχης, οἱ σαλπικταὶ δὲ ἅφ' ἐνὸς παραγγέλματος ἤρξαντο σημαίνειν τὸ πολεμικόν: καὶ τῶν μὲν ἑρετῶν οὐθέν ἐλλειπόντων προθυμίας, τῶν δὲ κυβερνητῶν ἐντέχνως τοῖς οἴαξι χρωμένων, καταπληκτικὸν συνέβαινε γίνεσθαι τὸν ἀγῶνα. [9] ὁπότε γὰρ αἱ τριήρεις εἰς ἐμβολὴν ἐπιφέροντο, τηνικαῦτα οἱ κυβερνήται πρὸς αὐτὴν τὴν τοῦ καιροῦ ῥοπὴν ἐπέστρεφον τὰς ναῦς πραγματικῶς, ὥστε τὰς πληγὰς γίνεσθαι κατ' ἐμβολὴν. [10] οἱ μὲν οὖν ἐπιβάται θεωροῦντες πλαγίας τὰς ἑαυτῶν ναῦς συνεπιφερομένας ταῖς τῶν πολεμίων τριήρεσι, περιδεεῖς ἐγίνοντο, περὶ σφῶν ἀγωνιῶντες: ὁπότε δ' οἱ κυβερνήται ταῖς ἐμπειρίαις ἐκκρούσειαν τὰς ἐπιφοράς, πάλιν ἐγίνοντο περιχαρεῖς καὶ μετέωροι ταῖς ἐλπίσιν. 46. οὐ μὴν οὐδ' οἱ τοῖς καταστρώμασιν ἐπιβεβηκότες ἄπρακτον εἶχον τὴν φιλοτιμίαν, ἀλλ' οἱ μὲν ἐκ πολλοῦ διαστήματος ἐφεστηκότες ἐτόξευον κατὰ τὸ συνεχές, καὶ ταχὺ ὁ τόπος ἦν βελῶν πλήρης: οἱ δ' αἰεὶ προσιόντες ἐγγυτέρω τὰς λόγχας ἠκόντιζον, οἱ μὲν ἐπὶ τοὺς ἀμυνομένους ἐπιβάτας, οἱ δ' ἐπ' αὐτοὺς βαλεῖν φιλοτιμούμενοι τοὺς κυβερνήτας: ὁπότε δὲ συνερείσειαν αἱ ναῦς, τοῖς τε δόρασιν ἠγωνίζοντο καὶ κατὰ τὰς προσαγωγὰς εἰς τὰς τῶν

πολεμίων τριήρεις μεθαλλόμενοι τοῖς ξίφεσιν ἀλλήλους ἡμύνοντο. [2] κατὰ δὲ τὰς γινομένας ἐλαττώσεις τῶν νικόντων ἐπαλαλαζόντων καὶ τῶν ἄλλων μετὰ βοῆς παραβοηθούντων, κραυγὴ σύμμικτος ἐγένετο παρ' ὅλον τὸν τῆς ναυμαχίας τόπον. ἐπὶ πολὺν οὖν χρόνον ἰσόρροπος ἦν ἡ μάχη διὰ τὴν ὑπερβολὴν τῆς παρ' ἀμφοτέροις φιλοτιμίας· μετὰ δὲ ταῦτα Ἀλκιβιάδης ἐκ Σάμου παραδόξως ἐπεφάνη μετὰ νεῶν εἴκοσι, πλέων κατὰ τύχην εἰς Ἑλλήσποντον. [3] τούτων δὲ πόρρω μὲν οὐσῶν, ἐκάτεροι σφίσι βοήθειαν ἐλπίζοντες παραγενέσθαι, μετέωροι ταῖς ἐλπίσιν ἐγίνοντο καὶ πολὺ προθυμότερον ταῖς τόλμαις διεκινδύνεον· ἐπεὶ δ' ἤδη σύνεγγυς ἦν ὁ στόλος, καὶ τοῖς μὲν Λακεδαιμονίοις οὐδὲν ἐφαίνετο σύσσημον, τοῖς δ' Ἀθηναίοις Ἀλκιβιάδης μετέωρον ἐποίησεν ἐπίσημον φοινικοῦν ἀπὸ τῆς ἰδίας νεώς, ὅπερ ἦν σύσσημον αὐτοῖς διατεταγμένον, οἱ μὲν Λακεδαιμόνιοι καταπλαγέντες ἐτράπησαν, οἱ δ' Ἀθηναῖοι τῷ προτερήματι μετεωρισθέντες μετὰ σπουδῆς ἐπεδίωκον τὰς ὑποφευγούσας. [4] καὶ δέκα μὲν νεῶν εὐθὺς ἐκυρίευσαν, μετὰ δὲ ταῦτα χεიმῶνος ἐπιγενομένου καὶ πνευμάτων μεγάλων πολλὰ περὶ τὸν διωγμὸν αὐτοὺς ἐμποδίζεσθαι συνέβαινε· διὰ γὰρ τὸ μέγεθος τῶν κυμάτων τὰ μὲν σκάφη τοῖς οἴαξιν ἡπείθει, τὰς δ' ἐμβολὰς ἀπράκτους συνέβαινε γίνεσθαι, τῶν τυπτομένων νεῶν ὑποχωρουσῶν. [5] τέλος δ' οἱ μὲν Λακεδαιμόνιοι πρὸς τὴν γῆν κατενεχθέντες ἔφυγον πρὸς τὸ πεζὸν τοῦ Φαρναβάζου στρατόπεδον, οἱ δ' Ἀθηναῖοι τὸ μὲν πρῶτον ἐπεχείρησαν ἀποσπᾶν τὰς ναῦς ἀπὸ τῆς γῆς καὶ παραβόλως διεκινδύνεον, ὑπὸ δὲ τοῦ Περσικοῦ στρατεύματος ἀνακοπέντες ἀπέπλευσαν εἰς Σηστόν. [6] ὁ γὰρ Φαρναβάζος βουλόμενος τοῖς Λακεδαιμονίοις ὑπὲρ ὧν ἐνεκάλουν ἀπολογεῖσθαι, βιαιότερον διηγωνίζετο πρὸς τοὺς Ἀθηναίους· ἅμα δὲ καὶ περὶ τῶν εἰς Φοινίκην ἀποσταλεισῶν νεῶν τριακοσίων ἐδίδαξεν, ὥς τοῦτο ἔπραξε πυνθανόμενος τὸν τε τῶν Ἀράβων βασιλέα καὶ τὸν τῶν Αἰγυπτίων ἐπιβουλεύειν τοῖς περὶ Φοινίκην πράγμασιν. 47.

τῆς δὲ ναυμαχίας τοιοῦτον τὸ τέλος λαβούσης Ἀθηναῖοι τότε μὲν εἰς Σηστόν ἀπέπλευσαν ἤδη νυκτὸς οὔσης, ἅμα δ' ἡμέρα τὰ τε ναύαγια συνήγαγον καὶ πρὸς τῷ προτέρῳ τροπαίῳ πάλιν ἕτερον ἔστησαν. [2] Μίνδαρος δὲ νυκτὸς περὶ πρώτην φυλακὴν εἰς Ἀβυδὸν ἀναχθεὶς τὰς τε πεπονηκυίας ναῦς ἐπεσκεύαζε καὶ πρὸς Λακεδαιμονίους διεπέμψατο περὶ βοηθείας πεζῆς τε καὶ ναυτικῆς· διενοεῖτο γὰρ ἐν ὧσφ τὰ κατὰ τὸν στόλον ἔτοιμα ἐγένετο, πεζῇ μετὰ Φαρναβάζου τὰς συμμαχούσας κατὰ τὴν Ἀσίαν πόλεις Ἀθηναῖοις πολιορκήσιν. [3] Χαλκιδεῖς δὲ καὶ σχεδὸν οἱ λοιποὶ πάντες οἱ τὴν Εὐβοίαν κατοικοῦντες ἀφεστηκότες ἦσαν Ἀθηναίων, καὶ διὰ τοῦτο περιδεεῖς ἐγίνοντο, μήποτε νῆσον οἰκοῦντες ἐκπολιορκηθῶσιν ὑπ' Ἀθηναίων θαλασσοκρατούντων· ἡξίουσαν οὖν Βοιωτοὺς κοινῇ χῶσαι τὸν Εὐριπον, ὥστε συνάψαι τὴν Εὐβοίαν τῇ Βοιωτίᾳ. [4] συγκαταθεμένων δὲ τῶν Βοιωτῶν διὰ τὸ κάκεινους συμφέρειν τὴν Εὐβοίαν εἶναι τοῖς μὲν ἄλλοις νῆσον, ἑαυτοῖς δ' ἡπειρον· διόπερ αἱ πόλεις ἅπασαι πρὸς τὴν διάχωσιν ἐπερρώσθησαν καὶ πρὸς ἀλλήλας ἡμιλλῶντο· οὐ γὰρ μόνον τοῖς πολίταις ἐξίέναι πανδημεὶ προσέταζαν, ἀλλὰ καὶ τοῖς παροικοῦσι ξένους, ὥστε διὰ τὸ πλῆθος τῶν τοῖς ἔργοις προσιόντων τὴν πρόθεσιν ταχέως λαβεῖν συντέλειαν. [5] τῆς μὲν οὖν

Εὐβοίας κατεσκευάσθη τὸ χῶμα κατὰ τὴν Χαλκίδα, τῆς δὲ Βοιωτίας πλησίον Αὐλίδος· ἐνταῦθα γὰρ ὁ μεταξὺ τόπος ἦν στενωτάτος. συνέβαινε μὲν οὖν καὶ πρότερον αἰεὶ κατ' ἐκεῖνον τὸν τόπον εἶναι ῥοῦν καὶ πυκνάς ποιεῖσθαι τροπάς τὴν θάλατταν, τότε δὲ πολὺ μᾶλλον ἦν ἐπιτείνοντα τὰ κατὰ τὸν ῥοῦν, ὥς ἂν εἰς στενὸν ἄγαν συγκεκλεισμένης τῆς θαλάττης· ὁ γὰρ διέκπλους ἀπελείφθη μιᾶ νηί. ὠκοδόμησαν δὲ καὶ πύργους ὑψηλοὺς ἐπ' ἀμφοτέρων τῶν ἄκρων, καὶ ξυλῖνας τοῖς διάρροις ἐπέστησαν γεφύρας. [6] Θηραμένης δ' ὑπ' Ἀθηναίων ἀποσταλεῖς μετὰ νεῶν τριάκοντα τὸ μὲν πρῶτον ἐπεχείρησε κωλύειν τοὺς ἐπὶ τῶν ἔργων, πολλοῦ δὲ πλήθους στρατιωτῶν συμπαρόντος τοῖς κατασκευάζουσι τὰ χῶματα ταύτης μὲν τῆς ἐπιβολῆς ἀπέστη, τὸν δὲ πλοῦν ἐπὶ τῶν νήσων ἐποίησαντο. [7] βουλόμενος δὲ τοὺς τε πολίτας καὶ συμμάχους ἀναπαῦσαι τῶν εἰσφορῶν, τὴν τε τῶν πολεμίων χώραν ἐπόρθησε καὶ πολλὰς ὠφελείας ἤθροισεν. ἐπῆει δὲ καὶ τὰς συμμαχίδας πόλεις, καὶ τοὺς ἐν αὐταῖς νεωτερίζοντας εἰσεπράττετο χρήματα. [8] καταπλεύσας δ' εἰς Πάρον καὶ καταλαβὼν ὀλιγαρχίαν ἐν τῇ πόλει, τῷ μὲν δήμῳ τὴν ἐλευθερίαν ἀποκατέστησε, παρὰ δὲ τῶν ἀψαμένων τῆς ὀλιγαρχίας χρημάτων πλῆθος εἰσεπράξατο. 48.

συνέβη δὲ περὶ τοῦτον τὸν χρόνον ἐν τῇ Κορκύρᾳ γενέσθαι μεγάλην στάσιν καὶ σφαγὴν, ἣν δι' ἐτέρας μὲν αἰτίας λέγεται γενέσθαι, μάλιστα δὲ διὰ τὴν ὑπάρχουσαν αὐτοῖς πρὸς ἀλλήλους ἔχθραν. [2] ἐν οὐδεμιᾷ γάρ ποτε πόλει τοιοῦτοι πολιτῶν φόνοι συνετελέσθησαν οὐδὲ μείζων ἔρις καὶ φιλονεικία πρὸς ὄλεθρον ἀνήκουσα. δοκοῦσι γὰρ οἱ μὲν ἀναιρεθέντες ὑπ' ἀλλήλων πρὸ ταύτης τῆς στάσεως γεγονέναι περὶ χιλίους καὶ πεντακοσίους, καὶ πάντες οὗτοι πρωτεύοντες τῶν πολιτῶν. [3] τούτων δ' ἐπιγεγεννημένων τῶν ἀτυχημάτων ἐτέραν αὐτοῖς συμφορὰν ἐπέστησεν ἡ τύχη, τὴν πρὸς ἀλλήλους πάλιν αὐξήσασα διαφορὰν. οἱ μὲν γὰρ προέχοντες τοῖς ἀξιώμασι τῶν Κορκυραίων ὀρεγόμενοι τῆς ὀλιγαρχίας ἐφρόνουν τὰ Λακεδαιμονίων, ὁ δὲ δημοτικὸς ὄχλος ἔσπευδε τοῖς Ἀθηναίοις συμμαχεῖν. [4] καὶ γὰρ διαφερούσας τὰς σπουδὰς εἶχον οἱ περὶ τῆς ἡγεμονίας διαγωνιζόμενοι ἄνθρωποι· Λακεδαιμόνιοι γὰρ τοὺς πρωτεύοντας ἐν ταῖς συμμαχίσι πόλεσιν ἐποίουν ἐπὶ τῆς διοικήσεως τῶν κοινῶν, Ἀθηναῖοι δὲ δημοκρατίας ἐν ταῖς πόλεσι καθίστανον. [5] οἱ δ' οὖν Κορκυραῖοι θεωροῦντες τοὺς δυνατωτάτους τῶν πολιτῶν ὄντας πρὸς τῷ τὴν πόλιν ἐγχειρίζειν Λακεδαιμονίοις, μετεπέμψαντο παρ' Ἀθηναίων δύναμιν τὴν παραφυλάζουσαν τὴν πόλιν. [6] Κόνων δ' ὁ στρατηγὸς τῶν Ἀθηναίων πλεύσας εἰς Κόρκυραν, ἑξακοσίους μὲν τῶν ἐκ Ναυπάκτου Μεσσηνίων κατέλιπεν ἐν τῇ πόλει, αὐτὸς δὲ μετὰ τῶν νεῶν παρέπλευσε, καὶ καθωρμίσθη πρὸς τῷ τῆς Ἥρας τεμένει. [7] οἱ δὲ ἑξακόσιοι μετὰ τῶν δημοτικῶν ὀρμήσαντες ἐπὶ τοὺς τὰ Λακεδαιμονίων φρονοῦντας ἐξαίφνης ἀγορᾶς πληθούσης οὓς μὲν συνελάμβανον, οὓς δ' ἐφόνευον, πλείους δὲ τῶν χιλίων ἐφυγάδευσαν· ἐποίησαντο δὲ τοὺς μὲν δούλους ἐλευθέρους, τοὺς δὲ ξένους πολίτας, εὐλαβούμενοι τό τε πλῆθος καὶ τὴν δύναμιν τῶν φυγάδων. [8] οἱ μὲν οὖν ἐκτεσόντες ἐκ τῆς πατρίδος εἰς τὴν καταντίον ἡπειρον ἔφυγον· μετὰ δὲ τινὰς ἡμέρας τῶν ἐν τῇ πόλει τινες φρονοῦντες τὰ τῶν φυγάδων κατελάβοντο τὴν ἀγοράν, καὶ μεταπεμψάμενοι τοὺς φυγάδας περὶ

τῶν ὅλων διηγωνίζοντο. τέλος δὲ νυκτὸς καταλαβούσης εἰς ὁμολογίας ἤλθον πρὸς ἀλλήλους, καὶ τῆς φιλονεικίας παυσάμενοι κοινῶς ᾤκουν τὴν πατρίδα. ἡ μὲν οὖν ἐν Κορκύρα σφαγὴ τοιοῦτον ἔσχε τὸ τέλος. 49.

Ἀρχέλαος δ' ὁ τῶν Μακεδόνων βασιλεύς, τῶν Πυδναίων ἀπειθούντων, πολλῇ δυνάμει τὴν πόλιν περιεστρατοπέδευσεν. παρεβοήθησε δ' αὐτῷ καὶ Θηραμένης ἔχων στόλον: ὃς χρονιζούσης τῆς πολιορκίας ἀπέπλευσεν εἰς Θράκην πρὸς Θρασύβουλον τὸν ἀφηγούμενον τοῦ στόλου παντός. [2] ὁ μὲν οὖν Ἀρχέλαος φιλοτιμότερον πολιορκήσας τὴν Πύδναν καὶ κρατήσας μετόκισεν αὐτὴν ἀπὸ θαλάττης ὥς εἴκοσι στάδια. ὁ δὲ Μίνδαρος, ἥδη τοῦ χειμῶνος λήγοντος, συνήγαγε τὰς πανταχόθεν τριήρεις: ἕκ τε γὰρ τῆς Πελοποννήσου πολλαὶ παρεγενήθησαν καὶ παρὰ τῶν ἄλλων συμμάχων ὁμοίως. οἱ δ' ἐν Σηστῷ τῶν Ἀθηναίων στρατηγοί, πυνθανόμενοι τὸ μέγεθος τοῦ συναγομένου τοῖς πολεμίους στόλου, περιδεεῖς ἦσαν, μήποτε πάσαις ταῖς τριήρεσιν ἐπιπλεύσαντες οἱ πολέμοι κυριεύσωσι τῶν νεῶν. [3] ὅθεν αὐτοὶ μὲν καθελκύσαντες τὰς οὐσας ἐν Σηστῷ ναῦς περιέπλευσαν τὴν Χερρόνησον καὶ καθωρμίσθησαν εἰς Καρδίαν: εἰς δὲ Θράκην πρὸς Θρασύβουλον καὶ Θηραμένην ἔπεμψαν τριήρεις, παρακαλοῦντες μετὰ τοῦ στόλου τὴν ταχίστην ἥκειν: μετεπέμψαντο δὲ καὶ τὸν Ἀλκιβιάδην ἐκ Λέσβου μεθ' ὧν εἶχε νεῶν, καὶ συνήχθη πᾶς ὁ στόλος εἰς ἓνα τόπον, σπευδόντων τῶν στρατηγῶν περὶ τῶν ὅλων διακινδυνεύσαι. [4] Μίνδαρος δ' ὁ τῶν Λακεδαιμονίων ναύαρχος πλεύσας εἰς Κύζικον πᾶσαν τὴν δύναμιν ἐξεβίβασε καὶ τὴν πόλιν περιεστρατοπέδευσεν. παρεγενήθη δὲ καὶ Φαρνάβαζος μετὰ πολλῆς στρατιᾶς, μεθ' οὗ πολιορκήσας Μίνδαρος εἶλε τὴν Κύζικον κατὰ κράτος. [5] οἱ δὲ τῶν Ἀθηναίων στρατηγοὶ κρίναντες ἐπὶ Κύζικον πλεῖν, ἀνήχθησαν μετὰ πασῶν τῶν νεῶν καὶ τὴν Χερρόνησον περιέπλεον. καὶ πρῶτον μὲν εἰς Ἐλεοῦντα παρεγένοντο: μετὰ δὲ ταῦτα ἐφιλοτιμήθησαν νυκτὸς τὴν τῶν Ἀβυδωνῶν πόλιν παραπλεῦσαι πρὸς τὸ μὴ κατανοηθῆναι τὸ πλῆθος τῶν νεῶν ὑπὸ τῶν πολεμίων. [6] ἐπεὶ δ' ἤλθον εἰς Προικόννησον, τὴν μὲν νύκτα κατηλύισθησαν ἐν ταύτῃ, τῇ δ' ὑστεραία τοὺς μὲν ἐπιβεβηκότας στρατιώτας διεβίβασαν εἰς τὴν τῶν Κυζικηνῶν χώραν, καὶ τῷ στρατηγοῦντι τούτων Χαιρέα προσέταζαν ἄγειν τὸ στρατόπεδον ἐπὶ τὴν πόλιν. 50. αὐτοὶ δ' εἰς τρία μέρη διεΐλαντο τὸ ναυτικόν, καὶ τοῦ μὲν ἤρχεν Ἀλκιβιάδης, τοῦ δὲ Θηραμένης, τοῦ δὲ τρίτου Θρασύβουλος. Ἀλκιβιάδης μὲν οὖν μετὰ τοῦ καθ' αὐτὸν μέρους πολὺ προέπλευσε τῶν ἄλλων, βουλόμενος προκαλέσασθαι τοὺς Λακεδαιμονίους εἰς ναυμαχίαν: Θηραμένης δὲ καὶ Θρασύβουλος ἐφιλοτέχνουν εἰς τὸ κυκλώσασθαι καὶ τῆς εἰς τὴν πόλιν ἐπανόδου τοὺς ἐκπλεύσαντας εἶρξαι. [2] Μίνδαρος δὲ τὰς μὲν Ἀλκιβιάδου ναῦς εἴκοσι μόνας ὁρῶν προσφερομένας, τὰς δ' ἄλλας ἀγνοῶν, κατεφρόνησε, καὶ ναυσὶν ὀγδοήκοντα θρασέως ἐκ τῆς πόλεως τὸν ἐπίπλουν ἐποίησατο. ὥς δὲ πλησίον ἐγένετο τῶν περὶ τὸν Ἀλκιβιάδην, οἱ μὲν Ἀθηναῖοι, καθάπερ ἦν αὐτοῖς παρηγγελμένον, προσεποιοῦντο φεύγειν, οἱ δὲ Πελοποννήσιοι περιχαρεῖς ὄντες ἠκολούθουν κατὰ σπουδὴν ὥς νικῶντες. [3] ὁ δὲ Ἀλκιβιάδης ἐπειδὴ τῆς πόλεως αὐτοὺς ἀπέσπασε πορρωτέρω, τὸ σύσσημον ἤρην: οὗ γενηθέντος αἱ μετ' Ἀλκιβιάδου τριήρεις ἐξαίφνης πρὸς ἓνα καιρὸν ἐπέστρεψαν ἀντίπρωροι τοῖς πολεμίους,

Θηραμένης δὲ καὶ Θρασύβουλος ἔπλεον ἐπὶ τὴν πόλιν καὶ τὸν ἀπόπλουν τῶν Λακεδαιμονίων ὑπετέμοντο. [4] οἱ δὲ μετὰ τοῦ Μίνδαρου καθορῶντες ἤδη τὸ πλῆθος τῶν πολεμίων νεῶν, καὶ μαθόντες ἑαυτοὺς κατεστρατηγημένους, περίφοβοι καθειστήκεισαν. τέλος δὲ τῶν Ἀθηναίων πανταχόθεν ἐπιφαινομένων καὶ τῆς εἰς τὴν πόλιν ἐφόδου τοὺς Πελοποννησίους ἀποκλείσαντων, ὁ Μίνδαρος ἠναγκάσθη καταφυγεῖν τῆς χώρας πρὸς τοὺς καλουμένους Κλήρους, ὅπου καὶ Φαρνάβαζος εἶχε τὴν δύναμιν. [5] Ἀλκιβιάδης δὲ κατὰ σπουδὴν διώκων ἄς μὲν κατέδυνεν, ἄς δὲ κατατιτρώσκων ὑποχειρίου ἐλάμβανε, τὰς δὲ πλείστας πρὸς αὐτῇ τῇ γῇ καθωρμισμένας καταλαβὼν ἐπέβαλλε σιδηρᾶς χεῖρας, καὶ ταύταις ἀποσπᾶν ἀπὸ τῆς γῆς ἐπειράτο. [6] παραβοηθούντων δὲ τῶν πεζῶν ἀπὸ τῆς γῆς τοῖς Πελοποννησίοις πολὺς ἐγένετο φόνος, ὥς ἂν τῶν μὲν Ἀθηναίων διὰ τὸ προτέρημα θρασύτερον ἢ συμφορώτερον ἀγωνιζομένων, τῶν δὲ Πελοποννησίων πολὺ τοῖς πλήθεσιν ὑπεραγόντων: καὶ γὰρ τὸ τοῦ Φαρναβάζου στρατόπεδον παρεβοήθει τοῖς Λακεδαιμονίοις, καὶ τὴν μάχην ἐκ τῆς γῆς ποιούμενον τὴν στάσιν εἶχεν ἀσφαλεστέραν. [7] Θρασύβουλος δὲ θεωρῶν τοὺς πεζοὺς τοῖς πολεμίοις βοηθοῦντας, καὶ τοὺς λοιποὺς τῶν ἐπιβατῶν ἀπεβίβασεν εἰς τὴν γῆν, σπεύδων βοηθῆσαι τοῖς περὶ τὸν Ἀλκιβιάδην: τῷ δὲ Θηραμένει παρεκελεύσατο τοῖς περὶ Χαιρέαν πεζοῖς συνάψαντα τὴν ταχίστην ἥκειν, ὅπως πεζῇ διαγωνίσωνται. 51.

τῶν δὲ Ἀθηναίων περὶ ταῦτα γινομένων Μίνδαρος ὁ τῶν Λακεδαιμονίων ἀφηγούμενος αὐτὸς μὲν πρὸς Ἀλκιβιάδην ὑπὲρ τῶν ἀφελκομένων νεῶν διηγώνιζετο, Κλέαρχον δὲ τὸν Σπαρτιάτην μετὰ μέρους τῶν Πελοποννησίων ἀπέστειλε πρὸς τοὺς περὶ Θρασύβουλον: συναπέστειλε δ' αὐτῷ καὶ τοὺς παρὰ Φαρναβάζῳ στρατευομένους μισθοφόρους. [2] ὁ δὲ Θρασύβουλος μετὰ τῶν ἐπιβατῶν καὶ τῶν τοξοτῶν τὸ μὲν πρῶτον εὐρώστως ὑπέστη τοὺς πολεμίους, καὶ πολλοὺς μὲν ἀνείλεν, οὐκ ὀλίγους δὲ καὶ τῶν ιδίων ἑώρα πίπτοντας: τῶν δὲ μετὰ τοῦ Φαρναβάζου μισθοφόρων κυκλούντων τοὺς Ἀθηναίους καὶ τῷ πλήθει πανταχόθεν περιχομένων, ἐπεφάνη Θηραμένης τοὺς τε ιδίους καὶ τοὺς μετὰ Χαιρέου ἄγων πεζοὺς. [3] οἱ δὲ μετὰ τοῦ Θρασυβούλου καταπεπονημένοι καὶ τὰς τῆς σωτηρίας ἐλπίδας ἀπεγνωκότες πάλιν ἐξαίφνης ταῖς ψυχαῖς διηγείροντο τηλικαύτης βοηθείας παραγεγεννημένης. [4] ἐπὶ πολὺν δὲ χρόνον καρτερᾶς μάχης γενομένης, τὸ μὲν πρῶτον οἱ τοῦ Φαρναβάζου μισθοφόροι φεύγειν ἤρξαντο, καὶ τὸ συνεχὲς αἰεὶ τῆς τάξεως παρερρήγγυτο: τέλος δὲ οἱ Πελοποννήσιοι μετὰ Κλεάρχου καταλειφθέντες καὶ πολλὰ δράσαντες καὶ παθόντες ἐξέωσθησαν. [5] τούτων δὲ καταπεπονημένων οἱ περὶ τὸν Θηραμένην ὥρμησαν τοῖς μετ' Ἀλκιβιάδου κινδυνεύουσι βοηθῆσαι. συνδραμουσῶν δὲ τῶν δυνάμεων εἰς ἓνα τόπον, ὁ μὲν Μίνδαρος οὐ κατεπλάγη τὴν ἔφοδον τῶν περὶ Θηραμένην, ἀλλὰ διελόμενος τοὺς Πελοποννησίους τοῖς μὲν ἡμίσεσιν ἀπῆντα τοῖς ἐπιούσι, τοὺς δ' ἡμίσεις αὐτὸς ἔχων, καὶ δεόμενος ἐκάστου μὴ καταισχνᾶναι τὸ τῆς Σπάρτης ἀξίωμα, καὶ ταῦτα πεζομαχοῦντας, ἀντετάχθησαν τοῖς περὶ τὸν Ἀλκιβιάδην. [6] περὶ δὲ τῶν νεῶν ἡρωικὴν συστησάμενος μάχην, καὶ πρὸ πάντων αὐτὸς κινδυνεύων, πολλοὺς μὲν ἀνείλε τῶν ἀντιτεταγμένων, τὸ δὲ τελευταῖον ἀξίως τῆς πατρίδος

ἀγωνισάμενος ὑπὸ τῶν περὶ τὸν Ἀλκιβιάδην ἀνηρέθη. τούτου δὲ πεπτωκότος οἱ τε Πελοποννήσιοι καὶ πάντες οἱ σύμμαχοι συνέδραμον καὶ καταπλαγέντες εἰς φυγὴν ὥρμησαν. [7] οἱ δ' Ἀθηναῖοι μέχρι μὲν τινος ἐπεδίωξαν τοὺς πολεμίους, πυνθανόμενοι δὲ τὸν Φαρνάβazon μετὰ πολλῆς ἵππου κατὰ σπουδὴν ἐπειγόμενον, ἀνέκαμψαν ἐπὶ τὰς ναῦς, καὶ τὴν μὲν πόλιν παρέλαβον, δύο δὲ τρόπαια κατέστησαν ἀφ' ἑκατέρας νίκης, τὸ μὲν τῆς ναυμαχίας ἐν τῇ νήσῳ τῇ Πολυδώρου καλουμένη, τὸ δὲ τῆς πεζομαχίας οὗ τὴν τροπὴν ἐποιήσαντο τὴν πρώτην. [8] οἱ μὲν οὖν ἐν τῇ πόλει Πελοποννήσιοι καὶ πάντες οἱ διαφυγόντες ἐκ τῆς μάχης ἔφυγον ἐπὶ τὸ τοῦ Φαρναβάζου στρατόπεδον: οἱ δὲ τῶν Ἀθηναίων στρατηγοὶ τῶν τε νεῶν ἀπασῶν ἐγκρατεῖς ἐγενήθησαν καὶ πολλοὺς μὲν αἰχμαλώτους, ἀναρίθμητον δὲ πλῆθος λαφύρων ἤθροισαν, ὥς ἂν δύο δυνάμεις ἅμα τηλικαύτας νενικηκότες. 52.

ἀπενεχθείσης δὲ τῆς νίκης εἰς Ἀθήνας, ὁ μὲν δῆμος ἐκ τῶν προτέρων συμφορῶν ἀνελπίστους εὐτυχίας ὄρων τῇ πόλει προσγεγεννημένας μετέωρος ἦν ἐπὶ τοῖς εὐημερήμασι, καὶ τοῖς μὲν θεοῖς πανδημεὶ θυσίας καὶ πανηγύρεις ἐποιήσατο, εἰς δὲ τὸν πόλεμον ἐπέλεξε χιλίους τῶν ὀπλιτῶν τοὺς κρατίστους, ἱππεῖς δ' ἑκατόν, πρὸς δὲ τούτοις τριάκοντα τριήρεις ἀπέστειλε τοῖς περὶ τὸν Ἀλκιβιάδην, ὅπως τὰς περὶ Λακεδαιμονίους πόλεις ἀδεῶς πορθῶσι κρατοῦντες τῆς θαλάττης. [2] οἱ δὲ Λακεδαιμόνιοι ὥς ἤκουσαν τὴν περὶ Κύζικον αὐτοῖς γενομένην συμφορὰν, πρέσβεις ἐξέπεμψαν εἰς Ἀθήνας ὑπὲρ εἰρήνης, ὧν ἦν ἀρχιπρεσβευτὴς Ἐνδιος. ἐξουσίας δ' αὐτῷ δοθείσης παρελθὼν συντόμως καὶ λακωνικῶς διελέχθη: διόπερ ἔκρινα μὴ παραλιπεῖν τοὺς ῥηθέντας λόγους. [3] βουλόμεθα πρὸς ὑμᾶς ἄγειν εἰρήνην, ἄνδρες Ἀθηναῖοι, καὶ τὰς μὲν πόλεις ἔχειν ὥς ἑκάτεροι κρατοῦμεν, τὰ δὲ φρούρια τὰ παρ' ἀλλήλοις καταλῦσαι, τῶν δ' αἰχμαλώτων λυτροῦντες ἀνθ' ἑνὸς Ἀθηναίου λαβεῖν ἓνα Λάκωνα. οὐ γὰρ ἀγνοοῦμεν τὸν πόλεμον ἀμφοτέροις μὲν βλαβερὸν, πολὺ δὲ μᾶλλον ὑμῖν. [4] παραπέμψαντες δὲ τὸν ἐμὸν λόγον ἐκ τῶν πραγμάτων μάθετε. ἡμεῖς μὲν ἅπασαν τὴν Πελοπόννησον γεωργοῦμεν, ὑμεῖς δὲ βραχὺ μέρος τῆς Ἀττικῆς: καὶ Λάκωσι μὲν ὁ πόλεμος πολλοὺς συνέθηκε συμμάχους, Ἀθηναίων δὲ τοσοῦτους ἀφείλατο ὅσους τοῖς πολεμίοις ἔδωκε: καὶ ἡμῖν μὲν ὁ πλουσιώτατος τῶν κατὰ τὴν οἰκουμένην βασιλέων χορηγός ἐστι τοῦ πολέμου, ὑμῖν δὲ οἱ πενιχρότατοι τῶν κατὰ τὴν οἰκουμένην: [5] διόπερ οἱ μὲν ἡμέτεροι κατὰ τὸ μέγεθος τῶν μισθῶν προθύμως στρατεύονται, οἱ δὲ ὑμέτεροι, τὰς εἰσφορὰς ἀπὸ τῶν ἰδίων διδόντες οὐσιῶν, ἅμα καὶ τὰς κακοπαθείας φεύγουσι καὶ τὰς δαπάνας. [6] ἔπειθ' ἡμεῖς μὲν κατὰ θάλατταν πολεμοῦντες σκάφεσι πολιτικοῖς μόνον κινδυνεύομεν, ὑμεῖς δὲ πολίτας ἔχετε τοὺς πλείστους ἐν ταῖς ναυσίν. τὸ δὲ μέγιστον, ἡμεῖς μὲν κἂν κρατηθῶμεν ἐν τοῖς κατὰ θάλατταν πράγμασι, τὴν γε κατὰ γῆν ἡγεμονίαν ὁμολογουμένως ἔχομεν: οὐδὲ γὰρ οἶδε τὸ φυγεῖν πεζὸς Σπαρτιάτης: ὑμεῖς δὲ τῆς θαλάττης ἐκβληθέντες οὐχ ὑπὲρ ἡγεμονίας πεζῆς, ἀλλ' ὑπὲρ ἀναστάσεως ἀγωνιάτε. [7] καταλείπεται μοι διδάξαι, πῶς τοσαῦτα καὶ τηλικαῦτα πλεονεκτοῦντες ἐν τῷ πολεμεῖν εἰρήνην ἄγειν παρακαλοῦμεν. ἐγὼ δ' ὠφελεῖσθαι μὲν ἐκ τοῦ πολεμεῖν οὐ φημι τὴν Σπάρτην, βλάπτεσθαι μέντοι γε ἔλαττον τῶν Ἀθηναίων. ἀποπλήκτων δὲ εὐδοκεῖν συναυχοῦντας τοῖς πολεμίοις, παρὸν μηδ' ὅλως

ἀτυχίας λαβεῖν πείραν: οὐ τοσαύτην γὰρ ἡ τῶν πολέμιων ἀπώλεια φέρει χαράν, ἢ λίκην ἔχει λύπην ἢ τῶν ἰδίων ταλαιπωρία. [8] οὐ μόνον δὲ τούτων ἔνεκα διαλυθῆναι σπεύδομεν, ἀλλὰ καὶ τὸ πάτριον ἔθος τηροῦντες: θεωροῦντες γὰρ τὰς ἐν τῷ πολέμῳ φιλονεικίας πολλὰ καὶ δεινὰ πάθη ποιούσας, οἴομεθα δεῖν φανερόν ποιῆσαι πᾶσι καὶ θεοῖς καὶ ἀνθρώποις, ὅτι τούτων ἥκιστα πάντων ἐσμὲν αἴτιοι. 53.

τοιαῦτα δὲ καὶ τούτοις παραπλήσια τοῦ Λάκωνος διαλεχθέντος, οἱ μὲν ἐπιεικέστατοι τῶν Ἀθηναίων ἔρρεπον ταῖς γνώμαις πρὸς τὴν εἰρήνην, οἱ δὲ πολεμοποιεῖν εἰωθότες καὶ τὰς δημοσίας ταραχὰς ἰδίας ποιούμενοι προσόδους ἤροῦντο τὸν πόλεμον. [2] συνεπελάβετο δὲ τῆς γνώμης αὐτῆς καὶ Κλεοφῶν, μέγιστος ὢν τότε δημαγωγός. ὃς παρελθὼν καὶ πολλὰ πρὸς τὴν ὑπόθεσιν οἰκείως διαλεχθεὶς ἐμετεώρισε τὸν δῆμον, τὸ μέγεθος τῶν εὐημερημάτων προφερόμενος, ὥσπερ τῆς τύχης οὐκ ἐναλλάξ εἰθισμένης βραβεύειν τὰ κατὰ πόλεμον προτερήματα. [3] Ἀθηναῖοι μὲν οὖν κακῶς βουλευσάμενοι μετενόησαν ὅτε οὐδὲν ὄφελος, καὶ λόγοις πρὸς ἀρέσκειαν εἰρημνεῖς ἐξαπατηθέντες οὕτως ἔπταισαν τοῖς ὅλοις, ὥστε μηκέτι δύνασθαι πώποτε αὐτοὺς γνησίως ἀναλαβεῖν. [4] ἀλλὰ ταῦτα μὲν ὕστερον πραχθέντα τεύξεται λόγου κατὰ τοὺς ἰδίους χρόνους: τότε δὲ οἱ Ἀθηναῖοι τοῖς τε εὐημερήμασιν ἐπαρθέντες καὶ πολλὰς καὶ μεγάλας ἐλπίδας ἔχοντες ἐν τῷ τὸν Ἀλκιβιάδην ἀφηγῆσθαι τῶν ἰδίων δυνάμεων, ταχέως ὥοντο τὴν ἡγεμονίαν ἀνακτήσασθαι. 54.

τῶν δὲ κατὰ τοῦτον τὸν ἐνιαυτὸν πράξεων τέλος ἔχουσῶν Ἀθήνησι μὲν παρέλαβε τὴν ἀρχὴν Διοκλῆς, ἐν Ῥώμῃ δὲ τὴν ὑπατον εἶχον ἀρχὴν Κόιντος Φάβιος καὶ Γάιος Φούριος. περὶ δὲ τούτους τοὺς καιροὺς Ἀννίβας ὁ τῶν Καρχηδονίων στρατηγὸς τοὺς τ' ἐξ Ἰβηρίας ξενολογηθέντας καὶ τοὺς ἐκ τῆς Λιβύης καταγραφέντας στρατιώτας συνήγαγε, καὶ μακρὰς μὲν ἐξήκοντα ναῦς ἐπλήρωσε, τὰ δὲ φορτηγὰ πλοῖα περὶ χίλια πεντακόσια παρεσκευάσατο. [2] ἐν τούτοις τὴν τε δύναμιν διεκόμιζε καὶ τὰ πρὸς τὰς πολιορκίας μηχανήματα καὶ βέλη καὶ τὴν ἄλλην παρασκευὴν ἅπασαν. περαιωθεὶς δὲ μετὰ τοῦ στόλου τὸ Λιβυκὸν πέλαγος, κατέπλευσε τῆς Σικελίας ἐπὶ τὴν ἄκραν τὴν ἀπέναντι τῆς Λιβύης, καλουμένην Λιλύβαιον: [3] καθ' ὃν δὴ χρόνον τῶν Σελινουντίων τινὲς ἱπέων περὶ τοὺς τόπους διατρίβοντες, καὶ τὸ μέγεθος τοῦ καταπλέοντος στόλου θεασάμενοι, ταχέως τοῖς πολίταις τὴν τῶν πολέμιων παρουσίαν ἐδήλωσαν. καὶ οἱ μὲν Σελινούντιοι τοὺς βιβλιαφόρους παραχρῆμα πρὸς τοὺς Συρακοσίους ἀπέστειλαν, δεόμενοι βοηθεῖν: [4] ὁ δ' Ἀννίβας ἐκβιβάσας τὴν δύναμιν κατεστρατοπέδευσε, ἀρξάμενος ἀπὸ τοῦ φρέατος, ὃ κατ' ἐκεῖνους μὲν τοὺς καιροὺς ὠνομάζετο Λιλύβαιον, μετὰ δὲ ταῦτα πολλοῖς ἔτεσι πρὸς αὐτῷ κτισθείσης πόλεως αἴτιον ἐγενήθη τῇ πόλει τῆς ἐπωνυμίας. [5] εἶχε δὲ τοὺς σύμπαντας Ἀννίβας, ὥς μὲν Ἐφορος ἀνέγραψε, πεζῶν μυριάδας εἴκοσι, ἱππεῖς δὲ τετρακισχιλίους, ὥς δὲ Τίμαιός φησιν, οὐ πολλῶ πλείους τῶν δέκα μυριάδων. τὰς μὲν οὖν ναῦς ἐν τῷ περὶ Μοτύην κόλπῳ πάσας ἐνέωλκε, βουλόμενος ἔννοιαν διδόναι τοῖς Συρακοσίοις, ὥς οὐ πάρεστιν ἐκεῖνους πολεμήσων οὐδὲ ναυτικῇ δυνάμει παραπλεύσων ἐπὶ Συρακούσας: [6] παραλαβὼν δὲ τοὺς παρ' Αἰγεσταίων στρατιώτας καὶ τοὺς παρὰ τῶν ἄλλων

συμμάχων ἀνέζευξεν ἀπὸ τοῦ Λιλυβαίου τὴν πορείαν ποιούμενος ἐπὶ Σελινοῦντος. ὥς δ' ἐπὶ τὸν Μάζαρον ποταμὸν παρεγενήθη, τὸ μὲν παρ' αὐτὸν ἐμπόριον κείμενον εἶλεν ἐξ ἐφόδου, πρὸς δὲ τὴν πόλιν παραγενηθεὶς εἰς δύο μέρη διεῖλε τὴν δύναμιν: περιστρατοπεδεύσας δ' αὐτὴν καὶ τὰς μηχανὰς ἐπιστήσας μετὰ πάσης σπουδῆς τὰς προσβολὰς ἐποιεῖτο. [7] ἐξ μὲν γὰρ πύργους ὑπερβάλλοντας τοῖς μεγέθεσιν ἐπέστησε, τοὺς ἴσους δὲ κριοὺς κατασεσιδηρωμένους προσήρρισε τοῖς τείχεσι: χωρὶς δὲ τούτων τοῖς τοξόταις καὶ σφενδονήταις πολλοῖς χρώμενος ἀνέστελλε τοὺς ἐπὶ τῶν ἐπάλξεων μαχομένους. 55. οἱ δὲ Σελινούντιοι ἐκ πολλῶν ὄντες ἄπειροι πολιορκίας, καὶ Καρχηδονίοις ἐν τῷ πρὸς Γέλωνα πολέμῳ συνηγωνισμένοι μόνοι τῶν Σικελιωτῶν, οὐποτ' ἠλπίζον ὑπὸ τῶν εὐεργετηθέντων εἰς τοιοῦτους φόβους συγκλεισθήσεσθαι. [2] θεωροῦντες δὲ τὰ μεγέθη τῶν μηχανημάτων καὶ τὰ πλήθη τῶν πολεμίων, περιδεεῖς ἦσαν καὶ κατεπλήττοντο τὸ μέγεθος τοῦ περιεστῶτος κινδύνου. [3] οὐ μὴν κατὰ πᾶν γε τὴν σωτηρίαν ἀπεγίνωσκον, ἀλλὰ προσδοκῶντες συντόμως ἥξειν τοὺς Συρακοσίους καὶ τοὺς ἄλλους συμμάχους, πανδημεὶ τοὺς πολεμίους ἀπὸ τῶν τειχῶν ἡμύνοντο. [4] οἱ μὲν γὰρ ἀκμάζοντες ταῖς ἡλικίαις ἐν τοῖς ὅπλοις ὄντες διεκινδύνευον, οἱ δὲ πρεσβύτεροι περὶ τε τὰς παρασκευὰς ἦσαν καὶ περιπορευόμενοι τὸ τεῖχος ἐδέοντο τῶν νέων μὴ περιδεῖν αὐτοὺς ὑποχειρίους τοῖς πολεμίοις γινομένους: γυναῖκες δὲ καὶ παῖδες τὰς τε τροφὰς καὶ βέλη τοῖς ὑπὲρ τῆς πατρίδος ἀγωνιζόμενοι παρεκόμιζον, τὴν αἰδῶ καὶ τὴν ἐπὶ τῆς εἰρήνης αἰσχύνην παρ' οὐδὲν ἡγούμεναι. [5] τοσαύτη κατάπληξις καθειστήκει, ὥστε τὸ μέγεθος τῆς περιστάσεως δεῖσθαι καὶ τῆς παρὰ τῶν γυναικῶν βοηθείας. ὁ δ' Ἀννίβας ἐπαγγεिलाμένος τοῖς στρατιώταις εἰς διαρπαγὴν δώσειν τὴν πόλιν, τὰς τε μηχανὰς προσήρρισε καὶ τοῖς κρατίστοις στρατιώταις ἐκ διαδοχῆς προσέβαλλε τοῖς τείχεσιν. [6] ὁμοῦ δὲ αἱ τε σάλπιγγες τὸ πολεμικὸν ἐσήμαινον καὶ πρὸς ἓν παράγγελμα πᾶν ἐπηλάλαξε τὸ τῶν Καρχηδονίων στράτευμα, καὶ τῇ βίᾳ μὲν τῶν κριῶν ἐσαλεύετο τὰ τεῖχη, τῷ δ' ὕψει τῶν πύργων οἱ μαχόμενοι πολλοὺς τῶν Σελινουντίων ἀνῆρουν: [7] ἐν πολυχρονίᾳ γὰρ εἰρήνην γεγονότες καὶ τῶν τειχῶν οὐδ' ἦντινοῦν ἐπιμέλειαν πεποιημένοι ῥαδίως κατεπονοῦντο, τῶν ξυλίνων πύργων πολὺ τοῖς ὕψεσιν ὑπερεχόντων. πεσόντος δὲ τοῦ τείχους οἱ μὲν Καμπανοὶ σπεύδοντες ἐπιφανές τι πρᾶξαι, ταχέως εἰσέπεσον εἰς τὴν πόλιν. [8] τὸ μὲν οὖν πρῶτον κατεπλήξαντο τοὺς ὑποστάντας, ὀλίγους ὄντας: μετὰ δὲ ταῦτα πολλῶν συνδραμόντων ἐπὶ τὴν βοήθειαν ἐξεώσθησαν καὶ συχνοὺς ἑαυτῶν ἀπέβαλον: οὐπω γὰρ τελέως ἀνακεκαθαρμένου τοῦ τείχους βιασάμενοι καὶ κατὰ τὴν ἔφοδον εἰς δυσχωρίας ἐμπίπτοντες ῥαδίως ἠλαττοῦντο. νυκτὸς δ' ἐπιγενομένης οἱ μὲν Καρχηδόνιοι τὴν πολιορκίαν ἔλυσαν. 56. οἱ δὲ Σελινούντιοι τῶν ἱππέων τοὺς κρατίστους ἐπιλέξαντες διὰ νυκτὸς εὐθέως ἀπέστειλαν τοὺς μὲν εἰς Ἀκράγαντα, τοὺς δ' εἰς Γέλαν καὶ Συρακοῦσας, δεόμενοι τὴν ταχίστην βοηθεῖν, ὥς οὐ δυναμένης πλείω χρόνον τῆς πόλεως ὑποστῆναι τῶν πολεμίων τὴν δύναμιν. [2] οἱ μὲν οὖν Ἀκραγαντῖνοι καὶ Γελῶοι περιέμενον τοὺς Συρακοσίους, βουλόμενοι τὴν δύναμιν ἀθρόαν ἄγειν ἐπὶ τοὺς Καρχηδονίους: οἱ δὲ Συρακόσιοι πυθόμενοι τὰ περὶ τὴν πολιορκίαν, πρὸς μὲν Χαλκιδεῖς πόλεμον ἔχοντες διελύσαντο, τὰς δ'

ἀπὸ τῆς χώρας δυνάμεις ἀθροίζοντες, μεγάλην ποιούμενοι παρασκευὴν ἐχρόνιζον, νομίζοντες ἐκπολιορκηθήσεσθαι τὴν πόλιν, ἀλλ' οὐκ ἀναρπασθήσεσθαι. [3] Ἀννίβας δὲ τῆς νυκτὸς διελθούσης ἅμα ἡμέρα πανταχόθεν μὲν προσέβαλε, τὸ δὲ κατὰ τὴν πόλιν πεπτωκὸς μέρος τοῦ τείχους καὶ τὸ συνάπτον τούτῳ κατέβαλε ταῖς μηχαναῖς. [4] ἀνακαθάρας δὲ τὸν πεσόντα τόπον τοῦ τείχους, καὶ τοῖς κρατίστοις ἐκ διαδοχῆς ἀγωνιζόμενος, ἐπ' ὀλίγον ἐξέωσε τοὺς Σελινουντίους· οὐ μὴν γε βιάσασθαι δυνατόν ἦν τοὺς ὑπὲρ τῶν ὅλων διαγωνιζομένους. [5] πολλῶν δ' ἀναιρουμένων παρ' ἀμφοτέροις, τοῖς μὲν Καρχηδονίοις νεαλεῖς διεδέχοντο τὴν μάχην, τοῖς δὲ Σελινουντίοις οὐκ ἦν τὸ βοηθῆσον. τῆς δὲ πολιορκίας ἐφ' ἡμέρας ἑννέα γενομένης μετὰ φιλοτιμίας ἀνυπερβλήτου, πολλὰ συνέβη τοὺς Καρχηδονίους κακοπαθεῖν καὶ δρᾶσαι δεινά. [6] κατὰ δὲ τὸ πεπτωκὸς τεῖχος ἀναβάντων τῶν Ἰβήρων, αἱ μὲν ἐπὶ τῶν οἰκιῶν οὔσαι γυναῖκες ἀνεβόησαν, οἱ δὲ Σελινούντιοι νομίζοντες ἀλίσκεσθαι τὴν πόλιν κατεπλάγησαν, καὶ τὰ τεῖχη λιπόντες κατὰ τὰς εἰσβολὰς τῶν στενωπῶν ἀθρόοι συνίσταντο, καὶ τὰς μὲν ὁδοὺς διοικοδομεῖν ἐνεχείρισαν, τοὺς δὲ πολεμίους ἐπὶ πολὺν χρόνον ἡμύνοντο. [7] βιαζομένων δὲ τῶν Καρχηδονίων, τὰ πλήθη τῶν γυναικῶν καὶ παίδων ἔφευγον ἐπὶ τὰς οἰκίας, καὶ τοὺς τε λίθους καὶ τὰς κεραμίδας ἔβαλλον ἐπὶ τοὺς πολεμίους. ἐπὶ πολὺν δὲ χρόνον οἱ Καρχηδόνιοι κακῶς ἀπῆλλαττον, οὔτε περιστῆναι δυνάμενοι τοὺς ἐν τοῖς στενωποῖς διὰ τοὺς τῶν οἰκιῶν τοίχους, οὔτ' ἐπ' ἴσης διαγωνίσασθαι διὰ τοὺς ἀπὸ τῶν στεγῶν βάλλοντας. [8] οὐ μὴν ἀλλὰ τοῦ κινδύνου μέχρι δέιλης παρεκτείνοντος, τοῖς μὲν ἀπὸ τῶν οἰκιῶν ἀγωνιζομένοις ἐνέλιπε τὰ βέλη, τοῖς δὲ Καρχηδονίοις οἱ διαδεχόμενοι τοὺς κακοπαθοῦντας ἀκέραιοι διηγωνίζοντο. τέλος δὲ τῆς μὲν ἔνδον δυνάμεως ἀφαίρεσιν λαμβανούσης, τῶν δὲ πολεμίων ἀεὶ πλειόνων εἰς τὴν πόλιν ἐμπιπτόντων, ἐξέωσθησαν ἐκ τῶν στενωπῶν οἱ Σελινούντιοι. 57. διὸ καὶ τῆς πόλεως καταλαμβανομένης παρὰ μὲν τοῖς Ἑλλήσιν ἦν ὁδυρμοὺς καὶ δάκρυα θεωρεῖν, παρὰ δὲ τοῖς βαρβάροις ἀλαλαγμὸς ἦν καὶ βοή σύμμικτος· οἱ μὲν γὰρ τὸ μέγεθος τῆς περιεστώσης συμφορᾶς ἐν ὀφθαλμοῖς ἔχοντες περιδεεῖς ἦσαν, οἱ δὲ τοῖς εὐημερήμασιν ἐπηρμένοι σφάττειν παρεκελεύοντο. [2] εἰς δὲ τὴν ἀγορὰν συνδραμόντων τῶν Σελινουντίων, οὔτοι μὲν ἐνταῦθα μαχόμενοι πάντες ἀνῆρέθησαν· οἱ δὲ βάρβαροι σκεδασθέντες καθ' ὅλην τὴν πόλιν τὴν μὲν ἐν ταῖς οἰκίαις εὐδαιμονίαν συνήρπασαν, τῶν δὲ ἐγκαταληφθέντων σωμάτων ἃ μὲν ταῖς οἰκίαις συγκατέκαιον, τῶν δ' εἰς τὰς ὁδοὺς βιαζομένων οὐ διακρίνοντες οὔτε φύσιν οὔθ' ἡλικίαν, ἀλλ' ὁμοίως παῖδας νηπίους, γυναῖκας, πρεσβύτας ἐφόνευσαν, οὐδεμίαν συμπάθειαν λαμβάνοντες. [3] ἡκρωτηρίαζον δὲ καὶ τοὺς νεκροὺς κατὰ τὸ πάτριον ἔθος, καὶ τινὲς μὲν χεῖρας ἀθρόας περιέφερον τοῖς σώμασι, τινὲς δὲ κεφαλὰς ἐπὶ τῶν γαῖσων καὶ τῶν σανιῶν ἀναπεύροντες ἔφερον. ὅσας δὲ τῶν γυναικῶν μετὰ τέκνων εἰς τοὺς ναοὺς συμπεφευγίας κατελάμβανον, παρεκελεύοντο μὴ φονεῦειν, καὶ ταύταις μόναις πίστιν ἔδωσαν. [4] τοῦτο δ' ἔπραξαν οὐ τοὺς ἀκληροῦντας ἐλεοῦντες, ἀλλ' εὐλαβούμενοι, μήποτε τὴν σωτηρίαν αἱ γυναῖκες ἀπογνοῦσαι κατακαύσωσι τοὺς ναοὺς, καὶ μὴ δυνηθῶσι συλῆσαι τὴν ἐν αὐτοῖς καθιερωμένην πολυτέλειαν. [5] τοσοῦτο γὰρ ὠμότητι διέφερον οἱ βάρβαροι

τῶν ἄλλων, ὥστε τῶν λοιπῶν ἔνεκα τοῦ μηδὲν ἀσεβεῖν εἰς τὸ δαιμόνιον διασωζόντων τοὺς εἰς τὰ ἱερὰ καταπεφευγότας Καρχηδόνιοι τοὺναντίον ἀπέσχοντο τῶν πολεμίων, ὅπως τοὺς τῶν θεῶν ναοὺς σιλήσειαν. [6] ἤδη δὲ νυκτὸς οὔσης ἡ μὲν πόλις διήρπαστο, τῶν δ' οἰκῶν αἱ μὲν κατεκαύθησαν, αἱ δὲ κατεσκάφησαν, πᾶς δ' ἦν τόπος αἵματος καὶ νεκρῶν πλήρης. ἑξακισχίλια μὲν πρὸς τοῖς μυρίοις εὐρέθη σώματα πεπτωκότα, καὶ χωρὶς αἰχμάλωτα συνήχθη πλείω τῶν πεντακισχιλίων: 58. θεωροῦντες δὲ τὴν τοῦ βίου μεταβολὴν οἱ τοῖς Καρχηδονίοις Ἑλλήνες συμμαχοῦντες ἠλέουν τὴν τῶν ἀκληρούντων τύχην. αἱ μὲν γυναῖκες ἐστερημέναι τῆς συνήθους τροφῆς ἐν πολεμίων ὕβρει διενυκτέρευον, ὑπομένουσαι δεινὰς ταλαιπωρίας: ὧν ἓναι θυγατέρας ἐπιγάμους ὄραν ἠναγκάζοντο πασχούσας οὐκ οἰκεῖα τῆς ἡλικίας. [2] ἡ γὰρ βαρβάρων ὠμότης οὔτε παίδων ἐλευθέρων οὔτε παρθένων φειδομένη δεινὰς τοῖς ἡτυχηκόσι παρίστα συμφοράς. διόπερ αἱ γυναῖκες ἀναλογιζόμεναι μὲν τὴν ἐν τῇ Λιβύῃ μέλλουσαν αὐταῖς ἔσσεσθαι δουλείαν, θεωροῦσαι δ' αὐτὰς ἅμα τοῖς τέκνοις ἐν ἀτιμίᾳ καὶ προπηλακισμῷ δεσποτῶν ἀναγκαζόμενας ὑπακούειν, τούτους δ' ὀρῶσαι ἀσύνετον μὲν τὴν φωνήν, θηριώδη δὲ τὸν τρόπον ἔχοντας, τὰ μὲν ζῶντα τῶν τέκνων ἐπένθουν, καὶ καθ' ἕκαστον τῶν εἰς ταῦτα παρανομημάτων οἶονεῖ νυγμοὺς εἰς τὴν ψυχὴν λαμβάνουσαι περιπαθεῖς ἐγίνοντο καὶ πολλὰ τὴν ἐαυτῶν τύχην κατωδύροντο: τοὺς δὲ πατέρας, ἔτι δὲ ἀδελφούς, οἱ διαγωνιζόμενοι περὶ τῆς πατρίδος ἐτετελευτήκεισαν, ἐμακάριζον, οὐθὲν ἀνάξιον ἐωρακότας τῆς ἰδίας ἀρετῆς. [3] οἱ δὲ τὴν αἰχμαλωσίαν διαφυγόντες Σελινούντιοι, τὸν ἀριθμὸν ὄντες ἑξακόσιοι πρὸς τοῖς δισχιλίοις, διεσώθησαν εἰς Ἀκράγαντα καὶ πάντων ἔτυχον τῶν φιλανθρώπων: οἱ γὰρ Ἀκραγαντῖνοι σιτομετρήσαντες αὐτοῖς δημοσίᾳ διέδωκαν κατὰ τὰς οἰκίας, παρακελευσάμενοι τοῖς ἰδιώταις καὶ αὐτοῖς προθύμοις οὔσι χορηγεῖν τὰ πρὸς τὸ ζῆν ἅπαντα. 59.

ἅμα δὲ τούτοις πραττομένοις εἰς τὸν Ἀκράγαντα κατήντησαν στρατιῶται τρισχίλιοι παρὰ Συρακοσίων ἐπίλεκτοι, προαπεσταλμένοι κατὰ σπουδὴν ἐπὶ τὴν βοήθειαν. πυθόμενοι δὲ τὴν πόλιν ἡλωκυῖαν, πρέσβεις ἀπέστειλαν, παρακαλοῦντες τὸν Ἀννίβαν τοὺς τε αἰχμαλώτους ἀπολυτρώσαι καὶ τῶν θεῶν τοὺς ναοὺς εἶσαι. [2] ὁ δ' Ἀννίβας ἀπεκρίθη, τοὺς μὲν Σελινουντίους μὴ δυναμένους τηρεῖν τὴν ἐλευθερίαν πεῖραν τῆς δουλείας λήψεσθαι, τοὺς δὲ θεοὺς ἐκτὸς Σελινούντος οἷχεσθαι προσκόψαντας τοῖς ἐνοικοῦσιν. [3] ὁμως δὲ τῶν πεφευγόντων Ἐμπεδίωνα πρεσβευτὴν ἀποστείλάντων, τούτῳ μὲν ὁ Ἀννίβας τὰς οὐσίας ἀποκατέστησεν: αἶε γὰρ τὰ Καρχηδονίων ἦν πεφρονηκὼς καὶ πρὸ τῆς πολιορκίας τοῖς πολίταις συμβεβουλευκὼς μὴ πολεμεῖν Καρχηδονίους: ἐχαρίσατο δ' αὐτῷ τοὺς συγγενεῖς τοὺς ὄντας ἐν τοῖς αἰχμαλώτοις, καὶ τοῖς ἐκπεφευγόσι Σελινουντίοις ἔδωκεν ἐξουσίαν τὴν πόλιν οἰκεῖν καὶ τὴν χώραν γεωργεῖν τελοῦντας φόρον τοῖς Καρχηδονίοις. [4]

αὕτη μὲν οὖν ἡ πόλις ἀπὸ τῆς κτίσεως οἰκηθεῖσα χρόνον ἐτῶν διακοσίων τεσσαράκοντα δύο ἐάλω. ὁ δὲ Ἀννίβας περιελὼν τὰ τεῖχη τῆς Σελινούντος ἀνέξευξε μετὰ πάσης τῆς δυνάμεως ἐπὶ τὴν Ἱμέραν, ἐπιθυμῶν μάλιστα ταύτην κατασκάψαι τὴν πόλιν. [5] διὰ ταύτην γὰρ ὁ μὲν πατὴρ αὐτοῦ φυγὰς ἦν, ὁ δὲ προπάτωρ Ἀμίλκας πρὸς ταύτην καταστρατηγηθεὶς ὑπὸ Γέλωνος ἀνῆρέθη, καὶ

μετ' αὐτοῦ πεντεκαίδεκα μυριάδες στρατιωτῶν ἀνηρέθησαν, ἄλλαι δὲ οὐκ ἐλάττους τούτων ἠχμαλωτίσθησαν. [6] ὑπὲρ ὧν σπεύδων τιμωρίαν λαβεῖν Ἀννίβας τέτρασι μυριάσιν οὐκ ἄπωθεν τῆς πόλεως ἐπὶ τινων λόφων κατεστρατοπέδευσε, τῇ δ' ἄλλῃ δυνάμει πάσῃ περιεστρατοπέδευσε τὴν πόλιν, προσγενομένων ἄλλων παρὰ τε Σικελῶν καὶ Σικανῶν δισμυρίων στρατιωτῶν. [7] στήσας δὲ μηχανὰς τὸ τεῖχος κατὰ πλείονας τόπους ἐσάλευε, καὶ πολλῶ πληθεὶ διαγωνιζόμενος ἐκ διαδοχῆς κατεπόνει τοὺς πολιορκουμένους, ἅτε καὶ τῶν στρατιωτῶν ἐπληρμένων ταῖς εὐτυχίαις. [8] ὑπώρυττε δὲ καὶ τὰ τεῖχη, καὶ ξύλοις ὑπῆριδεν, ὧν ἐμπρησθέντων ταχὺ πολὺ μέρος τοῦ τεύχους ἔπесεν. ἔνθα δὴ συνέβαινε καρτερωτάτην μάχην γίνεσθαι, τῶν μὲν βιαζομένων ἐντὸς τοῦ τεύχους παρεισπεσεῖν, τῶν δὲ φοβουμένων μὴ ταῦτά πάθωσι τοῖς Σελινουντίοις. [9] διὸ καὶ τὸν ἔσχατον ἀγῶνα τιθεμένων αὐτῶν ὑπὲρ τέκνων καὶ γονέων καὶ τῆς περιμαχίτου πᾶσι πατρίδος, ἐξέωσθησαν οἱ βάρβαροι, καὶ ταχὺ τὸ μέρος τοῦ τεύχους ἀνφοκοδόμησαν. παρεγενήθησαν δ' αὐτοῖς εἰς τὴν βοήθειαν οἱ τ' ἐξ Ἀκράγαντος Συρακόσιοι καὶ τινες τῶν ἄλλων συμμάχων, οἱ πάντες εἰς τετρακισχίλιους, ὧν Διοκλῆς ὁ Συρακόσιος εἶχε τὴν ἡγεμονίαν. 60.

τότε μὲν οὖν νυκτὸς ἀφελομένης τὴν ἐπὶ τὸ πλεον φιλονεικίαν ἔλυσαν τὴν πολιορκίαν: ἅμα δ' ἡμέρα τοῖς Ἱμεραίοις ἔδοξε μὴ περιορᾶν αὐτοὺς συγκεκλεισμένους ἀγεννῶς, καθάπερ τοὺς Σελινουντίους, ἐπὶ δὲ τῶν τειχῶν φύλακας κατέταπτον, τοὺς δ' ἄλλους στρατιώτας δὺν τοῖς παραγεγονόσι συμμάχοις ἐξήγαγον, ὄντας περὶ μυρίου. [2] ἀπροσδοκίτως δὲ τοῖς πολεμίοις ἀπαντήσαντες εἰς ἔκπληξιν ἤγαγον τοὺς βαρβάρους, νομίζοντας ἦκειν τοὺς συμμάχους τοῖς πολιορκουμένοις. πολὺ δὲ ταῖς τόλμαις ὑπερέχοντες καὶ ταῖς εὐχειρίαις, καὶ τὸ μέγιστον, μιᾶς ἐλπίδος εἰς σωτηρίαν ὑποκειμένης, εἰ τῇ μάχῃ κρατήσειαν, εὐθὺ τοὺς πρώτους ὑποστάντας ἀνείλον. [3] τοῦ δὲ πλήθους τῶν βαρβάρων συντρέχοντος ἐν ἀταξία πολλῇ διὰ τὸ μηδέποτ' ἂν ἐλπίσαι τοὺς συγκεκλεισμένους τηλικαῦτα τολμήσειν, οὐ μετρίως ἡλαττοῦντο: εἰς ἓνα γὰρ τόπον ὁκτὼ μυριάδων συνδραμουσῶν ἀτάκτως συνέβαινε τοὺς βαρβάρους ἀλλήλοις ἐμπίπτειν καὶ πλείονα πάσχειν ὑφ' ἐαυτῶν ἢ περὶ ὑπὸ τῶν πολεμίων. [4] οἱ δ' Ἱμεραῖοι θεατὰς ἔχοντες ἀπὸ τῶν τειχῶν γονεῖς καὶ παῖδας, ἔτι δὲ τοὺς οἰκείους ἅπαντας, ἀφειδῶς ἐχρῶντο τοῖς ἰδίους σώμασιν εἰς τὴν κοινὴν σωτηρίαν. [5] λαμπρῶς δ' αὐτῶν ἀγωνιζομένων οἱ βάρβαροι τάς τε τόλμας καὶ τὸ παράδοξον καταπλαγέντες πρὸς φυγὴν ἐτράπησαν. τούτων δ' οὐδενὶ κόσμῳ φευγόντων πρὸς τοὺς ἐπὶ τῶν λόφων στρατοπεδεύοντας, ἐπηκολούθουν ἀλλήλοις παρακελευόμενοι μηδένα ζωρεῖν, καὶ πλείους ἀνείλον τῶν ἐξακισχιλίων, ὥς Τίμαιος, ὥς δ' Ἐφορός φησι, δισμυρίων. [6] ὁ δ' Ἀννίβας ὁρῶν τοὺς ἰδίους καταπονουμένους, κατεβίβασε τοὺς ἐπὶ τῶν λόφων κατεστρατοπεδευκότας, καὶ παραβοηθήσας τοῖς ἐλαττουμένοις κατέλαβε τοὺς Ἱμεραίους ἐν οὐδεμιᾷ τάξει τὸν διωγμὸν ποιουμένους. [7] γενομένης δὲ μάχης καρτερᾶς, τὸ μὲν πλῆθος τῶν Ἱμεραίων πρὸς φυγὴν ὥρμησε, τρισχίλιοι δ' αὐτῶν ὑποστάντες τὴν τῶν Καρχηδονίων δύναμιν, καὶ πολλὰ δράσαντες, ἅπαντες ἀνηρέθησαν. 61.

τῆς δὲ μάχης ταύτης ἤδη τέλος ἐχούσης κατέπλευσαν πρὸς τὴν Ἱμέραν πέντε πρὸς ταῖς εἴκοσι τριῆρεις παρὰ τῶν Σικελιωτῶν, ἃς πρότερον μὲν

ἀπεστάλκεισαν τοῖς Λακεδαιμονίοις ἐπὶ συμμαχίαν, τότε δ' ἀνέστρεψαν ἀπὸ τῆς στρατείας. [2] διεδόθη δὲ καὶ φήμη τις κατὰ τὴν πόλιν, ὅτι Συρακόσιοι μὲν πανδημεὶ μετὰ τῶν συμμάχων πορεύονται τοῖς Ἱμεραίοις βοηθεῖν, Ἀννίβας δὲ μέλλοι τὰς ἐν Μοτύῃ τριήρεις πληροῦν τῶν κρατίστων ἀνδρῶν καὶ περιπλεύσας ἐπὶ Συρακούσας ἔρημον τὴν πόλιν τῶν ἀμυνομένων καταλαβέσθαι. [3] διόπερ Διοκλῆς ὁ τῶν ἐν Ἱμέρᾳ στρατηγὸς συνεβούλευσε τοῖς ναυάρχοις τὴν ταχίστην ἐκπλεῖν εἰς Συρακούσας, ἵνα μὴ συμβῇ κατὰ κράτος ἀλῶναι τὴν πόλιν, ἀπόντων ἐν τῇ μάχῃ τῶν κρατίστων ἀνδρῶν. [4] διόπερ ἐφαίνετο συμφέρειν αὐτοῖς ἐκλιπεῖν τὴν πόλιν καὶ τοὺς μὲν ἡμίσεις εἰς τὰς τριήρεις ἐμβιβάσαι — ταύτας γὰρ κατακομιεῖν αὐτούς, μέχρι ἂν ἐκτὸς τῆς Ἱμεραίας γένωνται χώρας —, τοῖς δ' ἡμίσεσι τηρεῖν, ἕως ἂν πάλιν αἱ τριήρεις ἐπιστρέψωσιν. [5] τῶν δ' Ἱμεραίων σχετλιαζόντων μὲν ἐπὶ τοῖς λεγομένοις, οὐκ ἔχοντων δὲ ὁ πράξειαν ἕτερον, αἱ μὲν τριήρεις νυκτὸς ἐπληροῦντο κατὰ σπουδὴν ἀναμιξ γυναικῶν τε καὶ παίδων, ἔτι δὲ τῶν ἄλλων σωμάτων, ἐπὶ τούτων ἀποπλεόντων ὡς ἐπὶ Μεσσήνῃν· [6] Διοκλῆς δὲ τοὺς ἰδίους στρατιώτας ἀναλαβὼν καὶ τοὺς πεσόντας ἐν τῇ μάχῃ καταλιπὼν, ὥρμησεν ἐπ' οἴκου τὴν πορείαν ποιούμενος. πολλοὶ δὲ τῶν Ἱμεραίων μετὰ τέκνων καὶ γυναικῶν ἐξώρμησαν σὺν τοῖς περὶ τὸν Διοκλῆν, μὴ δυναμένων χωρῆσαι τῶν τριήρων τὸν ὄχλον. 62.

οἱ δ' ἐν τῇ πόλει καταλειφθέντες διενυκτέρευον μὲν ἐν τοῖς ὅπλοις ἐπὶ τῶν τειχῶν· ἅμα δ' ἡμέρᾳ τῶν Καρχηδονίων περιστρατοπεδευσάντων τὴν πόλιν καὶ πυκνὰς προσβολὰς ποιουμένων, οἱ καταλειφθέντες τῶν Ἱμεραίων ἀφειδῶς ἡγωνίζοντο, προσδοκῶντες τὴν τῶν νεῶν παρουσίαν. [2] ἐκείνην μὲν οὖν τὴν ἡμέραν διεκαρτέρησαν, τῇ δ' ὑστεραίᾳ τῶν τριήρων ἐπιφαινομένων ἤδη συνέβαινε τὸ μὲν τεῖχος πεσεῖν ὑπὸ τῶν μηχανῶν, τοὺς δ' Ἰβήρας ἀθρόους παρεισπεσεῖν εἰς τὴν πόλιν. τῶν δὲ βαρβάρων οἱ μὲν ἡμύνοντο τοὺς παραβοηθοῦντας τῶν Ἱμεραίων, οἱ δὲ καταλαμβανόμενοι τὰ τεῖχη παρεδέχοντο τοὺς ἰδίους. [3] κατὰ κράτος οὖν ἀλούσης τῆς πόλεως, ἐπὶ πολὺν χρόνον οἱ βάρβαροι πάντας ἐφόνευσον τοὺς καταλαμβανομένους ἀσυμπαθῶς. τοῦ δ' Ἀννίβα ζωογεῖν παραγγείλαντος ὁ μὲν φόνος ἔληξεν, ἡ δ' ἐκ τῶν οἰκιῶν εὐδαιμονία διεφορεῖτο. [4] ὁ δ' Ἀννίβας τὰ μὲν ἱερὰ συλήσας καὶ τοὺς καταφυγόντας ἰκέτας ἀποσπάσας ἐνέπρησε, καὶ τὴν πόλιν εἰς ἔδαφος κατέσκαψεν, οἰκισθεῖσαν ἔτη διακόσια τεσσαράκοντα· τῶν δ' αἰχμαλώτων γυναικας καὶ παῖδας διαδοὺς εἰς τὸ στρατόπεδον παρεφύλαττε, τῶν δ' ἀνδρῶν τοὺς ἀλόντας εἰς τρισχίλιους ὄντας παρήγαγεν ἐπὶ τὸν τόπον, ἐν ᾧ πρότερον Ἀμίλκας ὁ πάππος αὐτοῦ ὑπὸ Γέλωνος ἀνηρέθη, καὶ πάντας αἰκισάμενος κατέσφαξεν. [5] μετὰ δὲ ταῦτα διαλύσας τὸ στρατόπεδον, τοὺς μὲν ἀπὸ Σικελίας συμμάχους ἀπέστειλεν εἰς τὰς πατρίδας, μεθ' ὧν καὶ Καμπανοὶ συνηκολούθησαν, ἐγκαλοῦντες τοῖς Καρχηδονίοις ὡς αἰτιώτατοι μὲν τῶν εὐημερημάτων γεγενημένοι, οὐκ ἄξιας δὲ χάριτας εἰληφότες τῶν πεπραγμένων· [6] ὁ δ' Ἀννίβας εἰς τὰς μακρὰς ναῦς καὶ φορτηγοὺς ἐμβιβάσας τὴν δύναμιν, καὶ τοὺς ἱκανοὺς τοῖς συμμάχοις ἀπολιπὼν στρατιώτας, ἐξέπλευσεν ἐκ τῆς Σικελίας. ἐπεὶ δ' εἰς Καρχηδόνα κατέπλευσε μετὰ πολλῶν λαφύρων, ἀπήντων αὐτῷ πάντες δεξιούμενοι καὶ τιμῶντες ὡς ἐν ὀλίγῳ χρόνῳ

μείζονα πράξαντα τῶν πρότερον στρατηγῶν. 63.

εἰς δὲ τὴν Σικελίαν κατέπλευσεν Ἑρμοκράτης ὁ Συρακόσιος. οὗτος δ' ἐν μὲν τῷ πρὸς Ἀθηναίους πολέμῳ στρατηγήσας καὶ πολλὰ τῇ πατρίδι χρήσιμος γενόμενος πλεῖστον ἴσχυσε παρὰ τοῖς Συρακοσίοις, μετὰ δὲ ταῦτα ναύαρχος πεμφθεὶς σὺν τριάκοντα πέντε τριήρεσι Λακεδαιμονίοις συμμαχήσων ὑπὸ τῶν ἀντιπολιτευομένων κατεστασιάσθη, καὶ φυγῆς μὲν ἐγενήθη κατάδικος, τὸν δὲ στόλον παρέδωκεν ἐν Πελοποννήσῳ τοῖς ἐπὶ τὴν διαδοχὴν ἀποσταλεῖσιν. [2] αὐτὸς δ' ἐκ τῆς στρατείας φιλίαν ἔχων πρὸς Φαρνάβαζον τὸν τῶν Περσῶν σατράπην ἔλαβε παρ' αὐτοῦ πολλὰ χρήματα, μεθ' ὧν εἰς Μεσσήνην καταπλεύσας πέντε μὲν ἐναυπήγησε τριήρεις, χιλίους δ' ἐμισθώσατο στρατιώτας. [3] παραλαβὼν δὲ καὶ τῶν ἐκπεπτωκότων Ἱμεραίων ὥς χιλίους, ἐπεχείρησε μὲν εἰς Συρακούσας κατελθεῖν συναγωνιζομένων αὐτῷ τῶν φίλων, ἀποτυχὼν δὲ τῆς ἐπιβολῆς ὥρμησε διὰ τῆς μεσογείου, καὶ καταλαβόμενος τὸν Σελινουῦντα τῆς πόλεως μέρος ἐτείχισε καὶ πανταχόθεν κατεκάλει τοὺς διασωζομένους τῶν Σελινουντίων. [4] πολλοὺς δὲ καὶ ἄλλους ὑποδεχόμενος εἰς τὸν τόπον συνήγαγε δύναμιν ἐπιλέκτων ἀνδρῶν ἐξακισχιλίων. ἐντεῦθεν δ' ὁρμώμενος πρῶτον μὲν τὴν τῶν Μοτυηνῶν ἐπόρθησε χώραν, καὶ τοὺς ἐπεξελθόντας ἐκ τῆς πόλεως μάχῃ κρατήσας πολλοὺς μὲν ἀνέειλε, τοὺς δ' ἄλλους συνεδίωξεν ἐντὸς τοῦ τείχους. μετὰ δὲ ταῦτα τὴν τῶν Πανορμιτῶν χώραν λεηλατήσας ἀναριθμήτου λείας ἐκυρίευσε, τῶν δὲ Πανορμιτῶν πανδημεὶ παραταξαμένων πρὸ τῆς πόλεως εἰς πεντακοσίους μὲν αὐτῶν ἀνέειλε, τοὺς δ' ἄλλους συνέκλεισεν ἐντὸς τῶν τειχῶν. [5] παραπλησίως δὲ καὶ τὴν ἄλλην χώραν ἅπασαν τὴν ὑπὸ Καρχηδονίους οὔσαν πορθῶν ἐπαίνου παρὰ τοῖς Σικελιώταις ἐτύγχανεν. εὐθὺ δὲ καὶ τῶν Συρακοσίων οἱ πλεῖστοι μετεμελήθησαν, ἀναξίως τῆς ἰδίας ἀρετῆς ὁρῶντες πεφυγαδευμένον τὸν Ἑρμοκράτην. [6] διὸ καὶ περὶ αὐτοῦ πολλῶν λόγων γινομένων ἐν ταῖς ἐκκλησίαις, ὁ μὲν δῆμος φανερός ἦν βουλόμενος καταδέχεσθαι τὸν ἄνδρα, ὁ δ' Ἑρμοκράτης ἀκούων τὴν περὶ αὐτοῦ φήμην ἐν ταῖς Συρακούσαις παρεσκευάζετο πρὸς τὴν αὐτοῦ κάθοδον ἐπιμελῶς, εἰδὼς τοὺς ἀντιπολιτευομένους ἀντιπράξοντας. καὶ τὰ μὲν κατὰ Σικελίαν ἐν τούτοις ἦν. 64.

κατὰ δὲ τὴν Ἑλλάδα Θρασύβουλος πεμφθεὶς παρ' Ἀθηναίων μετὰ νεῶν τριάκοντα καὶ πολλῶν ὀπλιτῶν σὺν ἱππεῦσιν ἑκατὸν κατέπλευσεν εἰς τὴν Ἐφεσον· ἐκβιβάσας δὲ τὴν δύναμιν κατὰ δύο τόπους προσβολὰς ἐποιήσατο. τῶν δ' ἔνδον ἐπεξελθόντων καρτερὰν συνέβη μάχην συστήναι· πανδημεὶ δὲ τῶν Ἐφεσίων ἀγωνισαμένων τετρακόσιοι μὲν τῶν Ἀθηναίων ἔπεσον, τοὺς δ' ἄλλους ὁ Θρασύβουλος ἀναλαβὼν εἰς τὰς ναῦς ἐξέπλευσεν εἰς Λέσβον. [2] οἱ δὲ περὶ Κύζικον ὄντες τῶν Ἀθηναίων στρατηγοὶ πλεύσαντες ἐπὶ Χαλκηδόνα, Χρυσόπολιν ὥκισαν φρούριον καὶ τὴν ἱκανὴν αὐτῷ κατέλιπον δύναμιν· τοῖς δ' ἐπὶ τούτων κατασταθεῖσι προσέταξαν δεκάτην πράττεσθαι τοὺς ἐκ τοῦ Πόντου πλέοντας. [3] μετὰ δὲ ταῦτα διελομένων αὐτῶν τὰς δυνάμεις, Θηραμένης μὲν μετὰ πεντήκοντα νεῶν κατελείφθη πολιορκήσων Χαλκηδόνα καὶ Βυζάντιον, Θρασύβουλος δὲ περὶ Θράκην πεμφθεὶς τὰς ἐν τούτοις τοῖς τόποις πόλεις προσηγάγετο. [4] Ἀλκιβιάδης δὲ τὸν Θρασύβουλον μετὰ τῶν

τριάκοντα νεῶν ἀπολύσας ἔπλευσεν εἰς τὴν ὑπὸ Φαρνάβαζον χώραν, καὶ κοινῇ πολλὴν αὐτῆς πορθήσαντες τοὺς τε στρατιώτας ἐνέπλησαν ὠφελείας καὶ αὐτοὶ χρήματα συνήγαγον ἐκ τῶν λαφύρων, βουλόμενοι κουφίσαι τὸν δῆμον τῶν εἰσφορῶν. [5] Λακεδαιμόνιοι δὲ πυνθανόμενοι περὶ τὸν Ἑλλήσποντον ὑπάρχειν ἀπάσας τὰς τῶν Ἀθηναίων δυνάμεις, ἐστράτευσαν ἐπὶ Πύλον, ἣν Μεσσήνιοι φρουρᾷ κατεῖχον, κατὰ μὲν θάλατταν ἑνδεκα ναυσίν, ὧν ἦσαν αἱ μὲν ἀπὸ Σικελίας πέντε, ἕξ δὲ ἐκ τῶν πολιτῶν πεπληρωμένοι: πεζῇ δὲ παρήγαγον ἰκανὴν δύναμιν, καὶ περιστρατοπεδεύσαντες τὸ φρούριον ἐπόρθουν ἅμα καὶ κατὰ γῆν καὶ κατὰ θάλατταν. [6] ἃ δὲ πυνθόμενος ὁ τῶν Ἀθηναίων δῆμος ἐξαπέστειλε τοῖς πολιορκουμένοις εἰς βοήθειαν ναῦς τριάκοντα καὶ στρατηγὸν Ἄνυτον τὸν Ἀνθεμίωνος. οὗτος μὲν οὖν ἐκπλεύσας, καὶ διὰ τινος χειμῶνας οὐ δυνηθεὶς τὸν Μαλέαν κάμψαι, ἀνέπλευσεν εἰς Ἀθήνας. ἐφ' οἷς ὁ μὲν δῆμος ὀργισθεὶς, καὶ κατατιασάμενος αὐτοῦ προδοσίαν, μετέστησεν εἰς κρίσιν: ὁ δ' Ἄνυτος ἰσχυρῶς κινδυνεύων ἐρρύσατο χρήμασι τὴν ἰδίαν ψυχὴν, καὶ πρῶτος Ἀθηναίων δοκεῖ δικαστήριον δωροδοκῆσαι. [7] οἱ δ' ἐν τῇ Πύλῳ Μεσσήνιοι μέχρι μὲν τινος ἀντεῖχον, προσδοκῶντες παρὰ τῶν Ἀθηναίων βοήθειαν: ὥς δ' οἱ μὲν πολέμιοι τὰς προσβολὰς ἐκ διαδοχῆς ἐποιοῦντο, τῶν δὲ ἰδίων οἱ μὲν ἐκ τῶν τραυμάτων ἀπέθνησκον, οἱ δ' ἐκ τῆς σιτοδείας κακῶς ἀπὴλλαντον, ὑπόσπονδοι τὸν τόπον ἐξέλιπον. Λακεδαιμόνιοι μὲν οὖν ἐγκρατεῖς ἐγένοντο τῆς Πύλου, πεντεκαίδεκα ἔτη τῶν Ἀθηναίων αὐτὴν κατεσχηκότων, ἀφ' οὗτου Δημοσθένης αὐτὴν ἐτείχισεν. 65.

τούτων δὲ πραττομένων Μεγαρεῖς μὲν Νίσαιαν ὑπ' Ἀθηναίους οὔσαν εἶλον, Ἀθηναῖοι δ' ἐπ' αὐτοὺς ἀπέστειλαν Λεωτροφίδην καὶ Τίμαρχον μετὰ μὲν πεζῶν χιλίων, ἱππέων δὲ τετρακοσίων. οἷς οἱ Μεγαρεῖς ἀπαντήσαντες μετὰ τῶν ὅπλων πανδημεῖ καὶ παραλαβόντες τινὰς τῶν ἐκ Σικελίας, παρετάξαντο πρὸς τοῖς λόφοις τοῖς Κέρασι καλουμένοις: [2] τῶν δ' Ἀθηναίων λαμπρῶς ἀγωνισαμένων, καὶ πολλαπλασίους ὄντας τοὺς πολεμίους τρεψαμένων, Μεγαρέων ἔπεσον μὲν πολλοί, τῶν δὲ Λακεδαιμονίων εἴκοσι μόνον: οἱ γὰρ Ἀθηναῖοι βαρέως φέροντες ἐπὶ τῷ τὴν Νίσαιαν κατειληφθαι τοὺς μὲν Λακεδαιμονίους οὐκ ἐδίωξαν, πρὸς δὲ τοὺς Μεγαρεῖς χαλεπῶς διακείμενοι παμπληθεῖς ἀνεῖλον. [3] Λακεδαιμόνιοι δὲ Κρατησιππίδαν ἐλόμενοι ναύαρχον, καὶ παρὰ τῶν συμμάχων ναὺς αὐτῶν πληρώσαντες εἴκοσι πέντε, προσέταξαν παραβοηθεῖν τοῖς συμμάχοις. οὗτος δὲ χρόνον μὲν τινα περὶ τὴν Ἰωνίαν διέτριπεν οὐθὲν ἄξιον λόγου πράξας: μετὰ δὲ ταῦτα παρὰ τῶν ἐκ Χίου φυγάδων λαβὼν χρήματα κατήγαγεν αὐτοὺς καὶ τὴν ἀκρόπολιν τῶν Χίων κατελάβετο. [4] οἱ δὲ κατελθόντες τῶν Χίων τοὺς ἀντιπολιτευομένους αὐτοῖς καὶ τῆς ἐκπτώσεως αἰτίους ὄντας εἰς ἑξακοσίους τὸν ἀριθμὸν ὄντας ἐφυγάδευσαν. οὗτοι δὲ τῆς ἀντιπέραν ἡπείρου χωρίον Ἀταρνέα καλούμενον κατελάβοντο, σφόδρα τῇ φύσει καθεστηκὸς ὄχυρόν, καὶ τὸ λοιπὸν ἐκ τούτου τὰς ἀφορμὰς ἔχοντες ἐπολέμουν τοῖς Χίων ἔχουσιν. 66.

τούτων δὲ πραττομένων Ἀλκιβιάδης καὶ Θρασύβουλος Λάμψακον τειχίσαντες, ἐν μὲν ταύτῃ τὴν ἱκανὴν φυλακὴν κατέλιπον, αὐτοὶ δὲ μετὰ τῆς δυνάμεως ἐξέπλευσαν πρὸς Θηραμένην, ὃς ἐπὶ ὁρθεὶ τὴν Χαλκηδὸνα ναὺς μὲν ἔχων ἑβδομήκοντα, στρατιώτας δὲ πεντακισχιλίους, ἀθροισθεῖσών δὲ τῶν δυνάμεων εἰς ἓνα τόπον ἀπετείχισαν τὴν πόλιν ἀπὸ θαλάττης εἰς θάλατταν ξυλίνῳ τείχει. [2] ὁ δ' ἐν τῇ πόλει καθεσταμένος ὑπὸ Λακεδαιμονίων Ἴπποκράτης ἡγεμὼν, ὃν οἱ Λάκωνες ἀρμοστὴν ἐκάλουν, τοὺς τ' ἰδίους στρατιώτας προσήγαγε καὶ τοὺς Χαλκηδονίους ἅπαντας. γενομένης δὲ καρτερᾶς μάχης, καὶ τῶν περὶ τὸν Ἀλκιβιάδην ἐρρωμένως ἀγωνισαμένων, ὃ τε Ἴπποκράτης ἔπεσε καὶ τῶν λοιπῶν οἱ μὲν ἀνηρέθησαν, οἱ δὲ κατατρωθέντες συνέφυγον εἰς τὴν πόλιν. [3] μετὰ δὲ ταῦτα Ἀλκιβιάδης μὲν εἰς Ἑλλήσποντον καὶ Χερρόνησον ἐξέπλευσε, βουλόμενος ἀθροῖσαι χρήματα, οἱ δὲ περὶ τὸν Θηραμένην ὁμολογίαν ἐποιήσαντο πρὸς Χαλκηδονίους φόρον λαμβάνειν παρ' αὐτῶν ὅσον καὶ πρότερον. ἐντεῦθεν δὲ τὰς δυνάμεις ἀπαγαγόντες πρὸς Βυζάντιον ἐπολιόρκουν τὴν πόλιν καὶ μετὰ πολλῆς σπουδῆς ἀποτείχιζεν ἐπεχείρησαν. [4] Ἀλκιβιάδης δὲ ἀθροίσας χρήματα πολλοὺς αὐτῷ τῶν Θρακῶν ἔπεισε συστρατεῦσαι, παρέλαβε δὲ καὶ τοὺς Χερρόνησον οἰκοῦντας πανδημεῖ, καὶ μετὰ πάσης τῆς δυνάμεως ἀναζεύξας πρῶτον μὲν Σηλυβρίαν διὰ προδοσίας εἶλεν, ἐξ ἧς πολλὰ χρήματα πραξάμενος ἐν μὲν ταύτῃ φρουρὰν κατέλιπεν, αὐτὸς δὲ διὰ τάχους ἦκε πρὸς τοὺς περὶ Θηραμένην εἰς Βυζάντιον. [5] ἀθροισθεῖσών δὲ τῶν δυνάμεων, οὗτοι μὲν τὰ πρὸς πολιορκίαν ἡτοιμάζοντο: ἤμελλον γὰρ νικήσκειν πόλιν βάρος ἔχουσαν καὶ γέμουσαν τῶν ὑπὲρ αὐτῆς ἀμυνομένων: χωρὶς γὰρ τῶν Βυζαντίων, πολλῶν ὄντων, Κλέαρχος ὁ Λακεδαιμόνιος ἀρμοστὴς εἶχε πολλοὺς ἐν τῇ πόλει τῶν Πελοποννησίων καὶ μισθοφόρους. [6] μέχρι μὲν οὖν

τινος προσβολᾶς ποιούμενοι, κακὸν οὐδὲν ἀξιόλογον δρῶντες τοὺς ἔνδον διετέλουν· ἐπεὶ δ' ὁ τῆς πόλεως ἐπιστάτης ἀπῆλθε πρὸς Φαρνάβαζον, ὅπως λάβῃ χρήματα, τινικαὐτὰ τινες τῶν Βυζαντίων, μισοῦντες τὸ βάρος τῆς ἐπιστασίας — ἦν γὰρ ὁ Κλέαρχος χαλεπός — , προῦδωκαν τὴν πόλιν τοῖς περὶ τὸν Ἀλκιβιάδην. 67. οὗτοι δὲ ὡς λύσοντες τὴν πολιορκίαν καὶ τὰς δυνάμεις ἀπάξοντες εἰς Ἰωνίαν δειλῆς ταῖς ναυσὶ πάσαις ἐξέπλευσαν, καὶ τὸ πεζὸν στράτευμα μέχρι τινὸς ἀπαγαγόντες, ὡς ἐπέλαβεν ἡ νύξ, πάλιν ὑπέστρεψαν καὶ περὶ μέσας νύκτας προσέμιζαν τῇ πόλει, καὶ τὰς μὲν τριήρεις ἀπέστειλαν προσταζάντες ἀφέλκειν τὰ πλοῖα καὶ κραυγὴν ποιεῖν, ὡς ἀπάσης ἐκεῖ τῆς δυνάμεως οὔσης, αὐτοὶ δὲ μετὰ τοῦ πεζοῦ στρατεύματος πρὸς τοῖς τείχεσιν ἐτήρουν τὸ συντεταγμένον παρὰ τῶν ἐνδιδόντων σύσσημον. [2] τῶν δ' ἐν ταῖς τριήρεσι ποιησάντων τὸ προσταχθέν, καὶ τῶν πλοίων τὰ μὲν συντριβόντων ταῖς ἐμβολαῖς, τὰ δ' ἀποσπᾶν πειρωμένων ταῖς σιδηραῖς χερσίν, ἔτι δὲ βοῆν ἐξαίσιον ποιούντων, οἱ μὲν κατὰ τὴν πόλιν ὄντες Πελοποννήσιοι καὶ πάντες οἱ τὴν ἀπάτην ἀγνοοῦντες ἐξεβοήθουν ἐπὶ τοὺς λιμένας. [3] διόπερ οἱ τὴν πόλιν προδιδόντες ἦσαν τὸ σύσσημον ἀπὸ τοῦ τείχους, καὶ παρεδέχοντο τοὺς περὶ τὸν Ἀλκιβιάδην διὰ τῶν κλιμάκων κατὰ πολλὴν ἀσφάλειαν, ὡς ἂν τοῦ πλήθους ἐπὶ τὸν λιμένα συνδεδραμηκότος. [4] οἱ δὲ Πελοποννήσιοι πυθόμενοι τὸ γεγονός, τὸ μὲν πρῶτον τοὺς ἡμίσεις ἐπὶ τοῦ λιμένος ἀπέλιπον, τοῖς δὲ λοιποῖς κατὰ σπουδὴν ἐξεβοήθουν ἐπὶ τὰ κατειλημμένα τείχη. [5] ἤδη δὲ σχεδὸν πάσης τῆς δυνάμεως τῶν Ἀθηναίων παρεισπεπτωκυίας, ὅμως οὐ κατεπλάγησαν, ἀλλὰ πολὺν χρόνον ἀντιστάντες εὐρώστως τοὺς Ἀθηναίους ἡμύνοντο συναγωνιζομένων τῶν Βυζαντίων. καὶ πέρας οὐκ ἂν ἐκράτησαν Ἀθηναῖοι τῆς πόλεως διὰ μάχης, εἰ μὴ συννοήσας τὸν καιρὸν Ἀλκιβιάδης ἐκήρυξε μηδὲν ἀδίκημα ποιεῖν τοῖς Βυζαντίοις· οὕτω γὰρ οἱ πολιτικοὶ μεταβαλλόμενοι τοὺς Πελοποννησίους ἡμύνοντο. [6] ὅθεν οἱ πλεῖστοι μὲν αὐτῶν ἀνηρέθησαν εὐγενῶς ἀγωνισάμενοι, οἱ δὲ περιλειφθέντες εἰς πεντακοσίους κατέφυγον πρὸς τοὺς ἐν τοῖς ἱεροῖς βωμοῦς. [7] οἱ δ' Ἀθηναῖοι τοῖς μὲν Βυζαντίοις ἀπέδωκαν τὴν πόλιν, συμμάχους αὐτοὺς ποιησάμενοι, πρὸς δὲ τοὺς ἐπὶ τοῖς βωμοῖς ὄντας ἰκέτας ὁμολογίας ἔθεντο, τὰ μὲν ὅπλα παραλαβεῖν, τὰ δὲ σώματα εἰς Ἀθήνας κομίσαντες ἐπιτρέψαι τῷ δήμῳ περὶ αὐτῶν. 68.

τοῦ δ' ἔτους διελθόντος Ἀθηναῖοι μὲν Εὐκτῆμονι παρέδωκαν τὴν ἀρχήν, Ῥωμαῖοι δ' ὑπάτους κατέστησαν Μάρκον Παπίριον καὶ Σπόριον Ναύτιον, Ὀλυμπιάς δ' ἐγένετο τρίτη πρὸς ταῖς ἐνενήκοντα, καθ' ἣν ἐνίκα στάδιον Εὐβατος Κυρηναῖος. περὶ δὲ τούτους τοὺς χρόνους οἱ τῶν Ἀθηναίων στρατηγοὶ Βυζαντίου κυριεύσαντες ἐπῆλθον τὸν Ἑλλήσποντον, καὶ τὰς ἐν αὐτῷ πόλεις πλὴν Ἀβύδου πάσας εἶλον. [2] μετὰ δὲ ταῦτα Διόδωρον καὶ Μαντίθειον ἐπιμελητάς μετὰ τῆς ἱκανῆς δυνάμεως κατέλιπον, αὐτοὶ δὲ μετὰ τῶν νεῶν καὶ τῶν λαφύρων ἔπλεον εἰς Ἀθήνας, πολλὰ καὶ μεγάλα κατειργασμένοι τῇ πατρίδι. ὡς δ' ἐγγὺς ἦσαν, ὁ δῆμος ἅπας ἀπῆντα περιχαρῆς ἐπὶ τοῖς εὐημερήμασι· συνέδραμον δ' εἰς τὸν Πειραιέα πολλοὶ καὶ τῶν ξένων, ἔτι δὲ παίδων καὶ γυναικῶν. [3] εἶχε γὰρ πολλὴν κατάπληξιν τῶν στρατηγῶν ὁ κατάπλους· ἦγον γὰρ τῶν ἡλωκυῶν νεῶν οὐκ ἐλάττους διακοσίων,

αἰχμαλώτων δὲ ἀνδρῶν καὶ λαφύρων πλῆθος· εἶχον δὲ τὰς ἰδίας τριῆρεις ὅπλοις ἐπιχρύσοις καὶ στεφάνοις, ἔτι δὲ λαφύροις καὶ τοῖς ἄλλοις ἅπασιν ἐπιμελῶς κεκοσμημένας. πλεῖστοι δ' ἐπὶ τὴν Ἀλκιβιάδου θέαν συνέδραμον ἐπὶ τοὺς λιμένας, ὥστε παντελῶς ἐρημωθῆναι τὴν πόλιν, συμφιλοτιμουμένων τοῖς ἐλευθέροις τῶν δούλων. [4] κατ' ἐκείνους γὰρ τοὺς χρόνους οὕτω συνέβη θαυμασθῆναι τὸν ἄνδρα τοῦτον, ὥσθ' οἱ μὲν ὑπερέχοντες τῶν Ἀθηναίων μόγις ἐνόμιζον εὐρηκέναι δυνατόν ἄνδρα τὸν φανερώς καὶ θρασέως ἀντιτάξασθαι τῷ δήμῳ δυνάμενον, οἱ δ' ἄποροι ὑπειλήφεισαν συναγωνιστὴν ἕξιν ἄριστον τὸν ἀπονενομημένως συνταράζοντα τὴν πόλιν καὶ τὴν ἑαυτῶν ἐπανορθώσοντα πενίαν. [5] θράσει γὰρ πολὺ διέφερε τῶν ἄλλων, καὶ δεινότητος ἦν εἰπεῖν, καὶ κατὰ μὲν τὴν στρατηγίαν ἄριστος, κατὰ δὲ τὴν τόλμαν πρακτικώτατος· ἦν δὲ καὶ τὴν ὄψιν καθ' ὑπερβολὴν εὐπρεπὴς καὶ τὴν ψυχὴν λαμπρὸς καὶ μεγαλεπίβολος. [6] καθόλου δὲ τηλικαύτην ὑπόληψιν εἶχον ὑπὲρ αὐτοῦ σχεδὸν ἅπαντες, ὥσθ' ἅμα τῇ κείνου καθόδῳ καὶ τὴν τῶν πραγμάτων εὐτυχίαν εἰς τὴν πόλιν ἦκειν διελάμβανον. πρὸς δὲ τούτοις, ὥσπερ Λακεδαιμόνιοι τούτου συναγωνιζομένου προετέρουν, οὕτως ἑαυτοὺς πάλιν κατορθώσιν ἡλπίζον σύμμαχον ἔχοντες τὸν ἄνδρα τοῦτον. 69.

ἐπεὶ δ' οὖν κατέπλευσεν ὁ στόλος, ἐπέστρεψε τὸ πλῆθος ἐπὶ τὴν Ἀλκιβιάδου ναῦν, ἐξ ἧς ἐκβάντα τὸν ἄνδρα πάντες ἐδεξιοῦντο, τοῖς εὐημερήμασιν ἅμα καὶ τῇ καθόδῳ συγχαίροντες. ὁ δ' ἀσπασάμενος τὰ πλήθη φιланθρώπως ἐκκλησίαν συνήγαγε, καὶ πολλὰ τῶν καθ' ἑαυτὸν ἀπολογησάμενος εἰς τοσαύτην εὐνοίαν τοὺς ὄχλους ἤγαγεν, ὥστε ὁμολογεῖν πάντας τὴν πόλιν αἰτίαν γεγονέναι τῶν κατ' ἐκείνου ψηφισμάτων. [2] διόπερ αὐτῷ τὴν τε οὐσίαν ἀπέδωκαν ἣν ἐδήμευσαν, ἔπειτα δὲ τὰς στήλας κατεπόντισαν, ἐν αἷς ἦν ἡ καταδίκη καὶ τᾶλλα τὰ κατ' ἐκείνου κυρωθέντα· ἐψηφίσαντο δὲ καὶ τοὺς Εὐμολπίδας ἄραι τὴν ἀράν, ἣν ἐποιήσαντο κατ' αὐτοῦ καθ' ὃν καιρὸν ἔδοξεν ἀσεβεῖν περὶ τὰ μυστήρια. [3] τὸ δὲ τελευταῖον αὐτὸν στρατηγὸν καταστήσαντες αὐτοκράτορα καὶ κατὰ γῆν καὶ κατὰ θάλατταν, ἀπάσας τὰς δυνάμεις ἐνεχείρισαν αὐτῷ. εἵλαντο δὲ καὶ στρατηγούς ἐτέρους οὓς ἐκεῖνος ἠθέλεν, Ἀδείμαντον καὶ Θρασύβουλον. [4]

ὁ δ' Ἀλκιβιάδης ἑκατὸν ναῦς πληρώσας ἐξέπλευσεν εἰς Ἄνδρον, καὶ καταλαβόμενος Γαύριον φρούριον ἐτείχισεν. ἐξελλθόντων δὲ τῶν Ἀνδρίων πανδημεὶ μετὰ τῶν παραφυλαττόντων τὴν πόλιν Πελοποννησίων ἐγενήθη μάχη, καθ' ἣν ἐνίκησαν Ἀθηναῖοι· τῶν δ' ἐκ τῆς πόλεως πολλοὶ μὲν ἀνῆρέθησαν, τῶν δὲ διασωθέντων οἱ μὲν κατὰ τὴν χώραν διεσκεδάσθησαν, οἱ δ' ἐντὸς τῶν τειχῶν συνέφυγον. [5] αὐτὸς δ' Ἀλκιβιάδης προσβολὰς ποιησάμενος τῇ πόλει, ἐν μὲν τῷ πεφρουρημένῳ τείχει τὴν ἱκανὴν φυλακὴν κατέλιπε καὶ Θρασύβουλον ἡγεμόνα κατέστησεν, αὐτὸς δὲ μετὰ τῆς δυνάμεως ἐκπλεύσας τὴν τε Κῶν καὶ Ῥόδον ἐδήλωσε, καὶ συχνὰς ὠφελείας ἤθροισε πρὸς τὰς τῶν στρατιωτῶν διατροφάς. 70.

Λακεδαιμόνιοι δὲ τὴν τε ναυτικὴν δύναμιν ἄρδην ἀπολωλεκότες καὶ μετ' αὐτῆς Μίνδαρον τὸν ἡγεμόνα, ταῖς ψυχαῖς ὅμως οὐκ ἐνέδωκαν, ἀλλὰ ναύαρχον εἵλαντο Λύσανδρον, δοκοῦντα στρατηγία διαφέρειν τῶν ἄλλων καὶ τόλμαν ἔμπρακτον ἔχοντα πρὸς πᾶσαν περίστασιν· ὃς παραλαβὼν τὴν ἀρχὴν

ἐκ τῆς Πελοποννήσου στρατιώτας τε κατέγραφε τοὺς ἱκανοὺς καὶ ναῦς ἐπλήρωσεν ὅσας ἐδύνατο πλείστας. [2] ἐκπλεύσας δὲ εἰς Ῥόδον, καὶ προσλαβόμενος ἐκεῖθεν ναῦς ὅσας εἶχον αἱ πόλεις, ἐπλευσεν εἰς Ἐφεσον καὶ Μίλητον. καταρτίσας δὲ καὶ τὰς ἐν ταύταις ταῖς πόλεσι τριήρεις, μετεπέμψατο τὰς ἐκ Χίου, καὶ στόλον ἐξήρτυεν ἐξ Ἐφέσου νεῶν ὑπάρχοντα σχεδὸν ἑβδομήκοντα. [3] ἀκούσας δὲ Κῦρον τὸν Δαρείου τοῦ βασιλέως υἱὸν ὑπὸ τοῦ πατρὸς ἀπεσταλμένον συμπολεμεῖν τοῖς Λακεδαιμονίοις, ἦκεν εἰς Σάρδεις πρὸς αὐτόν, καὶ παροξύνας τὸν νεανίσκον εἰς τὸν κατὰ τῶν Ἀθηναίων πόλεμον μυρίους μὲν δαρεικοὺς παραχρῆμα ἔλαβεν εἰς τὸν τῶν στρατιωτῶν μισθόν, καὶ εἰς τὸ λοιπὸν δὲ ὁ Κῦρος ἐκέλευσεν αἰτεῖν μηδὲν ὑποστελλόμενον: ἐντολὰς γὰρ ἔχειν παρὰ τοῦ πατρός, ὅπως ὅσα ἂν προαιρῶνται Λακεδαιμόνιοι χορηγήσαι αὐτοῖς. [4] ἀνακάμψας δὲ εἰς Ἐφεσον ἀπὸ τῶν πόλεων μετεπέμπετο τοὺς δυνατωτάτους, πρὸς οὓς ἐταιρίας συντιθέμενος ἐπηγγέλλετο τῶν πραγμάτων κατορθωθέντων κυρίους ἐκάστους τῶν πόλεων ποιῆσειν. δι' ἣν αἰτίαν συνέβη τούτους πρὸς ἀλλήλους ἀμιλλωμένους ὑπηρετεῖν πλείονα τῶν ἐπιταττομένων, καὶ ταχὺ παραδόξως εὐπορεῖν τὸν Λύσανδρον πάντων τῶν εἰς πόλεμον χρησίμων. 71.

Ἀλκιβιάδης δὲ πυθόμενος ἐν Ἐφέσῳ τὸν Λύσανδρον ἐξαρτύειν τὸν στόλον, ἀνήχθη μετὰ πασῶν τῶν νεῶν εἰς Ἐφεσον. ἐπιπλεύσας δὲ τοῖς λιμέσιν, ὥς οὐδεὶς ἀντανήγετο, τὰς μὲν πολλὰς ναῦς καθώρμισε περὶ τὸ Νότιον, τὴν ἡγεμονίαν αὐτῶν παραδοὺς Ἀντίοχῳ τῷ ἰδίῳ κυβερνήτῃ, διακελευσάμενος αὐτῷ μὴ ναυμαχεῖν, ἕως ἂν αὐτὸς παραγένηται, τὰς δὲ στρατιώτιδας ναῦς ἀνέλαβε καὶ κατὰ σπουδὴν ἐπλευσεν εἰς Κλαζομενάς: αὕτη γὰρ ἡ πόλις σύμμαχος Ἀθηναίων οὕσα κακῶς ἔπασχεν ὑπὸ τινων φυγάδων πορθουμένη. [2] ὁ δ' Ἀντίοχος ὢν τῇ φύσει πρόχειρος, καὶ σπεύδων δι' ἑαυτοῦ τι πρᾶξαι λαμπρόν, τῶν μὲν Ἀλκιβιάδου λόγων ἡμέλησε, δέκα δὲ ναῦς τὰς ἀρίστας πληρώσας, καὶ τὰς ἄλλας τοῖς τριηράρχοις παραγγεῖλας ἐτοίμας ἔχειν, ἂν ἡ χρεία ναυμαχεῖν, ἐπέπλευσε τοῖς πολεμίοις, προκαλεσόμενος εἰς ναυμαχίαν. [3] ὁ δὲ Λύσανδρος πεπυσμένος παρὰ τινων αὐτομόλων τὴν ἄφοδον Ἀλκιβιάδου καὶ τῶν ἀρίστων μετ' αὐτοῦ στρατιωτῶν, καιρὸν εἶναι διέλαβε πρᾶξαι τι τῆς Σπάρτης ἄξιον. διόπερ πάσαις ταῖς ναυσὶν ἀνταναχθεῖς μίαν μὲν τὴν προπλεύσαν τῶν δέκα, καθ' ἣν Ἀντίοχος ἦν ἀντιτεταγμένος, κατέδυσε, τὰς δ' ἄλλας τρεψάμενος ἐδίωξε, μέχρις οὗ τὰς ἄλλας πληρώσαντες οἱ τριηράρχοι τῶν Ἀθηναίων παρεβόηθησαν ἐν οὐδεμιᾷ τάξει. [4] γενομένης δὲ ναυμαχίας ἄθρόαις ταῖς ναυσὶν οὐ μακρὰν τῆς γῆς, Ἀθηναῖοι διὰ τὴν ἀταξίαν ἡλαττώθησαν καὶ ναῦς ἀπέβαλον δύο πρὸς ταῖς εἴκοσι: τῶν δ' ἐν αὐταῖς ἀνδρῶν ὀλίγοι μὲν ἐξωγήθησαν, οἱ δὲ λοιποὶ πρὸς τὴν γῆν διενήξαντο. Ἀλκιβιάδης δὲ πυθόμενος τὸ γεγενημένον διὰ σπουδῆς ἀνέκαμψεν εἰς τὸ Νότιον, καὶ πάσας τὰς τριήρεις πληρώσας ἐπέπλευσε τοῖς λιμέσι τῶν πολεμίων: οὐ τολμώντος δ' ἀνταναχθῆναι τοῦ Λυσάνδρου τὸν πλοῦν εἰς Σάμον ἐποιήσατο. 72. τούτων δὲ πραττομένων Θρασύβουλος ὁ τῶν Ἀθηναίων στρατηγὸς μετὰ νεῶν πεντεκαίδεκα πλεύσας ἐπὶ Θάσον ἐνίκησε μάχῃ τοὺς ἐκ τῆς πόλεως καὶ περὶ διακοσίους αὐτῶν ἀνέλκεν: ἐγκλείσας δ' αὐτοὺς εἰς πολιορκίαν ἠνάγκασε τοὺς φυγάδας τοὺς τὰ τῶν Ἀθηναίων

φρονούντας καταδέχεσθαι, καὶ φρουρὰν λαβόντας συμμάχους Ἀθηναίων εἶναι. [2] μετὰ δὲ ταῦτα πλεύσας εἰς Ἄβδηρα προσηγάγετο πόλιν ἐν ταῖς δυνατωτάταις οὖσαν τότε τῶν ἐπὶ Θράκης.

οἱ μὲν οὖν στρατηγοὶ τῶν Ἀθηναίων ταῦτα ἔπραξαν μετὰ τὸν οἶκοθεν ἔκπλουν. [3] Ἄγις δ' ὁ τῶν Λακεδαιμονίων βασιλεὺς ἔτυχε μὲν ἐν τῇ Δεκελείᾳ διατρίβων μετὰ τῆς δυνάμεως, πυνθανόμενος δὲ τοὺς κρατίστους τῶν Ἀθηναίων μετ' Ἀλκιβιάδου στρατευομένους, νυκτὸς ἀσελήνου τὸ στρατόπεδον ἤγαγεν ἐπὶ τὰς Ἀθήνας. [4] εἶχε δὲ πεζοὺς δισμυρίους ὀκτακισχιλίους, ὧν ἦσαν οἱ μὲν ἡμίσεις ὀπλίται κατ' ἐκλογὴν, οἱ δ' ἡμίσεις ψιλοὶ· κατηκολούθουν δ' αὐτῷ καὶ τῶν ἱππέων εἰς χιλίους διακοσίους, ὧν ἐννακοσίους μὲν Βοιωτοὶ παρείχοντο, τοὺς δὲ λοιποὺς Πελοποννήσιοι συνεξέπεμψαν. ὥς δ' ἐγγὺς ἐγενήθη τῆς πόλεως, ἔλαθε ταῖς προφυλακαῖς ἐγγίσας, καὶ ῥαδίως αὐτοὺς τρεψάμενος διὰ τὸ παράδοξον, ὀλίγους μὲν ἀνείλε, τοὺς δ' ἄλλους συνεδίωξεν ἐντὸς τῶν τειχῶν. [5] οἱ δ' Ἀθηναῖοι μαθόντες τὸ γεγεννημένον, ἅπασι παρήγγειλαν τοῖς πρεσβυτέροις καὶ τοῖς μεγίστοις παισὶν ἀπαντᾶν μετὰ τῶν ὀπλῶν· ὧν ταχὺ τὸ προσταχθὲν ποιησάντων, ὁ μὲν κύκλος τοῦ τείχους πλήρης ἐγένετο τῶν ἐπὶ τὸν κοινὸν κίνδυνον συνδεδραμηκότων, [6] οἱ δὲ στρατηγοὶ τῶν Ἀθηναίων ἅμ' ἡμέρα θεωροῦντες ἐκτεταγμένην τὴν τῶν πολεμίων δύναμιν εἰς φάλαγγα τὸ μὲν βάθος εἰς τέτταρας ἄνδρας, τὸ δὲ μῆκος ἐπὶ σταδίους ὀκτώ, τότε πρῶτον κατεπλάγησαν, θεωροῦντες τὰ δύο μέρη σχεδὸν τοῦ τείχους ὑπὸ τῶν πολεμίων περιελημμένα. [7] μετὰ δὲ ταῦτα τοὺς ἱππεῖς ἐξαπέστειλαν, ὄντας παραπλησίους τὸν ἀριθμὸν τοῖς ἐναντίοις· ὧν πρὸ τῆς πόλεως συστησαμένων ἵππομαχίαν ἐπὶ τινα χρόνον ἐγένετο καρτερὰ μάχη. ἡ μὲν γὰρ φάλαγξ περὶ πέντε σταδίους ἀπέιχε τοῦ τείχους, οἱ δ' ἱππεῖς συμπλακέντες ἀλλήλοις πρὸς αὐτοῖς τοῖς τείχεσι διηγωνίζοντο. [8] οἱ μὲν οὖν Βοιωτοὶ καθ' αὐτοὺς προνενικηκότες ἐπὶ Δηλῷ τοὺς Ἀθηναίους, δεινὸν ἡγοῦντο τῶν ἡττημένων φανῆναι καταδεέστεροι· οἱ δ' Ἀθηναῖοι θεατὰς ἔχοντες τῆς ἀρετῆς τοὺς ἐπὶ τῶν τειχῶν ἐφεστῶτας καὶ κατὰ ἄνδρα γνωριζόμενοι, πᾶν ὑπέμενον ὑπὲρ τῆς νίκης. [9] τέλος δὲ βιασάμενοι τοὺς ἀντιτεταγμένους, συχνοὺς μὲν αὐτῶν ἀνείλον, τοὺς δ' ἄλλους κατεδίωξαν μέχρι τῆς τῶν πεζῶν φάλαγγος. μετὰ δὲ ταῦτα οὗτοι μὲν ἐπιπορευομένων τῶν πεζῶν ἀνεχώρησαν εἰς τὴν πόλιν, 73. Ἄγις δὲ τότε μὲν οὐ κρίνας πολιορκεῖν ἐν Ἀκαδημία κατεστρατοπέδευσε, τῇ δ' ὑστεραία τῶν Ἀθηναίων στησάντων τρόπαιον ἐξέταξε τὴν δύναμιν καὶ προεκαλεῖτο τοὺς ἐν τῇ πόλει περὶ τοῦ τροπαίου διαγωνίσασθαι. [2] τῶν δ' Ἀθηναίων ἐξαγαγόντων τοὺς στρατιώτας καὶ παρὰ τὸ τεῖχος παραταττομένων, τὸ μὲν πρῶτον οἱ Λακεδαιμόνιοι πρὸς μάχην ὥρμησαν, ἀπὸ δὲ τῶν τειχῶν πολλοῦ πλήθους βελῶν ἐπ' αὐτοὺς ῥιφέντος ἀπήγαγον τὴν δύναμιν ἀπὸ τῆς πόλεως· μετὰ δὲ ταῦτα τὸ λοιπὸν τῆς Ἀττικῆς δηώσαντες εἰς Πελοπόννησον ἀπηλλάγησαν. [3]

Ἀλκιβιάδης δὲ ἐκ Σάμου μετὰ πασῶν τῶν νεῶν πλεύσας εἰς Κύμην ψευδεῖς αἰτίας ἐπέρριψε τοῖς Κυμαίοις, βουλόμενος αὐτῶν μετὰ προφάσεως διαρπάσαι τὴν χώραν. καὶ τὸ μὲν πρῶτον πολλῶν αἰχμαλώτων σωμάτων κυριεύσας ἀπῆγεν ἐπὶ τὰς ναῦς· [4] ἐκβοηθησάντων δὲ τῶν ἐκ τῆς πόλεως

πανδημει καὶ προσπεσόντων ἀπροσδοκῆτως, χρόνον μὲν τινα διεκαρτέρουν οἱ περὶ τὸν Ἀλκιβιάδην, μετὰ δὲ ταῦτα τοῖς Κυμαίοις προσγενομένων πολλῶν τῶν ἐκ τῆς πόλεως καὶ τῆς χώρας ἠναγκάσθησαν καταλιπόντες τοὺς αἰχμαλώτους καταφυγεῖν ἐπὶ τὰς ναῦς. [5] ὁ δ' Ἀλκιβιάδης ἐπὶ τοῖς ἐλαττώμασι περιαλγῆς γενόμενος ἐκ Μιτυλήνης μετεπέμψατο τοὺς ὀπλίτας, καὶ πρὸ τῆς πόλεως ἐκτάξας τὴν δύναμιν προεκαλεῖτο τοὺς Κυμαίους εἰς μάχην· οὐδενὸς δ' ἐξιόντος δηώσας τὴν χώραν ἀπέπλευσεν ἐπὶ Μιτυλήνην. [6] Κυμαίων δὲ πεμψάντων εἰς Ἀθήνας πρεσβείαν καὶ κατηγορούντων Ἀλκιβιάδου, διότι σύμμαχον πόλιν οὐδὲν ἀδικήσασαν ἐπόρθησεν· ἐγίνοντο δὲ καὶ ἄλλαι πολλαὶ διαβολαὶ κατ' αὐτοῦ· τῶν γὰρ ἐν Σάμῳ τινὲς στρατιωτῶν ἄλλοτρίως τὰ πρὸς αὐτὸν ἔχοντες ἔπλευσαν εἰς Ἀθήνας, καὶ κατηγορήσαν ἐν ἐκκλησίᾳ κατ' Ἀλκιβιάδου, ὅτι τὰ Λακεδαιμονίων φρονεῖ καὶ πρὸς Φαρνάβαζον ἔχει φιλίαν, δι' ἧς ἐλπίζει καταλυθέντος τοῦ πολέμου καταδυναστεύσειν τῶν πολιτῶν. 74. ταχὺ δὲ τοῦ πλήθους πιστεῦοντος ταῖς διαβολαῖς, ἡ μὲν περὶ Ἀλκιβιάδην ἐθραύετο δόξα διὰ τὸ περὶ τὴν ναυμαχίαν ἐλάττωμα καὶ τὰ περὶ τὴν Κύμην ἡμαρτημένα, ὁ δὲ τῶν Ἀθηναίων δῆμος ὑφορώμενος τὴν τάνδρὸς τόλμαν δέκα στρατηγούς εἵλατο, Κόνωνα, Λυσίαν, Διομέδοντα, Περικλέα, πρὸς δὲ τούτοις Ἑρασινίδην, Ἀριστοκράτην, Ἀρχέστρατον, Πρωτόμαχον, Θρασύβουλον, Ἀριστογένην· ἐκ δὲ τούτων προκρίνας Κόνωνα ταχέως ἐξέπεμψε παρ' Ἀλκιβιάδου τὸ ναυτικὸν παραληψόμενον. [2] Ἀλκιβιάδης δὲ τῆς ἀρχῆς ἐκχωρήσας τῷ Κόνωνι καὶ τὰς δυνάμεις παραδούς, τὴν μὲν εἰς Ἀθήνας ἐπάνοδον ἀπέγνω, μετὰ δὲ τριήρους μῖα εἰς Πακτύην τῆς Θράκης ἀπεχώρησε· χωρὶς γὰρ τῆς τοῦ πλήθους ὀργῆς καὶ τὰς ἐπενηνεγμένας αὐτῷ δίκας εὐλαβεῖτο. [3] πολλοὶ γὰρ θεωροῦντες αὐτὸν κακῶς φερόμενον ἐπενηνόχρισαν ἐγκλήματα πολλὰ· μέγιστον δ' ἦν τὸ περὶ τῶν ἵππων, τετιμημένον ταλάντων ὀκτώ. Διομήδους γὰρ τινος τῶν φίλων συμπέμψαντος αὐτῷ τέθριππον εἰς Ὀλυμπίαν, ὁ Ἀλκιβιάδης κατὰ τὴν ἀπογραφὴν τὴν εἰωθυῖαν γίνεσθαι τοὺς ἵππους ἰδίους ἀπεγράψατο, καὶ νικήσας τὸ τέθριππον τὴν τ' ἐκ τῆς νίκης δόξαν αὐτὸς ἀπηνέγκατο καὶ τοὺς ἵππους οὐκ ἀπέδωκε τῷ πιστεύσαντι. [4] ταῦτα δὴ πάντα διανοοῦμενος ἐφοβεῖτο, μήποτε καιρὸν λαβόντες Ἀθηναῖοι τιμωρίαν ἐπιθῶσι περὶ πάντων ὧν εἰς αὐτοὺς ἐξήμαρτεν· αὐτὸς οὖν αὐτοῦ κατέγνω φυγὴν. 75.

προσετέθη δὲ καὶ συνωρίς κατὰ τὴν αὐτὴν Ὀλυμπιάδα, καὶ παρὰ Λακεδαιμονίοις Πλειστώναξ ὁ βασιλεὺς ἐτελεύτησεν ἄρξας ἔτη πεντήκοντα, διαδεξάμενος δὲ τὴν ἀρχὴν Πανσανίας ἥρξεν ἔτη τετταρακαίδεκα. οἱ δὲ τὴν Ῥόδον νῆσον κατοικοῦντες καὶ Ἱηλυσὸν καὶ Λίνδον καὶ Κάμειρον μετῴκισθησαν εἰς μίαν πόλιν τὴν νῦν καλουμένην Ῥόδον. [2] Ἑρμοκράτης δ' ὁ Συρακόσιος ἀναλαβὼν τοὺς μετ' αὐτοῦ στρατεύοντας ὥρμησεν ἐκ Σελινοῦντος, καὶ παραγενόμενος πρὸς τὴν Ἰμέραν κατεστρατοπέδευσεν ἐν τοῖς προαστείοις τῆς ἀνατετραμμένης πόλεως. διαπυθόμενος δ' ἐν ᾧ τόπῳ παρετάχθησαν οἱ Συρακόσιοι, τὰ τῶν τετελευτηκότων ὅσῃ συνήθροιζε, παρασκευάσας δ' ἀμάξας πολυτελῶς κεκοσμημένας, ἐπὶ τούτων παρεκόμισεν αὐτὰ ἐπὶ τὴν Συράκουσαν. [3] αὐτὸς μὲν οὖν ἐπὶ τῶν ὄρων κατέμεινε διὰ τὸ κωλύεσθαι τοὺς φυγάδας ὑπὸ τῶν νόμων συνιέναι, τῶν δὲ μετ' αὐτοῦ τινας

ἀπέστειλεν, οἱ τὰς ἀμάξας παρεκόμισαν εἰς τὰς Συρακούσας. [4] ὁ δ' Ἑρμοκράτης ταῦτα ἔπραττεν, ὅπως ὁ μὲν Διοκλῆς ἀντιπράττων αὐτῷ περὶ τῆς καθόδου, δοκῶν δ' αἴτιος εἶναι τοῦ περιεωραῖσθαι τοὺς τετελευτηκότας ἀτάφους, προσκόψαι τοῖς πλήθεσιν, αὐτοὺς δὲ φιланθρώπως τούτοις προσενεχθεῖς ἐπαγάγοι τὸ πλῆθος εἰς τὴν προτέραν εὐνοίαν. [5] τῶν οὖν ὁσῶν παρακομισθέντων ἐνέπεσεν εἰς τὰ πλήθη στάσις, τοῦ μὲν Διοκλέους κωλύοντος θάπτειν, τῶν δὲ πολλῶν συγκατατιθεμένων. τέλος δ' οἱ Συρακόσιοι ἔθαψάν τε τὰ λείψανα τῶν τετελευτηκότων καὶ πανδημεὶ τὴν ἐκφορὰν ἐτίμησαν. καὶ ὁ μὲν Διοκλῆς ἐφυγαδεύθη, τὸν δ' Ἑρμοκράτην οὐδ' ὥς προσεδέξαντο: ὑπώπτειον γὰρ τὴν τάνδρὸς τόλμαν, μήποτε τυχὼν ἡγεμονίας ἀναδείξῃ ἑαυτὸν τύραννον. [6] ὁ μὲν οὖν Ἑρμοκράτης τότε τὸν καιρὸν οὐχ ὀρῶν εὐθετον εἰς τὸ βιάσασθαι, πάλιν ἀνεχώρησεν εἰς Σελινοῦντα. μετὰ δέ τινα χρόνον τῶν φίλων αὐτὸν μεταπεμπομένων ὥρμησε μετὰ τρισχιλίων στρατιωτῶν, καὶ πορευθεὶς διὰ τῆς Γελώας ἦκε νυκτὸς ἐπὶ τὸν συντεταγμένον τόπον. [7] οὐ δυνηθέντων δὲ ἀπάντων ἀκολουθεῖν τῶν στρατιωτῶν, ὁ μὲν Ἑρμοκράτης μετ' ὀλίγων προσελθὼν τῷ κατὰ τὴν Ἀχραδινὴν πυλῶνι, καὶ τῶν φίλων τινὰς εὐρὼν προκατειλημμένους τοὺς τόπους, ἀνελάμβανε τοὺς ἀφυστεροῦντας: [8] οἱ δὲ Συρακόσιοι τὸ γεγεννημένον ἀκούσαντες σὺν τοῖς ὅπλοις ἦλθον εἰς τὴν ἀγοράν, καθ' ἣν μετὰ πολλοῦ πλῆθους ἐπιφανέντες τὸν τε Ἑρμοκράτην καὶ τῶν συμπραττόντων αὐτῷ τοὺς πλείστους ἀπέκτειναν. τοὺς δὲ ἀπὸ τῆς μάχης διασωθέντας μεθιστάντες εἰς κρίσιν φυγῇ κατεδίκαζον: [9] διόπερ τινὲς αὐτῶν πολλοῖς περιπεσόντες τραύμασιν ὡς τετελευτηκότες ὑπὸ τῶν συγγενῶν παρεδόθησαν, ὅπως μὴ τῇ τοῦ πλῆθους ὀργῇ παραδοθῶσιν, ὧν ἦν καὶ Διονύσιος ὁ μετὰ ταῦτα τῶν Συρακοσίων τυραννήσας. 76.

τῶν δὲ κατὰ τὸν ἐνιαυτὸν τοῦτον πράξεων τέλος ἔχουσῶν Ἀθήνησι μὲν Ἀντιγένης τὴν ἀρχὴν παρέλαβε, Ῥωμαῖοι δ' ὑπάτους κατέστησαν Γάιον Μάνιον Αἰμίλιον καὶ Γάιον Οὐαλέριον. περὶ δὲ τούτους τοὺς χρόνους Κόνων ὁ τῶν Ἀθηναίων στρατηγός, ἐπειδὴ παρέλαβε τὰς δυνάμεις ἐν Σάμῳ, τὰς τε παρούσας τῶν νεῶν ἐξηρτύετο καὶ τὰς παρὰ τῶν συμμάχων ἡθροίζε, σπεύδων ἐφάμιλλον κατασκευάσαι τὸν στόλον ταῖς τῶν πολεμίων ναυσίν. [2] οἱ δὲ Σπαρτιάται, τῷ Λυσάνδρῳ διεληλυθότος ἤδη τοῦ τῆς ναυαρχίας χρόνου, Καλλικρατίδην ἐπὶ τὴν διαδοχὴν ἀπέστειλαν. οὗτος δὲ νέος μὲν ἦν παντελῶς, ἄκακος δὲ καὶ τὴν ψυχὴν ἀπλοῦς, οὐπω τῶν ξενικῶν ἡθῶν πεπειραμένος, δικαιοτάτος δὲ Σπαρτιατῶν: ὁμολογουμένως δὲ καὶ κατὰ τὴν ἀρχὴν οὐδὲν ἔπραξεν ἄδικον οὔτ' εἰς πόλιν οὔτ' εἰς ιδιώτην, ἀλλὰ καὶ τοῖς ἐπιχειροῦσιν αὐτὸν διαφθεῖρειν χρήμασι χαλεπῶς ἔφερε καὶ δίκην παρ' αὐτῶν ἐλάμβανεν. [3] οὗτος καταπλεύσας εἰς Ἐφεσον παρέλαβε τὰς ναῦς, μεταπεμφάμενος δὲ καὶ τὰς παρὰ τῶν συμμάχων ναῦς τὰς πάσας σὺν ταῖς παρὰ Λυσάνδρου παρέλαβεν ἑκατὸν τεσσαράκοντα. ἐν δὲ τῇ Χίων χώρα Δελφίνιον κατεχόντων Ἀθηναίων, ἐπὶ τούτους ἔπλευσε μετὰ πασῶν τῶν νεῶν, καὶ πολιορκεῖν ἐπεχείρησεν. [4] οἱ δ' Ἀθηναῖοι περὶ πεντακοσίους ὄντες κατεπλάγησαν τὸ μέγεθος τῆς δυνάμεως, καὶ διεξελθόντες ἐξέλιπον τὸ χωρίον ὑπόσπονδοι. Καλλικρατίδας δὲ τὸ μὲν φρούριον παραλαβὼν κατέσκαψεν, ἐπὶ δὲ Τηίου

πλεύσας, καὶ νυκτὸς παρεισπεσὼν ἐντὸς τῶν τειχῶν, διήρπασε τὴν πόλιν. [5] μετὰ δὲ ταῦτα πλεύσας εἰς Λέσβον, τῇ Μηθύμνῃ προσέβαλε μετὰ τῆς δυνάμεως παρ' Ἀθηναίων ἐχούσῃ φρουράν. ποιησάμενος δὲ συνεχεῖς προσβολὰς ἐν ἀρχῇ μὲν οὐδὲν ἦνυε, μετ' ὀλίγον δὲ τινων ἐνδόντων αὐτῷ τὴν πόλιν παρεισέπεσεν ἐντὸς τῶν τειχῶν, καὶ τὰς μὲν κτήσεις διήρπασε, τῶν δ' ἀνδρῶν φεισάμενος ἀπέδωκε τοῖς Μηθυμναίοις τὴν πόλιν. [6] τούτων δὲ πραχθέντων ἐπὶ τὴν Μιτυλήνῃν ὥρμησε, καὶ τοὺς μὲν ὀπλίτας Θώρακι τῷ Λακεδαιμονίῳ παραδοὺς ἐκέλευσε πεζῇ κατὰ σπουδὴν ἐπείγεσθαι, ταῖς δὲ ναυσὶν αὐτὸς παρέπλευσεν. 77.

Κόνων δ' ὁ τῶν Ἀθηναίων στρατηγὸς εἶχε μὲν ἑβδομήκοντα ναῦς, οὕτως ἐξηρτυμένας τὰ πρὸς ναυμαχίαν ὥς οὐδεὶς ἕτερος τῶν πρότερον στρατηγῶν ἦν κατεσκευακώς. ἔτυχε μὲν οὖν ἀπάσαις ἀνηγμένος ἐπὶ τὴν βοήθειαν τῆς Μηθύμνης: [2] εὐρὼν δὲ αὐτὴν ἡλωκυῖαν τότε μὲν ἠύλισθη πρὸς τινι νήσῳ τῶν Ἑκατὸν καλουμένων, ἅμα δ' ἡμέρα κατανοήσας τὰς τῶν πολεμίων ναῦς προσπλευούσας, τὸ μὲν αὐτοῦ διανυμαχεῖν ἔκρινεν ἐπισφαλὲς εἶναι πρὸς διπλασίας τριήρεις, διενοεῖτο δὲ ἕξω πλέων φυγεῖν καὶ προσεπιπασάμενός τινας τῶν πολεμίων τριήρων ναυμαχεῖν πρὸς τῇ Μιτυλήνῃ: οὕτως γὰρ ὑπελάμβανε νικῶν μὲν ἕξειν ἀναστροφὴν εἰς τὸ διώκειν, ἡττώμενος δ' εἰς τὸν λιμένα καταφεύξεσθαι. [3] ἐμβιβάσας οὖν τοὺς στρατιώτας ἔπλει σχολαίως ταῖς εἰρεσίαις χρώμενος, ὅπως αἱ τῶν Πελοποννησίων ἐγγίσωσιν. οἱ δὲ Λακεδαιμόνιοι προσιόντες αἰεὶ μᾶλλον ἤλαυνον τὰς ναῦς, ἐλπίζοντες αἰρήσειν τὰς ἐσχάτας τῶν πολεμίων. [4] τοῦ δὲ Κόνωνος ὑποχωροῦντος οἱ τὰς ἀρίστας ἔχοντες ναῦς τῶν Πελοποννησίων κατὰ σπουδὴν ἐδίωκον, καὶ τοὺς μὲν ἐρέτας διὰ τὴν συνέχειαν τῆς εἰρεσίας ἐξέλυσαν, αὐτοὶ δὲ πολὺ τῶν ἄλλων ἀπεσπάσθησαν. ἃ δὲ συνιδὼν ὁ Κόνων, ὥς ἤδη τῆς Μιτυλήνης ἤγγιζον, ἦρεν ἀπὸ τῆς ἰδίας νεὼς φοινικίδα: τοῦτο γὰρ σύσσημον ἦν τοῖς τριηράρχοις. [5] διόπερ αἱ μὲν ναῦς, τῶν πολεμίων ἐξαπτομένων, ἐξαίφνης πρὸς ἓνα καιρὸν ἐπέστρεψαν, καὶ τὸ μὲν πλῆθος ἐπαιάνισεν, οἱ δὲ σαλπικταὶ τὸ πολεμικὸν ἐσήμηναν: οἱ δὲ Πελοποννησίοι καταπλαγέντες ἐπὶ τῷ γεγονότι ταχέως ἐπεχειροῦν ἀντιπαράττειν τὰς ναῦς, τοῦ καιροῦ δ' ἀναστροφὴν οὐ διδόντος οὗτοι μὲν ἐν πολλῷ θορύβῳ καθειστήκεισαν διὰ τὸ τὰς ἀφυστερούσας ναῦς τὴν εἰθισμένην λελοιπέναι τάξιν, 78. ὁ δὲ Κόνων δεξιῶς τῷ καιρῷ χρησάμενος εὐθὺς ἐνέκειτο, καὶ τὴν παράταξιν αὐτῶν διεκάλυνεν, ἃς μὲν τιτρώσκων, ὧν δὲ τοὺς ταρσοὺς παρασύρων. τῶν μὲν οὖν κατὰ τὸν Κόνωνα ταχθεῖσων οὐδεμία πρὸς φυγὴν ἐπέστρεψεν, ἀλλὰ πρύμναν ἀνακρουόμεναι διεκαρτέρουν, προσδεχόμεναι τὰς ἀφυστερούσας: [2] οἱ δὲ τὴν εὐώνυμον ἔχοντες τάξιν Ἀθηναῖοι τρεψάμενοι τοὺς καθ' αὐτοὺς ἐπέκειντο φιλοτιμότερον ἐπὶ πολὺν χρόνον διώκοντες. ἡδὴ δὲ πασῶν τῶν νεῶν τοῖς Πελοποννησίοις ἡθροισμένων, ὁ μὲν Κόνων εὐλαβηθεὶς τὸ πλῆθος τῶν πολεμίων τοῦ μὲν διώκειν ἀπέστη, μετὰ τεσσαράκοντα δὲ νεῶν ἀπέπλευσεν εἰς Μιτυλήνῃν. [3] τοὺς δὲ διώξαντας Ἀθηναίους αἱ τῶν Πελοποννησίων ναῦς ἅπασαι περιχυθεῖσαι κατεπλήξαντο, καὶ τῆς ἐπὶ τὴν πόλιν ἐπανόδου διακλείσασαι φυγεῖν πρὸς τὴν γῆν ἐβίασαντο. ἐπικειμένων δὲ τῶν Πελοποννησίων πάσαις ταῖς ναυσὶν, Ἀθηναῖοι θεωροῦντες μηδεμίαν

σωτηρίαν ἄλλην ὑποκειμένην, κατέφυγον πρὸς τὴν γῆν, καὶ καταλιπόντες τὰ σκάφη διεσώθησαν εἰς Μιτυλήνην. [4] Καλλικρατίδας δὲ τριάκοντα νεῶν κυριεύσας τὸ μὲν ναυτικὸν ἐθεώρει τῶν πολεμίων καταλελυμένον, πεζῇ δὲ τοὺς ἀγῶνας ἠλπίζεν ὑπολείπεσθαι. διόπερ οὗτος μὲν ἐπὶ τὴν πόλιν διέπλει, Κόνων δ' ἅμα τῷ καταπλεῦσαι προσδεχόμενος τὴν πολιορκίαν, τὰ περὶ τὸν εἰσπλουν τοῦ λιμένος κατεσκεύαζεν: εἰς μὲν γὰρ τὰ βράχη τοῦ λιμένος πλοῖα μικρὰ πληρώσας λίθων κατεπόντισε, πρὸς δὲ τοῖς βάθεσιν ὀλκάδας καθόρμιζεν οὖσας λιθοφόρους. [5] οἱ μὲν οὖν Ἀθηναῖοι καὶ τῶν Μιτυληναίων ὄχλος πολὺς ἐκ τῶν ἀγρῶν διὰ τὸν πόλεμον συνεληλυθὼς ταχέως κατεσκεύασε τὰ πρὸς τὴν πολιορκίαν. ὁ δὲ Καλλικρατίδας ἐκβιάσας τοὺς στρατιώτας εἰς τὸν πλησίον τῆς πόλεως αἰγιαλὸν ἐποιήσατο παρεμβολήν, καὶ τρόπαιον ἀπὸ τῆς ναυμαχίας ἔστησεν. τῇ δ' ὑστεραία τὰς κρατίστας τῶν νεῶν ἐπιλέξας, καὶ παρακελευσάμενος μὴ ἀπολείπεσθαι τῆς ἰδίας νεώς, ἀνήχθη, σπεύδων εἰς τὸν λιμένα πλεῦσαι καὶ λῦσαι τὸ διάφραγμα τῶν πολεμίων. [6] ὁ δὲ Κόνων τοὺς μὲν εἰς τὰς τριήρεις ἐνεβίβασε καὶ κατὰ τὸν διέκπλουν ἀντιπρώρους κατέστησε, τοὺς δ' ἐπὶ τὰ μεγάλα πλοῖα διέταξε, τινὰς δ' ἐπὶ τὰς χηλὰς τοῦ λιμένος παρέπεμψεν, ὅπως πανταχόθεν ἡ πεφραγμένος καὶ κατὰ γῆν καὶ κατὰ θάλατταν. [7] αὐτὸς μὲν οὖν ὁ Κόνων τὰς τριήρεις ἔχων ἐναυμάχει, πληρώσας τὸν μεταξὺ τόπον τῶν διαφραγμάτων: οἱ δ' ἐπὶ τῶν μεγάλων πλοίων ἐφεστῶτες ἐπέρριψαν ταῖς τῶν πολεμίων ναυσὶ τοὺς ἀπὸ τῶν κεραιῶν λίθους: οἱ δ' ἐπὶ ταῖς χηλαῖς τοῦ λιμένος τεταγμένοι διεκώλυνον τοὺς ἀποτολμῶντας εἰς τὴν γῆν ἀποβαίνειν. 79. οἱ δὲ Πελοποννήσιοι τῆς τῶν Ἀθηναίων φιλοτιμίας ἐλείποντο οὐδέν. ταῖς γὰρ ναυσὶν ἀθρόαις ἐπιπλεύσαντες, καὶ τοὺς ἀρίστους ἄνδρας ἐπὶ τὰ καταστρώματα τάξαντες, τὴν ναυμαχίαν ἅμα καὶ πεζὴν ἐποιοῦντο μάχην: βιαζόμενοι γὰρ εἰς τὰς τῶν ἀντιτεταγμένων ναῦς ταῖς πρόραις ἐπέβαινον τετολμηκότως, ὥς οὐχ ὑποστησομένων τὸ δεινὸν τῶν προηττημένων. [2] οἱ δ' Ἀθηναῖοι καὶ Μιτυληναῖοι μίαν ὀρῶντες ἀπολειπομένην σωτηρίαν τὴν ἐκ τῆς νίκης, εὐγενῶς ἀποθνήσκειν ἔσπευδον ὑπὲρ τοῦ μὴ λιπεῖν τὴν τάξιν. κατεχούσης δὲ φιλοτιμίας ἀνυπερβλήτου τὰ στρατόπεδα πολὺς ἐγένετο φόνος, ἀπάντων ἀφειδῶς τὰ σώματα τοῖς κινδύνους παραρριπτόντων. [3] οἱ μὲν γὰρ ἐπὶ τῶν καταστρωμάτων ὑπὸ τοῦ πλήθους τῶν εἰς αὐτοὺς φερομένων βελῶν κατετιτρώσκοντο, καὶ τινὲς μὲν ἐπικαίρως πληγέντες ἐπιπτον εἰς τὴν θάλατταν, τινὲς δ' οὐκ αἰσθανόμενοι θερμῶν ἔτι τῶν πληγῶν οὐσῶν διηγωνίζοντο: πλεῖστοι δ' ὑπὸ τῶν λιθοφόρων κεραιῶν ἐπιπτον, ὥς ἂν ἐξ ὑπερδεξίων τόπων βαλλόντων λίθους ὑπερμεγέθεις τῶν Ἀθηναίων. [4] οὐ μὴν ἀλλὰ τῆς μάχης ἐπὶ πολὺν χρόνον γενομένης, καὶ πολλῶν παρ' ἀμφοτέροις ἀπολλυμένων, ὁ Καλλικρατίδας ἀνεκαλέσατο τῇ σάλπιγγι τοὺς στρατιώτας, βουλόμενος αὐτοὺς διαναπαῦσαι. [5] μετὰ δέ τινα καιρὸν πάλιν πληρώσας τὰς ναῦς, καὶ πολὺν διαγωνισάμενος χρόνον, μόγις τῷ τε πλήθει τῶν νεῶν καὶ τῇ ῥώμῃ τῶν ἐπιβατῶν ἐξέωσε τοὺς Ἀθηναίους. ὧν συμφυγόντων εἰς τὸν ἐν τῇ πόλει λιμένα, διέπλευσε τὰ διαφράγματα, καὶ καθωρμίσθη πλησίον τῆς πόλεως τῶν Μιτυληναίων. [6] ὁ γὰρ εἰσπλους ὑπὲρ οὗ διηγωνίζοντο λιμένα μὲν εἶχε καλόν, ἐκτὸς δὲ τῆς πόλεώς ἐστιν. ἡ μὲν γὰρ ἀρχαία πόλις μικρὰ νησός

ἐστίν, ἡ δ' ὕστερον προσοικισθεῖσα τῆς ἀντιπέραν ἐστὶ Λέσβου: ἀνὰ μέσον δ' αὐτῶν ἐστίν εὐριπος στενὸς καὶ ποιῶν τὴν πόλιν ὀχυράν. [7] ὁ δὲ Καλλικρατίδας ἐκβιβάσας τὴν δύναμιν περιεστρατοπέδευσε τὴν πόλιν, καὶ πανταχόθεν προσβολὰς ἐποιεῖτο. καὶ τὰ μὲν κατὰ τὴν Μιτυλήνην ἐν τούτοις ἦν. [8]

κατὰ δὲ Σικελίαν Συρακόσιοι πέμψαντες εἰς Καρχηδὸνα πρέσβεις περὶ τοῦ πολέμου κατεμέμφοντο καὶ τὸ λοιπὸν ἤξιουν παύσασθαι τῆς διαφορᾶς. οἷς οἱ Καρχηδόνιοι τὰς ἀποκρίσεις ἀμφιβόλους δόντες, ἐν μὲν τῇ Λιβύῃ μεγάλας παρεσκευάζοντο δυνάμεις, ἐπιθυμοῦντες ἀπάσας τὰς ἐν τῇ νήσῳ πόλεις καταδουλώσασθαι: πρὶν ἢ δὲ τὰ στρατόπεδα διαβιβάξιν, καταλέξαντες τῶν πολιτῶν τινὰς καὶ τῶν ἄλλων Λιβύων τοὺς βουλομένους ἔκτισαν ἐν τῇ Σικελίᾳ πρὸς αὐτοῖς τοῖς θερμοῖς ὕδασι πόλιν, ὀνομάσαντες Θέρμα. 80.

τῶν δὲ κατὰ τοῦτον τὸν ἐνιαυτὸν πράξεων τέλος ἔχουσῶν Ἀθήνησι μὲν παρέλαβε τὴν ἀρχὴν Καλλίας, ἐν δὲ τῇ Ῥώμῃ κατεστάθησαν ὕπατοι Λεύκιος Φούριος καὶ Γναῖος Πομπήιος. περὶ δὲ τούτους τοὺς χρόνους Καρχηδόνιοι τοῖς περὶ Σικελίαν εὐτυχήμασι μετεωριζόμενοι, καὶ σπεύδοντες ἀπάσης τῆς νήσου κυριεῦσαι, μεγάλας δυνάμεις ἐνηφίσαντο παρασκευάζεσθαι: ἐλόμενοι δὲ στρατηγὸν Ἀννίβαν τὸν κατασκάψαντα τὴν τε τῶν Σελινουντίων καὶ τὴν τῶν Ἱμεραίων πόλιν, ἅπασαν αὐτῷ τὴν κατὰ τὸν πόλεμον ἐξουσίαν ἐπέτρεψαν. [2] παραιτουμένου δὲ διὰ τὸ γῆρας, προσκατέστησαν καὶ ἄλλον στρατηγὸν Ἰμίλκωνα τὸν Ἄννωνος, ἐκ τῆς αὐτῆς ὄντα συγγενείας. οὗτοι δὲ κοινῇ συνεδρεύσαντες ἔπεμψάν τινὰς τῶν ἐν ἀξιώματι παρὰ τοῖς Καρχηδονίοις ὄντων μετὰ πολλῶν χρημάτων, τοὺς μὲν εἰς Ἰβηρίαν, τοὺς δ' εἰς τὰς Βαλιαρίδας νήσους, παρακελευσάμενοι ξενολογεῖν ὥς πλείστους. [3] αὐτοὶ δ' ἐπήεσαν τὴν Λιβύην καταγράφοντες στρατιώτας Λίβυας καὶ Φοίνικας καὶ τῶν πολιτικῶν τοὺς κρατίστους. μετεπέμποντο δὲ καὶ παρὰ τῶν συμμαχούντων αὐτοῖς ἐθνῶν καὶ βασιλέων στρατιώτας Μαυρουσίους καὶ Νομάδας καὶ τινὰς τῶν οἰκούντων τὰ πρὸς τὴν Κυρήνην κεκλιμένα μέρη. [4] ἐκ δὲ τῆς Ἰταλίας μισθωσάμενοι Καμπανοὺς διεβίβασαν εἰς Λιβύην: ἤδρισαν γὰρ τὴν μὲν χρεῖαν αὐτῶν μέγала συμβαλλομένην, τοὺς δ' ἐν Σικελίᾳ καταλειμμένους Καμπανοὺς διὰ τὸ προσκεκοφέναι τοῖς Καρχηδονίοις μετὰ τῶν Σικελιωτῶν ταχθησομένους. [5] τέλος δὲ τῶν δυνάμεων ἀθροισθεισῶν εἰς Καρχηδὸνα συνήχθησαν αὐτοῖς οἱ πάντες σὺν ἱππεῦσιν οὐ πολλῷ πλείους, ὥς μὲν Τίμαιος, τῶν δώδεκα μυριάδων, ὥς δ' Ἐφορος, τριάκοντα μυριάδες. Καρχηδόνιοι μὲν οὖν τὰ πρὸς τὴν διάβασιν ἐτοιμάζοντες τὰς τε τριήρεις πάσας κατήρτιζον καὶ φορτηγὰ πλοῖς συνήγαγον πλείω τῶν χιλίων: [6] προαποστειλάντων δ' αὐτῶν εἰς Σικελίαν τεσσαράκοντα τριήρεις, οἱ Συρακόσιοι κατὰ τάχος ταῖς παραπλησίαις ναυσὶν ἐπεφάνησαν ἐν τοῖς περὶ τὸν Ἑρκα τόποις. γενομένης δὲ ναυμαχίας ἐπὶ πολὺν χρόνον πεντεκαίδεκα μὲν τῶν Φοινισσῶν νεῶν διεφθάρησαν, αἱ δ' ἄλλαι νυκτὸς ἐπιγενομένης ἔφυγον εἰς τὸ πέλαγος. [7] ἀπαγγελθείσης δὲ τῆς ἥττης τοῖς Καρχηδονίοις, Ἀννίβας ὁ στρατηγὸς ἐξέπλευσε μετὰ νεῶν πενήκοντα: ἔσπευδε γὰρ τοὺς μὲν Συρακοσίους κωλῦσαι χρήσασθαι τῷ προτερήματι, ταῖς δὲ ἰδίαις δυνάμεσιν

ἀσφαλῆ παρασκευάσαι τὸν κατάπλουν. 81. διαβοηθείσης δὲ τῆς Ἀννίβα βοηθείας κατὰ τὴν νῆσον, ἅπαντες προσεδόκων καὶ τὰς δυνάμεις εὐθέως διαβιβασθήσεσθαι. αἱ δὲ πόλεις τὸ μέγεθος τῆς παρασκευῆς ἀκούουσαι, καὶ συλλογίζόμεναι τὸν ἀγῶνα περὶ τῶν ὅλων ἐσόμενον, οὐ μετρίως ἠγωνίαν. [2] οἱ μὲν οὖν Συρακόσιοι πρὸς τε τοὺς κατ' Ἰταλίαν Ἑλληνας καὶ πρὸς Λακεδαιμονίους περὶ συμμαχίας διεπέμποντο: ἀπέστελλον δὲ καὶ πρὸς τὰς ἐν Σικελίᾳ πόλεις τοὺς παρορμήσοντας τὰ πλήθη πρὸς τὸν ὑπὲρ τῆς κοινῆς ἐλευθερίας κίνδυνον. [3] Ἀκραγαντῖνοι δέ, ὁμοροῦντες τῇ τῶν Καρχηδονίων ἐπικρατεῖᾳ, διελάμβανον, ὅπερ ἦν, ἐπ' αὐτοὺς πρώτους ἤξειν τὸ τοῦ πολέμου βάρος. ἔδοξεν οὖν αὐτοῖς τὸν τε σῖτον καὶ τοὺς ἄλλους καρπούς, ἔτι δὲ τὰς κτήσεις ἀπάσας, ἀπὸ τῆς χώρας κατακομίζειν ἐντὸς τῶν τειχῶν. [4] κατ' ἐκείνους δὲ τοὺς καιροὺς τὴν τε πόλιν καὶ τὴν χώραν τῶν Ἀκραγαντίνων συνέβαινεν εὐδαιμονίας ὑπάρχειν πλήρη: περὶ ἧς οὐκ ἀνάρμοστόν μοι φαίνεται διελθεῖν. καὶ γὰρ ἀμπελῶνες ... τοῖς μεγέθεσι καὶ τῷ κάλλει διαφέροντες, καὶ τὸ πλεῖστον τῆς χώρας ἐλαίαις κατάφυτον, ἐξ ἧς παμπληθῆ κομίζόμενοι καρπὸν ἐπώλουν εἰς Καρχηδόνα: [5] οὐπω γὰρ κατ' ἐκείνους τοὺς χρόνους τῆς Λιβύης πεφυτευμένης οἱ τὴν Ἀκραγαντίνην νεμόμενοι τὸν ἐκ τῆς Λιβύης ἀντιφορτιζόμενοι πλοῦτον οὐσίας ἀπίστους τοῖς μεγέθεσιν ἐκέκτιντο. πολλὰ δὲ τοῦ πλούτου παρ' αὐτοῖς διαμένει σημεῖα, περὶ ὧν οὐκ ἀνοίκειόν ἐστι βραχέα διελθεῖν. 82. ἥ τε γὰρ τῶν ἱερῶν κατασκευὴ καὶ μάλιστα ὁ τοῦ Διὸς νεῶς ἐμφαίνει τὴν μεγαλοπρέπειαν τῶν τότε ἀνθρώπων: τῶν μὲν οὖν ἄλλων ἱερῶν τὰ μὲν κατεκαύθη, τὰ δὲ τελείως κατεσκάφη διὰ τὸ πολλάκις ἠλωκέναι τὴν πόλιν, τὸ δ' Ὀλύμπιον μέλλον λαμβάνειν τὴν ὀροφὴν ὁ πόλεμος ἐκώλυσεν: ἐξ οὗ τῆς πόλεως κατασκαφείσης οὐδέποτε ὕστερον ἴσχυσαν Ἀκραγαντῖνοι τέλος ἐπιθεῖναι τοῖς οἰκοδομήμασιν. [2] ἔστι δὲ ὁ νεῶς ἔχων τὸ μὲν μῆκος πόδας τριακοσίους τεσσαράκοντα, τὸ δὲ πλάτος ἐξήκοντα, τὸ δὲ ὕψος ἑκατὸν εἴκοσι χωρὶς τοῦ κρηπιδώματος. μέγιστος δ' ὢν τῶν ἐν Σικελίᾳ καὶ τοῖς ἐκτὸς οὐκ ἀλόγως ἂν συγκρίνοιτο κατὰ τὸ μέγεθος τῆς ὑποστάσεως: καὶ γὰρ εἰ μὴ τέλος λαβεῖν συνέβη τὴν ἐπιβολήν, ἥ γε προαίρεσις ὑπάρχει φανερά. [3] τῶν δ' ἄλλων ἢ μετὰ περιτειχῶν τοὺς νεῶς οἰκοδομούντων ἢ κύκλῳ κίοσι τοὺς σηκοὺς περιλαμβάνόντων, οὗτος ἑκατέρας τούτων μετέχει τῶν ὑποστάσεων: συνωκοδομοῦντο γὰρ τοῖς τοίχοις οἱ κίονες, ἔξωθεν μὲν στρογγύλοι, τὸ δ' ἐντὸς τοῦ νεῶ ἔχοντες τετράγωνον: καὶ τοῦ μὲν ἐκτὸς μέρους ἐστὶν αὐτῶν ἡ περιφέρεια ποδῶν εἴκοσι, καθ' ἣν εἰς τὰ διαξύσματα δύναται ἀνθρώπινον ἐναρμόζεσθαι σῶμα, τὸ δ' ἐντὸς ποδῶν δώδεκα. [4] τῶν δὲ στοῶν τὸ μέγεθος καὶ τὸ ὕψος ἐξαίσιον ἔχουσῶν, ἐν μὲν τῷ πρὸς ἑω μέρει τὴν γιγαντομαχίαν ἐποίησαντο γλυφαῖς καὶ τῷ μεγέθει καὶ τῷ κάλλει διαφερούσαις, ἐν δὲ τῷ πρὸς δυσμὰς τὴν ἄλωσιν τῆς Τροίας, ἐν ἣ τῶν ἡρώων ἕκαστον ἰδεῖν ἔστιν οἰκείως τῆς περιστάσεως δεδημιουργημένον. [5] ἦν δὲ καὶ λίμνη κατ' ἐκείνον τὸν χρόνον ἐκτὸς τῆς πόλεως χειροποίητος, ἔχουσα τὴν περίμετρον σταδίων ἐπτὰ, τὸ δὲ βάθος εἴκοσι πηχῶν: εἰς ἣν ἐπαγομένων ὑδάτων ἐφιλοτέχνησαν πλῆθος ἰχθύων ἐν αὐτῇ ποιῆσαι παντοίων εἰς τὰς δημοσίας ἐστιάσεις, μεθ' ὧν συνδιέτριβον κύκνοι καὶ τῶν ἄλλων ὀρνέων πολὺ πλῆθος, ὥστε μεγάλην τέρψιν παρασκευάζειν τοῖς θεωμένοις. [6] δηλοῖ

δὲ τὴν τρυφήν αὐτῶν καὶ ἡ πολυτέλεια τῶν μνημείων, ἃ τινὰ μὲν τοῖς ἀθληταῖς ἵπποις κατεσκεύασαν, τινὰ δὲ τοῖς ὑπὸ τῶν παρθένων καὶ παίδων ἐν οἴκῳ τρεφομένοις ὀρνιθαρίοις, ἃ Τίμαιος ἐωρακέναι φησὶ μέχρι τοῦ καθ' ἑαυτὸν βίου διαμένοντα. [7] καὶ κατὰ τὴν προτέραν δὲ ταύτης Ὀλυμπιάδα, δευτέραν ἐπὶ ταῖς ἐνεήκοντα, νικήσαντος Ἐξαινέτου Ἀκραγαντίνου, κατήγαγον αὐτὸν εἰς τὴν πόλιν ἐφ' ἄρματος: συνεπόμεπευον δ' αὐτῷ χωρὶς τῶν ἄλλων συνωρίδες τριακόσαι λευκῶν ἵππων, πᾶσαι παρ' αὐτῶν τῶν Ἀκραγαντίνων. [8] καθόλου δὲ καὶ τὰς ἀγωγὰς εὐθὺς ἐκ παίδων ἐποιοῦντο τρυφεράς, τὴν τ' ἐσθῆτα μαλακὴν φοροῦντες καθ' ὑπερβολὴν καὶ χρυσοφοροῦντες, ἔτι δὲ στλεγγίσι καὶ ληκύθοις ἀργυραῖς τε καὶ χρυσαῖς χρώμενοι. 83.

ἦν δὲ τῶν Ἀκραγαντίνων σχεδὸν πλουσιώτατος κατ' ἐκεῖνον τὸν χρόνον Τελλίας, ὃς κατὰ τὴν οἰκίαν ξενῶνας ἔχων πλείους πρὸς ταῖς πύλαις ἔταττεν οἰκέτας, οἷς παρηγγελμένον ἦν ἅπαντας τοὺς ξένους καλεῖν ἐπὶ ξενίᾳ. πολλοὶ δὲ καὶ τῶν ἄλλων Ἀκραγαντίνων ἐποιοῦν τὸ παραπλήσιον, ἀρχαϊκῶς καὶ φιланθρώπως ὁμιλοῦντες: διόπερ καὶ Ἐμπεδοκλῆς λέγει περὶ αὐτῶν, "ξείνων αἰδοῖοι λιμένες, κακότητος ἄπειροι.

"Empedocles fr. 112 (Diels5) [2] καὶ δὴ ποτε πεντακοσίων ἱππέων παραγενομένων ἐκ Γέλας χειμερίου περιστάσεως οὔσης, καθάπερ φησὶ Τίμαιος ἐν τῇ πεντεκαίδεκάτῃ βίβλῳ, πάντας αὐτοὺς ὑπεδέξατο, καὶ παραχρῆμα πᾶσιν ἱμάτια καὶ χιτῶνας ἔνδοθεν προενέγκας ἔδωκεν. [3] καὶ Πολύκλειτος ἐν ταῖς ἱστορίαις ἐξηγεῖται περὶ τοῦ κατὰ τὴν οἰκίαν πιθεῶνος λέγων ὡς διαμείναντος αὐτοῦ τε στρατευομένου ἐν Ἀκράγαντι τεθεωρηκότος: εἶναι δ' ἐν αὐτῷ τριακοσίους μὲν πίθους ἐξ αὐτῆς τῆς πέτρας τετμημένους, ἕκαστον ἑκατὸν ἀμφορεῖς χωροῦντα: κολυμβήθραν δὲ παρ' αὐτοῖς ὑπάρχειν κεκονιαμένην, χωροῦσαν ἀμφορεῖς χιλίους, ἐξ ἧς τὴν ρύσιν εἰς τοὺς πίθους γίνεσθαι. [4] γεγονέναι δὲ φασὶ τὸν Τελλίαν τὸ μὲν εἶδος εὐτελεῆ παντελῶς, τὸ δὲ ἦθος θαυμαστόν. ἀποσταλέντος οὖν αὐτοῦ πρὸς Κεντοριπίνους κατὰ πρεσβείαν, καὶ παρεληλυθότος εἰς τὴν ἐκκλησίαν, τὸ μὲν πλῆθος προέπεσεν εἰς ἄκαιρον γέλωτα, θεωροῦν καταδεέστερον τῆς περὶ αὐτοῦ δόξης: ὁ δ' ὑπολαβὼν εἶπε μὴ θαυμάζειν: ἐν ἔθει γὰρ εἶναι τοῖς Ἀκραγαντίνοις πρὸς μὲν τὰς ἐπιδόξους πόλεις ἀποστέλλειν τοὺς κρατίστους τῷ κάλλει, πρὸς δὲ τὰς ταπεινὰς καὶ λίαν εὐτελεῖς ὁμοίους. 84.

οὐ μόνον δὲ περὶ τὸν Τελλίαν συνέβαινεν εἶναι τοῦ πλούτου μεγαλοπρέπειαν, ἀλλὰ καὶ περὶ πολλοὺς ἄλλους Ἀκραγαντίνους. Ἀντισθένης γοῦν ὁ ἐπικαλούμενος Ῥόδος γάμους ἐπιτελῶν τῆς θυγατρὸς εἰστίασε τοὺς πολίτας ἐπὶ τῶν στενωπῶν ὧν ᾤκουν ἕκαστοι, καὶ ζεύγη τῇ νύμφῃ συνηκολούθησε πλείω τῶν ὀκτακοσίων: πρὸς δὲ τούτοις οὐ μόνον οἱ κατ' αὐτὴν τὴν πόλιν ἱππεῖς, ἀλλὰ καὶ τῶν ἀστυγειτόνων πολλοὶ κληθέντες ἐπὶ τὸν γάμον συμπροέπεμψαν τὴν νύμφην. [2] περιττότατον δὲ φασὶ γενέσθαι τὸ περὶ τὴν τοῦ φωτὸς κατασκευήν: τοὺς τε γὰρ βωμοὺς τοὺς ἐν πᾶσι τοῖς ἱεροῖς καὶ τοὺς ἐν τοῖς στενωποῖς καθ' ὅλην τὴν πόλιν ἐπλήρωσε ξύλων, καὶ τοῖς ἐπὶ τῶν ἐργαστηρίων ἔδωκε σχίδακας καὶ κληματίδας, παραγγείλας, ὅταν ἀπὸ τῆς ἀκροπόλεως ἀναφθῇ πῦρ, ἅπαντας ἐπιτελεῖν τὸ παραπλήσιον: [3] ὧν

ποιησάντων τὸ προσταχθέν, καθ' ὃν καιρὸν ἦγετο ἡ νύμφη, προηγουμένων πολλῶν τῶν τὰς δᾶδας φερόντων, ἡ μὲν πόλις ἔγεμε φωτός, τὸ δὲ συνακολουθοῦν πλῆθος οὐκ ἐχώρουν αἱ δημόσιαι κατὰ τὸ ἐξῆς ὁδοί, πάντων συμφιλοτιμουμένων τῇ τάνδρὸς μεγαλοπρεπείᾳ. κατ' ἐκεῖνον γὰρ τὸν χρόνον Ἀκραγαντίνοι μὲν ἦσαν πλείους τῶν δισμυρίων, σὺν δὲ τοῖς κατοικοῦσι ξένοις οὐκ ἐλάττους τῶν εἴκοσι μυριάδων. [4] φασὶ δὲ τὸν Ἀντισθένην, ἐπειδὴ τὸν υἱὸν ἑώρα πολεμοῦντά τινα τῶν ἀγρογειτόνων πένητα καὶ βιαζόμενον ἑαυτῷ τὸ ἀγρίδιον πωλῆσαι, μέχρι μὲν τινος ἐπιπλήττειν, τῆς δ' ἐπιθυμίας ἐπίτασιν λαμβανούσης, φῆσαι δεῖν μὴ σπεύδειν πῶς ἄπορον ποιήσῃ τὸν γείτονα, ἀλλὰ τοῦναντίον ὅπως πλούσιος ὑπάρχῃ: οὕτως γὰρ αὐτὸν ἐπιθυμήσειν μὲν ἀγροῦ μείζονος, οὐ δυνάμενον δὲ παρὰ τοῦ γείτονος προσαγοράσαι τὸν ὑπάρχοντα πωλήσειν. [5] διὰ δὲ τὸ μέγεθος τῆς κατὰ τὴν πόλιν εὐπορίας τοσαύτην συνέβαινε τρυφὴν εἶναι παρὰ τοῖς Ἀκραγαντίνοις, ὥστε μετ' ὀλίγον τῆς πολιορκίας γινομένης ποιῆσαι ψήφισμα περὶ τῶν ἐν τοῖς φυλακεῖσι διανυκτερευόντων, ὅπως μὴ τις ἔχῃ πλεῖον τύλης καὶ περιστρώματος καὶ κωδίου καὶ δυεῖν προσκεφαλαίων. [6] τοιαύτης δὲ τῆς σκληροτάτης στρωμνῆς ὑπαρχούσης, ἔξεστι λογίζεσθαι τὴν κατὰ τὸν λοιπὸν βίον τρυφὴν. περὶ μὲν οὖν τούτων οὔτε παραδραμεῖν ἠθελήσαμεν οὔτ' ἐπὶ πλεῖον μακρολογεῖν, ἵνα μὴ τῶν ἀναγκαιοτέρων ἀποπίπτωμεν. 85.

Οἱ δὲ Καρχηδόνιοι τὰς δυνάμεις διαβιβάσαντες εἰς τὴν Σικελίαν ἀνέξευξαν ἐπὶ τὴν πόλιν τῶν Ἀκραγαντίνων, καὶ δύο παρεμβολὰς ἐποιήσαντο, μίαν μὲν ἐπὶ τινων λόφων, ἐφ' ὧν τοὺς τε Ἴβηρας καὶ τινας τῶν Λιβύων ἔταξαν εἰς τετρακισμυρίους: τὴν δ' ἄλλην οὐκ ἄπωθεν τῆς πόλεως ποιησάμενοι τάφρῳ βαθεῖᾳ καὶ χάρακι περιέλαβον. [2] καὶ πρῶτον μὲν ἀπέστειλαν πρέσβεις πρὸς τοὺς Ἀκραγαντίνους, ἀξιοῦντες μάλιστα μὲν συμμαχεῖν αὐτοῖς, εἰ δὲ μὴ γε, ἡσυχίαν ἔχειν καὶ φίλους εἶναι Καρχηδονίοις ἐν εἰρήνῃ μένοντας: οὐ προσδεξαμένων δὲ τῶν ἐν τῇ πόλει τοὺς λόγους, εὐθὺς τὰ τῆς πολιορκίας ἐνηργεῖτο. [3] οἱ μὲν οὖν Ἀκραγαντίνοι τοὺς ἐν ἡλικίᾳ πάντας καθώπλισαν, καὶ καταστήσαντες εἰς τάξιν τοὺς μὲν ἐπὶ τῶν τειχῶν ἔστησαν, τοὺς δὲ ἐφέδρους πρὸς τὰς τῶν καταπονουμένων διαδοχάς. συνεμάχει δ' αὐτοῖς Δέξιππός τε ὁ Λακεδαιμόνιος προσφάτως ἐκ Γέλας παρὼν μετὰ ξένων χιλίων πεντακοσίων: οὗτος γὰρ κατ' ἐκεῖνον τὸν χρόνον, ὡς Τίμαιός φησιν, ἐν Γέλα διέτριβεν, ἔχων ἀξίωμα διὰ τὴν πατρίδα. [4] διόπερ ἠξίωσαν αὐτὸν οἱ Ἀκραγαντίνοι μισθωσάμενον στρατιώτας ὡς πλείστους ἐλθεῖν εἰς Ἀκράγαντα: ἅμα δὲ τούτοις ἐμισθώθησαν καὶ οἱ πρότερον Ἀννίβα συμμαχήσαντες Καμπανοί, περὶ ὀκτακοσίους ὄντες. οὗτοι δὲ κατέσχον τὸν ὑπὲρ τῆς πόλεως λόφον, τὸν Ἀθήναιον μὲν ὀνομαζόμενον, κατὰ δὲ τῆς πόλεως εὐφυδῶς κείμενον. [5] Ἴμιλκας δὲ καὶ Ἀννίβας οἱ τῶν Καρχηδονίων στρατηγοὶ διασκεψάμενοι τὰ τεῖχη, καὶ καθ' ἓνα τόπον θεωροῦντες εὐέφοδον οὔσαν τὴν πόλιν, δύο πύργους προσήγαγον τοῖς τεῖχεσιν ὑπερμεγέθεις. τὴν μὲν οὖν πρώτην ἡμέραν ἐπὶ τούτων τειχομαχῆσαντες καὶ συχνοὺς ἀνελόντες ἀνεκαλέσαντο τῇ σάλπιγγι τοὺς μαχομένους: τῆς δὲ νυκτὸς ἐπιγενομένης οἱ κατὰ τὴν πόλιν ἐπεξελθόντες ἐνεπύρισαν τὰς μηχανάς. 86. οἱ δὲ περὶ τὸν Ἀννίβαν σπεύδοντες κατὰ πλείονα μέρη τὰς προσβολὰς ποιεῖσθαι, παρήγγειλαν τοῖς στρατιώταις

καθαίρειν τὰ μνήματα καὶ χώματα κατασκευάζειν μέχρι τῶν τειχῶν. ταχὺ δὲ τῶν ἔργων διὰ τὴν πολυχειρίαν συντελουμένων ἐνέπεσεν εἰς τὸ στρατόπεδον πολλὴ δεισιδαιμονία. [2] τὸν γὰρ τοῦ Θήρωνος τάφον ὄντα καθ' ὑπερβολὴν μέγαν συνέβαινεν ὑπὸ κεραυνοῦ διασεῖσθαι: διόπερ αὐτοῦ καθαρουμένου τῶν τε μάντεων τινες προνοήσαντες διεκώλυσαν, εὐθὺς δὲ καὶ λοιμὸς ἐνέπεσεν εἰς τὸ στρατόπεδον, καὶ πολλοὶ μὲν ἐτελεύτων, οὐκ ὀλίγοι δὲ στρέβλαις καὶ δειναῖς τλαιπωρίαις περιέπιπτον. [3] ἀπέθανε δὲ καὶ Ἀννίβας ὁ στρατηγός, καὶ τῶν ἐπὶ τὰς φυλακὰς προπεμπομένων ἡγγελλόν τινες διὰ νυκτὸς εἶδωλα φαίνεσθαι τῶν τετελευτηκότων. Ἱμίλκας δὲ θεωρῶν τὰ πλήθη δεισιδαιμονοῦντα πρῶτον μὲν ἐπαύσατο καθαίρων τὰ μνημεῖα, μετὰ δὲ ταῦτα ἰκέτευε τοὺς θεοὺς κατὰ τὸ πάτριον ἔθος τῷ μὲν Κρόνῳ παῖδα σφαγιάσας, τῷ δὲ Ποσειδῶνι πλῆθος ἱερείων καταποντίσας. οὐ μὴν ἀέστη γε τῶν ἔργων, ἀλλὰ χάσας τὸν παρὰ τὴν πόλιν ποταμὸν μέχρι τῶν τειχῶν ἐπέστησε πάσας τὰς μηχανὰς καὶ καθ' ἡμέραν προσβολὰς ἐποιεῖτο. [4]

Οἱ δὲ Συρακόσιοι θεωροῦντες τὴν Ἀκράγαντος πολιορκίαν, καὶ φοβούμενοι μὴ τῆς αὐτῆς τοῖς Σελινουντίοις καὶ τοῖς Ἱμεραίοις τύχῳσιν οἱ πολιορκούμενοι τύχης, πάλαι μὲν ἔσπευδον ἐκπέμψαι τὴν βοήθειαν, τότε δὲ παραγενομένων τῶν ἐξ Ἰταλίας καὶ Μεσσήνης συμμάχων στρατηγὸν Λαφναῖον εἵλαντο. [5] τὴν δὲ δύναμιν ἀθροίσαντες παρέλαβον κατὰ τὴν ὁδὸν Καμαριναίους καὶ Γελῶνους: ἔτι δὲ τῶν ἐκ τῆς μεσογείου μεταπεμψάμενοί τινας ἐπ' Ἀκράγαντος τὴν πορείαν ἐποιοῦντο, συμπαραπλευσῶν αὐτοῖς καὶ τῶν νεῶν τριάκοντα. εἶχον δὲ τοὺς πάντας πεζοὺς μὲν πλείους τῶν τρισμυρίων, ἵππεις δ' οὐκ ἐλάττους τῶν πεντακισχιλίων. 87. Ἱμίλκων δὲ πυθόμενος τὴν τῶν πολεμίων ἔφοδον, ἀπέστειλεν αὐτοῖς ἀπαντᾶν τοὺς τε Ἰβηρας καὶ Καμπανοὺς καὶ τῶν ἄλλων οὐκ ἐλάττους τετρακισμυρίων. ἤδη δὲ τῶν Συρακοσίων τὸν Ἱμέραν ποταμὸν διαβεβηκότων ἀπήντησαν οἱ βάρβαροι, καὶ παρατάξεως γενομένης ἐπὶ πολὺν χρόνον ἐνίκησαν οἱ Συρακόσιοι καὶ πλείους τῶν ἑξακισχιλίων ἀνέϊλον. [2] τελῶς δὲ ὅλον τὸ στρατόπεδον διέφθειραν ἂν καὶ μέχρι τῆς πόλεως κατεδίωξαν, ἀλλὰ τῶν στρατιωτῶν ἀτάκτως διωκόντων ὁ στρατηγὸς εὐλαβήθη, μήποτε μετὰ τοῦ λοιποῦ στρατεύματος Ἱμίλκας ἐπιφανεῖς ἀναλάβῃ τὴν ἥτταν. καὶ γὰρ τοὺς Ἱμεραίους ἐγίνωσκε παρὰ τὴν αὐτὴν αἰτίαν τοῖς ὅλοις ἐπτακότας. οὐ μὴν ἀλλὰ τῶν βαρβάρων φευγόντων εἰς τὴν πρὸς Ἀκράγαντι παρεμβολήν, οἱ κατὰ τὴν πόλιν στρατιῶται θεωροῦντες τὴν τῶν Καρχηδονίων ἥτταν ἐδέοντο τῶν στρατηγῶν ἐξάγειν αὐτούς, καιρὸν εἶναι φάσκοντες τοῦ φθεῖραι τὴν τῶν πολεμίων δύναμιν. [3] οἱ δ', εἴτε χρήμασιν ἐφθαρμένοι, καθάπερ ἦν λόγος, εἴτε φοβηθέντες μὴ τῆς πόλεως ἐρημωθείσης Ἱμίλκων αὐτὴν καταλάβῃται, τῆς ὁρμῆς ἐπέσχον τοὺς στρατιώτας. οἱ μὲν οὖν φεύγοντες μετὰ πάσης ἀσφαλείας διεσώθησαν εἰς τὴν πρὸς τῇ πόλει παρεμβολήν. ὁ δὲ Δαφναῖος μετὰ τῆς δυνάμεως παραγεννηθεὶς εἰς τὴν ὑπὸ τῶν βαρβάρων ἐκλελειμμένην στρατοπεδεῖαν, ἐν ταύτῃ παρενέβαλεν. [4] εὐθὺς δὲ καὶ τῶν ἐκ τῆς πόλεως στρατιωτῶν ἐπιμυχθέντων καὶ τοῦ Δεξιππου συγκαταβάντος αὐτοῖς, ἀπὸ συνδρομῆς εἰς ἐκκλησίαν τὰ πλήθη συνῆλθεν: πάντων δ' ἀγανακτούντων ἐπὶ τῷ παρεῖσθαι τὸν καιρὸν καὶ κεκρατηκότας τῶν βαρβάρων τὴν προσήκουσαν τιμωρίαν παρ' αὐτῶν μὴ λαβεῖν, ἀλλὰ

δυναμένους τοὺς ἐκ τῆς πόλεως στρατηγοὺς ἐπεξελεῖν καὶ διαφθεῖραι τὴν τῶν πολεμίων δύναμιν ἀφεικέναι τοσαύτας μυριάδας· [5] θορύβου δὲ καὶ πολλῆς κραυγῆς ἐπεχούσης τὴν ἐκκλησίαν, παρελθὼν Μένης ὁ Καμαριναῖος ἐφ' ἡγεμονίας τεταγμένος κατηγόρησε τῶν Ἀκραγαντίνων στρατηγῶν καὶ πάντας οὕτω παρώξυνεν, ὥστε τῶν κατηγορουμένων ἐγχειρούντων ἀπολογεῖσθαι μηδένα προσδέχεσθαι τοὺς λόγους, καὶ τὸ πλῆθος ὀρμήσαν ἐπὶ τὸ βάλλειν τοῖς λίθοις τέσσαρας αὐτῶν καταλεῦσαι, τὸν δὲ πέμπτον, Ἀργεῖον καλούμενον, τὴν δ' ἡλικίαν παντελῶς ὄντα νεώτερον, ἀφεθῆναι· βλασφημίας δὲ τυγχάνειν καὶ τὸν Λακεδαιμόνιον Δέξιππον, ὅτι τεταγμένος ἐφ' ἡγεμονίας καὶ δοκῶν εἶναι τῶν πολεμικῶν ἔργων οὐκ ἄπειρος τοῦτ' ἔπραξε προδοσίας ἔνεκα. 88.

μετὰ δὲ τὴν ἐκκλησίαν οἱ περὶ τὸν Δαφναῖον προαγαγόντες τὰς δυνάμεις ἐπεχειροῦν μὲν πολιορκεῖν τὴν παρεμβολὴν τῶν Καρχηδονίων, πολυτελῶς δ' αὐτὴν ὀρῶντες ὠχυρωμένην ταύτης μὲν τῆς ἐπιβολῆς ἀπέστησαν, τὰς δ' ὁδοὺς ἱπαζόμενοι τοὺς τ' ἐν ταῖς προνομαῖς αὐτῶν κατελάμβανον καὶ τῶν σιτοπομπῶν ἀποκλείοντες εἰς πολλὴν ἀπορίαν ἤγον. [2] οἱ δὲ Καρχηδόνιοι παρατάττεσθαι μὲν οὐ τολμῶντες, τῇ δὲ σιτοδείᾳ δεινῶς πιεζόμενοι, μεγάλοις ἀτυχήμασι περιέπιπτον. τῶν μὲν γὰρ στρατιωτῶν πολλοὶ διὰ τὴν σπάνιν ἀπέθνησκον, οἱ δὲ Καμπανοὶ μετὰ τῶν ἄλλων μισθοφόρων σχεδὸν ἅπαντες ἐπὶ τὴν Ἰμίλκα σκηνὴν ὠθούμενοι τὰς σιτομετρίας τὰς προτεταγμένας ἤτουν· εἰ δὲ μὴ, διηπειλοῦντο μεταβάλλεσθαι πρὸς τοὺς πολεμίους. [3] ὁ δ' Ἰμίλκας ἦν ἀκηκοώς τινος, ὅτι Συρακόσιοι πλῆθος σίτου παρακομίζοιεν εἰς Ἀκράγαντα κατὰ θάλατταν. διόπερ ταύτην μόνην ἔχων ἐλπίδα σωτηρίας, τοὺς μὲν στρατιώτας ἔπεισεν ὀλίγας ἐπισχεῖν ἡμέρας, ἐνέχυρα δούς τὰ παρὰ τῶν ἐκ Καρχηδόνος στρατευομένων ποτήρια. [4] καὶ αὐτὸς μὲν ἐκ Πανόρμου καὶ Μοτύης μεταπεμψάμενος τεσσαράκοντα τριῆρεις ἐπέθετο τοῖς τὴν ἀγορὰν παρακομίζουσιν· οἱ δὲ Συρακόσιοι, τὸν ἔμπροσθεν χρόνον τῶν βαρβάρων τῆς θαλάττης παρακεχωρηκότων καὶ τοῦ χειμῶνος ἐνεστηκότος ἤδη, κατεφρόνουν τῶν Καρχηδονίων, ὥς οὐκέτι τολμησόντων πληροῦν τὰς τριῆρεις. [5] διόπερ ὀλιγώρως αὐτῶν παραπεμψάντων τὴν ἀγορὰν, Ἰμίλκας ἐκπλεύσας τεσσαράκοντα τριῆρεσιν ἄφνω κατέδυσε μὲν τῶν μακρῶν νεῶν ὀκτά, τὰς δ' ἄλλας εἰς τὸν αἰγιαλὸν κατεδίωξεν· τῶν δ' ἄλλων πλοίων ἀπάντων κυριεύσας, τοσοῦτον εἰς τὸνναντίον τὰς ἐκατέρων ἐλπίδας μεταπεσεῖν ἐποίησεν, ὥστε τοὺς παρὰ τοῖς Ἀκραγαντίνοις Καμπανούς καταγνόντας τῆς τῶν Ἑλλήνων ὑποθέσεως πεντεκαίδεκα ταλάντοις φθαρῆναι καὶ μεταβαλέσθαι πρὸς τοὺς Καρχηδονίους. [6] οἱ δὲ Ἀκραγαντῖνοι τὸ μὲν πρῶτον κακῶς ἀπαλαττόντων τῶν Καρχηδονίων ἀφθόνως ἀπήλανον τοῦ τε σίτου καὶ τῶν ἄλλων ἐπιτηδείων, αἰεὶ προσδοκῶντες ταχέως λυθήσεσθαι τὴν πολιορκίαν· ἐπεὶ δ' αἱ τῶν βαρβάρων ἐλπίδες ἀνέκυψαν καὶ τοσαῦται μυριάδες εἰς μίαν ἠθροίσθησαν πόλιν, ἔλαθεν αὐτοὺς ὁ σίτος ἐξαναλωθεῖς. [7] λέγεται δὲ καὶ Δέξιππος ὁ Λακεδαιμόνιος πεντεκαίδεκα ταλάντοις διαφθαρῆναι· εὐθὺ γὰρ ἀπεκρίνατο πρὸς τοὺς τῶν Ἰταλιωτῶν στρατηγοὺς, ὅτι συμφέρει τὸν πόλεμον ἐν ἄλλῳ συστήσασθαι τόπῳ· τὴν γὰρ τροφὴν ἐκλιπεῖν. διόπερ οἱ στρατηγοὶ πρόφασιν ἐνέγκαντες ὥς διεληλύθασιν οἱ ταχθέντες τῆς

στρατηγίας χρόνοι, τὰς δυνάμεις ἀπήγαγον ἐπὶ τὸν πορθμόν. [8] μετὰ δὲ τὴν τούτων ἀπαλλαγὴν συνελθόντες οἱ στρατηγοὶ μετὰ τῶν ἐφ' ἡγεμονίας τεταγμένων διέγνωσαν ἐξετάσαι τὸν ἐν τῇ πόλει σῆτον· ὃν εὐρόντες παντελῶς ὀλίγον ἐθεώρουν ἀναγκαῖον ὑπάρχειν ἐκλιπεῖν τὴν πόλιν. εὐθὺς οὖν ἐπιγινομένης τῆς νυκτὸς παρήγγειλαν ἀναζευγνύειν ἅπαντας. 89. τοσούτου δὲ πλήθους ἀνδρῶν γυναικῶν παίδων ἐκλιπόντων τὴν πόλιν ἄφνω πολὺς οἶκτος καὶ δάκρυα κατεῖχε τὰς οἰκίας. ἅμα γὰρ ὁ τῶν πολεμίων ἐξέπληττε φόβος, ἅμα δὲ διὰ τὴν σπουδὴν ἠναγκάζοντο καταλιπεῖν εἰς διαρπαγὴν τοῖς βαρβάροις ταῦτ' ἐφ' οἷς ἑαυτοὺς ἐμακάριζον· ἀφαιρουμένης γὰρ τῆς τύχης τὴν ἐξουσίαν τῶν οἶκοι καλῶν, ἀγαπητὸν ἡγοῦντο τὰ σώματα γοῦν αὐτῶν διασῶσαι. [2] οὐ μόνον δὲ τῆς τοιαύτης πόλεως εὐδαιμονίαν παρῆν ὅραν ἀπολειπομένην, ἀλλὰ καὶ σωμάτων πληθος. οἱ μὲν γὰρ ἐν ἀρρωστίαις ὑπὸ τῶν οἰκείων περιεωρῶντο, τῆς καθ' ἑαυτὸν σωτηρίας ἐκάστου φροντίζοντος, οἱ δὲ ταῖς ἡλικίαις ἤδη προβεβηκότες ὑπὸ τῆς τοῦ γήρωος ἀσθενείας κατελείποντο· πολλοὶ δὲ καὶ τὴν ἀλλαγὴν τῆς πατρίδος θανάτου τιμώμενοι τὰς χεῖρας ἑαυτοῖς προσήνεγκαν, ὅπως ταῖς πατρώαις οἰκίαις ἐναποπνεύσωσιν. [3] οὐ μὴν ἀλλὰ τὸ μὲν ἐκ τῆς πόλεως ἐξὶόν πληθος οἱ στρατιῶται μετὰ τῶν ὅπλων παρέπεμπον εἰς τὴν Γέλαν· ἡ δ' ὁδὸς καὶ πάντα τὰ πρὸς τὴν Γελῶν ἀποκεκλιμένα τῆς χώρας μέρη ἔγεμε γυναικῶν καὶ παίδων ἀναμιξ παρθένοις, αἱ τὴν συνήθη τρυφὴν εἰς ὁδοιορίαν σύντονον καὶ κακοπάθειαν ὑπεράγουσαν μεταβαλλόμεναι διεκαρτέρουν, τοῦ φόβου τὰς ψυχὰς ἐντείνοντος. [4] οὗτοι μὲν οὖν ἀσφαλῶς διασωθέντες εἰς Γέλαν ὕστερον εἰς Λεοντίνους κατέκησαν, Συρακοσίων αὐτοῖς δόντων τὴν πόλιν ταύτην οἰκητήριον. 90.

ὁ δ' Ἱμίλκας ἅμα τῷ φωτὶ τὴν δύναμιν ἐντὸς τῶν τειχῶν παρειαγαγὼν σχεδὸν ἅπαντας τοὺς ἐγκαταλειφθέντας ἀνέειλεν· ὅτε δὴ καὶ τοὺς ἐν τοῖς ναοῖς καταπεφευγότας ἀποσπῶντες οἱ Καρχηδόνιοι ἀνήρουν. [2] λέγεται δὲ τὸν Τελλίαν τὸν πρωτεύοντα τῶν πολιτῶν πλούτῳ καὶ καλοκάγαθίᾳ συναυτῆσαι τῇ πατρίδι, βουληθέντα καταφυγεῖν σὺν τισιν ἐτέροις εἰς τὸ τῆς Ἀθηνᾶς ἱερόν, νομίζοντα τῆς εἰς θεοὺς παρανομίας ἀφέξεσθαι τοὺς Καρχηδόνιους· θεωροῦντα δὲ αὐτῶν τὴν ἀσέβειαν, ἐμπρῆσαι τὸν νεῶν καὶ μετὰ τῶν ἐν τούτῳ ἀναθημάτων ἑαυτὸν συγκατακαῦσαι. μᾶ γὰρ πράξει διελάμβανεν ἀφελέσθαι θεῶν ἀσέβειαν, πολεμίων ἀρπαγὰς πολλῶν χρημάτων, μέγιστον ἑαυτοῦ τὴν εἰς τὸ σῶμα ἐσομένην ὕβριν. [3] ὁ δὲ Ἱμίλκας τὰ ἱερὰ καὶ τὰς οἰκίας συλῆσας καὶ φιλοτίμως ἐρευνήσας, τοσαύτην ὠφέλειαν συνήθροισεν ὅσην εἰκὸς ἐστὶν ἐσχηκέναι πόλιν οἰκουμένην ὑπὸ ἀνδρῶν εἴκοσι μυριάδων, ἀπόρθητον δὲ ἀπὸ τῆς κτίσεως γεγεννημένην, πλουσιωτάτην δὲ σχεδὸν τῶν τότε Ἑλληνίδων πόλεων γεγεννημένην, καὶ ταῦτα τῶν ἐν αὐτῇ φιλοκαλησάντων εἰς παντοίων κατασκευασμάτων πολυτέλειαν· [4] καὶ γὰρ γραφαὶ παμπληθεῖς ἡρύεθσαν εἰς ἄκρον ἐκπεπονημέναι καὶ παντοίων ἀνδριάντων φιλοτέχνως δεδημιουργημένων ὑπεράγων ἀριθμός. τὰ μὲν οὖν πολυτελέστατα τῶν ἔργων ἀπέστειλεν εἰς Καρχηδόνα, ἐν οἷς καὶ τὸν Φαλάριδος συνέβη κομισθῆναι ταῦρον, τὴν δ' ἄλλην ὠφέλειαν ἐλαφυροπώλησεν. [5] τοῦτον δὲ τὸν ταῦρον ὁ Τίμαιος ἐν ταῖς ἱστορίαις διαβεβαιωσάμενος μὴ γεγονέναι τὸ σύνολον, ὑπ'

αὐτῆς τῆς τύχης ἠλέγχθη: Σκιπίων γὰρ ὕστερον ταύτης τῆς ἀλώσεως σχεδὸν ἐξήκοντα καὶ διακοσίοις ἔτεσιν ἐκπορθήσας Καρχηδόνα τοῖς Ἀκραγαντίνοις μετὰ τῶν ἄλλων τῶν διαμεινάντων παρὰ τοῖς Καρχηδονίοις ἀποκατέστησε τὸν ταῦρον, ὃς καὶ τῶνδε τῶν ἱστοριῶν γραφομένων ἦν ἐν Ἀκράγαντι. [6] περὶ δὲ τοῦτου φιλοτιμότερον εἰπεῖν προήχθη, διότι Τίμαιος ὁ τῶν πρό γε αὐτοῦ συγγραφέων πικρότατα κατηγορήσας καὶ συγγνώμην οὐδεμίαν τοῖς ἱστοριογράφοις ἀπολιπὼν αὐτὸς εὐρίσκεται σχεδιάζων, ἐν οἷς μάλιστα ἑαυτὸν ἀποπέφαγκεν ἀκριβολογούμενον. [7] δεῖ γάρ, οἶμαι, τοὺς συγγραφεῖς ἐν μὲν τοῖς ἀγνοήμασι τυγχάνειν συγγνώμης, ὡς ἂν ἀνθρώπους ὄντας καὶ τῆς ἐν τοῖς παροίχομένοις χρόνοις ἀληθείας οὔσης δυσσευρέτου, τοὺς μέντοι γε κατὰ προαίρεσιν οὐ τυγχάνοντας τοῦ ἀκριβοῦς προσηκόντως κατηγορίας τυγχάνειν, ὅταν κολακεύοντές τινας ἢ δι' ἔχθραν πικρότερον προσβάλλοντες ἀποσφάλλωνται τῆς ἀληθείας. 91.

Ἰμίλκας δὲ ὁκτὼ μῆνας πολιορκήσας τὴν πόλιν, καὶ μικρὸν πρὸ τῆς χειμερινῆς τροπῆς κυριεύσας αὐτῆς, οὐκ εὐθὺς κατέσκαψεν, ὅπως αἱ δυνάμεις ἐν ταῖς οἰκίαις παραχειμάσωσιν. τῆς δὲ περὶ τὸν Ἀκράγαντα συμφορᾶς διαγγελθείσης, τοσοῦτος τὴν νῆσον κατέσχε φόβος, ὥστε τῶν Σικελιωτῶν τοὺς μὲν εἰς Συρακούσας μεθίστασθαι, τοὺς δὲ εἰς τὴν Ἰταλίαν τέκνα καὶ γυναῖκας καὶ τὴν ἄλλην κτῆσιν ἀποσκευάζεσθαι. [2] οἱ δὲ διαφυγόντες τὴν αἰχμαλωσίαν Ἀκραγαντίνοι παραγεννηθέντες εἰς Συρακούσας κατηγοροῦν τῶν στρατηγῶν, φάσκοντες διὰ τὴν ἐκείνων προδοσίαν ἀπολωλέναι τὴν πατρίδα. συνέβαινε δὲ καὶ ὑπὸ τῶν ἄλλων Σικελιωτῶν ἐπιτιμήσεως τυγχάνειν τοὺς Συρακοσίους, ὅτι τοιοῦτους προστάτας αἰροῦνται, δι' οὓς ἀπολέσθαι κινδυνεύει πᾶσα Σικελία. [3] οὐ μὴν ἀλλὰ συναχθείσης ἐκκλησίας ἐν Συρακούσαις, καὶ μεγάλων φόβων ἐπικρεμαμένων, οὐθεὶς ἐτόλμα περὶ τοῦ πολέμου συμβουλεύειν. ἀπορουμένων δὲ πάντων παρελθὼν Διονύσιος ὁ Ἑρμοκράτους τῶν μὲν στρατηγῶν κατηγορήσεν ὡς προδιδόντων τὰ πράγματα τοῖς Καρχηδονίοις, τὰ δὲ πλήθη παρώξυνε πρὸς τὴν αὐτῶν τιμωρίαν, παρακαλῶν μὴ περιμεῖναι τὸν κατὰ τοὺς νόμους λῆρον, ἀλλ' ἐκ χειρὸς ἐπιθεῖναι τὴν δίκην. [4] τῶν δ' ἀρχόντων ζημιούντων τὸν Διονύσιον κατὰ τοὺς νόμους ὡς θορυβοῦντα, Φίλιστος ὁ τὰς ἱστορίας ὕστερον συγγράψας, οὐσίαν ἔχων μεγάλην, ἐξέτισε τὰ πρόστιμα, καὶ τῷ Διονυσίῳ παρεκελεύετο λέγειν ὅσα προήρητο. καὶ προσεπειπόντος ὅτι καθ' ὅλην τὴν ἡμέραν, ἂν ζημιοῦν θέλωσιν, ἐκτίσει τὰ γύριον ὑπὲρ αὐτοῦ, τὸ λοιπὸν θαρρήσας ἀνέσειε τὰ πλήθη, καὶ τὴν ἐκκλησίαν συνταράττων διέβαλλε τοὺς στρατηγοὺς, ὅτι χρήμασι πεισθέντες ἐγκατέλιπον τὴν τῶν Ἀκραγαντίνων σωτηρίαν. συγκατηγόρησε δὲ καὶ τῶν ἄλλων τῶν ἐπισημοτάτων πολιτῶν, συνιστὰς αὐτοὺς οἰκείους ὄντας ὀλιγαρχίας. [5] διόπερ συνεβούλευεν αἰρεῖσθαι στρατηγὸς μὴ τοὺς δυνατωτάτους, ἀλλὰ τοὺς εὐνουστάτους καὶ δημοτικούς μᾶλλον: ἐκείνους μὲν γὰρ δεσποτικῶς ἄρχοντας τῶν πολιτῶν καταφρονεῖν τῶν πολλῶν, καὶ τὰς τῆς πατρίδος συμφορᾶς ἰδίας ἡγεῖσθαι προσόδους, τοὺς δὲ ταπεινότερους οὐδὲν πράξειν τῶν τοιούτων, δεδιότας τὴν περὶ αὐτοὺς ἀσθένειαν. 92.

πάντα δὲ πρὸς τὴν τῶν ἀκουόντων προαίρεσιν καὶ τὴν ἰδίαν ἐπιβολὴν

δημηγορήσας οὐ μετρίως ἐξῆρε τὸν τῶν ἐκκλησιαζόντων θυμόν· ὁ γὰρ ἄλλος
καὶ πάσαις μισῶν τοὺς στρατηγοὺς διὰ τὸ δοκεῖν κακῶς προϊστασθαι τοῦ
πολέμου, τότε διὰ τῶν λόγων παροξυνθεὶς παραντίκα τοὺς μὲν ἔλυσεν τῆς
ἀρχῆς, ἐτέρους δ' εἵλατο στρατηγούς, ἐν οἷς καὶ τὸν Διονύσιον, ὃς ἐν ταῖς
πρὸς Καρχηδονίους μάχαις ἀνδρεία δόξας διενηνοχέναι περιβλεπτός ἦν παρὰ
τοῖς Συρακοσίοις. [2] διὸ καὶ μετεωρισθεὶς ταῖς ἐλπίσι πᾶν ἐμνηχανήσατο πρὸς
τὸ γενέσθαι τῆς πατρίδος τύραννος. μετὰ γὰρ τὴν παράληψιν τῆς ἀρχῆς οὔτε
συνήδρευεν ἅμα τοῖς στρατηγοῖς οὔθ' ὅλως συνῆν· ταῦτα δὲ πράττων
διεδίδου λόγον ὡς διαπεμπομένων αὐτῶν πρὸς τοὺς πολεμίους. οὕτω γὰρ
μάλιστα ἤλπιζεν ἐκείνων μὲν περιαιρήσεσθαι τὴν ἐξουσίαν, ἑαυτῷ δὲ μόνῳ
περιστήσιν τὴν στρατηγίαν. [3] ταῦτα δ' αὐτοῦ πράττοντος οἱ μὲν χαριέστατοι
τῶν πολιτῶν ὑπώπτευν τὸ γινόμενον, καὶ κατὰ πάσας τὰς συνόδους
ἐβλασφήμουν αὐτόν, ὁ δὲ δημοτικὸς ὄχλος, ἀγνοῶν τὴν ἐπιβουλὴν, ἐπῆνει καὶ
μόγις ἔφασκε τὴν πόλιν προστάτην εὐρηκέναι βέβαιον. [4] οὐ μὴν ἀλλὰ
πολλάκις ἐκκλησίας συναγομένης περὶ τῆς εἰς τὸν πόλεμον παρασκευῆς,
θεωρήσας τοὺς Συρακοσίους καταπεπληγμένους τὸν ἀπὸ τῶν πολεμίων
φόβον, συνεβούλευε κατάγειν τοὺς φυγάδας· [5] ἄτοπον γὰρ ὑπάρχειν ἐκ μὲν
Ἰταλίας καὶ Πελοποννήσου μεταπέμπεσθαι βοήθειαν παρὰ τῶν ἀλλοτρίων,
τοὺς δὲ πολίτας μὴ βούλεσθαι πρὸς τοὺς ἰδίους κινδύνους
συμπαλαμβάνειν, οὓς — τῶν πολεμίων μεγάλας δωρεὰς ὑπισχνουμένων,
ἂν συστρατεύωσιν — προαιρεῖσθαι μᾶλλον ἐπὶ ξένης ἀλωμένους ἀποθανεῖν
ἢ περὶ ἀλλοτρίον τι κατὰ τῆς πατρίδος βουλευέσασθαι. [6] καὶ γὰρ διὰ τὰς
γεγενημένας ἐν τῇ πόλει στάσεις φυγόντας, νῦν γε τυχόντας ταύτης τῆς
εὐεργεσίας προθύμως ἀγωνιεῖσθαι, τοῖς εὖ ποιήσασιν ἀποδιδόντας χάριτας.
πρὸς δὲ τὴν ὑπόθεσιν ταύτην πολλὰ διαλεχθεὶς οἰκεία τοῖς πράγμασι
συμψήφους ἔλαβε τοὺς Συρακοσίους· οὐδὲ γὰρ τῶν συναρχόντων οὐδεὶς
ἐτόλμα περὶ τούτων ἀντειπεῖν διὰ τε τὴν τοῦ πλήθους ὁρμὴν καὶ διὰ τὸ
θεωρεῖν ἑαυτῷ μὲν περισσομένην τὴν ἀπέχθειαν, ἐκείνῳ δὲ τὴν παρὰ τῶν
εὐεργετηθέντων χάριν. [7] τοῦτο δ' ἔπραξεν ὁ Διονύσιος ἐλπίζων ἰδίους ἔξιν
τοὺς φυγάδας, ἀνθρώπους μεταβολῆς ἐπιθυμοῦντας καὶ πρὸς τὴν ἐπίθεσιν τῆς
τυραννίδος εὐθέτως διακειμένους· ἤμελλον γὰρ ἡδέως ὄψεσθαι τῶν ἐχθρῶν
φόνους, δημεύσεις τῶν οὐσιῶν, ἑαυτοῖς ἀποκαθεσταμένα τὰ χρήματα. καὶ
τέλος κυρωθείσης τῆς περὶ τῶν φυγάδων γνώμης, οὗτοι μὲν εὐθὺς εἰς τὴν
πατρίδα κατήλθον· 93. ἐκ δὲ τῆς Γέλας ἐνεχθέντων γραμμάτων, ὅπως
ἀποσταλῶσι στρατιῶται πλείους, ἔλαβεν ὁ Διονύσιος οἰκείαν ἔφοδον τῆς
ἰδίας προαιρέσεως. ἀποσταλεῖς γὰρ μετὰ στρατιωτῶν πεζῶν μὲν δισχιλίων,
ἵππεων δὲ τετρακοσίων, ἦλθε συντόμως εἰς τὴν πόλιν τῶν Γελῶν, ἦν τότε
παρεφύλαττε Δέξιππος ὁ Λακεδαιμόνιος, κατασταθεὶς ὑπὸ Συρακοσίων. [2] ὁ
δ' οὖν Διονύσιος καταλαβὼν τοὺς εὐπορωτάτους στασιάζοντας πρὸς τὸν
ἄλλον, καὶ κατηγορήσας αὐτῶν ἐν ἐκκλησίᾳ καὶ κατακρίνας, αὐτοὺς μὲν
ἀπέκτεινε, τὰς δ' οὐσίας αὐτῶν ἐδήμευσεν, ἐκ δὲ τῶν χρημάτων τούτων τοῖς
μὲν φρουροῦσι τὴν πόλιν, ὧν ἡγεῖτο Δέξιππος, ἀπέδωκε τοὺς ὀφειλομένους
μισθοὺς· τοῖς δὲ μετ' αὐτοῦ παραγεγονόσιν ἐκ Συρακουσῶν ἐπηγγεῖλατο
διπλοὺς ποιήσιν τοὺς μισθοὺς, ὧν ἡ πόλις ἔταξε. [3] διὰ δὲ τούτου τοῦ τρόπου

τούς τ' ἐν Γέλα στρατιώτας καὶ τοὺς μετ' αὐτοῦ ταῖς εὐνοίαις ἰδίους κατεσκεύασεν. ἐπηνεῖτο δὲ καὶ ὑπὸ τοῦ δήμου τῶν Γελῶν ὡς αἴτιος αὐτοῖς γεγενημένος τῆς ἐλευθερίας: τοῖς γὰρ δυνατωτάτοις φθονοῦντες τὴν ἐκείνων ὑπεροχὴν δεσποτείαν αὐτῶν ἀπεκάλουν. [4] διόπερ ἐξέπεμψαν πρέσβεις τοὺς ἐπαινοῦντας ἐν Συρακούσαις καὶ τὰ ψηφίσματα φέροντας, ἐν οἷς αὐτὸν μεγάλαις δωρεαῖς ἐτίμησαν. ὁ δὲ Διονύσιος ἐπεβάλετο μὲν τὸν Δέξιππον πείθειν κοινωνῆσαι τῆς ἐπιβολῆς: ἐπεὶ δ' οὐ συγκατετίθετο, μετὰ τῶν ἰδίων στρατιωτῶν ἔτοιμος ἦν ἀνακάμπτειν εἰς Συρακούσας. [5] οἱ δὲ Γελῶι πυνθανόμενοι τοὺς Καρχηδονίους μέλλειν μετὰ πάσης τῆς δυνάμεως ἐπὶ πρώτην στρατεύειν τὴν Γέλαν, ἐδέοντο τοῦ Διονυσίου μείναι καὶ μὴ περιδεῖν αὐτοὺς τὰ αὐτὰ τοῖς Ἀκραγαντίνοις παθόντας. οἷς ἐπαγγεिलाμένος ὁ Διονύσιος συντόμως ἤξειν μετὰ πλείονος δυνάμεως, ἐξώρμησεν ἐκ τῆς Γέλας μετὰ τῶν ἰδίων στρατιωτῶν. 94.

Θέας δ' οὔσης ἐν ταῖς Συρακούσαις, κατὰ τὴν ὥραν τῆς ἀπαλλαγῆς τῶν ἐκ τοῦ θεάτρου παρῆν εἰς τὴν πόλιν. συνδραμόντων δὲ τῶν ὄχλων ἐπ' αὐτὸν καὶ πυνθανομένων περὶ τῶν Καρχηδονίων, ἀγνοεῖν αὐτοὺς ἔφη, διότι τῶν ἔξωθεν πολεμιωτέρους ἔχουσι τοὺς ἔνδον τῶν κοινῶν προεστῶτας, οἷς οἱ μὲν πολῖται πιστεύοντες ἐορτάζουσιν, αὐτοὶ δὲ διαφοροῦντες τὰ δημόσια τοὺς στρατιώτας ἀμίσθους πεποιήκασιν, καὶ τῶν πολεμίων ἀνυπερβλήτους ποιουμένων τὰς εἰς τὸν πόλεμον παρασκευὰς καὶ μελλόντων ἐπὶ Συρακούσας τὴν δύναμιν ἄγειν, τούτων οὐδ' ἡντινοῦν ποιοῦνται φροντίδα. [2] δι' ἣν δ' αἰτίαν ταῦτα πράττουσιν, εἰδέναι μὲν καὶ πρότερον, νῦν δὲ σαφέστερον ἀνεγνωκέναι: Ἱμῖλκωνα γὰρ πρὸς αὐτὸν ἀπεσταλκέναι κήρυκα, πρόφασιν μὲν ὑπὲρ τῶν αἰχμαλώτων, παρακαλεῖν δὲ — πληθος τῶν συναρχόντων περιποιησάμενον μηδὲν τῶν πραττομένων πολυπραγμονεῖν — μὴ γ' ἀντιπράττειν, ἐπειδὴ συνεργεῖν οὐ προαιρεῖται. [3] μηκέτ' οὖν βούλεσθαι στρατηγεῖν, ἀλλὰ παρεῖναι τὴν ἀρχὴν ἀποθησόμενος: οὐ γὰρ ἀνεκτὸν εἶναι, τῶν ἄλλων πωλούντων τὴν πατρίδα, μόνον κινδυνεύειν μετὰ τῶν πολιτῶν ἅμα καὶ δόξειν μετεσχηκέναι τῆς προδοσίας. [4] παροξυνθέντων δὲ ἐπὶ τοῖς ῥηθεῖσι καὶ τοῦ λόγου διὰ πάσης τῆς δυνάμεως ῥύνεντος, τότε μὲν εἷς ἕκαστος ἀγωνιῶν εἰς οἶκον ἐχωρίσθη: τῇ δ' ὕστεραία συναχθείσης ἐκκλησίας, ἐν ἣ τῶν ἀρχόντων πολλὰ κατηγορήσας οὐ μετρίως εὐδοκίμησε, τὸν δὲ δῆμον κατὰ τῶν στρατηγῶν παρώξυνε. [5] τέλος δὲ τῶν καθημένων τινὲς ἀνεβόησαν στρατηγὸν αὐτὸν αὐτοκράτορα καθιστάναι καὶ μὴ περιμένειν, ἄχρῃ ἂν οἱ πολέμιοι τοῖς τείχεσιν ἐπιείωσι: χρεῖαν γὰρ ἔχειν τὸ μέγεθος τοῦ πολέμου τοιοῦτου στρατηγοῦ, δι' οὗ δυνατόν εἶναι εὐπορεῖν τοῖς πράγμασιν: τὰ δὲ περὶ τῶν προδοτῶν ἐν ἐκκλησίᾳ ἐτέρα βουλευέσθαι: τῶν γὰρ ἐνεστώτων καιρῶν ἀλλότριον εἶναι: καὶ πρότερον δὲ Καρχηδονίων τὰς τριάκοντα μυριάδας περὶ τὴν ἡμέραν νενικησθαι στρατηγῶντος Γέλωνος αὐτοκράτορος. 95. ταχὺ δὲ τῶν πολλῶν, ὥσπερ εἰώθασιν, ἐπὶ τὸ χεῖρον ῥεπόντων, ὁ Διονύσιος ἀπεδείχθη στρατηγὸς αὐτοκράτωρ. ἐπεὶ δ' οὖν αὐτῷ τὰ πράγματα κατὰ νοῦν ἠκολούθει, ψήφισμα ἔγραψε τοὺς μισθοὺς διπλασίους εἶναι: πάντας γὰρ ἔφησε τούτου γενομένου προθυμοτέρους ἔσεσθαι πρὸς τὸν ἀγῶνα, καὶ περὶ τῶν χρημάτων παρεκάλει μὴθὲν ἀγωνιᾶν: ἔσεσθαι γὰρ αὐτῶν τὸν πόρον ῥάδιον. [2]

διαλυθείσης δὲ τῆς ἐκκλησίας οὐκ ὀλίγοι τῶν Συρακοσίων κατηγόρουσι τῶν πραχθέντων, ὥσπερ οὐκ αὐτοὶ ταῦτα κεκυρωκότες· τοῖς γὰρ λογισμοῖς εἰς ἑαυτοὺς ἐρχόμενοι τὴν ἐσομένην δυναστείαν ἀνεθεώρουσι. οὗτοι μὲν οὖν βεβαιῶσαι βουλόμενοι τὴν ἐλευθερίαν ἔλαθον ἑαυτοὺς δεσπότην τῆς πατρίδος καθεστακότες· [3] ὁ δὲ Διονύσιος τὴν μετάνοιαν τῶν ὄχλων φθάσαι βουλόμενος, ἐπεζήτησε δι' οὗ τρόπου δύναται φύλακας αἰτήσασθαι τοῦ σώματος· τούτου γὰρ συγχωρηθέντος ῥαδίως ἡμελλε κυριεύσειν τῆς τυραννίδος. εὐθὺς οὖν παρήγγειλε τοὺς ἐν ἡλικίᾳ πάντας ἕως ἐτῶν τεσσαράκοντα λαβόντας ἐπισιτισμὸν ἡμερῶν τριάκοντα καταντᾶν μετὰ τῶν ὄπλων εἰς Λεοντίνους. αὕτη δ' ἡ πόλις τότε φρούριον ἦν τῶν Συρακοσίων, πλήρες ὑπάρχον φυγάδων καὶ ξένων ἀνθρώπων. ἥλπιζε γὰρ τούτους συναγωνιστὰς ἔξειν, ἐπιθυμοῦντας μεταβολῆς, τῶν δὲ Συρακοσίων τοὺς πλείστους οὐδ' ἤξειν εἰς Λεοντίνους. [4] οὐ μὴν ἀλλὰ νυκτὸς ἐπὶ τῆς χώρας στρατοπεδεύων, καὶ προσποιηθεὶς ἐπιβουλεύεσθαι, κραυγὴν ἐποίησε καὶ θόρυβον διὰ τῶν ἰδίων οἰκετῶν· τοῦτο δὲ πράξας συνέφυγεν εἰς τὴν ἀκρόπολιν, καὶ διενυκτέρευσε πυρὰ καίων καὶ τοὺς γνωριμωτάτους τῶν στρατιωτῶν μεταπεμπόμενος. [5] ἅμα δ' ἡμέρα τοῦ πλήθους ἀθροισθέντος εἰς Λεοντίνους, πολλὰ πρὸς τὴν τῆς ἐπιβολῆς ὑπόθεσιν πιθανολογήσας ἔπεισε τοὺς ὄχλους δοῦναι φύλακας αὐτῷ τῶν στρατιωτῶν ἑξακοσίους, οὓς ἂν προαιρήται. λέγεται δὲ τοῦτο πράξαι τὸν Διονύσιον ἀπομιμούμενον Πεισίστρατον τὸν Ἀθηναῖον· [6] καὶ γὰρ ἐκεῖνόν φασιν ἑαυτὸν κατατραυματίσαντα προελθεῖν εἰς τὴν ἐκκλησίαν ὡς ἐπιβεβουλευμένον, καὶ διὰ τοῦτο φυλακὴν λαβεῖν παρὰ τῶν πολιτῶν, ἣ χρησάμενον τὴν τυραννίδα περιπεποιηθαι. καὶ τότε Διονύσιος τῇ παραπλησίᾳ μηχανῇ τὸ πλῆθος ἐξαπατήσας ἐνήργει τὰ τῆς τυραννίδος. 96. εὐθὺς γὰρ τοὺς χρημάτων μὲν ἐνδεεῖς, τῇ δὲ ψυχῇ θρασεῖς ἐπιλέξας, ὑπὲρ τοὺς χιλίους, ὅπλοις τε πολυτελέσι καθώπλισε καὶ ταῖς μεγίσταις ἐπαγγελίαις ἐμετεώρισε, τοὺς δὲ μισθοφόρους ἀνακαλούμενος καὶ φιланθρώποις λόγοις χρώμενος ἰδίους κατεσκεύαζεν. μετετίθει δὲ καὶ τὰς τάξεις, τοῖς πιστοτάτοις τὰς ἡγεμονίας παραδιδούς, καὶ Δέξιππον τὸν Λακεδαιμόνιον ἀπέλυσεν εἰς τὴν Ἑλλάδα· ὑφεωρᾶτο γὰρ τὸν ἄνδρα τοῦτον, μὴ καιροῦ λαμβανόμενος ἀνακτῆσθαι τοῖς Συρακοσίοις τὴν ἐλευθερίαν. [2] μετεπέμψατο δὲ καὶ τοὺς ἐν Γέλᾳ μισθοφόρους, καὶ πανταχόθεν συνῆγε τοὺς φυγάδας καὶ ἀσεβεῖς, ἐλπίζων διὰ τούτων βεβαιότατα τηρηθῆσεσθαι τὴν τυραννίδα. οὐ μὴν ἀλλὰ παραγενόμενος εἰς Συρακούσας κατεσκήνωσεν ἐν τῷ ναυστάθμῳ, φανερώς αὐτὸν ἀναδείξας τύραννον. οἱ δὲ Συρακόσιοι βαρέως φέροντες ἠναγκάζοντο τὴν ἡσυχίαν ἔχειν· οὐδὲν γὰρ ἔτι περαίνειν ἠδύναντο· ἢ τε γὰρ πόλις ἔγεμεν ὄπλων ξενικῶν, τοὺς τε Καρχηδονίους ἐδεδοίκεσαν τηλικαύτας ἔχοντας δυνάμεις. [3] ὁ δ' οὖν Διονύσιος εὐθέως ἔγημε τὴν Ἑρμοκράτους θυγατέρα τοῦ καταπολεμήσαντος Ἀθηναίου, καὶ τὴν ἀδελφὴν ἔδωκε Πολυξένῳ τῆς Ἑρμοκράτους γυναικὸς ἀδελφῷ· τοῦτο δ' ἔπραξε βουλόμενος οἰκίαν ἐπίσημον εἰς οἰκειότητα προσλαβέσθαι πρὸς τὸ τὴν τυραννίδα ποιῆσαι βεβαίαν. μετὰ δὲ ταῦτα συναγαγὼν ἐκκλησίαν τῶν ἀντιπραξάντων αὐτῷ τοὺς δυνατωτάτους ὄντας, Δαφναῖον καὶ Δήμαρχον, ἀνείλεν. [4] Διονύσιος μὲν οὖν ἐκ γραμματέως καὶ

τοῦ τυχόντος ιδιώτου τῆς μεγίστης πόλεως τῶν Ἑλληνίδων ἐγενήθη τύραννος· διετήρησε δὲ τὴν δυναστείαν ἄχρι τῆς τελευτῆς, τυραννήσας ἔτη δύο λείποντα τῶν τεσσαράκοντα. τὰς δὲ κατὰ μέρος αὐτοῦ πράξεις καὶ τὴν αὐξήσιν τῆς ἀρχῆς ἐν τοῖς οἰκείοις χρόνοις διέξιμεν· δοκεῖ γὰρ οὗτος μεγίστην τῶν ἱστορουμένων τυραννίδα περιπεποιῆσθαι δι' ἑαυτοῦ καὶ πολυχρονιωτάτην. [5]

οἱ δὲ Καρχηδόνιοι μετὰ τὴν ἄλωσιν τῆς πόλεως τὰ μὲν ἀναθήματα καὶ τοὺς ἀνδριάντας καὶ τᾶλλα τὰ πολυτελέστατα μετήνεγκαν εἰς Καρχηδόνα, τὰ δ' ἱερὰ κατακαύσαντες καὶ τὴν πόλιν διαρπάσαντες αὐτοῦ παρεχέμασαν. ἐπὶ δὲ τὴν ἑαρινὴν ὥραν παρεσκευάζοντο μηχανήματα καὶ βέλη παντοδαπά, διανοοῦμενοι πρῶτην πολιορκῆσαι τὴν τῶν Γελῶν πόλιν. 97.

τούτων δὲ πραττομένων Ἀθηναῖοι μὲν κατὰ τὸ συνεχὲς ἐλαττώμασι περιπίπτοντες, ἐποίησαντο πολίτας τοὺς μετοίκους καὶ τῶν ἄλλων ξένων τοὺς βουλομένους συναγωνίσασθαι· ταχὺ δὲ πολλοῦ πλήθους πολιτογραφθέντος, οἱ στρατηγοὶ κατέγραφον τοὺς εὐθέτους εἰς τὴν στρατείαν. παρεσκευάσαντο δὲ ναὺς ἐξήκοντα, καὶ ταύτας πολυτελῶς καταρτίσαντες ἐξέπλευσαν εἰς Σάμον, ἐν ᾗ κατέλαβον τοὺς ἄλλους στρατηγοὺς ἀπὸ τῶν ἄλλων νήσων ὀγδοήκοντα τριῆρεις ἡθροικότας. [2] δεηθέντες δὲ καὶ τῶν Σαμίων προσπληρῶσαι δέκα τριῆρεις, ἀνήχθησαν ἀπάσαις ταῖς ναυσὶν οὖσαι ἑκατὸν πεντήκοντα, καὶ κατέπλευσαν εἰς τὰς Ἀργινούσας νήσους, σπεύδοντες λῦσαι τὴν Μιτυλήνης πολιορκίαν. [3] ὁ δὲ τῶν Λακεδαιμονίων ναύαρχος Καλλικρατίδας πυθόμενος τὸν κατάπλουν τῶν νεῶν, ἐπὶ μὲν τῆς πολιορκίας κατέλιπεν Ἑτεόνικον μετὰ τῆς πεζῆς δυνάμεως, αὐτὸς δὲ πληρώσας ναὺς ἑκατὸν τεσσαράκοντα κατὰ σπουδὴν ἀνήχθη τῶν Ἀργινουσῶν περὶ θάτερα μέρη· αἱ νῆσοι τότε ἦσαν οἰκούμεναι καὶ πολισμάτιον Αἰολικὸν ἔχουσαι, κείμεναι μετὰ Μιτυλήνης καὶ Κύμης, ἀπέχουσαι τῆς ἡπείρου βραχὺ παντελῶς καὶ τῆς ἄκρας τῆς Κανίδος. [4] οἱ δ' Ἀθηναῖοι τὸν μὲν κατάπλουν τῶν πολεμίων εὐθέως ἔγνωσαν, οὐ μακρὰν ὁρμοῦντες, διὰ δὲ τὸ μέγεθος τῶν πνευμάτων τὸ μὲν ναυμαχεῖν ἀπέγνωσαν, εἰς δὲ τὴν ἐχομένην ἡμέραν ἡτοιμάζοντο τὰ πρὸς τὴν ναυμαχίαν, τὸ αὐτὸ ποιοῦντων καὶ τῶν Λακεδαιμονίων, καίπερ ἀμφοτέροις ἀπαγορευόντων τῶν μάντεων. [5] τοῖς μὲν γὰρ Λακεδαιμονίοις ἡ τοῦ θύματος κεφαλὴ κείμενη παρὰ τὸν αἰγιαλὸν ἀφανὴς ἐγεγόνει, προσκλύζοντος τοῦ κύματος· διόπερ ὁ μάντις προύλεγε, διότι τελευτήσῃ ναυμαχῶν ὁ ναύαρχος· οὗ ῥηθέντος φασὶ τὸν Καλλικρατίδαν εἰπεῖν, ὅτι τελευτήσας κατὰ τὴν μάχην οὐδὲν ἄδοξοτέραν ποιήσει τὴν Σπάρτην. [6] τῶν δ' Ἀθηναίων ὁ στρατηγὸς Θρασύβουλος, ὃς ἦν ἐπὶ τῆς ἡγεμονίας ἐκείνην τὴν ἡμέραν, εἶδε κατὰ τὴν νύκτα τοιαύτην ὄψιν· ἔδοξεν Ἀθήνησι τοῦ θεάτρου πλήθοντος αὐτὸς τε καὶ τῶν ἄλλων στρατηγῶν ἐξ ὑποκρίνεσθαι τραγωδίαν Εὐριπίδου Φοινίσσας· τῶν δ' ἀντιπάλων ὑποκρινόμενων τὰς Ἰκέτιδας δόξαι τὴν Καδμεῖαν νίκην αὐτοῖς περιγενέσθαι, καὶ πάντα ἀποθανεῖν μιμουμένους τὰ πράγματα τῶν ἐπὶ τὰς Θήβας στρατευσάντων. [7] ἀκούσας δ' ὁ μάντις ταῦτα διεσάφει τοὺς ἑπτὰ τῶν στρατηγῶν ἀναιρεθῆσεσθαι. τῶν δ' ἱερῶν φερόντων νίκην, οἱ στρατηγοὶ περὶ μὲν τῆς ἑαυτῶν ἀπωλείας ἐκώλυον ἑτέροις ἀπαγγέλλειν, περὶ δὲ τῆς ἐν τοῖς

ἱεροῖς νίκης ἀνήγγειλαν καθ' ὅλην τὴν δύναμιν. 98.

Καλλικρατίδας δ' ὁ ναύαρχος συναγαγὼν τὰ πλήθη καὶ παραθαρσύνας τοῖς οἰκείοις λόγοις, τὸ τελευταῖον εἶπεν: εἰς τὸν ὑπὲρ τῆς πατρίδος κίνδυνον οὕτως εἰμὶ πρόθυμος αὐτός, ὥστε τοῦ μάντεως λέγοντος διὰ τῶν ἱερείων ὑμῖν μὲν προσημαίνεσθαι νίκην, ἐμοὶ δὲ θάνατον, ὅμως ἔτοιμός εἰμι τελευτᾶν. εἰδὼς οὖν μετὰ τὸν τῶν ἡγεμόνων θάνατον ἐν θορύβῳ τὰ στρατόπεδα γινόμενα, νῦν ἀναδεικνύω ναύαρχον, ἂν ἐγὼ τι πάθω, τὸν διαδεξόμενον **Κλέαρχον**, ἄνδρα πεῖραν δεδωκότα τῶν κατὰ τὸν πόλεμον ἔργων. [2] ὁ μὲν οὖν **Καλλικρατίδας** ταῦτ' εἰπὼν οὐκ ὀλίγους ἐποίησε ζηλῶσαι τὴν ἀρετὴν αὐτοῦ καὶ προθυμότερους γενέσθαι πρὸς τὴν μάχην. καὶ **Λακεδαιμόνιοι** μὲν παρακαλοῦντες ἀλλήλους ἀνέβαινον εἰς τὰς ναῦς: οἱ δ' Ἀθηναῖοι, παρακληθέντες ὑπὸ τῶν στρατηγῶν εἰς τὸν ἀγῶνα, κατὰ σπουδὴν ἐπλήρουν τὰς τριήρεις καὶ πάντες εἰς τάξιν καθίσταντο. [3] τοῦ μὲν οὖν δεξιοῦ κέρατος **Θράσυλλος** ἡγεῖτο καὶ **Περικλῆς** ὁ **Περικλέους** τοῦ **προσαγορευθέντος** κατὰ τὴν δύναμιν **Ὀλυμπίου**: συμπαρέλαβε δὲ καὶ **Θηραμένην** εἰς τὸ δεξιὸν κέρασ, ἐφ' ἡγεμονίας τάξας: ὃς ἰδιώτης ὢν μὲν **συνεστράτευε** τότε, πρότερον δὲ πολλὰκις ἦν ἀφηγημένος δυνάμεων: τοὺς δ' ἄλλους στρατηγοὺς παρ' ὅλην τὴν φάλαγγα διέταξε, καὶ τὰς καλουμένας Ἀργινούσας νήσους συμπεριέλαβε τῇ τάξει, σπεύδων ὅτι πλεῖστον παρεκτεῖναι τὰς ναῦς. [4] ὁ δὲ **Καλλικρατίδας** ἀνήχθη τὸ μὲν δεξιὸν μέρος αὐτὸς ἔχων, τὸ δ' εὐώνυμον παρέδωκε **Βοιωτοῖς**, ὧν **Θρασώνδας** ὁ **Θηβαῖος** τὴν ἡγεμονίαν ἔσχεν. οὐ δυνάμενος δὲ τὴν τάξιν ἐξισῶσαι τοῖς πολεμίοις διὰ τὸ τὰς νήσους πολὺν ἐπέχειν τόπον, διείλατο τὴν δύναμιν, καὶ δύο ποιήσας στόλους πρὸς ἑκάτερον μέρος δίχα διηγωνίζετο. [5] διὸ καὶ παρείχετο μεγάλην κατάπληξιν πολλαχῇ τοῖς θεωμένοις, ὥς ἂν τεττάρων μὲν στόλων ναυμαχοῦντων, τῶν δὲ νεῶν συνηθροισμένων εἰς ἓνα τόπον οὐ πολλαῖς ἐλάττω τῶν τριακοσίων: μεγίστη γὰρ αὕτη μνημονεύεται ναυμαχία γεγενημένη Ἑλλήσι πρὸς Ἑλληνας. 99. ἅμα δ' οἱ τε ναύαρχοι τοῖς σαλπικταῖς παρεκελεύοντο σημαίνειν καὶ τὸ παρ' ἑκατέροις πλήθος ἐναλλάξ ἐπαλαλάζον ἐξαΐσιον ἐποίει βοήν: πάντες δὲ μετὰ σπουδῆς ἐλαύνοντες τὸ ρόθιον ἐφιλοτιμοῦντο πρὸς ἀλλήλους, ἐκάστου σπεύδοντος πρώτου κατάρξασθαι τῆς μάχης. [2] ἔμπειροί τε γὰρ ἦσαν τῶν κινδύνων οἱ πλεῖστοι διὰ τὸ μῆκος τοῦ πολέμου καὶ σπουδὴν ἀνυπερβλήτον εἰσεφέροντο διὰ τὸ τοὺς κρατίστους εἰς τὸν ὑπὲρ τῶν ὅλων ἀγῶνα συνηθροῖσθαι: πάντες γὰρ ὑπελάμβανον τοὺς ταύτῃ τῇ μάχῃ νικήσαντας πέρας ἐπιθήσειν τῷ πολέμῳ. [3] οὐ μὴν ἀλλ' ὁ **Καλλικρατίδας** ἀκηκοὺς τοῦ μάντεως τὴν περὶ αὐτὸν ἐσομένην τελευτήν, ἔσπευδεν ἐπιφανέστατον ἑαυτῷ περιποιήσασθαι θάνατον. διόπερ πρῶτος ἐπὶ τὴν **Λυσίου** τοῦ στρατηγοῦ ναῦν ἐπιπλεύσας, καὶ σὺν ταῖς ἅμα πλεούσαις τριήρεσιν ἐξ ἐφόδου τρώσας, κατέδυσε: τῶν δ' ἄλλων τὰς μὲν τοῖς ἐμβόλοις τύπτων ἄπλους ἐποίει, τῶν δὲ τοὺς ταρσοὺς παρασύρων ἀχρήστους ἀπετέλει πρὸς τὴν μάχην. [4] τὸ δὲ τελευταῖον δοὺς ἐμβολὴν τῇ τοῦ **Περικλέους** τριήρει βιαίτερον, τῆς μὲν τριήρους ἐπὶ πολὺν ἀνέρρηξε τόπον, τοῦ δὲ στόματος ἐναρμοσθέντος εἰς τὴν **λακίδα**, καὶ μὴ δυναμένων αὐτῶν ἀνακρούσασθαι, **Περικλῆς** μὲν ἐπέβαλε τῇ τοῦ **Καλλικρατίδα** νηὶ **σιδηρὰν** χεῖρα, **προσαφθείσης** δ' αὐτῆς οἱ μὲν Ἀθηναῖοι **περιστάντες** τὴν ναῦν

εἰσὶ ἄλλοι, καὶ περιχυθέντες τοὺς ἐν αὐτῇ πάντα ἀπέσφαξαν. [5] τότε δὴ φασὶ τὸν Καλλικρατίδαν λαμπρῶς ἀγωνισάμενον καὶ πολλὸν ἀντισχόντα χρόνον, τὸ τελευταῖον ὑπὸ τοῦ πλήθους πανταχόθεν τιτρωσκόμενον καταπονηθῆναι. ὥς δὲ τὸ περὶ τὸν ναύαρχον ἐλάττωμα συμφανὲς ἐγένετο, συνέβη τοὺς Πελοποννησίους δεῖσαντας ἐγκλίνειν. [6] τοῦ δὲ δεξιοῦ μέρους τῶν Πελοποννησίων φυγόντος, οἱ τὸ λαῖον ἔχοντες Βοιωτοὶ χρόνον μὲν τινα διεκαρτέρουν εὐρώστως ἀγωνιζόμενοι· εὐλαβοῦντο γὰρ αὐτοὶ τε καὶ οἱ συγκινδυνεύοντες Εὐβοεῖς καὶ πάντες οἱ τῶν Ἀθηναίων ἀφεστηκότες, μήποτε Ἀθηναῖοι τὴν ἀρχὴν ἀνακτησάμενοι τιμωρίαν παρ' αὐτῶν λάβωσιν ὑπὲρ τῆς ἀποστάσεως· ἐπειδὴ δὲ τὰς πλείστας ναῦς ἐώρων τετρωμένας καὶ τὸ πλῆθος τῶν νικόντων ἐπ' αὐτοὺς ἐπιστραφέν, ἠναγκάσθησαν φυγεῖν. τῶν μὲν οὖν Πελοποννησίων οἱ μὲν εἰς Χίον, οἱ δ' εἰς Κύμην διεσώθησαν. 100.

οἱ δ' Ἀθηναῖοι διώξαντες ἐφ' ἱκανὸν τοὺς ἡττημένους πάντα τὸν σύνεγγυς τόπον τῆς θαλάττης ἐπλήρωσαν νεκρῶν καὶ ναυαγίων. μετὰ δὲ ταῦτα τῶν στρατηγῶν οἱ μὲν ᾤοντο δεῖν τοὺς τετελευτηκότας ἀναιρεῖσθαι διὰ τὸ χαλεπῶς διατίθεσθαι τοὺς Ἀθηναίους ἐπὶ τοῖς ἀτάφους περιορῶσι τοὺς τετελευτηκότας, οἱ δ' ἔφασαν δεῖν ἐπὶ τὴν Μιτυλήνην πλεῖν καὶ τὴν ταχίστην λῦσαι τὴν πολιορκίαν. [2] ἐπεγενήθη δὲ καὶ χειμῶν μέγας, ὥστε σαλεύεσθαι τὰς τριήρεις, καὶ τοὺς στρατιώτας διὰ τε τὴν ἐκ τῆς μάχης κακοπάθειαν καὶ διὰ τὸ μέγεθος τῶν κυμάτων ἀντιλέγειν πρὸς τὴν ἀναίρεσιν τῶν νεκρῶν. [3] τέλος δὲ τοῦ χειμῶνος ἐπιτείνοντος οὔτε ἐπὶ τὴν Μιτυλήνην ἔπλευσαν οὔτε τοὺς τετελευτηκότας ἀνείλαντο, βιασθέντες δὲ ὑπὸ τῶν πνευμάτων εἰς Ἀργινοῦσας κατέπλευσαν. ἀπώλοντο δὲ ἐν τῇ ναυμαχίᾳ τῶν μὲν Ἀθηναίων ναῦς εἴκοσι πέντε καὶ τῶν ἐν αὐταῖς οἱ πλείστοι, τῶν δὲ Πελοποννησίων ἐπὶ πρὸς ταῖς ἑβδομήκοντα· [4] διόπερ τοσοῦτων νεῶν καὶ τῶν ἐν αὐταῖς γεγενημένων ἀνδρῶν ἀπολωλότων ἐπλήσθη τῆς Κυμαίων καὶ Φωκαέων ἢ παραθαλάττιος χώρα νεκρῶν καὶ ναυαγίων. [5] ὁ δὲ τὴν Μιτυλήνην πολιορκῶν Ἑτερόνικος πυθόμενός τις τῶν Πελοποννησίων ἦτταν, τὰς μὲν ναῦς εἰς Χίον ἔπεμψε, τὴν δὲ πεζὴν δύναμιν αὐτὸς ἔχων εἰς τὴν Πυρραίων πόλιν ἀπεχώρησεν, οὗσαν σύμμαχον· ἐδεδοίκει γάρ, μήποτε τῷ στόλῳ πλευσάντων τῶν Ἀθηναίων ἐπ' αὐτοὺς καὶ τῶν ἐκ τῆς πόλεως ἐπεξελθόντων κινδυνεύσει τὴν δύναμιν ἀποβαλεῖν ἅπασαν. [6] οἱ δὲ τῶν Ἀθηναίων στρατηγοὶ πλεύσαντες εἰς Μιτυλήνην καὶ τὸν Κόνωνα μετὰ τῶν τεσσαράκοντα νεῶν παραλαβόντες εἰς Σάμον κατέπλευσαν, κάκειθεν ὁρμώμενοι τὴν τῶν πολεμίων χώραν ἐπόρθουν. [7] μετὰ δὲ ταῦτα οἱ περὶ τὴν Αἰολίδα καὶ τὴν Ἰωνίαν καὶ τὰς νήσους τὰς συμμαχοῦσας Λακεδαιμονίοις συνῆλθον εἰς Ἔφεσον, καὶ βουλευομένοις αὐτοῖς ἔδοξεν ἀποστέλλειν εἰς Σπάρτην καὶ Λύσανδρον αἰτεῖσθαι ναύαρχον· οὗτος γὰρ ἐν τε τῷ τῆς ναυαρχίας χρόνῳ κατωρθωκὸς ἦν πολλὰ καὶ ἐδόκει διαφέρειν στρατηγία τῶν ἄλλων. [8] οἱ δὲ Λακεδαιμόνιοι νόμον ἔχοντες δις τὸν αὐτὸν μὴ ἐμπειν, καὶ τὸ πάτριον ἔθος μὴ θέλοντες καταλύειν, Ἄρακον μὲν εἵλοντο ναύαρχον, τὸν δὲ Λύσανδρον ἰδιώτην αὐτῷ συνεξέπεμψαν, προστάξαντες ἀκούειν ἅπαντα τούτου. οὗτοι μὲν ἐκπεμφθέντες ἐπὶ τὴν ἡγεμονίαν ἐκ τε τῆς Πελοποννήσου καὶ παρὰ τῶν συμμάχων τριήρεις ἡθροίζον ὅσας ἠδύναντο πλείστας. 101.

Ἀθηναῖοι δὲ πυθόμενοι τὴν ἐν ταῖς Ἀργινοῦσαις εὐημερίαν ἐπὶ μὲν τῇ νίκῃ τοὺς στρατηγούς ἐπήνουν, ἐπὶ δὲ τῷ περιδεῖν ἀτάφους τοὺς ὑπὲρ τῆς ἡγεμονίας τετελευτηκότας χαλεπῶς διετέθησαν. [2] Θηραμένους δὲ καὶ Θρασυβούλου προαπεληλυθότων εἰς Ἀθήνας, ὑπολαβόντες οἱ στρατηγοὶ τοὺτους εἶναι τοὺς διαβαλόντας πρὸς τὰ πλήθη περὶ τῶν τελευτησάντων, ἀπέστειλαν κατ' αὐτῶν ἐπιστολὰς πρὸς τὸν δῆμον, διασαφοῦντες ὅτι τοῦτοις ἐπέταξαν ἀνελέσθαι τοὺς τελευτήσαντας: ὅπερ μάλιστ' αὐτοῖς αἴτιον ἐγενήθη τῶν κακῶν. [3] δυνάμενοι γὰρ ἔχειν συναγωνιστὰς εἰς τὴν κρίσιν τοὺς περὶ Θηραμένην, ἄνδρας καὶ λόγῳ δυνατοὺς καὶ φίλους πολλοὺς ἔχοντας, καὶ τὸ μέγιστον, συμπαραγεγονότας τοῖς εἰς τὴν ναυμαχίαν πράγμασιν, ἐκ τῶν ἐναντίων ἔσχον ἀντιδίκους καὶ πικροὺς κατηγοροὺς. [4] ἀναγνωσθεῖσῶν γὰρ ἐν τῷ δήμῳ τῶν ἐπιστολῶν εὐθὺς μὲν τοῖς περὶ Θηραμένην ὠργίζετο τὰ πλήθη, τούτων δὲ ἀπολογησαμένων συνέβη τὴν ὀργὴν πάλιν μεταπεσεῖν εἰς τοὺς στρατηγούς. [5] διόπερ ὁ δῆμος προέθηκεν αὐτοῖς κρίσιν, καὶ Κόνωνα μὲν ἀπολύσας τῆς αἰτίας προσέταξε τούτῳ τὰς δυνάμεις παραδίδοσθαι, τοὺς δ' ἄλλους ἐψηφίσατο τὴν ταχίστην ἡκεῖν. ὦν Ἀριστογένης μὲν καὶ Πρωτόμαχος φοβηθέντες τὴν ὀργὴν τοῦ πλήθους ἔφυγον, Θράσυλλος δὲ καὶ Καλλιάδης, ἔτι δὲ Λυσίας καὶ Περικλῆς καὶ Ἀριστοκράτης μετὰ τῶν πλείστων νεῶν κατέπλευσαν εἰς τὰς Ἀθήνας, ἐλπίζοντες τοὺς ἐν ταῖς ναυσὶ πολλοὺς ὄντας βοηθοὺς ἔξειν ἐν τῇ κρίσει. [6] ὥς δ' εἰς τὴν ἐκκλησίαν τὰ πλήθη συνῆλθον, τῆς μὲν κατηγορίας καὶ τῶν πρὸς χάριν δημηγορούντων ἤκουον, τοὺς δ' ἀπολογουμένους συνθορυβοῦντες οὐκ ἠνείχοντο τῶν λόγων. οὐκ ἐλάχιστα δ' αὐτοὺς ἔβλαψαν οἱ συγγενεῖς τῶν τετελευτηκότων, παρελθόντες μὲν εἰς τὴν ἐκκλησίαν ἐν πενθίμοις, δεόμενοι δὲ τοῦ δήμου τιμωρῆσασθαι τοὺς περιεωρακότας ἀτάφους τοὺς ὑπὲρ τῆς πατρίδος προθύμως τετελευτηκότας. [7] τέλος δ' οἱ τε τούτων φίλοι καὶ οἱ τοῖς περὶ Θηραμένην συναγωνιζόμενοι πολλοὶ καθεστῶτες ἐνίσχυσαν, καὶ συνέβη καταδικασθῆναι τοὺς στρατηγούς θανάτῳ καὶ δημεῦσαι τῶν οὐσιῶν. 102. τούτων δὲ κυρωθέντων, καὶ μελλόντων αὐτῶν ὑπὸ τῶν δημοσίων ἐπὶ τὸν θάνατον ἄγεσθαι, Διομέδων εἷς τῶν στρατηγῶν παρῆλθεν εἰς τὸ μέσον, ἀνὴρ καὶ τὰ περὶ τὸν πόλεμον ἔμπρακτος καὶ δικαιοσύνη τε καὶ ταῖς ἄλλαις ἀρεταῖς δοκῶν διαφέρειν. [2] σιωπησάντων δὲ πάντων εἶπεν: ἄνδρες Ἀθηναῖοι, τὰ μὲν περὶ ἡμῶν κυρωθέντα συνενέγκαι τῇ πόλει: τὰς δὲ ὑπὲρ τῆς νίκης εὐχὰς ἐπειδὴ περ ἡ τύχη κεκώλυκεν ἡμᾶς ἀποδοῦναι, καλῶς ἔχον ὑμᾶς φροντίσαι, καὶ τῷ Διὶ τῷ σωτῆρι καὶ Ἀπόλλωνι καὶ ταῖς σεμναῖς θεαῖς ἀπόδοτε: τούτοις γὰρ εὐξάμενοι τοὺς πολεμίους κατεναυμαχίσσαμεν. [3] ὁ μὲν οὖν Διομέδων ταῦτα διαλαχθεὶς ἐπὶ τὸν κυρωθέντα θάνατον ἀπήγετο μετὰ τῶν ἄλλων στρατηγῶν, τοῖς ἀγαθοῖς τῶν πολιτῶν πολὺν οἶκτον παραστήσας καὶ δάκρυα: τὸν γὰρ ἀδίκως τελευτᾶν μέλλοντα τοῦ μὲν καθ' αὐτὸν πάθους μὴδ' ἠντινοῦν ποιεῖσθαι μνείαν, ὑπὲρ δὲ τῆς ἀδικούσης πόλεως ἀξιοῦν τὰς εὐχὰς ἀποδιδόναι τοῖς θεοῖς, ἐφαίνεται' ἄνδρὸς εὐσεβοῦς ἔργον καὶ μεγαλοψύχου καὶ τῆς περὶ αὐτὸν τύχης ἀναξίου. [4] τούτους μὲν οὖν οἱ ταχθέντες ὑπὸ τῶν νόμων ἔνδεκα ἄρχοντες ἀπέκτειναν, οὐχ οἷον ἡδικηκότας τι τὴν πόλιν, ἀλλὰ ναυμαχίαν μεγίστην τῶν Ἑλληνσι πρὸς Ἑλληνας γεγεννημένων νενικηκότας καὶ ἐν ἄλλαις μάχαις

λαμπρῶς ἡγωνισμένους, καὶ διὰ τὰς ἰδίας ἀρετὰς τρόπαια κατὰ τῶν πολεμίων ἐστακότας. [5] οὕτως δ' ὁ δῆμος τότε παρεφρόνησε, καὶ παροξυνθεὶς ἀδίκως ὑπὸ τῶν δημαγωγῶν τὴν ὀργὴν ἀπέσκηπεν εἰς ἄνδρας οὐ τιμωρίας, ἀλλὰ πολλῶν ἐπαίνων καὶ στεφάνων ἀξίους. 103. ταχὺ δὲ καὶ τοῖς πείσασι καὶ τοῖς πεισθεῖσι μετεμέλησεν, οἷονεὶ νεμεσήσαντος τοῦ δαιμονίου: οἱ μὲν γὰρ ἐξαπατηθέντες ἐπίχειρα τῆς ἀγνοίας ἔλαβον μετ' οὐ πολὺν χρόνον καταπολεμηθέντες οὐχ ὑφ' ἐνὸς δεσπότου μόνον, ἀλλὰ τριάκοντα: [2] ὁ δ' ἐξαπατήσας καὶ τὴν γνώμην εἰπὼν Καλλιζενος εὐθὺ τοῦ πλήθους μεταμεληθέντος εἰς αἰτίαν ἦλθεν ὡς τὸν δῆμον ἐξηπατηκῶς: οὐκ ἀξιοθεὶς δ' ἀπολογίας ἐδέθη, καὶ καταβληθεὶς εἰς τὴν δημοσίαν φυλακὴν ἔλαθε μετὰ τινων διορύξας τὸ δεσμοκτήριον καὶ διαδράς πρὸς τοὺς πολεμίους εἰς Δεκέλειαν, ὅπως διαφυγὼν τὸν θάνατον μὴ μόνον Ἀθήνησιν, ἀλλὰ καὶ παρὰ τοῖς ἄλλοις Ἑλλήσι δακτυλοδεικτουμένην ἔχη τὴν πονηρίαν παρ' ὅλον τὸν βίον. [3]

Τὰ μὲν οὖν κατὰ τοῦτον τὸν ἐνιαυτὸνπραχθέντα σχεδὸν ταῦτ' ἐστίν. τῶν δὲ συγγραφέων Φίλιστος τὴν πρώτην σύνταξιν τῶν Σικελικῶν εἰς τοῦτον τὸν ἐνιαυτὸν κατέστροφεν, εἰς τὴν Ἀκράγαντος ἄλωσιν, ἐν βύβλοις ἑπτὰ διελθὼν χρόνον ἐτῶν πλείω τῶν ὀκτακοσίων, τῆς δὲ δευτέρας συντάξεως τὴν μὲν ἀρχὴν ἀπὸ τῆς τῆς προτέρας τελευτῆς πεποιήται, γέγραφε δὲ βύβλους τέσσαρας. [4] περὶ δὲ τὸν αὐτὸν χρόνον ἐτελεύτησε Σοφοκλῆς ὁ Σοφίλου, ποιητῆς τραγωδιῶν, ἔτη βιώσας ἐνενήκοντα, νίκας δ' ἔχων ὀκτωκαίδεκα. φασὶ δὲ τὸν ἄνδρα τοῦτον τὴν ἐσχάτην τραγωδίαν εἰσαγαγόντα καὶ νικήσαντα χαρὰ περιπεσεῖν ἀνυπερβλήτῳ, δι' ἣν καὶ τελευτῆσαι. [5] Ἀπολλόδορος δ' ὁ τὴν χρονικὴν σύνταξιν πραγματευσάμενός φησι καὶ τὸν Εὐριπίδην κατὰ τὸν αὐτὸν ἐνιαυτὸν τελευτῆσαι: τινὲς δὲ λέγουσι παρ' Ἀρχελάῳ τῷ βασιλεῖ Μακεδόνων κατὰ τὴν χώραν ἐξελθόντα κυσὶ περιπεσεῖν καὶ διασπασθῆναι μικρῷ πρόσθεν τούτων τῶν χρόνων. 104.

τοῦ δ' ἔτους τούτου διελθόντος Ἀθήνησι μὲν ἦρχεν Ἀλεξίας, ἐν δὲ τῇ Ῥώμῃ ἀντὶ τῶν ὑπάτων τρεῖς χιλίαρχοι κατεστάθησαν, Γάιος Ἰούλιος, Πούπλιος Κορνήλιος, Γάιος Σερουίλιος. τούτων δὲ τὴν ἀρχὴν παραλαβόντων Ἀθηναῖοι μετὰ τὴν ἀναίρεσιν τῶν στρατηγῶν ἐπὶ τὴν ἡγεμονίαν ἔταξαν Φιλοκλέα, καὶ τὸ ναυτικὸν αὐτῷ παραδόντες ἐξέπεμψαν πρὸς Κόνωνα, προστάξαντες κοινῶς ἀφηγεῖσθαι τῶν δυνάμεων. [2] ὃς ἐπεὶ κατέπλευσε πρὸς Κόνωνα εἰς Σάμον, τὰς ναῦς ἀπάσας ἐπλήρωσεν, οὔσας τρεῖς πρὸς ταῖς ἑκατὸν ἐβδομήκοντα. τούτων εἴκοσι μὲν ἔδοξεν αὐτοῦ καταλιπεῖν, ταῖς δ' ἄλλαις ἀπάσαις ἀνήχθησαν εἰς Ἑλλήσποντον, ἡγουμένου Κόνωνος καὶ Φιλοκλέους. [3] Λύσανδρος δ' ὁ τῶν Λακεδαιμονίων ναύαρχος ἐκ Πελοποννήσου παρὰ τῶν ἐγγὺς συμμάχων τριάκοντα πέντε ναῦς ἀθροίσας κατέπλευσεν εἰς Ἐφεσον. μεταπεμψάμενος δὲ καὶ τὸν ἐκ Χίου στόλον ... ἐξήρτυεν: ἀνέβη δὲ καὶ πρὸς Κῦρον τὸν Δαρείου τοῦ βασιλέως υἱόν, καὶ χρήματα πολλὰ παρέλαβε πρὸς τὰς τῶν στρατιωτῶν διατροφάς. [4] ὁ δὲ Κῦρος, μεταπεμπομένου τοῦ πατρὸς αὐτὸν εἰς Πέρσας, τῷ Λυσάνδρῳ τῶν ὑφ' αὐτὸν πόλεων τὴν ἐπιστάσιαν παρέδωκε καὶ τοὺς φόρους τούτῳ τελεῖν συνέταξεν. ὁ δὲ Λύσανδρος πάντων τῶν εἰς πόλεμον εὐπορήσας εἰς Ἐφεσον ἀνέστρεψεν.

[5] καθ' ὃν δὴ χρόνον ἐν τῇ Μιλήτῳ τινὲς ὀλιγαρχίας ὀρεγόμενοι κατέλυσαν τὸν δῆμον, συμπραξάντων αὐτοῖς Λακεδαιμονίων. καὶ τὸ μὲν πρῶτον Διονυσίων ὄντων ἐν ταῖς οἰκίαις τοὺς μάλιστα ἀντιπράττοντας συνήρπασαν καὶ περὶ τεσσαράκοντα ὄντας ἀπέσφαξαν, μετὰ δέ, τῆς ἀγορᾶς πληθούσης, τριακοσίους ἐπιλέξαντες τοὺς εὐπορωτάτους ἀνείλον. [6] οἱ δὲ χαριέστατοι τῶν τὰ τοῦ δήμου φρονούντων, ὄντες οὐκ ἐλάττους χιλίων, φοβηθέντες τὴν περίστασιν ἔφυγον πρὸς Φαρνάβαζον τὸν σατράπην· οὗτος δὲ φιλοφρόνως αὐτοὺς δεξάμενος, καὶ στατήρα χρυσοῦν ἐκάστω δωρησάμενος, κατόκισεν εἰς Βλαῦδα, φρούριόν τι τῆς Λυδίας. [7] Λύσανδρος δὲ μετὰ τῶν πλείστων νεῶν ἐπὶ Ἰασον τῆς Καρίας πλεύσας, κατὰ κράτος αὐτὴν εἵλεν Ἀθηναίοις συμμαχοῦσαν, καὶ τοὺς μὲν ἡβῶντας ὀκτακοσίους ὄντας ἀπέσφαξε, παῖδας δὲ καὶ γυναῖκας λαφυροπωλήσας κατέσκαψε τὴν πόλιν. [8] μετὰ δὲ ταῦτ' ἐπὶ τὴν Ἀττικὴν καὶ πολλοὺς τόπους πλεύσας μέγα μὲν οὐδὲν οὐδ' ἄξιον μνήμης ἔπραξε· διὸ καὶ ταῦτα μὲν οὐκ ἀναγράφειν ἐσπουδάσαμεν· τὸ δὲ τελευταῖον Λάμψακον ἐλὼν τὴν μὲν Ἀθηναίων φρουρὰν ἀφῆκεν ὑπόσπονδον, τὰς δὲ κτήσεις ἀρπάσας τοῖς Λαμψακηνοῖς ἀπέδωκε τὴν πόλιν. 105.

οἱ δὲ τῶν Ἀθηναίων στρατηγοὶ πυθόμενοι τοὺς Λακεδαιμονίους πάσῃ τῇ δυνάμει πολιορκεῖν Λάμψακον, συνήγαγόν τε πανταχόθεν τριήρεις καὶ κατὰ σπουδὴν ἀνήχθησαν ἐπ' αὐτοὺς ναυσὶν ἑκατὸν ὀγδοήκοντα. [2] εὐρόντες δὲ τὴν πόλιν ἡλωκυῖαν, τότε μὲν ἐν Αἰγὸς ποταμοῖς καθώρμισαν τὰς ναῦς, μετὰ δὲ ταῦτ' ἐπιπλέοντες τοῖς πολεμίοις καθ' ἡμέραν εἰς ναυμαχίαν προεκαλοῦντο. οὐκ ἀνταναγομένων δὲ τῶν Πελοποννησίων, οἱ μὲν Ἀθηναῖοι διηπόρουν ὅ,τι χρήσονται τοῖς πράγμασιν, οὐ δυνάμενοι τὸν πλείω χρόνον ἐκεῖ διατρέφειν τὰς δυνάμεις. [3] Ἀλκιβιάδου δὲ πρὸς αὐτοὺς ἐλθόντος καὶ λέγοντος, ὅτι Μήδοκος καὶ Σεύθης οἱ τῶν Θρακῶν βασιλεῖς εἰσὶν αὐτῶ φίλοι, καὶ δύνανται πολλὴν ὁμολόγησαν δώσειν, ἐὰν βούληται διαπολεμεῖν τοῖς Λακεδαιμονίοις· διόπερ αὐτοὺς ἡξίου μεταδοῦναι τῆς ἡγεμονίας, ἐπαγγελλόμενος αὐτοῖς дуεῖν θάτερον, ἢ ναυμαχεῖν τοὺς πολεμίους ἀναγκάσειν ἢ πεζῇ μετὰ Θρακῶν πρὸς αὐτοὺς διαγωνιεῖσθαι. [4] ταῦτα δὲ ὁ Ἀλκιβιάδης ἔπραττεν ἐπιθυμῶν δι' ἑαυτοῦ τῇ πατρίδι μέγα τι κατεργάσασθαι καὶ διὰ τῶν εὐεργεσιῶν τὸν δῆμον ἀποκαταστήσαι εἰς τὴν ἀρχαίαν εὖνοιαν. οἱ δὲ τῶν Ἀθηναίων στρατηγοί, νομίσαντες τῶν μὲν ἐλαττωμάτων ἑαυτοῖς τὴν μέμψιν ἀκολουθήσειν, τὰ δ' ἐπιτεύγματα προσάψειν ἅπαντας Ἀλκιβιάδῃ, ταχέως αὐτὸν ἐκέλευσαν ἀπιέναι καὶ μηκέτι προσεγγίζειν τῷ στρατοπέδῳ. 106.

ἐπεὶ δ' οἱ μὲν πολέμιοι ναυμαχεῖν οὐκ ἤθελον, τὸ δὲ στρατόπεδον σιτοδεία κατεῖχε, Φιλοκλῆς ἐκείνην τὴν ἡμέραν ἀφηγούμενος τοῖς μὲν ἄλλοις τριηράρχοις προσέταξε πληρώσαντας τὰς τριήρεις ἀκολουθεῖν, αὐτὸς δ' ἐτοίμας ἔχων ναῦς τριάκοντα τάχιον ἐξέπλευσεν. [2] ὁ δὲ Λύσανδρος παρά τινων αὐτομόλων ταῦτ' ἀκούσας, μετὰ πασῶν τῶν νεῶν ἀναχθεὶς καὶ τὸν Φιλοκλέα τρεψάμενος πρὸς τὰς ἄλλας ναῦς κατεδίωξεν. [3] οὕτω δὲ τῶν τριήρων τοῖς Ἀθηναίοις πεπληρωμένων θόρυβος κατεῖχεν ἅπαντας διὰ τὴν ἀπροσδόκητον ἐπιφάνειαν τῶν πολεμίων. [4] ὁ δὲ Λύσανδρος συνιδὼν τὴν τῶν

ἐναντίων ταραχῇν, Ἐτεόνικον μὲν μετὰ τῶν εἰωθότων περὶ μάχεσθαι ταχέως ἀπεβίβασεν: ὁ δὲ ὀξέως τῇ τοῦ καιροῦ ῥοπῇ χρησάμενος μέρος κατελάβετο τῆς παρεμβολῆς: αὐτὸς δ' ὁ Λύσανδρος ἀπάσαις ταῖς τριήρεσιν ἐξηρτυμέναις ἐπιπλεύσας, καὶ σιδηρᾶς ἐπιβαλὼν χεῖρας, ἀπέσπα τὰς ὀρμούσας ἐπὶ τῇ γῇ ναῦς. [5] Ἀθηναῖοι δὲ τὸ παράδοξον ἐκπεπληγμένοι, καὶ μὴτ' ἀναχθῆναι ταῖς ναυσὶν ἀναστροφὴν ἔχοντες μῆτε περὶ διαγωνίζεσθαι δυνάμενοι, βραχὺν ἀντισχόντες χρόνον ἐτράπησαν, εὐθὺ δ' οἱ μὲν τὰς ναῦς, οἱ δὲ τὴν παρεμβολὴν ἐκλιπόντες ἔφυγον, ὅπου ποθ' ἕκαστος ἡλπίζε σωθῆσεσθαι. [6] τῶν μὲν οὖν τριήρων δέκα μόνον διεξέπεσον, ὧν μίαν ἔχων Κόνων ὁ στρατηγὸς τὴν μὲν εἰς Ἀθήνας ἐπ' ἀνόδον ἀπέγνω φοβηθεὶς τὴν ὀργὴν τοῦ δήμου, πρὸς Εὐαγόραν δὲ τὸν ἀφηγούμενον τῆς Κύπρου κατέφυγεν, ἔχων πρὸς αὐτὸν φιλίαν: τῶν δὲ στρατιωτῶν οἱ πλείστοι μὲν κατὰ γῆν φυγόντες εἰς Σηστὸν διεσώθησαν. [7] Λύσανδρος δὲ τὰς λοιπὰς ναῦς παραλαβὼν αἰχμαλώτους, καὶ ζωγρήσας Φιλοκλέα τὸν στρατηγόν, ἀπαγαγὼν εἰς Λάμψακον ἀπέσφαξεν. μετὰ δὲ ταῦτ' εἰς Λακεδαιμόνα τοὺς τὴν νίκην ἀπαγγελοῦντας ἀπέστειλεν ἐπὶ τῆς κρατίστης τριήρους, κοσμήσας τοῖς πολυτελεστάτοις τὴν ναῦν ὅπλοις καὶ λαφύροις. [8] ἐπὶ δὲ τοὺς εἰς Σηστὸν καταφυγόντας Ἀθηναίους στρατεύσας τὴν μὲν πόλιν εἴλε, τοὺς δ' Ἀθηναίους ὑποσπόνδους ἀφῆκεν. εὐθὺς δὲ τῇ δυνάμει πλεύσας ἐπὶ Σάμον αὐτὸς μὲν ταύτην ἐπολιόρκει, Γύλιππον δὲ τὸν εἰς Σικελίαν τοῖς Συρακοσίοις τῷ ναυτικῷ συμπολεμήσαντα ἀπέστειλεν εἰς Σπάρτην τά τε λάφυρα κομίζοντα καὶ μετὰ τούτων ἀργυρίου τάλαντα χίλια καὶ πεντακόσια. [9] ὄντος δὲ τοῦ χρήματος ἐν σακίοις, καὶ ταῦτ' ἔχοντος ἐκάστου σκυτάλην ἔχουσιν τὴν ἐπιγραφὴν τὸ πλῆθος τοῦ χρήματος δηλοῦσαν, ταύτην ἀγνοήσας ὁ Γύλιππος τὰ μὲν σακία παρέλυσεν, ἐξελόμενος δὲ τάλαντα τριακόσια, καὶ διὰ τῆς ἐπιγραφῆς γνωσθεὶς ὑπὸ τῶν ἐφόρων, ἔφυγε καὶ κατεδικάσθη θανάτῳ. [10] παραπλησίως δὲ καὶ τὸν πατέρα τοῦ Γυλίππου Κλέαρχον συνέβη φυγεῖν ἐν τοῖς ἔμπροσθεν χρόνοις, ὅτι δόξας παρὰ Περικλέους λαβεῖν χρήματα περὶ τοῦ τὴν εἰσβολὴν εἰς τὴν Ἀττικὴν μὴ ποιήσεσθαι κατεδικάσθη θανάτῳ, καὶ φυγὼν ἐν Θουρίοις τῆς Ἰταλίας διέτριβεν. οὗτοι μὲν οὖν, ἄνδρες ἱκανοὶ τᾶλλα δόξαντες εἶναι, ταῦτα πράξαντες τὸν ἄλλον βίον αὐτῶν κατήσχυναν. 107.

Ἀθηναῖοι δὲ τὴν τῶν δυνάμεων φθορὰν ἀκούσαντες τοῦ μὲν ἀντέχεσθαι τῆς θαλάττης ἀπέστησαν, περὶ δὲ τὴν τῶν τειχῶν κατασκευὴν ἐγίνοντο καὶ τοὺς λιμένας ἀπεχώννουν, ἐλπίζοντες, ὅπερ ἦν εἰκός, εἰς πολιορκίαν καταστήσεσθαι. [2] εὐθὺ γὰρ οἱ μὲν τῶν Λακεδαιμονίων βασιλεῖς Ἄγεις καὶ Πausανίας μετὰ πολλῆς δυνάμεως ἐμβαλόντες εἰς τὴν Ἀττικὴν πρὸς τοῖς τείχεσιν ἐστρατοπέδευον, Λύσανδρος δὲ πλέον ἢ διακοσίαις τριήρεσιν εἰς τὸν Πειραιέα κατέπλευσεν. οἱ δ' Ἀθηναῖοι τηλικούτοις περιεχόμενοι κακοῖς ὅμως ἀντεῖχον, καὶ ῥαδίως τὴν πόλιν παρεφύλαττον ἐπὶ τινα χρόνον. [3] τοῖς δὲ Πελοποννησίοις ἔδοξεν, ἐπεὶ περ δυσχερὴς ἦν ἡ πολιορκία, τὰς μὲν δυνάμεις ἀπαγαγεῖν ἐκ τῆς Ἀττικῆς, ταῖς δὲ ναυσὶ μακρὰν ἐφεδρεύειν, ὅπως αὐτοῖς μὴ παρακομισθῇ σῖτος. [4] οὗ συντελεσθέντος, οἱ μὲν Ἀθηναῖοι εἰς δεινὴν σπάνιν ἐνέπεσον ἀπάντων μὲν, μάλιστα δὲ τροφῆς διὰ τὸ ταύτην ἀεὶ κατὰ θάλατταν αὐτοῖς κομίζεσθαι. ἐπιτείνοντες δὲ τοῦ δεινοῦ καθ' ἡμέραν, ἡ μὲν πόλις ἔγχεμε

νεκρῶν, οἱ δὲ λοιποὶ διαπρεσβευσάμενοι πρὸς Λακεδαιμονίους συνέθεντο τὴν εἰρήνην, ὥστε τὰ μακρὰ σκέλη καὶ τὰ τεῖχη τοῦ Πειραιεῶς περιελεῖν, καὶ μακρὰς ναῦς μὴ πλεῖον ἔχειν δέκα, τῶν δὲ πόλεων πασῶν ἐκχωρῆσαι καὶ Λακεδαιμονίοις ἡγεμόσι χρῆσθαι. [5] ὁ μὲν οὖν Πελοποννησιακὸς πόλεμος, μακρότατος γενόμενος ὧν ἴσμεν, τοιοῦτον ἔσχε τὸ τέλος, ἔτη διαμείνας ἐπτά πρὸς τοῖς εἴκοσι. 108.

μικρὸν δὲ τῆς εἰρήνης ὕστερον ἐτελεύτησε Δαρεῖος ὁ τῆς Ἀσίας βασιλεὺς, ἄρξας ἔτη ἑνεακαίδεκα, τὴν δ' ἡγεμονίαν διεδέξατο τῶν υἱῶν ὁ πρεσβύτατος Ἀρταξέρξης καὶ ἦρξεν ἔτη τρία πρὸς τοῖς τεσσαράκοντα. καθ' ὃν δὴ χρόνον καὶ Ἀντίμαχον τὸν ποιητὴν Ἀπολλόδωρος ὁ Ἀθηναῖός φησιν ἠνθηκέναι. [2]

κατὰ δὲ τὴν Σικελίαν Ἰμίλκων ὁ τῶν Καρχηδονίων ἀφηγούμενος ἀρχομένου τοῦ θέρους τὴν μὲν τῶν Ἀκραγαντίνων πόλιν κατέσκαψε, τῶν δ' ἱερῶν, ὅσα μὴδ' ἱκανῶς ὑπὸ τοῦ πυρὸς ἐδόκει διεφθάρθαι, τὰς γλυφὰς καὶ τὰ περιττοτέρως εἰργασμένα περιέκοψεν: αὐτόθε δ' ἀναλαβὼν ἅπασαν τὴν δύναμιν ἐνέβαλεν εἰς τὴν τῶν Γελῶν χώραν. [3] ἐπελθὼν δὲ ταύτην πᾶσαν καὶ τὴν Καμαριναίαν, πλήρης ἐποίησε τὸ στράτευμα παντοίας ὠφελείας. μετὰ δὲ ταῦτα ἐπὶ Γέλαν πορευθεὶς παρὰ τὸν ὁμώνυμον ποταμὸν τῇ πόλει κατεστρατοπέδευσεν. [4] ἐχόντων δὲ τῶν Γελῶν ἐκτὸς τῆς πόλεως Ἀπόλλωνος ἀνδριάντα χαλκοῦν σφόδρα μέγαν, συλήσαντες αὐτὸν ἀπέστειλαν εἰς τὴν Τύρον. τοῦτον μὲν οἱ Γελῶι κατὰ τὸν τοῦ θεοῦ χρησμὸν ἀνέθηκαν, οἱ δὲ Τύριοι καθ' ὃν καιρὸν ὕστερον ὑπ' Ἀλεξάνδρου τοῦ Μακεδόνα ἐπολιορκοῦντο, καθύβριζον ὡς συναγωνιζόμενον τοῖς πολεμίοις: Ἀλεξάνδρου δ' ἐλόντος τὴν πόλιν, ὡς Τίμαιός φησι, κατὰ τὴν ὁμώνυμον ἡμέραν καὶ τὴν αὐτὴν ὥραν ἐν ἣ Καρχηδόνιοι τὸν Ἀπόλλωνα περὶ Γέλαν ἐσύλησαν, συνέβη τιμηθῆναι θυσίαις καὶ προσόδοις ταῖς μεγίσταις ὑπὸ τῶν Ἑλλήνων, ὡς αἴτιον γεγενημένον τῆς ἀλώσεως. [5] ταῦτα μὲν οὖν, καίπερ ἐν ἄλλοιςπραχθέντα χρόνοις, οὐκ ἀνεπιτήδειον ἡγησάμεθα παρ' ἄλληλα θεῖναι διὰ τὸ παράδοξον. οἱ δ' οὖν Καρχηδόνιοι δενδροτομοῦντες τὴν χώραν τάφρον περιεβάλοντο τῇ στρατοπεδείᾳ: προσεδέχοντο γὰρ τὸν Διόνυσιον ἦξιν μετὰ δυνάμεως πολλῆς βοηθήσοντα τοῖς κινδυνεύουσιν. [6] οἱ δὲ Γελῶι τὸ μὲν πρῶτον ἐνηφίσαντο τέκνα καὶ γυναῖκας εἰς Συρακούσας ὑπεκθέσθαι διὰ τὸ μέγεθος τοῦ προσδοκώμενου κινδύνου: τῶν δὲ γυναικῶν ἐπὶ τοὺς κατὰ τὴν ἀγορὰν βωμοὺς καταφυγουσῶν καὶ δεομένων τῆς αὐτῆς τοῖς ἀνδράσι τύχης κοινωνῆσαι, συνεχώρησαν. [7] μετὰ δὲ ταῦτα τάξεις ποιησάμενοι πλείστας, κατὰ μέρος τοὺς στρατιώτας ἀπέστειλλον ἐπὶ τὴν χώραν: οὗτοι δ' ἐμπειρίαν ἔχοντες ἐπετίθεντο τοῖς πλανωμένοις τῶν πολεμίων, καὶ πολλοὺς μὲν αὐτῶν καθ' ἡμέραν ἀνῆγον ζῶντας, οὐκ ὀλίγους δὲ ἀνήρουν. [8] τῶν δὲ Καρχηδονίων ἀπὸ μέρους προσβαλλόντων τῇ πόλει καὶ τοῖς κριοῖς καταβαλλόντων τὰ τεῖχη γενναίως ἡμύνοντο: τά τε γὰρ ἐφ' ἡμέρας πίπτοντα τῶν τειχῶν νυκτὸς ἀνφοκόδουν, συνυπηρετουσῶν τῶν γυναικῶν καὶ παίδων: οἱ μὲν γὰρ ἀκμάζοντες ταῖς ἡλικίαις ἐν τοῖς ὅπλοις ὄντες διετέλουν μαχόμενοι, τὸ δ' ἄλλο πλῆθος τοῖς ἔργοις καὶ ταῖς ἄλλαις παρασκευαῖς προσήδρευε μετὰ πάσης προθυμίας: [9] τὸ δὲ σύνολον οὕτως ἐδέξαντο τὴν ἔφοδον τῶν Καρχηδονίων εὐρώστως, ὥστε καὶ πόλιν ἀνώχυρον ἔχοντες καὶ συμμάχων

ὄντες ἔρημοι, πρὸς δὲ τούτοις τὰ τεῖχη θεωροῦντες πίπτοντα κατὰ πλείονα τρόπον, οὐ κατεπλάγησαν τὸν περισσῶτα κίνδυνον. 109.

Διονύσιος δ' ὁ τῶν Συρακοσίων τύραννος μεταπεμφάμενος παρὰ τῶν ἐξ Ἰταλίας Ἑλλήνων βοήθειαν ἐξῆγε καὶ παρὰ τῶν ἄλλων συμμάχων δύναμιν: ἐπέλεξε δὲ καὶ τῶν Συρακοσίων τοὺς πλείστους τῶν ἐν ἡλικίᾳ καὶ τοὺς μισθοφόρους κατέλεξεν εἰς τὸ στρατόπεδον. [2] εἶχε δὲ τοὺς ἅπαντας, ὥς μὲν τινες, πεντακισμυρίους, ὥς δὲ Τίμαιος ἀνέγραψε, πεζοὺς μὲν τρισμυρίους, ἵππεις δὲ χιλίους, ναῦς δὲ καταφράκτους πεντήκοντα. μετὰ δὲ τοσαύτης δυνάμεως ἐξορμήσας ἐπὶ τὴν βοήθειαν τοῖς Γελώοις, ὥς ἤγγισε τῆς πόλεως, κατεστρατοπέδευσε παρὰ τὴν θάλατταν. [3] ἔσπευδε γὰρ μὴ διασπᾶν τὴν στρατίαν, ἀλλ' ἐκ τοῦ αὐτοῦ τόπου τὴν ὁρμὴν ποιούμενος κατὰ γῆν ἅμα καὶ κατὰ θάλατταν ἀγωνίζεσθαι: τοῖς μὲν γὰρ ψιλοῖς ἡγωνίζετο καὶ τὴν χώραν οὐκ εἶα προνομεύεσθαι, τοῖς δ' ἵππεῦσι καὶ ταῖς ναυσὶν ἐπειράτο τὰς ἀγοράς ἀφαιρεῖσθαι τὰς κομιζομένας τοῖς Καρχηδονίοις ἐκ τῆς ἰδίας ἐπικρατείας. [4] ἐφ' ἡμέρας μὲν οὖν εἴκοσι διέτριβον οὐδὲν ἄξιον λόγου πράττοντες: μετὰ δὲ ταῦτα Διονύσιος τοὺς πεζοὺς εἰς τρία μέρη διεῖλεν, ἐν μὲν τάγμα ποιήσας τῶν Σικελιωτῶν, οἷς προσέταξεν ἐν ἀριστερᾷ τὴν πόλιν ἔχοντας ἐπὶ τὸν χάρακα τῶν ἐναντίων πορεύεσθαι: τὸ δ' ἕτερον τάγμα συμμάχων καταστήσας ἐκέλευσεν ἐν δεξιᾷ τὴν πόλιν ἔχοντας ἐπείγεσθαι παρ' αὐτὸν τὸν αἰγιαλόν: αὐτὸς δ' ἔχων τὸ τῶν μισθοφόρων σύνταγμα διὰ τῆς πόλεως ὥρμησεν ἐπὶ τὸν τόπον, οὗ τὰ μηχανήματα τῶν Καρχηδονίων ἦν. [5] καὶ τοῖς μὲν ἵππεῦσι παρήγγειλεν, ἐπειδὰν ἴδωσι τοὺς πεζοὺς ὥρμημένους, διαβῆναι τὸν ποταμὸν καὶ τὸ πεδίον καθιπτάζεσθαι, κἂν μὲν ὀρώσι τοὺς ἰδίους προτεροῦντας, συνεπιλαμβάνεσθαι τῆς μάχης, ἂν δ' ἐλαττωμένους, δέχεσθαι τοὺς θλιβομένους: τοῖς δ' ἐν ταῖς ναυσὶ παρήγγειλε πρὸς τὴν τῶν Ἰταλιωτῶν ἔφοδον τῇ παρεμβολῇ τῶν πολεμίων ἐπιπλεῦσαι. 110. εὐκαίρως δ' αὐτῶν ποιησάντων τὸ παραγγελθέν, οἱ μὲν Καρχηδόνιοι πρὸς ἐκεῖνο τὸ μέρος παρεβοήθουν, ἀνείργοντες τοὺς ἐκ τῶν νεῶν ἀποβαίνοντας: καὶ γὰρ οὐδ' ὠχυρωμένον τὸ μέρος εἶχον, ἅπαν τὸ παρὰ τὸν αἰγιαλόν: [2] οἱ δ' Ἰταλιῶται κατὰ τοῦτον τὸν καιρὸν παρὰ τὴν θάλατταν τὸ πᾶν διανύσαντες ἐπέθεντο τῇ παρεμβολῇ τῶν Καρχηδονίων, τοὺς πλείστους εὐρόντες παραβεβοηθηκότας ἐπὶ τὰς ναῦς: τοὺς δ' ἐπὶ τούτου τοῦ μέρους ὑπολελειμμένους τρεψάμενοι παρeisέπεσον εἰς τὴν στρατοπεδείαν. [3] οὗ γενηθέντος οἱ Καρχηδόνιοι τῷ πλείστῳ μέρει τῆς δυνάμεως ἐπιστρέψαντες καὶ πολὺν διαγωνισάμενοι χρόνον μόγις ἐξέωσαν τοὺς ἐντὸς τῆς τάφρου βιασαμένους. οἱ δὲ Ἰταλιῶται τῷ πλήθει τῶν βαρβάρων καταπονούμενοι κατὰ τὴν ἀναχώρησιν εἰς τὸ τοῦ χάρακος ἀπωξυμμένον ἐνέπιπτον, οὐκ ἔχοντες βοήθειαν: [4] οἱ τε γὰρ Σικελιωταὶ διὰ τοῦ πεδίου πορευόμενοι καθυστέρουν τῶν καιρῶν, οἱ τε μετὰ Διονυσίου μισθοφόροι μόγις διεπορεύοντο τὰς κατὰ τὴν πόλιν ὁδοὺς, οὐ δυνάμενοι κατὰ τὴν ἰδίαν προαίρεσιν ἐπισπεῦσαι. οἱ δὲ Γελῶι μέχρι τινὸς ἐπεξιόντες ἐπεβοήθουν κατὰ βραχὺν τόπον τοῖς Ἰταλιώταις, εὐλαβούμενοι λιπεῖν τὴν τῶν τειχῶν φυλακὴν: διόπερ ὑστέρουν τῆς βοηθείας. [5] οἱ δὲ Ἴβηρες καὶ Καμπανοὶ μετὰ τῶν Καρχηδονίων στρατεύομενοι, καὶ βαρεῖς ἐπικείμενοι τοῖς ἀπὸ τῆς Ἰταλίας Ἑλλῃσι, κατέβαλον αὐτῶν πλείους τῶν

χιλίων. τῶν δ' ἐν ταῖς ναυσὶν ἀνείργοντων τοξεύμασι τοὺς διώκοντας, οἱ λοιποὶ μετ' ἀσφαλείας διεσώθησαν πρὸς τὴν πόλιν. [6] ἐκ δὲ θατέρου μέρους οἱ Σικελιώται πρὸς τοὺς ἀπαντήσαντας Λίβυας διαγωνισάμενοι συχνοὺς μὲν αὐτῶν ἀνέϊλον, τοὺς δ' ἄλλους εἰς τὴν στρατοπεδείαν συνεδίωξαν: τῶν δὲ Ἰβήρων καὶ Καμπανῶν, ἔτι δὲ Καρχηδονίων, παραβηθησάντων τοῖς Λίβυσι, περὶ ἑξακοσίους ἀποβαλόντες πρὸς τὴν πόλιν ἀπεχώρησαν. [7] οἱ δ' ἵππεῖς ὡς εἶδον τοὺς ἰδίους ἡττημένους, καὶ αὐτοὶ πρὸς τὴν πόλιν ἀπῆλθον, ἐπικειμένων αὐτοῖς τῶν πολεμίων. Διονύσιος δὲ μόγις διελθὼν τὴν πόλιν, ὡς κατέλαβε τὸ στρατόπεδον ἡλαττωμένον, τότε μὲν ἐντὸς τῶν τειχῶν ἀνεχώρησεν. 111.

μετὰ δὲ ταῦτα τῶν φίλων συναγαγὼν συνέδριον ἐβουλεύετο περὶ τοῦ πολέμου. πάντων δὲ λεγόντων ἀνεπιτήδειον εἶναι τὸν τόπον περὶ τῶν ὅλων διακρίνεσθαι τοῖς πολεμίοις, πρὸς τὴν ἐσπέραν ἀπέστειλε κήρυκα περὶ τῆς εἰς αὔριον ἀναιρέσεως τῶν νεκρῶν, καὶ τὸν μὲν ἐκ τῆς πόλεως ὄχλον περὶ πρῶτην φυλακὴν τῆς νυκτὸς ἐξαπέστειλεν, αὐτὸς δὲ περὶ μέσας νύκτας ἀφώρμησε, καταλιπὼν τῶν ψιλῶν περὶ δισχιλίου. [2] τούτοις δ' ἦν παρηγγελμένον πυρὰ καίειν δι' ὅλης τῆς νυκτὸς καὶ θορυβοποιεῖν πρὸς τὸ δόξαν ἐμποῖησαι τοῖς Καρχηδονίοις ὡς μένοντος ἐν τῇ πόλει. οὗτοι μὲν οὖν ἤδη τῆς ἡμέρας ὑποφωσκούσης ἀφώρμησαν πρὸς τοὺς περὶ τὸν Διονύσιον, οἱ δὲ Καρχηδόνιοι διαισθόμενοι τὸ γεγονός μετεστρατοπέδευσαν εἰς τὴν πόλιν καὶ τὰ περιλειφθέντα κατὰ τὰς οἰκίας διήρπασαν. [3] Διονύσιος δὲ παραγενόμενος εἰς τὴν Καμάριναν, ἠνάγκασε καὶ τοὺς ἐκεῖ μετὰ τέκνων καὶ γυναικῶν εἰς Συρακούσας ἀπιέναι. τοῦ φόβου δ' οὐδεμίαν ἀναβολὴν διδόντος τινὲς μὲν ἀργύριον καὶ χρυσίον καὶ τὰ ῥαδίως φέρεσθαι δυνάμενα συνεσκεύαζοντο, τινὲς δὲ γονεῖς καὶ τέκνα τὰ νήπια λαβόντες ἔφευγον, οὐδεμίαν ἐπιστροφὴν χρημάτων ποιούμενοι: ἔνιοι δὲ γεγηρακότες ἢ νόσῳ βαρυνόμενοι δι' ἐρημίαν συγγενῶν ἢ φίλων ὑπελείποντο, προσδοκωμένων ὅσον οὐπω παρέσεσθαι τῶν Καρχηδονίων: [4] ἡ γὰρ περὶ Σελινούντα καὶ Ἱμέραν, ἔτι δὲ Ἀκράγαντα, γενομένη συμφορὰ τοὺς ἀνθρώπους ἐξέπληττε, πάντων καθάπερ ὑπὸ τὴν ὄρασιν λαμβανόντων τὴν τῶν Καρχηδονίων δεινότητα. οὐδεμία γὰρ ἦν παρ' αὐτοῖς φειδῶ τῶν ἀλISCOμένων, ἀλλ' ἀσυμπαθῶς τῶν ἡτυχηκότων οὓς μὲν ἀνεσταύρουν, οἷς δ' ἀφορήτους ἐπῆγον ὕβρεις. [5] οὐ μὴν ἀλλὰ δυεῖν πόλεων ἐξοριζομένων ἔγεμεν ἡ χώρα γυναικῶν καὶ παίδων καὶ τῶν ἄλλων ὄχλων: ἃ θεωροῦντες οἱ στρατιῶται δι' ὀργῆς μὲν εἶχον τὸν Διονύσιον, ἠλέουν δὲ τὰς τῶν ἀκληρούντων τύχας: [6] ἑώρων γὰρ παῖδας ἐλευθέρους καὶ παρθένους ἐπιγάμους ἀναζῖως τῆς ἡλικίας ὡς ἔτυχε κατὰ τὴν ὁδὸν ὠρμημένας, ἐπειδὴ τὴν σεμνότητα καὶ τὴν πρὸς τοὺς ἄλλοτρίους ἐντροπὴν ὁ καιρὸς ἀφηρεῖτο. παραπλησίως δὲ καὶ τοῖς πρεσβυτέροις συνήλγουν, βλέποντες παρὰ φύσιν ἀναγκαζομένους ἅμα τοῖς ἀκμάζουσιν ἐπισπεύδειν. 112.

ἐφ' οἷς ἐξεκάετο τὸ κατὰ τοῦ Διονυσίου μῖσος: καὶ γὰρ ὑπελάμβανον αὐτὸν ἐκ συνθέσεως τοῦτο πεποιηκέναι πρὸς τὸ τῷ Καρχηδονίῳ φόβῳ τῶν ἄλλων πόλεων ἀσφαλῶς δυναστεύειν. [2] ἀνελογίζοντο γὰρ τὴν βραδυτῆτα τῆς βοηθείας, τὸ μηδένα πεπτωκέναι τῶν μισθοφόρων, τὸ μηδενὸς ἀδρουῦ πταίσματος γεγεννημένου φυγεῖν ἀλόγως, τὸ δὲ μέγιστον, τὸ μηδένα τῶν

πολεμίων ἐπηκολουθηκένοι: ὥστε τοῖς πρότερον ἐπιθυμοῦσι καιρὸν λαβεῖν τῆς ἀποστάσεως καθάπερ θεῶν προνοία πάντα ὑπουργεῖν πρὸς τὴν κατάλυσιν τῆς δυναστείας. [3] οἱ μὲν οὖν Ἰταλιῶται καταλιπόντες αὐτὸν ἐπ' οἴκου διὰ τῆς μεσογείου τὴν πορείαν ἐποίησαντο, οἱ δὲ τῶν Συρακοσίων ἱππεῖς τὸ μὲν πρῶτον ἐπετήρουν, εἰ δύναιτο κατὰ τὴν ὁδὸν ἀνελεῖν τὸν τύραννον: ὥς δὲ ἑώρων οὐκ ἀπολείποντας αὐτὸν τοὺς μισθοφόρους, ὁμοθυμαδὸν ἀφίππευσαν εἰς τὰς Συρακούσας. [4] καταλαβόντες δὲ τοὺς ἐν τοῖς νεωροῖς ἀγνοοῦντας τὰ περὶ τὴν Γέλαν, εἰσῆλθον οὐδενὸς κωλύσαντος, καὶ τὴν μὲν οἰκίαν τοῦ Διονυσίου διήρπασαν γέμουσαν ἀργύρου τε καὶ χρυσοῦ καὶ τῆς ἄλλης πολυτελείας ἀπάσης, τὴν δὲ γυναῖκα συλλαβόντες οὕτω διέθεσαν κακῶς, ὥστε καὶ τὸν τύραννον βαρέως ἐνέχειν τὴν ὀργήν, νομίζοντες τὴν ταύτης τιμωρίαν μεγίστην εἶναι πίστιν τῆς πρὸς ἀλλήλους κοινωνίας κατὰ τὴν ἐπίθεσιν. [5] ὁ δὲ Διονύσιος κατὰ τὴν ὁδοιπορίαν τὸ γεγονὸς καταστοχαζόμενος, ἐπέλεξε τῶν ἱππέων καὶ τῶν πεζῶν τοὺς πιστοτάτους, μεθ' ὧν ἠπείγετο πρὸς τὴν πόλιν σπουδῆς οὐδὲν ἐλλείπων: ἐλογίζετο γὰρ οὐκ ἂν ἄλλως δυνατόν ἐπικρατῆσαι τῶν ἱππέων, εἰ μὴ σπεῦδοι: ὅπερ ἐποίησεν. εἰ γὰρ παραδοξότερον ἐκείνων ποιήσαιτο τὴν ἄφιξιν, ἥλιπε ῥαδίως κρατήσῃ τῆς ἐπιβολῆς: ὅπερ καὶ συνέπεσεν. [6] οἱ γὰρ ἱππεῖς οὗτ' ἂν ἔτ' ἀπελθεῖν οὔτε μεῖναι κατὰ τὸ στρατόπεδον τὸν Διονύσιον ὑπελάμβανον: διόπερ κεκρατηκένοι τῆς ἐπιβολῆς νομίσαντες, ἔφασαν αὐτὸν ἐκ μὲν Γέλας προσποιηθῆναι τοὺς Φοίνικας ἀποδιδράσκειν, νυνὶ δὲ ὥς ἀληθῶς ἀποδεδρακένοι τοὺς Συρακοσίους. 113. Διονύσιος δὲ διανύσας σταδίους περὶ τετρακοσίους παρῆν περὶ μέσας νύκτας πρὸς τὴν πύλιν τῆς Ἀχραδινῆς μεθ' ἱππέων ἑκατὸν καὶ πεζῶν ἑξακοσίων: ἦν καταλαβὼν κεκλεισμένην, προσέθηκεν αὐτῇ τὸν κατακεκομισμένον ἐκ τῶν ἐλῶν κάλαμον, ᾧ χρῆσθαι νομίζουσιν οἱ Συρακόσιοι πρὸς τὴν τῆς κονίας σύνδεσιν. ἐν ὅσῳ δὲ συνέβαινε τὰς πύλας κατακαίεσθαι, προσανελάμβανε τοὺς ἀφυστεροῦντας. [2] ἐπειδὴ δὲ τὸ πῦρ κατέφθειρε τὰς πύλας, οὗτος μὲν μετὰ τῶν ἠκολουθηκότων εἰσῆλauen διὰ τῆς Ἀχραδινῆς, τῶν δ' ἱππέων οἱ δυνατώτατοι τὸ γεγονὸς ἀκούσαντες, τὸ μὲν πλῆθος οὐκ ἀνέμενον, εὐθύς δ' ἐξεβοήθουν ὄντες ὀλίγοι παντελῶς — ἦσαν δὲ περὶ τὴν ἀγοράν — καὶ κυκλωθέντες ὑπὸ τῶν μισθοφόρων ἅπαντες κατηκοντίσθησαν. [3] ὁ δὲ Διονύσιος ἐπελθὼν τὴν πόλιν τοὺς τε σποράδην ἐκβιοηοῦντας ἀνέιλε, καὶ τῶν ἀλλοτρίως διακειμένων ἐπῆει τὰς οἰκίας, ὧν τοὺς μὲν ἀπέκτεινε, τοὺς δ' ἐκ τῆς πόλεως ἐξέβαλε. τὸ δὲ λοιπὸν πλῆθος τῶν ἱππέων ἐκπεσὼν ἐκ τῆς πόλεως κατελάβετο τὴν νῦν καλουμένην Αἴτην. [4] ἅμα δ' ἡμέρα τὸ μὲν πλῆθος τῶν μισθοφόρων καὶ τὸ στράτευμα τῶν Σικελιωτῶν κατήντησεν εἰς τὰς Συρακούσας, Γελῶοι δὲ καὶ Καμαριναῖοι τῷ Διονυσίῳ διαφόρως ἔχοντες εἰς Λεοντίνους ἀπηλλάγησαν. 114.

... διόπερ ὑπὸ τῶν πραγμάτων ἀναγκαζόμενος Ἰμίλκας ἔπεμψεν εἰς Συρακούσας κήρυκα, παρακαλῶν τοὺς ἡττημένους διαλύσασθαι. ἀσμένως δ' ὑπακούσαντος τοῦ Διονυσίου τὴν εἰρήνην ἐπὶ τοῖσδε ἔθεντο: Καρχηδονίων εἶναι μετὰ τῶν ἐξ ἀρχῆς ἀποίκων Ἑλύμους καὶ Σικανούς: Σελινουντίους δὲ καὶ Ἀκραγαντίους, ἔτι δ' Ἰμεραίους, πρὸς δὲ τούτοις Γελῶους καὶ Καμαριναίους οἰκεῖν μὲν ἐν ἀτειχίστοις ταῖς πόλεσι, φόρον δὲ τελεῖν τοῖς

Καρχηδονίοις: Λεοντίους δὲ καὶ Μεσσηνίους καὶ Σικελοὺς ἅπαντας αὐτονόμους εἶναι, καὶ Συρακοσίους μὲν ὑπὸ Διονύσιον τετάχθαι, τὰ δὲ αἰχμάλωτα καὶ τὰς ναῦς ἀποδοῦναι τοὺς ἔχοντας τοῖς ἀποβαλοῦσι. [2] τῶν συνθηκῶν δὲ γενομένων Καρχηδόνιοι μὲν εἰς Λιβύην ἐξέπλευσαν, πλεῖον ἢ τὸ ἥμισυ μέρος τῶν στρατιωτῶν ἀποβαλόντες ὑπὸ τῆς νόσου: οὐδὲν δ' ἦττον καὶ κατὰ Λιβύην διαμείναντος τοῦ λοιμοῦ, παμπληθεῖς αὐτῶν τε τῶν Καρχηδονίων, ἔτι δὲ τῶν συμμάχων διεφθάρησαν. [3]

ἡμεῖς δὲ παραγεννηθέντες ἐπὶ τὴν κατάλυσιν τῶν πολέμων, κατὰ μὲν τὴν Ἑλλάδα τοῦ Πελοποννησιακοῦ, κατὰ δὲ τὴν Σικελίαν τοῦ Καρχηδονίοις πρὸς Διονύσιον πρώτου συστάντος, ἡγούμεθα δεῖν ἐπιτετελεσμένης τῆς προθέσεως τὰς ἐξῆς πράξεις εἰς τὴν ἐχομένην βίβλον καταχωρίσαι.

BOOK XIV

ζοντεντς.

τάδε ἔνεστιν ἐν τῇ τεσσαρεσκαιδεκάτῃ τῶν Διοδώρου βύβλων.

κατάλυσιν ἐν Ἀθήναις τῆς δημοκρατίας καὶ κατάστασιν ἀνδρῶν τριάκοντα.
παρανομία τῶν τριάκοντα ἀνδρῶν εἰς τοὺς πολίτας.

ὥς Διονύσιος ὁ τύραννος ἀκρόπολιν κατασκευάσας διεμέρισε τὴν πόλιν
καὶ τὴν χώραν τοῖς πλήθεσιν.

ὥς Διονύσιος παραλυομένην τὴν τυραννίδα παραδόξως αὐτὴν ἀνεκτίσατο.

ὥς Λακεδαιμόνιοι διώκησαν τὰ κατὰ τὴν Ἑλλάδα.

Ἀλκιβιάδου θάνατος, καὶ Κλεάρχου τοῦ Λάκωνος τυραννὶς ἐν Βυζαντίῳ
καὶ κατάλυσιν.

ὥς Λύσανδρος ὁ Λακεδαιμόνιος ἐπιβαλόμενος καταλῦσαι τοὺς ἀφ'
Ἡρακλέους ἀπέτυχεν.

ὥς Διονύσιος Κατάνην μὲν καὶ Νάξον ἐξηνδραποδίστατο, Λεοντίους δὲ
μετώκισεν εἰς Συρακούσας.

κτίσιν Ἀλαΐσης ἐν τῇ Σικελίᾳ.

Λακεδαιμονίων πρὸς Ἡλείους πόλεμος.

ὥς Διονύσιος τὸ πρὸς τοῖς Ἐξαπύλοις τεῖχος κατεσκεύασεν.

ὥς Κῦρος στρατεύσας ἐπὶ τὸν ἀδελφὸν ἀνηρέθη.

ὥς Λακεδαιμόνιοι τοῖς κατὰ τὴν Ἀσίαν Ἕλλησιν ἐβοήθησαν.

κτίσιν Ἀδρανοῦ κατὰ τὴν Σικελίαν, καὶ Σωκράτους τοῦ φιλοσόφου
θάνατος.

κατασκευὴ τοῦ περὶ τὴν Χερρόνησον τεύχους.

παρασκευὴ Διονυσίου πρὸς τὸν Καρχηδονιακὸν πόλεμον καὶ ὀπλοποιία,
καθ' ἣν εὔρε τὸ καταπελτικὸν βέλος.

ὥς Καρχηδονίοις καὶ Διονυσίῳ πόλεμος ἐνέστη.

ὥς Διονύσιος Μοτύην πόλιν ἐπίσημον Καρχηδονίων ἐξεπολιόρκησεν.

ὥς Αἰγεσταῖοι τὴν Διονυσίου παρεμβολὴν ἐνέπρυσαν.

ὥς Καρχηδόνιοι τριάκοντα μυριάσι διαβάντες εἰς τὴν Σικελίαν ἐπολέμουν
πρὸς Διονύσιον.

Διονυσίου ἀποχώρησις εἰς τὰς Συρακούσας.

Καρχηδονίων στρατεία ἐπὶ τὸν πορθμὸν, καὶ ἄλλωσις τῆς Μεσσήνης.

ναυμαχία Καρχηδονίων πρὸς Διονύσιον μεγάλη καὶ νίκη Καρχηδονίων.

σύλησις τῶν ναῶν τῆς τε Δήμητρος καὶ Κόρης ὑπὸ Καρχηδονίων.

κόλασις ἐκ θεῶν τῶν ἱεροσύλων, καὶ φθορὰ τῆς Καρχηδονίων δυνάμεως
ὑπὸ νόσου λοιμικῆς.

ναυμαχία Συρακοσίων πρὸς Καρχηδονίους καὶ νίκη Συρακοσίων.

δημηγορία Θεοδώρου περὶ τῆς ἐλευθερίας.

ὥς Διονύσιος τοὺς ταραχδεστάτους χιλίους μισθοφόρους
καταστρατηγήσας ἐποίησε κατακοπῆναι.

ὥς Διονύσιος τὰ φρούρια καὶ τὴν παρεμβολὴν τῶν Καρχηδονίων
ἐπολιόρκησεν.

ὥς Διονύσιος ἐκπολιορκήσας Καρχηδονίους πολλὰς τῶν πολεμίων ναῦς ἐνέπρησεν.

Καρχηδονίων ἦττα κατὰ γῆν ἅμα καὶ κατὰ θάλατταν.

δρασμὸς τῶν Καρχηδονίων νυκτὸς Διονυσίου συνεργήσαντος λάθρα τῶν Συρακοσίων ἐπὶ τετρακοσίοις ταλάντοις.

τὰ συμβάντα Καρχηδονίοις δυσχερῇ διὰ τὴν εἰς τὸ θεῖον ἀσέβειαν.

συνοικισμὸς τῶν κατὰ Σικελίαν ἀναστάτων γεγεννημένων πόλεων.

ὥς Διονύσιος τῶν Σικελικῶν πόλεων ἃς μὲν ἐξεπολιόρκησεν, ἃς δ' εἰς συμμαχίαν προσηγάγετο.

ὥς πρὸς τοὺς δυνάστας Ἄγυρίν τε τὸν Ἀγυρηναῖον καὶ Νικόδημον τὸν Κεντοριπῖνον φιλίαν συνέθετο.

ὥς Ἀγησίλαος ὁ Σπαρτιατῶν βασιλεὺς μετὰ δυνάμεως εἰς τὴν Ἀσίαν διέβη καὶ τὴν ὑπὸ Πέρσας τεταγμένην χώραν ἐπόρθησεν.

ὥς Ἀγησίλαος ἐνίκησε μάχῃ τοὺς Πέρσας ἡγουμένου Φαρναβάζου.

περὶ τοῦ Βοιωτικοῦ πολέμου καὶ τῶν πραχθέντων ἐν αὐτῷ.

ὥς Κόνων ὑπὸ Περσῶν κατασταθεὶς στρατηγὸς τὰ τεῖχη τῶν Ἀθηναίων ἀνφοκοδόμησεν.

ὥς περὶ Κόρινθον Λακεδαιμόνιοι Βοιωτοὺς ἐνίκησαν καὶ ὁ πόλεμος οὗτος ἐκλήθη Κορινθιακός.

ὥς Διονύσιος μετὰ πολλῶν κινδύνων παρεισπεσὼν εἰς τὸ Ταυρομένιον ἐξέπεσεν.

ὥς Καρχηδόνιοι περὶ πόλιν Βάκαιναν ἡττήθησαν ὑπὸ Διονυσίου.

στρατεία Καρχηδονίων εἰς Σικελίαν καὶ κατάλυσις τοῦ πολέμου.

ὥς Θίβρος ὁ Λακεδαιμόνιος ὢν στρατηγὸς ὑπὸ Περσῶν ἡττηθεὶς ἀνῆρέθη.

ὥς Διονύσιος Ῥήγιον ἐπολιόρκησεν.

ὥς οἱ κατὰ τὴν Ἰταλίαν Ἕλληνες εἰς μίαν πολιτείαν συστάντες ἀντετάξαντο πρὸς Διονύσιον.

ὥς Διονύσιος νικήσας τῇ μάχῃ καὶ μυρίους αἰχμαλώτους λαβὼν, ἀπέλυσεν ἄνευ λύτρων καὶ ταῖς πόλεσιν αὐτονομεῖσθαι συνεχώρησεν.

Καυλωνίας καὶ Ἰππωνίου ἄλωσις καὶ κατασκαφὴ καὶ μετοίκησις εἰς Συρακούσας.

ὥς οἱ Ἕλληνες πρὸς Ἀρταξέρξην εἰρήνην ἐποιήσαντο τὴν ἐπὶ Ἀνταλκίδου.

Ῥηγίου ἄλωσις καὶ τὰ περὶ τὴν πόλιν ἀτυχήματα.

ῥαλωσις Ῥώμης ὑπὸ Γαλατῶν πλὴν τοῦ Καπετωλίου.

1.

πάντας μὲν ἴσως εἰκός ἐστι προσάντως ἀκούειν τὰς καθ' ἑαυτῶν βλασφημίας· καὶ γὰρ οἱ κατὰ πᾶν ἔκδηλον ἔχοντες τὴν ἑαυτῶν κακίαν, ὥστε μὴδ' ἐξαρνεῖσθαι, ὅμως ψόγου τυγχάνοντες διαγανακτοῦσι καὶ λόγους εἰσφέρειν πειρῶνται πρὸς τὴν κατηγορίαν. διόπερ εὐλαβητέον ἐκ παντὸς τρόπου τὸ πράττειν τι φαῦλον πᾶσι, μάλιστα μέντοι τοῖς ἡγεμονίας ὀρεγομένοις ἢ τινος ἐπισήμου τύχης μεταλαβοῦσιν· [2] ὁ γὰρ τούτων βίος περίοπτος ὢν διὰ τὴν ἐπιφάνειαν ἐν πᾶσιν ἀδυνατεῖ κρύπτειν τὴν ἰδίαν ἄγνοιαν· ὥστε μὴδεὶς ἐλπίζετω τῶν τυχόντων ὑπεροχῆς τινος, ἂν ἐξαμαρτάνῃ μεγάλα, λήσεσθαι διὰ τέλους ἀνεπιτίμητος. καὶ γὰρ ἂν ἐν τῷ καθ' ἑαυτὸν βίῳ

διαφύγη τὸν ἀπὸ τῆς ἐπιτιμήσεως λόγον, ὕστερον ἤξειν ἐπ' αὐτὸν προσδεχέσθω τὴν ἀλήθειαν μετὰ παρρησίας κηρύττουσαν τὰ πάλαι σιωπώμενα. [3] χαλεπὸν οὖν τοῖς φαύλοις τοῦ παντὸς βίου καθάπερ ἀθάνατον εἰκόνα μετὰ τὴν ἰδίαν τελευτὴν ἀπολείπειν τοῖς μεταγενεστέροις· καὶ γὰρ εἰ μηδὲν ἐστὶ πρὸς ἡμᾶς τὰ μετὰ τὸν θάνατον, καθάπερ ἔνιοι τῶν φιλοσόφων θρυλοῦσιν, ὅμως ὃ γε προγεγεννημένος βίος γίνεται πολὺ χεῖρων τὸν ἅπαντα τὸν αἰῶνα ἐπὶ κακῷ μνημονευόμενος. ἐμφανῆ δὲ τούτων παραδείγματα λαμβάνειν ἔξεστι τοῖς ἀναγνοῦσι τὰ κατὰ μέρος τῆσδε τῆς βίβλου. 2.

παρὰ μὲν γὰρ Ἀθηναίοις τριάκοντα τύραννοι γενόμενοι διὰ τὴν ἰδίαν πλεονεξίαν τὴν τε πατρίδα μεγάλοις ἀτυχήμασι περιέβαλον καὶ αὐτοὶ ταχὺ τὴν δύναμιν ἀποβαλόντες ἀθάνατον ἑαυτῶν ὄνειδος καταλελοίπασιν, Λακεδαιμόνιοι δὲ περιποιησάμενοι τὴν τῆς Ἑλλάδος ἀρχὴν ἀναμφισβήτητον, τότε ταύτης ἐστερήθησαν, ὅτε πράξεις ἀδίκους κατὰ τῶν συμμάχων ἐπιτελεῖν ἐπεχείρησαν· αἱ γὰρ τῶν ἡγεμόνων ὑπεροχαὶ τηροῦνται μὲν εὐνοίᾳ καὶ δικαιοσύνῃ, καταλύονται δὲ ἀδικήμασι καὶ μίσει τῶν ὑποτεταγμένων. [2] παραπλησίως δὲ καὶ Διονύσιος ὁ Συρακοσίων τύραννος, καίπερ εὐτυχέστατος τῶν δυναστῶν γεγονώς, ζῶν μὲν οὐ διέλιπεν ἐπιβουλευόμενος, καὶ διὰ τὸν φόβον ἠναγκάζετο φέρειν ὑπὸ τὸν χιτῶνα σιδηροῦν θώρακα, τελευτήσας δὲ μέγιστον εἰς βλασφημίας παράδειγμα καταλέλοιπε τὸν ἑαυτοῦ βίον εἰς ἅπαντα τὸν αἰῶνα. [3] ἀλλὰ περὶ μὲν τούτων ἐν τοῖς οἰκείοις χρόνοις ἕκαστον ἀναγράψομεν σαφέστερον, νῦν δ' ἐπὶ τὰ συνεχῇ τοῖς προῖστορημένοις τρεψόμεθα, τοὺς χρόνους μόνον διορίζοντες. [4] ἐν μὲν γὰρ ταῖς πρὸ ταύτης βίβλοις ἀνεγράψαμεν τὰς ἀπὸ Τροίας ἀλώσεως πράξεις ἕως ἐπὶ τὴν κατάλυσιν τοῦ τε Πελοποννησιακοῦ πολέμου καὶ τῆς Ἀθηναίων ἡγεμονίας, διελθόντες ἔτη ἑπτακόσια ἐβδομήκοντα ἑννέα· ἐν ταύτῃ δὲ τὰς συνεχεῖς πράξεις προσαναπληροῦντες ἀρξόμεθα ἐκ τῶν κατασταθέντων Ἀθήνησι τριάκοντα τυράννων, καταλήξομεν δὲ ἐπὶ τὴν Ῥώμης ἄλωσιν ὑπὸ Γαλατῶν, περιλαβόντες ἔτη δέκα ὀκτώ. 3.

ἀναρχίας γὰρ οὔσης Ἀθήνησι διὰ τὴν κατάλυσιν τῆς ἡγεμονίας, ἔτος μὲν ἦν ὀγδοηκοστὸν πρὸς τοῖς ἑπτακοσίοις μετὰ τὴν Τροίαν ἄλωσιν, ἐν δὲ τῇ Ῥώμῃ χιλίαρχοι διεδέξαντο τὴν ὑπατον ἀρχὴν τέτταρες, Γάιος Φολούιος καὶ Γάιος Σερουίλιος καὶ Γάιος Οὐαλέριος καὶ Νουμέριος Φάβιος, ἥχθη δὲ Ὀλυμπιάς κατὰ τοῦτον τὸν ἐνιαυτὸν τετάρτη πρὸς ταῖς ἐνενήκοντα, καθ' ἣν ἐνίκα Κορκίνας Λαρισαῖος. [2] κατὰ δὲ τούτους τοὺς χρόνους Ἀθηναῖοι μὲν καταπεπονημένοι ἐποίησαντο συνθήκας πρὸς Λακεδαιμονίους, καθ' ἃς ἔδει τὰ τεῖχη τῆς πόλεως καθελεῖν καὶ τῇ πατρίῳ πολιτείᾳ χρῆσθαι. καὶ τὰ μὲν τεῖχη περιεῖλον, περὶ δὲ τῆς πολιτείας πρὸς ἀλλήλους διεφέροντο. [3] οἱ γὰρ τῆς ὀλιγαρχίας ὀρεγόμενοι τὴν παλαιὰν κατάστασιν ἔφασαν δεῖν ἀνανεοῦσθαι, καθ' ἣν παντελῶς ὀλίγοι τῶν ὅλων προειστήκεισαν· οἱ δὲ πλεῖστοι δημοκρατίας ὄντες ἐπιθυμηταὶ τὴν τῶν πατέρων πολιτείαν προεφέροντο, καὶ ταύτην ἀπέφηναν ὁμολογουμένως οὔσαν δημοκρατίαν. [4] ἀντιλογίας δὲ γενομένης περὶ τούτων ἐπὶ τινὰς ἡμέρας, οἱ τὰς ὀλιγαρχίας αἰρούμενοι πρὸς Λύσανδρον διεπρεσβεύσαντο τὸν Σπαρτιάτην — οὗτος γὰρ καταλυθέντος τοῦ πολέμου τὰ κατὰ τὰς πόλεις ἀπέσταλτο διοικῆσαι, καὶ

ὀλιγαρχίαι ἐν ταῖς πλείεσταις καθίσταντο — ἐλπίζοντες ὅπερ ἦν εἰκός, συνεπιλήψεσθαι τῆς ἐπιβολῆς αὐτοῖς. διέπλευσαν οὖν εἰς Σάμον: ἐκεῖ γὰρ ἐτύγχανε διατρίβων ὁ Λύσανδρος, προσφάτως κατελιφώς τὴν πόλιν. [5] παρακαλούντων δὲ αὐτὸν πρὸς τὸ συνεργῆσαι συνεπένευσε, καὶ τῆς μὲν Σάμου Θώρακα τὸν Σπαρτιάτην ἄρμοσθην κατέστησεν, αὐτὸς δὲ μετὰ νεῶν ἑκατὸν κατέπλευσεν εἰς τὸν Πειραιέα. συναγαγὼν δ' ἐκκλησίαν συνεβούλευσε τοῖς Ἀθηναίοις ἐλέσθαι τριάκοντα ἄνδρας τοὺς ἀφηγησομένους τῆς πολιτείας καὶ πάντα διοικήσοντας τὰ κατὰ τὴν πόλιν. [6] ἀντιεπόντος δὲ τοῦ Θηραμένους καὶ τὰς συνθήκας ἀναγινώσκοντος, ὅτι τῇ πατρίῳ συνεφώνησε χρῆσεσθαι πολιτείᾳ, καὶ δεινὸν εἶναι λέγοντος, εἰ παρὰ τοὺς ὄρκους ἀφαιρεθήσονται τὴν ἐλευθερίαν, ὁ Λύσανδρος ἔφη λελύσθαι τὰς συνθήκας ὑπὸ Ἀθηναίων: ὕστερον γὰρ τῶν συγκεκριμένων ἡμερῶν καθηρηκέναι τὰ τείχη. ἀντείνετο δὲ καὶ τῷ Θηραμένει τὰς μεγίστας ἀπειλάς, ἀποκτενεῖν φήσας, εἰ μὴ παύσεται Λακεδαιμονίοις ἐναντιούμενος. [7] διόπερ ὁ τε Θηραμένης καὶ ὁ δῆμος καταπλαγεῖς ἠναγκάζετο χειροτονίᾳ καταλύσαι τὴν δημοκρατίαν. ἡρέθησαν οὖν τριάκοντα ἄνδρες οἱ διοικήσοντας τὰ κοινὰ τῆς πόλεως, ἀρμόζοντες μὲν τῷ λόγῳ, τύραννοι δὲ τοῖς πράγμασιν. 4. ὁ δὲ δῆμος θεωρῶν τὴν Θηραμένους ἐπιείκειαν καὶ νομίζων τῇ τούτου καλοκάγαθίᾳ τὴν πλεονεξίαν τῶν προεστηκότων ἐπὶ ποσὸν ἀνασταλήσεσθαι, καὶ τοῦτον ἐν τοῖς τριάκοντ' ἄρχουσιν ἐχειροτόνησεν. ἔδει δὲ τοὺς ἡρημένους βουλὴν τε καὶ τὰς ἄλλας ἀρχὰς καταστήσαι, καὶ νόμους συγγράψαι καθ' οὓς ἔμελλον πολιτεύεσθαι. [2] τὰ μὲν οὖν περὶ τῆς νομοθεσίας ἀνεβάλλοντο, προφάσεις εὐλόγους αἰεὶ ποριζόμενοι, βουλὴν δὲ καὶ τὰς ἄλλας ἀρχὰς ἐκ τῶν ἰδίων φίλων κατέστησαν, ὥστε τούτους καλεῖσθαι μὲν ἄρχοντας, εἶναι δ' ὑπηρέτας τῶν τριάκοντα. καὶ τὸ μὲν πρῶτον παραδιδόντες κρίσει τοὺς πονηροτάτους τῶν ἐν τῇ πόλει κατεδίκάζον θανάτῳ: καὶ μέχρι τούτου τοῖς ἐπιεικεστάτοις τῶν πολιτῶν εὐαρέσκει τὰ γινόμενα. [3] μετὰ δὲ ταῦτα βουλόμενοι βιαίτερα καὶ παράνομα πράττειν, ἠτήσαντο παρὰ Λακεδαιμονίων φρουράν, λέγοντες ὅτι τὴν πολιτείαν καταστήσουσιν ἐκείνοις συμφέρουσαν. ἤδεισαν γὰρ ὅτι φόνους ἐπιτελεῖν οὐκ ἂν δύναιτο χωρὶς ξενικῶν ὄπλων: πάντας γὰρ ἀνθέξεσθαι τῆς κοινῆς ἀσφαλείας. [4] Λακεδαιμονίων δὲ πεμπάντων φρουράν καὶ τὸν ταύτης ἡγησόμενον Καλλίβιον, τὸν μὲν φρουράρχον ἐξεθεράπευσαν δώροις καὶ τοῖς ἄλλοις φιланθρώποις οἱ τριάκοντα, τῶν δὲ πλουσίων ἐπιλέγοντες τοὺς ἐπιτηδεύουσιν συνελάμβανον ὡς νεωτερίζοντας, καὶ θανάτῳ περιβάλλοντες τὰς οὐσίας ἐδήμευον. [5] τοῦ δὲ Θηραμένους ἐναντιουμένου τοῖς συνάρχουσι, καὶ μετὰ τῶν ἀντεχομένων τῆς σωτηρίας ἀπειλοῦντος ἀμύνεσθαι, συνήγαγον τὴν βουλὴν οἱ τριάκοντα. Κριτίου δὲ προεστῶτος αὐτῶν, καὶ πολλὰ κατηγορήσαντος τοῦ Θηραμένους, ὅτι προδίδωσι τὴν πολιτείαν ταύτην ἥς αὐτὸς ἐκουσίως κοινωνεῖ, παραλαβὼν τὸν λόγον ὁ Θηραμένης καὶ περὶ τῶν κατὰ μέρος ἀπολογησάμενος, ἅπασαν ἔσχε τὴν βουλὴν εὖνουν. [6] οἱ δὲ περὶ τὸν Κριτίαν φοβούμενοι τὸν ἄνδρα μήποτε καταλύσῃ τὴν ὀλιγαρχίαν, περιέστησαν στρατιώτας ἔχοντας ἐσπασμένα τὰ ξίφη, καὶ τὸν Θηραμένην συνελάμβανον. [7] ὁ δὲ φθάσας ἀνεπήδησε μὲν πρὸς τὴν βουλαίαν Ἑστίαν,

ἔφησε δὲ πρὸς τοὺς θεοὺς καταφεύγειν, οὐ σωθήσεσθαι νομίζων, ἀλλὰ σπεύδων τοῖς ἀνελοῦσιν αὐτὸν περιποιήσασθαι τὴν εἰς τοὺς θεοὺς ἀσέβειαν. 5. παρελθόντων δὲ τῶν ὑπηρετῶν καὶ ἀποσπώντων αὐτόν, ὁ μὲν Θηραμένης ἔφερε γενναίως τὴν ἀτυχίαν, ἅτε καὶ φιλοσοφίας ἐπὶ πλεῖον μετεσχηκὼς παρὰ Σωκράτει, τὸ δὲ λοιπὸν πλῆθος ἡλέει δυστυχοῦντα τὸν Θηραμένη, οὐ μὴν ἐτόλμα βοηθεῖν, περιεστώτων πολλῶν μετὰ ὄπλων. [2] Σωκράτης δὲ ὁ φιλόσοφος καὶ δύο τῶν οἰκείων προσδραμόντες ἐνεχείρουν κωλύειν τοὺς ὑπηρετάς. ὁ δὲ Θηραμένης ἤξιον μηδὲν τούτων πράττειν: τὴν μὲν γὰρ φιλίαν καὶ τὴν ἀνδρείαν ἔφησεν αὐτῶν ἐπαινεῖν, ἑαυτῷ δὲ μεγίστην συμφορὰν ἔσσεσθαι, εἰ τοῖς οὕτως οἰκείως διακειμένοις αἴτιος ἔσται θανάτου. [3] οἱ δὲ περὶ τὸν Σωκράτην, τῶν μὲν ἄλλων οὐδένα βοηθὸν ἔχοντες, τὴν δὲ τῶν ὑπερεχόντων ἀνάτασιν ὀρῶντες αὐξανομένην, ἡσυχίαν ἔσχον. καὶ Θηραμένην μὲν ἀπὸ τῶν βωμῶν ἀποσπᾶσαντες οἷς ἦν προστεταγμένον, διὰ μέσης τῆς ἀγορᾶς εἵλκυσαν ἐπὶ τὸν θάνατον: [4] οἱ δὲ πολλοὶ τὰ τῆς φρουρᾶς ὅπλα καταπεπληγμένοι συνήλθον τῷ δυστυχοῦντι, καὶ τὴν τε ἐκείνου συμφορὰν ἅμα καὶ τὴν περὶ σφᾶς δουλείαν ἐδάκρυον: τῶν γὰρ ταπεινῶν ἕκαστοι τὴν Θηραμένους ἀρετὴν θεωροῦντες οὕτω προπηλακιζομένην, τὴν περὶ αὐτοὺς ἀσθένειαν οὐδενὶ λόγῳ παραναλωθήσεσθαι διελήφεισαν. [5] μετὰ δὲ τὸν τούτου θάνατον οἱ τριάκοντα τοὺς πλουσίους ἐπιλεγόμενοι, τούτοις ψευδεῖς αἰτίας ἐπερρίπτουν, καὶ φονεύοντες τὰς οὐσίας διήρπαζον. ἀνεῖλον δὲ καὶ Νικήρατον τὸν Νικίου τοῦ στρατηγήσαντος ἐπὶ Συρακοσίους υἱόν, ἄνδρα πρὸς ἅπαντας ἐπιεικῆ καὶ φιλάνθρωπον, πλούτῳ δὲ καὶ δόξῃ σχεδὸν πρῶτον πάντων Ἀθηναίων: [6] διὸ καὶ συνέβη πᾶσαν οἰκίαν συναλγῆσαι τῇ τάνδρῳ τελευτῇ, τῆς διὰ τὴν ἐπιείκειαν μνήμης προαγοῦσης εἰς δάκρυα. οὐ μὴν ἔληγόν γε τῆς παρανομίας οἱ τύραννοι, πολὺ δὲ μᾶλλον ἐπίτασιν λαμβανούσης τῆς ἀπονοίας τῶν μὲν ξένων τοὺς πλουσιωτάτους ἐξήκοντα κατέσφαξαν, ὅπως τῶν χρημάτων κυριεύσωσι, τῶν δὲ πολιτῶν καθ' ἡμέραν ἀναιρουμένων οἱ τοῖς βίοις εὐπορούμενοι σχεδὸν ἅπαντες ἔφυγον ἐκ τῆς πόλεως. [7] ἀνεῖλον δὲ καὶ Αὐτόλυκον, ἄνδρα παρρησιαστήν, καὶ καθόλου τοὺς χαριεστάτους ἐπέλεγον. ἐπὶ τοσοῦτο δὲ κατέφθειραν τὴν πόλιν, ὥστε φυγεῖν τοὺς Ἀθηναίους πλείους τῶν ἡμίσεων. 6.

Λακεδαιμόνιοι δὲ ταπεινὴν τὴν πόλιν τῶν Ἀθηναίων ὀρῶντες, οὐδέποτε ἰσχύσαι βουλόμενοι τοὺς Ἀθηναίους, ἔχαιρον καὶ φανερὰν ἑαυτῶν ἐποίουν τὴν διάθεσιν: ἐψηφίσαντο γὰρ τοὺς Ἀθηναίων φυγάδας ἐξ ἀπάσης τῆς Ἑλλάδος ἀγωγίμους τοῖς τριάκοντα εἶναι, τὸν δὲ κωλύσοντα πέντε ταλάντοις ἔνοχον εἶναι. [2] δεινοῦ δ' ὄντος τοῦ ψηφίσματος, αἱ μὲν ἄλλαι πόλεις καταπεπληγμέναι τὸ βάρος τῶν Σπαρτιατῶν ὑπήκουον, Ἀργεῖοι δὲ πρῶτοι, μισοῦντες μὲν τὴν Λακεδαιμονίων ὀμότητα, κατελεοῦντες δὲ τὰς τύχας τῶν ἀκληρούντων, ὑπεδέχοντο φιланθρώπως τοὺς φυγάδας. [3] καὶ Θηβαῖοι δὲ ἐψηφίσαντο ὑπάρχειν πρόστιμον τῷ θεασαμένῳ μὲν ἀγόμενον φυγάδα, μὴ βοηθήσαντι δὲ κατὰ τὸ δυνατόν. τὰ μὲν οὖν περὶ Ἀθηναίους ἐν τούτοις ἦν. 7.

κατὰ δὲ τὴν Σικελίαν Διονύσιος ὁ τῶν Σικελῶν τύραννος ἐπειδὴ πρὸς Καρχηδονίους εἰρήνην ἐποιήσατο, περὶ τὴν ἀσφάλειαν τῆς τυραννίδος διανοεῖτο μᾶλλον γίνεσθαι: ὑπελάμβανε γὰρ τοὺς Συρακοσίους

ἀπολελυμένους τοῦ πολέμου σχολὴν ἔξειν εἰς τὸ τὴν ἐλευθερίαν ἀνακτήσασθαι. [2] θεωρῶν δὲ τῆς πόλεως τὴν Νῆσον ὀχυρωτάτην οὖσαν καὶ δυναμένην ῥαδίως φυλάττεσθαι, ταύτην μὲν διωκοδόμησεν ἀπὸ τῆς ἄλλης πόλεως τείχει πολυτελεῖ, καὶ πύργους ὕψηλους καὶ πυκνοὺς ἐνφοκοδόμησε, καὶ πρὸ αὐτῆς χρηματιστήρια καὶ στοὰς δυναμένας ὄχλων ἐπιδέχεσθαι πλῆθος. [3] ὠκοδόμησε δ' ἐν αὐτῇ πολυτελῶς ὠχυρωμένην ἀκρόπολιν πρὸς τὰς αἰφνιδίους καταφυγὰς, καὶ συμπεριέλαβε τῷ ταύτης τείχει τὰ πρὸς τῷ μικρῷ λιμένι τῷ Λακκίῳ καλουμένῳ νεώρια: ταῦτα δ' ἐξήκοντα τριήρεις χωροῦντα πύλιν εἶχε κλειομένην, δι' ἧς κατὰ μίαν τῶν νεῶν εἰσπλεῖν συνέβαινεν. [4] τῆς δὲ χώρας τὴν μὲν ἀρίστην ἐξελόμενος ἐδωρήσατο τοῖς τε φίλοις καὶ τοῖς ἐφ' ἡγεμονίας τεταγμένοις, τὴν δ' ἄλλην ἐμέρισεν ἐπ' ἴσης ξένῳ τε καὶ πολίτῃ, συμπεριλαβὼν τῷ τῶν πολιτῶν ὀνόματι τοὺς ἡλευθερωμένους δούλους, οὓς ἐκάλει νεοπολίτας. [5] διέδωκε δὲ καὶ τὰς οἰκίας τοῖς ὄχλοις πλὴν τῶν ἐν τῇ Νήσῳ: ταύτας δὲ τοῖς φίλοις καὶ τοῖς μισθοφόροις ἐδωρήσατο. ἐπεὶ δὲ τὰ κατὰ τὴν τυραννίδα καλῶς ἐδόκει διωκηκέναι, τὴν δύναμιν ἐξήγαγεν ἐπὶ τοὺς Σικελοὺς, πάντας μὲν σπεύδων τοὺς αὐτονόμους ὑφ' ἑαυτὸν ποιήσασθαι, μάλιστα δὲ τούτους διὰ τὸ συμμαχεῖσθαι πρότερον Καρχηδονίοις. [6] οὗτος μὲν οὖν ἐπὶ τὴν τῶν Ἑρβησίνων πόλιν στρατεύσας τὰ πρὸς τὴν πολιορκίαν παρεσκευάζετο. οἱ δὲ συστρατευόμενοι Συρακόσιοι κύριοι τῶν ὄπλων ὄντες συστάσεις ἐποιοῦντο καὶ κατηγοροῦν ἀλλήλων, ὅτι τοῖς ἱππεῦσιν οὐ συνεπλάβοντο τῆς καταλύσεως τῆς τοῦ τυράννου. ὁ δὲ καθεσταμένος ὑπὸ τοῦ Διονυσίου τῶν στρατιωτῶν ἡγεμὼν τὸ μὲν πρῶτον ἠπειλήσεν τινι τῶν παρρησιαζομένων, ἀντειπόντος δ' ἐκείνου θρασέως ἐπῆλθεν ὡς πατάζων. [7] ἐφ' ᾧ παροξυνθέντες οἱ στρατιῶται τὸν μὲν ἔπαρχον ὄνομα Δωρικὸν ἀπέκτειναν, τοὺς δὲ πολίτας βοῶντες ἐπὶ τὴν ἐλευθερίαν μετεπέμποντο τοὺς ἐκ τῆς Αἴτης ἱππεῖς: οὗτοι γὰρ ἐν ἀρχῇ τῆς τυραννίδος ἐκπεπτωκότες ὥκουν τοῦτο τὸ φρούριον. 8. Διονύσιος δὲ καταπλαγεὶς τὴν ἀπόστασιν τῶν Συρακοσίων, τὴν μὲν πολιορκίαν ἔλυσεν, εἰς δὲ τὰς Συρακούσας ἠπείγετο, σπεύδων καταλαβέσθαι τὴν πόλιν. οὗ φυγόντος οἱ τὴν ἀπόστασιν ποιησάμενοι στρατηγούς εἵλαντο τοὺς ἀποκτείναντας τὸν ἔπαρχον, καὶ παραλαβόντες τοὺς ἐξ Αἴτης ἱππεῖς ἐν ταῖς καλουμέναις Ἐπιπολαῖς ἀντεστρατοπέδευσαν τῷ τυράννῳ, καὶ διέκλεισαν αὐτὸν τῆς ἐπὶ τὴν χώραν ἐξόδου. [2] εὐθὺς δὲ πρὸς τε Μεσσηνίους καὶ Ῥηγίνους πρέσβεις ἀπέστειλαν, δεόμενοι κατὰ θάλατταν συναντιλαβέσθαι τῆς ἐλευθερίας: εἰώθεισαν γὰρ αἱ πόλεις αὗται κατ' ἐκεῖνον τὸν καιρὸν τριήρεις πληροῦν οὐκ ἐλάττους ὀγδοήκοντα. ἃς τότε τοῖς Συρακοσίοις αἱ πόλεις ἀπέστειλαν, σπεύδουσαι συνεπιλαβέσθαι τῆς ἐλευθερίας. [3] ἐπεκλήρυσαν δὲ καὶ χρημάτων πλῆθος τοῖς ἀνελούσι τὸν τύραννον, καὶ τοῖς μεταβαλομένοις τῶν ξένων ἐπηγγείλαντο μεταδώσειν τῆς πολιτείας. κατεσκευάσαν δὲ καὶ μηχανήματα, δι' ὧν τὰ τείχη σαλεύοντες ἐξελοῦσι, καὶ προσέβαλλον καθ' ἡμέραν τῇ Νήσῳ, καὶ τοὺς μεταβαλλομένους τῶν ξένων φιланθρώπως ἀπεδέχοντο. [4] Διονύσιος δὲ τῆς εἰς τὴν χώραν ἐξόδου διακεκλεισμένος καὶ ὑπὸ τῶν μισθοφόρων ἐγκαταλειπόμενος, συνήγαγε τοὺς φίλους βουλευσόμενος περὶ τῶν ἐνεστώτων: οὕτω γὰρ τελέως ἀπῆλπιστο τὰ τῆς δυναστείας, ὥστε οὐ ζητεῖν

αὐτόν, πῶς καταπολεμήσῃ τοὺς Συρακοσίους, ἀλλὰ ποῖον ὑπομείνας θάνατον μὴ παντελῶς ἄδοξον ποιήσῃ τὴν κατάλυσιν τῆς ἀρχῆς. [5] Ἐλωρις μὲν οὖν, εἷς τῶν φίλων, ὡς δ' ἔνιοι φασιν, ὁ ποιητὸς πατήρ, εἶπεν αὐτῷ, διότι καλὸν ἐντάφιόν ἐστιν ἡ τυραννίς: Πολυξένος δὲ ὁ κηδεστὴς ἀπεφώνησε δεῖν λαβόντα τὸν ὀξύτατον ἵππον εἰς τὴν τῶν Καρχηδονίων ἐπικράτειαν ἀφιππεύσαι πρὸς τοὺς Καμπανούς: τούτους γὰρ Ἰμίλκων ἀπελελοιπεί φυλακῆς ἔνεκα τῶν κατὰ Σικελίαν τόπων: Φίλιστος δ' ὁ μετὰ ταῦτα τὰς ἱστορίας συνταξάμενος, ἀντιπῶν τῷ Πολυξένῳ, προσήκειν ἔφησεν οὐκ ἐφ' ἵππου θέοντος ἐκπηδᾶν ἐκ τῆς τυραννίδος, ἀλλὰ τοῦ σκέλους ἐλκόμενον ἐκπίπτειν. [6] ὃ προσσχὼν ὁ Διονύσιος ἔκρινε πᾶν ὑπομείναι πρότερον ἢ τὴν δυναστείαν ἐκλιπεῖν ἐκουσίως. διόπερ ἀποστείλας πρέσβεις πρὸς τοὺς ἀφεςτηκότας, τούτους μὲν παρεκάλει δοῦναι τὴν ἐξουσίαν αὐτῷ μετὰ τῶν ἰδίων ἀπελθεῖν ἐκ τῆς πόλεως, πρὸς δὲ τοὺς Καμπανούς λάθρᾳ διαπεμφάμενος ὡμολόγησεν αὐτοῖς δώσειν χρήματα ὅσα ἂν αἰτήσωσιν εἰς τὴν πολιορκίαν. 9.

τούτων δὲ πραχθέντων οἱ μὲν Συρακόσιοι τὴν ἐξουσίαν δόντες τῷ τυράννῳ μετὰ πέντε νεῶν ἀποπλεῖν, ῥαθυμότεροι καθειστήκεσαν, καὶ τοὺς μὲν ἱππεῖς ἀπέλυσαν οὐδὲν χρησίμους ὄντας πρὸς τὴν πολιορκίαν, τῶν δὲ πεζῶν οἱ πλεῖστοι κατὰ τὴν χώραν ἐξήεσαν ὡς ἤδη καταλελυμένης τῆς τυραννίδος. [2] οἱ δὲ Καμπανοὶ ταῖς ἐπαγγελίαις μετεωρισθέντες τὸ μὲν πρῶτον ἐπ' Ἀγύριον παρεγενήθησαν: ἐκεῖ δὲ τὴν ἀποσκευὴν Ἀγυρι παραθέμενοι τῷ δυναστεύοντι τῆς πόλεως ἐξώρμησαν ἐπὶ Συρακούσας εὐζῶνοι, τὸν ἀριθμὸν ὄντες ἱππεῖς χίλιοι διακόσιοι. [3] ταχὺ δὲ διανύσαντες τὴν ὁδὸν ἀπροσδοκῆτως ἐπεφάνησαν τοῖς Συρακοσίοις, καὶ πολλοὺς αὐτῶν ἀνελόντες εἰσεβίασαντο πρὸς τὸν Διονύσιον. κατέπλευσαν δὲ καὶ τριακόσιοι μισθοφόροι τῷ τυράννῳ κατὰ τὸν αὐτὸν καιρὸν, ὥστε αὐτὸν ἀνακῦσαι ταῖς ἐλπίσιν. [4] οἱ δὲ Συρακόσιοι πάλιν τῆς δυναστείας ἰσχυροποιουμένης ἐστασίασαν πρὸς ἀλλήλους, τῶν μὲν ἀποφαινομένων μένειν καὶ πολιορκεῖν, τῶν δὲ λύειν τὸ στρατόπεδον καὶ τὴν πόλιν ἐκλιπεῖν. [5] ἃ δὴ συνιδὼν ὁ Διονύσιος ἐξήγαγεν ἐπ' αὐτοὺς τὴν δύναμιν, καὶ τεταραγμένοις ἐπιπεσὼν ῥαδίως ἐτρέψατο περὶ τὴν Νέαν πόλιν καλουμένην. ἀνῆρέθησαν μὲν οὖν οὐ πολλοί: παριππεύων γὰρ ὁ Διονύσιος ἐκώλυσε φονεύειν τοὺς φεύγοντας: οἱ δὲ Συρακόσιοι παραχρῆμα μὲν κατὰ τὴν χώραν ἐσκεδάσθησαν, μετ' ὀλίγον δὲ πρὸς τοὺς ἱππεῖς εἰς Αἴτην ἠθροίσθησαν ὑπὲρ τοὺς ἑπτακισχιλίους. [6] Διονύσιος δὲ τοὺς πεσόντας τῶν Συρακοσίων θάψας ἀπέστειλε πρέσβεις εἰς Αἴτην, ἀξίων τοὺς φυγάδας διαλύεσθαι καὶ τὴν πατρίδα κατοικεῖν, διδοὺς πίστιν μὴ μνησικακήσειν αὐτοῖς. [7] τινὲς μὲν οὖν τέκνα καὶ γυναῖκας ἀπολελοιπότες ἠναγκάσθησαν πεισθῆναι τοῖς παρακαλουμένοις: οἱ δὲ λοιποὶ, προφερομένων τῶν πρεσβευτῶν τὴν τοῦ Διονυσίου περὶ τὴν ταφὴν τῶν πεσόντων εὐεργεσίαν, ἔφασαν αὐτὸν ἄξιον εἶναι τυχεῖν τῆς ὁμοίας χάριτος, καὶ τοῖς θεοῖς ἡύχοντο τὴν ταχίστην αὐτὸν ἐπιδεῖν ταύτης τυγχάνοντα. [8] οὗτοι μὲν οὖν οὐδενὶ τρόπῳ βουλευθέντες πιστεῦσαι τῷ τυράννῳ κατέμειναν ἐν Αἴτῃ, καιρὸν ἐπιτηροῦντες κατ' αὐτοῦ: Διονύσιος δὲ τοῖς μὲν κατελθοῦσι φυγάσι φιланθρώπως ἐχρήσατο, βουλόμενος καὶ τοὺς ἄλλους προτρέψασθαι

κατελθεῖν εἰς τὴν πατρίδα, τοὺς δὲ Καμπανοὺς ταῖς καθηκούσαις δωρεαῖς τιμήσας ἐξαπέστειλεν ἐκ τῆς πόλεως, ὑφορώμενος αὐτῶν τὴν ἀβεβαιότητα. [9] οἱ πορευθέντες εἰς Ἑντελλαν, καὶ πείσαντες τοὺς ἐν τῇ πόλει λαβεῖν ἑαυτοὺς συνοίκους, νυκτὸς ἐπιθέμενοι τοὺς μὲν ἡβώντας ἀπέσφαξαν, τὰς δὲ γυναῖκας τῶν παρασπονδηέντων γήμαντες κατέσχον τὴν πόλιν. 10.

κατὰ δὲ τὴν Ἑλλάδα Λακεδαιμόνιοι καταλελυκότες τὸν Πελοποννησιακὸν πόλεμον ὁμολογουμένην ἔσχον τὴν ἡγεμονίαν καὶ τὴν κατὰ γῆν καὶ τὴν κατὰ θάλατταν. καταστήσαντες δὲ ναύαρχον Λύσανδρον, τούτῳ προσέταξαν ἐπιπορεύεσθαι τὰς πόλεις, ἐν ἐκάστη τοὺς παρ' αὐτοῖς καλουμένους ἄρμοστὰς ἐγκαθιστάντα: ταῖς γὰρ δημοκραταῖς προσκόπτοντες οἱ Λακεδαιμόνιοι δι' ὀλιγαρχίας ἐβούλοντο τὰς πόλεις διοικεῖσθαι. [2] ἔταξαν δὲ καὶ φόρους τοῖς καταπολεμηθεῖσι, καὶ τὸν πρὸ τοῦ χρόνον οὐ χρώμενοι νομίσματι, τότε συνήθροισον ἐκ τοῦ φόρου κατ' ἑνιαυτὸν πλείω τῶν χιλίων ταλάντων. ἐπεὶ δὲ τὰ κατὰ τὴν Ἑλλάδα πράγματα κατὰ τὴν ἰδίαν ἀξίαν διώκησαν, ἀπέστειλαν Ἀριστον ἄνδρα τῶν ἐπιφανῶν εἰς Συρακούσας, τῷ μὲν λόγῳ προσποιούμενοι καταλύειν τὴν δυναστείαν, τῇ δ' ἀληθείᾳ σπεύδοντες αὐξήσαι τὴν τυραννίδα: ἡλπίζον γὰρ συγκατασκευάζοντες τὴν ἀρχὴν ὑπήκοον ἔξειν τὸν Διονύσιον διὰ τὰς εὐεργεσίας. [3] ὁ δ' Ἀριστος καταπλεύσας εἰς Συρακούσας καὶ τῷ τυράνῳ λάθρα περὶ τούτων διαλεχθεὶς, τοὺς τε Συρακοσίους ἀνασείων καὶ τὴν ἐλευθερίαν ἀποκαταστήσειν ἐπαγγελάμενος, Νικοτέλην μὲν τὸν Κορίνθιον ἀνεῖλεν ἀφηγούμενον τῶν Συρακοσίων, τοὺς δὲ πιστεύσαντας προδοὺς τὸν μὲν τύραννον ἰσχυρὸν κατέστησε, διὰ δὲ τῆς πράξεως ταύτης ἀσχημονεῖν ἐποίησεν αὐτὸν ἅμα καὶ τὴν πατρίδα. [4] Διονύσιος δὲ τοὺς Συρακοσίους ἐπὶ τὸν θερισμὸν ἀποστέλλας ἐπῆλθε τὰς οἰκίας, καὶ τὰ μὲν ὅπλα πάντων ἀφείλετο, μετὰ δὲ ταῦθ' ἕτερον τεῖχος ὠκοδόμει περὶ τὴν ἀκρόπολιν, καὶ ναῦς τε κατεσκευάζετο, συνήγε δὲ καὶ μισθοφόρων πλῆθος, καὶ τὰ λοιπὰ παρεσκευάζετο πρὸς τὴν ἀσφάλειαν τῆς τυραννίδος, ὥς ἂν ἔργοις ἤδη πεῖραν εἰληφῶς ὅτι πᾶν ὑπομένουσιν οἱ Συρακόσιοι χάριν τοῦ μὴ δουλεύειν. 11.

τούτων δὲ πραττομένων Φαρνάβαζος ὁ Δαρείου τοῦ βασιλέως σατράπης Ἀλκιβιάδην τὸν Ἀθηναῖον συλλαβὼν ἀνέειλε, χαρίσασθαι βουλόμενος Λακεδαιμονίοις. τοῦ δ' Ἐφόρου δι' ἄλλας αἰτίας ἐπιβουλευθῆναι γεγραφότος, οὐκ ἄχρηστον εἶναι νομίζω παραθεῖναι τὴν παραδοθεῖσαν ὑπὸ τοῦ συγγραφέως ἐπιβουλὴν κατ' Ἀλκιβιάδου. [2] φησὶ γὰρ κατὰ τὴν ἐπτακαιδεκάτην βίβλον Κῦρον μὲν καὶ Λακεδαιμονίους λάθρα παρασκευάζεσθαι ἅμα πολεμεῖν πρὸς Ἀρταξέρξην τὸν ἀδελφόν, Ἀλκιβιάδην δὲ διὰ τινων αἰσθόμενον τὴν Κύρου προαίρεσιν ἐλθεῖν πρὸς Φαρνάβαζον καὶ περὶ τούτων ἐξηγήσασθαι κατὰ μέρος, ἀξιώσαι δὲ αὐτὸν δοῦναι ἀναβάσεως ὁδηγὸν πρὸς Ἀρταξέρξην: βούλεσθαι γὰρ ἐμφανίσει πρῶτον τὴν ἐπιβουλὴν τῷ βασιλεῖ. [3] τὸν δὲ Φαρνάβαζον ἀκούσαντα τῶν λόγων, σφετερίσασθαι τὴν ἀπαγγελίαν καὶ πέμψαι πιστοὺς ἄνδρας ὑπὲρ τούτων τῷ βασιλεῖ δηλώσοντας. οὐ διδόντος δὲ τοῦ Φαρναβάζου τοὺς παραπέμποντας εἰς τὰ βασίλεια, φησὶ τὸν μὲν Ἀλκιβιάδην ὀρμῆσαι πρὸς τὸν σατράπην τῆς Παφλαγονίας, ὅπως δι' ἐκείνου ποιήσαιο τὴν ἀνάβασιν: τὸν δὲ Φαρνάβαζον φοβηθέντα μὴ περὶ

τούτων ἀκούσῃ τὴν ἀλήθειαν ὁ βασιλεὺς, ἐπαποστεῖλαι τοὺς ἀνελοῦντας κατὰ τὴν ὁδὸν τὸν Ἀλκιβιάδην. [4] τοὺς δὲ καταλαβόντας αὐτὸν τῆς Φρυγίας ἐν τινὶ κώμῃ κατεσκηνωκότα νυκτὸς περιθεῖναι ξύλων πλῆθος· ἀναφθέντος οὖν πολλοῦ πυρὸς τὸν Ἀλκιβιάδην ἐπιχειρῆσαι μὲν ἀμύνεσθαι, κρατηθέντα δὲ ὑπὸ τοῦ πυρὸς καὶ τῶν εἰς αὐτὸν ἀκοντιζόντων τελευτῆσαι. [5]

περὶ δὲ τὸν αὐτὸν χρόνον καὶ Δημόκριτος ὁ φιλόσοφος ἐτελεύτησε βιώσας ἔτη ἐνενήκοντα. Λασθένην δὲ τὸν Θηβαῖον τὸν νενικηκότα ταύτην τὴν Ὀλυμπιάδα λέγεται πρὸς ἵππον ἀθλητὴν δραμόντα νικῆσαι· τὸν δὲ δρόμον ἀπὸ τῆς Κορωνείας μέχρι τῆς Θηβαίων πόλεως γενέσθαι. [6]

κατὰ δὲ τὴν Ἰταλίαν Ῥωμαίων φρουρούντων Ἑρρουκαν πόλιν Οὐόλσκων ἐπελθόντες οἱ πολέμιοι τῆς τε πόλεως ἐκράτησαν καὶ τῶν φρουρῶν τοὺς πλείστους ἀνείλαν. 12.

τῶν δὲ κατὰ τοῦτον τὸν ἐνιαυτὸν πράξεων τέλος ἔχουσῶν Ἀθήνησι μὲν ἦν ἄρχων Εὐκλείδης, ἐν Ῥώμῃ δὲ τὴν ὑπατικὴν ἀρχὴν διεδέξαντο χιλιάρχοι τέσσαρες, Πόπλιος Κορνῆλιος, Νουμέριος Φάβιος, Λεύκιος Οὐαλέριος. [2] τούτων δὲ τὴν ἀρχὴν παρειληφότων Βυζάντιοι πρὸς μὲν ἀλλήλους στασιάζοντες, πρὸς δὲ τοὺς παροικούντας Θρᾷκας πόλεμον ἔχοντες, κακῶς ἀπήλλαττον· οὐ δυνάμενοι δὲ λύσιν πορίσασθαι τῆς πρὸς ἀλλήλους φιλονεικίας, στρατηγὸν ἡτήσαντο παρὰ Λακεδαιμονίων. ἐξέπεμψαν οὖν οἱ Σπαρτιάται Κλέαρχον καταστήσοντα τὰ κατὰ τὴν πόλιν· [3] οὗτος δὲ πιστευθεὶς περὶ τῶν ὅλων καὶ μισθοφόρους πολλοὺς ἀθροίσας, οὐκέτι προστάτης ἦν, ἀλλὰ τύραννος. καὶ τὸ μὲν πρῶτον τοὺς ἄρχοντας αὐτῶν ἐπὶ τινὶ θυσίᾳ καλέσας ἀνείλε, μετὰ δὲ ταῦτα ἀναρχίας οὔσης ἐν τῇ πόλει, τριάκοντα μὲν τοὺς ὀνομαζομένους Βυζαντίους συνήρπασε καὶ περιθεὶς κάλων ἀπεστραγγάλισε· πάντων δὲ τῶν διαφθαρέντων τὰς οὐσίας σφετερισάμενος ἐπελέγετο καὶ τῶν ἄλλων τοὺς εὐπόρους, καὶ ψευδεῖς αἰτίας ἐπιρρίπτων οὓς μὲν ἀπέκτεινεν, οὓς δ' ἐφυγάδευσεν. πολλῶν δὲ χρημάτων κυριεύσας καὶ μισθοφόρων ἀθροίσας πλῆθος τὰ κατὰ τὴν δυναστείαν ἡσφαλίσατο. [4] διαβοηθείσης δὲ τῆς κατὰ τὸν τύραννον ὠμότητός τε καὶ δυνάμεως, Λακεδαιμόνιοι τὸ μὲν πρῶτον ἀπέστειλαν πρὸς αὐτὸν πρέσβεις τοὺς πείσοντας ἀποθέσθαι τὴν δυναστείαν· οὐ προσέχοντος δὲ τοῖς ἀξιουμένοις ἐπεμψαν δύναμιν ἐπ' αὐτὸν καὶ στρατηγὸν Πανθοίδαν. [5] οὗ τὴν ἔφοδον αἰσθόμενος ὁ Κλέαρχος εἰς Σηλυμβρίαν μετήγαγε τὴν δύναμιν, κύριος ὢν καὶ ταύτης τῆς πόλεως· πολλὰ γὰρ εἰς τοὺς Βυζαντίους ἡμαρτηκῶς ὑπελάμβανεν οὐ μόνον τοὺς Λακεδαιμονίους, ἀλλὰ καὶ τοὺς ἐν τῇ πόλει πολεμίους ἔξειν. [6] διόπερ ἐκ Σηλυμβρίας κρίνας ἀσφαλέστερον διαπολεμήσειν, τὰ τε χρήματα καὶ τὴν δύναμιν μετέστησεν. ὥς δ' ἐπύθετο τοὺς Λακεδαιμονίους ἐγγὺς ὄντας, ἀπήντησεν αὐτοῖς, καὶ περὶ τὸν καλούμενον πόρον συνῆψε μάχην τοῖς περὶ τὸν Πανθοίδαν. [7] γενομένου δ' ἐπὶ πολὺν χρόνον τοῦ κινδύνου, καὶ λαμπρῶς ἀγωνισαμένων τῶν Λακεδαιμονίων, οἱ τοῦ τυράννου διεφθάρησαν. ὁ δὲ Κλέαρχος τὸ μὲν πρῶτον μετ' ὀλίγων συγκλεισθεὶς εἰς Σηλυμβρίαν ἐπολιορκεῖτο· μετὰ δὲ ταῦτα φοβηθεὶς διέδρα νυκτὸς καὶ διέπλευσεν εἰς τὴν Ἰωνίαν· ἐκεῖ δ' εἰς συνήθειαν ἐλθὼν Κύρῳ τῷ τοῦ βασιλέως ἀδελφῷ δυνάμεων ἀφηγήσατο. [8] ὁ γὰρ Κύρος,

ἄρχων ἀποδεδειγμένος τῶν ἐπὶ θαλάττῃ σατραπειῶν καὶ φρονήματος πλήρης ὢν, διενоеῖτο στρατεύειν ἐπὶ τὸν ἀδελφὸν Ἀρταξέρην. [9] ὁρῶν οὖν τὸν Κλέαρχον τόλμαν ἔχοντα καὶ θράσος πρόχειρον, ἔδωκεν αὐτῷ χρήματα καὶ προσέταξεν ὥς πλείστους ξενολογεῖν, νομίζων εὐθετον ἕξειν συναγωνιστὴν τοῖς ὑπ' αὐτοῦ τολμωμένοις. 13.

Λυσάνδρος δὲ ὁ Σπαρτιάτης ἐπειδὴ πάσας τὰς ὑπὸ Λακεδαιμονίους πόλεις διώκησε κατὰ τὴν τῶν ἐφόρων γνώμην, ἐν αἷς μὲν δεκαδάρχιας, ἐν αἷς δ' ὀλιγαρχίας καταστήσας, περίβλεπτος ἦν ἐν τῇ Σπάρτῃ. καταλύσας γὰρ τὸν Πελοποννησιακὸν πόλεμον τῇ πατρίδι περιτεθεικὼς ἦν τὴν ἡγεμονίαν ὁμολογουμένην καὶ τὴν κατὰ γῆν καὶ τὴν κατὰ θάλατταν. [2] διόπερ ἐπὶ τούτοις πεφρονηματισμένος διενоеῖτο καταλῦσαι τὴν τῶν Ἑρακλειδῶν βασιλείαν καὶ κοινὴν ἐκ πάντων Σπαρτιατῶν ποιῆσαι τὴν αἵρεσιν τῶν βασιλέων· ἠλπίζε γὰρ εἰς ἑαυτὸν τάχιστα τὴν ἀρχὴν ἥξειν διὰ τὸ μεγίστας καὶ καλλίστας πράξεις κατειργάσθαι. [3] θεωρῶν δὲ τοὺς Λακεδαιμονίους μάλιστα τοῖς μαντείοις προσέχοντας, ἐπεχείρησε τὴν ἐν Δελφοῖς προφητὴν διαφθεῖραι χρήμασιν· ἐνόμιζε γάρ, εἰ χρησμὸν λάβοι σύμμαχον ταῖς ἰδίαις ἐπιβολαῖς, ῥαδίως ἄξειν ἐπὶ τέλος τὴν προαίρεσιν. [4] ἐπεὶ δὲ παμπληθῆ χρήματα τοῖς περὶ τὸ μαντεῖον διατρίβουσιν ὑπισχνούμενος οὐκ ἔπειθε, ταῖς ἐν Δωδώνῃ περὶ τὸ μαντεῖον οὔσαις ἱερείαις προσήνεγκε λόγους περὶ τῶν αὐτῶν διὰ τινος Φερεκράτους, Ἀπολλωνιάτου μὲν τὸ γένος, ἔχοντος δὲ συνήθειαν πρὸς τοὺς περὶ τὸ ἱερὸν διατρίβοντας. [5] οὐδὲν δὲ πράξαι δυνάμενος ἐξεδήμησεν εἰς Κυρήνην, πρόφασιν μὲν ὥς εὐχὰς ἀποδιδούς Ἄμμωνι, τῇ δ' ἀληθείᾳ διαφθεῖραι βουλούμενος τὸ μαντεῖον· ἐκόμισε δὲ καὶ χρημάτων πλῆθος, δι' ὃν ἠλπίζε τοὺς περὶ τὸ ἱερὸν διατρίβοντας πείσαι. [6] καὶ γὰρ ὁ βασιλεὺς τῶν περὶ ἐκείνους τοὺς τόπους Λίβυς ξένος ἦν αὐτῷ πατρικός, καὶ τὸν ἀδελφὸν τοῦ Λυσάνδρου συνέβαινεν ὀνομάζεσθαι Λίβυν ἀπὸ τῆς πρὸς ἐκεῖνον φιλίας. [7] διὰ δὴ τούτου καὶ τῶν κομιζομένων χρημάτων ἐλπίσας πείσειν, οὐ μόνον ἀπέτυχε τῆς ἐπιβολῆς, ἀλλὰ καὶ συνεξέπεμψαν οἱ τοῦ μαντείου προεστῶτες πρέσβεις τοὺς κατηγορήσοντας τοῦ Λυσάνδρου περὶ τῆς τοῦ χρηστηρίου διαφθορᾶς. ὁ δὲ Λυσάνδρος παραγεννηθεὶς εἰς Λακεδαίμονα, κρίσεως αὐτῷ προτεθείσης ἀπελογήσατο πιθανῶς ὑπὲρ αὐτοῦ. [8] τότε μὲν οὖν οὐδὲν ἦδειςαν οἱ Λακεδαιμόνιοι περὶ τῆς τοῦ Λυσάνδρου προαιρέσεως εἰς τὸ καταλῦσαι τοὺς ἀφ' Ἑρακλέους βασιλεῖς· μετὰ δὲ τινα χρόνον τελευτήσαντος αὐτοῦ, καὶ τινων χρηματισμῶν ζητουμένων κατὰ τὴν οἰκίαν, εὗρον λόγον γεγραμμένον πολυτελῶς, ὃν ἐπραγματεύσατο πρὸς τὰ πλῆθη, πείσων ἐξ ἀπάντων τῶν πολιτῶν αἰρετοὺς γίνεσθαι βασιλεῖς. 14.

Διονύσιος δ' ὁ τῶν Συρακοσίων τύραννος ἐπειδὴ τὴν πρὸς Καρχηδονίους εἰρήνην ἐποιήσατο, τῶν δὲ κατὰ τὴν πόλιν στάσεων ἀπήλλακτο, τὰς ὁμόρους τῶν Χαλκιδέων πόλεις ἔσπευδε προσαγαγέσθαι· [2] αὗται δ' ἦσαν Νάξος, Κατάνη, Λεοντῖνοι. τούτων δ' ἐπεθύμει κυριεῦσαι διὰ τὸ συνορίζειν αὐτὰς τῇ Συρακούσῃ καὶ πολλὰς ἀφορμὰς ἔχειν πρὸς τὴν αὐξησιν τῆς δυναστείας. πρῶτον μὲν οὖν τῇ Αἴτνῃ προσστρατοπεδεύσας παρέλαβε τὸ φρούριον, τῶν φυγάδων οὐκ ὄντων ἀξιομάχων πρὸς τηλικαύτην δύναμιν· [3] μετὰ δὲ ταῦτα ἐπὶ Λεοντίνους ἀναζεύξας ἐγγὺς τῆς πόλεως κατεστρατοπέδευσε παρὰ τὸν

Τηρίαν ποταμόν. καὶ τὸ μὲν πρῶτον ἐκτάξας τὴν δύναμιν ἐξαπέστειλε κήρυκα πρὸς τοὺς Λεοντίνους, κελεύων παραδοῦναι τὴν πόλιν καὶ νομίζων τῷ φόβῳ καταπλῆξαι τοὺς ἔνδον· [4] οὐ προσεχόντων δὲ τῶν Λεοντίνων, ἀλλὰ πάντα παρεσκευασμένων τὰ πρὸς τὴν πολιορκίαν, Διονύσιος οὐκ ἔχων μηχανήματα τὴν μὲν πολιορκίαν κατὰ τὸ παρὸν ἀπέγνω, τὴν δὲ χώραν ἅπασαν ἐλεηλάτησεν. [5] ἐκεῖθεν δ' ἀνέξευξεν ἐπὶ τοὺς Σικελούς, προσποιούμενος τὸν πρὸς τοὺς πόλεμον ἐπαναιρεῖσθαι πρὸς τὸ τοὺς Καταναίους καὶ Ναξίους ῥαθυμοτέρους γενέσθαι περὶ τὴν τῆς πόλεως φυλακὴν. [6] διατρίβων δὲ περὶ τὴν Ἑνναν Αἰμίμηστον τὸν Ἑνναῖον ἔπεισεν ἐπιθέσθαι τυραννίδι, συνεπιλήψεσθαι τῆς προθέσεως ἐπαγγελλόμενος. [7] κρατήσαντος δ' ἐκείνου τῆς ἐπιβολῆς, καὶ τὸν Διονύσιον οὐκ εἰσαγαγόντος εἰς τὴν πόλιν, διοργισθεὶς μετεβάλετο καὶ τοὺς Ἑνναίους παρεκάλει καταλύειν τὸν τύραννον. ὧν συνδραμόντων εἰς τὴν ἀγορὰν μετὰ τῶν ὅπλων καὶ τῆς ἐλευθερίας ἀντιποιουμένων, πλήρης ἦν ἡ πόλις ταραχῆς. [8] Διονύσιος δὲ πυθόμενος τὴν στάσιν, ἀνέλαβε τοὺς ψιλοὺς καὶ ταχέως διὰ τινος ἐρήμου τόπου παρεισέπεσεν εἰς τὴν πόλιν, καὶ τὸν μὲν Αἰμίμηστον συλλαβὼν παρέδωκε τοῖς Ἑνναίοις πρὸς τὴν τιμωρίαν, αὐτοὺς δ' οὐδὲν ἀδικήσας ἀπῆλθεν ἐκ τῆς πόλεως. τοῦτο δ' ἔπραξεν οὐχ οὕτως τοῦ δικαίου φροντίζων, ὥς βουλόμενος προτρέψασθαι τὰς ἄλλας πόλεις αὐτῷ πιστεύειν. 15.

ἐκεῖθεν δ' ἀναξεύξας τὴν τῶν Ἑρβιταίων πόλιν πορθεῖν ἐπεχείρησεν· οὐδὲν δὲ πράσσων πρὸς μὲν τοὺς εἰρήνην ἐποιήσατο, τὴν δὲ δύναμιν ἤγαγεν ἐπὶ Κατάνην· Ἀρκεσίλαος γὰρ στρατηγὸς ὢν τῶν Καταναίων ἐπηγγέλλετο αὐτῷ προδῶσθαι τὴν πόλιν. διόπερ ὑπὸ τούτου περὶ μέσας νύκτας παρεισαχθεὶς κύριος τῆς Κατάνης ἐγένετο. ἀφελόμενος δὲ τῶν πολιτῶν τὰ ὅπλα, φρουρὰν ἐν αὐτῇ κατέστησεν ἱκανήν. [2] μετὰ δὲ ταῦτα Προκλῆς ὁ τῶν Ναξίων ἀφηγούμενος ἐπαγγελιῶν μεγέθει πεισθεὶς παρέδωκε τὴν πατρίδα τῷ Διονυσίῳ· ὃς τὰς δωρεὰς ἀποδοὺς τῷ προδιδόντι καὶ τοὺς συγγενεῖς αὐτῷ χαρισάμενος τὴν πόλιν ἐξηνδραποδίστατο, καὶ τὰς μὲν κτήσεις ἐφῆκε τοῖς στρατιώταις διαρπάσαι, τὰ δὲ τεῖχη καὶ τὰς οἰκίας κατέσκαψεν. [3] παραπλησίως δὲ καὶ τοῖς Καταναίοις χρησάμενος ἐλαφυροπώλησε τοὺς αἰχμαλώτους ἐν Συρακούσαις. τὴν μὲν οὖν τῶν Ναξίων χώραν Σικελοῖς τοῖς ὁμοροῦσιν ἔδωρήσατο, τοῖς δὲ Καμπανοῖς τὴν πόλιν τῶν Καταναίων οἰκητήριον ἔδωκεν. [4] μετὰ δὲ ταῦτα ἐπὶ Λεοντίνους στρατεύσας ἀπάσῃ τῇ δυνάμει τὴν πόλιν περιεστρατοπέδευσε, καὶ πρὸς τοὺς ἔνδον διαπρεσβευσάμενος ἐκέλευσεν αὐτοὺς παραδιδόναι τὴν πόλιν καὶ μετέχειν τῆς ἐν Συρακούσαις πολιτείας. οἱ δὲ Λεοντῖνοι, βοήθειαν μὲν οὐδεμίαν ἔξιν προσδοκῶντες, τὰς δὲ Ναξίων καὶ Καταναίων συμφορὰς ἀναλογιζόμενοι, κατεπλήττοντο, φοβούμενοι μὴ τοῖς αὐτοῖς περιπέσωσι δυστυχήμασιν. διόπερ εἷξαντες τῷ καιρῷ συνεχώρησαν, καὶ τὴν πόλιν ἐκλιπόντες εἰς Συρακούσας μετόκησαν. 16.

Ἀρχωνίδης δ' ὁ τῆς Ἑρβίτης ἐπιστάτης, ἐπειδὴ πρὸς Διονύσιον εἰρήνην ὁ δῆμος ὁ τῶν Ἑρβιταίων συνέθετο, διενοεῖτο κτίσαι πόλιν. εἶχε γὰρ μισθοφόρους τε πλείους καὶ σύμμικτον ὄχλον, ὃς τῷ πρὸς Διονύσιον πολέμῳ συνέδραμεν εἰς τὴν πόλιν· πολλοὶ δὲ καὶ τῶν ἀπόρων Ἑρβιταίων

ἐπηγγέλλοντο αὐτῷ κοινωνήσειν τῆς ἀποικίας. [2] ἀναλαβὼν οὖν τὸ συνδραμὸν πλῆθος κατελάβετό τινα τῶν λόφων ὁκτὼ σταδίους ἀπέχοντα τῆς θαλάττης, ἐν ᾧ πόλιν ἔκτισεν Ἀλαισαν· οὐσῶν δὲ καὶ ἄλλων πόλεων κατὰ τὴν Σικελίαν ὁμωνύμων, Ἀρχωνίδιον αὐτὴν προσηγόρευσεν ἀφ' ἑαυτοῦ. [3] ἐν δὲ τοῖς ὕστερον χρόνοις τῆς πόλεως πολλὴν ἐπίδοσιν λαμβανούσης διὰ τε τὰς ἀπὸ τῆς θαλάττης ἐργασίας καὶ διὰ τὴν ὑπὸ Ῥωμαίων δοθεῖσαν ἀτέλειαν, οἱ Ἀλαισῖνοι τὴν τῶν Ἑρβιταίων συγγένειαν ἀπηνήσαντο, αἰσχρὸν ἡγούμενοι καταδεστέρας πόλεως ἑαυτοὺς ἀποίκους νομίζεσθαι. [4] οὐ μὴν ἀλλὰ μέχρι νῦν παρ' ἀμφοτέραις συγγένειαι τε πλείονες διαμένουσι καὶ τὰς κατὰ τὸ Ἀπολλώνιον θυσίας τοῖς αὐτοῖς ἔθεσι διοικοῦσιν. τινὲς δὲ φασιν ὑπὸ Καρχηδονίων ἐκτίσθαι τὴν Ἀλαισαν, καθ' ὃν καιρὸν Ἰμίλκων τὴν πρὸς τὸν Διονύσιον εἰρήνην ἐποιήσατο. [5]

κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοις πρὸς Βηίους πόλεμος συνέστη διὰ τοιαύτας αἰτίας. τότε πρῶτως ἐπεψηφίσαντο Ῥωμαῖοι τοῖς στρατιώταις καθ' ἕκαστον ἐνιαυτὸν εἰς ἐφόδια διδόναι χρήματα. ἐξεπολιόρκησαν δὲ καὶ τὴν Οὐόλσκων πόλιν, ἣ τότε μὲν Ἀνξωρ ἐκαλεῖτο, νῦν δ' ὀνομάζεται Ταρρακίνη. 17.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἤρχε Μικίων, ἐν δὲ τῇ Ῥώμῃ τὴν ὑπατικὴν ἀρχὴν μετέλαβον χιλιάρχοι τρεῖς, Τίτος Κοῖντιος καὶ Γάιος Ἰούλιος καὶ Αὔλος Μαμίλος. τούτων δὲ τὰς ἀρχὰς λαβόντων οἱ τὸν Ὠρωπὸν οἰκοῦντες πρὸς ἀλλήλους στασιάσαντες ἐφυγάδευσαν τῶν πολιτῶν τινας. [2] οἱ δὲ φυγάδες μέχρι μὲν τινος δι' ἑαυτῶν ἐπεβάλλοντο κατελθεῖν, οὐ δυνάμενοι δὲ τὴν προαίρεσιν ἐπὶ τέλος ἀγαγεῖν, ἔπεισαν τοὺς Θηβαίους ἑαυτοῖς συναποστεῖλαι δύναμιν. [3] Θηβαῖοι δὲ στρατεύσαντες ἐπὶ τοὺς Ὠρωπίους καὶ κυριεύσαντες τῆς πόλεως, μετόκισαν ἀπὸ τῆς θαλάττης αὐτοὺς ὥς ἐπτὰ σταδίους, καὶ χρόνους μὲν τινας εἴασαν καθ' αὐτοὺς πολιτεύεσθαι, μετὰ δὲ ταῦτα δόντες πολιτείαν τὴν χώραν Βοιωτίαν ἐποιήσαντο. [4]

τούτων δὲ πραττομένων Λακεδαιμόνιοι καὶ ἄλλα μὲν πλείονα τοῖς Ἠλείοις ἐνεκάλουν, μάλιστα δ' ὅτι Ἄγιν αὐτῶν τὸν βασιλέα διεκώλυσαν τῷ θεῷ θῆσαι καὶ διότι τοῖς Ὀλυμπίοις Λακεδαιμονίους οὐκ εἴασαν ἀγωνίσασθαι. [5] διόπερ κρίναντες πρὸς αὐτοὺς ἐκφέρειν πόλεμον, δέκα πρεσβευτὰς ἀπέστειλαν, πρῶτον μὲν κελεύοντες τὰς περιοίκους πόλεις εἶαν αὐτονόμους εἶναι, ἔπειτα τὰς δαπάνας τοῦ πρὸς Ἀθηναίους πολέμου κατὰ τὸ ἐπιβάλλον αὐτοῖς μέρος ἀπῆτουν. [6] ταῦτα δ' ἔπραττον προφάσεις αὐτοῖς εὐλόγους καὶ πιθανὰς ἀρχὰς ζητοῦντες πολέμου. οὐ προσεχόντων δὲ τῶν Ἠλείων, ἀλλὰ καὶ προσεγκαλούντων ὅτι τοὺς Ἑλλήνας καταδουλοῦνται, τὸν ἕτερον τῶν βασιλέων Πausanίαν ἐπ' αὐτοὺς ἀπέστειλαν μετὰ στρατιωτῶν τετρακισχιλίων. [7] συνηκολούθουν δ' αὐτῷ πολλοὶ στρατιῶται καὶ παρὰ τῶν συμμάχων σχεδὸν πάντων πλὴν Βοιωτῶν καὶ Κορινθίων· οὗτοι δὲ δυσχεραίνοντες τοῖς ὑπὸ Λακεδαιμονίων πραττομένοις οὐ μετέσχον τῆς ἐπὶ τὴν Ἥλιν στρατείας. [8] ὁ δ' οὖν Pausanίας κατ' ἐφοδὸν τῆς Ἀρκαδίας ἐμβάλων εἰς τὴν Ἥλιν Λασίωνα μὲν φρούριον εὐθὺς εἵλεν ἐξ ἐφόδου, μετὰ δὲ ταῦτα διὰ τῆς Ἀκρωρείας ἀγαγὼν τὸ στρατόπεδον τέτταρας πόλεις προσηγάγετο, Θραῖστον, Ἄλιον, Ἐπιτάλιον, Ὀποῦντα. [9] ἐκεῖθεν δὲ τῇ Πύλῳ προσστρατοπεδεύσας εὐθὺς καὶ τοῦτο τὸ χωρίον παρέλαβεν, ἀπέχον τῆς

Ἡλιδος σταδίους ὡς ἑβδομήκοντα. μετὰ δὲ ταῦτ' ἐπ' αὐτὴν πορευθεὶς τὴν Ἡλιν ἐπὶ τῶν πέραν τοῦ ποταμοῦ λόφων κατεστρατοπέδευσεν. Ἠλεῖοι δὲ μικρὸν ἔμπροσθεν ἦσαν παρ' Αἰτωλῶν εἰληφότες συμμάχους ἐπιλέκτους ἄνδρας χιλίους, οἷς τὸν περὶ τὸ γυμνάσιον τόπον δεδώκεισαν φυλάττειν. [10] τοῦ δὲ Πausανίου τοῦτον τὸν τόπον πρῶτον ἐπιχειρήσαντος πολιορκεῖν καταπεφρονηκότως, ὡς οὐδέποτε ἂν τολμησάντων Ἠλείων ἐπεξελθεῖν, ἐξαίφνης οἱ τε Αἰτωλοὶ καὶ πολλοὶ τῶν πολιτῶν ἐκχυθέντες ἐκ τῆς πόλεως κατεπλήξαντο τοὺς Λακεδαιμονίους, καὶ σχεδὸν τριάκοντα αὐτῶν κατέβαλον. [11] ὁ δὲ Πausανίας τότε μὲν ἔλυσεν τὴν πολιορκίαν, μετὰ δὲ ταῦθ' ὁρῶν ἐργώδῃ τὴν ἄλωσιν οὖσαν, ἐπήει πορθῶν καὶ φθείρων τὴν χώραν ἱερὰν οὖσαν, καὶ παμπληθεὶς ὠφελείας ἤθροισεν. [12] ἤδη δὲ τοῦ χειμῶνος συνεγγίζοντος κατὰ μὲν τὴν Ἠλείαν ἐτείχισε φρούρια, καὶ τὴν ἱκανὴν ἐν αὐτοῖς κατέλιπε δύναμιν, αὐτὸς δὲ μετὰ τῆς ὑπολοίπου στρατιᾶς ἐν Δύμῃ παρεχίμασεν. 18.

κατὰ δὲ τὴν Σικελίαν Διονύσιος ὁ τῶν Σικελῶν τύραννος, ἐπειδὴ τὰ κατὰ τὴν δυναστείαν αὐτῷ προεχώρει κατὰ γνώμην, διενοεῖτο μὲν πρὸς Καρχηδονίους ἐκφέρειν πόλεμον: οὐπὼ δὲ ταῖς παρασκευαῖς ἱκανὸς ὢν τὴν μὲν προαίρεσιν ταύτην ἔκρυπτε, πρὸς δὲ τοὺς μέλλοντας κινδύνους τὰ χρήσιμα δῶκει. [2] εἰδὼς οὖν κατὰ τὸν Ἀττικὸν πόλεμον τὴν πόλιν ἐκ θαλάττης εἰς θάλατταν ἀποτετελιχισμένην, εὐλαβεῖτο μήποτε παραπλησίους ἐλαττώμασι περιπεσὼν ἀποκλεισθῇ τῆς εἰς τὴν χώραν ἐξόδου: εὐφυῶς γὰρ ἑώρα κειμένας τὰς καλουμένας Ἐπιπολάς κατὰ τῆς πόλεως τῶν Συρακοσίων. [3] διόπερ τοὺς ἀρχιτέκτονας παραλαβὼν, ἀπὸ τῆς τούτων γνώμης ἔκρινε δεῖν τείχισαι τὰς Ἐπιπολάς, ἥ νῦν τὸ πρὸς τοῖς Ἐξαπύλοις ὑπάρχει τεῖχος. [4] ὁ γὰρ τόπος οὗτος τετραμμένος ἐστὶ πρὸς ἄρκτον, ὑπόκρημνος δὲ πᾶς καὶ διὰ τὴν τραχύτητα δυσπρόσοδος ἐκ τῶν ἐξωθεν μερῶν. βουλόμενος οὖν ταχεῖαν τὴν κατασκευὴν τῶν τειχῶν γίνεσθαι, τὸν ἀπὸ τῆς χώρας ὄχλον ἤθροισεν, ἐξ οὗ τοὺς εὐθέτους ἄνδρας ἐλευθέρους ἐπιλέξας εἰς ἐξακισμυρίους ἐπιδιέτλε τούτοις τὸν τεχιζόμενον τόπον. [5] καθ' ἕκαστον μὲν οὖν στάδιον ἀρχιτέκτονας ἐπέστησε, κατὰ δὲ πλῆθρον ἐπέταξεν οἰκοδόμους, καὶ τοὺς τούτοις ὑπηρετήσοντας ἐκ τῶν ιδιωτῶν εἰς ἕκαστον πλῆθρον διακοσίους. χωρὶς δὲ τούτων ἕτεροι παμπληθεῖς τὸν ἀριθμὸν ἔτεμνον τὸν ἀνέργαστον λίθον: ἐξακισχίλια δὲ ζεύγη βοῶν ἐπὶ τὸν οἰκεῖον τόπον παρεκόμιζεν. [6] ἡ δὲ τῶν ἐργαζομένων πολυχαιρία πολλὴν παρείχετο τοῖς θεωμένοις κατάπληξιν, ἀπάντων σπευδόντων τελέσαι τὸ τεταγμένον. ὁ γὰρ Διονύσιος τὴν προθυμίαν τοῦ πλήθους ἐκκαλοῦμενος μεγάλας προέθηκε δωρεὰς τοῖς προτερήσασι, δίχα μὲν τοῖς ἀρχιτέκτοσι, χωρὶς δὲ τοῖς οἰκοδόμοις καὶ πάλιν τοῖς ἐργαζομένοις: καὶ αὐτὸς δὲ μετὰ τῶν φίλων προσήδρευε τὰς ἡμέρας ὅλας τοῖς ἔργοις, ἐπὶ πάντα τόπον ἐπιφαινόμενος καὶ τοῖς κακοπαθοῦσιν αἰεὶ προσλαμβάνων. [7] καθόλου δ' ἀποθέμενος τὸ τῆς ἀρχῆς βάρος ιδιώτην αὐτὸν ἀπεδείκνυε, καὶ τοῖς βαρυτάτοις τῶν ἔργων προσιστάμενος ὑπέμενε τὴν αὐτὴν τοῖς ἄλλοις κακοπάθειαν, ὥστε πολλὴ μὲν ἔρις ἐγένετο καὶ τοῖς τῆς ἡμέρας ἔργοις ἔνιοι προσετίθεσαν καὶ μέρη τῶν νυκτῶν: τοσαύτη σπουδὴ τοῖς πλήθεσιν ἐνεπεπτώκει. [8] διόπερ ἀνελπίστως ἐν ἡμέραις εἴκοσι τέλος ἔσχε τὸ τεῖχος, τὸ

μὲν μῆκος κατασκευασθὲν ἐπὶ σταδίους τριάκοντα, τὸ δὲ ὕψος σύμμετρον, ὥστε τῷ τοίχῳ τῆς ὀχυρότητος προσγενομένης ἀνάλωτον ἐκ βίας ὑπάρξαι: τοῖς γὰρ πύργοις διεΐληπτο πυκνοῖς καὶ ὑψηλοῖς, ἔκ τε λίθων ὠκοδόμητο τετραπέδων φιλοτίμως συνειργασμένων. 19.

τοῦ δ' ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν ἦν ἄρχων Ἐξαίνετος, ἐν Ῥώμῃ δὲ τὴν ὑπατικὴν ἀρχὴν παρέλαβον χιλίαρχοι ἕξ, Πόπλιος Κορνήλιος, Καΐσων Φάβιος, Σπόριος Ναύτιος, Γάιος Οὐαλέριος, Μάνιος Σέργιος. [2] περὶ δὲ τούτους τοὺς χρόνους Κῦρος ὁ τῶν ἐπὶ θαλάττης σατραπειῶν ἡγούμενος διενοεῖτο μὲν πάλαι στρατεῦειν ἐπὶ τὸν ἀδελφὸν Ἀρταξέρξη: ἦν γὰρ ὁ νεανίσκος φρονήματος πλήρης καὶ προθυμίαν ἔχων οὐκ ἄπρακτον εἰς τοὺς κατὰ πόλεμον ἀγῶνας. [3] ἐπεὶ δ' αὐτῷ μισθοφόρων πλῆθος ἱκανὸν συνῆκτο καὶ τὰ πρὸς τὴν στρατείαν εὐτρέπιστο, τοῖς μὲν πλῆθεσιν οὐκ ἐδήλου τάληθές, ἔφασκε δ' εἰς Κιλικίαν ἀνάγειν τὴν δύναμιν ἐπὶ τοὺς ἀφεσθηκότας τοῦ βασιλέως τυράννους. [4] ἀπέστειλε δὲ καὶ πρὸς Λακεδαιμονίουσπρεσβευτὰς τοὺς ἀνανεωσομένους τὰς κατὰ τὸν πρὸς Ἀθηναίους πόλεμον εὐεργεσίας καὶ παρακαλέσοντας ἑαυτῷ συμμαχεῖν. οἱ δὲ Λακεδαιμόνιοι, νομίσαντες αὐτοῖς συνοίσειν τὸν πόλεμον, ἔγνωσαν τῷ Κύρῳ βοηθεῖν, καὶ παραχρῆμα ἐξέπεμψαν πρεσβευτὰς πρὸς τὸν ἑαυτῶν ναύαρχον Σάμον ὀνομαζόμενον, ὅπως ὅ,τι ἂν κελεύῃ ὁ Κῦρος πράττῃ. [5] ὁ δὲ Σάμος εἶχε μὲν τριῆρεις εἴκοσι καὶ πέντε, μεθ' ὧν πλεύσας εἰς Ἐφεσον πρὸς τὸν Κύρου ναύαρχον ἔτοιμος ἦν αὐτῷ πάντα συμπράττειν. ἐξέπεμψαν δὲ καὶ πεζοὺς στρατιώτας ὀκτακοσίους, ἡγεμόνα Χειρίσοφον καταστήσαντες. ἀφηγεῖτο δὲ τοῦ βαρβαρικοῦ στόλου Ταμῶς, ἔχων τριῆρεις πενήκοντα πολυτελῶς ἐξηρτυμένας: καὶ καταπλευσάντων τῶν Λακεδαιμονίων ἀνήχθησαν οἱ στόλοι τὸν πλοῦν ὡς ἐπὶ Κιλικίας ποιοῦμενοι. [6] Κῦρος δὲ τοὺς τε ἀπὸ τῆς Ἀσίας στρατολογηθέντας καὶ μισθοφόρους μυρίους τρισχιλίους ἀθροίσας εἰς Σάρδεις, Λυδίας μὲν καὶ Φρυγίας κατέστησεν ἐπιμελητὰς Πέρσας ἑαυτοῦ συγγενεῖς, Ἰωνίας δὲ καὶ τῆς Αἰολίδος, ἔτι δὲ τῶν σύγγενους τόπων Ταμῶ, φίλον μὲν ὄντα πιστόν, τὸ δὲ γένος ὑπάρχοντα Μεμφίτην: αὐτὸς δὲ μετὰ τῆς δυνάμεως προῆγεν ὡς ἐπὶ τῆς Κιλικίας καὶ Πισιδίας, διαδιδούς λόγον ὅτι τινὲς τῶν ἐκεῖ κατοικούντων ἀφεστήκασιν. [7] εἶχε δὲ τοὺς ἅπαντας ἀπὸ μὲν τῆς Ἀσίας ἑπτακισμύριους, ὧν ἦσαν ἱππεῖς τρισχίλιοι, ἀπὸ δὲ Πελοποννήσου καὶ τῆς ἄλλης Ἑλλάδος μισθοφόρους μυρίους τρισχιλίους. [8] ἡγεῖτο δὲ τῶν μὲν ἀπὸ Πελοποννήσου χωρὶς Ἀχαιῶν Κλέαρχος ὁ Λακεδαιμόνιος, τῶν δ' ἀπὸ Βοιωτίας Πρόξενος Θηβαῖος, τῶν δ' Ἀχαιῶν Σωκράτης Ἀχαιός, τῶν δ' ἀπὸ Θεσσαλίας Μένων ὁ Λαρισσαῖος. [9] τῶν δὲ βαρβάρων τὰς μὲν κατὰ λεπτὸν ἡγεμονίας εἶχον Πέρσαι, τῶν δὲ συμπάντων αὐτὸς ἡγεῖτο Κῦρος, ὃς τοῖς μὲν ἡγεμόσιν ἐδεδηλώκει τὴν ἐπὶ τὸν ἀδελφὸν ἀνάβασιν, τὸ δὲ πλῆθος ἔκρυπτεν, εὐλαβούμενος μήποτε διὰ τὸ μέγεθος τῆς στρατείας ἐγκαταλίπῃ τὴν ἑαυτοῦ προαίρεσιν. διὸ καὶ κατὰ τὴν ὁδοιπορίαν προορώμενος τὸ μέλλον ἐξεθεράπευσε τοὺς στρατιώτας, κοινὸν ἑαυτὸν παρεχόμενος καὶ δαψιλεῖς ἀγορὰς ἐτοιμάζων. 20.

ἐπεὶ δὲ διήλθε Λυδίαν καὶ Φρυγίαν, ἔτι δὲ Καππαδοκίας τὰ συνορίζοντα, παρεγενήθη πρὸς τοὺς ὅρους τῆς Κιλικίας καὶ τὴν πρὸς ταῖς Κιλικίαις πύλαις

εἰσβολήν: αὕτη δ' ἐστὶ στενὴ καὶ παράκρημνος ἐπὶ σταδίου μὲν εἴκοσι παρατείνουσα, πλησίον δ' αὐτῆς ἐστὶν ἐξ ἀμφοτέρων καθ' ὑπερβολὴν ὄρη μεγάλα καὶ δυσπρόσιτα: ἀπὸ δὲ τῶν ὁρῶν ἐξ ἑκατέρου μέρους τείχη κατατείνει μέχρι τῆς ὁδοῦ, καθ' ἣν ἐνφοδοῦνται πύλαι. [2] διεξαγαγὼν δὲ διὰ τούτων τὴν δύναμιν εἰσέβαλεν εἰς τὴν πεδίον τῶν κατὰ τὴν Ἀσίαν οὐδενὸς τῷ κάλλει λειπόμενον: δι' οὗ πορευθεὶς εἰς Ταρσόν, μεγίστην τῶν ἐν Κιλικίᾳ πόλεων, ταχέως αὐτῆς ἐγκρατὴς ἐγένετο. Συνέννεσις δ' ὁ τῆς Κιλικίας δυναστεύων ὡς ἤκουσε τὸ μέγεθος τῆς τῶν πολεμίων δυνάμεως, εἰς ἀπορίαν πολλὴν ἐνέπιπτεν, οὐκ ὦν ἀξιόμαχος. [3] μεταπεμπομένου δ' αὐτὸν Κύρου καὶ τὰ πιστὰ δόντος ἐπορεύθη πρὸς αὐτόν, καὶ τὴν ἀλήθειαν τοῦ πολέμου πυθόμενος ὠμολόγησε συμμαχήσῃν ἐπὶ τὸν Ἀρταξέρξην, καὶ τὸν ἓνα τῶν υἱῶν τῷ Κύρῳ συνεξαπέστειλεν, αὐτῷ δούς τῶν Κιλικίων τοὺς ἱκανοὺς συστρατευσομένους: πανοῦργος γὰρ ὦν τὴν φύσιν καὶ πρὸς τὸ τῆς τύχης ἄδηλον ἀρτισάμενος, τὸν ἕτερον τῶν υἱῶν ἐξέπεμψε λάθρα πρὸς τὸν βασιλέα, δηλώσοντα καὶ τὰς δυνάμεις ἐπ' ἐκεῖνον ἠθροισμένας καὶ διότι τῆς μὲν συμμαχίας δι' ἀνάγκην τῷ Κύρῳ μετέχει, τῇ δ' εὐνοίᾳ προσμένων, ἂν καιρὸς γένηται, καταλιπὼν ἐκεῖνον τῷ βασιλεῖ συστρατεύσεσθαι. [4] Κῦρος δ' εἴκοσι μὲν ἡμέρας ἐν Ταρσῷ τὴν δύναμιν ἀνέλαβε: μετὰ δὲ ταῦτα ἀναζευγνύντος αὐτοῦ τὸ πλῆθος ὑπώπτευσεν τὴν στρατείαν ἐπὶ τὸν Ἀρταξέρξην γίνεσθαι. ἀναλογιζόμενος δὲ ἕκαστος τὰ μήκη τῶν ὁδῶν καὶ τὰ πλήθη τῶν πολεμίων ἐθνῶν, δι' ὧν ἀναγκαῖον ἦν τὴν πορείαν ποιεῖσθαι, τελέως ἡγωνία: διαβεβόητο γὰρ ἡ μὲν ἕως Βάκτρων ὁδὸς οὕσα στρατοπέδῳ τετραμήνου, δύναμις δ' ἠθροισμένη τῷ βασιλεῖ πλείω τῶν τετταράκοντα μυριάδων. [5] διὸ δὴ περιδεεῖς ὄντες ἐκεῖνοι ἡγανάκτουν, καὶ τοὺς ἡγεμόνας δι' ὀργῆς ἔχοντες ἐνεχείρισαν ἀναιρεῖν ὡς προδότας ἑαυτῶν ὄντας. τοῦ δὲ Κύρου δεομένου πάντων, καὶ διαβεβαιουμένου τὴν στρατιὰν ἀνάγειν οὐκ ἐπ' Ἀρταξέρξην, ἀλλ' ἐπὶ τινι σατράπῃ τῆς Συρίας, ἐπείσθησαν οἱ στρατιῶται, καὶ λαβόντες πλείω μισθὸν ἀποκατέστησαν εἰς τὴν ἐξ ἀρχῆς εὐνοίαν. 21.

ὁ δὲ Κῦρος ἐπειδὴ διῆλθε τὴν Κιλικίαν, παρεγενήθη πρὸς πόλιν Ἰσόν, ἐπὶ θαλάττης μὲν κειμένην, ἐσχάτην δ' οὕσαν τῆς Κιλικίας. κατέπλευσε δ' εἰς αὐτὴν περὶ τὸν αὐτὸν καιρὸν καὶ ὁ στόλος ὁ τῶν Λακεδαιμονίων, καὶ οἱ στρατηγοῦντες ἐξέβησαν καὶ συντυχόντες τῷ Κύρῳ τὴν τῶν Σπαρτιατῶν εἰς αὐτὸν εὐνοίαν ἀπηγγείλαν, καὶ τοὺς μετὰ Χειρισόφου πεζοὺς ὀκτακοσίους ἐκβιβάσαντες παρέδωκαν. [2] τούτους δὲ προσεποιοῦντο μὲν οἱ φίλοι τοῦ Κύρου πέμψαι μισθοφόρους, τῇ δ' ἀληθείᾳ μετὰ τῆς τῶν ἐφόρων γνώμης ἅπαντ' ἐπράττετο: οἱ δὲ Λακεδαιμόνιοι φανερόν οὐπω τὸν πόλεμον ἐπανηροῦντο, κατέκρυπτον δὲ τὴν προαίρεσιν, ἐπιτηροῦντες τὴν ῥοπὴν τοῦ πολέμου. ὁ δὲ Κῦρος μετὰ τῆς δυνάμεως ἀνέξευξεν ἐπὶ Συρίας τὴν πορείαν ποιούμενος, καὶ τοὺς ναυάρχους ἐκέλευσε συμπαραπλεῖν ἀπάσαις ταῖς ναυσίν. [3] ὡς δ' ἦλθεν ἐπὶ τὰς Πύλας καλουμένας καὶ τὸν τόπον εὗρεν ἔρημον τῶν φυλαττόντων, περιχαρὴς ἦν: ἡγωνία γὰρ σφόδρα, μὴ τινες αὐτὰς εἶεν προκατεिल्μένοι. ἔστι δὲ ἡ φύσις τοῦ τόπου στενὴ καὶ παράκρημνος, ὥστε δι' ὀλίγων ῥαδίως παραφυλάττεσθαι. [4] ὅρη γὰρ πλησίον ἀλλήλων κεῖται, τὸ μὲν τραχὺ καὶ κρημνοὺς ἔχον ἀξιολόγους, ἐπ' αὐτῆς δ' ἄρχεται τῆς ὁδοῦ

ἕτερον ὅρος μέγιστον τῶν περὶ τοὺς τόπους ἐκείνους, καὶ καλεῖται μὲν Ἄμανος, παρεκτείνει δὲ παρὰ τὴν Φοινίκην· ὁ δ' ἀνὰ μέσον τόπος τῶν ὁρῶν, ὑπάρχων ὡς τριῶν σταδίων, παντελῶς τετειχισμένος καὶ πύλας ἔχων εἰς στενὸν συγκλειομένας. [5] διελθὼν οὖν ὁ Κῦρος ταύτας ἀκινδύνως, τὸν μὲν λοιπὸν στόλον ἀπέστειλεν ἀνακάμψαι εἰς Ἑφεσον· οὐκέτι γὰρ αὐτῷ χρήσιμος ἦν μέλλοντι διὰ μεσογείου τὴν πορείαν ποιεῖσθαι· ὁδοιπορήσας δ' ἡμέρας εἴκοσι παρεγενήθη πρὸς Θάψακον πόλιν, ἣ κεῖται παρὰ τὸν ποταμὸν τὸν Εὐφράτην. [6] ἐνταῦθα δὲ πένθ' ἡμέρας διατρίψας, καὶ τὴν δύναμιν ἐξιδιοποιησάμενος ταῖς τε τῶν ἐπιτηδείων ἀφθονίαις καὶ ταῖς ἐκ τῶν προνομῶν ὠφελείαις, συνήγαγεν ἐκκλησίαν, καὶ τὴν ἀλήθειαν τῆς στρατείας ἐδήλωσεν. προσάντως δὲ δεξαμένων τὸν λόγον τῶν στρατιωτῶν, ἐδέετο πάντων μὴ καταλιπεῖν ἑαυτὸν, ἐπαγγελλόμενος ἄλλας τε μεγάλας δωρεάς καὶ ὅτι παραγενομένοις αὐτοῖς εἰς Βαβυλῶνα κατ' ἄνδρα ἕκαστον δώσει πέντε μνᾶς ἀργυρίου. οἱ μὲν οὖν στρατιῶται ταῖς ἐλπίσι μετεωρισθέντες ἐπέισθησαν ἀκολουθεῖν· [7] ὁ δὲ Κῦρος ὡς διέβη τῇ δυνάμει τὸν Εὐφράτην, ἠπείγετο κατὰ τὸ συνεχὲς ὁδοιπορῶν, καὶ παραγενηθεὶς ἐπὶ τοὺς ὅρους τῆς Βαβυλωνίας ἀνελάμβανε τὴν δύναμιν. 22.

ὁ δὲ βασιλεὺς Ἀρταξέρξης καὶ πάλαι μὲν ἦν παρὰ Φαρναβάζου πεπυσμένος ὅτι στρατόπεδον ἐπ' αὐτὸν ἀθροίζει λάθρα Κῦρος, καὶ τότε δὴ πυθόμενος αὐτοῦ τὴν ἀνάβασιν μετεπέμπετο τὰς πανταχόθεν δυνάμεις εἰς Ἑκβάτανα τῆς Μηδίας. [2] ἐπεὶ δὲ αἱ τε παρ' Ἰνδῶν καὶ τινων ἄλλων ἐθνῶν καθυστέρουν διὰ τὸ μακρὰν ἀφεστάναι τοὺς τόπους, μετὰ τῆς συναχθείσης στρατιᾶς ὥρμησεν ἀπαντήσων τῷ Κύρῳ. εἶχε δὲ τοὺς ἅπαντας στρατιώτας σὺν ἱππεῦσιν οὐκ ἐλάττους τετταράκοντα μυριάδων, καθά φησιν Ἑφορος. [3] ὡς δ' εἰς τὸ Βαβυλώνιον ἦκε πεδίον, παρὰ τὸν Εὐφράτην στρατοπεδεῖαν ἐβάλετο, διανοούμενος ἐν ταύτῃ καταλιπεῖν τὴν ἀποσκευήν· ἐπυνθάνετο γὰρ τοὺς πολεμίους οὐ μακρὰν ὄντας, καὶ τὸ παράβολον αὐτῶν τῆς τόλμης ὑπώπτευν. [4] ὀρύξας οὖν τάφρον τὸ μὲν πλάτος ποδῶν ἐξήκοντα, τὸ δὲ βάθος ποδῶν δέκα, περιέθηκε κύκλῳ τὰς συνακολουθούσας ἄρμαμάξας καθαπερεὶ τεῖχος. καταλιπὼν δ' ἐν τῇ παρεμβολῇ τὴν ἀποσκευὴν καὶ τὸν ἀχρεῖον ὄχλον, ἐπὶ μὲν ταύτης ἱκανὴν φυλακὴν παρέστησεν, αὐτὸς δὲ τὴν δύναμιν εὐζωνον προαγαγὼν ἀπὴντα τοῖς πολεμίοις ἐγγὺς ὑπάρχουσιν. [5] ὁ δὲ Κῦρος ὡς εἶδε προῖοῦσαν τὴν τοῦ βασιλέως στρατιάν, εὐθὺς εἰς τάξεις κατέστησε τὸ σφέτερον στρατόπεδον. τὸ μὲν οὖν δεξιὸν κέρας παρὰ τὸν Εὐφράτην παρεκτεῖνον πεζοὶ μὲν ἐπέιχον Λακεδαιμόνιοι καὶ τινες τῶν μισθοφόρων, ὧν ἀπάντων Κλέαρχος ὁ Λακεδαιμόνιος ἀφηγεῖτο· συνηγωνίζοντο δ' αὐτῷ τῶν ἱππέων οἱ συναχθέντες ἀπὸ Παφλαγονίας, ὄντες ὑπὲρ τοὺς χιλίους· τὸ δὲ θάτερον μέρος ἐπέιχον οἱ τ' ἀπὸ Φρυγίας καὶ Λυδίας, ἔτι δὲ τῶν ἱππέων περὶ χιλίους, ὧν εἶχε τὴν ἡγεμονίαν Ἀριδαῖος. [6] αὐτὸς δὲ ὁ Κῦρος ἐτέτακτο κατὰ μέσσην τὴν φάλαγγα τοὺς κρατίστους ἔχων Περσῶν τε καὶ τῶν ἄλλων βαρβάρων ὡς μυρίους· προηγούντο δ' αὐτῷ τῶν ἱππέων οἱ κάλλιστα διεσκευασμένοι χίλιοι, θώρακας ἔχοντες καὶ μαχαίρας Ἑλληνικάς. [7] Ἀρταξέρξης δὲ πρὸ μὲν τῆς φάλαγγος πάσης ἔστησεν ἄρματα δρεπανηφόρα τὸν ἀριθμὸν οὐκ ὀλίγα· καὶ τῶν μὲν κεράτων Πέρσας ἡγεμόνας κατέστησε,

κατὰ δὲ τὸ μέσον αὐτὸς ἐτάχθη τῶν ἐπιλέκτων ἔχων οὐκ ἐλάττους πεντακισμυρίων. 23.

ὥς δὲ τρεῖς σχεδὸν σταδίου ἀπέειχον ἀλλήλων αἱ δυνάμεις, οἱ μὲν Ἕλληνες παιανίσαντες τὸ μὲν πρῶτον ἡσυχῇ προῆγον: ὥς δ' ἐντὸς βέλους ἦσαν, ἔθεον κατὰ πολλὴν σπουδὴν. παρηγγελκῶς δ' αὐτοῖς Κλέαρχος ὁ Λακεδαιμόνιος ἦν τοῦτο πράττειν: τὸ μὲν γὰρ ἐκ διαστήματος πολλοῦ μὴ τρέχειν ἤμελλεν ἀκεραίους τοῖς σώμασι τοὺς ἀγωνιζομένους τηρήσειν εἰς τὴν μάχην, τὸ δ' ἐγγὺς ὄντας δρόμῳ προσιέναι τὰς τῶν τόξων βολὰς καὶ τῶν ἄλλων βελῶν ὑπερπετεῖς ἐδόκει ποιήσειν. [2] ἐπεὶ δ' ἤγγισαν οἱ μετὰ Κύρου τῷ τοῦ βασιλέως στρατοπέδῳ, τοσοῦτ' ἐπ' αὐτοὺς ἐρρίφη βελῶν πλῆθος, ὅσον εἰκὸς ἐστὶν ἐκ δυνάμεως ἐνεχθῆναι συνεστώσης ἐκ μυριάδων τετταράκοντα. οὐ μὴν ἀλλὰ βραχὺν χρόνον παντελῶς τοῖς παλτοῖς διαγωνισάμενοι, τὸ λοιπὸν ἐκ χειρὸς ἤδη τὴν μάχην συνίσταντο. [3] Λακεδαιμόνιοι δὲ μετὰ τῶν ἄλλων μισθοφόρων εὐθὺς ἐκ τῆς πρώτης συστάσεως ἐξέπληξαν τοὺς ἀντιτεταγμένους βαρβάρους τῇ τε τῶν ὅπλων λαμπρότητι καὶ ταῖς εὐχειρίαις. [4] ἐκεῖνοι μὲν γὰρ ἦσαν ὅπλοις τε μικροῖς ἐσκεπασμένοι καὶ τὰ πολλὰ τῶν ταγμάτων ἔχοντες ψιλικά, πρὸς δὲ τούτοις ἄπειροι τῶν κατὰ πόλεμον κινδύνων: οἱ δ' Ἕλληνες διὰ τὸ μῆκος τοῦ Πελοποννησιακοῦ πολέμου κατὰ τὸ συνεχὲς ἐν μάχαις γεγεννημένοι πολὺ ταῖς ἐμπειρίαις διέφερον. διόπερ εὐθὺς τρεψάμενοι τοὺς καθ' αὐτοὺς ἐδίωκον, καὶ πολλοὺς τῶν βαρβάρων ἀνῆρουν. [5] κατὰ δὲ μέσσην τὴν τάξιν ἔτυχε μὲν ἀμφοτέρους τοὺς ὑπὲρ τῆς βασιλείας ἀγωνιζομένους ταχθῆναι: διὸ καὶ κατανοήσαντες τὸ γεγεννημένον ὥρμησαν ἐπ' ἀλλήλους, φιλοτιμούμενοι δι' ἑαυτῶν κρῖναι τὴν μάχην: συνήγαγε γάρ, ὥς ἔοικεν, ἡ τύχη τὴν ὑπὲρ τῆς ἡγεμονίας τοῖς ἀδελφοῖς ἔριν εἰς μονομαχίαν καθάπερ εἰς ἀπομίμημα τῆς παλαιᾶς ἐκείνης καὶ τραγωδουμένης τῆς περὶ τὸν Ἑτεοκλέα καὶ Πολυνείκην τόλμης. [6] Κῦρος μὲν οὖν φθάσας ἐκ διαστήματος ἠκόντισε, καὶ τυχὼν τοῦ βασιλέως ἔσφηλεν αὐτὸν ἐπὶ τὴν γῆν: ὃν ταχέως οἱ περὶ αὐτὸν ἀρπάσαντες ἀπῆνεγκαν ἐκ τῆς μάχης. καὶ τὴν μὲν τοῦ βασιλέως ἡγεμονίαν διαδεξάμενος Τισσαφέρνης ἀνὴρ Πέρσης παρεκάλει τε τὰ πλήθη καὶ αὐτὸς λαμπρῶς ἠγωνίζετο: ἀναμαχόμενος δὲ τὸ περὶ τὸν βασιλέα γεγονὸς ἐλάττωμα καὶ μετὰ τῶν ἐπιλέκτων ἐπὶ πάντα τόπον ἐπιφανόμενος πολλοὺς ἀνῆρει τῶν ἀντιτεταγμένων, ὥστε τὴν ἐπιφάνειαν αὐτοῦ πόρρωθεν ὑπάρχειν ἐπίσημον. [7] ὁ δὲ Κῦρος ἐπαρθεὶς τῷ προτερήματι τῶν περὶ αὐτὸν εἰς μέσους ἐβιάσατο τοὺς πολεμίους, καὶ τὸ μὲν πρῶτον ἀφειδῶς τῇ τόλμῃ χρώμενος πολλοὺς ἀνῆρει, μετὰ δὲ ταῦτα προχειρότερον κινδυνεύων ὑπὸ τινος τῶν τυχόντων Περσῶν πληγῇς ἐπικαίρως ἔπεσεν. τούτου δ' ἀναιρεθέντος οἱ τοῦ βασιλέως πρὸς τὴν μάχην ἐπερρώσθησαν, καὶ τέλος τῷ τε πλήθει καὶ τῇ τόλμῃ κατεπόνησαν τοὺς ἀνθεστηκότας. 24. ἐκ δὲ θατέρου μέρους Ἀριδαῖος ὁ Κύρου σατράπης τεταγμένος ἐπὶ τῆς ἡγεμονίας τὸ μὲν πρῶτον εὐρώστως ἐδέξατο τοὺς ἐπιόντας βαρβάρους: μετὰ δὲ ταῦτα τῆς φάλαγγος ἐπὶ πολὺ παρεκτεινούσης κυκλούμενος καὶ τὴν Κύρου τελευτὴν πυθόμενος, ἔφυγε μετὰ τῶν ιδίων στρατιωτῶν πρὸς τινα τῶν ιδίων σταθμῶν, ἔχοντα καταφυγὴν οὐκ ἀνεπιτήδειον. [2] Κλέαρχος δὲ θεωρῶν τὴν τε μέσσην τάξιν καὶ τᾶλλα μέρη τῶν συμμάχων τετραμμένα, τοῦ μὲν διώκειν ἀπέστη, τοὺς δὲ στρατιώτας

ἀνακαλούμενος καθίστα: εὐλαβεῖτο γὰρ μήποτε πάσης τῆς δυνάμεως ἐπὶ τοὺς Ἑλληνας ἐλθούσης κυκλωθῶσι καὶ πάντες ἀπόλονται. [3] οἱ δὲ μετὰ τοῦ βασιλέως ταχθέντες ἐπειδὴ τὰ καθ' αὐτοὺς ἐτρέψαντο, πρῶτον μὲν τὴν ἀποσκευὴν τοῦ Κύρου διήρπασαν, μετὰ δὲ ταῦτα ἤδη νυκτὸς ἐπελθούσης ἄθροισθέντες ἐπὶ τοὺς Ἑλληνας ὥρμησαν: ὧν δεξαμένων τὴν ἔφοδον εὐγενῶς, ὀλίγον μὲν χρόνον ὑπέμενον οἱ βάρβαροι, μετ' ὀλίγον δὲ ταῖς τόλμαις καὶ ταῖς εὐχειρίαις νικώμενοι πρὸς φυγὴν ὥρμησαν. [4] οἱ δὲ περὶ Κλέαρχον πολλοὺς τῶν βαρβάρων ἀνελόντες, ὡς ἤδη νύξ ἦν, ἀναχωρήσαντες τρόπαιον ἔστησαν, καὶ περὶ δευτέραν σχεδὸν φυλακὴν ἔφθασαν εἰς τὴν παρεμβολήν. [5] τῆς δὲ μάχης τοιοῦτον τέλος λαβούσης ἀνηρέθησαν τῶν τοῦ βασιλέως πλείους τῶν μυρίων πεντακισχιλίων, ὧν τοὺς πλείστους ἀνείλον οἱ μετὰ Κλεάρχου ταχθέντες Λακεδαιμόνιοι τε καὶ μισθοφόροι. [6] ἐκ δὲ θατέρου μέρους τῶν Κύρου στρατιωτῶν ἔπεσον περὶ τρισχιλίουσιν: τῶν δὲ Ἑλλήνων φασὶν ἀναιρεθῆναι μὲν οὐδένα, τρωθῆναι δ' ὀλίγους. [7]

τῆς δὲ νυκτὸς παρελθούσης Ἀριδαῖος ὁ πεφευγὼς εἰς τὸν σταθμὸν ἀπέστείλε τινας πρὸς τὸν Κλέαρχον, παρακαλῶν πρὸς ἑαυτὸν ἀπαγαγεῖν τοὺς στρατιώτας καὶ κοινῇ διασώζεσθαι πρὸς τοὺς ἐπὶ θάλατταν τόπους: ἀνηρημένου γὰρ Κύρου καὶ τῶν τοῦ βασιλέως δυνάμεων ὑπερεχουσῶν, ἀγωνία πολλὴ κατέσχε τοὺς τετολμηκότας ἐπὶ τῇ καταλύσει τῆς Ἀρταξέρξου βασιλείας στρατεύεσθαι. 25. ὁ δὲ Κλέαρχος ἀνακαλεσάμενος τοὺς τε στρατηγούς καὶ τοὺς ἐφ' ἡγεμονίας τεταγμένους ἐβουλεύετο περὶ τῶν παρόντων. ὄντων δ' αὐτῶν περὶ ταῦτα παρεγενήθησαν παρὰ τοῦ βασιλέως πρέσβεις, ὧν ἦν ἀρχιπρεσβευτὴς ἀνὴρ Ἑλλήν, ὄνομα μὲν Φάλυνος, γένος δὲ Ζακύνθιος. εἰσαχθέντες δ' εἰς τὸ συνέδριον εἶπον, ὅτι λέγει ὁ βασιλεὺς Ἀρταξέρξης: Ἐπειδὴ νενίκηκα Κῦρον ἀποκτείνας, παραδότε τὰ ὅπλα, καὶ πρὸς τὰς θύρας αὐτοῦ βαδίσαντες ζητεῖτε, πῶς ἂν αὐτὸν ἐκθεραπεύσαντες ἀγαθοῦ τινος μεταλάβητε. [2] ῥηθέντων δὲ τούτων ἀπόκρισιν ἔδωκεν ἕκαστος τῶν στρατηγῶν τοιαύτην οἶαν Λεωνίδης, καθ' ὃν καιρὸν περὶ Θερμοπύλας αὐτοῦ φυλάττοντος τὰς παρόδους Ξέρξης ἀπέστειλεν ἀγγέλους, κελεύων τῶν ὅπλων παραχωρῆσαι. [3] καὶ γὰρ τότε Λεωνίδης εἶπεν ἀπαγγεῖλαι τῷ βασιλεῖ διότι νομίζομεν, κἂν φίλοι γενώμεθα τῷ Ξέρξει, μετὰ τῶν ὅπλων ὄντες ἀμείνους ἔσεσθαι σύμμαχοι, κἂν πολεμεῖν πρὸς αὐτὸν ἀναγκασθῶμεν, βέλτιον μετὰ τούτων ἀγωνιεῖσθαι. [4] παραπλησίως δὲ καὶ τοῦ Κλεάρχου περὶ τούτων ἀποκριναμένου, Πρόξενος ὁ Θηβαῖος εἶπεν, ὅτι νῦν τὰ μὲν ἄλλα σχεδὸν ἀποβεβλήκαμεν, λέλειπται δ' ἡμῖν ἢ τ' ἀρετὴ καὶ τὰ ὅπλα. νομίζομεν οὖν, ἂν μὲν ταῦτα φυλάττωμεν, χρησίμην ἡμῖν ἔσεσθαι καὶ τὴν ἀρετὴν, ἂν δὲ παραδῶμεν, οὐδὲ ταύτην ἡμῖν ἔσεσθαι βοηθόν. διόπερ ἐκέλευσε τῷ βασιλεῖ λέγειν, ὡς ἂν περὶ ἡμῶν κακόν τι βουλευῆται, διὰ τούτων πρὸς αὐτὸν διαγωνιούμεθα περὶ τῶν ἀγαθῶν τῶν ἐκείνου. [5] λέγεται δὲ καὶ Σώφιλον τὸν ἐφ' ἡγεμονίας τεταγμένον εἰπεῖν, ὅτι θαυμάζει τοὺς παρὰ τοῦ βασιλέως λόγους: εἰ μὲν γὰρ αὐτὸν δοκεῖ κρεῖσσονα τῶν Ἑλλήνων εἶναι, μετὰ τῆς δυνάμεως ἐλθὼν λαβέτω τὰ παρ' ἡμῶν ὅπλα: εἰ δὲ πείσας βούλεται, λεγέτω, τίνα χάριν ἡμῖν ἀντὶ τούτων ἀξίαν δώσει. [6] μετὰ δὲ τούτους Σωκράτης Ἀχαιὸς εἶπεν, ὅτι λίαν αὐτοῖς ἐκπληκτικῶς ὁ βασιλεὺς προσφέρεται: ἃ μὲν

γὰρ παρ' ἡμῶν βούλεται λαβεῖν παραχρῆμ' ἀπαιτεῖ, τὰ δ' ἀντὶ τούτων δοθησόμενα μετὰ ταῦτ' ἀξιοῦν προστάττει. καθόλου δ' εἰ μὲν ἀγνοῶν τοὺς νενικηκότας ὥς ἡττημένους κελεύει τὸ προσταττόμενον ποιεῖν, μαθέτω ποτέρων ἐστὶν ἡ νίκη παραγεννηθεῖς μετὰ τῆς πολυαριθμοῦ δυνάμεως: εἰ δὲ σαφῶς ἡμᾶς εἰδὼς νενικηκότας ψεύδεται, πῶς αὐτῷ περὶ τῶν εἰς ὕστερον ἐπαγγελιῶν πιστεῦσομεν; [7] — οἱ μὲν οὖν ἄγγελοι τοιαύτας ἀποκρίσεις λαβόντες ἐχωρίσθησαν: οἱ δὲ περὶ Κλεάρχον ἀνέζευξαν πρὸς τὸν σταθμόν, ὅπου τὸ διασσεσωμένον στρατόπεδον ἦν ἀνακεχωρηκός. εἰς ταὐτὸ δὲ πάσης τῆς δυνάμεως ἐλθούσης, περὶ τῆς ἐπὶ θάλατταν καταβάσεως ἐβουλεύοντο κοινῇ καὶ περὶ τῆς πορείας. [8] ἔδοξεν οὖν αὐτοῖς μὴ τὴν αὐτὴν ἀναχώρησιν ἥπερ ἦλθον ποιεῖσθαι: πολὺ γὰρ αὐτῆς ἦν ἔρημον, ἐν ᾧ τροφὰς οὐχ ὑπελάμβανον ἔξειν, δυνάμεως πολεμίας ἀκολουθούσης. γνόντες δ' ἐπὶ Παφλαγονίας ἀναζεγγύνειν, οὗτοι μὲν ὥρμησαν ἐπὶ Παφλαγονίαν μετὰ τῆς δυνάμεως, κατὰ σχολὴν ὁδοιποροῦντες, ὥς ἂν ἅμα τὰς τροφὰς ποριζόμενοι: 26. ὁ δὲ βασιλεὺς βέλτιον ἔχων ἀπὸ τοῦ τραύματος, ὥς ἐπύθετο τὴν τῶν ἐναντίων ὑποχώρησιν, νομίσας αὐτοὺς φεύγειν, ὥρμησε μετὰ τῆς δυνάμεως κατὰ σπουδὴν. [2] καταλαβὼν δ' αὐτοὺς διὰ τὸ βραδέως ὁδοιπορεῖν, τότε μὲν ἤδη νυκτὸς οὔσης ἐγγὺς τὴν στρατοπεδεῖαν ἐποιήσατο, ἅμα δ' ἡμέρα διατασσόντων τῶν Ἑλλήνων τὸ στρατόπεδον εἰς μάχην, πέμψας τοὺς ἀγγέλους κατὰ μὲν τὸ παρὸν εἰς τρεῖς ἡμέρας ἀνοχὰς ἐποιήσατο: [3] ἐν δὲ ταύταις συνεφώνησαν, ὥστε αὐτὸν μὲν φιλίαν παρασχέσθαι τὴν χώραν καὶ τοὺς ἡγησομένους ἐπὶ θάλατταν δοῦναι καὶ τοῖς διεξιούσιν ἀγορὰν παρέχειν, τοὺς δὲ μετὰ Κλεάρχου μισθοφόρους καὶ τοὺς μετ' Ἀριδαίου πάντα πορεύεσθαι διὰ τῆς χώρας μηδὲν ἀδίκημα ποιοῦντας. [4] μετὰ δὲ ταῦθ' οὗτοι μὲν περὶ τὰς ὁδοιπορίας ἐγίνοντο, τὴν δὲ δύναμιν ὁ βασιλεὺς ἀπήγαγεν εἰς Βαβυλῶνα. ἐκεῖ δὲ τῶν κατὰ τὴν μάχην ἀνδραγαθησάντων κατ' ἀξίαν ἕκαστον τιμήσας ἔκρινε πάντων ἄριστον γεγενῆσθαι Τισσαφέρνην. διὸ καὶ μεγάλας αὐτὸν τιμήσας δωρεαῖς ἔδωκε τὴν ἐαυτοῦ θυγατέρα πρὸς συμβίωσιν, καὶ τὸ λοιπὸν διετέλει πιστότατον αὐτὸν ἔχων φίλον: ἔδωκε δ' αὐτῷ καὶ τὴν ἡγεμονίαν ὣν Κύρος ἐπὶ θαλάττης ἦρχε σατραπειῶν. [5] ὁ δὲ Τισσαφέρνης θεωρῶν τὸν βασιλέα δι' ὀργῆς ἔχοντα τοὺς Ἕλληνας, ἐπηγγείλατ' αὐτῷ ἅπαντας ἀνελεῖν, ἐὰν αὐτῷ μὲν δυνάμεις δῶ, πρὸς δὲ Ἀριδαῖον διαλλαγῇ: προδοθήσεσθαι γὰρ ὑπὸ τούτου τοὺς Ἕλληνας κατὰ τὴν ὁδοιπορίαν. ὁ δὲ βασιλεὺς ἀσμένως τοὺς λόγους δεξάμενος τούτῳ μὲν ἔδωκεν ἐξ ἀπάσης τῆς δυνάμεως ἐπιλέξαι τοὺς κρατίστους ὅσους προαιροῖτο. [6] ... ἄλλοις γε ἡγεμόσιν ἐλθεῖν καὶ κατὰ πρόσωπον ἀκοῦσαι τῶν λόγων. διόπερ οἱ τε στρατηγοὶ σχεδὸν ἅπαντες μετὰ Κλεάρχου καὶ τῶν λοχαγῶν ὥς εἴκοσι πρὸς Τισσαφέρνην ἦλθον: καὶ στρατιωτῶν δὲ πρὸς ἀγορὰν ἐλθεῖν βουλομένων ἠκολούθησαν ὥς διακόσιοι. [7] Τισσαφέρνης δὲ τοὺς μὲν στρατηγούς εἰς τὴν σκηνὴν ἐκάλεσεν, οἱ δὲ λοχαγοὶ πρὸς ταῖς θύραις διέτριβον. καὶ μετ' ὀλίγον ἐκ τῆς Τισσαφέρνης σκηνῆς ἀρθείσης φοινικίδος ὁ μὲν τοὺς στρατηγούς ἐνδον συνέλαβε, τοὺς δὲ λοχαγούς οἷς ἦν συντεταγμένον ἐπελθόντες ἀνείλον, ἄλλοι δὲ τοὺς ἐπὶ τὴν ἀγορὰν ἦκοντας τῶν στρατιωτῶν ἀνήρουν: ἐξ ὧν εἷς φυγὼν εἰς τὴν ἰδίαν παρεμβολὴν ἐδήλωσε τὴν συμφορὰν. 27.

οἱ δὲ στρατιῶται πυθόμενοι τὰ γεγενημένα παρ' αὐτὸν μὲν τὸν καιρὸν ἐξεπλάγησαν καὶ πάντες ἐχώρουν εἰς ὄπλα μετὰ πολλῆς ἀταξίας, ὥς ἂν ἀναρχίας οὔσης· μετὰ δὲ ταῦτα, οὐδενὸς αὐτοῖς παρενοχλοῦντος, εἵλοντο στρατηγούς μὲν πλείους, ἐνὶ δὲ τῶν ὅλων τὴν ἡγεμονίαν ἀπέδωκαν Χειρισόφῳ τῷ Λακεδαιμονίῳ. [2] οὗτοι δὲ διατάξαντες τὸ στρατόπεδον εἰς τὴν ὁδοιπορίαν ὥς ποτ' αὐτοῖς ἐδόκει κάλλιστα προῆγον ἐπὶ Παφλαγονίαν. Τισσαφέρνης δὲ τοὺς στρατηγούς δήσας ἀπέστειλε πρὸς Ἀρταξέρξη· ἐκεῖνος δὲ τοὺς μὲν ἄλλους ἀνεῖλε, Μένωνα δὲ μόνον ἀφήκεν· ἐδόκει γὰρ μόνος οὗτος στασιάζων πρὸς τοὺς συμμάχους προδώσειν τοὺς Ἕλληνας. [3] Τισσαφέρνης δὲ μετὰ τῆς δυνάμεως ἐπακολουθῶν τοῖς Ἕλλησιν ἐξήπτετο, καὶ κατὰ στόμα μὲν οὐκ ἐτόλμα παρατάττεσθαι, φοβούμενος ἀπεγνωσμένων ἀνδρῶν θράσος καὶ ἀπόνοιαν, ἐν δὲ τοῖς εὐθέτοις τόποις παρενοχλῶν μεγάλῳ μὲν οὐδενὶ κακῷ περιβάλλειν αὐτοὺς ἡδύνατο, μικρὰ δὲ βλάπτων μέχρι τοῦ τῶν Καρδούχων καλουμένων ἔθνους ἐπηκολούθησεν. [4] καὶ Τισσαφέρνης μὲν οὐδὲν ἔτι δυνάμενος πρᾶξαι, μετὰ τῆς δυνάμεως ἐπ' Ἰωνίας ἀνέζευξεν· οἱ δὲ Ἕλληνες ἐφ' ἑπτὰ μὲν ἡμέρας διεπορεύοντο τὰ τῶν Καρδούχων ὄρη, πολλὰ κακὰ πάσχοντες ὑπὸ τῶν ἐγχωρίων ἀλκίμων τε ὄντων καὶ τῆς χώρας ἐμπεύρων. [5] ἦσαν δ' οὗτοι πολέμιοι μὲν τοῦ βασιλέως, ἐλεύθεροι δὲ καὶ τὰ κατὰ πόλεμον ἀσκοῦντες, μάλιστα δ' ἐκπονοῦντες σφενδόνας ὥς μεγίστους λίθους ἐμβάλλειν καὶ τοξεύμασιν ὑπερμεγέθεσι χρῆσθαι, δι' ὧν τοὺς Ἕλληνας κατατιτρώσκοντες ἐξ ὑπερδεξίων τόπων πολλοὺς μὲν ἀνέειλον, οὐκ ὀλίγους δὲ κακῶς διέθεσαν. [6] τὰ γὰρ βέλη μείζω καθεστῶτα δυεῖν πηχῶν ἔδυνε διὰ τε τῶν ἀσπίδων καὶ θωράκων, ὥστε μηδὲν τῶν ὅπλων ἰσχύειν τὴν βίαν αὐτῶν ὑπομένειν· οὕτω γάρ φασι μεγάλους κεκρῆσθαι οἰστοῖς, ὥστε τοὺς Ἕλληνας ἐναγκυλοῦντας τὰ ῥιπτόμενα βέλη τούτοις σανυίοις χρωμένους ἐξακοντίζειν. [7] διελθόντες οὖν τὴν προειρημένην χώραν ἐπιπόνως παρεγενήθησαν πρὸς τὸν Κεντρίτην ποταμόν· ὃν διαβάντες εἰσέβαλον εἰς τὴν Ἀρμενίαν. ταύτης δ' ἦν σατράπης Τιρίβαζος, πρὸς ὃν σπεισάμενοι διεπορεύοντο τὴν χώραν ὡς φίλοι. 28.

ὁδοιποροῦντες δὲ διὰ τῶν Ἀρμενίων ὁρῶν ἐλήφθησαν ὑπὸ χιόνος πολλῆς, καὶ παρεκινδύνευσαν ἀπολέσθαι πάντες. τοῦ γὰρ ἀέρος τεταραγμένου τὸ μὲν πρῶτον κατ' ὀλίγον ἥρξατο χιὼν πίπτειν ἐκ τοῦ περιέχοντος, ὥστε τοὺς ὁδοιποροῦντας μηδὲν ἐμποδίζεσθαι τῆς εἰς τοῦμπροσθεν πορείας· μετὰ δὲ ταῦτα πνεύματος ἐπιγινομένου μᾶλλον αἰεὶ κατερρίπτετο καὶ τὴν χώραν ἐπεκάλυπτεν, ὥστε μηκέτι δύνασθαι μήτε τὰς ὁδοὺς μήτε ὀλοσχερῶς τὰς ιδιότητας τῶν τόπων θεωρεῖσθαι. [2] διόπερ ἀθυμία τὸ στρατόπεδον ὑπεδύετο καὶ δέος, ἀνακάμπτειν μὲν εἰς ἀπώλειαν οὐ βουλομένων, προάγειν δὲ διὰ τὸ πλῆθος τῶν χιόνων οὐ δυναμένων. τοῦ δὲ χειμῶνος ἐπίτασιν λαμβάνοντος ἐπεγενήθη πνευμάτων μέγεθος μετὰ πολλῆς χαλάζης, ὥστε τοῦ συρμοῦ κατὰ πρόσωπον ὄντος ἀναγκασθῆναι καθίσαι τὴν δύναμιν ἅπασαν· ἕκαστος γὰρ τὴν ἐκ τῆς ὁδοιπορίας κακοπάθειαν ὑπομένειν ἀδυνατῶν, οὐ ποτε τύχοι, μένειν ἠναγκάζετο. [3] ἀποροῦντες δὲ πάντων τῶν ἀναγκαίων ἐκείνην μὲν τὴν ἡμέραν καὶ τὴν νύκτα διεκαρτέρουν ὑπαίθριοι, πολλοῖς συνεχόμενοι κακοῖς· διὰ γὰρ τὸ πλῆθος τῆς κατὰ τὸ συνεχὲς ἐκχεομένης χιόνος τὰ τε ὄπλα πάντα

συνεκαλύφθη καὶ τὰ σώματα διὰ τὸν ἀπὸ τῆς αἰθρίας πάγον περιεψύχετο. διὰ δὲ τὴν ὑπερβολὴν τῶν κακῶν ὅλην τὴν νύκτα διηγρύπνουσαν· καὶ τινὲς μὲν πῦρ ἐκκαύσαντες τῆς ἀπὸ τούτου βοηθείας ἐτύγχανον, τινὲς δὲ περικαταληφθέντες ὑπὸ τοῦ πάγου τὰ σώματα πᾶσαν ἀπεγίνωσκον ἐπικουρίαν, τῶν ἀκρωτηρίων αὐτοῖς σχεδὸν ἀπάντων ἀπονεκρουμένων. [4] διόπερ ὡς ἡ νύξ διήλθε, τῶν θ' ὑποζυγίων τὰ πλεῖστα εὐρέθη διεφθαρμένα καὶ τῶν ἀνδρῶν πολλοὶ μὲν τετελευτηκότες, οὐκ ὀλίγοι δὲ τὴν μὲν ψυχὴν ἔχοντες ἔμφρονα, τὸ δὲ σῶμα διὰ τὸν πάγον ἀκίνητον· ἔνιοι δὲ καὶ τοὺς ὀφθαλμοὺς ἐτυφλώθησαν διὰ τε τὸ ψῦχος καὶ τὴν ἀνταύγειαν τῆς χιόνος. [5] καὶ τελείως ἂν ἅπαντες διεφθάρησαν, εἰ μὴ βραχὺ διελθόντες εὗρον κόμας γεμούσας τῶν ἐπιτηδείων. αὗται δὲ τὰς μὲν τοῖς ὑποζυγίοις καταβάσεις εἶχον ὀρυκτάς, τὰς δὲ τοῖς ἀνδράσι κατὰ κλιμάκων ... ταῖς οἰκίαις τὰ τε βοσκήματα τρεφόμενα χόρτῳ, τοῖς δ' ἀνδράσι πολλὴν ἀφθονίαν πάντων τῶν πρὸς τὸ ζῆν ἀναγκαίων. 29.

ἐμμείναντες δὲ ταῖς κόμαις ἡμέρας ὀκτὼ παρεγενήθησαν πρὸς τὸν Φᾶσιν ποταμόν. ἐκεῖ δὲ τέτταρας ἡμέρας διανύσαντες διεπορεύοντο τὴν Χάων καὶ Φασιανῶν χώραν. ἐπιθεμένων δ' αὐτοῖς τῶν ἐγχωρίων, τούτους μὲν ἐν τῇ μάχῃ νικήσαντες πολλοὺς ἀνέϊλον, αὐτοὶ δὲ καταλαμβάνοντες τὰς τῶν ἐγχωρίων κτήσεις γεμούσας ἀγαθῶν ἐνδιέτριψαν ἐν αὐταῖς ἡμέρας πεντεκαίδεκα. [2] ἀναζεύξαντες δ' ἐκεῖθεν διήλθον τὴν Χαλδαίων καλουμένων χώραν ἐν ἡμέραις ἐπτά, καὶ παρεγενήθησαν πρὸς τὸν Ἄρπαγον ὀνομαζόμενον ποταμόν, ὄντα τὸ πλάτος πλέθρων τεττάρων. ἐντεῦθεν δὲ διὰ τῆς Σκυτίνων πορευόμενοι διήλθον ὁδὸν πεδινήν, ἐν ᾗ τρεῖς ἡμέρας αὐτοὺς ἀνέλαβον, εὐποροῦντες ἀπάντων τῶν ἀναγκαίων. μετὰ δὲ ταῦτ' ἀναζεύξαντες τεταρταῖοι παρεγενήθησαν πρὸς πόλιν μεγάλην Γυμνασίαν ὀνομαζομένην. [3] ἐκ δὲ ταύτης ὁ τῶν τόπων τούτων ἀφηγούμενος ἐσπείσατο πρὸς αὐτοὺς καὶ τοὺς ὁδηγήσοντας ἐπὶ θάλατταν συνέστησεν. ἐν ἡμέραις δὲ πεντεκαίδεκα παραγενόμενοι ἐπὶ τὸ Χήνιον ὄρος, ὡς εἶδον πορευόμενοι οἱ πρῶτοι τὴν θάλατταν, περιχαρεῖς ἦσαν καὶ τοιαύτην ἐποίουν κραυγὴν, ὥστε τοὺς ἐπὶ τῆς οὐραγίας ὄντας ὑπολαμβάνοντας πολέμιων ἔφοδον εἶναι χωρεῖν εἰς ὅπλα. [4] ὡς δ' ἅπαντες ἀνέβησαν ἐπὶ τὸν τόπον, ἐξ οὗ τὴν θάλατταν ἦν ὁρᾶν, τοῖς θεοῖς ἀνατείναντες τὰς χεῖρας ἠὺχαρίστουν ὡς ἤδη διασεσωσμένοι· συνενέγκαντες δ' εἰς ἓνα τόπον λίθους παμπληθεῖς, καὶ ποιήσαντες ἐξ αὐτῶν ἀναστήματα μεγάλα, σκῦλα τῶν βαρβάρων ἀνέθεσαν, βουλόμενοι τῆς στρατείας ἀθάνατον ὑπόμνημα καταλιπεῖν. καὶ τῷ μὲν ὁδηγήσαντι φιᾶλην ἄργυρᾶν καὶ στολὴν Περσικὴν ἐδώρησαντο· ὃς δεῖξας αὐτοῖς τὴν ἐπὶ Μάκρωνας ὁδὸν ἀπηλλάγη. [5] οἱ δ' Ἕλληνες εἰσβαλόντες εἰς τὴν τῶν Μακρῶνων χώραν ἐσπείσαντο, καὶ πρὸς πίστιν παρὰ μὲν ἐκείνων λόγῃν ἔλαβον βαρβαρικὴν, αὐτοὶ δ' Ἑλληνικὴν ἔδωκαν· ταῦτα γὰρ ἔφασαν αὐτοῖς οἱ βάρβαροι διὰ προγόνων παραδεδόσθαι πρὸς πίστιν βεβαιότατα. ὡς δὲ τοὺς τούτων ὄρους διήλθον, παρεγενήθησαν εἰς τὴν τῶν Κόλχων χώραν. [6] εἰς ἣν ἀθροισθέντων τῶν ἐγχωρίων ἐπ' αὐτούς, τούτους μὲν κρατήσαντες μάχῃ πολλοὺς ἀνέϊλαν, αὐτοὶ δὲ λόφον ὀχυρὸν καταλαβόμενοι τὴν χώραν ἐπόρθουν, καὶ τὰς ὠφελείας εἰς τοῦτον ἀθροίσαντες ἀφθόνως ἑαυτοὺς ἀνελάμβανον. 30. εὐρίσκετο δὲ καὶ σμήνη παμπληθῆ περὶ τοὺς τόπους, ἐξ ὧν

πολυτελῇ προσεφέρετο κηρία. τούτων δ' οἱ γευσάμενοι παραλόγῳ περιέπιπτον συμπτῶματι: οἱ γὰρ μεταλαμβάνοντες αὐτῶν ἄφρονες ἐγίνοντο καὶ πίπτοντες ἐπὶ τὴν γῆν ὅμοιοι τοῖς τετελευτηκόσιν ὑπῆρχον. [2] πολλῶν δὲ φαγόντων διὰ τὴν γλυκύτητα τῆς ἀπολαύσεως, ταχὺ τὸ πλῆθος ἐγεγόνει τῶν πεπτωκότων οἶονεῖ τροπῆς ἐν πολέμῳ γεγενημένης. ἐκείνην μὲν οὖν τὴν ἡμέραν ἠθύμυσεν ἡ δύναμις, καταπεπληγμένη τὸ τε παράδοξον καὶ τὸ πλῆθος τῶν ἡτυχηκότων: τῇ δ' ὑστεραία περὶ τὴν αὐτὴν ὥραν ἅπαντες ἑαυτοὺς ἀνελάμβανον καὶ κατ' ὀλίγον ἀνακτώμενοι τὸ φρονεῖν ἀνέστησαν, καὶ τὸ σῶμα διετέθησαν ὁμοίως τοῖς ἐκ φαρμακοποσίας διασωθεῖσιν. [3] ὥς δ' ἀνέλαβον ἑαυτοὺς ἐν τρισὶν ἡμέραις, ἐπορεύθησαν εἰς Τραπεζοῦντα πόλιν Ἑλληνίδα, Σινωπέων μὲν ἄποικον, κειμένην δ' ἐν τῇ Κόλχων χώρα. ἐνταῦθα δὲ διατρίψαντες ἡμέρας τριάκοντα, παρὰ μὲν τοῖς ἐγχωρίοις λαμπρῶς ἐξενίσθησαν, αὐτοὶ δὲ τῷ τε Ἡρακλεῖ καὶ Διὶ σωτηρίῳ θυσίαν ἐποίησαν καὶ γυμνικὸν ἀγῶνα, καθ' ὃν τόπον φασὶ προσπλεῦσαι τὴν Ἀργὴν καὶ τοὺς περὶ Ἰάσονα. [4] ἐκεῖθεν δὲ Χειρίσοφον μὲν τὸν ἀφηγούμενον ἀπέστειλαν εἰς Βυζάντιον ἐπὶ πλοῖα καὶ τριήρεις: ἔλεγε γὰρ εἶναι φίλος Ἀναξιβίῳ τῷ Βυζαντίων ναυάρχῳ. τοῦτον μὲν οὖν ἐπὶ κέλητος ἐξέπεμψαν: λαβόντες δὲ τῶν ἐπικώπων δύο πλοιάρια παρὰ τῶν Τραπεζούντιων, ἐλήστευον τοὺς περιουκοῦντας βαρβάρους καὶ κατὰ γῆν καὶ κατὰ θάλατταν. [5] ἐφ' ἡμέρας μὲν οὖν τριάκοντα περιέμειναν τὸν Χειρίσοφον: ὥς δ' ἐκεῖνος ἐβράδυνεν, αἱ δὲ τροφαὶ τοῖς ἀνθρώποις ἐσπάνιζον, ἀνέξευξαν ἐκ Τραπεζοῦντος, καὶ τριταῖοι παρεγενήθησαν εἰς Κερασοῦντα πόλιν Ἑλληνίδα, Σινωπέων ἄποικον. ἐν ταύτῃ δὲ ἡμέρας διατρίψαντές τινας παρεγενήθησαν εἰς τὸ τῶν Μοσυνοίκων ἔθνος. [6] τῶν δὲ βαρβάρων συστραφέντων ἐπ' αὐτοὺς ἐκράτησαν μάχῃ καὶ πολλοὺς ἀνείλον. συμφυγόντων δ' εἰς τι χωρίον, ἐν ᾧ κατόκουν ἐπτωρόφους ἔχοντες ξυλίνους πύργους, συνεχεῖς προσβολὰς ποιησάμενοι κατὰ κράτος εἶλαν. ἦν δὲ τὸ χωρίον τοῦτο μητρόπολις τῶν ἄλλων ἐρυμάτων, ἐν ᾧ καὶ ὁ βασιλεὺς αὐτῶν κατόκει τὸν ὑψηλότετον τόπον ἔχων. [7] ἔθος δ' ἔχει πάτριον μένειν ἐν αὐτῷ τὸν πάντα βίον, κάκεῖθεν διαδιδόναι τοῖς ὄχλοις τὰ προστάγματα. βαρβαρώτατον δ' ἔφασαν οἱ στρατιῶται τοῦτο διεληλυθέναι τὸ ἔθνος, καὶ ταῖς μὲν γυναῖξιν αὐτοὺς πλησιάζειν ἀπάντων ὁρώντων, τοὺς δὲ παῖδας τῶν πλουσιωτάτων τρέφεσθαι καρύοις ἐφθοῖς, ἅπαντας δ' ἐκ παιδὸς στίγμασι τὸν τε νῶτον καὶ τὰ στήθη καταπεποικίλθαι. ταύτην μὲν οὖν τὴν χώραν ἐν ἡμέραις ὀκτὼ διεπορεύθησαν, τὴν δ' ἐχομένην ἐν τρισίν, ἦν ἐκάλουν Τιβαρηνήν. 31. κάκεῖθεν εἰς Κοτύωρα πόλιν παρεγενήθησαν Ἑλληνίδα, Σινωπέων ἄποικον. ἐν ταύτῃ δὲ πεντήκονθ' ἡμέρας διέτριψαν τοὺς περιοίκους τῆς Παφλαγονίας τε καὶ τοὺς ἄλλους βαρβάρους ληστεύοντες. Ἡρακλεῶται δὲ καὶ Σινωπεῖς ἀπέστειλαν αὐτοῖς πλοῖα, δι' ὧν αὐτοὶ τε καὶ τὰ σκευοφόρα διεκομίσθησαν. [2] ἡ δὲ Σινώπη Μιλησίων μὲν ἦν ἄποικος, κειμένη δ' ἐν τῇ Παφλαγονίᾳ μέγιστον εἶχεν ἀξίωμα τῶν περὶ τοὺς τόπους: ἐν ἣ δὴ καθ' ἡμᾶς ἔσχε Μιθριδάτης ὁ πρὸς Ῥωμαίους διαπολεμήσας τὰ μέγιστα βασιλεία. [3] παρεγενήθη δὲ καὶ ἐνταῦθα Χειρίσοφος ὁ πρὸς τὰς τριήρεις ἀπεσταλμένος ἄπρακτος. οὐ μὴν ἄλλ' οἱ Σινωπεῖς φιλοφρόνως αὐτοὺς ξενίσαντες ἀπέπεμψαν αὐτοὺς κατὰ θάλατταν εἰς Ἡράκλειαν, Μεγαρέων

ἄποικον· καὶ καθωρμίσθη πᾶς ὁ στόλος πρὸς τὴν Ἀχερουσίαν χερρόνησον, ὅπου φασὶν Ἡρακλέα τὸν ἐξ ἄδου Κέρβερον ἀναγαγεῖν. [4] ἐκεῖθεν δὲ περὶ διὰ Βιθυνίας πορευόμενοι κινδύνους περιέπιπτον, τῶν ἐγγχωρίων ἐξαπτομένων κατὰ τὴν πορείαν. μόγις οὖν διεσώθησαν εἰς Χρυσόπολιν τῆς Χαλκηδονίασι περιλειφθέντες ἀπὸ μυρίων ὀκτακισχίλιοι τριακόσιοι. [5] ἐκεῖθεν δὲ ῥαδίως ἤδη τὸ λοιπὸν τινὲς μὲν διεσώθησαν εἰς τὰς πατρίδας, οἱ δὲ λοιποὶ περὶ τὴν Χερρόνησον ἀθροισθέντες ἐπόρθουν τὴν παρακειμένην Θρακῶν χώραν. ἡ μὲν οὖν ἐπ' Ἀρταξέρξην Κύρου στρατεία τοιοῦτον ἔσχε τὸ τέλος. 32.

οἱ δ' ἐν ταῖς Ἀθήναις δυναστεύοντες τριάκοντα τύραννοι καθ' ἡμέραν οὐκ ἐπαύοντο τοὺς μὲν φυγαδεύοντες, τοὺς δὲ ἀναιροῦντες. τῶν δὲ Θηβαίων ἀγανακτούντων ἐπὶ τοῖς γινομένοις καὶ φιλοφρόνως τοὺς φυγάδας ὑποδεχομένων, Θρασύβουλος Στιριεὺς ὀνομαζόμενος, ὢν Ἀθηναῖος, ὑπὸ δὲ τῶν τριάκοντα πεφυγαδευμένος, συνεργούντων αὐτῷ λάθρα τῶν Θηβαίων κατελάβετο τῆς Ἀττικῆς χωρίον ὀνομαζόμενον Φυλὴν. ἦν δὲ τὸ φρούριον ὀχυρόν τε σφόδρα καὶ τῶν Ἀθηναίων ἀπέχον σταδίου ἑκατόν, ὥστε πολλὰς ἀφορμὰς αὐτοῖς παρέχεσθαι πρὸς τὴν ἔφοδον. [2] οἱ δὲ τριάκοντα τύραννοι πυθόμενοι τὸ γεγονός, τὸ μὲν πρῶτον ἐξήγαγον ἐπ' αὐτοὺς τὴν δύναμιν ὡς πολιορκήσοντες τὸ χωρίον· πλησίον δὲ τῆς Φυλῆς αὐτῶν στρατοπεδεύοντων ἐπεγενήθη πολὺς νιφετός. [3] καὶ τινων ἐπιχειρησάντων μετασκηνοῦν, οἱ πολλοὶ φεύγειν αὐτοὺς ὑπέλαβον καὶ πλησίον τινα πολεμίαν δύναμιν εἶναι· ἐμπεσόντος δὲ εἰς τὸ στρατόπεδον θορύβου τοῦ καλουμένου Πανικοῦ μετεστρατοπέδευσαν εἰς ἕτερον τόπον. [4] οἱ δὲ τριάκοντα θεωροῦντες τοὺς πολίτας ἐν Ἀθήναις, ὅσοι μὴ μετεῖχον τῆς τῶν τρισχιλίων πολιτείας, μετεώρους ὄντας πρὸς τὴν κατάλυσιν τῆς δυναστείας, μετόκισαν αὐτοὺς εἰς τὸν Πειραιᾶ, καὶ τοῖς ξενικοῖς ὅπλοις διακατεῖχον τὴν πόλιν· Ἐλευσινίους δὲ καὶ Σαλαμίνιους αἰτιασάμενοι τὰ τῶν φυγάδων φρονεῖν, ἅπαντας ἀνείλυν. [5] τούτων δὲ πραττομένων πολλοὶ τῶν φυγάδων συνέρρεον πρὸς τοὺς περὶ Θρασύβουλον ... φανερώς μὲν περὶ τινων αἰχμαλώτων διαλεζόμενοι, λάθρα δὲ συμβουλευεῖν αὐτῷ διαλῦσαι τὸ συνεστηκὸς φυγαδικὸν καὶ μεθ' ἑαυτῶν τῆς πόλεως δυναστεύειν ἀντὶ Θηραμένους προσαιρεθέντα, λαβεῖν δ' ἐξουσίαν δέκα τῶν φυγάδων οὓς ἂν προαιρήται κατάγειν εἰς τὴν πατρίδα. [6] ὁ μὲν Θρασύβουλος ἔφησε προκρίνειν τὴν ἑαυτοῦ φυγὴν τῆς τῶν τριάκοντα δυναστείας, καὶ τὸν πόλεμον οὐ καταλύσειν, εἰ μὴ πάντες οἱ πολῖται κατέλθωσι καὶ τὴν πάτριον πολιτείαν ὁ δῆμος ἀπολάβῃ. οἱ δὲ τριάκοντα θεωροῦντες πολλοὺς μὲν ἀφ' ἑαυτῶν ἀφισταμένους διὰ τὸ μῖσος, τοὺς δὲ φυγάδας αἰεὶ πλείους γινομένους, ἀπέστειλαν εἰς Σπάρτην πρέσβεις περὶ βοηθείας, αὐτοὶ δ' ὅσους ἡδύναντο πλείστους ἀθροίσαντες ἐν ὑπαίθρῳ περιεστρατοπέδευσαν περὶ τὰς ὀνομαζόμενας Ἀχαρνάς. 33. ὁ δὲ Θρασύβουλος τὴν ἱκανὴν φυλακὴν τοῦ χωρίου καταλιπὼν ἐξήγαγε τοὺς φυγάδας, ὄντας χιλίους καὶ διακοσίους· ἐπιθέμενος δὲ τῇ τῶν ἐναντίων παρεμβολῇ νυκτὸς ἀπροσδοκῆτως καὶ συχνοὺς ἀποκτείνας, τοὺς ἄλλους διὰ τὸ παράδοξον ἐξέπληξε καὶ φυγεῖν εἰς Ἀθήνας ἠνάγκασεν. [2] μετὰ δὲ τὴν μάχην ὁ Θρασύβουλος εὐθὺς μὲν ὥρμησεν ἐπὶ τὸν Πειραιᾶ καὶ κατελάβετο τὴν Μουνυχίαν, λόφον ἔρημον καὶ καρτερόν, οἱ δὲ τύραννοι τῇ δυνάμει πάση

καταβάντες εἰς τὸν Πειραιᾶ προσέβαλον τῇ Μουνυχίᾳ, Κριτίου τὴν ἡγεμονίαν ἔχοντος. ἐπὶ πολλὸν δὲ χρόνον τῆς μάχης καρτερᾶς γενομένης, οἱ μὲν τύραννοι τοῖς πλήθεσιν ὑπερεῖχον, οἱ δὲ φυγάδες τῇ τῶν τόπων ὀχυρότητι. [3] τέλος δὲ Κριτίου πεσόντος οἱ μετὰ τῶν τριάκοντα κατεπλάγησαν καὶ πρὸς τοὺς ὁμαλωτέρους τόπους κατέφυγον, οὐ τολμώντων τῶν φυγάδων εἰς ἐκείνους καταβαίνειν. μετὰ δὲ ταῦτα συχνῶν ἀφισταμένων πρὸς τοὺς φυγάδας, οἱ περὶ τὸν Θρασύβουλον ἐξαίφνης ἐπέθεντο τοῖς ἐναντίοις, καὶ μάχη κρατήσαντες ἐκυρίευσαν τοῦ Πειραιῶς. [4] εὐθὺ δὲ πολλοὶ μὲν τῶν ἐκ τῆς πόλεως ἐπιθυμοῦντες ἀπαλλαγῆναι τῆς τυραννίδος συνέρρεον εἰς τὸν Πειραιᾶ, πάντες δ' οἱ κατὰ τὰς πόλεις διερριμμένοι φυγάδες ἀκούοντες τὰ προτερήματα τῶν περὶ Θρασύβουλον, ἦκον εἰς Πειραιᾶ, καὶ τὸ λοιπὸν ἤδη πολὺ ταῖς δυνάμεσιν οἱ φυγάδες ὑπερεῖχον: διὸ καὶ πολιορκεῖν τὴν πόλιν ἐπεχείρησαν. [5] οἱ δ' ἐν ταῖς Ἀθήναις τοὺς μὲν τριάκοντα τῆς ἀρχῆς παύσαντες ἐκ τῆς πόλεως ἐξέπεμψαν, δέκα δ' ἄνδρας κατέστησαν αὐτοκράτορας, εἰ δύναιτο, μάλιστα φιλικῶς διαλύεσθαι τὸν πόλεμον. οὗτοι δὲ παραλαβόντες τὴν ἀρχὴν τούτων μὲν ἡμέλησαν, ἑαυτοὺς δὲ τυράννους ἀποδείξαντες ἀπὸ Λακεδαιμόνος τεττράκοντα ναῦς μετεπέμψαντο καὶ στρατιώτας χιλίους, ὧν ἦρχε Λύσανδρος. [6] Πανσανίας δὲ ὁ τῶν Λακεδαιμονίων βασιλεὺς, φθονῶν μὲν τῷ Λυσάνδρῳ, θεωρῶν δὲ τὴν Σπάρτην ἀδοξοῦσαν παρὰ τοῖς Ἕλλησιν, ἀνέζευξε μετὰ δυνάμεως πολλῆς, καὶ παραγενηθεὶς εἰς Ἀθήνας διήλλαξε τοὺς ἐν τῇ πόλει πρὸς τοὺς φυγάδας. διόπερ Ἀθηναῖοι μὲν ἐκομίσαντο τὴν πατρίδα καὶ τὸ λοιπὸν τοῖς ἰδίοις νόμοις ἐπολιτεύοντο, τοῖς δ' εὐλαβουμένοις, μὴ τι πάθωσι διὰ τὰ γενόμενα κατὰ τὸ συνεχὲς αὐτῶν ἀδικήματα, τὴν Ἐλευσίνα κατοικεῖν συνεχώρησαν. 34.

Ἥλαιοι δὲ φοβηθέντες τὴν τῶν Λακεδαιμονίων ὑπεροχὴν, κατέλυσαν τὸν πρὸς αὐτοὺς πόλεμον, ἐφ' ᾧ τὰς τριῆρεις δοῦναι Λακεδαιμονίοις καὶ τὰς περιοικούσας πόλεις αὐτονόμους ἀφεῖναι. [2] Λακεδαιμόνιοι δὲ καταλελυκότες τοὺς πολέμους καὶ σχολὴν ἔχοντες ἐστράτευσαν ἐπὶ Μεσσηνίους, ὧν οἱ μὲν ἐν Κεφαλληνίᾳ φρούριόν τι κατόκουν, οἱ δὲ Ναύπακτον ἐν τοῖς προσεσπερίοις λεγομένοις Λοκροῖς, δόντων Ἀθηναίων. ἐκβαλόντες δ' αὐτοὺς ἐκ τῶν τόπων ἀπέδωκαν τὰ φρούρια, τὸ μὲν τοῖς τὴν Κεφαλληνίαν οἰκοῦσι, τὸ δὲ τοῖς Λοκροῖς. [3] οἱ δὲ Μεσσήνιοι διὰ τὸ παλαιὸν πρὸς τοὺς Σπαρτιάτας μῖσος πανταχόθεν ἐλαυνόμενοι, μετὰ τῶν ὅπλων ἀπηλλάγησαν ἐκ τῆς Ἑλλάδος, καὶ τινὲς μὲν αὐτῶν πλεύσαντες εἰς Σικελίαν ἐγένοντο Διονυσίου μισθοφόροι, τινὲς δ' εἰς Κυρήνην ἔπλευσαν, περὶ τρισχιλίους ὄντες, καὶ μετὰ τῶν ἐκεῖ φυγάδων ἐτάχθησαν. [4] οἱ γὰρ Κυρηναῖοι κατ' ἐκεῖνον τὸν καιρὸν ἐν ταραχῇ καθειστήκεισαν, Ἀρίστωνος καὶ τινων ἐτέρων κατειληφτόων τὴν πόλιν. προσφάτως μὲν πεντακόσιοι οἱ δυνατώτατοι τῶν Κυρηναίων ἀνῆρηντο, τῶν δ' ἄλλων ἐπεφεύγισαν οἱ χαριέστατοι. [5] οὐ μὴν ἄλλ' οἱ φυγάδες προσλαμβάνόμενοι τοὺς Μεσσηνίους παρετάξαντο πρὸς τοὺς τὴν πόλιν κατειληφότας, καὶ τῶν μὲν Κυρηναίων πολλοὶ παρ' ἀμφοτέροις ἔπεσον, οἱ δὲ Μεσσήνιοι σχεδὸν ἅπαντες ἀνῆρέθησαν. [6] μετὰ δὲ τὴν παράταξιν οἱ Κυρηναῖοι πρὸς ἀλλήλους διαπρεσβευσάμενοι διηλλάγησαν, καὶ παραχρῆμα ὀρκωμοτήσαντες μὴ μνησικακήσιν, κοινῇ τὴν πόλιν κατόκησαν. [7]

περὶ δὲ τοὺς αὐτοὺς χρόνους Ῥωμαῖοι προσέθηκαν οἰκήτορας εἰς τὰς ὀνομαζομένας Οὐελίτρας. 35.

τοῦ δ' ἔτους τούτου διελθόντος Ἀθήνησι μὲν ἦρχε Λάχης, ἐν δὲ τῇ Ῥώμῃ τὴν ὑπατον ἀρχὴν διόκουον χιλιάρχοι, Μάνιος Κλώδιος, Μάρκος Κοῖντιος, Λεύκιος Ἰούλιος, Μάρκος Φούριος, Λεύκιος Οὐαλέριος, ἐγενήθη δὲ καὶ Ὀλυμπιάς πέμπτη πρὸς ταῖς ἐνεήκοντα, καθ' ἣν ἐνίκα στάδιον Μίνως Ἀθηναῖος. [2] κατὰ δὲ τούτους τοὺς χρόνους Ἀρταξέρξης μὲν ὁ τῆς Ἀσίας βασιλεὺς καταπεπολεμηκὼς Κῦρον ἀπεστάλκει Τισσαφέρνην παραληψόμενον πάσας τὰς ἐπὶ θαλάττῃ σατραπείας, διόπερ οἱ Κύρῳ συμμαχήσαντες σατράπαι καὶ πόλεις ἐν ἀγωνίᾳ πολλῇ καθειστήκεισαν, μήποτε δώσι τιμωρίαν ὑπὲρ ὧν ἐξήμαρτον εἰς τὸν βασιλέα. [3] οἱ μὲν οὖν ἄλλοι σατράπαι διαπρεσβευσάμενοι πρὸς Τισσαφέρνην ἐξεθράπευον καὶ τὰ καθ' αὐτοὺς ἐτίθεντο πρὸς αὐτόν, ὅπως ποτ' ἦσαν δυνατοί· Ταμῶς δέ, μέγιστος ὧν αὐτῶν καὶ τῆς Ἰωνίας ἀφηγούμενος, εἰς τὰς τριήρεις ἐνέθετο τὰ χρήματα καὶ τοὺς υἱοὺς ἅπαντας πλὴν ἐνὸς τοῦ καλουμένου μὲν Γλοῦ, μετὰ δέ τινας χρόνους ἀφηγησαμένου τῶν βασιλικῶν δυνάμεων. [4] εὐλαβηθεὶς οὖν ὁ Ταμῶς τὸν Τισσαφέρνην ἀπῆρεν εἰς Αἴγυπτον μετὰ τοῦ στόλου, καὶ κατέφυγε πρὸς Ψαμμήτιχον τὸν βασιλέα τῶν Αἰγυπτίων, ἀπόγονον ὄντα τοῦ Ψαμμήτιχου. οὔσης δ' αὐτῷ προγεγεννημένης εὐεργεσίας εἰς τὸν βασιλέα, διελάμβανε τοῦτον ἕξιν οἶόν τινα λιμένα τῶν ἀπὸ τοῦ βασιλέως κινδύνων. [5] ὁ δὲ Ψαμμήτιχος τὴν τε εὐεργεσίαν καὶ τὸ πρὸς τοὺς ἰκέτας ὅσιον παρ' οὐδὲν ἡγησάμενος ἀπέσφαξε τὸν ἰκέτην καὶ φίλον μετὰ τῶν τέκνων, ὅπως τῶν τε χρημάτων καὶ τοῦ στόλου γένηται κύριος. [6]

αἱ δὲ κατὰ τὴν Ἀσίαν Ἑλληνίδες πόλεις πυνθανόμεναι τὴν τοῦ Τισσαφέρνου κατάβασιν, περὶ σφῶν ἀγωνιῶσαι πρὸς Λακεδαιμονίου ἐπεμψαν πρέσβεις, δεόμεναι μὴ περιδεῖν ἑαυτὰς ὑπὸ τῶν βαρβάρων ἀναστάτους γινομένας. οἱ δὲ Λακεδαιμόνιοι βοηθήσειν ἐπαγγειλάμενοι, πρὸς Τισσαφέρνην ἐπεμψαν πρέσβεις τοὺς ἐροῦντας μὴ ὅπλα πολέμια ἐπιφέρειν ταῖς Ἑλληνίσιν πόλεσιν. [7] Τισσαφέρνης δὲ μετὰ δυνάμεως ἐπὶ πρώτην ἐλθὼν τὴν Κυμαίων πόλιν τὴν τε χώραν ἐπόρθησεν ἅπασαν καὶ πολλῶν αἰχμαλώτων ἐγκρατὴς ἐγένετο· μετὰ δὲ ταῦτα συγκλείσας αὐτοὺς εἰς πολιορκίαν, ὥς ὁ μὲν χειμῶν συνήγγισε, τὴν δὲ πόλιν ἐλεῖν οὐκ ἠδύνατο, τοὺς αἰχμαλώτους πολλῶν χρημάτων ἀπελύτρωσε καὶ τὴν πολιορκίαν ἔλυσεν. 36. Λακεδαιμόνιοι δὲ ἐπὶ τὸν πρὸς βασιλέα πόλεμον Θίβρωνα καταστήσαντες ἡγεμόνα χιλίου μὲν τῶν πολιτῶν ἔδωκαν, παρὰ δὲ τῶν συμμάχων ἐκέλευσαν στρατολογεῖν ὅσους ἂν αὐτῷ φαίνηται συμφέρειν. [2] ὁ δὲ Θίβρων πορευθεὶς εἰς Κόρινθον, κάκει παρὰ τῶν συμμάχων μεταπεμψάμενος στρατιώτας, ἐξέπλευσεν εἰς Ἐφεσον ἔχων οὐ πλείους πεντακισχιλίων. ἐκεῖ δὲ ἔκ τε τῶν ἰδίων πόλεων καὶ τῶν ἄλλων ὥς διςχιλίου καταγράψας, ἀνέξευξε τοὺς πάντας ἔχων πλείους ἑπτακισχιλίων. διελθὼν δ' ὥς ἑκατὸν εἴκοσι σταδίους πρὸς Μαγνησίαν ἦκεν, ἥς ἦρχε Τισσαφέρνης· ταύτην δ' ἐξ ἐφόδου παραλαβὼν, καὶ ταχέως ἐπὶ Τράλλεις τῆς Ἰωνίας πορευθεὶς, ἐπεχείρησε πολιορκεῖν τὴν πόλιν· οὐδὲν δὲ δυνάμενος πρᾶξαι δι' ὀχυρότητα, πάλιν εἰς Μαγνησίαν ἀπεχώρησεν. [3] ταύτης δ' οὔσης ἀτειχίστου, καὶ διὰ τοῦτο φοβούμενος μήποτε χωρισθέντος αὐτοῦ κυριεύσῃ

τῆς πόλεως ὁ Τισσαφέρνης, μετώκισεν αὐτὴν πρὸς τὸ πλησίον ὄρος, ὃ καλοῦσι Θώρακα: αὐτὸς δ' ἐμβαλὼν εἰς τὴν τῶν πολεμίων χώραν τοὺς στρατιώτας ἐνέπλησε παντοίας ὠφελείας. Τισσαφέρνους δὲ μετὰ πολλῆς ἵππου παραγενομένου διευλαβηθεὶς ἀνέστρεψεν εἰς Ἑφεσον. 37.

περὶ δὲ τὸν αὐτὸν χρόνον τῶν ἐστρατευμένων μετὰ Κύρου καὶ διασωθέντων εἰς τὴν Ἑλλάδα τινὲς μὲν εἰς τὰς ἰδίας πατρίδας ἀπηλλάγησαν, οἱ δὲ πλεῖστοι στρατιωτικὸν εἰθισμένοι ζῆν βίον, καὶ σχεδὸν ὄντες πεντακισχίλιοι, στρατιγὸν αὐτῶν εἵλαντο Ξενοφῶντα. [2] ὃς ἀναλαβὼν τὴν δύναμιν ὥρμησε πολεμήσων Θρᾷκας τοὺς περὶ τὸν Σαλμυδησσὸν οἰκοῦντας: οὗτος δ' ἔστι μὲν ἐπ' ἀριστερᾷ τοῦ Πόντου, παρεκτείνων δ' ἐπὶ πολὺ πλεῖστα ποιεῖ ναύαγια. [3] οἱ μὲν οὖν Θρᾷκες εἰώθεισαν περὶ τούτους τοὺς τόπους ἐφεδρεύοντες τοὺς ἐκπίπτοντας τῶν ἐμπόρων αἰχμαλωτίζειν: ὁ δὲ Ξενοφῶν μετὰ τῶν συνηθροισμένων στρατιωτῶν ἐμβαλὼν αὐτῶν εἰς τὴν χώραν μάχη τε ἐνίκησε καὶ τὰς πλείστας τῶν κωμῶν ἐνέπρησεν: [4] μετὰ δὲ ταῦτα Θίβρωνος αὐτοὺς μεταπεμπομένου καὶ μισθοὺς ἐπαγγελλομένου δώσειν, πρὸς ἐκεῖνον ἀπεχώρησαν καὶ μετὰ Λακεδαιμονίων ἐπολέμουν τοῖς Πέρσαις. [5]

τούτων δὲ πραττομένων Διονύσιος μὲν ἐν τῇ Σικελίᾳ πόλιν ἔκτισεν ὑπ' αὐτὸν τὸν τῆς Αἵτης λόφον, καὶ ἀπὸ τίνος ἐπιφανοῦς ἱεροῦ προσηγόρευσεν αὐτὴν Ἀδρανον. [6] κατὰ δὲ τὴν Μακεδονίαν Ἀρχέλαος ὁ βασιλεὺς ἐν τινι κυνηγίῳ πληγεὶς ἀκουσίως ὑπὸ Κρατεροῦ τοῦ ἐρωμένου τὸν βίον μετέλλαξε, βασιλεύσας ἔτη ἑπτὰ: τὴν δ' ἀρχὴν διεδέξατο Ὀρέστης παῖς ὢν, ὃν ἀνελὼν Ἀέροπος ἐπίτροπος ὢν κατέσχε τὴν βασιλείαν ἔτη ἕξ. [7] Ἀθήνησι δὲ Σωκράτης ὁ φιλόσοφος ὑπ' Ἀνύτου καὶ Μελήτου κατηγορηθεὶς ἐπ' ἀσεβείᾳ καὶ φθορᾷ τῶν νέων, θανάτῳ καταδικάσθη καὶ πῶν κώνειον ἐτελεύτησεν. ἀδίκου δὲ τῆς κατηγορίας γεγεννημένης ὁ δῆμος μετεμελήθη, τηλικούτον ἄνδρα θεωρῶν ἀνηρημένον: διόπερ τοὺς κατηγορήσαντας δι' ὀργῆς εἶχε καὶ τέλος ἀκρίτους ἀπέκτεινεν. 38.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν τὴν ἀρχὴν Ἀριστοκράτης παρέλαβεν, ἐν Ῥώμῃ δὲ τὴν ὑπατικὴν ἀρχὴν ἕξ χιλίαρχοι διεδέξαντο, Γάιος Σερουίλιος καὶ Λούκιος Οὐεργίνιος, Κόιντος Σουλπίκιος, Αὔλος Μουτίλιος, Μάνιος Σέργιος. [2] τούτων δὲ τὴν ἀρχὴν παρειληφόντων Λακεδαιμόνιοι πυθόμενοι τὸν Θίβρωνα κακῶς διοικοῦντα τὰ κατὰ τὸν πόλεμον, Δερκυλίδαν στρατιγὸν εἰς τὴν Ἀσίαν ἐξέπεμψαν: ὃς παραλαβὼν τὴν δύναμιν ἐστράτευσεν ἐπὶ τὰς ἐν τῇ Τρωάδι πόλεις. [3] Ἀμάξιτον μὲν οὖν καὶ Κολῶνας καὶ Ἀρίσβαν εἵλεν ἐξ ἐφόδου: μετὰ δὲ ταῦτα Ἴλιον καὶ Κεβρηνίαν καὶ τὰς ἄλλας ἀπάσας τὰς κατὰ τὴν Τρωάδα ἃς μὲν δόλῳ παρέλαβεν, ἃς δ' ἐκ βίας ἐχειρώσατο. μετὰ δὲ ταῦτα πρὸς Φαρνάβαζον ὀκταμηνιαίους ἀνοχὰς ποιησάμενος, ἐστράτευσεν ἐπὶ Θρᾷκας τοὺς περὶ Βιθυνίαν τότε κατοικοῦντας: πορθήσας δ' αὐτῶν τὴν χώραν ἀπήγαγε τὴν δύναμιν εἰς παραχειμασίαν. [4] ἐν Ἡρακλείᾳ δὲ τῇ περὶ Τραχίνα στάσεως γενομένης, Ἡριππίδαν ἐξέπεμψαν Λακεδαιμόνιοι καταστήσοντα τὰ πράγματα. ὃς παραγενόμενος εἰς Ἡράκλειαν συνήγαγεν εἰς ἐκκλησίαν τὰ πλήθη, καὶ περιστήσας αὐτοῖς ὀπλίτας συνέλαβε τοὺς αἰτίους καὶ πάντας ἀνεῖλεν, ὄντας περὶ πεντακοσίους. [5] τῶν δὲ περὶ τὴν Οἶτην κατοικούντων

ἀποστάντων ἐπολέμησεν αὐτοῖς, καὶ πολλοῖς περιβαλὼν κακοῖς ἠνάγκασεν ἐκλιπεῖν τὴν χώραν: ὧν οἱ πλεῖστοι μετὰ τῶν τέκνων καὶ γυναικῶν ἔφυγον εἰς Θεσσαλίαν, καὶ μετὰ πέντε ἔτη κατήχθησαν ὑπὸ Βοιωτῶν. [6] τούτων δὲ πραττομένων Θρᾶκες πολλοῖς πλήθεσιν ἐνέβαλον εἰς τὴν Χερρόνησον, καὶ τὴν χώραν πᾶσαν πορθήσαντες τειχῆρεις συνεῖχον τὰς ἐν αὐτῇ πόλεις. οἱ δὲ Χερρονησίται πιεζόμενοι τῷ πολέμῳ μετεπέμψαντο Δερκυλίδαν τὸν Λακεδαιμόνιον ἐκ τῆς Ἀσίας. [7] οὗτος δὲ διαβάς μετὰ τῆς δυνάμεως τοὺς μὲν Θρᾶκας ἐξήλασεν ἐκ τῆς χώρας, τὴν δὲ Χερρόνησον ἀπὸ θαλάττης ἀρξάμενος μέχρι θαλάττης διετείχισεν. τοῦτο δὲ πράξας τοὺς μὲν Θρᾶκας ἐκώλυσε τῆς εἰς τὸν μετὰ ταῦτα χρόνον καταδρομῆς, αὐτὸς δὲ μεγάλαις δωρεαῖς τιμηθεὶς διεβίβασε τὸ στρατόπεδον εἰς τὴν Ἀσίαν. 39.

Φαρνάβαζος δὲ τῶν πρὸς Λακεδαιμονίους ἀνοχῶν γενομένων ἀνέβη πρὸς τὸν βασιλέα, καὶ συνέπεισεν αὐτὸν στόλον ἐτοιμάσαι καὶ ναύαρχον ἐπιστῆσαι Κόνωνα τὸν Ἀθηναῖον: οὗτος γὰρ ἦν ἔμπειρος τῶν κατὰ πόλεμον ἀγώνων, καὶ μάλιστα τῶν πολεμίων: πολεμικώτατος δ' ὧν ἐν Κύπρῳ διέτριβε παρ' Εὐαγόρᾳ τῷ βασιλεῖ. πεισθέντος δὲ τοῦ βασιλέως, Φαρνάβαζος λαβὼν ἀργυρίου τάλαντα πεντακόσια παρεσκευάζετο κατασκευάζειν ναυτικόν. [2] διαπλεύσας οὖν εἰς Κύπρον τοῖς μὲν ἐκεῖ βασιλεῦσι παρήγγειλεν ἑκατὸν τριῆρεις ἐτοιμάζειν, τῷ δὲ Κόνωνι περὶ τῆς ναυαρχίας διαλεχθεὶς ἐπέστησεν αὐτὸν ἐπὶ τὴν θάλατταν ἡγεμόνα, μεγάλας ὑποφαίνων παρὰ τοῦ βασιλέως ἐλπίδας. [3] ὁ δὲ Κόνων ἅμα μὲν ἐλπίζων ἀνακτῆσεσθαι τῇ πατρίδι τὴν ἡγεμονίαν, εἰ Λακεδαιμόνιοι καταπολεμηθεῖεν, ἅμα δ' αὐτὸς μεγάλης τεύξεσθαι δόξης, προσεδέξατο τὴν ναυαρχίαν. [4] οὕτω δὲ τοῦ στόλου παντὸς παρεσκευασμένου, τὰς ἐτοιμοὺς ναῦς τετταράκοντα λαβὼν διέπλευσεν εἰς Κιλικίαν, κάκεῖ τὰ πρὸς τὸν πόλεμον ἡτοιμάζετο. Φαρνάβαζος δὲ καὶ Τισσαφέρνης ἐκ τῶν ιδίων σατραπειῶν ἀθροίσαντες στρατιώτας ἀνέζευξαν, ἐπὶ τῆς Ἐφέσου τὴν πορείαν ποιούμενοι διὰ τὸ τοὺς πολεμίους ἔχειν ἐνταῦθα τὴν δύναμιν. [5] καὶ συνηκολούθουν αὐτοῖς πεζοὶ μὲν δισμύριοι, ἵππεις δὲ μύριοι. ἀκούων δὲ τῶν Περσῶν τὴν ἔφοδον Δερκυλίδας ὁ τῶν Λακεδαιμονίων ἀφηγούμενος ἐξήγαγε τὴν δύναμιν, ἔχων τοὺς πάντας οὐ πλείους τῶν ἐπτακισχιλίων. [6] ὥς δ' ἐγγὺς ἀλλήλων ἐγενήθη τὰ στρατόπεδα, σπονδὰς ἐποίησαντο καὶ χρόνον ὥρισαν, ἐν ᾧ Φαρνάβαζος μὲν πρὸς τὸν βασιλέα πέμπει περὶ συνθηκῶν, εἰ βούλοιο καταλῦσαι τὸν πόλεμον, Δερκυλίδας δὲ τοῖς Σπαρτιάταις δηλώσει περὶ τούτων. οὗτοι μὲν οὖν οὕτω διέλυσαν τὰ στρατόπεδα. 40.

Ῥηγῖνοι δὲ Χαλκιδέων ὄντες ἄποικοι τὴν αὔξησιν τοῦ Διονυσίου χαλεπῶς ἑώρων. Ναξίους μὲν γὰρ καὶ Καταναίους συγγενεῖς ὄντας ἐξηνδραποδίσατο, τοῖς δὲ Ῥηγῖνοις, γένους τοῦ αὐτοῦ μετέχουσι τοῖς ἡτυχηκόσιν, οὐ τὴν τυχοῦσαν ἀγωνίαν παρεῖχε τὸ γεγονός, πάντων εὐλαβουμένων μὴ ταῖς αὐταῖς συμφοραῖς περιπέσωσιν. [2] ἔδοξεν οὖν αὐτοῖς, πρὶν τελείως ἰσχυρὸν γενέσθαι τὸν τύραννον, στρατεῦειν ἐπ' αὐτὸν κατὰ τάχος. παραχρῆμα δὲ συνεβάλοντο πρὸς τὸν πόλεμον οὐκ ἐλάχιστα καὶ οἱ φυγαδευθέντες τῶν Συρακοσίων ὑπὸ Διονυσίου: τότε γὰρ οἱ πλεῖστοι διατρίβοντες ἐν Ῥηγίῳ διετέλουν περὶ τούτων διαλεγόμενοι, διδάσκοντες ὅτι συνεπιθήσονται τῷ καιρῷ πάντες οἱ

Συρακόσιοι. [3] τέλος δὲ καταστήσαντες στρατηγούς, ἐξέπεμψαν μετ' αὐτῶν πεζοὺς μὲν ἑξακισχίλιους, ἵππεῖς δὲ ἑξακοσίους, τριήρεις δὲ πεντήκοντα. οὗτοι δὲ διαπλεύσαντες τὸν πορθμὸν ἔπεισαν τοὺς τῶν Μεσσηνίων στρατηγούς κοινωνῆσαι τοῦ πολέμου, φάσκοντες δεινὸν εἶναι περιδεῖν ἀστυγείτονας Ἑλληνίδας πόλεις ἄρδην ἀνηρημένας ὑπὸ τοῦ τυράννου. [4] οἱ μὲν οὖν στρατηγοὶ πεισθέντες τοῖς Ῥηγίοις ἄνευ τῆς τοῦ δήμου γνώμης ἐξήγαγον τοὺς στρατιώτας· ἦσαν δ' οὗτοι πεζοὶ μὲν τετρακισχίλιοι, ἵππεῖς δὲ τετρακόσιοι, τριήρεις δὲ τριάκοντα. ἐπεὶ δὲ προῆλθον αἱ προειρημέναι δυνάμεις πρὸς τοὺς ὄρους τῆς Μεσσηνίας, ἐνέπεσεν εἰς τοὺς στρατιώτας στάσις, Λαομέδοντος τοῦ Μεσσηνίου δημηγορήσαντος· [5] οὗτος γὰρ συνεβούλευε μὴ κατάρχεσθαι πολέμου πρὸς τὸν Διονύσιον μηδὲν αὐτοὺς ἡδικηκότα. οἱ μὲν οὖν τῶν Μεσσηνίων στρατιῶται, τὸν πόλεμον οὐκ ἐπικεκρωκότος τοῦ δήμου, παραχρῆμ' ἐπέισθησαν, καὶ τοὺς στρατηγούς καταλιπόντες ἀνέκαμψαν εἰς τὴν πατρίδα· [6] Ῥηγῖνοι δ' οὐκ ὄντες ἀξιώμαχοι καθ' ἑαυτοὺς, ἐπειδὴ τοὺς Μεσσηνίους ἐώρων διαλύοντας τὸ στρατόπεδον, καὶ αὐτοὶ ταχέως ἀνέκαμψαν εἰς Ῥήγιον. Διονύσιος δὲ τὸ μὲν πρῶτον ἐπὶ τοὺς ὄρους τῆς Συρακοσίας ἐξήγαγε τὴν δύναμιν, προσδεχόμενος τὴν τῶν πολεμίων ἔφοδον· ὥς δ' ἤκουσε τὴν ἀνάζευξιν αὐτῶν, ἀπήγαγε τὴν στρατιάν εἰς τὰς Συρακούσας· [7] διαπρεσβευσαμένων δὲ τῶν Ῥηγίων καὶ τῶν Μεσσηνίων περὶ εἰρήνης, κρίνων συμφέρον εἶναι διαλύεσθαι τὴν ἔχθραν πρὸς τὰς πόλεις, συνέθετο τὴν εἰρήνην. 41.

ὁρῶν δὲ τῶν Ἑλλήνων τινὰς εἰς τὴν ἐπικράτειαν τῶν Καρχηδονίων ἀποτρέχοντας τὰς τε πόλεις καὶ τὰς κτήσεις κομιζομένους, ἐνόμιζε τῆς πρὸς Καρχηδονίους εἰρήνης μενούσης πολλοὺς τῶν ὑφ' αὐτὸν ταττομένων βουλήσεσθαι κοινωνεῖν τῆς ἐκείνων ἀποστάσεως, ἐὰν δὲ πόλεμος γένηται, πάντας τοὺς καταδεδουλωμένους ὑπὸ Καρχηδονίων ἀποστήσεσθαι πρὸς αὐτόν· ἤκουσε δὲ καὶ τῶν Καρχηδονίων πολλοὺς ἐν Λιβύῃ διεφθάρθαι λοιμικῇ καταστάσει περιπεσόντας. [2] διὸ καὶ νομίζων εὐθετον ἔχειν καιρὸν τοῦ πολέμου, κατασκευὴν ἔκρινε δεῖν πρῶτον γίνεσθαι· ὑπελάμβανε γὰρ ἔσεσθαι μέγαν καὶ πολυχρόνιον τὸν πόλεμον, ὥς ἂν πρὸς τοὺς δυνατωτάτους τῶν κατὰ τὴν Εὐρώπην μέλλων διαγωνίζεσθαι. [3] εὐθύς οὖν τοὺς τεχνίτας ἤθροισεν ἐκ μὲν τῶν ὑπ' αὐτὸν ταττομένων πόλεων κατὰ πρόσταγμα, τοὺς δ' ἐξ Ἰταλίας καὶ τῆς Ἑλλάδος, ἔτι δὲ τῆς Καρχηδονίων ἐπικρατείας, μεγάλους μισθοῖς προτρεπόμενος. διενοεῖτο γὰρ ὅπλα μὲν παμπληθῆ καὶ βέλη παντοῖα κατασκευάσαι, πρὸς δὲ τούτοις ναὺς τετρήρεις καὶ πεντήρεις, οὐδέπω κατ' ἐκείνους τοὺς χρόνους σκάφους πεντηρικοῦ νευαυπηγημένου. [4] συναχθέντων δὲ πολλῶν τεχνιτῶν, διελὼν αὐτοὺς κατὰ τὰς οἰκείας ἐργασίας κατέστησε τῶν πολιτῶν τοὺς ἐπισημοτάτους, προθεὶς δωρεὰς μεγάλας τοῖς κατασκευάσασιν ὅπλα. διέδωκε δὲ καὶ τῶν ὅπλων τὸν γένους ἐκάστου τύπον διὰ τὸ τοὺς μισθοφόρους ἐκ πολλῶν ἐθνῶν συνεστηκέναι· [5] ἔσπευδε γὰρ ἕκαστον τῶν στρατευομένων κοσμήσαι τοῖς οἰκείοις ὅπλοις, καὶ διελάμβανε τὸ στρατόπεδον πολλὴν ἐξεῖν κατάπληξιν διὰ ταύτην τὴν αἰτίαν καὶ κατὰ τὰς μάχας κάλλιστα χρήσεσθαι τῷ συνήθει καθοπλισμῷ πάντας τοὺς συναγωνιζομένους. [6] συμπροθυμουμένων δὲ καὶ τῶν Συρακοσίων τῇ τοῦ

Διονυσίου προαιρέσει, πολλήν συνέβαινε γίνεσθαι τὴν φιλοτιμίαν περὶ τῶν ὅπλων κατασκευὴν. οὐ μόνον γὰρ ἐν τοῖς προναοῖς καὶ τοῖς ὀπισθοδόμοις τῶν ἱερῶν, ἔτι δὲ τοῖς γυμνασίοις καὶ ταῖς κατὰ τὴν ἀγορὰν στοαῖς, ἔγεμε πᾶς τόπος τῶν ἐργαζομένων, ἀλλὰ καὶ χωρὶς τῶν δημοσίων τόπων ἐν ταῖς ἐπιφανεστάταις οἰκίαις ὅπλα παμπληθῆ κατασκευάζετο. 42. καὶ γὰρ τὸ καταπελτικὸν εὐρέθη κατὰ τοῦτον τὸν καιρὸν ἐν Συρακούσαις, ὥς ἂν τῶν κρατίστων τεχνιτῶν πανταχόθεν εἰς ἓνα τόπον συνηγμένων. τὴν γὰρ προθυμίαν τό τε μέγεθος τῶν μισθῶν ἐξεκαλεῖτο καὶ τὸ πλῆθος τῶν προκειμένων ἄθλων τοῖς ἀρίστοις κριθεῖσι: χωρὶς δὲ τούτων περιπορευόμενος τοὺς ἐργαζομένους ὁ Διονύσιος καθ' ἡμέραν λόγοις τε φιланθρώποις ἐχρήτο καὶ τοὺς προθυμοτάτους ἐτίμα δωρεαῖς καὶ πρὸς τὰ συνδείπνια παρελάμβανε.

[2] διόπερ ἀνυπερβλήτον φιλοτιμίαν εἰσφέροντες οἱ τεχνῖται πολλὰ προσεπενοοῦντο βέλη καὶ μηχανήματα ξένα καὶ δυνάμενα παρέχεσθαι μεγάλας χρείας. ἤρξατο δὲ ναυπηγεῖσθαι τετρήρεις καὶ πεντηρικὰ σκάφη, πρῶτος ταύτην τὴν κατασκευὴν τῶν νεῶν ἐπινοήσας. [3] ἀκούων γὰρ ὁ Διονύσιος ἐν Κορίνθῳ ναυπηγηθῆναι τριήρη πρῶτως, ἔσπευδε κατὰ τὴν ἀποικισθεῖσαν ὑπ' ἐκείνων πόλιν αὐξήσαι τὸ μέγεθος τῆς τῶν νεῶν κατασκευῆς. [4] λαβὼν δ' ἐκ τῆς Ἰταλίας ἐξαγωγήν ὕλης, τοὺς μὲν ἡμίσεις τῶν ὑλοτόμων εἰς τὸ κατὰ τὴν Αἴτην ὄρος ἀπέστειλε, γέμον κατ' ἐκείνους τοὺς χρόνους πολυτελοῦς ἐλάτης τε καὶ πεύκης, τοὺς δ' ἡμίσεις εἰς τὴν Ἰταλίαν ἀποστείλας παρεσκευάσατο ζεύγη μὲν τὰ πρὸς τὴν θάλατταν κατακομιοῦντα, πλοῖα δὲ καὶ τοὺς ὑπρέτας πρὸς τὸ τὰς σχεδίας ἀπάγεσθαι κατὰ τάχος εἰς τὰς Συρακούσας. [5] ὁ δὲ Διονύσιος ἐπειδὴ τὴν ἱκανὴν ὕλην ἤθροισεν, ὑφ' ἓνα καιρὸν ἤρξατο ναυπηγεῖσθαι ναῦς πλείους τῶν διακοσίων, ἐπισκευάζειν δὲ τὰς προὔπαρχούσας δέκα πρὸς ταῖς ἑκατὸν: ὠκοδόμει δὲ καὶ νεωσοίκους πολυτελεῖς κύκλῳ τοῦ νῦν μεγάλου καλουμένου λιμένος ἑκατὸν ἐξήκοντα, τοὺς πλείστους δύο ναῦς δεχομένους, καὶ τοὺς προὔπαρχοντας ἐθεράπευεν, ὄντας ἑκατὸν πεντήκοντα. 43. διόπερ τοσούτων ὅπλων καὶ νεῶν κατασκευαζομένων ἐν ἐνὶ τόπῳ, τὸ γινόμενον πολλὴν παρῆιχε τοῖς θεωμένοις κατάπληξιν: ὅτε μὲν γάρ τις ἴδοι τὴν περὶ τὰς ναῦς σπουδὴν, ἐνόμιζε περὶ ταύτας ἅπαντας πραγματεῦεσθαι τοὺς Σικελιώτας: ὅτε δὲ ἄλιν τοῖς τῶν ὀπλοποιῶν καὶ μηχανοποιῶν ἔργοις συμπαραγενηθεῖν, περὶ τούτους μόνους ἐνόμιζεν ἅπασαν εἶναι τὴν τῆς ὑπηρεσίας παρασκευὴν. [2] οὐ μὴν ἀλλὰ καὶ τῆς περὶ ταῦτα σπουδῆς ἀνυπερβλήτου γινομένης, κατασκευάσθησαν ἀσπίδων μὲν τεσσαρεσκαίδεκα μυριάδες, ἐγχειριδίων δὲ καὶ περικεφαλαίων ὁ παραπλήσιος ἀριθμός: ἡτοιμάσθησαν δὲ καὶ θώρακες, παντοῖοι μὲν ταῖς κατασκευαῖς, περιττῶς δὲ κατὰ τὴν τέχνην εἰργασμένοι, πλείους τῶν μυρίων τετρακισχιλίων. [3] τούτους δὲ διενοεῖτο διαδιδόναι τοῖς ἱππεῦσι καὶ τῶν πεζῶν τοῖς ἐφ' ἡγεμονίας τεταγμένοις, ἔτι δὲ τῶν μισθοφόρων τοῖς σωματοφυλακεῖν μέλλουσιν. κατασκευάσθησαν δὲ καὶ καταπέλται παντοῖοι καὶ τῶν ἄλλων βελῶν πολὺς τις ἀριθμός. [4] τῶν δὲ παρασκευασθεισῶν νεῶν μακρῶν αἱ μὲν ἡμίσεις αὐτῶν εἶχον πολιτικούς κυβερνήτας καὶ πρῳρεῖς, ἔτι δὲ τοὺς ταῖς κόπαις χρησόμενους, ταῖς δ' ἄλλαις ὁ Διονύσιος ξένους ἐμισθώσατο. ἐπεὶ δὲ τὰ περὶ τὰς ναῦς καὶ τὴν ὀπλοποιίαν αὐτῷ συντέλειαν ἐλάμβανε, περὶ τὴν τῶν

στρατιωτῶν παρασκευὴν ἐγένετο· τούτους γὰρ ἔκρινε συμφέρειν μὴ πρὸ πολλοῦ μισθοῦσθαι πρὸς τὸ μὴ πολλάς γίνεσθαι δαπάνας. [5]

Ἀστυδάμας δ' ὁ τραγωδιογράφος τότε πρῶτον ἐδίδαξεν· ἔζησε δὲ ἔτη ἑξήκοντα.

Ῥωμαῖοι δὲ πολιορκοῦντες τοὺς Βηίους, ἐξελθόντων τῶν ἐκ τῆς πόλεως οἱ μὲν κατεκόπησαν ὑπὸ τῶν Βηίων, οἱ δ' ἐξέφυγον αἰσχυρῶς. 44.

τοῦ δ' ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν ἦρξεν Ἰθυκλῆς, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων χιλίαρχοι πέντε κατεστάθησαν, Λεύκιος Ἰούλιος, Μάρκος Φούριος, Μάρκος Αἰμίλιος, Γάιος Κορνήλιος, Καΐσων Φάβιος. Διονύσιος δ' ὁ τῶν Συρακοσίων τύραννος, ἐπειδὴ τῶν περὶ τὴν ὀπλοποιίαν καὶ ναυπηγίαν ἔργων τὰ πλεῖστα συντέλειαν εἰλήφει, περὶ τὴν τῶν στρατιωτῶν παρασκευὴν εὐθὺς ἐγένετο. [2] τῶν οὖν Συρακοσίων κατέλεγε τοὺς ἐπιτηδείους εἰς τάξεις, καὶ παρὰ τῶν ὑπ' αὐτὸν ταττομένων πόλεων μετεπέμπετο τοὺς εὐθέτους· συνήγαγε δὲ καὶ μισθοφόρους ἐκ τῆς Ἑλλάδος καὶ μάλιστα παρὰ τῶν Λακεδαιμονίων· οὗτοι γὰρ αὐτῷ συναύξοντες τὴν ἀρχὴν ἔδωκαν ἐξουσίαν ὅσους βούλοιο παρ' αὐτῶν ξενολογεῖν. καθόλου δ' ἐκ πολλῶν ἐθνῶν σπεύδων τὸ ξενικὸν στρατόπεδον συνηθροικεῖναι, καὶ μισθοὺς πολλοὺς ἐπαγγελλόμενος, εὗρισκε τοὺς ὑπακούοντας. [3] μέλλων δὲ μέγαν ἐξεργεῖν πόλεμον, ταῖς κατὰ τὴν νῆσον πόλεσι φιλανθρώπως προσεφέρετο, τὴν εὐνοίαν αὐτῶν ἐκκαλοῦμενος. τοὺς δὲ παρὰ τὸν πορθμὸν κατοικοῦντας Ῥηγίους τε καὶ Μεσσηνίους ὁρῶν ἱκανὴν δύναμιν ἔχοντας συντεταγμένην, εὐλαβεῖτο μήποτε τῶν Καρχηδονίων διαβάντων εἰς Σικελίαν ἐκείνοις πρόσθωνται· οὐ μικρὰν γὰρ αἱ πόλεις αὗται ῥοπήν εἶχον, ὅποτεροις εἰς τὸν πόλεμον συμμαχήσειαν. [4] ἃ δὲ λίαν ἀγωνιῶν ὁ Διονύσιος, τοῖς Μεσσηνίοις ἔδωκε πολλὴν τῆς ὁμόρου χώραν, ἰδίους αὐτοὺς κατασκευάζων ταῖς εὐεργεσίαις· πρὸς δὲ Ῥηγίους ἀπέστειλε πρεσβευτάς, παρακαλῶν ἐπιγαμίαν ποιήσασθαι καὶ δοῦναι τῶν πολιτικῶν παρθένων αὐτῷ μίαν συμβιώσασθαι· ἐπηγγέλλετο δ' αὐτοῖς πολλὴν τῆς συνοριζούσης χώρας κατακτήσεσθαι, τὴν πόλιν δ' αὐξήσειν ἐφ' ὅσον ἂν αὐτὸς ἰσχύῃ. [5] τῆς γὰρ γυναικὸς αὐτοῦ, θυγατρὸς δ' Ἑρμοκράτους, κατὰ τὴν ἀπόστασιν τῶν ἱππέων ἀνηρημένης, ἔσπευδε τεκνοποιήσασθαι, διαλαμβάνων τῇ τῶν γεννηθέντων εὐνοίᾳ βεβαιότατα τηρήσειν τὴν δυναστείαν. οὐ μὴν ἀλλ' ἐν τῷ Ῥηγίῳ συναχθεΐσης περὶ τούτων ἐκκλησίας, καὶ πολλῶν ῥηθέντων λόγων, ἔδοξε τοῖς Ῥηγίοις μὴ δέξασθαι τὴν ἐπιγαμίαν. [6] Διονύσιος δ' ἀποτυχὼν ταύτης τῆς ἐπιβολῆς, περὶ τῶν αὐτῶν ἀπέστειλε τοὺς πρεσβευτάς πρὸς τὸν δῆμον τῶν Λοκρῶν. ὧν ψηφισαμένων τὴν ἐπιγαμίαν, ἐμνήστευεν ὁ Διονύσιος Δωρίδα τὴν Ξενέτου θυγατέρα, κατ' ἐκεῖνον τὸν χρόνον ὄντος ἐνδοξοτάτου τῶν πολιτῶν. [7] ὀλίγαις δ' ἡμέραις πρὸ τῶν γάμων ἀπέστειλεν εἰς Λοκροὺς πεντῆρη πρῶτον νεναυπηγημένην, ἀργυροῖς καὶ χρυσοῖς κατασκευάσμασι κεκοσμημένην· ἐφ' ἧς διακομίσας τὴν παρθένον εἰς τὰς Συρακοῦσας εἰσήγαγεν εἰς τὴν ἀκρόπολιν. [8] ἐμνηστεύσατο δὲ καὶ τῶν πολιτικῶν τὴν ἐπισημοτάτην Ἀριστομάχην, ἐφ' ἣν ἀποστείλας λευκὸν τέθριππον ἤγαγεν εἰς τὴν ἰδίαν οἰκίαν. 45. περὶ δὲ τὸν αὐτὸν χρόνον ἀμφοτέρας γήμας συνεχεῖς ἐστιάσεις ἐποιεῖτο τῶν στρατιωτῶν καὶ τῶν πλείστων πολιτῶν· ἀπετίθετο γὰρ ἥδη τὸ

πικρὸν τῆς τυραννίδος, καὶ μεταβαλλόμενος εἰς ἐπιείκειαν φιланθρωπότερον ἦρχε τῶν ὑποτεταγμένων, οὔτε φονεῶν οὔτε φυγάδας ποιῶν, καθάπερ εἰώθει. [2]

μετὰ δὲ τοὺς γάμους ὀλίγας ἐπιμείνας ἡμέρας συνήγαγεν ἐκκλησίαν καὶ παρεκάλει τοὺς Συρακοσίους πόλεμον ἐξενεγκεῖν πρὸς τοὺς Καρχηδονίους, ἀποφαίνων αὐτοὺς καθόλου μὲν τοῖς Ἑλλήσιν ἐχθροτάτους ὄντας, μάλιστα δὲ τοῖς Σικελιώταις διὰ παντὸς ἐπιβουλεύοντας. [3] καὶ νῦν μὲν ἐφ' ἡσυχίας αὐτοὺς μένειν ἀπεδείκνυε διὰ τὸν ἐμπεσόντα λοιμόν, ὃν τοὺς πλείστους τῶν κατὰ Λιβύην διεφθαρκέαι: ἰσχύσαντας δ' αὐτοὺς οὐκ ἀφέξεσθαι τῶν Σικελιωτῶν, οἷς ἐξ ἀρχαίων ἐπιβουλεύουσιν. διὸ αἰρετώτερον νῦν εἶναι πρὸς ἀσθενεῖς αὐτοὺς ὄντας διαπολεμεῖν ἢ μετὰ ταῦτα πρὸς ἰσχυροὺς διαγωνίζεσθαι. [4] ἅμα δὲ συνίστα δεινὸν εἶναι περιορᾶν τὰς Ἑλληνίδας πόλεις ὑπὸ βαρβάρων καταδεδουλωμένας, ἃς ἐπὶ τοσοῦτον συνεπιλήψεσθαι τῶν κινδύνων, ἐφ' ὅσον τῆς ἐλευθερίας τυχεῖν ἐπιθυμοῦσιν. οὐ μὴν ἀλλὰ πολλοὺς λόγους πρὸς ταύτην τὴν προαίρεσιν διαλεχθεὶς ταχὺ συγκαταίνους ἔλαβε τοὺς Συρακοσίους. [5] οὐ γὰρ ἦττον ἐκείνου τὸν πόλεμον ἔσπευδον γενέσθαι, πρῶτον μὲν μισοῦντες τοὺς Καρχηδονίους, δι' ἐκείνους ἠναγκασμένοι ποιεῖν τὸ προσταττόμενον ὑπὸ τοῦ τυράννου: ἔπειτα δὲ καὶ τὸν Διονύσιον φιλανθρωπότερον ἑαυτοῖς ἠλπίζον χρήσεσθαι, φοβούμενον τοὺς πολεμίους καὶ τὴν ἀπὸ τῶν καταδεδουλωμένων ἐπίθεσιν: τὸ δὲ μέγιστον, ἠλπίζον ἑαυτοὺς κυριεύσαντας ὅπλων, ἐὰν ἡ τύχη δῶ καιρόν, ἀντιλήψεσθαι τῆς ἐλευθερίας. 46.

μετὰ δὲ τὴν ἐκκλησίαν, τοῦ Διονυσίου τὴν ἐξουσίαν δόντος, οἱ Συρακόσιοι τὰ Φοινικικὰ χρήματα διήρπασαν. οὐκ ὀλίγοι γὰρ τῶν Καρχηδονίων ἔκουν ἐν ταῖς Συρακούσαις ἀδράς ἔχοντες κτήσεις, πολλοὶ δὲ καὶ τῶν ἐμπόρων εἶχον ἐν τῷ λιμένι τὰς ναῦς γεμούσας φορτίων, ἃ πάντα διεφόρησαν οἱ Συρακόσιοι. [2] παραπλησίως δὲ καὶ οἱ λοιποὶ Σικελιώταις τοὺς παρ' αὐτοῖς οἰκοῦντας τῶν Φοινίκων ἐκβαλόντες τὰς κτήσεις διήρπασαν: καίπερ γὰρ τὴν Διονυσίου τυραννίδα μισοῦντες, ὅμως ἡδέως ἐκοινώνουν τοῦ πρὸς Καρχηδονίους πολέμου διὰ τὴν ὁμότητα τῶν ἀνδρῶν. [3] ὧν δὴ χάριν καὶ οἱ τὰς Ἑλληνίδας πόλεις οἰκοῦντες ὑπὸ Καρχηδονίους, ἐπειδὴ φανερώς ὁ Διονύσιος ἐξέφερε τὸν πόλεμον, ἐναπεδείξαντο τὸ πρὸς τοὺς Φοινίκας μῖσος: οὐ μόνον γὰρ αὐτῶν τὰς οὐσίας διήρπασαν, ἀλλὰ καὶ αὐτοὺς συλλαμβάνοντες πᾶσαν αἰκίαν καὶ ὕβριν εἰς τὰ σώματ' αὐτῶν ἀπετίθεντο, μνημονεύοντες ὧν αὐτοὶ κατὰ τὴν αἰχμαλωσίαν ἔπαθον. [4] ἐπὶ τοσοῦτον δὲ τῆς κατὰ τῶν Φοινίκων τιμωρίας προέβησαν καὶ τότε καὶ κατὰ τὸν ὕστερον χρόνον, ὥστε τοὺς Καρχηδονίους διδασθῆναι μηκέτι παρανομεῖν εἰς τοὺς ὑποπεσόντας: οὐ γὰρ ἠγνόουν, δι' αὐτῶν τῶν ἔργων μαθόντες, ὅτι τοῖς διαπολεμοῦσι κοινῆς τῆς τύχης ὑπαρχούσης ἀμφοτέρους κατὰ τὰς ἡττας τοιαῦτα ἀνάγκη πάσχειν, οἷα ἂν αὐτοὶ πράξωσιν εἰς τοὺς ἀτυχήσαντας. [5] ὁ δ' οὖν Διονύσιος, ἐπειδὴ πάντ' αὐτῷ τὰ πρὸς τὸν πόλεμον ἡτοιμάστο, διανοεῖτο πέμπειν ἀγγέλους εἰς Καρχηδόνα τοὺς ἐροῦντας, ὅτι Συρακόσιοι καταγγέλλουσι πόλεμον Καρχηδονίοις, ἐὰν μὴ τὰς ὑπ' αὐτῶν καταδεδουλωμένας Ἑλληνίδας πόλεις ἐλευθερώσωσιν. Διονύσιος μὲν οὖν περὶ ταῦτ' ἐγένετο. [6]

Κτησίας δ' ὁ συγγραφεὺς τὴν τῶν Περσικῶν ἱστορίαν εἰς τοῦτον τὸν ἐνιαυτὸν κατέστροφεν, ἀρξάμενος ἀπὸ Νίνου καὶ Σεμιράμεως. ἤκμασαν δὲ κατὰ τοῦτον τὸν ἐνιαυτὸν οἱ ἐπισημότατοι διθυραμβοποιοί, Φιλόξενος Κυθήριος, Τιμόθεος Μιλήσιος, Τελέστης Σελινούντιος, Πολύειδος, ὃς καὶ ζωγραφικῆς καὶ μουσικῆς εἶχεν ἐμπειρίαν. 47.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν παρειλήφει τὴν ἀρχὴν Λυσιάδης, ἐν δὲ τῇ Ῥώμῃ τὴν ὑπατον ἀρχὴν διώκουν χιλίαρχοι ἔξ, Πόπλιος Μάλλιος, Πούπλιος Μαῖλιος, Σπόριος Φούριος, Λεύκιος Πούπλιος. Διονύσιος δ' ὁ τῶν Συρακοσίων τύραννος, ἐπειδὴ πάντα τὰ πρὸς τὸν πόλεμον αὐτῷ κατεσκεύαστο κατὰ τὴν ἰδίαν προαίρεσιν, ἐξέπεμψεν εἰς Καρχηδὸνα κήρυκα, δούς ἐπιστολὴν πρὸς τὴν γερουσίαν: [2] ἐν ταύτῃ δὲ γεγραμμένον ἦν ὅτι Συρακοσίοις δεδογμένον εἶη πολεμεῖν πρὸς Καρχηδονίους, ἐὰν μὴ τῶν Ἑλληνίδων πόλεων ἐκχωρήσωσιν. οὗτος μὲν οὖν κατὰ τὸ παραγγελθὲν πλεύσας εἰς Λιβύην τὴν ἐπιστολὴν ἀπέδωκε τῇ γερουσίᾳ. ἥ ἀναγνωσθεῖσης ἐν τε τῇ συγκλήτῳ καὶ μετὰ ταῦτ' ἐν τῷ δήμῳ συνέβη τοὺς Καρχηδονίους οὐ μετρίως ἀγωνιᾶν περὶ τοῦ πολέμου: ὃ τε γὰρ λοιμὸς αὐτῶν παμπληθεῖς ἀπεκτάκει καὶ τοῖς ὅλοις ἦσαν ἀπαρασκεύαστοι. [3] οὐ μὴν ἀλλ' οὗτοι μὲν ἐκαραδόκουν τὴν τῶν Συρακοσίων προαίρεσιν, καὶ μετὰ πολλῶν χρημάτων ἀπέστειλάν τινας τῶν ἐκ τῆς γερουσίας τοὺς ξενολογήσοντας ἀπὸ τῆς Εὐρώπης: [4] Διονύσιος δ' ἀναλαβὼν τοὺς Συρακοσίους καὶ τοὺς μισθοφόρους, ἔτι δὲ τοὺς συμμάχους, ἀνέξευξεν ἐκ Συρακουσῶν, ἐπ' Ἑρυκος τὴν πορείαν ποιούμενος. οὐ μακρὰν γὰρ τοῦ λόφου τούτου Μοτύη πόλις ἦν ἄποικος Καρχηδονίων, ἥ μάλιστα ἐχρῶντο κατὰ τῆς Σικελίας ὀρμητηρίῳ: ταύτης γὰρ κρατήσας ἤλπιζεν οὐκ ὀλίγα προτερήσκειν τῶν πολεμίων. [5] κατὰ δὲ τὴν ὁδοιπορίαν ἀεὶ παρελάμβανε τοὺς ἐκ τῶν Ἑλληνίδων πόλεων, πανδημεὶ καθοπλίζων: συνεστρατεύοντο γὰρ αὐτῷ προθύμως ἅπαντες, μισοῦντες μὲν τὸ βάρος τῆς τῶν Φοινίκων ἐπικρατείας, ἐπιθυμοῦντες δὲ τυχεῖν ποτε τῆς ἐλευθερίας. [6] καὶ πρῶτους μὲν Καμαριναίους παρέλαβεν, εἶτα Γελώους καὶ Ἀκραγαντίνους: μεθ' οὓς Ἱμεραίους μετεπέμψατο, κατοικοῦντας ἐπὶ θάτερα μέρη τῆς Σικελίας: Σελινουντίους δ' ἐν παρόδῳ προσαγαγόμενος παρεγενήθη πρὸς τὴν Μοτύην μετὰ πάσης τῆς δυνάμεως. [7] εἶχε δὲ πεζοὺς μὲν ὀκτακισμυρίους, ἵππεῖς δὲ πολὺ πλείους τῶν τρισχιλίων, ναῦς δὲ μακρὰς οὐ πολὺ λειπούσας τῶν διακοσίων: συνηκολούθει δὲ καὶ φορτηγὰ πλοῖα γέμοντα πολλῶν μηχανημάτων, ἔτι δὲ τῆς ἄλλης χορηγίας ἀπάσης, ὄντα τὸν ἀριθμὸν οὐκ ἐλάττω πεντακοσίων. 48.

τηλικαύτης δὲ τῆς παρασκευῆς οὐσης, Ἑρुकῖνοι μὲν καταπλαγέντες τὸ μέγεθος τῆς δυνάμεως καὶ μισοῦντες Καρχηδονίους προσεχώρησαν τῷ Διονυσίῳ, οἱ δὲ τὴν Μοτύην κατοικοῦντες προσδεχόμενοι τὴν ἐκ Καρχηδονίων βοήθειαν οὐ κατεπλήττοντο τὴν Διονυσίου δύναμιν, ἀλλὰ πρὸς τὴν πολιορκίαν παρεσκευάζοντο: οὐ γὰρ ἠγνόουν τοὺς Συρακοσίους ὅτι πρῶτην τὴν Μοτύην πορθήσουσι διὰ τὸ πιστοτάτην εἶναι τοῖς Καρχηδονίοις. [2] αὕτη δ' ἡ πόλις ἦν ἐπὶ τινος νήσου κειμένη, τῆς Σικελίας ἀπέχουσα σταδίου ἔξ, τῷ δὲ πλήθει καὶ τῷ κάλλει τῶν οἰκῶν εἰς ὑπερβολὴν πεφίλοτεχνημένη διὰ τὴν εὐπορίαν τῶν κατοικούντων. εἶχε δὲ καὶ ὁδὸν

στενὴν χειροποίητον φέρουσιν ἐπὶ τὸν τῆς Σικελίας αἰγιαλόν, ἣν οἱ Μοτυνηοὶ τότε διέσκαψαν, ὥς μὴ προσόδους ἔχοιεν κατ' αὐτῶν οἱ πολέμιοι. [3] Διονύσιος δὲ μετὰ τῶν ἀρχιτεκτόνων κατασκευάμενος τοὺς τόπους, ἤρξατο χῶματα κατασκευάζειν ἐπὶ τὴν Μοτύην, καὶ τὰς μὲν μακρὰς ναῦς παρὰ τὸν εἰσπλουν τοῦ λιμένος ἐνεώλκησε, τὰ δὲ φορητὰ τῶν πλοίων ὥρμισε παρὰ τὸν αἰγιαλόν. [4] μετὰ δὲ ταῦτα ἐπὶ μὲν τῶν ἔργων κατέλιπεν ἐπιστάτην Λεπτίνην τὸν ναύαρχον, αὐτὸς δὲ μετὰ τῆς πεζῆς στρατιᾶς ὥρμησεν ἐπὶ τὰς τοῖς Καρχηδονίοις συμμαχοῦσας πόλεις. Σικανοὶ μὲν οὖν πάντες εὐλαβούμενοι τὸ μέγεθος τῆς δυνάμεως προσχώρησαν τοῖς Συρακοσίοις, τῶν δὲ ἄλλων πόλεων πέντε μόνον διέμειναν ἐν τῇ πρὸς Καρχηδονίους φιλίᾳ: αὗται δὲ ἦσαν Ἀλικύαι, Σολοῦς, Αἶγιστα, Πάνορμος, Ἐντελλα. [5] τὴν μὲν οὖν τῶν Σολουντίνων καὶ Πανορμιτῶν, πρὸς δὲ τούτοις Ἀλικυαίων χώραν ὁ Διονύσιος λεηλατήσας ἐδενδροτόμησε, τὴν δὲ Αἶγισταν καὶ Ἐντελλαν πολλῇ δυνάμει περιστρατοπεδεύσας συνεχεῖς ἐποίειτο προσβολάς, σπεύδων αὐτῶν μετὰ βίας κυριεῦσαι. καὶ τὰ μὲν περὶ Διονύσιον ἐν τούτοις ἦν. 49.

Ἰμίλκων δὲ ὁ τῶν Καρχηδονίων στρατηγὸς αὐτὸς μὲν περὶ τὸν τῶν δυνάμεων ἀθροισμὸν καὶ τὴν ἄλλην ἐγένετο παρασκευήν, τὸν δὲ ναύαρχον μετὰ δέκα τριήρων ἀπέστειλε, κελεύσας κατὰ τάχος λάθρα πλεῖν ὥς ἐπὶ Συρακοσίους, καὶ νυκτὸς εἰς τὸν λιμένα πλεύσαντα διαφθεῖραι τὰ καταλείμμενα τῶν πλοίων. [2] τοῦτο δ' ἔπραξε νομίζων ἀντιπερισπασμὸν τινα ποιήσῃν καὶ τὸν Διονύσιον ἀναγκάσειν μέρος τῶν πλοίων ἀποστέλλειν ἐπὶ Συρακοσίους. ὁ δὲ πεμφθεὶς ναύαρχος συντόμως πράξας τὸ παραγγελθέν, κατέπλευσε νυκτὸς εἰς τὸν τῶν Συρακοσίων λιμένα, πάντων ἀγνοούντων τὸ γεγενημένον. ἀπροσδοκῆτως δ' ἐπιθέμενος καὶ τοῖς παρορμοῦσι πλοίοις ἐμβολὰς δοὺς καὶ σχεδὸν ἅπαντα καταδύσας, ἀνέκαμψεν εἰς Καρχηδόνα. [3] Διονύσιος δὲ πᾶσαν τὴν ὑπὸ Καρχηδονίους χώραν δηώσας καὶ τοὺς πολεμίους τειχίρεις ποιήσας, ἐπὶ τὴν Μοτύην ἄπασαν ἤγαγε τὴν δύναμιν: ἤλπιζε γὰρ ταύτης ἐκπολιορκηθείσης τὰς ἄλλας εὐθέως αὐτὰς παραδώσειν. εὐθὺς οὖν πολλαπλασίους ἄνδρας τοῖς ἔργοις τε προστιθεὶς ἐχώννυε τὸν μεταξὺ πόρον, καὶ τὰς μηχανὰς ἐκ τοῦ κατ' ὀλίγον ἅμα τῇ τοῦ χῶματος αὐξήσει προσήγαγε τοῖς τείχεσιν. 50.

περὶ δὲ τοῦτον τὸν χρόνον Ἰμίλκων ὁ τῶν Καρχηδονίων ναύαρχος ἀκούσας ὅτι Διονύσιος ἐνεώλκησε τὰς ναῦς, εὐθὺς ἐπλήρου τὰς ἀρίστας τῶν τριήρων ἑκατὸν: ὑπελάμβανε γὰρ ἀπροσδοκῆτως ἐπιφανεῖς ῥαδίως κρατήσῃν τῶν νενεωλκημένων ἐν τῷ λιμένι σκαφῶν, κυριεύων τῆς θαλάττης: τοῦτο δὲ πράξας ἐνόμιζε τὴν τε τῆς Μοτύης πολιορκίαν λύσειν καὶ τὸν πόλεμον μετάξιν ἐπὶ τὴν τῶν Συρακοσίων πόλιν. [2] ἐκπλεύσας οὖν μετὰ νεῶν ἑκατὸν κατήχθη ἐπὶ τὴν τῶν Σελινουντίων χώραν νυκτός, καὶ περιπλεύσας τὴν περὶ Λιλύβαιον ἄκραν ἅμ' ἡμέρᾳ παρῆν ἐπὶ τὴν Μοτύην. ἀνελπίστως δ' ἐπιφανεῖς τοῖς πολεμίοις τῶν παρορμοούντων πλοίων τὰ μὲν συνέτριψε, τὰ δ' ἔκαυσεν, οὐ δυναμένων βοηθεῖν τῶν περὶ Διονύσιον. [3] μετὰ δὲ ταῦτ' εἰσπλεύσας εἰς τὸν λιμένα διέταξε τὰς ναῦς ὥς ἐπιθησόμενος ταῖς νενεωλκημέναις ὑπὸ τῶν πολεμίων. Διονύσιος δὲ συναγαγὼν τὴν δύναμιν ἐπὶ τὸ στόμα τοῦ λιμένος, καὶ θεωρῶν τοὺς πολεμίους τὸν ἐκ τοῦ λιμένος ἐκπλουν παραφυλάττοντας,

εὐλαβεῖτο καθέλκειν εἰς τὸν λιμένα τὰ σκάφη: οὐ γὰρ ἡγνόει διότι στενοῦ τοῦ στόματος ὄντος ἀναγκαῖον ἦν ὀλίγαις ναυσὶ πρὸς πολλαπλασίους διακινδυνεύειν. [4] διόπερ τῷ πλήθει τῶν στρατιωτῶν ῥαδίως διελκύσας τὰ σκάφη διὰ τῆς γῆς εἰς τὴν ἐκτὸς τοῦ λιμένος θάλατταν διέσωσε τὰς ναῦς. Ἰμῖλκων δὲ ταῖς πρώταις τριήρεσιν ἐπιθέμενος τῷ πλήθει τῶν βελῶν ἀνείργετο: ἐπὶ μὲν γὰρ τῶν νεῶν ἐπεβεβήκει πλήθος τοξοτῶν καὶ σφενδονητῶν, ἀπὸ δὲ τῆς γῆς τοῖς ὀξυβελέσι καταπέλταις οἱ Συρακόσιοι χρώμενοι συχνοὺς τῶν πολεμίων ἀνήρουν: καὶ γὰρ κατάπληξιν εἶχε μεγάλην τοῦτο τὸ βέλος διὰ τὸ πρῶτως εὐρεθῆναι κατ' ἐκεῖνον τὸν καιρόν: ὥστε Ἰμῖλκων οὐ δυνάμενος κρατῆσαι τῆς ἐπιβολῆς ἀπέπλευσεν εἰς τὴν Λιβύην, ναυμαχεῖν οὐ κρίνων συμφέρειν διὰ τὸ διπλασίας εἶναι τὰς ναῦς τῶν πολεμίων. 51.

Διονύσιος δὲ τῇ πολυχειρίᾳ τῶν ἐργαζομένων συντελέσας τὸ χῶμα, προσήγαγε παντοίας μηχανὰς τοῖς τείχεσι, καὶ τοῖς μὲν κριοῖς ἔτυπτε τοὺς πύργους, τοῖς δὲ καταπέλταις ἀνέστελλε τοὺς ἐπὶ τῶν ἐπάλξεων μαχομένους: προσήγαγε δὲ καὶ τοὺς ὑπὸ τῶν τροχῶν πύργους τοῖς τείχεσιν, ἐξωρόφους ὄντας, οὓς κατεσκεύασε πρὸς τὸ τῶν οἰκῶν ὕψος. [2] οἱ δὲ τὴν Μοτύην κατοικοῦντες ἐν χερσὶ τοῦ κινδύνου καθεστῶτος ὅμως οὐ κατεπλάγησαν τὴν τοῦ Διονυσίου δύναμιν, καίπερ ὄντες ἔρημοι συμμάχων κατ' ἐκεῖνον τὸν καιρόν. ὑπερτιθέμενοι δὲ τῇ φιλοδοξίᾳ τοὺς πολιορκοῦντας, τὸ μὲν πρῶτον ἐκ τῶν μεγίστων ἰστῶν κεραφαῖς ἰσταμέναις ἐβάσταζον ἄνδρας ἐν θωρακίοις, οὗτοι δ' ἀφ' ὑψηλῶν τόπων δᾶδας ἡμμένας ἠφίεσαν καὶ στυππεῖα καιόμενα μετὰ πίττης εἰς τὰς τῶν πολεμίων μηχανάς. [3] ταχὺ δὲ τῆς φλογὸς ἐπινεμομένης τὴν ὕλην, ὀξέως οἱ Σικελιῶται παραβοηθήσαντες ταύτην μὲν ἀπέσβεσαν, τοῖς δὲ κριοῖς πυκνάς τὰς ἐμβολὰς διδόντες κατέβαλον μέρος τοῦ τείχους. συνδραμόντων δ' ἐπὶ τὸν τόπον ἀθρόων ἐξ ἑκατέρου μέρους ἰσχυρὰν συνέβαινε τὴν μάχην γίνεσθαι. [4] οἱ μὲν γὰρ Σικελιῶται κεκρατηκέναι τῆς πόλεως ἤδη νομίζοντες, πᾶν ὑπέμενον ἔνεκεν τοῦ τοὺς Φοίνικας ἀμύνεσθαι, περὶ ὧν πρότερον εἰς αὐτοὺς ἡμαρτήκεισαν: οἱ δ' ἐκ τῆς πόλεως πρὸ ὀφθαλμῶν λαμβάνοντες τὰ τῆς αἰχμαλωσίας δεινά, καὶ φυγὴν οὐδεμίαν ὀρῶντες ὑπάρχουσιν οὔτε κατὰ γῆν οὔτε κατὰ θάλατταν, οὐκ ἀγενῶς ὑπέμενον τὸν θάνατον. [5] θεωροῦντες δὲ τὴν ἀπὸ τῶν τειχῶν ἐπικουρίαν περιηρημένην, ἐνέφραττον τοὺς στενωπούς, καὶ ταῖς ἐσχάταις οἰκίαις ἐχρῶντο καθάπερ τειχίῳ πολυτελῶς ὠκοδομημένῳ. ὅθεν εἰς μείζονα δυσχέρειαν οἱ περὶ τὸν Διονύσιον παρεγενήθησαν. [6] παρεισπεσόντες γὰρ ἐντὸς τοῦ τείχους, καὶ δοκοῦντες ἤδη κυριεύειν τῆς πόλεως, ὑπὸ τῶν ἐν ταῖς οἰκίαις ὄντων ἐξ ὑπερδεξίων τόπων κατετιτρώσκοντο. [7] οὐ μὴν ἀλλὰ τοὺς ξυλίνους πύργους προσαγαγόντες ταῖς πρώταις οἰκίαις ἐπιβάθρας κατεσκεύασαν. ἴσων δ' ὄντων τῶν μηχανημάτων τοῖς οἰκοδομήμασι, τὸ λοιπὸν ἐκ χειρὸς συνέβαινε εἶναι τὴν μάχην. οἱ μὲν γὰρ Σικελιῶται τὰς ἐπιβάθρας ἐπιρριπτοῦντες, διὰ τούτων ἐπὶ τὰς οἰκίας ἐβιάζοντο: 52. οἱ δὲ Μοτυηνοὶ τὸ μέγεθος τοῦ κινδύνου λογιζόμενοι, καὶ τῶν γυναικῶν καὶ τῶν τέκνων ἐν ὀφθαλμοῖς ὄντων, τῷ περὶ τούτων φόβῳ προθυμότερον ἡγωνίζοντο. οἱ μὲν γὰρ γονέων παρεστώτων καὶ δεομένων μὴ περιδεῖν αὐτοὺς τῇ τούτων ὕβρει παραδιδόμενους ἐπηγείροντο

ταῖς ψυχαῖς, οὐδεμίαν φειδῶ τοῦ ζῆν ποιούμενοι, οἱ δὲ γυναικῶν καὶ νηπίων τέκνων θρῆνον ἀκούοντες ἔσπευδον εὐγενῶς ἀποθανεῖν, πρὶν ἐπιδεῖν τὴν τῶν τέκνων αἰχμαλωσίαν: [2] οὐδὲ γὰρ φυγεῖν ἐκ τῆς πόλεως ἦν, ὥς ἂν περιεχούσης μὲν θαλάττης, τῶν δὲ πολεμίων θαλαττοκρατούντων. ἐξέπληττέ τε καὶ μάλιστα ἀπογινώσκειν ἐποίει τοὺς Φοίνικας τὸ ὥμως κεχρηῆσθαι τοῖς τῶν Ἑλλήνων ἠλωκόσιν, οἷς ταῦτὸ προσεδόκων πείσεσθαι. ἀπελείπεται οὖν αὐτοῖς εὐγενῶς μαχομένοις ἢ νικᾶν ἢ τελευτᾶν. [3] τοιαύτης δὲ παραστάσεως ἐμπεσοῦσης εἰς τὰς τῶν πολιορκουμένων ψυχάς, συνέβαινε τοὺς Σικελιώτας εἰς πολλὴν ἀπορίαν ἐμπίπτειν. [4] ἀπὸ γὰρ τῶν ἐπερεισθεισῶν σανίδων μαχόμενοι κακῶς ἀπῆλλαττον διὰ τε τὴν στενοχωρίαν καὶ διὰ τὸ τοὺς ἐναντίους ἀπονενομημένως κινδυνεύειν, ὥς ἂν ἀπογινώσκοντας τὸ ζῆν: ὥσθ' οἱ μὲν εἰς χεῖρας συμπλεκόμενοι καὶ τραύματα δίδόντες καὶ λαμβάνοντες ἀπέθνησκον, οἱ δ' ὑπὸ τῶν Μοτυαίων ἐξωθούμενοι καὶ ἀπὸ τῶν σανίδων ἀποπίπτοντες εἰς τὴν γῆν ἀπώλλυντο. [5] τέλος δ' ἐφ' ἡμέρας τοιαύτης τινὸς τῆς πολιορκίας γινομένης, Διονύσιος αἰεὶ πρὸς τὴν ἐσπέραν τῇ σάλπιγγι τοὺς μαχομένους ἀνακαλούμενος ἔλυσεν τὴν πολιορκίαν. εἰς τοιαύτην δὲ συνήθειαν τοὺς Μοτυαίους ἀγαγὼν, ἐπειδὴ παρ' ἐκατέρων οἱ κινδυνεύοντες ἀπῆλθον, ἀπέστειλεν Ἀρχύλον τὸν Θούριον μετὰ τῶν ἐπιλέκτων: [6] οὗτος δ' ἤδη νυκτὸς οὔσης προσήρεισε ταῖς πεπτωκυῖαις οἰκίαις κλίμακας, δι' ὧν ἀναβὰς καὶ καταλαβόμενός τινα τόπον εὐκαιρον παρεδέχετο τοὺς περὶ τὸν Διονύσιον. [7] οἱ δὲ Μοτυαῖοι τὸ γεγεννημένον αἰσθόμενοι παραυτίκα μετὰ πάσης σπουδῆς παρεβοήθουν, καὶ τῶν καιρῶν ὑστεροῦντες οὐδὲν ἤττον ὑπέστησαν τὸν κίνδυνον. γενομένης δὲ τῆς μάχης ἰσχυρᾶς καὶ πολλῶν προσαναβάντων, μόγις οἱ Σικελῶται τῷ πλήθει κατεπόνησαν τοὺς ἀνθεστηκότας. 53. εὐθὺς δὲ καὶ διὰ τοῦ χώματος ἡ δύναμις ἅπασα τοῦ Διονυσίου παρεισέπεσεν εἰς τὴν πόλιν, καὶ πᾶς τόπος ἔγεμε τῶν ἀναιρουμένων: οἱ γὰρ Σικελῶται ὁμότητα ὁμότητι σπεύδοντες ἀμύνεσθαι, πάντας ἐξῆς ἀνήρουν, ἀπλῶς οὐ παιδός, οὐ γυναικός, οὐ πρεσβύτου φειδόμενοι. [2] Διονύσιος δὲ βουλόμενος ἐξανδραποδίσασθαι τὴν πόλιν, ὅπως ἀθροισθῇ χρήματα, τὸ μὲν πρῶτον ἀνεῖργε τοὺς στρατιώτας τοῦ φονεύειν τοὺς αἰχμαλώτους: ὥς δ' οὐδεὶς αὐτῷ προσεῖχεν, ἀλλ' ἐώρα τὴν τῶν Σικελιωτῶν ὁρμὴν ἀκατάσχετον οὔσαν, παρεστήσατο κήρυκας τοὺς μετὰ βοῆς δηλώσοντας τοῖς Μοτυαίοις φυγεῖν εἰς τὰ παρὰ τοῖς Ἑλλήσιν ἱερὰ τιμώμενα. [3] οὗ γενηθέντος οἱ μὲν στρατιῶται τοῦ φονεύειν ἔληγον, ἐπὶ δὲ τὴν τῶν κτήσεων διαρπαγὴν ὥρμησαν: καὶ διεφορεῖτο πολὺς μὲν ἄργυρος, οὐκ ὀλίγος δὲ χρυσός, καὶ ἐσθῆτες πολυτελεῖς καὶ τῆς ἄλλης εὐδαιμονίας πλήθος. τὴν δὲ τῆς πόλεως διαρπαγὴν ἔδωκεν ὁ Διονύσιος τοῖς στρατιώταις, βουλόμενος προθύμους αὐτοὺς ποιῆσαι πρὸς τοὺς ἐπιφερομένους κινδύνους. [4] ἀπὸ δὲ τούτων γενόμενος Ἀρχύλον τὸν ἀναβάντα πρῶτον ἐπὶ τὸ τεῖχος ἑκατὸν μναῖς ἐστεφάνωσεν, τῶν δ' ἄλλων κατὰ τὴν ἀξίαν ἕκαστον τῶν ἠνδραγαθηκότων ἐτίμησεν, καὶ τῶν Μοτυαίων τοὺς περιλειφθέντας ἐλαφυροπώλησεν: Δαῖμνὴν δὲ καὶ τινας τῶν Ἑλλήνων συμμαχοῦντας Καρχηδονίοις λαβὼν αἰχμαλώτους ἀνεσταύρωσεν. [5] μετὰ δὲ ταῦτα φύλακας τῆς πόλεως καταστήσας, Βίτωναν τὸν Συρακόσιον φρούραρχον ἀπέδειξε: τὸ δὲ πλεῖον μέρος ἐκ τῶν Σικελῶν ὑπῆρχεν. καὶ Λεπτίνην μὲν τὸν ναύαρχον μετὰ

νεῶν εἴκοσι καὶ ἑκατὸν ἐκέλευσεν παρατηρεῖν τὴν διάβασιν τῶν Καρχηδονίων, συνέταξε δ' αὐτῷ τὴν Αἴγεσταν καὶ τὴν Ἑντελλαν πολιορκεῖν, καθάπερ ἐξ ἀρχῆς πορθεῖν αὐτάς ἐνεστήσατο: αὐτὸς δὲ τοῦ θέρους ἦδη λήγοντος ἀνέζευξε μετὰ τῆς δυνάμεως εἰς Συρακούσας. [6]

ἐν δὲ ταῖς Ἀθήναις Σοφοκλῆς ὁ Σοφοκλέους τραγωδίαν διδάσκειν ἤρξατο, καὶ νίκας ἔσχε δεκαδύο. 54.

τοῦ δ' ἐνιαυσιαίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἔλαβε τὴν ἀρχὴν Φορμίων, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων ἐγένοντο χιλιάρχοι ἕξ, Γναῖος Γενούκιος καὶ Λεύκιος Ἀτίλιος, Μάρκος Πομπώνιος, Γάιος Δυίλιος, Μάρκος Οὐετούριος, Οὐαλέριος Ποπλίλιος, Ὀλυμπιάς δ' ἦχθη ἐνενηκοστὴ καὶ ἕκτη, καθ' ἣν ἐνίκα Εὐπολις Ἥλειος. [2] τούτων δὲ τὴν ἀρχὴν παραλαβόντων Διονύσιος ὁ τῶν Συρακουσίων τύραννος μετὰ πάσης τῆς δυνάμεως ἀναζεύξας ἐκ Συρακουσῶν ἐνέβαλεν εἰς τὴν τῶν Καρχηδονίων ἐπικράτειαν. πορθοῦντος δ' αὐτοῦ τὴν χώραν, Ἀλικυαῖοι μὲν καταπλαγέντες διεπρεσβεύσαντο πρὸς αὐτὸν καὶ συμμαχίαν ἐποιήσαντο, Αἰγεσταῖοι δὲ τοῖς πολιορκοῦσι νυκτὸς ἀπροσδοκῆτως ἐπιθέμενοι, καὶ πῦρ ἐνέντες ταῖς κατὰ τὴν παρεμβολὴν σκηναῖς, εἰς πολλὴν ταραχὴν ἤγαγον τοὺς ἐν τῇ στρατοπεδείᾳ: [3] ἐπινεμηθείσης δὲ τῆς φλογὸς ἐπὶ πολὺν τόπον, καὶ τοῦ πυρὸς ἀκατασχέτου γενηθέντος, τῶν μὲν παραβοηθούντων στρατιωτῶν ὀλίγοι διεφθάρησαν, τῶν δ' ἵππων οἱ πλεῖστοι ταῖς σκηναῖς συγκατεκαύθησαν. [4] καὶ Διονύσιος μὲν ἐδῆου τὴν χώραν οὐδενὸς ὑφισταμένου, Λεπτίνης δ' ὁ ναύαρχος περὶ Μοτύην διατρίβων ἐπετήρει τὸν τῶν πολεμίων κατάπλουν. οἱ δὲ Καρχηδόνιοι πυθόμενοι τὸ μέγεθος τῆς τοῦ Διονυσίου δυνάμεως, ἔκριναν πολὺ ταῖς παρασκευαῖς αὐτὸν ὑπερβέσθαι. [5] διόπερ Ἰμίλκωνα βασιλέα κατὰ νόμον καταστήσαντες, ἐκ τῆς Λιβύης ὅλης, ἔτι δ' ἐκ τῆς Ἰβηρίας συνήγαγον δυνάμεις, τὰς μὲν παρὰ τῶν συμμάχων μεταπεμπόμενοι, τὰς δὲ μισθοῦμενοι: καὶ πέρας ἤθροισαν πεζῶν μὲν ὑπὲρ τὰς τριάκοντα μυριάδας, ἵππεις δὲ τετρακισχιλίους χωρὶς τῶν ἀρμάτων: ταῦτα δ' ἦσαν τετρακόσια: ναῦς δὲ μακρὰς μὲν τετρακοσίας, τὰς δὲ τὸν σῆτον καὶ τὰ μηχανήματα καὶ τὴν ἄλλην ὑπηρεσίαν παρακομιζούσας πλείους τῶν ἑξακοσίων, καθάπερ φησὶν Ἑφορος. [6] Τίμαιος μὲν γὰρ τὰς ἐκ τῆς Λιβύης περαιωθείσας δυνάμεις οὐ πλείω φησὶν εἶναι δέκα μυριάδων, καὶ πρὸς ταύταις ἐτέρας τρεῖς ἀποφαίνεται κατὰ Σικελίαν στρατολογηθείσας. 55.

Ἰμίλκων δὲ τοῖς κυβερνήταις ἅπασι δούς βυβλίον ἐπεσφραγισμένον, ἐκέλευσεν ἀνοίγειν ὅταν ἐκπλεύσωσι καὶ ποιεῖν τὰ γεγραμμένα. τοῦτο δ' ἐμηχανήσατο πρὸς τὸ μηδένα τῶν κατασκόπων ἀπαγγεῖλαι τὸν κατάπλουν τῷ Διονυσίῳ: ἦν δὲ γεγραμμένον, ὅπως ἐς Πάνορμον καταπλεύσωσιν. [2] διόπερ ἐπιγενομένου πνεύματος οὐρίου, καὶ πάντων λυσάντων τὰ πρυμνήσια, τὰ μὲν φορτηγὰ τῶν πλοίων ἔπλει διὰ τοῦ πελάγους, αἱ δὲ τριήρεις ἔπλευσαν εἰς τὴν Λιβυκὴν, παρελέγοντό τε τὴν γῆν. φοροῦ δὲ πνεύματος ὄντος, ὥς ἦδη καταφανεῖς ἦσαν ἀπὸ τῆς Σικελίας αἱ πρῶται πλέουσai τῶν φορτηγῶν νεῶν, Διονύσιος ἀπέστειλε Λεπτίνην μετὰ τριάκοντα τριήρων, παρακελευσάμενος τύπτειν τοῖς ἐμβόλοις καὶ διαφθεῖρειν ἀπάσας τὰς καταλαμβανομένας. [3] ὃς μετὰ σπουδῆς ἐκπλεύσας καὶ ταῖς πρῶταις προσμιζας εὐθέως τινὰς

αὐτάνδρους κατέδυσεν· αἱ δὲ λοιπαὶ πλήρεις οὔσαι καὶ τὸν ἄνεμον τοῖς ἰστίοις δεχόμεναι ῥαδίως ἐξέφυγον· ὁμῶς κατέδυσε πεντήκοντα ναῦς στρατιώτας ἐχούσας πεντακισχιλίους, ἄρματα δὲ διακόσια. [4] Ἴμῖλκων δὲ καταπλεύσας εἰς Πάνορμον καὶ τὴν δύναμιν ἐκβιβάσας ἤγεν ἐπὶ τοὺς πολεμίους, καὶ τὰς μὲν τριῆρεις παραπλεῖν ἐκέλευσεν, αὐτὸς δ' ἐν παρόδῳ διὰ προδοσίας ἐλὼν Ἔρυκα πρὸς τὴν Μοτύην κατεστρατοπέδευσεν. ὄντος δὲ κατὰ τοῦτον τὸν χρόνον τοῦ Διονυσίου περὶ τὴν Αἴγεσταν μετὰ τῆς δυνάμεως, Ἴμῖλκων τὴν Μοτύην ἐξεπολιόρκησεν. [5] τῶν δὲ Σικελιωτῶν προθύμων ὄντων διαμάχεσθαι, Διονύσιος ἅμα μὲν μακρὰν τῶν συμμαχίδων πόλεων ἀπεωσμένος, ἅμα δὲ τῆς σιτοπομπίας ἐπιλειπούσης, διέλαβε συμφέρειν ἐφ' ἐτέρων τόπων συστήσασθαι τὸν πόλεμον. [6] κρίνας οὖν ἀναζευγνύειν, τοὺς μὲν Σικανοὺς ἔπειθε καταλιπεῖν τὰς πόλεις κατὰ τὸ παρὸν καὶ μετ' αὐτοῦ στρατεύεσθαι· ἀντὶ δὲ τούτων ἐπιγγέλλετο δώσειν χώραν βελτίονα καὶ τῷ πλήθει παραπλησίαν, καὶ μετὰ τὴν τοῦ πολέμου κατάλυσιν κατάξειν τοὺς βουλομένους εἰς τὰς πατρίδας. [7] τῶν δὲ Σικανῶν ὀλίγοι, καταπλαγέντες μῆποτε ἀντιλέγοντες διαρπασθῶσιν ὑπὸ τῶν στρατιωτῶν, συγκατέθεντο τοῖς ἀξιουμένοις ὑπὸ Διονυσίου. ἀπέστησαν δὲ παραπλησίως καὶ Ἀλικυαῖοι, καὶ πέμψαντες πρέσβεις εἰς τὸ τῶν Καρχηδονίων στρατόπεδον συμμαχίαν ἐποιήσαντο. καὶ Διονύσιος μὲν ἀφώρμησεν ἐπὶ Συρακουσῶν, καταφθείρων τὴν χώραν δι' ἧς ἤγε τὴν δύναμιν. 56. Ἴμῖλκων δὲ τῶν πραγμάτων προχωρούντων κατὰ γνώμην παρεσκευάζετο τὴν στρατιὰν ἀνάγειν ἐπὶ Μεσσήνης, σπεύδων αὐτῆς κυριεῦσαι διὰ τὴν εὐκαιρίαν τῶν τόπων· ὃ τε γὰρ ἐν αὐτῇ λιμὴν εὐθετος ἦν, δυνάμενος δέχεσθαι πάσας τὰς ναῦς, οὔσας πλείω τῶν ἑξακοσίων, τὰ τε περὶ τὸν πορθμὸν οἰκεῖα ποιησάμενος Ἴμῖλκων ἥλιψε τὰς τῶν Ἰταλιωτῶν βοηθείας ἐμφράζειν καὶ τοὺς ἐκ Πελοποννήσου στόλους ἐπισχεῖν. [2] ταῦτα δὲ διανοηθεὶς πράττειν, πρὸς τοὺς μὲν Ἱμεραίους καὶ τοὺς τὸ Κεφαλοῖδιον φρούριον κατοικοῦντας φιλίαν ἐποίησατο, Λιπάρας δὲ τῆς πόλεως ἐγκρατὴς γενόμενος τριάκοντα τάλαντα παρὰ τῶν κατοικούντων τὴν νῆσον ἐπράξατο· αὐτὸς δὲ μετὰ πάσης τῆς δυνάμεως ὥρμησεν ἐπὶ Μεσσήνης, συμπαραπλεουσῶν αὐτῷ τῶν νεῶν. [3] καὶ ταχὺ διανύσας τὴν ὁδὸν κατεστρατοπέδευσεν ἐπὶ τῆς Πελωρίδος, ἀπέχων τῆς Μεσσήνης σταδίους ἑκατόν. οἱ δὲ τὴν πόλιν ταύτην κατοικοῦντες ὡς ἐπύθοντο τὴν παρουσίαν τῶν πολέμιων, οὐ τὰς αὐτὰς ἀλλήλοις ἐννοίας εἶχον περὶ τοῦ πολέμου. [4] τινὲς μὲν γὰρ αὐτῶν τὸ μέγεθος τῆς τῶν πολέμιων δυνάμεως ἀκούοντες, καὶ τὴν ἐρημίαν τῶν συμμάχων ὀρώντες, ἔτι δὲ καὶ τῶν ἰδίων ἱππέων ἐν Συρακούσαις ὄντων, ἀπεγνώκεισαν τὴν ἐκ τῆς πολιορκίας σωτηρίαν. μάλιστα δ' αὐτοὺς εἰς ἀθυμίαν ἤγε τὰ τεῖχη καταπεπτωκότα καὶ ὁ καιρὸς εἰς παρασκευὴν οὐ διδοὺς ἄνεσιν. διόπερ ἐξεκόμιζον ἐκ τῆς πόλεως τέκνα καὶ γυναῖκας καὶ τὰ πολυτελέστατα τῶν χρημάτων εἰς τὰς ἀστυγείτονας πόλεις. [5] τινὲς δὲ τῶν Μεσσηνίων ἀκούοντές τι παλαιὸν αὐτοῖς εἶναι λόγιον, ὅτι δεῖ Καρχηδονίους ὑδροφορῆσαι κατὰ τὴν πόλιν, ἐξεδέχοντο τὸ κατὰ τὴν φήμην πρὸς τὸ συμφέρον ἑαυτοῖς, νομίζοντες δουλεύσειν ἐν Μεσσήνῃ τοὺς Καρχηδονίους. [6] διὸ καὶ ταῖς ψυχαῖς εὐθαρσεῖς ὄντες πολλοὺς καὶ τῶν ἄλλων προθύμους ἐποιοῦντο εἰς τοὺς ὑπὲρ τῆς ἐλευθερίας κινδύνους. εὐθέως δὲ τῶν νεωτέρων

ἐπιλέξαντες τοὺς ἀρίστους ἀπέστειλαν ἐπὶ τὴν Πελωρίδα, κωλύσοντας τοὺς πολεμίους ἐπιβαίνειν τῆς χώρας. 57. περὶ ταῦτα δ' ὄντων αὐτῶν, Ἴμιλκων θεωρῶν ἐκβοηθοῦντας τοὺς Μεσσηνίους περὶ τὴν ἀπόβασιν, ἀπέστειλε τῶν νεῶν διακοσίας ἐπὶ τὴν πόλιν: ἥλπιζε γάρ, ὅπερ ἦν εἰκός, τῶν στρατιωτῶν τὴν ἀπόβασιν κωλύόντων τοὺς ἐν ταῖς ναυσὶ κυριεύσειν ῥαδίως τῆς Μεσσηνίας οὔσης ἐρήμου τῶν ἀμυνομένων. [2] πνεύσαντος δὲ βορέου τὰς μὲν ναὺς συνέβη ταχέως πλήρεσι τοῖς ιστίοις εἰς τὸν λιμένα κατενεχθῆναι, τοὺς δ' ἐπὶ τῇ Πελωρίδι παραφυλάττοντας Μεσσηνίους ὑστερῆσαι τῆς τῶν νεῶν παρουσίας, καίπερ κατὰ σπουδὴν ἐπειγομένους. [3] διόπερ οἱ Καρχηδόνιοι περιστρατοπεδεύσαντες τὴν Μεσσήνην καὶ διὰ τῶν πεπτωκότων τειχῶν εἰσβιασάμενοι τῆς πόλεως ἐκυρίευσαν. [4] τῶν δὲ Μεσσηνίων οἱ μὲν μαχόμενοι γενναίως ἀνῆρέθησαν, οἱ δ' εἰς τὰς ἐγγυτάτω κειμένας πόλεις ἔφυγον, ὁ δὲ πολὺς ὄχλος διὰ τῶν παρακειμένων ὁρῶν ὁρμήσας εἰς τὰ κατὰ τὴν χώραν φρούρια διεσπάρη: [5] τῶν δὲ ἄλλων τινὲς μὲν ὑπὸ τῶν πολεμίων συνελαμβάνοντο, τινὲς δὲ ἀποληφθέντες εἰς τὸ πρὸς τὸν λιμένα μέρος ἔρριψαν ἑαυτοὺς εἰς τὴν θάλατταν, ἐλπίζοντες διανῆξασθαι τὸν μεταξὺ πόρον. τούτων δὲ ὄντων πλειόνων ἢ διακοσίων, οἱ πλεῖστοι μὲν ὑπὸ τοῦ ροῦ διεφθάρησαν, πεντήκοντα δὲ πρὸς τὴν Ἰταλίαν διεσώθησαν. [6] Ἴμιλκων δὲ τὴν δύναμιν ἅπασαν μεταγαγὼν εἰς τὴν πόλιν, τὸ μὲν πρῶτον ἐπεχείρησε πορθεῖν τὰ κατὰ τὴν χώραν φρούρια, τούτων δ' ὀχυρῶν ὄντων, καὶ τῶν εἰς αὐτὰ συμπεφευγόντων γενναίως ἀγωνιζομένων, ἀνέστρεψεν εἰς τὴν πόλιν, ἀδυνατήσας αὐτῶν κυριεῦσαι. μετὰ δὲ ταῦτα τὴν τε δύναμιν ἀνελάμβανε καὶ παρεσκευάζετο τὴν πορείαν ἐπὶ Συρακούσας ποιῆσθαι. 58.

οἱ δὲ Σικελοί, πάλαι μὲν μισοῦντες τὸν Διόνυσιον, τότε δὲ καιρὸν τῆς ἀποστάσεως ἔχοντες, μετεβάλλοντο πρὸς Καρχηδονίους πλὴν Ἀσσωρίνων ἅπαντες. Διόνυσιος δ' ἐν ταῖς Συρακούσαις τοὺς δούλους ἐλευθερώσας, ἐπλήρωσεν ἐξ αὐτῶν ναὺς ἐξήκοντα: μετεπέμψατο δὲ καὶ παρὰ Λακεδαιμονίων μισθοφόρους πλείω τῶν χιλίων, καὶ τὰ κατὰ τὴν χώραν φρούρια περιπορευόμενος ὠχύρου καὶ σῆτον παρεκόμιζεν: ἐπιμελέστατα δὲ τὰς ἐν Λεοντίνοις ἀκροπόλεις ἐτείχισε καὶ τὸν ἐκ τῶν πεδίων σῆτον εἰς ταύτας συνήθροισεν. [2] ἔπεισε δὲ καὶ τοὺς τὴν Κατάνην οἰκοῦντας Καμπανοὺς εἰς τὴν νῦν καλουμένην Αἴττην μεταστῆναι διὰ τὸ λίαν εἶναι τὸ φρούριον ὀχυρόν. μετὰ δὲ ταῦτα ἀπὸ τῶν Συρακουσῶν ἑκατὸν ἐξήκοντα σταδίους προαγαγὼν ἅπασαν τὴν δύναμιν κατεστρατοπέδευσε περὶ τὸν Ταῦρον καλούμενον. εἶχε δὲ κατ' ἐκεῖνον τὸν καιρὸν πεζοὺς μὲν τρισμυρίους, ἵππεῖς δὲ πλείους τῶν τρισχιλίων, ναὺς δὲ ἑκατὸν ὀγδοήκοντα: τούτων δ' ὀλίγαι μὲν ἦσαν τριήρεις. [3] Ἴμιλκων δὲ τὰ τεῖχη τῆς Μεσσηνίας κατασκάψας προσέταξε τοῖς στρατιώταις καταβαλεῖν τὰς οἰκίας εἰς ἔδαφος, καὶ μήτε κέραμον μήθ' ὕλην μήτ' ἄλλο μηδὲν ὑπολιπεῖν, ἀλλὰ τὰ μὲν κατακαῦσαι, τὰ δὲ συντρίψαι. ταχὺ δὲ τῇ τῶν στρατιωτῶν πολυχειρία λαβόντων τῶν ἔργων συντέλειαν, ἡ πόλις ἄγνωστος ἦν ὅτι πρότερον αὐτὴν οἰκεῖσθαι συνέβαινε. [4] ὁρῶν γὰρ τὸν τόπον πόρρω μὲν ἀπὸ τῶν συμμαχίδων πόλεων κεχωρισμένον, εὐκαιρότατον δὲ τῶν περὶ Σικελίαν ὄντα, προήρητο δυεῖν θάτερον, ἢ τελέως ἀοίκητον διατρεῖν ἢ δυσχερῇ καὶ πολυχρόνιον τὴν κτίσιν αὐτῆς γίνεσθαι. 59.

ἐναποδειξάμενος οὖν τὸ πρὸς τοὺς Ἑλληνας μῖσος ἐν τῇ τῶν Μεσσηνίων ἀτυχίᾳ, Μάγωνα μὲν τὸν ναύαρχον ἀπέστειλε μετὰ τῆς ναυτικῆς δυνάμεως, προστάξας παραπλεῖν ἐπὶ τὸν λόφον τὸν καλούμενον Ταῦρον. τοῦτον δὲ κατειληφότες ἦσαν Σικελοί, συχνοὶ μὲν τὸ πλῆθος ὄντες, οὐδένα δ' ἔχοντες ἡγεμόνα. [2] τοῦτοις δὲ τὸ μὲν πρότερον Διονύσιος δεδῶκει τὴν τῶν Ναξίων χώραν, τότε δ' ὑπ' Ἱμῖλκου πεισθέντες ἐπαγγελίαις τὸν λόφον κατελάβοντο. ὀχυροῦ δ' ὄντος τούτου, καὶ τότε καὶ μετὰ τὸν πόλεμον ὥκουν αὐτὸν τεῖχος περιβαλλόμενοι, καὶ τὴν πόλιν διὰ τὸ μεῖναι τοὺς ἐπὶ τὸν Ταῦρον ἀθροισθέντας Ταυρομένιον ὠνόμασαν. [3] Ἱμῖλκων δὲ ἀναλαβὼν τὴν πεζὴν στρατιὰν εὐτονον τὴν πορείαν ἐποιεῖτο, καὶ κατήντησε τῆς Ναξίας ἐπὶ τὸν προειρημένον τόπον, ἅμα καὶ Μάγωνος καταπλεύσαντος. προσφάτως δὲ πυρὸς ἐκραγέντος ἐκ τῆς Αἵτνης μέχρι τῆς θαλάττης, οὐκέτι δυνατόν ἦν τὴν πεζὴν στρατιὰν συμπάραγειν παραπλευούσαις ταῖς ναυσίν· ἐφθαρμένων γὰρ τῶν παρὰ τὴν θάλατταν τόπων ὑπὸ τοῦ καλουμένου ρύακος, ἀναγκαῖον ἦν τὸ πεζὸν στρατόπεδον περιπορεύεσθαι τὸν τῆς Αἵτνης λόφον. [4] διόπερ Μάγωνι προσέταξε καταπλεῖν ἐπὶ τῆς Κατάνης, αὐτὸς δὲ διὰ τῆς μεσογείου ταχέως ὀρμήσας ἔσπευδε συμμῖξαι ταῖς ναυσὶ περὶ τὸν τῶν Καταναίων αἰγιαλόν· εὐλαβεῖτο γὰρ μήποτε διεσπαρμένης τῆς δυνάμεως οἱ Σικελιωταὶ τοῖς περὶ τὸν Μάγωνα διανυμαχῆσωσιν· ὅπερ καὶ συνετελέσθη. [5] Διονύσιος γὰρ τὸν μὲν πλοῦν εἰδὼς τῷ Μάγωνι βραχὺν ὄντα, τὴν δὲ πορείαν τοῖς πεζοῖς ἐργῶδη καὶ μακράν, ἔσπευδεν ἐπὶ τῆς Κατάνης, βουλόμενος ναυμαχῆσαι πρὸς Μάγωνα, πρὶν ἔλθειν τοὺς περὶ τὸν Ἱμῖλκωνα. [6] ἤλπιζε γὰρ τῶν πεζῶν ἐκτεταγμένων παρὰ τὸν αἰγιαλὸν τοῖς μὲν ἰδίους θάρσος παρέξεσθαι, τοὺς δὲ πολεμίους δειλοτέρους ἔσεσθαι· τὸ δὲ μέγιστον, εἴ τι συμβαίῃ γενέσθαι πταῖσμα, ταῖς θλιβομέναις ναυσὶν ἐξῆν καταφυγεῖν πρὸς τὸ τῶν πεζῶν στρατόπεδον. [7] ταῦτα δὲ διανοηθεὶς Λεπτίνην μὲν ἀπέστειλε μετὰ πασῶν τῶν νεῶν, παραγγείλας ἀθρόοις τοῖς σκάφεσι ναυμαχεῖν καὶ μὴ λύειν τὴν τάξιν, ὅπως μὴ κινδυνεύσωσιν ὑπὸ τοῦ πλήθους τῶν ἐναντίων· εἶχον γὰρ οἱ περὶ τὸν Μάγωνα σὺν ταῖς ὀλκάσι καὶ ταῖς ἄλλαις ταῖς ἐπικώποις, οὗσαις χαλκεμβόλοις, ναῦς οὐκ ἐλάττους πεντακοσίων. 60. οἱ δὲ Καρχηδόνιοι ὡς εἶδον τὸν αἰγιαλὸν τῶν πεζῶν πλήρη καὶ τὰς Ἑλληνικὰς ναῦς ἐπιφερομένας, παραχρῆμα μὲν οὐ μετρίως ἡγωνίασαν, καὶ πρὸς τὴν γῆν ἐπεχείρησαν καταπλεῖν· μετὰ δὲ ταῦτα λογισάμενοι, διότι κινδυνεύουσιν ἀπολέσθαι πρὸς τὰς ναῦς ἅμα καὶ τοὺς πεζοὺς μαχόμενοι, ταχέως μετενόησαν. κρίναντες οὖν ναυμαχεῖν, διέταττον τὰς ναῦς καὶ τὸν τῶν πολεμίων ἐπίπλουν ἐκαραδόκουν. [2] Λεπτίνης δὲ τριάκοντα ναυσὶ ταῖς ἀρίσταις πολὺ τῶν ἄλλων προάγων, οὐκ ἀνάνδρως μὲν, ἀβούλως δὲ διηγωνίσατο. εὐθὺς γὰρ ἐπιθέμενος ταῖς πρώταις τῶν Καρχηδονίων, τὸ μὲν πρῶτον οὐκ ὀλίγας κατέδυσσε τῶν ἀντιτεταγμένων τριήρων· τοῦδὲ Μάγωνος ἀθρόαις ταῖς ναυσὶ ταῖς τριάκοντα περιχυθέντος, ταῖς μὲν ἀρεταῖς ὑπερεῖχον οἱ περὶ τὸν Λεπτίνην, τοῖς δὲ πλήθεσιν οἱ Καρχηδόνιοι. [3] διὸ καὶ τῆς μάχης ἰσχυροτέρας γινομένης, καὶ τῶν κυβερνητῶν ἐκ παραβολῆς τὸν ἀγῶνα συνισταμένων, ὁμοῖος ὁ κίνδυνος ταῖς ἐπὶ τῆς γῆς παρατάξεις ἐγένετο. οὐ γὰρ ἐκ διαστήματος τοῖς ἐμβόλοις εἰς τὰς τῶν πολεμίων ναῦς ἐνέσειον, ἀλλὰ συμπλεκομένων τῶν σκαφῶν ἐκ χειρὸς

διηγονίζοντο. τινὲς μὲν ἐπὶ τὰς τῶν ἐναντίων ναῦς ἐπιπηδῶντες ἔπιπτον εἰς τὴν θάλατταν, τινὲς δὲ κρατήσαντες τῆς ἐπιβολῆς ἐν ταῖς τῶν πολεμίων ναυσὶν ἠγωνίζοντο. [4] τέλος δὲ ὁ μὲν Λεπτινὴς ἐκβιασθεὶς ἠναγκάσθη φυγεῖν εἰς τὸ πέλαγος, αἱ δὲ λοιπαὶ τῶν νεῶν ἀτάκτως τὸν ἐπίπλουν ποιοῦμεναι ὑπὸ τῶν Καρχηδονίων ἐχειροῦντο· καὶ γὰρ τὸ περὶ τὸν ναύαρχον ἐλάττωμα τοῦς Φοίνικας εὐθαρσεστέρους ἐποίησεν, τοὺς δὲ Σικελιώτας οὐκ εἰς τὴν τυχοῦσαν ἀθυμίαν ἤγαγεν. [5] τῆς δὲ μάχης τοιοῦτον λαβούσης τὸ τέλος, οἱ Καρχηδόνιοι τοὺς ἀτάκτως φεύγοντας σφᾶς φιλοτιμότερον διώξαντες διέφθειραν μὲν ναῦς πλείους τῶν ἑκατόν, τὰ δ' ὑπηρετικά παρὰ τὸν αἰγιαλὸν καταστήσαντες ἀνήρουν τῶν ναυτῶν τοὺς διανηχομένους πρὸς τὸ πεζὸν στρατόπεδον. [6] πολλῶν δ' ἀπολλυμένων οὐ μακρὰν τῆς γῆς, τῶν περὶ τὸν Διονύσιον οὐδαμῶς δυναμένων βοηθῆσαι, πᾶς ὁ τόπος ἔγεμε νεκρῶν καὶ ναυαγίων. ἀπώλοντο μὲν οὖν ἐν τῇ ναυμαχίᾳ τῶν μὲν Καρχηδονίων οὐκ ὀλίγοι, τῶν δὲ Σικελιωτῶν ναῦς μὲν πλείω τῶν ἑκατόν, ἄνδρες δ' ὑπὲρ τοὺς δισμυρίους. [7] ἀπὸ δὲ τῆς μάχης οἱ μὲν Φοίνικες περὶ τὴν Κατάνην ὀρμίσαντες τὰς τριῆρεις, ἀνήψαντο τὰς αἰχμαλώτους ναῦς, καὶ καθελκύσαντες αὐτὰς ἐθεράπευν, ὥστε τοῖς Καρχηδονίοις μὴ μόνον ἀκουστόν, ἀλλὰ καὶ θεωρητὸν ποιῆσαι τὸ μέγεθος τοῦ προτερήματος. 61.

οἱ δὲ Σικελιωταὶ τὴν πορείαν μὲν ἐπὶ Συρακουσῶν ἐποίησαντο, νομίζοντες δὲ πάντως εἰς ἐργώδη πολιορκίαν συγκλειςθήσεσθαι, παρεκάλουν τὸν Διονύσιον εὐθέως ἀπαντᾶν τοῖς περὶ τὸν Ἰμίλκωνα διὰ τὴν γεγενημένην νίκην· τάχα γὰρ τῷ παραδόξῳ τῆς ἐπιφανείας καταπλήξεσθαι τοὺς βαρβάρους καὶ τὸ πρότερον ἐλάττωμα διορθώσεσθαι. [2] Διονύσιος δὲ τὸ μὲν πρῶτον τοῖς παρακαλοῦσι πειθόμενος ἔτοιμος ἦν ἄγειν τὴν δύναμιν ἐπὶ τὸν Ἰμίλκωνα· ὥς δὲ τινες τῶν φίλων ἔλεγον αὐτῷ, ὅτι κινδυνεύσει τὴν πόλιν ἀποβαλεῖν, ἐὰν Μάγων ἀναχθῇ μετὰ τοῦ στόλου παντὸς ἐπὶ Συρακουσῶν, εὐθέως μετενόησε· καὶ γὰρ τὴν Μεσσηνὴν ἴδρι τῷ παραπλησίῳ τρόπῳ τοῖς βαρβάροις ὑποχείριον γεγενημένην. ὥστε οὐκ ἀσφαλὲς εἶναι νομίζων ἔρημον ποιῆσαι τὴν πόλιν τῶν ἀμυνομένων, ἀνέξευξεν ἐπὶ Συρακουσῶν. [3] τῶν δὲ Σικελιωτῶν οἱ πλείστοι χαλεπῶς φέροντες ἐπὶ τῷ μὴ βούλεσθαι τοῖς πολεμίοις ἀπαντᾶν, καταλιπόντες τὸν Διονύσιον οἱ μὲν εἰς τὰς ἰδίας πατρίδας, οἱ δ' εἰς τὰ σύνεγγυς τῶν φρουρίων ἀπεχώρησαν. [4] Ἰμίλκων δὲ δυσὶν ἡμέραις κατανύσας εἰς τὸν τῶν Καταναίων αἰγιαλόν, τὰς μὲν ναῦς ἀπάσας ἐνεώλκησε, μεγάλου πνεύματος ἐπιγενομένου, τὴν δὲ δύναμιν ἐφ' ἡμέρας τινὰς ἀναλαμβάνων πρέσβεις ἀπέστειλε πρὸς τοὺς τὴν Αἴτνην κατέχοντας Καμπανούς, παρακαλῶν ἀποστῆναι τοῦ Διονυσίου. [5] ἐπηγγέλλετο δ' αὐτοῖς χώραν τε δωρήσεσθαι πολλὴν καὶ τῶν ἐκ τοῦ πολέμου λαφύρων κοινωνοὺς ποιήσεσθαι· ἐδίδασκε δὲ καὶ τοὺς τὴν Ἑντελλαν κατοικοῦντας Καμπανούς εὐδοκοῦντας Καρχηδονίοις καὶ συμμαχοῦντας κατὰ τῶν Σικελιωτῶν, καθόλου δὲ τὸ τῶν Ἑλλήνων ἀπεδείκνυε πολέμιον ὑπάρχον τῶν ἄλλων ἐθνῶν. [6] οἱ δὲ Καμπανοὶ δεδωκότες ὁμήρους τῷ Διονυσίῳ, καὶ τοὺς ἀρίστους τῶν στρατιωτῶν ἀπεσταλκότες εἰς Συρακούσας, ἠναγκάσθησαν διατηρῆσαι τὴν πρὸς Διονύσιον συμμαχίαν, καίπερ ἐπιθυμοῦντες μεταβαλέσθαι πρὸς Καρχηδόνιους. 62.

μετὰ δὲ ταῦτα Διονύσιος μὲν καταπεπληγμένος τοὺς Καρχηδονίους, ἀπέστειλε πρεσβευτὴν πρὸς τε τοὺς κατ' Ἰταλίαν Ἕλληνας καὶ πρὸς Λακεδαιμονίους, ἔτι δὲ Κορινθίους, Πολύξενον τὸν κηδεστήν, δεόμενος βοηθεῖν καὶ μὴ περιδεῖν τὰς ἐν Σικελίᾳ πόλεις τῶν Ἑλλήνων ἄρδην ἀναιρουμένας. ἐπεμψε δὲ καὶ ξενολόγους εἰς Πελοπόννησον μετὰ πολλῶν χρημάτων, ἐντειλάμενος ὡς πλείστους ἀθροίζειν στρατιώτας, μὴ φειδομένους τῶν μισθῶν. [2] Ἰμῖλκων δὲ τοῖς ἀπὸ τῶν πολέμιων σκύλοις κοσμήσας τὰς ναῦς κατέπλευσεν εἰς τὸν μέγαν λιμένα τῶν Συρακοσίων, καὶ πολλὴν τοῖς ἐν τῇ πόλει κατάπληξιν ἐπέστησεν. διακόσiai μὲν γὰρ καὶ πεντήκοντα μακραὶ ναῦς εἰσέπλεον ἐν τάξει τὰς εἰρεσίας ποιοῦμεναι καὶ τοῖς ἐκ τοῦ πολέμου λαφύροις πολυτελῶς κεκοσμημέναι, μετὰ δὲ ταῦτα αἱ φορητοὶ ναῦς εἰσθεόμεναι μὲν ὑπὲρ τρισχιλίας, φέρουσαι δὲ πλείους τῶν πεντακοσίων, αἱ δὲ πᾶσαι σχεδὸν δισχιλίας. διὸ καὶ συνέβαινε τὸν λιμένα τῶν Συρακοσίων, καίπερ ὄντα μέγαν, ἐμπεφράχθαι μὲν τοῖς σκάφεσι, συγκαλύπτεσθαι δὲ σχεδὸν ἅπαντα τοῖς ἱστίοις. [3] τούτων δὲ καθορμισθεισῶν εὐθὺς καὶ τὸ πεζὸν στρατόπεδον ἐκ θατέρου μέρους ἀντιπαρήγε, συνεστηκός, ὥς μὲν τινες ἀνέγραψαν, ἐκ τριάκοντα μυριάδων πεζῶν, ἱππέων δὲ τρισχιλίων. ὁ μὲν οὖν στρατηγὸς τῶν δυνάμεων Ἰμῖλκων κατεσκήνωσεν ἐν τῷ τοῦ Διὸς νεῷ, τὸ δὲ λοιπὸν πλῆθος ἐν τῷ παρακειμένῳ τόπῳ κατεστρατοπέδευσεν, ἀπέχον τῆς πόλεως σταδίους δώδεκα. [4] μετὰ δὲ ταῦτα Ἰμῖλκων ἐξήγαγε τὴν στρατιὰν ἅπασαν, καὶ πρὸ τῶν τειχῶν ἐξέταξε τὴν δύναμιν, εἰς μάχην προκαλοῦμενος τοὺς Συρακοσίους. ἐπέπλευσε δὲ καὶ τοῖς λιμέσιν ἑκατὸν ναυσι ταῖς ἀρίσταis, ὅπως καταπλήζηται τοὺς κατὰ τὴν πόλιν καὶ συναναγκάσῃ συγχωρεῖν ἥττους εἶναι καὶ κατὰ θάλατταν. [5] οὐδενὸς δ' ἐπεξίεναι τολμῶντος τότε μὲν ἀπῆγε τὴν δύναμιν εἰς τὴν στρατοπεδεῖαν, μετὰ δὲ ταῦτ' ἔφ' ἡμέρας τριάκοντα τὴν χώραν ἐπῆει δεινδοτομῶν καὶ πᾶσαν φθείρων, ὅπως ἅμα μὲν τοὺς στρατιώτας πληρώσῃ παντοίας ὠφελείας, ἅμα δὲ τοὺς ἐντὸς τῶν τειχῶν εἰς ἀθυμίαν καταστήσῃ. 63. κατελάβετο δὲ καὶ τὸ τῆς Ἀχραδινῆς προάστειον, καὶ τοὺς νεῶς τῆς τε Δήμητρος καὶ Κόρης ἐσύλησεν: ὑπὲρ ὧν ταχὺ τῆς εἰς τὸ θεῖον ἀσεβείας ἀξίαν ὑπέσχε τιμωρίαν. ταχὺ γὰρ αὐτῷ τὰ πράγματα καθ' ἡμέραν ἐγίνετο χεῖρω, καὶ τοῦ Διονυσίου θαρροῦντος ἀκροβολισμοὺς συνίστασθαι συνέβαινε προτερεῖν τοὺς Συρακοσίους. [2] ἐγίνοντο δὲ καὶ τὰς νύκτας ἐν τῷ στρατοπέδῳ παράλογοι ταραχαί, καὶ μετὰ τῶν ὅπλων συνέτρεχον, ὥς τῶν πολέμιων ἐπιθεμένων τῷ χάρακι. ἐπεγενήθη δὲ καὶ νόσος, ἥ πάντων αὐτοῖς αἰτία κακῶν κατέστη: περὶ ἧς μικρὸν ὕστερον ἐροῦμεν, ἵνα μὴ προλαμβάνωμεν τῇ γραφῇ τοὺς καιροὺς. [3]

Ἰμῖλκων μὲν οὖν τεῖχος περιβαλὼν τῇ παρεμβολῇ, τοὺς τάφους σχεδὸν πάντας τοὺς σύνεγγυς καθεῖλεν, ἐν οἷς τὸν τε Γέλωνος καὶ τῆς γυναικὸς αὐτοῦ Δημαρέτης, πολυτελῶς κατεσκευασμένους. ὠκοδόμησε δὲ καὶ τρία φρούρια παρὰ θάλατταν, τὸ μὲν ἐπὶ τοῦ Πλημμυρίου, τὸ δ' ἐπὶ μέσου τοῦ λιμένος, τὸ δὲ κατὰ τὸν νεῶν τοῦ Διὸς: εἰς δὲ ταῦτα τὸν τε οἶνον καὶ τὸν σῖτον καὶ τὰ λοιπὰ τῶν ἐπιτηδείων κατεκόμιζε, νομίζων χρονιωτέραν ἔσσεσθαι τὴν πολιορκίαν. [4] ἀπέστειλε δὲ καὶ τὰς ὀλκάδας ναῦς ἕς τε Σαρδῶνα καὶ Λιβύην, ὅπως σῖτον καὶ τὰς ἄλλας τροφὰς παρακομίζωσιν. Πολύξενος δὲ ὁ Διονυσίου

κηδεστίης ἕκ τε Πελοποννήσου καὶ τῆς Ἰταλίας παρεγενήθη ναὺς μακρὰς ἄγων τριάκοντα παρὰ τῶν συμμάχων καὶ ναύαρχον Φαρακίδα Ἀλακεδαίμονιον. 64.

μετὰ δὲ ταῦτα Διονύσιος μὲν καὶ Λεπτίνης μετὰ μακρῶν νεῶν ἐξέπλεον ἄγορὰν βουλόμενοι παρακομίσαι, οἱ δὲ Συρακόσιοι καθ' αὐτούς τε γενόμενοι καὶ κατὰ τύχην ἰδόντες σιτηγὸν πλοῖον προσφερόμενον, πέντε ναυσὶν ἐπέπλευσαν αὐτῷ, καὶ κατακυριεύσαντες κατήγον εἰς τὴν πόλιν. [2] τῶν δὲ Καρχηδονίων ἐπ' αὐτούς ἀναχθέντων τετταράκοντα ναυσὶν, οἱ Συρακόσιοι πάσας ἐπλήρωσαν τὰς ναῦς, καὶ ναυμαχήσαντες τῆς τε στρατηγίδος νεῶς ἐκυρίευσαν καὶ τῶν ἄλλων εἴκοσι καὶ τέτταρας διέφθειραν: καταδιώξαντες δὲ τὰς φευγούσας μέχρι τοῦ ναυστάθμου τῶν πολεμίων, προεκαλοῦντο τοὺς Καρχηδονίους εἰς ναυμαχίαν. [3] ἐκεῖνοι μὲν οὖν διὰ τὸ παράδοξον τεταραγμένοι ἡσυχίαν ἔσχον, οἱ δὲ Συρακόσιοι τὰς αἰχμολώτους ναῦς ἀναψάμενοι κατήγαγον εἰς τὴν πόλιν. μετεωρισθέντες δὲ τῷ προτερήματι, καὶ διαλογιζόμενοι τὸν μὲν Διονύσιον πλεονάκις ἡττημένον, αὐτοὺς δὲ χωρὶς ἐκείνου νενικηκότας Καρχηδονίους, φρονήματος ἐπληροῦντο. [4] ἄθροιζόμενοι δὲ διελάλουν, ὅτι περιορῶσιν αὐτοὺς δουλεύοντας Διονυσίῳ, καὶ ταῦτα καιρὸν ἔχοντες τῆς καταλύσεως αὐτοῦ: τὸν μὲν γὰρ ἔμπροσθεν χρόνον ἦσαν ἀφωπλισμένοι, τότε δὲ διὰ τὸν πόλεμον τῶν ὅπλων ἦσαν κύριοι. [5] οὐ μὴν ἀλλὰ τοιούτων λόγων γινομένων Διονύσιος κατέπλευσε, καὶ συναγαγὼν ἐκκλησίαν ἐπὶ τὴν τοὺς Συρακοσίους καὶ παρεκάλει θαρρεῖν, ἐπαγγελλόμενος ταχέως καταλύσειν τὸν πόλεμον. ἤδη δ' αὐτοῦ μέλλοντος διαλύειν τὴν ἐκκλησίαν ἀναστὰς Θεόδωρος ὁ Συρακόσιος, ἐν τοῖς ἱππεῦσιν εὐδοκιμῶν καὶ δοκῶν εἶναι πρακτικός, ἀπετόλμησε περὶ τῆς ἐλευθερίας τοιούτοις χρήσασθαι λόγους. 65.

εἰ καὶ τίνα προσέψευσται Διονύσιος, τό γε ῥηθὲν ὑπ' αὐτοῦ τὸ τελευταῖον ἀληθὲς ἦν, ὅτι ταχέως καταλύσει τὸν πόλεμον. τοῦτο δὲ πρᾶξι δύναιτ' ἂν οὐκ αὐτὸς ἀφηγούμενος, ἡττηται γὰρ πολλάκις, ἀλλὰ τὴν πάτριον ἐλευθερίαν ἀποδοὺς τοῖς πολίταις. [2] νῦν μὲν γὰρ οὐδεὶς ἡμῶν προθύμως ὑπομένει τοὺς κινδύνους, ὅταν ἡ νίκη μὴδὲν ἦττον ἢ τῆς ἡττης: λειφθέντας γὰρ Καρχηδονίοις δεήσει ποιεῖν τὸ προσταττόμενον, νικήσαντας δὲ Διονύσιον ἔχειν βαρύτερον ἐκείνων δεσπότην. Καρχηδόνιοι μὲν γάρ, κἂν πολέμῳ κρατήσωσι, φόρον ὀρισμένον λαβόντες οὐκ ἂν ἡμᾶς ἐκώλυσαν τοῖς πατρίοις νόμοις διοικεῖν τὴν πόλιν: οὗτος δὲ τὰ μὲν ἱερὰ συλήσας, τοὺς δὲ τῶν ἰδιωτῶν πλούτους ἅμα ταῖς τῶν κεκτημένων ψυχαῖς ἀφελόμενος, τοὺς οἰκέτας μισθοδοτεῖ κατὰ τῆς τῶν δεσποτῶν δουλείας: καὶ τὰ συμβαίνοντα κατὰ τὰς τῶν πόλεων ἀλώσεις δεινά, ταῦτ' ἐν εἰρήνῃ πράττων καταλύσειν ἐπαγγέλλεται τὸν πρὸς Καρχηδονίους πόλεμον. [3] ἡμῖν δ', ὧς ἄνδρες, οὐχ ἦττον τοῦ Φοινικικοῦ πολέμου καταλυτέον ἐστὶ τὸν ἐντὸς τοῦ τείχους τύραννον. ἡ μὲν γὰρ ἀκρόπολις δούλων ὅπλοις τηρουμένη κατὰ τῆς πόλεως ἐπιτετείχισται, τὸ δὲ τῶν μισθοφόρων πλῆθος ἐπὶ δουλείᾳ τῶν Συρακοσίων ἡθροισται. καὶ κρατεῖ τῆς πόλεως οὐκ ἐπ' ἴσης βραβεύων τὸ δίκαιον, ἀλλὰ μόναρχος πλεονεξία κρίνων πράττειν πάντα. καὶ νῦν μὲν οἱ πολέμιοι βραχὺ μέρος ἔχουσι τῆς χώρας, Διονύσιος δὲ πᾶσαν ποιήσας ἀνάστατον τοῖς τῇν

τυραννίδα συναυξουσιν ἐδωρήσατο. [4] μέχρι τίνος οὖν καρτερήσομεν ταῦτα πάσχοντες, ὑπὲρ ὧν οἱ ἀγαθοὶ χάριν τοῦ μὴ λαβεῖν πείραν ἀποθνήσκειν ὑπομένουσιν; καὶ πρὸς μὲν Καρχηδονίους ἀγωνιζόμενοι τοὺς ἐσχάτους κινδύνους εὐψύχως ὑπομένομεν, πρὸς δὲ πικρὸν τύραννον ὑπὲρ ἐλευθερίας καὶ περὶ πατρίδος οὐδὲ λόγῳ παρρησίαν ἔτι ἄγειν τολμῶμεν: καὶ ταῖς μὲν τοσαύταις μυριάσι τῶν πολεμίων ἀντιταττόμεθα, μόναρχον δὲ οὐδ' ἀνδραπόδου γενναίου τὴν ἀρετὴν ἔχοντα πεφρίκαμεν. 66. οὐ γὰρ δῆπουθεν ἀξιώσαι τις ἂν παραβάλλειν Διονύσιον τῷ παλαιῷ Γέλωνι. ἐκεῖνος μὲν γὰρ μετὰ τῆς ἰδίας ἀρετῆς, μετὰ τῶν Συρακοσίων καὶ τῶν ἄλλων Σικελιωτῶν ἠλευθέρωσε τὴν Σικελίαν ἅπασαν, ὁ δ' ἐν ἐλευθερίᾳ παραλαβὼν τὰς πόλεις τῶν μὲν ἄλλων ἀπασῶν κυρίους πεποίηκε τοὺς πολεμίους, αὐτὸς δὲ τὴν πατρίδα καταδεδούλωται. [2] κἀκεῖνος μὲν πολὺ πρὸ τῆς Σικελίας ἀγωνισάμενος τοὺς ἐν ταῖς πόλεσιν ὄντας συμμάχους οὐδὲ ἰδεῖν τοὺς πολεμίους ἐποίησεν, ὁ δ' ἀπὸ Μοτύης διὰ πάσης τῆς νήσου φυγῶν συγκέκλεικεν ἑαυτὸν ἐντὸς τῶν τειχῶν, πρὸς μὲν τοὺς πολίτας θρασυνόμενος, τοὺς δὲ πολεμίους οὐδὲ κατ' ὄψιν ἰδεῖν ὑπομένων. [3] τοιγαροῦν ἐκεῖνος μὲν διὰ τε τὴν ἀρετὴν καὶ τὸ μέγεθος τῶν πράξεων οὐ μόνον τῶν Συρακοσίων, ἀλλὰ καὶ τῶν Σικελιωτῶν ἐκουσίων παρέλαβε τὴν ἡγεμονίαν, ὁ δ' ἐπ' ὀλέθρῳ μὲν τῶν συμμάχων, ἐπὶ δουλείᾳ δὲ τῶν πολιτῶν στρατηγήσας, πῶς οὐκ ἂν δικαίως ὑπὸ πάντων μισοῖτο; οὐ γὰρ μόνον ἡγεμονίας ἀνάξιος, ἀλλὰ καὶ μυρίων θανάτων τυχεῖν δίκαιος. [4] Γέλα καὶ Καμάρινα διὰ τοῦτον κατεστράφησαν, Μεσσήνη ἄρδην ἀνήρηται, κατὰ ναυμαχίαν δισμύριοι τῶν συμμάχων ἀπολώλασι, τὸ σύνολον εἰς μίαν κατακεκλείσμεθα πόλιν, τῶν κατὰ Σικελίαν Ἑλληνίδων πασῶν ἀνηρημένων. πρὸς γὰρ τοῖς ἄλλοις ἀδικήμασι Μάξον καὶ Κατάνην ἐξηνδραποδίσατο, πόλεις συμμαχίδας, ἐπικαίρους πόλεις, ἄρδην ἀνήρηκεν. [5] καὶ πρὸς μὲν Καρχηδονίους δύο μάχας ἐνστησάμενος ἐν ἑκατέραις ἡττηται, παρὰ δὲ τοῖς πολίταις πιστευθεὶς ἅπαξ στρατηγίας εὐθέως ἀφείλετο τὴν ἐλευθερίαν, φονεύων μὲν τοὺς παρρησίαν ἄγοντας ὑπὲρ τῶν νόμων, φυγαδεύων δὲ τοὺς ταῖς οὐσίαις προέχοντας, καὶ τὰς μὲν τῶν φυγάδων γυναῖκας οἰκέταις καὶ μιγάσιν ἀνθρώποις συνοικίζων, τῶν δὲ πολιτικῶν ὅπλων βαρβάρους καὶ ξένους ποιῶν κυρίους. καὶ ταῦτ' ἔπραξεν, ὃ Ζεῦ καὶ θεοὶ πάντες, ὑπηρέτης ἀρχείων, ἀπεγνωσμένος ἄνθρωπος. 67. καὶ ποῦ τὸ φιλελεύθερον τῶν Συρακοσίων; ποῦ δ' αἱ τῶν προγόνων πράξεις; ἐὼ τὰς ἐφ' ἑξήκοντα τριάκοντα μυριάδας ἄρδην ἀναιρεθείσας Καρχηδονίων, παρίημι τὴν τῶν μετὰ Γέλωνα τυράννων κατάλυσιν: ἀλλ' ἐχθὲς καὶ πρόφην, Ἀθηναίων τηλικαύταις δυνάμεσιν ἐπὶ Συρακούσας στρατευσάντων, οἱ πατέρες ἡμῶν οὐδὲ τὸν ἀπαγγελοῦντα τὴν συμφορὰν ἀπέλιπον. [2] ἡμεῖς δὲ τηλικαῦτ' ἔχοντες πατέρων παραδείγματ' ἀρετῆς, τοῦ Διονυσίου προστάγμασιν ὑπακούομεν, καὶ ταῦτα τῶν ὅπλων ὄντες κύριοι; θεῶν γάρ τις πρόνοια μετὰ τῶν συμμάχων ἐν τοῖς ὅπλοις ἡμᾶς συνήγαγε πρὸς τὸ τὴν ἐλευθερίαν ἀνακτήσασθαι, καὶ πάρεστι τήμερον ἄνδρας ἀγαθοὺς γενομένους καὶ συμφρονήσαντας ἀπαλλαγῆναι τῆς βαρείας ἀνάγκης. [3] τὸν μὲν γὰρ ἔμπροσθεν χρόνον παρωπλισμένοι καὶ ἔρημοι συμμάχων ὄντες, τῷ δὲ τῶν μισθοφόρων πλήθει τηρούμενοι, σχεδὸν εἴκομεν τῷ τῆς ἀνάγκης καιρῷ: νῦν δὲ τῶν ὅπλων

κυριεύοντες καὶ τοὺς συμμάχους ἅμα βοηθοὺς καὶ θεατὰς ἔχοντες τῆς ἀρετῆς, μὴ παραχωρήσωμεν ἀλλὰ ποιήσωμεν φανερόν, ὥς διὰ καιρὸν, οὐ δι' ἀνανδρίαν ὑπεμείναμεν δουλεύειν. [4] οὐκ αἰσχυρόμεθα τῶν πολέμων ἔχοντες ἡγεμόνα τὸν τὰ κατὰ τὴν πόλιν ἱερὰ σεσυληκότα, καὶ τηλικούτων πραγμάτων ποιῶντες προστάτην, ὃ βίον ἰδιωτικὸν οὐδεὶς ἂν εὖ φρονῶν διοικεῖν ἐπιτρέψειεν; καὶ τῶν ἄλλων ἐν τοῖς πολέμοις μάλιστα τηρούντων τὰ πρὸς τοὺς θεοὺς ὅσια διὰ τὸ μέγεθος τῶν κινδύνων, ἡμεῖς τὸν ἐπ' ἀσβεβείᾳ διωνομασμένον ἐλπίζομεν καταλύσειν τὸν πόλεμον; 68. καίτοι γε εἴ τις βούλεται ἀκριβὲς ζητεῖν, εὐρήσει Διονύσιον οὐχ ἦττον τοῦ πολέμου τὴν εἰρήνην εὐλαβοῦμενον. νῦν μὲν γὰρ διὰ τὸν ἀπὸ τῶν πολεμίων φόβον νομίζει τοὺς Συρακοσίους μὴθὲν ἐπιχειρήσειν κατ' αὐτοῦ πρᾶξι, καταπονηθέντων δὲ τῶν Καρχηδονίων ἀντιλήψεσθαι τῆς ἐλευθερίας, τῶν μὲν ὅπλων κυριεύοντας, διὰ δὲ τὰς πράξεις πεφρονηματισμένους. [2] διὰ τοῦτο γάρ, οἶμαι, κατὰ μὲν τὸν πρῶτον πόλεμον προδοὺς Γέλαν καὶ Καμάριναν ταύτας ἀοικήτους ἐποίησεν, ἐν δὲ ταῖς συνθήκαις ἐκδότους τὰς πλείστας, Ἑλληνίδας πόλεις συνέθετο. [3] μετὰ δὲ ταῦτ' ἐν εἰρήνῃ Νάξον καὶ Κατάνην παρασπονδῶν ἐξανδραποδισάμενος ἦν μὲν κατέσκαψεν, ἦν δὲ τοῖς ἐξ Ἰταλίας Καμπανοῖς οἰκητήριον ἔδωκεν. [4] ἐπειδὴ δὲ ἐκείνων ἀπολομένων οἱ περιλειφθέντες πολλάκις ἐπεβάλλοντο καταλύσαι τὴν τυραννίδα, πάλιν τοῖς Καρχηδονίοις πόλεμον κατήγγειλεν: οὐ γὰρ οὕτως εὐλαβεῖτο λῦσαι τὰς συνθήκας παρὰ τοὺς ὅρκους, ὥς ἐφοβεῖτο τὰ περιλελειμμένα συστήματα τῶν Σικελιωτῶν. καὶ δὴ φαίνεται διὰ παντὸς ἐπηγρυπνηκῶς τῇ τούτων ἀπωλείᾳ. [5] καὶ πρῶτον μὲν περὶ Πάνορμον δυνάμενος παρατάξασθαι τοῖς πολεμίοις, ἀποβαινόντων ἐκ τῶν νεῶν καὶ τὰ σώματα κακῶς ἐχόντων διὰ τὸν σάλον, οὐκ ἠβουλήθη: μετὰ δὲ ταῦτα τὴν Μεσσήνην ἐπικαίρον καὶ τηλικαύτην πόλιν ἀβοήθητον περιδῶν εἶασε κατασκαφῆναι, ὅπως μὴ μόνον ὥς πλείστοι διαφθείρωνται τῶν Σικελιωτῶν, ἀλλὰ καὶ Καρχηδόνιοι τὰς ἐξ Ἰταλίας βοηθείας καὶ τοὺς ἐκ Πελοποννήσου στόλους ἐμφράξωσιν. [6] τὸ δὲ τελευταῖον ἐν τῷ Καταναίων αἰγιαλῷ διηγωνίσατο, παρεῖς πρὸς τῇ πόλει τὴν μάχην συστήσασθαι πρὸς τὸ τοὺς ἐλαττωμένους καταφεύγειν εἰς τοὺς οἰκείους λιμένας. μετὰ δὲ τὴν ναυμαχίαν, μεγάλων πνευμάτων ἐπιγενομένων καὶ τῶν Καρχηδονίων ἀναγκασθέντων νεωλκῆσαι τὸν στόλον, καιρὸν εἶχε τοῦ νικᾶν κάλλιστον: [7] τὸ μὲν γὰρ πεζὸν στράτευμα τῶν πολεμίων οὐπω κατηντηκὸς ἦν, τὸ δὲ μέγεθος τοῦ χειμῶνος ἐπὶ τὸν αἰγιαλὸν αὐτοῖς τὰς ναῦς ἐξέβραττεν. τότε συνεπιθεμένων ἡμῶν πεζῇ πάντων ἠναγκάσθησαν ἂν ἀποβαίνοντες ἀλίσκεσθαι ῥαδίως ἢ πρὸς τὰ κύματα βιαζόμενοι τὸν αἰγιαλὸν πληρῶσαι ναυαγίων. 69. ἀλλὰ τὸ μὲν Διονυσίου κατηγορεῖν ἐν Συρακοσίοις ἐπὶ πλεῖον οὐκ ἀναγκαῖον εἶναι νομίζω. εἰ γὰρ οἱ δι' αὐτῶν τῶν ἔργων ἀνήκεστα παθόντες οὐκ ἐγείρονται τοῖς θυμοῖς, ἥπου τοῖς λόγοις προαχθήσονται πρὸς τὴν κατὰ τούτου τιμωρίαν, καὶ ταῦτ' ἰδόντες αὐτὸν πολίτην μὲν γεγονότα πονηρότατον, τύραννον δὲ πικρότατον, στρατηγὸν δὲ πάντων ἀγενέστατον; [2] ὅσாகις μὲν γὰρ σὺν τούτῳ παρεταξάμεθα, τοσαυτάκις ἠττήθημεν: νυνὶ δὲ καθ' αὐτοὺς ὀλίγαις ναυσὶ τὴν πᾶσαν τῶν πολεμίων δύναμιν κατεναυμάχησαμεν. διόπερ ἕτερον ἡγεμόνα ζητητέον, ὅπως μὴ τὸν

σεσυληκότα τοὺς τῶν θεῶν ναοὺς στρατηγὸν ἔχοντες ἐν τῷ πολέμῳ θεομαχῶμεν. [3] φανερῶς γὰρ τὸ δαιμόνιον ἀντιπράττει τοῖς τὸν ἀσεβέστατον προχειρισαμένοις ἐπὶ τὴν ἡγεμονίαν. τὸ γὰρ μετὰ μὲν τούτου πάσας τὰς δυνάμεις ἡττήσθαι, χωρὶς δὲ τούτου καὶ βραχὺ μέρος ἱκανὸν εἶναι καταπολεμῆσαι Καρχηδονίους, πῶς οὐ πᾶσιν ὁρατὴν ἔχει τὴν τῶν θεῶν ἐπιφάνειαν; [4] διόπερ, ὦ ἄνδρες, ἐὰν μὲν ἐκὼν ἀποτίθῃται τὴν ἀρχήν, ἐάσωμεν αὐτὸν ἀπαλλάττεσθαι μετὰ τῶν ἰδίων ἐκ τῆς πόλεως; ἐὰν δὲ μὴ βούληται, καιρὸν ἔχομεν κάλλιστον τὸν παρόντα πρὸς τὸ τῆς ἐλευθερίας ἀντιλαμβάνεσθαι. πάντες συνεληλύθαμεν, κύριοι τῶν ὅπλων ἐσμέν, συμμάχους ἔχομεν παρόντας οὐ μόνον τοὺς ἀπὸ τῆς Ἰταλίας Ἑλλήνας, ἀλλὰ καὶ τοὺς ἀπὸ Πελοποννήσου. [5] τὴν δὲ ἡγεμονίαν δοτέον κατὰ τοὺς νόμους πολίταις ἢ τοῖς κατὰ τὴν μητρόπολιν οἰκοῦσι Κορινθίοις ἢ τοῖς ἀφηγουμένοις τῆς Ἑλλάδος Σπαρτιάταις. 70.

τοιοῦτοις τοῦ Θεοδώρου χρησαμένου λόγους, οἱ μὲν Συρακόσιοι μετέωροι ταῖς ψυχαῖς ἐγένοντο καὶ πρὸς τοὺς συμμάχους ἀπέβλεπον, Φαρακίδου δὲ τοῦ Λακεδαιμονίου ναυαρχοῦντος τῶν συμμάχων παρελθόντος ἐπὶ τὸ βῆμα, πάντες προσεδόκων ἀρχηγὸν ἔσεσθαι τῆς ἐλευθερίας. [2] ὁ δὲ τὰ πρὸς τὸν τύραννον ἔχων οἰκείως ἔφησεν αὐτὸν ὑπὸ Λακεδαιμονίων ἀπεστάλθαι Συρακοσίους καὶ Διονυσίῳ συμμαχεῖν πρὸς Καρχηδονίους, ἀλλ' οὐ Διονυσίου τὴν ἀρχὴν καταλύειν. παρὰ δὲ τὴν προσδοκίαν γενομένης τῆς ἀποφάσεως, οἱ μὲν μισθοφόροι συνέδραμον πρὸς τὸν Διονύσιον, οἱ δὲ Συρακόσιοι καταπλαγέντες τὴν ἡσυχίαν εἶχον, πολλὰ τοῖς Σπαρτιάταις καταρῶμενοι: [3] καὶ γὰρ τὸ πρότερον Ἀρέτης ὁ Λακεδαιμόνιος ἀντιλαμβανόμενος αὐτῶν τῆς ἐλευθερίας ἐγένετο προδότης, καὶ τότε Φαρακίδας ἐνέστη ταῖς ὁρμαῖς τῶν Συρακοσίων. ὁ δὲ Διονύσιος τότε μὲν ἐγένετο περίφοβος καὶ διέλυσε τὴν ἐκκλησίαν, μετὰ δὲ ταῦτα φιланθρώποις λόγοις χρησάμενος καθωμίλει τῷ πλήθει, καὶ τινὰς μὲν δωρεαῖς ἐτίμα, τινὰς δ' ἐπὶ τὰ συσσίτια παρελάμβανε. [4]

Καρχηδονίοις δὲ μετὰ τὴν κατάληψιν τοῦ προαστείου καὶ τὴν σύλησιν τοῦ τε τῆς Δήμητρος καὶ Κόρης ἱεροῦ ἐνέπεσεν εἰς τὸ στράτευμα νόσος: συνεπελάβετο δὲ καὶ τῇ τοῦ δαιμονίου συμφορᾷ τὸ μυριάδας εἰς ταῦτό συναθροισθῆναι καὶ τὸ τῆς ὥρας εἶναι πρὸς τὰς νόσους ἐνεργότατον, ἔτι δὲ τὸ ἔχειν ἐκεῖνο τὸ θέρος καύματα παρηλλαγμένα. [5] ἔοικε δὲ καὶ ὁ τόπος αἴτιος γεγενῆσθαι πρὸς τὴν ὑπερβολὴν τῆς συμφορᾶς: καὶ γὰρ Ἀθηναῖοι πρότερον τὴν αὐτὴν ἔχοντες παρεμβολὴν πολλοὶ διεφθάρησαν ὑπὸ τῆς νόσου, ἐλώδους ὄντος τοῦ τόπου καὶ κοίλου. [6] πρῶτον μὲν πρὶν ἥλιον ἀνατεῖλαι διὰ τὴν ψυχρότητα τὴν ἐκ τῆς αὔρας τῶν ὑδάτων φρίκη κατεῖχε τὰ σώματα: κατὰ δὲ τὴν μεσημβρίαν ἡ θερμότης ἐπνιγεν, ὥς ἂν τοσοῦτου πλήθους ἐν στενῷ τόπῳ συναθροισμένου. 71. ἦψατο μὲν οὖν ἡ νόσος πρῶτον τῶν Λιβύων, ἐξ ὧν πολλῶν ἀποθνησκόντων τὸ μὲν πρῶτον ἔθαπτον τοὺς τετελευτηκότας, μετὰ δὲ ταῦτα διὰ τε τὸ πλῆθος τῶν νεκρῶν καὶ διὰ τὸ τοὺς νοσοκομοῦντας ὑπὸ τῆς νόσου διαρπάζεσθαι, οὐδεὶς ἐτόλμα προσιέναι τοῖς κάμνουσιν. παραιρεθείσης οὖν καὶ τῆς θεραπείας ἀβοήθητος ἦν ἡ συμφορά. [2] διὰ γὰρ τὴν τῶν ἀθάπτων δυσωδίαν καὶ τὴν ἀπὸ τῶν ἐλῶν σηπεδόνα πρῶτον μὲν ἦρχετο τῆς νόσου κατάρρους, μετὰ δὲ ταῦτ' ἐγένετο περὶ τὸν τράχηλον

οἰδήματα: ἐκ δὲ τοῦ κατ' ὀλίγον ἠκολούθουν πυρετοὶ καὶ περὶ τὴν ράχιν νεύρων πόνοι καὶ τῶν σκελῶν βαρύντητες· εἴτ' ἐπεγίνοντο δυσεντερία καὶ φλύκταιναι περὶ τὴν ἐπιφάνειαν ὅλην τοῦ σώματος. [3] τοῖς μὲν οὖν πλείστοις τοιοῦτον ἦν τὸ πάθος, τινὲς δ' εἰς μανίαν καὶ λήθην τῶν ἀπάντων ἐπιπτον, οἱ περιπορευόμενοι τὴν παρεμβολὴν ἐξεστῶτες τοῦ φρονεῖν ἔτυπτον τοὺς ἀπαντῶντας. καθόλου δὲ συνέβη καὶ τὴν ἀπὸ τῶν ἱατρῶν βοήθειαν ἄπρακτον εἶναι καὶ διὰ τὸ μέγεθος τοῦ πάθους καὶ τὴν ὀξύτητα τοῦ θανάτου: πεμπταῖοι γὰρ ἢ τὸ πλεῖστον ἐκταῖοι μετήλλαττον, δεινὰς ὑπομένοντες τιμωρίας, ὥσθ' ὑπὸ πάντων μακαρίζεσθαι τοὺς ἐν τῷ πολέμῳ τετελευτηκότας. [4] καὶ γὰρ οἱ τοῖς κάμνουσι παρεδρεύοντες ἐνέπιπτον εἰς τὴν νόσον ἅπαντες, ὥστε δεινὴν εἶναι τὴν συμφορὰν τῶν ἀρρωστούντων, μηδενὸς θέλοντος ὑπηρετεῖν τοῖς ἀτυχοῦσιν. οὐ γὰρ μόνον οἱ μηδὲν προσήκοντες ἀλλήλους ἐγκατέλειπον, ἀλλ' ἀδελφοὶ μὲν ἀδελφούς, φίλοι δὲ τοὺς συνήθεις ἠναγκάζοντο προῖεσθαι διὰ τὸν ὑπὲρ αὐτῶν φόβον. 72.

Διονύσιος δ' ἐπειδὴ τὴν περὶ Καρχηδονίους συμφορὰν ἤκουσεν, ὀγδοήκοντα μὲν ναῦς πληρώσας Φαρακίδα καὶ Λεπτίνη τοῖς ναυάρχοις ἐπέταξεν ἅμ' ἡμέρᾳ τὸν ἐπίπλουν ταῖς πολεμίαις ναυσὶ ποιήσασθαι, αὐτὸς δ' ἄσελῆνου τῆς νυκτὸς οὔσης περιήγαγε τὴν δύναμιν, καὶ περιελθὼν ἐπὶ τὸ τῆς Κυάνης ἱερὸν ἔλαθε τοὺς πολεμίους ἅμ' ἡμέρᾳ προσιὼν τῇ παρεμβολῇ. [2] τοὺς μὲν οὖν ἱππεῖς καὶ μισθοφόρων πεζοὺς χιλίους προαπέστειλεν εἰς τὸ πρὸς τὴν μεσόγειον ἀνατεῖνον μέρος τῆς τῶν Καρχηδονίων στρατοπεδείας. οὗτοι δ' ἦσαν οἱ μισθοφόροι τῷ Διονυσίῳ παρὰ πάντα ἄλλοτριώτατοι καὶ πλεονάκις στάσεις καὶ ταραχὰς ποιοῦντες. [3] διόπερ ὁ μὲν Διονύσιος τοῖς ἱππεῦσιν ἦν παρηγγελκῶς, ὅταν ἐξάπτωνται τῶν πολεμίων, φεύγειν καὶ τοὺς μισθοφόρους ἐγκαταλιπεῖν: ὧν ποιησάντων τὸ προσταχθὲν οὗτοι μὲν ἅπαντες κατεκόπησαν, ὁ δὲ Διονύσιος ἅμα τὴν τε παρεμβολὴν καὶ τὰ φρούρια πολιορκεῖν ἐπεχείρησε: καὶ τῶν βαρβάρων διὰ τὸ παράδοξον καταπεπληγμένων καὶ παραβοηθούτων τεταραγμένως, αὐτὸς μὲν φρούριον τὴν καλουμένην Πολίχναν εἴλε κατὰ κράτος, ἐκ δὲ θατέρου μέρους οἱ ἱππεῖς καὶ τινες τῶν τριήρων προσπλεύσασαι τὸ πρὸς τῷ Δάσκωνι χωρίον ἐξεπολιόρκησαν. [4] εὐθὺ δ' αἶ τε ναῦς ἅπασαι τὸν ἐπίπλουν ἐποιήσαντο, καὶ κατὰ τὰς τῶν φρουρίων ἀλώσεις ἐπαλαλάξαντος τοῦ στρατοπέδου περιδεεῖς οἱ βάρβαροι καθειστήκεισαν. ἐξ ἀρχῆς μὲν γὰρ ἐπὶ τὸ πεζὸν στράτευμα πάντες συνέδραμον, ἀμυνόμενοι τοὺς τὴν παρεμβολὴν πολιορκοῦντας: ὥς δὲ καὶ τὸν τῶν νεῶν ἐπίπλουν εἶδον, πάλιν ἐξεβοήθουν ἐπὶ τὸν ναύσταθμον: καταταχόμενοι δ' ὑπὸ τῆς ὀξύτητος τοῦ καιροῦ τὴν ἐαυτῶν σπουδὴν εἶχον ἄπρακτον. [5] ἔτι γὰρ αὐτῶν ἀναβαινόντων ἐπὶ τὰ καταστροφώματα καὶ πληρούντων τὰς τριήρεις, αἱ πολέμιοι ναῦς ταῖς εἰρεσίαις ἐλαυνόμεναι πλαγίαις ἐνέσειον πολλάκις. ἐκ μὲν οὖν μιᾶς ἐπικαίρου πληγῆς κατέδυν τὰς τιτρωσκομένας ναῦς: αἱ δὲ πλείοσιν ἐμβολαῖς ἀναρρήττουσαι τὰς συγγεγομφωμένας σανίδας δεινὴν ἐκπληξιν τοῖς ἀντιταττομένοις παρείχοντο. [6] πάντῃ δὲ τῶν ἐξοχωτάτων νεῶν θραυομένων, αἱ μὲν ἐκ τῶν ἐμβολῶν ἀναρρηττόμεναι λακίδες ἐξάσιον ἐποιοῦντο ψόφον, ὁ δὲ παρὰ τὴν μάχην παρήκων αἰγιαλὸς ἔγεμε νεκρῶν. 73. οἱ δὲ Συρακόσιοι τῷ προτερήματι

συμφιλοτιμούμενοι κατὰ πολλὴν σπουδὴν ἀλλήλους ἔφθανον ἐπιτηδῶντες ταῖς πολεμίαις ναυσί, καὶ τοὺς βαρβάρους καταπεπληγμένους τὸ μέγεθος τῆς περιστάσεως περιχυθέντες ἐφόνεον. [2] οὐ μὴν οὐδ' οἱ πεζῇ τῷ ναυστάθμῳ προσβάλλοντες ἐλείποντο τῆς τούτων σπουδῆς· ἐν οἷς συνέβαινε εἶναι καὶ αὐτὸν τὸν Διονύσιον, παριππευκότα πρὸς τὸ κατὰ Δάσκωνα μέρος. εὐρόντες γὰρ πεντηκοντόρους τετταράκοντα νενεωλκημένας, καὶ κατὰ τὸ συνεχὲς ναῦς παρορμούσας ὀλκάδας καὶ τινὰς τῶν τριήρων, πῦρ εἰς αὐτάς ἐνῆκαν. [3] ταχὺ δὲ τῆς φλογὸς εἰς ὕψος ἀρθείσης καὶ χεομένης ἐπὶ πολὺν τόπον ἐφλέγετο τὰ σκάφη, καὶ τῶν ἐμπόρων τε καὶ ναυκλήρων οὐδεὶς ἐδύνατο παραβοηθῆσαι διὰ τὸ πλῆθος τοῦ πυρός. ἐπιγενομένου δὲ μεγάλου πνεύματος ἐκ τῶν νενεωλκημένων σκαφῶν ἐφέρετο τὸ πῦρ ἐπὶ τὰς ὀρμούσας ὀλκάδας. [4] τῶν δ' ἀνδρῶν ἐκκολυμβώντων διὰ τὸν ἀπὸ τῆς πνιγὸς φόβον, καὶ τῶν ἀγκυρίων ἀποκαιομένων, διὰ τὸν κλύδωνα συνέκρουον αἱ ναῦς, καὶ τινὲς μὲν ὑπ' ἀλλήλων συντριβόμεναι διεφθείροντο, τινὲς δὲ ὑπὸ τοῦ πνεύματος ὠθούμεναι, αἱ πλείσται δ' ὑπὸ τοῦ πυρός ἀπώλλυντο. [5] ἔνθα δὴ τῶν φορτηγῶν πλοίων ἀναφερομένης τῆς φλογὸς διὰ τῶν ιστίων καὶ τὰς κεραίας καταφλεγούσης, τοῖς ἐκ τῆς πόλεως θεατρικὴν συνέβαινε γίνεσθαι τὴν θέαν καὶ τοῖς δι' ἀσέβειαν κεραυνωθεῖσι φαίνεσθαι παραπλησίαν τὴν ἀπώλειαν τῶν βαρβάρων. 74. διόπερ τοῖς εὐτυχήμασι μετεωριζόμενοι τὰ πορθμεῖα συνεπλήρουν οἱ τε πρεσβύτατοι τῶν παίδων καὶ τῶν παρηκμακότων ταῖς ἡλικίαις οἱ μὴ τελείως ὑπὸ τοῦ γήρως καταπονούμενοι· πρὸς δὲ τὰς κατὰ τὸν λιμένα ναῦς ὡς ἔτυχε προσπλέοντες ἄθροοι, τὰς μὲν προδιεφθαρμένας ὑπὸ τοῦ πυρός διήρπαζον, ἐκλέγοντες τῶν χρησίμων τὰ δυνάμενα βοηθείας τυχεῖν, τὰς δ' ἄκεραίους ἐξαπτόμενοι κατήγον εἰς τὴν πόλιν. [2] οὕτως οὐδὲ οἱ τῶν κατὰ πόλεμον ἀφιέμενοι διὰ τὰς ἡλικίας καρτερεῖν ἐδύναντο, διὰ δὲ τὴν ὑπερβολὴν τῆς χαρᾶς ἢ φιλοτιμία τῆς ψυχῆς κατίσχυε τὴν ἡλικίαν. τοῦ δὲ περὶ τὴν νίκην λόγου διαρρυέντος κατὰ τὴν πόλιν, τὰς οἰκίας ἐξέλειπον ὁμοῦ τοῖς οἰκέταις παῖδες καὶ γυναῖκες, καὶ πάντων σπευδόντων ἐπὶ τὰ τεῖχη πᾶς τόπος ἔγεμε τῶν θεωμένων. [3] τούτων δ' οἱ μὲν εἰς τὸν οὐρανὸν τὰς χεῖρας ἐκτείναντες εὐχαρίστουν τοῖς θεοῖς, οἱ δὲ τῆς τῶν ἱερῶν συλήσεως ἔφασαν εἰληφέναι τοὺς βαρβάρους τὴν παρὰ τοῦ δαιμονίου τιμωρίαν. [4] ἐφαίνετο γὰρ διὰ μακροῦ θεομαχίᾳ παραπλήσιος ἢ θεᾶ, τοσούτων μὲν νεῶν πυρπολουμένων, τῆς δὲ φλογὸς διὰ τῶν ιστίων εἰς ὕψος ἀναφερομένης, καὶ τῶν μὲν Ἑλλήνων καθ' ἕκαστον τῶν προτερημάτων ἐπισημαιομένων ἐξαισίῳ βοῇ, τῶν δὲ βαρβάρων διὰ τὴν ἐκπληξιν τοῦ δεινοῦ πολὺν θόρυβον καὶ κραυγὴν σύμμικτον ποιοούντων. [5]

οὐ μὴν ἀλλὰ τότε μὲν τῆς νυκτὸς ἐπιγενομένης ἡ μάχη διελύθη, καὶ Διονύσιος ἐπεστρατοπέδευσε τοῖς βαρβάροις πρὸς τὸ τοῦ Διὸς ἱερὸν παρεμβολὴν ποιησάμενος. 75. οἱ δὲ Καρχηδόνιοι κατὰ γῆν ἅμα καὶ κατὰ θάλατταν ἡττημένοι διεπρεσβεύσαντο πρὸς Διονύσιον λάθρα τῶν Συρακοσίων· ἡξίουσαν αὐτὸν ἀφιέναι τοὺς περιλειπομένους εἰς Λιβύην διακομισθῆναι, καὶ τὰ κατὰ τὴν παρεμβολὴν αὐτοῖς ὄντα τριακόσια τάλαντα δώσειν ἐπηγγέλλοντο. [2] ὁ δὲ Διονύσιος ἅπαντας μὲν ἀδύνατον εἶναι φυγεῖν ἀπεφαίνετο, τοὺς δὲ πολιτικούς συνεχώρησε μόνους νυκτὸς ἀπελθεῖν λάθρα

κατὰ θάλατταν· ἦδει γὰρ τοὺς Συρακοσίους καὶ τοὺς συμμάχους οὐκ ἐπιτρέποντας αὐτῷ περὶ τούτων συγχωρεῖν τοῖς πολεμίοις. [3] ταῦτα δ' ἔπραττεν ὁ Διονύσιος οὐ βουλόμενος τελείως ἀπολέσθαι τὴν τῶν Καρχηδονίων δύναμιν, ὅπως οἱ Συρακόσιοι διὰ τὸν ἀπὸ τούτων φόβον μηδέποτε σχολὴν λάβωσιν ἀντέχεσθαι τῆς ἐλευθερίας. ὁ μὲν οὖν Διονύσιος συνθέμενος εἰς ἡμέραν τετάρτην ὑπὸ νύκτα τὴν φυγὴν τοῖς Καρχηδονίοις, τὸ στρατόπεδον ἀπήγαγεν εἰς τὴν πόλιν· [4] ὁ δ' Ἴμιλκων νυκτὸς παρακομίσας εἰς τὴν ἀκρόπολιν τὰ τριακόσια τάλαντα παρέδωκε τοῖς ἐν τῇ Νήσῳ τεταγμένοις ὑπὸ τοῦ τυράννου, αὐτὸς δ', ἐπεὶ παρὴν ὁ συγκείμενος χρόνος, νυκτὸς ἐπλήρωσε τετταράκοντα τριῆρεις τῶν πολιτικῶν, καὶ καταλιπὼν τὸ λοιπὸν ἅπαν στρατόπεδον ὥρμησε φεύγειν. [5] ἤδη δ' αὐτοῦ τὸν λιμένα διεκπεπλευκὸς ἦσθοντό τινες τῶν Κορινθίων τὸν δρασμόν, καὶ ταχέως ἀπήγγειλαν τῷ Διονυσίῳ. τοῦ δὲ τοὺς στρατιώτας τε καλοῦντος εἰς τὰ ὅπλα καὶ κατὰ σχολὴν τοὺς ἡγεμόνας ἀθροίζοντος, οὐκ ἀνέμειναν αὐτὸν οἱ Κορίνθιοι, ταχὺ δ' ἀναχθέντες ἐπὶ τοὺς Καρχηδονίους καὶ πρὸς ἀλλήλους ἐν ταῖς εἰρεσίαις φιλοτιμούμενοι τὰς ἐσχάτας Φοινίσσας ναῦς κατέλαβον, ἃς τοῖς ἐμβόλοις συντρίψαντες κατέδυσαν. [6] μετὰ δὲ ταῦτα Διονύσιος μὲν ἐξήγαγε τὴν δύναμιν, οἱ δὲ συμμαχοῦντες τοῖς Καρχηδονίοις Σικελοὶ φθάσαντες τοὺς Συρακοσίους ἔφυγον διὰ τῆς μεσογείου, καὶ σχεδὸν πάντες διεσώθησαν εἰς τὰς πατρίδας. [7] καὶ Διονύσιος μὲν τὰς ὁδοὺς διαλαβὼν φυλακαῖς ἀπήγαγε τὴν δύναμιν ἐπὶ τὴν τῶν πολεμίων στρατοπεδεῖαν ἔτι νυκτὸς οὔσης· οἱ δὲ βάρβαροι καταλειφθέντες ὑπὸ τε τοῦ στρατηγοῦ καὶ τῶν Καρχηδονίων, ἔτι δὲ τῶν Σικελῶν, ἠθύμησαν καὶ καταπλαγέντες ἔφευγον. [8] οἱ μὲν ἐν ταῖς ὁδοῖς καὶ ταῖς προφυλακαῖς ἐμπίπτοντες συνελαμβάνοντο, οἱ δὲ πλεῖστοι τὰ ὅπλα ριπτοῦντες συνήντων, δεόμενοι φείσασθαι τοῦ βίου· μόνοι δὲ Ἴβηρες ἠθροισμένοι μετὰ τῶν ὅπλων ἐπεκηρυκεύοντο περὶ συμμαχίας. [9] Διονύσιος δὲ πρὸς μὲν τούτους σπεισάμενος κατέταξε τοὺς Ἴβηρας εἰς τοὺς μισθοφόρους, τὸ δὲ λοιπὸν πλῆθος ἐξώγηρε καὶ τὴν λοιπὴν ἀποσκευὴν ἐφῆκε τοῖς στρατιώταις διαρπάσαι. 76.

οὕτως μὲν οὖν τοῖς Καρχηδονίοις ἡ τύχη ταχεῖαν τὴν μεταβολὴν ἐποίησε, καὶ πᾶσιν ἀνθρώποις ἔδειξεν, ὥς οἱ μεῖζον τοῦ καθήκοντος ἐπαίρομενοι ταχέως ἐξελέγχουσι τὴν ἰδίαν ἀσθένειαν. [2] ἐκεῖνοι γὰρ τῶν κατὰ Σικελίαν πόλεων σχεδὸν ἀπασῶν πλὴν Συρακουσῶν κρατοῦντες, καὶ ταύτην ἀλώσεσθαι προσδοκῶντες, ἐξαίφνης ὑπὲρ τῆς ἰδίας πατρίδος ἀγωνιᾶν ἠναγκάσθησαν, καὶ τοὺς τάφους τῶν Συρακοσίων ἀνατρέψαντες πεντεκαίδεκα μυριάδας ἐπέιδον ἀτάφους διὰ τὸν λοιμὸν σεσωρευμένους, πυρπολήσαντες δὲ τὴν χώραν τῶν Συρακοσίων ἐκ μεταβολῆς εὐθὺς εἶδον τὸν ἴδιον στόλον ἐμπυρισθέντα, εἰς δὲ τὸν λιμένα πάσῃ τῇ δυνάμει καταπλέοντες ὑπερηφάνως, καὶ τοῖς Συρακοσίοις ἐπιδεικνύμενοι τὰς ἑαυτῶν εὐτυχίας, ἡγνόουν ἑαυτοὺς μέλλοντας νυκτὸς ἀποδράσεσθαι καὶ τοὺς συμμάχους ἐκδότους καταλιπεῖν τοῖς πολεμίοις. [3] αὐτὸς δὲ ὁ στρατηγὸς ὁ ποιησάμενος σκηνὴν μὲν τὸ τοῦ Διὸς ἱερόν, πρόσοδον δὲ τὸν ἐκ τῶν ἱερῶν συληθέντα πλοῦτον, αἰσchrῶς μετ' ὀλίγων εἰς Καρχηδόνα διέφυγεν, ὅπως μὴ τὸν ὀφειλόμενον τῇ φύσει θάνατον ἀποδοὺς ἄθῳς γένηται τῶν ἀσεβημάτων,

ἀλλ' ἐν τῇ πατρίδι περιβόητον ἔχη τὸν βίον ὑπὸ πάντων ὀνειδιζόμενος. [4] εἰς τοσοῦτο δ' ἦλθεν ἀτυχίας, ὥστε μετὰ τῆς εὐτελεστάτης ἐσθῆτος περιήει τοὺς κατὰ τὴν πόλιν ναοὺς κατηγορῶν τῆς ἰδίας ἀσεβείας καὶ περὶ τῶν εἰς θεοὺς ἁμαρτημάτων ὁμολογουμένην διδοὺς τιμωρίαν τῷ δαιμονίῳ. τὸ δὲ τέλος ἑαυτοῦ καταγνοὺς θάνατον ἀπεκαρτέρησε, πολλὴν τοῖς πολίταις ἀπολιπὼν δεισிடαιμονίαν: εὐθὺ γὰρ καὶ τᾶλλα τὰ πρὸς τὸν πόλεμον αὐτοῖς ἢ τύχη συνήθροισεν. 77.

τῆς γὰρ συμφορᾶς διακηρυχθείσης κατὰ τὴν Λιβύην, οἱ σύμμαχοι καὶ πάλαι μὲν μισοῦντες τὸ βάρος τῆς τῶν Καρχηδονίων ἡγεμονίας, τότε δὲ διὰ τὴν τῶν στρατιωτῶν ἐν Συρακούσαις προδοσίαν πολὺ μᾶλλον ἐξέκαυσαν τὸ κατ' αὐτῶν μῖσος. [2] διόπερ ἅμα μὲν ὑπὸ τῆς ὀργῆς προαχθέντες, ἅμα δὲ καταφρονήσαντες αὐτῶν διὰ τὴν ἀτυχίαν, ἀντείχοντο τῆς ἐλευθερίας. διαπρεσβευσάμενοι δὲ πρὸς ἀλλήλους ἤθροισαν δύναμιν, καὶ προελθόντες ἐν ὑπαίθρῳ κατεστρατοπέδευσαν. [3] ταχὺ δ' οὐ μόνον ἐλευθέρων, ἀλλὰ καὶ δούλων συντρεχόντων, ἐν ὀλίγῳ χρόνῳ μυριάδες εἴκοσι συνηθροίσθησαν. καταλαβόμενοι δὲ Τύνητα, πόλιν οὐ μακρὰν τῆς Καρχηδόνης κειμένην, ἐκ ταύτης παρετάττοντο, καὶ πλεονεκτοῦντες ἐν ταῖς μάχαις τειχῆρεις τοὺς Φοίνικας συνεῖχον. [4] οἱ δὲ Καρχηδόνιοι φανερώς ὑπὸ τῶν θεῶν πολεμοῦμενοι, τὸ μὲν πρῶτον κατ' ὀλίγους ξυνιόντες ἐξεταράττοντο καὶ τὸ δαιμόνιον ἰκέτευον λῆξαι τῆς ὀργῆς: μετὰ δὲ ταῦτα πᾶσαν τὴν πόλιν δεισிடαιμονία κατέσχε καὶ δέος, ἐκάστου τὸν τῆς πόλεως ἀνδραποδισμόν τῇ διανοίᾳ προλαμβάνοντος. διόπερ ἐψηφίσαντο παντὶ τρόπῳ τοὺς ἀσεβηθέντας θεοὺς ἐξιλιάσασθαι. [5] οὐ παρειληφότες δ' ἐν τοῖς ἱεροῖς οὔτε Κόρην οὔτε Δήμητρα, τούτων ἱερεῖς τοὺς ἐπισημοτάτους τῶν πολιτῶν κατέστησαν, καὶ μετὰ πάσης σεμνότητος τὰς θεὰς ἰδρυσάμενοι τὰς θυσίας τοῖς τῶν Ἑλλήνων ἤθεσιν ἐποιοῦν, καὶ τῶν παρ' αὐτοῖς ὄντων Ἑλλήνων τοὺς χαριεστάτους ἐπιλέξαντες ἐπὶ τὴν τῶν θεῶν θεραπείαν ἔταξαν. μετὰ δὲ ταῦτα ναῦς τε κατεσκεύαζον καὶ τὰ πρὸς τὸν πόλεμον ἐπιμελῶς ἡτοίμαζον. [6] οἱ δ' ἀποστάται μιγάδες ὄντες οὐθ' ἡγεμόνας ἀξιοχρέους εἶχον, τὸ δὲ μέγιστον, αὐτοῖς μὲν διὰ τὸ πλῆθος ἐξέλειπον αἱ τροφαί, τοῖς δὲ Καρχηδονίοις κατὰ θάλατταν ἐκ Σαρδοῦς παρεκομίζοντο, καὶ πρὸς ἀλλήλους ἐστασίαζον περὶ τῆς ἡγεμονίας, καὶ τινες αὐτῶν χρήμασιν ὑπὸ Καρχηδονίων διαφθαρέντες ἐγκατέλειπον τὰς κοινὰς ἐλπίδας. ὅθεν διὰ τε τὴν σπάνιν τῆς τροφῆς καὶ τινων προδοσίαν, οὗτοι μὲν διαλυθέντες εἰς τὰς πατρίδας ἀπήλλαξαν τοῦ μεγίστου φόβου Καρχηδονίους. καὶ τὰ μὲν κατὰ Λιβύην ἐν τούτοις ἦν. 78.

Διονύσιος δὲ θεωρῶν τοὺς μισθοφόρους ἄλλοτριώτατα πρὸς αὐτὸν ἔχοντας, καὶ φοβούμενος μὴ διὰ τούτων καταλυθῇ, τὸ μὲν πρῶτον Ἀριστοτέλην τὸν ἀφηγούμενον αὐτῶν συνέλαβε, [2] μετὰ δὲ ταῦτα τοῦ πλήθους συντρέχοντος μετὰ τῶν ὄπλων καὶ τοὺς μισθοὺς πικρότερον ἀπαιτούντων, τὸν μὲν Ἀριστοτέλην ἔφησεν ἀποστέλλειν εἰς Λακεδαιμόνα κρίσιν ἐν τοῖς ἰδίοις πολίταις ὑφέξοντα, τοῖς δὲ μισθοφόροις ὡς μυρίοις οὔσι τὸν ἀριθμὸν ἔδωκεν ἐν τοῖς μισθοῖς τὴν τῶν Λεοντίνων πόλιν τε καὶ χώραν. [3] ἀσμένως δ' αὐτῶν ὑπακουσάντων διὰ τὸ κάλλος τῆς χώρας, οὗτοι μὲν κατακληρονομήσαντες ὥκουν ἐν Λεοντίνοις, ὁ δὲ Διονύσιος ἄλλους

μισθοφόρους ξενολογήσας, τούτοις τε καὶ τοῖς ἡλευθερωμένοις οἰκέταις ἐνεπίστευσε τὴν ἀρχήν. [4]

μετὰ δὲ τὴν τῶν Καρχηδονίων συμφορὰν οἱ διασωζόμενοι τῶν ἐξηνδραποδισμένων κατὰ Σικελίαν πόλεων ἡθροίζοντο, καὶ τὰς ἰδίας κομιζόμενοι πατρίδας ἑαυτοὺς ἀνελάμβανον. [5] Διονύσιος δ' εἰς Μεσσήνην κατώκισε χιλίους μὲν Λοκρούς, τετρακισχιλίους δὲ Μεδμαίους, ἑξακοσίους δὲ τῶν ἐκ Πελοποννήσου Μεσσηνίων, ἕκ τε Ζακύνθου καὶ Ναυπάκτου φευγόντων. θεωρῶν δὲ τοὺς Λακεδαιμονίους προσκόπτοντας ἐπὶ τῇ τοὺς ὕφ' ἑαυτῶν ἐκβεβλημένους Μεσσηνίους ἐν ἐπισήμῳ πόλει κατοικίζεσθαι, μετήγαγεν ἐκ Μεσσήνης αὐτοὺς, καὶ χωρίον τι παρὰ θάλατταν δοὺς τῆς Ἀβακαινίνης χώρας ἀπετέμετο καὶ προσώρισεν ὅσον αὐτὸς μέρος ἀπετέμετο. [6] οἱ δὲ Μεσσήνιοι τὴν μὲν πόλιν ὠνόμασαν Τυνδαρίδα, πολιτευόμενοι δὲ πρὸς αὐτοὺς εὐνοϊκῶς καὶ πολλοὺς πολιτογραφοῦντες ταχὺ πλείους πεντακισχιλίων ἐγένοντο. [7]

μετὰ δὲ ταῦτα εἰς τὴν τῶν Σικελῶν χώραν πλεονάκις στρατεύσας Μέναινον μὲν καὶ Μοργαντῖνον εἴλε, πρὸς Ἀγυριν δὲ τὸν Ἀγυριναίων τύραννον καὶ Δάμωνα τὸν δυναστεύοντα Κεντοριπίνων, ἔτι δ' Ἑρβιταίους τε καὶ Ἀσσωρίνους συνθήκας ἐποίησατο· παρέλαβε δὲ διὰ προδοσίας Κεφαλοίδιον καὶ Σολοῦντα καὶ τὴν Ἑνναν· πρὸς δὲ τούτοις πρὸς Ἑρβησσίνους εἰρήνην ἐποίησατο. καὶ τὰ μὲν κατὰ Σικελίαν ἐν τούτοις ἦν. 79.

κατὰ δὲ τὴν Ἑλλάδα Λακεδαιμόνιοι προορώμενοι τὸ μέγεθος τοῦ πρὸς Πέρσας πολέμου, τὸν ἕτερον τῶν βασιλέων Ἀγησίλαον ἐπέστησαν τοῖς πράγμασιν. οὗτος δ' ἐξακισχιλίους στρατιώτας ἐπιλέξας, τριάκοντα δὲ τῶν πολιτῶν εἰς τὸ συνέδριον τοὺς ἀρίστους κατατάξας, διεβίβασε τὴν δύναμιν ἐκ τῆς Αὐλίδος εἰς Ἑφεσον. [2] ἐκεῖ δὲ στρατολογήσας τετρακισχιλίους, προήγαγε τὴν δύναμιν εἰς ὕπαιθρον, οὗσαν πεζῶν μὲν μυρίων, ἰππέων δὲ τετρακοσίων· ἠκολούθει δ' ἀγοραῖος αὐτοῖς ὄχλος καὶ τῆς ἀρπαγῆς χάριν οὐκ ἐλάττων τοῦ προειρημένου. [3] διεξιὼν δὲ τὸ Καῦστριον πεδίον, διέφθειρε τὴν χώραν τὴν ὑπὸ τοὺς Πέρσας οὖσαν, μέχρι ὅτου κατήντησεν εἰς Κύμην. ἐκεῖθεν δ' ὀρμηθεὶς τὸ πλεῖστον τοῦ θέρους τὴν τε Φρυγίαν καὶ τὰ συνεχῇ διετέλεσε πορθῶν, καὶ τὴν δύναμιν ἐμπλήσας ὠφελείας ὑπὸ τὸ φθινόπωρον ἀνέκαμψεν εἰς Ἑφεσον. [4] τούτων δὲ πραττομένων Λακεδαιμόνιοι μὲν πρέσβεις ἀπέστειλαν πρὸς Νεφερέα τὸν Αἰγύπτου βασιλέα περὶ συμμαχίας, ὃς ἀντὶ τῆς βοηθείας ἐδωρήσατο σκευὴν τοῖς Σπαρτιάταις ἑκατὸν τριήρεσι, σίτου δὲ μυριάδας πεντήκοντα. Φάραξ δὲ ὁ τῶν Λακεδαιμονίων ναύαρχος ἀναχθεὶς ἐκ Ῥόδου ναυσὶν ἑκατὸν εἴκοσι κατέπλευσε τῆς Καρίας πρὸς Σάσανδα, φρούριον ἀπέχον τῆς Καύνου σταδίου ἑκατὸν πεντήκοντα. [5] ἐκεῖθεν δὲ ὀρμώμενος ἐπολιόρκει τὴν Καῦνον, καὶ Κόνωνα μὲν τὸν τοῦ βασιλικοῦ στόλου τὴν ἡγεμονίαν ἔχοντα, διατρίβοντα δ' ἐν Καύνῳ μετὰ νεῶν τεσσαράκοντα. Ἀρταφέρνης δὲ καὶ Φαρναβάζου μετὰ πολλῆς δυνάμεως παραβοηθήσαντος τοῖς Καυνίοις, ὁ Φάραξ ἔλυσεν τὴν πολιορκίαν καὶ μετὰ τοῦ στόλου παντὸς ἀπῆρεν εἰς Ῥόδον. [6] μετὰ δὲ ταῦτα Κόνων μὲν ἀθροίσας ὀγδοήκοντα τριήρεις ἔπλευσεν εἰς Χερρόνησον, Ῥόδιοι δ' ἐκβαλόντες τὸν τῶν Πελοποννησίων στόλον ἀπέστησαν ἀπὸ Λακεδαιμονίων, καὶ τὸν Κόνωνα

προσεδέξαντο μετὰ τοῦ στόλου παντὸς εἰς τὴν πόλιν. [7] οἱ δ' ἐκ τῆς Αἰγύπτου τὸν δωρηθέντα σῖτον κατακομίζοντες Λακεδαιμόνιοι τὴν ἀπόστασιν τῶν Ῥοδίων ἀγνοοῦντες τεθαρρηκότες προσέπλεον τῇ νήσῳ: Ῥόδιοι δὲ καὶ Κόνων ὁ τῶν Περσῶν ναύαρχος καταγαγόντες τὰς ναῦς εἰς τοὺς λιμένας ἐπλήρωσαν σίτου τὴν πόλιν. [8] παρεγενήθησαν δὲ τῷ Κόνωνι τριῆρεις ἐνενήκοντα, δέκα μὲν ἀπὸ Κιλικίας, ὀγδοήκοντα δ' ἀπὸ Φοινίκης, ὧν ὁ Σιδωνίων δυνάστης εἶχε τὴν ἡγεμονίαν. 80.

μετὰ δὲ ταῦτα Ἀγησίλαος μὲν ἐξαγαγὼν τὴν δύναμιν εἰς τὸ Καῦστρου πεδῖον καὶ τὴν περὶ Σίπυλον χώραν, ἐδήλωσε τὰς τῶν ἐγγχωρίων κτήσεις: Τισσαφέρνης δὲ μυρίους μὲν ἵππεις, πεντακισμυρίους δὲ πεζοὺς ἀθροίσας, ἐπηκολούθει τοῖς Λακεδαιμονίοις καὶ τοὺς ἀποσπωμένους τῆς τάξεως ἐν ταῖς προνομαῖς ἀνήρει. Ἀγησίλαος δὲ εἰς πλινθίον συντάξας τοὺς στρατιώτας ἀντείχετο τῆς παρὰ τὸν Σίπυλον παρωρείας, ἐπιτηρῶν καιρὸν εὐθετον εἰς τὴν τῶν πολεμίων ἐπίθεσιν. [2] ἐπελθὼν δὲ τὴν χώραν μέχρι Σάρδεων ἔφθειρε τοὺς τε κήπους καὶ τὸν παράδεισον τὸν Τισσαφέρνους, φυτοῖς καὶ τοῖς ἄλλοις πολυτελῶς πεφιλοτεχνημένον εἰς τρυφὴν καὶ τὴν ἐν εἰρήνῃ τῶν ἀγαθῶν ἀπόλαυσιν. μετὰ δὲ ταῦτ' ἐπιστρέψας, ὥς ἀνὰ μέσον ἐγενήθη τῶν τε Σάρδεων καὶ Θυβάρνων, ἀπέστειλε Ξενοκλέα τὸν Σπαρτιάτην μετὰ χιλίων καὶ τετρακοσίων στρατιωτῶν νυκτὸς εἰς τινα δασὺν τόπον, ὅπως ἐνεδρεύσῃ τοὺς βαρβάρους. [3] αὐτὸς δ' ἅμ' ἡμέρᾳ πορευόμενος μετὰ τῆς δυνάμεως, ἐπειδὴ τὴν μὲν ἐνέδραν παρήλλαξεν, οἱ δὲ βάρβαροι προσπίπτοντες ἀτάκτως τοῖς ἐπὶ τῆς οὐραγίας ἐξήπτοντο, παραδόξως ἐξαίφνης ἐπέστρεψεν ἐπὶ τοὺς Πέρσας. γενομένης δὲ καρτερᾶς μάχης, καὶ τοῦ συσσήμου τοῖς κατὰ τὴν ἐνέδραν οὖσιν ἄρθέντος, ἐκεῖνοι μὲν παιανίσαντες ἐπεφέροντο τοῖς πολεμίοις, οἱ δὲ Πέρσαι θεωροῦντες αὐτοὺς ἀπολαμβανομένους εἰς μέσον κατεπλάγησαν καὶ παραχρῆμα ἔφευγον. [4] οἱ δὲ περὶ τὸν Ἀγησίλαον μέχρι μὲν τινος ἐπιδιώξαντες ἀνεῖλαν μὲν ὑπὲρ τοὺς ἐξακισχιλίους, αἰχμαλώτων δὲ πολὺ πλῆθος ἤθροισαν, τὴν δὲ παρεμβολὴν διήρπασαν, γέμουσαν πολλῶν ἀγαθῶν. [5] ἀπὸ δὲ τῆς μάχης Τισσαφέρνης μὲν εἰς Σάρδεις ἀπεχώρησε καταπεπληγμένος τὴν τόλμαν τῶν Λακεδαιμονίων, Ἀγησίλαος δ' ἐπεχείρησε μὲν εἰς τὰς ἄνω σατραπείας, ἐν δὲ τοῖς ἱεροῖς οὐ δυνάμενος καλλιερῆσαι πάλιν ἀπήγαγε τὴν δύναμιν ἐπὶ θάλατταν. [6] Ἀρταξέρξης δὲ ὁ τῆς Ἀσίας βασιλεὺς τὰ τε ἐλαττώματα πυθόμενος καὶ κατορρωδῶν τὸν πρὸς τοὺς Ἕλληνας πόλεμον, δι' ὀργῆς εἶχε τὸν Τισσαφέρνην. τοῦτον γὰρ αἴτιον τοῦ πολέμου γεγονέναι ὑπελάμβανε: καὶ ὑπὸ τῆς μητρὸς δὲ Παρυσάτιδος ἦν ἡξιωμένος τιμωρῆσασθαι τὸν Τισσαφέρνην: εἶχε γὰρ αὕτη διαφόρως πρὸς αὐτὸν ἐκ τοῦ διαβεβληκέναι τὸν υἱὸν αὐτῆς Κῦρον, ὅτε τὴν ἐπὶ τὸν ἀδελφὸν στρατείαν ἐποιεῖτο. [7] καταστήσας οὖν Τιθραύστην ἡγεμόνα, τούτῳ μὲν παρήγγειλε συλλαμβάνειν Τισσαφέρνην, πρὸς δὲ τὰς πόλεις καὶ τοὺς σατράπας ἔπεμψεν ἐπιστολάς ὅπως πάντες τούτῳ ποιῶσι τὸ προσταττόμενον. [8] ὁ δὲ Τιθραύστης παραγενόμενος εἰς Κολοσσάς τῆς Φρυγίας συνέλαβε τὸν Τισσαφέρνην διὰ τινος Ἀριαίου σατράπου λουόμενον, καὶ τὴν κεφαλὴν ἀποκόψας ἀπέστειλε πρὸς τὸν βασιλέα: αὐτὸς δὲ τὸν Ἀγησίλαον πείσας εἰς λόγους ἐλθεῖν ἐξαμηνιαίους ἀνοχὰς ἐποιήσατο. 81.

τῶν δὲ κατὰ τὴν Ἀσίαν τοῦτον τὸν τρόπον διωκημένων, Φωκεῖς πρὸς Βοιωτοὺς ἔκ τινων ἐγκλημάτων εἰς πόλεμον καταστάντες ἔπεισαν τοὺς Λακεδαιμονίους συμμαχεῖν κατὰ τῶν Βοιωτῶν. καὶ τὸ μὲν πρῶτον αὐτοῖς ἀπέστειλαν Λύσανδρον μετὰ στρατιωτῶν ὀλίγων, ὃς εἰσελθὼν εἰς τὴν Φωκίδα συνήγαγε δύναμιν· μετὰ δὲ ταῦτα καὶ Πausanίας ὁ βασιλεὺς ἐξεπέμφθη μετὰ στρατιωτῶν ἑξακισχιλίων. [2] Βοιωτοὶ δὲ πείσαντες Ἀθηναίους συνεπιλαβέσθαι τοῦ πολέμου, τότε μὲν καθ' αὐτοὺς ὥρμησαν, καὶ κατέλαβον Ἀλάρτον ὑπὸ Λυσάνδρου καὶ Φωκέων πολιορκουμένην. γενομένης δὲ μάχης ὃ τε Λύσανδρος ἔπεσε καὶ τῶν Λακεδαιμονίων καὶ τῶν συμμάχων πολλοί, τῶν δὲ Βοιωτῶν ἡ μὲν ὅλη φάλαγξ ταχέως ἐπέστρεψεν ἀπὸ τοῦ διωγμοῦ, τῶν δὲ Θηβαίων ὡς διακόσιοι προχειρότερον εἰς τόπους τραχεῖς ἑαυτοὺς δόντες ἀνῆρέθησαν. [3] ὁ μὲν οὖν πόλεμος οὗτος ἐκλήθη Βοιωτικός, Πausanίας δὲ ὁ τῶν Λακεδαιμονίων βασιλεὺς πυθόμενος τὴν ἥτταν ἀνοχὰς ἐποίησατο πρὸς Βοιωτοὺς καὶ τὴν δύναμιν ἀπήγαγε πρὸς Πελοπόννησον. [4]

Κόνων δ' ὁ τῶν Περσῶν ναύαρχος ἐπὶ μὲν τοῦ στόλου κατέστησεν Ἰερώνυμον καὶ Νικόδημον Ἀθηναίους ὄντας, αὐτὸς δὲ σπεύδων ἐντυχεῖν τῷ βασιλεῖ παρέπλευσεν εἰς Κιλικίαν, κάκεῖθεν εἰς Θάψακον τῆς Συρίας πορευθεὶς ἀνὰ τὸν Εὐφράτην ποταμὸν ἔπλευσεν εἰς Βαβυλῶνα. [5] ἐκεῖ δ' ἐντυχὼν τῷ βασιλεῖ καταναυμαχήσῃν ἐπηγγείλατο τοὺς Λακεδαιμονίους, ἂν αὐτῷ χρήματα καὶ τὴν ἄλλην παρασκευὴν ἐτοιμάσῃ κατὰ τὴν ἑαυτοῦ προαίρεσιν. [6] ὁ δ' Ἀρταξέρξης ἐπαινέσας αὐτὸν καὶ δωρεαῖς μεγάλαις τιμήσας, συνέστησε ταμίαν τὸν χορηγήσοντα χρημάτων πλῆθος ὅσον ἂν προστάτῃ Κόνων, καὶ τὴν ἐξουσίαν ἔδωκεν αὐτῷ λαβεῖν εἰς τὸν πόλεμον συνηγησόμενον ὃν ἂν προαιρῆται Περσῶν. Κόνων μὲν οὖν Φαρνάβαζον ἐλόμενος τὸν σατράπην κατέβαινεν εἰς τὴν θάλατταν, ἅπαντα διωκτικῶς κατὰ τὴν ἑαυτοῦ διάνοιαν. 82.

τοῦ δ' ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν τὴν ἀρχὴν ἔλαβε Διόφαντος, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων ἕξ χιλίαρχοι τὴν ὑπατικὴν ἀρχὴν διώκουν, Λεύκιος Οὐαλέριος, Μάρκος Φούριος, Κόιντος Σερουίλιος, Κόιντος Σουλπίκιος. τούτων δὲ τὴν ἀρχὴν παρειληφότες Βοιωτοὶ καὶ Ἀθηναῖοι, πρὸς δὲ τούτοις Κορίνθιοι καὶ Ἀργεῖοι, συμμαχίαν πρὸς ἀλλήλους ἐποίησαντο. [2] μισουμένων γὰρ τῶν Λακεδαιμονίων ὑπὸ τῶν συμμάχων διὰ τὸ βάρος τῆς ἐπιστασίας, ὧντο ῥαδίως καταλύσειν αὐτῶν τὴν ἡγεμονίαν, τὰς μεγίστας πόλεις συμφρονούσας ἔχοντες. καὶ πρῶτον μὲν συνέδριον κοινὸν ἐν τῇ Κορίνθῳ συστησάμενοι τοὺς βουλευσομένους ἔπεμπον καὶ κοινῶς διώκουν τὰ κατὰ τὸν πόλεμον, μετὰ δὲ ταῦτα πρέσβεις εἰς τὰς πόλεις ἀποστέλλοντες πολλοὺς συμμάχους ἀπὸ Λακεδαιμονίων ἀπέστησαν· [3] εὐθὺ γὰρ αὐτοῖς ἡ τε Εὐβοία ἅπασα προσέθετο καὶ Λευκάδιοι, πρὸς δὲ τούτοις Ἀκαρνανεὺς τε καὶ Ἀμβρακιῶται καὶ Χαλκιδεῖς οἱ πρὸς τῇ Θράκῃ. [4] ἐπεβάλοντο δὲ καὶ τοὺς ἐν Πελοποννήσῳ κατοικοῦντας πείθειν ἀποστήναι Λακεδαιμονίων, οὐδεὶς δ' αὐτοῖς ὑπήκουσεν· ἡ γὰρ Σπάρτη κατὰ τὰ πλευρὰ κειμένη καθαπερεὶ τις ἀκρόπολις ἦν καὶ φρουρὰ πάσης Πελοποννήσου. [5] Μηδίου δὲ τοῦ τῆς Λαρίσσης τῆς ἐν Θετταλίᾳ δυναστεύοντος διαπολεμοῦντος πρὸς Λυκόφρονα τὸν Φερῶν τύραννον, καὶ δεομένου πέμψαι βοήθειαν, ἀπέστειλεν αὐτῷ τὸ

συνέδριον στρατιώτας δισχιλίους: [6] ὁ δὲ Μήδιος τῆς συμμαχίας αὐτῷ παραγενομένης Φάρσαλον εἶλεν ὑπὸ Λακεδαιμονίων φρουρουμένην καὶ τοὺς ἐν αὐτῇ κατοικοῦντας ἐλαφυροπώλησεν. μετὰ δὲ ταῦθ' οἱ Βοιωτοὶ μετ' Ἀργείων Ἡράκλειαν τὴν ἐν Τραχῖνι κατελάβοντο, χωρισθέντες ἀπὸ Μηδίου: καὶ νυκτὸς ἐντὸς τῶν τειχῶν ὑπὸ τινων εἰσαχθέντες Λακεδαιμονίους μὲν τοὺς καταληφθέντας ἀπέσφαξαν, τοὺς δ' ἀπὸ Πελοποννήσου τὰ σφῶν ἔχοντας εἶασαν ἀπελθεῖν. [7] εἰς δὲ τὴν πόλιν τοὺς Τραχινίους φεύγοντας ἐκ τῶν πατρίδων ὑπὸ Λακεδαιμονίων μεταπεμπόμενοι, τούτοις ἔδωκαν τὴν πόλιν οἰκεῖν, οἱ καὶ παλαιότατοι τῆς χώρας ταύτης ἦσαν οἰκήτορες. μετὰ δὲ ταῦθ' ὁ τῶν Βοιωτῶν ἀφηγούμενος Ἰσμηνίας τοὺς μὲν Ἀργεῖους ἐν τῇ πόλει κατέλιπε φυλακῆς ἕνεκα, αὐτὸς δὲ πείσας ἀποστῆναι ἀπὸ Λακεδαιμονίων Αἰνιᾶνας καὶ Ἀθαμᾶνας ἡθροισε παρὰ τε τούτων καὶ τῶν συμμάχων στρατιώτας: τοὺς πάντας δ' ἔχων μικρὸν ἀπολείποντας τῶν ἐξακισχιλίων ἐστράτευσεν εἰς Φωκεῖς. [8] καταστρατοπεδεύοντος δ' αὐτοῦ εἰς Νάρυκα τῆς Λοκρίδος, ἐξ ἧς φασὶ τὸν Αἴαντα γεγενῆσθαι, τὸ πλῆθος τῶν Φωκέων ἀπήντησε μετὰ τῶν ὅπλων, τὴν ἡγεμονίαν ἔχοντος Ἀλκισθένους τοῦ Λάκωνος. [9] γενομένης δὲ μάχης ἐπὶ πολὺν χρόνον ἰσχυρᾶς ἐκράτησαν οἱ Βοιωτοί, καὶ μέχρι νυκτὸς διώξαντες τοὺς φεύγοντας ἀνέϊλον οὐ πολὺ λείποντας τῶν χιλίων, τῶν δ' ἰδίων ἀπέβαλον ἐν τῇ μάχῃ περὶ πεντακοσίους. [10] μετὰ δὲ τὴν παράταξιν ἀμφοτέρωτεροι μὲν διέλυσαν τὸ στρατόπεδον εἰς τὰς ἰδίας πατρίδας: οἱ δ' εἰς Κόρινθον τὸ συνέδριον ἀγαγόντες, ἐπεὶ κατὰ νοῦν αὐτοῖς προεχώρει τὰ πράγματα, συνήγαγον ἐξ ἀπασῶν τῶν πόλεων στρατιώτας εἰς Κόρινθον, πεζοὺς μὲν πλείους μυρίων πεντακισχιλίων, ἵππεῖς δὲ περὶ πεντακοσίους. 83.

Λακεδαιμόνιοι δ' ὁρῶντες τὰς μεγίστας τῶν κατὰ τὴν Ἑλλάδα πόλεων ἐφ' ἑαυτοὺς συνισταμένας, ἐψηφίσαντο τὸν τε Ἀγησίλαον ἐκ τῆς Ἀσίας μεταπέμψασθαι καὶ τὴν μετ' αὐτοῦ δύναμιν, αὐτοὶ δὲ ἐν τοσοῦτῳ παρὰ τε σφῶν καὶ τῶν συμμάχων ἄθροίσαντες πεζοὺς μὲν δισμυρίους τρισχιλίους, ἵππεῖς δὲ πεντακοσίους, ἀπήντησαν τοῖς πολεμίοις. [2] γενομένης δὲ παρατάξεως παρὰ τὸν Νεμέαν ποταμὸν μέχρι νυκτός, ἐκατέρων προετέρησε τὰ μέρη τοῦ στρατεύματος: καὶ τῶν μὲν Λακεδαιμονίων καὶ τῶν συμμάχων ἔπεσον ἑκατὸν πρὸς τοῖς χιλίοις, Βοιωτῶν δὲ καὶ τῶν ἄλλων συμμάχων περὶ δισχιλίους ὀκτακοσίους. [3] Ἀγησίλαος δὲ τὴν δύναμιν ἐκ τῆς Ἀσίας διαβιβάσας εἰς τὴν Εὐρώπην, τὸ μὲν πρῶτον Θρακῶν τινων ἀπαντησάντων αὐτῷ πολλῇ στρατιᾷ, μάχῃ τε ἐνίκησε καὶ τοὺς πλείστους τῶν βαρβάρων ἀνέειλε: μετὰ δὲ ταῦτα διὰ Μακεδονίας τὴν πορείαν ἐποιεῖτο, τὴν αὐτὴν διεξιὼν χώραν ἣν καὶ Ξέρξης ἐπορεύθη, καθ' ὃν καιρὸν ἐστράτευσεν ἐπὶ τοὺς Ἑλληνας. [4] Ἀγησίλαος μὲν οὖν διὰ Μακεδονίας καὶ Θετταλίας πορευθεὶς, ὡς διηλθε τὰ περὶ Θερμοπύλας στενά, ... τὴν πορείαν ἐποιεῖτο. Κόνων δὲ ὁ Ἀθηναῖος καὶ Φαρνάβαζος ἀφηγοῦντο μὲν τοῦ βασιλικοῦ στόλου, διέτριβον δὲ περὶ Λώρυμα τῆς Χερρονήσου, τριῆρεις ἔχοντες πλείους τῶν ἐνενήκοντα. [5] πυθόμενοι δὲ ἐν Κνίδῳ τὸ ναυτικὸν τῶν πολεμίων εἶναι, τὰ πρὸς τὴν ναυμαχίαν παρεσκευάζοντο. Πείσανδρος δ' ὁ τῶν Λακεδαιμονίων ναύαρχος ἐξέπλευσεν ἐκ τῆς Κνίδου τριήρεσιν ὀγδοήκοντα πέντε, καὶ κατηνέχθη πρὸς Φύσκον τῆς Χερρονήσου. [6] ἐκεῖθεν δ' ἐκπλεύσας περιέπεσε τῷ στόλῳ τοῦ

βασιλέως, καὶ ταῖς μὲν προπλευούσαις ναυσὶ συμβαλὼν προετέρει, τῶν δὲ Περσῶν ἅμα ταῖς τριήρεσιν ἀθρόαις παραβοηθησάντων, ἐπειδὴ πάντες οἱ σύμμαχοι πρὸς τὴν γῆν ἔφυγον, τὴν ἰδίαν ναῦν ἐπέστρεψεν, αἰσχρὸν εἶναι νομίσας καὶ τῆς Σπάρτης ἀνάξιον τὸ φυγεῖν ἀγεννῶς. [7] ἀγωνισάμενος δὲ λαμπρῶς καὶ πολλοὺς τῶν πολεμίων ἀνελών, τὸ τελευταῖον ἀξίως τῆς πατρίδος ἀνῆρέθῃ μαχόμενος. οἱ δὲ περὶ τὸν Κόνωνα μέχρι τῆς γῆς καταδιώξαντες τοὺς Λακεδαιμονίους πεντήκοντα μὲν τριήρων ἐκυρίευσαν, τῶν δ' ἀνδρῶν οἱ πλεῖστοι μὲν ἐκκολυμβήσαντες κατὰ γῆν ἔφυγον, ἐάλωσαν δὲ περὶ πεντακοσίους· αἱ δὲ λοιπαὶ τριήρεις εἰς Κνίδον διεσώθησαν. 84.

Ἀγησίλαος δὲ προσλαβόμενος ἐκ Πελοποννήσου στρατιώτας, ἐπειδὴ μετὰ τῆς δυνάμεως ἐπέβαινεν εἰς Βοιωτίαν, εὐθύς οἱ Βοιωτοὶ μετὰ τῶν συμμάχων ἀπήντησαν εἰς Κορώνειαν. γενομένης δὲ παρατάξεως Θηβαῖοι μὲν τὸ καθ' αὐτοὺς μέρος τρεψάμενοι μέχρι τῆς παρεμβολῆς κατεδίωξαν, οἱ δ' ἄλλοι μικρὸν ἀντισχόντες χρόνον ὑπ' Ἀγησίλαου καὶ τῶν ἄλλων φυγεῖν ἠναγκάσθησαν. [2] διὸ καὶ νενικηκέναι τῇ μάχῃ Λακεδαιμόνιοι διαλαβόντες ἔστησαν τρόπαιον καὶ τοὺς νεκροὺς τοῖς πολεμίοις ὑποσπόνδους ἀπέδωκαν. ἀπέθανον δὲ τῶν Βοιωτῶν καὶ τῶν συμμάχων πλείους τῶν ἑξακοσίων, Λακεδαιμονίων δὲ καὶ τῶν συναγωνισαμένων τριακόσιοι πεντήκοντα· καὶ αὐτὸς Ἀγησίλαος πολλοῖς περιπεπτωκὸς τραύμασιν εἰς Δελφοὺς ἐκομίσθη, κάκεϊ τὴν ἐπιμέλειαν τοῦ σώματος ἐποιεῖτο. [3]

Φαρνάβαζος δὲ καὶ Κόνων μετὰ τὴν ναυμαχίαν ἀνήχθησαν ἀπάσαις ταῖς ναυσὶν ἐπὶ τοὺς τῶν Λακεδαιμονίων συμμάχους. καὶ πρῶτον μὲν Κῶους ἀπέστησαν, εἶτα Νισυρίους καὶ Τήιους. μετὰ δὲ ταῦτα Χῖοι τὴν φρουρὰν ἐκβαλόντες προσέθεντο τοῖς περὶ Κόνωνα· παραπλησίως δὲ μετέβαλον καὶ Μιτυληναῖοι καὶ Ἐφέσιοι καὶ Ἐρυθραῖοι. [4] τοιαύτη δὲ τῆς μεταστάσεως σπουδὴ τις εἰς τὰς πόλεις ἐνέπεσεν, ὥν αἱ μὲν ἐκβάλλουσαι τὰς φρουράς τῶν Λακεδαιμονίων τὴν ἐλευθερίαν διεφύλαττον, αἱ δὲ τοῖς περὶ Κόνωνα προσετίθεντο. καὶ Λακεδαιμόνιοι μὲν ἀπὸ τούτου τοῦ χρόνου τὴν κατὰ θάλατταν ἀρχὴν ἀπέβαλον, οἱ δὲ περὶ Κόνωνα κρίναντες παντὶ τῷ στόλῳ πλεῖν ἐπὶ τὴν Αἰτικὴν ἀνέζευξαν, καὶ τὰς Κυκλάδας νήσους προσαγαγόμενοι κατέπλευσαν ἐπὶ Κύθηρα τὴν νῆσον. [5] εὐθὺ δὲ ταύτης ἐξ ἐφόδου κυριεύσαντες τοὺς μὲν Κυθηρίους ὑποσπόνδους ἐξέπεμψαν εἰς τὴν Λακωνικὴν, αὐτοὶ δὲ καταλιπόντες τῆς πόλεως τὴν ἱκανὴν φρουρὰν ἔπλεον ἐπὶ Κορίνθου. ἐκεῖ δὲ καταπλεύσαντες τοῖς συνέδροις διελέχθησαν ὑπὲρ ὧν ἤθελον, καὶ συμμαχίαν ποιησάμενοι τούτοις μὲν χρήματα κατέλιπον, αὐτοὶ δ' εἰς τὴν Ἀσίαν ἐξέπλευσαν. [6]

περὶ δὲ τὸν αὐτὸν χρόνον Ἀέροπος ὁ τῶν Μακεδόνων βασιλεὺς ἐτελεύτησε νόσῳ, βασιλεύσας ἔτη ἑξ· τὴν δ' ἡγεμονίαν διαδεξάμενος Πausanίας υἱὸς ἦρξεν ἐνιαυτόν. [7] Θεόπομπος δ' ὁ Χῖος τὴν τῶν Ἑλληνικῶν σύνταξιν κατέστροφεν εἰς τοῦτον τὸν ἐνιαυτόν καὶ εἰς τὴν περὶ Κνίδον ναυμαχίαν, γράψας βύβλους δώδεκα. ὁ δὲ συγγραφεὺς οὗτος ἦρκται μὲν ἀπὸ τῆς περὶ Κυνὸς σῆμα ναυμαχίας, εἰς ἣν Θουκυδίδης κατέληξε τὴν πραγματείαν, ἔγραψε δὲ χρόνον ἐτῶν δεκαεπτὰ. 85.

ἐπεὶ δὲ ὁ ἐνιαυσιαῖος χρόνος διεληλύθει, Ἀθήνησι μὲν Εὐβουλίδης ἦρξεν,

ἐν Ῥώμῃ δὲ τὴν ὑπατικὴν ἀρχὴν διώκουν χιλίαρχοι ἔξ, Λεύκιος Σέργιος, Αὔλος Ποστούμιος, Πόπλιος Κορνήλιος, Κόντος Μάνλιος. [2] περὶ δὲ τούτους τοὺς χρόνους Κόνων τοῦ βασιλικοῦ στόλου τὴν ἡγεμονίαν ἔχων, ὀγδοήκοντα τριήρεσι καταπλεύσας εἰς τὸν Πειραιέα τοῖς πολίταις ὑπέσχετο τὸν περίβολον τῆς πόλεως ἀνοικοδομήσειν: τοῦ γὰρ Πειραιέως τὰ τεῖχη καὶ τὰ μακρὰ σκέλη καθήρητο κατὰ τὰς Λακεδαιμονίων συνθήκας, ὅτε κατεπονήθησαν ἐν τῷ Πελοποννησιακῷ πολέμῳ. [3] ὁ δ' οὖν Κόνων μισθωσάμενος πλῆθος τεχνιτῶν, καὶ τὸν ἐκ τῶν πληρωμάτων ὄχλον εἰς ὑπηρεσίαν παραδούς, ταχέως τὸ πλεῖστον μέρος τοῦ τεύχους ἀνφοκδόμησε: καὶ γὰρ Θηβαῖοι πεντακοσίους τεχνίτας καὶ λιθοτόμους ἀπέστειλαν, καὶ τινες ἄλλαι τῶν πόλεων παρεβοήθησαν. [4] Τιρίβαζος δ' ὁ τῶν κατὰ τὴν Ἀσίαν πεζῶν δυνάμεων ἀφηγούμενος ἐφθόνη ταῖς τοῦ Κόνωνος εὐπραξίαις, καὶ πρόφασιν μὲν λαβὼν ὅτι ταῖς βασιλικαῖς δυνάμεσι τὰς πόλεις Ἀθηναίους κατακτᾷται, προαγαγόμενος δ' αὐτὸν εἰς Σάρδεις συνέλαβε καὶ δῆσας εἰς φυλακὴν κατέθετο. 86.

ἐν δὲ τῇ Κορίνθῳ τινὲς τῶν ἐπιθυμούντων δημοκρατίας συστραφέντες ἀγώνων ὄντων ἐν τῷ θεάτρῳ φόνον ἐποίησαν καὶ στάσεως ἐπλήρωσαν τὴν πόλιν: συνεπιλαβομένων δὲ αὐτοῖς τῆς τόλμης Ἀργείων, ἑκατὸν μὲν καὶ εἴκοσι τῶν πολιτῶν ἀπέσφαζαν, πεντακοσίους δ' ἐφυγάδευσαν. [2] Λακεδαιμονίων δὲ παρασκευαζομένων κατάγειν καὶ δύνανιν ἄθροιζόντων, Ἀθηναῖοι καὶ Βοιωτοὶ παρεβοήθουν τοῖς σφαγεῦσιν, ὅπως τὴν πόλιν ἐξιδιοποιήσωται. [3] καὶ οἱ μὲν φυγάδες μετὰ Λακεδαιμονίων καὶ τῶν συμμάχων ἐπὶ τὸ Λέχαιον καὶ τὸν ναύσταθμον ἐπελθόντες νυκτὸς κατὰ κράτος εἶλαν: τῇ δ' ὑστεραία τῶν ἐκ τῆς πόλεως ἐπεξελθόντων, ὧν Ἰφικράτης ἡγεῖτο, συνέβη γενέσθαι μάχην, ἐν ᾗ Λακεδαιμόνιοι νικήσαντες οὐκ ὀλίγους ἀπέκτειναν. [4] μετὰ δὲ ταῦτα οἱ τε Βοιωτοὶ καὶ Ἀθηναῖοι, πρὸς δὲ τούτοις Ἀργεῖοι καὶ Κορίνθιοι πάσῃ τῇ δυνάμει παρελθόντες εἰς τὸ Λέχαιον, τὸ μὲν πρῶτον πολιορκήσαντες τὸ χωρίον τὸ ἐντὸς τοῦ διατειχίσματος εἰσεβιάζοντο: μετὰ δὲ ταῦτα τῶν Λακεδαιμονίων καὶ τῶν φυγάδων λαμπρῶς ἀγωνισαμένων ἐξεώσθησαν οἱ Βοιωτοὶ καὶ οἱ μετ' αὐτῶν ἅπαντες. οὗτοι μὲν οὖν περὶ χιλίους τῶν στρατιωτῶν ἀποβαλόντες εἰς τὴν πόλιν ἀπεχώρησαν. [5] εὐθὺ δὲ τῶν Ἰσθμίων ἐπελθόντων διεφέροντο περὶ τῆς θέσεως τοῦ ἀγῶνος: καὶ πολλὰ φιλονεικησάντων ἐκράτησαν οἱ Λακεδαιμόνιοι καὶ τοὺς φυγάδας ἐποίησαν θεῖναι τὸν ἀγῶνα, [6] τῶν δὲ κατὰ τὸν πόλεμον δεινῶν σχεδόν τι περὶ τὴν Κόρινθον γενομένων ὁ πόλεμος οὗτος ἐκλήθη Κορινθιακός, καὶ διέμεινεν ἔτη ὀκτώ. 87.

κατὰ δὲ τὴν Σικελίαν Ῥηγῖνοι κατηγοροῦντες Διονυσίου ὅτι Μεσσήνην τευχίζων ἐπ' αὐτοὺς κατασκευάζεται, πρῶτον μὲν τοὺς ὑπὸ Διονυσίου φυγαδευομένους καὶ τάναντία πράττοντας ὑπεδέξαντο, μετὰ δὲ ταῦτα τῶν Ναξίων καὶ Καταναίων τοὺς ὑπολειπομένους εἰς Μύλας κατοικίσαντες, δύνανιν παρεσκευάζοντο καὶ στρατηγὸν Ἑλῳριν ἐξέπεμψαν πολιορκήσοντα Μεσσήνην. [2] τούτου δὲ τὴν ἐπίθεσιν κατὰ τὴν ἀκρόπολιν ποιησαμένον παραβόλως, οἱ κατέχοντες τὴν πόλιν Μεσσήνιοι καὶ Διονυσίου μισθοφόροι συστραφέντες ἀπήντησαν. γενομένης δὲ μάχης ἐνίκων οἱ Μεσσήνιοι καὶ

πλείους τῶν πεντακοσίων ἀπέκτειναν. [3] εὐθὺ δ' ἐπὶ τὰς Μύλας ἐπελθόντες εἶλον τὴν πόλιν, καὶ τοὺς οἰκισθέντας ἐν αὐτῇ Ναξίους ὑποσπόνδους ἀφῆκαν. οὗτοι μὲν οὖν εἰς τε Σικελοὺς καὶ τὰς ἄλλας τὰς Ἑλληνίδας πόλεις ἀπελθόντες ἄλλοι κατ' ἄλλους τόπους κατῴκησαν: [4] ὁ δὲ Διονύσιος, τῶν περὶ τὸν πορθμὸν αὐτῷ τόπων κατεσκευασμένων φιλίων, διενοεῖτο μὲν ἐπὶ Ῥήγιον στρατιὰν ἄγειν, παρηνωχλεῖτο δ' ὑπὸ τῶν τὸ Ταυρομένιον κατελιφότεων Σικελῶν. [5] διόπερ κρίνας συμφέρειν τούτοις ἐπιθέσθαι πρῶτοις, ἐξήγαγεν ἐπ' αὐτοὺς τὴν δύναμιν, καὶ στρατοπεδεύσας ἐκ τοῦ πρὸς τὴν Νάξον μέρους προσεκάρτερι τῇ πολιορκίᾳ τὸν χειμῶνα, νομίζων τοὺς Σικελοὺς ἐκλείψειν τὸν λόφον διὰ τὸ μὴ πάλαι κατῴκηκεναι. 88. οἱ δὲ Σικελοὶ παρὰ τῶν πατέρων ἐκ παλαιοῦ παρειληφότες ὅτι τὰ μέρη ταῦτα τῆς νήσου Σικελῶν κατεχόντων Ἕλληνες πρῶτως καταπλεύσαντες ἔκτισαν μὲν Νάξον, ἐξέβαλον δ' ἐκ τούτου τοῦ λόφου τοὺς τότε κατοικοῦντας Σικελούς: διὸ δὴ φάσκοντες πατρώαν ἀνακτήσασθαι χώραν καὶ περὶ ᾧν εἰς τοὺς ἑαυτῶν προγόνους ἐξήμαρτον Ἕλληνες ἀμύνασθαι δικαίως, ἐφιλοτιμοῦντο κατασχεῖν τὸν λόφον. [2] ὑπερβαλλούσης δὲ φιλονεικίας παρ' ἀμφοτέροις οὔσης, ἔτυχον μὲν οὔσαι τροπαὶ χειμεριναί, καὶ διὰ τοὺς ἐπιγινομένους χειμῶνας ὁ περὶ τὴν ἀκρόπολιν τόπος πλήρης ἦν χιόνος. ἐνταῦθα δὴ Διονύσιος τοὺς Σικελούς διὰ τὴν ὀχυρότητα καὶ τὴν ὑπερβολὴν τοῦ τείχους ῥαθυμοῦντας περὶ τὴν κατὰ τὴν ἀκρόπολιν φυλακὴν εὐρών, ὥρμησε νυκτὸς ἀσελήνου καὶ χειμερίου πρὸς τοὺς ἀνωτάτω τόπους. [3] πολλὰ δὲ κακοπαθήσας διὰ τε τὴν τῶν κρημνῶν δυσχέρειαν καὶ τὸ πλῆθος τῆς χιόνος, μιᾶς μὲν ἀκροπόλεως ἐκυρίευσεν, καὶ τὸ πρόσωπον ἐξήλκωσε καὶ τὰς ὄψεις ἐβλάψε διὰ τὸ ψυχρός: μετὰ δὲ ταῦτα εἰς τὸ ἕτερον μέρος παρεισπεσὼν εἰσήγαγε τὴν δύναμιν εἰς τὴν πόλιν. τῶν δὲ Σικελῶν ἀθρόων βοηθησάντων ἐξεώσθησαν οἱ μετὰ τοῦ Διονυσίου, καὶ αὐτὸς ἐν τῇ φυγῇ τυπτόμενος εἰς τὸν θώρακα περιεκυλίσθη, καὶ παρ' ὀλίγον συνελήφθη ζῶν. [4] τῶν δὲ Σικελῶν ἐπικειμένων ἐξ ὑπερδεξίων τόπων, ἀνηρέθησαν μὲν τῶν μετὰ Διονυσίου πλείους τῶν ἑξακοσίων, ἀπέβαλον δὲ τὰς πανοπλίας οἱ πλεῖστοι: καὶ αὐτὸς δὲ ὁ Διονύσιος μόνον τὸν θώρακα διέσωσεν. [5] μετὰ δὲ τὴν ἀτυχίαν ταύτην Ἀκραγαντῖνοι καὶ Μεσσήνιοι τοὺς τὰ Διονυσίου φρονοῦντας μεταστησάμενοι, τῆς ἐλευθερίας ἀντεῖχοντο καὶ τῆς τοῦ τυράννου συμμαχίας ἀπέστησαν. 89.

Παυσανίας δὲ ὁ τῶν Λακεδαιμονίων βασιλεὺς ἐγκαλούμενος ὑπὸ τῶν πολιτῶν ἔφυγεν, ἄρξας ἔτη δεκατέτταρα: τὴν δὲ βασιλείαν διαδεξάμενος ὁ υἱὸς Ἀγησίπολις ἥρξε τὸν ἴσον τῷ πατρὶ χρόνον. [2] ἐτελεύτησε δὲ καὶ Παυσανίας ὁ τῶν Μακεδόνων βασιλεὺς, ἀναιρεθεὶς ὑπὸ Ἀμύντου δόλω, ἄρξας ἐνιαυτόν: τὴν δὲ βασιλείαν κατέσχευεν Ἀμύντας, καὶ ἥρξεν ἔτη εἴκοσι τέσσαρα. 90.

τοῦ δὲ ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν παρέλαβε τὴν ἀρχὴν Δημόστρατος, ἐν Ῥώμῃ δὲ τὴν ὑπατικὴν ἀρχὴν διώκουν χιλίαρχοι ἔξ, Λεῦκιος Τιτίνιος, [2] Πόπλιος Λικίνιος, Πόπλιος Μελαῖος, Κόιντος Μάλλιος, Γναῖος Γενύκιος, Λεῦκιος Ἀτίλιος. τούτων δὲ τὴν ἀρχὴν παρειληφότεων Μάγων ὁ τῶν Καρχηδονίων στρατηγὸς διέτριβε μὲν ἐν Σικελίᾳ, τὰ δὲ πράγματα τῶν Καρχηδονίων ἀπὸ τῆς γεγενημένης συμφορᾶς ἀνελάμβανε: [3] ταῖς τε γὰρ

ὑποτεταγμέναις πόλεσι φιланθρώπως προσεφέρετο καὶ τοὺς ὑπὸ Διονυσίου πολεμουμένους ὑπεδέχετο. ἐποίησατο δὲ καὶ πρὸς τοὺς πλείστους τῶν Σικελῶν συμμαχίας, καὶ δυνάμεις ἀθροίσας ἐστράτευσεν εἰς τὴν Μεσσηνίαν. λεηλατήσας δὲ τὴν χώραν καὶ πολλῆς ὠφελείας ἐγκρατὴς γενόμενος ἀνέζευξε καὶ πρὸς Ἀβακαίνῃ πόλει συμμαχίδι κατεστρατοπέδευσεν. [4] Διονυσίου δὲ ἐπελθόντος μετὰ τῆς δυνάμεως παρετάχθησαν, καὶ γενομένης καρτερᾶς μάχης ἐνίκησαν οἱ περὶ Διονύσιον. καὶ οἱ μὲν Καρχηδόνιοι πλείους ὀκτακοσίων ἀποβαλόντες ἔφυγον εἰς τὴν πόλιν, Διονύσιος δὲ τότε μὲν εἰς Συρακούσας ἀνέζευξε, μετὰ δὲ τινὰς ἡμέρας ἑκατὸν τριῆρεις πληρώσας ἐστράτευσεν ἐπὶ Ῥηγίνοισι. [5] ἀπροσδοκῆτως δὲ νυκτὸς ἐπιφανεῖς τῇ πόλει τὰς πύλας ἐνέπρησε καὶ τοῖς τείχεσι προσήρεισε κλίμακας. οἱ δὲ Ῥηγίνοι τὸ μὲν πρῶτον ὀλίγοι προσβοηθήσαντες ἐπεχείρουν σβεννύναι τὴν φλόγα, μετὰ δὲ ταῦτα Ἐλώριδος τοῦ στρατηγοῦ παραγενομένου καὶ συμβουλευσάντος τὰναντία πράττειν ἔσωσαν τὴν πόλιν. [6] σβεννύντες μὲν γὰρ τὸ πῦρ οὐκ ἂν ἴσχυσαν Διονύσιον κωλύσαι εἰσελθεῖν, ὀλίγοι παντελῶς ὄντες, ἐκ δὲ τῶν ἐγγὺς οἰκῶν ἐνέγκαντες φρύγανα καὶ ξύλα τὴν φλόγα κατεσκεύαζον μείζονα, μέχρι ὅτου τὸ πλῆθος ἐν τοῖς ὅλοις ἀθροισθὲν παρεβοήθησεν. [7] Διονύσιος δὲ τῆς ἐπιβολῆς ἀποτυχὼν ἐπῆλθε τὴν χώραν ἐμπυρίζων καὶ δενδροτομῶν, καὶ μετὰ ταῦτ' ἐνιαυσίους ἀνοχὰς ποιησάμενος ἐξέπλευσεν ἐπὶ Συρακουσῶν. 91. οἱ δὲ τὴν Ἰταλίαν κατοικοῦντες Ἕλληνας ἑώρων μὲν μέχρι τῆς ἑαυτῶν χώρας προβαίνουσιν τὴν Διονυσίου πλεονεξίαν, συμμαχίαν δὲ πρὸς ἀλλήλους ἐποίησαντο καὶ συνέδριον ἐγκατεσκεύαζον. ἤλιπον γὰρ τὸν Διονύσιον ῥαδίως ἀμυνεῖσθαι καὶ τοῖς παροικοῦσι Λευκανῶν ἀντιτάξεσθαι· καὶ γὰρ οὗτοι τότε διεπολέμουν πρὸς αὐτούς. [2]

οἱ δὲ τὸ Λέχαιον τῆς Κορινθίας κατέχοντες φυγάδες νυκτὸς ὑπὸ τινῶν εἰσαχθέντες ἐνεχείρησαν μὲν καταλαμβάνειν τὰ τεῖχη, τῶν δὲ μετ' Ἴφικράτους ἐκβοηθησάντων τριακοσίους ἐξ αὐτῶν ἀποβαλόντες ἔφυγον ἐπὶ τὸν ναύσταθμον. μετὰ δὲ τινὰς ἡμέρας τῶν Λακεδαιμονίων μέρος τῆς στρατιᾶς διῆει διὰ τῆς Κορινθίας χώρας, οἷς Ἴφικράτης καὶ τινες τῶν ἐν Κορίνθῳ συμμάχων ἐπιπεσόντες τοὺς πλείστους ἀνείλον. [3] Ἴφικράτης δὲ μετὰ τῶν πελταστῶν ἐπὶ Φλιασίαν στρατεύσας, καὶ μάχην τοῖς ἐκ τῆς πόλεως συνάψας, τούτων μὲν πλείους τριακοσίων ἀπέκτεινε· μετὰ δὲ ταῦτα ἐπὶ Σικυῶνα αὐτοῦ πορευθέντος, οἱ Σικυῶνιοι παραταξάμενοι πρὸ τῶν τειχῶν ἀπέβαλον περὶ πεντακοσίους καὶ συνέφυγον εἰς τὴν πόλιν. 92.

τούτων δὲ πραχθέντων Ἀργεῖοι μετὰ τῶν ὅπλων πανδημεῖ στρατεύσαντες εἰς Κόρινθον τὴν τ' ἀκρόπολιν κατελάβοντο καὶ τὴν πόλιν ἐξιδιοποιησάμενοι τὴν Κορινθίων χώραν Ἀργεῖαν ἐποίησαν. [2] ἐπεβάλετο δὲ καὶ Ἴφικράτης ὁ Ἀθηναῖος καταλαβέσθαι τὴν πόλιν, ἐπιτήδειον οὔσαν εἰς τὴν τῆς Ἑλλάδος ἡγεμονίαν· τοῦ δὲ δήμου κωλύσαντος οὗτος μὲν ἀπέθετο τὴν ἀρχήν, οἱ δ' Ἀθηναῖοι Χαβρίαν ἀντ' αὐτοῦ στρατηγὸν εἰς τὴν Κόρινθον ἐξέπεμψαν. [3]

κατὰ δὲ τὴν Μακεδονίαν Ἀμύντας ὁ Φιλίππου πατὴρ Ἰλλυριῶν ἐμβalόντων εἰς Μακεδονίαν ἐξέπιπτεν ἐκ τῆς χώρας· ἀπογνοὺς δὲ τὴν ἀρχὴν Ὀλυνθίοις μὲν τὴν σύνεγγυς χώραν ἔδωρήσατο, αὐτὸς δὲ τότε μὲν ἀπέβαλε τὴν βασιλείαν, μετ' ὀλίγον δὲ χρόνον ὑπὸ Θετταλῶν καταχθεὶς ἀνεκτήσατο

τὴν ἀρχὴν, καὶ ἐβασίλευσεν ἔτη εἴκοσι τέτταρα. [4] ἔνιοι δὲ φασὶ μετὰ τὴν ἔκπτωσιν τὴν Ἀμύντου διετὴ χρόνον Ἀργαῖον βασιλεῦσαι τῶν Μακεδόνων, καὶ τότε τὸν Ἀμύνταν ἀνακτῆσασθαι τὴν βασιλείαν. 93.

περὶ δὲ τὸν αὐτὸν χρόνον καὶ Σάτυρος ὁ Σπαρτάκου μὲν υἱός, βασιλεὺς δὲ Βοσπόρου, ἐτελεύτησεν, ἄρξας ἔτη τετταράκοντα: τὴν ἡγεμονίαν δὲ διεδέξατο ὁ υἱὸς Λεύκων ἐπ' ἔτη τετταράκοντα. [2]

κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι πολιορκοῦντες ἐνδέκατον ἔτος Βηΐους κατέστησαν αὐτοκράτορα μὲν Μάρκον Φούριον, ἵπαρχον δὲ Πόπλιον Κορνήλιον. οὗτοι δὲ ἀναλαβόντες τὰς δυνάμεις Βηΐους ἐξεπολιόρκησαν διώρυγα κατασκευάσαντες, καὶ τὴν πόλιν ἐξανδραποδισάμενοι τοὺς τε ἄνδρας καὶ τὴν ἄλλην λείαν ἐλαφυροπώλησαν. [3] ὁ μὲν οὖν αὐτοκράτωρ θρίαμβον ἤγαγεν, ὁ δὲ τῶν Ῥωμαίων ἄσπετος ἐκ τῶν λαφύρων δεκάτην ἐξελόμενος χρυσοῦν κατεσκεύασε κρατῆρα καὶ εἰς Δελφοὺς ἀνέθηκεν. [4] οἱ δὲ κομίζοντες αὐτὸν πρεσβευταὶ λησταῖς Λιπαραίοις περιέπεσον, καὶ πάντες αἰχμαλωτισθέντες κατήχθησαν εἰς Λιπάραν. Τιμασίθεος δ' ὁ τῶν Λιπαραίων στρατηγὸς γνοὺς τὸ γεγενημένον, τοὺς τε πρεσβευτὰς ἀνέσωσε καὶ τὸ χρυσίον ἀποδοὺς εἰς Δελφοὺς τοὺς πρέσβεις ἀποκατέστησεν. οἱ δὲ τὸν κρατῆρα κομίζοντες, ἀναθέντες αὐτὸν εἰς τὸν τῶν Μασσαλιτῶν θησαυρόν, εἰς Ῥώμην ἀνέστρεψαν. [5] διόπερ ὁ ἄσπετος τῶν Ῥωμαίων πυθόμενος τὴν τοῦ Τιμασιθέου καλοκάγαθίαν, παραχρῆμα αὐτὸν ἐτίμησε δημόσιον δοῦς κατάλυμα, καὶ μετὰ ταῦτ' ἔτεσιν ἑκατὸν τριάκοντα ἐπὶ τὴν Λιπάραν ἀφελόμενος τῶν Καρχηδονίων τοὺς ἐγγόνους τοῦ Τιμασιθέου τῶν τε εἰσφορῶν ἀτελεῖς ἀφῆκε καὶ ἐλευθέρους ἐποίησεν. 94.

ἐπεὶ δ' ὁ ἐνιαύσιος διεληλύθει χρόνος, Ἀθήνησι μὲν ἦρχε Φιλοκλῆς, ἐν Ῥώμῃ δὲ τὴν ὑπατικὴν ἀρχὴν μετέλαβον ἐξ χιλίарχοι, Πόπλιος καὶ Κορνήλιος, Καίσιων Φάβιος, Λεύκιος Φούριος, Κόιντος Σερουῖλιος, Μάρκος Οὐαλέριος: ἤχθη δὲ καὶ Ὀλυμπιάς κατὰ τοῦτον τὸν ἐνιαυτὸν ἐβδόμη πρὸς ταῖς ἐνενήκοντα, καθ' ἣν ἐνίκα Τερίρης. [2] κατὰ δὲ τοὺς χρόνους Ἀθηναῖοι στρατηγὸν ἐλόμενοι Θρασύβουλον ἐξέπεμψαν μετὰ τριήρων τετταράκοντα. οὗτος δὲ πλεύσας εἰς Ἰωνίαν καὶ χρήματα λαβὼν παρὰ τῶν συμμάχων ἀνέξευξε, καὶ διατρίβων περὶ Χερρόνησον Μήδοκον καὶ Σεύθην τοὺς τῶν Θρακῶν βασιλεῖς συμμάχους ἐποίησατο. [3] μετὰ δὲ τινα χρόνον ἐξ Ἑλλησπόντου πλεύσας εἰς Λέσβον, ἐν τῇ παρὰ τὴν Ἑρεσον αἰγιαλῷ καθώρμει. ἐπιγενομένων δὲ πνευμάτων μεγάλων εἴκοσι μὲν καὶ τρεῖς τριήρεις διεφθάρησαν: μετὰ δὲ τῶν λοιπῶν διασωθεὶς ἐπῆει τὰς κατὰ τὴν Λέσβον πόλεις προσαγόμενος: ἀφειστήκεισαν γὰρ πᾶσαι πλὴν Μιτυλήνης. [4] καὶ πρῶτον μὲν ἐπὶ Μέθυμναν παραγενόμενος ἐπισυνῆψε μάχην τοῖς ἐκ τῆς πόλεως, ὧν ἦρχε Θηρίμαχος ὁ Σπαρτιάτης. ἀγωνισάμενος δὲ λαμπρῶς αὐτόν τε τὸν Θηρίμαχον ἀνείλε καὶ τῶν Μεθυμναίων οὐκ ὀλίγους, τοὺς δὲ λοιποὺς συνέκλεισεν ἐντὸς τῶν τειχῶν, καὶ τὴν μὲν τῶν Μεθυμναίων χώραν ἔφθειρε, τὴν δ' Ἑρεσον καὶ τὴν Ἀντισσαν καθ' ὁμολογίαν παρέλαβεν. μετὰ δὲ ταῦτα παρά τε Χίων καὶ Μιτυληναίων συμμάχων ἀθροίσας ναῦς ἐπλευσεν ἐπὶ Ῥόδον. 95.

Καρχηδόνιοι δὲ βραδέως ἑαυτοὺς ἐκ τῆς περὶ Συρακούσας συμφορᾶς

ἀναλαβόντες, ἔγνωσαν ἀντέχεσθαι τῶν κατὰ Σικελίαν πραγμάτων. κρίναντες δὲ διαγωνίζεσθαι, ναυσὶ μὲν μακραῖς ὀλίγαις διέβησαν, δύναμιν δὲ συνήγαγον ἀπὸ τε Λιβύης καὶ Σαρδοῦς, ἔτι δὲ τῶν ἐξ Ἰταλίας βαρβάρων. πάντας δ' ἐπιμελῶς καθοπλίσαντες μετὰ τῆς οἰκείας χορηγίας ἐπεραιώθησαν εἰς τὴν Σικελίαν, οὐκ ἐλάττους ὄντες τῶν ὀκτὼ μυριάδων, ὧν ἡγεῖτο Μάγων. [2] οὗτος μὲν οὖν διὰ Σικελῶν πορευθεὶς, καὶ τὰς πλείστας πόλεις ἀποστήσας τοῦ Διονυσίου, κατεστρατοπέδευσεν ἐν τῇ τῶν Ἀγυριναίων χώρα παρὰ τὸν Χρῦσαν ποταμὸν ἐγγὺς τῆς ὁδοῦ τῆς φερούσης εἰς Μοργαντίναν: τοὺς γὰρ Ἀγυριναίους οὐ δυνάμενος εἰς συμμαχίαν προσλαβέσθαι, τῆς εἰς τοῦμπροσθεν ἀπέστη πορείας, ἀκούων τοὺς πολεμίους ἐκ Συρακουσῶν ὥρμηκεναι. [3] Διονύσιος δὲ πυθόμενος τοὺς Καρχηδονίους διὰ τῆς μεσογείου τὴν πορείαν ποιουμένους, ταχὺ συλλέξας οὓς ἡδύνατο τῶν Συρακοσίων καὶ τῶν μισθοφόρων ὥρμησε, τοὺς πάντας ἔχων οὐκ ἐλάττους δισμυρίων. [4] παραγενόμενος δ' ἐγγὺς τῶν πολέμιων διεπρεσβεύσατο πρὸς Ἄγυριν τὸν δυναστεύοντα τῶν Ἀγυριναίων. οὗτος δὲ τῶν τότε τυράννων τῶν ἐν Σικελίᾳ μεγίστην εἶχε δύναμιν μετὰ Διονύσιον: τῶν τε γὰρ περικειμένων ἐρυμάτων σχεδὸν ἀπάντων ἐκυρίευσεν καὶ τῆς πόλεως τῶν Ἀγυριναίων ἤρχε πολυοχλουμένης κατ' ἐκείνους τοὺς καιροὺς: εἶχε γὰρ πολίτας οὐκ ἐλάττους δισμυρίων. [5] ἦν δὲ καὶ εἰς τοῦτο τὸ πλῆθος ἐν τῇ πόλει συνηθροισμένον χρημάτων πολλῶν κατὰ τὴν ἀκρόπολιν παράθεσις, ἣν Ἄγυρις ἡθροίκει πεφονευκῶς τοὺς εὐπορωτάτους τῶν πολιτῶν. [6] ἀλλ' ὁ Διονύσιος μετ' ὀλίγων εἰσελθὼν ἐντὸς τοῦ τείχους ἔπεισε τὸν Ἄγυριν συμμαχεῖσθαι γνησίως, καὶ πολλὴν ἐπηγγείλατο χώραν τῆς ὁμόρου δωρήσεσθαι κατορθωθέντος τοῦ πολέμου. [7] ὁ δ' Ἄγυρις πρῶτον μὲν πάσῃ τῇ Διονυσίου δυνάμει σῖτον καὶ τᾶλλα ὅσα ἦν χρεῖα προθύμως ἐδωρήσατο, καὶ πανδημεὶ τὴν δύναμιν ἐξαγαγὼν ἐστράτευσε μετὰ Διονυσίου καὶ κοινῇ πρὸς Καρχηδονίους διεπολέμει. 96.

Μάγων δ' ἐν πολεμίᾳ χώρα στρατοπεδεύων, καὶ τῶν ἀναγκαίων ἐνδεὴς αἰεὶ μᾶλλον γινόμενος, οὐ μετρίως ἡλαττοῦτο: καὶ γὰρ οἱ περὶ τὸν Ἄγυριν τῆς χώρας ἔμπειροι καθεστῶτες ἐν ταῖς ἐνέδραις ἐπλεονέκτουν καὶ τὰς ἀγορὰς τῶν πολέμιων ἀφηροῦντο. [2] λεγόντων δὲ τῶν Συρακοσίων διὰ μάχης κρίνειν ὥς τάχιστα τὰ πράγματα, Διονύσιος ἠναντιοῦτο λέγων χωρὶς κινδύνων τῷ χρόνῳ καὶ τῇ σπάνει καταφθαρῆσεσθαι τοὺς βαρβάρους: ἐφ' οἷς παροργισθέντες οἱ Συρακόσιοι κατέλιπον τὸν Διονύσιον. [3] ὁ δὲ τὸ μὲν πρῶτον εὐλαβούμενος ἐπ' ἐλευθερίαν ἐκάλει τοὺς οἰκέτας, μετὰ δὲ ταῦτα διαπρεσβευσαμένων τῶν Καρχηδονίων ὑπὲρ εἰρήνης ὑπακούσας ἀναπομπίμους τοῖς κυρίοις ἐποίησε, πρὸς δὲ τοὺς Καρχηδονίους εἰρήνην ἐποιήσατο. [4] ἦσαν δ' αἱ συνθῆκαι τὰ μὲν ἄλλα παραπλήσια ταῖς πρότερον, Σικελοὺς δὲ δεῖν ὑπὸ Διονύσιον τετάχθαι καὶ παραλαβεῖν αὐτὸν τὸ Ταυρομένιον. μετὰ δὲ τὰς συνθήκας Μάγων μὲν ἀπέπλευσε, Διονύσιος δὲ παραλαβὼν τὸ Ταυρομένιον τοὺς μὲν πλείστους τῶν ἐκεῖ Σικελῶν ἐξέβαλεν, τῶν δ' ἰδίων μισθοφόρων τοὺς ἐπιτηδαιοτάτους ἐπιλέξας κατῴκισεν. [5]

καὶ τὰ μὲν κατὰ Σικελίαν ἐν τούτοις ἦν, κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι Φαλίσκον πόλιν ἐκ τοῦ Φαλίσκων ἔθνους ἐξεπόρθησαν. 97.

τοῦ δ' ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν ἦν ἄρχων Νικοτέλης, ἐν Ῥώμῃ δὲ τὴν ὑπατικὴν ἀρχὴν διώκουσιν χιλίαρχοι τρεῖς, Μάρκος Φούριος, Γάιος Αἰμίλιος. τούτων δὲ τὴν ἀρχὴν παρεληφότων οἱ λακωνίζοντες τῶν Ῥοδίων ἐπαναστάντες τῷ δήμῳ τοὺς τὰ τῶν Ἀθηναίων φρονοῦντας ἐξέβαλον ἐκ τῆς πόλεως. [2] συνδραμόντων δ' αὐτῶν ἐν τοῖς ὅλοις καὶ πειρωμένων ἀντέχεσθαι τῶν πραγμάτων, ἐπεκράτησαν οἱ Λακεδαιμονίοις συμμαχοῦντες, καὶ πολλοὺς μὲν ἐφόνευσαν, τοὺς δὲ διαφυγόντας ἐξεκρύψαν. εὐθὺς δὲ καὶ πρέσβεις ἀπέστειλαν εἰς Λακεδαίμονα περὶ βοηθείας, εὐλαβούμενοι μή τινες τῶν πολιτῶν νεωτερίσωσιν. [3] Λακεδαιμόνιοι δ' αὐτοῖς ἀπέστειλαν ἑπτὰ τριήρεις καὶ τοὺς ἀφηγησομένους τῶν πραγμάτων τρεῖς ἄνδρας, Εὐδόκιμον καὶ Φιλόδοκον καὶ Διφίλαν. οὗτοι δὲ πρῶτον εἰς Σάμον κομισθέντες ἀπέστησαν τὴν πόλιν Ἀθηναίων, ἔπειτα καταπλεύσαντες εἰς Ῥόδον τῶν ἐνταῦθα πραγμάτων εἶχον τὴν ἐπιμέλειαν. [4] οἱ δὲ Λακεδαιμόνιοι, προχωροῦντων αὐτοῖς τῶν πραγμάτων, ἔγνωσαν ἀντέχεσθαι τῆς θαλάττης, καὶ πάλιν ἐκ τοῦ κατ' ὀλίγον ἐκράτουν τῶν συμμάχων ἀθροίσαντες ναυτικόν. οὗτοι μὲν οὖν εἰς τε Σάμον καὶ Κνίδον καὶ Ῥόδον κατέπλευσαν, καὶ πανταχόθεν ναῦς τε καὶ τοὺς ἀρίστους καταγράφοντες ἐπιβάτας ἐξήρτυον πολυτελῶς τριήρεις εἴκοσιν ἑπτά. [5] Ἀγησίλαος δ' ὁ τῶν Λακεδαιμονίων βασιλεὺς, ἀκούων τοὺς Ἀργεῖους περὶ τὴν Κόρινθον διατρίβοντας, ἐξήγαγε τοὺς Λακεδαιμονίους πανδημεὶ πλὴν μιᾶς μόρας. ἐπελθὼν δὲ τὴν Ἀργεῖαν πᾶσαν τὰς μὲν κτήσεις διήρπασεν, τὴν δὲ χώραν δενδροτομήσας εἰς τὴν Σπάρτην ἀπεχώρησεν. 98.

κατὰ δὲ τὴν Κύπρον Εὐαγόρας ὁ Σαλαμίνιος, ὃς ἦν μὲν εὐγενέστατος, τῶν γὰρ κτισάντων τὴν πόλιν ἦν ἀπόγονος, πεφευγὼς δ' ἐν τοῖς ἔμπροσθεν χρόνοις διὰ τινος στάσεις, καὶ μετὰ ταῦτα κατελθὼν μετ' ὀλίγων, τὸν μὲν δυναστεύοντα τῆς πόλεως Ἀβδήμονα τὸν Τύρσιον ἐξέβαλε, φίλον ὄντα τοῦ Περσῶν βασιλέως, αὐτὸς δὲ τὴν πόλιν κατασχὼν τὸ μὲν πρῶτον ἐβασίλευσε τῆς Σαλαμῖνος, μεγίστης οὐσης καὶ δυνατωτάτης τῶν ἐν Κύπρῳ πόλεων: ταχὺ δὲ χρημάτων πολλῶν εὐπορήσας καὶ δύναμιν προχειρισάμενος ἐπεχείρησεν ἅπασαν τὴν νῆσον σφετερίσασθαι. [2] τῶν δὲ πόλεων ἃς μὲν βία χειρωσάμενος, ἃς δὲ πειθοῖ προσλαβόμενος, τῶν μὲν ἄλλων πόλεων ταχὺ τὴν ἡγεμονίαν παρέλαβεν, Ἀμαθούσιοι δὲ καὶ Σόλιοι καὶ Κιτιεῖς ἀντέχοντες τῷ πολέμῳ πρέσβεις ἀπέστειλαν πρὸς Ἀρταξέρξην τὸν τῶν Περσῶν βασιλέα περὶ βοηθείας: καὶ τοῦ μὲν Εὐαγόρου κατηγοροῦν, ὅτι τὸν Ἄγυριν βασιλέα σύμμαχον ὄντα Περσῶν ἀνείλε, τὴν δὲ νῆσον ὡμολόγησαν αὐτῷ συγκατακτήσασθαι. [3] ὁ δὲ βασιλεὺς, οὐ βουλόμενος ἅμα μὲν τὸν Εὐαγόραν ἐπὶ πλεῖον προκόπτειν, ἅμα δὲ διανοούμενος τὴν Κύπρον εὐφυῶς εἶναι κειμένην καὶ ναυτικὴν δύναμιν μεγάλην ἔχειν, ἥ δυνήσεται προπολεμεῖν τῆς Ἀσίας, ἔκρινε συμμαχεῖν, καὶ τούτους μὲν ἐξέπεμψεν, αὐτὸς δὲ πρὸς μὲν τὰς ἐπιθαλαττίους πόλεις καὶ τοὺς ἀφηγουμένους τῶν πόλεων σατράπας ἐπεμψεν ἐπιστολὰς ναυπηγεῖσθαι τριήρεις καὶ τὰ πρὸς τὸν στόλον χρήσιμα ὄντα κατὰ σπουδὴν παρασκευάζεσθαι, Ἐκατόμῳ δὲ τῷ Καρίας δυνάστη προσέταξε πολεμεῖν τῷ Εὐαγόρᾳ. [4] οὗτος δὲ τὰς ἐν ταῖς ἄνω σατραπείαις πόλεις ἐπιπορευόμενος μεγάλαις δυνάμεσι διαβαίνει εἰς τὴν Κύπρον. [5]

τὰ μὲν οὖν κατὰ τὴν Ἀσίαν ἐν τούτοις ἦν, κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι πρὸς Φαλίσκους εἰρήνην ποιησάμενοι, πρὸς δὲ Αἰκίκλους πόλεμον τὸ τέταρτον, καὶ Σούτριον μὲν ᾤκισαν, ἐκ δὲ Οὐερρηγίνος πόλεως ὑπὸ τῶν πολεμίων ἐξεβλήθησαν. 99.

τοῦ δ' ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν ἦρχε Δημόστρατος, ἐν Ῥώμῃ δ' ὑπατοὶ τὴν ἀρχὴν παρειλήφεισαν Λεύκιος Λουκρήτιος καὶ Σερουίλιος. κατὰ δὲ τούτους τοὺς χρόνους Ἀρταξέρξης μὲν Στρούθαν στρατηγὸν κατέπεμψεν ἐπὶ θάλατταν μετὰ δυνάμεως Λακεδαιμονίοις πολεμήσοντα, Σπαρτιάται δὲ τὴν παρουσίαν αὐτοῦ πυθόμενοι Θίβρωνα στρατηγὸν εἰς τὴν Ἀσίαν ἐξέπεμψαν. ὃς κατελάβετο χωρίον Ἴονδα καὶ Κόρνισσον ὄρος ὑψηλόν, τῆς Ἐφέσου ἀπέχον σταδίους τετταράκοντα. [2] οὗτος μὲν οὖν ὀκτακισχιλίους ἔχων στρατιώτας σὺν τοῖς κατὰ τὴν Ἀσίαν ἄθροισθεῖσιν ἐπῆει τὴν τοῦ βασιλέως χώραν φθείρων, Στρούθας δὲ σὺν ἵππῳ τε βαρβαρικῇ πολλῇ καὶ στρατιώταις ὀπλίταις μὲν πεντακισχιλίους, ψιλοῖς δὲ πλείοσι δισμυρίων, οὐ μακρὰν τῶν Λακεδαιμονίων κατεστρατοπέδευσεν. [3] τέλος δὲ τοῦ Θίβρωνος μετὰ μέρους τῆς δυνάμεως ἐξελθόντος καὶ πολλὴν περιβαλομένου λείαν, ἐπελθὼν ὁ Στρούθας τὸν τε Θίβρωνα μαχόμενον ἀνέϊλε, καὶ τῶν στρατιωτῶν τοὺς μὲν πλείστους ἀπέκτεινε, τοὺς δ' ἐξώγηρσεν, ὀλίγοι δ' εἰς τὸ Κνιδίνιον φρούριον δισώθησαν. [4]

Θρασύβουλος δ' ὁ τῶν Ἀθηναίων στρατηγὸς ἐκ τῆς Λέσβου κομιζόμενος μετὰ τοῦ στόλου πρὸς Ἀσπενδον, ὥρμισε τὰς τριήρεις εἰς τὸν Εὐρυμέδοντα ποταμόν. χρήματα δ' εἰληφότος αὐτοῦ παρὰ τῶν Ἀσπενδίων, ὅμως τινὲς τῶν στρατιωτῶν ἐδήλωσαν τὴν χώραν. γενομένης δὲ νυκτὸς οἱ μὲν Ἀσπένδιοι χαλεπῶς ἐνεγκόντες ἐπὶ τοῖς ἀδικήμασιν ἐπέθεντο τοῖς Ἀθηναίοις καὶ τὸν τε Θρασύβουλον καὶ τινὰς τῶν ἄλλων ἀνέϊλαν· οἱ δὲ τῶν Ἀθηναίων τριήραρχοι περιδεεῖς γενόμενοι καὶ ταχὺ πληρώσαντες τὰς ναῦς, εἰς Ῥόδον ἐξέπλευσαν. [5] ἀφεστηκυίας δὲ τῆς πόλεως, καὶ τῶν φυγάδων φρούριόν τι κατειληφότων, μετὰ τούτων διεπολέμουν πρὸς τοὺς κατὰ τὴν πόλιν. οἱ δ' Ἀθηναῖοι πυθόμενοι τὴν Θρασυβούλου τοῦ στρατηγοῦ τελευτήν, Ἀγύριον στρατηγὸν ἐξέπεμψαν. τὰ μὲν οὖν κατὰ τὴν Ἀσίαν ἐν τούτοις ἦν. 100.

κατὰ δὲ τὴν Σικελίαν ὁ τῶν Συρακουσίων τύραννος Διονύσιος σπεύδων τῇ κατὰ τὴν νῆσον δυναστείᾳ καὶ τοὺς κατ' Ἰταλίαν Ἕλληνας προσλαβέσθαι, τὴν μὲν ἐπ' ἐκείνους κοινὴν στρατείαν εἰς ἕτερον καιρὸν ἀνεβάλετο, κρίνας δὲ συμφέρειν ἐπιχειρεῖν πρώτη τῇ τῶν Ῥηγίνων πόλει διὰ τὸ προπολεμητήριον αὐτὴν εἶναι τῆς Ἰταλίας, ὥρμησεν ἐκ Συρακουσῶν μετὰ τῆς δυνάμεως. [2] εἶχε δὲ πεζοὺς μὲν δισμυρίους, ἵππεῖς δὲ χιλίους, ναῦς δ' ἑκατὸν εἴκοσι. περαιώσας δὲ τὴν δύναμιν ἐπὶ τοὺς ὅρους τῆς Λοκρίδος, ἐκείθεν διὰ τῆς μεσογείου τὴν πορείαν ἐποιεῖτο, τέμνων καὶ πυρπολῶν τὴν τῶν Ῥηγίνων χώραν· συμπαρέπλευσε δὲ καὶ ὁ στόλος ἐπὶ θάτερα μέρη τῆς θαλάττης, καὶ πάσῃ τῇ δυνάμει περὶ τὸν πορθμὸν κατεστρατοπέδευσεν. [3] οἱ δ' Ἴταλοὶ πυθόμενοι τὴν τοῦ Διονυσίου διάβασιν ἐπὶ τὸ Ῥήγιον, ἀπέστειλαν ἐκ Κρότωνος ναῦς ἐξήκοντα, σπεύδοντες παραδοῦναι τοῖς Ῥηγίνοις. μετεώρων δὲ πλεουσῶν αὐτῶν ὁ Διονύσιος πεντήκοντα ναῦς ἔχων ἐπέπλευσε, καὶ φυγόντων αὐτῶν ἐπὶ τὴν γῆν οὐδὲν ἤττον ἐπέκειτο, καὶ συνδήσας ἀπέσπα τὰς

παρορμούσας τῇ γῇ. [4] κινδυνευουσῶν δὲ τῶν ἐξήκοντα τριήρων ἁλῶναι Ῥηγῖνοι πανδημεὶ παρεβοήθησαν, καὶ ἀπὸ τῆς γῆς τῷ πλήθει τῶν βελῶν ἀνείρξαν τὸν Διονύσιον. ἐπιγενομένων δὲ πνευμάτων μεγάλων οἱ μὲν Ῥηγῖνοι τὰς ναῦς ἀνείλκυσαν ἐπὶ τὴν γῆν, Διονύσιος δ' ἰσχυρῶς χειμασθεὶς ἐπτά ναῦς ἀπώλεσε καὶ σὺν αὐταῖς ἄνδρας οὐκ ἐλάττους χιλίων πεντακοσίων. [5] τούτων δ' ἅμα ταῖς ναυσὶν ἐκβρασθέντων ἐπὶ τὴν Ῥηγίνην, οἱ Ῥηγῖνοι πολλοὺς τῶν ναυτῶν ἐξώγησαν. Διονύσιος δ' ἐπὶ πεντήρους πλέων, καὶ πολλάκις παρ' ὀλίγον ἐλθὼν ὑποβρύχιος, μόγις περὶ μέσας νύκτας εἰς τὸν ἐν Μεσσήνῃ λιμένα κατέφυγεν. ἤδη δὲ καὶ τῆς χειμερινῆς ὥρας ἐνισταμένης οὗτος μὲν πρὸς Λευκανοὺς συμμαχίαν ποιησάμενος ἀπήγαγε τὰς δυνάμεις εἰς Συρακούσας. 101. μετὰ δὲ ταῦτα Λευκανῶν τὴν Θουρίαν καταδραμόντων οἱ Θούριοι παρήγγειλαν τοῖς συμμάχοις κατὰ τάχος ἀπαντᾶν μετὰ τῶν ὄπλων: αἱ γὰρ κατὰ τὴν Ἰταλίαν Ἑλληνίδες πόλεις ἐν ταῖς συνθήκαις εἶχον οὕτως, ἵν' ἦτις ἂν ὑπὸ τῶν Λευκανῶν λεηλατηθῇ χώρα, πρὸς ταύτην ἅπαντες παραβοηθῶσιν: ἥς δ' ἂν πόλεως μὴ καταστῇ τὸ στρατόπεδον ἐπὶ τὴν βοήθειαν, τεθνάναι τοὺς ἐκείνης τῆς πόλεως στρατηγούς. [2] διόπερ τῶν Θουρίων τοὺς βιβλιαφόρους ἀποστειλάντων ἐπὶ τὰς πόλεις πρὸς τὴν τῶν πολεμίων παρουσίαν, ἅπαντες παρεσκευάζοντο πρὸς τὴν ἀνάξουσαν. αὐτοὶ δὲ προεξαναστάντες ταῖς ὁρμαῖς καὶ τὸ τῶν συμμάχων πλῆθος οὐκ ἀναμεινάντες, ἀνέξευξαν ἐπὶ τοὺς Λευκανοὺς, ἔχοντες πεζοὺς μὲν πλείους τῶν μυρίων τετρακισχιλίων, ἵππεῖς δὲ σχεδὸν χιλίους. [3] καὶ Λευκανοὶ μὲν ἀκούσαντες τὴν τῶν πολεμίων ἔφοδον ἀπεχώρησαν εἰς τὴν ἰδίαν χώραν: οἱ δὲ Θούριοι κατὰ σπουδὴν ἐμβαλόντες εἰς τὴν Λευκανίαν, τὸ μὲν πρῶτον φρούριον ἐξεῖλον, καὶ πολλῆς ὠφελείας κυριεύσαντες καθαπερεὶ δέλεαρ ἔλαβον τῆς ἑαυτῶν ἀπωλείας. φρονηματισθέντες γὰρ ἐπὶ τῷ προτερήματι καταπεφρονηκότως διὰ τινων στενῶν καὶ ἀποκρήμνων ὁδῶν ἐπορεύθησαν, βουλόμενοι Λᾶον πόλιν εὐδαίμονα πολιορκῆσαι. [4] ἐπειδὴ δὲ παρεγενήθησαν εἰς τι πεδίον κύκλω λόφοις ὑψηλοῖς καὶ κρημνοῖς περιειλημμένον, ἐνταῦθα οἱ Λευκανοὶ πάσῃ τῇ δυνάμει διέκλεισαν αὐτοὺς τῆς ἐπὶ τὰς πατρίδας ἐπανόδου. παράδοξον δ' ἐπὶ τῷ λόφῳ καὶ φανεράν ποιήσαντες τὴν ἑαυτῶν ἐπιφάνειαν ἐξέπληξαν τοὺς Ἑλληνας διὰ τε τὸ μέγεθος τοῦ στρατοπέδου καὶ τὴν τῶν τόπων δυσχωρίαν: εἶχον γὰρ Λευκανοὶ τότε πεζοὺς μὲν τρισμύριους, ἵππεῖς δ' οὐκ ἐλάττους τετρακισχιλίων. 102. τῶν δ' Ἑλλήνων ἀνελπίστως τηλικούτῳ περιεχομένων κινδύνῳ, κατέβαινον εἰς τὸ πεδίον οἱ βάρβαροι. γενομένης δὲ παρατάξεως, καὶ τῶν Ἰταλιωτῶν καταπολεμηθέντων ὑπὸ τοῦ πλήθους τῶν Λευκανῶν, ἔπεσον μὲν πλείους τῶν μυρίων: παρήγγελλον γὰρ οἱ Λευκανοὶ μηθένα ζωγεῖν: τῶν δὲ λοιπῶν οἱ μὲν ἐπὶ τινα πρὸς τῇ θαλάσῃ λόφον ἔφυγον, οἱ δὲ θεωροῦντες ναῦς μακρὰς προσπλεύσας καὶ νομίζοντες τὰς τῶν Ῥηγίνων εἶναι, συνέφυγον εἰς τὴν θάλασσαν καὶ διενήχοντο ἐπὶ τὰς τριήρεις. [2] ἦν δὲ ὁ στόλος ὁ προσπλέων Διονυσίου τοῦ τυράννου, καὶ ναύαρχος ὑπῆρχεν αὐτῷ Λεπτίνης ὁ ἀδελφός, ἀπεσταλμένος τοῖς Λευκανοῖς ἐπὶ βοήθειαν. ὁ μὲν οὖν Λεπτίνης δεξάμενος φιλανθρώπως τοὺς νηχομένους ὥς ἐπὶ τὴν γῆν ἀπεβίβασε καὶ ἔπεισε τοὺς Λευκανοὺς ὑπὲρ ἐκάστου τῶν αἰχμαλώτων λαβεῖν ἀργυρίου μᾶν: οὗτοι δ' ἦσαν τὸν ἀριθμὸν ὑπὲρ τοὺς χιλίους. [3] γερόμενος δὲ τῶν

χρημάτων ἐγγυητῆς καὶ διαλλάξας τοὺς Ἰταλιώτας τοῖς Λευκανοῖς ἐπεισεν εἰρήνην ποιήσασθαι, καὶ μεγάλης ἀποδοχῆς ἔτυχε παρὰ τοῖς Ἰταλιώταις, συμφερόντως αὐτῷ, οὐ λυσιτελῶς δὲ Διονυσίῳ συντεθεικῶς τὸν πόλεμον. ἤλπιζε γὰρ ὁ Διονύσιος τῶν Ἰταλιωτῶν πολεμοῦντων πρὸς Λευκανοὺς ἐπελθὼν ῥαδίως ἂν κρατῆσαι τῶν κατ' Ἰταλίαν πραγμάτων, ἀπολελυμένων δὲ τηλικούτου πολέμου δυσχερῶς ἂν περιγενέσθαι. διόπερ τοῦτον μὲν ἀπῆλλαξε τῆς ναυαρχίας, Θεαρίδην δὲ τὸν ἕτερον ἀδελφὸν ἡγεμόνα τοῦ στόλου κατέστησεν. [4]

τούτων δὲ πραχθέντων Ῥωμαῖοι τὴν τῶν Οὐεξίων χώραν κατεκληρούχησαν, κατ' ἄνδρα δόντες πλέθρα τέτταρα, ὥς δέ τινες, εἴκοσι ὀκτώ: καὶ πρὸς μὲν Αἰκούσους διαπολεμοῦντες Λίφλον πόλιν κατὰ κράτος εἶλον, Οὐελιτρίνων δ' ἀποστάντων πόλεμον πρὸς αὐτοὺς ἐνεστήσαντο. ἀπέστη δὲ καὶ Σάτρικον ἀπὸ Ῥωμαίων, καὶ εἰς Κερκίους ἀποικίαν ἀπέστειλαν. 103.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχεν Ἀντίπατρος, ἐν δὲ τῇ Ῥώμῃ τὴν ὑπατικὴν ἀρχὴν διώκουν Λεύκιος Οὐαλέριος καὶ Αὐλὸς Μάλλιος. περὶ δὲ τούτους τοὺς χρόνους Διονύσιος ὁ τῶν Συρακοσίων δυνάστης φανερῶς ἑαυτὸν ἀναδείξας ἐπὶ τὴν Ἰταλίαν στρατευσόμενον, μετὰ πλείστης δυνάμεως ὥρμησεν ἀπὸ Συρακουσῶν. [2] εἶχε δὲ πεζοὺς μὲν πλείους τῶν δισμυρίων, ἵππεῖς δὲ περὶ τρισχιλίους, ναῦς δὲ μακρὰς μὲν τεσσαράκοντα, τὰς δὲ τὸν σῖτον κομιζούσας οὐκ ἐλάττους τριακοσίων. πεμπταῖος δὲ κατανύσας εἰς τὴν Μεσσήνην, αὐτὸς μὲν ἐν τῇ πόλει τὴν δύναμιν ἀνελάμβανε, Θεαρίδην δὲ τὸν ἀδελφὸν ἐπὶ τὰς Λιπαραίων νήσους ἀπέστειλε μετὰ νεῶν τριάκοντα: πεπυσμένοις γὰρ ἦν δέκα ναῦς τῶν Ῥηγίνων περὶ ἐκείνους τοὺς τόπους οὔσας. [3] ὁ δὲ Θεαρίδης ἐκπλεύσας καὶ καταλαβὼν τὴν Ῥηγίνων δεκαναῖαν ἐν τισιν εὐθέτοις τόποις, αὐτάνδρων τῶν σκαφῶν ἐκυρίευσεν καὶ ταχέως εἰς Μεσσήνην πρὸς Διονύσιον ἐπέστρεψε. Διονύσιος δὲ τοὺς αἰχμαλώτους εἰς δεσμὰ καταθέμενος τοῖς Μεσσηνίοις ἔδωκε φυλάττειν, αὐτὸς δὲ περαιώσας τὴν δύναμιν εἰς Καυλωνίαν περιεστρατοπέδευσε τὴν πόλιν, καὶ τὰς μηχανὰς προσερείσας πυκνὰς προσβολὰς ἐποίεῖτο. [4] οἱ δὲ κατὰ τὴν Ἰταλίαν Ἕλληνες ὥς ἐπύθοντο τὰς τοῦ Διονυσίου δυνάμεις περαιουμένας τὸν διείργοντα πορθμὸν, καὶ αὐτοὶ στρατόπεδα συνήθροίζον. τῆς δὲ τῶν Κροτωνιατῶν πόλεως μάλιστα πολυοχλουμένης καὶ πλείστους ἐχούσης Συρακοσίους φυγάδας, τούτοις τὴν ἡγεμονίαν τοῦ πολέμου παρέδωκαν: [5] οἱ δὲ Κροτωνιάται τὰς πανταχόθεν δυνάμεις ἀθροίσαντες στρατηγὸν Ἐλωριν τὸν Συρακόσιον εἶλοντο. οὗτος δὲ πεφευγὼς Διονύσιον καὶ δοκῶν τόλμαν ἔχειν ἔμπρακτον, πιστότατα πρὸς τὸν τύραννον πολεμήσειν διὰ τὸ μῖσος ὑπείληπτο. ὥς δὲ πάντες οἱ σύμμαχοι παρεγενήθησαν εἰς Κρότωνα, κατὰ τὴν ἑαυτοῦ προαίρεσιν Ἐλωρις διατάξας ὥρμησεν μετὰ πάσης τῆς δυνάμεως ἐπὶ Καυλωνίας: [6] ἅμα γὰρ ἐνόμιζεν ἐπιφανεῖς λύσειν τὴν πολιορκίαν, ἅμα δὲ καταπεπονημένους τοὺς πολεμίους ὑπὸ τῶν καθ' ἡμέραν προσβολῶν διαγωνιεῖσθαι. εἶχε δὲ τοὺς ἅπαντας πεζοὺς μὲν περὶ δισμυρίους πεντακισχιλίους, ἵππεῖς δὲ περὶ δισχιλίους. 104. διανυσάντων δ' αὐτῶν τὸ πλεῖστον τῆς ὁδοῦ καὶ στρατοπεδευσάντων πρὸς τὸν Ἐλέπορον ποταμόν,

ἀνέξευξεν ὁ Διονύσιος ἀπὸ τῆς πόλεως καὶ συνήντα τοῖς Ἰταλιώταις. ὁ μὲν οὖν Ἑλωρις μετὰ τῶν ἀρίστων πεντακοσίων προηγείτο τῆς δυνάμεως, ὁ δὲ Διονύσιος ἔτυχε μὲν ἀπὸ τεσσαράκοντα σταδίων ἐστρατοπεδευκῶς τῶν ἐναντίων, διὰ δὲ τῶν κατασκόπων μαθὼν ἐγγὺς ὄντας τοὺς πολεμίους, ὄρθρου τὴν δύναμιν ἐγείρας προήγαγεν εἰς τοῦμπροσθεν. [2] ἅμα δ' ἡμέρα τοῖς περὶ τὸν Ἑλωριν ὀλίγοις οὖσιν ἀπαντήσας ἄφνω προσεμάχeto, καὶ διεσκευασμένην ἔχων τὴν δύναμιν ἀνοχὴν οὐδ' ἡντιοῦν ἐδίδου τοῖς πολεμίους. [3] ὁ δ' Ἑλωρις εἰς πολλὴν ἐμπεσὼν ἀπορίαν, αὐτὸς μὲν μεθ' ὧν εἶχεν ὑπέστη τοὺς ἐπιφερομένους, τῶν δὲ φίλων τινὰς ἀπέστειλεν ἐπὶ τὸ στρατόπεδον, ἐπισπεῦσαι τὰ πλήθη παρακελευόμενος. ὧν ταχέως ποιησάντων τὸ προσταχθέν, οἱ μὲν Ἰταλιῶται πυθόμενοι τὸν στρατηγὸν καὶ τοὺς μετ' αὐτοῦ κινδυνεύοντας δρομαῖοι παρήσαν ἐπὶ τὴν βοήθειαν, ὁ δὲ Διονύσιος ἄθρόα τῇ δυνάμει περιχυθεὶς τὸν θ' Ἑλωριν καὶ τοὺς μετ' αὐτοῦ γενναίως ἀγωνισαμένους σχεδὸν ἅπαντας ἀνείλε. [4] τῶν δ' Ἰταλιωτῶν σποράδην διὰ τὴν σπουδὴν ἐκβοηθούντων, οἱ Σικελιώται τὰς τάξεις διαφυλάττοντες ῥαδίως τῶν πολεμίῳν περιεγίνοντο. οὐ μὴν ἄλλ' ἐπὶ μὲν τινα χρόνον οἱ κατὰ τὴν Ἰταλίαν Ἕλληνες ὑπέμενον τὸν κίνδυνον, καίπερ ἑαυτῶν πολλοὺς ὀρῶντες ἀναιρουμένους· ὥς δὲ τὴν τοῦ στρατηγοῦ τελευτὴν ἐπύθοντο καὶ διὰ τὸν θόρυβον ἀλλήλοις ἐμπίπτοντες ἡλαττοῦντο μεγάλως, τότε δὴ τελέως ἄθυμῆσαντες ἐτράπησαν. 105. πολλῶν δ' ἀναιρουμένων ἐν τῇ κατὰ τὸ πεδῖον τροπῇ, κατέφυγε τὸ πλῆθος ἐπὶ τινα λόφον, ἐρυμνὸν μὲν ὄντα πρὸς τὴν πολιορκίαν, ἄνυδρον δὲ καὶ δυνάμενον ῥαδίως ὑπὸ τῶν πολεμίῳν φυλάττεσθαι. ὃν ὁ Διονύσιος περιστρατοπεδεύσας τὴν τε ἡμέραν ἐκείνην καὶ τὴν νύκτα διηγρύπνησεν ἐν τοῖς ὅπλοις, ἐπιμελῶς ταῖς φυλακαῖς χρησάμενος. τῇ δ' ὑστεραίᾳ διὰ τὸ καῦμα καὶ τὴν ἀνυδρίαν οἱ συμπεφευγότες κακῶς ἀπήλλαττον. [2] ἐπικηρυκευσαμένων δ' αὐτῶν πρὸς τὸν Διονύσιον καὶ παρακαλούντων λύτρα πράξασθαι, οὐ μέτριος ἐν τοῖς εὐημερήμασι γενόμενος προσέταττεν ἀποθέσθαι τὰ ὅπλα καὶ σφᾶς αὐτοὺς ἐγχειρίσαι τῷ κρατοῦντι. σκληροῦ δὲ τοῦ προστάγματος ὄντος, μέχρι μὲν τινος διεκαρτέρουν, ὥς δ' ὑπὸ τῆς φυσικῆς ἀνάγκης κατεβαροῦντο, παρέδωκαν αὐτοὺς περὶ ὀγδόην ὥραν, ἥδη τὰ σώματα παρειμένοι. [3] Διονύσιος δὲ λαβὼν ῥάβδον καὶ πατάξας ἐπὶ τοῦ ἐδάφους ἡρίθμει τοὺς καταβαίνοντας αἰχμαλώτους, ὄντας πλείους τῶν μυρίων. καὶ πάντων αὐτοῦ ὑποπτευόντων τὸ θηριῶδες, τοῦναντίον ἐφάνη πάντων ἐπιεικέστατος· [4] τοὺς τε γὰρ αἰχμαλώτους ἀφῆκεν αὐτεξουσίους χωρὶς λύτρων καὶ πρὸς τὰς πλείστας τῶν πόλεων εἰρήνην συνθέμενος ἀφῆκεν αὐτονόμους. ἐπὶ δὲ τούτοις ἐπαίνου τυχὼν ὑπὸ τῶν εὖ παθόντων χρυσοῖς στεφάνοις ἐτιμήθη, καὶ σχεδὸν τοῦτ' ἔδοξε πράξειν ἐν τῷ ζῆν κάλλιστον. 106.

ἐπὶ δὲ Ῥήγιον ἀναζεύξαντος αὐτοῦ, καὶ μετὰ τῆς δυνάμεως παρεσκευασμένου πολιορκεῖν διὰ τὴν περὶ τῆς ἐπιγαμίας ὕβριν, ἀγωνία πολλὴ κατεῖχε τοὺς Ῥηγίους· οὔτε γὰρ συμμάχους οὔτε δύναμιν ἀξιόμαχον εἶχον, πρὸς δὲ τούτοις ἥδειςαν ὅτι τῆς πόλεως ἀλούσης οὐτ' ἔλεος οὔτε δέησις αὐτοῖς ἀπελείπετο. [2] διόπερ ἔκριναν ἀποστεῖλαι πρέσβεις τοὺς δεησομένους μετρίως αὐτοῖς χρήσασθαι καὶ παρακαλέσαι μηδὲν περὶ αὐτῶν ὑπὲρ ἄνθρωπον βουλευσασθαι. [3] ὁ δὲ Διονύσιος τριακόσια τάλαντα πραξάμενος

καὶ τὰς ναῦς ἀπάσας παραλαβὼν οὖσας ἐβδομήκοντα, προσέταξεν ἑκατὸν ὁμήρους δοῦναι δοθέντων δὲ πάντων ἀνέξευξεν ἐπὶ Καυλωνίαν. ταύτης δὲ τοὺς μὲν ἐνοικοῦντας εἰς Συρακούσας μετόκισε καὶ πολιτείαν δούς πέντε ἔτη συνεχώρησεν ἀτελεῖς εἶναι, τὴν δὲ πόλιν κατασκάψας τοῖς Λοκροῖς τὴν χώραν τῶν Καυλωνιατῶν ἐδώρησατο. [4]

Ῥωμαῖοι δὲ Λιφοίκουαν πόλιν ἐκ τοῦ τῶν Αἰκῶν ἔθνους ἐλόντες, κατὰ τὰς τῶν ὑπάτων εὐχὰς μέγαν ἀγῶνα τῷ Διὶ συνετέλεσαν. 107.

τοῦ δ' ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν ἦρχε Πυργίων, ἐν δὲ τῇ Ῥώμῃ τὴν ὑπατον ἀρχὴν μετέλαβον χιλίαρχοι τέσσαρες, Λεύκιος Λουκρήτιος, Σερούιος Σουλπίκιος, Γάιος Αἰμίλιος καὶ Γάιος Ῥούφος, Ὀλυμπιάς δ' ἤχθη ὀγδόη πρὸς ταῖς ἐνενήκοντα, καθ' ἣν ἐνίκα Σώσιππος Ἀθηναῖος. [2] τούτων δὲ τὴν ἀρχὴν παρειληφότων Διονύσιος ὁ τῶν Συρακοσίων δυνάστης πορευθεὶς εἰς Ἰππώνιον μετὰ τῆς δυνάμεως, τοὺς μὲν κατοικοῦντας ἐν αὐτῇ μετόκισεν εἰς τὰς Συρακούσας, τὴν δὲ πόλιν κατασκάψας τοῖς Λοκροῖς προσεμέρισε τὴν χώραν. [3] κατὰ τὸ συνεχὲς γὰρ ἐφιλοτιμεῖτο τοὺς Λοκροὺς εὖ ποιεῖν διὰ τὴν συγχωρηθεῖσαν ἐπιγαμίαν: τοὺς δὲ Ῥηγίνοὺς ἐπεθύμει τιμωρῆσασθαι διὰ τὴν περὶ τῆς οἰκειότητος ἀδικίαν. καθ' ὃν γὰρ καιρὸν ἀπέστειλε πρὸς αὐτοὺς πρέσβεις ἀξιῶν αὐτῷ συγχωρηθῆναι τῶν πολιτικῶν παρθένων γαμῆσαι, φασὶ τοὺς Ῥηγίνοὺς ἀποκριθῆναι δημοσίᾳ τοῖς πρέσβεσιν, ὥς μόνην αὐτῷ συγχωρῆσαι γαμεῖν τὴν τοῦ δημίου θυγατέρα. [4] διὰ τοῦτο βαρέως φέρων καὶ δοκῶν ὑπερβαλλόντως ὑβρίσθαι, πολὺς ἦν ἐπὶ τῇ κατ' αὐτῶν τιμωρίᾳ. καὶ γὰρ ἐν τῷ πρότερον ἐνιαυτῷ τὴν εἰρήνην συνέθετο πρὸς αὐτοὺς οὐ τῆς φιλίας ὀρεγόμενος, ἀλλὰ τὴν ναυτικὴν δύναμιν παρελέσθαι βουλούμενος, οὖσαν τριήρων ἐβδομήκοντα: διελάμβανε γὰρ τῆς κατὰ θάλατταν βοηθείας ἀποκλεισθείσης ῥαδίως ἐκπολιορκήσιν τὴν πόλιν. [5] διόπερ κατὰ τὴν Ἰταλίαν ἐνδιατρίβων ἐξήτει πρόφασιν εὐλογον, δι' ἧς οὐ παρὰ τὴν ἀξίαν τὴν ἰδίαν δόξει λελυκέναι τὰς συνθήκας. 108. ἀγαγὼν οὖν πρὸς τὸν πορθμὸν τὰς δυνάμεις, τὰ πρὸς τὴν διάβασιν παρεσκευάζετο. καὶ πρῶτον μὲν ἤτει τοὺς Ῥηγίνοὺς ἀγοράς, ἐπαγγελλούμενος ταχέως τὰς δοθείσας ἀποστέλλειν ἐκ Συρακουσῶν. τοῦτο δ' ἐπραττεν, ὅπως μὴ διδόντων μὲν αὐτῶν δικαίως δόξῃ τὴν πόλιν ἐλεῖν, δόντων δ' ἐνόμιζεν ἐξαναλώσειν αὐτῶν τὸν σῖτον καὶ προσκαθίσας τὴν πόλιν διὰ τὴν σπάνιν ταχὺ κυριεύσειν αὐτῆς. [2] οἱ δὲ Ῥηγῖνοι τούτων μὲν οὐδὲν ὑπονοοῦντες τὸ μὲν πρῶτον ἐφ' ἡμέρας τινὰς ἐχορήγουν τὰς τροφὰς λαμπρῶς: ὥς δὲ πλείονα χρόνον ἐνδιέτριβε, ποτὲ μὲν ἄρρωστίαν, ποτὲ δὲ ἄλλας προφάσεις ποριζόμενος, ὑπονοήσαντες αὐτοῦ τὴν ἐπιβολήν, οὐκέτι παρεῖχον τὰς τροφὰς τῷ στρατοπέδῳ. [3] ὁ δὲ Διονύσιος ἐπὶ τούτῳ προσποιηθεὶς ἀγανακτεῖν, τοὺς μὲν ὁμήρους τοῖς Ῥηγίνοις ἀπέδωκε, τὴν δὲ πόλιν περιστρατοπεδεύσας καθ' ἡμέραν προσβολὰς ἐποιεῖτο. κατεσκεύασε δὲ καὶ μηχανημάτων πολὺ πλῆθος ἀπίστων τοῖς μεγέθεσι, δι' ὧν τὰ τεῖχη σαλεύων ἐφιλοτιμεῖτο κατὰ κράτος ἐλεῖν τὴν πόλιν. [4] οἱ δὲ Ῥηγῖνοι στρατηγὸν ἐλόμενοι Φύτωνα, καὶ πάντας τοὺς ἐν ἡλικίᾳ καθοπλίσαντες, ταῖς τε φυλακαῖς ἐπιμελῶς ἐχρῶντο καὶ κατὰ τὰς εὐκαιρίας ἐξιόντες ἐνεπύριζον τὰς τῶν πολεμίων μηχανάς. [5] οὗτοι μὲν οὖν πολλάκις ὑπὲρ τῆς πατρίδος λαμπρῶς ἀγωνιζόμενοι πρὸ τῶν τειχῶν, τὴν τε τῶν πολεμίων ὀργὴν

ἐξέκαυσαν καὶ πολλοὺς μὲν ἑαυτῶν ἀπέβαλον, οὐκ ὀλίγους δὲ καὶ τῶν Σικελιωτῶν ἀνεῖλον. [6] καὶ αὐτὸν δὲ τὸν Διονύσιον συνέβη λόγῃ πληγέντα παρὰ τὸν βουβῶνα παρ' ὀλίγον μὲν τελευτῆσαι, μόγις δὲ αὐτὸν ἀναλαβεῖν ἐκ τοῦ τραύματος. χρονιζούσης δὲ τῆς πολιορκίας διὰ τὸ τοὺς Ῥηγίνους ἀνυπέρβλητον εἰσφέρεισθαι σπουδὴν ὑπὲρ τῆς ἐλευθερίας, Διονύσιος τὰς μὲν δυνάμεις συνεῖχεν ἐν ταῖς καθ' ἡμέραν προσβολαῖς καὶ τὴν ἐξ ἀρχῆς πρόθεσιν οὐκ ἐγκατέλειπεν. 109. τῶν δ' Ὀλυμπίων ἐγγὺς ὄντων ἀπέστειλεν εἰς τὸν ἀγῶνα τέθριππα πλείω, διαφέροντα πολὺ τῶν ἄλλων τοῖς τάχεσι, καὶ σκηνὰς εἰς τὴν πανήγυριν διαχρύσους καὶ πολυτελέσι ποικίλοις ἱματίοις κεκοσμημένας. ἔπεμψε δὲ καὶ ῥαψωδοὺς τοὺς κρατίστους, ὅπως ἐν τῇ πανηγύρει τὰ ποιήματα αὐτοῦ προφερόμενοι ποιήσωσιν ἔνδοξον τὸν Διονύσιον: σφόδρα γὰρ εἰς τὴν ποιητικὴν ὑπῆρχε μεμηνώς. [2] τούτων δ' ἐπιμελητὴν συνεξέπεμψε Θεαρίδην τὸν ἀδελφόν: ὃς ἐπεὶ παρεγένετο εἰς τὴν πανήγυριν, ἐπὶ μὲν τῷ κάλλει τῶν σκηνῶν καὶ τῷ πλήθει τῶν τεθρίππων ἦν περίβλεπτος: ὥς δ' ἐπεβάλονθ' οἱ ῥαψωδοὶ προφέρεσθαι τοῦ Διονυσίου τὰ ποιήματα, κατ' ἀρχὰς μὲν διὰ τὴν εὐφωνίαν τῶν ὑποκριτῶν συνέδραμε τὰ πλήθη καὶ πάντες ἐθαύμαζον: μετὰ δὲ ταῦτα ἀναθεωροῦντες τὴν κακίαν τῶν ποιημάτων, διεγέλων τὸν Διονύσιον καὶ κατεγίνωσκον ἐπὶ τοσοῦτον, ὥστε τινὰς τολμῆσαι διαρπάζειν τὰς σκηνάς. [3] καὶ γὰρ Λυσίας ὁ ῥήτωρ τότε διατρίβων ἐν Ὀλυμπίᾳ προετρέπετο τὰ πλήθη μὴ προσδέχεσθαι τοῖς ἱεροῖς ἀγῶσι τοὺς ἐξ ἀσεβεστάτης τυραννίδος ἀπεσταλμένους θεωροὺς: ὅτε καὶ τὸν Ὀλυμπιακὸν λόγον ἐπιγραφόμενον ἀνέγνω. [4] τοῦ δ' ἀγῶνος συντελουμένου συνέβη κατὰ τύχην τῶν Διονυσίου τεθρίππων τὰ μὲν ἐκπεσεῖν ἐκ τοῦ δρόμου, τὰ δ' ἁλλήλοις ἐμπεσόντα συντριβῆναι, παραπλησίως δὲ καὶ τὴν παρακομίζουσιν ναὺν τοὺς θεωροὺς ἀπὸ τῶν ἀγώνων ἀναχθεῖσαν εἰς τὴν Σικελίαν ἐκπεσεῖν τῆς Ἰταλίας εἰς Τάραντα διὰ τινὰς χειμῶνας. [5] διὸ καὶ φασὶ σωθέντας τοὺς ναύτας εἰς Συρακούσας διαγγέλλειν κατὰ τὴν πόλιν, ὅτι διὰ τὴν κακίαν τῶν ποιημάτων οὐ μόνον οἱ ῥαψωδοῦντες, ἀλλὰ σὺν τούτοις τὰ τε τέθριππα καὶ ἡ ναὺς ἐξέπεσον. [6] ὁ δὲ Διονύσιος πυθόμενος τὸν τῶν ποιημάτων διασυρμόν, καὶ τῶν κολάκων λεγόντων ὅτι πᾶσι τοῖς καλῶς πρattoμένοις φθονοῦντες ἐξ ὑστέρου θαυμάζουσιν, οὐκ ἀφίστατο τῆς περὶ τὴν ποίησιν σπουδῆς. [7]

Ῥωμαῖοι δὲ πρὸς Οὐολσινίτας περὶ Γουράσιον παραταξάμενοι πολλοὺς τῶν πολεμίων ἀνεῖλον. 110.

τούτων δὲπραχθέντων ὁ μὲν ἐνιαύσιος χρόνος παρεληλύθει, παρὰ δὲ τοῖς Ἀθηναίοις ἦρχε Θεόδωτος, ἐν δὲ τῇ Ῥώμῃ τὴν ὑπατικὴν ἀρχὴν εἶχον χιλιάρχοι ἕξ, Κόιντος Καίσων Σουλπίκιος, Αἴνος Καίσων Φάβιος, Κόιντος Σερούλιος, Πόπλιος Κορνήλιος. [2] τούτων δὲ τὴν ἀρχὴν παρειληφόντων Λακεδαιμόνιοι κακοπαθοῦντες τῷ πολέμῳ τῷ τε πρὸς τοὺς Ἕλληνας καὶ τῷ πρὸς τοὺς Πέρσας, Ἀνταλκίδαν τὸν ναύαρχον ἐξαπέστειλαν πρὸς Ἀρταξέρξην ὑπὲρ εἰρήνης. [3] διαλεχθέντος δ' αὐτοῦ περὶ ὧν ἦν ἀπεσταλμένος ἐνδεχομένως, ὁ βασιλεὺς ἔφησεν ἐπὶ τοῖσδε ποιήσασθαι τὴν εἰρήνην: τὰς μὲν κατὰ τὴν Ἀσίαν Ἑλληνίδας πόλεις ὑπὸ βασιλείᾳ τετάχθαι, τοὺς δ' ἄλλους Ἕλληνας ἅπαντας αὐτονόμους εἶναι: τοῖς δὲ ἀπειθοῦσι καὶ μὴ προσδεχομένοις τὰς συνθήκας διὰ

τῶν εὐδοκούντων πολεμήσειν. [4] οἱ μὲν οὖν Λακεδαιμόνιοι τούτοις εὐδοκήσαντες ἡσυχίαν ἤγον, Ἀθηναῖοι δὲ καὶ Θηβαῖοι καὶ τινες ἕτεροι τῶν Ἑλλήνων βαρέως ἔφερον ἐπὶ τῷ τὰς κατὰ τὴν Ἀσίαν πόλεις ἐγκαταλελειφθαι· καθ' αὐτοὺς δὲ οὐκ ὄντες ἀξιόμαχοι, κατ' ἀνάγκην συνεχώρησαν καὶ προσεδέξαντο τὴν εἰρήνην. [5]

καὶ ὁ μὲν βασιλεὺς διαλυθείσης τῆς πρὸς τοὺς Ἕλληνας διαφορᾶς παρεσκευάζετο τὰς δυνάμεις εἰς τὸν Κυπριακὸν πόλεμον· ὁ γὰρ Εὐαγόρας σχεδὸν ὅλην τὴν Κύπρον ἦν κεκτημένος καὶ δυνάμεις ἀδράς συνηθοῖκει διὰ τὸ τὸν Ἀρταξέρξην τῷ πρὸς τοὺς Ἕλληνας πολέμῳ διεσπᾶσθαι. 111.

Διονυσίου δὲ σχεδὸν ἐνδέκατον μῆνα Ῥήγιον πολιορκούντος καὶ τὰς πανταχόθεν βοηθείας ἀποκεκλεικός, εἰς δεινὴν σπάνιν τῶν ἀναγκαίων οἱ κατὰ τὴν πόλιν παρεγενήθησαν· φασὶ γὰρ παρὰ τοῖς Ῥηγίνοις κατ' ἐκείνους τὸν καιρὸν πέντε μῶν γενέσθαι τὸν μέδιμνον τοῦ σίτου. [2] καταπονούμενοι δὲ τῇ σιτοδείᾳ τὸ μὲν πρῶτον τοὺς τε ἵππους καὶ τᾶλλα ὑποζύγια κατέφαγον, μετὰ δὲ ταῦτα δέρματα καθέψοντες ἐσιτοῦντο, τὸ δὲ τελευταῖον ἐκ τῆς πόλεως ἐξίοντες τὴν πρὸς τοῖς τείχεσι βοτάνην ἡσθιον καθαπερεὶ τινα θρέμματα· οὕτως ἢ τῆς φύσεως ἀνάγκη τὴν ἀνθρωπίνην δίαίταν εἰς ἀλόγων ζώων τροφὰς καταφυγεῖν ἐβιάζετο. [3] ὁ δὲ Διονύσιος πυθόμενος τὸ γινόμενον, οὐχ ὅπως ἡλέησε τοὺς ὑπὲρ ἄνθρωπον πάσχειν ἀναγκαζομένους, ἀλλὰ πᾶν τοῦναντίον ἐπαγαγὼν ζεύγη εἴλε τὴν πόαν τοῦ τόπου, ὥστε τὴν ὕλην ἅπασαν ἀφανισθῆναι. [4] διόπερ ταῖς ὑπερβολαῖς τῶν κακῶν νικώμενοι παρέδωκαν τὴν πόλιν οἱ Ῥηγῖνοι τῷ τυράνῳ, τὴν πᾶσαν καθ' αὐτῶν ἐπιτρέψαντες ἐξουσίαν. ὁ δὲ Διονύσιος κατὰ μὲν τὴν πόλιν εὔρε σωροὺς νεκρῶν, οἱ δὲ διὰ τὴν ἔνδειαν τῆς τροφῆς ἐτετελευτήκεισαν· καὶ τοὺς ζῶντας δὲ νεκρῶν ἔχοντας διάθεσιν καὶ παρειμένους τὰ σώματα καταλαβόν, ἡθροισεν αἰχμαλώτους πλείους τῶν ἐξακισχυλίων. τὸ μὲν οὖν πλῆθος ἀποστείλας εἰς Συρακούσας ἐκέλευσε τοὺς δόντας ἀργυρίου μῶν ἀπολυτροῦσθαι, τοὺς δ' εὐπορῆσαι μὴ δυνηθέντας ἐλαφυροπώλησε. 112.

Φύτωνα δὲ τὸν τῶν Ῥηγίων στρατηγὸν συλλαβόν, τὸν μὲν υἱὸν αὐτοῦ κατεπόντισεν, αὐτὸν δὲ τὸ μὲν πρῶτον ἔδωκε πρὸς τὰς ὑψηλοτάτας μηχανάς, οἷονεῖ τραγικὴν τινα τιμωρίαν λαμβάνων, προσέπεμψε δὲ τινα τῶν ὑπηρετῶν ἐροῦντα πρὸς αὐτόν, ὥς ἐχθὲς αὐτοῦ τὸν υἱὸν Διονύσιος κατεπόντισε· πρὸς ὃν εἶπε Φύτων, διότι γέγονεν εὐτυχέστερος τοῦ πατρὸς ἡμέρα μῆ. [2] μετὰ δὲ ταῦτα περιῆγεν αὐτὸν Διονύσιος τὴν πόλιν μαστίζων καὶ κατὰ πάντα τρόπον αἰκίζόμενος, ἅμα κήρυκος συνακολουθοῦντος ὅτι τὸν ἄνδρα Διονύσιος τιμωρεῖται παρηλλαγμένως, ὅτι τὴν πόλιν ἔπεισεν ἐλέσθαι τὸν πόλεμον. [3] ὁ δὲ Φύτων κατὰ τὴν πολιορκίαν στρατηγὸς ἀγαθὸς γεγενημένος καὶ κατὰ τὸν ἄλλον βίον ἐπαινούμενος, οὐκ ἀγεννῶς ὑπέμενε τὴν ἐπὶ τῆς τελευταῖας τιμωρίαν, ἀλλ' ἀκατάπληκτον τὴν ψυχὴν φυλάζας καὶ βοῶν ὅτι τὴν πόλιν οὐ βουληθεὶς προδοῦναι Διονυσίῳ τυγχάνει τῆς τιμωρίας, ἣν αὐτῷ τὸ δαιμόνιον ἐκείνῳ συντόμως ἐπιστήσει· ὥστε τὴν ἀρετὴν τάνδρὸς καὶ παρὰ τοῖς στρατιώταις τοῦ Διονυσίου κατελεεῖσθαι καὶ τινὰς ἤδη θορυβεῖν. [4] ὁ δὲ Διονύσιος εὐλαβηθεὶς, μή τινες τῶν στρατιωτῶν ἀποτολμήσωσιν ἐξαρπάξαι τὸν Φύτωνα, παυσάμενος τῆς τιμωρίας κατεπόντισε τὸν ἀτυχῆ μετὰ τῆς

συγγενείας. [5] οὗτος μὲν οὖν ἀναξίως τῆς ἀρετῆς ἐκνόμοις περιέπεσε τιμωρίαις, καὶ πολλοὺς ἔσχε καὶ τότε τῶν Ἑλλήνων τοὺς ἀλγήσαντας τὴν συμφορὰν καὶ μετὰ ταῦτα ποιητὰς τοὺς θρηνήσαντας τὸ τῆς περιπετείας ἐλεεινόν. 113.

καθ' ὃν δὲ καιρὸν μάλιστα Ῥήγιον ἐπολιόρκει Διονύσιος, οἱ κατοικοῦντες τὰ πέραν τῶν Ἀλπεων Κελτοὶ τὰ στενὰ διελθόντες μεγάλαις δυνάμεσι κατελάβοντο τὴν μεταξὺ χώραν τοῦ τε Ἀπεννίνου καὶ τῶν Ἀλπεων ὁρῶν, ἐκβάλλοντες τοὺς κατοικοῦντας Τυρρηνοὺς. [2] τούτους δ' ἔνιοί φασι ἀπὸ τῶν ἐν Τυρρηνίᾳ δώδεκα πόλεων ἀποικισθῆναι: τινὲς δέ φασι Πελασγοὺς πρὸ τῶν Τρωικῶν ἐκ Θετταλίας φυγόντας τὸν ἐπὶ Δευκαλίωνος γενόμενον κατακλυσμὸν ἐν τούτῳ τῷ τόπῳ κατοικῆσαι. [3] τῶν οὖν Κελτῶν κατ' ἔθνη διελομένων τὴν χώραν, οἱ καλούμενοι Σέννωνες ἔτυχον λαβόντες τὸν πορρωτάτῳ κείμενον τόπον τῶν ὁρῶν παρὰ θάλατταν. ὄντος δ' αὐτοῦ καυματώδους, δυσθετοῦντες ἔσπευδον μετοικῆσαι, καὶ τοὺς νεωτέρους καθοπλίσαντες ἀπέστειλαν ζητεῖν χώραν, ἐν ἣ κατοικήσουσιν. εἰσβαλόντες οὖν εἰς Τυρρηνίαν, καὶ τὸν ἀριθμὸν ὄντες περὶ τρισμυρίους, τὴν τῶν Κλουσίων χώραν ἐπόρθουν. [4] καθ' ὃν δὴ χρόνον ὁ δῆμος ὁ τῶν Ῥωμαίων πρέσβεις ἀπέστειλεν εἰς Τυρρηνίαν τοὺς κατασκευομένους τὴν στρατιὰν τῶν Κελτῶν. παραγενόμενοι δὲ οἱ πρέσβεις εἰς Κλούσιον καὶ θεωρήσαντες παράταξιν γενομένην, ἀνδρειότεροι μᾶλλον ἢ φρονιμώτεροι γενηθέντες παρετάξαντο τοῖς Κλουσίοις πρὸς τοὺς πολιορκοῦντας. [5] εὐήμερήσαντος δὲ θατέρου τῶν πρεσβευτῶν καὶ τινα τῶν ἐνδοξοτέρων ἐπάρχων ἀποκτείναντος, γνόντες οἱ Κελτοὶ τὸ γεγονός εἰς Ῥώμην πρέσβεις ἀπέστειλαν τοὺς ἐξαιτήσαντας τὸν πρεσβευτὴν τὸν ἀδίκου πολέμου προκαταρζάμενον. [6] ἡ δὲ γερουσία τὸ μὲν πρῶτον ἔπειθε τοὺς πρεσβευτὰς τῶν Κελτῶν χρήματα λαβεῖν περὶ τῶν ἡδικομένων: ὥς δ' οὐ προσεῖχον, ἐψηφίσαντο παραδοῦναι τὸν κατηγορούμενον. ὁ δὲ πατὴρ τοῦ μέλλοντος παραδίδοσθαι, τῶν χιλιάρχων εἰς ὧν τῶν τὴν ὑπατικὴν ἐξουσίαν ἐχόντων, προεκαλέσατο τὴν δίκην ἐπὶ τὸν δῆμον, καὶ δυνατὸς ὢν ἐπὶ τοῖς πλήθεσιν ἔπεισεν ἄκυρον ποιῆσαι τὴν κρίσιν τῆς συγκλήτου. [7] ὁ μὲν οὖν δῆμος ἐν τοῖς ἔμπροσθεν χρόνοις πάντα πειθόμενος τῇ γερουσίᾳ, τότε πρῶτον ἥρξατο διαλύειν τὸ κριθὲν ὑπὸ τῆς συγκλήτου. 114.

οἱ δὲ τῶν Κελτῶν πρέσβεις παραγενηθέντες εἰς τὸ σφέτερον στρατόπεδον ἀπήγγειλαν τὴν τῶν Ῥωμαίων ἀπόκρισιν. ἐφ' ἣ μεγάλως ἀγανακτήσαντες, καὶ προσλαβόμενοι παρὰ τῶν ὁμοεθνῶν δύναμιν, ἐπ' αὐτὴν ἠπειγόντο τὴν Ῥώμην, ὄντες πλείους τῶν ἑπτακισμυρίων. οἱ δὲ χιλιάρχοι τῶν Ῥωμαίων ἐπὶ τῆς ἰδίας ἐξουσίας ὄντες, καὶ τὴν τῶν Κελτῶν ἔφοδον ἀκούοντες, ἅπαντας τοὺς ἐν ἡλικίᾳ καθώπλισαν. [2] ἐξεληθόντες δὲ πανδημεὶ καὶ διαβάντες τὸν Τίβεριν παρὰ τὸν ποταμὸν ἤγαγον τὴν δύναμιν σταδίους ὀγδοήκοντα, καὶ τῶν Γαλατῶν ἀπαγγελλομένων προσιέναι διέταπτον τὸ στρατόπεδον. [3] τοὺς μὲν οὖν ἀνδρειοτάτους δισμυρίους καὶ τετρακισχιλίους ἀπὸ τοῦ ποταμοῦ μέχρι τῶν λόφων διέταξαν, ἐπὶ δὲ τῶν ὑψηλοτάτων λόφων τοὺς ἀσθενεστάτους ἔστησαν. οἱ δὲ Κελτοί, μακρὰν τὴν φάλαγγα παρεκτείνοντες, εἴτε κατὰ τύχην εἴτε κατὰ πρόνοιαν τοὺς ἀρίστους ἔστησαν ἐπὶ τῶν λόφων. [4] ἅμα δ' αἱ

σάλπιγγες παρ' ἀμφοτέροις ἐσήμαινον καὶ τὰ στρατόπεδα συνήεσαν εἰς μάχην μετὰ πολλῆς κραυγῆς. οἱ δ' ἐπίλεκτοι τῶν Κελτῶν ἀντιτεταγμένοι τοῖς ἀσθενεστάτοις τῶν Ῥωμαίων ῥαδίως αὐτοὺς ἀπὸ τῶν λόφων ἐτρέψαντο. [5] διόπερ τούτων ἀθρόων φευγόντων πρὸς τοὺς ἐν τῇ πεδίῳ Ῥωμαίους, αἱ τε τάξεις ἐπεταράττοντο καὶ τῶν Κελτῶν ἐπικειμένων καταπλαγέντες ἔφευγον. τῶν δὲ πλείστων παρὰ τὸν ποταμὸν ὀρμησάντων καὶ διὰ τὴν ταραχὴν ἀλλήλοις ἐμπιπτόντων, οὐχ ὑστέρουν οἱ Κελτοὶ τοὺς ἐσχάτους ἀεὶ φονεύοντες· διὸ καὶ τὸ πεδίον ἅπαν νεκρῶν κατεστρώθη. [6] τῶν δὲ φευγόντων ἐπὶ τὸν ποταμὸν οἱ μὲν ἀνδρεϊότατοι μετὰ τῶν ὅπλων διενήχοντο, τὴν πανοπλίαν ἐν ἴσῳ καὶ τὴν ψυχὴν προτιμώντες· σφοδροῦ δὲ τοῦ ρεύματος ὄντος, τινὲς μὲν ὑπὸ τοῦ βάρους τῶν ὅπλων καταδυόμενοι διεφθείροντο, τινὲς δὲ μετὰ πολλῆς κακοπαθείας ἐφ' ἱκανὸν διάστημα παρενεχθέντες μόγις ἐσώθησαν. [7] ἐπικειμένων δὲ τῶν πολεμίων καὶ παρὰ τὸν ποταμὸν πολλοὺς ἀναιρούντων, οἱ πλείστοι τῶν ὑπολειπομένων ρίπτοῦντες τὰ ὅπλα διενήχοντο τὸν Τίβεριν. 115. οἱ δὲ Κελτοί, πολλοὺς καὶ παρ' αὐτὸν τὸν ποταμὸν ἀνηρηκότες, οὐδ' οὕτως ἀφίσταντο τῆς φιλοτιμίας, ἀλλ' ἐπὶ τοὺς διανηχομένους ἠκόντιζον. καὶ πολλῶν βελῶν ἀφιεμένων εἰς ἀθρόους τοὺς ἐν τῷ ποταμῷ, συνέβαινε μὴ διαμαρτάνειν τοὺς βάλλοντας. ὅθεν οἱ μὲν καιρίαις περιπεσόντες πληγαῖς εὐθέως ἐτελεύτων, οἱ δὲ κατατραυματιζόμενοι καὶ διὰ τὴν περὶ τὸ αἷμα ῥύσιν καὶ σφοδρότητα τοῦ ρεύματος ἐκλυόμενοι παρεφέροντο. [2] τοιαύτης δὲ συμφορᾶς γενομένης περὶ τοὺς Ῥωμαίους, οἱ μὲν πλείστοι τῶν διασωθέντων πόλιν Βηίους κατελάβοντο, προσφάτως ὑφ' ἑαυτῶν κατεσκαμμένην, καὶ τὸν τε τόπον ὠχύρουν κατὰ τὸ δυνατόν καὶ τοὺς ἐκ τῆς φυγῆς σωζομένους ἀνελάμβανον· ὀλίγοι δὲ τῶν διανηξαμένων ἄνοπλοι φυγόντες εἰς Ῥώμην ἀπήγγειλαν πάντας ἀπολωλέναι. τηλικούτων δ' αὐτυχημάτων ἡγγελμένων τοῖς ἐν τῇ πόλει καταλειμμένοις, εἰς ἀπορίαν ἅπαντες ἐνέπιπτον· [3] ἀνθίστασθαι μὲν γὰρ ἀδύνατον εἶναι διελάμβανον, ἀπάντων τῶν νέων ἀπολωλότων, φεύγειν δὲ μετὰ τέκνων καὶ γυναικῶν ἐπικίνδυνον ἦν λίαν, τῶν πολεμίων ἐγγὺς ὑπαρχόντων. πολλοὶ μὲν οὖν τῶν ιδιωτῶν πανοίκιοι πρὸς τὰς ἀστυγείτονας πόλεις ἔφευγον, οἱ δ' ἄρχοντες τῆς πόλεως παραθαρσύνοντες τὰ πλήθη προσέειπον ταχέως ἐπὶ τὸ Καπετώλιον τὸν τε σῖτον καὶ τὰ λοιπὰ τῶν ἀναγκαίων ἀποκομίζειν. [4] οὗ γενηθέντος ἔγεμεν ἡ τ' ἀκρόπολις καὶ τὸ Καπετώλιον χωρὶς τῶν εἰς τροφὴν ἀνηκόντων ἀργυρίου τε καὶ χρυσίου καὶ τῆς πολυτελεστάτης ἐσθῆτος, ὥς ἂν ἐξ ὅλης τῆς πόλεως εἰς ἓνα τόπον τῶν ἀγαθῶν συνηθροισμένων. οὗτοι μὲν οὖν τὰ δυνατόα τῶν χρημάτων μετεκόμιζον καὶ τὸν προειρημένον τόπον ὠχύρουν, ἀναστροφὴν ἔχοντες τρεῖς ἡμέρας. [5] οἱ γὰρ Κελτοὶ τὴν μὲν πρώτην ἡμέραν διετέλεσαν ἀποκόπτοντες τὰς κεφαλὰς τῶν τετελευτηκότων κατὰ τὸ πάτριον ἔθος· τὰς δὲ δύο παρὰ τὴν πόλιν στρατοπεδεύοντες, καὶ τὰ μὲν τεῖχη θεωροῦντες ἔρημα, κραυγὴν δὲ αἰσθόμενοι γινομένην, ἦν ἐποίουν οἱ τὰ χρησιμώτατα μεταφέροντες εἰς τὴν ἀκρόπολιν, ὑπελάμβανον ἐνεδρεῦειν ἑαυτοῖς τοὺς Ῥωμαίους. [6] τῇ τετάρτῃ δ' ἡμέρᾳ γνόντες τὴν ἀλήθειαν, τὰς τε πύλας ἐξέκοψαν καὶ τὴν πόλιν ἐλυμαίνοντο, χωρὶς ὀλίγων οἰκῶν ἐν τῇ Παλατίῳ. μετὰ δὲ ταῦτα προσβολὰς ποιούμενοι καθ' ἡμέραν πρὸς ὀχυροὺς

τόπους, οὐθὲν μὲν ἀξιόλογον ἔβλαπτον τοὺς ὑπεναντίους, ἑαυτῶν δὲ πολλοὺς ἀπέβαλλον: ὁμῶς δ' οὐκ ἀφίσταντο τῆς φιλοτιμίας, ἐλπίζοντες, ἐὰν μὴ βία κρατήσῃ, τῷ γε χρόνῳ πάντως τῶν ἀναγκαίων ἐκλιπόντων καταπονήσειν. 116.

τῶν δὲ Ῥωμαίων ἐν τοιαύταις ταραχαῖς ὄντων, οἱ παροικοῦντες Τυρρηνοὶ μετὰ δυνάμεως ἀδράς ἐπεπορεύοντο τὴν τῶν Ῥωμαίων χώραν λεηλατοῦντες, καὶ πολλῶν μὲν σωμάτων, οὐκ ὀλίγης δ' ὠφελείας ἐγκρατεῖς ἐγένοντο. οἱ δ' εἰς τοὺς Βηίους τῶν Ῥωμαίων πεφευγότες ἀπροσδοκίῳ τοῖς Τυρρηνοῖς ἐπιπεσόντες ἐτρέψαντο, καὶ τὴν τε λείαν ἀφείλαντο καὶ τῆς παρεμβολῆς ἐκυρίευσαν. [2] ἐγκρατεῖς δὲ γενόμενοι πολλῶν ὅπλων τοῖς τε ἀνόπλοις οὓσι διέδωκαν καὶ τοὺς ἀπὸ τῆς χώρας ἀθροίζοντες καθώπλιζον: ἐβούλοντο γὰρ τοὺς εἰς τὸ Καπετώλιον συμπεφευγότες ἐκ τῆς πολιορκίας ἐξελέσθαι. [3] ἀπορούντων δ' αὐτῶν, ᾧ τρόπῳ δηλώσειαν τοῖς συγκεκλειμένοις διὰ τὸ τοὺς Κελτοὺς μεγάλαις δυνάμεσι περιστρατοπεδεύειν, Κομίνιός τις Πόντιος ὑπέσχετο παραθαρρύνειν τοὺς ἐν τῷ Καπετωλίῳ. [4] ὀρμήσας οὖν μόνος καὶ διανηξάμενος νυκτὸς τὸν ποταμόν, ἔλαθε προσελθὼν τινα πέτραν τοῦ Καπετωλίου δύσβατον, καὶ ταύτῃ μόγις ἑαυτὸν ἐλκύσας ἐδήλωσε τοῖς ἐν τῷ Καπετωλίῳ περὶ τῶν συνηθροισμένων εἰς Βηίους καὶ διότι καιρὸν τηρήσαντες ἐπιθήσονται τοῖς Κελτοῖς. οὗτος μὲν οὖν καταβὰς ἥπερ ἀνέβη καὶ διακολυμβήσας τὸν Τίβεριν, εἰς Βηίους ἀνέστρεψεν: [5] οἱ δὲ Κελτοὶ κατανοήσαντες τὰ ἵχνη τοῦ προσφάτως ἀναβεβηκότος, συνετάξαντο κατὰ τῆς αὐτῆς πέτρας ἀναβῆναι νυκτός. διὸ καὶ περὶ μέσας νύκτας οἱ μὲν φύλακες παρερραθυμηκότες ἦσαν τῆς φυλακῆς διὰ τὴν ὀχυρότητα τοῦ τόπου, τῶν δὲ Κελτῶν τινες κατὰ τῆς πέτρας προσανέβησαν. [6] τοὺς μὲν οὖν φύλακας ἔλαθον, χῆνες δ' ἱεροὶ τῆς Ἥρας τρεφόμενοι, καὶ θεωρήσαντες ἀναβαίνοντας κραυγὴν ἐποιοῦν. συνδραμόντων δὲ τῶν φυλάκων ἐπὶ τὸν τόπον, οὗτοι μὲν καταπλαγέντες οὐκ ἐτόλμων προσελθεῖν, Μάρκος δὲ τις Μάλλιος, ἐνδοξος ἀνὴρ, ἐκβοηθήσας ἐπὶ τὸν τόπον τῷ μὲν ξίφει τὴν χεῖρα τοῦ προσαναβαίνοντος ἀπέκοψε, τῷ δὲ θυρεῷ πατάξας εἰς τὸ στήθος ἀπεκύλισεν αὐτὸν ἀπὸ τῆς πέτρας. [7] παραπλησίως δὲ καὶ τοῦ δευτέρου προσαναβαίνοντος ἀπολομένου, οἱ λοιποὶ ταχέως πάντες ἔφυγον: ἀπορρῶγος δὲ τῆς πέτρας οὗσης ἅπαντες κατακρημνισθέντες ἐτελεύτησαν. διόπερ πρεσβευομένων τῶν Ῥωμαίων περὶ διαλύσεως, ἐπείσθησαν χιλίας λαβόντες λίτρας χρυσίου τὴν πόλιν ἐκλιπεῖν καὶ ἐκ τῆς Ῥωμαίων χώρας ἀπαλλαγῆναι. [8] Ῥωμαῖοι δέ, τῶν μὲν οἰκίων κατεσκαμμένων, τῶν δὲ πλείστων πολιτῶν ἀπολωλότων, ἔδωκαν ἐξουσίαν τῷ βουλομένῳ καθ' ὃν προήρηται τόπον οἰκίαν οἰκοδομεῖν, καὶ δημοσίας κεραμίδας ἐχορήγουν, αἱ μέχρι τοῦ νῦν πολιτικαὶ καλοῦνται. [9] ἀπάντων οὖν πρὸς τὴν ἰδίαν προαίρεσιν οἰκοδομοῦντων, συνέβη τὰς κατὰ πόλιν ὁδοὺς στενὰς γενέσθαι καὶ καμπὰς ἐχούσας: διόπερ ὕστερον αὐξηθέντες οὐκ ἠδυνήθησαν εὐθείας ποιῆσαι τὰς ὁδοὺς. λέγουσι δὲ τινες καὶ διότι τὸν χρυσοῦν κόσμον αἱ γυναῖκες εἰς τὴν κοινὴν σωτηρίαν εἰσενέγκασαι ταύτης ἔτυχον παρὰ τοῦ δήμου τιμῆς, ὥστ' ἐξουσίαν ἔχειν ἐφ' ἁρμάτων ὀχεῖσθαι κατὰ τὴν πόλιν. 117.

ταπεινῶν δ' ὄντων τῶν Ῥωμαίων διὰ τὴν προειρημένην συμφορὰν, οἱ

Ουόλσκοι πρὸς αὐτοὺς πόλεμον ἐξήνεγκαν. οἱ μὲν οὖν χιλιάρχοι τῶν Ῥωμαίων καταγράψαντες στρατιώτας, καὶ προαγαγόντες τὴν δύναμιν εἰς ὕπαιθρον, ἐν τῷ καλουμένῳ Μαρκίῳ κατεστρατοπέδευσαν, ἀπέχοντες ἀπὸ Ῥώμης σταδίους διακοσίους. [2] τῶν δὲ Ουόλσκων μετὰ μείζονος στρατιάς ἀντικαθημένων καὶ τῇ παρεμβολῇ προσβαλλόντων, οἱ κατὰ τὴν Ῥώμην φοβηθέντες ὑπὲρ τῶν ἐν τῷ στρατοπέδῳ, κατέστησαν αὐτοκράτορα μὲν Μάρκον Φούριον ... [3] οὗτοι δὲ πάντας τοὺς ἐν ἡλικίᾳ καθοπλίσαντες νυκτὸς ἐξῆλθον, καὶ καταλαβόντες ἅμ' ἡμέρᾳ τοὺς Ουόλσκους τῇ παρεμβολῇ προσμαχομένους, ἐπιφανέντες κατὰ νότου ῥαδίως ἐτρέψαντο. ἐξελθόντων δὲ καὶ τῶν ἐκ τῆς παρεμβολῆς, εἰς μέσον ἀποληφθέντες οἱ Ουόλσκοι σχεδὸν ἅπαντες κατεκόπησαν. διόπερ τὸν ἔμπροσθεν χρόνον ἰσχυροὶ δοκοῦντες εἶναι, διὰ τὴν συμφορὰν ταύτην ἀσθενέστατοι τῶν περιοικούντων ἐθνῶν ἐγενήθησαν. [4] μετὰ δὲ τὴν μάχην ἀκούσας ὁ αὐτοκράτωρ πορθεῖσθαι Βώλας ὑπὸ Αἰκουλανῶν, τῶν νῦν Αἰκίκλων καλουμένων, ἀγαγὼν τὴν δύναμιν τοὺς πλείστους τῶν πολιορκούντων ἀνεῖλεν. ἐκεῖθεν δ' ἀνέξευξεν εἰς Σουτριάνην, οὗσαν ἀποικίαν, ἣν οἱ Τυρρηνοὶ βίᾳ κατειλήφεισαν. προσπεσὼν οὖν ἄφνω τοῖς Τυρρηνοῖς πολλοὺς μὲν αὐτῶν ἀνεῖλε, τὴν δὲ πόλιν ἀνέσωσε τοῖς Σουτριάιοις. [5] τῶν δ' ἀπεληλυθότων Γαλατῶν ἀπὸ Ῥώμης Ουεάσκιον τὴν πόλιν σύμμαχον οὗσαν Ῥωμαίων πορθούντων, ἐπιθέμενος αὐτοῖς ὁ αὐτοκράτωρ καὶ τοὺς πλείστους ἀποκτείνας τῆς ἀποσκευῆς πάσης ἐκυρίευσεν, ἐν ᾗ καὶ τὸ χρυσίον ἦν ὃ εἰλήφεισαν εἰς Ῥώμην καὶ σχεδὸν ἅπαντα τὰ διηρπασμένα κατὰ τὴν τῆς πόλεως ἄλωσιν. [6] τοσαῦτα δὲ διαπραζάμενος διὰ τὸν φθόνον τῶν δημάρχων ἐκωλύθη θρίαμβον καταγαγεῖν. ἔνιοι δὲ φασιν αὐτὸν ἀπὸ Τούσκων θρίαμβον ἀγαγεῖν ἐπὶ λευκοῦ θερίππου, καὶ διὰ τοῦτο δυσὶν ὕστερον ἔτεσιν ὑπὸ τοῦ δήμου πολλοῖς χρήμασι καταδικασθῆναι: περὶ οὗ κατὰ τοὺς οἰκείους χρόνους ἐπιμνησθυσόμεθα. [7] οἱ δ' εἰς τὴν Ἰαπυγίαν τῶν Κελτῶν ἐληλυθότες ἀνέστρεψαν διὰ τῆς τῶν Ῥωμαίων χώρας: καὶ μετ' ὀλίγον ὑπὸ Κερίων ἐπιβουλευθέντες νυκτὸς ἅπαντες κατεκόπησαν ἐν τῷ Τραυσίῳ πεδίῳ. [8]

Καλλισθένης δ' ὁ ἱστοριογράφος ἀπὸ τῆς κατὰ τοῦτον τὸν ἐνιαυτὸν γενομένης εἰρήνης τοῖς Ἑλλησι πρὸς Ἀρταξέρξην τὸν τῶν Περσῶν βασιλέα τὴν ἱστορίαν ἤρκει γράφειν: διελθὼν δὲ τριακονταετὴ χρόνον ἔγραψε μὲν βύβλους δέκα, τὴν δὲ τελευταίαν κατέπαυσε τῆς συντάξεως εἰς τὴν ὑπὸ τοῦ Φιλομήλου τοῦ Φωκέως κατάληψιν τοῦ ἐν Δελφοῖς ἱεροῦ. [9] ἡμεῖς δ' ἐπεὶ πάρεσμεν ἐπὶ τὴν γενομένην τοῖς Ἑλλησιν εἰρήνην πρὸς Ἀρταξέρξην καὶ τὸν τῆς Ῥώμης ὑπὸ Γαλατῶν κίνδυνον, κατὰ τὴν ἐν ἀρχῇ πρόθεσιν τοῦτο τέλος ποιησόμεθα τῆσδε τῆς βύβλου.

BOOK XV

ζοντεντζ.

τάδε ἔνεστιν ἐν τῇ πεντεκαιδεκάτῃ τῶν Διοδώρου βύβλων.

ὡς Πέρσαι Εὐαγόραν ἐν τῇ Κύπρῳ διεπολέμησαν.

ὡς Λακεδαιμόνιοι παρὰ τὰς κοινὰς ὁμολογίας Μαντινεῖς μετώκισαν ἐκ τῆς πατρίδος.

περὶ τῶν Διονυσίου τοῦ τυράννου ποιημάτων.

περὶ τῆς Τιριβάζου συλλήψεως καὶ τῆς ἀπολύσεως αὐτοῦ.

περὶ τοῦ Γλῶ θανάτου καὶ τῆς Ὀρόντου καταγνώσεως.

ὡς Ἀμύντας καὶ Λακεδαιμόνιοι πρὸς Ὀλυνθίους ἐπολέμησαν.

ὡς Λακεδαιμόνιοι τὴν Καδμεῖαν κατελάβοντο.

ὡς τὰς Ἑλληνίδας πόλεις παρὰ τὰς συνθήκας κατεδουλώσαντο.

κτίσις Φάρου νήσου κατὰ τὸν Ἀδρίαν.

Διονυσίου στρατεία εἰς τὴν Τυρρηνίαν καὶ σύλησις τοῦ ἱεροῦ.

στρατεία Διονυσίου ἐπὶ Καρχηδονίους, καὶ νίκη καὶ ἤττα.

ὡς Θηβαῖοι τὴν Καδμεῖαν ἀνεκτήσαντο.

ὡς Καρχηδόνιοι λοιμικῇ νόσῳ περιπεσόντες ἐκινδύνευσαν.

περὶ τοῦ Βοιωτικοῦ πολέμου καὶ τῶν πραχθέντων ἐν αὐτῷ.

Τριβαλλῶν στρατεία ἐπὶ Ἀβδηρα.

στρατεία Περσῶν ἐπ' Αἴγυπτον.

ὡς Θηβαῖοι Λακεδαιμονίους ἐπιφανεστάτῃ μάχῃ νικήσαντες ἐν Λεύκτροις ἀντεποιήσαντο τῆς τῶν Ἑλλήνων ἡγεμονίας.

τὰ πραχθέντα Θηβαίοις κατὰ τὰς εἰς Πελοπόννησον εἰσβολάς.

περὶ τῆς Ἰφικράτους ἀγωγῆς καὶ τῶν εὐρημένων ὑπ' αὐτοῦ κατὰ τὰς στρατείας.

στρατεία Λακεδαιμονίων ἐπὶ Κόρκυραν.

περὶ τοῦ γενομένου σεισμοῦ καὶ κατακλυσμοῦ περὶ τὴν Πελοπόννησον καὶ τῆς φανείσης ἐν οὐρανῷ λαμπάδος.

ὡς παρὰ τοῖς Ἀργείοις ἐγένετο πολὺς φόνος ὁ κληθεὶς σκυταλισμός.

περὶ Ἰάσονος τοῦ Φερῶν τυράννου καὶ τῶν διαδόχων αὐτοῦ.

Μεσσήνης συνοικισμὸς ὑπὸ Θηβαίων.

στρατεία Βοιωτῶν εἰς Θετταλίαν.

1.

παρ' ὅλην τὴν πραγματείαν εἰωθότες χρῆσθαι τῇ συνήθει τῆς ἱστορίας παρρησία, καὶ τοῖς μὲν ἀγαθοῖς ἀνδράσιν ἐπὶ τῶν καλῶν ἔργων τὸν δίκαιον ἐπιλέγειν ἔπαινον, τοὺς δὲ φαύλους, ὅταν ἐξαμαρτάνωσιν, ἀξιοῦν δικαίας ἐπιτιμήσεως, διὰ τοῦ τοιοῦτου τρόπου νομίζομεν τοὺς μὲν εὖ πεφυκότας πρὸς ἀρετὴν τῷ διὰ τῆς δόξης ἀθανατισμῷ προτρέψεσθαι ταῖς καλλίσταις ἐγχειρεῖν πράξεσι, τοὺς δὲ τὴν ἐναντίαν ἔχοντας διάθεσιν ταῖς ἀρμοστούσαις βλασφημίαις ἀποτρέψειν τῆς ἐπὶ τὴν κακίαν ὁρμῆς. [2] διὸ καὶ τῇ γραφῇ παρόντες ἐπ' ἐκείνους τοὺς χρόνους, ἐν οἷς Λακεδαιμόνιοι περὶ Λεῦκτρα παραδόξως ἡττηθέντες μεγάλη περιέπεσον συμφορᾷ, καὶ πάλιν περὶ

Μαντίνειαν παίσαντες ἀνελπίστως ἀπέβαλον τὴν τῶν Ἑλλήνων ἡγεμονίαν, ἡγούμεθα δεῖν τὴν ὑπόστασιν τῆς γραφῆς διαφυλάττειν καὶ τὴν ἀρμόττουσαν ἐπιτίμησιν τοῖς Λακεδαιμονίοις ποιήσασθαι. [3] τίς γὰρ ἂν οὐχ ἡγήσαιο κατηγορίας αὐτοὺς ἀξίους ὑπάρχειν, οἵτινες παρὰ τῶν προγόνων παραλαβόντες ἡγεμονίαν κάλλιστα τεθεμελιωμένην, καὶ ταύτην διὰ τὴν ἀρετὴν τῶν προγόνων διαφυλαχθεῖσαν ἔτι πλείω τῶν πεντακοσίων, οἱ τότε Λακεδαιμόνιοι διὰ τὴν ἐαυτῶν ἀβουλίαν καταλυθεῖσαν ἐπεῖδον, οὐκ ἀλόγως. οἱ μὲν γὰρ πρὸ αὐτῶν βεβιωκότες πολλοὺς πόνοις καὶ μεγάλοις κινδύνοις τὴν τηλικαύτην κατεκτήσαντο δόξαν, ἐπιεικῶς καὶ φιланθρώπως προσφερόμενοι τοῖς ὑποτεταγμένοις: οἱ δὲ μεταγενέστεροι βιαίως καὶ χαλεπῶς χρώμενοι τοῖς συμμάχοις, ἔτι δὲ πολέμους ἀδίκους καὶ ὑπερηφάνους ἐνιστάμενοι πρὸς τοὺς Ἑλληνας, οὐκ ἀλόγως ἀπέβαλον τὴν ἀρχὴν διὰ τὰς ἰδίας ἀβουλίας. [4] ἐν γὰρ ταῖς συμφοραῖς αὐτῶν τὸ μῖσος τῶν ἀδικουμένων ἔλαβε καιρὸν ἀμύνασθαι τοὺς προηδικηκότας, καὶ τοῖς ἐκ προγόνων ἀνικῆτοις γεγονόσι τοσαύτη καταφρόνησις ἐπηκολούθησεν, ὅσῃν εἰκὸς ἐστὶ γενέσθαι κατὰ τῶν ἀναιρουμένων τὰς τῶν προγόνων ἀρετάς. [5] τοιγαροῦν Θηβαῖοι μὲν οἱ πρότερον ἐπὶ πολλὰς γενεὰς τοῖς κρείττοσιν ὑποτεταγμένοι, τότε τούτους ἀνελπίστως νικήσαντες ἡγεμόνες κατέστησαν τῶν Ἑλλήνων, Λακεδαιμόνιοι δὲ μετὰ τὴν ἀφαίρεσιν τῆς ἡγεμονίας οὐδέποτε ἔδυνήθησαν ἀναλαβεῖν τὸ τῶν προγόνων ἀξίωμα. [6] ἡμεῖς δὲ τούτοις ἀρκούντως ἐπιτετιμηκότες ἐπὶ τὸ συνεχές τῆς ἱστορίας μεταβησόμεθα προδιορίσαντες τοὺς οἰκείους τῇ γραφῇ χρόνους. ἡ μὲν οὖν πρὸ ταύτης βύβλος, οὕσα τῆς ὅλης συντάξεως τεσσαρεσκαίδεκάτη, τὸ τέλος ἔσχε τῶν πράξεων εἰς τὸν Ῥηγίνων ἀνδραποδισμόν ὑπὸ Διονυσίου καὶ τὴν ἄλωσιν τῆς Ῥώμης ὑπὸ Γαλατῶν, ἧτις ἐγένετο κατὰ τὸν προηγούμενον ἐνιαυτὸν τῆς Περσῶν στρατείας εἰς Κύπρον ἐπ' Εὐαγόραν τὸν βασιλέα: ἐν ταύτῃ δὲ τὴν ἀρχὴν ἀπὸ τούτου τοῦ πολέμου ποιησάμενοι καταλήξομεν ἐπὶ τὸν προηγούμενον ἐνιαυτὸν τῆς Φιλίππου τοῦ Ἀμύντου βασιλείας. 2.

ἐπ' ἄρχοντος γὰρ Ἀθήνησι Μυστιχίδου Ῥωμαῖοι μὲν ἀντὶ τῶν ὑπάτων χιλιάρχους τρεῖς κατέστησαν, Μάρκον Φούριον, ἔτι δὲ Γάιον καὶ Αἰμίλιον. ἐπὶ δὲ τούτων Ἀρταξέρξης ὁ τῶν Περσῶν βασιλεὺς ἐστράτευσεν ἐπ' Εὐαγόραν τὸν Κύπρου βασιλέα. πολὺν δὲ χρόνον ἀσχοληθεὶς περὶ τὰς εἰς τὸν πόλεμον παρασκευὰς συνεστήσατο δύναμιν ναυτικὴν τε καὶ πεζὴν μεγάλην: τὸ μὲν γὰρ πεζὸν στράτευμα μυριάδων ἦν τριάκοντα σὺν ἱππεῦσι, τριήρεις δὲ κατεσκεύασε πλείους τῶν τριακοσίων. [2] στρατηγοὺς δ' ἀπέδειξε τῆς πεζῆς δυνάμεως Ὀρόνταν κηδεστήν, τῆς δὲ ναυτικῆς Τιρίβαζον, ἄνδρα μεγάλης ἀποδοχῆς τυγχάνοντα παρὰ τοῖς Πέρσais. οὗτοι δὲ παραλαβόντες τὰς δυνάμεις ἐν Φωκαίᾳ καὶ Κύμῃ κατήντησαν εἰς Κιλικίαν, καὶ περαιωθέντες εἰς Κύπρον ἐνεργῶς διόκουν τὸν πόλεμον. [3] ὁ δ' Εὐαγόρας πρὸς μὲν τὸν Ἄκοριν τὸν Αἰγυπτίων βασιλέα, πολέμιον ὄντα Περσῶν, συμμαχίαν ἐποίησατο καὶ δύναμιν ἀξιόλογον παρ' αὐτοῦ προσελάβετο, παρ' Ἑκατόμνου δὲ τοῦ Καρίας δυνάστου, λάθρᾳ συμπράττοντος αὐτῷ, χρημάτων ἔλαβε πλῆθος εἰς διατροφὴν ξενικῶν δυνάμεων: ὁμοίως δὲ καὶ τοὺς ἄλλους τοὺς ἄλλοτρίως ἔχοντας πρὸς Πέρσας, τοὺς μὲν λαθραίως, τοὺς δὲ καὶ φανερώς ἐπεσπάσατο

κοινωνήσαντας τοῦ Περσικοῦ πολέμου. [4] ἐκυρίευσεν δὲ κατὰ μὲν τὴν Κύπρον τῶν πόλεων σχεδὸν τι πασῶν, κατὰ δὲ τὴν Φοινίκην Τύρου καὶ τινων ἐτέρων. εἶχε δὲ τριήρεις μὲν ἐνενήκοντα, καὶ τούτων ὑπῆρχον Τύριαι μὲν εἴκοσι, Κύπριαι δ' ἐβδομήκοντα, στρατιώτας δ' ἰδίους μὲν ἑξακισχιλίους, παρὰ δὲ τῶν συμμάχων πολλῶ τούτων πλείους. πρὸς δὲ τούτοις μισθοφόρους πολλοὺς ἐξενολόγει, ἔχων χρημάτων δαψίλειαν. ἔπεμψε δ' αὐτῷ καὶ ὁ τῶν Ἀράβων βασιλεὺς στρατιώτας οὐκ ὀλίγους καὶ ἄλλοι τινὲς οἱ ἐν ὑποψίαις ὄντες τῷ τῶν Περσῶν βασιλεῖ. 3.

οὗτος μὲν οὖν τοσαύτας ἀφορμὰς ἔχων τεθαρρηκότως συγκατέβαινεν εἰς τὸν πόλεμον. καὶ πρῶτον μὲν ληστρικὰς ἔχων ναῦς οὐκ ὀλίγας ἐφήδρευσε ταῖς κομιζομέναις τῶν πολεμίων ἀγοραῖς, καὶ τὰς μὲν αὐτῶν διέφθειρεν ἐν θαλάττῃ, τὰς δὲ διεκώλυσεν, ἐνίας δὲ ἀφείλατο. διὸ καὶ τῶν ἐμπόρων μὴ τολμώντων εἰς τὴν Κύπρον παρακομίζειν σῖτον, μεγάλων δὲ δυνάμεων ἡθροισμένων εἰς τὴν νῆσον, ταχὺ σιτοδεία κατέσχε τοὺς τῶν Περσῶν στρατόπεδον. [2] τῆς δ' ἀπορίας γενομένης εἰς στάσιν, οἱ μισθοφόροι τῶν Περσῶν ἐπὶ τοὺς ἡγεμόνας ὀρμήσαντες καὶ τινὰς ἀνελόντες ταραχῆς καὶ στάσεως ἐνέπλησαν τὸ στρατόπεδον. μόγις δ' οἱ στρατηγοὶ τῶν Περσῶν καὶ ὁ τῆς ναυτικῆς δυνάμεως ἡγούμενος, ὀνομαζόμενος δὲ Γλῶς, κατέπαυσαν τὴν στάσιν. [3] πλεύσαντες δὲ τῷ παντὶ στόλῳ καὶ σίτου πλῆθος ἐκ τῆς Κιλικίας παρακομίσαντες, πολλὴν παρῆχον τῆς τροφῆς δαψίλειαν. τῷ δ' Εὐαγόρᾳ σίτου πλῆθος ἱκανὸν ὁ βασιλεὺς Ἀκορις ἐκ τῆς Αἰγύπτου παρεκόμισεν, καὶ χρήματα καὶ τὴν ἄλλην παρασκευὴν ἱκανὴν ἐξέπεμψεν. [4] ὁ δ' Εὐαγόρας ὁρῶν ἑαυτὸν πολὺ λειπόμενον τῇ ναυτικῇ δυνάμει, ἐξήκοντα μὲν ναῦς ἄλλας προσεπλήρωσε, πεντήκοντα δὲ παρὰ Ἀκόριδος ἐξ Αἰγύπτου μετεπέμψατο, ὥστε τὰς πάσας ἔχειν τριήρεις διακοσίας. ταύτας δὲ κοσμήσας πρὸς ναυμαχίαν καταπληκτικῶς, καὶ συνεχεῖς διαπείρας καὶ γυμνασίας ποιούμενος, ἡτοιμάζετο πρὸς ναυμαχίαν. διὸ καὶ τοῦ βασιλικοῦ στόλου παραπλέοντος εἰς Κίτιον, ἀπροσδοκῆτως ἐπιπλεύσας ταῖς ναυσὶ πολλὰ τῶν Περσῶν ἐπλεονέκτει. [5] ἐπέβαλε γὰρ συντεταγμέναις ναυσὶν ἐπὶ ἀσυντάκτους, καὶ προβεβουλευμένοις ἀνδράσι πρὸς ἀπροσδοκῆτους ἀγωνιζόμενος εὐθὺς ἐν τῇ πρώτῃ συστάσει τὴν νίκην προκατεσκεύασεν: ἀθρόαις γὰρ ταῖς τριήρεσιν ἐπιπλεύσας ἐπὶ διεσπαρμένας καὶ τεταραγμένας, ἃς μὲν διέφθειρεν, ἃς δ' ἔχειροῦτο. [6] ὅμως δὲ τοῦ τε ναυάρχου τῶν Περσῶν Γλῶ καὶ τῶν ἄλλων ἡγεμόνων γενναίως ὑποστάντων, ἐγένετο ναυμαχία καρτερὰ, καθ' ἣν ὁ Εὐαγόρας τὸ μὲν πρῶτον ὑπερεῖχεν, ὕστερον δὲ τοῦ Γλῶ μετὰ τοῦ βάρους ἐπενεχθέντος καὶ γενναίως ἀγωνισαμένου συνέβη φυγεῖν τοὺς περὶ τὸν Εὐαγόραν καὶ πολλὰς τῶν τριήρων ἀποβαλεῖν. 4. οἱ δὲ Πέρσαι τῇ ναυμαχίᾳ νικήσαντες εἰς Κίτιον πόλιν ἀμφοτέρας τὰς δυνάμεις ἡθροισαν. ἐκ ταύτης δ' ὀρμώμενοι πολιορκίαν συνεστήσαντο πρὸς τῇ Σαλαμῖνι, καὶ τὴν πόλιν ἐπύρθουν κατὰ γῆν ἅμα καὶ κατὰ θάλατταν. [2] καὶ Τιρίβαζος μὲν μετὰ τὴν ναυμαχίαν διαβὰς εἰς Κιλικίαν, κάκειθεν πορευθεὶς πρὸς τὸν βασιλέα, τὴν τε νίκην ἀπήγγειλε καὶ δισχίλια τάλαντα πρὸς τὸν πόλεμον ἀπεκόμισεν: Εὐαγόρας δὲ πρὸ μὲν τῆς ναυμαχίας παρὰ θάλατταν πεζῇ συμβαλὼν μέρει τῆς πεζῆς δυνάμεως προετέρησε καὶ πρὸς τὸ μέλλον εὐθαρσῆς καθειστήκει, τῇ δὲ

ναυμαχία πταίσας καὶ συγκλεισθεὶς εἰς πολιορκίαν ἀθύμως εἶχεν. [3] ὁμως δὲ κρίνας ἔχεσθαι τοῦ πολέμου, Πνυταγόραν μὲν τὸν υἱὸν ἀπέλιπεν ἡγεμόνα τῶν ὄλων ποιήσας ἐν τῇ Κύπρῳ, αὐτὸς δ' ἀναλαβὼν δέκα τριῆρεις νυκτὸς ἔλαθε τοὺς πολεμίους ἐκπλεύσας ἐκ τῆς Σαλαμῖνος. κομισθεὶς δ' εἰς τὴν Αἴγυπτον καὶ συντυχὼν τῷ βασιλεῖ, παρεκάλεσεν αὐτὸν ἐρρωμένως ἀντέχεσθαι τοῦ πολέμου καὶ κοινὸν ἡγεῖσθαι τὸν πρὸς τοὺς Πέρσας πόλεμον. 5.

ἄμα δὲ τούτοις πραπτομένοις Λακεδαιμόνιοι μὲν ἔγνωσαν στρατεῦειν ἐπὶ τὴν Μαντίνειαν, οὐδὲν φροντίσαντες τῶν γεγενημένων σπονδῶν, διὰ τοιαύτας αἰτίας. προὔπαρχούσης τοῖς Ἑλλήσι κοινῆς εἰρήνης τῆς ἐπὶ Ἀνταλκίδου, καθ' ἣν αἱ πόλεις ἅπασαι τὰς μὲν φρουρὰς ἀπετρίψαντο, τὴν δ' αὐτονομίαν καθ' ὁμολογίαν παρέλαβον, Λακεδαιμόνιοι φύσει φιλαρχοῦντες καὶ πολεμικοὶ ταῖς αἰρέσεσιν ὄντες, τὴν εἰρήνην ὥσπερ βαρὺ φορτίον οὐχ ὑπέμενον, τὴν δὲ προγεγενημένην τῆς Ἑλλάδος δυναστείαν ἐπιποθοῦντες μετέωροι ταῖς ὁρμαῖς ὑπῆρχον πρὸς καινοτομίαν. [2] εὐθὺς οὖν τὰς μὲν πόλεις συνετάραττον καὶ διὰ τῶν ιδίων φίλων στάσεις ἐγκατεσκεύαζον ἐν αὐταῖς, ὧν ἔναι πιθανὰς ἀφορμὰς αὐτοῖς παρέσχοντο τῆς ταραχῆς. ἀπολαβοῦσαι γὰρ τὰς αὐτονομίας λόγον ἀπῆτουν παρὰ τῶν ἐπεστατηκότων ἐπὶ τῆς Λακεδαιμονίων ἡγεμονίας: πικρῶν δὲ τῶν ἐλέγχων γινομένων διὰ τὸ μνησικακεῖν τοὺς δήμους, καὶ πολλῶν φυγαδευομένων, ἀπέδειξαν ἑαυτοὺς βοηθοὺς τοῖς καταστασιαζομένοις. [3] ὑποδεχόμενοι δὲ τούτους καὶ μετὰ δυνάμεως ἐκπέμποντες ἐπὶ τὰς καθόδους, κατεδουλοῦντο τὸ μὲν πρῶτον τὰς ἀσθενεστέρας πόλεις, μετὰ δὲ ταῦτα καὶ τὰς ἀξιολογωτέρας καταπολεμοῦντες ὑπηκόους ἐποιοῦν, οὐδὲ δύο ἔτη φυλάξαντες τὰς κοινὰς σπονδὰς. πλησιόχωρον δ' ὀρῶντες οὖσαν τὴν τῶν Μαντινέων πόλιν καὶ πλήθουσαν ἀνδρῶν ἀλκίμων, ὑπώπτευσαν αὐτῆς τὴν αὐξήσιν τὴν γινομένην ἐκ τῆς εἰρήνης, καὶ τὰ φρονήματα τῶν ἀνδρῶν ἔσπευδον ταπεινῶσαι. [4] διὸ καὶ τὸ μὲν πρῶτον πρέσβεις ἀποστέιλαντες πρὸς τὴν Μαντίνειαν προσέταττον τὰ μὲν τεῖχη καθελεῖν, αὐτοὺς δὲ μετοικῆσαι πάντας εἰς τὰς ἀρχαίας πέντε κώμας, ἐξ ὧν εἰς τὴν Μαντίνειαν τὸ παλαιὸν συνώκησαν: οὐδενὸς δὲ αὐτοῖς προσέχοντος, δύναντι ἐκπέμπαντες ἐπολιόρκουν τὴν πόλιν. [5] οἱ δὲ Μαντινεῖς εἰς τὰς Ἀθήνας πρέσβεις ἀποστέιλαντες ἠξίουσαν ἑαυτοῖς βοηθῆσαι. οὐ προαιρουμένων δὲ τῶν Ἀθηναίων παραβαίνειν τὰς κοινὰς συνθήκας, ὁμως καθ' αὐτοὺς ὑποστάντες τὴν πολιορκίαν εὐρώστως ἡμύνοντο τοὺς πολεμίους. καὶ τὰ μὲν κατὰ τὴν Ἑλλάδα τοῦτον τὸν τρόπον καινῶν πολέμων ἀρχὴν ἐλάμβανεν. 6.

κατὰ δὲ τὴν Σικελίαν Διονύσιος ὁ τῶν Συρακοσίων τύραννος ἀπολελυμένος τῶν πρὸς Καρχηδονίους πολέμων πολλὴν εἰρήνην καὶ σχολὴν εἶχεν. διὸ καὶ ποιήματα γράφειν ὑπεστήσατο μετὰ πολλῆς σπουδῆς, καὶ τοὺς ἐν τούτοις δόξαν ἔχοντας μετεπέμπετο καὶ προτιμῶν αὐτοὺς συνδιέτριβε καὶ τῶν ποιημάτων ἐπιστάτας καὶ διορθωτὰς εἶχεν. ὑπὸ δὲ τούτων διὰ τὰς εὐεργεσίας τοῖς πρὸς χάριν λόγοις μετεωριζόμενος ἐκαυχᾶτο πολὺ μᾶλλον ἐπὶ τοῖς ποιήμασιν ἢ τοῖς ἐν πολέμῳ καταρωθόμενοις. [2] τῶν δὲ συνόντων αὐτῷ ποιητῶν Φιλόξενος ὁ διθυραμβοποιός, μέγιστον ἔχων ἀξίωμα κατὰ τὴν κατασκευὴν τοῦ ἰδίου ποιήματος, κατὰ τὸ συμπόσιον ἀναγνωσθέντων τῶν

τοῦ τυράννου ποιημάτων μοχθηρῶν ὄντων ἐπηρωτήθη περὶ τῶν ποιημάτων τίνα κρίσιν ἔχοι. ἀποκριναμένου δ' αὐτοῦ παρρησιωδέστερον, ὁ μὲν τύραννος προσκόψας τοῖς ῥηθεῖσι, καὶ καταμεμνῆμένος ὅτι διὰ φθόνον ἐβλασφήμησε, προσέταξε τοῖς ὑπηρεταῖς παραχρῆμα ἀπάγειν εἰς τὰς λατομίας. [3] τῇ δ' ὑστεραίᾳ τῶν φίλων παρακαλοῦντων συγγνώμην δοῦναι τῷ Φιλοξένῳ, διαλλαγῆς αὐτῷ πάλιν τοὺς αὐτοὺς παρέλαβεν ἐπὶ τὸ συμπόσιον. προβαίνοντος δὲ τοῦ πότου, καὶ πάλιν τοῦ Διονυσίου καυχωμένου περὶ τῶν ἰδίων ποιημάτων, καὶ τινὰς στίχους τῶν δοκούντων ἐπιτετεῦχθαι προενεγκαμένου, καὶ ἐπερωτῶντος ποῖά τινα σοι φαίνεται τὰ ποιήματα ὑπάρχειν; ἄλλο μὲν οὐδὲν εἶπε, τοὺς δ' ὑπηρετάς τοῦ Διονυσίου προσκαλεσάμενος ἐκέλευσεν αὐτὸν ἀπαγαγεῖν εἰς τὰς λατομίας. [4] τότε μὲν οὖν διὰ τὴν εὐτραπeliάν τῶν λόγων μειδιάσας ὁ Διονύσιος ἤνεγκε τὴν παρρησίαν, τοῦ γέλωτος τὴν μέμψιν ἀμβλύνοντος· μετ' ὀλίγον δὲ τῶν γνωρίμων ἅμα καὶ τοῦ Διονυσίου παραιτουμένων τὴν ἄκαιρον παρρησίαν, ὁ Φιλόξενος ἐπηγγείλατο παράδοξόν τινα ἐπαγγελίαν. ἔφη γὰρ διὰ τῆς ἀποκρίσεως τηρήσειν ἅμα καὶ τὴν ἀλήθειαν καὶ τὴν εὐδόκησιν τοῦ Διονυσίου, καὶ οὐ διεψεύσθη. [5] τοῦ γὰρ τυράννου προενεγκαμένου τινὰς στίχους ἔχοντας ἐλεεινὰ πάθη, καὶ ἐρωτήσαντος ποῖά τινα φαίνεται τὰ ποιήματα; εἶπεν οἰκτρά, διὰ τῆς ἀμφιβολίας ἀμφοτέρα τηρήσας. ὁ μὲν γὰρ Διονύσιος ἐδέξατο τὰ οἰκτρά εἶναι ἐλεεινὰ καὶ συμπαθείας πλήρη, τὰ δὲ τοιαῦτα εἶναι ποιητῶν ἀγαθῶν ἐπιτεύγματα, ὅθεν ὡς ἐπηνεκότα αὐτὸν ἀπεδέχετο· οἱ δ' ἄλλοι τὴν ἀληθινὴν διάνοιαν ἐκδεξάμενοι πᾶν τὸ οἰκτρὸν ἀποτεύγματος φύσιν εἰρησθαι διελάμβανον. 7. παραπλήσιον δὲ συνέβη καὶ περὶ Πλάτωνα τὸν φιλόσοφον γενέσθαι. μεταπεμψάμενος γὰρ τὸν ἄνδρα τοῦτον τὸ μὲν πρῶτον ἀποδοχῆς ἡξίου τῆς μεγίστης, ὁρῶν αὐτὸν παρρησίαν ἔχοντα ἀξίαν τῆς φιλοσοφίας· ὕστερον δ' ἔκ τινων λόγων προσκόψας αὐτῷ παντελῶς ἀπηλλοτριώθη, καὶ προαγαγὼν εἰς τὸ πρατήριον ὡς ἀνδράποδον ἀπέδοτο μνῶν εἴκοσι. ἀλλὰ τοῦτον μὲν οἱ φιλόσοφοι συνελθόντες ἐξηγόρασαν καὶ ἐξαπέστειλαν εἰς τὴν Ἑλλάδα, φιλικὴν νοθεσίαν ἐπιφθεγξάμενοι, διότι δεῖ τὸν σοφὸν τοῖς τυράννοις ἢ ὡς ἡκιστα ἢ ὡς ἥδιστα ὀμιλεῖν· [2] ὁ δὲ Διονύσιος τῆς εἰς τὰ ποιήματα σπουδῆς οὐκ ἀφιστάμενος εἰς μὲν τὴν Ὀλυμπιακὴν πανήγυριν ἐξαπέστειλε τοὺς εὐφωνοτάτους τῶν ὑποκριτῶν διαθησομένους ἐν τοῖς ὄχλοις μετ' ᾧδῆς τὰ ποιήματα. οὗτοι δὲ τὸ μὲν πρῶτον διὰ τὴν εὐφωνίαν ἐξέπληττον τοὺς ἀκούοντας, μετὰ δὲ ταῦτα ἀναθεωρήσεως γενομένης κατεφρονήθησαν καὶ πολὺν ἀπηνέγκαντο γέλωτα. [3] ὁ δὲ Διονύσιος ἀκούσας τὴν τῶν ποιημάτων καταφρόνησιν ἐνέπεσεν εἰς ὑπερβολὴν λύπης· αἰεὶ δὲ μᾶλλον τοῦ πάθους ἐπίτασιν λαμβάνοντος, μανιώδης διάθεσις κατέσχε τὴν ψυχὴν αὐτοῦ, καὶ φθονεῖν αὐτῷ φάσκων ἅπαντας τοὺς φίλους ὑπώπτευν ὡς ἐπιβουλεύοντας. καὶ πέρας ἐπὶ τοσοῦτο προῆλθε λύττης καὶ παρακοπῆς, ὥστε τῶν φίλων πολλοὺς μὲν ἐπὶ ψευδέσιν αἰτίαις ἀνελεῖν, οὐκ ὀλίγους δὲ καὶ ἐφυγάδευσεν· ἐν οἷς ἦν Φίλιστος καὶ Λεπτίνης ὁ ἀδελφός, ἄνδρες διαφέροντες ἀνδρεία καὶ πολλὰς καὶ μεγάλας χρείας ἐν τοῖς πολέμοις αὐτῷ παρεσχημένοι. [4] οὗτοι μὲν οὖν φυγόντες εἰς Θουρίους τῆς Ἰταλίας, καὶ παρὰ τοῖς Ἰταλιώταις μεγάλῃς ἀποδοχῇς

τυγχάνοντες, ὕστερον δεσθέντος τοῦ Διονυσίου διηλλάγησαν, καὶ κατελθόντες εἰς τὰς Συρακούσας εἰς τὴν προϋπάρξασαν εὐνοίαν ἀποκατεστάθησαν· ὁ δὲ Λεπτίνης ἔγημε τὴν Διονυσίου θυγατέρα. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἑνιαυτόν. 8.

ἐπ' ἄρχοντας δ' Ἀθήνησι Δεξιθέου Ῥωμαῖοι κατέστησαν ὑπάτους Λεύκιον Λουκρήτιον καὶ Σερούιον Σουλπίκιον. ἐπὶ δὲ τούτων Εὐαγόρας μὲν ὁ τῶν Σαλαμινίων βασιλεὺς ἦκεν εἰς Κύπρον ἐξ Αἰγύπτου, κομίζων χρήματα παρὰ Ἀκόριδος τοῦ βασιλέως Αἰγύπτου ἐλάττονα τῶν προσδοκηθέντων. καταλαβὼν δὲ τὴν Σαλαμίνα πολιορκουμένην ἐνεργῶς, καὶ ὑπὸ τῶν συμμάχων καταλειπόμενος, ἠναγκάσθη πρεσβεῦσαι περὶ συλλύσεως. [2] ὁ δὲ Τιριβάζος τῶν ὅλων ἔχων τὴν ἡγεμονίαν ἔφησε συγχωρῆσαι τὴν σύλλυσιν, ἐὰν Εὐαγόρας ἐκχωρήσῃ πασῶν τῶν κατὰ τὴν Κύπρον πόλεων, αὐτῆς δὲ μόνης τῆς Σαλαμῖνος βασιλεύων τελῇ τῷ Περσῶν βασιλεῖ κατ' ἑνιαυτὸν φόρον ὥρισμένον καὶ ποιῇ τὸ προσταττόμενον ὡς δοῦλος δεσπότη. [3] ὁ δ' Εὐαγόρας, καίπερ βαρείας οὐσης τῆς αἰρέσεως, τὰ μὲν ἄλλα πάντα συνεχώρει, τὸ δ' ὡς δοῦλον δεσπότη ποιεῖν τὸ προσταττόμενον ἀντέλεγεν, ἔφη δὲ αὐτὸν ὡς βασιλέα βασιλεῖ δεῖν ὑποτετάχθαι. οὐ συγχωροῦντος δὲ τοῦ Τιριβάζου, Ὀρόντης ὁ ἕτερος στρατηγός, φθονῶν τῇ δόξῃ τοῦ Τιριβάζου, γράμματα λάθρα πρὸς τὸν Ἀρταξέρξην ἔπεμψε κατὰ τοῦ Τιριβάζου. [4] κατηγορεῖ δ' αὐτοῦ πρῶτον μὲν ὅτι δυνάμενος ἐλεῖν τὴν Σαλαμίνα τοῦτο μὲν οὐ συντελεῖ, πρεσβείας δὲ προσδέχεται παρ' αὐτοῦ καὶ συλλαλεῖ περὶ κοινοπραγίας, ὁμοίως δὲ καὶ πρὸς Λακεδαιμονίους συντίθεται συμμαχίαν ἰδία, φίλος ὢν αὐτῶν· ὡς καὶ Πυθώδε τινὰς ἔπεμψεν ἐρησομένους τὸν θεὸν περὶ τῆς ἐπαναστάσεως, τὸ δὲ μέγιστον, ὅτι τοὺς ἡγεμόνας τῶν δυνάμεων ἰδίους εὐνοίαις κατασκευάζει, τιμαῖς καὶ δωρεαῖς, ἔτι δ' ἐπαγγελίαις προσαγόμενος. [5] ὁ δὲ βασιλεὺς ἀναγνοὺς τὴν ἐπιστολὴν καὶ πιστεῦσας ταῖς διαβολαῖς, ἔγραψε τῷ Ὀρόντῃ συλλαβεῖν τὸν Τιριβάζον καὶ πρὸς ἑαυτὸν ἀποστεῖλαι. οὗ πράξαντος τὸ προσταχθέν, ὁ μὲν Τιριβάζος ἀναχθεὶς ὡς τὸν βασιλέα καὶ κρίσεως τυχεῖν ἀξιώσας κατὰ μὲν τὸ παρὸν παρεδόθη εἰς φυλακὴν, μετὰ δὲ ταῦτα τοῦ βασιλέως ἔχοντος πόλεμον πρὸς Καδουσίους καὶ τὴν κρίσιν ἀναβαλλομένου, διείλκετο τὰ περὶ τοῦ δικαστηρίου. 9. ὁ δ' Ὀρόντης διαδεξάμενος τὴν ἡγεμονίαν τῶν ἐν τῇ Κύπρῳ δυνάμεων, καὶ τὸν Εὐαγόραν πάλιν τεθαρρηκότως ὁρῶν ὑπομένοντα τὴν πολιορκίαν, πρὸς δὲ τούτοις τῶν στρατιωτῶν χαλεπῶς ὑπομενόντων τὴν σύλληψιν τοῦ Τιριβάζου, καὶ διὰ τοῦτο ἀπειθούντων καὶ τὴν πολιορκίαν ἐγκαταλειπόντων, δέισας Ὀρόντης τὸ τῆς περιστάσεως παράλογον, ἐξέπεμψε πρὸς τὸν Εὐαγόραν τοὺς διαλεξομένους περὶ τῆς συλλύσεως καὶ κελεύσοντας συντίθεσθαι τὴν εἰρήνην, ἐφ' οἷς ἐκεῖνος ἡξίου συντίθεσθαι πρὸς Τιριβάζον. [2] ὁ μὲν οὖν Εὐαγόρας παραδόξως ἐξωσιούτο τὴν ἄλωσιν, καὶ συνέθετο τὴν εἰρήνην, ὥστε βασιλεύειν τῆς Σαλαμῖνος καὶ τὸν ὥρισμένον δίδοναι φόρον κατ' ἑνιαυτὸν καὶ ὑπακούειν ὡς βασιλεὺς βασιλεῖ προστάττοντι. ὁ μὲν οὖν Κυπριακὸς πόλεμος δεκαετὴς σχεδὸν γεγεννημένος καὶ τὸ πλεόν τοῦ χρόνου περὶ παρασκευὰς ἀσχοληθεῖς, διετῇ χρόνον τὸν ἐπὶ πᾶσι συνεχῶς πολεμηθεὶς τοῦτον τὸν τρόπον κατελύθη. [3] ὁ δὲ τοῦ στόλου τὴν ναυαρχίαν ἔχων Γλῶς,

γεγαμικῶς τοῦ Τιριβάζου τὴν θυγατέρα, περίφοβος ὢν μήποτε συνεργεῖν δόξας τῷ Τιριβάζῳ περὶ τῆς ὑποθέσεως τύχη τιμωρίας ὑπὸ τοῦ βασιλέως, ἔγνω καινῇ πραγμάτων ἐπιβολῇ τὰ καθ' ἑαυτὸν ἀσφαλίζεισθαι. εὐπορῶν δὲ χρημάτων καὶ στρατιωτῶν, ἔτι δὲ τοὺς τριηράρχους ταῖς εὐνοίαις ἰδίους πεπονημένους, διέγνω τοῦ βασιλέως ἀφίστασθαι. [4] εὐθὺς οὖν πρὸς μὲν Ἄκοριν τὸν βασιλέα τῶν Αἰγυπτίων διαπρεσβευσάμενος συμμαχίαν συνέθετο κατὰ τοῦ βασιλέως, πρὸς δὲ τοὺς Λακεδαιμονίους γράφων ἐπῆρε κατὰ τοῦ βασιλέως, καὶ χρημάτων πλῆθος ἐπηγγέλλετο δώσειν καὶ τὰς ἄλλας ἐπαγγελίας μεγάλας ἐποιεῖτο, ὑπισχνούμενος συμπράξιν αὐτοῖς τὰ κατὰ τὴν Ἑλλάδα καὶ τὴν ἡγεμονίαν αὐτοῖς τὴν πάτριον συγκατασκευάσειν. [5] οἱ δὲ Σπαρτιᾶται καὶ πάλαι μὲν διεγνώκεισαν ἀνακτᾶσθαι τὴν ἡγεμονίαν, τότε δὲ συνετάραττον ἤδη τὰς πόλεις καὶ πᾶσιν ὑπῆρχον φανεροὶ τὰς πόλεις καταδουλούμενοι. πρὸς δὲ τούτοις ἀδοξοῦντες ἐπὶ τῷ δοκεῖν ἐν τῇ πρὸς τὸν βασιλέα συνθέσει τοὺς κατὰ τὴν Ἀσίαν Ἕλληνας ἐκδότους πεπονηκέναι, μετεμέλοντο τοῖς πεπραγμένοις καὶ πρόφασιν εὐλογον ἐζήτουν τοῦ πρὸς τὸν Ἀρταξέρξην πολέμου. διόπερ ἄσμενοι συνέθεντο πρὸς τὸν Γλῶ τὴν συμμαχίαν. 10.

Ἀρταξέρξης δὲ καταλύσας τὸν πρὸς Καδουσίους πόλεμον προέθηκε κρίσιν Τιριβάζῳ, καὶ δικαστὰς τρεῖς ἀπέδωκε τῶν μάλιστα εὐδοκιμούντων παρὰ τοῖς Πέρσαις. κατὰ τούτους δὲ τοὺς χρόνους ἕτεροι δικασταὶ δόξαντες κακῶς κρίνουν ζῶντες ἐξεδάρησαν, καὶ ὑπὲρ τῶν δικαστικῶν δίφρων περιταθέντων τῶν δερμάτων ἐπὶ τούτων ἐδίκαζον οἱ δικασταί, παρ' ὀφθαλμοῦς ἔχοντες παράδειγμα τῆς ἐν τῷ κακῶς κρίνουν τιμωρίας. [2] οἱ μὲν οὖν κατηγοροῦντες τὴν ἐπιστολὴν ἀναγνόντες τὴν πεμφθεῖσαν ὑπὸ τοῦ Ὀρόντου, ταύτην ἱκανῶς ἔφασαν ἔχειν πρὸς κατηγορίαν: ὁ δὲ Τιρίβαζος πρὸς μὲν τὴν κατὰ τὸν Εὐαγόραν διαβολὴν τὴν ὑπ' Ὀρόντου γεγεννημένην συνθήκην τὸν Εὐαγόραν ὑπακούσειν ὥς βασιλέα βασιλεῖ προήνεγκεν: ἑαυτὸν δὲ τὴν εἰρήνην συντεθεῖσθαι, ὥστε ὑπακούειν Εὐαγόραν τῷ βασιλεῖ ὥς δοῦλον δεσπότη: περὶ δὲ τῶν χρησμῶν ἔφησε μὴ χρηματίζειν τὸν θεὸν καθόλου περὶ θανάτου, καὶ τούτου μάρτυρας παρείχετο πάντας τοὺς παρόντας Ἕλληνας. περὶ δὲ τῆς φιλίας τῆς πρὸς Λακεδαιμονίους ἀπελογεῖτο, λέγων οὐκ ἐπὶ τῷ ἰδίῳ συμφέροντι, ἀλλ' ἐπὶ τῷ τοῦ βασιλέως λυσιτελεῖ πεπονησθαι τὴν φιλίαν: καὶ διὰ ταύτης παρεδείκνυε τῶν μὲν Λακεδαιμονίων παρηρηῆσθαι τοὺς κατὰ τὴν Ἀσίαν Ἕλληνας, τῷ δὲ βασιλεῖ παραδεδόσθαι ἐκδότους. ἐπὶ τελευτῆς δὲ τῆς ἀπολογίας ὑπέμνησε τοὺς δικαστὰς ὢν τὸν βασιλέα πρότερον ἦν εὐεργετηκῶς. [3] λέγεται δὲ πολλὰς μὲν καὶ ἄλλας χρείας ἐνδεδεῖσθαι τῷ βασιλεῖ, μίαν δὲ μεγίστην, ἐξ ἧς αὐτὸν θαυμασθῆναι συνέβη καὶ μέγιστον γενέσθαι φίλον: κατὰ γάρ τινα κυνηγίαν ἐφ' ἄρματος ὀχουμένου τοῦ βασιλέως δύο λέοντας ἐπ' αὐτὸν ὀρμήσαι, καὶ τῶν μὲν ἵππων τῶν ἐν τῷ τεθρίπῳ δύο διασπάσαι, τὴν δ' ὀρμὴν ἐπ' αὐτὸν ποιεῖσθαι τὸν βασιλέα: καθ' ὃν δὴ καιρὸν ἐπιφανέντα τὸν Τιρίβαζον τοὺς μὲν λέοντας ἀποκτείνει, τὸν δὲ βασιλέα ἐκ τῶν κινδύνων ἐξελέσθαι. [4] ἐν τε τοῖς πολέμοις ἀνδρεία διενεγκεῖν φασὶν αὐτὸν καὶ κατὰ τὰς συμβουλὰς οὕτως εὐστοχεῖν, ὥστε τὸν βασιλέα χρώμενον ταῖς ἐκείνου παραγγελίαις μηδέποτε διαμαρτεῖν. τοιαύτῃ δ'

ἀπολογία χρησάμενος ὁ Τιρίβαζος ἀπελύθη τῶν ἐγκλημάτων ὁμολογημένων ὑπὸ πάντων τῶν δικαστῶν. 11. ὁ δὲ βασιλεὺς καθ' ἓνα τῶν δικαστῶν προσκαλούμενος ἐπηρώτησε, τίσι δικαίοις προσσχὼν ἕκαστος ἀπέλυσε τὸν κατηγορούμενον. ὁ μὲν οὖν πρῶτος ἔφησε, θεωρῶν τὰ μὲν ἐγκλήματα ἀμφισβητούμενα, τὰς δ' εὐεργεσίας ὁμολογουμένας οὕσας· ὁ δὲ δεῦτερος ἔφησε, καὶ τιθεμένων ἀληθινῶν τῶν ἐγκλημάτων, ὅμως τὰς εὐεργεσίας μείζους εἶναι τῆς ἀμαρτίας· ὁ δὲ τρίτος εἶπεν ὅτι τὰς μὲν εὐεργεσίας οὐ τίθεται πρὸς λόγον διὰ τὸ τὰς περὶ αὐτῶν χάριτας καὶ τιμὰς πολλαπλασίας ἀπειληθέναι παρὰ τοῦ βασιλέως τὸν Τιρίβαζον, αὐτῶν δὲ τῶν ἐγκλημάτων κατ' ἰδίαν θεωρουμένων μὴ φαίνεσθαι τούτοις ἔνοχον εἶναι τὸν κατηγορούμενον. [2] ὁ δὲ βασιλεὺς τοὺς μὲν δικαστὰς ἐπήνεσεν, ὡς δικαίως κεκρικότας, τὸν δὲ Τιρίβαζον ταῖς νομιζομέναις μεγίσταις τιμαῖς ἐκόσμησεν. τοῦ δὲ Ὀρόντου καταγνοὺς ὡς ψευδῇ κατηγορίαν πεπλακότος ἐκ τε τῶν φίλων ἐξέκρινε καὶ ταῖς ἐσχάταις ἀτιμίαις περιέβαλεν. καὶ τὰ μὲν κατὰ τὴν Ἀσίαν ἐν τούτοις ἦν. 12.

κατὰ δὲ τὴν Ἑλλάδα Λακεδαιμονίων πορθούντων Μαντίνειαν, τὸ μὲν θέρους διετέλεσαν οἱ Μαντινεῖς γενναίως ἀγωνιζόμενοι πρὸς τοὺς πολεμίους· ἐδόκουν γὰρ ἀνδρεία διαφέρειν τῶν Ἀρκάδων, καὶ διὰ τοῦθ' οἱ Λακεδαιμόνιοι πρότερον εἰώθεισαν ἐν ταῖς μάχαις τούτους παραστάτας ἔχειν καὶ πιστοτάτους τῶν συμμάχων· τοῦ δὲ χειμῶνος ἐνστάντος, καὶ τοῦ παρὰ τὴν Μαντίνειαν ποταμοῦ μεγάλην αὔξησιν ἐκ τῶν ὄμβρων λαβόντος, οἱ Λακεδαιμόνιοι τὸ ῥεῦμα τοῦ ποταμοῦ διαλαβόντες μεγάλοις χώμασιν ἀπέστρεψαν τὸν ποταμὸν εἰς τὴν πόλιν καὶ πάντα τὸν σύνεγγυς τόπον ἐποίησαν λιμνάζειν. [2] διὸ καὶ τῶν οἰκῶν πιπτουσῶν καταπλαγέντες οἱ Μαντινεῖς ἠναγκάσθησαν τὴν πόλιν παραδοῦναι τοῖς Λακεδαιμονίοις. οἱ δὲ παραλαβόντες ἄλλο μὲν οὐθὲν κακὸν εἰργάσαντο τοὺς Μαντινεῖς, προσέταξαν δὲ εἰς τὰς ἀρχαίας κώμας μετοικισθῆναι. διόπερ ἠναγκάσθησαν τὴν μὲν ἰδίαν πατρίδα κατασκάπτειν, εἰς δὲ τὰς κώμας μετοικῆσαι. 13.

ἄμα δὲ τούτοις πραττομένοις κατὰ τὴν Σικελίαν Διονύσιος ὁ τῶν Συρακοσίων τύραννος ἔγνω κατὰ τὸν Ἀδρίαν πόλεις οἰκίζειν. τοῦτο δὲ ἔπραττε διανοούμενος τὸν Ἴόνιον καλούμενον πόρον ἰδιοποιεῖσθαι, ἵνα τὸν ἐπὶ τὴν Ἥπειρον πλοῦν ἀσφαλῇ κατασκευάσῃ καὶ πόλεις ἔχῃ ἰδίας εἰς τὸ δύνασθαι ναυσὶ καθορμισθῆναι. ἔσπευδε γὰρ ἄφνω μεγάλαις δυνάμεσιν ἐπιπλεῦσαι τοῖς κατὰ τὴν Ἥπειρον τόποις καὶ συλῆσαι τὸ ἐν Δελφοῖς τέμενος, γέμον πολλῶν χρημάτων. [2] διὸ καὶ πρὸς Ἰλλυριοὺς ἐποίησато συμμαχίαν δι' Ἀλκέτου τοῦ Μολοττοῦ, ὃς ἐτύγχανε φυγὰς ὦν καὶ διατρίβων ἐν ταῖς Συρακούσαις. τῶν δ' Ἰλλυριῶν ἐχόντων πόλεμον, ἐξαπέστειλεν αὐτοῖς συμμάχους στρατιώτας δισχιλίους καὶ πανοπλίας Ἑλληνικὰς πεντακοσίας. οἱ δ' Ἰλλυριοὶ τὰς μὲν πανοπλίας ἀνέδωκαν τοῖς ἀρίστοις τῶν στρατιωτῶν, τοὺς δὲ στρατιώτας κατέμιξαν τοῖς ἰδίῳις στρατιώταις. [3] πολλὴν δὲ δύναμιν ἀθροίσαντες ἐνέβαλον εἰς τὴν Ἥπειρον καὶ κατήγον τὸν Ἀλκέταν ἐπὶ τὴν τῶν Μολοττῶν βασιλείαν. οὐδενὸς δ' αὐτοῖς προσέχοντος, τὸ μὲν πρῶτον ἐπόρθησαν τὴν χώραν, μετὰ δὲ ταῦτα τῶν Μολοττῶν ἀντιταττομένων ἐγένετο μάχη καρτερά, καθ' ἣν νικήσαντες οἱ Ἰλλυριοὶ κατέκοψαν τῶν Μολοττῶν

πλείους τῶν μυρίων πεντακισχιλίων. τοιαύτη δὲ συμφορὰ τῶν Ἑπειρωτῶν περιπεσόντων, Λακεδαιμόνιοι πυθόμενοι τὰ συμβεβηκότα συμμαχίαν ἐξέπεμψαν τοῖς Μολοττοῖς, δι' ἧς τοῦ πολλοῦ θράσους ἔπαυσαν τοὺς βαρβάρους. [4] ἅμα δὲ τούτοις πραττομένοις Πάριοι κατὰ τινα χρησμὸν ἀποικίαν ἐκπέμψαντες εἰς τὸν Ἀδρίαν ἐκτίσαν ἐν αὐτῷ νῆσον τὴν ὀνομαζομένην Φάρον, συμπράξαντος αὐτοῖς Διονυσίου τοῦ τυράννου. οὗτος γὰρ ἀποικίαν ἀπεσταλκῶς εἰς τὸν Ἀδρίαν οὐ πολλοῖς πρότερον ἔτεσιν ἐκτικῶς ἦν τὴν πόλιν τὴν ὀνομαζομένην Λίσσον. [5] ἐκ ταύτης οὖν ὀρμώμενος Διονύσιος ... σχολὴν ἄγων κατεσκεύασε νεώρια διακοσίαις τριήρεσι, καὶ τεῖχος περιέβαλε τῇ πόλει τηλικούτο τὸ μέγεθος, ὥστε τῇ πόλει γενέσθαι τὸν περίβολον μέγιστον τῶν Ἑλληνίδων πόλεων. κατεσκεύασε δὲ καὶ γυμνάσια μεγάλα παρὰ τὸν Ἀναπον ποταμὸν, θεῶν τε ναοὺς κατεσκεύασε καὶ ἄλλα τὰ συντείνοντα πρὸς αὐξήσιν πόλεως καὶ δόξαν. 14.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἤρχε Διοτρέφης, ἐν Ῥώμῃ δ' ὑπατοὶ κατεστάθηναν Λεύκιος Οὐαλέριος καὶ Αὐλὸς Μάλλιος, παρὰ δ' Ἡλείοις Ὀλυμπιάς ἤχθη ἐνενηκοστὴ ἐνάτη, καθ' ἣν ἐνίκα στάδιον Δίκων Συρακόσιος. ἐπὶ δὲ τούτων Πάριοι μὲν τὴν Φάρον οἰκίσαντες τοὺς τε προενοικοῦντας βαρβάρους ἐν τινὶ χωρίῳ καθ' ὑπερβολὴν ὀχυρῶ ὄντι εἶασαν κατοικεῖν ἀσινεῖς, αὐτοὶδὲ παρὰ θάλατταν κτίσαντες πόλιν ἐτείχισαν. [2] μετὰ δὲ ταῦτα τῶν προοικούντων ἐν τῇ νήσῳ βαρβάρων δυσχεραίνοντων ἐπὶ τῇ παρουσίᾳ τῶν Ἑλλήνων, καὶ μεταπεμπομένων τοὺς πέραν κατοικοῦντας Ἰλλυριοὺς, μικροῖς πλοίοις πολλοῖς διέβησαν εἰς τὴν Φάρον, ὄντες ὑπὲρ τοὺς μυρίους, καὶ τοὺς Ἑλλήνας πορθοῦντες πολλοὺς ἀνήρουν. ὁ δ' ἐν τῇ Λίσσῳ καθεσταμένος ἑπαρχος ὑπὸ Διονυσίου τριήρεις πλείους ἔχων ἐπέπλευσε τοῖς τῶν Ἰλλυριῶν πλοιαρίοις, καὶ τὰ μὲν βυθίσας, τὰ δὲ χειρωσάμενος, ἀπέκτεινε τῶν βαρβάρων πλείους τῶν πεντακισχιλίων, ἐξώγηρε δὲ περὶ δισχιλίους. [3] Διονύσιος δὲ χρημάτων ἀπορούμενος ἐστράτευσεν ἐπὶ Τυρρηνίαν, ἔχων τριήρεις ἐξήκοντα, πρόφασιν μὲν φέρων τὴν τῶν ληστῶν κατάλυσιν, τῇ δ' ἀληθείᾳ συλήσων ἱερὸν ἅγιον, γέμον μὲν ἀναθημάτων πολλῶν, καθιδρυμένον δ' ἐν ἐπινείῳ πόλεως Ἀγύλλης Τυρρηνίδος· τὸ δ' ἐπίνειον ὀνομάζετο Πύργοι. [4] καταπλεῦσας δὲ νυκτὸς καὶ τὴν δύναμιν ἐκβιβάσας, ἅμ' ἡμέρᾳ προσπεσὼν ἐκράτησε τῆς ἐπιβολῆς· ὀλίγων γὰρ ὄντων ἐν τῷ χωρίῳ φυλάκων, βιασάμενος αὐτοὺς ἐσύλησε τὸ ἱερὸν καὶ συνήθροισεν οὐκ ἔλαττον ταλάντων χιλίων. τῶν δὲ Ἀγυλλαίων ἐκβοηθησάντων, μάχη τε ἐκράτησεν αὐτῶν καὶ πολλοὺς αἰχμαλώτους λαβὼν καὶ τὴν χώραν πορθήσας ἐπανῆλθεν εἰς τὰς Συρακούσας. ἀποδόμενος δὲ τὰ λάφυρα συνήγαγεν οὐκ ἐλάττω ταλάντων πεντακοσίων. εὐπορήσας δὲ χρημάτων, ἐμισθοῦτο στρατιωτῶν παντοδαπῶν πλῆθος, καὶ δύναμιν ἀξιόλογον συστησάμενος φανερός ἦν πολεμήσων Καρχηδονίοις. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 15.

ἐπ' ἄρχοντος δ' Ἀθήνησι Φανοστράτου Ῥωμαῖοι κατέστησαν ἀντὶ τῶν ὑπάτων χιλιάρχους τέτταρας, Λεύκιον Λοκρήτιον, Σέντιον Σολπίκιον, Λεύκιον Αἰμίλιον, Λεύκιον Φούριον. ἐπὶ δὲ τούτων Διονύσιος ὁ τῶν Συρακοσίων τύραννος παρασκευασάμενος πολεμεῖν Καρχηδονίοις, ἐξήτει λαβεῖν πρόφασιν εὐλογον τοῦ πολέμου. ὁρῶν οὖν τὰς ὑπὸ Καρχηδονίου

τεταγμένας πόλεις οἰκείως ἐχούσας πρὸς ἀπόστασιν, προσεδέχετο τὰς βουλομένας ἀφίστασθαι, καὶ συμμαχίαν πρὸς αὐτὰς συντιθέμενος ἐπεικῶς προσεφέρετο ταύταις. [2] οἱ δὲ Καρχηδόνιοι τὸ μὲν πρῶτον πρέσβεις ἀποστέλλοντες πρὸς τὸν δυνάστην ἀπήτουν τὰς πόλεις, μὴ προσέχοντος δὲ αὐτοῦ συνέβη ταύτην ἀρχὴν γενέσθαι τοῦ πολέμου. Καρχηδόνιοι μὲν οὖν πρὸς τοὺς Ἰταλιώτας συμμαχίαν ποιησάμενοι κοινῇ τὸν πόλεμον ἐπανείλαντο πρὸς τὸν τύραννον: προορώμενοι δ' ἐμφρόνως τὸ μέγεθος τοῦ πολέμου, τῶν τε πολιτῶν τοὺς εὐθέτους κατέλεγον στρατιώτας καὶ χρημάτων προχειρισάμενοι πλῆθος ξενικὰς δυνάμεις μεγάλας ἐμισθοῦντο. καταστήσαντες δὲ στρατηγὸν Μάγωνα τὸν βασιλέα, πολλὰς μυριάδας στρατιωτῶν ἐπεραίωσαν εἰς τὴν Σικελίαν καὶ τὴν Ἰταλίαν, διαπολεμεῖν ἐξ ἀμφοτέρων βουλόμενοι. [3] ὁ δὲ Διονύσιος καὶ αὐτὸς τὰς δυνάμεις διελόμενος, τῷ μὲν ἐνὶ μέρει πρὸς τοὺς Ἰταλιώτας διηγωνίζετο, τῷ δὲ ἐτέρῳ πρὸς τοὺς Φοίνικας. πολλὰ μὲν οὖν κατὰ μέρος ἐγίνοντο μάχαι τοῖς στρατοπέδοις καὶ συμπλοκαὶ μικραὶ καὶ συνεχεῖς, ἐν αἷς οὐδὲν ἀξιόλογον ἔργον συνετελέσθη, δύο δὲ παρατάξεις ἐγένοντο μεγάλαι καὶ περιβόητοι. καὶ τῇ μὲν πρώτῃ Διονύσιος θαυμαστῶς ἀγωνισάμενος περὶ τὰ καλούμενα Κάβαλα προετέρησε, καὶ πλείους μὲν τῶν μυρίων ἀνέιλε τῶν βαρβάρων, οὐκ ἐλάττους δὲ τῶν πεντακισχιλίων ἐζώγησε: τὸ δ' ἄλλο πλῆθος ἠνάγκασε καταφυγεῖν ἐπὶ τινα λόφον ἐρυμνὸν καὶ ἄνυδρον παντελῶς. ἔπεσε δὲ καὶ Μάγων ὁ βασιλεὺς αὐτῶν ἀγωνισάμενος λαμπρῶς. [4] οἱ δὲ Φοίνικες καταπλαγέντες τὸ μέγεθος τῆς συμφορᾶς εὐθὺς διεπρεσβεύσαντο περὶ διαλύσεων. ὁ δὲ Διονύσιος ἀπεφήνατο τῷ μίαν αὐτοῖς εἶναι σύλλυσιν, ἐὰν ἐκχωρήσωσι τῶν κατὰ τὴν Σικελίαν πόλεων καὶ τὰ δαπανηθέντα χρήματα κατὰ τὸν πόλεμον ἐκτίσωσιν. 16. βαρείας δὲ καὶ ὑπερηφάνου τῆς ἀποκρίσεως δοκούσης ὑπάρχειν, οἱ Καρχηδόνιοι τῇ συνήθει πανουργίᾳ κατεστρατήγησαν τὸν Διονύσιον. προσποιηθέντες οὖν εὐδοκεῖσθαι ταῖς ὁμολογίαις, ἔφησαν αὐτοὺς μὲν μὴ ὑπάρχειν κυρίους τῆς τῶν πόλεων παραδόσεως, ἵνα δὲ τοῖς ἄρχουσιν διαλεχθῶσι περὶ τούτων, ἠξίωσαν τὸν Διονύσιον ὀλίγας ἡμέρας ἀνοχὰς ποιήσασθαι. [2] συγχωρήσαντος δὲ τοῦ δυνάστου καὶ τῶν ἀνοχῶν γενομένων, ὁ μὲν Διονύσιος περιχαρὴς ἦν, ὥς αὐτίκα μάλα τὴν Σικελίαν πᾶσαν παραληψόμενος, οἱ δὲ Καρχηδόνιοι Μάγωνα μὲν τὸν βασιλέα μεγαλοπρεπῶς ἔθαψαν, ἀντὶ δ' ἐκείνου στρατηγὸν κατέστησαν τὸν υἱὸν αὐτοῦ, νέον μὲν παντελῶς ὄντα, φρονήματος δὲ γέμοντα καὶ διάφορον ἀνδρεία. οὗτος δὲ πάντα τὸν τῶν ἀνοχῶν χρόνον διετέλεσε διατάσσειν καὶ γυμνάζειν τὴν δύναμιν, διὰ δὲ τῆς τῶν ἔργων ἀθλήσεως καὶ τῆς τῶν λόγων παρακλήσεως καὶ γυμνασίας ἐν τοῖς ὅπλοις εὐπειθῇ καὶ δυνατὴν ἐποίησε τὴν στρατιάν. [3] ὥς δ' ὁ τῆς ὁμολογίας διῆλθε χρόνος, ἀμφοτέροι τὰς δυνάμεις ἐκτάξαντες συγκατέβησαν προθύμως ἐπὶ τὴν μάχην. γενομένης δὲ παρατάξεως ἰσχυρᾶς περὶ τὸ καλούμενον Κρόνιον, τὸ δαιμόνιον ἐναλλάξ τῇ νίκῃ τὴν ἥτταν τῶν Καρχηδονίων διωρθώσατο: οἱ μὲν γὰρ προνεκικότες διὰ τὴν προγεγενημένην εὐημερίαν μεγαλυχοῦντες παραδόξως ἐσφάλισαν, οἱ δὲ διὰ τὴν ἥτταν πεπτωκότες ταῖς ἐλπίσιν, ἀπροσδόκητον καὶ μεγάλην εὐημερίαν ἀπηνέγκαντο. 17. Λεπτίνης μὲν γὰρ ἐπὶ θατέρου κέρως τεταγμένος καὶ

διαφέρων ἀνδρεία, μαχόμενος ἥρωικῶς καὶ πολλοὺς ἀνελὼν τῶν Καρχηδονίων ἐπιφανῶς κατέστρεψε τὸν βίον: τοῦτου δὲ πεσόντος οἱ Φοίνικες θαρρήσαντες καὶ βιασάμενοι τοὺς ἀντιτεταγμένους ἐτρέψαντο. [2] Διόνυσιος δὲ τὸ μὲν πρῶτον ἔχων ἐπιλέκτους τοὺς συντεταγμένους προετέρει τῶν ἀντιτεταγμένων: ὥς δ' ὁ τοῦ Λεπτίνου θάνατος ἐγνώσθη καὶ τὸ ἕτερον κέρας συνετέτριπτο, κατεπλάγησαν οἱ τοῦ Διονυσίου καὶ πρὸς φυγὴν ὥρμησαν. [3] τροπῆς δὲ παντελοῦς γενομένης, οἱ μὲν Καρχηδόνιοι φιλοτιμότερον καταδιώξαντες παρήγγελλον ἀλλήλοις μηδένα ζωγρεῖν: διὸ καὶ πάντων τῶν περικαταλαμβανομένων ἀναιρουμένων πᾶς ὁ πλησίον τόπος νεκρῶν ἐπληρώθη. [4] τοσοῦτος δ' ἐγένετο φόνος, μνησικακούντων τῶν Φοινίκων, ὥστε τοὺς ἀναιρεθέντας εὗρεθῆναι τῶν Σικελιωτῶν πλείους τῶν μυρίων καὶ τετρακισχιλίων. οἱ δὲ περιλειφθέντες καταφυγόντες εἰς τὴν παρεμβολὴν τῆς νυκτὸς ἐπιγενομένης διεσώθησαν. οἱ δὲ Καρχηδόνιοι μεγάλῃ παρατάξει νικήσαντες ἀνεχώρησαν εἰς Πάνορμον. [5] ἀνθρωπίνως δὲ τὴν εὐημερίαν ἐνεγκόντες ἀπέστειλαν πρεσβευτάς, δόντες ἐξουσίαν τῷ Διονυσίῳ καταλύσασθαι τὸν πόλεμον. ἀσμένως δὲ τοῦ τυράννου προσδεξαμένου τοὺς λόγους ἐγένοντο διαλύσεις, ὥστ' ἔχειν ἀμφοτέρους ὧν πρότερον ὑπῆρχον κύριοι: ἐξαίρετον δ' ἔλαβον οἱ Καρχηδόνιοι τὴν τῶν Σελινουντίων πόλιν τε καὶ χώραν καὶ τῆς Ἀκραγαντίνης μέχρι τοῦ Ἀλύκου καλουμένου ποταμοῦ. ἔτισε δὲ Διόνυσιος τοῖς Καρχηδονίοις τάλαντα χίλια. καὶ τὰ μὲν κατὰ Σικελίαν ἐν τούτοις ἦν. 18.

κατὰ δὲ τὴν Ἀσίαν Γλῶς ὁ ναυαρχήσας τῶν Περσῶν ἐν τῷ Κυπριακῷ πολέμῳ, ἀποστάτης ὢν τοῦ βασιλέως καὶ τοὺς τε Λακεδαιμονίους καὶ τὸν Αἰγυπτίων βασιλέα παρακεκληκῶς εἰς τὸν πρὸς Πέρσας πόλεμον, δολοφονηθεὶς ὑπὸ τινων οὐ συνετέλεσε τὴν προαίρεσιν. μετὰ δὲ τὴν τοῦτου τελευτὴν Ταχῶς διαδεξάμενος τὰς τοῦτου πράξεις συνεστήσατο περὶ αὐτὸν δύναμιν, καὶ πόλιν ἔκτισε πλησίον τῆς θαλάσσης ἐπὶ τινος κρημοῦ τὴν ὀνομαζομένην Λεύκην, ἔχουσαν ἱερὸν ἅγιον Ἀπόλλωνος. [2] μετ' ὀλίγον δὲ χρόνον αὐτοῦ τελευτήσαντος ἡμφισβήτησαν τῆς πόλεως ταύτης Κλαζομένιοι καὶ Κυμαῖοι. τὸ μὲν οὖν πρῶτον ἐπεχείρησαν αἱ πόλεις πολέμῳ διακρίνεσθαι, μετὰ δὲ ταῦτα εἰπόντος τινὸς ἐρωτῆσαι τὸν θεόν, ποτέραν τῶν πόλεων κρίνει κυρίαν εἶναι δεῖν τῆς Λεύκης, ἔκρινεν ἡ Πυθία ταύτην ὑπάρχειν, ἥτις ἂν πρώτη θύσῃ ἐν τῇ Λεύκῃ: ὀρμηθῆναι δὲ ἐκ τῆς ἰδίας πόλεως ἅμ' ἡλίῳ ἀνιόντι κατὰ τὴν ἡμέραν, ἣν ἀμφοτέροι συμφώνως ὑποστήσονται. [3] ταχθείσης δὲ τῆς ἡμέρας, οἱ μὲν Κυμαῖοι ὑπελάμβανον ἑαυτοὺς πλεονεκτεῖν διὰ τὸ τὴν αὐτῶν πόλιν ἐγγυτέρω κεῖσθαι, οἱ δὲ Κλαζομένιοι, διάστημα πλέον ἀπέχοντες, τεχνάζονταί τι τοιοῦτο πρὸς τὴν νίκην: κληρώσαντες ἐξ ἑαυτῶν ἀποίκους ἔκτισαν πλησίον τῆς Λεύκης πόλιν, ἐξ ἧς ὀρμηθέντες ἅμ' ἡλίῳ ἀνατέλλοντι ἔφθασαν τοὺς Κυμαίους τὴν θυσίαν ἐπιτελέσαντες. [4] τούτῳ δὲ τῷ φιλοτεχνήματι γενόμενοι κύριοι τῆς Λεύκης, ἐπώνυμον ἑορτὴν ἅγειν κατ' ἐνιαυτὸν ἐνεστήσαντο, τὴν πανηγυριν ὀνομάσαντες προφθάσειαν. τούτων δὲ πραχθέντων αἱ μὲν κατὰ τὴν Ἀσίαν ἐπαναστάσεις αὐτομάτως κατελύθησαν. 19.

Λακεδαιμόνιοι δὲ μετὰ τὸν τοῦ Γλῶ καὶ τοῦ Ταχῶ θάνατον τὰς μὲν κατὰ

τὴν Ἀσίαν πράξεις ἀπέγνωσαν, τὰ δὲ κατὰ τὴν Ἑλλάδα συσκευαζόμενοι, καὶ τῶν πόλεων ἃς μὲν πειθοῖ προσαγόμενοι, ἃς δὲ διὰ τῆς τῶν φυγάδων καθόδου βία χειρούμενοι, φανερώς ἤδη τὴν ἡγεμονίαν τῆς Ἑλλάδος εἰς ἑαυτοὺς μεθίστασαν παρὰ τὰς κοινὰς συνθήκας τὰς ἐπ' Ἀνταλκίδου γενομένας συνεπιλαβομένου τοῦ Περσῶν βασιλέως. [2] κατὰ δὲ τὴν Μακεδονίαν Ἀμύντου τοῦ βασιλέως ἡττηθέντος ὑπὸ Ἴλλυριῶν καὶ τὰ κατὰ τὴν ἀρχὴν ἀπογνόντος, πρὸς δὲ τούτοις τῷ δήμῳ τῶν Ὀλυνθίων δωρησαμένου πολλὴν τῆς ὁμόρου χώρας διὰ τὴν ἀπόγνωσιν τῆς ἑαυτοῦ δυναστείας, τὸ μὲν πρῶτον ὁ δῆμος ὁ τῶν Ὀλυνθίων τὰς προσόδους ἐλάμβανε τὰς ἐκ τῆς δοθείσης χώρας, μετὰ δὲ ταῦτ' ἀνελπίστως τοῦ βασιλέως ἀναλαβόντος ἑαυτὸν καὶ τὴν ὅλην ἀρχὴν ἀνακτησαμένου οἱ μὲν Ὀλυνθιοὶ τὴν χώραν ἀπαιτηθέντες οὐχ οἷοι ἦσαν ἀποδιδόναι. [3] διόπερ Ἀμύντας ἰδίαν τε δύναμιν συνεστήσατο καὶ τοὺς Λακεδαιμονίους ποιησάμενος συμμάχους ἔπεισεν ἐξαποστεῖλαι στρατηγὸν καὶ δύναμιν ἀξιόλογον ἐπὶ τοὺς Ὀλυνθίους. οἱ δὲ Λακεδαιμόνιοι κρίναντες ἀντέχεσθαι τῶν ἐπὶ Θρόκης τόπων, κατέλεξαν στρατιώτας ἐκ τε τῶν πολιτῶν καὶ παρὰ τῶν συμμάχων τοὺς ἅπαντας ὑπὲρ μυρίου· παραδόντες δὲ τὴν δύναμιν Φοιβίδα τῷ Σπαρτιάτῃ προσέταξαν συμμαχεῖν τῷ Ἀμύντῃ καὶ μετ' ἐκείνου πολεμῆσαι τοὺς Ὀλυνθίους. ἐτέραν δὲ δύναμιν ἐπὶ Φλιουντίους ἐκπέμψαντες καὶ μάχῃ νικήσαντες ἠνάγκασαν ὑποταγῆναι τοὺς Φλιουντίους τοῖς Λακεδαιμονίοις. [4] κατὰ δὲ τοῦτον τὸν χρόνον οἱ βασιλεῖς τῶν Λακεδαιμονίων διεφέροντο πρὸς ἀλλήλους ταῖς αἰρέσεσιν· Ἀγησίπολις μὲν γάρ, εἰρηνικὸς ὢν καὶ δίκαιος, ἔτι δὲ καὶ συνέσει διαφέρων, ἔφη δεῖν ἐμμένειν τοῖς ὅρκοις καὶ παρὰ τὰς κοινὰς συνθήκας μὴ καταδουλοῦσθαι τοὺς Ἕλληνας· ἀδοξεῖν γὰρ ἀπεφάνετο τὴν Σπάρτην τοῖς μὲν Πέρσαις ἐκδότους πεπονημένην τοὺς κατὰ τὴν Ἀσίαν Ἕλληνας, αὐτὴν δὲ συσκευαζομένην τὰς κατὰ τὴν Ἑλλάδα πόλεις, ἐν ταῖς κοιναῖς συνθήκαις ὁμόσασαν τηρῆσαι αὐτονόμους. ὁ δ' Ἀγησίλαος, ὢν φύσει δραστικός, φιλοπόλεμος ἦν καὶ τῆς τῶν Ἑλλήνων δυναστείας ἀντεῖχετο. 20.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Εὐάνδρου Ῥωμαῖοι κατέστησαν ἀντὶ τῶν ὑπάτων χιλιάρχους ἔξ, Κόιντον Σολπίκιον, Γάιον Φάβιον, Κόιντον Σερουίλιον, Πόπλιον Κορνήλιον. ἐπὶ δὲ τούτων Λακεδαιμόνιοι κατελάβοντο τὴν Καδμεῖαν ἐν ταῖς Θήβαις διὰ τινος τοιαύτας αἰτίας. ὁρῶντες τὴν Βοιωτίαν ἔχουσαν πόλεων τε πλῆθος καὶ τοὺς κατοικοῦντας αὐτὴν ἄνδρας ὑπάρχοντας ἀνδρεία διαφόρους, ἔτι δὲ τὰς Θήβας ἐχούσας παλαιὸν ἀξίωμα καὶ τὸ σύνολον ὥσπερ ἀκρόπολιν τινα τῆς Βοιωτίας οὖσαν, εὐλαβοῦντο μήποτε καιροῦ παραφανέντος οἰκείου τῆς ἡγεμονίας ἀντιποιήσεται· [2] διόπερ τοῖς ἡγεμόσιν οἱ Σπαρτιάται παρήγγελλον ἐν ἀπορρήτοις, ἴν' ἐάν ποτε καιρὸν λάβωσι, καταλάβωνται τὴν Καδμεῖαν. τοιαύτης δὲ γενομένης παραγγελίας, Φοιβίδας ὁ Σπαρτιάτης, τεταγμένος ἐπὶ τινος ἡγεμονίας καὶ δύναμιν ἄγων ἐπὶ Ὀλυνθίους, κατελάβετο τὴν Καδμεῖαν. ἀγανακτούντων δὲ τῶν Θηβαίων καὶ μεθ' ὅπλων συνδραμόντων, συνάψας μάχην αὐτοῖς καὶ νικήσας τριακοσίους μὲν τοὺς ἐπιφανεστάτους τῶν Θηβαίων ἐφυγάδευσε, τοὺς δὲ λοιποὺς καταπληξάμενος καὶ φρουρὰν ἰσχυρὰν ἐγκαταστησάμενος, ἐπὶ τὰς ἰδίας πράξεις ἀπηλλάγη. οἱ δὲ Λακεδαιμόνιοι διὰ τὴν πρᾶξιν ταύτην ἀδοξοῦντες

παρὰ τοῖς Ἑλλήσι, τὸν μὲν Φοιβίδαν ἐξημίωσαν χρήμασι, τὴν δὲ φρουρὰν οὐκ ἐξήγον ἐκ τῶν Θηβῶν: [3] οἱ μὲν οὖν Θηβαῖοι τοῦτον τὸν τρόπον τὴν αὐτονομίαν ἀποβαλόντες ἠναγκάσθησαν ὑποταγῆναι τοῖς Λακεδαιμονίοις: τῶνδ' Ὀλυνθίων διαπολεμούντων πρὸς Ἀμύνταν τὸν τῶν Μακεδόνων βασιλέα, Λακεδαιμόνιοι τὸν μὲν Φοιβίδαν ἀπέστησαν τῆς ἡγεμονίας, Εὐδαμίδαν δὲ τὸν ἀδελφὸν τοῦ Φοιβίδα κατέστησαν στρατηγόν. δόντες δ' αὐτῷ τρισχιλίους ὀπλίτας ἐξαπέστειλαν διαπολεμήσοντα τὸν πρὸς Ὀλυνθίους πόλεμον. 21. οὗτος δ' ἐμβαλὼν εἰς τὴν χώραν τῶν Ὀλυνθίων, κοινῇ μετ' Ἀμύντου διεπολέμει πρὸς Ὀλυνθίους. εἴθ' οἱ μὲν Ὀλυνθιοὶ δύναμιν ἀξιόλογον ἠθροικότες ἐπλεονέκτουν ἐν ταῖς μάχαις, στρατιώτας πλείους ἔχοντες τῶν πολεμίων: οἱ δὲ Λακεδαιμόνιοι δύναμιν ἀξιόλογον προχειρισάμενοι κατέστησαν στρατηγὸν ἐπ' αὐτῆς Τελευτίαν. οὗτος δ' ἦν ἀδελφὸς μὲν Ἀγησιλάου τοῦ βασιλέως, θαυμαζόμενος δ' ἐπ' ἀρετῇ παρὰ τοῖς πολίταις. [2] ἀναζεύξας οὖν μετὰ δυνάμεως ἐκ τῆς Πελοποννήσου καὶ καταντήσας πλησίον τῆς Ὀλυνθίων παρέλαβε τοὺς μετὰ Εὐδαμίδου στρατιώτας. γενόμενος δὲ ἀξιόμαχος τὸ μὲν πρῶτον τὴν τῶν Ὀλυνθίων χώραν ἐδήλωσε, καὶ συναγαγὼν πλῆθος λείας ἐμέρισε τοῖς στρατιώταις. τῶν δὲ Ὀλυνθίων μετὰ τῶν συμμάχων πανδημει παραταξαμένων συνῆψε μάχην. καὶ τὸ μὲν πρῶτον ἰσορρόπου τοῦ κινδύνου γενομένου διεχωρίσθησαν: μετὰ δὲ ταῦτα γενομένης μάχης ἰσχυρᾶς, αὐτός τε ὁ Τελευτίας ἔπεσε λαμπρῶς ἀγωνισάμενος, καὶ τῶν Λακεδαιμονίων ἀνῆρέθησαν πλείους τῶν χιλίων καὶ διακοσίων. [3] τηλικαύτης δ' εὐημερίας γενομένης τοῖς Ὀλυνθίοις, οἱ μὲν Λακεδαιμόνιοι, βουλόμενοι διορθώσασθαι τὸ γεγονὸς ἐλάττωμα, δυνάμεις ἀδροτέρας ἐκπέμπειν παρεσκευάζοντο, οἱ δὲ Ὀλυνθιοὶ, νομίζοντες μείζοσι δυνάμεσιν ἤξειν τοὺς Σπαρτιάτας καὶ τὸν πόλεμον ἔσεσθαι πολυχρόνιον, σίτου τε παρασκευὰς ἀξιολόγους ἐποιοῦντο καὶ παρὰ τῶν συμμάχων στρατιώτας προσελαμβάνοντο. 22.

ἐπ' ἄρχοντος δ' Ἀθήνησι Δημοφίλου Ῥωμαῖοι ἀντὶ τῶν ὑπάτων χιλιάρχους κατέστησαν Πόπλιον Κορνήλιον, Λεύκιον Οὐεργίνιον, Λεύκιον Παπίριον, Μάρκον Φούριον, Οὐαλέριον, Αὐλὸν Μάλλιον, Λεύκιον καὶ Ποστούμιον. [2] ἐπὶ δὲ τούτων Λακεδαιμόνιοι μὲν στρατηγὸν προχειρισάμενοι Ἀγησίπολιν τὸν βασιλέα, καὶ δύναμιν ἱκανὴν παραδόντες, ἐψηφίσαντο πρὸς Ὀλυνθίους πολεμεῖν. οὗτος δὲ καταντήσας εἰς τὴν τῶν Ὀλυνθίων χώραν καὶ παραλαβὼν τοὺς προϋπάρχοντας ἐν τῇ παρεμβολῇ στρατιώτας διεπολέμει πρὸς τοὺς ἐγχωρίους. οἱ δ' Ὀλυνθιοὶ μεγάλην μὲν μάχην οὐδεμίαν κατὰ τοῦτον τὸν ἐνιαυτὸν συνεστήσαντο, ἀκροβολισμοὺς δὲ καὶ βραχείας συμπλοκάς ποιοῦμενοι διετέλεσαν, καταπεπληγμένοι τὴν μετὰ τοῦ βασιλέως δύναμιν. 23.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦν ἄρχων Πυθέας, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων χιλιάρχοι ἐξ κατεστάθησαν, Τίτος Κοῖνκτιος, Λεύκιος Σερουίλιος, Λεύκιος Ἰούλιος, Ἀκύλλιος, Λεύκιος Λοκρήτιος, Σερούιος Σουλπίκιος, παρὰ δὲ Ἡλείοις Ὀλυμπιάς ἦχθη ἑκατοστή, καθ' ἣν ἐνίκα στάδιον Διονυσόδωρος Ταραντῖνος. [2] ἐπὶ δὲ τούτων Ἀγησίπολις ὁ τῶν Λακεδαιμονίων βασιλεὺς ἐτελεύτησε νόσῳ, βασιλεύσας ἔτη δεκατέσσαρα: τὴν δὲ ἀρχὴν διαδεξάμενος Κλεόμβροτος ὁ ἀδελφὸς ἐβασίλευσεν ἔτη ἑννέα. Λακεδαιμόνιοι δὲ Πολυβιάδαν στρατηγὸν καταστήσαντες ἐξαπέστειλαν εἰς

τὸν πρὸς Ὀλυνθίους πόλεμον. [3] οὗτος δὲ παραλαβὼν τὰς δυνάμεις, καὶ τὸν πόλεμον ἐνεργῶς ἅμα καὶ στρατηγικῶς διοικῶν, ἐποίει πολλὰ προτερήματα. αἰεὶ δὲ μᾶλλον εὐημερῶν καὶ πλείοσι μάχαις νικήσας συνέκλεισε τοὺς Ὀλυνθίους εἰς πολιορκίαν: τέλος δὲ καταπληξάμενος τοὺς πολεμίους προσέταξεν ὑποταγῆναι Λακεδαιμονίοις. ἐγγραφέντων δὲ τῶν Ὀλυνθίων εἰς τὴν τῶν Σπαρτιατῶν συμμαχίαν, πολλαὶ καὶ τῶν ἄλλων πόλεων ἔσπευσαν εἰς τὴν τῶν Λακεδαιμονίων ἡγεμονίαν καταλεχθῆναι. διὸ καὶ κατὰ τούτους τοὺς καιροὺς πλείστον ἴσχυσαν Λακεδαιμόνιοι, καὶ τῆς Ἑλλάδος ἔσχον τὴν ἡγεμονίαν κατὰ γῆν ἅμα καὶ κατὰ θάλατταν. [4] Θηβαῖοι μὲν γὰρ ὑπῆρχον ἔμφρουροι, Κορίνθιοι δὲ καὶ Ἀργεῖοι διὰ τοὺς προγεγονότας πολέμους ὑπῆρχον τεταπεινωμένοι, Ἀθηναῖοι δὲ διὰ τὰς τῶν καταπολεμουμένων κληρουχίας ἠδόξουν ἐν τοῖς Ἕλλησιν: οἱ δὲ Λακεδαιμόνιοι τῆς τε πολυανθρωπίας καὶ τῆς ἐν τοῖς ὅλοις μελέτης πολλὴν πρόνοιαν ἐπεποίηντο, καὶ φοβεροὶ πᾶσιν ὑπῆρχον διὰ τὴν δύναμιν τῆς ἡγεμονίας. [5] διόπερ οἱ μέγιστοι τῶν τότε δυναστῶν, λέγω δὲ τὸν Περσῶν βασιλέα καὶ τὸν Σικελίας δυνάστην Διονύσιον, ἐθεράπευον τὴν Σπαρτιατῶν ἡγεμονίαν καὶ συμμαχίαν ἔσπευδον συντίθεσθαι πρὸς αὐτούς. 24.

ἐπ' ἄρχοντος δ' Ἀθήνησι Νίκωνος Ῥωμαῖοι χιλιάρχους ἕξ ἀντὶ τῶν ὑπάτων κατέστησαν, Λεύκιον Παπίριον, Γάιον Σερουίλιον, Λεύκιον Κοῖνκτιον, Λεύκιον Κορνήλιον, Λεύκιον Οὐαλέριον Αὐλὸν Μάλλιον. ἐπὶ δὲ τούτων Καρχηδόνιοι στρατεύσαντες εἰς τὴν Ἰταλίαν τοῖς μὲν Ἰπγωνιάταις ἐκπεπωκόσιν ἐκ τῆς πατρίδος ἀποκατέστησαν τὴν πόλιν, καὶ πάντα τοὺς πεφευγότας συναγαγόντες πολλὴν ἐπιμέλειαν αὐτῶν ἐποίησαντο. [2] μετὰ δὲ ταῦτα λοιμικῆς νόσου τοῖς κατοικοῦσι τὴν Καρχηδόνα γενομένης, καὶ τῆς νόσου πολλὴν ἐπίτασιν ἐχούσης, πολλοὶ τῶν Καρχηδονίων διεφθάρησαν, καὶ τὴν ἡγεμονίαν ἐκινδύνευσαν ἀποβαλεῖν: οἱ τε γὰρ Λίβυες καταφρονήσαντες αὐτῶν ἀπέστησαν, οἱ τε τὴν Σαρδόνα κατοικοῦντες, νομίσαντες ἔχειν καιρὸν κατὰ τῶν Καρχηδονίων, ἀπέστησαν ἀπ' αὐτῶν καὶ συμφρονήσαντες ἐπέθεντο τοῖς Καρχηδονίοις. [3] ἐγένετο δὲ περὶ τὸν αὐτὸν καιρὸν θεόπεμπτός τις ἀτυχία κατὰ τὴν Καρχηδόνα. ταραχαὶ γὰρ καὶ φόβοι καὶ πανικοὶ θόρυβοι συνεχεῖς ἐγίνοντο κατὰ τὴν πόλιν παράδοξοι, καὶ πολλοὶ μὲν μετὰ τῶν ὅπλων ἐξεπήδων ἐκ τῶν οἰκῶν, ὥς πολεμίων εἰσπεπτωκότων εἰς τὴν πόλιν, καὶ πρὸς ἀλλήλους ὥς πολεμίους διαπολεμοῦντες, οὓς μὲν ἀνήρουν, οὓς δὲ κατετραυμάτιζον. τέλος δὲ θυσίαις τὸ θεῖον ἐξίλασάμενοι καὶ μόγις τῶν κακῶν ἀπαλλαγέντες, ταχὺ καὶ τοὺς Λίβυας κατεπολέμησαν καὶ τὴν νῆσον ἀνεκτήσαντο. 25.

ἐπ' ἄρχοντος δ' Ἀθήνησι Ναυσινίκου Ῥωμαῖοι χιλιάρχους τέσσαρας ἀντὶ τῶν ὑπάτων κατέστησαν, Μάρκον Κορνήλιον καὶ Κόιντον Σερουίλιον, Μάρκον Φούριον καὶ Λεύκιον Κοῖνκτιον. ἐπὶ δὲ τούτων ὁ κληθεὶς Βοιωτικὸς πόλεμος ἐνέστη Λακεδαιμονίοις πρὸς Βοιωτοὺς διὰ τοιαύτας αἰτίας. τὴν Καδμεΐαν φρουρούντων Λακεδαιμονίων ἀδίκως καὶ πολλοὺς τῶν ἀξιολόγων ἀνδρῶν πεφυγαδευκότων, συνεστράφησαν οἱ φυγάδες, καὶ συνεπιλαβομένων Ἀθηναίων κατῆλθον εἰς τὴν πατρίδα νυκτός. [2] καὶ πρῶτον μὲν τοὺς τὰ Λακεδαιμονίων φρονούντας ἐν ταῖς ἰδίαις οἰκίαις ἐφόνευσαν, ἔτι

κοιμωμένους καταλαβόντες: ἔπειτα τοὺς πολίτας ἐπὶ τὴν ἐλευθερίαν παρακαλέσαντες συνεργοὺς ἔσχον ἅπαντας τοὺς Θηβαίους. ταχὺ δὲ τοῦ πλήθους συνδραμόντος μετὰ τῶν ὅπλων, ἅμ' ἡμέρα τὴν Καδμείαν πολιορκεῖν ἐπεχείρησαν. [3] οἱ δὲ φρουροῦντες τὴν ἄκραν Λακεδαιμόνιοι, μετὰ τῶν συμμάχων ὄντες οὐκ ἐλάττους τῶν χιλίων καὶ πεντακοσίων, εἰς μὲν τὴν Σπάρτην ἐξέπεμψαν τοὺς δηλώσοντας τὴν τῶν Θηβαίων ἐπανάστασιν καὶ βοηθεῖν τὴν ταχίστην παρακαλέσοντας, αὐτοὶ δ' ἐκ τόπων ὑπερδεξίων ἀμυνόμενοι τοὺς πολιορκοῦντας πολλοὺς μὲν ἀνήρουν, οὐκ ὀλίγους δὲ κατετραυμάτιζον. [4] οἱ δὲ Θηβαῖοι μεγάλην δύναμιν προσδοκῶντες ἦξιν ἐκ τῆς Ἑλλάδος Λακεδαιμονίους, ἐξέπεμψαν πρεσβευτὰς εἰς τὰς Ἀθήνας, ὑπομιμνήσκοντες μὲν ὅτι καὶ αὐτοὶ συγκατήγαγον τὸν δῆμον τῶν Ἀθηναίων καθ' ὃν καιρὸν ὑπὸ τῶν τριάκοντα τυράννων κατεδουλώθησαν, ἀξιοῦντες δὲ πανδημεὶ βοηθῆσαι καὶ πρὸ τῆς τῶν Λακεδαιμονίων παρουσίας συνεκπολεμῆσαι τὴν Καδμείαν. 26. ὁ δὲ δῆμος τῶν Ἀθηναίων διακούσας τῶν πρέσβων ἐψηφίσατο παραχρῆμα δύναμιν ὡς πλείστην ἀποστεῖλαι τὴν ἐλευθερώσουσαν τὰς Θήβας, ἅμα μὲν τῆς εὐεργεσίας ἀποδιδούς τὰς χάριτας, ἅμα δὲ βουλόμενος τοὺς Βοιωτοὺς ἐξειδιώσασθαι καὶ συναγωνιστὰς ἰσχυροὺς ἔχειν κατὰ τῆς Λακεδαιμονίων ὑπεροχῆς: τὸ γὰρ ἔθνος τοῦτο καὶ πλήθει τῶν ἀνδρῶν καὶ ἀνδρεία κατὰ πόλεμον οὐδενὸς τῶν Ἑλληνικῶν ἐδόκει λείπεσθαι. [2] τέλος δὲ Δημοφῶν κατασταθεὶς στρατηγός, καὶ παραχρῆμα πεντακισχιλίους ὀπλίτας καὶ πεντακοσίους ἵππεῖς καταλέξας, τῇ ὕστεραίᾳ τὴν δύναμιν ἅμ' ἡμέρα προήγαγεν ἐκ τῆς πόλεως, καὶ δρομαῖος ἠπείγετο, φθάσαι σπεύδων τοὺς Λακεδαιμονίους: οὐδὲν δ' ἤττον ὁ δῆμος παρεσκευάζετο πανδημεὶ στρατεύειν εἰς τὴν Βοιωτίαν, ἐὰν ᾗ χρεία. [3] ὁ δὲ Δημοφῶν συντόμοις ταῖς ὁδοῖς χρησάμενος παραδόξως ἐπεφάνη τοῖς Θηβαίοις. ὁμοίως δὲ καὶ ἐκ τῶν ἄλλων πόλεων τῶν κατὰ τὴν Βοιωτίαν πολλῶν στρατιωτῶν συνδραμόντων, ταχὺ μεγάλη δύναμις ἡθροίσθη τοῖς Θηβαίοις. [4] ὀπλίται μὲν γὰρ συνήλθον οὐκ ἐλάττους τῶν μυρίων καὶ δισχιλίων, ἵππεῖς δὲ πλείους τῶν δισχιλίων. πάντων δὲ προθύμως ἐπὶ τὴν πολιορκίαν ὀρμησάντων διελόμενοι τὰ πλήθη τὰς προσβολὰς ἐκ διαδοχῆς ἐποιοῦντο, προσκαρτεροῦντες τοῖς κινδύνοις συνεχῶς καὶ καθ' ἡμέραν καὶ νυκτός. 27. οἱ δ' ἐν τῇ Καδμείᾳ φρουροῦντες παρακληθέντες ὑπὸ τῶν ἡγεμόνων εὐρώστως ἡμύνοντο τοὺς πολεμίους, ἐλπίζοντες συντόμως ἦξιν τοὺς Λακεδαιμονίους μετὰ μεγάλης δυνάμεως. ἔως μὲν οὖν εἶχον τροφὰς ἱκανάς, ἐνεκαρτέρουν τοῖς δεινοῖς, καὶ πολλοὺς τῶν πολιορκούντων ἀπέκτεινον καὶ κατετραυμάτιζον, συνεργὸν ἔχοντες τὴν τῆς ἀκροπόλεως ὀχυρότητα: ὥς δ' ἡ μὲν τῶν ἀναγκαίων σπάνις ἐπέτεινεν, οἱ Λακεδαιμόνιοι δὲ περὶ τὰς παρασκευὰς ὄντες ἐχρόνιζον, ἐστασίαζον πρὸς ἀλλήλους. [2] οἱ μὲν γὰρ Λακεδαιμόνιοι μέχρι θανάτου καρτερεῖν ᾤοντο δεῖν, οἱ δὲ ἀπὸ τῶν συμμαχίδων πόλεων συστρατεύσαντες, ὄντες πολλαπλάσιοι, παραδιδόναι τὴν Καδμείαν ἀπεφήναντο: συνηναγκάσθησαν δὲ καὶ οἱ ἐξ αὐτῆς τῆς Σπάρτης, ὄντες ὀλίγοι, παραχωρῆσαι τῆς ἀκροπόλεως. διόπερ οὗτοι μὲν ὑπόσπονδοι καθ' ὁμολογίαν ἀφεθέντες εἰς τὴν Πελοπόννησον ἀπηλλάγησαν, [3] οἱ δὲ Λακεδαιμόνιοι δυνάμεσιν ἀξιολόγοις προσιόντες ἐπὶ τὰς Θήβας, καὶ βραχὺ τῶν καιρῶν

ὕστερήσαντες, ἄπρακτον ἔσχον τὴν ἐπιβολήν. τοὺς δὲ ἡγεμόνας τῆς φρουρᾶς τρεῖς ὄντας μετέστησαν εἰς κρίσιν, καὶ τοὺς μὲν δύο κατεδίκασαν θανάτῳ, τὸν μέντοι τρίτον τοσοῦτῳ πλήθει χρημάτων, ὥστε μὴ δύνασθαι τὴν οὐσίαν αὐτοῦ τοσαῦτα χρήματα ἐκτίσαι. [4] μετὰ δὲ ταῦτ' Ἀθηναῖοι μὲν ἐπανήλθον εἰς τὴν πατρίδα, Θηβαῖοι δὲ Θεσπιάς πολιορκήσαντες ἄπρακτον ἔσχον τὴν ἐπιβολήν.

ἅμα δὲ τούτοις πραττομένοις Ῥωμαῖοι μὲν ἐπὶ ἀτελείᾳ πεντακοσίους ἀποίκους εἰς Σαρδονίαν ἀπέστειλαν. 28.

ἐπ' ἄρχοντος δ' Ἀθήνησι Καλλέου Ῥωμαῖοι χιλιάρχους ἀντὶ τῶν ὑπάτων κατέστησαν τέτταρας, Λεύκιον Παπίριον, Μάρκον Πόπλιον, Τίτον Κορνήλιον, Κόιντον Λεύκιον. ἐπὶ δὲ τούτων, Λακεδαιμονίων ἐπταικότων περὶ τὰς Θήβας, οἱ μὲν Βοιωτοὶ θαρρήσαντες συνεστράφησαν, καὶ κοινὴν συμμαχίαν ποιησάμενοι, δύναμιν ἀξιόλογον συνεστήσαντο, προσδοκῶντες ἥξειν τοὺς Λακεδαιμονίους μεγάλας δυνάμεις εἰς τὴν Βοιωτίαν. [2] Ἀθηναῖοι δὲ πρέσβεις τοὺς ἀξιολογωτάτους τῶν παρ' αὐτοῖς ἐξέπεμψαν ἐπὶ τὰς ὑπὸ τοὺς Λακεδαιμονίους τεταγμένας πόλεις, παρακαλοῦντες ἀντέχεσθαι τῆς κοινῆς ἐλευθερίας. οἱ γὰρ Λακεδαιμόνιοι διὰ τὸ μέγεθος τῆς περὶ αὐτοὺς δυνάμεως ὑπεροπτικῶς καὶ βαρέως ἤρχον τῶν ὑποτεταγμένων: διόπερ πολλοὶ τῶν ὑπ' αὐτοὺς τεταγμένων ἀπέκλινον πρὸς τοὺς Ἀθηναίους. [3] πρῶτοι δὲ πρὸς τὴν ἀπόστασιν ὑπήκουσαν Χῖοι καὶ Βυζάντιοι, καὶ μετὰ τούτους Ῥόδιοι καὶ Μυτιληναῖοι καὶ τῶν ἄλλων τινὲς νησιωτῶν: αἰεὶ δὲ μᾶλλον αὐξομένης τῆς τῶν Ἑλλήνων ὀρμῆς πολλαὶ πόλεις προσέθεντο τοῖς Ἀθηναίοις. ὁ δὲ δῆμος μετεωρισθεὶς ἐπὶ τῇ τῶν πόλεων εὐνοίᾳ κοινὸν συνέδριον ἀπάντων τῶν συμμάχων συνεστήσαντο, καὶ συνέδρους ἀπέδειξαν ἐκάστης πόλεως. [4] ἐτάχθη δ' ἀπὸ τῆς κοινῆς γνώμης τὸ μὲν συνέδριον ἐν ταῖς Ἀθήναις συνεδρεῦειν, πόλιν δὲ ἐπ' ἴσης καὶ μεγάλην καὶ μικρὰν μιᾶς ψήφου κυρίαν εἶναι, πάσας δ' ὑπάρχειν αὐτονόμους, ἡγεμόσι χρωμένας Ἀθηναίοις. οἱ δὲ Λακεδαιμόνιοι τὴν ὀρμὴν τῶν πόλεων ὀρῶντες ἀκατάσχετον οὖσαν πρὸς τὴν ἀπόστασιν, ὅμως πρεσβείαις καὶ λόγοις φιλανθρώποις, ἔτι δ' ἐπαγγελίαις εὐεργετικαῖς ἐφιλοτιμοῦντο διορθοῦσθαι τὰς ἀλλοτριότητας τῶν ἀνθρώπων. [5] ὁμοίως δὲ καὶ τῆς εἰς τὸν πόλεμον παρασκευῆς ἐποιοῦντο πολλὴν φροντίδα, προσδοκῶντες μέγαν καὶ πολυχρόνιον αὐτοῖς ἔσσεσθαι τὸν Βοιωτικὸν πόλεμον, συμμαχοῦντων τοῖς Θηβαίοις τῶν Ἀθηναίων καὶ τῶν ἄλλων Ἑλλήνων τῶν κοινωνούντων τοῦ συνεδρίου. 29.

ἅμα δὲ τούτοις πραττομένοις Ἄκορις ὁ τῶν Αἰγυπτίων βασιλεὺς, ἀλλοτρίως διακείμενος πρὸς τὸν Περσῶν βασιλέα, δυνάμεις ξενικὰς ἀξιολόγους ἤθροισε: μεγάλους γὰρ μισθοὺς τοῖς ὑπακούουσι προτιθεὶς, συχνοὺς δ' εὐεργετῶν, ταχὺ πολλοὺς ἔσχε τῶν Ἑλλήνων ὑπακούοντας πρὸς τὴν στρατείαν. [2] οὐκ ἔχων δὲ στρατηγὸν ἀξιόχρεων, μετεπέμψατο Χαβρίαν τὸν Ἀθηναῖον, ἄνδρα καὶ φρονήσει καὶ συνέσει στρατηγικῇ διάφορον καὶ δόξαν ἐπ' ἀρετῇ μεγάλην περιπεποιημένον. οὗτος μὲν οὖν ἄνευ τῆς τοῦ δήμου γνώμης προσδεξάμενος τὴν στρατηγίαν ἀφηγεῖτο τῶν κατ' Αἴγυπτον δυνάμεων, καὶ μετὰ πολλῆς σπουδῆς παρεσκευάζετο πολεμεῖν πρὸς τοὺς Πέρσας. [3] Φαρνάβαζος δ' ὑπὸ τοῦ βασιλέως ἀναδεδειγμένος στρατηγὸς ἐπὶ

τῆς Περσικῆς δυνάμεως παρασκευὰς μεγάλας ἐποιήσατο τῶν πρὸς τὸν πόλεμον χρησίμων· ἐξέπεμψε δὲ καὶ πρὸς Ἀθηναίους πρέσβεις, κατηγορῶν μὲν Χαβρίου, ὅτι τῶν Αἰγυπτίων ἡγούμενος ἀπαλλοτριοῖ τὴν τοῦ βασιλέως εὐνοίαν ἀπὸ τοῦ δήμου, παρακαλῶν δὲ στρατηγὸν Ἰφικράτην αὐτῷ δοῦναι. [4] οἱ δ' Ἀθηναῖοι, σπεύδοντες τὸν βασιλέα τῶν Περσῶν εἰς εὐνοίαν προσαγαγέσθαι καὶ τὸν Φαρνάβαζον ἰδιοποιήσασθαι, ταχέως τὸν τε Χαβρίαν ἐξ Αἰγύπτου μετεπέμψαντο καὶ τὸν Ἰφικράτην στρατηγὸν ἐξαπέστειλαν συμμαχήσοντα τοῖς Πέρσais. [5]

τοῖς δὲ Λακεδαιμονίοις καὶ τοῖς Ἀθηναίοις σπονδὰς πεποιημένοις ἐν τοῖς ἐπάνω χρόνοις συνέβαινε μένειν τὴν εἰρήνην μέχρι τῶνδε τῶν καιρῶν. μετὰ δὲ ταῦτα Σφοδριάδου τοῦ Σπαρτιάτου τεταγμένου μὲν ἐφ' ἡγεμονίας, φύσει δ' ὄντος μετεώρου καὶ προπετοῦς, ἔπεισεν αὐτὸν Κλεόμβροτος ὁ βασιλεὺς τῶν Λακεδαιμονίων ἄνευ τῆς γνώμης τῶν ἐφόρων καταλαβέσθαι τὸν Πειραιᾶ. [6] ὁ δὲ Σφοδριάδης ἔχων στρατιώτας πλείους τῶν μυρίων ἐπεβάλετο μὲν τῆς νυκτὸς καταλαβέσθαι τὸν Πειραιᾶ· καταφανῆς δὲ γενόμενος Ἀθηναίοις καὶ διαμαρτῶν τῆς ἐπιβολῆς ἄπρακτος ἐπανῆλθεν. κατηγορηθεὶς δ' ἐν τῷ συνεδρίῳ τῶν Σπαρτιατῶν, καὶ συναγωνιστὰς ἔχων τοὺς βασιλεῖς, ἀδίκως ἀπελύθη. [7] διόπερ οἱ Ἀθηναῖοι χαλεπῶς φέροντες ἐπὶ τοῖς γεγονόσιν, ἐψηφίσαντο λελύσθαι τὰς σπονδὰς ὑπὸ Λακεδαιμονίων. κρίναντες δὲ πολεμεῖν αὐτοῖς, στρατηγοὺς τρεῖς εἵλαντο τοὺς ἐπιφανεστάτους τῶν πολιτῶν, Τιμόθεον καὶ Χαβρίαν καὶ Καλλίστρατον. ἐψηφίσαντο δὲ στρατιώτας μὲν ὀπλίτας καταλέξει δισμυρίους, ἵππεις δὲ πεντακοσίους, ναῦς δὲ πληρῶσαι διακοσίας. προσελάβοντο δὲ καὶ τοὺς Θηβαίους ἐπὶ τὸ κοινὸν συνέδριον ἐπὶ τοῖς ἴσοις πᾶσιν. [8] ἐψηφίσαντο δὲ καὶ τὰς γενομένας κληρουχίας ἀποκαταστήσαι τοῖς πρότερον κυρίοις γεγονόσι, καὶ νόμον ἔθεντο μηδένα τῶν Ἀθηναίων γεωργεῖν ἐκτὸς τῆς Ἀττικῆς. διὰ δὲ ταύτης τῆς φιланθρωπίας ἀνακτησάμενοι τὴν παρὰ τοῖς Ἑλλήσιν εὐνοίαν, ἰσχυροτέραν ἐποίησαντο τὴν ἰδίαν ἡγεμονίαν. 30.

πολλαὶ μὲν οὖν καὶ τῶν ἄλλων πόλεων διὰ τὴν εἰρημένην αἰτίαν προεκλήθησαν πρὸς τοὺς Ἀθηναίους ἀποκλίνειν, πρῶται δὲ καὶ προθυμότατα συνεμάχησαν αἱ κατὰ τὴν Εὐβοίαν οἰκοῦσαι χωρὶς Ἑστιαίας· αὕτη γὰρ εὐηργετημένη μὲν ὑπὸ Λακεδαιμονίων μέγала, πεπολεμημένη δὲ δεινῶς ὑπὸ Ἀθηναίων, εὐλόγως πρὸς μὲν Ἀθηναίους ἀδιάλυτον ἐφύλαττε τὴν ἔχθραν, πρὸς δὲ τοὺς Σπαρτιάτας βεβαίαν τὴν πίστιν διεφύλαττεν. [2] οὐ μὴν ἀλλὰ τοῖς Ἀθηναίοις εἰς συμμαχίαν συνέβησαν ἐβδομήκοντα πόλεις καὶ μετέσχον ἐπ' ἴσης τοῦ κοινοῦ συνεδρίου· διὸ καὶ τοῖς Ἀθηναίοις αἰεὶ μᾶλλον τῆς δυνάμεως αὐξομένης, τοῖς δὲ Λακεδαιμονίοις ταπεινουμένης, ἐράμιλλον τὴν ἰσχὺν τῶν πόλεων συνέβαινε γίνεσθαι. οἱ δ' Ἀθηναῖοι, τῶν πραγμάτων αὐτοῖς κατὰ νοῦν προχωρούντων, δύναμιν ἐξέπεμψαν εἰς τὴν Εὐβοίαν τὴν παραφυλάξουσιν μὲν τοὺς συμμάχους, καταπολεμήσουσαν δὲ τοὺς ἐναντίους. [3] κατὰ δὲ τὴν Εὐβοίαν βραχὺ μὲν πρὸ τούτων τῶν χρόνων Νεογένης τις ὄνομα μετ' Ἰάσονος τοῦ Φεραίου συλλέξας στρατιώτας κατελάβετο τὴν τε ἀκρόπολιν τῶν Ἑστιαίων, καὶ τύραννον ἑαυτὸν ἀπέδειξε ταύτης τῆς χώρας καὶ τῆς τῶν Ὠρειτῶν πόλεως. ἄρχοντας δ' αὐτοῦ βιαίως καὶ ὑπερηφάνως Λακεδαιμονίοι

Θηριπίδην ἀπέστειλαν ἐπ' αὐτόν. [4] ὁ δὲ τὸ μὲν πρῶτον ἐπεχείρει λόγοις τὸν τύραννον ἐκχωρεῖν ἐκ τῆς ἀκροπόλεως: ὥς δ' οὐ προσεῖχε, παρακαλέσας τοὺς ἐγχωρίους πρὸς τὴν ἐλευθερίαν ἐξεπολιόρκησε τὸ χωρίον καὶ τοῖς Ὠρεΐταις τὴν ἐλευθερίαν ἀποκατέστησεν, δι' ἣν αἰτίαν οἱ τὴν Ἑστιαίων καλουμένην χώραν οἰκοῦντες οἰκείως διετέθησαν πρὸς τοὺς Σπαρτιάτας, καὶ βεβαίως ἐτήρουν τὴν φιλίαν. [5] τῆς δ' ὑπὸ τῶν Ἀθηναίων ἐκπεμφθείσης δυνάμεως ἡγούμενος Χαβρίας ἐπόρθησε τὴν Ἑστιαῶτιν χώραν, καὶ τὴν καλουμένην μὲν Μητρόπολιν, κειμένην δ' ἐπὶ τινος ἐρυμνοῦ λόφου, τειχίσας, ἀπέλιπεν ἐν αὐτῇ φρουράν, αὐτὸς δὲ ταῖς Κυκλάσι νήσοις ἐπιπλέων προσηγάγετο Πεπάρηθον καὶ Σκίαθον καὶ τινὰς ἄλλας τεταγμένας ὑπὸ Λακεδαιμονίοις. 31. οἱ δὲ ὀρῶντες τὴν τῶν συμμάχων ὁρμὴν πρὸς τὴν ἀπόστασιν ἀκατάσχετον οὔσαν, ἐπαύσαντο τῆς προϋπαρχούσης βαρύτητος καὶ ταῖς πόλεσι φιλανθρώπως προσεφέροντο. τοιαύταις δ' ὁμιλίαις καὶ εὐεργεσίαις χρησάμενοι εὖνουστέρους ἅπαντας τοὺς συμμάχους κατεσκεύασαν. ὀρῶντες δὲ τὸν πόλεμον αὐξόμενον καὶ πολλῆς ἐπιμελείας ἐπιδεόμενον, τάς τε ἄλλας παρασκευὰς ἐποιοῦντο φιλοτίμως καὶ τὴν διάταξιν καὶ τὴν διαίρεσιν τῶν στρατιωτῶν καὶ λειτουργιῶν περιττότερον ἐξεργάσαντο. [2] τάς τε γὰρ πόλεις καὶ τοὺς καταλεγόμενους στρατιώτας εἰς τὸν πόλεμον διεῖλαν εἰς δέκα μέρη: τούτων δὲ πρώτην ἐπεῖχον μερίδα Λακεδαιμόνιοι, δευτέραν δὲ καὶ τρίτην Ἀρκάδες, τετάρτην δ' Ἥλαιοι, πέμπτην δ' Ἀχαιοί: καὶ τὴν μὲν ἕκτην ἐπλήρουν Κορίνθιοι καὶ Μεγαρεῖς, τὴν δ' ἑβδόμην Σικυώνιοι καὶ Φλιάσιοι καὶ οἱ τὴν Ἀκτὴν καλουμένην οἰκοῦντες, τὴν δ' ὀγδόην Ἀκαρνᾶνες, ἐνάτην δὲ Φωκεῖς καὶ Λοκροί, τὴν δ' ἐπὶ πᾶσιν Ὀλύνθιοι καὶ οἱ ἐπὶ Θράκης κατοικοῦντες σύμμαχοι. ἦν δ' αὐτοῖς ὁ μὲν ὀπλίτης πρὸς δύο ψιλοὺς τεταγμένος, ὁ δ' ἱππεὺς πρὸς τέτταρας ὀπλίτας ἰσαζόμενος. [3] τοιαύτης δὲ τῆς συντάξεως οὔσης, ἡγεῖτο τῆς στρατιᾶς Ἀγησίλαος ὁ βασιλεὺς: περιβόητος δ' ἦν ἐπ' ἀνδρεία καὶ στρατηγικῇ συνέσει καὶ σχεδὸν ἀνίκητος γεγωνὼς ἐν τοῖς ἐπάνω χρόνοις. ἐν τε γὰρ τοῖς λοιποῖς πολέμοις ἐθαυμάσθη, καὶ καθ' ὃν καιρὸν Λακεδαιμόνιοι ἐπολέμουν τοῖς Πέρσαις, παραταξάμενος καὶ πολλαπλασίονα δύναμιν νικήσας, πολλὴν τῆς Ἀσίας ἐπῆλθε κρατῶν τῶν ὑπαίθρων, καὶ πέρας, εἰ μὴ μετεπέμψαντο αὐτὸν οἱ Σπαρτιάται διὰ τινὰς πολιτικὰς χρείας, σχεδὸν ἂν καὶ τὴν ὅλην τῶν Περσῶν βασιλείαν εἰς τοὺς ἐσχάτους κινδύνους κατέστησεν. [4] ἦν γὰρ ὁ ἀνὴρ οὗτος δραστικὸς καὶ μετὰ συνέσεως πολλῆς θρασὺς καὶ παραβόλοις πράξεσι χρώμενος. διὸ καὶ τότε θεωροῦντες οἱ Σπαρτιάται τὸ μέγεθος τοῦ πολέμου προσδεόμενον ἡγεμόνος ἀξιολόγου, τοῦτον τοῦ πολέμου παντὸς ἡγεμόνα κατέστησαν. 32.

ὁ δ' Ἀγησίλαος προαγαγὼν τὴν δύναμιν, ἦκεν εἰς τὴν Βοιωτίαν, ἔχων τοὺς σύμπαντας στρατιώτας πλείους τῶν μυρίων ὀκτακισχιλίων, ὧν ἦσαν αἱ Λακεδαιμονίων πέντε μόραι: τὴν δὲ μόραν ἀναπληροῦσιν ἄνδρες πεντακόσιοι. ὁ δὲ Σκιρίτης καλούμενος λόχος παρὰ τοῖς Σπαρτιάταις οὐ συντάττεται μετὰ τῶν ἄλλων, ἀλλ' ἰδίαν ἔχων σύστασιν μετὰ τοῦ βασιλέως ἴσταται, καὶ παραβοηθεῖ τοῖς αἰεὶ θλιβομένοις μέρεσι: συνεστῶς δ' ἐξ ἐπιλέκτων ἀνθρώπων μεγάλας ποιεῖται ῥοπὰς ἐν ταῖς παρατάξεσι καὶ κατὰ τὸ πλεῖστον αἴτιος γίνεται τῆς νίκης. ἱππεῖς δ' εἶχεν ὁ Ἀγησίλαος χιλίους καὶ

πεντακοσίους. [2] οὗτος μὲν οὖν παραγενόμενος εἰς πόλιν Θεσπίας, φρουρουμένην ὑπὸ Λακεδαιμονίων, πλησίον ταύτης κατεστρατοπέδευσε, καὶ τοὺς στρατιώτας ἐφ' ἡμέρας τινὰς ἀνελάμβανεν ἐκ τῆς κακοπαθείας. Ἀθηναῖοι δὲ πυθόμενοι τὴν τῶν Λακεδαιμονίων παρουσίαν εἰς τὴν Βοιωτίαν, εὐθὺς ἐβοήθουν εἰς τὰς Θήβας, ἔχοντες πεζοὺς μὲν πεντακισχιλίους, ἵππεῖς δὲ διακοσίους. [3] τούτων δὲ τῶν δυνάμεων ἀθροισθεῖσθαι εἰς ἓνα τόπον, οἱ μὲν Θηβαῖοι λόφον τινὰ κατελάβοντο παραμήκη, σταδίου ἀπέχοντα τῆς πόλεως εἴκοσι, καὶ πρόβλημα ποιησάμενοι τὰς δυσχωρίας ἀνέμενον τὴν τῶν πολεμίων ἔφοδον: τὴν γὰρ Ἀγησίλαου δόξαν καταπεπληγμένοι, τὸν ἐν τοῖς πεδίοις ἐξ ἴσου κίνδυνον ὑπομένειν εὐλαβοῦντο. [4] ὁ δ' Ἀγησίλαος συντεταγμένη τῇ δυνάμει προάγων ἐπὶ τοὺς Βοιωτοὺς, ὡς ἤγγισε τοῖς πολεμίοις, τὸ μὲν πρῶτον τοὺς ψιλοὺς ἐπαφῆκε τοῖς ἐναντίοις, πειρώμενος πῶς ἔχουσι πρὸς τὴν μάχην. ἀποκρουσαμένων δὲ αὐτοὺς τῶν Θηβαίων ῥαδίως ἐκ τόπων ὑπερδεξίον, ἐπήγαγε πᾶσαν ἐπ' αὐτοὺς τὴν δύναμιν συντεταγμένην καταπληκτικῶς. [5] Χαβρίας δ' ὁ Ἀθηναῖος τῶν μισθοφόρων ἀφηγούμενος παρήγγειλε τοῖς στρατιώταις δέχεσθαι τοὺς πολεμίους καταπεφρονηκότες ἅμα καὶ τεταγμένως, καὶ τὰς ἀσπίδας πρὸς τὸ γόνυ κλίναντας ὀρθῶ τῷ δόρατι μένειν. [6] ὧν ποιησάντων τὸ προσταχθὲν ὥσπερ ἀφ' ἐνὸς παρακελεύσματος, ὁ Ἀγησίλαος θαυμάσας τὴν τε εὐταξίαν τῶν πολεμίων καὶ τὴν καταφρόνησιν, τὸ μὲν βιάζεσθαι πρὸς ὑπερδεξίους τόπους καὶ συναναγκάζειν τοὺς ἐναντίους ἄνδρας ἀγαθοὺς γίνεσθαι πρὸς τὸν ἐκ χειρὸς κίνδυνον οὐκ ἔκρινε, πείραν δὲ λαβὼν ὅτι τολμήσουσιν ἀναγκαζόμενοι διαγωνίσασθαι περὶ τῆς νίκης, ἐν τῷ πεδίῳ προεκαλεῖτο. οὐ συγκαταβαίνοντων δὲ τῶν Θηβαίων, τὴν μὲν φάλαγγα τῶν πεζῶν ἀπήγαγε, τοὺς δ' ἵππεῖς καὶ τὰ ψιλικά τῶν ταγμάτων ἐξαποστεύλας ἐπόρθησε τὴν χώραν ἀδεῶς καὶ πολλῶν λαφύρων ἐγκρατὴς ἐγένετο. 33. οἱ δὲ συνόντες τῷ Ἀγησίλαῳ Σπαρτιάται σύμβουλοι καὶ οἱ τὰς ἡγεμονίας ἔχοντες ἐθαύμαζον, πῶς δραστηκὸς εἶναι δοκῶν Ἀγησίλαος καὶ μεῖζονα καὶ δυναμικωτέραν ἔχων τὴν δύναμιν οὐ διηγωνίσαστο πρὸς τοὺς πολεμίους. πρὸς οὓς ὁ Ἀγησίλαος ἀπεκρίθη, νῦν μὲν ἀκινδύνως τοὺς Λακεδαιμονίους νενικηκέναι: πορθομένη γὰρ τῇ χώρᾳ μὴ τετολμηκέναι τοὺς Βοιωτοὺς βοηθῆσαι: εἰ δ' αὐτῶν τῶν πολεμίων παρακεχωρηκότες τῆς νίκης ἐβιάσαστο τοὺς πολεμίους ὑπομένειν τὸ δεινόν, ἴσως ἂν διὰ τὸ παράλογον τῆς τύχης δύναιτο καὶ πταῖσαι κατὰ τὸν κίνδυνον οἱ Λακεδαιμόνιοι. [2] τότε μὲν οὖν διὰ τῆς ἀποκρίσεως ταύτης ἔδοξε μετρίως κατεστοχάσθαι τὸ δυνάμενον ἀποβῆναι, ὕστερον δὲ διὰ τῶν ἀποτελεσμάτων ἔδοξεν οὐκ ἀνθρωπίνην ἀπόφασιν, ἀλλὰ θεῖον τινα χρησμὸν εἰρηκέναι. οἱ γὰρ Λακεδαιμόνιοι μετὰ πολλῆς δυνάμεως στρατεύσαντες ἐπὶ Θηβαίους, καὶ συναναγκάσαντες αὐτοὺς ὑπὲρ τῆς ἐλευθερίας ἀγωνίσασθαι, μεγάλη συμφορὰ περιέπεσον. [3] τὸ μὲν γὰρ πρῶτον ἐν Λεύκτροις ἡττηθέντες πολλοὺς ἀπώλεσαν τῶν πολιτῶν, ἐν οἷς καὶ ὁ βασιλεὺς αὐτῶν Κλεόμβροτος ἔπεσε: μετὰ δὲ ταῦτα περὶ Μαντίνειαν πολεμήσαντες τοῖς ὅλοις ἐσφάλησαν καὶ τὴν ἡγεμονίαν ἀνελπίστως ἀπέβαλον. ἀγαθὴ γὰρ ἡ τύχη τοὺς μέγα φρονοῦντας παραδόξως σφῆλαι καὶ διδάξαι μηδὲν ἄγαν κατελπίζειν. ὁ γοῦν Ἀγησίλαος ἐχεφρόνως ἀρκεσθεὶς τῷ πρώτῳ προτερήματι, τὴν δύναμιν ἀσινῇ διεφύλαξεν. [4]

μετὰ δὲ ταῦτα ὁ μὲν Ἀγησίλαος μετὰ τῆς δυνάμεως ἐπανῆλθεν εἰς τὴν Πελοπόννησον, οἱ δὲ Θηβαῖοι διὰ τὴν Χαβρίου στρατηγίαν σωθέντες ἐθαύμασαν τὰνδρὸς τὴν ἐν τῷ στρατηγῆματι ἀγχείοιαν. ὁ δὲ Χαβρίας, πολλῶν καὶ καλῶν αὐτῷ πεπραγμένων κατὰ πόλεμον, ἐπὶ τούτῳ μάλιστα ἐσεμνύνετο τῷ στρατηγῆματι, καὶ τὰς εἰκόνας τὰς ὑπὸ τοῦ δήμου δοθείσας αὐτῷ καθίστανεν ἐχούσας τοῦτο τὸ σχῆμα. [5] οἱ δὲ Θηβαῖοι μετὰ τὴν ἀπαλλαγὴν τὴν Ἀγησιλάου στρατεύσαντες ἐπὶ Θεσπιάς τὴν μὲν προφυλακὴν, οὖσαν ἀνδρῶν διακοσίων, ἀνείλον, τῇ δὲ πόλει προσβολὰς συνεχεῖς ποιούμενοι, καὶ μὴδὲν ἀξιόλογον πράξαντες, ἀπῆγον τὴν δύναμιν εἰς τὰς Θήβας. [6] Φοιβίδας δὲ ὁ Λακεδαιμόνιος, ἔχων ἀξιόλογον φρουρὰν ἐν ταῖς Θεσπιαῖς, ἐκχυθεὶς ἐκ τῆς πόλεως καὶ προπετῶς τοῖς ἀποχωροῦσι Θηβαίοις ἐπιθέμενος, τῶν μὲν στρατιωτῶν ἀπέβαλε πλείους τῶν πεντακοσίων, αὐτὸς δὲ λαμπρῶς ἀγωνισάμενος καὶ πολλοῖς ἐναντίοις τραύμασι περιπεσὼν ἥρωικῶς κατέστρεψε τὸν βίον. 34. οὐ πολλῷ δ' ὕστερον χρόνῳ πάλιν τῶν Λακεδαιμονίων τῇ αὐτῇ δυνάμει στρατεύσαντων ἐπὶ τὰς Θήβας, οἱ μὲν Θηβαῖοι δυσχωρίας τινὰς ἐτέρας καταλαμβανόμενοι διεκώλουν μὲν τοὺς πολεμίους λεηλατεῖν τὴν χώραν, κατὰ στόμα δὲ πρὸς ἅπασαν τὴν δύναμιν ἐν τοῖς πεδίοις οὐκ ἐτόλμων παρατάξασθαι. [2] τοῦ δ' Ἀγησιλάου προσμαχομένου συγκατέβησαν ἐκ τοῦ κατ' ὀλίγον πρὸς τὸν ἀγῶνα. γενομένης δὲ μάχης ἐπὶ πολὺν χρόνον ἰσχυρᾶς, τὸ μὲν πρῶτον οἱ περὶ τὸν Ἀγησίλαον προετέρουν, μετὰ δὲ ταῦτα τῶν ἐκ τῆς πόλεως Θηβαίων ἐκχυθέντων πανδημεῖ, θεωρῶν τὸ πλῆθος τῶν ἐπιρρεόντων ὁ Ἀγησίλαος ἀνεκαλέσατο τῇ σάλπιγγι τοὺς στρατιώτας ἀπὸ τῆς μάχης. οἱ δὲ Θηβαῖοι, δόξαντες τότε πρώτως μὴ καταδεεστέρους ἑαυτοὺς εἶναι Λακεδαιμονίων, τρόπαιόν τε ἔστησαν καὶ τὸ λοιπὸν κατεθάρρησαν τῆς τῶν Σπαρτιατῶν δυνάμεως. [3]

τὰ μὲν οὖν περὶ τὰς πεζὰς δυνάμεις τοιοῦτον ἔσχε τὸ τέλος· τῶν δὲ ναυτικῶν κατὰ τοὺς αὐτοὺς καιροὺς ἐγένετο μεγάλη ναυμαχία μεταξὺ Νάξου καὶ Πάρου διὰ τοιαύτας αἰτίας. Πόλλις ὁ τῶν Λακεδαιμονίων ναύαρχος, πυθόμενος σίτου πλῆθος ἐν ὀλκάσι παρακομίζεσθαι τοῖς Ἀθηναίοις, ἐφῆδρευε καὶ παρετήρει τὸν κατάπλουν τῆς κομιζομένης ἀγορᾶς, διανοοῦμενος ἐπιθέσθαι ταῖς ὀλκάσιν. ἃ δὴ πυθόμενος ὁ δῆμος τῶν Ἀθηναίων ἐξέπεμψε στόλον παραφυλάξοντα τὴν σιτοπομπίαν, ὃς καὶ διέπεμψεν εἰς τὸν Πειραιέα τὴν κομιζομένην ἀγοράν. [4] μετὰ δὲ ταῦτα Χαβρίας μὲν ὁ τῶν Ἀθηναίων ναύαρχος μετὰ τοῦ στόλου παντὸς πλεύσας ἐπὶ τὴν Νάξον συνεστήσατο πολιορκίαν. προσαγαγὼν δὲ τοῖς τείχεσι μηχανάς, καὶ διὰ τούτων σαλεύσας τὰ τεῖχη, σπουδῇ ἐισεφέρετο βία κρατῆσαι τῆς πόλεως. ἅμα δὲ τούτοις πραπτομένοις Πόλλις ὁ τῶν Λακεδαιμονίων ναύαρχος κατέπλευσε βοηθήσων τοῖς Ναξίοις. γενομένης δὲ φιλοτιμίας ἀμφοτέρωι συγκατέβησαν εἰς ναυμαχίαν, καὶ τὰς ναῦς διατάξαντες ἐπέπλεον ἀλλήλοις. [5] εἶχε δὲ τριήρεις ὁ μὲν Πόλλις ἐξήκοντα καὶ πέντε, ὁ δὲ Χαβρίας ὀγδοήκοντα καὶ τρεῖς. ἐπιπλεουσῶν δὲ τῶν νεῶν ἀλλήλαις, Πόλλις μὲν ἡγούμενος τοῦ δεξιοῦ κέρως πρῶτος ἐνέβαλε ταῖς ἀντιτεταγμέναις τριήρεσιν ἐπὶ τοῦ λαιοῦ κέρατος, ὧν ἡγεῖτο Κήδων ὁ Ἀθηναῖος· ἀγωνισάμενος δὲ λαμπρῶς αὐτόν τε τὸν Κήδωνα διέφθειρε καὶ τὴν ναῦν κατεβύθισεν· ὁμοίως δὲ καὶ ταῖς ἄλλαις συμβαλὼν καὶ

τοῖς ἐμβόλοις ἀναρρήττων, ἃς μὲν διέφθειρεν, ἃς δὲ φυγεῖν ἠνάγκασεν. ἃ δὲ κατιδὼν ὁ Χαβρίας, καὶ μέρος τῶν περὶ αὐτὸν νεῶν ἐκπέμψας, ἐβοήθησε τοῖς πιεζομένοις καὶ τὴν ἤτταν τῶν ἰδίων διωρθώσατο, αὐτὸς δ' ἔχων τὸ κράτιστον τοῦ στόλου καὶ γενναίως ἀγωνισάμενος πολλὰς μὲν τριήρεις διέφθειρεν, οὐκ ὀλίγας δ' αἰχμαλώτους ἔλαβεν. 35. γενόμενος δ' ἐπὶ τοῦ προτερήματος, καὶ πάσας τὰς τῶν πολεμίων ναῦς φυγεῖν ἀναγκάσας, ἀπέσχετο παντελῶς τοῦ διωγμοῦ: ἀναμνησθεῖς γὰρ τῆς ἐν Ἀργινούσαις ναυμαχίας, ἐν ἣ τούτος νικήσας στρατηγούς ὁ δῆμος ἀντὶ μεγάλης εὐεργεσίας θανάτῳ περιέβαλεν, αἰτιασάμενος ὅτι τοὺς τετελευτηκότας κατὰ τὴν ναυμαχίαν οὐκ ἔθαψαν, εὐλαβήθη μήποτε τῆς περιστάσεως ὁμοίας γενομένης κινδυνεύσῃ παθεῖν παραπλήσια. διόπερ ἀποστὰς τοῦ διώκειν ἀνελέγετο τῶν πολιτῶν τοὺς διανοημένους, καὶ τοὺς μὲν ἔτι ζῶντας διέσωσε, τοὺς δὲ τετελευτηκότας ἔθαψεν. εἰ δὲ μὴ περὶ ταύτην ἐγένετο τὴν ἐπιμέλειαν, ῥαδίως ἂν ἅπαντα τὸν τῶν πολεμίων στόλον διέφθειρε. [2] κατὰ δὲ τὴν ναυμαχίαν τῶν μὲν Ἀθηναίων διεφθάρησαν τριήρεις ὀκτωκαίδεκα, τῶν δὲ Λακεδαιμονίων διεφθάρησαν μὲν εἴκοσι καὶ τέτταρες, αὐτανδροὶ δ' ἐλήφθησαν ὀκτώ. Χαβρίας μὲν οὖν ἐπιφανῆ ναυμαχίαν νικήσας κατέπλευσε μετὰ πολλῶν λαφύρων εἰς τὸν Πειραιέα, καὶ μεγάλης ἀποδοχῆς ἔτυχε παρὰ τοῖς πολίταις. μετὰ γὰρ τὸν Πελοποννησιακὸν πόλεμον Ἀθηναῖοι ταύτην πρώτην ναυμαχίαν ἐνίκησαν: τὴν γὰρ περὶ Κνίδον οὐκ ἰδίᾳ διηγωνίσαντο, τῷ δὲ βασιλικῷ στόλῳ χρῆσάμενοι προετέρησαν. [3]

ἅμα δὲ τούτοις πραττομένοις κατὰ τὴν Ἰταλίαν ἐν τῇ Ῥώμῃ Μάρκος Μάνλιος ἐπιβαλόμενος τυραννίδι καὶ κρατηθεὶς ἀνῆρέθη. 36.

ἐπ' ἄρχοντος δ' Αῠθῆνῃσι Χαρισάνδρου Ῥωμαῖοι μὲν ἀντὶ τῶν ὑπάτων χιλιάρχους κατέστησαν τέτταρας, Σερούιον Σουλπίκιον, Λεύκιον Παπίριον, Τίτον Κοϊνκτίον, Ἡλεῖοι δ' ἤγαγον Ὀλυμπιάδα πρώτην πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Δάμων Θούριος. ἐπὶ δὲ τούτων ἐν τῇ Θράκῃ Τριβαλλοὶ σιτοδείᾳ πιεζόμενοι πανδημεὶ στρατείαν ἐποιήσαντο πρὸς τὴν ὑπερόριον χώραν, καὶ τὰς τροφὰς ἐκ τῆς ἀλλοτρίας γῆς ἐπορίζοντο. [2] ὄντες δὲ πλείους τῶν τρισυριῶν ἐπῆλθον τὴν τε ὁμορον Θράκην καὶ τὴν τῶν Ἀβδηριτῶν χώραν ἐπόρθησαν ἀδεῶς: πολλῆς δὲ ὠφελείας κυριεύσαντες καταπεφρονηκότως καὶ ἀτάκτως τὴν ἐπάνοδον ἐποιοῦντο. οἱ δ' Ἀβδηρίται πανδημεὶ στρατεύσαντες ἐπ' αὐτοὺς σποράδην καὶ ἀτάκτως τὴν ἐπάνοδον ποιομένους πλείους τῶν δισχιλίων ἀνείλον. [3] οἱ δὲ βάρβαροι παροξυνθέντες ἐπὶ τοῖς συμβεβηκόσι, καὶ βουλόμενοι τοὺς Ἀβδηρίτας τιμωρήσασθαι, πάλιν ἐνέβαλον αὐτῶν εἰς τὴν χώραν. οἱ δὲ προνεκικότες ἐπαρθέντες τῷ προτερήματι, καὶ τῶν πλησιοχώρων Θρακῶν συμμαχίαν ἀποστειλάντων αὐτοῖς, παρετάξαντο τοῖς βαρβάροις. [4] γενομένης δὲ μάχης ἰσχυρᾶς, καὶ τῶν Θρακῶν μεταβαλομένων ἄφνω, μονωθέντες οἱ Ἀβδηρίται καὶ κυκλωθέντες ὑπὸ τοῦ πλήθους τῶν βαρβάρων, σχεδὸν ἅπαντες οἱ τῆς μάχης μετεσχηκότες κατεκόπησαν. τηλικαύτῃ δὲ συμφορᾷ τῶν Ἀβδηριτῶν περιπεπωκότων καὶ μελλόντων πολιορκεῖσθαι, Χαβρίας ὁ Ἀθηναῖος ἐπιφανεῖς μετὰ δυνάμεως ἐξείλατο τῶν κινδύνων τοὺς Ἀβδηρίτας, καὶ τοὺς μὲν βαρβάρους ἐξήλασεν ἐκ τῆς χώρας, ἐν δὲ τῇ πόλει φρουρὰν ἀξιόλογον καταλιπὼν αὐτὸς ὑπὸ τινων ἐδολοφονήθη. [5] Τιμόθεος δὲ παραλαβὼν τὴν ναυαρχίαν καὶ πλεύσας εἰς τὴν

Κεφαλληνίαν, τὰς τ' ἐν αὐτῇ πόλεις προσηγάγετο καὶ τὰς κατὰ τὴν Ἀκαρνανίαν ὁμοίως ἐπείσεν ἀποκλίνειν πρὸς Ἀθηναίους. Ἀλκέταν τε τὸν Μολοττῶν βασιλέα φίλον κατασκευάσας, καὶ καθόλου τὰς χώρας τὰς τῶν περὶ τοὺς τόπους ἐκείνους πόλεων ἐξιδιοποιησάμενος, ἐνίκησε ναυμαχίᾳ τοὺς Λακεδαιμονίους περὶ Λευκάδα. [6] ταῦτα δὲ πάντα ταχέως καὶ ῥαδίως ἐπετέλεσε, πείθων μὲν διὰ τῆς τοῦ λόγου δυνάμεως, νικῶν δὲ δι' ἀνδρείαν καὶ στρατηγίαν. διόπερ οὐ μόνον παρὰ τοῖς πολίταις, ἀλλὰ καὶ παρὰ τοῖς ἄλλοις Ἑλλήσι μεγάλης ἐτύγχανεν ἀποδοχῆς, καὶ τὰ μὲν περὶ Τιμόθεον ἐν τούτοις ἦν. 37.

ἅμα δὲ τούτοις πραττομένοις Θηβαῖοι μὲν ἐστράτευσαν ἐπ' Ὀρχομενὸν ἐπιλέκτοις ἀνδράσι πεντακοσίοις, καὶ συνετέλεσαν πράξιν ἀξίαν μνήμης: φρουρούντων γὰρ τὸν Ὀρχομενὸν Λακεδαιμονίων πολλοῖς στρατιώταις, καὶ τοῖς Θηβαίοις ἀντιταξαμένων, ἐγενήθη μάχη καρτερὰ, καθ' ἣν οἱ Θηβαῖοι πρὸς διπλασίους συμβαλόντες ἐνίκησαν τοὺς Λακεδαιμονίους. οὐδέποτε γὰρ τοῦτο συνέβη γενέσθαι κατὰ τοὺς ἐπάνω χρόνους, ἀλλ' ἀγαπητὸν ὑπάρχειν ἐδόκει τὸ πολλοὺς ὀλίγους νικῆσαι. [2] διὸ καὶ φρονήματος ἐπίμπλαντο Θηβαῖοι, καὶ τὴν ἀνδρείαν εἶχον μᾶλλον περιβόητον, καὶ φανεροὶ καθειστήκεισαν ἀμφισβητήσοντες τῆς τῶν Ἑλλήνων ἡγεμονίας. [3]

τῶν δὲ συγγραφέων Ἑρμείας ὁ Μεθυμναῖος τὴν τῶν Σικελικῶν σύνταξιν εἰς τοῦτον τὸν ἐνιαυτὸν κατέστροφε, γράψας βύβλους δέκα, ὥς δέ τινες διαιροῦσι, δώδεκα. 38.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἱπποδάμου Ῥωμαῖοι χιλιάρχους ἀντὶ τῶν ὑπάτων κατέστησαν τέτταρας, Λεύκιον Οὐαλέριον, Λεύκιον Μάλλιον, Σερούιον Σουλίκιον, Λοκρήτιον. ἐπὶ δὲ τούτων Ἀρταξέρξης τῶν Περσῶν βασιλεὺς μέλλων πολεμεῖν πρὸς Αἰγυπτίους καὶ σπεύδων ξενικὴν δύναμιν ἀξιόλογον συστήσασθαι, διέγνω συλλύσασθαι τοὺς κατὰ τὴν Ἑλλάδα πολέμους: οὕτως γὰρ μάλιστ' ἤλπιζε τοὺς Ἑλληνας ἀπολελυμένους τῶν οἰκείων πολέμων ἐτοιμοτέρους ἔσσεσθαι πρὸς τὰς ξενολογίας, διόπερ πρέσβεις ἐξέπεμψεν εἰς τὴν Ἑλλάδα τοὺς παρακαλέσοντας τὰς πόλεις κοινὴν εἰρήνην συνθέσθαι. [2] τῶν δ' Ἑλλήνων ἀσμένως προσδεξαμένων τοὺς λόγους διὰ τὸ κάμνειν τῇ συνεχείᾳ τῶν πολέμων, συνέθεντο πάντες τὴν εἰρήνην, ὥστε πάσας τὰς πόλεις αὐτονόμους καὶ ἀφρουρήτους εἶναι. καὶ κατέστησαν οἱ Ἑλληνας ἐξαγωγεῖς, οἱ κατὰ πόλιν ἐκάστην ἐπελθόντες ἐξήγαγον ἀπάσας τὰς φρουράς. [3] μόνων δὲ Θηβαίων οὐ προσδεξαμένων κατὰ πόλιν γίνεσθαι τὰς σπονδάς, ἀλλὰ τὴν Βοιωτίαν ἅπασαν ὑπὸ τὴν τῶν Θηβαίων συντέλειαν ταττόντων, καὶ Ἀθηναίων μὲν ἀντειπόντων φιλοτιμώτατα, Καλλιστράτου τοῦ δημαγωγοῦ τὸν λόγον διαθεμένου, ὑπὲρ δὲ τῶν Θηβαίων Ἐπαμεινώνδου διαθεμένου λόγον θαυμαστῶς ἐν τῷ κοινῷ συνεδρίῳ, τοῖς μὲν ἄλλοις Ἑλλήσι πᾶσι συμφώνως αἱ σπονδαὶ συνετελέσθησαν, μόνοι δὲ Θηβαῖοι κριθέντες ἔκσπονδοι, καὶ τοῦ Ἐπαμεινώνδου διὰ τῆς ἰδίας ἀρετῆς ἐμποιοῦντος φρόνημα τοῖς πολίταις, ἐθάρρησαν τοῖς ἀπάντων δόγμασιν ἀντιβαίνειν. [4] Λακεδαιμόνιοι μὲν γὰρ καὶ Ἀθηναῖοι, διὰ πάντων περὶ τῆς ἡγεμονίας διαφιλοτιμούμενοι, παρεχόμενοι ἀλλήλοις, οἱ μὲν τῆς κατὰ γῆν, οἱ δὲ τῆς κατὰ θάλατταν ἀρχῆς ἄξιοι κρινόμενοι. διόπερ τὴν ἐκ τρίτου προσώπου

ἀναφερομένην ἡγεμονίαν χαλεπῶς ἔφερον, καὶ τὰς κατὰ Βοιωτίαν πόλεις ἀπέσπων τῆς τῶν Θηβαίων συντελείας. 39. οἱ δὲ Θηβαῖοι, τῇ τε ῥώμῃ τῶν σωμάτων καὶ ταῖς ἀλκαῖς διαφέροντες καὶ πολλαῖς μάχαις προνενικηκότες τοὺς Λακεδαιμονίους, μετέωροι τοῖς φρονήμασιν ὑπῆρχον καὶ τῆς κατὰ γῆν ἡγεμονίας ἡμφισβήτην. οὐ διεψεύσθησαν δὲ τῆς ἐλπίδος διὰ τὰς εἰρημένας αἰτίας καὶ διὰ τὸ πλείονας ἔχειν ἀγαθοὺς ἡγεμόνας καὶ στρατηγούς κατὰ τοὺς ὑποκειμένους χρόνους. [2] ἐπιφανέστατοι δ' ἦσαν Πελοπίδας καὶ Γοργίδας καὶ Ἐπαμεινώνδας· οὗτος γὰρ οὐ μόνον τῶν ὁμοεθνούντων, ἀλλὰ καὶ πάντων Ἑλλήνων πολὺ προέσχευ ἀνδρεία τε καὶ στρατηγικῇ συνέσει. μετέσχε γὰρ ἐπὶ πολὺ πάσης παιδείας, καὶ μάλιστα τῆς Πυθαγορικῆς φιλοσοφίας· πρὸς δὲ τούτοις φυσικοῖς προτερήμασι κεχορηγημένος, εἰκότως καὶ πράξεις ἐπιφανεστάτας συνετέλεσεν. διὸ καὶ συναναγκασθεὶς ὀλίγοις πολιτικοῖς στρατιώταις πρὸς πάσας τὰς τῶν Λακεδαιμονίων καὶ τῶν συμμάχων δυνάμεις ἀγωνίσασθαι, τοσοῦτον ὑπερέσχε τῶν ἀνικήτων στρατιωτῶν, ὥστε τὸν βασιλέα τῶν Σπαρτιατῶν Κλεόμβροτον ἀνελεῖν, τὸ δὲ πλῆθος τῶν ἀντιταχθέντων ἄρδην σχεδὸν κατακόψαι. [3] καὶ τὰ τηλικαῦτα παραδόξως διεπράξατο διὰ τὴν ἀγχίνοιαν καὶ τὴν ἐκ παιδείας αὐτῷ περιγεγενημένην ἀρετήν. ἀλλὰ περὶ μὲν τούτων μικρὸν ὕστερον ἐν τοῖς κατὰ μέρος ἐκτεθεῖσι σαφέστερον δηλώσομεν, νῦν δ' ἐπὶ τὸ συνεχὲς τῆς ἱστορίας τρεψόμεθα. 40.

μετὰ γὰρ τὴν συγχωρηθεῖσαν τοῖς δήμοις αὐτονομίαν αἱ πόλεις ἐνέπιπτον εἰς ταραχὰς μεγάλας καὶ στάσεις, μάλιστα δὲ αἱ κατὰ τὴν Πελοπόννησον. ὀλιγαρχικοῖς γὰρ πολιτεύμασι κεκρημένοι, καὶ ταῖς τῆς δημοκρατίας ἐξουσίαις ἀπειραγάθως χρώμεναι, πολλοὺς τῶν ἀγαθῶν ἀνδρῶν ἐφυγάδευον καὶ κρίσεις ἐπιβάλλουσιν συκοφαντώδεις κατεδίκάζον. διόπερ εἰς στάσεις ἐμπίπτουσαι φυγὰς καὶ δημεύσεις οὐσιῶν ἐποιοῦντο, μάλιστα δὲ πρὸς τοὺς ἐπὶ τῆς Λακεδαιμονίων ἡγεμονίας προεστηκότας τῶν πατρίδων. [2] ἐν γὰρ τοῖς τότε χρόνοις ἐπιτακτικῶς ἐκείνων τοῖς πολίταις προσενηνεγμένων, ὕστερον ὁ δημοτικὸς ὄχλος ἀπολαβὼν τὴν ἐλευθερίαν ἐμνησικάκει. πρῶτον δὲ τῶν Φιαλέων οἱ φυγάδες συστραφέντες κατελάβοντο τὴν καλουμένην Ἡραίαν, χωρίον ὄχυρόν. ἐκ ταύτης δ' ὀρμηθέντες παρεισέπεσον εἰς τὴν Φιάλειαν, καὶ Διονυσίαν κατὰ τύχην ὄντων ἐπιπεσόντες ἀπροσδοκῆτως τοῖς ἐν τῷ θεάτρῳ καθημένοις, καὶ πολλοὺς ἀποσφάζαντες, οὐκ ὀλίγους δὲ καὶ συναπονοήσασθαι πείσαντες, ἀνεχώρησαν εἰς τὴν Σπάρτην. [3] οἱ δὲ τῆς Κορίνθου φυγάδες, συχνοὶ διατρίβοντες παρὰ τοῖς Ἀργείοις, ἐπεχείρησαν κατιέναι· παραδεχθέντες δ' ἐπὶ τὴν πόλιν ὑπὸ τινων οἰκείων καὶ φίλων, διαβληθέντες ἐγένοντο περικατάληπτοι· μέλλοντες δὲ συναρπάζεσθαι, καὶ φοβούμενοι τὴν ἐκ τῆς ἀλώσεως αἰκίαν, ἀλλήλους ἀπέκτειναν. οἱ δὲ Κορίνθιοι πολλοὺς τῶν πολιτῶν αἰτιασάμενοι μετεσχηκέναι τοῖς φυγάσι τῆς ἐπιθέσεως, οὓς μὲν ἀπέκτειναν, οὓς δ' ἐφυγάδευσαν. [4] ἐν δὲ τῇ πόλει τῶν Μεγαρέων ἐπιχειρήσαντές τινες μεταστῆσαι τὴν πολιτείαν, καὶ κρατηθέντες ὑπὸ τοῦ δήμου, πολλοὶ μὲν ἀνῆρέθησαν, οὐκ ὀλίγοι δ' ἐξέπεσον. ὁμοίως δὲ καὶ παρὰ τοῖς Σικυωνίοις τινὲς νεωτερίζειν ἐπιβαλόμενοι καὶ σφαλόντες ἀνῆρέθησαν. [5] παρὰ δὲ τοῖς Φλιασίοις πολλῶν φυγαδευομένων, καὶ καταλαβομένων ἐπὶ τῆς χώρας φρουρίον ὄχυρόν καὶ πλῆθος μισθοφόρων

ἄθροισάντων, ἐγένετο μάχη πρὸς τοὺς ἐκ τῆς πόλεως, καὶ νικησάντων τῶν φυγάδων ἀνηρέθησαν τῶν Φλιασίων ὑπὲρ τοὺς τριακοσίους. ὕστερον δὲ προδόντων τῶν φυλάκων τοὺς φυγάδας, κρατήσαντες οἱ Φλιάσιοι τῶν φυγάδων ἀνέϊλον πλείους τῶν ἑξακοσίων, τοὺς δὲ λοιποὺς ἐκβαλόντες ἐκ τῆς χώρας ἠνάγκασαν φυγεῖν εἰς Ἄργος. αἱ μὲν οὖν κατὰ Πελοπόννησον πόλεις ἐν τοιαύταις συμφοραῖς ἦσαν. 41.

ἐπ' ἄρχοντος δ' Ἀθήνησι Σωκρατίδου Ῥωμαῖοι ἀντὶ τῶν ὑπάτων χιλιάρχους κατέστησαν τέτταρας, Κόιντον Σερουίλιον, Σερούιον Κορνήλιον, ἔτι δὲ Σπόριον Παπίριον. ἐπὶ δὲ τούτων Ἀρταξέρξης ὁ βασιλεὺς ἐστράτευσεν ἐπ' Αἰγυπτίους ἀφεστηκότας ἀπὸ Περσῶν. ἡγοῦντο δὲ τῶν δυνάμεων Φαρνάβαζος μὲν τῶν βαρβαρικῶν, Ἴφικράτης δ' ὁ Αθηναῖος τῶν μισθοφόρων, ὄντων δισμυρίων. ὁ δ' ἀνὴρ οὗτος μετάπεμπτος ἐπὶ τὴν στρατηγίαν ὑπὸ τοῦ βασιλέως ἐτάχθη διὰ τὴν ἐν τῷ στρατηγεῖν ἀρετὴν. [2] ἔτη δὲ πλείω τοῦ Φαρναβάζου κατανηλωκότος περὶ τὰς παρασκευάς, ὁ μὲν Ἴφικράτης ὄρων αὐτὸν ἐν μὲν τῷ λέγειν ὄντα δεινόν, ἐν δὲ τοῖς πραττομένοις νωχελῇ, παρρησίᾳ πρὸς αὐτὸν ἐχρήσατο, φήσας θαυμάζειν πῶς ἐν μὲν τοῖς λόγοις ἐστὶν ὀξύς, ἐν δὲ τοῖς ἔργοις βραδύς. ὁ δὲ Φαρνάβαζος ἀπεκρίθη, διότι τῶν μὲν λόγων αὐτὸς κύριός ἐστι, τῶν δ' ἔργων ὁ βασιλεὺς. [3] τῆς δὲ τῶν Περσῶν δυνάμεως ἄθροισθείσης εἰς πόλιν Ἄκην, ἡριθμήθησαν τῶν μὲν βαρβάρων εἴκοσι μυριάδες, ὧν ἦρχε Φαρνάβαζος: τῶν δὲ μισθοφόρων Ἑλλήνων Ἴφικράτης ἡγεῖτο δισμυρίων. καὶ ναῦς ἡριθμήθησαν τριῆρεις μὲν τριακόσιαι, τριακόντοροι δὲ διακόσιαι: τῶν δὲ τὴν ἀγορὰν καὶ τὴν ἄλλην παρασκευὴν κομίζουσῶν πολὺς ἦν ἀριθμός. [4] ἀρχομένου δὲ τοῦ θέρους ἀνέξευξαν οἱ τοῦ βασιλέως στρατηγοὶ μετὰ πάσης τῆς δυνάμεως, καὶ τοῦ στόλου συμπαραπλέοντος προῆγον ἐπὶ τὴν Αἴγυπτον. ὥς δ' ἦκον πλησίον τοῦ Νείλου, κατέλαβον τοὺς Αἰγυπτίους φανερώς παρεσκευασμένους τὰ πρὸς τὸν πόλεμον. [5] ὁ γὰρ Φαρνάβαζος βραδεῖαν τὴν στρατείαν ἐποιεῖτο, καὶ πολὺν χρόνον ἐδεδώκει τοῖς πολεμίοις εἰς τὴν παρασκευὴν. ὥς ἐπίπαν γὰρ οἱ τῶν Περσῶν στρατηγοί, τῶν ὅλων οὐκ ὄντες αὐτοκράτορες, περὶ πάντων ἀναφέρουσι τῷ βασιλεῖ, καὶ προσαναμένουσι τὰς περὶ ἐκάστων ἀποκρίσεις. 42.

ὁ δὲ τῶν Αἰγυπτίων βασιλεὺς Νεκτάνεβις ἐπυνθάνετο μὲν τὸ μέγεθος τῶν Περσικῶν δυνάμεων, ἐθάρρει δὲ μάλιστα μὲν τῇ τῆς χώρας ὀχυρότητι, δυσπροσίτου παντελῶς οὔσης τῆς Αἰγύπτου, ἔπειτα καὶ τῷ πεφράχθαι καλῶς πάσας εἰσβολὰς τὰς τε ἀπὸ γῆς καὶ τὰς ἀπὸ θαλάττης. [2] ἐπὶ τὰ στόμασι γὰρ τοῦ Νείλου τὰς εἰς τὸ Αἰγύπτιον πέλαγος ἐκβολὰς ποιουμένου, καθ' ἕκαστον τῶν στομάτων πόλις κατεσκεύαστο πύργους μεγάλους ἔχουσα καθ' ἑκάτερον τοῦ ρείθρου καὶ ξυλίνην γέφυραν τοῦ εἰσπλου κυριεύουσιν. μάλιστα δὲ τὸ Πηλουσιακὸν στόμα κατεσκεύασε διὰ τὸ κεῖσθαι μὲν αὐτὸ πρῶτον πρὸς τοὺς ἀπὸ Συρίας πορευομένους καὶ δοκεῖν διὰ τούτου μάλιστα ἂν ποιεῖσθαι τὴν ἔφοδον τοὺς πολεμίους. [3] τοῦτο γὰρ ἀπετάφρευσε, καὶ διετείχισε τοὺς εἰσπλους κατὰ τοὺς εὐκαιροτάτους τόπους, καὶ τῶν προσόδων τὰς μὲν κατὰ γῆν πορευτὰς ἐποίησε λιμνάζειν, τὰς δὲ πλωτὰς χώμασιν ἐνέφραττεν. διόπερ οὐκ ἦν ῥαδίως οὔτε ταῖς ναυσὶν εἰσπλέειν οὔτε τοῖς ἰππεῦσι προσπελάσαι

οὔτε τοῖς πεζοῖς προσελθεῖν. [4] οἱ δὲ περὶ τὸν Φαρνάβαζον στρατηγοί, καταλαβόντες τὸ Πηλουσιακὸν στόμα θαυμαστῶς ὠχυρωμένον καὶ στρατιωτῶν πλήθει φυλαττόμενον, τὸ μὲν διὰ τοῦτου βιάζεσθαι παντελῶς ἀπεδοκίμασαν, δι' ἑτέρου δὲ στόματος ἔγνωσαν ποιεῖσθαι τὸν εἰσπλουν. διὸ πλεύσαντες πελάγιοι πρὸς τὸ μὴ καθορᾶσθαι τὰς ναῦς ὑπὸ τῶν πολεμίων, κατέπλευσαν πρὸς τὸ στόμα τὸ καλούμενον Μενδήσιον, ἔχον ἡῖονα παρήκουσαν ἐφ' ἱκανὸν τόπον. εἰς ταύτην ἀποβάντες μετὰ στρατιωτῶν τρισχιλίων ὃ τε Φαρνάβαζος καὶ ὁ Ἰφικράτης προῆγον ἐπὶ τὸ τετειχισμένον ἐπὶ τοῦ στόματος πολισμάτιον. [5] ἐκβοηθησάντων δὲ τῶν Αἰγυπτίων ἱππευσί τε καὶ πεζοῖς τρισχιλίοις, γενομένης τε μάχης ἰσχυρᾶς καὶ τοῖς Πέρσαις πολλῶν ἐκ τῶν νεῶν προσγεγενημένων, κυκλωθέντες οἱ Αἰγύπτιοι, πολλοὶ μὲν ἀπέθανον, οὐκ ὀλίγοι δ' ἐξωγρήθησαν: οἱ δὲ περιλειφθέντες εἰς τὴν πόλιν συνεδιώχθησαν. οἱ δὲ περὶ τὸν Ἰφικράτην συνεισπεσόντες τοῖς φρουροῦσιν ἐντὸς τῶν τειχῶν, καὶ κρατήσαντες τοῦ φρουρίου, τοῦτο μὲν κατέσκαψαν, τοὺς δ' ἐνοικοῦντας ἐξηνδραποδίσαντο. 43.

μετὰ δὲ ταῦτα τοῖς στρατηγοῖς ἐνέπεσε στάσις, δι' ἣν τῆς ἐπιβολῆς ἐσφάλησαν. ὁ μὲν γὰρ Ἰφικράτης παρὰ τῶν αἰχμαλώτων πυθόμενος ἔρημον εἶναι τὴν Μέμφιν, ἐπικαιροτάτην οὖσαν πόλιν τῶν κατ' Αἴγυπτον, συνεβούλευεν ἐξαυτῆς ἀναπλεῖν ἐπὶ τὴν Μέμφιν πρὸ τοῦ παραγενέσθαι τὰς τῶν Αἰγυπτίων δυνάμεις: οἱ δὲ περὶ τὸν Φαρνάβαζον ᾤοντο δεῖν ἀναμένειν τὴν ὅλην δύναμιν τῶν Περσῶν: ἀσφαλεστέραν γὰρ ἔσεσθαι τὴν στρατείαν ἐπὶ τὴν Μέμφιν. [2] τοῦ δ' Ἰφικράτους ἀξιοῦντος αὐτῷ δοθῆναι τοὺς παρόντας μισθοφόρους, καὶ μετ' ἐκείνων ἐπαγγελλομένου κρατήσειν τῆς πόλεως, τό τε θράσος αὐτοῦ καὶ τὴν ἀρετὴν ὑπώπτευσεν, μὴ κατ' ἰδίαν κατάσχη τὴν Αἴγυπτον. διόπερ οὐ συγχωροῦντος τοῦ Φαρναβάζου, ὁ Ἰφικράτης διεμαρτύρατο, λέγων ὡς ἐὰν παρῶσι τὴν ὀξύτητα τῶν καιρῶν, ἄπρακτον ποιήσουσι τὴν ὅλην στρατίαν. στρατηγοὶ μὲν οὖν τινες ἐφθόνουν αὐτῷ καὶ διαβολὰς ἀδίκους προσῆπτον. [3] οἱ δ' Αἰγύπτιοι πολλὴν ἀναστροφὴν λαβόντες, εἰς μὲν τὴν Μέμφιν ἐξέπεμψαν τὴν ἱκανὴν φυλακὴν, ἐπὶ δὲ τὸ πεπορημένον πολισμάτιον πάσαις ταῖς δυνάμεσι παραγενόμενοι, καὶ πολλὰ πλεονεκτοῦντες διὰ τὴν τῶν τόπων ὀχυρότητα, συμπλοκάς ἐποιοῦντο τοῖς πολεμίοις συνεχεῖς. αἰεὶ δὲ μᾶλλον ἐπισχύνοντες πολλοὺς ἀνήρουν τῶν Περσῶν καὶ κατεθάρρουν τῶν πολεμίων. [4] χρονιζούσης δὲ τῆς περὶ τὸ πολισμάτιον τοῦτο στρατείας, καὶ τῶν ἐτησίων ἤδη γενομένων, ὁ Νεῖλος πληρούμενος καὶ πάντα τόπον ἐπέχων τῷ πλήθει τοῦ ῥεύματος αἰεὶ μᾶλλον ὠχύρου τὴν Αἴγυπτον. οἱ δὲ τῶν Περσῶν ἡγεμόνες, ἀντιπραττούσης αὐτοῖς αἰεὶ τῆς περιστάσεως, ἔγνωσαν ἐκ τῆς Αἰγύπτου τὴν ἀπαλλαγὴν ποιήσασθαι. [5] διόπερ ἐπανιόντων αὐτῶν εἰς τὴν Ἀσίαν, καὶ γενομένης διαφορᾶς τῷ Φαρναβάζῳ πρὸς τὸν Ἰφικράτην, ὑποπτεύσας ὁ Ἰφικράτης μὴ συλληφθῆ καὶ τιμωρίας τύχῃ, καθάπερ Κόνων ἔπαθεν ὁ Ἀθηναῖος, ἔκρινε λάθρα φεύγειν ἐκ τοῦ στρατοπέδου: διὸ καὶ παρασκευασάμενος πλοῖον ἔλαθε νυκτὸς ἀπαλλαγεῖς καὶ καταπλεύσας εἰς τὰς Ἀθήνας. [6] ὁ δὲ Φαρνάβαζος πρέσβεις ἐκπέμψας κατηγόρησε τοῦ Ἰφικράτους ὡς αἰτίου γεγονότος τοῦ μὴ ληφθῆναι τὴν Αἴγυπτον. οἱ δὲ Ἀθηναῖοι τοῖς μὲν Πέρσαις ἀπόκρισιν ἔδωκαν, ὅτι ἐὰν

εὐρωσιν αὐτὸν ἡδικηκότα, κολάσουσιν κατὰ τὴν ἀξίαν, αὐτοὶ δὲ μετ' ὀλίγον χρόνον στρατηγὸν κατέστησαν τὸν Ἴφικράτην ἐπὶ τὸ ναυτικόν. 44.

οὐκ ἀνοίκειον δ' ἐστὶ τὰ περὶ τῆς Ἴφικράτους ἀρετῆς ἱστορούμενα παραθεῖναι. οὗτος γὰρ παραδέδοται στρατηγικὴν τε ἀγχείοιαν ἐσχηκέναι καὶ πρὸς πᾶσαν ἐπίνοιαν ἀγαθὴν φύσει κεχρησθαι διαφόρῳ. προσλαβόμενον οὖν αὐτὸν τὴν ἐν τῷ Περσικῷ πολέμῳ πολυχρόνιον ἐμπειρίαν τῶν στρατιωτικῶν ἔργων, ἐπινοήσασθαι πολλὰ τῶν εἰς τὸν πόλεμον χρησίμων, καὶ μάλιστα περὶ τὸν καθοπλισμὸν φιλοτιμηθῆναι. [2] τῶν γὰρ Ἑλλήνων μεγάλαις ἀσπίσι χρωμένων καὶ διὰ τοῦτο δυσκινήτων ὄντων, συνεῖλε τὰς ἀσπίδας καὶ κατεσκεύασε πέλτας συμμέτρους, ἀμφοτέρων εὖ στοχασάμενος, τοῦ τε σκέπειν ἱκανῶς τὰ σώματα καὶ τοῦ δύνασθαι τοὺς χρωμένους ταῖς πέλταις διὰ τὴν κουφότητα παντελῶς εὐκινήτους ὑπάρχειν. [3] διὰ δὲ τῆς πείρας τῆς εὐχρηστίας ἀποδοχῆς τυγχανούσης, οἱ μὲν πρότερον ἀπὸ τῶν ἀσπίδων ὀπλῖται καλούμενοι τότε δὲ ἀπὸ τῆς πέλτης πελτασταὶ μετωνομάσθησαν. ἐπὶ δὲ τοῦ δόρατος καὶ τοῦ ξίφους εἰς τοῦναντίον τὴν μετάθεσιν ἐποίησατο: ἠῤῥησε γὰρ τὰ μὲν δόρατα ἡμιολίῳ μεγέθει, τὰ δὲ ξίφη σχεδὸν διπλάσια κατεσκεύασεν. τὴν δὲ δοκιμασίαν ἢ χρεῖα διαβεβαιούσα τὴν ἐπίνοιαν τοῦ στρατηγοῦ τῷ τῆς πείρας ἐπιτεύγματι δόξης ἤξιώσεν. [4] τὰς τε ὑποδέσεις τοῖς στρατιώταις εὐλύτους καὶ κούφας ἐποίησε, τὰς μέχρι τοῦ νῦν ἱφικρατίδας ἀπ' ἐκείνου καλουμένας. πολλὰ δὲ καὶ ἄλλα τῶν χρησίμων εἰς τὰς στρατείας κατέδειξε, περὶ ὧν μακρὸν ἂν εἴη γράφειν. ἢ μὲν οὖν ἐπ' Αἴγυπτον στρατεία τῶν Περσῶν, μεγάλης τυχούσα παρασκευῆς, παρ' ἐλπίδας ἄπρακτον ἔσχε τὸ τέλος. 45.

κατὰ δὲ τὴν Ἑλλάδα ταραττομένων τῶν πόλεων διὰ τὴν ἀσυνήθη πολιτείαν, καὶ πολλῶν ἐπανισταμένων διὰ τὴν κοινὴν ἀναρχίαν, τοῖς μὲν τὰς ὀλιγαρχίας κατασκευάζουσιν ἐβοήθουν οἱ Λακεδαιμόνιοι, τοῖς δὲ τῆς δημοκρατίας ἀντεχομένοις συνεμάχουν οἱ Ἀθηναῖοι. [2] ἀμφοτέραι γὰρ αἱ πόλεις αὗται χρόνον ὀλίγον διετήρησαν τὰς σπονδάς, μετὰ δὲ ταῦτα συμπράττουσαι ταῖς οἰκείαις πόλεσιν ἐπολέμουν, οὐδὲν ἔτι φροντίζοντες τῆς κοινῆς συντεθείσης εἰρήνης. διόπερ ἐν Ζακύνθῳ τοῖς ἐπὶ τῆς Λακεδαιμονίων ἐπιστάσις κυρίοις γεγονόσι τοῦ πολιτεύματος ὁ δῆμος χαλεπῶς ἔχων καὶ μνησικακῶν ἐφυγάδευσε πάντας ... οὗτοι δὲ πρὸς Τιμόθεον τὸν Ἀθηναῖον ἡγούμενον τοῦ ναυτικοῦ καταφυγόντες συνέπλεον αὐτῷ καὶ συνεμάχουν. [3] τοῦτον οὖν παραστησάμενοι συνεργόν, καὶ διαβιβασθέντες εἰς τὴν νῆσον ὑπ' αὐτοῦ, κατελάβοντο χωρίον ὀχυρὸν παρὰ θάλατταν, ὃ προσηγόρευον Ἀρκαδίαν. ἐκ τούτου δ' ὀρμώμενοι, καὶ βοηθὸν ἔχοντες τὸν Τιμόθεον, ἐκακοποιοῦν τοὺς ἐν τῇ πόλει. [4] τῶν δὲ Ζακυνθίων τοὺς Λακεδαιμονίους ἀξιούντων βοηθῆσαι, τὸ μὲν πρῶτον εἰς τὰς Ἀθήνας ἀποστέιλαντες πρέσβεις κατηγόρουν τοῦ Τιμοθέου: ὥς δ' ἐθεώρουν τὸν δῆμον ἀποκλίνοντα πρὸς τοὺς φυγάδας, συνεστήσαντο ναυτικόν, καὶ πληρώσαντες τριήρεις εἴκοσι καὶ πέντε ἐξέπεμψαν τοῖς Ζακυνθίοις συμμαχίαν, δόντες τὴν ἡγεμονίαν Ἀριστοκράτει. 46.

ἅμα δὲ τούτοις πραττομένοις τῶν ἐκ Κορκύρας τινὲς φίλοι Λακεδαιμονίων ἐπαναστάντες τῷ δήμῳ, παρεκάλεσαν τοὺς Σπαρτιάτας ἀποστεῖλαι ναυτικὴν

δύναμιν, ὑπισχνούμενοι παραδώσειν αὐτοῖς τὴν Κόρκυραν. οἱ δὲ Λακεδαιμόνιοι, τὴν Κόρκυραν εἰδότες μεγάλην ῥοπὴν ἔχουσιν τοῖς ἀντεχομένοις τῆς θαλάττης, ἔσπευσαν κύριοι γενέσθαι ταύτης τῆς πόλεως. [2] εὐθὺς οὖν ἔπεμψαν εἰς τὴν Κόρκυραν τριῆρεις εἴκοσι καὶ δύο, τὴν ἡγεμονίαν Ἀλκίδα παραδόντες. τοῦτον δὲ τὸν στόλον προσεποιήθησαν εἰς Σικελίαν ἀποστεῖλαι, ἵνα ὥς φίλοι προσδεχθέντες ὑπὸ τῶν Κορκυραίων κατάσχωσι τὴν πόλιν μετὰ τῶν φυγάδων. [3] οἱ δὲ Κορκυραῖοι γνόντες τῶν Σπαρτιατῶν τὴν ἐπίνοιαν, τὴν μὲν πόλιν ἐπιμελῶς ἐφύλαττον, εἰς δὲ τὰς Ἀθήνας πρέσβεις ἐξέπεμψαν περὶ βοηθείας. οἱ δ' Ἀθηναῖοι ψηφισάμενοι βοηθεῖν τοῖς Κορκυραίοις καὶ Ζακυνθίῳ τοῖς φυγάσιν, εἰς μὲν τὴν Ζάκυνθον ἐξέπεμψαν Κτησικλέα στρατηγόν, ἡγούμενον τῶν φυγάδων, εἰς δὲ τὴν Κόρκυραν παρεσκευάζοντο ναυτικὴν δύναμιν ἐκπέμπειν. [4]

ἅμα δὲ τούτοις πραττομένοις κατὰ τὴν Βοιωτίαν Πλαταιεῖς ἀντεχόμενοι τῆς Ἀθηναίων συμμαχίας μετεπέμποντο στρατιώτας, κεκρικότες τοῖς Ἀθηναίοις παραδοῦναι τὴν πόλιν. ἐπὶ δὲ τούτοις οἱ βοιωτάρχαι χαλεπῶς διατεθέντες πρὸς τοὺς Πλαταιεῖς, καὶ σπεύδοντες φθάσαι τὴν παρὰ τῶν Ἀθηναίων συμμαχίαν, εὐθὺς ἐπ' αὐτοὺς δύναμιν ἀξιόλογον ἤγον. [5] παραγενόμενοι δὲ πλησίον τῆς τῶν Πλαταιέων πόλεως, ἀπροσδοκῆτου τῆς ἐπιθέσεως γενομένης, οἱ πλεῖστοι μὲν τῶν Πλαταιέων ἐπὶ τῆς χώρας καταληφθέντες ὑπὸ τῶν ἱππέων συνηρπάγησαν, οἱ δὲ λοιποὶ καταφυγόντες εἰς τὴν πόλιν, καὶ συμμαχῶν ὄντες ἔρημοι, συνηναγκάσθησαν ὁμολογίας συνθέσθαι τοῖς πολεμίοις εὐαρέστους· ἔδει γὰρ αὐτοὺς τὰ ἐπιπλα λαβόντας ἀπελθεῖν ἐκ τῆς πόλεως καὶ μηκέτι τῆς Βοιωτίας ἐπιβαίνειν. [6] μετὰ δὲ ταῦτα οἱ μὲν Θηβαῖοι τὰς Πλαταιὰς κατασκάψαντες καὶ Θεσπιάς ἄλλοτρίως πρὸς αὐτοὺς διακειμένας ἐξεπόρθησαν, οἱ δὲ Πλαταιεῖς εἰς Ἀθήνας μετὰ τέκνων καὶ γυναικῶν φυγόντες τῆς ἰσοπολιτείας ἔτυχον διὰ τὴν χρηστότητα τοῦ δήμου. καὶ τὰ μὲν κατὰ Βοιωτίαν ἐν τούτοις ἦν. 47.

Λακεδαιμόνιοι δὲ στρατηγὸν καταστήσαντες Μνάσιππον ἐξαπέστειλαν ἐπὶ τὴν Κόρκυραν, ἔχοντα τριῆρεις μὲν ἐξήκοντα καὶ πέντε, στρατιώτας δὲ χιλίους καὶ πεντακοσίους. οὗτος δὲ καταπλεύσας εἰς τὴν νῆσον καὶ προσλαβόμενος τοὺς φυγάδας εἰσέπλευσεν εἰς τὸν λιμένα, καὶ τεττάρων μὲν νεῶν ἐκυρίευσεν, τῶν δὲ ὑπολοίπων τριῶν νεῶν φυγουσῶν πρὸς τὴν γῆν, αὗται μὲν ἐνεπρήσθησαν ὑπὸ τῶν Κορκυραίων, ἵνα μὴ τοῖς πολεμίοις ὑποχείριοι γένωνται. ἐνίκησε δὲ καὶ πεζῇ τοὺς ἐπὶ τῇ γῇ λόφον τινὰ κατειλημμένους, καὶ καθόλου πολὺν φόβον τοῖς Κορκυραίοις ἐπέστησεν. [2] Ἀθηναῖοι δὲ καὶ πάσαι μὲν ἀπεστάλκεισαν Τιμόθεον τὸν Κόνωνος ἐπὶ βοήθειαν τοῖς Κορκυραίοις μετὰ νεῶν ἐξήκοντα· οὗτος δὲ πρὸ τῆς συμμαχίας ταύτης πλεύσας ἐπὶ Θράκης, καὶ πολλὰς πόλεις ἐπὶ συμμαχίαν προκαλεσάμενος, προσέθηκε τριάκοντα τριῆρεις· [3] τότε δὲ καθυστερῶν τῆς τῶν Κορκυραίων συμμαχίας τὸ μὲν πρῶτον ἀπέβαλε τὴν στρατηγίαν, τοῦ δήμου χαλεπῶς πρὸς αὐτὸν διατεθέντος· ὥς δὲ παρέπλευσεν εἰς τὰς Ἀθήνας, ἄγων πρέσβων πλῆθος τῶν τὴν συμμαχίαν συντιθεμένων καὶ τριάκοντα τριῆρεις προστεθεικῶς, πάντα δὲ τὸν στόλον εὖ κατεσκευακῶς πρὸς τὸν πόλεμον, μετενόησεν ὁ δῆμος καὶ πάλιν αὐτῷ τὴν στρατηγίαν ἀποκατέστησεν. [4] προσκατεσκευάζον δὲ καὶ

ἄλλας τριήρεις τετταράκοντα, ὥστε τὰς πάσας γίνεσθαι ἑκατὸν καὶ τριάκοντα: ἐποιοῦντο δὲ καὶ σίτου καὶ βελῶν καὶ τῶν ἄλλων τῶν εἰς πόλεμον χρησίμων ἀξιολόγους παρασκευάς. κατὰ δὲ τὸ παρὸν στρατηγὸν ἐλόμενοι Κτησικλέα μετὰ στρατιωτῶν πεντακοσίων ἐξέπεμψαν βοηθήσοντα τοῖς Κορκυραίοις. [5] οὗτος δὲ λάθρα νυκτὸς ἔλαθε τοὺς πολιορκοῦντας εἰσπλεύσας εἰς Κόρκυραν: καὶ καταλαβὼν τοὺς ἐν τῇ πόλει πρὸς μὲν ἀλλήλους στασιάζοντας, τὰ δὲ κατὰ τὸν πόλεμον κακῶς διοικοῦντας, τὰς μὲν στάσεις διέλυσε, τῆς δὲ πόλεως πολλὴν ἐπιμέλειαν ποιησάμενος εὐθαρσεῖς ἐποίησε τοὺς πολιορκουμένους. [6] καὶ τὸ μὲν πρῶτον ἀπροσδοκῆτως τοῖς πολιορκοῦσιν ἐπιθέμενος ἀνέϊλεν αὐτῶν περὶ διακοσίους, ὕστερον δὲ μεγάλης μάχης γενομένης τὸν τε Μνάσιππον ἀνέϊλε καὶ τῶν ἄλλων οὐκ ὀλίγους: τέλος δὲ τοὺς πολιορκοῦντας εἰς πολιορκίαν συγκλείσας μεγάλων ἐπαίνων ἔτυχεν. [7] τοῦ δὲ περὶ τὴν Κόρκυραν πολέμου σχεδὸν ἤδη τέλος ἔχοντος κατέπλευσεν ὁ στόλος τῶν Ἀθηναίων εἰς τὴν Κόρκυραν, ἔχων στρατηγούς Τιμόθεον καὶ Ἰφικράτην. οὗτοι δὲ τῶν καιρῶν ὑστερηκότες ἄλλο μὲν οὐδὲν ἔπραξαν μνήμης ἄξιον, τριήρεσι δὲ Σικελικαῖς περιτυχόντες, ἃς Διονύσιος ἦν ἀπεσταλκῶς Λακεδαιμονίοις ἐπὶ συμμαχίαν, ὧν ἡγοῦντο Κισσίδης καὶ Κρίνιππος, αὐτάνδρους εἶλαν, οὔσας ἑννέα: τοὺς δ' ἄλόντας λαφυροπωλήσαντες, καὶ πλείω τῶν ἐξήκοντα ταλάντων ἀθροίσαντες, ἐμισθοδότησαν τὴν δύναμιν. [8]

ἅμα δὲ τούτοις πραττομένοις κατὰ μὲν τὴν Κύπρον Νικοκλῆς ὁ εὐνοῦχος ἐδολοφόνησεν Εὐαγόραν τὸν βασιλέα καὶ τῆς τῶν Σαλαμινίων βασιλείας ἐκυρίευσεν, κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι πρὸς Πραίνεστίνους παραταξάμενοι καὶ νικήσαντες τοὺς πλείστους τῶν ἀντιταξαμένων κατέκοψαν. 48.

ἐπ' ἄρχοντας δ' Ἀθήνησιν Ἀστείου Ῥωμαῖοι κατέστησαν ἀντὶ τῶν ὑπάτων χιλιάρχους ἕξ, Μάρκον Φούριον καὶ Λεύκιον Φούριον, ἔτι δὲ Αὐλὸν Ποστόμιον καὶ Λεύκιον Λοκρήτιον καὶ Μάρκον Φάβιον καὶ Λεύκιον Ποστόμιον. ἐπὶ δὲ τούτων κατὰ τὴν Πελοπόννησον ἐγένοντο σεισμοὶ μεγάλοι καὶ κατακλυσμοὶ χώρας καὶ πόλεων ἄπιστοι: οὐδέποτε γὰρ ἐν τοῖς ἐπάνω χρόνοις ἐγένοντο πάθη τοιαῦτα περὶ πόλεις Ἑλληνίδας, οὔτε τῶν πόλεων αὐτάνδρων ἀφανισμός, θείας τινὸς ἐνεργείας τὴν ἀπώλειαν καὶ φθορὰν τῶν ἀνθρώπων μηχανησαμένης. [2] ἐπέτεινε δὲ τὸ μέγεθος τῆς συμφορᾶς ὁ καιρὸς: οὐ γὰρ ἡμέρας συνέβη γενέσθαι τὸν σεισμόν, ἐν ᾗ δυνατόν ἦν τοὺς κινδυνεύοντας βοηθεῖν ἑαυτοῖς, ἀλλὰ νυκτὸς τοῦ πάθους συμβάντος αἱ μὲν οἰκίαι διὰ τὸ μέγεθος τοῦ σεισμοῦ καταρριπτούμεναι συνεχέοντο, οἱ δὲ ἄνθρωποι διὰ τε τὸ σκότος καὶ τὸ τῆς περιστάσεως ἀπροσδόκητον καὶ παράδοξον ἀδυνάτως εἶχον ἀντιλαμβάνεσθαι τῆς σωτηρίας. [3] οἱ μὲν οὖν πλείους ἐναποληφθέντες τοῖς πτώμασι τῶν οἰκῶν ἠφανίσθησαν: ἐπιλαβούσης δ' ἡμέρας τινὲς ἐξεπῆδων ἐκ τῶν οἰκιῶν, καὶ δόξαντες ἐκπεφευγέναι τὸν κίνδυνον μείζονι καὶ παραδοξοτέρᾳ συμφορᾷ περιέπεσον: τῆς γὰρ θαλάσσης μετεωρισθείσης ἐπὶ πολὺ καὶ κύματος ὑψηλοῦ ἐξαίρομένου κατεκλύσθησαν ἅπαντες σὺν ταῖς πατρίσιν ἀφανισθέντες. ἐγένετο δὲ τοῦτο τὸ πάθος τῆς Ἀχαΐας περὶ δύο πόλεις, Ἑλικὴν τε καὶ Βοῦραν, ὧν τὴν Ἑλικὴν συνέβαινε μέγιστον τῶν κατὰ τὴν Ἀχαΐαν πόλεων ἔχειν ἀξίωμα πρὸ τοῦ σεισμοῦ. [4] περὶ δὲ τῶν συμπτωμάτων μεγάλης οὔσης ζητήσεως, οἱ μὲν φυσικοὶ πειρῶνται τὰς

αἰτίας τῶν τοιοῦτων παθῶν οὐκ εἰς τὸ θεῖον ἀναφέρειν, ἀλλ' εἰς φυσικάς τινας καὶ κατηναγκασμένας περιστάσεις, οἱ δ' εὐσεβῶς διακείμενοι πρὸς τὸ θεῖον πιθανάς τινας αἰτίας ἀποδιδούσι τοῦ συμβάντος, ὥς διὰ θεῶν μῆνιν γεγενημένης τῆς συμφορᾶς τοῖς εἰς τὸ θεῖον ἀσεβήσασι: περὶ ὧν καὶ ἡμεῖς ἀκριβῶς ἀναγράψαι πειρασόμεθα τῇ κατὰ μέρος ἱστορίᾳ. 49. κατὰ τὴν Ἰωνίαν ἐννέα πόλεις εἰώθεισαν κοινὴν ποιεῖσθαι σύνοδον τὴν τῶν Πανιωνίων, καὶ θυσίας συνθύειν ἀρχαίας καὶ μεγάλας Ποσειδῶνι περὶ τὴν ὀνομαζομένην Μυκάλῃν ἐν ἐρήμῳ τόπῳ. ὕστερον δὲ πολέμων γενομένων περὶ τούτους τοὺς τόπους οὐ δυνάμενοι ποιεῖν τὰ Πανιώνια, μετέθεσαν τὴν πανήγυριν εἰς ἀσφαλῆ τόπον, ὃς ἦν πλησίον τῆς Ἐφέσου. πέμψαντες δὲ θεωροὺς Πυθῶδε, χρησμοὺς ἔλαβον ἀφιδρύματα λαβεῖν ἀπὸ τῶν ἀρχαίων καὶ προγονικῶν αὐτοῖς βωμῶν ἐξ Ἑλικῆς τῆς ἐν τῷ τότε μὲν Ἰωνίας, νῦν δὲ Ἀχαΐας καλουμένης. [2] οἱ μὲν οὖν Ἴωνες κατὰ τὸν χρησμὸν ἔπεμψαν εἰς Ἀχαΐαν τοὺς ληψομένους τὰ ἀφιδρύματα: οὗτοι δὲ πρὸς τὸ κοινὸν τῶν Ἀχαιῶν διαλεχθέντες ἔπεισαν δίδοναι τὰ ἀξιούμενα. οἱ δὲ τὴν Ἑλικὴν οἰκοῦντες, ἔχοντες παλαιὸν λόγιον ὅτι τότε κινδυνεύουσιν ὅταν Ἴωνες ἐπὶ τοῦ βωμοῦ τοῦ Ποσειδῶνος θύσωσιν, ἀναλογιζόμενοι τὸν χρησμὸν ἀντέλεγον τοῖς Ἴωσι περὶ τῶν ἀφιδρυμάτων, λέγοντες μὴ κοινὸν τῶν Ἀχαιῶν, ἀλλ' ἴδιον αὐτῶν εἶναι τὸ τέμενος: συνέπραττον δὲ τούτοις καὶ οἱ τὴν Βοῦραν οἰκοῦντες. [3] τῶν δὲ Ἀχαιῶν κοινῷ δόγματι συγχωρησάντων, οἱ μὲν Ἴωνες ἔθυσαν ἐπὶ τοῦ βωμοῦ τοῦ Ποσειδῶνος κατὰ τὸν χρησμὸν, οἱ δ' Ἑλικεῖς τὰ χρήματα διαρρίψαντες τῶν Ἰώνων τοὺς τε θεωροὺς συνήρπασαν, ἡσέβησάν τε εἰς τὸ θεῖον. ἀνθ' ὧν φασι μηνίσαντα τὸν Ποσειδῶνα διὰ τοῦ σεισμοῦ καὶ τοῦ κατακλυσμοῦ τὰς ἀσεβούσας πόλεις λυμήνασθαι. [4] τοῦ δ' ἐκ Ποσειδῶνος γεγενῆσθαι τὴν μῆνιν ταῖς πόλεσιν φασιν ἐμφανεῖς ἀποδείξεις ὑπάρχειν διὰ τὸ τῶν σεισμῶν καὶ τῶν κατακλυσμῶν τοῦτον τὸν θεὸν ἔχειν διειληφθαι τὴν ἐξουσίαν, καὶ διὰ τὸ δοκεῖν τὸ παλαιὸν τὴν Πελοπόννησον οἰκητήριον γεγενῆσθαι Ποσειδῶνος, καὶ τὴν χώραν ταύτην ὥσπερ ἱερὰν τοῦ Ποσειδῶνος νομίζεσθαι, καὶ τὸ σύνολον πάσας τὰς ἐν Πελοποννήσῳ πόλεις μάλιστα τῶν ἀθανάτων τὸν θεὸν τιμᾶν τοῦτον. [5] πρὸς δὲ τούτοις τὴν Πελοπόννησον κατὰ βάθους ἔχειν μεγάλα κοιλώματα καὶ συστάσεις ὑδάτων ναματιαίων μεγάλας. εἶναι γὰρ ἐν αὐτῇ δύο ποταμοὺς φανεροὺς ρέοντας ὑπὸ γῆν: ὃ τε γὰρ περὶ Φένεον ποταμὸς εἰς τὴν γῆν καταδυόμενος ἐν τοῖς προτέροις χρόνοις ἠφανίζετο, τῶν κατὰ γῆς ἄντρων αὐτὸν ὑποδεχομένων, ὃ τε περὶ τὸ Στύμφηλον εἰς τι χάσμα καταδυόμενος ἐπὶ διακοσίους σταδίους φέρεται κεκρυμμένος κατὰ γῆς καὶ παρὰ τὴν τῶν Ἀργείων πόλιν ἐξίησιν. [6] πρὸς δὲ τοῖς εἰρημένοις λέγουσιν, ὅτι πλὴν τῶν ἀσεβησάντων οὐδεὶς ἄλλος περιέπεσε τῇ συμφορᾷ. καὶ περὶ μὲν τῶν γενομένων σεισμῶν καὶ κατακλυσμῶν ἀρκεσθισόμεθα τοῖς ῥηθεῖσιν. 50.

ἐπ' ἄρχοντος δ' Αθῆνησιν Ἀλκισθένους Ῥωμαῖοι μὲν ἀντὶ τῶν ὑπάτων χιλιάρχους κατέστησαν ὀκτώ, Λεύκιον Ουαλέριον καὶ Πόπλιον, ἔτι δὲ Γάιον Τερέντιον καὶ Λεύκιον Μενήνιον, πρὸς δὲ τούτοις Γάιον Σολπίκιον καὶ Τίτον Παπίριον καὶ Λεύκιον Αἰμίλιον, παρὰ δὲ Ἡλείοις Ὀλυμπιάς ἤχθη δευτέρα πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Δάμων Θούριος. [2] ἐπὶ δὲ τούτων,

Λακεδαιμονίων ἔτι σχεδὸν πεντακόσια τῆς Ἑλλάδος ἔχοντων τὴν ἡγεμονίαν, τὸ θεῖον προεσήμαιεν αὐτοῖς τῆς ἀρχῆς τὴν ἀποβολήν: ὥφθη μὲν γὰρ κατὰ τὸν οὐρανὸν ἐπὶ πολλὰς νύκτας λαμπὰς μεγάλη καομένη, ἀπὸ τοῦ σχήματος ὀνομασθεῖσα πυρίνη δοκίς: μικρὸν δ' ὕστερον ἡττηθέντες οἱ Σπαρτιάται παραδόξως μεγάλη μάχη τὴν ἡγεμονίαν ἀπέβαλον ἀνελπίστως. [3] ἔνιοι δὲ τῶν φυσικῶν τὴν γένεσιν τῆς λαμπάδος εἰς φυσικὰς αἰτίας ἀνέφερον, ἀποφαινόμενοι τὰ τοιαῦτα φαντάσματα κατηναγκασμένως γίνεσθαι χρόνοις ὀρισμένοις, καὶ περὶ τῶν τοιούτων τοὺς τε ἐν Βαβυλῶνι Χαλδαίους καὶ τοὺς ἄλλους ἀστρολόγους ποιουμένους προρρήσεις ἐναργεῖς ἐπιτυγχάνειν: τοὺς δὲ μὴ θαυμάζειν ὅταν γένηται τι τοιοῦτον, ἀλλ' ἐὰν μὴ γένηται, κατὰ τὰς ἰδίας ἐκάστων περιόδους αἰωνίοις κινήσεισι καὶ φοραῖς ὀρισμέναις συντελουμένων. τὴν δ' οὖν λαμπάδα τοσαύτην ἐσχηκέναι λαμπρότητα καὶ δύναμιν τοῦ φωτός, ὥστ' ἐπὶ τῆς γῆς σκιὰς ποιεῖν παραπλησίας τῇ σελήνῃ. [4] κατὰ δὲ τούτους τοὺς χρόνους Ἀρταξέρξης ὁ βασιλεὺς ὀρῶν πάλιν ταραττομένην τὴν Ἑλλάδα πρέσβεις ἀπέστειλε, παρακαλῶν συλλύσασθαι τοὺς ἐμφυλίους πολέμους καὶ συνθέσθαι κοινὴν εἰρήνην κατὰ τὰς ὁμολογίας, ἃς πρότερον ἦσαν πεποιημένοι. τῶν Ἑλλήνων δὲ πάντων ἀσμένως προσδεξαμένων τοὺς λόγους, συνέθεντο κοινὴν εἰρήνην αἱ πόλεις πᾶσαι πλὴν Θηβαίων: Θηβαῖοι γὰρ μόνον, τὴν Βοιωτίαν ὑπὸ μίαν ἄγοντες συντέλειαν, οὐ προσεδέχθησαν ὑπὸ τῶν Ἑλλήνων διὰ τὸ πᾶσιν ἀρέσκειν κατὰ πόλιν γίνεσθαι τοὺς ὅρκους καὶ τὰς σπονδάς. διόπερ ἔκσπονδοι γενηθέντες ὥσπερ καὶ πρότερον, συνεῖχον τὴν Βοιωτίαν ἐν τῇ καθ' αὐτοὺς μιᾷ συντελείᾳ. [5] ἐπὶ δὲ τούτοις οἱ Λακεδαιμόνιοι παροξυνθέντες ἔγνωσαν μεγάλῃ δυνάμει στρατεῦειν ἐπ' αὐτούς, ὥς κοινούς πολεμίους: σφόδρα γὰρ ὑφεωρῶντο τὴν αὔξησιν αὐτῶν, μήποτε τῆς ὅλης Βοιωτίας ἡγούμενοι τὴν ἡγεμονίαν τῆς Σπάρτης καταλύσωσιν, ἐπιλαβόμενοι καιροῦ. ἐν τε γὰρ τοῖς γυμνασίοις συνεχῶς διατρίβοντες εὐρωστοι τοῖς σώμασιν ὑπῆρχον, καὶ φύσει φιλοπόλεμοι καθεστῶτες οὐδενὸς ἔθνους Ἑλληνικοῦ ταῖς ἀνδρείαις ἐλείποντο. [6] εἶχον δὲ καὶ ἡγεμόνας ἐπιφανεῖς ταῖς ἀρεταῖς πολλοὺς μὲν καὶ ἄλλους, μεγίστους δὲ τρεῖς, Ἐπαμεινώνδαν καὶ Γοργίαν, ἔτι δὲ καὶ Πελοπίδαν: ἥ τε πόλις τῶν Θηβαίων διὰ τῆς τῶν προγόνων ἐπιφανείας ἐν τοῖς ἡρωικοῖς χρόνοις φρονήματος ἦν πλήρης καὶ μεγάλων ὠρέγετο πραγμάτων. κατὰ μὲν οὖν τοῦτον τὸν ἐνιαυτὸν οἱ Λακεδαιμόνιοι παρεσκευάζοντο πρὸς τὸν πόλεμον καὶ δυνάμεις κατέλεγον τὰς μὲν πολιτικάς, τὰς δὲ παρὰ τῶν συμμάχων. 51.

ἐπ' ἄρχοντος δ' Αῠθήνησι Φρασικλείδου Ῥωμαῖοι κατέστησαν ἀντὶ τῶν ὑπάτων χιλιάρχους ὀκτώ, Πόπλιον Μάνιον καὶ Γάιον, Ἐρενούκιον καὶ Γάιον Σέστον καὶ Τιβέριον Ἰούλιον, ἔτι δὲ Λεύκιον Λαβίνιον καὶ Πόπλιον Τριβώνιον καὶ Γάιον Μάλλιον, πρὸς δὲ τούτοις Λεύκιον Ἀνθέστιον. ἐπὶ δὲ τούτων οἱ μὲν Θηβαῖοι ἔκσπονδοι γεγονότες ἠναγκάσθησαν ἀναδέξασθαι μόνον τὸν πρὸς Λακεδαιμονίους πόλεμον: οὐδεμιᾷ γὰρ ἐξῆν πόλει συμμαχεῖν διὰ τὸ πάσας συντεθεῖσθαι τὴν κοινὴν εἰρήνην. [2] οἱ δὲ Λακεδαιμόνιοι, μονωθέντων τῶν Θηβαίων, ἔκριναν πολεμεῖν αὐτοῖς καὶ τὰς Θήβας ἐξανδραποδίσασθαι. φανερᾶς δὲ οὐσης τῆς τῶν Λακεδαιμονίων παρασκευῆς, καὶ τῶν Θηβαίων ἐρήμων ὄντων συμμάχων, ἅπαντες

ὑπελάμβανον αὐτοὺς ῥαδίως ὑπὸ τῶν Σπαρτιατῶν καταπολεμηθήσεσθαι. [3] διόπερ οἱ μὲν εὐνοϊκῶς ἔχοντες τῶν Ἑλλήνων πρὸς τοὺς Θηβαίους συνήλγουν αὐτοῖς ἐπὶ ταῖς προσδοκωμέναις συμφοραῖς, οἱ δ' ἄλλοτριῶς ἔχοντες περιχαρεῖς ἦσαν, ὥς αὐτίκα μάλα τῶν Θηβαίων ἐξανδραποδισθησομένων. τέλος δ' οἱ Λακεδαιμόνιοι πολλὴν δύναμιν παρασκευασάμενοι παρέδωκαν αὐτὴν Κλεομβρότῳ τῷ βασιλεῖ, καὶ πρῶτον μὲν προαπέστειλαν πρέσβεις εἰς Θήβας, προστάττοντες ἀπάσας τὰς ἐν τῇ Βοιωτίᾳ πόλεις εἶναι αὐτονόμους, Πλαταιὰς δὲ καὶ Θεσπιάς οἰκίζειν καὶ τὴν χώραν τοῖς πρότερον γεγονόσι κυρίοις ἀποκαταστήσαι. [4] ἀποκριναμένων δὲ τῶν Θηβαίων, ὥς οὐτ' αὐτοὶ πολυπραγμονοῦσιν οὐδὲν τῶν κατὰ τὴν Λακωνικὴν οὐτ' ἐκείνοις ἄπτεσθαι προσήκει τῶν τῆς Βοιωτίας· γενομένων δὲ τοιούτων τῶν ἀποκρίσεων οἱ Λακεδαιμόνιοι τὸν Κλεομβρότον εὐθὺς ἐξέπεμψαν μετὰ τῆς δυνάμεως ἐπὶ τὰς Θήβας· οἱ δὲ τῶν Λακεδαιμονίων σύμμαχοι προθύμως εἶχον εἰς τὸν πόλεμον, ἐλπίζοντες μὴτ' ἀγῶνα μῆτε μάχην ἔσεσθαι, ἀλλ' ἄκοντι τῶν Βοιωτῶν κρατήσιν. 52. οὗτοι μὲν οὖν προάγοντες ὥς ἦκον εἰς Κορώνειαν, κατεστρατοπέδευσαν καὶ τοὺς καθυστεροῦντας τῶν συμμάχων ἀνέμενον. οἱ δὲ Θηβαῖοι διὰ τὴν παρουσίαν τῶν πολεμίων ἐψηφίσαντο τέκνα μὲν καὶ γυναῖκας εἰς Ἀθήνας ὑπεκθέσθαι, αὐτοὶ δ' Ἐπαμεινώνδαν στρατηγὸν ἐλόμενοι τούτῳ τὰ κατὰ τὸν πόλεμον ἐπέτρεψαν, συμπαρόντων αὐτῷ βοιωταρχῶν ἔξ. [2] ὁ δ' Ἐπαμεινώνδας πανδημεῖ τοὺς Θηβαίους τοὺς ἐν ἡλικίᾳ στρατιᾶς ὄντας καταλέξας εἰς τὴν μάχην καὶ τῶν ἄλλων Βοιωτῶν τοὺς εὐθέτους, προῆγε τὴν δύναμιν ἐκ τῶν Θηβῶν, ἔχων τοὺς σύμπαντας οὐ πλείους τῶν ἐξακισχιλίων. [3] κατὰ δὲ τὴν τῆς πόλεως ἔξοδον τῶν στρατιωτῶν πολλοῖς ἔδοξε δυσχερῇ σημεῖα φανῆναι τῷ στρατοπέδῳ. περὶ γὰρ τὰς πύλας ἀπήντησε τοῖς περὶ τὸν Ἐπαμεινώνδαν κηρυξ τυφλός, ὃς ἀνδράποδ' ἀποδεδρακότα, ἀνακομίζων, καὶ καθάπερ ἦν εἰθισμένον, ἀνηγόρευε κηρύττων μὴτ' ἐξάγειν Θήβηθεν μὴτ' ἀφανίζειν, ἀλλ' ἀπάγοντα πάλιν ἀνασώζειν. [4] οἱ μὲν οὖν πρεσβύτεροι τῶν ἀκουόντων τοῦ κήρυκος οἰωνὸν ἐποιοῦντο τοῦ μέλλοντος, οἱ δὲ νεώτεροι ἡσυχίαν εἶχον, ἵνα μὴ δόξωσι διὰ δειλίαν ἀποτρέπειν τὸν Ἐπαμεινώνδαν τῆς στρατείας. ὁ δ' Ἐπαμεινώνδας πρὸς τοὺς λέγοντας προσέχειν δεῖν τοῖς οἰωνοῖς εἶπεν” εἷς οἰωνὸς ἄριστος ἀμύνεσθαι περὶ πάτρης.

“Hom. II. 12.243 [5] ταύτη δὲ τῇ παρρησίᾳ καταπληξαμένου τοῦ Ἐπαμεινώνδου τοὺς εὐλαβῶς ἔχοντας, ἕτερος οἰωνὸς ἐφάνη δυσχερέστερος τοῦ προτέρου. ὁ γὰρ γραμματεὺς προῆγεν ἔχων δόρυ καὶ ταινίαν ἐπ' αὐτῷ, καὶ προεσήμαινε τὸ παραγγελλόμενον ὑπὸ τῶν ἡγεμόνων· πνεύματος δὲ γενομένου συνέβη τὴν ταινίαν ἀποσπασθεῖσαν περιαμπίσχεσθαι περὶ τινὰ στήλην ἐφεστῶσαν τάφῳ· ἦσαν δὲ ἐν τῷ τόπῳ τούτῳ τεθαμμένοι τινὲς Λακεδαιμόνιοι καὶ Πελοποννήσιοι, οἱ μετ' Ἀγησιλάου στρατεύσαντες ἐτελεύτησαν. [6] τῶν δὲ πρεσβυτέρων τινὲς πάλιν ἐντυχόντες διεμαρτύραντο μὴ προάγειν τὴν δύναμιν, φανερώς τῶν θεῶν κωλόντων, ὁ δ' οὐδὲν αὐτοῖς ἀποκριθεὶς προῆγε τὸ στρατόπεδον, ἡγούμενος τὸν ὑπὲρ τῶν καλῶν λογισμὸν καὶ τὴν ὑπὲρ τῶν δικαίων μνήμην αἰρετωτέραν εἶναι τῶν παρόντων σημείων. [7] ὁ μὲν οὖν Ἐπαμεινώνδας πεφίλοσοφικῶς καὶ τοῖς ἐν παιδείᾳ λογισμοῖς

ἐμφρόνως χρησάμενος παραντίκα μὲν ὑπὸ πολλῶν μέμψεως ἔτυχεν, ὕστερον δὲ διὰ τῶν κατορθωμάτων δόξας στρατηγικῇ συνέσει διαφέρειν μεγίστων ἀγαθῶν αἴτιος ἐγένετο τῇ πατρίδι. εὐθὺς γὰρ προαγαγὼν τὴν δύναμιν, καὶ προκαταλαβόμενος τὰ περὶ τὴν Κορώνειαν στενά, κατεστρατοπέδευσε. 53.

ὁ δὲ Κλεόμβροτος πυθόμενος τοὺς πολεμίους προκατειληφέναι τὰς παρόδους, τὸ μὲν ταύτῃ ποιεῖσθαι τὴν διέξοδον ἀπέγνω, πορευθεὶς δὲ διὰ τῆς Φωκίδος, καὶ διεξελθὼν τὴν παραθαλαττίαν ὁδὸν χαλεπὴν οὖσαν, ἐνέβαλεν εἰς τὴν Βοιωτίαν ἀκινδύνως: ἐν παρόδῳ δὲ τινα τῶν πολισματίων χειρωσάμενος δέκα τριήρων ἐγκρατὴς ἐγένετο. [2] μετὰ δὲ ταῦτα καταντήσας εἰς τὰ καλούμενα Λεῦκτρα κατεστρατοπέδευσε καὶ τοὺς στρατιώτας ἐκ τῆς ὁδοιπορίας ἀνελάμβανεν. οἱ δὲ Βοιωτοὶ προάγοντες ἐπὶ τοὺς πολεμίους, ὥς ἤγγισαν αὐτοῖς καὶ λόφους τινὰς ὑπερβαλόντες ἄφνω κατενόησαν τοὺς Λακεδαιμονίους ἐπέχοντας ἅπαν τὸ Λευκτρικὸν πεδίων, κατεπλάγησαν ἰδόντες τὸ μέγεθος τῆς δυνάμεως. [3] συνεδρευσάντων δὲ τῶν βοιωταρχῶν καὶ βουλευομένων, πότερον χρὴ μένειν καὶ πρὸς πολλαπλασίονα δύναμιν διαγωνίζεσθαι ἢ τὴν ἀναχώρησιν ποιησάμενοι ἐν τόποις ὑπερδεξίοις συστήσονται τὴν μάχην, ἔτυχον αἱ γνώμαι τῶν ἡγεμόνων ἴσαι γενόμεναι. ἔξ γὰρ ὄντων βοιωταρχῶν τρεῖς μὲν ὦντο δεῖν ἀπάγειν τὴν δύναμιν, τρεῖς δὲ μένειν καὶ διαγωνίζεσθαι, ἐν οἷς ἦν καὶ ὁ Ἐπαμεινώνδας συνεξαριθμούμενος. ἀπορίας δ' οὐσης μεγάλης καὶ δυσκρίτου τῶν βοιωταρχῶν ὁ ἔβδομος ἦκεν, ὃν πείσας Ἐπαμεινώνδας ὁμόψηφον ἑαυτῷ γενέσθαι προετέρησε τῇ γνώμῃ. ὁ μὲν οὖν ὑπὲρ τῶν ὅλων ἀγὼν τοῦτον τὸν τρόπον ἐκυρώθη. [4] ὁ δ' Ἐπαμεινώνδας ὁρῶν τοὺς στρατιώτας δεισιδαιμονοῦντας ἐπὶ τοῖς γεγονόσι σημείοις, ἐφιλοτιμεῖτο διὰ τῆς ἰδίας ἐπινοίας καὶ στρατηγίας μεταθεῖναι τὰς τοῦ πλήθους εὐλαβείας. διόπερ τινῶν προσφάτως παραγεγονότων ἐκ Θηβῶν ἔπεισεν εἰπεῖν, ὅτι τὰ κατὰ τὸν νεὼν τοῦ Ἡρακλέους ὅπλα παραδόξως ἀφανῇ γέγονε καὶ λόγος ἐν ταῖς Θήβαις διαδέδοται ὥς τῶν ἡρώων τῶν ἀρχαίων ἀνειληφόντων αὐτὰ καὶ βοηθεῖν τοῖς Βοιωτοῖς ἀπεληλυθόντων. ἄλλον δὲ κατέστησεν ὥς ἀπὸ Τροφωνίου προσφάτως ἀναβεβηκότα καὶ λέγοντα, διότι προστέταχεν ὁ θεὸς αὐτοῖς, ὅταν ἐν Λεῦκτροις νικήσωσιν, ἀγῶνα τιθέναι Διὶ βασιλεῖ στεφανίτην: ἀφ' οὗ δὴ Βοιωτοὶ ταύτην ποιοῦσι τὴν πανήγυριν ἐν Λεβαδεῖα. 54.

συνήργησε δὲ πρὸς ταύτην τὴν ἐπίνοιαν Λεανδρίας ὁ Σπαρτιάτης, πεφευγὼς μὲν ἐκ Λακεδαιμόνος, τότε δὲ συστρατεύων Θηβαίοις. οὗτος γὰρ ἐν ἐκκλησίᾳ προαχθεὶς ἀπεφήνατο παλαιὸν εἶναι λόγιον τοῖς Σπαρτιάταις, ὅτι τότε τὴν ἡγεμονίαν ἀποβαλοῦσιν, ὅταν ἐν Λεῦκτροις ὑπὸ Θηβαίων ἡττηθῶσιν. [2] προσῆλθον δὲ τῷ Ἐπαμεινώνδᾳ καὶ χρησμολόγοι τινὲς ἐγχώριοι, λέγοντες ὅτι περὶ τὸν τάφον τῶν Λεῦκτρον καὶ Σκεδάσου θυγατέρων μεγάλη συμφορὰ δεῖ περιπεσεῖν Λακεδαιμονίους διὰ τοιαύτας αἰτίας. [3] Λεῦκτρος ἦν, ἀφ' οὗ τὸ πεδίων τοῦτο ἔσχε τὴν προσηγορίαν. τούτου θυγατέρας καὶ Σκεδάσου τινὸς ὁμοίως κόρας πρέσβεις Λακεδαιμονίων ἐβιάσαντο: αἱ δὲ ὕβρισθεῖσαι τὴν συμφορὰν οὐκ ἐνέγκασαι, τῇ πατρίδι τῇ πεμψάσῃ τοὺς ὕβριστὰς καταρασάμεναι τὸν βίον αὐτοχειρίᾳ κατέστρεψαν. [4] πολλῶν δὲ καὶ ἄλλων τοιούτων λεγομένων, καὶ τοῦ Ἐπαμεινώνδου

συναγαγόντος ἐκκλησίαν καὶ τοὺς στρατιώτας τοῖς οἰκείοις λόγοις προτρεψαμένου πρὸς τὸν ἀγῶνα, πάντες μετέθεντο τὰς γνώμας, καὶ τῆς μὲν δεισιδαιμονίας ἀπελύθησαν, πρὸς δὲ τὴν μάχην εὐθαρσεῖς ταῖς ψυχαῖς κατέστησαν. [5] ἤλθε δὲ καὶ συμμαχία κατὰ τοῦτον τὸν καιρὸν τοῖς Θηβαίοις παρὰ Θετταλῶν, πεζοὶ μὲν χίλιοι καὶ πεντακόσιοι, ἵππεῖς δὲ πεντακόσιοι, ὧν ἡγεῖτο Ἰάσων. οὗτος δ' ἔπεισε τοὺς τε Βοιωτοὺς καὶ τοὺς Λακεδαιμονίους ἀνοχὰς ποιήσασθαι καὶ τὰ παράλογα τῆς τύχης εὐλαβηθῆναι. [6] γενομένων δὲ τῶν σπονδῶν Κλεόμβροτος ἀνέξενε μετὰ τῆς δυνάμεως ἐκ τῆς Βοιωτίας, καὶ ἀπήντησεν αὐτῷ ἄλλη δύναμις μεγάλη Λακεδαιμονίων καὶ τῶν συμμάχων, ἡγουμένου Ἀρχιδάμου τοῦ Ἀγησιλάου. οἱ γὰρ Σπαρτιάται θεωροῦντες τὴν ἐτοιμότητα τῶν Βοιωτῶν, καὶ τὸ θράσος καὶ τὴν ἀπόνοιαν εὐλαβούμενοι, τὴν δευτέραν ἀπεστάλκεισαν δύναμιν, ἵνα τῷ πλήθει τῶν ἀγωνιζομένων περιγένηνται τῆς τῶν πολεμίων τόλμης. [7] συνελθουσῶν δ' εἰς ταῦτ' οὗτον τῶν δυνάμεων αἰσχροὺς εἶναι ὑπέλαβον οἱ Λακεδαιμόνιοι δεδιέναι τὰς τῶν Βοιωτῶν ἀρετάς. διόπερ τὰς σπονδὰς παρ' οὐδὲν ἡγησάμενοι μετὰ πολλῆς προθυμίας ἀνέκαμψαν εἰς Λεῦκτρα. ἐτοίμων δ' ὄντων καὶ τῶν Βοιωτῶν πρὸς τὴν μάχην, ἐξέταττον ἀμφοτέρωτεροι τὰς δυνάμεις. 55.

καὶ παρὰ μὲν τοῖς Λακεδαιμονίοις οἱ ἀφ' Ἡρακλέους γεγονότες ἡγεμόνες ἐτάχθησαν ἐπὶ τῶν κεράτων, Κλεόμβροτός τε ὁ βασιλεὺς καὶ Ἀρχίδαμος ὁ Ἀγησιλάου τοῦ βασιλέως υἱός, παρὰ δὲ τοῖς Βοιωτοῖς Ἐπαμεινώνδας ἰδίᾳ τινὶ καὶ περιττῇ τάξει χρησάμενος διὰ τῆς ἰδίας στρατηγίας περιεποιήσατο τὴν περιβόητον νίκην. [2] ἐκλεξάμενος γὰρ ἐξ ἀπάσης τῆς δυνάμεως τοὺς ἀρίστους ἐπὶ τὸ ἕτερον μέρος ἔστησε, μεθ' ὧν καὶ αὐτὸς ἔμελλε διαγωνίζεσθαι: τοὺς δ' ἀσθενεστάτους ἐπὶ τὸ ἕτερον κέρας τάξας παρήγγειλεν αὐτοῖς φυγομαχεῖν καὶ κατὰ τὴν ἑφοδὸν τῶν πολεμίων ἐκ τοῦ κατ' ὀλίγον ὑποχωρεῖν. διὸ καὶ λοξὴν ποιήσας τὴν φάλαγγα, τῷ τοὺς ἐπιλέκτους ἔχοντι κέρατι ἔγνω κρίνειν τὴν μάχην. [3] ὥς δ' αἱ τε σάλπιγγες ἐσήμαινον παρ' ἀμφοτέροις τὸ πολεμικὸν καὶ κατὰ τὴν πρώτην ὁρμὴν συνηλάλαξαν αἱ δυνάμεις, οἱ μὲν Λακεδαιμόνιοι τοῖς κέρασιν ἀμφοτέροις ἐπῆγον μνηοειδὲς τὸ σχῆμα τῆς φάλαγγος πεποιηκότας, οἱ δὲ Βοιωτοὶ τῷ μὲν ἐτέρῳ κέρατι ὑπεχώρουν, τῷ δὲ ἐτέρῳ δρόμῳ συνῆπτον τοῖς πολεμίοις. [4] ὥς δὲ συνῆψαν ἀλλήλοις εἰς χεῖρας, τὸ μὲν πρῶτον ἐκθύμως ἀμφοτέρων ἀγωνιζομένων ἰσόρροπος ἦν ἡ μάχη, μετὰ δὲ ταῦτα τῶν περὶ τὸν Ἐπαμεινώνδαν διὰ τε τὴν ἀρετὴν καὶ τὴν πυκνότητα τῆς τάξεως πλεονεκτούντων πολλοὶ τῶν Πελοποννησίων ἀνηροῦντο. οὐ γὰρ ὑπέμενον ὑπενέγκαι τὸ βάρος τῆς τῶν ἐπιλέκτων ἀνδραγαθίας, ἀλλὰ τῶν ἀντιστάντων οἱ μὲν ἐπιπτον, οἱ δὲ κατετραυματίζοντο, πάσας τὰς πληγὰς ἐναντίας λαμβάνοντες. [5] ἕως μὲν οὖν ὁ βασιλεὺς τῶν Λακεδαιμονίων Κλεόμβροτος ἔζη, πολλοὺς ἔχων τοὺς συνασπίζοντας καὶ προθύμως πρὸ αὐτοῦ ἀποθνήσκοντας, ἄδηλος ἦν ἡ ῥοπὴ τῆς νίκης: ἐπεὶ δ' οὗτος πάντα κίνδυνον ὑπομένων οὐκ ἠδύνατο βιάσασθαι τοὺς ἀνθεστηκότας, ἥρωικῶς δὲ μαχόμενος καὶ πολλοῖς τραύμασι περιπεσὼν ἐτελεύτησε, τότε συνδρομῆς γενομένης περὶ τοῦ πτώματος νεκρῶν πλῆθος ἐσωρεύθη. 56. ἀναρχίας δὲ γενομένης περὶ τὸ κέρας, οἱ μὲν περὶ τὸν Ἐπαμεινώνδαν βαρεῖς ἐγκείμενοι τοῖς Λακεδαιμονίοις τὸ μὲν πρῶτον τῇ βίᾳ βραχὺ προέωσαν ἐκ τῆς τάξεως τοὺς πολεμίους, οἱ δὲ

Λακεδαιμόνιοι περὶ τοῦ βασιλέως ἀγωνισάμενοι λαμπρῶς τοῦ μὲν σώματος ἐγκρατεῖς ἐγένοντο, τῆς δὲ νίκης οὐκ ἴσχυσαν ἐφικέσθαι. [2] καὶ τῶν γὰρ ἐπιλέκτων ὑπερβαλλομένων ταῖς ἀνδραγαθίαις, καὶ τῆς ἀρετῆς καὶ παρακλήσεως Ἐπαμεινώνδου πολλὰ συμβαλλομένης, μόγις ἐβιάσθησαν οἱ Λακεδαιμόνιοι: τὸ μὲν πρῶτον ἀναχωροῦντες τὴν τάξιν οὐ διέλυον, τὸ δὲ τελευταῖον πολλῶν ἀναιρουμένων, τοῦ δὲ παραγγέλλοντος ἡγεμόνος τετελευτηκότος, ἐγένετο παντελὴς τροπὴ τοῦ στρατοπέδου. [3] οἱ δὲ περὶ τὸν Ἐπαμεινώνδαν ἐπικείμενοι τοῖς φεύγουσι καὶ πολλοὺς τῶν ἐναντίων κατακόψαντες ἀπηνέγκαντο νίκην ἐπιφανεστάτην. συμβαλόντες γὰρ τοῖς ἀρίστοις τῶν Ἑλλήνων, καὶ τοῖς ὀλίγοις τῶν πολλαπλασίων παραδόξως περιγενόμενοι, μεγάλην δόξαν ἐπ' ἀνδρεία κατεκτήσαντο. μεγίστων δ' ἐπαίνων ὁ στρατηγὸς Ἐπαμεινώνδας ἡξιώθη, διὰ τῆς ἰδίας ἀνδρείας μάλιστα καὶ στρατηγικῆς συνέσεως τοὺς ἀνικήτους ἡγεμόνας τῆς Ἑλλάδος κατηγωνισμένος. [4] ἔπεσον δ' ἐν τῇ μάχῃ τῶν Λακεδαιμονίων οὐκ ἐλάττους τῶν τετρακισχιλίων, τῶν δὲ Βοιωτῶν περὶ τριακοσίους. μετὰ δὲ ταῦτα περὶ τῆς τῶν νεκρῶν ἀναιρέσεως καὶ τῆς εἰς Πελοπόννησον ἀπαλλαγῆς τῶν Λακεδαιμονίων σπονδὰς ἐποιήσαντο. καὶ τὰ μὲν περὶ τὴν ἐν Λεύκτροις μάχην συμβάντα τοιοῦτον ἔσχε τέλος. 57.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχε Δυσνίκητος, ἐν Ῥώμῃ δὲ ἀντὶ τῶν ὑπάτων χιλίαρχοι κατεστάθησαν τέτταρες, Κόιντος Σερουίλιος καὶ Λεύκιος Φούριος, ἔτι δὲ Γάιος Λικίνιος καὶ Πόπλιος Κοίλιος. ἐπὶ δὲ τούτων Θηβαῖοι μεγάλῃ δυνάμει στρατεύσαντες ἐπ' Ὀρχομενὸν ἐπεβάλοντο μὲν ἐξανδραποδίσασθαι τὴν πόλιν, Ἐπαμεινώνδου δὲ συμβουλευσάντος ὅτι τὰ διὰ τῆς ἀνδρείας κατεργασθέντα τῇ φιланθρωπίᾳ δεῖ διαφυλάττειν τοὺς τῆς τῶν Ἑλλήνων ἡγεμονίας ὀρεγομένους, μετέγνωσαν. διόπερ τοὺς μὲν Ὀρχομενίους εἰς τὴν τῶν συμμάχων χώραν κατέταξαν, μετὰ δὲ ταῦτα Φωκεῖς καὶ Αἰτωλοὺς καὶ Λοκροὺς φίλους ποιησάμενοι τὴν εἰς Βοιωτίαν ἐπάνοδον ἐποιήσαντο. [2] Ἰάσων δὲ ὁ Φερῶν τύραννος αἰεὶ μᾶλλον αὐξόμενος ἐστράτευσεν εἰς τὴν Λοκρίδα, καὶ τὴν μὲν Ἡράκλειαν τὴν ἐν Τραχινίᾳ διὰ προδοσίας ἐλὼν ἀνάστατον ἐποίησε, καὶ τὴν χώραν Οἰταίοις καὶ Μηλιεῦσιν ἐδωρήσατο: μετὰ δὲ ταῦτα ἐπὶ τὴν Περραιβίαν ἀναζεῦξας τῶν πόλεων τὰς μὲν λόγοις φιλανθρώποις προσηγάγετο, τὰς δὲ διὰ τῆς βίας ἐχειρώσατο. ταχὺ δὲ τῆς δυναστείας αὐτοῦ στερεομένης, οἱ τὴν Θετταλίαν οἰκοῦντες ὑφεωρῶντο τὴν αὖξιν αὐτοῦ καὶ τὴν πλεονεξίαν. [3]

ἄμα δὲ τούτοις πραττομένοις ἐν τῇ πόλει τῶν Ἀργείων ἐγένετο στάσις καὶ φόνος τοσοῦτος, ὅσος παρ' ἑτέροις τῶν Ἑλλήνων οὐδέποτε γεγονέναι μνημονεύεται. ἐκλήθη δὲ ὁ νεωτερισμὸς οὗτος παρὰ τοῖς Ἑλλήσι σκυταλισμός, διὰ τὸν τρόπον τοῦ θανάτου ταύτης τυχὼν τῆς προσηγορίας. 58. ἢ δ' οὖν στάσις ἐγένετο διὰ τοιαύτας αἰτίας. τῆς πόλεως τῶν Ἀργείων δημοκρατουμένης καὶ τινων δημαγωγῶν παροξυνόντων τὸ πλῆθος κατὰ τῶν ταῖς ἐξουσίαις καὶ δόξαις ὑπερεχόντων, οἱ διαβαλλόμενοι συστάντες ἔγνωσαν καταλῦσαι τὸν δῆμον. [2] βασανισθέντων δὲ τινων ἐκ τῶν συνεργεῖν δοκούντων, οἱ μὲν ἄλλοι φοβηθέντες τὴν ἐκ τῶν βασάνων τιμωρίαν ἑαυτοὺς ἐκ τοῦ ζῆν μετέστησαν, ἐνὸς δ' ἐν ταῖς βασάνοις ὁμολογήσαντος καὶ πίστιν

λαβόντος, ὁ μὲν μηνυτὴς τριάκοντα τῶν ἐπιφανεστάτων κατηγορήσεν, ὁ δὲ δῆμος οὐκ ἐλέγξας ἀκριβῶς ἅπαντας τοὺς διαβληθέντας ἀπέκτεινε καὶ τὰς οὐσίας αὐτῶν ἐδήμευσεν. [3] πολλῶν δὲ καὶ ἄλλων ἐν ὑποψίαις ὄντων, καὶ τῶν δημαγωγῶν ψευδέσι διαβολαῖς συνηγορούντων, ἐπὶ τοσοῦτον ἐξηγγιώθη τὸ πλῆθος, ὥστε πάντων τῶν κατηγορουμένων, ὄντων πολλῶν καὶ μεγαλοπλούτων, καταγνῶναι θάνατον. ἀναιρεθέντων δὲ τῶν δυνατῶν ἀνδρῶν πλείονων ἢ χιλίων καὶ διακοσίων, καὶ τῶν δημαγωγῶν αὐτῶν ὁ δῆμος οὐκ ἐφείσατο. [4] διὰ γὰρ τὸ μέγεθος τῆς συμφορᾶς οἱ μὲν δημαγωγοὶ φοβηθέντες μὴ τι παράλογον αὐτοῖς ἀπαντήσῃ, τῆς κατηγορίας ἀπέστησαν, οἱ δ' ὅχλοι δόξαντες ὑπ' αὐτῶν ἐγκαταλελειφθαι, καὶ διὰ τοῦτο παροξυνθέντες, ἅπαντας τοὺς δημαγωγοὺς ἀπέκτειναν. οὗτοι μὲν οὖν, ὥσπερ εἰς τινος νεμεσήσαντος δαιμονίου, τῆς ἀρμοζούσης τιμωρίας ἔτυχον, ὁ δὲ δῆμος παυσάμενος τῆς λύττης εἰς τὴν προϋπάρχουσαν ἔννοιαν ἀποκατέστη. 59.

περὶ δὲ τοὺς αὐτοὺς χρόνους Λυκομήδης ὁ Τεγεάτης ἔπεισε τοὺς Ἀρκάδας εἰς μίαν συντέλειαν ταχθῆναι καὶ κοινὴν ἔχειν σύνοδον συνεστῶσαν ἐξ ἀνδρῶν μυρίων, καὶ τούτους ἐξουσίαν ἔχειν περὶ πολέμου καὶ εἰρήνης βουλευέσθαι. [2] γενομένης δὲ στάσεως μεγάλης παρὰ τοῖς Ἀρκάσι, καὶ διὰ τῶν ὅπλων διακριθέντων τῶν διαφερομένων, πολλοὶ μὲν ἀνῆρέθησαν, πλείους δὲ τῶν χιλίων καὶ τετρακοσίων ἔφυγον, οἱ μὲν εἰς τὴν Σπάρτην, οἱ δ' εἰς τὸ Παλλάντιον. [3] οὗτοι μὲν οὖν ἐκδοθέντες ὑπὸ τῶν Παλλαντίων, ὑπὸ τῶν νενικηκότων ἐσφαγιάσθησαν: οἱ δ' εἰς τὴν Σπάρτην φυγόντες ἔπεισαν τοὺς Λακεδαιμονίους εἰς τὴν Ἀρκαδίαν στρατεῦσαι. [4] διόπερ Ἀγησίλαος ὁ βασιλεὺς μετὰ δυνάμεως καὶ τῶν φυγάδων ἐνέβαλεν εἰς τὴν τῶν Τεγεατῶν χώραν διὰ τὸ δοκεῖν τούτους τῆς στάσεως καὶ τῆς φυγῆς αἰτίους γεγονέναι. πορθήσας δὲ τὴν χώραν καὶ τῇ πόλει προσβολὰς ποιησάμενος κατεπλήξατο τῶν Ἀρκάδων τοὺς ἐναντιοπραγοῦντας. 60.

ἄμα δὲ τούτοις πραττομένοις Ἰάσων ὁ Φερῶν τύραννος, συνέσει τε στρατηγικῇ διαφέρων καὶ πολλοὺς τῶν περιοίκων εἰς συμμαχίαν προηγμένους, ἔπεισε τοὺς Θετταλοὺς ἀντιποιεῖσθαι τῆς τῶν Ἑλλήνων ἡγεμονίας: ταύτην γὰρ ὥσπερ ἔπαθλον ἀρετῆς προκεῖσθαι τοῖς δυναμένοις αὐτῆς ἀμφισβητῆσαι. [2] Λακεδαιμονίους γὰρ συνέβαινε περὶ Λεῦκτρα μεγάλῃ συμφορᾷ περιπεπτωκέναι, Ἀθηναίους δὲ μόνον τῆς κατὰ θάλατταν ἀρχῆς ἀντέχεσθαι, Θηβαίους δὲ τῶν πρωτείων ἀξίους μὴ εἶναι, Ἀργεῖους δὲ διὰ στάσεις καὶ φόνους ἐμφυλίους τεταπεινωθῆναι. διόπερ οἱ Θετταλοὶ προστησάμενοι τῶν ὅλων ἡγεμόνα Ἰάσωνα, τούτῳ τὰ κατὰ τὸν πόλεμον ἐπέτρεψαν. ὁ δὲ Ἰάσων παραλαβὼν τὴν ἡγεμονίαν τῶν τε πλησίον ἐθνῶν τινα προσηγάγετο καὶ πρὸς Ἀμύνταν τὸν τῶν Μακεδόνων βασιλέα συμμαχίαν ἐποιήσατο. [3]

ἴδιον δὲ τι συνέβη κατὰ τοῦτον τὸν ἐνιαυτόν: τῶν γὰρ ἐν δυναστείαις ὄντων τρεῖς ἐτελεύτησαν περὶ τὸν αὐτὸν καιρόν. Ἀμύντας μὲν ὁ Ἀρριδαίου βασιλεὺς τῆς Μακεδονίας ἐτελεύτησεν ἄρξας ἔτη εἴκοσι καὶ τέτταρα, υἱοὺς ἀπολιπὼν τρεῖς, Ἀλέξανδρον καὶ Περδίκκαν καὶ Φίλιππον: διεδέξατο δὲ τὴν βασιλείαν ὁ υἱὸς Ἀλέξανδρος καὶ ἥρξεν ἐνιαυτόν. [4] ὁμοίως δὲ καὶ Ἀγησίπολις ὁ τῶν Λακεδαιμονίων βασιλεὺς μετέλλαξεν ἄρξας ἐνιαυτόν, τὴν δὲ ἀρχὴν διαδεξάμενος Κλεομένης ὁ ἀδελφὸς ἐβασίλευσεν ἔτη τριάκοντα καὶ

τέτταρα. [5] τρίτος δὲ Ἰάσων ὁ Φεραῖος ἡγεμὼν ἡρημένος τῆς Θετταλίας, καὶ δοκῶν ἐπιεικῶς ἄρχειν τῶν ὑποτεταγμένων, ἐδολοφονήθη, ὥς μὲν Ἐφορος γέγραφε, ὑπὸ τινων ἐπτά νεανίσκων συνομοσαμένων δόξης ἔνεκα, ὥς δ' ἔνιοι γράφουσιν, ὑπὸ Πολυδώρου τάδελφου. οὗτος δὲ καὶ αὐτὸς διαδεξάμενος τὴν δυναστείαν ἤρξεν ἐνιαυτόν. [6] Δοῦρις δ' ὁ Σάμιος ὁ ιστοριογράφος τῆς τῶν Ἑλληνικῶν ἱστορίας ἐντεῦθεν ἐποιήσατο τὴν ἀρχήν. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 61.

ἐπ' ἄρχοντος δ' Ἀθήνησι Λυσιστράτου παρὰ Ῥωμαίοις ἐγένετο στάσις, τῶν μὲν οἰομένων δεῖν ὑπάτους, τῶν δὲ χιλιάρχους αἰρεῖσθαι. ἐπὶ μὲν οὖν τινα χρόνον ἀναρχία τὴν στάσιν ὑπέλαβε, μετὰ δὲ ταῦτα ἔδοξε χιλιάρχους αἰρεῖσθαι ἕξ· καὶ κατεστάθησαν Λεύκιος Αἰμίλιος καὶ Γάιος Οὐεργίνιος καὶ Σερούιος Σουλπίκιος, πρὸς δὲ τούτοις Λεύκιος Κοῖντιος καὶ Γάιος Κορνήλιος, ἔτι δὲ Γάιος Οὐαλέριος. [2] ἐπὶ δὲ τούτων Πολύδωρος ὁ Φεραῖος ὁ τῶν Θετταλῶν ἄρξας ὑπὸ Ἀλεξάνδρου τοῦ ἀδελφιδοῦ ἀνηρέθη φαρμάκῳ, προκληθεὶς εἰς μέθην· τὴν δὲ δυναστείαν διαδεξάμενος Ἀλέξανδρος ὁ ἀδελφιδοῦς ἤρξεν ἑτὶ ἑνδεκα. οὗτος δὲ παρανόμως καὶ βιαίως κτησάμενος τὴν δυναστείαν, ἀκολούθως ταύτῃ τῇ προαιρέσει διώκει τὰ κατὰ τὴν ἀρχήν. τῶν γὰρ πρὸ αὐτοῦ δυναστῶν ἐπιεικῶς προσφερομένων τοῖς πλήθεσι, καὶ διὰ τοῦτ' ἀγαπωμένων, οὗτος βιαίως καὶ χαλεπῶς ἄρχων ἐμισεῖτο. [3] διὸ καὶ τὴν παρανομίαν φοβηθέντες τῶν Λαρισσαίων τινές, οἱ δι' εὐγένειαν Ἀλευάδαι προσαγορευόμενοι, συνέθεντο πρὸς ἀλλήλους καταλῦσαι τὴν δυναστείαν. ἀπελθόντες δ' ἐκ Λαρίσσης εἰς Μακεδονίαν ἔπεισαν Ἀλέξανδρον τὸν βασιλέα συγκαταλῦσαι τὸν τύραννον. [4] τούτων δὲ περὶ ταῦτα διατριβόντων, ὁ Φεραῖος Ἀλέξανδρος πυθόμενος τὴν καθ' ἑαυτοῦ παρασκευήν, κατέλεγε τοὺς εἰς τὴν στρατείαν εὐθέτους, διανοούμενος ἐν τῇ Μακεδονίᾳ συστήσασθαι τὴν μάχην. ὁ δὲ τῶν Μακεδόνων βασιλεὺς, ἔχων μεθ' ἑαυτοῦ τοὺς ἐκ Λαρίσσης φυγάδας, φθάσας τοὺς πολεμίους ἤκε μετὰ τῆς δυνάμεως εἰς τὴν Λάρισσαν· παρεισαχθεὶς δ' ὑπὸ τῶν Λαρισσαίων ἐντὸς τοῦ τείχους ἐκράτησε τῆς πόλεως πλὴν τῆς ἄκρας. [5] μετὰ δὲ ταῦτα τὴν τε ἄκραν ἐξεπολιόρκησε καὶ Κραννῶνα πόλιν προσαγαγόμενος ὡμολόγησε μὲν τοῖς Θετταλοῖς ἀποδώσειν τὰς πόλεις, καταφρονήσας δὲ τῆς δόξης, καὶ φρουρὰς ἀξιολόγους εἰσαγαγών, αὐτὸς κατεῖχε τὰς πόλεις. ὁ δὲ Φεραῖος Ἀλέξανδρος καταδιωχθεὶς ἅμα καὶ καταπλαγείς ἐπανήλθεν εἰς τὰς Φεράς. καὶ τὰ μὲν κατὰ τὴν Θετταλίαν ἐν τούτοις ἦν. 62.

κατὰ δὲ τὴν Πελοπόννησον Λακεδαιμόνιοι μὲν Πολύτροπον στρατηγὸν ἐξέπεμψαν εἰς τὴν Ἀρκαδίαν, ἔχοντα πολιτικούς μὲν ὀπλίτας χιλίους, φυγάδας δ' Ἀργείων καὶ Βοιωτῶν πεντακοσίους. οὗτος δὲ παρελθὼν εἰς Ὀρχομενὸν τὸν Ἀρκαδικὸν παρεφύλαττε τὴν πόλιν ταύτην, οἰκείως διακειμένην πρὸς τοὺς Σπαρτιάτας. [2] Λυκομήδης δ' ὁ Μαντινεὺς, στρατηγὸς ὢν τῶν Ἀρκάδων, παραλαβὼν τοὺς καλουμένους ἐπιλέκτους, ὄντας πεντακισχιλίους, ἤκεν ἐπὶ τὸν Ὀρχομενόν. προαγαγόντων δὲ τὴν δύναμιν Λακεδαιμονίων ἐκ τῆς πόλεως ἐγένετο μάχη καρτερά, καθ' ἣν ὁ τε στρατηγὸς τῶν Λακεδαιμονίων ἀνηρέθη καὶ τῶν ἄλλων εἰς διακοσίους· οἱ δὲ λοιποὶ συνεδιώχθησαν εἰς τὴν πόλιν. [3] οἱ δὲ Ἀρκάδες, καίπερ νενικηκότες, ὅμως εὐλαβοῦντο τὸ βάρος τῆς Σπάρτης, καὶ

καθ' αὐτοὺς οὐχ ὑπέλαβον δυνήσεσθαι τοῖς Λακεδαιμονίοις διαπολεμεῖν. διὸ καὶ παραλαβόντες Ἀργεῖους τε καὶ Ἡλείους, τὸ μὲν πρῶτον πρέσβεις ἀπέστειλαν εἰς τὰς Ἀθήνας, ἀξιοῦντες συμμαχίαν ποιήσασθαι κατὰ τῶν Σπαρτιατῶν, ὥς δ' οὐδεὶς αὐτοῖς προσεῖχε, διαπρεσβευσάμενοι πρὸς τοὺς Θηβαίους ἔπεισαν αὐτοὺς συμμαχίαν συνθέσθαι κατὰ τῶν Λακεδαιμονίων. [4] εὐθὺς οὖν οἱ Βοιωτοὶ τὴν δύναμιν ἐξήγον, προσλαβόμενοι συμμάχους Λοκρούς τε καὶ Φωκεῖς. οὗτοι μὲν οὖν προῆγον ἐπὶ τὴν Πελοπόννησον, βοιωταρχούντων Ἐπαμεινώνδου καὶ Πελοπίδου· τούτοις γὰρ οἱ ἄλλοι βοιωτάρχαι παρεκεχωρήκεισαν ἐκουσίως τῆς στρατηγίας διὰ τε τὴν σύνεσιν καὶ τὴν ἀνδρείαν τῶν ἀνδρῶν. [5] ὥς δὲ κατήντησαν ἐπὶ τὴν Ἀρκαδίαν, ἤκον πρὸς αὐτοὺς πανδημεὶ οἱ τε Ἀρκάδες καὶ Ἡλεῖοι καὶ Ἀργεῖοι καὶ οἱ ἄλλοι σύμμαχοι πάντες. ἀθροισθέντων δὲ πλειόνων ἢ πεντακισμυρίων, οἱ μὲν ἡγεμόνες αὐτῶν συνεδρεύσαντες ἔγνωσαν ἐπ' αὐτὴν βαδίζειν τὴν Σπάρτην καὶ πᾶσαν τὴν Λακωνικὴν πορθῆσαι. 63. οἱ δὲ Λακεδαιμόνιοι, πολλοὺς μὲν ἀποβεβληκότες τῶν νέων ἐν τῇ περὶ Λεῦκτρα συμφορᾷ, οὐκ ὀλίγους δ' ἐν ταῖς ἄλλαις ἥτταις ἀπολωλεκότες, καὶ τὸ σύνολον εἰς ὀλίγους πολιτικούς στρατιώτας ὑπὸ τῆς τύχης συγκεκλεισμένοι, πρὸς δὲ τούτοις τῶν συμμάχων τῶν μὲν ἀφεστηκότεων, τῶν δὲ διὰ τὰς ὁμοίας αἰτίας ὀλιγανδρούντων, εἰς πολλὴν ἀμηχανίαν ἔπιπτον. διόπερ ἠναγκάζοντο καταφεύγειν ἐπὶ τὴν τῶν Ἀθηναίων βοήθειαν, οἷς τριάκοντα μὲν τυράννους ἐν τοῖς ἔμπροσθεν χρόνοις ἐπέστησαν, τὰ δὲ τεῖχη τῆς πόλεως ἐκώλυσαν ἀνοικοδομεῖν, ἐπεβάλοντο δὲ καὶ τὴν πόλιν ἄρδην ἀναιροῦντες τὴν Ἀττικὴν ποιῆσαι μηλόβοτον. [2] ἀλλὰ γὰρ οὐδὲν ἰσχυρότερόν ἐστιν ἀνάγκης καὶ τύχης, δι' ὧν ἐβιάσθησαν οἱ Λακεδαιμόνιοι τῶν πολεμιοτάτων δεηθῆναι. ὅμως δ' οὐ διεσφάλησαν τῶν ἐλπίδων. ὁ γὰρ τῶν Ἀθηναίων δῆμος, μεγάλῳ ψυχῳ ὧν καὶ φιλόανθρωπος, τὴν μὲν τῶν Θηβαίων ἰσχὺν οὐ κατεπλάγησαν, τοῖς δὲ Λακεδαιμονίοις ὑπὲρ ἀνδραποδισμοῦ κινδυνεύουσιν ἐψηφίσαντο βοηθεῖν πανδημεὶ. καὶ παραχρῆμα στρατηγὸν καταστήσαντες τὸν Ἴφικράτην ἐξέπεμψαν καὶ τοὺς νέους αὐθημερόν, ὄντας μυρίους καὶ δισχιλίους. Ἴφικράτης μὲν οὖν, προθύμους ἔχων τοὺς στρατιώτας, προῆγε μετὰ τῆς δυνάμεως κατὰ σπουδῇ. [3] οἱ δὲ Λακεδαιμόνιοι, τῶν πολεμίων ἐπὶ τοὺς ὅρους τῆς Λακωνικῆς καταστρατοπεδεύοντων, καὶ αὐτοὶ πανδημεὶ τὴν ἐκ τῆς Σπάρτης ἔξοδον ποιησάμενοι προῆγον ἐπὶ τοὺς ἐναντίους, ταῖς μὲν τῶν στρατιωτῶν δυνάμεσι τεταπεινωμένοι, ταῖς δὲ τῆς ψυχῆς ἀρεταῖς τεθαρρηκότες. [4] οἱ μὲν οὖν περὶ τὸν Ἐπαμεινώνδαν ὀρῶντες τὴν τῶν Λακεδαιμονίων χώραν δυσείσβολον οὖσαν, τὸ μὲν ἄθροα τηλικαύτῃ δυνάμει ποιεῖσθαι τὴν ἐμβολὴν οὐχ ἡγούντο συμφέρειν, εἰς τέτταρα δὲ μέρη διελόμενοι σφᾶς αὐτοὺς κατὰ πλειονας τόπους ἔκριναν ποιεῖσθαι τὴν ἔφοδον. 64. ἡ μὲν οὖν πρώτη μερίς ἡ τῶν Βοιωτῶν μέσσην τὴν πορείαν ἐποίησατο ἐπὶ τὴν Σελλασίαν καλουμένην πόλιν, καὶ τοὺς τῆδε κατοικοῦντας ἀπέστησε τῶν Λακεδαιμονίων. [2] Ἀργεῖοι δὲ κατὰ τοὺς ὅρους τῆς Τεγεάτιδος χώρας ἐμβαλόντες συνῆψαν μάχην τοῖς φρουροῦσι τὰς παρόδους, καὶ τὸν τε ἡγεμόνα τῆς φρουρᾶς Ἀλέξανδρον τὸν Σπαρτιάτην ἀνεῖλον καὶ τῶν ἄλλων εἰς διακοσίους ἀπέκτειναν, ἐν οἷς ὑπῆρχον καὶ οἱ τῶν Βοιωτῶν φυγάδες. [3] ἡ δὲ τρίτη μερίς, ἐκ τῶν Ἀρκάδων συνεστηκυῖα καὶ

στρατιώτας ἔχουσα πλείστους, εἰσέβαλεν εἰς τὴν Σκιριτίην καλουμένην χώραν, ἣν παρεφύλαττεν Ἰσχόλας, ἀνὴρ ἀνδρείαα καὶ συνέσει διαφέρων, μετὰ πολλῶν στρατιωτῶν. οὗτος δὲ τῶν ἐπιφανεστάτων στρατιωτῶν ἐπετελέσατο πράξιν ἥρωικὴν καὶ μνήμης ἀξίαν. [4] ὁρῶν γὰρ ὅτι διὰ τὸ πλῆθος τῶν πολεμίων πάντες οἱ συνάψαντες μάχην ἀναιρεθήσονται, τὸ μὲν λιπεῖν τὴν ἐν ταῖς παρόδοις τάξιν ἀνάξιον τῆς Σπάρτης ἔκρινε, τὸ δὲ διασῶσαι τοὺς στρατιώτας χρήσιμον ἔσσεσθαι τῇ πατρίδι: διὸ παραδόξως ἀμφοτέρων προενοήθη, καὶ τὴν γενομένην ποτὲ περὶ Θερμοπύλας ἀνδρείαν τοῦ βασιλέως Λεωνίδου φιλοτίμως ἐμμήσατο. [5] διαλέξας γὰρ τοὺς νέους, τούτους μὲν ἀπέστειλεν εἰς τὴν Σπάρτην, χρησίμους ἔσομένους τῇ κινδυνευούσῃ περὶ τῶν ὅλων: αὐτὸς δὲ μετὰ τῶν πρεσβυτέρων φυλάττων τὴν τάξιν καὶ πολλοὺς ἀνελῶν τῶν πολεμίων, κυκλωθεὶς ὑπὸ τῶν Ἀρκάδων μετὰ πάντων ἀνῆρέθη. [6] Ἥλειοι δὲ τὴν τετάρτην μοῖραν ἔχοντες, καὶ κατ' ἄλλους τόπους πεπταμένους διελθόντες, εἰς τὴν Ἑλλάσιαν παρεγένοντο: εἰς τοῦτον γὰρ τὸν τόπον πᾶσι καταντᾶν παρήγγελλτο. ἀθροισθείσης δὲ ἀπάσης τῆς δυνάμεως εἰς τὴν Ἑλλάσιαν, προῆγον ἐπ' αὐτὴν τὴν Σπάρτην πορθοῦντες ἅμα καὶ πυρπολοῦντες τὴν χώραν. 65. οἱ δὲ Λακεδαιμόνιοι, πεντακόσια ἔτη τὴν Λακωνικὴν τετηρηκότες ἀπόρθητον, τότε θεωροῦντες δηουμένην ὑπὸ τῶν πολεμίων οὐκ ἐκαρτέρουν, ἀλλὰ τοῖς θυμοῖς προπίπτοντες ἐξεπήδων ἐκ τῆς πόλεως: κωλυόμενοι δ' ὑπὸ τῶν πρεσβυτέρων προΐεναι μακρότερον ἀπὸ τῆς πατρίδος, μὴ τις ἐπίθηται, ἐπέισθησαν τὴν ἡσυχίαν ἄγειν καὶ τῇ πόλει παρέχεσθαι τὴν ἀσφάλειαν. [2] τῶν δὲ περὶ τὸν Ἐπαμεινώνδαν διὰ τοῦ Ταῦγέτου καταβαινόντων ἐπὶ τὸν Εὐρώταν, καὶ διαβαινόντων τὸν ποταμὸν σφοδρὸν ὄντα τῷ ρεύματι κατὰ τὴν χειμερινὴν ὥραν, ὁρῶντες οἱ Λακεδαιμόνιοι τεταραγμένην τὴν δύναμιν τῶν ἐναντίων διὰ τὴν χαλεπότητα τῆς διαβάσεως, καιρὸν ἔλαβον εὐθετον πρὸς τὴν ἐπίθεσιν, καὶ τὰς μὲν γυναῖκας καὶ παῖδας, ἔτι δὲ καὶ τοὺς γεγηρακότας, ἀπέλιπον ἐν τῇ πόλει φυλάττοντας τὴν Σπάρτην, αὐτοὶ δὲ πανδημεὶ συντάζαντες τοὺς νέους ἐξεχύθησαν ἐπὶ τοὺς πολεμίους, καὶ προσπεσόντες ἄφνω τοῖς διαβαίνουσι πολλὴν ἐποιούντο φόνον. [3] ἀμυνομένων δὲ τῶν Βοιωτῶν καὶ τῶν Ἀρκάδων, καὶ τῷ πλήθει κυκλούντων τοὺς ἐναντίους, οἱ Σπαρτιάται πολλοὺς ἀνῆρηκότας ἐπανήλθον εἰς τὴν πόλιν, φανερώς ἐνδεδειγμένοι τὰς ἰδίας ἀνδραγαθίας. [4] μετὰ δὲ ταῦτα τῶν περὶ τὸν Ἐπαμεινώνδαν πάσῃ τῇ δυνάμει καταπληκτικῶς προσβαλλόντων τῇ πόλει, οἱ μὲν Σπαρτιάται συνεργὸν ἔχοντες τὴν τῶν τόπων ὀχυρότητα, πολλοὺς μὲν ἀπέκτειναν τῶν προπετῶς βιαζομένων, τέλος δ' οἱ πολιορκοῦντες πᾶσαν εἰσενεγκάμενοι σπουδὴν τὸ μὲν πρῶτον ἀπείκαζον βίᾳ χειρώσασθαι τὴν Σπάρτην: ἐπεὶ δὲ τῶν βιαζομένων οἱ μὲν ἀπέθνησκον, οἱ δ' ἐτραυματίζοντο, ἀνεκαλέσαντο τῇ σάλπιγγι τοὺς στρατιώτας οἱ περὶ τὸν Ἐπαμεινώνδαν, αὐτοὶ δὲ προσελθόντες τῇ πόλει προεκαλοῦντο τοὺς Σπαρτιάτας εἰς παράταξιν, ἥ ξυνομολογεῖσθαι προσέταττον ἥττους εἶναι τῶν πολεμίων. [5] ἀποκριναμένων δὲ τῶν Σπαρτιατῶν, ὅτι καιρὸν λαβόντες εὐθετον διαγωνιοῦνται περὶ τῶν ὅλων, ἀπηλλάγησαν ἀπὸ τῆς πόλεως. πᾶσαν δὲ τὴν Λακωνικὴν δηώσαντες, καὶ λαφύρων ἀναρίθμητον πλῆθος ἀθροίσαντες, ἀπεχώρησαν εἰς τὴν Ἀρκαδίαν. [6]

μετὰ δὲ ταῦτ' Ἀθηναῖοι μὲν, ὑστερηκότες τῶν καιρῶν, ἐπανήλθον εἰς τὴν Ἀττικὴν οὐδὲν πράξαντες μνήμης ἄξιον, τοῖς δὲ Λακεδαιμονίοις παρὰ τῶν συμμάχων ἦκον βοηθήσοντες στρατιῶται τετρακισχίλιοι. πρὸς δὲ τούτοις προσθέντες τοὺς Εἰλωτας ἡλευθερωμένους προσφάτως χιλίους καὶ τῶν Βοιωτῶν φυγάδων διακοσίους, ἔτι δ' ἐκ τῶν συνεγγυς πόλεων οὐκ ὀλίγους μεταπεμψάμενοι, κατεσκευάζον δύναμιν ἀντίπαλον τοῖς πολεμίοις. ταύτην δ' ἄθροαν συνέχοντες καὶ γυμνάζοντες αἰεὶ μᾶλλον ἐθάρρουν καὶ παρεσκευάζοντο πρὸς τὸν ὑπὲρ τῶν ὅλων ἀγῶνα. 66.

Ἐπαμεινώνδας δὲ φύσει μεγαλεπίβολος ὢν καὶ δόξης ὀρεγόμενος αἰωνίου, συνεβούλευε τοῖς τε Ἀρκάσι καὶ τοῖς ἄλλοις συμμάχοις οἰκίσαι τὴν Μεσσήνην, πολλὰ μὲν ἔτη γεγεννημένην ἀνάστατον ὑπὸ Λακεδαιμονίων, τόπον δ' εὖθετον ἔχουσαν κατὰ τῆς Σπάρτης. συγκατατιθεμένων δὲ πάντων ἀνεζήτησε τοὺς ἀπολελειμμένους τῶν Μεσσηνίων, καὶ τῶν ἄλλων τοὺς βουλομένους καταλέξας εἰς τὴν πολιτείαν ἀνέκτισε τὴν Μεσσήνην, πολλοὺς ποιήσας αὐτῆς οἰκῆτορας. τούτοις δὲ κατακληρουχήσας τὴν χώραν καὶ ἀνοικοδομήσας ἀνέσωσε πόλιν ἐπίσημον Ἑλληνίδα, καὶ μεγάλης ἀποδοχῆς ἔτυχε παρὰ πᾶσιν ἀνθρώποις. [2] οὐκ ἀνοίκειον δ' εἶναι νομίζω, πολλάκις τῆς Μεσσήνης ἀλούσης καὶ κατασκαφείσης, τὰ περὶ αὐτὴν ἀπ' ἀρχῆς ὥς ἐν κεφαλαίοις παραδραμεῖν. τὸ μὲν οὖν παλαιὸν οἱ ἀπὸ Νηλεῶς καὶ Νέστορος κατέσχον αὐτὴν μέχρι τῶν Τρωικῶν χρόνων, μετὰ δὲ ταῦθ' ὁ Ἀγαμέμνωνος Ὀρέστης καὶ οἱ ἀπὸ τούτου μέχρι τῆς καθόδου τῶν Ἡρακλειδῶν, ἀπὸ δὲ ταύτης Κρεσφόντης ἔλαχε τὴν Μεσσηνίαν μερίδα, καὶ οἱ ἀπὸ τούτου μέχρι τινὸς ἐβασίλευσαν αὐτῆς· ὕστερον δὲ τῶν ἀπὸ Κρεσφόντου τὴν βασιλείαν ἀποβαλόντων Λακεδαιμόνιοι κύριοι κατέστησαν αὐτῆς. [3] μετὰ δὲ ταῦτα Τηλέκλου τοῦ βασιλέως τῶν Λακεδαιμονίων ἀποθανόντος ἐν ἀγῶνι κατεπολεμήθησαν ὑπὸ Λακεδαιμονίων οἱ Μεσσήνιοι. τοῦτον δὲ τὸν πόλεμον εἰκοσαετῇ φασὶ γενέσθαι, κατομοσαμένων τῶν Λακεδαιμονίων μὴ ἀνακάμψειν εἰς τὴν Σπάρτην, ἐὰν μὴ Μεσσήνην ἔλωσιν. τότε δὲ συνέβη τοὺς παρθενίας ὀνομασθέντας γεννηθῆναι καὶ κτίσαι τὴν τῶν Ταραντίνων πόλιν. ὕστερον δὲ δουλευόντων Μεσσηνίων τοῖς Λακεδαιμονίοις, Ἀριστομένης ἔπεισε τοὺς Μεσσηνίους ἀποστῆναι τῶν Σπαρτιατῶν, καὶ πολλὰ κακὰ διεργάσατο τοὺς Σπαρτιάτας, ὅτε καὶ Τυρταῖος ὁ ποιητὴς ὑπὸ Ἀθηναίων ἡγεμῶν ἐδόθη τοῖς Σπαρτιάταις. [4] ἔνιοι δὲ τὸν Ἀριστομένην γεγενῆσθαι φασὶ κατὰ τὸν εἰκοσαετῇ πόλεμον. ὁ δ' ὕστατος ἐγένετο πόλεμος αὐτοῖς σεισμῷ μεγάλῳ γενομένῳ· καὶ τῆς μὲν Σπάρτης ὅλης σχεδὸν συγχυθείσης, ἀνδρῶν δ' ἐρήμου γενομένης, οἱ Μεσσηνίων περιλειφθέντες ᾤκισαν τὴν Ἰθώμην μετὰ τῶν συναποστάντων Εἰλώτων, ἀναστάτου γεγεννημένης τῆς Μεσσήνης πολλοὺς χρόνους. [5] ἀτυχήσαντες δ' ἐν πᾶσι τοῖς πολέμοις, τὸ τελευταῖον ἀνάστατοι γενόμενοι κατώκησαν ἐν Ναυπάκτῳ, δόντων αὐτοῖς Ἀθηναίων οἰκητῆριον τήνδε τὴν πόλιν. καὶ τινὲς μὲν αὐτῶν εἰς Κεφαλληνίαν ἐξέπεσον, τινὲς δ' ἐν Σικελίᾳ Μεσσήνην τὴν ἀπ' ἐκείνων ὀνομασθεῖσαν κατώκησαν. [6] τὸ δὲ τελευταῖον κατὰ τοὺς ὑποκειμένους καιροὺς Θηβαῖοι, πείσαντος αὐτοὺς Ἐπαμεινώνδου καὶ πανταχόθεν συναγαρόντος τοὺς Μεσσηνίους, ᾤκισαν τὴν Μεσσήνην καὶ τὴν ἀρχαίαν αὐτοῖς χώραν ἀποκατέστησαν. περὶ μὲν οὖν τὴν

Μεσσήνην τοσαύτας καὶ τηλικαύτας συνέβη γενέσθαι μεταβολάς. 67.

οἱ δὲ Θηβαῖοι πάντα τὰ προειρημένα συντελέσαντες ἐν ἡμέραις ὀγδοήκοντα καὶ πέντε, καὶ καταλιπόντες φυλακὴν ἀξιόλογον τῆς Μεσσήνης, ἐπανῆλθον εἰς τὴν οἰκίαν. Λακεδαιμόνιοι δὲ παραδόξως ἀποτετριμμένοι τοὺς πολεμίους, ἀπέστειλαν πρεσβευτὰς εἰς τὰς Ἀθήνας τοὺς ἐπιφανεστάτους τῶν Σπαρτιατῶν, καὶ τὰς μὲν ὁμολογίας ἐποίησαντο περὶ τῆς ἡγεμονίας, ὥστε τῆς μὲν θαλάττης ἄρχειν Ἀθηναῖους, τῆς δὲ γῆς τοὺς Λακεδαιμονίους, μετὰ δὲ ταῦτα ἐν ἀμφοτέραις ταῖς πόλεσιν ἐποίησαντο κοινὰς τὰς ἡγεμονίας. [2] Ἀρκάδες δὲ Λυκομήδην στρατηγὸν προχειρισάμενοι, καὶ παραδόντες αὐτῷ τοὺς ἐπιλέκτους ὀνομαζομένους, ὄντας πεντακισχιλίους, ἐστράτευσαν ἐπὶ Πελλήνην τῆς Λακωνικῆς, καὶ τὴν μὲν πόλιν βίᾳ χειρωσάμενοι τοὺς ἐγκαταλειφθέντας φρουροὺς τῶν Λακεδαιμονίων ἀπέκτειναν, ὄντας πλείους τῶν τριακοσίων, τὴν δὲ πόλιν ἐξανδραποδισάμενοι καὶ τὴν χώραν δηώσαντες ἐπανῆλθον εἰς τὴν οἰκίαν, φθάσαντες τὴν παρὰ τῶν Λακεδαιμονίων βοήθειαν. [3] Βοιωτοὶ δέ, μεταπεμπομένων αὐτοὺς Θετταλῶν ἐπ' ἐλευθερώσει μὲν τῶν πόλεων, καταλύσει δὲ τῆς Ἀλεξάνδρου τοῦ Φεραίου τυραννίδος ἐξαπέστειλαν Πελοπίδαν μετὰ δυνάμεως εἰς Θετταλίαν, δόντες ἐντολὰς αὐτῷ εἰς τὸ συμφέρον τῶν Βοιωτῶν διοικῆσαι τὰ κατὰ τὴν Θετταλίαν. [4] οὗτος δὲ καταντήσας εἰς Λάρισσαν, καὶ καταλαβὼν τὴν ἀκρόπολιν φρουρουμένην ὑπὸ Ἀλεξάνδρου τοῦ Μακεδόνης, ταύτην μὲν παρέλαβεν, εἰς δὲ τὴν Μακεδονίαν παρελθὼν καὶ συμμαχίαν ποιησάμενος πρὸς Ἀλέξανδρον τὸν τῶν Μακεδόνων βασιλέα, ὅμηρον ἔλαβε παρ' αὐτοῦ τὸν ἀδελφὸν Φίλιππον, ὃν ἐξέπεμψεν εἰς τὰς Θήβας. τὰ δὲ κατὰ τὴν Θετταλίαν διοικησάμενος ὥς ποτ' ἔδοξεν αὐτῷ συμφέρειν τοῖς Βοιωτοῖς, ἐπανῆλθεν εἰς τὴν οἰκίαν. 68.

τούτων δὲπραχθέντων Ἀρκάδες καὶ Ἀργεῖοι καὶ Ἥλεῖοι συμφρονήσαντες ἔγνωσαν στρατεύειν ἐπὶ τοὺς Λακεδαιμονίους, καὶ πρεσβεύσαντες πρὸς Βοιωτοὺς ἔπεισαν αὐτοὺς κοινωνεῖν τοῦ πολέμου. οἱ δ' Ἐπαμεινώνδαν καταστήσαντες ἡγεμόνα μετ' ἄλλων βοιωταρχῶν, ἐξέπεμψαν στρατιώτας πεζοὺς μὲν ἑπτακισχιλίους, ἵππεῖς δ' ἑξακοσίους. Ἀθηναῖοι δὲ πυθόμενοι τὴν Βοιωτῶν στρατιὰν παριοῦσαν εἰς τὴν Πελοπόννησον, ἐξέπεμψαν δύναμιν καὶ στρατηγὸν ἐπ' αὐτῆς Χαβρίαν. [2] οὗτος δὲ παρελθὼν εἰς Κόρινθον, καὶ προσλαβόμενος καὶ παρὰ Μεγαρέων καὶ Πελληγέων, ἔτι δὲ Κορινθίων στρατιώτας, στρατόπεδον συνεστήσατο ἀνδρῶν μυρίων· μετὰ δὲ ταῦτα Λακεδαιμονίων καὶ τῶν ἄλλων συμμάχων παραγενομένων εἰς Κόρινθον συνήχθησαν οἱ σύμπαντες οὐκ ἐλάττους δισμυρίων. [3] ἔδοξεν οὖν αὐτοῖς ὀχυρώσασθαι τὰς παρόδους καὶ διακωλύειν τοὺς Βοιωτοὺς τῆς εἰς Πελοπόννησον εἰσβολῆς. ἀρξάμενοι δ' ἀπὸ Κεγχρεῶν μέχρι Λεχαίου σταυρώμασι καὶ βαθείαις τάφροις διελάμβανον τὸν τόπον· ταχὺ δὲ τῶν ἔργων συντελουμένων διὰ τε τὴν πολυχειρίαν καὶ τὰς προθυμίας τῶν ἀνδρῶν, ἔφθασαν τοὺς Βοιωτοὺς πάντα τόπον ὀχυρώσαντες. [4] ὁ δ' Ἐπαμεινώνδας ἤκων μετὰ τῆς δυνάμεως ἐπεσκέψατο, καὶ κατανοήσας εὐεφοδώτατον εἶναι τόπον καθ' ὃν οἱ Λακεδαιμόνιοι παρεφύλαττον, τὸ μὲν πρῶτον προεκαλεῖτο τοὺς πολεμίους εἰς παράταξιν, σχεδὸν τριπλασίους ὄντας τοῖς πλήθεσιν, οὐδενὸς δὲ τολμώντος ἐκτὸς τοῦ τειχίσματος προελθεῖν, ἀλλ' ἀπὸ τοῦ

χαρακώματος ἀμυνομένων ἀπάντων, προσῆγε τὴν βίαν τοῖς πολεμίοις. [5] κατὰ πάντα μὲν οὖν τὸν τόπον ἐγίνοντο προσβολαὶ καρτεραί, μάλιστα δὲ κατὰ Λακεδαιμονίους, εὐεφόδων ὄντων καὶ δυσφυλάκτων τῶν τόπων. μεγάλης δὲ φιλοτιμίας γενομένης παρ' ἀμφοτέροις, Ἐπαμεινώνδας ἔχων μεθ' ἑαυτοῦ τοὺς ἀρίστους τῶν Θηβαίων μόγις ἐβιάσατο τοὺς Λακεδαιμονίους: διακόψας δὲ τὴν φυλακὴν αὐτῶν καὶ τὴν δύναμιν διαγαγὼν παρήλθεν εἰς τὴν Πελοπόννησον, διαπραξάμενος ἔργον οὐδὲν τῶν προκατειργασμένων καταδεέστερον. 69.

εὐθὺ δὲ ἐπὶ Τροιζῆνα καὶ Ἐπίδαιρον πορευθεὶς τὴν μὲν χώραν ἐδήλωσε, τῶν δὲ πόλεων οὐκ ἐδυνήθη κρατῆσαι διὰ τὸ φρουρὰς ἔχειν ἀξιολόγους, Σικυῶνα δὲ καὶ Φλιοῦντα καὶ τινὰς ἄλλας πόλεις καταπληξάμενος προσηγάγετο. στρατεύσας δ' ἐπὶ Κόρινθον, καὶ τῶν Κορινθίων ἐπεξελθόντων νικήσας μάχῃ, τούτους μὲν ἐντὸς τῶν τειχῶν συνεδίωξε, τῶν δὲ Βοιωτῶν διὰ τὴν εὐημερίαν μετεωρισθέντων, καὶ τινῶν προχείρως τολμησάντων διὰ τῆς πύλης εἰς τὴν πόλιν εἰσβιάζεσθαι, οἱ μὲν Κορίνθιοι δείσαντες ἐτράπησαν εἰς τὰς οἰκίας, Χαβρίας δ' ὁ τῶν Ἀθηναίων στρατηγὸς ἐμφρόνως ἅμα καὶ τεθαρρηκότως ὑποστὰς τοὺς μὲν ἐξέβαλεν ἐκ τῆς πόλεως, πολλοὺς δὲ τῶν Βοιωτῶν κατέβαλεν. [2] γενομένης δὲ φιλοτιμίας, οἱ μὲν Βοιωτοὶ πᾶσαν τὴν δύναμιν συντάξαντες ἐπῆγον ἐπὶ τὴν Κόρινθον καταπληκτικῶς, ὁ δὲ Χαβρίας ἀναλαβὼν τοὺς Ἀθηναίους προῆγεν ἐκ τῆς πόλεως, καὶ καταλαβόμενος τοὺς ὑπερδεξίους τόπους ὑπέστη τὴν τῶν πολέμιων ἔφοδον. [3] οἱ μὲν οὖν Βοιωτοί, πεποιθότες ταῖς τῶν σωμάτων ῥώμας καὶ ταῖς ἐν τοῖς συνεχεσί πολέμοις ἐμπειρίαις, τῇ βίᾳ τοὺς Ἀθηναίους ἡλιζον χειρώσασθαι, οἱ δὲ περὶ τὸν Χαβρίαν ἐκ τόπων ὑπερδεξίων ἀγωνιζόμενοι, καὶ πολλῶν ἐκ τῆς πόλεως χορηγουμένων, οὓς μὲν ἀνήρουν τῶν βιαζομένων, τοὺς δὲ κατετίτρωσκον. [4] οἱ δὲ Βοιωτοί, πολλὰ μὲν κακοπαθήσαντες, οὐδὲν δὲ πρᾶξι δυνάμενοι, τὴν ἀναχώρησιν ἐποιήσαντο. Χαβρίας μὲν οὖν ἐπὶ ἀνδρεία καὶ στρατηγικῇ συνήσει θαυμασθεὶς τοῦτον τὸν τρόπον ἀπετρίψατο τοὺς πολεμίους. 70.

ἐκ δὲ τῆς Σικελίας Κελτοὶ καὶ Ἰβηρες δισχιλίοι κατέπλευσαν εἰς Κόρινθον, ἐκπεμφθέντες ὑπὸ Διονυσίου τοῦ τυράννου συμμαχεῖν Λακεδαιμονίοις, εἰς μῆνας πέντε τοὺς μισθοὺς εἰληφότες. οἱ δ' Ἕλληνες πείραν αὐτῶν βουλούμενοι λαβεῖν προῆγον αὐτούς, καὶ κατὰ τὰς συμπλοκάς καὶ μάχας ἀνδραγαθοῦντων αὐτῶν, πολλοὶ τε τῶν Βοιωτῶν καὶ τῶν συμμάχων ὑπ' αὐτῶν ἀνηροῦντο. διόπερ δόξαντες εὐχειρία καὶ ἀνδρεία διαφέρειν καὶ πολλὰς χρείας παρασχόμενοι, καὶ τιμηθέντες ὑπὸ τῶν Λακεδαιμονίων τοῦ θέρους λήγοντος ἐξαπεστάλησαν εἰς τὴν Σικελίαν. [2] μετὰ δὲ ταῦτα Φιλίσκος μὲν ὑπ' Ἀρταξέρξου τοῦ βασιλέως ἀποσταλεὶς κατέπλευσεν ἐπὶ τὴν Ἑλλάδα, παρακαλῶν τοὺς Ἕλληνας διαλύσασθαι μὲν τοὺς πολέμους, εἰρήνην δὲ κοινὴν συνθέσθαι. οἱ μὲν οὖν ἄλλοι πάντες ἀσμένως ὑπήκουσαν, Θηβαῖοι δὲ κατὰ τὴν ἰδίαν ὑπόστασιν ὅλην τὴν Βοιωτίαν ὑπὸ μίαν ἀγαγόντες συντέλειαν οὐ προσεδέχθησαν. ἀπογνωσθεῖσης δὲ τῆς κοινῆς εἰρήνης, ὁ μὲν Φιλίσκος καταλιπὼν τοῖς Λακεδαιμονίοις δισχιλίους ἐπιλέκτους μισθοφόρους ἔχοντας τοὺς μισθοὺς, ἀπῆλθεν εἰς τὴν Ἀσίαν. [3] ἅμα δὲ τούτοις πραττομένοις Εὐφρων ὁ Σικυώνιος, διαφέρων θράσει καὶ ἀπονοίᾳ, συνεργοὺς λαβὼν Ἀργεῖους ἐπέθετο τυραννίδι. κρατήσας δὲ τῆς ἐπιβολῆς τετταράκοντα τοὺς εὐπορωτάτους τῶν Σικυωνίων ἐφυγάδευσε, δημεύσας αὐτῶν τὰς οὐσίας, καὶ πολλῶν χρημάτων κυριεύσας μισθοφόρους ἤθροισε καὶ τῆς πόλεως ἐδυνάστευσεν. 71.

ἐπ' ἄρχοντος δ' Ἀθήνησι Ναυσιγένους ἐν Ῥώμῃ χιλιάρχοι κατεστάθησαν ἀντὶ τῶν ὑπάτων τέτταρες, Λεύκιος Παπίριος, Λεύκιος Μενήνιος, Σερούιος Κορνήλιος, Σερούιος Σολπίκιος, παρὰ δὲ Ἠλείοις Ὀλυμπιάς ἤχθη τρίτη πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Πυθόστρατος Ἀθηναῖος. ἐπὶ δὲ τούτων

Πτολεμαῖος ὁ Ἀλωρίτης ὁ Ἀμύντου υἱὸς ἐδολοφόνησεν Ἀλέξανδρον τὸν ἀδελφόν, καὶ ἐβασίλευσε τῆς Μακεδονίας ἔτη τρία. [2] κατὰ δὲ τὴν Βοιωτίαν Πελοπίδας ἐφάμιλλος ὢν τῷ Ἐπαμεινώνδῃ τῇ κατὰ πόλεμον δόξῃ, καὶ θεωρῶν ἐκείνον τὰ περὶ τὴν Πελοπόννησον συμφερόντως κατεσκευακότα τοῖς Βοιωτοῖς, ἔσπευδε τὰ ἐκτὸς Πελοποννήσου δι' αὐτοῦ προσάγεσθαι τοῖς Θηβαίοις. παραλαβὼν δὲ Ἴσμηνίαν, ἄνδρα φίλον μὲν ἑαυτοῦ, θαυμαζόμενον δ' ἐπ' ἄρετῇ, παρήλθεν εἰς Θετταλίαν. καταντήσας δὲ πρὸς Ἀλέξανδρον τὸν Φερῶν τύραννον, ἀλόγως συνελήφθη μετὰ Ἴσμηνίου καὶ εἰς φυλακὴν παρεδόθη. [3] Θηβαίων δ' ἐπὶ τοῖς πραχθεῖσι παροξυνθέντων, καὶ ταχέως εἰς τὴν Θετταλίαν ἐκπεμψάντων ὀπλίτας μὲν ὀκτακισχιλίους, ἵππεις δ' ἑξακοσίους, φοβηθεὶς Ἀλέξανδρος ἐξέπεμψε πρεσβευτὰς εἰς τὰς Ἀθήνας περὶ συμμαχίας. ᾧ παραχρῆμα ὁ δῆμος ἐξέπεμψε ναῦς μὲν τριάκοντα, στρατιώτας δὲ χιλίους, ὃν ἦν στρατηγὸς Αὐτοκλῆς. [4] ἐν ὧσφ δ' οὗτος περιέπλει τὴν Εὐβοίαν, Θηβαῖοι κατήντησαν εἰς Θετταλίαν. τοῦ δ' Ἀλεξάνδρου πεζὴν δύναμιν ἡθροικότος καὶ ἵππεις πολλαπλασίους ἔχοντος τῶν Βοιωτῶν, τὸ μὲν πρῶτον οἱ Βοιωτοὶ διὰ μάχης ἔκρινον λῦσαι τὸν πόλεμον, συνεργοὺς ἔχοντες τοὺς Θετταλοὺς· ὥς δ' οὗτοι μὲν αὐτοὺς ἐγκατέλιπον, Ἀθηναῖοι δὲ καὶ τινες ἄλλοι σύμμαχοι παρεγένοντο τῷ Ἀλεξάνδρῳ, τὰ δὲ σῖτα καὶ ποτὰ καὶ τᾶλλα πάντα ἐπέλειπε τοῖς Βοιωτοῖς, ἔγνωσαν οἱ βοιωτάρχαι τὴν εἰς οἶκον ἐπάνοδον ποιεῖσθαι. [5] ἀναζευξάντων δ' αὐτῶν, καὶ τῆς πορείας οὔσης διὰ χώρας πεδιάδος, Ἀλέξανδρος ἐπηκολούθει πολλοῖς ἵππευσι καὶ τοῖς ἐπὶ τῆς οὐραγίας ἐπέθετο. τῶν δὲ Βοιωτῶν οἱ μὲν κατακοντιζόμενοι συνεχῶς ἀπέθνησκον, οἱ δὲ τραύμασι περιέπιπτον, τέλος δ' οὔτε μένειν οὔτε προάγειν ἐώμενοι εἰς πολλὴν ἀμνηχανίαν ἐνέπιπτον, ἅτε δὴ καὶ τῶν ἐπιτηδείων σπανιζόντων. [6] ἤδη δ' αὐτῶν τὴν σωτηρίαν ἀπογινωσκόντων, Ἐπαμεινώνδας ἰδιωτεύων κατ' ἐκείνον τὸν χρόνον ὑπὸ τῶν στρατιωτῶν κατεστάθῃ στρατηγός. εὐθὺς δὲ διαλέξας τοὺς τε ψιλοὺς καὶ τοὺς ἵππεις, τούτους μὲν αὐτὸς ἀνέλαβε, καὶ ταχθεὶς ἐπὶ τῆς οὐραγίας διὰ τούτων ἀνέστελλε τοὺς ἐπακολουθοῦντας πολεμίους καὶ πολλὴν ἀσφάλειαν παρείχετο τοῖς προηγουμένοις ὀπλίταις, ποιούμενος δὲ μάχας ἐξ ὑποστροφῆς καὶ τάξει φιλοτέχνῳ χρώμενος διέσωσε τὸ στρατόπεδον. [7] αἰεὶ δὲ μᾶλλον διὰ τῶν κατορθωμάτων αὖξων τὴν ἰδίαν εὐδοξίαν μεγάλης ἀποδοχῆς ἐτύγγανε παρά τε τοῖς πολίταις καὶ τοῖς συμμάχοις. οἱ δὲ Θηβαῖοι τοὺς τότε βοιωταρχήσαντας καταδικάσαντες, πολλοῖς χρήμασιν ἐξημίωσαν. 72. ἐπιζητουμένης δὲ τῆς αἰτίας, πῶς ὁ τοιοῦτος ἀνὴρ ἰδιώτης ὢν ἐστρατεύετο μετὰ τῶν εἰς Θετταλίαν ἀποσταλέντων, ἀποδοτέον τὸν οἰκεῖον λόγον τῆς ἀπολογίας. τῇ μάχῃ τῇ περὶ Κόρινθον Ἐπαμεινώνδας διακόψας τὴν ἐπὶ τοῦ προτειχίσματος φυλακὴν τῶν Λακεδαιμονίων, καὶ δυνάμενος πολλοὺς ἀνελεῖν τῶν πολεμίων, ἠρκέσθη τῷ προτερήματι καὶ τῆς ἐπὶ πλεῖον μάχης ἀπέστη. [2] γενομένης δὲ περὶ αὐτὸν ἱκανῆς ὑποψίας ὥς πεφεισμένου τῶν Λακεδαιμονίων ἰδίας ἔνεκα χάριτος, οἱ φθονοῦντες αὐτοῦ τῇ δόξῃ καιρὸν ἔλαβον εὐλόγου διαβολῆς. ἐπενεγκάντων οὖν αὐτῷ προδοσίας ἔγκλημα, τὸ πλῆθος παροξυνθὲν ἀπέστησεν αὐτὸν τῆς βοιωταρχίας, καὶ ἰδιώτην ποιῆσαν ἐξαπέστειλε μετὰ τῶν ἄλλων. ὥς δὲ ἀπὸ τῶν ἀποτελεσμάτων ἐξήλειψε τὰς καθ' ἑαυτοῦ διαβολάς, τότε ὁ δῆμος

ἀποκατέστησεν αὐτὸν εἰς τὴν προγεγεννημένην εὐδοξίαν. [3] μετ' ὀλίγον δὲ χρόνον Λακεδαιμονίοις πρὸς Ἀρκάδας ἐγένετο μεγάλη μάχη, ἐν ᾗ ἐνίκησαν Λακεδαιμόνιοι ἐπιφανῶς. μετὰ γὰρ τὴν ἐν Λεύκτροις ἦτταν τοῦτο πρῶτον αὐτοῖς παράδοξον εὐτύχημα ἐγένετο: ἔπεσον γὰρ Ἀρκάδων μὲν ὑπὲρ τοὺς μυρίους, Λακεδαιμονίων δ' οὐδεῖς. προεῖπον δ' αὐτοῖς αἱ Δωδωνίδες ἰέρειαι, διότι πόλεμος οὗτος Λακεδαιμονίοις ἄδακρυς ἔσται. [4] μετὰ δὲ τὴν μάχην οἱ Ἀρκάδες, φοβηθέντες τὰς τῶν Λακεδαιμονίων εἰσβολάς, ἔκτισαν ἐπὶ τινος ἐπικαίρου τόπου τὴν ὀνομαζομένην Μεγάλην πόλιν, συρρίψαντες εἰς αὐτὴν κώμας εἴκοσι τῶν ὀνομαζομένων Μαιναλίων καὶ Παρρασίων Ἀρκάδων. καὶ τὰ μὲν κατὰ τοὺς Ἑλλήνας ἐν τούτοις ἦν. 73.

κατὰ δὲ τὴν Σικελίαν Διονύσιος ὁ τύραννος ἔχων δυνάμεις ἀξιολόγους, καὶ τοὺς Καρχηδονίους ὀρῶν οὐκ εὖ διακειμένους πρὸς τὸν πόλεμον διὰ τε τὴν γεγεννημένην παρ' αὐτοῖς λοιμικὴν νόσον καὶ τὴν ἀπόστασιν τῶν Λιβύων, ἔγνω στρατεῦειν ἐπ' αὐτούς. οὐκ ἔχων δὲ πρόφασιν ἀξιόλογον τῆς διαφορᾶς, προσεποιήθη τοὺς κατὰ τὴν ἐπικράτειαν Φοίνικας ἐπιβεβηκέναι τῆς ὑπ' αὐτὸν χώρας. [2] παρασκευασάμενος οὖν πεζοὺς μὲν τρισμύριους, ἵππεῖς δὲ τρισχιλίους, τριήρεις δὲ τριακοσίας καὶ τὴν ἀρμόζουσαν τῇ δυνάμει ταύτῃ παρασκευήν, ἐνέβαλεν εἰς τὴν ὑπὸ Καρχηδονίους χώραν. καὶ Σελινούντα μὲν καὶ Ἐντελλαν εὐθὺς προσηγάγετο, καὶ τὴν χώραν πᾶσαν πορθήσας καὶ τῆς πόλεως τῶν Ἐρυκίνων ἐγκρατὴς γενόμενος ἐπολιόρκησε Λιλύβαιον: πολλῶν δ' ὄντων ἐν αὐτῷ στρατιωτῶν τὴν πολιορκίαν ἔλυσεν. [3] ἀκούσας δὲ τὰ νεώρια τῶν Καρχηδονίων ἐμπεπῆρσθαι, καὶ δόξας πάντα τὸν στόλον αὐτῶν διεφάρθαι, κατεφρόνησε, καὶ τῶν ἰδίων τριήρων ἑκατὸν μὲν καὶ τριάκοντα τὰς ἀρίστας ἀπέστειλεν εἰς τὸν τῶν Ἐρυκίνων λιμένα, τὰς δ' ἄλλας ἀπάσας ἐξέπεμψεν εἰς τὰς Συρακούσας. [4] οἱ δὲ Καρχηδόνιοι παραδόξως διακοσίας ναῦς πληρώσαντες ἐπέπλευσαν ταῖς ὁρμοῦσαις ἐν τῷ λιμένι τῶν Ἐρυκίνων: ἀνελπίστου δὲ τῆς ἐπιθέσεως γενομένης ἀπήγαγον τῶν τριήρων τὰς πλείστας. μετὰ δὲ ταῦτα τοῦ χειμῶνος ἐνστάντος ἀνοχὰς ποιησάμενοι διεχωρίσθησαν εἰς τὰς οἰκείας ἑκάτεροι πόλεις. [5] μετ' ὀλίγον δὲ χρόνον Διονύσιος εἰς ἀρρωστίαν ἐμπεσὼν ἐτελεύτησε, δυναστεύσας ἔτη τριάκοντα καὶ ὀκτώ: τὴν δὲ ἀρχὴν διαδεξάμενος ὁ υἱὸς Διονύσιος ἐτυράννευσεν ἔτη δώδεκα. 74.

οὐκ ἀνοίκειον δ' ἐστὶ τῆς ὑποκειμένης ἱστορίας φθιεῖσθαι τὰς τε αἰτίας τῆς τελευτῆς καὶ τὰ συμβάντα τούτῳ τῷ δυνάστη περὶ τὴν τοῦ βίου καταστροφὴν. Διονυσίου τοίνυν δεδιδαχότος Ἀθήνησι Ληναίοις τραγωδίαν καὶ νικήσαντος, τῶν ἐν τῷ χορῷ τις ἁδόντων ὑπολαβὼν τιμηθῆσεσθαι λαμπρῶς, ἐὰν πρῶτος ἀπαγγεῖλῃ τὴν νίκην, διέπλευσεν εἰς τὴν Κόρινθον. καταλαβὼν δ' ἐκεῖ ναῦν ἐκπλέουσαν εἰς Σικελίαν καὶ μετεμβὰς εἰς ταύτην, οὐρίοις ἐχρήσατο πνεύμασι, καὶ καταπλεύσας εἰς Συρακούσας συντόμως ἀπήγγειλε τῷ τυράννῳ τὴν νίκην. [2] ὁ δὲ Διονύσιος τοῦτον μὲν ἐτίμησεν, αὐτὸς δὲ περιχαρὴς ἐγένετο καὶ τοῖς θεοῖς εὐαγγέλια θύσας πότους καὶ μεγάλας εὐωχίας ἐπετέλεσεν. ἐστιῶν δὲ λαμπρῶς τοὺς φίλους, καὶ κατὰ τοὺς πότους φιλοτιμότερον τῇ μέθῃ δοὺς ἑαυτόν, εἰς ἀρρωστίαν σφοδροτέραν ἐνέπεσε διὰ τὸ πλῆθος τῶν ἐμφορηθέντων ὑγρῶν. [3] ἔχων δὲ παρὰ θεῶν λόγιον, τότε τελευτήσειν ὅταν τῶν κρειττόνων περιγένηται, τὸν χρησμὸν ἀνέφερεν ἐπὶ τοὺς Καρχηδονίους,

ὑπολαμβάνων τούτους κρείττους ἑαυτοῦ εἶναι. διὸ καὶ πρὸς αὐτοὺς πλεονάκεις πεπολεμηκῶς εἰώθει κατὰ τὰς νίκας ὑποφεύγειν καὶ ἐκουσίως ἡττᾶσθαι, ἵνα μὴ δόξη τῶν ἰσχυροτέρων γεγονέναι κρείττων. [4] οὐ μὴν ἡδυνήθη γε τῇ πανουργίᾳ κατασοφίσασθαι τὴν ἐκ τῆς πεπωμένης ἀνάγκης, ἀλλὰ ποιητῆς ὢν κακὸς καὶ διακριθεὶς ἐν Ἀθήναις ἐνίκησε τοὺς κρείττονας ποιητάς. εὐλόγως οὖν κατὰ τὸν χρησμὸν διὰ τὸ περιγενέσθαι τῶν κρειπτόνων ἐπακολουθοῦσαν ἔσχε τὴν τοῦ βίου τελευτήν. [5]

ὁ δὲ Διονύσιος ὁ νεώτερος διαδεξάμενος τὴν τυραννίδα, πρῶτον τὰ πλήθη συναγαγὼν εἰς ἐκκλησίαν παρεκάλεσε τοῖς οἰκείοις λόγοις τηρεῖν τὴν πατροπαράδοτον πρὸς αὐτὸν εὐνοίαν, ἔπειτα τὸν πατέρα μεγαλοπρεπῶς θάψας κατὰ τὴν ἀκρόπολιν πρὸς ταῖς βασιλίσι καλουμέναις πύλαις, ἡσφαλίσατο τὰ κατὰ τὴν ἀρχὴν. 75.

ἐπ' ἄρχοντος δ' Ἀθήνησι Πολυζήλου κατὰ μὲν τὴν Ῥώμην ἀναρχία διὰ τινὰς πολιτικὰς στάσεις ἐγένετο, κατὰ δὲ τὴν Ἑλλάδα Ἀλέξανδρος ὁ Φερῶν τύραννος ἐν τῇ Θετταλίᾳ περὶ τινων ἐγκαλέσας τῇ πόλει τῶν Σκοτουσσαίων, ἐκάλεσεν αὐτοὺς εἰς ἐκκλησίαν καὶ περιστήσας τοὺς μισθοφόρους ἅπαντας ἀπέσφαξε, τὰ δὲ σώματα τῶν τετελευτηκότων ρίψας εἰς τὴν πρὸ τῶν τειχῶν τάφρον τὴν πόλιν διήρπασεν. [2] Ἐπαμεινώνδας δ' ὁ Θηβαῖος μετὰ δυνάμεως ἐμβάλων εἰς Πελοπόννησον τοὺς Ἀχαιοὺς καὶ τινὰς ἄλλας πόλεις προσηγάγετο, Δύμην δὲ καὶ Ναύπακτον καὶ Καλυδῶνα φρουρουμένην ὑπ' Ἀχαιῶν ἡλευθέρωσεν. ἐστράτευσαν δὲ καὶ εἰς Θετταλίαν Βοιωτοί, καὶ Πελοπίδαν ἐκομίσαντο παρ' Ἀλεξάνδρου τοῦ Φερῶν τυράννου. [3] Φλιασίοις δὲ πολεμουμένοις ὑπ' Ἀργείων Χάρης ὑπ' Ἀθηναίων πεμφθεὶς στρατηγὸς μετὰ δυνάμεως ἐβοήθησε: νικήσας δὲ τοὺς Ἀργεῖους δυσὶ μάχαις καὶ τὴν ἀσφάλειαν περιποιήσας τοῖς Φλιασίοις ἐπανῆλθεν εἰς τὰς Ἀθήνας. 76.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχε Κηφισόδωρος, ἐν Ῥώμῃ δ' ἀντὶ τῶν ὑπάτων χιλιάρχους ὁ δῆμος τέσσαρας κατέστησε, Λεύκιον Φούριον, Παῦλον Μάλλιον, Σερούιον Σουλπίκιον, Σερούιον Κορνήλιον. ἐπὶ δὲ τούτων Θεμίσων ὁ Ἐρετρίας τύραννος Ὠρωπὸν κατελάβετο. ταύτην δὲ τὴν πόλιν οὗσαν Ἀθηναίων παραλόγως ἀπέβαλεν: τῶν γὰρ Ἀθηναίων στρατευσάντων ἐπ' αὐτὸν καὶ πολὺ ταῖς δυνάμεσιν ὑπερεχόντων, οἱ Θηβαῖοι βοηθήσαντες αὐτῷ καὶ παραλαβόντες ἐν παρακαταθήκῃ τὴν πόλιν οὐκ ἀπέδωκαν. [2] — ἅμα δὲ τούτοις πραττομένοις Κῶοι μετῴκησαν εἰς τὴν νῦν οἰκουμένην πόλιν καὶ κατεσκεύασαν αὐτὴν ἀξιόλογον: πληθὸς τε γὰρ ἀνδρῶν εἰς ταύτην ἡθροίσθη καὶ τεῖχη πολυτελῆ κατεσκεύασθη καὶ λιμὴν ἀξιόλογος. ἀπὸ δὲ τούτων τῶν χρόνων αἰεὶ μᾶλλον ηὐξήθη προσόδοις τε δημοσίαις καὶ τοῖς τῶν ιδιωτῶν πλούτοις, καὶ τὸ σύνολον ἐνάμιλλος ἐγένετο ταῖς πρωτευούσαις πόλεσιν. [3] — ἅμα δὲ τούτοις πραττομένοις ὁ τῶν Περσῶν βασιλεὺς ἀποστείλας πρέσβεις ἔπεισε τοὺς Ἕλληνας τοὺς μὲν πολέμους καταλύσασθαι καὶ κοινὴν εἰρήνην συνθέσθαι πρὸς ἀλλήλους. διόπερ ὁ τε Λακωνικὸς καὶ Βοιωτικὸς κληθεὶς πόλεμος κατελύθη, πλείω μείνας ἐτῶν πέντε, τὴν ἀρχὴν λαβὼν ἀπὸ τῶν Λευκτρικῶν. [4]

ὑπῆρξαν δὲ κατὰ τούτους τοὺς χρόνους ἄνδρες κατὰ παιδείαν ἄξιοι μνήμης Ἰσοκράτης τε ὁ ῥήτωρ καὶ οἱ τούτου γενόμενοι μαθηταὶ καὶ Ἀριστοτέλης ὁ

φιλόσοφος, ἔτι δὲ Ἀναξιμένης ὁ Λαμψακηνὸς καὶ Πλάτων ὁ Ἀθηναῖος, ἔτι δὲ τῶν Πυθαγορικῶν φιλοσόφων οἱ τελευταῖοι, Ξενοφῶν τε ὁ τὰς ἱστορίας συγγραψάμενος ἐσχατόγηρως ὦν: μέμνηται γὰρ τῆς Ἐπαμεινώνδου τελευταῖης μετ' ὀλίγον χρόνον γεγενημένης: Ἀρίστιππός τε καὶ Ἀντισθένης, πρὸς δὲ τούτοις Αἰσχίνης ὁ Σφήττιος ὁ Σωκρατικός. 77.

ἐπ' ἄρχοντος δ' Ἀθήνησι Χίωνος ἐν Ῥώμῃ ἀντὶ τῶν ὑπάτων χιλιάρχοι κατεστάθησαν Κόιντος Σερουίλιος καὶ Γάιος Οὐετόριος καὶ Αὐλὸς Κορνήλιος, πρὸς δὲ τούτοις Μάρκος Κορνήλιος καὶ Μάρκος Φάβιος. ἐπὶ δὲ τούτων εἰρήνης οὔσης κατὰ πᾶσαν τὴν Ἑλλάδα, πάλιν ἀρχαὶ πολέμων συνέστησάν τισι τῶν πόλεων καὶ νεωτέρων πραγμάτων καινοτομία παράλογος. οἱ γὰρ τῶν Ἀρκάδων φυγάδες ὀρμηθέντες ἐξ Ἥλιδος κατελάβοντο τῆς ὀνομαζομένης Τριφυλίας χωρίον ὀχυρόν, ὃ προσηγόρευται Λασιίων. [2] ἐκ πολλῶν δὲ χρόνων περὶ τῆς Τριφυλίας ἡμφεσβήτουν Ἀρκάδες καὶ Ἥλαιοι, καὶ κατὰ τὰς ἐκατέρων ἐν ταῖς μεταβολαῖς ὑπεροχὰς ἐναλλάξ ἐκυρίευν τῆς χώρας: κατὰ δὲ τοὺς ὑποκειμένους καιροὺς τῶν Ἀρκάδων κρατούντων τὴν Τριφυλίαν, προφάσει τῶν φυγάδων ἀφηροῦντο ταύτην τῶν Ἀρκάδων οἱ Ἥλαιοι. [3] διὸ καὶ παροξυνθέντες οἱ Ἀρκάδες τὸ μὲν πρῶτον πρέσβεις ἐξαποστείλαντες ἀπήτουν τὸ χωρίον: ὥς δ' οὐδεὶς αὐτοῖς προσεῖχε, μετεπέμψαντο παρ' Ἀθηναίων συμμαχίαν καὶ μετὰ ταύτης ἐστράτευσαν ἐπὶ τὸν Λασιίωνα. τῶν δὲ Ἥλείων βοηθησάντων τοῖς φυγάσιν ἐγένετο μάχη πλησίον τοῦ Λασιίωτος, καὶ τῶν Ἀρκάδων πολλαπλασίων ὄντων ἡττήθησαν Ἥλαιοι καὶ πλείους τῶν διακοσίων στρατιωτῶν ἀπέβαλον. [4] ταύτης δὲ ἀρχῆς τοῦ πολέμου γενομένης συνέβη τὴν διαφορὰν ἐπὶ πλεον προβῆναι τοῖς Ἀρκάσι καὶ τοῖς Ἥλείοις: εὐθὺς γὰρ οἱ μὲν Ἀρκάδες μετεωρισθέντες τῷ προτερήματι ἐστράτευσαν ἐπὶ τὴν Ἥλειαν, καὶ εἶλον πόλεις Μάργανα καὶ Κρόνιον, ἔτι δὲ Κυπαρισσίαν καὶ Κορυφάσιον. [5] — ἅμα δὲ τούτοις πρᾶπτομένοις κατὰ τὴν Μακεδονίαν Πτολεμαῖος μὲν ὁ Ἀλωρίτης ἐδολοφονήθη ὑπὸ τάδελφου Περδίκκα, βασιλεύσας ἔτη τρία: τὴν δὲ ἀρχὴν διαδεξάμενος ὁ Περδίκκας ἐβασίλευσε τῆς Μακεδονίας ἔτη πέντε. 78.

ἐπ' ἄρχοντος δ' Ἀθήνησι Τιμοκράτους ἐν Ῥώμῃ μὲν ἀντὶ τῶν ὑπάτων χιλιάρχοι τρεῖς κατεστάθησαν, Τίτος Κοῖνκτιος καὶ Σερούιος Κορνήλιος καὶ Σερούιος Σουλπίκιος, Ὀλυμπιάς δὲ ὑπὸ Πισατῶν καὶ Ἀρκάδων ἤχθη τετάρτη πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Φωκίδης Ἀθηναῖος. [2] ἐπὶ δὲ τούτων Πισᾶται μὲν ἀνανεωσάμενοι τὸ παλαιὸν ἀξίωμα τῆς πατρίδος καὶ τισι μυθικαῖς καὶ παλαιαῖς ἀποδείξεσι χρώμενοι, τὴν θέσιν τῆς Ὀλυμπικῆς πανηγύρεως αὐτοῖς προσήκειν ἀπεφαίνοντο. κρίνοντες δὲ τὸν παρόντα καιρὸν εὐθετον ἔχειν ἀμφισβητῆσαι τοῦ ἀγῶνος, συμμαχίαν ἐποιήσαντο πρὸς Ἀρκάδας ὄντας πολεμίους Ἥλείων: συναγωνιστὰς δὲ λαβόντες τούτους ἐστράτευσαν ἐπὶ τοὺς Ἥλείους ἄρτι τιθέντας τὸν ἀγῶνα. [3] ἀντιστάντων δὲ τῶν Ἥλείων πανδημεὶ συνέστη μάχη καρτερά, θεωμένων τὴν μάχην τῶν παρόντων ἐπὶ τὴν πανηγύριν Ἑλλήνων ἐστεφανωμένων καὶ μεθ' ἡσυχίας ἀκινδύνως ἐπισημαιομένων τὰς ἐκατέρωθεν ἀνδραγαθίας. τέλος Πισᾶται νικήσαντες ἔθηκαν τὸν ἀγῶνα, καὶ τὴν Ὀλυμπιάδα ταύτην ὕστερον οὐκ ἀνέγραψαν Ἥλαιοι διὰ τὸ δοκεῖν βίᾳ καὶ ἀδίκως διατεθῆναι. [4]

ἅμα δὲ τούτοις πραττομένοις Ἑπαμεινώνδας ὁ Θηβαῖος, μέγιστον ἔχων τῶν πολιτῶν ἀξίωμα, συναχθείσης ἐκκλησίας διελέχθη τοῖς πολίταις, προτρεπόμενος αὐτοὺς ἀντέχεσθαι τῆς κατὰ θάλατταν ἡγεμονίας, διελθὼν δὲ λόγον ἐκ χρόνου πεφροντισμένον ἐδείκνυε τὴν ἐπιβολὴν ταύτην συμφέρουσάν τε καὶ δυνατὴν, τὰ τε ἄλλα προφερόμενος καὶ διότι τοῖς πεζῇ κρατοῦσι ῥάδιόν ἐστι περιποιήσασθαι τὴν τῆς θαλάττης ἀρχήν· καὶ γὰρ Ἀθηναίους ἐν τῷ πρὸς Ξέρξην πολέμῳ διακοσίας ναῦς ἰδίᾳ πληροῦντας Λακεδαιμονίοις δέκα ναῦς παρεχομένοις ὑποτετάχθαι. πολλὰ δὲ καὶ ἄλλα πρὸς ταύτην τὴν ὑπόθεσιν οἰκείως διαλεχθεὶς ἔπεισε τοὺς Θηβαίους ἀντέχεσθαι τῆς κατὰ θάλατταν ἀρχῆς. 79. εὐθὺς οὖν ὁ δῆμος ἐψηφίσατο τριῆρεις μὲν ἑκατὸν ναυπηγεῖσθαι, νεώρια δὲ ταύταις ἴσα τὸν ἀριθμὸν, Ῥοδίους δὲ καὶ Χίους καὶ Βυζαντίους προτρέπεσθαι βοηθῆσαι ταῖς ἐπιβολαῖς. αὐτὸς δὲ μετὰ δυνάμεως ἐκπεμφθεὶς ἐπὶ τὰς εἰρημένους πόλεις Λάχνητα μὲν τὸν Ἀθηναίων στρατηγόν, ἔχοντα στόλον ἀξιόλογον καὶ διακωλύειν τοὺς Θηβαίους ἀπεσταλμένον, καταπληξάμενος καὶ ἀποπλεῦσαι συναναγκάσας, ἰδίας τὰς πόλεις τοῖς Θηβαίοις ἐποίησεν. [2] εἰ μὲν οὖν ὁ ἀνὴρ οὗτος πλείω χρόνον ἐπέζησεν, ὠμολογημένως ἂν οἱ Θηβαῖοι τῇ κατὰ γῆν ἡγεμονίᾳ καὶ τὴν τῆς θαλάττης ἀρχὴν προσεκτήσαντο· ἐπεὶ δὲ μετ' ὀλίγον χρόνον ἐν τῇ περὶ τὴν Μαντίνειαν μάχῃ λαμπροτάτην τὴν νίκην τῇ πατρίδι περιποιήσας ἥρωικῶς ἐτελεύτησεν, εὐθέως καὶ τὰ τῶν Θηβαίων πράγματα τῇ τούτου τελευτῇ συναπέθανεν. ἀλλὰ περὶ μὲν τούτων τὰ κατὰ μέρος μικρὸν ὕστερον ἀκριβῶς διέξιμεν. [3] τότε δὲ τοῖς Θηβαίοις ἔδοξε στρατεύειν ἐπὶ τὸν Ὀρχομενὸν διὰ τοιαύτας τινὰς αἰτίας. τῶν φυγᾶδων τινὲς βουλόμενοι τὴν ἐν Θήβαις πολιτείαν εἰς ἀριστοκρατικὴν κατάστασιν μεταστῆσαι, συνέπεισαν τοὺς τῶν Ὀρχομενίων ἱππεῖς, ὄντας τριακοσίους, συνεπιλαβέσθαι τῆς ἐπιβολῆς. [4] οὗτοι δὲ εἰωθότες μετὰ Θηβαίων ἀπαντᾶν ἡμέρα τεταγμένη πρὸς τὴν ἐξοπλισίαν, εἰς ταύτην συνέθεντο ποιήσασθαι τὴν ἐπίθεσιν· πολλῶν δὲ καὶ ἄλλων κοινωνούντων τῆς προθέσεως καὶ προσορμησάντων, ἀπήντησαν πρὸς τὸν καιρὸν. [5] οἱ μὲν οὖν συστησάμενοι τὴν πρᾶξιν μετανοήσαντες ἐδήλωσαν τοῖς βιοιτάρχαις τὴν ἐπίθεσιν, προδόντες τοὺς συννομόσαντας, καὶ διὰ τῆς εὐεργεσίας ταύτης ἑαυτοῖς ἐπορίσαντο τὴν σωτηρίαν. τῶν δ' ἀρχόντων συλλαβόντων τοὺς τῶν Ὀρχομενίων ἱππεῖς καὶ παραγαγόντων εἰς τὴν ἐκκλησίαν, ὁ δῆμος ἐψηφίσατο τούτους μὲν ἀποσφάζαι, τοὺς δ' Ὀρχομενίους ἐξανδραποδίσασθαι καὶ τὴν πόλιν κατασκάψαι. ἐκ παλαιῶν γὰρ χρόνων οἱ Θηβαῖοι πρὸς τούτους ἄλλοτρίως διέκειντο, δασμοφοροῦντες μὲν τοῖς Μινύαις ἐν τοῖς ἥρωικοῖς χρόνοις, ὕστερον δ' ὑφ' Ἡρακλέους ἐλευθερωθέντες. [6] οἱ δ' οὖν Θηβαῖοι καιρὸν ἔχειν νομίσαντες καὶ προφάσεις εὐλόγους τῆς τιμωρίας λαβόντες, ἐστράτευσαν ἐπὶ τὸν Ὀρχομενόν· κατασχόντες δὲ τὴν πόλιν τοὺς μὲν ἄνδρας ἀπέκτειναν, τέκνα δὲ καὶ γυναῖκας ἐξηνδραποδίσαντο. 80.

περὶ δὲ τοὺς αὐτοὺς καιροὺς Θετταλοὶ πρὸς Ἀλέξανδρον τὸν Φερῶν τύραννον διαπολεμοῦντες, καὶ πλείοσι μάχαις ἡττωμένοι, πολλοὺς δὲ τῶν στρατιωτῶν ἀπολωλεκότες, πρέσβεις ἀπέστειλαν πρὸς Θηβαίους, ἀξιοῦντες αὐτοῖς βοηθῆσαι καὶ στρατηγὸν αὐτοῖς ἐξαποστεῖλαι Πελοπίδαν. ἤδεισαν γὰρ

τοῦτον τὸν ἄνδρα διὰ τὴν ὑπ' Ἀλεξάνδρου σύλληψιν ἄλλοτριώτατα διακείμενον πρὸς τὸν δυνάστην, ἅμα δὲ καὶ ἀνδρεία διάφορον καὶ ἐπὶ στρατηγικῇ συνέσει διαβεβημένον. [2] συναχθείσης δὲ τῆς κοινῆς συνόδου τῶν Βοιωτῶν, καὶ τῶν πρέσβειων διαλεχθέντων περὶ ὧν εἶχον ἐντολάς, οἱ μὲν Βοιωτοὶ πάντα συνεχώρησαν τοῖς Θετταλοῖς, καὶ δόντες εἰς ἑπτακισχιλίους στρατιώτας τῷ Πελοπίδᾳ συντόμως ἐκέλευον βοηθεῖν αὐτὸν τοῖς δεομένοις: τοῦ δὲ Πελοπίδου ταχέως μετὰ τῆς δυνάμεως ἐξίοντος συνέβη τὸν ἥλιον ἐκλιπεῖν. [3] πολλῶν δὲ τὸ γεγονὸς ὑποπτευσαμένων, τῶν μάντεων τινες ἀπεφάναντο διὰ τὴν γενομένην ἔξοδον τῶν στρατιωτῶν ἐκλιπεῖν τὸν τῆς πόλεως ἥλιον. καὶ διὰ τούτων τῶν λόγων προλεγόντων τὸν τοῦ Πελοπίδου θάνατον, οὐδὲν ἤττον ὁ Πελοπίδας ἀνέξευξεν ἐπὶ τὴν στρατείαν, ὑπὸ τοῦ χρεῶν ἀγόμενος. [4] ὥς δὲ κατήντησεν εἰς τὴν Θετταλίαν, καὶ τὸν Ἀλεξάνδρον κατέλαβε προκατελιμμένον τοὺς ὑπερδεξίους τόπους καὶ στρατιώτας ἔχοντα πλείους τῶν δισμυρίων, ἀντεστρατοπέδευσε μὲν τοῖς πολεμίους, προσλαβόμενος δὲ συμμάχους παρὰ τῶν Θετταλῶν συνῆψε μάχην τοῖς ἐναντίοις. [5] τοῦ δὲ Ἀλεξάνδρου διὰ τὰς ὑπεροχὰς τῶν τόπων πλεονεκτοῦντος, ὁ Πελοπίδας σπεύδων διὰ τῆς ἰδίας ἀνδρείας κρῖναι τὴν μάχην ἐπ' αὐτὸν ὥρμησε τὸν Ἀλεξάνδρον. τοῦ δὲ δυνάστου μετὰ τῶν ἐπιλέκτων ὑποστάντος, ἐγένετο μάχη καρτερὰ, καθ' ἣν ὁ Πελοπίδας ἀριστεύων πάντα τὸν περὶ αὐτὸν τόπον νεκρῶν κατέστρωσε, τέλος δ' ἐπιθείς τῷ κινδύνῳ καὶ τοὺς πολεμίους τρεψάμενος τὴν μὲν νίκην περιποιήσατο, τὸν δὲ αὐτοῦ βίον ἀπέβαλε, πολλοῖς περιπεσὼν τραύμασι καὶ τὸ ζῆν ἥρωικῶς προέμενος. [6] ὁ δ' Ἀλεξάνδρος δευτέρᾳ μάχῃ λειφθεὶς καὶ τοῖς ὅλοις συντριβείς, ἠναγκάσθη καθ' ὁμολογίαν τοῖς μὲν Θετταλοῖς τὰς καταπεπολεμημένας πόλεις ἀποδοῦναι, Μάγνητας δὲ καὶ τοὺς Φθιώτας Ἀχαιοὺς παραδοῦναι Βοιωτοῖς, καὶ τὸ λοιπὸν Φερῶν μόνων ἄρχοντα σύμμαχον εἶναι Βοιωτοῖς. 81.

οἱ δὲ Θηβαῖοι περιβόητον νίκην ἀπενηνεγμένοι, πρὸς ἅπαντας ἔφασαν ἑαυτοὺς ἡττᾶσθαι διὰ τὴν Πελοπίδου τελευτήν: ἀξιόλογον γὰρ ἀπολωλεκότες ἄνδρα, κατὰ λόγον ἔκρινον τὴν νίκην ἤττονα ὑπάρχειν τῆς Πελοπίδου ζωῆς. πολλὰς γὰρ καὶ μεγάλας χρεῖας παρέσχετο τῇ πατρίδι, πλείστον δὲ συνεβάλετο πρὸς τὴν τῶν Θηβαίων αὔξησιν. ἐν γὰρ τῇ τῶν φυγᾶδων κατηλύσει, καθ' ἣν ἀνεκτήσαντο τὴν Καδμείαν, ὁμολογημένως ἅπαντες τούτῳ τὸ πρωτεῖον τοῦ κατορθώματος ἀπονέμουσιν. τὴν δ' εὐημερίαν ταύτην συνέβη πάντων τῶν ὕστερον γενομένων ἀγαθῶν αἰτίαν γενέσθαι. [2] ἐν δὲ τῇ περὶ Τεγύραν μάχῃ μόνος Πελοπίδας τῶν βοιωταρχῶν ἐνίκησε τοὺς Λακεδαιμονίους, πλείστον ισχύοντας τῶν Ἑλλήνων, ὅτε διὰ τὸ μέγεθος τῆς νίκης πρῶτον ἔστησαν Θηβαῖοι τρόπαιον κατὰ Λακεδαιμονίων. κατὰ δὲ τὴν ἐν Λεύκτροις μάχῃν ἡγήσατο τοῦ ἱεροῦ λόχου, μεθ' οὗ προεμβalὼν τοῖς Σπαρτιάταις ἀρχηγὸς ἐγένετο τῆς νίκης. ἐν δὲ ταῖς ἐπὶ Λακεδαίμονα στρατείαις ἑπτὰ μὲν ἡγήσατο μυριάδων, πρὸς αὐτῇ δὲ τῇ Σπάρτῃ τρόπαιον ἔστησε κατὰ τῶν Λακεδαιμονίων τῶν πάντα τὸν πρὸ τοῦ χρόνον ἀπορθητῶν γεγενημένων. [3] πρὸς δὲ τὸν Περσῶν βασιλέα πρεσβεύσας ἐν ταῖς κοιναῖς ὁμολογίαις τὴν Μεσσήνην κατ' ἰδίαν παρέλαβεν, ἣν ἀνάστατον οὖσαν ἔτη τριακόσια Θηβαῖοι πάλιν ἀποκατέστησαν. ἐπὶ τελευτῆς δὲ διαγωνισάμενος

πρὸς Ἀλέξανδρον ἔχοντα πολλαπλασίονα δύναμιν οὐ μόνον ἐπιφανῶς ἐνίκησεν, ἀλλὰ καὶ τὸν θάνατον ἔσχεν ἐπ' ἀρετῇ περιβόητον. [4] πρὸς δὲ τοὺς πολίτας οὕτω καλῶς διετέθη, ὥστε ἀπὸ τῆς εἰς τὰς Θήβας καθόδου τῶν φυγάδων μέχρι τῆς ἑαυτοῦ τελευτῆς βοιωταρχῶν πάντα τὸν χρόνον διετέλεσε, μηδενὸς ἄλλου τῶν πολιτῶν ταύτης ἡξιωμένου τῆς τιμῆς. Πελοπίδας μὲν οὖν, διὰ τὴν ἰδίαν ἀρετὴν ὑπὸ πάντων ἀποδοχῆς ἡξιωμένος, ἐχέτω καὶ παρ' ἡμῶν τὸν διὰ τῆς ἱστορίας ἔπαινον. [5]

κατὰ δὲ τοὺς αὐτοὺς χρόνους Κλέαρχος, τὸ γένος ὦν ἐξ Ἡρακλείας τῆς ἐν τῷ Πόντῳ, ἐπέθετο τυραννίδι: κρατήσας δὲ τῆς ἐπιβολῆς ἐξήλωσε μὲν τὴν διαγωγὴν τὴν Διονυσίου τοῦ Συρακοσίων τυράννου, τυραννεύσας δὲ τῶν Ἡρακλεωτῶν ἐπιφανῶς ἤρξεν ἔτη δώδεκα. [6] ἅμα δὲ τούτοις πραττομένοις Τιμόθεος ὁ Ἀθηναίων στρατηγὸς ἔχων δύναμιν πεζὴν τε καὶ ναυτικὴν Τορώνην μὲν καὶ Ποτίδαιαν πολιορκήσας εἶλε, Κυζικηνοῖς δὲ πολιορκουμένοις ἐβοήθησεν. 82.

τοῦ δ' ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν ἤρχε Χαρικλείδης, ἐν Ῥώμῃ δ' ὕπατοι κατεστάθησαν Λεύκιος Αἰμίλιος Μάμερκος καὶ Λεύκιος Σέξτιος Λατερίας. ἐπὶ δὲ τούτων Ἀρκάδες μετὰ Πισαίων κοινῇ θεεικότες ὑπῆρχον τὸν ἀγῶνα τῶν Ὀλυμπίων, καὶ ἐκυρίευνον τοῦ ἱεροῦ καὶ τῶν ἐν αὐτῷ χρημάτων. τῶν δὲ Μαντινέων ἀναλαβόντων εἰς τοὺς ἰδίους βίους οὐκ ὀλίγα τῶν ἀναθημάτων ἔσπευδον οἱ παρανομήσαντες διακατέχειν τὸν πρὸς Ἡλείους πόλεμον, ἵνα μὴ δῶσιν ἐν εἰρήνῃ λόγον τῶν ἀναλωθέντων. [2] τῶν δὲ ἄλλων Ἀρκάδων βουλομένων συνθέσθαι τὴν εἰρήνην, στάσεις ἐκίνησαν πρὸς τοὺς ὁμοεθνεῖς, γενομένων οὖν δυεῖν ἐταιριῶν, συνέβαινε τῆς μὲν τοὺς Τεγεάτας, τῆς δὲ τοὺς Μαντινεῖς ἡγεῖσθαι. [3] ἐπὶ πολὺ δὲ τῆς διαφορᾶς αὐξηθείσης εἰς τὴν διὰ τῶν ὄπλων κρίσιν κατήντησαν, καὶ Τεγεᾶται μὲν πρεσβεύσαντες πρὸς Βοιωτοὺς ἔπεισαν ἑαυτοῖς βοηθεῖν, οἱ δὲ Βοιωτοὶ στρατηγὸν ἐπιστήσαντες Ἐπαμεινώνδαν καὶ δύναμιν ἀξιόλογον δόντες ἐξαπέστειλαν βοηθῆσαι τοῖς Τεγεαταῖς. [4] οἱ δὲ Μαντινεῖς τὴν ἐκ τῆς Βοιωτίας δύναμιν καὶ τὴν Ἐπαμεινώνδου δόξαν καταπλαγέντες, πρὸς τοὺς ἐχθροτάτους τῶν Βοιωτῶν Ἀθηναίους καὶ Λακεδαιμονίους πρέσβεις ἐπέμψαντες ἔπεισαν συμμαχεῖν. ὦν ἀμφοτέρων ἀδράς δυνάμεις ταχέως ἀποστείλάντων, ἀγῶνες πολλοὶ καὶ μεγάλοι κατὰ τὴν Πελοπόννησον συνέστησαν. [5] εὐθὺς οὖν Λακεδαιμόνιοι μὲν πλησίον οἰκοῦντες ἐστράτευσαν εἰς τὴν Ἀρκαδίαν, Ἐπαμεινώνδας δὲ κατὰ τοῦτον τὸν καιρὸν μετὰ τῆς δυνάμεως προῖων καὶ τῆς Μαντινείας οὐ μακρὰν ἀπέχων ἐπύθετο παρὰ τῶν ἐγγχωρίων, ὅτι Λακεδαιμόνιοι πανδημεὶ πορθοῦσι τὴν τῶν Τεγεατῶν χώραν. [6] ὑπολαβὼν οὖν ἔρημον εἶναι στρατιωτῶν τὴν Σπάρτην, ἐπεβάλετο μὲν μέγα τι πρᾶξαι, τὴν δὲ τύχην ἔσχεν ἀντιπράττουσαν. αὐτὸς μὲν γὰρ νυκτὸς ὥρμησεν ἐπὶ τὴν Σπάρτην, ὁ δὲ βασιλεὺς τῶν Λακεδαιμονίων Ἄγις ὑποπτεύσας τὴν ἀγχίνουαν τὴν Ἐπαμεινώνδου κατεστοχάσατο μὲν τὸ μέλλον ἐμφρόνως, ἐξέπεμψε δὲ τινὰς Κρήτας ἡμεροδρόμους, δι' ὧν καταταγῆσας τὸν Ἐπαμεινώνδαν τοῖς ἀπολελειμμένοις ἐν τῇ Σπάρτῃ ἐδήλωσε, διότι Βοιωτοὶ συντόμως ἤξουσιν ἐπὶ τὴν Λακεδαίμονα πορθήσοντες τὴν πόλιν, αὐτὸς δ' ὥς ἂν τάχιστα δύναιτο μετὰ τῆς δυνάμεως ἤξει βοηθήσων τῇ πατρίδι. ἐκέλευεν οὖν τοῖς ἐν τῇ

Σπάρτη παραφυλάττειν τὴν πόλιν μηδὲν καταπεπληγμένους: ταχὺ γὰρ αὐτὸν ἐπιφανέντα βοηθήσειν. 83. τῶν δὲ Κρητῶν συντόμως τὸ παραγγελθὲν ποιησάντων, παραδόξως οἱ Λακεδαιμόνιοι τὴν ἄλωσιν τῆς πατρίδος ἐξέφυγον: μὴ προδηλωθείσης γὰρ τῆς ἐπιθέσεως ἔλαθεν ἂν ὁ Ἐπαμεινώνδας εἰσπεσὼν εἰς τὴν Σπάρτην. τὴν μὲν οὖν ἐπίνοιαν τῶν στρατηγῶν ἀμφοτέρων δικαίως ἂν τις ἀποδέξαιτο, συνεωτέραν δὲ στρατηγίαν τὴν τοῦ Λάκωνος ἡγήσαιτο. [2] οὐ μὴν ἄλλ' ὁ Ἐπαμεινώνδας ὅλην τὴν νύκτα διαγρυπνήσας καὶ τὸ διάστημα τῆς ὁδοῦ κατὰ σπουδὴν διανύσας ἅμ' ἡμέρα προσήγε τῇ Σπάρτῃ. ὁ δ' ἐπὶ τῆς φυλακῆς ἀπολελειμμένος Ἀγησίλαος ὀλίγω πρότερον χρόνῳ τῶν Κρητῶν ἀκούσας τὰ κατὰ μέρος, εὐθὺς μετὰ πολλῆς σπουδῆς τὴν ἐπιμέλειαν ἐποίησατο τῆς πόλεως. [3] τοὺς μὲν οὖν πρεσβυτάτους τῶν παίδων καὶ τοὺς γεγηρακότας ἐπὶ τὰ στέγη τῶν οἰκιῶν ἀνεβίβασε, καὶ προσέταξεν ἀπὸ τούτων ἀμύνασθαι τοὺς εἰς τὴν πόλιν βιαζομένους, αὐτὸς δὲ τοὺς ἀκμάζοντας ταῖς ἡλικίαις συντάξας διεμέρισεν εἰς τὰς πρὸ τῆς πόλεως δυσχωρίας καὶ παρόδους, καὶ πάντας τοὺς δυναμένους τόπους δέξασθαι δίοδον ἐμφράξας ἀνέμενε τὴν τῶν πολεμίων ἔφοδον. [4] Ἐπαμεινώνδας δ' εἰς πλείω μέρη διελόμενος τοὺς στρατιώτας, καὶ πάντῃ προσπίπτων κατὰ τὸν αὐτὸν καιρὸν, ὥς εἶδε τὴν τῶν Σπαρτιατῶν σύνταξιν, εὐθὺς ἔγνω μεμνημένην τὴν πρᾶξιν: ὅμως δὲ προσμαχόμενος πᾶσι κατὰ μέρος καὶ ταῖς δυσχωρίαις ἐλαττούμενος συνῆπτεν εἰς χεῖρας. [5] πολλὰ δὲ παθὼν καὶ δράσας οὐκ ἀπέστη τῆς φιλοτιμίας, ἕως τὸ στράτευμα τῶν Λακεδαιμονίων ἐπανῆλθεν εἰς τὴν Σπάρτην: πολλῶν δὲ βοηθούντων τοῖς πολιορκουμένοις, καὶ τῆς νυκτὸς καταλαβούσης, ἔλυσεν τὴν πολιορκίαν. 84.

πυθόμενος δὲ παρὰ τῶν αἰχμαλώτων ὅτι Μαντινεῖς πανδημεῖ πάρεισι βοηθοῦντες τοῖς Λακεδαιμονίοις, τότε μὲν ἀναχωρήσας μικρὸν ἀπὸ τῆς πόλεως κατεστρατοπέδευσεν: παραγγείλας δὲ δειπνοποιεῖσθαι, καταλιπὼν τῶν ἰππέων τινάς, τούτοις μὲν παρήγγειλεν ἕως ἑωθινῆς φυλακῆς πυρὰ καίειν ἐν τῇ παρεμβολῇ, αὐτὸς δὲ μετὰ τῆς δυνάμεως ἀφορμήσας ἔσπευσεν ἄφνω προσπεσεῖν τοῖς ἀπολελειμμένοις ἐν τῇ Μαντινείᾳ. [2] τῇ δ' ὕστεραία πολλὴν διανύσας ὁδὸν ἄφνω τοῖς Μαντινεῦσιν ἀνελπίστως ἐπέρραξεν, οὐ μὴν ἐκράτησε τῆς ἐπιβολῆς, καίπερ ἅπαντα τῇ στρατηγίᾳ προνοησάμενος, ἀλλὰ τὴν τύχην λαβὼν ἀντιπράττουσαν παραδόξως ἀπέβαλε τὴν νίκην. ἄρτι γὰρ αὐτοῦ πλησιάζοντος ἐρήμῳ τῇ πόλει κατήντησαν ἐπὶ θάτερα τῆς Μαντινείας οἱ πεμφθέντες ὑπὸ τῶν Ἀθηναίων στρατιῶται πρὸς τὴν συμμαχίαν, ὄντες ἑξακισχίλιοι, στρατηγὸν δ' ἔχοντες Ἥγησίλεων, ἄνδρα τότε παρὰ τοῖς πολίταις ἐπαινούμενον. οὗτος δὲ τοὺς ἱκανοὺς εἰς τὴν πόλιν παρειαγαγὼν, τὴν ἄλλην δύναμιν ἐξέταξεν ὥς μάχῃ διακριθισόμενος. [3] εὐθὺς δὲ καὶ Λακεδαιμόνιοι καὶ Μαντινεῖς ἐπεφάνησαν, καὶ πρὸς τὴν τῶν ὅλων κρίσιν ἅπαντες κατεσκευάζοντο καὶ τοὺς πανταχόθεν συμμάχους μετεπέμποντο. [4] τοῖς μὲν οὖν Μαντινεῦσιν ἐβοήθουν Ἠλεῖοι καὶ Λακεδαιμόνιοι καὶ Ἀθηναῖοι καὶ ἄλλοι τινές, ὧν ὁ σύμπας ἀριθμὸς ἦν πεζοὶ μὲν πλείους τῶν δισμυρίων, ἰππεῖς δὲ περὶ δισχιλίους: τοῖς δὲ Τεγεάταις συνεμάχουν οἱ πλείστοι καὶ κράτιστοι τῶν Ἀρκάδων καὶ Ἀχαιοὶ καὶ Βοιωτοὶ καὶ Ἀργεῖοι καὶ τινες ἕτεροι τῶν Πελοποννησίων καὶ τῶν ἔξωθεν συμμάχων, οἱ δὲ πάντες ἠθροίσθησαν

πεζοὶ μὲν ὑπὲρ τοὺς τρισμυρίους, ἵππεῖς δ' οὐκ ἐλάττους τῶν τρισχιλίων. 85. ἀμφοτέρων δὲ προθύμως συγκαταβάτων εἰς τὸν ὑπὲρ τῶν ὄλων ἀγῶνα, καὶ διαταχθέντων τῶν στρατοπέδων, οἱ μὲν μάντιες σφαγιασάμενοι παρ' ἀμφοτέροις ἀπεφαίνοντο τὴν νίκην ὑπὸ τῶν θεῶν προφανομένην: [2] κατὰ δὲ τὴν τάξιν Μαντινεῖς μὲν μετὰ τῶν ἄλλων Ἀρκάδων τὸ δεξιὸν ἐπέιχον κέρας, ἔχοντες παραστάτας καὶ συναγωνιστὰς Λακεδαιμονίους, τούτοις δὲ συνεχεῖς ἦσαν Ἥλαιοι καὶ Ἀχαιοί, καὶ τῶν ἄλλων οἱ καταδεέστεροι τὴν μέσσην ἐπέιχον τάξιν: τὸ δ' εὐώνυμον κέρας ἀνεπλήρουν Ἀθηναῖοι. Θηβαῖοι δ' αὐτοὶ μὲν ἐπὶ τὸ εὐώνυμον κέρας ἐτάχθησαν, παραστάτας ἔχοντες Ἀρκάδας, τὸ δὲ δεξιὸν παρέδωκαν Ἀργείοις: τὸ δὲ ἄλλο πλῆθος ἀνεπλήρου τὴν μέσσην τάξιν, Εὐβοεῖς καὶ Λοκροὶ καὶ Σικυώνιοι, πρὸς δὲ τούτοις Μεσσήνιοι καὶ Μαλιεῖς καὶ Αἰνιᾶνες, ἔτι δὲ καὶ Θετταλοὶ καὶ οἱ λοιποὶ σύμμαχοι. τοὺς δ' ἵππεῖς ἐφ' ἑκατέρων τῶν κεράτων ἀμφοτέροι διεΐλοντο. [3] τῶν δὲ στρατευμάτων τοῦτον τὸν τρόπον τεταγμένων, ὥς ἤδη πλησίον ὑπῆρχον ἀλλήλων, αἱ μὲν σάλπιγγες τὸ πολεμικὸν ἐσήμαινον, αἱ δὲ δυνάμεις ἡλάλαξαν καὶ τῷ μεγέθει τῆς βοῆς τὴν νίκην ἐσήμαινον. καὶ τὸ μὲν πρῶτον ἵππομαχίαν ἐν τοῖς κέρασι συνεστήσαντο, καθ' ἣν ταῖς φιλοτιμίαις ἑαυτοὺς ὑπερεβάλοντο. [4] οἱ μὲν γὰρ τῶν Ἀθηναίων ἵππεῖς τοῖς τῶν Θηβαίων ἐπελάσαντες ἡλαττοῦντο οὐχ οὕτω ταῖς τῶν ἵππων ἀρεταῖς οὐδὲ ταῖς ἰδίαις εὐψυχίαις οὐδὲ ταῖς κατὰ τὴν ἱππικὴν ἐμπειρίαις: ἐν γὰρ τούτοις ἅπασιν οὐκ ἦν καταδεέστερον τὸ τῶν Ἀθηναίων ἱππικόν: τῷ δὲ πλήθει καὶ τῇ παρασκευῇ τῶν ψιλῶν καὶ τῇ στρατηγικῇ συντάξει πολὺ τῶν ἐναντίων ἐλείποντο. αὐτοὶ μὲν οὖν ὀλίγους εἶχον ἀκοντιστάς, οἱ δὲ Θηβαῖοι τριπλασίους σφενδονήτας καὶ ἀκοντιστάς τοὺς ἐκ τῶν περὶ τὴν Θετταλίαν τόπων ἀπεσταλμένους. [5] οὗτοι περιττότερον ἐκ παίδων ζηλοῦντες τὴν ἐν τούτοις μάχην, μεγάλην ῥοπὴν ποιεῖν εἰώθεισαν ἐν ταῖς μάχαις διὰ τὴν ἐν τούτοις ἐμπειρίαν. διόπερ οἱ Ἀθηναῖοι κατατιτρωσκόμενοι μὲν ὑπὸ τῶν ψιλικῶν, καταπονούμενοι δ' ὑπὸ τῶν ἀνθεστηκότων, ἅπαντες ἐτράπησαν. [6] τὴν δὲ φυγὴν ἐκτὸς τῶν κεράτων ποιησάμενοι διωρθώσαντο τὴν ἦτταν: ἅμα μὲν γὰρ κατὰ τὴν ἀποχώρησιν οὐκ ἐτάραξαν τὴν ἰδίαν φάλαγγα, ἅμα δὲ περιπεσόντες Εὐβοεῦσι καὶ μισθοφόροις τισὶν ἀπεσταλμένοις ἐπὶ τὴν κατάληψιν τῶν πλησίον λόφων, συνάψαντες αὐτοῖς μάχην ἅπαντας ἀπέκτειναν. [7] οἱ δὲ τῶν Θηβαίων ἵππεῖς τοὺς μὲν φεύγοντας οὐκ ἐπεδίωξαν, ἐπὶ δὲ τὴν φάλαγγα τῶν ἀντιτεταγμένων ἐπελάσαντες ἐφιλοτιμοῦντο παραλλάξαι τοὺς πεζοὺς. ἰσχυρὰς δὲ μάχης γενομένης, καὶ τῶν Ἀθηναίων καταπονουμένων καὶ πρὸς φυγὴν ὀρμησάντων, ὁ τῶν Ἥλειων ἵππαρχος ἐπὶ τῆς οὐραγίας τεταγμένος ἐπεβοήθησε τοῖς φεύγουσι, καὶ πολλοὺς τῶν Βοιωτῶν καταβαλὼν παλίντροπον ἐποίησε τὴν μάχην. [8] οἱ μὲν οὖν τῶν Ἥλειων ἵππεῖς τοῦτον τὸν τρόπον ἐπιφανέντες τῷ λαῷ κέρατι τὸ γεγονὸς περὶ τοὺς συμμάχους ἐλάττωμα διωρθώσαντο: ἐπὶ δὲ θατέρου κέρατος ἐπιρραξάντων ἀλλήλοισι τῶν ἱπέων βραχὺν χρόνον ἢ μάχη διέμεινεν ἰσόρροπος, μετὰ δὲ ταῦτα διὰ τε τὸ πλῆθος καὶ τὴν ἀρετὴν τῶν Βοιωτῶν καὶ Θετταλῶν ἱπέων οἱ μετὰ τῶν Μαντινέων ὄντες ἐβιάσθησαν, καὶ συχνοὺς ἀποβαλόντες κατέφυγον πρὸς τὴν ἰδίαν φάλαγγα. 86. ἡ μὲν οὖν τῶν παρ' ἀμφοτέροις ἱπέων μάχη τοιοῦτον ἔσχε τὸ τέλος: αἱ δὲ πεζαὶ δυνάμεις ὡς

συνήλθον εἰς χεῖρας τοῖς πολεμίοις, μεγάλους καὶ θαυμαστοὺς ἀγῶνας συνεστήσαντο. οὐδέποτε γὰρ Ἑλλήνων πρὸς Ἑλληνας ἀγωνιζομένων οὔτε πλῆθος ἀνδρῶν τοσοῦτο παρετάξατο οὔθ' ἡγεμόνες ἀξιολογώτεροι τοῖς ἀξιώμασιν οὔτε ἄνδρες δυνατώτεροι τὰς ἐν τοῖς κινδύνοις ἀνδραγαθίας ἐπεδείξαντο. [2] οἱ γὰρ πεζομαχεῖν ἄριστα δυνάμενοι κατὰ τοὺς ὑποκειμένους καιροὺς, Βοιωτοὶ καὶ Λακεδαιμόνιοι, πρὸς ἀλλήλους κατὰ τὴν τάξιν ἀνθεστηκότες πρῶτον μάχην συνήψαν, οὐδεμίαν φειδῶ ποιοῦμενοι τοῦ ζῆν. καὶ τὸ μὲν πρῶτον τύπτοντες ἀλλήλους τοῖς δόρασι, καὶ διὰ τὴν πυκνότητα τῶν πληγῶν τὰ πλεῖστα συντρίψαντες, εἰς τὸν ἀπὸ τῆς μαχαίρας ἀγῶνα κατήντησαν. [3] συμπλεκόμενοι δὲ τοῖς σώμασι καὶ παντοίας διαθέσεις τραυμάτων ἀπεργαζόμενοι τοῖς θυμοῖς οὐκ ἔλγον· ἐπὶ πολὺν δὲ χρόνον τοῖς δεινοῖς ἐγκαρτερούντων διὰ τὴν ὑπερβολὴν τῆς παρ' ἑκατέρους ἀνδραγαθίας οὐδεμίαν ῥοπὴν ἐλάμβανεν ἡ μάχη ἕκαστος γὰρ τοῦ παθεῖν τι δεινὸν καταφρονῶν, τοῦ δὲ δρᾶσαι τι λαμπρὸν ἐφίεμενος, εὐγενῶς ἀνεδέχετο τὸν ὑπὲρ τῆς δόξης θάνατον. [4] ἰσχυρὰς δὲ μάχης ἐπὶ πολὺν τε χρόνον γινομένης καὶ τοῦ κινδύνου μηδεμίαν ῥοπὴν λαμβάνοντος, ὁ μὲν Ἑπαμεινώνδας ὑπολαβὼν τῆς ἰδίας ἀρετῆς προσδεῖσθαι τὴν νίκην, ἔγνω δι' ἑαυτοῦ κρῖναι τὸν κίνδυνον. εὐθὺς οὖν ἀναλαβὼν τοὺς ἀρίστους καὶ μετὰ τούτων συμφράξας, εἰσέβαλεν εἰς μέσους τοὺς πολεμίους· καθηγούμενος δὲ τοῦ συντάγματος, καὶ πρῶτος ἀκοντίσας, ἔβαλε τὸν ἡγούμενον τῶν Λακεδαιμονίων. [5] εὐθὺς δὲ καὶ τῶν ἄλλων εἰς χεῖρας ἐρχομένων, οὓς μὲν ἀνελών, οὓς δὲ καταπληξάμενος, διέκοψε τὴν φάλαγγα τῶν πολεμίων. οἱ δὲ Λακεδαιμόνιοι τὸ ἀξίωμα τοῦ Ἑπαμεινώνδου καὶ τὸ βάρος τοῦ περὶ αὐτὸν συστήματος καταπλαγέντες ἀνεχώρουν ἐκ τῆς μάχης· ἐπικειμένων δὲ τῶν Βοιωτῶν καὶ τοὺς ἐσχάτους αἰεὶ φονευόντων, νεκρῶν ἐσωρευθὴ πλῆθος. 87. οἱ δὲ Λακεδαιμόνιοι θεωροῦντες Ἑπαμεινώνδαν προθυμότερον προπίπτοντα τῷ θυμῷ, συνέδραμον ἐπ' αὐτόν. πολλῶν δὲ καὶ πυκνῶν φερομένων βελῶν, τὰ μὲν ἐξένευε, τὰ δὲ διεκρούετο, τινὰ δὲ ἐκ τοῦ σώματος ἐξαίρων τούτοις ἡμύνετο τοὺς ἐπιφερομένους. ἥρωικῶς δ' ὑπὲρ τῆς νίκης ἀγωνισάμενος καιρίαν ἔλαβε πληγὴν εἰς τὸν θώρακα. κλασθέντος δὲ τοῦ δόρατος, καὶ τοῦ σιδήρου καταλειφθέντος ἐν τῷ σώματι, παραχρῆμα ἔπεσε κατισχυθεὶς ὑπὸ τῆς πληγῆς. περὶ δὲ τοῦ σώματος ἐμπεσοῦσης φιλοτιμίας, καὶ πολλῶν παρ' ἀμφοτέροις ἀναιρεθέντων, μόγις οἱ Θηβαῖοι τῇ ῥώμῃ τῶν σωμάτων προέχοντες κατεπύνησαν τοὺς Λακεδαιμονίους. [2] φυγῆς δὲ γενομένης, οἱ μὲν Βοιωτοὶ βραχὺν ἐπιδιώξαντες χρόνον ἀνέστρεψαν, ἀναγκαιότατον ἡγούμενοι τὸ κυριεῦσαι τῶν νεκρῶν. ἀνακαλεσαμένων οὖν τῶν σαλπικτῶν τοὺς στρατιώτας, ἅπαντες τῆς μάχης ἀπέστησαν, καὶ τρόπαιον ἀμφοτέροι στήσαντες ἡμφεσβήτουν τῆς νίκης. [3] οἱ μὲν γὰρ Ἀθηναῖοι νενικηκότες τοὺς περὶ τὸν λόφον Εὐβοεῖς καὶ μισθοφόρους κύριοι τῶν νεκρῶν ὑπῆρχον, οἱ δὲ Βοιωτοὶ τοὺς Λακεδαιμονίους ἀπὸ κράτους ἡττηκότες καὶ κρατοῦντες τῶν πεπτωκότων προσένεμον ἑαυτοῖς τὴν νίκην. [4] ἐπὶ μὲν οὖν χρόνον τινὰ περὶ τῆς τῶν νεκρῶν ἀναίρεσεως οὐδέτεροι διεπρεσβεύσαντο, ἵνα μὴ δόξωσιν ἐκχωρεῖν τοῦ πρωτείου· μετὰ δὲ ταῦτα τῶν Λακεδαιμονίων πρῶτων ἐπικηρυκευσαμένων περὶ τῆς τῶν νεκρῶν ἀναίρεσεως ἀμφοτέροι τοὺς ἰδίους

ἔθαπσαν. [5] Ἐπαμεινώνδας δ' ἔτι ζῶν εἰς τὴν παρεμβολὴν ἀπηνέχθη, καὶ τῶν συγκληθέντων ἱατρῶν ἀποφηναμένων, ὅτι πάντως, ὅταν ἐκ τοῦ θώρακος ἐξαιρεθῇ τὸ δόρυ, συμβήσεται καὶ τὸν θάνατον ἐπακολουθήσαι, εὐψυχότατα τὴν τοῦ βίου καταστροφὴν ἐποιήσατο. [6] πρῶτον μὲν γὰρ τὸν ὑπασπιστὴν προσκαλεσάμενος ἐπηρώτησεν, εἰ διασέσωκε τὴν ἀσπίδα. τοῦ δὲ φήσαντος καὶ θέντος αὐτὴν πρὸ τῆς ὀράσεως, πάλιν ἐπηρώτησε, πότεροι νενικήκασιν. ἀποφαινομένου δὲ τοῦ παιδός, ὅτι Βοιωτοὶ νενικήκασιν, ὦρα, φησὶν, ἐστὶ τελευτᾶν, καὶ προσέταξεν ἐκσπάσαι τὸ δόρυ. ἀναβοησάντων δὲ τῶν παρόντων φίλων, καὶ τινος εἰπόντος ὅτι τελευτᾷς ἄτεκνος, Ἐπαμεινώνδα, καὶ δακρύσαντος, μὰ Δία μὲν, φησὶν, ἀλλὰ καταλείπω δύο θυγατέρας, τὴν τε ἐν Λεύκτροις νίκην καὶ τὴν ἐν Μαντινείᾳ. καὶ τοῦ δόρατος ἐξαيرهθέντος ἄνευ πάσης ταραχῆς ἐξέπνευσεν. 88.

ἡμεῖς δ' εἰωθότες ταῖς τῶν ἀγαθῶν ἀνδρῶν τελευταῖς ἐπιλέγειν τὸν ἴδιον ἔπαινον, οὐδαμῶς ἀρμόττον ἡγούμεθα παραδραμεῖν ἀνδρὸς τηλικούτου τὴν τελευτὴν ἀνεπισήμαντον. δοκεῖ γάρ μοι μὴ μόνον τοὺς καθ' ἑαυτὸν ὑπερβάλλειν ἐν τῇ στρατηγικῇ συνέσει καὶ ἐμπειρίᾳ, πρὸς δὲ τούτοις ἐπιεικεία τε καὶ μεγαλοψυχία. [2] κατὰ μὲν γὰρ τὴν ἡλικίαν τὴν τούτου γεγόνασιν ἄνδρες ἐπιφανεῖς Πελοπίδας τε Θηβαῖος καὶ Τιμόθεος καὶ Κόνων, ἔτι δὲ Χαβρίας τε καὶ Ἴφικράτης οἱ Ἀθηναῖοι, πρὸς δὲ τούτοις Ἀγησίλαος ὁ Σπαρτιάτης, βραχὺ τοῖς χρόνοις προτερῶν: ἐν δὲ τοῖς πρὸ τοῦ χρόνους, ἐπὶ τῶν Μηδικῶν καὶ πρὸ τῶν Περσικῶν καιρῶν, Σόλων καὶ Θεμιστοκλῆς καὶ Μιλτιάδης, ἔτι δὲ Κίμων καὶ Μυρωνίδης καὶ Περικλῆς καὶ τινες ἕτεροι παρὰ τοῖς Ἀθηναίοις, κατὰ δὲ τὴν Σικελίαν Γέλων ὁ Δεινομένους καὶ τινες ἕτεροι. [3] ἀλλ' ὅμως εἴ τις συγκρίναι τὰς τούτων ἀρετὰς τῇ Ἐπαμεινώνδου στρατηγίᾳ τε καὶ δόξῃ, πολὺ ἂν προέχουσαν εὖροι τὴν περὶ τὸν Ἐπαμεινώνδαν ἀρετὴν. παρὰ μὲν γὰρ ἐκάστῳ τῶν ἄλλων ἐν ἂν εὖροι προτέρημα τῆς δόξης, παρὰ δὲ τούτῳ πάσας τὰς ἀρετὰς ἡθροισμένας. καὶ γὰρ ῥώμη σώματος καὶ λόγου δεινότητι, πρὸς δὲ τούτοις ψυχῆς λαμπρότητι καὶ μισαργυρίᾳ καὶ ἐπιεικείᾳ, καὶ τὸ μέγιστον, ἀνδρεία καὶ στρατηγικῇ συνέσει πολὺ διήνεγκε πάντων. [4] τοιγαροῦν ἡ πατρίς αὐτοῦ ζῶντος μὲν ἐκτίσατο τὴν ἡγεμονίαν τῆς Ἑλλάδος, τελευτήσαντος δὲ ταύτης ἐστερήθη καὶ τῆς ἐπὶ τὸ χεῖρον αἰεὶ μεταβολῆς ἐπειράθη, καὶ πέρας διὰ τὴν ἀφροσύνην τῶν ἡγουμένων ἀνδραποδισμοῦ καὶ κατασκαφῆς ἔλαβε πείραν. Ἐπαμεινώνδας μὲν οὖν παρὰ πᾶσι περιβόητον ἔχων τὴν ἀρετὴν, τοιαύτης ἔτυχε καταστροφῆς τοῦ βίου. 89. οἱ δ' Ἕλληνες μετὰ τὴν μάχην ἀμφισβητουμένην ἔχοντες τὴν νίκην, καὶ ταῖς ἀνδραγαθίαις ἐφάμιλλοι καθεστῶτες, ἔτι δὲ τῇ συνεχείᾳ τῶν κινδύνων καταπονούμενοι, διελύσαντο πρὸς ἀλλήλους. συνθέμενοι δὲ κοινὴν εἰρήνην καὶ συμμαχίαν, κατέταττον ἐν τῇ συμμαχίᾳ καὶ τοὺς Μεσσηνίους. [2] οἱ δὲ Λακεδαιμόνιοι διὰ τὴν πρὸς τούτους ἀκατάλλακτον ἀλλοτριότητα τῶν σπονδῶν οὐ προείλοντο κοινωνεῖν καὶ μόνοι τῶν Ἑλλήνων ὑπῆρχον ἔκσπονδοι. [3]

τῶν δὲ συγγραφέων Ξενοφῶν μὲν ὁ Ἀθηναῖος τὴν τῶν Ἑλληνικῶν σύνταξιν εἰς τοῦτον τὸν ἐνιαυτὸν κατέστρεφεν ἐπὶ τὴν Ἐπαμεινώνδου τελευτὴν: Ἀναξιμένης δὲ ὁ Λαμψακηνὸς τὴν πρώτην τῶν Ἑλληνικῶν ἀνέγραψεν ἀρξάμενος ἀπὸ θεογονίας καὶ ἀπὸ τοῦ πρώτου γένους τῶν

ἀνθρώπων, κατέστροφε δ' εἰς τὴν ἐν Μαντινείᾳ μάχην καὶ τὴν Ἐπαμεινώνδου τελευτήν: περιέλαβε δὲ πάσας σχεδὸν τὰς τε τῶν Ἑλλήνων καὶ βαρβάρων πράξεις ἐν βύβλοις δώδεκα. Φίλιστος δὲ τὰ περὶ Διονύσιον τὸν νεώτερον ᾧδε κατέστροφε, διελθὼν ἔτη πέντε ἐν βύβλοις δυσὶν. 90.

ἐπ' ἄρχοντος δ' Ἀθήνησι Μόλωνος ἐν Ῥώμῃ κατεστάθησαν ὕπατοι Λεύκιος Γενούκιος καὶ Κόιντος Σερουίλιος. ἐπὶ δὲ τούτων οἱ τὴν παράλιον οἰκοῦντες τῆς Ἀσίας ἀπέστησαν ἀπὸ Περσῶν, καὶ τινες τῶν σατραπῶν καὶ στρατηγῶν ἐπαναστάντες πόλεμον ἐξήνεγκαν πρὸς Ἀρταξέρξη. [2] ὁμοίως δὲ τούτοις καὶ Ταχῶς ὁ βασιλεὺς τῶν Αἰγυπτίων κρίνας πολεμεῖν τοῖς Πέρσαις, ναῦς τε κατεσκεύασε καὶ πεζὰς δυνάμεις ἤθροισεν. πολλοὺς δὲ ξενολογήσας ἐκ τῶν Ἑλληνίδων πόλεων ἔπεισε καὶ Λακεδαιμονίους συμμαχεῖν: οἱ γὰρ Σπαρτιάται πρὸς Ἀρταξέρξην ἄλλοτρίως εἶχον διὰ τὸ τοὺς Μεσσηνίους ὁμοίως τοῖς ἄλλοις Ἑλλήσιν ὑπὸ τοῦ βασιλέως εἰς τὴν κοινὴν εἰρήνην κατατετάχθαι. τηλικαύτης δὲ συνδρομῆς κατὰ τῶν Περσῶν γενομένης, καὶ ὁ βασιλεὺς παρεσκευάζετο τὰ πρὸς τὸν πόλεμον. [3] ὑπὸ γὰρ τὸν αὐτὸν καιρὸν ἔδει πρὸς τε τὸν τῶν Αἰγυπτίων βασιλέα πολεμεῖν καὶ πρὸς τὰς κατὰ τὴν Ἀσίαν Ἑλληνίδας πόλεις καὶ Λακεδαιμονίους καὶ τοὺς τούτων συμμάχους σατράπας καὶ στρατηγούς, τοὺς ἄρχοντας μὲν τῶν παραθαλαττίων τόπων, συντεθειμένους δὲ κοινοπραγίαν: ὧν ἦσαν ἐπιφανέστατοι Ἀριοβαρζάνης μὲν ὁ τῆς Φρυγίας σατράπης, ὃς καὶ Μιθριδάτου τελευτήσαντος τῆς τούτου βασιλείας κεκυριευκὼς ἦν, Μαύσωλος δὲ Καρίας δυναστεύων καὶ πολλῶν ἐρυμάτων καὶ πόλεων ἀξιολόγων κυριεύων, ὧν ἐστίαν καὶ μητρόπολιν συνέβαιναν εἶναι τὴν Ἀλικαρνασσόν, ἔχουσαν ἀκρόπολιν ἀξιόλογον καὶ τὰ τῆς Καρίας βασιλεία, πρὸς δὲ τούτοις Ὀρόντης μὲν τῆς Μυσίας σατράπης, Αὐτοφραδάτης δὲ Λυδίας: τῶν δὲ Ἰώνων ἄνευΛύκιοι τε καὶ Πισίδαι καὶ Παμφύλιοι καὶ Κίλικες, ἔτι δὲ καὶ Σύροι καὶ Φοίνικες καὶ σχεδὸν πάντες οἱ παραθαλάσσιοι. [4] τηλικαύτης δ' οὔσης ἀποστάσεως, τὸ μὲν ἡμῖς τῶν προσόδων τῷ βασιλεῖ κατελέλυτο, τὸ δὲ λοιπὸν οὐχ ἱκανὸν ἦν εἰς τὰς τοῦ πολέμου χρείας. 91.

οἱ δ' ἀφεστηκότες τοῦ βασιλέως ἐπὶ τὴν τῶν ὅλων διοίκησιν εἵλαντο στρατηγὸν Ὀρόντην. οὗτος δὲ παραλαβὼν τὴν ἡγεμονίαν καὶ χρήματα πρὸς ξενολογίαν, δισμυρίοις στρατιώταις ἐνιαύσιον μισθόν, ἐγένετο προδότης τῶν πιστευσάντων. ὑπολαβὼν γὰρ παρὰ τοῦ βασιλέως δωρεῶν τε μεγάλων τεύξεσθαι καὶ τῆς παραθαλασσίου πάσης παραλήψεσθαι τὴν σατραπείαν, ἐὰν ἐγχειρίσῃ τοῖς Πέρσαις τοὺς ἀφεστηκότας, πρῶτον μὲν τοὺς κομίσαντας τὰ χρήματα συνέλαβε καὶ πρὸς τὸν Ἀρταξέρξην ἀπέστειλε, μετὰ δὲ ταῦτα πολλὰς τῶν πόλεων καὶ τοὺς ξενολογηθέντας στρατιώτας τοῖς ὑπὸ τοῦ βασιλέως πεμφθεῖσιν ἡγεμόσι παρέδωκεν. [2] ὁμοίως δὲ τούτῳ καὶ κατὰ τὴν Καππαδοκίαν ἐγένετο προδοσία, καθ' ἣν ἰδιὸν τι καὶ παράδοξον συνέβη γενέσθαι. Ἀρταβάζου γὰρ τοῦ βασιλέως στρατηγοῦ μετὰ πολλῆς δυνάμεως ἐμβαλόντος εἰς τὴν Καππαδοκίαν, ὁ μὲν ταύτης τῆς χώρας σατράπης Δατάμης ἀντεστρατοπέδευεν αὐτῷ, πολλοὺς μὲν ἱππεῖς ἡθροικῶς, δισμυρίους δὲ πεζοὺς μισθοφόρους ἔχων αὐτῷ συστρατεύοντας: [3] ὁ δὲ κηδεστής τοῦ Δατάμου τῶν ἱππέων ἀφηγούμενος, χάριν βουλόμενος καταθέσθαι καὶ τῆς

ιδίας σωτηρίας ἅμα προνοούμενος, ἀποστάς νυκτὸς μετὰ τῶν ἱππέων ἀπῆλυνε πρὸς τοὺς πολεμίους, συντεθειμένους πρὸς Ἀρτάβαζον τῇ πρότερον ἡμέρᾳ περὶ τῆς προδοσίας. [4] Δατάμης δὲ παρακαλέσας τοὺς μισθοφόρους καὶ δωρεὰς ὑποσχόμενος, ἀνέξευξε πρὸς τοὺς ἀφεστηκότας. καταλαβὼν δ' αὐτοὺς ἤδη συνάπτοντας τοῖς πολεμίοις, καὶ αὐτὸς προσπεσὼν ἅμα τοῖς περὶ τὸν Ἀρτάβαζον καὶ τοῖς ἱππεῦσιν, ἔκτεινε τοὺς εἰς χεῖρας ἐρχομένους. [5] ὁ δ' Ἀρτάβαζος, τὸ μὲν πρῶτον τὸ ἀληθὲς ἀγνοῶν, ὑπολαβὼν δὲ τὸν ἀποστάτην τοῦ Δατάμου παλιμπροδοσίαν ποιεῖσθαι, παρήγγειλε τοῖς ἰδίοις κτείνειν τοὺς προσιόντας ἱππεῖς. ὁ δὲ Μιθροβαρζάνης ἐν μέσοις ἀποληφθεὶς, καὶ τῶν μὲν ὡς προδότην ἀμυνομένων, τῶν δὲ ὡς παλιμπροδότην τιμωρουμένων, ἐν ἀπορίᾳ καθειστήκει: τῆς δ' ἀπορίας οὐκ ἐώσης βουλευσασθαι, πρὸς ἀλκὴν ἐτρέπετο, καὶ πρὸς ἀμφοτέρους διαμαχόμενος πολὺν ἐποίει φόνον. τέλος δὲ πλείονων ἢ μυρίων ἀναιρεθέντων, τοὺς ὑπολειφθέντας ὁ Δατάμης τρεψάμενος καὶ πολλοὺς φονεύσας ἀνεκαλέσατο τῇ σάλπιγγι τοὺς διώκοντας στρατιώτας. [6] τῶν δ' ἱππέων τῶν ὑπολειφθέντων οἱ μὲν πρὸς τὸν Δατάμην ἀποχωρήσαντες ἠξίουσαν τυχεῖν συγγνώμης, οἱ δὲ λοιποὶ τὴν ἡσυχίαν ἤγον, οὐκ ἔχοντες ὅποι τράπωνται, καὶ τέλος εἰς πεντακοσίους ὄντες κυκλωθέντες ὑπὸ Δατάμου κατηκοντίσθησαν. [7] Δατάμης μὲν οὖν καὶ πρότερον ἐπὶ στρατηγία θαυμαζόμενος, πολλῷ τότε μᾶλλον ἔσχε περιβόητον τὴν τε ἀνδρείαν καὶ τὴν ἐν τῷ στρατηγεῖν σύνεσιν: ὁ δὲ βασιλεὺς Ἀρταξέρξης πυθόμενος τὴν στρατηγίαν τοῦ Δατάμου, καὶ σπεύδων ἄρασθαι τοῦτον, δι' ἐπιβουλῆς αὐτὸν ἐδόλοφόνησεν. 92.

ἅμα δὲ τούτοις πραττομένοις Πρεομίθρης, ὑπὸ τῶν ἀποστατῶν πεμφθεὶς εἰς Αἴγυπτον πρὸς Ταχὼ τὸν βασιλέα, καὶ λαβὼν ἀργυρίου μὲν τάλαντα πεντακόσια, ναῦς δὲ μακρὰς πεντήκοντα, κατέπλευσε τῆς Ἀσίας εἰς τὰς ὀνομαζομένας Λεῦκας. εἰς δὲ ταύτην τὴν πόλιν μεταπεμψάμενος πολλοὺς τῶν ἀφεστηκότων ἡγεμόνας, τούτους μὲν συλλαβὼν καὶ δῆσας ἀνέπεμψε πρὸς Ἀρταξέρξην, αὐτὸς δὲ ἀποστάτης γενόμενος ταῖς ἐκ τῆς προδοσίας δωρεαῖς διελύσατο τὰ πρὸς τὸν βασιλέα. [2] κατὰ δὲ τὴν Αἴγυπτον Ταχῶς ὁ βασιλεὺς κατασκευασάμενος τὰ πρὸς τὸν πόλεμον διακοσίας μὲν τριῆρεις εἶχε πολυτελῶς κεκοσμημένας, μισθοφόρους δ' ἐπιλέκτους ἐκ τῆς Ἑλλάδος μυρίους, χωρὶς δὲ τούτων πεζοὺς στρατιώτας Αἰγυπτίους ὀκτακισμυρίους. καὶ τῶν μὲν μισθοφόρων τὴν ἡγεμονίαν παρέδωκεν Ἀγησιλάῳ τῷ Σπαρτιάτῃ, ἀπεσταλμένῳ μὲν ὑπὸ Λακεδαιμονίων ἐπὶ συμμαχίαν μεθ' ὀπλιτῶν χιλίων, δυναμένῳ δ' ἡγεῖσθαι στρατιωτῶν καὶ δι' ἀνδρείαν καὶ στρατηγικὴν σύνεσιν τεθναμασμένῳ: [3] τοῦ δὲ ναυτικοῦ τὴν στρατηγίαν ἐνεχείρισε Χαβρία τῷ Ἀθηναίῳ, δημοσίᾳ μὲν ὑπὸ τῆς πατρίδος οὐκ ἀπεσταλμένῳ, ἰδίᾳ δὲ ὑπὸ τοῦ βασιλέως συστρατεύειν πεπεισμένῳ. αὐτὸς δὲ τῶν Αἰγυπτίων ἔχων τὴν ἡγεμονίαν καὶ στρατηγὸς ὢν ἀπάσης τῆς δυνάμεως, Ἀγησιλάῳ μὲν συμβουλευσάντι μένειν ἐπὶ τῆς Αἰγύπτου καὶ διὰ τῶν στρατηγῶν τὸν πόλεμον διοικεῖν οὐ προσέσχε καλῶς συμβουλευόντι. τῆς γὰρ δυνάμεως προελθούσης πορρωτέρω καὶ περὶ Φοινίκην καταστρατοπεδεύουσῃς, ὁ καθεσταμένος ἐπὶ τῆς Αἰγύπτου στρατηγὸς ἀπέστη ἀπὸ τοῦ βασιλέως, διαπεμψάμενος δὲ πρὸς τὸν υἱὸν Νεκτανεβῶ, καὶ πείσας ἀντέχεσθαι τῆς ἐν Αἰγύπτῳ βασιλείας, μέγαν

πόλεμον ἐξέκαυσεν: [4] ὁ γὰρ Νεκτανεβῶς ὑπὸ τοῦ βασιλέως τεταγμένος ἡγεμῶν τῶν ἐξ Αἰγύπτου στρατιωτῶν, καὶ πεμφθεὶς ἀπὸ τῆς Φοινίκης πολιορκεῖν τὰς ἐν τῇ Συρίᾳ πόλεις, συγκάταινος γενόμενος ταῖς τοῦ πατρὸς ἐπιβολαῖς, τοὺς μὲν ἡγεμόνας δωρεαῖς, τοὺς δὲ στρατιώτας ἐπαγγελίαις προτρεψάμενος, ἔπεισε συναγωνιστὰς γενέσθαι. [5] τέλος δὲ καταληφθεὶς ὑπὸ τῶν ἀποστατῶν τῆς Αἰγύπτου, ὁ μὲν Ταχῶς καταπλαγεὶς ἐτόλμησε διὰ τῆς Ἀραβίας ἀναβῆναι πρὸς τὸν βασιλέα, καὶ συγγνώμην ἡξίου δοῦναι περὶ τῶν ἡμαρτημένων: ὁ δὲ Ἀρταξέρξης οὐ μόνον αὐτὸν ἀπέλυσε τῶν ἐγκλημάτων, ἀλλὰ καὶ στρατηγὸν ἀπέδειξε τοῦ πρὸς Αἰγυπτίους πολέμου. 93.

μετ' ὀλίγον δὲ ὁ μὲν βασιλεὺς τῶν Περσῶν ἐτελεύτησεν ἄρξας ἔτη τρία πρὸς τοῖς τετταράκοντα, τὴν δὲ βασιλείαν διεδέξατο Ὡχος ὁ μετονομασθεὶς Ἀρταξέρξης, καὶ ἐβασίλευσεν ἔτη τρία πρὸς τοῖς εἴκοσι: τοῦ γὰρ Ἀρταξέρξου καλῶς βεβασιλευκότος καὶ γενομένου παντελῶς εἰρηνικοῦ καὶ ἐπιτυχοῦς, τοὺς μετὰ τοῦτον βασιλεύοντας μετωνόμαζον καὶ τὴν τούτου προσηγορίαν ἔχειν προσέταττον. [2] τοῦ δὲ βασιλέως Ταχῶ ἐπανελθόντος πρὸς τοὺς περὶ τὸν Ἀγησίλαον, Νεκτανεβῶς ἠθροικῶς στρατιώτας πλείους τῶν δέκα μυριάδων ἦκεν ἐπὶ τὸν Ταχῶ, καὶ προεκαλεῖτο περὶ τῆς βασιλείας διαγωνίσασθαι. ὁ μὲν οὖν Ἀγησίλαος ὁρῶν τὸν βασιλέα καταπεπληγμένον καὶ μὴ τολμῶντα διακινδυνεύειν, παρεκάλει θαρρεῖν: τῆς γὰρ νίκης τυγχάνειν οὐ τοὺς κατὰ τὸ πλῆθος προέχοντας, ἀλλὰ τοὺς κατὰ τὰς ἀνδραγαθίας πρωτεύοντας: οὐ προσέχοντας δ' αὐτοῦ συνηναγκάσθη μετ' αὐτοῦ ποιήσασθαι τὴν ἀναχώρησιν εἰς τινα πόλιν εὐμεγέθη. [3] οἱ δ' Αἰγύπτιοι τὸ πρῶτον ἐπολιόρκουν τοὺς συγκεκλεισμένους: ἐπεὶ δὲ πολλοὺς ἐν ταῖς τειχομαχίαις ἀπέβαλον, τείχει καὶ τάφρῳ περιελάμβανον τὴν πόλιν. ταχὺ δὲ τῶν ἔργων συντελουμένων διὰ τὴν πολυχειρίαν, καὶ τῶν ἐπιτηδεῖων ἐξαναλωθέντων, ὁ μὲν Ταχῶς ἀπέγνω τὴν σωτηρίαν, ὁ δὲ Ἀγησίλαος παρακαλέσας τοὺς στρατιώτας, καὶ νυκτὸς ἐπιθέμενος τοῖς πολεμίοις, διέσωσεν ἅπαντας τοὺς στρατιώτας ἀνελλίστως. [4] ἐπιδιωζάντων δὲ τῶν Αἰγυπτίων καὶ τῶν τόπων ὄντων πεδινῶν, οἱ μὲν Αἰγύπτιοι διέλαβον τῷ πλήθει κεκυκλῶσθαι τοὺς πολεμίους καὶ πάντας ἄρδην ἀναιρήσειν, ὁ δὲ Ἀγησίλαος καταλαβόμενος τόπον, ὃς εἶχεν ἐξ ἐκατέρου μέρους διώρυγα ποταμοῦ χειροποίητον, ὑπέμενε τὴν τῶν πολεμίων ἔφοδον. [5] ἐκτάξας δὲ τὴν δύναμιν οἰκείως τοῖς τόποις, καὶ τοῖς τοῦ ποταμοῦ ρεῖθροις ὀχυρώσας τὴν στρατίαν, συνῆψε μάχην. τοῦ δὲ πλήθους τοῖς Αἰγυπτίοις ἀχρήστου γενομένου, ταῖς ἄρεταῖς προέχοντες οἱ Ἕλληνες πολλοὺς μὲν ἀπέκτειναν τῶν Αἰγυπτίων, τοὺς δὲ λοιποὺς φεύγειν ἠνάγκασαν. [6] μετὰ δὲ ταῦτα ὁ μὲν Ταχῶς ράδιως ἀνεκτίσατο τὴν κατ' Αἴγυπτον βασιλείαν, ὁ δ' Ἀγησίλαος ὥς μόνος κατωρθώκως τὴν βασιλείαν ἐτιμήθη προσηκούσαις δωρεαῖς. ἐπανιών δὲ εἰς τὴν πατρίδα διὰ Κυρήνης ἐτελεύτησε, καὶ τοῦ σώματος ἐν μέλιτι κομισθέντος εἰς τὴν Σπάρτην ἔτυχε τῆς βασιλικῆς ταφῆς τε καὶ τιμῆς. καὶ τὰ μὲν κατὰ τὴν Ἀσίαν μέχρι τούτων προέβη κατὰ τοῦτον τὸν ἐνιαυτόν. 94.

κατὰ δὲ τὴν Πελοπόννησον τοῖς Ἀρκάσι γενομένης εἰρήνης κοινῆς μετὰ τὴν ἐν Μαντινείᾳ μάχην, ἐνιαυτὸν μόνον ἐμμένιναντες τοῖς ὅρκοις πάλιν κατέστησαν τὸν πόλεμον. ἐν μὲν γὰρ τοῖς ὅρκοις ἦν γεγραμμένον ἐκάστους

εἰς τὴν ἑαυτῶν ἀπιέναι πατρίδα μετὰ τὴν μάχην, εἰς δὲ τὴν Μεγάλην πόλιν ὑπῆρχον αἱ περιοικοῦσαι πόλεις μετῴκισμέναι καὶ δυσχερῶς φέρουσαι τὴν ἐκ τῆς πατρίδος μετástασιν. διόπερ αὐτῶν ἐπανελθόντων εἰς τὰς προγεγενημένας πόλεις, οἱ Μεγαλοπολῖται συνηνάγκαζον ἐκλιπεῖν τὰς πατρίδας. [2] διὰ δὲ ταύτην τὴν αἰτίαν γενομένης διαφορᾶς, οἱ μὲν ἐκ τῶν πολισμάτων ἤξιον αὐτοῖς βοηθεῖν Μαντινεῖς καὶ τῶν ἄλλων Ἀρκάδων τινάς, ἔτι δὲ Ἥλειους καὶ τοὺς ἄλλους τοὺς μετεσχηκότας τοῖς Μαντινεῦσι συμμαχίας· οἱ δὲ Μεγαλοπολῖται τοὺς Θηβαίους παρεκάλουν συμμαχεῖν. οἷς ἀπέστειλαν συντόμως ὀπλίτας μὲν τρισχιλίους, ἵππεῖς δὲ τριακοσίους, ὧν τὴν στρατηγίαν εἶχε Παμμένης. [3] οὗτος δὲ παρελθὼν εἰς Μεγάλην πόλιν, καὶ τῶν πολισμάτων ἃ μὲν ἐκπορθήσας, ἃ δὲ καταπληξάμενος, συνηνάγκασεν εἰς τὴν Μεγάλην πόλιν μετοικῆσαι. καὶ τὰ μὲν περὶ τὸν συνοικισμὸν τῶν πόλεων ἐπὶ τοσοῦτο ταραχῆς ἐλθόντα ἔτυχεν ἐνδεχομένης καταστολῆς. [4]

τῶν δὲ συγγραφέων Ἀθάνας ὁ Συρακόσιος τῶν περὶ Δίωνα πράξεων ἐντεῦθεν ἀρξάμενος ἔγραψε μὲν βύβλους τρισκαίδεκα, προανέλαβε δὲ τὸν ἄγραφον χρόνον ἐτῶν ἐπτὰ ἀπὸ τῆς Φιλίστου συντάξεως ἐν μιᾷ βύβλῳ, καὶ διελθὼν τὰς πράξεις ἐν κεφαλαίοις συνεχῆ τὴν ἱστορίαν ἐποίησεν. 95.

ἐπ' ἄρχοντος δ' Ἀθήνησι Νικοφήμευ τὴν ὑπατικὴν ἀρχὴν ἐν Ῥώμῃ διέλαβε Γάιος Σολπίκιος καὶ Γάιος Λικίνιος. ἐπὶ δὲ τούτων Ἀλέξανδρος μὲν ὁ Φερῶν τύραννος ληστρίδας ναῦς ἐκπέμψας ἐπὶ τὰς Κυκλάδας νήσους, τινάς μὲν ἐκπολιορκήσας πολλῶν σωμάτων ἐκυρίευσεν, εἰς δὲ τὴν Πεπάρηθον ἀποβιβάσας μισθοφόρους στρατιώτας ἐπολιόρκει τὴν πόλιν. [2] Ἀθηναίων δὲ βοηθησάντων τοῖς Πεπαρηθίοις, καὶ στρατηγὸν Λεωσθένην ἀπολιπόντων, ἐπέθετο τοῖς Ἀθηναίοις· ἐτύγχανον δ' οὗτοι παραφυλάττοντες τοὺς ἐν τῷ Πανόρμῳ διατρίβοντας τῶν Ἀλεξάνδρου στρατιωτῶν. ἀπροσδοκῆτως δὲ ἐπιθεμένων τῶν τοῦ δυνάστου, παράδοξος εὐημερία περὶ τὸν Ἀλέξανδρον ἐγένετο. οὐ μόνον γὰρ τοὺς ἀπεσταλμένους ἐν τῷ Πανόρμῳ διέσωσεν ἐκ τῶν μεγίστων κινδύνων, ἀλλὰ καὶ τριήρεις μὲν Ἀττικὰς πέντε, μίαν δὲ Πεπαρηθίαν εἴλε, καὶ σωμάτων ἐκυρίευσεν ἑξακοσίων. [3] οἱ δ' Ἀθηναῖοι παροξυνθέντες τοῦ μὲν Λεωσθένους ὡς προδότου θάνατον κατέγνωσαν καὶ τὴν οὐσίαν ἐδήμευσαν, ἐλόμενοι δὲ στρατηγὸν Χάρητα καὶ ναυτικὴν δύναμιν δόντες ἐξέπεμψαν. οὗτος δὲ τοὺς μὲν πολεμίους εὐλαβούμενος, τοὺς δὲ συμμάχους ἀδικῶν διετέλει. καταπλεύσας γὰρ εἰς Κόρκυραν συμμαχίδα πόλιν, στάσεις ἐν αὐτῇ μεγάλας ἐκίνησεν, ἐξ ὧν συνέπεσε γενέσθαι σφαγὰς πολλὰς καὶ ἄρπαγας, δι' ἃς συνέβη τὸν δῆμον τῶν Ἀθηναίων διαβληθῆναι παρὰ τοῖς συμμάχοις. ὁ μὲν οὖν Χάρης καὶ ἕτερα τοιαῦτα παρανομῶν ἀγαθὸν μὲν οὐδὲν διεπράξατο, τῇ δὲ πατρίδι διαβολάς. [4]

τῶν δὲ συγγραφέων Διονυσόδωρος καὶ Ἀναξίς οἱ Βοιωτοὶ τὴν τῶν Ἑλληνικῶν ἱστορίαν εἰς τοῦτον τὸν ἐνιαυτὸν κατεστρόφασιν τὰς συντάξεις. ἡμεῖς δὲ τὰς πρὸ Φιλίππου τοῦ βασιλέως πράξεις διεληλυθότες, ταύτην μὲν τὴν βύβλον κατὰ τὴν ἐν ἀρχῇ πρόθεσιν αὐτοῦ περιγράφομεν, τὴν δ' ἐχομένην ἀπὸ τῆς Φιλίππου παραλήψεως τῆς βασιλείας ἀρξάμενοι πάσας διέξιμεν τὰς τοῦ βασιλέως τούτου πράξεις μέχρι τῆς τελευτῆς, συμπεριλαμβάνοντες καὶ τὰς ἄλλας τὰς γεγενημένας ἐν τοῖς γνωριζομένοις μέρεσι τῆς οἰκουμένης.

BOOK XVI

ζοντεντς.

τάδε ἔνεστιν ἐν τῇ ἐκκαίδεκάτῃ τῶν Διοδώρου ἱστορικῶν βιβλίων.

ὡς Φίλιππος ὁ Ἀμύντου παρέλαβε τὴν τῶν Μακεδόνων βασιλείαν.

ὡς Ἀργαῖον ἀντιπιοιούμενον τῆς βασιλείας ἐνίκησεν.

ὡς Ἰλλυριοὺς καὶ Παίονας καταπολεμήσας ἐκτήσατο τὴν προγονικὴν ἀρχήν.

περὶ τῆς ἀνανδρίας τοῦ νεωτέρου Διονυσίου καὶ τῆς Δίωνος φυγῆς.

κτίσις Ταυρομενίου κατὰ τὴν Σικελίαν.

τὰ πραχθέντα κατὰ τὴν Εὐβοίαν καὶ κατὰ τὸν συμμαχικὸν πόλεμον.

πολιορκία Ἀμφιπόλεως ὑπὸ Φιλίππου καὶ ἄλωσις.

ὡς Φίλιππος τοὺς Πυδναίους ἐξανδραποδισάμενος τὰ χρύσεια μέταλλα κατεσκεύασεν.

ὡς Δίων ἐλευθερώσας τοὺς Συρακουσίους Διονύσιον κατεπολέμησεν.

ὡς ἐκπεσὼν ἐκ τῆς πατρίδος πάλιν ἀνεκτήσατο τὰς Συρακούσας.

κατάλυσις συμμαχικοῦ πολέμου.

συνδρομὴ τριῶν βασιλέων ἐπὶ Φίλιππον.

ὡς Φιλόμηλος ὁ Φωκεὺς τοὺς Δελφούς καὶ τὸ μαντεῖον καταλαβόμενος τὸν ἱερὸν πόλεμον ἐξέκαυσεν.

περὶ τῆς ἐξ ἀρχῆς εὐρέσεως τοῦ μαντείου.

Φιλομήλου τοῦ Φωκέως ἥττα καὶ θάνατος.

Ὅνομαρχοι παράληψις τῆς ἀρχῆς καὶ παρασκευὴ πρὸς πόλεμον.

ὡς Βοιωτοὶ Ἀρταβάζω βοηθήσαντες ἐνίκησαν τοὺς βασιλέως σατράπας.

ὡς Ἀθηναῖοι Χερρονήσου κρατήσαντες κατεκληρούχησαν αὐτήν.

ὡς Φίλιππος Μεθώνην ἐλὼν κατέσκαψεν.

ὡς Φίλιππος Φωκεῖς νικήσας ἐξέβαλεν ἐκ τῆς Θετταλίας.

ὡς Ὀνόμαρχος ὁ Φωκεὺς Φίλιππον δυσὶ μάχαις νικήσας εἰς τοὺς ἐσχάτους κινδύνους ἤγαγεν.

ὡς Ὀνόμαρχος Βοιωτοὺς νικήσας Κορώνειαν εἶλεν.

ὡς Ὀνόμαρχος ἐν Θετταλίᾳ παραταζάμενος πρὸς Φίλιππον καὶ Θετταλοὺς ἠττήθη.

ὡς αὐτὸς μὲν ἐκρεμάσθη, οἱ δ' ἄλλοι κατεποντίσθησαν ὡς ἱερόσυλοι.

ὡς Φάυλλος διαδεξάμενος τὴν ἀρχὴν πολλὰ τῶν ἀργυρῶν καὶ χρυσῶν ἀναθημάτων κατέκοψεν.

ὡς τὰς μισθοφορίας ἀναβιβάσας ἤθροισε μισθοφόρων πλῆθος.

ὡς τεταπεινωμένα τὰ τῶν Φωκέων πράγματα διωρθώσατο.

ὡς χρήμασι διαφθείρων τὰς πόλεις καὶ τοὺς προεσθηκότας αὐταῖς πολλοὺς προσελάβετο συμμάχους.

ὡς οἱ τῶν Φεραίων τύραννοι παραδόντες Φιλίππῳ τὰς Φεράς Φωκέων ἐγένοντο σύμμαχοι.

μάχη Φωκέων πρὸς Βοιωτοὺς περὶ Ὀρχομενὸν καὶ ἥττα Φωκέων.

ἄλλαι μάχαι τοῖς αὐτοῖς παρὰ τὸν Κηφισὸν καὶ Κορώνειαν καὶ νίκη

Βοιωτῶν.

ὥς Φάυλλος στρατεύσας εἰς τὴν Λοκρίδα πολλὰς πόλεις ἐχειρώσατο.

ὥς Φάυλλος νόσῳ περιπεσὼν φθινάδι τὸν βίον ἐπιπόνως κατέστρεψεν.

ὥς Φάλαικος διαδεξάμενος τὴν ἀρχὴν καὶ ἀγεννῶς διοικῶν τὸν πόλεμον ἐξέπεσεν.

ὥς οἱ κατὰ τὴν Πελοπόννησον ἐστασίασαν.

ὥς Ἀρταξέρξης ὁ ἐπικληθεὶς Ὡχος ἀνεκτίσατο Αἴγυπτον καὶ Φοινίκην καὶ Κύπρον.

ὥς Φίλιππος τὰς Χαλκιδικὰς πόλεις προσαγαγόμενος τὴν ἐπισημοτάτην πόλιν κατέσκαψεν.

ζήτησις τῶν ἀναλωθέντων ἱερῶν χρημάτων καὶ κόλασις τῶν νοσφισαμένων.

ὥς οἱ καταφυγόντες εἰς τὸ ἱερὸν τοῦ Ἀπόλλωνος Φωκεῖς ὄντες πεντακόσιοι παραδόξως ἅπαντες ὑπὸ πυρὸς διεφθάρησαν.

ὥς ὁ Φωκικὸς πόλεμος κατελύθη.

ὥς οἱ μετασχόντες τῆς ἱεροσυλίας τοῖς Φωκεῦσιν ἅπαντες ὑπὸ θείας τινὸς ἐνεργείας ἐκολάσθησαν.

Τιμολέοντος κατάπλους εἰς Σικελίαν καὶ αἱ πράξεις αὐτοῦ μέχρι τῆς τελευτῆς.

Περίνθου καὶ Βυζαντίου πολιορκία ὑπὸ Φιλίππου.

Φιλίππου παράταξις πρὸς Ἀθηναίους ἐν Χαιρωνείᾳ καὶ ἦττα Ἀθηναίων.

ὥς οἱ Ἕλληνες αὐτοκράτορα στρατηγὸν εἵλοντο Φίλιππον.

ὥς Φίλιππος μέλλων διαβαίνειν εἰς τὴν Ἀσίαν ἀνῆρέθη.

1.

ἐν πάσαις μὲν ταῖς ἱστορικαῖς πραγματείαις καθήκει τοὺς συγγραφεῖς περιλαμβάνειν ἐν ταῖς βίβλοις ἢ πόλεων ἢ βασιλέων πράξεις αὐτοτελεῖς ἀπ' ἀρχῆς μέχρι τοῦ τέλους· οὕτως γὰρ μάλιστα διαλαμβάνομεν τὴν ἱστορίαν εὐμνημόνευτον καὶ σαφῆ γενέσθαι τοῖς ἀναγινώσκουσιν. [2] αἱ μὲν γὰρ ἡμιτελεῖς πράξεις οὐκ ἔχουσι συνεχὲς ταῖς ἀρχαῖς τὸ πέρας μεσολαβοῦσι τὴν ἐπιθυμίαν τῶν φιλαναγνωστούντων, αἱ δὲ τὸ τῆς διηγήσεως συνεχὲς περιλαμβάνουσαι μέχρι τῆς τελευτῆς ἀπηρτισμένην τὴν τῶν πράξεων ἔχουσιν ἀπαγγελίαν. ὅταν δ' ἡ φύσις αὐτῇ τῶν πραχθέντων συνεργῇ τοῖς συγγραφεῦσι, τότε ἤδη παντελῶς οὐκ ἀποστατέον ταύτης τῆς προαιρέσεως. [3] διόπερ καὶ ἡμεῖς παρόντες ἐπὶ τὰς Φιλίππου τοῦ Ἀμύντου πράξεις πειρασόμεθα τούτῳ τῷ βασιλεῖ τὰ πραχθέντα περιλαβεῖν ἐν ταύτῃ τῇ βίβλῳ. οὗτος γὰρ εἴκοσι μὲν καὶ τέτταρα ἔτη τῶν Μακεδόνων ἐβασίλευσεν, ἐλαχίσταις δὲ ἀφορμαῖς χρησάμενος μεγίστην τῶν κατὰ τὴν Εὐρώπην δυναστειῶν κατεσκεύασε τὴν ἰδίαν βασιλείαν καὶ παραλαβὼν τὴν Μακεδονίαν δουλεύουσιν Ἰλλυριοῖς πολλῶν καὶ μεγάλων ἐθνῶν καὶ πόλεων κυρίαν ἐποίησε. [4] διὰ δὲ τὴν ἰδίαν ἀρετὴν τῆς μὲν Ἑλλάδος ἀπάσης παρέλαβε τὴν ἡγεμονίαν ἐκουσίως τῶν πόλεων ὑποταττομένων, τοὺς δὲ τὸ ἐν Δελφοῖς ἱερὸν συλήσαντας καταπολεμήσας καὶ τῷ μαντεῖϊ βοηθήσας μετέσχε τοῦ συνεδρίου τῶν Ἀμφικτυόνων καὶ διὰ τὴν εἰς τοὺς θεοὺς εὐσέβειαν ἔπαθλον ἔλαβε τὰς ψήφους τῶν κρατηθέντων Φωκέων. [5] Ἰλλυριοὺς δὲ καὶ Παίονας

καὶ Θρᾶκας καὶ Σκύθας καὶ πάντα τὰ πλησιόχωρα τούτοις ἔθνη καταπολεμήσας τὴν Περσῶν βασιλείαν ἐπεβάλετο καταλῦσαι καὶ δυνάμεις μὲν εἰς τὴν Ἀσίαν διαβιβάσας τὰς Ἑλληνίδας πόλεις ἡλευθέρου, μεσολαβηθεὶς δ' ὑπὸ τῆς πεπρωμένης τηλικαύτας καὶ τοιαύτας δυνάμεις ἀπέλειπεν ὥστε τὸν υἱὸν Ἀλέξανδρον μὴ προσδεθῆναι συμμαχῶν εἰς τὴν κατάλυσιν τῆς Περσῶν ἡγεμονίας. [6] καὶ ταῦτ' ἔπραξεν οὐ διὰ τύχην, ἀλλὰ διὰ τὴν ἰδίαν ἀρετὴν. γέγονε γὰρ ὁ βασιλεὺς οὗτος ἀγχινοῖα στρατηγικῇ καὶ ἀνδρεία καὶ λαμπρότητι ψυχῆς διαφέρων. ἴνα δὲ μὴ διὰ τοῦ προοιμίου προλαμβάνωμεν αὐτοῦ τὰς πράξεις, ἐπὶ τὸ συνεχὲς τῆς ἱστορίας πορευσόμεθα, βραχέα τοῖς χρόνοις προσαναδραμόντες. 2.

ἐπ' ἄρχοντος γὰρ Ἀθήνησι Καλλιμήδους Ὀλυμπιάς μὲν ἦχθη πέμπτη πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Πῶρος Κυρηναῖος, Ῥωμαῖοι δὲ κατέστησαν ὑπάτους Γναῖον Γενύκιον καὶ Λεύκιον Αἰμίλιον. ἐπὶ δὲ τούτων Φίλιππος ὁ Ἀμύντου υἱός, Ἀλεξάνδρου δὲ τοῦ Πέρσας καταπολεμήσαντος πατὴρ, παρέλαβε τὴν τῶν Μακεδόνων βασιλείαν διὰ τοιαύτας αἰτίας. [2] Ἀμύντου καταπολεμηθέντος ὑπὸ Ἰλλυριῶν καὶ φόρους τοῖς κρατήσασι τελεῖν ἀναγκασθέντος οἱ μὲν Ἰλλυριοὶ λαβόντες εἰς ὁμηρεῖαν Φίλιππον τὸν νεώτατον τῶν υἱῶν παρέθεντο τοῖς Θηβαίοις. οὗτοι δὲ τῷ Ἐπαμεινώνδου πατρὶ παρέθεντο τὸν νεανίσκον καὶ προσέταξαν ἅμα τηρεῖν ἐπιμελῶς τὴν παρακαταθήκην καὶ προστατεῖν τῆς ἀγωγῆς καὶ παιδείας. [3] τοῦ δ' Ἐπαμεινώνδου Πυθαγόριον ἔχοντος φιλόσοφον ἐπιστάτην συντρεφόμενος ὁ Φίλιππος μετέσχεν ἐπὶ πλεῖον τῶν Πυθαγορίων λόγων. ἀμφοτέρων δὲ τῶν μαθητῶν προσενηγκαμένων φύσιν τε καὶ φιλοπονίαν ὑπῆρξαν ἑκάτεροι διαφέροντες ἀρετῇ: ὧν Ἐπαμεινώνδας μὲν μεγάλους ἀγῶνας καὶ κινδύνους ὑπομείνας τῇ πατρίδι παραδόξως τὴν ἡγεμονίαν τῆς Ἑλλάδος περιέθηκεν, ὁ δὲ Φίλιππος ταῖς αὐταῖς ἀφορμαῖς χρησάμενος οὐκ ἀπελείφθη τῆς Ἐπαμεινώνδου δόξης. [4] μετὰ γὰρ τὴν Ἀμύντου τελευτὴν Ἀλέξανδρος ὁ πρεσβύτατος τῶν υἱῶν διεδέξατο τὴν ἀρχήν. τοῦτον δὲ Πτολεμαῖος ὁ Ἀλωρίτης δολοφονήσας παρέλαβε τὴν βασιλείαν καὶ τοῦτον ὁμοίως Περδίκκας ἐπανελόμενος ἐβασίλευσεν. τούτου δὲ παρατάξει μεγάλη λειψθέντος ὑπὸ Ἰλλυριῶν καὶ πεσόντος ἐπὶ τῆς χρείας Φίλιππος ὁ ἀδελφός διαδράς ἐκ τῆς ὁμηρεῖας παρέλαβε τὴν βασιλείαν κακῶς διακειμένην. [5] ἀνήρηντο μὲν γὰρ ἐν τῇ παρατάξει Μακεδόνων πλείους τῶν τετρακισχιλίων, οἱ δὲ λοιποὶ καταπεπληγμένοι τὰς τῶν Ἰλλυριῶν δυνάμεις περίφοβοι καθειστήκεισαν καὶ πρὸς τὸ διαπολεμεῖν ἀθύμως εἶχον. [6] ὑπὸ δὲ τὸν αὐτὸν καιρὸν Παῖονες μὲν πλησίον τῆς Μακεδονίας οἰκοῦντες ἐπόρθουν τὴν χώραν καταφρονοῦντες τῶν Μακεδόνων, Ἰλλυριοὶ δὲ μεγάλας δυνάμεις ἤθροισαν καὶ στρατεύειν εἰς τὴν Μακεδονίαν παρεσκευάζοντο, Πausanias δὲ τις τῆς βασιλικῆς συγγενείας κοινωνῶν ἐπεβάλλετο διὰ τοῦ Θρακῶν βασιλέως ἐπὶ τὴν Μακεδονικὴν βασιλείαν κατιέναι. ὁμοίως δὲ καὶ Ἀθηναῖοι πρὸς Φίλιππον ἀλλοτρίως ἔχοντες κατήγον ἐπὶ τὴν βασιλείαν Ἀργαῖον καὶ στρατηγὸν ἀπεστάλκεισαν Μαντίαν ἔχοντα τρισχιλίους μὲν ὀπλίτας, ναυτικὴν δὲ δύναμιν ἀξιόλογον. 3. οἱ δὲ Μακεδόνες διὰ τε τὴν ἐν τῇ μάχῃ συμφορὰν καὶ διὰ τὸ μέγεθος τῶν ἐπιφερομένων κινδύνων ἐν ἀπορίᾳ τῇ μεγίστῃ καθειστήκεισαν.

ἀλλ' ὁμως τηλικούτων φόβων καὶ κινδύνων ἐφεστώτων ὁ Φίλιππος οὐ κατεπλήγη τὸ μέγεθος τῶν προσδοκωμένων δεινῶν, ἀλλὰ τοὺς Μακεδόνας ἐν συνεχέσιν ἐκκλησίαις συνέχων καὶ τῇ τοῦ λόγου δεινότητι προτρεπόμενος ἐπὶ τὴν ἀνδρείαν εὐθαρσεῖς ἐποίησε, τὰς δὲ στρατιωτικὰς τάξεις ἐπὶ τὸ κρεῖττον διορθωσάμενος καὶ τοὺς ἄνδρας τοῖς πολεμικοῖς ὅπλοις δεόντως κοσμήσας, συνεχεῖς ἐξοπλασίας καὶ γυμνασίας ἐναγωνίους ἐποιεῖτο. [2] ἐπενόησε δὲ καὶ τὴν τῆς φάλαγγος πυκνότητα καὶ κατασκευὴν, μιμησάμενος τὸν ἐν Τροίᾳ τῶν ἡρώων συνασπισμόν, καὶ πρῶτος συνεστήσατο τὴν Μακεδονικὴν φάλαγγα. [3] ἐν δὲ ταῖς ὁμιλίαις προσηγνῆς ἦν καὶ διὰ τε τῶν δωρεῶν καὶ τῶν ἐπαγγελιῶν εἰς τὴν μεγίστην εὐνοίαν τὰ πλήθη προήγετο, πρὸς τε τὸ πλῆθος τῶν ἐπιφερομένων κινδύνων εὐστόχως ἀντεμηχανάτο. θεωρῶν γὰρ τοὺς Ἀθηναίους ὑπὲρ τοῦ τὴν Ἀμφίπολιν ἀνακτήσασθαι τὴν πᾶσαν φιλοτιμίαν εἰσφερομένους καὶ διὰ τοῦτο κατάγοντας τὸν Ἀργαῖον ἐπὶ τὴν βασιλείαν ἐκουσίως ἐξεχώρησε τῆς πόλεως, ἀφείς αὐτὴν αὐτόνομον. [4] πρὸς δὲ Παίονας διαπρεβευσάμενος καὶ τοὺς μὲν δωρεαῖς διαφθείρας, τοὺς δ' ἐπαγγελίαις φιλανθρώποις πείσας κατὰ τὸ παρὸν εἰρήνην ἄγειν πρὸς αὐτοὺς συνέθετο. ὁμοίως δὲ καὶ τὸν Πανσανίαν ἀπέστησε τῆς καθόδου, τὸν κατάγειν μέλλοντα βασιλέα δωρεαῖς πείσας. [5] Μαντίας δ' ὁ τῶν Ἀθηναίων στρατηγὸς καταπλεύσας εἰς Μεθώνην αὐτὸς μὲν ἐνταῦθα κατέμεινε, τὸν Ἀργαῖον δὲ μετὰ τῶν μισθοφόρων ἐπὶ τὰς Αἰγὰς ἀπέστειλεν. οὗτος δὲ προσελθὼν τῇ πόλει παρεκάλει τοὺς ἐν ταῖς Αἰγαῖς προσδέξασθαι τὴν καθοδὸν καὶ γενέσθαι τῆς αὐτοῦ βασιλείας ἀρχηγούς. [6] οὐδενὸς δ' αὐτῷ προσέχοντος ὁ μὲν ἀνέκαμπτεν εἰς τὴν Μεθώνην, ὁ δὲ Φίλιππος ἐπιφανεῖς μετὰ στρατιωτῶν καὶ συνάψας μάχην πολλοὺς μὲν ἀνείλε τῶν μισθοφόρων, τοὺς δὲ λοιποὺς εἰς τινα λόφον καταφυγόντας ὑποσπόνδους ἀφῆκεν, λαβὼν παρ' αὐτῶν ἐκδότους τοὺς φυγάδας.

Φίλιππος μὲν οὖν ταύτην πρώτην μάχην νικήσας εὐθαρσεστέρους ἐποίησε τοὺς Μακεδόνας πρὸς τοὺς ἐφεξῆς ἀγῶνας. [7] ἅμα δὲ τούτοις πραττομένοις Θάσιοι μὲν ὄρκισαν τὰς ὀνομαζομένας Κρηνίδας, ἃς ὕστερον ὁ βασιλεὺς ἀφ' ἑαυτοῦ ὀνομάσας Φιλίππους ἐπλήρωσεν οἰκητόρων. [8] τῶν δὲ συγγραφέων Θεόπομπος ὁ Χῖος τὴν ἀρχὴν τῶν περὶ Φίλιππον ἱστοριῶν ἐντεῦθεν ποιησάμενος γέγραφε βύβλους ὀκτὼ πρὸς ταῖς πεντήκοντα, ἐξ ὧν πέντε διαφωνοῦσιν. 4.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Εὐχαρίστου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Κόιντον Σερούλιον καὶ Κόιντον Γενούκιον. ἐπὶ δὲ τούτων ὁ Φίλιππος πρέσβεις ἐπέμψας εἰς Ἀθήνας ἔπεισε τὸν δῆμον εἰρήνην πρὸς αὐτὸν συνθέσθαι διὰ τὸ μηδὲν ἔτι προσποιεῖσθαι τὴν Ἀμφίπολιν. [2] ἀπολυθεὶς δὲ τοῦ πρὸς Ἀθηναίους πολέμου καὶ πυνθανόμενος τὸν βασιλέα τῶν Παιόνων Ἄγιν τετελευτηκέναι ὑπέλαβε καιρὸν ἔχειν ἐπιθέσθαι τοῖς Παίοισιν. στρατεύσας οὖν εἰς τὴν Παιονίαν καὶ παρατάξει τοὺς βαρβάρους νικήσας ἠνάγκασε τὸ ἔθνος πειθαρχεῖν τοῖς Μακεδόσιν. [3] ὑπολειπομένων δὲ πολεμίων τῶν Ἰλλυριῶν ἐφιλοτιμεῖτο καὶ τούτους καταπολεμῆσαι. εὐθὺς οὖν συναγαγὼν ἐκκλησίαν καὶ τοὺς στρατιώτας οἰκείους λόγοις προτρεψάμενος εἰς τὸν πόλεμον ἐστράτευσεν εἰς τὴν τῶν Ἰλλυριῶν χώραν, πεζοὺς μὲν ἔχων οὐκ ἐλάττους

μυρίων, ἵππεῖς δὲ ἑξακοσίους. [4] Βάρδυλις δ' ὁ τῶν Ἰλλυριῶν βασιλεὺς πυθόμενος τὴν παρουσίαν τῶν πολεμίων τὸ μὲν πρῶτον πρέσβεις ἀπέστειλεν περὶ διαλύσεως, ἐφ' ὧ τῳ κυρίους ἀμφοτέρους εἶναι τῶν τότε κυριευομένων πόλεων: τοῦ δὲ Φιλίππου φήσαντος ἐπιθυμεῖν μὲν τῆς εἰρήνης, μὴ μέντοι γε ταύτην συγχωρήσειν, ἐὰν μὴ τῶν Μακεδονικῶν πόλεων ἀπασῶν ἐκχωρήσωσιν Ἰλλυριοί, οἱ μὲν πρέσβεις ἐπανήλθον ἄπρακτοι, ὁ δὲ Βάρδυλις πιστεύων ταῖς τε προγεγενημέναις νίκαις καὶ ταῖς τῶν Ἰλλυριῶν ἀνδραγαθίαις ἀπῆντα τοῖς πολεμίοις μετὰ τῆς δυνάμεως: εἶχεν δὲ πεζοὺς μὲν μυρίους ἐπιλέκτους, ἵππεῖς δὲ εἰς πεντακοσίους. [5] ὥς δ' ἤγγιζον ἀλλήλοις τὰ στρατεύματα καὶ μετὰ βοῆς πολλῆς συνέρραξαν εἰς τὴν μάχην, ὁ μὲν Φίλιππος ἔχων τὸ δεξιὸν κέρας καὶ τοὺς ἀρίστους τῶν Μακεδόνων συναγωνιζομένους τοῖς μὲν ἵππεῦσι παρήγγειλεν παριππεῦσαι καὶ πλαγίους ἐμβαλεῖν τοῖς βαρβάροις, αὐτὸς δὲ κατὰ στόμα τοῖς πολεμίοις ἐπιπεσὼν καρτερὰν συνεστήσατο μάχην. [6] οἱ δ' Ἰλλυριοὶ συντάξαντες ἑαυτοὺς εἰς πλινθίον ἐρρωμένως συνεστήσαντο τὸν κίνδυνον. καὶ τὸ μὲν πρῶτον ἐπὶ πολὺν χρόνον ἦν ισόρροπος ἡ μάχη διὰ τὴν ὑπερβολὴν τῆς παρ' ἀμφοτέροις ἀνδραγαθίας καὶ πολλῶν μὲν ἀναιρουμένων, ἔτι δὲ πλειόνων τιτρωσκομένων ὁ κίνδυνος δεῦρο κάκεισε τὰς ῥοπὰς ἐλάμβανεν, ταλαντευόμενος αἰεὶ ταῖς τῶν ἀγωνιζομένων ἀρεταῖς: μετὰ δὲ ταῦτα τῶν ἱππέων ἐκ πλαγίου καὶ κατὰ νότου βιαζομένων, τοῦ δὲ Φιλίππου μετὰ τῶν ἀρίστων ἥρωικῶς ἀγωνισαμένου συνηναγκάσθη τὸ πλῆθος τῶν Ἰλλυριῶν πρὸς φυγὴν ὀρμῆσαι. [7] γενομένης δὲ τῆς διώξεως ἐπὶ πολὺν τόπον καὶ πολλῶν κατὰ τὴν φυγὴν ἀναιρεθέντων ὁ μὲν Φίλιππος ἀνακαλεσάμενος τῇ σάλπιγγι τοὺς Μακεδόνας καὶ στήσας τρόπαιον ἔθαπεν τῶν ἰδίων τοὺς τετελευτηκότας, οἱ δ' Ἰλλυριοὶ διαπρεβευσάμενοι καὶ τῶν Μακεδονικῶν πόλεων πασῶν ἐκχωρήσαντες ἔτυχον τῆς εἰρήνης. ἀνηρέθησαν δὲ τῶν Ἰλλυριῶν ἐν ταύτῃ τῇ μάχῃ πλείους τῶν ἑπτακισχιλίων. 5.

ἡμεῖς δ' ἐπεὶ τὰ κατὰ τὴν Μακεδονικὴν καὶ τὴν Ἰλλυρίδα διήλθομεν, μεταβησόμεθα πρὸς τὰς ἑτερογενεῖς πράξεις. κατὰ γὰρ τὴν Σικελίαν Διονύσιος ὁ τῶν Συρακοσίων τύραννος ὁ νεώτερος παρειληφώς μὲν τὴν δυναστείαν ἐν τοῖς ἀνωτέρω καιροῖς, ἄπρακτος δ' ὢν καὶ πολὺ τοῦ πατρὸς καταδέσμερος προσεποιεῖτο διὰ τὴν ἀπραγίαν εἰρηνικὸς εἶναι καὶ πρᾶος τὸν τρόπον. [2] διόπερ πρὸς Καρχηδονίους διαδεδεγμένος τὸν πόλεμον πρὸς τε τούτους εἰρήνην συνέθετο καὶ πρὸς Λευκανοὺς ὁμοίως διαπολεμήσας ἀργῶς ἐπὶ τινα χρόνον καὶ ταῖς τελευταίαις μάχαις ἐπὶ τοῦ προτερήματος γενόμενος ἀσμένως πρὸς αὐτοὺς κατελύσατο τὸν πόλεμον. [3] κατὰ δὲ τὴν Ἀπουλίαν δύο πόλεις ἔκτισε βουλόμενος ἀσφαλῆ τοῖς πλέουσι τὸν Ἰόνιον πόρον ποιῆσαι: οἱ γὰρ τὴν παραθαλάττιον οἰκοῦντες βάρβαροι ληστρίσι πολλαῖς πλέοντες ἄπλουν τοῖς ἐμπόροις παρεσκεύαζον πᾶσαν τὴν περὶ τὸν Ἀδρίαν θάλατταν. [4] μετὰ δὲ ταῦτα δοὺς ἑαυτὸν εἰς βίον εἰρηνικὸν ἐξέλυσε μὲν τῶν στρατιωτῶν τὰς ἐν τοῖς πολεμικοῖς γυμνασίαις, μεγίστην δὲ τῶν κατὰ τὴν Εὐρώπην δυναστειῶν παραλαβὼν τὴν ἀρχὴν καὶ τὴν ὑπὸ τοῦ πατρὸς λεγομένην ἀδάμαντι δεδέσθαι τυραννίδα διὰ τὴν ἰδίαν ἀνανδρίαν παραδόξως ἀπέβαλεν. τὰς δὲ αἰτίας τῆς καταλύσεως καὶ τὰς κατὰ μέρος πράξεις ἀναγράφειν

πειρασόμεθα. 6.

ἐπ' ἄρχοντος γὰρ Ἀθήνησι Κηφισοδότου Ῥωμαῖοι κατέστησαν ὑπάτους Γάιον Λικίνιον καὶ Γάιον Σουλπίκιον. ἐπὶ δὲ τούτων Δίων ὁ Ἰππαρίνου, Συρακοσίων ὑπάρχων ἐπιφανέστατος, ἔφυγεν ἐκ τῆς Σικελίας καὶ διὰ τὴν λαμπρότητα τῆς ψυχῆς ἡλευθέρωσε Συρακοσίους καὶ τοὺς ἄλλους Σικελιώτας διὰ τοιαύτας τινὰς αἰτίας. [2] ὁ πρεσβύτερος Διονύσιος ἐκ δυεῖν γυναικῶν ἦν πεπαιδοποιημένος, ἐκ μὲν τῆς πρώτης Λοκρίδος οὔσης τὸ γένος Διονύσιον τὸν διαδεξάμενον τὴν τυραννίδα, ἐκ δὲ τῆς δευτέρας Ἰππαρίνου θυγατρὸς οὔσης, εὐδοκιμωτάτου Συρακοσίων, δύο παῖδας, Ἰππαρίνον καὶ Νυσαῖον. [3] ἐτύγγανε δὲ τῆς δευτέρας γυναικὸς ἀδελφὸς ὢν Δίων, ἀνὴρ ἐν φιλοσοφίᾳ μεγάλην ἔχων προκοπὴν καὶ κατ' ἀνδρείαν καὶ στρατηγίαν πολὺ προέχων τῶν κατ' αὐτὸν Συρακοσίων. [4] οὗτος δὲ διὰ τὴν εὐγένειαν καὶ τὴν λαμπρότητα τῆς ψυχῆς εἰς ὑποψίαν ἦλθε τῷ τυράννῳ, δόξας ἀξιοχρεῶς εἶναι καταλῦσαι τὴν τυραννίδα. φοβούμενος οὖν αὐτὸν ὁ Διονύσιος ἔκρινεν ἐκποδὼν ποιήσασθαι τὸν ἄνδρα, συλλαβὼν ἐπὶ θανάτῳ. ὁ δὲ Δίων αἰσθόμενος τὸ μὲν πρῶτον ἐκρύφθη παρὰ τισιν τῶν φίλων, μετὰ δὲ ταῦτα ἔφυγεν ἐκ τῆς Σικελίας εἰς Πελοπόννησον, ἔχων μεθ' ἑαυτοῦ τὸν ἀδελφὸν Μεγακλῆν καὶ Ἡρακλείδην τὸν ἐπὶ τῶν στρατιωτῶν τεταγμένον ὑπὸ τοῦ τυράννου. [5] καταπλεύσας δ' εἰς τὴν Κόρινθον τοὺς μὲν Κορινθίους ἡξίου συνεπιλαβέσθαι τῆς ἐλευθερώσεως τῶν Συρακοσίων, αὐτὸς δὲ μισθοφόρους συνῆγε καὶ πανοπλίας συνήθροίξε. ταχὺ δὲ πολλῶν ὑπακουόντων πανοπλίας τε παρεσκευάζετο καὶ μισθοφόρους συχνούς, καὶ φορτηγούς δύο ναῦς μισθωσάμενος τά τε ὅπλα καὶ τοὺς μισθοφόρους ἐνθήμενος αὐτὸς μὲν ταύτας τὰς φορτίδας ἔχων ἐξέπλευσεν ἐκ Ζακύνθου τῆς πρὸς Κεφαλληνίαν εἰς τὴν Σικελίαν, Ἡρακλείδην δὲ ἀπέλειπεν τριῆρεις τινὰς καὶ ἐτέρας φορτηγούς ἄζοντα κατόπιν εἰς τὰς Συρακούσας. 7.

ἅμα δὲ τούτοις πραττομένοις Ἀνδρόμαχος ὁ Ταυρομενίτης, Τιμαίου μὲν τοῦ τὰς ἱστορίας συγγράψαντος πατὴρ ὢν, πλούτῳ δὲ καὶ ψυχῆς λαμπρότητι διαφέρων ἤθροισε τοὺς ἐκ τῆς Νάξου τῆς κατασκαφείσης ὑπὸ Διονυσίου περιλειφθέντας. οἰκίσας δὲ τὸν ὑπὲρ τῆς Νάξου λόφον τὸν ὀνομαζόμενον Ταῦρον καὶ μείνας κατ' αὐτὸν πλείω χρόνον ἀπὸ τῆς ἐπὶ τοῦ Ταύρου μονῆς ὀνόμασε Ταυρομένιον. ταχὺ δὲ τῆς πόλεως ἐπίδοσιν λαμβανούσης οἱ μὲν οἰκήτορες μεγάλους περιεποιήσαντο πλοῦτους, ἡ δὲ πόλις ἀξιώλογον ἀξίωμα περιποιησαμένη τὸ τελευταῖον ἐν τῷ καθ' ἡμᾶς βίῳ Καίσαρος ἀναστήσαντος τοὺς Ταυρομενίτας ἐκ τῆς πατρίδος τῶν Ῥωμαίων ἀποικίαν ἐδέξατο. [2]

ἅμα δὲ τούτοις πραττομένοις οἱ τὴν Εὐβοίαν κατοικοῦντες ἐστασίασαν πρὸς ἀλλήλους καὶ τῶν μὲν τοὺς Βοιωτοὺς, τῶν δὲ τοὺς Ἀθηναίους ἐπικαλεσαμένων συνέστη πόλεμος κατὰ τὴν Εὐβοίαν. γενομένων δὲ πλειόνων συμπλοκῶν καὶ ἀκροβολισμῶν ὅτε μὲν οἱ Θηβαῖοι προετέρουν, ὅτε δ' οἱ Ἀθηναῖοι τὴν νίκην ἀπεφέροντο. μεγάλη μὲν οὖν παράταξις οὐδεμία συνετελέσθη: τῆς δὲ νήσου διὰ τὸν ἐμφύλιον πόλεμον καταφθαρείσης καὶ πολλῶν ἀνθρώπων παρ' ἀμφοτέρων διαφθαρέντων μόγις ταῖς συμφοραῖς νουθετηθέντες εἰς ὁμόνοιαν ἦλθον καὶ τὴν εἰρήνην συνέθεντο πρὸς ἀλλήλους.

οἱ μὲν οὖν Βοιωτοὶ τὴν εἰς οἶκον ἐπάνοδον ποιησάμενοι τὴν ἡσυχίαν ἤγον.

[3] οἱ δ' Ἀθηναῖοι Χίων καὶ Ῥοδίων καὶ Κῶων, ἔτι δὲ Βυζαντίων ἀποστάντων ἐνέπεσον εἰς πόλεμον τὸν ὀνομασθέντα συμμαχικόν, ὃς διέμεινεν ἔτη τρία. ἐλόμενοι δὲ στρατηγούς Χάρητα καὶ Χαβρίαν ἀπέστειλαν μετὰ δυνάμεως. οὗτοι δὲ πλεύσαντες ἐπὶ τὴν Χίον κατέλαβον παραγεγονότας συμμάχους τοῖς Χίοις παρὰ Βυζαντίων καὶ Ῥοδίων καὶ Κῶων, ἔτι δὲ Μανυσώλου τοῦ Καρῶν δυνάστου. ἐκτάξαντες δὲ τὴν δύναμιν ἐπολιόρκουν τὴν πόλιν κατὰ γῆν ἅμα καὶ κατὰ θάλατταν. ὁ μὲν οὖν Χάρης τοῦ πεζοῦ στρατεύματος ἡγούμενος κατὰ γῆν προσῆει τοῖς τείχεσι καὶ πρὸς τοὺς ἐκ τῆς πόλεως ἐκχυθέντας ἐπ' αὐτὸν διηγωνίζετο· ὁ δὲ Χαβρίας προσπλεύσας τῷ λιμένι ναυμαχίαν καρτερὰν συνεστήσατο καὶ τῆς νεῶς τοῖς ἐμβόλοις ἀναρραγεῖσιν κατεπονεῖτο. [4] οἱ μὲν οὖν ἐπὶ τῶν ἄλλων νεῶν εἷξαντες τῷ καιρῷ διεσώθησαν, ὁ δ' ἀντὶ τῆς ἥττης ἀλλαξάμενος τὸν εὐκλεᾶ θάνατον ἀγωνιζόμενος ὑπὲρ τῆς νεῶς καὶ τρωθεῖς ἐτελεύτησε. 8.

περὶ δὲ τοὺς αὐτοὺς καιροὺς Φίλιππος ὁ τῶν Μακεδόνων βασιλεὺς μεγάλην παρατάξει νενικηκὸς τοὺς Ἰλλυριοὺς καὶ πάντας τοὺς μέχρι τῆς Λυχνίτιδος καλουμένης λίμνης κατοικοῦντας ὑπηκόους πεπονημένους ἀνέκαμψεν εἰς τὴν Μακεδονίαν, συντεθειμένος ἔνδοξον εἰρήνην πρὸς τοὺς Ἰλλυριοὺς, περιβότης τε ὑπάρχων παρὰ τοῖς Μακεδόσιν ἐπὶ τοῖς δι' ἀνδρείαν κατωρθωμένοις. [2] μετὰ δὲ ταῦτα τῶν τὴν Ἀμφίπολιν οἰκούντων ἄλλοτρίως πρὸς αὐτὸν διατεθέντων καὶ πολλὰς ἀφορμὰς δόντων εἰς πόλεμον ἐστράτευσεν ἐπ' αὐτοὺς ἀξιολόγῳ δυνάμει. προσαγαγὼν δὲ τοῖς τείχεσι μηχανὰς καὶ προσβολὰς ἐνεργοὺς καὶ συνεχεῖς ποιησάμενος κατέβαλε μὲν τοῖς κριοῖς μέρος τι τοῦ τείχους, παρεισελθὼν δ' εἰς τὴν πόλιν διὰ τοῦ πτόματος καὶ τῶν ἀντιστάντων πολλοὺς καταβαλὼν ἐκυρίευσεν τῆς πόλεως καὶ τοὺς μὲν ἄλλοτρίως πρὸς αὐτὸν διακειμένους ἐφυγάδευσε, τοῖς δ' ἄλλοις φιланθρώπως προσηνέχθη. [3] ἡ δὲ πόλις αὕτη κειμένη κατὰ τῆς Θράκης καὶ τῶν σύνεγγυς τόπων εὐφυῶς πολλὰ συνεβάλετο τῷ Φιλίππῳ πρὸς αὐξησιν. εὐθὺ γὰρ τὴν μὲν Πύδναν ἐχειρώσατο, πρὸς δὲ Ὀλυνθίους συμμαχίαν ἔθετο καὶ Ποτίδαιαν ὠμολόγησε περιποιήσιν αὐτοῖς, ὑπὲρ ἧς Ὀλυνθιοὶ πολλὴν σπουδὴν ἔσχον κυριεῦσαι τῆς πόλεως. [4] τῶν δ' Ὀλυνθίων βαρεῖαν πόλιν οἰκούντων καὶ διὰ τὸ πλῆθος τῶν ἐν ταύτῃ ἐνοικούντων πολλὴν ἐχόντων ῥοπήν εἰς τὸν πόλεμον περιμάχητος ἦν ἡ πόλις τοῖς ἡγεμονίας μείζονος ὀρεγομένοις. διόπερ οἱ τε Ἀθηναῖοι καὶ ὁ Φίλιππος διεφιλοτιμοῦντο πρὸς ἀλλήλους περὶ τῆς τῶν Ὀλυνθίων συμμαχίας. [5] οὐ μὴν ἄλλ' ὁ Φίλιππος Ποτίδαιαν ἐκπολιορκήσας τὴν μὲν τῶν Ἀθηναίων φρουρὰν ἐξήγαγεν ἐκ τῆς πόλεως καὶ φιланθρώπως αὐτῇ προσενεγκάμενος ἐξαπέστειλεν εἰς τὰς Ἀθήνας· σφόδρα γὰρ εὐλαβεῖτο τὸν δῆμον τῶν Ἀθηναίων διὰ τὸ βάρος καὶ τὸ ἀξίωμα τῆς πόλεως. τὴν δὲ πόλιν ἐξανδραποδισάμενος παρέδωκε τοῖς Ὀλυνθίοις, δωρησάμενος ἅμα καὶ τὰς κατὰ τὴν χώραν κτήσεις. [6] μετὰ δὲ ταῦτα παρελθὼν ἐπὶ πόλιν Κρηνίδας ταύτην μὲν ἐπαυξήσας οἰκητόρων πλῆθει μετωνόμασε Φιλίππους, ἀφ' ἐαυτοῦ προσαγορεύσας, τὰ δὲ κατὰ τὴν χώραν χρύσεια μέταλλα παντελῶς ὄντα λιτὰ καὶ ἄδοξα ταῖς κατασκευαῖς ἐπὶ τοσοῦτον ἠύξησεν ὥστε δύνασθαι φέρειν αὐτῷ πρόσδοτον πλεῖον ἢ ταλάντων χιλίων. [7] ἐκ δὲ τούτων ταχὺ σωρεύσας πλοῦτον αἰεὶ μᾶλλον διὰ τὴν εὐπορίαν

τῶν χρημάτων εἰς ὑπεροχὴν μεγάλην ἤγαγε τὴν Μακεδονικὴν βασιλείαν: νόμισμα γὰρ χρυσοῦν κόψας τὸ προσαγορευθὲν ἀπ' ἐκείνου Φιλίππειον μισθοφόρων τε δύναμιν ἀξιόλογον συνεστήσατο καὶ τῶν Ἑλλήνων πολλοὺς διὰ τούτου προετρέψατο προδότας γενέσθαι τῶν πατρίδων. ἀλλὰ περὶ μὲν τούτων αἱ κατὰ μέρος πράξεις ἕκαστα δηλώσουσιν, ἡμεῖς δ' ἐπὶ τὰς συνεχεῖς πράξεις μεταβιβάσομεν τὸν λόγον. 9.

ἐπ' ἄρχοντας γὰρ Ἀθήνησιν Ἀγαθοκλέους Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Φάβιον καὶ Γάιον Πόπλιον. ἐπὶ δὲ τούτων Δίων ὁ Ἰππαρίνου κατέπλευσεν εἰς τὴν Σικελίαν καταλύσων τὴν Διονυσίου τυραννίδα, ἐλαχίσταις δὲ τῶν πρὸ αὐτοῦ πάντων χρησάμενος ἀφορμαῖς μεγίστην δυναστείαν τῶν κατὰ τὴν Εὐρώπην κατέλυσεν ἀνεπίστως. [2] τίς γὰρ ἂν πιστεύσειεν ὅτι δυοὶ φορτηγοῖς ναυσὶ καταπλεύσας περιέγενετο δυνάστου ναῦς μὲν μακρὰς ἔχοντος τετρακοσίας, στρατιώτας δὲ πεζοὺς μὲν εἰς δέκα μυριάδας, ἵππεῖς δὲ μυρίους, ὅπλων δὲ καὶ σίτου καὶ χρημάτων τοσαύτην παρασκευὴν ὅσην εἰκὸς ἐστὶ κεκτῆσθαι τὸν μέλλοντα χορηγήσειν δασιλῶς ταῖς προειρημέναις δυνάμεσι, χωρὶς δὲ τῶν εἰρημένων πόλιν μὲν ἔχοντα μεγίστην τῶν Ἑλληνίδων, λιμένας δὲ καὶ νεώρια καὶ κατεσκευασμένας ἀκροπόλεις ἀναλώτους, ἔτι δὲ συμμάχων δυνατῶν ἔχοντα πλῆθος; [3] αἰτία δ' ὑπῆρχε τῷ Δίῳ τῶν προτερημάτων μάλιστα μὲν ἡ ἰδία λαμπρότης τῆς ψυχῆς καὶ ἀνδρεία καὶ ἡ τῶν ἐλευθεροῦσθαι μελλόντων εὐνοία, τὸ δὲ τούτων ἀπάντων μεῖζον ἢ τε ἀνανδρία τοῦ τυράννου καὶ τὸ τῶν ἀρχομένων πρὸς αὐτὸν μῖσος: πάντα γὰρ ταῦτα πρὸς ἓνα καιρὸν συνδραμόντα παραδόξως τὰς ἀπιστουμένας πράξεις πρὸς τέλος ἤγαγεν. [4] ἡμεῖς δ' ἀφέμενοι τούτων τῶν λόγων ἐπὶ τὴν ἀναγραφὴν τῶν κατὰ μέρος πεπραγμένων τρεψόμεθα. Δίων γὰρ ἐκ Ζακύνθου τῆς πρὸς Κεφαλληνίαν δυοὶ φορτίσι ναυσὶν ἀναχθεὶς κατέπλευσε τῆς Ἀκραγαντίνης εἰς τὴν ὀνομαζομένην Μίνφω. αὕτη δὲ τὸ μὲν παλαιὸν ὑπὸ Μίνωος ἐκτίσθη τοῦ βασιλέως Κρητῶν, καθ' ὃν καιρὸν ζητῶν Δαίδαλον ἐπεξενώθη Κωκάλῳ τῷ βασιλεῖ τῶν Σικανῶν: κατὰ δὲ τοὺς ὑποκειμένους καιροὺς ἡ μὲν πόλις αὕτη τοῖς Καρχηδονίοις ὑπῆκουεν, ὁ δ' ἐπιστάτης αὐτῆς, ὄνομα Πάραλος, φίλος ὢν Δίωνος προθύμως ὑπεδέξατ' αὐτόν. [5] ὁ δὲ Δίων ἐξελόμενος ἐκ τῶν φορηγῶν πανοπλίας πεντακισχιλίας τῷ Παράλῳ παρέδωκεν καὶ παρεκάλεσεν αὐτὸν ἀμάξαις παρακομίσαι πρὸς τὰς Συρακούσας: αὐτὸς δὲ τοὺς μισθοφόρους παραλαβὼν, ὄντας χιλίους, προῆγεν ἐπὶ τὰς Συρακούσας. ἐν παρόδῳ δὲ τοὺς τε Ἀκραγαντίνους καὶ Γελῶφους καὶ τινες τῶν τὴν μεσόγειον οἰκούντων Σικανῶν τε καὶ Σικελῶν, ἔτι δὲ Καμαριναίους πείσας συνελυθερῶσαι τοὺς Συρακοσίους προῆγεν ἐπὶ τὴν κατάλυσιν τοῦ τυράννου. [6] πολλῶν δὲ πάντοθεν συρρυνέντων μετὰ τῶν ὅπλων ταχὺ πλείους τῶν δισμυρίων στρατιωτῶν ἡθροίσθησαν. οὐδὲν δ' ἤττον καὶ πολλοὶ τῶν ἐκ τῆς Ἰταλίας Ἑλλήνων καὶ Μεσσηνίων μετεπέμφθησαν καὶ πάντες σὺν πολλῇ προθυμίᾳ κατὰ σπουδὴν ἦκον. 10. ὥς δ' ἐπὶ τοῖς ὅροις τῆς Συρακοσίας ὁ Δίων ἦν, ἀπῆντα πρὸς αὐτὸν πλῆθος ἀνόπλων ἀνθρώπων ἐκ τε τῆς χώρας καὶ τῆς πόλεως: ἀπίστως γὰρ διακείμενος ὁ Διονύσιος πρὸς τοὺς Συρακοσίους πολλῶν τὰ ὅπλα παρήρητο. [2] κατὰ δὲ τοῦτον τὸν καιρὸν ὁ μὲν τύραννος περὶ τὰς νεοκτίστους πόλεις κατὰ τὸν Ἀδριὰν διέτριβε μετὰ πολλῶν

δυνάμεων, οἱ δ' ἐπὶ τῆς φυλακῆς τῶν Συρακουσσῶν ἀπολειφθέντες ἡγεμόνες τὸ μὲν πρῶτον ἐπειρῶντο μετακαλεῖσθαι τοὺς Συρακοσίους ἀπὸ τῆς ἀποστάσεως· ἀκατασχέτου δὲ τῆς ὀρμῆς τῶν ὄχλων οὔσης ἀπογνόντες τοὺς μισθοφόρους καὶ τοὺς τὰ τοῦ δυνάστου φρονούντας ἠθροισαν καὶ τὰς τάξεις πληρώσαντες τοῖς ἀφεστηκόσιν ἐπιθέσθαι διέγνωσαν. [3] Δίῳ δὲ τοῖς μὲν ἀνόπλοις τῶν Συρακοσίων διέδωκε τὰς πεντακισχιλίας πανοπλίας, τοὺς δὲ ἄλλους ἐκ τῶν δυνατῶν τοῖς παρατυχοῦσιν ὅπλοις συνεσκεύασεν. συναγαγὼν δ' ἅπαντας εἰς κοινὴν ἐκκλησίαν ἀπεφαίνετο μὲν ἑαυτὸν ἡκεῖν ἐπὶ τὴν ἐλευθέρωσιν τῶν Σικελιωτῶν, παρεκάλει δὲ στρατηγούς αἰρεῖσθαι τοὺς εὐθέτους πρὸς τὴν ἀποκατάστασιν τῆς αὐτονομίας καὶ τὴν κατάλυσιν τῆς ὅλης τυραννίδος. τὸ δὲ πλῆθος ὥσπερ ἀπὸ μιᾶς φωνῆς ἀνεβόησε στρατηγούς αἰρεῖσθαι τὸν τε Δίωνα καὶ τὸν ἀδελφὸν αὐτοῦ Μεγακλῆν αὐτοκράτορας. [4] εὐθὺς οὖν ἀπὸ τῆς ἐκκλησίας ἐκτάξας τὴν δύναμιν προσήγε τῇ πόλει. οὐδενὸς δ' ἀντιποιομένου τῶν ὑπαίθρων ἀδεῶς εἰσῆλθεν ἐντὸς τοῦ τείχους καὶ διὰ τῆς Ἀχραδινῆς πορευθεὶς εἰς τὴν ἀγορὰν κατεστρατοπέδευσεν, οὐδενὸς τολμῶντος ἐπεξίεναι. [5] ὁ δὲ σύμπας ἀριθμὸς ἦν τῶν μετὰ Δίωνος στρατιωτῶν οὐκ ἐλάττους τῶν πεντακισμυρίων. οὗτοι δὲ πάντες ἐστεφανωμένοι κατῆλθον εἰς τὴν πόλιν προηγουμένου τοῦ τε Δίωνος καὶ τοῦ Μεγακλέους καὶ μετὰ τούτων τριάκοντα Συρακοσίων, οἱ μόνοι τῶν κατὰ τὴν Πελοπόννησον φυγάντων Συρακοσίων μετασχεῖν τῶν κινδύνων ἠθέλησαν. 11. τῆς δὲ πόλεως πάσης μετῃμφισμένης ἀντὶ τῆς δουλείας τὴν ἐλευθερίαν καὶ τὸ σκυθρωπὸν τῆς τυραννίδος εἰς πανηγυρικὴν ἰλαρότητα τῆς τύχης ἀγούσης πᾶσα οἰκία θυσιῶν καὶ χαρᾶς ἔγεμε, τῶν ιδιωτῶν ἐπὶ ταῖς ἰδίαις ἐστίαις θυμιώντων καὶ περὶ μὲν τῶν παρόντων ἀγαθῶν εὐχαριστοῦντων τοῖς θεοῖς, περὶ δὲ τῶν μελλόντων εὐχὰς ἀγαθὰς ποιουμένων. ἐγένετο δὲ καὶ τῶν γυναικῶν ἐπὶ ταῖς ἀνελπίστοις εὐημερίαις ὀλολυγμὸς πολλὸς καὶ καθ' ἅπασαν τὴν πόλιν συνδρομαί. [2] οὐδεὶς δ' ἦν ἐλεύθερος, οὐ δοῦλος, οὐ ξένος, ὃς οὐκ ἔσπευδεν ἰδεῖν τὸν Δίωνα καὶ τὴν ἀρετὴν τοῦ ἀνδρὸς πάντες ἀπεδέχοντο μειζόνως ἢ κατ' ἄνθρωπον. καὶ τοῦτ' εὐλόγως ἔπασχον διὰ τὸ μέγεθος καὶ παράδοξον τῆς μεταβολῆς· πεντηκονταετοῦς γὰρ δουλείας πεπειραμένοι καὶ τῆς ἐλευθερίας διὰ τὸν χρόνον ἐπιλελησμένοι δι' ἑνὸς ἀνδρὸς ἀρετὴν ἀπελύθησαν τῆς συμφορᾶς. [3]

Διονύσιος δὲ κατὰ τούτους τοὺς καιροὺς αὐτὸς μὲν ἔτυχε διατρίβων περὶ Καυλωνίαν τῆς Ἰταλίας, Φίλιστον δὲ τὸν στρατηγὸν περὶ τὸν Ἀδρίαν ὄντα μετεπέμψατο μετὰ τῆς ναυτικῆς δυνάμεως καὶ προσέταξε πλεῖν εἰς τὰς Συρακούσας. ἀμφοτέρων δ' εἰς τὸν αὐτὸν τόπον ἐλθεῖν σπευδόντων ὁ μὲν Διονύσιος ἦκεν εἰς τὰς Συρακούσας ἡμέραις ὕστερον ἑπτὰ τῆς Δίωνος καθόδου. [4] εὐθὺς οὖν καταστρατηγῆσαι βουλόμενος τοὺς Συρακοσίους περὶ διαλύσεως ἐπρεσβεύετο καὶ πολλὰς ἐμφάσεις ἐδίδου παραδῶσειν τὴν τυραννίδα τῷ δήμῳ καὶ τῆς δημοκρατίας ἀλλάξεσθαι τιμὰς ἀξιολόγους· ἡξίου τε πρέσβεις ἀποστεῖλαι πρὸς αὐτόν, μεθ' ὧν συνεδρεύσας καταλύσῃται τὸν πόλεμον. [5] οἱ μὲν οὖν Συρακοσίοι μετεωρισθέντες ταῖς ἐλπίσιν ἐξαπέστειλαν πρέσβεις τοὺς ἀξιολογωτάτους τῶν ἀνδρῶν· ὁ δὲ Διονύσιος τούτοις μὲν φυλακὴν περιστήσας ἀνεβάλετο τὴν ἔντευξιν, αὐτὸς δ' ὁρῶν τοὺς

Συρακοσίους διὰ τὴν ἐλπίδα τῆς εἰρήνης τὰ τε περὶ τὰς φυλακὰς ῥαθύμως ἔχοντας καὶ τὰ πρὸς μάχην ἀπαρασκευoύς ἄφνω τὰς πύλας τῆς κατὰ τὴν Νῆσον ἀκροπόλεως ἀνοίξας ἐξεχύθη συντεταγμένη τῇ δυνάμει. 12.

τῶν δὲ Συρακοσίων κατεσκευακότων ἀπὸ θαλάττης εἰς θάλατταν διατειχίσμα αὐτῶν προσέπεσον οἱ μισθοφόροι τῷ τείχει μετὰ πολλῆς βοῆς καὶ καταπλήξεως καὶ πολλοὺς μὲν τῶν φυλάκων ἀνείλον, τοῦ δὲ τείχους ἐντὸς γενόμενοι πρὸς τοὺς ἐκβοηθοῦντας διηγωνίζοντο. [2] ὁ δὲ Δίων ἀνελπίστως παρεσπονδημένος μετὰ τῶν ἀρίστων στρατιωτῶν ἀπήντα τοῖς πολεμίοις καὶ συνάψας μάχην πολὺν ἐποίει φόνον. ἐν σταδίῳ γὰρ ὥσπερ, τῷ ὀλίγῳ δὴ διαστήματι τῆς διατειχίσεως, μάχης οὔσης συνέδραμε πλῆθος στρατιωτῶν εἰς στενὸν τόπον. [3] διὸ καὶ παρ' ἀμφοτέροις οἱ ταῖς ἀνδραγαθίαις πρωτεύοντες συγκατέβησαν εἰς τὸν κίνδυνον: καὶ τῶν μὲν τοῦ Διονυσίου μισθοφόρων διὰ τὸ μέγεθος τῶν ἐπαγγελιῶν, τῶν δὲ Συρακοσίων διὰ τὴν ἐλπίδα τῆς ἐλευθερίας εἰς ὑπερβάλλουσαν φιλοτιμίαν ἐκτραπέντων τὸ μὲν πρῶτον ἰσόρροπος ἦν ἡ μάχη, τῆς παρ' ἀμφοτέροις ἀρετῆς οὔσης ἰσομάχου, καὶ πολλοὶ μὲν ἔπιπτον, οὐκ ὀλίγοι δὲ κατετιτρώσκοντο πάσας τὰς πληγὰς ἐναντίας λαμβάνοντες: οἱ μὲν γὰρ πρωτοστάται τὸν ὑπὲρ τῶν ἄλλων θάνατον ὑπέμενον εὐψύχως, οἱ δ' ἐπιτεταγμένοι τοὺς πίπτοντας ὑπερασπίζοντες καὶ τοῖς δεινοῖς ἐγκαρτεροῦντες τοὺς ἐσχάτους κινδύνους ὑπὲρ τῆς νίκης ἀνεδέχοντο. [4] μετὰ δὲ ταῦτα Δίων μὲν ἀριστεῦσαι βουλόμενος ἐν τῇ μάχῃ καὶ σπεύδων δι' ἑαυτοῦ περιποιήσασθαι τὴν νίκην εἰς μέσους ἐβιάσατο τοὺς πολεμίους: ἡρωικῶς δ' ἀγωνιζόμενος πολλοὺς μὲν ἐφόνευσε, τὴν δ' ὅλην σύνταξιν τῶν μισθοφόρων διακόψας ἐναπελήφθη μόνος τῷ πλήθει: πολλῶν δ' ἐπ' αὐτὸν ῥιφέντων βελῶν εἷς τε τὴν ἀσπίδα καὶ τὸ κράνος ταῦτα μὲν ἐξέφυγε διὰ τὴν τῶν ὄπλων κατασκευήν, εἰς δὲ τὸν δεξιὸν βραχίονα τρωθεὶς συγκατηνέχθη τῷ βάρει τῆς πληγῆς καὶ τοῖς πολεμίοις παρ' ὀλίγον ὑποχείριος ἐγένετο. [5] οἱ δὲ Συρακόσιοι δείσαντες ὑπὲρ τῆς κατὰ τὸν στρατηγὸν σωτηρίας ἐπέρραξαν τοῖς μισθοφόροις βαρεῖα τῇ συντάξει καὶ τὸν μὲν Δίωνα καταπονούμενον ἐξήρπασαν ἐκ τῶν κινδύνων, τοὺς δὲ πολεμίους βιασάμενοι φυγεῖν ἠνάγκασαν. ὁμοίως δὲ καὶ κατὰ τὸν ἄλλον τρόπον τοῦ τείχους προτερούντων τῶν Συρακοσίων οἱ τοῦ τυράννου μισθοφόροι συνεδιώχθησαν ἐντὸς πυλῶν τῶν ἐν τῇ Νήσῳ. ἐπιφανεῖ δὲ μάχῃ νικήσαντες οἱ Συρακόσιοι καὶ τὴν ἐλευθερίαν βεβαίως κτησάμενοι τρόπαιον ἔστησαν κατὰ τοῦ τυράννου. 13.

μετὰ δὲ ταῦτα Διονύσιος μὲν ἐπταικῶς καὶ τὴν δυναστείαν ἀπογινώσκων ἤδη ἐν μὲν ταῖς ἀκροπόλεσιν ἀπέλιπε φρουρὰς ἀξιολόγους, αὐτὸς δὲ τοὺς τετελευτηκότας, ὀκτακοσίους ὄντας, λαβὼν τὴν ἀναίρεσιν αὐτῶν ἔθαψε λαμπρῶς, χρυσοῖς μὲν στεφάνοις ἐστεφανωμένους, πορφυρίσι δὲ καλαῖς περιβεβλημένους: ἤλπιζε γὰρ διὰ τῆς τούτων σπουδῆς προτρέψεσθαι τοὺς ἄλλους εἰς τὸ προθύμως κινδυνεύειν ὑπὲρ τῆς τυραννίδος: τοὺς δ' ἀνδραγαθήσαντας μεγάλαις δωρεαῖς ἐτίμησε. πρὸς δὲ τοὺς Συρακοσίους διεπέμπετο περὶ διαλύσεων. [2] ὁ δὲ Δίων περὶ μὲν τῶν πρεσβειῶν αἰεὶ τινας εὐλόγους προφάσεις ποριζόμενος ἀνεβάλλετο, ἐν τοσούτῳ δὲ τὸ λοιπὸν τοῦ τείχους κατασκευάσας μεθ' ἡσυχίας τότε τὰς πρεσβείας μετεπέμπετο,

κατεστρατηγηκῶς τοὺς πολεμίους ταῖς τῆς εἰρήνης ἐλπίσιν. γενομένων δὲ λόγων περὶ συλλύσεων ὁ Δίων ἀπεκρίθη τοῖς πρέσβεσιν μίαν εἶναι σύλλυσιν, ἂν ἀποθέμενος τὴν τυραννίδα βούληται τυχεῖν τιμῶν τινων. ὁ δὲ Διονύσιος ὑπερηφάνου τῆς ἀποκρίσεως γενομένης συναγαγὼν τοὺς ἡγεμόνας ἐβουλεύετο πῶς χρὴ τοὺς Συρακοσίους ἀμύνασθαι. [3] πάντων δ' εὐπορῶν πλὴν σίτου καὶ θαλαττοκρατῶν ἐλήστευε τὴν χώραν καὶ τὰς τροφὰς ἐκ τῶν προνομῶν κακῶς ποριζόμενος ἐξαπέστειλε ναῦς φορτίδας καὶ χρήματα πρὸς τὸν τοῦ σίτου καταγορασμόν. οἱ δὲ Συρακοῖοι ναῦς μακρὰς πολλὰς ἔχοντες καὶ κατὰ τοὺς εὐκαίρους τόπους ἐπιφαινόμενοι πολλὴν τῆς ὑπὸ τῶν ἐμπόρων κομιζομένης ἀγορᾶς παρηροῦντο. καὶ τὰ μὲν περὶ τὰς Συρακούσας ἐν τούτοις ἦν. 14.

κατὰ δὲ τὴν Ἑλλάδα Ἀλέξανδρος ὁ Φερῶν τύραννος ὑπὸ τῆς ἰδίας γυναικὸς Θήβης καὶ τῶν ταύτης ἀδελφῶν Λυκόφρονος καὶ Τισιφόνου ἐδολοφονήθη. οὗτοι δὲ τὸ μὲν πρῶτον ὥς τυραννοκτόνοι μεγάλης ἐτύγγανον ἀποδοχῆς, ὕστερον δὲ μετανοήσαντες καὶ τοὺς μισθοφόρους χρήμασι πείσαντες ἀνέδειξαν ἑαυτοὺς τυράννους καὶ πολλοὺς μὲν τῶν ἀντιπραπτομένων ἀνέϊλον, κατασκευασάμενοι δὲ τὴν δύναμιν ἀξιόλογον βία κατεῖχον τὴν ἀρχήν. [2] οἱ δ' Ἀλευάδαι καλούμενοι παρὰ τοῖς Θετταλοῖς, δι' εὐγένειαν δὲ ἀξίωμα ἔχοντες περιβόητον ἀντεπράττοντο τοῖς τυράννοις. οὐκ ὄντες δὲ καθ' ἑαυτοὺς ἀξιόμαχοι προσελάβοντο Φίλιππον σύμμαχον τὸν Μακεδόνων βασιλέα. οὗτος δὲ παρελθὼν εἰς τὴν Θετταλίαν κατεπολέμησε τοὺς τυράννους καὶ ταῖς πόλεσιν ἀνακτησάμενος τὴν ἐλευθερίαν μεγάλην εὖνοιαν εἰς τοὺς Θετταλοὺς ἐνεδείξατο: διόπερ ἐν ταῖς μετὰ ταῦτα πράξεσιν αἰεὶ συναγωνιστὰς ἔσχεν οὐ μόνον αὐτός, ἀλλὰ καὶ μετὰ ταῦτα ὁ υἱὸς Ἀλέξανδρος. [3]

τῶν δὲ συγγραφέων Δημόφιλος μὲν ὁ Ἐφόρου τοῦ ιστοριογράφου υἱὸς τὸν παραιοφθέντα πόλεμον ὑπὸ τοῦ πατρός, ὀνομασθέντα δὲ ἱερόν, συντεταγμένος ἐντεῦθεν ἦρκεται ἀπὸ τῆς καταλήψεως τοῦ ἐν Δελφοῖς ἱεροῦ καὶ τῆς συλήσεως τοῦ μαντείου ὑπὸ Φιλομήλου τοῦ Φωκέως: ἐγένετο δ' ὁ πόλεμος οὗτος ἔτη ἑνδεκα ἕως τῆς φθορᾶς τῶν διανειμαμένων τὰ ἱερὰ χρήματα. [4] Καλλισθένης δὲ τὴν τῶν Ἑλληνικῶν πραγμάτων ἱστορίαν γέγραφε ἐν βύβλοις δέκα καὶ κατέστροφεν εἰς τὴν κατάληψιν τοῦ ἱεροῦ καὶ παρανομίαν Φιλομήλου τοῦ Φωκέως: [5] Δίλλος δ' ὁ Ἀθηναῖος ἦρκεται τῆς ἱστορίας ἀπὸ τῆς ἱεροσυλήσεως καὶ γέγραφε βύβλους εἴκοσι καὶ ἕξ, συμπεριλαβὼν πάσας τὰς ἐν τοῖς χρόνοις τούτοις γενομένας πράξεις περὶ τὴν Ἑλλάδα καὶ τὴν Σικελίαν. 15.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἑλλπίνου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Πόπλιον Λαινάτην καὶ Γναῖον Μαιμίλιον Ἱμπεριῶσον, Ὀλυμπιάς δ' ἤχθη ἕκτη πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Πῶρος Μαλιεύς. ἐπὶ δὲ τούτων κατὰ μὲν τὴν Ἰταλίαν ἡθροίσθη περὶ τὴν Λευκανίαν πλῆθος ἀνθρώπων πανταχόθεν μιγάδων, πλείεστων δὲ δούλων δραπετῶν. οὗτοι δὲ τὸ μὲν πρῶτον ληστρικὸν ἐνεστήσαντο βίον καὶ διὰ τὴν ἐν ταῖς ἀγραυλῖαις καὶ καταδρομαῖς συνήθειαν ἔσχον τριβὴν καὶ μελέτην τῶν κατὰ πόλεμον ἔργων: διὸ καὶ τοῖς πολεμικοῖς ἀγῶσι προτεροῦντες τῶν ἐγχωρίων εἰς αὖξιν ἀξιολογωτέραν

κατέστησαν. [2] καὶ πρῶτον μὲν Τέριναν πόλιν ἐκπολιορκήσαντες διήρπασαν, ἔπειτα Ἰππώνιον καὶ Θουρίου καὶ πολλὰς ἄλλας χειρωσάμενοι κοινὴν πολιτείαν συνέθεντο καὶ προσηγορεύθησαν Βρέττιοι διὰ τὸ πλείστους εἶναι δούλους· κατὰ γὰρ τὴν τῶν ἐγχωρίων διάλεκτον οἱ δραπεταὶ βρέττιοι προσηγορεύοντο. τὸ μὲν οὖν τῶν Βρεττίων πλῆθος οὕτω συνέστη κατὰ τὴν Ἰταλίαν. 16.

κατὰ δὲ τὴν Σικελίαν Φίλιστος μὲν ὁ Διονυσίου στρατηγὸς πλεύσας εἰς Ῥήγιον διεκόμισε τοὺς ἱππεῖς εἰς Συρακούσας, ὄντας πλείους τῶν πεντακοσίων. προσθεῖς δὲ τούτοις ἱππεῖς τε ἄλλους πλείονας καὶ πεζοὺς δισχιλίους ἐστράτευσεν ἐπὶ Λεοντίνους ἀφεστηκότας ἀπὸ Διονυσίου, νυκτὸς δὲ παρεισπεσὼν ἐντὸς τοῦ τείχους κατελάβετο μέρος τῆς πόλεως. γενομένης δὲ μάχης ἰσχυρᾶς καὶ τῶν Συρακοσίων βοηθησάντων ἡττηθεὶς ἐξέπεσεν ἐκ τῶν Λεοντίνων. [2] Ἡρακλείδης δ' ὁ καταλελειμμένος ὑπὸ Δίωνος ναύαρχος τῶν μακρῶν νεῶν ἐν Πελοποννήσῳ διὰ τινὰς χεμιῶνας ἐμποδισθεὶς ὑστέρησε τῆς καθόδου τῶν περὶ τὸν Δίωνα καὶ τῆς τῶν Συρακοσίων ἐλευθερώσεως· ἦκε δ' ἄγων ναῦς μὲν μακρὰς εἴκοσι, χιλίους δὲ στρατιώτας καὶ πεντακοσίους. ὢν δ' ἀνὴρ ἐπισημότατος καὶ δόξας ἄξιος ὑπάρχειν ἡρέθη ναύαρχος ὑπὸ τῶν Συρακοσίων, καὶ μετὰ Δίωνος τεταγμένος ἐπὶ τῆς ἡγεμονίας διεπολέμει πρὸς Διονύσιον. [3] μετὰ δὲ ταῦτα Φίλιστος ἀποδειχθεὶς στρατηγὸς καὶ καταρτίσας τριῆρεις ἐξήκοντα πρὸς Συρακοσίους ἐναυμάχησεν ἔχοντας ναῦς παραπλησίους τὸν ἀριθμὸν. γενομένου δ' ἀγῶνος καρτεροῦ καὶ τοῦ Φιλίστου τὸ μὲν πρῶτον διὰ τῆς ἰδίας ἀνδραγαθίας προτεροῦντος, ὕστερον δ' ἀποληφθέντος ὑπὸ τῶν πολεμίων οἱ μὲν Συρακόσιοι πανταχόθεν κυκλώσαντες τὰς ναῦς ἐφιλοτιμοῦντο ζωγρίᾳ λαβεῖν τὸν στρατηγόν, ὁ δὲ Φίλιστος εὐλαβηθεὶς τὴν ἐκ τῆς αἰχμαλωσίας αἰκίαν ἑαυτὸν ἀπέσφαξε, πλείστας μὲν καὶ μεγίστας χρεῖας παρῆσχεν τοῖς τυράννοις, πιστότατος δὲ τῶν φίλων τοῖς δυνάσταις γεγονώς. [4] οἱ δὲ Συρακόσιοι νικήσαντες τὴν ναυμαχίαν τὸ μὲν σῶμα τοῦ Φιλίστου διαμερίσαντες καὶ δι' ὅλης τῆς πόλεως ἐλκύσαντες ἄταφον ἐξέρριψαν, Διονύσιος δὲ τὸν μὲν πρακτικώτατον τῶν φίλων ἀποβαλὼν καὶ στρατηγὸν μὲν ἕτερον ἀξιοχρεῶν οὐκ ἔχων, αὐτὸς δ' οὐ δυνάμενος φέρειν τὸ τοῦ πολέμου βάρος ἐξέπεμψε πρεσβευτὰς πρὸς τὸν Δίωνα, τὸ μὲν πρῶτον τὴν ἡμίσειαν τῆς ἀρχῆς παραδιδούς, ὕστερον δὲ βουλόμενος ὅλην ἐγχειρίζειν. 17. τοῦ δὲ Δίωνος ἀποκριθέντος ὅτι τοῖς Συρακοσίοις δίκαιόν ἐστι παραδιδόναι τὴν ἀκρόπολιν ἐπὶ τισὶν ἐξαιρέτοις χρήμασι καὶ τιμαῖς, ὁ μὲν Διονύσιος ἔτοιμος ἦν παραδιδόναι τὴν ἄκραν τῷ δήμῳ ὥστε τοὺς μισθοφόρους καὶ τὰ χρήματα λαβόντα εἰς τὴν Ἰταλίαν μεταστῆναι, ὁ δὲ Δίων συνεβούλευε τοῖς Συρακοσίοις δέχεσθαι τὰ διδόμενα. ὁ δὲ δῆμος ὑπὸ τῶν ἀκαίρων δημηγόρων πεισθεὶς ἀντεῖπε, νομίζων κατὰ κράτος ἐκπολιορκήσῃν τὸν τύραννον. [2] μετὰ δὲ ταῦτα ὁ μὲν Διονύσιος τοὺς ἀρίστους τῶν μισθοφόρων ἀπέλιπεν φυλάζοντας τὴν ἄκραν, αὐτὸς δ' ἐνθήμενος τὰ χρήματα καὶ πᾶσαν τὴν βασιλικὴν κατασκευὴν ἔλαθεν ἐκπλεύσας καὶ κατῆρεν εἰς τὴν Ἰταλίαν. [3] οἱ δὲ Συρακόσιοι πρὸς ἀλλήλους ἐστασίασαν, τῶν μὲν οἰομένων δεῖν τὴν στρατηγίαν καὶ τὴν τῶν ὅλων ἐξουσίαν ἐγχειρίζειν Ἡρακλείδῃ διὰ τὸ τοῦτον δοκεῖν μηδέποτε ἂν ἐπιθέσθαι

τυραννίδι, τῶν δὲ ἀποφαινομένων τὸν Δίωνα δεῖν ἔχειν τὴν τῶν ἀπάντων ἡγεμονίαν. πρὸς δὲ τούτοις πολλῶν ὀφειλομένων μισθῶν τοῖς ἐκ Πελοποννήσου ξένοις τοῖς ἡλευθερωκόσι τὰς Συρακούσας καὶ χρημάτων σπανιζούσης τῆς πόλεως οἱ μὲν μισθοφόροι τῶν χρημάτων ἀποστερούμενοι συνεστράφησαν, ὄντες πλείους τῶν τρισχιλίων, πάντες δ' ἐπίλεκτοι ταῖς ἀρεταῖς καὶ διὰ τὴν ἄθλησιν τῶν πολεμικῶν ἔργων διαπεπονημένοι πολὺ τοὺς Συρακοσίους ταῖς ἀρεταῖς ὑπερεβάλλοντο. [4] ὁ δὲ Δίων ἀξιούμενος ὑπὸ τῶν μισθοφόρων συναποστῆναι καὶ παρὰ τῶν Συρακοσίων ὡς κοινῶν ἐχθρῶν λαβεῖν τιμωρίαν τὸ μὲν πρῶτον ἀντεῖπεν, μετὰ δὲ ταῦτα συναναγκαζόμενος ὑπὸ τῆς περιστάσεως προσεδέξατο τὴν ἡγεμονίαν τῶν ξένων καὶ μετ' ἐκείνων ταχθεὶς ἀνέξευξεν ἐπὶ τοὺς Λεοντίνους. [5] οἱ δὲ Συρακόσιοι συστραφέντες ἐδίωκον τοὺς μισθοφόρους καὶ κατὰ τὴν ὁδοιορίαν συνάψαντες μάχην καὶ πολλοὺς ἀποβαλόντες ἀπεχώρησαν. ὁ δὲ Δίων λαμπρᾷ μάχῃ νικήσας οὐδὲν ἐμνησικάκησε τοῖς Συρακοσίοις: ἀποστειλάντων γὰρ πρὸς αὐτὸν κήρυκα περὶ τῆς τῶν νεκρῶν ἀναιρέσεως τὴν τε τῶν νεκρῶν ἀναίρεσιν ἔδωκε καὶ τοὺς ἀλόντας πολλοὺς ὄντας ἀπέλυσεν ἄνευ λύτρων. πολλοὶ γὰρ ἐν τῇ φυγῇ μέλλοντες φονεύεσθαι διηγόρευον ἑαυτοὺς εἶναι τῶν τὰ Δίωνος φρονούντων καὶ πάντες διὰ ταύτην τὴν αἰτίαν ἐξέφυγον τὸν θάνατον. 18.

μετὰ δὲ ταῦτα Διονύσιος μὲν στρατηγὸν ἀπέστειλεν εἰς τὰς Συρακούσας Νύψιον τὸν Νεαπολίτην, ἀνδρεία καὶ συνέσει στρατηγικῇ διαφέροντα: συνεξέπεμψε δ' αὐτῷ καὶ φορητὰ πλοῖα σίτου καὶ τῆς ἄλλης ἀγορᾶς γέμοντα. οὗτος μὲν οὖν ἐκ Λοκρῶν ἀναχθεὶς ἐτέλει τὸν εἰς Συρακούσας πλοῦν. [2] οἱ δὲ κατὰ τὴν ἀκρόπολιν μισθοφόροι τοῦ τυράννου, κατὰ τοῦτον τὸν καιρὸν ἐπιλιπόντος τοῦ σίτου, καὶ τῇ σπάνει τῶν ἀναγκαίων δεινῶς πιεζόμενοι μέχρι μὲν τινος ὑπέμενον εὐψύχως τὴν ἔνδειαν, τῆς δὲ φύσεως ὑπὸ τῆς ἀνάγκης ἡττωμένης καὶ τῆς σωτηρίας ἀπογινωσκομένης συνδραμόντες εἰς ἐκκλησίαν νυκτὸς ἐψηφίσαντο παραδοῦναι τὴν ἀκρόπολιν καὶ σφᾶς αὐτοὺς τοῖς Συρακοσίοις ἅμ' ἡμέρᾳ. [3] ἤδη δὲ τῆς νυκτὸς ληγουσῆς οἱ μὲν μισθοφόροι κήρυκας ἐξέπεμπον πρὸς τοὺς Συρακοσίους περὶ τῆς διαλύσεως, ὁ δὲ Νύψιος διαφαινούσης ἤδη τῆς ἡμέρας κατέπλευσε μετὰ τοῦ στόλου καὶ καθωρμίσθη περὶ τὴν Ἀρέθουσαν. διόπερ τῆς ἐνδείας παραχρῆμα μεταβαλούσης εἰς πολλὴν δαψίλειαν τῶν ἐπιτηδείων ὁ μὲν στρατηγὸς Νύψιος ἐκβιβάσας τοὺς στρατιώτας, κοινὴν ἐκκλησίαν συναγαγὼν καὶ διαλεχθεὶς οἰκείως τοῖς παροῦσι καιροῖς, προθύμους κατεσκεύασε πρὸς τοὺς μέλλοντας κινδύνους. ἡ μὲν οὖν ἀκρόπολις ἤδη παραδιδομένη τοῖς Συρακοσίοις τὸν εἰρημένον τρόπον ἀνελπίστως διεφυλάχθη, [4] οἱ δὲ Συρακόσιοι πληρώσαντες ἀπάσας τὰς τριήρεις ἐπέπλευσαν τοῖς πολεμίοις ἔτι περὶ τὴν ἐξαίρεσιν τῆς ἀγορᾶς διατρίβουσιν. ἀπροσδοκῆτου δὲ τῆς ἐφόδου γενομένης καὶ τῶν κατὰ τὴν ἀκρόπολιν μισθοφόρων τεθορυβημένως ἀντιταχθέντων ταῖς πολεμίαις τριήρεσιν, ἐγένετο ναυμαχία, καθ' ἣν οἱ Συρακόσιοι προετέρησαν, καὶ τινὰς μὲν τῶν νεῶν κατέδυσαν, τινῶν δ' ἐγκρατεῖς κατέστησαν, τὰς δὲ λοιπὰς πρὸς τὴν γῆν κατεδίωξαν. [5] μετεωρισθέντες δ' ἐπὶ τῷ προτερήματι τοῖς μὲν θεοῖς μεγαλοπρεπῶς ἔθυσαν ἐπινίκια, αὐτοὶ δ' εἰς εὐωχίας καὶ πότους ἐκτραπέντες, καταφρονούντες τῶν ἡττημένων ῥαθύμως εἶχον τὰ περὶ τὰς φυλακάς. 19.

Νύσιος δ' ὁ τῶν μισθοφόρων στρατηγὸς ἀναλαβεῖν καὶ ἀναμαχέσασθαι βουλόμενος τὴν ἦτταν νυκτὸς ἐκτεταγμένη τῇ δυνάμει παραδόξως προσέπεσε τῷ κατεσκευασμένῳ τείχει. εὐρὼν δὲ τοὺς φύλακας διὰ τὴν καταφρόνησιν καὶ μέθην εἰς ὕπνον τετραμμένους προσέθηκε τὰς παρεσκευασμένας κλίμακας πρὸς τὴν χρεῖαν. [2] διὰ δὲ τούτων οἱ κράτιστοι τῶν μισθοφόρων ἀνέβησαν ἐπὶ τὸ τεῖχος καὶ τοὺς φύλακας φονεύσαντες ἀνέφξαν τὰς πύλας. εἰσπεσόντων δὲ τῶν στρατιωτῶν εἰς τὴν πόλιν οἱ μὲν στρατηγοὶ τῶν Συρακοσίων ἐκ τῆς μέθης ἀνανήφοντες ἐπειρῶντο βοηθεῖν, ἐμποδιζόμενοι δὲ τὰς ὁρμὰς διὰ τὸν οἶνον οἱ μὲν ἀνῆρέθησαν, οἱ δ' ἔφυγον. κατειλημμένης δὲ τῆς πόλεως καὶ τῶν ἐκ τῆς ἀκροπόλεως στρατιωτῶν σχεδὸν ἀπάντων εἰσπεσόντων ἐντὸς τοῦ περιτειχίσματος, τῶν δὲ Συρακοσίων διὰ τὸ παράδοξον καὶ τὴν ἀταξίαν ἐκπεπληγμένων πολλὴς ἐγένετο φόνος. [3] τῶν δὲ τοῦ τυράννου στρατιωτῶν πλείονων ἢ μυρίων ὄντων καὶ συντεταγμένων καλῶς οὐδεὶς τὸ βάρος αὐτῶν ὑπομεῖναι δυνατός ἦν, ἅτε τοῦ θορύβου καὶ τῆς ταραχῆς, ἔτι δὲ ἀναρχίας τοὺς ἐλαττουμένους ἐμποδιζούσης. [4] κρατηθείσης δὲ τῆς ἀγορᾶς ὑπὸ τῶν πολεμίων, εὐθὺς ἐπὶ τὰς οἰκίας οἱ νενικηκότες ὥρμησαν· καὶ πολλὰ μὲν χρήματα διεφορεῖτο, οὐκ ὀλίγα δὲ σώματα γυναικῶν καὶ παίδων, ἔτι δ' οἰκετῶν ἐξηνδραποδίζετο. κατὰ δὲ τοὺς στενωποὺς καὶ τὰς ἄλλας ὁδοὺς ἀντιταττομένων Συρακοσίων ἐγίνοντο συνεχεῖς συμπλοκαὶ καὶ πολλοὶ μὲν ἀπέθνησκον, οὐκ ὀλίγοι δὲ τραύμασι περιέπιπτον. τὴν μὲν οὖν νύκτα διετέλεσαν ἀλλήλους ἀναιροῦντες ὥς ἔτυχε διὰ τὸ σκότος καὶ πᾶς τόπος νεκρῶν ἔγεμεν. 20. ἅμα δ' ἡμέρᾳ τὸ μὲν τῆς συμφορᾶς μέγεθος συνεωράθη, οἱ δὲ Συρακοσίοι, μίαν ἔχοντες σωτηρίαν τὴν ἀπὸ τοῦ Δίωνος βοήθειαν, ἐξαπέστειλαν ἱππεῖς εἰς Λεοντίνους, δεόμενοι τοῦ Δίωνος μὴ περιδεῖν τὴν πατρίδα δοριάλωτον γινομένην καὶ τῶν μὲν ἡμαρτημένων δοῦναι συγγνώμην αὐτοῖς, τὰς δὲ παρούσας δυστυχίας ἐλεήσαντα διορθώσασθαι τὴν τῆς πατρίδος συμφοράν. [2] ὁ δὲ Δίων λαμπρὸς ὢν τὴν ψυχὴν καὶ διὰ τὴν ἐκ φιλοσοφίας παιδείαν ἐξημερωμένος τοὺς λογισμοὺς οὐκ ἐμνησικάκησε τοῖς πολίταις, ἀλλὰ τοὺς μισθοφόρους πείσας παραχρῆμα ἀνέξευξε καὶ διανύσας ὀξέως τὴν εἰς Συρακούσας ὁδὸν ἦκε πρὸς τὰ Ἐξάπυλα. [3] ἐνταῦθα δὲ διατάξας τοὺς στρατιώτας προσῆγε κατὰ τάχος καὶ κατέλαβεν ἐκ τῆς πόλεως τέκνα μὲν καὶ γυναῖκας καὶ τοὺς γεγηρακότας ὑπὲρ τοὺς μυρίους· οὗτοι δὲ πάντες ἀπαντῶντες μετὰ δακρύων ἰκέτευσον ἀμῦναι τοῖς ἰδίοις ἀκληρήμασιν. οἱ δ' ἐκ τῆς ἀκροπόλεως μισθοφόροι κεκρατηκότες ἤδη τῆς προθέσεως τὰς μὲν περὶ τὴν ἀγορὰν οἰκίας διαρπάσαντες ἐνέπρησαν, ἐπὶ δὲ τὰς λοιπὰς ὁρμήσαντες διήρπαζον τὰς ἐν ταύταις κτήσεις. [4] καθ' ὃν δὴ καιρὸν Δίων κατὰ πλείους τόπους εἰσπεσὼν εἰς τὴν πόλιν, καὶ τοῖς πολεμίοις περὶ τὰς ἀρπαγὰς ἀσχολουμένοις ἐπιθέμενος πάντας τοὺς περιτυγχάνοντας ἔκτεινε κομίζοντας ἐπὶ τῶν ὤμων παντοδαπὰς κατασκευάς· διὰ δὲ τὸ παράδοξον τῆς παρουσίας καὶ τὴν ἀταξίαν καὶ τὴν ταραχὴν τῶν διαφορούντων τὰς κτήσεις εὐχερῶς ἅπαντες ἐχειροῦντο. τέλος δὲ πλείονων ἢ τετρακισχιλίων φονευθέντων, τῶν μὲν ἐν ταῖς οἰκίαις, τῶν δ' ἐν ταῖς ὁδοῖς, οἱ λοιποὶ συνέφυγον εἰς τὴν ἀκρόπολιν καὶ τὰς πύλας κλείσαντες ἐξέφυγον τὸν κίνδυνον. [5] Δίων δὲ κάλλιστον τῶν προγεγενημένων ἔργων ὑπ' αὐτοῦ

διαπραξάμενος τὰς μὲν καιομένας οἰκίας διέσωσε κατασβέσας τὴν φλόγα, τὸ δὲ περιτείχισμα καλῶς κατασκευασάμενος μιᾷ πράξει τὴν τε πόλιν ὠχύρωσε καὶ τοὺς πολεμίους ἀποτερχίσας εἴρξε τῆς ἐπὶ τὴν γῆν ἐξόδου. καθαρὰν δὲ τῶν νεκρῶν ποιήσας τὴν πόλιν καὶ τρόπαιον στήσας ἔθυσσε τοῖς θεοῖς ὑπὲρ τῆς σωτηρίας. [6] συναχθείσης δ' ἐκκλησίας ὁ μὲν δῆμος εὐχαριστῶν αὐτῷ στρατηγὸν ἐχειροτόνησεν αὐτοκράτορα τὸν Δίωνα καὶ τιμὰς ἀπένειμεν ἡρωικάς, ὁ δὲ Δίων ἀκολούθως τοῖς πεπραγμένοις ἐπικεκῶς τοὺς μὲν ἐχθροὺς ἅπαντας ἀπέλυσε τῶν ἐγκλημάτων καὶ τὸ πλῆθος παραμυθησάμενος εἰς κοινὴν ἤγαγεν ὁμόνοιαν. οἱ δὲ Συρακόσιοι πανδήμοις ἐπαίνους καὶ ἀποδοχαῖς μεγάλαις ἐτίμων τὸν εὐεργέτην ὡς μόνον σωτῆρα γεγονότα τῆς πατρίδος. καὶ τὰ μὲν κατὰ τὴν Σικελίαν ἐν τούτοις ἦν. 21.

κατὰ δὲ τὴν Ἑλλάδα Χίων καὶ Ῥοδίων καὶ Κῶων, ἔτι δὲ Βυζαντίων διαπολεμούντων πρὸς Ἀθηναίους τὸν συμμαχικὸν πόλεμον ἀμφοτέροι μεγάλας παρασκευὰς ἐποιοῦντο, βουλόμενοι ναυμαχία κρῖναι τὸν πόλεμον. Ἀθηναῖοι δὲ Χάρητα μὲν μετὰ νεῶν ἐξήκοντα προαπεσταλκότες ἦσαν ἐν τοῖς ἄνω καιροῖς, τότε δὲ ἄλλας ἐξήκοντα πληρώσαντες καὶ στρατηγούς ἐπιστήσαντες τοὺς ἐπιφανεστάτους τῶν πολιτῶν, Ἴφικράτην καὶ Τιμόθεον, ἐξαπέστειλαν κοινῇ μετὰ Χάρητος διαπολεμεῖν τοῖς ἀφεστηκόσι τῶν συμμάχων. [2] οἱ δὲ Χῖοι καὶ Ῥόδιοι καὶ Βυζάντιοι μετὰ τῶν συμμάχων ἑκατὸν ναῦς πληρώσαντες Ἴμβρον μὲν καὶ Λῆμνον οὖσας Ἀθηναίων ἐπόρησαν, ἐπὶ δὲ Σάμον πολλῇ δυνάμει στρατεύσαντες τὴν μὲν χώραν ἐδήωσαν, τὴν δὲ πόλιν ἐπολιόρκουν κατὰ γῆν καὶ κατὰ θάλατταν· πολλὰς δὲ καὶ ἄλλας νήσους οὖσας ὑπ' Ἀθηναίους κακοποιήσαντες χρήματα ἤθροισαν εἰς τὰς τοῦ πολέμου χρεῖας. [3] οἱ δὲ τῶν Ἀθηναίων στρατηγοὶ πάντες ἀθροισθέντες τὸ μὲν πρῶτον ἐπεβάλοντο πολιορκῆσαι τὴν τῶν Βυζαντίων πόλιν, μετὰ δὲ ταῦτα τῶν Χίων καὶ τῶν συμμάχων τὴν μὲν πολιορκίαν τῆς Σάμου λυσάντων, ἐπὶ δὲ τὴν βοήθειαν τοῖς Βυζαντίοις τρεπομένων συνηθροίσθησαν πάντες οἱ στόλοι περὶ τὸν Ἑλλήσποντον. μελλούσης δὲ γίνεσθαι τῆς ναυμαχίας μέγας ἄνεμος ἐπιτεσὼν διεκώλυσεν αὐτῶν τὴν προαίρεσιν. [4] τοῦ δὲ Χάρητος παρὰ φύσιν βουλομένου ναυμαχεῖν καὶ τῶν περὶ τὸν Ἴφικράτην καὶ Τιμόθεον ἐναντιουμένων διὰ τὸ μέγεθος τοῦ κλύδωνος ὁ μὲν Χάρης ἐπιμαρτυρόμενος τοὺς στρατιώτας διέβαλε τοὺς συνάρχοντας ὡς προδότας καὶ πρὸς τὸν δῆμον ἔγραψε περὶ αὐτῶν ὡς ἐγκαταλελειπὸτων ἐκουσίως τὴν ναυμαχίαν, οἱ δ' Ἀθηναῖοι παροξυνθέντες καὶ κρίσιν τῷ Ἴφικράτει καὶ Τιμοθέῳ προθέντες ἐξημῖωσαν αὐτοὺς πολλοῖς ταλάντοις καὶ τῆς στρατηγίας ἀπέστησαν. 22.

Χάρης δὲ παραλαβὼν παντὸς τοῦ στόλου τὴν ἡγεμονίαν καὶ σπεύδων τῆς δαπάνης ἀπαλλάξαι τοὺς Ἀθηναίους ἐπεχείρησε πράξει παραβόλῃ· Ἀρταβάζου γὰρ ἀποστάντος ἀπὸ τοῦ βασιλέως καὶ μέλλοντος ὀλίγοις στρατιώταις πρὸς τοὺς σατράπας διαγωνίζεσθαι μυριάδας ἑπτὰ στρατιωτῶν ἔχοντας, συμμαχήσαντος αὐτῷ Χάρητος πάσῃ τῇ δυνάμει καὶ νικήσαντος τὴν τοῦ βασιλέως δύναμιν, ὁ μὲν Ἀρτάβαζος ἀποδιδούς τῆς εὐεργεσίας χάριτας ἐδωρήσατο πλῆθος χρημάτων, ἐξ ὧν δυνατόν ἦν πᾶσαν τὴν δύναμιν ὀψωνιάζεσθαι, [2] οἱ δ' Ἀθηναῖοι τὸ μὲν πρῶτον ἀπεδέξαντο τὴν πρᾶξιν τοῦ Χάρητος, ὕστερον δὲ τοῦ βασιλέως πρέσβεις ἀποστείλαντος καὶ

κατηγορούντος τοῦ Χάρητος τὴν ἐναντίαν ἔσχον γνώμην: διεδόθη γὰρ λόγος ὅτι τοῖς πολεμίοις τῶν Ἀθηναίων βασιλεὺς ἐπηγγείλατο τριακοσίαις ναυσὶ συγκαταπολεμήσειν τοὺς Ἀθηναίους. ταῦτ' οὖν ὁ δῆμος εὐλαβηθεὶς ἔκρινε καταλύσασθαι τὸν πρὸς τοὺς ἀφεσθηκότας πόλεμον: εὐρὼν δὲ κάκεινους ἐπιθυμοῦντας τῆς εἰρήνης ραδίως πρὸς αὐτοὺς διελύσατο.

ὁ μὲν οὖν συμμαχικὸς ὀνομασθεὶς πόλεμος τοιοῦτον ἔσχε τὸ τέλος, διαμείνας ἔτη τέτταρα. [3] κατὰ δὲ τὴν Μακεδονίαν τρεῖς βασιλεῖς συνέστησαν ἐπὶ τὸν Φίλιππον, ὃ τε τῶν Θρακῶν καὶ Παιόνων καὶ Ἰλλυριῶν. οὗτοι γὰρ ὄντες ὁμοροὶ τοῖς Μακεδόσι καὶ τὴν αὐξησιν ὑφορώμενοι τοῦ Φιλίππου καθ' ἑαυτοὺς μὲν οὐκ ἦσαν ἀξιόμαχοι προηττημένοι, κοινῇ δὲ πολεμοῦντες ὑπέλαβον ραδίως αὐτοῦ περιέσεσθαι. διόπερ ἄθροιζόντων τὰς δυνάμεις ἐπιφανεῖς ἀσυντάκτοις καὶ καταπληξάμενος ἠνάγκασε προσθέσθαι τοῖς Μακεδόσιν. 23.

ἐπ' ἄρχοντος δ' Ἀθήνησι Καλλιστράτου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Φάβιον καὶ Γάιον Πλώτιον. ἐπὶ δὲ τούτων ὁ κληθεὶς ἱερὸς πόλεμος συνέστη καὶ διέμεινεν ἔτη ἑννέα. Φιλόμηλος γὰρ ὁ Φωκεὺς, ἀνὴρ θράσει καὶ παρανομίᾳ διαφέρων, κατελάβετο μὲν τὸ ἐν Δελφοῖς ἱερόν, ἐξέκαυσε δὲ τὸν ἱερὸν πόλεμον διὰ τοιαύτας τινὰς αἰτίας. [2] Λακεδαιμονίων πρὸς Βοιωτοὺς διαπολεμησάντων τὸν Λευκτρικὸν πόλεμον καὶ καταπολεμηθέντων οἱ μὲν Θηβαῖοι διὰ τὴν κατάληψιν τῆς Καδμείας δίκας μεγάλας ἐπαγαγόντες τοῖς Λακεδαιμονίοις ἐν Ἀμφικτύοσι κατεδίκασαν αὐτοὺς πολλοῖς χρήμασιν, [3] οἱ δὲ Φωκεῖς ἐπεργασάμενοι πολλὴν τῆς ἱερᾶς χώρας τῆς ὀνομαζομένης Κιρραίας δίκας ὑπέσχον ἐν Ἀμφικτύοσι καὶ πολλοῖς ταλάντοις κατεκρίθησαν. οὐκ ἐκτινόντων δ' αὐτῶν τὰ ὀφλήματα οἱ μὲν ἱερομνήμονες ἐν Ἀμφικτύοσι κατηγοροῦν τῶν Φωκέων καὶ τὸ συνέδριον ἡξίου, ἐὰν μὴ τὰ χρήματα τῷ θεῷ ἀποδῶσιν οἱ Φωκεῖς, καθιερῶσαι τὴν χώραν τῶν ἀποστερούντων τὸν θεόν: ὁμοίως δ' ἔφασαν δεῖν καὶ τοὺς ἄλλους τοὺς καταδικασθέντας ἐκτίνειν τὰ ὀφλήματα, ἐν οἷς ὑπῆρχον καὶ Λακεδαιμόνιοι: ἐὰν δὲ μὴ ὑπακούωσι, κοινῇ ὑπὸ τῶν Ἑλλήνων μισοπονηρίας ἀξιοῦσθαι. [4] τῶν δ' Ἑλλήνων συνεπικυρούντων τὰ δόγματα τῶν Ἀμφικτυόνων καὶ τῆς τῶν Φωκέων χώρας μελλούσης καθιεροῦσθαι ὁ Φιλόμηλος, μέγιστον ἔχων ἐν τοῖς Φωκεῦσιν ἀξίωμα, διελέχθη τοῖς ὁμοεθnéσι, διδάσκων ὥς ἐκτῖσαι μὲν οὐ δύνανται τὰ χρήματα διὰ τὸ μέγεθος τῆς καταδίκης, περιορᾶν δὲ καθιερουμένην τὴν χώραν οὐ μόνον ἄνδρον ὑπάρχειν, ἀλλὰ καὶ κίνδυνον ἐπιφέρειν τῇ τῶν ἀπάντων τοῦ βίου ἀνατροπῇ. [5] ἐπειρᾶτο δὲ καὶ τὰς κρίσεις τῶν Ἀμφικτυόνων ἀδίκους δεικνύειν κατὰ τὸ δυνατόν: μικρὰς γὰρ παντελῶς χώρας κατεργασθείσης μεγίστας ζημίας τεθεῖσθαι. συνεβούλευεν οὖν ταῦτας ἀκύρους ποιῆσαι καὶ μεγάλας ἀφορμὰς ἔχειν ἀπεφαίνετο τοὺς Φωκεῖς κατὰ τῶν Ἀμφικτυόνων: τὸ γὰρ παλαιὸν τοῦ μαντείου τὴν ἐξουσίαν καὶ προστασίαν ἐσχηκέναι τούτους. καὶ μάρτυρα τὸν ἀρχαιότατον καὶ μέγιστον τῶν ποιητῶν Ὅμηρον παρείχετο λέγοντα” αὐτὰρ Φωκείων Σχεδῖος καὶ Ἐπίστροφος ἦρχον,

οἱ Κυπάρισσον ἔχον Πυθῶνά τε πετρήεσαν.

“Hom. Il. 2.517-519 [6] διόπερ ἔφη δεῖν ἀμφισβητεῖν περὶ τῆς τοῦ μαντείου

προστασίας ὡς οὔσης πατρίου τοῖς Φωκεῦσιν. ἐπηγγέλλετο δὲ κατορθῶσαι τὴν ἐπιβολήν, ἐὰν αὐτὸν αὐτοκράτορα καταστήσωσι στρατηγὸν τῆς ὅλης ἐπιβολῆς καὶ κύριον. 24. τῶν δὲ Φωκέων διὰ τὸν ἐκ τῆς καταδίκης φόβον ἐλομένων αὐτὸν αὐτοκράτορα στρατηγὸν ὁ Φιλόμηλος ἐνεργῶς ἐπετέλει τὰς ἐπαγγελίας. πρῶτον μὲν γὰρ παρελθὼν εἰς τὴν Σπάρτην ἐν ἀπορρήτοις διελέχθη τῷ βασιλεῖ τῶν Λακεδαιμονίων Ἀρχιδάμῳ, ὅτι κοινὸς ὁ ἀγὼν ἐστὶν αὐτῷ περὶ τοῦ ποιῆσαι τὰς κρίσεις τῶν Ἀμφικτυόνων ἀκύρους· εἶναι γὰρ καὶ κατὰ τῶν Λακεδαιμονίων μεγάλας καὶ ἀδίκους ἀποφάσεις τῶν Ἀμφικτυόνων. ἐδήλωσεν οὖν αὐτῷ διότι τοὺς Δελφοὺς καταλαβέσθαι διέγνωκε καὶ τῆς προστασίας ἐὰν ἐγκρατὴς γένηται τὰ δόγματα τῶν Ἀμφικτυόνων ἀκυρώσει. [2] ὁ δ' Ἀρχίδαμος ἀποδεξάμενος τὸν λόγον φανερώς μὲν κατὰ τὸ παρὸν οὐκ ἔφησε βοηθήσειν, λάθρα δὲ πάντα συμπράξειν χορηγῶν καὶ χρήματα καὶ μισθοφόρους. ὁ δὲ Φιλόμηλος παρὰ μὲν τούτου πεντεκαίδεκα τάλαντα λαβὼν, ἰδία δὲ προσθεὶς οὐκ ἐλάττω τούτων μισθοφόρους τε ξένους ἐμισθώσατο καὶ τῶν Φωκέων ἐπέλεξε χιλίους, οὓς ὠνόμασε πελταστάς. [3] ἀθροίσας δὲ στρατιωτῶν πλῆθος καὶ καταλαβόμενος τὸ μαντεῖον τοὺς τε Θρακίδας καλουμένους τῶν Δελφῶν ἐναντιουμένους ἀνεῖλε καὶ τὰς οὐσίας αὐτῶν ἐδήμειυσε· τοὺς δ' ἄλλους ὀρῶν καταπεπληγμένους παρεκάλει θαρρεῖν ὡς οὐδενὸς ἐσομένου περὶ αὐτοὺς δεινοῦ. [4] διαβοηθείσης δὲ τῆς περὶ τὸ ἱερὸν καταλήψεως Λοκροὶ μὲν οἱ πλησίον οἰκοῦντες παραχρῆμα ἐστράτευσαν ἐπὶ τὸν Φιλόμηλον. γενομένης δὲ περὶ Δελφοὺς μάχης οἱ μὲν Λοκροὶ λειφθέντες καὶ πολλοὺς ἀποβαλόντες τῶν στρατιωτῶν ἔφυγον εἰς τὴν οἰκειάν, ὁ δὲ Φιλόμηλος ἐπαρθεὶς τῇ νίκῃ τὰς τῶν Ἀμφικτυόνων ἀποφάσεις ἔκ τε τῶν στηλῶν ἐξέκοψε καὶ τὰ περὶ τῶν καταδικῶν γράμματα κατέλυσεν, [5] αὐτὸς δὲ διέδωκε λόγον ὡς οὔτε συλᾶν τὸ μαντεῖον διέγνωκεν οὔτ' ἄλλην οὐδεμίαν παράνομον πρᾶξιν συντελεῖν βεβούλευται, τῆς δὲ προγονικῆς προστασίας ἀμφισβητῶν καὶ τὰς τῶν Ἀμφικτυόνων ἀδίκους ἀποφάσεις ἀκυρῶσαι βουλόμενος βοηθεῖν τοῖς πατρίοις νόμοις τῶν Φωκέων. 25.

οἱ δὲ Βοιωτοὶ συνελθόντες εἰς ἐκκλησίαν ἐψηφίσαντο βοηθεῖν τῷ μαντεῖω καὶ παραχρῆμα στρατιώτας ἐξέπεμψαν. τούτων δὲ πραττομένων ὁ Φιλόμηλος τεῖχος τε περιεβάλετο τῷ ἱερῷ καὶ μισθοφόρους ἤθροιζε πολλοὺς, ἀναβιβάσας τοὺς μισθοὺς καὶ ποιήσας ἡμιολίους, καὶ τῶν Φωκέων ἐπιλέγων τοὺς ἀρίστους κατέγραφε καὶ ταχὺ δύναμιν ἀξιόλογον ἤθροισεν· οὐκ ἐλάττους γὰρ τῶν πεντακισχιλίων στρατιωτῶν ἔχων προεκάθητο τῶν Δελφῶν, φοβερὸς ὢν ἤδη τοῖς πολεμῆιν πρὸς αὐτὸν βουλομένοις. [2] μετὰ δὲ ταῦτα στρατεύσας εἰς τὴν τῶν Λοκρῶν χώραν καὶ πολλὴν τῆς πολεμίας γῆς δηώσας κατεστρατοπεδεύσατο πλησίον ποταμοῦ τινος ῥέοντος παρὰ φρούριον ὀχυρόν. τούτῳ δὲ προσβολὰς ποιησάμενος καὶ μὴ δυνάμενος ἐλεῖν τῆς μὲν πολιορκίας ἀπέστη, πρὸς δὲ τοὺς Λοκροὺς συνάψας μάχην ἀπέβαλε τῶν στρατιωτῶν εἴκοσι καὶ τῶν νεκρῶν οὐ δυνηθεὶς κρατῆσαι τὴν ἀναίρεσιν αὐτῶν διὰ κήρυκος ῆτήσατο. οἱ δὲ Λοκροὶ τὴν ἀναίρεσιν οὐ συγχωροῦντες ἀπόκρισιν ἔδωκαν ὅτι παρὰ πᾶσι τοῖς Ἕλλησι κοινὸς νόμος ἐστὶν ἀτάφους ῥίπτεσθαι τοὺς ἱεροσύλους. [3] ὁ δὲ Φιλόμηλος χαλεπῶς φέρων τὸ συμβεβηκὸς συνῆψε μάχην τοῖς Λοκροῖς καὶ πᾶσαν εἰσενεγκάμενος φιλοτιμίαν ἀνεῖλε

τινας τῶν πολέμιων καὶ τῶν σωμάτων κυριεύσας ἠνάγκασε τοὺς Λοκροὺς ἀλλαγὴν ποιήσασθαι τῶν νεκρῶν. κρατῶν δὲ τῶν ὑπαίθρων καὶ πολλὴν πορθήσας τῆς Λοκρίδος ἐπανήλθεν εἰς Δελφοὺς ἐμπεπληκῶς ὠφελείας τοὺς στρατιώτας. μετὰ δὲ ταῦτα περὶ τοῦ πολέμου βουλόμενος χρήσασθαι τῷ μαντεῖω τὴν Πυθίαν ἠνάγκασεν ἀναβᾶσαν ἐπὶ τὸν τρίποδα δοῦναι τὸν χρησμόν. 26.

ἐπεὶ δὲ τοῦ τρίποδος ἐμνήσθην, οὐκ ἄκαιρον προσαναλαβεῖν ἡγοῦμαι τὴν παλαιὰν περὶ αὐτοῦ παραδεδομένην ἱστορίαν. λέγεται γὰρ τὸ παλαιὸν αἶγας εὔρεῖν τὸ μαντεῖον: οὗ χάριν αἰεὶ μάλιστα χρηστηριάζονται μέχρι τοῦ νῦν οἱ Δελφοί. [2] τὸν δὲ τρόπον τῆς εὔρέσεως γενέσθαι φασὶ τοιοῦτον. ὄντος χάσματος ἐν τούτῳ τῷ τόπῳ, καθ' ὃν ἐστὶ νῦν τοῦ ἱεροῦ τὸ καλούμενον ἄδυτον, καὶ περὶ τοῦτο νενομένων αἰγῶν διὰ τὸ μήπω κατοικεῖσθαι τοὺς Δελφοὺς αἰεὶ τὴν προσιοῦσαν τῷ χάσματι καὶ προσβλέψασαν αὐτῷ σκιρτᾶν θαυμαστῶς καὶ προῖεσθαι φωνὴν διάφορον ἢ πρότερον εἰῶθει φθέγγεσθαι. [3] τὸν δ' ἐπιστατοῦντα ταῖς αἰεὶ θαυμάσαι τὸ παράδοξον καὶ προσελθόντα τῷ χάσματι καὶ κατιδόντα οἰόνπερ ἦν ταῦτο παθεῖν ταῖς αἰετίν: ἐκείνας τε γὰρ ὅμοια ποιεῖν τοῖς ἐνθουσιάζουσι καὶ τοῦτον προλέγειν τὰ μέλλοντα γίνεσθαι. μετὰ δὲ ταῦτα τῆς φήμης παρὰ τοῖς ἐγχωρίοις διαδοθείσης περὶ τοῦ πάθους τῶν προσιόντων τῷ χάσματι πλείους ἀπαντᾶν ἐπὶ τὸν τόπον: διὰ δὲ τὸ παράδοξον πάντων ἀποπειρωμένων τοὺς αἰεὶ πλησιάζοντας ἐνθουσιάζειν. δι' ἧς αἰτίας θαυμαστωθῆναι τε τὸ μαντεῖον καὶ νομισθῆναι τῆς Γῆς εἶναι τὸ χρηστήριον. [4] καὶ χρόνον μὲν τινα τοὺς βουλομένους μαντεύεσθαι προσιόντας τῷ χάσματι ποιεῖσθαι τὰς μαντείας ἀλλήλοις: μετὰ δὲ ταῦτα πολλῶν καθαλλομένων εἰς τὸ χάσμα διὰ τὸν ἐνθουσιασμόν καὶ πάντων ἀφανιζομένων δόξαι τοῖς κατοικοῦσι περὶ τὸν τόπον, ἵνα μηδεὶς κινδυνεύῃ, προφητὴν τε μίαν πᾶσι καταστήσαι γυναῖκα καὶ διὰ ταύτης γίνεσθαι τὴν χρησμολογίαν. ταύτῃ δὲ κατασκευασθῆναι μηχανήν, ἐφ' ἣν ἀναβαίνουσιν ἀσφαλῶς ἐνθουσιάζειν καὶ μαντεύεσθαι τοῖς βουλομένοις. [5] εἶναι δὲ τὴν μηχανὴν τρεῖς ἔχουσιν βάσεις, ἀφ' ὧν αὐτὴν τρίποδα κληθῆναι: σχεδὸν δὲ πάντα τούτου τοῦ κατασκευάσματος ἀπομιμήματα γίνεσθαι τοὺς ἔτι καὶ νῦν κατασκευαζομένους χαλκοὺς τρίποδας. ὃν μὲν οὖν τρόπον εὔρεθι τὸ μαντεῖον καὶ δι' ἧς αἰτίας ὁ τρίπους κατασκευάσθαι ἱκανῶς εἰρησθαι νομίζω. [6] θεσπιφθεῖν δὲ τὸ ἀρχαῖον λέγεται παρθένους διὰ τε τὸ τῆς φύσεως ἀδιάφθορον καὶ τὸ τῆς Ἀρτέμιδος ὁμογενές: ταύτας γὰρ εὐθετεῖν πρὸς τὸ τηρεῖν τὰ ἀπόρρητα τῶν χρησμοφδομένων. ἐν δὲ τοῖς νεωτέροις χρόνοις φασὶν Ἐχεκράτη τὸν Θετταλὸν παραγενόμενον εἰς τὸ χρηστήριον καὶ θεασάμενον τὴν χρησμολογοῦσαν παρθένον ἐρασθῆναι διὰ τὸ κάλλος αὐτῆς καὶ συναρπάσαντα βιάσασθαι: τοὺς δὲ Δελφοὺς διὰ τὸ γεγεννημένον πάθος εἰς τὸ λοιπὸν νομοθετῆσαι μηκέτι παρθένον χρηστηριάζειν, ἀλλὰ γυναῖκα πρεσβυτέραν πεντήκοντα ἐτῶν χρησμολογεῖν: κοσμεῖσθαι δ' αὐτὴν παρθερικῇ σκευῇ, καθάπερ ὑπομνήματι τῆς παλαιᾶς προφητίδος. τὰ μὲν οὖν περὶ τῆς εὔρέσεως τοῦ μαντείου μυθολογούμενα τοιαῦτ' ἐστίν: ἡμεῖς δ' ἐπανήξομεν ἐπὶ τὰς Φιλομήλου πράξεις. 27.

οὗτος γὰρ κρατῶν τοῦ μαντείου προσέταττε τῇ Πυθίᾳ τὴν μαντείαν ἀπὸ

τοῦ τρίποδος ποιεῖσθαι κατὰ τὰ πάτρια. ἀποκριναμένης δ' αὐτῆς ὅτι τοιαῦτα οὐκ ἔστι τὰ πάτρια διηπειλήσατο καὶ συνηνάγκασε τὴν ἀνάβασιν ποιεῖσθαι ἐπὶ τὸν τρίποδα. ἀποφθεγξαμένης δ' αὐτῆς πρὸς τὴν ὑπεροχὴν τοῦ βιαζομένου ὅτι ἔξεστιν αὐτῷ πράττειν ὃ βούλεται ἀσμένως τὸ ῥηθὲν ἐδέξατο καὶ τὸν προσήκοντα χρησμὸν ἔχειν ἀπεφαίνετο. εὐθὺς δὲ καὶ τὸν χρησμὸν ἔγγραφον ποιήσας καὶ προθεὶς εἰς τοῦμφανὲς ἅπασιν ἐποίησε φανερόν ὅτι ὁ θεὸς αὐτῷ δίδωσιν ἐξουσίαν πράττειν ὃ, τι βούλεται. [2] συναγαγὼν δ' ἐκκλησίαν καὶ τὴν μαντείαν τοῖς πλήθεσι δηλώσας καὶ παρακαλέσας θαρρεῖν ἐτρέπετο πρὸς τὰς τοῦ πολέμου πράξεις. ἐγένετο δ' αὐτῷ καὶ σημεῖον ἐν τῷ ἱερῷ τοῦ Ἀπόλλωνος: αἰετὸς γάρ ὑπερπετώμενος τὸν ναὸν τοῦ θεοῦ καὶ συγκυλισθεὶς ἐπὶ τὴν γῆν τὰς τρεφομένας ἐν τῷ ἱερῷ περιστεράς ἐθήρευεν, ὧν ἐνίας ἀπ' αὐτῶν ἤρπαζε τῶν βοῶν. τὸ δὲ σημεῖον ἔφασαν οἱ περὶ ταῦτ' ἀσχολούμενοι σημαίνειν τῷ Φιλομήλῳ καὶ τοῖς Φωκεῦσι κρατήσειν τῶν περὶ Δελφούς πραγμάτων. [3] ἐπαρθεὶς οὖν ἐπὶ τούτοις ἐπέλεξε τῶν φίλων τοὺς εὐθετωτάτους εἰς τὰς πρεσβείας καὶ τούτων τοὺς μὲν εἰς τὰς Ἀθήνας, τοὺς δ' εἰς Λακεδαίμονα, τοὺς δ' εἰς τὰς Θήβας ἐξέπεμψεν: ὁμοίως δὲ καὶ πρὸς τὰς ἄλλας τὰς ἐπισημοτάτας τῶν κατὰ τὴν Ἑλλάδα πόλεων ἀπέστειλεν, ἀπολογούμενος ὅτι κατελιπται τοὺς Δελφούς οὐ τοῖς ἱεροῖς χρήμασιν ἐπιβουλεύων, ἀλλὰ τῆς τοῦ ἱεροῦ προστασίας ἀμφισβητῶν: εἶναι γὰρ Φωκέων αὐτὴν ἰδίαν ἐν τοῖς παλαιοῖς χρόνοις ἀποδεδειγμένην. [4] τῶν δὲ χρημάτων τὸν λόγον ἔφη πᾶσι τοῖς Ἕλλησιν ἀποδώσειν καὶ τὸν τε σταθμὸν καὶ τὸν ἀριθμὸν τῶν ἀναθημάτων ἔτοιμος εἶναι παραδοῦναι τοῖς βουλομένοις ἐξετάζειν. ἡξίου δέ, ἂν τις δι' ἔχθραν ἢ φθόνον πολεμῇ Φωκεῦσι, μάλιστα μὲν συμμαχεῖν, εἰ δὲ μή γε, τὴν ἡσυχίαν ἄγειν. [5] τῶν δὲ πρέσβων τὸ προσταχθὲν πραξάντων Ἀθηναῖοι μὲν καὶ Λακεδαιμόνιοι καὶ τινες ἄλλοι συμμαχίαν πρὸς αὐτὸν συνέθεντο καὶ βοηθήσιν ἐπηγγείλαντο, Βοιωτοὶ δὲ καὶ Λοκροὶ καὶ τινες ἕτεροι τάναντία τούτοις ἐψηφίσαντο καὶ τὸν πόλεμον ὑπὲρ τοῦ θεοῦ πρὸς τοὺς Φωκεῖς ἐπανεΐλαντο. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 28.

ἐπ' ἄρχοντος δ' Ἀθήνησι Διοτίμου Ῥωμαῖοι κατέστησαν ὑπάτους Γάιον Μάρκιον καὶ Γναῖον Μάλλιον. ἐπὶ δὲ τούτων Φιλόμηλος μὲν προορώμενος τὸ μέγεθος τοῦ πολέμου μισθοφόρων τε πλῆθος ἤθροιζε, τῶν τε Φωκέων τοὺς εὐθέτους κατέλεγεν εἰς τὴν στρατείαν. [2] τοῦ δὲ πολέμου προσδοκίμου χρημάτων τῶν μὲν ἱερῶν ἀναθημάτων ἀπείχετο, τοὺς δὲ Δελφοὺς εὐδαιμονία καὶ πλούτῳ διαφέροντας ἐπράξατο πλῆθος χρημάτων ἱκανὸν εἰς τοὺς τῶν ξένων μισθοὺς. κατασκευάσας οὖν ἀξιόλογον δύναμιν προήγαγεν εἰς ὕπαιθρον καὶ φανερὸς ἦν ἐτοιμῶς ἔχων διαγωνίζεσθαι πρὸς τοὺς ἀλλοτρίως διακειμένους τοῖς Φωκεῦσι. [3] τῶν δὲ Λοκρῶν στρατευσάντων ἐπ' αὐτὸν ἐγένετο μάχη περὶ τὰς Φαιδριάδας καλουμένας πέτρας, ἣν νικήσας ὁ Φιλόμηλος πολλοὺς μὲν ἀνείλε τῶν πολεμίων, οὐκ ὀλίγους δ' ἐξώγρησε, τινὰς δὲ κατὰ τῆς πέτρας συνηνάγκασεν ἑαυτοὺς κατακρημνίσαι. μετὰ δὲ τὴν μάχην ταύτην οἱ μὲν Φωκεῖς ἐπύρθησαν τοῖς φρονήμασι διὰ τὴν εὐημερίαν, οἱ δὲ Λοκροὶ ταπεινωθέντες πρέσβεις ἐξέπεμψαν εἰς τὰς Θήβας ἀξιούντες τοὺς Βοιωτοὺς βοηθεῖν αὐτοῖς τε καὶ τῷ θεῷ. [4] οἱ δὲ Βοιωτοὶ διὰ τε τὴν πρὸς τοὺς

θεοὺς εὐσέβειαν καὶ διὰ τὸ συμφέρειν αὐτοῖς τὰς τῶν Ἀμφικτυόνων κρίσεις βεβαίαις εἶναι πρὸς τε τοὺς Θετταλοὺς ἐπρέσβευσαν καὶ τοὺς ἄλλους Ἀμφικτύονας ἀξιοῦντες κοινῇ πολεμῆσαι τοῖς Φωκεῦσι. ψηφισαμένων δὲ τῶν Ἀμφικτυόνων τὸν πρὸς Φωκεῖς πόλεμον πολλὴ ταραχὴ καὶ διάστασις ἦν καθ' ὅλην τὴν Ἑλλάδα. οἱ μὲν γὰρ ἔκριναν βοηθεῖν τῷ θεῷ καὶ τοὺς Φωκεῖς ὡς ἱεροσύλους κολάζειν, οἱ δὲ πρὸς τὴν τῶν Φωκέων βοήθειαν ἀπέκλινον. 29. σχιζομένης δὲ τῆς τῶν ἐθνῶν καὶ πόλεων αἰρέσεως τῷ μὲν ἱερῷ βοηθεῖν ἔγνωσαν Βοιωτοὶ καὶ Λοκροὶ καὶ Θετταλοὶ καὶ Περραιβοί, πρὸς δὲ τούτοις Δωριεῖς καὶ Δόλοπες, ἔτι δὲ Ἀθαμᾶνες καὶ Ἀχαιοὶ Φθιώται καὶ Μάγνητες, ἔτι δὲ Αἰνιᾶνες καὶ τινες ἔτεροι, τοῖς δὲ Φωκεῦσι συνεμάχουν Ἀθηναῖοι καὶ Λακεδαιμόνιοι καὶ τινες ἔτεροι τῶν Πελοποννησίων. [2] προθυμώτατα δὲ συνέπραττον οἱ Λακεδαιμόνιοι διὰ τοιαύτας αἰτίας. ἐν τῷ Λευκτρικῷ πολέμῳ Θηβαῖοι καταπολεμήσαντες τοὺς πολεμίους δίκην ἐπὶνέγκαν εἰς Ἀμφικτύονας κατὰ τῶν Σπαρτιατῶν, ὅτι Φοιβίδας ὁ Σπαρτιάτης κατελάβετο τὴν Καδμείαν, καὶ διειτιμήσαντο τὸ ἀδίκημα ταλάντων πεντακοσίων. καταδικασθέντων δὲ τῶν Λακεδαιμονίων καὶ τὴν δίκην οὐκ ἐκτινόντων κατὰ τὸν ὥρισμένον ἐκ τῶν νόμων καιρὸν οἱ Θηβαῖοι πάλιν δίκην ἐπὶνέγκαν διπλοῦ τοῦ ἀδικήματος. [3] τῶν δ' Ἀμφικτυόνων χιλίοις ταλάντοις καταδικασάντων οἱ Λακεδαιμόνιοι διὰ τὸ μέγεθος τοῦ ὀφλήματος ὁμοίας τοῖς Φωκεῦσι τὰς ἀποφάσεις ἐποιοῦντο, λέγοντες ἀδίκως ὑπὸ τῶν Ἀμφικτυόνων καταδικασθῆναι. [4] διόπερ κοινοῦ ὄντος τοῦ συμφέροντος οἱ Λακεδαιμόνιοι κατ' ἰδίαν μὲν ὥκνουν ὑπὲρ τῆς καταδίκης ἄρασθαι πόλεμον, διὰ δὲ τοῦ προσώπου τῶν Φωκέων εὐσχημονέστερον ἔκρινον ἀκυρῶσαι τὰς κρίσεις τῶν Ἀμφικτυόνων. διὰ δὲ ταύτας τὰς αἰτίας ἐτοιμώτατα συνεμάχουν τοῖς Φωκεῦσι καὶ τὴν προστασίαν τοῦ ἱεροῦ συγκατεσκεύαζον αὐτοῖς. 30.

φανερὸν δ' ὄντος ὅτι Βοιωτοὶ μεγάλῃ δυνάμει στρατεύουσιν ἐπὶ τοὺς Φωκεῖς ὁ Φιλόμηλος ἔκρινε μισθοφόρων ἀθροίζειν πλῆθος. προσδεομένου δὲ τοῦ πολέμου χρημάτων πλειόνων ἠναγκάζετο τοῖς ἱεροῖς ἀναθήμασιν ἐπιβάλλειν τὰς χεῖρας καὶ συλᾶν τὸ μαντεῖον. ὑποστησάμενον δ' αὐτοῦ τοῖς ξένοις μισθοῦς ἡμιολίους ταχὺ πλῆθος ἠθροίσθη μισθοφόρων, πολλῶν ὑπακουόντων πρὸς τὴν στρατείαν διὰ τὸ μέγεθος τῶν μισθῶν. [2] τῶν μὲν οὖν ἐπικεικῶν ἀνδρῶν οὐδεὶς ἀπεγράψατο πρὸς τὴν στρατείαν διὰ τὴν πρὸς τοὺς θεοὺς εὐσέβειαν, οἱ δὲ πονηρότατοι καὶ θεῶν διὰ τὴν πλεονεξίαν καταφρονοῦντες προθύμως συνέτρεχον πρὸς τὸν Φιλόμηλον καὶ ταχὺ δύναμις ἰσχυρὰ συνέστη τῶν πρὸς τὴν ἱεροσυλίαν ὀρμωμένων. [3] ὁ μὲν οὖν Φιλόμηλος διὰ τὸ μέγεθος τῆς εὐπορίας ταχὺ δύναμιν ἀξιόχρεων κατεσκεύασατο. εὐθὺς οὖν ἐστράτευσεν εἰς τὴν τῶν Λοκρῶν χώραν ἔχων στρατιώτας ἱππεῖς τε καὶ πεζοὺς πλείους τῶν μυρίων. ἀντιταχέντων δὲ τῶν Λοκρῶν καὶ τῶν Βοιωτῶν βοηθησάντων τοῖς Λοκροῖς ἵππομαχία συνέστη, καθ' ἣν προετέρησαν οἱ Φωκεῖς. [4] μετὰ δὲ ταῦτα οἱ μὲν Θετταλοὶ μετὰ τῶν πλησιοχώρων συμμάχων ἀθροισθέντες εἰς ἑξακισχιλίους ἦκον εἰς τὴν Λοκρίδα καὶ συνάψαντες μάχην τοῖς Φωκεῦσι περὶ λόφον Ἀργόλαν ὀνομαζόμενον ἠττήθησαν. ἐπιφανέντων δὲ Βοιωτῶν μυρίοις καὶ τρισχιλίοις στρατιώταις καὶ τῶν ἐκ Πελοποννήσου Ἀχαιῶν χιλίοις καὶ πεντακοσίοις

βοηθησάντων τοῖς Φωκεῦσιν ἀντεστρατοπέδευσαν αἱ δυνάμεις, ἀμφοτέρων ἀθροισθέντων εἰς ἓνα τόπον. 31. μετὰ δὲ ταῦτα οἱ μὲν Βοιωτοὶ κατὰ τὰς προνομὰς ζωγρήσαντες οὐκ ὀλίγους τῶν μισθοφόρων, προαγαγόντες πρὸ τῆς πόλεως ἐκήρυξαν ὅτι τοῦσδε τοὺς ἄνδρας οἱ Ἀμφικτύονες στρατευσαμένους μετὰ τῶν ἱεροσύλων θανάτῳ κολάζουσιν: εὐθὺς δὲ καὶ τῶν ἔργων τοῖς λόγοις ἀκολουθοῦντων ἅπαντας κατηκόντισαν. [2] ἐπὶ δὲ τούτοις οἱ παρὰ τοῖς Φωκεῦσι μισθοφόροι παροξυνθέντες ἡξίουσαν τὸν Φιλόμηλον τῆς ὁμοίας τιμωρίας ἀξιῶσαι τοὺς πολεμίους, μεγάλην δὲ φιλονεικίαν εἰσενεγκάμενοι καὶ πολλοὺς τῶν κατὰ τὴν χώραν πλανωμένων παρὰ τοῖς πολεμίους ζωγρήσαντες ἀνήγαγον, οὓς ἅπαντας ὁ Φιλόμηλος κατηκόντισε. διὰ δὲ ταύτης τῆς κολάσεως τοὺς ἐναντίους ἐποίησαν μεθέσθαι τῆς ὑπερηφάνου καὶ δεινῆς τιμωρίας. [3] μετὰ δὲ ταῦτα τῶν δυνάμεων εἰς ἄλλην χώραν ἐμβαλουσῶν καὶ τὴν ὁδοιορίαν ποιουμένων διὰ τόπων καταδένδρων καὶ τραχεῶν ἄφνω συνέμιξαν ἀλλήλοις οἱ προηγούμενοι τῆς στρατιᾶς. γενομένης δὲ συμπλοκῆς, εἶτα μάχης ἰσχυρᾶς οἱ Βοιωτοὶ τῷ πλήθει πολὺ προέχοντες ἐνίκησαν τοὺς Φωκεῖς. [4] τῆς δὲ φυγῆς γινομένης διὰ τόπου κρημνώδους καὶ δυσεξίτου πολλοὶ τῶν τε Φωκέων καὶ μισθοφόρων κατεκόπησαν: ὁ δὲ Φιλόμηλος ἐκθύμως ἀγωνισάμενος καὶ πολλοῖς τραύμασι περιπεσὼν εἰς τινα κρημνώδη τόπον συνεκλείσθη: οὐκ ἔχων δὲ διέξοδον καὶ φοβούμενος τὴν ἐκ τῆς αἰχμαλωσίας αἰκίαν ἑαυτὸν κατεκρήμνισε καὶ τοῦτον τὸν τρόπον δοὺς τῷ δαιμονίῳ δίκας κατέστρεψε τὸν βίον. [5] ὁ δὲ συνάρχων αὐτῷ στρατηγὸς Ὀνόμαρχος διαδεξάμενος τὴν ἡγεμονίαν καὶ μετὰ τῆς ἀνασωζομένης δυνάμεως ἀναχωρήσας ἀνελάμβανε τοὺς ἐκ τῆς φυγῆς ἐπανιόντας. [6]

ἅμα δὲ τούτοις πραττομένοις Φίλιππος ὁ τῶν Μακεδόνων βασιλεὺς Μεθώνην μὲν ἐκπολιορκήσας καὶ διαρπάσας κατέσκαψε, Παγασὰς δὲ χειρωσάμενος ἠνάγκασεν ὑποταγῆναι. κατὰ δὲ τὸν Πόντον Λεύκων ὁ τοῦ Βοσπόρου βασιλεὺς ἐτελεύτησεν ἄρξας ἔτη τεσσαράκοντα, τὴν δὲ ἀρχὴν διαδεξάμενος Σπάρτακος ὁ υἱὸς ἐβασίλευσεν ἔτη πέντε. [7] Ῥωμαίοις δὲ πρὸς Φαλίσκους συνέστη πόλεμος καὶ μέγα μὲν οὐδὲν οὐδ' ἄξιον μνήμης ἐπετελέσθη, καταδρομαὶ δὲ καὶ πορθήσεις τῆς χώρας τῶν Φαλίσκων ἐγίνοντο. κατὰ δὲ τὴν Σικελίαν Δίωνος τοῦ στρατηγοῦ σφαγέντος ὑπὸ Ζακυνθίων τινῶν μισθοφόρων τὴν ἡγεμονίαν διεδέξατο Κάλλιππος ὁ τούτους πρὸς τὸν φόνον παρασκευάσας καὶ ἥρξε μῆνας τρεισκαίδεκα. 32.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Θουδήμου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Πόπλιον καὶ Μάρκον Φάβιον. ἐπὶ δὲ τούτων Βοιωτοὶ νενικηκότες τοὺς Φωκεῖς καὶ νομίσαντες τὸν αἰτιώτατον τῆς ἱεροσυλίας Φιλόμηλον ὑπὸ θεῶν καὶ ἀνθρώπων κεκολασμένον ἀποτρέψειν τοὺς ἄλλους ἀπὸ τῆς ὁμοίας κακίας ἀνέζευσαν εἰς τὴν οἰκίαν. [2] οἱ δὲ Φωκεῖς ἀπολυθέντες τοῦ πολέμου κατὰ τὸ παρὸν ἐπανήλθον εἰς Δελφοὺς καὶ συνελθόντες μετὰ τῶν συμμάχων εἰς κοινὴν ἐκκλήσιαν ἐβουλεύοντο περὶ τοῦ πολέμου. οἱ μὲν οὖν ἐπιεικέστατοι πρὸς τὴν εἰρήνην ἔρρεπον, οἱ δ' ἀσεβεῖς καὶ τόλμη καὶ πλεονεξία διαφέροντες ἐφρόνουν τὰ ἐναντία καὶ περιεβλέποντο ζητοῦντες τὸν συνηγορήσοντα ταῖς σφετέραις παρανομίαις. [3] Ὀνόμαρχος δὲ πεφροντισμένον λόγον διελθὼν ὑπὲρ τοῦ τηρεῖν τὴν ἐξ ἀρχῆς προαίρεσιν

προετρέψατο τὰ πλήθη πρὸς τὸν πόλεμον, οὐχ οὕτω τοῦ κοινῇ συμφέροντος προνοηθεῖς, ὥς τὸ ἴδιον λυσιτελὲς προκρίνας: πολλαῖς γὰρ καὶ μεγάλαις δίκαις ὑπὸ τῶν Ἀμφικτυόνων ἦν καταδεδικασμένος ὁμοίως τοῖς ἄλλοις καὶ τὰ ὀφλήματα οὐκ ἐκτετικῶς. διόπερ ὄρων αἰρετώτερον αὐτῷ τὸν πόλεμον ὄντα τῆς εἰρήνης εὐλόγως τοὺς Φωκεῖς καὶ συμμάχους παρώξυνε τηρεῖν τὴν ὑπόστασιν τοῦ Φιλομήλου. [4] αἰρεθεῖς δὲ στρατηγὸς αὐτοκράτωρ μισθοφόρων τε πλῆθος ἤθροιζε καὶ τὰς τῶν τετελευτηκότων τάξεις ἀναπληρώσας καὶ τῷ πλήθει τῶν ξενολογηθέντων αὐξήσας τὴν δύναμιν μεγάλας παρασκευὰς ἐποιεῖτο συμμάχων καὶ τῶν ἄλλων τῶν εἰς πόλεμον χρησίμων. 33. ἐπῆρε δ' αὐτὸν πρὸς τὴν ὑπόστασιν ταύτην ὄνειρος ἔμφασιν διδοὺς μεγάλης αὐξήσεώς τε καὶ δόξης: κατὰ γὰρ τὸν ὕπνον ἔδοξε τὸν κολοττὸν τὸν χαλκοῦν, ὃν ἀνέθηκαν ἐν τῷ ἱερῷ τοῦ Ἀπόλλωνος οἱ Ἀμφικτύονες, ἀναπλάττειν εἰς ὕψος ταῖς ἰδίαις χερσὶ καὶ ποιῆσαι πολὺ μείζονα. ὑπέλαβεν οὖν αὐτῷ σημαίνεσθαι παρὰ τῶν θεῶν αὐξῆσιν δόξης ἔσεσθαι διὰ τῆς αὐτοῦ στρατηγίας: τὸ δ' ἀληθὲς οὐχ οὕτως εἶχε, τοῦναντίον δὲ παρεσημαίνετο: διὰ τὸ τοὺς Ἀμφικτύονας ἐκ τοῦ ζημιώματος ἀναθεῖναι, τῶν Φωκέων εἰς τὸ ἱερὸν παρανομησάντων καὶ διὰ τοῦτο ζημιωθέντων ἐσημαίνετο ἡ ζημία τῶν Φωκέων αὐξῆσιν ἀπολήψεσθαι ταῖς τοῦ Ὀνομάρχου χερσίν: ὅπερ καὶ συνέβη γενέσθαι. [2] ὁ δ' οὖν Ὀνόμαρχος στρατηγὸς αὐτοκράτωρ ἡρημένος ἐκ μὲν τοῦ χαλκοῦ καὶ σιδήρου κατεσκευάσεν ὅπλων πλῆθος, ἐκ δὲ τοῦ ἀργυρίου καὶ χρυσοῦ νόμισμα κόψας ταῖς τε συμμαχοῦσαις πόλεσι διεδίδου καὶ μάλιστα τοὺς προεστηκότας ἐδωροδόκει. διέφθειρε δὲ καὶ τῶν πολεμίων πολλούς, οὓς μὲν συμμαχεῖν πείθων, οὓς δὲ τὴν ἡσυχίαν ἔχειν ἀξίων. [3] πάντα δὲ ῥαδίως ἐπετέλει διὰ τὴν τῶν ἀνθρώπων φιλαργυρίαν: καὶ γὰρ τοὺς Θετταλοὺς μέγιστον ἔχοντας τῶν συμμάχων ἀξίωμα δωροδοκήσας ἔπεισε τὴν ἡσυχίαν ἔχειν. καὶ τῶν μὲν Φωκέων τοὺς ἐναντιουμένους συλλαμβάνων ἀνήρει καὶ τὰς οὐσίας ἐδήμευεν, εἰς δὲ τὴν πολεμίαν ἐμβαλὼν Θρόνιον μὲν ἐκπολιορκήσας ἐξηνδραποδίσατο, Ἀμφισσεῖς δὲ καταπληξάμενος ἠνάγκασεν ὑποτάττεσθαι. [4] τὰς δ' ἐν Δωριεῦσι πόλεις πορθήσας τὴν χώραν αὐτῶν ἐδήλωσεν. εἰς δὲ τὴν Βοιωτίαν ἐμβαλὼν Ὀρχομενὸν μὲν εἷλεν, ἐπιχειρήσας δ' ἐκπολιορκεῖν Χαιρώνειαν καὶ ἡττηθεὶς ὑπὸ Θηβαίων ἐπανῆλθεν εἰς τὴν οἰκίαν. 34.

ἅμα δὲ τούτοις πραττομένοις Ἀρτάβαζος, ἀποστάτης ὢν τοῦ βασιλέως, διεπολέμει πρὸς τοὺς ἀποσταλέντας ὑπὸ τοῦ βασιλέως σατράπας εἰς τὸν πόλεμον. καὶ τὸ μὲν πρῶτον συμμαχοῦντος αὐτῷ Χάρητος τοῦ Ἀθηναίων στρατηγοῦ ἐρρωμένως ἀντετάττετο τοῖς σατράπαις, ἐκείνου δ' ἀπελθόντος μονωθεὶς ἔπεισε τοὺς Θηβαίους συμμαχίαν αὐτῷ πέμψαι. οἱ δὲ Παμμένη στρατηγὸν ἐλόμενοι καὶ δόντες αὐτῷ στρατιώτας πεντακισχιλίους ἐξέπεμψαν εἰς τὴν Ἀσίαν. [2] ὁ δὲ Παμμένης βοηθήσας Ἀρταβάζῳ καὶ τοὺς σατράπας μεγάλαις μάχαις δυσὶ νικήσας περιεποιήσατο μεγάλην δόξαν ἑαυτῷ τε καὶ τοῖς Βοιωτοῖς. ἐφάνη γὰρ θαυμαστὸν εἰ Βοιωτοὶ τῶν μὲν Θετταλῶν ἐγκαταλελειπόμενων, τοῦ δὲ Φωκικοῦ πολέμου μεγάλους ἐπιφέροντος κινδύνους διαποντίους δυνάμεις εἰς Ἀσίαν ἐξέπεμπον καὶ προετέρουν κατὰ τὸ πλεῖστον ἐν τοῖς κινδύνους. [3]

ἅμα δὲ τούτοις πραττομένοις συνέστη πόλεμος Ἀργεῖοις πρὸς

Λακεδαιμονίους, καὶ γενομένης μάχης περὶ πόλιν Ὀρνεᾶς ἐνίκων οἱ Λακεδαιμόνιοι καὶ τὰς Ὀρνεᾶς ἐκπολιορκήσαντες ἐπανῆλθον εἰς τὴν Σπάρτην. Χάρης δὲ ὁ τῶν Ἀθηναίων στρατηγὸς εἰσπλεύσας εἰς Ἑλλησποντον καὶ Σηστὸν πόλιν ἐλὼν τοὺς μὲν ἡβῶντας ἀπέσφαξεν, τοὺς δ' ἄλλους ἐξηνδραποδίσατο. [4] Κερσοβλέπτου δὲ τοῦ Κότυος διὰ τε τὴν πρὸς Φίλιππον ἀλλοτριότητα καὶ τὴν πρὸς Ἀθηναίους φιλίαν ἐγγχειρίσαντος τοῖς Ἀθηναίοις τὰς ἐν Χερρονήσῳ πόλεις πλὴν Καρδίας ἀπέστειλεν ὁ δῆμος κληρούχους εἰς τὰς πόλεις. Φίλιππος δ' ὄρων τοὺς Μεθωναίους ὀρμητήριον παρεχομένους τὴν πόλιν τοῖς πολεμίοις ἑαυτοῦ πολιορκίαν συνεστήσατο. [5] καὶ μέχρι μὲν τινος οἱ Μεθωναῖοι διεκαρτέρουν, ἔπειτα κατισχυόμενοι συνηναγκάστησαν παραδοῦναι τὴν πόλιν τῷ βασιλεῖ ὥστε ἀπελθεῖν τοὺς πολίτας ἐκ τῆς Μεθώνης ἔχοντας ἐν ἱμάτιον ἕκαστον. ὁ δὲ Φίλιππος τὴν μὲν πόλιν κατέσκαψε, τὴν δὲ χώραν διένειμε τοῖς Μακεδόσιν. ἐν δὲ τῇ πολιορκίᾳ αὐτὴ συνέβη τὸν Φίλιππον εἰς τὸν ὀφθαλμὸν πληγέντα τοξεύματι διασφαρῆναι τὴν ὄρασιν. 35.

μετὰ δὲ ταῦθ' ὁ Φίλιππος ὑπὸ Θετταλῶν μετακληθεὶς ἦκεν εἰς Θετταλίαν μετὰ τῆς δυνάμεως, καὶ τὸ μὲν πρῶτον πρὸς Λυκόφρονα τὸν Φερῶν τύραννον διεπολέμει βοηθῶν τοῖς Θετταλοῖς· μετὰ δὲ ταῦτα τοῦ Λυκόφρονος μεταπεμψαμένου παρὰ τῶν Φωκέων συμμαχίαν ἀπεστάλη Φάυλλος ὁ ἀδελφὸς Ὀνομάρχου μετὰ στρατιωτῶν ἐπτακισχιλίων. ὁ δὲ Φίλιππος τοὺς Φωκεῖς νικήσας ἐξέβαλεν ἐκ τῆς Θετταλίας. [2] Ὀνόμαρχος δ' ἀναλαβὼν πᾶσαν τὴν δύναμιν καὶ νομίζων ὅλης τῆς Θετταλίας κυριεύσειν ἦκεν ἐν τάχει βοηθήσων τοῖς περὶ τὸν Λυκόφρονα. τοῦ δὲ Φιλίππου μετὰ τῶν Θετταλῶν ἀντιπαραταξαμένου τοῖς Φωκεῦσιν Ὀνόμαρχος ὑπερέχων τοῖς πλήθεσι δυσὶ μάχαις ἐνίκησε καὶ πολλοὺς τῶν Μακεδόνων ἀνείλεν. Φίλιππος δ' εἰς τοὺς ἐσχάτους κινδύνους περικλεισθεὶς καὶ τῶν στρατιωτῶν διὰ τὴν ἀθυμίαν καταλιπόντων αὐτὸν παραθαρσύνας τὸ πλῆθος μόγις ἐποίησεν αὐτοὺς εὐπειθεῖς. [3] μετὰ δὲ ταῦτα ὁ Φίλιππος μὲν ἀνεχώρησεν εἰς Μακεδονίαν, Ὀνόμαρχος δὲ στρατεύσας εἰς Βοιωτίαν ἐνίκησε μάχῃ τοὺς Βοιωτοὺς καὶ πόλιν εἴλε Κορώνειαν. κατὰ δὲ τὴν Θετταλίαν Φίλιππος μὲν ἐκ τῆς Μακεδονίας μετὰ τῆς δυνάμεως ἄρτι κατηντηκῶς ἐστράτευσεν ἐπὶ Λυκόφρονα τὸν Φερῶν τύραννον. [4] οὗτος δ' οὐκ ὢν ἀξιόμαχος μετεπέμψατο συμμαχίαν παρὰ Φωκέων, ἐπαγγελλόμενος συγκατασκευάσειν αὐτοῖς τὰ κατὰ τὴν Θετταλίαν. διόπερ' Ὀνομάρχου σπουδῇ βοηθήσαντος μετὰ πεζῶν δισμυρίων καὶ πεντακοσίων ἱππέων ὁ μὲν Φίλιππος πείσας τοὺς Θετταλοὺς κοινῇ τὸν πόλεμον ἄρασθαι συνήγαγε τοὺς πάντας πεζοὺς μὲν ὑπὲρ τοὺς δισμυρίους, ἱππεῖς δὲ τρισχιλίους. [5] γενομένης δὲ παρατάξεως ἰσχυρᾶς καὶ τῶν Θετταλῶν ἱππέων τῷ πλήθει καὶ ταῖς ἀρεταῖς διαφερόντων ἐνίκησεν ὁ Φίλιππος. τῶν δὲ περὶ τὸν Ὀνόμαρχον καταφυγόντων εἰς τὴν θάλατταν καὶ τυχικῶς παραπλέοντος τοῦ Ἀθηναίου Χάρητος μετὰ πολλῶν τριήρων πολὺς ἐγένετο φόνος τῶν Φωκέων· οἱ γὰρ φεύγοντες ρίψαντες τὰς πανοπλίας διενήχοντο πρὸς τὰς τριήρεις, ἐν οἷς ἦν καὶ αὐτὸς Ὀνόμαρχος. [6] τέλος δὲ τῶν Φωκέων καὶ μισθοφόρων ἀνηρέθησαν μὲν ὑπὲρ τοὺς ἑξακισχιλίους, ἐν οἷς ἦν καὶ αὐτὸς ὁ στρατηγός, ἤλωσαν δὲ οὐκ ἐλάττους τῶν τρισχιλίων. ὁ δὲ

Φίλιππος τὸν μὲν Ὀνόμαρχον ἐκρέμασε, τοὺς δ' ἄλλους ὡς ἱεροσύλους κατεπόντισεν. 36.

μετὰ δὲ τὴν Ὀνομάρχου τελευτὴν διεδέξατο τὴν Φωκέων ἡγεμονίαν ὁ ἀδελφὸς Φάυλλος. οὗτος δὲ τὴν γεγεννημένην συμφορὰν διορθούμενος μισθοφόρων τε πλῆθος ἤθροιζε, διπλασιάσας τοὺς εἰωθότας μισθοὺς, καὶ παρὰ τῶν συμμάχων βοήθειαν μετεπέμψατο: κατεσκευάζετο δὲ καὶ ὅπλων πλῆθος καὶ νόμισμα κατέκοψε χρυσοῦν τε καὶ ἀργυροῦν. [2]

ὑπὸ δὲ τοὺς αὐτοὺς καιροὺς Μαύσωλος ὁ Καρίας δυνάστης ἐτελεύτησεν ἄρξας ἔτη εἴκοσι τέσσαρα, τὴν δὲ ἀρχὴν διαδεξαμένη Ἀρτεμισία ἡ ἀδελφὴ καὶ γυνὴ ἐδυνάστευσεν ἔτη δύο. [3] Κλέαρχος δ' ὁ Ἡρακλείας τύραννος Διονυσίων ὄντων ἐπὶ θεῶν βαδίζων ἀνῆρέθη, ἄρξας ἔτη δεκαδύο: τὴν δὲ ἀρχὴν διαδεξάμενος ὁ υἱὸς Τιμόθεος ἤρξεν ἔτη πεντεκαίδεκα. [4] Τυρρηνοὶ δὲ διαπολεμοῦντες Ῥωμαίοις ἐπόρθησαν πολλὴν τῆς πολεμίας χώρας καὶ μέχρι τοῦ Τιβέρεως καταδραμόντες ἐπανήλθον εἰς τὴν οἰκίαν. [5] ἐν δὲ ταῖς Συρακούσαις στάσεως γενομένης τοῖς Δίωνος φίλοις πρὸς Κάλλιππον οἱ μὲν τοῦ Δίωνος φίλοι ἡττηθέντες ἔφυγον εἰς τοὺς Λεοντίους: μετὰ δέ τινα χρόνον Ἰππαρίνου τοῦ Διονυσίου καταπλεύσαντος εἰς τὰς Συρακούσας μετὰ δυνάμεως ὁ μὲν Κάλλιππος ἡττηθεὶς ἐξέπεσεν τῆς πόλεως, Ἰππαρίνους δὲ ἀνακτησάμενος τὴν πατρίαν δυναστείαν ἤρξεν ἔτη δύο. 37.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀριστοδήμου Ῥωμαῖοι κατέστησαν ὑπάτους Γάιον Σολλίκιον καὶ Μάρκον Οὐαλέριον, Ὀλυμπιάς δ' ἤχθη ἐβδόμη πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Μικρίνας Ταραντίνος. ἐπὶ δὲ τούτων Φάυλλος μὲν ὁ Φωκέων στρατηγὸς μετὰ τὴν τοῦ ἀδελφοῦ τελευτὴν τε καὶ ἦτταν προσανέλαβε τὰ τῶν Φωκέων πράγματα τεταπεινωμένα διὰ τε τὴν ἦτταν καὶ τὴν φθορὰν τῶν στρατιωτῶν. [2] ἔχων γὰρ χρημάτων πλῆθος ἀνέκλειπτον πολλοὺς μὲν μισθοφόρους ἤθροισεν, οὐκ ὀλίγους δὲ συμμάχους ἐπεισε συνεπιλαβέσθαι τοῦ πολέμου. τῇ γὰρ ἀφθονίᾳ τῶν χρημάτων ἀνέδην χρώμενος οὐ μόνον ιδιώτας πολλοὺς ἔσχε προθύμους συναγωνιστάς, ἀλλὰ καὶ πόλεις τὰ σέπιφανεστάτας ἐπεσπάσατο πρὸς τὴν κοινοπραγίαν. [3] Λακεδαιμόνιοι μὲν γὰρ ἀπέστειλαν αὐτῷ στρατιώτας χιλίους, Ἀχαιοὶ δὲ δισχιλίους, Ἀθηναῖοι δὲ πεζοὺς μὲν πεντακισχιλίους, ἵππεῖς δὲ τετρακοσίους, ὧν ἦν στρατηγὸς Ναυσικλῆς. οἱ δὲ τῶν Φεραίων τύραννοι Λυκόφρων καὶ Πειθόλαος μετὰ τὴν Ὀνομάρχου τελευτὴν ἔρημοι συμμάχων ὄντες τὰς μὲν Φεράς παρέδωκαν τῷ Φιλίππῳ, αὐτοὶ δ' ὑπόσπονδοι γενόμενοι συνήγαγον τοὺς μισθοφόρους ὄντας δισχιλίους καὶ μετὰ τούτων φυγόντες πρὸς Φάυλλον συνεμάχουν τοῖς Φωκεῦσιν. [4] ἐβοήθησαν δὲ καὶ τῶν ἐλαττόνων πόλεων οὐκ ὀλίγαι τοῖς Φωκεῦσι διὰ τὸ πλῆθος τῶν διαδιδομένων χρημάτων: ὁ γὰρ χρυσὸς τὰς πλεονεξίας τῶν ἀνθρώπων ἐκκαλούμενος ἠνάγκασεν αὐτομολεῖν πρὸς τὴν ἐκ τοῦ κέρδους λυσιτέλειαν. [5] ὁ δ' οὖν Φάυλλος μετὰ τῆς δυνάμεως ἐστράτευσεν εἰς τὴν Βοιωτίαν καὶ περὶ πόλιν Ὀρχομενὸν ἡττηθεὶς μάχῃ πολλοὺς τῶν στρατιωτῶν ἀπέβαλεν. μετὰ δὲ ταῦτα ἄλλης γενομένης μάχης παρὰ τὸν Κηφισὸν ποταμὸν ἐνίκησαν ἄλλιν Βοιωτοὶ καὶ ἀνέϊλον τῶν πολεμίων ὑπὲρ τοὺς πεντακοσίους, ἐξώγησαν δὲ οὐκ ἐλάττους τῶν τετρακοσίων. [6] ὀλίγαις δ' ὕστερον ἡμέραις γενομένης μάχης περὶ Κορώνειαν

ἐνίκησαν οἱ Βοιωτοὶ καὶ πεντήκοντα μὲν ἀνείλον τῶν Φωκέων, ἑκατὸν δὲ καὶ τριάκοντα ἐξώγρησαν. ἡμεῖς δὲ τὰ περὶ Βοιωτοῦς καὶ Φωκεῖς διεληλυθότες ἐπάνημεν ἐπὶ τὸν Φίλιππον. 38.

οὗτος γὰρ νικήσας τὸν Ὀνόμαρχον ἐπιφανεῖ παρατάξει τὴν τ' ἐν Φεραῖς τυραννίδα καθεῖλε καὶ τῇ πόλει τὴν ἐλευθερίαν ἀποδοῦς καὶ τᾶλλα τὰ κατὰ τὴν Θετταλίαν καταστήσας προῆγεν ἐπὶ τὰς Πύλας πολεμῆσων τοῖς Φωκεῦσι. [2] κωλυσάντων δὲ τῶν Ἀθηναίων διελθεῖν τὰς παρόδους ἐπανῆλθεν εἰς Μακεδονίαν, ἠῤῥα καὶ αὐτοῦ τὴν βασιλείαν ταῖς τε πράξεσι καὶ τῇ πρὸς τὸ θεῖον εὐσεβείᾳ. [3] Φάυλλος δὲ στρατεύσας εἰς Λοκροὺς τοὺς ὀνομαζομένους Ἐπικνημιδίους τὰς μὲν ἄλλας πόλεις ἐχειρώσατο πάσας, μίαν δὲ τὴν ὀνομαζομένην Νάρυκα διὰ προδοσίας νυκτὸς παραλαβὼν πάλιν ἐξέπεσε καὶ τῶν στρατιωτῶν ἀπέβαλεν οὐκ ἐλάττους τῶν διακοσίων. [4] μετὰ δὲ ταῦτα στρατοπεδεύοντος αὐτοῦ περὶ τὰς ὀνομαζομένας Ἄβας οἱ Βοιωτοὶ νυκτὸς ἐπιθέμενοι τοῖς Φωκεῦσιν ἀνείλον αὐτῶν οὐκ ὀλίγους· ἐπαρθέντες δὲ τῷ προτερήματι παρήλθον εἰς τὴν τῶν Φωκέων χώραν καὶ πολλὴν αὐτῆς πορθήσαντες ἤθροισαν λαφύρων πλῆθος. [5] ἐπανιόντων δ' αὐτῶν καὶ τῇ Ναρυκαίων πόλει πολιορκουμένη βοηθούτων ἐπιφανεῖς ὁ Φάυλλος τούτους μὲν ἐτρέψατο, τὴν δὲ πόλιν ἐλὼν κατὰ κράτος διήρπασε καὶ κατέσκαψεν. [6] αὐτὸς δὲ περιπεσὼν νόσῳ φθινάδι καὶ πολὺν χρόνον ἀρρωστήσας ἐπιπόνως καὶ τῆς ἀσεβείας οἰκείως κατέστρεψε τὸν βίον, καταλιπὼν τῶν Φωκέων στρατηγὸν Φάλαικον τὸν Ὀνομάρχου υἱὸν τοῦ τὸν ἱερὸν πόλεμον ἐκκαύσαντος, ἀντίπαιδα τὴν ἡλικίαν ὄντα· παρακατέστησε δ' αὐτῷ ἐπίτροπον ἅμα καὶ στρατηγὸν Μνασέαν, ἕνα τῶν ἑαυτοῦ φίλων. [7] μετὰ δὲ ταῦτα οἱ Βοιωτοὶ νυκτὸς ἐπιθέμενοι τοῖς Φωκεῦσι τὸν τε στρατηγὸν αὐτῶν Μνασέαν ἀπέκτειναν καὶ τῶν στρατιωτῶν εἰς διακοσίους. μετ' ὀλίγον δ' ἵππομαχίας γενομένης περὶ Χαιρώνειαν ὁ Φάλαικος ἡττηθεὶς ἀπέβαλε τῶν ἱπέων οὐκ ὀλίγους. 39.

ἅμα δὲ τούτοις πραττομένοις καὶ κατὰ τὴν Πελοπόννησον ἐγένοντο ταραχαὶ καὶ κινήσεις διὰ τοιαύτας τινὰς αἰτίας. Λακεδαιμόνιοι πρὸς Μεγαλοπολίτας διαφερόμενοι τὴν χώραν αὐτῶν κατέδραμον Ἀρχιδάμου τὴν ἡγεμονίαν ἔχοντος· οἱ δὲ Μεγαλοπολίται παροξυνθέντες ἐπὶ τοῖς πραχθεῖσι καὶ καθ' ἑαυτοὺς οὐκ ὄντες ἀξιώμαχοι παρὰ τῶν συμμάχων μετεπέμψαντο βοήθειαν. [2] Ἀργεῖοι μὲν οὖν καὶ Σικυώνιοι καὶ Μεσσήνιοι πανδημεὶ κατὰ τάχος ἐβοήθησαν, Θηβαῖοι δ' ἀπέστειλαν πεζοὺς μὲν τετρακισχίλους, ἱππεῖς δὲ πεντακοσίους, στρατηγὸν ἐπιστήσαντες Κηφισίωνα. [3] Μεγαλοπολίται μὲν οὖν μετὰ τῶν συμμάχων ἐκστρατεύσαντες κατεστρατοπέδευσαν περὶ τὰς πηγὰς τοῦ Ἀλφειοῦ ποταμοῦ· οἱ δὲ Λακεδαιμόνιοι τρισχίλους μὲν πεζοὺς παρὰ Φωκέων προσελάβοντο, ἱππεῖς δὲ ἑκατὸν καὶ πεντήκοντα παρὰ Λυκόφρονος καὶ Πειθολάου τῶν ἐκπεπωκότων ἐκ τῆς ἐν Φεραῖς τυραννίδος· συστησάμενοι δὲ δύνανμιν ἀξιώμαχον κατεστρατοπέδευσαν περὶ Μαντίνειαν. [4] μετὰ δὲ ταῦτα ἐπὶ πόλιν Ὀρνεάς τῆς Ἀργείας καταντήσαντες ἔφθασαν αὐτὴν ἐκπολιορκήσαντες πρὸ τῆς τῶν πολεμίων παρουσίας, οὗσαν σύμμαχον τῶν Μεγαλοπολιτῶν. ἐπεξεληθόντων δὲ τῶν Ἀργείων συνάψαντες μάχην ἐνίκησαν καὶ πλείους τῶν διακοσίων ἀπέκτειναν. [5] τῶν δὲ Θηβαίων

ἐπιφανέντων καὶ τῷ μὲν πλήθει διπλασίων ὄντων, ταῖς δ' εὐταξίαις λειπομένων συνέστη μάχη καρτερὰ: καὶ τῆς νίκης ἀμφιδόξου γενομένης οἱ μὲν Ἀργεῖοι καὶ οἱ σύμμαχοι τὴν εἰς τὰς οἰκείας πόλεις ἐπάνοδον ἐποιήσαντο, Λακεδαιμόνιοι δ' εἰς τὴν Ἀρκαδίαν ἐμβαλόντες καὶ πόλιν Ἑλισσοῦντα κατὰ κράτος ἐλόντες καὶ διαρπάσαντες ἐπανῆλθον εἰς τὴν Σπάρτην. [6] μετὰ δέ τινα χρόνον οἱ Θηβαῖοι μετὰ τῶν συμμάχων ἐνίκησαν τοὺς πολεμίους περὶ Τέλφουσαν καὶ συχνοὺς ἀνελόντες ἐξώγρησαν Ἀνάξανδρόν τε τὸν ἡγούμενον καὶ τῶν ἄλλων πλείους τῶν ἐξήκοντα. μετ' ὀλίγον δὲ χρόνον ἄλλαις δυσὶ μάχαις προετέρησαν καὶ τῶν ἐναντίων οὐκ ὀλίγους κατέβαλον. [7] τὸ δὲ τελευταῖον τῶν Λακεδαιμονίων ἀξιολόγῳ μάχῃ νικησάντων, αἱ δυνάμεις ἀμφοτέρων εἰς τὰς οἰκείας πόλεις ἐπανῆλθον. ἔπειτα τῶν Λακεδαιμονίων ποιησαμένων ἀνοχὰς πρὸς τοὺς Μεγαλοπολίτας ἐπανῆλθον εἰς τὴν Βοιωτίαν οἱ Θηβαῖοι. [8] Φάλαικος δὲ περὶ τὴν Βοιωτίαν διατρίβων Χαιρώνειαν εἴλε καὶ τῶν Θηβαίων ἐπιβοηθησάντων ἐξέπεσεν ἐκ τῆς πόλεως. ἐπειθ' οἱ μὲν Βοιωτοὶ πολλῇ δυνάμει στρατεύσαντες εἰς τὴν Φωκίδα τὴν πλείστην αὐτῆς ἐπόρθησαν καὶ τὰς κατὰ τὴν χώραν κτήσεις ἐδήφωσαν: ἔνια δὲ καὶ τῶν μικρῶν πολισμάτων ἐλόντες καὶ λαφύρων πλῆθος ἀθροίσαντες ἐπανῆλθον εἰς τὴν Βοιωτίαν. 40.

ἐπ' ἄρχοντος δ' Ἀθήνησι Θεέλλου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Φάβιον καὶ Τίτον Κοϊντίον. ἐπὶ δὲ τούτων Θηβαῖοι κάμνοντες τῷ πρὸς Φωκεῖς πολέμῳ καὶ χρημάτων ἀπορούμενοι πρέσβεις ἐξέπεμψαν πρὸς τὸν τῶν Περσῶν βασιλέα, παρακαλοῦντες εἰσευπορῆσαι τῇ πόλει χρήματα: [2] ὁ δ' Ἀρταξέρξης προθύμως ὑπακούσας ἔδωκεν αὐτοῖς δωρεὰν ἀργυρίου τάλαντα τριακόσια. τοῖς δὲ Βοιωτοῖς καὶ τοῖς Φωκεῦσιν ἀκροβολισμοὶ μὲν καὶ χώρας καταδρομαὶ συνέστησαν, πράξεις δὲ κατὰ τοῦτον τὸν ἐνιαυτὸν ἄξια μνήμης οὐ συνετελέσθησαν. [3]

κατὰ δὲ τὴν Ἀσίαν ὁ βασιλεὺς τῶν Περσῶν ἐν μὲν τοῖς ἐπάνω χρόνοις στρατεύσας ἐπ' Αἴγυπτον πολλοῖς πλήθεσι στρατιωτῶν ἀπέτυχε, κατὰ δὲ τοὺς ὑποκειμένους καιροὺς πάλιν ἐπολέμησε τοῖς Αἰγυπτίοις καὶ πράξεις ἀξιολόγους κατεργασάμενος διὰ τῆς ἰδίας ἐνεργείας τὴν Αἴγυπτον ἀνεκτήσατο καὶ Φοινίκην καὶ Κύπρον. [4] ἵνα δὲ σαφῇ τὴν περὶ τούτων ἱστορίαν ποιήσωμεν, τὰς αἰτίας τοῦ πολέμου προεκθησόμεθα μικρὸν ἀναλαβόντες τοὺς οἰκείους χρόνους. τῶν γὰρ Αἰγυπτίων ἀπὸ Περσῶν ἀποστάντων κατὰ τοὺς ἀνωτέρω χρόνους Ἀρταξέρξης ὁ ἐπικληθεὶς Ὠχος αὐτὸς μὲν οὐκ ὦν φιλοπόλεμος ἐφ' ἡσυχίας ἔμενεν, ἀποστέλλων δὲ δυνάμεις καὶ στρατηγοὺς πολλάκις ἀπετύγχανε διὰ τὴν κακίαν καὶ ἀπειρίαν τῶν ἡγεμόνων. [5] διὸ καὶ καταφρονηθεὶς ὑπὸ τῶν Αἰγυπτίων ἠναγκάζετο καρτερεῖν διὰ τε τὴν ἀργίαν καὶ τὸ τῆς ψυχῆς εἰρηνικόν. κατὰ δὲ τοὺς ὑποκειμένους καιροὺς τῶν Φοινίκων καὶ τῶν ἐν Κύπρῳ βασιλέων μιμησαμένων τοὺς Αἰγυπτίους καὶ διὰ τὴν καταφρόνησιν ἐπὶ τὴν ἀπόστασιν ὀρμησάντων παροξυνθεὶς ἔκρινε πολεμεῖν τοὺς ἀφεστηκότας. [6] τὸ μὲν οὖν στρατηγὸς ἐκπέμπειν ἀπεδοκίμασε, δι' ἑαυτοῦ δὲ τοὺς ὑπὲρ τῆς βασιλείας ἀγῶνας ποιήσασθαι διέγνω. διόπερ ὅπλων καὶ βελῶν καὶ σίτου καὶ δυνάμεων μεγάλας παρασκευὰς ποιησάμενος ἤθροισε πεζῶν μὲν τριάκοντα μυριάδας,

ἱππέων δὲ τρεῖς, τριήρεις δὲ τριακοσίας, φορηγούς δὲ καὶ τὰς ἄλλας τὰς τὴν ἀγορὰν κομιζούσας πεντακοσίας. 41.

ἦρξατο δὲ καὶ πρὸς Φοίνικας πολεμεῖν διὰ τοιαύτας τινὰς αἰτίας. κατὰ τὴν Φοινίκην ἐστὶ πόλις ἀξιόλογος ὀνόματι Τρίπολις, οἰκίαν ἔχουσα τῇ φύσει τὴν προσηγορίαν: τρεῖς γάρ εἰσιν ἐν αὐτῇ πόλεις σταδιαῖον ἀπ' ἀλλήλων ἔχουσαι διάστημα: ἐπικαλεῖται δὲ τούτων ἡ μὲν Ἀραδίων, ἡ δὲ Σιδωνίων, ἡ δὲ Τυρίων. ἀξίωμα δ' ἔχει μέγιστον αὕτη τῶν κατὰ τὴν Φοινίκην πόλεων, ἐν ἣ συνέβαιναν τοὺς Φοίνικας συνέδριον ἔχειν καὶ βουλευέσθαι περὶ τῶν μεγίστων. [2] τῶν δὲ σατραπῶν καὶ στρατηγῶν ἐν τῇ Σιδωνίων διατριβόντων καὶ κατὰ τὰς τῶν πραγμάτων ἐπιταγὰς ὕβριστικῶς καὶ ὑπερηφάνως προσφερομένων τοῖς Σιδωνίοις οἱ κακούμενοι τὴν ἐπήρειαν χαλεπῶς φέροντες ἔγνωσαν ἀποστήναι τῶν Περσῶν. [3] πείσαντες δὲ καὶ τοὺς ἄλλους Φοίνικας τῆς αὐτονομίας ἀντέχεσθαι διεπρεσβεύσαντο πρὸς τὸν Αἰγυπτίων βασιλέα Νεκτανεβῶ, πολέμιον ὄντα Περσῶν, καὶ πείσαντες παραλαβεῖν αὐτοὺς εἰς τὴν συμμαχίαν παρεσκευάζοντο τὰ πρὸς τὸν πόλεμον. [4] τῆς δὲ Σιδῶνος εὐδαιμονία διαφερούσης καὶ τῶν ιδιωτῶν διὰ τὰς ἐμπορίας μεγάλους περιπεποιημένων πλούτους ταχὺ τριήρεις τε πολλὰ κατεσκευάσθησαν καὶ μισθοφόρων πλῆθος ἠθροίσθη, πρὸς δὲ τούτοις ὄπλα καὶ βέλη καὶ σῖτος καὶ τᾶλλα πάντα τὰ πρὸς πόλεμον χρήσιμα συντόμως κατεσκευάσθη. [5] κατάρχοντες δὲ τῆς ἔχθρας τὸν μὲν βασιλικὸν παράδεισον, ἐν ᾧ τὰς καταλύσεις οἱ τῶν Περσῶν βασιλεῖς εἰώθεισαν ποιεῖσθαι, δενδροτομήσαντες διέφθειραν: ἔπειτα τὸν ἠθροισμένον ὑπὸ τῶν σατραπῶν εἰς τὸν πόλεμον τοῖς ἵπποις χόρτον ἐνέπρησαν, τὸ δὲ τελευταῖον τοὺς τὰς ὕβρεις ἐπιτελεσαμένους Πέρσας συλλαβόντες ἐτιμωρήσαντο. [6] τοῦ δὲ πολέμου τοῦ πρὸς τοὺς Φοίνικας ταύτην τὴν καταρχὴν λαβόντος ὁ βασιλεὺς πυθόμενος τὰ τετολμημένα τοῖς ἀποστάταις πᾶσι μὲν τοῖς Φοίνιξιν ἠπειλεῖ, μάλιστα δὲ τοῖς Σιδωνίοις. 42. ἐν δὲ τῇ Βαβυλῶνι συνηθροικῶς τὰς πεζικὰς καὶ ἱππικὰς δυνάμεις εὐθὺς ἀναλαβὼν προῆγεν ἐπὶ τοὺς Φοίνικας: ἐν ᾧ δ' οὗτος κατὰ τὴν ὁδοιορίαν ἐβάδιζε, Βέλεσος ὁ τῆς Συρίας σατράπης καὶ Μαζαῖος ὁ τῆς Κιλικίας ἄρχων συνελθόντες ἐπολέμουν τοὺς Φοίνικας. [2] Τέννης δ' ὁ τῆς Σιδῶνος βασιλεὺς προσελάβετο παρ' Αἰγυπτίων στρατιώτας μισθοφόρους Ἑλληνας τετρακισχιλίους, ὧν ἦν στρατηγὸς Μέντωρ ὁ Ῥόδιος. μετὰ δὲ τούτων καὶ τῶν πολιτικῶν στρατιωτῶν τοῖς προειρημένους σατράπαις συμβαλὼν ἐνίκησεν καὶ τοὺς πολεμίους ἐξέβαλεν ἐκ τῆς Φοινίκης. [3]

ἅμα δὲ τούτοις πραττομένοις καὶ κατὰ τὴν Κύπρον συνέστη πόλεμος, συμπεπλεγμένας ἔχων τὰς πράξεις τῷ ὑποκειμένῳ πολέμῳ. [4] ἐν γὰρ τῇ νήσῳ ταύτῃ πόλεις ἦσαν ἀξιόλογοι μὲν ἐννέα, ὑπὸ δὲ ταύτας ὑπῆρχε τεταγμένα μικρὰ πολίσματα τὰ προσκυροῦντα ταῖς ἐννέα πόλεσιν. ἐκάστη δὲ τούτων εἶχε βασιλέα τῆς μὲν πόλεως ἄρχοντα, τῷ δὲ βασιλεῖ τῶν Περσῶν ὑποτεταγμένον. [5] οὗτοι πάντες συμφρονήσαντες καὶ μιμησάμενοι τοὺς Φοίνικας ἀπέστησαν καὶ παρασκευασάμενοι τὰ πρὸς τὸν πόλεμον αὐτοκράτορας τὰς ἰδίας βασιλείας ἐποίησαν. [6] ἐφ' οἷς παροξυνθεὶς ὁ Ἀρταξέρξης ἔγραψε πρὸς τὸν Ἰδριέα τὸν τῆς Καρίας δυνάστην, ἄρτι μὲν παρειληφότα τὴν ἀρχήν, φίλον δ' ὄντα καὶ σύμμαχον Περσῶν ἐκ προγόνων,

ἄθροισαι δύναμιν πεζικὴν τε καὶ ναυτικὴν τὴν διαπολεμήσουσαν τοῖς ἐν Κύπρῳ βασιλεῦσιν. [7] ὁ δ' ὀξέως παρασκευασάμενος τριῆρεις μὲν τεσσαράκοντα, στρατιώτας δὲ μισθοφόρους ὀκτακισχιλίους ἐξέπεμψεν εἰς τὴν Κύπρον, ἐπιστήσας στρατηγούς Φωκίωνα τὸν Ἀθηναῖον καὶ Εὐαγόραν τὸν ἐν τοῖς ἐπάνω χρόνοις βεβασιλευκότα κατὰ τὴν νῆσον. [8] οὗτοι μὲν οὖν καταπλεύσαντες εἰς τὴν Κύπρον εὐθὺς ἐπὶ τὴν μεγίστην τῶν πόλεων Σαλαμῖνα τὴν δύναμιν ἤγαγον. βαλλόμενοι δὲ χάρακα καὶ τὴν παρεμβολὴν ὀχυρώσαντες ἐπολιόρκουν τοὺς Σαλαμινίους κατὰ γῆν ἅμα καὶ κατὰ θάλατταν. τῆς δὲ νήσου πάσης ἐν εἰρήνῃ πολὺν χρόνον γενομένης καὶ τῆς χώρας εὐδαιμονούσης οἱ στρατιῶται κρατοῦντες τῶν ὑπαίθρων πολλὰς ὠφελείας ἤθροισαν. [9] τῆς δὲ τούτων εὐπορίας διαβοηθείσης πολλοὶ τῶν ἐκ τῆς περαιᾶς Συρίας τε καὶ Κιλικίας συνέρρεον ἐθελοντὶ στρατιῶται πρὸς τὴν ἐλπίδα τοῦ κέρδους. τέλος δὲ διπλασιασθείσης τῆς μετ' Εὐαγόρου καὶ Φωκίωνος δυνάμεως οἱ βασιλεῖς οἱ κατὰ τὴν Κύπρον εἰς ἀγωνίαν καὶ μεγίστους φόβους ἐνέπιπτον. καὶ τὰ μὲν κατὰ τὴν Κύπρον ἐν τούτοις ἦν. 43.

μετὰ δὲ ταῦθ' ὁ μὲν τῶν Περσῶν βασιλεὺς ἐκ τῆς Βαβυλῶνος τὴν ἀνάξευξιν ποιησάμενος μετὰ τῆς δυνάμεως προῆγεν ἐπὶ τὴν Φοινίκην· ὁ δὲ τῆς Σιδῶνος δυνάστης Τέννης πυνθανόμενος τὸ μέγεθος τῆς τῶν Περσῶν δυνάμεως καὶ νομίσας τοὺς ἀφεστηκότας οὐκ ἀξιομάχους εἶναι τὴν σωτηρίαν ἰδίᾳ πορίζειν ἔκρινεν. [2] διόπερ τῶν ἑαυτοῦ θεραπόντων τὸν πιστότατον Θετταλίωνα λάθρα τῶν Σιδωνίων ἐξέπεμψε πρὸς τὸν Ἀρταξέρξην ἐπαγγελλόμενος αὐτῷ τὴν μὲν Σιδῶνα παραδώσειν, τὴν δ' Αἴγυπτον συνεκπολεμήσειν, μεγάλα δ' αὐτῷ συνεργήσειν ἔμπειρον ὄντα τῶν κατὰ τὴν Αἴγυπτον τόπων καὶ τὰς κατὰ τὸν Νεῖλον ἀποβάσεις ἀκριβῶς εἰδότα. [3] ὁ δὲ βασιλεὺς ἀκούσας τοῦ Θετταλίωνος τὰ κατὰ μέρος ἦσθη διαφερόντως καὶ τῶν μὲν κατὰ τὴν ἀπόστασιν ἐγκλημάτων ἀπολύσειν ἔφη τὸν Τέννην, πράξαντος δ' αὐτοῦ τὰ καθωμολογημένα μεγάλας δωρεὰς δώσειν ἐπηγγεῖλατο. εἰπόντος δὲ τοῦ Θετταλίωνος ὡς καὶ δεξιὰν λαβεῖν ὁ Τέννης ἠξίωσεν, ἐπὶ τούτοις ὁ μὲν βασιλεὺς ὀργισθεὶς ὡς οὐ πιστευόμενος παρέδωκε τὸν Θετταλίωνα τοῖς ὑπηρέταις καὶ προσέταξεν ἀφελεῖν τὴν κεφαλὴν· [4] ἐπεὶ δ' ἀπαγόμενος ὁ Θετταλίων ἐπὶ τὴν τιμωρίαν τοσοῦτον εἶπεν ὅτι Σὺ μὲν, ὦ βασιλεῦ, πράξεις ὃ θέλεις, ὁ μέντοι Τέννης δυνάμενος ἅπαντα καταπραΰσαι διὰ τὸ μὴ δοῦναι σε τὴν πίστιν οὐδὲν μὴ συντελέσει τῶν ἐπηγγελμένων, πάλιν ἀκούσας τούτων μετενόησε καὶ μετακαλεσάμενος τοὺς ὑπηρέτας ἀφεῖναι προσέταξε καὶ τὴν δεξιὰν ἔδωκε τῷ Θετταλίωνι· ἔστι δ' ἡ πίστις αὕτη βεβαιωτάτη παρὰ τοῖς Πέρσαις. οὗτος μὲν οὖν παρελθὼν εἰς Σιδῶνα τὰ πεπραγμένα τῷ Τέννῃ λάθρα τῶν Σιδωνίων ἀπήγγειλεν, 44. ὁ δὲ βασιλεὺς ἐν μεγάλῳ τιθέμενος τὸ κρατῆσαι τῆς Αἰγύπτου διὰ τὸ πρότερον ἐλάττωμα πρεσβευτὰς ἀπέστειλε πρὸς τὰς μεγίστας τῶν κατὰ τὴν Ἑλλάδα πόλεων, ἀξίων συστρατεῦσαι τοῖς Πέρσαις ἐπ' Αἰγυπτίους. Ἀθηναῖοι μὲν οὖν καὶ Λακεδαιμόνιοι τὴν φιλίαν ἔφασαν τὴν πρὸς Πέρσας τηρεῖν, συμμαχίαν δὲ ἀποστέλλειν ἀντεῖπαν. [2] Θηβαῖοι δὲ στρατηγὸν ἐλόμενοι Λακράτην ἐξαπέστειλαν μετὰ χιλίων ὀπλιτῶν. Ἀργεῖοι δὲ τρισχιλίους στρατιώτας ἐξέπεμψαν, στρατηγὸν δὲ αὐτοὶ μὲν οὐχ εἵλαντο, τοῦ δὲ βασιλέως κατ' ὄνομα

τὸν Νικόστρατον στρατηγὸν αἰτησαμένου συνεχώρησαν. [3] ἦν γὰρ ὁ ἀνὴρ οὗτος ἀγαθὸς καὶ πρᾶξι καὶ βουλευσασθαι, μεμιγμένην δ' ἔχων τῇ φρονήσει μανίαν: τῇ γὰρ τοῦ σώματος ῥώμῃ διαφέρων ἐμιμεῖτο τὸν Ἡρακλέα κατὰ τὰς στρατείας καὶ λεοντὴν ἐφόρει καὶ ῥόπαλον ἐν ταῖς μάχαις. [4] ὁμοίως δὲ τούτοις οἱ τὴν παραθαλάττιον τῆς Ἀσίας οἰκοῦντες Ἕλληνες ἀπέστειλαν στρατιώτας ἐξακισχιλίους, ὥστε τοὺς πάντας Ἕλληνας γενέσθαι συμμάχους μυρίους. πρὸ δὲ τῆς τούτων παρουσίας ὁ μὲν βασιλεὺς διεληλυθὼς τὴν Συρίαν καὶ παραγενόμενος εἰς τὴν Φοινίκην ἐστρατοπέδευσεν οὐ μακρὰν τῆς Σιδῶνος. [5] οἱ δὲ Σιδῶνιοι κεχρονικότος τοῦ βασιλέως περὶ τὰς παρασκευὰς σίτου τε καὶ ὀπλῶν καὶ βελῶν πολλὴν ἐπιμέλειαν ἐποιήσαντο. ὁμοίως οὖν τὴν πόλιν τάφροις τριπλαῖς μεγάλαις καὶ τειχῶν ὑψηλῶν κατασκευαῖς περιελήφεισαν. [6] εἶχον δὲ καὶ στρατιωτῶν ἱκανὸν πλῆθος πολιτικῶν ἐν γυμνασίαις καὶ πόνοις ἐνηθληκὸς καὶ ταῖς τῶν σωμάτων εὐεξίαις καὶ ῥώμαις διαφέρον. πλούτῳ δὲ καὶ ταῖς ἄλλαις χορηγίαις ἡ πόλις πολὺ προεῖχε τῶν κατὰ τὴν Φοινίκην πόλεων, τὸ δὲ μέγιστον τριῆρεις καὶ πεντήρεις εἶχε πλείους τῶν ἑκατὸν. 45. ὁ δὲ Τέννης κοινωσάμενος τὴν προδοσίαν Μέντορι τῷ στρατηγῷ τῶν ἐξ Αἰγύπτου μισθοφόρων τοῦτον μὲν ἀπέλιπε τηροῦντα μέρος τῆς πόλεως καὶ συνεργοῦντα τοῖς περὶ τὴν προδοσίαν ἐγχειρουμένοις, αὐτὸς δὲ μετὰ στρατιωτῶν πεντακοσίων προῆγεν ἐκ τῆς πόλεως, προσποιούμενος ἐπὶ κοινὴν τῶν Φοινίκων σύνοδον ἀπαντᾶν: ἦγε δὲ μεθ' ἑαυτοῦ τοὺς ἐπιφανεστάτους τῶν πολιτῶν ἑκατὸν ὡς συμβούλους. [2] ἐπεὶ δὲ πλησίον ἦσαν τοῦ βασιλέως, συναρπάσας τοὺς ἑκατὸν παρέδωκε τῷ Ἀρταξέρξει. ὁ δὲ βασιλεὺς ἀποδεξάμενος αὐτὸν ὡς φίλον τοὺς μὲν ἑκατὸν ὡς αἰτίους ὄντας τῆς ἀποστάσεως κατηκόντισε, πεντακοσίων δὲ τῶν πρώτων Σιδωνίων μεθ' ἱκετηριῶν ἀπαντησάντων ἀνεκαλέσατο τὸν Τέννην καὶ ἐπηρώτησεν εἰ δύναται τὴν πόλιν αὐτῷ παραδοῦναι: σφόδρα γὰρ ἔσπευδε μὴ δι' ὁμολογίας τὴν Σιδῶνα παραλαβεῖν, ὅπως ἀπαραιτήτοις συμφοραῖς περιβαλὼν τοὺς Σιδωνίους τῇ τούτων τιμωρίᾳ καταπλήξῃται τὰς ἄλλας πόλεις. [3] τοῦ δὲ Τέννου διαβεβαιωσαμένου παραδώσειν τὴν πόλιν ὁ βασιλεὺς, φυλάττων τὴν ὀργὴν ἀπαραίτητον, ἅπαντας τοὺς πεντακοσίους ἔχοντας τὰς ἱκετηρίας κατηκόντισεν. εἴθ' ὁ μὲν Τέννης προσελθὼν τοῖς ἐξ Αἰγύπτου μισθοφόροις ἔπεισεν αὐτοὺς ἐντὸς τῶν τειχῶν εἰσαγαγεῖν αὐτόν τε καὶ τὸν βασιλέα. [4] ἡ μὲν οὖν Σιδὼν διὰ τοιαύτης προδοσίας ὑποχείριος ἐγένετο τοῖς Πέρσαις. ὁ δὲ βασιλεὺς ὑπολαβὼν τὸν Τέννην μηκέτι χρήσιμον ὑπάρχειν ἀνείλεν. οἱ δὲ Σιδῶνιοι πρὸ μὲν τῆς παρουσίας τοῦ βασιλέως ἐνέπρησαν ἀπάσας τὰς ναῦς, ὅπως μηδεὶς δύνηται τῶν κατὰ τὴν πόλιν ἐκπλεύσας ἰδίᾳ σωτηρίαν πορίζεσθαι: ἐπειδὴ δὲ τὴν πόλιν ἐώρων καὶ τὰ τεῖχη κατελημμένα καὶ πολλαῖς μυριάσι στρατιωτῶν περιεχόμενα, συγκλείσαντες ἑαυτοὺς καὶ τὰ τέκνα καὶ γυναῖκας εἰς τὰς οἰκίας ἐνέπρησαν. [5] φασὶ δὲ τοὺς ὑπὸ τοῦ πυρὸς τότε διαφθαρέντας σὺν τοῖς οἰκετικοῖς σώμασι γεγονέναι πλείους τῶν τετρακισμυρίων. τούτου δὲ τοῦ πάθους περὶ τοὺς Σιδωνίους γενομένου καὶ τῆς πόλεως ὅλης μετὰ τῶν ἐνοικούντων ὑπὸ τοῦ πυρὸς ἀφανισθείσης τὴν πυρκαϊᾶν ὁ βασιλεὺς ἀπέδοτο πολλῶν ταλάντων: [6] διὰ γὰρ τὴν εὐδαιμονίαν τῶν ἐνφκηκῶτων εὐρέθη πολὺς ἄργυρός τε καὶ χρυσὸς ὑπὸ

τοῦ πυρὸς κεχωνευμένους. τὰ μὲν οὖν κατὰ Σιδῶνα συμβάντα δυστυχήματα τοιαύτην ἔσχε τὴν καταστροφὴν, αἱ δ' ἄλλαι πόλεις καταπλαγεῖσαι προσεχώρησαν τοῖς Πέρσαις. [7]

βραχὺ δὲ πρὸ τούτων τῶν χρόνων Ἀρτεμισία μὲν ἡ Καρίας δυναστεύουσα μετήλλαξεν ἄρξασα ἔτη δύο, τὴν δὲ δυναστείαν Ἰδριεὺς ὁ ἀδελφὸς διεδέξατο καὶ ἤρξεν ἔτη ἑπτὰ. [8] κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι πρὸς μὲν Πραϊνεστίνους ἀνοχάς, πρὸς δὲ Σαυνίτας συνθήκας ἐποιήσαντο, Ταρκυνίους δὲ ἄνδρας διακοσίους καὶ ἐξήκοντα δημοσίᾳ ἐθανάτωσαν ἐν τῇ ἀγορᾷ. [9] κατὰ δὲ τὴν Σικελίαν Λεπτίνης καὶ Κάλλιππος οἱ Συρακόσιοι δύναμιν ἔχοντες ἐξεπολιόρκησαν Ῥήγιον φρουρούμενον ὑπὸ Διονυσίου τοῦ τυράννου τοῦ νεωτέρου καὶ τὴν μὲν φρουρὰν ἐξέβαλον, τοῖς δὲ Ῥηγίνοις τὴν αὐτονομίαν ἀπεκατέστησαν. 46.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀπολλοδώρου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Οὐαλέριον καὶ Γάιον Σουλπίκιον. ἐπὶ δὲ τούτων κατὰ τὴν Κύπρον Σαλαμινίων πολιορκουμένων ὑπ' Εὐαγόρου καὶ Φωκίωνος αἱ μὲν ἄλλαι πόλεις ἅπασαι τοῖς Πέρσαις ὑπετάγησαν, τῆς δὲ Σαλαμῖνος βασιλεύων Πνυταγόρας μόνος ὑπέμεινε τὴν πολιορκίαν. [2] ὁ δ' Εὐαγόρας πατρῶαν ἀρχὴν τὴν Σαλαμινίων ἀνεκτᾶτο καὶ διὰ τοῦ βασιλέως τῶν Περσῶν τὴν κάθοδον εἰς τὴν βασιλείαν ἐποιεῖτο. μετὰ δὲ ταῦτα διαβληθέντος αὐτοῦ πρὸς Ἀρταξέρξην καὶ τοῦ βασιλέως βοηθοῦντος τῷ Πνυταγόρᾳ ὁ μὲν Εὐαγόρας ἀπογνοὺς τὴν κάθοδον καὶ περὶ τῶν ἐγκλημάτων ἀπολογησάμενος ἄλλης ἡγεμονίας ἡξιώθη κατὰ τὴν Ἀσίαν μερίζονος. [3] κακῶς δὲ τὰ κατὰ τὴν ἀρχὴν διοικήσας ἔφυγε πάλιν εἰς Κύπρον καὶ συλληφθεὶς τιμωρίας ἡξιώθη. ὁ δὲ Πνυταγόρας ἐκουσίως ὑποταγεὶς τοῖς Πέρσαις τὸ λοιπὸν ἀδεῶς ἐβασίλευε τῆς Σαλαμῖνος. [4]

ὁ δὲ τῶν Περσῶν βασιλεὺς μετὰ τὴν ἄλωσιν τῆς Σιδῶνος, παραγενομένων αὐτῷ τῶν συμμάχων ἔκ τε Ἀργούς καὶ Θηβῶν καὶ τῶν κατὰ τὴν Ἀσίαν Ἑλληνίδων πόλεων, ἀθροίσας πᾶσαν τὴν δύναμιν προῆγεν ἐπὶ τὴν Αἴγυπτον. [5] καταντήσας δ' ἐπὶ τὴν μεγάλην λίμνην, καθ' ἣν ἔστι τὰ καλούμενα Βάραθρα, μέρος τῆς δυνάμεως ἀπέβαλε διὰ τὴν ἀπειρίαν τῶν τόπων. περὶ δὲ τῆς κατὰ τὴν λίμνην φύσεως καὶ τοῦ περὶ αὐτὴν παραδόξου συμπτώματος προειρηκότες ἐν τῇ πρώτῃ βύβλῳ τὸ διλογεῖν περὶ τῶν αὐτῶν παρήσομεν. [6] διελθὼν δὲ τὰ Βάραθρα μετὰ τῆς δυνάμεως ὁ βασιλεὺς ἤκεν πρὸς τὸ Πηλούσιον: αὕτη δ' ἐστὶ πόλις ἐπὶ τοῦ πρώτου στόματος, καθ' ὃν τόπον ὁ Νεῖλος ποιεῖται τὰς ἐκβολάς. οἱ μὲν οὖν Πέρσαι κατεστρατοπέδευσαν ἀπὸ τεσσαράκοντα σταδίων τοῦ Πηλουσίου, οἱ δ' Ἕλληνες πρὸς αὐτῷ τῷ πολίσματι. [7] οἱ δ' Αἰγύπτιοι, δεδοκῶτων αὐτοῖς τῶν Περσῶν πολὺν χρόνον εἰς τὴν παρασκευὴν, πάντα μὲν τὰ στόματα τοῦ Νεῖλου καλῶς κατεσκευακότες ὑπῆρχον, μάλιστα δὲ τὸ πρὸς τῷ Πηλουσίῳ διὰ τὸ πρῶτον εἶναι τοῦτο καὶ μάλιστα κείμενον εὐκαίρως. [8] ἐφρούρουν δὲ τὸ χωρίον στρατιῶται πεντακισχίλιοι, στρατηγοῦντος Φιλόφρονος τοῦ Σπαρτιάτου. οἱ δὲ Θηβαῖοι σπεύδοντες ἄριστοι φανῆναι τῶν συστρατευομένων Ἑλλήνων πρῶτοι καὶ μόνοι διὰ στενῆς τινος καὶ βαθείας διώρυγος ἐτόλμησαν διαβῆναι παραβόλως. [9] διαβάντων δ' αὐτῶν καὶ προσβαλλόντων τοῖς τείχεσιν οἱ φρουροῦντες τὸ Πηλούσιον ἐκχυθέντες ἐκ τῆς πόλεως συνῆψαν μάχην πρὸς

τοὺς Θηβαίους: μεγάλου δ' ἁγῶνος γενομένου διὰ τὰς παρ' ἀμφοτέροις φιλοτιμίας τότε μὲν ἐν τῷ κινδύνῳ διημερεύσαντες ὑπὸ τῆς νυκτὸς διελύθησαν. 47. τῇ δ' ὑστεραίᾳ τοῦ βασιλέως εἰς τρία μέρη τὴν Ἑλληνικὴν δύναμιν μερίσαντος ἐκάστη μερίς εἶχε στρατηγὸν Ἑλληνα καὶ τοῦτω παρακαθεσταμένον ἡγεμόνα Πέρσῃν, ἄνδρα προκεκριμένον ἐπ' ἀρετῇ τε καὶ εὐνοίᾳ. [2] τὴν μὲν οὖν πρώτην τάξιν ἐπεῖχον οἱ Βοιωτοὶ στρατηγὸν μὲν ἔχοντες Λακράτην τὸν Θηβαῖον, ἡγεμόνα δὲ Πέρσῃν Ῥωσάκην: οὗτος δὲ ἀπόγονος μὲν ἦν ἐνὸς τῶν ἐπτὰ Περσῶν τῶν τοὺς μάγους καταλυσάντων, σατράπης δὲ Ἰωνίας καὶ Λυδίας: συνείπετο δ' αὐτῷ πολλὴ μὲν ἵππος, οὐκ ὀλίγη δὲ πεζικὴ στρατιὰ τῶν βαρβάρων. [3] δευτέρα δ' ἦν μερίς ἡ τῶν Ἀργείων Νικοστράτου στρατηγοῦντος καὶ μετ' αὐτοῦ Πέρσου συνάρχοντος Ἀρισταζάνου: οὗτος δ' ἦν εἰσαγγελεὺς τοῦ βασιλέως καὶ πιστότατος τῶν φίλων μετὰ Βαγῶαν: προσωρίσθησαν δ' αὐτῷ στρατιῶται μὲν ἐπίλεκτοι πεντακισχίλιοι, τριήρεις δὲ ὀγδοήκοντα. [4] τῆς δὲ τρίτης μερίδος ἐστρατήγει Μέντωρ ὁ τὴν Σιδῶνα παραδούς, ἔχων τοὺς προϋπάρχοντας αὐτῷ μισθοφόρους: συνεστρατεύετο δ' αὐτῷ Βαγῶας, ὃ μάλιστα βασιλεὺς ἐνεπίστευε, τόλμη καὶ παρανομία διαφέρων: εἶχε δ' οὗτος τοὺς τοῦ βασιλέως Ἑλληνας καὶ τῶν βαρβάρων ἱκανὸν πλῆθος καὶ ναῦς οὐκ ὀλίγας. [5] αὐτὸς δὲ τὴν λοιπὴν δύναμιν ἔχων ἐφήδρευε τοῖς ὅλοις πράγμασι. τοιαύτης δὲ τῆς διαιρέσεως γενομένης παρὰ τοῖς Πέρσαις ὁ μὲν τῶν Αἰγυπτίων βασιλεὺς Νεκτανεβῶς οὔτε τὸ πλῆθος τῶν πολεμίων οὔτε τὴν ὅλην διάταξιν τῶν Περσῶν κατεπλάγη, καίπερ πολὺ λειπόμενος τοῦ πλήθους. [6] εἶχε γὰρ Ἑλληνας μὲν μισθοφόρους δισμυρίους, Λίβυας δὲ παραπλησίους τούτοις, Αἰγυπτίους δὲ τοὺς μαχίμους παρ' αὐτοῖς ὀνομαζομένους ἑξακισμυρίους, πρὸς δὲ τούτοις πλοίων ποταμίων πρὸς τὰς κατὰ τὸν Νεῖλον μάχας καὶ συμπλοκάς εὐθέτων ἄπιστον πλῆθος. [7] ὠχύρωτο δ' αὐτῷ καὶ ἡ πρὸς τὴν Ἀραβίαν νεύουσα πλευρὰ τοῦ ποταμοῦ, πεπυκνωμένη πολίσμασιν, ἔτι δὲ τείχεσι καὶ τάφροις πᾶσα διειλημμένη. ἔχων δὲ καὶ τὰς ἄλλας παρασκευὰς πάσας πρὸς τὸν πόλεμον ἱκανὰς διὰ τὴν ἰδίαν ἀβουλίαν ταχὺ τοῖς ὅλοις ἔπταισεν. 48. αἰτία δ' ἐγένετο τῆς ἥττης μάλισθ' ἡ τοῦ στρατηγεῖν ἀπειρία καὶ τὸ προνεκῆσθαι τοὺς Πέρσας ὑπ' αὐτοῦ κατὰ τὴν πρὸ ταύτης γεγενημένην στρατείαν. [2] ἐσχηκῶς γὰρ τοὺς τότε στρατηγούς ἐπιφανεῖς ἄνδρας καὶ διαφέροντας ἀρετῇ τε καὶ ἀγχινοίᾳ στρατηγικῇ, Διόφαντον τὸν Ἀθηναῖον καὶ Λάμιον τὸν Σπαρτιάτην, διὰ τούτων ἅπαντα κατώρθωσε: τότε δ' ὑπολαμβάνων ἑαυτὸν ἱκανὸν εἶναι στρατηγὸν οὐδενὶ τῆς ἡγεμονίας μετεδίδου καὶ διὰ τὴν ἀπειρίαν οὐδὲν ἡδύνατο πράττειν τῶν ἐν τῷ πολέμῳ χρησίων. [3] τὰ μὲν οὖν πολίσματα φρουραῖς ἀξιολόγοις διαλαβὼν παρεφύλαττεν, αὐτὸς δὲ τῶν Αἰγυπτίων ἔχων τρισμυρίους, τῶν δ' Ἑλλήνων πεντακισχιλίους, τῶν δὲ Λιβύων τοὺς ἡμίσεις ταῖς εὐκαιροτάταις τῶν εἰσβολῶν ἐφήδρευεν. τοιαύτης δὲ παρ' ἀμφοτέροις οὔσης τῆς διατάξεως Νικόστρατος μὲν ὁ τῶν Ἀργείων στρατηγὸς ἔχων ἡγεμόνας Αἰγυπτίους, ὧν ἦσαν ὁμηροὶ παῖδες παρὰ τοῖς Πέρσαις καὶ γυναῖκες, παρέπλευσε μετὰ τοῦ στόλου διὰ τινος διώρυγος εἰς τόπον κεκρυμμένον, ἐκβιβάσας δὲ τοὺς στρατιώτας καὶ παρεμβολὴν ὀχυρωσάμενος κατεστρατοπέδευσε. [4] οἱ δὲ τὸν πλησίον τόπον

παραφυλάττοντες μισθοφόροι τῶν Αἰγυπτίων ὡς ἦσθοντο τὴν τῶν πολεμίων παρουσίαν εὐθὺς ἐξεβοήθουν, ὄντες οὐκ ἐλάττους τῶν ἐπτακισχιλίων. [5] ἔχων δ' αὐτῶν τὴν ἡγεμονίαν Κλείνιος ὁ Κῶος συνέταξε τὴν δύναμιν εἰς μάχην. ἀντιταχθέντων δὲ τῶν καταπεπλευκότων ἐγένετο καρτερὰ μάχη, καθ' ἣν οἱ μετὰ τῶν Περσῶν Ἕλληνες ἀγωνισάμενοι λαμπρῶς τὸν τε στρατηγὸν Κλείνιον ἐφόνευσαν καὶ τῶν ἄλλων στρατιωτῶν κατέκοψαν πλείους τῶν πεντακισχιλίων. [6] Νεκτανεβῶς δ' ὁ τῶν Αἰγυπτίων βασιλεὺς ἀκούσας τὴν τῶν ἰδίων ἀπώλειαν κατεπλάγη, νομίσας καὶ τὴν λοιπὴν τῶν Περσῶν δύναμιν ῥαδίως διαβήσεσθαι τὸν ποταμόν. [7] ὑπολαβὼν δὲ τοὺς πολεμίους μετὰ πάσης τῆς δυνάμεως ἐπ' αὐτὴν ἤξειν τὴν Μέμφιν ἔκρινε ταύτης μάλιστα προνοήσασθαι. οὗτος μὲν οὖν μετὰ τῆς περὶ αὐτὸν στρατιᾶς ἐπανελθὼν εἰς Μέμφιν τὰ πρὸς τὴν πολιορκίαν παρεσκευάζετο. 49.

ὁ δὲ τῆς πρώτης μερίδος ἀφηγούμενος Λακράτης ὁ Θηβαῖος ἐπὶ τὴν τοῦ Πηλουσίου πολιορκίαν ὥρμησεν: ἀποστρέψας δὲ τῆς διώρυγος τὸ ῥεῦμα πρὸς ἕτερα μέρη καὶ τὸν ἀναξηρανθέντα τόπον χώσας μηχανὰς προσήγαγε τῇ πόλει. ἐπὶ πολὺ δὲ μέρος πεσόντων τῶν τειχῶν οἱ τὸ Πηλούσιον φρουροῦντες ὀξέως ἀντωκοδόμησαν ἕτερα καὶ πύργους ξυλίνους ἀξιολόγους ἀνέστησαν. [2] ἐπὶ δέ τινας ἡμέρας συνεχοῦς γινομένης τῆς τειχομαχίας τὸ μὲν πρῶτον οἱ κατὰ τὸ Πηλούσιον Ἕλληνες ἐρρωμένως ἡμύνοντο τοὺς πολιορκοῦντας: ὥς δ' ἐπύθοντο τὴν τοῦ βασιλέως ἀναχώρησιν εἰς Μέμφιν καταπλαγέντες περὶ διαλύσεων ἐπρεσβεύοντο. [3] τοῦ δὲ Λακράτους δόντος αὐτοῖς διὰ τῶν ὄρκων πίστεις ὅτι παραδόντων αὐτῶν τὸ Πηλούσιον ἀποκομισθήσονται πάντες εἰς τὴν Ἑλλάδα μεθ' ὧν ἂν ἐξενέγκωσι, παρέδωκαν τὸ φρούριον. [4] μετὰ δὲ ταῦτα ὁ μὲν Ἀρταξέρξης ἀπέστειλε Βαγῶαν μετὰ στρατιωτῶν βαρβάρων παραληψόμενον τὸ Πηλούσιον: οἱ δὲ στρατιῶται παριόντες εἰς τὸ χωρίον τῶν ἐξιόντων Ἑλλήνων ἀφηροῦντο πολλὰ τῶν ὑπ' αὐτῶν ἐκκομιζομένων. [5] ἀγανακτούντων δὲ τῶν ἀδικουμένων καὶ θεοὺς τοὺς ἐπόπτας τῶν ὄρκων ἐπιβοωμένων παροξυνθεὶς ὁ Λακράτης τροπὴν ἐποίησε τῶν βαρβάρων καὶ τινὰς καταβαλὼν ἐπεκούρησε τοῖς παρασπονδουμένοις. [6] τοῦ δὲ Βαγῶου φυγόντος πρὸς τὸν βασιλέα καὶ κατηγοροῦντος τοῦ Λακράτους ὁ Ἀρταξέρξης ἔκρινε δίκαια πεπονθέναι τοὺς περὶ τὸν Βαγῶαν καὶ τῶν Περσῶν τοὺς αἰτίους τῆς ἀρπαγῆς ἀπέκτεινεν. τὸ μὲν οὖν Πηλούσιον τοῦτον τὸν τρόπον παρεδόθη τοῖς Πέρσαις. [7]

Μέντωρ δὲ ὁ τοῦ τρίτου μέρους ἡγούμενος Βούβαστον καὶ πολλὰς ἄλλας πόλεις χειρωσάμενος ὑπηκόους ἐποίησε τῷ βασιλεῖ δι' ἐνὸς στρατηγήματος. πασῶν γὰρ τῶν πόλεων φρουρουμένων ὑπὸ δυεῖν ἔθνων, Ἑλλήνων τε καὶ Αἰγυπτίων, ὁ Μέντωρ διέδωκε λόγον εἰς τοὺς στρατιώτας ὅτι βασιλεὺς Ἀρταξέρξης τοῖς μὲν ἐκουσίως παραδιδούσι τὰς πόλεις φιλανθρώπως χρῆσασθαι διέγνωκε, τοῖς δὲ βίᾳ κρατηθεῖσι τὴν αὐτὴν ἀπονέμειν τιμωρίαν ἥνπερ τοῖς Σιδωνίοις ἐπέστησε: καὶ τοῖς φυλάττουσι τὰς πύλας παρήγγειλεν ἕαν τοὺς βουλομένους παρ' αὐτῶν αὐτομολεῖν. [8] διόπερ ἀκωλύτως τῶν ἡλωκότων Αἰγυπτίων ἀπιόντων ἐκ τῆς παρεμβολῆς ταχέως εἰς ἀπάσας τὰς κατὰ τὴν Αἴγυπτον πόλεις ὁ λόγος ὁ προειρημένος διεσπάρη. εὐθὺς οὖν οἱ μισθοφόροι πρὸς τοὺς ἐγγχωρίους πανταχῇ διεφέροντο καὶ στάσεως αἱ πόλεις

ἐπληροῦντο. ἑκάτεροι γὰρ ἰδίᾳ διεφίλοτιμοῦντο παραδιδόναι τὰ φρούρια καὶ τῆς χάριτος ταύτης ἰδίας ἀγαθῶν ἐλπίδας ἡλλάττοντο: ὅπερ καὶ περὶ πρώτην τὴν Βουβάστον συνέβη γενέσθαι. 50. ὥς γὰρ οἱ περὶ τὸν Μέντορα καὶ Βαγῶαν πλησίον αὐτῆς κατεστρατοπέδευσαν, οἱ μὲν Αἰγύπτιοι λάθρα τῶν Ἑλλήνων ἐξέπεμψάν τινα πρὸς τὸν Βαγῶαν, ἐπαγγελλόμενοι παραδώσειν τὴν πόλιν ἐὰν αὐτοῖς τὴν ἀσφάλειαν συγχωρήσωσιν. [2] οἱ δ' Ἑλληνες αἰσθόμενοι τὸ γεγονός κατεδίωξαν τὸν ἀπεσταλμένον καὶ φόβον ἐπικρεμάσαντες ἤκουσαν τὴν ἀλήθειαν: ἐφ' οἷς παροξυνθέντες ἐπέθεντο τοῖς Αἰγυπτίοις καὶ τινὰς μὲν ἀπέκτειναν, τινὰς δὲ τραυματίας ποιήσαντες τοὺς λοιποὺς συνήλασαν εἰς τι μέρος τῆς πόλεως. [3] οἱ δ' ἡττηθέντες δηλώσαντες τῷ Βαγῶα τὸ γεγονός ἡξίουσαν κατὰ τάχος ἐλθόντα παραλαβεῖν τὴν πόλιν παρ' αὐτῶν. τῶν δὲ Ἑλλήνων πρὸς τὸν Μέντορα λάθρα διακηρυκευσαμένων ὁ Μέντωρ ἐν ἀπορρήτοις παρεκάλεσεν αὐτούς, ὅταν Βαγῶας εἰς τὴν πόλιν εἰσέλθῃ, τὴν ἐπιθέσιν τοῖς βαρβάροις ποιήσασθαι. [4] μετὰ δὲ ταῦτα τοῦ Βαγῶου μετὰ τῶν Περσῶν εἰσιόντος ἄνευ τῆς τῶν Ἑλλήνων συγκαταθέσεως καὶ μέρους τῶν στρατιωτῶν εἰσεληλυθότος οἱ μὲν Ἑλληνες ἄφνω τὰς θύρας κλείσαντες ἐπέθεντο τοῖς ἐντὸς τῶν τειχῶν ὑπάρχουσι καὶ πάντας ἀνελόντες τὸν Βαγῶαν αὐτὸν ἐξώγρησαν. [5] ὁ δὲ τὰς τῆς σωτηρίας ἐλπίδας ὁρῶν ἐν τῷ Μέντορι κειμένας ἐδεήθη σῶσαι καὶ εἰς τὸ λοιπὸν κατεπηγγεῖλατο μὴτὲν πράξειν ἄνευ τῆς ἐκείνου γνώμης. [6] ὁ δὲ Μέντωρ πείσας τοὺς Ἑλλήνας ἀφεῖναι τὸν Βαγῶαν καὶ δι' ἑαυτοῦ γενέσθαι τὴν παράδοσιν τὴν μὲν ἐπιγραφὴν τοῦ προτερήματος αὐτὸς ἀπηνέγκατο, τῷ δὲ Βαγῶα τῆς σωτηρίας αἴτιος γενόμενος συνέθετο πρὸς αὐτὸν κοινοπραγίαν καὶ δούς ὅρκους καὶ λαβὼν περὶ τούτων διετέλεσε τὴν σύνθεσιν φυλάττων μέχρι τῆς τοῦ βίου τελευτῆς. [7] διὸ καὶ συνέβη τούτους παρὰ βασιλεῖ συμφρονοῦντας ὕστερον πλεῖστον ἰσχύσαι τῶν φίλων καὶ συγγενῶν τῶν παρ' Ἀρταξέρξη: ὁ μὲν γὰρ Μέντωρ ἐν τοῖς παραθαλαττίοις μέρεσι τῆς Ἀσίας ἡγεμὼν μέγιστος ἀποδειχθεὶς τῷ βασιλεῖ μεγάλας παρείχετο χρείας ἐκ μὲν τῆς Ἑλλάδος μισθοφόρους ἀθροίζων καὶ πέμπων πρὸς Ἀρταξέρξη, κατὰ δὲ τὰς πράξεις ἀνδρείως καὶ πιστῶς ἅπαντα διοικῶν: [8] ὁ δὲ Βαγῶας ἐν ταῖς ἄνω σατραπείαις ἅπαντα τῷ βασιλεῖ διωκτικῶς τοσοῦτον ἰσχυσε διὰ τὴν πρὸς τὸν Μέντορα κοινωνίαν τῶν πράξεων ὥστε τῆς βασιλείας κύριον εἶναι καὶ μὴδὲν πράττειν τὸν Ἀρταξέρξη ἄνευ τῆς ἐκείνου γνώμης. καὶ μετὰ τὴν ἐκείνου τελευτὴν τοὺς διαδόχους αἰεὶ τῆς βασιλείας οὗτος ἀπεδείκνυτο καὶ πάντα βασιλέως εἶχε πλὴν τῆς προσηγορίας. ἀλλὰ περὶ μὲν τούτων τὰ κατὰ μέρος ἐν τοῖς οἰκείοις χρόνοις ἀναγράψομεν. 51.

τότε δὲ μετὰ τὴν τῆς Βουβάστου παράδοσιν αἱ λοιπαὶ πόλεις καταπλαγεῖσαι καθ' ὁμολογίαν παρεδόθησαν τοῖς Πέρσαις. ἐν δὲ τῇ Μέμφει διατρίβων ὁ βασιλεὺς Νεκτανεβῶς καὶ θεωρῶν τὴν τῶν πόλεων ἐπὶ τὴν προδοσίαν ὁρμὴν οὐκ ἐτόλμησεν ὑποστῆναι τοὺς ὑπὲρ τῆς ἡγεμονίας κινδύνους. ἀπογνοὺς οὖν τὴν βασιλείαν καὶ τὰ πλεῖστα τῶν χρημάτων ἀναλαβὼν ἔφυγεν εἰς τὴν Αἰθιοπίαν. [2] Ἀρταξέρξης δὲ παραλαβὼν πᾶσαν τὴν Αἴγυπτον καὶ τῶν ἀξιολογωτάτων πόλεων τὰ τείχη περιελὼν τὰ μὲν ἱερὰ συλῆσας ἤθροισεν ἀργύρου τε καὶ χρυσοῦ πλῆθος, ἀπὴνγεκε δὲ καὶ τὰς ἐκ

τῶν ἀρχαίων ἱερῶν ἀναγραφάς, ὥς ὕστερον Βαγῶας πολλῶν χρημάτων ἀπελύτρωσε τοῖς ἱερεῦσι τῶν Αἰγυπτίων. [3] τοὺς δὲ συστρατευσαμένους τῶν Ἑλλήνων κατὰ τὴν ἀξίαν ἕκαστον δωρεᾷς ἀξιολόγοις τιμήσας ἀπέλυσεν εἰς τὰς πατρίδας· τῆς δ' Αἰγύπτου σατράπην καταστήσας Φερενδάτην ἐπανήλθεν μετὰ τῆς δυνάμεως εἰς Βαβυλῶνα πολλὰ μὲν χρήματα καὶ λάφυρα κομίζων, δόξαν δὲ μεγάλην ἐκ τῶν κατορθωμάτων περιπεποιημένος. 52.

ἐπ' ἄρχοντος δ' Ἀθήνησι Καλλιμάχου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκιον Γάιον καὶ Πόπλιον Οὐαλέριον. ἐπὶ δὲ τούτων Ἀρταξέρξης ὁρῶν μεγάλας ἐαυτῷ παρεσχημένον χρείας ἐν τῷ πρὸς Αἰγυπτίους πολέμῳ Μέντορα τὸν στρατηγὸν προῆγεν αὐτὸν μάλιστα τῶν φίλων. [2] τιμήσας δ' ἀριστείοις τὸν ἄνδρα ἐδωρήσατο αὐτῷ ἀργυρίου μὲν ἑκατὸν τάλαντα, τῆς δ' ἄλλης πολυτελοῦς κατασκευῆς τὴν κρατίστην· ἀπέδειξε δὲ σατράπην τῆς κατὰ τὴν Ἀσίαν παραλίας καὶ τὸν πρὸς τοὺς ἀφεστηκότας πόλεμον ἐπέτρεψεν, αὐτοκράτορα στρατηγὸν ἀποδείξας. [3] ὁ δὲ Μέντωρ ἔχων οἰκειότητα πρὸς Ἀρτάβαζον καὶ Μέμνονα τοὺς διαπεπολεμηκότας μὲν πρὸς Πέρσας ἐν τοῖς ἐπάνω χρόνοις, τότε δὲ πεφευγότας ἐκ τῆς Ἀσίας καὶ διατρίβοντας παρὰ Φιλίππῳ, δεηθεὶς τοῦ βασιλέως ἔπεισεν αὐτὸν ἀπολῦσαι τοὺς ἄνδρας τῶν ἐγκλημάτων. εὐθὺς δὲ καὶ μετεπέμψατο πρὸς ἑαυτὸν ἀμφοτέρους μεθ' ὅλης τῆς συγγενείας· [4] ἦσαν γὰρ Ἀρταβάζῳ γεγονότες ἐκ τῆς Μέντορος καὶ Μέμνονος ἀδελφῆς υἱοὶ μὲν ἑνδεκα, θυγατέρες δὲ δέκα. ψυχαγωγούμενος δ' ἐπὶ τῷ πλήθει τῶν τέκνων ὁ Μέντωρ προῆγε τοὺς παῖδας, παραδιδούς αὐτοῖς τὰς ἐπιφανεστάτας ἐν τοῖς στρατιωτικοῖς ἡγεμονίας. [5] ἐστρατεύσατο δ' ἐπὶ πρῶτον Ἑρμίαν τὸν Ἀταρνέως τύραννον, ἀφεστηκότα τοῦ βασιλέως καὶ πολλῶν ὀχυρωμάτων καὶ πόλεων κυριεύοντα. [6] ἐπαγγειλάμενος δ' αὐτῷ πείσειν τὸν βασιλέα καὶ τῶν ἐγκλημάτων ἀπολῦσαι συνήλθεν εἰς λόγους καὶ παρακρουσάμενος αὐτὸν συνέλαβε. κυριεύσας δὲ τοῦ δακτυλίου καὶ γράψας εἰς τὰς πόλεις ὅτι διήλλακται τῷ βασιλεῖ διὰ Μέντορος καὶ σφραγισάμενος τὰς ἐπιστολάς τῷ τοῦ Ἑρμείου δακτυλίῳ συνεξέπεμψε τοὺς παραληψομένους τὰ χωρία. [7] οἱ δ' ἐν ταῖς πόλεσι πιστεύσαντες τοῖς γεγραμμένοις καὶ τὴν εἰρήνην ἀγαπητῶς προσδεξάμενοι παρέδωκαν πάντες τὰ φρούρια καὶ τὰς πόλεις. Μέντωρ μὲν οὖν δι' ἀπάτης ταχὺ παραλαβὼν ἀκινδύνως τὰ τῶν ἀποστατῶν πολιίσματα μεγάλης ἀποδοχῆς ἔτυχε παρὰ τῷ βασιλεῖ, δόξας δύνασθαι στρατηγεῖν πραγματικῶς. [8] ὁμοίως δὲ καὶ τοὺς ἄλλους ἡγεμόνας τοὺς ἀλλοτρίως διακειμένους τοῖς Πέρσαις τοὺς μὲν βιασάμενος, τοὺς δὲ καταστρατηγήσας ἅπαντας ταχέως κατεπολέμησεν. καὶ τὰ μὲν κατὰ τὴν Ἀσίαν ἐν τούτοις ἦν. [9]

κατὰ δὲ τὴν Εὐρώπην Φίλιππος μὲν ὁ Μακεδόνων βασιλεὺς στρατεύσας ἐπὶ τὰς Χαλκιδικὰς πόλεις Ζερεΐα μὲν φρούριον ἐκπολιορκήσας κατέσκαψε, τῶν δ' ἄλλων πολισμάτων ἔνια καταπληζάμενος ἠνάγκασεν ὑποτάττεσθαι· ἐπὶ δὲ τὰς Φεράς τῆς Θετταλίας παρελθὼν Πειθόλαον δυναστεύοντα τῆς πόλεως ἐξέβαλεν. [10] ἅμα δὲ τούτοις πραττομένοις ἐν τῷ Πόντῳ Σπάρτακος ὁ τοῦ Πόντου βασιλεὺς ἐτελεύτησεν ἄρξας ἔτη πέντε, τὴν δ' ἡγεμονίαν διαδεξάμενος ὁ ἀδελφὸς Παιρισάδης ἐβασίλευσεν ἔτη τριάκοντα ὀκτώ. 53.

τοῦ δ' ἔτους τούτου διελθόντος Ἀθήνησι μὲν ἦρχε Θεόφιλος, ἐν Ῥώμῃ δὲ

κατεστάθησαν ὕπατοι Γάιος Σουλπίκιος καὶ Γάιος Κοϊντίος, Ὀλυμπιάς δ' ἤχθη ὀγδόη πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Πολυκλῆς Κυρηναῖος. [2] ἐπὶ δὲ τούτων Φίλιππος μὲν σπεύδων τὰς ἐφ' Ἑλλησπόντῳ πόλεις χειρώσασθαι Μηκύβερναν μὲν καὶ Τορώνην χωρὶς κινδύνων διὰ προδοσίας παρέλαβεν, ἐπὶ δὲ τὴν μεγίστην τῶν περὶ τοὺς τόπους τούτους πόλεων Ὀλυνθον στρατεύσας μετὰ πολλῆς δυνάμεως τὸ μὲν πρῶτον νικήσας τοὺς Ὀλυνθίους δυσὶ μάχαις συνέκλεισεν εἰς πολιορκίαν, προσβολὰς δὲ συνεχεῖς ποιούμενος πολλοὺς τῶν στρατιωτῶν ἀπέβαλεν ἐν ταῖς τειχομαχίαις· τὸ δὲ τελευταῖον φθείρας χρήμασι τοὺς προεστηκότας τῶν Ὀλυνθίων, Εὐθυκράτην τε καὶ Λασθένην, διὰ τούτων προδοθεῖσαν τὴν Ὀλυνθον εἶλεν. [3] διαρπάσας δ' αὐτὴν καὶ τοὺς ἐνοικοῦντας ἐξανδραποδισάμενος ἐλαφυροπώλησε. τοῦτο δὲ πράξας χρημάτων τε πολλῶν εἰς τὸν πόλεμον εὐπόρησε καὶ τὰς ἄλλας πόλεις τὰς ἐναντιουμένας κατεπλήξατο. τοὺς δὲ ἀνδραγαθήσαντας τῶν στρατιωτῶν κατὰ τὴν μάχην ἀξίαις δωρεαῖς τιμήσας καὶ χρημάτων πλῆθος διαδοὺς τοῖς ἐν ταῖς πόλεσιν ἰσχύουσι πολλοὺς ἔσχε προδότας τῶν πατρίδων. καὶ αὐτὸς δὲ ἀπεφαίνετο διὰ χρυσίου πολὺ μᾶλλον ἢ διὰ τῶν ὅπλων ἠϋξήκεναι τὴν ἰδίαν βασιλείαν. 54.

οἱ δ' Ἀθηναῖοι τὴν αὖξιν ὑφορώμενοι τοῦ Φιλίππου τοῖς αἰὶ πολεμουμένοις ὑπὸ τοῦ βασιλέως ἐβοήθουν, πρέσβεις ἀποστέλλοντες ἐπὶ τὰς πόλεις καὶ παρακαλοῦντες τηρεῖν τὴν αὐτονομίαν καὶ τοὺς ἐπὶ τὴν προδοσίαν ὀρμῶντας τῶν πολιτῶν θανάτῳ κολάζειν· ἐπηγγέλλοντο δὲ πᾶσι συμμαχήσειν καὶ φανερώς ἑαυτοὺς πολεμίους ἀποδείξαντες τῷ βασιλεῖ διεπολέμουν πρὸς Φίλιππον. [2] μάλιστα δ' αὐτοὺς παρώξυνε προστῆναι τῆς Ἑλλάδος Δημοσθένης ὁ ῥήτωρ, δεινότατος ὢν τῶν κατ' ἐκείνους τοὺς χρόνους Ἑλλήνων. οὐ μὴν ἡ πόλις γε ἀναστεῖλαι τῆς ἐπὶ τὴν προδοσίαν ὀρμῆς ἠδυνήθη τοὺς πολίτας· τοιαύτη γὰρ φορὰ τις προδοτῶν ὑπῆρξε τότε κατὰ τὴν Ἑλλάδα. [3] διὸ καὶ φασὶ τὸν Φίλιππον βουλόμενον ἐλεῖν τινὰ πόλιν ὀχυρότητι διαφέρουσαν, εἰπόντος τινὸς αὐτῷ τῶν ἐγχωρίων ἀνάλωτον αὐτὴν ἐκ βίας ὑπάρχειν, ἐπερωτῆσαι εἰ οὐδ' ὁ χρυσὸς τὸ τεῖχος ὑπερβῆναι δυνατός ἐστιν. [4] ἦν γὰρ πείραν εἰληφώς ὅτι τὰ τοῖς ὅπλοις ἀδύνατα χειρωθῆναι τῷ χρυσῷ ῥάδιόν ἐστι καταπολεμῆσαι. ἐγκατασκευάζων οὖν ἐν ταῖς πόλεσι προδότας διὰ τῆς δωροδοκίας καὶ τοὺς δεχομένους τὸ χρυσίον ξένους καὶ φίλους ὀνομάζων ταῖς πονηραῖς ὁμιλίαις διέφθειρε τὰ ἦθη τῶν ἀνθρώπων. 55.

μετὰ δὲ τὴν ἄλωσιν τῆς Ὀλύνθου Ὀλύμπια ποιήσας τοῖς θεοῖς ἐπινίκια μεγαλοπρεπεῖς θυσίας συνετέλεσεν· πανήγυριν δὲ μεγάλην συστησάμενος καὶ λαμπροὺς ἀγῶνας ποιήσας πολλοὺς τῶν ἐπιδημούντων ξένων ἐπὶ τὰς ἐστιάσεις παρελάμβανε. [2] παρὰ δὲ τοὺς πότους πολλαῖς ὁμιλίαις χρώμενος καὶ πολλοῖς μὲν ποτήρια διδοὺς κατὰ τὰς προπόσεις, οὐκ ὀλίγοις δὲ δωρεὰς ἀπονέμων, πᾶσι δὲ μεγάλας ἀπαγγελίας εὐχαρίστως ποιούμενος πολλοὺς ἔσχεν ἐπιθυμητὰς τῆς πρὸς αὐτὸν φιλίας. [3] καὶ δῆποτ' ἐν τῷ συμποσίῳ κατανοήσας Σάτυρον τὸν ὑποκριτὴν σκυθρωπὸν ὄντ' ἦρετο διὰ τί μόνος οὐδὲν ἀξιοῖ μεταλαβεῖν τῆς παρ' αὐτοῦ φιланθρωπίας· τοῦ δ' εἰπόντος ὅτι βούλεται παρ' αὐτοῦ τυχεῖν τινος δωρεᾶς, δεδοικέναι δὲ μήποτε δηλώσας τὴν προκεχειρισμένην ἔντευξιν ἀποτύχη, ὁ μὲν βασιλεὺς περιχαρὴς γενόμενος

διεβεβαιώσατο πᾶν ὃ τι ἂν αἰτήσῃ χαρίσασθαι: ὁ δ' εἶπεν ὅτι ξένου τινὸς ἑαυτοῦ δύο παρθένους τὴν ἡλικίαν ἔχουσαι γάμου τυγχάνουσιν ἐν ταῖς αἰχμαλώτοις οὔσαι: ταύτας οὖν βούλεσθαι λαβεῖν οὐχ ἵνα λυσιτέλειάν τινα περιποιησῇται τυχὼν τῆς δωρεᾶς, ἀλλ' ἵνα προικίσας ἀμφοτέρας συνοικίσῃ καὶ μὴ περιύδῃ μηδὲν παθοῦσας ἀνάξιον τῆς ἡλικίας. [4] μετὰ δὲ ταῦθ' ὁ Φίλιππος ἀσμένως τὴν αἴτησιν προσδεξάμενος παραχρῆμα τὰς παρθένους ἐδωρήσατο τῷ Σατύρῳ. πολλὰς δὲ καὶ ἄλλας παντοδαπὰς εὐεργεσίας καὶ δωρεὰς διασπείρων ἐκομίζετο τοὺς μισθοὺς πολλαπλασίους τῆς χάριτος: πολλοὶ γὰρ ταῖς τῆς εὐεργεσίας ἐλπίσι προκληθέντες ἔφθασαν ἀλλήλους προσνέμοντες ἑαυτοὺς τῷ Φιλίπῳ καὶ τὰς πατρίδας ἐγχειρίζοντες. 56.

ἐπ' ἄρχοντος δ' Ἀθήνησι Θεμιστοκλέους ἐν Ῥώμῃ τὴν ὑπατικὴν ἀρχὴν διεδέξαντο Γάιος Κορνήλιος καὶ Μάρκος Ποπίλιος. ἐπὶ δὲ τούτων Βοιωτοὶ πολλὴν τῆς Φωκίδος χώραν πορθήσαντες περὶ τὴν ὀνομαζομένην Ὑάν πόλιν ἐνίκησαν τοὺς πολεμίους καὶ κατέβαλον αὐτῶν περὶ ἑβδομήκοντα. [2] μετὰ δὲ ταῦτα Βοιωτοὶ περὶ Κορώνειαν συμπλακέντες τοῖς Φωκεῦσιν ἡττήθησαν καὶ συχνοὺς ἀπέβαλον. ἔπειτα τῶν Φωκῶν κατασχόντων ἱκανὰς τινὰς πόλεις ἐν τῇ Βοιωτίᾳ στρατεύσαντες οἱ Βοιωτοὶ καὶ τὸν σῆτον ἐκ τῆς χώρας τῶν πολεμίων φθείραντες κατὰ τὴν ἐπάνοδον ἡττήθησαν. [3] ἅμα δὲ τούτοις πραττομένοις Φάλαικος μὲν ὁ τῶν Φωκῶν στρατηγός, διαβληθεὶς ὅτι πολλὰ τῶν ἱερῶν χρημάτων κέκλοφεν, ἐξέπεσεν ἐκ τῆς ἀρχῆς, ἀντὶ δὲ τούτου στρατηγῶν αἰρεθέντων τριῶν, Δεινοκράτους καὶ Καλλίου καὶ Σωφάνους, ἐγένετο ζήτησις τῶν ἱερῶν χρημάτων καὶ λόγον τοὺς κεχειρικότες οἱ Φωκεῖς ἀπήτουν: ἦν δὲ πλεῖστα διωκτικῶς Φίλων. [4] οὗτος δ' οὐ δυνάμενος ἀποδοῦναι τὸν λόγον κατεδικάσθη καὶ στρεβλωθεὶς ὑπὸ τῶν στρατηγῶν τοὺς μετέχοντας τῆς κλοπῆς ἐμήνυσεν, αὐτὸς δὲ ταῖς ἐσχάταις αἰκίαις περιπεσὼν οἰκείαν τῆς ἀσεβείας ἔσχε τὴν τοῦ βίου καταστροφὴν. [5] οἱ δὲ νοσφισάμενοι τὰ χρήματα τὰ σωζόμενα καὶ περιόντα τῶν ἐκ τῆς κλοπῆς ἀπέδωκαν, αὐτοὶ δ' ἐθανατώθησαν ὡς ἱερόσυλοι. τῶν δὲ προγεγεννημένων στρατηγῶν ὁ μὲν πρῶτος ἄρξας Φιλόμηλος ἀπέσχετο τῶν ἀναθημάτων, ὁ δὲ δεύτερος, προσαγορευόμενος μὲν Ὀνόμαρχος, ἀδελφὸς δ' ὢν Φιλομήλου, πλεῖστα τῶν τοῦ θεοῦ χρημάτων κατεδαπάνησε, τρίτος δὲ Φάυλλος ὁ ἀδελφὸς Ὀνομάρχου στρατηγήσας οὐκ ὀλίγα τῶν ἀναθημάτων κατέκοψεν εἰς τὰς τῶν ξένων μισθοφοράς. [6] τὰς γὰρ ἀνατεθείσας ὑπὸ Κροίσου τοῦ Λυδῶν βασιλέως χρυσᾶς πλίνθους, οὔσας ἑκατὸν καὶ εἴκοσι διταλάντους, κατέκοψεν εἰς νόμισμα, φιάλας δὲ χρυσᾶς τριακοσίας καὶ ἐξήκοντα διμναίους καὶ λέοντα χρυσοῦν καὶ γυναικα, τριάκοντα ταλάντων χρυσοῦ σταθμὸν ἀγόντων τῶν πάντων: ὥστε τὸ πᾶν κατακοπὴν χρυσίον εἰς ἀργυρίου λόγον ἀναγομένων τῶν χρημάτων εὐρίσκεσθαι τάλαντα τετρακισχίλια: τῶν δ' ἀργυρῶν ἀναθημάτων τῶν τε ὑπὸ Κροίσου καὶ τῶν ἄλλων ἀπάντων ἀνατεθέντων τοὺς πάντας στρατηγοὺς δεδαπανηκέναι τάλαντα πλείω τῶν ἐξακισχιλίων, προστιθεμένων δὲ καὶ τῶν χρυσῶν ἀναθημάτων ὑπερβάλλειν τὰ μύρια τάλαντα. [7] ἔνιοι δὲ τῶν συγγραφέων φασὶν οὐκ ἐλάττω γενέσθαι τὰ συληθέντα τῶν ἐν τοῖς Περσικοῖς θησαυροῖς ὑπ' Ἀλεξάνδρου κατακτηθέντων. ἐπεχείρησαν δ' οἱ περὶ τὸν Φάλαικον στρατηγοὶ καὶ τὸν ναὸν ὀρύττειν, εἰπόντος τινὸς ὡς ἐν αὐτῷ

θησαυρὸς εἶη πολὺν ἔχων ἄργυρόν τε καὶ χρυσόν: καὶ τὰ περὶ τὴν ἐστίαν καὶ τὸν τρίποδα φιλοτίμως ἀνέσκαπτον. ὁ δὲ μηνύσας τὸν θησαυρὸν μάρτυρα παρείχετο τὸν ἐπιφανέστατον καὶ ἀρχαιότατον τῶν ποιητῶν Ὅμηρον ἐν οἷς λέγει” οὐδ’ ὅσα λάινος οὐδὸς ἀφήτορος ἐντὸς ἐέργει

Φοίβου Ἀπόλλωνος Πυθοῖ ἐνὶ πετρῆεσσι.

“Hom. Il. 9.404-405 [8] τῶν δὲ στρατιωτῶν ἐγχειρούντων σκάπτειν τὰ περὶ τὸν τρίποδα σεισμοὶ μεγάλοι γενόμενοι τοῖς Φωκεῦσι φόβον ἐπέστησαν, φανερώς δὲ τῶν θεῶν προσημαινόντων τὴν κατὰ τῶν ἱεροσύλων κόλασιν ἀπέστησαν τῶν ἔργων. ὁ δὲ τῆς παρανομίας ταύτης ἡγεμὼν Φίλων ὁ προειρημένος ταχὺ τῷ δαιμονίῳ τὰς προσηκούσας δίκας ἐξέτισε. 57. τῆς δὲ τῶν ἱερῶν χρημάτων φθορᾶς τὴν μὴν ὅλην ἐπιγραφὴν ἔσκον Φωκεῖς, μετέσχον δὲ τῆς αἰρέσεως Ἀθηναῖοι καὶ Λακεδαιμόνιοι συμμαχήσαντες τοῖς Φωκεῦσι καὶ οὐ κατὰ τὸ πλῆθος τῶν ἐκτεμπομένων στρατιωτῶν τοὺς μισθοὺς λαβόντες. [2] οὕτω δὲ τοῖς Ἀθηναίοις ὁ χρόνος οὗτος ἤνεγκεν ἐξαμαρτάνειν εἰς τὸ δαιμόνιον ὥστε μικρὸν ἀνώτερον τῶν Δελφικῶν καιρῶν Ἰφικράτους διατρίβοντος περὶ Κόρκυραν μετὰ ναυτικῆς δυνάμεως καὶ Διονυσίου τοῦ Συρακοσίων δυνάστου πέμψαντος εἰς Ὀλυμπίαν καὶ Δελφοὺς ἀγάλματα ἐκ χρυσοῦ καὶ ἐλέφαντος δεδημιουργημένα περιτυχὼν ταῖς κομιζούσαις αὐτὰ ναυσὶν ὁ Ἰφικράτης καὶ κρατήσας αὐτῶν διεπέμψατο πρὸς τὸν δῆμον ἐπερωτῶν τί χρὴ πράττειν, οἱ δ’ Ἀθηναῖοι προσέταξαν αὐτῷ μὴ τὰ τῶν θεῶν ἐξετάζειν, ἀλλὰ σκοπεῖν ὅπως τοὺς στρατιώτας διαθρέψει. [3] Ἰφικράτης μὲν οὖν ὑπακούσας τῷ δόγματι τῆς πατρίδος ἐλαφυροπώλησε τὸν τῶν θεῶν κόσμον: ὁ δὲ τύραννος ὀργισθεὶς τοῖς Ἀθηναίοις ἔγραψε πρὸς αὐτοὺς ἐπιστολὴν τοιαύτην. Διονύσιος Ἀθηναίων τῇ βουλῇ καὶ τῷ δήμῳ εὖ μὲν πράττειν οὐκ ἐπιτήδειόν ἐστι γράφειν, ἐπεὶ τοὺς θεοὺς καὶ κατὰ γῆν καὶ κατὰ θάλατταν ἱεροσυλεῖτε καὶ τὰ ἀγάλματα τὰ εἰς ἀνάθεσιν ὑφ’ ἡμῶν τοῖς θεοῖς ἀπεσταλμένα παρελόμενοι κατεκόψατε καὶ περὶ τοὺς μεγίστους τῶν θεῶν ἡσεβήκατε, περὶ τὸν Ἀπόλλωνα τὸν ἐν Δελφοῖς καὶ τὸν Δία τὸν Ὀλύμπιον. [4] Ἀθηναῖοι μὲν οὖν περὶ τὸ θεῖον τοιαῦτ’ ἔπραξαν, καὶ ταῦτα εὐχόμενοι τὸν Ἀπόλλωνα πατρῶον αὐτῶν εἶναι καὶ πρόγονον: Λακεδαιμόνιοι δὲ τῷ περὶ Δελφοὺς μαντεῖω χρησάμενοι καὶ τὴν θαυμαζομένην παρὰ πᾶσι πολιτείαν διὰ τούτου κτησάμενοι καὶ περὶ τῶν μεγίστων ἔτι καὶ νῦν τὸν θεὸν ἐπερωτῶντες ἐτόλμησαν τοῖς τὸ ἱερὸν συλήσασι κοινωνῆσαι τῆς παρανομίας. 58.

κατὰ δὲ τὴν Βοιωτίαν οἱ μὲν Φωκεῖς τρεῖς πόλεις ἔχοντες ὠχυρωμένας, Ὅρχομενὸν καὶ Κορώνειαν καὶ Κορσίας, ἐκ τούτων ἐποιοῦντο τὴν ἐπὶ τοὺς Βοιωτοὺς στρατείαν. εὐποροῦμενοι δὲ μισθοφόρων τὴν τε χώραν ἐδήουν καὶ κατὰ τὰς ἐπιθέσεις καὶ συμπλοκάς περιεγίνοντο τῶν ἐγχωρίων. [2] διόπερ οἱ Βοιωτοὶ θλιβόμενοι μὲν τῷ πολέμῳ καὶ πολλοὺς τῶν στρατιωτῶν ἀπολωλεκότες, χρημάτων δὲ ἀπορούμενοι πρέσβεις ἐξέπεμψαν πρὸς τὸν Φίλιππον ἀξιοῦντες βοηθῆσαι. [3] ὁ δὲ βασιλεὺς ἠδέως ὁρῶν τὴν ταπείνωσιν αὐτῶν καὶ βουλόμενος τὰ Λευκτρικὰ φρονήματα συστεῖλαι τῶν Βοιωτῶν ὀλίγους ἀπέστειλε στρατιώτας, αὐτὸ μόνον φυλαττόμενος τὸ μὴ δοκεῖν περιορᾶν τὸ μαντεῖον σεσυλημένον. [4] τῶν δὲ Φωκέων οἰκοδομούντων φρούριον περὶ τὰς ὀνομαζομένας Ἄβας, καθ’ ἃς ἐστὶν Ἀπόλλωνος ἅγιον

ιερὸν, ἐστράτευσαν ἐπ’ αὐτοὺς οἱ Βοιωτοί. εὐθὺ δ’ αὐτῶν οἱ μὲν εἰς τὰς ἔγγιστα πόλεις φυγόντες διεσπάρησαν, οἱ δ’ εἰς τὸν νεῶ τοῦ Ἀπόλλωνος καταφυγόντες εἰς πεντακοσίους ἀπώλονται. [5] πολλὰ μὲν οὖν καὶ ἄλλα θεῖα περὶ τοὺς Φωκεῖς συνέβη γενέσθαι περὶ τοὺς χρόνους, μάλιστα δὲ τὸ μέλλον λέγεσθαι. οἱ γὰρ εἰς τὸν νεῶ καταφυγόντες ὑπέλαβον διὰ τῆς τῶν θεῶν ἐπικουρίας σωθήσεσθαι, τοὺναντίον δὲ θεῖα τινὶ προνοίᾳ τῆς προσηκούσης τοῖς ἱεροσύλοις τιμωρίας ἔτυχον: [6] πολλῆς γὰρ οὔσης στιβάδος περὶ τὸν νεῶ καὶ πυρὸς ἐν ταῖς σκιναῖς τῶν πεφευγόντων ἀπολελειμμένου συνέβη τῆς στιβάδος ἐκκαυθείσης τοσαύτην ἐξαφθῆναι φλόγα παραδόξως ὥστε τὸν ναὸν καὶ τοὺς καταπεφευγότας εἰς αὐτὸν Φωκεῖς ζῶντας καταφλεχθῆναι. τοῖς γὰρ ἱεροσύλοις ἔδοξε τὸ θεῖον μὴ διδόναι τὴν ἐκ τῆς ἱεσείας συγχωρουμένην ἀσφάλειαν. 59.

ἐπ’ ἄρχοντος δ’ Ἀθήνησιν Ἀρχίου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Αἰμίλιον καὶ Τίτον Κοϊνκτίον. ἐπὶ δὲ τούτων ὁ Φωκικὸς πόλεμος, διαμείνας ἔτη δέκα, κατελύθη τόνδε τὸν τρόπον. Βοιωτῶν καὶ Φωκέων τεταπεινωμένων διὰ τὸ μῆκος τοῦ πολέμου Φωκεῖς μὲν πρέσβεις ἐξαπέστειλαν εἰς Λακεδαιμόνα περὶ βοηθείας, Σπαρτιᾶται δὲ χιλίους ὀπλίτας ἐξέπεμψαν στρατηγὸν ἐπιστήσαντες Ἀρχίδαμον τὸν βασιλέα. [2] Βοιωτῶν δὲ παραπλησίως τούτοις διαπρεσβευσασμένων πρὸς Φίλιππον περὶ συμμαχίας ὁ Φίλιππος παραλαβὼν τοὺς Θετταλοὺς ἤκεν εἰς τὴν Λοκρίδα μετὰ πολλῆς δυνάμεως. καταλαβὼν δὲ Φάλαικον ἄλιν τῆς στρατηγίας ἡξιωμένον καὶ τὸ τῶν μισθοφόρων ἔχοντα πλῆθος παρεσκευάζετο παρατάξει κρίναι τὸν πόλεμον: ὁ δὲ Φάλαικος ἐν τῇ Νικαίᾳ διατρίβων καὶ θεωρῶν αὐτὸν οὐκ ἀξιόμαχον ὄντα διεπρεσβεύσατο πρὸς τὸν βασιλέα περὶ διαλύσεων. [3] γενομένης δ’ ὁμολογίας ὥστε τὸν Φάλαικον μετὰ τῶν στρατιωτῶν ἀπελθεῖν ὅποι βούλοιο, οὗτος μὲν ὑπόσπονδος εἰς τὴν Πελοπόννησον ἀπεχώρησε μετὰ τῶν μισθοφόρων, ὄντων ὀκτακισχιλίων, οἱ δὲ Φωκεῖς συντριβέντες ταῖς ἐλπίσι παρέδωκαν ἑαυτοὺς τῷ Φιλίππῳ. [4] ὁ δὲ βασιλεὺς ἄνευ μάχης ἀνελπίστως καταλύσας τὸν ἱερὸν πόλεμον συνήδρευε μετὰ Βοιωτῶν καὶ Θετταλῶν. ἔκρινεν οὖν συναγαγεῖν τὸ τῶν Ἀμφικτυόνων συνέδριον καὶ τούτῳ τὴν περὶ τῶν ὅλων διάγνωσιν ἐπιτρέψαι. 60. ἔδοξεν οὖν τοῖς συνέδροις μεταδοῦναι τῷ Φιλίππῳ καὶ τοῖς ἀπογόνις αὐτοῦ τῆς Ἀμφικτυονίας καὶ δύο ψήφους ἔχειν, ἃς πρότερον οἱ καταπολεμηθέντες Φωκεῖς εἶχον: τῶν δ’ ἐπὶ Φωκεῦσι τριῶν πόλεων περιελεῖν τὰ τεῖχη καὶ μηδεμίαν κοινωνίαν εἶναι τοῖς Φωκεῦσι τοῦ ἱεροῦ μηδὲ τοῦ Ἀμφικτυονικοῦ συνεδρίου: μὴ ἐξεῖναι δὲ αὐτοῖς μήτε ἵππους μήτε ὅπλα κτήσασθαι, μέχρις ἂν οὗ τὰ χρήματα ἐκτίσωσι τῷ θεῷ τὰ σεσυλημένα: τοὺς δὲ πεφευγότας τῶν Φωκέων καὶ τῶν ἄλλων τῶν μετεσχηκότων τῆς ἱεροσυλίας ἐναγεῖς εἶναι καὶ ἀγωγίμους πάντοθεν: [2] τὰς δὲ πόλεις ἀπάσας τῶν Φωκέων κατασκάψαι καὶ μετοικίσαι εἰς κώμας, ὧν ἐκάστην μὴ πλεῖον ἔχειν οἰκιῶν πεντήκοντα, μηδ’ ἔλαττον διεστάναι σταδίου τὰς κώμας ἀπ’ ἀλλήλων: ἔχειν δὲ Φωκεῖς τὴν χώραν καὶ φέρειν κατ’ ἐνιαυτὸν τῷ θεῷ φόρον τάλαντα ἐξήκοντα, μέχρις ἂν ἐκτίσωσι τὰ ἀπογραφέντα χρήματα κατὰ τὴν ἱεροσυλίαν: τιθέναι δὲ καὶ τὸν ἀγῶνα τῶν Πυθίων Φίλιππον μετὰ Βοιωτῶν καὶ Θετταλῶν διὰ τὸ Κορινθίους μετεσχηκέναι τοῖς

Φωκεῦσι τῆς εἰς τὸ θεῖον παρανομίας: [3] τοὺς δὲ Ἀμφικτύονας καὶ τὸν Φίλιππον τὰ ὄπλα τῶν Φωκέων καὶ τῶν μισθοφόρων καταπετροκοπήσαι καὶ τὰ λείψανα αὐτῶν κατακαῦσαι καὶ τοὺς ἵππους ἀποδόσθαι. ἀκολουθῶς δὲ τούτοις διέταξαν οἱ Ἀμφικτύονες τὰ περὶ τὴν ἐπιμέλειαν τοῦ μαντείου καὶ τᾶλλα πάντα τὰ πρὸς εὐσέβειαν καὶ κοινὴν εἰρήνην καὶ ὁμόνοιαν τοῖς Ἑλλήσιν ἀνέηκοντα. [4] μετὰ δὲ ταῦτα Φίλιππος μὲν τὰ δεδογμένα τοῖς Ἀμφικτύοσι συγκαταστήσας καὶ πρὸς πάντας φιλοφρονηθεὶς ἐπανῆλθεν εἰς Μακεδονίαν, οὐ μόνον δόξαν εὐσεβείας καὶ ἀρετῆς στρατηγικῆς περιπεποιημένος, ἀλλὰ καὶ πρὸς τὴν μέλλουσαν αὖξιν αὐτῷ γίνεσθαι μεγάλα προκατεσκευασμένος. [5] ἐπεθύμει γὰρ τῆς Ἑλλάδος ἀποδειχθῆναι στρατηγὸς αὐτοκράτωρ καὶ τὸν πρὸς Πέρσας ἐξενεγκεῖν πόλεμον: ὅπερ καὶ συνέβη γενέσθαι. ἀλλὰ περὶ μὲν τούτων ἐν τοῖς οἰκείοις χρόνοις τὰ κατὰ μέρος ἀναγράφομεν, νῦν δ' ἐπὶ τὸ συνεχὲς τῆς ἱστορίας τρεψόμεθα. 61.

δίκαιον δ' εἶναι νομίζομεν πρῶτον ἀναγράψαι τὴν ἐκ θεῶν γενομένην τοῖς εἰς τὸ μαντεῖον παρανενομηκόσι κόλασιν, ὅπως γὰρ οὐ μόνον τοῖς αὐθένταις τῆς ἱεροσυλίας, ἀλλὰ καὶ πᾶσι τοῖς προσαψαμένοις μόνον τῆς παρανομίας ἀπαραίτητος ἐκ τοῦ δαιμονίου ἐπηκολούθησε τιμωρία. [2] ὁ μὲν γὰρ ἀρχιτέκτων τῆς καταλήψεως τοῦ ἱεροῦ Φιλόμηλος κατὰ τινα περίστασιν πολεμικὴν ἑαυτὸν κατεκρήμνισεν, ὁ δὲ ἀδελφὸς αὐτοῦ Ὀνόμαρχος διαδεξάμενος τὴν τῶν ἀπονοηθέντων στρατηγίαν μετὰ τῶν συμπαραταξαμένων ἐν Θετταλίᾳ Φωκέων καὶ μισθοφόρων κατακοπεῖς ἐσταυρώθη. [3] ὁ δὲ τρίτος καὶ πλεῖστα τῶν ἀναθημάτων κατακόψας Φάυλλος πολυχρονίῳ νόσῳ νοσήσας οὐδ' ἀπολυθῆναι συντόμως τῆς τιμωρίας ἠδυνήθη. ὁ δ' ἐπὶ πᾶσι Φάλαικος τὰ λείψανα τῆς ἱεροσυλίας ἀναλαβὼν ἐν πλάναις καὶ μεγάλοις φόβοις καὶ κινδύνοις ἐφ' ἱκανὸν χρόνον ἐβίωσεν, οὐχ ἵνα μακαριώτερος γένηται τῶν συνασεβησάντων, ἀλλ' ἵνα πλείω χρόνον στρεβλωθεὶς καὶ πολλοῖς διὰ τὴν ἀτυχίαν γενόμενος γνώριμος περιβόητον ἔχη τὴν συμφορὰν. [4] οὗτος γὰρ μετὰ τὴν ἐκ τῆς ὁμολογίας φυγὴν μετὰ τῶν μισθοφόρων τὸ μὲν πρῶτον διέτριβεν περὶ τὴν Πελοπόννησον, συνέχων τοὺς στρατιώτας ἐκ τῶν ἱεροσυληθέντων λειψάνων, μετὰ δὲ ταῦτα ἐν Κορίνθῳ μισθωσάμενος πλοῖα φορτηγὰ μεγάλα καὶ τέσσαρας ἔχων ἡμιολίας παρεσκευάζετο πρὸς τὸν εἰς Ἰταλίαν καὶ Σικελίαν πλοῦν, νομίζων ἐν τούτοις τοῖς τόποις ἢ καταλήψεσθαι τινα πόλιν ἢ τεύξεσθαι μισθοφορίας: ἐτύγχανε γὰρ Λευκανοῖς πρὸς Ταραντίνους συνεστηκῶς πόλεμος. πρὸς δὲ τοὺς συμπλέοντας ἔφη μετάπεμπος πλεῖν ὑπὸ τῶν ἐξ Ἰταλίας καὶ Σικελίας. 62. ἐκπλεύσαντος δ' αὐτοῦ καὶ πελαγίου γενομένου στρατιωταὶ τινες τῶν ἐν τῷ μεγίστῳ πλοίῳ κομιζομένων, ὅπερ αὐτὸς ὁ Φάλαικος ἐνέπλει, λόγον ἀλλήλοις ἐδίδουσαν ὑπονοοῦντες μηδένα μεταπέμψασθαι σφᾶς: οὔτε γὰρ ἡγεμόνας ἐώρων ἀπὸ τῶν ἐπικαλουμένων συμπλέοντας οὐθ' ὁ πλοῦς ἦν ὀλίγος, ἀλλὰ πολὺς ὑπέκειτο καὶ χαλεπός. [2] διόπερ ἀπιστοῦντες ἅμα τοῖς λεγομένοις καὶ φοβούμενοι τὴν διαπόντιον στρατείαν συνίσταντο καὶ μάλισθ' οἱ τὰς ἡγεμονίας ἔχοντες τῶν μισθοφόρων. τέλος δὲ σπασάμενοι τὰ ξίφη καὶ καταπληξάμενοι τὸν τε Φάλαικον καὶ τὸν κυβερνήτην ἠνάγκασαν εἰς τοῦπίσω πάλιν ἀποπλεῖν. τὸ δ' αὐτὸ καὶ τῶν ἐν τοῖς ἄλλοις πλοίοις κομιζομένων

ποιησάντων κατέπλευσαν εἰς τὴν Πελοπόννησον. [3] ἄθροισθέντες δ' εἰς Μαλέαν ἄκραν τῆς Λακωνικῆς ἐκεῖ κατέλαβον ἐκ Κρήτης καταπεπλευκότας Κνωσσίους πρέσβεις ἐπὶ συναγωγῇ μισθοφόρων: ὧν διαλεχθέντων τῷ τε Φαλαίῳ καὶ τοῖς ἡγεμόσι καὶ δόντων ἀξιολόγους τοὺς μισθοὺς μετὰ τούτων ἅπαντες ἐξέπλευσαν. κατάραντες δὲ τῆς Κρήτης εἰς Κνωσσὸν εὐθὺς ἐξ ἐφόδου πόλιν κατελάβοντο τὴν καλουμένην Λύκτον. [4] τοῖς δὲ Λυκτίοις ἐκ τῆς πατρίδος ἐκπεπτωκόσι παράδοξος καὶ σύντομος ἐφάνη βοήθεια. περὶ γὰρ τοὺς αὐτοὺς χρόνους Ταραντίνων διαπολεμούντων πρὸς Λευκανοὺς καὶ πρὸς Λακεδαιμονίους, ὄντας προγόνους ἑαυτῶν, πεμψάντων πρέσβεις περὶ βοηθείας οἱ μὲν Σπαρτιᾶται διὰ τὴν συγγένειαν προθύμως ἔχοντες συμμαχῆσαι ταχέως δύναμιν ἡθροίζον πεζικὴν τε καὶ ναυτικὴν καὶ ταύτης στρατηγὸν ἀπέδειξαν Ἀρχίδαμον τὸν βασιλέα: μελλόντων δ' ἀπαίρειν εἰς τὴν Ἰταλίαν, ἠξίωσαν οἱ Λύκτιοι πρῶτον αὐτοῖς βοηθῆσαι: οἱ δὲ Λακεδαιμόνιοι πεισθέντες καὶ πλεύσαντες εἰς τὴν Κρήτην τοὺς μισθοφόρους ἐνίκησαν, τοῖς δὲ Λακτίοις ἀνέσωσαν τὴν πατρίδα. 63. μετὰ δὲ ταῦτα ὁ μὲν Ἀρχίδαμος πλεύσας εἰς τὴν Ἰταλίαν καὶ συμμαχήσας τοῖς Ταραντίνοις ἐν τινὶ μάχῃ διαγωνισάμενος λαμπρῶς ἐτελεύτησεν, ἀνὴρ κατὰ μὲν τὴν στρατηγίαν καὶ τὸν ἄλλον βίον ἐπαινούμενος, κατὰ δὲ τὴν πρὸς Φωκεῖς συμμαχίαν μόνην βλασφημούμενος, ὥς μάλιστα αἴτιος γεγενηὸς τῆς τῶν Δελφῶν καταλήψεως. [2] Ἀρχίδαμος μὲν οὖν ἐβασίλευσε τῶν Λακεδαιμονίων ἔτη τρία πρὸς τοῖς εἴκοσι, τὴν δ' ἀρχὴν διαδεξάμενος Ἄγις ὁ υἱὸς ἐβασίλευσεν ἔτη δεκαπέντε. ἔπειτα οἱ μὲν Ἀρχιδάμου μισθοφόροι μετεσχηκότες τῆς τοῦ μαντείου συλήσεως ὑπὸ τῶν Λευκανῶν κατηκοντίσθησαν, ὁ δὲ Φάλαικος ἐκπεσὼν ἐκ τῆς Λύκτου Κυδωνίαν πολιορκεῖν ἐπεχείρησεν. [3] κατασκευάσαντος δὲ αὐτοῦ μηχανὰς πολιορκητικὰς καὶ προσάγοντος τῇ πόλει, κεραυνῶν πεσόντων αὐταὶ μὲν ὑπὸ τοῦ θεοῦ πυρὸς κατεφλέχθησαν, τῶν δὲ μισθοφόρων πολλοὶ παραβοηθοῦντες ταῖς μηχαναῖς ὑπὸ τοῦ πυρὸς διεφθάρησαν: ἐν οἷς ἦν καὶ ὁ στρατηγὸς Φάλαικος. [4] ἔνιοι δὲ φασιν αὐτὸν προσκόψαντά τινι τῶν μισθοφόρων ὑπὸ τούτου σφαγῆναι. οἱ δὲ περιλειφθέντες τῶν μισθοφόρων ἀναληφθέντες ὑπὸ Ἠλείων φυγάδων εἰς τὴν Πελοπόννησον ἐκομίσθησαν καὶ μετὰ τούτων ἐπολέμουν πρὸς Ἠλείους. [5] Ἀρκάδων δὲ συναγωνισαμένων τοῖς Ἠλείοις καὶ μάχῃ νικησάντων τοὺς φυγάδας πολλοὶ μὲν τῶν μισθοφόρων ἀνῆρέθησαν, οἱ δὲ περιλειφθέντες εἰς τετρακισχιλίους ἐξωγρήθησαν. διελομένων δὲ τῶν τε Ἀρκάδων καὶ Ἠλείων τοὺς αἰχμαλώτους οἱ μὲν Ἀρκάδες τοὺς ἑαυτοῖς μερισθέντας ἅπαντας ἐλαφυροπώλησαν, οἱ δ' Ἠλεῖοι διὰ τὴν εἰς τὸ μαντεῖον παρανομίαν ἀπέσφαξαν. 64.

οἱ μὲν οὖν τῆς ἱεροσυλίας μετασχόντες τοῦτον τὸν τρόπον ὑπὸ τοῦ δαιμονίου τιμωρίας ἠξιώθησαν. αἱ δ' ἐπισημόταται πόλεις κοινωνήσασαι τῆς παρανομίας ὕστερον ὑπ' Ἀντιπάτρου καταπολεμηθεῖσαι τὴν ἡγεμονίαν ἅμα καὶ τὴν ἐλευθερίαν ἀπέβαλον. [2] αἱ δὲ τῶν ἐν Φωκεῦσιν ἡγεμόνων γυναικες περιθέμεναι τοὺς χρυσοὺς ἐκ Δελφῶν ὄρμους οἰκειάς τῆς ἀσεβείας τιμωρίας ἔτυχον: ἡ μὲν γὰρ τὸν τῆς Ἑλένης γεγενημένον φορέσασα εἰς ἐταιρικὴν αἰσχύνην ἐνέπεσε καὶ τὸ κάλλος προέβαλε τοῖς ἐξυβρίζειν προαιρουμένοις, ἡ δὲ τὸν τῆς Ἐριφύλης περιθεμένη τῆς οἰκίας ὑπὸ τοῦ πρεσβυτάτου τῶν υἱῶν

ὕπὸ μανίας ἐμπυρισθείσης μετὰ ταύτης ζῶσα κατεφλέχθη. οἱ μὲν οὖν τοῦ δαιμονίου καταφρονεῖν τολμήσαντες τὸν εἰρημένον τρόπον ὑπὸ τῶν θεῶν τιμωρίας ἠξιώθησαν, [3] ὁ δὲ τῷ μαντείῳ βοηθήσας Φίλιππος ἀπὸ τούτων τῶν χρόνων ἀεὶ μᾶλλον αὐξόμενος τὸ τελευταῖον διὰ τὴν εἰς τὸ θεῖον εὐσέβειαν ἡγεμὼν ἀπεδείχθη τῆς Ἑλλάδος πάσης καὶ μεγίστην βασιλείαν τῶν κατὰ τὴν Εὐρώπην περιποιήσατο. ἡμεῖς δὲ ἄρκούντως διεληλυθότες τὸν ἱερὸν πόλεμον ἐπάνιμεν ἐπὶ τὰς ἑτερογενεῖς πράξεις. 65.

κατὰ γὰρ τὴν Σικελίαν Συρακόσιοι στασιάζοντες πρὸς ἀλλήλους καὶ τυραννίσι πολλαῖς καὶ ποικίλαις δουλεύειν ἀναγκαζόμενοι πρέσβεις ἐξέπεμψαν εἰς Κόρινθον, ἀξιοῦντες αὐτοῖς ἀποστεῖλαι στρατηγὸν τὸν ἐπιμελησόμενον τῆς πόλεως καὶ καταλύσοντα τὴν τῶν τυραννῶν ἐπιβαλομένων πλεονεξίαν. [2] οἱ δὲ κρίνοντες δίκαιον εἶναι τοῖς ἀπογόνοις βοηθεῖν ἐνηφίσαντο πέμπειν στρατηγὸν Τιμολέοντα Τιμαιοῦ, πρωτεύοντα τῶν πολιτῶν ἀνδρεία τε καὶ συνέσει στρατηγικῇ καὶ καθόλου πάσαις ταῖς ἀρεταῖς κεκοσμημένον. ἴδιον δὲ τι συνέβη περὶ τὸν ἄνδρα συμπεσεῖν, ὃ συνελάβετο αὐτῷ πρὸς τὴν τῆς στρατηγίας αἵρεσιν. [3] Τιμοφάνης γὰρ ὁ ἀδελφὸς αὐτοῦ προέχων τῶν Κορινθίων πλούτῳ τε καὶ τόλμῃ πάλαι μὲν ἦν φανερὸς τυραννίδος ὀρεγόμενος, τότε δὲ τοὺς ἀπόρους ἀναλαμβάνων καὶ πανοπλίαις κατασκευαζόμενος καὶ τοὺς πονηροτάτους ἔχων μεθ' ἑαυτοῦ κατὰ τὴν ἀγορὰν περιήει, οὐ προσποιούμενος ὅτι τύραννός ἐστι, τὰ δὲ τῆς τυραννίδος ἔργα διαπραττόμενος. [4] ὁ δὲ Τιμολέων ἀλλοτριώτατος ὢν μοναρχίας τὸ μὲν πρῶτον ἐπεχείρει πείθειν τὸν ἀδελφὸν ἀποστῆναι τῆς ἐπιβολῆς, ὥς δ' οὐχ ὑπήκουεν, ἀλλ' αἰεὶ καὶ μᾶλλον ἐπετεινετο τῇ τόλμῃ, ἀδυνατῶν αὐτὸν λόγῳ διορθώσασθαι περιπατοῦντα κατὰ τὴν ἀγορὰν ἀπέσφαξεν. [5] θορύβου δὲ γενομένου καὶ τῶν πολιτῶν συνδραμόντων διὰ τε τὸ παράδοξον καὶ τὴν δεινότητα τῆς πράξεως στάσις ἐγένετο. οἱ μὲν γὰρ ἔφασαν δεῖν ὥς ἐμφύλιον φόνον πεπραχότα τὸν Τιμολέοντα τυγχάνειν τῆς ἐκ τῶν νόμων τιμωρίας, οἱ δὲ τοῦναντίον ἀπεφαίνοντο δεῖν ἐπαινεῖν τὸν ἄνδρα ὥς τυραννοκτόνον. [6] τῆς δὲ γερουσίας συνεδρευούσης ἐν τῷ βουλευτηρίῳ καὶ τῆς περὶ τὴν πρᾶξιν ἀμφισβητήσεως ἐπὶ τὸ συνέδριον ἀναπεμφθείσης οἱ μὲν ἐχθροὶ τοῦ Τιμολέοντος κατηγοροῦν, οἱ δὲ χαριέστεροι συνηγοροῦντες συνεβούλευον σώζειν τὸν ἄνδρα. [7] ἀκρίτου δ' ἔτι τῆς ζητήσεως οὔσης κατέπλευσαν ἐκ τῶν Συρακουσῶν οἱ πρέσβεις καὶ τῇ γερουσίᾳ τὰς ἐντολάς δηλώσαντες ἤξιουν τὴν ταχίστην ἀποστεῖλαι τὸν στρατηγόν. [8] ἔδοξεν οὖν τῷ συνεδρίῳ πέμπειν τὸν Τιμολέοντα καὶ πρὸς τὸ κατορθῶσαι τὴν πρᾶξιν ξένας τινας καὶ παραδόξους αἰρέσεις αὐτῷ προέθηκαν: διεβεβαιώσαντο γάρ, ἐὰν μὲν καλῶς ἄρξῃ τῶν Συρακουσίων, κρίνειν αὐτὸν τυραννοκτόνον, ἐὰν δὲ πλεονεκτικώτερον, ἀδελφοῦ φονέα. [9] ὁ δὲ Τιμολέων οὐχ οὕτω διὰ τὸν ἐπικρεμασθέντα φόβον ὑπὸ τῆς γερουσίας ὥς διὰ τὴν ἀρετὴν καλῶς καὶ συμφερόντως προέστη τῶν κατὰ τὴν Σικελίαν πραγμάτων: Καρχηδονίους μὲν γὰρ κατεπολέμησε, τὰς δὲ κατεσκαμμένας ὑπὸ τῶν βαρβάρων Ἑλληνίδας πόλεις ἀπεκατέστησεν εἰς τὴν ἐξ ἀρχῆς κατάστασιν, πᾶσαν δὲ Σικελίαν ἡλευθέρωσε, καθόλουδὲ τὰς Συρακούσας καὶ τὰς ἄλλας Ἑλληνίδας πόλεις παραλαμβάνων ἐρήμους ἐποίησε πολυανθρωπία διενεγκεῖν. ἀλλὰ περὶ μὲν τούτων τὰ κατὰ μέρος μικρὸν ὕστερον ἐν τοῖς οἰκείοις χρόνοις ἀναγράψομεν, νῦν δ' ἐπὶ τὸ συνεχὲς τῆς ἱστορίας μεταβιβάζομεν τὸν λόγον. 66.

ἐπ' ἄρχοντος γὰρ Ἀθήνησιν Εὐβούλου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Φάβιον καὶ Σερούιον Σουλπίκιον. ἐπὶ δὲ τούτων Τιμολέων ὁ Κορίνθιος προκεχειρισμένος ὑπὸ τῶν πολιτῶν ἐπὶ τὴν ἐν Συρακούσαις στρατηγίαν παρεσκευάζετο πρὸς τὸν εἰς τὴν Σικελίαν ἔκπλουν. [2] ἑπτακοσίους μὲν οὖν ξένους ἐμισθώσατο, στρατιωτῶν δὲ τέσσαρας τριῆρεις

πληρώσας καὶ ταχυναντούσας τρεῖς ἐξέπλευσεν ἐκ Κορίνθου. ἐν παράπλῳ δὲ παρὰ Λευκαδίων καὶ Κορκυραίων τρεῖς ναῦς προσλαβόμενος ἐπεραιούτο δέκα ναυσὶ τὸν Ἴόνιον καλούμενον πόρον. [3] ἴδιον δέ τι καὶ παράδοξον συνέβη γενέσθαι τῷ Τιμολέοντι κατὰ τὸν πλοῦν, τοῦ δαιμονίου συνεπιλαβομένου τῆς ἐπιβολῆς καὶ προσημαίνοντος τὴν ἐσομένην περὶ αὐτὸν εὐδοξίαν καὶ λαμπρότητα τῶν πράξεων: δι' ὅλης γὰρ τῆς νυκτὸς προηγείτο λαμπὰς καιομένη κατὰ τὸν οὐρανὸν μέχρι οὗ συνέβη τὸν στόλον εἰς τὴν Ἰταλίαν καταπλεῦσαι. [4] ὁ δὲ Τιμολέων προακηκοὺς ἦν ἐν Κορίνθῳ τῶν τῆς Δήμητρος καὶ Κόρης ἱερειῶν ὅτι κατὰ τὸν ὕπνον αὐταῖς αἱ θεαὶ προήγγειλαν συμπλέυσεσθαι τοῖς περὶ τὸν Τιμολέοντα κατὰ τὸν πλοῦν τὸν εἰς τὴν ἱερὰν αὐτῶν νῆσον. [5] διόπερ ὁ Τιμολέων καὶ οἱ συμπλέοντες περιχαρεῖς ἦσαν, ὡς τῶν θεῶν συνεργουσῶν αὐτοῖς. τὴν δ' ἀρίστην τῶν νεῶν καθιερώσας ταῖς θεαῖς ὁ Τιμολέων ὠνόμασεν αὐτὴν Δήμητρος καὶ Κόρης ἱερὰν. καταπλεύσαντος δὲ τοῦ στόλου χωρὶς κινδύνων εἰς Μεταπόντιον τῆς Ἰταλίας ἐπικατέπλευσε Καρχηδονία τριήρης ἔχουσα πρεσβευτὰς Καρχηδονίους. [6] οὗτοι δ' ἐντυχόντες τῷ Τιμολέοντι διεμαρτύραντο μὴ κατάρχειν πολέμου μηδ' ἐπιβαίνειν τῇ Σικελίᾳ. ὁ δὲ Τιμολέων, ἐπικαλουμένων αὐτὸν τῶν Ῥηγίνων καὶ συμμαχήσιν ἐπαγγελλομένων, ἐξέπλευσεν εὐθέως ἐκ τοῦ Μεταποντίου σπεύδων φθάσαι τὴν περὶ αὐτὸν φήμην: [7] σφόδρα γὰρ εὐλαβεῖτο μήποτε Καρχηδόνιοι θαλασσοκρατοῦντες κωλύσωσιν αὐτὸν εἰς Σικελίαν διαπλεῦσαι. οὗτος μὲν οὖν κατὰ σπουδὴν ἐτέλει τὸν εἰς Ῥήγιον πλοῦν. 67.

Καρχηδόνιοι δὲ βραχὺ πρὸ τούτων τῶν καιρῶν πυθόμενοι τὸ μέγεθος τοῦ κατὰ Σικελίαν ἐσομένου πολέμου ταῖς μὲν κατὰ Σικελίαν συμμαχίσι πόλεσι φιланθρώπως προσεφέροντο καὶ πρὸς τοὺς κατὰ τὴν νῆσον τυράννους τὴν διαφορὰν καταλύσαντες φιλίαν συνέθεντο, μάλιστα δὲ πρὸς Ἰκέταν τὸν τῶν Συρακοσίων δυναστεύοντα διὰ τὸ τοῦτον πλεῖον ἰσχύειν, [2] αὐτοὶ δὲ πολλὴν δύναμιν ναυτικὴν τε καὶ πεζικὴν παρασκευασάμενοι διεβίβασαν εἰς Σικελίαν, Ἄνωνα στρατηγὸν ἐπιστήσαντες. εἶχον δὲ μακρὰς ναῦς ἑκατὸν καὶ πεντήκοντα, στρατιώτας δὲ πεζοὺς μὲν πεντακισμυρίους, ἄρματα δὲ τριακόσια, συνωρίδας δὲ ὑπὲρ τὰς δισχιλίας, χωρὶς δὲ τούτων ὅπλα καὶ βέλη παντοδαπά καὶ μηχανὰς πολιορκητικὰς παμπληθεῖς καὶ σίτου καὶ τῶν ἄλλων ἐπιτηδείων πλῆθος ἀνυπέρβλητον. [3] ἐπὶ πρώτην δὲ τὴν τῶν Ἐντελλίνων πόλιν ἐλθόντες τὴν τε χώραν ἐδήωσαν καὶ τοὺς ἐγχωρίους εἰς πολιορκίαν συνέκλεισαν. οἱ δὲ τὴν πόλιν κατοικοῦντες Καμπανοὶ καταπλαγέντες τὸ μέγεθος τῆς δυνάμεως ἐξέπεμψαν εἰς τὰς ἄλλας πόλεις τὰς ἄλλοτρίως διακειμένας πρὸς Καρχηδονίους περὶ βοηθείας. τῶν μὲν οὖν ἄλλων οὐδεὶς ὑπήκουσεν, οἱ δὲ τὴν Γαλερίαν πόλιν οἰκοῦντες ἐξέπεμψαν αὐτοῖς στρατιώτας ὀπλίτας χιλίους. τούτοις δ' ὑπαντήσαντες οἱ Φοίνικες καὶ περιχυθέντες τῷ πλήθει πάντας κατέκοψαν. [4] οἱ δὲ τὴν Αἴτνην κατοικοῦντες Καμπανοὶ τὸ μὲν πρῶτον παρεσκευάζοντο συμμαχίαν ἐκπέμπειν εἰς τὴν Ἐντελλαν διὰ τὴν συγγένειαν, μετὰ δὲ ταῦτα τὴν τῶν Γαλερίνων συμφορὰν ἀκούσαντες ἔκριναν ἡσυχίαν ἄγειν. 68.

τοῦ δὲ Διονυσίου κυριεύοντος τῶν Συρακουσσῶν Ἰκέτας ἔχων περὶ ἑαυτὸν ἀξιόλογον δύναμιν ἐστράτευσεν ἐπὶ τὰς Συρακούσας καὶ τὸ μὲν πρῶτον

χάρακα βαλόμενος περί τὸ Ὀλυμπιεῖον διεπολέμει τῷ κρατοῦντι τῆς πόλεως τυράννῳ, [2] χρονιζούσης δὲ τῆς πολιορκίας καὶ τῶν ἐπιτηδείων ἐκλιπόντων ὁ μὲν Ἰκέτας ἀνέξευξεν εἰς Λεοντίνους (ἐκ ταύτης γὰρ ὠρμᾶτο τῆς πόλεως) : ὁ δὲ Διονύσιος ἐπακολουθήσας αὐτοῖς καὶ καταλαβὼν τὴν οὐραγίαν συνεστήσατο μάχην. [3] ὁ δ' Ἰκέτας ἐπιστρέψας ἐπὶ τὸν Διονύσιον συνῆψε μάχην καὶ πλείους τῶν τρισχιλίων μισθοφόρων ἀνελὼν τοὺς λοιποὺς φυγεῖν ἠνάγκασεν. ὁξεῖ δὲ τῷ διωγμῷ χρησάμενος καὶ συνεισπεσὼν τοῖς φεύγουσιν εἰς τὴν πόλιν ἐκράτησε τῶν Συρακουσσῶν πλὴν τῆς Νήσου. καὶ τὰ μὲν περὶ τὸν Ἰκέταν καὶ Διονύσιον ἐν τούτοις ἦν. [4]

Τιμολέων δὲ μετὰ τὴν κατάληψιν τῶν Συρακουσσῶν τρισὶν ἡμέραις ὕστερον κατέπλευσεν εἰς τὸ Ῥήγιον καὶ καθωρμίσθη πλησίον τῆς πόλεως. [5] ἐπικαταπλευσάντων δὲ καὶ τῶν Καρχηδονίων εἴκοσι τριήρεσι καὶ τῶν Ῥηγίων συνεργούντων τῷ Τιμολέοντι καὶ κοινὴν ἐκκλησίαν ἐν τῇ πόλει συναγαγόντων καὶ περὶ συλλύσεως δημηγορούντων οἱ μὲν Καρχηδόνιοι διαλαβόντες τὸν Τιμολέοντα πεισθήσεσθαι τὸν εἰς Κόρινθον ἀπόπλουν ποιήσεσθαι ῥαθύμως εἶχον τὰ κατὰ τὰς φυλακάς, ὁ δὲ Τιμολέων οὐδεμίαν ἔμφασιν διδοὺς τοῦ δρασμοῦ αὐτὸς μὲν πλησίον τοῦ βήματος ἔμεινε, λάθρα δὲ παρήγγειλε τὰς ἑννέα ναῦς ἀποπλεῦσαι τὴν ταχίστην. [6] περισπωμένων δὲ τῶν Καρχηδονίων ταῖς ψυχαῖς περὶ τοὺς ἐγκαθέτως δημηγοροῦντας μακρῶς τῶν Ῥηγίων ἔλαθεν ὁ Τιμολέων διαδράς ἐπὶ τὴν ὑπολελειμμένην ναῦν καὶ ταχέως ἐξέπλευσεν. οἱ δὲ Καρχηδόνιοι καταστρατηγηθέντες ἐπεβάλοντο δῶκειν τοὺς περὶ τὸν Τιμολέοντα. [7] ἐκείνων δὲ προειληφότες ἱκανὸν διάστημα καὶ τῆς νυκτὸς ἐπιλαβούσης ἔφθασαν οἱ περὶ τὸν Τιμολέοντα ἀποπλεύσαντες εἰς τὸ Ταυρομενίον. [8] ὁ δὲ τῆς πόλεως ταύτης ἡγούμενος, διὰ παντὸς πεφρονηκῶς τὰ τῶν Συρακοσίων, Ἀνδρόμαχος, φιλοφρόνως ὑπεδέξατο τοὺς διωκομένους καὶ πολλὰ συνεβάλετο πρὸς τὴν σωτηρίαν αὐτῶν. [9] μετὰ δὲ ταῦτα ὁ μὲν Ἰκέτας ἀναλαβὼν τῶν στρατιωτῶν τοὺς ἀρίστους πεντακισχιλίους ἐστράτευσεν ἐπὶ τοὺς Ἀδρανίτας ἀντιπράττοντας αὐτῷ καὶ πλησίον τῆς πόλεως κατεστρατοπέδευσεν: ὁ δὲ Τιμολέων προσλαβόμενος παρὰ τῶν Ταυρομενίων στρατιώτας ἀνέξευξεν ἐκ τοῦ Ταυρομενίου, τοὺς ἅπαντας ἔχων οὐ πλείους τῶν χιλίων. [10] ἀρχομένης δὲ τῆς νυκτὸς ἀφορμήσας καὶ διανύσας ἐπὶ τὸ Ἀδρανιον δευτεραῖος ἀνελπίστως ἐπέθετο τοῖς περὶ τὸν Ἰκέταν δειπνοποιοιμένοις: παρεισπεσὼν δ' εἰς τὴν παρεμβολὴν καὶ φονεύσας πλείους τῶν τριακοσίων, ζωγρήσας δὲ περὶ ἑξακοσίους τῆς παρεμβολῆς ἐκράτησε. [11] τούτῳ δὲ τῷ στρατηγῆματι ἕτερον ἐπεισάγων παραχρῆμα ἐπὶ τὰς Συρακούσας ἀφώρμησε καὶ δρομαῖος τὴν ὁδὸν διανύσας ἀπροσδοκῆτως προσέπεσε ταῖς Συρακούσαις, καταταχίσας τοὺς ἀπὸ τῆς τροπῆς φεύγοντας. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 69.

ἐπ' ἄρχοντος δ' Ἀθήνησι Λυκίσκου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Οὐαλέριον καὶ Μάρκον Ποπίλιον, Ὀλυμπιάς δ' ἦχθη ἑκατοστὴ καὶ ἐνάτη, καθ' ἣν ἐνίκα στάδιον Ἀριστόλοχος Ἀθηναῖος. ἐπὶ δὲ τούτων Ῥωμαῖοις μὲν πρὸς Καρχηδονίους πρῶτον συνῆθαι ἐγένοντο. [2] κατὰ δὲ τὴν Καρίαν Ἰδριεὺς ὁ δυνάστης τῶν Καρῶν ἐτελεύτησεν ἄρξας ἑτῆ ἐπτά, τὴν δὲ ἀρχὴν

διαδεξαμένη Ἄδα ἡ ἀδελφὴ καὶ γυνὴ ἐδυνάστευσεν ἔτη τέσσαρα. [3] κατὰ δὲ τὴν Σικελίαν Τιμολέων μὲν Ἀδρανίτας καὶ Τυνδαρίτας εἰς συμμαχίαν προσλαβόμενος στρατιώτας οὐκ ὀλίγους παρ' αὐτῶν παρέλαβεν, ἐν δὲ ταῖς Συρακούσαις πολλὴ ταραχὴ κατεῖχε τὴν πόλιν Διονυσίου μὲν τὴν Νῆσον ἔχοντος, Ἰκέτα δὲ τῆς Ἀχραδινῆς καὶ Νέας πόλεως κυριεύοντος, Τιμολέοντος δὲ τὰ λοιπὰ τῆς πόλεως παρειληφότος, καὶ Καρχηδονίων τριήρεσι μὲν ἑκατὸν καὶ **ΠΕΝΤΗΚΟΝΤΑ** καταπεπλευκόντων εἰς τὸν μέγαν λιμένα, πεζοῖς δὲ στρατιώταις πεντακισμυρίοις κατεστρατοπεδευκόντων. διόπερ τῶν περὶ τὸν Τιμολέοντα καταπεπληγμένων τὸ πλῆθος τῶν πολεμίων ἄλογός τις καὶ παράδοξος ἐγένετο μεταβολή: [4] πρῶτον μὲν γὰρ Μάρκος ὁ τῶν Καταναίων τύραννος δύναμιν ἀξιόλογον ἔχων προσέθετο τῷ Τιμολέοντι, ἔπειτα πολλὰ τῶν φρουρίων ὀρεγόμενα τῆς ἐλευθερίας ἀπέκλινε πρὸς αὐτόν, τὸ δὲ τελευταῖον Κορίνθιοι δέκα ναῦς πληρώσαντες χρήματά τε πορίσαντες ἐξαπέστειλαν εἰς τὰς Συρακούσας. [5] ὧν πραχθέντων Τιμολέων μὲν ἐθάρρησεν, οἱ δὲ Καρχηδόνιοι φοβηθέντες ἀπέπλευσαν ἐκ τοῦ λιμένος ἀλόγως καὶ μετὰ πάσης τῆς δυνάμεως εἰς τὴν ἰδίαν ἐπικράτειαν ἀπηλλάγησαν. [6] μονωθέντος δὲ τοῦ Ἰκέτα Τιμολέων περιγενόμενος τῶν πολεμίων ἐκράτησε τῶν Συρακουσσῶν. εὐθὺς δὲ καὶ τὴν Μεσσήνην μετατεθειμένην πρὸς Καρχηδονίους ἀνεκτήσατο. [7]

καὶ τὰ μὲν κατὰ Σικελίαν ἐν τούτοις ἦν. κατὰ δὲ τὴν Μακεδονίαν Φίλιππος πατρικὴν ἔχθραν διαδεδεγμένος πρὸς Ἰλλυριοὺς καὶ τὴν διαφορὰν ἀμετάθετον ἔχων ἐνέβαλεν εἰς τὴν Ἰλλυρίδα μετὰ πολλῆς δυνάμεως. πορθήσας δὲ τὴν χώραν καὶ πολλὰ τῶν πολισμάτων χειρωσάμενος μετὰ πολλῶν λαφύρων ἐπανῆλθεν εἰς τὴν Μακεδονίαν. [8] μετὰ δὲ ταῦτα παρελθὼν εἰς τὴν Θετταλίαν καὶ τοὺς τυράννους ἐκ τῶν πόλεων ἐκβάλων ἰδίους ταῖς εὐνοίαις ἐποίησατο τοὺς Θετταλοὺς: ἤλπιζε γὰρ τούτους ἔχων συμμάχους καὶ τοὺς Ἕλληνας ῥαδίως εἰς εὐνοίαν **προτρέψασθαι**: ὅπερ καὶ συνέβη γενέσθαι. εὐθὺς γὰρ οἱ πλησιόχωροι τῶν Ἑλλήνων συνενεχθέντες τῇ τῶν Θετταλῶν κρίσει συμμαχίαν προθύμως πρὸς αὐτὸν ἐποίησαντο. 70.

ἐπ' ἄρχοντος δ' Αθῆνῃσι Πυθοδότου Ῥωμαῖοι κατέστησαν ὑπάτους Γάιον Πλαύτιον καὶ Τίτον Μάλλιον. ἐπὶ δὲ τούτων Τιμολέων καταπληξάμενος Διονύσιον τὸν τύραννον ἔπεισεν αὐτὸν παραδοῦναι τὴν ἀκρόπολιν καὶ τὴν ἀρχὴν ἀποθέμενον ἀπελθεῖν εἰς Πελοπόννησον ὑπόσπονδον, ἔχοντα τὰ ἴδια χρήματα. [2] οὗτος μὲν οὖν δι' ἀνανδρίαν καὶ ταπεινότητα ψυχῆς τὴν τε περιβόητον τυραννίδα καὶ δεδεμένην, ὡς ἔφασαν, ἀδάμαντι τὸν εἰρημένον τρόπον ἀπέλιπε καὶ κατεβίωσεν ἀπορούμενος ἐν Κορίνθῳ, τὸν δ' ἴδιον βίον καὶ τὴν μεταβολὴν ἔσχε **παράδειγμα** τοῖς καυχωμένοις ἀφρόνως ἐπὶ ταῖς εὐτυχίαις: [3] ὁ γὰρ ἔχων τετρακοσίας τριήρεις μετ' ὀλίγον ἐν μικρῷ στρογγύλῳ πλοίῳ κατέπλευσεν εἰς τὴν Κόρινθον, περίβλεπτον ἔχων τὴν τῆς μεταβολῆς ὑπερβολήν. [4] Τιμολέων δὲ παραλαβὼν τὴν Νῆσον καὶ φρούρια τὰ τῷ ΔΙΟΝΥΣΙῳ πρότερον ὑπακούοντα τὰς μὲν κατὰ τὴν Νῆσον ἀκροπόλεις καὶ τὰ τυραννεῖα κατέσκαψε, τοῖς δὲ φρουρίοις ἀπέδωκε τὴν ἐλευθερίαν. [5] εὐθὺς δὲ καὶ νομογραφεῖν ἤρξατο, τιθεὶς δημοκρατικούς νόμους καὶ τὰ περὶ τῶν ιδιωτικῶν συμβολαίων δίκαια καὶ ἄλλα πάντα ἀκριβῶς διέταξε, πλείστην

φροντίδα τῆς ἰσότητος ποιούμενος. [6] κατέστησε δὲ καὶ τὴν κατ' ἐνιαυτὸν ἐντιμοτάτην ἀρχὴν, ἣν ἀμφιπολίαν Διὸς Ὀλυμπίου καλοῦσιν Συρακόσιοι: καὶ ἡρέθη πρῶτος ἀμφίπολος Διὸς Ὀλυμπίου Καλλιμένης Ἀλκάδα καὶ τὸ λοιπὸν διετέλεσαν οἱ Συρακόσιοι τοὺς ἐνιαυτοὺς ἐπιγράφοντες τοῦτοις τοῖς ἄρχουσι μέχρι τῶνδε τῶν ἱστοριῶν γραφομένων καὶ τῆς κατὰ τὴν πολιτείαν ἀλλαγῆς: τῶν γὰρ Ῥωμαίων μεταδόντων τοῖς Σικελιώταις τῆς πολιτείας ἢ τῶν ἀμφιπόλων ἀρχὴ ἐταπεινώθη, διαμείνασα ἔτη πλείω τῶν τριακοσίων. καὶ τὰ μὲν κατὰ τὴν Σικελίαν ἐν τούτοις ἦν. 71.

κατὰ δὲ τὴν Μακεδονίαν Φίλιππος τὰς ἐπὶ Θράκῃ πόλεις Ἑλληνίδας εἰς εὖνοιαν προκαλεσόμενος ἐστράτευσεν ἐπὶ Θράκῃν. Κερσοβλέπτης γὰρ ὁ βασιλεὺς τῶν Θρακῶν διετέλει τὰς ἐφ' Ἑλλησπόντῳ πόλεις ὁμορούσας τῇ Θράκῃ καταστρεφόμενος καὶ τὴν χώραν καταφθείρων. [2] βουλόμενος οὖν ἐμφράξαι τῶν βαρβάρων τὴν ὁρμὴν ἐστράτευσεν ἐπ' αὐτοὺς σὺν πολλῇ δυνάμει. νικήσας δὲ πλείοσι μάχαις τοὺς Θραῖκας τοῖς μὲν καταπολεμηθεῖσι βαρβάροις προσέταξε δεκάτας τελεῖν τοῖς Μακεδόσιν, αὐτὸς δ' ἐν τοῖς ἐπικαίροις τόποις κτίσας ἀξιολόγους πόλεις ἔπαυσε τοῦ θράσου τοὺς Θραῖκας. διόπερ αἱ τῶν Ἑλλήνων πόλεις ἀπολυθεῖσαι τῶν φόβων εἰς τὴν συμμαχίαν τοῦ Φιλίππου προθυμότατα κατετάχθησαν. [3]

τῶν δὲ συγγραφέων Θεόπομπος ὁ Χῖος ἐν τῇ τῶν Φιλιππικῶν ἱστορίᾳ κατέταξε τρεῖς βύβλους περιεχούσας Σικελικὰς πράξεις: ἄρξάμενος δὲ ἀπὸ τῆς Διονυσίου τοῦ πρεσβυτέρου τυραννίδος διῆλθε χρόνον ἐτῶν πεντήκοντα καὶ κατέστρεψεν εἰς τὴν ἔκπτωσιν Διονυσίου τοῦ νεωτέρου. εἰσι δὲ αἱ βύβλοι τρεῖς, ἀπὸ τῆς μιᾶς τεσσαρακοστῆς ἄχρι τῆς τρίτης καὶ τεσσαρακοστῆς. 72.

ἐπ' ἄρχοντος δ' Ἀθήνησι Σωσιγένους Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Οὐαλέριον καὶ Μάρκον Γναῖον Πόπλιον. ἐπὶ δὲ τούτων Ἀρύμβας ὁ τῶν Μολοττῶν βασιλεὺς ἐτελεύτησεν ἄρξας ἔτη δέκα, ἀπολιπὼν υἱὸν τὸν Πύρρου πατέρα Αἰακίδην: τὴν δ' ἀρχὴν διεδέξατο Ἀλέξανδρος ὁ ἀδελφὸς Ὀλυμπιάδος, συνεργήσαντος Φιλίππου τοῦ Μακεδόνο. [2] κατὰ δὲ τὴν Σικελίαν Τιμολέων μὲν ἐστράτευσεν ἐπὶ Λεοντίνους: εἰς ταύτην γὰρ τὴν πόλιν Ἰκέτας κατεπεφεύγει μετὰ δυνάμεως ἀξιολόγου. τὸ μὲν οὖν πρῶτον προσέβαλε τῇ Νέᾳ καλουμένῃ πόλει: μετὰ δὲ ταῦτα πολλῶν στρατιωτῶν ἐν τῇ πόλει συγκεκλεισμένων καὶ ῥαδίως ἀπὸ τῶν τειχῶν ἀμυνομένων ἄπρακτος γενόμενος ἔλυσε τὴν πολιορκίαν. [3] παρελθὼν δὲ πρὸς πόλιν Ἑγγυον, τυραννουμένην ὑπὸ Λεπτίνου, προσβολὰς συνεχεῖς ἐποιεῖτο βουλόμενος τὸν μὲν Λεπτίνην ἐκβαλεῖν ἐκ τῆς πόλεως, τοῖς δ' Ἑγγυῖνοις τὴν ἐλευθερίαν ἀποδοῦναι. [4] περὶ ταῦτα δὲ τοῦ Τιμολέοντος ὄντος Ἰκέτας πανδημεῖ στρατεύσας ἐκ τῶν Λεοντίνων ἐπολιόρκει τὰς Συρακούσας, πολλοὺς δὲ τῶν στρατιωτῶν ἀποβαλὼν ταχέως ἐπανῆλθεν εἰς τοὺς Λεοντίνους. [5] ὁ δὲ Τιμολέων καταπληξάμενος τὸν Λεπτίνην τοῦτον μὲν ὑπόσπονδον ἐξέπεμψεν εἰς τὴν Πελοπόννησον, ἐνδεικνύμενος τοῖς Ἕλλησι τὰς τῶν καταπολεμηθέντων τυράννων ἐκπτώσεις. οὐσῆς δὲ καὶ τῆς τῶν Ἀπολλωνιατῶν πόλεως ὑπὸ τὸν Λεπτίνην παραλαβὼν τὴν Ἀπολλωνίαν ταύτην τε καὶ τῇ τῶν Ἑγγυῖνων ἀπέδωκε τὴν αὐτονομίαν. 73. ἀπορούμενος δὲ χρημάτων εἰς τὰς τῶν ξένων μισθοδοσίας ἐξαπέστειλε στρατιώτας χιλίους

μετὰ τῶν ἀξιολογωτάτων ἡγεμόνων εἰς τὴν τῶν Καρχηδονίων ἐπικράτειαν. οὗτοι δὲ πολλὴν χώραν πορθήσαντες καὶ λαφύρων πλῆθος κομίσαντες παρέδωκαν τῷ Τιμολέοντι. ὁ δὲ λαφυροπωλήσας τὴν λείαν καὶ χρημάτων πλῆθος ἀθροίσας ἔδωκε τοῖς μισθοφόροις εἰς πλείω χρόνον τοὺς μισθοὺς. [2] ἐκράτησε δὲ καὶ τῆς Ἑντέλλης καὶ τοὺς τὰ Καρχηδονίων μάλιστα φρονούντας πεντεκαίδεκα θανατώσας τοῖς ἄλλοις ἀπένειμε τὴν ἐλευθερίαν. τοῦ δὲ Τιμολέοντος αὐξομένου τῇ τε δυνάμει καὶ τῇ κατὰ τὴν στρατηγίαν δόξῃ αἱ μὲν Ἑλληνίδες πόλεις αἱ κατὰ τὴν Σικελίαν ἅπασαι προθύμως ὑπετάγησαν τῷ Τιμολέοντι διὰ τὸ πάσαις τὰς αὐτονομίας ἀποδιδόναι, τῶν δὲ Σικελῶν καὶ Σικανῶν καὶ τῶν ἄλλων τῶν ὑπὸ τοὺς Καρχηδονίους τεταγμένων πολλὰ διεπρεσβεύοντο πόλεις, σπεύδουσai παραληφθῆναι πρὸς τὴν συμμαχίαν. [3] Καρχηδόνιοι δὲ τοὺς κατὰ τὴν Σικελίαν στρατηγούς ὀρῶντες ἀγεννῶς τὸν πόλεμον διοικοῦντας ἔκριναν ἐτέρους ἀποστέλλειν μετὰ δυνάμεων μεγάλων. εὐθὺς οὖν τῶν πολιτῶν κατέλεγον τοὺς ἀρίστους εἰς τὴν στρατείαν καὶ τῶν Λιβύων τοὺς εὐθέτους ἐστρατολόγουν, χωρὶς δὲ τούτων προχειρισάμενοι χρημάτων πλῆθος μισθοφόρους ἐξενολόγουν Ἴβηρας καὶ Κελτοὺς καὶ Λίγυας· ἐναυπηγοῦντο δὲ καὶ ναῦς μακρὰς καὶ φορτηγούς πολλὰς ἡθροίζον καὶ τὴν ἄλλην παρασκευὴν ἀνυπέρβλητον ἐποιοῦντο. 74.

ἐπ' ἄρχοντος δ' Ἀθήνησι Νικομάχου Ῥωμαῖοι κατέστησαν ὑπάτους Γάιον Μάρκιον καὶ Τίτον Μάλλιον Τορκουᾶτον. ἐπὶ δὲ τούτων Φωκίῶν μὲν ὁ Ἀθηναῖος κατεπολέμησε Κλείταρχον τὸν Ἑρετρίας τύραννον καθεσταμένον ὑπὸ Φιλίππου. [2] κατὰ δὲ τὴν Καρίαν Πιζώδαρος ὁ νεώτερος τῶν ἀδελφῶν ἐξέβαλεν ἐκ τῆς δυναστείας Ἄδαν καὶ ἐδυνάστευσεν ἔτη πέντε ἕως ἐπὶ τὴν Ἀλεξάνδρου διάβασιν εἰς τὴν Ἀσίαν. Φίλιππος δὲ αἰεὶ μᾶλλον αὐξόμενος ἐπὶ τὴν Πέρινθον ἐστράτευσεν, ἐναντιουμένην μὲν ἑαυτῷ, πρὸς δὲ Ἀθηναίους ἀποκλίνουσαν. συστησάμενος δὲ πολιορκίαν καὶ μηχανὰς προσάγων τῇ πόλει καθ' ἡμέραν ἐκ διαδοχῆς προσέβαλλεν τοῖς τεῖχεσιν. [3] ὀγδοηκονταπῆχαις δὲ πύργους κατασκευάσας, ὑπεαίροντας πολὺ τῶν κατὰ τὴν Πέρινθον πύργων, ἐξ ὑπεροχῆς κατεπόνει τοὺς πολιορκουμένους· ὁμοίως δὲ καὶ διὰ τῶν κριῶν σαλεύων τὰ τεῖχη καὶ διὰ τῆς μεταλλείας ὑπορύττων ἐπὶ πολὺ μέρος τὸ τεῖχος κατέβαλεν. ἀμυνομένων δὲ τῶν Περινθίων εὐρώστως καὶ ταχὺ τεῖχος ἕτερον ἀντοικοδομησάντων ἀγῶνες θαυμαστοὶ καὶ τειχομαχίαι συνίσταντο. [4] μεγάλης δὲ φιλοτιμίας ἐξ ἀμφοτέρων συνισταμένης ὁ μὲν βασιλεὺς πολλοὺς ἔχων καὶ παντοδαποὺς ὀξυβελεῖς διὰ τούτων τοὺς ἐπὶ τῶν ἐπάλξεων διαγωνιζομένους διέφθειρεν, οἱ δὲ Περινθιοὶ πολλοὺς καθ' ἡμέραν ἀποβάλλοντες συμμαχίαν καὶ βέλη καὶ καταπέλτας παρὰ τῶν Βυζαντίων προσελάβοντο. [5] ἐξισωθέντες οὖν πάλιν τοῖς πολεμίοις ἀνεθάρρησαν καὶ τετολμηκότως τοὺς ὑπὲρ τῆς πατρίδος κινδύνους ὑπέμενον. οὐ μὴν ὁ βασιλεὺς ἔληγε τῆς φιλοτιμίας, ἀλλὰ διελόμενος τὰς δυνάμεις εἰς πλείω μέρη συνεχῶς ἐκ διαδοχῆς ἐτειχομάχει καὶ καθ' ἡμέραν καὶ νύκτωρ. τρισμυρίους δ' ἔχων στρατιώτας καὶ βελῶν καὶ μηχανῶν πολιορκητικῶν πλῆθος, ἔτι δὲ τὰς ἄλλας μηχανὰς ἀνυπερβλήτους κατεπόνει τοὺς πολιορκουμένους. 75.

τῆς δὲ πολιορκίας πολυχρονίου γινομένης καὶ τῶν κατὰ τὴν πόλιν πολλῶν

μὲν ἀναιρουμένων, οὐκ ὀλίγων δὲ τραυματιζομένων, τῶν δ' ἐπιτηδεῖων ἐκλειπόντων προσδόκιμος ἦν ἡ τῆς πόλεως ἄλωσις. οὐ μὴν ἡ τύχη γε περιεῖδε τὴν τῶν κινδυνευόντων σωτηρίαν, ἀλλὰ παράδοξον αὐτοῖς κατεσκεύασε βοήθειαν. τῆς γὰρ τοῦ βασιλέως αὐξήσεως διαβεβοημένης κατὰ τὴν Ἀσίαν ὁ βασιλεὺς ὑφορώμενος τὴν τοῦ Φιλίππου δύναμιν ἔγραψε πρὸς τοὺς ἐπὶ θαλάττῃ σατράπας βοηθεῖν Περινθίοις παντὶ σθένει. [2] διόπερ οἱ σατράπαι συμφρονήσαντες ἐξέπεμψαν εἰς τὴν Πέρινθον μισθοφόρων πλῆθος καὶ χρήματα δαυιλῇ καὶ σῖτον ἱκανὸν καὶ βέλη καὶ ἄλλα πάντα πρὸς τὴν τοῦ πολέμου χρεῖαν. ὁμοίως δὲ καὶ Βυζάντιοι τοὺς ἀρίστους τῶν παρ' ἑαυτοῖς ἡγεμόνων καὶ στρατιωτῶν ἐξαπέστειλαν. ἐφαμίλλων δὲ τῶν δυνάμεων γενομένων καὶ τοῦ πολέμου καινοποιηθέντος πάλιν ἡ πολιορκία φιλοτιμίαν ἐλάμβανεν ἀνυπέρβλητον. [3] ὁ μὲν γὰρ Φίλιππος τοῖς κριοῖς τύπτων τὰ τεῖχη συνεχῶς κατέβαλλε καὶ διὰ τῶν ὀξυβελῶν ἀνείργων τοὺς ἐπὶ τῶν ἐπάλξεων ἅμα μὲν διὰ τῶν πεπτωκότων τειχῶν ἀθρόως τοῖς στρατιώταις εἰσέπιπτεν, ἅμα δὲ διὰ τῶν κλιμάκων πρὸς τὰ γεγυμνωμένα τῶν τειχῶν προσέβαινε: διὸ καὶ τῆς μάχης ἐκ χειρὸς οὐσης οἱ μὲν ἀπέθνησκον, οἱ δὲ τραύμασι πολλοῖς περιέπιπτον. τὰ δὲ τῆς νίκης ἔπαθλα προεκαλεῖτο τὰς τῶν ἀγωνιζομένων ἀνδραγαθίας: [4] οἱ μὲν γὰρ Μακεδόνες ἐλπίζοντες εὐδαίμονα πόλιν διαρπάσειν καὶ δωρεαῖς ὑπὸ τοῦ Φιλίππου τιμηθῆσθαι διὰ τὴν τοῦ λυσιτελοῦς ἐλπίδα τοῖς δεινοῖς ἐνεκαρτέρουν, οἱ δὲ πολιορκούμενοι τὰ τῆς ἀλώσεως δεινὰ πρὸ ὀφθαλμῶν ἔχοντες ὑπέμενον εὐψύχως τὸν ὑπὲρ τῆς σωτηρίας κίνδυνον. 76. συνεβάλλετο δὲ τοῖς πολιορκουμένοις ἡ φύσις τῆς πόλεως πολλὰ πρὸς τὴν ὑπὲρ τῶν ὅλων νίκην. ἡ γὰρ Πέρινθος κεῖται μὲν παρὰ θάλατταν ἐπὶ τινος αὐχένος ὑψηλοῦ χερρονήσου σταδιαῖον ἐχούσης τὸν αὐχένα, τὰς δ' οἰκίας ἔχει πεπυκνωμένας καὶ τοῖς ὕψει διαφερούσας. [2] αὗται δὲ ταῖς οἰκοδομαῖς αἰεὶ κατὰ τὴν εἰς τὸν λόφον ἀνάβασιν ἀλλήλων ὑπερέχουσι καὶ τὸ σχῆμα τῆς ὅλης πόλεως θεατροειδὲς ἀποτελοῦσι. διόπερ τῶν τειχῶν συνεχῶς καταβαλλομένων οὐδὲν ἡλαττοῦντο: διοικοδομοῦντες γὰρ τοὺς στενωποὺς ταῖς αἰεὶ κατωτάταις οἰκίαις ὥσπερ ὄχυροῖς τισι τείχεσιν ἐχρῶντο. [3] διόπερ ὁ Φίλιππος μετὰ πολλῶν πόνων καὶ κινδύνων τοῦ τεύχους κρατήσας ἰσχυρότερον εὗρισκε τὸ τεῖχος τὸ διὰ τῶν οἰκιῶν αὐτομάτως ἡτοιμασμένον. πρὸς δὲ τούτοις ἐκ τοῦ Βυζαντίου πάντων τῶν πρὸς τὸν πόλεμον χρησίμων ἐτοίμως χορηγουμένων ἐμέρισε τὰς δυνάμεις εἰς δύο μέρη καὶ τοὺς μὲν ἡμίσεις τῶν στρατιωτῶν ἀπέλιπεν ἐπὶ τῆς πολιορκίας, ἐπιστήσας αὐτοῖς τοὺς ἀρίστους ἡγεμόνας, τοὺς δ' ἄλλους παραλαβὼν αὐτὸς προσέπεσεν ἄφνω τῷ Βυζαντίῳ καὶ πολιορκίαν ἰσχυρὰν **συνεστήσατο**. [4] οἱ δὲ Βυζάντιοι τῶν τε στρατιωτῶν καὶ τῶν βελῶν καὶ τῶν ἄλλων τῶν χρησίμων παρὰ τοῖς Περινθίοις ὄντων εἰς πολλὴν ἐνέπιπτον ἀμηχανίαν. καὶ τὰ μὲν περὶ Περινθίου καὶ Βυζαντίους ἐν τούτοις ἦν. [5]

τῶν δὲ συγγραφέων Ἐφορος μὲν ὁ Κυμαῖος τὴν ἱστορίαν ἐνθάδε κατέστροφεν εἰς τὴν Περίνθου πολιορκίαν: περιεῖληφε δὲ τῇ γραφῇ πράξεις τὰς τε τῶν Ἑλλήνων καὶ βαρβάρων ἀρξάμενος ἀπὸ τῆς τῶν Ἡρακλειδῶν καθόδου: χρόνον δὲ περιέλαβε ἐτῶν σχεδὸν ἑπτακοσίων καὶ πεντήκοντα καὶ βύβλους γέγραφε τριάκοντα, προοίμιον ἐκάστη προθεῖς. [6] Δίλλος δ' ὁ

Ἀθηναῖος τῆς δευτέρας συντάξεως ἀρχὴν πεποιῆται τῆς Ἐφόρου ἱστορίας τὴν τελευταίην καὶ τὰς ἐξῆς πράξεις συνείρει τὰς τε τῶν Ἑλλήνων καὶ τῶν βαρβάρων μέχρι τῆς Φιλίππου τελευταῖης. 77.

ἐπ' ἄρχοντος δ' Ἀθήνησι Θεοφράστου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Μάρκον Οὐαλέριον καὶ Αὐλὸν Κορνήλιον, Ὀλυμπιάς δ' ἦχθη δεκάτῃ πρὸς ταῖς ἑκατόν, καθ' ἣν ἐνίκα στάδιον Ἀντικλῆς Ἀθηναῖος. [2] ἐπὶ δὲ τούτων Φιλίππου Βυζάντιον πολιορκούντος Ἀθηναῖοι μὲν ἔκριναν τὸν Φίλιππον λελυκέναι τὴν πρὸς αὐτοὺς συντεθεῖσαν εἰρήνην· εὐθὺς δὲ καὶ δύναμιν ναυτικὴν ἀξιόλογον ἐξέπεμψαν βοηθήσουσαν τοῖς Βυζαντίοις. ὁμοίως δὲ τούτοις Χιοὶ καὶ Κῶοι καὶ Ῥόδιοι καὶ τινες ἕτεροι τῶν Ἑλλήνων συμμαχίαν ἐξέπεμψαν τοῖς Βυζαντίοις. [3] διόπερ ὁ Φίλιππος καταπλαγεὶς τῇ συνδρομῇ τῶν Ἑλλήνων τὴν τε πολιορκίαν τῶν πόλεων ἔλυσε καὶ πρὸς Ἀθηναίους καὶ τοὺς ἄλλους Ἑλληνας τοὺς ἐναντιουμένους συνέθετο τὴν εἰρήνην. [4]

κατὰ δὲ τὴν Σικελίαν Καρχηδόνιοι μὲν μεγάλας παρασκευὰς εἰς τὸν πόλεμον πεποιημένοι διεβίβασαν τὰς δυνάμεις εἰς τὴν Σικελίαν. εἶχον δὲ τοὺς πάντας σὺν τοῖς προϋπάρχουσιν ἐν τῇ νήσῳ πεζοὺς μὲν πλείους τῶν ἑπτακισμυρίων, ἵππεῖς δὲ καὶ ἄρματα καὶ συνωρίδας οὐκ ἐλάττους τῶν μυρίων, ναῦς δὲ μακρὰς μὲν διακοσίας, φορτηγούς δὲ τὰς τοὺς ἵππους τε καὶ βέλη καὶ σίτον καὶ ἄλλα κομιζούσας πλείους τῶν χιλίων. [5] Τιμολέων δὲ πυθόμενος τὸ μέγεθος τῆς τῶν πολεμίων δυνάμεως οὐ κατεπλάγη τοὺς βαρβάρους, καίπερ εἰς ὀλίγους στρατιώτας συνεσταλμένος. ἔχων δὲ πόλεμον πρὸς Ἰκέταν διελύσατο πρὸς αὐτὸν καὶ προσλαβόμενος τοὺς μετὰ τούτου στρατιώτας οὐ μετρίως ἠὔξησε τὴν ἰδίαν δύναμιν. 78. ἔδοξε δ' αὐτῷ τὸν πρὸς τοὺς Φοίνικας ἀγῶνα συστήσασθαι κατὰ τὴν τῶν Καρχηδονίων ἐπικράτειαν, ὅπως τὴν μὲν τῶν συμμάχων χώραν ἀσινῇ διαφυλάξῃ, τὴν δ' ὑπὸ τοὺς βαρβάρους οὖσαν καταφθείρῃ. [2] εὐθὺς οὖν τοὺς τε μισθοφόρους καὶ Συρακοσίους καὶ τοὺς ἄλλους συμμάχους ἀθροίσας καὶ κοινὴν ἐκκλησίαν συναγαγὼν παρῳρμήσε τοῖς οἰκείοις λόγοις τὰ πλήθη πρὸς τὸν ὑπὲρ τῶν ὅλων ἀγῶνα· πάντων δ' ἀποδεξαμένων τοὺς λόγους καὶ βοώντων ἄγειν τὴν ταχίστην ἐπὶ τοὺς βαρβάρους προήγεν ἔχων τοὺς σύμπαντας οὐ πλείους τῶν μυρίων καὶ δισχιλίων. [3] ἤδη δ' αὐτοῦ κατὰ τὴν Ἀκραγαντίνην ὄντος παραδόξως ἐνέπεσε τῇ στρατιᾷ ταραχὴ καὶ στάσις. τῶν γὰρ μισθοφόρων τις ὄνομα Θρασίος, σεσσηλικῶς τὸ ἐν Δελφοῖς ἱερὸν μετὰ τῶν Φωκέων, ἀπονοία δὲ καὶ θράσει διαφέρων, ἀκόλουθον τοῖς πρότερον τετολμημένοις πράξιν ἐπετετέλεσατο. [4] τῶν γὰρ ἄλλων σχεδὸν ἀπάντων τῶν μετασχόντων τῆς εἰς τὸ μαντεῖον παρανομίας τετευχότων ὑπὸ τοῦ δαιμονίου τῆς προσηκούσης τιμωρίας, καθάπερ μικρῷ πρότερον ἀνεγράψαμεν, μόνος οὗτος διαλεληθὼς τὸ θεῖον ἐπεχείρησε τοὺς μισθοφόρους παρορμᾶν πρὸς ἀπόστασιν. [5] ἔφη γὰρ τὸν Τιμολέοντα παραφρονοῦντα πρὸς ὁμολογουμένην ἀπώλειαν ἄγειν τοὺς στρατιώτας· ἐξαπλασίους γὰρ ὄντας τοὺς Καρχηδονίους καὶ πάσαις ταῖς παρασκευαῖς ἀνυπερβλήτους ὑπάρχοντας ἐπαγγέλλεται νικήσειν, ἐναποκυβεύων ταῖς τῶν μισθοφόρων ψυχαῖς, οὐδὲ τοὺς ὀφειλομένους μισθοὺς πολλοῦ χρόνου διὰ τὴν ἀπορίαν ἀποδεδωκώς. [6] συνεβούλευεν οὖν ἀνακάμπτειν εἰς τὰς Συρακοῦσας καὶ τοὺς μισθοὺς ἀπαιτεῖν, ἐπὶ δὲ

στρατείαν ἀπεγνωσμένην μὴ συνακολουθεῖν. 79. τῶν δὲ μισθοφόρων ἀσμένως τοὺς λόγους δεχομένων καὶ νεωτερίζειν ἐπιχειρούντων μόγις πολλὰ δεηθεὶς αὐτῶν ὁ Τιμολέων καὶ δωρεὰς ἐπαγγελλόμενος κατέπαυσε τὴν ταραχήν. ὅμως δὲ τῷ Θρασίῳ χιλίων συνακολουθησάντων τὴν μὲν τούτων κόλασιν εἰς ἕτερον ἀνεβάλετο καιρόν, γράψας δὲ πρὸς τοὺς ἐν Συρακούσαις φίλους προσδέξασθαι αὐτοὺς φιλοφρόνως καὶ τοὺς μισθοὺς ἀποδοῦναι τὴν μὲν ταραχήν πᾶσαν εἰς **ΤΕΛΟΣ** κατέσβεσε, τῶν δ' ἀπειθησάντων ἀφείλατο τὴν ἐκ τῆς νίκης εὐδοξίαν. [2] αὐτὸς δὲ τοὺς ἄλλους ταῖς φιланθρώποις ἐντεύξεσιν εἰς τὴν προϋπάρχουσαν εὐνοίαν ἀποκαταστήσας προῆγεν ἐπὶ τοὺς πολεμίους οὐ μακρὰν στρατοπεδεύοντας. συναγαγὼν δ' εἰς τὴν ἐκκλησίαν τοὺς στρατιώτας καὶ διὰ τῶν λόγων θάρσος παραστήσας τοῖς πλήθεσι διῆλθε μὲν τὴν τῶν Φοινίκων ἀνανδρίαν, ὑπέμνησε δὲ τῆς Γέλωνος εὐημερίας. [3] πάντων δὲ καθάπερ τινὶ μιᾷ φωνῇ βοῶντων ἐπιθέσθαι τοῖς βαρβάροις καὶ κατάρχεσθαι τῆς μάχης, κατὰ τύχην ὑποζυγίων σέλινα κομιζόντων εἰς τὰς στιβάδας ὁ Τιμολέων ἔφη δέχεσθαι τὸν οἰωνὸν τῆς νίκης: τὸν γὰρ Ἴσθμιακὸν στέφανον ἐκ σελίνου συνίστασθαι. [4] οἱ δὲ στρατιῶται παραγγείλαντος τοῦ Τιμολέοντος ἐκ τῶν σελίνων πλέξαντες στεφάνους καὶ ταῖς κεφαλαῖς περιθέντες προῆγον μετὰ χαρᾶς, ὥς τῶν θεῶν προσημαινόντων αὐτοῖς τὴν νίκην: ὅπερ καὶ συνέβη γενέσθαι: [5] περιεγένοντο γὰρ ἀνελπίστως τῶν πολεμίων οὐ μόνον διὰ τὰς ἰδίας ἀνδραγαθίας, ἀλλὰ καὶ διὰ τὴν τῶν θεῶν συνεργίαν. ὁ μὲν γὰρ Τιμολέων ἐκτάξας τὴν δύναμιν κατέβαινεν ἀπὸ πινῶν λόφων ἐπὶ τὸν Κρίμισον ποταμὸν καὶ μυρίων ἤδη διαβεβηκότων ἐξ ἐφόδου τούτοις ἐπέρραξε, τεταγμένος αὐτὸς ἐπὶ μέσῃ τῆς φάλαγγος. [6] γενομένης δὲ μάχης καρτερᾶς καὶ τῶν Ἑλλήνων ὑπερεχόντων ταῖς τε ἀρεταῖς καὶ ταῖς εὐχειρίαις πολὺς ἐγένετο φόνος τῶν βαρβάρων. ἤδη δὲ φευγόντων τῶν διαβεβηκότων ἡ πᾶσα δύναμις τῶν Καρχηδονίων περαιωθεῖσα τὸ ρεῖθρον διωρθώσατο τὴν τῶν ἰδίων ἥτταν. 80. καινοποιηθείσης δὲ τῆς μάχης καὶ τῶν Φοινίκων τῷ πλήθει περιχεομένων τοὺς Ἑλληνας ἄφνω πολὺς ἐκ τοῦ περιέχοντος ὄμβρος κατερράγη καὶ χαλάξης εὐμεγέθους πλῆθος, ἀστραπαὶ τε καὶ βρονταὶ μετὰ πνευμάτων μεγάλων κατέσκηπτον: καὶ τούτων ἀπάντων θυελλοφορουμένων τοῖς μὲν Ἑλλήσι κατὰ νότου, τοῖς δὲ βαρβάροις κατὰ πρόσωπον οἱ μὲν περὶ τὸν Τιμολέοντα τὸ σύμπτωμα ῥαδίως ὑπέμενον, οἱ δὲ **ΦΟΙΝΙΚΕΣ** τὸ μέγεθος τῆς περιστάσεως φέρειν ἀδυνατοῦντες, ἅμα δὲ καὶ τῶν Ἑλλήνων ἐπικειμένων, πρὸς φυγὴν ὥρμησαν. [2] πάντων δ' ἐπὶ τὸν ποταμὸν τρεπομένων, ἀναμιξ ἱππέων τε καὶ πεζῶν, καὶ τῶν ἀρμάτων ἅμα τούτοις φυρομένων οἱ μὲν ὑπ' ἀλλήλων συμπατούμενοι καὶ **ΤΟΙΣ** τῶν συμμάχων ξίφεσι καὶ λόγχαις περιπειρόμενοι τὴν συμφορὰν ἔσχον ἀβοήθητον, οἱ δ' ὑπὸ τῶν παρὰ τοῖς πολεμίους ἱππέων εἰς τὸ τοῦ ποταμοῦ ρεῖθρον ἀγεληδὸν συνελανόμενοι καὶ κατὰ νότου τὰς πληγὰς λαμβάνοντες ἀπέθνησκον. [3] πολλοὶ δὲ ἄνευ πολεμίας πληγῆς διεφθείροντο σωρευομένων τῶν σωμάτων διὰ τε τὸν φόβον καὶ τὸ πλῆθος καὶ διὰ τὰς ἐν τῷ ρεῖθρῳ δυσχερείας. τὸ δὲ μέγιστον, λάβρων γεγεννημένων τῶν ὄμβρων ὁ ποταμὸς βιασιτέρῳ τῷ ρεύματι καταφερόμενος πολλοὺς ἐβάπτισε καὶ μετὰ τῶν ὅπλων διανηχομένους διέφθειρε. [4] τέλος δὲ τῶν Καρχηδονίων οἱ μὲν τὸν ἱερὸν λόχον

ἀναπληροῦντες καὶ τὸν μὲν ἀριθμὸν ὄντες δισχιλίοι καὶ πεντακόσιοι, ταῖς δ' ἄρεταῖς καὶ δόξαις, ἔτι δὲ ταῖς οὐσίαις πρωτεύοντες ἅπαντες ἀγωνισάμενοι λαμπρῶς κατεκόπησαν. [5] τῶν δ' ἄλλων τῶν συστρατευομένων αὐτοῖς ἀπέθανον πλείους τῶν μυρίων, αἰχμάλωτοι δ' ἐλήφθησαν οὐκ ἐλάττους τῶν μυρίων καὶ πεντακισχιλίων. τῶν δὲ ἄρμάτων τὰ μὲν πολλὰ συνετριβή κατὰ τὸν ἀγῶνα, διακόσια δ' ἦλω: τὰ δὲ σκευοφόρα καὶ τὰ ζεύγη καὶ τὰ πλήθη τῶν ἀμαξῶν ὑποχείρια τοῖς Ἑλλήσιν ἐγένετο. [6] τῶν δ' ὅπλων τὰ πολλὰ μὲν ὑπὸ τοῦ ποταμοῦ διεφθάρη, ἐπὶ δὲ τὴν τοῦ Τιμολέοντος σκηνὴν χίλιοι μὲν θώρακες, ἀσπίδες δὲ πλείους τῶν μυρίων ἀπηνέχθησαν. τούτων δ' ὕστερον τὰ μὲν ἐν τοῖς ἐν Συρακούσαις ναοῖς ἀνετέθη, τὰ δὲ τοῖς συμμάχοις διμερίσθη, τινὰ δ' εἰς Κόρινθον Τιμολέων ἀπέστειλε, προστάξας εἰς τὸ τοῦ Ποσειδῶνος ἱερὸν ἀναθεῖναι. 81. πολλῶν δὲ καὶ χρημάτων καταληφθέντων διὰ τὸ τοὺς Καρχηδόνιους ἐσχηκέναι πλῆθος ἐκπωμάτων ἀργυρῶν τε καὶ χρυσῶν, ἔτι δὲ τὸν ἄλλον κόσμον ὑπερβάλλοντα διὰ τὸ μέγεθος τῆς παρ' αὐτοῖς εὐπορίας ἅπαντα συνεχώρησε τοῖς στρατιώταις ἔχειν ἔπαθλα τῆς ἀνδραγαθίας. [2] τῶν δὲ Καρχηδονίων οἱ διαφυγόντες τὸν ἐν τῇ μάχῃ κίνδυνον μόγις εἰς τὸ Λιλύβαιον διεσώθησαν. τοσαύτη δ' αὐτοὺς κατάπληξις καὶ δέος κατεῖχεν ὥστε μὴ τολμᾶν εἰς τὰς ναῦς ἐμβαίνειν μηδ' ἀποπλεῖν εἰς τὴν Λιβύην, ὥς διὰ τὴν τῶν θεῶν ἄλλοτριότητα πρὸς αὐτοὺς ὑπὸ τοῦ Λιβυκοῦ πελάγους καταποθησομένους. [3] οἱ δ' ἐν τῇ Καρχηδόνι τὸ μέγεθος πυθόμενοι τῆς συμφορᾶς συνετριβήσαν ταῖς ψυχαῖς καὶ συντόμως ὑπελάμβανον ἥξειν ἐπ' αὐτοὺς τὸν Τιμολέοντα μετὰ τῆς δυνάμεως. εὐθὺς δὲ Γέσκωνα τὸν Ἄννωνος πεφυγαδευμένον κατήγαγον καὶ στρατηγὸν ἀπέδειξαν διὰ τὸ δοκεῖν τόλμη τε καὶ στρατηγία διαφέρειν. [4] αὐτοὶ δ' ἔκριναν πολιτικοῖς μὲν σώμασι μὴ διακινδυνεύειν, μισθοφόρους δὲ ἄλλοθενεῖς ἀθροίζειν καὶ μάλιστα Ἑλλήνας: ὑπακούσεσθαι δ' αὐτοῖς πρὸς τὴν στρατείαν πολλοὺς ὑπελάμβανον διὰ τὸ μέγεθος τῆς μισθοφορᾶς καὶ τὴν εὐπορίαν τῆς Καρχηδόνας. εἰς δὲ τὴν Σικελίαν τοὺς εὐθέτους πρέσβεις ἐξέπεμψαν, προστάξαντες ἐφ' οἷς ἂν ἡ δυνατόν συνθέσθαι τὴν εἰρήνην. 82.

τοῦ δ' ἔτους τούτου διελθόντος Ἀθήνησι μὲν ἦρχε Λυσιμαχίδης, ἐν Ῥώμῃ δ' ὑπατοὶ καθειστήκεισαν Κόιντος Σερουίλιος καὶ Μάρκος Ρουτίλιος. ἐπὶ δὲ τούτων Τιμολέων ἐπανελθὼν εἰς Συρακούσας πρῶτον μὲν τοὺς ἐγκαταλιπόντας αὐτὸν μισθοφόρους τοὺς μετὰ Θρασίου πάντας ἐκ τῆς πόλεως ὡς προδότας ὄντας ἐξέβαλεν. [2] οὗτοι δ' εἰς τὴν Ἰταλίαν διαβάντες καὶ χωρίον τι παραθαλάττιον ἐν τῇ Βρεττία καταλαβόμενοι διήρπασαν. οἱ δὲ Βρέττιοι παροξυνθέντες εὐθὺς μετὰ δυνάμεως πολλῆς ἐστράτευσαν ἐπ' αὐτοὺς καὶ τὸ χωρίον ἐκπολιορκήσαντες ἅπαντας κατηκόντισαν. οἱ μὲν οὖν καταλιπόντες τὸν Τιμολέοντα μισθοφόροι τῆς ἰδίας παρανομίας ἐπάθλου τοιαύτης συμφορᾶς ἔτυχον: [3] ὁ δὲ Τιμολέων Ποστόμιον τὸν Τυρρηνὸν δώδεκα ληστρίσι τοὺς πλέοντας ληϊζόμενον καὶ καταπλεύσαντα εἰς Συρακούσας ὡς φίλον συλλαβὼν ἐθανάτωσεν. ὑπεδέξατο δὲ καὶ τοὺς ὑπὸ Κορινθίων ἐκπεμφθέντας οἰκήτορας φιλοφρόνως, ὄντας τὸν ἀριθμὸν πεντακισχιλίων. μετὰ δὲ ταῦτα τῶν Καρχηδονίων διαπρεσβευσασμένων καὶ πολλὰ δεηθέντων συνεχώρησεν αὐτοῖς τὴν εἰρήνην ὥστε τὰς μὲν Ἑλληνίδας

πόλεις ἀπάσας ἐλευθέρας εἶναι, τὸν δὲ Λύκον καλούμενον ποταμὸν ὄριον εἶναι τῆς ἐκατέρων ἐπικρατείας· μὴ ἐξεῖναι δὲ Καρχηδονίοις βοηθῆσαι τοῖς τυράννοις τοῖς πολεμοῦσι πρὸς Συρακοσίους. [4] μετὰ δὲ ταῦτα τὸν μὲν Ἰκέταν καταπολεμήσας ἐθανάτωσε, τοὺς δ' ἐν Αἴτνῃ Καμπανοὺς ἐκπολιορκήσας διέφθειρε. καὶ Νικόδημον μὲν τὸν Κεντοριπίνων τύραννον καταπληξάμενος ἐξέβαλεν ἐκ τῆς πόλεως, Ἀπολλωνιάδην δὲ τὸν Ἀγυριναίων δυνάστην παύσας τῆς τυραννίδος τοὺς ἐλευθερωθέντας Συρακοσίους ἐποίησε. καθόλου δὲ πάντας τοὺς κατὰ τὴν νῆσον τυράννους ῥιζοτομήσας καὶ τὰς πόλεις ἐλευθερώσας εἰς τὴν συμμαχίαν προσεδέξατο. [5] κηρύξαντος δ' αὐτοῦ κατὰ τὴν Ἑλλάδα διότι Συρακόσιοι διδῶσι χώραν καὶ οἰκίας τοῖς βουλομένοις μετέχειν τῆς ἐν Συρακούσσαις πολιτείας πολλοὶ πρὸς τὴν κληρουχίαν Ἑλλήνες ἀπῆντησαν· τέλος δὲ οἰκῆτορες ἀπεδείχθησαν εἰς μὲν τὴν Συρακοσίαν τὴν ἀδιαιρετον τετρακισμῦριοι, εἰς δὲ τὴν Ἀγυριναίαν μῦριοι διὰ τὸ μέγεθος καὶ κάλλος τῆς χώρας. [6] εὐθὺς δὲ καὶ τοὺς προϋπάρχοντας νόμους ἐν ταῖς Συρακούσσαις, οὓς συνέγραψε Διοκλῆς, διώρθωσε. καὶ τοὺς μὲν περὶ τῶν ιδιωτικῶν συμβολαίων ἢ κληρονομιῶν εἵασεν ἀμεταθέτους, τοὺς δὲ περὶ τῶν δημοσίων νενομοθετημένους πρὸς τὴν ἰδίαν ὑπόστασιν ὥς ποτ' ἐδόκει συμφέρειν διώρθωσεν. [7] ἐπιστάτης δ' ἦν καὶ διορθωτῆς τῆς νομοθεσίας Κέφαλος ὁ Κορίνθιος, ἀνὴρ ἐν παιδείᾳ καὶ συνέσει δεδοξασμένος. ἀπὸ δὲ τούτων γενόμενος τοὺς μὲν Λεοντίνους εἰς Συρακούσας μετόκισεν, εἰς δὲ τὴν Καμαριναίαν οἰκῆτορας προσθεὶς ἐπηύξησε τὴν πόλιν. 83. καθόλου δὲ πάντα τὰ κατὰ τὴν Σικελίαν εἰρηνικῶς καταστήσας ἐποίησε τὰς πόλεις ταχὺ λαβεῖν πολλὴν αὐξήσιν πρὸς εὐδαιμονίαν. ἐκ πολλοῦ γὰρ χρόνου διὰ τὰς στάσεις καὶ τοὺς ἐμφυλίους πολέμους, ἔτι δὲ τὸ πλῆθος τῶν ἐπανισταμένων αἰεὶ τυράννων αἱ μὲν πόλεις ἔρημοι τῶν οἰκητόρων ἦσαν, αἱ δὲ χώραι διὰ τὴν ἀργίαν ἐξηγγρίωντο καὶ καρπῶν ἡμέρων ἄφοροι καθειστήκεισαν· τότε δὲ διὰ τὸ πλῆθος τῶν ἐπιπολασάντων οἰκητόρων καὶ διὰ τὴν πολυχρόνιον ἐπιγεγενημένην εἰρήνην ἐξημερώθησαν ταῖς ἐργασίαις καὶ πολλοὺς καὶ παντοδαποὺς ἐξήνεγκαν καρπούς. τούτους δ' οἱ Σικελιώται λυσιτελῶς πιπράσκοντες τοῖς ἐμπόροις ταχὺ προσανέδραμον ταῖς οὐσίαις. [2] τοιγαροῦν διὰ τὴν ἐκ τούτων εὐπορίαν πολλὰ καὶ μεγάλα κατεσκευάσθη κατ' ἐκείνους τοὺς χρόνους ἀναθήματα, ἐν μὲν ταῖς Συρακούσσαις ὁ κατὰ τὴν Μῆσον οἶκος ὁ ἐξηκοντάκλινος ὀνομαζόμενος, τῶν κατὰ τὴν Σικελίαν ἔργων ὑπεραίρων τῷ μεγέθει καὶ τῇ κατασκευῇ, ὃν κατεσκεύασε μὲν Ἀγαθοκλῆς ὁ δυνάστης, διὰ δὲ τὸ βάρος τῶν ἔργων ὑπεραίρων τοὺς τῶν θεῶν ναοὺς ἐπισημασίας ἔτυχεν ὑπὸ τοῦ δαιμονίου κεραυνωθείς, οἳ τε παρὰ τὸν μικρὸν λιμένα πύργοι, τὰς μὲν ἐπιγραφὰς ἔχοντες ἐξ ἑτερογενῶν λίθων, σημαίνοντες δὲ τὴν τοῦ κατασκευάσαντος αὐτοὺς προσηγορίαν Ἀγαθοκλέους, ὁμοίως δὲ τούτοις μικρὸν ὕστερον ὑπὸ Ἰέρωνος τοῦ βασιλέως τό τε κατὰ τὴν ἀγορὰν Ὀλυμπιεῖον καὶ ὁ πλησίον τοῦ θεάτρου βωμός, τὸ μὲν μῆκος ὦν σταδίου, τὸ δ' ὕψος καὶ πλάτος ἔχων τούτῳ κατὰ λόγον. [3] ἐν δὲ ταῖς ἐλάττωσι πόλεσιν, ἐν αἷς ἢ τῶν Ἀγυριναίων καταριθμεῖται, μετασχούσα τῆς τότε κληρουχίας διὰ τὴν προειρημένην ἐκ τῶν καρπῶν εὐπορίαν, θέατρον μὲν κατεσκεύασε μετὰ τὸ τῶν Συρακοσίων κάλλιστον τῶν κατὰ Σικελίαν, θεῶν τε ναοὺς καὶ

βουλευτήριον καὶ ἀγοράν, ἔτι δὲ πύργων ἀξιολόγους κατασκευὰς καὶ τάφους πυραμίδων πολλῶν καὶ μεγάλων διαφόρων ταῖς φιλοτεχνίαις. 84.

ἐπ' ἄρχοντας δ' Ἀθήνησι Χαράωνδου τὴν ὑπατον ἀρχὴν διεδέξαντο Λεύκιος Αἰμίλιος καὶ Γάιος Πλώτιος. ἐπὶ δὲ τούτων Φίλιππος ὁ βασιλεὺς τοὺς πλείστους τῶν Ἑλλήνων εἰς φιλίαν προηγμένος ἐφιλοτιμεῖτο καὶ τοὺς Ἀθηναίους καταπληξάμενος ἀδήριτον ἔχειν τὴν ἡγεμονίαν τῆς Ἑλλάδος. [2] διόπερ ἄφνω καταλαβόμενος Ἑλάτειαν πόλιν καὶ τὰς δυνάμεις εἰς ταύτην ἀθροίσας διέγνω πολεμεῖν τοῖς Ἀθηναίοις. ἀπαρασκευῶν δ' ὄντων αὐτῶν διὰ τὴν συντεθειμένην εἰρήνην ἡλιζε ῥαδίως περιποιήσεσθαι τὴν νίκην: ὅπερ καὶ συνετελέσθη. καταληφθείσης γὰρ τῆς Ἑλατείας ἤκόν τινες νυκτὸς ἀπαγγέλλοντες τὴν κατάληψιν τῆς πόλεως καὶ διότι ταχέως ἤξει Φίλιππος μετὰ τῆς δυνάμεως εἰς τὴν Ἀττικὴν. [3] οἱ δὲ στρατηγοὶ τῶν Ἀθηναίων διὰ τὸ παράδοξον τῆς πράξεως καταπλαγέντες τοὺς τε σαλπικτὰς μετεπέμποντο καὶ σημαίνειν προσέταττον δι' ὅλης τῆς νυκτὸς. τῆς δὲ φήμης εἰς πᾶσαν οἰκίαν διαδοθείσης ἡ μὲν πόλις ὀρθὴ διὰ τὸν φόβον ἦν, ὁ δὲ δῆμος ἅπας ἅμ' ἡμέρᾳ συνέδραμεν εἰς τὸ θέατρον πρὸ τοῦ συγκαλέσαι τοὺς ἄρχοντας ὡς ἦν ἔθος. [4] ὡς δ' ἦκον οἱ στρατηγοὶ καὶ τὸν μηνύσαντα παρῆγον κάκεῖνος εἶπεν, σιωπὴ μὲν καὶ φόβος κατεῖχε τὸ θέατρον καὶ τῶν εἰωθότων δημηγορεῖν οὐδεὶς ἐτόλμα συμβουλευσαι: πλεονάκις δὲ τοῦ κήρυκος καλέσαντος τοὺς ἐροῦντας ὑπὲρ τῆς κοινῆς σωτηρίας οὐδεὶς παρῆει σύμβουλος. [5] ἀπορίας οὖν μεγάλης οὔσης καὶ καταπλήξεως ἀπέβλεπε τὸ πλῆθος ἐπὶ τὸν Δημοσθένην. ὁ δ' καταβὰς καὶ τὸν δῆμον παρακαλέσας θαρρεῖν ἀπεφαίνετο δεῖν παραχρήμα πρέσβεις ἀποστέλλειν εἰς τὰς Θήβας καὶ παρακαλεῖν τοὺς Βοιωτοὺς κοινῇ τὸν ὑπὲρ τῆς ἐλευθερίας ἀγῶνα τίθεσθαι: πρὸς γὰρ τοὺς ἄλλους συμμάχους ὁ καιρὸς οὐ συνεχώρει πέμπειν πρεσβείας περὶ τῆς συμμαχίας. ἐν ἡμέραις γὰρ δυσὶ προσδόκιμος ἦν ὁ βασιλεὺς ἤξειν εἰς τὴν Ἀττικὴν καὶ τῆς ὁδοιπορίας οὔσης διὰ τῆς Βοιωτίας ἢ παρὰ τῶν Βοιωτῶν συμμαχία μόνῃ κατελείπετο, φανεροῦ γ' ὄντος ὅτι Φίλιππος, φίλος ὢν καὶ σύμμαχος Βοιωτοῖς, τούτους ἐν παρόδῳ πειράσεται παραλαβεῖν εἰς τὸν κατ' Ἀθηναίων πόλεμον. 85. τοῦ δὲ δήμου τὸν λόγον ἀποδεξαμένου καὶ τοῦ περὶ τῆς πρεσβείας ψηφίσματος ὑπὸ Δημοσθένους γραφέντος ὁ μὲν δῆμος ἐζήτει τὸν δυνατώτατον εἰπεῖν: ὁ δὲ Δημοσθένης ὑπήκουσε προθύμως πρὸς τὴν χρείαν. τέλος δ' ὀξέως πρεσβεύσας καὶ πείσας ἐπανῆλθεν εἰς τὰς Ἀθήνας. ὁ δὲ δῆμος τῇ τῶν Βοιωτῶν συμμαχίᾳ διπλασάσας τὴν προϋπάρχουσαν δύναμιν ἀνεθάρρηνσε ταῖς ἐλπίσιν. [2] εὐθὺ δὲ καὶ στρατηγοὺς κατέστησε τοὺς περὶ Χάρητα καὶ Λυσικλέα καὶ πανδημεῖ μετὰ τῶν ὅπλων ἐξέπεμψε τοὺς στρατιώτας εἰς τὴν Βοιωτίαν. τῶν δὲ νέων ἀπάντων προθύμως εἰς τὸν ἀγῶνα καταντώντων οὗτοι μὲν κατὰ σπουδὴν ὁδοιπορήσαντες ἦκον εἰς Χαιρώνειαν τῆς Βοιωτίας: οἱ δὲ Βοιωτοὶ θαυμάσαντες τὴν ὀξύτητα τῆς τῶν Ἀθηναίων παρουσίας καὶ αὐτοὶ σπουδῆς οὐδὲν ἐλλείποντες ἀπήντησαν μετὰ τῶν ὅπλων καὶ κοινῇ στρατοπεδεύσαντες ὑπέμενον τὴν τῶν πολεμίων ἔφοδον. [3] Φίλιππος δὲ τὸ μὲν πρῶτον ἐξέπεμψεν ἐπὶ τὸ κοινὸν τῶν Βοιωτῶν πρέσβεις, ὧν ἦν ἐπιφανέστατος Πύθων. οὗτος γὰρ διαβεβοημένος ἐπὶ τῇ τοῦ λόγου δεινότητι καὶ συγκριθεὶς παρὰ τοῖς Βοιωτοῖς κατὰ τὴν περὶ τῆς συμμαχίας δημηγορίαν

πρὸς Δημοσθένην τῶν μὲν ἄλλων ἐπρώτευσεν, τούτου δὲ ἐφάνη καταδεέστερος. [4] καὶ ὁ Δημοσθένης δὲ αὐτὸς ὡς μέγα τι κατειργασμένος ἐν τοῖς συγγεγραμμένοις ὑπ' αὐτοῦ λόγοις συμνύνεται τῇ πρὸς τὸν ῥήτορα τοῦτον δημηγορίᾳ ἐν οἷς λέγει "τότ' ἐγὼ μὲν τῷ Πύθωνι θρασυνομένῳ καὶ πολλῷ ῥέοντι καθ' ὑμῶν οὐχ ὑπεχώρησα." Dem. 18.136 [5] μετὰ δὲ ταῦθ' ὁ Φίλιππος ἀποτυχὼν τῆς τῶν Βοιωτῶν συμμαχίας οὐδὲν ἤττον ἔκρινε πρὸς ἀμφοτέρους διαγωνίσασθαι: διὸ καὶ προσαναμείνας τοὺς ἀφυστεροῦντας τῶν συμμάχων ἤκεν εἰς τὴν Βοιωτίαν, ἔχων πεζοὺς μὲν πλείους τῶν τρισυμυρίων, ἵππεῖς δὲ οὐκ ἔλαττον τῶν δισχιλίων. [6] ἀμφοτέρων δὲ πρὸς τὴν μάχην εὐτρεπῶν γενομένων τοῖς μὲν φρονήμασι καὶ ταῖς προθυμίαις, ἔτι δὲ ταῖς ἀνδραγαθίαις ἐφάμιλλοι καθειστήκεισαν, τῷ δὲ πλήθει καὶ τῇ κατὰ τὴν στρατηγίαν ἀρετῇ προεῖχεν ὁ βασιλεὺς. [7] πολλὰς γὰρ καὶ ποικίλας παρατάξεις ἠγωνισμένος καὶ ἐν ταῖς πλείσταις μάχαις νενικηκὼς μεγάλην εἶχεν ἐμπειρίαν τῶν κατὰ πόλεμον ἔργων. παρὰ δὲ τοῖς Ἀθηναίοις οἱ μὲν ἀγαθώτατοι τῶν στρατηγῶν ἐτετελευτήκεισαν, Ἰφικράτης καὶ Χαβρίας, ἔτι δὲ Τιμόθεος, τῶν δ' ὑπολειμμένων Χάρης πρωτεύων οὐδὲν διέφερε τῶν τυχόντων ἰδιωτῶν κατὰ τὴν ἐν τῷ στρατηγεῖν ἐνέργειαν καὶ βουλήν. 86. ἅμα δ' ἡμέρᾳ τῶν δυνάμεων ἐκταττομένων ὁ μὲν βασιλεὺς τὸν υἱὸν Ἀλέξανδρον, ἀντίπαιδα τὴν ἡλικίαν ὄντα, διάδηλον δὲ τὴν ἀνδρείαν καὶ τὴν οὐζύτητα τῆς ἐνεργείας ἔχοντα, κατέστησεν ἐπὶ θάτερον τῶν κεράτων, παρακαταστήσας αὐτῷ τῶν ἡγεμόνων τοὺς ἀξιολογωτάτους: αὐτὸς δὲ τοὺς ἐπιλέκτους ἔχων μεθ' ἑαυτοῦ τὴν ἡγεμονίαν εἶχε τοῦ ἐτέρου μέρους καὶ τὰς κατὰ μέρος τάξεις οἰκείως τοῖς παροῦσι καιροῖς διεκόσμησεν. [2] οἱ δ' Ἀθηναῖοι κατ' ἔθνος τὴν διαίρεσιν τῆς τάξεως ποιησάμενοι τοῖς μὲν Βοιωτοῖς τὸ ἕτερον μέρος παρέδωκαν, αὐτοὶ δὲ τοῦ λοιποῦ τὴν ἡγεμονίαν εἶχον. γενομένης δὲ μάχης καρτερὰς ἐπὶ πολὺν χρόνον καὶ πολλῶν πιπτόντων παρ' ἀμφοτέροις μέχρι μὲν τινος ὁ ἀγὼν ἀμφιδοξουμένης εἶχε τὰς ἐλπίδας τῆς νίκης. [3] μετὰ δὲ ταῦτα τοῦ Ἀλεξάνδρου φιλοτιμουμένου τῷ πατρὶ τὴν ἰδίαν ἀνδραγαθίαν ἐνδείξασθαι καὶ φιλοτιμίας ὑπερβολὴν οὐκ ἀπολείποντος, ὁμοίως δὲ καὶ πολλῶν αὐτῷ συναγωνιζομένων ἀνδρῶν ἀγαθῶν πρῶτος τὸ συνεχές τῆς τῶν πολεμίων τάξεως ἔρρηξε καὶ πολλοὺς καταβαλὼν κατεπόνει τοὺς καθ' αὐτὸν τεταγμένους. [4] τὸ δ' αὐτὸ καὶ τῶν παραστατῶν αὐτῷ ποιησάντων τὸ συνεχές αἰεὶ τῆς τάξεως παρερρήγγυτο. πολλῶν δὲ σωρευομένων νεκρῶν οἱ περὶ τὸν Ἀλέξανδρον πρῶτοι βιασάμενοι τοὺς καθ' αὐτοὺς ἐτρέψαντο. μετὰ δὲ ταῦτα καὶ ὁ βασιλεὺς αὐτὸς προκινδυνεύων καὶ τῆς νίκης τὴν ἐπιγραφὴν οὐδ' αὐτῷ παραχωρῶν Ἀλεξάνδρῳ τὸ μὲν πρῶτον ἐξέωσε τῇ βίᾳ τοὺς ἀντιτεταγμένους, ἔπειτα δὲ καὶ φεύγειν συναναγκάσας αἴτιος ἐγένετο τῆς νίκης. [5] τῶν δ' Ἀθηναίων ἔπεσον μὲν ἐν τῇ μάχῃ πλείους τῶν χιλίων, ἤλωσαν δ' οὐκ ἐλάττους τῶν δισχιλίων. [6] ὁμοίως δὲ καὶ τῶν Βοιωτῶν πολλοὶ μὲν ἀνῆρέθησαν, οὐκ ὀλίγοι δ' ἐζωγρήθησαν. μετὰ δὲ τὴν μάχην ὁ Φίλιππος τρόπαιον στήσας καὶ τοὺς νεκροὺς εἰς ταφὴν συγχωρήσας ἐπινίκια τοῖς θεοῖς ἔθυσσε καὶ τοὺς ἀνδραγαθήσαντας κατὰ τὴν ἀξίαν ἐτίμησεν. 87.

Λέγουσι δὲ τινες ὅτι καὶ παρὰ τὸν πότον πολὺν ἐμφορησάμενος ἄκρατον καὶ μετὰ τῶν φίλων τὸν ἐπινίκιον ἄγων κῶμον διὰ μέσων τῶν αἰχμαλώτων

ἐβράδιζεν ὑβρίζον διὰ λόγων τὰς τῶν ἀκληρούντων δυστυχίας. Δημάδην δὲ τὸν ῥήτορα κατ' ἐκείνον τὸν καιρὸν ἐν τοῖς αἰχμαλώτοις ὄντα χρήσασθαι παρρησία καὶ λόγον ἀποφθεγγέσασθαι δυνάμενον ἀναστεῖλαι τὴν τοῦ βασιλέως ἀσέλγειαν. [2] φασὶ γὰρ εἰπεῖν αὐτόν, βασιλεῦ, τῆς τύχης σοι περιθείσης πρόσωπον Ἀγαμέμνωνος αὐτὸς οὐκ αἰσχύνῃ πράττων ἔργα Θεορίτου; τὸν δὲ Φίλιππον τῇ τῆς ἐπιπλήξεως εὐστοχίᾳ κινηθέντα τοσοῦτο μεταβαλεῖν τὴν ὅλην διάθεσιν ὥστε τοὺς μὲν στεφάνους ἀπορρίψαι, τὰ δὲ συνακολουθοῦντα κατὰ τὸν κῶμον σύμβολα τῆς ὕβρεως ἀποτρίψασθαι, τὸν δ' ἄνδρα τὸν χρησάμενον τῇ παρρησίᾳ θαυμάσαι καὶ τῆς αἰχμαλωσίας ἀπολύσαντα πρὸς ἑαυτὸν ἀναλαβεῖν ἐντίμως. [3] τέλος δ' ὑπὸ τοῦ Δημάδου καθομιληθέντα ταῖς Ἀττικαῖς χάρισι πάντα ἀπολῦσαι τοὺς αἰχμαλώτους ἄνευ λύτρων, καθόλου δ' ἀποθέμενον τὴν ἐκ τῆς νίκης ὑπερηφανίαν πρέσβεις ἀποστεῖλαι πρὸς τὸν δῆμον τῶν Ἀθηναίων καὶ συνθέσθαι πρὸς αὐτοὺς φιλίαν τε καὶ συμμαχίαν, εἰς δὲ τὰς Θήβας φρουρὰν ἐγκαταστήσαντα συγχωρῆσαι τὴν εἰρήνην τοῖς Βοιωτοῖς. 88.

Οἱ δ' Ἀθηναῖοι μετὰ τὴν ἦτταν Λυσικλέους μὲν τοῦ στρατηγοῦ θάνατον κατέγνωσαν Λυκούργου τοῦ ῥήτορος κατηγορήσαντος. οὗτος γὰρ τῶν τότε ῥητόρων μέγιστον ἔχων ἀξίωμα καὶ δώδεκα μὲν ἔτη τὰς προσόδους τῆς πόλεως διοικήσας ἐπαινουμένως, βίον δ' ἐζηκῶς ἐπ' ἀρετῇ περιβόητον πικρότατος ἦν ἐν τοῖς λόγοις κατήγορος. [2] γνοίῃ δ' ἂν τις αὐτοῦ τὴν ἐν τοῖς λόγοις ἀξίαν καὶ πικρίαν ἐν οἷς τοῦ Λυσικλέους κατηγορῶν λέγει, Ἑστρατήγεις, ὦ Λύσικλες, καὶ χιλίων μὲν πολιτῶν τετελευτηκότων, δισχιλίων δ' αἰχμαλώτων γεγονότων, τροπαιοῦ δὲ κατὰ τῆς πόλεως ἐστηκότος, τῆς δ' Ἑλλάδος ἀπάσης δουλευούσης, καὶ τούτων ἀπάντων γεγεννημένων σοῦ ἡγουμένου καὶ στρατηγοῦντος τολμᾷς ζῆν καὶ τὸ τοῦ ἡλίου φῶς ὄρᾶν καὶ εἰς τὴν ἀγορὰν ἐμβάλλειν, ὑπόμνημα γεγονῶς αἰσχύνης καὶ ὀνειδούς τῇ πατρίδι. [3]

ἴδιον δέ τι συνέβη γενέσθαι κατὰ τοὺς ὑποκειμένους χρόνους. καθ' ὃν γὰρ καιρὸν ἢ περὶ τὴν Χαιρώνειαν ἐγένετο μάχη, ἐτέρα παράταξις συνέστη κατὰ τὴν Ἰταλίαν τῇ αὐτῇ ἡμέρᾳ καὶ ὥρᾳ διαπολεμούντων μὲν Ταραντίνων πρὸς Λευκανοῦς, συναγωνιζομένου δὲ τοῖς Ταραντίνοις Ἀρχιδάμου τοῦ Λακεδαιμονίων βασιλέως, ὅτε συνέβη καὶ αὐτὸν ἀναιρεθῆναι τὸν Ἀρχίδαμον. [4] οὗτος μὲν οὖν ἤρξε τῶν Λακεδαιμονίων ἔτη εἴκοσι τρία, τὴν δὲ βασιλείαν διαδεξάμενος ὁ υἱὸς Ἅγις ἤρξεν ἔτη ἑννέα. [5]

ἅμα δὲ τούτοις πραττομένοις Τιμόθεος ὁ τῆς Ἡρακλείας τῆς ἐν τῷ Πόντῳ τύραννος ἐτελεύτησε δυναστεύσας ἔτη πεντεκαίδεκα, τὴν δὲ τυραννίδα διαδεξάμενος ὁ ἀδελφὸς Διονύσιος ἤρξεν ἔτη δυοὶ πλείω τῶν τριάκοντα. 89.

ἐπ' ἄρχοντος δ' Ἀθήνησι Φρυνίχου Ῥωμαῖοι κατέστησαν ὑπάτους Τίτον Μάλλιον Τορκουᾶτον καὶ Πόπλιον Δέκιον. ἐπὶ δὲ τούτων Φίλιππος ὁ βασιλεὺς πεφρονηματισμένος τῇ περὶ Χαιρώνειαν νίκῃ καὶ τὰς ἐπιφανεστάτας πόλεις καταπεπληγμένος ἐφιλοτιμεῖτο γενέσθαι πάσης τῆς Ἑλλάδος ἡγεμών. [2] διαδοὺς δὲ λόγον ὅτι βούλεται πρὸς Πέρσας ὑπὲρ τῶν Ἑλλήνων πόλεμον ἄρασθαι καὶ λαβεῖν παρ' αὐτῶν δίκας ὑπὲρ τῆς εἰς τὰ ἱερὰ γενομένης παρανομίας ἰδίους τοὺς Ἕλληνας ταῖς εὐνοίαις ἐποίησατο. φιλοφρονούμενος δὲ πρὸς ἅπαντας καὶ ἰδίᾳ καὶ κοινῇ ταῖς πόλεσιν ἀπεφαίνετο βούλεσθαι

διαλεχθῆναι περὶ τῶν συμφερόντων.^[3] διόπερ ἐν Κορίνθῳ τοῦ κοινοῦ συνεδρίου συναχθέντος διαλεχθεὶς περὶ τοῦ πρὸς Πέρσας πολέμου καὶ μεγάλας ἐλπίδας ὑποθείς προετρέψατο τοὺς συνέδρους εἰς πόλεμον. τέλος δὲ τῶν Ἑλλήνων ἐλομένων αὐτὸν στρατηγὸν αὐτοκράτορα τῆς Ἑλλάδος μεγάλας παρασκευὰς ἐποιεῖτο πρὸς τὴν ἐπὶ τοὺς Πέρσας στρατείαν. διατάξας δ' ἐκάστη πόλει τὸ πλῆθος τῶν εἰς συμμαχίαν στρατιωτῶν ἐπανήλθεν εἰς τὴν Μακεδονίαν. καὶ τὰ μὲν περὶ Φίλιππον ἐν τούτοις ἦν. 90.

κατὰ δὲ τὴν Σικελίαν Τιμολέων ὁ Κορίνθιος ἅπαντα τοῖς Συρακοσίοις καὶ τοῖς Σικελιώταις κατωρθωκῶς ἐτελεύτησε, στρατηγήσας ἔτη ὀκτώ. οἱ δὲ Συρακόσιοι μεγάλως ἀποδεδεγμένοι τὸν ἄνδρα διὰ τε τὴν ἀρετὴν καὶ τὸ μέγεθος τῶν εὐεργεσιῶν μεγαλοπρεπῶς ἔθαψαν αὐτὸν καὶ κατὰ τὴν ἐκφορὰν ἀθροισθέντος τοῦ πλήθους τότε τὸ ψήφισμα ἀνηγόρευσεν ὁ Δημήτριος ὃς ἦν μεγαλοφρονότατος τῶν τότε κηρύκων: ἐψηφίσται ὁ δᾶμος τῶν Συρακοσίων Τιμολέοντα Τιμαιοῦ Κορίνθιον τόνδε θάπτειν μὲν ἀπὸ διακοσιῶν μνᾶν, τιμᾶσθαι δὲ εἰς τὸν ἅπαντα χρόνον ἀγώνεσσι μουσικοῖς καὶ ἵπτικοῖς καὶ γυμνικοῖς, ὅτι τοὺς τυράννους καταλύσας καὶ τοὺς βαρβάρους καταπολεμήσας καὶ τὰς μεγίστας τῶν Ἑλληνίδων πόλεων ἀνοικίσας αἴτιος ἐγενήθη τᾶς ἐλευθερίας τοῖς Σικελιώταις.^[2]

περὶ δὲ τοὺς αὐτοὺς καιροὺς Ἀριοβαρζάνης μὲν ἐτελεύτησεν βασιλεύσας ἔτη εἴκοσι καὶ ἕξ, τὴν δὲ βασιλείαν διαδεξάμενος Μιθριδάτης ἥρξεν ἔτη πέντε πρὸς τοῖς τριάκοντα. Ῥωμαῖοι δὲ πρὸς Λατίνους καὶ Καμπανοὺς παραταξάμενοι περὶ πόλιν Σούεσσαν ἐνίκησαν καὶ τῶν ἡττηθέντων μέρος τῆς χώρας ἀφείλοντο. ὁ δὲ κατωρθωκῶς τὴν μάχην Μάλλιος ὁ ὕπατος ἐθριάμβευσεν. 91.

ἐπ' ἄρχοντος δ' Ἀθήνησι Πυθοδώρου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Κόιντον Πόπλιον καὶ Τιβέριον Αἰμίλιον Μάμερκον, Ὀλυμπιάς δ' ἤχθη πρώτη πρὸς ταῖς ἑκατὸν καὶ δέκα, καθ' ἣν ἐνίκα στάδιον Κλεόμαντις Κλειτόριος.^[2] ἐπὶ δὲ τούτων Φίλιππος ὁ βασιλεὺς ἡγεμὼν ὑπὸ τῶν Ἑλλήνων καθεσταμένος καὶ τὸν πρὸς Πέρσας πόλεμον ἐνστησάμενος Ἄτταλον μὲν καὶ Παρμενίωνα προαπέστειλεν εἰς τὴν Ἀσίαν, μέρος τῆς δυνάμεως δοὺς καὶ προστάξας ἐλευθεροῦν τὰς Ἑλληνίδας πόλεις, αὐτὸς δὲ σπεύδων μὲν μετὰ τῆς τῶν θεῶν γνώμης ἐπανελθεῖν τὸν πόλεμον ἐπηρώτησε τὴν Πυθίαν εἰ κρατήσῃ τοῦ βασιλέως τῶν Περσῶν. ἡ δ' ἔχρησεν αὐτῷ τόνδε τὸν χρησμόν:” ἔστεπται μὲν ὁ ταῦρος, ἔχει τέλος, ἔστιν ὁ θύσων.

“^[3] ὁ μὲν οὖν Φίλιππος σκολιῶς ἔχοντας τοῦ χρησμοῦ πρὸς τὸ ἴδιον συμφέρον ἐξεδέχετο τὸ λόγιον, ὥς τοῦ μαντείου προλέγοντος τὸν Πέρσῃν ἱερείου τρόπον τυθήσεσθαι: τὸ δ' ἀληθὲς οὐχ οὕτως εἶχεν, ἀλλὰ τοῦναντίον ἐσήμαιεν ἐν πανηγύρει καὶ θεῶν θυσίαις τὸν Φίλιππον ὥσπερ τὸν ταῦρον ἐστεμμένον σφαγήσεσθαι.^[4] οὐ μὴν ἀλλὰ δόξας συμμαχεῖν αὐτῷ τοὺς θεοὺς περιχαρὴς ἦν, ὥς τῆς Ἀσίας ὑπὸ Μακεδόνας ἐσομένης αἰχμαλώτου. εὐθὺς οὖν θυσίας μεγαλοπρεπεῖς ἐπετέλει τοῖς θεοῖς καὶ τῆς θυγατρὸς Κλεοπάτρας τῆς ἐξ Ὀλυμπιάδος συνετέλει γάμους καὶ ταύτην Ἀλεξάνδρῳ συνώκισε τῷ βασιλεῖ τῶν Ἡπειρωτῶν, ἀδελφῷ δὲ ὄντι γηνησίῳ τῆς Ὀλυμπιάδος.^[5] ἅμα δὲ ταῖς τῶν θεῶν τιμαῖς βουλόμενος ὥς πλείστους τῶν Ἑλλήνων μετασχεῖν τῆς

εὐωχίας ἀγῶνάς τε μουσικοὺς μεγαλοπρεπεῖς ἐποίει καὶ λαμπρὰς ἐστιάσεις τῶν φίλων καὶ ξένων. [6] διόπερ ἐξ ἀπάσης τῆς Ἑλλάδος μετεπέμπετο τοὺς ἰδιοξένους καὶ τοῖς ἑαυτοῦ φίλοις παρήγγειλε παραλαμβάνειν τῶν ἀπὸ τῆς ξένης γνωρίμων ὡς πλείστους. σφόδρα γὰρ ἐφιλοτιμεῖτο φιλοφρονεῖσθαι πρὸς τοὺς Ἕλληνας καὶ διὰ τὰς δεδομένας αὐτῷ τῆς ὅλης ἡγεμονίας τιμὰς ταῖς προσηκούσαις ὁμιλίαις ἀμείβεσθαι. 92. τέλος δὲ πολλῶν πανταχόθεν πρὸς τὴν πανήγυριν συρρεόντων καὶ τῶν ἀγώνων καὶ γάμων συντελουμένων ἐν Αἰγείαις τῆς Μακεδονίας οὐ μόνον κατ' ἄνδρα τῶν ἐπιφανῶν ἐστεφάνωσαν αὐτὸν χρυσοῖς στεφάνοις, ἀλλὰ καὶ τῶν ἀξιολόγων πόλεων αἱ πλείους, ἐν αἷς ἦν καὶ ἡ τῶν Ἀθηναίων. [2] ἀναγορευομένου δὲ τοῦ στεφάνου τούτου διὰ τοῦ κήρυκος τὸ τελευταῖον εἶπεν, ἂν τις ἐπιβουλεύσας Φιλίππῳ τῷ βασιλεῖ καταφύγῃ πρὸς Ἀθηναίους, παραδόσιμον εἶναι τοῦτον. διὰ δὲ τῆς αὐτοματιζούσης φήμης ὥσπερ θεία τινὶ προνοία διεσήμεινε τὸ δαιμόνιον τὴν ἐσομένην ἐπιβουλὴν εὐθὺς τῷ Φιλίππῳ. [3] ἀκολούθως δὲ τούτοις καὶ ἕτεραί τινες ὥσπερ ἐνθεάζουσαι ἐγένοντο φωναί, προδηλοῦσαι τὴν τοῦ βασιλέως καταστροφὴν. ἐν γὰρ τῷ βασιλικῷ πότῳ Νεοπτόλεμος ὁ τραγῳδός, πρωτεύων τῇ μεγαλοφωνίᾳ καὶ τῇ δόξῃ, προστάξαντος αὐτῷ τοῦ Φιλίππου προενέγκασθαι τῶν ἐπιτετευγμένων ποιημάτων καὶ μάλιστα τῶν ἀνηκόντων πρὸς τὴν κατὰ τῶν Περσῶν στρατείαν, ὁ μὲν τεχνίτης κρίνας οἰκεῖον ὑποληφθήσεσθαι τὸ ποίημα τῇ διαβάσει τοῦ Φιλίππου καὶ τὴν εὐδαιμονίαν ἐπιπληξάει βουλόμενος τοῦ Περσῶν βασιλέως, καίπερ οὖσαν μεγάλην καὶ περιβόητον, ὅπως μεταπέσοι ποτ' ἂν εἰς τοῦναντίον ὑπὸ τῆς τύχης ἥρξατο λέγειν τόδε τὸ ποίημα:” φρονεῖτε νῦν αἰθέρος ὑψηλότερον

καὶ μεγάλων πεδίων ἀρούρας,
φρονεῖθ' ὑπερβαλλόμενοι
δόμων δόμους, ἀφροσύνα
πρόσω βιοτὰν τεκμαιρόμενοι.
ὁ δ' ἀμφιβάλλει ταχύπουν
κέλευθον ἔρπων σκοτίαν,
ἄφνω δ' ἄφαντος προσέβα
μακρὰς ἀφαιρούμενος ἐλπίδας
θνατῶν πολύμοχθος Ἄϊδας

“anon. fr. 127 (Nauck) καὶ τὰ τούτων ἐφεξῆς προσσυνεῖρε, πάντα πρὸς τὴν ὁμοίαν φερόμενα διάνοιαν. [4] ὁ δὲ Φίλιππος ἡσθεὶς ἐπὶ τοῖς ἀπηγγελλμένοις ὅλως ἦν καὶ τελείως φερόμενος τῇ διανοίᾳ πρὸς τὴν τοῦ Περσῶν βασιλέως καταστροφὴν, ἅμα δὲ καὶ τὸν πυθόχρηστον χρῆσμον ἀνελογίζετο, παραπλησίαν ἔχοντα διάνοιαν τοῖς ὑπὸ τοῦ τραγῳδοῦ ῥηθεῖσι. [5] τέλος δὲ τοῦ πότου διαλυθέντος καὶ τῶν ἀγώνων κατὰ τὴν ὑστεραίαν τὴν ἀρχὴν λαμβανόντων τὸ μὲν πλῆθος ἔτι νυκτὸς οὔσης συνέτρεχεν εἰς τὸ θέατρον, ἅμα δ' ἡμέρᾳ τῆς πομπῆς γινομένης σὺν ταῖς ἄλλαις ταῖς μεγαλοπρεπέσι κατασκευαῖς εἰδῶλα τῶν δώδεκα θεῶν ἐπόμπευε ταῖς τε δημιουργίαις περιττῶς εἰργασμένα καὶ τῇ λαμπρότητι τοῦ πλούτου θαυμαστῶς κεκοσμημένα: σὺν δὲ τούτοις αὐτοῦ τοῦ Φιλίππου τρισκαιδέκατον ἐπόμπευε θεοπρεπὲς εἰδῶλον, σύνθρονον ἑαυτὸν ἀποδεικνύντος τοῦ

βασιλέως τοῖς δώδεκα θεοῖς. 93. τοῦ δὲ θεάτρου πληρωθέντος αὐτὸς ὁ Φίλιππος ἦι λευκὸν ἔχων ἱμάτιον καὶ προστεταχῶς τοὺς δορυφόρους μακρὰν ἀφ'esτῶτας ἀφ' ἑαυτοῦ συνακολουθεῖν· ἐνεδείκνυτο γὰρ πᾶσιν ὅτι τηρούμενος τῇ κοινῇ τῶν Ἑλλήνων εὐνοίᾳ τῆς τῶν δορυφόρων φυλακῆς οὐκ ἔχει χρεῖαν. [2] τηλικαύτης δ' οὔσης περὶ αὐτὸν ὑπεροχῆς καὶ πάντων ἐπαινούντων ἅμα καὶ μακαριζόντων τὸν ἄνδρα παράδοξος καὶ παντελῶς ἀνέλπιστος ἐφάνη κατὰ τοῦ βασιλέως ἐπιβουλὴ καὶ θάνατος. [3] ἵνα δὲ σαφὴς ὁ περὶ τούτων γένηται λόγος, προεκθησόμεθα τὰς αἰτίας τῆς ἐπιβουλῆς. Πausανίας ἦν τὸ μὲν γένος Μακεδῶν ἐκ τῆς Ὀρεστίδος καλουμένης, τοῦ δὲ βασιλέως σωματοφύλαξ καὶ διὰ τὸ κάλλος φίλος γεγονῶς τοῦ Φιλίππου. [4] οὗτος ὁρῶν ὑπὸ τοῦ βασιλέως ἀγαπώμενον ἕτερον Πausανίαν ὁμώνυμον ἑαυτῷ ὀνειδιστικοῖς πρὸς αὐτὸν ἐχρήσατο λόγοις, φήσας ἀνδρόγυνον εἶναι καὶ τοὺς τῶν βουλομένων ἔρωτας ἐτοίμως προσδέχεσθαι. [5] ὁ δὲ τὴν ἐκ τῆς λαιδορίας ὕβριν οὐκ ἐνέγκας τὸ μὲν παρὸν κατεσιώπησεν, Ἀττάλῳ δὲ τινι τῶν φίλων ἐπικοινωνσάμενος περὶ τῶν μελλόντων πράττεσθαι ἐκουσίως καὶ παραδόξως ἑαυτὸν ἐκ τοῦ ζῆν μετέστησεν. [6] μετ' ὀλίγας γὰρ ἡμέρας τοῦ Φιλίππου πρὸς Πλευρίαν τὸν τῶν Ἰλλυριῶν βασιλέα διαγωνιζομένου πρὸ τοῦ βασιλέως στὰς ἀπάσας τὰς φερομένας ἐπ' αὐτὸν πληγὰς ἀνεδέξατο τῷ ἰδίῳ σώματι καὶ μετήλλαξεν. [7] διαβοηθείσης δὲ τῆς πράξεως ὁ μὲν Ἀττάλος, εἷς ὢν τῶν ἐξ αὐλῆς καὶ πολὺ δυναμένων παρὰ τῷ βασιλεῖ, ἐκάλεσεν ἐπὶ δεῖπνον τὸν Πausανίαν καὶ πολλὴν ἐμφορήσας ἄκρατον παρέδωκεν αὐτοῦ τὸ σῶμα τοῖς ὀρεωκόμοις εἰς ὕβριν καὶ παροινίαν ἐταιρικὴν. [8] ὁ δὲ ἀνανήψας ἐκ τῆς μέθης καὶ τῇ τοῦ σώματος ὕβρει περιαλγῆς γενόμενος τοῦ Ἀττάλου κατηγορήσεν ἐπὶ τοῦ βασιλέως. ὁ δὲ Φίλιππος παρωξύνθη μὲν ἐπὶ τῇ παρανομίᾳ τῆς πράξεως, διὰ δὲ τὴν πρὸς Ἀττάλον οἰκειότητα καὶ τὴν εἰς τὸ παρὸν αὐτοῦ χρεῖαν οὐκ ἐβούλετο μισοπονηρεῖν· [9] ἦν γὰρ ὁ Ἀττάλος τῆς μὲν ἐπιγαμηθείσης γυναικὸς ὑπὸ τοῦ βασιλέως Κλεοπάτρας ἀδελφιδοῦς, ἐπὶ δὲ τῆς προαπεσταλμένης δυνάμεως εἰς τὴν Ἀσίαν στρατηγὸς προκεχειρισμένος, ἐν δὲ τοῖς πολεμικοῖς ἀγῶσιν ἀνδρεῖος. διόπερ ὁ βασιλεὺς πραῦναι βουλόμενος τοῦ Πausανίου τὴν ἐπὶ τῷ πάθει γεγεννημένην δικαίαν ὀργὴν δωρεὰς ἀξιολόγους ἀπένειμεν αὐτῷ καὶ κατὰ τὴν σωματοφυλακίαν προῆγεν αὐτὸν ἐντίμως. 94. ὁ δὲ Πausανίας ἀμετάθετον φυλάττων τὴν ὀργὴν ἔσπευδε μὴ μόνον παρὰ τοῦ πράξαντος λαβεῖν τιμωρίαν, ἀλλὰ καὶ παρὰ τοῦ μὴ τιμωροῦντος αὐτῷ. συνεπελάβετο δὲ ταύτης τῆς προαιρέσεως μάλιστα ὁ σοφιστὴς Ἑρμοκράτης. τοῦ γὰρ Πausανίου σχολάζοντος αὐτῷ καὶ κατὰ τὴν διατριβὴν πυθομένου πῶς ἂν τις γένοιτο ἐπιφανέστατος, ὁ σοφιστὴς ἀπεκρίθη εἰ τὸν τὰ μέγιστα πράξαντα ἀνέλοι· τῇ γὰρ περὶ τούτου μνήμη συμπεριληφθῆσεσθαι καὶ τὸν τὴν ἀναίρεσιν αὐτοῦ ποιησάμενον. [2] ἀνενέγκας δὲ πρὸς τὴν ἰδίαν ὀργὴν τὸν λόγον καὶ διὰ τὸν θυμὸν οὐδεμίαν τῆς γνώμης ὑπέρθεσιν ποιησάμενος ἐν αὐτοῖς τοῖς ὑποκειμένοις ἀγῶσι τὴν ἐπιβουλὴν συνεστήσατο τοιῷδέ τινι τρόπῳ. [3] ἵππους παραστησάμενος ταῖς πύλαις παρῆλθε πρὸς τὰς εἰς τὸ θέατρον εἰσόδους ἔχων κεκρυμμένην Κελτικὴν μάχαιραν. τοῦ δὲ Φιλίππου τοὺς παρακολουθοῦντας φίλους κελεύσαντος προεισελθεῖν εἰς τὸ θέατρον καὶ τῶν δορυφόρων διεστώτων, ὁρῶν τὸν

βασιλέα μεμονωμένον προσέδραμε καὶ διὰ τῶν πλευρῶν διανταίαν ἐνέγκας πληγὴν τὸν μὲν βασιλέα νεκρὸν ἐξέτεινεν, αὐτὸς δ' ἐπὶ τὰς πύλας καὶ τοὺς ἡτοιμασμένους πρὸς τὴν φυγὴν ἔθεεν ἵππους. [4] εὐθὺς δὲ τῶν σωματοφυλάκων οἱ μὲν πρὸς τὸ σῶμα τοῦ βασιλέως ὥρμησαν, οἱ δ' ἐπὶ τὸν τοῦ σφαγέως διωγμὸν ἐξεχύθησαν, ἐν οἷς ὑπῆρχον καὶ Λεόννατος καὶ Περδίκκας καὶ Ἄτταλος. ὁ δὲ Πausanías προλαβὼν τῆς διώξεως ἔφθασεν ἂν ἐπὶ τὸν ἵππον ἀναπηδήσας, εἰ μὴ τῆς ὑποδέσεως περὶ ἄμπελόν τινα περιπλακείσης ἔπεσεν. διόπερ οἱ περὶ τὸν Περδίκκαν καταλαβόντες αὐτὸν ἐκ τῆς γῆς ἀνιστάμενον καὶ συγκεντήσαντες ἀνεΐλον. 95.

Φίλιππος μὲν οὖν μέγιστος γενόμενος τῶν καθ' ἑαυτὸν ἐπὶ τῆς Εὐρώπης βασιλέων καὶ διὰ τὸ μέγεθος τῆς ἀρχῆς ἑαυτὸν τοῖς δώδεκα θεοῖς σύνθρονον καταριθμήσας τοιαύτης ἔτυχε τῆς τοῦ βίου καταστροφῆς, ἄρξας ἔτη τέσσαρα πρὸς τοῖς εἴκοσι. [2] δοκεῖ δ' οὗτος ὁ βασιλεὺς ἐλαχίστας μὲν εἰς τὴν μοναρχίαν ἀφορμὰς παρειληφέναι, μεγίστην δὲ τῶν παρ' Ἑλλήσι μοναρχιῶν κατακτήσασθαι, ἠϋξηκέναι δὲ τὴν ἡγεμονίαν οὐχ οὕτω διὰ τῆς ἐν τοῖς ὅπλοις ἀνδραγαθίας ὥς διὰ τῆς ἐν τοῖς λόγοις ὁμιλίας καὶ φιλοφροσύνης. [3] φασὶ δὲ καὶ αὐτὸν τὸν Φίλιππον σεμνύνεσθαι μᾶλλον ἐπὶ τῇ στρατηγικῇ συνέσει καὶ τοῖς διὰ τῆς ὁμιλίας ἐπιτεύγμασιν ἢ περ ἐπὶ τῇ κατὰ τὰς μάχας ἀνδρείᾳ: [4] τῶν μὲν γὰρ κατὰ τοὺς ἀγῶνας κατορθωμάτων μετέχειν ἅπαντας τοὺς στρατευομένους, τῶν δὲ διὰ τῆς ὁμιλίας γινομένων ἐπιτευγμάτων αὐτὸν μόνον λαμβάνειν τὴν ἐπιγραφὴν. [5] ἡμεῖς δ' ἐπειδὴ πάρεσμεν ἐπὶ τὴν Φιλίππου τελευτήν, ταύτην μὲν τὴν βίβλον αὐτοῦ περιγράφομεν κατὰ τὴν ἐν ἀρχῇ πρόθεσιν, τῆς δ' ἐχομένης ἀρχῆς τὴν Ἀλεξάνδρου παράληψιν τῆς βασιλείας ποιησάμενοι πειρασόμεθα περιλαβεῖν ἀπάσας αὐτοῦ τὰς πράξεις ἐν μιᾷ βίβλῳ.

BOOK XVII

ζοντεντς.

τῶν Διοδώρου βύβλων τῆς ἑπτακαιδεκάτης εἰς δύο διηρημένης ἡ πρώτη περιέχει τάδε.

ὥς Ἀλέξανδρος διαδεξάμενος τὴν βασιλείαν κατέστησε τὰ κατὰ τὴν ἀρχήν.

ὥς τὰ νεωτερίζοντα τῶν ἔθνων ἀνεκτήσατο.

ὥς Θήβας κατασκάψας καὶ φόβον ἐπιστήσας τοῖς Ἑλλήσι στρατηγὸς αὐτοκράτωρ τῆς Ἑλλάδος ἦρθε.

ὥς διαβὰς εἰς τὴν Ἀσίαν τοὺς σατράπας ἐνίκησε περὶ τὸν ἐν Φρυγίᾳ Γρανικὸν ποταμόν.

ὥς Μίλητον καὶ Ἀλικαρνασσὸν ἐξεπολιόρκησεν.

μάχη Δαρείου πρὸς Ἀλέξανδρον ἐν Ἰσῳ τῆς Κιλικίας καὶ νίκη Ἀλεξάνδρου.

Τύρου πολιορκία καὶ Αἰγύπτου παράληψις καὶ πάροδος εἰς Ἄμμωνα τοῦ βασιλέως.

παράταξις ἐν Ἀρβήλοις Ἀλεξάνδρου πρὸς Δαρεῖον καὶ νίκη Ἀλεξάνδρου.

μάχη Ἀντιπάτρου πρὸς Λακεδαιμονίους καὶ νίκη Ἀντιπάτρου. ἡ δευτέρα περιέχει τάδε.

Ἀρβήλων ἄλωσις ὑπ' Ἀλεξάνδρου καὶ κατάληψις πολλῶν χρημάτων.

ἀνάληψις τῆς δυνάμεως ἐν Βαβυλῶνι καὶ δωρεαὶ τοῖς ἀνδραγαθήσασιν.

παρουσία τῶν ἀποσταλέντων μισθοφόρων καὶ συμμάχων.

διάταξις καὶ κατασκευὴ τῆς δυνάμεως.

ὥς Ἀλέξανδρος παρέλαβε Σοῦσαν καὶ τοὺς ἐν αὐτῇ θησαυρούς.

ὥς τῶν παρόδων ἐγκρατὴς ἐγένετο καὶ τῶν ὀνομαζομένων Σουσιάδων Πυλῶν ἐκράτησεν.

ὥς τοὺς ἀκρωτηριασθέντας Ἑλλήνων εὐεργέτησε καὶ τὴν Περσέπολιν παραλαβὼν διήρπασεν.

ὥς κωμάσας ἐνέπρησε τὰ βασίλεια.

Δαρείου θάνατος ὑπὸ Βήσσου.

Ἀλεξάνδρου στρατεία εἰς τὴν Ὑρκανίαν καὶ τῶν ἐν αὐτῇ φυομένων παραδόξων ἀπαγγελία.

ὥς Ἀλέξανδρος ἐπὶ Μάρδους στρατεύσας κατεπολέμησε τὸ ἔθνος.

ὥς Θάληστρις ἡ τῶν Ἀμαζονίδων βασιλεύουσα συνέμιξεν Ἀλεξάνδρῳ.

ὥς ὁ βασιλεὺς ἀνίκητον ἑαυτὸν εἶναι νομίσας ἐξήλωσε τὴν τῶν Περσῶν τρυφήν.

στρατεία Ἀλεξάνδρου πρὸς τοὺς ἀφεστηκότας Ἀρείους καὶ ἄλωσις τῆς Πέτρας.

ἐπιβουλὴ τοῦ βασιλέως καὶ κόλασις τῶν ἐπιθεμένων, ὧν οἱ ἐπιφανέστατοι Παρμενίων καὶ Φιλώτας.

στρατεία Ἀλεξάνδρου εἰς τοὺς Παροπανισάδας καὶ τὰ πραχθέντα κατ' αὐτήν.

ἡ γενομένη ἐν Ἀρείοις μονομαχία καὶ παράληψις τοῦ ἔθνους.

Βῆσσαν τοῦ ἀνελόντος Δαρεῖον θάνατος.

ὥς Ἀλέξανδρος διὰ τῆς ἀνύδρου πορευθεὶς πολλοὺς ἀπέβαλε τῶν στρατιωτῶν.

ὥς τοὺς Βραγχίδας τὸ παλαιὸν ὑπὸ Περσῶν μετοικισθέντας εἰς τὰ ἔσχατα τῆς βασιλείας ὥς προδότας τῶν Ἑλλήνων ἀνείλεν Ἀλέξανδρος.

ὥς ὁ βασιλεὺς ἐπὶ Σογδιανοὺς καὶ Σκύθας ἐστράτευσεν.

ὥς οἱ πρωτεύοντες Σογδιανῶν ἀπαγόμενοι πρὸς τὸν θάνατον παραδόξως ἐσώθησαν.

ὥς Ἀλέξανδρος ἀποστάντας τοὺς Σογδιανοὺς κατεπολέμησε καὶ κατέσφαξεν αὐτῶν πλείους τῶν δώδεκα μυριάδων.

ὥς Βακτριανοὺς ἐκόλασε καὶ Σογδιανοὺς τὸ δεύτερον ἐχειρώσατο καὶ πόλεις ἔκτισεν εὐκαίρως πρὸς τὰς τῶν ἀφισταμένων κολάσεις.

ἀπόστασις τρίτη Σογδιανῶν καὶ ἄλωσις τῶν εἰς τὴν Πέτραν καταφυγόντων.

περὶ τοῦ ἐν Βασίστοις κυνηγίου καὶ τοῦ πλήθους τῶν ἐν αὐτῷ θηρίων.

περὶ τῆς εἰς τὸν Διόνυσον ἀμαρτίας καὶ τῆς παρὰ τὸν πότον ἀναιρέσεως Κλείτου.

περὶ τῆς Καλλισθένους τελευτῆς.

στρατεία τοῦ βασιλέως εἰς τοὺς καλουμένους Ναύτακας καὶ φθορὰ τῆς δυνάμεως ὑπὸ πολλῆς χιόνος.

ὥς Ἀλέξανδρος ἐρασθεὶς Ῥωξάνης τῆς Ὁξυάρτου ἔγημεν αὐτὴν καὶ τῶν φίλων πολλοὺς ἔπεισε γῆμαι τὰς τῶν ἐπισήμων βαρβάρων θυγατέρας.

παρασκευὴ τῆς ἐπὶ Ἰνδοὺς στρατείας.

ἐμβολὴ εἰς τὴν Ἰνδικὴν καὶ ἀναίρεσις ἄρδην τοῦ πρώτου ἔθνους πρὸς κατάπληξιν τῶν ἄλλων.

ὥς τὴν Νυσίαν ὀνομαζομένην πόλιν εὐεργέτησε διὰ τὴν ἀπὸ Διονύσου συγγένειαν.

ὥς Μάσσακα πόλιν ὀχυρὰν ἐκπορθήσας τοὺς μισθοφόρους ἅπαντας λαμπρῶς ἀγωνισαμένους κατέκοψεν.

ὥς τὴν Ἄορνον καλουμένην Πέτραν, ἀνάλωτον αἰεὶ γεγεννημένην, ἐξεπολιόρκησεν.

ὥς Ταξίλην μὲν τὸν βασιλέα τῶν Ἰνδῶν προσηγάγετο, Πῶρον δὲ μεγάλην παρατάξει νικήσας καὶ τοῦ σώματος κρατήσας, ἀπέδωκε τὴν βασιλείαν αὐτῷ δι' ἀνδραγαθίαν.

ἀπαγγελία τῶν κατὰ τὴν χώραν παραδόξων ὄψεων τε καὶ τῶν φυομένων καρπῶν.

ὥς τὰ πλησιόχωρα τῶν ἐθνῶν τὰ μὲν προσηγάγετο, τὰ δὲ κατεπολέμησεν.

ὥς τὴν ὑπὸ Σωπεΐθην τεταγμένην ἐχειρώσατο.

περὶ τῆς εὐνομίας τῶν ἐν ταύτῃ τῇ χώρᾳ πόλεων.

περὶ τῆς ἀρετῆς τῶν δωρηθέντων Ἀλεξάνδρῳ κυνῶν.

περὶ τῆς ἀφηγήσεως τοῦ Ἰνδῶν βασιλέως.

ὥς τοῦ Ἀλεξάνδρου βουλομένου διαβῆναι τὸν Γάγγην ποταμὸν καὶ στρατεύειν ἐπὶ τοὺς Γανδαρίδας ὀνομαζομένους οἱ Μακεδόνες οὐχ ὑπήκουσαν.

ὥς ὄρια θέμενος τῆς στρατείας ὁ βασιλεὺς ἐπῆλθε τὰ λοιπὰ τῶν Ἰνδῶν.

ὥς διὰ τοῦ Ἰνδοῦ ποταμοῦ κατέπλευσεν ἐπὶ τὸν κατὰ μεσημβρίαν Ὠκεανόν, καὶ τοξευθεὶς ἐκινδύνευσεν.

περὶ τῆς γενομένης μονομαχίας ἐκ προκλήσεως.

περὶ τῶν καταπολεμηθέντων Ἰνδῶν ἐξ ἀμφοτέρων τῶν μερῶν τοῦ ποταμοῦ μέχρι τοῦ Ὠκεανοῦ.

περὶ τῶν παραδόξων καὶ νομίμων παρὰ τοῖς ἐγχωρίοις καὶ τῶν θηριώδη βίον ἐχόντων.

ὥς οἱ τὸν Ὠκεανὸν πλεύσαντες συνέμιζαν Ἀλεξάνδρῳ παρὰ θάλατταν ἐστρατοπεδευκότε καὶ τὰ κατὰ τὸν πλοῦν ἀπήγγειλαν.

ὥς πάλιν ἐκπλεύσαντες πολλὴν τῆς παραθαλαττίας χώρας παρέπλευσαν.

ὥς τῶν Περσῶν τρισμυρίους νεανίσκους ἐπιλέξας καὶ παιδεύσας τὰ πολεμικὰ τῶν ἔργων ἀντίταγμα κατεσκεύασε τῇ Μακεδονικῇ φάλαγγι.

ὥς Ἀρπαλος διὰ τὴν τρυφὴν καὶ τὰς ὑπερβολὰς τῶν δαπανημάτων διαβληθεὶς ἔφυγεν ἐκ Βαβυλῶνος καὶ τοῦ δήμου τῶν Ἀθηναίων ἰκέτης ἐγένετο.

ὥς διαδράς ἐκ τῆς Ἀττικῆς ἀνηρέθη καὶ τῶν χρημάτων ἑπτακόσια μὲν τάλαντα παρέθετο τοῖς Ἀθηναίοις, τετρακισχίλια δὲ καὶ μισθοφόρους ὀκτακισχιλίους περὶ Ταΐναρον τῆς Λακωνικῆς ἀπέλιπεν.

ὥς Ἀλέξανδρος τοὺς γεγηρακότας τῶν Μακεδόνων χρεολυτίσας καὶ καταναλώσας μύρια τάλαντα ἀπέλυσεν εἰς τὰς πατρίδας.

ὥς στασιαζόντων τῶν Μακεδόνων ἐκόλασε τοὺς αἰτίους.

ὥς Πευκέστης ἤγαγε πρὸς Ἀλέξανδρον ἐκ τῶν Περσῶν ἐπιλέξας τοξότας καὶ σφενδονήτας μυρίους.

ὥς τὰς τάξεις ὁ βασιλεὺς ἐποίησεν ἀναμίξας τοῖς Μακεδόσι Πέρσας.

ὥς τοῖς ἐπιγόνοις παισὶ μυρίοις οὗσι τὰς δαπάνας καὶ παιδείας μισθοὺς ἅπασιν ἐχορήγει.

ὥς Λεωσθένης ἤρξατο κινεῖν τὸν πρὸς Μακεδόνας πόλεμον.

ὥς Ἀλέξανδρος ἐπὶ Κοσσαίους ἐστράτευσεν.

ὥς πορευομένου τοῦ βασιλέως εἰς Βαβυλῶνα προεῖπον οἱ Χαλδαῖοι τῷ Ἀλεξάνδρῳ τελευτήσῃν αὐτόν, ἐὰν εἰς τὴν Βαβυλῶνα εἰσέλθῃ.

ὥς ὁ βασιλεὺς ἐν ἀρχῇ μὲν κατεπλάγῃ καὶ παρήλλαξε τὴν Βαβυλῶνα, ὕστερον δ' ὑπὸ τῶν Ἑλληνικῶν φιλοσόφων πεισθεὶς κατήντησεν εἰς τὴν πόλιν.

περὶ τοῦ πλήθους τῶν παραγενομένων πρεσβειῶν.

περὶ τῆς Ἡφαιστίωνος ταφῆς καὶ τοῦ πλήθους τῶν εἰς αὐτὴν δαπανηθέντων χρημάτων.

περὶ τῶν σημείων τῶν γεγενημένων Ἀλεξάνδρῳ καὶ τῆς τελευτῆς αὐτοῦ.

1.

ἡ μὲν πρὸ ταύτης βύβλος, οὗσα τῆς ὅλης συντάξεως ἐξκαιδεκάτη, τὴν ἀρχὴν ἔσχεν ἀπὸ τῆς Φιλίππου τοῦ Ἀμύντου βασιλείας: περιελήφθησαν δ' ἐν αὐτῇ πράξεις αἱ μὲν τοῦ Φιλίππου πᾶσαι μέχρι τῆς τελευτῆς, αἱ δὲ τῶν ἄλλων βασιλέων τε καὶ ἐθνῶν καὶ πόλεων ὅσαι γεγόνανσι κατὰ τοὺς τῆς βασιλείας ταύτης χρόνους, ὄντας ἐτῶν εἴκοσι καὶ τεσσάρων. [2] ἐν ταύτῃ δὲ τὰς συνεχεῖς πράξεις ἀναγράφοντες ἀρξόμεθα μὲν ἀπὸ τῆς Ἀλεξάνδρου βασιλείας,

περιλαβόντες δὲ τὰ τούτῳ τῷ βασιλεῖ πραχθέντα μέχρι τῆς τελευταίας συναναγράφομεν καὶ τὰ ἅμα τούτοις συντελεσθέντα ἐν τοῖς γνωριζομένοις μέρεσι τῆς οἰκουμένης: οὕτω γὰρ μάλιστα ὑπολαμβάνομεν τὰς πράξεις εὐμνημονεύτους ἔσεσθαι, κεφαλαιωδῶς τεθείσας καὶ συνεχῆς ἐχούσας ταῖς ἀρχαῖς τὸ τέλος. [3] ἐν ὀλίγῳ δὲ χρόνῳ μεγάλας πράξεις οὗτος ὁ βασιλεὺς κατειργάσατο καὶ διὰ τὴν ἰδίαν σύνεσίν τε καὶ ἀνδρείαν ὑπερεβάλετο τῷ μεγέθει τῶν ἔργων πάντας τοὺς ἐξ αἰῶνος τῇ μνήμῃ παραδεδομένους βασιλεῖς: [4] ἐν ἔτεσι γὰρ δώδεκα καταστρεψάμενος τῆς μὲν Εὐρώπης οὐκ ὀλίγα, τὴν δὲ Ἀσίαν σχεδὸν ἅπασαν εἰκότως περιβόητον ἔσχε τὴν δόξαν καὶ τοῖς παλαιοῖς ἥρωσι καὶ ἡμιθέοις ἰσάζουσιν. ἀλλὰ γὰρ οὐκ ἀναγκαῖον ἡμῖν ἐν τῷ προοιμίῳ προλαμβάνειν τι τῶν κατωρθωμένων τούτῳ τῷ βασιλεῖ: αὐταὶ γὰρ αἱ κατὰ μέρος πράξεις ἱκανῶς μηνύσουσι τὸ μέγεθος τῆς δόξης αὐτοῦ. [5] Ἀλέξανδρος οὖν γεγινὼς κατὰ πατέρα μὲν ἀφ' Ἡρακλέους, κατὰ δὲ μητέρα τῶν Αἰακιδῶν οἰκείαν ἔσχε τὴν φύσιν καὶ τὴν ἀρετὴν τῆς τῶν προγόνων εὐδοξίας. ἡμεῖς δὲ τοὺς ἀρμόττοντας τῇ γραφῇ χρόνους παραθέντες ἐπὶ τὰς οἰκείας τῆς ὑποκειμένης ἱστορίας πράξεις τρεψόμεθα. 2.

ἐπ' ἄρχοντος γὰρ Ἀθήνησιν Εὐαϊνέτου Ῥωμαῖοι κατέστησαν ὑπάτους Λεύκιον Φούριον καὶ Γάιον Μάνιον. ἐπὶ δὲ τούτων Ἀλέξανδρος διαδεξάμενος τὴν βασιλείαν πρῶτον μὲν τοὺς φονεῖς τοῦ πατρὸς τῆς ἀρμοζούσης τιμωρίας ἠξίωσε, μετὰ δὲ ταῦτα τῆς ταφῆς τοῦ γονέως τὴν ἐνδεχομένην ἐπιμέλειαν ποιησάμενος κατέστησε τὰ κατὰ τὴν ἀρχὴν πολὺ κάλλιον ἢ πάντες προσεδόκησαν. [2] νέος γὰρ ὢν παντελῶς καὶ διὰ τὴν ἡλικίαν ὑπὸ τινων καταφρονούμενος πρῶτον μὲν τὰ πλήθη οἰκείοις λόγοις παρεστήσατο πρὸς εὐνοίαν: ἔφη γὰρ ὄνομα μόνον διηλλάχθαι βασιλέως, τὰς δὲ πράξεις χειρισθῆσθαι μηδὲν καταδεέστερον τῆς ἐπὶ τοῦ πατρὸς γενομένης οἰκονομίας: ἔπειτα ταῖς πρεσβείαις χρηματίσας φιλανθρώπως παρεκάλεσε τοὺς Ἕλληνας τηρεῖν τὴν πρὸς αὐτὸν πατροπαράδοτον εὐνοίαν. [3] τῶν δὲ στρατιωτῶν πυκνὰς ποιησάμενος ἐξοπλισίας μελέτας τε καὶ γυμνασίας πολεμικὰς εὐπειθῇ κατεσκεύασε τὴν δύναμιν. ἔχων δὲ τῆς βασιλείας ἔφεδρον Ἄτταλον τὸν ἀδελφὸν Κλεοπάτρας τῆς ἐπιγαμηθείσης ὑπὸ Φιλίππου τοῦτον ἔκρινεν ἐκ τοῦ ζῆν μεταστῆσαι: καὶ γὰρ ἐτύγχανε παιδίον ἐκ τῆς Κλεοπάτρας γεγινὼς τῷ Φιλίπῳ τῆς τελευταίας τοῦ βασιλέως ὀλίγαις πρότερον ἡμέραις. [4] ὁ δ' Ἄτταλος προαπεσταλμένος ἦν εἰς τὴν Ἀσίαν στρατηγὸς τῶν δυνάμεων μετὰ Παρμενίωνος, εὐεργετικὸς δ' ὢν καὶ ταῖς ὁμιλίαις ἐκθεραπεύων τοὺς στρατιώτας μεγάλης ἐτύγχανεν ἀποδοχῆς ἐν τῷ στρατοπέδῳ. εὐλόγως οὖν τοῦτον εὐλαβεῖτο μήποτε τῆς ἀρχῆς ἀντιποιήσεται, συνεργοὺς λαβὼν τῶν Ἑλλήνων τοὺς ἐναντιούμενους αὐτῷ. [5] διόπερ τῶν φίλων προχειρισάμενος Ἐκαταῖον ἐξαπέστειλεν εἰς τὴν Ἀσίαν μετὰ τῶν ἱκανῶν στρατιωτῶν, δοὺς ἐντολὰς μάλιστα μὲν ἀγαγεῖν ζῶντα τὸν Ἄτταλον, ἐὰν δὲ τοῦτο μὴ δύνηται κατεργάσασθαι, δολοφονῆσαι τὸν ἄνδρα τὴν ταχίστην. [6] οὗτος μὲν οὖν διαβάς εἰς τὴν Ἀσίαν καὶ συμμίζας τοῖς περὶ τὸν Παρμενίωνα καὶ Ἄτταλον ἐπετήρει τὸν καιρὸν τῆς προκεχειρισμένης πράξεως. 3. Ἀλέξανδρος δὲ πυθόμενος πολλοὺς τῶν Ἑλλήνων μετεώρους εἶναι πρὸς καινοτομίαν εἰς πολλὴν ἀγωνίαν ἐνέπιπτεν. [2] Ἀθηναῖοι μὲν γὰρ Δημοσθένους δημαγωγοῦντος

κατὰ τῶν Μακεδόνων τὴν τε Φιλίππου τελευτὴν ἀσμένως ἤκουσαν καὶ τῆς ἡγεμονίας τῶν Ἑλλήνων οὐκ ἐξεχώρουν τοῖς Μακεδόσι, διαπρεσβευσάμενοι δὲ πρὸς Ἀτταλον ἐν ἀπορρήτοις συνετίθεντο κοινοπραγίαν καὶ πολλὰς τῶν πόλεων προετρέποντο τῆς ἐλευθερίας ἀντέχεσθαι: [3] Αἰτωλοὶ δὲ κατάγειν τοὺς ἐξ Ἀκαρνανίας φυγάδας ἐψηφίσαντο διὰ Φιλίππου πείραν εἰληφότας τῆς φυγῆς. Ἀμβρακιῶται δὲ πεισθέντες Ἀριστάρχῳ τὴν μὲν ὑπὸ Φιλίππου κατασταθεῖσαν φρουρὰν ἐξέβαλον, τὴν δὲ πόλιν ἐποίησαν δημοκρατεῖσθαι: [4] ὁμοίως δὲ τούτοις Θηβαῖοι τὴν μὲν ἐν τῇ Καδμείᾳ φρουρὰν ἐκβαλεῖν ἐψηφίσαντο, τῷ δ' Ἀλέξανδρῳ μὴ συγχωρεῖν τὴν τῶν Ἑλλήνων ἡγεμονίαν. Ἀρκάδες δὲ οὕτε Φιλίππῳ συνεχώρησαν τὴν ἡγεμονίαν μόνοι τῶν Ἑλλήνων οὐτ' Ἀλέξανδρῳ προσέσχον: [5] τῶν δ' ἄλλων Πελοποννησίων Ἀργεῖοι καὶ Ἥλαιοι καὶ Λακεδαιμόνιοι καὶ τινες ἕτεροι πρὸς τὴν αὐτονομίαν ὥρμησαν. τῶν δὲ ὑπεροικούντων τὴν Μακεδονίαν ἐθνῶν οὐκ ὀλίγα πρὸς ἀπόστασιν ὥρμα καὶ πολλὴ ταραχὴ κατεῖχε τοὺς τῇδε κατοικοῦντας βαρβάρους. [6] ἀλλ' ὁμως τηλικούτων πραγμάτων καὶ τοσούτων φόβων κατεχόντων τὴν βασιλείαν Ἀλέξανδρος νέος ὢν παντελῶς ἅπαντα τὰ κατὰ τὴν ἀρχὴν δυσχερῆ παραδόξως καὶ συντόμως κατεστήσατο: οὓς μὲν γὰρ πειθοῖ διὰ τῆς ὁμιλίας προσηγάγετο, οὓς δὲ φόβῳ διωρθώσατο, τινὰς δὲ βίᾳ χειρωσάμενος ὑπηκόους ἐποιήσατο. 4. πρῶτους δὲ Θετταλοὺς ὑπομνήσας τῆς ἀρχαίας ἀφ' Ἡρακλέους συγγενείας καὶ λόγοις φιланθρώποις, ἔτι δὲ μεγάλαις ἐπαγγελίαις μετεωρίσας ἔπεισε τὴν πατροπαράδοτον ἡγεμονίαν τῆς Ἑλλάδος αὐτῷ συγχωρῆσαι κοινῷ τῆς Θετταλίας δόγματι. [2] μετὰ δὲ τούτους τὰ συνορίζοντα τῶν ἐθνῶν εἰς τὴν ὁμοίαν εὖνοιαν προσαγαγόμενος παρῆλθεν εἰς Πύλας καὶ τὸ τῶν Ἀμφικτυόνων συνέδριον συναγαγὼν ἔπεισεν ἑαυτῷ κοινῷ δόγματι δοθῆναι τὴν τῶν Ἑλλήνων ἡγεμονίαν. [3] τοῖς δ' Ἀμβρακιώταις διαπρεσβευσόμενοις καὶ φιланθρώπως ὁμιλήσας ἔπεισεν αὐτοὺς βραχεὶ προειληφέναι τὴν μέλλουσαν ὑπ' αὐτοῦ δίδοσθαι μετὰ προθυμίας αὐτονομίαν. [4] πρὸς δὲ τὴν κατάπληξιν τῶν ἀπειθούντων ἦγε τὴν δύναμιν τῶν Μακεδόνων κεκοσμημένην καταπληκτικῶς. ὀξείαις δὲ ταῖς ὁδοιπορίαις χρησάμενος ἦκεν εἰς τὴν Βοιωτίαν καὶ πλησίον τῆς Καδμείας καταστρατοπεδεύσας ἐπέστησε πολὺν φόβον τῇ πόλει τῶν Θηβαίων. [5] καθ' ὃν δὴ χρόνον Ἀθηναῖοι πυθόμενοι τὴν εἰς Βοιωτίαν πάροδον τοῦ βασιλέως τῆς προϋπαρχούσης καταφρονήσεως ἀπέστησαν: ἡ γὰρ ὀξύτης τοῦ νεανίσκου καὶ ἡ διὰ τῶν πράξεων ἐνέργεια τοὺς ἀλλοτριοφρονούντας μεγάλως ἐξέπληττεν. [6] διόπερ Ἀθηναῖοι τὰ μὲν ἀπὸ τῆς χώρας ἐψηφίσαντο κατακομίζειν, τῶν δὲ τειχῶν τὴν ἐνδεχομένην ἐπιμέλειαν ποιεῖσθαι. πρὸς δὲ τὸν Ἀλέξανδρον πρέσβεις ἐξαπέστειλαν, ἀξιοῦντες συγγνώμην ἔχειν, εἰ τὴν ἡγεμονίαν μὴ ταχέως συγχωροῦσιν. [7] ἐν δὲ τοῖς πρέσβεσι καὶ Δημοσθένης ἐκπεμφθεὶς οὐ συνῆλθε μετὰ τῶν ἄλλων πρὸς τὸν Ἀλέξανδρον, ἀλλ' ἐκ τοῦ Κιθαιρώνος ἀνέκαμψεν εἰς τὰς Ἀθήνας, εἴτε διὰ τὰ πεπολιτευμένα κατὰ Μακεδόνων φοβηθεῖς, εἴτε βουλόμενος τῷ βασιλεῖ τῶν Περσῶν ἄμεμπτον αὐτὸν διαφυλάττειν. [8] πολλὰ γὰρ χρήματά φασιν αὐτὸν εἰληφέναι παρὰ Περσῶν, ἵνα πολιτεύηται κατὰ Μακεδόνων: περὶ ὧν καὶ τὸν Αἰσχίνην φασὶν ὀνειδίζοντα τῷ Δημοσθένει κατὰ τινα λόγον τὴν δωροδοκίαν εἰπεῖν, "νῦν μέντοι τὴν δαπάνην ἐπικέκλυκεν αὐτοῦ τὸ βασιλικὸν χρυσίον.

ἔσται δὲ οὐδὲ τοῦθ' ἱκανόν· οὐδεὶς γὰρ πώποτε πλοῦτος τρόπου πονηροῦ περιεγένετο.” Aeschin. 3.173 [9] ὁ δὲ Ἀλέξανδρος τοῖς πρέσβεσι τῶν Ἀθηναίων φιланθρώπους ἀποκρίσεις δοὺς ἀπέλυσε τοῦ πολλοῦ φόβου τὸν δῆμον. τοῦ δ' Ἀλεξάνδρου παραγγεῖλαντος εἰς Κόρινθον ἀπαντὰν τάς τε πρεσβείας καὶ τοὺς συνέδρους, ἐπειδὴ συνῆλθον οἱ συνεδρεῦειν εἰωθότες, διαλεχθεὶς ὁ βασιλεὺς καὶ λόγοις ἐπικέειν χρησάμενος ἔπεισε τοὺς Ἕλληνας ψηφίσασθαι στρατηγὸν αὐτοκράτορα τῆς Ἑλλάδος εἶναι τὸν Ἀλέξανδρον καὶ συστρατεύειν ἐπὶ τοὺς Πέρσας ὑπὲρ ὧν εἰς τοὺς Ἕλληνας ἐξήμαρτον. τυχὼν δὲ ταύτης τῆς τιμῆς ὁ βασιλεὺς ἐπανῆλθε μετὰ τῆς δυνάμεως εἰς Μακεδονίαν. 5.

ἡμεῖς δ' ἐπεὶ τὰ κατὰ τὴν Ἑλλάδα διήλθομεν, μεταβιβάσομεν τὸν λόγον ἐπὶ τὰς κατὰ τὴν Ἀσίαν πράξεις. μετὰ γὰρ τὴν Φιλίππου τελευτήν Ἀτταλος τὸ μὲν πρῶτον ἐπεχειρεῖ νεωτερίζειν καὶ πρὸς Ἀθηναίους συνεντίθετο κοινοπραγίαν κατ' Ἀλεξάνδρου, ὕστερον δὲ μετανοήσας τὴν μὲν ἀποδοθεῖσαν αὐτῷ παρὰ Δημοσθένους ἐπιστολὴν τηρήσας ἀπέστειλε πρὸς Ἀλέξανδρον καὶ λόγοις φιλανθρώποις ἐπειράτο τὰς καθ' αὐτοῦ διαβολὰς ἀποτρίβειν· [2] τοῦ δ' Ἑκαταίου κατὰ τὰς τοῦ βασιλέως ἐντολὰς δολοφονήσαντος τὸν Ἀτταλον ἡ μὲν κατὰ τὴν Ἀσίαν τῶν Μακεδόνων δύναμις ἐπαύσατο τοῦ μετεωρίζεσθαι πρὸς ἀπόστασιν, τοῦ μὲν Ἀττάλου πεφονευμένου, τοῦ δὲ Παρμενίωνος οἰκειότατα διακειμένου πρὸς Ἀλέξανδρον. [3] περὶ δὲ τῆς τῶν Περσῶν βασιλείας μέλλοντας ἡμᾶς ἀναγράφειν ἀναγκαῖόν ἐστι βραχὺ τοῖς χρόνοις προαναλαβεῖν τὴν ἱστορίαν. Φιλίππου γὰρ ἔτι βασιλεύοντος ἦρχε τῶν Περσῶν Ὡχος καὶ προσεφέρετο τοῖς ὑποτεταγμένοις ὡμῶς καὶ βιαίως. μισουμένου δὲ αὐτοῦ διὰ τὴν χαλεπότητα τῶν τρόπων Βαγῶας ὁ χιλιάρχος, εὐνοῦχος μὲν ὦν τὴν ἑξίν, πονηρὸς δὲ καὶ πολεμικὸς τὴν φύσιν, ἀνέϊλε φαρμάκῳ τὸν Ὡχον διὰ τινος ἱατροῦ, τὸν δὲ νεώτατον τῶν υἱῶν τοῦ βασιλέως Ἀρσὴν εἰσήγαγεν εἰς τὴν βασιλείαν. [4] ἀνέϊλε δὲ καὶ τοὺς ἀδελφοὺς τοῦ βασιλέως, ὄντας νέους παντελῶς, ὅπως μονωθεὶς ὁ νεανίσκος μᾶλλον ὑπήκοος αὐτῷ γένηται. τοῦ δὲ μειρακίου ταῖς γενομέναις παρανομίαις προσκόπτοντος καὶ φανεροῦ καθεστώτος ὅτι τιμωρήσεται τὸν αὐθέντην τῶν ἀνομημάτων θάσας αὐτοῦ τὰς ἐπιβουλὰς ὁ Βαγῶας ἀνέϊλε τὸν Ἀρσὴν μετὰ τῶν τέκνων τρίτον ἔτος ἤδη βασιλεύοντα. [5] ἐρήμου δ' ὄντος τοῦ βασιλέως οἴκου καὶ μηδενὸς ὄντος τοῦ κατὰ γένος διαδεχομένου τὴν ἀρχήν, προχειρισάμενος ἓνα τῶν φίλων Δαρεῖον ὄνομα τούτῳ συγκατεσκεύασε τὴν βασιλείαν. οὗτος δ' ἦν υἱὸς μὲν Ἀρσάνου τοῦ Ὀστάνου, ὃς ἦν ἀδελφὸς Ἀρταξέρξου τοῦ Περσῶν βασιλεύσαντος. [6] ἴδιον δὲ τι συνέβη περὶ τὸν Βαγῶαν γενέσθαι καὶ μνήμης ἄξιον· χρώμενος γὰρ τῇ συνήθει μαιφονία τὸν Δαρεῖον ἐπεβάλετο διὰ φαρμακείας ἀνελεῖν· μηνυθείσης δὲ τῆς ἐπιβουλῆς ὁ βασιλεὺς ὡς ἐπὶ τινι φιλανθρωπία προσκαλεσάμενος τὸν Βαγῶαν καὶ δοὺς τὸ ποτήριον ἠνάγκασε πιεῖν τὸ φάρμακον. 6. ἠξιώθη δὲ τῆς βασιλείας ὁ Δαρεῖος δοκῶν πολὺ προέχειν ἀνδρεία Περσῶν· Ἀρταξέρξου γὰρ ποτε τοῦ βασιλέως πολемоῦντος πρὸς Καδουσίους καὶ τινος τῶν Καδουσίων ἐπ' ἀλκῇ καὶ ἀνδρεία διαβεβημένου προκαλεσαμένου τὸν βουλούμενον Περσῶν μονομαχῆσαι ἄλλος μὲν οὐδεὶς ἐτόλμησεν ὑπακοῦσαι, μόνος δὲ Δαρεῖος

ὑποστὰς τὸν κίνδυνον τὸν προκαλεσάμενον ἀπέκτεινεν καὶ ὑπὸ μὲν τοῦ βασιλέως μεγάλαις ἐτιμήθη δωρεαῖς, παρὰ δὲ τοῖς Πέρσαις τὸ πρωτεῖον τῆς ἀνδρείας ἀπηνέγκατο. [2] διὰ ταύτην δὴ τὴν ἀνδραγαθίαν ἄξιος τῆς βασιλείας νομισθεὶς παρέλαβε τὴν ἀρχὴν περὶ τοὺς τοὺς χρόνους, ἐν οἷς Φιλίππου τελευτήσαντος διεδέξατο τὴν βασιλείαν Ἀλέξανδρος. [3] τοιοῦτον δ' ἄνδρα τῆς τύχης παραδόσης ἀντίπαλον τῇ κατ' Ἀλέξανδρον ἀρετῇ συνέβη πολλοὺς καὶ μεγάλους ἀγῶνας συστήναι περὶ τοῦ πρωτείου. ἀλλὰ περὶ μὲν τούτων αἱ κατὰ μέρος πράξεις ἕκαστα δηλώσουσιν: ἡμεῖς δ' ἐπὶ τὸ συνεχὲς τῆς ἱστορίας τρεψόμεθα. 7.

Δαρεῖος γὰρ παραλαβὼν τὴν βασιλείαν πρὸ μὲν τῆς Φιλίππου τελευτῆς ἐφιλοτιμεῖτο τὸν μέλλοντα πόλεμον εἰς τὴν Μακεδονίαν ἀποστρέψαι: ἐκείνου δὲ τελευτήσαντος ἀπελύθη τῆς ἀγωνίας, καταφρονήσας τῆς Ἀλεξάνδρου νεότητος. [2] ἐπεὶ δ' ἡ διὰ τῶν πράξεων ἐνέργεια καὶ ὀξύτης ἐποίησε μὲν τὴν τῶν Ἑλλήνων ἡγεμονίαν πᾶσαν ἀναλαβεῖν καὶ τὴν ἀρετὴν τοῦ νεανίσκου γενέσθαι περιβόητον, τότε δὴ νουθετηθεὶς τοῖς ἔργοις ὁ Δαρεῖος ἐπιμέλειαν μεγάλην ἐποιεῖτο τῶν δυνάμεων, τριήρεις τε πολλὰς κατασκευαζόμενος καὶ πολλὰς δυνάμεις ἀξιολόγους συνιστάμενος, ἡγεμόνας τε τοὺς ἀρίστους προκρίνων, ἐν οἷς ὑπῆρχε καὶ Μέμνων ὁ Ῥόδιος, διαφέρων ἀνδρεία καὶ συνέσει στρατηγικῇ. [3] τούτῳ δὲ δοὺς ὁ βασιλεὺς μισθοφόρους πεντακισχιλίους προσέταξε παρελθεῖν ἐπὶ πόλιν Κύζικον καὶ πειρᾶσθαι ταύτην χειρώσασθαι. οὗτος μὲν οὖν μετὰ τοσοῦτων στρατιωτῶν προῆγε διὰ τῆς Ἰδης. [4] τὸ δ' ὅρος τοῦτο μυθολογοῦσιν τινες τυχεῖν ταύτης τῆς προσηγορίας ἀπὸ τῆς Μελισσέως Ἰδης. μέγιστον δ' ὑπάρχον τῶν κατὰ τὸν Ἑλλήσποντον ἔχει κατὰ τὸ μέσον ἄντρον θεοπρεπές, ἐν ᾧ φασι κριθῆναι τὰς θεὰς ὑπ' Ἀλεξάνδρου. [5] γενέσθαι δ' ἐν τούτῳ λέγεται καὶ τοὺς Ἰδαίους Δακτύλους, οὓς σίδηρον ἐργάσασθαι πρῶτους, μαθόντας τὴν ἐργασίαν παρὰ τῆς τῶν θεῶν μητρός. ἴδιον δέ τι καὶ παράδοξον συμβαίνει γίνεσθαι περὶ τοῦτο τὸ ὅρος. [6] κατὰ γὰρ τὴν τοῦ κυνὸς ἐπιτολὴν ἐπ' ἄκρας τῆς κορυφῆς διὰ τὴν νηνεμίαν τοῦ περιέχοντος ἀέρος ὑπερπετὴ γίνεσθαι τὴν ἄκραν τῆς τῶν ἀνέμων πνοῆς, ὁρᾶσθαι δὲ τὸν ἥλιον ἔτι νυκτὸς οὐσης ἀνατέλλοντα, τὰς ἀκτῖνας οὐκ ἐν κυκλοτερεῖ σχήματι γεγραμμένον, ἀλλὰ τὴν φλόγα κατὰ πολλοὺς τόπους ἔχοντα διεσπαρμένην, ὥστε δοκεῖν πυρὰ πλείω θιγγάνειν τοῦ τῆς γῆς ὀρίζοντος. [7] μετ' ὀλίγον δὲ συνάγεται ταῦτα πρὸς ἐν μέγεθος, ἕως ἂν γένηται τρίπλεθρον διάστημα: καὶ τότε ἤδη τῆς ἡμέρας ἐπιλαβούσης τὸ φαινόμενον τοῦ ἡλίου μέγεθος πληρωθὲν τὴν τῆς ἡμέρας διάθεσιν κατασκευάζει. [8] ὁ δ' οὖν Μέμνων διελθὼν τὴν ὀρεινὴν ἄφνω τῇ πόλει τῶν Κυζικηνῶν προσέπεσεν καὶ παρ' ὀλίγον αὐτῆς ἐκυρίευσεν: ἀποπεσὼν δὲ τῆς ἐπιβολῆς τὴν χώραν αὐτῶν ἐπόρθησε καὶ πολλῶν λαφύρων ἐκυρίευσεν. [9] ἅμα δὲ τούτοις πραττομένοις Παρμενίων Γρύνιον μὲν πόλιν ἔλων κατὰ κράτος ἐξηνδραποδίσατο, Πιτάνην δὲ πολιορκοῦντος αὐτοῦ Μέμνων ἐπιφανεῖς καὶ καταπληγᾶμενος τοὺς Μακεδόνας ἔλυσεν τὴν πολιορκίαν. [10] μετὰ δὲ ταῦτα Κάλλας μὲν ἔχων Μακεδόνας καὶ μισθοφόρους στρατιώτας ἐν τῇ Τρωάδι συνῆψε μάχην πρὸς τοὺς Πέρσας, ὄντας πολλαπλασίους, καὶ λειφθεὶς ἀπεχώρησεν εἰς τὸ Ῥοίτειον. καὶ τὰ μὲν κατὰ τὴν Ἀσίαν ἐν τούτοις

Ἀλέξανδρος δὲ τὰς κατὰ τὴν Ἑλλάδα ταραχὰς καταπαύσας ἐστράτευσεν ἐπὶ τὴν Θράκην καὶ πολλὰ μὲν ἔθνη Θράκια ταραττόμενα καταπληξάμενος ὑποταγῆναι κατηνάγκασεν, ἐπῆλθεν δὲ καὶ τὴν Παιονίαν καὶ τὴν Ἰλλυρίδα καὶ τὰς ὁμόρους ταύταις χώρας καὶ πολλοὺς τῶν κατοικούντων βαρβάρων ἀφεστηκότας χειρωσάμενος ὑπηκόους πάντας τοὺς πλησιοχώρους βαρβάρους ἐποίησατο. [2] περὶ ταῦτα δ' ὄντος αὐτοῦ παρῆσαν τινες ἀπαγγέλλοντες πολλοὺς τῶν Ἑλλήνων νεωτερίζειν καὶ πολλὰς τῆς Ἑλλάδος πόλεις πρὸς ἀπόστασιν ὠρμηκέναι, μάλιστα δὲ Θηβαίους. ἐπὶ δὲ τούτοις ὁ βασιλεὺς παροξυνθεὶς ἐπανῆλθεν εἰς τὴν Μακεδονίαν, σπεύδων τὰς κατὰ τὴν Ἑλλάδα παῦσαι ταραχάς. [3] Θηβαίων δὲ τὴν ἐν τῇ Καδμεΐᾳ φρουρὰν ἐκβάλλειν φιλοτιμουμένων καὶ πολιορκούντων τὴν ἄκραν ἦκεν ὁ βασιλεὺς ἄφνω πρὸς τὴν πόλιν καὶ κατεστρατοπέδευσε πλησίον τῶν Θηβῶν μετὰ πάσης τῆς δυνάμεως. [4] οἱ δὲ Θηβαῖοι πρὸ μὲν τῆς τοῦ βασιλέως παρουσίας τὴν Καδμεΐαν τάφροις βαθείαις καὶ σταυρώμασι πυκνοῖς περιέλαβον ὥστε μήτε βοήθειαν αὐτοῖς δύνασθαι μήτ' ἀγορὰν εἰσπέμψαι, [5] πρὸς δὲ Ἀρκάδας καὶ Ἀργεῖους, ἔτι δὲ Ἥλειους πρεσβεύσαντες ἠξίουον βοηθεῖν. ὁμοίως δὲ καὶ πρὸς Ἀθηναίους περὶ συμμαχίας ἐπρέσβευον καὶ παρὰ Δημοσθένους ὅπλων πλῆθος ἐν δωρεαῖς λαβόντες τοὺς ἀνόπλους καθώπλιζον. [6] τῶν δ' ἐπὶ τὴν βοήθειαν παρακεκλημένων οἱ μὲν ἐν Πελοποννήσῳ στρατιώτας ἐξέπεμψαν ἐπὶ τὸν Ἴσθμὸν καὶ διατρίβοντες ἐκαραδόκουν, προσδοκίμου τοῦ βασιλέως ὄντος. Ἀθηναῖοι δ' ἐψηφίσαντο μὲν βοηθεῖν τοῖς Θηβαίοις, πεισθέντες ὑπὸ Δημοσθένους, οὐ μέντοι γε τὴν δύναμιν ἐξέπεμψαν, καταδοκοῦντες τὴν ῥοπὴν τοῦ πολέμου. [7] ὁ δὲ τῆς ἐν τῇ Καδμεΐᾳ φρουρᾶς ἡγούμενος Φιλώτας ὀρῶν τοὺς Θηβαίους μεγάλας παρασκευὰς ποιουμένους πρὸς τὴν πολιορκίαν καὶ τὰ τεῖχη φιλοτιμότερον κατεσκεύασεν καὶ βελῶν παντοδαπῶν πλῆθος ἡτοιμάζετο. 9. ἐπεὶ δ' ὁ βασιλεὺς ἀνελπίστως ἐκ τῆς Θράκης ἦκε μετὰ πάσης τῆς δυνάμεως, αἱ μὲν συμμαχίαι τοῖς Θηβαίοις δισταζομένην εἶχον τὴν παρουσίαν, ἡ δὲ τῶν πολεμίων δύναμις ὁμολογουμένην καὶ φανερὰν ἐποιεῖτο τὴν ὑπεροχὴν. τότε δὲ συνεδρεύσαντες οἱ ἡγεμόνες προεβουλευσάντο περὶ τοῦ πολέμου καὶ πᾶσιν ἔδοξεν ὑπὲρ τῆς αὐτονομίας διαγωνίζεσθαι. τοῦ δὲ πλήθους ἐπικυρώσαντος τὴν γνώμην ἅπαντες μετὰ πολλῆς προθυμίας εἶχον ἐτοίμως διακινδυνεύειν. [2] ὁ δὲ βασιλεὺς τὸ μὲν πρῶτον ἡσυχίαν ἦγε, διδοὺς μετανόιας χρόνον εἰς τὸ βουλευσάσθαι καὶ νομίζων μὴ τολμήσειν μίαν πόλιν πρὸς τηλικαύτην δύναμιν παρατάξασθαι. [3] εἶχε γὰρ ὁ Ἀλέξανδρος κατὰ τοῦτον τὸν καιρὸν πεζοὺς μὲν πλείους τῶν τρισμυρίων, ἵππεῖς δ' οὐκ ἐλάττους τρισχιλίων, πάντας δ' ἐνηθληκότας τοῖς πολεμικοῖς κινδύνοις καὶ συνεστρατευμένους Φιλίππῳ καὶ σχεδὸν ἐν πάσαις ταῖς μάχαις ἀηττήτους γεγονότας· ὧν δὴ ταῖς ἀρεταῖς καὶ προθυμίαις πεποιθὼς Ἀλέξανδρος ἐπεβάλετο καταλῦσαι τὴν τῶν Περσῶν ἡγεμονίαν. [4] εἰ μὲν οὖν οἱ Θηβαῖοι τοῖς καιροῖς εἴξαντες διεπρεσβέοντο πρὸς τοὺς Μακεδόνας ὑπὲρ εἰρήνης καὶ συνθέσεως, ἡδέως ἂν ὁ βασιλεὺς προσεδέξατο τὰς ἐντεύξεις καὶ πάντα ἂν ἀξιούμενος συνεχώρησεν· ἐπεθύμει γὰρ τὰς κατὰ τὴν Ἑλλάδα ταραχὰς ἀποτριγνάμενος ἀπερίσπαστον ἔχειν τὸν πρὸς τοὺς Πέρσας πόλεμον· νῦν δὲ

δόξας ὑπὸ τῶν Θηβαίων καταφρονεῖσθαι διέγνω τὴν πόλιν ἄρδην ἀνελεῖν καὶ τῷ φόβῳ τούτῳ τὰς ὁρμὰς τῶν ἀφίστασθαι τολμώντων ἀποτρέψαι. [5] διόπερ τὴν δύναμιν ἐτοίμην κατασκευάσας πρὸς τὸν κίνδυνον ἐκήρυξε τὸν βουλούμενον Θηβαίων ἀπιέναι πρὸς αὐτὸν καὶ μετέχειν τῆς κοινῆς τοῖς Ἑλλήσιν εἰρήνης. οἱ δὲ Θηβαῖοι διαφιλοτιμηθέντες ἀντεκήρυξαν ἀπὸ τινος ὑψηλοῦ πύργου τὸν βουλούμενον μετὰ τοῦ μεγάλου βασιλέως καὶ Θηβαίων ἐλευθεροῦν τοὺς Ἑλληνας καὶ καταλύειν τὸν τῆς Ἑλλάδος τύραννον παριέναι πρὸς αὐτούς. [6] ὅθεν Ἀλέξανδρος περιαλγῆς γενόμενος εἰς ὑπερβάλλουσαν ὀργὴν προῆλθεν καὶ πάσῃ τιμωρίᾳ τοὺς Θηβαίους μετελθεῖν ἔκρινεν. οὗτος μὲν οὖν ἀποθηριωθεὶς τὴν ψυχὴν μηχανάς τε πολιορκητικὰς συνεστήσατο καὶ τᾶλλα πρὸς τὸν κίνδυνον παρεσκευάζετο, 10. οἱ δ' Ἑλληνες πυνθανόμενοι τὸ μέγεθος τῶν περὶ τοὺς Θηβαίους κινδύνων ἐδυσφόρουσαν ἐπὶ ταῖς προσδοκωμέναις περὶ αὐτῶν συμφοραῖς, οὐ μὴν βοηθεῖν γ' ἐτόλμων τῇ πόλει διὰ τὸ προπετῶς καὶ ἀβούλως εἰς ὁμολογουμένην ἀπώλειαν ἑαυτὴν δεδωκέναι. [2] οἱ δὲ Θηβαῖοι ταῖς μὲν εὐτολμίαις προθύμως ἀνεδέχοντο τοὺς κινδύνους, φήμαις δέ τισι μάντεων καὶ θεῶν σημείοις ἠποροῦντο. πρῶτον μὲν γὰρ ἐν τῷ τῆς Δήμητρος ἱερῷ λεπτὸν ἀράχνης ὕφασμά τι διαπεπετασμένον ὤφθη, τὸ μὲν μέγεθος ἔχον ἱματίου, κύκλῳ δὲ περιφαῖνον ἴριν τῇ κατ' οὐρανὸν ἐοικυῖαν. [3] περὶ οὗ τὸ μὲν ἐν Δελφοῖς χρηστήριον ἔδωκεν αὐτοῖς τόνδε τὸν χρησμόν:” σημεῖον τόδε πᾶσι θεοὶ φαίνουσι βροτοῖσι,

Βοιωτοῖς δὲ μάλιστα καὶ οἱ περιναιετάουσι.

“τὸ δὲ πάτριον τῶν Θηβαίων μαντεῖον τοῦτον ἐξήνεγκε τὸν χρησμόν: “ ἰστός ὑφαίνόμενος ἄλλῳ κακόν, ἄλλῳ ἄμεινον.

“ [4] τοῦτο μὲν οὖν τὸ σημεῖον ἐγένετο τρισὶ μηνσὶν ἀνωτέρω τῆς Ἀλεξάνδρου παρουσίας ἐπὶ τὰς Θήβας, ὑπ' αὐτὴν δὲ τὴν ἔφοδον τοῦ βασιλέως οἱ κατὰ τὴν ἀγορὰν ἀνδριάντες ἐφάνησαν ἰδρῶτας ἀφιέντες καὶ μεστοὶ σταλαγμῶν μεγάλων. χωρὶς δὲ τούτων ἦκόν τινες τοῖς ἄρχουσιν ἀπαγγέλλοντες τὴν ἐν Ὀγχηστῷ λίμνῃν μυκῆματι παραπλήσιον φωνὴν ἀφιέναι, τῇ δὲ Δίρκῃ κατὰ τὴν ἐπιφάνειαν τοῦ ὕδατος αἵματοειδῇ φρίκῃν ἐπιτρέχειν. [5] ἕτεροι δὲ ἦκον ἐκ Δελφῶν μηνύοντες ὅτι ὁ ἀπὸ Φωκέων ναός, ὃν ἰδρύσαντο Θηβαῖοι, ἡματωμένην ἔχων τὴν ὀροφὴν ὁράται. οἱ δὲ ἐπὶ τὴν τῶν σημείων διάκρισιν ἀσχολούμενοι σημαίνειν ἔφασαν τὸ μὲν ὕφασμα θεῶν ἀπὸ τῆς πόλεως χωρισμόν, τὸ δὲ τῆς ἱριδος χρῶμα πραγμάτων ποικίλων χειμῶνα, τὸν δὲ τῶν ἀνδριάντων ἰδρῶτα ὑπερβάλλουσαν κακοπάθειαν, τὸ δ' ἐν πλείοσι τόποις φαίνόμενον αἷμα φόνον πολλὸν κατὰ τὴν πόλιν ἐσόμενον. [6] συνεβούλευον οὖν τῶν θεῶν φανερῶς σημαινόντων τὴν ἐσομένην τῇ πόλει συμφορὰν μὴ συγκαταβαίνειν εἰς τὸ διὰ μάχης κρίνειν τὸν πόλεμον, ἑτέραν δὲ διάλυσιν ζητεῖν διὰ λόγων ἀσφαλεστέραν. οὐ μὴν οἱ Θηβαῖοι γε ταῖς ψυχαῖς ἐμαλακύνοντο, τούναντίον δὲ τοῖς θυμοῖς προαχθέντες ἀνεμίμνησκον ἀλλήλους τὴν ἐν Λεύκτροις εὐημερίαν καὶ τῶν ἄλλων παρατάξεων ἐν αἷς θαυμαστῶς ταῖς ἰδίαις ἀνδραγαθίαις ἀνελπίστους νίκας περιεποιήσαντο. οἱ μὲν οὖν Θηβαῖοι τοῖς παραστήμασιν ἀνδρείότερον μᾶλλον ἢ φρονιμώτερον χρησάμενοι προέπεσον εἰς πάνδημον τῆς πατρίδος ὄλεθρον: 11. ὁ δὲ βασιλεὺς ἐν τρισὶ ταῖς πάσαις ἡμέραις ἐτοιμασάμενος τὰ πρὸς τὴν πολιορκίαν τὰς

δυνάμεις διείλετο εἰς τρία μέρη καὶ τὸ μὲν τοῖς χαρακώμασι τοῖς πρὸ τῆς πόλεως κατεσκευασμένοις προσβάλλειν ἔταξε, τὸ δὲ τοῖς Θηβαίοις ἀντιτάττεσθαι, τὸ δὲ τρίτον ἐφεδρεῖν τῷ ποιοῦντι μέρει τῆς δυνάμεως καὶ διαδέχεσθαι τὴν μάχην. [2] οἱ δὲ Θηβαῖοι τοὺς μὲν ἱππεῖς ἐντὸς τοῦ χαρακώματος ἔταξαν, τοὺς δ' ἐλευθερωθέντας οἰκέτας καὶ τοὺς φυγάδας καὶ τοὺς μετοίκους τοῖς πρὸς τὰ τεῖχη βιαζομένοις ἀντέταξαν, αὐτοὶ δὲ τοῖς μετὰ τοῦ βασιλέως Μακεδόσι πολλαπλασίοις οὖσι συνάπτειν μάχην πρὸ τῆς πόλεως ἡτοιμάζοντο. [3] τέκνα δὲ καὶ γυναῖκες συνέτρεχον εἰς τὰ ἱερὰ καὶ τοὺς θεοὺς ἰκέτεον σῶσαι τὴν πόλιν ἐκ τῶν κινδύνων. ὥς δ' ἤγγισαν οἱ Μακεδόνες καὶ τοῖς τεταγμένοις μέρεσιν ἕκαστοι προσέπεσον, αἱ μὲν σάλπιγγες ἐσήμαινον τὸ πολεμικόν, αἱ δὲ παρ' ἀμφοτέροις δυνάμεις ὑφ' ἓνα καιρὸν συνηλάξαν καὶ τὰ κοῦφα τῶν βελῶν ἐπὶ τοὺς πολεμίους ἔβαλον. [4] ταχὺ δὲ τούτων ἐξαναλωθέντων καὶ πάντων εἰς τὴν ἀπὸ τοῦ ξίφους μάχην συμπεσόντων μέγας ἄγων συνίστατο. οἱ μὲν γὰρ Μακεδόνες διὰ τὸ πλῆθος τῶν ἀνδρῶν καὶ τὸ βάρος τῆς φάλαγγος δυσυπόστατον εἶχον τὴν βίαν, οἱ δὲ Θηβαῖοι ταῖς τῶν σωμάτων ῥώμας ὑπερέχοντες καὶ τοῖς ἐν τοῖς γυμνασίοις συνεχέσιν ἀθλήμασιν, ἔτι δὲ τῷ παραστήματι τῆς ψυχῆς πλεονεκτοῦντες ἐνεκαρτέρουν τοῖς δεινοῖς. [5] διὸ καὶ παρ' ἀμφοτέροις πολλοὶ μὲν κατετιτρώσκοντο, οὐκ ὀλίγοι δ' ἐπιπτον ἐναντίας λαμβάνοντες πληγὰς. ὁμοῦ δ' ἦν κατὰ τὰς ἐν τοῖς ἀγῶσι συμπλοκάς μυγμὸς καὶ βοή καὶ παρακελευσμός, παρὰ μὲν τοῖς Μακεδόσι μὴ καταισχῦναι τὰς προγεγενημένας ἀνδραγαθίας, παρὰ δὲ τοῖς Θηβαίοις μὴ περιδεῖν τέκνα καὶ γυναῖκας καὶ γονεῖς ὑπὲρ ἀνδραποδισμοῦ κινδυνεύοντας καὶ τὴν πατρίδα πανοίκιον ὑπὸ τοῦς Μακεδόνων θυμοὺς ὑποπεσοῦσαν, μνησθῆναι δὲ τῆς ἐν Λεύκτροις καὶ ἐν Μαντινείᾳ μάχης καὶ τῶν παρὰ πᾶσι περιβοήτων ἀνδραγαθημάτων. ἐπὶ πολὺν μὲν οὖν χρόνον ἰσόρροπος ἦν ἡ μάχη διὰ τὴν ὑπερβολὴν τῆς τῶν ἀγωνιζομένων ἀνδρείας. 12. μετὰ δὲ ταῦτα ὁ Ἀλέξανδρος ὄρων τοὺς μὲν Θηβαίους ἐτοίμως ὑπὲρ τῆς ἐλευθερίας ἀγωνιζομένους, τοὺς δὲ Μακεδόνας κάμνοντας τῇ μάχῃ προσέταξε τοὺς ἐπὶ τῆς ἐφεδρίας τεταγμένους διαδέξασθαι τὸν ἀγῶνα. οἱ μὲν οὖν Μακεδόνες ἄφνω προσπεσόντες τοῖς Θηβαίοις κατακόποις βαρεῖς ἐπέκειντο τοῖς πολεμίοις καὶ πολλοὺς ἀνήρουν. [2] οὐ μὴν οἱ Θηβαῖοι τῆς νίκης ἐξεχώρουν, τούναντίον δὲ τῇ φιλοτιμίᾳ προαχθέντες πάντων τῶν δεινῶν κατεφρόνουν. ἐπὶ τοσοῦτο δὲ ταῖς ἀνδραγαθίαις προέβησαν ὥστε βοᾶν ὅτι Μακεδόνες ὁμολογοῦσιν ἦττους εἶναι Θηβαίων, καὶ τῶν ἄλλων πάντων εἰωθότων ἐν ταῖς διαδοχαῖς τῶν πολεμίων δεδιέναι τοὺς ἀκεραίους τῶν ἐφεδρευόντων οὗτοι μόνοι τότε θρασύτεροι πρὸς τοὺς κινδύνους ὑπῆρξαν, ὅθ' οἱ πολέμοι διαδοχὴν ἐξέπεμψαν τοῖς καταπονουμένοις ὑπὸ τῆς κακοπαθείας. [3] ἀνυπερβλήτου δὲ τῆς φιλοτιμίας γινομένης ὁ βασιλεὺς κατανοήσας τινὰ πυλίδα καταλελειμμένην ὑπὸ τῶν φυλάκων ἐξαπέστειλε Περδίκκαν μετὰ στρατιωτῶν ἱκανῶν καταλαβέσθαι αὐτήν καὶ παρειαυτῶν εἰς τὴν πόλιν. [4] τούτου δὲ ταχὺ τὸ προσταχθὲν ποιήσαντος οἱ μὲν Μακεδόνες διὰ τῆς πυλίδος παρειαυτῶν εἰς τὴν πόλιν, οἱ δὲ Θηβαῖοι καταπεπονηκότες μὲν τὴν πρώτην φάλαγγα τῶν Μακεδόνων, ἀνταχθέντες δ' εὐρώστως τῇ δευτέρᾳ εὐέλπιδες

ἦσαν περὶ τῆς νίκης: ὥς δὲ κατενόησαν μέρος τῆς πόλεως κατειλημμένον, εὐθὺς ἀνεχώρησαν ἐντὸς τῶν τειχῶν. [5] ἅμα δὲ τούτοις πραττομένοις οἱ μὲν τῶν Θηβαίων ἱππεῖς ὁμοίως τοῖς πεζοῖς συνέντρεχον εἰς τὴν πόλιν καὶ πολλοὺς μὲν τῶν ἰδίων συμπατοῦντες διέφθειρον, αὐτοὶ δὲ τεταραγμένως εἰσίσπευον εἰς τὴν πόλιν, ἐν δὲ ταῖς διεξόδοις καὶ τάφροις τοῖς οἰκείοις ὄπλοις περιπίπτοντες ἐτελεύτων. οἱ δὲ τὴν Καδμεῖαν φρουροῦντες ἐκχυθέντες ἐκ τῆς ἀκροπόλεως ἀπῆντων τοῖς Θηβαίοις καὶ τεταραγμένοις ἐπιπεσόντες πολὺν ἐποίουν φόνον. 13.

τῆς δὲ πόλεως τοῦτον τὸν τρόπον καταλαμβανομένης πολλὰ καὶ ποικίλα περιστάσεις ἐντὸς τῶν τειχῶν ἐγίνοντο. οἱ μὲν γὰρ Μακεδόνες διὰ τὴν ὑπερηφανίαν τοῦ κηρύγματος πικρότερον ἢ πολεμικώτερον προσεφέροντο τοῖς Θηβαίοις καὶ μετὰ πολλῆς ἀπειλῆς ἐπιφερόμενοι τοῖς ἡτυχηκόσιν ἀφειδῶς ἀνῆρουν πάντας τοὺς περιτυγχάνοντας. [2] οἱ δὲ Θηβαῖοι τὸ φιλελεύθερον τῆς ψυχῆς διαφυλάττοντες τοσοῦτον ἀπεῖχον τοῦ φιλοζωεῖν ὥστ' ἐν ταῖς ἀπαντήσεσι συμπλέκεσθαι καὶ τὰς παρὰ τῶν πολεμίων ἐπισπᾶσθαι πληγὰς: ἐάλωκυίας γὰρ τῆς πόλεως οὐδεὶς Θηβαίων ἐωράθη δεηθεὶς τῶν Μακεδόνων φείσασθαι τοῦ ζῆν οὐδὲ προσέπιπτον τοῖς τῶν κρατούντων γόνασιν ἀγεννῶς. [3] ἀλλ' οὔτε τὸ τῆς ἀρετῆς πάθος ἤλεετο παρὰ τοῖς πολεμίοις οὔτε τὸ τῆς ἡμέρας μῆκος ἤρκει πρὸς τὴν ὀμότητα τῆς τιμωρίας, πᾶσα δὲ ἡ πόλις ἐξεφορεῖτο παιδίων ὁμοῦ καὶ παρθένων ἐλκομένων καὶ τὸ τῆς τεκούσης οἰκτρὸν ἐπιβοωμένων ὄνομα: Καθόλου δὲ τῶν οἰκῶν σὺν ὅλαις ταῖς συγγενείαις ἀρπαζομένων πάνδημος ὑπῆρχε τῆς πόλεως ἀνδραποδισμός. [4] τῶν δὲ ὑπολελειμμένων Θηβαίων οἱ μὲν κατατετρωμένοι τὰ σώματα καὶ λιποψυχοῦντες συνεπλέκοντο τοῖς πολεμίοις, συναποθνήσκοντες τῇ τῶν ἐχθρῶν ἀπωλείᾳ, οἱ δὲ κλάσματι δόρατος ἐρειδόμενοι συνήντων τοῖς ἐπιφερομένοις καὶ διαγωνιζόμενοι τὸν ὕστατον ἀγῶνα προετίμων τὴν ἐλευθερίαν τῆς σωτηρίας. [5] πολλοῦ δὲ φόνου γενομένου καὶ τῆς πόλεως κατὰ πάντα τόπον νεκρῶν πληρουμένης οὐκ ἦν ὅστις ἰδὼν οὐκ ἂν ἠλέησε τὰς τύχας τῶν ἀκληρούντων. καὶ γὰρ τῶν Ἑλλήνων Θεσπιεῖς καὶ Πλαταιεῖς, ἔτι δ' Ὀρχομένιοι καὶ τινες ἄλλοι τῶν ἄλλοτρίως διακειμένων πρὸς τοὺς Θηβαίους συστρατεύομενοι τῷ βασιλεῖ συνεισέπεσον εἰς τὴν πόλιν καὶ τὴν ἰδίαν ἐχθραν ἐν τοῖς τῶν ἡτυχηκῶτων ἀκληρήμασιν ἐναπεδείκνυντο. [6] διὸ καὶ πάθη πολλὰ καὶ δεινὰ κατὰ τὴν πόλιν ὄραν ἦν γινόμενα: Ἕλληνες γὰρ ὑφ' Ἑλλήνων ἀνηλεῶς ἀνηροῦντο καὶ συγγενεῖς ὑπὸ τῶν κατὰ γένος προσηκόντων ἐφονεύοντο, μηδεμίαν ἐντροπὴν τῆς ὁμοφώνου διαλέκτου παρεχομένης. τέλος δὲ τῆς νυκτὸς ἐπικαταλαβούσης αἱ μὲν οἰκίαι διηρηπάγησαν, τέκνα δὲ καὶ γυναῖκες καὶ οἱ γεγηρακότες εἰς τὰ ἱερὰ καταπεφευγότες μετὰ τῆς ἐσχάτης ὕβρεως ἀπῆγοντο. 14. τῶν δὲ Θηβαίων ἀνηρέθησαν μὲν ὑπὲρ τοὺς ἐξακισχιλίους, αἰχμάλωτα δὲ σώματα συνήχθη πλείω τῶν τρισμυρίων, χρημάτων δὲ ἄπιστον πλῆθος διεφορήθη.

ὁ δὲ βασιλεὺς τοὺς μὲν τελευτήσαντας τῶν Μακεδόνων ἔθαψε, πλείους ὄντας τῶν πεντακοσίων, τοὺς δὲ συνέδρους τῶν Ἑλλήνων συναγαγὼν ἐπέτρεψε τῷ κοινῷ συνεδρίῳ πῶς χρηστὸν τῇ πόλει τῶν Θηβαίων. [2] προτεθείσης οὖν βουλῆς τῶν ἄλλοτρίως διακειμένων τοῖς Θηβαίοις τινὲς

ἐπεχείρουν συμβουλευεῖν ἀπαραιτήτοις τιμωρίαις δεῖν περιβαλεῖν αὐτούς, ἀπεδείκνυνον δ' αὐτούς τὰ τῶν βαρβάρων πεφρονηκότας κατὰ τῶν Ἑλλήνων: καὶ γὰρ ἐπὶ Ξέρξου συμμαχοῦντας τοῖς Πέρσαις ἐστρατευκέναι κατὰ τῆς Ἑλλάδος καὶ μόνους τῶν Ἑλλήνων ὥς εὐεργέτας τιμᾶσθαι παρὰ τοῖς βασιλεῦσι τῶν Περσῶν καὶ πρὸ τῶν βασιλέων τοῖς πρεσβεύουσι τῶν Θηβαίων τίθεσθαι θρόνους. [3] πολλὰ δὲ καὶ ἄλλα τοιαῦτα διελθόντες παρῶξυναν τὰς τῶν συνέδρων ψυχὰς κατὰ τῶν Θηβαίων καὶ πέρας ἐνηφίσαντο τὴν μὲν πόλιν κατασκάψαι, τοὺς δ' αἰχμαλώτους ἀποδόσθαι, τοὺς δὲ φυγάδας τῶν Θηβαίων ἀγωγίμους ὑπάρχειν ἐξ ἀπάσης τῆς Ἑλλάδος καὶ μηδένα τῶν Ἑλλήνων ὑποδέχεσθαι Θηβαῖον. [4] ὁ δὲ βασιλεὺς ἀκολούθως τῇ τοῦ συνεδρίου γνώμῃ τὴν μὲν πόλιν κατασκάψας πολὺν ἐπέστησε φόβον τοῖς ἀφισταμένοις τῶν Ἑλλήνων, τοὺς δ' αἰχμαλώτους λαφυροπωλήσας ἤθροισεν ἀργυρίου τάλαντα τετρακόσια καὶ τεσσαράκοντα. 15.

μετὰ δὲ ταῦτα εἰς τὰς Ἀθήνας ἐξαπέστειλε τοὺς ἐξαιτήσοντας τῶν ῥητόρων δέκα τοὺς κατ' αὐτοῦ πεπολιτευμένους, ὧν ὑπῆρχον ἐπιφανέστατοι Δημοσθένης καὶ Λυκοῦργος. συναχθείσης οὖν ἐκκλησίας καὶ τῶν πρεσβευτῶν εἰσαχθέντων εἰς τὸ πλῆθος ὁ μὲν δῆμος ἀκούσας τῶν λόγων εἰς πολλὴν ἀγωνίαν καὶ ἀπορίαν ἐνέπεσεν. ἅμα μὲν γὰρ ἔσπευδε τὸ τῆς πόλεως ἀξίωμα τηρεῖν, ἅμα δὲ διὰ τὴν Θηβαίων ἀπώλειαν ἐκπεπληγμένος τὸ δεινὸν περίφοβος καθειστήκει, νοθετούμενος τοῖς τῶν πλησιοχώρων ἀτυχήμασι. [2] πολλῶν δὲ λόγων γινομένων κατὰ τὴν ἐκκλησίαν Φωκίων μὲν ὁ χρηστός, ἀντιπολιτευόμενος τοῖς περὶ τὸν Δημοσθένην, ἔφη δεῖν τοὺς ἐξαιτουμένους μιμήσασθαι τὰς Λεῶ κόρας καὶ τὰς Ὑακινθίδας καὶ τὸν θάνατον ἐκουσίως ὑπομεῖναι ἔνεκα τοῦ μηδὲν ἀνήκεστον παθεῖν τὴν πατρίδα καὶ τὴν ἀνανδρίαν καὶ δειλίαν ὠνείδιζε τῶν μὴ βουλομένων ὑπὲρ τῆς πόλεως τελευτᾶν: ὁ δὲ δῆμος τοῦτον μὲν τοῖς θορύβοις ἐξέβαλε, προσάντως ἀκούων τοὺς λόγους, [3] Δημοσθένους δὲ λόγον πεφροντισμένον διελθόντος ὁ δῆμος εἰς συμπάθειαν τῶν ἀνδρῶν προαχθεὶς φανερὸς ἦν σώζειν βουλόμενος τοὺς ἄνδρας. ἐπὶ τελευτῆς δὲ Δημάδης, πεπεισμένος ὑπὸ τῶν περὶ Δημοσθένην, ὡς φασι, πέντε τάλαντοις ἀργυρίου, συνεβούλευε μὲν σώζειν τοὺς κινδυνεύοντας, παρανέγνω δὲ ψήφισμα γεγραμμένον φιλοτέχνως: περιεῖχε γὰρ παραίτησιν τῶν ἀνδρῶν καὶ ἐπαγγελίαν τοῦ κολάζειν κατὰ τοὺς νόμους, ἂν ᾧσιν ἄξιοι τιμωρίας. [4] ὁ μὲν οὖν δῆμος ἀποδεξάμενος τὴν ἐπίνοιαν τοῦ Δημάδου τό τε ψήφισμα ἐκύρωσε καὶ τὸν Δημάδην μεθ' ἐτέρων ἀπέστειλε πρεσβευτὴν πρὸς τὸν βασιλέα, δούς ἐντολὴν καὶ περὶ τῶν Θηβαίων φυγάδων ἀξιῶσαι τὸν Ἀλέξανδρον συγχωρῆσαι τῷ δήμῳ τοὺς πεφευγότες Θηβαίους ὑποδέχεσθαι. [5] ὁ δὲ Δημάδης πρεσβεύσας καὶ τῇ τοῦ λόγου δεινότητι πάντα κατεργασάμενος ἔπεισε τὸν Ἀλέξανδρον ἀπολῦσαι τοὺς ἄνδρας τῶν ἐγκλημάτων καὶ τᾶλλα πάντα συγχωρῆσαι τοῖς Ἀθηναίοις. 16.

μετὰ δὲ ταῦτα ὁ μὲν βασιλεὺς ἐπανελθὼν μετὰ τῆς δυνάμεως εἰς τὴν Μακεδονίαν συνήγαγε τοὺς ἡγεμόνας τῶν στρατιωτῶν καὶ τοὺς ἀξιολογωτάτους τῶν φίλων καὶ προέθηκε βουλὴν περὶ τῆς εἰς τὴν Ἀσίαν διαβάσεως, πότε χρὴ στρατεῦειν καὶ τίνι τρόπῳ χειριστέον τὸν πόλεμον. [2] τῶν δὲ περὶ τὸν Ἀντίπατρον καὶ Παρμενίωνα συμβουλευόντων πρότερον

παιδοποιήσασθαι καὶ τότε τοῖς τηλικούτοις ἐγχειρεῖν ἔργοις, δραστικὸς ὢν καὶ πρὸς πᾶσαν πράξεως ἀναβολὴν ἀλλοτρίως διακείμενος ἀντεῖπε τούτοις: αἰσχροὺς γὰρ ὑπάρχειν ἀπεφαίνετο τὸν ὑπὸ τῆς Ἑλλάδος ἡγεμόνα καθεσταμένον τοῦ πολέμου καὶ πατρικὰς ἀνικήτους δυνάμεις παρειληφότα καθῆσθαι γάμους ἐπιτελοῦντα καὶ τέκνων γενέσεις ἀναμένοντα. [3] διδάξας οὖν αὐτοὺς περὶ τοῦ συμφέροντος καὶ παρορμήσας διὰ τῶν λόγων πρὸς τοὺς ἀγῶνας θυσίας μεγαλοπρεπεῖς τοῖς θεοῖς συνετέλεσεν ἐν Δίῳ τῆς Μακεδονίας καὶ σκηنيκοὺς ἀγῶνας Διὶ καὶ Μούσαις, οὓς Ἀρχέλαος ὁ προβασιλεύσας πρῶτος κατέδειξε. [4] τὴν δὲ πανήγυριν ἐφ' ἡμέρας ἑννέα συνετέλεσεν, ἐκάστη τῶν Μουσῶν ἐπώνυμον ἡμέραν ἀναδείξας. σκηνὴν δὲ κατασκευασάμενος ἑκατοντάκλινον τοὺς τε φίλους καὶ τοὺς ἡγεμόνας, ἔτι δὲ τοὺς ἀπὸ τῶν πόλεων πρέσβεις παρέλαβεν ἐπὶ τὴν εὐωχίαν. λαμπραῖς δὲ παρασκευαῖς χρῆσάμενος καὶ πολλοὺς μὲν ἐστιάσας, πάσῃ δὲ τῇ δυνάμει διαδοὺς ἱερεῖα καὶ τᾶλλα τὰ πρὸς τὴν εὐωχίαν ἀνήκοντα προσανέλαβε τὸ στρατόπεδον. 17.

ἐπ' ἄρχοντος δ' Ἀθήνησι Κτησικλέους Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Γάιον Σουλπίκιον καὶ Λεύκιον Παπίριον. Ἀλέξανδρος δὲ μετὰ τῆς δυνάμεως πορευθεὶς ἐπὶ τὸν Ἑλλήσποντον διεβίβασε τὴν δύναμιν ἐκ τῆς Εὐρώπης εἰς τὴν Ἀσίαν. [2] αὐτὸς δὲ μακρᾷς ναυσὶν ἐξήκοντα καταπλεύσας πρὸς τὴν Τρωάδα χώραν πρῶτος τῶν Μακεδόνων ἀπὸ τῆς νεῶς ἠκόντισε μὲν τὸ δόρυ, πῆξας δ' εἰς τὴν γῆν καὶ αὐτὸς ἀπὸ τῆς νεῶς ἀφαλλόμενος παρὰ τῶν θεῶν ἀπεφαίνετο τὴν Ἀσίαν δέχεσθαι δορίκτητον. [3] καὶ τοὺς μὲν τάφους τῶν ἡρώων Ἀχιλλέως τε καὶ Αἴαντος καὶ τῶν ἄλλων ἐναγίσμασι καὶ τοῖς ἄλλοις τοῖς πρὸς εὐδοξίαν ἀνήκουσιν ἐτίμησεν, αὐτὸς δὲ τὸν ἐξετασμὸν τῆς ἀκολουθοῦσης δυνάμεως ἀκριβῶς ἐποιήσατο. εὐρέθησαν δὲ πεζοὶ Μακεδόνες μὲν μύριοι καὶ δισχίλιοι, σύμμαχοι δὲ ἑπτακισχίλιοι, μισθοφόροι δὲ πεντακισχίλιοι, καὶ τούτων ἀπάντων Παρμενίων εἶχε τὴν ἡγεμονίαν. [4] Ὀδρῦσαι δὲ καὶ Τριβαλλοὶ καὶ Ἰλλυριοὶ συνηκολούθουν ἑπτακισχίλιοι, τοξοτῶν δὲ καὶ τῶν Ἀγριάνων καλουμένων χίλιοι, ὥστε τοὺς ἅπαντας εἶναι πεζοὺς τρισμυρίους καὶ δισχιλίους. ἵππεῖς δ' ὑπῆρχον Μακεδόνες μὲν χίλιοι καὶ ὀκτακόσιοι, Φιλώτου τοῦ Παρμενίωνος ἡγουμένου, Θετταλοὶ δὲ χίλιοι καὶ ὀκτακόσιοι, ὃν ἡγεῖτο Κάλλας ὁ Ἀρπάλου, τῶν δ' ἄλλων Ἑλλήνων οἱ πάντες ἑξακόσιοι, ὃν ἡγεῖτο Ἐρίγνιος, Θρᾷκες δὲ πρόδρομοι καὶ Παῖονες ἐννακόσιοι, Κάσανδρον ἔχοντες ἡγεμόνα, ὥστε τοὺς σύμπαντας ὑπάρχειν ἵππεῖς τετρακισχιλίους καὶ πεντακοσίους. οἱ μὲν οὖν μετ' Ἀλεξάνδρου διαβάντες εἰς τὴν Ἀσίαν τοσοῦτοι τὸ πλῆθος ἦσαν. [5] οἱ δ' ἐπὶ τῆς Εὐρώπης ἀπολελειμμένοι στρατιῶται, ὃν Ἀντίπατρος εἶχε τὴν ἡγεμονίαν, πεζοὶ μὲν ὑπῆρχον μύριοι καὶ δισχίλιοι, ἵππεῖς δὲ χίλιοι καὶ πεντακόσιοι. [6]

τοῦ δὲ βασιλέως ἀναζεῦξαντος ἐκ τῆς Τρωάδος καὶ καταντήσαντος πρὸς τὸ τέμενος τῆς Ἀθηνᾶς ὁ μὲν θύτης Ἀλέξανδρος κατανοήσας πρὸ τοῦ νεῶν κειμένην εἰκόνα χαμαὶ τοῦ Φρυγίας ποτὲ σατραπεύσαντος Ἀριοβαρζάνου καὶ τινῶν οἰωνῶν αἰσίων ἄλλων ἐπιγενομένων προσῆλθε τῷ βασιλεῖ καὶ νικήσειν αὐτὸν ἵππομαχίᾳ μεγάλῃ διεβεβαίουτο καὶ μάλιστ', ἂν τύχῃ περὶ τὴν Φρυγίαν ἀγωνισάμενος. [7] προσετίθει δὲ καὶ διότι ταῖς ἰδίαις χερσὶν ἀποκτενεῖ μαχόμενος ἐν παρατάξει στρατηγὸν ἐπιφανῆ τῶν πολεμίων: ταῦτα γὰρ αὐτῷ

προσημαίνειν τοὺς θεοὺς καὶ μάλιστα τὴν Ἀθηνᾶν, ἣν καὶ συνεργήσιν ἐν τοῖς εὐημερήμασιν. 18. ὁ δ' Ἀλέξανδρος ἀποδεξάμενος τὴν τοῦ μάντεως πρόρρησιν τῇ μὲν Ἀθηνᾷ λαμπρὰν ἐπετέλεσε θυσίαν καὶ τὸ μὲν ἴδιον ὄπλον ἀνέθηκε τῇ θεῷ, τῶν δ' ἐν τῷ νεῷ κειμένων ὄπλων τὸ κράτιστον ἀναλαβὼν καὶ τούτῳ καθοπλισθεὶς ἐχρήσατο κατὰ τὴν πρώτην μάχην, ἣν διὰ τῆς ἰδίας ἀνδραγαθίας κρίνας περιβόητον ἔσχε τὴν νίκην. ἀλλὰ ταῦτα μὲν ὕστερον ἡμέραις ὀλίγαις ἐπράχθη. [2] οἱ δὲ τῶν Περσῶν σατράπαι καὶ στρατηγοὶ τοῦ μὲν κωλύσαι τῶν Μακεδόνων τὴν διάβασιν ὑστέρησαν, ἄθροισθέντες δ' ἐβουλευόντο πῶς χρὴ διαπολεμεῖν τοῖς περὶ Ἀλέξανδρον. Μένων μὲν οὖν ὁ Ῥόδιος, διαβεβοημένος ἐπὶ συνέσει στρατηγικῇ, συνεβούλευε κατὰ στόμα μὲν μὴ διακινδυνεύειν, τὴν δὲ χώραν φθεῖρειν καὶ τῇ σπάνει τῶν ἀναγκαίων εἵργειν τοὺς Μακεδόνας τῆς εἰς τοῦμπροσθεν πορείας, διαβιβάζειν δὲ καὶ δυνάμεις εἰς τὴν Μακεδονίαν ναυτικάς τε καὶ πεζικάς καὶ τὸν ὅλον πόλεμον εἰς τὴν Εὐρώπην μεταγαγεῖν. [3] ὁ δ' ἀνὴρ οὗτος ἄριστα μὲν συνεβούλευεν, ὥς ἐκ τῶν ἀποτελεσμάτων ἐγενήθη φανερόν, οὐ μὴν ἔπεισε τοὺς ἄλλους ἡγεμόνας, ὥς ἀνάξια συμβουλευὼν τῆς Περσῶν μεγαλοψυχίας. [4] διόπερ ἐπικρατούσης τῆς τοῦ διαγωνίζεσθαι γνώμης οὗτοι μὲν τὰς πανταχόθεν δυνάμεις μεταπεμψάμενοι καὶ πολλαπλάσιοι γενόμενοι τῶν Μακεδόνων προῆγον ἐπὶ Φρυγίας τῆς ἐφ' Ἑλλησπόντου. κατεστρατοπέδευσαν δὲ παρὰ τὸν Γρανικὸν ποταμόν, προβαλλόμενοι τὸ ρεῖθρον τοῦ προειρημένου ποταμοῦ. 19. ὁ δὲ Ἀλέξανδρος πυθόμενος τὴν συνδρομὴν τῶν βαρβαρικῶν δυνάμεων προῆγε καὶ σύντομον τὴν πορείαν ποιησάμενος ἀντεστρατοπέδευσε τοῖς πολεμίῳις, ὥστε ἀνὰ μέσον ρεῖν τῶν παρεμβολῶν τὸν Γρανικόν. [2] οἱ μὲν οὖν βάρβαροι τὴν ὑπώρειαν κατεिल्μμένοι τὴν ἡσυχίαν ἤγον, κεκρικότες τοῖς πολεμίῳις ἐπιθέσθαι κατὰ τὴν διάβασιν τοῦ ποταμοῦ: καὶ διεσπασμένης τῆς τῶν Μακεδόνων φάλαγγος ῥαδίως προτερήσιν ὑπελάμβανον ἐν τῇ μάχῃ: [3] ὁ δὲ Ἀλέξανδρος τεθαρρηκὼς ἅμ' ἡμέρα περαιώσας τὴν δύναμιν ἔφθασε τοὺς πολεμίῳις ἐκτάξας τὴν δύναμιν ἡρμοσμένως πρὸς τὸν ἀγῶνα. οἱ δὲ βάρβαροι πρὸς ὅλην τὴν τάξιν τῶν Μακεδόνων ἔστησαν τὸ πλῆθος τῶν ἱππέων καὶ διὰ τούτων προκινεῖν τὴν μάχην διεγνώκεισαν. [4] τὸ μὲν οὖν εὐώνυμον μέρος εἶχε Μένων ὁ Ῥόδιος καὶ Ἀρσαμένης ὁ σατράπης ἔχοντες τοὺς ἰδίους ἱππεῖς, μετὰ δὲ τούτους Ἀρσίτης ἐτέτακτο τοὺς ἐκ Παφλαγονίας ἔχων ἱππεῖς, ἔπειτα Σπιθροβάτης ὁ Ἰωνίας σατράπης Ὑρκανῶν ἱππέων ἡγούμενος: τὸ δὲ δεξιὸν κέρας ἐπεῖχον χίλιοι μὲν Μῆδοι, δισχίλιοι δὲ οἱ μετὰ Ῥεομίθρους ἱππεῖς καὶ Βακτριανοὶ τούτοις ἴσοι: τὸν δὲ μέσον τόπον ἐπεῖχον οἱ τῶν ἄλλων ἐθνῶν ἱππεῖς, πολλοὶ μὲν τὸν ἀριθμὸν ὄντες, ἐπιλεκτοὶ δὲ ταῖς ἀρεταῖς. οἱ δὲ πάντες ἱππεῖς ὑπῆρχον πλείους τῶν μυρίων. [5] οἱ δὲ πεζοὶ τῶν Περσῶν ἦσαν μὲν οὐκ ἐλάττους τῶν δέκα μυριάδων, ὀπισθεν δ' ἐπιτεταγμένοι τὴν ἡσυχίαν ἤγον, ὥς τῶν ἱππέων ἱκανῶν ὄντων καταπονῆσαι τοὺς Μακεδόνας. [6] τῶν δ' ἱππέων παρ' ἀμφοτέροις προθύμως εἰς τὸν κίνδυνον συμπεσόντων τὸ μὲν εὐώνυμον μέρος ἐπέχοντες οἱ τῶν Θετταλῶν ἱππεῖς Παρμενίωνος ἡγουμένου τεθαρρηκότως ἐδέχοντο τὴν ἐπιφορὰν τῶν καθ' αὐτοὺς τεταγμένων, Ἀλέξανδρος δὲ τοὺς ἀρίστους τῶν ἱππέων κατὰ τὸ δεξιὸν κέρας ἔχων μεθ' αὐτοῦ πρῶτος ἐφίππευσε τοῖς Πέρσαις καὶ συμπλακεῖς τοῖς πολεμίῳις πολὺν

ἐποιεῖτο φόνον. 20. τῶν δὲ βαρβάρων εὐρώστως ἀγωνιζομένων καὶ τοὺς ἑαυτῶν θυμοὺς ταῖς τῶν Μακεδόνων ἀρεταῖς ἀντιταπτόντων ἡ τύχη συνήγαγεν εἰς ἓνα τόπον τοὺς ἀρίστους εἰς τὴν ὑπὲρ τῆς νίκης κρίσιν. [2] ὁ γὰρ τῆς Ἰωνίας σατράπης Σπιθροβάτης, γένει μὲν ὦν Πέρσης, Δαρείου δὲ τοῦ βασιλέως γαμβρός, ἀνδρεία δὲ διαφέρων, μετὰ μεγάλης δυνάμεως ἱππέων ἐπέρραξε τοῖς Μακεδόσιν, ἔχων δὲ συναγωνιστὰς τεταγμένους τεσσαράκοντα συγγενεῖς ἀρεταῖς διαφόρους ἐνέκειτο τοῖς ἀνθεστηκόσι καὶ θρασέως ἀγωνιζόμενος οὓς μὲν ἀνῆρει τῶν ἀνθισταμένων, οὓς δὲ κατετραυμάτιζε. [3] δυσυποστάτου δὲ τῆς περὶ αὐτὸν οὔσης βίας ὁ Ἀλέξανδρος ἐπιστρέψας τὸν ἵππον ἐπὶ τὸν σατράπην ἐρίππευσεν τῷ βαρβάρῳ. ὁ δὲ Πέρσης νομίσας παρὰ τῶν θεῶν αὐτῷ δεδόσθαι τὸν τῆς μονομαχίας καιρὸν, εἰ συμβήσεται διὰ τῆς ἰδίας ἀνδραγαθίας ἐλευθερωθῆναι τῶν μεγίστων φόβων τὴν Ἀσίαν καὶ τὴν περιβόητον Ἀλεξάνδρου τόλμαν ταῖς ἰδίαις χερσὶ καταλυθῆναι καὶ τὴν τῶν Περσῶν δόξαν μὴ καταισχυνθῆναι φθάνει βαλὼν τὸ σαννίον ἐπὶ τὸν Ἀλέξανδρον καὶ οὕτω μετὰ σφοδρᾶς εἰσπεσὼν ῥύμης καὶ βιαίως τὸ δόρυ ὠσάμενος διαρρήξας τε τὴν τε ἀσπίδα Ἀλεξάνδρου καὶ τὴν δεξιὰν ἐπωμίδα διήλασε διὰ τοῦ θώρακος. [4] ὁ δὲ βασιλεὺς τὸ μὲν βέλος τῷ βραχίονι παρελκόμενον ἀπέρριψε, τῷ δ' ἵπῳ προσβαλὼν τὰ κέντρα καὶ τῇ ῥύμῃ τῆς φορᾶς συνεργῶ χρησάμενος εἰς μέσον τοῦ σατράπου τὸ στήθος ἐνήρεισε τὸ ξυστόν. [5] οὗ συντελεσθέντος αἱ μὲν πλησίον τάξεις παρ' ἀμφοτέροις διὰ τὴν ὑπερβολὴν τῆς ἀνδρείας ἀνεβόησαν, τῆς δ' ἐπιδορατίδος περὶ τὸν θώρακα συντριβείσης καὶ τοῦ θραύσματος ἀποπηδήσαντος ὁ μὲν Πέρσης σπασάμενος τὸ ξίφος ἐπὶ τὸν Ἀλέξανδρον ἐπεφέρετο, ὁ δὲ βασιλεὺς διαλαβὼν τὸ ξυστόν ἔφθασεν ἐνερεῖσαι τῷ προσώπῳ καὶ διήλασε τὴν πληγὴν. [6] καθ' ὃν δὴ χρόνον ὁ ἀδελφὸς τοῦ πεσόντος Ῥωσάκης προσιπτεύσας κατήνεγκε τῷ ξίφει κατὰ τῆς κεφαλῆς Ἀλεξάνδρου οὕτως ἐπικίνδυνον πληγὴν ὥστε τὸ μὲν κράνος διαπτύξαι, τοῦ δὲ χρωτὸς βραχέως ἐπιψαῦσαι. [7] κατὰ δὲ τὴν αὐτὴν διαίρεσιν ἐπιφέροντος ἄλλην πληγὴν τοῦ Ῥωσάκου Κλεῖτος ὁ μέλας ἐπικαλούμενος προσελάσας τὸν ἵππον ἀπέκοψε τὴν χεῖρα τοῦ βαρβάρου. 21. περὶ δ' ἀμφοτέρων τῶν πεσόντων οἱ συγγενεῖς ἄθροοι συστραφέντες τὸ μὲν πρῶτον ἠκόντιζον ἐπὶ τὸν Ἀλέξανδρον, ἔπειτα δὲ καὶ συστάδην μαχόμενοι πάντα κίνδυνον ὑπέμενον ὑπὲρ τοῦ φονεῦσαι τὸν βασιλέα. [2] ὁ δὲ καίπερ πολλοῖς καὶ μεγάλοις κινδύνοις συνεχόμενος ὁμως οὐκ ἐνικᾶτο τοῖς πλήθεσι τῶν πολεμίων, ἀλλὰ δύο μὲν ἔχων εἰς τὸν θώρακα πληγὰς, μίαν δὲ εἰς τὸ κράνος, τρεῖς δ' εἰς τὸ καθαιρεθὲν ὄπλον ἐκ τοῦ νεῶ τῆς Ἀθηνᾶς ὁμως οὐκ ἐνεδίδου, ἀλλὰ τῷ παραστήματι τῆς ψυχῆς ἐπαιρόμενος παντὸς δεινοῦ κατεξανίστατο. [3] μετὰ δὲ ταῦτα καὶ τῶν ἄλλων ἐπιφανῶν ἡγεμόνων παρ' αὐτὸν ἐν τοῖς Πέρσiais ἔπесον πλείους, ὧν ἦσαν ἐπιφανέστατοι Ἀτιζύης καὶ Φαρνάκης ὁ τῆς Δαρείου γυναικὸς ἀδελφός, ἔτι δὲ Μιθροβουζάνης ὁ Καππαδοκῶν ἡγούμενος. [4] διὸ καὶ πολλῶν ἡγεμόνων ἀναιρεθέντων καὶ τῶν Περσικῶν τάξεων ἀπασῶν ὑπὸ τῶν Μακεδόνων ἡττωμένων πρῶτον μὲν οἱ κατὰ τὸν Ἀλέξανδρον τεταγμένοι φυγεῖν ἠναγκάσθησαν, μετὰ δὲ ταῦτα καὶ τῶν ἄλλων τραπέντων ὁ μὲν βασιλεὺς ὁμολογούμενον τῆς ἀνδραγαθίας τὸ πρωτεῖον ἀπηνέγκατο καὶ τῆς ὅλης νίκης ἔδοξε μάλιστ' αἴτιος γεγονέναι, μετὰ

δὲ τοῦτον οἱ τῶν Θετταλῶν ἱππεῖς ἄριστα ταῖς εἵλαις χρώμενοι καὶ διαφόρως ἀγωνισάμενοι μεγάλην ἐπ' ἀνδρείᾳ δόξαν ἔσχον. [5] μετὰ δὲ τὴν τῶν ἱππέων τροπὴν οἱ πεζοὶ συμβαλόντες ἀλλήλοις ὀλίγον χρόνον ἡγωνίσαντο: οἱ γὰρ βάρβαροι διὰ τὴν τῶν ἱππέων τροπὴν καταπλαγέντες καὶ ταῖς ψυχαῖς ἐνδόντες πρὸς φυγὴν ὥρμησαν. [6] ἀνηρέθησαν δὲ τῶν Περσῶν οἱ πάντες πεζοὶ μὲν πλείους τῶν μυρίων, ἱππεῖς δὲ οὐκ ἐλάττους δισχιλίων, ἐξωγρήθησαν δ' ὑπὲρ τοὺς δισμύριους. μετὰ δὲ τὴν μάχην ὁ βασιλεὺς τοὺς τετελευτηκότας ἔθαψε μεγαλοπρεπῶς, σπεύδων διὰ ταύτης τῆς τιμῆς τοὺς στρατιώτας προθυμότερους κατασκεύασαι πρὸς τοὺς ἐν ταῖς μάχαις κινδύνους. [7]

αὐτὸς δ' ἀναλαβὼν τὴν δύναμιν προῆγε διὰ τῆς Λυδίας, καὶ τὴν μὲν τῶν Σαρδιανῶν πόλιν καὶ τὰς ἀκροπόλεις, ἔτι δὲ τοὺς ἐν αὐταῖς θησαυροὺς, παρέλαβε Μιθρίνους τοῦ σατράπου παραδόντος ἐκουσίως. 22. εἰς δὲ τὴν Μίλητον συμπεφευγόντων τῶν διασωθέντων ἐκ τῆς μάχης Περσῶν μετὰ Μέμνονος τοῦ στρατηγοῦ ὁ μὲν βασιλεὺς πλησίον τῆς πόλεως στρατοπεδεύσας καθ' ἡμέραν συνεχεῖς προσβολὰς τοῖς τείχεσιν ἐκ διαδοχῆς ἐποιεῖτο, [2] οἱ δὲ πολιορκούμενοι τὸ μὲν πρῶτον ῥαδίως ἀπὸ τῶν τειχῶν ἡμύνοντο, πολλῶν μὲν στρατιωτῶν ἡθροισμένων εἰς τὴν πόλιν, βελῶν δὲ καὶ τῶν ἄλλων τῶν εἰς τὴν πολιορκίαν χρησίμων δανυλῇ χορηγίαν ἔχοντες: [3] ἐπεὶ δὲ ὁ βασιλεὺς φιλοτιμότερον ταῖς τε μηχαναῖς ἐσάλευε τὰ τεῖχη καὶ τὴν πολιορκίαν ἐνεργεστάτην ἐποιεῖτο κατὰ γῆν ἅμα καὶ κατὰ θάλατταν οἱ τε Μακεδόνες διὰ τῶν πιπτόντων τειχῶν εἰσεβιάζοντο, τηνικαῦτα κατισχυόμενοι πρὸς φυγὴν ἐτράποντο. [4] εὐθὺ δ' οἱ Μιλήσιοι μεθ' ἱκετηριῶν τῷ βασιλεῖ προσπίπτοντες παρέδωκαν σφᾶς αὐτοὺς καὶ τὴν πόλιν. τῶν δὲ βαρβάρων οἱ μὲν ὑπὸ τῶν Μακεδόνων ἀνηρέθησαν, οἱ δὲ τῆς πόλεως ἐκπίπτοντες ἔφευγον, οἱ δ' ἄλλοι πάντες ἤλωσαν. [5] ὁ δ' Ἀλέξανδρος τοῖς μὲν Μιλησίοις φιланθρώπως προσηνέχθη, τοὺς δ' ἄλλους ἅπαντας ἐξηνδραποδίστατο. τῆς δὲ ναυτικῆς δυνάμεως οὔσης ἀχρήστου καὶ δαπάνας μεγάλας ἐχούσης κατέλυσε τὸ ναυτικὸν πλὴν ὀλίγων νεῶν, αἷς ἐχρήτο πρὸς τὴν παρακομιδὴν τῶν πολιορκητικῶν ὀργάνων, ἐν αἷς ἦσαν αἱ παρ' Ἀθηναίων νῆες συμμαχίδες εἴκοσιν. 23. ἔνιοι δὲ λέγουσι τὸν Ἀλέξανδρον στρατηγικῶς ἐπινοῆσαι τὴν τοῦ στόλου κατάλυσιν: προσδοκίμου γὰρ ὄντος τοῦ Δαρείου καὶ μελλούσης μεγάλης παρατάξεως συντελεῖσθαι νομίσαι τοὺς Μακεδόνας ἐκθυμότερον ἀγωνιεῖσθαι παραιρεθείσης τῆς κατὰ τὴν φυγὴν ἐλπίδος. [2] τὸ δ' αὐτὸ πράττειν κατὰ τὴν ἐπὶ Γρανικῷ μάχην: κατὰ νότου γὰρ λαβεῖν τὸν ποταμόν, ὅπως μηδεὶς ἐπιβάληται φεύγειν προδήλου τῆς ἀπωλείας οὔσης τῶν διωκομένων ἐν τῷ τοῦ ποταμοῦ ρείθρῳ. καὶ γὰρ κατὰ τοὺς ὕστερον χρόνους Ἀγαθοκλέα τὸν Συρακοσίων βασιλέα μιμησάμενον τὴν Ἀλεξάνδρου στρατηγίαν ἀνέλπιστον καὶ μεγάλην νίκην περιποιήσασθαι: [3] διαβάντα γὰρ αὐτὸν εἰς Λιβύην μετ' ὀλίγης δυνάμεως καὶ τὰς ναῦς ἐμπρήσαντα παρελῆσθαι μὲν τῶν στρατιωτῶν τὰς ἐκ τοῦ φεύγειν ἐλπίδας, συναναγκάσαι δὲ γενναίως ἀγωνίσασθαι καὶ διὰ τοῦτο Καρχηδονίων ἀντιταχθέντων πολλαῖς μυριάσι νικῆσαι. [4]

μετὰ δὲ τὴν ἄλωσιν τῆς Μιλήτου τὸ πλῆθος τῶν Περσῶν καὶ τῶν μισθοφόρων, ἔτι δ' οἱ πρακτικώτατοι τῶν ἡγεμόνων συνέδραμον εἰς τὴν Ἀλικαρνασσόν. αὕτη δὲ ἡ πόλις μεγίστη τῶν κατὰ τὴν Καρίαν ἦν, βασιλεία

μὲν ἐσχηκυῖα τὰ Καρῶν, ἀκροπόλεσι δὲ καλῶς κεκοσμημένῃ. [5] κατὰ δὲ τὸν αὐτὸν καιρὸν Μέμωνων μὲν τὴν τε γυναῖκα καὶ τὰ τέκνα πρὸς Δαρεῖον ἔπεμψε καὶ τοῦτῳ παραθέμενος ἅμα μὲν ὑπέλαβε τῆς ἀσφαλείας αὐτῶν καλῶς πεπρονοῆσθαι, ἅμα δὲ τὸν βασιλέα καλοὺς ὁμήρους ἔχοντα προθυμότερον ἐμπιστεύειν αὐτῷ τὴν τῶν ὅλων ἡγεμονίαν: ὅπερ καὶ συνέβη γενέσθαι. [6] εὐθὺς γὰρ ὁ Δαρεῖος ἔπεμψεν ἐπιστολὰς πρὸς τοὺς κατὰ θάλατταν οἰκοῦντας, προστάττων ἅπαντας ὑπακοῦειν τῷ Μέμμωνι. διόπερ οὗτος παραλαβὼν τὴν τῶν ὅλων ἡγεμονίαν παρεσκευάζετο πάντα τὰ χρήσιμα πρὸς πολιορκίαν ἐν τῇ πόλει τῶν Ἀλικαρνασσέων. 24. ὁ δὲ βασιλεὺς Ἀλέξανδρος τὰ μὲν πολιορκητικὰ τῶν ὀργάνων καὶ σῖτον κατὰ θάλατταν ἐκόμισεν ἐπὶ τὴν Ἀλικαρνασσόν, αὐτὸς δὲ μετὰ πάσης τῆς δυνάμεως προῆγεν ἐπὶ Καρίας καὶ τὰς ἐν τῇ παρόδῳ πόλεις προσήγετο ταῖς φιλανθρωπίαις: μάλιστα δ' εὐεργέτει τὰς Ἑλληνίδας πόλεις, ποιῶν αὐτὰς αὐτονόμους καὶ ἀφορολογήτους, προσεπιλέγων ὅτι τῆς τῶν Ἑλλήνων ἐλευθερώσεως ἕνεκα τὸν πρὸς Πέρσας πόλεμον ἐπανήρηται. [2] ὄντι δ' αὐτῷ κατὰ τὴν ὁδοιπορίαν ἀπήντησέν τι γύναιον, ὄνομα μὲν Ἄδα, γένει δὲ προσήκουσα τῇ Καρῶν ἀρχῇ. ἐντυχούσης δ' αὐτῆς περὶ τῆς προγονικῆς δυναστείας καὶ δεηθείσης βοηθῆσαι ταύτην μὲν ἐκέλευσε παραλαβεῖν τὴν τῆς Καρίας ἀρχήν, τοὺς δὲ Κᾶρας ἰδίους ἐποίησατο ταῖς εὐνοίαις διὰ τὴν τῆς γυναικὸς ταύτης εὐεργεσίαν: [3] εὐθὺς γὰρ αἱ πόλεις ἅπασαι πρεσβείας ἀποστέλλουσαι χρυσοῖς στεφάνοις ἐτίμησαν τὸν βασιλέα καὶ πάντα συμπράττειν ἐπηγγείλαντο. ὁ δὲ Ἀλέξανδρος πλησίον τῆς πόλεως στρατοπεδεύσας συνεστήσατο πολιορκίαν ἐνεργὸν καὶ καταπληκτικὴν. [4] τὸ μὲν γὰρ πρῶτον τοῖς τείχεσι προσβολὰς συνεχεῖς ἐκ διαδοχῆς ἐποιεῖτο καὶ διημέρευεν ἐν τοῖς κινδύνοις: μετὰ δὲ ταῦτα παντοδαπὰς μηχανὰς ἐπιστήσας καὶ τὰς πρὸ τῆς πόλεως τάφρους χωστρίσι χελώναις ἀναπληρώσας διὰ τῶν κριῶν ἐσάλευε τοὺς πύργους καὶ τὰ μεταξὺ μεσοπύργια. καταβαλὼν δὲ μέρος τι τοῦ τείχους τὸ λοιπὸν ἤδη διὰ τῆς ἐκ χειρὸς μάχης ἐβιάζετο διὰ τοῦ πτώματος εἰς τὴν πόλιν εἰσπεσεῖν. [5] Μέμωνων δὲ τὸ μὲν πρῶτον τοὺς προσβάλλοντας τοῖς τείχεσι Μακεδόνας ῥαδίως ἡμύνετο, πολλῶν ὄντων ἐν τῇ πόλει στρατιωτῶν: κατὰ δὲ τὰς τῶν ὀργάνων προσβολὰς μετὰ πολλῶν στρατιωτῶν ἐκχεόμενος ἐκ τῆς πόλεως νυκτὸς πῦρ ἐνέβαλλε ταῖς μηχαναῖς. [6] μεγάλων δ' ἀγώνων πρὸ τῆς πόλεως συνισταμένων οἱ μὲν Μακεδόνες ταῖς ἀρεταῖς πολὺν προεῖχον, οἱ δὲ Πέρσαι τῷ πλήθει καὶ ταῖς παρασκευαῖς ἐπλεονέκτουν: συνήρουν γὰρ αὐτοῖς οἱ ἀπὸ τῶν τειχῶν συναγωνιζόμενοι καὶ τοῖς ὀξυβελέσι καταπέλταις οὓς μὲν ἀπέκτεινον τῶν πολεμίων, οὓς δὲ κατετίτρωσκον. 25. ὁμοῦ δὲ αἱ τε σάλπιγγες ἐσήμαινον παρ' ἀμφοτέροις τὸ πολεμικὸν καὶ βοή πανταχόθεν ἐγίνετο, συνεπισημαινομένων τῶν στρατιωτῶν ταῖς παρ' ἐκατέρων ἀνδραγαθίαις. [2] οἱ μὲν γὰρ τὴν ἐν ταῖς μηχαναῖς αἰρομένην εἰς ὕψος φλόγα κατέπαυον, οἱ δ' εἰς χεῖρας συμπλεκόμενοι πολὺν ἐποιοῦν φόνον, ἄλλοι δ' ἐντὸς τῶν πιπτόντων τειχῶν ἀντὶκοδόμουν ἕτερα τείχη πολὺ τῶν προὑπαρχόντων βαρύτερα ταῖς κατασκευαῖς. [3] τῶν δ' ἡγεμόνων τῶν περὶ τὸν Μέμμωνα προκινδυνευόντων καὶ μεγάλας δωρεὰς διδόντων τοῖς ἀνδραγαθοῦσιν ἀνυπέρβλητος φιλοτιμία παρ' ἀμφοτέροις ἐγίνετο περὶ τῆς νίκης. [4] διὸ καὶ παρὴν ὁρᾶν τοὺς μὲν τραύμασιν ἐναντίους

περιπίπτοντας καὶ κατὰ τὰς λιποψυχίας ἀποφερομένους ἐκ τῆς μάχης, τοὺς δὲ περιβαίνοντας τὰ πίπτοντα σώματα καὶ περὶ τῆς τούτων ἀναιρέσεως μεγάλους ἀγῶνας συνισταμένους, ἄλλους δὲ διὰ τὴν ὑπερβολὴν τῶν δεινῶν ἐνδιδόντας ἤδη καὶ διὰ τῆς ὑπὸ τῶν ἡγεμόνων παρακλήσεως πάλιν θαρροῦντας καὶ νεαροὺς ταῖς ψυχαῖς γινομένους. [5] τέλος δὲ πρὸς αὐταῖς ταῖς πύλαις ἔπесόν τινες τῶν Μακεδόνων καὶ σὺν αὐτοῖς Νεοπτόλεμος ἡγεμών, ἀνὴρ ἐπιφανής. μετὰ δὲ ταῦτα δύο μὲν πύργων εἰς ἔδαφος καθηρημένων καὶ δυεῖν μεσοπυργίων ἐρριμμένων τῶν μὲν Περδίκκου στρατιωτῶν τινες μεθυσθέντες προπετῶς νυκτὸς προσέβαλλον τοῖς τῆς ἀκροπόλεως τείχεσιν: οἱ δὲ περὶ τὸν Μέμνονα συννοήσαντες τὴν ἀπειρίαν τῶν προσβαλλόντων καὶ ἐπεξελθόντες καὶ τῷ πλήθει πολὺ προέχοντες ἐτρέψαντο τοὺς Μακεδόνας καὶ πολλοὺς ἀνήρουν. [6] γνωσθέντος δὲ τοῦ συμβεηκότος ἐξεβόηθουν πολλοὶ τῶν Μακεδόνων καὶ μεγάλης μάχης γενομένης καὶ τῶν περὶ τὸν Ἀλέξανδρον ἐπιφανέντων οἱ μὲν Πέρσαι βιασθέντες συνεκλείσθησαν εἰς τὴν πόλιν, ὃ δὲ βασιλεὺς τοὺς πεσόντας πρὸ τοῦ τείχους Μακεδόνας διακηρυκευσάμενος ἤτησεν ὑποσπόνδους. Ἐφιάλτης μὲν οὖν καὶ Θρασύβουλος οἱ Ἀθηναῖοι συμμαχοῦντες τοῖς Πέρσαις συνεβούλευον μὴ δίδοναι τοὺς νεκροὺς πρὸς ταφήν, ὃ δὲ Μέμνων συνεχώρησε. 26.

μετὰ δὲ ταῦτα Ἐφιάλτης βουλευομένων τῶν ἡγεμόνων συνεβούλευε μὴ περιμένειν ἕως ἂν ἀλούσης τῆς πόλεως αἰχμάλωτοι καταστῶσιν, ἀλλ' αὐτοὺς τοὺς ἡγεμόνας προκινδυνεύοντας τῶν μισθοφόρων ἐπιθέσθαι τοῖς πολεμίοις. [2] ὃ δὲ Μέμνων ὀρῶν τὸν Ἐφιάλτην πρὸς ἀρετὴν ὀρῶμενον καὶ μεγάλας ἔχων ἐλπίδας ἐν αὐτῷ διὰ τὴν ἀνδρείαν καὶ τὴν τοῦ σώματος ῥώμην συνεχώρησεν αὐτῷ πράττειν ὃ βούλοιο. [3] ὃ δὲ δισχιλίους τῶν μισθοφόρων ἐπιλέκτους ἀναλαβὼν καὶ τοῖς ἡμίσεσι διαδοὺς δᾶδας ἡμμένας, τοὺς δ' ἄλλους ἀντιτάξας τοῖς πολεμίοις ἄφνω τὰς πύλας πάσας ἀνεπέτασεν. ἅμα δ' ἡμέρᾳ μετὰ τούτων ἐκχυθεῖς τοῖς μὲν μηχανήμασιν ἐνήκε πῦρ καὶ παραχρῆμα πολλὴν συνέβη γενέσθαι φλόγα, [4] τῶν δ' ἄλλων ἐν βαθείᾳ φάλαγγι πεπυκνωμένων αὐτὸς προηγεῖτο καὶ τοῖς ἐκβοηθοῦσι Μακεδόσιν ἐπέρραξεν. ὃ δὲ βασιλεὺς κατανοήσας τὸ γινόμενον τοὺς μὲν προμάχους τῶν Μακεδόνων πρῶτους ἔταξε, ἐφέδρους δ' ἔστησε τοὺς ἐπιλέκτους: ἐπὶ δὲ τούτοις τρίτους ἐπέταξεν ἑτέρους τοὺς ταῖς ἀνδραγαθίαις ὑπεράγοντας. αὐτὸς δὲ πρὸ πάντων τούτων ἡγούμενος ὑπέστη τοὺς πολεμίους, δόξαντας διὰ τὸ βάρος ἀκαταγωνίστους εἶναι. ἐξέπεμψε δὲ καὶ τοὺς κατασβέσοντας τὴν φλόγα καὶ βοηθήσοντας ταῖς μηχαναῖς. [5] ἅμα δὲ παρ' ἀμφοτέροις τῆς τε βοῆς ἐξαισίου γινομένης καὶ τῶν σαλπίγγων σημαινουσῶν τὸ πολεμικὸν μέγας ἀγὼν συνέστη διὰ τὰς ἀρετὰς τῶν ἀγωνιζομένων καὶ τὴν ὑπερβολὴν τῆς φιλοτιμίας. τὸ μὲν οὖν πῦρ ἐκώλυσαν οἱ Μακεδόνες ἐπινεμηθῆναι, [6] κατὰ δὲ τὴν μάχην ἐπλεονέκτουσαν οἱ περὶ τὸν Ἐφιάλτην: οὗτος γὰρ πολὺ προέχων τῶν ἄλλων τῇ τοῦ σώματος ῥώμῃ πολλοὺς ἀνήρει τῶν εἰς χεῖρας ἐρχομένων. οἱ τ' ἐφεστῶτες ἐπὶ τῷ προσφάτως ἀντικατασκευασθέντι τείχει πολλοὺς ἀνήρουν πυκνοῖς τοῖς βέλεσι χρώμενοι: ἑκατὸν γὰρ πηχῶν τὸ ὕψος πύργος ξύλινος κατεσκευάστο, πλήρης καταπελτῶν ὀξυβελῶν. [7] πολλῶν δὲ Μακεδόνων πιπτόντων καὶ τῶν ἄλλων ἀναχωρούντων διὰ τὸ πλῆθος τῶν βελῶν, τοῦ τε

Μέμνονος πολλαπλασίοις στρατιώταις ἐπιβοηθούντος καὶ αὐτὸς ὁ βασιλεὺς εἰς πολλὴν ἀμηχανίαν ἐνέπιπτεν. 27. ἔνθα δὴ τῶν ἐκ τῆς πόλεως κατισχυόντων παραδόξως ὁ κίνδυνος παλίντροπον τὴν μάχην ἔσχεν. οἱ γὰρ πρεσβύτατοι τῶν Μακεδόνων, διὰ μὲν τὴν ἡλικίαν ἀπολελυμένοι τῶν κινδύνων, συνεστρατευμένοι δὲ Φιλίππῳ καὶ πολλὰς μάχας κατωρθώκοτες, [2] ὑπὸ τῶν καιρῶν εἰς ἀλκὴν προεκλήθησαν, φρονήματι δὲ καὶ ταῖς κατὰ πόλεμον ἐμπειρίαις πολὺ προέχοντες τοῖς μὲν φυγομαχοῦσι νεωτέροις πικρῶς ὠνείδισαν τὴν ἀνανδρίαν, αὐτοὶ δὲ συναθροισθέντες καὶ συνασπίσαντες ὑπέστησαν τοὺς δοκοῦντας ἤδη νενικηκέσαι. [3] τέλος δὲ τὸν τε Ἐφιάλτην καὶ πολλοὺς ἄλλους ἀνελόντες τοὺς λοιποὺς ἠνάγκασαν εἰς τὴν πόλιν συμφυγεῖν. [4] οἱ δὲ Μακεδόνες τῆς νυκτὸς ἐπιλαβούσης τοῖς φεύγουσι συνεισέπεσον ἐντὸς τῶν τειχῶν· τοῦ δὲ βασιλέως κελεύσαντος σημῆναι τὸ ἀνακλητικὸν ἀνεχώρησαν εἰς τὸ στρατόπεδον. [5] οἱ δὲ περὶ τὸν Μέμνονα στρατηγοὶ καὶ σατράπαι συνελθόντες ἔγνωσαν τὴν μὲν πόλιν ἐκλιπεῖν, εἰς δὲ τὴν ἀκρόπολιν τοὺς ἀρίστους τῶν στρατιωτῶν καταστήσαντες μετὰ τῆς ἀρμοζούσης χορηγίας τὸν λοιπὸν ὄχλον καὶ τὰ χρήματα ἀπεκόμισαν εἰς τὴν Κῶν. [6] ὁ δ' Ἀλέξανδρος ἅμ' ἡμέρᾳ γνοὺς τὸ γεγενημένον τὴν μὲν πόλιν κατέσκαψε, τῇ δ' ἀκροπόλει περιέθηκε τεῖχος καὶ τάφρον ἀξιόλογον· αὐτὸς δὲ μέρος τῆς δυνάμεως μετὰ στρατηγῶν ἐξέπεμψεν εἰς τὴν μεσόγειον, προστάξας τὰ συνεχῇ τῶν ἐθνῶν χειροῦσθαι.

οὗτοι μὲν οὖν ἐνεργῶς πολεμήσαντες, πᾶσαν τὴν χώραν μέχρι τῆς μεγάλης Φρυγίας καταστρεψάμενοι, διέθρεψαν τοὺς στρατιώτας ἐκ τῆς πολέμιας· [7] ὁ δ' Ἀλέξανδρος τὴν παραθαλαττίαν πᾶσαν μέχρι Κιλικίας χειρωσάμενος πολλὰς πόλεις κατεκτήσατο καὶ φρούρια καρτερὰ φιλοτιμότερον πολιορκήσας τῇ βίᾳ κατεπόνησεν, ἐν οἷς ἐνὸς παραδόξως ἐκράτησε, περὶ οὗ διὰ τὴν ιδιότητα τῆς περιπετείας οὐκ ἄξιον παραλιπεῖν. 28. τῆς γὰρ Λυκίας περὶ τὰς ἐσχατίας πέτραι μεγάλῃν ὀχυρότητι διαφέρουσιν ὥστε οἱ Μαρμαρεῖς ὀνομαζόμενοι, οἵτινες παριόντος Ἀλεξάνδρου τὸ χωρίον ἐπέθεντο τοῖς κατὰ τὴν οὐραγίαν Μακεδόσι καὶ συχνοὺς ἀνελόντες πολλὰ τῶν σωμάτων καὶ τῶν ὑποζυγίων ἀφήρπασαν. [2] ἐπὶ δὲ τούτοις ὁ βασιλεὺς παροξυνθεὶς συνεστήσατο πολιορκίαν καὶ πᾶσαν εἰσεφέρειτο σπουδὴν βίᾳ κρατῆσαι τοῦ χωρίου. οἱ δὲ Μαρμαρεῖς ἀνδρεία διαφέροντες καὶ τῇ τῶν τόπων ἐρυμνότητι πιστεύοντες ὑπέμενον εὐρῶστος τὴν πολιορκίαν. ἐπὶ μὲν οὖν ἡμέρας δύο συνεχεῖς ἐγίνοντο προσβολαὶ καὶ φανερός ἦν ὁ βασιλεὺς οὐκ ἀποστησόμενος ἕως ἂν ἔλῃ τὴν πέτραι. [3] οἱ δὲ πρεσβύτεροι τῶν Μαρμαρέων τὸ μὲν πρῶτον συνεβούλευον τοῖς νέοις παυσαμένοις τῆς βίας ἐφ' οἷς ἦν δυνατόν συλλυθῆναι πρὸς τὸν βασιλέα· οὐ πειθομένων δ' αὐτῶν, ἀλλὰ πάντων φιλοτιμουμένων συναποθανεῖν τῇ τῆς πατρίδος ἐλευθερίᾳ παρεκάλεσαν αὐτοὺς τέκνα μὲν καὶ γυναῖκας καὶ τοὺς γεγηρακότας ἀνελεῖν, αὐτοὺς δὲ τοὺς δυναμένους διὰ τῆς ἀλκῆς σώζεσθαι νυκτὸς διὰ μέσων τῶν πολεμίων διεκπεσεῖν καὶ καταφυγεῖν εἰς τὴν πλησίον ὄρειν. [4] συγκαταθεμένων δὲ τῶν νέων καὶ προσταξάντων κατ' οἰκίαν ἐκάστους μετὰ τῆς συγγενείας ἀπολαύσαντας τῶν προσηνεστάτων βρωτῶν τε καὶ ποτῶν ὑπομεῖναι τὸ δεινὸν ἔδοξε τοῖς νέοις, οἷσιν ὥς ἐξακοσίους, τοῦ μὲν φονεῦειν

τοὺς προσήκοντας ἀποσχέσθαι, τὰς δ' οἰκίας ἐμπρῆσαι καὶ διὰ τῶν πυλῶν ἐκχυθέντας εἰς τὴν ὀρεινὴν ἀποχωρῆσαι. [5] οὗτοι μὲν οὖν τὰ δεδογμένα συντελέσαντες ταῖς ἰδίαις ἐστίασις ἐκάστους ἐποίησαν ἐνταφῆναι, αὐτοὶ δὲ διὰ μέσων τῶν περιεστρατοπεδευκότεων ἔτι νυκτὸς οὔσης διεκπεσόντες ἔφυγον εἰς τὴν πλησίον ὀρεινὴν. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 29.

ἐπ' ἄρχοντος δ' Ἀθήνησι Νικοκράτους ἐν Ῥώμῃ τὴν ὑπατον ἀρχὴν διεδέξατο Καίσων Οὐαλλέριος καὶ Λεύκιος Παπίριος, ἐπὶ δὲ τούτων Δαρεῖος χρημάτων πλῆθος ἐξέπεμψε τῷ Μέμνονι καὶ τοῦ πολέμου παντὸς ἀπέδειξε στρατηγόν. [2] ὁ δὲ μισθοφόρων πλῆθος ἀθροίσας καὶ τριακοσίας ναῦς πληρώσας ἐνεργῶς διώκει τὰ κατὰ τὸν πόλεμον. Χῖον μὲν οὖν προσηγάγετο: πλεύσας δ' ἐπὶ Λέσβον Ἀντισσαν μὲν καὶ Μήθυμναν καὶ Πύρραν καὶ Ἑρεσσὸν ῥαδίως ἐχειρώσατο, τὴν δὲ Μιτυλήνην μεγάλην οὔσαν καὶ παρασκευαῖς μεγάλαις καὶ πλήθει τῶν ἀμυνομένων ἀνδρῶν κεχορηγημένην πολλὰς ἡμέρας πολιορκήσας καὶ πολλοὺς τῶν στρατιωτῶν ἀποβαλὼν μόγις εἴλε κατὰ κράτος. [3] εὐθὺ δὲ τῆς περὶ τὸν στρατηγὸν ἐνεργείας διαβοηθείσης αἱ πλείους τῶν Κυκλάδων νήσων διεπρεσβεύοντο. προσπεσούσης δὲ φήμης εἰς τὴν Ἑλλάδα διότι Μέμνων μετὰ τοῦ στόλου μέλλει πλεῖν ἐπ' Εὐβοίας αἱ μὲν κατὰ τὴν νῆσον ταύτην πόλεις περίφοβοι καθειστήκεισαν, οἱ δὲ τὰ τῶν Περσῶν αἰρούμενοι τῶν Ἑλλήνων, ἐν οἷς ὑπῆρχον καὶ Σπαρτιάται, μετέωροι ταῖς ἐλπίσιν ἐγίνοντο πρὸς καινοτομίαν. [4] ὁ δὲ Μέμνων χρήμασι διαφθείρων πολλοὺς τῶν Ἑλλήνων ἔπεισε κοινωνεῖν τῶν Περσικῶν ἐλπίδων. οὐ μὴν ἡ τύχη γ' εἶασεν ἐπὶ πλέον προελθεῖν τὴν τάνδρὸς ἀρετὴν: ὁ γὰρ Μέμνων περιπεσὼν ἄρρωστία καὶ πάθει παραβόλῳ συσχεθεὶς μετήλλαξε καὶ τῇ τούτου τελευτῇ συνετρίβη καὶ τὰ τοῦ Δαρείου πράγματα. 30. προσεδόκησε μὲν γὰρ ὁ βασιλεὺς μεταθήσεσθαι αὐτὸν τὸν πάντα πόλεμον ἐκ τῆς Ἀσίας εἰς τὴν Εὐρώπην: ὥς δ' ἤκουσε τὴν Μέμνονος τελευτὴν, συνήγαγε τῶν φίλων συνέδριον καὶ προέθηκε βουλὴν πότερον δεῖ στρατηγοὺς καὶ στρατιὰν καταπέμπειν ἐπὶ θάλατταν ἢ τὸν βασιλέα μετὰ πάσης τῆς δυνάμεως καταβάντα διαγωνίζεσθαι τοῖς Μακεδόσιν. [2] ἔνιοι μὲν οὖν ἔφασαν δεῖν αὐτὸν τὸν βασιλέα παρατάττεσθαι καὶ τὸ πλῆθος τῶν Περσῶν ἀπεφαίνοντο προθυμότερον ἀγωνιεῖσθαι: Χαρίδημος δ' Ἀθηναῖος, ἀνὴρ θαυμαζόμενος ἐπ' ἀνδρεία καὶ δεινότητι στρατηγίας, συνεστράτευτο μὲν Φιλίππῳ τῷ βασιλεῖ καὶ πάντων τῶν ἐπιτευγμάτων ἀρχηγὸς καὶ σύμβουλος γεγωνὼς ἦν, συνεβούλευεν δὲ τῷ Δαρεῖῳ μὴ προπετῶς ἀποκυβεῦσαι περὶ τῆς βασιλείας, ἀλλ' αὐτὸν μὲν τὸ βάρος καὶ τὴν τῆς Ἀσίας ἀρχὴν συνέχειν, ἐπὶ δὲ τὸν πόλεμον ἀποστέλλειν στρατηγὸν πείραν δεδοκῶτα τῆς ἰδίας ἀρετῆς. [3] δύναμιν δ' ἱκανὴν εἶναι δέκα μυριάδων, ἧς τὸ τρίτον Ἑλλήνας ποιῆσαι μισθοφόρους, καὶ δι' ἐμφάσεως αὐτὸς ἀνεδέχετο κατορθῶσαι τὴν ἐπιβολὴν ταύτην. [4] τὸ μὲν οὖν πρῶτον ὁ βασιλεὺς συγκατετίθετο τοῖς λεγομένοις, μετὰ δὲ ταῦτα τῶν φίλων γενναιότερον ἀντειπόντων καὶ τὸν Χαρίδημον εἰς ὑποψίαν ἀγόντων ὅτι τῆς στρατηγίας ὀρέγεται τυχεῖν, ὅπως τοῖς Μακεδόσι προδῶ τὴν Περσῶν ἡγεμονίαν, ὁ μὲν Χαρίδημος παροργισθεὶς καὶ προχειρότερον ὀνειδίσας τὴν Περσῶν ἀνανδρίαν ἐποίησεν ἐπὶ πλεῖον

προσκόψαι τὸν βασιλέα τοῖς λόγοις, τοῦ θυμοῦ δὲ τὸ συμφέρον ἀφαιρουμένου ὁ μὲν Δαρεῖος ἐπιλαβόμενος τῆς τοῦ Χαριδήμου ζώνης κατὰ τὸν τῶν Περσῶν νόμον παρέδωκε τοῖς ὑπηρεταῖς καὶ προσέταξεν ἀποκτεῖναι, [5] ὁ δὲ Χαρίδημος ἀπαγόμενος ἐπὶ τὸν θάνατον ἀνεβόησεν μεταμελήσειν ταῦτα ταχὺ τῷ βασιλεῖ καὶ τῆς ἀδίκου τιμωρίας αὐτοῦ σύντομον ἔξιν τὴν κόλασιν, ἐπιδόντα τὴν κατάλυσιν τῆς βασιλείας. Χαρίδημος μὲν οὖν μεγάλων ἐλπίδων ἐκπεσὼν διὰ παρρησίαν ἄκαιρον τοιαύτην ἔσχε τὴν τοῦ βίου καταστροφὴν: [6] ὁ δὲ βασιλεὺς ἀνέντος τοῦ θυμοῦ τὴν ψυχὴν εὐθὺς μετενόησε καὶ κατεμέμψατο ἑαυτὸν ὡς τὰ μέγιστα ἡμαρτηκότα. ἀλλ' οὐ γὰρ ἦν δυνατόν τὸ γεγονὸς διὰ τῆς βασιλικῆς ἐξουσίας ἀγένητον κατασκευάσαι. [7] διόπερ ὄνειροπολούμενος ταῖς Μακεδόνων ἀρεταῖς καὶ τὴν ἐνέργειαν τὴν Ἀλεξάνδρου πρὸ ὀφθαλμῶν λαμβάνων ἐξήτει στρατηγὸν ἀξιόχρεων τὸν διαδεξόμενον τὴν τοῦ Μέμνονος ἡγεμονίαν: οὐ δυνάμενος δ' εὐρεῖν αὐτὸς ἠναγκάζετο καταβαίνειν εἰς τὸν ὑπὲρ τῆς βασιλείας κίνδυνον. 31. εὐθὺς οὖν μετεπέμπετο τὰς πανταχόθεν δυνάμεις καὶ προσέταξεν ἀπαντᾶν εἰς Βαβυλῶνα καὶ τῶν φίλων καὶ τῶν συγγενῶν ἐπελέγετο τοὺς εὐθέτους, ὧν τοῖς μὲν τὰς ἀρμοζούσας ἡγεμονίας κατεμέριζε, τοὺς δὲ μεθ' αὐτοῦ κινδυνεύειν προσέταττεν. [2] ὡς δ' ὁ τῆς στρατείας ἀφωρισμένος χρόνος προσεγένετο, κατήντησαν ἅπαντες εἰς τὴν Βαβυλῶνα. ὁ δ' ἀριθμὸς ἦν τῶν στρατιωτῶν πεζοὶ μὲν πλείους τῶν τετταράκοντα μυριάδων, ἵππεῖς δὲ οὐκ ἐλάττους τῶν δέκα μυριάδων.

Δαρεῖος μὲν οὖν μετὰ τοσαύτης δυνάμεως ἀναξεύξας ἐκ Βαβυλῶνος προῆγεν ἐπὶ Κιλικίας, ἔχων μεθ' ἑαυτοῦ τὴν τε γυναῖκα καὶ τὰ τέκνα, υἱὸν καὶ δύο θυγατέρας, καὶ τὴν μητέρα: [3] Ἀλέξανδρος δὲ πρὸ μὲν τῆς Μέμνονος τελευτῆς πυνθανόμενος Χίον καὶ τὰς ἐν Λέσβῳ πόλεις κεχειρῶσθαι, τὴν δὲ Μιτυλήνην κατὰ κράτος ἡλωκυῖαν, πρὸς δὲ τούτοις τὸν Μέμνονα τριακοσίαις τριήρεσι καὶ πεζῇ δυνάμει μέλλοντα στρατεύειν ἐπὶ Μακεδονίαν, τῶν δ' Ἑλλήνων τοὺς πλείους ἐτοίμους εἶναι πρὸς ἀπόστασιν οὐ μετρίως ἡγωνία, [4] ὡς δ' ἦκόν τινες ἀπαγγέλλοντες τὴν Μέμνονος τελευτὴν, ἀπελύθη τῆς πολλῆς ἀγωνίας. μετ' ὀλίγον δὲ εἰς ἀρρωστίαν βαρυτέραν ἐμπεσὼν καὶ χαλεπῷ πάθει συνεχόμενος συνεκάλεσε τοὺς ἰατρούς. [5] τῶν μὲν οὖν ἄλλων ἕκαστος δυσχερῶς εἶχε πρὸς τὴν θεραπείαν, Φίλιππος δ' Ἀκαρνὰν τὸ γένος παραβόλοις καὶ συντόμοις θεραπείαις χρώμενος ἐπηγγείλατο διὰ φαρμακείας λύσειν τὴν νόσον. [6] ἀσμένως δὲ τοῦ βασιλέως ὑπακούσαντος διὰ τὸ λέγεσθαι Δαρεῖον μετὰ τῆς δυνάμεως ἐκ Βαβυλῶνος ὥρμηκεναι ὁ μὲν ἰατρὸς δοὺς φάρμακον πιεῖν καὶ συνεργὸν λαβὼν τὴν φύσιν τοῦ κάμνοντος καὶ τὴν τύχην εὐθὺς ἀπὴλλάξε τῆς νόσου τὸν Ἀλέξανδρον. οὗτος μὲν οὖν παραδόξως ἐκφυγὼν τὸν κίνδυνον καὶ τὸν ἰατρὸν τιμήσας μεγαλοπρεπῶς κατέταξεν αὐτὸν εἰς τοὺς εὐνουστάτους τῶν φίλων. 32.

ἡ δὲ μήτηρ τοῦ βασιλέως ἔγραψε πρὸς τὸν Ἀλέξανδρον τά τε ἄλλα τῶν χρησίμων καὶ διότι φυλάξασθαι προσήκει τὸν Λυγκηστὴν Ἀλέξανδρον. οὗτος δ' ὢν ἀνδρεῖα διάφορος καὶ φρονήματος πλήρης καὶ συμπαρακολουθῶν τῷ βασιλεῖ μετὰ τῶν ἄλλων φίλων ἐπιστεύετο. [2] πολλῶν δὲ καὶ ἄλλων εὐλόγων συνδραμόντων πρὸς ταύτην τὴν διαβολὴν συλληφθεῖς καὶ δεθεῖς εἰς φυλακὴν

παρεδόθη, ὥς τευξόμενος δικαστηρίου.

ὁ δὲ Ἀλέξανδρος πυθόμενος τὸν Δαρεῖον ὀλίγων ἡμερῶν ὁδὸν ἀπέχειν Παρμενίωνα μὲν μετὰ τῆς δυνάμεως ἀπέστειλεν προκαταληψόμενον τὰς παρόδους καὶ τὰς ὀνομαζομένας Πύλας· οὗτος δ' ἐπιβαλὼν τοῖς τόποις καὶ τοὺς προκατειληφότας τὰς δυσχωρίας βαρβάρους βιασάμενος κύριος ἐγένετο τῶν παρόδων. [3] Δαρεῖος δὲ βουλόμενος εὐζωνον ποιῆσαι τὴν δύναμιν τὰ μὲν σκευοφόρα καὶ τὸν περιττὸν ὄχλον εἰς Δαμασκὸν τῆς Συρίας ἀπέθετο, τὸν δ' Ἀλέξανδρον πυθόμενος τὰς δυσχωρίας προκατειληφέναι καὶ νομίσας αὐτὸν μὴ τολμᾶν ἐν τῷ πεδίῳ διαγωνίζεσθαι προῆγεν ἐπ' αὐτὸν σύντομον τὴν ὁδοιορίαν ποιοῦμενος. [4] οἱ δ' ἐγχώριοι τῆς μὲν τῶν Μακεδόνων ὀλιγότητος καταφρονήσαντες, τὸ δὲ πλῆθος τῆς τῶν Περσῶν στρατιᾶς καταπεπληγμένοι καταλιπόντες τὸν Ἀλέξανδρον προσέθεντο τῷ Δαρείῳ καὶ τὰς τε τροφὰς καὶ τὴν ἄλλην παρασκευὴν μετὰ πολλῆς προθυμίας ἐχορήγουν τοῖς Πέρσαις καὶ διὰ τῆς ἰδίας κρίσεως προσεήμαινον τοῖς βαρβάροις τὴν νίκην. ὁ δ' Ἀλέξανδρος τὴν μὲν Ἰσὸν πόλιν ἀξιόλογον καταπληξάμενος ἐχειρῶσατο: 33. τῶν δὲ κατασκόπων ἀπαγγειλάντων αὐτῷ τριάκοντα σταδίους ἀπέχειν τὸν Δαρεῖον καὶ συντεταγμένη τῇ δυνάμει προσιέναι καταπληκτικῶς, ὑπολαβὼν παρὰ τῶν θεῶν αὐτῷ δεδόσθαι τὸν καιρὸν ὥστε μιᾷ παρατάξει νικήσαντα καταλῦσαι τὴν Περσῶν ἡγεμονίαν τοὺς μὲν στρατιώτας τοῖς οἰκείοις λόγοις παρεκάλεσεν ἐπὶ τὸν περὶ τῶν ὅλων ἀγῶνα, τὰ δὲ τάγματα τῶν στρατιωτῶν καὶ τὰς τῶν ἱππέων εἴλας οἰκείως τοῖς ὑποκειμένοις τόποις διατάξας τοὺς μὲν ἱππεῖς ἐπέστησε πρὸ πάσης τῆς στρατιᾶς, τὴν δὲ τῶν πεζῶν φάλαγγα κατόπιν ἐφεδρεῖειν προσέταξεν. [2] αὐτὸς δὲ προηγούμενος τοῦ δεξιοῦ μέρους ἀπῆντα τοῖς πολεμίοις, ἔχων μεθ' ἑαυτοῦ τοὺς κρατίστους τῶν ἱππέων: τὸ δ' εὐώνυμον μέρος ἐπεῖχον οἱ τῶν Θετταλῶν ἱππεῖς, πολὺ τῶν ἄλλων διαφέροντες ταῖς τε ἀνδραγαθίαις καὶ ταῖς ἐμπειρίαις. [3] ὥς δ' αἱ δυνάμεις ἐντὸς βέλους ἐγίνοντο, τοῖς μὲν περὶ τὸν Ἀλέξανδρον ἐπέρριψαν οἱ βάρβαροι τοσοῦτον πλῆθος βελῶν ὥστε διὰ τὴν πυκνότητα τῶν βαλλομένων ἀλλήλοις συγκρουόντων ἀσθενεστέρας γίνεσθαι τὰς πληγὰς. [4] τῶν δὲ σαλπικτῶν παρ' ἀμφοτέροις τὸ πολεμικὸν σημαινόντων οἱ Μακεδόνες πρῶτοι συναλαλάξαντες βοὴν ἐξαίσιον ἐποίησαν, μετὰ δὲ ταῦτα τῶν βαρβάρων ἀντιφθεγξαμένων συνήχησε μὲν ἡ σύνεγγυς ὀρεινὴ πᾶσα, τὸ δὲ μέγεθος τῆς βοῆς ὑπερῆρε τὴν προγεγενημένην κραυγὴν, ὥς ἂν πεντήκοντα μυριάδων μιᾷ φωνῇ συνηχουσῶν. [5] ὁ δ' Ἀλέξανδρος πάντῃ τὴν ὄψιν βάλλων καὶ σπεύδων κατιδεῖν τὸν Δαρεῖον ἅμα τῷ κατανοῆσαι παραχρῆμα μετὰ τῶν περὶ αὐτὸν ἱππέων ἐπ' αὐτὸν ἐφέρετο τὸν βασιλέα, σπεύδων οὐχ οὕτω καταπροτερῆσαι τῶν Περσῶν ὥς τὸ δι' αὐτοῦ περιποιήσασθαι τὴν νίκην. [6] ἅμα δὲ τούτῳ καὶ τῶν ἄλλων ἀπάντων ἱππέων συμπεσόντων ἀλλήλοις καὶ πολλοῦ φόνου γινομένου ἢ μὲν μάχῃ διὰ τὰς τῶν ἀγωνιζομένων ἀρετὰς ἀμφίδοξον εἶχε τὴν τῶν ὅλων κρίσιν: ἑταλαντεύετο γὰρ δεῦρο κἀκεῖσε, τῆς τροπῆς ἐναλλάξ γινομένης. [7] οὔτε γὰρ ἀκοντίσας οὔτε πατάξας οὐδεὶς ἄπρακτον ἔσχε τὴν πληγὴν, ὥς ἂν διὰ τὸ πλῆθος ἐτόιμου τοῦ σκοποῦ κειμένου. διὸ καὶ πολλοὶ τραύμασιν ἐναντίοις περιτυγχάνοντες ἔπιπτον καὶ μέχρι τῆς ἐσχάτης ἀναπνοῆς θυμομαχοῦντες τὸ ζῆν πρότερον ἢ τὴν ἀρετὴν ἐξέλειπον. 34. οἱ δὲ

ἐκάστης τάξεως ἡγεμόνες τῶν ὑποτεταγμένων προαγωνιζόμενοι διὰ τῆς ἰδίας ἀρετῆς τοὺς πολλοὺς ἀνδραγαθεῖν προετρέψαντο. διὸ καὶ παρὴν ὄραν πολλὰς μὲν διαθέσεις τραυμάτων γινομένας, ποικίλους δὲ καὶ μεγάλους ἀγῶνας συνισταμένους ὑπὲρ τῆς νίκης. [2] Ὁξάρης δ' ὁ Πέρσης, ἀδελφὸς μὲν ὢν Δαρείου, κατὰ δὲ τὴν ἀνδρείαν ἐπαινούμενος, ὡς εἶδεν τὸν Ἀλέξανδρον ἀκατασχέτως ἰέμενον ἐπὶ τὸν Δαρεῖον, ἐφιλοτιμήθη τῆς αὐτῆς τύχης κοινωνῆσαι τὰδελφῷ. [3] ἀναλαβὼν οὖν τοὺς ἀρίστους τῶν ἱππέων τῶν μεθ' ἑαυτοῦ τεταγμένων μετὰ τούτων ἐπέρραξε τοῖς περὶ τὸν Ἀλέξανδρον καὶ νομίσας τὸ φιλάδελφον τῆς ψυχῆς οἴσιν αὐτῷ περιβόητον παρὰ Πέρσαις δόξαν προεμάχeto τοῦ Δαρείου τεθρίππου καὶ μετ' ἐμπειρίας εὐτόλμως τοῖς πολεμίοις συμπλεκόμενος πολλοὺς ἀπέκτεινε. [4] τῶν δὲ περὶ τὸν Ἀλέξανδρον ὑπερβαλλομένων ταῖς ἀνδραγαθείαις περὶ μὲν τὸ τοῦ Δαρείου τέθριππον ταχὺ νεκρῶν ἐσωρεύθη πλῆθος· πάντες γὰρ ἐφιέμενοι τοῦ βασιλέως ψαῦσαι πρὸς ἀλλήλους ἐκθυμότατα διηγωνίζοντο καὶ τοῦ ζῆν οὐδεμίαν ἐποιοῦντο φειδῶ. [5] ἔπεσον δ' ἐν τῷ κινδύνῳ τούτῳ πολλοὶ τῶν παρὰ Πέρσαις ἐπιφανῶν ἡγεμόνων, ἐν οἷς ὑπῆρχεν Ἀντιζύης καὶ Ῥεομίθρης καὶ ὁ τῆς Αἰγύπτου σατράπης Τασιάκης. ὁμοίως δὲ πολλῶν καὶ παρὰ τοῖς Μακεδόσι πεσόντων συνέβη καὶ αὐτὸν τὸν Ἀλέξανδρον τρωθῆναι τὸν μηρόν, περιχυθέντων αὐτῷ τῶν πολεμίων. [6] οἱ δὲ τὸν τοῦ Δαρείου τεθρίππου ζυγὸν ἐπέχοντες ἵπποι, τραυματιζόμενοι πυκνῶς καὶ διὰ τὸ πλῆθος τῶν περὶ αὐτοὺς σωρευομένων νεκρῶν πτυρόμενοι, τὰ μὲν χαλινὰ διεσεύοντο, παρ' ὀλίγον δὲ καὶ αὐτὸν τὸν Δαρεῖον εἰς τοὺς πολεμίους ἐξήνεγκαν. διὸ καὶ κινδυνεύων ἐσχάτως ὁ βασιλεὺς αὐτὸς ἤρπασε τοὺς ῥυτῆρας, συναναγκαζόμενος λῦσαι τὴν σεμνότητα τῆς προστασίας καὶ τὸν παρὰ Πέρσαις τοῖς βασιλεῦσι κείμενον νόμον ὑπερβῆναι. [7] προσήχθη δὲ καὶ τέθριππον ἕτερον ὑπὸ τῶν ὑπηρετῶν τῷ Δαρείῳ καὶ κατὰ τὴν εἰς τοῦτο μετάβασιν ταραχῆς γενομένης ὁ μὲν Δαρεῖος ἐπικειμένων τῶν πολεμίων εἰς ἔκπληξιν καὶ δέος ἐνέπιπτεν, οἱ δὲ Πέρσαις τὸν βασιλέα κατανοήσαντες ταραττόμενον εἰς φυγὴν ὥρμησαν. τὸ δ' αὐτὸ καὶ τῶν ἐχομένων ἱππέων ποιησάντων ταχὺ πάντες ἐτράπησαν. [8] τῆς δὲ φυγῆς οὔσης ἐν τόποις στενοῖς καὶ τραχέσι συμπίπτοντες ἀλλήλους συνεπάτουσαν καὶ πολλοὶ χωρὶς πολεμίας πληγῆς ἀπέθνησκον. ἔκειντο γὰρ ὁμοῦ σωρευθέντες οἱ μὲν ἄνευ τῶν ὅπλων, οἱ δὲ τηροῦντες τὰς πανοπλίας· τινὲς δὲ γεγυμνωμένα τὰ ξίφη διαφυλάξαντες τοὺς περὶ ταῦτα ἀναπειρομένους ἀνῆρουν· οἱ δὲ πλεῖστοι εἰς τὰ πεδία διεκπεσόντες διὰ τούτων ἀπὸ κράτους ἐλαύνοντες τοὺς ἵππους εἰς τὰς συμμαχίδας πόλεις κατέφευγον. [9] ἡ δὲ τῶν Μακεδόνων φάλαγξ καὶ τὸ τῶν Περσῶν πεζὸν στράτευμα βραχὺν χρόνον ἐν τῇ μάχῃ διέμεινεν· προηττημένων γὰρ τῶν ἱππέων οἰονεῖ τις προαγὼν ἐγεγόνει τῆς ὅλης νίκης. πάντων δὲ τῶν βαρβάρων ταχὺ τραπέντων καὶ τοσοῦτων μυριάδων ἐν στενοῖς τόποις τὴν φυγὴν ποιουμένων ταχὺ πᾶς ὁ συνεχὴς τόπος νεκρῶν ἐπληρώθη.

35.

νυκτὸς δ' ἐπιλαβούσης οἱ μὲν Πέρσαις ῥαδίως διεσπάρησαν εἰς πολλοὺς τόπους, οἱ δὲ Μακεδόνες παυσάμενοι τοῦ διωγμοῦ πρὸς ἀρπαγὴν ὥρμησαν καὶ μάλιστα περὶ τὰς βασιλικὰς σκηνὰς διὰ τὸ πλῆθος τῆς πολυτελείας ἡσυχολοῦντο. [2] διόπερ πολὺς μὲν ἄργυρος, οὐκ ὀλίγος δὲ χρυσός, παμπληθεῖς

δὲ καὶ πολυτελεῖς ἐσθῆτες ἐκ τῆς βασιλικῆς γάξης διεφοροῦντο. ὁμοίως δὲ καὶ τῶν τοῦ βασιλέως φίλων καὶ συγγενῶν καὶ τῶν ἄλλων ἡγεμόνων οὐκ ὀλίγος διηρπάγη πλοῦτος. [3] οὐ μόνον γὰρ αἱ τῆς βασιλικῆς οἰκίας, ἀλλὰ καὶ αἱ τῶν συγγενῶν καὶ φίλων γυναῖκες ἐφ' ἁρμάτων ὀχοῦμεναι καταχρῶσθαι συνηκολούθουν κατὰ τι πάτριον ἔθος τῶν Περσῶν: [4] ἐκάστη δὲ τούτων διὰ τὴν ὑπερβολὴν τοῦ πλούτου καὶ τῆς τρυφῆς περιήγετο πλήθος πολυδαπάνου κατασκευῆς καὶ γυναικείου κόσμου. πάθος δ' ἦν δεινότατον περὶ τὰς αἰχμαλωτιζόμενας γυναῖκας. [5] αἱ γὰρ πρότερον διὰ τρυφὴν ἐπ' ἀπῆναις πολυτελέσι μόγις κατακομιζόμεναι καὶ γυμνὸν μέρος τοῦ σώματος οὐδὲν φαίνουσιν, τότε μονοχίτωνες καὶ τὰς ἐσθῆτας περιρρήττουσαι μετ' ὀδυρμῶν ἐκ τῶν σκηνῶν ἐξεπήδων, ἐπιβώμεναι θεοὺς καὶ προσπίπτουσαι τοῖς τῶν κρατούντων γόνασι. [6] περιαιρούμεναι δὲ ταῖς χερσὶ τρεμούσαις τὸν τοῦ σώματος κόσμον καὶ τὰς κόμας ἀνειμέναι διὰ τόπων τραχέων ἔθειον καὶ πρὸς ἀλλήλας συντρέχουσαι βοηθοὺς ἐπεκαλοῦντο τὰς παρ' ἐτέρων ἐπικουρίας δεόμεναι. [7] ἦγον δ' αὐτὰς οἱ μὲν ἀπὸ τῆς κόμης ἐπισπῶμενοι τὰς ἡτυχηκίας, οἱ δὲ τὰς ἐσθῆτας περιηγνύντες καὶ γυμνοῖς τοῖς σώμασιν ἐπιβάλλοντες τὰς χεῖρας καὶ ταῖς στάθμαις τῶν δοράτων τύπτοντες καὶ τὰ τιμιώτατα καὶ περιβόητα τῶν βαρβάρων ταῖς τῆς τύχης δωρεαῖς ὑβρίζοντες. 36. οἱ δ' ἐπιεικέστατοι τῶν Μακεδόνων τὴν μεταβολὴν τῆς τύχης ὀρῶντες συμπαθεῖς ἐγίνοντο καὶ τὰς τῶν ἀκληροῦντων συμφορὰς ἠλέουν, αἷς τὰ μὲν προσήκοντα καὶ μεγάλη μακρὰν ἀπήρητο, τὰ δ' ἀλλόφυλα καὶ πολέμια παρὴν σύνεγγυς ... καὶ πρὸς ἀτυχῇ καὶ ἐπονείδιστον αἰχμαλωσίαν παρῶρμητο. [2] μάλιστα δὲ τοὺς παρόντας εἰς δάκρυα καὶ συμπάθειαν ἤγαγεν ἡ Δαρείου μήτηρ καὶ γυνὴ καὶ δύο θυγατέρες ἐπίγαμοι καὶ υἱὸς παῖς τὴν ἡλικίαν. [3] ἐπὶ γὰρ τούτων ἡ μεταβολὴ τῆς τύχης καὶ τὸ μέγεθος τῶν ἀνελπίστων ἀκληρημάτων ἐν ᾧ κείμενον εὐλόγως τοὺς ὀρῶντας ἐποίει συμπάσχειν τοῖς ἡτυχηκόσι. [4] περὶ μὲν γὰρ Δαρείου πότερον ζῇ καὶ περίεστιν ἢ καὶ μετὰ τῆς τῶν ἄλλων φθορᾶς ἀπόλωλεν οὐκ ἐγίνωσκον, ἐώρων δὲ τὴν σκηνὴν διαρπάζοντας ἐνόπλους πολεμίους ἄνδρας, ἀγνοοῦντας μὲν τὰς ἡλωκυίας, πολλὰ δὲ διὰ τὴν ἄγνοιαν ἀπρεπῇ πράττοντας, καὶ τὸ σύνολον ὅλην τὴν Ἀσίαν αἰχμάλωτον μεθ' αὐτῶν γεγεννημένην καὶ ταῖς μὲν τῶν σατραπῶν γυναῖξι προσπιπτούσαις καὶ δεομέναις βοηθεῖν οὐχ οἷον συνεπιλαβέσθαι τινὸς ἴσχυρον, ἀλλὰ καὶ αὐταὶ ταύτας ἡξίουσαν συνεπικουρῆσαι τοῖς ἑαυτῶν ἀκληρήμασιν. [5] οἱ δὲ τοῦ βασιλέως παῖδες καταλαβόμενοι τὴν τοῦ Δαρείου σκηνὴν τάκείνου λουτρὰ καὶ δεῖπνα παρεσκευάζοντο καὶ λαμπάδων πολλὴν πυρὰν ἄψαντες προσεδέχοντο τὸν Ἀλέξανδρον, ὅπως ἀπὸ τοῦ διωγμοῦ γενόμενος καὶ καταλαβὼν ἐτοίμην πᾶσαν τὴν παρασκευὴν τοῦ Δαρείου οἰωνίσηται τὴν ὅλην τῆς Ἀσίας ἡγεμονίαν. [6] κατὰ δὲ τὴν μάχην ἐτελεύτησαν τῶν βαρβάρων πεζοὶ μὲν πλείους τῶν δέκα μυριάδων, ἵππεῖς δ' οὐκ ἐλάττους τῶν μυρίων, τῶν δὲ Μακεδόνων πεζοὶ μὲν εἰς τριακοσίους, ἵππεῖς δὲ περὶ ἑκατὸν καὶ πεντήκοντα. ἡ μὲν οὖν ἐν Ἰσσοῦ τῆς Κιλικίας μάχῃ τοιοῦτον ἔσχε τὸ τέλος. 37.

τῶν δὲ βασιλέων Δαρεῖος μὲν κατὰ κράτος ἡττημένος εἰς φυγὴν ὥρμησεν καὶ μεταλαμβάνων ἄλλον ἐξ ἄλλου τῶν ἀρίστων ἵππων κατὰ κράτος ἤλαυνε, διαφυγεῖν σπεύδων τὰς Ἀλεξάνδρου χεῖρας καὶ τῶν ἄνω σατραπειῶν ἄψασθαι

προαιρούμενος: [2] Ἀλέξανδρος δὲ μετὰ τῆς ἐταιρικῆς ἵππου καὶ τῶν ἄλλων ἀρίστων ἱππέων ἐποιεῖτο τὸν διωγμὸν, σπεύδων ἐγκρατὴς γενέσθαι τοῦ Δαρείου. διανύσας δὲ σταδίους διακοσίους ἀνέκαμψεν εἰς τὴν παρεμβολὴν περὶ μέσας νύκτας, τοῖς δὲ λουτροῖς θεραπεύσας τὸν ἐκ τῆς κακοπαθείας κόπον ἐτρέπετο πρὸς ἄνεσιν καὶ δειπνοποιῶν. [3] πρὸς δὲ τὴν γυναῖκα καὶ τὴν μητέρα τοῦ Δαρείου προσελθὼν τις ἀπήγγειλεν ὅτι πάρεστιν Ἀλέξανδρος ἀπὸ τοῦ διωγμοῦ, τὸν Δαρεῖον ἐσकुλευκώς. ἔνθα δὴ κραυγῆς μεγάλης καὶ κλαυθμοῦ περὶ τὰς γυναῖκας γενομένου καὶ τοῦ πλήθους τῶν αἰχμαλώτων διὰ τὴν ἀπαγγελίαν συμπενοθῶντος καὶ πολὺν ὀδυρμὸν προΐεμένου, πυθόμενος ὁ βασιλεὺς τὸ περὶ τὰς γυναῖκας πάθος ἐξέπεμψεν ἓνα τῶν φίλων Λεοννάτον καταπαύσοντα τὴν ταραχὴν καὶ παραμυθησόμενον τὰς περὶ τὴν Σισύγγαμβριν καὶ δηλώσοντα διότι Δαρεῖος μὲν ζῇ, ὁ δ' Ἀλέξανδρος ἐπιμέλειαν αὐτῶν ποιήσεται τὴν προσήκουσαν καὶ διότι πρῶ βούλεται προσαγορευθεῖσαι τε αὐτὰς καὶ διὰ τῶν ἔργων ἀποδείξασθαι τὴν ἰδίαν φιланθρωπίαν. [4] αἱ μὲν οὖν αἰχμαλωτίδες προσπεσούσης αὐταῖς παραδόξου καὶ παντελῶς ἀπηλπισμένης εὐτυχίας τὸν τε Ἀλέξανδρον ὡς θεὸν προσεδέξαντο καὶ τῶν ὀδυρμῶν ἀπηλλάγησαν. [5] ὁ δὲ βασιλεὺς ἅμ' ἡμέρα λαβὼν ἓνα τῶν φίλων τὸν μάλιστα τιμώμενον Ἡφαιστίωνα παρήλθε πρὸς τὰς γυναῖκας. ἐχόντων δ' ἀμφοτέρων ἐσθῆτας μὲν ὁμοίας, τῷ μεγέθει δὲ καὶ κάλλει προέχοντος τοῦ Ἡφαιστίωνος ἡ Σισύγγαμβρις τοῦτον ὑπολαβοῦσα εἶναι τὸν βασιλέα προσεκύνησεν: διανευόντων δ' αὐτῇ τῶν παρεστώτων καὶ τῇ χειρὶ δεικνύντων τὸν Ἀλέξανδρον ἡ μὲν Σισύγγαμβρις αἰδεσθεῖσα τὴν ἄγνοιαν πάλιν ἐξ ἀρχῆς προσεκύνει τὸν Ἀλέξανδρον, [6] ὁ δὲ βασιλεὺς ὑπολαβὼν εἶπεν μηδὲν φροντίσης, ὧ μῆτερ: καὶ γὰρ καὶ οὗτος Ἀλέξανδρός ἐστιν. οὐ μὴν ἀλλὰ τὴν πρεσβυτίην μητέρα προσαγορεύσας διὰ τῆς φιλανθρωποτάτης προσηγορίας προσεῖμαινε τοῖς προητυχηκόσι τὴν μέλλουσαν ἔσεσθαι φιλανθρωπίαν. διαβεβαιωσάμενος δ' αὐτὴν ὑπάρξειν δευτέραν μητέρα τοῖς ἔργοις εὐθὺς ἐκύρωσε τὴν διὰ τῶν λόγων ἐπαγγελίαν. 38. περιέθηκε γὰρ αὐτῇ κόσμον τε βασιλικὸν καὶ τὸ προγεγονὸς ἀξίωμα ταῖς προσηκούσαις τιμαῖς ἀποκατέστησε: τὴν μὲν γὰρ θεραπείαν αὐτῇ πᾶσαν τὴν δοθεῖσαν ὑπὸ Δαρείου παρέδωκεν, ἰδίαν δ' ἄλλην οὐκ ἐλάττωνα τῆς προὔπαρχούσης προσεδωρήσατο καὶ τῆς μὲν τῶν παρθένων ἐκδόσεως βέλτιον τῆς Δαρείου κρίσεως ἐπηγγείλατο προνοήσεσθαι, τὸν παῖδα δὲ θρέψειν ὡς υἱὸν ἴδιον καὶ βασιλικῆς τιμῆς ἀξιώσειν. [2] προσκαλεσάμενος δ' αὐτὸν καὶ φιλήσας, ὡς εἶδεν ἀδεῶς βλέψαντα καὶ μηδὲν ὅλως καταπλαγέντα, πρὸς τοὺς περὶ τὸν Ἡφαιστίωνα εἶπεν ὅτι ὁ παῖς ὢν ἐξ ἐτῶν καὶ τὴν ἀρετὴν ὑπὲρ τὴν ἡλικίαν προφαίνων πολλῶν βελτίων ἐστὶ τοῦ πατρός. περὶ δὲ τῆς Δαρείου γυναικὸς καὶ τῆς περὶ αὐτὴν σεμνότητος πρόνοιαν ἔξειν ἔφησεν ὅπως μηδὲν ἀνάξιον πάθη τῆς προγεγεννημένης εὐδαιμονίας. [3] πολλὰ δὲ καὶ ἄλλα πρὸς ἔλεον καὶ φιλανθρωπίαν διαλεχθεὶς ἐποίησε τὰς γυναῖκας διὰ τὸ μέγεθος τῆς ἀνελπίστου χαρᾶς εἰς ἀκατάσχετα προπεσεῖν δάκρυα. ἐπὶ δὲ πᾶσι τοῖς προειρημένοις δούς τὴν δεξιάν οὐ μόνον ὑπὸ τῶν εὖ παθόντων ἐπαίνων ἐτύγχανεν, ἀλλὰ καὶ παρὰ πᾶσι τοῖς συστρατευομένοις περιβόητον ἔσχε τὴν ὑπερβολὴν τῆς ἐπιεικείας. [4] καθόλου δ' ἔγωγε νομίζω πολλῶν καὶ καλῶν

ἔργων ὑπ' Ἀλεξάνδρου συντετελεσμένων μηδὲν τούτων μείζον ὑπάρχειν μηδὲ μᾶλλον ἄξιον ἀναγραφῆς καὶ μνήμης ἱστορικῆς εἶναι. [5] αἱ μὲν γὰρ τῶν πόλεων πολιορκίαι καὶ παρατάξεις καὶ τὰ ἄλλα τὰ κατὰ τὸν πόλεμον προτερήματα τὰ πλείονα διὰ τύχην ἢ δι' ἀρετὴν ἐπιτυγχάνεται, ὁ δ' ἐν ταῖς ἐξουσίαις εἰς τοὺς ἐπταικότας ἔλεος μεριζόμενος διὰ μόνης τῆς φρονήσεως γίνεται. [6] οἱ πλείστοι γὰρ διὰ τὴν εὐτυχίαν ἐπαίρονται μὲν ταῖς εὐπραξίαις, ὑπερήφανοι δ' ἐν ταῖς εὐτυχίαις γινόμενοι τῆς ἀνθρωπίνης καὶ κοινῆς ἀσθενείας ἐπιλανθάνονται: διὸ καὶ τοὺς πλείστους ὁρᾶν ἔστι τὴν εὐτυχίαν ὥσπερ τι βαρὺ φορτίον φέρειν ἀδυνατοῦντας. [7] Ἀλέξανδρος μὲν οὖν, καίπερ πολλαῖς γενεαῖς προγεγονῶς τοῦ καθ' ἡμᾶς βίου, τυγχάνετω καὶ παρὰ τῶν μεταγενεστέρων δικαίου καὶ πρέποντος ταῖς ἰδίαις ἀρεταῖς ἐπαῖνου. 39.

Δαρεῖος δὲ διανύσας εἰς Βαβυλῶνα καὶ τοὺς ἀπὸ τῆς ἐν Ἰσσοῦ μάχης διασωζομένους ἀναλαβὼν οὐκ ἔπεσε τῷ φρονήματι, καίπερ μεγάλη περιπετωκῶς συμφορᾷ, ἀλλὰ πρὸς τὸν Ἀλέξανδρον ἔγραψεν ἀνθρωπίνως φέρειν τὴν εὐτυχίαν καὶ τοὺς αἰχμαλώτους ἀλλάξασθαι χρημάτων πλῆθος λαβόντα: προσετίθει δὲ καὶ τῆς Ἀσίας τὴν ἐντὸς Ἑλλήνων χώραν καὶ πόλεις συγχωρήσιν, ἐὰν βουληθῇ γενέσθαι φίλος. [2] ὁ δ' Ἀλέξανδρος συναγαγὼν τοὺς φίλους καὶ τὴν μὲν ἀληθινὴν ἐπιστολὴν ἀποκρυψάμενος, ἐτέραν δὲ γράψας ῥέπουσαν πρὸς τὸ ἑαυτῷ συμφέρον προσήνεγκε τοῖς συνέδροις καὶ τοὺς πρέσβεις ἀπράκτους ἐξαπέστειλεν. [3] διόπερ ὁ Δαρεῖος ἀπογνοὺς τὴν διὰ τῶν ἐπιστολῶν σύνθεσιν παρασκευὰς μεγάλας ἐποιεῖτο πρὸς τὸν πόλεμον καὶ τοὺς μὲν κατὰ τὴν τροπὴν ἀποβεβληκότας τὰς πανοπλίας καθόπλιζεν, ἄλλους δ' ἐπιλεγόμενος εἰς στρατιωτικὰς τάξεις κατέγραφε: τὰς δ' ἐκ τῶν ἄνω σατραπειῶν δυνάμεις, ἃς ἀπολελοιπῶς ἦν διὰ τὴν ὀξύτητα τῆς στρατείας, μετεπέμπετο. [4] καὶ τέλος τοσαύτην εἰσηνέγκατο σπουδὴν εἰς τὴν κατασκευὴν τῆς δυνάμεως ὥστε διπλασίαν γενέσθαι τῆς ἐν Ἰσσοῦ παραταξαμένης: ὀγδοήκοντα μὲν γὰρ μυριάδες πεζῶν, εἴκοσι δ' ἱππέων ἡθροίσθησαν καὶ χωρὶς ἄρμάτων δρεπανηφόρων πλῆθος. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 40.

ἐπ' ἄρχοντος δ' Ἀθήνησι Νικηράτου Ῥωμαῖοι κατέστησαν ὑπάτους Μάρκον Ἀτίλιον καὶ Μάρκον Οὐαλέριον, Ὀλυμπιάς δ' ἦχθη δευτέρα πρὸς ταῖς ἑκατὸν καὶ δέκα, καθ' ἣν ἐνίκα Γρύλος Χαλκιδεύς. ἐπὶ δὲ τούτων Ἀλέξανδρος μετὰ τὴν ἐν Ἰσσοῦ νίκην τοὺς μὲν τελευτήσαντας ἔθαψεν, ἐν οἷς καὶ τῶν πολεμίων τοὺς ἐν ταῖς ἀνδραγαθίαις θαυμασθέντας: μετὰ δὲ ταῦτα τοῖς θεοῖς μεγαλοπρεπεῖς θυσίας συντελέσας καὶ τοὺς ἐν τῇ μάχῃ κατ' ἀρετὴν διαφόρους γενομένους τιμήσας ταῖς ἀξίαις ἐκάστους δωρεαῖς ἐφ' ἡμέρας τινὰς ἀνέλαβε τὴν δύναμιν. [2] ἔπειτα προάγων ἐπ' Αἰγύπτου καὶ καταντήσας εἰς τὴν Φοινίκην τὰς μὲν ἄλλας πόλεις παρέλαβεν, ἐτοίμως τῶν ἐγχωρίων προσδεξαμένων αὐτόν: οἱ δὲ Τύριοι βουλομένου τοῦ βασιλέως τῷ Ἡρακλεῖ τῷ Τυρίῳ θῆσαι προπετέστερον διεκώλυσαν αὐτόν τῆς εἰς τὴν πόλιν εἰσόδου. [3] τοῦ δ' Ἀλεξάνδρου χαλεπῶς ἐνέγκαντος καὶ διαπειλησαμένου πολεμήσειν τὴν πόλιν οἱ Τύριοι τεθαρρηκότως ὑπέμενον τὴν πολιορκίαν, ἅμα μὲν Δαρεῖω χαριζόμενοι καὶ τὴν πρὸς αὐτόν εὖνοιαν βεβαίαν τηροῦντες καὶ νομίζοντες μεγάλας δωρεὰς ἀντὶ ταύτης τῆς χάριτος ἀντιλήψεσθαι παρὰ τοῦ βασιλέως,

ἐπισπώμενοι μὲν τὸν Ἀλέξανδρον εἰς πολυχρόνιον καὶ ἐπικίνδυνον πολιορκίαν, δίδόντες δ' ἄνεσιν τῷ Δαρεῖῳ πρὸς τὰς παρασκευάς, ἅμα δὲ καὶ πιστεύοντες τῇ τε ὀχυρότητι τῆς νήσου καὶ ταῖς ἐν αὐτῇ παρασκευαῖς, ἔτι δὲ τοῖς ἀπογόνους αὐτῶν Καρχηδονίοις. [4] ὁ δὲ βασιλεὺς ὁρῶν κατὰ θάλατταν μὲν δυσπολιόρκτητον οὖσαν τὴν πόλιν διὰ τε τὴν παρασκευὴν τῶν κατὰ τὸ τεῖχος ἔργων καὶ τὴν ὑπάρχουσαν ἐν αὐτῇ δύναμιν ναυτικήν, κατὰ δὲ γῆν σχεδὸν ἀπραγμάτευτον οὖσαν διὰ τὸ τέτταρσι σταδίοις διειργεσθαι τῆς ἡπείρου ὅμως ἔκρινε συμφέρειν πάντα κίνδυνον καὶ πόνον ὑπομένειν ὑπὲρ τοῦ μὴ καταφρονηθῆναι τὴν τῶν Μακεδόνων δύναμιν ὑπὸ μιᾶς καὶ τῆς τυχοῦσης πόλεως. [5] εὐθύς οὖν καθαιρὼν τὴν παλαιὰν λεγομένην Τύρον καὶ πολλῶν μυριάδων κομιζουσῶν τοὺς λίθους χῶμα κατεσκεύαζε δίπλεθρον τῷ πλάτει. πανδημεὶ δὲ προσλαβόμενος τοὺς κατοικοῦντας τὰς πλησίον πόλεις ταχὺ διὰ τὰς πολυχειρίας ἠνύετο τὰ τῶν ἔργων. 41.

οἱ δὲ Τύριοι τὸ μὲν πρῶτον προσπλέοντες τῷ χώματι κατεγέλων τοῦ βασιλέως, εἰ τοῦ Ποσειδῶνος ἑαυτὸν δοκεῖ περιέσεσθαι· μετὰ δὲ ταῦτα παραδόξως τοῦ χώματος αὐξομένου τέκνα μὲν καὶ γυναῖκας καὶ τοὺς γεγηρακότας εἰς Καρχηδὸνα διακομίζειν ἐψηφίσαντο, τοὺς δ' ἀκμάζοντας ταῖς ἡλικίαις ἐπέλεξαν πρὸς τὴν τειχομαχίαν καὶ ναυμαχίαν ἐτοιμῶς παρεσκεύαζον, ἔχοντες τριῆρεις ὀγδοήκοντα. [2] τέλος δὲ τῶν τέκνων καὶ γυναικῶν μέρος μὲν ἔφθασαν ὑπεκθέμενοι πρὸς τοὺς Καρχηδονίους, καταταχόμενοι δ' ὑπὸ τῆς πολυχειρίας καὶ ταῖς ναυσὶν οὐκ ὄντες ἀξιόμαχοι συνηναγκάσθησαν ὑπομεῖναι πανδημεὶ τὴν πολιορκίαν. [3] ἔχοντες δὲ πολλὴν δαψύλειαν καταπελτῶν καὶ τῶν ἄλλων μηχανῶν τῶν πρὸς πολιορκίαν χρησίμων ἐτέρας πολλαπλασίους κατεσκεύασαν ῥαδίως διὰ τῶν ἐν τῇ Τύρῳ μηχανοποιῶν καὶ τῶν ἄλλων τεχνιτῶν παντοδαπῶν ὄντων. [4] διὰ δὲ τούτων ὀργάνων παντοδαπῶν καὶ ξένων ταῖς ἐπινοίαις κατασκευαζομένων ἅπας μὲν ὁ περίβολος τῆς πόλεως ἐπληρώθη τῶν μηχανῶν, μάλιστα δὲ κατὰ τὸν τόπον τοῦτον ἐν ᾧ τὸ χῶμα συνήγγιζε τῷ τείχει. [5] ὥς δ' εἰς τὴν ἄφεςιν τοῦ βέλους διέτεινε τὸ κατασκευαζόμενον ὑπὸ τῶν Μακεδόνων ἔργον, καὶ παρὰ τῶν θεῶν τινα προεσημαίνετο τοῖς κινδυνεύουσιν. ἐκ μὲν γὰρ τοῦ πελάγους ὁ κλύδων προσεπέλασε τοῖς ἔργοις κῆτος ἄπιστον τὸ μέγεθος, ὃ προσπεσὼν τῷ χώματι κακὸν μὲν οὐδὲν εἰργάσατο, τῷ δ' ἐτέρῳ μέρει τοῦ σώματος προσανακεκλιμένον ἐπὶ πολὺν χρόνον ἔμενε καὶ πολλὴν κατάπληξιν παρείχετο τοῖς θεωμένοις τὸ παράδοξον, [6] πάλιν δ' εἰς τὸ πέλαγος νηζάμενον εἰς δεισιδαιμονίαν ἀμφοτέρους προηγάγετο· ἐκάτεροι γὰρ ὥς τοῦ Ποσειδῶνος αὐτοῖς βοηθήσειν μέλλοντος διέκρινον τὸ σημεῖον, ῥέποντες ταῖς γνώμαις πρὸς τὸ ἴδιον συμφέρον. [7] ἐγίνετο δὲ καὶ ἄλλα σημεῖα παράδοξα, δυνάμενα διατροπὴν καὶ φόβον τοῖς ὄχλοις παρασχέσθαι. κατὰ γὰρ τὰς τροφὰς παρὰ τοῖς Μακεδόσιν οἱ διακλῶμενοι τῶν ἄρτων αἵματοειδῆ τὴν πρόσοψιν εἶχον. ἑωρακέναι δὲ τις ἔφησεν ὄψιν καθ' ἣν ὁ Ἀπόλλων ἔλεγε μέλλειν ἑαυτὸν ἐκλιπεῖν τὴν πόλιν. [8] τοῦ δὲ πλήθους ὑπονοήσαντος ὅτι πεπλακῶς εἴη τὸν λόγον χαριζόμενος Ἀλεξάνδρῳ καὶ διὰ τοῦτο τῶν νεωτέρων ὀρμησάντων ἐπὶ τὸ λιθοβολῆσαι τὸν ἄνθρωπον οὗτος μὲν διὰ τῶν ἀρχόντων ἐκκλαπεῖς καὶ καταφυγὼν εἰς τὸ τοῦ Ἡρακλέους ἱερὸν διέφυγε τὴν τιμωρίαν διὰ τὴν

ικεσίαν, οἱ δὲ Τύριοι δεισιδαιμονήσαντες χρυσαῖς σειραῖς προσέδησαν τὸ τοῦ Ἀπόλλωνος ξόانون τῇ βάσει, ἐμποδίζοντες, ὥς ᾤοντο, τοῦ θεοῦ τὸν ἐκ τῆς πόλεως χωρισμόν. 42. μετὰ δὲ ταῦτα οἱ μὲν Τύριοι τὴν αὖξιν τοῦ χῶματος εὐλαβηθέντες ἐπλήρωσαν πολλὰ τῶν ἐλαττόνων σκαφῶν ὀξυβελῶν τε καὶ καταπελτῶν καὶ τοξοτῶν καὶ σφενδονητῶν ἀνδρῶν καὶ προσπλεύσαντες τοῖς ἐργαζομένοις τὸ χῶμα πολλοὺς μὲν κατέτρωσαν, οὐκ ὀλίγους δὲ ἀπέκτειναν: [2] εἰς ἀνόπλους γὰρ καὶ πυκνοὺς πολλῶν καὶ παντοίων βελῶν φερομένων οὐδεὶς ἡμάρτανεν, ἐτοίμων καὶ ἀφυλάκτων τῶν σκοπῶν κειμένων. συνέβαινε γὰρ οὐ μόνον κατὰ πρόσωπον τὰ φερόμενα βέλη προσπίπτειν, ἀλλὰ καὶ πρὸς τὰ νῶτα τῶν ἀντιπροσώπων ὄντων ἐν στενῷ χῶματι διικνεῖσθαι καὶ μηδὲνα δύνασθαι διαφυλάξασθαι τοὺς ἐξ ἀμφοτέρων τῶν μερῶν κατατιτρώσκοντας. [3] ὁ δ' Ἀλέξανδρος τὸ παράλογον τῆς συμφορᾶς βουλόμενος ὀξέως διορθώσασθαι, πληρώσας πάσας τὰς ναῦς καὶ καθηγούμενος αὐτὸς ἔπλει κατὰ σπουδὴν ἐπὶ τὸν λιμένα τῶν Τυρίων καὶ τὴν ἐπάνοδον τῶν Φοινίκων ὑπετέμεντο. [4] οἱ δὲ βάρβαροι φοβηθέντες μήποτε κυριεύσας τῶν λιμένων καταλάβηται τὴν πόλιν ἔρημον οὖσαν στρατιωτῶν, κατὰ πολλὴν σπουδὴν ἀνέπλεον εἰς τὴν Τύρον. ἀμφοτέρων δὲ διὰ τὴν ὑπερβολὴν τῆς φιλοτιμίας ταῖς εἰρεσίαις πυκναῖς χρωμένων καὶ τῶν Μακεδόνων ἤδη πλησιαζόντων τοῖς λιμέσιν οἱ Φοίνικες παρ' ὀλίγον μὲν ἦλθον τοῦ πάντες ἀπολέσθαι, παρεισπεσόντες δ' ὁμως τῇ βίᾳ καὶ τὰς τελευταίας ναῦς ἀποβαλόντες διεσώθησαν εἰς τὴν πόλιν. [5] ὁ δὲ βασιλεὺς μεγάλης ἐπιβολῆς ἀποτυχὼν πάλιν προσεκαρτέρει τῷ χῶματι καὶ τῷ πλήθει τῶν νεῶν παρείχετο τοῖς ἐργαζομένοις τὴν ἀσφάλειαν. τῶν δ' ἔργων πλησιαζόντων τῇ πόλει καὶ τῆς ἀλώσεως προσδοκωμένης ἀργέστης ἄνεμος μέγας ἐπεγένετο καὶ τοῦ χῶματος πολὺ μέρος ἔλυμήνατο. [6] ὁ δ' Ἀλέξανδρος εἰς ἀμχανίαν ἐμπίπτων διὰ τὴν αὐτόματον τῶν ἔργων φθορὰν μετεμέλετο μὲν ἐπὶ τῇ τῆς πολιορκίας ἐπιβολῇ, ὁμως δὲ τῇ φιλοτιμίᾳ προαγόμενος ἐκ τῆς ὀρεινῆς ἐκκόπτων ὑπερμεγέθη δένδρα παρεκόμιζε καὶ σὺν αὐτοῖς τοῖς κλάδοις ἐγχώσας ἐνέφραζε τὴν βίαν τοῦ κλύδωνος. [7] ταχὺ δ' ἀποκαταστήσας τὰ πεπονηκότα τοῦ χῶματος καὶ τῇ πολυχειρίᾳ προκόψας εἰς βέλους ἄφεσιν ἐπέστησε τὰς μηχανὰς ἐπ' ἄκρον τὸ χῶμα καὶ τοῖς μὲν πετροβόλοις κατέβαλλε τὰ τεῖχη, τοῖς δ' ὀξυβελῆσιν ἀνείργε τοὺς ἐπὶ τῶν ἐπάλξεων ἐφεστῶτας: συνηγωνίζοντο δὲ τούτοις οἱ τε τοξόται καὶ σφενδονῆται καὶ πολλοὺς τῶν ἐν τῇ πόλει παραβοηθοῦντας κατετίτρωσκον. 43. οἱ δὲ Τύριοι χαλκεῖς ἔχοντες τεχνίτας καὶ μηχανοποιούς κατεσκεύασαν φιλότεχνα βοηθήματα. πρὸς μὲν γὰρ τὰ καταπελτικά βέλη τροχοὺς κατεσκεύασαν διειλημμένους πυκνοῖς διαφράγμασι, τούτους δὲ διὰ τινος μηχανῆς δινεύοντες τὰ μὲν συνέτριβον, τὰ δὲ παρέσυρον τῶν βελῶν, πάντων δὲ τὴν ἐκ τῆς βίας φορὰν ἐξέλυον: τοὺς δ' ἐκ τῶν πετροβόλων φερομένους λίθους δεχόμενοι μαλακαῖς τισι καὶ συνενδιδούσαις κατασκευαῖς ἐπράυνον τὴν ἐκ τῆς ὀργανικῆς βίας δύναμιν. [2] ὁ δὲ βασιλεὺς ἅμα τῇ κατὰ τὸ χῶμα προσβολῇ παντὶ τῷ στόλῳ περιέπλει τὴν πόλιν καὶ τὰ τεῖχη περιεσκέπτετο καὶ φανερὸς ἦν πολιορκήσων τὴν πόλιν κατὰ γῆν ἅμα καὶ κατὰ θάλατταν. [3] τῶν δὲ Τυρίων ἀνταναχθῆναι μὲν τῷ στόλῳ μηκέτι τολμώντων, τρισὶ δὲ ναυσὶν ὁρμούντων πρὸ τοῦ λιμένος ὁ βασιλεὺς ἐπιπλεύσας αὐταῖς καὶ

πάσας συντρίψας ἐπανήλθεν ἐπὶ τὴν ἰδίαν στρατοπεδείαν. οἱ δὲ Τύριοι βουλόμενοι διπλασιάσαι τὴν ἀπὸ τῶν τειχῶν ἀσφάλειαν, ἀποστήσαντες πέντε πήχεις ἕτερον τεῖχος ὠκοδόμουν δέκα πηγῶν τὸ πλάτος καὶ τὴν ἀνὰ μέσον τῶν τειχῶν σύριγγα λίθων καὶ χώματος ἐπλήρουν. [4] ὁ δ' Ἀλέξανδρος τὰς τριῆρεις ζευγνύων καὶ μηχανὰς παντοδαπὰς αὐταῖς ἐπιστήσας κατέβαλεν ἐπὶ πλῆθρον τοῦ τεύχους· καὶ διὰ τοῦ πτώματος εἰσέπιπτον εἰς τὴν πόλιν. [5] οἱ δὲ Τύριοι τοὺς εἰσβιαζομένους πυκνοῖς βέλεσι βάλλοντες μόγις ἀπεστρέψαντο καὶ τὸ πεπτωκὸς μέρος τοῦ τεύχους ἀνωκοδόμησαν νυκτὸς ἐπιλαβούσης. μετὰ δὲ ταῦτα τοῦ χώματος συνάψαντος τῷ τείχει καὶ τῆς πόλεως χερρονήσου γενομένης πολλοὺς καὶ μεγάλους ἀγῶνας συνέβαινε γίνεσθαι κατὰ τὴν τειχομαχίαν. [6] οἱ μὲν γὰρ τὸ δεινὸν ἔχοντες ἐν ὀφθαλμοῖς καὶ τὴν ἐκ τῆς ἀλώσεως συμφορὰν ἀναλογιζόμενοι ταῖς ψυχαῖς οὕτω παρέστησαν πρὸς τὸν κίνδυνον ὥστε τοῦ θανάτου καταφρονῆσαι. [7] τῶν γὰρ Μακεδόνων προσαγόντων πύργους ὑψηλοὺς ἴσους τοῖς τεύχεσι καὶ διὰ τούτων τὰς ἐπιβάθρας ἐπιβαλλόντων καὶ θρασέως ταῖς ἐπάλλεσιν ἐπιβαίνοντων οἱ μὲν Τύριοι διὰ τὴν ἐπίνοιαν τῶν ὀργανοποιῶν πολλὰ πρὸς τὴν τειχομαχίαν εἶχον βοηθήματα. [8] χαλκευσάμενοι γὰρ εὐμεγέθεις τριόδοντας παρηγκιστρωμένους τούτοις ἔτυπον ἐκ χειρὸς τοὺς ἐπὶ τῶν πύργων καθεστῶτας, ἐμπηγνυμένων δὲ εἰς τὰς ἀσπίδας τούτων καὶ κάλους ἐχόντων προσδεδεμένους εἵλκον πρὸς ἑαυτοὺς ἐπιλαμβανόμενοι τῶν κάλων. [9] ἀναγκαῖον οὖν ἦν ἢ προῖεσθαι τὰ ὅπλα καὶ γυμνουμένους τὰ σώματα κατατιτρώσκεσθαι πολλῶν φερομένων βελῶν ἢ τηροῦντας τὰ ὅπλα διὰ τὴν αἰσχύνην πίπτειν ἀφ' ὑψηλῶν πύργων καὶ τελευτᾶν. [10] ἄλλοι δ' ἀλιευτικὰ δίκτυα τοῖς ἐπὶ τῶν ἐπιβαθρῶν διαμαχομένοις ἐπιρριπτούντες καὶ τὰς χεῖρας ἀχρήστους ποιοῦντες κατέσπων καὶ περιεκύλιον ἀπὸ τῆς ἐπιβάθρας ἐπὶ τὴν γῆν. 44. ἕτερον δ' ἐπενόησαν εὖρεμα φιλότεχνον κατὰ τῆς τῶν Μακεδόνων ἀνδρείας, δι' οὗ τοὺς ἀρίστους τῶν πολεμίων ἀμηχάνους καὶ δειναῖς περιέβαλον τιμωρίαις. κατασκευάσαντες γὰρ ἀσπίδας χαλκᾶς καὶ σιδηρᾶς καὶ ταύτας πληρώσαντες ἄμμου φλογὶ πολλῇ συνεχῶς ὑπέκαιον καὶ διάπυρον κατεσκεύαζον τὴν ἄμμον. [2] ταύτην δὲ διὰ τινος μηχανῆς τοῖς θρασύτατα μαχομένοις ἐπερρίπτουν καὶ ταῖς ἐσχάταις συμφοραῖς περιέβαλλον τοὺς ὑποπεσόντας· διὰ γὰρ τῶν θωράκων καὶ τῶν ὑποδυτῶν παρεισπίπτουσα ἡ ἄμμος καὶ διὰ τὴν ὑπερβολὴν τῆς θερμασίας λυμαινομένη τὰς σάρκας ἀβोधήθητον ἐποίει τὸ ἀτύχημα. [3] διὸ καὶ παραπλησίως τοῖς βασανιζομένοις πᾶσαν δεητικὴν φωνὴν προῖέμενοι τοὺς μὲν ἐπικουρήσοντας οὐκ εἶχον, αὐτοὶ δὲ διὰ τὴν δεινότητα τοῦ πάθους εἰς μανιώδεις διαθέσεις ἐμπίπτοντες ἐτελεύτων, ἔλεεινῶ καὶ ἀμηχάνῳ πάθει περιπίπτοντες. [4] ἅμα δὲ καὶ πῦρ ἐπερρίπτουν καὶ σαννία καὶ λίθους ἐπέβαλλον οἱ Φοίνικες καὶ τῷ πλήθει τῶν βελῶν κατεπόνουν τὰς ἀρετὰς τῶν ἀνθισταμένων καὶ ταῖς μὲν δρεπανηφόροις κερααῖαις τὰς τῶν κριῶν ὀρμιστηρίας ὑποτέμνοντες ἄχρηστον τὴν τῶν ὀργάνων βίαν ἐποίουν, ταῖς δὲ πυρφόροις μύδρους μεγάλους διαπύρους ἐπέβαλλον εἰς τὸ πλῆθος τῶν πολεμίων καὶ διὰ τὴν πυκνότητα τῶν ἀνδρῶν οὐχ ἡμάρτανον τῶν σκοπῶν, τοῖς δὲ κόραξι καὶ ταῖς σιδηραῖς χερσὶν ἀνήρπαζον τοὺς τοῖς θωρακείοις ἐφεστῶτας. [5] τῇ δὲ πολυχειρίᾳ πάσας τὰς μηχανὰς ἐνεργεῖς ποιοῦντες

πολλοὺς τῶν βιαζομένων ἀπέκτενον. 45. ἀνυπερβλήτου δὲ τῆς ἐκπλήξεως οὐσης καὶ τῆς ἐν τοῖς ἀγῶσι δεινότητος ἀνυποστάτου γινομένης οὐδ' ὥς ἔλγηγον τῆς τόλμης οἱ Μακεδόνες, ἀλλὰ τοὺς αἰεὶ πίπτοντας ὑπερβαίνοντες οὐκ ἐνουθετοῦντο ταῖς τῶν ἄλλων συμφοραῖς. [2] ὁ δ' Ἀλέξανδρος ἐπιστήσας ἐπὶ τοὺς ἀρμόζοντας τόπους τοὺς πετροβόλους καταπέλτας καὶ λίθους μεγάλους ἀφιεῖς ἐσάλευε τὰ τεῖχη, τοῖς δ' ὀξυβελέσιν ἀπὸ τῶν πύργων τῶν ξυλίνων ἐκβάλλων βελῶν παντοδαπῶν πλῆθος δεινῶς κατετίτρωσκε τοὺς ἐφεστῶτας τοῖς τείχεσιν. [3] ἀντιμηχανώμενοι δὲ πρὸς ταῦτα οἱ Τύριοι πρὸ μὲν τῶν τειχῶν μαρμαρίνους τροχοὺς ἴστανον καὶ διὰ τινων ὀργάνων τούτους δινεύοντες τὰ φερόμενα βέλη καταπελτικὰ συνέτριβον καὶ εἰς τὰ πλάγια μέρη παράγοντες ἀπράκτους ἐποιοῦν τὰς τῶν ἀφιεμένων πληγὰς. [4] πρὸς δὲ τούτοις βύρσας καὶ διπλᾶς διφθέρας πεφυκωμένας καταράπτοντες εἰς ταύτας ἀπεδέχοντο τὰς ἀπὸ τῶν πετροβόλων πληγὰς· καὶ μαλακῆς τῆς ἐνδόσεως γινομένης ἐξελύετο τῶν φερομένων πετρῶν ἡ βία. [5] καθόλου δὲ οἱ Τύριοι πάντα τρόπον εὐρώστως ἀμυνόμενοι καὶ κατευποροῦντες τοῖς βοηθήμασι κατεθάρρησαν τῶν πολεμίων καὶ τὸ τεῖχος καὶ τὰς ἐντὸς τῶν πύργων στάσεις ἀπολιπόντες ἐπ' αὐτὰς ὠθοῦντο τὰς ἐπιβάθρας καὶ ταῖς τῶν πολεμίων ἀνδραγαθίαις ἀντέταπτον τὰς ἑαυτῶν ἀρετάς. [6] διὸ καὶ συμπλεκόμενοι τοῖς πολεμίοις καὶ τὴν μάχην ἐκ χειρὸς συνιστάμενοι μέγαν ἀγῶνα τὸν ὑπὲρ τῆς πατρίδος συνίσταντο καὶ τινες πελέκεσι τῶν ἀπαντῶντων τὸ προσπεσὸν μέρος τοῦ σώματος ἀπέκοπτον· ἔνθα δὴ τῶν παρὰ τοῖς Μακεδόσιν ἡγεμόνων τις, ὄνομα μὲν Ἀδμητος, διαφέρων δὲ ἀνδρεία καὶ σώματος ῥώμῃ, τεθαρρηκὼς τὴν βίαν τῶν Τυρίων ὑπέστη καὶ πληγεὶς πελέκει μέσῃ τὴν κεφαλὴν παραχρῆμα κατέστρεψε τὸν βίον ἥρωικῶς. [7]

ὁ δ' Ἀλέξανδρος ὁρῶν τῇ μάχῃ τῶν Τυρίων κατισχυομένους τοὺς Μακεδόνας ἀνεκαλέσατο τῇ σάλπιγγι τοὺς στρατιώτας νυκτὸς ἤδη γενομένης. καὶ τὸ μὲν πρῶτον ἔκρινε λῦσαι τὴν πολιορκίαν καὶ τὴν στρατείαν ἐπὶ τὴν Αἴγυπτον ποιεῖσθαι· μετανοήσας δὲ πάλιν καὶ νομίσας αἰσχρὸν εἶναι παραχωρῆσαι Τυρίοις τῆς κατὰ τὴν πολιορκίαν δόξης καὶ τῶν φίλων ἕνα μόνον ὁμογνωμονοῦντα λαβὼν Ἀμύνταν τὸν Ἀνδρομένους πάλιν πρὸς τὴν πολιορκίαν ἐτρέπετο. 46.

παρακαλέσας δὲ τοὺς Μακεδόνας ἑαυτοῦ μὴ λειφθῆναι κατ' ἀνδρείαν ἀπάσας τὰς ναῦς πολεμικῶς κατασκευάσας προσέβαλλε τοῖς τείχεσιν ἐκθύμως κατὰ γῆν ἅμα καὶ κατὰ θάλατταν. κατανοήσας δὲ περὶ τὰ νεώρια τὸ τεῖχος ἀσθενέστερον ὑπάρχειν τούτῳ προσήγαγε τὰς τριήρεις ἐξευγμένας καὶ φερούσας τὰς ἀξιολογωτάτας μηχανάς. [2] ἐνταῦθα δὲ ἐτόλμησεν ἐπιτελέσασθαι πρᾶξιν οὐδ' αὐτοῖς τοῖς ὁρῶσι πιστευομένην· ἐπιβάθραν γὰρ ἀπὸ τοῦ ξυλίνου πύργου τοῖς τῆς πόλεως τείχεσιν ἐπιβαλὼν διὰ ταύτης μόνος ἐπέβη τῷ τείχει, οὔτε τὸν ἀπὸ τῆς τύχης φθόνον εὐλαβηθεὶς οὔτε τὴν τῶν Τυρίων δεινότητα καταπλαγεῖς, ἀλλὰ τὴν καταγωνισαμένην τοὺς Πέρσας δύναμιν ἔχων θεωρὸν τῆς ἰδίας ἀνδραγαθίας τοῖς μὲν ἄλλοις Μακεδόσιν ἀκολουθεῖν προσέταξεν, αὐτὸς δὲ καθηγούμενος τῶν εἰς χεῖρας βιαζομένων τοὺς μὲν τῷ δόρατι, τοὺς δὲ τῇ μαχαίρᾳ τύπτων ἀπέκτεινεν, ἐνίους δ' αὐτῇ τῇ περιφερείᾳ τῆς ἀσπίδος ἀνατρέπων ἐπισχεῖν τοῦ πολλοῦ θράσους ἐποίησε

τοὺς πολεμίους. [3] ἅμα δὲ τούτοις πραττομένοις καθ' ἕτερον μέρος ὁ κριὸς τύπτων κατέβαλε πολὺ μέρος τοῦ τείχους· διὰ δὲ τοῦ πτώματος εἰσπεσόντων τῶν Μακεδόνων καὶ τῶν περὶ τὸν Ἀλέξανδρον διὰ τῆς ἐπιβάθρας διαβάντων ἐπὶ τὸ τεῖχος ἢ μὲν πόλις κατείληπτο, οἱ δὲ Τύριοι πρὸς ἀλκὴν τραπέντες καὶ παρακαλέσαντες ἀλλήλους ἐνέφραξαν τοὺς στενωποὺς καὶ μαχόμενοι πλὴν ὀλίγων ἅπαντες κατεκόπησαν, ὄντες πλείους τῶν ἑπτακισχιλίων. [4] ὁ δὲ βασιλεὺς τέκνα μὲν καὶ γυναῖκας ἐξηνδραποδίστατο, τοὺς δὲ νέους πάντας, ὄντας οὐκ ἐλάττους τῶν δισχιλίων, ἐκρέμασε. σώματα δ' αἰχμάλωτα τοσαῦτα τὸ πλῆθος εὐρέθη ὥστε τῶν πλείστων εἰς Καρχηδόνα κεκομισμένων τὰ ὑπολειφθέντα γενέσθαι πλείω τῶν μυρίων καὶ τρισχιλίων. [5]

Τύριοι μὲν οὖν γενναιότερον μᾶλλον ἢ φρονιμώτερον ὑποστάντες τὴν πολιορκίαν τοσαύταις περιέπεσον συμφοραῖς, πολιορκηθέντες μῆνας ἑπτὰ. [6] ὁ δὲ βασιλεὺς τοῦ μὲν Ἀπόλλωνος τὰς χρυσᾶς σειρᾶς καὶ τὰ δεσμὰ περιελόμενος παρήγγειλεν ὀνομάζειν τὸν θεὸν τοῦτον Ἀπολλῶ φιλαλέξανδρον, τῷ δὲ Ἡρακλεῖ μεγαλοπρεπεῖς θυσίας συντελέσας καὶ τοὺς ἀνδραγαθήσαντας τιμήσας, ἔτι δὲ τοὺς τετελευτηκότας μεγαλοπρεπῶς θάψας τῆς μὲν Τυρίων πόλεως κατέστησε βασιλέα τὸν ὀνομαζόμενον Βαλῶνυμον, περὶ οὗ τὰ κατὰ μέρος οὐκ ἄξιον παραλιπεῖν διὰ τὸ τῆς περιπετείας παράδοξον. 47. τοῦ γὰρ προϋπάρχοντος βασιλέως Στράτωνος διὰ τὴν πρὸς Δαρεῖον φιλίαν ἐκπεσόντος ἐκ τῆς ἀρχῆς ὁ Ἀλέξανδρος ἔδωκεν ἐξουσίαν Ἡφαιστίωνι καταστήσαι βασιλέα τῆς Τύρου τῶν ἰδιοξένων ὃν ἂν προαιρῇται. [2] τὸ μὲν οὖν πρῶτον οὗτος εὐδοκήσας τῷ ξένῳ, παρ' ᾧ τὴν ἐπισταθμίαν ἐπεποίητο κεχαρισμένως, τοῦτον ἐπεβάλετο κύριον ἀναγορεῦσαι τῆς πόλεως· ὁ δὲ πλούτῳ μὲν καὶ δόξῃ διαφέρων τῶν πολιτῶν, οὐδεμίαν δὲ συγγένειαν ἔχων πρὸς τοὺς προγεγονότας βασιλεῖς οὐκ ἐδέξατο τὴν δωρεάν. [3] τοῦ δ' Ἡφαιστίωνος ἐπιτρέψαντος αὐτῷ τὴν ἐκλογὴν ποιήσασθαι ἐκ τοῦ γένους τῶν βασιλέων ἔφησεν εἶναι τινα τῆς βασιλικῆς οἰκίας ἀπόγονον τὰ μὲν ἄλλα σῶφρονα καὶ ἀγαθὸν ἄνδρα, πένητα δὲ καθ' ὑπερβολήν. [4] συγχωρήσαντος δὲ τοῦ Ἡφαιστίωνος τούτῳ τὴν δυναστείαν ὁ λαβὼν τὴν ἐπιτροπὴν κατήντησεν ἐπὶ τὸν ὀνομασμένον μετὰ βασιλικῆς ἐσθῆτος καὶ κατέλαβεν αὐτὸν ἓν τι κήπῳ μισθοῦ μὲν ἀντλοῦντα, ράκεσι δὲ τοῖς τυχούσιν ἐσθῆτι χρώμενον. [5] δηλώσας δὲ τὴν περιπέτειαν καὶ περιθεις τὴν βασιλικὴν στολὴν καὶ τὸν ἄλλον τὸν ἀρμόζοντα κόσμον ἀνήγαγεν αὐτὸν εἰς τὴν ἀγορὰν καὶ ἀπέδειξε βασιλέα τῶν Τυρίων. [6] ἀσμένως δὲ τοῦ πλήθους προσδεξαμένου καὶ τὸ παράδοξον τῆς τύχης θαυμάσαντος οὗτος μὲν φίλος γενόμενος Ἀλέξανδρῳ τὴν βασιλείαν ἔσχε παράδειγμα τοῖς ἀγνοοῦσι τὴν τῆς τύχης παράδοξον μεταβολήν· ἡμεῖς δ' ἐπεὶ τὰ περὶ τὸν Ἀλέξανδρον διήλθομεν, μεταληφόμεθα τὴν διήγησιν. 48.

κατὰ γὰρ τὴν Εὐρώπην Ἄγις μὲν ὁ τῶν Λακεδαιμονίων βασιλεὺς τῶν ἐκ τῆς ἐν Ἰσθμῷ μάχης διασωθέντων μισθοφόρων ἀναλαβὼν ὀκτακισχιλίους νεωτέρων πραγμάτων ἀντείχετο, χαριζόμενος Δαρείῳ. [2] προσλαβὼν δὲ παρὰ τούτου καὶ ναῦς καὶ χρημάτων πλῆθος ἔπλευσεν εἰς Κρήτην καὶ τῶν πόλεων τὰς πλείους χειρωσάμενος ἠνάγκασε τὰ Περσῶν αἰρεῖσθαι. Ἀμύντας δ' ὁ φυγὼν ἐκ Μακεδονίας καὶ πρὸς Δαρεῖον ἀναβὰς συνηγωνίστατο μὲν τοῖς Πέρσαις ἐν τῇ Κιλικίᾳ, διασωθεὶς δ' ἐκ τῆς ἐν Ἰσθμῷ παρατάξεως μετὰ

τετρακισχιλίων μισθοφόρων καὶ πρὸ τῆς Ἀλεξάνδρου παρουσίας διανύσας εἰς Τρίπολιν τῆς Φοινίκης ἐπέλεξεν ἐκ τοῦ παντὸς στόλου τὰς ἀρκούσας ναῦς εἰς τὸν πλοῦν τοῖς ἰδίους στρατιώταις, τὰς δ' ἄλλας ἐνέπηρσε. [3] διαπλεύσας δ' εἰς τὴν Κύπρον καὶ προσλαβόμενος στρατιώτας καὶ ναῦς διέπλευσεν εἰς τὸ Πηλούσιον. τῆς δὲ πόλεως ἐγκρατὴς γενόμενος ἀπέφαινε ἐαυτὸν ὑπὸ Δαρείου τοῦ βασιλέως ἀπεστάλθαι στρατηγὸν διὰ τὸ τὸν ἡγούμενον τῆς Αἰγύπτου σατράπην συναγωνιζόμενον ἐν Ἰσῶ τῆς Κιλικίας πεπτωκέναι. [4] ἀναπλεύσας δ' εἰς Μέμφιν τὸ μὲν πρῶτον πρὸ τῆς πόλεως παραταξάμενος τοῖς ἐγχωρίοις ἐνίκησε· μετὰ δὲ ταῦτα πρὸς ἀρπαγὴν τῶν στρατιωτῶν τραπέντων ἐπεξελθόντες ἐκ τῆς πόλεως ἐπέθεντο τοῖς ἀτάκτως διαρπάζουσι τὰς ἐπὶ τῆς χώρας κτήσεις καὶ τὸν τε Ἀμύνταν ἀπέκτειναν καὶ τοὺς μετ' αὐτοῦ πάντα ἄρδην ἀνείλον. [5] Ἀμύντας μὲν οὖν μεγάλας ἐπιβολαῖς ἐγχειρήσας καὶ παρ' ἐλπίδα σφαλὲς τοιοῦτον ἔσχε τοῦ βίου τὸ τέλος. ὁμοίως δὲ τούτῳ καὶ τῶν ἄλλων ἡγεμόνων καὶ στρατηγῶν τινες ἐκ τῆς ἐν Ἰσῶ μάχης μετὰ στρατιωτῶν διασωθέντες ἀντείχοντο τῶν Περσικῶν ἐλπίδων. [6] οἱ μὲν γὰρ πόλεις ἐπικαίρους καταλαμβάνόμενοι διεφύλαττον ταύτας τῷ Δαρείῳ, οἱ δ' ἔθνη προσαγόμενοι καὶ δυνάμεις περὶ αὐτοὺς παρασκευαζόμενοι τὰς ἀρμοζούσας χρεῖας τοῖς ὑποκειμένοις καιροῖς παρείχοντο. οἱ δὲ σύνοδροι τῶν Ἑλλήνων ἐψηφίσαντο πέμψαι πρέσβεις πεντεκαίδεκα στέφανον φέροντας χρυσοῦν παρὰ τῆς Ἑλλάδος ἀριστεῖον Ἀλεξάνδρῳ καὶ συνησθησομένους τῇ κατὰ Κιλικίαν νίκῃ. [7] Ἀλέξανδρος δὲ στρατεύσας ἐπὶ Γάζαν φρουρουμένην ὑπὸ Περσῶν καὶ δίμηνον προσεδρεύσας εἴλε κατὰ κράτος τὴν πόλιν. 49.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀριστοφάνους ἐν Ῥώμῃ κατεστάθησαν ὕπατοι Σπούριος Ποστόμιος καὶ Τίτος Οὐετούριος. ἐπὶ δὲ τούτων Ἀλέξανδρος ὁ βασιλεὺς τὰ περὶ τὴν Γάζαν διοικήσας Ἀμύνταν μὲν μετὰ δέκα νεῶν εἰς Μακεδονίαν ἐξέπεμψε, προστάξας τῶν νεῶν τοὺς εὐθέτους ἐπιλέξει πρὸς στρατείαν, αὐτὸς δὲ μετὰ πάσης τῆς δυνάμεως παρήλθεν εἰς Αἴγυπτον καὶ παρέλαβε πάσας τὰς ἐν αὐτῇ πόλεις χωρὶς κινδύνων· [2] οἱ γὰρ Αἰγύπτιοι τῶν Περσῶν ἡσεβηκότων εἰς τὰ ἱερὰ καὶ βιαίως ἀρχόντων ἄσμενοι προσεδέξαντο τοὺς Μακεδόνας. καταστήσας δὲ τὰ κατὰ τὴν Αἴγυπτον προῆλθεν εἰς Ἄμμωνος, βουλόμενος χρήσασθαι τῷ θεῷ. κατὰ μέσσην δὲ τὴν ὁδὸν ἀπῆντησαν αὐτῷ πρέσβεις παρὰ Κυρηναίων στέφανον κομίζοντες καὶ μεγαλοπρεπῆ δῶρα, ἐν οἷς ἦγον ἵππους τε πολεμιστὰς τριακοσίους καὶ πέντε τέθριππα τὰ κράτιστα. [3] ὁ δὲ τούτους μὲν ἀποδεξάμενος φιλίαν καὶ συμμαχίαν συνέθετο πρὸς αὐτούς, αὐτὸς δὲ μετὰ τῶν συναποδημούντων προῆγεν ἐπὶ τὸ ἱερόν· καὶ διανύσας ἐπὶ τὴν ἔρημον καὶ ἄνυδρον, ὕδρευσάμενος διῆει τὴν χώραν ἔχουσαν ἄμμου μέγεθος ἀέριον. ἐν ἡμέραις δὲ τέσσαρσιν ἐξαναλωθέντων τῶν κοιμιζόμενων ὑδάτων εἰς δεινὴν σπάνιν παρεγένοντο. [4] εἰς ἀθυμίαν οὖν πάντων ἐμπεσόντων ἄφνω πολὺς ὄμβρος ἐξ οὐρανοῦ κατερράγη, τὴν ὑπάρχουσαν τῶν ὕγρων ἔνδειαν παραδόξως διωρθούμενος· διὸ καὶ τὸ συμβὰν ἔδοξεν ἀνελπίστως σωθεῖσι θεῶν προνοία γεγονέναι. [5] ὕδρευσάμενοι δ' ἐκ τινος κοιλάδος, ἐπὶ τέσσαρας ἡμέρας ἔχοντες ἀρκοῦσαν τὴν βοήθειαν καὶ διελθόντες ἡμέρας τέσσαρας διεξεπέρασαν τὴν ἄνυδρον. ἀδήλου δὲ τῆς ὁδοῦ καθεστῶσης διὰ τὸ πληθος

τῆς ἄμμου οἱ καθηγούμενοι τῆς ὁδοῦ προσήγγειλαν τῷ βασιλεῖ διότι κόρακες δεξιοὶ κλάζοντες τὴν τρίβον τῆς ἐπὶ τὸ ἱερὸν φερούσης ἀτραποῦ προσημαίνουσιν. [6] οἰωνισάμενος δὲ τὸ συμβαῖνον ὁ Ἀλέξανδρος καὶ διαλαβὼν δέχεσθαι τὸν θεὸν ἀσμένως τὴν παρουσίαν αὐτοῦ προῆγε κατὰ σπουδὴν. καὶ τὸ μὲν πρῶτον κατήνυσεν ἐπὶ τὴν πικρὰν καλουμένην λίμνην, μετὰ δὲ ταῦτα πορευθεὶς σταδίους ἑκατὸν παρήλλαξε τὰς ἐπικαλουμένας Ἄμμωνος πόλεις· ἐντεῦθεν δ' ὁδοιπορήσας μίαν ἡμέραν συνήγγισε τῷ τεμένει. 50.

ἡ δὲ περὶ τὸ ἱερὸν τοῦτο χώρα περιέχεται ὑπὸ ἐρήμου καὶ ἀνύδρου τῆς ἁμμόδους, πάσης φιλανθρωπίας ἐστερημένης. αὕτη δ' ἐπὶ μῆκος καὶ πλάτος ἐπὶ σταδίου πεντήκοντα παρήκουσα πολλοῖς μὲν καὶ καλοῖς ὕδασι ναματιαίοις διαρρεῖται, δένδρων δὲ παντοδαπῶν καὶ μάλιστα καρπύμων πληθύνει· καὶ τὸν μὲν ἀέρα τῇ κράσει παραπλήσιον ἔχει ταῖς ἑαριναῖς ὥραις, τόποισδὲ καυματώδεσι περιεχομένη μόνη παρηλλαγμένην παρέχεται τοῖς ἐνδιατρίβουσι τὴν εὐκрасίαν. [2] τὸ μὲν οὖν τέμενός φασιν ἰδρῦσασθαι Δαναὸν τὸν Αἰγύπτιον, τὴν δὲ ἱερὰν τοῦ θεοῦ χώραν περιοικοῦσι κατὰ μὲν τὴν μεσημβρίαν καὶ δύσιν Αἰθίοπες, κατὰ δὲ τὴν ἄρκτον Λιβύων νομαδικὸν ἔθνος καὶ πρὸς τὴν μεσόγειον ἀνήκον τὸ τῶν Νασαμώνων ὀνομαζομένων ἔθνος. [3] τῶν δ' Ἀμμωνίων κωμηδὸν οἰκούντων κατὰ μέσην αὐτῶν τὴν χώραν ἀκρόπολις ὑπάρχει τριπλοῖς ὠχυρωμένη τοῖς τείχεσι· καὶ ταύτης ὁ μὲν πρῶτος περίβολος ἔχει τῶν ἀρχαίων δυναστῶν βασιλεία, ὁ δ' ἕτερος τὴν γυναικωνίτιν αὐλήν καὶ τὰς τῶν τέκνων καὶ γυναικῶν καὶ συγγενῶν οἰκῆσεις καὶ φυλακτήρια τῶν σκοπῶν, ἔτι δὲ τὸν τοῦ θεοῦ σηκὸν καὶ τὴν ἱερὰν κρήνην, ἀφ' ἧς τὰ τῷ θεῷ προσφερόμενα τυγχάνει τῆς ἀγνείας, ὁ δὲ τρίτος τὰς τῶν δορυφόρων καταλύσεις καὶ τὰ φυλακτήρια τῶν τὸν τύραννον δορυφορούντων. [4] καθίδρυται δὲ τῆς ἀκροπόλεως ἐκτὸς οὐ μακρὰν ἕτερος ναὸς Ἄμμωνος πολλοῖς καὶ μεγάλοις δένδροις σύσκιος. τούτου δὲ πλησίον ὑπάρχει κρήνη διὰ τὸ συμβεβηκὸς ὀνομαζομένη Ἥλιου κρήνη· αὕτη δὲ τὸ ὕδωρ ἔχει συμεταβαλλόμενον αἰεὶ ταῖς ἡμεριναῖς ὥραις παραδόξως. [5] ἅμ' ἡμέρα γὰρ ἐξίησι τὴν πηγὴν χλιαράν, προϊόνσης δὲ τῆς ἡμέρας τῇ προσθέσει τῶν ὥρῶν ἀνάλογον καταψύχεται, τοῦ μεσημβρινοῦ δὲ καύματος ἀκμάζει τῇ ψυχρότητι· πάλιν δὲ ἀνάλογον ἀπολήγει πρὸς τὴν ἐσπέραν καὶ τῆς νυκτὸς ἐπιλαβούσης ἀναθερμαίνεται μέχρι μέσων νυκτῶν καὶ τὸ λοιπὸν ἀπολήγει, μέχρι ἂν ἅμα τῷ φωτὶ πρὸς τὴν ἐξ ἀρχῆς ἀποκατασταθῇ τάξιν. [6] τὸ δὲ τοῦ θεοῦ ξόανον ἐκ σμαράγδων καὶ τινων ἄλλων πολυτελῶν λίθων περιέχεται καὶ τὴν μαντείαν ἰδιάζουσαν παντελῶς ποιεῖται. ἐπὶ νεῶς γὰρ περιφέρεται χρυσεῖς ὑπὸ ἱερέων ὀγδοήκοντα· οὗτοι δ' ἐπὶ τῶν ὤμων φέροντες τὸν θεὸν προάγουσιν αὐτομάτως ὅπου ποτ' ἂν ἄγῃ τὸ τοῦ θεοῦ νεῦμα τὴν πορείαν. [7] συνακολουθεῖ δὲ πλῆθος παρθένων καὶ γυναικῶν παιᾶνας ᾄδουσῶν κατὰ πᾶσαν τὴν ὁδὸν καὶ πατρίῳ καθυμνούντων ᾠδὴν τὸν θεόν. 51.

τοῦ δ' Ἀλεξάνδρου διὰ τῶν ἱερέων εἰσαχθέντος εἰς τὸν νεῶν καὶ τὸν θεὸν κατανοήσαντος ὁ μὲν προφητεύων ἀνὴρ πρεσβύτερος τὴν ἡλικίαν προσελθὼν αὐτῷ, χαῖρε, εἶπεν, ὦ παῖ· καὶ ταύτην παρὰ τοῦ θεοῦ ἔχε τὴν πρόσρησιν. [2] ὁ δ' ὑπολαβὼν, δέχομαι, φησίν, ὦ πάτερ, καὶ τὸ λοιπὸν κεκλήσομαι σός. ἀλλ'

εἰπέ μοι εἴ μοι δίδως τὴν ἀπάσης τῆς γῆς ἀρχήν. τοῦ δὲ ἱερέως προσελθόντος τῷ σηκῷ καὶ τῶν ἀνδρῶν τῶν αἰρόντων τὸν θεὸν κινηθέντων τεταγμένοις τισὶ τῆς φωνῆς συμβόλοις ὁ μὲν ἀνείπεν βεβαίως αὐτῷ διδόναι τὸν θεὸν τὴν αἴτησιν, ὁ δ' Ἀλέξανδρος ὑπολαβὼν, τὸ λοιπόν, εἶπεν, ὦ δαῖμον, ἀπόφηνάι μοι τῶν ζητουμένων, εἰ πάντας ἤδη μετελήλυθα τοὺς γενομένους φονεῖς τοῦ πατρὸς ἢ τινες διαλελήθασιν. [3] ὁ δὲ προφήτης ἀνεβόησεν εὐφήμει: οὐδένα γὰρ ἀνθρώπων ὑπάρχειν τὸν δυνησόμενον ἐπιβουλεῦσαι τῷ γεννήσαντι αὐτόν, τοὺς δὲ τοῦ Φιλίππου φονεῖς ἅπαντας τετευχένα τιμωρίας. τεκμήρια δ' ἔσσεσθαι τῆς ἐκ τοῦ θεοῦ γενέσεως τὸ μέγεθος τῶν ἐν ταῖς πράξεσι κατορθωμάτων: καὶ γὰρ πρότερον ἀήττητον αὐτὸν γεγονέναι καὶ μετὰ ταῦτ' ἔσσεσθαι διὰ παντὸς ἀνίκητον. [4] ὁ δ' Ἀλέξανδρος ἡσθεῖς ἐπὶ τοῖς κεχρησμοδημένοις καὶ τὸν θεὸν μεγαλοπρεπέσιν ἀναθήμασι τιμῆσας ἐπανήλθεν εἰς τὴν Αἴγυπτον. 52.

κρίνας δ' ἐν ταύτῃ πόλιν μεγάλην κτίσαι προσέταξε τοῖς ἐπὶ τὴν ἐπιμέλειαν ταύτην καταλειπομένοις ἀνὰ μέσον τῆς τε λίμνης καὶ τῆς θαλάσσης οἰκίσαι τὴν πόλιν. [2] διαμετρήσας δὲ τὸν τόπον καὶ ῥυμοτομήσας φιλοτέχνως τὴν πόλιν ἀφ' αὐτοῦ προσηγόρευσεν Ἀλεξάνδρειαν, εὐκαιρότατα μὲν κειμένην πλησίον τοῦ Φάρου λιμένος, εὐστοχία δὲ τῆς ῥυμοτομίας ποιήσας διαπνεῖσθαι τὴν πόλιν τοῖς ἐτησίοις ἀνέμοις καὶ τούτων πνεόντων μὲν διὰ τοῦ μεγίστου πελάγους, καταψυχόντων δὲ τὸν κατὰ τὴν πόλιν ἀέρα πολλὴν τοῖς κατοικοῦσιν εὐκρασίαν καὶ ὑγίειαν κατεσκεύασεν. [3] καὶ τὸν μὲν περιβόλον αὐτῆς ὑπεστήσατο τῷ τε μεγέθει διαφέροντα καὶ κατὰ τὴν ὀχυρότητα θαυμάσιον: ἀνὰ μέσον γὰρ ὦν μεγάλης λίμνης καὶ τῆς θαλάσσης δύο μόνον ἀπὸ τῆς γῆς ἔχει προσόδους στενὰς καὶ παντελῶς εὐφυλάκτους. τὸν δὲ τύπον ἀποτελῶν χλαμύδι παραπλήσιον ἔχει πλατεῖαν μέσσην σχεδὸν τὴν πόλιν τέμνουσαν καὶ τῷ τε μεγέθει καὶ κάλλει θαυμαστήν: ἀπὸ γὰρ πύλης ἐπὶ πύλην διήκουσα τεσσαράκοντα μὲν σταδίων ἔχει τὸ μῆκος, πλέθρου δὲ τὸ πλάτος, οἰκῶν δὲ καὶ ἱερῶν πολυτελέσι κατασκευαῖς πᾶσα κεκόσμηται. [4] προσέταξεν δ' ὁ Ἀλέξανδρος καὶ βασιλεία κατασκευάσαι θαυμαστὰ κατὰ τὸ μέγεθος καὶ βάρος τῶν ἔργων. οὐ μόνον δ' ὁ Ἀλέξανδρος, ἀλλὰ καὶ οἱ μετ' αὐτὸν βασιλεῦσαντες Αἰγύπτου μέχρι τοῦ καθ' ἡμᾶς βίου σχεδὸν ἅπαντες πολυτελέσι κατασκευαῖς ἠΰξησαν τὰ βασιλεία. [5] καθόλου δ' ἡ πόλις τοσαύτην ἐπίδοσιν ἔλαβεν ἐν τοῖς ὕστερον χρόνοις ὥστε παρὰ πολλοῖς αὐτὴν πρώτην ἀριθμεῖσθαι τῶν κατὰ τὴν οἰκουμένην: καὶ γὰρ κάλλει καὶ μεγέθει καὶ προσόδων πλήθει καὶ τῶν πρὸς τρυφὴν ἀνηκόντων πολὺ διαφέρει τῶν ἄλλων. [6] τὸ δὲ τῶν κατοικούντων οἰκητόρων αὐτὴν πλῆθος ὑπερβάλλει τοὺς ἐν ταῖς ἄλλαις πόλεσιν οἰκῆτορας: καθ' ὃν γὰρ ἡμεῖς παρεβάλομεν χρόνον εἰς Αἴγυπτον, ἔφασαν οἱ τὰς ἀναγραφὰς ἔχοντες τῶν κατοικούντων εἶναι τοὺς ἐν αὐτῇ διατρίβοντας ἐλευθέρους πλείους τῶν τριάκοντα μυριάδων, ἐκ δὲ τῶν προσόδων τῶν κατ' Αἴγυπτον λαμβάνειν τὸν βασιλέα πλείω τῶν ἐξακισχιλίων ταλάντων. [7] ὁ δ' οὖν βασιλεὺς Ἀλέξανδρος ἐπιστήσας τινὰς τῶν φίλων ἐπὶ τὴν κατασκευὴν τῆς Ἀλεξανδρείας καὶ διοικήσας ἅπαντα τὰ κατὰ τὴν Αἴγυπτον ἐπανήλθε μετὰ τῆς δυνάμεως εἰς τὴν Συρίαν. 53.

Δαρεῖος δὲ πυθόμενος αὐτοῦ τὴν παρουσίαν συνηθοῖκει μὲν τὰς

πανταχόθεν δυνάμεις καὶ πάντα τὰ πρὸς τὴν παράταξιν χρήσιμα κατεσκεύαστο. τὰ μὲν γὰρ ξίφη καὶ τὰ ξυστὰ πολὺ μείζω τῶν προγεγενημένων ἐποίησε διὰ τὸ δοκεῖν διὰ τούτων πολλὰ τὸν Ἀλέξανδρον ἐν τῇ περὶ Κιλικίαν μάχῃ πεπλεονεκτικέαι: κατεσκεύασε δὲ καὶ ἄρματα δρεπανηφόρα διακόσια πρὸς κατάπληξιν καὶ φόβον τῶν πολεμίων εὐθέτως ἐπινενοημένα. [2] τούτων γὰρ ἐκάστου παρ' ἐκάτερον τῶν σειροφόρων ἵππων ἐξέκειτο προσηλωμένα τῷ ζυγῷ ξύστρα παραμήκη τρισπίθαμα, τὴν ἐπιστροφὴν τῆς ἀκμῆς ἔχοντα πρὸς τὴν κατὰ πρόσωπον ἐπιφάνειαν, πρὸς δὲ ταῖς κατακλείεσσι τῶν ἀζόνων ἐπ' εὐθείας ἄλλα δύο, τὴν μὲν τομὴν ὁμοίαν ἔχοντα πρὸς τὴν κατὰ πρόσωπον ἐπιφάνειαν τοῖς προτέροις, τὸ δὲ μῆκος μείζω καὶ πλατύτερα: συνήρμοστο δὲ ταῖς τούτων ἀρχαῖς δρέπανα. [3] πᾶσαν δὲ τὴν δύναμιν ἐν τε ὅπλοις ἐπισήμοις καὶ ἡγεμόνων ἀρεταῖς κοσμήσας ἀνέξευξεν ἐκ τῆς Βαβυλῶνος ἔχων πεζοὺς μὲν περὶ ὀγδοήκοντα μυριάδας, ἵππεῖς δὲ οὐκ ἐλάττους τῶν εἴκοσι μυριάδων. κατὰ δὲ τὴν ὁδοιπορίαν δεξιὸν μὲν ἔχων τὸν Τίγριν, ἀριστερὸν δὲ τὸν Εὐφράτην προῆι διὰ χώρας εὐδαίμονος καὶ δυναμένης τοῖς κτήνεσι δαψιλῇ χορτάσματα παρασχέσθαι, τῷ δὲ πλήθει τῶν στρατιωτῶν ἱκανὰς τροφὰς χορηγῆσαι. [4] ἔσπευδε γὰρ περὶ τὴν Νίνον ποιήσασθαι τὴν παράταξιν, εὐθετωτάτων ὄντων τῶν περὶ αὐτὴν πεδίων καὶ πολλὴν εὐρυχωρίαν παρεχομένων τῷ μεγέθει τῶν ἡθροισμένων ὑπ' αὐτοῦ δυνάμεων. καταστρατοπεδεύσας δὲ περὶ κώμην τὴν ὀνομαζομένην Ἀρβηλα τὰς δυνάμεις ἐνταῦθα καθ' ἡμέραν ἐξέταττε καὶ τῇ συνεχεῖ διατάξει καὶ μελέτῃ κατεσκεύασεν εὐπειθεῖς: σφόδρα γὰρ ἡγωνία μήποτε πολλῶν καὶ ἀσυμφώνων ἔθνων ἡθροισμένων ταῖς διαλέκτοις ταραχὴ τις γένηται κατὰ τὴν παράταξιν.

54.

περὶ δὲ διαλύσεως καὶ πρότερον μὲν ἐξέπεμψε πρεσβευτὰς πρὸς Ἀλέξανδρον, ἐκχωρῶν αὐτῷ τῆς ἐντὸς Ἄλυος ποταμοῦ χώρας, καὶ προσεπηγγέλλετο δώσειν ἀργυρίου τάλαντα δισμύρια. [2] ὥς δ' οὐ προσεῖχεν αὐτῷ, πάλιν ἐξέπεμψεν ἄλλους πρέσβεις, ἐπαινῶν μὲν αὐτὸν ἐπὶ τῷ καλῶς κεχρῆσθαι τῇ τε μητρὶ καὶ τοῖς ἄλλοις αἰχμαλώτοις, ἀξιῶν δὲ φίλον γενέσθαι καὶ λαβεῖν τὴν ἐντὸς Εὐφράτου χώραν καὶ τάλαντ' ἀργυρίου τρισμύρια καὶ τὴν ἑτέραν τῶν ἑαυτοῦ θυγατέρων γυναῖκα, καθόλου δὲ γενόμενον γαμβρὸν καὶ τάξιν υἱοῦ λαβόντα καθάπερ κοινωνὸν γενέσθαι τῆς ὅλης βασιλείας. [3] ὁ δ' Ἀλέξανδρος εἰς τὸ συνέδριον παραλαβὼν πάντας τοὺς φίλους καὶ περὶ τῶν προτιθεμένων αἰρέσεων ἀνακοινωσάμενος ἡξίου τὴν ἰδίαν γνώμην ἕκαστον μετὰ παρρησίας ἀποφίνασθαι. [4] τῶν μὲν οὖν ἄλλων οὐδεὶς ἐτόλμα συμβουλευσαι διὰ τὸ μέγεθος τῆς ὑποκειμένης ζητήσεως, Παρμενίων δὲ πρῶτος εἶπεν, ἐγὼ μὲν ὢν Ἀλέξανδρος ἔλαβον ἂν τὰ διδόμενα καὶ τὴν σύνθεσιν ἐποίησάμην. [5] ὁ δ' Ἀλέξανδρος ὑπολαβὼν εἶπεν, κἀγὼ εἰ Παρμενίων ἦν ἔλαβον ἂν. καθόλου δὲ καὶ ἄλλοις μεγαλοψύχοις λόγοις χρησάμενος καὶ τοὺς μὲν λόγους τῶν Περσῶν ἀποδοκιμάσας, προτιμήσας δὲ τὴν εὐδοξίαν τῶν προτεινομένων δωρεῶν τοῖς μὲν πρέσβεσιν ἀπόκρισιν ἔδωκεν ὥς οὕθ' ὁ κόσμος δυεῖν ἡλίων ὄντων τηρῆσαι δύναται ἂν τὴν ἰδίαν διακόσμησιν τε καὶ τάξιν οὕθ' ἡ οἰκουμένη δύο βασιλέων ἐχόντων τὴν ἡγεμονίαν ἀταράχως καὶ ἀστασιάστως διαμένειν ἂν δύναιτο. [6] διόπερ

ἀπαγγέλλειν αὐτοὺς ἐκέλευσε τῷ Δαρεῖῳ, εἰ μὲν τῶν πρωτείων ὀρέγεται, διαμάχεσθαι πρὸς αὐτὸν περὶ τῆς τῶν ὅλων μοναρχίας· εἰ δὲ δόξης καταφρονῶν προκρίνει τὴν λυσιτέλειαν καὶ τὴν ἐκ τῆς ῥαστώνης τρυφήν, αὐτὸς μὲν Ἀλεξάνδρῳ ποιείτω τὰ προσταττόμενα, ἄλλων δὲ ἄρχων βασιλευέτω, συγχωρουμένης αὐτῷ τῆς ἐξουσίας ὑπὸ τῆς Ἀλεξάνδρου χρηστότητος. [7] τὸ δὲ συνέδριον διαλύσας καὶ τὴν δύναμιν ἀναλαβὼν προῆγεν ἐπὶ τὴν τῶν πολεμίων στρατοπεδείαν. ἅμα δὲ τούτοις πραττομένοις τῆς τοῦ Δαρείου γυναικὸς ἀποθανούσης ὁ Ἀλέξανδρος ἔθαψεν αὐτὴν μεγαλοπρεπῶς. 55.

Δαρεῖος δὲ τῶν ἀποκρίσεων ἀκούσας καὶ τὴν διὰ τῶν λόγων σύνθεσιν ἀπογνοὺς τὴν μὲν δύναμιν καθ' ἡμέραν συνέταττε καὶ πρὸς τὴν ἐν τοῖς κινδύνοις εὐκοῖαν ἐτοίμην κατεσκευάζε, τῶν δὲ φίλων Μαζαῖον μὲν μετὰ στρατιωτῶν ἐπιλέκτων ἐξαπέστειλε παραφυλάζοντα τὴν διάβασιν τοῦ ποταμοῦ καὶ τὸν πόρον προκαταληψόμενον, ἐτέρους δ' ἐξέπεμψε τὴν χώραν πυρπολήσοντας δι' ἧς ἀναγκαῖον ἦν διελθεῖν τοὺς πολεμίους· ἐνόμιζε γὰρ τῷ μὲν ρέυματι τοῦ ποταμοῦ προβλήματι χρῆσθαι πρὸς τὴν ἔφοδον τῶν Μακεδόνων. [2] τούτων δ' ὁ μὲν Μαζαῖος ὁρῶν ἀδιάβατον ὄντα τὸν ποταμὸν διὰ τε τὸ βάθος καὶ τὴν σφοδρότητα τοῦ ρεύματος τῆς μὲν τούτου φυλακῆς ἡμέλησε, τοῖς δὲ τὴν χώραν πυρπολοῦσι συνεργήσας καὶ πολλὴν γῆν διαφθείρας ὑπέλαβεν ἄβατον ἔσεσθαι τοῖς πολεμίῳις διὰ τὴν σπάνιν τῆς τροφῆς. [3] ὁ δ' Ἀλέξανδρος παραγενόμενος πρὸς τὴν διάβασιν τοῦ Τίγρεως ποταμοῦ καὶ τὸν πόρον ὑπὸ τινων ἐγχωρίων μαθὼν διεβίβασε τὴν δύναμιν οὐ μόνον ἐπιπόνως, ἀλλὰ καὶ παντελῶς ἐπικινδύνως. [4] τοῦ γὰρ πόρου τὸ μὲν βάθος ἦν ὑπὲρ τῶν μαστῶν, τοῦ δὲ ρεύματος ἡ ὀξύτης πολλοὺς τῶν διαβαινόντων παρέσυρεν καὶ τὴν βάσιν τῶν σκελῶν παρηρείτο, τό τε ρεῦμα τοῖς ὅπλοις ἐμπύπτον πολλοὺς τε παρέφερε καὶ τοῖς ἐσχάτοις κινδύνοις περιέβαλλεν. [5] ὁ δ' Ἀλέξανδρος πρὸς τὴν σφοδρότητα τοῦ ρεύματος ἀντιμηχανώμενος παρήγγειλε πᾶσι τὰς χεῖρας ἀλλήλοις συμπλέκειν καὶ τὴν ὅλην τῶν σωμάτων πυκνότητα ποιεῖν ζεύγματι παραπλησίαν. [6] παραβόλου δὲ γενομένης τῆς διαβάσεως καὶ τῶν Μακεδόνων μόγις διασωθέντων τὴν μὲν ἡμέραν ταύτην προσανέλαβε τὴν δύναμιν, τῇ δ' ὑστεραία συντεταγμένην ἔχων τὴν στρατιὰν προῆγεν ἐπὶ τοὺς πολεμίους καὶ σύνεγγυς γενόμενος τῶν Περσῶν κατεστρατοπέδευσεν. 56.

ἀναλογιζόμενος δὲ τὸ πλῆθος τῆς τῶν Περσῶν δυνάμεως καὶ τὸ μέγεθος τῶν ἐπικειμένων κινδύνων, ἔτι δὲ τὴν περὶ τῶν ὅλων κρίσιν ἐν χερσὶν οὔσαν διηγρύπνησε τὴν νύκτα συνεχόμενος τῇ περὶ τοῦ μέλλοντος φροντίδι· ὑπὸ δὲ τὴν ἐωθινὴν φυλακὴν τραπεῖς εἰς ὕπνον οὕτως ἐκοιμήθη βαθέως ὥστε τῆς ἡμέρας ἐπιγενομένης μὴ δύνασθαι διεγερθῆναι. [2] τὸ μὲν οὖν πρῶτον οἱ φίλοι τὸ συμβὰν ἡδέως ἐώρων, νομίζοντες τὸν βασιλέα πρὸς τὸν ὑποκείμενον κίνδυνον εὐτονώτερον ἔσεσθαι τετευχότα πολλῆς ἀνέσεως· ὥς δ' ὁ μὲν χρόνος προέβαινεν, ὁ δ' ὕπνος συνεῖχε τὸν βασιλέα, Παρμενίων πρεσβύτατος ὢν τῶν φίλων ἀφ' ἑαυτοῦ πρόσταγμα διέδωκε τοῖς πλῆθεσιν ἐτοιμάζεσθαι τὰ πρὸς τὴν μάχην. [3] οὐκ ἀνιεμένου δ' αὐτοῦ προσελθόντες οἱ φίλοι μόγις διήγειραν τὸν Ἀλέξανδρον. θαυμαζόντων δ' ἐπὶ τῷ συμβεβηκότι πάντων καὶ

τὴν αἰτίαν ἀκοῦσαι βουλομένων ἔφησεν ὁ Ἀλέξανδρος Δαρεῖον εἰς ἓνα τόπον ἡθροικότα τὰς δυνάμεις ἀπολελυκέναι πάσης ἀγωνίας αὐτόν: [4] μᾶ γὰρ ἡμέρᾳ κριθέντα περὶ τῶν ὅλων παύσεσθαι τῶν πόνων καὶ πολυχρονίων κινδύνων. οὐ μὴν ἀλλὰ παρακαλέσας τοὺς ἡγεμόνας τοῖς οἰκείοις λόγοις καὶ πρὸς τοὺς ἐπιφερομένους κινδύνους εὐθαρσεῖς καταστήσας προῆγε τὴν δύναμιν συντεταγμένην ἐπὶ τοὺς βαρβάρους, τῆς τῶν πεζῶν φάλαγγος τὰς τῶν ἱππέων εἵλας προτάζας. 57. ἐπὶ μὲν οὖν τὸ δεξιὸν κέρας ἔταξε τὴν βασιλικὴν εἵλην, ἣς εἶχε τὴν ἡγεμονίαν Κλεῖτος ὁ μέλας ὀνομαζόμενος, ἔχομένους δὲ ταύτης τοὺς ἄλλους φίλους, ὧν ἡγεῖτο Φιλώτας ὁ Παρμενίωνος, ἐξῆς δὲ τὰς ἄλλας ἱππαρχίας ἑπτὰ τεταγμένους ὑπὸ τὸν αὐτὸν ἡγεμόνα. [2] ὀπισθεν δὲ τούτων ὑπετάγη τὸ τῶν ἀργυρασπίδων πεζῶν τάγμα, διαφέρον τῇ τε τῶν ὅπλων λαμπρότητι καὶ τῇ τῶν ἀνδρῶν ἀρετῇ: καὶ τούτων ἡγεῖτο Νικάνωρ ὁ Παρμενίωνος, ἔχομένην δὲ τούτων ἔστησε τὴν Ἑλιμιῶτιν καλουμένην στρατηγίαν, ἣς Κοῖνος ἡγεῖτο, ἐξῆς δὲ τὴν τῶν Ὀρεστών καὶ Λυγκηστῶν τάξιν ἔστησε, Περδίκκου τὴν στρατηγίαν ἔχοντος. καὶ τὴν μὲν ἔχομένην στρατηγίαν Μελέαγρος εἶχε, τὴν δὲ συνεχὴ ταύτης Πολυπέρχων, τεταγμένων ὑπ' αὐτὸν τῶν ὀνομαζόμενων Στυμφαίων. [3] Φίλιππος δ' ὁ Βαλάκρου τὴν συνεχὴ ταύτης στρατηγίαν ἐπλήρου καὶ τῆς μετὰ ταύτην Κρατερὸς ἡγεῖτο. τῶν δὲ προειρημένων ἱππέων τὴν συνεχὴ τάξιν ἀπεπλήρουν οἱ ἀπὸ Πελοποννήσου καὶ Ἀχαΐας συστρατεύσαντες ἱππεῖς καὶ Φθιώται καὶ Μαλιεῖς, ἔτι δὲ Λοκροὶ καὶ Φωκεῖς, ὧν ἡγεῖτο Ἐρίγνιος ὁ Μιτυληναῖος. [4] ἐξῆς δ' εἰστήκεισαν Θετταλοὶ, Φίλιππον μὲν ἔχοντες ἡγεμόνα, ἀνδρεία δὲ καὶ τῇ τῶν εἰλῶν ἱππασίᾳ πολὺ προέχοντες τῶν ἄλλων. ἔχομένους δὲ τούτων τοὺς ἐκ Κρήτης τοξότας ἔταξε καὶ τοὺς ἐκ τῆς Ἀχαΐας μισθοφόρους. [5] ἐφ' ἑκατέρου δὲ τοῦ κέρατος ἐπικάμπιον ἐποίησε τὴν τάξιν, ὅπως μὴ δύνωνται κυκλοῦν οἱ πολέμοι τῷ πλήθει τῶν στρατιωτῶν τὴν ὀλιγότητα τῶν Μακεδόνων. [6] πρὸς δὲ τὰς τῶν δρεπανηφόρων ἀρμάτων ἐπιφοράς μηχανώμενος ὁ βασιλεὺς παρήγγειλε τοῖς ἐν τῇ φάλαγγι πεζοῖς, ὅταν πλησιάσῃ τὰ τέθριππα, συνασπίσαι καὶ ταῖς σαρίσαις τὰς ἀσπίδας τύπτειν, ὅπως διὰ τὸν ψόφον πτυρόμενα τὴν εἰς τοῦπίσω ποιήσεται φοράν, τοῖς δὲ βιαζόμενοις διδόναι διαστήματα, δι' ὧν ποιήσονται τὴν διέξοδον ἀκίνδυνον τοῖς Μακεδόσιν. αὐτὸς δὲ τοῦ δεξιοῦ μέρους ἡγούμενος καὶ λοξὴν τὴν τάξιν ποιοῦμενος δι' ἑαυτοῦ τὴν ὅλην κρίσιν τοῦ κινδύνου ποιεῖσθαι διεγνώκει. 58.

ὁ δὲ Δαρεῖος κατὰ τὰς τῶν ἐθνῶν περιοχὰς τὴν ἔκταξιν πεποιημένος κατὰ τε τὸν Ἀλέξανδρον τεταγμένος προῆγεν ἐπὶ τοὺς πολεμίους. ὥς δ' ἐπλησίαζον ἀλλήλαις αἱ δυνάμεις, οἱ μὲν σαλπικταὶ παρ' ἀμφοτέροις ἐσήμαινον τὸ πολεμικόν, οἱ δ' ἄνδρες μετὰ πολλῆς βοῆς ἀλλήλοις ἐπεφέροντο. [2] καὶ πρῶτον τὰ δρεπανηφόρα τῶν ἀρμάτων ἀπὸ κράτους ἐλαυνόμενα πολλὴν ἔκπληξιν καὶ φόβον τοῖς Μακεδόσιν ἐπέστησεν: καὶ γὰρ Μαζαῖος ὁ τῶν ἱππέων ἡγούμενος πυκναῖς ταῖς εἵλαις σὺν τοῖς δρεπανηφόροις ἐπήλαυνε, καταπληκτικωτέραν ποιῶν τὴν ἐπιφορὰν τῶν δρεπανηφόρων. [3] τῆς δὲ φάλαγγος συνασπιζούσης καὶ κατὰ τὰς τοῦ βασιλέως παραγγελίας ταῖς σαρίσαις πάντων τυπτόντων τὰς ἀσπίδας συνέβαινε ψόφον πολὺν γίνεσθαι. [4] διόπερ τὰ πολλὰ τῶν ἀρμάτων πτυρομένων τῶν ἵππων ἐστρέφετο καὶ τὴν

ῥύμην ἀκατάσχετον ποιοῦντα πρὸς τοὺς ἰδίους βιαίως ἀνέστρεφε. τῶν δ' ἄλλων προσπεσόντων τῇ φάλαγγι καὶ τῶν Μακεδόνων ποιοούντων ἀξιόλογα διαστήματα διὰ τούτων φερόμενα τὰ μὲν συνηκοντίσθη, τὰ δὲ διεξέπεσεν, ἓν αὖτε τῇ βίᾳ τῆς ῥύμης φερόμενα καὶ ταῖς τῶν σιδήρων ἀκμαῖς ἐνεργῶς χρῆσάμενα πολλὰς καὶ ποικίλας διαθέσεις θανάτων ἀπειργάζετο. [5] τοιαύτη γὰρ ἦν ἡ ὁξύτης καὶ βία τῶν κεχαλκευμένων πρὸς ἀπώλειαν ὅπλων ὥστε πολλῶν μὲν βραχίονας σὺν αὐταῖς ταῖς ἀσπίσιν ἀποκόπτεσθαι, οὐκ ὀλίγων δὲ τραχήλους παρασύρεσθαι καὶ τὰς κεφαλὰς πίπτειν ἐπὶ τὴν γῆν βλεπόντων ἔτι τῶν ὁμμάτων καὶ τῆς τοῦ προσώπου διαθέσεως διαφυλαττομένης, ἐνίων δὲ τὰς πλευρὰς ἐπικαιρίοις τομαῖς ἀναρῆτεσθαι καὶ θανάτους ὀξεῖς ἐπιφέρεισθαι. 59. ὥς δ' ἤγγισαν ἀλλήλαις αἱ δυνάμεις καὶ διὰ τῶν τόξων καὶ σφενδονῶν, ἔτι δὲ τῶν ἀκοντιζομένων σαυνίων τὰ ῥιπτούμενα βέλη παρανήλωτο, πρὸς τὴν ἐκ χειρὸς μάχην κατήντησαν. [2] καὶ πρῶτον τῶν ἱππέων συστησάμενων ἀγῶνα καὶ τῶν Μακεδόνων τῷ δεξιῷ κέρατι διαγωνιζομένων ὁ μὲν Δαρεῖος τοῦ λαιοῦ κέρατος ἡγούμενος συναγωνιστὰς εἶχε τοὺς συγγενεῖς ἱππεῖς, ἐπιλέκτους ταῖς ἀρεταῖς καὶ ταῖς εὐνοίαις, χιλίους ἐν μιᾷ περιειλημμένους εἴλη. [3] οὗτοι δὲ θεατὴν ἔχοντες τῆς ἰδίας ἀνδραγαθίας τὸν βασιλέα τὸ πλῆθος τῶν ἐπ' αὐτὸν φερομένων βελῶν προθύμως ἐξεδέχοντο. συνῆσαν δὲ τούτοις οἱ τε μηλοφόροι, διάφοροι ταῖς ἀνδραγαθίαις καὶ πολλοὶ κατὰ τὸ πλῆθος, πρὸς δὲ τούτοις Μάρδοι καὶ Κοσσαῖοι, ταῖς τε τῶν σωμάτων ὑπεροχαῖς καὶ ταῖς λαμπρότησι τῶν ψυχῶν θαυμαζόμενοι. [4] συνηγωνίζοντο δὲ τούτοις οἱ τε περὶ τὰ βασίλεια διατρίβοντες καὶ τῶν Ἰνδῶν οἱ κράτιστοι κατ' ἀνδρείαν. οὗτοι μὲν οὖν μετὰ πολλῆς βοῆς ἐπιρράξαντες τοῖς πολεμίοις ἐκθύμως ἡγωνίζοντο καὶ τῷ πλήθει κατεπόνουν τοὺς Μακεδόνας. [5] Μαζαῖος δὲ τὸ δεξιὸν ἔχων κέρας καὶ μετὰ τῶν ἀρίστων ἱππέων διαγωνιζόμενος εὐθύς κατὰ τὴν πρώτην ἔφοδον τῶν ἀνθεστώτων ἀνείλεν οὐκ ὀλίγους, δισχιλίους δὲ Καδουσίους καὶ χιλίους τῶν Σκυθῶν ἱππεῖς ἐπιλέκτους ἐξέπεμψε, προστάζας περιππεῦσαι τὸ κέρας τὸ τῶν πολεμίων καὶ προσελάσαντας τῇ παρεμβολῇ τῆς ἀποσκευῆς κυριεῦσαι. [6] ὃν ὀξέως ποιησάντων τὸ προσταχθὲν καὶ παρεισπεσόντων εἰς τὴν στρατοπεδείαν τῶν Μακεδόνων τῶν αἰχμαλώτων τινὲς ἀρπάσαντες ὅπλα συνήρουν τοῖς Σκύθαις καὶ διήρπαζον τὰς ἀποσκευάς· βοή δ' ἦν καὶ ταραχὴ διὰ τὸ παράδοξον καθ' ὅλην τὴν παρεμβολήν. [7] αἱ μὲν οὖν ἄλλαι τῶν αἰχμαλωτίδων πρὸς τοὺς βαρβάρους ἀπεχώρουν, ἡ δὲ μήτηρ τοῦ Δαρείου Σισύγγαμβρις παρακαλουσῶν αὐτὴν τῶν αἰχμαλωτίδων οὐ προσέσχεν, ἀλλ' ἐφ' ἡσυχίας ἔμεινε φιλοφρόνως, οὔτε τῷ παραδόξῳ τῆς τύχης πιστεύουσα οὔτε τὴν πρὸς Ἀλέξανδρον εὐχαριστίαν λυμαινομένη. [8] τέλος δὲ οἱ Σκύθαι πολλὴν τῆς ἀποσκευῆς διαρπάσαντες ἀφίππευσαν πρὸς τοὺς περὶ Μαζαῖον καὶ τὴν εὐημερίαν ἀπήγγειλαν. ὁμοίως δὲ καὶ τῶν περὶ Δαρεῖον τεταγμένων ἱππέων τινὲς καταπονήσαντες τῷ πλήθει τοὺς ἀνθεστώτας Μακεδόνας φεύγειν ἠνάγκασαν. 60. δευτέρου δὲ προτερήματος τοῖς Πέρσαις γενομένου ὁ μὲν Ἀλέξανδρος σπεύδων δι' ἑαυτοῦ τὴν ἦτταν διορθώσασθαι τῶν ἰδίων μετὰ τῆς βασιλικῆς εἵλης καὶ τῶν ἄλλων τῶν ἐπιφανεστάτων ἱππέων ἐπ' αὐτὸν ἤλαυνε τὸν Δαρεῖον. [2] ὁ δὲ τῶν Περσῶν βασιλεὺς δεξάμενος τὴν ἐπιφορὰν τῶν

πολεμίων αὐτὸς μὲν ἐφ' ἄρματος ἀγωνιζόμενος ἠκόντιζεν εἰς τοὺς ἐπιφερομένους, πολλῶν δ' αὐτῷ συναγωνιζομένων καὶ τῶν βασιλέων ἐπ' ἀλλήλους ἰεμένων ὁ μὲν Ἀλέξανδρος ἀκοντίσας ἐπὶ τὸν Δαρεῖον τούτου μὲν ἤμαρτεν, τοῦ δὲ παρεστῶτος ἡνιόχου τοῦ βασιλέως κατατυχὼν κατέβαλεν. [3] τῶν δὲ περὶ τὸν Δαρεῖον ἀναβοησάντων οἱ πορρώτερον ἀφεστηκότες ὑπέλαβον αὐτὸν τὸν βασιλέα πεπτωκέναι· καὶ τούτων τῆς φυγῆς ἀρξαμένων οἱ συνεχεῖς συνείποντο καὶ τὸ συνεστὸς αἰεὶ τῷ Δαρεῖῳ σύνταγμα κατ' ὀλίγον παρερρήγνυτο. διὸ καὶ τῆς ἐτέρας πλευρᾶς παραγυμνωθείσης τῶν συναγωνιζομένων καὶ αὐτὸς καταπλαγεὶς πρὸς φυγὴν ὥρμησεν. [4] τούτων δὲ οὕτως φευγόντων καὶ τοῦ κονιορτοῦ τῶν ἰππέων πρὸς ὕψος αἰρομένου καὶ τῶν περὶ τὸν Ἀλέξανδρον ἐκ ποδὸς ἐπομένων διὰ τὸ πλῆθος καὶ τὴν πυκνότητα τοῦ κονιορτοῦ συνιδεῖν μὲν οὐκ ἦν τὸν Δαρεῖον ὅποι ποιεῖται τὴν φυγὴν, στεναγμὸς δὲ τῶν πιπτόντων ἀνδρῶν καὶ κτύπος τῶν ἰππέων, ἔτι δὲ τῶν μαστίγων συνεχῆς ψόφος ἐγίνετο. [5] ἅμα δὲ τούτοις πραττομένοις Μαζαῖος ὁ τοῦ δεξιοῦ κέρατος ἡγούμενος, πλείστους ἔχων καὶ κρατίστους ἰππεῖς, βαρὺς ἐπέκειτο τοῖς κατ' αὐτὸν τεταγμένοις· Παρμενίων δὲ μετὰ τῶν Θετταλῶν ἰππέων καὶ τῶν ἄλλων τῶν μετ' αὐτοῦ κινδυνευόντων ὑπέστη τοὺς πολεμίους. [6] τὸ μὲν οὖν πρῶτον λαμπρῶς ἀγωνιζόμενος διὰ τὰς ἀρετὰς τῶν Θετταλῶν προετέρει· τῶν δὲ περὶ τὸν Μαζαῖον τῷ τε πλήθει καὶ βάρει τοῦ συστήματος ἐγκειμένων κατεπονείτο τὸ τῶν Μακεδόνων ἱππικόν. [7] πολλοῦ δὲ φόνου γινομένου καὶ τῆς τῶν βαρβάρων βίας δυσυποστάτου γινομένης ὁ Παρμενίων ἐξέπεμψε τινὰς τῶν περὶ αὐτὸν ἰππέων πρὸς τὸν Ἀλέξανδρον, λέγων κατὰ τάχος βοηθῆσαι. ὁξέως δὲ τούτων τὸ παραγγελθὲν πραττόντων καὶ τὸν Ἀλέξανδρον πυθομένων πολὺ τῆς τάξεως ἀπεσπᾶσθαι κατὰ τὸν διωγμὸν οὗτοι μὲν ἐπανῆλθον ἄπρακτοι, [8] ὁ δὲ Παρμενίων ταῖς τῶν Θετταλῶν εἰλαῖς χρώμενος ἐμπειρότατα καὶ πολλοὺς καταβαλὼν μόλις ἐτρέψατο τοὺς βαρβάρους, μάλιστα καταπλαγέντας τῇ κατὰ τὸν Δαρεῖον φυγῇ. 61. ὁ δὲ Δαρεῖος τῇ στρατηγίᾳ διαφέρων καὶ συνεργὸν ἔχων τὸ πλῆθος τοῦ κονιορτοῦ τὴν ἀποχώρησιν οὐχ ὁμοίαν τοῖς ἄλλοις βαρβάροις ἐποιεῖτο, εἰς τοῦναντίον δὲ μέρος ὀρμήσας καὶ κρυπτομένην ἔχων διὰ τὸν ἐξαιρόμενον κονιορτὸν τὴν ἰδίαν ἀποχώρησιν ἀκινδύνως αὐτὸς τε διέφυγεν τοὺς τε μεθ' ἑαυτοῦ πάντα εἰς τὰς κατόπιν κειμένας τῶν Μακεδόνων κόμας διέσωσε. [2] τέλος δὲ πάντων τῶν βαρβάρων πρὸς φυγὴν ὀρμησάντων καὶ τῶν Μακεδόνων τοὺς ἐσχάτους αἰεὶ κτεινόντων ταχὺ πᾶς ὁ πλησίον τοῦ πεδίου τόπος νεκρῶν ἐπληρώθη. [3] διὸ καὶ τῶν βαρβάρων ἐν ταύτῃ τῇ μάχῃ κατεκόπησαν οἱ πάντες ἰππεῖς τε καὶ πεζοὶ πλείους τῶν ἐννέα μυριάδων· τῶν δὲ Μακεδόνων ἀνῆρέθησαν μὲν εἰς πεντακοσίους, τραυματαῖα δ' ἐγένοντο παμπληθεῖς, ἐν οἷς καὶ τῶν ἐπιφανεστάτων ἡγεμόνων Ἡφαιστίων μὲν εἰς τὸν βραχίονα ξυστῶ βληθεὶς ἐτρώθη, τῶν σωματοφυλάκων ἡγούμενος, τῶν δὲ στρατηγῶν Περδίκκας καὶ Κοῖνος, ἔτι δὲ Μενίδας καὶ τινες ἕτεροι τῶν ἐπιφανῶν ἡγεμόνων. ἡ μὲν οὖν περὶ Ἀρβηλα γενομένη παράταξις τοιοῦτον ἔσχε τὸ πέρας. 62.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀριστοφῶντος ἐν Ῥώμῃ διεδέξαντο τὴν ὑπατικὴν ἀρχὴν Γάιος Δομέτιος καὶ Αὐλὸς Κορνήλιος. ἐπὶ δὲ τούτων εἰς τὴν

Ἑλλάδα τῆς περὶ Ἀρβηλα μάχης διαδοθείσης πολλοὶ τῶν πόλεων ὑφορώμενοι τὴν αὐξήσιν τῶν Μακεδόνων ἔγνωσαν, ἕως ἔτι τὰ Περσῶν πράγματα διαμένει, τῆς ἐλευθερίας ἀντέχεσθαι: [2] βοηθήσειν γὰρ αὐτοῖς Δαρεῖον καὶ χρημάτων τε πλῆθος χορηγήσειν πρὸς τὸ δύνασθαι ξενικὰς μεγάλας δυνάμεις συνίστασθαι καὶ τὸν Ἀλέξανδρον μὴ δυνήσεσθαι διαιρεῖν τὰς δυνάμεις. [3] εἰ δὲ περιόψονται τοὺς Πέρσας καταπολεμηθέντας, μονωθήσεσθαι τοὺς Ἕλληνας καὶ μηκέτι δυνήσεσθαι φροντίσαι τῆς ἑαυτῶν ἐλευθερίας. [4] προεκαλέσατο δὲ πρὸς τὴν ἀπόστασιν τοὺς Ἕλληνας καὶ ὁ περὶ τὴν Θράκην νεωτερισμὸς κατὰ τοὺς ὑποκειμένους καιροὺς γενόμενος: [5] Μένων γὰρ ὁ καθεσταμένος στρατηγὸς τῆς Θράκης, ἔχων δύναμιν καὶ φρονήματος ὢν πλήρης, ἀνέσεισε μὲν τοὺς βαρβάρους, ἀποστάτης δὲ γενόμενος Ἀλεξάνδρου καὶ ταχὺ μεγάλης δυνάμεως κυριεύσας φανερώς ἀπεκαλύψατο πρὸς τὸν πόλεμον. [6] διόπερ Ἀντίπατρος πᾶσαν ἀναλαβὼν τὴν δύναμιν προῆλθε διὰ Μακεδονίας εἰς Θράκην καὶ διεπολέμει πρὸς τὸν Μένονα. τούτου δὲ περὶ ταῦτ' ὄντος οἱ Λακεδαιμόνιοι καιρὸν ἔχειν ὑπολαβόντες τοῦ παρασκευάσασθαι τὰ πρὸς τὸν πόλεμον παρεκάλουν τοὺς Ἕλληνας συμφρονῆσαι περὶ τῆς ἐλευθερίας. [7] Ἀθηναῖοι μὲν οὖν, παρὰ πάντας τοὺς ἄλλους Ἕλληνας ὑπ' Ἀλεξάνδρου προτιμώμενοι, τὴν ἡσυχίαν ἤγγον: Πελοποννησίων δ' οἱ πλείους καὶ τῶν ἄλλων τινὲς συμφρονήσαντες ἀπεγράψαντο πρὸς τὸν πόλεμον καὶ κατὰ δυνάμιν τῶν πόλεων καταγράφοντες τῶν νέων τοὺς ἀρίστους κατέλεξαν στρατιώτας πεζοὺς μὲν οὐκ ἐλάττους τῶν δισμυρίων, ἵππεῖς δὲ περὶ δισχιλίους. [8] τὴν δ' ἡγεμονίαν ἔχοντες Λακεδαιμόνιοι πανδημεῖ πρὸς τὸν ὑπὲρ τῶν ὅλων κίνδυνον ὥρμησαν, Ἄγιδος τοῦ βασιλέως τὴν πάντων ἔχοντος ἡγεμονίαν. 63. Ἀντίπατρος δὲ πυθόμενος τὴν τῶν Ἑλλήνων συνδρομὴν τὸν μὲν ἐν τῇ Θράκῃ πόλεμον ὥς ποτ' ἦν δυνατὸν κατέλυσεν, εἰς δὲ τὴν Πελοπόννησον ἦκε μετὰ πάσης τῆς δυνάμεως. προσλαβόμενος δὲ καὶ παρὰ τῶν συμμαχοῦντων Ἑλλήνων στρατιώτας ἤθροισε τοὺς ἅπαντας οὐκ ἐλάττους τῶν τετρακισμυρίων. [2] γενομένης δὲ παρατάξεως μεγάλης ὁ μὲν Ἅγις μαχόμενος ἔπεσεν, οἱ δὲ Λακεδαιμόνιοι πολὺν μὲν ἐκθύμως χρόνον ἀγωνιζόμενοι διεκαρτέρουν, τῶν δὲ συμμάχων βιασθέντων καὶ αὐτοὶ τὴν ἀναχώρησιν εἰς τὴν Σπάρτην ἐποιήσαντο. [3] ἀνῆρέθησαν δ' ἐν τῇ μάχῃ τῶν μὲν Λακεδαιμονίων καὶ τῶν συμμάχων πλείους τῶν πεντακισχιλίων καὶ τριακοσίων, τῶν δὲ μετ' Ἀντιπάτρου τρισχίλιοι καὶ πεντακόσιοι. [4] ἴδιον δέ τι συνέβη καὶ περὶ τὴν τοῦ Ἄγιδος τελευτὴν γενέσθαι: ἀγωνισάμενος γὰρ λαμπρῶς καὶ πολλοῖς τραύμασιν ἐναντίοις περιπεσὼν ὑπὸ τῶν στρατιωτῶν εἰς τὴν Σπάρτην ἀπεκομίζετο: περικατάληπτος δὲ γενόμενος καὶ τὰ καθ' ἑαυτὸν ἀπογνοὺς τοῖς μὲν ἄλλοις στρατιώταις προσέταξεν ἀπιέναι τὴν ταχίστην καὶ διασώζειν αὐτοὺς εἰς τὴν τῆς πατρίδος χρεῖαν, αὐτὸς δὲ καθοπλισθεὶς καὶ εἰς γόνυ διαναστὰς ἡμύνατο τοὺς πολεμίους καὶ τινὰς καταβαλὼν καὶ συνακοντισθεὶς κατέστρεψε τὸν βίον, ἄρξας ἔτη ἑννέα. [5] ἡμεῖς δὲ διεληλυθότες τὰ πραχθέντα κατὰ τὴν Εὐρώπην ἐν μέρει τὰ κατὰ τὴν Ἀσίαν συντελεσθέντα διέξιμεν. 64.

Δαρεῖος μὲν γὰρ ἡττηθεὶς ἐν τῇ περὶ Ἀρβηλα παρατάξει τὴν φυγὴν ἐπὶ τὰς ἄνω σατραπείας ἐποίησατο, σπεύδων τῷ διαστήματι τῶν τόπων λαβεῖν

ἀναστροφὴν καὶ χρόνον ἱκανὸν εἰς παρασκευὴν δυνάμεως. τὸ μὲν οὖν πρῶτον εἰς Ἑκβάτανα τῆς Μηδείας διανύσας ἐνταῦθα διέτριβεν καὶ τοὺς μὲν ἐκ τῆς φυγῆς ἀνασωζομένους ἀνεδέχετο, τοὺς δὲ ἀνόπλους καθώπλιζεν. [2] μετεπέμπετο δὲ καὶ στρατιώτας ἐκ τῶν πλησιοχώρων ἐθνῶν καὶ πρὸς τοὺς ἐκ Βάκτροις καὶ ταῖς ἄνω σατραπείαις σατράπας καὶ στρατηγοὺς διεπέμπετο, παρακαλῶν διαφυλάττειν τὴν πρὸς αὐτὸν εὐνοίαν. [3] Ἀλέξανδρος δὲ μετὰ τὴν νίκην θάψας τοὺς τετελευτηκότας ἐπέβαλε τοῖς Ἀρβήλοις καὶ πολλὴν μὲν εὗρεν ἀφθονίαν τῆς τροφῆς, οὐκ ὀλίγον δὲ κόσμον καὶ γάζαν βαρβαρικήν, ἀργυρίου δὲ τάλαντα τρισχίλια. συλλογισάμενος δὲ τὴν μέλλουσαν ἔσεσθαι φθορὰν τοῦ περιέχοντος ἀέρος διὰ τὸ πλῆθος τῶν νεκρῶν εὐθὺς ἀνέζευξε καὶ κατήντησε μετὰ πάσης τῆς δυνάμεως εἰς Βαβυλῶνα. [4] τῶν δ' ἐγχωρίων προθύμως ὑποδεξαμένων αὐτὸν καὶ κατὰ τὰς ἐπισταθμίας λαμπρῶς ἐστιώντων τοὺς Μακεδόνας ἀνέλαβε τὴν δύναμιν ἐκ τῆς προγεγεννημένης τάλαιπωρίας. πλείους δὲ τῶν τριάκοντα ἡμερῶν ἐνδιέτριψε τῇ πόλει διὰ τε τὴν δαψίλειαν τῶν ἐπιτηδείων καὶ τὴν φιλοξενίαν τῶν ἐγχωρίων. [5] μετὰ δὲ ταῦτα τὴν μὲν ἄκραν παρέδωκε τηρεῖν Ἀγάθωνι τῷ Πυθναίῳ, συστήσας αὐτῷ Μακεδόνας στρατιώτας ἑπτακοσίους· Ἀπολλόδωρον δὲ τὸν Ἀμφιπολίτην καὶ Μένητα τὸν Πελλαῖον ἀπέδειξε στρατηγοὺς τῆς τε Βαβυλῶνος καὶ τῶν σατραπειῶν μέχρι Κιλικίας, δοὺς δὲ αὐτοῖς ἀργυρίου τάλαντα χίλια προσέταξε ξενολογεῖν στρατιώτας ὥς πλείστους. [6] Μιθρίνη δὲ τῷ παραδόντι τὴν ἐν Σάρδεσιν ἄκραν Ἀρμενίαν ἔδωκεν. ἐκ δὲ τῶν ληφθέντων χρημάτων τῶν μὲν ἱππέων τῶν Μακεδόνων ἐκάστῳ ἕξ μνᾶς ἐδωρήσατο, τῶν δὲ συμμάχων πέντε, τῶν δ' ἐκ τῆς φάλαγγος Μακεδόνων δύο, τοὺς δὲ ξένους διμήνου μισθοφοραῖς ἐτίμησε πάντας. 65.

τοῦ δὲ βασιλέως ἀναξέυξαντος ἐκ τῆς Βαβυλῶνος καὶ κατὰ τὴν πορείαν ὄντος ἦκον πρὸς αὐτὸν παρὰ μὲν Ἀντιπάτρου πεμψθέντες ἱππεῖς μὲν Μακεδόνες πεντακόσιοι, πεζοὶ δὲ ἑξακισχίλιοι, ἐκ δὲ Θράκης ἱππεῖς μὲν ἑξακόσιοι, Τραλλεῖς δὲ τρισχίλιοι καὶ πεντακόσιοι, ἐκ δὲ Πελοποννήσου πεζοὶ μὲν τετρακισχίλιοι, ἱππεῖς δὲ βραχὺ λείποντες τῶν χιλίων, ἐκ δὲ τῆς Μακεδονίας τῶν φίλων τοῦ βασιλέως υἱοὶ πεντήκοντα πρὸς τὴν σωματοφυλακίαν ὑπὸ τῶν πατέρων ἀπεσταλμένοι. [2] ὁ δὲ βασιλεὺς τούτους παραλαβὼν προῆγε καὶ κατήντησεν ἐκταῖος εἰς τὴν Σιττακινὴν ἐπαρχίαν. τῆς δὲ χώρας ταύτης πολλὴν ἀφθονίαν ἐχούσης τῶν ἐπιτηδείων πάντων ἐν ταύτῃ πλείους ἡμέρας ἔμεινεν, ἅμα μὲν σπεύδων ἐκ τῆς κατὰ τὴν ὁδοιορίαν τλαιπωρίας ἀναλαβεῖν τὴν δύναμιν, ἅμα δὲ τῆς στρατιωτικῆς τάξεως διανοούμενος ἐπιμεληθῆναι καὶ τὰς ἡγεμονίας ἀναβιβάσαι καὶ τὴν δύναμιν ἰσχυροποιῆσαι τῷ τε πλῆθει καὶ ταῖς ἀρεταῖς τῶν ἡγεμόνων. [3] συντελέσας δὲ τὰ δεδογμένα καὶ μετὰ πολλῆς ἐπιμελείας περὶ τῶν ἀριστίων κρίσιν ποιησάμενος καὶ πολλοὺς ἀπὸ τῆς μεγάλης ἡγεμονίας ἐπὶ μεγάλας ἐξουσίας ἀναβιβάσας πάντας τοὺς ἡγεμόνας εἰς ἀξίωμα μείζον καὶ στοργὴν ἰσχυρὰν πρὸς ἑαυτὸν προήγαγεν. [4] ἐπεμελήθη δὲ καὶ τῆς ἰδιωτικῆς τῶν στρατιωτῶν διατάξεως καὶ πολλὰ πρὸς τὴν εὐχρηστίαν ἐπινοησάμενος ἐπὶ τὸ κρεῖττον διωρθώσατο. κατασκευάσας δὲ πᾶσαν τὴν στρατιὰν εὐνοία τε πρὸς τὸν ἡγούμενον διαφέρουσαν καὶ πρὸς τὰ παραγγελλόμενα πειθαρχοῦσαν, ἔτι δὲ ταῖς ἀνδραγαθίαις ὑπερβάλλουσιν ἐπὶ τοὺς ὑπολειπομένους ἀγῶνας ὥρμησεν. [5] εἰς δὲ τὴν Σουσιανὴν καταντήσας ἀκινδύνως παρέλαβε τὰ περιβόητα ἐν Σούσοις βασίλεια, ἐκουσίως Ἀβουλεύτου τοῦ σατράπου παραδόντος αὐτῷ τὴν πόλιν, ὥς μὲν ἔνιοι γεγράφασι, προστάξαντος Δαρείου τοῖς πεπιστευμένοις ὑπ' αὐτοῦ. τοῦτο δὲ πρᾶξαι τὸν βασιλέα τῶν Περσῶν, ὅπως ὁ μὲν Ἀλέξανδρος εἰς περισπασμοὺς ἀξιολόγους καὶ παραλήψεις ἐπιφανεστάτων πόλεων καὶ θησαυρῶν μεγάλων ἐμπεσὼν ἐν ἀσχολίαις ὑπάρχη, ὁ δὲ Δαρεῖος τῇ φυγῇ λαμβάνῃ χρόνον εἰς τὴν τοῦ πολέμου παρασκευήν. 66.

ὁ δὲ Ἀλέξανδρος παραλαβὼν τὴν πόλιν καὶ τοὺς ἐν τοῖς βασιλείοις θησαυροὺς εὗρεν ἀσήμου χρυσοῦ καὶ ἀργύρου πλείω τῶν τετρακισμυρίων ταλάντων. [2] ταῦτα δὲ ἐκ πολλῶν χρόνων οἱ βασιλεῖς ἄθικτα διετήρησαν, πρὸς τὰ παράλογα τῆς τύχης ἀπολιπόντες αὐτοῖς καταφυγὰς. χωρὶς δὲ τούτων ὑπῆρχεν ἑνακισχίλια τάλαντα χρυσοῦ χαρὰ κτήρη δαρεϊκὸν ἔχοντα. [3] ἴδιον δὲ τι συνέβη γενέσθαι τῷ βασιλεῖ κατὰ τὴν παράληψιν τῶν χρημάτων. καθίσαντος γὰρ αὐτοῦ ἐπὶ τὸν βασιλικὸν θρόνον καὶ τούτου μείζονος ὄντος ἢ κατὰ τὴν συμμετρίαν τοῦ σώματος, τῶν παίδων τις ἰδὼν τοὺς πόδας ἀπολείποντας πολὺ τοῦ κατὰ τὸν θρόνον ὑποβάθρου βαστάσας τὴν Δαρείου τράπεζαν ὑπέθηκε τοῖς ποσὶν αἰωρούμενοις. [4] ἄρμοστῆς δὲ γενομένης ὁ μὲν βασιλεὺς ἀπεδέξατο τὴν τοῦ πράξαντος εὐστοχίαν, τῶν δὲ παρεστώτων τις τῷ θρόνῳ εὐνοῦχος κινηθεὶς τὴν ψυχὴν τῇ μεταβολῇ τῆς τύχης ἐδάκρυσεν. [5] ὃν ἰδὼν ὁ Ἀλέξανδρος ἤρετο, τί κακὸν ἰδὼν γεγονὸς κλαίεις; ὁ δὲ εὐνοῦχος ἔφησε, νῦν μὲν σὸς εἰμι δοῦλος, πρότερον δὲ Δαρείου, καὶ φύσει φιλοδέσποτος ὢν ἤλγηκα ἰδὼν τὸ παρ' ἐκείνῳ μάλιστα τιμώμενον νῦν ἄτιμον

γεγονὸς σκευδός. [6] ὁ δὲ βασιλεὺς διὰ τῆς ἀποκρίσεως λαβὼν ἔννοιαν τῆς ὅλης κατὰ τὴν Περσικὴν βασιλείαν μεταβολῆς ὑπέλαβεν ἑαυτὸν ὑπερήφανόν τι πεποιηκέναι καὶ τῆς πρὸς τὰς αἰχμαλωτίδας ἐπιεικείας ἀλλοτριώτατον. [7] διόπερ προσκαλεσάμενος τὸν θέντα τὴν τράπεζαν ἐπέταξεν ἄραι πάλιν. ἐνταῦθα παρεστὼς Φιλώτας, ἀλλ' οὐχ ὕβρις ἐστίν, εἶπεν, τὸ μὴ ὑπὸ σοῦ προσταχθέν, ἀλλὰ δαίμονός τινος ἀγαθοῦ προνοία καὶ βουλήσει. ὁ δὲ βασιλεὺς οἰωνισάμενος τὸ ῥηθὲν προσέταξεν ἔαν κειμένην ὑπὸ τῷ θρόνῳ τὴν τράπεζαν. 67.

μετὰ δὲ ταῦτα τὴν μὲν Δαρείου μητέρα καὶ τὰς θυγατέρας καὶ τὸν υἱὸν ἀπέλιπεν ἐν Σούσοις καὶ παρακατέστησε τοὺς διδάζοντας τὴν Ἑλληνικὴν διάλεκτον, αὐτὸς δὲ μετὰ τῆς δυνάμεως ἀναζεύξας τεταρταῖος ἐπὶ τὸν Τίγριν ποταμὸν ἀφίκετο. [2] ὃς ῥέων ἀπὸ τῆς Οὐξίων ὀρεινῆς τὸ μὲν πρῶτον φέρεται διὰ χώρας τραχείας καὶ χαράδραις μεγάλαις διειλημμένης ἐπὶ σταδίους χιλίους, ἔπειτα διαρρεῖ χώραν πεδιάδα, πρᾶϋνόμενος αἰεὶ μᾶλλον, καὶ διελθὼν σταδίους ἑξακοσίους ἐξίησιν εἰς τὴν κατὰ Πέρσας θάλασσαν. [3] διαβὰς δὲ τὸν Τίγριν προῆγεν ἐπὶ τὴν Οὐξίων χώραν, οὗσαν ἀμφοροῦ καὶ δαυιλέσιν ὕδασι διαρρομένην καὶ πολλοὺς καὶ παντοδαποὺς ἐκφέρουσιν καρπούς· διὸ καὶ τῆς ὀρίμου ξηραίνουμένης ὁπώρας παντοδαπὰ πλάσματα χρήσιμα πρὸς ἀπόλαυσιν οἱ τὸν Τίγριν πλέοντες ἔμποροι κατάγουσιν εἰς τὴν Βαβυλωνίαν. [4] καταλαβὼν δὲ τὰς παρόδους φυλαττομένας ὑπὸ Μαδέτου, συγγενοὺς μὲν ὄντος Δαρείου, δύναμιν δὲ ἔχοντος ἀξιόλογον, κατεσκεύαστο τὴν ὀχυρότητα τῶν τόπων. ἀπαροδεύτων δ' ὄντων κρημνῶν τῶν ἐγχαυρίων τις ἀνὴρ, Οὐξίος μὲν τὸ γένος, ἔμπειρος δὲ τῶν τόπων, ἐπηγγείλατο τῷ βασιλεῖ διὰ τινος στενῆς ἀτραποῦ καὶ παραβόλου ἄξειν τοὺς στρατιώτας, ὥστε ὑπερδεξίους γενέσθαι τῶν πολέμιων. [5] ὁ δ' Ἀλέξανδρος προσδεξάμενος τοὺς λόγους τούτῳ μὲν συναπέστειλε τοὺς ἱκανοὺς στρατιώτας, αὐτὸς δὲ τὴν δίοδον κατασκευάσας ἐφ' ᾧ ἦν ἐνδεχόμενον ἐκ διαδοχῆς προσέβαλε τοῖς ἐπὶ τῶν παρόδων ἐφεστηκόσιν. ἐνεργῶς δὲ τοῦ κινδύνου συνεστῶτος καὶ τῶν βαρβάρων περισπωμένων περὶ τὸν ἀγῶνα παραδόξως οἱ πεμφθέντες ἐφάνησαν ὑπερδέξιοι τοῖς τὴν πάροδον φυλάττουσι. καταπλαγέντων δὲ τῶν βαρβάρων καὶ πρὸς φυγὴν ὀρμησάντων ἐγκρατὴς ἐγένετο τῆς διεξόδου καὶ ταχέως πασῶν τῶν κατὰ τὴν Οὐξιανὴν πόλεων. 68.

ἐντεῦθεν δ' ἀναζεύξας προῆγεν ἐπὶ τὴν Περσίδα καὶ πεμπταῖος ἦκεν ἐπὶ τὰς Σουσιάδας καλουμένας πέτρας. ταύτας δὲ προκατειληφώς ἦν ὁ Ἀριοβαρζάνης μετὰ στρατιωτῶν πεζῶν μὲν δισμυρίων καὶ πεντακισχιλίων, ἱππέων δὲ τριακοσίων. [2] ὁ δὲ βασιλεὺς δόξας τῇ βίᾳ κρατῆσιν τῆς πύλης προῆγε διὰ τόπων στενῶν καὶ τραχέων οὐδενὸς παρενοχλοῦντος. οἱ δὲ βάρβαροι μέχρι μὲν τινος εἶων αὐτὸν διαπορεύεσθαι τὰς παρόδους, ἐπεὶ δὲ εἰς μέσας τὰς δυσχωρίας ἦκον, ἄφνω τὴν ἐπίθεσιν ἐποιοῦντο καὶ πολλοὺς μὲν ἀμαξιαίους λίθους ἐπεκύλιον, οἱ προσπίπτοντες ἄφνω τοῖς Μακεδόσιν ἀθρόοις πολλοὺς διέφθειρον, οὐκ ὀλίγοι δ' ἀπὸ τῶν κρημνῶν ἀκοντίζοντες εἰς πεπυκνωμένους οὐκ ἀπετύγχανον τῶν σκοπῶν· ἄλλοι δ' ἐκ χειρὸς τοῖς λίθοις βάλλοντες τοὺς βιαζομένους τῶν Μακεδόνων ἀνέστελλον. πολλὰ δ' αὐτοῖς τῆς δυσχωρίας συνεργούσης ἐπλεονέκουν καὶ συχνοὺς μὲν ἀπέκτενον, οὐκ

ὀλίγους δὲ κατετίτρωσκον. [3] ὁ δ' Ἀλέξανδρος τῇ δεινότητι τοῦ πάθους ἀδυνατῶν βοηθεῖν καὶ θεωρῶν μηδένα τῶν πολεμίων μήτε τεθνηκότα μήτε ὅλως τετρωμένον, τῶν δὲ ἰδίων ἀπολωλότας μὲν πολλούς, κατατετρωμένους δὲ σχεδὸν ἅπαντας τοὺς προσβάλλοντας ἀνεκαλέσατο τῇ σάλπιγγι τοὺς στρατιώτας ἀπὸ τῆς μάχης. [4] ἀναχωρήσας δὲ ἀπὸ τῶν παρόδων σταδίους τριακοσίους κατεστρατοπέδευσε καὶ παρὰ τῶν ἐγχωρίων ἐπυνθάνετο μή τις ἑτέρα ἐστὶ διεκβολή. πάντων δ' ἀποφαινομένων δίοδον μὲν μηδεμίαν ἄλλην ὑπάρχειν, περίοδον δὲ εἶναι πολλῶν ἡμερῶν αἰσχρὸν εἶναι νομίσας ἀτάφους ἀπολιπεῖν τοὺς τετελευτηκότας καὶ τὴν αἴτησιν τῶν νεκρῶν οὖσαν ὁρῶν ἀσχήμονα καὶ περιέχουσιν ἥττης ὁμολόγησιν προσέταξεν ἀναγαγεῖν ἅπαντας τοὺς αἰχμαλώτους. [5] ἐν δὲ τούτοις ἦκεν ὑπαγόμενος ἀνὴρ δίγλωττος, εἰδὼς τὴν Περσικὴν διάλεκτον: οὗτος δὲ ἑαυτὸν ἀπεφαίνετο Λύκιον μὲν εἶναι τὸ γένος, αἰχμάλωτον δὲ γενόμενον ποιμαίνειν κατὰ τὴν ὑποκειμένην ὀρεινὴν ἔτη πλείω: δι' ἣν αἰτίαν ἔμπειρον γενέσθαι τῆς χώρας καὶ δύνασθαι τὴν δύναμιν ἀγαγεῖν διὰ τῆς καταδένδρου καὶ κατόπιν ποιῆσαι τῶν τηρούντων τὰς παρόδους. [6] ὁ δὲ βασιλεὺς μεγάλας δωρεαῖς τιμήσιν ἐπαγγειλάμενος τὸν ἄνδρα τούτου καθηγουμένου διῆλθεν ἐπιπόνως τὴν ὀρεινὴν νυκτὸς πολλὴν μὲν πατήσας χιόνα, πᾶσαν δὲ κρημνῶδη χώραν περάσας, χαράδραις βαθείαις καὶ πολλαῖς φάραγξι διειλημμένην. [7] ἐπιφανεῖς δὲ ταῖς προφυλακαῖς τῶν πολεμίων τοὺς μὲν πρώτους κατέκοψε, τοὺς δ' ἐπὶ τῆς δευτέρας φυλακῆς τεταγμένους ἐξώγησε, τοὺς δὲ τρίτους τρεψάμενος ἐκράτησε τῶν παρόδων καὶ τοὺς πλείστους τῶν περὶ τὸν Ἀριοβαρζάνην ἀπέκτεινε. 69.

μετὰ δὲ ταῦτα ἐπὶ τὴν Περσέπολιν προάγων κατὰ τὴν ὁδὸν ἐπιστολὴν ἐκομίσατο παρὰ τοῦ κυριεύοντος τῆς πόλεως Τιριδάτου. ἐν ταύτῃ δ' ἦν γεγραμμένον ὅτι ἐὰν παραγενόμενος θθάσῃ τοὺς ἐπιβαλλομένους διατηρῆσαι Δαρεῖφ τὴν Περσέπολιν, κύριος ἔσται ταύτης ὑπ' αὐτοῦ παραδοθείσης. [2] διόπερ ὁ Ἀλέξανδρος κατὰ σπουδὴν ἤγε τὴν δύναμιν καὶ τὸν Ἀράξην ποταμὸν ζεύξας διεβίβασε τοὺς στρατιώτας. προάγοντος δὲ τοῦ βασιλέως θέαμα παράδοξον καὶ δεινὸν ὥφθη, μισοπονηρίαν μὲν περιέχον κατὰ τῶν πραξάντων, ἔλεον δὲ καὶ συμπάθειαν ἐπιφέρον πρὸς τοὺς ἀνήκεστα πεπονθότας. [3] ἀπῆντησαν γὰρ αὐτῷ μεθ' ἱκετηριῶν Ἕλληνες ὑπὸ τῶν πρότερον βασιλέων ἀνάστατοι γεγονότες, ὀκτακόσιοι μὲν σχεδὸν τὸν ἀριθμὸν ὄντες, ταῖς δ' ἡλικίαις οἱ πλείστοι μὲν γεγηρακότες, ἡκρωτηριασμένοι δὲ πάντες, οἱ μὲν χεῖρας, οἱ δὲ πόδας, οἱ δὲ ὧτα καὶ ῥίνας: [4] τῶν δ' ἐπιστήμας ἢ τέχνας εἰδόντων καὶ ἐν παιδείᾳ προκεκοφόντων τὰ μὲν ἄλλα τῶν ἡκρωτηρίων ἀπεκέκοπτο, αὐτὰ δὲ μόνα τὰ συνεργοῦντα πρὸς τὰς ἐπιστήμας ἀπελέλειπτο: ὥστε πάντας ὁρῶντας τὰ τῆς ἡλικίας ἀξιώματα καὶ τὰς περιεχούσας τὰ σώματα συμφορὰς ἔλεειν τὰς τύχας τῶν ἡκρωτούντων, μάλιστα δὲ αὐτὸν τὸν Ἀλέξανδρον συμπαθεῖ γενέσθαι τοῖς ἡτυχηκόσι καὶ μὴ δύνασθαι κατασχεῖν τὰ δάκρυα. [5] ἀναβοησάντων δὲ ἅμα ἀπάντων καὶ τὸν Ἀλέξανδρον ἀξιούντων ἀμῦναι ταῖς ἰδίαις συμφοραῖς ὁ μὲν βασιλεὺς προσκαλεσάμενος τοὺς προεστηκότας καὶ τῆς αὐτοῦ μεγαλοψυχίας ἀξίως τιμήσας ἐπηγγείλατο πολλὴν πρόνοιαν ποιήσασθαι τῆς ἐπ' οἶκον ἀνακομιδῆς. [6] οἱ δὲ συνελθόντες καὶ βουλευσάμενοι προέκριναν τὴν αὐτόθι μονὴν τῆς εἰς οἶκον ἀνακομιδῆς.

ἀνασθέντας μὲν γὰρ αὐτοὺς διασπαρήσεσθαι κατ' ὀλίγους καὶ περιόντας ἐν ταῖς πόλεσιν ἐπονείδιστον ἔξειν τὴν ἐκ τῆς τύχης ἐπήρειαν: μετ' ἀλλήλων δὲ βιοῦντας, τὴν ὁμοίαν συμφορὰν ἔχοντας, παραμύθιον ἔξειν τῆς ἰδίας ἀκληρίας τὴν τῶν ἄλλων τῆς ἀκληρίας ὁμοιότητα. [7] διὸ καὶ πάλιν ἐντυχόντες τῷ βασιλεῖ καὶ τὴν ἰδίαν κρίσιν δηλώσαντες ἐδέοντο πρὸς ταύτην τὴν ὑπόστασιν οἰκείαν παρέχεσθαι βοήθειαν. [8] ὁ δὲ Ἀλέξανδρος συγκαταθέμενος τοῖς δεδογμένοις τρισχιλίας μὲν ἐκάστω δραχμῆς ἐδωρήσατο καὶ στολὰς ἀνδρείας πέντε καὶ γυναικείας ἴσας, ζεύγη δὲ βοικὰ δύο καὶ πρόβατα πεντήκοντα καὶ πυρῶν μεδίμνους πεντήκοντα: ἐποίησεν δὲ καὶ ἀτελεῖς αὐτοὺς παντὸς βασιλικοῦ φόρου καὶ τοῖς ἐπιστάταις προσέταξε φροντίζειν ὅπως μὴδ' ὑφ' ἐνὸς ἀδικῶνται. [9] Ἀλέξανδρος μὲν οὖν ἀκολούθως τῇ κατ' αὐτὸν ἐπεικείᾳ τοιαύταις εὐεργεσίαις τὰς τῶν ἡτυχηκότων συμφορὰς διωρθώσατο. 70.

τὴν δὲ Περσέπολιν, μητρόπολιν οὖσαν τῆς Περσῶν βασιλείας, ἀπέδειξε τοῖς Μακεδόσι πολεμιοτάτην τῶν κατὰ τὴν Ἀσίαν πόλεων καὶ τοῖς στρατιώταις ἔδωκεν εἰς διαρπαγὴν χωρὶς τῶν βασιλείων. [2] πλουσιωτάτης δ' οὔσης τῶν ὑπὸ τὸν ἥλιον καὶ τῶν ιδιωτικῶν οἰκῶν πεπληρωμένων ἐκ πολλῶν χρόνων παντοίας εὐδαιμονίας οἱ Μακεδόνες ἐπήεσαν τοὺς μὲν ἄνδρας πάντας φονεύοντες, τὰς δὲ κτήσεις διαρπάζοντες, πολλὰς μὲν τοῖς πλήθεσιν ὑπαρχούσας, κατασκευῆς δὲ καὶ κόσμου παντοίου γεμούσας. [3] ἔνθα δὴ πολὺς μὲν ἄργυρος διεφορεῖτο, οὐκ ὀλίγος δὲ χρυσὸς διηρπάζετο, πολλὰ δὲ καὶ πολυτελεῖς ἐσθῆτες, αἱ μὲν θαλασσίαις πορφύραις, αἱ δὲ χρυσοῖς ἐνυφάσμασι πεποικιλμέναι, τοῖς κρατοῦσιν ἔπαθλα καθίσταντο. τὰ δὲ μεγάλα καὶ κατὰ πᾶσαν τὴν οἰκουμένην περιβόητα βασίλεια πρὸς ὕβριν καὶ παντελεῖ φθορὰν ἀπεδέδεικτο. [4] οἱ δὲ Μακεδόνες ἐνημερεύσαντες ταῖς ἀρπαγαῖς τὴν ἅπληστον τοῦ πλείονος ἐπιθυμίαν οὐκ ἐδύναντο πληρῶσαι. [5] τοσαύτη γὰρ ἦν τῆς πλεονεξίας ὑπερβολὴ κατὰ τὰς τούτων ἀρπαγὰς ὥστε καὶ πρὸς ἀλλήλους διαμάχεσθαι καὶ πολλοὺς ἀναιρεῖν τῶν τὰ πολλὰ τῆς ἀρπαγῆς ἐξιδιοποιουμένων: τινὲς δὲ τὰ πολυτελέστατα τῶν εὕρισκομένων τοῖς ξίφεσι διακόπτοντες τὰς ἰδίας ἀπεκόμιζον μερίδας, ἔνιοι δὲ τὰς τῶν ἐπιβαλλόντων τοῖς ἀμφισβητούμενοις χεῖρας ἀπέκοπτον, συνεκφερόμενοι τοῖς θυμοῖς: [6] τὰς δὲ γυναικας σὺν αὐτοῖς τοῖς κόσμοις πρὸς βίαν ἀπῆγον, τὴν αἰχμαλωσίαν δουλαγωγοῦντες: ἡ μὲν οὖν Περσέπολις ὅσῳ τῶν ἄλλων πόλεων ὑπερεῖχεν εὐδαιμονία, τοσοῦτον ὑπερεβάλετο τὰς ἄλλας τοῖς ἀτυχήμασιν. 71.

ὁ δὲ Ἀλέξανδρος παρελθὼν εἰς τὴν ἄκραν παρέλαβε τοὺς ἐν αὐτῇ θησαυρούς. οὗτοι δέ, ἀπὸ Κύρου τοῦ πρώτου Περσῶν βασιλεύσαντος μέχρι τῶν ὑποκειμένων καιρῶν ἡθροισμένων τῶν προσόδων, ἔγεμον ἀργυρίου τε καὶ χρυσοῦ: εὐρέθησαν γὰρ ἐν αὐτοῖς δώδεκα μυριάδες ταλάντων, εἰς ἀργυρίου λόγον αγομένου τοῦ χρυσοῦ. [2] βουλόμενος δὲ τῶν χρημάτων ἃ μὲν μεθ' ἑαυτοῦ κομίζειν πρὸς τὰς εἰς τὸν πόλεμον χρείας, ἃ δ' εἰς Σοῦσα καταθέσθαι καὶ φυλάττειν ἐν ταύτῃ τῇ πόλει μετεπέμψατο ἐκ Βαβυλῶνος καὶ Μεσοποταμίας, ἔτι δ' ἐκ Σούσων ἡμιόνων πλῆθος, τῶν μὲν ἀχθοφόρων, τῶν δὲ ζευγιτῶν, πρὸς δὲ τούτοις καμήλους ἀχθοφόρους τρισχιλίας καὶ διὰ τούτων πάντα ἀπεκόμισεν εἰς τοὺς προκριθέντας τόπους: [3] σφόδρα γὰρ ἀλλοτρίως ἔχων πρὸς τοὺς ἐγχωρίους ἡπίσται τε αὐτοῖς καὶ τὴν Περσέπολιν εἰς τέλος

ἔσπευδε καταφθεῖραι.

οὐκ ἀνοίκειον δ' εἶναι νομίζομεν περὶ τῶν ἐν ταύτῃ τῇ πόλει βασιλείων διὰ τὴν πολυτέλειαν τῆς κατασκευῆς βραχέα διελθεῖν. [4] οὗσης γὰρ ἄκρας ἀξιολόγου περιεῖληφεν αὐτὴν τριπλοῦν τεῖχος, οὗ τὸ μὲν πρῶτον ἀναλήμματι πολυδαπάνῳ κατεσκευάστο καὶ τὸ ὕψος εἶχε πηχῶν ἐκκαίδεκα ἐπάλξεσι κεκοσμημένον, [5] τὸ δὲ δευτέρον τὴν μὲν ἄλλην κατασκευὴν ὁμοίαν ἔχει τῷ προειρημένῳ, τὸ δ' ὕψος διπλάσιον. ὁ δὲ τρίτος περίβολος τῷ σχήματι μὲν ἐστὶ τετράπλευρος, τὸ δὲ τούτου τεῖχος ὕψος ἔχει πηχῶν ἐξήκοντα, λίθῳ σκληρῷ καὶ πρὸς διαμονὴν αἰωνίαν εὖ πεφυκότεν κατεσκευασμένον. [6] ἐκάστη δὲ τῶν πλευρῶν ἔχει πύλας χαλκᾶς καὶ παρ' αὐτάς σταυροὺς χαλκοῦς εἰκοσιπήχεις, οὓς μὲν πρὸς τὴν ἐκ τῆς θεᾶς κατάπληξιν, ἃς δὲ πρὸς ἀσφάλειαν ἡρμοσμένας. [7] ἐν δὲ τῷ πρὸς ἀνατολὰς μέρει τῆς ἄκρας τέτταρα πλείθρα διεσθηκὸς ὅρος ἐστὶν τὸ καλούμενον βασιλικόν, ἐν ᾧ τῶν βασιλέων ὑπῆρχον οἱ τάφοι. πέτρα γὰρ ἦν κατεξαμμένη καὶ κατὰ μέσον οἴκους ἔχουσα πλείονας, ἐν οἷς σηκοὶ τῶν τετελευτηκότων ὑπῆρχον, πρόσβασιν μὲν οὐδεμίαν ἔχοντες χειροποιήτων, ὑπὸ ὀργάνων δὲ τινῶν χειροποιήτων ἐξαιρομένων τῶν νεκρῶν δεχόμενοι τὰς ταφάς. [8] κατὰ δὲ τὴν ἄκραν ταύτην ἦσαν καταλύσεις βασιλικαὶ καὶ στρατηγικαὶ πλείους πολυτελεῖς ταῖς κατασκευαῖς καὶ θησαυροὶ πρὸς τὴν τῶν χρημάτων παραφυλακὴν εὐθέτως κατεσκευασμένοι. 72.

ὁ δ' Ἀλέξανδρος ἐπινίκια τῶν κατορθωμάτων ἐπιτελῶν θυσίας τε μεγαλοπρεπεῖς τοῖς θεοῖς συνετέλεσεν καὶ τῶν φίλων λαμπρὰς ἐστιάσεις ἐποιήσατο. καὶ δὴ ποτε τῶν ἐταίρων εὐωχουμένων καὶ τοῦ μὲν πότου προβαίνοντος, τῆς δὲ μέθης προϊούσης κατέσχε λύσσα ἐπὶ πολὺ τὰς ψυχὰς τῶν οἰνωμένων. [2] ὅτε δὴ καὶ μία τῶν παρουσῶν γυναικῶν, ὄνομα μὲν Θαῖς, Ἀττικὴ δὲ τὸ γένος, εἶπεν κάλλιστον Ἀλεξάνδρῳ τῶν κατὰ τὴν Ἀσίαν πεπραγμένων ἔσσεσθαι, ἐὰν κωμάσας μετ' αὐτῶν ἐμπρήσῃ τὰ βασιλεία καὶ τὰ Περσῶν περιβόητα γυναικῶν χεῖρες ἐν βραχεῖ καιρῷ ποιήσωσιν ἄφαντα. [3] τούτων δὲ ῥηθέντων εἰς ἄνδρας νέους καὶ διὰ τὴν μέθην ἀλόγως μετεωριζομένους, ὥς εἰκός, ἄγειν τις ἀνεβόησε καὶ δᾶδας ἄπτειν καὶ τὴν εἰς τὰ τῶν Ἑλλήνων ἱερὰ παρανομίαν ἀμύνασθαι παρεκελεύετο. [4] συνεπευφημούντων δὲ καὶ ἄλλων καὶ λεγόντων μόνῳ τὴν πρᾶξιν ταύτην προσήκειν Ἀλεξάνδρῳ καὶ τοῦ βασιλέως συνεξαρθέντος τοῖς λόγοις πάντες ἀνεπήδησαν ἐκ τοῦ πότου καὶ τὸν ἐπινίκιον κῶμον ἄγειν Διονύσῳ παρήγγειλαν. [5] ταχὺ δὲ πλήθους λαμπάδων ἄθροισθέντος καὶ γυναικῶν μουσουργῶν εἰς τὸν πότον παρειλημμένων μετ' ὧδης καὶ αὐλῶν καὶ συρίγγων προῆγεν ὁ βασιλεὺς ἐπὶ τὸν κῶμον, καθηγουμένης τῆς πράξεως Θαῖδος τῆς ἐταίρας. [6] αὕτη δὲ μετὰ τὸν βασιλέα πρώτη τὴν δᾶδα καιομένην ἠκόντισεν εἰς τὰ βασιλεία: καὶ τῶν ἄλλων ταῦτα πραξάντων ταχὺ πᾶς ὁ περὶ τὰ βασιλεία τόπος κατεφλέχθη διὰ τὸ μέγεθος τῆς φλογὸς καὶ τὸ πάντων παραδοξότατον, τὸ Ξέρξου τοῦ Περσῶν βασιλέως γενόμενον ἀσέβημα περὶ τὴν ἀκρόπολιν τῶν Ἀθηναίων μία γυνὴ πολίτις τῶν ἀδικηθέντων ἐν παιδίᾳ πολλοῖς ὕστερον ἔτεσι μετῆλθε τοῖς αὐτοῖς πάθεσιν. 73.

Ἀλέξανδρος δὲ ἀπὸ τούτων γενόμενος τὰς κατὰ τὴν Περσίδα πόλεις ἐπῆλθεν καὶ τὰς μὲν βίᾳ χειρωσάμενος, τὰς δὲ διὰ τὴν ἰδίαν ἐπιείκειαν

προσαγόμενος ἀνέξευξεν ἐπὶ τὸν Δαρεῖον. [2] οὗτος δ' ἐπεβάλετο μὲν ἀθροίζειν τὰς ἐκ τῆς Βακτριανῆς καὶ τῶν ἄλλων σατραπειῶν δυνάμεις, καταταχοῦμενος δὲ καὶ μετὰ τρισμυρίων Περσῶν τε καὶ μισθοφόρων Ἑλλήνων τὴν φυγὴν εἰς Βάκτρα ποιούμενος ὑπὸ Βήσσου τοῦ Βάκτρων σατράπου κατὰ τὴν ἀναχώρησιν συλληφθεὶς ἐδόλοφονήθη. [3] ἄρτι δ' αὐτοῦ τετελευτηκότος Ἀλέξανδρος μετὰ τῶν ἱππέων ἐπιδιώκων καὶ τὸν Δαρεῖον τετελευτηκότα καταλαβὼν τῆς βασιλικῆς ταφῆς ἠξίωσεν. [4] ὥς δ' ἔνιοι γεγράφασιν, ἔμπουν ἔτι καταλαβὼν τοῖς μὲν ἀτυχήμασιν αὐτοῦ συνήλγησε, παρακληθεὶς δὲ ὑπὸ τοῦ Δαρείου μετελθεῖν τὸν φόνον καὶ καθομολογήσας ἐδίωξε τὸν Βῆσσον. ἐκείνου δὲ πολὺ προειληφότος καὶ συμφυγόντος εἰς τὴν Βακτριανὴν ἐπανῆλθεν ἀπογνοὺς τὸν τῶν πολεμίων διωγμόν. καὶ τὰ μὲν κατὰ τὴν Ἀσίαν ἐν τούτοις ἦν. [5]

κατὰ δὲ τὴν Εὐρώπῃν Λακεδαιμόνιοι μὲν ἐπταικότες μεγάλην παρατάξει διὰ τὴν συμφορὰν ἠναγκάσθησαν διαπρεσβεύεσθαι πρὸς Ἀντίπατρον· ἐκείνου δὲ ἐπὶ τὸ κοινὸν τῶν Ἑλλήνων συνέδριον τὴν ἀπόκρισιν ἀποστείλαντος οἱ μὲν σύεδροι συνήχθησαν εἰς Κόρινθον καὶ πολλῶν ῥηθέντων λόγων πρὸς ἑκάτερον μέρος ἔδοξεν αὐτοῖς ἀκέραιον τὴν κρίσιν ἐπὶ τὸν Ἀλέξανδρον ἀναπέμψαι. [6] ὁ μὲν οὖν Ἀντίπατρος ὁμήρους ἔλαβε τοὺς ἐπιφανεστάτους τῶν Σπαρτιατῶν πεντήκοντα, οἱ δὲ Λακεδαιμόνιοι πρέσβεις ἐξέπεμψαν εἰς τὴν Ἀσίαν, ἀξιοῦντες αὐτοῖς δοῦναι συγγνώμην ἐπὶ τοῖς ἡγνοημένοις. 74.

τοῦ δ' ἔτους τούτου διεληλυθότος Ἀθήνησι μὲν ἦρχε Κηφισοφῶν, ἐν Ῥώμῃ δὲ κατεστάθησαν ὕπατοι Γάιος Οὐαλλέριος καὶ Μάρκος Κλώδιος. ἐπὶ δὲ τούτων Βῆσσος μὲν μετὰ τὴν Δαρείου τελευτὴν μετὰ Ναβάρνου καὶ Βαρζάεντος καὶ πολλῶν ἄλλων διαφυγῶν τὰς Ἀλεξάνδρου χεῖρας διήνυσεν μὲν εἰς τὴν Βακτριανὴν, ἀποδεδειγμένος δὲ ταύτης σατράπης ὑπὸ Δαρείου καὶ τοῖς πλήθεσι γεγινώς γνώριμος διὰ τὴν ἀρχὴν παρεκάλει τὰ πλήθη τῆς ἐλευθερίας ἀντέχεσθαι· [2] ἀπεδείκνυε δὲ τὴν χώραν αὐτοῖς πολλὰ συνεργήσιν οὔσαν δυσεῖσβολον καὶ πλῆθος ἱκανὸν ἔχουσαν ἀνδρῶν εἰς κατάκτησιν τῆς αὐτονομίας. ἐπαγγελλόμενος δὲ καθηγήσασθαι τοῦ πολέμου καὶ τὸ πλῆθος πείσας ἀνέδειξεν ἑαυτὸν βασιλέα. οὗτος μὲν οὖν στρατιώτας τε κατέγραφε καὶ πλῆθος ὅπλων κατεσκεύαζε καὶ ἄλλα φιλοτίμως πρὸς τὴν κατεπείγουσαν χρεῖαν παρεσκευάζετο· [3] Ἀλέξανδρος δὲ ὁρῶν τοὺς Μακεδόνας τέλος τῆς στρατείας τὴν Δαρείου τελευτὴν τάττοντας καὶ μετεώρους ὄντας πρὸς τὴν εἰς τὴν πατρίδα ἐπάνοδον τούτους μὲν ἀθροίσας εἰς ἐκκλησίαν καὶ λόγοις οἰκείοις παρορμήσας εὐπειθεῖς πρὸς τὴν ὑπολειπομένην στρατείαν παρεσκεύασεν, τοὺς δ' ἀπὸ τῶν Ἑλληνίδων πόλεων συμμαχήσαντας συναγαγὼν καὶ περὶ τῶν πεπραγμένων ἐπαινέσας ἀπέλυσεν μὲν τῆς στρατείας, ἐδωρήσατο δὲ τῶν μὲν ἱππέων ἐκάστῳ τάλαντον, τῶν δὲ πεζῶν μνᾶς δέκα, χωρὶς δὲ τούτων τοὺς τε ὀφειλομένους μισθοὺς ἀπέλυσεν καὶ τοὺς κατὰ τὴν ἀνακομιδὴν μέχρι τῆς εἰς τὰς πατρίδας καθόδου προσέθηκεν· [4] τῶν δ' ἐλομένων μένειν ἐν τῇ στρατιᾷ τῇ μετὰ τοῦ βασιλέως ἔδωκεν ἐκάστῳ τρία τάλαντα. μεγάλας δὲ δωρεαῖς ἐτίμησε τοὺς στρατιώτας ἅμα μὲν φύσει μεγαλόψυχος ὢν, ἅμα δὲ τῇ διώξει τοῦ Δαρείου πολλῶν χρημάτων κεκυριευκώς· [5] παρὰ μὲν γὰρ τῶν γαζοφυλακούντων παρέλαβεν

ὀκτακισχιλίων ταλάντων ἀριθμόν, χωρὶς δὲ τούτων τὰ νεμηθέντα τοῖς στρατιώταις σὺν τῷ κόσμῳ καὶ τοῖς ἐκπώμασιν ὑπῆρχε μύρια καὶ τρισχίλια τάλαντα, τὰ δὲ διακλαπέντα καὶ ἀρπαχθέντα πλείω τῶν εἰρημένων ὑπενόεϊτο. 75.

ὁ δὲ Ἀλέξανδρος ἀναζεύξας ἐπὶ τὴν Ὑρκανίαν τριταῖος κατεστρατοπέδευσε πλησίον πόλεως τῆς ὀνομαζομένης Ἑκατονταπύλου. εὐδαίμονος δ' αὐτῆς οὐσῆς καὶ πάντων τῶν πρὸς ἀπόλαυσιν ἀνηκόντων πολλῆς ἀφθονίας ὑπαρχούσης ἐνταῦθα τὴν δύναμιν ἀνέλαβεν ἐπὶ τινὰς ἡμέρας. [2] διελθὼν δὲ σταδίους ἑκατὸν καὶ πεντήκοντα κατεστρατοπέδευσε πλησίον πέτρας μεγάλης· ὑπὸ δὲ τὴν ρίζαν αὐτῆς ἄντρον ὑπῆρχε θεοπρεπές, ἐξ οὗ μέγας ποταμὸς ἐξέπιπτεν ὁ καλούμενος Στιβοίτης. οὗτος δὲ λάβρῳ τῷ ῥεύματι φερόμενος ἐπὶ τρεῖς σταδίους σχίζεται διπλοῦς περὶ τινὰ πέτραν μαστοειδῆ, ἔχουσαν ὑφ' αὐτὴν χάσμα γῆς παμμέγεθες· εἰς δὲ τοῦτο καταράτταν μετὰ πολλοῦ ψόφου καὶ γινόμενος ἀφρώδης διὰ τῆς πρὸς τὴν πέτραν πληγῆς φέρεται ὑπὸ γῆν σταδίους τριακοσίου, ἔπειτα πάλιν ἀνοίγει τὰς ἐκβολάς. [3] ὁ δ' Ἀλέξανδρος μετὰ τῆς δυνάμεως ἐμβαλὼν εἰς τὴν τῶν Ὑρκανῶν χώραν πάσας τὰς ἐν αὐτῇ πόλεις ἐχειρώσατο μέχρι τῆς Κασπίας καλουμένης θαλάττης, ἣν Ὑρκανίαν τινὲς ὀνομάζουσιν. ἐν ταύτῃ δὲ φασὶ πολλοὺς μὲν καὶ μεγάλους ὄφεις γεννᾶσθαι, ἰχθὺς δὲ παντοδαποὺς πολὺ τῇ χροῖᾳ τῶν παρ' ἡμῖν διαλλάττοντας. [4] διεξίων δὲ τὴν Ὑρκανίαν κατήντησε πρὸς τὰς καλουμένας Εὐδαίμονας καὶ πρὸς ἀλήθειαν οὐσας κόμας· πολὺ γὰρ τοῖς καρποῖς ἡ χώρα τούτων ὑπεράγει τῶν παρὰ τοῖς ἄλλοις. [5] τῶν μὲν γὰρ ἀμπέλων φασὶν ἐκάστην μετρητὴν φέρειν οἴνου, τῶν δὲ συκίνων δένδρων ἓνα καρποφορεῖν ἰσχάδων ξηρῶν μεδίμνους δέκα. τὸν δ' ἐν τῷ θερισμῷ παραλειφθέντα σῖτον ἐπὶ τὴν γῆν πεσόντα βλαστάνειν ἄσπορον ὄντα καὶ πρὸς τὸ τέλος ἄγειν δαφυλῇ καρπόν. [6] ἔστι δὲ καὶ δένδρον παρὰ τοῖς ἐγχωρίοις παραπλήσιον δρυὶ κατὰ τὴν ἐπιφάνειαν, ἀπὸ δὲ τῶν φύλλων ἀπολεῖβον μέλι· καὶ τοῦτό τινες συνάγοντες δαφυλῇ τὴν ἀπόλαυσιν αὐτοῦ ποιοῦνται. [7] ἔστι δὲ καὶ ζῶον κατὰ τὴν χώραν ἐπτερωμένον, ὃ καλεῖται μὲν ἀνθρηδών, λειπόμενον δὲ μεγέθει μελίττης μεγίστην ἔχει τὴν ὠφέλειαν· ἐπινεμόμενον γὰρ τὴν ὀρεινὴν ἄνθη παντοῖα δρέπεται καὶ ταῖς κοιλάσι πέτραις καὶ τοῖς κεραυνοβόλοις τῶν δένδρων ἐνδιατρίβον κηροπλαστεῖ καὶ κατασκευάζει χύμα διάφορον τῇ γλυκύτητι, τοῦ παρ' ἡμῖν μέλιτος οὐ πολὺ λειπόμενον. 76.

Ἀλέξανδρος δὲ τὴν Ὑρκανίαν καὶ τὰ συνορίζοντα τῶν ἐθνῶν ταύτῃ τῇ χώρᾳ προσηγάγετο· καὶ πολλοὶ τῶν συμπεφευγόντων ἡγεμόνων τῷ Δαρεῖῳ παρέδωκαν αὐτούς· οἷς ἐπεικῶς προσενεχθεὶς μεγάλην δόξαν ἐπεικειάς ἀπηνέγκατο· [2] εὐθὺ γὰρ οἱ Δαρεῖῳ συνεστρατευμένοι τῶν Ἑλλήνων ὄντες περὶ χιλίους καὶ πεντακοσίους ἀνδρεία τε διαφέροντες, παρέδοσαν ἑαυτοὺς Ἀλεξάνδρῳ καὶ συγγνώμης ἀξιωθέντες κατετάχθησαν εἰς τὰς τάξεις ἐπὶ ταῖς αὐταῖς μισθοφοραῖς. [3] ὁ δ' Ἀλέξανδρος ἐπελθὼν τὴν παραθαλάσσιον τῆς Ὑρκανίας ἐνέβαλεν εἰς τὴν χώραν τῶν ὀνομαζομένων Μάρδων. οὗτοι γὰρ ἀλκῇ διαφέροντες ὑπερεφρόνησαν τὴν αὔξησιν τοῦ βασιλέως καὶ οὐδεμιᾶς ἐντεύξεως ἢ τιμῆς ἠξίωσαν αὐτόν, [4] προκαταλαβόμενοι δὲ τὰς εἰσβολὰς στρατιώταις ὀκτακισχιλίοις τεθαρρηκότως τὴν τῶν Μακεδόνων ἔφοδον

υπέμενον. ὁ δὲ βασιλεὺς ἐπιπεσὼν αὐτοῖς καὶ συνάψας μάχην τοὺς πλείους μὲν κατέκοψε, τοὺς δὲ λοιποὺς εἰς τὰς δυσχωρίας κατεδίωξε. [5] πυρπολοῦντος δ' αὐτοῦ τὴν χώραν καὶ τῶν τοὺς βασιλικοὺς ἵππους ἀγόντων παίδων βραχὺ τοῦ βασιλέως χωρισθέντων ἐπιβαλόντες τινὲς τῶν βαρβάρων ἀφήρπασαν Βουκεφάλαν τὸν ἄριστον τῶν ἵππων. [6] οὗτος δ' ἐδόθη δῶρον μὲν ὑπὸ Δημαράτου τοῦ Κορινθίου, συνηγώνιστο δὲ τῷ βασιλεῖ πάντας τοὺς κατὰ τὴν Ἀσίαν ἀγῶνας. γυμνὸς δ' ὢν ἔτι τὸν παλοδομαστὴν μόνον προσεδέχετο, τυχὼν δὲ τῆς βασιλικῆς σκευῆς οὐδὲ τοῦτον ἔτι προσίετο, μόνῳ δὲ Ἀλεξάνδρῳ παρίστατο καὶ συγκαθίει τὸ σῶμα πρὸς τὴν ἀνάβασιν. [7] ὁ δὲ βασιλεὺς διὰ τὴν ἀρετὴν τοῦ ζῶου δυσφορήσας τὴν μὲν χώραν δενδροτομεῖν προσέταξε, διὰ δὲ τῶν ὁμοφώνων τοῖς ἐγχωρίοις κηρύττειν ὥς ἂν μὴ τὸν ἵππον ἀποδῶσι, τὴν τε χώραν εἰς τέλος ὄψονται κατεφθαρμένην τοὺς τ' ἐνοικοῦντας πανδημεῖ κατεσφαγμένους. [8] τῶν δ' ἀπειλῶν ὀξέως ἐπιτελουμένων καταπλαγέντες οἱ βάρβαροι τὸν ἵππον ἀποκατέστησαν καὶ μετ' αὐτοῦ πολυτελέστατα δῶρα προσεκόμισαν, πρὸς δὲ τούτοις καὶ πεντήκοντ' ἄνδρας ἀπέστειλαν, δεόμενοι τυχεῖν συγγνώμης. ὁ δ' Ἀλέξανδρος τοὺς μὲν ἀξιολογωτάτους τῶν ἀνδρῶν ἔλαβεν ὁμήρους. 77.

ἐπανελθόντος δ' αὐτοῦ πάλιν εἰς τὴν Ὑρκανίαν ἦκεν πρὸς αὐτὸν ἡ βασίλισσα τῶν Ἀμαζόνων, ὄνομα μὲν Θάλληστρις, βασιλεύουσα δὲ τῆς μεταξὺ τοῦ Φάσιδος καὶ Θερμώδοντος χώρας. ἦν δὲ τῷ τε κάλλει καὶ τῇ τοῦ σώματος ρώμῃ διαφέρουσα καὶ παρὰ τοῖς ὁμοεθνεσὶ θαυμαζομένη κατ' ἀνδρείαν, καὶ τὸ μὲν πλῆθος τῆς στρατιᾶς ἐπὶ τῶν ὄρων τῆς Ὑρκανίας ἀπολελοιπιῦα, μετὰ δὲ τριακοσίων Ἀμαζονίδων κεκοσμημένων πολεμικοῖς ὅπλοις παραγενομένη. [2] τοῦ δὲ βασιλέως θαυμάζοντος τό τε παράδοξον τῆς παρουσίας καὶ τὸ ἀξίωμα τῶν γυναικῶν καὶ τὴν Θάλληστριν ἐρομένου τίνα χρεῖαν ἔχουσα πάρεστιν, ἀπεφαίνετο παιδοποιίας ἕνεκεν ἥκειν. [3] ἐκείνον μὲν γὰρ τῶν ἀπάντων ἀνδρῶν διὰ τὰς πράξεις ἄριστον ὑπάρχειν, αὐτὴν δὲ τῶν γυναικῶν ἀλκῇ τε καὶ ἀνδρείᾳ διαφέρειν· εἰκὸς οὖν τὸ γεννηθὲν ἐκ δυεῖν γονέων πρωτευόντων ὑπερέξειν ἀρετῇ τῶν ἄλλων ἀνθρώπων. καὶ πέρας ἡσθεῖς ὁ βασιλεὺς καὶ προσδεξάμενος τὴν ἔντευξιν αὐτῆς καὶ συμπεριενεχθεῖς ἡμέρας τρεῖς καὶ ἑκατὸν τιμήσας τε ἀξιολόγοις δώροις ἐξαπέστειλεν εἰς τὴν οἰκίαν. [4]

μετὰ δὲ ταῦτα δόξας ἤδη κεκρατηκέναι τῆς ἐπιβολῆς καὶ τὴν βασιλείαν ἀδύρητον ἔχειν ἠρξάτο ζηλοῦν τὴν Περσικὴν τρυφὴν καὶ τὴν πολυτέλειαν τῶν Ἀσιανῶν βασιλέων. καὶ πρῶτον μὲν περὶ τὴν αὐλὴν εἶχε ῥαβδούχους Ἀσιαγενεῖς, ἔπειτα τοὺς ἐπιφανεστάτους τῶν Ἀσιανῶν ἀνδρῶν δορυφορεῖν ἔταξεν, ἐν οἷς ἦν καὶ ὁ Δαρεῖου ἀδελφὸς Ὁξάρης. [5] εἴτα τό τε Περσικὸν διάδημα περιέθετο καὶ τὸν διάλευκον ἐνεδύσατο χιτῶνα καὶ τὴν Περσικὴν ζώνην καὶ τᾶλλα πλὴν τῶν ἀναξυρίδων καὶ τοῦ κἀνδύου. διέδωκε δὲ καὶ τοῖς ἐταίροις περιπορφύρους στολὰς καὶ τοῖς ἵπποις Περσικὰς σκευὰς περιέθηκε. [6] πρὸς δὲ τούτοις τὰς παλλακίδας ὁμοίως τῷ Δαρεῖῳ περιήγετο, τὸν μὲν ἀριθμὸν οὖσας οὐκ ἐλάττους πλῆθει τῶν κατὰ τὸν ἐνιαυτὸν ἡμερῶν, κάλλει δὲ διαπρεπεῖς ὥς ἂν ἐξ ἀπασῶν τῶν κατὰ τὴν Ἀσίαν γυναικῶν ἐπιλεγέμενας. [7] αὗται δὲ ἐκάστης νυκτὸς περιήεσαν τὴν κλίνην τοῦ βασιλέως, ἵνα τὴν

ἐκλογὴν αὐτὸς ποιήσεται τῆς μελλούσης αὐτῷ συνεῖναι. τούτοις μὲν οὖν τοῖς ἔθισμοις Ἀλέξανδρος σπανίως ἐχρήτο, τοῖς δὲ προϋπάρχουσι κατὰ τὸ πλεῖστον ἐνδιέτριβε, φοβούμενος τὸ προσκώπτειν τοῖς Μακεδόσιν. 78. ὅμως δὲ πολλῶν αὐτῷ μεψιμοιρούντων τούτους μὲν ταῖς δωρεαῖς ἐθεράπευεν, αὐτὸς δὲ πυθόμενος τὸν Ἀρείας σατράπην Σατιβαρζάνην ἀνῆρηκέναι μὲν τοὺς καταλελειμμένους ὑπ' αὐτοῦ στρατιώτας, συμφρονεῖν δὲ Βῆσφ καὶ κεκρικέναι μετ' αὐτοῦ διαπολεμεῖν Μακεδόσιν ἐστράτευσεν ἐπ' αὐτόν. ὁ δὲ Σατιβαρζάνης τὴν μὲν δύναμιν ἤθροισεν εἰς Χορτάκανα, πόλιν ἐπιφανεστάτην τῶν ἐν τούτοις τοῖς τόποις καὶ φυσικῇ διαφέρουσαν ὀχυρότητι, [2] τοῦ δὲ βασιλέως ἐγγίσαντος κατεπλάγη τό τε μέγεθος τῆς δυνάμεως καὶ τὰς διαβεβοημένας τῶν Μακεδόνων ἀνδραγαθίας. διόπερ αὐτὸς μὲν μετὰ δισχιλίων ἰππέων ἐξίππευσε πρὸς Βῆσσον, παρακαλέσων βοηθεῖν κατὰ τάχος, τοῖς δ' ἄλλοις παρήγγειλε καταφυγεῖν εἰς ὄρος καλούμενον, ἔχον πολλὰς δυσχωρίας καὶ καταφυγὰς εὐθέτους τοῖς μὴ τολμῶσι κατὰ στόμα διακινδυνεύειν. [3] ὧν πραξάντων τὸ παραγγελθὲν ὁ βασιλεὺς τῇ συνήθει φιλοτιμίᾳ χρησάμενος καὶ τοὺς καταφυγόντας εἰς τινα πέτραν ὀχυρὰν καὶ μεγάλην πολιορκήσας ἐνεργῶς ἠνάγκασεν ἑαυτοὺς παραδοῦναι. [4] μετὰ δὲ ταῦτα πάσας τὰς κατὰ τὴν σατραπείαν ταύτην πόλεις ἐν τριάκονθ' ἡμέραις κατακτησάμενος προῆγεν ἐκ τῆς Ὑρκανίας καὶ διανύσας εἰς τὰ βασίλεια τῆς Δραγγίνης ἐνταῦθα διέτριβε καὶ τὴν δύναμιν ἀνελάμβανε. 79.

κατὰ δὲ τούτους τοὺς καιροὺς περιέπεσε πράξει μοχθηρᾷ καὶ τῆς ἰδίας χρηστότητος ἄλλοτρία. τῶν γὰρ φίλων τις τοῦ βασιλέως ὄνομα Δίμνος, μεψιμοιρήσας τῷ βασιλεῖ περὶ τινων καὶ τῷ θυμῷ προπεσών, ἐπιβουλὴν συνεστήσατο κατ' αὐτοῦ. [2] ἔχων δ' ἐρώμενον Νικόμαχον τοῦτον ἔπεισε κοινωνῆσαι τῆς ἐπιβουλῆς. οὗτος δὲ νέος ὢν παντελῶς ἀνεκοινώσατο τὴν πρᾶξιν τῷ ἀδελφῷ Κεβαλίῳ. ὁ δὲ φοβηθεὶς μὴ φθάσῃ τις τῶν συνειδόντων καὶ δηλώσῃ τὴν ἐπιβουλὴν τῷ βασιλεῖ, αὐτὸς ἔκρινε μηνῦσαι. [3] παρελθὼν οὖν ἐπὶ τὴν αὐτὴν καὶ συντυχὼν Φιλῶτα καὶ διαλεχθεὶς παρεκελεύετο τὴν ταχίστην ἀπαγγεῖλαι τῷ βασιλεῖ τὴν πρᾶξιν. ὁ δὲ Φιλώτας εἶτε καὶ διὰ τὸ κοινωνεῖν τῆς ἐπιβουλῆς εἶτε καὶ διὰ ῥαθυμίαν τὸν ῥηθέντα λόγον ἀργῶς ἐδέξατο καὶ παρελθὼν πρὸς τὸν Ἀλέξανδρον καὶ πολλῆς καὶ παντοδαπῆς κοινολογίας μετασχὼν οὐδὲν τῶν ὑπὸ Κεβαλίνου ῥηθέντων ἀπήγγειλεν. [4] ἐξελθὼν δὲ πρὸς τὸν Κεβαλῖνον εἶπεν ὅτι καιρὸν ἐπιτήδειον οὐκ ἔσχε διασαφῆσαι, ἐπηγγέλλετο δὲ τῇ ὑστεραίᾳ συντεύξεσθαι μόνῳ τῷ βασιλεῖ καὶ πάντα δηλώσειν τὰ ῥηθέντα. τὸ δὲ αὐτὸ πράξαντος τοῦ Φιλώτου καὶ τῇ ὑστεραίᾳ ὁ Κεβαλῖνος, εὐλαβηθεὶς μὴ δι' ἐτέρου μηνύσεως γενομένης αὐτὸς κινδυνεύσῃ, τὸν μὲν Φιλῶταν παρέπεμψε, τῶν τὲ βασιλικῶν τινι παίδων προσελθὼν καὶ τὰ κατὰ μέρος ἀπαγγείλας ἠξίωσε τὴν ταχίστην ἀπαγγεῖλαι τῷ βασιλεῖ. [5] ὁ δὲ τὸν μὲν Κεβαλῖνον εἰς τὴν ὀπλοθήκην εἰσαγαγὼν ἀπέκρυσεν, αὐτὸς δὲ τῷ βασιλεῖ μεταξὺ λουομένῳ προσελθὼν ἀπήγγειλε τὰ ῥηθέντα καὶ διότι τὸν Κεβαλῖνον παρ' ἑαυτῷ φυλάττει. ὁ δὲ βασιλεὺς καταπλαγεὶς εὐθύς τὸν τε Δίμνον συνέλαβε καὶ μαθὼν ἅπαντα μετεπέμψατο τὸν τε Κεβαλῖνον καὶ τὸν Φιλῶταν. [6] ἀνακρινομένων δ' ἀπάντων καὶ τῆς πράξεως ἐξεταζομένης ὁ μὲν Δίμνος ἑαυτὸν κατέσφαξε, τοῦ δὲ Φιλώτου ῥαθυμίαν μὲν

ἑαυτοῦ προσομολογήσαντος, τὴν δ' ἐπιβουλὴν ἀπαρνούμενου τὴν κρίσιν ὑπὲρ τούτου τοῖς Μακεδόσιν ἐπέτρεπεν. 80. πολλῶν δὲ ῥηθέντων λόγων οἱ Μακεδόνες κατέγνωσαν τοῦ Φιλώτου καὶ τῶν συγκατατιθεμένων θάνατον: ἐν οἷς ὑπῆρχε Παρμενίων ὁ πρῶτος εἶναι δοκῶν τῶν Ἀλεξάνδρου φίλων, τότε δὲ οὐ παρών, ἀλλὰ δόξας διὰ τοῦ ἰδίου υἱοῦ Φιλώτου πεποιεῖσθαι τὴν ἐπιβουλὴν. [2] ὁ μὲν οὖν Φιλώτας, βασανισθεὶς πρότερον καὶ ὁμολογήσας τὴν ἐπιβουλὴν, κατὰ τὸ τῶν Μακεδόνων ἔθος μετὰ τῶν συγκαταγνωσθέντων ἐθανατώθη. ὁμοίως δὲ τούτῳ καὶ ὁ Λυγκιστὴς Ἀλέξανδρος, αἰτίαν ἔχων ἐπιβεβουλευκέναι τῷ βασιλεῖ, τριετὴ μὲν χρόνον ἐν φυλακῇ τηρούμενος διετέλεσε, διὰ τὴν πρὸς Ἀντίγονον οἰκειότητα τετευχῶς ἀναβολῆς, τότε δ' εἰς τὴν τῶν Μακεδόνων κρίσιν παραχθεὶς καὶ κατὰ τὴν ἀπολογίαν ἀπορηθεὶς λόγων ἐθανατώθη. [3] ὁ δ' Ἀλέξανδρος ἐκέμψας τινὰς ἐπὶ δρομάδων καμήλων καὶ φθάσας τὴν φῆμιν τῆς περὶ τὸν Φιλώταν τιμωρίας τὸν πατέρα τοῦ Φιλώτου Παρμενίωνα ἐδολοφόνησε, τεταγμένον μὲν τῆς Μηδείας ἄρχοντα, πεπιστευμένον δὲ τοὺς βασιλικοὺς θησαυροὺς ἐν Ἐκβατάνοις, ἔχοντας ταλάντων ὀκτωκαίδεκα μυριάδας. [4] ὁ δ' Ἀλέξανδρος ἐπιλεξάμενος ἐκ τῶν Μακεδόνων τοὺς ἀλλοτρίας κατ' αὐτοῦ προἰεμένους φωνὰς καὶ τοὺς ἡγανακτικότητας ἐπὶ τῷ τοῦ Παρμενίωνος θανάτῳ, πρὸς δὲ τούτοις τοὺς ἐν ταῖς ἀποσταλείσας εἰς Μακεδονίαν ἐπιστολαῖς ἀλλότριόν τι γεγραφότας τοῖς οἰκείοις περὶ τῶν τῷ βασιλεῖ συμφερόντων εἰς ἐν κατέλεξε σύστημα καὶ προσηγόρευσεν ἀτάκτων τάγμα, ὅπως μὴ διὰ τὰς τούτων ἀκαίρους φωνὰς καὶ παρρησίας τὸ λοιπὸν πλῆθος τῶν Μακεδόνων συνδιαφείρηται. 81.

ἀπὸ δὲ τούτων γενόμενος καὶ τὰ κατὰ τὴν Δραγγινὴν καταστήσας ἀνέζευξε μετὰ τῆς δυνάμεως ἐπὶ τοὺς πρότερον μὲν Ἀριμασπούς, νῦν δ' Εὐεργέτας ὀνομαζομένους διὰ τοιαύτας τινὰς αἰτίας. Κῦρος ὁ τὴν Μῆδων ἀρχὴν μεταστήσας εἰς Πέρσας ἐν τινὶ στρατείᾳ περιληφθεὶς ἐν ἐρήμῳ χώρᾳ καὶ πάσῃ σπάνει τῶν ἀναγκαίων ἦλθε μὲν ἐπὶ τοὺς ἐσχάτους κινδύνους, διὰ τὴν ἔνδειαν τῆς τροφῆς ἀναγκαζομένων τῶν στρατιωτῶν ἀλλήλους σαρκοφαγεῖν, τῶν δ' Ἀριμασπῶν τρισμυρίας ἀμάξας σίτου γεμούσας παρακομισάντων σωθεὶς παραδόξως ἀτελείαις τε καὶ ἄλλαις δωρεαῖς ἐτίμησε τὸ ἔθνος καὶ τὴν προϋπάρχουσαν προσηγορίαν ἀφελόμενος προσηγόρευσεν Εὐεργέτας. [2] τότε δὲ Ἀλέξανδρος εἰς τὴν τούτων χώραν στρατεύσας καὶ τῶν ἐγχωρίων φιλοφρόνως αὐτὸν προσδεξαμένων ἐτίμησε τὸ ἔθνος ταῖς ἀρμοζύουσαις δωρεαῖς. τὸ δ' αὐτὸ καὶ τῶν ὁμόρων τῶν ὀνομαζομένων Κεδρωσίων ποιησάντων καὶ τούτους ταῖς πρεπούσαις χάρισιν ἡμίψατο. ἀμφοτέρων δὲ τῶν εἰρημένων ἐθνῶν τὴν στρατηγίαν Τιριδάτῃ παρέδωκεν. [3] περὶ ταῦτα δὲ αὐτοῦ διατρίβοντος ἡκόν τινες ἀπαγγέλλοντες ὅτι Σατιβαρζάνης ἐκ τῆς Βακτριανῆς μετὰ δυνάμεως πολλῆς ἱπικῆς παραγενόμενος εἰς τὸ τῶν Ἀρίων ἔθνος ἀπέστησε τοὺς ἐγχωρίους ἀπ' Ἀλεξάνδρου. ὁ δὲ βασιλεὺς ἀκούσας τὸ γεγονὸς ἀπέστειλεν ἐπ' αὐτὸν μέρος τῆς δυνάμεως, στρατηγοὺς ἐπιστήσας Ἐριγυῖον καὶ Στασάνορα, αὐτὸς δὲ τὴν Ἀραχωσίαν καταστρεφάμενος ὀλίγαις ἡμέραις ὑπήκοον ἐποίησεν. 82.

τοῦ δ' ἐνιαυσίου χρόνου διεληλυθότος Ἀθήνησι μὲν ἦρχεν Εὐθύκριτος, ἐν Ῥώμῃ δὲ τὴν ὑπατικὴν ἀρχὴν διεδέξαντο Λεύκιος Πλάτιος καὶ Λεύκιος

Παπίριος, Ὀλυμπιάς δ' ἤχθη τρίτη πρὸς ταῖς ἑκατὸν δέκα, καθ' ἣν ἐνίκα στάδιον Κλείων Μακεδών. ἐπὶ δὲ τούτων Ἀλέξανδρος ἐστράτευσεν ἐπὶ τοὺς ὀνομαζομένους Παροπανισάδας. [2] ἡ δὲ τούτων χώρα κεῖται μὲν ὑπ' αὐτάς τὰς ἄρκτους, χιονοβολεῖται δὲ πᾶσα καὶ τοῖς ἄλλοις ἔθνεσι δυσεπίβατός ἐστι διὰ τὴν ὑπερβολὴν τοῦ ψύχους. ἡ πλείστη δὲ πεδιάς οὖσα καὶ ἄξυλος πολλαῖς κώμαις διείληπται. [3] αὐταὶ δὲ τὰς τῶν οἰκιῶν στέγας ἔχουσιν ἐκ πλίνθων εἰς ὁξὺ συνηγμένων ἐχούσας καμάραν· κατὰ δὲ μέσῃν τὴν ὀροφὴν ἀπολελειμμένης διαυγείας διὰ ταύτης ὁ καπνὸς ἐκφέρεται καὶ πανταχόθεν τῆς οἰκοδομίας περιεχούσης οἱ κατοικοῦντες πολλῆς σκέπης τυγχάνουσιν. [4] οἱ δ' ἐγγώριοι διὰ τὸ πλῆθος τῆς χιόνος τὸ πλεόν μέρος τοῦ ἐνιαυτοῦ ταῖς οἰκίαις ἐνδιατρίβουσι, παρεσκευασμένας ἔχοντες τὰς ἰδίας τροφάς· τὰς δ' ἀμπέλους καὶ τὰ καρποφόρα τῶν δένδρων περιχώσαντες καὶ τὴν τοῦ χειμῶνος ὥραν ἔασαντες πάλιν ἀναστέλλουσι τὴν γῆν κατὰ τὸν τοῦ βλαστοῦ καιρόν. [5] ἅπανα δ' ἡ τῆς χώρας φύσις οὔτε χλωρὰν οὔθ' ἡμερον ἔχει πρόσοψιν, ἀλλὰ λευκὴν καὶ ἀνταυγὴ διὰ τὴν χιόνα καὶ τὸν ἐν αὐτῇ πηγνύμενον κρύσταλλον. διόπερ οὗτ' ὀρνέου προσκαθίζοντος οὔτε θηρίου διοδεύοντος ἄξενα καὶ ἀνεπίβατα πάντα τὰ μέρη τῆς χώρας ὑπῆρχεν. [6] ἀλλ' ὅμως ὁ βασιλεὺς τούτων ἀπάντων ἀντιπραττόντων τῇ στρατιᾷ τῇ συνήθει τόλμῃ καὶ καρτερίᾳ τῶν Μακεδόνων περιεγίνετο τῆς τοπικῆς δυστραπελείας. [7] διὸ δὴ πολλοὶ τῶν στρατιωτῶν καὶ τῶν ἐκτὸς τῆς τάξεως συνακολουθούντων ἐξαδυνατοῦντες ἀπελείποντο· ἐνιοὶ δὲ διὰ τὴν τῆς χιόνος ἀνταύγειαν καὶ σκληρότητα τῆς ἀναβαλλομένης ἀνακλάσεως ἐφθείροντο τὴν ὄρασιν. [8] σαφὲς δ' οὐδὲν ἐκ διαστήματος ἦν ἰδεῖν, ἀλλὰ μόνῳ τῷ καπνῷ δηλουμένων τῶν κωμῶν ἐλάμβανον οἱ Μακεδόνες οὗ κατοικοῦσιν ἐφιστάμενοι. τούτῳ δὲ τῷ τρόπῳ τῶν κωμῶν ἀλικομένων, καὶ τῶν στρατιωτῶν τῷ πλήθει τῆς ὠφελείας διορθουμένων τὴν κακοπάθειαν ταχὺ πάντων τῶν ἐγχωρίων ὁ βασιλεὺς ἐκυρίευσεν. 83.

μετὰ δὲ ταῦτα παρελθὼν πλησίον τοῦ Καυκάσου κατεστρατοπέδευσεν, ὃ τινες Παροπάνισον ὄρος προσαγορεύουσι. τὸ δ' ὄρος τοῦτο κατὰ πλάτος διελθὼν ἐν ἡμέραις ἑκκαίδεκα πόλιν ἔκτισε κατὰ τὴν εἰσβολὴν τὴν φέρουσαν εἰς τὴν Ἰνδικήν, ἣν ὠνόμασεν Ἀλεξάνδρειαν. κατὰ δὲ μέσον τὸν Καύκασον ἔστι πέτρα δέκα σταδίων ἔχουσα τὴν περίμετρον, τεττάρων δὲ σταδίων τὸ ὕψος, ἐν ᾗ καὶ τὸ Προμηθέως σπῆλαιον ἐδείκνυθ' ὑπὸ τῶν ἐγχωρίων καὶ ἡ τοῦ μυθολογηθέντος ἀετοῦ κοίτη καὶ τὰ τῶν δεσμῶν σημεῖα. [2] ὁ δ' Ἀλέξανδρος καὶ ἄλλας πόλεις ἔκτισεν, ἡμέρας ὁδὸν ἀπέχουσας τῆς Ἀλεξανδρείας. κατ' ὥκισε δ' εἰς ταύτας τῶν μὲν βαρβάρων ἑπτακισχιλίους, τῶν δ' ἐκτὸς τάξεως συνακολουθούντων τρισχιλίους καὶ τῶν μισθοφόρων τοὺς βουλομένους. [3] αὐτὸς δὲ ἀναλαβὼν τὴν δύναμιν προῆγεν εἰς τὴν Βακτριανήν, ἀκούων τὸν Βῆσσον διάδημά τε ἀνειληφέναι καὶ δυνάμεις ἀθροίζειν. καὶ τὰ μὲν περὶ Ἀλέξανδρον ἐν τούτοις ἦν. [4]

οἱ δ' εἰς τὴν Ἀρίαν ἀπεσταλμένοι στρατηγοὶ καταλαβόντες τοὺς ἀφεςτηκότας δυνάμεις ἀξιολόγους ἡθροικότας καὶ στρατηγὸν ἔχοντα Σατιβαρζάνην, ἄνδρα στρατηγικὸν καὶ ἀνδρεία διαφέροντα, κατεστρατοπέδευσαν πλησίον τῶν πολεμίων. γινομένων δὲ πολλάκις

ἀκροβολισμῶν μέχρι μὲν τινος μάχαι κατ' ὀλίγους ἐγίνοντο, [5] μετὰ δὲ ταῦτα παρατάξεως γενομένης καὶ τῶν βαρβάρων ἰσόμεχον ποιούντων τὸν κίνδυνον ὁ τῶν ἀποστατῶν στρατηγὸς Σατιβαρζάνης, ἀφελὼν ταῖς χερσὶ τὸ περὶ τὴν κεφαλὴν κράνος καὶ δείξας αὐτὸν ὃς ἦν, προεκαλέσατο τὸν βουλόμενον τῶν στρατηγῶν μονομαχήσαι. [6] ὑπακούσαντος δὲ τοῦ Ἐριγυιοῦ καὶ γενομένης μάχης ἡρωικῆς συνέβη νικῆσαι τὸν Ἐριγυῖον. οἱ δὲ βάρβαροι διὰ τὸν τοῦ στρατηγοῦ θάνατον καταπλαγέντες καὶ λαβόντες τὴν ἀσφάλειαν παρέδωκαν ἑαυτοὺς τῷ βασιλεῖ. [7]

Βῆσσος δ' ἑαυτὸν ἀναδεδειχὼς βασιλέα τοῖς θεοῖς ἔθυσσε καὶ τοὺς φίλους παραλαβὼν εἰς τὴν εὐωχίαν κατὰ τὸν πότον διηνέχθη πρὸς τινὰ τῶν ἐταίρων, ὄνομα Βαγωδάραν. τῆς δὲ φιλοτιμίας ἐπὶ πλεόν προελθούσης ὁ μὲν Βῆσσος παροξυνθεὶς ἐπεβάλετο τὸν Βαγωδάραν ἀνελεῖν καὶ ὑπὸ τῶν φίλων πεισθεὶς μετενόησεν. [8] ὁ δὲ τὸν κίνδυνον ἐκφυγὼν νυκτὸς ἔφυγε πρὸς τὸν Ἀλέξανδρον. τῇ δὲ τούτου σωτηρίᾳ καὶ ταῖς δοθησομέναις ὑπ' Ἀλεξάνδρου δωρεαῖς προκληθέντες οἱ μέγιστοι τῶν ἡγεμόνων συνεφρόνησαν καὶ συλλαβόντες τὸν Βῆσσον ἀπήγαγον πρὸς τὸν Ἀλέξανδρον. [9] ὁ δὲ βασιλεὺς τούτους μὲν ἐτίμησεν ἀξιολόγοις δωρεαῖς, τὸν δὲ Βῆσσον παρέδωκε τῷ ἀδελφῷ τοῦ Δαρείου καὶ τοῖς ἄλλοις συγγενέσιν εἰς τιμωρίαν. οἱ δὲ πᾶσαν ὕβριν καὶ αἰκίαν προσενεγκάμενοι καὶ τὸ σῶμα κατὰ λεπτὸν συγκόψαντες τὰ μέλη διεσφενδόνησαν. ... 84.

ἐπὶ δὲ τούτοις γενομένων τῶν ὄρκων ἡ μὲν βασίλισσα τὴν μεγαλοψυχίαν τοῦ Ἀλεξάνδρου θαυμάσασα δῶρά τε κράτιστα ἐξέπεμψε καὶ πᾶν τὸ προσταττόμενον ποιήσιν ἐπηγγείλατο. οἱ δὲ μισθοφόροι παραχρῆμα κατὰ τὰς ὁμολογίας ἐκ τῆς πόλεως ἀπελθόντες καὶ σταδίους ὀγδοήκοντα προελθόντες ἀνεπικαλύτως κατεστρατοπέδευσαν, οὐδεμίαν ἔννοιαν λαμβάνοντες τοῦ μέλλοντος. [2] ὁ δ' Ἀλέξανδρος ἀμετάθετον ἔχων τὴν πρὸς τοὺς μισθοφόρους ἀλλοτριότητα διεσκευασμένην ἔχων τὴν δύναμιν ἐπηκολούθησε τοῖς βαρβάροις καὶ προσπεσὼν αὐτοῖς ἄφνω πολὺν ἐποίει φόνον. οἱ δὲ μισθοφόροι τὸ μὲν πρῶτον ἐβόων παρὰ τοὺς ὄρκους αὐτοὺς πολεμεῖσθαι καὶ τοὺς ἀσεβουμένους ὑπ' αὐτοῦ θεοὺς ἐπεκαλοῦντο· ὁ δ' Ἀλέξανδρος μεγάλῃ τῇ φωνῇ πρὸς αὐτοὺς ἀνέβόησεν ὅτι συνεχώρησεν αὐτοῖς ἐκ τῆς πόλεως ἀπελθεῖν, οὐ φίλους εἶναι διὰ παντὸς Μακεδόνων. [3] οἱ δὲ μισθοφόροι τὸ μέγεθος τῶν κινδύνων οὐ καταπλαγέντες συναφράξαντο καὶ τὴν ὅλην τάξιν ποιήσαντες κυκλοτερῇ τά τε τέκνα καὶ τὰς γυναῖκας εἰς μέσον ἀπέλαβον, ὥστε πανταχόθεν τοῖς προσμαχομένοις ἀσφαλῶς ἀντιτάττεσθαι. ἀπονοηθέντων δ' αὐτῶν καὶ διὰ τὴν τόλμαν καὶ διὰ τὴν ἐν τοῖς ἀγῶσιν ἀρετὴν ἰσχυρὰν μάχην συστησάμενων καὶ τῶν Μακεδόνων φιλοτιμουμένων μὴ λειφθῆναι τῆς τῶν βαρβάρων ἀνδραγαθίας μεγάλῃν κατάπληξιν εἶχεν ὁ κίνδυνος. [4] ἐκ χειρὸς γὰρ τῆς μάχης οὔσης καὶ συμπλεκομένων τῶν ἀγωνιζομένων ἀλλήλοις πολλαὶ καὶ παντοῖαι διαθέσεις θανάτων καὶ τραυμάτων ἐγίνοντο· οἱ γὰρ Μακεδόνες ταῖς σαρίσαις ἀναρρήσσοντες τὰς τῶν βαρβάρων πέλτας τὰς ἀκμὰς τοῦ σιδήρου τοῖς πνεύμοσιν ἐνῆρειδον, οἱ δὲ μισθοφόροι τὰς λόγχας ἀκοντίζοντες εἰς ἀθρώους τοὺς πολεμίους οὐχ ἡμάρτανον, σύνεγγυς κειμένου τοῦ σκοποῦ. [5] διὸ καὶ πολλῶν μὲν

τραυματιζομένων, οὐκ ὀλίγων δὲ τελευτώντων αἱ γυναῖκες τὰ τῶν πεσόντων ὅπλα λαμβάνουσαι συνηγωνίζοντο τοῖς ἀνδράσιν: ἡ γὰρ ὀξύτης τοῦ κινδύνου καὶ τὸ τῆς ἐνεργείας δεινὸν ἠνάγκαζεν αὐτὰς παρὰ φύσιν τρέπεσθαι πρὸς ἀλκὴν. διὸ καὶ τινὲς μὲν αὐτῶν καθοπλισθεῖσαι συνήσπιζον τοῖς ἰδίοις ἀνδράσι, τινὲς δὲ ἄνευ ὅπλων ἐμπίπτουσαι τῶν ἀσπίδων ἐπελαμβάνοντο καὶ πολλὰ τοὺς πολεμίους ἐνεπὸδιζον. [6] τέλος δὲ πάντες μετὰ τῶν γυναικῶν ἀγωνισάμενοι καὶ κατακοπέντες ὑπὸ τοῦ πλήθους τὸν ἐνδοξον θάνατον τῆς ἀγεννοῦς φιλοζωίας ἠλλάξαντο. ὁ δὲ Ἀλέξανδρος τὸν τε ἀχρεῖον καὶ ἄνοπλον ὄχλον καὶ τῶν γυναικῶν τὰς ὑπολειφθεῖσας ἀπάγων τοὺς ἵππεῖς συνεπέστησεν. 85.

πολλὰς δὲ καὶ ἄλλας πόλεις ἐκπολιορκήσας καὶ τοὺς ἀντιταττομένους ἀνελὼν προῆγεν ἐπὶ τὴν πέτραν τὴν Ἄορνον καλουμένην: εἰς γὰρ ταύτην οἱ περιλειφθέντες τῶν ἐγχωρίων διὰ τὴν ὑπερβολὴν τῆς ὀχυρότητος καταπεφύγεισαν. [2] λέγεται γὰρ τὸ παλαιὸν Ἡρακλέα ταύτην τὴν πέτραν ἐπιβαλόμενον πολιορκεῖν ἀποστήναι διὰ τινὰς ἐπιγενομένους σεισμοὺς μεγάλους καὶ διοσημείας. ὁ δ' Ἀλέξανδρος πυθόμενος περὶ τούτων ἐτι μᾶλλον παρωξύνθη πολιορκῆσαι τὸ ὀχύρωμα καὶ διαμυλληθῆναι τῇ τοῦ θεοῦ δόξῃ. [3] ἡ δὲ πέτρα τὸν μὲν περίβολον εἶχε σταδίων ἑκατόν, τὸ δ' ὕψος ἑκκαίδεκα, τὴν δ' ἐπιφάνειαν ὁμαλὴν καὶ πάντῃ περιφερῆ: καὶ τὸ μὲν πρὸς μεσημβρίαν μέρος αὐτῆς προσέκλυζεν ὁ Ἰνδὸς ποταμός, μέγιστος ὢν τῶν κατὰ τὴν Ἰνδικήν, τὰ δ' ἄλλα μέρη περιείχετο φάραγι βαθείαις καὶ κρημνοῖς ἀπροσίτοις. [4] τοῦ δὲ Ἀλεξάνδρου κατασκευασμένου τὴν δυσχωρίαν καὶ τὴν ἐκ βίας ἄλωσιν ἀπογνόντος ἦκέν τις πρὸς αὐτὸν πρεσβύτες μετὰ δυεῖν υἱῶν. [5] οὗτος δ' ὢν πένης παντελῶς καὶ πολὺν χρόνον ἐντεθραμμένος τοῖς τόποις κατῴκει μὲν ἐν τινὶ σπηλαίῳ τρεῖς στιβάδας ἔχοντι κατὰ τὴν πέτραν ἐντετμημένας, ἐν αἷς ὁ γέρων μετὰ τῶν υἱῶν ἐναυλιζόμενος ἐμπειρίαν περιεπεποίητο τῶν τόπων. οὗτος οὖν προσελθὼν τῷ βασιλεῖ καὶ τὰ περὶ ἑαυτὸν δηλώσας ἐπηγγείλατο καθιγήσεσθαι διὰ τῆς δυσχωρίας καὶ ποιήσῃν αὐτὸν ὑπερδέξιον γενέσθαι τῶν κατελιγμένων τὴν πέτραν βαρβάρων. [6] ὁ δὲ Ἀλέξανδρος ἐπαγγειλάμενος μεγάλας δωρεὰς δώσειν καὶ τῷ πρεσβύτῃ χρησάμενος ὁδηγῶ πρῶτον μὲν τὴν ἀροδοὺν τὴν εἰς τὴν πέτραν φέρουσαν κατελάβετο καὶ μηδεμιᾶς οὔσης ἄλλης ἐξόδου συνέκλεισε τοὺς βαρβάρους εἰς ἀβοήθητον πολιορκίαν: ἔπειτα τῇ πολυχειρίᾳ χώσας τὴν φάραγγα κατὰ τὴν ρίζαν τῆς πέτρας, προσελθὼν ἐνεργῇ πολιορκίᾳ συνεστήσατο, συνεχῶς ἐφ' ἡμέρας ἑπτὰ καὶ τὰς ἴσας νύκτας ἐκ διαδοχῆς τὰς προσβολὰς ποιούμενος. [7] τὸ μὲν οὖν πρῶτον οἱ βάρβαροι διὰ τὰς τῶν τόπων ὑπεροχὰς προετέρουν καὶ πολλοὺς ἀνῆρουν τῶν προπετῶς βιαζομένων: τοῦ δὲ χώματος συντελεσθέντος καὶ τῶν ὀξυβελῶν καταπελτῶν καὶ τῶν ἄλλων ὀργάνων ἐπισταθέντων, πρὸς δὲ τούτοις τοῦ βασιλέως φανεροῦ καθεστῶτος ὥς οὐκ ἀποστήσεται τῆς πολιορκίας οἱ μὲν Ἰνδοὶ κατεπλάγησαν, ὁ δ' Ἀλέξανδρος ἐμφρόνως προῖδόμενος τὸ μέλλον ἐξέλιπεν τὴν ἐν τῇ παρόδῳ κατελιγμένην φυλακὴν, διδοὺς ἐξόδον τοῖς βουλομένοις ἐκ τῆς πέτρας ἀναχωρεῖν. οἱ δὲ βάρβαροι φοβηθέντες τὰς τε τῶν Μακεδόνων ἀρετὰς καὶ τὴν τοῦ βασιλέως φιλοτιμίαν νυκτὸς ἐξέλιπον τὴν πέτραν. 86. ὁ δ' Ἀλέξανδρος τοῖς κενοῖς τοῦ πολέμου

καταστρατηγήσας τοὺς Ἴνδους χωρὶς κινδύνου ἐκυρίευσεν τῆς πέτρας. καὶ τῷ μὲν ὁδηγήσαντι τὰς ὠμολογημένας δωρεὰς ἀπέδωκεν, αὐτὸς δὲ ἀνέζευξε μετὰ τῆς δυνάμεως. [2] καθ' ὃν καιρὸν Ἀφρίκης τις Ἴνδός, ἔχων μὲν στρατιώτας διςμυρίους, ἐλέφαντας δὲ πεντεκαίδεκα, διέτριβε περὶ τὸν τόπον. τοῦτον δὲ τινες ἀνελόντες καὶ τὴν κεφαλὴν αὐτοῦ πρὸς Ἀλέξανδρον ἐνέγκαντες διὰ ταύτης τῆς εὐεργεσίας περιποιήσαντο τὰς ἰδίας σωτηρίας. [3] ὁ δὲ βασιλεὺς τούτους τε προσηγάγετο καὶ τῶν ἐλεφάντων πλανωμένων κατὰ τὴν χώραν ἐκυρίευσεν.

αὐτὸς δὲ παρελθὼν ἐπὶ τὸν Ἴνδον ποταμὸν καὶ καταλαβὼν τὰς τε τριακοντόρους κατεσκευασμένας καὶ τὸν πόρον ἐξευγμένον τριάκοντα μὲν ἡμέρας ἀνέλαβε τὴν δύναμιν καὶ τοῖς θεοῖς μεγαλοπρεπεῖς συντελέσας θυσίας διεβίβασεν τὴν στρατιάν καὶ περιέπεσε παραδόξῳ περιπετείᾳ. [4] Ταξίλου γὰρ τοῦ βασιλέως προτετελευτηκότος υἱὸς αὐτοῦ Μῶφισ διαδεξάμενος τὴν ἀρχὴν διεπέμψατο μὲν καὶ πρότερον πρὸς Ἀλέξανδρον ἐν τῇ Σογδιανῇ διατρίβοντα, ἐπαγγελλόμενος αὐτῷ συστρατεῦν ἐπὶ τοὺς ἀντιταττομένους τῶν Ἴνδων καὶ τότε πρέσβεις ἀποστείλας ἔφησεν αὐτῷ παραδίδόναι τὴν βασιλείαν. [5] ἀπέχοντος δὲ τεσσαράκοντα σταδίου τοῦ βασιλέως ἐκτάξας τὴν δύναμιν ὡς εἰς πόλεμον καὶ τοὺς ἐλέφαντας κοσμήσας ἀπῆντα μετὰ τῶν φίλων. ὁ δὲ Ἀλέξανδρος ὁρῶν προσιοῦσαν μεγάλην δύναμιν ἐκτεταγμένην πολεμικῶς καὶ δόξας τὸν Ἴνδον ἐπιβούλως πεποιεῖσθαι τὰς ἐπαγγελίας, ὅπως ἀπαρασκευοῖς τοῖς Μακεδόσιν ἐπιθήται, τοῖς μὲν σαλπικταῖς παρεκελεύσατο σημαίνειν τὸ πολεμικόν, τοὺς δὲ στρατιώτας ἐκτάξας ἀπῆντα τοῖς Ἴνδοις. [6] ὁ δὲ Μῶφισ ὁρῶν τὴν ταραχὴν τῶν Μακεδόνων καὶ τὸ γεγονὸς συλλογιζόμενος τὴν μὲν δύναμιν κατέλειπεν, αὐτὸς δὲ μετὰ ὀλίγων προῖπτεύσας καὶ τὴν ἄγνοιαν τῶν Μακεδόνων διορθωσάμενος παρέδωκεν ἑαυτὸν τε καὶ τὴν δύναμιν τῷ βασιλεῖ. [7] ἤσθεις δὲ ὁ Ἀλέξανδρος τὴν τε βασιλείαν ἀπέδωκεν αὐτῷ καὶ τὸ λοιπὸν διετέλει τούτῳ φίλῳ καὶ συμμάχῳ χρώμενος καὶ μετωνόμασεν αὐτὸν Ταξίλιν. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 87.

ἐπ' ἄρχοντος δ' Ἀθήνησι Χρέμητος Ῥωμαῖοι κατέστησαν ὑπάτους Πόπλιον Κορνήλιον καὶ Αὔλον Ποστούμιον. ἐπὶ δὲ τούτων Ἀλέξανδρος ἐν τῇ Ταξίλου χώρᾳ προσαναλαβὼν τὴν δύναμιν ἐστράτευσεν ἐπὶ Πῶρον τὸν τῶν πλησιοχώρων Ἴνδων βασιλέα. [2] οὗτος δ' εἶχε πεζοὺς μὲν πλείους τῶν πεντακισμυρίων, ἵππεῖς δὲ περὶ τρισχιλίους, ἄρματα δὲ πλείω τῶν χιλίων, ἐλέφαντας δὲ ἑκατὸν καὶ τριάκοντα. ἐπεποίητο δὲ καὶ ἕτερον τῶν πλησιοχώρων βασιλέα σύμμαχον, ὃς ὠνομάζετο Ἑμβίσαρς, εἶχε δὲ δύναμιν οὐ πολὺ λειπομένην τῆς τοῦ Πῶρου. [3] ὁ δὲ Ἀλέξανδρος ἀκούσας τοῦτον τὸν βασιλέα τετρακοσίους ἀπέχειν σταδίους ἔκρινεν πρὸ τῆς τούτου παρουσίας ἐπιβαλεῖν τῷ Πῶρῳ. [4] ἐγγίσαντος δὲ αὐτοῦ τοῖς Ἴνδοις ὁ Πῶρος πυθόμενος πλησίον εἶναι τοὺς πολεμίους εὐθὺς ἐξέταξε τὴν δύναμιν καὶ τοὺς μὲν ἵππεῖς ἐπὶ τὰ κέρατα διεμέρισεν, τοὺς δ' ἐλέφαντας καταπληκτικῶς κεκοσμημένους κατὰ μέτωπον ἐν ἴσοις διαστήμασιν ἔστησεν· ἀνὰ μέσον δὲ τῶν θηρίων τοὺς λοιποὺς ὀπίστας ἔταξεν, οἷς συντεταγμένον ἦν παραβοηθεῖν τοῖς θηρίοις καὶ διακωλύειν ἐκ τῶν πλαγίων εἰσακοντίζειν. [5] ἡ μὲν οὖν ὅλη σύνταξις αὐτῶν ὑπῆρχε πόλει παραπλήσιος τὴν πρόσοψιν· ἡ μὲν γὰρ τῶν ἐλεφάντων στάσις

τοῖς πύργοις, οἱ δὲ ἀνὰ μέσον τούτων στρατιῶται τοῖς μεσοπυργίοις ὁμοίωντο· ὁ δὲ Ἀλέξανδρος κατανοήσας τὴν τῶν πολεμίων τάξιν πρὸς ταύτην τὴν διακόσμησιν οἰκείως ἐξέταξε τὴν δύναμιν. 88. γενομένης δὲ μάχης τὸ μὲν πρῶτον τοῖς ἱππεῦσιν ἅπαντα σχεδὸν τὰ ἄρματα τῶν Ἰνδῶν διεφθάρη· μετὰ δὲ ταῦτα τῶν ἐλεφάντων ταῖς τε τῶν σωμάτων ὑπεροχαῖς καὶ ταῖς ἀλκαῖς δεόντως χρωμένων οἱ μὲν ὑπὸ τῶν θηρίων συμπατοῦμενοι μετὰ τῶν ὄπλων θραυομένων τῶν ὀστέων ἀπώλλυντο, οἱ δὲ ταῖς προνομαῖς περιλαμβανόμενοι καὶ πρὸς ὕψος ἐξαρθέντες πάλιν πρὸς τὴν γῆν ἐράττοντο καὶ δεινοῖς θανάτοις περιέπιπτον, πολλοὶ δὲ τοῖς ὁδοῦσι συγκεντούμενοι καὶ δι' ὅλων τῶν σωμάτων τιτρωσκόμενοι παραχρῆμα τοῦ ζῆν ἐστερίσκοντο. [2] τῶν δὲ Μακεδόνων εὐρώστως ὑπομενόντων τὸ δεινὸν καὶ τοὺς ἀνὰ μέσον τῶν θηρίων ταῖς σαρίσαις ἀναιρῶντων ισόρροπος ἦν ἡ μάχη. [3] μετὰ δὲ ταῦτα τῶν θηρίων συνακοντιζομένων καὶ διὰ τὸ πλῆθος τῶν τραυμάτων περιοδύνων γινομένων οἱ μὲν περιβεβηκότες αὐτοῖς Ἰνδοὶ κρατεῖν τῆς ὁρμῆς τῶν ζώων οὐκ ἴσχυον· ἐκνεύοντα γὰρ εἰς τοὺς ἰδίους ταῖς ὁρμαῖς ἀκατασχέτως ἐφέρετο καὶ τοὺς φίλους συνεπάτει· [4] ταραχῆς δὲ πολλῆς γινομένης ὁ Πῶρος συνιδὼν τὸ γινόμενον καὶ τεταγμένος ἐπὶ τοῦ κρατίστου τῶν ἐλεφάντων ἤθροισε περὶ αὐτὸν τεσσαράκοντα τῶν θηρίων τὰ μήπω τεταραγμένα καὶ τῶν βάρει τῶν ἐλεφάντων ἐπιβαλὼν τοῖς πολεμίοις πολὺν ἐποίει φόνον, ἅτε καὶ τῇ ρώμῃ τοῦ σώματος πολὺν προέχων τῶν συστρατευομένων· τὸ γὰρ μῆκος ἦν πηχῶν πέντε, τὸ δ' εὖρος ὑπῆρχεν ὁ θώραξ αὐτοῦ διπλάσιος τῶν ἄλλων τῶν εὐρωστία διαφερόντων. [5] διόπερ τὰ βαλλόμενα σαρνία τοιαύτην εἶχε δύναμιν ὥστε μὴ πολὺν λείπεσθαι τῶν καταπελτικῶν βελῶν. τῶν δ' ἀντιτεταγμένων Μακεδόνων καταπεπληγμένων τὴν ἀνδραγαθίαν τοῦ Πῶρου ὁ Ἀλέξανδρος μεταπεμψάμενος τοὺς τοξότας καὶ τὰ ψιλικά τῶν ταγμάτων προσέταξεν ἅπαντας βάλλειν ἐπὶ τὸν Πῶρον. [6] ταχὺ δὲ τῶν στρατιωτῶν πραξάντων τὸ παραγγελθὲν καὶ βελῶν ἅμα πολλῶν ἐνεχθέντων ἐπὶ τὸν Ἰνδὸν καὶ πάντων ἐπιτυγχανόντων διὰ τὸ μέγεθος τοῦ σκοποῦ ὁ μὲν Πῶρος ἥρωικῶς ἀγωνισάμενος καὶ διὰ τὸ πλῆθος τῶν τραυμάτων γενόμενος ἑξαιμιος ἐλιποψύχησεν καὶ περικλασθεὶς περὶ τὸ θηρίον πρὸς τὴν γῆν κατηνέχθη. [7] διαδοθείσης δὲ φήμης ὅτι τετελευτήκεν ὁ βασιλεὺς, τὸ λοιπὸν πλῆθος τῶν Ἰνδῶν πρὸς φυγὴν ὥρμησεν. 89. ἐν δὲ τῇ φυγῇ πολλοῦ φόνου γενομένου ὁ μὲν Ἀλέξανδρος ἐπιφανεῖ μάχῃ νικήσας ἀνεκαλέσατο τῇ σάλπιγγι τοὺς στρατιώτας. ἔπεσον δὲ ἐν τῇ μάχῃ τῶν Ἰνδῶν πλείους τῶν μυρίων καὶ δισχιλίων, ἐν οἷς ὑπῆρχον καὶ δύο υἱοὶ τοῦ Πῶρου καὶ οἱ στρατηγοὶ καὶ οἱ ἐπιφανέστατοι τῶν ἡγεμόνων. [2] ζῶντες δὲ ἄνδρες ἐάλωσαν ὑπὲρ τοὺς ἐνακισχιλίους, ἐλέφαντες δὲ ὀγδοήκοντα. αὐτὸς δὲ ὁ Πῶρος ἔμπνους ὢν παρεδόθη τοῖς Ἰνδοῖς πρὸς τὴν θεραπείαν. [3] τῶν δὲ Μακεδόνων ἔπεσον μὲν ἱππεῖς διακόσιοι καὶ ὀγδοήκοντα, πεζοὶ δὲ πλείους τῶν ἐπτακοσίων. ὁ δὲ βασιλεὺς τοὺς μὲν τετελευτηκότας ἔθαψε, τοὺς δὲ ἀνδραγαθήσαντας κατὰ τὴν ἀξίαν ἐτίμησεν, αὐτὸς δὲ Ἠλίφ ἔθυσεν ὡς δεδωκότι τὰ πρὸς ἀνατολὴν μέρη καταστρέφασθαι. [4] τῆς δὲ πλησίον ὀρεινῆς ἐχούσης πολλὴν μὲν ἐλάτην εὐτροφον, οὐκ ὀλίγην δὲ κέδρον καὶ πεύκην, ἔτι δὲ τῆς ἄλλης ὕλης ναυπηγησίμου πλῆθος ἄφθονον κατεσκεύασε ναῦς ἱκανάς· [5] διενοεῖτο γὰρ

ἐπὶ τὸ τέρμα τῆς Ἰνδικῆς παραγενόμενος καὶ πάντας τοὺς ἐγχωρίους καταστρεφάμενος διὰ τοῦ ποταμοῦ καταπλεῖν εἰς τὸν Ὠκεανόν. [6] ἔκτισε δὲ δύο πόλεις, τὴν μὲν πέραν τοῦ ποταμοῦ καθ' ὃν τόπον αὐτὸς διέβη, τὴν δὲ ἄλλην ἐν ᾗ τόπῳ τὸν Πῶρον ἐνίκησεν. ταχὺ δὲ τῶν ἔργων κατασκευασθέντων διὰ τὴν πολυχειρίαν τὸν μὲν Πῶρον θεραπευθέντα βασιλέα κατέστησε διὰ τὴν ἀρετὴν ἧς πρότερον ἦρχε χώρας, τὴν δὲ δύναμιν ἐπὶ τριάκοντα ἡμέρας ἀνέλαβε, πολλῆς ἀφθονίας οὔσης τῶν ἐπιτηδείων. 90.

ἴδιον δέ τι κατὰ τὴν ὀρεινὴν τὴν πλησίον ὑπῆρχε. χωρὶς γὰρ τῆς πρὸς ναυπηγίαν ὕλης εἶχεν ἡ χώρα πολλοὺς καὶ παρηλλαγμένους τοῖς μεγέθεσιν ὄφεις, ὄντας ἐκκαϊδεκαπήχεις, πιθήκων τε γένη πολλὰ καὶ τοῖς μεγέθεσι διαλλάττοντα, ὧν τὴν τέχνην τῆς θήρας αὐτὸ τὸ ζῷον ὑφηγεῖτο. [2] μμητικὸν γὰρ ὑπάρχον πάσης πράξεως βία μὲν οὐ ῥαδίως χειροῦται διὰ τε τὴν ἰσχὺν τῶν σωμάτων καὶ διὰ τὴν τῆς ψυχῆς ἀγχίνουσαν· τῶν δὲ κυνηγῶν οἱ μὲν μέλιτι τοὺς ὀφθαλμοὺς ἀλείφονται, οἱ δὲ βλέπόντων τῶν θηρίων ὑποδοῦνται, τινὲς δὲ ταῖς κεφαλαῖς κάτωπτρα περιτιθέασιν, καὶ τοῖς μὲν ὑποδήμασι παραθέντες δεσμοὺς ἀπολείπουσιν, ἀντὶ δὲ τοῦ μέλιτος ἰζὸν ὑποβάλλουσι, τοῖς δὲ κατόπτροις ἐπίσπαστρα καθάπτουσι. [3] διόπερ ὅταν βούλωνται τὰ ζῷα τὰς πράξεις τῶν ὀραθέντων ἐπιτελεῖν, ἀδυνατεῖ, τῶν μὲν βλεφάρων κεκολλημένων, τῶν δὲ ποδῶν δεδεμένων, τῶν δὲ σωμάτων κατεχομένων· ὅθεν εὐχείρωτα πρὸς τὴν θήραν γίνεται. [4]

ὁ δὲ Ἀλέξανδρος τὸν ὑστερηκότα τῆς τοῦ Πῶρου συμμαχίας βασιλέα ὄνομα Σασιβισάρην καταπληξάμενος ἠνάγκασε ποιεῖν τὸ προσταττόμενον, αὐτὸς δὲ μετὰ τῆς δυνάμεως περάσας τὸν ποταμὸν προῆγε διὰ χώρας ἀρετῇ διαφερούσης· [5] δένδρων γὰρ εἶχε γένη διαλλάττοντα καὶ τὸ μὲν ὕψος ἔχοντα πηχῶν ἑβδομήκοντα, τὸ δὲ πάχος μόγις ὑπὸ τεσσάρων ἀνδρῶν περιλαμβανόμενα, τριῶν δὲ πλέθρων σκιὰν ποιοῦντα. εἶχε δὲ καὶ ἡ χώρα ὄφρων πλῆθος, μικρῶν μὲν τοῖς μεγέθεσι, ταῖς δὲ ποικιλίαις ἐξηλλαγμένον· [6] οἱ μὲν γὰρ χαλκοειδεῖς ῥάβδους ἐπέφαινον, οἱ δὲ τὴν λόφην δασεῖαν εἶχον τριχῶδη, διὰ δὲ τῶν δηγμάτων ὀξεῖς θανάτους ἀπειργάζοντο. τὸν δὲ πληγέντα πόνοι δεινοὶ συνεῖχον καὶ ῥύσις ἰδρωτός αἵματοειδοῦς κατεῖχε. [7] διόπερ οἱ Μακεδόνες δεινῶς ὑπὸ τῶν δηγμάτων ἀπαλλάττοντες τὰς κλῖνας ἀπὸ τῶν δένδρων ἐξήρτων καὶ τὸ πλεῖστον τῆς νυκτὸς διηγρύπνουσαν. μετὰ δὲ ταῦτα παρὰ τῶν ἐγχωρίων μαθόντες τὴν ἀντιφάρμακον ῥίζαν ἀπελύθησαν τῶν δεινῶν. 91.

προϊόντος δὲ αὐτοῦ μετὰ τῆς δυνάμεως ἤκόν τινες ἀπαγγέλλοντες ὅτι Πῶρος ὁ βασιλεὺς, ἀνεψιὸς ὢν τοῦ καταπεπολεμημένου Πῶρου, τὴν βασιλείαν ἀπολιπὼν πέφευγεν εἰς τὸ τῶν Γανδαριδῶν ἔθνος. [2] ὁ δὲ Ἀλέξανδρος παροξυνθεὶς Ἠφαιστίωνα μὲν ἐξέπεμψεν εἰς τὴν τούτου χώραν μετὰ δυνάμεως καὶ προσέταξε τὴν βασιλείαν παραδοῦναι τῷ μεθ' αὐτοῦ Πώρῳ· αὐτὸς δ' εἰς τὸ τῶν Ἀδρεστῶν καλουμένων ἔθνος στρατεύσας καὶ τῶν πόλεων ἃς μὲν βία χειρωσάμενος, ἃς δὲ πειθοῖ προσαγαγόμενος εἰς τὴν τῶν Καθαίων χώραν παρεγένετο. [3] παρὰ δὲ τούτοις νόμιμον ἦν τὰς γυναῖκας τοῖς ἀνδράσι συγκατακαίεσθαι· τοῦτο δ' ἐκυρώθη τὸ δόγμα παρὰ τοῖς βαρβάροις διὰ μίαν γυναῖκα φαρμάκοις ἀνελούσαν τὸν ἄνδρα. [4] ὁ δ' οὖν βασιλεὺς τὴν

μεγίστην καὶ ὀχυρωτάτην πόλιν μετὰ πολλῶν κινδύνων ἐκπολιορκήσας ἐνέπρησεν. ἄλλην δ' ἀξιόλογον πολιορκούντος αὐτοῦ καὶ μεθ' ἱκετηριῶν δεηθέντων τῶν Ἰνδῶν ἀπέλυσε τῶν κινδύνων αὐτούς.

μετὰ δὲ ταῦτ' ἐστράτευσεν ἐπὶ τὰς ὑπὸ Σωπείθην τεταγμένας πόλεις, εὐνομουμένας καθ' ὑπερβολήν. τὰ τε γὰρ ἄλλα πρὸς δόξαν πολιτεύονται καὶ τὸ κάλλος παρ' αὐτοῖς τιμιώτατον νενόμισται. [5] διόπερ ἐκ νηπίου παρ' αὐτοῖς τὰ βρέφη διακρίνεται καὶ τὰ μὲν ἄρτια καὶ τὴν φύσιν ἔχοντα πρὸς εὐπρέπειαν καὶ ἰσχὺν εὐθετον τρέφεται, τὰ δὲ καταδεῆ τοῖς σώμασιν ἀνάξια τροφῆς ἡγούμενοι διαφθείρουσιν. [6] ἀκολουθῶς δὲ τούτοις καὶ τοὺς γάμους ποιοῦνται προικὸς μὲν καὶ τῆς ἄλλης πολυτελείας ἀφροντιστοῦντες, κάλλους δὲ καὶ τῆς τοῦ σώματος ὑπεροχῆς μόνον φροντίζοντες. [7] διόπερ οἱ πλεῖστοι τῶν ἐν ταύταις ταῖς πόλεσι κατοικούντων διαφέρουσι τῶν ἄλλων ἀξιώμασιν. παρὰ δὲ πάντα ὁ βασιλεὺς Σωπείθης περιβλεπτοὺς ὢν ἐπὶ τῷ κάλλει καὶ τῷ μήκει τοὺς τέτταρας πῆχεις ὑπεράγων προῆλθε μὲν ἐκ τῆς πόλεως τῆς ἐχούσης τὰ βασίλεια, παραδοὺς δ' αὐτὸν καὶ τὴν βασιλείαν Ἀλεξάνδρῳ πάλιν ταύτην ἀπέλαβε διὰ τὴν τοῦ κρατοῦντος ἐπιείκειαν. [8] ὁ δὲ Σωπείθης μετὰ πολλῆς προθυμίας τὴν μὲν δύναμιν ἅπασαν ἐπὶ τινὰς ἡμέρας λαμπρῶς εἰστίασε, 92. τῷ δ' Ἀλεξάνδρῳ πολλὰ καὶ μεγάλα δῶρα παραστήσας κύνας ἔδωκεν ἑκατὸν καὶ πεντήκοντα τοῖς μεγέθεσι καὶ ταῖς ἀλκαῖς καὶ τοῖς ἄλλοις προτερήμασι θαυμαζομένους, οὓς ἔφασαν ταῖς τίγρεσιν ἐπιμεμῖχθαι. [2] βουλόμενος δὲ τὸν Ἀλεξάνδρον διὰ τῶν ἔργων λαβεῖν πείραν τῆς τῶν κυνῶν ἀρετῆς εἰσήγαγεν εἷς τι περίφραγμα λέοντα τέλειον καὶ τῶν δοθέντων κυνῶν δύο τοὺς εὐτελεστάτους προέβαλε τῷ λέοντι: τούτων δὲ κατισχυομένων ὑπὸ τοῦ θηρίου δύο ἐτέρους εἰς 2 ἀφῆκεν. [3] τῶν δὲ τεττάρων περιγινομένων τοῦ λέοντος πεμφθεῖς τις ὑπ' αὐτοῦ μετὰ μαχαίρας ἀφήρει τὸ δεξιὸν σκέλος ἑνὸς τῶν κυνῶν. τοῦ δὲ βασιλέως ἀναβοήσαντος καὶ τῶν σωματοφυλάκων προσδραμόντων καὶ τῆς τοῦ Ἰνδοῦ χειρὸς ἐπιλαβομένων ὁ μὲν Σωπείθης τρεῖς ἀντὶ τούτου δώσειν ἐπηγγείλατο, ὁ δὲ κυνηγὸς ἐπιλαβόμενος τοῦ σκέλους ἔτεμνεν ἡσυχῇ κατ' ὀλίγον. ὁ δὲ κύων οὔτε κλαγγὴν οὔτε μυγμὸν προέμενος, ἀλλὰ τοὺς ὁδόντας ἐμπεπρικῶς ἔμενεν ἕως ὅτου γενόμενος ἔξαιμος ἐναπέθανε τῷ θηρίῳ. 93.

ἅμα δὲ τούτοις πραττομένοις ἦκεν Ἡφαιστίων μετὰ τῆς συναπεσταλμένης δυνάμεως πολλὴν τῆς Ἰνδικῆς καταπεπολεμηκῶς. τοῦτον μὲν οὖν διὰ τὰς ἀνδραγαθίας ἐπήνεσεν: αὐτὸς δὲ εἰς τὴν Φηγέως δυναστείαν ἐμβαλὼν καὶ τῶν ἐγχωρίων ἀσμένως τὴν τῶν Μακεδόνων παρουσίαν προσδεξαμένων καὶ τοῦ Φηγέως μετὰ δώρων πολλῶν ἀπαντήσαντος τὴν τε βασιλείαν ἔχειν συνεχώρησε καὶ ξενισθεὶς μετὰ τῆς δυνάμεως ἐπὶ δύο ἡμέρας λαμπρῶς ἐπὶ τὸν Ὑφασιν ποταμὸν προῆγεν, οὗ τὸ μὲν πλάτος ἦν σταδίων ἑπτὰ, τὸ δὲ βάθος ἕξ ὀργυιῶν, τὸ δὲ ρεῦμα σφοδρὸν καὶ δυσδιάβατον. [2] ἀκούσας δὲ τοῦ Φηγέως περὶ τῆς πέραν τοῦ Ἰνδοῦ ποταμοῦ χώρας ὅτι δώδεκα μὲν ἡμερῶν ἔχει δίοδον ἔρημον, μετὰ δὲ ταύτην εἶναι ποταμὸν τὸν ὀνομαζόμενον Γάγγην, τὸ μὲν πλάτος τριάκοντα καὶ δυεῖν σταδίων, τὸ δὲ βάθος μέγιστον τῶν κατὰ τὴν Ἰνδικήν, πέραν δὲ τούτου κατοικεῖν τό τε τῶν Ταβραισίων καὶ Γανδαριδῶν ἔθνος, τούτων δὲ βασιλεύειν Ξανδράμην, ἔχοντα δισμυρίους μὲν

ἰππεῖς, πεζῶν δὲ εἴκοσι μυριάδας, ἄρματα δὲ δισχιλία, ἐλέφαντας δὲ πολεμικῶς κεκοσμημένους τετρακισχιλίους, ἀπιστήσας δὲ τοῖς λεγομένοις προσεκαλέσατο τὸν Πῶρον καὶ περὶ τῶν προσαγγελομένων τάκριβες διεπυνθάνετο. [3] ὁ δὲ τᾶλλα μὲν ὑπάρχειν ἅπαντα ἀληθῆ διεβεβαίωτο, τὸν δὲ βασιλέα τῶν Γανδαριδῶν ἔφησεν εὐτελῆ παντελῶς εἶναι καὶ ἄδοξον ὥς ἂν κουρέως υἱὸν νομιζόμενον εἶναι. εὐπρεπῇ γὰρ ὄντα τὸν τοῦτου πατέρα μεγάλως ὑπὸ τῆς βασιλείας ἀγαπηθῆναι καὶ τοῦ βασιλέως διὰ τῆς γυναικὸς δολοφονηθέντος εἰς τοῦτον περιστῆναι τὴν βασιλείαν. [4] ὁ δ' Ἀλέξανδρος, καίπερ ὀρῶν δυσεπίτευκτον τὴν ἐπὶ τοὺς Γανδαρίδας στρατείαν οὔσαν, ὁμως οὐκ ἀφίστατο τῆς φιλοτιμίας, ἀλλὰ πιστεύων ταῖς τῶν Μακεδόνων ἀρεταῖς καὶ τοῖς χρησιμοῖς ἐλπίδας εἶχε κρατήσῃ τῶν βαρβάρων: τὴν μὲν γὰρ Πυθίαν ἀνίκητον αὐτὸν ὀνομακέναι, τὸν δ' Ἀμμωνα συγκεχωρηκέναι τὴν ἀπάσης τῆς γῆς ἔξουσιν. 94.

ὀρῶν δὲ τοὺς στρατιώτας ταῖς συνεχέσι στρατείαις καταπεπονημένους καὶ σχεδὸν ὀκταετῇ χρόνον ἐν πόνοις καὶ κινδύνοις τεταλαιπωρηκότες ὑπέλαβεν ἀναγκαῖον εἶναι τὰ πλήθη τοῖς ἀρμόζουσι λόγοις προτρέψασθαι πρὸς τὴν ἐπὶ τοὺς Γανδαρίδας στρατείαν. [2] πολλὴ μὲν γὰρ φθορὰ τῶν στρατιωτῶν ἐγεγονέει καὶ λύσις οὐδεμία τῶν πολέμων ἠλπίζετο: καὶ τῶν μὲν ἵππων διὰ τὴν συνέχειαν τῆς ὁδοιορίας τὰς ὀπλὰς ὑποτετριφθαι συνέβαινε, τῶν δὲ ὀπλῶν τὰ πλείστα κατεξάνθαι καὶ τὸν μὲν Ἑλληνικὸν ἱματισμὸν ἐκλελοιπέναι, συναναγκάζεσθαι δὲ βαρβαρικοῖς ὑφάσμασι χρῆσθαι, συντεμόντας τὰ τῶν Ἰνδῶν περιβλήματα. [3] κατὰ τύχην δὲ καὶ χειμῶνες ἄγριοι κατερράγησαν ἐφ' ἡμέρας ἑβδομήκοντα καὶ βρονταὶ συνεχεῖς καὶ κεραυνοὶ κατέσκηπτον. ἃ δὲ λογιζόμενος ἐναντιοῦσθαι ταῖς ἰδίαις ἐπιβολαῖς μίαν εἶχεν ἐλπίδα τῆς ἐπιθυμίας, εἰ τοὺς στρατιώτας διὰ τῆς εὐεργεσίας εἰς εὐνοίαν μεγάλην προαγάγοιτο. [4] διόπερ λεηλατεῖν μὲν αὐτοῖς συνεχώρησε τὴν πολέμιαν χώραν, γέμουσαν παντοίας ὠφελείας: ἐν αἷς δ' ἡμέραις ἡ δύναμις περὶ τὴν προνομὴν ἡσχολεῖτο, συναγαγὼν τὰς γυναῖκας τῶν στρατιωτῶν καὶ τοὺς ἐξ αὐτῶν γεγονότας παῖδας ταύταις μὲν συνεστήσατο κατὰ μῆνα διδόναι σῖτον, τοῖς δὲ παισὶν ἐπιφορὰς ταγματικὰς ἀπένειμε κατὰ τοὺς τῶν πατέρων συλλογισμούς. [5] ὥς δ' ἐπανήλθον οἱ στρατιῶται πολλῶν πληθὸς ἀγαθῶν ἐκ τῆς προνομῆς εὐρηκότες συνῆγε πάντα εἰς ἐκκλησίαν. διελθὼν δὲ λόγον πεφροντισμένον περὶ τῆς ἐπὶ τοὺς Γανδαρίδας στρατείας καὶ τῶν Μακεδόνων οὐδαμῶς συγκαταθεμένων ἀπέστη τῆς ἐπιβολῆς. 95.

κρίνας δ' ἐπὶ ταύτης τοὺς ὅρους θέσθαι τῆς στρατείας πρῶτον μὲν τῶν δώδεκα θεῶν βωμοὺς πεντήκοντα πηχῶν ὠκοδόμησεν, ἔπειτα τριπλασίαν τῆς προὔπαρχούσης στρατοπεδείαν περιβαλόμενος ὥρυξε τάφρον τὸ μὲν πλάτος πεντήκοντα ποδῶν, τὸ δὲ βάθος τεσσαράκοντα: τὴν δ' ἀναβολὴν ἐντὸς τῆς τάφρου σωρεύσας τεῖχος ἀξιόλογον ὠκοδόμησε. [2] προσέταξε δὲ τοῖς μὲν πεζοῖς κατασκηνώσεις ἐκάστω δύο στιβάδας πενταπῆχεις ἐχούσας οἰκοδομῆσαι, τοῖς δ' ἵππευσι πρὸς ταύταις καὶ δύο φάτνας τῶν εἰθισμένων διπλασίας, ἀκολουθῶς δὲ καὶ τᾶλλα τὰ καταλείπεσθαι μέλλοντα τοῖς μεγέθεσιν αὐξῆσαι. ταῦτα δὲ πράττειν ἤμελλεν, ἅμα μὲν ἡρωικὴν βουλόμενος ποιήσασθαι στρατοπεδείαν, ἅμα δὲ τοῖς ἐγχωρίοις ἀπολιπεῖν σημεῖα μεγάλων

ἀνδρῶν, ἀποφαίνοντα ῥώμας σωμάτων ὑπερφρεῖς. [3] ἀπὸ δὲ τούτων γενόμενος μετὰ πάσης τῆς δυνάμεως ταῖς αὐταῖς ὁδοῖς πορευθεὶς ἀνέκαμψεν ἐπὶ τὸν Ἀκεσίην ποταμὸν· καταλαβὼν δὲ τὰ σκάφη νενauπηγημένα καὶ ταῦτα καταρτίσας ἕτερα προσενauπηγήσατο. [4] κατὰ δὲ τοῦτον τὸν χρόνον ἦκον ἐκ τῆς Ἑλλάδος σύμμαχοι καὶ μισθοφόροι διὰ τῶν στρατηγῶν ἡγμένοι, πεζοὶ μὲν πλείους τρισμυρίων, ἱππεῖς δ' οὐ πολὺ λείποντες τῶν ἑξακισχιλίων, ἐκομίσθησαν δὲ καὶ πανοπλῖαι διαπρεπεῖς πεζοῖς μὲν δισμυρίοις καὶ πεντακισχιλίοις, φαρμάκων δ' ἱατρικῶν ἑκατὸν τάλαντα. ταῦτα μὲν οὖν διέδωκε τοῖς στρατιώταις. [5] τῆς δὲ ναυτικῆς παρασκευῆς συντελεσθείσης καὶ διακοσίων μὲν ἀφράκτων ἡτοιμασμένων, ὀκτακοσίων δὲ ὑπηρετικῶν τὰς μὲν παρὰ τὸν ποταμὸν κτισθείσας πόλεις ὠνόμασε τὴν μὲν διὰ τὸ τῷ πολέμῳ κρατῆσαι Νίκαιαν, τὴν δ' ἀπὸ τοῦ τελευτήσαντος ἵππου κατὰ τὴν πρὸς Πῶρον μάχην Βουκεφάλαν. 96. αὐτὸς δὲ μετὰ τῶν φίλων ἐμβὰς εἰς τὰς ναῦς τὸν διὰ τοῦ ποταμοῦ πλοῦν ἐπὶ τὸν Ὠκεανὸν τὸν κατὰ μεσημβρίαν ἐποιεῖτο. τὸ δὲ πολὺ μέρος τῆς δυνάμεως παρὰ τὸν ποταμὸν ὠδοιπόρει, προηγουμένου Κρατεροῦ καὶ Ἡφαιστίωνος. ὥς δ' ἦλθον ἐπὶ τὴν Ἀκεσίνου καὶ Ὑδάσπου συμβολήν, ἐκβιβάσας τοὺς στρατιώτας προῆγεν ἐπὶ τοὺς ὀνομαζομένους Σίβους. [2] τούτους δὲ φασιν ἀπογόνους εἶναι τῶν μεθ' Ἡρακλέους ἐπὶ τὴν Ἄορνον πέτραι στρατευσάντων καὶ τῆς μὲν πολιορκίας ἀποτυχόντων, ἐν τούτῳ δὲ τῷ τόπῳ κατοικισθέντων ὑφ' Ἡρακλέους. τοῦ δ' Ἀλεξάνδρου καταστρατοπεδεύσαντος πλησίον ἐπιφανεστάτης πόλεως προῆλθον οἱ δόξη πρωτεύοντες τῶν πολιτῶν. ἐντυχόντες δὲ τῷ βασιλεῖ καὶ τὴν συγγένειαν ἀνανεωσάμενοι πάντα ποιήσιν ἔφασαν μετὰ προθυμίας ὥς ἂν συγγενεῖς ὄντες καὶ δῶρα προσεκόμισαν μεγαλοπρεπῇ. [3] ὁ δὲ Ἀλέξανδρος ἀποδεξάμενος αὐτῶν τὴν εὖνοιαν καὶ τὰς πόλεις ἀποδείξας ἐλευθέραις προῆγεν ἐπὶ τὰ συνορίζοντα τῶν ἐθνῶν. καταλαβὼν δὲ τοὺς ὀνομαζομένους Ἀγαλασσεῖς ἡθροικότας πεζοὺς μὲν τετρακισμυρίους, ἱππεῖς δὲ τρισχιλίους, συνάψας αὐτοῖς μάχην καὶ νικήσας τοὺς μὲν πλείστους κατέκοψεν, τοὺς δὲ λοιποὺς συμφυγόντας εἰς τὰς πλησίον πόλεις ἐκπολιορκήσας ἐξηνδραποδίσατο. [4] τῶν δὲ ἄλλων ἐγχωρίων συναθροισθέντων δισμυρίους μὲν καταφυγόντας εἰς πόλιν μεγάλην κατὰ κράτος εἴλε, τῶν δ' Ἰνδῶν διαφραζάντων τοὺς στενωποὺς καὶ ἀπὸ τῶν οἰκῶν μαχομένων εὐρώστως βιαζόμενος ἀπέβαλε τῶν Μακεδόνων οὐκ ὀλίγους. [5] διὰ δὲ τὴν ὀργὴν ἐμπρήσας τὴν πόλιν συγκατέκαυσε τοὺς πλείστους· τῶν δ' ἐγχωρίων τῶν ὑπολειπομένων εἰς τρισχιλίους συμφυγόντας εἰς τὴν ἀκρόπολιν καὶ μεθ' ἱκετηριῶν δεηθέντας ἀπέλυσεν. 97.

αὐτὸς δὲ πάλιν μετὰ τῶν φίλων ἐμβὰς εἰς τὰς ναῦς διὰ τοῦ ποταμοῦ τὸν πλοῦν ἐποιεῖτο μέχρι τῆς συμβολῆς τῶν προειρημένων ποταμῶν καὶ τοῦ Ἰνδοῦ. μεγάλων δὲ ρείθρων εἰς ἓνα τόπον συρραπτόντων ἴλιγγες πολλαὶ καὶ φοβεραὶ συνίσταντο καὶ τὰ σκάφη συστρέφουσαι διέφθειρον. τῆς δὲ τοῦ ρεύματος βίας ὀξείας καὶ σφοδρᾶς οὔσης καὶ τῆς τῶν κυβερνητῶν τέχνης κατισχυομένης δύο μὲν μακრაὶ ναῦς κατέδυσαν, τῶν δὲ ἄλλων πλοίων οὐκ ὀλίγα πρὸς τὴν γῆν ἐξέπεσε. [2] τῆς δὲ ναυαρχίδος καταρράκτη μεγάλῳ περιπεσούσης ὁ βασιλεὺς εἰς τὸν ἔσχατον ἦλθε κίνδυνον. διὸ καὶ τοῦ θανάτου

πρὸ ὀφθαλμῶν ὄντος ὁ μὲν Ἀλέξανδρος ἀποθέμενος τὴν ἐσθῆτα γυμνῷ τῷ σώματι τῆς ἐνδεχομένης ἀντείχετο βοηθείας, οἱ δὲ φίλοι παρενήχοντο, σπεύδοντες ὑποδέξασθαι περιτρεπομένης τῆς νεῶς τὸν βασιλέα. [3] πολλῆς δὲ ταραχῆς περὶ τὴν ναῦν οὔσης καὶ τῶν μὲν ἀνδρῶν ἀντιταττομένων τῇ τοῦ ρεύματος βίᾳ, τοῦ δὲ ποταμοῦ κατισχύοντος πᾶσαν ἀνθρωπίνην ἐπίνοιάν τε καὶ δύναμιν μόγις ὁ Ἀλέξανδρος μετὰ τῶν νεῶν εἰς τὴν γῆν ἐξέπεσεν. σωθεὶς δὲ παραδόξως τοῖς θεοῖς ἔθυσεν ὡς μεγίστους ἐκπεφευγὼς κινδύνους καὶ πρὸς ποταμὸν ὁμοίως Ἀχιλλεῖ διαγωνισάμενος. 98.

μετὰ δὲ ταῦτα στρατεύσας ἐπὶ Συδράκας καὶ τοὺς ὀνομαζομένους Μαλλοὺς, ἔθνη πολυάνθρωπα καὶ μάχιμα, κατέλαβε τοὺς ἐγχωρίους ἡθροικότας πεζοὺς μὲν πλείους τῶν ὀκτακισμυρίων, ἵππεις δὲ μυρίους, ἄρματα δ' ἑπτακόσια. οὗτοι πρὸ μὲν τῆς Ἀλεξάνδρου παρουσίας ἐπολέμουν ἀλλήλοις, ὥς δ' ὁ βασιλεὺς ἤγγισε τῇ χώρᾳ, συνεφρόνησαν καὶ μυρία παρθένους δόντες καὶ λαβόντες διὰ τῆς ἐπιγαμίας ταύτης διηλλάγησαν. [2] οὐ μὴν συγκατέβησαν εἰς παράταξιν, ἀλλὰ πάλιν στασιάσαντες ὑπὲρ τῆς ἡγεμονίας εἰς τὰς σύνεγγυς πόλεις ἀπεχώρησαν. ὁ δ' Ἀλέξανδρος τῇ πρώτῃ πόλει πλησιάσας ἐξ ἐφόδου διενεοῖτο πολιορκεῖν ταύτην. [3] ἔνθα δὴ τῶν τερατοσκόπων τις Δημοφῶν ὄνομα προσελθὼν αὐτῷ διὰ τινων οἰωνῶν ἔφη προδηλοῦσθαι τῷ βασιλεῖ μέγαν κίνδυνον ἐκ τραύματος ἐσόμενον ἐν τῇ πολιορκίᾳ. διόπερ ἡξίου τὸν Ἀλέξανδρον ἀφεῖναι μὲν ταύτην τὴν πόλιν ἐπὶ τοῦ παρόντος, ἐφ' ἑτέρας δὲ πράξεις ἐπιβάλλειν τὸν νοῦν. [4] ὁ δὲ βασιλεὺς τούτῳ μὲν ἐπέπληξεν ὡς ἐμποδίζοντι τὴν ἀρετὴν τῶν ἀγωνιζομένων, αὐτὸς δὲ διατάξας τὰ περὶ τὴν πολιορκίαν πρῶτος ἡγεῖτο πρὸς τὴν πόλιν, φιλοτιμούμενος αὐτὴν διὰ τῆς βίας χειρῶσασθαι. τῶν δὲ μηχανικῶν ὀργάνων ὑστεροῦντων πρῶτος διακόψας πυλῖδα καὶ παρεισπεσὼν εἰς τὴν πόλιν πολλοὺς μὲν κατέβαλε, τοὺς δὲ λοιποὺς τρεψάμενος συνεδίωξεν εἰς τὴν ἀκρόπολιν. [5] τῶν δὲ Μακεδόνων περὶ τὴν τειχομαχίαν ἔτι διατριβόντων ἀρπάσας κλίμακα καὶ τοῖς τῆς ἄκρας τείχεσι προσερείσας καὶ τὴν πέλτην ὑπὲρ τῆς κεφαλῆς ἔχων προσανέβαινε. τῆς δὲ κατὰ τὴν ἐνέργειαν ὀξύτητος φθανούσης τοὺς προμαχομένους τῶν βαρβάρων ταχέως ἐπέβη τῷ τείχει. [6] τῶν δ' Ἰνδῶν εἰς χεῖρας μὲν ἔλθειν οὐ τολμώνων, ἐκ διαστήματος δὲ ἀκοντιζόντων καὶ τοξενόντων ὁ μὲν βασιλεὺς ὑπὸ τοῦ πλήθους τῶν βελῶν κατεπονέϊτο, οἱ δὲ Μακεδόνες δύο κλίμακας προσθέντες διὰ τούτων προσανέβαινον ἀθρόοι καὶ συντριβεισὼν ἀμφοτέρων ἐπὶ τὴν γῆν κατηνέχθησαν. 99. ὁ δὲ βασιλεὺς ἐρημωθεὶς πάσης βοηθείας ἐτόλμησεν ἐπιτελέσαι πρᾶξιν παράδοξον καὶ μνήμης ἀξίαν. τὸ γὰρ ἀπὸ τοῦ τείχους ἀπελθεῖν ἄπρακτον πρὸς τοὺς ἰδίους ἀνάξιον κρίνας ὑπάρχειν τῆς ἰδίας εὐπραξίας καθήλατο μετὰ τῶν ὅπλων μόνος εἰς τὴν πόλιν. [2] συνδραμόντων δ' ἐπ' αὐτὸν τῶν Ἰνδῶν ὑπέστη τεθαρρηκότες τὴν τῶν βαρβάρων ἐπιφοράν: προβαλλόμενος δ' ἐκ τῶν δεξιῶν δένδρον τι παρ' αὐτὸ τὸ τεῖχος ἐρριζωμένον, ἐκ δὲ τῶν εὐωνύμων αὐτὸ τὸ τεῖχος ἡμύνετο τοὺς Ἰνδοὺς, οὕτω τῷ θυμῷ παραστάς ὡς ἂν τις βασιλεὺς τηλικούτων ἤδη ἀπειργασμένων ἀνδραγαθήσειε, τὴν ἐσχάτην τοῦ βίου καταστροφὴν εὐκλεεστάτην γενέσθαι φιλοτιμούμενος. [3] πολλὰς μὲν γὰρ εἰς τὸ κράνος ἐλάμβανε πληγὰς, οὐκ ὀλίγας δὲ εἰς τὴν

πέλτην ἐδέχετο: τέλος δὲ τοξευθεὶς ὑπὸ τὸν μαστὸν ἔπεσεν εἰς γόνυ, κατισχυθεὶς ὑπὸ τῆς πληγῆς. εὐθὺ δ' ὁ μὲν τοξεύσας Ἴνδὸς καταφρονήσας προσέδραμε καὶ καταφέροντος αὐτοῦ πληγὴν ὁ Ἀλέξανδρος ὑπέθηκε τῇ λαγόνι τὸ ξίφος καὶ καιρίου γενομένου τοῦ τραύματος ὁ μὲν βάρβαρος ἔπεσεν, ὁ δὲ βασιλεὺς ἐπιλαβόμενος τοῦ πλησίον κλάδου καὶ διαναστὰς προεκαλεῖτο τῶν Ἰνδῶν τοὺς βουλομένους διαγωνίσασθαι. [4] κατὰ δὲ τοῦτον τὸν χρόνον Πευκέστης, εἷς τῶν ὑπασπιστῶν, δι' ἐτέρας κλίμακος προσαναβὰς πρῶτος ὑπερήσπισε τὸν βασιλέα: μετὰ δὲ τοῦτον ἕτεροι πλείους ἐπιφανέντες καὶ καταπληξάμενοι τοὺς βαρβάρους διέσωσαν τὸν Ἀλέξανδρον. τῆς δὲ πόλεως ἀλούσης κατὰ κράτος οἱ μὲν Μακεδόνες διὰ τὸν ὑπὲρ τοῦ βασιλέως θυμὸν πάντας τοὺς περιτυχόντας ἀνήρουν καὶ τὴν πόλιν νεκρῶν ἐπλήρωσαν. [5] ἐπὶ πολλὰς δὲ ἡμέρας τοῦ βασιλέως ἀσχοληθέντος περὶ τὴν θεραπείαν οἱ κατὰ τὴν Βακτριανὴν καὶ Σογδιανὴν κατοικισθέντες Ἕλληνες ἐκ πολλοῦ μὲν τὸν ἐν τοῖς βαρβάροις κατοικισμὸν χαλεπῶς ἔφερον, τότε δὲ φήμης προσπεσοῦσης αὐτοῖς ὅτι τρωθεὶς ὁ βασιλεὺς τετελεύτηκεν ἀπέστησαν ἀπὸ τῶν Μακεδόνων. [6] ἄθροισθέντες δὲ εἰς τρισχίλιους, κατὰ τὴν εἰς οἶκον ἀνακομιδὴν πολλὰ πονήσαντες, ὕστερον ὑπὸ τῶν Μακεδόνων κατεκόπησαν μετὰ τὴν Ἀλεξάνδρου τελευτὴν. 100.

ὁ δὲ Ἀλέξανδρος διασωθεὶς ἐκ τοῦ τραύματος καὶ θύσας τοῖς θεοῖς σωτήρια μεγάλας ἐστίασεις τῶν φίλων ἐποιεῖτο. παρὰ δὲ τὸν πότον ἰδιὸν τι συνέβη γενέσθαι καὶ μνήμης ἄξιον. [2] ἐν γὰρ τοῖς ἐταίροις παραληφθεὶς τις Μακεδὼν, ὄνομα Κόραγος, ῥώμῃ σώματος διαφέρων καὶ πολλάκις ἐν ταῖς μάχαις ἠνδραγαθηκώς, παροξυνθεὶς ὑπὸ τῆς μέθης προεκαλέσατο μονομαχῆσαι Διώξιππον τὸν Ἀθηναῖον, ἀθλητὴν ἄνδρα καὶ ταῖς ἐπιφανεστάταις νίκαις ἐστεφανωμένον. [3] τῶν δὲ παρακεκλημένων ἐπὶ τὸν πότον, ὡς εἰκός, συνεπιλαβομένων τῆς φιλοτιμίας καὶ τοῦ μὲν Διωξίππου συγκαταθεμένου, τοῦ δὲ βασιλέως ἡμέραν τῆς μάχης τάξαντος, ὡς ὁ τῆς μονομαχίας χρόνος ἦκεν, πολλαὶ μυριάδες ἀνδρῶν συνήχθησαν ἐπὶ τὴν θέαν. [4] καὶ τῶν μὲν Μακεδόνων ὁμοεθνῶν ὄντων τῷ Κοράγῳ καὶ τοῦ βασιλέως συμφιλοτιμουμένου, τῶν δὲ Ἑλλήνων τῷ Διωξίπῳ συναγωνιόντων προῆλθεν εἰς τὸν ἀγῶνα ὁ μὲν Μακεδὼν πολυτελέσιν ὅπλοις κεκοσμημένος, ὁ δ' Ἀθηναῖος γυμνὸς ὑπαλληλῖμμένος, [5] ἔχων ῥόπαλον σύμμετρον. ἀμφοτέρων δὲ τῇ τε τοῦ σώματος ῥώμῃ καὶ τῇ τῆς ἀλκῆς ὑπεροχῇ θαυμαζομένων οἰονεῖ τις θεομαχία μέλλουσα γίνεσθαι προσεδοκίμη: ὁ μὲν γὰρ Μακεδὼν διὰ τε τὴν φύσιν τοῦ σώματος καὶ τὴν λαμπρότητα τῶν ὅπλων μεγάλην ἐπιφέρων κατάπληξιν Ἄρει παρεμφερὴς ὑπελαμβάνετο, ὁ δὲ Διώξιππος ὑπερέχων τε τῇ ῥώμῃ καὶ διὰ τὴν ἐκ τῆς ἀθλήσεως μελέτην, ἔτι δὲ διὰ τὴν περὶ τὸ ῥόπαλον ιδιότητα τὴν πρόσοψιν Ἡρακλεωτικὴν εἶχεν. [6] ὡς δ' ἐπῆγον ἀλλήλοις, ὁ μὲν Μακεδὼν ἐκ συμμέτρου διαστήματος λόγχην ἠκόντισεν, ὁ δ' ἕτερος βραχὺν παρεγκλίνας τὴν ἐπιφερομένην πληγὴν ἐξένευσεν. εἴθ' ὁ μὲν τὴν Μακεδονικὴν σάρισαν προβεβλημένος ἐπεπορεύετο, ὁ δ' ἐγγίσαντος αὐτοῦ τῷ ῥοπάλῳ πατάξας τὴν σάρισαν ἀπέθραυσεν. [7] ὁ δὲ δυσὶν ἐλαττώμασι περιπεσὼν ἐπὶ τὴν ἀπὸ τοῦ ξίφους μάχην κατήντησεν. μέλλοντος δ' αὐτοῦ σπᾶσθαι τὴν μάχαιραν ἔφθασε προπηθήσας καὶ τῇ μὲν εὐωνύμῳ κατέλαβε τὴν

ἔλκουσαν τὸ ξίφος χεῖρα, τῇ δ' ἄλλη κινήσας ἐκ τῆς βάσεως τὸν ἀντίπαλον ὑπέσυρε τὰ σκέλη. [8] ῥιπέντος δ' ἐπὶ γῆν ἐπιβάς ἐπὶ τὸν τράχηλον τῷ ποδὶ καὶ τὸ ρόπαλον ἀνατεινόμενος ἀνέβλεψεν πρὸς τοὺς θεωμένους. 101. ἀναβοήσαντος δὲ τοῦ πλήθους διὰ τε τὸ παράδοξον καὶ τὴν ὑπερβολὴν τῆς ἀνδραγαθίας ὁ μὲν βασιλεὺς προσέταξεν ἀφεῖναι καὶ τὴν θεὰν διαλύσας ἀπηλλάγη, δυσφορῶν ἐπὶ τῇ τοῦ Μακεδόνοιο ἡττῇ. [2] ὁ δὲ Διώξιππος ἀφείας τὸν πεπτωκότα καὶ περιβόητον νίκην ἀπενεγκάμενος ἀπῆει ταινιούμενος ὑπὸ τῶν ὁμοφύλων, ὥς κοινὴν πᾶσι τοῖς Ἑλλήσι παρεσχημένος εὐδοξίαν. οὐ μὴν ἡ τύχη γε εἵασεν ἐπὶ πολὺν χρόνον καυχήσασθαι τὸν ἄνδρα τῇ νίκῃ. [3] ὁ τε γὰρ βασιλεὺς ἄλλοτριώτερον αἰεὶ διετέθη πρὸς αὐτόν, οἱ τε φίλοι τοῦ Ἀλεξάνδρου καὶ πάντες οἱ περὶ τὴν αὐτὴν Μακεδόνες, φθονοῦντες αὐτοῦ τῇ ἀρετῇ, ἔπεισαν μὲν τὸν ἐπὶ τῆς διακονίας τεταγμένον ὑποβαλεῖν ὑπὸ τὸ προσκεφάλαιον χρυσοῦν ποτήριον, αὐτοὶ δὲ κατὰ τὸν ἐξῆς πότον καταιτιασάμενοι κλοπὴν καὶ ποτήριον εὐρηκέναι προσποιηθέντες εἰς αἰσχύνην καὶ ἄδοξίαν ἤγαγον τὸν Διώξιππον. [4] ὁ δὲ θεωρῶν τὴν ἐπ' αὐτόν συνδρομὴν τῶν Μακεδόνων τότε μὲν ἐξηλθεν ἐκ τοῦ πότου, μετ' ὀλίγον δὲ ἐπὶ τὴν ἰδίαν κατάλυσιν παραγενόμενος καὶ γράψας πρὸς τὸν Ἀλέξανδρον ἐπιστολὴν περὶ τῶν καθ' αὐτοῦ μεμηχανημένων ταύτην μὲν ἐνετείλατο τοῖς ἰδίοις δοῦναι τῷ βασιλεῖ, αὐτὸν δ' ἐκ τοῦ ζῆν μετέστησεν, ἀβούλως μὲν εἰς τὴν μονομαχίαν συγκαταβάς, πολὺ δ' ἀφρονεστέραν τὴν τοῦ βίου καταστροφὴν ποιησάμενος. [5] διὸ καὶ πολλοὶ τῶν καταμεμφομένων αὐτοῦ τὴν ἄνοιαν ἐπιπλήττοντες ἔφασαν χαλεπὸν εἶναι δύναμιν μὲν σώματος ἔχειν μεγάλην, νοῦν δὲ μικρόν. [6] ὁ δὲ βασιλεὺς ἀναγνοὺς τὴν ἐπιστολὴν χαλεπῶς μὲν ἠνεγκεν ἐπὶ τῇ τάνδρὸς τελευτῇ καὶ πολλάκις ἐπεζήτησε τὴν ἀρετὴν αὐτοῦ καὶ παρόντι μὲν οὐ χρησάμενος, ἀπόντα δὲ ἐπιποθήσας ὅτε οὐδὲν ὄφελος ἔγνω τὴν καλοκάγαθίαν τάνδρὸς ἐκ τῆς τῶν διαβαλόντων κακίας. 102.

ὁ δ' οὖν Ἀλέξανδρος τὴν μὲν στρατιὰν προσέταξεν παρὰ τὸν ποταμὸν ἀντιπαράγειν ταῖς ναυσίν, αὐτὸς δὲ τὸν διὰ τοῦ ποταμοῦ κατὰ τὸν Ὠκεανὸν πλοῦν ποιούμενος κατῆρεν εἰς τὴν χώραν τῶν ὀνομαζομένων Σαμβαστῶν. [2] οὗτοι δὲ τῷ τε πλήθει τῶν ἀνδρῶν καὶ ταῖς ἀρεταῖς οὐδενὸς τῶν Ἰνδικῶν ἐθνῶν λείπονται· οἰκοῦντες δὲ πόλεις δημοκρατουμένας καὶ τὴν ἔφοδον τῶν Μακεδόνων πυνθανόμενοι στρατιώτας ἤθροισαν πεζοὺς μὲν ἑξακισμυρίους, ἵππεις δὲ ἑξακισχιλίους, ἄρματα δὲ πεντακόσια. [3] τοῦ δὲ στόλου προσπλέοντος τῷ ξένῳ καὶ παραδόξῳ τῆς παρουσίας πτοηθέντες καὶ τὴν διαβεβοημένην δόξαν τῶν Μακεδόνων καταπλαγέντες, ἔτι δὲ τῶν πρεσβυτέρων συμβουλευσάντων μὴ διαγωνίζεσθαι πεντήκοντα τοὺς ἐπιφανεστάτους πρεσβευτὰς ἐξαπέστειλαν, ἀξιοῦντες φιланθρώπως αὐτοῖς προσενεχθῆναι. [4] ὁ δὲ βασιλεὺς ἐπαινέσας τοὺς ἄνδρας καὶ συγχωρήσας τὴν εἰρήνην δωρεαῖς τε μεγάλαις καὶ τιμαῖς ἡρωικαῖς ὑπὸ τῶν ἐγχωρίων ἐτιμήθη. μετὰ δὲ ταῦτα τοὺς παρὰ τὸν ποταμὸν ἐξ ἀμφοτέρων τῶν μερῶν κατοικοῦντας, ὀνομαζομένους δὲ Σόδρας καὶ Μασσανοὺς, προσηγάγετο. περὶ δὲ τούτους τοὺς τόπους ἔκτισε πόλιν Ἀλεξάνδρειαν κατὰ τὸν ποταμόν, μυρίους καταλέξας οἰκήτορας. [5] μετὰ δὲ ταῦτα εἰς τὴν Μουσικάνου τοῦ βασιλέως χώραν καταντήσας τὸν τε δυνάστην ὑποχείριον λαβὼν ἀπέκτεινε

καὶ τὸ ἔθνος ὑποχείριον ἐποίησεν. ἐξῆς δ' εἰς τὴν Πορτικάνου δυναστείαν ἐμβαλὼν δύο μὲν ἐξ ἐφόδου πόλεις ἐξεπολιόρκησε καὶ τοῖς στρατιώταις ἐφεῖς διαρπάσαι τὰς οἰκίας ἐνέπρησεν, αὐτὸν δὲ τὸν Πορτικᾶνον εἰς χωρίον ὀχυρὸν καταφυγόντα χειρωσάμενος ἀπέκτεινε μαχόμενον. τὰς δὲ πόλεις ἀπάσας τὰς ὑπὸ τοῦτον τεταγμένας ἐκπολιορκήσας κατέσκαψε καὶ πολὺν φόβον τοῖς πλησιοχώροις ἐπέστησεν. [6]

ἐξῆς δὲ τὴν τε Σάμβου βασιλείαν ἐξεπόρθησε καὶ τὰς πλείστας πόλεις ἐξανδραποδισάμενος καὶ κατασκάψας κατέκοψε τῶν βαρβάρων ὑπὲρ τὰς ὀκτὼ μυριάδας. [7] τὸ μὲν οὖν ἔθνος τῶν ὀνομαζομένων Βραχμάνων τοιαύταις περιέπεσε συμφοραῖς: τῶν δὲ λοιπῶν μεθ' ἱκετηριῶν δεηθέντων τοὺς αἰτιωτάτους κολάσας τοὺς λοιποὺς ἀπέλυσε τῶν ἐγκλημάτων. ὁ δὲ βασιλεὺς Σάμβος μετὰ τριάκοντα ἐλεφάντων φυγὼν εἰς τὴν πέραν τοῦ Ἰνδοῦ χώραν διέφυγε τὸν κίνδυνον. 103.

τῆς δ' ἐσχάτης τῶν Βραχμάνων πόλεως, ἣν ὀνομάζουσιν Ἀρματήλια, πεφρονηματισμένης ἐπ' ἀνδρεία καὶ δυσχωρίαις ἀπέστειλεν ὀλίγους τῶν ψιλῶν, προστάξας ἐξάπτεσθαι τῶν πολεμίων καὶ ἐὰν ἐπεξίωσιν ὑποφεύγειν. [2] οὗτοι μὲν οὖν ὄντες πεντακόσιοι καὶ προσμαχόμενοι τοῖς τείχεσι κατεφρονήθησαν. ἐπεξελθόντων δ' ἐκ τῆς πόλεως στρατιωτῶν τρισχιλίων προσποιηθέντες καταπεπληχθαι πρὸς φυγὴν ὥρμησαν. [3] ὁ δὲ βασιλεὺς μετ' ὀλίγον ὑποστάς τοὺς διώκοντας τῶν βαρβάρων καὶ μάχην καρτερὰν συστησάμενος οὓς μὲν ἀπέκτεινε τῶν βαρβάρων, οὓς δ' ἐζώργησε. τῶν δὲ μετὰ τοῦ βασιλέως οὐκ ὀλίγοι τρωθέντες εἰς τοὺς ἐσχάτους ἦλθον κινδύνους: [4] ὁ γὰρ τῶν βαρβάρων σίδηρος κεχρισμένος ἦν φαρμάκου θανασίμου δυνάμει, ἧ πεποιθότες κατέβησαν εἰς τὴν διὰ τῆς μάχης κρίσιν. κατεσκεύαστο δὲ ἡ τοῦ φαρμάκου δύναμις ἐκ τινων ὄφρων θηρευομένων καὶ τούτων εἰς τὸν ἥλιον νεκρῶν τιθεμένων. [5] τῆς δ' ἐκ τοῦ καύματος θερμασίας τηκούσης τὴν τῆς σαρκὸς φύσιν ἰδρῶτας ἐκπίπτειν συνέβαινε καὶ διὰ τῆς νοτίδος συνεκκρίνεσθαι τὸν τῶν θηρίων ἰόν. διὸ καὶ τοῦ τρωθέντος εὐθὺς ἐνάρκα τὸ σῶμα καὶ μετ' ὀλίγον ὀξεῖται συνηκολούθουν ὀδύναι καὶ σπασμὸς καὶ τρόμος τὸν ὅλον ὄγκον κατεῖχεν, ὃ τε χρῶς ψυχρὸς καὶ πελιδνὸς ἐγίνετο καὶ διὰ τῶν ἐμέτων ἐξέπιπτεν χολή, πρὸς δὲ τούτοις ἀπὸ τοῦ τραύματος μέλας ἀφρὸς ἀπέρρει καὶ σηπεδὼν ἐγεννᾶτο. αὕτη δὲ νεμομένη ταχέως ἐπέτρεχε τοῖς καιρίοις τόποις τοῦ σώματος καὶ δεινούς θανάτους ἀπειργάζετο. [6] διὸ συνέβαινε τὰ ἴσα τοῖς μεγάλα τραύματ' εἰληφόσι καὶ τοῖς μικρὰν καὶ τὴν τυχοῦσαν ἀμυγὴν ἀναδεξαμένοις. τοιαύτη δ' ἀπωλεία τῶν τρωθέντων ἀπολλυμένων ἐπὶ μὲν τοῖς ἄλλοις οὐχ οὕτως ὁ βασιλεὺς ἐλυπήθη, ἐπὶ δὲ Πτολεμαίῳ τῷ ὕστερον μὲν βασιλεύσαντι, τότε δὲ ἀγαπωμένῳ μεγάλως ἠχθέσθη. [7] ἴδιον γάρ τι καὶ παράδοξον συνέβη γενέσθαι περὶ τὸν Πτολεμαῖον, ὃ τινες εἰς θεῶν πρόνοιαν ἀνέπεμπον. ἀγαπώμενος γὰρ ὑφ' ἀπάντων διὰ τὴν ἀρετὴν καὶ ὑπερβολὴν τῆς εἰς πάντας εὐεργεσίας, οἰκείας τοῦ φιλανθρώπου βοηθείας ἔτυχεν. ὁ γὰρ βασιλεὺς εἶδεν ὄψιν κατὰ τὸν ὕπνον, καθ' ἣν ἔδοξεν ὀρᾶν δράκοντα βοτάνην ἐν τῷ στόματι κρατεῖν καὶ δεῖξαι ταύτης τὴν φύσιν καὶ τὴν δύναμιν καὶ τὸν τόπον ἐν ᾧ φύεται. [8] ἐγερθεὶς οὖν ὁ Ἀλέξανδρος καὶ τὴν βοτάνην ἀναζητήσας καὶ τρίψας τό τε σῶμα τοῦ

Πτολεμαῖου κατέπλασε καὶ πιεῖν δούς ὑγίη κατέστησε. γνωσθείσης δὲ τῆς εὐχρηστίας καὶ οἱ λοιποὶ τυχόντες τῆς ὁμοίας θεραπείας διεσώθησαν. τὴν δὲ πόλιν τῶν Ἀρματηλίων, οὗσαν ὄχυράν καὶ μεγάλην, ἐπεβάλετο μὲν πολιορκεῖν, τῶν δ' ἐγχωρίων ἀπαντησάντων μεθ' ἱκετηρίων καὶ παραδόντων ἑαυτοὺς ἀπέλυσεν αὐτοὺς τῆς τιμωρίας. 104.

αὐτὸς δὲ καταπλεύσας εἰς τὸν Ὠκεανὸν μετὰ τῶν φίλων καὶ δύο νήσους ἐνταῦθα κατιδὼν ἔθυσεν ἐν αὐταῖς τοῖς θεοῖς μεγαλοπρεπῶς καὶ πολλὰ μὲν ἐκπώματα καὶ μεγάλα χρυσᾶ κατεπόντισε ταῖς σπονδαῖς συναφιεῖς, βωμοὺς δὲ Τηθύος καὶ Ὠκεανοῦ κατασκευάσας ὑπέλαβεν τετελευτηκέναι τὴν προκεχειρισμένην στρατείαν. ἀναζεύξας δ' ἐντεῦθεν εἰς τοῦπίσω διὰ τοῦ ποταμοῦ παρέπλευσεν εἰς Πάταλα, πόλιν ἐπίσημον. [2] αὕτη δὲ τὴν πολιτείαν εἶχε διατεταγμένην ὁμοίως τῇ Σπάρτῃ: ἀπὸ δύο γὰρ οἴκων ἐν αὐτῇ διεδέχοντο δύο βασιλεῖς, αἰεὶ τῶν κατὰ πόλεμον ἡγούμενοι πραττομένων, τὸ δὲ τῶν γερόντων ἀρχεῖον τῶν ὅλων προειστήκει. [3] ὁ δ' οὖν Ἀλέξανδρος τὰ πεπονηκότα τῶν σκαφῶν ἐνέπρησε, τὸν δὲ λοιπὸν στόλον παραδούς Νεάρχῳ καὶ τισιν ἄλλοις τῶν φίλων προσέταξε τὴν παραλίαν πᾶσαν παραπλευσαὶ δι' Ὠκεανοῦ καὶ πάντα κατασκευασμένους ἀπαντᾶν ἐπὶ τὰς ἐκβολὰς τοῦ Εὐφράτου ποταμοῦ. [4] αὐτὸς δὲ ἀναλαβὼν τὴν δύναμιν ἐπῆλθε πολλὴν χώραν καὶ τοὺς μὲν ἐναντιουμένους κατεπολέμησε, τοὺς δὲ πειθαρχοῦντας φιλανθρώπως προσεδέχετο. τοὺς μὲν γὰρ Ἀβρίτας ὀνομαζομένους καὶ τοὺς τὴν Κεδρωσίαν οἰκοῦντας χωρὶς κινδύνων προσηγάγετο, [5] μετὰ δὲ ταῦτα πολλὴν μὲν ἄνδρον, οὐκ ὀλίγην δὲ ἔρημον διελθὼν ἐπὶ τὰ Ὠρεΐτιδος ὄρια κατήντησεν. εἰς τρία δὲ μέρη τὴν δύναμιν διελόμενος τοῦ μὲν πρώτου μέρους ἀπέδειξεν ἡγεμόνα Πτολεμαῖον, τοῦ δὲ δευτέρου Λεοννάτον, [6] καὶ τὴν μὲν παραθαλαττίαν λεηλατεῖν προσέταξε Πτολεμαῖον, τὴν μεσόγειον δὲ κατασῦραι Λεοννάτον, τὴν δ' ὑπώρειαν καὶ τὴν ὀρεινὴν αὐτὸς ἐπόρθησεν. ἅμα δ' ὑφ' ἑνα καὶ τὸν αὐτὸν καιρὸν πολλῆς χώρας δηουμένης ἔγεμε πᾶς τόπος πυρὸς καὶ διαρπαγῆς καὶ πολλῶν φόνων. [7] διόπερ ταχέως οἱ μὲν στρατιῶται πολλῆς λείας ἐκυρίευσαν, τῶν δ' ἀναιρεθέντων σωμάτων ἀριθμὸς ἐγένετο πολλῶν μυριάδων. τῇ δὲ τῶν ἐθνῶν τούτων ἀπωλείᾳ πάντες οἱ πλησιόχωροι περίφοβοι γενόμενοι προσεχώρησαν τῷ βασιλεῖ. [8] ὁ δ' Ἀλέξανδρος παρὰ θάλατταν ἐφιλοτιμήθη κτίσαι πόλιν καὶ λιμένα μὲν εὐρὼν ἄκλυστον, πλησίον δ' αὐτοῦ τόπον εὐθετον ἔκτισεν ἐν αὐτῷ πόλιν Ἀλεξάνδρειαν. 105. εἰς δὲ τὴν τῶν Ὠρειτῶν χώραν διὰ τῶν παρόδων παρειαλθὼν ταχέως ἅπασαν ὑπήκοον ἐποίησατο. οἱ δὲ Ὠρεῖται τὰ μὲν ἄλλα παραπλήσια τοῖς Ἰνδοῖς ἔχουσιν, ἐν δὲ ἐξηλλαγμένον καὶ παντελῶς ἄπιστον. [2] τῶν γὰρ τελευτησάντων παρ' αὐτοῖς τὰ σώματα ἐκφέρουσιν οἱ συγγενεῖς γυμνοὶ λόγchas ἔχοντες, εἰς δὲ τοὺς ἐπὶ τῆς χώρας δρυμοὺς θέντες τὸ σῶμα τὸν μὲν περικείμενον τῷ νεκρῷ κόσμον περιαιροῦνται, τὸ δὲ σῶμα τοῦ τετελευτηκότος καταλείπουσι βορὰν τοῖς θηρίοις: τὰς δ' ἐσθῆτας διελόμενοι θύουσι τοῖς κατὰ γῆν ἥρῳσι καὶ τῶν οἰκείων ὑποδοχὴν ποιοῦνται. [3]

μετὰ δὲ ταῦθ' ὁ Ἀλέξανδρος προῆγεν ἐπὶ τὴν Κεδρωσίαν, παρὰ θάλατταν τὴν πορείαν ποιοῦμενος, καὶ κατήντησεν εἰς ἔθνος ἄξενον καὶ παντελῶς θηριῶδες. [4] τοὺς τε γὰρ ὄνυχας οἱ τῇδε κατοικοῦντες ἐκ γενετῆς αὖζουσι

μέχρι γήρως καὶ τὸ τρίχωμα πεπιλωμένον ἕως, τὸ δὲ χρῶμα διὰ τὴν τοῦ ἡλίου θερμότητα κατακεκαυμένον ἔχουσι καὶ δορὰς θηρίων περιβέβληνται. [5] σιτοῦνται δὲ τὰ ἐκβαλλόμενα κήτη σαρκοφαγοῦντες καὶ τὰς οἰκήσεις κατασκευάζουσι τοὺς μὲν τοίχους ἀνοικοδομοῦντες, τὰς δ' ὀροφὰς ἐκ τῶν τοῦ κήτους πλευρῶν, ἐξ ὧν ὀκτωκαίδεκαπήχεις δοκοὶ κατηρτίζοντο: ἀντὶ δὲ τῶν κεράμων ταῖς φολίσιν τῶν ζώων τὰς στέγας κατεκάλυπτον. [6] ὁ δὲ Ἀλέξανδρος διελθὼν τοῦτο τὸ ἔθνος ἐπιπόνως διὰ σπάνιν τροφῆς ἐνέβαλεν εἰς χώραν ἔρημον καὶ πάντων τῶν εἰς τὸ ζῆν χρησίμων σπανίζουσιν. πολλῶν δὲ διὰ τὴν ἔνδειαν διαφθειρομένων ἢ τε δύναμις τῶν Μακεδόνων ἡθύμησεν καὶ ὁ Ἀλέξανδρος ἐνέπεσεν οὐκ εἰς τὴν τυχούσαν λύπην τε καὶ φροντίδα: δεινὸν γὰρ ἐφαίνετο τοὺς ἀρετῇ καὶ τοῖς ὅπλοις ἅπαντας ὑπερβαλομένους ἐν ἐρήμῳ χώρα πάντων σπανίζοντας ἀκλεῶς ἀπόλλυσθαι. [7] διόπερ εὐζώνους ἄνδρας ἐξέπεμψεν εἰς τὴν Παρθυαίαν καὶ Δραγγινὴν καὶ Ἀρίαν καὶ τὰς ἄλλας τὰς πλησιοχώρους τῇ ἐρήμῳ, προστάξας ταχέως ἀγαγεῖν ἐπὶ τὰς ἐμβολὰς τῆς Καρμανίας δρομάδας καμήλους καὶ τὰ νωτοφορεῖν εἰωθότα τῶν φορτίων, γεμίσαντας σίτου καὶ τῶν ἄλλων ἐπιτηδείων. [8] οὗτοι μὲν οὖν ὁξέως διανύσαντες πρὸς τοὺς σατράπας τούτων τῶν ἐπαρχιῶν ἐποίησαν παρακομισθῆναι πολλὴν ἀγορὰν ἐπὶ τὸν ὠρισμένον τόπον. ὁ δὲ Ἀλέξανδρος τὸ μὲν πρῶτον διὰ τὴν ἀβοήθητον ἔνδειαν πολλοὺς ἀπέβαλε τῶν στρατιωτῶν, μετὰ δὲ ταῦτα κατὰ τὴν πορείαν ὄντος αὐτοῦ τῶν Ὀρειτῶν τινες ἐπιθέμενοι τοῖς περὶ τὸν Λεοννάτον τεταγμένοις καὶ συχνοὺς καταβαλόντες ἀπέφυγον εἰς τὴν ἑαυτῶν χώραν. 106.

μόγις δὲ περάσας τὴν ἔρημον ἦκεν εἰς χώραν οἰκουμένην καὶ πάντων τῶν χρησίμων εὐποροῦσαν. ἐν ταύτῃ δὲ προσαναλαβὼν τὴν δύναμιν ἐφ' ἐπτά μὲν ἡμέρας προῆι κεκοσμημένη τῇ δυνάμει πανηγυρικῶς καὶ Διονύσῳ κῶμον ἤγαγεν ἐορτάζων καὶ μέθη καὶ πότοις χρώμενος κατὰ τὴν ὁδοιορίαν. [2] ἀπὸ τούτων δὲ γενόμενος, ἀκούσας ὅτι πολλοὶ τῶν βιαίως καὶ ὑβριστικῶς κεχρημένων ταῖς ἐξουσίαις παρανενομήκασιν, πολλοὺς τῶν τε σατραπῶν καὶ στρατηγῶν τιμωρίας ἡξίωσεν. τῆς δ' εἰς τοὺς παρανενομηκότας ἡγεμόνας μισοπονηρίας διαβοηθείσης πολλοὶ τῶν στρατηγῶν συνειδότες ἑαυτοῖς ὕβρεις καὶ παρανομίας εἰς φόβον ἐνέπιπτον καὶ τινὲς μὲν μισθοφόρους ἔχοντες ἀφίσταντο τοῦ βασιλέως, τινὲς δὲ χρήματα συσκευασάμενοι δρασμοὺς ἐποιοῦντο. [3] ταῦτα δὲ πυνθανόμενος ὁ βασιλεὺς πρὸς πάντας τοὺς κατὰ τὴν Ἀσίαν στρατηγοὺς καὶ σατράπας ἔγραψεν, ἐπειδὴν ἀναγνῶσι τὴν ἐπιστολήν, παραχρῆμα πάντας τοὺς μισθοφόρους ἀπολῦσαι. [4]

κατὰ δὲ τοῦτον τὸν καιρὸν τοῦ βασιλέως διατρίβοντος ἐν τινὶ παραθαλαττίῳ πόλει ὀνομαζομένη Σαλμοῦντι καὶ σκηνικοὺς ἀγῶνας ἐν τῷ θεάτρῳ ποιοῦντος κατέπλευσαν οἱ δι' Ὀκεανοῦ πλεῖν τὴν παραθαλάττιον ἀπεσταλμένοι καὶ παραχρῆμα εἰς τὸ θέατρον παρελθόντες τὸν τε Ἀλέξανδρον ἡσπάσαντο καὶ περὶ τῶν πεπραγμένων ἀπήγγειλαν. [5] οἱ δὲ Μακεδόνες ἡσθέντες τῇ παρουσίᾳ τῶν ἀνδρῶν κρότῳ μεγάλῳ τὸ γεγονὸς ἐπεσημήναντο καὶ πᾶν τὸ θέατρον μεστὸν ἦν χαρᾶς ἀνυπερβλήτου. [6] οἱ δὲ καταπεπλευκότες ἀπήγγελλον ἀμπώτεις τε καὶ πλήμας παραδόξους γίνεσθαι κατὰ τὸν Ὀκεανὸν καὶ κατὰ μὲν τὰς ἀμπώτεις παραδόξους νήσους τε ὁρᾶσθαι πολλὰς καὶ

μεγάλας ἐπ' ἄκρας τῆς παραθαλαττίου χώρας, κατὰ δὲ τὰς πλήμας ἅπαντας τοὺς προειρημένους τόπους κατακλύζεσθαι, πολλοὺ καὶ βιαίου ρεύματος φερομένου πρὸς τὴν χέρσον, τῆς δ' ἐπιφανείας ἀφρῶ πολλῶ λευκαينوμένης. τὸ δὲ παραδοξότατον, κήτεσι πολλοῖς καὶ τὸ μέγεθος ἀπίστοις συγκεκυρηκέναι: [7] ταῦτα δὲ φοβηθέντας αὐτοὺς τὸ μὲν πρῶτον ἀπελπίσαι τὸ ζῆν ὡς αὐτίκα μάλα μετὰ τῶν σκαφῶν διαφθαρησομένους, μετὰ δὲ ταῦτα ἐξ ἀπάντων μιᾶς φωνῆς γινομένης καὶ διὰ τῶν ὅπλων πολλοῦ συντελουμένου ψόφου, πρὸς δὲ τούτοις τῶν σαλπίγγων ἐνιεμένων τῷ παραδόξῳ πτοηθῆναι τὰ θηρία καὶ δῦναι πρὸς βυθόν. 107.

ὁ δὲ βασιλεὺς περὶ τούτων διακούσας τοῖς μὲν ἡγουμένοις τοῦ στόλου παρήγγειλεν ἐπὶ τὸν Εὐφράτην καταπλεῦσαι, αὐτὸς δὲ μετὰ τῆς δυνάμεως πολλὴν χώραν διελθὼν συνῆψε τοῖς Σουσιανοῖς ὅροις. περὶ δὲ τοὺς καιροὺς τούτους Κάρανος ὁ Ἰνδός, ἐν φιλοσοφίᾳ μεγάλην ἔχων προκοπὴν καὶ τιμώμενος ὑπ' Ἀλεξάνδρου, παράδοξον ἐποιήσατο τὴν τοῦ βίου καταστροφὴν. [2] βεβιωκὼς γὰρ ἔτη τρία πρὸς τοῖς ἑβδομήκοντα καὶ πάντα τὸν χρόνον ἀπείρατος γεγωνὼς ἀρρωστίας ἔκρινεν ἑαυτὸν ἐκ τοῦ ζῆν μεταστῆσαι ὡς τὸ τέλειον τῆς εὐδαιμονίας παρὰ τε τῆς φύσεως καὶ τῆς τύχης ἀπειληφώς. [3] καταπειραθεὶς δ' ὑπ' ἀρρωστίας καὶ καθ' ἡμέραν αἰεὶ μᾶλλον βαρυνόμενος ἠξίωσε τὸν βασιλέα πυρὰν αὐτῷ μεγάλην κατασκευάσαι καὶ προσαναβάντος ἐπὶ ταύτην αὐτοῦ προστάξει τοῖς ὑπηρέταις πῦρ ἐνεῖναι. [4] ὁ δὲ Ἀλέξανδρος τὸ μὲν πρῶτον αὐτὸν ἀποτρέπειν ἐπειράτο ταύτης τῆς ἐπιβολῆς, ὡς δ' οὐχ ὑπήκουσεν, ὠμολόγησε συντελέσειν περὶ ὧν ἠξιωκὼς ἦν. διαγγελθείσης δὲ τῆς πράξεως ἡ μὲν πυρὰ κατεσκευάσθη, τὸ δὲ πλῆθος κατήντησεν ἐπὶ τὴν παράδοξον θέαν. [5] ὁ δὲ Κάρανος ἀκολουθήσας τοῖς ἰδίῳις δόγμασι τεθαρρηκότως ἐπέστη τῇ πυρᾷ καὶ μετὰ ταύτης καταφλεχθεὶς ἐτελεύτησεν. τῶν δὲ παρόντων οἱ μὲν μανίαν αὐτοῦ κατέγνωσαν, οἱ δὲ κενοδοξίαν ἐπὶ καρτερίᾳ, τινὲς δὲ τὴν εὐψυχίαν καὶ τὴν τοῦ θανάτου καταφρόνησιν ἐθαύμασαν. [6] ὁ δὲ βασιλεὺς τοῦτον μὲν ἔθαψε πολυτελῶς, αὐτὸς δὲ παρελθὼν εἰς Σοῦσα τὴν μὲν πρεσβυτέραν τῶν Δαρείου θυγατέρων Στάτειραν ἔγημεν, τὴν δὲ νεωτέραν Ἥφαιστίῳι συνώκισε Δρυπῆτιν. ἔπεισε δὲ καὶ τοὺς ἐπιφανεστάτους τῶν φίλων γῆμαι καὶ συνώκισεν αὐτοῖς τὰς εὐγενεστάτας παρθένους Περσίδας. 108.

κατὰ τοῦτον τὸν καιρὸν ἦκον εἰς τὰ Σοῦσα τρισμῦριοι τῶν Περσῶν, νέοι μὲν παντελῶς ταῖς ἡλικίαις, ἐπιλελεγμένοι δὲ ταῖς τῶν σωμάτων εὐπρεπεῖαις τε καὶ ῥώμαις. [2] κατὰ δὲ τινὰς ἐντολὰς τοῦ βασιλέως ἡθροισμένοι, χρόνον ἱκανὸν ἐπιστάτας καὶ διδασκάλους ἐσχηκότες τῶν πολεμικῶν ἔργων, πάντες δὲ Μακεδονικαῖς πανοπλίαις πολυτελῶς κεκοσμημένοι, παρεμβολὴν μὲν ἐποιήσαντο πρὸ τῆς πόλεως, ἐπιδειξάμενοι δὲ τῷ βασιλεῖ τὴν ἐν τοῖς ὅπλοις ἄσκησιν καὶ μελέτην ἐτιμήθησαν διαφερόντως. [3] τῶν γὰρ Μακεδόνων πρὸς τὴν τοῦ Γάγγου ποταμοῦ διάβασιν ἀντειπόντων καὶ πολλάκις ἐν ταῖς ἐκκλησίαις καταβοώντων καὶ τὴν ἐξ Ἄμμωνος γένεσιν διασυρόντων τοῦτο τὸ σύστημα κατεσκευάσεν ἐκ μιᾶς μὲν ἡλικίας τῶν Περσῶν καὶ ὁμοίας συνεστηκός, δυνάμενον δὲ ἀντίταγμα γενέσθαι τῇ Μακεδονικῇ φάλαγγι. καὶ τὰ μὲν περὶ Ἀλέξανδρον ἐν τούτοις ἦν. [4]

Ἄρπαλος δὲ τῶν ἐν Βαβυλῶνι θησαυρῶν καὶ τῶν προσόδων τὴν φυλακὴν πεπιστευμένος, ἐπειδὴ τάχιστα ὁ βασιλεὺς εἰς τὴν Ἰνδικὴν ἐστράτευσεν, ἀπέγνω τὴν ἐπάνοδον αὐτοῦ, δούς δ' ἑαυτὸν εἰς τρυφὴν καὶ πολλῆς χώρας ἀποδεδειγμένος σατράπης τὸ μὲν πρῶτον εἰς ὕβρεις γυναικῶν καὶ παρὰ νόμους ἔρωτας βαρβάρων ἐξετράπη καὶ πολλὰ τῆς γάξης ἀκρατεστάταις ἡδοναῖς κατανάλωσεν, ἀπὸ δὲ τῆς Ἐρυθρᾶς θαλάσσης πολὺ διάστημα κομίζων ἰχθύων πλῆθος καὶ δίαιταν πολυδάπανον ἐνιστάμενος ἐβλασφημεῖτο. [5] μετὰ δὲ ταῦτ' ἐκ τῶν Ἀθηναίων τὴν ἐπιφανεστάτην τῶν ἐταίρων ὄνομα Πυθονίκην μετεπέμψατο καὶ ζῶσάν τε αὐτὴν βασιλικαῖς δωρεαῖς ἐτίμησε καὶ μεταλλάξασαν ἔθαψε πολυτελῶς καὶ τάφον κατὰ τὴν Ἀττικὴν κατεσκεύασε πολυδάπανον. [6] μετὰ δὲ ταῦτα ἄλλην ἐταίραν Ἀττικὴν ὄνομα Γλυκέραν μεταπεμψάμενος ἐν ὑπερβαλλούσῃ τρυφῇ καὶ πολυδαπάνῳ διαιτήματι διεξῆγεν· εἰς δὲ τὰ παράλογα τῆς τύχης καταφυγὰς ποριζόμενος εὐεργέτει τὸν τῶν Ἀθηναίων δῆμον. τοῦ δὲ Ἀλεξάνδρου μετὰ τὴν ἐξ Ἰνδῶν ἐπάνοδον πολλοὺς τῶν σατραπῶν κατηγορηθέντας ἀνελόντος φοβηθεὶς τὴν τιμωρίαν καὶ συσκευασάμενος ἀργυρίου μὲν τάλαντα πεντακισχίλια, μισθοφόρους δ' ἄθροίσας ἑξακισχιλίους ἀπῆρεν ἐκ τῆς Ἀσίας καὶ κατέπλευσεν εἰς τὴν Ἀττικὴν. [7] οὐδενὸς δὲ αὐτῷ προσέχοντος τοὺς μὲν μισθοφόρους ἀπέλιπε περὶ Ταίναρον τῆς Λακωνικῆς, αὐτὸς δὲ μέρος τῶν χρημάτων ἀναλαβὼν ἰκέτης ἐγένετο τοῦ δήμου. ἐξαιτούμενος δὲ ὑπ' Ἀντιπάτρου καὶ Ὀλυμπιάδος καὶ πολλὰ χρήματα διαδοὺς τοῖς ὑπὲρ αὐτοῦ δημηγοροῦσι ῥήτορι διέδρα καὶ κατῆρεν εἰς Ταίναρον πρὸς τοὺς μισθοφόρους. [8] ἐκεῖθεν δὲ πλεύσας εἰς Κρήτην ὑπὸ Θίβρωνος ἐνὸς τῶν φίλων ἐδολοφονήθη. οἱ δ' Ἀθηναῖοι τῶν τοῦ Ἀρπάλου χρημάτων λόγον ἀναζητοῦντες Δημοσθένην καὶ ἄλλους τινὰς τῶν ῥητόρων κατεδίδικασαν ὡς εἰληφότας τῶν Ἀρπάλου χρημάτων. 109.

ὁ δὲ Ἀλέξανδρος τῶν Ὀλυμπίων ὄντων ἐκήρυξεν ἐν Ὀλυμπίᾳ τοὺς φυγάδας πάντας εἰς τὰς πατρίδας κατιέναι πλὴν τῶν ἱεροσύλων καὶ φονέων. αὐτὸς δ' ἐπιλέξας τοὺς πρεσβυτάτους τῶν πολιτῶν ἀπέλυσε τῆς στρατείας, ὄντας ὡς μυρίους. [2] πυνθανόμενος δὲ πολλοὺς αὐτῶν εἶναι καταδανείους ἐν ἡμέρᾳ μῖα τὰ δάνεια βραχὺ λείποντα τῶν μυρίων ταλάντων διέλυσεν. τῶν δ' ἀπολειπομένων Μακεδόνων ἀπειθούντων καὶ κατὰ τὴν ἐκκλησίαν καταβοώντων παροξυνθεὶς κατηγόρησεν αὐτῶν τεθαρρηκότως. καταπληξάμενος δὲ τὸ πλῆθος ἐτόλμησεν αὐτὸς καταβὰς ἀπὸ τοῦ βήματος τοὺς αἰτιωτάτους τῆς ταραχῆς ταῖς ἰδίαις χερσὶ παραδοῦναι τοῖς ὑπηρέταις πρὸς τὴν τιμωρίαν. [3] ἐπὶ πολὺ δὲ τῆς διαφορᾶς αὐξανομένης ὁ μὲν βασιλεὺς ἐκ τῶν ἐκλελεγμένων Περσῶν ἡγεμόνας κατέστησε καὶ τούτους προῆγεν ἐπὶ τὸ πρῶτεον· οἱ δὲ Μακεδόνες μετανοήσαντες καὶ πολλὰ μετὰ δακρύων δεηθέντες μόγις ἔπεισαν τὸν Ἀλέξανδρον αὐτοῖς διαλλαγῆναι. 110.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀντικλέους Ῥωμαῖοι κατέστησαν ὑπάτους Λεύκιον Κορνήλιον καὶ Κόιντον Ποπίλλιον. ἐπὶ δὲ τούτων Ἀλέξανδρος εἰς τὸν τῶν ἀπολελυμένων ἀριθμὸν ἀνεπλήρωσεν ἐκ τῶν Περσῶν καὶ χιλίους αὐτῶν εἰς τοὺς περὶ τὴν αὐλὴν ἔταξεν ὑπασπιστάς καὶ τὸ σύνολον οὐχ ἥττους εἰς πίστιν τῶν Μακεδόνων ὑπέλαβεν. [2] ἦκεν δὲ κατὰ τοῦτον τὸν καιρὸν καὶ Πευκέστης ἄγων Πέρσας τοξότας καὶ σφενδονήτας δισμυρίους· καταμίζας δὲ

τούτους τοῖς προϋπάρχουσι στρατιώταις τῇ καινότητι τῆς καινοτομίας κατεσκεύασε τὴν ὅλην δύναμιν κεκραμένην καὶ ἀρμόζουσαν τῇ ἰδίᾳ προαιρέσει. [3] τῶν δὲ Μακεδόνων ἐκ τῶν αἰχμαλωτίδων γεγεννηκότων υἱοὺς τὸν ἀριθμὸν τῶν παίδων ἀκριβῶς ἐσκέψατο, ὄντων δ' αὐτῶν σχεδὸν μυρίων ἅπασι τὰς ἀρμοζούσας πρὸς τροφήν ἐλευθέριον συντάξεις ἀπομερίσας τοῦτοις μὲν παιδευτὰς ἐπέστησε τοὺς διδάζοντας τὴν ἀρμόζουσαν παιδείαν, αὐτὸς δὲ ἀναλαβὼν τὴν δύναμιν προῆγεν ἐκ τῶν Σούσων καὶ διαβάς τὸν Τίγριν ἐν ταῖς Κάραις καλουμέναις κώμαις κατεστρατοπέδευσεν. [4] ἐξῆς δ' ἐν ἡμέραις τέτταρσι τὴν Σιττακινὴν διανύσας ἦκεν εἰς τὰ καλούμενα Σάμβανα. ἐνταῦθα δὲ μείνας ἡμέρας ἐπτὰ καὶ προσαναλαβὼν τὴν δύναμιν τριταῖος εἰς τοὺς Κέλωνας προσαγορευομένους ἦκεν, ἐν ᾧ μέχρι νῦν διαμένει γένος Βοιώτιον, κατὰ μὲν τὴν Ξέρξου στρατείαν ἀνάστατον γεγονός, μεμνημένον δ' ἔτι τῶν πατρίων νόμων· [5] ὄντες γὰρ οὗτοι δίφωνοι τῇ μὲν ἐτέρα διαλέκτῳ ἐξωμοιώθησαν τοῖς ἐγχωρίοις, τῇ δ' ἐτέρα πλείστας τῶν Ἑλληνικῶν λέξεων διετήρουν καὶ τῶν ἐπιτηδευμάτων ἓνια διεφύλαττον. τέλος δὲ προσμείνας ἡμέρας ἀνέξενυξε καὶ παρεγκλίνας τὴν ὑποκειμένην ὁδὸν θέας ἔνεκεν ἦλθεν εἰς τὴν ὀνομαζομένην Βαγιστάνην, θεοπρεπεστάτην τε χώραν οὖσαν καὶ πλήρη καρπύμων δένδρων καὶ τῶν ἄλλων ἀπάντων τῶν πρὸς ἀπόλαυσιν ἀνηκόντων. [6] μετὰ δὲ ταῦτα παρελθὼν εἰς τινα χώραν δυναμένην ἐκτρέφειν ἀγέλας παμπληθεῖς ἵππων, ἐν ᾗ τὸ παλαιὸν ἔφασαν ἑκαταίδεκα μυριάδας ἵππων γεγονέναι φορβάδων, κατὰ δὲ τὴν Ἀλεξάνδρου παρουσίαν ἐξ ὀνόματι μυριάδες ἡριθμήθησαν, ἐνταῦθα διαμείνας ἡμέρας τριάκοντα ἐβδομαῖος διήνυσεν εἰς Ἐκβάτανα τῆς Μηδείας. [7] ταύτης δὲ φασὶ διακοσίων μὲν καὶ πεντήκοντα σταδίων τὴν περίμετρον ὑπάρχειν, βασιλεία δ' ἔχειν τῆς ὅλης Μηδείας καὶ θησαυροὺς πολλῶν χρημάτων. ἔνθα δὲ χρόνον τινὰ τὴν δύναμιν ἀναλαβὼν ἀγῶνάς τε θυμελικοὺς ἐποίει καὶ πότους συνεχεῖς τῶν φίλων, [8] ἐν οἷς Ἡφαιστίων ἀκαίροις μέθαις χρησάμενος καὶ περιπεσὼν ἀρρωστίᾳ τὸν βίον ἐξέλιπεν· ὁ δὲ βασιλεὺς χαλεπῶς ἐνέγκας τὸ συμβὰν τὸ σῶμα τοῦ τετελευτηκότος Περδίκκᾳ παρέδωκεν εἰς Βαβυλῶνα κομίσαι, βουλόμενος ἐπιφανεστάτην αὐτοῦ ποιήσασθαι τὴν ταφήν. 111.

ἅμα δὲ τούτοις πραττομένοις κατὰ τὴν Ἑλλάδα ταραχαὶ συνίσταντο καὶ πραγμάτων καινῶν κινήσεις, ἐξ ὧν ὁ Λαμιακὸς πόλεμος κληθεὶς ἔλαβε τὴν ἀρχήν, ἐκ τοιαύτης τινὸς αἰτίας. τοῦ βασιλέως προστάξαντος τοῖς σατράπαις ἅπασιν ἀπομίσθους ποιῆσαι τοὺς μισθοφόρους καὶ τούτων τὸ πρόσταγμα συντελεσάντων πολλοὶ τῆς στρατείας ἀπολελυμένοι ξένοι διέτρεχον καθ' ὅλην τὴν Ἀσίαν πλανώμενοι καὶ τὰς ἀναγκαίας τροφὰς ἐκ τῶν προνομῶν ποριζόμενοι. μετὰ δὲ ταῦτα πανταχόθεν διῆραν ἐπὶ Ταίναρον τῆς Λακωνικῆς. [2] ὁμοίως δὲ καὶ τῶν Περσικῶν σατραπῶν καὶ τῶν ἄλλων ἡγεμόνων οἱ περιλειφθέντες χρήματά τε καὶ στρατιώτας ἀθροίζοντες ἔπλεον ἐπὶ Ταίναρον καὶ κοινὴν δύναμιν ἡθροίζον. [3] τὸ δὲ τελευταῖον Λεωσθένην τὸν Ἀθηναῖον, ἄνδρα ψυχῆς λαμπρότητι διάφορον καὶ μάλιστ' ἀντικείμενον τοῖς Ἀλεξάνδρου πράγμασιν, εἵλοντο στρατηγὸν αὐτοκράτορα. οὗτος δὲ τῇ βουλῇ διαλεχθεὶς ἐν ἀπορρήτοις πεντήκοντα μὲν ἔλαβε τάλαντα πρὸς τὴν μισθοδοσίαν, ὅπλων δὲ πλῆθος ἱκανὸν εἰς τὰς κατεπειγούσας χρεῖας, πρὸς δὲ

Αἰτωλοὺς ἄλλοτρίως ἔχοντας πρὸς τὸν βασιλέα περὶ συμμαχίας διεπρεσβεύσατο καὶ πάντα τὰ πρὸς τὸν πόλεμον παρεσκευάζετο. [4]

Λεωσθένης μὲν οὖν προορώμενος τὸ μέγεθος τοῦ πολέμου περὶ ταῦτα διέτριβεν. ὁ δ' Ἀλέξανδρος τῶν Κοσσαίων ἀπειθούντων ἐστράτευσεν ἐπ' αὐτοὺς εὐζώνῳ τῇ δυνάμει. τοῦτο δὲ τὸ ἔθνος ἀλκῇ διαφέρον κατοικεῖ μὲν τῆς Μηδείας τὴν ὀρεινὴν, πεποιθὸς δὲ τῇ τῶν τόπων δυσχωρίᾳ καὶ ταῖς κατὰ πόλεμον ἀρεταῖς οὐδέποτε δεσπότην ἔπληυν προσεδέδεκτο, ἀλλὰ καὶ κατὰ τὴν Περσῶν βασιλείαν διέμεινεν ἀνάλωτον καὶ τότε πεφρονηματισμένον οὐ κατεπλάγη τὴν τῶν Μακεδόνων ἀρετὴν. [5] ὁ δὲ βασιλεὺς προκαταλαβόμενος τὰς παρόδους καὶ τῆς Κοσσαίας τὴν πλείστην πορθήσας καὶ κατὰ πάσας τὰς συμπλοκάς προτερῶν πολλοὺς μὲν ἀπέκτεινε τῶν βαρβάρων, πολλαπλασίους δ' ἐζώγησεν. οἱ δὲ Κασσαῖοι πάντῃ νικώμενοι καὶ διὰ τὸ πλῆθος τῶν ἐάλωκότων χαλεπῶς φέροντες ἠναγκάσθησαν τῆς τῶν αἰχμαλώτων σωτηρίας τὴν δουλείαν ἀλλάξασθαι. [6] διὸ καὶ τὰ καθ' αὐτοὺς ἐπιτρέψαντες ἐτύγγανον εἰρήνης σὺν τῷ ποιεῖν τὸ προσταττόμενον τῷ βασιλεῖ. ὁ δὲ Ἀλέξανδρος ἐν ἡμέραις ταῖς πάσαις τεσσαράκοντα καταπολεμήσας τὸ ἔθνος καὶ πόλεις ἀξιολόγους ἐν ταῖς δυσχωρίαις κτίσας ἀνελάμβανε τὴν δύναμιν. ... 112.

Ἀλέξανδρος καταπεπολεμηκῶς τὸ τῶν Κοσσαίων ἔθνος ἀνέξευξε μετὰ τῆς δυνάμεως καὶ προῆγεν ἐπὶ Βαβυλῶνος, αἰεὶ δὲ κατὰ τὰς στρατοπεδείας διαλείπων καὶ τὴν δύναμιν ἀναλαμβάνων ἡσυχῇ προῆγεν. [2] ἀπέχοντος δὲ αὐτοῦ τριακοσίους σταδίου τῆς Βαβυλῶνος οἱ Χαλδαῖοι καλοῦμενοι, μεγίστην μὲν δόξαν ἐν ἀστρολογίᾳ περιπεποιημένοι, διὰ δὲ τινος αἰωνίου παρατηρήσεως προλέγειν εἰωθότες τὰ μέλλοντα, προεχειρίσαντο μὲν ἐξ ἑαυτῶν τοὺς πρεσβυτάτους καὶ μεγίστην ἐμπειρίαν ἔχοντας, διὰ δὲ τῆς τῶν ἀστέρων μαντείας γνόντες τὴν μέλλουσαν γίνεσθαι τοῦ βασιλέως τελευτὴν ἐν Βαβυλῶνι προσέταξαν μηνῦσαι τῷ βασιλεῖ τὸν κίνδυνον καὶ παρακελεύεσθαι μηδενὶ τρόπῳ τὴν εἰς τὴν πόλιν εἴσοδον ποιήσασθαι: [3] δύνασθαι δὲ αὐτὸν ἐκφυγεῖν τὸν κίνδυνον, ἐὰν ἀναστήσῃ τὸν καθηρημένον ὑπὸ Περσῶν τοῦ Βήλου τάφον καὶ τὴν βεβουλευμένην ὁδὸν ἐπιστήσας παρέλθῃ τὴν πόλιν. τῶν δὲ ἀποσταλέντων Χαλδαίων ὁ προκριθεὶς, ὄνομα Βελεφάντης, τῷ μὲν βασιλεῖ συνελθεῖν εἰς λόγους οὐκ ἐτόλμησε διὰ τὸν φόβον, Νεάρχῳ δ' ἐνὶ τῶν Ἀλεξάνδρου φίλων κατ' ἰδίαν ἐντυχὼν καὶ τὰ κατὰ μέρος ἀπαγγείλας ἠξίου δηλῶσαι τῷ βασιλεῖ. [4] ὁ δ' Ἀλέξανδρος ἀκούσας παρὰ τοῦ Νεάρχου τὴν τῶν Χαλδαίων πρόρρησιν κατεπλάγη καὶ μᾶλλον αἰεὶ τὴν ἀγχίνοιαν τῶν ἀνδρῶν καὶ δόξαν ἀναλογιζόμενος ἐταράττετο τὴν ψυχὴν. τέλος δὲ τοὺς πολλοὺς τῶν φίλων ἀποστείλας εἰς τὴν πόλιν αὐτὸς εἰς ἄλλην ἀτραπὸν μεταβαλὼν παρήλλαξε τὴν Βαβυλῶνα καὶ καταστρατοπεδεύσας ἀπὸ σταδίων διακοσίων ἡσυχίαν εἶχεν. πάντων δὲ θαυμαζόντων ἦκον πρὸς αὐτὸν ἄλλοι τε πλείους τῶν Ἑλλήνων καὶ τῶν φιλοσόφων οἱ περὶ τὸν Ἀνάξαρχον. [5] οὗτοι δὲ μαθόντες τὴν αἰτίαν καὶ τοῖς ἐκ φιλοσοφίας χρησάμενοι λόγοις ἐνεργῶς τοσοῦτον μετέθηκαν αὐτὸν ὥστε καταφρονῆσαι μὲν πάσης μαντικῆς, μάλιστα δὲ τῆς παρὰ Χαλδαίοις προτιμωμένης. διόπερ ὁ βασιλεὺς, ὥσπερ εἰ τετρωμένος τὴν ψυχὴν καὶ τοῖς τῶν φιλοσόφων ὕγιασθεις λόγοις, εἰς τὴν Βαβυλῶνα μετὰ τῆς δυνάμεως εἰσῆλθεν. [6] τῶν δ' ἐγχωρίων, καθάπερ καὶ

πρότερον, φιλανθρωπῶς ὑποδεχομένων τοὺς στρατιώτας ἅπαντες ὥρμησαν πρὸς ἄνεσιν καὶ τρυφήν, πολλῆς τῶν ἐπιτηδείων παρεσκευασμένης δαφιλίας. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. 113.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀγησίου Ῥωμαῖοι κατέστησαν ὑπάτους Γάιον Πόπλιον καὶ Παπίριον, Ὀλυμπιάς δ' ἤχθη τετάρτη πρὸς ταῖς ἑκατὸν καὶ δέκα, καθ' ἣν ἐνίκα στάδιον Μικίνας Ῥόδιος. κατὰ δὲ τοῦτον τὸν χρόνον ἐξ ἀπάσης σχεδὸν τῆς οἰκουμένης ἦκον πρέσβεις, οἱ μὲν συγχαίροντες ἐπὶ τοῖς κατορθώμασιν, οἱ δὲ στεφανοῦντες, ἄλλοι δὲ φιλίας καὶ συμμαχίας τιθέμενοι, πολλοὶ δὲ δωρεὰς μεγαλοπρεπεῖς κομίζοντες, τινὲς δὲ ὑπὲρ τῶν ἐγκαλουμένων ἀπολογούμενοι. [2] χωρὶς γὰρ τῶν ἀπὸ τῆς Ἀσίας ἐθνῶν καὶ πόλεων, ἔτι δὲ δυναστῶν πολλοὶ καὶ τῶν ἐκ τῆς Εὐρώπης καὶ Λιβύης κατήντησαν, ἐκ μὲν Λιβύης Καρχηδόνιοι καὶ Λιβυφοίνικες καὶ πάντες οἱ τὴν παράλιον οἰκοῦντες μέχρι τῶν Ἡρακλείων στηλῶν, ἐκ δὲ τῆς Εὐρώπης αἱ τε τῶν Ἑλλήνων πόλεις ἐξέπεμψαν καὶ Μακεδόνες, ἔτι δὲ Ἰλλυριοὶ καὶ τῶν περὶ τὸν Ἀδρίαν οἰκούντων οἱ πλείους, τὰ τε Θράκια γένη καὶ τῶν πλησιοχώρων Γαλατῶν, ὧν τότε πρῶτον τὸ γένος ἐγνώσθη παρὰ τοῖς Ἑλλήσιν. [3] ὁ δὲ Ἀλέξανδρος ἀπογραφὴν λαβὼν τῶν πρέσβεων διέταξε τοῖς μὲν πρώτοις διδόναι τὰς ἀποκρίσεις καὶ τοῖς ἐξῆς ἅπασιν. καὶ πρώτοις μὲν ἐχρημάτισε τοῖς ὑπὲρ τῶν ἱερῶν παραγεγεννημένοις, δευτέροις δὲ τοῖς περὶ τῶν δωρεῶν ἤκουσιν, ἐξῆς δὲ τοῖς ἀμφισβητήσεις ἔχουσι πρὸς τοὺς ὁμόρους, τετάρτοις δὲ τοῖς περὶ τῶν ἰδιωτικῶν ἤκουσι, πέμπτοις δὲ τοῖς ἀντιλέγουσι περὶ τῆς καθόδου τῶν φυγάδων. [4] τοῖς μὲν οὖν Ἠλείοις πρώτοις ἐχρημάτισεν, εἶτα Ἀμμωνιεύσι καὶ Δελφοῖς καὶ Κορινθίοις, ἔτι δὲ Ἐπιδαυρίοις καὶ τοῖς ἄλλοις, κατὰ τὴν δόξαν τῶν ἱερῶν προκρίνων τὰς ἐντεύξεις. πάσαις δὲ ταῖς πρεσβείαις φιλοτιμηθεῖς κεχαρισμένας δοῦναι τὰς ἀποκρίσεις εὐαρεστουμένας ἀπέλυσε κατὰ τὸ δυνατόν. 114.

ἀπολύσας δὲ τὰς πρεσβείας περὶ τὴν ταφὴν ἐγίνετο τοῦ Ἡφαιστίωνος. τοσαύτην δὲ σπουδὴν ἐποιήσατο πρὸς τὴν τῆς ἐκφορᾶς ἐπιμέλειαν ὥστε μὴ μόνον τὰς προγεγεννημένας παρ' ἀνθρώποις ταφὰς ὑπερβαλέσθαι, ἀλλὰ καὶ τοῖς ἐσομένοις μηδεμίαν ὑπέρθεσιν καταλιπεῖν. καὶ γὰρ ἠγάπησεν αὐτὸν μάλιστα τῶν ἐν στοργῇ φίλων δοξαζομένων καὶ μετὰ τὴν τελευτὴν ἐτίμησεν αὐτὸν ἀνυπερβλήτως. ζῶντα μὲν γὰρ προετίμησε πάντων τῶν φίλων, καίπερ Κρατεροῦ φίλιαν ἔχοντος ἐνάμιλλον. [2] ἐπεὶ γὰρ τις τῶν ἐταίρων εἶπεν μηδὲν καταδεέστερον Ἡφαιστίωνος τὸν Κρατερόν στέργεσθαι, ἐπεφθέγγατο Κρατερόν μὲν γὰρ εἶναι φιλοβασιλέα, Ἡφαιστίωνα δὲ φιλαλέξανδρον. τῆς δὲ Δαρείου μητρὸς κατὰ τὴν πρώτην ἐντευξίν διὰ τὴν ἄγνοιαν προσκυνούσης τὸν Ἡφαιστίωνα ὡς ὄντα βασιλέα καὶ μετὰ τὴν ἐπίγνωσιν διατρεπομένης εἶπεν, μηδὲν φροντίσης, ὃ μήτερ· καὶ γὰρ καὶ οὗτος Ἀλέξανδρος. [3] καθόλου γὰρ ὁ Ἡφαιστίων τοσαύτης ἐξουσίας καὶ φιλικῆς ἐκοινώνει παρρησίας ὡς τῆς Ὀλυμπιάδος ἄλλοτρίως ἐχούσης πρὸς αὐτὸν διὰ τὸν φθόνον καὶ κατὰ τὰς ἐπιστολὰς ἐπιτιμώσης αὐτῷ σκληρότερον καὶ ἀπειλούσης τὰ τε ἄλλα γράψαι πρὸς αὐτὴν ἐπιπληκτικῶς καὶ κατὰ τὴν ἐπιστολὴν ἐπὶ τελευτῆς θεῖναι ταῦτα. 'καὶ πρὸς ἡμᾶς παύου διαβαλλομένη καὶ μὴ χαλέπαινε μηδὲ ἀπείλει· εἰ δὲ μή, μετρίως ἡμῖν μελήσει· οἶδας γὰρ ὅτι Ἀλέξανδρος κρεῖττων ἀπάντων.' [4] ὁ δ'

οὖν βασιλεὺς τὰ πρὸς τὴν ἐκφορὰν παρασκευαζόμενος ταῖς μὲν πλησίον πόλεσι προσέταξε κατὰ δύναμιν συμβάλλεσθαι πρὸς τὸν τῆς ἐκφορᾶς κόσμον, πᾶσι δὲ τοῖς κατὰ τὴν Ἀσίαν οἰκοῦσι προσέταξεν τὸ παρὰ τοῖς Πέρσαις ἱερὸν πῦρ καλούμενον ἐπιμελῶς σβέσαι, μέχρι ἂν τελέσῃ τὴν ἐκφορὰν: τοῦτο δὲ εἰώθασιν οἱ Πέρσαι ποιεῖν κατὰ τὰς τῶν βασιλέων τελευτάς. [5] τὸ δὲ πλῆθος χαλεπὸν οἰωνὸν ἐτίθετο τὸ πρόσταγμα καὶ τὸ θεῖον ὑπελάμβανον προσημαίνειν τὸν τοῦ βασιλέως θάνατον. ἐγένετο δὲ καὶ ἄλλα σημεῖα παράδοξα προδηλοῦντα τὴν Ἀλεξάνδρου τελευτὴν, περὶ ὧν μικρὸν ὕστερον ἐροῦμεν, ὅταν τὸν περὶ τῆς ἐκφορᾶς λόγον ἀποδῶμεν. 115.

τῶν γὰρ ἡγεμόνων καὶ φίλων ἕκαστος στοχαζόμενος τῆς τοῦ βασιλέως ἀρεσκείας κατεσκεύαζεν εἰδῶλα δι' ἐλέφαντος καὶ χρυσοῦ καὶ τῶν ἄλλων τῶν θαυμαζομένων παρ' ἀνθρώποις, αὐτὸς δὲ τοὺς ἀρχιτέκτονας ἀθροίσας καὶ λεπτοργῶν πλῆθος τοῦ μὲν τείχους καθεῖλεν ἐπὶ δέκα σταδίους, τὴν δ' ὀπτὴν πλίνθον ἀναλεξάμενος καὶ τὸν δεχόμενον τὴν πυρὰν τόπον ὁμαλὸν κατασκευάσας ὠκοδόμησε τετράπλευρον πυρὰν, σταδιαίας οὔσης ἐκάστης πλευρᾶς. [2] εἰς τριάκοντα δὲ δόμους διελόμενος τὸν τόπον καὶ καταστρώσας τὰς ὀροφὰς φοινίκων στελέχεσι τετράγωνον ἐποίησε πᾶν τὸ κατασκευάσμα. μετὰ δὲ ταῦτα περιετίθει τῷ περιβόλῳ παντὶ κόσμον, οὗ τὴν μὲν κρητῖδα χρυσαῖ πεντηρικαὶ πρῶραι συνεπλήρουν, οὔσαι τὸν ἀριθμὸν διακόσiai τεσσαράκοντα, ἐπὶ δὲ τῶν ἐπωτίδων ἔχουσαι δύο μὲν τοξότας εἰς γόνυ κεκαθικότας τετραπήχεις, ἀνδριάντας δὲ πενταπήχεις καθωπλισμένους, τοὺς δὲ μετὰ τὸν τόπον φοινικίδες ἀνεπλήρουν πιληταί. [3] ὑπεράνω δὲ τούτων τὴν δευτέραν ἐπανεῖχον χώραν δᾶδες πεντεκαίδεκαπήχεις, κατὰ μὲν τὴν λαβὴν ἔχουσαι χρυσοῦς στεφάνους, κατὰ δὲ τὴν ἐκφλόγωσιν ἀετοὺς διαπεπετακότας τὰς πτέρυγας καὶ κάτω νεύοντας, παρὰ δὲ τὰς βάσεις δράκοντας ἀφορῶντας τοὺς ἀετοὺς. κατὰ δὲ τὴν τρίτην περιφορὰν κατεσκεύαστο ζῶων παντοδαπῶν πλῆθος κυνηγουμένων. [4] ἔπειτα ἡ μὲν τετάρτη χώρα κενταυρομαχίαν χρυσοῦν εἶχεν, ἡ δὲ πέμπτη λέοντας καὶ ταύρους ἐναλλάξ χρυσοῦς. τὸ δ' ἀνώτερον μέρος ἐπεπλήρωτο Μακεδονικῶν καὶ βαρβαρικῶν ὅπλων, ὧν μὲν τὰς ἀνδραγαθίας, ὧν δὲ τὰς ἥττας σημαινόντων. ἐπὶ πᾶσι δὲ ἐφειστήκεισαν Σειρήνες διάκοιλοι καὶ δυνάμεναι λεληθότως δέξασθαι τοὺς ἐν αὐταῖς ὄντας καὶ ἄδοντας ἐπικῆδιον θρῆνον τῷ τετελευτηκότι. [5] τὸ δ' ὕψος ἦν ὅλου τοῦ κατασκευάσματος πῆχεις πλείους τῶν ἑκατὸν τριάκοντα. καθόλου δὲ τῶν τε ἡγεμόνων καὶ τῶν στρατιωτῶν ἀπάντων καὶ τῶν πρέσβων, ἔτι δὲ τῶν ἐγχωρίων φιλοτιμηθέντων εἰς τὸν τῆς ἐκφορᾶς κόσμον φασὶ τὸ πλῆθος τῶν ἀναλωθέντων χρημάτων γεγονέναι πλείω τῶν μυρίων καὶ δισχιλίων ταλάντων. [6] ἀκολούθως δὲ ταύτῃ τῇ μεγαλοπρεπεῖᾳ καὶ τῶν ἄλλων γενομένων κατὰ τὴν ἐκφορὰν τιμῶν τὸ τελευταῖον προσέταξεν ἅπασι θύειν Ἥφαιστίωνι θεῷ παρέδρω: καὶ γὰρ κατὰ τύχην ἦκεν εἷς τῶν φίλων Φίλιππος, χρησμὸν φέρων παρ' Ἀμμωνος θύειν Ἥφαιστίωνι θεῷ. διόπερ γενόμενος περιχαρὴς ἐπὶ τῷ καὶ τὸν θεὸν κεκυρωκέναι τὴν αὐτοῦ γνώμην πρῶτος τὴν θυσίαν ἐπετέλεσεν καὶ τὸ πλῆθος λαμπρῶς ὑπεδέξατο, μύρια τὸν ἀριθμὸν θύσας ἱερεῖα παντοδαπά. 116.

μετὰ δὲ τὴν ἐκφορὰν εἰς ἀνέσεις καὶ πανηγυρικὸν βίον ἐκτραπέντος τοῦ

βασιλέως, δοκοῦντος ἰσχύειν τότε πλεῖστον καὶ μάλιστα εὐδαιμονεῖν, ἢ πεπρωμένη συνήρει τὸν ὑπὸ τῆς φύσεως αὐτῷ συγκεχωρημένον τοῦ ζῆν χρόνον. εὐθὺς δὲ καὶ τὸ θεῖον ἐσθίμαινε τὴν τελευταίην αὐτοῦ, πολλῶν καὶ παραδόξων οἰωνῶν καὶ σημείων συντελουμένων. [2] τοῦ γὰρ βασιλέως ἀλειφομένου καὶ τῆς βασιλικῆς ἐσθῆτος καὶ διαδήματος ἐπὶ τινος θρόνου τεθέντος τῶν ἐγγχωρίων τις δεδμεμένος ἐλύθη τὰς πέδας αὐτομάτως καὶ λαθὼν τοὺς φύλακας διήλθε διὰ τῶν τῆς αὐλῆς θυρῶν ἀνεπικωλύτως. [3] προσελθὼν δὲ τῷ θρόνῳ καὶ τὴν βασιλικὴν ἐνδυσάμενος ἐσθῆτα καὶ τὸ διάδημα περιθέμενος ἐκάθισεν ἐπὶ τὸν θρόνον καὶ τὴν ἡσυχίαν ἤγε. γνωσθείσης δὲ τῆς πράξεως ὁ βασιλεὺς καταπλαγείς τὸ παράδοξον προσῆλθε τῷ θρόνῳ καὶ χωρὶς καταπλήξεως ἡσυχῇ τὸν ἄνθρωπον ἀνέκρινε τίς ὢν καὶ τί βουλόμενος τοῦτο ἔπραξε. [4] τοῦ δὲ εἰπόντος μηδὲν ἀπλῶς γινώσκειν τοῖς μάντεσι προσαναθέμενος περὶ τοῦ σημείου τοῦτον μὲν κατὰ τὴν ἐκείνων κρίσιν ἀπέκτεινε, ὅπως τὰ σημαίνόμενα δυσχερῇ εἰς ἐκεῖνον τρέπεται, αὐτὸς δὲ ἀναλαβὼν τὴν ἐσθῆτα καὶ θεοῖς ἀποτροπαίους θύσας ἐν ἀγωνίᾳ καθειστήκει καὶ τῆς τῶν Χαλδαίων προρρήσεως ἐμνημόνευσε καὶ τοὺς μὲν συμπείσαντας φιλοσόφους παρελθεῖν εἰς τὴν Βαβυλῶνα κατεμέμεφετο, τὴν δὲ τέχνην τῶν Χαλδαίων καὶ τὴν τῶν ἀνδρῶν ἀγχίνουσαν ἐθαύμαζε, καθόλου δὲ τοὺς ταῖς εὐρησιλογίαις κατασοφίζομένους τὴν δύναμιν τῆς πεπρωμένης ἐβλασφήμει. [5] μετ' ὀλίγον δὲ ἄλλο σημεῖον αὐτῷ περὶ τῆς βασιλείας τὸ δαιμόνιον ἐπέστησε. βουλομένου γὰρ αὐτοῦ θεάσασθαι τὴν περὶ τὴν Βαβυλῶνα λίμνην καὶ πλέοντος μετὰ τῶν φίλων ἐν τισιν ἀκάτοις ἐφ' ἡμέρας μὲν τινὰς ἀποσχισθείσης τῆς νεῶς ἀπὸ τῶν ἄλλων σκαφῶν ἐπλανήθη μόνος, ὥστε καὶ τὴν σωτηρίαν ἀπογῶναι: [6] ἔπειτα διὰ τινος αὐλῶνος στενοῦ καὶ συμπεπυκασμένου δένδρεσι διαπλέοντος καὶ τῶν μὲν ὑπερκειμένων, τοῦ δὲ διαδήματος ὑπὸ τούτων ἀρθέντος καὶ πάλιν εἰς τὴν λίμνην πεσόντος εἰς τῶν ἐρετῶν προσνηξάμενος καὶ βουλόμενος ἀσφαλῶς σῶσαι τὸ διάδημα προσέθετο τῇ κεφαλῇ καὶ προσενήξατο τῷ πλοίῳ. [7] τρεῖς δὲ ἡμέρας καὶ τὰς ἴσας νύκτας διαπλανηθεὶς διεσώθη καὶ τὸ διάδημα περιθέμενος ἀνελπίστως πάλιν τοῖς μάντεσι προσανέφερε περὶ τῶν προσημαιομένων. 117. τούτων δὲ παρακελευομένων θυσίας ἐπιτελεῖν τοῖς θεοῖς μεγαλοπρεπεῖς μετὰ πάσης σπουδῆς παρεκλήθη πρὸς τινὰ τῶν φίλων Μήδιον τὸν Θετταλὸν ἐπὶ κῶμον ἐλθεῖν: κάκεῖ πολὺν ἄκρατον ἐμφορηθεὶς ἐπὶ τελευταίᾳ Ἡρακλέους μέγα ποτήριον πληρώσας ἐξέπιεν. [2] ἄφνω δὲ ὥσπερ ὑπὸ τινος πληγῆς ἰσχυρᾶς πεπληγμένος ἀνεστέναξε μέγα βοήσας καὶ ὑπὸ τῶν φίλων ἀπηλλάττετο χειραγωγούμενος. εὐθὺς δ' οἱ μὲν περὶ τὴν θεραπείαν ἐκδεξάμενοι κατέκλιναν αὐτὸν καὶ προσήδρευον ἐπιμελῶς, [3] τοῦ δὲ πάθους ἐπιτείνοντος καὶ τῶν ἱατρῶν συγκληθέντων βοηθῆσαι μὲν οὐδεὶς ἐδυνήθη, πολλοῖς δὲ πόνοις καὶ δειναῖς ἀλγηδόσι συσχεθεὶς, ἐπειδὴ τὸ ζῆν ἀπέγνω, περιελόμενος τὸν δακτύλιον ἔδωκε Περδίκκᾳ. [4] τῶν δὲ φίλων ἐπερωτῶντων, τί νῦν τὴν βασιλείαν ἀπολείπεις; εἶπεν, τῷ κρατίστῳ, καὶ προσεφθέγγατο, ταύτην τελευταίαν φωνὴν προέμενος, ὅτι μέγαν ἀγῶνα αὐτῷ ἐπιτάφιον συστήσονται πάντες οἱ πρωτεύοντες τῶν φίλων. [5] οὗτος μὲν οὖν τὸν προειρημένον τρόπον ἐτελεύτησε βασιλεύσας ἔτη δώδεκα καὶ μῆνας ἑπτὰ, πράξεις δὲ μεγίστας

κατεργασάμενος οὐ μόνον τῶν πρὸ αὐτοῦ βασιλευσάντων, ἀλλὰ καὶ τῶν ὕστερον ἐσομένων μέχρι τοῦ καθ' ἡμᾶς βίου.

ἐπεὶ δέ τινες τῶν συγγραφέων περὶ τῆς τελευτῆς τοῦ βασιλέως τούτου διαπεφωνήκασιν, ἀποφαινόμενοι διὰ φαρμάκου θανασίμου γεγονέναι τὸν θάνατον, ἀναγκαῖον ἡγούμεθα δεῖν μὴ παραλιπεῖν αὐτῶν τοὺς λόγους. 118. φασὶ γὰρ Ἀντίπατρον ἐπὶ τῆς Εὐρώπης στρατηγὸν ὑπ' αὐτοῦ καταλειφθέντα διενεχθῆναι πρὸς Ὀλυμπιάδα τὴν μητέρα τοῦ βασιλέως καὶ τὸ μὲν πρῶτον καταφρονεῖν αὐτῆς διὰ τὸ μὴ προσδέχεσθαι τὸν Ἀλέξανδρον τὰς κατ' αὐτοῦ διαβολάς, ὕστερον δ' αἰεὶ τῆς ἔχθρας αὐξομένης, τοῦ βασιλέως διὰ τὸ πρὸς τὸ θεῖον εὐσεβὲς πάντα βουλομένου τῇ μητρὶ χαρίζεσθαι, πολλὰς ἐμφάσεις διδόναι τῆς πρὸς αὐτὸν ἀλλοτριότητος· πρὸς δὲ τούτοις τῆς Παρμενίωνος καὶ Φιλώτου σφαγῆς φρίκην ἐμποιοῦσης τοῖς φίλοις διὰ τοῦ ἰδίου υἱοῦ τεταγμένου περὶ τὸν κύαθον δοῦναι πιεῖν θανάσιμον φάρμακον τῷ βασιλεῖ. [2] μετὰ δὲ τὴν τελευτὴν πλεῖστον ισχύσαντος τῶν κατὰ τὴν Εὐρώπην καὶ μετὰ ταῦτα Κασάνδρου τοῦ υἱοῦ διαδεξαμένου τὴν βασιλείαν πολλοὺς συγγραφεῖς μὴ τολμᾶν γράψαι περὶ τῆς φαρμακείας. φανερόν δὲ γεγονέναι Κασάνδρον δι' αὐτῶν τῶν πράξεων ἀλλοτριώτατα διακείμενον τοῖς Ἀλεξάνδρου πράγμασι· τὴν τε γὰρ Ὀλυμπιάδα φονεύσαντα ἄταφον ρῖψαι καὶ τὰς ὑπ' ἐκείνου κατασκαφείσας Θήβας ἀνοικίσαι μετὰ πολλῆς σπουδῆς. [3]

μετὰ δὲ τὴν τοῦ βασιλέως τελευτὴν Σισύγγαμβρις ἡ Δαρείου μήτηρ, πολλὰ καταθρηνήσασα τὴν τε Ἀλεξάνδρου τελευτὴν καὶ τὴν ἑαυτῆς ἐρημίαν, ἐπὶ τῆς ἐσχάτης τοῦ βίου γραμμῆς πρὸς τροφὴν ἐγκαρτερήσασα πεμπταία κατέστρεψε τὸν βίον, ἐπιλύπως μὲν, οὐκ ἀκλεῶς δὲ προεμένη τὸ ζῆν. [4] ἡμεῖς δὲ ἐπὶ τὴν Ἀλεξάνδρου τελευτὴν παρόντες κατὰ τὴν ἐν ἀρχῇ τῆς βίβλου πρόθεσιν τὰς τῶν διαδεξαμένων πράξεις ἐν ταῖς ἐπομέναις βίβλοις πειρασόμεθα διεξιέναι.

BOOK XVIII

τάδε ἔνεστιν ἐν τῇ ὀκτωκαιδεκάτῃ τῶν Διοδώρου βύβλων.

α. ἡ γενομένη ταραχὴ καὶ στάσις μετὰ τὴν Ἀλεξάνδρου τελευτὴν ἐν ταῖς δυνάμεσιν.

β. Περδίκκου παράληψις τῆς κατὰ τὴν βασιλείαν ἐπιμελείας καὶ διαίρεσις τῶν σατραπειῶν.

γ. ἀπόστασις τῶν ἐν ταῖς ἄνω σατραπείαις Ἑλλήνων καὶ ἀποστολὴ στρατηγοῦ Πίθωνος ἐπ' αὐτούς.

δ. ἀπαγγελία τῆς κατὰ τὴν Ἀσίαν θέσεως καὶ τῶν ἐν αὐτῇ σατραπειῶν.

ε. ὡς Πίθων κατεπολέμησε τοὺς ἀποστάντας Ἑλληνας.

ς. ὡς Ἀθηναῖοι πόλεμον ἐξήνεγκαν πρὸς Ἀντίπατρον τὸν ὀνομασθέντα Δαμιακόν.

ζ. ὡς Λεωσθένης ἀναδειχθεὶς στρατηγὸς καὶ συστησάμενος δύναμιν ἐνίκησε μάχῃ τὸν Ἀντίπατρον καὶ συνέκλεισεν εἰς πόλιν Λάμιαν.

η. Λεωσθένους τοῦ στρατηγοῦ τελευτὴ καὶ ἐπιτάφιος.

θ. παράληψις τῶν σατραπειῶν ὑπὸ τῶν μεμερισμένων αὐτάς.

ι. ἵππομαχία τῶν Ἑλλήνων πρὸς Λεοννάτον καὶ νίκη τῶν Ἑλλήνων.

α. ὡς Ἀντίπατρος Λεοννάτου σφαγέντος ἐν τῇ μάχῃ παρέλαβε τὴν Λεοννάτου δύναμιν.

β. ὡς Κλεῖτος ὁ τῶν Μακεδόνων ναύαρχος ἐνίκησε δυοὶ ναυμαχίαις τοὺς Ἑλληνας. [p. 317]

γ. ὡς Περδίκκας Ἀριαράθην τὸν βασιλέα παρατάξει μεγάλῃ νικήσας ἐξώγησε τὸν βασιλέα μετὰ καὶ πολλῶν ἄλλων.

δ. ὡς Κρατερὸς βοηθήσας Ἀντιπάτρῳ ἐνίκησε τοὺς Ἑλληνας καὶ κατέλυσε τὸν Λαμιακὸν πόλεμον.

ε. περὶ τῶν ὑπ' Ἀντιπάτρου πραχθέντων πρὸς Ἀθηναίους καὶ τοὺς ἄλλους Ἑλληνας.

ς. περὶ τῶν πραχθέντων ἐν τῷ κατὰ Κυρήνην πολέμῳ Πτολεμαίῳ.

ζ. ὡς Περδίκκας ἐμβαλὼν εἰς τὴν Πισιδίαν Λαρανδεῖς μὲν ἐξηνδραποδίσατο, Ἰσαυρεῖς δὲ πολιορκήσας συνηνάγκασεν ἑαυτοὺς τε κατασφάζει καὶ τὴν πόλιν ἐμπρῆσαι.

η. Ἀντιπάτρου καὶ Κρατεροῦ στρατεία εἰς Αἰτωλίαν.

θ. κατακομιδὴ τοῦ Ἀλεξάνδρου σώματος ἐκ Βαβυλῶνος εἰς Ἀλεξάνδρειαν καὶ τῆς κατὰ τὴν ἀρμάμαξαν πολυτελείας ἀπαγγελία.

κ. ὡς Εὐμενὴς παρατάξει νικήσας Κρατερὸν κατέσφαξεν ἐν τῇ μάχῃ καὶ Νεοπτόλεμον.

α. ὡς Περδίκκας εἰς Αἴγυπτον στρατεύσας ὑπὸ τῶν φίλων ἀνηρέθη.

β. ὡς τῶν βασιλέων ἐπιμελητὴς ἤρέθη Πίθων καὶ μετ' αὐτοῦ Ἀρριδαῖος, ὕστερον δ' Ἀντίπατρος.

γ. ὡς Ἀντίπατρος ἡγεμὼν κατασταθεὶς τῶν ὅλων ἐμερίσατο τὰς σατραπείας ἐξ ἀρχῆς ἐν Τριπαραδείσῳ τῆς Συρίας.

δ. ὡς Ἀντίγονος ὑπ' Ἀντιπάτρου κατασταθεὶς στρατηγὸς κατεπολέμησε

τὸν Εὐμένη.

ε. περὶ Εὐμενοῦς καὶ τῶν περὶ αὐτὸν γενομένων παραδόξων μεταβολῶν.

ς. ὡς Πτολεμαῖος τὴν τε Φοινίκην καὶ τὴν Κοίλην Συρίαν προσεκτίσατο.
[p. 318]

ζ. ὡς Ἀντίγονος Ἀλκέταν ἐνίκησεν ἐπιφανεῖ καρατάξει.

η. Ἀντιπάτρου θάνατος καὶ τῆς βασιλικῆς δυνάμεως παράληψις ὑπὸ Πολυπέρχοντος.

θ. ὡς Ἀντίγονος μετεωρισθεὶς ἐπὶ τε τῇ Ἀντιπάτρου τελευτῇ καὶ τοῖς ὑφ' αὐτοῦ κατειργασμένοις ἀντεποιήσατο τῆς βασιλείας.

λ. Εὐμενοῦς αὖξησης παράδοξος καὶ παράληψις τῆς τε τῶν βασιλέων ἐπιμελείας καὶ τῆς Μακεδονικῆς δυνάμεως.

α. Κασάνδρου αὖξησης καὶ πόλεμος πρὸς Πολυπέρχοντα τὸν ἐπιμελητὴν τῶν βασιλέων καὶ κοινοπραγία πρὸς Ἀντίγονον.

β. ὡς Εὐμενῆς ἐν Κιλικίᾳ τοὺς ἀργυράσπιδας παραλαβὼν εἰς τὰς ἄνω σατραπείας ἀπῆλθε καὶ δύναιμι ἀξιόλογον παρεσκευάσατο.

γ. περὶ τῆς Εὐμενοῦς ἀγχινοίας καὶ στρατηγίας καὶ τῶν ὑπ' αὐτοῦ πραχθέντων μέχρι τῆς τελευτῆς.

δ. τὰ συμβάντα περὶ Κάσανδρον κατὰ τὴν Ἀττικὴν καὶ Νικάνορα τὸν φρουροῦντα τὴν Μουνυχίαν.

ε. Φωκίωνος τοῦ χρηστοῦ προσαγορευθέντος θάνατος.

ς. ὡς Πολυπέρχων Μεγαλοπολίτας πολιορκήσας καὶ πολλὰ παθὼν καὶ δράσας ἄπρακτος ἐπανῆλθεν.

ζ. ὡς Κλεῖτος ὁ Πολυπέρχοντος ναύαρχος ἐνίκησε ναυμαχία Νικάνορα τὸν Κασάνδρου ναύαρχον.

η. ὡς Ἀντίγονος ἐπιφανῶς νικήσας ναυμαχία τὸν Κλεῖτον ἐθαλαττοκράτησεν.

θ. ὡς Εὐμενῆς ὑπὸ Σελεύκου περὶ τὴν Βαβυλῶνα συγκλεισθεὶς εἰς τοὺς ἐσχάτους κινδύνους ἐσώθη διὰ τὴν ἰδίαν ἀγχίνοιαν.

μ. ὡς Πολυπέρχων καταφρονηθεὶς ὑπὸ τῶν Ἑλλήνων καὶ ταπεινωθεὶς διεπολέμει πρὸς Κάσανδρον.

[p. 319] Πυθαγόρας ὁ Σάμιος καὶ τινες ἕτεροι τῶν παλαιῶν φυσικῶν ἀπεφάναντο τὰς ψυχὰς τῶν ἀνθρώπων ὑπάρχειν ἀθανάτους, ἀκολούθως δὲ τῷ δόγματι τούτῳ καὶ προγινώσκειν αὐτὰς τὰ μέλλοντα καθ' ὃν ἂν καιρὸν ἐν τῇ τελευτῇ τὸν ἀπὸ τοῦ σώματος χωρισμὸν ποιῶνται. [2] τούτοις δὲ ἔοικε συμφωνεῖν καὶ ὁ ποιητὴς Ὅμηρος, παρeisάγων τὸν Ἔκτορα κατὰ τὸν τῆς τελευτῆς καιρὸν προλέγοντα τῷ Ἀχιλλεῖ τὸν μέλλοντα συντόμως αὐτῷ συνακολουθήσειν θάνατον. [3] ὁμοίως δὲ καὶ κατὰ τοὺς νεωτέρους χρόνους ἐπὶ πολλῶν καταστρεφόντων τὸν βίον ἱστορεῖται γεγονέναι τὸ προειρημένον καὶ μάλιστα ἐπὶ τῆς Ἀλεξάνδρου τοῦ Μακεδόνης τελευτῆς. [4] οὗτος γὰρ ἐν Βαβυλῶνι μεταλλάττων τὸν βίον, κατὰ τὴν ἐσχάτην ἀναπνοὴν ἐρωτηθεὶς ὑπὸ τῶν φίλων τίτιν τὴν βασιλείαν ἀπολείπει, εἶπεν Τῷ ἀρίστῳ: προορῶμαι γὰρ ἐπιτάφιον μέγαν ἀγῶνα γενησόμενόν μοι τῶν φίλων. [5] ὅπερ καὶ πρὸς ἀλήθειαν ἐξέβη: οἱ γὰρ ἐπιφανέστατοι τῶν φίλων ὑπὲρ τοῦ πρωτείου διενεχθέντες πολλοὺς πολέμους καὶ [p. 320] μεγάλους ἀγῶνας συνεστήσαντο

μετὰ τὴν Ἀλεξάνδρου τελευτήν. τὰς δὲ συντελεσθείσας ὑπ' αὐτῶν πράξεις ἡ βύβλος αὕτη περιέχουσα ποιήσει φανερόν τὸ ῥηθὲν τοῖς φιλιαναγνωστοῦσιν. [6] ἡ μὲν γὰρ πρὸ ταύτης συντελεσθεῖσα βύβλος τὰς Ἀλεξάνδρου πράξεις ἀπάσας περιεῖληφε μέχρι τῆς τελευτῆς· αὕτη δὲ τὰ τοῖς διαδεξαμένοις τὴν τούτου βασιλείαν πεπραγμένα περιέχουσα τελευτὴν μὲν ἔχει τὸν προηγούμενον ἐνιαυτὸν τῆς Ἀγαθοκλέους τυραννίδος, περιεῖληφεν δ' ἔτη ἑπτὰ.

ἐπ' ἄρχοντος γὰρ Ἀθήνησι Κηφισοδώρου Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Λεύκιον Φρούριον καὶ Δέκιον Ἰούνιον. ἐπὶ δὲ τούτων Ἀλεξάνδρου τοῦ βασιλέως τετελευτηκότος ἄπαιδος ἀναρχία καὶ πολλὴ στάσις ἐγένετο περὶ τῆς ἡγεμονίας. [2] ἡ μὲν γὰρ τῶν πεζῶν φάλαγξ Ἀρριδαῖον τὸν Φιλίππου μὲν υἱόν, ψυχικοῖς δὲ πάθεσι συνεχόμενον ἀνιάτοις προῆγεν ἐπὶ τὴν βασιλείαν· οἱ δὲ μέγιστον ἔχοντες ἀξίωμα τῶν φίλων καὶ σωματοφυλάκων συνεδρεύσαντες καὶ προσλαβόμενοι τὸ τῶν ἱππέων τῶν ἐταίρων ὀνομαζομένων σύστημα τὸ μὲν πρῶτον διαγωνίζεσθαι τοῖς ὅπλοις πρὸς τὴν φάλαγγα διέγνωσαν καὶ πρέσβεις ἀπέστειλαν πρὸς τοὺς πεζοὺς ἐκ τῶν ἀξίωμα ἔχόντων ἀνδρῶν, ὧν ἦν ἐπιφανέστατος Μελέαγρος, ἀξιοῦντες πειθαρχεῖν αὐτοῖς. [3] ὁ δὲ Μελέαγρος ὥς ἦκεν πρὸς τοὺς φαλαγγίτας, [p. 321] τῆς μὲν πρεσβείας οὐδεμίαν ἐποιήσατο μνείαν, τὸυναντίον δ' ἐπαινέσας αὐτοὺς ἐπὶ τοῖς δεδογμένοις παρώξυνε κατὰ τῶν ἐναντιουμένων. διόπερ οἱ Μακεδόνες ἡγεμόνα καταστήσαντες ἑαυτῶν τὸν Μελέαγρον προῆγον πρὸς τοὺς ἀντιλέγοντας μετὰ τῶν ὅπλων. [4] τῶν δὲ σωματοφυλάκων ἀποχωρησάντων ἐκ τῆς Βαβυλῶνος καὶ παρασκευαζομένων εἰς πόλεμον οἱ χαριέστατοι τῶν ἀνδρῶν ἔπεισαν αὐτοὺς ὁμονοῆσαι. εὐθὺς δὲ βασιλέα κατέστησαν τὸν Φιλίππου υἱὸν Ἀρριδαῖον καὶ μετωνόμασαν Φίλιππον, ἐπιμελητὴν δὲ τῆς βασιλείας Περδίκκαν, ᾧ καὶ ὁ βασιλεὺς τὸν δακτύλιον τελευτῶν δεδῶκει, τοὺς δὲ ἀξιολογωτάτους τῶν φίλων καὶ σωματοφυλάκων παραλαβεῖν τὰς σατραπείας καὶ ὑπακούειν τῷ τε βασιλεῖ καὶ τῷ Περδίκκα.

οὗτος δὲ παραλαβὼν τὴν τῶν ὅλων ἡγεμονίαν καὶ συνεδρεύσας μετὰ τῶν ἡγεμόνων Πτολεμαίῳ μὲν τῷ Λάγου τὴν Αἴγυπτον ἔδωκεν, Λαομέδοντι δὲ τῷ Μιτυληναίῳ Συρίαν, Φιλῶτα δὲ Κιλικίαν καὶ Πίθωνι μὲν Μηδίαν, Εὐμενεῖ δὲ Παφλαγονίαν καὶ Καππαδοκίαν καὶ πάσας τὰς συνοριζούσας ταύταις χώρας, ὥς Ἀλέξανδρος οὐκ ἐπῆλθεν ἐκκλεισθεὶς ὑπὸ τῶν καιρῶν, ὅτε διεπολέμει πρὸς Δαρεῖον, Ἀντιγόνῳ δὲ Παμφυλίαν καὶ Λυκίαν καὶ τὴν μεγάλην καλουμένην Φρυγίαν, μετὰ δὲ ταῦτα Κασάνδρῳ μὲν Καρίαν, [p. 322] Μελεάγρῳ δὲ Λυδίαν, Λεοννάτῳ δὲ τὴν ἐφ' Ἑλλησπόντῳ Φρυγίαν. αὗται μὲν οὖν αἱ σατραπείαι τοῦτον τὸν τρόπον ἐμερίσθησαν. [2] κατὰ δὲ τὴν Εὐρώπην Λυσιμάχῳ μὲν ἐδόθη Θράκη καὶ τὰ συνορίζοντα τῶν ἐθνῶν παρὰ τὴν Ποντικὴν θάλασσαν, ἡ δὲ Μακεδονία καὶ τὰ πλησιόχωρα τῶν ἐθνῶν Ἀντιπάρῳ προσωρίσθη. τὰς δὲ κατὰ τὴν Ἀσίαν παραλειμμένας σατραπείας ἔδοξε μὴ κινεῖν, ἀλλ' ἔαν ὑπὸ τοὺς αὐτοὺς ἡγεμόνας τεταγμένας· ὁμοίως δὲ καὶ Ταξίλῃν καὶ Πῶρον κυρίους εἶναι τῶν ἰδίων βασιλειῶν, καθάπερ αὐτὸς [3] Ἀλέξανδρος ἦν τεταχώς. τούτων δὲ τὴν συνορίζουσαν σατραπείαν τοῖς περὶ Ταξίλῃν βασιλεῦσι συνεχώρησε· τὴν δὲ παρὰ τὸν Καύκασον κειμένην, ὀνομαζομένην δὲ Παροπανισαδῶν προσώρισεν Ὁξυάρτη τῷ Βακτριανῷ

βασιλεῖ, οὗ τὴν θυγατέρα Πρωξάνην γεγαμηκῶς ἦν Ἀλέξανδρος. καὶ Σιβυρτίῳ μὲν ἔδωκεν Ἀραχωσίαν καὶ Κεδρωσίαν, Στασάνορι δὲ τῷ Σολίῳ τὴν Ἀρίαν καὶ Δραγγινὴν, Φιλίππῳ δὲ προσώρισε Βακτριανὴν καὶ Σογδιανὴν, Φραταφέρνῃ δὲ Παρθυαίαν καὶ Ὑρκανίαν καὶ Πευκέστη μὲν Περσίδα, Τληπολέμῳ δὲ Καρμανίαν, Ἀτροπάτῃ δὲ Μηδίαν, Ἀρχωνι δὲ τὴν [p. 323] Βαβυλωνίαν, Ἀρκεσιλάῳ δὲ Μεσοποταμίαν. [4] Σέλευκον δ' ἔταξεν ἐπὶ τὴν ἱππαρχίαν τῶν ἐταίρων, οὓσαν ἐπιφανεστάτην: ταύτης γὰρ Ἡφαιστίων πρῶτος μὲν ἡγήσατο, μετὰ δὲ τοῦτον Περδίκκας, τρίτος δ' ὁ προειρημένος Σέλευκος. [5] ἐπὶ δὲ τὴν κατακομιδὴν τοῦ σώματος καὶ τὴν κατασκευὴν τῆς ἁρμαμάξης τῆς μελλούσης κομίζειν τὸ σῶμα τοῦ τετελευτηκότος βασιλέως εἰς Ἀμμωνα ἔταξαν Ἀρριδαῖον.

κρατερός δὲ τῶν ἐπιφανεστάτων ἀνδρῶν > ὑπάρχων ἔτυχε προαπεσταλμένος εἰς Κιλικίαν ὑπ' Ἀλεξάνδρου μετὰ τῶν ἀπολυθέντων τῆς στρατείας, ὄντων μυρίων. ἅμα δ' εἰληφῶς ἐντολὰς ἦν ἐγγράπτους, ἃς ἔδωκε μὲν ὁ βασιλεὺς αὐτῷ συντελέσαι, μεταλλάξαντος δ' Ἀλεξάνδρου τοῖς διαδόχοις ἔδοξε μὴ συντελεῖν τὰ βεβουλευμένα. [2] ὁ γὰρ Περδίκκας παραλαβὼν ἐν τοῖς ὑπομνήμασι τοῦ βασιλέως τὴν τε συντέλειαν τῆς Ἡφαιστίωνος πυρᾶς, πολλῶν δεομένην χρημάτων, τάς τε λοιπὰς αὐτοῦ ἐπιβολὰς πολλὰς καὶ μεγάλας οὕσας καὶ δαπάνας ἀνυπερβλήτους ἐχούσας ἔκρινε συμφέρειν ἀκύρους ποιῆσαι. [3] ἵνα δὲ μὴ δόξη διὰ τῆς ἰδίας γνώμης καθαιρεῖν τι τῆς Ἀλεξάνδρου δόξης ἐπὶ τὸ κοινὸν τῶν Μακεδόνων πλῆθος ἀνήνεγκε τὴν περὶ τούτων βουλήν. ἦν δὲ τῶν ὑπομνημάτων τὰ μέγιστα καὶ μνήμης ἄξια τάδε, [4] χιλίας μὲν ναὺς μακρὰς μείζους τριήρων ναυπηγήσασθαι κατὰ τὴν Φοινίκην καὶ Συρίαν [p. 324] καὶ Κιλικίαν καὶ Κύπρον πρὸς τὴν στρατείαν τὴν ἐπὶ Καρχηδονίους καὶ τοὺς ἄλλους τοὺς παρὰ θάλατταν κατοικοῦντας τῆς τε Λιβύης καὶ Ἰβηρίας καὶ τῆς ὁμόρου χώρας παραθαλαττίου μέχρι Σικελίας, ὁδοποιῆσαι δὲ τὴν παραθαλάττιον τῆς Λιβύης μέχρι στηλῶν Ἡρακλείων, ἀκολουθῶς δὲ τῷ τηλικούτῳ στόλῳ λιμένας καὶ νεώρια κατασκευάσαι κατὰ τοὺς ἐπικαίρους τῶν τόπων, ναοὺς τε κατασκευάσαι πολυτελεῖς ἕξ, ἀπὸ ταλάντων χιλίων καὶ πεντακοσίων ἕκαστον, πρὸς δὲ τούτοις πόλεων συνοικισμοὺς καὶ σωμάτων μεταγωγὰς ἐκ τῆς Ἀσίας εἰς τὴν Εὐρώπην καὶ κατὰ τοὐναντίον ἐκ τῆς Εὐρώπης εἰς τὴν Ἀσίαν, ὅπως τὰς μεγίστας ἡπείρους ταῖς ἐπιγαμίαις καὶ ταῖς οἰκειώσεσιν εἰς κοινὴν ὁμόνοιαν καὶ συγγενικὴν φιλίαν καταστήσῃ. [5] τοὺς δὲ προειρημένους ναοὺς ἔδει κατασκευασθῆναι ἐν Δήλῳ καὶ Δελφοῖς καὶ Δωδώνῃ, κατὰ δὲ τὴν Μακεδονίαν ἐν Δίῳ μὲν τοῦ Διός, ἐν Ἀμφιπόλει δὲ τῆς Ταυροπόλου, ἐν Κύρῳ δὲ τῆς Ἀθηνᾶς: ὁμοίως δὲ καὶ ἐν Ἰλίῳ ταύτης τῆς θεᾶς κατασκευασθῆναι ναὸν ὑπερβολὴν ἑτέρῳ μὴ καταλείποντα. τοῦ δὲ πατρὸς Φιλίππου τάφον πυραμίδι παραπλήσιον μὲν τῇ μεγίστῃ κατὰ τὴν Αἴγυπτον, ἃς ἐν τοῖς ἐπτά τινες μεγίστοις ἔργοις καταριθμοῦσιν. [6] ἀναγνωσθέντων δὲ τῶν ὑπομνημάτων οἱ Μακεδόνες, καίπερ ἀποδεδεγμένοι καλῶς τὸν Ἀλέξανδρον, ὅμως ὑπερόγκους καὶ [p. 325] δυσεφίκτους τὰς ἐπιβολὰς ὀρῶντες ἔκριναν μηδὲν τῶν εἰρημένων συντελεῖν. [7] Περδίκκας δὲ τὸ μὲν πρῶτον τοὺς ταραχώδεις τῶν στρατιωτῶν καὶ μάλιστα ἄλλοτρίως ἔχοντας τὰ πρὸς αὐτὸν

ἀπέκτεινεν, ὄντας τριάκοντα. μετὰ δὲ ταῦτα καὶ Μελέαγρον ἐν τῇ στάσει καὶ πρεσβείᾳ προδότην γεγεννημένον, ἐπιβαλόμενος οἰκείας διαβολὰς καὶ κατηγορίας, ὥς ἐπιβουλὴν κατ' αὐτοῦ πεποιημένον ἐκόλασε. [8] μετὰ δὲ ταῦτα ἐν ταῖς ἄνω σατραπειαῖς τῶν κατοικισθέντων Ἑλλήνων ἀποστάντων καὶ δύνανιν ἀξιόλογον συστησάμενων ἓνα τῶν ἐπιφανῶν ἀνδρῶν ἐξέπεμψε Πίθωνα, διαπολεμήσοντα πρὸς αὐτούς.

ἡμεῖς δὲ πρὸς τὰς μελλούσας ἱστορεῖσθαι πράξεις οἰκεῖον εἶναι νομίζομεν ἐκθεῖναι πρότερον τὰς τε αἰτίας τῆς ἀποστάσεως καὶ τῆς ὅλης Ἀσίας τὴν θέσιν καὶ τῶν σατραπειῶν τὰ μεγέθη καὶ τὰς ιδιότητας. οὕτως γὰρ μάλιστα εὐπαρακολούθητος τοῖς ἀναγινώσκουσιν ἡ διήγησις ἔσται, πρὸ ὀφθαλμῶν τεθείσης τῆς ὅλης τοποθεσίας καὶ τῶν διαστημάτων. [2] ἀπὸ τοίνυν τοῦ κατὰ Κιλικίαν Ταύρου συνεχὲς ὅρος δι' ὅλης τῆς Ἀσίας διήκει μέχρι τοῦ Καυκάσου καὶ τοῦ πρὸς ἀνατολὰς Ὠκεανοῦ: τοῦτο δὲ παντοδαποῖς ἀναστήμασι λόφων διειλημμένον ἰδίας καθ' ἕκαστον ἔχει προσηγορίας. [3] τοῦτον δὲ τὸν τρόπον εἰς δύο μέρη διαιρουμένης τῆς Ἀσίας τὸ μὲν πρὸς τὰς ἄρκτους αὐτῆς νένευκεν, τὸ δὲ πρὸς τὴν μεσημβρίαν. ἀκολουθῶς δὲ τούτοις τοῖς κλίμασι τῶν ποταμῶν τὰς [p. 326] ρύσεις ἐχόντων ἀντιπροσώπους οἱ μὲν εἰς τὴν Κασπίαν θάλατταν, οἱ δὲ εἰς τὸν Εὐξείνιον Πόντον, ἔνιοι δὲ εἰς τὸν ὑπὸ τὰς ἄρκτους Ὠκεανὸν ἐξερεῦνONTAI. οἱ δ' ἀντικείμενοι τούτοις οἱ μὲν εἰς τὸν κατὰ τὴν Ἰνδικήν, οἱ δ' ἐπὶ τὸν συνεχῆ τῆς ἡπείρου ταύτης κείμενον Ὠκεανὸν ἐκβάλλουσιν, ἔνιοι δ' εἰς τὴν καλουμένην Ἐρυθρὰν θάλατταν καταφέρονται. [4] ὁμοίως δὲ τούτοις διειλημμένων τῶν σατραπειῶν αἱ μὲν ἐπὶ τὴν ἄρκτον, αἱ δ' ἐπὶ τὴν μεσημβρίαν ἔχουσι τὰς κλίσεις. καὶ πρώτη μὲν τῶν πρὸς τὴν ἄρκτον ἐστραμμένων κεῖται παρὰ τὸν Τάναϊν ποταμὸν Σογδιανὴ καὶ Βακτριανὴ καὶ τούτων ἐχομένη Ἀρία καὶ Παρθυαία καὶ Ὑρκανία, δι' ἧς συμβαίνει περιέχεσθαι τὴν Ὑρκανίαν θάλατταν, οὖσαν καθ' αὐτήν: μετὰ δὲ ταῦτα Μηδία, πολλὰς μὲν ἔχουσα τόπων προσηγορίας, μεγίστη δ' οὖσα πασῶν τῶν σατραπειῶν: ἐξῆς δ' Ἀρμενία καὶ Λυκαονία καὶ Καππαδοκία, πᾶσαι τὸν ἀέρα δυσχείμερον ἔχουσαι: ταύταις δὲ συνορίζουσαι κατ' εὐθεῖαν μὲν ἡ τε μεγάλη Φρυγία καὶ ἡ ἐφ' Ἑλλησπόντῳ κειμένη, ἐκ δὲ τῶν πλαγίων Λυδία καὶ Καρία, ὑπερδέξιός δὲ τῆς Φρυγίας καὶ παράλληλος ἡ Πισιδικὴ καὶ ταύτης ἐχομένη Λυκία. [5] ἐν δὲ τοῖς παρὰ θάλασσαν τόποις τούτων τῶν σατραπειῶν αἱ τῶν Ἑλλήνων πόλεις καθίδρυνται, ὧν τὰς προσηγορίας γράφειν οὐκ ἀναγκαῖον πρὸς τὴν ὑποκειμένην ὑπόθεσιν. αἱ μὲν οὖν πρὸς τὴν ἄρκτον ἐστραμμέναι σατραπεῖαι τὸν εἰρημένον τρόπον καθίδρυνται.

τῶν δὲ πρὸς μεσημβρίαν ἐστραμμένων [p. 327] πρώτη μὲν παρὰ τὸν Καύκασόν ἐστιν Ἰνδική, βασιλεία μεγάλη καὶ πολυάνθρωπος, οἰκουμένη δ' ὑπὸ πλειόνων Ἰνδικῶν ἔθνων, ὧν ἐστὶ μέγιστον τὸ τῶν Γανδαριδῶν ἔθνος, ἐφ' οὓς διὰ τὸ πλῆθος τῶν παρ' αὐτοῖς ἐλεφάντων οὐκ ἐπεστράτευσεν ὁ Ἀλέξανδρος. [2] ὀρίζει δὲ τὴν χώραν ταύτην καὶ τὴν ἐξῆς Ἰνδικὴν ποταμὸς ὁ ὀνομαζόμενος Γάγγης, μέγιστος ὢν τῶν περὶ τοὺς τόπους καὶ τὸ πλάτος ἔχων σταδίων τριάκοντα. ἐχομένη δὲ ταύτης ἡ λοιπὴ τῆς Ἰνδικῆς, ἣν κατεπολέμησεν ὁ Ἀλέξανδρος, παραποταμίους ὕδασι κατάρρυντος καὶ κατὰ τὴν εὐδαιμονίαν ἐπιφανεστάτη, καθ' ἣν ὑπῆρχε σὺν ἄλλαις πλείοσι βασιλείαις ἡ

τε τοῦ Πώρου καὶ Ταξίλου δυναστεία, δι' ἧς συμβαίνει ρεῖν τὸν Ἰνδὸν ποταμόν, ἀφ' οὗ τὴν προσηγορίαν ἔσχεν ἡ χώρα. [3] ἐχομένη δὲ τῆς Ἰνδικῆς ἀφώριστο σατραπείας Ἀραχωσία καὶ Κεδρωσία καὶ Καρμανία, πρὸς δὲ ταύταις Περσίς, ἐν ἣ τὴν Σουσιανὴν καὶ Σιττακινὴν κεῖσθαι συμβέβηκεν: ἐξῆς δὲ Βαβυλωνία μέχρι τῆς κατὰ τὴν Ἀραβίαν ἀοικήτου: ἐκ δὲ θατέρου μέρους, ἀφ' οὗ ποιοῦμεθα τὴν ἀνάβασιν, Μεσοποταμία περιειλημμένη δυοῖ ποταμοῖς, τῷ τε Εὐφράτῃ καὶ Τίγριδι, δι' οὓς τέτευχε ταύτης τῆς προσηγορίας: ἐχομένη δὲ τῆς Βαβυλωνίας Συρία ἡ ἄνω καλουμένη καὶ αἱ συνεχεῖς ταύτη παραθαλάττιοι Κιλικία καὶ Παμφυλία [p. 328] καὶ ἡ Κοίλη Συρία, καθ' ἣν ἡ Φοινίκη περιεῖληπται. παρὰ δὲ τὰ πέρατα τῆς Κοίλης Συρίας καὶ τὴν συνεχῶς κειμένην ἔρημον, καθ' ἣν ὁ Νεῖλος φερόμενος ὀρίζει Συρίαν τε καὶ τὴν Αἴγυπτον, ἀπεδέδεικτο σατραπεία πασῶν ἀρίστη καὶ προσόδους ἔχουσα μεγάλας [4] Αἴγυπτος. πᾶσαι δ' αὗται καυματώδεις εἰσίν, ὥς ἀντιπνέοντος τοῦ κατὰ μεσημβρίαν ἀέρος τῷ πρὸς ἄρκτους καθήκοντι. αἱ μὲν οὖν ὑπ' Ἀλεξάνδρου καταπολεμηθεῖσαι σατραπείαι τὸν εἰρημένον τρόπον κείμεναι διμερίσθησαν τοῖς ἀξιολογωτάτοις τῶν ἀνδρῶν.

οἱ δ' ἐν ταῖς ἄνω καλουμέναις σατραπείαις κατοικισθέντες Ἕλληνες ὑπ' Ἀλεξάνδρου, ποθοῦντες μὲν τὴν Ἑλληνικὴν ἀγωγὴν καὶ δίαιταν, ἐν δὲ ταῖς ἐσχατιαῖς τῆς βασιλείας ἐξερριμμένοι, ζῶντος μὲν τοῦ βασιλέως ὑπέμενον διὰ τὸν φόβον, τελευτήσαντος δὲ ἀπέστησαν. [2] συμφρονήσαντες δὲ καὶ ἐλόμενοι στρατηγὸν Πίθωνα τὸν Αἰνιᾶνα δύναμιν ἀξιόλογον συνεστήσαντο. πεζοὺς μὲν γὰρ εἶχον πλείους τῶν δισμυρίων, ἵππεῖς δὲ τρισχιλίους, πάντας δὲ τῶν κατὰ τὸν πόλεμον ἀγώνων πολλάκις πείραν εἰληφότας καὶ διαφόρους ταῖς ἀνδραγαθίαις. [3] Περδίκκας δὲ πυθόμενος τὴν τῶν Ἑλλήνων ἀπόστασιν ἐκλήρωσεν ἐκ τῶν Μακεδόνων πεζοὺς μὲν τρισχιλίους, ἵππεῖς δὲ ὀκτακοσίους. τοῦ δὲ πλήθους ἐλόμενος στρατηγὸν Πίθωνα τὸν σωματοφύλακα μὲν Ἀλεξάνδρου γεγονότα, φρονήματος δὲ πλήρη καὶ δυνάμενον στρατηγεῖν παρέδωκε τούτῳ τοὺς ἀποκληρωθέντας. δούς δ' αὐτῷ πρὸς τοὺς σατράπας ἐπιστολὰς, [p. 329] ἐν αἷς γεγραμμένον ἦν στρατιώτας δοῦναι τῷ Πίθωνι μυρίους μὲν πεζοὺς, ἵππεῖς δὲ ὀκτακισχιλίους, ἐξαπέστειλεν ἐπὶ τοὺς ἀποστάντας. [4] ὁ δὲ Πίθων μεγαλεπίβολος ὢν ἀσμένως ὑπήκουσεν εἰς τὴν στρατείαν, διανοούμενος τοὺς μὲν Ἕλληνας ταῖς φιланθρωπίαις προσάγεσθαι, τὴν δὲ δύναμιν τῇ τούτων συμμαχίᾳ μεγάλῃν ποιήσας ἰδιοπραγεῖν καὶ τῶν ἄνω σατραπειῶν δυναστεύειν. [5] ὁ δὲ Περδίκκας ὑφορώμενος αὐτοῦ τὴν ἐπιβολὴν διεκελεύσατο καταπολεμήσαντα τοὺς ἀφεστηκότας ἅπαντας ἀποκτείνειν καὶ τὰ λάφυρα διαδοῦναι τοῖς στρατιώταις. ὁ δὲ Πίθων ἀναζεύξας μετὰ τῶν δεδομένων αὐτῷ στρατιωτῶν καὶ παρὰ τῶν σατραπῶν προσλαβόμενος τοὺς συμμάχους ἤκεν μετὰ πάσης τῆς δυνάμεως ἐπὶ τοὺς ἀφεστηκότας. διὰ δὲ τινος Αἰνιᾶνος διαφθείρας Λητόδωρον, ἐπὶ τρισχιλίων στρατιωτῶν παρὰ τοῖς ἀποστάταις τεταγμένον, τοῖς ὅλοις προετέρησε. [6] γινομένης γὰρ τῆς παρατάξεως καὶ τῆς νίκης ἀμφιδοξουμένης ὁ προδότης ἐγκαταλιπὼν τοὺς συμμάχους ἀλόγως ἀπῆλθεν ἐπὶ τινα λόφον, ἔχων τρισχιλίους. οἱ δ' ἄλλοι δόξαντες τούτους πρὸς φυγὴν ὠρμηκέναι διεταράχθησαν καὶ τραπέντες ἔφυγον. [7] ὁ δὲ Πίθων νικήσας τῇ μάχῃ

διεκηρύξατο πρὸς τοὺς ἡττημένους, [p. 330] κελεύων τὰ μὲν ὅπλα καταθέσθαι, αὐτοὺς δὲ τὰ πιστὰ λαβόντας ἐπὶ τὰς ἰδίας κατοικίας ἀναχωρῆσαι. [8] γενομένων δ' ἐπὶ τούτοις ὄρκων καὶ τῶν Ἑλλήνων ἀναμιχθέντων τοῖς Μακεδόσιν ὁ μὲν Πίθων περιχαρὴς ἦν, κατὰ νοὺν αὐτῷ προχωρούντων τῶν πραγμάτων, οἱ δὲ Μακεδόνες μνησθέντες μὲν τῆς τοῦ Περδίκκου παραγγελίας, οὐδὲν δὲ φροντίσαντες τῶν γεγενημένων ὄρκων παρεσπόνδησαν τοὺς Ἑλληνας. [9] ἀπροσδοκῆτως γὰρ αὐτοῖς ἐπιθέμενοι καὶ λαβόντες ἀφυλάκτους ἅπαντας κατηκόντισαν καὶ τὰ χρήματα διήρπασαν. ὁ μὲν οὖν Πίθων διαψευσθεὶς τῶν ἐλπίδων ἀπῆλθε μετὰ τῶν Μακεδόνων πρὸς τὸν Περδίκκαν. καὶ τὰ μὲν κατὰ τὴν Ἀσίαν ἐν τούτοις ἦν.

κατὰ δὲ τὴν Εὐρώπην Ῥόδιοι μὲν ἐκβαλόντες τὴν Μακεδονικὴν φρουρὰν ἡλευθέρωσαν τὴν πόλιν, Ἀθηναῖοι δὲ πρὸς Ἀντίπατρον πόλεμον ἐξήνεγκαν τὸν ὀνομασθέντα Λαμιακόν. τούτου δὲ τὰς αἰτίας ἀναγκαῖόν ἐστι προεκθέσθαι χάριν τοῦ σαφεστέρας γενέσθαι τὰς ἐν αὐτῷ συντελεσθείσας πράξεις. [2] Ἀλέξανδρος γὰρ βραχεῖ χρόνῳ πρότερον τῆς τελευτῆς ἔκρινε κατάγειν ἅπαντας τοὺς ἐν ταῖς Ἑλληνίσιν πόλεσι φυγάδας, ἅμα μὲν δόξης ἔνεκεν, ἅμα δὲ βουλόμενος ἔχειν ἐν ἐκάστη πόλει πολλοὺς ἰδίους ταῖς εὐνοίαις πρὸς τοὺς νεωτερισμοὺς καὶ τὰς ἀποστάσεις τῶν Ἑλλήνων. [3] διόπερ ὑπογύων ὄντων τῶν Ὀλυμπίων ἐξέπεμψεν εἰς τὴν Ἑλλάδα Νικάνορα τὸν Σταγειρίτην, δοὺς ἐπιστολὴν περὶ τῆς καθόδου: ταύτην δὲ προσέταξεν ἐν τῇ πανηγύρει [p. 331] διὰ τοῦ νικήσαντος κήρυκος ἀναγνωσθῆναι τοῖς πλήθεσιν. [4] τούτου δὲ ποιήσαντος τὸ προσταχθὲν λαβὼν ὁ κῆρυξ ἀνέγνω τὴν ἐπιστολὴν τήνδε. ‘βασιλεὺς Ἀλέξανδρος τοῖς ἐκ τῶν Ἑλληνίδων πόλεων φυγάσι. τοῦ μὲν φεύγειν ὑμᾶς οὐχ ἡμεῖς αἴτιοι γεγόναμεν, τοῦ δὲ κατελθεῖν εἰς τὰς ἰδίας πατρίδας ἡμεῖς ἐσόμεθα πλὴν τῶν ἐναγῶν. γεγράφαμεν δὲ Ἀντιπάτρῳ περὶ τούτων, ὅπως τὰς μὴν βουλομένας τῶν πόλεων κατάγειν ἀναγκάσῃ.’ κηρυχθέντων δὲ [5] τούτων μεγάλῳ κρότῳ ἐπεσήμηνε τὸ πλῆθος: ἀποδεξάμενοι γὰρ οἱ κατὰ τὴν πανήγυριν τὴν χάριν τοῦ βασιλέως διὰ τὴν χαρὰν ἡμεῖβοντο τὴν εὐεργεσίαν τοῖς ἐπαίνοις. ἦσαν δ' οἱ φυγάδες ἀπηντηκότες ἅπαντες ἐπὶ τὴν πανήγυριν, ὄντες πλείους τῶν δισμυρίων. [6] οἱ μὲν οὖν πολλοὶ τὴν κάθοδον τῶν φυγάδων ὡς ἐπ' ἀγαθῷ γινομένην ἀπεδέχοντο, Αἰτωλοὶ δὲ καὶ Ἀθηναῖοι δυσχεραίνοντες τῇ πράξει χαλεπῶς ἔφερον. Αἰτωλοὶ μὲν γὰρ τοὺς Οἰνιάδας ἐκβεβληκότες ἐκ τῆς πατρίδος προσεδόκων τὴν ἐπὶ τοῖς παρανομήμασιν ἐπακολουθοῦσαν κόλασιν: καὶ γὰρ ὁ βασιλεὺς ἡπειλικῶς ἦν ὡς οὐκ Οἰνιαδῶν παῖδες, ἀλλ' αὐτὸς ἐπιθήσει τὴν δίκην αὐτοῖς: [7] ὁμοίως δὲ τούτοις Ἀθηναῖοι τὴν Σάμον κατακεκληρουχηκότες οὐδαμῶς τὴν νῆσον ταύτην προΐεντο. οὐκ ὄντες δ' ἀξιόμαχοι ταῖς τούτου δυνάμεσι κατὰ μὲν τὸ παρὸν ἡσυχίαν ἤγον, ἐπιτηροῦντες καιρὸν [p. 332]

εὐθετον, ὃν ἡ τύχη ταχέως αὐτοῖς παρεσκεύασε: μετ' ὀλίγον γὰρ τελευτήσαντος Ἀλεξάνδρου καὶ τῆς βασιλείας υἱοὺς διαδόχους οὐκ ἔχοντος ἐτόλμησαν ἀντιλαβέσθαι τῆς ἐλευθερίας καὶ τῆς κοινῆς τῶν Ἑλλήνων ἡγεμονίας. ἀφορμὰς δὲ ἔσχον εἰς τὸν πόλεμον τό τε πλῆθος τῶν καταλειφθέντων ὑφ' Ἀρπάλου χρημάτων, περὶ ὧν τὰ κατὰ μέρος ἐν τῇ πρὸ ταύτης βύβλῳ διήλθομεν, ὁμοίως δὲ καὶ τοὺς κατὰ τὴν Ἀσίαν ἀμίσθους

γενομένους ὑπὸ τῶν σατραπῶν μισθοφόρους, ὄντας μὲν ὀκτακισχιλίους, διατρίβοντας δὲ περὶ Ταίναρον τῆς Πελοποννήσου. [2] διὸ καὶ τούτους προσέταξαν ἐν ἀπορρήτοις Λεωσθένει τῷ Ἀθηναίῳ τὸ μὲν πρῶτον ἀναλαβεῖν αὐτοὺς ὡς ἰδιοπραγοῦντα χωρὶς τῆς τοῦ δήμου γνώμης, ὅπως ὁ μὲν Ἀντίπατρος ῥαθυμότερον διατεθῇ πρὸς τὰς παρασκευάς, καταφρονῶν τοῦ Λεωσθένους, οἱ δ' Ἀθηναῖοι σχολὴν λάβωσι καὶ χρόνον προκατασκευάσαι τι τῶν εἰς τὸν πόλεμον χρησίμων. [3] διὸ καὶ Λεωσθένης μετὰ πολλῆς ἡσυχίας μισθωσάμενος τοὺς προειρημένους παραδόξως ἐτοίμην ἔσχε πρὸς τὰς πράξεις ἀξιόλογον δύναμιν: ἐστρατευμένοι γὰρ κατὰ τὴν Ἀσίαν πολὺν χρόνον καὶ πολλῶν καὶ μεγάλων ἀγώνων μετεσχηκότες ἀθλήται τῶν κατὰ πόλεμον ἔργων ἐγεγέννητο. [4] ταῦτα μὲν οὖν οὕτως ἐπράττετο μήπω καλῶς ἐγνωσμένης τῆς Ἀλεξάνδρου τελευτῆς: ἐπεὶ δέ τινες ἐκ Βαβυλῶνος ἦκον αὐτόπται γεγονότες τῆς τοῦ βασιλέως μεταλλαγῆς, τότε φανερώς ὁ δῆμος ἀπεκαλύψατο πρὸς τὸν πόλεμον καὶ [p. 333] τῶν μὲν Ἀρπάλου χρημάτων μέρος ἐξέπεμψε τῷ Λεωσθένει καὶ πανοπλίας οὐκ ὀλίγας καὶ παρήγγειλε μηκέτι παρακρύπτειν, ἀλλὰ φανερώς πράττειν τι τῶν συμφερόντων. [5] ὁ δὲ διαδοὺς τοῖς μισθοφόροις τὰς συντάξεις καὶ καθοπλίσας τοὺς ἀνόπλους παρῆλθεν εἰς Αἰτωλίαν, συνθησόμενος κοινοπραγίαν. ἀσμένως δὲ τῶν Αἰτωλῶν συνυπακουσάντων καὶ διδόντων αὐτῷ στρατιώτας ἑπτακισχιλίους ὁ μὲν Λεωσθένης διαπεμπόμενος πρὸς τε τοὺς Λοκροὺς καὶ Φωκεῖς καὶ τοὺς ἄλλους τοὺς πλησιοχώρους παρεκάλει τῆς αὐτονομίας ἀντέχεσθαι καὶ τῆς τῶν Μακεδόνων δεσποτείας

ἐλευθερῶσαι τὴν Ἑλλάδα: ὁ δὲ δῆμος τῶν Ἀθηναίων, τῶν μὲν κτηματικῶν συμβουλευόντων τὴν ἡσυχίαν ἄγειν, τῶν δὲ δημοκόπων ἀνασειόντων τὰ πλήθη καὶ παρακαλούντων ἐρρωμένως ἔχεσθαι τοῦ πολέμου, πολὺ τοῖς πλήθεσιν ὑπερεῖχον οἱ τὸν πόλεμον αἰρούμενοι καὶ τὰς τροφὰς εἰωθότες ἔχειν ἐκ τοῦ μισθοφορεῖν: οἷς ποτ' ἔφησεν ὁ Φίλιππος τὸν μὲν πόλεμον εἰρήνην ὑπάρχειν, τὴν δὲ εἰρήνην πόλεμον. [2] εὐθὺς οὖν οἱ μὲν ῥήτορες τὰς τῶν δημοτικῶν ὁρμὰς σωματοποιοῦντες ἔγραψαν ψήφισμα τῆς κοινῆς τῶν Ἑλλήνων ἐλευθερίας φροντίσαι τὸν δῆμον καὶ τὰς μὲν φρουρουμένας πόλεις ἐλευθερῶσαι, ναῦς δὲ παρασκευάσαι τετρήρεις μὲν τεσσαράκοντα, τριῆρεις δὲ διακοσίας, στρατεύσασθαι δὲ πάντα Ἀθηναίους τοὺς μέχρι ἐτῶν τεσσαράκοντα καὶ τρεῖς μὲν φυλὰς τὴν Ἀττικὴν παραφυλάττειν, τὰς δ' ἐπὶ πρὸς τὰς ὑπερορίους στρατείας ἐτοίμους εἶναι. [p. 334] [3] ἐκπέμψαι δὲ καὶ πρέσβεις τοὺς ἐπελευσομένους τὰς Ἑλληνίδας πόλεις καὶ διδάζοντας ὅτι καὶ πρότερον μὲν ὁ δῆμος, τὴν Ἑλλάδα πᾶσαν κοινὴν εἶναι πατρίδα κρίνων τῶν Ἑλλήνων, τοὺς ἐπὶ δουλείᾳ στρατευσαμένους βαρβάρους ἡμύνατο κατὰ θάλασσαν καὶ νῦν οἶεται δεῖν ὑπὲρ τῆς κοινῆς τῶν Ἑλλήνων σωτηρίας καὶ σώμασι καὶ χρήμασι καὶ ναυσὶ προκινδυνεύειν. [4] κυρωθέντος δὲ τοῦ ψηφίσματος προχειρότερον ἢ συνέφερεν οἱ μὲν συνέσει διαφέροντες τῶν Ἑλλήνων ἔφασαν τὸν δῆμον τῶν Ἀθηναίων τὰ μὲν πρὸς εὐδοξίαν εὖ βεβουλεῦσθαι, τοῦ δὲ συμφέροντος διημαρτηκέαι: προεξανίστασθαι γὰρ αὐτὸν τῶν καιρῶν καὶ πρὸς ἀνικήτους καὶ μεγάλας δυνάμεις ἐπιβάλλεσθαι διακινδυνεύειν μηδεμιᾶς ἀνάγκης κατεπειγούσης καὶ φρονήσει δοκοῦντα

διαφέρειν μηδὲ ταῖς περιβοήτοις τῶν Θηβαίων συμφοραῖς νενουθετῆσθαι. [3] οὐ μὴν ἀλλὰ τῶν πρέσβων ἐπιπορευομένων τὰς πόλεις καὶ τῇ συνήθει τῶν λόγων δεινότητι παρορμώντων πρὸς τὸν πόλεμον αἱ πλεῖσται μὲν συνέθεντο τὴν συμμαχίαν,

αἱ μὲν κατ' ἔθνος, αἱ δὲ κατὰ πόλιν. τῶν δ' ἄλλων Ἑλλήνων οἱ μὲν πρὸς Μακεδόνας ἀπέκλινον, οἱ δὲ τὴν ἡσυχίαν εἴλοντο. Αἰτωλοὶ μὲν οὖν ἅπαντες πρῶτοι συνέθεντο τὴν συμμαχίαν, καθάπερ προεῖρηται, μετὰ δὲ τούτους Θετταλοὶ μὲν πάντες πλην Πελινναίων, Οἰταῖοι δὲ πλην Ἡρακλεωτῶν, Ἀχαιοὶ δὲ [p. 335] Φθιώται πλην Θηβαίων, Μηλιεῖς δὲ πλην Λαμίων, ἐξῆς δὲ Δωριεῖς ἅπαντες καὶ Λοκροὶ καὶ Φωκεῖς, ἔτι δ' Αἰνιᾶνες καὶ Ἀλυζαῖοι καὶ Δόλοπες, πρὸς δὲ τούτοις Ἀθαμᾶνες καὶ Λευκάδιοι καὶ Μολοττῶν οἱ περὶ Ἀρυπταῖον· οὗτος δ' ὕπουλον συμμαχίαν συνθέμενος ὕστερον διὰ προδοσίας συνήργησε τοῖς Μακεδόσι. τῶν τ' Ἰλλυριῶν καὶ Θρακῶν ὀλίγοι συνέθεντο συμμαχίαν διὰ τὸ πρὸς τοὺς Μακεδόνας μῖσος. [2] ἐξῆς δὲ συνελάβοντο τοῦ πολέμου Καρύστιοι μὲν ἐξ Εὐβοίας, τελευταῖοι δὲ τῶν Πελοποννησίων Ἀργεῖοι, Σικυῶνιοι, Ἡλεῖοι, Μεσσήνιοι καὶ οἱ τὴν Ἀκτὴν κατοικοῦντες. οἱ μὲν οὖν συμμαχίαν συνθέμενοι τῶν Ἑλλήνων ὑπῆρχον οἱ προειρημένοι. [3] ὁ δὲ δῆμος ἀπέστελλε στρατιώτας τῷ Λεωσθένει βοηθήσοντας πολιτικούς μὲν πεζοὺς πεντακισχιλίους, ἵππεις δὲ πεντακοσίους, μισθοφόρους δὲ δισχιλίους. τούτων δὲ πορευομένων διὰ τῆς Βοιωτίας ἀλλοτρίους συνέβαινεν εἶναι τοὺς Βοιωτοὺς τοῖς Ἀθηναίοις διὰ τοιαύτας τινὰς αἰτίας. Ἀλέξανδρος Θήβας κατασκάψας τὴν χώραν τοῖς περιοικοῦσι Βοιωτοῖς ἔδωκεν. [4] οὗτοι δὲ κατακληρουχήσαντες τὰς τῶν ἡτυχηκότων κτήσεις ἐκ τῆς χώρας μεγάλας ἐλάμβανον προσόδους. διόπερ εἰδότες ὅτι κρατήσαντες Ἀθηναῖοι τῷ πολέμῳ τοῖς Θηβαίοις ἀποκαταστήσουσι [p. 336] τὴν τε κατρίδα καὶ τὴν χώραν, ἀκέκλινον πρὸς τοὺς Μακεδόνας. [5] στρατοπεδεύοντων δ' αὐτῶν περὶ τὰς Πλαταιὰς ὁ Λεωσθένης μέρος τῆς ἰδίας δυνάμεως ἀναλαβὼν ἦκεν εἰς τὴν Βοιωτίαν. μετὰ δὲ τῶν Ἀθηναίων παραταξάμενος πρὸς τοὺς ἐγχωρίους μάχῃ τε ἐνίκησε καὶ τρόκαιον στήσας ταχέως ἐπανῆλθεν εἰς Πύλας· ἐνταῦθα γὰρ διατρίβων χρόνον τινὰ προκατεῖληπτο τὰς παρόδους καὶ τὴν τῶν Μακεδόνων δύναμιν ἀνεδέχετο.

Ἀντίπατρος δ' ἀπολελειμμένος ὑπ' Ἀλεξάνδρου στρατηγὸς τῆς Εὐρώπης ὥς ἐπύθετο τὴν τε τοῦ βασιλέως ἐν Βαβυλῶνι τελευταίαν τὴν τε τῶν σατραπειῶν διαίρεσιν, πρὸς μὲν Κρατερὸν εἰς Κιλικίαν διεπέμπετο παρακαλῶν τὴν ταχίστην βοηθῆσαι· οὗτος γὰρ προαπεσταλμένος εἰς Κιλικίαν ἤμελλε κατάγειν εἰς Μακεδονίαν τοὺς ἀπολελυμένους τῆς στρατείας Μακεδόνας, ὄντας ὑπὲρ τοὺς μυρίους, πρὸς δὲ Φιλώταν τὸν εἰληφότα σατραπείαν τὴν ἐφ' Ἑλλησπόντῳ Φρυγίαν, ὁμοίως ἀξιῶν καὶ τοῦτον βοηθῆσαι καὶ μίαν τῶν ἑαυτοῦ θυγατέρων συνοικεῖν ἐπαγγελλούμενος. [2] πυθόμενος δὲ τὴν ὑπὸ τῶν Ἑλλήνων συνδρομὴν ἐπ' αὐτὸν γεγεννημένην, τῆς μὲν Μακεδονίας ἀπέλιπε στρατηγὸν Σίππαν, δούς στρατιώτας τοὺς ἱκανοὺς καὶ παραγγείλας στρατολογεῖν ὥς πλείστους· αὐτὸς δ' ἀναλαβὼν Μακεδόνας μὲν μυρίους καὶ τρισχιλίους, ἵππεις δὲ [p. 337] ἑξακοσίους ἑσπάνιζε γὰρ ἡ Μακεδονία στρατιωτῶν πολιτικῶν διὰ τὸ πληθος τῶν ἀπεσταλμένων εἰς τὴν

Ἀσίαν ἐπὶ διαδοχὴν τῆς στρατείας ἄνέξουσεν ἐκ τῆς Μακεδονίας εἰς Θετταλίαν, συμπαραπλέοντος αὐτῷ τοῦ στόλου παντός, ὃν ἀπεσταλκῶς ἦν Ἀλέξανδρος παραπέμψοντα πλῆθος χρημάτων ἐκ τῶν βασιλικῶν θησαυρῶν εἰς τὴν Μακεδονίαν, οὐσῶν τῶν πασῶν τριήρων ἑκατὸν καὶ δέκα. [3] οἱ δὲ Θετταλοὶ τὸ μὲν πρῶτον συμμαχοῦντες τῷ Ἀντιπάτρῳ πολλοὺς καὶ ἀγαθοὺς ἱππεῖς ἐξέπεμψαν αὐτῷ: ὕστερον δ' ὑπὸ τῶν Ἀθηναίων μεταπεισθέντες ἀφίππευσαν πρὸς Λεωσθένην καὶ μετὰ τῶν Ἀθηναίων ταχθέντες διεπολέμουν ὑπὲρ τῆς τῶν Ἑλλήνων ἐλευθερίας. [4] μεγάλης δὲ δυνάμεως ταύτης τοῖς Ἀθηναίοις προσγεγενημένης οἱ μὲν Ἕλληνες ἐκράτουν πολὺ τῶν Μακεδόνων ὑπερέχοντες, ὁ δὲ Ἀντίπατρος μάχῃ λειφθεὶς καὶ τὸ λοιπὸν οὔτε παρατάξασθαι τολμῶν οὔτ' εἰς τὴν Μακεδονίαν ἐπανελθεῖν ἀσφαλῶς δυνάμενος κατέφυγεν εἰς πόλιν Λάμιαν. ἐν ταύτῃ δὲ τὴν δύναμιν συνέχων καὶ τὰ τεῖχη κατασκευάζων, ἔτι δὲ παρασκευὰς ὅπλων καὶ καταπελτῶν καὶ σίτου ποιοῦμενος ἐκαραδόκει τοὺς ἀπὸ τῆς Ἀσίας συμμάχους.

Λεωσθένης δὲ μετὰ πάσης τῆς δυνάμεως παρελθὼν πλησίον τῆς Λαμίας καὶ τὴν παρεμβολὴν ὀχυρωσάμενος τάφρῳ βαθείᾳ καὶ χάρακι τὸ μὲν πρῶτον ἐκτάξας τὴν δύναμιν προσῆγε τῇ πόλει καὶ τοὺς Μακεδόνας εἰς μάχην προυκαλεῖτο. μὴ τολμώντων δὲ αὐτῶν διαγωνίσασθαι προσβολὰς καθ' [p. 338] ἡμέραν τοῖς τεῖχεσιν ἐκ διαδοχῆς ἐποίειτο. [2] ἀμυνομένων δὲ τῶν Μακεδόνων εὐρώστως πολλοὶ τῶν προπετῶς βιαζομένων Ἑλλήνων ἀπώλλυντο: δυνάμεως γὰρ ἀξιολόγου κατὰ τὴν πόλιν οὔσης καὶ βελῶν παντοδαπῶν ἀφθονίας, ἔτι δὲ τεῖχους πολυτελοῦς κατεσκευασμένου ῥαδίως οἱ πολιορκούμενοι περιεγίνοντο. [3] ὁ δὲ Λεωσθένης ἀπογνούς τὴν ἐκ βίας ἄλωσιν τῆς πόλεως τὰς ἀγομένας εἰς ταύτην ἀγορὰς παρηρεῖτο, νομίζων ῥαδίως τῇ σιτοδείᾳ καταπολεμήσειν τοὺς ἐγκεκλεισμένους ἐν τῇ πόλει. κατεσκεύαζε δὲ καὶ τεῖχος καὶ τάφρον ὥρυττεν μεγάλην καὶ βαθεῖαν, εἵρων τοὺς πολιορκουμένους ἀπὸ τῆς ἐξόδου. [4] μετὰ δὲ ταῦτα Αἰτωλοὶ μὲν ἀξιώσαντες τὸν Λεωσθένην διὰ τινὰς ἐθνικὰς χρείας κατὰ τὸ παρὸν ἀπελθεῖν ἐπ' οἶκου πάντες ἐπανῆλθον εἰς τὴν Αἰτωλίαν: οὕτως δὲ τῶν περὶ Ἀντίπατρον καταπονηθέντων καὶ τῆς πόλεως κινδυνευούσης ἄλῶναι διὰ τὴν προσδοκωμένην σιτοδείαν ἡ τύχη τι παράδοξον ἀνένειμε τοῖς Μακεδόσιν εὐκλήρημα. [5] τοῦ γὰρ Ἀντιπάτρου τοῖς τὰς τάφρους ὀρύττουσιν ἐπιθεμένου καὶ συμπλοκῆς γενομένης ὁ μὲν Λεωσθένης παραβοηθῶν τοῖς ἰδίῳις καὶ πληγεῖς εἰς τὴν κεφαλὴν λίθῳ παραχρῆμα μὲν ἔπεσεν καὶ λιποψυχήσας εἰς τὴν παρεμβολὴν ἀπεκομίσθη, τῇ τρίτῃ δ' ἡμέρᾳ τελευτήσαντος αὐτοῦ καὶ ταφέντος ἡρωικῶς διὰ τὴν ἐν τῷ πολέμῳ δόξαν ὁ μὲν δῆμος τῶν Ἀθηναίων τὸν ἐπιτάφιον ἔπαινον εἰπεῖν προσέταξεν [p. 339] Ὑπερείδῃ τῷ πρωτεύοντι τῶν ῥητόρων τῇ τοῦ λόγου δεινότητι καὶ τῇ κατὰ τῶν Μακεδόνων ἁλλοτριότητι: [6] κατ' ἐκεῖνον γὰρ τὸν καιρὸν ὁ μὲν κορυφαῖος τῶν Ἀθήνησι ῥητόρων Δημοσθένης ἐπεφύγει, καταδεδικασμένος ὥς εἰληφῶς τῶν Ἀρπαλείων χρημάτων. ἀντὶ δὲ τοῦ Λεωσθένους κατεστάθῃ στρατηγὸς Ἀντίφιλος, ἀνὴρ συνέσει στρατηγικῇ καὶ ἀνδρεία διαφέρων. καὶ τὰ μὲν κατὰ τὴν Εὐρώπην ἐν τούτοις ἦν.

κατὰ δὲ τὴν Ἀσίαν τῶν μεμερισμένων τὰς σατραπείας Πτολεμαῖος μὲν

ἀκινδύνως παρέλαβε τὴν Αἴγυπτον καὶ τοῖς μὲν ἐγχωρίοις φιλανθρώπως προσεφέρετο, παραλαβὼν δὲ ὀκτακισχίλια τάλαντα μισθοφόρους ἤθροιζε καὶ δυνάμεις παρεσκευάζετο: συνένερχε δὲ καὶ φίλων πλῆθος πρὸς αὐτὸν διὰ τὴν ἐπιείκειαν. [2] πρὸς δὲ Ἀντίπατρον διαπρεσβευόμενος κοινοπραγίαν συνέθετο, σαφῶς εἰδὼς ὅτι Περδίκκας ἐπιβαλεῖται παρελῆσθαι τὴν τῆς Αἰγύπτου σατραπείαν. Λυσίμαχος δ' ἐπιβαλὼν τοῖς κατὰ τὴν Θράκην τόποις καὶ καταλαβὼν Σεύθην τὸν βασιλέα κατεστρατοπεδευκότα πεζοῖς μὲν δισμυρίοις, ἵππεσσι δ' ὀκτακισχιλίοις οὐ κατεπλάγη τὸ μέγεθος τῆς δυνάμεως. ἔχων δὲ τοὺς σύμπαντας πεζοὺς μὲν οὐ πλείους τῶν τετρακισχιλίων, ἵππεῖς δὲ δισχιλίους συνῆψε μάχην τοῖς βαρβάροις. [3] ταῖς μὲν οὖν ἀνδραγαθίαις προεῖχεν αὐτῶν, τοῖς δὲ πλήθεσι λειπόμενος καρτερὰν μάχην συνεστήσατο καὶ πολλοὺς μὲν τῶν ἰδίων ἀποβαλὼν, πολλαπλασίους δ' ἀποκτείνας ἐπανῆλθεν εἰς τὴν στρατοπεδεῖαν ἀμφίδοξον ἔχων τὴν [p. 340] νίκην. [4] τότε μὲν οὖν ἐχωρίσθησαν ἐκ τῶν τόπων αἱ παρ' ἀμφοτέροις δυνάμεις καὶ παρασκευὰς μείζους ἐποιοῦντο πρὸς τὴν τῶν ὅλων ἐπίθεσιν. Λεοννάτος δέ, παραγενομένου πρὸς αὐτὸν Ἑκαταίου πρεσβευτοῦ καὶ δεομένου βοηθῆσαι τὴν ταχίστην Ἀντιπάτρῳ καὶ Μακεδόσιν, ἐπηγγείλατο συμμαχήσειν. [5] διαβὰς οὖν εἰς τὴν Εὐρώπην καὶ καταντήσας εἰς Μακεδονίαν προσελάβετο πολλοὺς στρατιώτας Μακεδόνας: ἀθροίσας δὲ τοὺς ἅπαντας πεζοὺς μὲν πλείους τῶν δισμυρίων, ἵππεῖς δὲ χιλίους καὶ πεντακοσίους προῆγεν διὰ τῆς Θετταλίας ἐπὶ τοὺς πολεμίους.

οἱ δὲ Ἕλληνες λύσαντες τὴν πολιορκίαν καὶ τὴν στρατοπεδεῖαν ἐμπρήσαντες τὸν μὲν ἀχρεῖον εἰς παράταξιν ὄχλον καὶ τὰς παρασκευὰς εἰς Μελιτίαν πόλιν ἐξέπεμψαν, αὐτοὶ δ' εὗζωνοι καὶ πρὸς μάχην ὄντες ἔτοιμοι προῆγον, ἀπαντήσοντες τοῖς περὶ Λεοννάτον πρὸ τοῦ τὸν Ἀντίπατρον συμμῖξαι καὶ τὰς δυνάμεις ἀμφοτέρας εἰς ἓνα τόπον συνελθεῖν. [2] εἶχον δὲ τοὺς σύμπαντας πεζοὺς μὲν δισμυρίους καὶ δισχιλίους: οἱ γὰρ Αἰτωλοὶ πάντες προαπηλλαχότες ἦσαν εἰς τὴν οἰκείαν καὶ τῶν ἄλλων Ἑλλήνων οὐκ ὀλίγοι κατ' ἐκεῖνον τὸν καιρὸν ὑπῆρχον εἰς τὰς πατρίδας κεχωρισμένοι: ἵππεῖς δὲ συνεστρατεύοντο πλείους τῶν τρισχιλίων καὶ πεντακοσίων, ὧν ἦσαν Θετταλοὶ δισχίλιοι διάφοροι ταῖς ἀρεταῖς, ἐν οἷς εἶχον μάλιστα τὰς τῆς νίκης ἐλπίδας. [3] γενομένης δ' ἵππομαχίας [p. 341] ἰσχυρᾶς ἐπὶ πολὺν χρόνον καὶ τῶν Θετταλῶν διὰ τὰς ἀρετὰς ἐπικρατούντων ὁ μὲν Λεοννάτος λαμπρῶς ἀγωνισάμενος καὶ διακλεισθεὶς εἰς τόπον τελματώδη τοῖς ὅλοις ἡλαττοῦτο, πολλοῖς δὲ τραύμασι περιπεσὼν καὶ τελευτήσας ὑπὸ τῶν ἰδίων ἦρθη καὶ πρὸς τὴν ἀποσκευὴν ἀπηνέχθη τετελευτηκώς: [4] τῇ δ' ἵππομαχίᾳ λαμπρῶς τῶν Ἑλλήνων νενικηκότων Μένωνος ἱπαρχοῦντος τοῦ Θετταλοῦ, εὐθύς ἢ τῶν Μακεδόνων φάλαγξ φοβουμένη τοὺς ἵππεῖς ἀπεχώρησεν ἐκ τοῦ πεδίου πρὸς τὰς ὑπερκειμένας δυσχωρίας καὶ τῇ τῶν τόπων ὀχυρότητι τὴν ἀσφάλειαν περιποιήσατο. τῶν δὲ Θετταλῶν ἱπέων προσμαχομένων καὶ διὰ τὴν δυσχωρίαν ἀπράκτων γινομένων οἱ μὲν Ἕλληνες τρόπαιον στήσαντες καὶ τῶν νεκρῶν κυριεύσαντες ἀπηλλάγησαν ἐκ τῆς μάχης, [5] τῇ δ' ὑστεραία παραγενηθέντος Ἀντιπάτρου μετὰ τῆς δυνάμεως καὶ συμμίζαντος τοῖς ἡττημένοις μίαν οἱ πάντες Μακεδόνες ἐποιήσαντο τὴν στρατοπεδεῖαν καὶ τὴν

τῶν ὅλων στρατηγίαν παρέλαβεν Ἀντίπατρος. [6] οὗτος δὲ κρίνας ἐπὶ τοῦ παρόντος ἡσυχίαν ἔχειν καὶ θεωρῶν τοὺς πολεμίους ἱπποκρατοῦντας τὴν μὲν διὰ τῶν ὁμαλῶν ἀποχώρησιν ἀπέγνω, διὰ δὲ τῆς δυσχωρίας προάγων καὶ τοὺς ὑπερδεξίους τόπους προκαταλαμβάνόμενος ἀπεχώρησεν ἐκ τούτων τῶν τόπων. [7] Ἀντίφιλος δὲ ὁ τῶν Ἑλλήνων στρατηγὸς ἐπιφανεῖ μάχῃ νικήσας τοὺς Μακεδόνας [p. 342] ἐφήδρευε περὶ Θετταλίαν διατρίβων καὶ καταδοκῶν τὴν τῶν πολεμίων ὁρμὴν. καὶ τὰ μὲν κατὰ τοὺς Ἑλληνας ἐν τοιαύταις εὐημερίαις ὑπῆρχε. [8] τῶν δὲ Μακεδόνων θαλασσοκρατούντων οἱ Ἀθηναῖοι πρὸς ταῖς ὑπαρχούσαις ναυσὶν ἄλλας κατεσκεύασαν, ὥστε γενέσθαι τὰς πάσας ἑκατὸν ἐβδομήκοντα. τῶν δὲ Μακεδονικῶν νεῶν οὐσῶν διακοσίων καὶ τεσσαράκοντα τὴν ναυαρχίαν εἶχε Κλεῖτος. [9] οὗτος δὲ ναυμαχῆσας πρὸς Ἡετίωνα τὸν Ἀθηναίων ναύαρχον ἐνίκησε δυσὶν ναυμαχίαις καὶ συχνὰς τῶν πολεμίων νεῶν διέφθειρε περὶ τὰς καλουμένας Ἐχινάδας νήσους.

ἅμα δὲ τούτοις πραττομένοις Περδίκκας, ἔχων μεθ' ἑαυτοῦ τὸν τε βασιλέα Φίλιππον καὶ τὴν βασιλικὴν δύναμιν, ἐστράτευσεν ἐπὶ Ἀριαράθην τὸν Καππαδοκίας δυνάστην. οὗτος γὰρ οὐ προσέχων τοῖς Μακεδόσιν ὑπὸ μὲν Ἀλεξάνδρου παρεωράθη διὰ τοὺς περὶ Δαρεῖον ἀγῶνας καὶ περισπασμούς, ἀναστροφὴν δὲ πολυχρόνιον εἶχε κυριεύων τῆς Καππαδοκίας. [2] διὸ καὶ πολλὰ μὲν ἐκ τῶν προσόδων χρήματα ἤθροισε, δυνάμεις δ' ἐγχωρίους καὶ ξενικὰς μεγάλας συνεστήσατο. διὸ καὶ βασιλείας ἀντιποιοῦμενος ἔτοιμος ἦν πρὸς τὸν Περδίκκαν διαγωνίζεσθαι, πεζοὺς μὲν ἔχων τρισμυρίους, [p. 343] ἱππεῖς δὲ μυρίους πεντακισχιλίους. ὁ δὲ Περδίκκας συνάψας αὐτῷ μάχην καὶ τῇ παρατάξει νικήσας ἀνείλε μὲν εἰς τετρακισχιλίους, ἐξώγρησε δὲ ὑπὲρ τοὺς πεντακισχιλίους, ἐν οἷς ἦν καὶ αὐτὸς ὁ Ἀριαράθης. [3] τοῦτον μὲν οὖν καὶ τοὺς συγγενεῖς αὐτοῦ πάντας αἰκισάμενος ἀνεσταύρωσε· τοῖς δ' ἡττηθεῖσι συγχωρήσας τὴν ἀσφάλειαν καὶ καταστήσας τὰ κατὰ τὴν Καππαδοκίαν παρέδωκε τὴν σατραπείαν Εὐμενεῖ τῷ Καρδιανῷ, καθάπερ ἐξ ἀρχῆς ἦν μεμερισμένος. [4] ὑπὸ δὲ τοὺς αὐτοὺς καιροὺς καὶ Κρατερὸς ἐκ Κιλικίας ἀναζεύξας ἦκεν εἰς Μακεδονίαν, βοηθήσων τοῖς περὶ τὸν Ἀντίπατρον καὶ διορθωσόμενος τὰς γεγεννημένας ἥττας τῶν Μακεδόνων. ἦγε δὲ πεζοὺς μὲν τῶν εἰς Ἀσίαν Ἀλεξάνδρῳ συνδιαβεβηκότων ἑξακισχιλίους, τῶν δ' ἐν παρόδῳ προσειλημμένων τετρακισχιλίους, Πέρσας δὲ τοξότας καὶ σφενδονήτας χιλίους, ἱππεῖς δὲ χιλίους καὶ πεντακοσίους. [5] παρελθὼν δ' εἰς τὴν Θετταλίαν καὶ τοῦ πρωτείου παραχωρήσας ἐκουσίως Ἀντιπάτρῳ κοινῇ μετ' αὐτοῦ κατεστρατοπέδευσε παρὰ τὸν Πηνειὸν ποταμόν. οἱ δὲ πάντες ἠθροίσθησαν σὺν τοῖς μετὰ Λεοννάτου παραγεγεννημένοις πεζοὶ μὲν πλείους τῶν τετρακισμυρίων ἐν τοῖς βαρέσιν ὅπλοις, τοξόται δὲ καὶ σφενδονῆται τρισχίλιοι,

ἱππεῖς δὲ πεντακισχίλιοι. οἱ δὲ Ἕλληνες κατὰ τοῦτον τὸν καιρὸν ἀντεστρατοπέδευσαν πολὺ τοῖς πλήθεσι λειπόμενοι· πολλοὶ γὰρ αὐτῶν διὰ τὰς προγεγεννημένας εὐημερίας καταφρονούντες τῶν πολεμίων εἰς τὰς πατρίδας [p. 344] ἦσαν ἀπεληλυθότες πρὸς τὴν τῶν ἰδίων ἐπίσκεψιν. [2] δι' αἷς αἰτίας πολλοὶ τῶν στρατιωτῶν ἀτακτούντων ὑπολοίπους εἶχον ἐν τῇ παρεμβολῇ πεζοὺς μὲν δισμυρίους καὶ πεντακισχιλίους, ἱππεῖς δὲ τρισχιλίους

καὶ πεντακοσίους, ἐν οἷς μάλιστα εἶχον τὰς τῆς νίκης ἐλπίδας διὰ τε τὰς τῶν ἀνδρῶν ἀρετὰς καὶ διὰ τὸ πεδινὴν ὑποκεῖσθαι χώραν. [3] τέλος δὲ τῶν περὶ Ἀντίπατρον καθ' ἡμέραν προαγόντων τὰς δυνάμεις καὶ προκαλουμένων εἰς μάχην τὸ μὲν πρῶτον ἀνέμενον τοὺς ἀπὸ τῶν πόλεων παραγεννησομένους, τῶν δὲ καιρῶν κατεπειγόντων ἠναγκάζοντο συγκαταβαίνειν εἰς τὸν ὑπὲρ τῶν ὅλων κίνδυνον. ἐκτάξαντες δὲ τὴν δύναμιν καὶ σπεύδοντες διὰ τῶν ἱππέων κρίναι τὸν πόλεμον τούτους πρὸ τῆς τῶν πεζῶν φάλαγγος ἔστησαν. [4] γενομένης δὲ ἱππομαχίας καὶ τῶν Θετταλῶν ἱππέων πλεονεκτούντων διὰ τὰς ἀρετὰς οἱ περὶ τὸν Ἀντίπατρον ἐπήγαγον τὴν ἰδίαν φάλαγγα καὶ τοῖς πεζοῖς τῶν πολεμίων ἐπιρράξαντες πολλὴν ἐποιοῦντο φόνον. οἱ δ' Ἕλληνες τὸ βάρος καὶ τὸ πλῆθος τῶν πολεμίων οὐ δυνάμενοι φέρειν εὐθὺς ἀπεχώρησαν πρὸς τὰς δυσχωρίας, τηροῦντες τὰς τάξεις ἐπιμελῶς. διὸ καὶ δραξάμενοι τόπων ὑπερδεξίων ῥαδίως ἡμύναντο τοὺς Μακεδόνας, ὑπερδέξιον ἔχοντες τὴν στάσιν. [5] οἱ δὲ τῶν Ἑλλήνων ἱππεῖς ἐπὶ τοῦ προτερήματος ὄντες, ὥς ἔγνωσαν τὴν τῶν πεζῶν ἀποχώρησιν, εὐθὺς πρὸς ἐκείνους ἀφίππευσαν. τότε μὲν οὖν τοῦτον τὸν τρόπον ἀγωνισάμενοι διελύθησαν, ῥεπούσης τῆς νίκης πρὸς [p. 345] τοὺς Μακεδόνας: ἀπέθανον δ' ἐν τῇ μάχῃ τῶν μὲν Ἑλλήνων πλείους τῶν πεντακοσίων, τῶν δὲ Μακεδόνων ἑκατὸν καὶ τριάκοντα. [6] τῇ δ' ὑστεραίᾳ Μένων μὲν καὶ Ἀντίφιλος οἱ τῶν Ἑλλήνων ἡγεμόνες συνεδρεύσαντες ἐβουλεύσαντο πότερον ἀναμείναντες τοὺς ἀπὸ τῶν πόλεων συμμάχους καὶ καταστάντες ἀξιόμαχοι περὶ τῶν ὅλων διακρίνονται ἢ τῷ παρόντι καιρῷ συνείξαντες πρεσβεύωνται περὶ διαλύσεως. ἔδοξεν οὖν ἀποστέλλειν κήρυκας περὶ τῆς τοῦ πολέμου καταλύσεως. [7] πραξάντων δ' αὐτῶν τὸ δόξαν ἀπεκρίθησαν οἱ περὶ τὸν Ἀντίπατρον κατὰ πόλεις πρεσβεύειν: οὐδενὶ γὰρ τρόπῳ κοινὴν σύλλυσιν ποιήσεσθαι. τῶν δὲ Ἑλλήνων οὐ προσδεχομένων τὰς κατὰ πόλιν διαλύσεις οἱ μὲν περὶ τὸν Ἀντίπατρον καὶ Κρατερὸν ἐπολιόρκουν τὰς ἐπὶ Θετταλίας πόλεις καὶ κατὰ κράτος ἤρουν, μὴ δυναμένων τῶν Ἑλλήνων βοηθεῖν. διὸ καὶ τῶν πόλεων περιφόβων οὐσῶν καὶ κατ' ἰδίαν ἐκάστης πρεσβευούσης περὶ διαλύσεως πάσαις συγχωρῶν τὴν εἰρήνην ἐπιεικῶς προσεφέρετο. [8] διόπερ ἐμπεισοῦσης ὀρμῆς εἰς τὰς πόλεις ἰδίᾳ πορίζεσθαι τὴν σωτηρίαν ταχὺ πᾶσαι τῆς εἰρήνης ἔτυχον. οἱ δ' ἄλλοτριώτατα διακείμενοι πρὸς τοὺς Μακεδόνας Αἰτωλοὶ καὶ Ἀθηναῖοι, συμμάχων ὄντες ἔρημοι, μετὰ τῶν ἰδίων στρατηγῶν ἐβουλεύοντο περὶ τοῦ πολέμου. [p. 346]

Ἀντίπατρος δὲ διὰ ταύτης τῆς στρατηγίας διαλύσας τὸ σύστημα τῶν Ἑλλήνων ἤγαγε τὴν δύναμιν πᾶσαν ἐπὶ τοὺς Ἀθηναίους. ὁ δὲ δῆμος ἐρημωθεὶς τῆς τῶν συμμάχων βοηθείας ἐν ἀπορίᾳ πολλῇ καθειστήκει: πάντων δὲ καταφερομένων ἐπὶ τὸν Δημάδην καὶ βοώντων τοῦτον ἐκπέμπειν πρεσβευτὴν πρὸς Ἀντίπατρον ὑπὲρ τῆς εἰρήνης οὗτος μὲν καλούμενος σύμβουλος οὐχ ὑπήκουσεν: [2] ἦν γὰρ τρεῖς ἡλωκῶς παρανόμων καὶ διὰ τοῦτο γεγωνῶς ἄτιμος καὶ κωλυόμενος ὑπὸ τῶν νόμων συμβουλεύειν: ἀπολαβὼν δὲ τὴν ἐπιτιμίαν ὑπὸ τοῦ δήμου παραχρῆμα ἐξεπέμφθη πρεσβευτῆς μετὰ Φωκίωνος καὶ τινῶν ἐτέρων. [3] τοῦ δ' Ἀντιπάτρου διακούσαντος τῶν λόγων καὶ δόντος ἀπόκρισιν ὥς ἄλλως οὐ μὴ συλλύσεται τὸν πρὸς Ἀθηναίους πόλεμον, ἐὰν μὴ τὰ καθ' ἑαυτοὺς ἐπιτρέψωσιν αὐτῷ 'καὶ γὰρ ἐκείνους

συγκλείσαντας εἰς Λάμιαν τὸν Ἀντίπατρον τὰς αὐτὰς ἀποκρίσεις πεποιῆσθαι πρεσβεύσαντος αὐτοῦ περὶ τῆς εἰρήνης· ὁ δῆμος οὐκ ὦν ἀξιόμαχος ἠναγκάσθη τὴν ἐπιτροπὴν καὶ τὴν ἐξουσίαν πᾶσαν Ἀντιπάτρῳ δοῦναι περὶ τῆς πόλεως. [4] ὁ δὲ φιλανθρώπως αὐτοῖς προσενεχθεὶς συνεχώρησεν ἔχειν τὴν τε πόλιν καὶ τὰς κτήσεις καὶ τᾶλλα πάντα· τὴν δὲ πολιτείαν μετέστησεν ἐκ τῆς δημοκρατίας καὶ προσέταξεν ἀπὸ τιμῆσεως εἶναι τὸ πολίτευμα καὶ τοὺς μὲν κεκτημένους πλείω δραχμῶν δισχιλίων κυρίους εἶναι τοῦ [p. 347] πολιτεύματος καὶ τῆς χειροτονίας, τοὺς δὲ κατωτέρω τῆς τιμῆσεως ἅπαντας ὡς ταραχώδεις ὄντας καὶ πολεμικοὺς ἀπήλασε τῆς πολιτείας καὶ τοῖς βουλομένοις χώραν ἔδωκεν εἰς κατοίκησιν ἐν τῇ Θράκῃ. [5] οὗτοι μὲν οὖν ὄντες πλείους τῶν δις ἑκατομμυρίων καὶ δισχιλίων μετεστάθησαν ἐκ τῆς πατρίδος, οἱ δὲ τὴν ὠρισμένην τιμῇσιν ἔχοντες περὶ ἑννακισχιλίους ἀπεδείχθησαν κύριοι τῆς τε πόλεως καὶ χώρας καὶ κατὰ τοὺς Σόλωνος νόμου ἐπολιτεύοντο· πάντες δὲ τὰς οὐσίας εἰάθησαν ἔχειν ἀναφαιρέτους, φρουράρχον δὲ Μένυλλον καὶ φρουρὰν ἠναγκάσθησαν δέξασθαι τὴν οὐκ ἐπιτρέψουσιν οὐδενὶ νεωτερίζειν. [6] περὶ δὲ τῆς Σάμου τὴν ἀναφορὰν ἐπὶ τοὺς βασιλεῖς ἐποιήσαντο. Ἀθηναῖοι μὲν οὖν παρ' ἐλπίδα φιλανθρωπευθέντες ἔτυχον τῆς εἰρήνης καὶ τὸ λοιπὸν ἀταράχως πολιτευόμενοι καὶ τὴν χώραν ἀδεῶς καρπούμενοι ταχὺ ταῖς οὐσίαις προσανέδραμον. [7] ὁ δ' Ἀντίπατρος ἐπανελθὼν εἰς τὴν Μακεδονίαν τὸν μὲν Κρατερὸν ταῖς ἀρμοζούσαις τιμαῖς τε καὶ δωρεαῖς ἐκόσμησε καὶ τῶν θυγατέρων μίαν συνοικίσας αὐτῷ τὴν πρεσβυτάτην Φίλαν τὴν εἰς τὴν Ἀσίαν ἐπάνοδον συγκατεσκεύασεν. [8] ὁμοίως δὲ καὶ ταῖς ἄλλαις Ἑλληνίσιν πόλεσιν ἐπιεικῶς προσενεχθεὶς καὶ τὰ πολιτεύματα συναγαγὼν καὶ καλῶς καταστήσας ἐπαίνων καὶ στεφάνων ἔτυχεν. [9] ὁ δὲ Περδίκκας ἀποκαταστήσας τοῖς Σαμίσις τὴν τε πόλιν καὶ χώραν κατήγαγεν [p. 348] αὐτοὺς εἰς τὴν πατρίδα, πεφευγότας ἔτη τρισὶ πλείω τῶν τεσσαράκοντα.

ἡμεῖς δ' ἐπεὶ τὰς κατὰ τὸν Λαμιακὸν πόλεμον ἐπιτελεσθείσας πράξεις διήλθομεν, μεταβησόμεθα πρὸς τὸν ἐν τῇ Κυρήνῃ γενόμενον πόλεμον, ἵνα μὴ μακρὰν τοῖς χρόνοις ἀποπλανῶμεν τὸ σύνεχές τῆς ἱστορίας. ἀναγκαῖον δ' ἐστὶ βραχὺ τοῖς χρόνοις προσαναδραμεῖν, ὅπως σαφεστέρας ποιήσωμεν τὰς κατὰ μέρος πράξεις. [2] Ἀρπάλου γὰρ τὸν ἐκ τῆς Ἀσίας δρασμὸν ποιησαμένου καὶ καταπλεύσαντος εἰς Κρήτην μετὰ τῶν μισθοφόρων, καθάπερ ἐν τῇ πρὸ ταύτης βύβλῳ δεδηλώκαμεν, Θίβρων, εἷς τῶν φίλων νομιζόμενος, δολοφονήσας τὸν Ἄρπαλον κύριος ἐγένετο τῶν τε χρημάτων καὶ τῶν στρατιωτῶν, [3] ὄντων ἑπτακισχιλίων. ὁμοίως δὲ καὶ τῶν νεῶν ἐγκρατὴς γενόμενος καὶ τοὺς στρατιώτας εἰς ταύτας θέμενος κατέπλευσεν εἰς τὴν χώραν τῶν Κυρηναίων. ἀνελιφῶς δὲ μεθ' αὐτοῦ τοὺς ἐκ τῆς Κυρήνης φυγάδας καὶ τούτους ἔχων καθηγουμένους τῆς ἐπιβουλῆς διὰ τὴν τῶν τόπων ἐμπειρίαν, ἀπαντησάντων τῶν Κυρηναίων καὶ μάχης γενομένης ὁ Θίβρων νικήσας πολλοὺς μὲν ἀπέκτεινεν, οὐκ ὀλίγους δ' ἐξώγρησε. [4] κυριεύσας δὲ τοῦ λιμένος καὶ πολιορκήσας καὶ καταπληξάμενος τοὺς Κυρηναίους ἠνάγκασεν ὁμολογίας ποιήσασθαι ὥστε αὐτοὺς δοῦναι ἀργυρίου τάλαντα [p. 349] πεντακόσια, τῶν δὲ ἁρμάτων τὰ ἡμίση πρὸς τὰς στρατείας συνεκπέμπειν. [5] διεπρεσβεύσατο δὲ καὶ πρὸς τὰς ἄλλας πόλεις, ἀξίων

συμμαχεῖν ὥς μέλλοντος αὐτοῦ τὴν πλησιόχωρον Λιβύην καταστρέφεσθαι. διήρπασε δὲ καὶ τῶν ἐμπόρων τὰ καταληφθέντα χρήματα ἐν τῷ λιμένι καὶ τοῖς στρατιώταις εἰς διαρπαγὴν ἔδωκεν, ἐκκαλούμενος αὐτῶν τὰς προθυμίας εἰς τὸν πόλεμον.

οὕτω δὲ τῶν πραγμάτων τῷ Θίβρωνι προχωρούντων ἡ τύχη ταχὺ μεταβαλοῦσα ἐταπείνωσεν αὐτὸν διὰ τοιαύτας αἰτίας. τῶν ἡγεμόνων τῶν παρ' αὐτῷ τις Κρῆς μὲν τὸ γένος, ὄνομα δὲ Μνασικλῆς, ἐμπειρίαν δ' ἔχων τῶν πολεμικῶν πράξεων διηνέχθη πρὸς αὐτόν, ἐγκαλέσας μὲν περὶ τοῦ μερισμοῦ τῶν λαφύρων, καὶ φύσει ταραχώδης ὢν καὶ θρασὺς ἠὲ τομόλησε πρὸς τοὺς Κυρηναίους. [2] κατηγορήσας δὲ πολλὰ τοῦ Θίβρωνος εἰς ὀμότητες καὶ ἀπιστίαν ἔπεισε λῦσαι τὰς ὁμολογίας καὶ τῆς ἐλευθερίας ἀντέχεσθαι. διὸ καὶ ταλάντων ἐξήκοντα μόνον ἀποδοδόμενων, τῶν δὲ λοιπῶν χρημάτων οὐ διδομένων ὁ μὲν Θίβρων ἐγκαλέσας τοῖς ἀφεστηκόσι συνέλαβε τῶν Κυρηναίων τοὺς παρόντας ἐν τῷ λιμένι, ὄντας περὶ ὀγδοήκοντα, εὐθὺς δὲ τὴν δύναμιν ἐπαγαγὼν ἐπὶ τὴν πόλιν ἐπολιόρκει τὴν Κυρήνην: οὐδὲν δὲ δυνάμενος πρᾶξι πάλιν πρὸς τὸν λιμένα ἐπανῆλθε. [3] τῶν δὲ Βαρκαίων καὶ τῶν Ἑσπεριτῶν συμμαχοῦντων τῷ Θίβρωνι Κυρηναῖοι μέρος μὲν [p. 350] τῆς δυνάμεως ἀπέλιπον ἐν τῇ Κυρήνῃ, τῷ μέρει δὲ στρατεύσαντες ἐπόρθουν τὴν τῶν ἀστυγαιτόνων χώραν. [4] τούτων δ' ἐπικαλεσαμένων βοηθεῖν τὸν Θίβρωνα ἅπαντας τοὺς στρατιώτας ἐξήγαγεν ἐπὶ τὴν συμμαχίαν. καθ' ὃν δὴ χρόνον ὁ Κρῆς συλλογισάμενος τὴν ἐρημίαν τοῦ λιμένος ἔπεισε τοὺς ἐν Κυρήνῃ καταλειφθέντας ἐπιθέσθαι τῷ λιμένι. [5] ὑπακουσάντων δ' εὐδὺς αὐτὸς καθηγούμενος ἐπέθετο τῷ λιμένι καὶ διὰ τὴν ἀπουσίαν τοῦ Θίβρωνος ῥαδίως ἐγκρατὴς γενόμενος τὰ περιλειπόμενα τῶν φορτίων ἀποκατέστησε τοῖς ἐμπόροις καὶ τὸν λιμένα φιλοτίμως ἐτήρει. [6] ὁ δὲ Θίβρων τὸ μὲν πρῶτον ἀθύμως εἶχεν, ἀπολωλεκῶς τόπον ἐπικαίρον καὶ τὰς τῶν στρατιωτῶν ἀποσκευάς: μετὰ δὲ ταῦτα θαρσύνσας δαὶ τὴν πόλιν τὴν ὀνομαζομένην Ταύχειρα ἐκπολιορκήσας ἀνέδραμε ταῖς ἐλπίσι. μετ' ὀλίγον δὲ πάλιν αὐτὸν συνέβη περιπεσεῖν μεγάλους ἐλαττώμασιν. [7] οἱ γὰρ ἐν ταῖς ναυσὶν ὄντες τοῦ λιμένος ἐστερημένοι, τροφῆς δὲ ἀποροῦντες εἰώθεισαν καθ' ἡμέραν ἐπὶ τὴν χώραν ἐξιέναι καὶ τὰς τροφὰς ἐκ ταύτης πορίζεσθαι. οἱ δὲ Λίβυες ἐνεδρεύσαντες αὐτοὺς πλανωμένους κατὰ τὴν χώραν πολλοὺς μὲν ἀπέκτειναν, οὐκ ὀλίγους δ' ἐζώγρησαν: οἱ δὲ περιλειφθέντες ἐκ τοῦ κινδύνου καταφυγόντες εἰς τὰς ναῦς ἀπέπλεον εἰς τὰς συμμαχίδας πόλεις. ἐπιγενομένου δὲ μεγάλου [p. 351] πνεύματος αἱ πλείσται μὲν ὑπὸ τῆς θαλάσσης κατεπόθησαν, τῶν δ' ἄλλων αἱ μὲν εἰς Κύπρον, αἱ δ' εἰς Αἴγυπτον ἀπερρίφθησαν.

ὁ δὲ Θίβρων τηλικαύτη συμφορὰ περιπεσὼν ὅμως ἀντείχετο τοῦ πολέμου, προχειρισάμενος δὲ τῶν φίλων τοὺς εὐθέτους ἔπεμψεν εἰς τὴν Πελοπόννησον ἀναληψομένους τῶν ξένων τοὺς ἐνδιατρίβοντας περὶ Ταίναρον. ἔτι γὰρ τῶν ἀμισθῶτων γενομένων πολλοὶ διεπλανῶντο ζητοῦντες τοὺς μισθοδοτήσοντας καὶ τότε περὶ Ταίναρον ὑπῆρχον πλείους τῶν δισχιλίων καὶ πεντακοσίων. [2] τούτους δὲ οἱ πεμφθέντες ἀνέλαβον, τὸν δὲ εἰς Κυρήνην πλοῦν ἐποιοῦντο. τῆς δὲ τούτων πρότερον παρουσίας οἱ μὲν Κυρηναῖοι θαρρήσαντες τοῖς γεγονόσι

προτερήμασι μάχην συνῆψαν καὶ νικήσαντες τὸν Θίβρωνα πολλοὺς τῶν στρατιωτῶν ἀπέκτειναν. [3] διὰ δὲ τὰς ἐλαττώσεις ὁ Θίβρων ἀπογινώσκων ἤδη τὰ κατὰ τὴν Κυρήνην παραδόξως πάλιν ἐθάρρησε. τῶν γὰρ ἀπὸ Ταινάρου στρατιωτῶν καταπλευσάντων καὶ μεγάλης αὐτῷ χειρὸς προσγενομένης εὐελπὶς ἐγένετο τῇ ψυχῇ. [4] οἱ δὲ Κυρηναῖοι πάλιν θεωροῦντες τὸν πόλεμον αὐξόμενον μετεπέμψαντο τὴν συμμαχίαν παρὰ τῶν πλησιοχώρων Λιβύων καὶ παρὰ τῶν Καρχηδονίων, ἄθροίσαντες δὲ τοὺς ἅπαντας μετὰ τῶν πολιτικῶν στρατιώτας τρισμυρίους ἡτοιμάζοντο παρατάξει περὶ τῶν ὅλων [p. 352] διακριθῆναι. γενομένης δὲ παρατάξεως μεγάλης ὁ μὲν Θίβρων νικήσας τῇ μάχῃ καὶ πολλοὺς ἀνελὼν περιχαρὴς ἦν, ὥς αὐτίκα μάλα κυριεύσων τῶν πλησίον πόλεων, [5] οἱ δὲ Κυρηναῖοι τῶν στρατηγῶν ἀπάντων ἀνηρημένων ἐν τῇ μάχῃ τὸν Κρήτα Μνασικλῆν μεθ' ἐτέρων εἵλοντο στρατηγόν. Θίβρων δ' ἐπαρθεὶς τῇ νίκῃ τὸν λιμένα τῶν Κυρηναίων ἐπολιορκήσας καὶ τῇ Κυρήνῃ καθ' ἡμέραν προσβολὰς ἐποιεῖτο. [6] χρονίζοντος δὲ τοῦ πολέμου Κυρηναῖοι μὲν σπανίζοντες τροφῆς ἐστασίασαν πρὸς ἀλλήλους· ἐπικρατούντων δὲ τῶν δημοτικῶν καὶ τοὺς κτηματικούς ἐκβαλλόντων οἱ τῆς πατρίδος στερηθέντες ἔφυγον οἱ μὲν πρὸς Θίβρωνα, [7] οἱ δ' εἰς Αἴγυπτον. οὗτοι δὲ πείσαντες τὸν Πτολεμαῖον κατάγειν αὐτοὺς ἤκον ἄγοντες δύναμιν ἀξιόλογον πεζικὴν τε καὶ ναυτικὴν καὶ στρατηγὸν Ὀφέλλαν· ὧν τὴν παρουσίαν ἀκούσαντες οἱ παρὰ τῷ Θίβρωνι φυγάδες, νυκτὸς ἐπιχειρήσαντες πρὸς τοὺτους ἀπιέναι λάθρα, φωραθέντες ἅπαντες κατεκόπησαν. [8] οἱ δὲ τῆς Κυρήνης στρατηγοῦντες δημοτικοί, φοβηθέντες τὴν τῶν φυγάδων κάθοδον, διελύσαντο πρὸς τὸν Θίβρωνα καὶ κοινῇ πολεμεῖν πρὸς τὸν Ὀφέλλαν παρεσκευάζοντο. [9] Ὀφέλλας δὲ καταπολεμήσας τὸν Θίβρωνα καὶ ζωγρήσας, ἔτι δὲ τῶν πόλεων ἐγκρατὴς γενόμενος παρέδωκε τὰς τε πόλεις καὶ τὴν χώραν Πτολεμαίῳ τῷ βασιλεῖ. οἱ μὲν οὖν Κυρηναῖοι καὶ αἱ περιοικοῦσαι πόλεις τοῦτον τὸν τρόπον ἀποβαλοῦσαι τὴν ἐλευθερίαν ὑπὸ τὴν Πτολεμαϊκὴν βασιλείαν ἐτάχθησαν. [p. 353]

Περδίκκας δὲ καὶ ὁ βασιλεὺς Φίλιππος καταπεπολεμηκότες Ἀριαράθην καὶ τὴν σατραπείαν αὐτοῦ Εὐμενεῖ παραδόντες ἐχωρίσθησαν ἐκ τῆς Καπαδοκίας. καταντήσαντες δὲ εἰς τὴν Πισιδικὴν ἔκριναν ἀναστάτους ποιῆσαι δύο πόλεις, τὴν τε τῶν Λαρανδέων καὶ τὴν τῶν Ἰσαυρέων· αὗται γὰρ ἔτι ζῶντος Ἀλεξάνδρου Βάλακρον τὸν Νικάνορος ἀπέκτειναν, ἀποδεδειγμένον στρατηγὸν ἅμα καὶ σατράπην. [2] τὴν μὲν οὖν τῶν Λαρανδέων πόλιν ἐξ ἐφόδου χειρωσάμενοι καὶ τοὺς ἡβῶντας κατασφάζαντες, τοὺς δ' ἄλλους ἐξανδραποδισάμενοι κατέσκαψαν· τὴν δὲ τῶν Ἰσαυρέων, οὖσαν ὄχυράν καὶ μεγάλην, ἔτι δὲ πλήθουσιν ἀλκίμων ἀνδρῶν, ἐπὶ μὲν ἡμέραις δύο πολιορκήσαντες ἐνεργῶς καὶ πολλοὺς τῶν ἰδίων ἀποβαλόντες ἀνεχώρησαν· [3] οἱ γὰρ ἐγγώριοι βελῶν καὶ τῶν ἄλλων τῶν πρὸς πολιορκίαν ἀνηκόντων εὐποροῦντες, ἔτι δὲ ταῖς ψυχαῖς ὑπομένοντες τὸ δεινὸν παραστατικῶς ἐτοίμως ὑπὲρ τῆς ἐλευθερίας ἀπέθνησκον. [4] τῇ δὲ τρίτῃ πολλῶν μὲν ἀνηρημένων, τῶν δὲ τειχῶν ἐλλειπείς ἐχόντων τὰς φυλακὰς διὰ τὴν σπάνιν τῶν ἀνδρῶν ἐπετελέσαντο πρᾶξιν οἱ κατὰ τὴν πόλιν ἡρωικὴν καὶ μνήμης ἀξίαν. ὀρῶντες γὰρ ἀπαραιτήτον οὖσαν τὴν κατ' αὐτῶν τιμωρίαν καὶ δύναμιν οὐκ ἔχοντες

ἀξιόχρεων τὴν ἀμυνομένην τὸ μὲν ἐγχειρίσαι τὴν πόλιν καὶ τὰ κατ' αὐτοὺς ἐπιτρέψαι τοῖς πολεμίοις οὐκ ἔκριναν, ἐμφανοὺς οὐσης τῆς μεθ' ὕβρεως τιμωρίας, νυκτὸς δ' ὁμοθυμαδὸν πρὸς [p. 354] τὸν εὐγενῆ θάνατον ὀρμήσαντες τέκνα μὲν καὶ γυναῖκας καὶ γονεῖς εἰς τὰς οἰκίας ἐγκλείσαντες ἐνέπρησαν, κοινὸν θάνατον καὶ τάφον διὰ τοῦ πυρὸς ἐλόμενοι. [5] τῆς δὲ φλογὸς ἄφνω πρὸς ὕψος αἰρομένης οἱ μὲν Ἰσαυρεῖς τὰ κτήματα καὶ πάντα τὰ δυνάμενα τοῖς κρατοῦσιν ὠφελείας παρέχεσθαι τῷ πυρὶ παρέβαλον, οἱ δὲ περὶ τὸν Περδίκκαν θαυμάσαντες τὸ γινόμενον περιέστησαν τὴν δύναμιν καὶ κατὰ πάντα τόπον ἐβιάζοντο παρεισπεσεῖν εἰς τὴν πόλιν. [6] τῶν δ' ἐγχωρίων ἀπὸ τῶν τειχῶν ἀμυνομένων καὶ πολλοὺς τῶν Μακεδόνων καταβαλλόντων ἔτι μᾶλλον ὁ Περδίκκας καταπληττόμενος ἐξήτει τὴν αἰτίαν δι' ἣν οἱ τὰς οἰκίας καὶ τὰ λοιπὰ πάντα τῷ πυρὶ παραδεδωκότες φιλοτίμως τὰ τεῖχη φυλάττουσι. [7] τέλος δὲ τοῦ Περδίκκου καὶ τῶν Μακεδόνων ἀπὸ τῆς πόλεως ἀποχωρησάντων οἱ Ἰσαυρεῖς εἰς τὸ πῦρ ἑαυτοὺς ρίψαντες ἐν ταῖς οἰκίαις συνετάφησαν τοῖς οἰκείοις. [8] Περδίκκας δὲ νυκτὸς διελθούσης ἔδωκε τοῖς στρατιώταις τὴν πόλιν εἰς διαρπαγὴν. οὗτοι δὲ τὴν φλόγα κατασβέσαντες πολλὴν ἄργυρόν τε καὶ χρυσὸν εὗρον, ὥς ἂν πόλεως γεγενημένης εὐδαίμονος ἐκ πολλῶν χρόνων.

μετὰ δὲ τὴν ἀπώλειαν τῶν πόλεων ἦκον δύο γυναῖκες εἰς συνοικισμὸν τῷ Περδίκκᾳ, Νικαία τε ἡ Ἀντιπάτρου θυγάτηρ, ἣν αὐτὸς ὁ Περδίκκας ἦν μεμνηστευκῶς, καὶ Κλεοπάτρα ἡ Ἀλεξάνδρου μὲν [p. 355] ἀδελφὴ γνησία, θυγάτηρ δὲ Φιλίππου τοῦ Ἀμύντου. [2] ὁ δὲ Περδίκκας πρότερον μὲν ἦν κεκρικῶς κοινοπραγίαν Ἀντιπάρῳ καὶ διὰ τοῦτο τὴν μνηστείαν ἐπεποίητο, μήπω τῶν κατ' αὐτὸν πραγμάτων βεβαίως ἐστερεωμένων: ὥς δὲ παρέλαβε τὰς τε βασιλικὰς δυνάμεις καὶ τὴν τῶν βασιλέων προστασίαν, μετέπεσε τοῖς λογισμοῖς. [3] ὀρεγόμενος γὰρ βασιλείας ἔσπευδε τὴν Κλεοπάτραν γῆμαι, νομίζων διὰ ταύτης προτρέψεσθαι τοὺς Μακεδόνας συγκατάσκευάζειν αὐτῷ τὴν τῶν ὅλων ἐξουσίαν. οὐπω δὲ βουλόμενος ἀποκαλύψασθαι πρὸς τὴν ἐπιβολὴν κατὰ μὲν τὸ παρὸν ἦγε τὴν Νίκαιαν, ὅπως μὴ τὸν Ἀντίπατρον ἀλλότριον ἔχη ταῖς ἰδίαις ἐπιβολαῖς: μετὰ δὲ ταῦτα Ἀντιγόνου τὴν προαίρεσιν αὐτοῦ κατανοήσαντος καὶ φιλίαν ἔχοντος πρὸς Ἀντίπατρον, ἔτι δὲ ὄντος τοῦ ἀνδρὸς τούτου πρακτικωτάτου τῶν ἡγεμόνων ἔκρινεν αὐτὸν ἐκποδῶν ποιήσασθαι. ἐπιβαλὼν οὖν αὐτῷ διαβολὰς ψευδεῖς καὶ κατηγορίας ἀδίκους φανερὸς ἦν ἀναιρήσων αὐτόν ὁ δ' Ἀντίγονος συνέσει καὶ τόλμῃ διαφέρων φανερώς μὲν ἀπεφαίνετο βούλεσθαι περὶ τῶν ἐγκαλουμένων ἀπολογήσασθαι, λάθρᾳ δὲ παρασκευασάμενος τὰ πρὸς τὸν δρασμὸν ἔλαθε μετὰ τῶν ἰδίων φίλων καὶ τοῦ υἱοῦ Δημητρίου νυκτὸς εἰσβάς εἰς τὰς Ἀττικὰς ναῦς. ἐν δὲ ταύταις κομισθεὶς εἰς τὴν Εὐρώπην προῆγε συμμίζων Ἀντιπάρῳ.

κατὰ δὲ τούτους τοὺς καιροὺς Ἀντίπατρος καὶ Κρατερὸς ἐπὶ τοὺς Αἰτωλοὺς ἐστράτευσαν, ἔχοντες πεζοὺς μὲν τρισμυρίους, ἵππεῖς δὲ [p. 356] δισχιλίους καὶ πεντακοσίους: οὗτοι γὰρ τῶν ἐν τῷ Λαμιακῷ πολέμῳ διαπολεμησάντων ὑπόλοιποι διέμενον ἀχείρωτοι. [2] οἱ δὲ Αἰτωλοὶ τηλικούτων δυνάμεων ἐπ' αὐτοὺς ὠρμημένων οὐ κατεπλάγησαν ταῖς ψυχαῖς, ἀλλὰ τοὺς μὲν ἀκμάζοντας ταῖς ἡλικίαις ἀθροίσαντες εἰς μυρίους κατέφυγον εἰς τοὺς

ὀρεινοὺς καὶ τραχεῖς τόπους, εἰς οὓς τέκνα καὶ γυναῖκας καὶ τοὺς γεγηρακότας καὶ τὸ τῶν χρημάτων πλῆθος ἀπέθεντο, καὶ τὰς μὲν ἀνωχύρους πόλεις ἐξέλιπον, τὰς δὲ ὀχυρότητι διαφερούσας φρουραῖς ἀξιολόγοις διαλαβόντες εὐτόλμως ὑπέμενον τὴν τῶν πολέμιων ἔφοδον.

οἱ δὲ περὶ τὸν Ἀντίπατρον καὶ Κρατερὸν εἰσβαλόντες εἰς τὴν Αἰτωλίαν καὶ τὰς εὐχειρώτους πόλεις ὀρῶντες ἐρήμους ὥρμησαν ἐπὶ τοὺς ἀνακεχωρηκότας εἰς τὰς δυσχωρίας. τὸ μὲν οὖν πρῶτον οἱ Μακεδόνες πρὸς τόπους ὀχυροὺς καὶ τραχεῖς βιαζόμενοι πολλοὺς τῶν στρατιωτῶν ἀπέβαλον· ἡ γὰρ τόλμα τῶν Αἰτωλῶν προσλαβοῦσα τὴν ἐν τοῖς τόποις ὀχυρότητα ῥαδίως ἡμύνετο τοὺς διὰ τὴν προπέτειαν εἰς ἀβοηθήτους κινδύνους προπίπτοντας· μετὰ δὲ ταῦτα τῶν περὶ Κρατερὸν στεγνὰ κατασκευασάντων καὶ συναναγκαζόντων τοὺς πολέμιους μένειν τὸν χειμῶνα καὶ διακαρτερεῖν ἐν τόποις χιονοβολουμένοις καὶ τροφῆς ἐνδεέσιν εἰς τοὺς ἐσχάτους ἦλθον κινδύνους· [2] ἀναγκαῖον γὰρ ἦν ἢ καταβάντας ἀπὸ τῶν ὀρέων διαγωνίσασθαι πρὸς δυνάμεις πολλαπλασίους καὶ στρατηγοὺς ἐπιφανεῖς ἢ μένοντας ὑπ' ἐνδείας καὶ [p. 357] κρυμοῦ διαφθαρῆναι. ἤδη δ' αὐτῶν ἀπογινωσκόντων τὴν σωτηρίαν αὐτόματός τις λύσις τῶν κακῶν ἐφάνη, καθάπερ θεῶν τινος ἐλεοῦντος αὐτῶν τὴν εὐψυχίαν. [3] Ἀντίγονος γὰρ ὁ πεφευγὼς ἐκ τῆς Ἀσίας συμμίζας τοῖς περὶ τὸν Ἀντίπατρον ἐδίδαξεν αὐτοὺς περὶ τῆς ὅλης ἐπιβουλῆς τοῦ Περδίκκου καὶ διότι τὴν Κλεοπάτραν γαμήσας εὐθὺς ἤξει μετὰ τῆς δυνάμεως εἰς Μακεδονίαν ὡς βασιλεὺς καὶ τὴν ἡγεμονίαν αὐτῶν παραιρήσεται. [4] οἱ δὲ περὶ τὸν Κρατερὸν καὶ Ἀντίπατρον διὰ τὸ παράδοξον τῆς προσαγγελίας καταπλαγέντες συνήδρευσαν μετὰ τῶν ἡγεμόνων. προτεθείσης οὖν βουλῆς περὶ τούτων ἔδοξεν ὁμογνῶμόνως πρὸς μὲν Αἰτωλοὺς ἐφ' οἷς ἦν δυνατόν διαλυθῆναι, τὰς δὲ δυνάμεις κατὰ τάχος περαιοῦν εἰς τὴν Ἀσίαν καὶ τῷ μὲν Κρατερῷ τὴν τῆς Ἀσίας ἡγεμονίαν περιτιθεῖναι, τῷ δ' Ἀντιπάτρῳ τὴν τῆς Εὐρώπης, πρεσβεύειν δὲ καὶ πρὸς Πτολεμαῖον περὶ κοινοπραγίας, ὄντα τοῦ μὲν Περδίκκου παντελῶς ἀλλότριον, ἑαυτοῖς δὲ φίλον, κοινῇ δὲ ἐπιβουλευόμενον. [5] εὐθὺς οὖν πρὸς μὲν Αἰτωλοὺς διάλυσιν ἐποιήσαντο, διεγνώκότες ὕστερον αὐτοὺς καταπολεμῆσαι καὶ μεταστῆσαι πανοικίους ἅπαντας εἰς τὴν ἐρημίαν καὶ πορρωτάτῳ τῆς Ἀσίας κειμένην χώραν, αὐτοὶ δὲ δόγμα γράψαντες ἀκόλουθον τοῖς προειρημένοις παρεσκευάζοντο τὰ πρὸς τὴν στρατείαν. [6] Περδίκκας δὲ τοὺς τε φίλους καὶ τοὺς ἡγεμόνας ἀθροίσας προέθηκε βουλὴν πότερον ἐπὶ τὴν [p. 358] Μακεδονίαν χρή στρατεύειν ἢ πρότερον ἐπὶ τὸν Πτολεμαῖον ὀρμῆσαι. πάντων δ' ἐπενεχθέντων ἐπὶ τὸ πρότερον καταπολεμῆσαι τὸν Πτολεμαῖον, ὅπως μηδὲν ἐμπόδιον ἔχῃσι τῆς κατὰ τὴν Μακεδονίαν ὀρμῆς, Εὐμενῇ μὲν ἐξέπεμψε μετὰ δυνάμεως ἀξιολόγου, προστάξας ἐφεδρεῖν τοῖς περὶ τὸν Ἑλλήσποντον τόποις καὶ τὴν διάβασιν κωλύειν, αὐτὸς δὲ ἀναλαβὼν τὴν δύναμιν ἐκ τῆς Πισιδικῆς τὴν πορείαν ἐπὶ τὴν Αἴγυπτον ἐποιεῖτο. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν.

ἐπ' ἄρχοντος δ' Ἀθήνησι Φιλοκλέους ἐν Ῥώμῃ κατεστάθησαν ὕπατοι Γάιος Σολπίκιος καὶ Γάιος Αἴλιος. ἐπὶ δὲ τούτων Ἀρριδαῖος ὁ κατασταθεὶς ἐπὶ τὴν κατακομιδὴν τοῦ Ἀλεξάνδρου σώματος, συντετελεκῶς τὴν ἀρμάμαζαν ἐφ' ἧς

ἔδει κατακομισθῆναι τὸ βασιλικὸν σῶμα, παρεσκευάζετο τὰ πρὸς τὴν κομιδὴν. [2] ἐπεὶ δὲ τὸ κατασκευασθὲν ἔργον, ἄξιον ὑπάρχον τῆς Ἀλεξάνδρου δόξης, οὐ μόνον κατὰ τὴν δαπάνην διήνεγκε τῶν ἄλλων, ὥς ἀπὸ πολλῶν ταλάντων κατασκευασθὲν, ἀλλὰ καὶ τῇ κατὰ τὴν τέχνην περιττότητι περιβόητον ὑπῆρξε, καλῶς ἔχειν ὑπολαμβάνομεν ἀναγράψαι περὶ αὐτοῦ. [3] πρῶτον μὲν γὰρ τῷ σώματι κατεσκευάσθη χρυσοῦν σφυρήλατον ἀρμόζον καὶ τοῦτ' ἀνὰ μέσον ἐπλήρωσαν ἀρωμάτων τῶν ἅμα [p. 359] δυναμένων τὴν εὐωδίαν καὶ τὴν διαμονὴν παρέχεσθαι τῷ σώματι. [4] ἐπάνω δὲ τῆς θήκης ἐπετέθειτο καλυπτὴρ χρυσοῦς, ἀρμόζων ἀκριβῶς καὶ περιλαμβάνων τὴν ἀνωτάτω περιφέρειαν. ταύτης δ' ἐπάνω περιέκειτο φοινικὶς διαπρεπὴς χρυσοποίκιλτος, παρ' ἣν ἔθεσαν τὰ τοῦ μετηλλαχότος ὅπλα, βουλόμενοι συνοικεῖν τὴν ὅλην φαντασίαν ταῖς προκατειργασμέναις πράξεσι. [5] μετὰ δὲ ταῦτα παρέστησαν τὴν τοῦτο κομοῦσαν ἀρμάμαξαν, ἣς κατεσκευάστο κατὰ μὲν τὴν κορυφὴν καμάρα χρυσεῖ, ἔχουσα φολίδα λιθοκόλλητον, ἣς ἦν τὸ μὲν πλάτος ὀκτὼ πηχῶν, τὸ δὲ μῆκος δώδεκα, ὑπὸ δὲ τὴν ὑπωροφίαν παρ' ὅλον τὸ ἔργον θριγκὸς χρυσοῦς, τῷ σχήματι τετράγωνος, ἔχων τραγέλφων προτομὰς ἐκτύπους, ἐξ ὧν ἡρτηντο κρίκοι χρυσοὶ διπάλαιστοι, δι' ὧν κατακεκρέμαστο στέμμα πομπικόν, χρώμασι παντοδαποῖς διαπρεπῶς κατηντισμένον. [6] ἐπὶ δὲ τῶν ἄκρων ὑπῆρχε θύσανος δικτυωτός, ἔχων εὐμεγέθεις κώδωνας, ὥστ' ἐκ πολλοῦ διαστήματος προσπίπτειν τὸν ψόφον τοῖς ἐγγίζουσι. κατὰ δὲ τὰς τῆς καμάρας γωνίας ἐφ' ἐκάστης ἦν πλευρᾷ Νίκη χρυσεῖ τροπαιοφόρος. τὸ δ' ἐκδεχόμενον τὴν καμάραν περιστύλον χρυσοῦν ὑπῆρχεν, ἔχων Ἰωνικὰ κιονόκρανα. ἐντὸς δὲ τοῦ περιστύλου δίκτυον ἦν χρυσοῦν, τὸ πάχος τῇ πλοκῇ δακτυλῖον καὶ πίνακας παραλλήλους ζωοφόρους τέσσαρας ἴσους τοῖς τοίχοις ἔχον.

τούτων δ' ὁ μὲν πρῶτος ἦν ἔχων ἄρμα τορευτὸν καὶ καθήμενον [p. 360] ἐπὶ τούτου τὸν Ἀλέξανδρον, μετὰ χειρὰς ἔχοντα σκῆπτρον διαπρεπές· περὶ δὲ τὸν βασιλέα μία μὲν ὑπῆρχε θεραπεία καθωπλισμένη Μακεδόνων, ἄλλη δὲ Περσῶν μηλοφόρων καὶ πρὸ τούτων ὀπλοφόροι· ὁ δὲ δεῦτερος εἶχε τοὺς ἐπακολουθοῦντας τῇ θεραπείᾳ ἐλέφαντας κεκοσμημένους πολεμικῶς, ἀναβάτας ἔχοντας ἐκ μὲν τῶν ἔμπροσθεν Ἰνδούς, ἐκ δὲ τῶν ὀπισθεν Μακεδόνας καθωπλισμένους τῇ συνήθει σκευῇ, ὁ δὲ τρίτος ἰπέων εἷλας μιμουμένας τὰς ἐν ταῖς παρατάξεσι συναγωγὰς, ὁ δὲ τέταρτος ναῦς κεκοσμημένας πρὸς ναυμαχίαν. καὶ παρὰ μὲν τὴν εἰς τὴν καμάραν εἵσοδον ὑπῆρχον λέοντες χρυσοῖ, δεδορκότες πρὸς τοὺς εἰσπορευομένους· [2] ἀνὰ μέσον δὲ ἐκάστου τῶν κιόνων ὑπῆρχε χρυσοῦς ἄκανθος ἀνατείνων ἐκ τοῦ κατ' ὀλίγον μέχρι τῶν κιονοκράνων. ἐπάνω δὲ τῆς καμάρας κατὰ μέσσην τὴν κορυφὴν φοινικὶς ὑπῆρχεν ὑπαίθριος, ἔχουσα χρυσοῦν στέφανον ἐλαίας εὐμεγέθης, πρὸς ὃν ὁ ἥλιος προσβάλλων τὰς ἀκτῖνας κατεσκεύαζε τὴν αὐγὴν ἀποστίλβουσιν καὶ σειομένην, ὥστ' ἐκ μακροῦ διαστήματος ὁρᾶσθαι τὴν πρόσοψιν ἀστραπῇ παραπλησίαν. [3] ἡ δ' ὑπὸ τὴν καμάραν καθέδρα δύο εἶχεν ἄξονας, οὓς περιδίνεον τροχοὶ Περσικοὶ τέσσαρες, ὧν ὑπῆρχε τὰ μὲν πλάγια καὶ αἱ κνημίδες κατακεχυσόμεναι, τὸ δὲ προσπίπτον τοῖς ἐδάφεσι μέρος σιδηροῦν. τῶν δ' ἁζόνων τὰ προέχοντα χρυσᾷ κατεσκευάστο, προτομὰς

ἔχοντα λεόντων σιβύνην ὁδὰξ κατεχούσας. [4] κατὰ δὲ [p. 361] μέσον τὸ μήκος εἶχον πόλον ἐνηρμοσμένον μηχανικῶς ἐν μέσῃ τῇ καμάρα, ὥστε δύνασθαι διὰ τούτου τὴν καμάραν ἀσάλευτον εἶναι κατὰ τοὺς σεισμοὺς καὶ ἀνωμάλους τόπους. [5] τεσσάρων δ' ὄντων ῥυμῶν ἐκάστω τετραστοιχία ζευγῶν ὑπέζευκτο, τεσσάρων ἡμιόνων ἐκάστω ζεύγει προσδεδεμένων, ὥστε τοὺς ἅπαντας ἡμιόνους εἶναι ἐξήκοντα καὶ τέσσαρας, ἐπιλεγμένους ταῖς τε ῥώμαις καὶ τοῖς ἀναστήμασιν. ἕκαστος δὲ τούτων ἐστεφάνωτο κεχρυσωμένῳ στεφάνῳ καὶ παρ' ἑκατέραν τῶν σιαγόνων εἶχεν ἐξηρητημένον κώδωνα χρυσοῦν, περὶ δὲ τοὺς τραχήλους χλιδῶνας λιθοκολλήτους.

ἡ μὲν οὖν ἀρμάμαξα, τοιαύτην ἔχουσα τὴν κατασκευὴν καὶ διὰ τῆς ὀράσεως μᾶλλον ἢ τῆς ἀπαγγελίας φαινόμενη μεγαλοπρεπεστέρα, πολλοὺς ἐπεσπᾶτο θεωροὺς διὰ τὴν περιβόητον δόξαν: οἱ γὰρ ἐκ τῶν πόλεων καθ' ἃς αἰεὶ γίνοιτο πανδημεὶ συνήντων καὶ πάλιν προέπεμπον, οὐκ ἐμπιμπλάμενοι τῆς κατὰ τὴν θεωρίαν τέρψεως. [2] ἀκολούθως δὲ ταύτῃ τῇ μεγαλοπρεπείᾳ παρηκολούθει πλῆθος ὁδοποιῶν καὶ τεχνιτῶν, ἔτι δὲ τῶν στρατιωτῶν παραπεμπόντων. Ἀρριδαῖος μὲν οὖν σχεδὸν ἔτη δύο καταναλώσας περὶ τὴν κατασκευὴν τῶν ἔργων ἀπεκόμισε τὸ σῶμα τοῦ βασιλέως ἐκ Βαβυλῶνος εἰς Αἴγυπτον: [3] Πτολεμαῖος δὲ τιμῶν τὸν Ἀλέξανδρον ἀπὴντησε μετὰ δυνάμεως μέχρι τῆς Συρίας καὶ παραλαβὼν τὸ σῶμα τῆς μεγίστης [p. 362] φροντίδος ἡξίωσεν. ἔκρινε γὰρ ἐπὶ τοῦ παρόντος εἰς μὲν Ἀμμωνα μὴ παρακομίζειν, κατὰ δὲ τὴν ἐκτισμένην ὑπ' αὐτοῦ πόλιν, ἐπιφανεστάτην οὖσαν σχεδὸν τι τῶν κατὰ τὴν οἰκουμένην, ἀποθέσθαι. [4] κατεσκεύασεν οὖν τέμενος κατὰ τὸ μέγεθος καὶ κατὰ τὴν κατασκευὴν τῆς Ἀλεξάνδρου δόξης ἄξιον, ἐν ᾧ κηδεύσας αὐτὸν καὶ θυσίαις ἡρωικαῖς καὶ ἀγῶσι μεγαλοπρεπέσι τιμήσας οὐ παρ' ἀνθρώπων μόνον, ἀλλὰ καὶ παρὰ θεῶν καλὰς ἀμοιβὰς ἔλαβεν. [5] οἱ μὲν γὰρ ἄνθρωποι διὰ τὸ τῆς ψυχῆς εὐχάριστον καὶ μεγάλῳ ψυχον συνέτρεχον πάντοθεν εἰς τὴν Ἀλεξάνδρειαν καὶ προθύμως ἑαυτοὺς εἰς τὴν στρατείαν παρείχοντο, καίπερ τῆς βασιλικῆς δυνάμεως μελλούσης πολεμεῖν πρὸς Πτολεμαῖον, καὶ κινδύνων προδήλων καὶ μεγάλων ὄντων ὅμως ἅπαντες τὴν τούτου σωτηρίαν τοῖς ἰδίοις κινδύνοις ἐκουσίως περιποιήσαντο: [6] οἱ δὲ θεοὶ διὰ τὴν ἀρετὴν καὶ εἰς πάντα τοὺς φίλους ἐπιείκειαν ἐκ τῶν μεγίστων κινδύνων παραδόξως αὐτὸν διέσωσαν.

Περδίκκας γὰρ ὑφορώμενος αὐτοῦ τὴν αὖξιν αὐτὸς μὲν ἔκρινε μετὰ τῶν βασιλέων τῷ πλείστῳ μέρει τῆς δυνάμεως στρατεύειν ἐπὶ τὴν Αἴγυπτον, Εὐμενὴ δ' ἐξέπεμψεν ἐπὶ τὸν Ἑλλήσποντον κωλύσοντα τοὺς περὶ τὸν Ἀντίπατρον καὶ Κρατερὸν διαβαίνειν εἰς τὴν Ἀσίαν, δοὺς αὐτῷ τὴν ἀρμόζουσαν δύναμιν. [2] συνεξέπεμψε δὲ καὶ τῶν ἀξιολόγων ἡγεμόνων τοὺς ἱκανοὺς, ὧν ἦσαν ἐπιφανέστατοι Ἀλκέτας ὁ ἀδελφὸς καὶ Νεοπτόλεμος, καὶ τούτοις παρεκελεύσατο πάντα [p. 363] πειθαρχεῖν Εὐμενεῖ διὰ τε τὴν στρατηγίαν αὐτοῦ καὶ διὰ τὴν τῆς πίστεως βεβαιότητα. [3] ὁ δ' Εὐμενὴς μετὰ τῆς δοθείσης δυνάμεως παρελθὼν ἐπὶ τὸν Ἑλλήσποντον καὶ προκατασκευασάμενος ἐκ τῆς ἰδίας σατραπείας ἵππων πλῆθος ἐκόσμησε τὴν στρατίαν, ἔλλειπὴ καθεστῶσαν κατὰ τοῦτο τὸ μέρος. [4] τῶν δὲ περὶ Κρατερὸν καὶ Ἀντίπατρον περαιωσάντων τὰς δυνάμεις ἐκ τῆς Εὐρώπης ὁ μὲν

Νεοπτόλεμος φθονήσας τῷ Εὐμενεῖ καὶ περὶ αὐτὸν ἔχων Μακεδονικὴν δύναμιν ἀξιόλογον λάθρα διεπρεσβεύσατο πρὸς τοὺς περὶ τὸν Ἀντίπατρον καὶ συνθέμενος κοινοπραγίαν ἐπεβούλευσε τῷ Εὐμενεῖ. καταφανὴς δὲ γενόμενος καὶ συναναγκασθεὶς μάχην συνάψαι αὐτὸς τε ἐκινδύνευσεν ἀναιρεθῆναι καὶ τὴν δύναμιν σχεδὸν ἅπασαν ἀπέβαλεν: [5] ὁ γὰρ Εὐμενὴς νικήσας καὶ πολλοὺς ἀνελὼν τὸ λοιπὸν τε πλῆθος τῶν στρατιωτῶν προσηγάγετο καὶ τὴν δύναμιν τὴν ἰδίαν οὐ μόνον διὰ τῆς νίκης ἐπηύξησεν, ἀλλὰ καὶ προσλαβόμενος Μακεδόνων ἀγαθῶν ἀνδρῶν πλῆθος. [6] Νεοπτόλεμος πτόλεμος μὲν οὖν μετὰ τριακοσίων ἱππέων διασωθεὶς ἐκ τῆς παρατάξεως ἀφίππευσε μετὰ τούτων πρὸς τοὺς περὶ τὸν Ἀντίπατρον: [7] οὗτοι δὲ συνεδρεύσαντες περὶ τοῦ πολέμου διέγνωσαν τὰς δυνάμεις εἰς δύο μέρη διελεῖν καὶ τὸ μὲν ἕτερον Ἀντίπατρον ἀναλαβόντα προάγειν ἐπὶ Κιλικίας, διαπολεμήσοντα πρὸς Περδίκκαν, τὸ δὲ ἄλλο μέρος ἔχοντα Κρατερὸν ἐπιβαλεῖν τοῖς περὶ τὸν Εὐμενῆ καὶ τούτους καταπολεμήσαντα καταντᾶν πρὸς Ἀντίπατρον, ὅπως εἰς ταῦτ' συναχθεῖσῶν [p. 364] τῶν δυνάμεων καὶ τοῦ Πτολεμαίου προσληφθέντος εἰς τὴν συμμαχίαν δυνατοὶ γένωνται περιγενέσθαι τῶν βασιλικῶν δυνάμεων.

Εὐμενὴς δὲ πυνθανόμενος προάγειν ἐπ' αὐτὸν τοὺς πολεμίους ἤθροισε πανταχόθεν τὰς δυνάμεις καὶ μάλιστα τὴν ἱππικὴν: τοῖς γὰρ πεζοῖς οὐ δυνάμενος ἐξισωθῆναι τῇ Μακεδονικῇ φάλαγγι κατεσκεύαζεν ἀξιόλογον σύστημα τῶν ἱππέων, δι' ὧν ἤλπιζε κρατήσῃν τῶν ἐναντίων. [2] ὥς δ' ἤγγισαν ἀλλήλαις αἱ δυνάμεις, ὁ μὲν Κρατερὸς συναγαγὼν εἰς ἐκκλησίαν τὸ πλῆθος καὶ παρορμήσας εἰς τὸν ἀγῶνα τοῖς οἰκείοις λόγοις ἔφησε διδόναι τοῖς στρατιώταις, ἐὰν κρατήσωσι τῇ μάχῃ, διαρπάσαι τῶν πολεμίων πάσας τὰς ἀποσκευάς. [3] πάντων δὲ προθύμων γενομένων ἐξέταξε τὴν δύναμιν, τοῦ μὲν δεξιοῦ κέρατος αὐτὸς ἡγούμενος, τοῦ δ' εὐωνύμου τὴν ἡγεμονίαν παραδούς Νεοπτολέμῳ. [4] εἶχε δὲ τοὺς σύμπαντας πεζοὺς μὲν δισμυρίους, ὧν ἦσαν οἱ πλείους Μακεδόνες, διαβεβοημένοι ταῖς ἀνδραγαθίαις, ἐν οἷς εἶχε μάλιστα τὰς ἐλπίδας τῆς νίκης: ἱππεῖς δὲ συνηκολούθουν πλείους τῶν δισχιλίων. [5] Εὐμενὴς δ' εἶχε πεζοὺς μὲν δισμυρίους, παντοδαποὺς τοῖς γένεσιν, ἱππεῖς δὲ πεντακισχιλίους, δι' ὧν τὸν κίνδυνον κρίνειν διεγνώκει. ἀμφοτέρων δὲ τοὺς ἱππεῖς διελομένων ἐπὶ τὰ κέρατα καὶ πολὺ πρὸ τῆς φάλαγγος προῖππευσάντων ὁ μὲν Κρατερὸς πρῶτος μετὰ τῶν ἐπιλέκτων ἐπιρράξας τοῖς πολεμίοις ἡγωνίσαστο μὲν περιβλέπτως, σφαλέντος δὲ τοῦ ἵππου [p. 365] ἔπεσεν ἐπὶ τὴν γῆν, διὰ δὲ τὸν φυρμὸν καὶ τὴν πυκνότητα τῶν ἐφιππευόντων ἀγνοηθεὶς ὃς ἦν συνεπατήθη καὶ τὸν βίον ἀλόγως κατέστρεψεν. [6] τῇ δὲ τούτου τελευτῇ τῶν πολεμίων ἐπαρθέντων καὶ τῷ πλήθει πανταχόθεν περιχεομένων πολὺς ἐγένετο φόνος. καὶ τὸ μὲν δεξιὸν κέρας τοῦτον τὸν τρόπον θλιβόμενον ἠναγκάσθη καταφυγεῖν πρὸς τὴν τῶν πεζῶν φάλαγγα,

κατὰ κράτος ἡττημένον, κατὰ δὲ τὸ εὐώνυμον Νεοπτολέμου κατ' αὐτὸν τὸν Εὐμενῆ τεταγμένου συνέστη φιλοτιμία μεγάλη τῶν ἡγεμόνων ἐπ' ἀλλήλους ὀρμησάντων. [2] γνωρισθέντες γὰρ ἀπὸ τε τῶν ἵππων καὶ τῶν ἄλλων ἐπισήμων συνεπλάκησαν ἀλλήλοις καὶ τῇ καθ' αὐτοὺς μονομαχίᾳ τὴν νίκην ἐποίησαν ἀκολουθησαί. τὸ μὲν οὖν πρῶτον τοῖς ξίφεσιν ἀλλήλων καθικόμενοι παράδοξον καὶ παντελῶς ἐξηλλαγμένην μονομαχίαν συνεστήσαντο:

ἐκφερόμενοι γὰρ τῷ θυμῷ καὶ τῇ πρὸς ἀλλήλους δυσμενείᾳ ταῖς ἀριστεραῖς χερσὶν ἀφέντες τὰς ἡνίας ἀλλήλων ἐδράζαντο. οὐ συμβάντος οἱ μὲν ἵπποι κατὰ τὴν ὀρμὴν ὑπεξέδραμον, αὐτοὶ δ' ἔπεσον ἐπὶ τὴν γῆν. [3] τῆς δ' ἐπαναστάσεως διὰ τὴν ὀξύτητα καὶ βίαν τοῦ πτώματος χαλεπῶς γινομένης ἀμφοτέροις, ἅτε καὶ τῶν ὄπλων ἐμποδιζόντων τὰ σώματα, ὁ μὲν Εὐμενῆς ἔφθασε, πρότερος διαναστάς, τοῦ Νεοπτολέμου τὴν ἰγνὺν πατάξαι. [p. 366] [4] μεγάλης δὲ γενομένης διαιρέσεως καὶ σφαλείσης τῆς βάσεως ὁ μὲν πληγεὶς παραλελυμένος ἔκειτο, κωλυόμενος ὑπὸ τοῦ τραύματος διαναστῆναι: ὁμῶς δὲ τῆς εὐψυχίας ὑπεραγούσης τὴν τοῦ σώματος ἐλάττωσιν ἐν γόνασι βεβηκῶς ἔτρωσε τὸν ἀντίπαλον εἰς τε τὸν βραχίονα καὶ τοὺς μηρούς τρισὶ πληγαῖς. [5] οὐδεμιᾶς δ' οὔσης πληγῆς καιρίου καὶ τῶν τραυμάτων ἔτι θερμῶν ὄντων ὁ Εὐμενῆς δευτέραν πληγὴν ἐπὶ τὸν τράχηλον ἐπενέγκας ἀπέκτεινε τὸν Νεοπτόλεμον.

ἄμα δὲ τούτοις πραττομένοις καὶ τὸ λοιπὸν πλῆθος τῶν ἱπέων συμπεσὼν εἰς μάχην πολὺν ἐποίει φόνον. διὸ καὶ τῶν μὲν πιπτόντων, τῶν δὲ τραυματιζομένων τὸ μὲν πρῶτον ἰσόρροπος ἦν ὁ κίνδυνος, μετὰ ταῦτα δὲ φανερὰς γενομένης τῆς τοῦ Νεοπτολέμου τελευτῆς καὶ τῆς ἐπὶ θατέρου κέρατος τροπῆς ἅπαντες πρὸς φυγὴν ὥρμησαν καὶ καθάπερ πρὸς τεῖχος ὄχυρὸν πρὸς τὴν τῶν πεζῶν φάλαγγα κατέφυγον. [2] ὁ δ' Εὐμενῆς ἀρκεσθεὶς τῷ προτερήματι καὶ τῶν στρατηγικῶν σωμάτων ἀμφοτέρων κυριεύσας ἀνεκαλέσατο τῇ σάλπιγγι τοὺς στρατιώτας. στήσας δὲ τρόπαιον καὶ τοὺς νεκροὺς θάψας διεπέμψατο πρὸς τὴν τῶν ἡττημένων φάλαγγα, παρακαλῶν ἑαυτῷ προσθέσθαι καὶ διδοὺς ἐξουσίαν ἐκάστοις ὅποι βούλονται τὴν ἀποχώρησιν ποιήσασθαι. [3] δεξαμένων δὲ τὰς διαλύσεις τῶν Μακεδόνων καὶ δόντων τὰς διὰ τῶν ὄρκων πίστεις ἔλαβον ἐξουσίαν ἐν τισὶ κόμαις πλησίον κειμέναις ἐπισιτίσασθαι καὶ παρεκρούσαντο τὸν Εὐμενῆ: ἀναλαβόντες γὰρ ἑαυτοὺς καὶ τὰς [p. 367] τροφὰς παρασκευασάμενοι νυκτὸς ἀπηλλάγησαν καὶ λαθραίως ἀπεχώρουν πρὸς τὸν Ἀντίπατρον. [4] ὁ δ' Εὐμενῆς ἐπεβάλετο μὲν κολάσαι τὴν ἀθεσίαν τῶν παραβεβηκότων τοὺς ὄρκους καὶ διώκειν ἐκ ποδῶν τὴν φάλαγγα, οὐδὲν δὲ δυνάμενος πρᾶξαι διὰ τε τὰς ἀρετὰς τῶν ἀποχωρούντων καὶ διὰ τὴν ἐκ τῶν τραυμάτων ἐλάττωσιν ἀπέγνω τὸν διωγμόν. οὗτος μὲν οὖν ἐπιφανεῖ μάχῃ νικήσας καὶ δύο μεγάλους ἡγεμόνας ἀνελὼν μεγάλης ἔτυχε δόξης.

Ἀντίπατρος δὲ τοὺς ἀπὸ τῆς φυγῆς διασωθέντας ἐκδεξάμενος καὶ προσαναλαβὼν προῆγεν ἐπὶ Κιλικίαν, σπεύδων βοηθῆσαι τῷ Πτολεμαίῳ. Περδίκκας δὲ πυθόμενος τὴν κατὰ τὸν Εὐμενῆ νίκην πολλῷ θρασύτερος ἐγένετο πρὸς τὴν εἰς Αἴγυπτον στρατείαν: ὥς δ' ἐγγὺς ἐγένετο τοῦ Νείλου, κατεστρατοπέδευσε οὐ μακρὰν πόλεως Πηλουσίου. [2] ἐπιχειρήσας δὲ διώρυγὰ τινα παλαιὰν ἀνακαθαίρειν καὶ τοῦ ποταμοῦ λάβρως ἐκραγέντος καὶ τὰ ἔργα λυμνηαμένου πολλοὶ τῶν φίλων ἐγκαταλιπόντες ἀπεχώρησαν πρὸς τὸν Πτολεμαῖον: [3] καὶ γὰρ φονικὸς ἦν καὶ τῶν ἄλλων ἡγεμόνων περιαιρούμενος τὰς ἐξουσίας καὶ καθόλου πάντων βουλόμενος ἄρχειν βιαίως, ὁ δὲ Πτολεμαῖος τοῦναντίον εὐεργετικὸς καὶ ἐπιεικὴς καὶ μεταδιδὼς πᾶσι τοῖς ἡγεμόσι τῆς παρρησίας, πρὸς δὲ τούτοις διειληφῶς πάντας τοὺς

ἐπικαιροτάτους Αἰγύπτου τόπους φυλακαῖς ἀξιολόγοις καὶ βέλεσι παντοδαποῖς καὶ τοῖς ἄλλοις ἅπασιν εὖ κατεσκευασμένος. [4] διὸ καὶ κατὰ τὰς ἐπιβολὰς κατὰ τὸ [p. 368] πλεῖστον ἐπλεονέκτει, πολλοὺς ἔχων εὐνοοῦντας καὶ προθύμως διακινδυνεύοντας. [5] ὁ δ' οὖν Περδίκκας διορθούμενος τὰς ἐλαττώσεις συνήγαγε τοὺς ἡγεμόνας καὶ τοὺς μὲν δωρεαῖς, τοὺς δ' ἐπαγγελίας μεγάλαις, πάντας δὲ φιланθρώποις ὁμιλίας ἐξιδιοποιησάμενος προετρέψατο πρὸς τοὺς ἐπιφερομένους κινδύνους. παραγγείλας δὲ ἐτοίμους εἶναι πρὸς ἀναζυγὴν ὥρμησε μετὰ τῆς δυνάμεως ἀφ' ἐσπέρας, οὐδενὶ δηλώσας τὸν τόπον εἰς ὃν διεγνώκως ἦν καταντᾶν. [6] τὴν δὲ νύκτα πᾶσαν ὁδοιπορήσας ἐν τάχει κατεστρατοπέδευσε παρὰ τὸν Νεῖλον πλησίον φρουρίου τινος ὃ προσηγορεύετο Καμήλων τεῖχος. διαφαινούσης δὲ τῆς ἡμέρας διεβίβαζε τὴν δύναμιν ἡγουμένων τῶν ἐλεφάντων, ἐπακολουθούτων δὲ τῶν ὑπασπιστῶν καὶ κλιμακοφόρων καὶ τῶν ἄλλων δι' ὧν ἔμελλε τὴν τειχομαχίαν ποιεῖσθαι. ἐπὶ πᾶσι δὲ ἐπεβάλοντο οἱ κράτιστοι τῶν ἱππέων, οὓς διενεοῖτο ἐπιπέμπειν τοῖς περὶ τὸν Πτολεμαῖον, ἐὰν τύχωσιν ἐπιφαινόμενοι.

μεσοπορούντων δ' αὐτῶν ἐπεφάνησαν οἱ περὶ τὸν Πτολεμαῖον δρόμῳ προσιόντες πρὸς τὴν τοῦ πολίσματος ἐπικουρίαν. φθασάντων δ' αὐτῶν καὶ παρεισπεσόντων εἰς τὸ χωρίον καὶ διὰ τε τῶν σαλπίγγων καὶ βοῆς φανεράν ποιησάντων τὴν ἑαυτῶν παρουσίαν οἱ μὲν περὶ τὸν Περδίκκαν οὐ κατεπλάγησαν, ἀλλὰ τολμηρῶς προσῆγον τοῖς τειχίσμασιν. [2] εὐθὺ δ' οἱ μὲν ὑπασπισταὶ προσθέμενοι τὰς κλίμακας ἀνέβαινον, οἱ δ' ἐπὶ τῶν ἐλεφάντων τὸν χάρακα διέσπων καὶ τὰς ἐπάλξεις ἐρρίπτουν. ὁ δὲ Πτολεμαῖος ἔχων [p. 369] περὶ αὐτὸν τοὺς ἀρίστους καὶ βουλόμενος προτρέψασθαι τοὺς ἄλλους ἡγεμόνας καὶ φίλους προσιέναι τοῖς δεινοῖς αὐτὸς ἀναλαβὼν τὴν σάρισαν καὶ στὰς ἐπ' ἄκρου τοῦ προτειχίσματος τὸν μὲν ἡγούμενον τῶν ἐλεφάντων ἐξετύφλωσεν, ὑπερδέξιον ἔχων τὴν στάσιν, τὸν δὲ ἐπικαθήμενον Ἰνδὸν τραυματίαν ἐποίησεν, τοὺς δὲ διὰ τῆς κλίμακος ἀναβαίνοντας καταπεφρονηκότως τύπτων καὶ κατατραυματίζων περιεκύλισεν εἰς τὸν ποταμὸν μετὰ τῶν ὄπλων. [3] ἀκολούθως δὲ τούτῳ καὶ τῶν φίλων τοῦ Πτολεμαίου διαγωνιζομένων τὸ μὲν ἐχόμενον θηρίον κατακοντισθέντος τοῦ κυβερνῶντος αὐτὸ Ἰνδοῦ παντελῶς ἄχρηστον ἐγένετο. [4] ἐπὶ πολὺν δὲ χρόνον τῆς τειχομαχίας συνεστώσης οἱ μὲν περὶ τὸν Περδίκκαν ἐκ διαδοχῆς προσβάλλοντες πᾶσαν σπουδὴν εἰσεφέροντο κατὰ κράτος ἐλεῖν τὸ χωρίον, ὁ δὲ Πτολεμαῖος, αὐτὸς ἀριστεύων καὶ τοὺς φίλους παρακαλῶν ἐνδείξασθαι τὴν εὐνοίαν ἅμα καὶ τὴν ἀρετὴν, ἡρωικοὺς ἀγῶνας συνεστήσατο. [5] πολλῶν δ' ἀπολλυμένων παρ' ἀμφοτέροις διὰ τὴν ὑπερβολὴν τῆς τῶν ἡγεμόνων φιλοτιμίας καὶ τῶν περὶ τὸν Πτολεμαῖον ταῖς ὑπεροχαῖς τῶν τόπων πλεονεκτούντων, τῶν δὲ περὶ τὸν Περδίκκαν τοῖς πλήθεσιν ὑπερεχόντων, τὸ τελευταῖον ἀμφοτέρων διημερευσάντων ἐν τοῖς κινδύνοις ὁ μὲν Περδίκκας λύσας τὴν πολιορκίαν ἐπανήλθεν εἰς τὴν ἰδίαν στρατοπεδείαν. [p. 370] [6] νυκτὸς δ' ἀναξεύξας λαθραῖαν ἐποιεῖτο τὴν πορείαν καὶ κατήντησεν εἰς τὸν ἀπέναντι τόπον τῆς Μέμφεως, πρὸς ἣ συμβαίνει σχίζεσθαι τὸν Νεῖλον καὶ ποιεῖν νῆσον δυναμένην ἀσφαλῶς δέξασθαι στρατοπεδείαν τε καὶ δύναμιν τὴν μεγίστην. [7] εἰς ταύτην οὖν διεβίβαζε τὴν δύναμιν ἐπιπόνως τῶν στρατιωτῶν

περαιουμένων διὰ τὸ βάθος τοῦ ποταμοῦ: μέχρι γὰρ τοῦ γενείου τὸ ῥεῦμα προσπίπτον ἐσάλευε τὰ σώματα τῶν διαβαινόντων, ἅτε καὶ τῶν ὅπλων ἐμποδιζόντων τοὺς ἄνδρας.

ὁ δὲ Περδίκκας κατανοήσας τὴν δυσκολίαν τοῦ ῥείθρου τοὺς μὲν ἐλέφαντας τοῦ ποταμοῦ ἐκ τῶν εὐωνύμων ἐπέστησεν, ἐκδεχόμενος τὴν καταφορὰν τοῦ ποταμοῦ, καταπραῦνοντάς τὸ ῥεῖθρον, τοὺς δ' ἵππεῖς ἐκ τοῦ δεξιοῦ μέρους ἔταξε, δι' ὧν ἐξεδέχετο τοὺς παραφερομένους ὑπὸ τοῦ ποταμοῦ καὶ διέσωζεν εἰς τὸ πέραν. [2] ἴδιον δέ τι καὶ παράδοξον συνέβη γενέσθαι κατὰ τὴν διάβασιν τῆς δυνάμεως ταύτης. τῶν πρώτων γὰρ ἀσφαλῶς διαβάντων οἱ μετὰ ταῦτα περαιούμενοι μεγάλοις περιέπιπτον κινδύνους: ὁ γὰρ ποταμὸς οὐδεμιᾶς οὔσης αἰτίας φανερᾶς πολλῶ βαθύτερος ἐγίνετο καὶ τῶν σωμάτων ὅλων καταδυομένων ἅπαντες εἰς πολλὴν ἀμυχανίαν περιέπιπτον. [3] τῆς δὲ κατὰ τὴν πλήρωσιν αἰτίας ἐπιζητουμένης τὸ μὲν ἀληθὲς ἀσυλλόγιστον ἦν, ἔφασαν δ' οἱ μὲν ἐν τοῖς ἄνω τόποις ἐγκεχωσμένην [p. 371] διώρυγα πάλιν ἐκφραχθῆναι καὶ συμμιχθεῖσαν τῷ ποταμῷ βαθύτερον πεποιηκέναι τὸν πόρον, οἱ δ' ὄμβρους ἐν τοῖς ἄνω τόποις γενομένους αὐξῆσαι τὸ μέγεθος τοῦ Νεῖλου. [4] τούτων δ' οὐδέτερον ἦν, ἀλλὰ τοῦ πόρου τὴν μὲν πρώτην διάβασιν ἀσφαλεστέραν συνέβαινε γεγονέναι ἀκεραίου τῆς κατὰ τὴν διάβασιν ἄμμου γεγενημένης, κατὰ δὲ τὰς ἄλλας ὑπὸ τῶν προδιαβεβηκότων ἵππων τε καὶ ἐλεφάντων, ἔτι δὲ πεζῶν τοῖς μὲν ποσὶ τὴν ἄμμον πατουμένην καὶ κινουμένην ὑπὸ τοῦ ῥείθρου κατενεχθῆναι καὶ διὰ τοῦτο κοιλωθέντος τοῦ πόρου βαθυτέραν γενέσθαι τὴν διάβασιν κατὰ μέσον τὸν ποταμόν. [5] διὰ δὲ ταύτην τὴν αἰτίαν ἀδυνατούσης τῆς λοιπῆς δυνάμεως διαβῆναι τὸν ποταμόν ὁ Περδίκκας εἰς πολλὴν ἀπορίαν ἐνέπιπτεν καὶ τῶν μὲν διαβεβηκότων οὐκ ἀξιωμαχῶν ὄντων τοῖς πολεμίοις, τῶν δ' ἐν τῷ πέραν μὴ δυναμένων βοηθεῖν τοῖς ἰδίοις προσέταξεν εἰς τοῦπίσω πάλιν ἀπιέναι πάντας. [6] διόπερ ἀναγκασθέντων ἀπάντων περαιουῖσθαι τὸ ῥεῖθρον οἱ μὲν ἐπιστάμενοι καλῶς νεῖν καὶ τοῖς σώμασιν ἰσχυρότατοι μετὰ πολλῆς κακοπαθίας διενήξαντο τὸν Νεῖλον, πολλὰ τῶν ὅπλων ἀποβαλόντες, τῶν δ' ἄλλων διὰ τὴν ἀπειρίαν οἱ μὲν ὑπὸ τοῦ ῥείθρου κατεπόθησαν, οἱ δὲ πρὸς τοὺς πολεμίους ἐξέπεσον, οἱ πλεῖστοι δὲ παρενεχθέντες ἐπὶ πολὺν τρόπον ὑπὸ τῶν ἐν τῷ ποταμῷ θηρίων κατεβρώθησαν.

ἀπολομένων δὲ πλειόνων [p. 372] ἢ δισχιλίων, ἐν οἷς καὶ τῶν ἐπιφανῶν τινες ἡγεμόνων ὑπῆρχον, ἀλλοτριῶς τὸ πλῆθος ἔσχε πρὸς τὸν Περδίκκαν. ὁ δὲ Πτολεμαῖος τὰ σώματα τῶν πρὸς αὐτὸν ἐκπεσόντων καύσας καὶ τῆς ἀρμοζούσης κηδεῖας ἀξιώσας ἀπέστειλε τὰ ὀστέα πρὸς τοὺς οἰκείους τε καὶ φίλους τῶν τετελευτηκότων. [2] τούτων δὲ πραχθέντων οἱ παρὰ τῷ Περδίκκᾳ Μακεδόνες πρὸς μὲν τοῦτον πολλῶ μᾶλλον ἀπεθιρώθησαν, πρὸς δὲ τὸν Πτολεμαῖον ἀπέκλιναν ταῖς εὐνοίαις. [3] ἐπιγενομένης δὲ νυκτὸς πλήρης ἦν ἡ παρεμβολὴ κλαυθμοῦ καὶ πένθους, τοσοῦτων μὲν ἀνδρῶν ἀλόγως ἀπολωλότων ἄνευ πολεμίας πληγῆς καὶ τούτων οὐκ ἐλαττόνων ἢ χιλίων θηριοβρώτων γεγονότων. [4] πολλοὶ μὲν οὖν τῶν ἡγεμόνων συνίσταντο καὶ κατηγοροῦν τοῦ Περδίκκου, πᾶσα δ' ἡ φάλαγξ τῶν πεζῶν ἀπαλλοτριωθεῖσα φανερὰν διὰ τῆς ἀπειλούσης φωνῆς τὴν ἰδίαν κατεσκεύασεν ἀλλοτριότητα. [5]

διόπερ πρῶτοι τῶν ἡγεμόνων ἀπέστησαν ὡς ἑκατόν, ὃν ἦν ἐπιφανέστατος Πίθων ὁ τοὺς ἀποστάντας Ἑλλήνας καταπολεμήσας, οὐδενὸς δὲ τῶν Ἀλεξάνδρου λειπόμενος φίλων ἀρετῇ τε καὶ δόξῃ: μετὰ δὲ ταῦτα καὶ τῶν ἱππέων τινὲς συμφρονήσαντες ἐπὶ τὴν σκηνὴν τοῦ Περδίκκου κατήντησαν καὶ προσπεσόντες ἄθροοι κατέσφαζαν τὸν Περδίκκαν. [6] τῇ δ' ὑστεραία γενομένης ἐκκλησίας ὁ Πτολεμαῖος καταβάς καὶ τοὺς Μακεδόνας ἀσπασάμενος περὶ τε τῶν καθ' αὐτὸν ἀπελογήσατο καὶ [p. 373] τῶν ἐπιτηδείων ἐκλελοιπότεων ἐχορήγησε σῖτόν τε δαψιλῇ ταῖς δυνάμεσι καὶ τῶν ἄλλων ἐπιτηδείων ἐπλήρωσε τὴν παρεμβολήν. μεγάλης δὲ τυγχάνων ἀποδοχῆς καὶ δυνάμενος παραλαβεῖν τὴν ἐπιμέλειαν τῶν βασιλέων διὰ τὴν τοῦ πλήθους εὐνοίαν τούτου μὲν οὐκ ὠρέχθη, τῷ δὲ Πίθωνι καὶ Ἀρριδαίῳ χάριτας ὀφείλων συγκατεσκεύασε τὴν τῶν ὅλων ἡγεμονίαν: [7] οἱ γὰρ Μακεδόνες βουλῆς προτεθείσης περὶ τῆς ἡγεμονίας καὶ συμβουλευέσαντος Πτολεμαίου πάντες προθύμως εἵλαντο τῶν βασιλέων ἐπιμελητὰς αὐτοκράτορας Πίθωνα καὶ Ἀρριδαῖον τὸν τὸ σῶμα τοῦ βασιλέως κατακομίσαντα. Περδίκκας μὲν οὖν ἄρξας ἔτη τρία τοῦτον τὸν τρόπον ἀπέβαλε τὴν ἡγεμονίαν ἅμα καὶ τὴν ψυχὴν.

μετὰ δὲ τὴν τούτου τελευτὴν εὐθὺς ἦκόν τινες ἀπαγγέλλοντες ὅτι παρατάξεως γενομένης περὶ Καππαδοκίαν Εὐμενὴς νενίκηκε, Κρατερὸς δὲ καὶ Νεοπτόλεμος ἡττηθέντες ἀνῆρηνται. τοῦτο δ' εἰ δυσὶ πρότερον ἡμέραις ἐγένετο τῆς Περδίκκου τελευτῆς, οὐδεὶς ἂν ἐτόλμησε τὰς χεῖρας Περδίκκα προσενεγκεῖν διὰ τὸ μέγεθος τῆς εὐημερίας. [2] οἱ δ' οὖν Μακεδόνες πυθόμενοι τὰ περὶ τὸν Εὐμενὴ κατέγνωσαν αὐτοῦ θάνατον καὶ τῶν περὶ αὐτὸν ἐπιφανῶν ἀνδρῶν πεντήκοντα, ἐν οἷς ἦν καὶ Ἀλκέτας ὁ ἀδελφὸς τοῦ Περδίκκου. ἀπέκτειναν δὲ καὶ τῶν φίλων τοῦ Περδίκκου τοὺς μάλιστα πιστοτάτους καὶ τὴν ἀδελφὴν αὐτοῦ Ἀταλάντην, ἣν ἦν γεγαμηκῶς Ἄτταλος ὁ τοῦ στόλου τὴν ἡγεμονίαν παρεληφώς. [p. 374] [3] μετὰ δὲ τὴν ἀναίρεσιν τοῦ Περδίκκου Ἄτταλος ὁ τοῦ στόλου τὴν ἡγεμονίαν ἔχων διέτριβε μὲν περὶ τὸ Πηλοῦσιον, ὡς δ' ἐπύθετο τὴν τῆς γυναικὸς ἀναίρεσιν καὶ τοῦ Περδίκκου, τὸν στόλον ἀναλαβὼν ἐξέπλευσε καὶ κατήντησεν εἰς Τύρον. [4] ὁ δὲ τῆς πόλεως ταύτης φρούραρχος Ἀρχέλαος, Μακεδὼν τὸ γένος, τὸν Ἄτταλον φιλοφρόνως ὑπεδέξατο καὶ τὴν τε πόλιν παρέδωκεν αὐτῷ καὶ τὰ χρήματα, δεδομένα μὲν ὑπὸ Περδίκκου φυλάττειν, τότε δὲ δικαίως ἀποδεδομένα, τὸ δὲ πλῆθος ὄντα ταλάντων ὀκτακοσίων. ὁ δ' Ἄτταλος ἐν τῇ Τύρῳ διατρίβων ἀνελάμβανε τῶν Περδίκκου φίλων τοὺς διασωζομένους ἐκ τῆς πρὸς τῇ Μέμφει στρατοπεδείας.

Ἀντιπάτρου δ' εἰς τὴν Ἀσίαν διαβεβηκότος Αἰτωλοὶ κατὰ τὰς πρὸς Περδίκκαν συνθήκας ἐστράτευσαν εἰς τὴν Θετταλίαν, ἀντιπερισπάσαι βουλόμενοι τὸν Ἀντίπατρον. εἶχον δὲ στρατιώτας πεζοὺς μὲν μυρίους καὶ δισχιλίους, ἱππεῖς δὲ τετρακοσίους, ὧν ἦν στρατηγὸς Ἀλέξανδρος Αἰτωλός. [2] ἐν παρόδῳ δὲ τοὺς Ἀμφισσεῖς Λοκροὺς πολιορκήσαντες τὴν τε χώραν αὐτῶν κατέδραμον καὶ τινα τῶν πλησίον πολισμάτων εἶλον. ἐνίκησαν δὲ μάχῃ τὸν Ἀντιπάτρου στρατηγὸν Πολυκλῆν καὶ τοῦτόν τε καὶ τῶν στρατιωτῶν οὐκ ὀλίγους ἀνέϊλον: τῶν δὲ ζωγρηθέντων οὓς μὲν ἀπέδοντο, οὓς δὲ ἀπελύτρωσαν. [3] μετὰ δὲ ταῦτα εἰς Θετταλίαν ἐμβαλόντες τοὺς πλείστους τῶν

Θετταλῶν ἔπεισαν κοινωνεῖν τοῦ πρὸς Ἀντίπατρον πολέμου· καὶ ταχέως ἠθροίσθησαν [p. 375] οἱ πάντες πεζοὶ μὲν δισμῦριοι πεντακισχίλιοι, ἵππεῖς δὲ χίλιοι πεντακόσιοι. [4] τούτων δὲ προσαγομένων τὰς πόλεις Ἀκαρνᾶνες ἄλλοτρίως ἔχοντες πρὸς Αἰτωλοὺς ἐνέβαλον εἰς τὴν Αἰτωλίαν καὶ τὴν τε χώραν ἐδήρουν καὶ τὰς πόλεις ἐπολιόρκουν. [5] οἱ δὲ Αἰτωλοὶ πυθόμενοι τὰς ἰδίας πατρίδας κινδυνεύειν τοὺς μὲν ἄλλους στρατιώτας ἀπέλιπον ἐν Θετταλίᾳ, Μένωνα τὸν Φαρσάλιον ἐπιστήσαντες στρατηγόν, αὐτοὶ δὲ τοὺς πολιτικούς ἀναλαβόντες ἦκον συντόμως εἰς τὴν Αἰτωλίαν καὶ τοὺς Ἀκαρνᾶνας καταπληξάμενοι τὰς πατρίδας ἠλευθέρωσαν τῶν κινδύνων. [6] τούτων δὲ περὶ ταῦτα ἀσχολουμένων Πολυπέρχων ὁ καταλελειμμένος ἐν Μακεδονίᾳ στρατηγὸς ἦκεν εἰς τὴν Θετταλίαν μετὰ δυνάμεως ἀξιολόγου, νικήσας δὲ παρατάζει τοὺς πολεμίους τὸν τε στρατηγὸν Μένωνα ἀνέϊλε καὶ τῶν ἄλλων κατέκοψε τοὺς πλείστους καὶ τὴν Θετταλίαν ἀνεκτήσατο.

κατὰ δὲ τὴν Ἀσίαν Ἀρριδαῖος καὶ Πίθων οἱ τῶν βασιλέων ἐπιμελῆται ἀναζεύξαντες ἀπὸ τοῦ Νείλου μετὰ τῶν βασιλέων καὶ τῆς δυνάμεως ἦκον εἰς Τριπαράδεισον τῆς ἄνω Συρίας. [2] ἐνταῦθα δὲ Εὐρυδίκης τῆς βασιλίσσης πολλὰ περιεργαζομένης καὶ ταῖς τῶν ἐπιμελητῶν ἐπιβολαῖς ἀντιπραττούσης οἱ μὲν περὶ τὸν Πίθωνα δυσχρηστούμενοι καὶ τοὺς Μακεδόνας ὀρώντες τοῖς ἐκείνης προστάγμασιν αἰεὶ μᾶλλον προσέχοντας συνήγαγον ἐκκλησίαν καὶ τὴν ἐπιμέλειαν ἀπέειπαντο, [3] οἱ δὲ Μακεδόνες ἐπιμελητὴν εἵλαντο τὸν Ἀντίπατρον [p. 376] αὐτοκράτορα. οὗτος δὲ μετ' ὀλίγας ἡμέρας καταντήσας εἰς Τριπαράδεισον κατέλαβε τὴν Εὐρυδικὴν στασιάζουσαν καὶ τοὺς Μακεδόνας ἀπαλλοτριούσαν ἀπὸ τοῦ Ἀντιπάτρου. [4] ταραχῆς δὲ μεγάλης οὔσης ἐν ταῖς δυνάμεσι καὶ κοινῆς ἐκκλησίας συναχθείσης ὁ μὲν Ἀντίπατρος διαλεχθεὶς τοῖς πλήθεσι τὴν μὲν ταραχὴν κατέπαυσε, τὴν δ' Εὐρυδικὴν καταπληξάμενος ἔπεισε τὴν ἡσυχίαν ἄγειν. [5] μετὰ δὲ ταῦτα τὰς σατραπείας ἐξ ἀρχῆς ἐμερίσατο καὶ Πτολεμαίῳ μὲν τὴν προϋπάρχουσαν προσώρισε· ἀδύνατον γὰρ ἦν τοῦτον μεταθεῖναι διὰ τὸ δοκεῖν τὴν Αἴγυπτον διὰ τῆς ἰδίας ἀνδρείας ἔχειν οἰοῖναι δορίκτητον. [6] καὶ Λαομέδοντι μὲν τῷ Μιτυληναίῳ Συρίαν ἔδωκε, Φιλοξένῳ δὲ τὴν Κιλικίαν, τῶν δ' ἄνω σατραπειῶν Μεσοποταμίαν μὲν καὶ τὴν Ἀρβηλίτιν Ἀμφιμάχῳ, τὴν δὲ Βαβυλωνίαν Σελεύκῳ, Ἀντιγένει δὲ τὴν Σουσιανὴν διὰ τὸ τοῦτον πρῶτον πεποιῆσθαι τὴν ἐπὶ τὸν Περδίκκαν ἐπιθέσιν, Πευκέστῃ δὲ τὴν Περσίδα, Τληπολέμῳ δὲ τὴν Καρμανίαν, Πίθωνι δὲ Μηδίαν, Φιλίππῳ δὲ τὴν Παρθυαίαν, Ἀρίαν δὲ καὶ Δραγγηνὴν Στασάνδρῳ τῷ Κυπρίῳ, τὴν δὲ Βακτριανὴν καὶ Σογδιανὴν Στασάνορι τῷ Σολίῳ ἀπὸ τῆς αὐτῆς ὄντι νήσου. Παροπανισάδας δὲ Ὀξυάρτη προσώρισε τῷ Ῥωξάνης πατρὶ τῆς Ἀλεξάνδρου γυναικός, τῆς δὲ Ἰνδικῆς τὰ μὲν συνορίζοντα [p. 377] Παροπανισάδαις Πίθωνι τῷ Ἀγήνορος, τὰς δ' ἐχομένας βασιλείας τὴν μὲν παρὰ τὸν Ἰνδὸν ποταμὸν Πώρῳ, τὴν δὲ παρὰ τὸν Ὑδάσπην Ταξίλῃ· οὐ γὰρ ἦν τούτους τοὺς βασιλεῖς μετακινήσαι χωρὶς βασιλικῆς δυνάμεως καὶ ἡγεμόνος ἐπιφανοῦς, τῶν δὲ πρὸς τὴν ἄρκτον κεκλιμένων Καππαδοκίαν μὲν Νικάνορι, Φρυγίαν δὲ τὴν μεγάλην καὶ Λυκίαν Ἀντιγόνῳ, καθάπερ πρότερον ἔσχε, Καρίαν δὲ Κασάνδρῳ, Λυδίαν δὲ Κλείτῳ, Φρυγίαν δὲ τὴν ἐφ' Ἑλλησπόντῳ Ἀρριδαίῳ. [7] στρατηγὸν δὲ τῆς βασιλικῆς δυνάμεως ἀπέδειξεν Ἀντίγονον, ὃ

προσ τεταγμένον ἦν καταπολεμῆσαι Εὐμενῇ τε καὶ Ἀλκέταν· παρέξεν δὲ τῷ Ἀντιγόνῳ χιλιάρχον τὸν υἱὸν Κάσανδρον, ὅπως μὴ δύνηται διαλαθεῖν ἰδιοπραγῶν. αὐτὸς δὲ τοὺς βασιλεῖς ἀναλαβὼν καὶ τὴν ἰδίαν δύναμιν προῆγεν ἐπὶ Μακεδονίαν, κατὰζων τοὺς βασιλεῖς ἐπὶ τὴν πατρίδα.

Ἀντίγονος δὲ ἐπὶ τῆς Ἀσίας ἀποδεδειγμένος στρατηγὸς διαπολεμήσων πρὸς Εὐμενῇ ἤθροισεν ἐκ τῆς χειμασίας τὰς δυνάμεις. παρασκευασάμενος δὲ τὰ πρὸς τὴν μάχην προῆγεν ἐπὶ τὸν Εὐμενῇ, διατρίβοντα περὶ Καππαδοκίαν. [2] ὁ δ' Εὐμενῆς, ἀποστάντος ἅπ' αὐτοῦ τινος τῶν ἐπιφανῶν ἡγεμόνων ὀνόματι Περδίκκου, [p. 378] στρατοπεδεύοντος ἀπὸ τριῶν ἡμερῶν ὁδοῦ μετὰ τῶν συναποστάντων στρατιωτῶν πεζῶν μὲν τρισχιλίων, ἵππέων δὲ πεντακοσίων, ἐξέπεμψεν ἐπ' αὐτὸν Φοίνικα τὸν Τενέδιον, ἔχοντα πεζοὺς μὲν ἐπιλέκτους τετρακισχιλίους, ἵππεῖς δὲ χιλίους. [3] οὗτος δὲ νυκτοπορία συντόνῳ χρησάμενος προσέπεσε τοῖς ἀποστάταις ἀπροσδοκῆτως περὶ δευτέραν φυλακὴν νυκτερινήν· καταλαβὼν δ' αὐτοὺς κοιμωμένους τὸν τε Περδίκκαν ἐξώγησε καὶ τῆς δυνάμεως ἐγκρατὴς ἐγένετο. [4] Εὐμενῆς δὲ τοὺς αἰτιωτάτους τῆς ἀποστάσεως ἡγεμόνας ἐθανάτωσε· τοὺς δὲ στρατιώτας τοῖς ἄλλοις ἀναμίξας καὶ φιланθρώπως προσενεχθεὶς ἰδίους ταῖς εὐνοίαις ἐποιήσατο. [5] μετὰ δὲ ταῦθ' ὁ μὲν Ἀντίγονος διαπεμψάμενος πρὸς Ἀπολλωνίδην τινά, τῶν ἱππέων ἀφηγούμενον παρ' Εὐμενεῖ, μεγάλαις ἐπαγγελίαις δι' ἀπορρήτων ἔπεισε προδότην γενέσθαι καὶ κατὰ τὴν μάχην αὐτομολῆσαι. [6] τοῦ δ' Εὐμενοῦς στρατοπεδεύοντος τῆς Καππαδοκίας ἔντισιν εὐθέτοις πεδίοις πρὸς ἵππομαχίαν ἐπιβαλὼν ὁ Ἀντίγονος μετὰ πάσης τῆς δυνάμεως κατελάβετο τὴν ὑπερκειμένην τῶν πεδίων ὑπὸρίαν. [7] εἶχε δ' ὁ μὲν Ἀντίγονος κατ' ἐκείνους τοὺς καιροὺς πεζοὺς μὲν πλείω τῶν μυρίων, ὧν ἦσαν οἱ ἡμίσεις Μακεδόνες, θαυμαστοὶ κατὰ τὰς ἀνδραγαθίας, ἵππεῖς δὲ δισχιλίους, ἐλέφαντας δὲ τριάκοντα, ὁ δ' Εὐμενῆς πεζοὺς μὲν οὐκ ἐλάττους τῶν δισμυρίων, [p. 379] ἵππεῖς δὲ πεντακισχιλίους. [8] γενομένης δὲ μάχης ἰσχυρᾶς καὶ τοῦ Ἀπολλωνίδου μετὰ τῶν περὶ αὐτὸν ἱππέων ποιήσαντος ἀλόγως ἀπὸ τῶν ἰδίων διάστασιν ἐνίκησεν ὁ Ἀντίγονος καὶ ἀνεῖλεν τῶν ἐναντίων εἰς ὀκτακισχιλίους. ἐκυρίευσεν δὲ καὶ τῆς ἀποσκευῆς ἀπάσης, ὥστε τοὺς περὶ τὸν Εὐμενῇ στρατιώτας διὰ μὲν τὴν ἥτταν καταπλαγῆναι, διὰ δὲ τὴν ἀπώλειαν τῆς ἀποσκευῆς ἀθυμῆσαι.

μετὰ δὲ ταῦθ' ὁ μὲν Εὐμενῆς ἐπεβάλετο φεύγειν εἰς Ἀρμενίαν καὶ τῶν ἐν ταύτῃ κατοικούντων τινὰς πρὸς τὴν συμμαχίαν συλλαβέσθαι· καταταχούμενος δὲ καὶ τοὺς στρατιώτας ὁρῶν ἀποχωροῦντας πρὸς τὸν Ἀντίγονον κατελάβετο χωρίον ὁχυρὸν ὃ προσηγορεύετο Νῶρα. [2] ἦν δὲ τὸ φρούριον τοῦτο παντελῶς μικρὸν διὰ τὸ τὸν περίβολον ἔχειν μὴ πλείω δυεῖν σταδίων, κατὰ δὲ τὴν ἐρυμνότητα θαυμαστόν· ἐπὶ γὰρ πέτρας ὑψηλῆς εἶχε τὰς οἰκίας συνφοδομημένας καὶ τὰ μὲν ὑπὸ τῆς φύσεως, τὰ δ' ὑπὸ τῆς ἐκ τῶν χειρῶν κατασκευῆς θαυμαστῶς ὠχύρωτο. [3] εἶχε δὲ καὶ παραθέσεις σίτου πολλοῦ καὶ ξύλων καὶ ἄλων ὥστ' εἰς ἔτη πολλὰ δύνασθαι χορηγῆσαι πάντα τοῖς εἰς αὐτὴν καταφυγοῦσι. συνέφυγον δὲ μετ' αὐτοῦ τῶν φίλων οἱ ταῖς εὐνοίαις διαφέροντες καὶ κεκριότες συναποθνήσκειν αὐτῷ κατὰ τοὺς ἐσχάτους κινδύνους· οἱ δὲ πάντες ὑπῆρχον ἵππεῖς τε καὶ πεζοὶ περὶ

ἐξακοσίους. [4] Ἀντίγονος δὲ παραλαβὼν τὴν μετ' Εὐμενοῦς δύναμιν [p. 380] καὶ τῶν σατραπειῶν καὶ τῶν ἐν ταύταις προσόδων κύριος γενόμενος, ἔτι δὲ παραλαβὼν πλῆθος χρημάτων μειζόνων πραγμάτων ὠρέγεται: οὐκέτι γὰρ οὐδεὶς τῶν κατὰ τὴν Ἀσίαν ἡγεμόνων ἀξιόμαχον εἶχε δύναμιν διαγωνίσασθαι πρὸς αὐτὸν περὶ τῶν πρωτείων. [5] διὸ καὶ πρὸς Ἀντίπατρον κατὰ μὲν τὸ παρὸν προσεποιεῖτο φιλικῶς διακεῖσθαι, διεγνώκει δὲ τὰ καθ' αὐτὸν ἀσφαλισάμενος μηκέτι προσέχειν μήτε τοῖς βασιλεῦσι μήτε Ἀντιπάτρῳ. [6] τὸ μὲν οὖν πρῶτον περιέλαβε τοὺς καταπεφευγότας εἰς τὸ φρούριον διπλοῖς τοῖς τείχεσι καὶ τάφροις καὶ χαρακώμασι θαυμαστοῖς: μετὰ ταῦτα δ' εἰς σύλλογον ἐλθὼν Εὐμενεὶ καὶ τὴν προϋπάρχουσαν φιλίαν ἀνανεωσάμενος ἐπειθεν αὐτὸν κοινοπραγεῖν. ὁ δὲ εἰδὼς τὴν τύχην ὀξέως μεταβάλλουσαν μείζονας ἦται φιλανθρωπίας τῆς περὶ αὐτὸν οὔσης περιστάσεως: [7] ὥς γὰρ δεῖν αὐτῷ συγχωρηθῆναι τὰς ἐξ ἀρχῆς δεδομένας σατραπείας καὶ τῶν ἐγκλημάτων ἀπάντων ἀπόλυσιν. ὁ δὲ Ἀντίγονος περὶ μὲν τούτων ἐπὶ τὸν Ἀντίπατρον τὴν ἀναφορὰν ἐποιήσατο, τοῦ δὲ χωρίου τὴν ἱκανὴν φυλακὴν ἀπολιπὼν ὥρμησεν ἐπὶ τοὺς ἐπιπορευομένους ἡγεμόνας τῶν πολεμίων καὶ δυνάμεις ἔχοντας Ἀλκέταν τε τὸν ἀδελφὸν τοῦ Περδίκκου καὶ Ἄτταλον τὸν τοῦ στόλου παντὸς κυριεύοντα.

μετὰ δὲ ταῦτα ὁ Εὐμενὴς πρὸς τὸν Ἀντίπατρον πρεσβευτὰς ἀπέστειλε περὶ τῶν ὁμολογιῶν, ὧν ἦν ἡγούμενος Ἰερώνυμος ὁ τὰς τῶν διαδόχων ἱστορίας [p. 381] γεγραφώς. αὐτὸς δὲ πολλαῖς καὶ ποικίλαις κεκρημένος τοῦ βίου μεταβολαῖς οὐκ ἐταπεινοῦτο τῷ φρονήματι, σαφῶς εἰδὼς τὴν τύχην ὀξείας τὰς εἰς ἀμφοτέρα τὰ μέρη ποιουμένην μεταβολάς. [2] ἑώρα γὰρ τοὺς μὲν τῶν Μακεδόνων βασιλεῖς κενὸν ἔχοντας τὸ τῆς βασιλείας πρόσχημα, πολλοὺς δὲ καὶ μεγάλους τοῖς φρονήμασιν ἄνδρας διαδεχομένους τὰς ἡγεμονίας, πάντας δὲ ἰδιοπραγεῖν βουλομένους. ἤλπιζεν οὖν, ὅπερ ἦν πρὸς ἀλήθειαν, πολλοὺς αὐτοῦ χρεῖαν ἔξειν διὰ τε τὴν φρόνησιν καὶ τὴν ἐμπειρίαν τῶν πολεμικῶν, ἔτι δὲ τὴν ὑπερβολὴν τῆς ἐν τῇ πίστει βεβαιότητος. [3] ὁρῶν δὲ τοὺς ἵππους, διὰ τὴν ἐν τῇ στενοχωρίᾳ τραχύτητα μὴ δυναμένους γυμνάζεσθαι, πρὸς τὴν ἐν ταῖς ἵππομαχίαις χρεῖαν ἀχρήστους ἐσομένους ἐπενοήσατό τινα ξένην καὶ παρηλλαγμένην τῶν ἵππων γυμνασίαν. [4] τὰς γὰρ κεφαλὰς αὐτῶν ταῖς σειραῖς ἀναδεσμεύων ἕκ τινων δοκίων ἢ παττάλων καὶ δύο ἢ τρεῖς διχάδας ἐωρήσας συνηνάγκαζεν τοῖς ὀπισθίοις ποσὶν ἐπιβεβηκέναι, τοῖς δ' ἐμπροσθεν μόγις ψαύειν τῆς γῆς μικρὸν ἀπολείποντας: εὐθὺς οὖν ὁ μὲν ἵππος βουλούμενος στηρίζεσθαι τοῖς ἐμπροσθίοις διεπονεῖτο τῷ τε σώματι παντὶ καὶ τοῖς σκέλεσι, συμπασχόντων ἀπάντων τῶν κατὰ τὸν ὄγκον μελῶν: τοιαύτης δὲ γινομένης κινήσεως ἰδρῶς τε πολὺς ἐκ τοῦ σώματος ἐξεχεῖτο καὶ τῇ τῶν πόνων ὑπερβολῇ τὴν ἀκρότητα τῶν γυμνασίων τοῖς ζώοις περιποιεῖτο. [5] τοῖς δὲ στρατιώταις [p. 382] ἅπασι τὰς αὐτὰς τροφὰς παρείχεται, μετέχων αὐτὸς τῆς λιτότητος, καὶ διὰ τῆς ὁμοίας συμπεριφορᾶς πολλὴν εὐνοίαν ἑαυτῷ, τοῖς δὲ συμπεφευγόσι πᾶσιν ὁμόνοιαν συγκατεσκεύασε. καὶ τὰ μὲν κατὰ τὸν Εὐμενῆ καὶ τοὺς συμπεφευγότας εἰς τὴν πέτραν ἐν τούτοις ἦν.

κατὰ δὲ τὴν Αἴγυπτον Πτολεμαῖος παραδόξως ἀποτετριμμένος τὸν τε Περδίκκαν καὶ τὰς βασιλικὰς δυνάμεις τὴν μὲν Αἴγυπτον ὥσανεῖ τινα

βασιλείαν δορίκτητον εἶχεν. ὁρῶν δὲ τὴν τε Φοινίκην καὶ τὴν Κοίλην ὀνομαζομένην Συρίαν εὐφυῶς κειμένας κατὰ τῆς Αἰγύπτου πολλὴν εἰσεφέρειτο σπουδὴν κυριεῦσαι τούτων τῶν τόπων. [2] ἐξαπέστειλεν οὖν τὴν ἱκανὴν δύναμιν καὶ στρατηγόν, ἓνα τῶν φίλων προχειρισάμενος, Νικάνορα. οὗτος δὲ στρατεύσας εἰς τὴν Συρίαν Λαομέδοντα μὲν τὸν σατράπην ἐξώγησε, τὴν δὲ Συρίαν ἅπασαν ἐχειρώσατο. ὁμοίως δὲ καὶ τὰς κατὰ τὴν Φοινίκην πόλεις προσαγαγόμενος καὶ ποιήσας ἐμφροῦρους ἐπανῆλθεν εἰς τὴν Αἴγυπτον, σύντομον τὴν στρατείαν καὶ πρακτικὴν πεποιημένος.

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀπολλοδώρου Ῥωμαῖοι κατέστησαν ὑπάτους Κόιντον Ποπίλιον καὶ Κόιντον [p. 383] Πόπλιον. ἐπὶ δὲ τούτων Ἀντίγονος καταπεπολεμηκῶς τοὺς περὶ τὸν Εὐμενῆ ἔκρινε στρατεύειν ἐπὶ τὸν Ἀλκέταν καὶ Ἄτταλον· οὗτοι γὰρ ὑπελείποντο τῶν Περδίκκου φίλων καὶ οἰκείων ἡγεμόνες μὲν ἀξιόλογοι, στρατιώτας δ' ἔχοντες ἱκανοὺς ἀμφισβητῆσαι πραγμάτων. ἀναζεύξας οὖν μετὰ πάσης τῆς δυνάμεως ἐκ Καππαδοκίας προῆγεν ἐπὶ τὴν Πισιδικὴν, ἐν ᾗ συνέβαινε διατρίβειν τοὺς περὶ τὸν Ἀλκέταν. [2] ὅξειαν δὲ καὶ παντελῶς ἐπιτεταμένην τὴν πορείαν ποιησάμενος ἐν ἡμέραις ἑπτὰ καὶ ταῖς ἴσαις νυξὶ διήνυσε σταδίους δισχιλίους καὶ πεντακοσίους εἰς τὴν ὀνομαζομένην Κρητῶν πόλιν. λαθὼν δὲ τοὺς πολεμίους διὰ τὴν ὀξύτητα τῆς πορείας καὶ γενόμενος πλησίον αὐτῶν ἀγνοούντων τὴν παρουσίαν ἔφθασεν ἀκρολοφίας τινὰς καὶ δυσχωρίας προκαταλαβόμενος. [3] οἱ δὲ περὶ τὸν Ἀλκέταν πυθόμενοι τὴν παρουσίαν τῶν πολεμίων τὴν μὲν φάλαγγα ταχέως ἐξέταξαν, τοῖς δ' ἵππεῦσι προσπεσόντες τοῖς τὴν ἀκρώρειαν προκατέχουσιν ἐφιλοτιμοῦντο βίᾳ κρατῆσαι καὶ ἀπὸ τῆς ἀκρολοφίας ἐκβαλεῖν. [4] γενομένης δὲ μάχης ἰσχυρᾶς καὶ πολλῶν παρ' ἀμφοτέρων πεσόντων ὁ μὲν Ἀντίγονος ἔχων ἵππεῖς ἐξακισχιλίους ἀπὸ κράτους ἤλανεν ἐπὶ τὴν τῶν ἐναντίων φάλαγγα, σπεύδων ἀποκόψαι τῶν περὶ τὸν Ἀλκέταν τὴν ἐπὶ ταύτην καταφυγὴν. [5] οὗ συντελεσθέντος οἱ μὲν ἐπὶ τῆς ἀκρωρείας ὄντες, πολὺ τοῖς τε πλήθεσιν ὑπερέχοντες καὶ τῇ δυσχωρίᾳ τῶν τόπων [p. 384] πλεονεκτοῦντες, ἐτρέψαντο τοὺς προσμαχομένους. οἱ δὲ περὶ τὸν Ἀλκέταν τῆς μὲν ἐπὶ τοὺς πεζοὺς καταφυγῆς ἀποκεκλεισμένοι, τῷ δὲ πλήθει τῶν πολεμίων εἰς μέσον ἀπειλημμένοι πρόδηλον εἶχον τὴν ἀπώλειαν. διὸ καὶ τῆς σωτηρίας δυσβοηθήτου γενομένης ὁ μὲν

Ἀλκέτας πολλοὺς ἀποβαλὼν μόλις διεξέπεσε πρὸς τῆντῶν πεζῶν φάλαγγα, ὁ δ' Ἀντίγονος ἐξ ὑπερδεξίων τόπων ἐπαγαγὼν τοὺς τε ἐλέφαντας καὶ πᾶσαν τὴν δύναμιν κατεπλήξατο τοὺς πολεμίους πολὺ τοῖς πλήθεσι λειπομένους· ἦσαν γὰρ οἱ σύμμαχοι πάντες πεζοὶ μὲν μύριοι καὶ ἐξακισχιλίοι, ἵππεῖς δὲ ἐννακόσιοι, οἱ δ' Ἀντιγόνου χωρὶς τῶν ἐλεφάντων πεζοὶ μὲν πλείους τῶν τετρακισμυρίων, ἵππεῖς δὲ ὑπὲρ τοὺς ἑπτακισχιλίους. [2] ἅμα δὲ τῶν ἐλεφάντων ἐπιόντων κατὰ μέτωπον καὶ τῶν ἱππέων διὰ τὸ πλῆθος πανταχῇ περιγεομένων, ἔτι δὲ τῶν πεζῶν πολλαπλασίων καὶ κρειττόνων ὄντων ταῖς ἀρεταῖς καὶ τὴν στάσιν υπερδέξιον ἐχόντων πολὺς θόρυβος καὶ φόβος κατεῖχε τοὺς περὶ τὸν Ἀλκέταν· διὰ δὲ τὴν ὑπερβολὴν τῆς ὀξύτητος καὶ τῆς ἐνεργείας οὐδ' ἐκτάζει καλῶς τὴν φάλαγγα κατίσχυσε. [3] τροπῆς δὲ παντελοῦς γενομένης Ἄτταλος μὲν καὶ Δόκιμος καὶ Πολέμων καὶ πολλοὶ τῶν ἀξιολόγων

ἡγεμόνων ἐξωγήθησαν, Ἀλκέτας δὲ μετὰ τῶν ἰδίων ὑπασπιστῶν καὶ παίδων ἔφυγε μετὰ τῶν Πισιδῶν τῶν συστρατευομένων εἰς πόλιν Πισιδικὴν ὄνομα [p. 385] Τερμησόν. [4] ὁ δ' Ἀντίγονος τούτους μὲν καθ' ὁμολογίαν παραλαβὼν τοὺς λοιποὺς εἰς τὰ ἴδια τάγματα κατέταξε καὶ φιλανθρώπως αὐτοῖς χρυσάμενος ἠΐξῃσε τὴν ἰδίαν δύναμιν οὐ μετρίως. [5] οἱ δὲ Πισίδαι τὸν ἀριθμὸν ὄντες εἰς ἑξακισχιλίους καὶ ταῖς ἀλκαῖς διαφέροντες παρεκάλουν τὸν Ἀλκέταν θαρρεῖν, ἐπαγγελλόμενοι μὴδ' ἐνὶ τῷ τρόπῳ ἐγκαταλείπειν αὐτόν. διέκειντο γὰρ πρὸς αὐτὸν εὐνοϊκῶς καθ' ὑπερβολὴν διὰ τοιαύτας τινὰς αἰτίας.

Ἀλκέτας μετὰ τὸν Περδίκκου θάνατον οὐκ ἔχων συμμάχους κατὰ τὴν Ἀσίαν ἔκρινε τοὺς Πισίδας εὐεργετεῖν, νομίζων ἔξῃν συμμάχους πολεμικοὺς ἄνδρας καὶ χώραν ἔχοντας δυσέμβολον καὶ μεστὴν ὀχυρῶν φρουριῶν. [2] διόπερ ἐν ταῖς στρατείαις παρὰ πάντας τοὺς συμμάχους ἐτίμα περιττότερον τούτους καὶ τὰς μὲν ἐκ τῆς πολεμίας ὠφελείας ἐμέριζεν αὐτοῖς, διδούς τῶν λαφύρων τὰ ἡμίση, κατὰ δὲ τὰς ὁμιλίας λόγοις φιλανθρώποις χρώμενος καὶ κατὰ τὰ σύνδειπνα καθ' ἡμέραν τοὺς ἀξιολογωτάτους ἐν μέρει παραλαμβάνων ἐπὶ τὰς ἐστιάσεις, ἔτι δὲ τιμῶν πολλοὺς δωρεαῖς ἀξιολόγοις ἰδίου ταῖς εὐνοίαις κατεσκεύασεν. [3] διόπερ καὶ τότε τὰς ἐλπίδας ἔχοντας ἐν τούτοις Ἀλκέτου τῶν ἐλπίδων αὐτὸν οὐ διεψεύσαντο. τοῦ γὰρ Ἀντιγόνου μετὰ πάσης τῆς δυνάμεως πλησίον τῆς Τερμησοῦ καταστρατοπεδεύσαντος [p. 386] καὶ τὸν Ἀλκέταν ἔξαιτοῦντος, ἔτι δὲ τῶν πρεσβυτέρων συμβουλευόντων ἐκδοῦναι συστραφέντες οἱ νεώτεροι πρὸς τοὺς γονεῖς διαστάντες ἐψηφίσαντο πᾶν ὑπομένειν δεινὸν ἕνεκα τῆς τούτου σωτηρίας. [4] οἱ δὲ πρεσβύτεροι τὸ μὲν πρῶτον πείθειν ἐπεχείρουν τοὺς νέους μὴ δι' ἓνα Μακεδόνα περιδεῖν τὴν πατρίδα γινομένην δοριάλωτον: ἐπεὶ δ' ἀμετάθετον αὐτῶν τὴν ὁρμὴν ἑώρων, λάθρα συμφρονήσαντες ἐξέπεμψαν νυκτὸς πρεσβείαν πρὸς Ἀντίγονον, ἐπαγγελλόμενοι τὸν Ἀλκέταν ἢ ζῶντα παραδώσειν ἢ τετελευτηκότα. [5] ἠξίου δ' αὐτὸν ἐφ' ἡμέρας τινὰς προσβάλλοντα τῇ πόλει καὶ δι' ἀκροβολισμῶν ἐλαφρῶν προαγόμενον τοὺς ἐκ τῆς πόλεως ὑποχωρεῖν ὥς φεύγοντα: τούτου γὰρ γενομένου καὶ τῶν νεωτέρων περὶ τὴν μάχην ἐκτὸς τῆς πόλεως ἀσχολουμένων λήψεσθαι καιρὸν οἰκεῖον ταῖς ἰδίαις ἐπιβολαῖς. [6] ὁ δ' Ἀντίγονος πεισθεὶς ὑπ' αὐτῶν καὶ μακρὰν τῆς πόλεως μεταστρατοπεδεύσας διὰ τῶν ἀκροβολισμῶν προεσπᾶτο τοὺς νέους εἰς τὸν ἐκτὸς τῆς πόλεως ἀγῶνα. [7] οἱ δὲ πρεσβύτεροι μεμονωμένον ὀρῶντες τὸν Ἀλκέταν καὶ τῶν τε δούλων τοὺς πιστοτάτους καὶ τῶν ἀκμαζόντων πολιτῶν ἐπιλέξαντες τοὺς μὴ συστρατευομένους τῷ Ἀλκέτῃ τὴν ἐπίθεσιν ἐποίησαντο κατὰ τὴν ἀπουσίαν τῶν νέων. ζωγρῆσαι μὲν οὖν αὐτὸν οὐ κατίσχυσαν ἔφθασε γὰρ αὐτὸν διαχειρισάμενος, ὅπως μὴ ζῶν ὑποχείριος γένηται τοῖς πολεμίοις, τὸ δὲ σῶμα αὐτοῦ θέντες ἐπὶ κλινίδιον καὶ συγκατακαλύψαντες εὐτελεῖ τρίβωνι κατὰ τὰς πύλας [p. 387] ἐξήνεγκαν καὶ λαθόντες τοὺς ἀκροβολιζομένους παρέδωκαν Ἀντιγόνῳ.

διὰ δὲ τῆς ἰδίας ἐπινοίας ἐκ τῶν κινδύνων ἐξελόμενοι τὴν πατρίδα τὸν μὲν πόλεμον ἀπεστρέψαντο, τὴν δὲ πρὸς τοὺς νέους ἀλλοτριότητα φυγεῖν οὐ κατίσχυσαν: οὗτοι γὰρ ἀπὸ τῆς μάχης ἐπανελθόντες καὶ τὸ πεπραγμένον ἀκούσαντες πρὸς τοὺς ἰδίους ἀπηγγιώθησαν διὰ τὴν πρὸς Ἀλκέταν ὑπερβολὴν

τῆς εὐνοίας. [2] καὶ τὸ μὲν πρῶτον καταλαβόμενοι μέρος τῆς πόλεως ἐψηφίσαντο τὰς μὲν οἰκίας ἐμπρῆσαι, μετὰ δὲ τῶν ὅλων ἐκχυθέντας ἐκ τῆς πόλεως καὶ τῆς ὀρεινῆς ἐχομένους πορθεῖν τὴν ὑπ' Ἀντίγονον τεταγμένην χώραν, ὕστερον δὲ μετανοήσαντες τοῦ μὲν ἐμπρῆσαι τὴν πόλιν ἀπέσχοντο, δόντες δ' ἑαυτοὺς εἰς ληστείας καὶ καταδρομὰς πολλὴν τῆς πολεμίας χώραν κατέφθειραν. [3] ὁ δ' Ἀντίγονος παραλαβὼν τὸ σῶμα καὶ κατακισσάμενος ἐπὶ τρεῖς ἡμέρας καὶ τοῦ νεκροῦ σῆψιν λαβόντος ἀφείς αὐτὸν ἄταφον ἀνέβλεψεν ἐκ τῆς Πισιδικῆς. οἱ δὲ τῶν Τερμησσέων νέοι φυλάττοντες τὴν πρὸς τὸν ἠκισμένον εὐνοίαν τό τε σῶμα ἀνείλαντο καὶ λαμπρῶς ἐκήδευσαν. οὕτως ἡ τῆς εὐεργεσίας φύσις, ἴδιόν τι φίλτρον ἔχουσα πρὸς τοὺς εὖ πεποιηκότας, ἀμετάθετον διαφυλάττει τὴν εἰς αὐτοὺς εὐνοίαν. [4] ὁ δ' οὖν Ἀντίγονος ἀναζεύξας ἐκ τῆς Πισιδικῆς προῆγεν ἐπὶ Φρυγίας μετὰ πάσης τῆς δυνάμεως. ὥς δὲ κατήντησεν εἰς Κρητῶν πόλιν, ἦκεν πρὸς αὐτὸν Ἀριστόδημος ὁ Μιλήσιος ἀπαγγέλλων ὅτι Ἀντίπατρος μὲν τετελεύτηκεν, ἡ δὲ τῶν ὅλων ἡγεμονία καὶ τῶν βασιλέων ἡ [p. 388] ἐπιμέλεια μεταπέπτωκεν εἰς Πολυπέρχοντα τὸν Μακεδόνα. [5] ἦσθεις δ' ἐπὶ τοῖς γεγονόσι μετέωρος ἦν ταῖς ἐλπίσι καὶ διανοεῖτο τῶν κατὰ τὴν Ἀσίαν ἔχεσθαι πραγμάτων καὶ τῆς κατ' αὐτὴν ἡγεμονίας μηδενὶ παραχωρεῖν. καὶ τὰ μὲν περὶ τὸν Ἀντίγονον ἐν τούτοις ἦν.

κατὰ δὲ τὴν Μακεδονίαν Ἀντιπάτρου περιπεσόντος ἀρρωστία βαρυτέρα καὶ τοῦ γήρως συνεργοῦντος πρὸς τὴν ἀπόλυσιν τοῦ βίου Ἀθηναῖοι μὲν ἐξέπεμψαν πρεσβευτὴν πρὸς Ἀντίπατρον Δημάδην, δοκοῦντα καλῶς πολιτεύεσθαι τὰ πρὸς τοὺς Μακεδόνας, ἀξιοῦντες τὸν Ἀντίπατρον, καθάπερ ἦν ἐξ ἀρχῆς ὠμολογηκώς, ἐξαγαγεῖν τὴν φρουρὰν ἐκ τῆς Μουνυχίας. [2] ὁ δ' Ἀντίπατρος τὸ μὲν πρῶτον εὐνοϊκῶς διέκειτο πρὸς τὸν Δημάδην, ὕστερον δὲ Περδίκκου τελευτήσαντος καὶ τινων βασιλικῶν ἐπιστολῶν εὐρεθεῖσων ἐν τοῖς βασιλικοῖς γράμμασιν, ἐν αἷς ἦν ὁ Δημάδης παρακαλῶν τὸν Περδίκκην κατὰ τάχος διαβαίνειν εἰς τὴν Εὐρώπην ἐπ' Ἀντίπατρον, ἀπηλλοτριώθῃ πρὸς αὐτὸν καὶ κεκρυμμένην ἐτήρει τὴν ἔχθραν. [3] διόπερ τοῦ Δημάδου κατὰ τὰς ὑπὸ τοῦ δήμου δεδομένας ἐντολάς ἀπαιτοῦντος τὴν ἐπαγγελίαν καὶ παρρησιωδέστερον ἀπειλήσαντος περὶ τῆς φρουρᾶς ὁ μὲν Ἀντίπατρος οὐδεμίαν δοὺς ἀπόκρισιν παρέδωκε τοῖς ἐπὶ τὰς τιμωρίας τεταγμένοις αὐτόν τε τὸν Δημάδην καὶ τὸν υἱὸν Δημέαν συμπρεσβεύοντα τῷ πατρί. [4] οὗτοι μὲν οὖν ἀπαχθέντες εἰς τι οἶκημα εὐτελὲς ἐθανατώθησαν διὰ τὰς προειρημένas [p. 389] αἰτίας. ὁ δ' Ἀντίπατρος ἐσχάτως ἤδη διακείμενος ἀπέδειξεν ἐπιμελητὴν τῶν βασιλέων Πολυπέρχοντα καὶ στρατηγὸν αὐτοκράτορα, πρεσβύτατον σχεδὸν ὄντα τῶν Ἀλεξάνδρῳ συνεστρατευμένων καὶ τιμώμενον ὑπὸ τῶν κατὰ τὴν Μακεδονίαν, τὸν δ' υἱὸν Κάσανδρον χιλιάρχον καὶ δευτερεύοντα κατὰ τὴν ἐξουσίαν. [5] ἡ δὲ τοῦ χιλιάρχου τάξις καὶ προαγωγή τὸ μὲν πρῶτον ὑπὸ τῶν Περσικῶν βασιλέων εἰς ὄνομα καὶ δόξαν προήχθη, μετὰ δὲ ταῦτα πάλιν ὑπ' Ἀλεξάνδρου μεγάλῃς ἐτυχεν ἐξουσίας καὶ τιμῆς, ὅτε καὶ τῶν ἄλλων τῶν Περσικῶν νομίμων ζηλωτὴς ἐγένετο. διὸ καὶ Ἀντίπατρος κατὰ τὴν αὐτὴν ἀγωγὴν τὸν υἱὸν Κάσανδρον ὄντα νέον ἀπέδειξε χιλιάρχον.

οὐ μὴν ὁ Κάσανδρός γε τῇ τοῦ πατρὸς τάξει συνευδοκίθη, δεινὸν

ἡγούμενος εἰ τὴν τοῦ πατρὸς ἡγεμονίαν ὁ μὴ προσήκων κατὰ γένος διαδέξεται καὶ ταῦθ' υἱοῦ γ' ὄντος τοῦ δυναμένου πραγμάτων ἡγεῖσθαι καὶ δεδωκότος ἤδη πείραν ἱκανὴν ἀρετῆς τε καὶ ἀνδρείας. [2] τὸ μὲν οὖν πρῶτον εἰς ἀγρὸν βαδίσας μετὰ τῶν φίλων τούτοις τε διελέγετο πολλὴν ἔχων εὐκαιρίαν καὶ σχολὴν περὶ τῆς τῶν ὅλων ἡγεμονίας· ἕκαστον δ' αὐτῶν ἐκλαμβάνων κατ' ἰδίαν προετρέπετο συγκατασκευάζειν αὐτῷ τὴν δυναστείαν καὶ μεγάλας ἐπαγγελίας πείσας ἐτοίμους ἐποίησατο πρὸς τὴν κοινοπραγίαν. [3] ἐξαπέστειλε δὲ καὶ πρὸς [p. 390] Πτολεμαῖον λάθρα πρεσβευτάς, τὴν τε φιλίαν ἀνανεοῦμενος καὶ παρακαλῶν συμμαχεῖν αὐτῷ καὶ ναυτικὴν δύναμιν πέμψαι τὴν ταχίστην ἐκ τῆς Φοινίκης ἐπὶ τὸν Ἑλλήσποντον. ὁμοίως δὲ καὶ πρὸς τοὺς ἄλλους ἡγεμόνας καὶ πόλεις ἐξέπεμψε τοὺς προτρεπομένους ἑαυτῷ συμμαχεῖν. αὐτὸς δὲ κυνηγίαν ἐπὶ πολλὰς ἡμέρας συστησάμενος ἀνύποπτον ἑαυτὸν ἐποίει τῆς ἀποστάσεως. [4] Πολυπέρχων δὲ παραλαβὼν τὴν τῶν βασιλέων ἐπιμέλειαν καὶ συνεδρεύσας μετὰ τῶν φίλων Ὀλυμπιάδα μὲν σὺν τῇ τῶν συνέδρων γνώμῃ μετεπέμπετο, παρακαλῶν τὴν ἐπιμέλειαν τοῦ Ἀλεξάνδρου υἱοῦ παιδὸς ὄντος παραλαβεῖν καὶ διατρίβειν ἐν Μακεδονίᾳ τὴν βασιλικὴν ἔχουσιν προστασίαν· ἡ δ' Ὀλυμπιάς ἐν τοῖς ἐπάνω χρόνοις ἐτύγχανεν εἰς Ἥπειρον πεφευγυῖα διὰ τὴν πρὸς Ἀντίπατρον ἀλλοτριότητα. καὶ τὰ μὲν κατὰ τὴν Μακεδονίαν ἐν τούτοις ἦν.

κατὰ δὲ τὴν Ἀσίαν διαβοηθείσης τῆς Ἀντιπάτρου τελευτῆς ἀρχὴ πραγμάτων καινῶν ἐγένετο καὶ κίνησις, τῶν ἐν ἐξουσίαις ὄντων ἰδιοπραγεῖν ἐπιβαλομένων. τούτων δὲ πρῶτος μὲν Ἀντίγονος προνεκτικῶς Εὐμενῇ περὶ Καππαδοκίαν καὶ τὰς μετ' αὐτοῦ δυνάμεις παρειληφώς, καταπεπολεμικῶς δ' Ἀλκέταν καὶ Ἄτταλον περὶ τὴν Πισιδικὴν καὶ τὰς δυνάμεις τὰς μετ' αὐτῶν ἀνειληφώς, πρὸς δὲ τούτοις ὑπ' Ἀντιπάτρου τῆς Ἀσίας στρατηγὸς αὐτοκράτωρ ἡρημένος, ἅμα δὲ καὶ μεγάλης δυνάμεως ἡγεμὼν ἀποδεδειγμένος πλήρης ἦν ὄγκου καὶ φρονήματος. [2] περιβαλλόμενος δὲ ταῖς ἐλπίσι τὴν τῶν ὅλων ἡγεμονίαν ἔγνω μὴ προσέχειν μήτε τοῖς [p. 391] βασιλεῦσι μήτε τοῖς ἐπιμεληταῖς αὐτῶν· ὑπελάμβανε γὰρ αὐτὸν κρεῖττω δύναμιν ἔχοντα τῶν κατὰ τὴν Ἀσίαν θησαυρῶν κύριον ἔσεσθαι, μηδενὸς ὄντος τοῦ δυναμένου πρὸς αὐτὸν ἀντιτάξασθαι. [3] εἶχε γὰρ κατ' ἐκείνον τὸν χρόνον στρατιώτας πεζοὺς μὲν ἑξακισμυρίους, ἵππεῖς δὲ μυρίους, ἐλέφαντας δὲ τριάκοντα· χωρὶς δὲ τούτων ἐτοίμας ποιήσασθαι καὶ ἄλλας δυνάμεις ἤλπιζεν, ἃν ἥ χρεῖα, δυναμένης τῆς Ἀσίας χορηγεῖν ἀνεκλείπτως τοῖς στρατολογουμένοις ξένοις τὰς μισθοφορίας. [4] ταῦτα δὲ διανοηθεὶς Ἰερώνυμον μὲν τὸν τὰς ἱστορίας γράψαντα μετεπέμψατο, φίλον ὄντα καὶ πολίτην Εὐμενοῦς τοῦ Καρδιανοῦ τοῦ συμπεφευγότος εἰς τὸ χωρίον τὸ καλούμενον Νῶρα. τοῦτον δὲ μεγάλας δωρεαῖς προκαλεσάμενος ἐξαπέστειλε πρεσβευτὴν πρὸς τὸν Εὐμενῆ, παρακαλῶν τῆς μὲν περὶ Καππαδοκίαν μάχης γενομένης πρὸς αὐτὸν ἐπιλαθέσθαι, γενέσθαι δὲ φίλον καὶ σύμμαχον αὐτῷ καὶ λαβεῖν δωρεὰς πολλαπλασίους ὧν πρότερον ἦν ἐσχηκώς καὶ σατραπείαν μείζονα καὶ καθόλου πρωτεύοντα τῶν παρ' ἑαυτοῦ φίλων κοινωνὸν ἔσεσθαι τῆς ὅλης ἐπιβολῆς. [5] εὐθὺς δὲ καὶ τῶν φίλων συναγαγὼν συνέδριον καὶ περὶ τῆς τῶν ὅλων ἐπιβολῆς κοινωσάμενος διέγραψε τῶν ἀξιολόγων φίλων οἷς μὲν

σατραπείας, οἷς δὲ στρατηγίας: πᾶσι δὲ μεγάλας ἐλπίδας ὑποθεῖς προθύμους κατεσκεύασε πρὸς τὰς ἰδίας ἐπιβολάς. διενοεῖτο γὰρ ἐπελθεῖν τὴν Ἀσίαν καὶ τοὺς μὲν προϋπάρχοντας [p. 392] σατράπας ἐκβαλεῖν, πρὸς δὲ τῶν ἑαυτοῦ φίλων καθιστάναι τὰς ἡγεμονίας.

τούτου δὲ περὶ ταῦτ' ὄντος Ἀρριδαῖος ὁ τῆς ἐφ' Ἑλλησπόντῃ Φρυγίας σατράπης, γνοὺς αὐτοῦ τὴν ἐπιβολήν, ἔκρινεν ἀσφαλισάμενος τὰ κατὰ τὴν ἰδίαν σατραπείαν καὶ τὰς ἀξιολογωτάτας πόλεις φρουραῖς περιλαμβάνειν. οὐσης δὲ τῆς τῶν Κυζικηνῶν πόλεως ἐπικαιροτάτης καὶ μεγίστης ἀνέξευξεν ἐπ' αὐτὴν ἔχων πεζοὺς μὲν μισθοφόρους πλείους τῶν μυρίων, Μακεδόνας δὲ χιλίους, Πέρσας δὲ τοξότας καὶ σφενδονήτας πεντακοσίους, ἵππεις δὲ ὀκτακοσίους, βέλη δὲ παντοδαπά καὶ καταπέλτας ὀξυβελεῖς τε καὶ πετροβόλους καὶ τὴν ἄλλην χορηγίαν πᾶσαν τὴν ἀνήκουσαν πρὸς πολιορκίαν. [2] ἄφνω δὲ προσπεσὼν τῇ πόλει καὶ τὸν πολὺν ὄχλον ἀπολαβὼν ἐπὶ τῆς χώρας εἶχετο τῆς πολιορκίας καὶ τοὺς ἐν τῇ πόλει καταπληζάμενος ἠνάγκαζε δέχεσθαι φρουράν. οἱ δὲ Κυζικηνοὶ παραδόξου τῆς ἐπιθέσεως γενομένης καὶ τῶν μὲν πλείστων ἐπὶ τῆς χώρας ἀπειλημμένων, ὀλίγων δ' ὄντων τῶν ὑπολελειμμένων ἀπαράσκευοι παντελῶς ὑπῆρχον πρὸς τὴν πολιορκίαν. [3] ὅμως δὲ κρίναντες ἀντέχεσθαι τῆς ἐλευθερίας φανερώς μὲν πρέσβεις ἐξέπεμψαν τοὺς διαλεξομένους τῷ Ἀρριδαίῳ λῦσαι τὴν πολιορκίαν: ποιήσῃν γὰρ πάντα τὴν πόλιν Ἀρριδαίῳ πλὴν τοῦ δέξασθαι φρουράν: λάθρα δὲ τοὺς νέους ἀθροίζοντες καὶ τῶν οἰκετῶν τοὺς εὐθέτους ἐπιλεγόμενοι καθώπλιζον [p. 393] καὶ τὸ τεῖχος ἀνεπλήρουν τῶν ἀμυνομένων. [4] τοῦ δὲ Ἀρριδαίου βιαζομένου δέχεσθαι φρουράν ἔφησαν βούλεσθαι τῷ δήμῳ προσανενγκεῖν περὶ τούτου. συγχωρήσαντος δὲ τοῦ σατράπου λαβόντες ἀνοχὴν ταύτην τε τὴν ἡμέραν καὶ τὴν ἐπιούσαν νύκτα βέλτιον παρεσκευάσαντο τὰ πρὸς τὴν πολιορκίαν. [5] ὁ δ' Ἀρριδαῖος καταστρατηγηθεὶς καὶ τὸν οἰκεῖον ἑαυτῷ προέμενος καιρὸν διεσφάλη τῆς ἐλπίδος: οἱ γὰρ Κυζικηνοὶ πόλιν ἔχοντες ὀχυρὰν καὶ παντελῶς εὐφύλακτον ἀπὸ τῆς γῆς διὰ τὸ χερρόνησον αὐτὴν εἶναι καὶ θαλαττοκρατοῦντες ῥαδίως ἡμύνοντο τοὺς πολεμίους. [6] μετεπέμποντο δὲ καὶ παρὰ Βυζαντίων στρατιώτας καὶ βέλη καὶ ἄλλα τὰ χρήσιμα πρὸς τὴν πολιορκίαν: ὧν ἅπαντα συντόμως καὶ προθύμως χορηγησάντων ἀνέλαβον ἑαυτοὺς ταῖς ἐλπίσι καὶ πρὸς τοὺς κινδύνους εὐθαρσεῖς κατέστησαν. [7] εὐθὺς δὲ καὶ μακρὰς ναῦς καθελκύσαντες παρέπλεον τὴν παραθαλάττιον καὶ τοὺς ἀπὸ τῆς χώρας ἀναλαμβάνοντες ἀπεκόμιζον εἰς τὴν πόλιν. ταχὺ δὲ στρατιωτῶν εὐπορήσαντες καὶ πολλοὺς τῶν πολιορκούντων ἀποκτείναντες ἀπετρίψαντο τὴν πολιορκίαν. Ἀρριδαῖος μὲν οὖν καταστρατηγηθεὶς ὑπὸ τῶν Κυζικηνῶν ἄπρακτος ἐπανῆλθεν εἰς τὴν ἰδίαν σατραπείαν.

Ἀντίγονος δὲ πυθόμενος τὴν τῶν Κυζικηνῶν πόλιν πολιορκουμένην ἔτυχε μὲν ἐν Κελαιναῖς διατρίβων, κρίνας δὲ τὴν κινδυνεύουσαν πόλιν ἰδίαν κατασκευάσασθαι πρὸς τὰς μελλούσας ἐπιβολὰς ἀπέλεξεν ἐξ ἀπάσης τῆς δυνάμεως τοὺς ἀρίστους, πεζοὺς μὲν δισμυρίους, [p. 394] [2] ἵππεις δὲ τρισχιλίους. τούτους δὲ ἀναλαβὼν ἐν τάχει προῆγε βοηθήσων τοῖς Κυζικηνοῖς. βραχὺ δὲ τῶν καιρῶν ὑστερήσας φανεράν μὲν ἔσχε τὴν εἰς τὴν πόλιν εὐνοιαν, τῆς δὲ ὅλης ἐπιβολῆς ἀπέτυχε. [3] πρὸς δὲ Ἀρριδαῖον ἐξέπεμψε

πρεσβευτάς, ἐγκαλῶν ὅτι πρῶτον μὲν Ἑλληνίδα πόλιν σύμμαχον οὖσαν καὶ μηδὲν ἀδικοῦσαν ἐτόλμησε πολιορκεῖν, ἔπειθ' ὅτι φανερός ἐστιν ἀποστατήσων καὶ τὴν σατραπείαν ἑαυτῷ δυναστείαν κατασκευαζόμενος· τὸ δὲ τελευταῖον προσέταττε τῆς σατραπείας παραχωρεῖν καὶ μίαν λαβόντα πόλιν εἰς καταβίωσιν τὴν ἡσυχίαν ἄγειν. [4] ὁ δ' Ἀρριδαῖος διακούσας τῶν πρέσβων καὶ τὸ τῶν λόγων ὑπερήφανον καταμεμψάμενος οὐκ ἔφη παραχωρήσειν τῆς σατραπείας, τὰς δὲ πόλεις φρουραῖς διαλαμβάνων πειράσσεσθαι τοῖς ὅπλοις διαγωνίζεσθαι πρὸς αὐτόν. ἀκολούθως δὲ ταῖς ἀποκρίσεσι τὰς πόλεις ἀσφαλισάμενος μέρος τῆς δυνάμεως ἐξέπεμψε καὶ στρατηγὸν ἐπ' αὐτῆς. τούτῳ δὲ προσέταξε συνάπτειν τοῖς περὶ τὸν Εὐμενῆ καὶ λύειν τὴν πολιορκίαν τοῦ φρουρίου καὶ τὸν Εὐμενῆ τῶν κινδύνων ἀπαλλάξαντα ποιήσασθαι σύμμαχον. [5] Ἀντίγονος δὲ σπεύδων ἀμύνασθαι τὸν Ἀρριδαῖον ἐξέπεμψεν ἐπ' αὐτὸν δύναμιν τὴν διαπολεμῆσουσαν, αὐτὸς δὲ τὴν ἱκανὴν στρατιὰν ἀναλαβὼν προῆγεν ἐπὶ Λυδίας, βουλόμενος ἐκβαλεῖν τὸν ἐν αὐτῇ σατράπην Κλεῖτον. [6] ὁ δὲ προϊδόμενος τὴν ἔφοδον αὐτοῦ τὰς μὲν ἀξιολογωτάτας πόλεις φρουραῖς ἡσφαλίσατο, αὐτὸς δὲ εἰς Μακεδονίαν ἐξέπλευσε, δηλώσων [p. 395] τοῖς τε βασιλεῦσι καὶ Πολυπέρχοντι τὴν Ἀντιγόνου τόλμαν καὶ ἀπόστασιν καὶ ἀξιῶσων ἑαυτῷ βοηθεῖν. [7] ὁ δ' Ἀντίγονος τὴν μὲν Ἐφεσον ἐξ ἐφόδου παρέλαβε συνεργησάντων αὐτῷ τινων ἐκ τῆς πόλεως· μετὰ δὲ ταῦτα καταπλεύσαντος εἰς Ἐφεσον Αἰσχύλου τοῦ Ροδίου καὶ κομίζοντος ἐκ Κιλικίας ἐν τέσσαρσι ναυσὶν ἀργυρίου τάλαντα ἑξακόσια ἀπεσταλμένα εἰς Μακεδονίαν πρὸς τοὺς βασιλεῖς παρείλετο, φάσκων ἑαυτῷ χρεῖαν ἔχειν πρὸς τὰς τῶν ξένων μισθοφορίας. [8] τοῦτο δὲ πράξας φανερός ἐγένετο πρὸς ἰδιοπραγίαν ὠρμημένος καὶ τοῖς βασιλεῦσιν ἐναντιούμενος. μετὰ δὲ ταῦτα συμπολιορκήσας ἐπῆει τὰς ἐξῆς πόλεις, αἷς μὲν βία χειρούμενος, αἷς δὲ πειθοῖ προσαγόμενος.

ἡμεῖς δὲ διεληλυθότες τὰ περὶ Ἀντίγονον μεταβιβάσομεν τὴν ἀναγραφὴν ἐπὶ τὰ συμβάντα περὶ Εὐμενῆ. οὗτος γὰρ μεγάλαις καὶ παραδόξοις μεταβολαῖς χρώμενος διετέλεσεν αἰεὶ παρ' ἐλπίδας ἀγαθῶν τε καὶ κακῶν μεταλαμβάνων. [2] πρὸ μὲν γὰρ τούτων τῶν καιρῶν συναγωνιζόμενος Περδίκκᾳ τε καὶ τοῖς βασιλεῦσιν ἔλαβε σατραπείαν Καππαδοκίαν καὶ τοὺς συνορίζοντας ταύτη τόπους, ἐν οἷς μεγάλων δυνάμεων καὶ πολλῶν χρημάτων κυριεύσας περιβόητον ἔσχε τὴν εὐτυχίαν. [3] κρατερόν μὲν γὰρ καὶ Νεοπτόλεμον, διωνομασμένους ἡγεμόνας καὶ τὰς ἀνικήτους τῶν Μακεδόνων ἔχοντας δυνάμεις, ἐνίκησε παρατάξει καὶ αὐτοὺς κατὰ τὴν μάχην ἀνείλεν. [4] δόξας δὲ ἀνυπόστατος εἶναι τηλικαύτης [p. 396] ἐπειράθη μεταβολῆς ὥστε ὑπ' Ἀντιγόνου μεγάλη παρατάξει λειφθῆναι καὶ μετ' ὀλίγων φίλων ἀναγκασθῆναι καταφυγεῖν εἰς τι χωρίον παντελῶς μικρόν. εἰς τοῦτο δ' ἐγκλεισθεὶς καὶ περιληφθεὶς ὑπὸ τῶν πολεμίων διπλοῖς τείχεσιν οὐδένα βοηθὸν ἔσχε τῆς ἰδίας συμφορᾶς. [5] ἐνιαυσίου δ' οὖσης τῆς πολιορκίας καὶ τῆς σωτηρίας ἀπογινωσκομένης ἄφνω παράδοξος λύσις ἐφάνη τῶν ἀτυχημάτων. ὁ γὰρ πολιορκῶν τὸν Εὐμενῆ καὶ σπεύδων ἀνελεῖν Ἀντίγονος ἐκ μεταβολῆς παρεκάλεσεν αὐτὸν πρὸς κοινοπραγίαν καὶ λαβὼν διὰ τῶν ὄρκων τὰς πίστεις τῆς πολιορκίας ἀπελύθη. [6] μετὰ δὲ τινα χρόνον ἀνελπίστως διασωθεὶς τότε

μὲν περὶ τὴν Καππαδοκίαν διέτριβεν ἀναλαμβάνων τοὺς προγεγονότας φίλους καὶ τοὺς κατὰ τὴν χώραν πλανωμένους τῶν συνεστρατευκότων αὐτῷ πρότερον. ἀγαπώμενος δὲ διαφερόντως ταχὺ πολλοὺς ἔσχε κοινωνοὺς τῶν αὐτῶν ἐλπίδων καὶ πρὸς τὴν μετ' αὐτοῦ στρατείαν ὑπακούοντας. [7] τέλος δὲ ἐν ὀλίγαις ἡμέραις χωρὶς τῶν ἐν τῷ φρουρίῳ συμπεπολιορκημένων φίλων πεντακοσίων ἔσχε στρατιώτας ἐθελοντὶ ὑπακούοντας πλείους τῶν δισχιλίων. τῆς τύχης δ' αὐτῷ συνεργούσης τηλικαύτην ἔλαβεν αὔξησιν ὥστε παραλαβεῖν τὰς βασιλικὰς δυνάμεις καὶ προστῆναι τῶν βασιλέων πρὸς τοὺς καταλύειν αὐτῶν τὴν ἀρχὴν τετολμηκότας. ἀλλὰ ταῦτα μὲν μικρὸν ὕστερον ἀκριβέστερον διέξιμεν ἐν τοῖς οἰκείοις καιροῖς. [p. 397]

νυνὶ δ' ἀρκοῦντως τὰ κατὰ τὴν Ἀσίαν διεληλυθότες μεταβησόμεθα πρὸς τὰς κατὰ τὴν Εὐρώπην συντελεσθείσας πράξεις. Κάσανδρος γὰρ ἀποτετευχὼς τῆς κατὰ τὴν Μακεδονίαν ἡγεμονίας οὐκ ἔπτηξεν, ἀλλ' ἔκρινεν ἀντέχεσθαι ταύτης, αἰσχροὺς εἶναι διαλαμβάνων τὴν τοῦ πατρὸς ἀρχὴν ὑφ' ἐτέρων διοικεῖσθαι. [2] ὁρῶν δὲ τὴν τῶν Μακεδόνων ὁρμὴν κεκλιμένην πρὸς τὸν Πολυπέρχοντα τῶν μὲν φίλων οἷς ἐπίστευε κατ' ἰδίαν προσδιαλεγόμενος ἐξέπεμπεν ἐπὶ τὸν Ἑλλήσποντον ἀνυπόπτως, αὐτὸς δ' ἐφ' ἡμέρας τινὰς σχολάσας ἐπὶ τῆς χώρας καὶ κυνήγια συνιστάμενος ἐγέννησε περὶ αὐτοῦ διάληψιν ὥς οὐκ ἀντιποιοῦμενος τῆς ἀρχῆς. [3] ὥς δ' εὐτρεπῆ πάντα ἦν αὐτῷ τὰ πρὸς τὴν ἀποδημίαν, ἔλαθεν ἀναζεύξας ἐκ τῆς Μακεδονίας. καταντήσας δ' εἰς τὴν Χερρόνησον κάκειθεν ἀναζεύξας παρήλθεν εἰς Ἑλλήσποντον. διαπλεύσας δ' εἰς τὴν Ἀσίαν πρὸς Ἀντίγονον ἡξίου βοηθεῖν αὐτῷ, φήσας καὶ Πτολεμαῖον ἐπηγγέλθαι συμμαχήσειν. ὁ δ' Ἀντίγονος προθύμως αὐτὸν προσδεξάμενος ἐπηγγείλατο πάντα συμπράξειν προθύμως αὐτῷ καὶ δύναιμι παραχρῆμα δώσειν πεζικὴν τε καὶ ναυτικὴν. [4] ταῦτα δ' ἔπραττε προσποιοῦμενος διὰ τὴν πρὸς Ἀντίπατρον φιλίαν συνεργεῖν, τῇ δ' ἀληθείᾳ βουλόμενος τοὺς περὶ Πολυπέρχοντα πολλοὺς καὶ μεγάλους περισπασμοὺς ἔχειν, ὅπως αὐτὸς ἀκινδύνως τὴν Ἀσίαν ἐπέλθῃ καὶ τὴν τῶν ὅλων ἡγεμονίαν εἰς αὐτὸν περιστήσῃ. [p. 398]

ἄμα δὲ τούτοις πραττομένοις κατὰ μὲν τὴν Μακεδονίαν Πολυπέρχων ὁ τῶν βασιλέων ἐπιμελητὴς μετὰ τὴν ἀπαλλαγὴν τοῦ Κασάνδρου προεώρα μὲν τὸ μέγεθος τοῦ πρὸς Κάσανδρον ἐσομένου πολέμου, οὐδὲν δ' ἄνευ τῆς τῶν φίλων γνώμης κρίνων πράττειν συνήγαγε τοὺς τε ἡγεμόνας ἅπαντας καὶ τῶν ἄλλων Μακεδόνων τοὺς ἀξιολογωτάτους. [2] φανεροῦ δ' ὄντος ὅτι Κάσανδρος μὲν σωματοποιηθεὶς ὑπ' Ἀντιγόνου τῶν κατὰ τὴν Ἑλλάδα πόλεων ἀνθέξεται διὰ τὸ τὰς μὲν αὐτῶν πατρικαῖς φρουραῖς φυλάττεσθαι, τὰς δ' ὑπ' ὀλιγαρχιῶν διοικεῖσθαι, κυριευόμενας ὑπὸ τῶν Ἀντιπάτρου φίλων καὶ ξένων, πρὸς δὲ τούτοις συμμαχήσειν τῷ Κασάνδρῳ Πτολεμαῖόν τε τὸν Αἰγύπτου κρατοῦντα καὶ Ἀντίγονον τὸν φανερῶς ἤδη γενόμενον ἀποστάτην τῶν βασιλέων, ἀμφοτέρους δὲ καὶ δυνάμεις μεγάλας καὶ χρημάτων ἔχειν πλῆθος, ἔτι δὲ πολλῶν ἐθνῶν καὶ πόλεων ἀξιολόγων κυριεῦειν — προτεθείσης οὖν βουλῆς πῶς τούτοις πολεμητέον ἐστὶ καὶ πολλῶν καὶ ποικίλων λόγων περὶ τοῦ πολέμου ῥηθέντων ἔδοξεν αὐτοῖς τὰς μὲν κατὰ τὴν Ἑλλάδα πόλεις ἐλευθεροῦν, τὰς δ' ἐν αὐταῖς ὀλιγαρχίας καθεσταμένας ὑπ' Ἀντιπάτρου

καταλύειν: [3] οὕτως γὰρ ἂν μάλιστα τὸν μὲν Κάσανδρον ταπεινώσειν, ἑαυτοῖς δὲ μεγάλην δόξαν καὶ πολλὰς συμμαχίας ἀξιολόγους περιποιήσειν. [4] εὐθὺς οὖν τοὺς ἀπὸ τῶν πόλεων παρόντας πρεσβευτὰς προσκαλεσάμενοι καὶ θαρρεῖν παρακαλέσαντες ἐπηγγείλαντο τὰς [p. 399] δημοκρατίας ἀποκαταστήσειν ταῖς πόλεσι καὶ τὸ κυρωθὲν δόγμα γράψαντες ἔδωκαν τοῖς πρεσβευταῖς, ὅπως κατὰ τάχος εἰς τὰς πατρίδας ἐπανελθόντες ἀπαγγείλωσι τοῖς δήμοις τὴν τῶν βασιλέων καὶ τῶν ἡγεμόνων εἰς τοὺς Ἕλληνας εὖνοιαν. ἦν δὲ τὸ διάγραμμα τοιοῦτον.

‘ἐπειδὴ συμβέβηκε τοῖς προγόνοις ἡμῶν πολλὰ τοὺς Ἕλληνας εὐεργετήκεναι, βουλόμεθα διαφυλάττειν τὴν ἐκείνων προαίρεσιν καὶ πᾶσι φανεράν ποιῆσαι τὴν ἡμετέραν εὖνοιαν ἣν ἔχοντες διατελοῦμεν πρὸς τοὺς Ἕλληνας. [2] πρότερον μὲν οὖν Ἀλεξάνδρου μεταλλάξαντος ἐξ ἀνθρώπων καὶ τῆς βασιλείας εἰς ἡμᾶς καθηκούσης, ἡγούμενοι δεῖν ἐπαναγαγεῖν πάντας ἐπὶ τὴν εἰρήνην καὶ τὰς πολιτείας ὥς Φίλιππος ὁ ἡμέτερος πατὴρ κατέστησεν, ἐπεστείλαμεν εἰς ἀπάσας τὰς πόλεις περὶ τούτων. [3] ἐπεὶ δὲ συνέβη, μακρὰν ἀπόντων ἡμῶν, τῶν Ἑλλήνων τινὰς μὴ ὀρθῶς γινώσκοντας πόλεμον ἐξενεγκεῖν πρὸς Μακεδόνας καὶ κρατηθῆναι ὑπὸ τῶν ἡμετέρων στρατηγῶν καὶ πολλὰ καὶ δυσχερῆ ταῖς πόλεσι συμβῆναι, τούτων μὲν τοὺς στρατηγούς αἰτίους ὑπολάβετε γεγενῆσθαι, ἡμεῖς δὲ τιμῶντες τὴν ἐξ ἀρχῆς προαίρεσιν κατασκευάζομεν ὑμῖν εἰρήνην, πολιτείας δὲ τὰς ἐπὶ Φιλίππου καὶ Ἀλεξάνδρου καὶ ἄλλα πράττειν κατὰ τὰ διαγράμματα τὰ πρότερον ὑπ’ ἐκείνων γραφέντα. [4] καὶ τοὺς μεταστάντας ἢ φυγόντας ὑπὸ τῶν ἡμετέρων στρατηγῶν ἐκ τῶν πόλεων ἀφ’ ὧν χρόνων Ἀλέξανδρος εἰς τὴν Ἀσίαν διέβη κατάγομεν: καὶ τοὺς ὑφ’ ἡμῶν κατελθόντας πάντα τὰ αὐτῶν ἔχοντας καὶ [p. 400] ἀστασιάστους καὶ ἀμνησικακουμένους ἐν ταῖς ἑαυτῶν πατρίσι πολιτεύεσθαι: καὶ εἴ τι κατὰ τούτων ἐσῆφιστο, ἄκυρον ἔστω, πλὴν εἴ τινες ἐφ’ αἵματι ἢ ἀσεβείᾳ κατὰ νόμον πεφεύγασιν. [5] μὴ κατιέναι δὲ μηδὲ Μεγαλοπολιτῶν τοὺς μετὰ Πολυαινέτου ἐπὶ προδοσίᾳ φεύγοντας μηδ’ Ἀμφισσεῖς μηδὲ Τρικκαίους μηδὲ Φαρκαδωνίους μηδὲ Ἡρακλεώτας: τοὺς δ’ ἄλλους καταδεχέσθωσαν πρὸ τῆς τριακάδος τοῦ ξανθικοῦ μηνός. [6] εἰ δέ τινα τῶν πολιτευμάτων Φίλιππος ἢ Ἀλέξανδρος ἀπέδειξαν ἑαυτοῖς ὑπεναντία, παραγινέσθωσαν πρὸς ἡμᾶς, ἵνα διορθωσάμενοι τὰ συμφέροντα καὶ ἡμῖν καὶ ταῖς πόλεσι πράττωσιν. Ἀθηναίοις δ’ εἶναι τὰ μὲν ἄλλα καθάπερ ἐπὶ Φιλίππου καὶ Ἀλεξάνδρου, Ὠρωπὸν δὲ Ὠρωπίους ἔχειν καθάπερ νῦν. [7] Σάμον δὲ δίδομεν Ἀθηναίοις, ἐπειδὴ καὶ Φίλιππος ἔδωκεν ὁ πατήρ. ποιήσασθαι δὲ δόγμα πάντας τοὺς Ἕλληνας μηδένα μῆτε στρατεύειν μῆτε πράττειν ὑπεναντία ἡμῖν: εἰ δὲ μὴ, φεύγειν αὐτὸν καὶ γενεὰν καὶ τῶν ὄντων στέρεσθαι. προστετάχαμεν δὲ καὶ περὶ τούτων καὶ τῶν λοιπῶν Πολυπέρχοντι πραγματεύεσθαι. [8] ὑμεῖς οὖν, καθάπερ ὑμῖν καὶ πρότερον ἐγράψαμεν, ἀκούετε τούτου: τοῖς γὰρ μὴ ποιουσί τι τῶν γεγραμμένων οὐκ ἐπιτρέψομεν.’

τούτου δὲ τοῦ διαγράμματος ἐκδοθέντος καὶ πρὸς ἀπάσας τὰς πόλεις ἀποσταλέντος ἔγραψεν ὁ Πολυπέρχων πρὸς τε τὴν Ἀργείων πόλιν καὶ τὰς λοιπὰς, [p. 401] προστάτων τοὺς ἀφηγησαμένους ἐπ’ Ἀντιπάτρου τῶν πολιτευμάτων φυγαδεῦσαι, τινῶν δὲ καὶ θάνατον καταγνῶναι καὶ δημεῦσαι

τὰς οὐσίας, ὅπως ταπεινωθέντες εἰς τέλος μηδὲν ἰσχύσωσι συνεργεῖν Κασάνδρῳ. [2] ἔγραψε δὲ καὶ πρὸς Ὀλυμπιάδα τὴν Ἀλεξάνδρου μητέρα, διατρίβουσαν ἐν Ἡλείῳ διὰ τὴν πρὸς Κασάνδρον ἔχθραν, ἵνα τὴν ταχίστην εἰς Μακεδονίαν καταντήσῃ καὶ παραλαβοῦσα τὸ Ἀλεξάνδρου παιδίον ἐπιμέλειαν αὐτοῦ ποιῇται, μέχρι ἂν εἰς ἡλικίαν ἔλθῃ καὶ τὴν πατρώαν βασιλείαν παραλάβῃ. [3] ἔπεμψε δὲ καὶ πρὸς Εὐμενῇ, γράψας ἐπιστολὴν ἐκ τοῦ τῶν βασιλέων ὀνόματος, ὅπως πρὸς μὲν Ἀντίγονον μὴ διαλύσῃται τὴν ἀλλοτριότητα, πρὸς δὲ τοὺς βασιλεῖς ἀποκλίνας εἴτε βούλεται καταντᾶν εἰς Μακεδονίαν καὶ μετ' αὐτοῦ κοινοπραγῶν ἐπιμελητὴς εἶναι τῶν βασιλέων, εἴτε μᾶλλον προαιρεῖται μένειν ἐπὶ τῆς Ἀσίας καὶ λαβὼν δύναμιν καὶ χρήματα διαπολεμεῖν πρὸς Ἀντίγονον, φανερώς ἤδη γεγεννημένον ἀποστάτην τῶν βασιλέων. ἀποκαθιστάνειν δ' αὐτῷ τοὺς βασιλεῖς τὴν τε σατραπείαν, ἣν Ἀντίγονος ἀφῆρηται, καὶ τὰς δωρεὰς ἀπάσας ὅσας πρότερον εἶχε κατὰ τὴν Ἀσίαν. [4] τὸ δ' ὅλον ἀπεφαίνετο μάλιστα πάντων πρέπειν Εὐμενῇ τῆς βασιλικῆς οἰκίας κήδεσθαι καὶ φροντίζειν, ἀκολουθοῦντα τοῖς ὑπ' αὐτοῦ προπεπολιτευμένοις πρὸς τὴν βασιλικὴν οἰκίαν. ἐὰν δὲ μείζονος δυνάμεως προσδέηται, καὶ αὐτὸς μετὰ τῶν βασιλέων ἀναζεύξῃ ἐκ Μακεδονίας μετὰ πάσης τῆς βασιλικῆς δυνάμεως. ταῦτα μὲν οὖν ἐπράχθη κατὰ τοῦτον τὸν ἐνιαυτόν. [p. 402]

ἐπ' ἄρχοντος δ' Ἀθήνησιν Ἀρχίππου Ῥωμαῖοι κατέστησαν ὑπάτους Κόιντον Αἴλιον καὶ Λεύκιον Παπίριον. ἐπὶ δὲ τούτων Εὐμενῆς μὲν ἄρτι τὴν ἐκ τοῦ φρουρίου πεποιημένους ἀποχώρησιν ἐκομίσαστο τὰς ἐπιστολάς τὰς ἀποσταλείσας ὑπὸ Πολυπέρχοντος, ἐν αἷς ἦν γεγραμμένον χωρὶς τῶν προειρημένων ὅτι πεντακόσια μὲν τάλαντα διδόναι αὐτῷ δωρεὰν οἱ βασιλεῖς εἰς ἐπανάρθωσιν τῶν γεγεννημένων περὶ αὐτὸν ἐλαττωμάτων καὶ διότι γράμματα ἀπέστειλαν οἱ βασιλεῖς πρὸς τοὺς ἐν τῇ Κιλικίᾳ στρατηγοὺς καὶ θησαυροφύλακας, ὅπως αὐτῷ τὰ πεντακόσια τάλαντα δῶσι καὶ τῶν ἄλλων χρημάτων ὅσα ἂν αἰτήσῃ πρὸς τε τὰς ξενολογίας καὶ τὰς ἄλλας τὰς κατεπειγούσας χρείας, τοὺς τε τῶν ἀργυρασπίδων Μακεδόνων τρισχιλίων ἀφηγουμένους, ἵνα παραδῶσιν αὐτοὺς Εὐμενεῖ καὶ ἄλλα συμπράττωσι προθύμως, ὡς ἂν ἀποδεδειγμένῳ στρατηγῷ τῆς ὅλης Ἀσίας αὐτοκράτορι. [2] ἦκεν δὲ καὶ παρ' Ὀλυμπιάδος αὐτῷ γράμματα, δεομένης καὶ λιπαρούσης βοηθεῖν τοῖς βασιλεῦσι καὶ ἑαυτῇ· μόνον γὰρ ἐκείνον πιστότατον ἀπολελεῖσθαι τῶν φίλων καὶ δυνάμενον διορθώσασθαι τὴν ἐρημίαν τῆς βασιλικῆς οἰκίας. [3] ἡξίου δ' αὐτὸν ἢ Ὀλυμπιάς συμβουλευσαὶ πότερον αὐτῷ δοκεῖ συμφέρειν μένειν αὐτὴν ἐν Ἡλείῳ καὶ μὴ πιστεύειν τοῖς αἰεὶ δοκοῦσι μὲν ἐπιμεληταῖς εἶναι, τῇ δὲ ἀληθείᾳ τὴν βασιλείαν εἰς ἑαυτοὺς μεθιστῶσιν, ἢ [p. 403] ἐπανερχεσθαι. [4] ὁ δ' Εὐμενῆς πρὸς μὲν τὴν Ὀλυμπιάδα παραχρῆμα ἀντέγραψε, συμβουλευὼν κατὰ τὸ παρὸν μένειν ἐν Ἡλείῳ, μέχρι ἂν ὁ πόλεμος λάβῃ τινὰ κρίσιν. αὐτὸς δ' αἰεὶ τὴν εὐνοίαν βεβαιοτάτην πρὸς τοὺς βασιλεῖς τετηρηκῶς ἔκρινεν Ἀντιγόνῳ μὲν μὴ προσέχειν ἐξιδιαιομένῳ τὴν βασιλείαν, τοῦ δὲ Ἀλεξάνδρου παιδὸς προσδεομένου βοηθείας διὰ τε τὴν ὀρφανίαν καὶ διὰ τὴν τῶν ἡγεμόνων πλεονεξίαν διέλαβεν ἀρμόζειν ἑαυτῷ πάντα κίνδυνον ἀναδέχεσθαι τῆς τῶν βασιλέων σωτηρίας ἕνεκα.

εὐθὺς οὖν παραγγείλας τοῖς περὶ αὐτὸν ἀναξευγνύειν προῆγεν ἐκ Καππαδοκίας, ἔχων ἱππεῖς μὲν περὶ πεντακοσίους, πεζοὺς δὲ πλείους τῶν δισχιλίων· οὐ γὰρ ἔσχεν ἀναστροφὴν προσδέξασθαι τοὺς ἀφυστεροῦντας τῶν ἐπηγγελμένων συστρατεύεσθαι διὰ τὸ προσάγειν παρ' Ἀντιγόνου δύναμιν ἀξιόλογον καὶ στρατηγούς τοὺς περὶ Μένανδρον, κωλύσοντας αὐτὸν ἐνδιατρίβειν τῇ Καππαδοκίᾳ, πολέμιον γενόμενον τοῖς περὶ Ἀντίγονον. [2] ἀλλὰ γὰρ ἡ δύναμις αὕτη τρισὶν ὕστερον ἡμέραις παραγενομένη καὶ τῶν καιρῶν ὕστεροῦσα ἐπεβάλετο μὲν διώκειν τοὺς μετ' Εὐμενοὺς προάγοντας, οὐ δυναμένη δὲ καταλαβεῖν ἐπανήλθεν εἰς Καππαδοκίαν. [3] ὁ δ' Εὐμενὴς συντόνους τὰς ὁδοιπορίας ποιησάμενος καὶ ταχὺ τὸν Ταῦρον ὑπερβαλὼν ἦκεν εἰς τὴν Κιλικίαν. οἱ δὲ τῶν ἀργυρασπίδων ἡγεμόνες Ἀντιγένης καὶ Τεῦταμος, πειθαρχοῦντες ταῖς παρὰ τῶν βασιλέων ἐπιστολαῖς, ἀπάντησιν [p. 404] ἐποίησαντο τῷ Εὐμενεῖ μετὰ τῶν φίλων ἐκ πολλοῦ διαστήματος. ἀσπασάμενοι δὲ φιλοφρόνως καὶ συγχαρέντες ἐπὶ τῷ διασεσῶσθαι παραδόξως αὐτὸν ἐκ τῶν μεγίστων κινδύνων ἐπηγγέλλοντο πάντα συμπράξειν αὐτῷ προθύμως· οἱ τε ἀργυράσπιδες Μακεδόνες, ὄντες περὶ τρισχιλίους, ὁμοίως ἀπήντησαν μετὰ φιλοφροσύνης τε καὶ ὀρμῆς. [4] πάντες δ' ἐθαύμαζον τὸ τῆς τύχης εὐμετάβολον καὶ παράδοξον, ὀρῶντες τοὺς τε βασιλεῖς καὶ τοὺς Μακεδόνας ὀλίγῳ μὲν χρόνῳ πρότερον κατεγνώκοντας Εὐμενοὺς καὶ τῶν φίλων αὐτοῦ θάνατον, τότε δὲ ἐπιλαθομένους τῆς ἰδίας κρίσεως μὴ μόνον ἀθῶον ἀφεικότας τῆς τιμωρίας, ἀλλὰ καὶ πάσης τῆς βασιλείας τὴν ἡγεμονίαν αὐτῷ παραδεδωκότας. [5] καὶ τοῦτ' εὐλόγως ἔπασχον ἅπαντες οἱ τότε τὰς Εὐμενοὺς ἐπισκοποῦμενοι περιπετείας. τίς γὰρ οὐκ ἂν λαβὼν ἔννοιαν τῆς κατὰ τὸν ἀνθρώπινον βίον ἀνωμαλίας καταπλαγείῃ τὴν ἐπ' ἀμφοτέρα τὰ μέρη τῆς τύχης παλirroian; ἢ τίς ἂν ταῖς κατὰ τὴν εὐτυχίαν ἐξουσίαις πιστεύσας ἀναλάβοι φρόνημα μεῖζον τῆς ἀνθρωπίνης ἀσθενείας; [6] ὁ γὰρ κοινὸς βίος ὥσπερ ὑπὸ θεῶν τινος οἰακιζόμενος ἐναλλάξ ἀγαθοῖς τε καὶ κακοῖς κυκλεῖται πάντα τὸν αἰῶνα. διόπερ παράδοξόν ἐστιν οὐκ εἰ γέγονέν τι παράλογον, ἀλλ' εἰ μὴ πᾶν ἐστί τὸ γινόμενον ἀνέλπιστον. διὸ καὶ τὴν ἱστορίαν προσηκόντως ἂν τις ἀποδέξαιτο· τῇ γὰρ τῶν πράξεων ἀνωμαλία καὶ μεταβολῇ διορθοῦται τῶν μὲν εὐτυχοῦντων τὴν ὑπερηφανίαν, τῶν δ' ἀκληρούντων τὴν ἀτυχίαν. [p. 405]

ἃ καὶ τότε διανοούμενος Εὐμενὴς ἐμφρόνως τὰ καθ' ἑαυτὸν ἡσφαλίσατο, προορώμενος τὴν τῆς τύχης καινοτομίαν. ὀρῶν γὰρ ἑαυτὸν μὲν ξένον ὄντα καὶ μηδὲν προσήκοντα βασιλικαῖς ἐξουσίαις, τοὺς δ' ὑποταττομένους Μακεδόνας θάνατον αὐτοῦ προκατεγνώκοντας, τοὺς δ' ἐν ταῖς στρατιωτικαῖς ἡγεμονίαις διατρίβοντας φρονήματος πλήρεις ὑπάρχοντας καὶ μεγάλων πραγμάτων ὀρεγομένους ὑπέλαβεν ἔσεσθαι περὶ αὐτὸν συντόμως καταφρόνησιν ἅμα καὶ φθόνον καὶ τὸ τελευταῖον τὸν περὶ τοῦ ζῆν κίνδυνον· μηδένα γὰρ ποιήσῃν ἐκουσίως τὸ προσταττόμενον ὑπὸ τῶν ἡττόνων εἶναι δοκούντων μηδὲ καρτερήσῃν δεσποζόμενον ὑπὸ τῶν ὀφειλόντων ἑτέροις ὑποτάττεσθαι. [2] δοὺς δὲ αὐτῷ περὶ τούτων λόγον πρῶτον μὲν διδομένων αὐτῷ τῶν πεντακοσίων ταλάντων κατὰ τὰς τῶν βασιλέων ἐπιστολὰς εἰς ἀνάληψιν καὶ κατασκευὴν οὐκ ἔφησε λήψεσθαι· μὴ γὰρ προσδεῖσθαι τηλικαύτης δωρεᾶς, ὥς ἂν μηδεμιᾶς αὐτοῦ σπεύδοντος τυχεῖν ἡγεμονίας. [3]

καὶ γὰρ νῦν οὐχ ἔκουσίως αὐτὸν ὑπακηκοέναι πρὸς ταύτην τὴν χρεῖαν, ἀλλ' ὑπὸ τῶν βασιλέων συνηναγκάσθαι προσδέξασθαι τὴν τοιαύτην λειτουργίαν. καθόλου γὰρ διὰ τὴν συνέχειαν τῆς στρατείας μηκέτι δύνασθαι φέρειν τὰς κακοπαθίας καὶ πλάνας, καὶ ταῦτα μηδεμιᾶς ὑποκειμένης ἀρχῆς ξένῳ καὶ τῆς ὁμοεθνοῦς τοῖς Μακεδόσιν ἐξουσίας κεχωρισμένῳ. [4] ἀπεφαίνετο δὲ αὐτὸν [p. 406] ἑωρακέναι κατὰ τὸν ὕπνον ὄψιν παράδοξον, ἣν ἀναγκαῖον ἡγεῖσθαι δηλῶσαι πᾶσι: δοκεῖν γὰρ αὐτὴν πολλὰ συνεργήσῃν πρὸς τε ὁμόνοιαν καὶ τὸ κοινῇ συμφέρον. [5] δόξαι γὰρ κατὰ τὸν ὕπνον ὁρᾶν Ἀλέξανδρον τὸν βασιλέα ζῶντα καὶ τῇ βασιλικῇ σκευῇ κεκοσμημένον χρηματίζειν καὶ τὰ προστάγματα διδόναι τοῖς ἡγεμόσι καὶ πάντα τὰ κατὰ τὴν βασιλείαν διοικεῖν ἐνεργῶς. [6] »διόπερ οἶμαι δεῖν ἐκ τῆς βασιλικῆς γάζης κατασκευάσαι χρυσοῦν θρόνον, ἐν ᾧ τεθέντος τοῦ διαδήματος καὶ σκήπτρου καὶ στεφάνου καὶ τῆς ἄλλης κατασκευῆς ἐπιθύειν ἅμ' ἡμέρᾳ πάντας αὐτῷ τοὺς ἡγεμόνας καὶ πλησίον τοῦ θρόνου συνεδρεῦειν καὶ τὰ προστάγματα λαμβάνειν ἐκ τοῦ ὀνόματος τοῦ βασιλέως, ὡς ζῶντος καὶ προεστηκότος τῆς ἰδίας βασιλείας.«

πάντων δ' ἀποδεξαμένων τοὺς λόγους ταχέως ἅπαντα κατεσκευάσθη τὰ πρὸς τὴν χρεῖαν, ὡς ἂν πολυχρύσου τῆς βασιλικῆς οὔσης γάζης. εὐθὺς οὖν κατασκευασθείσης μεγαλοπρεποῦς σκηνῆς ὃ τε θρόνος ἔχων τὸ διάδημα καὶ τὸ σκήπτρον ἐτέθη καὶ τὰ ὄπλα οἷς εἰώθει χρῆσθαι καὶ κειμένης ἐσχάρας ἐχούσης πῦρ ἐπέθυον ἐκ κιβωτίου χρυσοῦ πάντες οἱ ἡγεμόνες τὸν τε λιβανωτὸν καὶ τῶν ἄλλων θυμιαμάτων εὐωδῶν τὰ πολυτελέστατα καὶ προσεκύνουν ὡς θεὸν τὸν Ἀλέξανδρον. [2] ἀκολούθως δὲ τούτοις δίφρων πολλῶν κειμένων ἐκάθισον ἐπὶ τούτων οἱ τὰς ἡγεμονίας ἔχοντες καὶ συνεδρεύοντες ἐβουλεύοντο περὶ τῶν αἰεὶ κατεπειγόντων. ὁ δ' Εὐμενῆς ἐν πᾶσι τοῖς χρηματιζομένοις [p. 407] ἴσον ἑαυτὸν τοῖς ἄλλοις ἡγεμόσιν ἀποδεικνύων καὶ πάντας ταῖς φιланθρωποτάταις ὁμιλίαις δημαγωγῶν τὸν τε καθ' ἑαυτοῦ φθόνον ἀπετρίψατο καὶ πολλὴν εὖνοιαν ἐν τοῖς ἡγεμόσι πρὸς ἑαυτὸν κατεσκεύασεν. [3] ἅμα δὲ καὶ τῆς κατὰ τὸν βασιλέα δεισδαίμονίας ἐνισχυοῦσης ἀγαθῶν ἐλπίδων ἅπαντες ἐπληροῦντο, καθάπερ θεοῦ τινος αὐτῶν ἡγουμένου. ὁμοίως δὲ τούτοις καὶ πρὸς τοὺς ἀργυράσπιδας Μακεδόνας πολιτευόμενος ἀποδοχῆς μεγάλης ἐτύγχανεν παρ' αὐτοῖς, ὡς ἄξιος ὢν τῆς τῶν βασιλέων φροντίδος. [4] προχειρισάμενος δὲ τῶν φίλων τοὺς εὐθετωτάτους καὶ δούς χρήματα δαψυλῇ πρὸς τὴν ξενολογίαν ἐξέπεμψεν ὀρίας ἀξιολόγους μισθοὺς. εὐθὺς δ' οἱ μὲν εἰς τὴν Πισιδικὴν καὶ Λυκίαν καὶ τὴν πλησιόχωρον παρελθόντες ἐξενολογούν ἐπιμελῶς, οἱ δὲ τὴν Κιλικίαν ἐπεπορεύοντο, ἄλλοι δὲ τὴν Κοίλιν Συρίαν καὶ Φοινίκην, τινὲς δὲ τὰς ἐν τῇ Κύπρῳ πόλεις. [5] διαβοηθείσης δὲ τῆς ξενολογίας καὶ τῆς μισθοφορᾶς ἀξιολόγου προκειμένης πολλοὶ καὶ ἐκ τῶν τῆς Ἑλλάδος πόλεων ἐθελοντὶ κατήντων καὶ πρὸς τὴν στρατείαν ἀπεγράφοντο. ἐν ὀλίγῳ δὲ χρόνῳ συνήχθησαν πεζοὶ μὲν πλείους τῶν μυρίων, ἵππεῖς δὲ δισχίλιοι χωρὶς τῶν ἀργυρασπίδων καὶ τῶν μετ' Εὐμενοῦς κατηντηκότων.

παραδόξου δὲ καὶ ταχείας τῆς περὶ τὸν Εὐμενῆ γενομένης αὐξήσεως Πτολεμαῖος μὲν μετὰ στόλου πλεύσας εἰς Ζεφύριον τῆς Κιλικίας διεπέμπετο πρὸς τοὺς τῶν ἀργυρασπίδων ἡγεμόνας, παρακαλῶν μὴ προσέχειν τῷ

Εὐμενεῖ, καθ' οὗ πάντες Μακεδόνες [p. 408] θάνατον κατέγνωσαν. [2] ὁμοίως δὲ πρὸς τοὺς ἐπὶ τῶν ἐν Κυῖνδοις φρουρίων τεταγμένους ἐξέπεμψε, διαμαρτυρόμενος μὴ διδόναι μηδὲν τῶν χρημάτων Εὐμενεῖ καὶ τὴν ἀσφάλειαν αὐτοῖς ἐπηγγείλατο παρέξεσθαι. ἀλλὰ τούτῳ μὲν οὐδεὶς προσεῖχε διὰ τὸ τοὺς βασιλεῖς καὶ τὸν ἐπιμελητὴν αὐτῶν Πολυπέρχοντα, ἔτι δὲ Ὀλυμπιάδα τὴν Ἀλεξάνδρου μητέρα γεγραφέναι πάντα ὑπηρετεῖν Εὐμενεῖ, ὥς ὄντι τῆς βασιλείας αὐτοκράτορι στρατηγῷ. [3] μάλιστα δ' Ἀντιγόνῳ δυσηρέσκει τότε τὰ περὶ τὴν Εὐμενοῦς προαγωγὴν καὶ τὸ μέγεθος τῆς περὶ αὐτὸν συνισταμένης ἐξουσίας: ὑπελάμβανε γὰρ ὑπὸ τοῦ Πολυπέρχοντος τοῦτον ἑαυτῷ κατασκευάζεσθαι μέγιστον ἀντίπαλον ἀποστάτη γεγονότι τῆς βασιλείας. [4] διόπερ κρίνας ἐπιβουλὴν συστήσασθαι κατ' αὐτοῦ προεχειρίσατο τῶν φίλων Φιλώταν καὶ τούτῳ μὲν ἔδωκεν ἐπιστολὴν γεγραμμένην πρὸς τε τοὺς ἀργυράσπιδας καὶ τοὺς ἄλλους τοὺς μετ' Εὐμενοῦς Μακεδόνας, συνεξέπεμψε δὲ αὐτῷ καὶ ἄλλους τριάκοντα Μακεδόνας τῶν περιέργων καὶ λάλων, οἷς ἦν προστεταγμένον κατ' ἰδίαν ἐντυχεῖν τοῖς ἡγεμόσι τῶν ἀργυρασπίδων Ἀντιγένοι καὶ Τευτάμῳ καὶ διὰ τούτων συστήσασθαι τινα κατ' Εὐμενοῦς ἐπιβουλὴν, δωρεὰς τε μεγάλας ἐπαγγελλομένους καὶ σατραπείας μείζονας, ὁμοίως δὲ καὶ τῶν ἀργυρασπίδων τοῖς γνωρίζομένοις καὶ πολίταις ἐντυγχάνειν καὶ διαφθεῖρειν δωρεαῖς πρὸς τὴν κατ' Εὐμενοῦς ἐπιβουλὴν. [5] τῶν μὲν οὖν [p. 409] ἄλλων οὐδένα πείσαι κατίσχυσαν, Τεύταμος δὲ ὁ τῶν ἀργυρασπίδων ἡγεμὼν διαφθαρεὶς ἐπεβάλετο καὶ τὸν συνάρχοντα Ἀντιγένην πείσαι κοινωνῆσαι τῆς πράξεως. [6] ὁ δ' Ἀντιγένης, συνέσει καὶ πίστεως βεβαιότητι διαφέρον, οὐ μόνον ἀντεῖπεν, ἀλλὰ καὶ μετέπεισε τὸν προδιεφθαρμένον. ἐδίδαξε γὰρ αὐτὸν συμφέρειν ζῆν τὸν Εὐμενὴ μᾶλλον ἢ τὸν Ἀντίγονον: [7] ἐκεῖνον μὲν γὰρ εἰς πλεῖον ἰσχύσαντα παρελθεῖν τὰς σατραπείας αὐτῶν καὶ ἀντικαταστήσειν ἐκ τῶν αὐτοῦ φίλων, Εὐμενὴ δὲ ξένον ὄντα μηδέποτε ἰδιοπραγῆσαι τολμήσειν, ἀλλὰ στρατηγὸν ὄντα φίλοις αὐτοῖς χρήσεσθαι καὶ συμπράξασι φυλάξειν αὐτοῖς τὰς σατραπείας, τάχα δὲ καὶ ἄλλας προσδώσειν. οἱ μὲν οὖν τὰς κατ' Εὐμενοῦς ἐπιβουλάς κατασκευάζοντες ἀπέτυχον τὸν προειρημένον

τρόπον: τοῦ δὲ Φιλώτου τὴν κοινὴν ἐπιστολὴν ἀναδόντος τοῖς ἡγεμόσι συνήχθησαν οἱ τε ἀργυράσπιδες καὶ οἱ ἄλλοι Μακεδόνες κατ' ἰδίαν ἄνευ τοῦ Εὐμενοῦς καὶ τὴν ἐπιστολὴν προσέταζαν ἀναγνωσθῆναι. [2] ἦν δ' ἐν αὐτῇ γεγραμμένη κατηγορία μὲν τοῦ Εὐμενοῦς, παράκλησις δὲ τῶν Μακεδόνων συλλαβεῖν τὸν Εὐμενὴ ταχέως καὶ ἀποκτεῖναι: ἐὰν δὲ ταῦτα μὴ πράξωσιν, ὅτι μετὰ πάσης τῆς δυνάμεως ἥξει πολεμήσων αὐτοῖς καὶ τοῖς μὴ πειθαρχοῦσι τὴν προσήκουσαν ἐπιθήσει τιμωρίαν. [3] ἀναγνωσθείσης δὲ τῆς ἐπιστολῆς εἰς πολλὴν ἀπορίαν ἐνέπεσον οἱ τε ἡγεμόνες καὶ οἱ [p. 410] Μακεδόνες πάντες: ἀναγκαῖον γὰρ ἦν αὐτοῖς ἢ πρὸς τοὺς βασιλεῖς ἀποκλίναντας ὑπ' Ἀντιγόνου τιμωρίας τυχεῖν ἢ πειθαρχήσαντας Ἀντιγόνῳ ὑπὸ Πολυπέρχοντος καὶ τῶν βασιλέων κολασθῆναι. [4] τοιαύτης δὲ συγχύσεως ἐπεχούσης τὰ πλήθη ἦκεν ὁ Εὐμενὴς καὶ τὴν ἐπιστολὴν ἀναγνοὺς παρεκάλεσε τοὺς Μακεδόνας πράττειν τὰ τοῖς βασιλεῦσι δεδογμένα, τῷ δὲ ἀποστάτῃ γεγονότι μὴ προσέχειν. [5] πολλὰ δὲ διαλεχθεὶς οἰκεῖα τῆς ὑποθέσεως οὐ μόνον αὐτὸς ἀπελύθη τῶν

ἐνεστώτων κινδύνων, ἀλλὰ καὶ τὸ πλῆθος εἰς εὐνοίαν μείζονα τῆς προϋπαρχούσης παρεστήσατο. [6] οὗτος μὲν οὖν πάλιν εἰς ἀνελπίστους κινδύνους ἐμπεσὼν παραδόξως ἰσχυροτέραν κατεσκεύασε τὴν περὶ αὐτὸν δύναμιν. διὸ καὶ τοῖς στρατιώταις παραγγείλας ἀναζευγνύειν προῆγεν ἐπὶ Φοινίκης, σπεύδων τὰς ναῦς ἐξ ἀπάσων τῶν πόλεων ἀθροῖσαι καὶ στόλον ἀξιόλογον κατασκευάσαι, ὅπως Πολυπέρχων μὲν προσλαβόμενος τὰς ἐκ τῆς Φοινίκης ναῦς θαλαττοκρατῇ καὶ δύνηται διαβιβάζειν ἀσφαλῶς, ὅταν βούληται, τὰς ἐκ τῆς Μακεδονίας δυνάμεις εἰς τὴν Ἀσίαν ἐπ' Ἀντίγονον. οὗτος μὲν οὖν ἐν Φοινίκῃ διέτριβε κατασκευαζόμενος τὴν ναυτικὴν δύναμιν.

ἅμα δὲ τούτοις πραττομένοις Νικάνωρ ὁ τὴν Μουνυχίαν κατέχων ἀκούων τὸν μὲν Κάσανδρον ἐκ Μακεδονίας κεχωρίσθαι πρὸς Ἀντίγονον, τὸν δὲ Πολυπέρχοντα προσδόκιμον εἶναι συντόμως ἤξειν εἰς τὴν Ἀττικὴν μετὰ τῆς δυνάμεως ἡξίου τοὺς Ἀθηναίους διαφυλάττειν τὴν πρὸς τὸν Κάσανδρον εὐνοίαν. [2] οὐθενὸς [p. 411] δὲ αὐτῷ προσέχοντος, ἀλλὰ καὶ τὴν φρουρὰν πάντων οἰομένων δεῖν ἐξάγειν τὴν ταχίστην τὸ μὲν πρῶτον παρακρουσάμενος τὸν δῆμον ἔπεισεν ὀλίγας ἡμέρας ἐπισχεῖν: πράξειν γὰρ αὐτὸν τὰ συμφέροντα τῇ πόλει: μετὰ δὲ ταῦτα τῶν Ἀθηναίων ἐπὶ τινας ἡμέρας ἡσυχίαν ἐχόντων ἔλαθε νυκτὸς κατ' ὀλίγους στρατιώτας εἰσαγαγὼν εἰς τὴν Μουνυχίαν, ὥστε γενέσθαι δύναμιν ἀξιόχρεων τηρεῖν τὴν φυλακὴν καὶ διαγωνίζεσθαι πρὸς τοὺς ἐπιβαλλομένους πολιορκεῖν τὴν φρουρὰν. [3] οἱ δὲ Ἀθηναῖοι γνόντες τὸν Νικάνωρα μηδὲν ὑγιὲς πράττοντα πρὸς μὲν τοὺς βασιλέας καὶ Πολυπέρχοντα πρεσβείαν ἐξέπεμψαν, ἀξιοῦντες βοηθεῖν αὐτοῖς κατὰ τὸ διάγραμμα τὸ γραφὲν ὑπὲρ τῆς τῶν Ἑλλήνων αὐτονομίας: αὐτοὶ δὲ πλεονάκις ἐκκλησίαν συναγαγόντες ἐβουλεύοντο πῶς χρηστὸν εἴη περὶ τοῦ πρὸς Νικάνωρα πολέμου. [4] τούτων δ' ἔτι περὶ ταῦτ' ἀσχολουμένων ὁ Νικάνωρ, πολλοὺς ἐξενολογηκώς, λάθρα νυκτὸς ἐξαγαγὼν τοὺς στρατιώτας κατελάβετο τὰ τεῖχη τοῦ Πειραιῶς καὶ τοῦ λιμένος τὰ κλειῖθρα. οἱ δὲ Ἀθηναῖοι τὴν μὲν Μουνυχίαν οὐκ ἀπειληφότες, τὸν δὲ Πειραιᾶ προσαποβεβληκότες χαλεπῶς ἔφερον. [5] διόπερ ἐλόμενοι πρέσβεις τῶν ἐπιφανῶν ἀνδρῶν καὶ φιλίαν ἐχόντων πρὸς Νικάνωρα Φωκίωνα τὸν Φώκου καὶ Κόνωνα τὸν Τιμοθέου καὶ Κλέαρχον τὸν Ναυσικλέους ἐξαπέστειλαν, ἐγκαλοῦντες μὲν ἐπὶ τοῖς πεπραγμένοις, ἀξιοῦντες δὲ ἀποδοῦναι τὴν αὐτονομίαν αὐτοῖς κατὰ τὸ γεγενημένον διάταγμα. ὁ δὲ Νικάνωρ ἀποκρίσεις [p. 412] ἔδωκε πρεσβεύειν αὐτοὺς πρὸς Κάσανδρον: ὑπ' ἐκείνου γὰρ καθεσταμένον φρούραρχον μηδαμῶς ἔχειν ἐξουσίαν ἰδιοπραγεῖν.

κατὰ δὲ τοῦτον τὸν καιρὸν ἦκεν ἐπιστολὴ Νικάνωρι παρ' Ὀλυμπιάδος, ἐν ᾗ προσέταττεν ἀποδοῦναι Ἀθηναίοις τὴν τε Μουνυχίαν καὶ τὸν Πειραιᾶ. ὁ δὲ Νικάνωρ ἀκούων ὅτι μέλλουσιν οἱ βασιλεῖς καὶ Πολυπέρχων κατάγειν εἰς Μακεδονίαν τὴν Ὀλυμπιάδα καὶ τοῦ τε παιδίου τὴν ἐπιμέλειαν ἐκείνη παραδιδόναι καὶ τὴν προϋπάρχουσαν ἀποδοχὴν καὶ τιμὴν Ἀλεξάνδρου ζώντος ἀποκαθιστάναι Ὀλυμπιάδι, φοβηθεὶς ἐπηγγεῖλατο μὲν παραδῶσιν, αἰεὶ δὲ προφάσεις τινὰς ποιούμενος παρήγε τὴν πρᾶξιν. [2] οἱ δὲ Ἀθηναῖοι πεπολυωρηκότες ἐν τοῖς ἔμπροσθεν χρόνοις τὴν Ὀλυμπιάδα καὶ νομίσαντες τὰς μὲν ταύτην δεδογμένας τιμὰς ὄντως γεγονέναι, τὴν δὲ ἀπόληψιν τῆς αὐτονομίας διὰ ταύτης ἐλπίζοντες ἀκινδύνως ἔσσεσθαι περιχαρεῖς ἦσαν. [3] ἀτελέστων δ' ἔτι τῶν ἐπαγγελιῶν οὐσῶν ἦκεν Ἀλέξανδρος ὁ Πολυπέρχοντος υἱὸς μετὰ δυνάμεως εἰς τὴν Ἀττικὴν. οἱ μὲν οὖν Ἀθηναῖοι διέλαβον αὐτὸν ἦκεν ἀποκαταστήσοντα τῷ δήμῳ τὴν τε Μουνυχίαν καὶ τὸν Πειραιᾶ, τὸ δ' ἀληθὲς οὐχ οὕτως εἶχεν, ἀλλὰ τοῖναντίον αὐτὸς ἰδίᾳ παραληψόμενος ἀμφοτέρω πρὸς τὰς ἐν τῷ πολέμῳ χρείας. [4] τῶν γὰρ Ἀντιπάτρῳ γεγονότων φίλων τινές, ὧν ὑπῆρχον καὶ οἱ περὶ Φωκίωνα, φοβούμενοι τὰς ἐκ [p. 413] τῶν νόμων τιμωρίας ὑπήντησαν τῷ Ἀλεξάνδρῳ καὶ διδάξαντες τὸ συμφέρον ἔπεισαν αὐτὸν ἰδίᾳ κατέχειν τὰ φρούρια καὶ μὴ παραδιδόναι τοῖς Ἀθηναίοις, μέχρι ἂν ὁ Κάσανδρος καταπολεμηθῇ. [5] ὁ δὲ Ἀλέξανδρος πλησίον τοῦ Πειραιῶς καταστρατοπεδεύσας τοὺς μὲν Ἀθηναίους οὐ παρελάμβανε πρὸς τὰς ἐντεύξεις τὰς πρὸς τὸν Νικάνωρα, ἰδίᾳ δὲ συνίων εἰς λόγους καὶ ἐν ἀπορρήτοις διαπραττόμενος φανερὸς ἦν ἀδικεῖν μέλλων τοὺς Ἀθηναίους. [6] ὁ δὲ δῆμος εἰς ἐκκλησίαν συνελθὼν τὰς μὲν ὑπαρχούσας ἀρχὰς κατέλυσεν, ἐκ δὲ τῶν δημοτικωτάτων τὰ ἀρχεῖα καταστήσας τοὺς ἐπὶ τῆς ὀλιγαρχίας γεγονότας ἄρχοντας κατεδίκασε τοὺς μὲν θανάτῳ, τοὺς δὲ φυγῇ καὶ δημεύσει τῆς οὐσίας· ἐν οἷς ἦν καὶ Φωκίων ὁ ἐπ' Ἀντιπάτρου τὴν τῶν ὅλων ἀρχὴν ἐσχικώς.

οὗτοι μὲν οὖν ἐκβληθέντες ἐκ τῆς πόλεως κατέφυγον πρὸς Ἀλέξανδρον τὸν Πολυπέρχοντος καὶ διὰ τούτου τὴν σωτηρίαν ἑαυτοῖς πορίζειν ἐφύλοτιμοντο. προσδεχθέντες δὲ ὑπ' αὐτοῦ φιλοφρόνως γράμματα ἔλαβον πρὸς τὸν πατέρα Πολυπέρχοντα, ὅπως μηδὲν πάθωσιν οἱ περὶ Φωκίωνα, τὰκείνου πεφρονηκότες καὶ νῦν ἐπαγγελλόμενοι πάντα συμπράξειν. [2] ἀποστείλαντος δὲ καὶ τοῦ δήμου πρεσβείαν πρὸς τὸν Πολυπέρχοντα τὴν κατηγοροῦσαν μὲν τῶν περὶ Φωκίωνα, παρακαλοῦσαν δὲ τὴν Μουνυχίαν αὐτοῖς δοῦναι μετὰ τῆς αὐτονομίας ὁ Πολυπέρχων ἔσπευδε μὲν φρουρᾷ κατέχειν τὸν Πειραιᾶ διὰ τὸ πολλὰ δύνασθαι χρησιμεύειν [p. 414] τὸν λιμένα πρὸς τὰς ἐν τοῖς πολέμοις χρείας· αἰσχυρόμενος δ' ἐναντία πράττειν τῷ ὑφ' ἑαυτοῦ γεγραμμένῳ διαγράμματι καὶ νομίζων ἄπιστος κριθήσεσθαι παρὰ τοῖς Ἕλλησιν, ἐὰν εἰς τὴν ἐπιφανεστάτην παρανομήσῃ πόλιν, μετενόησε τῇ γνώμῃ. [3] διακούσας δὲ τῶν πρέσβεων τοῖς μὲν παρὰ τοῦ δήμου πρεσβεύουσι φιланθρώπως κεχαρισμένας ἔδωκεν ἀποκρίσεις, τοὺς δὲ περὶ Φωκίωνα συλλαβὼν ἀπέστειλε δεσμίους εἰς τὰς Ἀθήνας, διδοὺς τὴν ἐξουσίαν τῷ δήμῳ εἴτε βούλεται θανατοῦν εἴτ' ἀπολῦσαι τῶν ἐγκλημάτων. [4] συναχθείσης οὖν ἐκκλησίας ἐν ταῖς Ἀθήναις καὶ προτεθείσης κρίσεως τοῖς περὶ τὸν Φωκίωνα πολλοὶ τῶν τε

φυγάδων γεγονότων ἐπ' Ἀντιπάτρου καὶ τῶν ἀντιπολιτευομένων κατηγόρησαν αὐτῶν θανάτου. [5] ἦν δ' ὁ σύμπαρ τῆς κατηγορίας λόγος ὅτι οὗτοι παραίτιοι γεγένηται μετὰ τὸν Λαμιακὸν πόλεμον τῆς τε δουλείας τῇ πατρίδι καὶ τῆς καταλύσεως τοῦ δήμου καὶ τῶν νόμων. ὥς δὲ τοῖς ἀπολογουμένοις ὁ καιρὸς παρεδόθη τῆς ἀπολογίας, ὁ μὲν Φωκίων ἥρξατο ποιεῖσθαι τὸν ὑπὲρ ἑαυτοῦ λόγον, τὸ δὲ πλῆθος τοῖς θορύβοις ἐξέσεισε τὴν ἀπολογίαν, ὥστ' εἰς πολλὴν ἀπορίαν παραγενέσθαι τοὺς ἀπολογουμένους. [6] λήξαντος δὲ τοῦ θορύβου πάλιν ὁ μὲν Φωκίων ἀπελογεῖτο, ὁ δὲ ὄχλος κατεβόα καὶ τὴν φωνὴν τοῦ κινδυνεύοντος ἐκώλυεν ἐξακούεσθαι: τὸ γὰρ πλῆθος τῶν δημοτικῶν, ἀπωσμένον τῆς πολιτείας καὶ παρ' ἐλπίδας τετευχὸς τῆς καθόδου, πικρῶς διέκειτο πρὸς τοὺς ἀφηρημένους τὴν αὐτονομίαν. [p. 415]

βιαιομένου δὲ τοῦ Φωκίωνος καὶ πρὸς περίστασιν ἀπεγνωσμένην ὑπὲρ τοῦ ζῆν ἀγωνιζομένου οἱ μὲν πλησίον ὄντες ἤκουον τῶν τῆς ὑποθέσεως δικαίων, οἱ δὲ μακρότερον διεστηκότες διὰ τὸ μέγεθος τῆς κραυγῆς τῶν θορυβούντων ἤκουον μὲν οὐδέν, αὐτὴν δὲ μόνην ἐθεώρουν τὴν τοῦ σώματος κίνησιν, γινομένην ἐναγώνιον καὶ ποικίλην διὰ τὸ μέγεθος τοῦ κινδύνου. [2] τέλος δὲ ἀπογνοὺς τὴν σωτηρίαν ὁ Φωκίων ἀνεβόησε, δεόμενος αὐτοῦ μὲν καταψηφίσασθαι τὸν θάνατον, τῶν δ' ἄλλων φεῖδεσθαι. ἀμεταθέτου δὲ: τῆς τοῦ πλήθους ὀρμῆς καὶ βίας οὔσης παρεπορεύοντό τινες τῶν φίλων συνηγορήσαντες τῷ Φωκίῳ, ὧν τὰς μὲν ἀρχὰς τῶν λόγων ἤκουον, ὁπότε δὲ προβαίνοντες φανεροὶ καθίσταντο τὴν ἀπολογίαν διεξιόντες, ἐξεβάλλοντο τοῖς θορύβοις καὶ ταῖς ἐναντιούμεναις κραυγαῖς. [3] τὸ δ' ἔσχατον πανδήμῳ φωνῇ καταχειροτονηθέντες εἰς τὸ δεσμοτήριον ἦγοντο τὴν ἐπὶ θανάτῳ. συνηκολούθουν δὲ αὐτοῖς πολλοὶ τῶν σπουδαίων ἀνδρῶν, ὀδυρόμενοι καὶ συμπάσχοντες ἐπὶ τῷ μεγέθει τῶν ἀτυχημάτων: [4] τὸ γὰρ πρωτεύοντας ἄνδρας ταῖς δόξαις καὶ ταῖς εὐγενείαις, πολλὰ πεπραχότας ἐν τῷ ζῆν φιλόπλοον, μήτε λόγου μήτε κρίσεως δικαίας τυγχάνειν πολλοὺς ἦγεν εἰς ἐπίστασιν διανοίας καὶ φόβον, ἀστάτου δὲ καὶ κοινῆς ἅπασι τῆς τύχης οὔσης. [5] πολλοὶ δὲ καὶ τῶν δημοτικῶν καὶ πικρῶς διακειμένων πρὸς αὐτὸν ἐλοιδόρουν τε ἀνηλεῶς καὶ [p. 416] πικρῶς ὠνειδίζον αὐτῷ τὰς συμφοράς: τὸ γὰρ ἐν ταῖς εὐτυχίαις σιωπῶμενον μῖσος, ὅταν ἐκ μεταβολῆς ἐν ταῖς ἀτυχίαις ἐκραγῇ, ταῖς ὀργαῖς ἀποθηριοῦται πρὸς τοὺς μισουμένους. [6] διὰ δὲ τῆς τοῦ κωνείου πόσεως κατὰ τὸ πάτριον ἔθος τὸν βίον καταλύσαντες ἐρρίφησαν ἅταφοι πάντες ἐκ τῶν τῆς Ἀττικῆς ὄρων. ὁ μὲν οὖν Φωκίων καὶ οἱ μετ' αὐτοῦ διαβληθέντες τοιαύτην ἔσχον τὴν τοῦ βίου καταστροφήν.

Κάσανδρος δὲ παρ' Ἀντιγόνου λαβὼν ναῦς μακρὰς τριάκοντα: καὶ πέντε, στρατιώτας δὲ τετρακισχιλίους κατέπλευσεν εἰς τὸν Πειραιᾶ. προσδεχθεὶς δ' ὑπὸ Νικάνορος τοῦ φρουράρχου παρέλαβε τὸν Πειραιᾶ καὶ τὰ κλεῖθρα τοῦ λιμένος: τὴν δὲ Μουνυχίαν αὐτὸς ὁ Νικάνωρ κατεῖχεν, μὲν ἔχων ἰδίους στρατιώτας ἱκανοὺς εἰς τὸ τηρεῖν τὸ φρούριον. [2] Πολυπέρχων δὲ μετὰ τῶν βασιλέων ἔτυχε μὲν διατρίβων περὶ τὴν Φωκίδα, πυθόμενος δὲ τὸν εἰς Πειραιᾶ κατάπλουν τοῦ Κασάνδρου παρήλθεν εἰς τὴν Ἀττικὴν καὶ πλησίον τοῦ Πειραιῶς κατεστρατοπέδευσεν. [3] εἶχεν δὲ μεθ' ἑαυτοῦ στρατιώτας

πεζοὺς μὲν Μακεδόνας δισφυρίους, τῶν δ' ἄλλων συμμάχων περὶ τετρακισχιλίους, ἵππεῖς δὲ χιλίους, ἐλέφαντας δὲ ἐξήκοντα πέντε. ἐπεβάλετο μὲν οὖν πολιορκεῖν τοὺς περὶ τὸν Κάσανδρον, σπανίζον δὲ τροφῆς καὶ τὴν πολιορκίαν ὑπολαμβάνων ἔσσεσθαι πολυχρόνιον ἡναγκάσθη μέρος τῆς δυνάμεως ἀπολιπεῖν κατὰ τὴν Ἀττικὴν τὸ δυνάμενον ἔχειν τὴν τοῦ σίτου χορηγίαν, ἡγουμένου τοῦ υἱοῦ Ἀλεξάνδρου, αὐτὸς δὲ [p. 417] τὸ πλεῖστον τῆς δυνάμεως ἀναλαβὼν παρήλθεν εἰς Πελοπόννησον, συναναγκάσων τοὺς Μεγαλοπολίτας πειθαρχεῖν τοῖς βασιλεῦσιν, οἱ ἐτύγγανον μὲν τὰ Κασάνδρου φρονοῦντες καὶ διὰ τῆς ὑπ' Ἀντιπάτρου καθεσταμένης ὀλιγαρχίας διοικοῦμενοι.

τοῦ δὲ Πολυπέρχοντος περὶ ταῦτα διατρίβοντος ὁ Κάσανδρος ἀναλαβὼν τὸν στόλον Αἰγινήτας μὲν προσηγάγετο, τοὺς δὲ Σαλαμινίους ἀλλότρια φρονοῦντας εἰς πολιορκίαν συνέκλεισε. καθ' ἡμέραν δὲ συνεχεῖς ποιούμενος προσβολὰς καὶ βελῶν καὶ στρατιωτῶν εὐπορῶν εἰς τοὺς ἐσχάτους κινδύνους ἤγαγε τοὺς Σαλαμινίους. [2] κινδυνευούσης δὲ τῆς πόλεως ἄλῶναι κατὰ κράτος ὁ Πολυπέρχων ἐξέπεμψε δύναμιν ἀξιόλογον πεζικὴν τε καὶ ναυτικὴν τὴν ἐπιθησομένην τοῖς πολιορκουσι. διόπερ ὁ Κάσανδρος καταπλαγεὶς καὶ λύσας τὴν πολιορκίαν ἀπέπλευσεν εἰς τὸν Πειραιᾶ. [3] Πολυπέρχων δὲ βουλόμενος τὰ κατὰ τὴν Πελοπόννησον διοικῆσαι συμφερόντως παρήλθε καὶ συναγαγὼν ἐκ τῶν πόλεων συνέδρους διελέχθη περὶ τῆς πρὸς αὐτὸν συμμαχίας. ἐξέπεμψε δὲ καὶ πρὸς τὰς πόλεις πρεσβευτάς, προστάττων τοὺς μὲν δι' Ἀντιπάτρου καθεσταμένους ἄρχοντας ἐπὶ τῆς ὀλιγαρχίας θανατῶσαι, τοῖς δὲ δήμοις ἀποδοῦναι τὴν αὐτονομίαν. [4] πολλῶν δ' ὑπακουσάντων καὶ κατὰ τὰς πόλεις φόνων γινομένων καὶ τινων φυγαδευομένων οἱ μὲν Ἀντιπάτρου φίλοι διεφθάρησαν, τὰ δὲ πολιτεύματα τὴν ἐκ τῆς αὐτονομίας παρρησίαν ἀπέλαβον καὶ συνεμάχουν τοῖς περὶ τὸν Πολυπέρχοντα. μόνων δὲ τῶν Μεγαλοπολιτῶν [p. 418] διατηρούντων τὴν πρὸς Κάσανδρον φιλίαν ἔκρινε πολιορκῆσαι τὴν πόλιν αὐτῶν.

οἱ δὲ Μεγαλοπολίται γνόντες τὴν ἐπιβουλὴν τοῦ Πολυπέρχοντος ἐψηφίσαντο τὰ μὲν ἀπὸ τῆς χώρας κατάγειν εἰς τὴν πόλιν, τῶν δὲ πολιτῶν καὶ ξένων καὶ δούλων ἀριθμὸν ποιησάμενοι μυρίους καὶ πεντακισχιλίους εὗρον τοὺς δυναμένους παρέχεσθαι τὰς πολεμικὰς χρεῖας. εὐθὺς οὖν τοὺς μὲν εἰς τάξεις κατελόχιζον, οὓς δὲ πρὸς τὰς ὑπηρεσίας τοῖς ἔργοις καθίστανον, οὓς δ' ἐπὶ τὴν ἐπιμέλειαν τῶν τειχῶν ἔταττον. [2] ὑφ' ἑνα δὲ καὶ τὸν αὐτὸν καιρὸν οἱ μὲν περὶ τὴν πόλιν τάφρον ὠρυττον βαθεῖαν, οἱ δὲ ἀπὸ τῆς χώρας χάρακα παρεκόμιζον, τινὲς δὲ τὰ πεπονηκότα τῶν τειχῶν κατεσκεύαζον, ἄλλοι δὲ περὶ τὰς ὀπλοποιίας καὶ τὴν κατασκευὴν τῶν ὀξυβελῶν καταπελτῶν ἐγίνοντο, πᾶσα δ' ἡ πόλις ἐν ἔργοις καθειστήκει διὰ τε τὴν προθυμίαν τῶν ἀνδρῶν καὶ διὰ τοὺς προσδοκωμένους κινδύνους: [3] διεβεβόητο γὰρ τό τε μέγεθος τῆς βασιλικῆς δυνάμεως καὶ τὸ πλῆθος τῶν συνακολουθούντων ἐλεφάντων καὶ δοκούντων ἀνυπόστατον ἔχειν τὴν τε ἀλκὴν καὶ τὴν τοῦ σώματος ὁρμήν. [4] ταχὺ δὲ πάντων εὐτρεπῶν γενομένων ὁ μὲν Πολυπέρχων ἦκε μετὰ πάσης τῆς δυνάμεως καὶ πλησίον τῆς πόλεως ἐστρατοπέδευσε δύο θέμενος παρεμβολάς, τὴν μὲν τῶν Μακεδόνων, τὴν δὲ τῶν συμμάχων. κατασκευάσας δὲ πύργους

ξυλίνους ὑψηλοτέρους [p. 419] τῶν τειχῶν προσήγε τῇ πόλει κατὰ τοὺς εὐθέτους τόπους καὶ βέλη παντοδαπὰ καὶ τοὺς ἀγωνιζομένους ἐπιστήσας ἀνέστελλε τοὺς ἐπὶ τῶν ἐπάλξεων ἀντιτεταγμένους. [5] ἅμα δὲ τούτοις πραττομένοις διὰ τῶν μεταλλευόντων ὑπορύξας τὰ τεῖχη καὶ τὰς στήριγγας ἐμπρήσας κατέβαλε τρεῖς πύργους τοὺς μεγίστους καὶ μεσοπύργια τὰ ἴσα. μεγάλου δὲ τοῦ πτώματος καὶ παραδόξου γενομένου τὸ μὲν πλῆθος τῶν Μακεδόνων ἀνεβόησεν, οἱ δὲ κατὰ τὴν πόλιν διὰ τὴν δεινότητα τῆς πράξεως κατεπλάγησαν. [6] ἔνθα δὴ τῶν Μακεδόνων διὰ τοῦ πτώματος εἰσπιπτόντων εἰς τὴν πόλιν οἱ Μεγαλοπολῖται διεῖλον σφᾶς αὐτοὺς καὶ τῷ μὲν ἐνὶ μέρει τοὺς πολεμίους ὑποστάντες καὶ τὴν ἐν τῷ πτώματι δυσχωρίαν συνεργὸν ἔχοντες καρτερὰν μάχην συνίσταντο, τῷ δ' ἑτέρῳ χάρακι διελάμβανον τὸν ἐντὸς τοῦ πτώματος τόπον καὶ τεῖχος ἕτερον ἀντῳκοδόμουν, συνεχῶς ἐργαζόμενοι καὶ μεθ' ἡμέραν καὶ νύκτωρ. [7] ταχὺ δὲ τῶν ἔργων συντελουμένων διὰ τε τὴν πολυχειρίαν καὶ τὸ πλῆθος· τῆς εἰς ἅπαντα παρασκευῆς τὸ μὲν διὰ τοῦ πτώματος ἐλάττωμα συντόμως οἱ Μεγαλοπολῖται διωρθώσαντο, πρὸς δὲ τοὺς ἐπὶ τῶν ξυλίνων πύργων ἀγωνιζομένους τοῖς τε ὀξυβελέσι καταπέλταις ἐχρῶντο καὶ τοῖς σφενδονήταις καὶ τοξόταις πολλοὺς τῶν πολεμίων κατετίτρωσκον.

πολλῶν δὲ πιπτόντων παρ' ἀμφοτέροις καὶ κατατραυματιζομένων καὶ τῆς νυκτὸς περικαταλαβούσης ὁ μὲν Πολυπέρχων ἀνακαλεσάμενος τῇ σάλπιγγι τοὺς στρατιώτας ἐπανῆλθεν ἐπὶ τὴν ἰδίαν [p. 420] στρατοπεδεῖαν. [2] τῇ δ' ὕστεραίᾳ τὸν τοῦ πτώματος τόπον ἀνακαθάρας ἐποίησε βάσιμον τοῖς θηρίοις καὶ διενοεῖτο χρῆσασθαι ταῖς τούτων ῥώμαις πρὸς τὴν ἄλωσιν τῆς πόλεως. οἱ δὲ Μεγαλοπολῖται Δάμιδος ἡγουμένου καὶ τούτου γεγονότος κατὰ τὴν Ἀσίαν μετ' Ἀλεξάνδρου καὶ περὶ τὰς φύσεις καὶ χρείας τῶν ἐλεφάντων ἐμπειρίαν ἔχοντος οὐ μετρίως προετέρησαν. [3] οὗτος γὰρ τὴν ἰδίαν ἐπίνοιαν ἀντίταγμα τῇ τῶν θηρίων βία κατασκευάσας ἀχρήστους ἐποίησε τὰς τῶν σωμάτων ῥώμας. θύρας γὰρ μεγάλας πλείονας ἤλοις ὀξέσι καταπυκνώσας καὶ ταύτας ἐν ὀρύγμασι ταπεινοῖς καταστρώσας καὶ τὰς ἐξοχὰς τῶν κέντρων ἐπικρυψάμενος κατέλιπε διὰ τούτων δίοδον εἰς τὴν πόλιν καὶ κατὰ μέτωπον μὲν οὐδένα τῶν στρατιωτῶν ἔστησεν, ἐκ δὲ τῶν πλαγίων ἔταξε πλῆθος ἀκοντιστῶν καὶ τοξοτῶν καὶ τῶν καταπελτικῶν βελῶν. [4] τοῦ δὲ Πολυπέρχοντος ἀνακαθαίροντος πάντα τὸν τόπον τοῦ πτώματος καὶ τοῖς θηρίοις ἀθρόοις διὰ τούτου τὴν ἔφοδον ποιουμένου παράδοξος ἐγένετο πρᾶξις περὶ τοὺς ἐλέφαντας. οὐδενὸς γὰρ ἀπαντῶντος κατὰ στόμα τοῖς θηρίοις οἱ μὲν Ἴνδοι συνηνάγκαζον εἰσπίπτειν εἰς τὴν πόλιν, οἱ δ' ἐλέφαντες τῇ ῥύμῃ προπίπτοντες ἐνέπιπτον εἰς τὰς κατακεκεντρωμένας θύρας. [5] τραυματιζόμενοι δὲ τοὺς πόδας ὑπὸ τῶν ἤλων καὶ διὰ τὸ βάρος περιπειρόμενοι τοῖς κέντροις οὔτε προΐεναι πορρώτερον οὔτε ἀναστρέφειν διὰ τὴν δυσκινήσιαν ἠδύναντο. ἅμα δὲ καὶ βελῶν παντοδαπῶν ἐκ πλαγίων φερομένων οἱ μὲν ἀπέθνησκον τῶν Ἰνδῶν, οἱ δὲ κατατραυματιζόμενοι [p. 421] τῆς ἐνδεχομένης χρείας ὕστεροῦντο. [6] τὰ δὲ θηρία διὰ τε τὸ πλῆθος τῶν βελῶν καὶ τὴν ιδιότητα τῆς τῶν ἤλων πληγῆς περιώδυνα γινόμενα τὴν διὰ τῶν φύλων ἐπιστροφὴν ἐποιοῦντο καὶ πολλοὺς αὐτῶν κατεπάτουν. τέλος δὲ τὸ μὲν ἀνδρεϊότατον

αὐτῶν καὶ πλείστην ἔχον κατάπληξιν ἔπese, τῶν δὲ ἄλλων τὰ μὲν ἄχρηστα παντελῶς ἐγένετο, τὰ δὲ πολλοῖς τῶν ἰδίων θάνατον ἐπήνεγκεν.

μετὰ δὲ τὴν εὐημερίαν ταύτην οἱ μὲν Μεγαλοπολῖται ταῖς ψυχαῖς ἐθάρρησαν, ὁ δὲ Πολυπέρχων μετανοήθεις ἐπὶ τῇ πολιορκίᾳ καὶ πολὺν χρόνον ἐπιμένειν οὐ δυνάμενος ἐπὶ μὲν τῆς πολιορκίας ἀπέλιπε μέρος τῆς δυνάμεως, αὐτὸς δ' ἐφ' ἐτέρας ἀναγκαιοτέρας πράξεις ἐτρέπετο. [2] καὶ Κλεῖτον μὲν τὸν ναύαρχον μετὰ τοῦ στόλου παντὸς ἐξέπεμψε, προστάξας ἐφεδρεῖν τοῖς περὶ τὸν Ἑλλησποντον τόποις καὶ κωλύειν τὰς ἐκ τῆς Ἀσίας διαβιβαζομένας δυνάμεις εἰς τὴν Εὐρώπην, προσλαβέσθαι δὲ καὶ Ἀρριδαῖον τὸν συμπεφευγότα μὲν μετὰ τῶν στρατιωτῶν εἰς τὴν τῶν Κιανῶν πόλιν, ἐχθρὸν δ' ὄντα τοῖς περὶ Ἀντίγονον. [3] τοῦτου δὲ πλεύσαντος ἐπὶ τὸν Ἑλλησποντον καὶ προσαγαγομένου τὰς ἐν τῇ Προποντίδι πόλεις, ἔτι δὲ προσδεξαμένου τὴν μετ' Ἀρριδαίου δύναμιν κατέπλευσεν εἰς τοὺς τόπους ἐκείνους Νικάνωρ ὁ τῆς Μουνυχίας φρούραρχος, ἐξαπεσταλμένος ὑπὸ Κασάνδρου μετὰ παντὸς τοῦ στόλου· προσελάβετο δὲ καὶ τὰς παρ' Ἀντιγόνου [p. 422] ναῦς, ὥστε τὰς πάσας ἔχειν πλείους τῶν ἑκατόν. [4] γενομένης δὲ ναυμαχίας οὐ μακρὰν τῆς τῶν Βυζαντίων πόλεως ἐνίκα ὁ Κλεῖτος καὶ κατέδυσσε μὲν τῶν ἐναντίων ναῦς ἑπτακαίδεκα, εἴλε δὲ σὺν αὐτοῖς τοῖς ἀνδράσιν οὐκ ἐλάττω τῶν τεσσαράκοντα· αἱ δὲ λοιπαὶ κατέφυγον εἰς τὸν τῶν Χαλκηδονίων λιμένα. [5] τοιαύτης δ' εὐημερίας γενομένης τοῖς περὶ τὸν Κλεῖτον οὗτος μὲν ὑπέλαβε μηκέτι τολμήσειν τοὺς πολεμίους ναυμαχῆσειν διὰ τὸ μέγεθος τῆς ἥττης, ὁ δ' Ἀντίγονος πυθόμενος τὰ περὶ τὸν στόλον ἐλαττώματα παραδόξως διὰ τῆς ἰδίας ἀγχινίας καὶ στρατηγίας ἀνεμαχέσατο τὸ γεγονός ἐλάττωμα. [6] παρὰ γὰρ Βυζαντίων μεταπεμψάμενος νυκτὸς ναῦς ὑπηρετικὰς ταύταις μὲν διεβίβαζεν εἰς τὸ πέραν τοξότας τε καὶ σφενδονήτας καὶ τῶν ἄλλων τῶν ψιλικῶν ταγμάτων τοὺς ἱκανοὺς. οὗτοι δὲ πρὸ ἡμέρας ἐπιθέμενοι τοῖς ἐκ τῶν πολεμίων νεῶν ἀποβεβηκόσιν ἐπὶ τὴν γῆν καὶ πεζῇ κατεστρατοπεδευκόσι κατεπλήξαντο τοὺς περὶ τὸν Κλεῖτον. ταχὺ δὲ πάντων διὰ τὸν φόβον τεταραγμένων καὶ εἰς τὰς ναῦς ἐμπεδόντων πολὺς ἐγένετο θόρυβος διὰ τε τὰς ἀποσκευὰς καὶ τὸ πλῆθος τῶν αἰχμαλώτων. [7] ἐν τοσοῦτῳ δὲ Ἀντίγονος ἐξαρτύσας τὰς μακρὰς ναῦς καὶ τῶν ἀλκιμωτάτων πεζῶν πολλοὺς ἐπιβάτας ἐπιστήσας ἀπέστειλε, παρακαλέσας τεθαρρηκότως ἐπιθέσθαι τοῖς [p. 423] πολεμίοις, ὥς πάντως καθ' ἑαυτοὺς ἐσομένου τοῦ νικήματος. [8] τοῦ δὲ Νικάνωρος νυκτὸς ἀναχθέντος καὶ διαφωσκούσης τῆς ἡμέρας οὗτοι μὲν ἐπιπεσόντες ἄφνω τοῖς πολεμίοις τεθορυβημένοις εὐθὺς κατὰ τὸν πρῶτον ἐπίπλουν ἐτρέψαντο καὶ τὰς μὲν τοῖς ἐμβόλοις τύπτοντες ἀνέρρηττον, ὧν δὲ τοὺς ταρσοὺς παρέσυρον, ὧν δὲ αὐτάνδρων παραδιδομένων ἀκινδύνως ἐκυρίευν· τέλος δὲ πλὴν μῆς τῆς ναυαρχίδος τῶν λοιπῶν πασῶν αὐτάνδρων ἐκυρίευσαν. [9] ὁ δὲ Κλεῖτος φυγὼν ἐπὶ τὴν γῆν καὶ καταλιπὼν τὴν ναῦν ἐπεβάλετο μὲν διὰ Μακεδονίας ἀνασώζεσθαι, περιπεσὼν δὲ στρατιώταις τισὶ τοῦ Λυσιμάχου διεφθάρη.

Ἀντίγονος μὲν οὖν τηλικαύτη συμφορᾷ περιβαλὼν τοὺς πολεμίους μεγάλην ἐπὶ στρατηγίᾳ καὶ συνέσει δόξαν ἀπηνέγκato. θαλασσοκρατῆσαι δὲ ἔσπευδε καὶ τὴν τῆς Ἀσίας ἡγεμονίαν ἀδήριτον περιποιήσασθαι. διόπερ ἐξ

ἀπάσης τῆς δυνάμεως ἐπιλέξας εὐζώνους πεζοὺς μὲν δισμυρίους, ἵππεις δὲ τετρακισχιλίους προῆγεν ἐπὶ Κιλικίας, σπεύδων τοὺς περὶ τὸν Εὐμενῆ κατακόψαι πρὸ τοῦ δύναμιν ἀδροτέραν ἀθροῖσαι. [2] Εὐμενῆς δὲ πυθόμενος τὴν ὁρμὴν τῶν περὶ τὸν Ἀντίγονον ἐπεβάλετο μὲν τὴν Φοινίκην ἀνακτᾶσθαι τοῖς βασιλεῦσι, κατειλημμένην ἀδίκως ὑπὸ Πτολεμαίου, καταταχούμενος δ' ὑπὸ τῶν καιρῶν ἀνέξευξεν ἐκ τῆς Φοινίκης καὶ διὰ τῆς Κοίλης Συρίας προῆγε μετὰ τῆς δυνάμεως, σπεύδων τῶν ἄνω λεγομένων σατραπειῶν ἄψασθαι. [3] περὶ δὲ τὸν Τίγγριν ποταμὸν ἐπιθεμένων αὐτῷ τῶν ἐγχωρίων νυκτὸς ἀπέβαλέ τινας τῶν στρατιωτῶν. [p. 424] παραπλησίως δὲ καὶ κατὰ τὴν Βαβυλωνίαν ἐπιθεμένου τοῦ Σελεύκου παρὰ τὸν Εὐφράτην ποταμὸν ἐκινδύνευσεν μὲν ἅπασαν ἀποβαλεῖν τὴν δύναμιν, διώρυγός τινας ῥαγεΐσης καὶ τῆς στρατοπεδείας ὅλης συγκλυσθεΐσης, ὅμως δὲ διὰ τῆς ἰδίας στρατηγίας, ἐπὶ τι χῶμα καταφυγὼν καὶ τὴν διώρυγα πάλιν ἀποστρέψας, [4] διέσωσεν αὐτόν τε καὶ τὴν δύναμιν. παραδόξως δὲ τὰς τοῦ Σελεύκου χεῖρας διαφυγὰν διήνυσεν εἰς τὴν Περσίδα μετὰ τῆς δυνάμεως, ἔχων πεζοὺς μὲν μυρίους καὶ πεντακισχιλίους, ἵππεις δὲ τρισχιλίους καὶ τριακοσίους. ἀναλαβὼν δὲ τοὺς στρατιώτας ἐκ τῆς κακοπαθίας διεπέμπετο πρὸς τε τοὺς σατράπας καὶ στρατηγούς τοὺς ἐν ταῖς ἄνω σατραπείαις, μεταπεμπόμενος στρατιώτας τε καὶ χρήματα. καὶ τὰ μὲν κατὰ τὴν Ἀσίαν μέχρι τούτου προέβη κατὰ τοῦτον τὸν ἐνιαυτόν.

κατὰ δὲ τὴν Εὐρώπην Πολυπέρχοντος διὰ τὴν ἐλάττωσιν τῆς κατὰ τοὺς Μεγαλοπολίτας πολιορκίας καταφρονηθέντος αἱ πλεῖσται τῶν Ἑλληνίδων πόλεων ἀφιστάμεναι τῶν βασιλέων πρὸς Κάσανδρον ἀπέκλιναν. Ἀθηναίων δὲ μὴ δυναμένων ἀποτρίψασθαι τὴν φρουρὰν μήτε διὰ τοῦ Πολυπέρχοντος μήτε δι' Ὀλυμπιάδος ἀπετόλμησέ τις τῶν ἐπαινουμένων πολιτῶν εἰπεῖν ἐν ἐκκλησίᾳ διότι συμφέρει πρὸς Κάσανδρον διαλύσασθαι. [2] τὸ μὲν οὖν πρῶτον ἐγένετο θόρυβος, τῶν μὲν ἀντιλεγόντων, τῶν δὲ συγκατατιθεμένων τοῖς λόγοις. ὥς [p. 425] δὲ ἀνεθεωρήθη τὸ συμφέρον, ἔδοξε τοῖς πᾶσι πρεσβεύειν πρὸς Κάσανδρον καὶ τίθεσθαι τὰ πρὸς αὐτὸν ὥς ἂν ᾗ δυνατόν. [3] γενομένων δὲ πλειόνων ἐντεύξεων συνέθεντο τὴν εἰρήνην ὥστε τοὺς Ἀθηναίους ἔχειν πόλιν τε καὶ χώραν καὶ προσόδους καὶ ναῦς καὶ ἄλλα πάντα φίλους ὄντας καὶ συμμάχους Κασάνδρου, τὴν δὲ Μουνυχίαν κατὰ τὸ παρὸν κρατεῖν Κάσανδρον, ἕως ἂν διαπολεμήσῃ πρὸς τοὺς βασιλεῖς, καὶ τὸ πολίτευμα διοικεῖσθαι ἀπὸ τιμήσεων ἄχρι μνῶν δέκα, καταστήσαι δ' ἐπιμελητὴν τῆς πόλεως ἕνα ἄνδρα Ἀθηναῖον ὃν ἂν δόξῃ Κασάνδρῳ· καὶ ἤρέθη Δημήτριος ὁ Φαληρεὺς. οὗτος δὲ παραλαβὼν τὴν ἐπιμέλειαν τῆς πόλεως ἤρχεν εἰρηνικῶς καὶ πρὸς τοὺς πολίτας φιланθρώπως.

μετὰ δὲ ταῦτα Νικάνορος καταπλεύσαντος εἰς τὸν Πειραιᾶ κεκοσμημένῳ τῷ στόλῳ τοῖς ἀπὸ τῆς νίκης ἀκροστολίοις τὸ μὲν πρῶτον ἀποδοχῆς αὐτὸν ἠξίωσε μεγάλης ὁ Κάσανδρος διὰ τὰς εὐημερίας, μετὰ δὲ ταῦτα ὁρῶν αὐτὸν ὄγκου πλήρη καὶ πεφρονηματισμένον, ἔτι δὲ τὴν Μουνυχίαν διὰ τῶν ἑαυτοῦ στρατιωτῶν φρουροῦντα, κρίνας αὐτὸν ἀλλότρια φρονεῖν ἐδόλοφόνησεν. ἐστράτευσεν δὲ καὶ εἰς Μακεδονίαν καὶ πολλοὺς ἔσχε τῶν ἐγχωρίων ἀφισταμένους πρὸς αὐτόν. [2] ὁμοίως δὲ καὶ εἰς τὰς Ἑλληνίδας πόλεις

ἐνέπεσέν τις ὁρμὴ τῆς Ἀντιπάτρου συμμαχίας. ὁ μὲν γὰρ Πολυπέρχων ἀργῶς ἐδόκει καὶ ἀφρόνως προστατεῖν τῆς τε βασιλείας καὶ τῶν συμμάχων, ὁ δὲ Κάσανδρος ἐπιεικῶς [p. 426] προσφερόμενος πᾶσι καὶ κατὰ τὰς πράξεις ἐνεργὸς ὢν πολλοὺς εἶχεν αἵρετιστάς τῆς αὐτοῦ δυναστείας. [3] ἐπεὶ δὲ κατὰ τὸν ἐπόμενον ἐνιαυτὸν Ἀγαθοκλῆς ἐγένετο τύραννος τῶν Συρακοσίων, ταύτην μὲν τὴν βύβλον αὐτοῦ περιγράψομεν κατὰ τὴν ἐν ἀρχῇ πρόθεσιν, τῆς δ' ἐχομένης τὴν ἀρχὴν ἀπὸ τῆς Ἀγαθοκλέους τυραννίδος ποιησάμενοι διέξιμεν τὰς οἰκείας τῇ γραφῇ πράξεις.

BOOK XIX

[p. 1] Τάδε ἔνεστιν ἐν τῇ ἔννεακαιδεκάτῃ τῶν Διοδώρου βύβλων.

α. περὶ τῶν ἀφορμῶν αἷς χρησάμενος Ἀγαθοκλῆς τύραννος ἐγένετο τῶν Συρακουσίων.

β. ὡς οἱ Κροτωνιατῶν φυγάδες ἐπιστρατεύσαντες ἐπὶ τὴν πατρίδα πάντες ἀνῆρέθησαν.

γ. Ὀλυμπιάδος μετὰ τοῦ παιδὸς κάθοδος ἐπὶ τὴν βασιλείαν.

δ. Εὐρυδίκης καὶ Φιλίππου τοῦ βασιλέως ἄλωσης καὶ θάνατος.

ε. ὡς Εὐμενῆς ἔχων τοὺς ἀργυράσπιδας ἀνέβη μὲν εἰς τὰς ἄνω σατραπείας, συνήγαγε δὲ τοὺς τε σατράπας καὶ τὰς δυνάμεις εἰς τὴν Περσίδα.

ς. ὡς Ἄτταλος καὶ Πολέμων μετὰ τῶν συνεπιθεμένων τῇ φυλακῇ ληφθέντες ἀνῆρέθησαν.

ζ. ὡς Ἀντίγονος διώξας Εὐμενῆ περὶ τὸν Κοπράτην ποταμὸν ἡλαττώθη.

η. ὡς εἰς Μηδίαν ἀναζεύξας ἐν ταῖς παρόδοις πολλοὺς ἀπέβαλε τῶν στρατιωτῶν.

θ. παράταξις Ἀντιγόνου πρὸς Εὐμενῆ καὶ τοὺς σατράπας ἐν Παραϊτάκοις.

ι. ἀποχώρησις Ἀντιγόνου μετὰ τῆς δυνάμεως εἰς Μηδίαν πρὸς χειμασίαν.

ια. Κασάνδρου στρατεία εἰς Μακεδονίαν καὶ πολιορκία Ὀλυμπιάδος ἐν Πύδνῃ.

ιβ. ὡς κατεστρατήγησεν Εὐμενῆς τοὺς περὶ Ἀντίγονον διὰ τῆς ἐρήμου πορευομένους. [p. 2]

ιγ. Ἀντιγόνου πορεία διὰ τῆς ἐρήμου ἐπὶ τοὺς πολεμίους καὶ ἐπίθεσις τοῖς ἐν τῇ παραχειμασίᾳ θηρίοις.

ιδ. ὡς παρατάξεως γενομένης Ἀντίγονος ἐκυρίευσεν πάσης τῆς τῶν ἀνταχθέντων δυνάμεως.

ιε. ὡς Εὐμενῆ καὶ τῶν ἄλλων ἡγεμόνων τοὺς ἀλλοτρίως πρὸς αὐτὸν διατεθέντας ἀνέειλεν.

ισ. ὁ γενόμενος ἐν Ῥόδῳ κατακλυσμὸς καὶ τὰ συμβάντα περὶ τὴν πόλιν ἀτυχήματα.

ιζ. Πείθωνος ὑπ' Ἀντιγόνου θάνατος καὶ τῶν δι' αὐτὸν ἀποστάντων εἰς τὴν Μηδίαν ἀναίρεσις.

ιη. Ὀλυμπιάδος ἄλωσης ὑπὸ Κασάνδρου καὶ θάνατος.

ιθ. ὡς Κάσανδρος Θεσσαλονίκην ἔγημε τὴν Φιλίππου τοῦ Ἀμύντου, ἐπώνυμον δ' ἑαυτοῦ πόλιν ἔκτισεν ἐπὶ τῆς Παλλήνης.

κ. ὡς Πολυπέρχων ἀπογνοὺς τὰ πρὸς τοὺς βασιλεῖς ἔφυγεν εἰς τὴν Αἰτωλίαν.

κα. ὡς Κάσανδρος τὴν τῶν Θηβαίων πόλιν ὑπ' Ἀλεξάνδρου κατεσκαμμένην ἀποκατέστησε.

κβ. περὶ τῶν ἐν τοῖς ἀρχαίοις χρόνοις συμβάντων τῇ πόλει τῶν Θηβαίων καὶ ποσάκις ἀνάστατος ἐγένετο.

κγ. περὶ τῶν πραχθέντων Κασάνδρῳ κατὰ Πελοπόννησον.

κδ. Ἀντιγόνου μετὰ τῆς δυνάμεως κατάβασις ἐπὶ θάλατταν καὶ φυγὴ

Σελεύκου πρὸς Πτολεμαῖον εἰς Αἴγυπτον.

κε. σύνθεσις Πτολεμαίου καὶ Σελεύκου καὶ Κασάνδρου, πρὸς δὲ τούτοις καὶ Λυσιμάχου πρὸς τὸν κατ' Ἀντιγόνου πόλεμον.

κς. ὡς Ἀντίγονος ναῦς τε πολλὰς ἐναυπηγήσατο καὶ στρατηγούς ἀπέστειλεν εἰς τε τὴν Ἑλλάδα καὶ τὸν Πόντον.

κζ. ὡς πρὸς Ἀλέξανδρον τὸν Πολυπέρχοντος φιλίαν συνέθετο καὶ Τύρον ἐξεπολιόρκησε καὶ ὡς Ἀλέξανδρος μετέθετο πρὸς Κασάνδρον.

κη. ὡς Πολύκλειτος ὁ Πτολεμαίου ναύαρχος ἐνίκησε τοὺς Ἀντιγόνου στρατηγούς καὶ κατὰ γῆν καὶ κατὰ θάλατταν. [p. 3]

κθ. περὶ τῆς Ἀγαθοκλέους στρατείας ἐπὶ Μεσσηνίους καὶ τῆς μεσιτευθείσης εἰρήνης ὑπὸ Καρχηδονίων.

λ. Νουκερίας ἀπόστασις ἀπὸ Ῥωμαίων.

λα. τὰ πραχθέντα τοῖς Ἀντιγόνου καὶ Κασάνδρου στρατηγοῖς περὶ τὴν Ἑλλάδα.

λβ. Κασάνδρου στρατεία εἰς τὴν Αἰτωλίαν καὶ τοὺς κατὰ τὸν Ἀδρίαν τόπους.

λγ. ἄλωσις περὶ Καρίαν τῆς ἀποσταλείσης ὑπὸ Κασάνδρου δυνάμεως.

λδ. ὡς οἱ φυγάδες τῶν Συρακουσίων Ἀκραγαντίους πείσαντες πολεμεῖν Ἀγαθοκλεῖ στρατηγὸν ἐκ Λακεδαιμόνος Ἀκρότατον μετεπέμψαντο.

λε. ὡς οὗτος μὲν παραλαβὼν τὴν ἡγεμονίαν τυραννικῶς ἄρχων διεγένετο, οἱ δ' Ἀκραγαντίνοι τὴν εἰρήνην ἐποιήσαντο πρὸς τὸν δυνάστην.

λς. τὰ πραχθέντα Ῥωμαίοις περὶ τὴν Ἰαπυγίαν.

λζ. Καλλαντιανῶν ἀπόστασις ἀπὸ Λυσιμάχου καὶ τὰ συμβάντα τοῖς ἐπὶ τὴν βοήθειαν ἀποσταλεῖσιν ὑπ' Ἀντιγόνου.

λη. ὡς Φίλιππος ἀποσταλεῖς ὑπὸ Κασάνδρου στρατηγὸς εἰς τὴν Αἰτωλίαν ἐνίκησεν Αἰτωλοὺς ἅμα καὶ τοὺς Ἑπειρώτας.

λθ. ὡς Ῥωμαῖοι μάχῃ νικήσαντες Σαμνίτας μετ' ὀλίγον Καμπανοὺς ἀποστάντας προσηγάγοντο.

μ. ὡς Ἀντίγονος Πολέμωνα στρατηγὸν ἐξαπέστειλε μετὰ δυνάμεως ἐλευθερώσοντα τοὺς Ἑλληνας καὶ τὰ πραχθέντα περὶ τὴν Ἑλλάδα.

μα. ἀπόστασις Κυρηναίων καὶ ἄλωσις, ἔτι δὲ Πτολεμαίου στρατεία εἰς Κύπρον καὶ Συρίαν.

μβ. μάχῃ Δημητρίου πρὸς Πτολεμαῖον καὶ νίκη Πτολεμαίου.

μγ. ἀπόστασις Τελεσφόρου τοῦ στρατηγοῦ ἀπὸ Ἀντιγόνου.

μδ. τὰ περὶ τὴν Ἥπειρον καὶ τὸν Ἀδρίαν πραχθέντα Κασάνδρῳ. [p. 4]

με. ὡς Σέλευκος παρὰ Πτολεμαίου λαβὼν δύναμιν ὀλίγην ἐκράτησε Βαβυλῶνος καὶ τὴν προϋπάρχουσαν αὐτῷ σατραπείαν ἀνέσώσατο.

μς. ὡς Ἀντίγονος ἀκινδύνως παραλαβὼν Κοίλην Συρίαν δύναμιν ἐξέπεμψεν εἰς τὴν Ἀραβίαν.

μζ. περὶ τῶν νομίμων οἷς χρᾶται τὰ ἔθνη τῶν Ἀράβων.

μη. περὶ τῆς καλουμένης Ασφαλτίτιδος λίμνης.

μθ. ὡς Ἀντίγονος τὸν υἱὸν Δημήτριον ἐξαπέστειλε μετὰ τῆς δυνάμεως εἰς τὴν Βαβυλωνίαν.

ν. περὶ τῶν πραχθέντων Ῥωμαίοις καὶ Σαμνίταις.

να. ὡς Ἀγαθοκλῆς Μεσσηνίους παρακρουσάμενος τῆς πόλεως ἐκυρίευσεν.
νβ. ὡς τοὺς ἀντιταξαμένους Μεσσηνίων καὶ Ταυρομενιτῶν, ἔτι δὲ
Κεντοριπίνων ἀπέσφαξεν.

νγ. ὡς Ἀγαθοκλῆς Δεινοκράτη καὶ τοὺς φυγάδας περὶ Γαλαρίαν ἐνίκησεν.

νδ. Ῥωξάνης καὶ Ἀλεξάνδρου τοῦ βασιλέως θάνατος.

νε. τὰ πραχθέντα Ῥωμαίοις κατὰ τὴν Ἰταλίαν.

νς. περὶ τῆς γενομένης τοῖς Καρχηδονίοις ναυαγίας.

νζ. ὡς Καρχηδόνιοι περὶ τὸν Ἰμέραν Ἀγαθοκλέα παρατάξει νικήσαντες
συνέκλεισαν εἰς τὰς Συρακούσας.

[p. 5] παλαιός τις παραδέδοται λόγος ὅτι τὰς δημοκρατίας οὐχ οἱ τυχόντες
τῶν ἀνθρώπων, ἀλλ' οἱ ταῖς ὑπεροχαῖς προέχοντες καταλύουσι. διὸ καὶ τῶν
πόλεων ἔναι τοὺς ἰσχύοντας μάλιστα τῶν πολιτευομένων ὑποπτεύουσαι
καθαίρουσιν αὐτῶν τὰς ἐπιφανείας. [2] σύνεγγυς γὰρ ἡ μετάβασις εἶναι δοκεῖ
τοῖς ἐν ἐξουσίᾳ μένουσιν ἐπὶ τὴν τῆς πατρίδος καταδουλώσιν καὶ δυσχερὲς
ἀποσχέσθαι μοναρχίας τοῖς δι' ὑπεροχὴν τὰς τοῦ κρατήσιν ἐλπίδας
περιπεποιημένοις: [3] ἔμφυτον γὰρ εἶναι τὸ πλεονεκτεῖν τοῖς μειζόνων
ὀρεγομένοις καὶ τὰς ἐπιθυμίας ἔχειν ἀτερματίστους. τοιγαροῦν Ἀθηναῖοι μὲν
διὰ ταύτας τὰς αἰτίας τοὺς πρωτεύοντας τῶν πολιτῶν ἐφυγάδευσαν, τὸν
λεγόμενον παρ' αὐτοῖς ἐξοστρακισμόν νομοθετήσαντες. καὶ τοῦτ' ἔπραττον
οὐχ ἵνα τῶν προγεγενημένων ἀδικημάτων λάβωσι τιμωρίαν, ἀλλ' ὅπως τοῖς
δυναμένοις παρανομεῖν ἐξουσία μὴ γένηται κατὰ τῆς πατρίδος ἐξαμαρτεῖν. [4]
τῆς γὰρ Σόλωνος φωνῆς ὥσπερ χρησιμοῦ τινος ἐμνημόνευον, ἐν οἷς περὶ τῆς
Πεισιστράτου τυραννίδος προλέγων ἔθηκε τόδε τὸ ἐλεγεῖον [p. 6] »ἀνδρῶν ἐκ
μεγάλων πόλις ὄλλυται, εἰς δὲ τυράννου δῆμος αἰδρίῃ δουλοσύνην
ἔπεσεν.« [5] μάλιστα δὲ πάντων ἐπεπόλασεν ἡ πρὸς τὰς μοναρχίας ὁρμὴ περὶ
Σικελίαν πρὸ τοῦ Ῥωμαίους κυριεῦσαι ταύτης τῆς νήσου: αἱ γὰρ πόλεις ταῖς
δημαγωγίαις ἐξαπατῶμεναι μέχρι τούτου τοὺς ἀσθενεῖς ἰσχυροὺς
κατεσκεύαζον, ἕως δεσπόται γένωνται τῶν ἐξαπατηθέντων. [6] ιδιώτατα δὲ
πάντων Ἀγαθοκλῆς ἐτυράννησε τῶν Συρακοσίων, ἀφορμαῖς μὲν ἐλαχίσταις
χρησάμενος, ἀτυχήμασι δὲ μεγίστοις περιβαλὼν οὐ τὰς Συρακούσας μόνον,
ἀλλὰ καὶ πᾶσαν Σικελίαν τε καὶ Λιβύην. [7] δι' ἀπορίαν γὰρ βίου καὶ
πραγμάτων ἀσθένειαν τὴν κεραμευτικὴν τέχνην μεταχειρισάμενος εἰς τοῦτο
προῆλθε δυνάμειος ἅμα καὶ μαιφονίας ὥστε καταδουλώσασθαι μὲν τὴν
μεγίστην καὶ καλλίστην τῶν πασῶν νήσων, κατακτήσασθαι δὲ χρόνον τινὰ
τῆς τε Λιβύης τὴν πλείστην καὶ μέρη τῆς Ἰταλίας, ὕβρεως δὲ καὶ σφαγῆς
ἐμπλῆσαι τὰς κατὰ Σικελίαν πόλεις. [8] οὐδεὶς γὰρ τῶν πρὸ τούτου τυράννων
ἐπετελέσατό τι τοιοῦτον οὔτε τοιαύτην ὠμότητα κατὰ τῶν ὑποτεταγμένων
ἔσχε. τοὺς μὲν γὰρ ιδιώτας ἐκόλαζε πᾶσαν τὴν συγγένειαν ἀποσφάττων, παρὰ
δὲ τῶν πόλεων τὰς εὐθύνας ἐλάμβανεν ἡβηδὸν μαιφονῶν καὶ δι' ὀλίγους τῶν
ἐγκαλουμένων τοὺς πολλοὺς καὶ μηδ' ὅτιοῦν ἀδικήσαντας ἀναγκάζων τὴν
αὐτὴν ἀναδέχεσθαι συμφορὰν πανδημεὶ τῶν πόλεων [p. 7] θάνατον
κατεγίνωσκεν. [9] ἀλλὰ γὰρ τῆς βύβλου ταύτης σὺν τοῖς ἄλλοις περιεχούσης
καὶ τὴν τυραννίδα τὴν Ἀγαθοκλέους ἀφιέμενοι τὸ περὶ αὐτῆς προλέγειν τὰ
συνεχῇ τοῖς προειρημένους προσθήσομεν, παραθέντες πρότερον τοὺς οἰκείους

τῇ γραφῇ χρόνους. [10] ἐν μὲν οὖν ταῖς προειρημέναις ὀκτωκαίδεκα βίβλοις ἀνεγράψαμεν τὰς ἀπὸ τῶν ἀρχαιοτάτων χρόνων πράξεις τὰς γεγενημένας ἐν τοῖς γνωριζομένοις μέρεσι τῆς οἰκουμένης, ἐφ' ὅσον ἡμῖν δύναμις, ἄχρι πρὸς τὸν ἐνιαυτὸν τὸν πρὸ τῆς Ἀγαθοκλέους τυραννίδος, εἰς ὃν ἀπὸ Τροίας ἀλώσεως ἔτη συνάγεται ὀκτακόσια ἐξήκοντα ἕξ: ἐν δὲ ταύτῃ τὴν ἀρχὴν ἀπὸ τῆς δυναστείας ταύτης ποιησάμενοι καταλήξομεν εἰς τὴν ἐφ' Ἱμέρα μάχην Ἀγαθοκλεῖ πρὸς Καρχηδονίους, περιλαβόντες ἔτη ἑπτά.

ἐπ' ἄρχοντος γὰρ Ἀθήνησι Δημογένους Ῥωμαῖοι μὲν κατέστησαν ὑπάτους Λεύκιον Πλώτιον καὶ Μάνιον Φούλβιον, Ἀγαθοκλῆς δ' ὁ Συρακόσιος τύραννος ἐγένετο τῆς πόλεως. ἔνεκα δὲ τοῦ σαφεστεράς γενέσθαι τὰς κατὰ μέρος πράξεις βραχέα προαναληψόμεθα περὶ τοῦ προειρημένου δυνάστου. [2] Καρκῖνος ὁ Ῥηγῖνος φυγὰς γενόμενος ἐκ τῆς πατρίδος κατόκησεν ἐν Θέρμοις τῆς Σικελίας, τεταγμένης τῆς πόλεως ταύτης ὑπὸ Καρχηδονίους. ἐμπλακεῖς δὲ τῶν ἐγχωρίων τινὶ γυναικὶ καὶ ποιήσας αὐτὴν [p. 8] ἔγκυον συνεχῶς κατὰ τοὺς ὕπνους ἐταράττετο. [3] διόπερ ἀγωνιῶν ὑπὲρ τῆς παιδοποιίας ἔδωκεν ἐντολὰς Καρχηδονίοις τισὶ θεωροῖς ἀναγομένοις εἰς Δελφοὺς ἐπερωτῆσαι τὸν θεὸν περὶ τοῦ γεννηθησομένου βρέφους. ὧν ἐπιμελῶς τὸ παρακληθὲν πραξάντων ἐξέπεσε χρησμός ὅτι μεγάλων ἀτυχημάτων ὁ γεννηθεὶς αἴτιος ἔσται Καρχηδονίοις καὶ πάσῃ Σικελίᾳ. [4] ἃ δὴ πυθόμενος καὶ φοβηθεὶς ἐξέθηκε τὸ παιδίον δημοσίᾳ καὶ τοὺς τηρήσοντας ἵνα τελευτήσῃ παρακατέστησεν. διελθουσῶν δὲ τινων ἡμερῶν τὸ μὲν οὐκ ἀπέθνησκεν, οἱ τεταγμένοι δ' ἐπὶ τῆς φυλακῆς ὠλιγώρουν. [5] καθ' ὃν δὴ χρόνον ἡ μήτηρ νυκτὸς παρελθοῦσα λάθρα τὸ παιδίον ἀνείλετο καὶ πρὸς αὐτὴν μὲν οὐκ ἀπήνεγκε, φοβουμένη τὸν ἄνδρα, πρὸς δὲ τὸν ἀδελφὸν Ἡρακλείδην καταθεμένη προσηγόρευσεν Ἀγαθοκλέα, τὴν ὁμωνυμίαν εἰς τὸν ἑαυτῆς ἀνενέγκασα πατέρα. [6] παρ' ᾧ τρεφόμενος ὁ παῖς ἐξέβη τὴν τε ὄψιν εὐπρεπῆς καὶ τὸ σῶμα εὐρωστος πολὺ μᾶλλον ἢ κατὰ τὴν ἡλικίαν. ἑπταετοῦς δ' ὄντος αὐτοῦ παρακληθεὶς ὁ Καρκῖνος ὑφ' Ἡρακλείδου πρὸς τινα θυσίαν καὶ θεασάμενος τὸν Ἀγαθοκλέα παίζοντα μετὰ τινων ἡλικιωτῶν ἐθαύμαζε τό τε κάλλος καὶ τὴν ῥώμην, τῆς τε γυναικὸς εἰπούσης ὅτι τηλικούτος ἂν ἦν ὁ ἐκτεθείς, εἴπερ ἐτράφη, μεταμέλεσθαί τε ἔφη τοῖς πραχθεῖσι καὶ συνεχῶς ἐδάκρυεν. [7] εἰθ' ἡ μὲν γνοῦσα τὴν ὁρμὴν τάνδρὸς συμφωνοῦσαν τοῖς πεπραγμένοις ἐξέθηκε πᾶσαν τὴν ἀλήθειαν. ὁ δ' ἀσμένως προσδεξάμενος τοὺς λόγους τὸν μὲν υἱὸν ἀπέλαβε, [p. 9] τοὺς δὲ Καρχηδονίους φοβούμενος μετόκησεν εἰς Συρακούσας πανοίκιος: πένης δ' ὧν ἐδίδαξε τὸν Ἀγαθοκλέα τὴν κεραμευτικὴν τέχνην ἔτι παῖδα τὴν ἡλικίαν ὄντα. [8] καθ' ὃν δὴ χρόνον Τιμολέων μὲν ὁ Κορίνθιος νικήσας τὴν ἐπὶ τῷ Κρημισσῶ μάχην τοὺς Καρχηδονίους μετέδωκε τῆς ἐν Συρακούσαις πολιτείας πᾶσι τοῖς βουλομένοις. ὁ δὲ Καρκῖνος μετ' Ἀγαθοκλέους πολιτογραφηθεὶς καὶ μετὰ ταῦτα ὀλίγον βιώσας χρόνον ἐτελεύτησεν. [9] ἡ δὲ μήτηρ ἀνέθηκεν λιθίνην εἰκόνα τοῦ παιδὸς ἐν τινι τεμένει, πρὸς ἣν μελισσῶν ἔσμός προσκαθίσας ἐκπροπλάστησεν ἐπὶ τῶν ἰσχύων. τοῦ δὲ σημείου προσενεχθέντος τοῖς περὶ ταῦτ' ἀσχολουμένοις ἀπεφάναντο πάντες κατὰ τὴν ἀκμὴν ἥξειν αὐτὸν εἰς μεγάλην ἐπιφάνειαν: ὅπερ καὶ συνετελέσθη.

Δάμας γάρ τις τῶν ἐνδόξων ἀριθμούμενος ἐν Συρακούσαις ἐρωτικῶς διετέθη πρὸς τὸν Ἀγαθοκλέα καὶ τὸ μὲν πρῶτον δαφυλῶς ἅπαντα χορηγῶν αἴτιος ἐγένετο σύμμετρον αὐτὸν οὐσίαν συλλέξασθαι, μετὰ δὲ ταῦτα αἰρεθείς ἐπ' Ἀκράγαντα στρατηγός, ἐπειδὴ τῶν χιλιάρχων τις ἀπέθανεν, τοῦτον εἰς τὸν ἐκείνου τόπον κατέστησεν. [2] ὁ δὲ καὶ πρὸ τῆς στρατείας μὲν ἦν πολύσεμνος διὰ τὸ μέγεθος τῶν ὀπλῶν: ἐπετήδευσε γὰρ ἐν ταῖς ἐξοπλάσαις φορεῖν πανοπλίαν τηλικαύτην τὸ [p. 10] μέγεθος ὥστε μηδένα τῶν ἄλλων δύνασθαι ῥαδίως χρῆσθαι τῷ βάρει τῶν ὀπλῶν: πολὺ δ' ἔτι μᾶλλον γενόμενος χιλιάρχος περιποιήσατο δόξαν, φιλοκίνδυνος μὲν ὢν καὶ παράβολος ἐν ταῖς μάχαις, ἰταμὸς δὲ καὶ πρόχειρος ἐν ταῖς δημηγοίαις. τοῦ δὲ Δάμαντος νόσφ' τελευτήσαντος καὶ τὴν οὐσίαν καταλιπόντος τῇ γυναικὶ ταύτῃ ἐγῆμε καὶ τῶν πλουσιωτάτων εἰς ἥριθμεῖτο. [3] μετὰ δὲ ταῦτα Κροτωνιάταις πολιορκουμένοις ὑπὸ Βρεττιῶν οἱ Συρακόσιοι δύναμιν ἀδρὰν ἐπεμψαν, ἧς ἐστρατήγει μὲν μεθ' ἐτέρων Ἄντανδρος ὁ Ἀγαθοκλέους ἀδελφός, τῶν δ' ὅλων εἶχε τὴν ἡγεμονίαν Ἡρακλείδης καὶ Σώστρατος, ἄνδρες ἐν ἐπιβουλαῖς καὶ φόνοις καὶ μεγάλοις ἀσεβήμασι γεγονότες τὸν πλείω τοῦ βίου: περὶ ὧν τὰ κατὰ μέρος ἢ πρὸ ταύτης περιέχει βύβλος. [4] συνεστρατεύετο δ' αὐτοῖς καὶ Ἀγαθοκλῆς, ἐγνωσμένος ὑπὸ τοῦ δήμου καὶ τεταγμένος ἐπὶ χιλιαρχικῆς ἡγεμονίας, ὃς τὸ μὲν πρῶτον ἐν ταῖς πρὸς τοὺς βαρβάρους μάχαις γενόμενος κράτιστος ὑπὸ τῶν περὶ Σώστρατον ἀφηρέθη τὴν τῶν ἀριστείων τιμὴν διὰ τὸν φθόνον. [5] ἐφ' οἷς περιαλγῆς γενόμενος αὐτοὺς ὡς διεγνωκότας ἐπιθέσθαι τυραννίδι κατηγόρησεν ἐν τῷ δήμῳ. οὐ προσεχόντων δὲ τῶν Συρακοσίων ταῖς διαβολαῖς οἱ μὲν περὶ Σώστρατον ἐδυνάστευσαν τῆς πατρίδος μετὰ τὴν ἐκ Κρότωνος ἐπάνοδον.

ὁ δ' [p. 11] Ἀγαθοκλῆς ἁλλοτρίως ἔχων τὰ πρὸς αὐτοὺς τὸ μὲν πρῶτον κατέμενε ἐν Ἰταλίᾳ μετὰ τῶν κοινοπραγούντων καὶ καταλαμβάνεσθαι τὴν τῶν Κροτωνιατῶν πόλιν ἐπιχειρήσας ἐξέπεσε καὶ μετ' ὀλίγων εἰς Τάραντα διεσώθη. ταχθεὶς δὲ παρὰ τοῖς Ταραντίνοις ἐν τῇ τῶν μισθοφόρων τάξει καὶ πολλαῖς καὶ παραβόλοις ἐγχειρῶν πράξεσιν εἰς ὑποψίαν ἦλθε καινοτομεῖν. [2] διόπερ' ἀπολυθεὶς καὶ ταύτης τῆς στρατείας συνήθροισε τοὺς κατὰ τὴν Ἰταλίαν φυγάδας καὶ Ῥηγίνοις πολεμουμένοις ὑπὸ τῶν περὶ τὸν Ἡρακλείδην καὶ Σώστρατον ἐβοήθησεν. [3] ἔπειτα τῆς ἐν Συρακούσαις δυναστείας καταλυθείσης καὶ τῶν περὶ τὸν Σώστρατον φυγόντων κατῆλθεν εἰς τὴν πατρίδα. συνεκπεσόντων δὲ τοῖς δυνάσταις πολλῶν ἐνδόξων ἀνδρῶν, ὡς ἂν τῆς ὀλιγαρχίας κενοινωνηκότων τῆς τῶν ἑξακοσίων τῶν ἐπιφανεστάτων, ἐνέστη πόλεμος τοῖς φυγάσι πρὸς τοὺς ἀντεχομένους τῆς δημοκρατίας. συμμαχοῦντων δὲ τῶν Καρχηδονίων τοῖς περὶ τὸν Σώστρατον φυγάσιν ἐγίνοντο κίνδυνοι συνεχεῖς καὶ παρατάξεις ἀδρῶν δυνάμεων, ἐν αἷς Ἀγαθοκλῆς, ποτὲ μὲν ιδιώτης ὢν, ποτὲ δὲ ἐφ' ἡγεμονίας τεταγμένος, ὑπελήφθη δραστικὸς εἶναι καὶ φιλότεχνος ἐκ τοῦ πρὸς ἕκαστον τῶν καιρῶν ἐπινοεῖσθαι τι τῶν χρησίμων: ὧν ἐν ἔπραξε καὶ μάλα μνήμης ἄξιον. [4] στρατοπεδεύοντων γάρ ποτε τῶν Συρακοσίων πλησίον τῆς Γέλας αὐτὸς μὲν νυκτὸς παρεισέπεσεν εἰς τὴν πόλιν μετὰ χιλίων στρατιωτῶν, οἱ [p. 12] δὲ περὶ τὸν Σώστρατον ἐπιφανέντες μετὰ μεγάλῃς καὶ τεταγμένης δυνάμεως

ἐτρέψαντο τοὺς παρεισπεπτωκότας καὶ κατέβαλον εἰς τριακοσίους. [5] τῶν δ' ἄλλων ἐπιβαλομένων μὲν φεύγειν διὰ τινος στενοῦ τόπου καὶ τὴν σωτηρίαν ἀπεγνωκότων παραδόξως αὐτοὺς Ἀγαθοκλῆς ἐκ τῶν κινδύνων ἐρρύσατο. [6] αὐτὸς μὲν γὰρ λαμπρότατα πάντων ἀγωνισάμενος ἑπτὰ τραύμασι περιέπεσε καὶ διὰ τὸ πλῆθος τοῦ ῥύντος αἵματος τὸ σῶμα παρελύετο: τῶν δὲ πολεμίων ἐπικειμένων παρήγγειλε τοῖς σαλπικταῖς ἐπ' ἀμφοτέρα τὰ μέρη τοῦ τείχους παρελθόντας σημαίνειν τὸ πολεμικόν. [7] ὧν ταχέως τὸ ῥηθὲν πραξάντων οἱ προσβοηθήσαντες ἐκ τῆς Γέλας τὸ μὲν ἀληθὲς διὰ τὸ σκότος οὐκ ἠδύναντο συνιδεῖν, ὑπολαβόντες δὲ τὴν ἄλλην δύναμιν τῶν Συρακοσίων κατ' ἀμφοτέρα τὰ μέρη παρεισπεπτωκέναι τοῦ μὲν ἔτι διώκειν ἀπέστησαν, διελόμενοι δὲ τὰς τάξεις διχῇ ταχέως ἐβοήθουν, συντρέχοντες πρὸς τὸν ἦχον τῶν σαλπικτῶν. ἐν τοσοῦτῳ δὲ τυχόντες ἀνοχῆς οἱ περὶ τὸν Ἀγαθοκλέα μετὰ πάσης ἀσφαλείας διεσώθησαν εἰς τὸν χάρακα. ἐνταῦθα μὲν οὖν τοῦτον τὸν τρόπον καταστρατηγήσας τοὺς πολεμίους οὐ μόνον τοὺς σὺν αὐτῷ παραδόξως ἔσωσεν, ἀλλὰ καὶ τῶν συμμάχων ἑπτακοσίους ἄνδρας.

μετὰ δὲ ταῦτα ἐν ταῖς Συρακούσαις αἰρεθέντος Ἀκεστορίδου τοῦ Κορινθίου στρατηγοῦ δόξας ἐπιθέσθαι τυραννίδι διὰ τὴν σύνεσιν ἐξέφυγε τὸν κίνδυνον. ὁ μὲν γὰρ Ἀκεστορίδης εὐλαβηθεὶς τὴν στάσιν [p. 13] καὶ διὰ τοῦτο οὐ βουλόμενος αὐτὸν φανερῶς ἀνελεῖν ἐκέλευεν ἐκ τῆς πόλεως μεταστῆναι καὶ τοὺς νυκτὸς κατὰ τὴν ὁδὸν ἀποκτενοῦντας ἐξαπέστειλεν. [2] Ἀγαθοκλῆς δὲ καταστοχασάμενος πιθανῶς τὴν ἐπίνοιαν τοῦ στρατηγοῦ τῶν παίδων ἐξελέξατο τὸν ἑαυτῷ μάλιστα ἐοικότα καὶ κατὰ τὸ μέγεθος τοῦ σώματος καὶ κατὰ τὴν ὄψιν: τούτῳ δὲ δοὺς τὴν ἑαυτοῦ πανοπλίαν καὶ τὸν ἵππον, ἔτι δὲ τὴν ἐσθῆτα παρεκρούσατο τοὺς ἐπὶ τὴν ἀναίρεσιν ἀποσταλέντας. [3] αὐτὸς δὲ ῥάκη περιβαλλόμενος ἀνοδίᾳ τὴν ὁδοιπορίαν ἐποίησατο. ἐκεῖνοι δὲ ἀπὸ τῶν ὅπλων καὶ τῶν ἄλλων συσσήμων ὑπολαβόντες εἶναι τὸν Ἀγαθοκλέα καὶ τὰκριβὲς διὰ τὸ σκότος οὐ συνιδόντες τὸν μὲν φόνον ἐπετέλεσαν, τῆς δὲ προκεχειρισμένης πράξεως διήμαρτον. [4] μετὰ δὲ ταῦτα τῶν Συρακοσίων καταδεξαμένων τοὺς μετὰ Σωστράτου φηγάδας καὶ πρὸς Καρχηδονίους εἰρήνην συνθεμένων Ἀγαθοκλῆς φυγὰς ὧν ἰδίαν δύναμιν ἐν τῇ μεσογείῳ συνεστήσατο. γενόμενος δὲ φοβερὸς οὐ μόνον τοῖς πολίταις, ἀλλὰ καὶ τοῖς Καρχηδονίοις ἐπέισθη κατελθεῖν εἰς τὴν πατρίδα καὶ παραχθεὶς εἰς τὸ τῆς Δήμητρος ἱερὸν ὑπὸ τῶν πολιτῶν ὥμοσε μηδὲν ἐναντιωθήσεσθαι τῇ δημοκρατίᾳ. [5] προσποιηθεὶς δὲ τῆς δημοκρατίας προῖτασθαι καὶ δημαγωγήσας ποικίλως τὰ πλήθη στρατηγὸς κατεστάθη καὶ φύλαξ τῆς εἰρήνης, μέχρι ἂν γνησίως ὁμονοήσωσιν οἱ συνελλυθέντες εἰς τὴν πόλιν. [6] εἰς πολλὰ γὰρ μέρη συνέβαινε διαιρεῖσθαι [p. 14] τὰς ἐταιρίας τῶν συνιόντων καὶ πρὸς ἀλλήλους ἐκάστοις εἶναι μεγάλας διαφοράς, μέγιστον δ' ἦν ἀντίταγμα τοῖς περὶ τὸν Ἀγαθοκλέα τὸ τῶν ἐξακοσίων συνέδριον, κατὰ τὴν ὀλιγαρχίαν ὑψηγμένον τῆς πόλεως: οἱ προέχοντες γὰρ τῶν Συρακοσίων ταῖς δόξαις καὶ ταῖς οὐσίαις ἐν τούτοις ὑπῆρχον καταλελεγμένοι.

ὁ δ' οὖν Ἀγαθοκλῆς ἐπιθυμητῆς ὧν δυναστείας πολλὰς ἀφορμὰς ἔσχεν εἰς τὸ συντελέσαι τὸ βουλευθέν. οὐ μόνον γὰρ στρατηγὸς ὧν κύριος τῆς δυνάμεως ἦν, ἀλλὰ καὶ προσαγγεληέντος ὅτι τινὲς τῶν ἀποστατῶν ἐν τῇ

μεσογείῳ πρὸς Ἑρβίτῃ συνάγουσι δύναμιν, ἐξουσίαν ἔλαβεν ἀνυπόπτως καταγράφειν οὓς προαιροῖτο στρατιώτας. [2] διὸ καὶ προσποιηθεὶς στρατεύειν ἐπὶ τὴν Ἑρβίταν κατέλεξεν εἰς τάξεις τοὺς τ' ἐκ Μοργαντίνης καὶ τῶν ἄλλων τῶν ἐν τῇ μεσογείῳ πόλεων τοὺς αὐτῷ πρότερον συμπορευθέντας πρὸς Καρχηδονίους. [3] οὗτοι γὰρ πάντες πρὸς Ἀγαθοκλέα μὲν εὐνούστατα διέκειντο, πολλὰ προευεργετημένοι κατὰ τὰς στρατείας, πρὸς δὲ τοὺς ἐν Συρακούσαις ὀλιγαρχίας κεκοινωνηκότας ἐξακοσίους ἀεὶ πολεμικῶς εἶχον καὶ καθόλου τὸν δῆμον ἐμίσουν, ἀναγκαζόμενοι ποιεῖν τὸ προσταττόμενον. τούτων δ' ὄντων μὲν τὸν ἀριθμὸν εἰς τρισχιλίους, ταῖς δ' ὁρμαῖς καὶ ταῖς προαιρέσεσιν εὐθετωτάτων πρὸς τὴν κατάλυσιν τῆς δημοκρατίας προσεπελέξατο καὶ τῶν πολιτῶν τοὺς διὰ πενίαν καὶ φθόνον ἐναντιουμένους [p. 15] ταῖς τῶν ἰσχυόντων ἐπιφανείαις. [4] ὥς δ' αὐτῷ πάντ' ἦν εὐτρεπῆ, τοῖς μὲν στρατιώταις παρήγγειλεν ἀπαντᾶν ἅμ' ἡμέρᾳ εἰς τὸ Τιμολεόντιον, αὐτὸς δὲ μεταπεμπόμενος τοὺς περὶ Πείσαρχον καὶ Διοκλέα, τοὺς δοκοῦντας προεστάναι τῆς τῶν ἐξακοσίων ἐταιρίας, ὥς περὶ τινων κοινῇ συμφερόντων διαλεξόμενος, ἐπειδὴ παρεγένοντο παραλαβόντες τῶν φίλων εἰς τεσσαράκοντα, προσποιηθεὶς ἑαυτὸν ἐπιβουλεύεσθαι συνελάμβανεν ἅπαντας καὶ κατηγορήσας μὲν αὐτῶν ἐν τοῖς στρατιώταις, φήσας ὑπὸ τῶν ἐξακοσίων ἀρπάζεσθαι διὰ τὴν πρὸς τὸν δῆμον εὐνοίαν, καὶ κατωδύρετο τὴν περὶ αὐτὸν τύχην. [5] παροξυνομένου δὲ τοῦ πλήθους καὶ βοῶντος μηκέτι μέλλειν, ἀλλ' ἐκ χειρὸς ἐπιθεῖναι τοῖς ἀδικήσασιν τὴν δίκην, τοῖς μὲν σαλπικταῖς παρήγγειλε σημαίνειν τὸ πολεμικόν, τοῖς δὲ στρατιώταις ἀναιρεῖν τοὺς αἰτίους καὶ διαρπάζειν τὰς κτήσεις τῶν ἐξακοσίων καὶ τῶν τούτοις κοινοπραγούντων. [6] ὁρμησάντων δὲ πάντων ἐπὶ τὴν ἀρπαγὴν ἡ πόλις ἐπληρώθη ταραχῆς καὶ μεγάλων ἀτυχημάτων: οἱ μὲν γὰρ χαριέστατοι τῶν πολιτῶν, ἀγνοοῦντες τὸν καθ' αὐτῶν κεκυρωμένον ὄλεθρον, ἐξεπῆδον ἐκ τῶν οἰκιῶν εἰς τὰς ὁδοὺς, μαθεῖν σπεύδοντες τὸν θόρυβον, οἱ δὲ στρατιῶται τὰ μὲν διὰ τὴν πλεονεξίαν, τὰ δὲ διὰ τὸν θυμὸν ἡγριωμένοι τὰς ψυχὰς ἀνήρουν τοὺς διὰ τὴν ἄγνοιαν γυμνὰ τὰ σώματα τῶν ἀμυνομένων ὅπλων [p. 16] παρεχομένους.

διαληφθέντων δὲ τῶν στενωπῶν κατὰ μέρος ὑπὸ τῶν στρατιωτῶν οἱ μὲν κατὰ τὰς ὁδοὺς, οἱ δ' ἐν ταῖς οἰκίαις ἐφονεύοντο. πολλοὶ δὲ καὶ τῶν μηδ' ὅτιοις διαβεβλημένων ἀνηροῦντο, δεόμενοι μαθεῖν τὴν αἰτίαν τῆς ἀπωλείας. καθωπλισμένον γὰρ πλῆθος ἐξουσίαν προσλαβὼν οὐ διέκρινε φίλον ἢ πολέμιον, ἀλλὰ παρ' οὗ πλέον ὠφεληθήσεσθαι διειλήφει, τοῦτον ἐχθρὸν ἡγεῖτο. [2] διὸ καὶ παρῇν ὁρᾶν πᾶσαν τὴν πόλιν πεπληρωμένην ὕβρεως καὶ φόνων καὶ παντοίων ἀνομημάτων. οἱ μὲν γὰρ διὰ τὰς προὑπαρχούσας ἐχθρας οὐδεμιᾶς ἐπηρείας ἀπείχοντο κατὰ τῶν μισουμένων, ἔχοντες ἐξουσίαν διατιθεῖν πᾶν τὸ κεχαρισμένον τῷ θυμῷ: οἱ δὲ ταῖς τῶν εὐπόρων σφαγαῖς οἰόμενοι τὰς ἰδίας ἀπορίας ἐπανορθώσασθαι πᾶν ἐμηχανῶντο πρὸς τὸν κατ' αὐτῶν ὄλεθρον. [3] οἱ μὲν γὰρ τὰς αὐλίους θύρας ἐξέκοπτον, οἱ δὲ διὰ κλιμάκων ἐπὶ τὰς ὀροφὰς προσανέβαινον, ἄλλοι δὲ διηγωνίζοντο πρὸς τοὺς ἀπὸ τῶν στεγῶν ἀμυνομένους. οὐ μὴν οὐδὲ τοῖς εἰς τὰ τεμένη καταφυγοῦσιν ἢ τῶν θεῶν ἱκετεία παρείχετο τὴν ἀσφάλειαν, ἀλλ' ἡ πρὸς θεοὺς εὐσέβεια ἐνικᾶτο πρὸς ἀνθρώπων. [4] καὶ ταῦτ' ἐτόλμων ἐν εἰρήνῃ καὶ πατρίδι

παρανομῆν Ἑλλήνες καθ' Ἑλλήνων, οἰκεῖοι κατὰ συγγενῶν, οὐ φύσιν, οὐ σπονδάς, οὐ θεοὺς ἐντρεπόμενοι, ἐφ' οἷς οὐχ ὅτι φίλος, ἀλλὰ καὶ παντελῶς ἐχθρός, μέτριός γε τὴν ψυχὴν, οὐκ ἔστιν ὅστις [p. 17]

οὐκ ἂν τὴν τῶν πασχόντων τύχην ἐλεήσειεν. πᾶσαι μὲν γὰρ αἱ πόλεις τῆς πόλεως ἐκλείσθησαν, πλείους δὲ τῶν τετρακισχιλίων ἀνηρέθησαν αὐθημερόν, τοῦτο μόνον ἐγκληθέντες ὅτι χαριέστεροι τῶν ἄλλων ἦσαν. τῶν δὲ φυγόντων οἱ μὲν ἐπὶ τὰς πόλεις ὀρμήσαντες συνελήφθησαν, οἱ δὲ κατὰ τῶν τειχῶν ῥίπτοντες αὐτοὺς εἰς τὰς ἀστυγείτονας πόλεις διεσώθησαν, τινὲς δὲ διὰ τὸν φόβον ἀπρονοήτως ἀλλόμενοι κατεκρημνίσθησαν. [2] τὸ δὲ πλῆθος ἦν τῶν ἐκπεσόντων ἐκ τῆς πατρίδος ὑπὲρ τοὺς ἑξακισχιλίους, ὧν οἱ πλείστοι κατέφυγον πρὸς τοὺς Ἀκραγαντίνους κἀκεῖ τῆς καθηκούσης ἐπιμελείας ἠξιώθησαν. [3] οἱ δὲ περὶ τὸν Ἀγαθοκλέα διημερεύσαντες ἐν τοῖς τῶν πολιτῶν φόνοις οὐδὲ τῆς εἰς γυναῖκας ὕβρεως καὶ παρανομίας ἀπέσχοντο, ἀλλὰ παρὰ τῶν ἐκπεφευγόντων τὸν θάνατον ἱκανὴν ὑπελάμβανον λήψεσθαι τιμωρίαν τὴν εἰς τοὺς συγγενεῖς ἐπήρειαν: δεινότερα γὰρ θανάτου τοὺς μὲν ἄνδρας καὶ πατέρας εἰκὸς ἦν πείσεσθαι γυναικῶν ὕβρεις καὶ παρθένων αἰσχύνas ἀναλογιζομένους. [4] ἀφ' ὧν ἡμῖν περιαιρετέον ἐστὶ τὴν ἐπίθετον καὶ συνήθη τοῖς συγγραφεῦσι τραγωδίαν, μάλιστα μὲν διὰ τὸν τῶν παθόντων ἔλεον, ἔπειτα καὶ διὰ τὸ μηθένα τῶν ἀναγινωσκόντων ἐπιζητεῖν ἀκοῦσαι τὰ κατὰ μέρος, ἐν ἐτοίμῳ τῆς γνώσεως οὔσης. [5] οἱ γὰρ μεθ' ἡμέραν ἐν ταῖς ὁδοῖς καὶ κατὰ τὴν ἀγορὰν σφάττειν τολμῶντες τοὺς μηδὲν ἀδικοῦντας οὐ προσδέονται τοῦ δηλώσοντος τί νύκτωρ ἔπραττον καθ' αὐτοὺς ἐν ταῖς οἰκίαις [p. 18] καὶ πῶς προσεφέροντο παρθένοις ὀρφαναῖς καὶ γυναξὶν ἐρήμοις μὲν οὔσαις τῶν βοηθησόντων, πεπτωκυῖαι δ' ὑπ' ἐξουσίαν αὐτοκράτορα τῶν ἐχθίστων. [6] ὁ δ' Ἀγαθοκλῆς δυεῖν ἡμερῶν διελθουσῶν ἐπειδὴ ποτ' ἐπληρώθη τοῦ κατὰ τῶν πολιτῶν φόνου, τοὺς ζωγρηθέντας ἀθροίσας Δεινοκράτην μὲν ἀφῆκε διὰ τὴν προγεγενημένην φιλίαν, τῶν ἄλλων δὲ τοὺς μὲν ἀλλοτριώτατα διακειμένους ἀνέϊλε, τοὺς δὲ λοιποὺς ἐφυγάδευσε.

μετὰ δὲ ταῦτα συναγαγὼν ἐκκλησίαν κατηγόρησε μὲν τῶν ἑξακοσίων καὶ τῆς ὑπ' αὐτῶν προγεγενημένης ὀλιγαρχίας, καθαρὰν δὲ φήσας τὴν πόλιν πεποιηκέναι τῶν δυναστεύειν ἐπιχειρούντων ἀπεφαίνετο τῷ δήμῳ τὴν αὐτονομίαν εἰλικρινῇ παραδιδόναι καὶ βούλεσθαι ποτε τῶν πόνων ἀπολυθεῖς ἰδιωτεύειν ἴσος ὧν πᾶσι. [2] καὶ ταῦτα λέγων τὸ μὲν χλαμύδιον αὐτοῦ περιέσπασε, τὸ δ' ἱμάτιον μεταλαβὼν ἀπῆει, τῶν πολλῶν ἑαυτὸν ἀποδείξας ἕνα. ταῦτα δ' ἔπραττε τὸν δημοτικὸν ὑποκρινόμενος καὶ σαφῶς εἰδὼς τοὺς πλείους τῶν ἐκκλησιαζόντων μετεσχηκότας τῶν ἀσεβημάτων καὶ διὰ τοῦτο μηδέποτε ἂν βουλευθέντας ἄλλω τὴν στρατηγίαν ἐγχειρίσαι. [3] εὐθὺ γοῦν οἱ διαπεφορηκότες τὰ τῶν ἡτυχηκότων ἐβόων μὴ καταλιπεῖν ἑαυτούς, ἀλλὰ προσδέξασθαι τὴν τῶν ὄλων ἐπιμέλειαν. ὁ δὲ τὸ μὲν πρῶτον ἡσυχίαν εἶχεν, εἴτα τοῦ πλῆθους βιαιότερον ἐγκειμένου προσδέξασθαι μὲν ἔφησε τὴν στρατηγίαν, μὴ μέντοι γε μετ' ἄλλων ἄρξειν: [4] οὐ γὰρ ὑπομενεῖν, ὧν ἂν ἕτεροι [p. 19] παρανομῆσωσι, τούτων αὐτὸν συνάρχοντα λόγον ἀποδιδόναι κατὰ τοὺς νόμους. συγχωρήσαντος δὲ τοῦ πλῆθους μοναρχεῖν οὗτος μὲν ἐχειροτονήθη στρατηγὸς αὐτοκράτωρ καὶ τὸ λοιπὸν φανερώς ἐδυνάστευε καὶ

τῆς πόλεως ἐπιμέλειαν ἐποίειτο, [5] τῶν δ' ἄκεραίων Συρακοσίων οἱ μὲν διὰ τὸν φόβον ἠναγκάζοντο καρτερεῖν, οἱ δ' ὑπὸ τοῦ πλήθους κατισχυόμενοι τὴν ἔχθραν εἰς κενὸν οὐκ ἐτόλμων ἐνδείκνυσθαι. πολλοὶ δὲ καὶ τῶν ἀπόρων καὶ κατάχρεων ἄσμενοι τὴν μεταβολὴν προσεδέξαντο: ἐπηγγέλλετο γὰρ Ἀγαθοκλῆς κατὰ τὴν ἐκκλησίαν καὶ χρεῶν ἀποκοπὰς ποιήσεσθαι καὶ τοῖς πένησι χώραν δωρήσεσθαι. [6] ἀπὸ δὲ τούτων γενόμενος τοῦ μὲν ἔτι φονεῦειν ἢ κολάζειν τινὰς ἀπέστη, μεταβαλόμενος δ' εἰς τοὺν ἀντίον εὐγνώμωνως τοῖς πλήθεσι προσεφέρετο καὶ πολλοὺς μὲν εὐεργετῶν, οὐκ ὀλίγους δ' ἐπαγγελίαις μετεωρίζων, πάντας δὲ λόγοις φιланθρώποις δημαγωγῶν οὐ μετρίας ἀποδοχῆς ἐτύγγανεν. [7] ἔχων δὲ τηλικαύτην δυναστείαν οὔτε διάδημα ἀνέλαβεν οὔτε δορυφόρους εἶχεν οὔτε δυσεντευξίαν ἐξήλωσεν, ἅπερ εἰώθασι ποιεῖν σχεδὸν ἅπαντες οἱ τύραννοι. ἐπεμελήθη δὲ καὶ τῶν προσόδων καὶ τῆς τῶν ὄπλων καὶ βελῶν παρασκευῆς, ἔτι δὲ πρὸς ταῖς ὑπαρχούσαις μακραῖς ναυσὶν ἐτέρας ἐναυπηγῆσατο. προσελάβετο δὲ καὶ τῶν ἐν τῇ μεσογείῳ χωρίων καὶ πόλεων τὰς πλείστας. καὶ τὰ μὲν κατὰ Σικελίαν ἐν τούτοις ἦν. [p. 20]

κατὰ δὲ τὴν Ἰταλίαν Ῥωμαῖοι μὲν ἔννατον ἔτος ἤδη διεπολέμουν πρὸς Σαυνίτας καὶ κατὰ μὲν τοὺς ἔμπροσθεν χρόνους μεγάλας δυνάμεις ἦσαν διηγωνισμένοι, τότε δὲ εἰς τὴν πολεμίαν εἰσβολὰς ποιούμενοι μέγα μὲν οὐδὲν οὐδὲ μνήμης ἄξιον διεπράξαντο, διετέλουν δὲ τοῖς τε φρουρίοις προσβολὰς ποιούμενοι καὶ τὴν χώραν λεηλατοῦντες. [2] ἐπόρθησαν δὲ καὶ τῆς Ἀπουλίας τὴν Δαυνίαν πᾶσαν καὶ προσαγαγόμενοι Κανυσίους ὁμήρους παρ' αὐτῶν ἔλαβον. προσέθηκαν δὲ καὶ δύο φυλὰς ταῖς προυπαρχούσαις, τὴν τε Φαλέρναν καὶ τὴν Ὠφεντίναν. [3] ἅμα δὲ τούτοις πραττομένοις Κροτωνιάται πρὸς μὲν Βρεττίους διελύσαντο, πρὸς δὲ τοὺς ἐκπεπωκότας τῶν πολιτῶν ὑπὸ τῆς δημοκρατίας διὰ τὴν πρὸς Ἡρακλείδην καὶ Σωσίστρατον κοινωνίαν, περὶ ἧς ἐν τῇ προτέρᾳ βύβλῳ τὰ κατὰ μέρος διήλθομεν, δεῦτερον ἔτος ἤδη πολεμοῦντες Πάρωνα καὶ Μενέδημον, ἄνδρας ἐπιφανεῖς, στρατηγούς ἐχειροτόνησαν. [4] οἱ δὲ φυγάδες ἐκ Θουρίων ὁμήσαντες καὶ προσλαβόντες μισθοφόρους τριακοσίους ἐπεχείρησαν μὲν νυκτὸς παρεισιπύπτειν εἰς τὴν πατρίδα, ἀποκρουσθέντες δ' ὑπὸ τῶν Κροτωνιατῶν κατεστρατοπέδευσαν ἐπὶ τῶν μεθορίων τῆς Βρεττίων χώρας, μετ' ὀλίγον δὲ τῆς πολιτικῆς δυνάμεως ἐπελθούσης πολλαπλασίου [p. 21] πάντες μαχόμενοι κατεσφάγησαν. ἡμεῖς δ' ἐπεὶ τὰ περὶ Σικελίαν καὶ τὴν Ἰταλίαν διεληλύθαμεν, διαβιβάσομεν τὸν λόγον ἐπὶ τὰ λοιπὰ μέρη τῆς Εὐρώπης.

κατὰ γὰρ τὴν Μακεδονίαν Εὐρυδίκη τῆς βασιλείας προεστηκυῖα καὶ πυνθανομένη τὴν Ὀλυμπιάδα παρασκευάζεσθαι πρὸς τὴν κάθοδον πρὸς μὲν Κάσανδρον εἰς Πελοπόννησον ἀπέστειλε βιβλιαφόρον, ἀξιοῦσα βοηθεῖν τὴν ταχίστην, τῶν δὲ Μακεδόνων τοὺς πρακτικωτάτους ἀνακαλουμένη δωρεαῖς καὶ μεγάλας ἐπαγγελίας ἰδίους ταῖς εὐνοίαις κατεσκεύαζε. [2] Πολυπέρχων δὲ δύναμιν ἤθροισε προσλαβόμενος Αἰακίδην τὸν Ἡπειρώτην καὶ κατήγαγεν Ὀλυμπιάδα μετὰ τοῦ Ἀλεξάνδρου παιδὸς ἐπὶ τὴν βασιλείαν. ἀκούων οὖν Εὐρυδίκην ἐν Εὐίοις τῆς Μακεδονίας οὔσαν μετὰ τῆς δυνάμεως ὥρμησεν ἐπ' αὐτήν, σπεύδων μῖα μάχῃ κρῖναι τὰ πράγματα. ἀντιταχθέντων δὲ ἀλλήλοις τῶν στρατοπέδων οἱ Μακεδόνες ἐντραπέντες τὸ τῆς Ὀλυμπιάδος ἀξίωμα καὶ

τῶν εὐεργεσιῶν ἀναμιμνησκόμενοι τῶν Ἀλεξάνδρου μετεβάλλοντο. [3] Φίλιππος μὲν οὖν ὁ βασιλεὺς εὐθὺς ἤλω μετὰ τῆς θεραπείας, ἡ δ' Εὐρυδίκη μετὰ Πολυκλέους, ἐνὸς τῶν συμβούλων, εἰς Ἀμφίπολιν ἀποχωροῦσα συνελήφθη. [4] τοῦτον δὲ τὸν τρόπον Ὀλυμπιάς τῶν βασιλικῶν σωμάτων κυριεύσασα καὶ χωρὶς κινδύνων τὴν βασιλείαν παραλαβοῦσα τὴν εὐτυχίαν οὐκ ἦνεγκεν ἀνθρωπίνως, ἀλλὰ τὴν τ' Εὐρυδίκην [p. 22] καὶ τὸν ἄνδρα Φίλιππον τὸ μὲν πρῶτον εἰς φυλακὴν καταθεμένη κακουχεῖν ἐπεχείρησε: περιοικοδομήσασα γὰρ αὐτῶν ἐν βραχεῖ τόπῳ τὰ σώματα διὰ μιᾶς στενῆς ὑποδοχῆς ἐχόρηγει τὰ ἀναγκαῖα: [5] ἐπὶ πολλὰς δ' ἡμέρας παρανομήσασα τοὺς ἡτυχηκότας, ἐπειδὴ παρὰ τοῖς Μακεδόσιν ἡδόξει διὰ τὸν πρὸς τοὺς πάσχοντας ἔλεον, τὸν μὲν Φίλιππον προσέταξε Θραξί τισιν ἐκκεντῆσαι, βασιλέα γεγενημένον ἔξ ἔτη καὶ μῆνας τέσσαρας, τὴν δ' Εὐρυδίκην παρρησιαζομένην καὶ βοῶσαν αὐτῇ μᾶλλον προσήκειν ἥπερ Ὀλυμπιάδι τὴν βασιλείαν ἔκρινε μείζονος ἀξιώσαι τιμωρίας. [6] εἰσέπεμψεν οὖν αὐτῇ ξίφος καὶ βρόχον καὶ κώνειον καὶ συνέταξε τούτων ᾧ βούλοιο καταχρήσασθαι πρὸς τὸν θάνατον, οὔτε τὸ προγεγεννημένον ἀξίωμα τῆς παρανομουμένης ἐντραπεῖσα τὸ παράπαν οὔτε τῆς κοινῆς τύχης εἰς οἶκτον ἐλθοῦσα. [7] τοιγαροῦν τῆς ὁμοίας μεταβολῆς τυχοῦσα τῆς ὁμότητος ἀξίαν ἔσχε τὴν τοῦ βίου καταστροφὴν. Εὐρυδίκη μὲν γὰρ κατευξαμένη παρόντος τοῦ κομίσαντος τῶν ὁμοίων δωρεῶν Ὀλυμπιάδα τυχεῖν τὸν μὲν ἄνδρα περιέστευλεν, ἐπιμεληθεῖσα τῶν τραυμάτων ὥς ποθ' ὁ καιρὸς συνεχώρει, ἑαυτὴν δ' ἀνακρεμάσασα τῇ ζώνῃ κατέστρεψε τὸν βίον, οὔτε δακρύσασα τὴν αὐτῆς τύχην οὔτε τῷ μεγέθει τῶν συμπτωμάτων ταπεινωθεῖσα. [8] Ὀλυμπιάς δὲ τούτων διαφθαρέντων ἀνείλε μὲν τὸν Νικάνορα τὸν ἀδελφὸν τοῦ Κασάνδρου, κατέστρεψε δὲ τὸν Ἰόλλου τάφον, μετερχομένη, [p. 23] καθάπερ ἔφησε, τὸν Ἀλεξάνδρου θάνατον, ἐπέλεξε δὲ καὶ τῶν Κασάνδρου φίλων τοὺς ἐπιφανεστάτους ἑκατὸν Μακεδόνας, οὓς ἅπαντας ἀπέσφαξεν. [9] ἐν τοιούτοις δὲ παρανομήμασι πληροῦσα τὸν ἑαυτῆς θυμὸν ταχὺ πολλοὺς τῶν Μακεδόνων ἐποίησε μισῆσαι τὴν ὁμότητα: πάντες γὰρ ἀνεμιμνήσκοντο τῶν Ἀντιπάτρου λόγων, ὃς καθάπερ χρησιμῶδων ἐπὶ τῆς τελευτῆς παρεκελεύσατο μηδέποτε συγχωρῆσαι γυναικὶ τῆς βασιλείας προστατῆσαι. τὰ μὲν οὖν κατὰ Μακεδονίαν τοῦτον τὸν τρόπον διοικηθέντα πρόδηλον εἶχε τὴν ἐσομένην μεταβολήν.

κατὰ δὲ τὴν Ἀσίαν Εὐμένης μὲν ἔχων τοὺς ἀργυράσπιδας Μακεδόνας καὶ τὸν ἀφηγούμενον αὐτῶν Ἀντιγένην παρεχείμασε μὲν τῆς Βαβυλωνίας ἐν ταῖς ὀνομαζομέναις Καρῶν κώμαις, πρὸς δὲ Σέλευκον καὶ Πίθωνα πρέσβεις ἀπέστειλεν, ἀξίων βοηθεῖν τοῖς βασιλεῦσι καὶ μετ' αὐτοῦ συναγωνίσασθαι πρὸς Ἀντίγονον. [2] τούτων δ' ὁ μὲν Πίθων τῆς Μηδίας, ὁ δ' ἕτερος τῆς Βαβυλωνίας σατράπης ἀπεδέδεικτο, καθ' ὃν καιρὸν ἡ δευτέρα διαίρεσις ἐγενήθη τῶν σατραπειῶν ἐν Τριπαραδείσῳ. οἱ δὲ περὶ Σέλευκον τοῖς μὲν βασιλεῦσιν ἔφασαν βούλεσθαι παρέχεσθαι χρείας, Εὐμενεῖ μέντοι γε μηδέποθ' ὑπομενεῖν ποιοῦντας τὸ προσταττόμενον, οὗ Μακεδόνες συνελθόντες κατέγνωσαν θάνατον. πολλὰ δὲ πρὸς ταύτην τὴν προαίρεσιν διαλεχθέντες συνεξέπεμψαν παρ' αὐτῶν πρεσβευτὴν πρὸς [p. 24] Ἀντιγένην καὶ τοὺς ἀργυράσπιδας, ἀξιοῦντες ἀφιστάναι τῆς ἡγεμονίας Εὐμενῆ. [3] τῶν δὲ

Μακεδόνων οὐ προσεχόντων τοῖς λόγοις Εὐμενῆς ἐπαινέσας αὐτῶν τὴν προθυμίαν ἀνέξευξε μετὰ τῆς δυνάμεως καὶ παραγεννηθεὶς ἐπὶ τὸν Τίγριν ποταμὸν κατεστρατοπέδευσε, τῆς Βαβυλῶνος ἀπέχων σταδίους τριακοσίους. καὶ πρόθεσιν μὲν εἶχεν εἰς Σοῦσα ποιῆσθαι τὴν πορείαν, διανοούμενος τὰς ἐκ τῶν ἄνω σατραπειῶν δυνάμεις μεταπέμπεσθαι καὶ τοῖς βασιλικοῖς θησαυροῖς χρῆσασθαι πρὸς τὰς κατεπειγούσας χρεῖας. [4] ἠναγκάζετο δὲ τὸν ποταμὸν διαβαίνειν διὰ τὸ τὴν μὲν κατόπιν χώραν προνομεῦσθαι, τὴν δὲ πέραν ἀκέραιον εἶναι καὶ δαυλιεῖς δύνασθαι παρέχεσθαι τροφὰς τῷ στρατοπέδῳ. [5] συναγαγόντος οὖν αὐτοῦ πλοῖα πανταχόθεν πρὸς τὴν διάβασιν οἱ περὶ Σέλευκον καὶ Πίθωνα κατέπλευσαν δυσὶ μὲν τριήρεσι, κοντωτοῖς δὲ πλείοσιν: ἔτι γὰρ τὰ σκάφη ταῦτα περιῆν ἐκ τῶν ὑπ' Ἀλεξάνδρου ναυπηγηθέντων περὶ Βαβυλῶνα.

ταῦτα δὲ προσαγαγόντες πρὸς τὴν ἑκβασιν πάλιν ἐπεχείρουν τοὺς Μακεδόνας πείθιν ἀποστῆσαι τὸν Εὐμενῆ τῆς στρατηγίας καὶ μὴ προάγειν καθ' αὐτῶν ἄνδρα ξένον καὶ πλείστους Μακεδόνας ἀνηρηκότα. [2] οὐδενὶ δὲ τρόπῳ τῶν περὶ τὸν Ἀντιγένη πειθομένων οἱ περὶ Σέλευκον προσπλεύσαντες πρὸς τινα διώρυγα παλαιὰν ἀνέρρηξαν τὴν ἀρχὴν αὐτῆς, ὑπὸ τοῦ χρόνου συγκεχωσμένην. περικλυσθείσης δὲ τῆς τῶν Μακεδόνων στρατοπεδείας καὶ πάντῃ τοῦ συνεχοῦς [p. 25] τόπου λιμνάσαντος ἐκινδύνευσεν ἅπαν ἀπολέσθαι τὸ στρατόπεδον ὑπὸ τῆς πλήμης. [3] ἐκείνην μὲν οὖν τὴν ἡμέραν ἔμειναν ἐφ' ἡσυχίας, ἀπορούμενοι πῶς χρηστέον τοῖς πράγμασι: τῇ δ' ὑστεραία παραστησάμενοι τὰ κοντωτὰ πλοῖα, περὶ τριακόσια τὸν ἀριθμὸν ὄντα, διεβίβασαν τὸ κράτιστον τῆς δυνάμεως οὐδενὸς παρενοχλοῦντος κατὰ τὴν ἑκβασιν: οἱ γὰρ περὶ Σέλευκον ἵππεῖς μόνον εἶχον καὶ τούτους πολὺ τοῖς ἀριθμοῖς λειπομένους τῶν ἐναντίων. [4] νυκτὸς δὲ ἤδη καταλαμβάνουσης Εὐμενῆς μὲν ἀγωνιῶν ὑπὲρ τῆς ἀποσκευῆς πάλιν εἰς τοῦπίσω διεβίβασε τοὺς Μακεδόνας, εἰσηγησαμένου δὲ τινος τῶν ἐγχωρίων ἐπεβάλετό τινα τόπον ἀνακαθαίρειν, δι' οὐ ράδιον ἦν ἀποστρέφειν τὴν διώρυγα καὶ βάσιμον κατασκευάσαι τὴν πλησίον χώραν. [5] ἃ δὲ συνιδόντες οἱ περὶ Σέλευκον καὶ βουλόμενοι τὴν ταχίστην αὐτοὺς ἐκ τῆς ἰδίας σατραπειᾶς ἀπαλλάξαι πρέσβεις ἀπέστειλαν ὑπὲρ ἀνοχῶν, συγχωρήσαντες τὴν διάβασιν. εὐθὺ δὲ καὶ βυβλιαφόρους ἀπέστειλαν πρὸς Ἀντίγονον εἰς Μεσοποταμίαν, ἀξιούντες ἡκεῖν τὴν ταχίστην μετὰ τῆς δυνάμεως, πρὶν ἢ καταβῆναι τοὺς σατράπας μετὰ τῶν δυνάμεων. [6] Εὐμενῆς δὲ διαβάς τὸν Τίγριν καὶ παραγενόμενος εἰς τὴν Σουσιανὴν εἰς τρία μέρη διεῖλε τὴν δύναμιν διὰ τὴν τοῦ σίτου σπάνιν. ἐπιπορευόμενος δὲ τὴν χώραν κατὰ μέρος σίτου μὲν παντελῶς ἐσπάνιζεν, ὄρουζαν δὲ καὶ σήσαμον καὶ φοίνικα διέδωκε τοῖς στρατιώταις, δαυλιῶς ἐχούσης [p. 26] τῆς χώρας τοὺς τοιούτους καρπούς. [7] πρὸς δὲ τοὺς ἐν ταῖς ἄνω σατραπειαῖς ἡγεμόνας ἦν μὲν καὶ πρότερον ἀπεσταλκῶς τὰς παρὰ τῶν βασιλέων ἐπιστολάς, ἐν αἷς ἦν γεγραμμένον πάντα πειθαρχεῖν Εὐμενεῖ, καὶ τότε δὲ βυβλιαφόρους ἀπέστειλεν, ἀξιῶν ἀπαντὰν εἰς τὴν Σουσιανὴν ἅπαντας μετὰ τῶν ἰδίων δυνάμεων, καθ' ὃν δὴ χρόνον συνέβη κάκεῖνους ἠθροικένας τὰ στρατόπεδα καὶ συνδεδραμηκέναι πρὸς ἀλλήλους δι' ἑτέρας αἰτίας, ὑπὲρ ὧν ἀναγκαῖον προειπεῖν.

Πίθων σατράπης μὲν ἀπεδέδεικτο Μηδίας, στρατηγὸς δὲ τῶν ἄνω σατραπειῶν ἀπασῶν γενόμενος Φιλώταν μὲν τὸν προϋπάρχοντα Παρθυαίας στρατηγὸν ἀπέκτεινε, τὸν δὲ αὐτοῦ ἀδελφὸν Εὐδαμον ἀντὶ τούτου κατέστησεν. [2] οὗ γενομένου συνέδραμον οἱ λοιποὶ σατράπαι πάντες, φοβηθέντες μὴ τὸ παραπλήσιον πάθωσιν, ὄντος τοῦ Πίθωνος κινητικοῦ καὶ μεγάλα ταῖς ἐπιβολαῖς περιβαλομένου. περιγεγόμενοι δ' αὐτοῦ μάχῃ καὶ πολλοὺς τῶν συναγωνισαμένων ἀνελόντες ἐξήλασαν ἐκ τῆς Παρθυαίας. [3] κάκεῖνος τὸ μὲν πρῶτον ἀνεχώρησεν εἰς Μηδίαν, μετ' ὀλίγον δ' εἰς τὴν Βαβυλῶνα παραγεγόμενος παρεκάλει τὸν Σέλευκον βοηθεῖν αὐτῷ [p. 27] καὶ κοινωνεῖν τῶν αὐτῶν ἐλπίδων. [4] διὰ δὴ ταύτας τὰς αἰτίας τῶν ἄνω σατραπῶν συνηθροικώτων εἰς τὸ αὐτὸ τὰ στρατόπεδα παρήσαν οἱ παρ' Εὐμενοῦς βυβλιαφόροι πρὸς ἐτοίμας τὰς δυνάμεις. ἦν δὲ τῶν ἡγεμόνων ἐπιφανέστατος μὲν καὶ κοινῷ δόγματι πάντων τὴν στρατηγίαν παραλαβὼν Πευκέστης, γεγενημένος Ἀλεξάνδρου σωματοφύλαξ καὶ προηγμένος ὑπὸ τοῦ βασιλέως δι' ἀνδρείαν. [5] σατραπείαν δ' εἶχεν ἔτη πλείονα τῆς Περσίδος καὶ μεγάλης ἀποδοχῆς ἐτύγχανε παρὰ τοῖς ἐγχωρίοις. δι' ἃς αἰτίας φασὶ καὶ τὸν Ἀλέξανδρον αὐτῷ μόνῳ Μακεδόνων συγχωρῆσαι Περσικὴν φορεῖν στολήν, χαρίζεσθαι βουλόμενον τοῖς Πέρσαις καὶ διὰ τούτου νομίζοντα κατὰ πάνθ' ἔξειν τὸ ἔθνος ὑπήκοον. εἶχε δὲ τότε Πέρσας τοξότας μὲν καὶ σφενδονήτας μυρίους, τοὺς δὲ εἰς τὴν Μακεδονικὴν τάξιν καθωπλισμένους παντοδαποὺς τρισχιλίους, ἵππεῖς δ' Ἑλλήνας μὲν καὶ Θρᾷκας ἑξακοσίους, Πέρσας δὲ πλείους τῶν τετρακοσίων. [6] πολέμων δ' ὁ Μακεδών, Καρμανίας σατράπης ἀποδεδειγμένος, εἶχε πεζοὺς μὲν χιλίους πεντακοσίους, ἵππεῖς δ' ἑπτακοσίους. καὶ Σιβύρτιος μὲν τῆς Ἀραχωσίας ἡγούμενος παρείχετο πεζοὺς μὲν χιλίους, ἵππεῖς δὲ δέκα πρὸς τοῖς ἑξακοσίοις, Ἀνδρόβαζος δ' ἐκ Παροπανισαδῶν, τοῦ Ὁξυάρτου κυριεύοντος τῆς σατραπείας, ἀπέσταλτο μετὰ πεζῶν μὲν [p. 28] χιλίων καὶ διακοσίων, ἵππέων δὲ τετρακοσίων. [7] Στάσανδρος δ' ὁ τῆς Ἀρίας καὶ Δραγγινῆς σατράπης, προσειληφώς καὶ τοὺς ἐκ τῆς Βακτριανῆς, εἶχε πεζοὺς μὲν χιλίους πεντακοσίους, ἵππεῖς δὲ χιλίους. [8] ἐκ δὲ τῆς Ἰνδικῆς Εὐδαμος παρεγένετο μεθ' ἱππέων μὲν πεντακοσίων, πεζῶν δὲ τριακοσίων, ἐλεφάντων δὲ ἑκατὸν εἴκοσι· τὰ δὲ θηρία ταῦτα παρέλαβε μετὰ τὴν Ἀλεξάνδρου τελευτὴν δολοφονήσας Πῶρον τὸν βασιλέα. οἱ δὲ πάντες μετὰ τῶν σατραπῶν ἡθροίσθησαν πεζοὶ μὲν πλείους τῶν μυρίων ὀκτακισχιλίων ἑπτακοσίων, ἵππεῖς δὲ τετρακισχιλίοι ἑξακόσιοι.

ἐπεὶ δὲ παρεγενήθησαν εἰς τὴν Σουσιανὴν πρὸς τοὺς περὶ τὸν Εὐμενῆ, συνήγαγον ἐκκλησίαν κοινήν, ἐν ἣ πολλὴν συνέβη γενέσθαι φιλοτιμίαν ὑπὲρ τῆς ἡγεμονίας. Πευκέστης μὲν γὰρ διὰ τε τὸ πλῆθος τῶν [2] συναγωνιζομένων καὶ τὴν παρ' Ἀλεξάνδρου προαγωγὴν ἑαυτὸν ᾤετο δεῖν ἔχειν τὴν τῶν πάντων ἡγεμονίαν, Ἀντιγένης δὲ τῶν ἀργυρασπίδων Μακεδόνων στρατηγῶν ἔφη δεῖν δοθῆναι τὴν ἐξουσίαν τῆς αἰρέσεως τοῖς μετ' αὐτοῦ Μακεδόσιν, συγκαταπεπολεμηκόσιν Ἀλεξάνδρῳ τὴν Ἀσίαν καὶ γεγονόσι διὰ τὰς ἀρετὰς ἀνικτήτοις. [3] Εὐμενῆς δὲ φοβούμενος μὴ διὰ τὴν πρὸς ἀλλήλους [p. 29] στάσιν εὐχεῖρωτοι κατασταθῶσιν Ἀντιγόνῳ, συνεβούλευεν ἕνα μὲν μὴ καθιστᾶν ἡγεμόνα, πάντας δὲ τοὺς προκεκριμένους ὑπὸ τοῦ πλῆθους

σατράπας καὶ στρατηγούς εἰς τὴν βασιλικὴν αὐλὴν συνιόντας καθ' ἡμέραν
βουλευέσθαι κοινῇ περὶ τῶν συμφερόντων· [4] ἔστατο γὰρ Ἀλεξάνδρῳ
τετελευτηκότῃ σκηνῇ καὶ κατὰ ταύτην θρόνος, πρὸς ᾧ θύοντες εἰώθεισαν
συνεδρεῦειν περὶ τῶν κατεπειγόντων. πάντων δὲ διασημαινομένων τὸ ῥηθὲν
ὡς συμφέρον εἰρημένον συνῆγε καθ' ἡμέραν συνέδριον οἷόν τινας
δημοκρατουμένης πόλεως. [5] μετὰ δὲ ταῦτα παρελθόντων αὐτῶν εἰς Σοῦσα
παρὰ τῶν θησαυροφυλακούντων Εὐμενῆς ἔλαβε χρημάτων πλῆθος ὅσον ἦν
ικανὸν εἰς τὰς χρεῖας· μόνῳ γὰρ τούτῳ διὰ τῶν ἐπιστολῶν οἱ βασιλεῖς
συνετετάχισαν διδόναι καθ' ὃ, τι ἂν αὐτὸς προαιρῆται. μισθοδοτήσας δὲ τοὺς
Μακεδόνας εἰς ἕξ μῆνας Εὐδάμῳ τῷ τοὺς ἐλέφαντας καταγαγόντι τοὺς ἐκ τῆς
Ἰνδικῆς ἔδωκε διακόσια τάλαντα, τῷ μὲν λόγῳ πρὸς τὰς τῶν θηρίων δαπάνας,
τῷ δ' ἔργῳ διὰ τῆς δωρεᾶς ταύτης θεραπεύων τὸν ἄνδρα· ᾧ γὰρ ἂν τῶν
στασιαζόντων οὗτος προσθοῖτο, μερίστην ἐποιεῖτο ῥοπήν, καταπληκτικῆς
οὔσης τῆς τῶν θηρίων χρεῖας. τῶν δ' ἄλλων σατραπῶν ἕκαστος ἔτρεφε τοὺς
ἐκ τῆς ὑφ' ἑαυτὸν χώρας συνηκολου- θηκότας. [6] Εὐμενῆς μὲν οὖν ἐν τῇ
Σουσιανῇ διατρίβων ἀνελάμβανε τὴν δύναμιν, Ἀντίγονος δὲ παραχειμάσας ἐν
[p. 30] τῇ Μεσοποταμίᾳ τὸ μὲν πρῶτον διανοήθη τοὺς περὶ τὸν Εὐμενῆ
διώκειν ἐκ ποδὸς πρὶν αὐξηθῆναι, ὡς δ' ἤκουσε τοὺς σατράπας καὶ τὰς μετ'
αὐτῶν δυνάμεις συνελθυθίας τοῖς Μακεδόσιν, ἐπέσχε τὴν σπουδὴν καὶ τὴν
τε δύναμιν ἀνελάμβανε καὶ προσκατέγραφε στρατιώτας· ἑώρα γὰρ τὸν
πόλεμον μεγάλων στρατοπέδων καὶ παρασκευῆς οὐ τῆς τυχούσης
προσδεόμενον.

ἅμα δὲ τούτοις πραττομένοις Ἄτταλος καὶ Πολέμων καὶ Δόκιμος, ἔτι δὲ
Ἀντίπατρος καὶ Φιλώτας, οἱ μετὰ τῆς Ἀλκέτου δυνάμεως ἀλόντες ἡγεμόνες,
ἐφυλάττοντο μὲν ἐν τινὶ φρουρίῳ καθ' ὑπερβολὴν ὀχυρῶ, ἀκούσαντες δὲ τοὺς
περὶ τὸν Ἀντίγονον εἰς τὰς ἄνω σατραπείας ποιεῖσθαι τὴν πορείαν, νομίζοντες
εὐθετον ἔχειν καιρόν, ἐπεισάν τινας τῶν τηρούντων αὐτοὺς λῦσαι,
κυριεύσαντες δὲ ὅπλων ἐπέθεντο τῇ φυλακῇ περὶ μέσας νύκτας. αὐτοὶ μὲν
οὖν ὁκτῶ τὸν ἀριθμὸν ὄντες, τηρούμενοι δὲ ὑπὸ στρατιωτῶν τετρακοσίων,
διαφέροντες δὲ ταῖς τόλμαις καὶ ταῖς εὐχειρίαις διὰ τὴν μετ' Ἀλεξάνδρου
στρατείαν Ξενοπεΐθῃ μὲν τὸν φρούραρχον συναρπάσαντες ὑπὲρ τὸ τεῖχος
ἔρριψαν, σταδιαῖον ἐχούσης τῆς πέτρας ὕψος, τῶν δ' ἄλλων τοὺς μὲν
κατασφάζαντες, τοὺς δὲ ἐκβαλόντες ἐνεπύρισαν τὰς οἰκίας. [2] τῶν δ' ἔξωθεν
καταδοκούντων προσελάβοντο τὸν ἀριθμὸν εἰς πεντήκοντα. τοῦ δὲ φρουρίου
σίτου τε πλῆθος καὶ τῶν ἄλλων ἐπιτηδείων ἔχοντος ἐβουλεύοντο πότερον χρή
μένειν καὶ χρῆσθαι [p. 31] τῇ τῶν τόπων ὀχυρότητι, καταδοκούντας τὴν παρ'
Εὐμενοῦς βοήθειαν, ἢ φυγόντας τὴν ταχίστην ἀλᾶσθαι κατὰ τὴν χώραν,
καιροτηροῦντας τὰς μεταβολάς. [3] γιγνομένης δὲ πλείονος ἀντιλογίας Δόκιμος
μὲν ἐκχωρεῖν συνεβούλευεν, οἱ δὲ περὶ τὸν Ἄτταλον οὐκ ἔφασαν δυνήσεσθαι
κακοπαθεῖν διὰ τὴν ἐν τοῖς δεσμοῖς γενομένην κακουχίαν. τούτων δὲ πρὸς
ἀλλήλους δισταμένων ἔφθασαν ἐκ τῶν σύγγενος φρουρίων συνδραμόντες
στρατιῶται πεζοὶ μὲν πλείους τῶν πεντακοσίων, ἵππεις δὲ τετρακόσιοι, χωρὶς
δὲ τούτων ἐκ τῶν ἐγχωρίων ἄλλοι παντοδαποὶ πλείους τῶν τρισχιλίων, οἱ
στρατηγὸν ἕξ ἑαυτῶν καταστήσαντες περιεστρατοπέδευσαν τὸ χωρίον. [4]

παραδόξως δὲ πάλιν αὐτῶν κατακλεισθέντων Δόκιμος μὲν κατάβασιν τινα κατανοήσας ἀφύλακτον διεπρεσβεύσατο πρὸς τὴν Ἀντιγόνου γυναῖκα Στρατονίκην, οὗσαν πλησίον τῶν τόπων, καὶ δεύτερος διὰ ταύτης ἐκπηδήσας αὐτὸς μὲν οὐκ ἔτυχε πίστεως, ἀλλ' εἰς φυλακὴν παρεδόθη, ὁ δὲ συγκαταβάς αὐτῷ καθηγησάμενος τοῖς πολεμίοις ἀνήγαγεν εἰς τὸ χωρίον οὐκ ὀλίγους καὶ κατελάβετο μίαν τῶν ὀρθίων πετρῶν. [5] οἱ δὲ περὶ τὸν Ἄτταλον πολὺ λειπόμενοι τοῖς πλήθεσι διὰ τὰς ἀρετὰς ἀντείχοντο καὶ καθ' ἡμέραν ἀγωνιζόμενοι διεκαρτέρουν: πολιορκηθέντες δὲ ἐνιαυτὸν καὶ μῆνας τέσσαρας ἥλωσαν κατὰ κράτος.

ἐπ' ἄρχοντος δ' Ἀθήνησι Δημοκλείδου Ῥωμαῖοι μὲν ὑπάτους κατέστησαν Γάιον Ἰούνιον καὶ Κόιντον [p. 32] Αἰμίλιον, ὀλυμπιάς δ' ὑπῆρχεν ἕκτη πρὸς ταῖς ἑκατὸν καὶ δέκα, καθ' ἣν ἐνίκα στάδιον Δεινομένης Λάκων. [2] περὶ δὲ τούτους τοὺς καιροὺς Ἀντίγονος μὲν ἐκ τῆς Μεσοποταμίας ἀναξεύζας ἦκεν εἰς τὴν Βαβυλωνίαν κακεῖ συνέθετο κοινοπραγίαν Σελεύκῳ καὶ Πίθωνι: προσλαβόμενος δὲ καὶ παρὰ τούτων στρατιώτας ἔξευξε πλοίοις τὸν Τίγριν ποταμὸν καὶ περαιώσας τὰς δυνάμεις ὥρμησεν ἐπὶ τοὺς πολεμίους. [3] οἱ δὲ περὶ τὸν Εὐμενῆ πυθόμενοι τὰ πεπραγμένα Ξενοφίλῳ μὲν τῷ τὴν ἐν Σούσοις ἄκραν φυλάττοντι ἐκέλευσαν μήτε τῶν χρημάτων Ἀντιγόνῳ δοῦναι τι μήτ' εἰς λόγους ἔρχεσθαι, αὐτοὶ δὲ τὰς δυνάμεις ἀναλαβόντες ὥρμησαν ἐπὶ τὸν Τίγριν ποταμόν, ἀπέχοντα Σούσων ὁδὸν ἡμέρας, ἥ τῆς ὀρεινῆς ἐκρεῖ τῆς ὑπὸ τῶν αὐτονόμων κατεχομένης, οὓς Οὐξίους προσαγορεύουσι, πλάτος μὲν κατὰ πολλοὺς μὲν τόπους τριῶν σταδίων, ἔστι δὲ ὅτε καὶ τεσσάρων, βάθος δὲ κατὰ μέσον τὸ ῥεῦμα πρὸς τὰ μεγέθη τῶν ἐλεφάντων, καὶ φερόμενος μὲν ἀπὸ τῆς ὀρεινῆς ἐπὶ σταδίους ἑπτακοσίους εἰς τὴν Ἐρυθρὰν ἐξερεύεται θάλασσαν, ἔχει δὲ καὶ θαλάσσιον ἰχθὺν πολλὴν καὶ θηρία τῶν πελαγίων, ἃ φαίνεται μάλιστα περὶ κυνὸς ἀνατολάς. [4] τοῦτον δὲ τὸν ποταμὸν προβαλόμενοι καὶ πᾶσαν τὴν παραποταμίαν ἀπὸ τῶν [p. 33] πηγῶν ἕως τῆς θαλάσσης φυλακαῖς διαλαβόντες ἀνέμενον τὴν τῶν πολεμίων ἑφοδον. προσδεομένης δὲ τῆς φυλακῆς διὰ τὸ μῆκος στρατιωτῶν οὐκ ὀλίγων οἱ περὶ τὸν Εὐμενῆ καὶ Ἀντιγένη ἠξίωσαν τὸν Πευκέστην ἐκ τῆς Περσίδος μεταπέμψασθαι τοξότας μυρίου. [5] ὁ δὲ τὸ μὲν πρῶτον οὐ προσεῖχεν αὐτοῖς, μεμπιμοιρῶν ἐπὶ τῷ μὴ τετευχέναι τῆς στρατηγίας, ὕστερον δὲ δοὺς αὐτῷ λόγον συνεχώρησεν ὅτι κρατήσαντος Ἀντιγόνου συμβήσεται καὶ τὴν σατραπείαν αὐτὸν ἀποβαλεῖν καὶ περὶ τοῦ σώματος κινδυνεῦσαι. [6] ἀγωνιῶν οὖν ὑπὲρ αὐτοῦ καὶ τῆς στρατηγίας μᾶλλον τεύξεσθαι νομίζων ὥς πλείστους ἔχων στρατιώτας προσήγαγεν, καθάπερ ἠξίου, τοξότας μυρίου. ἀπέχοντες δ' ἔνιοι τῶν Περσῶν ὁδὸν ἡμερῶν τριάκοντα τὸ παραγγελθὲν αὐθημερὸν ἤκουον διὰ τὸ φιλοτεχνηθὲν περὶ τὰς φυλακάς: [7] ὅπερ οὐ καλῶς ἔχει παραδραμεῖν. τῆς γὰρ Περσίδος οὔσης αὐλωνοειδοῦς καὶ σκοπὰς ἐχούσης ὕψηλὰς καὶ πυκνὰς ἐπὶ τούτων ἐφειστήκεισαν οἱ μέγιστον φθειγόμενοι τῶν ἐγχωρίων: διηρημένων γὰρ τῶν τόπων εἰς φωνῆς ἀκοὴν οἱ παραλαμβάνοντες τὸ παραγγελθὲν ὁμοίως ἑτέροις παρεδίδοσαν, εἴτ' ἐκεῖνοι πάλιν ἄλλοις, ἕως εἰς τὸ τέρμα τῆς σατραπείας τὸ δοθὲν παραδοθῇ.

τῶν δὲ περὶ τὸν Εὐμενῆ καὶ Πευκέστην ταῦτα διοικούντων Ἀντίγονος,

ἐπειδὴ προάγων μετὰ τῆς δυνάμεως ἦκεν εἰς Σοῦσα τὸ βασίλειον, Σέλευκον μὲν ἀπέδειξε τῆς χώρας σατράπην καὶ δοὺς αὐτῷ στρατιώτας [p. 34] προσέταξε πολιορκεῖν τὴν ἄκραν ἀπειθούντος δὲ Ξενοφίλου τοῦ θησαυροφύλακος, αὐτὸς δὲ μετὰ τῆς στρατιᾶς ἀνέξευξεν ἐπὶ τοὺς πολεμίους, οὔσης τῆς ὁδοῦ καυματώδους καὶ παντελῶς ἐπικινδύνου ξενικαῖς δυνάμεσι διελθεῖν. διὸ καὶ τὰς πορείας ἠναγκάζοντο νυκτὸς ποιεῖσθαι καὶ στρατοπεδεύεσθαι περὶ τὸν ποταμὸν πρὶν ἥλιον ἀνατέλλειν. [2] οὐ μὴν ἠδυνήθη γε κατὰ πάντα ἄθικτος γενέσθαι τῶν κατὰ τὴν χώραν κακῶν, ἀλλὰ καίπερ ἐνδεχομένως ἅπαντα πράξας συχνοὺς ἀπέβαλε τῶν στρατιωτῶν διὰ τὴν ὑπερβολὴν τοῦ καύματος, ἅτε καὶ τῆς ὥρας οὔσης περὶ κυνὸς ἀνατολάς. [3] ἐπεὶ δὲ παρεγενήθη πρὸς τὸν Κοπράτην ποταμὸν, τὰ πρὸς τὴν διάβασιν παρεσκευάζετο. οὗτος δὲ ἐκ τινος ὀρεινῆς ρέων ἐξέπιπτεν εἰς τὸν Πασιτίγριν, ὃς ἀπείχε τῆς Εὐμενοῦς στρατοπεδείας σταδίους ὀγδοήκοντα καὶ τὸ μὲν πλάτος εἶχεν ὥς ἂν τεσσάρων πλέθρων, ὅζους δὲ ὦν ἐν τῇ καταφορᾷ προσεδεῖτο πλοίων ἢ ζεύγματος. [4] καταλαβὼν δ' ὀλίγα πλοῖα κοντωτὰ διεβίβασεν ἐν τούτοις τινὰς τῶν πεζῶν, προστάξας τάφρον ὀρύττειν καὶ χάρακα βαλομένους ὑποδέχεσθαι τὴν λοιπὴν δύναμιν. Εὐμενῆς δὲ πυθόμενος παρὰ τῶν κατασκόπων τὴν ἐπιβολὴν τῶν πολεμίων, διαβὰς τὸ ζεῦγμα τοῦ Τίγριδος μετὰ στρατιωτῶν μὲν πεζῶν τετρακισχιλίων, ἱππέων δὲ χιλίων τριακοσίων κατέλαβε διαβεβηκότας τῶν Ἀντιγόνου πεζοὺς μὲν πλείους τῶν [p. 35] τρισχιλίων, ἱππεῖς δὲ τετρακοσίους καὶ τῶν εἰωθότων σποράδην διαβαίνειν ἐπὶ τὰς προνομὰς οὐκ ἐλάττους ἐξακισχιλίων. [5] ἄφνω δὲ προσπεσὼν τεθορυβημένοις τοὺς μὲν ἄλλους εὐθὺς ἐτρέψατο, τῶν δὲ Μακεδόνων τοὺς ὑποστάντας τῇ βίᾳ καὶ τῷ πλήθει κατισχύσας φυγεῖν εἰς τὸν ποταμὸν πάντας κατηνάγκασε. [6] πάντων δὲ ὀρμησάντων ἐπὶ τὰ πλοῖα ταῦτα μὲν ὑπὸ τοῦ πλήθους τῶν ἐπιβάντων κατεποντίσθη, τῶν δὲ διανήχεσθαι τολμησάντων οἱ πλεῖστοι μὲν ὑπὸ τοῦ ρεύματος παρενεχθέντες διεφθάρησαν, ὀλίγοι δὲ διεσώθησαν. [7] οἱ δὲ ἄπειροι τοῦ κολυμβᾶν ὄντες τὴν αἰχμαλωσίαν τῆς ἐν τῷ ποταμῷ τελευτῆς προκρίναντες ἤλωσαν, εἰς τετρακισχιλίους ὄντες. Ἀντίγονος δὲ θεωρῶν τοσοῦτο πλῆθος ἀπολλύμενον βοηθῆσαι μὲν οὐκ ἴσχυσε διὰ

τὴν τῶν πλοίων σπάνιν, ἀδύνατον δὲ εἶναι νομίζων τὴν διάβασιν ἀνέξευξεν ἐπὶ πόλεως Βαδάκης, ἣ κεῖται παρὰ τὸν Εὐλαιον ποταμὸν. οὔσης δὲ τῆς ὁδοιπορίας ἐμπύρου διὰ τὸ μέγεθος τῶν καυμάτων διεφθάρη τε πολλὰ σώματα καὶ τὸ στρατόπεδον εἰς ἀθυμίαν ἐνέπεσεν. [2] οὐ μὴν ἄλλ' ἐν τῇ προειρημένῃ πόλει μείνας ἡμέρας τινὰς καὶ τὸ στρατόπεδον ἐκ τῆς κακοπαθείας ἀναλαβὼν ἔκρινε συμφέρειν ἀναξευγνύειν εἰς Ἐκβάτανα τῆς Μηδικῆς κάκειθεν ὀρμώμενος κατακτᾶσθαι τὰς ἄνω σατραπείας. οὐσῶν δ' ὁδῶν δύο τῶν φερουσῶν εἰς Μηδίαν ἑκατέρα προσῆν τι δυσχερές· ἡ μὲν [p. 36] γὰρ ἐπὶ Κόλωνος ὑπῆρχε καλὴ καὶ βασιλική, καυματώδης δὲ καὶ μακρά, παρεκτείνουσα σχεδὸν ἐφ' ἡμέρας τεσσαράκοντα, ἡ δὲ διὰ τῶν Κοσσαίων ἐθνῶν χαλεπὴ μὲν καὶ στενὴ καὶ παράκρημνος καὶ διὰ πολεμίας, ἔτι δὲ τῶν ἀναγκαίων σπανίζουσα, σύντομος δὲ καὶ κατεψυγμένη. [3] οὐ ράδιον δ' ἐστὶ ταύτην παρελθεῖν στρατόπεδον ἄνευ τοῦ πεῖσαι τοὺς τὴν ὀρεινὴν οἰκοῦντας

βαρβάρους· αὐτόνομοι γὰρ ὄντες ἐκ παλαιῶν χρόνων κατοικοῦσιν ἐν σπηλαίοις, προσφέρονται δὲ βαλάνους καὶ μύκητας, ἔτι δὲ τεταριγευμένα κρέα τῶν ἀγρίων ζῴων. [4] τούτους Ἀντίγονος πείσαι μὲν ἢ δωροδοκεῖν ἀγεννὲς ἡγεῖτο, τηλικαύτης αὐτῷ δυνάμεως συνακολουθοῦσης, προχειρισάμενος δὲ τῶν πελταστῶν τοὺς ἐπισημοτάτους καὶ τοὺς τοξότας καὶ τοὺς σφενδονήτας καὶ τοὺς ἄλλους ψιλοὺς εἰς δύο μέρη διελόμενος τοὺς μὲν Νεάρχῳ παρέδωκε, προστάζας προάγειν καὶ τὰ στενὰ καὶ τὰς δυσχωρίας προκαταλαμβάνεσθαι, τοὺς δὲ ἄλλους παρ' ὅλην τὴν ὁδὸν τάξας αὐτὸς μὲν μετὰ τῆς φάλαγγος προῆγεν, ἐπὶ δὲ τῆς οὐραγίας ἔταξε Πίθωνα. [5] οἱ μὲν οὖν μετὰ Νεάρχου προαποσταλέντες ὀλίγας μὲν σκοπὰς προκατελάβοντο, τῶν δὲ πολλῶν καὶ μάλιστα ἀναγκαίων τόπων ὑστερήσαντες συχνοὺς [p. 37] ἀπέβαλον καὶ μόλις διεξέπεσαν ἐπικειμένων τῶν βαρβάρων. [6] οἱ δὲ περὶ τὸν Ἀντίγονον ἐπειδὴ ποθ' ἦκον ἐπὶ τὰς δυσχωρίας, ἀβοηθήτοις κινδύνοις περιέπιπτον. οἱ γὰρ ἐγχώριοι τῶν τόπων ἔμπειροι καθεστῶτες καὶ τοὺς κρημνοὺς προκατεिल्φότες ἐπεκύλιον τοῖς ὁδοιποροῦσι πέτρας συνεχεῖς καὶ μεγάλας· ἅμα δὲ καὶ τοῖς τόξοις πυκνοῖς χρώμενοι κατετίτρωσκον τοὺς μήτε ἀμύνεσθαι μήτ' ἐκκλῖναι τὰ βέλη δυναμένους διὰ τὴν δυσχωρίαν τῶν τόπων. [7] κρημνώδους δ' οὔσης καὶ δυσβάτου τῆς ὁδοῦ συνέβαινε τοὺς τε ἐλέφαντας καὶ τοὺς ἵππεῖς, ἔτι δὲ τοὺς ἐν τοῖς βαρέσιν ὄπλοις κινδυνεύειν ἅμα καὶ πονεῖν, ἀδυνατοῦντας ἑαυτοῖς βοηθῆσαι. [8] εἰς τοιαύτην δ' ἀμηχανίαν συγκλεισθεῖς Ἀντίγονος μετεμέλετο μὲν ἐπὶ τῷ μὴ πεισθῆναι τοῖς περὶ Πίθωνα, συμβουλευούσι χρημάτων πρίασθαι τὴν πάροδον· οὐ μὴν ἀλλὰ πολλοὺς ἀποβαλὼν καὶ τοῖς ὅλοις κινδυνεύσας διεσώθη μόγις ἐνναταῖος εἰς τὴν οἰκουμένην τῆς Μηδίας.

τὸ δὲ στρατόπεδον διὰ τὴν συνέχειαν τῶν κακῶν καὶ τὴν ὑπερβολὴν τῆς κακοπαθίας ἐν αἰτίαις εἶχε τὸν Ἀντίγονον, ὥστε φωνὰς προῖεσθαι δυσχερεῖς· ἐν ἡμέραις γὰρ τεσσαράκοντα τρισὶ μεγάλοις ἀτυχήμασι περιεπεπτώκεισαν. οὐ μὴν ἀλλὰ φιλανθρώπως ὁμιλήσας τοῖς στρατιώταις ὁ Ἀντίγονος καὶ κατασκευασάμενος δαψιλῇ χορηγίαν πάντων τῶν ἐπιτηδείων [p. 38] ἀνέλαβε τὴν δύναμιν ἐκ τῆς κακοπαθίας. [2] Πίθωνα δ' ἐξαπέστειλε κελεύσας περιελθεῖν πᾶσαν τὴν Μηδίαν καὶ συνάγειν ὡς πλείστους ἵππεῖς τε καὶ πολεμιστὰς ἵππους, ἔτι δὲ ὑποζυγίων πλῆθος. [3] τῆς δὲ χώρας ταύτης αἰεὶ τετραπόδων γεμούσης ῥαδίως τὸ παραγγελθὲν συντελέσας ὁ Πίθων ἦκεν ἄγων ἵππεῖς μὲν δισχιλίους, ἵππους δὲ σὺν ταῖς κατασκευαῖς πλείους χιλίων, τῶν δ' ὑποζυγίων τοσοῦτον ἀριθμὸν ὥστε δύνασθαι καθοπλίσαι πᾶν τὸ στρατόπεδον, καὶ προσέτι τάλαντα πεντακόσια τῶν βασιλικῶν χρημάτων. [4] ὁ δ' Ἀντίγονος τοὺς μὲν ἵππεῖς εἰς τάξεις κατέστησε, τοὺς δ' ἵππους τοῖς ἀπολωλεκόσι διαδοὺς καὶ τὸ πλῆθος τῶν ὑποζυγίων διαχαρισάμενος ἀνεκτήσατο τὴν παρὰ τῶν στρατιωτῶν εὐνοίαν.

οἱ δὲ περὶ τὸν Εὐμενῆ σατράπαι καὶ στρατηγοὶ πυθόμενοι τοὺς πολέμιους ἐν τῇ Μηδίᾳ στρατοπεδεύειν, διέστησαν πρὸς ἀλλήλους. Εὐμενῆς μὲν γὰρ καὶ Ἀντιγένης ὁ τῶν ἀργυρασπίδων ἡγούμενος καὶ πάντες οἱ τὴν ἀπὸ θαλάσσης ἀνάβασιν πεποιημένοι πάλιν ὤοντο δεῖν ἐπὶ θάλατταν καταβαίνειν, οἱ δ' ἐκ τῶν ἄνω σατραπειῶν καταβεβηκότες ἀγωνιῶντες ὑπὲρ τῶν ἰδίων ἔφασαν δεῖν

ἀντέχεσθαι τῶν ἄνω τόπων. [2] αὐξομένης δὲ τῆς διαφορᾶς Εὐμενῆς ὁρῶν ὅτι διαιρεθέντος τοῦ στρατοπέδου κατ' ἰδίαν ἐκάτερον τῶν μερῶν οὐκ ἀξιόμαχόν ἐστι, συνεχώρησε τοῖς καταβεβηκόσι [p. 39] σατράπαις. ἀναζεύξαντες οὖν ἀπὸ τοῦ Πασιτίγριος προῆγον τῆς Περσίδος εἰς Περσέπολιν τὸ βασιλεῖον, οὔσης τῆς ὁδοιπορίας ἡμερῶν εἴκοσι καὶ τεσσάρων, ἧς ἦν ἡ πρώτη μὲν ἕως τῆς καλουμένης Κλίμακος κοίλῃ, καυματώδης δὲ καὶ σπανίζουσα τῶν ἐπιτηδείων, ἡ λοιπὴ δὲ μετέωρος καὶ τὸν ἀέρα παντελῶς ὑγιεινὸν ἔχουσα καὶ πλήρης τῶν ἐπετειῶν καρπῶν: [3] αὐλῶνάς τε γὰρ εἶχε πυκνοὺς καὶ συσκίους καὶ παραδείσων φυτείας ποικίλας, ἔτι δὲ παντοδαπῶν δένδρων φυσικὰς συναγκίας καὶ ῥύσεις ὑδάτων, ὥστε τοὺς ὁδοιποροῦντας μετὰ πολλῆς τέρψεως ἐνδιατρίβειν τόποις ἡδίστοις πρὸς ἀνάπausιν. ἦν δὲ καὶ λείας παντοδαπῆς πλῆθος, ἦν μεταπεμπόμενος Πευκέστης παρὰ τῶν ἐγχωρίων διεδίδου δαψιλῇ τοῖς στρατιώταις, ἐκκαλούμενος αὐτῶν τὴν εὐνοίαν. [4] κατοικοῦσι δὲ ταύτην τὴν χώραν τῶν Περσῶν οἱ μαχιμώτατοι, πάντες ὄντες τοξόται καὶ σφενδονῆται, πολυανθρωπία τε πολὺ διαφέρειν συμβαίνει τὴν χώραν ταύτην τῶν ἄλλων σατραπειῶν.

ὡς δὲ ποθ' ἦκον εἰς Περσέπολιν τὸ βασιλεῖον, Πευκέστης μὲν, ὦν ταύτης τῆς χώρας στρατηγός, θυσίαν ἐπετέλεσε μεγαλοπρεπῇ τοῖς θεοῖς καὶ Ἀλεξάνδρῳ καὶ Φιλίππῳ, μεταπεμπάμενος δὲ ἐξ ὅλης σχεδὸν τῆς Περσίδος ἱερείων καὶ τῶν ἄλλων τῶν εἰς εὐωχίαν καὶ πανήγυριν χρησίμων πλῆθος εἰστίασε τὴν δύναμιν. [2] ἐπλήρωσε δὲ τῆς τῶν πανηγυριζόντων θυσίας κύκλους τέσσαρας ἐντὸς ἀλλήλων ὄντας καὶ περιεχομένους [p. 40] ὑφ' ἐνὸς τοῦ μεγίστου: εἶναι δὲ συνέβαινε τοῦ μὲν ἐκτὸς τὴν περίμετρον δέκα σταδίων, ἦν ἀνεπλήρουν οἱ τε μισθοφόροι καὶ συμμάχων τὸ πλῆθος, τοῦ δὲ δευτέρου σταδίων ὀκτώ, καθ' ὃν ὑπῆρχον οἱ τε ἀργυράσπιδες Μακεδόνες καὶ τῶν ἐταίρων οἱ μετ' Ἀλεξάνδρου στρατεύσαντες, τοῦ δ' ἐξῆς τὴν μὲν περιφέρειαν σταδίων τεσσάρων, τὸν δὲ τόπον ἀναπληροῦσθαι κατακειμένων τῶν τε δευτέρων ἡγεμόνων καὶ τῶν ἔξω τάξεως καὶ φίλων καὶ στρατηγῶν καὶ τῶν ἱππέων: τοῦ δ' ἐπὶ πᾶσιν, ὄντος δυεῖν σταδίων, διειλήφεισαν τὰς κλισίας οἱ τε στρατηγοὶ καὶ οἱ τὰς ἱππαρχίας ἔχοντες, ἔτι δὲ τῶν Περσῶν οἱ μάλιστα τιμώμενοι. [3] ἐν μέσῳ δὲ τούτων ὑπῆρχον βωμοὶ θεῶν καὶ Ἀλεξάνδρου καὶ Φιλίππου. καὶ τὰς μὲν κλισίας συνέβαινε ἐκ φυλλάδος κατεσκευάσθαι, κεκαλυμμένας αὐλαίαις καὶ παντοδαποῖς περιστρώμασι, χορηγούσης τῆς Περσίδος δαψιλῇ πάντα τὰ πρὸς τρυφὴν καὶ ἀπόλαυσιν, διεστηκέναι δὲ τοὺς κύκλους ἀπ' ἀλλήλων ἐπὶ τοσοῦτον ὥστε μηδὲν μὲν παρενοχλεῖσθαι τοὺς ἐστιωμένους,

πλησίον δ' εἶναι πάσας τὰς παρασκευάς. πάντων δὲ κατὰ τρόπον ὑπηρετουμένων ἐπεσημαίνετο τὸ πλῆθος τὴν τοῦ Πευκέστου προθυμίαν καὶ φανερὸς ἦν ἐπιδεδωκὼς πολὺ πρὸς εὐνοίαν. ἃ δὴ θεωρῶν Εὐμενῆς καὶ συλλογιζόμενος τὸν Πευκέστην πολιτεύεσθαι πρὸς τὸ πλῆθος τῆς στρατηγίας ὀρεγόμενον, ἐπλάσαστο ψευδεῖς ἐπιστολάς, διὰ δὲ τούτων τοὺς τε στρατιώτας [p. 41] εὐθαρσεῖς πρὸς τὰς μάχας κατεσκεύασεν καὶ τοῦ Πευκέστου τὸν ὄγκον καὶ τὸ πρόσχημα ταπεινώσας ἑαυτὸν εἰς ὕψος ἤγαγε καὶ προσδοκίαν ἐλπίδων ἀγαθῶν παρὰ τοῖς πλῆθεσιν. [2] ἦν δ' ὁ νοῦς τῶν γεγραμμένων ὅτι τὸ

μὲν Ἀλεξάνδρου παῖδιον Ὀλυμπιάς παραλαβοῦσα κεκόμισται καὶ τὴν Μακεδονίαν βασιλείαν κυρίως, ἀναιρεθέντος Κασάνδρου, Πολυπέρχων δὲ διαβέβηκεν εἰς Ἀσίαν πρὸς Ἀντίγονον ἔχων τῆς βασιλικῆς δυνάμεως τὴν κρατίστην καὶ τοὺς ἐλέφαντας, ἔστι δὲ προσάγων ἤδη περὶ Καππαδοκίαν. [3] ἢ δ' ἐπιστολὴ Συρίοις γεγραμμένη γράμμασιν ἀπέσταλτο παρὰ Ὀρόντου τοῦ σατραπείαν μὲν ἔχοντος Ἀρμενίας, φίλου δὲ ὄντος Πευκέστη. πιστευθείσης δὲ τῆς ἐπιστολῆς διὰ τὴν συνήθειαν τὴν προϋπάρχουσαν τοῖς σατράπαις ὁ μὲν Εὐμενὴς ἐκέλευσε περιενεγκεῖν καὶ δεῖξαι τοῖς τε ἡγεμόσι καὶ τῶν ἄλλων στρατιωτῶν τοῖς πλείστοις, τὸ δὲ στρατόπεδον ἅπαν μετετέθη ταῖς διανοαῖς καὶ πάντες ἀπέβλεπον πρὸς τὰς Εὐμενοῦς ἐλπίδας, ὥς τούτου δυνησομένου καὶ προάγειν διὰ τῶν βασιλέων οὕς ἂν βούληται καὶ δίκας λαβεῖν παρὰ τῶν ἀδικούντων. [4] μετὰ δὲ τὴν εὐωχίαν Εὐμενὴς βουλόμενος καταπλήξασθαι τοὺς ἀπειθοῦντας ἢ στρατηγίας ὀρεγομένους παρήγαγεν εἰς κρίσιν Σιβύρτιον, ὃς ἦν τῆς μὲν Ἀραχωσίας σατράπης, Πευκέστου δὲ μάλιστα φίλος, ἔλαθε δὲ αὐτὸν τῶν ἰππέων τινὰς ἀποστείλας εἰς Ἀραχῶτας· καὶ τὰς ἀποσκευὰς κελεύσας παρελθεῖν εἰς τηλικούτους περιέστησε κινδύνους ὥστε, εἰ μὴ λαθὼν διέδρα, [p. 42]

θανάτῳ περιέπεσεν ἂν ὑπὸ τοῦ πλήθους. τούτῳ δὲ τῷ τρόπῳ τοὺς μὲν ἄλλους καταπληξάμενος, ἑαυτῷ δ' ὄγκον καὶ πρόσχημα μέγα περιποιήσας μετεβάλετο πάλιν καὶ τὸν Πευκέστην λόγοις φιланθρώποις καὶ μεγάλαις ἐπαγγελίαις προσαγαγόμενος εὖνουν ἑαυτῷ καὶ πρόθυμον κατεσκεύασεν εἰς τὸ τοῖς βασιλεῦσι συναγωνίζεσθαι. [2] σπεύδων δὲ καὶ παρὰ τῶν ἄλλων σατραπῶν καὶ στρατηγῶν ὥσπερ ὄμηρα λαβεῖν τοῦ μὴ καταλείπειν αὐτόν, προσεποιήθη χρημάτων σπανίζειν καὶ παρεκάλεσεν ἕκαστον κατὰ δύναμιν δανεῖσαι τοῖς βασιλεῦσι. [3] λαβὼν δὲ παρ' ὧν ἐδόκει συμφέρειν ἡγεμόνων τετρακόσια τάλαντα τοὺς πρότερον ὑπόπτους ὄντας ἐπιβουλεύειν ἢ καταλείπειν πιστοτάτους φύλακας ἔσχε τοῦ σώματος καὶ συναγωνιστάς. [4] οὕτως δὲ αὐτοῦ περὶ τούτων πρὸς τὸ μέλλον στρατηγούντος ἡκόν τινες ἐκ Μηδίας ἀπαγγέλλοντες ὅτι μετὰ τῆς δυνάμεως Ἀντίγονος τὴν ἀνάζευξιν ἐπὶ τῆς Περσίδος εἶη πεποιημένος. ἃ δὴ πυθόμενος καὶ αὐτὸς ἀνέξευξε, διεγνώκως ἀπαντᾷ τοῖς πολεμίοις καὶ διακινδυνεύειν. [5] κατὰ δὲ τὴν ὁδοιπορίαν δευτεραῖος θυσίαν ἐπετέλεσε τοῖς θεοῖς καὶ τὴν δύναμιν εὐωχήσας πολυτελεῶς τὰ μὲν πλήθη πρὸς εὖνοιαν προεκαλέσατο, αὐτὸς δὲ κατὰ τὴν μέθην συμπεριενεχθεὶς τῶν παραληφθέντων τοῖς εἰς τὸ πίνειν ὀρμήσασιν ἐνέπεσεν εἰς ἄρρωστίαν. διόπερ ἡμέρας τινὰς ἐπέσχε τῆς πορείας, καταβαρούμενος ὑπὸ τοῦ πάθους· ἢ δὲ δύναμις ἐν ἀθυμίᾳ καθειστήκει, τῶν μὲν πολεμίων προσδοκωμένων [p. 43] ταχέως συνάψειν, τοῦ δ' ἱκανωτάτου τῶν στρατηγῶν ὑπὸ τῆς νόσου πιεζομένου. [6] οὐ μὴν ἀλλὰ τοῦ πάθους κριθέντος ἐπειδὴ βραχέως αὐτὸν προσανέλαβε, προῆγε μετὰ τῆς δυνάμεως ἀφηγουμένου Πευκέστου καὶ Ἀντιγένους, αὐτὸς δὲ φορίῳ κομιζόμενος ἐπηκολούθει τοῖς οὐραγοῦσιν, ὅπως μὴ διὰ τὸν θόρυβον καὶ τὴν στενοχωρίαν παρενοχλοῖτο.

ὥς δ' ἡμέρας ὁδὸν ἀπέσχον ἀπ' ἀλλήλων τὰ στρατόπεδα, κατασκόπους ἔπεμψαν ἀμφότεροι καὶ μαθόντες τὰ πλήθη καὶ τὰς προαιρέσεις τῶν πολεμίων

παρεσκευάσαντο μὲν πρὸς τὸν κίνδυνον, διελύθησαν δὲ χωρὶς μάχης: [2] προβεβλημένοι γὰρ ἀμφοτέροι ποταμόν τινα καὶ χαράδραν ἐξέταξαν μὲν τὰς δυνάμεις, διὰ δὲ τὰς τῶν τόπων δυσχωρίας οὐκ ἠδυνήθησαν διαγωνίσασθαι. καταστρατοπεδεύσαντες δ' ἀλλήλων ἀπὸ σταδίων τριῶν ἐπὶ μὲν ἡμέρας τέσσαρας ἀκροβολιζόμενοι καὶ προνομεύοντες τὴν χώραν διετέλεσαν, πάντων σπανίζοντες, τῇ πέμπτῃ δ' Ἀντίγονος πρεσβευτὰς ἐξαπέστειλε πρὸς τε τοὺς σατράπας καὶ τοὺς Μακεδόνας, ἀξιῶν Εὐμενεῖ μὲν μὴ προσέχειν, ἑαυτῷ δὲ πιστεύειν: [3] συγχωρήσειν γὰρ ἔφη τοῖς μὲν σατράπαις ἔχειν τὰς ἰδίας σατραπείας, τῶν δὲ ἄλλων τοῖς μὲν χώραν πολλὴν δώσειν, τοὺς δὲ εἰς τὰς πατρίδας ἀποστελεῖν μετὰ τιμῆς καὶ δωρεῶν, τοὺς δὲ στρατεύεσθαι βουλομένους διανεμεῖν εἰς τὰς ἐκάστω καθηκούσας τάξεις. [4] τῶν δὲ Μακεδόνων οὐ προσεχόντων τοῖς λόγοις, ἀλλὰ καὶ προσαπειλούντων τοῖς πρεσβευταῖς Εὐμενῆς παρελθὼν [p. 44] ἐπήνεσέν τε αὐτοὺς καὶ λόγον εἶπε τῶν παραδεδομένων μὲν καὶ παλαιῶν, οὐκ ἀνοίκειον δὲ τῆς περιστάσεως. [5] ἔφη γὰρ ἐρασθέντα λέοντα παρθένου διαλεχθῆναι τῷ πατρὶ τῆς κόρης ὑπὲρ τοῦ γάμου, τὸν δὲ πατέρα λέγειν ὡς ἔτοιμος μὲν ἐστὶν αὐτῷ δοῦναι, δεδοικέναι δὲ τοὺς ὄνυχας καὶ τοὺς ὀδόντας, μήποτε γήμας καὶ παροξυνθεὶς διὰ τινα αἰτίαν προσενέγκηται τῇ παρθένῳ θηριωδῶς. [6] τοῦ δὲ λέοντος ἐξελόντος τοὺς τε ὄνυχας καὶ τοὺς ὀδόντας τὸν πατέρα, θεωρήσαντα πάντα δι' ὧν ἦν φοβερὸς ἀποβεβληκότα, τύπτοντα τῷ ξύλῳ ῥαδίως ἀποκτεῖναι. τὸ παραπλήσιον οὖν ποιεῖν καὶ τὸν Ἀντίγονον: [7] μέχρι τούτου γὰρ ποιεῖσθαι τὰς ἐπαγγελίας ἕως ἂν τῆς δυνάμεως κυριεύσῃ καὶ κολάσῃ τηνικαῦτα τοὺς ἀφηγουμένους. ἐπισημαινομένου δὲ τοῦ πλήθους ὡς ὀρθῶς λέγοντος τότε μὲν ἔλυσε τὴν ἐκκλήσιν:

νυκτὸς δὲ ἐπιγενομένης ἤκόν τινες ἡῦτομοληκότες μὲν ἐκ τῆς Ἀντιγόνου στρατοπεδείας, λέγοντες δ' ὅτι παρήγγειλε τοῖς στρατιώταις Ἀντίγονος ἀναζευγνύειν περὶ δευτέραν φυλακὴν. ὁ δ' Εὐμενῆς συλλογιζόμενος ἀληθῶς ὑπέλαβε τοὺς πολεμίους ἀποχωρήσειν εἰς τὴν Γαβηνήν: [2] αὕτη γὰρ ἀπέχουσα τριῶν ἡμερῶν ὁδὸν ἀκέραιος ἦν καὶ πλήρης καρπῶν καὶ χορτασμάτων καὶ καθόλου τῶν δυναμένων χορηγῆσαι τὰ ἐπιτήδεια [p. 45] μεγάλαις δυνάμεσι δαψιλῶς. [3] πρὸς δὲ τούτοις τοῖς ἀγαθοῖς ὁ τόπος αὐτὸς συνήργει, ποταμοὺς ἔχων καὶ χαράδρας δυσεξόδους. σπεύδων οὖν φθάσαι τοὺς πολεμίους τὸ ὅμοιον ἔπραξε. τῶν μὲν μισθοφόρων τινὰς χρήμασι πείσας ἐξέπεμψεν ὡς αὐτομόλους, συντάξας λέγειν ὅτι διέγνωκεν Εὐμενῆς νυκτὸς ἐπιτίθεσθαι τῷ χάρακι: αὐτὸς δὲ τὴν μὲν ἀποσκευὴν προαπέστειλε, τοῖς δὲ στρατιώταις παρήγγειλε τὴν ταχίστην δειπνοποιησαμένοις ἀναζευγνύειν. [4] ὧν ἀπάντων ὁξέως συντελεσθέντων Ἀντίγονος ἀκούσας τῶν αὐτομόλων ὅτι μάχεσθαι νυκτὸς διεγνώκασιν οἱ πολέμιοι, τῆς μὲν πορείας ἀπέσχετο, διέτασσε δὲ τὴν δύναμιν εἰς τὸν κίνδυνον. [5] τοῦ δὲ περὶ ταῦτα θορυβουμένου καὶ περὶ τοῦ μέλλοντος ἀγωνιῶντος ἔλαθον οἱ περὶ τὸν Εὐμενῆ προλαβόντες καὶ τὴν ὁδοιπορίαν ποιοῦμενοι κατὰ τάχος εἰς τὴν Γαβηνήν. ὁ δ' Ἀντίγονος μέχρι μὲν τινος ἐν τοῖς ὅπλοις συνεῖχε τὴν δύναμιν, ὡς δὲ παρὰ τῶν κατασκόπων ἐπύθετο τὴν ἀποχώρησιν τῶν ἐναντίων, γνοὺς αὐτὸν κατεστρατηγημένον οὐδὲν ἤττον ἀντείχετο τῆς αὐτῆς προαιρέσεως. [6] παραγγείλας οὖν τοῖς

στρατιώταις ἀναζευγνύειν, προῆγε σύντονον τὴν πορείαν ποιούμενος καὶ διωγμῷ παραπλήσιον. προέχοντος δ' Εὐμενοῦς δύο φυλακὰς ὁρῶν ὅτι καταλαβεῖν οὐ ῥάδιόν ἐστι τῇ δυνάμει πάση τοὺς τοσοῦτο προεὐληφότας, ἐπενόησέ τι τοιοῦτο. [7] τὴν μὲν ἄλλην δύναμιν παραδοὺς Πίθωνι προσέταξε κατὰ σχολὴν ἀκολουθεῖν, αὐτὸς δὲ τοὺς ἱππεῖς ἀναλαβὼν ἤλαυνεν ἀπὸ ῥυτῆρος καὶ περιλαβὼν ἅμ' ἡμέρᾳ τὴν οὐραγίαν τῶν πολεμίων καταβαίνουσιν [p. 46] ἀπὸ τινος ἀκρολοφίας ἐπέστη ταῖς ἀκρωρείαις, φανερὸς ὢν τοῖς ἐναντίοις. [8] οἱ δὲ περὶ τὸν Εὐμενῆ θεωρήσαντες ἐξ ἱκανοῦ διαστήματος τῶν πολεμίων ἱππεῖς καὶ δόξαντες εἶναι πλησίον ἅπασαν τὴν δύναμιν, τῆς μὲν πορείας ἐπέσχον, τὴν δὲ στρατιὰν διέτασσον, ὥς αὐτίκα τῆς παρατάξεως γενησομένης. [9] οἱ μὲν οὖν ἡγεμόνες ἀμφοτέρων τῶν στρατοπέδων τὸν προειρημένον τρόπον ἀλλήλους κατεστρατήγησαν, ὥσπερ προαγωνιζόμενοι περὶ συνέσεως καὶ δεικνύοντες ὅτι τὰς ἐλπίδας ἐν αὐτοῖς ἀντέχουσι τῆς νίκης. [10] ὁ δ' οὖν Ἀντίγονος διὰ ταύτης τῆς ἐπινοίας ἐκώλυσε μὲν τοὺς πολεμίους προάγειν εἰς τοῦμπροσθεν, αὐτῷ δὲ δοὺς ἄνεσιν εἰς τὸ προσδέξασθαι τὴν δύναμιν, ἐπειδὴ τὸ στρατόπεδον ἦκεν, ἅπαν ἐξέταξεν εἰς μάχην καὶ κατέβαινε συντεταγμένος ἐπὶ τοὺς πολεμίους καταπληκτικῶς.

εἶχε δὲ τοὺς σύμπαντας σὺν τοῖς διὰ Πίθωνος καὶ Σελεύκου προσγεγενημένοις πεζοὺς μὲν πλείους τῶν δισμυρίων ὀκτακισχιλίων, ἱππεῖς δ' ὀκτακισχιλίους πεντακοσίους, ἐλέφαντας δὲ ἐξήκοντα πέντε. Διηλλαγμέναις δ' ἐχρήσαντο ταῖς τάξεσιν οἱ στρατηγοί, διαμιλλώμενοι καὶ περὶ τῆς ἐν τούτοις ἐμπειρίας πρὸς ἀλλήλους. [2] Εὐμενὴς μὲν γὰρ ἐπὶ τοῦ λαιοῦ κέρατος ἔταξεν Εὐδημον τὸν καταγαγόντα τοὺς ἐλέφαντας ἐξ Ἰνδῶν, ἔχοντα τὸ περὶ αὐτὸν ἄγλημα τῶν ἱππέων, ὄντων ἑκατὸν πεντήκοντα, πρόταγμα δὲ τούτων [p. 47] εἷλας δύο ξυστοφόρων ἐπιλέκτων, βάθος ἐχούσας ἱππέων πεντήκοντα. [3] καὶ συνῆψε μὲν τούτους τοῖς ὑπερδεξιῖς τῆς ὑπωρίας, ἐξῆς δὲ τούτοις Στάσανδρον τὸν στρατηγὸν ἔταξεν ἔχοντα τοὺς ἰδίους ἱππεῖς ἐννακοσίους πεντήκοντα. [4] μετὰ δὲ τούτους ἔστησεν Ἀμφίμαχον τὸν Μεσοποταμίας σατράπην, ᾧ συνηκολούθουν ἱππεῖς ἐξακόσιοι, συνάπτοντας δὲ τούτοις τοὺς ἐξ Ἀραχωτῶν ἱππεῖς ἐξακοσίους, ὧν ἡγεῖτο πρότερον μὲν Σιβύρτιος, διὰ δὲ τὴν ἐκείνου φυγὴν μετεilhφει τὴν ἡγεμονίαν Κεφάλων. [5] ἐξῆς δ' ἦσαν πεντακόσιοι μὲν ἐκ Παροπανισαδῶν, οἱ δὲ τούτοις ἴσοι Θρᾶκες ἐκ τῶν ἄνω κατοικιῶν. πρὸ δὲ τούτων ἀπάντων ἔταξεν ἐλέφαντας μὲν ἐν ἐπικαμπίῳ τεσσαράκοντα πέντε, τοξότας δὲ καὶ σφενδονήτας ἐν τοῖς τῶν θηρίων διαστήμασι τοὺς ἱκανοὺς. [6] τοῦτον δὲ τὸν τρόπον ὀχυρωσάμενος τὸ λαιὸν κέρας συνῆψεν αὐτῷ τὴν φάλαγγα. ταύτης δὲ τὸ ἄκρον ἐπεῖχον οἱ ξένοι, πλείους ὄντες τῶν ἐξακισχιλίων, τὸ δ' ἐξῆς οἱ καθωπλισμένοι μὲν εἰς τὰ Μακεδονικά, παντοδαποὶ δ' ὄντες τοῖς ἔθνεσιν, εἰσπεντακισχιλίους.

μετὰ δὲ τούτους ἐτάχθησαν οἱ Μακεδόνες ἀργυράσπιδες, ὄντες μὲν πλείους τρισχιλίων, ἀνίκητοι δὲ καὶ διὰ τὰς ἀρετὰς πολὺν φόβον παρεχόμενοι τοῖς πολεμίοις. ἐπὶ πᾶσι δὲ τοὺς ἐκ τῶν ὑπασπιστῶν, [p. 48] ὄντας πλείους τρισχιλίων, ἀφηγουμένου τούτων τε ἅμα καὶ τῶν ἀργυρασπίδων Ἀντιγένους καὶ Τευτάμου. [2] πρὸ δὲ πάσης τῆς φάλαγγος ἔστησεν ἐλέφαντας τεσσαράκοντα καὶ τὰ τούτων διαστήματα τοῖς ψυλικοῖς τάγμασιν

ἀνεπλήρωσεν. [3] ἐπὶ δὲ τοῦ δεξιοῦ κέρατος ἐξέταξε τοὺς ἰππεῖς, ἐχομένους μὲν τῆς φάλαγγος τοὺς ἐκ Καρμανίας ὀκτακοσίους, ὧν Τληπόλεμος σατράπης ἡγεῖτο, ἐξῆς δὲ τοὺς καλουμένους ἐταῖρους ἐννακοσίους καὶ τὸ Πευκέστου καὶ Ἀντιγένους ἄγῃμα, τριακοσίους ἔχον ἰππεῖς μῖα περιειλημμένους εἴλη, ἐπ' ἄκρου δὲ τοῦ κέρατος τὸ Εὐμενοῦς ἄγῃμα, τοὺς ἴσους ἔχον ἰππεῖς, καὶ τούτων πρόταγμα τῶν Εὐμενοῦς παιδῶν εἶλας δύο, συνεστηκυίας ἐκατέρας ἐξ ἰππέων πεντήκοντα, καὶ πλαγίας φυλαπτούσας ἔξω τοῦ κέρατος εἶλας τέσσαρας, ἐν αἷς ἦσαν ἰππεῖς ἐπιλέκτοι διακόσιοι. [4] χωρὶς δὲ τούτων ἀπὸ πασῶν τῶν ἱππαρχῶν ἐπιλεγμένους τοῖς τάχεσι καὶ ταῖς ρώμαις ἰππεῖς τριακοσίους ἔστησε κατόπιν τοῦ περὶ αὐτὸν ἀγῆματος. παρὰ δὲ τὴν ὅλην τοῦ κέρατος τάξιν προέταξεν ἐλέφαντας τεσσαράκοντα. ἡ δὲ πᾶσα δύναμις ἦν τῶν περὶ τὸν Εὐμενῆ πεζοὶ μὲν τρισμῦριοι πεντακισχίλιοι, ἰππεῖς δὲ ἑξακισχίλιοι ἑκατόν, ἐλέφαντες δὲ ἑκατόν τεσσαρεσκαίδεκα. [p. 49]

Ἀντίγονος δ' ἐκ μετεώρων τόπων κατιδὼν τὴν τῶν πολεμίων τάξιν πρὸς ταύτην ἀρμοζόντως διεκόσμησε τὴν ἰδίαν δύναμιν. ὁρῶν γὰρ τὸ τῶν ἐναντίων δεξιὸν κέρας ὠχυρωμένον τοῖς τε θηρίοις καὶ τοῖς κρατίστοις τῶν ἰππέων ἀντέταξε τοὺς ἐλαφροτάτους τῶν ἰππέων, οἱ κατὰ στόμα μὲν ἡμέλλον φυγομαχήσειν ἄραιοι διαστάντες, ἐκ μεταβολῆς δὲ διαγωνιῆσθαι καὶ τούτῳ τῷ τρόπῳ ποιήσειν ἄπρακτον τῶν ἐναντίων τοῦτο τὸ μέρος ᾧ μάλιστα ἐπίστευον. [2] ἔστησε δ' ἐπὶ ταύτης τῆς φάλαγγος τοὺς τε ἐκ Μηδίας καὶ Παρθυαίας ἀφιπποτοξότας καὶ λογχοφόρους, ὄντας μὲν χιλίους, πεφυκότας δ' εὖ πρὸς τὴν ἐκ μεταβολῆς κρίσιν, ἐξῆς δὲ τοὺς ἀπὸ θαλάσσης συναναβεβηκότας Ταραντίνους δισχιλίους καὶ διακοσίους, ἐπιλέκτους ἐν ἐνέδραις καὶ καλῶς διακειμένους ταῖς εὐνοίαις πρὸς αὐτόν, τοὺς δ' ἀπὸ Φρυγίας καὶ Λυδίας χιλίους, τοὺς δὲ μετὰ Πίθωνος χιλίους πεντακοσίους καὶ τοὺς μετὰ Λυσανίου ξυστοφόρους τετρακοσίους, ἐπὶ πᾶσι δὲ τοὺς τε ἀμφίππους ὀνομαζομένους καὶ τοὺς ἐκ τῶν ἄνω κατοικούντων Θρακῶν ὀκτακοσίους. [3] καὶ τὸ μὲν εὐώνυμον κέρας ὑπὸ τούτων ἐπληροῦτο τῶν ἰππέων, ὧν ἀπάντων Πίθων εἶχε τὴν ἡγεμονίαν: τῶν δὲ πεζῶν πρῶτοι μὲν ἐτάχθησαν οἱ ξένοι, πλείους ὄντες τῶν ἐννακισχιλίων, μετὰ δὲ τούτους [p. 50] Λύκιοι καὶ Παμφύλιοι τρισχίλιοι, παντοδαποὶ δ' εἰς τὰ Μακεδονικὰ καθωπλισμένοι πλείους τῶν ὀκτακισχιλίων, ἐπὶ πᾶσι δὲ Μακεδόνες οὐ πολὺ ἐλάττους τῶν ὀκτακισχιλίων, οὓς ἔδωκεν Ἀντίπατρος καθ' ὃν καιρὸν ἐπιμελητὴς ἀπεδείχθη τῆς βασιλείας. [4] τῶν δ' ἰππέων πρῶτοι μὲν ἦσαν ἐπὶ τοῦ δεξιοῦ κέρατος συνάπτοντες τῇ φάλαγγι μισθοφόροι παντοδαποὶ πεντακόσιοι, ἐξῆς δὲ Θράκες χίλιοι, παρὰ δὲ τῶν συμμάχων πεντακόσιοι, ἐχόμενοι δὲ τούτων οἱ προσαγορευθέντες ἐταῖροι χίλιοι, Δημήτριον ἔχοντες ἡγεμόνα τὸν Ἀντιγόνου, τότε πρῶτως μέλλοντα συναγωνιῆσθαι τῷ πατρί. [5] ἐπ' ἄκρου δὲ τοῦ κέρατος ἦν τὸ ἄγῃμα τῶν ἰππέων τριακοσίων, μεθ' ὧν καὶ αὐτὸς ἐκινδύνευε: πρόταγμα δὲ τούτων ἐκ τῶν ἰδίων παιδῶν εἶλαι τρεῖς ὑπῆρχον καὶ ταύταις ἴσαι παράλληλοι, συναγωνιζομένων αὐτοῖς Ταραντίνων ἑκατόν. [6] παρὰ δὲ τὸ κέρας πᾶν ἐξέταξε τοὺς κρατίστους τῶν ἐλεφάντων τριάκοντα, ποιήσας δ' ἐπικάμπιον, καὶ τὰ διαστήματα τούτων συνεπλήρωσε τοῖς ψιλοῖς τάγμασιν ἐπιλέκτοις: τῶν δ' ἄλλων θηρίων τὰ πλείω μὲν τῆς

φάλαγγος προέστησεν, ὀλίγα δὲ μετὰ τῶν ἰππέων τῶν ἐν τοῖς εὐνύμοις μέρεσι. [7] τοῦτον δὲ τὸν τρόπον ἐκτάξας τὸ στρατόπεδον κατέβαιναν ἐπὶ τοὺς πολεμίους, λοξὴν ποιήσας τὴν τάξιν: τὸ μὲν γὰρ δεξιὸν κέρασ, ᾧ μάλιστα ἐπίστευεν, προεβάλετο, [p. 51] τὸ δ' ἕτερον ὑπεστείλατο, διεγνοκῶς ᾧ μὲν φυγομαχεῖν, ᾧ δὲ διαγωνίζεσθαι.

ἐπεὶ δὲ συνέγγυς ἀλλήλων ἐγένετο τὰ στρατόπεδα καὶ τὸ σύσσημον ἦρθη παρ' ἀμφοτέροις, ἐπηλάλαξαν μὲν αἱ δυνάμεις ἐπαλλάξ πλεονάκις, ἐσήμηναν δ' οἱ σαλπικται τὸ πολεμικόν. πρῶτοι δ' οἱ μετὰ Πίθωνος ἰππεῖς, στερεὸν μὲν οὐδὲν οὐδ' ἀξιόλογον ἔχοντες πρόφραγμα περὶ αὐτούς, ὑπερέχοντες δὲ τῶν ἀντιτεταγμένων τῷ τε πλήθει καὶ ταῖς ἐλαφρότησιν, ἐπειρῶντο χρήσασθαι τοῖς ἰδίους προτερήμασι. [2] τὸ μὲν γὰρ κατὰ στόμα διακινδυνεύειν πρὸς ἐλέφαντας οὐκ ἀσφαλὲς ἐνόμιζον, περιππεύσαντες δὲ τὸ κέρασ καὶ πλαγίοις ἐμβalόντες πυκνοῖς τοῖς βέλεσι κατετίτρωσκον, αὐτοὶ μὲν διὰ τὰς ἐλαφρότητας οὐδὲν πάσχοντες, μεγάλα δὲ βλάπτοντες τοὺς διὰ τὰ βάρη μῆτ' ἐκδιώξαι δυναμένους μῆτ' ἀναχωρεῖν, ὅταν καιρὸς παραγγεῖλῃ. [3] Εὐμενὴς δ' ὁρῶν πιεζούμενον τὸ κέρασ τῷ πλήθει τῶν ἀφιπποτοξοτῶν μετεπέμψατο παρ' Εὐδάμου τοῦ τὸ λαιὸν κέρασ ἔχοντος τοὺς ἐλαφροτάτους τῶν ἰππέων, [4] ἐξαγαγὼν δὲ ἐπὶ κέρασ τὴν ὅλην τάξιν τοῖς μὲν ψιλοῖς καὶ τοῖς ἐλαφροτάτοις τῶν ἰππέων εἰσέβαλεν εἰς τοὺς ἐναντίους, ἐπακολουθοῦντων δὲ καὶ τῶν θηρίων ῥαδίως τρεψάμενος τοὺς περὶ τὸν Πίθωνα κατεδιώξε μέχρι τῆς ὑπωρίας. [5] ἅμα δὲ τούτοις πραττομένοις συνέβη καὶ τοὺς πεζοὺς ἐφ' ἱκανὸν μὲν χρόνον φαλαγγομαχεῖν πρὸς ἀλλήλους, τὸ δὲ τελευταῖον πολλῶν πεσόντων [p. 52] παρ' ἀμφοτέροις ἐπικρατῆσαι τοὺς παρ' Εὐμενεῖ τεταγμένους διὰ τὰς τῶν ἀργυρασπίδων Μακεδόνων ἀρετάς: [6] οὗτοι γὰρ ταῖς μὲν ἡλικίαις ἤδη προβεβήκεισαν, διὰ δὲ τὸ πλῆθος τῶν κινδύνων διέφερον ταῖς τόλμαις καὶ ταῖς εὐχειρίαις, ὥστε μηδένα δύνασθαι κατὰ στόμα τὴν βίαν ὑποστῆναι. διὸ καὶ τότε τρισχίλιοι μὲν ὄντες οἰοῖναι στόμωμα καθειστήκεισαν πάσης τῆς δυνάμεως. [7] Ἀντίγονος δ' ὁρῶν τό τε εὐνύμῳ κέρασ τῶν ἰδίων πεφευγότας καὶ τὴν φάλαγγα πᾶσαν τετραμμένην τοῖς μὲν συμβουλοῦσιν ἀποχωρεῖν πρὸς τὴν ὀρεινὴν καὶ τοὺς ἀπὸ τῆς φυγῆς σωζομένους ἀναλαμβάνειν, ἄθραυστον ἔχοντα τὸ περὶ αὐτὸν μέρος τῆς δυνάμεως, οὐ προσέσχε, τῷ δὲ παρὰ τοῦ καιροῦ δοθέντι προτερήματι δεξιῶς χρησάμενος καὶ τοὺς φεύγοντας τῶν ἰδίων ἔσωσε καὶ τῆς νίκης ἔτυχεν. [8] οἱ μὲν γὰρ ἀργυράσπιδες οἱ παρ' Εὐμενεῖ καὶ τὸ λοιπὸν πλῆθος τῶν πεζῶν ὡς τάχιστα ἐτρέψατο τοὺς ἀντιτεταγμένους, ἐπεδίωκεν μέχρι τῆς πρότερον ὑπωρίας: [9] ὁ δ' Ἀντίγονος γενομένου διαστήματος ἐν τῇ τῶν πολεμίων τάξει διηπεύσας μέρος τῶν ἰππέων ἐνέβαλεν εἰς πλαγίους τοὺς περὶ Εὐδαμον τεταγμένους ἐπὶ τοῦ λαιοῦ κέρατος. [10] ταχὺ δὲ διὰ τὸ παράδοξον τρεψάμενος τοὺς ἐναντίους καὶ πολλοὺς ἀνελὼν διαπέστειλε τῶν ἰππέων τοὺς ἐλαφροτάτους καὶ διὰ τούτων ἀνεκαλέσατο τοὺς φεύγοντας καὶ παρὰ τὴν ὑπωρίαν πάλιν εἰς τάξιν κατέστησεν. καὶ γὰρ οἱ περὶ τὸν Εὐμενεῖ πυθόμενοι τὴν τῶν ἰδίων τροπὴν ἀνεκαλοῦντο τῇ σάλπιγγι τοὺς διώκοντας, σπεύδοντες [p. 53]

βοηθῆσαι τοῖς περὶ τὸν Εὐδαμον. ἤδη δὲ τῆς ὥρας οὔσης περὶ λύχων ἀφὰς ἀμφοτέροις τοὺς φεύγοντας ἀνακαλεσάμενοι πάλιν πᾶσαν ἐξέταπτον τὴν

δύναμιν: τοσαύτης φιλονεικίας ὑπῆρχον πλήρεις οὐχ οἱ στρατηγοὶ μόνον, ἀλλὰ καὶ τὰ πλήθη τῶν ἀγωνιζομένων. [2] τῆς δὲ νυκτὸς οὔσης αἰθρίου καὶ πανσελήνου καὶ τῶν δυνάμεων ἀντιπαραγουσῶν ἀλλήλαις ὡς ἂν ἐν τέτταρσι πλέθοις ὁ ψόφος τῶν ὅπλων καὶ τῶν ἵππων ὁ φρυαγμὸς ἐν χερσὶν ἐδόκει πᾶσιν εἶναι τοῖς ἀντιτεταγμένοις. ὡς δὲ παράγοντες ἀπέσχον ἀπὸ τῶν ἐν τῇ μάχῃ πεπτωκότων ὡς τριάκοντα σταδίου, ἡ μὲν ὥρα κατελάμβανεν μεσονύκτιος, κακῶς δὲ διέκειντο ἀμφοτέροι διὰ τε τὴν ὁδοιορίαν καὶ τὴν ἐν τῇ μάχῃ κακοπάθειαν, [3] ἔτι δὲ τὴν ἀσιτίαν, ὥστε ἠναγκάσθησαν ἀφέμενοι τῆς μάχης καταστρατοπεδεῦσαι. Εὐμενῆς μὲν οὖν ἐπεχειρεῖ ἀναζευγνύειν ἐπὶ τῶν νεκρῶν, σπεύδων κρατεῖν τῆς τούτων ἀναιρέσεως καὶ τὴν νίκην ἀναμφισβήτητον περιποιήσασθαι. οὐ προσεχόντων δὲ τῶν στρατιωτῶν, ἀλλὰ βοώντων ἐπὶ τὴν ἰδίαν ἀποσκευὴν ἀναχωρεῖν μακρὰν ἀπέχουσιν ἠναγκάσθη πεισθῆναι τῷ πλήθει: [4] οὔτε γὰρ τοῖς στρατιώταις δυνατόν ἦν πικρῶς ἐπιτιμᾶν, ἀμφισβητούντων πολλῶν τῆς στρατηγίας, οὔτε τὸν καιρὸν ἐπιτήδειον ἐώρα κολάζειν τοὺς ἀπειθοῦντας. ὁ δ' Ἀντίγονος τοῦναντίον χωρὶς δημαγωγίας βεβαίως ἔχων τὴν ἡγεμονίαν ἐβιάσατο μὲν τὸ πλῆθος ἐπὶ τῶν νεκρῶν στρατοπεδεῦσαι, κύριος δὲ γενόμενος τῆς τούτων ταφῆς ἡμφισβήτηται τῆς νίκης, [p. 54] ἀποφαινόμενος προτερεῖν ἐν ταῖς μάχαις τὸ τῶν πεσόντων κυριεῦσαι. [5] ἀνηρέθησαν δ' ἐν τῇ μάχῃ τῶν μὲν Ἀντιγόνου πεζοὶ μὲν εἰς τρισχιλίους ἑπτακοσίους, ἱππεῖς δὲ πεντήκοντα τέσσαρες, τραυματῖαι δ' ἐγένοντο πλείους τῶν τετρακισχιλίων: τῶν δ' Εὐμενοῦς ἔπεσον πεζοὶ μὲν πεντακόσιοι τεσσαράκοντα, ἱππεῖς δ' ὀλίγοι παντελῶς, τραυματῖαι δ' ἐγένοντο πλείους τῶν ἐννακοσίων.

ὁ δ' Ἀντίγονος μετὰ τὴν ἐκ τῆς μάχης ἀποχώρησιν ὁρῶν τοὺς στρατιώτας ἄθυμοῦντας διέγνω τὴν ταχίστην ἀναζευγνύειν ὡς πορρωτάτω τῶν πολεμίων. βουλόμενος δ' εὐζωνον ποιῆσαι τὴν δύναμιν πρὸς τὴν ἀποχώρησιν τοὺς μὲν τραυματίας καὶ τὰ βαρύτερα τῆς ἀποσκευῆς προαπέστειλεν εἰς τινὰ τῶν πλησίον πόλεων, τοὺς δὲ νεκροὺς ἅμ' ἡμέρᾳ θάψας καὶ παρακατασχὼν τὸν παρὰ τῶν πολεμίων ἦκοντα κήρυκα περὶ τῆς τῶν νεκρῶν ἀναιρέσεως παρήγγειλε τῆς ὥρας δειπνοποιεῖσθαι. [2] τῆς δ' ἡμέρας διελθούσης τὸν μὲν κήρυκα ἀπ' ἐπεμψε, δοὺς εἰς τὴν αὔριον τὴν ἀναίρεσιν, αὐτὸς δὲ πρώτης φυλακῆς ἀρχομένης ἀνέξευξε μετὰ πάσης τῆς δυνάμεως καὶ συντόνους τὰς πορείας ποιούμενος ἀπέστη μὲν τῶν πολεμίων μακράν, ἔσχε δὲ χώραν ἀκεραίαν εἰς ἀνάληψιν τοῦ στρατοπέδου: διήνυσε γὰρ ἕως Γαμάργων τῆς Μηδίας, οὔσης τῆς [p. 55] χώρας ὑπὸ Πίθωνα καὶ δυναμένης μεγάλαις δυνάμεσι πρὸς διατροφήν δαφυλῶς ἅπαντα χορηγῆσαι. [3] Εὐμενῆς δὲ διὰ τῶν κατασκόπων πυθόμενος τὴν ἀναχώρησιν τῶν περὶ Ἀντίγονον τοῦ μὲν διώκειν ἀπέστη διὰ τὸ καὶ τοὺς ἰδίους στρατιώτας ἐν ἀσιτία καὶ κακοπαθείαις μεγάλαις γεγονέναι, περὶ δὲ τὴν ἀναίρεσιν τῶν τετελευτηκότων γενόμενος ἐπεμελήθη τῆς ταφῆς μεγαλοπρεπῶς. ἐνθα δὴ συνέβη γενέσθαι πρᾶγμα παράδοxon καὶ πολὺ τῶν παρ' Ἑλλήσι νομίμων ἐξηλλαγμένον.

Κητεὺς γὰρ ὁ τῶν ἐκ τῆς Ἰνδικῆς ἀπηντηκότων στρατηγὸς ἀνηρέθη μὲν ἐν τῇ μάχῃ λαμπρῶς ἀγωνισάμενος, ἀπέλιπε δὲ δύο γυναῖκας συνακολουθούσας ἐν τῷ στρατοπέδῳ, τὴν μὲν νεόγαμον, τὴν δὲ ὀλίγοις ἔτεσι πρότερον

συνοικήσασαν, ἀμφοτέρως δὲ φιλοστόργως πρὸς αὐτὸν διακειμένας. [2] ὄντος δὲ παλαιοῦ νόμου παρὰ τοῖς Ἰνδοῖς τοὺς γαμοῦντας καὶ τὰς γαμουμένας παρθένους μὴ διὰ τῆς τῶν γονέων κρίσεως ποιεῖσθαι τὸν γάμον, ἀλλὰ πείσαντας ἀλλήλους, τὸν μὲν ἔμπροσθεν χρόνον τῆς μνηστείας γενομένης διὰ νεωτέρων ταῖς ἡλικίαις ὥς ἐπὶ πολὺ συνέβαινε διαπίπτειν τὰς κρίσεις καὶ ταχὺ μεταμελομένων ἀμφοτέρων πολλὰς τῶν γυναικῶν διαφθεῖρεσθαι καὶ δι' ἀκρασίαν φιλοστοργεῖν ἐτέρους, τέλος δὲ μὴ δυναμένας εὐσχημόνως ἀπολιπεῖν τοὺς ἐξ ἀρχῆς προκριθέντας διὰ φαρμάκων ἀναιρεῖν τοὺς συνοικοῦντας, καὶ τὴν χώραν δ' οὐκ ὀλίγας ἀφορμὰς αὐταῖς δοῦναι, πολλὰς καὶ ποικίλας φέρουσαν φθαρτικὰς δυνάμεις, ἐξ ὧν ἐνίας προσχρωσθεῖσας μόνον τοῖς ἐδέσμασιν ἢ ποτηρίοις ἐπιφέρειν [p. 56] τὴν ἀπώλειαν. [3] ἐπιπολαζούσης δὲ τῆς ῥαδιουργίας καὶ πολλῶν ἀναιρουμένων τοῦτον τὸν τρόπον, ἐπειδὴ κολάζοντες τὰς αἰτίας τῶν κακῶν οὐκ ἠδυνήθησαν ἀποτρέψαι τὰς ἄλλας τῶν ἀδικημάτων, νόμον ἔθεσαν ὅπως συγκατακαίονται τοῖς τετελευτηκόσιν ἀνδράσιν αἱ γυναῖκες πλὴν τῶν ἐγκύων ἢ τῶν ἐχουσῶν τέκνα: τὴν δὲ μὴ βουλομένην τῷ δόγματι πιθαρχεῖν χήραν μὲν εἶναι διὰ τέλους καὶ θυσιῶν καὶ τῶν ἄλλων νομίμων εἵργεσθαι διὰ παντὸς ὥς ἀσεβοῦσαν. [4] τούτων δὲ νομοθετηθέντων εἰς τοῦναντίον τὴν παρανομίαν τῶν γυναικῶν μεταβαλεῖν συνέβη: διὰ γὰρ τὴν ὑπερβολὴν τῆς ἀτιμίας ἐκάστης ὑπομενούσης ἐκουσίως τὸν θάνατον οὐ μόνον προνοεῖσθαι τῆς τῶν συνοικούντων ἀσφαλείας ὥς κοινῆς οὔσης, ἀλλὰ καὶ πρὸς ἀλλήλας ἀμιλλᾶσθαι καθάπερ ὑπὲρ τῆς μεγίστης εὐδοξίας.

ὁ καὶ τότε συνέβη: τοῦ γὰρ νόμου μίαν κελεύοντος συγκατακάεσθαι παρῆσαν ἀμφοτέραι πρὸς τὴν τοῦ Κητέως ταφὴν, ὑπὲρ τοῦ συναποθανεῖν ὥς ὑπὲρ ἀριστίου συμφιλοτιμούμεναι. [2] τῶν δὲ στρατηγῶν διακρινόντων ἢ νεωτέρα μὲν ἀπεφαίνετο τὴν ἐτέραν ἔγκυον εἶναι καὶ διὰ τοῦτο μὴ δύνασθαι χρῆσασθαι τῷ νόμῳ, ἢ δὲ πρεσβυτέρα δικαιοτέρον ἀπεφαίνετο εἶναι τὴν προέχουσαν τοῖς χρόνοις προέχειν καὶ τῇ τιμῇ: καὶ γὰρ ἐπὶ τῶν ἄλλων ἀπάντων θεωρεῖσθαι τοὺς πρεσβυτέρους πολὺ προέχοντας τῶν νεωτέρων εἰς ἐντροπὴν καὶ τιμὴν. [3] οἱ δ' οὖν στρατηγοὶ διὰ τῶν μαιεύεσθαι δυναμένων γνόντες τὴν πρεσβυτέραν ἔγκυον οὖσαν προέκριναν τὴν νεωτέραν. οὗ συμβάντος ἢ μὲν ἀποτυχοῦσα τῆς κρίσεως ἀπῆι μετὰ [p. 57] κλαυθοῦ, καταρρήξασα τὸ περὶ τὴν κεφαλὴν διάδημα καὶ τὰς τρίχας σπαράσσουσα, καθαπερεὶ τινος συμφορᾶς μεγάλης προσηγγελημένης: ἢ δὲ ἐπὶ τῇ νίκῃ περιχαρὴς ἀπῆι πρὸς τὴν πυράν, στεφανουμένη μὲν μίτραις ὑπὸ τῶν οἰκείων γυναικῶν, κεκοσμημένη δὲ διαπρεπῶς ὥσπερ εἰς τινα γάμον προεπέμπετο ὑπὸ τῶν συγγενῶν, ἀδόντων ὕμνον εἰς τὴν ἀρετὴν αὐτῆς. [4] ὥς δὲ ἐγγὺς ἐγενήθη τῆς πυρᾶς, περιαιρουμένη τὸν κόσμον ἑαυτῆς διεδίδου τοῖς οἰκείοις καὶ φίλοις, ὥς ἂν εἴποι τις, καταλείπουσα τοῖς ἀγαπῶσι μνημεῖον. ὁ δὲ κόσμος ἦν περὶ μὲν τὰς χεῖρας δακτυλίων τε πλῆθος ἐνδεδεμένων λίθοις πολυτελέσι καὶ διηλλαγμένοις τοῖς χρώμασι, περὶ δὲ τὴν κεφαλὴν χρυσῶν ἀστερίσκων οὐκ ὀλίγος ἀριθμὸς παντοδαποῖς λίθοις διειλημμένων, περὶ δὲ τὸν τράχηλον ὄρμων πλῆθος, τῶν μὲν ἑλασσόνων, τῶν δ' ἐκ τοῦ κατ' ὀλίγον ἀεὶ καθ' ὑπέρθεσιν μεζόνων. [5] τὸ δὲ τελευταῖον ἀσπασαμένη τοὺς οἰκείους ὑπὸ

τάδελοφου μέν ἐπὶ τὴν πυρὰν ἀνεβιβάσθη, ὑπὸ δὲ τοῦ συνδραμόντος ἐπὶ τὴν θέαν πλήθους θαυμασθεῖσα κατέστρεψεν ἡρωικῶς τὸν βίον· [6] ἡ μὲν γὰρ δύναμις ἐν τοῖς ὅλοις πᾶσα πρὶν ἄπτεσθαι τὴν πυρὰν τρίς περιήλθεν, αὐτὴ δὲ τάνδρι παρακληθεῖσα καὶ κατὰ τὴν τοῦ πυρὸς ὁρμὴν οὐδεμίαν φωνὴν ἀγεννῇ προεμένη προεκαλέσατο τῶν ὁρόντων τοὺς μὲν εἰς ἔλεον, τοὺς δὲ εἰς ὑπερβολὴν ἐπαίνων. οὐ μὴν ἀλλ' ἐνιοι τῶν Ἑλλήνων ἐπετίμων τοῖς νομίμοις ὡς ἀγρίοις οὔσι καὶ χαλεποῖς. [p. 58] [7] ὁ δ' Εὐμενὴς ἀπὸ τῆς τῶν τετελευτηκότων ταφῆς γενόμενος ἀνέξευξεν ἐκ τῶν Παραιτάκων εἰς τὴν Γαβηνήν, οὔσαν ἀκέραιον καὶ δυναμένην πάντα δαψιλῇ ταῖς δυνάμεσι παρέχεσθαι. [8] ἀπέχειν δὲ συνέβαινε τὴν χώραν ταύτην τῶν περὶ Ἀντίγονον διὰ μὲν τῆς οἰκουμένης πορευομένῳ σταθμοὺς εἴκοσι πέντε, διὰ δὲ τῆς ἐρήμου καὶ ἀνύδρου σταθμοὺς ἐννέα. οἱ μὲν οὖν περὶ Εὐμενῇ καὶ τὸν Ἀντίγονον τοσοῦτον ἀλλήλων διεστῶτες ἐν τούτοις τοῖς τόποις παρεχίμαζον ἅμα καὶ τὰς δυνάμεις ἀνελάμβανον.

κατὰ δὲ τὴν Εὐρώπην Κάσανδρος μὲν ἐν Πελοποννήσῳ Τεγέαν πολιορκῶν καὶ πυθόμενος τὴν τε Ὀλυμπιάδος κάθοδον εἰς Μακεδονίαν καὶ τὴν Εὐρυδίκης καὶ Φιλίππου τοῦ βασιλέως ἀναίρεισιν, ἔτι δὲ τὰ περὶ τὸν Ἰόλλα τάδελοφου τάφον συμβεβηκότα πρὸς μὲν τοὺς Τεγεάτας διελύσατο, τὴν δὲ δύναμιν ἀναλαβὼν προῆγεν ἐπὶ Μακεδονίαν, καταλιπὼν τοὺς συμμάχους ἐν πολλῇ ταραχῇ· ἐφήδρευε γὰρ ταῖς ἐν Πελοποννήσῳ πόλεσιν Ἀλέξανδρος ὁ Πολυπέρχοντος ἔχων στρατόπεδον. [2] Αἰτωλοὶ δὲ χαρίζεσθαι βουλόμενοι τῇ τε Ὀλυμπιάδι καὶ Πολυπέρχοντι τὰ περὶ τὰς Πύλας στενὰ κατελάβοντο καὶ τῆς παρόδου τὸν Κάσανδρον ἀπέκλεισαν. ὁ δὲ βιάζεσθαι μὲν πρὸς τόπους δυσεμβόλους ἀπέγνω, παρασκευασάμενος δὲ πλοῖα καὶ σχεδίας [p. 59] ἐκ τε τῆς Εὐβοίας καὶ τῆς Λοκρίδος ἐπεραιώσε τὴν δύναμιν εἰς τὴν Θετταλίαν. [3] ἀκούων δὲ περὶ τὴν Περραιβίαν προκαθῆσθαι Πολυπέρχοντα μετὰ στρατοπέδου Κάλλαν μὲν ἀπέστειλε στρατηγὸν μετὰ δυνάμεως, προστάξας διαπολεμεῖν τοῖς μετὰ Πολυπέρχοντος. Δεινίας δὲ τὰ στενὰ προκαταληψόμενος, ἀπαντήσας τοῖς ὑπ' Ὀλυμπιάδος ἐξαποσταλεῖσι στρατιώταις ἔφθασε τῶν παρόδων κυριεύσας. [4] Ὀλυμπιάς δὲ πυθομένη Κάσανδρον μετὰ μεγάλης δυνάμεως πλησίον εἶναι τῆς Μακεδονίας, Ἀριστόνουν μὲν ἀπέδειξε στρατηγόν, κελεύσασα δικπολεμεῖν τοῖς περὶ Κάσανδρον, [5] αὐτὴ δὲ παρήλθεν εἰς Πύδναν ἔχουσα τὸν υἱὸν τὸν Ἀλεξάνδρου καὶ τὴν μητέρα αὐτοῦ Ῥωξάνην καὶ Θετταλονίκην τὴν Φιλίππου τοῦ Ἀμύντου θυγατέρα, πρὸς δὲ τούτοις Δηιδάμειαν τε τὴν Αἰακίδου θυγατέρα τοῦ βασιλέως τῶν Ἡπειρωτῶν, Πύρρου δὲ τοῦ πρὸς Ῥωμαίους ὕστερον πολεμήσαντος ἀδελφῆν, καὶ τὰς Ἀττάλου θυγατέρας, ὁμοίως δὲ καὶ τῶν ἄλλων τῶν ἀξιολογωτάτων φίλων τοὺς συγγενεῖς, ὥστ' ἀθροισθῆναι περὶ αὐτὴν πλῆθος μὲν πολὺ σωμάτων, ἀχρείων δ' εἰς πόλεμον τῶν πλείστων· οὐδὲ γὰρ τροφῆς ἱκανὸν ἦν πλῆθος τοῖς μέλλουσι πολιορκίαν ὑπομένειν πολυχρόνιον. [6] ὧν ἀπάντων πρόδηλον ἐχόντων τὸν κίνδυνον οὐδὲν ἤττον ἐνταῦθα διέγνω μένειν, ἐλπίζουσα αὐτῇ βοηθήσειν κατὰ θάλασσαν Ἑλλήνων τε καὶ Μακεδόνων πολλούς. [7] συνῆσαν δ' αὐτῇ τῶν τ' ἐξ Ἀμβρακίας ἱπέων τινὲς [p. 60] καὶ τῶν περὶ τὴν αὐλὴν εἰωθότων διατρίβειν στρατιωτῶν οἱ

πλείους, ἔτι δὲ τῶν μετὰ Πολυπέρχοντος ἐλεφάντων οἱ καταλειφθέντες· τῶν μὲν γὰρ ἄλλων θηρίων τῶν κατὰ τὴν προτέραν ἐμβολὴν εἰς Μακεδονίαν Κάσανδρος ἐκεκυριεύκει.

ὁς τότε διελθὼν τὰ κατὰ Περραιβίαν στενὰ καὶ παραγενόμενος πλησίον τῆς Πύδνης τὴν μὲν πόλιν περιεχαράκωσεν ἐκ θαλάττης εἰς θάλατταν, παρὰ δὲ τῶν συμμαχεῖν βουλομένων μετεπέμπετο ναῦς καὶ βέλη παντοδαπά καὶ μηχανάς, διανοοῦμενος πολιορκεῖν τοὺς μετ' Ὀλυμπιάδος καὶ κατὰ γῆν καὶ κατὰ θάλασσαν. [2] πυθόμενος δ' Αἰακίδην τὸν Ἑπειρωτῶν βασιλέα μετὰ δυνάμεως μέλλειν βοηθήσειν Ὀλυμπιάδι, στρατηγὸν ἐξέπεμψεν Ἀταρρίαν, δοὺς στρατόπεδον καὶ συντάξας ἀπαντὰν τοῖς Ἑπειρώταις. [3] οὗ ταχὺ τὸ προσταχθὲν ποιήσαντος καὶ τὰς ἐξ Ἑπείρου παρόδους προκαταλαβομένου συνέβη τὸν Αἰακίδην ἄπρακτον γενέσθαι. καὶ γὰρ τὸ πλῆθος τῶν Ἑπειρωτῶν ἀκουσίως ἐστράτευσεν ἐπὶ Μακεδονίας καὶ στάσιν ἐποίει κατὰ τὴν παρεμβολήν· ὁ δὲ Αἰακίδης ἐκ παντὸς τρόπου βουλούμενος βοηθεῖν Ὀλυμπιάδι τοὺς μὲν ἄλλοτρίως διακειμένους ἀπέλυσε τῆς στρατείας, τοὺς δὲ συγκινδυνεύειν βουλομένους ἀναλαβὼν προθυμίαν μὲν εἶχε τοῦ διακινδυνεύειν, οὐκ ἀξιόμαχος δ' ἦν ὥς ἂν ὀλίγου καταλελειμμένου τοῦ περὶ αὐτὸν συστήματος. [4] οἱ δὲ χωρισθέντες τῶν Ἑπειρωτῶν εἰς τὰς πατρίδας κατεστασίασαν ἀπόντα τὸν βασιλέα καὶ κοινῷ δόγματι φυγὴν αὐτοῦ καταγνόντες πρὸς Κάσανδρον [p. 61] ἐποίησαντο συμμαχίαν. ὅπερ οὐδέποτε γενέσθαι συνέβη κατὰ τὴν Ἑπειρον ἀφ' οὗ Νεοπτόλεμος ὁ Ἀχιλλέως ἐβασίλευσε τῆς χώρας· αἰὶ γὰρ παῖς παρὰ πατρός διαδεχόμενος τὴν δυναστείαν ἐνατέθνησκε ταῖς βασιλείαις μέχρι τῶνδε τῶν καιρῶν. [5] Κασάνδρου δὲ παραλαβόντος τὴν Ἑπειρον τῇ συμμαχίᾳ καὶ πέμψαντος εἰς αὐτὴν ἐπιμελητὴν ἅμα καὶ στρατηγὸν Λυκίσκον οἱ πρότερον κατὰ Μακεδονίαν διστάζοντες περὶ τῆς συμμαχίας ἀπήλπισαν μὲν τὰ κατ' Ὀλυμπιάδα πράγματα, τῷ δὲ Κασάνδρῳ προσέθεντο. μιᾶς δ' οὔσης αὐτῇ βοηθείας τῆς παρὰ Πολυπέρχοντος συνέβη καὶ ταύτην συντριβῆναι παραδόξως· [6] ὁ γὰρ ὑπὸ Κασάνδρου πεμφθεὶς στρατηγὸς Κάλλας ἐπειδὴ πλησίον γενόμενος τοῦ Πολυπέρχοντος κατεστρατοπέδευσεν ἐν τῇ Περραιβίᾳ, διέφθειρε τῶν μετ' αὐτοῦ στρατιωτῶν τοὺς πλείστους χρήμασιν, ὥστε ὀλίγους τοὺς μάλιστα πιστοὺς ἀπολειφθῆναι. αἱ μὲν οὖν Ὀλυμπιάδος ἐλπίδες ἐν ὀλίγῳ χρόνῳ τοῦτον τὸν τρόπον ἐταπεινώθησαν.

κατὰ δὲ τὴν Ἀσίαν Ἀντίγονος μὲν χειμάζων ἐν Γαδαμάλοις τῆς Μηδίας καὶ θεωρῶν τὴν ἑαυτοῦ δύναμιν ἀσθενεστέραν οὔσαν τῆς τῶν πολεμίων ἔσπευδεν ἀνελπίστως αὐτοῖς ἐπιθέσθαι καὶ καταστρατηγῆσαι. ἐτύγχανον δ' οὗτοι τὴν χειμασίαν ἔχοντες ἐν πολλοῖς μέρεσι διεξευγμένην, ὥστ' ἐνίους ἀπ' ἀλλήλων ἀπέχειν ὁδὸν ἡμερῶν ἕξ. [2] τὸ μὲν οὖν διὰ τῆς οἰκουμένης χώρας ὁδοιορεῖν ἀπεδοκίμασε διὰ τὸ καὶ μακρὰν εἶναι καὶ τοῖς πολεμίοις εὐθεώρητον, τὸ δὲ τολμῆσαι διὰ τῆς [p. 62] ἐρήμου καὶ ἀνύδρου προάγειν ἐπίπονον μὲν ἔκρινεν, εἰς δὲ τὴν βεβουλευμένην ἐπιβολὴν χρησιμώτατον· οὐ μόνον γὰρ διὰ ταύτης συντόμως ἦν ἐλθεῖν, ἀλλὰ καὶ ῥαδίως λαθεῖν ἀπροσδοκίτως ἐπιπεσόντα τοῖς διὰ τὴν ἄγνοιαν διερριμμένοις κατὰ κόμας καὶ ῥαθυμοῦσι. [3] ταῦτα δὲ διανοηθεὶς τοῖς μὲν στρατιώταις παρήγγειλεν ἐτοίμους εἶναι πρὸς ἀνάζευξιν

καὶ παρασκευάσασθαι δέχ' ἡμερῶν ἄπυρα σιτία, αὐτὸς δὲ δια δούς λόγον ἐπ' Ἀρμενίας προάξειν ἄφνω παρὰ τὴν πάντων ὑπόληψιν ὥρμησε διὰ τῆς ἐρήμου, τῆς ὥρας οὔσης περὶ χειμερινὰς τροπάς. [4] κατὰ δὲ τὰς στρατοπεδείας παρήγγειλε τῆς ἡμέρας μὲν τὰ πυρὰ κάειν, τῆς δὲ νυκτὸς κατασβεννύναι τελέως, ὅπως μὴ τινες ἐκ τῶν μετεώρων κατανοήσαντες ἀπαγγείλωσι τὸ γινόμενον τοῖς πολεμίοις· [5] ἦν γὰρ ἡ μὲν ἔρημος πᾶσα σχεδὸν πεδιάς, περιείχετο δὲ ὑπὸ λόφων ὑψηλῶν, ἀφ' ὧν ῥάδιον ἦν ἐκ πολλοῦ διαστήματος συνορᾶν τὴν αὐγὴν τοῦ πυρός. ἐπιπόνως δὲ τῆς δυνάμεως πένθ' ἡμέρας ὁδοιπορούσης οἱ μὲν στρατιῶται διὰ τε τὸ ψῦχος καὶ τὰς ἀναγκαίας χρείας ἔκαον πῦρ μεθ' ἡμέραν τε καὶ νύκτωρ ἐν ταῖς στρατοπεδείαις. [6] ὁ δὲ συνιδόντες τινὲς τῶν παρὰ τὴν ἔρημον οἰκούντων ἔπεμψαν τοὺς ἀπαγγελοῦντας αὐθημερὸν τοῖς περὶ Εὐμενῆ καὶ Πευκέστην, δόντες δρομάδας καμήλους· διατείνει γὰρ τὸ ζῶον τοῦτο σταδίους οὐ πολὺ ἐλάττους χιλίων πεντακοσίων.

οἱ δὲ περὶ τὸν Πευκέστην πυθόμενοι κατὰ μέσσην [p. 63] τὴν ὁδὸν ἐωρᾶσθαι τὴν στρατοπεδεῖαν, διέγνωσαν ἀναχωρεῖν εἰς τοὺς ἐσχάτους τόπους τῆς χειμασίας, φοβούμενοι μὴ καταληφθῶσιν ὑπὸ τῶν πολέμιων πρὶν ἢ συνελθεῖν πανταχόθεν τὴν συμμαχοῦσαν δύναμιν. [2] ὧν ὁρῶν τὴν ἀθυμίαν Εὐμενῆς θαρρεῖν παρεκελεύετο καὶ μένειν ἐπὶ τῶν ὄρων τῆς ἐρήμου· εὐρηκέναι γὰρ τρόπον δι' οὗ ποιήσει τὸν Ἀντίγονον ὕστερον ἡμέραις τρισὶν ἢ τέτταρσι παραγενέσθαι· τούτου δὲ γενομένου τὴν μὲν ἑαυτῶν δύναμιν ῥαδίως ἀθροισθήσεσθαι, τοὺς δὲ πολεμίους καταπεπονημένους καὶ πάντων ἐνδεεῖς ὄντας ὑποχειρίους γενήσεσθαι. [3] πάντων δὲ θαυμασάντων τὸ παράδοξον τῆς ἐπαγγελίας καὶ ζητούντων μαθεῖν τί ποτ' ἔσται τὸ δυνάμενον κωλύσαι προάγειν τοὺς ἐναντίους, προσέταξεν ἀκολουθεῖν ἑαυτῷ πάντας τοὺς ἡγεμόνας μετὰ τῶν ἰδίων στρατιωτῶν, ἔχοντας ἐν ἀγγείοις πλείοσι πῦρ. ἐκλεξάμενος δὲ τῆς μετεώρου χώρας τόπον ἐστραμμένον ἐπὶ τὴν ἔρημον καὶ πρὸς τὴν ἀποθεώρησιν πανταχόθεν εὐφυῆ, σημεῖα θέμενος περιέλαβεν ὥς ἂν ἑβδομήκοντα σταδίων περιφέρειαν. διελὼν δὲ τόπους ἐκάστῳ τῶν συνακολουθούντων συνέταξε νυκτὸς πῦρ κάειν διαστάντας ὥς ἂν εἴκοσι πήχεις καὶ κατὰ μὲν τὴν πρώτην φυλακὴν πολλὴν φλόγα ποιεῖν ὥς ἂν ἐγρηγορότων ἔτι καὶ πρὸς θεραπείαν καὶ δεῖπνον παρασκευαζομένων, τῆς δὲ δευτέρας ἐλάττω, καὶ τῆς τρίτης ἀπολιπεῖν ὀλίγα παντελῶς ὥστε δοκεῖν εἶναι τοῖς ἐξ ἀποστήματος θεωροῦσιν ἀληθινὴν στρατοπεδεῖαν. [p. 64] [4] τῶν δὲ στρατιωτῶν ποιησάντων τὸ προσταχθὲν κατενόησάν τινες τὰ πυρὰ τῶν νεμομένων μὲν τὴν ἀπεναντίον ὀρεινὴν, φίλων δ' ὄντων Πίθωνι τῷ Μηδίας σατράπῃ. δόξαντες δὲ πρὸς ἀλήθειαν εἶναι στρατοπεδεῖαν, καταδραμόντες εἰς τὸ πεδίον ἀπήγγειλαν τοῖς περὶ τὸν Ἀντίγονον καὶ Πίθωνα. [5] οἱ δὲ διὰ τὸ παράδοξον καταπλαγέντες καὶ τῆς ὁδοιπορίας ἐπισχόντες ἐβουλευόντο πῶς χρηστέον τοῖς προσηγγεμένοις· ἦν γὰρ ἐπικίνδυνον τὸ πεπονηκότας καὶ πάντων ἐνδεεῖς συνηγμένοις ἤδη τοῖς πολεμίοις καὶ πάντων εὐποροῦσι συμβαλεῖν. [6] ὑπολαβόντες δὲ προδοσίαν γεγενῆσθαι καὶ προακηκοότας τὸ μέλλον τοὺς πολεμίους ἠθοῖσθαι, τὸ μὲν ἐπ' εὐθείας προάγειν ἀπέγνωσαν, εἰς δεξιὰ δὲ κλίναντες προῆγον ἐφ' ἑκάτερα μέρη τῆς οἰκουμένης χώρας,

βουλόμενοι τὴν δύναμιν ἐκ τῆς κακοπαθίας ἀναλαβεῖν.

Εὐμενῆς δὲ τὸν προειρημένον τρόπον καταστρατηγήσας τοὺς πολεμίους μετεπέμπετο πανταχόθεν τοὺς διερριμμένους τῶν στρατιωτῶν καὶ χειμάζοντας ἐν ταῖς κόμαις. βαλόμενος δὲ χάρακα καὶ τάφρω βαθεῖα τὴν παρεμβολὴν ὀχυρώσας ὑπεδέχετο μὲν τοὺς αἰεὶ καταντῶντας τῶν συμμάχων, ἐπλήρωσε δὲ τὴν στρατοπεδεῖαν πάντων τῶν ἐπιτηδείων. [2] ὁ δ' Ἀντίγονος διελθὼν τὴν ἔρημον καὶ πυθόμενος παρὰ τῶν ἐγχωρίων σχεδὸν τὴν μὲν ἄλλην δύναμιν ἅπασαν συνεληλυθέναι τοῖς περὶ τὸν Εὐμενῆ, τοὺς δ' ἐλέφαντας μέλλειν ἀναζευγνύειν ἐκ τῆς χειμασίας καὶ πλησίον εἶναι μεμονωμένους πάσης [p. 65] βοηθείας, ἀπέστειλεν ἐπ' αὐτοὺς ἱππεῖς λογχοφόρους μὲν Μήδους δισχιλίους, Ταραντίνους δὲ διακοσίους, τῶν δὲ πεζῶν τοὺς ψιλοὺς ἅπαντας· [3] ἤλπιζε γὰρ μεμονωμένοις τοῖς θηρίοις τὴν ἐπίθεσιν ποιησάμενος τούτων τε ῥαδίως κυριεύσειν καὶ τῶν πολεμίων παρελθεῖσθαι τὸ κράτιστον μέρος τῆς δυνάμεως. ὁ δ' Εὐμενῆς καταστοχασάμενος τὸ μέλλον ἀπέστειλεν ἐπὶ τὴν βοήθειαν ἱππεῖς μὲν τοὺς κρατίστους χιλίους καὶ πεντακοσίους, πεζοὺς δὲ ψιλοὺς τρισχιλίους. [4] ἐπιφανέντων δὲ πρότερον τῶν Ἀντιγόνου στρατιωτῶν οἱ τῶν ἐλεφάντων ἡγεμόνες τάξαντες εἰς πλινθίον τὰ θηρία προῆγον, ἐν μέσῳ μὲν ἀπειληφότες τὰ σκευοφόρα, κατὰ δὲ τὴν οὐραγίαν ἔχοντες συναγωνιζομένους ἱππεῖς οὐ πλείους τετρακοσίων. [5] ἐπιπεσόντων δ' αὐτοῖς τῶν πολεμίων παντὶ τῷ βάρει καὶ βιαιότερον ἐπικειμένων οἱ μὲν ἱππεῖς ἐτράπησαν ὑπὸ τοῦ πλήθους καταπονηθέντες, οἱ δ' ἐπὶ τῶν ἐλεφάντων ἐφεστηκότες τὸ μὲν πρῶτον ἀντεῖχον καὶ διεκαρτέρουν πανταχόθεν κατατιτρωσκόμενοι, βλάψαι δ' οὐδὲν τοὺς πολεμίους δυνάμενοι. [6] ἤδη δ' αὐτῶν καταπονουμένων ἀνελπίστως ἐπιφανέντες οἱ παρ' Εὐμενοῦς ἐξήρπασαν αὐτοὺς ἐκ τῶν κινδύνων. μετὰ δ' ἡμέρας ὀλίγας ἐν τεσσαράκοντα σταδίοις ἀντιστρατοπεδευσῶν τῶν δυνάμεων ἐξέταξαν ἀμφοτέρωι τὸ στρατόπεδον εἰς μάχην, ὥς περὶ τῶν ὅλων κρίσεως ἐσομένης.

Ἀντίγονος μὲν οὖν τοὺς ἱππεῖς ἐπὶ τὰ κέρατα διελόμενος τὸ μὲν εὐώνυμον μέρος Πίθωνι παρέδωκε, [p. 66] τὸ δὲ δεξιὸν τῷ υἱῷ Δημητρίῳ, μεθ' οὗ καὶ αὐτὸς διαγωνίζεσθαι διεγνώκει· τοὺς δὲ πεζοὺς εἰς μέσον καταστήσας παρέταξε παρ' ὅλην τὴν δύναμιν τοὺς ἐλέφαντας, πληρώσας τὰ διαστήματα τοῖς ψιλικοῖς τάγμασιν. ὁ δὲ πᾶς ἀριθμὸς ἦν αὐτοῦ τῆς δυνάμεως πεζοὶ μὲν δισμύριοι δισχιλίοι, ἱππεῖς δ' ἐννακισχιλίοι σὺν τοῖς ἐκ Μηδίας προσκαταγραφεῖσι, θηρία δὲ ἐξήκοντα καὶ πέντε. [2] ὁ δ' Εὐμενῆς πυθόμενος τὸν Ἀντίγονον ἐπὶ τοῦ δεξιοῦ κέρατος τετάχθαι μετὰ τῶν ἀρίστων ἱππέων, καὶ αὐτὸς ἀντετάξατο, ἐπὶ τὸ λαιὸν κέρας ἐπιστήσας τοὺς ἀρίστους· καὶ γὰρ τῶν σατραπῶν τοὺς πλείστους ἐνταῦθα κατέστησεν μετὰ τῶν συναγωνιζομένων αὐτοῖς ἱππέων ἐπιλέκτων καὶ αὐτὸς μετὰ τούτων ἔμελλε κινδυνεύειν· συνῆν δ' αὐτοῖς καὶ Μιθριδάτης ὁ Ἀριοβαρζάνου μὲν υἱός, ἀπόγονος δ' ἐνὸς τῶν ἐπὶ τὰ Περσῶν τῶν συγκαθελόντων τὸν μάγον Σμέρδιν, ἀνὴρ ἀνδρεία διαφέρων καὶ τεθραμμένος ἐκ παιδὸς στρατιωτικῶς. [3] πρὸ δὲ τοῦ κέρατος παντὸς ἔταξεν ἐν ἐπικαμπίῳ τοὺς κρατίστους τῶν ἐλεφάντων ἐξήκοντα καὶ τὰ διαστήματα τοῖς ψιλοῖς διέλαβε τάγμασι. τῶν δὲ πεζῶν πρώτους μὲν ἔταξε τοὺς ὑπασπιστάς, εἶτα τοὺς ἀργυράσπιδας, ἐπὶ πᾶσι δὲ τοὺς ξένους καὶ τῶν ἄλλων τοὺς εἰς τὰ

Μακεδονικὰ καθωπλισμένους, καὶ πρὸ τούτων ἐλέφαντας καὶ τῶν ψιλῶν τοὺς ἱκανοὺς. [4] ἐπὶ δὲ τὸ δεξιὸν κέρας τάξας τῶν ἰππέων καὶ τῶν ἐλεφάντων τοὺς ἀσθενεστέρους ἀπέδειξεν ἡγεμόνα τῶν [p. 67] πάντων Φίλιππον: τοῦτῳ δὲ διεκελεύσατο φυγομαχεῖν καὶ τὴν ἀπὸ θατέρου μέρους κρίσιν ἀποθεωρεῖν. οἱ δὲ σύμπαντες ἦσαν μετ' Εὐμενοῦς κατὰ τοῦτον τὸν καιρὸν πεζοὶ μὲν τρισμῦριοι ἐξακισχίλιοι ἑπτακόσιοι, ἰππεῖς δὲ ἐξακισχίλιοι, ἐλέφαντες δὲ ἑκατὸν τεσσαρεσκαίδεκα.

μικρὸν δὲ πρὸ τῆς παρατάξεως Ἀντιγένης ὁ τῶν ἀργυρασπίδων στρατηγὸς ἔπεμψεν ἓνα τῶν Μακεδόνων ἰππέων ἐπὶ τὴν φάλαγγα τῶν ἐναντίων, προστάξας πλησίον παραγενόμενον ἀναβοῆσαι. οὗτος δὲ προσιππεύσας μόνος εἰς φωνῆς ἀκοήν, καθ' ὃ μέρος ἢ φάλαγξ ἦν τῶν παρ' Ἀντιγόνοῦ Μακεδόνων, ἀνεβόησεν «Ἐπὶ τοὺς πατέρας, ᾧ κακαὶ κεφαλαί, τοὺς μετὰ Φίλιππου καὶ Ἀλεξάνδρου τὰ ὅλα κατειργασμένους;» οὗς μετ' ὀλίγον ὄψονται καὶ τῶν βασιλέων καὶ τῶν προγεγονότων ἀγώνων ἀξίους. [2] καὶ γὰρ ἐτύγγανον κατὰ τοῦτον τὸν καιρὸν τῶν ἀργυρασπίδων οἱ νεώτατοι μὲν περὶ τὰ ἐξήκοντα ἔτη, τῶν δ' ἄλλων οἱ πλείους μὲν περὶ τὰ ἐβδομήκοντα, τινὲς δὲ καὶ πρεσβύτεροι, πάντες δὲ ταῖς ἐμπειρίαις καὶ ταῖς ῥώμαις ἀνυπόστατοι: τοσαύτη περὶ αὐτοὺς ἦν εὐχειρία καὶ τόλμα διὰ τὴν συνέχειαν τῶν κινδύνων. [3] γενομένου δὲ τοῦ κηρύγματος καθότι προείρηται, παρὰ μὲν τοῖς περὶ Ἀντίγονον ἐγίνοντο φωναὶ δυσχερεῖς, ὅτι συναναγκάζοντο πρὸς συγγενεῖς καὶ πρεσβυτέρους διαμάχεσθαι, παρὰ [p. 68] δὲ τοῖς μετ' Εὐμενοῦς παρατασσομένοις παρακελευσμός καὶ βοή τὴν ταχίστην ἄγειν ἐπὶ τοὺς πολεμίους. ὣν Εὐμενὴς ὁρῶν τὴν προθυμίαν ἦρεν τὸ σύσσημον, δι' ὧν παρεστήσατο τοὺς μὲν σαλπικτὰς τὸ πολεμικὸν σημαίνειν, τὴν δὲ δύναμιν ἀλαλάζειν πᾶσαν.

συνῆψε δὲ μάχην πρῶτον μὲν τὰ θηρία, μετὰ δὲ ταῦτα καὶ τὸ τῶν ἰππέων πλῆθος. τοῦ δὲ πεδίου πολλὴν εὐρυχωρίαν ἔχοντος καὶ παντὸς ὑπάρχοντος ἀργοῦ διὰ τὴν ἐν αὐτῷ διήκουσαν ἀλμυρίδα τοσοῦτον συνέβη ὑπὸ τῶν ἰππέων ἐξαίρεσθαι κονιορτὸν ὥστε μηδένα δύνασθαι ῥαδίως συνορᾶν ἐξ ὀλίγου διαστήματος τὸ γινόμενον. [2] ὃ δὴ κατανοήσας Ἀντίγονος ἀπέστειλε τοὺς ἐκ Μηδίας ἰππεῖς καὶ τῶν Ταραντίνων τοὺς ἱκανοὺς ἐπὶ τὴν ἀποσκευὴν τῶν πολεμίων: ἤλπισε γάρ, ὅπερ ἦν ἀληθές, διὰ μὲν τὸν κονιορτὸν λήσεσθαι, διὰ δὲ τὴν ἄλωσιν τῆς ἀποσκευῆς ἀκονητὴ κρατῆσαι τῶν πολεμίων. [3] οἱ δὲ πεμφθέντες περιιπεύσαντες τὸ κέρας τῶν ἐναντίων καὶ λαθόντες ἐπέθεντο τοῖς σκευοφόροις, ἀπέχουσι τῆς μάχης ὡς πέντε σταδίους: εὐρόντες δ' αὐτὴν πλήρη μὲν ὄχλου πρὸς μάχην ἀχρήστου, τοὺς δ' ἄμνημονους ὀλίγους ταχὺ τοὺς ἀντιστάντας τρεψάμενοι τῶν ἄλλων ἀπάντων ἐκυρίευσαν. [4] ἅμα δὲ τούτοις πραττομένοις Ἀντίγονος μὲν συνάψας μάχην τοῖς ἀντιτεταγμένοις καὶ μετὰ πλήθους ἰππέων ἐπιφανεῖς κατεπλήξατο Πευκέστην τὸν τῆς Περσίδος σατράπην, ὃς μετὰ τῶν περὶ ἑαυτὸν ἰππέων ἔξω τοῦ κονιορτοῦ διδοὺς ἑαυτὸν συνεπεσπάσατο καὶ τῶν ἄλλων [p. 69] εἰς χιλίους πεντακοσίους. [5] Εὐμενὴς δὲ μετ' ὀλίγων ἀπολειφθεὶς ἐπ' ἄκρου τοῦ κέρατος τὸ μὲν εἴξει τῇ τύχῃ καὶ φυγεῖν αἰσχρὸν διέλαβεν, τὸ δὲ τηροῦντα τὴν δεδομένην ὑπὸ τῶν βασιλέων πίστιν γενναῖα προαιρέσει συναποθανεῖν προκρίνας ἐπ' αὐτὸν ἐώσατο τὸν Ἀντίγονον. [6] γενομένης δ' ἵππομαχίας καρτερᾶς καὶ τῶν μὲν μετ' Εὐμενοῦς

ταῖς προθυμίαις προεχόντων, τῶν δὲ μετ' Ἀντιγόνου τῷ πλήθει περιγινόμενων πολλοὶ παρ' ἀμφοτέρων ἐπιπτον· ὅτε δὴ συνέβη καὶ τῶν ἐλεφάντων πρὸς ἀλλήλους ἀγωνιζομένων πεσεῖν τῶν Εὐμενοῦς τὸν προηγούμενον, συμπλακέντα τῷ κρατίστῳ τῶν ἀντιτεταγμένων. [7] διόπερ Εὐμενῆς ὁρῶν τοὺς μετ' αὐτοῦ πανταχόθεν ἐλαττουμένους ἐξῆγεν ἐκ τῆς μάχης τοὺς ὑπολελειμμένους ἵππεις καὶ παρελθὼν ἐπὶ θάτερον κέρας ἀνελάμβανε τοὺς μετὰ Φιλίππου τεταγμένους, οἷς ἦν παρηγγελκῶς φυγομαχεῖν. ἡ μὲν οὖν τῶν ἱππέων μάχη τοιοῦτον ἔσχε τὸ τέλος.

τῶν δὲ πεζῶν οἱ μὲν ἀργυράσπιδες συμφράζαντες καὶ βιαίτερον τοῖς ἀντιτεταγμένοις ἐπιπесόντες τοὺς μὲν ἐν χειρῶν νόμῳ διέφθειραν, τοὺς δὲ συνηνάγκασαν φυγεῖν. ἀκατάσχετοι δὲ ταῖς ὁρμαῖς γενόμενοι καὶ πρὸς πᾶσαν τὴν τῶν ἐναντίων φάλαγγα διαγωνιδάμενοι τοσοῦτον ταῖς εὐχειρίαις καὶ ῥώμαις ὑπερεῖχον ὥσθ' ἐαυτῶν μὲν ἀποβαλεῖν μηθέν, τῶν δ' ἐναντίων ἀνελεῖν μὲν ὑπὲρ τοὺς πεντακισχιλίους, τρέψασθαι δὲ τοὺς πεζοὺς πάντας, ὄντας πολλαπλασίους. [2] Εὐμενῆς δὲ πυθόμενος τὴν μὲν ἀποσκευὴν ἡλωκέναι, τοὺς δ' [p. 70] ἵππεις τοὺς μετὰ Πευκέστου μὴ μακρὰν ἀπέχειν, ἐπεχείρησεν ἀθροίζειν ἅπαντας καὶ πάλιν ἵππομαχεῖν πρὸς Ἀντίγονον· ἡλπιζε γὰρ μάχῃ κρατήσας οὐ μόνον τὴν ἰδίαν ἀποσκευὴν σώσειν, ἀλλὰ καὶ τὴν τῶν πολεμίων προσλήψεσθαι. [3] τῶν δὲ περὶ τὸν Πευκέστην οὐχ ὑπακούοντων, ἀλλὰ καὶ τοὐναντίον πορρωτέρω τὴν ἀποχώρησιν ποιουμένων ἐπὶ τινα τόπον, ἅμα δὲ καὶ νυκτὸς καταλαμβάνουσας ἡναγκάσθη συνεῖξαι τῷ καιρῷ. [4] Ἀντίγονος δὲ τοὺς ἵππεις εἰς δύο μέρη διελόμενος τοὺς μὲν αὐτὸς ἔχων ἐφῆδρευε τοῖς περὶ τὸν Εὐμενῆ, τὴν ὁρμὴν αὐτῶν ἀποθεωρῶν, τοὺς δ' ἄλλους παραδοὺς Πίθωνι προσέταξεν ἐπιθέσθαι τοῖς ἀργυράσπισι μεμονωμένοις τῆς τῶν ἱππέων βοηθείας. [5] ταχὺ δ' αὐτοῦ τὸ προσταχθὲν συντελοῦντος οἱ Μακεδόνες εἰς πλινθίον ἐαυτοὺς ποιήσαντες ἀσφαλῶς ἀπεχώρησαν ἐπὶ τὸν ποταμὸν καὶ τῶν περὶ τὸν Πευκέστην κατηγοροῦν ὡς αἰτίων γεγενημένων τῆς τῶν ἱππέων ἥττης. καταντησάντων δὲ καὶ τῶν περὶ τὸν Εὐμενῆ περὶ λύχνων ἀφὰς συνελθόντες ἐβουλευόντο τί χρὴ πράττειν. [6] οἱ μὲν οὖν σατράπαι τὴν ταχίστην ἔφησαν δεῖν ἀποχωρεῖν εἰς τὰς ἄνω σατραπείας, ὁ δ' Εὐμενῆς ἀπεφαίνετο μένειν καὶ διαγωνίζεσθαι, τῆς μὲν τῶν ἐναντίων φάλαγγος συντετριμμένης, τῆς δὲ τῶν ἱππέων δυνάμεως ἐφαμίλλου παρ' ἀμφοτέροις οὔσης. [7] οἱ δὲ Μακεδόνες οὐδετέροις ἔφασαν ὑπακούσεσθαι, τῆς ἀποσκευῆς αὐτῶν [p. 71] ἡλωκυίας καὶ παρὰ τοῖς πολεμίοις ὄντων τέκνων καὶ γυναικῶν καὶ πολλῶν ἄλλων ἀναγκαίων σωμάτων. [8] τότε μὲν οὖν διελύθησαν οὐδεμίαν συμπεφωνημένην γνώμην βεβαιώσαντες· μετὰ δὲ ταῦθ' οἱ Μακεδόνες λάθρα διαπρεσβευσάμενοι πρὸς Ἀντίγονον τὸν μὲν Εὐμενῆ συναρπάσαντες παρέδωκαν, τὰς δ' ἀποσκευὰς κομισάμενοι καὶ πίστει λαβόντες κατετάχθησαν εἰς τὸ στρατόπεδον. [9] τὸ παραπλήσιον δ' οἱ τε σατράπαι καὶ τῶν ἄλλων ἡγεμόνων τε καὶ στρατιωτῶν οἱ πλεῖστοι, τὸν στρατηγὸν ἐγκαταλιπόντες, τῆς ἰδίας ἀσφαλείας μόνον ἐφρόντισαν.

Ἀντίγονος δὲ παραδόξως κυριεύσας τοῦ τ' Εὐμενοῦς καὶ πάσης τῆς ἀντιτεταγμένης δυνάμεως Ἀντιγένην μὲν τὸν τῶν ἀργυρασπίδων ἡγούμενον συλλαβὼν καὶ καταθέμενος εἰς σειρὸν ζῶντα κατέκαυσεν, Εὐδημον δὲ τὸν ἐξ
